

THE ELEY WORLD ICTSF SKEET CHAMPIONSHIPS
6th – 9th AUGUST 2009 at DOVERIDGE CLAY SPORTS CENTRE
EATON HALL FARM, UPWOODS ROAD, ASHBOURNE, DERBYSHIRE. DE6 5LN. ENGLAND.

This inaugural event planned at Doveridge Clay Sports Centre from 5th-9th August has not had the take up that we first imagined. As a consequence, we are reducing the total number of days necessary for entry into this event. Instead of starting on Wednesday 5th August, it will not commence until Thursday 6th August. Those already entered will be contacted by CPSA HQ to make them aware of the change and offered rescheduled dates and times.

Competitors will now shoot 100 targets straight through on either Thursday or Friday and shoot a further 50 targets straight through on Saturday. The top 30% of those competing in both class and category will go forward to shoot a further 50 targets straight through on Sunday to decide the winners.

Team scores will be taken based on competitors 150 target score and any ties will be decided by count back. Prize money, subject to entry, will be paid back to winners in the relevant classes after the completion of the 200 target event and subject to shoot off where a medal or cup is offered for that position. Any position tied outside those that have a medal or trophy attached to them will be added and divided amongst those involved.

Administratively, the ICTSF AGM will take place at the Menzies Mickleover Court hotel on Tuesday 4th August commencing 09:00 hrs and the competition opening ceremony will take place that afternoon at 16:00 hrs at Doveridge Clay Sports Centre. Those eligible [Dignitaries, Managers/Captains] should note that the Technical meeting will also take place at the shooting ground the following day Wednesday 5th August at 14:00 hrs.

The CPSA apologise for this late notification.
