These statistics are based (from 1 of November 2024 to 31 October 2025) on averages from a minimum of 1000 registered targets (that count towards your classifications) at a minimum of three registered grounds in the domestic disciplines of DTL, ESK, ESP, ABT, SSP & STR. Other disciplines (except Helice) are calculated from a minimum of 500 targets (that count towards your classification) at a minimum of three different grounds. Helice was based on a minimum of 10 targets at a minimum of one ground. CPSA shooting categories are determined on the members age on the 1 January 2025.

JAMES ATTWOOD
1ST OVERALL ESP & CSP

Looking back over this year, I can see the effort and consistency that went into everything I achieved this year. There were challenges

along the way, but each one pushed me to improve and stay focused on my goals. Overall, this year has been one of my best in terms of both results and consistency, and it's a great feeling to look at what I've achieved and

know that my hard work has paid off. There were several high points throughout the year, and not just in terms of my own results. I also had the pleasure of seeing Phil Gray win both the English and British Open, which was a real highlight.

As for my own season, winning the Essex Masters, the World Sportrap, and finishing runner-up at the British Open were all achievements I'm proud of. But the two standout moments were undoubtedly winning both European Championships – in Compak and FITASC Sporting. Taking both titles in the same year is something I never imagined would be possible when the year began and achieving it has been incredibly rewarding.

My goals for 2026 are always very similar each year: to be competitive in any competition, to work hard, and to hopefully win a major in any discipline, especially

with the level of competition being so high around the world. But now, there's one title I've set as on of my main goals – the World FITASC – which would complete the full set for me.

My top tips are stay focused and dedicated. I'm not someone who spends a lot of time practising, I mainly shoot competitions, but everyone is different, and you have to find what works best for you. If you put in the hard work, you'll see the results. But above all, make sure you have fun and enjoy it!

Id like to thank my best friend Phil Gray, who pushes me every step of the way, and all my close friends who support me. I also owe a huge thank you to my parents, as much of this wouldn't have been possible without them. And finally, I'm grateful to my sponsors – GMK, Beretta, Baschieri & Pellagri, Cens Digital, and Starkey Outdoors, for their continued support throughout the year.

CHARLOTTE KITCHEN 1ST LADIES DTL

As a mother of two, simply attending competitions feels like an achievement in itself, so I had no expectations after giving birth to my second child in December '24.

My high point of 2025 was qualifying for the England Ladies DTL team for the Home International in Scotland. The first England Selection took place when my son was only 3 months old and I was so pleased to attend the event with him. I was incredibly proud to achieve England Lady High Gun at the Home International. My goals for 2026 are to qualify for

the England Ladies Team for my 10th appearance representing England.

My top tip, make sure you enjoy shooting and not take it too seriously. Also, find a gun and cartridge combination you like and stick with it. I've used a Miroku MK38 and Hull DTL 300s for a long time.

Without my family's support I would not be able to shoot. Thank you to my partner Nev and my Mum, who share the babysitting duties. And to my Dad, who as a keen DTL shooter himself, has always been the best support I could ask for.

MITCHELL BOOKER-SMITH 1ST OVERALL OSK

I am pleased with my season and the progress I have made. There were times when I felt like I was going 'two steps forward and one step back' but I am fortunate to have been well supported throughout these moments and achieve performances I can be proud of.

Throughout my domestic competitions, I was incredibly proud to have won my second English Open title at the National Clay Shooting Centre (NCSC) in June. Oli Jones and the NCSC team made sure the competition ran as efficiently as possible so they deserve a considerable amount of credit.

I plan to keep working as hard as I can to win domestic titles and championships but I also intend to better my previous performances on the

world stage.

Do not let fear of the unknown stop you from taking risks and opportunities which may help you improve in your sport. This has been something I have struggled with in the past but I have learned that we sometimes have to endure temporary discomfort for long term pleasure.

Despite being an individual sport, success in shooting is very much a team effort. My family have always been an enormous powerhouse behind my shooting along with my support team; Des Davies, Richard Brickell, Paul Tudge, Martin Blandford & Oli Dixon.

DAVID KIRK
1ST OVERALL ABT

I have had another successful year in ABT, there has been some excellent competitions and pleased to have finished at the top of the Rankings.

Was there an event or result you were particularly pleased with?

My highlight in ABT of 2025 was breaking my own record of shooting 226 straight to 254 straight in consecutive registered ABT competitions across 3 different shooting grounds.

My goal for 2026 is to win the English ABT again, this is one of my favourite competitions in the calendar as this is the first major title I ever won, winning this 5 times so far, the first time was in way back in 1994.

My top tips are to shoot one target at a time, stick to your routine and don't focus too much on the final score. If you miss, forget about it, reset, start again, trust yourself, your training and your routine. Shoot all disciplines as this helps to develop and improve your shooting.

Gun: He has been shooting a Kemen KM4 since 1998.
Ammo: B&P F2 Flash Olympic Addition

I have a great support network, who without I could not do as well as I do. I'd especially like to thank my wife, Nikki, who is my biggest supporter whom I dragged around all over the country to many competitions over the years. Also thanks to Lewis, my son who I've trained, who now competes against me, sadly sometimes beats me and is pushing me to be the best competitive shooter I can be.

RICHARD KING 1ST OVERALL AR&SS

I'm fairly pleased with my results from 2025 and my highlight would be coming runner up in veterans at the World Championship.

My goals going forwards are to keep enjoying my shooting, and competing in as many competitions as I can.

My top tips would be that I have always been multi disciplined, I think shooting the various disciplines help

me stay fresh and focused and maybe more should try.

I am very grateful to have some incredible sponsors Blaser UK, Hull Cartridge Company and Ian Mulliner (Mulliner Guns), without these incredible companies I wouldn't achieve what I do.

I would say my high point of 2025 was winning the English Open Compak with 100 straight and also winning AAA and Juniors at the British Open Sportrap.

I wouldn't say I set goals but my main aim for 2026 is to compete as much as I can and simply enjoy it again!

Some tips I would suggest are get out and shoot as many different places as you can, experience on different targets and backgrounds is very important. Watch the 'Top shots' you might spot them doing something that could help you.

A big Thank you to Hull Cartridge Company, Blaser, Teague Chokes, Mum and Dad for their continued support.

I am happy with my success this year with several podium finishes and some good consistent performances through-out the year.

I have recently moved on to a Blaser f3 from the Blaser f16 that I had shot for 6.5 years!

I shoot Hull Pro one 28g 8s and some sovereign parcours 6.5s.

STUART SMITH
1ST OVERALL ESK

2025 has been a fantastic year for me, a lot of hard work, but fantastic results. I'd go so far as to say it feels like my most consistent year to date.

The highest points for me would be making the finals at both the English & British Open, and placing Runner-Up at the British. The most prominent for me was representing England again at the Home International in Northern Ireland, and coming away High Gun!

I haven't clearly planned out 2026 yet, but I will be working towards earning another cap for England and hopefully be heading for Ireland with the team this time, to defend this years win.

Honestly there is no
