PARTNER GUN SHOP OFFER

the future of our sport...

What is the Clay Pigeon Shooting Association?

Becoming a member of the CPSA will make you part of an inspiring and energetic community of shooters, with upwards of 24,000 members. The members make the CPSA what it is: a team of people who support shooters, and protect and develop the sport of clay target shooting.

We are the National Governing Body for clay-target shooting promoting the highest standards in every aspect of our sport, from safety to coaching. We share our members' passion, and promote and enhance the sport for everyone's benefit. Members of the CPSA range in age from 4 to 94, with a wide mix of reasons for being part of the organisation, from enjoying a few shoots a year with friends to striving for excellence and representing England and Great Britain. Wherever you fit, recreation or competition, we are here for you.

We have two different categories of membership: Full and Clubman. Our Full membership provides enhanced value: including superior insurance cover for a range of shooting activities, member benefit discounts, the opportunity to shoot registered shoots and gain a shooting classification. The Clubman is a lighter membership, offering comprehensive insurance cover for your shooting and some of the benefits of Full membership such as the protection and support CPSA offers to shooting as a sport. All members receive our highly regarded Pull! magazine.

Three months free offer

This offer and insurance cover is the equivalent of our Clubman membership and is restricted to clay-shooting activities in the UK only and for up to £10m public liability. Offered to first 1,000 people registered on a first-come basis. New members only. Upgrade possible at any time within the three months. Insurance and membership will cease at the end of the three months from the start date, unless upgraded or paid for renewal.

Your benefits on joining the CPSA
