## GO FOR GOLD

Used by twenty-six times World Champion George Digweed MBE this is simply THE champions choice and a clay cartridge with a reputation second to none. White Gold has been used to win more English Sporting & FITASC World Championships than any other cartridge. The most serious of shooters put their faith in White Gold to provide the very best in terms of patterns, performance and quality with smooth recoil and devastating kills.

# WELCOME

MAY  
2019

**M**ay is the first month of the year that we see the clay-shooting calendar in full swing. We hold our first 'Have a Go' clay line of 2019 at the Northern Shooting Show from 11-12 May, and if you are attending I hope you will take the opportunity to bring a friend or family member to introduce them to our sport. This year, you can even skip the queue by prebooking at [cpsa.co.uk/nss19](http://cpsa.co.uk/nss19).

The English Open English Skeet takes place at Doveridge, 10-12 May, kicking off our domestic discipline championships. If you are new to the competition side of our sport or confused about the difference between domestic and international disciplines, have a look at the first article of our new 'Back to Basics' series on p. 34-35 that breaks down the differences between all of the disciplines. The English Open English Skeet always sees amazing shooting with plenty of 100-straight, something I have a newfound respect for as I've been taking some Skeet lessons at the NCSC here at Bisley. Finally, I'm excited that the English Open English Sporting returns to West Midland Shooting Ground from 22-26 May. Tom Jones and his team have been working hard to prepare a shoot that I'm sure will be unforgettable, and are working closely with event sponsors Rizzini, Eley Hawk, and Promatic to further raise the bar. See the event preview on page 15. I will of course be at the ground during the event and look forward to meeting as many of you as I can.

## ENGLISH OPEN FITASC SPORTING

The English Open FITASC Sporting Championship & GB Team Selection Shoot was held on 30-31 March 2019 at Sporting Targets in Bedfordshire. With 150 targets over six layouts, shooting three layouts each day,

Hull team shooters – shooting Pro One and Hull's lightning load Sovereign – showcased their talents by winning four categories. Matt Hance took the overall champion with Stewart Cumming taking the runner-up position. Lucy Pitt remains

the Ladies winner, now undefeated for the third year in a row. Des Sturgess took the Senior winner's position, followed by Paul Lovick, while Steve Brightwell won the Veterans class. In Juniors Joshua Bennion was the winner.

## CHARITY SHOOT RAISES OVER £4K FOR DSG

A rainy 2 April saw the fourth annual charity shoot arranged by The Pointers at Eriswell Lodge Shooting Ground. All money raised is donated to the Disabled Shooters Group (DSG).

217 shooters attended the 100-target sporting course and despite the weather it was thoroughly enjoyed by all. A special addition for the shoot saw one stand being shot from a seated position, to give competitors an insight into how it would feel to shoot from a similar position to a wheelchair user. Shooters also donated 82 raffle prizes, which helped raise the funds.

The triumphant team this year were the 'Norfolk No Hoppers' who managed to hit a total of 445 of the 500 possible. The lowest scoring team (Charlie's Reprobates) took home a slab of cartridges, in order to help them brush up for next year's shoot!

The grand total raised was a whopping £4,217.50, which is all being donated to the DSG in order to help them continue their worthy initiative.

## PREMIER LEAGUE UPDATE

The second leg of the 2019 Premier League series took place in quick succession after the opening fixture, this time at Owls Lodge Shooting School on Saturday, 9 March, with a 100 Registered Sporting shoot set over 14 stands and over 260 entries taking part in the event. This time the shooters had gale force winds to contend with instead of the mist endured previously at E. J. Churchill.

Despite this, there was some incredible shooting with Martin Myers securing the High Gun honours with 98ex100, ahead of Ricky Draper on 95, and Chris Childerhouse on 94.

From a Premier League perspective, Team Cambridge B Class shooter Dennis Pettitt scored 94 with his handicap applied to tie with Team Southdown's Chris Childerhouse, so many congratulations to him too.

Owls Lodge took the team honours with a strong top ten score of 868ex1,000, ahead of Team Southdown's 855ex1,000, and Team Cambridge just one point behind on 854ex1,000.

THANK YOU TO OUR PROUD SPONSORS

## JOHN MARTIN ELECTED NEW CHAIRMAN OF THE BOARD

Following the AGM held on Saturday 23 March the board of directors selected Dr John Martin as the new Chairman of the Board for the Association with immediate effect.

John is a Level 3 Senior Coach, has been an active member of the board for the past three years, and remains a director for a further three-year term. He has been

closely involved in many of the CPSA's activities, which includes but is not limited to: Regional Committee responsibilities, championship and event attendance/support, and significant involvement in the Education & Steering Group Committee, as well as other HQ activities.

The board of directors and staff look forward to working with John being in the chair.

## BYWELL NORTHERN SPORTING WEEKEND

The Northern Sporting Event returns even bigger and better this year at Bywell Shooting Ground, 4-5 May.

Over the past three years several major sporting events have been held at Bywell with great success, and with this year's event having large sponsorship backing there will be some fantastic prizes to be won.

In excess of 300 competitors will shoot 100 Sporting targets each over the two days. Running alongside this event will also be 100 Registered Sportrap on both Saturday and Sunday. The high gun of the 100 Sporting and the high gun of the 100 Sportrap competitions over the two days will both walk away with a brand new Browning B525 Sporter shotgun. Hull Cartridge will also be contributing to the prize fund by donating numerous Pro One cartridges. There is also £3,200 worth of class prize money to be won spread over the two competitions across the weekend.

This competition is the opportunity for shooters of all abilities from the relative novice, through to the more seasoned competition shooters. The ground's layout, although fairly level in topography, is known for its superb targets combining battues, rabbits, and other testing clays.

For details see their website: [bywellshootingground.co.uk](http://bywellshootingground.co.uk)

## BREAKTHROUGH CLEAN TECHNOLOGIES LAUNCHES BATTLE ROPES FOR CLEANING SHOTGUNS

Breakthrough Clean Technologies has just launched Battle Ropes – available in a variety of calibre widths. Designed to better clean the bores of firearms, with an integrated bronze brush and a detachable hard bristle nylon brush they provide double the cleaning action than most leading brands of 'pull-through' cleaning tools, while being easy to use and small enough to carry in a pocket.

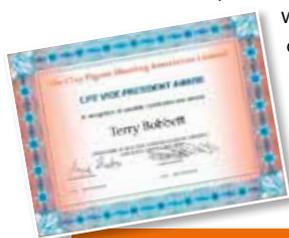

Distributed in the UK by Edgar Brothers Battle Ropes are designed for both rifle and shotgun use. RRP: £14.50. See [edgarbrothers.com](http://edgarbrothers.com) for details.

## THANKS TO TERRY BOBBETT

At the Board meeting on Saturday 23 March, held in the morning prior to the AGM, Terry Bobbett was presented by the board (at their own personal cost) with an engraved silver Armada dish as a thank you for his services to the CPSA for the past 11 years. Terry had worked tirelessly during this time as a National and Regional Director & Chairman, never missing a board meeting or AGM,

together with attending numerous championships, events, and sitting on the boards of The British International Clay Target Shooting Federation, International Clay Target Shooting Council, and International Clay Target Shooting Federation. In addition to this Terry was also awarded a Life Vice Presidency at the AGM, something completely unexpected, requiring a short 'pause for thought' before composure for his acceptance speech.

## 2019 DTL WEEKEND 14-15 JUNE

The DTL Weekend takes place 14-16 June this year, and returns to the stunning vistas of Bywell Shooting Ground. As always, the event consists of three different championships in one weekend: the Eley Hawk Sponsored DTL on Friday, the Dougall Memorial on Saturday (and now it's 123rd year), and the English Open DTL on Sunday.

Bywell, located in Northumberland, has a reputation as one of the best places in the UK to shoot DTL, and is a CPSA Premier Plus Ground. This will be the eighth year running that the ground has been chosen to host the DTL weekend. Last year's event saw some incredible shooting, with Austin Coxhead taking the Eley Hawk Sponsored title with 100/299, his fourth time winning this

Eley Hawk returns as the headline sponsor...providing 12,000 cartridges to be shared among the class and category winners...

event. The Dougall Memorial was even more exciting, with three competitors putting in perfect scores of 100/300 – Peter Relph, Matthew Sheldrake, and Stacy Gennard. The shoot-off was postponed by thunder and

lightning, before seeing Relph emerge victorious after the deciding round of 25 targets. The English Open DTL was cleanly won by Daniel Price, shooting the day's only perfect score.

Eley Hawk returns as the headline sponsor for the event, and will be providing

12,000 cartridges to be shared among the class and category winners in each event. Eley Hawk's Marketing Manager, David Thompson stated "Eley Hawk have been sponsoring the DTL Weekend at Bywell for many years and each year the competition,

the shoot and the people really make this a special event. The Dougall Memorial Trophy has been the most sought-after trophy since 1896 and for 123 years clay shooters have competed to get their hands on it. It's particularly fitting that Eley Hawk are back sponsoring all three days of competition – having just had their 190th Anniversary in 2018 there is definitely a lot of pride in the oldest cartridge manufacturer, Eley Hawk, sponsoring the longest running clay shooting competition."

There are still spaces available for all three championships, please book online at [championships.cpsa.co.uk](http://championships.cpsa.co.uk).

### THE NORTHERN SHOOTING SHOW

By the time you receive this issue of Pull!, The Northern Shooting Show will be just a couple of weeks away. If you are attending the Show this year, why not use it as an opportunity to introduce a friend or family member to clay-target shooting?

The CPSA runs a 'Have a Go' clay line that gives new shooters instruction in safety and technique, with the opportunity to shoot 10 clays. This is run under the expert eye of CPSA-qualified Coaches and Instructors led by 2019 CPSA Coach of the Year Simon Arbuckle.

This year the experience will be even better, as you have the option to pre-book and avoid the queues!

# ENGLISH OPEN UNIVERSAL TRENCH CHAMPIONSHIP

From 30-31 March the CPSA English Open UT was held at Nuthampstead Shooting Ground in Hertfordshire in conjunction with a BICTSF GB Selection Shoot.

For those who are not familiar with Universal Trench it is a version of Trap shooting. In the Trench are five traps and each one throws a different height, angle and speed. There are nine schemes and a computer system ensures that each shooter gets the same 25 targets in a round but in a random fashion.

On Saturday, the two-day, 200 target competition started in glorious sunshine and light breeze. After two layouts a number of 50 straights were the bag, including those of GB shots Emma Haines and Kevin Borley. By the end of the first day Kevin Borley and Dick Fletton led the way on 99. Emma Haines led the Ladies on 94 and Theo Ling the Juniors on 96.

Day two saw different weather, the

sun had gone, it was overcast, much colder and with an increasing breeze throughout the day.

Kevin Borley and Adam Gutteridge tied on 194/200 for High Gun and a shoot off was required to decide the English Open Championship.

Kevin persevered and shot 25 straight in the final to win the English Open title and High Gun.

It was a thrilling final and Adam was just one point behind.

In the categories the winners were, Emma Haines who successfully defended her Ladies title on 177,

Theo Ling the Juniors on 181, Jonti Spilman the Colts

on 176 and David Lloyd the Veterans on 188.

A raffle to help support the GB team at overseas events made almost £200 and a large crowd stayed for the prize giving to congratulate the winners. Thanks to Ed Barker, Nicky Barker, and their team for holding a fantastic championship.

## SOUTH EAST OF ENGLAND ENGLISH SPORTING CHAMPIONSHIP 2019

Congratulations to Adrian Balham (High Gun) and Liz Salmon, pictured (Ladies) on their respective wins at the South East Of England English Sporting Competition on 31 March. Both shooters were presented with their regional badges on the day by Johnny Johnson at the Southdown Gun Club. Many thanks to the whole team at SGC for hosting the event.

**177 BLACKPOOL AIRPORT AND 341 CITY OF PRESTON SQUADRONS**

In 2017, five members of the 177 Squadron staff attended the CPSA Safety Officers course, as the squadron had a basic core of enthusiastic clay target shooters and a plan was formed to introduce clay target shooting as a new activity on the squadron.

Buying four small traps and guns provided by the licensed staff members, shooting commenced in spring 2017.

The cadets really enjoyed the activity and it was decided to make an open invitation to the whole of the Cumbria and Lancashire Wing to attend. Initially the average attendance was 20 or so cadets on the one-day shoots, but during 2018 interest across the Wing began to rise so it was decided increase the available places by running a two-day shoot once a month.

More recently, following a successful LIBOR funding bid, 177 and 341 Squadrons upgraded and increased the number of traps available to four Promatic Kestrel and two Merlin Traps.

Over the past 18 months the team has increased from five to eight CPSA Safety Officers, with local CCF and ACF also attending the shoots.

Since November 2017, the team have shot over 13,000 clays and cartridges and have provided over 500 places to cadets to have an introduction to clay target shooting. Some of the cadets who regularly attend are now achieving very reasonable scores. None of this would have been possible without the initial training provided by Sqn Ldr Allan White and his team of instructors and the continual support of the Commandant at Altcar and the financial support from the Squadron and Wing civilian committees.

It helps to have instructors who are enthusiastic but the commitment of one weekend every month is a big ask for anyone. This activity just keeps on growing, the cadets enjoy it and are getting better all the time.

## SIMON SAYS

This month we are launching a new series, Simon Says. CPSA members have the opportunity to write in with their clay-shooting questions for Senior Coach Simon Arbuckle to answer. Just email your question to [simon@cpsa.co.uk](mailto:simon@cpsa.co.uk) with the subject 'Simon Says', and it might be selected for publication in the next issue of *Pull!* (be sure to include your CPSA number). We apologise that each email might not receive a response. To get things going for this first month, we have posed the following clay-shooting question to Simon:

**Q** 'I'm struggling with crossing targets because I keep stopping my gun movement when I shoot rather than following through. Even though I know I'm doing this, I can't seem to correct it, what should I do?'

### SIMON SAYS:

There are several possible causes for this problem, a few to think about are:

**1.** The main one being looking at the gun rather than the target. This is commonly caused by the shooter trying to make sure they have applied what they think is the right lead. Focus **MUST** be maintained on

the target at all times even after the shot is taken.

**2.** The obvious one: prematurely stopping the gun. Simply, once the lead is applied and the shot is taken thinking "job done" and stopping the swing.

**3.** Incorrect foot position: The feet must be positioned towards the break point to enable the gun to swing past it without the body locking up and restricting the movement. This is especially important on left to right targets for right handed shooters and right to left for left handed shooters.

Remember, feet **towards** the break point, **focus** on the target and keep the gun **moving** after the shot is taken.

### Level 1 Instructor Training Course (ITC)

£695

The course will teach you how to check eye dominance and gun fit, show you how to teach the CPSA Method, and how to recognise shooting errors and correct them. Lasting for four days and consisting of classroom time, off-and on-range workshops and a final day of assessments. It covers crossing, rising and dropping targets and equips instructors with the knowledge to tackle a huge variety of targets. The criteria for qualification is that the candidate can get a novice to hit a moving target safely using the CPSA Method. Candidates must have attended an IDW within the previous two years.

When it comes to shooting the new Axis RS 12 Sporting in competition, you are being everything but Sporting. The Axis RS 12 is the whole package – balance, durability, good trigger, barrel performance, perfect stock dimensions, and low recoil. The Axis Free-Floating Barrels feature the advanced TRIBORE HP™ tapered bores that lower recoil and reduce the need for excessively long forcing cones. An adjustable trigger features a light, crisp trigger pull. Stocks and fore-ends are made from Turkish walnut. The QRR model comes with an interchangeable rib allowing you to remove the standard rib and replace with a high-rib to allow you to turn the Sporting model into a high-rib trap gun.

# ENGLISH OPEN ENGLISH SPORTING CHAMPIONSHIP

To be held on 22-26 May 2019.

The English Open English Sporting Championship is always highly anticipated, but unparalleled enthusiasm was displayed by members following the announcement on the CPSA's social media pages that this event would be hosted at the West Midlands Shooting Ground.

Bookings opened on 1 February, with the popular Friday and Saturday squads quickly filling up. By 25 March it had sold out completely – nearly two full months before the event. 1,246 shooters will be participating in the event, which will surely have a vibrant atmosphere.

West Midlands Shooting Ground owner Tom Jones has a sterling reputation for setting first-rate courses. Three new areas have been developed for stands, and his team have been out cutting back trees and vegetation in order to create new target presentations. Tom has been working closely with Promatic Traps to develop a new target that he says will be unlike anything ever seen 'anywhere in the world'.

West Midlands Shooting

...working with Promatic Traps to develop a new target unlike anything ever seen...

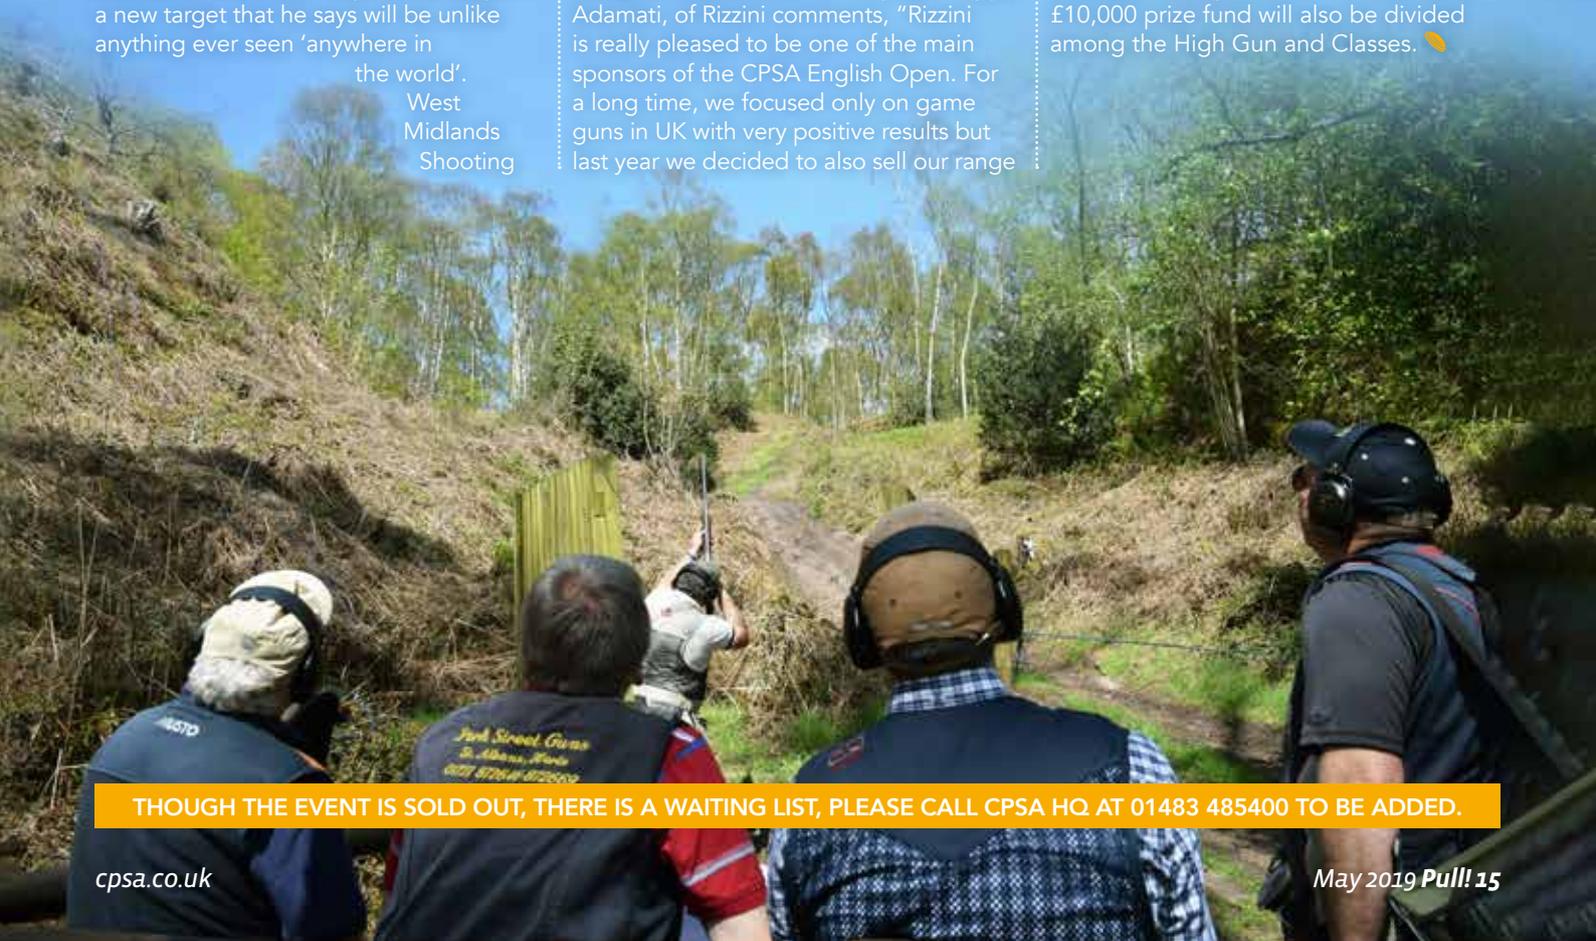

Ground, often referred to by insiders as simply 'Hodnet', is not new at hosting CPSA Major Championships. It hosted the English Open five times (2016, 2010, 2008, 2003, 1986), and the British Open English Sporting five times (2017, 2011, 2006, 1994, 1987). In addition to this, they were awarded CPSA Club/Ground of the Year in 2018.

Last year's English Open saw Richard Bunning take HG, shooting 110ex120 on the course, then coming from behind by four points to win the Super Final in heavy rain. This English Open was the start of a superlative year for Bunning, who went on to take the CPSA World Championship as well as being chosen by members to be the 2019 CPSA Clay Shooter of the Year.

The headline sponsors of the event are shotgun manufacturer Rizzini and cartridge manufacturer Eley Hawk. Rizzini has put up a Round Body Sporter shotgun worth £2,600 as HG prize. Filippo Adamati, of Rizzini comments, "Rizzini is really pleased to be one of the main sponsors of the CPSA English Open. For a long time, we focused only on game guns in UK with very positive results but last year we decided to also sell our range

of competition guns, offering several different models (Round Body Sporter, BR110 Sporter, S2000, BR440, and BR460). The response from the English market was more than positive, so we thought the English Open is the perfect scene to present the new range of BR460s, our choice for professional shooters, and available soon in different versions, from standard to fully-customized."

Eley has contributed 10,000 cartridges to be distributed among the category winners. David Thompson, Marketing Manager at Eley Hawk stated, "Eley Hawk are happy to be back at West Midlands Shooting Ground sponsoring the English Open English Sporting. It was where we first started sponsoring the event back in 2016. The shoot that they put on then convinced us to carry on sponsoring the event ever since. The attendance, the quality of the targets set, and the backing of the CPSA make it a leading shoot in the English Sporting calendar. We will be attending the shoot all week to meet shooters, cheer them on and be on hand to answer any questions." An estimated £10,000 prize fund will also be divided among the High Gun and Classes.

THOUGH THE EVENT IS SOLD OUT, THERE IS A WAITING LIST, PLEASE CALL CPSA HQ AT 01483 485400 TO BE ADDED.

# WORLD CUP

## ACAPULCO, MEXICO

Sarah Daly reports from events around the world.

The weather in Acapulco was very warm and humid but bearable, with a little wind. The targets were very shootable with a fairly good background, hence such a high scoring event with shoot offs to determine the top six for every final.

### MEN'S TRAP

This was a fiercely contested event, both Nathan Hales and Matt Coward-Holley shot an ISSF personal best (PB) of 123ex125 to make a six-way shoot-off for the last place in the finals. Matt lost out, but Nathan won the place to make the finals, ranked sixth, finishing in fourth place after missing out on bronze to Yu Haicheng on his ranking place.

### MIXED TEAM

Matt's 75 straight and Kirsty Barr's 72 for a total of 147 created another shoot-off for the finals, winning out to be ranked fifth, going on to shoot a blinder for bronze, the only GBR medal of the event.

Matt, who shoots a

commented,

Kirsty, who shoots a Caesar

in the event was so high and after scoring 23 in the first round I thought I had blown it for both of us. After some words of encouragement from Matt we quickly moved on, improving with every round. Until finally battling through the shoot off and finals to get that coveted bronze medal. I have to say a massive thanks to Matt for what can only be described as awesome shooting!"

### SKEET

Freddie Killander also shot an ISSF PB, and was the highest ranked GBR athlete, scoring 121ex125, just one target off the finals score, which was very encouraging.

Amber Hill shot 118ex125, enough to make the finals, ranked in sixth place after a shoot off. Dropping three targets along with three other athletes in the finals in the first 20 targets, she finished in sixth place.

## WORLD CUP AL AIN, UAE

To great excitement, Kirsty Barr has won GBR's first Olympic shotgun quota place in the Al Ain (UAE) World Cup held on 7-14 April.

Winning sixth place in the finals after a shoot off with three finalists eligible to win a quota place, Kirsty had to beat one of them, which she did after Ray Bassil (LBN) was ruled out in sixth place.

With the quota in the bag, Kirsty displayed real courage as she went on to win silver after beating some of the top shooters in the world. A brilliant performance!

Aaron Heading looked strong in the Trap Men on 99ex100, but a 21 in the last round put him out of the running. Matt Coward-Holley had a good finish with a chance of the finals, but unfortunately lost out in the shoot-off.

# THE GENERATION GAME

Young shots are the lifeblood of the sport, but what are we doing to encourage the next generation of clay shooters? **Jasper Fellows** investigates.

**H**ead to any CPSA Registered shoot this weekend and you quickly see the demographic spread of the sport. A large number of men over the age of thirty with a smattering of youngsters mixed in. Unfortunately, if things stay the way they are we will see the demographic continue to age and slowly the sport will start to die out. So, what can be done to get more young people involved in the sport? How can we pass on our excitement to the next generation?

One of the most common ways for young people to get involved in the sport is through their parents. Hot shot scholar, Emma Stacey, for example tells us, "I came into shooting by virtue of having a dad who shot for England, so I got into it through him." Of course, having parents who are involved with the sport is an excellent way to pass on the passion, however it is not the only way.

Many young shots are finding their way into the sport through military service organisations. RAF Odiham Clay Pigeon Club is an RAF club principally for RAF

Odiham service personnel and their families' use. David Dyer, club Chairman tells us, "The Club actively supports members' children and grandchildren who wish to shoot as Juniors. In addition, the club has supported Juniors who have been introduced to the sport as members of the Hampshire and Isle of Wight Air Cadets. Over recent years the Air Cadets have achieved a significant number of notable individual and team medal successes."

#### LOCAL COMMITTEES

Local CPSA committees have also been getting involved with helping service

cadets to get into clay shooting. Of particular note is Shropshire CPSA committee's award nominated 'Service Cadet and Young Member Development Initiative.' Committee Chairman Trevor Lewis explains, "Over the last year we have worked in conjunction with Buller Gun Club based at MoD Donnington to encourage more than 200 cadets to have a go at clay shooting and select teams to represent the Army and Air Cadets at their national championships. We are now also working with Police Cadets in Shropshire and Sea Cadets too, there is a lot of untapped potential amongst the Combined Cadet Force (CCF)."

## HOW THE CPSA HELPS

- The CPSA works with various Clubs and Grounds with its Young Shots Days, which are typically run over the school holidays. These are generally for 10-16 year olds and include a classroom session learning about the sport, the guns used, equipment required, and safety alongside two sessions on the shooting range under the supervision of a qualified instructor.
- The CPSA also runs clay-lines at various game fairs and shows (Northern Shooting Show, The Game Fair & The Midland Game Fair) – with an average of over 500 kids per year having a go at these events.

The brilliant thing about the UK's Cadet Forces is that they are funded by the MoD. Many parents worry about the cost of shooting – there is no doubt about it, it can be an expensive sport. The CPSA understands this and so offers discounted membership rates for Colts and Juniors. Some local clubs also help to combat this. David Tibbles, father of the phenomenal young shot Alfie, tells us, "Some of our local grounds offer young shots a discounted entry fee. Southdown Gun Club are an excellent example, they had Colts paying just £2 to enter their Inter-Counties shoot, if they were shooting with an adult. It would be great to see more Premier grounds offering similar discounts for youngsters."

**LOCALLY**

Annen Joffe from Ian Coley Sporting in Gloucestershire tells us, "We run Family Days – the first is on 30 May – with 20 shots for £20, and offer an under-18 discount on lessons."

Elsewhere, Eriswell Lodge in Suffolk tells us that they meet a lot of youngsters on their 'Have a Go' days, and are planning to run Young Shot Days over the summer holidays.

Orston Shooting Ground in Nottinghamshire goes a step further. Emily Martin says, "Our Young Shots days run on most school holidays with activities including archery, air rifles, and shooting for £50 per head. We also sponsor the local university – Nottinghamshire University – and have provided a talent pathway scheme for those entering into the sport, giving our coaches time for free."

Julia Fell from Nottingham & District Gun Club tells us, "We offer cheaper shooting on Saturdays and free membership for under 16s."

"We also pay the full entry for any Juniors/Colts who get selected to represent the county, and run a 'Have A Go' night twice a year which encourages participation at all ages."

In Surrey, Peter Saich tries to encourage any Juniors to tell others about the sport. He says, "We have offered sponsorship of £50 to any Junior who submits a report of how they started shooting, their achievements and ambitions, so that I can add it into the Surrey report and share it with others."

We should all understand, however, that we need to go further than just

looking to the government and shooting venues for support.

**IN CORNWALL**

Paul Underhill and the Cornwall CPSA have been taking it upon themselves to subsidise 'Have a Go' days. "We managed to raise just over £1,000 through a call-out on our Facebook page, mainly from individual shooters." Paul says. "Using those funds, we were able to charge kids just £12.50 for 20 shots. So far, we have managed to encourage 105 youngsters to try the sport."

The idea of getting behind a gun can be pretty intimidating to a lot of kids, subsidised 'Have a Go' sessions are a great way to ease them into the sport. "During our have a go sessions we are able to show the kids that there is no blood and nothing dies. We made sure that they had all the safety equipment they needed and proper instruction too," explains Paul.

As a community, we need to think about the bigger picture. We need to encourage our friends and family into the sport, but we also need to reach out to a wider audience.

**INSPIRED**

Take inspiration from the likes of Southdown Gun Club and David Dyer,

to find a way to actively support young shots and safely introduce them to the sport. Not only will we see our sport continue to thrive in the years to come, but you may gain even more enjoyment from passing it onto the next generation. "We started our subsidised Have a Go days as a way to give something back to shooting," says Paul Underhill, "But we ended up with smiles as big as the kids!"

In 2018, over 1,700 new shooters tried clay shooting on CPSA clay lines at fairs and shows.

**BRITISH SHOOTING TALENT PATHWAY**

Christian Schofield, the British Shooting Talent Pathway Coordinator and Development Coach, is looking for people who are passionate about shooting and would like to develop their skills. To find out more about Olympic shotgun disciplines attend a British Shooting Talent Identification day. If you would like to learn more, see [britishshooting.org.uk](http://britishshooting.org.uk) or email christian.schofield@britishshooting.org.uk.

**SCHOOLS CHALLENGE**

The Oxford Gun Company runs a Schools Challenge to support youngster as they try clay shooting for the first time. It also runs 'Have a go' sessions on the first Saturday of every month for just £29, including professional instruction, all safety equipment, use of a shotgun, 25 cartridges and 25 clays.

There's also the Oxford Gun Company's Novice Schools Instruction Days and the TSC Academy, elite coaching for enthusiastic and committed young shots.

**YOUNG SHOTS AND THE LAW**

The 1968 Firearms Act imposes no minimum age on granting a shotgun certificate, however no one below the age of 15 may have in their possession an assembled shotgun without the supervision of an adult over the age of 21. Always stay safe and within the limits of the law.

## ADVICE TO YOUNG SHOOTERS

**M**y shooting career really started when I was 9 or 10 years old. I started out with a 20 bore semi-auto junior stock that had been adapted for me to shoot properly. My dad had me shooting at small local shoots so that I could break a few clays, build my confidence and, most importantly, enjoy myself. Once I had a few wins under my belt I was able to compete with the adults in C and B Class events. I was soon hungry to achieve more and bettered myself by shooting Registered CPSA competitions.

I quickly fell in love with the sport – by 12 years of age I started to shoot the clay circuit and take my training more seriously. If there was a particular target I struggled on I would film it then replicate the target in training until I could break it consistently.

This style of training stuck in my head and it really does work. In my

short career I have won a number of shoot-offs where I have managed to nail some pretty tough targets thanks to practising similar targets in this way. It's often the little things that help you succeed. My last two seasons

I quickly fell in love with the sport – by 12 years of age I started to shoot the clay circuit...

have been a complete buzz. As I look back at the titles I have managed to win, and more importantly the scores I have achieved to win them, I realise that good coaches and mentors have been a large part of my success.

If you are lucky enough to have someone behind you who really know what they are doing and how to help you progress then this can be a real advantage. There are some really cracking coaches out there and it is well worth taking one on.

Other advice to young shots wanting to succeed is to get a gun you can handle and that you have full control over and that fits properly, and to get your fit checked by a professional. Most importantly though, enjoy it! Have fun breaking clays and always take away the positives not the negatives. Train hard but don't just shoot for the sake of it, This sport is as much about ability as it is a head game. If you enjoy the sport and love what you do I'm sure you will get as hooked as I did.

## YOUNG SHOT OF THE YEAR

I feel very proud of my performance over the past year. It has been a year of highlights, particularly winning 'Young Shot of the Year' at the CPSA awards in February. This award meant a great deal to me, particularly as the winner was decided by a members vote. Thank you to all of those who voted for me, it makes all the hard work worth it.

### GOALS FOR 2019

Over the next year I hope to emulate the success of my last season. I know it will be very difficult as I had a super season last year where everything just clicked into place. As my dad keeps telling me, if I keep training hard and put my all into the sport the results will follow. So I will be trying my very best to raise the bar and accomplish my goals.

A remarkable 40% lighter than our original stainless steel chokes, the new Titanium Series from TEAGUE are ideal for shooters who prefer the balance and feel that comes from less weight at the end of their barrels. All without compromising the unrivalled patterning performance you expect from TEAGUE.

# A SIMULTANEOUS PAIR USING THE CPSA METHOD & MAINTAINED LEAD

CPSA Level 3 Senior Coach **Simon Arbuckle** teaches us how to hit a simultaneous pair using The CPSA Method (Pull Away) and Maintained Lead.

**T**his month, we are looking at another technique for shooting a simultaneous pair, using two different shooting methods to hit the targets. Pull Away (also known as 'The CPSA Method' or just 'The Method') followed by Maintained Lead. Please refer to the image with graphics opposite as you read this.

In this stand, the simultaneous pair are both standards from right to left. The two targets are both coming from behind a green fence to my right and about 50 metres out front (not pictured to the right, but visible in the image above). As you can see, one of them is low and flat (labelled A), and the other one rises slightly and then falls away (labelled B). The targets are quite far away, and fast, making this a deceptively difficult shot.

As with all shots, you must first get the basics right. Establish where your feet go,

and that is towards where you're going to break the targets, which, given the speed and distance of these clays is far to the left towards the metal screen that you see in the centre of the bottom image. Next, you will need to establish where you can first see the targets clearly, which is your visual pick-up point. That will be slightly left of the trap. Finally, you will need to place the gun slightly left again of the visual pick-up point so you can focus on the clays before you move the gun.

The process to use is to mount the gun where you are going to break the first target (A), wind back to the gun-hold point, and bring your eyes back further on to the visual pickup point. Then call 'pull' and focus on the low clay (A), lock on to it, move with it then pull ahead and shoot. That movement of pulling ahead and shooting will nicely take the gun forward and establish a lead on the second target (B),

which you then maintain in order to shoot it using Maintained Lead.

In CPSA registered competitions, you must remember that you are allowed to see a simultaneous pair twice (assuming that you didn't have the opportunity to watch someone else shoot it first). This is good, because it will enable you to decide which target to take first. Sometimes you are able to take one or the other first, and sometimes there's only one way of doing it, but please remember to use that rule to your advantage.

And that is how you shoot a simultaneous pair from right to left using The CPSA Method (Pull Away) and Maintained Lead. 🍷

# AN INSPIRATION TO EVERYONE

**Julie Sperling**, our Volunteer of the Year 2019, talks to **Jasper Fellows** about her 12 unforgettable years as Chair of the DSG.

## How did you first become involved with clay shooting?

I suppose it started when my husband Alec started shooting more competitively and had joined the Disabled Shooters Group (DSG). I would go along with him to assist with things like carrying his converted Zimmer frame. When he qualified for Great Britain's FITASC handi-sport team there was suddenly the chance to travel, which certainly made clay shooting more appealing from my perspective. I did try shooting, but three Sperlings and an instructor all telling you what you're doing wrong can be a little distracting. I always thought of sneaking off and have a few lessons without the family influence, but time never allowed for it. I thought if I couldn't beat them at their own game I would find another way to join in – which led to me becoming a qualified FITASC referee.

welcoming the sport could be, so I wanted to be part of it. The DSG monthly competitions were great fun and the whole family would get involved. My son Ryan would help his dad around the stands and get a few shots in where he could. My daughters Sophie and Andrea would help selling raffle tickets, who can say no to an eight and three year old? I think there must have been quite a spike in raffle sales during those years. As we started to get more involved with the sport I could see that politics would occasionally get in the way of what we were trying to achieve. I thought that I might be able to do something to help. So I reached out to Charles Schneider, the FITASC board director of handi-sports, before I knew it I was the International Rep for the DSG.

## How did this lead to your involvement with the DSG?

After attending our first FITASC shoot in Dornsberg, Germany in 2000, I saw the potential, loved the atmosphere and saw how

## What's your biggest achievements with the DSG?

In real terms I haven't achieved anything, it has been the members who have won the medals, represented their country and made me proud. We've had a good medal haul and been very successful. As far as I can remember we have managed to medal at every international event. All I ever did was a bit of running around, from form filing, driving, begging, and borrowing. I don't like the limelight, I prefer to be the one behind the camera, not in front of it. If you asked the members, I'd hope they would say I held it all together. Back in 2014, with the help of Nicola Heron, we raised over £11,000, through small Para Trap bursaries, to take six shooters to compete in a demonstration in Suhl, Germany. I felt that was something particularly special as that money continued to support our

members through small bursaries until it eventually ran out last year.

### **Tell us about some of your favourite memories during your time with the DSG.**

There are too many to list. I feel that the DSG is one huge family, everyone is there to support you, make you laugh and cry. Everyone understands without saying a word. If you need help with anything, and I mean anything, a member is always there to help. there is a fantastic culture of total support. All of the members share in the pride when a newbie hits their first target, or when another beats their nemesis. As a group I can call them all my friends, they are so generous with how much they give. Each and every member goes through so much each day, it's hard not to be inspired to do as much as you can for them. We've had unforgettable road trips, convoys, minibus journeys, you name it and I've experienced it. So to answer this, the entire 18 years have been unforgettable.

### **What would you say to anyone out there with a disability who hasn't considered clay shooting?**

Give it a go! I can't think of many other sports where you can be on a squad with an Olympic medallist. It's a sport for all, so come and meet the DSG members and you will soon learn what works for you.

### **How can the shooting community help the DSG?**

There are so many ways to get involved. From attending DSG shoots and helping people get around to selling raffle tickets and taking photos. Perhaps you know of a disabled shooter who cannot drive or has no access to transport? Go and pick them up and take them to a shoot – it's the simple things that make a big difference. Many with disabilities feel isolated, a burden to loved ones, I know that shooting can change all of this, it can give them a reason to go out of the house and enjoy their lives, what more can I say?

It is also worth remembering that the DSG can help those without a disability too. Perhaps you are a newly-qualified instructor and want to gain some experience or a greater understanding of the restrictions that a wheelchair user or those with prosthetic limb might have – we are very open as a group so please, just ask.

### **How can people get involved with the DSG?**

I think the best place to start is on Facebook, it tends to be the most up-to-date place to find events. There is also the website. Contact Sam Nunn, the DSG Secretary – if he finds there is sufficient interest in any part of the country he will put on a have-a-go session so you can learn more about the sport. He is also very open and prepared to answer any questions you might have. 🍃

MAROCCHI EVO SPORTING

# GUN

## REVIEW

This sporting gun from the Italian manufacturer caught our eye, and, having enjoyed the XTR semi-auto we were keen to see what this gun could offer.

...one of the highlights is the Contrast locking system by Boss – it really makes this gun...

**MAROCCHI EVO SPORTING**

RRP: £1,855

marocchiguns.com

Marocchi have been manufacturing guns in Brescia in the north of Italy since 1922 so have a huge heritage behind them and this really shows through with the EVO. First thing that we noted

was the striking design, the simple black action with blue EVO name and piping is smart and the lovely quality of the woodwork was nice too.

Aside from aesthetics one of the highlights is the Contrast locking system by Boss – it really makes this gun. Opening and closing is effortless and almost feels like there is some kind of assisted opening mechanism

working behind the scenes. Closing the gun when loading gives a solid and definitive process that just shouts quality. Without going over the top on this point it is one of the best that I have tested.

Shooting the EVO is a pleasure. The adjustable stock gives you the option to adjust for your own tastes and needs. Raising it slightly was perfect for me and I was pleasantly surprised by my scores using the gun first time out. The only small negative point that I could mention is with the ejectors, they seemed a little weak but we were using a test

gun that has probably fired plenty of shots so may not be indicative of how a newer gun would perform. Trigger pulls were smooth and crisp. The 30in barrels delivered a nice steady swing with little effort and the 10mm wide rib gives a perfect sight picture.

The EVO ships in a branded ABS case complete with velvet lining and combination locks and also with five of the

Maxi 90 extended chokes which give an extra 2cm to the barrel length.

The EVO is a lovely gun, easy to shoot and competitively priced in the Italian built sporter market.

**THANKS**

# SAFE WITH SOUND

by Jasper Fellows

**W**e are all aware of the importance of using hearing protection around firearms. But with dozens of different makes, models, and price points how do you know where to start before making a purchase?

## THE BASICS

Any sound registering over 140 decibels (dB) can cause instant hearing damage. Unfortunately the average shotgun produces around 150dB, meaning that a single shot can cause irreversible harm. The most important consideration when looking for suitable hearing protection should be attempting to lower the level of noise that reaches the ear.

Most manufacturers of quality hearing protection will clearly advertise the level of protection their products provide. Usually this comes in the form of an 'attenuation rating' marked in decibels. Essentially this number will tell you how much protection the product will provide. Take 3M's Classic Earplugs as an example, these are the kind usually given out by shooting grounds to those without their own hearing protection. They have an attenuation rating of 28dB, meaning that they will reduce the 150dB of your shotgun down to a more manageable 122dB by the time the sound pressure reaches your ear. To put it simply, the higher the attenuation rating the more protection the product will provide.

## MUFFS OR PLUGS

Muffs are perfect if you want something nice and easy that you can just throw on and away you go. Just make sure you find

some that fit you properly. Some headbands can become uncomfortable after prolonged usage and in warmer weather they can become a bit hot and sticky, luckily a problem we don't often have in the UK.

Plugs on the other hand can offer a really affordable and hygienic solution. They also usually provide a greater level of protection than muffs due to the way that they fit into and totally block the ear canal. However, some find them quite

irritating and they can be a real pain for those who suffer from ear infections.

Find what works best for you, you can find some extremely reasonably priced muffs and plugs, so try both styles before putting down the big bucks. Most shooting grounds will offer cheap earplugs for free and most gun stores will allow you to at least try on a pair of muffs before making a purchase.

## TECH

Electronic hearing protection is now available from a wide range of manufacturers. Each company likes to brand this in their own way,

but essentially they all feature a small microphone that can recognise the difference between low level noise and the higher-level impulse of a firearm. Once the device notices a dangerous level of sound they will activate and protect your hearing. If you are willing to spend the extra cash then these are definitely the way to go as they allow you to shoot safely while also being aware of your surroundings and able to hear any instructions that are called out to you.

Thanks to the wonders of modern technology the microphones needed

for electronic hearing protection are now small enough to be fit on earplugs as well as muffs. Several of the leading manufacturers of electronic earplugs also offer custom fitting. Here, the company will take mould of your ear, which is then used to create an earplug that fits perfectly in your ear canal. The level of comfort and protection provided by this process is second to none, just be aware that this can be quite costly.

When it comes to hearing protection the important thing to remember is to use it. Irreversible hearing damage can happen in milliseconds. Take the time to find protection that you find comfortable, affordable, and safe. Throw a few spare pairs of plugs or muffs into the back of your car just in case and never leave the clubhouse without protection, for your sake and the sake of friends and family who don't want to spend the rest of their lives repeating themselves. 🎧

## THE CLAY SHOOTING DISCIPLINES

In this new series **J. Grant Repshire** looks at basic concepts in the clay-shooting world to inform newer shooters and enhance the knowledge of experienced shooters. The first two articles will look at the differences between the clay-shooting disciplines. Part 1 will be a general overview of the sport and a breakdown of the trap disciplines, and Part 2 will examine skeet and sporting disciplines.

**F**or a new shooter, the world of clay-target shooting can be confusing – some might even have thought that ‘trap’ and ‘skeet’ were just interchangeable words for ‘clay-pigeon shooting’. Then you start to find out that there are such things as English Skeet and Olympic Skeet, and trap can be Down the Line, Automatic Ball, or Handicap by Distance... what’s more, those in the know use handy TLAs (three-letter acronyms) for each, so you find yourself pretending that you know the difference between ESP and FSP, STR and CSP. This article will attempt to demystify the nomenclature of disciplines that we use at the CPSA.

We view disciplines in two categories: domestic and international. FITASC and ISSF govern international disciplines, which are administered in the UK by BICTSF and British Shooting respectively. Please see the table to the right for a break down. These are only the disciplines which the CPSA recognises for the purpose of Registered shoots and classifications. There are other disciplines

...attempt to demystify the nomenclature of disciplines that we use at the CPSA...

that the CPSA does not administer, including the American disciplines that are shot at some grounds from time-to-time, such as NSSA Skeet.

### DISCIPLINE DESCRIPTIONS

Our articles will focus on the domestic disciplines but will note where similarities to international disciplines occur. There are three overarching categories that disciplines fall into: trap, skeet, and sporting.

**Trap** involves shooting at targets that are always generally going away from the shooter, from traps in front of the shooter. **Skeet** involves shooting targets that cross in front of the shooter, thrown from a high house on the left and a low house on the right. **Sporting** disciplines started out to more-accurately simulate the variables of game shooting, so the targets are really only limited by the course-setter’s imagination and safety considerations.

# THE TRAP DISCIPLINES

## AUTOMATIC BALL TRAP (ABT)

In ABT there is one trap set in the centre of the layout that throws targets at more variable heights and angles than DTL does. There are five stands in a line behind the trap, but a sixth shooter can wait behind stand one. Starting from the left shooter, each takes a shot at a target, then all move to the right one stand (the waiting shooter then takes stand one, while shooter on stand five moves to wait behind stand one). This continues until each shooter has shot at 25 targets. Two shots are allowed per target, with one point per hit regardless of if the hit is on the first or second shot. Olympic Trap (OTR) is shot much the same, but with much-faster targets randomly thrown from one of 15 traps set in a line.

by moving continue until every shooter has shot at 25 targets.

A single target is thrown for each shot, but the shooter has two shots to hit the target. Three points are awarded for a first-barrel hit, and two points if a second shot is needed. A miss gives no points.

## DOWN THE LINE – DOUBLE RISE (DR)

DR is shot like DTL, but two targets are thrown at the same time, one going right and one left. Five doubles are shot at each stand, so 50 targets make one round. One point is awarded for each target hit. Double Trap (DT) is a similar international discipline, but there are three traps throwing faster targets from any two random traps at once.

## DOWN THE LINE (DTL)

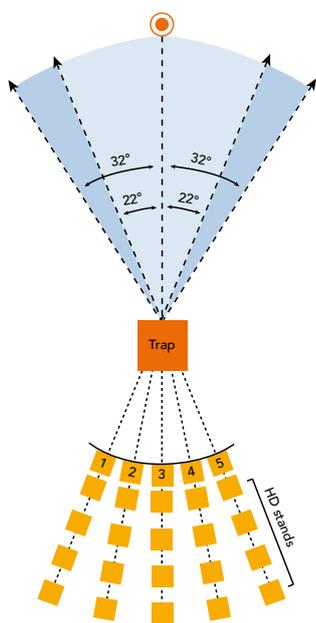

DTL is the most popular version of trap in the UK. One trap is set in the centre of the layout, with five stands in a line behind it. Starting from the left stand, each shooter takes their turn shooting at an individual target. Once all five shooters have shot, the leftmost shooter starts the process again, until each shooter has shot at five targets. At this point, the shooters move one stand to the right (excepting stand five, who goes around the back of the line to stand one), and the process starts again. The person who shot first on the initial five targets always starts the shooting no matter what stand they are on. These rounds of five shots followed

## DOWN THE LINE – HANDICAP BY DISTANCE (HD)

This is standard DTL, but shooters stand at different distances from the trap based on their handicap. C class shooters stand at 17yds (15.5m), B class at 19yds (17.4m), A class at 21yds (19.2m), AA class at 23 yds (21m). Since it would be unsafe for shooters in a line to be standing forward of other shooters, only shooters with the same handicap shoot at the same time.

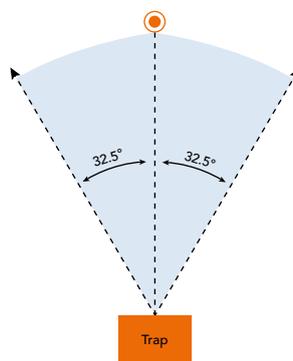

## DOWN THE LINE – SINGLE BARREL (SB)

This is shot like standard DTL, but with only one shot allowed per target. One hit equals one point. 🍌

## DOWN THE LINE (DTL) LAYOUT

The regulation DTL layout. Targets should fly between the 'Normal Target Angles' (light blue), but the 'Widely Different Angles' (darker blue) can be used if wind is affecting the targets.

## AUTOMATIC BALL TRAP (ABT) LAYOUT

Targets are thrown within 30° (+/- 2.5°) of the centre line, and also vary in height, from 1.5 to 3.5 metres above the level of the trap house roof at ten metres forward of the trap.

### 10 March: 3rd Malcolm Midgley Memorial Shoot at the NOECTC

The 100 All-Round attracted lots of shooters of all disciplines, despite the weather conditions. It couldn't make its mind up whether to be sunny, rainy, windy or snowy – but everyone seemed to enjoy themselves.

It was really nice to see Jean (Malcolm's wife) and family there to support the shoot. Jean presented the Memorial Trophy to K Hugill who scored a brilliant 93. Jean was also presented with a beautiful flower arrangement.

Phil Thompson donated the £100 High Gun money and cartridges, donated by Victory Cartridges, were given to the class winners who were: High Gun, K Hugill – 93, AA Class, Mark Webster - 89, A Class, J Robinson – 90, B Class, J Frankland – 92, C Class, R Dennison – 78.

A huge thank you must go to Phil, Sean and all the staff at the NOECTC for a great shoot and a lot of hard work. A total of £410 was raised for Macmillan Cancer Research from the shoot. Thank you to all who attended the shoot despite the weather and also to all those who stayed for the presentation. We hope to see you all next year.

### North Of England Selection

Congratulations to Michael Turner for winning the first NOE Selection Shoot at Spennymoor with a score of 100/296. Myself and Charlotte would like to thank everyone who turned up and supported this shoot. We would like to make you aware that the last NOE Selection Shoot will be held at North of England CTC on Sunday 9 June. We look forward to seeing you there. If you didn't get the chance to do the first two selections, then there is still time. The remaining shoots are:

- Sunday 12 May 2019 at Penrith & District GC
- Sunday 19 May 2019 at Bywell Shooting Ground
- Sunday 9 June 2019 at North of England CTC.

You need to shoot minimum of three shoots to get selected for the DTL North of England team which will represent the North region at the English Open which is being held at Bywell Shooting Ground on Sunday 16 June 2019.

We are also using these scores to determine who will represent Lancashire and Yorkshire in the Inter-County Championships which are being held at Northampton on the 29 September 2019.

So if you wish to be selected to represent your county then there's still time you just need to attend these last three selection shoots above.

The teams will be chosen from the highest ranked scores. Once again we look forward to seeing you all at these shoots.

## CHESHIRE

### MILES MACHIN

club@cheshire.cpsa.uk

The season is upon us and the first of the Inter-Counties events has taken place at Garlands in the form of FITASC. This was also the Cheshire Championship and what a great turnout from all counties to what was to be a number of tricky layouts set by Steve Lovatt (we expect nothing less). After the two days of competition the Cheshire team of Scott Barnett, Niel Waterman, Guy Robinson, Steve Randals, Carl Vickers and Brett Davies found themselves in a very credible bronze position, a great result for the team, well done. The Cheshire Championship was a close affair with Scott Barnett taking the honours by one clay from Steve Randals who takes Mens and Niel Waterman taking Vets.

The introduction of the new Inter-Counties Clubman event is underway for A, B and C class shooters which is looking like being a great addition to the years' competitions for all level of shooters. We hope it gets the following it deserves as do all the counties. Any information about the event can be found on the Cheshire CPSA website.

Early in March we saw the start of the Ladies Clay Shooting League – and what a day it was with 41 competitors taking part on a bright and

Scott Barnett.

Ladies award 2019.

rather chilly day. Catton Hall Shooting Ground hosted the event, setting great targets for the day and with the coaching from Linda Grayson and Paul Ellis great scores were turned in from all levels. It was great to see the faces from last year and new faces from this year with a fabulous atmosphere throughout the day. Our sponsor was there – On the Peg Clothing – with a scintillating array of goodies for our perusal and donating a pair of MacWet gloves for our top shot of the day. Lucy Earl on her debut event with a 65ex75 was followed closely by Victoria Gallimore and Barbara Eckersley on 64 and Sarah Oldham on 63. The team event went to Mickley Hall with all other teams hot on their heels. It looks like being a closely fought season for both individuals and teams.

Our team managers have been working hard in the off season to get all selection shoots sorted, and these can be found on the Cheshire CPSA website along with any news and selection shoot scores.

Tony Dean has had a great start to the international FITASC season with a 7th overall at the Grand Prix of South Africa, good luck for the rest of the season. Good luck to all Cheshire shooters who are invited to the England and GB selection shoots and good luck to all Cheshire shooters for the season.

The West Midlands Inter-Counties FITASC was held Garlands on 2-3 March. The Derbyshire Team finished in fourth place on 410/500 just one point behind third place Cheshire on 411/500. Top Derbyshire team scorer was Adam Cork on 86/100 followed by Julian Brockley on 85/100, John Dunne on 83/100, Keith Roe on 82/100, Tony Bott on 74/100 and Peter Brockley on 70/100. Well done to you all.

Congratulations to John Dunne who won the combined Mount Farm & Grimsthorpe FITASC Winter Series, and to Reece Lofley who won C Class.

### Down the Line

Congratulations to Dave Hinchliffe who won the Veterans and Juddie Hanson who won the Ladies class at Nottingham & District Gun Club Winter Series.

### Fixtures 2019

The fixture list that you will be receiving in the post from the CPSA contains a few date and Ground errors. The correct dates are on the website and on Facebook and will be in Diary dates in the regional report in *Pull!*. Apologies

to everyone for this error. If anyone would like a correct version, please contact Geoff Flint on 07778639691 or email derbycpsa1@rocketmail.com or geoffflint@rocketmail.com

### Help 4 Heroes Skeet

The annual Derbyshire versus Nottinghamshire Skeet challenge in support of the Help 4 Heroes Charity was held on 17 March at Nottingham & District Gun Club, in windy conditions that made the targets a little bit entertaining. Nottinghamshire claimed the trophy this year on 891/1000 to Derbyshire's 886/1000. A total of £350 was raised at this event with the Down the Line challenge to come.

This was also a Derbyshire team selection with Alan Barnes the top scoring Senior on 94/100 followed by Geoff Flint and Paul Bingley on 89/100, and Craig Edley on 84/100. Top Veteran was Chris Havill on 93/100 followed by Mark Badkin on 91/100. Julie Havill was the top Lady on 94/100.

### Olympic Trap

The Olympic Trap County Championship was held at Doveridge on 17 March. In very blustery conditions and over 50 targets Tom Prescott emerged as County Champion on 44/50. Veterans Champion was Dave Hinchliffe on 43/50. Juddie Hanson won the Ladies on 33/50, Senior Champion was Will Gent on 40/50 and Junior Champion was Daniel Griffin on 19/50. Thanks to Doveridge for holding this event. Well done to all winners.

### RICHARD MOREING

March saw the first of the many WM Region championships being shot – FITASC at Garlands. To me I always feel this handicaps our county as Mr Lovatt sets both a challenging course and is himself an accomplished FITASC shot. Captain Nick ‘Chipper’ Portlocks team of Adrian Johnson 85, Rob Wise 87, Kevin Childs 79, Steve Burnham 84, Clynt Warren 89 and Nick himself 82 put in a team score of (five to count) 427 to win silver, well done chaps, and its also a very big hand to Clynt Warren for a full house of gold as Area Veteran, silver Team medal and bronze Area medal, and to Adrian Johnson in winning Veteran bronze.

March also saw the return of the Ian Coley summer series of ESP shoots. Poor weather on the day played an unwelcome part which took the gloss off the day for a very good entry, despite all Nick Portlock took HG with a 96, Kevin Childs tied in A with 88 and in C it was Nick ‘the builder’ Burns taking spoils shooting 78.

Westfield ran a number of Compak shoots over the winter. Chris Biddlecombe was the pick of the county’s many entrants having shot a 99 at the January shoot and a 98 at the February event. One hopes Mr Lovatt runs a few more of these much liked events at Westfield. In Sporting at Westfield on the 24 February Chris Biddlecombe put in a 116ex120 to take HG, Mark Thomas 106ex120 to win in A, Vincent LeProvost 100ex120 to take B class. At Westfield on the 10 March shoot Ernie Wilkins on 89ex100 took A class.

As we are now well into spring, do keep up with events hot off the press as it were on our county Facebook page. We are lucky to have grounds in the county that offer lots of

opportunity so please do support. Trap though remains out of county – our championship Trap shoots are therefore at the grace of grounds willing to host, we are grateful to these for this.

As the year progresses our committee are keen that we compete as many WM team events as is possible, please do support Gareth Marfel and Matt Jones (Trap), Paul Tudge and Matty Turk (Sporting) in this. Matt will be looking to field a team in both the WM Region and the Nat I/C which this year will be shot at Honesberrie, virtually next door. Please do note that WM Area Championships are for the individual, now we have our first in Clynt hopefully we can thank more WM champions this summer.

The WM Region have introduced a ‘Clubman’ event, at Garlands on 14 September, where each county is to send a team made up as four A, B and C class shooters. It is shot against classes and with an overall award too – in effect four competitions on same day. Matt Turk, being our Sporting manager, will be responsible for selecting this team. Our Chair Joanna Thomas is keen on there being a champion of champions from our shooting events this summer – please do keep an eye on Facebook and flyers at our grounds for news on this.

### WM Area & IC FITASC

Garlands held this Championship with all seven counties taking part on 2-3 March. H&W Seniors came fifth in the IC on 406/500. In the area Phil Smith won Veterans silver on 86/100, Dee Ward won Ladies silver on 67/100 and Brandon Smith won Junior bronze on 64/100.

### John Hadley Memorial Charity Shoot

The John Hadley Memorial Charity Shoot, which H&W held at Park Farm SG on 9

February, raised £152. This amount will be passed on to the British Diabetic Association. We would like to thank everyone that participated on the day, the shooters, Park Farm SG, the Sander’s family for donating the trophy, the cartridges that were donated by a member, everyone that helped out and to Alan and Zena for their donation. Thank you to everyone.

**CPSA fixtures for Shropshire**

Please keep watching the Shropshire website and Facebook page for more information: [sites.cpsa.co.uk/shropshire](http://sites.cpsa.co.uk/shropshire) and [sites.cpsa.co.uk/shropshire/facebook-feed](http://sites.cpsa.co.uk/shropshire/facebook-feed) plus <https://www.facebook.com/CPSAshropshire>

We are very keen to encourage all members to enter as many competitions as possible, especially Ladies, Juniors and Colts! Please note that Stu Burgess and Julie Burton have a standing offer to help those new to competitive shooting. They are very friendly and supportive.

The first two ESK selection shoots are the Area Championship at Doveridge on the 5 May and the English Open ESK Championship at Doveridge 10-12 May 2019 that many of you have already entered. There will be four ESK selection shoots in total with the best two to count. The first English Sporting selection shoot 2019 was at Doveridge on Sunday, 31 March at Doveridge.

There will be five ESP selection shoots in total with the best three to count. Please note the West Midland Championships are also Shropshire Championships for the following disciplines: CSP; ABT; AR; SKD; HEL/ZZ; OSK; OTR; UTR; STR; SB and DR.

Good start to the year for Shropshire young guns! Rebecca Ferguson shot in an International Grand Prix event in Cyprus during February, coming seventh in the Mixed Doubles with Michael Bovingdon and was eighteenth in the Ladies for OTR. Well done Becky! Arran Eccleston in the same Cyprus Grand Prix shooting OSK came ninth in Juniors, only six clays behind the top spot that is a great start to the season. Well done Arran!

Callum Pugh has won a generous Development Program with Mickley Hall that will provide Callum with free lessons and other benefits. Shooting ESP at Kingsley Moor, 10 February, Callum came fourth shooting 93ex100, only four shots off the HG. Tough FITASC Sporting test set by Steve Lovatt...

The West Midlands Area and Inter-County FSP took place in early March at Garlands on a very testing course with weather that was often challenging. The Shropshire Team consisted of: Dave Wincott, Dan Whittall, Julie Burton, Mike Cashmore, Peter Bridger and Stu Burgess.

Shropshire members Fred Wilson and Richard Bailey also competed.

Congratulations to Julie Burton who shot brilliantly in the difficult conditions to become West Midlands Area Ladies FSP Champion.

Please note the Shropshire FITASC Sporting County Championship will be held later in the year, hopefully in much better weather. Special congratulations to Staffordshire's Chris Daniels who shot a remarkable 98ex100 on this tough course in among strong winds and heavy downpours. He was 7 clear of the next score.

Best wishes to all Shropshire guns for a lot of fun breaking clays throughout 2019!

**Staffordshire is very proud**

Our first gold medal is in the bag for the season at this year's West Midlands Inter-Countries.

FITASC was held at Garlands on Sunday 3 March. Great targets were set by Steve Lovatt ranging from 20 yds/meters up to 80 yds/meters crossers and battues – he gave something for every shooter. I believe this is the very first time we fielded two teams, Wow! Team B was Brent Woodard, Mark Colclough, Gary Tromans – New cap, Ed Harrison – New cap, Martin Butcher – New cap and Roger Grimshaw – New cap, who I think all enjoyed their experience, well done all. The A team of Chris Daniels, Steve Ward, Tim Simmons, Gavin Heath, Sam Ward and James Ward scored a massive 444/500 to take the gold medal by a staggering 17 clays.

The score of the day goes to Chris Daniels with a monstrous 98 which was seven ahead of the chasing pack. There were just four shooters to break the 90 over both days.

The last thing to say is a massive thanks to our Staffordshire team managers Roger Grimshaw and Sam Ward – you sure do know how to pick a winning team. Well done and thanks to all the team members.

**17 March: Staffordshire Olympic Trap County Championships at Doveridge SG**

The weather on the day was mixed, we had sun, rain, biting wind, snow all in the space of a few hours, shooting conditions were mixed and very tricky, all the shooters dealt with it well and there were some good scores, the targets were testing but the same for all the shooters.

It was also great to see three Juniors who braved the conditions, hats off to Alex Tinsley, George Bailey and Derbyshire Junior Danielle Griffin, great effort guys, thanks for coming and giving it a go, the sport needs young guys like you.

Well done to Paul Bailey for organising the event, plus a huge thank you to Carl Harlow from Solware in Tamworth for very kindly donating the prizes for the winners and runners up, see below the winners on the day. **The Ian Clifton Trophy 2019 Prelim and Q1 report**

Unseasonably warm weather warm weather attracted 34 Beds CPSA shooters for the start of the 2019 Ian Clifton Trophy.

By classification these were AA – 4, A – 11, B – 11 and C – 8. Only two matches were required in the prelim round where T Sharp and D Hallybone won their matches.

The First Round saw some close matches and notable casualties. The first round winners were: GP Smith, J Ogden, SM Earl, C Hollick, JHJ Stanton, D Hallybone, SB Clarke, DA Stanbridge, J Munday, W Haupt, S Whinnett, M Terry, G Hollick, DM Quince, S Page and D Ferriman.

By classification these were AA – 2, A – 6, B – 5 and C – 3. We hope all these shooters will be available for round two.

Our thanks to all those who make this competition happen particularly the Sporting Targets ground staff and the referees.

For more information please see Beds CPSA website and Facebook.

**3 March: Skeet at Eriswell**

Well folks this was the first of our County Championships. It could have been a better day and after the last few weeks it was a bit of a letdown. But never the less it was a good turnout for our English Skeet. Some very good shooting took place and as it worked out the early morning squads were the winners. Although they did get wet, they missed out on the very strong winds. We had 2x100 straights on the early squads, neither of these were from Cambridgeshire shooters, but the relevant part being that we have a very nice trophy in memory of Bev Waller which is open to all and so it was likely this trophy was going to a Suffolk shooter this year.

At the end of the shoot, both Stuart Smith and Darren Parsons went to 125 straight before doubles on four sorted out the winner, which was Stuart. Our top shooter was Richard Morris with a 98 adding to his county DTL Championship from a year ago. Richard was closely followed by his Dad with a 97 who took the Seniors trophy. The Vets went to Tim Jones with a 93 also an early day starter, along with brother and sister Ami (taking the Ladies) and Taylor (taking the Juniors).

The Colts went to Ethan Lord with an 86 closely followed by another colt on his way up Henry Sperring with 83. AA went to Chris Morris – 98. A went to Phil Barnard – 92. B

2019 UT. From left: Ashley Smith, Sarah Christensen, Peter Waller and Graham Carter.

All Round. From left: Marcus Lord, Ashley Smith, Amelia Smith, Paul Ward and Darren Stanford.

Richard Morris - Skeet Champion

went to Roger Fletcher – 90 (after a shoot off). C to Ashley Smith – 92. Many thanks to Eriswell for their hospitality.

**10 March: All-Round, Cambridge GC**

This was another windy and wet affair but it didn't stop the Cambridgeshire faithful from turning up to have a go at some very testing targets. At the end of the day our 2018 county DTL Champion made it look easy posting an 85, very good in the conditions of the day,

but it went right to the wire with Darren Stanford coming in with an 82. The Vets was very tight with two shooters on 80 Richard Croft and Peter Simpson count back had to be used as both shooters had left the ground so Richard Croft came out on top, for the second year in a row. Champion, Paul Ward. Vets Champion, Richard Croft. Ladies Champion, Amelia Smith. Colt Champion, Samuel Halls. AA, Darren Stanford. A, Chris Morris. B, Marcus Lord. C, Ashley Smith. Many thanks to Cambridge GC for their hospitality.

**16 March: Universal Trench, Nuthampstead**

Another very testing 100 targets on a very windy day. So windy in fact that I had a job to get the door open on my car, but that didn't worry the shooters from Herts, Essex and Cambridgeshire. At the end of the day our top shot and county Champion was Graham Carter with an 86. That was one better than Paul Ward and Peter Waller both having put in 85's and awaiting a shoot off to find out who was to be Champ. However, this was not to be after Grahams 85, but they still had a shoot off to decide the Vets title. Peter Waller came out on top by 1 target so takes home the Vets shield. Champion, Graham Carter. Seniors Champion, Ashley Smith who seems to be a trophy magnet this year. Ladies Champion, Sarah Christensen. Vets Champion, Peter Waller.

Well done folks and many thanks to Nuthampstead for your hospitality.

Hello to you all again, At last the weather has changed a little, that cold wind has subsided somewhat and the sun is shining, yippee! We have a mixed bag for you this time. Starting with some scores.

The first Sporting selection shoot at Grange Farm. Well, talking of the wind, I was reliably informed that it was quite 'Siberic' for our 2019 opener and a lot of credit is to be given to the 153 shooter that turned out to play. It was a tad wild, to say the least and spare a thought for the referees who sit on station juggling with the score cards, trying their best to keep their hats on and keep dry all at the same time. They're a hardy bunch. So, the layout was top notch, lots of hard work went into the planning, sorting it out around the windy conditions, it's not as easy as one would think so well done to 'team Curtis'. The HG was Straun Brodie from Scotland with a creditable 95x100 (you have

to let these boys win to encourage them to travel so far south). Next were Lee Whiting and T Webster on 92. A Palmer shot 89 followed by F Whitehurst and L Llewellyn both with 88's. There were 35 brave county shooters present with Benjamin Wright and Russel Mason shooting 84 apiece. The top Veteran was the evergreen Steve Brightwell who was constantly being pushed along by David Heath, Jason Marlow and Roland Carter. The heroine of the day was young Elisabeth Williams who shot a personal best of 63, in those conditions, Wow! well done. (I came up against this young lady in a DTL competition last year, enough said about that). Thanks to 'team Curtis' for a great shoot.

Now some fixtures; 27 April (Saturday) sees the DTL selection shoot at Normanton. This is the first leg towards the Inter-County team for the E Mids final ( Nottingham 4 August) you can book in by phone: 07747001624, or on the ground. 11 May ( Sat) is the County Single Barrel, also at Normanton, you have the number. On the 12 May we have the Helice ZZ at Rugby & DTC, (tel: 07770 551491). On 18 May Garlands are hosting our Olympic Trap Championship. This is a 50 target shoot. On 19 May it's the second, Sporting Selection Shoot at Kegworth, (07973 111650) with 100 targets that count towards the county team for the EM Inter-County Final at Sporting Targets. The final selection Championship is at Grange Farm on 25 August. 26 May sees the E Skeet Championship and Northampton (Sywell) this is also a selection for the EM IC Skeet final in Nottingham on 7 July. And lastly, on the 27 May (Monday), the All-Round Championship is at Nottingham. This is another selection shoot for the EM I/C final at Eriswell Lodge ( X Lakenheath). Phew! I hope that you got all of that?

Finally, a very sad note, one of our top shooters, Arnie Heister has passed away. I have known him for years, he's one of the people who 'has been there, done it and got the medal'. Countywise, there will be a big hole left. That's all for now folks, keep shooting and keep your powder dry.

Another short report, but it seems George Cheer is keen to start where he left off. At the recent English Open Compak Sporting Championship held at Orston on 10 March, only three Lincolnshire Guns turned out, but we still managed to ensure the County was well represented with some great scores. John Lee topped our trio with a very fine 93, only three away from eventual Champion Richard Faulds MBE on 96. Alan Blackburn posted a tidy 84 in Veterans.

George Cheer..

Baby Hennessy Heading, is this our youngest member.

George Cheer started his competition year in a determined mood and posted a very nice 89, which also saw him take third in C Class and silver in the Juniors Championship. A great start for the year. Well done.

**It's not always about the shooting. Is this our youngest member?**

Huge congratulations to Natasha and Aaron Heading as they welcome into the world baby boy Heading. Hennessy Aaron John Heading was born on 15 March. He decided to finally put in an appearance and end the long awaited anticipation everyone had. Well done to mum and dad, welcome little man Hennessy, we wish you good luck, happiness and every success.

**Fixture venues changed**

The new East Yorkshire Clay SG are still experiencing delays in finalising their calendar so we have been obliged to re-schedule some of our championships. At this point in time we have no alternative venue for Olympic Trap and hope to be able to hold this at East Yorkshire CSG later in the season. Please check our county Facebook page and CPSA website for change of venues.

Please remember we can only report what you tell us about, (not the everyday registered shoots) some months have quite early deadlines, which may not see your event reported until two months after. Due to word count limitations we cannot always tell war and peace, and have to be quite harsh when carrying out our editing duties to try and ensure we cover as many events as possible. A good quality photograph accompanying your story is always welcome to help promote our sport as best we can. For more detailed and sometimes a more lighthearted overview, our

shoot at the Northampton SG, it also sees the Moulton Village Festival. This year the Northants CPSA committee has arranged to have a presence there to promote clay pigeon shooting in the county. We will have a lovely CPSA branded gazebo with our county feather flags to mark us out from the crowd to make us easy to spot. Our stand will have lots of information and some goodies so if you decide that a trial for the England Skeet team is not your thing, come and visit us at the Festival.

Later in the year we will be arranging a 'Have a Go' day at the Northampton Shooting Ground for people who have never shot before but think that they may like to take up the sport. We would particularly welcome women into the sport as well as younger people. If you know of any family, friends or work mates who may be interested in shooting and have never shot before, give some thought to encouraging them to come along to the Festival for a chat and look out for further information about this on the Facebook page and on our CPSA website page.

I am also pleased to tell you that Northants CPSA now has an Instagram page. Due to my complete incompetence with this bit of social media, I am at present only able to give you limited information about this. (I will be having training sessions about it later). Those of you in the know, please take a look at Northants CPSA and link a photo of yourself enjoying the sport (safety wear needed) and help up to promote clay pigeon shooting as a safe, family-friendly countryside sport.

Finally for this edition, don't forget that the first competition of the year is in a few days. The season starts with the county DTL competition. There are usually only a few entries for this, your chances of a category win is high! Women and Colt class shooters are especially very welcome to come and join in with this first competition of the 2019 season.

The first England Sporting selection shoot took place at Southdown GC on the 16-17 March. Several Norfolk shooters braved storm Hannah to compete. Richard Bunning, Mark Goddard and England Veteran, Ian Hallwood all managed to score impressive 91/100s to put them in a good position for this year's England qualification.

**Norfolk committee**

The new chairman for the Norfolk CPSA is Norfolk Skeet legend Trevor Frammingham. Vice Chairman and Secretary for this year is Mick Jennings and Treasurer is Steven Cross, who has continued from last year.

**Richard Bunning**

Norfolk's own super shot Richard Bunning has won this year's CPSA Clay Shooter of the Year Award. Richard managed to win the English Open and the World English Sporting during the 2018 season which is an incredible achievement to win a world title.

**Around the grounds**

I would like to give a mention to Norfolk Junior, Archy Stannard who managed an impressive 99/100 at Eriswell Lodge on the 3 March.

If anyone has any news they would like to share please let the County secretary know or email it across. We are always on the lookout for pictures which we can share. You don't need to be a world champion – as everyone has their own story of how they came into our sport...

As I write this the doggerel verse describing early spring as 'in like a lion and out like a lamb' could not have been truer. The wind did not seem to stop blowing from storm Eric on 8-9 February through more in March and on to April. It certainly made shooting clay targets of any sort, sporting, skeet, DTL or ABT a challenge for many. Visitors and locals alike trying to practice for the competition season ahead have found it trying as lessons learned on one bird did not transfer easily to the next, as the wind changed how the clay flew each time. While scores were registered only a lucky skilful few had any notable ones.

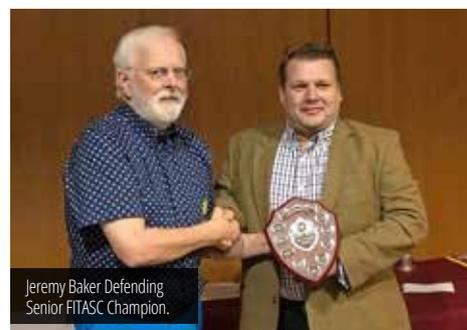

The monthly registered sporting competition held on 3 March was shot while storm Freya was raging. Thankfully though Northants didn't suffer the 94mph winds that they did in Corsica. The turnout was 25 percent lower than usual with only 103 shooters attending. High Gun was William Baughan (Bucks) with 93x100 which given that day's conditions was astonishing.

Early spring also saw a new sponsor for the county sporting competition. 'Mudcontrol Limited' has agreed to sponsor the competition with class prizes and badges being awarded. Thanks are given to James Trimbecki, who in the past has shot for the county in trap disciplines, for this kind support for county shooters.

We are well into the competition shooting season now and I hope you are all having success and enjoying our wonderful sport. There are lots of events to get involved with this month including championships and team selection shoots – so good luck and safe shooting to all of you.

### Nottinghamshire Vs Derbyshire Help for Heroes Skeet

The friendly ESK charity match against Derbyshire was held at Nottingham & District GC on 17 March. It was the final day of a week of gusty winds, which mixed with intermittent rain and hale made conditions difficult and testing. There were 13 shooters from Notts in attendance versus 17 from Derbyshire. Our English Skeet Team Manager Ash Parfremment led the charge with a superb 96, ably backed up by Russ Hufton on 93, Neil Howard on 92, both Kev Holliday and Rob Ellis on 91, Granville Hodgkinson 90, Tony Clark 88, Tom Clifford 86, Pete Cook 83 & Ken Rimington 81 giving the County a total of 891 which was enough to beat our local rivals by five points. Well done and thank you to everyone that attended, over £300 was raised for the Help for Heroes charity. Thanks to Carl and the team for putting on an enjoyable event.

### Team news

The Sporting, DTL & English Skeet teams all have selection events coming up – so if you would like to try out for any teams, ensure you shoot the appropriate County Championship.

There is also a charity All-Round match against Lincolnshire on Mon 27 May. Top 10 scores to count for each county and money will be raised on the day for the Air Ambulance that services both counties – a fantastic charity.

### Supreme Championship

We are now one event into the Supreme Championship but there are still six events to go, so plenty of opportunity to compete for one of our fantastic prizes. You only need to shoot four of the seven events listed below to automatically qualify for the Supreme Championship. Trophies, clothing and free entry to county shoots for 2020 are the prizes up for grabs in every category (Colts, Juniors, Ladies, Seniors, Veterans, Super Veterans and the Overall County Supreme Champion).  
5 May: Sporting at Orston SG, 19 May: DTL at Nottingham GC, 2 June: English Skeet at Nottingham GC, 14 July: Sportrap at Orston SG, 15 September: ABT at Nottingham GC, 22 Sept: Skeet Doubles at Orston SG.

### County success

Huge congratulations to Andy Miller who came first in AA at the FITASC Gator Cup in Florida. Closer to home Becky McKenzie continued her winning ways coming first in Ladies at the Compak Sporting English Open at Orston SG.

### Forthcoming events

- 5 May English Sporting County Champ. at Orston SG (Team Selection & Supreme Championship Event)
- 19 May Down The Line County Champ. at Nottingham GC (Team Selection & Supreme Championship Event)
- 26 May Olympic Skeet County Champ. at Priory CTC (Running alongside the Regional Championship)
- 27 May Notts Vs Lincs All Round at Nottingham GC (Charity Challenge Match in aid of Notts/Lincs Air Ambulance)
- 2 Jun English Skeet County Champ. at Nottingham GC (Team Selection & Supreme Championship Event)

### Shooting in Suffolk Recognised at CPSA Awards

On February 2nd 2019 the annual CPSA Awards were held at The Belfry Hotel. This year we had two representatives of the county up for two of the awards, Sam Nunn for the 'Disabled Shooter of the Year' category and Fulton 'Tosh' McIntosh for 'Coach of the Year'.

Both categories were hard fought with established names in the top three. Unfortunately, Tosh was pipped to the post in his category, but came in runner up which I am sure he is still more than proud of and is still an incredible accomplishment. Sam Nunn however took home the title of 'Disabled Shooter of the Year' not only for his shooting accomplishments and titles but also for his hard work in promoting disabled shooting and his drive to get others into the sport. Congratulations to you both!

### Fancy shooting for team Suffolk in 2019?

Last year we were lucky to be able to field teams in nearly all categories at the Inter-county shoots. With numerous new caps for shooters in the county it was great to see so many new and old shooters out representing the county. If you would like to join Team Suffolk at this year's East Midlands Inter-county shoots then carry on reading to find out how, we send teams to shoots in; English Skeet, DTL, ABT, FITASC, English Sporting and All Round.

In order to be chosen for the county teams you must shoot the county championship for that discipline, this is the selection shoot where the team captains for each discipline will pick their team. There will also be a contact information sheet on the sign-in desk at each shoot, to make it easier for team captains please write your name, CPSA number and contact number so that you can be contacted and entered into the shoots if you make it into

Tosh - Runner up Coach of the Year.

## AVON

**ROGER COX**

Some good news to report for the shooting community – Robin Heal, one our top sporting and FITASC shooters in Avon is setting up his own shooting ground. Robin who has won many English Sporting and FITASC Avon championship is going to use his vast knowledge in these disciplines to organise and target set in his new venture. It will be called Torr View SG and is situated on elevated land at the far end of the Glastonbury Festival site. There has been shooting here for some time, off and on, over the past ten years and registered shoots will now start on a regular basis again. Robin is going to put a clubhouse in and hopes to have his first registered shoot in late April and will not clash with shoot dates at nearby Meadowcroft or Podimore, so increases available shooting dates. Catering is to be provided and he has enlisted the support of one of the recent 'Bake Off' stars to oversee this side of the business. We wish Robin every success and hope Avon shooters will support him with attending shoots as new shooting grounds are difficult to establish these days.

Dave Woolcott has been busy and put new facilities in at Meadowcroft SG with more buildings undercover and inside catering which should make significant improvement to the ground. Sportrap is at Meadowcroft and will be held on 19 May over the separate four

custom built layouts for the event. These were installed and used to good effect last year for competitions. A parallel sporting and pool shoot will also be available. The FITASC is to be at Meadowcroft this year but dates have yet to be set.

The ABT will be held at Bradford on 8 June. The DTL is to be at Two Counties SG (Jethros) Sunday 9 June and Double Rise to be at Axminster GC Saturday 10 August.

Again any date changes for championships will be posted as soon as possible on Avon website. Any further breaking news from anyone please contacts us on email below for inclusion next time.

The Avon website is hosted on the main CPSA website and can be accessed via the County tab. Also there is a new email address of rogercox47@gmail.com for contact in the future.

would be at the popular ECLP and this was once again proven with an entry of 129 guns. Well done to all that participated and also a massive thank you to all involved at the ground for the hard work and effort that's put in.

A well-known county name topped the pile today in Kelvin Walsh with an awesome 93ex100, in what was tough conditions considering the amount of wind, congrats go to Steve Tomlinson and Pete Mylam on a brilliant 92 to be the only other scores inside the 90's – good shooting guys.

The committee would like to take an opportunity to inform the county that on his return from shooting Olympic Skeet in Cyprus young Denzil Grose, as pictured, was presented the John Newton Memorial Trophy from County Chairman Keith Spear. The SW Committee decide the recipient, it being 'recognition for any young shot who showed promise in our sport as a way of encouragement for them.' Go Denzil...go Cornwall.

## CORNWALL

**MATT BREWER**

sites.cpsa.co.uk/cornwall

The first STR selection of the year was held at Landare FS and with the sun and wind being two very contributing factors it would be a fun filled day or targets. This time of year isn't ideal for target setters but doing their best with the tools at hand is all we can ask for.

The committee's very own Adam Rowe topped the score card with a very well shot 91ex100, as always the ever so consistent Pete Mylam was a close runner up with 90, Bruce Wilton and Nick Parkyn start the season well with 89 and rounding out the top five on 87 was Stephen Williams.

The county's second ESP selection shoot

# Deluxe Hearing Protection

The first trap discipline of the year would be Single Barrel and held at the always so well presented North Cornwall SG. A decent number of entries (around 30 I think) took to the stands. Matt Brewer was the top Cornish shot on 94ex100 but followed closely by Richard Ryan and the Ladies favourite Dom Davey with 93. I would like to say a big well done and thanks to North Cornwall, the work and effort that is put in up there must be endless.

The first ESK selection of the year was held at Allet GC and what an absolutely fine effort from Kelvin Walsh with 99ex100, Well done mate! Pete Mylam and the Cornish Irishman John Dunne fill the top three with brilliant shooting on 98. As always the Skeet shooting in Cornwall is at a very high standard and long may it continue.

If anyone has any suggestions or ideas about anything they would like to see in *Pull!* then I'm open to suggestions, there is a criteria to fulfil but I can go into detail at a later date.

#### Premier League at Owls Lodge SS

The Sporting fans were out in their numbers at Owls Lodge to test their skills against the targets Richard Faulds and his team set up. Unfortunately it wasn't the target angles and speeds that tripped entries up, it was the high winds buffeting both targets and barrels.

Dave Toomer (left) Hant 2019  
Champ Andy Gordge presenting.

DTL Winter series winners Perry Leamon  
Brian Coupe and the invisible Mark Bryant.

Riley Vasey – Junior Hants Champ.

Although the cartridge bins and score cards went flying it was still a great challenge, a great Sporting shoot. When the sun came out it did warm you for a moment then back came the wind making some interesting targets. The rabbit on stand 12 came down the hill for about two feet then was blow at right angles away from you and back up and over the hill. It may not have been the best day but it didn't put off the 260-plus entries having a good dry day out shooting the fourteen stands. Martin Myers returned an amazing 98/100 and collected the HG title with Ricky Draper on 95 and Chris Childerhouse on 94. Team Owls Lodge took the team title with a 868ex1,000 with team Southdown on 855 and team Cambridge on 854. The next Premier league event is on 13 April at Atkin Grant and Lang.

#### DTL Hants Championship

The first of the Hants Championships for the 2019 season got off to a flying start at Fareham CTC. Seven squads and all mainly Hampshire residents took to Farehams A and B layouts. It was a tad windy which made for some interesting second barrels chasing targets up and down their flight path. I didn't recall seeing a 25/75 on the score board all day and that's a first. The Hampshire DTL Championship attracted some well-known names of which several were past Champions – Dave Toomer, Carl Miles, Steve Tarrent to name a few all had their work cut out. With the club holding a 200 DTL Grand Prix at the end of the month several were using this championship as a chance to warm up for the big one. Even with the wind bouncing the targets up and down Dave Toomer yet again proved his skills hitting one hundred straight. I drew peg one on squad one and Dave was on peg four hence I witnessed him on several occasions miss with the first barrel on a target dropping like a stone or rising like a rocket off to the moon but then he would nail it a second or two later with the second barrel. Great shooting by the man, and that's why he's the 2019 Hampshire Champion and well-deserved. Jane King won the Hants Ladies class, a shoot off was required for the Vets class between Andy Gordge and Ron King of which Mr King

won by one point. A new Junior is on the DTL horizon by the name of Riley Corey the 2019 Hampshire junior Champion, and yes he's another grandson of sponsor Grandad Derek Turner. I believe it was his first Hampshire Competition so well done him... ..and to coach, sponsor, chauffeur, Grandad Derek.

#### Forthcoming dates

11 May English Sporting at Owls Lodge  
19 May O/Trap NCSC, E/Skeet

### OLIVER MARSHALL

Bit of a short one this month as I haven't had much news come through but we do have more County Championship dates to share.

Congratulations to Ian Stephenson who took joint TG with Devon's Jason Turner at Double Barrelled Podimore on 3 March. With Storm Freya lurking across the South West, it was very windy and a little wet at times, but there was still a good turnout for the competition. What a hardy bunch of shooters. It's also worth mentioning that DBP are holding regular 50 Bird Open Sporting competitions which are proving popular, so why not give them a go?

On the other side of the County, Brook Bank SG held a 100 Bird ABT competition that was also impacted by the Storm Freya, but again it didn't stop people from shooting it! With a £100 HG prize at stake, 16 shooters battled the targets and the weather to take the top spot. In the end, Somerset's very own Dave Bland held his nerve to take top spot with a well shot 95.

We have some more dates for our 2019 County Championships and they are:

 13 Oct Sporting Challenge, Gunsite

Inter-counties Sporting 2019 Champion: Guy Franklin, Ladies: Hannah Gibson and Veteran: Adrian Balham.

The Champion with an awesome score of 95 was Guy Franklin (Sussex). The Lady champion with 84 was Hannah Gibson (Sussex).

The Junior champion with 88 was Billy Greenwood (Surrey). The Colt champion with 80 was Alfie Tibbles (Hertfordshire). The Veteran champion with 92 was Adrian Balham (Greater London). Three of the champions were there at the end, which was a pleasant surprise so we have a nice photograph.

Sadly the catering ran out about 2pm but apart from that a good shoot. Thanks to Southdown for holding this championship on behalf of the South East Region.

**2019 Essex ABT Championship**

The Essex Automatic Ball Trap Championship was held at Nuthampstead Shooting Ground on Saturday 2 March. Conditions were mixed, though dry with a cool breeze and occasional sunshine. Chris Wright emerged the Champion with a score of 88, while John Haas took the Veterans trophy with 86. Pam Dorrington retained the Ladies trophy with a 66.

Thanks are due to Nicky and Ed Barker for another faultlessly run competition on their excellent layouts. The pictures below show David Henshaw presenting the winners with their trophies.

**16-17 March: South East Region's Inter-Counties Championship**

We had extremely mixed weather for this two-day England Team Selection Shoot and South East Region Inter-Counties. There was a good entry of 322 over the two days. Saturday was ghastly and Sunday, although a bit windy, was sunny and bright. I was there on Sunday and Johnny Johnson in attendance both days.

The Kent team consisting of James Attwood, Ben Hollanby, Jamie Brightman, Henry Arnold and Kevin Howland took the winning team title with 439/500 (good job as they did not bring back the trophy from last year), Oxfordshire were second with 435. Buckinghamshire third with 433, Essex fourth with 409, Hertfordshire fifth with 408, Sussex were sixth with 405, Surrey were seventh with 403 and Greater London were eighth with 383, Berkshire had no team.

Essex ABT Champion 2019 Chris Wright.

### Hertfordshire Championships Results

Hertfordshire OT championship held at Nuthampstead on the 24 February. Nigel Caves took the HG and Vets on 78ex100, Lucas Hyde took top Junior on 69ex100.

The Hertfordshire UT Championship held at a very windy Nuthampstead on Saturday the 16 March, unfortunately had only three entries, with Nigel Caves taking the Veteran and County Championship with 88ex100.

Hertfordshire Sporting Championships the shoot will take place on Thursday 27 June from 10am-8pm. LVSA are accepting entries now for this event with our first squad shooting at 10am. If you have a group of five or six that you wish to book in, please let the ground know to ensure you are squadded together.

We are expecting this to be very popular so to avoid disappointment we advise booking in early. Contact details for LVSA: dan.mcdonnell@lvsa.org.uk, www.lvsa.org.uk

### Young shots roundup

Congratulations to Charlie Monahan one of the county's top FITASC shooters, for winning class and equal second overall at Highwayman's on 17 March with an impressive 83ex100.

Congratulations to Alfie Tibbles for becoming South East Regional Colts Champion for English Sporting at Southdown on the 17 March, after shooting a solid 80ex100 in some tricky conditions.

Fantastic to see Southdown supporting young shooters with Colts only paying £2 to shoot the 100 Sporting competition – I wish more grounds would follow their lead. Darcy McBride, took the top spot in Preps category at the first event in this year's Schools Challenge at Oxford Shooting ground on the 13 March. Great shooting in very changeable conditions

### Game fair tickets

All Hertfordshire shooters attending the Herts Sporting Championships at LVSA (Hertford) on the 27 June will be entered into a draw for a pair of tickets for this year's Game Fair at Hatfield House 26-28 July, tickets courtesy of The Game Fair.

### Shooting clubs and ground news

Atkin Grant and Lang starts a 50-bird FITASC on the third Wednesday of each month, plus the Lyalvale Express and British Schools and young shots competitions. They will also host the Herts FITASC, dates TBC.

### Different disciplines

Want to try something different? A1 Shooting ground offer Helice practice plus Sporting and OT, Fibre only for Sporting. Nuthampstead offer OT DTL Olympic Skeet and ABT.

### County teams

Top shooters are needed for our county teams. We struggle to fill our county team spaces for all disciplines, so if you are interested in shooting for the county please get in touch.

### Stories and comments

Please send in any stories or comments to the Herts Committee. Or if you want to be considered for one of the Hertfordshire teams please contact us.

What a great start to the year for two of Kent's young shooters at the CPSA awards 2019.

Many congratulations to James Bradley-Day for winning emerging shooter of the year 2019 and for Tristan Hockey for winning young shooter of the year 2019. As a county we couldn't be more proud to have these two young shooters to represent us. The clay season is now under way with team Kent heading to Southdown for the Inter-Counties sporting. Good luck guys and girls.

We would like to thank each and every one who made it to the Kent AGM that Dartford kindly held and who also ran a floodlit sportrap for the evening. Very well done to all our Kent champions James Atwood Senior champion,

James Bradley-Day.

Tristan Hockey Colt champion.

Mick Durling Veteran champion, Ronnie Green Junior champion, Tanya Kemsley Lady champion, Tristan Hockey Colt champion and individual winners of championships shot through 2018. Lastly we would like to congratulate once again James Bradley-Day and Tristan Hockey for picking up the High Achievement awards at the AGM for their outstanding 2018 season. We look forward to seeing your success through 2019.

### HELEN NICHOLSON

sites.cpsa.co.uk/oxfordshire

Hello Campers – well a quiet time for all shooters at the moment, we are all waiting in anticipation for the clay shooting to get under way. I have just a few results to mention so here goes...

### Westfield SG

Steve Lovatt put on a challenging shoot on Sunday 10 March. It saw 101 entries and Oxfordshire's clay shooters do well. Julian Freeman finished his round with a great score of 92ex100 leaving him third overall in AAA class. Steve Cox continues to be a strong contender finishing with a score of 90ex100 placing him first in AA Class. Percy Bradley also continues to shoot well, he finished with a 79ex100 to come second in B Class. Well done to you all.

### FITASC sporting targets

A person we know is busy training and teaching at the moment is Pet Easton. She took part in Sporting Targets two-day FITASC and finished with a magnificent score of 82ex100 to place her first in C Class. Well done Pet! Each month I ask for shooters

to let me know of their successes and achievements. One lady who contacted me is Helen McKenna. She set off on a Thursday in February to Owls Lodge to take part in their 100 ESP Registered. A large number of shooters took part, 119 in total on this very target wind affected day. With the wind gusting, Helen started on stand three, a straight, stand four, a straight, stand five a straight.

Ten stands in and Helen was straight. She just about held her nerve, she dropped just one target on stand one, and with just one remaining stand I don't know how she kept her composure but she dropped just one more target. She finished on a personal best of 98! Well done Helen, your very first Ladies High Gun, well deserved!

**County FITASC**

The committee continues their hard work in organising the county shoots. This year we have deliberated and decided after a very kind offer from Kevin Gray that this years FITASC County shoot will be held at College Farm on the 18th, 19th and 20th September.

We will be limited in the numbers that can shoot (12 places per day over the three days) and we have agreed with Kevin that all bookings must be taken before the 21st August, please call Kevin to reserve your place on a squad, Tel: 07702 243308.

**Contact**

Please let me know of your successes, achievements and disasters. Contact me on the above email. Happy safe shooting!

Please see the website for the full list of winners, but there were two people worthy of singling out for congratulations. Glen Boxall won three County Championships across Sporting, Trap and Skeet disciplines, contributing to him winning the overall Supreme Championship. He is pictured below receiving his Trophy from CPSA National Director Graham Walker and SE Region Director Peter Saich.

Also winning three events, this time in the Junior category was John Chambers. John only started shooting competitively this year, so winning the Junior Supreme award was a great achievement. So, the question is, can they win more this year? Can you beat them? Come along to the events listed below to find out!

Further afield, Surrey shooter Maddy Boyd has been competing in the Qatar Open Olympic Skeet Championship, where she won silver in the Junior Women section, despite the whole of the third round being completed in a sand storm – something Maddy will not have been able to prepare for in training at the National Clay Shooting Centre in Bisley! Congratulations to Maddy, and thanks to proud Dad and sponsor Gary for the photo.

Don't forget to visit the website and Facebook page regularly for results and updates.

Thank you to those people who attended the Surrey AGM and prize giving. The meeting was very efficiently run by Chairman Douglas Millard and Secretary Jo Watson-Hopkinson, and both were duly re-elected, as were most of our existing committee.

We also signed up two new badge sponsors – Guy Peacock from Alchemy Filtration and Alex Cobb from Woodland Pursuits. Guy also donated prizes for the raffle. Other prizes were donated by William Evans and several of the committee, so thank you to all of the above.

We already have most of the Surrey events planned for this season, and will continue to strive to get more people involved in the County shoots, so please come to the events and support us.

## Supreme Champion

At the AGM on 7 February, as well as the prizes for the County Championships being awarded, the Supreme Champion 2018 was revealed. Well done Matt Haffenden, the phrase 'you've got to be in it to win it' has never been more true than with Matt. Although he didn't actually take HG at any county championship, he shot most of them, getting a good position at alot thus accumulating enough points to win. Well done Matt.

## Results from the Sussex Supreme Championship

Overall gold: Matt Haffenden, silver: A Stratford, bronze: C Goodwin and L Shanks. Ladies gold: E Salmon, silver C Milbourne, bronze: H Gibson and R Woods. Juniors gold: W Fenner, silver: Z Welfare, bronze: C Pomfret and C Shanks. Colts gold: M Hudson, silver: J Taylor and L Twigger, no bronze, only three entries. Veterans gold: C Goodwin, silver: K Bennett, bronze: C Milne. Well done to all

the winners. The Supreme Champion competition is open to all Sussex shooters to encourage you to try different disciplines and compete in county championships. So why not give something different a try, you never know you might enjoy the change? Matt did and he's a winner.

## 16-17 February: Inter-Counties Sporting Championship and England Sporting Team selection shoot

The SE region Intercounties Sporting Championship and the first England Sporting Team selection shoot of the year was held at Southdown Gun Club and Shooting School but with winds between 40-50 mph on the Saturday many shooters opted to shoot on the Sunday.

Kent were the winning county however, Sussex shooter Guy Franklin had a great start to the competition year as HG on 95 and fellow Sussex shooter Hannah Gibson took the Ladies title with 88.

## Sussex shooters

If any Sussex shooters would like to let us know how well they are shooting or about any other Sussex shooter just drop us an email or let one of the committee know. We are always pleased to include news from around the county.

## Doveridge report

Well done to everyone who braved the terrible wind. Some of the group went away and shot on the new OT layout and Alec Sperling came out with the highest score of 19/25 which was excellent considering the cross wind.

On the 50-bird sporting the rabbits were a real menace to most. Adrian Lastcame out narrowly on top with 37/50.

The DTL was well-contested also with Marcus Watkin shooting a wonderful 22/25 on his comeback to the group.

Finally the Skeet was won by out top Skeet shooter Kelvin Davies with a 22/25.

A special mention and welcome to Chris Proverbs on his first shoot with the group. He had not really shot any competitions and disciplines before, he shot the Sporting especially well with 26/50.

## Forthcoming dates

First for products, First for service, First for Expertise

Can you afford to  
pay for a damaged stock  
or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

**THE SPITFIRE SHOOT**

The Award Winning Spitfire Shoot is one of the only purpose-landscaped shoots in the South of England. Set in the beautiful Hampshire countryside we can accommodate all levels of gun from the first timer to the experienced shot looking for pre-season practice. With a wide choice of excellent pubs and restaurants on the doorsteps we'll tailor a day to your individual needs including team building or corporate entertainment, stag and hen parties or just a simple morning or afternoon in the fresh air with friends.

The shooting ground offers a wide choice of stands and can simulate all the popular varieties of game and competition shooting. Our qualified instructors are here to ensure your safety and to provide tuition on all aspects of clay pigeon shooting.

## OH, SUCH A PERFECT DAY..

James Bradley-Day talks to Jasper Fellows about achieving his childhood dreams.

At 20 years old, James Bradley-Day has already achieved what most of us can only dream of. He tells us, "I've always been extremely competitive. I remember in primary school, we were asked to draw what we wanted to be when we were older, everyone else was drawing firemen and footballers, then there was me, drawing a man on a podium holding a gun. I can't remember the teachers reaction but I expect they were rather shocked."

Having always known what he wanted to do has been a driving force for him. He tells us, "I grew up on our family farm and have always been obsessed with shooting. Even when I was too small to hold a gun I'd still be out carrying a cartridge bag for my father. Eventually my father took me to a local clay shoot and picked the easiest stands for me to shoot. As I started to get the hang of it I slowly found myself shooting more of the course, and before long I was shooting the whole 100 targets."

"At 15 I was lucky enough to find the competition side

of shooting through Kevin Howland, who was the first to notice that I had a natural talent. I never really had any lessons from Kevin but picked up so many great tips from just watching Kevin and the equally excellent Scott Collett."

Shooting all of the sporting disciplines (Compak, Sportrap, English Sporting, and FITASC), he tells us, "I have a real love for FITASC and Compak. Compak has really taken off in the UK over the last few years, which means more grounds are putting on Compak shoots. In my opinion it's one of the hardest disciplines to win. You cannot afford to make a single mistake."

What does he consider to be his greatest sporting achievement to-date? "It's a close tie between the European Compak Junior title and finishing runner up overall at the British Open English Sporting – to my knowledge I am the youngest person to ever finish on the podium at this

shoot. Both gave me a great deal of confidence which is essential in this sport."

James left college to work as soon as it was possible so studies and shooting haven't really conflicted, however he tells us that it hasn't been easy balancing shooting around work. "From the age of 17 I've been completely self funded. I sold sweets and drinks at

school, vegetables from the farm at local fairs, worked at a local shooting ground and more just to fund my shooting over the years."

He now works full time in the shooting industry- running his own shooting company – JBD Sporting – which holds CPSA registered competitions, simulated game days, and mobile clay shoots. James can often be spotted at a host of shooting grounds across the country coaching clients and helping them reach their full potential.

His dream is, obviously, to be World Champion – and to expand his business. He tells us, "I'd love to make a

I'd love to make a real difference in the clay-shooting industry...

real difference in the clay-shooting industry, it would be great to help improve the sport. I would love to see some kind of televised event with proper sponsorship and give something back to the shooters and get more people into the sport. Obviously this is much easier said than done, however you never know what opportunity may be just around the corner."

And his advice to young shots looking to emulate his success?

"The main thing is to enjoy it! I'd always recommend going to see a good coach, it's a great idea to get a good understanding of what to do before you get into too many bad habits. This may seem like an expensive option to some, but you're better off spending the money on 150 clays and an hour or so with a good coach than shooting, say, 400 clays and not understanding how or why you've shot the way you have."
