WELCOME

August
2019

We move towards the end of the 2019 competition calendar with a sense of anticipation for the many CPSA Championships on offer this month. This includes the British Open English Sporting at High Lodge SG, the British Open English Skeet at Dartford CSC and the NSCA World English Sporting Championships at Northbrook Sports Club in the USA, which it will be our turn to host next year as the CPSA World English Sporting Championships.

The British Open English Sporting will also include the British Open Sportrap, and though it's a minor Championship, Sportrap is a fast-growing discipline. I encourage you to read the second part of Simon Arbuckle's introduction to Sportrap on page 28. High Lodge is hosting the Sporting and Sportrap, which will no doubt be a success with the combination of the High Lodge team and the support of the event headline sponsors Rizzini and Gamebore – see page 20 for our preview.

There's something new in the magazine this month – a review of several cars that are ideal for clay-shooters, along with a legal article by CPSA Honorary Solicitor Laura Saunbury about travelling with shotguns. I encourage you to read this in particular, as we travel with our shotguns to clay-shooting grounds, and it is important to be aware of the best practices for doing so.

Finally, if you've ever thought about becoming a Referee, see the article on page 86, in which Steve Williams talks about being a CPSA Qualified Referee and the enjoyment that can be had in participating in our sport without always shooting.

PREMIER LEAGUE 2019 UPDATE

Individually there was a three-way tie on 93ex100...

The seventh fixture in this year's Premier League was held at Southdown Gun Club on 30 June. It saw a dominant home performance by Team Southdown with a top ten total of 903ex1,000. Team Owls Lodge was close behind on 875ex1,000, so many congratulations to them both.

Individually there was a three-way tie on 93ex100 between Graham Peck, Chris Childerhouse, and Australian visitor (and CPSA member) Robert Hall. Childerhouse took the High Gun honours and the Brian Newman Memorial Cup.

From a League perspective, another Team Southdown shooter Neil Gaff achieved the top score on the day of 94 with his A Class handicap applied so really well done to him too.

Owls Lodge shooter Neil Lockton still retains the top spot on 478 with his best five scores, just three ahead of

Childerhouse on 475. Neil Gaff has a 464, with Kevin Howland snapping at his heels at 463 so watch this space in future articles as this will no doubt go down to the wire!

We now look forward to the next leg at Highwaymans Shooting Ground, 14 July.

THANK YOU TO OUR PROUD SPONSORS

SPORTING TARGETS FITASC SERIES 2019

This year's series was run with best four scores from five shoots taking points from the overall High Gun of each shoot.

The series was well attended with most of the top five in each class shooting all shoots and remaining very close. The overall title was very tight with only one clay between first and second and one from third.

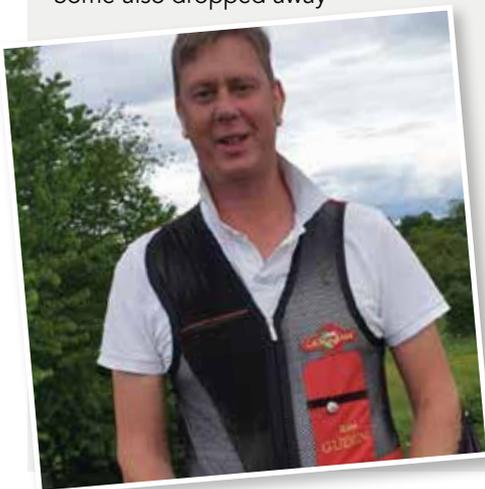

Steve Brightwell, Mark Stevenson and Nick Hendrick were all looking to take top spot, which was decided on the last shoot.

All the classes followed the scores through the series, with some working out what was needed to clinch the win! Some also dropped away

when it slipped out of reach. Cash and cartridge prizes were awarded to the winners of each of the individual shoots.

Thanks go to the sponsors for their generous support: Hull Cartridge Company, CCI, and Promatic, to the Sporting Targets Team for laying on the competitions and to all those who braved the various weather conditions and shot through with a smile.

COMMONWEALTH GAMES ANNOUNCEMENT

On 20 June, it was announced that shooting sports will not be included in the 2022 Commonwealth Games in Birmingham. As CEO of the CPSA, I echo the disappointment of other associations at this decision made by the Commonwealth Games Federation.

This was a sad day for shooting sports and the decision will affect athletes across the Commonwealth, particularly rising stars in our sport who would be seeking their first chance to compete at the most elite level.

The decision was made despite of the offer of ISSF to contribute funds to the costs of shooting events, and the availability of facilities at Bisley to host the events as was done for the 2002 Manchester Games.

At the CPSA, we must now look to the future and continue the important work of promoting our sport at International level and on the global stage, working with our partners at the other National Governing Bodies for UK shooting sports. Many of our England Shooters are on the pathway to excel at the 2020 Tokyo Olympics as part of Team GB, and we look forward to watching and supporting their progress. We hope to see shooting sports return to the Commonwealth Games in 2026, and will work with the English Target Shooting Federation to affect this decision. Please see britishshooting.org.uk/article/1604 for the British Shooting's original statement

REVIEW: BRITBORE MOP

New to the market, the Britbore Mop has been designed to make cleaning your gun quicker and more effective. Made from felt wool, it's biodegradable too. Use it after cleaning the barrels with your phosphor bronze brush and you'll remove more excess oil and dirt than you ever thought was possible, they say. A second push through with a clean pair of Britbore leaves the barrels lovely and clean with a nice fine coating of oil. The cost? £15 for a box of 30 mops. More information and a 'how to use' tutorial can be found at britboremop.co.uk

HAMPSHIRE FLAG BECOMES FLAG SPONSOR FOR ALL HOME INTERNATIONALS

Hampshire Flag Company, based in Waterlooville, has officially become the CPSA's Flag Sponsor for all Home Internationals hosted by England.

From the St George's cross of England to the St Andrew's cross of Scotland, the flags of all the Home Nations fly proudly at each Home International, where each nation's teams compete for the top clay-shooting honours within their discipline. Any England team member will tell you of the pride they feel to be competing under their national banner, and new flags provided by Hampshire Flag will help them to continue to do so.

CPSA member and former English Sporting team member Neil Lockton is the Production Manager at Hampshire

Flag Company and has been a CPSA member for over 20 years. He is an extremely keen member of the shooting community, running local shoots, coaching Juniors and hosting charity

events and is delighted that Hampshire Flag can provide flags and signage for upcoming events.

He said, "Hampshire Flag are specialists in the field of large format textile graphics, with many sporting and event companies as clients. This partnership with CPSA will double my

passion for the sport now, having a vested interest professionally and personally. I wait with increased interest to attend my first event and see flags and signs displaying proudly that I have been involved in producing."

Neil Lockton, the Production Manager at Hampshire Flag Company, has been a CPSA member for over 20 years...

ESSEX GUN MASTERS 2019

Held at Hepworth Hall, the weather behaved itself for the most part, with the occasional shower of hailstones midweek. After seven days, the final result was in doubt until the final squad shot the very last stand.

Master course builder John Dyson treated the 2,500 entrants to the usual format of 200 targets, to be shot over two very different 100 bird courses.

Mondays leaderboard gave a clear indication that there could be some very high scoring to come, with Richard King and Aaron Harvey both carding 190s followed closely by Martin Myers on 188. Tuesday saw the arrival of George Digweed, Mark Winsor, Shaun Bramley and Sam Green, all past Masters champions. Sam and George managed 188 with Shaun going one better with 189. Mark brought home a stunning 193 to lead overall, but felt he'd thrown the win away by missing three targets on one stand, admitting that he felt sure his score would be beaten as the week went on. Umpteen times ladies champion Cheryl Hall gave notice that she's not yet ready to relinquish her hold on the event by scoring a brilliant 190.

Wednesday's competitors included last year's third place winner, Ben Husthwaite. Ben gave notice of his intentions by carding a 98 on his first course, only to let targets slip away on his second round, finishing on 193, the same score as Mark Winsor! The top of the leaderboard remained fairly static until Sunday, when several 'heavy hitters' arrived, among them Phil Gray, a former Masters winner.

Mark Winsor returned for the prizegiving only to find that Phil Gray was still in with a chance of victory, as was Josh Bridges, in his final year as a Junior.

Everyone had to wait until the last squad out returned to the clubhouse before the result could be announced. Josh had scored 190, Phil 192, leaving Mark to collect the Essex Gun Masters title, the winners trophy and Beretta DT11shotgun.

Above: Mark Winsor wins the trophy.

LETTER OF THE MONTH

Dear Sir/Madam,
I have noticed on my Social Media, Twitter and Facebook, that there has been a welcome increase in the numbers of people taking up clay pigeon shooting recently. My local club, Isle of Wight Gun Club, has a lot of new faces who are really enjoying the aspects of shooting and club membership.

Although there are lots of positive comments about the sport, one of the main drawbacks to entry I have seen is the cost of equipment which can mount up. I have seen requests for safety glasses, butt pads and other items on Twitter. Personally, I have lots of spare kit built up over the years and I wondered whether CPSA clubs could act as collection points where members could donate good quality items which could be given to new members in particular young people who are the future of our sport.

Regards, Mark Johnson

Response from CPSA:

Thank you for your letter Mark, this is a great suggestion! We hope that our clubs and grounds take note of your letter here and give this a try.

– The CPSA team.

Is there an issue that you would like to raise or praise? Send your letter including your phone number and CPSA number to: **Pull! Magazine, Fellows Media, The Gallery, Manor Farm Courtyard, Southam Lane, Cheltenham GL52 3PB** or email: pull@fellowsmedia.com

SIMON SAYS

Senior Coach Simon Arbuckle answers your questions. Send your question to simon@cpsa.co.uk and your question could be selected in the next issue.

Q I shoot Sporting clays and really enjoy the variety of targets but tend to struggle with high driven targets! I can consistently hit low driven targets so I'm not sure if it's line or the lead that I get wrong when they are 30m+ high. Any advice on my bogey target would be appreciated? Thanks, Richard

SIMON SAYS:

Hi Richard, Thanks for the question. It's interesting that you say you are consistent with low driven targets and whilst I haven't seen you shooting, this implies you must have the fundamentals right in terms of your visual pick up point, gun hold point and where you intend to break the clay. You also don't say what method you use to tackle the target but in my opinion the CPSA method is the most consistent technique for shooting this type of target as you establish the line and speed of the target by briefly locking onto the clay and matching its flight so it's just the amount of lead required to determine.

As with any shot, you need to determine where you first see the clay clearly i.e. your visual pick up point. The gun then needs to be held further along the flight-line (Gun Hold

Point) to give you time to focus on the clay before mounting onto it, moving with it and then pulling ahead smoothly and taking the shot. This is one of the few targets that you loose sight off when pulling ahead of the clay and therefore it is vital that the gun is kept moving after the shot has been taken to avoid the common fault of stopping the gun when visual contact is lost.

As I don't know exactly how you shoot, I would recommend starting with the gun down, looking over the barrels to your visual pick up point. If you shoot gun-up then hold your barrels just off to the right hand side of the flight-line if you are right handed or to the left if you are left handed, at your gun hold point, so as not to obscure your focus on the clay when it is launched. A common fault for gun-up shooters is holding the barrels on the trap or the tree line where it emerges from, causing them to chase after the target creating too much gun speed instead of letting the clay come to them.

The amount of lead required depends upon how high the target is and how fast it is. If you struggle with shooting this as a true driven target then if the situation or presentation, and safety allows, you can turn sideways and tackle it as if it were a long crossing target thus allowing you to be aware of your perceived lead and enabling you to adjust if necessary.

Send your question to simon@cpsa.co.uk with the subject 'Simon Says' and it might be selected for publication in the next issue of Pull! (be sure to include your CPSA number). We apologise that each email might not receive a response.

It's all about the action

DT11 SERIES

The DT11 is built around a vault-tough cross-bolt action, it's 3mm wider than the DT10 and therefore slightly heavier. Incorporated into the forend the replaceable tightening system means the gun is rock solid. The Steelium Pro barrels boast an internal profile created to diminish felt recoil, improve shot patterning and reduce muzzle rise, with no loss of ballistic performance. Additionally, the detachable trigger unit, powered by V springs, gives the best possible trigger pulls.

690 SERIES

Launched in the new millennium the 690 has the same dependable trigger mechanism as the 680 series. However, the 690 benefits from Steelium Plus barrels; a self-adjustment system integrated into the forend and the inclusion of the B-Fast stock balancing system. The slightly wider, double fenced, action gives the 690 series even more stability and ease of handling. The upgraded ejector system and new action lock up, both contribute to extra rigidity in the shotgun.

680 SERIES

A long standing favourite among competition shooters, the legendary 680 series action has literally sold in the thousands. Thanks to the two conical locking lugs, the 686 action is compact and low profile while remaining extremely strong. The cold hammer forged Optima-Bore, Optima choke barrels are lightweight and place the shotgun's balance right at the hinge pin.

FAIRY TALE WINNER MARK SHAW'S STORMING PERFORMANCE

Lloyd Pattison reports from the DTL weekend at Bywell Shooting Ground.

Over 300 competitors from all over England, Scotland, Wales and Northern Ireland converged on the well-tended environs of Bywell Shooting Ground from the 14 to the 16 of June. Bywell's staff are old hands at hosting this event – as 2019 marks the 28th time it has taken place here. It featured 12 layouts running continuously over four days, including the practice day and Eley Sponsored Day on the 13th and 14th respectively. This was followed by the Dougall Memorial on the

15th and finally the English Open on the 16th. The ground's staff and referees kept things running like a well oiled machine.

Much like the 2018 event, the weather presaged an unsettled weekend for the Dougall Memorial and English Open DTL. With varying temperatures, visibility and large quantities of the wet stuff falling from the heavens, the scores over the weekend showed a greater spread than seen previously.

CLOUD COVER

Talking to a number of competitors, all seemed to blame the heavy but intermittent cloud cover as chief culprit. Wind was relatively light and consistent, and while it did pour down in the afternoons on the weekend, this only affected a couple of shoot offs, and caused the crowd to rush for cover during the prize giving.

SPONSORED DAY RESULTS

Eley Sponsored Day, the first competitive day of the extended weekend was fine and dry with little wind to speak of. The competitors were out in force getting their first crack at competition birds after the practice day on Thursday.

High Gun went to Paul Chaplow on 100/298 with runners-up Gordon Shankland and David Caithness going to a shoot-off after they, along with Lee Kirby and Daniel Beedan, all finished the day on 100/297. Gordon won the shoot-off with a perfect 25/75 vs David's 25/74, with Lee and Daniel going to a second shoot-off for AA which Lee won with a perfect score.

John Carroll took A class with a 99/293, and Colin Rowan took B class on 97/287, after shooting off for the number one spot against Paul Creehan. The Winner of C Class was Elizabeth Williams on 93/271. The Ladies top three

ONE TO WATCH

Promising Colt, Cory Doble, a local 15-year-old lad who has been shooting for three years won his class on Saturday and Sunday. Cory switched guns from a Beretta Silver Pigeon to 692 X-Trap this year and aspires to either a DT11 or a Perazzi High Tech3. Cory is competing at the England selection shoot for ABT this year and loves the challenge and fun side of shooting. Keep an eye open for him on a podium near you.

Finally in the Disabled Standing category, Mark Delf shot off against Steve Booth after both shot a 98/290, with Mark taking the top spot on 25/72 by just one point.

ENGLISH OPEN

After two days of shooting the competitors going into the English Open once again settled into the groove of shooting in the intermittent heavy cloud cover. This meant that target visibility varied widely from layout to layout requiring great concentration.

When all the scores were in for the day a number of shoot offs were once again required to sort out the final places. With first, second, and third places all tied up on 100/298 a tense match was in the offing. Mark Shaw, Dan Price, and Paul Chaplow took to the line once more just as the heavens opened and the spectators huddled together

beneath a nearby shelter. Mark shot a 25/74 with Dan and Paul on 24/72. Mark, victorious headed for the clubhouse leaving Dan and Paul to go head to head for second place. Another tense round followed with Dan pulling out a perfect 25/75 and Paul on 24/72. The top spots decided, the rest of the shoot-offs took place to sort out first in AA with Austin Coxhead vs Mark Delf, Austin taking the number one spot on 25/73. First in A was Jeremy Frith vs T McCauley, Jeremy winning on 25/74. In the

Veterans, Allan Henry shot off against Shane Smith, with Shane taking the silverware on 24/71 vs Allan on 23/68. Lastly the Ladies third place spot was decided between Charlotte Kitchen and Leanne Powell, with Charlotte taking the win on 25/72.

The day was not over however as the High Guns from the Dougall Memorial and English Open were to shoot-off for the big prizes for the weekend – a Beretta DT11 XTrap and a Franchi Affinity. Mark Shaw and Nigel Chapman took their places for the final shoot off of the weekend and Mark's perfect 25/75 showed nerves of steel despite what he later described as his heart trying to escape from his chest to take the win.

Mark, who won the English Open in 2013, was forced to give up shooting last year after being made redundant. He started shooting again only a month before the English Open and was overjoyed to have done this well so soon after taking the sport up again. 🍌

...Mark's perfect 25/75 showed nerves of steel despite what he later described as his heart trying to escape from his chest to take the win...

in order were Eleanor Hardy, Bernadette Quinn, and Emma Holden, and the Juniors; Jack Ruane, James Tate, and Eleanor Hardy.

The Veterans trophy went to Gordon Shankland, with Dave Toomer and Tony Dore on 99/295, and 99/294 respectively.

Finally the Colts podium spots were taken by Jessica Byard, Elizabeth Williams, and Toby Hurstfield.

DOUGALL MEMORIAL

The Trophy this year went to Nigel Chapman from Yorkshire with a 100/299 after dropping a point on the third layout. Nigel was both surprised and pleased to win with a 299, fully expecting a shoot off, but none was needed, with runner-up Paul Turner shooting a 100/298.

Ians Mullarkey and Douglas shot off for third place with Mullarkey's 25/75 clinching it.

Other shoot offs took place for Ladies third place between Caroline Stanbrooke and Eleanor Hardy – who both shot 295s with Eleanor taking the win dropping only half a bird.

Eleanor also shot off for the Junior third place against Jack Ruane, but Jack managed a perfect 25/75 to make his podium place.

ENGLISH OPEN & BRITISH OPEN ALL ROUND

Lloyd Pattison reports on the 2019 English Open & British Open All Round.

Richard King lifted the English Open All Round trophy in 2018 after shooting a 96ex100. This year he shot a rather more emphatic 99 in what can be described as awful weather conditions at Doveridge Shooting Ground. The cold, wet and windy weather on day one made for a difficult day's shooting with targets getting pushed around and visibility varying greatly in the dim light and heavy rain. Richard only dropped a single target on the ABT and is to be commended for the frankly amazing feat of shooting so well in such poor conditions.

Second place went to Colin Will with a 96 and third to Anthony Dean on 91.

Shoot-offs on day one decided the Ladies with Charlotte Kitchen and Julie Burton tied up on 83, and the Vets vying for

second and third, with Andy Thompson and Peter Mylam tied on 89. Graham Stirzaker took the trophy for Veteran with a narrow margin on 90. Andy and Charlotte both prevailed in their respective shoot-offs which took place on the sporting layout with a testing tall looper pair over trees just behind the clubhouse.

Day two dawned bright and sunny for the British

...only dropped a single target and is to be commended for the amazing feat of shooting so well in poor conditions...

Open and the beautiful surroundings of Doveridge came to the fore, with swans, peacocks and other fowl making appearances all over the grounds.

The day's competition kicked off with an early 97 from Graham Stirzaker which stood at the top of the leaderboard all day until Jack Thompson returned to the clubhouse with a 98, having missed only a teal on the Sporting and a single ABT bird. Richard King rounded out the top three with a 96.

The Ladies trophy was taken by Julie Burton on 78, while the second and third spots were settled in a shoot-off, on DTL this time, between Liz Shanks and Hazel Denny. After a tense round, Hazel took second place, edging out Liz by two clays.

High guns from both days commented on the excellent targets and organization at the ground, although both thought the ABT "the hardest they had ever shot" which gave hope to us lesser mortals who missed a few. 🍷

ENGLISH OPEN ABT

Held at Brook Bank Shooting Ground on 29-30 June. **Karen Caves** reports.

Brook Bank hosted the English Open ABT on one of the hottest days of the year so far – temperatures reached 32 degrees on day one. On the shooting range scores were at their best. On the Saturday we had two 100 straights – one from Ed Ling and one from Paul Westaway. The shooting kicked off at 10am, targets were visible and 51 shooters shot 90 plus.

Following Ed and Paul was David Lloyd, just one point behind on 99. Kath Bright started with 50 straight and led the Ladies on 95, with Jackie Houghton on 88. Paul led the Vets with 100 followed by Dick Fletton 96. For the Juniors Tom Burns shot 95, and Owen Clark 93 and the Colts were William Gilbert on 95 and Corey Doble one point behind on 94.

Sunday was cooler and overcast, at 19 degrees. It was a comfortable start at 9.30am to allow for any shoot offs. Eyes were on Ed to see if he could repeat his 200 from last year, but, alas, he missed a target early in the first round. Paul managed another 25 straight but didn't hold the lead for long as the scores were really tight.

Ed shot a 199 overall and maintained being the English Open Champion again. David Lloyd was runner-up with 197, and Richard King and Paul Westaway both shot 196 and had to shoot off for third place. Paul beat Richard and took the bronze. Ladies High Gun was Kath Bright 186, Jackie Houghton gained silver on 178 and Mary Rowley and Sue Bate had to shoot off for bronze on 176. Mary beat Sue and took bronze. Tom Burns won Junior gold with 188, Owen Clark silver on 181, and Corey Vasey bronze on 180. Veteran High Gun Paul Westaway had 196, Dick Fletton silver on 194 and Ray Sutton bronze on 190. Colts was won by William Gilbert 190, silver was Corey Doble 188, and bronze was not contested. The Disabled Standing gold went to Steve Ling on 188 and silver to Rennie Taylor on 155. Regional teams were submitted and South West took Seniors, East Midlands took Ladies, South West took Juniors, and East Midlands took Veterans. Many thanks to Alison and Wesley Hann and their staff for hosting the ABT English Open. 🍀

BRITISH OPEN ENGLISH SPORTING PREVIEW

High Lodge, Suffolk, 28 August - 1 September 2019

The British Open English Sporting and Sportrap returns this year to High Lodge, having last been hosted there in 2016. For those who don't know, High Lodge is a CPSPA Premier Plus rated ground in Suffolk, headed by clay-shooting legend John Bidwell – a several times World Champion, and famous for his trick shooting demonstrations around the world.

The English Sporting course will consist of 120 targets and will be shot from Wednesday to Saturday, with the top five shooters from each class (AAA, AA, A, B, and C) and the top three from each

category (Ladies, Veterans, Juniors, and Colts) from each day being invited to compete in the Final on Sunday. The scores will be reset to zero for the Final, and a new 75-target course will be shot. The top six shooters from the Final will then be invited to a six-person Super Final to compete for overall Champion.

Last year, an exciting Super Final took place at Oakedge with then 19-year-old James Bradley-Day only just being edged out for the Championship title by his mentor Richard Faulds MBE. Faulds added yet another title to his collection, which includes an Olympic gold medal, 22 World Championship titles, five English Open titles, and three British Open Championship titles. After nearly beating a shooter of this calibre, James's performance would contribute to his being named Emerging Shooter of the Year at the 2019 CPSPA Annual Awards.

“We expect to see some great shooting and an exciting contest

Both athletes are returning to the event this year, along with Robert 'Arnie' Palmer who took third last year, and with many other top shots.

Gamebore has returned as cartridge sponsor, while Rizzini has taken the mantle of gun sponsor.

Gamebore will be contributing 10,000 cartridges to be distributed as prizes for the top category shots.

“Gamebore are delighted to be sponsoring the British Open Sporting and Sportrap at High Lodge,” stated David Scott of Gamebore, “John Bidwell and his team are sure to set an interesting course and host a fun overall event. We expect to see some great shooting and an exciting contest, and look forward to seeing everyone there.”

Following their support of the English Open English Sporting earlier this year, Rizzini are sponsoring the British Open as well this year. They will be providing a Rizzini shotgun as the prize for the overall High Gun.

A pool shoot will also be staged at the event, and like the English Open English Sporting it will feature the Rizzini Smallbore Challenge, with

entrants given the chance to compete in the pool shoot using a Rizzini 28-gauge, for a chance to win a Rizzini smallbore shotgun.

The British Open Sportrap will run alongside the Sporting from Wednesday to Saturday, with 100 targets being shot over four 25-target layouts. Paul Foster won the event last year, a crowning achievement as he also won the English Open Sportrap earlier in 2018, to become the only person to hold both titles simultaneously. Paul will be returning to shoot on the Thursday, hoping to retain his title, but the new English Open Sportrap Champion Kevin Howland will also be shooting the day prior, with a chance to repeat Paul's feat of holding both titles at once.

ENGLISH OPEN SPORTRAP

Held at Southdown Gun Club on 15-16 June.

The English Open Sportrap was held on 15-16 June at the stunning South Downs vista of Southdown Gun Club. The Championship saw AA shooter Kevin Howland emerge victorious as the new Champion, beating many AAA shooters, including crack-shots George Digweed MBE, Richard Faulds MBE, and Chris Childerhouse – though it should be noted that Kevin is rated as a AAA shooter in English Sporting. AAA Sportrap shots Guy Franklin and Mark Goddard came in second and third overall, respectively. Linda Grayson took Ladies High Gun, with Ronnie Green taking Juniors, Dan King taking Colts, and Charles Milne taking Veterans.

The Championship consisted of a 100-target course of four 25-target Sportrap layouts, with the targets set by

Southdown's Bob Clarke. Weather was a key factor in the event, with near-perfect conditions on Saturday, sunny with some clouds and a bit of wind, but rain blew in on Sunday morning and the wind picked up. However, this did not deter Kevin Howland from shooting the winning 97ex100 on that day.

The event ran smoothly and efficiently, as one would expect from a ground with Southdown's expertise and experience. Shooting on each day started promptly at 9.10am and ended by 4pm and a Registered 100-target English

Sporting also took place on the weekend, giving the shooters an opportunity to get more targets in, which they will have had plenty of time to do given the speed with which a Sportrap course can be shot in.

The Championship saw AA shooter Kevin Howland emerge victorious

COMPAK SPORTING ECH

The Compak Sporting European Championships were held on the Psachna Evia island, Greece, the consensus being, it was a well run shoot, fantastic facilities and organisation, and excellent targets; praise indeed from the Team Manager, Phil Easeman.

Up against 410 competitors, unusually, GBR did not come away with any Champions, but, with five silver and three bronze medals, it was by no means a washout, and nor was the weather, with

temperatures around 40 degrees!

Frustratingly, Alan Pearse just missed out on gold after a shoot-off against Jean-Marie Dinghin (FRA) in the Masters.

Cheryl Hall and John Bidwell were just one target off their opponents, Anthony Dean was strong contender throughout the four days to achieve his first Compak medal (according to the FITASC records).

Phil Easeman commented, "I loved this team, with everyone showing a good team spirit."

HELICE ECH

Only one gold medal, but a rake of silver and bronze medals came home from this year's European Championships, held at a new ground for Helice, very high up in the Sicilian hills with beautiful views. Unfortunately, high temperatures and humidity made for a tough event – even the Egyptians found it hot!

A particular show of strength was

shown from the Junior team, winning gold against a strong Italian team – and for the first time, two brothers were in the team! All three Junior team members were in the top four placings – new cap, Jonti Spilman lost the shoot off to Alessandro de Matia (ITA), with Fletcher King beating team-mate Jensen King into fourth after a shoot-off – a good performance by all three juniors.

EUROPEAN GAMES

Held in Minsk, Belarus, the European Games is a valuable introduction to a multi-sport event.

Aaron Heading targeted a medal for the Games, which he achieved: GBR's only medal, a bronze in the Trap Men – but it was a hard fought battle, with the added pressure of one Olympic Quota place available in the Skeet and Trap Women's and Men's events, but no quota places for GBR this time.

Aaron went into the finals after a three-way shoot-off for the last two places. Olympic Champion, Alexey Alipov (RUS) won the fifth place, with Aaron taking sixth, this meant Aaron was at a disadvantage with any tied scores. But into battle he went, reaching bronze by beating some top shooters, a resounding result.

Post event, Aaron commented, "That was a hard day in the office, but when you look at the names in the shoot-off, there were two great Olympians, so I'm delighted."

Ben Llewellyn went into the Skeet Men

finals ranked three, having equalled the top qualifying score of 122ex125. After couple of missed targets in the early stages, he then went on to look absolutely solid, straightening the next six stands, but two targets dropped on the last stand of the rule out stage cost him dear.

ISSF SHOTGUN WORLD CHAMPIONSHIPS

Lonato, Italy hosted the ISSF Shotgun World Championships where Matt Coward-Holley achieved a massive win in the Trap Men, beating Mauro de Filippis (ITA) to become World Champion – our first ISSF World Champion since Peter Boden won Double Trap in 1991.

Having the joint lowest score at the 15 target mark, missing four in the first 12 targets, Matt dug in and only dropped one more target, demonstrating such strong mental strength. Rather than give up, he went on to shoot 26 straight, finishing an impressive six targets ahead of his rival – this final really is worth watching.

Post event, Matt commented, "I wanted to make sure I'd hit all

my targets at the end, regardless of whether I'd already won it or not. The conditions in the final were not easy, but it was about digging in and making the best out of it that you could."

All the Trap Men were on form. Nathan Hales also made the finals, finishing fourth, and Aaron Heading was just one target off the finals score – but, the three had the consolation of a well-deserved bronze in the Trap Men Team event!

Jeze Bird continued the bid for medals, winning bronze in the Skeet Men, a huge achievement in this high-scoring match. Ben Llewellyn just missed out on a medal having gone into the finals ranked three after a three-way shoot off from 124. Jeze commented, "We were feeling the burn of the sun throughout the final, but I just had to keep going no matter how hot and sweaty you got, it was really hard work."

Jeze Bird and Emily Hibbs made the bronze medal match after a cracking performance, but the Chinese team just gained the edge in the last few targets.

An extraordinary World Championship for GBR – more in the next issue for the Skeet Women and Junior Men. 🍀

HOW TO
HIT

AN INTRODUCTION TO SPORTRAP PART 2

CPSA Level 3
Senior Coach
Simon Arbuckle

introduces us to the fast-growing discipline of Sportrap in the second part of this article.

In this article, we'll be following on from the previous issue where I described Sportrap's rules, its layout, and in the accompanying video I explained how to shoot the single targets. This time I'll be discussing how to shoot the on-report and simultaneous pairs.

As a reminder, with each Sportrap squad, there are five traps, five targets, and a maximum of five shooters. The menu in front of you informs you what you're going to be shooting in which order. When the squad gets in the stand, to give everybody a fair chance, the referee will show the squad one of each target, so you can see the presentation and the type of target (i.e. midi, mini, standard etc.)

What you've got to remember on the Sportrap layout is that every shooter moves after shooting their menu. The traps stay where they are, the targets stay the same, but the shooter moves. Therefore, the presentation of the target will vary. This gives it a lot more variety, and makes the targets a bit more technical, or easier, depending on where you are shooting from.

WATCH THE SINGLES

The secret of this, as I discussed in the last article, is reading the menu, and looking at other people's targets to give you an idea of what you're going to be shooting, where to hold the gun, where to shoot it, and in the simultaneous pair, which order you're going to shoot them in. As you move on, the targets will change presentations, but by watching the singles you then get the chance to see each pair at least thrown, so you get an idea of where and how you're going to shoot them.

If I start on stand one, once I've shot my single A target, I then watch B, C, D, and E get thrown, and while I'm doing so I can decide where my visual pick-up point,

gun-hold point, and break point will be, for the on-report pair of B followed by C, and the simultaneous pairs of D and E. I also decide what order I'm going to shoot the targets in for my simultaneous pair. As I said earlier, the target presentations are different on each stand. Subtle changes can have a significant effect on gun hold point, visual pickup point, and where you're going to shoot the target. For example, trap D is a right to left blaze battue, which from stand one was a quartering target. But, by the time I reach stand five, it has become more square-on. Therefore, I will adjust my shooting as necessary.

SNAP DECISIONS

Because of this effect of moving, you sometimes need to make snap decisions on how to shoot a target. From the far left of the layout, it might have appeared that the C and D simultaneous pair could best be broken C first, but once you are on stand five and watching those targets shot as singles, you might work out in your mind that shooting C first won't give you enough time to shoot D from that angle, so you

“ The secret is reading the menu, and looking at other people's targets to give you an idea of what you're going to be shooting... ”

need to shoot D first. Also with the sim pair, because the timing of moving from the first to the second target may be different from the on report pair, the method with which it is shot may also be different, or, the first target may have to be shot quicker in order to get the second target in the optimum place. This is what makes Sportrap more challenging in a way than Sporting. In Sporting, the same pair is thrown three to five times on each stand, and you can watch the other shooters before you shoot it. In Sportrap the only time you will see a pair from the angle that you are actually going to shoot it from is when you are shooting it. This will make it a real test of your knowledge of how to hit targets, as you need to

hit your current targets but also pay attention to what is next. However, some shooters find that this adds spontaneity to their shooting, helping them to not overthink it and shoot more instinctively. A CPSA Registered Sportrap competition is usually 100 targets over four different 25 target layouts. The layouts are often quite quick to shoot, typically taking under an hour and a half to complete all 100 targets, which is why more and more grounds are putting on a Registered Sportrap alongside their Registered Sporting. They are squadded so if you fancy giving it a go, make sure you book on early as spaces fill up fast.

Below: An example Sportrap layout. The traps must be clearly identified A - E sequentially from left to right.

Pro Ferrum Wet Drying Gun Oil

Pro Ferrum is the ground-breaking new gun care superfluid taking the shooting industry by storm.

Suitable for both shotguns and rifles, Pro Ferrum is the world's first gun care fluid to emulsify, encapsulate and disperse water. The result? Unrivalled cleaning properties for your guns – ensuring optimum performance for years to come.

Unlike traditional oils, Pro Ferrum is a complex fluid which can be sprayed onto wet surfaces (such as your barrel and action after a wet day). Its ultra-fine formula encapsulates all moisture; emulsifying it and removing it from the surfaces it is applied to. This creates a water-repellent, anti-corrosive protective film inside and outside the barrels and actions – making rust concerns a thing of the past.

Better still, Pro Ferrum can be used on wood and other materials without damaging or affecting their finish.

Prices range from £7.99 - £15.99. Pro Ferrum comes in three sizes: 50ml, 100ml & £200ml.

Pro Ferrum's unique cleaning attributes don't stop there. This world-first gun care fluid removes lead by penetration, not acidic erosion – meaning that fouling, grease deposits, old oil and baked-on residues are removed in seconds. It is also Dermatest certified; neutralising acids from finger prints while still being gentle to skin.

Also distinguishing Pro Ferrum apart from its predecessors is its spray-on design. This sleek, easy-to-use can guarantees a simpler, quicker and more effective gun cleaning process than you've ever experienced before – leaving more time to enjoy using, rather than cleaning, your gun.

Industry leader Guntrader describes Pro Ferrum as “more economical & effective in cleaning, lubricating & protecting” than traditional gun oils. Guntrader even reviewed the fluid's results with the impressive statement, “I don't think my guns have ever been so clean...”. It comes as no surprise that Pro Ferrum is the first product to be awarded a 5* rating by this shooting specialist.

With protection, lubrication and unsurpassed gun maintenance qualities all wrapped into one, Pro Ferrum is the new gun-kit must-have for clay shooters of all ages, all levels.

Available from selected retailers across the UK and distributed exclusively by the multi award-winning Sportarm group. Buy online or in-store now.

HOW I STARTED SHOOTING

I was first introduced to clay shooting by my father when I was 10. I started out just pressing the button for my father but we soon realised this was a sport that we could enjoy together. We regularly attended Marne Clay Shooting Club and soon shooting started to play a big role in my life. It was here that I met some fantastic shooters who have supported me to this day.

Before long my father bought me a .410 shotgun so that I could do more than just push the button and watch him. I started shooting Sporting layouts, but I also got the chance to try out lots of different disciplines, and guns, before finding that English Skeet was the one for me. I enjoyed it the most and decided it was what I wanted to focus on. I also found a gun I really enjoyed shooting, a Beretta 690 Black Edition, which I still use today.

I started competing in English Skeet competitions in 2016 and realised that if I wanted to shoot at a high level I needed to find a professional shooting coach. David Beardsmore was recommended to me by some fellow Skeet shooters and we started training together. This has been one of the best decisions of my shooting career and I am now competing in all of the major English Skeet competitions and am hoping to make the England team for English Skeet in the future.

Right: Becky Clarey with her coach, David Beardsmore.

MY TOP TIPS

- TIP 1** Never underestimate yourself and treat each shoot as practise for your next. If a shoot doesn't go as well as you would like it too, don't worry, use it as a learning exercise to better yourself for next time.
- TIP 2** Find the gun that is right for you and have it professionally fitted.
- TIP 3** Get a professional coach. This will help with your confidence and they will be able to support you throughout your career. I could not have achieved what I have without my coach, David Beardsmore.
- TIP 4** Dedicate yourself to the sport. You must be willing to spend a lot of time shooting and travelling to shoots across the country.
- TIP 5** Most importantly, never give up. There will be good days and bad days, take everyday as it comes, just keep striving to improve!

MY 2019 HIGHLIGHTS SO FAR...

The English Open English Skeet at Doveridge was amazing. I shot a 98x100 which I was very pleased with.

Four other Ladies matched my score, as did two other Juniors. As I am in both the Junior and Ladies category I had to have two shoot-offs. I managed to win both of them meaning that I came first in both the Ladies and the Junior category. To top it off I was also awarded with The Shooters Trophy! This was a fantastic experience and one that I will never forget. It also taught me that if I miss a clay, to just move on from it and focus on the next one. This is the only way to achieve the maximum score that you deserve. One of the main elements to my success at Doveridge was my coach David Beardsmore and his help and support in the run up to the event. I was also lucky enough to get a massive amount of support from my sponsors, Johnson Field Sports and Marne Clay Shoot who have really helped me throughout the year.

GLORIOUS GRIMSTHORPE

Jasper Fellows and Sophie Coups discuss what it is that makes Grimsthorpe Estate Shooting Ground the CPSA Shooting Ground of the Year. 2019.

Since its inception 30 years ago Grimsthorpe Estate Shooting Ground has been proudly owned and managed by the Russell Family. A family who have become known for the dedication to making their spot of stunning Lincolnshire countryside into one of the greatest shooting grounds in the country.

Sophie is the first member of the family you might cross paths with, who, alongside colleague Beth Foreman, handles the bookings, manages events, looks after corporate guests and makes sure your visit runs as smoothly as possible from the front desk.

Step outside and you might bump into Mark Russell, who is responsible for setting the targets, alongside Martin Novinscak who maintains the traps and grounds. There's a lot of ground to maintain, "We are set across 40 acres of stunning woodland," explains Sophie. "We like to keep our stands very natural and spaced out, so you never have to queue." Walking around the grounds could be a beautiful day out in itself, and each stand is set up in a way that ensures that one can experience a wide range of backgrounds and shooting arrangements.

For those looking to improve their scores at Grimsthorpe, Steve Woods is on hand Wednesdays to Sundays. "Steve teaches all levels of shooters, from beginners just starting out, to competition shooters and even game shooters using our high tower. My father, Mark, has also recently made a return to instructing competition shooters on our permanent FITASC layout too," Sophie tells us.

Grimsthorpe has become known for their inclusiveness, particularly through 'Grimsthorpe

Girls' – their very own ladies shooting club. "We hold our Grimsthorpe Girls events on the last Sunday of every month. We split the girls into groups based on ability, and then they go out to shoot with an instructor for a couple of hours. They get to work on whatever they like, whether they are total newcomers or looking to enter some serious competitions," says Sophie. "For those girls who do want to take their shooting to the next level, we are able to give them the opportunity to experience a competition atmosphere within their sessions. We are very proud of our girls. We were able to take some of them on the road to the Lincolnshire Championships where they shot really well."

The ladies also get the chance to enjoy a delicious breakfast from The Rookery, the wonderful onsite kitchen café, before they start their day on the stands. Staffed and managed by Sophie's mother, Elaine Russell, and her business partner Angie Schwarz, The Rookery produces a fantastic cooked breakfast alongside a selection of hot and cold drinks, sandwiches, baguettes and jacket potatoes – not to mention the homemade cakes. "The cakes are second to none," adds Sophie, "and you can't leave without trying a slice of Guinness cake."

With such beautiful grounds, fantastic tuition, friendly staff and wonderful food it is easy to see why Grimsthorpe won the CPSA's Ground of the Year 2019. "We were blown away," says Sophie of the win. "We are still speechless to this day. We had never taken our team anywhere together before, so this was the perfect excuse for our first ever staff Christmas party. We had no idea that we would actually win!"

If you only visit one ground away from home this year, you simply must visit this Lincolnshire paradise. In Sophie's words, "Make sure you have plenty of time. You will spend longer than you expect, bring your friends and come hungry!"

KING OF THE ROAD

Jasper Fellows looks at the latest vehicles perfect for the travelling shooter.

There can be a lot of travelling involved in clay pigeon shooting, and usually to places where the train stations are few and far between. This leaves driving as the only option, but what makes the perfect clay shooting vehicle? One must consider storage space and security of course, but also comfort, practicality, efficiency, and price. We have gathered some of the latest, greatest vehicles on the market that tick those boxes, and perhaps one that isn't quite as practical, efficient or cheap as one might hope, but I think you will agree it is certainly worth a look!

ISUZU D-MAX UTAH HUNTSMAN – THE WORKHORSE

Back in July we had the chance to review the D-Max Utah Huntsman and were pleasantly surprised. It features a fuel-efficient 1.9 turbo diesel tuned to put out 164 PS and 360Nm of torque and can carry 1,100kg in the back and tow an impressive 3,500kg making it a very effective work horse. It certainly couldn't match some of the other vehicles on this list as far as acceleration is concerned but it defiantly makes for a comfortable, long distance vehicle.

The Isuzu D-Max Utah Huntsman was specifically designed with shooters in mind and it scored

some serious bonus points with us for some of its smart shooting centric design choices. In

the back you will find a set of tough, lockable aluminium drawers specifically designed to safely carry your guns and ammo, once the boot is closed anyone looking at it wouldn't realise that your shotgun is tucked away in there and the drawers slide all the way out for easy access and loading.

ASTON MARTIN VANQUISH ZAGATO SHOOTING BRAKE – THE SECRET AGENT

Aston Martin teamed up with renowned Italian coachbuilders Zagato to produce this stunning 5.9 litre V12 monster. By combining the front end of a Vanquish with the rear of a Rapide Super Saloon, Aston Martin have managed to produce a super car with just enough room in the back for a couple of shotguns and a few cartridges. With only 99 built and with a starting price of £625,000 this vehicle will remain a dream for most of us, but it's fun to dream!

TESLA MODEL X – THE FUTURE

No matter your opinion on founder Elon Musk there is no doubt that Tesla is at the forefront of consumer automotive technology. The company's SUV offering, the Model X, features all the mod cons you would expect from a company who like to send their cars into space – two electric motors providing all wheel drive, eight cameras providing 360-degree vision, a 17in touchscreen display control system and even a 'bioweapon defence mode'.

Many have been dubious about the range of electric cars. Luckily these worries are starting to fade. The Model X Long Range boasts a 315-mile range and with superchargers springing up all over the place we are sure that it won't be long until we start seeing them at the country's top shooting grounds. The vehicle is surprisingly spacious too. The two electric engines are much smaller than your average petrol/diesel engine meaning that you have a classic rear trunk, similar in size to what you would find in a Landrover Discovery, as well as a 187 litre front trunk, plenty big enough for shotgun, ammunition, and small kit bag.

TOYOTA HILUX – THE TERMINATOR

Legendary for its near indestructibility, Toyota's Hilux is known for being tough on the outside and comfortable on the inside. Hilux's strength lies in a rock-solid ladder chassis and its TOP platform. Rigid and strong, this provides the foundation for the Hilux's reliability and durability, enhanced by anti-corrosion panels and a rust-resistant body.

With one tonne payload and the capability to tow 3.5 tonnes the Hilux has the power to take on most tasks with ease. When it comes to those long distance drives, there's a front cooler box, air conditioning and an optional touchscreen media system to keep you refreshed and entertained.

KIA SPORTAGE – THE FAMILY FAVOURITE

The New Sportage from Kia is the one of the cheapest on our list, starting at £20,670 for the most basic model, the New Sportage 1, 1.6 GDi. With enough room to hold three child seats comfortably in the back, the New Sportage is perfect as a family run around during the week. Thanks to fully independent front and rear suspension, it will be just as comfortable heading down the pothole ridden

roads of the British countryside.

You'll find a decent amount of storage space in the Kia too, with 491 litres of boot space there should be more than enough room for any gear you might be bringing out with you. The Sportage also features a nifty hidden compartmentalised storage space under the floor of the boot, perfect for storing your protective gear and ammunition away from prying eyes.

ANOTHER OPTION...

You don't have to spend tens of thousands on a new car in order to carry your guns and ammo more securely. There is a huge selection of companies out there who build and supply a variety of lockable storage options that can be easily fitted into the back of your current vehicle.

Take Blackwood and Locke for example (below), they produce beautiful gun chests to your specifications. Pick from

a range of solid woods to match your gun then decide if you would like a simple drawer to store the gun case/slip you already own or have foam inserts included to perfectly fit your equipment. Of course the chests are fully lockable, with separate locks for the gun drawer and the bibation drawer, so you can be sure no one can get at your champagne or your guns without you there.

Lintran (right), on the other hand, offer more utilitarian solutions. Originally

known for its dog transport solutions the company also offers a range of extending, lockable drawers that slot neatly

into the back of your vehicle allowing for a quick, easy and hard wearing option to safely store your guns along with your best friends.

No matter what solution you choose for your transportation needs, common sense goes a long way when keeping your guns, and your vehicle, secure. Always remember to keep your guns out of sight, if possible store ammunition separately. Avoid leaving your gear in your vehicle for any length of time, but if you must, make it difficult for any potential thieves to gain entry, park with your boot close to a wall, lock everything and keep an eye on your car. No one wants to have their car broken into, but the implications are far worse if you have your shotgun stolen as well.

DRIVE SAFE

Honorary solicitor **Laura Saunbury** gives us her top tips on what to look out for when choosing a new vehicle with shooting in mind.

As a shotgun certificate holder, one of your obligations is to ensure that you take 'reasonable precautions' for the safe custody of your shotguns whenever they are in use or in transit in connection with their use, sale or repair (see condition 4(b) on your certificate). If your guns or cartridges are stolen from your vehicle it's likely that the police will start from an assumption that you failed to take reasonable precautions, and so, unless you can persuade them otherwise, the probable consequence is that you will be facing revocation of your certificate. In addition, although the police might not bother if they have revoked your certificate, they could also bring a criminal prosecution against you, since breach of your certificate conditions is a criminal offence.

For these reasons, the importance of good security when travelling with your guns should not be underestimated. It's therefore sensible to have this well in mind when choosing what vehicle to purchase, especially if shooting is a big part of your life and you will be travelling with guns in your car on a regular basis.

In terms of general guidance, the Home Office Guide to the Police on Firearms Licensing Law recommends that when transporting guns in your vehicle they should be hidden out of sight and also concealed in a slip or

other cover so that they cannot be immediately identified if someone is able to see into the boot area. Specially designed in-car gun safes are available and these may be worth considering for serious competitive shooters who travel a lot with high value guns.

These safes can be quite expensive, so for those with less of a budget consider as an alternative a cage similar to those used for transporting dogs in the rear of vehicles or otherwise security cables such as a sturdy bike lock which you can use to chain down the guns. Whichever type of security measure you opt for, there should be a means of firmly securing the safe or cable to the chassis of the vehicle. Ideally, the vehicle should have an alarm and/or immobiliser although no matter how sophisticated the vehicle's in-built security systems and any additional security you may have installed, your guns and ammunition should not be left in the vehicle overnight, unless its unavoidable.

WHAT FEATURES SHOULD YOU BE LOOKING OUT FOR WHEN SELECTING YOUR VEHICLE?

- Is there an alarm/immobiliser and does it have an inbuilt reminder or auto lock feature when you start to walk away from the vehicle without locking it and setting the alarm?

Above: Isuzu D-Max Utah Huntsman. **Left:** Kia Sportage.

the importance of good security when travelling with your guns should not be underestimated

- Just how secure are the car's security devices? Do some research and read the reviews.
- A separate boot which cannot be accessed via the main interior of the vehicle is preferable, especially if it has, or there is scope for adding, extra security to the boot area.
 - For estates, hatchbacks and similar vehicles, is there a cover for the load carrying area which completely conceals the contents?
 - Are there sturdy metal loops in the boot/load area or other means of securing a safe or cables directly to the chassis?
 - Is the shape of the boot lid or hatchback such that parking it with the tail end up close to a wall would frustrate any attempt to open the rear of the vehicle?
- If you plan to use a car safe or cage, check its dimensions are compatible with the boot or load area.
- Tinted glass in the rear windows is a plus, making any shooting bags, magazines and other paraphernalia less obvious to anyone walking by and minimise the risk of your vehicle being targeted.
- Are there other compartments, ideally lockable, elsewhere in the vehicle which would be suitable for storing cartridges? Unlike with section 1 firearm ammunition, there is no legal requirement to store shotgun ammunition securely. Nevertheless, the police will probably take a dim view if you leave your cartridges in full view or right next to the guns, enabling the successful car thief to steal both together. The police are more likely to accept you have been responsible if you travel with your cartridges out of view and in a different part of the vehicle to the guns. Always try to be discreet and avoid doing anything which would draw attention to the fact there are often guns in the vehicle. 🍌

Remington invested heavily in R&D for its new V3 Field Sport.

It doesn't seem that long ago that the Remmy 1100 or 1187 was seen on shooting grounds up and down the country. In recent years, the brand has not been so visible, but all that has changed with a new UK distributor. As a big fan of the 1187 I was really keen to get my hands on the V3 and test it for this month's *Pull!*

Straight out of the box, initial impressions are very good – the V3 is a rugged semi-auto, the large fore-end has an oval chequering pattern with lovely clean, well-cut chequering with the V3 logo in the middle. It's not a sleek or terribly modern

design – more functional and robust – but when shooting the whole gun just feels right. Nicely balanced and very comfortable.

Remington has spent sizeable sums on R&D and claims that it now has the softest recoiling semi-auto in the field. This is down to a combination of the Versa Port gas system (which powers the re-loading and uses a unique system of self regulated gas pressure to open between four and eight ports) and also the specially designed recoil pad. I'd certainly concur that the cycling of shells was effortless and perceived recoil absolutely minimal – the V3 is a lovely gun to shoot.

The Versa Port system also works to ensure that a wide variety of shells can be fired

through it and on test we used 21g shells with no issues whatsoever.

The balance of the V3 is very good and the test gun with 28in barrels handled long crossers admirably which was surprising as sometimes shorter barrelled semi-autos can feel a little too fast. The V3 ships with three chokes but no plastic case which is a little surprising at this price point as others in the market do offer this as standard.

The V3 has re-ignited my passion for the Remington brand, it's a great gun with some fantastic technology behind it and really is built to last – not surprising from an American manufacturer. With the V3, Remington now offers serious competition into the UK semi-auto market.

The V3 has re-ignited my passion for the Remington brand

English & British All Round At Doveridge

• Saturday 8 June English All Round

We experienced some of the worst weather seen in June for many years. The team at Doveridge looked after everyone exceptionally well, thank you. The Northern region had great success with G Stirzaker taking AA class first place and Veteran HG, A Thompson taking A class first place and second in Veterans HG. A Pope taking B Class first place and Junior HG, A Bartle taking C Class first place and Colt HG and C Kitchen taking Ladies HG.

• Sunday 9 June British Open All Round

the weather vastly improved and again we produced an impressive set of results: J Thompson won Senior HG with 98ex100, A Thompson won A Class and third place in Veterans. Liz Shanks came third Ladies HG. Repeating their performances of the day before A Bartle took Colts HG as well as C Class and G Stirzaker again won Veteran's HG and was Runner up overall.

English Open Championships 2019

The 21-25 May saw the English Open Sporting held at West Midlands Shooting Ground which has been highly anticipated since it was announced. The standard and quality of the targets, facilities and the staff did not

disappoint. The course that ran from Tuesday featured an array of different targets across the stunning terrain that the ground has to offer. More importantly there was something for all abilities and was very well received.

One stand in particular was the main talking point of the whole shoot, Stand 15. This featured a 140ft tower and a never before seen trap that threw a face on clay straight to the ground. This was followed up by a fast flat Teal which was at a decent distance when you had chance to fire. It's safe to say this stand was like marmite, you either loved or hated it with only two competitors achieving a straight across the week.

A few honourable mentions from Northern shooters were as follows: Mark Winser shot 113 which tied him for first and secured his place in a shoot off in the super final. Mark went on to continue his current brilliant form and shot a 25 straight which for those that were there was unbelievable earning him the English Open Trophy. Tom Oldham managed a score of 109 to secure second in AA after a shoot off. Ross Holmes also managed some success in A class coming third with a score of 106. And finally

John Harrison with third place in the Disabled Sitting category. Thank you to everyone that made the trip down.

Durham Country Sporting Championships 2019

This year's Durham County Championships was held at Oak Lodge in Hartlepool on 2 June. The shoot was up to its usual high standards and showcased a fair set of targets that all levels and classes could enjoy. There was a great turnout to the shoot and was well received by all and as a bonus the weather was kind compared to the forecast although a bit blustery. Ian Mullarky was HG on an impressive 97. The champions of each category are as follows: the overall Durham County Champ was won by Lee Jackson on 95. The Veterans prize was won by Barry Radford on 86. Unfortunately the other categories were uncontested. Thank you to all that came and supported the shoot.

Blackpool Sporting Clays was the venue of the third North Region Sporting Team selection shoot, Bank Holiday Monday 27 May. North HG was Graham Stirzaker (AA) with 93 – very reasonable given the extremely

blustery conditions – and it is from this that points will be calculated for those vying for a team place. Class A was won by another Lancashire local – Jake Bowling (90), Becky Brown took B money (86) and two more Ladies tied in C class – Liz McLaughlin and Charlotte Copland (76). A turnout of 75 was disappointing – Andy Richardson’s targets are not ‘gimmies’ and are noted for their ‘technical’ difficulty, which possibly put a few people off, even though fully qualified referees were on the stands, and everything ran smoothly. **Terry Deakin**

European FITASC

This year the European FITASC were held in Gánt Hungary from the 9-12 May. The targets, terrain and hospitality were fantastic throughout the week. Adrian Coates had made the Mens GB team and shot well all week to win the team silver medal, and at the end of the week it was Mark Winsor who was crowned European Champion 2019 and he did so in style, shooting a 50 straight on the final day, awesome shooting! Mark has already won the Essex Masters, UK FITASC championship and more recently the English Open so far this season. **Tom Long**

North of England Selection at NOECTC

On Sunday 9 June the last of the North Region Selection took place with a turn out of 54 shooters. Thank you to Phil and his team at NOEAC for letting us hold the shoot there and we look forward to coming back for another selection next year. There was a joint HG at this shoot, which was Nigel Chapman and Emma Holden with a score of 100/299. Excellent shooting by these two. They were closely followed by six shooters who all came second with a score of 100/298; these were Ian Biggins, Jan Powel, John Adams, Paul Chaplow, Cory Doble and Michael Searby. Cory only being a Colt, I would like to point out. Well done to all these shooters for shooting these fantastic scores. **Emma Holden**

North Region DTL team announced

Myself and Charlotte would like to thank everyone who turned up to the selection shoots. After five shoots the team has been decided. Congratulations to Michel Tuner who was the overall HG of the five shoots, only dropping three points over his best three shoots. Everyone who has made the team will get a badge and the entry for the English Open (Birds Only) paid for. Badges will be given to you at Bywell. We look forward to see you up at Bywell on Sunday 16 June. The Senior team is: Michael Tuner, Paul Tuner, Paul Chaplow, Dave Garrett, Tom Robinson, Nigel Chapman, Ian Patterson, John Laverick, P Osborne and J Wilkinson. The Veteran team is: I. Biggins, A. Henry and John Adams. The Ladies Team is: Charlotte Kitchen, Emma Holden and Leanne Powell. The Junior team is: Cory Doble, James Tate and Beth Peacock.

Lancashire DTL news

The Lancashire team for the Inter-County Championship has now been decided, which will be held at Northampton Shooting Ground on Sunday 29 September 2019. Congratulations to the following shooters on making the team, if you have any problems then please get in contact with Emma Holden. Senior team: Michael Turner, Paul Turner, Emma Holden, John Titterington and Russell Holden. Veteran team: Graham Taylor, Jeff Cole and Stephen Clark.

I would also like to let all the Lancashire shooters know that the War of the Roses shoot will be held on Sunday 8 September at North of England Activity Centre. The team will be the top ten scores on the day. To qualify you must either live or be born in Lancashire or Yorkshire. HG will get £100. To enter call NOEAC. Look forward to seeing you there.

Firstly big congratulations to Carole Ann McGovern who gained an England DTL team place. Ian Edwards picked up the honours at Fauxdegla on 2 June for the All Round.

John Lucy continued his fast Trap success with his recent Double Rise win at Ranton on 2 June, while Roy Mc Govern picked up the Vets badge. John then went on to win the OT at Fauxdegla on 15 June.

So a fast trap grand slam this year for John with just the Single Barrel at Holmes Chapel 13 Oct, can he also pick that up ?

Reminder for 22 September at Catton Hall the Merseyside County English Sporting Championships.

Till next month, shoot straight!

John Lucy and Roy McGovern.

The third ESP selection shoot of 2019

was held at Garlands SG on 19 May. Thirty one, (levy paid) Cheshire entries (no Lady entrants this day) took to the field on a 12 stand course,

set by Steve Lovatt. The weather was clear and bright with an occasional breeze. There was a fantastic variety of clays, mini, midi, rabbit, High Towers and orange blaze with tests of ability on each stand. Angles, varying speeds and range targets were the menu of the day. It's fair to say that some found this more difficult than others, as the scores reflected, but there were some tremendous scores from Steve Randles on 96, Guy Robinson on 89, Fred Whitehurst (Junior) on 89, Mike Holland (Vet) on 88 and Scott Barnett on 88. Very well shot to you all.

Thank you to each and everyone of you for your attendance and we now look forwards to our fourth Selection shoot at Orston SG on the 16 June, where I hope that there will be as many, if not more of you there.

West Midlands Area All Round Event

The West Midlands Area All Round Event was

hosted by Fauxdegla SG on 2 June. From the offset, the weather was not going to do anyone any favours, in fact it was the opposite. The early entrants suffered the most with strong wind rain and drizzle throughout causing havoc with the flight of some clays. Cheshire fielded three teams, Seniors, Vets, and Ladies. It was the Seniors who set off as one of the early squads. Single-barrel DTL, ABT, ESK, and finally a three stand ESP totalled the 100 target event. Watching the clays divert suddenly from their initial trajectory caused a few losses on the DTL and it didn't fare much better on the ABT, although Tony Dean put on an excellent display managing to straight it with just two second barrels. The weather continued to do its worst on the Skeet range with the targets from the high tower plummeting into the ground well before the marker, and the low house target rising above its normal line. The same for

for a fantastic reception and looking after us through the day. It was very competitive indeed with nine ladies shooting in the 60s, but there has to be a top shot, and with a great 67/75 it was Sarah Oldham who took the honours, well shot. Looking forward to the next event at NWSS, be part of it.

everyone you say, read on. The ESP course of three stands saw a mixture of battue right to left quartering, driven, going away and a distant roller. Now, as I earlier said, 'read on' this is where the test came in and it was not a test of ability, it was more a test of practicality as the wind kept the driven target coming from off a distant bank some 100+ metres away and barely coming any closer to the stand. From the cheshire Senior squad, only two of this target was hit and had the weather remained constant for the rest of the day it would have been interesting to see the final scores, but it didn't, and it eased off with little or no wind, rain or drizzle. The later scores reflected this.

Both the Seniors and Vets collected a bronze medal, and the Ladies a silver medal, which was no mean feat all considered. Well done to you all.

Paul Ellis ESP Manager

Congratulations go to John Shreeve and Jacqui Slater who are both bidding to earn a place in this years ESK team. John was HG with 96, and Jacqui won Ladies category with 88, at the third team selection shoot, this time at North Wales Shooting School on Saturday 8 June. A great achievement considering the terrible weather.

1 June: Doveridge

With another fantastic turnout of 40 lady competitors The Ladies Clay Shooting League goes from strength to strength, and with the weather being kind to us at the great ground of Doveridge Clay Shooting Ground. With ten stands set out for the 75 target competition and Becky McKenzie, Miles Machin and Paul Ellis coaching it turned out to be a great course and tricky in places with everyone enjoying the day. We would like to thank Steve Bramley and the team at Doveridge

The main event of the month was the English Open Sporting at Hodnet – an event that was well attended by the great and the good of the county. It was my first visit, and what a splendid ground it is. My day was blessed with sunshine which I gather stayed all week but alas we had no medals. Our leading shooters by class being AAA – Robert Wise 109 who also came in the top ten overall, very well done Rob. AA – Matthew Turk 95, A – Ivan Reid 98, B – Jennifer Young 92, who with our Chair Joanna Thomas shared tenth in Ladies and in C – Jack Smith a most frequent winner of this class shot an 89 for joint fifth.

Westfield 26 May 100 ESP, in A – Owen Moodle 91 a share of first, in B – Simon Billingham 81 for third and in C – and first place Ben Wilsden 81 and in third Chris Lewington 69.

Longridge 27 May, 100 ESP, in C first Steve Lawrence 82 and third Richard Alley 76.

Gloucester 2 June, 100 ESK, was won by Paul Tudge on a 98 he was though chased hard by two very talented Colts in Brett Powell and Liam Richings who both shot 95.

Ian Coley SS 5 June, 100 ESP, it was a very happy Matthew Turk who shot a 93 and took HG, in A class the rapidly rising star Steve Davis 84 was third and in C a three way tie for second with Keith Broadstock, Martin Young and Zea Purnell all having shot 72.

Out and about elsewhere, Oxfordshire 29 May 50 ESP Nick 'Builder' Burns 44 to win C, at a wet and windy Barbury. 2 June 100 ESP Scott Bailes shot a 86 in winning B and at Brook Bank on 6 June 100 DTL, Ian Coley 93 third overall. We all wish Nicholas Portlock all the very best in representing the county at The 2019 Game Fair in shooting the Champion of Champions shooting event.

Please do keep an eye on the county's Facebook page for updates regarding the county's events, and to confirm there are no English Sporting team selection shoots this year, as agreed by all at the AGM. The teams for 2019 will be picked by Sporting Manager Matthew Turk, please do make him aware of your interest, for the Senior (six places), Ladies (three), Juniors (three) or Veterans (three) in shooting for Gloucestershire at both the Inter and National Inter-Countries this autumn.

Finally please do forward any notable efforts by our counties shooters so one can share with all.

6 May: West Midlands (WM) Area Compak Sporting (CSP) Championship, Garlands

Julie Burton was Ladies Runner-Up and is Shropshire Ladies Champion. Stu Aston shot well to become Shropshire County Champion with Dave Harley and Stu Burgess just one shot behind him. In Shropshire Seniors it was Stu Aston, Dave Harley and Dan Whittall taking the honours. Shropshire Veteran's was led Stu Burgess, Dave Wincott and Peter Bridger. Colt Josh Sarjant scored an excellent 88 for fifth in Shropshire and more importantly WM Junior Compak Sporting Champion!

23-26 May: English Open Sporting, WMSG, Hodnet

Hodnet put on a magnificent event that gathered nothing but praise from the 1,212 entrants. Shropshire competitors included Colt Josh Sarjant; Juniors Archie Hughes and Matthew Bower; Julie Burton; 22 Seniors; and 12 Veterans. Shropshire's top scorer was Mike Jones with 103ex120. Well done Shropshire for putting on a good show and Tom Jones for a brilliant course. Congratulations to Josh Sarjant who was picked by top shot Sam Green for a half-day of coaching, plus given 250 cartridges, £100 and a signed book by George Digweed!

All Round (AR) News

Stu Burgess was HG at Orston on the 26 May; Julie Burton was Ladies HG; and Trevor Lewis Joint Veteran HG. 20 Shropshire entrants in a field of 87 competed at Fauxdegla for the WM Area and Inter-County Championships, 2 June. Julie Burton won Ladies bronze and Graham Evans a Veterans silver. Graham, along with Nick Williamson and Trevor Lewis won Veteran team silver. It was good to see Josh Sarjant and Matthew Bower win a team silver – well done to all Shropshire competitors!

English Open, Doveridge, 8 June Julie Burton, after a short shoot-off, was Ladies Runner up and shot well in the tough conditions as did Alan Rowley and Stu Burgess. Trevor Lewis managed a creditable joint fourth in Veterans.

British Open, Doveridge, 9 June Julie Burton became Ladies Champion for the third time (previously 2012 and 2015). Senior Mike Jones shot an excellent 91, with Stu Burgess and Alan Rowley competing well. NB. The weather for all these events was wet and the wind very gusty that made it difficult to score well.

Helice Marksman in the news!

Gareth Stanford-Iddon became English Open Helice Champion for the second time at Rugby on the 26 May after a shoot-off with Shropshire's Andy Lloyd. Vice-Chairman Marcus Iddon was joint fifth. Marcus is No1 in the CPSA National Rankings for Helice! Alan Rowley is ranked sixth and Andy Lloyd 16. The wind was also a feature of this championship.

Congratulations to GB Team Captain Andy Lloyd who was eighth in the European Helice Championships Sicily, 8 June.

9 June: Shropshire Inter Services Cadet Clay Competition, Donnington

With teams from the Army Cadet Force (ACF), Air, Sea and Police Cadets it was a competitive occasion but with the emphasis very much on fun first! There was lots of excellent shooting with several Cadets showing real potential and wanting to take their shooting further.

The Best Sporting Shot, ACF HG and overall HG was LCpl Charlie Watts who won 'The Max' presented by Lin McNamara, widow of Lt Col Max McNamara who devoted much of his enormous energy to the success of Buller Range. Police Cadet HG was Cadet Harry Downing. Sea Cadet HG was Cadet Sam Meeson-White.

Air Cadet HG was Sgt Nathan Rouse. The teams compete next in the National Cadet Clay Shooting Championship, Cambridge, 21/23 June.

The third shoot of the year was held at Cosford Shooting Ground. It was the English Skeet County Championship. The County Champion is Callum Jones who also took the Junior title,

Veteran Champion is Stu Thomas, Senior Champion is Dave Roling and Ladies Champion is Megan Jones – well done to all shooters.

At West Midlands area and Inter-Counties All-Round Championship held at Fauxdeglia Shooting Ground the Ladies team, made up of Megan Jones and Linda Grayson, took the gold medal. The Junior team of Ben Killian, Michael Wolverson and Josh Pearson took the bronze medal. The Senior team of Dave Jones, Callum Jones, Kevin Gill, Steve Pearson, Dave Wolverson and Wayne Killian were just outside the medals and took fourth place.

On an individual basis at the Area competition Callum Jones won the Junior title, Megan Jones the Ladies title and Dave Jones (not wanting to be beaten by his children) the overall silver medal. Just so the limelight is not always on his talented off-spring, Dave was the only shooter in the whole competition to shoot a 25 straight on a testing sporting layout. Very well done to all Warwickshire shooters, you have done the County proud.

On Sunday 26 May Bedfordshire held their Skeet County Championship at Northampton Shooting Ground.

Hi folks, well today, 2 June, is the long-awaited Cambridgeshire Sporting Championship, held again this year at the Cambridge Gun Club.

Well this was a cracker, with a good turn out from the Cambridgeshire elite having a go at the County title. Bearing in mind the top shot will also represent us at Hatfield House at the Game Fair in the Champion of Champions.

This year It will be Mark Bowes with a super 91, not so very far ahead of the following pack but enough to become Cambridgeshire Champion. The Senior Champ with 89 is Matt Bedford. This was a shared score with J Bailey and Glen Spalding. But as the rules dictate, if you are not there at the end, you can't take

part in the shoot off. Never the less, very well done to all. The Vets went to Peter Garrod with a super 88, again not far behind. The Ladies to the ever improving Amelia Smith on 63 and the Colts to Ethan Lord, also on the up every time he shoots with a 70. So AA went to Glen Spalding. A class to Matt Bedford. B Class to Steve Coningsby with 76 and C class to Marcus Lord with 79. Well done folks and many thanks to the Cambridge Gun Club for their Hospitality.

On the 20 May some of the Cambridgeshire hardly travelled to the Priory shooting ground in Lincolnshire for the Cambridgeshire Olympic skeet Championship that the Priory very kindly

Mark Bowes, Champion.

Matt Bedford and Ethan Lord, Senior and Colt winners.

Our Freddy Killander made it look easy on the first squad putting in a 96. What fantastic shooting by a top gent. Second high score was our Junior Henry Sperring with a superb 81. As I said, it must be easy (?!).

So Henry took the Junior title in style, super job. The Vets went to Philip Smith with a 75 and Hanna Willmott took the Ladies title with a 42. Eleven entries took part on the day from Cambridgeshire, and many thanks to The Priory for their hospitality.

ALAN BOTT

alanbott100@hotmail.co.uk
sites.cpsa.co.uk/leicestershire

Hello to you all again, here's hoping that you are all well. This time I have news and scores from the following County Championship events, the Olympic Trap at Garlands, the second Sporting selection shoot at Kegworth, the English Skeet held at Northampton and the All-Round at Nottingham.

Olympic Trap: This event, big boys trap, was held at the Garlands shooting ground on 18 May once again. John Grice showed everyone a clean pair of heels with an impressive 86ex100, close in attendance was Jason Linnell on 81, the Junior trophy went to Connor Harris, in his first time at OT scoring 31ex50, there was the option to shoot 50 targets or to go on to the full 100, N Thorpe shot well to hit 79 and C Tolley scored 54. A tough old game this OT is. We send our thanks to Garlands for hosting this event.

The following day saw the second Sporting Selection at Kegworth SG. Top of the County shooters was Toby Reed who scored 90ex100 very closely followed by Michael Parsons with 89, just that elusive one point behind again, the Veterans were headed by David Heath and Paul Reeve both on 86, Alan Robinson, Anthony Pedley and Melvyn Hallam were close behind shooting 82, 76 and 74 respectively. There seemed to be a shortage of Ladies and Juniors at this event. There were 111 entries, well done to you all and thanks to 'team John'.

At the English Skeet at Northampton, John Shipman took the honours again with a creditable 90ex100 and Roger Billett, Veteran winner, and Jason Marlow both shot 86, the rest of us followed close behind. Sorry to say, but the entries were a tad lower than we hoped for this time. Well done again to our shooters and thank you Bywell SG.

The final report comes from the All-Round. The evergreen Alan Palmer fair whizzed through the different disciplines and came out on top with 83ex100, well done Al, John

Grice, I've heard that name before scored 81. M Spiers, P Murgratroyd, Davy Piggin, Bob Tucker and Alan Bavington all fell foul of the ABT but still put in good scores. Thank you Nottingham for your hosting of this event.

Cheerio for now, good shooting and keep your powder dry. **Alan B.**

19 May: Orston SG Sporting Championship

Feedback was it's very technical, and caught a few out. John Lee 88, was there were a surprise or two out there? John had to settle for AA. Paul Dobson claimed the Championship with 92 defeating Mark Hebden 91 A Class. Paul Briggs B Class with 83. C Class Tom Cheer 79.

Veterans is always hotly contested. Richard Gray 80, not for the first time in a very long and distinguished career, Dave, 'I was a corpse', Whyte took the top slot on 84.

The Ladies saw a welcome increase in entries, all shooting well, but no one could catch Ladies Champion Georgina Barratt 68. It was great to see new Juniors taking part, Alex Horton claiming the Junior title with 85. One consolation for the Colts, a trophy donated by Paul Wilkinson. This year, Champion of Champions Colts trophy is Kallum Burrell 64.

On 26 May Lincolnshire's Richard Gray wins the English Open Helice super Veterans title at Rugby Today along with John Winn who took the Masters title. The Lincolnshire duo have put themselves at the top of GB team selection procedure towards the Helice World Championship which will staged in Rome this October.

28 May: Notts v. Lincs AR Challenge

What a result! £165 raised for Air Ambulance and Lincolnshire take the honours in the Notts v Lincs AR Challenge.

This competition has been in existence since 2013 and Notts have had their fair share of bragging rights, retaining the trophy four times. Today changed that as Lincolnshire's finest AR shots turned up the heat to beat Notts by 18 points. Congratulations and thanks to

2 June Priory: Skeet Championship

Strong cross winds made targets unpredictable, Chris Bone and Andy Harvey shot on the first squad and scored 96.

John Hall straight at 50, Pete Atkin just two away, both let targets slip for 95. Doug Moore with 50 straight was shooting comfortably. It was a shock with one away on 75. Two more slipped away, but 97 was good enough to take County Champion and Veterans trophy.

George Cheer 86 retains the Junior title. We also had two other young shooters trying their hat to good effect. Both Colts, so George was strong competitor. Both shot very well, Callum Burgess 71 and James Harvey 58. Saira Boardman with a PB 91 takes the Ladies title and C Class. Andy Harvey (AA), Chris Bone (A), Pete Atkin (B).

Thanks to Aaron, Natasha and the team at The Priory. Special thanks to Mrs Martin Heading for the gorgeous (calorie free!) chocolate cakes.

9 June: Single Barrel Champion

Joe Mitchell shot 93 on an early squad and proved unbeatable. Chris Bone, taking a break from Skeet, turned in a very good score of 85 proving that the Trap disciplines are not just sent from hell to torment him, but can be conquered and enjoyed. Next stop ABT!

Janet Stennett, surprised even herself by turning in a totally unexpected score of 91 to take the Ladies trophy. What a difference a bright sunny day makes! As always we received a warm welcome from the team at The Priory and we thank them for a well run event.

21 April: Norfolk Sporting Championship, Eriswell Lodge

Ladies HG was Georgia Tilson with 74, Veterans HG was Ian Hallwood with 91 and Juniors went to Charlie Soanes. Audrey Smith from the Norfolk committee organised and ran a raffle on the day which raised £250 towards good causes. A big thank you to everyone who donated prizes and bought tickets. We would also like to say a big thank you to Stuart and all the team at Eriswell Lodge for hosting this year's championship.

27 April: Lol Pinch Memorial, Nottingham & District Gun Club

Congratulations to Russell Houghton who won the 100 DTL Lol Pinch Memorial competition. Russell managed to win this competition against a lot of top competitors with a splendid 100/296.

11-12 May: Norfolk Skeet Championship, The Priory CTC

The shoot was well supported with overall champion John Glover scoring the perfect score of a 100 straight to take this year's title! Trevor Frammingham was only a single target behind which him the veterans title. The ladies champion is Georgia Tillson with a good 95 and Junior Champion was Archie Stannard with an excellent 98. Well done to all that shot and also a big thank you to the Priory for hosting a very well run and successful shoot.

18 May: Norfolk Olympic Skeet

Well done to Scott Buck for winning for the second year running. He was run to the line by Clive Johnson but Scott managed to take the title with his 73 over Clive's 71. We would like to thank the Priory CTC for running this championship.

19 May : East Midlands Sporting, Barrow Sporting Clays

With an attendance of over 200 competitors. Mark Goddard scored a maximum 100 straight which is a rarity at sporting. Sadly he had to

19 May: Norfolk DTL Championship, The Priory CTC

Richard Gilbert won the overall, Veterans and Basil Pearce Memorial with a score of 100/295. A special mention goes to Colt William Nicholas who has only been shooting for just over a year. He scored an excellent 86/250 in only his second DTL Reg shoot. Congratulations to the winners and well done to all who competed. Thank you once again to The Priory for being such wonderful hosts.

Senior title. Mick also won the AA class prize. The Ladies title was won by Isabel Russell with 93. Mick Russell won the Veteran title. Alex Banning put up a really calm 98 to win the Colt category as well as the B class prize. Sadly there were no Junior shooters taking part this year. Further prizes went to Roy Tyler for A class and a name new to me, Rob Wilson, won the prize for C class. Well done and thanks to everyone who took part.

23-25 May: County FITASC competition

Also shot over the Bank Holiday weekend this FITASC competition we hosted by our good friends at Sporting Targets. Again the entry for the county was disappointing with six shooters taking part. Louise Smith shot a lovely round of 78 for the Ladies title. Keith Smith shot 81 for the Veteran category. Four guns competed for the Senior category; Luke Maud, Peter Brown, Jo Smith and Matt Sheppard. There was a tie at the ground for the title with both Jo and Matt scoring 91. The title was decided by countback and Jo Smith took the championship. Well done and thanks to everyone who took part.

2 June: County Universal Trench Competition

This competition, as usual was hosted by our good friends Rugby & District Trap Club. Tony Clayton shot 80 for the Veteran title and Neil Long took the Senior title with a score of 79.

9 June: East Midlands Skeet competition

It was particularly successful for the county's shooters. The field was small as many competitors were at Nottingham to practice for the following week's English Open Skeet selection shoot. Nevertheless this did not in any way detract from the skill shown by the shooters. There were a trio of tons, one of which was from Northants Dave Morgan who took the HG position ahead of Stuart Smith from Suffolk. Neil Faulkner came third with 99, Leon Gill shot a lovely 98 and Mick Rolstone 97. At other times these score would have placed them in the winning positions. Mick Russell scored 99 to take the Veteran title one clay ahead of his nearest rival. Isabel Russell shooting a personal best of 99 giving her the Ladies title. Helen Wootton was Runner up with a score of 93. Sonny Bowman was the highest score for the

26 May: County Skeet Competition

In the absence of our usual external sponsors, this competition had class prizes of 250 cartridges and a winners badge provided by the Northants committee. Maybe the Bank Holiday scorching weather and many other events around the county drew shooters away from the competition but only 16 guns turned out for this event. It didn't impact on the skills of those who did shoot and there were some good scores entered. Mick Rolstone entered a 99 to take the

2 June: Monthly 100 registered Sporting

Despite the poor numbers for the county championship fixtures the regular monthly registered 100 Sporting competition continues to attract big entry numbers with shooters coming from far and wide. This month's entry was 104 guns, 38 of which were local shooters which is pretty impressive. Winner this month was Mark Goddard from Norfolk, but Martin Ferris won the Veteran category and Harry Piercy the Colt. George Whatton was the highest scoring Junior in the competition.

19 May: Nottinghamshire DTL, Notts GC

It was a still day and we had a good entry of 49 shooters battling it out. Darren Watkinson missed just one target and one barrel for a score of 99/296. Just one point ahead of four of his county team mates – Russ Hufton, Paul Meakin and Andy Brown all in AA class and Joe Booth in A Class. Russ took the AA trophy. Joe, who had not shot DTL for a year was happy to take A Class with his 100/295. Jim Murdoch made a late arrival to bag the B Class Trophy with 96/285 and Mick Reading took the final Class prize – C Class with 93/276.

In the Ladies, Carole Reading was the winner with 91/267 and in Colts Ollie Sampson shot an impressive 99/288 (even more impressive with his new gun). In the Veterans it was a tie between Ash Parfremment (93/279) and Gordon Hodgkinson (95/279). Ash was incredibly strong in the shoot off finishing on 25/74 to Gordon's

24/71 and taking the title. A special mention needs to go to Tony Clark who scored his first 100 straight.

Nottinghamshire OSK

The OSK was at the Priory on 26 May but unfortunately there were no entries.

2 June: Nottinghamshire ESK, Nottingham GC

It was overcast with strong blustery winds and rain showers which got progressively heavier as the day wore on. Despite these conditions the targets held up well for the entry of 48 shooters.

Darrell White and Neil Howard shot well through the afternoon rain to tie on 98 apiece. Darrell went onto win the shoot off and the overall HG, while Neil took A class. Pete Armett won AA with his score of 92. The contest B Class was an even closer affair with Roger Ball, Andy Brown and Robin Ellis all tying on a score of 94. Andy Brown winning on count back.

In the Ladies Megan Gamble was the winner with 89, while Matt Hall on 90 took the C class honours. Matthew Armett shot a very impressive 93 to take the Colts title. In the Veterans, Ash Parfremment posted a strong score of 96 to take the title. Thank you to Carl and his team for putting on a well run competition in trying weather conditions.

Team News

Notts Vs Lincs All Round – Lincolnshire won this year's event held at Nottingham GC on Monday 27 May. The final team scores were Lincs 812 to Notts 794. £175 was raised for Air Ambulance which will be added to previous money raised and over £1000. Thanks to Carl and Linda at Notts GC.

The County teams can be found on the county website – the Inter-Counties DTL is at Nottingham on 4 August and the All Round is at Eriswell on Sunday 25 August, so if you are on the team, make sure you know your start time and good luck.

County success

Well done to Curtis Woolley, Lee Wilcoxson and Russ Hufton for winning a place in the

Suffolk All Round

The Suffolk All Round Championship 2019 was held at Eriswell Lodge on 12 May. The number of shooters across the categories will have made the team captain Dennis Meekings job far easier. The day was beautifully sunny, with many of the county top shots heading out to try and claim the title. Chris 'Puff' Baker headed out on squad four and walked away with the Champion title for 2019 after scoring a fabulous 92. With two 91 scores closely behind from Andy Stephenson and Andy Gibbs.

With competition across all the categories it meant that everyone's task was made harder as they tackled the different disciplines. In Veterans the honours went to Tony Rogers who ended on 88, Ladies honours went to Charlotte Patten who completed a score of 70 and Juniors went to Henry Lungley ending up with the title after shooting a 72.

Suffolk Double Rise

The Double Rise this year was bought back into the county, with an unregistered shoot at Eriswell, this would prove to be a fun evening for all who gave the discipline which was entirely new to many a try. Entries were up considerably from previous years which was great to see.

Defending his title from the last two years was Barry Randall, he was on the last squad of the day so his score would be the one everyone was waiting on. Stuart Smith – a complete newbie to this discipline – was on the first squad and came back in with a 40 which would

prove to be the score to beat throughout the evening. Barry took to the range later on, where he sadly lost his last target, coming in second after Stuart.

Thank you to everyone who attended this shoot, it was great to see the turn out after a drop in previous years with people trying it for the fun of the evening. Due to the low previous turn out there were no category trophies to be won, but the honours went to: Veterans – Robbie Manning, Junior – Henry Lungley and Ladies – Melissa Smith.

Thank you to the team at Eriswell who kept both these shoots running smoothly.

Dick Hails

It was with great sadness that in June we lost someone from Suffolk who meant so much to so many shooters. Richard 'Dick' Hails was our president, chairman, committee member and friend. He instilled a passion in shooting to all he met and talked to along the way, and his presence within the county will be greatly missed.

Essex Vs Suffolk Challenge

Every year Suffolk and Essex take each other on in a competition, to see who can come out victorious. The pick alternates every year and this year with it being Suffolk's turn to choose the committee have chosen English Skeet as the discipline. This will be held on 3 November 2019, at Eriswell Lodge and entries will be opening in mid-September. This is open to everyone and the top five scores from each county being totalled to give the best score out of 500, so why not sign up and help Suffolk keep hold of the cup – as we haven't lost it yet!

The Avon Sportrap Championship took place at Meadowcroft SG on 19 May. Another new champion for Avon emerged with Joe Hemmings leading the field home.

Joe on a magnificent 94/100 in good conditions just piped last years champion Darren Michell to runners-up position by one

target on 93/100. Both shooting on the same squad it was down to the last layout to decide the championship with Joe holding his nerve to come home by that single target. Well done Joe on your first Avon title of what could be the first of many.

As reported in the last issue a new name emerged in the Avon Sporting with the up and coming shooter Faisal Ahmed winning B class on an outstanding score of 84/100. Now being mentored by John Poole, GB Team International, Faisal is a shooter to watch in the future and will rapidly advance up the classifications to become an AA class shooter of the future and be challenging for the top Avon Champions titles soon.

The dates for the DTL and Double Rise have been amended due to the sudden closure of the Two Counties SG. The DTL will now be held at Axminster GC on Saturday 10 August

and the Double Rise will be held on Saturday 14 September at Axminster GC.

Dean Horswell has been crowned the Avon All Round Champion after competing in the shoot on Friday 19 April with a 92/100. Well done Dean for another Avon title and trophy to come.

The ABT was held at Bradford SG on 8 June, and saw a tight finish for places. Martin Taylor, after a lay-off period, returned to form to take the Champions title on a great 92/100. He was followed home by Tony Dores on 90/100 and Malc Brown third on 87/100. Many thanks to Bradford for hosting our events this year and for Devon CPSA.

The passing of Andy Hobbs saw a large turnout of friends and associates at his funeral and wake. The family has confirmed that business will continue as usual from the shop in Midsommer Norton. All products for the shooter will be available. Please phone Paul in the shop on 01761 413961 for your requirements and friendly service and competitive pricing will be given as usual. It has also been confirmed that construction of the shooting facility on the Mendips will also continue to completion.

Again any date changes for championships will be posted as soon as possible on Avon website.

Any further breaking news from anyone please contacts us on email below for inclusion next time.

The Avon website is hosted on the main CPSA website and can be accessed via the County tab. Also there is a new email address of rogercox47@gmail.com for contact in the future.

Richard King at the A/R.

Ollie Hambly at the Kriehoff.

This month there appears to have been little involvement of Dorset Shooters in major competition except for the following: The Dorset stalwart in the shape of Richard King won the English Open A/R Championship at Doveridge SG on 8 June with a score of 99/100. He probably had a bad night's sleep because the following day, 9 June he only managed third place in the British Open A/R, again at Doveridge, with a score of 96/100. My comments aside they were stupendous performances.

We will always try and acknowledge the achievements of any class of shooter and I am pleased to report that Dorset Shooter Ollie Hambly won C Class at the Kriehoff DTL Events, on the Friday, held at the Mid Wales SG, with a score of 97/289, for which he later received a handsome class win cheque. Like many of us at the Kriehoff we had good days and not so good days, but Ollie had a good average over the three days of competition.

There were four days of competition at the Kriehoff during which seven Dorset shooters took part. Unfortunately no Juniors or Colts. Our one Lady competitor was Lorriane Greening.

Despite having two scores of 99 291/294 and heading the Dorset contingent, Tony Read came well down the final list but most of the Dorset shooters were in the 90 plus range and all did very well overall. Other than a spot of rain on the last day the weather for the Kriehoff and for Wales was unusually sunny and good for shooting.

With the Southwest events probably in full swing when this article appears it is hoped that as many Dorset shooters as possible take part, either in the individual events or as part of the various Dorset teams. Finally, we are looking for a Dorset member to come on to the County Committee and take over as treasurer for 2020. Think about it and if interested contact.

Tony Read.

English Skeet Championship

Fareham put their two under cover Skeet layouts to full use on the 19 May to host the Hampshire Skeet championships. It was nice to see a lot more squads turn up than the normal one or two in fact six squads enjoyed the sunny day at Fareham CTC. For several of the dedicated Skeet members the day proved a bit tricky with some squads having members that haven't shot much Skeet before. When this is the only discipline you shoot, one can get a bit put off with slow releases of targets, but like all other disciplines don't move until you see the target. Alan Saunders shooting a Beretta DT10 and 28 gram super steel 9's proved he can keep calm, collected and focused only missing a few hence he is the Hampshire champ for 2019. Eric Sumner another member that loves the Skeet discipline he picked up the Vets title. Britta Beach hasn't shot much Skeet, if at all, had a great day ending with a shoot-off against the more experienced Ali Stevenson. Britta managed to get one target clear over Ali, Britta normally shoots sporting, FITASC and Sportrap was very pleased with the outcome as this is her first Hampshire Ladies title. The Juniors title went to Alex Head, now that's a name that keeps popping up on the winners podiums and is one Hampshire Junior that we are definitely watching.

Olympic Trap

Bisley NCSC hosted the Hampshire Olympic Trap Championship, the NCSC being the only ground around for miles that can put this discipline on, sadly the day only attracted a handful of Hampshire members. The six Hampshire entries did enjoyed a dry, calm day on the NCSC layouts. Hampshire 2019 Champion, the master, Rod Gould with a score of 92, Vets title went to Carl Miles on 79 and the Junior Corey Vasey who took yet another Hampshire Champ title with a very good 80/100.

12 June: Fareham CTC

100 registered ABT, the Hampshire verses Sussex beer challenge, a simple competition between two counties made for a great day. A good turn out too with seven squads made up of working members having a day off and the lucky retired members who can have any day off.

Midweek shoots are getting more entries than the weekend shoots hence there will be more midweek to come in fact the next registered trap event at the club is on Wednesday the 12 June 100 reg DTL.

The June fixture is yet another simple competition between the two counties the annual Hampshire and Dorset cup event. Although these competitions are not officially organized by the CPSA county committees it proves that County members do enjoy the local Inter-County competition spirit and get on among themselves and organize these competitions.

Maybe this is an area the local CPSA county committees should look into, inter-county competitions 'local', i.e. not to far to travel but good fun, well attended, keeping it simple!

The first of the fast Trap disciplines to be held this year was the Somerset Olympic Trap at Brook Bank Shooting Ground on Sunday 12 May. It was a joint affair with Dorset and Wiltshire in attendance and in all 30 shooters took vying for the various titles. It was a close run competition but in the end the County Champion and Junior titles went to Theo Ling with a well shot 94. The Veterans Champion was Wesley Hann, Super Vets went to Steve Ling and Abbey Ling took the Ladies title. Top spot for the day was taken by non-other than Dorset's Pete Wilson who only dropped one clay in the competition. Well shot all!

Amy Easeman has also had a brilliant start to the season with a win in Ladies at The Classic Steel Challenge out in Europe, lots more to come from this young lady this year, good luck Amy!

An amazing score put in by Hollie Lumsden recently in Olympic Trap meant she has bagged a bronze medal, good luck to Hollie for round three at Beverly CTC in August, we know grandpa would be very proud.

Lots of brilliant scores put in by Bucks shooters at Atkin Grant & Lang for the Lyalvale Masters, Jamie Gutteridge with a mega score of 117/120 landed him second overall, Ricky Draper ended up eleventh in AAA and Peter Woodcliffe Thomas got third in B Class.

Young Lain Blamey has been doing lots of shooting with his most recent competition at Atkin Grant & Lang for the British School and Young Shots Championships, keep it up young man! At the same shoot Holly Bryant was also on the leader board coming third in the Ladies.

Hertfordshire Colt shooter Alfie Tibbles finished joint second in Colts meaning a shoot-off was required against Ben Cumming from Scotland. The boys were joined in the shoot-off by Ben Husthwaite, George Digweed MBE, Nick Hendrick, Steve Brightwell and John Wells – the shoot-off was shot over a new layout of 25 targets over three stands viewed by approx. 150 people so a lot of pressure. Alfie shot a very solid 18 beating Ben C by two points to gain a silver in Colts. Massive congrats to Charlie Monahan for getting his second GB cap in the FITASC team at the same event. HELEN NICHOLSON

It's a wet a windy start to the summer so far and shoots and scores have been affected by this.

Garlands

Garlands hosted a decent shoot which pulled a large number of participants, 196 to be exact. There is only one Oxfordshire shooter that had a successful day and that was Cheryl Hall, she shot a very respectable 90ex100 to place her first in Ladies. Well done Cheryl.

Westfield

Just 76 shooters turned out to Steve 100 ESP over the May bank holiday. Well done must go to John Smith for his great score of 93ex100 placing him second overall. Well done to Tim Thornett, 84ex100 placing him third in Veterans.

Oxfordshire Shooting School, Sportrap

Oxfordshire Shooting School is working hard to

be a successful registered CPSA ground. Each month they are hosting a 50 ESP shoot which attracts more and more mid week shooters.

For their May shoot the held a 25 Registered Sportrap and Sporting shoot. The Sportrap drew in 23 shooters and Oxfordshire shooter Tim Thornett smashed it with his amazing score of 25ex25 – you're on fire!

Sporting

Congratulations must also go to Colin Waite for shooting 45ex50 and coming second overall in the 50 ESP. A well done mention must also go to Mary Thornett, we don't see much of her shooting, third in Ladies, well done!

English Open Sporting 2019

A huge congratulations to Mark Winsor for becoming this year's English Open Sporting Champion. A huge congratulations must also go to Cheryl Hall for putting in an amazing score of 105ex120, six clays clear of any lady rival placing her first in Ladies. Well done Cheryl, great shooting.

New Registered Shoot

I have some great news. We have a new 100 ESP registered shoot starting Wednesday 21 August. It will be held at Courteenhall Shooting Ground. It's located on the A508 approximately 500 yards from junction 15 of the M1 towards Stoney Stratford.

The shoot will be squadded and will require you to book on. Telephone entries can be placed by calling Bruce Shepard on 07714 784489. Squad times will be 10am, 12pm, 2pm and 4pm. Food will be served during these times, please show Bruce your support if you can.

County FITASC

Don't forget to book your place on this month's County FITASC Shoot. Entries are only open exclusively to Oxfordshire shooters until 21 August.

It will be held over three days, 18, 19 and 20 September. (12 places are available each day so spaces are limited) Please call Kevin Gray on 07702 243308 to book onto a squad. Don't forget to send me your results and achievements, happy safe shooting everyone.

19 May: Surrey Olympic Trap Championship

Another great day of competition at the National Clay Shooting Centre, Bisley. There was a good turnout of Surrey shooters, and the competition ended in a three way tie for the OT County Title with a Senior, Veteran and Junior all scoring 80. Mike Davis took the Senior title, leaving father and son Phil and John Chambers with the Veteran and Junior titles respectively, and all three receive 15 points each towards the Surrey Supreme competition. Top Ladies score was 63 from Anastasia Sparrow.

Oscar Parker gained another Colt title and is showing great consistency in his shooting, but now has some worthy competition in this category from our newest Colt Archie Rann, who was trying out OT Competition for the first time. It was good to see Dan Chambers, Glen Boxall, Dan Parker and Victoria Castle also competing. Well done to all who took part, and let's try and get even more Surrey shooters entering the Trap events this season.

Surrey Helice

The Surrey Helice shooters continue to excel with some excellent results in recent events. The Pat Lynch Memorial Shoot held at Invicta in May saw young Jensen King lead the field and take the Championship. He didn't stop there and at the South East of England held on the 2 June he won the Colt title.

A number of the Surrey Helice shooters then travelled to Sicily to participate or represent Great Britain in the first European Championship on 5-9 June. Jensen took home a gold medal, alongside his brother in the Junior team competition, and also bronze in the Berretta cup for points added over the week. Fletcher King added a European Champion bronze medal after winning the shoot off with Jensen. Jo Watson-Hopkinson also won

12 May: Sussex Double Rise Championship

Sharing the day with Kent, Sussex mustered 14 shooters, not bad for an esoteric discipline and exactly twice the Kent contingent. The overall event was won by Tony Coulstock on score of 80/100, in variable winds creating havoc with the trajectory of the second target. Cracking fun but a little frustrating, with much shaking of heads clearly evident. Sussex Champions were: overall: Alasdair Williams 74, Veteran: Cliff Goodwin 73, Lady: Jennifer Baker 56, Colt: Max Hudson. The Junior category was not contested. Well done to all our champs and thanks to Dartford for a hosting and running a flawless competition. Thank you to Cliff for this report.

19 May: Sussex OT

A pleasant sunny day at NCSC. There were only five Sussex shooters with no Juniors or Colts. The targets were good as normal, thank you to the ground for a great shoot. Overall Sussex Champion was Glenn Smale with 89ex100 Sussex Lady Champion was Claire Milbourn with 79ex100 and Lee Shanks 76ex100.

1 June: Sussex ABT

Perfect conditions at Fareham CTC for the Sussex ABT and the scores were so close it could have been anyone's right up to the last round. Five of the 12 Sussex shooters shot on the same squad the Ref complained it was so boring nobody was missing targets. So to the scores Tim Woodhams took the county title with 94ex100, Claire Milbourn was Ladies champ with 86 with Jenifer Baker hot on tail with 83 (Well done, highest Ladies Scores I can Remember), Richard Plester and Keith Blighton joint in Vets to be decided later and Max Hudson Won the Colts well shot Max. Many

thanks to the staff at Fareham for a great shoot. Thank you Tim for this report.

FITASC success for Sussex Shooters

Following on from our report last month that both Will Fenner and Hannah Gibson had been selected to Shoot for the GB FITASC Sporting Team in the European Championship at Gant... Will got Team gold and individual Junior silver with a score of 172ex200. He also got bronze in the European Cup which is a combination of the UK FITASC at Garlands and the Europeans in Hungary. Fantastic results for his first shoot abroad for Team GB. Hannah won team Silver and finished in the top 20. Brilliant shooting both of you.

Firstly thanks to everyone that came to Owls Lodge in May, for a midweek shoot during the busy competition period. It was well attended and great to see some new and different faces. Thank you to Richard Faulds and the Faulds family for having us also and to Julian and Reuben for organising the event. DTL was won by Mark on 24, we had three 22s in Skeet from Sam, Adrian and Andy Beadsley. The Sportrap events were very challenging and championship worthy. Adrian shot 17 and 15 in them. A special mention for Reuben and Lorrie who shot superbly also.

We had a fantastic number of disabled entries

in the English Open Sporting at West Midlands Shooting Ground and the disabled shooters that attended were treated very well. Adrian and I had Ian Parker the CEO of the CPSA help us round and the ground staff were most helpful especially Meg. The round itself was fantastic and in the Sitting Paul Bailey picked up the gold,

Adrian Last silver and John Harrison bronze. Standing was hotly contested for the silver and bronze medals with Sam taking the silver ahead of bronze by one clay to Simon Tynan.

Finally well done to those DSG members that have been selected to represent the DSG in Croatia in July – and good luck.

Owls Lodge.

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

MASTER REF

Top Coach and CPSA Referee Tutor **Steve Williams** tells **Jasper Fellows** about the life of a CPSA Qualified Referee.

Q How did you first become involved with clay shooting?

A: In the early 80s I would enjoy watching clay shooting and 'Star Shots' on TV, I thought 'I'd like to try that,' so I found an instructor and went from there.

Q Why did you decide to become a CPSA qualified referee?

A: I used to compete quite a lot in sporting and trap disciplines and I wanted to know all the rules. I went for a sporting referee's course and found that I enjoyed it. After that I started asking grounds if they needed a referee, since then I haven't stopped.

Q Have you found becoming a referee has helped with your clay shooting tutoring?

A: Yes, it has given me more confidence. I am constantly being asked/ challenged about the rules of the sport and how they apply, thanks

to my referee training I know I can give the right answer.

Q You are known for refereeing some of the most important competitions in the sport, do you have a favourite?

A: Being Head Referee at the English Open at AGL in 2018 was pretty special, I certainly learnt a lot. I was Head Referee at The World Championship at EJ Churchill's in 2018 too, that was very exciting. I really enjoyed looking after all the

referees and making sure everything ran well. More recently the ICTSF World Championships in Ireland was great fun, Peter and his team did a really great job looking after us all.

Q Do you ever get nervous about making the right call at these major comps?

A: You always feel a bit nervous on the first day, but after the first squad has gone through you relax a bit and treat it as you would any other shoot. I must admit I do get a bit nervous when I am refereeing a shoot-off or final, but it's also very exciting. Watching and refereeing the shoot-offs and finals at the English Open and World Championships has to be up there with some of my top moments in the sport, having the opportunity to watch some of the world's best shooters is fantastic.

Q As a CPSA Referee Tutor, you train new Refs, what happens during a CPSA Referee Course?

A: Firstly we go through all

the rules, the general rules, competitor and referee rules and then the discipline technical rules. I explain each rule, what to call and say, how to approach the shooting fault, how to score etc. I always like to give examples of my experience to show how all this translates to a real life scenario.

The candidates then have a 25-question test. Those who pass then move onto the 'Squad from Hell.' All the candidates will shoot and generate a fault to test each other's refereeing skills. I am always close by to test and also encourage them to make sure they understand how the rules apply to a real scenario.

It is an excellent way to spend time with the people and sport you love

Q Can anyone become a CPSA Qualified Referee?

A: Yes, anyone over the age of 18 can become a referee. The only prerequisite is that you don't mind sitting or standing in the rain or sunshine all day.

Q What would you say to those who are considering become CPSA Qualified Referees?

A: First, I would explain the bad bits, you can be out in the rain or sun all day. Then the good bits, pocket money, being fed and watered, the suntan, watching some of the world's best shooters at the top of their game and of course the comradeship with all the other referees across the country. I would encourage everyone to become a referee, whether they are shooters or not. It is an excellent way to spend time with the people and sport you love and we need all the referees we can get.

If you fancy a challenge, become a referee! 🍀
