WELCOME

JAN/FEB
2020

With our first issue of *Pull!* for 2020 I'd like to wish you all a happy New Year! We have much to look forward to, especially in our Championships calendar. Bookings are live for the CPSA World English Sporting and Sportrap Championships at E.J. Churchill Shooting Ground (8-11 June) and for the ICTSF World DTL Championships, including the DTL Weekend Events of the Sponsored DTL, English Open DTL, and Dougall Memorial (5-11 July). Team bookings for the Premier League are also open.

The rest of our Major Championships bookings will open on 1 February at 00:01 in the morning. All bookings can be found at championships.cpsa.co.uk, and more information can be found in the Clubhouse News section (pages 4-6).

We are also fast approaching the CPSA Awards, where CPSA members recognise and celebrate each other's achievements over the past year. Finalists have been shortlisted, and voting remains open until 10 January at cpsa.co.uk/awardsvoting. The event itself will return to The Belfry Hotel and Resort in Sutton Coldfield on 1 February, and will feature comedian Hal Cruttenden as the MC.

The CPSA are currently accepting applications for Team Managers for England's Olympic Trap, Olympic Skeet, FITASC Sporting, and English Sporting teams, please see page 5 for more information on these opportunities.

The CPSA will be at the Great British Shooting Show from 14-16 February at the NEC in Birmingham. If you are attending, please feel free to talk to me about anything involving clay shooting, including issues we are working on such as the environment, legal challenges, and the public perception of our sport.

Please also make sure to read CPSA Honorary Solicitor Laura Saunbury's article on pages 32-33 about arranging the transfer of shotgun ownership after the owner's death – in important, if less pleasant, consideration of responsible shotgun ownership.

CLUBHOUSE NEWS

THE OXFORD UNIVERSITY CHALLENGE

The Oxford University Challenge was hosted by Oxford University Clay Pigeon Shooting Club, at E.J. Churchill Shooting Ground on Saturday 16 November. Though it was a chilly and rainy day, the log fires in the E.J. Churchill clubhouse kept everyone warm between shooting events, and excellent hospitality was shown all around by the

hosting team and ground. Despite the weather, the event was well attended by 222 shooters from university and alumni teams that demonstrated exceptional shooting abilities and enthusiasm for the sport. Kirsten Vogel (Loughborough University) took Ladies High Gun with 42ex50. Kirsten is also

on the British Shooting Talent Pathway for Olympic Skeet. Tom Boles (Oxford Brooks University) took Men's High Gun on 46ex50. In the team competitions, Liverpool took the Men's category, whilst Oxford Brooks took Ladies. Oxford University Men's first team took the flurry competition with 65ex100, having demonstrated sound teamwork to divide the targets amongst the five shooters.

The Oxford University club did an excellent job of running the event and sourcing sponsorship and prizes. The CPSA sponsored a stand and provided free memberships and Musto cartridge bags to the prize pool.

We are currently working on plans to improve our Associated Club memberships for Universities, feel free to contact us for more details if you are a University club officer.

WORLD CHAMPIONSHIPS

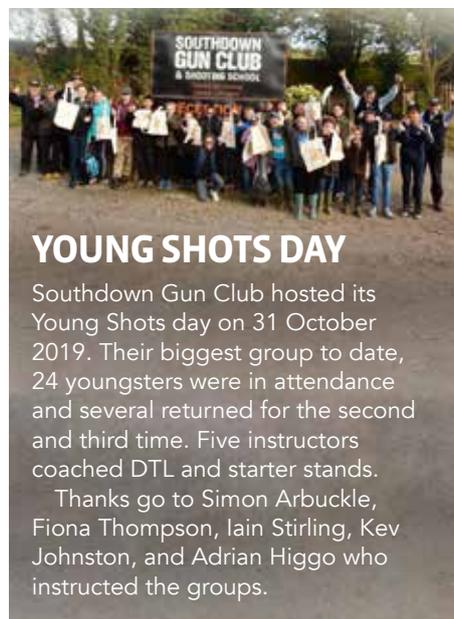

The CPSA always says that clay shooting allows people of all abilities to compete alongside world champions, and next year is the perfect year to do so!

Bookings are open for the CPSA World English Sporting and Sportrap Championships, hosted by E.J. Churchill Shooting Ground, and the ICTSF World DTL Championships hosted by Bywell Shooting Ground.

The event runs from 8-14 June, find all details at cpsa.co.uk/wesp2020.

The ICTSF World DTL Championships have been combined with the events that normally make the DTL Weekend (the Sponsored DTL, Dougall Memorial, and English Open DTL) to make a full week of DTL shooting from 5-11 July, a must-attend event for the enthusiastic DTL shooter. For full details see cpsa.co.uk/dtl2020.

Bookings for all of these events can be made at championships.cpsa.co.uk

YOUNG SHOTS DAY

Southdown Gun Club hosted its Young Shots day on 31 October 2019. Their biggest group to date, 24 youngsters were in attendance and several returned for the second and third time. Five instructors coached DTL and starter stands.

CPSA AT THE GREAT BRITISH SHOOTING SHOW

The CPSA will once again be attending the Great British Shooting Show, 14-16 February at the NEC in Birmingham.

We will be on hand to start and renew memberships, provide advice on shooting, and talk about future events. If you are attending, do drop by the stand and say hello. Don't forget if you sign up a new member with us, you can start earning commission towards your own membership renewal.

In the last issue of Clubhouse News, we talked about the new venue and date in Liverpool for 2020. The British Shooting & Countryman show will now be held in Manchester from 26-27 September 2020. For more info contact: 01258 857700 or email info@shootingshow.co.uk.

REMEMBERING JOHN STEVENSON

Former England DTL team manager and team member John Stevenson sadly passed away on 27 September, at 78 years of age. John competed at the DTL Home Internationals each year from 1993-1996. His dedication to the sport was such that he travelled as far abroad as the USA and Australia to compete. His friend, John King, who shot with him for over 25 years, stated that 'his enthusiasm for the sport was second to none, and he always encouraged the Juniors to get involved.'

FITASC DISCIPLINE RULE CHANGES FOR 2020

During the Ordinary General Assembly (OGA) the current rules and regulations for all the FITASC disciplines were amended as follows for 2020:

FITASC Sporting: Article 2.5 has been amended. This article comes into force when shooting 'New System' with four shooting positions; station two or three has three singles and two doubles, this has not changed. However, the sequence of doubles has been amended; the course designer must not present two doubles on report.

Compak Sporting: Under Shooting Equipment, Article 18 Gun, an additional sporting firearm has been added to the forbidden list, known as drilling. This is a shotgun that also has a rifled barrel under the smooth bore shotgun barrels. For the attention of the course designer, chief referee and ground owners, Compak tables or schemes have changed, particularly those who use automated or programmed systems for example, Range Master, Elettronica Progetti and Promatic.

The following target tables have been amended: 9, 12, 15, 18, 21, 26, 28, 37.

If you have programmable systems installed, please contact your provider who will advise on software updates incorporating these changes.

All of the above Compak changes are effective immediately, the 2020 rules are now available on the FITASC website.

Helice: The Helice rules have had a major restructuring; you can download the new version of the Helice rules from the FITASC website. Further changes may be made post the Helice World Championships 2019.

UT (Fosse): Changes to rule 11.06 and 11.07 concerning late arrival of a competitor on their layout – if you have not presented yourself to the referee before the order to start firing has been given, you will be penalised 25 targets.

You can plead your case to a jury who may or may not allow you to reschedule.

Changes have also been made to the shoot-off for tied places, article 12.01 individual competitors and 12.04 teams.

Individuals, shoot-offs will take place for 1st, 2nd and 3rd, other tied competitors will be ranked as equals and presented in the ranking order of their scores.

For teams, the overall score of the team from the eighth range then seventh, sixth, and so on until the tie is resolved.

THE CONFIDENCE TO WIN

... Why shoot anything else!?

It's all about the action

DT11 SERIES

The DT11 is built around a vault-tough cross-bolt action, it's 3mm wider than the DT10 and therefore slightly heavier. Incorporated into the forend the replaceable tightening system means the gun is rock solid. The Steelium Pro barrels boast an internal profile created to diminish felt recoil, improve shot patterning and reduce muzzle rise, with no loss of ballistic performance. Additionally, the detachable trigger unit, powered by V springs, gives the best possible trigger pulls.

690 SERIES

Launched in the new millennium the 690 has the same dependable trigger mechanism as the 680 series. However, the 690 benefits from Steelium Plus barrels; a self-adjustment system integrated into the forend and the inclusion of the B-Fast stock balancing system. The slightly wider, double fenced, action gives the 690 series even more stability and ease of handling. The upgraded ejector system and new action lock up, both contribute to extra rigidity in the shotgun.

680 SERIES

A long standing favourite among competition shooters, the legendary 680 series action has literally sold in the thousands. Thanks to the two conical locking lugs, the 686 action is compact and low profile while remaining extremely strong. The cold hammer forged Optima-Bore, Optima choke barrels are lightweight and place the shotgun's balance right at the hinge pin.

SHOTS IN THE MAIL

LETTER OF THE MONTH

Dear Sir/Madam,
Along with many other certificate owners, I am concerned as to what happens when I die. How should my wife ensure she does not fall foul of the law with my shotguns?

I am therefore very interested in the advice that periodically appears in *Pull!*.

I have recently been in contact with Kim Hubbard of Artisan Rifles, who offers a service to certificate owners whereby, for a fee, his company will hold gun cabinet keys/combinations, and if notified that the certificate holder has died, will collect the guns and agreed accessories to be disposed of as instructed. By doing so, the certificate holders spouse/partner is not holding illegal guns.

Kim assures prospective users of his services about the legality of him

holding gun cabinet keys/combinations and the the overall service.

Considering the problems that certificate owners face, the service offered by Kim and Artisan Rifles seems to be the ideal situation to many of us. If this is the case, why has there been no article/write up in *Pull!*? This is such an important issue to so many of your readers and CPSA members that I feel it almost negligent not to.

I would be grateful to hear by return of your thoughts of Artisan Rifles and their 'Firearms Executor' offers, and hopefully see something in a future issue of *Pull!*.

Regards, Adrian Stokes

CPSA replies:

Thank you Adrian, for bringing this issue and service to our attention. Thanks to your diligence in pointing this out, CPSA Honorary Solicitor Laura Saunbury has answered this question fully in a dedicated article that can be found on page 31. We hope this will be helpful to all of our members. – **The CPSA Team**

SIMON SAYS

Senior Coach Simon Arbuckle answers your questions. Send yours to simon@cpsa.co.uk.

Q I'm relatively new to English Skeet, but am starting to improve quite a bit and want to start refining my technique. I've struggled to decide if, on station four, I should take the high target first or the low target on the pair. I seem to have similar success either way, but want to develop good habits based on sound theory. I believe that, being right handed and right eye dominant, I should take the low target first, since the right-to-left movement is more natural for me. Or is there more to consider?

– Jimmy

SIMON SAYS:

Dear Jimmy,

You say that you have similar success shooting them both ways round, well done – it's something a lot of people aren't capable of doing confidently. Most favour one particular sequence and come unstuck on the other either by doubting their ability, lack of practice and/or poor set up. I would stick to staying with the sequence you are most comfortable and have the most success with. However, I'd think of deliberately changing the shooting sequence, if necessary, if the weather was affecting the targets and making one fly faster and slowing the other, i.e. shoot the faster one first. Another situation may be if there is a poor background preventing one target from being picked up as early as usual, resulting in a rushed first or late shot, and chasing after the second. I would advise continual practice at the pair both ways round so when the situation arises you're well prepared.

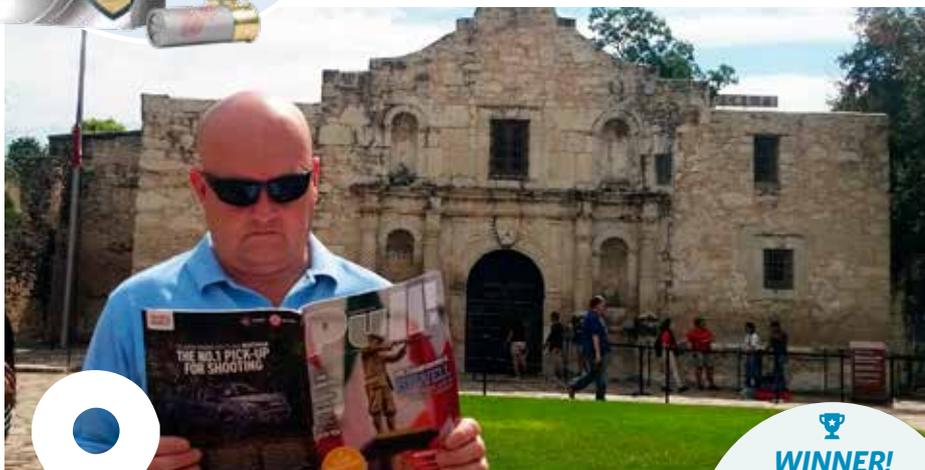

THE LETTER OF THE MONTH WINNER

will receive a choice of 250 Eley Superb Cartridges (either fibre or plastic).

- 2019 -
**TOP
SHOTS**

2019 was a tight year for the country's Top Shots, with just one target dividing the very best scores in some disciplines. No doubt 2020 will be just as tight, particularly as some truly exceptional Junior shots will be moving up to take on the world as Seniors, and as the UK takes on the world in Tokyo. We took a moment to have a chat with some of the country's best, and relive their highlights of 2019 and hopes for the future.

It feels great to be at the top of the rankings, there is something very satisfying about looking back at what you have

achieved over the past 12 months. More than anything, I am pleased with the consistency of my scores this past year.

Winning the British Open English Sporting Championship for a second consecutive

year was my highest point, winning a British Open is the next best thing to winning a World Championship! I am looking forward to every competition in 2020.

I would like to say a huge thank you to Lyalvale Express, Caesar Guerini, Pilla, and CCI, who have played a huge part

I am pleased with the consistency of my scores this past year.

in my competitive career. Most of all I would like to thank my wife Tanya, who has always pushed me so hard, despite some health problems over the past 18 months. She has backed me all the way, even when I had to shoot the World FITASC Sporting Championship the day after she had to undergo surgery – I couldn't do it without her!

I had a great 2018 season, which I knew would be hard to replicate in 2019. But this year has been very kind to me and I feel that I have surpassed my 2018 season. My major highlights of 2019 include winning the Young Shot of the Year award at the CPSA awards in February, retaining my British Sportrap title, taking the CPSA Game Fair 2019 Colt Champion of Champion's title and the British Skeet Colt Championship title.

I had a great 2018 season, which I knew would be hard to replicate in 2019. But this year has been very kind to me

In 2020 I will be trying to shoot consistently and hopefully replicate some of the successes I have had over the past two years. I also shot competitive Skeet for the first time in 2019 – so I hope to shoot more Skeet in 2020 and maybe even try out for the England Skeet team as a Junior.

None of my achievements would have been possible without the support of my family, friends and sponsors. I would like to take this

opportunity to thank my mum and dad, Dartford CSC, Air Brake Connections, Chris Potter Country Sports, Bromley & Sons, Vario, Starkey Headsets, Laporte, and Midland Gun Services.

Without them I wouldn't be where I am today, their support is always greatly appreciated.

AUSTIN COXHEAD 1ST DTL OVERALL

Gun: Perazzi High Tech
Ammo: Hull Sovereign,
Size 8

It's great to have topped the ranking again this year, my Perazzi/Hull combination has done it again! 2019 has been a fantastic year, a particular highlight was winning the Welsh Open Double Rise in June. It was the first time I had won that competition and it's always great to add another title to my shooting CV.

I'm looking forward to competing against everyone again in 2020 and in particular I'm looking forward to the ICTSF DTL World Championships at

Bywell Shooting Ground, which

is my favourite ground to shoot at. Alongside the World Championships I will be shooting all the major and minor events that I can, with the hope of a few more wins.

My thanks go to Perazzi, Hull Cartridge Company, Pilla, and Cens Digital for their continued support –

they really are the best in the business.

I'm looking forward to competing against everyone again in 2020

EMMA HOLDEN 1ST DTL LADY

Gun: Krieghoff K80
Ammo: Eley Hawk DTL
Gold

I had an amazing season in 2019, taking the Ladies English Open, Ladies Welsh Open, Ladies British Open, and Ladies European Championship DTL titles, all within the same year which has been incredible. To have also regained

my position as top DTL Lady of the year is the icing on the cake. In 2020 I'm really looking forward to competing in the ICTSF DTL World Championships at Bywell and the Krieghoff annual DTL weekend at the Mid Wales Shooting Centre in May.

I would like to thank my sponsors, Eley Hawk, and Krieghoff for all the help that they have given me over the past year. Also a massive thank you to my family for all of their support.

FREDDIE KILLANDER

1ST OLYMPIC SKEET OVERALL

Gun: Beretta DT11 Black
Ammo: RC4, size 9.5

It's a complete surprise to be awarded this honour in 2019, it's amazing to even think I was in the running. I've had a great year, with my score of 122/124 at the October Grand Prix in Malaga standing out as a highlight.

Next year I'm looking forward to the European Championships. At the time of writing the teams for 2020's major competitions have not been selected, but simply having the chance to fight for a quota place at the Tokyo Olympics is a dream come true – so I am really looking forward to that.

It's difficult to say just how great an impact shooting sports have had on my life. It has given me a goal to work towards, along with the chance to travel the world surrounded by great team-mates and friends.

There has been a lot of hard work along the way, with a sacrifice or two, but the feeling of competing across the globe, visiting the Forbidden Palace in Beijing and heading off on a horse Safari in Australia will stay with me forever.

It's difficult to say just how great an impact shooting sports have had on my life.

BILL MOUSSALLI

1ST ENGLISH SKEET VETERAN, 4TH ENGLISH SKEET OVERALL

Gun: Beretta D10
Ammo: Eley Hawk Select

2019 has been a very successful year for me. Making the England Skeet team for the seventh consecutive year and finishing as the number one Skeet Veteran, with a 98.5% average across 1,600 targets, are both achievements I am very proud of. I was Captain of the England Skeet team

this year, an honour and a privilege that I will never forget. My highlight of 2019 has to be the English Skeet Home International in Mulroy, Ireland. I captained the England team and took the Super Vet's High Gun, won the Super Vet's team category with Johnny Walker and Steve Leppington, won the Captains Cup and shot the highest score of the England team.

In 2020 I am looking forward to shooting the England selection shoots, with the hopes of making the England team for an eighth consecutive year. The standard of English shooting is very high at the moment, so if I am to have any hope of making the team I will need lots of quality practice!

I would especially like to thank my wife, Sharon, for buttoning for me and for being by my side with her positive attitude during competitions.

1ST ALL ROUND OVERALL, 2ND AUTOMATIC BALL TRAP OVERALL, 10TH SPORTRAP OVERALL, 13TH ENGLISH SPORTING OVERALL, 14TH UNIVERSAL TRENCH OVERALL

Gun: Blaser F3 Pro
Ammo: Hull Pro One, 28g, Size 7.5

My highlights of 2019 have included winning the Blaser World All Round Championships at Fauxdegla in August and qualifying to shoot Universal Trench as part of Team GB.

In 2020 I hope to carry on enjoying shooting as much as possible and competing in as many championships across as many disciplines as I can.

It's always great to feature in the top 20, but I wouldn't

be where I am today without the support of my sponsors.

I've been using Hull Cartridge's Pro One range for 15 years and always find them to be smooth and consistent, with excellent patterns and hits. Blaser UK has kindly assisted me with an F3 Pro that can be finely tuned for any discipline, and of course, Ian Mulliner of Mulliner Guns has always been a great help.

I hope to carry on enjoying shooting as much as possible

JAMES BRADLEY-DAY

1ST FITASC JUNIOR, 1ST ENGLISH SPORTING JUNIOR, 1ST COMPAK SPORTING JUNIOR, 10TH ENGLISH SPORTING OVERALL, 13TH FITASC OVERALL, 3RD OVERALL COMPAK SPORTING OVERALL

Gun: Beretta 692 and Beretta 694
Ammo: Hull Sovereign Range

2019 has been a great year with lots of great results, but winning the Junior title at the ICTSF World Sporting Championships in July was a massive highlight.

It feels fantastic to be ranked as the top Junior for most Sporting disciplines, and to make the top ten overall in English Sporting and Compak. Looking at the names making up the top ten overall in each discipline it would seem that I am in good company.

I have recently switched over from my Beretta 692 to the new Beretta 694. It's an amazing gun and I've taken to it really well. There are plenty

of shoots that I'm looking forward to in 2020, but in general I'm most looking forward to the challenge of moving up from Juniors into the Seniors category, and trying to put my name on some of the 2020 major championship silverware.

ABT & ESK NATIONAL INTER-COUNTIES

Reports from the two National Inter-Counties in October, held at Nuthampstead Shooting Ground and Dartford Clay Shooting Club.

THE NATIONAL INTER-COUNTIES AUTOMATIC BALL TRAP

Held on 13 October at Nuthampstead Shooting Ground, Tony Coulstock won the High Gun title, with a near-perfect 99/100. Sue Bate won Ladies with 94. William Gilbert's 97 not only took the Junior title, but also put him in joint third overall.

A shoot-off was required to decide the Veterans team event, with Yorkshire and Norfolk tied on 187/200, Yorkshire emerged victorious. Devon took the Senior team title, with Surrey taking Ladies. Herefordshire and Worcestershire took Juniors.

THE NATIONAL INTER-COUNTIES ENGLISH SKEET

Held at Dartford Clay Shooting Club on 19-20 October, five shooters scored the coveted 100/100 – Andrew Harvey, Martyn Fleming, Garry Cooke, Leon Gill, and Neil Faulkner. However, it was Cooke who walked away with the High Gun trophy after the shoot-off.

As is often the case in English Skeet, ties had to be settled in each category. In Veterans, Bill Moussalli and Peter

Mylam tied at 99. Peter took the title by countback. Wendy Taylor and Isabel Russell each shot 97 to tie for the lead in Ladies, with Wendy taking High Gun by default. Brother and sister Callum and Megan Jones tied for first

Brother and sister Callum and Megan Jones tied for first in Juniors

in Juniors with 96, but after the shoot-off Callum walked away with the win, having shot 24/25. Though perhaps better known for his English Sporting prowess, Tristan Hockey, shooting at his home club, took the Colts title with a 96.

In the team events, the Yorkshire and Northampton Seniors tied, each team having completed the difficult feat of only dropping nine targets for a 491/500. Yorkshire won by default. In the Veterans, Essex dropped a mere seven to win with 193. Ladies was won by Essex and Juniors by Northampton.

INTERNATIONAL

WORLD CUP FINAL

2019 had been a disappointing season for Amber Hill, making only one final in a World Cup. The World Cup Final in Al Ain UAE changed that. Amber took her first individual medal of the 2019 season, winning silver in a world record final.

Amber finished the qualifying rounds on 122ex125, just one target behind Caitlin Connor (USA). Shooting the first 20 targets straight in the final, dropping only one target at the 50 target mark, Amber was just one target behind the leader, Meng Wei (CHN). Four of the last seven targets got away, which gave Amber silver. Meng Wei took gold,

having posted a world record score of 59ex60 – what a good final!

In windy conditions, Amber took her second silver medal of the event, when she and Saeed Almaktoom (UAE)

were paired by random selection for the

President's Trophy Mixed Team Skeet event. It was touch and go in the gold medal match, with Caitlin Connor (USA) and Luke Argiro (AUS)

leading the way until the penultimate

station. Both dropped a target, leaving Amber and Saeed ahead by one target, with one station to go. Amber and Saeed each let a target go, leaving Caitlin and Luke to clean up, which they did very effectively.

TOKYO QUOTA PLACES

GBR has its full quota (two) in Trap Men, however there are still a couple of opportunities for GBR to gain quota places in the other disciplines: the European Qualification Tournament (shotgun), two places each for skeet Ladies and Men, plus one place for Trap Ladies.

There is also one place for each discipline from the ISSF rankings. For the top ranked athlete who has yet to win

a quota place and whose country is still eligible for a quota place. The Skeet Men, Ladies and Trap Ladies will need to be on their best form for the early part of the 2020 season.

Three of the Skeet shooters are nicely placed in the rankings, and so would be in with a chance of gaining the ISSF quota place.

An exciting year lies ahead, so good shooting to all our athletes. 🎯

IAN COLEY'S GOLDEN YEAR

Celebrating their 50th year in business, **Annwen Joffe** looks back at the history of Ian Coley Sporting, and ahead to 2020.

Q What can we expect to see from you in 2020?

A: 2020 marks our 50th year, so we have lots of exciting events planned to celebrate this milestone! We will be exhibiting at the British Shooting Show in February, hosting our second annual Ladies Open Sporting Competition in September, and running our popular Sporting shoots and Open Days, among other events and special offers.

Q What inspired Ian Coley to start shooting?

A: Bob Braithwaite's Gold Medal success at the 1968 Olympics inspired Ian to become involved in competitive shooting, having caught the clay shooting bug just four years before. Everything about the sport captivated him, he knew it would become a lifelong passion. Now a six-time Olympic coach, Ian first shot for Great Britain in 1971 and has represented the country on over 200 occasions since. In 2012, after coaching Richard Faulds MBE and Peter Wilson MBE to Gold at the Sydney and London Olympics respectively, Ian was awarded an MBE for his services to the sport of shooting.

Q When did the ground open, and what do you offer?

A: Ian started the shooting school in 1987 with the then landowner. The aim was to set up an Olympic Trap layout and run corporate clay shooting events. In 2010 Ian moved his existing gun shop, Ian Coley Gunsmiths, from its premises in the High Street in Cheltenham up to the new site.

We currently have 24 Sporting stands, each with a minimum of two traps; three permanent high towers ranging up to 120ft; several mobile lifts; a DTL layout and purpose-built grouse butt. We also have covered stands so you can have fun whatever the weather. Our layout will be further extended in the very near future – so watch this space!

Q How has the ground developed over the years?

A: Originally the shooting ground consisted of just ten traps, and little more than a tent to run the hospitality side of things. The existing building was expanded in 2010 to house the gun shop and offices. Since then, we have developed additional stands so that today we have over 80 traps in operation and regularly host events for over 100 people. In 2015, we were delighted to be awarded CPSA 'Premier Plus' status for our 'outstanding facilities and overall shooting experience.'

Q What are your three tips for shooting well here?

A: Set aside plenty of time if you want to try your hand at all the targets – bring lots of cartridges!
Have a lesson to iron out any bad habits, work on mental practices, physical techniques and conquer whatever targets you find the most testing.
Have fun! This is why 99% of us started shooting in the first place, and we shouldn't lose sight of that.

Q What makes Ian Coley Sporting special?

A: Our team makes Coley's special. We have a wide range of skills and experience that sets us apart, and we're all constantly trying to improve. We are a 'one-stop-shop' where you can learn to shoot; try a gun, buy a gun, get it fitted and learn specialist competitive or game shooting skills – all on the same site.

YOUNG SHOTS

by Will Page

BRITISH OPEN ENGLISH SPORTING 2019

I started the course badly, rather nervous and somehow managed to miss incoming targets the size of dustbin lids! I put this behind me and focused on the next stand, with the support, help, and banter of the squad I was shooting with I managed to gain composure and finished the day with a good score. I qualified for the finals day not only in Colt category but in B Class as well.

I had never shot a major shoot before let alone returned to shoot in a final.

Strangely, I was not at all nervous shooting the 75 clays and realised I had reached joint first at 64/75 with Darcy McBride. This meant we had to enter a shoot-off for first place in both Colts and B class.

I kept the nerves at bay before the shoot-off by mentally switching off from the competition and enjoying the sausage rolls and cups of tea at High Lodge. After the first ten targets

Strangely, I was not at all nervous shooting the 75 clays

we were neck and neck on 8x10 – we then had to move to a different layout and shoot sudden death. Darcy dropped one from the pair of targets so I had to hit the pair to win in front of a huge crowd and many World Champions. I kept a cool head and hit the pair, winning by one clay.

That one shot on a rabbit target awarded me the Colt and B Class title for 2019.

I was actually more nervous going up for my trophies and standing on a podium in front of what felt like 20,000 cameras than when I was in the actual shoot-off itself!

LOOKING TO THE FUTURE

As this is my final year in the Colts category I hope to shoot in many competitions, focusing on maintaining good shooting scores and improving my averages.

I have started a mental change in the last month and have shot consistently in the high 80s at every shoot that I have entered. I hope that this is the change I need to shoot my full potential in the 2020 season!

TIPS FOR YOUNG SHOTS

TIP 1 Find a competent gunsmith or instructor to get your gun fitted correctly. A well fitted gun should feel like an extension of you.

TIP 2 Experiment with cartridges, what your friends shoot with may not work for you – its all trial and error until you find the cartridge that suits you.

TIP 3 Be confident in your choice of chokes (if you have the option to change between stands). Chokes play a big part in giving you the edge in a competition – if you think you have the right choke then stick with it, you will be psychologically a step ahead.

TIP 4 Don't dwell on missed clays, don't chuck your empty cartridges away in a temper. Every missed target should teach you something for next time!

TIP 5 Be polite and presentable within shooting grounds. Always thank your refs as good manners cost nothing. Remember to enjoy yourself on the day.

TIP 6 Have a go at all the disciplines at different grounds, and stick with the one or ones you enjoy shooting the most.

WHERE DO I WANT MY SHOTGUNS TO GO FOLLOWING MY DEATH?

Many readers will be able to answer this question without hesitation. They may be more concerned about how to give sufficient information to their families to ease the process after their passing, without the potential implications of giving unauthorised access to their shotguns. Honorary Solicitor **Laura Saunsbury**, answers regular queries from readers on this delicate issue.

“ Start by making a clear written note of what you wish to happen to each of your guns following your death – this may not necessarily be the same in all cases. ”

As a certificate holder, you will be aware that you cannot allow anyone to have access to your shotguns, unless that other person also holds a shotgun certificate or is authorised in some other way to possess shotguns. So how do you avoid leaving your loved one in a situation of having no idea what to do with your guns, or how to access your gun cabinet after your death, without the more immediate risk of getting yourself into trouble with your firearms enquiry officer?

WHERE SHOULD I START?

Start by making a clear written note of what you wish to happen to each of your guns following your death – this may not necessarily be the same in all cases. You may be happy for some to be

sold, and for your next of kin or estate to benefit from the proceeds of sale. Alternatively, if some of your guns are of particular monetary and/or sentimental value, you may wish to leave them to one or more specified individuals, in which case it would be sensible for your instructions in relation to those guns to also be included in your will as specific bequests. The process of transferring your shotguns after your death to chosen family members or friends may be quite straightforward, if those other individuals already hold shotgun certificates. However, bear in mind that even if your loved one does not share your enthusiasm for shooting, should they wish to simply keep your shotgun as an heirloom or treasured memento of you without ever using it, the police still

ought to grant them a shotgun certificate for that purpose.

Whether or not you make a will, you would be well advised to lodge a copy of the note detailing your wishes with your gun dealer, along with a spare set of keys to your gun cabinet. This will enable the dealer to promptly take your guns into storage following your death, pending them being transferred or disposed of in line with your wishes. This will alleviate the problem of the guns remaining in your home for anything more than a very short period of time after your death and so minimise the risk of others who live in the house being deemed to be in unlawful possession of your guns.

Providing your nominated dealer only has the means to gain access to your gun cabinet and does not also have keys to enter your property, the dealer cannot be deemed to be in constructive possession of your guns during your lifetime.

WHY IS PLANNING AHEAD IMPORTANT?

Planning ahead in this way will mean that the only information you need to give your partner or other next of kin, is the details of the firearms dealer they should contact upon your death. It also

ensures your guns will go to a dealer who you are confident will understand and fully respect your wishes. When the time comes, the dealer can then relieve your grieving family of the extra burden of liaising with the police to notify your death, on top of everything else they will no doubt be struggling to deal with.

ARE THERE ANY ALTERNATIVE ROUTES?

If you are unable to find a firearms dealer in your local area who is willing to provide such a service, consider contacting a specialist company, such as Artisan Rifles, which provides a bespoke firearms executor service. Another alternative is that your next of kin or executor of your estate will be able to apply to your local police firearms licensing department for a temporary permit. This will give them legal authority to possess your shotguns for a sufficient

period, enabling them to make the arrangements to transfer your guns in accordance with your wishes, or to a specified gun dealer for sale or other disposal. As with many aspects of life, planning ahead can make matters easier for your family. 🍃

RECOIL BUSTER

REVIEW

THANKS to Honesberie Shooting School.

This issue we look at an exciting new product from Austria, designed to lessen perceived recoil when shooting.

The aptly named Recoil Buster has been designed over the last three years, and was launched into the market in August 2019. We met up with Karoline Kronsteiner from Recoil Buster, and clay shooting instructors John Timmis and 1996 World English Sporting Champion Carl Bloxham at Honesberie Shooting School to find out more about this exciting product and try it out.

HOW IT WORKS

Recoil reducing systems have been available for many

years, but the Recoil Buster is very different as it is not a compressible system. It is completely rigid and works on springs and an inertia switch. It uses an inertia weight when the gun is fired to activate the system, which resets after firing the first shot. This is very similar to how a trigger system works, where the second barrel is set after the first barrel is fired. Because it stays rigid, there is no natural reaction to pull the gun in tighter to the shoulder,

“It’s a different kind of recoil, you will get used to it very quickly, typically around 2-300 shots and you won’t even be aware of it”

which can actually increase perceived recoil. The rigidity of the system also ensures that you are always shooting with the same length of stock for every shot, again this is unique in recoil dampeners.

RECOIL BUSTER IN USE

Carl Bloxham advises, ‘It’s a different kind of recoil, you will get used to it very quickly, typically around 200-300 shots and you won’t even be aware of it’. In use we would definitely agree with this, upon first firing you can notice the system moving and it feels a little unusual. I was surprised how quickly it became normal. The test gun with the system fitted was a Beretta 686 White Onyx Silver Pigeon. We fired everything from 36g down to 21g and recoil was minimal, even on the heavier shells. In fact, when using 21g there was no recoil whatsoever. This is where John Timmis believes that the Recoil Buster will be valuable when introducing youngsters to shooting, as they will not be aware of

recoil. John is so impressed with the system that he and Carl have already brought guns fitted with a Recoil Buster into their ground at Bredon School. It also aids better shooting as the system reduces recoil by 50%, also eliminating muzzle flip completely – see the video on their website for evidence.

BUYING OPTIONS

Recoil Buster can be bought in two different ways, as a complete replacement stock which has the system within it. This retails for around £1,300. Alternatively you can buy the damping unit, comb and butt plate for around £825 and have it fitted to your own stock by your stock maker. If you prefer to have the system fitted by the team at Recoil Buster then you can send your stock to Austria for an additional cost.

We were really impressed with this new product. If you have issues with recoil then you should take a look at Recoil Buster. 🌿

Yorkshire Success at the National Inter-Counties DTL 2019

I am so pleased to report on the successes of the Yorkshire DTL team at this year's National Inter-Counties DTL at Northampton Shooting Ground.

A massive congratulations to this year's Senior team (Nigel Chapman, Dave Garrett, Martin Jeminson, Paul Osborne and Stuart Kitchen). Each team member posted an excellent score for their county securing the title. Well done all, superb result.

In the categories the Ladies team (Charlotte Kitchen and Leanne Powell) were victorious for the fourth consecutive year. With the Veterans team (John Laverick and John Adams) and the Junior team (William Taylor and Beth Peacock) performing very well in tough conditions.

Leanne Powell, Emma Holden and Andrea Swatts.

A special mention must also go to Nigel Chapman, who was the individual High Gun of the event. Nigel posted an unmatched 100/299, fantastic shooting.

I would like to thank all of the team for traveling the long journey to Northampton to support their county. Thanks must also go all the staff at Northampton Shooting Ground for an excellently run shoot. **Charlotte Kitchen**

3 Nov 2019: North Region Sporting Championship, Mount Farm Sporting Clays

Firstly, a special thank you to Phil Rowbottom and the team for hosting the event at such short notice. Also thank you to Keith Roe and TD Shooting for setting the targets and running the event. With both target setters' pedigrees, the shoot was anticipated to be one to remember – it did not disappoint. All the targets were more than hittable but the different angles, speeds and distances that were on offer tricked you if you became complacent. The shoot received a great turnout with 136 entries participating throughout the day that was blessed with perfect weather conditions.

High Gun was 92 with two shooters sharing the accolade, Joshua Bridges was crowned North Region Champion. Along side Joshua,

Janet Bridges was crowned Lady Champion with 69. Veterans title was won by Andy Loving with 79. The Junior title was won by Liam Clark with 63. Finally the Colts title was won by by Alf Bartle with 71 after a shoot-off.

Thank you to those that came and supported the event, and to everyone involved behind the scenes. **Tom Brown**

22 Sept 2019: North Region County Championship, East Yorkshire Clay SG

There was a turnout of 49 shooters. The Overall winner of this shoot was Daniel Breedan with a score of 100ex298. He had to work for this title as Adrian Parish also had the same score. They went into a shoot-off and Dan came out victorious. Adrian didn't go away empty handed as he is the North Region Veteran Champion. This wasn't the only shoot-off to occur as there were three Ladies with a score of 100ex297, which is an outstanding performance from all of them. The Ladies were Andrea Swatts, Leanne Powell and Emma Holden. There was also a shoot-off to see who would be crowned North Region Ladies Champion, Emma Holden retained this title. William Taylor shot a 93ex276 to win the Colts North Region Champion title. Congratulations to all the winners and thank you to everyone who turned up. A massive thank you to the ground for holding this event which ran so smoothly, we look forward to holding more events here soon.

29 Sept 2019: DTL National Inter-Counties Championships, Northampton SG

There was a turnout of 95 shooters, the North region did a fantastic job representing the region. Nigel Chapman from Yorkshire was the overall High Gun winner with a score of 100/299. Emma Holden from Lancashire was the Ladies High Gun winner. Cheshire County CPSA AGM

Attention all Cheshire shooters, the date for our AGM is Wednesday 5 February at Catton Hall Shooting Ground, starting at 7.30pm. Everybody is welcome.

28 Sept 2019: West Midlands Individual Sportrap, Garlands SG

Congratulations to Tony Dean for shooting a magnificent 97, and coming second Overall and first in AA Class. Also scoring well on the day were Brett Davies with 88, Ian Cunliffe with 86, Paul Ellis with 85, and Miles Machin with 81.

20 Oct 2019: National Inter-Counties ESK Dartford SG

After missing out on a gold medal in the West Midlands Inter-Counties, due to a miscalculation of the scores, we rallied round and formed a team to shoot the Nationals. The team performed well, with a combined score of 473ex500. Chris Bethell scored 98, followed by Jack Hope with 96, Colin Babcock with 95, Jim Wagstaff with 93 and Jacqui Slater with 91. Thank you to all the team for travelling to Dartford and competing so well.

20 Oct 2019: West Midlands Area Inter-Counties ABT at Rugby

The weather was good with light cloud and little wind, six teams competed over the three layouts at Rugby and District Gun Club. Corsivia clays gave good contrast and scores were high. Cheshire maintained a good position throughout, with shooters Thornley, Culverwell, Faux, Gowrie, O'Donnell, and Whitehurst giving their best. Cheshire won the silver medal out of the six teams, with Paul Gowrie High Gun for the team with 95. Well done to you all.

Cheshire's Year of DTL

With six selection shoots at the early part of the year, the teams needed to be in place for the West Midlands Inter-Counties event at Fauxdeglia Shooting Ground on 25 July 2019. The Seniors took silver, Vets silver, Juniors silver after a shoot-off for gold, and a fantastic gold for the Ladies team of Nicola Booth, Jane Hitchmough and Emma Percival.

Some got a bit wet at the DTL Weekend at Bywell, but all shot well.

Our Cheshire shooters were doing well on the first day of the Eley Sponsored DTL. Eleanor Hardy won the Ladies title and also third in the Juniors. In Colts we had Toby Hurstfield, just 12 years old, in third place as well.

On the second day, the Dougall Memorial, we had Toby Hurstfield winning C Class and second in Colts, with Tom Roberts winning Juniors and Eleanor Hardy coming third in the Ladies. And so to the English Open, first in A Class went to Jez Frith and in Colts, Toby Hurstfield was third.

Congratulations to Tom Roberts, who achieved a place on the England Junior team at the Home International.

Then to the National Inter-Counties at Northampton Shooting Ground on 16 October. The Senior team was placed third, and the Junior team of Eleanor Hardy, Tom Roberts and Toby Hurstfield took the Runners-up medal.

In July it was the European DTL Championship at Bywell Shooting Ground. It attracted entrants from all of our home nations and France, 253 in all. John Barnett from Mickley Hall shot a 197/588 and came third in the Veterans class.

So overall a great DTL season for Cheshire at all levels, and the numbers in all categories are looking good too.

Well done also to Pip Driver (Ladies Team) on her first appearance for Team Derbyshire DTL. Thanks to all Derbyshire shooters for making the trip and for their efforts and commitment on the day, it is very much appreciated. 27 Oct 2019: DTL, Mid Wales

Shaun Gardener shot well for joint fourth Overall and joint second in Seniors.

31 Oct 2019: Shropshire ESP Championship, Longridge

Junior Matthew Bower became Shropshire Champion after shooting 87, securing him first place in class and category for the overall shoot. Matt, who is only in his first full year of competitive shooting, has a great future ahead of him. Last year's Champion Dave Harley was a single target behind, taking gold in Seniors. Paul Stokes won silver in Seniors and Dan Whittall, bronze. Dan has performed well during 2019. Archie Hughes won silver in Juniors with a great performance. Josh Sarjant won Junior bronze, but is still very much a Colt! Roy Jones won gold in Veterans, David Ward silver, and bronze went to Trevor Lewis. Ladies gold was won by the perennial Julie Burton and silver went to Jan Dixon. Jan has now represented Shropshire in All-Round, DTL, ESK and ESP. Congratulations to all our winners and thanks to everyone for supporting the County. Many thanks to the Longridge team for hosting.

10 Nov 2019: DTL, Mid Wales

Alan Brookes shot well for third Overall and fifth Veterans.

16 Nov 2019: ESK and SKD, NWSS Sealand

Trevor Lewis shot 98 ESK for Joint second Overall, second in Veterans, and joint first in A Class. He then shot 48ex50 SKD for second Overall, second in A Class, and first in Veterans. Please contact Trevor if you would like to shoot some competitive ESK for Shropshire – he is the Team Manager.

British Shooting held their Grand Final

Over the last weekend in September, British Shooting held their Grand Final at Fauxdegla Shooting Ground in Wales.

Staffordshire's Dominic Cooper had qualified for the finals by finishing fourth in the Senior rankings, which was achieved by reaching three finals, shot over the year in the British Shooting Shotgun Series.

Dominic, who was competing against the 11 other best Senior OSK shooters in Great Britain, got off to a good start and after day one was in fourth place, with 68ex75.

Day two arrived and the weather was just as bad as previously, however Dominic put in a strong performance, finishing the competition with 116ex125. He qualified for the finals in second place after a shoot-off for a bib number. Once in the final, Dominic hit 53 of the 60 targets and won the gold medal.

In his first year as a senior shooter, Dominic would like to thank his coaches John Robinson and Richard Brickell for all their help.

Well that's nearly all the competitions done and dusted for this year, by the time you all see this they will be finished. We've had a fair year of shooting, we've won some and lost some but on the whole we performed well with the teams we fielded.

This year, for the first time in a long time, we have had teams in all the Nationals, not full but at least some teams. In the Inter-Counties, we had some good results to show for our efforts, so thanks to all who participated in them, you did Cambridgeshire proud.

We will have set most of the dates and venues for next year by now so keep an eye on the Facebook page and the website, we will try to keep it up-to-date as more details emerge. Thanks to the committee efforts this year in getting the events going.

The annual AGM will be Thursday 16 January 2020, at the Quy Mill Hotel & Spa, Cambridge CB25 9AF 7.00pm start. I hope to see you there.

Hello everyone, firstly, the Home International Olympic Trap. One of our boys, Gary McCann was the Team Manager, steering the England gang to the Championship gold medal position. Well done team England and well done Gary.

The British Open Sporting. Steve Brightwell won the bronze medal, was Runner-up in AA Class in the Sportrap and was Veterans High Gun also. Good on you Steve!

The East Midlands teams in the British Open Sporting were awarded gold in the Seniors, Ladies and the Juniors. Well done to you all.

The British Open Single-barrel DTL. In Juniors, Connor Harris is now the British Open Champion, Junior Champion and also the English Open Junior Champion. The 'Dads Army' Veteran member was Bob Tucker who took the Veterans gold medal. What more can I say, magic! Well done.

Last but certainly not least, local shooter Kevin Borley is the 2019 FITASC UT World Veteran Champion. Thank you all for putting Leicestershire and Rutland firmly in the 2019 winners role of honour.

The L&R AGM will be on 28 January 2020 at the Premier Inn, Hinckley Road, Leicester.

Winning Ladies team EM Inter-Counties ABT – Jackie Houghton, Janet Stennett.

Winning veteran team – EM I/C ABT – L-R Marvin Houghton, Dave Shepherd, Elena Taylor (Team Manager), Norman Smith, Dick Cooper.

With all the County Championships concluded by the end of September, October was very much 'team season'. As these events were predominantly national events, it meant our teams were racking up some serious mileage to represent the county.

6 Oct 2019: National Inter-Counties English Sporting, Honesberie Shooting Ground

Of all the disciplines, English Sporting is the most popular, so this event attracted a big entry. To come away with any medals was a huge achievement. All our teams performed well, but the Junior team were exceptional, finishing as Runners-up. Jack Page was the top scorer on 85, a score which also earned him the Colts High Gun title. Jack was ably supported by Alex Horton with 81 and Kallum Burrell with 81.

13 Oct 2019: National Inter-Counties ABT, Nuthampstead SG

Teams had to contend with wind and rain but in spite of this there were some fantastic scores. Top scorer for Lincolnshire was Pete Atkin on 97, supported by Stuart Whitehead (93), Steve Smith (93), Phil Thomas (91), John Stephenson (88) and Gary Boardman (82). The Veteran team of Marvin Houghton (95), Dave Shepherd (90) and Dick Cooper (89) finished just two targets adrift, behind the tied winners and Runners-up. Closer still were the Ladies team of Jackie Houghton (88), Elena Taylor (86) and Saira Boardman who finished just one point behind the winners.

20 Oct 2019: National Inter-Counties Skeet, Dartford CTC

This event was a logistical nightmare for team manager Chris Bone, with numerous changes to the teams and difficulties in getting suitable time slots. For the first time we fielded a Junior team of Callum Burgess and James Harvey. Both lads are under 16 and were up against some tough competition, from older and more experienced Juniors. For both of them to achieve a personal best and to finish fifth

out of eight was very commendable. There was personal glory for James' Dad, Andy, who racked up one of only five 100-straight over the weekend. The shoot-off whittled the competition down to the final two – Andy and Gary Cooke. In fading light one slipped away from Andy, but picking up a silver medal after competing against the best in the land cannot be a disappointment.

27 Oct 2019: East Midlands Inter-Counties ABT, Nottingham & DGC

The end of British Summer time also brought the last shoot of the 2019 season. We went out with a bang as both the Ladies and Veteran teams came away with the glassware for the second year running. The Ladies team of Jackie Houghton 82, Janet Stennett 78, Saira Boardman 72 and Caroline Hawkins 68 finished well clear. But the Veterans team, Marvin Houghton 90, Dick Cooper 86, Dave Shepherd 82 and Norman Smith 78, had to wait until the scores from the last squad were in before claiming victory by just four targets. The weather conditions were tricky, especially early in the day, causing some disappointment for the Senior team and a gun malfunction meant that Richard Gray shot most of it single-barrel. Top scorer for the Seniors was Phil Thomas on 83.

30 Sep 2019: Home International Fitasc, Atkin, Grant & Lang

On the National stage our very own George Cheer was part of the winning Junior team. This concludes a very successful season for George who has picked up medals at the European and World Compak Sporting and World Sporting in Chicago and Ireland.

Norfolk Senior team ABT Champions.

William Gilbert Junior High Gun ABT Intercounties.

Elise Dixon Junior Ladies gold, Rebecca Fergusson Ladies silver.

Robert Flowers, Andy Bowers, Simon Owen and Niall Crumpler. The Veterans team of Paul Owen, John Reynolds, Ray Dawes and Mike Eales gave a sterling performance, bringing home the silver. A special mention to William Nicholas, this was Williams second ABT competition, he is a welcome new addition to Norfolk's Junior team. Whilst Norfolk didn't win the overall Junior team, well done to William Gilbert for taking Junior High Gun.

Elise Dixon made the most of a sunny October half term, competing in the Olympic Trap event and with more than 120 shooters in attendance, it was a busy international competition. Elise finished the season securing her first Junior Ladies gold medal, beating the Finnish Junior to take top spot.

Skeet: Senior Andrew Lea, Veteran Bob Meadows. DTL: Senior Leon Gill, Veteran Laurie Cookson, Colt Alex Banning. Single-barrel: Senior Leon Gill, Veteran Laurie Cookson, Colt Alex Banning. ABT: Senior Dave Morgan, Lady Kirstin Vogel, Veteran Mick Russell. Double Rise: Senior Jo Smith, Veteran Bruce Bulmer, Colt Alex Banning. Universal Trench: Senior Neil Long, Veteran Tony Clayton.

Shooter of the Year was awarded to Isabel Russell. Isabel has not only shot county, Regional and National events, she has also been team manager for the Inter-Counties Skeet team and represented the country in the International arena.

The county committee wants to thank all those shooters who took part, and for the team managers who spent time collecting shooters together. If you have any ideas or suggestions about encouraging shooters to compete, please see Roy or Marty.

Isabel Russell took a full squad to the National Inter-Counties Skeet Competition at Dartford. Unfortunately, changes made to our squad times meant that we were unable to fully contest some of the titles. Whilst the county Junior team won outright, the Seniors were Runners-up by default. In the High Gun categories, Neil Faulkner and Leon Gill both shot magnificent 100s and Isabel Russell shot a wonderful 97.

If you have any events that you would like to see organised, or have ideas about encouraging new shooters into the sport, please see Simon, Roy or Marty with your ideas.

Finally I would like to thank all those who took part in the county competitions for the year. The county has over 400 CPSCA members and a wonderful 73 took part in the championships this year. A special thanks to all those who entered more than one competition and an extra special thanks to Jo Smith, Roy Tyler, Mick Russell, Dave Morgan and Laurie Cookson. These five shooters entered five different discipline competitions this year to give the Supreme Championship competition its full lease of life.

Ladies team first place went to Tracey Sizeland, second to Heather Pointer and Thalleia Jennings. Junior first was William Gilbert and Thalleia Jennings.

Norfolk travelled to Nottingham District Gun Club for the East Midlands Region Inter-Counties ABT Championships. It was no surprise that Norfolk's Senior team would be on top form, securing overall first place. Well done to Jason Matthewson, Richard Gilbert,

Nottinghamshire Skeet Doubles

A very wet Orston Shooting Ground was the venue for the Skeet Doubles County Championship on 22 September 2019. 18 of our County Shooters braved the weather to battle it out for the county prizes.

Tom Clifford showed his skeet pedigree once again by retaining the High Gun title and the AA Class with an excellent 94, just one point ahead of Neil Howard, who had to settle for the C Class Trophy. Hayley Denoon also retained her title in Ladies with 89, Rennie Lowbridge was top in Veterans on 91. There were no Juniors unfortunately, but Matt Hall and Mathew Armett battled it out in Colts yet again, Mathew won this round with an excellent 89.

Darren Watkinson added the B Class title to his list of County accomplishments for this year, scoring 87, and Adrian Snell claimed the A Class prize with 89. Thanks to Dan and Emily and all the team at Orston for an excellent championship.

Nottinghamshire Single-barrel

Sunday 20 October saw Nottingham and District Gun Club hold the county Single-Barrel Championship. It was a mostly dry day but with a changeable and cold wind it made for challenging conditions. Russ Hufton was the overall winner with 95, Gordon Hodgkinson was the Veteran Champion on 80 and Karen Donnelly won the Ladies and C Class on 74. Peter Armett won AA with 88 and Andy Cain

completed the prizes, winning B Class with 89.

Well done to all shooters. Unfortunately there were no Juniors competing. Thanks to all that were able to attend and support this event. Huge thanks to the referees and for all the team at Nottingham GC.

Team News

ABT: Well done to the Notts Junior Team of Oliver Sampson and Matt Hall, scoring 85 and 75 respectively to win the Junior team event at the Regional ABT Inter-Counties at Nottingham Gun Club on Sunday 27 October. Well done also to our Seniors who put in a target score of 347, which led all day until Norfolk took the victory. Darren Watkinson was the top scorer for Notts on 88, with Adrian Snell 86, Rob Denoon 87, Elvin Lawson 86, Granville Hodgkinson 83 and Mick Feather 71 having to settle for the Runners-up prizes. Well done to Matt Hall who placed third in Colts at National Inter-Counties DTL at Northampton.

Supreme Championship

Well done to our Supreme Championship winners listed below and huge thanks to all of our sponsors. County Supreme High Gun: Darren Watkinson, Senior High Gun: Rob Denoon, Super Veteran: Ash Parfement, Ladies High Gun: Megan Gamble and Colt High Gun: Mathew Armett.

71 shooters, 35 from Suffolk, heading out to see who could take the top spot. Robbie Butters would be this year's County Champion on a whopping 97ex100, followed by Ladies Champion Pauline Chapman on 93. In Juniors, honours would again go to County Top-Shot Henry Bevan on 92 and Veterans would go to Eric Chapman on 90. Thanks to the team at High Lodge for holding this shoot.

Essex V Suffolk Challenge 2019

This year's challenge was Suffolk's choice, and the committee decided it would be English Skeet at Eriswell Lodge, to be held on 3 November 2019. With a great turn out from both counties, we are pleased to say that Suffolk have again retained the trophy with a combined top five score of 488ex500 against Essex's 477ex500. Thank you to everyone who came to support this shoot, next year it will be their turn to pick the discipline and location.

East Midlands Directors Trophy 2019

A huge congratulations goes to all of our county shooters this year, as Suffolk have yet again held on to the East Midlands Directors Trophy! This is the seventh year out of the ten that we have won this, a huge accomplishment. This year we also managed full points in four of the six shoots, and were only six points away from the maximum possible! So, thank you to everyone who represented our county to make this possible, this trophy will be awarded to Chairman Daren Parsons at the East Midlands AGM. Please keep an eye on our website and Facebook page for upcoming fixtures and events for the 2020 year and we look forward to seeing you all at next year's shoots!

The Avon AGM 2020 has had to be moved from its usual venue, due to the change in the management company and new policies on rental fees. The Avon 2019 AGM will be held at the Longwell Green Community Centre, Green Cafe Suite on Wednesday 29 January from 7.30pm, to start at 8.00pm. This location is only about one mile from the previous location and has free parking for over 200 cars. We are hoping for a strong turnout this year from members since there seems to be a new resurgence in interest, particularly from our sporting members.

We will be discussing reducing the numbers of championships and locations for the events in the 2020 season. Also, regional matters pertaining to the financial affairs of the SW Region and spending profile of the region throughout the last year will be discussed.

Just a reminder that Meadowcroft SG continue to hold regular registered shoots throughout the winter season, with both Sporting and Sportrap events and Pool shoots. There is also a number of practice days for both disciplines held every month on Sundays.

There is an email service available for upcoming events to be sent out directly to you, so if you are not already signed up, contact Dave Woolcott on 07802 467384 or email info@meadowcroftshoot.com.

Other good news is that Juthro's trap ground in Devon (Two Counties SG) has reopened, and is again holding regular DTL events each month with dates available on their website.

Any news please contacts us on email below for inclusion. The Avon website is hosted on the main CPSA website and can be accessed by selecting the 'get involved' tab and then selecting 'Your Region/County', or just go to sites.cpsa.co.uk/avon. Supreme Champion 2019

Another year over and a well attended set of Championships, many members accumulated points towards the Supreme Championship title. Andy Head was one such member that made the various trips to Hampshire Championships, collecting quite a good quota of points and looking a favorite. Then Roger Deacon and Ron King, both past Champions, began their come back. Ron collected nine points in Sportrap and nine points in the All-round, plus points in five other disciplines. Roger however, scored a perfect ten points in the Sportrap and nine points in the sporting plus points in seven other Hampshire championship competitions. The final results are Roger with 47, Runner-up is Ron on 38, with Andy Head on 37. Well done to all the members that tried so hard collect the points.

2019 Hampshire Supreme Champion Roger Deacon, Richard Faulds MBE presenting.

Roger Deacon will see his name yet again appear on the great trophy, we wipe the score board clean and start collecting again in 2020, so do please support the Hampshire Championships.

New year 2020

I would like to thank the Hampshire CPSA team, especially our Secretary Lauren Goodman, for keeping the information and organisation of the committee on track.

With Richard Faulds as Vice Chairman, making many evening trips to the West Country with Lauren to attend the South West region meetings, putting forward Hampshire's suggestions and collecting information on the Inter-County venues and rule changes etc. Many thanks also to Britta Beach for her continued work on the website, altering and adding the scores of the Championships within hours of the competitions finishing, amazing work. And of course our thanks go to Brian Coupe for keeping track of the money as the Treasurer. Thanks also to the discipline managers, Chris Bloxham and Neil Lockton along with the others who make sure the cups and badges are at each championship venue.

Hopefully 2020 will bring a Hampshire company sponsor, who will advertise their name on the backs of the Hampshire teams. A few hundred pounds to advertise would go a long way to encourage members to try and make a Hampshire team.

2019 Champions

Starting earlier in the year, Rod Gould yet again became Olympic Trap Champion, Alan Saunders English Skeet, Phil Marks English Sporting, Ron King the All-round, Richard Faulds Compak, James Biddlecombe Olympic Skeet. The trap champs are, Automatic Ball Trap Ian King, Down the Line Dave Toomer, Universal Trench Steve Tarrant, Single-Barrel Mark Bryant, Sportrap and Springing teal champ Roger Deacon. All the South West and Inter-County Championships are now all completed, as a county we did reasonably well. Of the 41 SW Championship titles that we competed, Somerset won seven, which put us third in the region. Of the 29 Inter-County team titles that were competed for, Somerset won eight of them, putting us top in the South West. This was off the back of a great effort by the Ladies shooters in the county, who between them won five of those titles. The Ladies were backed up by the Veterans who won two titles and the Juniors who also won a title.

Some further notable mentions from the last *Pull!* report go to Emma Stacey, who won the SW Ladies Sportrap title, Wendy Spackman who won the SW Ladies Double Rise title and Theo Coleman for winning the South West Junior FITASC.

Also apologies if anyone picked up on the

mistake in the last report, it should have read that the 2020 Somerset AGM will be held at the Pipers Inn, Ashcott, TA7 9QL at 7:30pm on Monday 3 February. Hope to see you there!

As always, if there is anything that you want to raise with us then please contact any of the Committee members or myself by email.

Inter-Counties Championships

The county had a successful year in the Inter-Counties championships. At the South West Inter-County Sportrap at Owls Lodge, both the Seniors and the Juniors won. At the South West Inter-County Sporting at Owls Lodge, the Juniors won and the Seniors tied for first place, only just losing out in the shoot-off. Well done to all who took part. 19-20 Oct 2019: FITASC Sporting, Inter-Counties Championship, Southdown GC

A good entry and teams from all counties, with the exception of Berkshire SER Chairman Johnny Johnson in attendance.

The Oxfordshire team consisting of Matt Hance, Chris Broomfield, Karl Field, Henry Young and Roy Cherry emerged the winners 444ex500.

Surrey second, Buckinghamshire third, Sussex fourth, Hertfordshire fifth, Kent sixth, Greater London seventh and Essex eighth.

The Champion was Roy Cherry (Oxfordshire) with 92, Lady Champion was Amy Easeman (Buckingham) with 79, Junior Champion was Billy Greenwood (Surrey) with 86, Colt Champion was Ollie Tyler (Hertfordshire) with 66, Veteran Champion was Barry Green (Oxfordshire) with 87.

I imagine that everyone had a great day and my thanks go to Helen Drury and the team

at Southdown Gun Club for organising this championship on behalf of the South East Region.

BUCKINGHAMSHIRE

SAMMY HALSEY

sammy@elliottoflondon

Another good month for a variety of Bucks shooters.

The National Inter-Counties Sporting was held at Honesberie Shooting Ground, after a few complications on the scoring our Bucks Men's Team – Billy Baughan, Ricky Draper, Steve Scott-Smith, Doug Thompson, Jamie Gutteridge and Marcus Walker ended up second Overall! Our Ladies Team didn't disappoint either ending up fifth overall.

The South East Inter-Counties FITASC Championships was held down at Southdown Gun Club, Bucks Team came overall third, our top Lady shooter Amy Easeman came away with Lady Champion and Barry Green was Veteran Champion, huge thanks to everyone who made the long journey down there.

On a slightly sadder note, we all said

Firstly, I would like to say that I hope everyone is having the best Christmas and New Year, I am sure 2020 is going to be a great year and bring on the shooting season!

The Essex AGM takes place at The White Hart pub in Witham on Wednesday 29 January at 7.30pm. We would love as many Essex shooters there as possible this year. It is a chance for anyone wanting to come onto the committee to be voted on. We would also love for as many Juniors and Colts to attend this year as well.

National Inter-Counties Skeet at Dartford Gun Club

The Skeet National Inter-Counties was held at Dartford Gun Club, with Scott and Kelly as always running a superb event on this cold but dry weekend. Essex did exceptionally well bringing home first place in Ladies, Veterans, Colts and taking Runners-up in Juniors. Unfortunately the Senior team didn't manage to come anywhere, despite shooting some excellent scores. What a fantastic effort made by the whole team. A massive thank you also goes to Allen Warren who is our skeet doctor and coach.

Veterans Ray Simmons 96, Gary Bridger 92, Peter Stanton hope 97. Ladies Jackie Martin 96, Tracy Lowrie 92, Katie Durrant 93. Colts Emily Chumbley 54, George Billington 74,

Andy Arnold Side-by-Side Champ.

Peter Stanton-Hope st Skeet Inter-Countries.

Harry Willis Juniors team champion.

Mack Kempton 88. Juniors Runners-up: Tom McCluskey 90, Ryan Dodd 84, Harry Willis 95.

Essex Side-by-Side Championship

Eastwick Shooting Ground held the Essex Side-by-side competition on 27 October. This saw Andy Arnold winning the shoot with a score of 61.

5-6 Oct: National Inter-Countries Sporting
Honesberie played host this year to the National Inter-Countries over two days. Essex managed to put in full teams across the board which was brilliant, but unfortunately were not able to come away with anything this year. There were some great scores however, and the rounds could have been argued to be tricky. The weather was good (much better than what it was in Essex those days) for shooting. Well done to all winning teams.

A pretty wet day for all. Many thanks to the parents and Allan Warren who helped out. Winners as follows: Colts Sebastian Noakes, Ladies Alison Nicol, Ladies Colt Maddie Russell, Seniors C Cheng.

29 Sep 2019: Inter-Countries UT

In Nuthampstead, Herts came third with Andy Dearman, Paul Devall, Brett Winfield, Dominic Cherry, Nigel Caves. Captain: Dominic Cherry.

19-20 Oct 2019: Inter-Countries FITASC

19-20 Oct 2019: National Inter-Countries English Skeet Dartford

Herts Fielded a small team for this event. As there are category teams, we struggled

getting numbers due to clashes with other events. Alfie Tibbles shot a personal best of 94ex100, with Henry Robertson scoring a great 81ex100 with a borrowed gun, due to his gun malfunctioning 30 mins before the start. Herts Skeet Team: Ray Janes, Henry Robertson, Alfie Tibbles, Jane Andrews, John Robbins, Andrew Drury, David Smith, Alan Bennett, Philip Rosier. Captain: Ray Janes.

27 Oct 2019: Hertfordshire Side-by-Side championships, Eastwick shooting ground

KELLY HOCKEY

With the season over, we see Kent host its last championship at Dartford Clay Shooting Club with the floodlit sportrap, this is always a super shoot to finish the season off nicely. We had 70 shooters participate in this event, with some good scores in. One to mention was James Bradley-Day with an amazing 96ex100, brilliant shooting James.

Young Tristan Hockey has again been short listed for Young Shooter of the Year in February for the CPSA awards, we wish you all the best.

Kent AGM will be held in February with a date to be confirmed, there will be a complementary buffet and once again, Scott will be putting on another fantastic Sportrap layout for all to shoot.

We would also like to congratulate the Kent team on their performance at the National Inter-Counties skeet who placed third in the Senior team. Thank you for your continued support and well done to each and every one of you.

Here's hoping you are having a very Merry Christmas and a Happy New Year. Oxfordshire committee had a busy time organising the yearly charity shoot in aid of Thames Valley Air Ambulance. The day ran without a hitch thanks to the Oxfordshire Gun Company. Thank you to all those who supported us and we managed to raise almost £700 all of which will go to the deserving charity. The remaining money will go towards the Oxfordshire CPSA funds for future events. Thank you to many generous shooters who donated their winnings back to such a worthy cause.

Oxfordshire Helice County Championships, Rugby Trap Club

Well done to the 28 shooters turned out to participate in a challenging shoot.

Congratulations must go to Steve Cox who shot an impressive 20ex24, making him the Oxfordshire Helice County Champion. Second was Stuart King who shot 18ex24. Third in Oxfordshire was Pete Farrell who shot 17ex24. Well done to you all for taking part in a discipline that you don't usually shoot.

Oxfordshire UT County Championships, Rugby Trap Club

Two counties (27 shooters) turned out to shoot the Championship. Pete Farrell won the title of UT Champion again by shooting 89ex100, beating Stuart King by just one target. Well done to you both.

20 Oct 2019: South East Regional FITASC

Oxfordshire became the South East Inter-Counties Champions after 90 shooters took part at Southdown Gun club. Congratulations to Roy Cherry for achieving the top score of the day, making him South East Inter-Counties

Individual Champion. This was closely followed by Karl Field and Chris Broomfield. The winning team were Roy Cherry 92ex100, Karl Field 91ex100, Chris Broomfield 90ex100, Matt Hance 86ex100, Henry Young 85ex100 and Pet Easton 73ex100.

9 Nov 2019: 100 Reg FITASC, Westfield

The weather was questionable but it saw 84 shooters attend. As always the targets were challenging and tested even the best shooters. Oxfordshire Matt Hance shot a very impressive 96ex100 missing out on High Gun by just one pesky clay. Well done Matt.

3 Nov 2019: 100 ESP, Garlands

Oxfordshire's Jonathan Plant won B Class with an impressive score of 85ex100. Well done Jonathan! 77 shooters turn out.

The committee are working hard to organise the next big event in the calendar which needs your support. It's the yearly presentation dinner. It's being held on Saturday 28 March at 7.15pm. A three-course meal and disco is on offer. More details are available on the Oxfordshire CPSA Facebook page. All shooters are welcome to attend and we hope that numbers will be even better than last year. It's a really good night and gets like minded shooters out together for an enjoyable evening. Tickets are available from Steve Cox at Banbury Gunsmiths 01295 265819, by leaving a message on the Facebook page or email me and I will arrange them for you.

That just leaves me to put a request out to you to contribute to this results page with any of your achievements. Happy and safe shooting everyone!

19-20 Oct 2019: FITASC Inter-Counties

At Southdown Gun Club, the Surrey team of Jamie Passant, Chip Smith, Sarah White, Keith Archer and Billy Greenwood came second to Oxfordshire, beating Buckinghamshire into third by one point. Well done team, every target counted.

Danny Smith was second in the South East Veterans category, while Billy Greenwood went one better, literally, scoring 86 to win the South East Juniors title.

20 Oct 2019: Side-by-Side County Championship, Clandon

This was hosted by Guildford & District Gun Club on Sunday 20 October over a 60 target, eight stand layout, tuned for side-by-side users including a combined high and low driven, even a double rabbit. Peter Saich retained the Surrey championship with 43, Andy Smith was second with 37 and James Faulkner was third with 36.

In the event for side-by-side users from outside Surrey, Ivor Dadswell from Sussex retained the Webley and Scott Trophy scoring 42. Runner-up was Alan Crook from Hampshire with 38 and Philip Saich from Berkshire was third with 33.

Thanks to GDGC for providing a varied layout, and thanks to Surrey Committee member Andy Smith for assisting with booking-in, organising the squads and scoring.

27 Oct 2019: English Skeet South East of England, NCSC

Surrey were represented by Maddy Boyd, taking a break from her very successful Olympic Skeet season to win the South East Junior English Skeet title.

OSK Grand Prix at Jarapalo, Malaga

Surrey Junior Owen Lewis had a great result in the OSK Grand Prix at Jarapalo, Malaga in November. 16-year-old Owen qualified for his first International final in third place, then shot really well in the final, scoring 49ex60 to take the lead and the Gold Medal by two clear targets. Many congratulations to Owen from the Surrey Committee.

The future looks bright!

All in all it has been a very good month for Surrey Juniors, with Billy winning the South East Region FITASC Junior title, Maddy winning the South East Region ESK title and Owen winning the Junior gold medal in the OSK Grand Prix. It looks like the future of Surrey shooting is in good hands!

Looking ahead

The Surrey Committee are planning a Family day, to be held at The Star Gun Club, Chessington on Sunday 8 March 2020.

There will be a couple of 'have-a-go' stands with CPSA Instructors (subsidised by the Surrey Committee) and also a Sporting shoot for the more experienced members of the Family. The Star are an established ground with a

selection of targets to suit all abilities, there is a comfortable Clubhouse and food will be provided. Please see the website for further details. Sponsorship welcomed.

Surrey Supreme latest

The final placings in the Surrey Supreme Championship will now have been decided. Trophies will be awarded at the AGM for the Overall winner, second and third places, plus a trophy for the top Lady, Junior and Veteran. At the time of writing, Glen Boxall has a commanding lead and has clinched the top spot, but the winners of all other categories are still to be finalised. Please look at the website to see if you are a winner, and of course come and collect your Trophy at the AGM. Don't forget to look at the website for full reports and Supreme Championship standings, and of course follow us on Facebook.

We held our AGM shoot and lunch at Sporting Targets in October. Tony Cox won the shoot with Kelvin Davies Runner-up, both with some fine shooting. Adrian Barron won B Class on the day. The AGM saw Tony Cox appointed as vice-chair for the forthcoming

season and Ben Woodham joining the committee.

It was confirmed that next year would see 100-bird discipline shoots mid/late season in addition to regional all-round shoots. To be victorious in the disciplines shooters would have had to do an all-round event, shooting in the particular discipline. This would encourage people to come to more than one event.

Louise Farmer attended from BASC and kindly donated a game day, in addition to the one won last year which Bob donated back to the group. Craig Williams won both in a sealed bid auction early November. Thanks to all three parties for their support.

We held a regional Christmas Shoot at Eriswell Lodge thanks to Jon, Stuart and Melissa for their hospitality. A brief report will be put in the next edition. We have also attended the Target Shooting Show in conjunction with Easy-Hit, thanks to Paul Rendell for arranging and attending.

Finally, please contact Sam to arrange payment of your 2020 subscription prior to the new season, a reduced fee of £10 or £15 with a pin badge and embroidered badge. This can be done by transfer or a cheque. Sadly the dual membership with CPSA will only be applicable for those who are new members of the CPSA.

Please note: These fixtures are those received by the CPSA by the deadline date specified. We strongly advise that you check with the organisers before travel to ensure that shoot dates are correct and have not changed.

As stated in our last issue, practice fixtures will no longer be printed amongst the rest of fixtures, in order to make it easier to find competitive shoots. Club and ground practice hours can now be found in the Club Directory on pages 57-59. Registered shoots, other competitions, and special practice fixtures (such as disciplines not normally available) will continue to be listed in fixtures here. Practice fixtures for grounds that have submitted them will still be online at cpsa.co.uk/fixtures. For any clubs or grounds who have not yet taken the opportunity to feature in the Club Directory, please visit cpsa.co.uk/club-hours-form to submit your hours and facilities information.

Insurance

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CP&A and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

Newmoon are authorised by the FCA under number 498667 and company number 6610290 at 85 High Street Tunbridge Wells Kent TN1 1XP

SHE SHOOTS, SHE SCORES!

Paul Dancer explains the Ladies Football to Clay Shooting Pathway to **Jasper Fellows**.

Q How did you first become involved in clay shooting?

A: I was introduced to clay shooting through corporate shooting in the 1980s. Nobody explained the concept of lead to me, so it didn't go too well. The second time I tried was at another corporate event, but this time with really good instructors, soon I was hooked! I joined my local club and shot my first English Open in 1996.

Q Why did you decide to become an instructor?

A: I had to retire from work due to medical issues – arthritis etc. I decided it was time to give something back to the sport I love, so in 2005, I trained to become an instructor.

Q Where did the idea of the Ladies Football to Clay Shooting Pathway come from?

A: Four years ago I met some of the Lionesses, the England Women's football team. During our meeting I realised that they had all the attributes a shooter requires – excellent hand-eye coordination, good sight, fast reactions, high levels of fitness and importantly, a highly competitive spirit. So I borrowed one of their coaches and took her shooting, before long my thoughts were confirmed, football players can make excellent shots.

Q What do the Ladies get up to on the Pathway?

A: Essentially, we hold instructional days for the Ladies. There are three coaches, myself, Mhairi-Ann Troup, and Vince Kisielowski. We help them to improve their shooting while also taking down their scores for the day, with awards for the top shots. While it's all about training, we include awards to help engage their natural competitive spirit.

Q Which football clubs are you currently working with?

A: At the moment we work with Birmingham City Women's FC and Aston Villa Women's FC. We have been hoping to get Wolverhampton Women's to

come and have a go too, but unfortunately time was against us in 2019.

Q How tough was it to set up a scheme like this?

A: It took us longer than expected to set everything up. We started with nothing, so had to find sponsors to help finance the events, which took time. Lea Marston Shooting Ground, along with Solware in Tamworth have been fantastic with their support, between them they agreed to cover the costs so that we could set up our first event in 2017. We have also had the support of Yvonne Mosquito, the previous Lord Mayor of

Birmingham. I felt that she was particularly focussed on the issues women face in industry, sport, and everyday life. She kindly agreed to a visit and helped to hand out prizes and gave a very inspirational speech to the ladies.

Q What are your hopes for the future of the pathway?

A: I want to take it nationwide. Women's football is growing, with more players and more leagues being added every year. While that can make it difficult to find a time when they aren't playing matches, it also means there is a greater pool of women interested in competitive sports. I have contacts at the majority of professional women's teams, I just need some CPSA instructors and coaches to get in touch so that we can start setting up more events across the country.

Q How can our readers get involved or find out more?

A: If there are any coaches or instructors out there who would like to get involved, please contact me via email dancerpw@aol.com or by phone on 07817 015470 and I will give you the details of your local professional women's football team.

OUR VEHICLE

The Isuzu D-Max puts your mind at rest when it comes to choosing the perfect pick-up. It's powerful—with 164PS and 360Nm of torque, it's convenient—meeting Euro 6 emission standard without the need for Adblue, and it delivers over 40MPG# combined (all manual models).

Coupled with the superior capacity to tow 3.5 tonnes* and a 1.1 tonne payload on all Double Cabs, it is the whole package. Since Isuzu understand how important a

vehicle is for leisure and work, they offer a 5 year/125,000 mile warranty** and 5 year roadside assistance across UK and Europe for total peace of mind. Plus when you need a pick-up that's not afraid of the mud, the Isuzu D-Max showcases incredible off-road capabilities with a switchable 4x4 system, Electronic Stability Control and a Traction Control System with ABS.

BRED FOR THE HUNT

In addition to the standard specification, the Huntsman features a lockable, out of sight aluminium drawer system as well as ample bed space for dog boxes or equipment. Outside, it combines form and function to great effect—available in the discrete Cosmic Black Mica or Obsidian Grey Mica, its sophisticated exterior styling ensures no dazzle or shine while on the hunt.

The black 18" wheels with Pirelli All Terrain tyres and high-mounted towbar allow for excellent ground clearance, meaning the Huntsman offers incredible capability. To enhance ride comfort and handling, the optional Huntsman Plus Pack features the Pedders Suspension Kit. Designed for increased suspension travel whilst improving vehicle stability.

PRAISED FOR STYLE & SUBSTANCE

As the outdoor pursuits of choice and voted 'Best Model' in the 4x4 magazine's pick-up of the year awards, it's no wonder the Isuzu D-Max has claimed the title as the no.1 pick-up for shooting.
