

The last couple of years have seen many changes for ESK shooters in respect of the selection process. Feedback has been received and following conversations with members of the ESK community and approval from the CPSA Board of Directors, the following selection process was agreed and will be implemented with the aim not to review for the next 5 years unless required.

Members will be invited to submit their best 5 ex 100 scores from 3 different grounds, from the period 1st July 2019 - 28th February 2021. ***Please note that this extended date range is only applicable for the 2021 selection. From next year the qualifying window will revert back to 1st July - 28th February of the following year.*** Scores can be submitted using this link. [Click Here](#)

Once the scores have been submitted, the CPSA will collate and put them in numerical order (highest to lowest). From this list the top 60 Seniors, 15 Juniors, 15 Ladies, 15 Veterans and 15 Super Veterans will be invited to attend the selection shoots.

From now until the review in 5 years time, there will be just 2 selection shoots. The grounds for selection will rotate annually within the regions of North and South.

The selection shoots will be run over 200 targets, with both scores to count. Therefore if you are unable to attend one of the shoots, you will not be eligible to have your scores presented for consideration into the team.

After the 2nd selection shoot, the CPSA will calculate the scores and select the team. If at the end of the 2nd selection shoot there is a tie for a place, there will be a shoot off to determine that place. The team will be selected on scores and members will be placed in the category that we feel will benefit and produce the strongest team.

This process has been considered and discussed with a number of people within the ESK Community and as such a process that not only meets the requirements for selection but that is considered fair to ALL shooters.

If you have any questions, please do not hesitate to email me at england@cpsa.co.uk

Many thanks and best regards

Clare Heney

England Team Coordinator
