WELCOME

APRIL
2019

I was fortunate to attend the CPSA Coaches Day held at Doveridge Clay Sports on 11 March, where I got out and spoke to many of our Coaches and Instructors – and even helped a few squads that were short on squad numbers in the Zoli flurry. I'd personally like to thank Edgar Brothers for making the event possible and for their continued support. A report on the day is on page 13, and I invite anyone who is interested in starting on the CPSA Coaching pathway to look at our courses offering on page 10.

I particularly recommend to you the article by CPSA Honorary Solicitor Laura Saunbury on how social media can potentially affect shotgun certificate applications and renewals (page 20). We live in a world that is placing constant scrutiny on our sport, so not only can individual behaviours on social media affect your standing with the firearms officer when renewal time comes, but it can also affect public perceptions on our sport as a whole.

Finally, I'd like to encourage everyone who is attending the Northern Shooting Show (11-12 May in Harrogate) to invite any friends or family who have never shot to our Have a Go clay line as an excellent introduction to the sport. We look forward to meeting members old and new at the show.

CPSA AT THE NORTHERN SHOOTING SHOW

We are excited to be returning to the Northern Shooting Show this year from 11-12 May in Harrogate. Here we will be running our have-a-go clay line under the expert supervision of CPSA Coach of the Year 2019, Simon Arbuckle, and his team of CPSA Coaches.

The show boasts one of the largest clay lines in Europe at over 600 meters. Featuring the CPSA have-a-go experience, there will also be competitions at all levels, and a manufacturers demonstration area where visitors can try out the latest guns.

We are also pleased to announce that pre-booking will be available for the CPSA clay line through our website at cpsa.co.uk/nss19, so encourage potential new shooters to book and come to meet us at the show. Edgar Brothers are providing the guns for our clay line, with a range of guns sized for all shapes and sizes. We will also be running a free-to-enter competition at our stand to guess how many cartridges are in a glass container, with some great prizes up for grabs.

HIGH LODGE HOSTS THE BRITISH OPEN SPORTING & SPORTRAP CHAMPIONSHIPS

High Lodge, Suffolk, is host to the British Open Sporting & Sportrap Championships in August and has been awarded first place for 'East's Favourite Shooting Ground 2019' and second place 'Trap Nations Favourite Shooting Ground 2019' as voted by readers of Clay Shooting magazine. The venue also offers luxury accommodation with hot tubs and a range of other activities. Open six days a week, plus some Sundays, it offers 'Pay & Clay' shooting as well as instruction for all abilities. For more see highlodge.co.uk or call 01986 784647.

BYWELL SHOOTING GROUND OFFICIAL OPENING EVENT

Since its inception in 1980, Bywell Shooting Ground's business and commercial development has gone from strength to strength. More recently, the shooting ground has undergone a substantial transformation.

A year ago a major re-development of the gunroom and shop facilities began as the business had simply outgrown its current premises. The gunroom, retail space, and cartridge

store were all set to be hugely expanded to cater for the ever-growing customer base. It was a complex project requiring numerous stages of construction and shop fitting but after 12 hard months work the grand official opening took place recently, with huge support from the gun trade, including Perazzi, Rizzini, Blaser, Ceasar Guerini, Beretta, Browning, Sako, Tikka, and Hull Cartridge Company.

THE INSTITUTE OF CLAY SHOOTING INSTRUCTORS FIRST 2019 COURSE

Please contact ICSI Council Member Andrew Kirkland for details at andrew.kirkland2@btinternet.com or 01283 540928 / 0780 334 5670.

As part of its programme for continued professional development, ICSI has designed a one-day course on the role of the loader during driven game shooting.

The course contains classroom modules on the many facets of the loader's roles and responsibilities, covering both single gun and double gun loading. All techniques and practices of all aspects of loading are reviewed, including etiquette in the game-shooting arena.

Practical loading is undertaken, commencing with 'dry-firing' practice and progressing to live firing with single gun 'stuffing' and double gunning, using clays for simulated high pheasant shooting, together with grouse and lowland partridge targets. The challenges of instructing while acting as a loader are addressed and a comprehensive manual accompanies the course.

Clays are included in the fees – a certificate of attendance and an 'ICSI Loader' lapel badge are awarded. Refreshments and a buffet lunch are also provided. The cost is £150 for ICSI members and £200 for non-members.

The First ICSI Loaders Course for 2019 will be held at Doveridge Shooting Ground on Wednesday, 5 June. Entry is open to clients who have completed a CPSA or BASC Safety Course as a minimum entry qualification.

ELEY HAWK LAUNCHES THE FIRST BIODEGRADABLE WAD

Eley Hawk is the first UK manufacturer to launch a fully biodegradable and dissolvable wad for steel cartridges that they say will leave no trace in the environment. The wad is made of hydrosoluble ingredients that dissolve within 24 hours in water.

It leaves behind no plastic residues and breaks down into biomass and with its trace minerals will actually have a positive composting effect on the soil it breaks down into. Read more at eleyhawk ltd.com.

TIME LIMITS CLARIFICATION

Laura Saunbury answers your email queries on her time limits article that was featured in the March issue of Pull!

Thank you to those eagle eyed members who evidently read my legal articles closely. A number of you have asked me to clarify one point from my article last month about time limits to notify the police of various transactions, specifically in relation to whether it is necessary to notify your licensing authority when you transfer a shotgun to a firearms dealer. I can

I am grateful to the members who have raised this query with me via the CPSA

confirm that only permanent disposals to a dealer, i.e. if you have sold it to a dealer or you are giving it to them to dispose of as scrap, need to be notified to the police. There is no requirement to notify police of temporary transfers where you retain ownership of the shotgun or firearm. The Home Office guidance to police confirms a firearm or shotgun placed with a registered firearms dealer or auctioneer for sale or return, i.e. on condition that if the dealer cannot sell within a certain period for at least the minimum price agreed then it will

be returned to you, is not regarded as a 'transfer'. Similarly, where you deposit a gun with a dealer for testing, repair or storage, this does not amount to a transfer of ownership and therefore does not need to be notified to police. I am sorry if my article last month was misleading on this point and apologise for any confusion or concern caused. I am grateful to the members who have raised this query with me via the CPSA, and to the editors of Pull! for giving me the opportunity to clarify this issue at the earliest opportunity.

Level 1 Instructor Training Course (ITC)

£695

The course will teach you how to check eye dominance and gun fit, show you how to teach the CPSA Method, and how to recognise shooting errors and correct them. Lasting for four days and consisting of classroom time, off-and on-range workshops and a final day of assessments. It covers crossing, rising and dropping targets and equips instructors with the knowledge to tackle a huge variety of targets. The criteria for qualification is that the candidate can get a novice to hit a moving target safely using the CPSA Method. Candidates must have attended an IDW within the previous two years.

I attended the CPSA Shotgun Skills Course, with Iain Stirling, and found it very helpful and informative. The emphasis on gun safety was particularly useful and I felt that the course was good value and that I learned a lot. Equally important, the course encouraged me to want to learn more and to take additional courses to improve my shooting. – Brian

CPSA COACHES DAY

Coaches and Instructors came together for professional development, competitive shooting, and networking at our annual event, sponsored by Edgar Brothers & Zoli and hosted at Doveridge. **J. Grant Repshire** reports.

CPSA Coaches Day 2019 was held on 11 March at Doveridge Clay Sports Centre, where CPSA Coaches and Instructors had the chance to shoot Olympic Skeet, a 50-target English Sporting course and a 75-target flurry thrown from a high tower. They also received workshop training on gun fit and pattern plating delivered by the international coach and master gunfitter Chris Batha. The day began in the clubhouse at Doveridge, as all good shoots should start –with bacon rolls and hot drinks for the participants. After a welcome from CPSA CEO Iain Parker and other CPSA staff, participants heard about changes to the L2 Coaching Course from CPSA Tutor John Martin, before being sent out with their assigned squads to

The talk of the day however, had to be the Olympic Skeet

enjoy the day's activities. The flurry featured the chance for shooters to try out new guns from Zoli, provided by the event sponsor Edgar Brothers, who also supplied NSI cartridges. The talk of the day however, had to be the Olympic Skeet shoot. Being required to shoot gun-down at faster targets that can be thrown on up to a three-second delay after the call of 'Pull!' was the undoing of many fine shooters on this day. However, most walked away having enjoyed the chance to try something that they don't often do. Coaches found the pattern plating workshop helpful, but it was observed how unnatural it feels to shoot a stationary target with a shotgun. Throughout the day, Coaches and Instructors had plenty of opportunity

to network and exchange advice on techniques and training. In the clubhouse at lunchtime, discussions could be overheard ranging from techniques like using a drinking straw taped to the sight rail of a shotgun to aid fitting a shotgun's comb to the shooter's eye-line, right through to the use of digital technology in coaching. The sharing of information on how to use specialist coaching apps, videos, and photos to analyse techniques and even to get second opinions remotely from other Coaches is a sign of changing times. The day ended with an awards ceremony, with the combined Olympic Skeet and English Sporting High Gun going to

Ross Elgie, with joint runners up Peter Atkin, and Simon Arbuckle. The flurry was won by squad 15 consisting of Eric Goodison, Sammy Hasley, Iain Stirling, Fiona Thompson, and Richard Weller, who took home giant Easter Eggs and Musto vouchers as a reward for their great teamwork. **Above:** A squad of shooters competes in the Zoli Flurry. **Below:** Coaches and Instructors take the opportunity to shoot Olympic Skeet.

ENGLISH OPEN COMPAK SPORTING CHAMPIONSHIP

Emily Martin reports back from the event at Orston Shooting Ground.

It was a day of four seasons at Orston Shooting Ground for the BICTSF English Open Compak shoot on Sunday 10 March. There were moments of snow, heavy hail, gale-force winds and then bright sunshine. One thing was for sure, it certainly was a bitter cold day! However, this didn't deter the shooters' enthusiasm and commitment to what was a fantastic day of clay shooting at such a prolific event which attracted shooters from all over the UK and Europe.

One hundred targets over four layouts were shot, each presented with different backgrounds throughout the 53 acres. At times the targets were certainly wind affected, adding to the challenge of the day.

TARGETS

All the targets were set by Daniel Martin of Orston Shooting Ground and the scores reflected a true presentation of the quality of shooters who came to shoot, being part of the selection process for the European Compak Championships. It was a fully-booked shoot, with 150 entrants attending – a sign that this ever-growing discipline is certainly a popular one. The day ran smoothly and flowed throughout and it wasn't long before the results were in and shoot offs were taking place.

Steve Clark and Richard Faulds MBE finished on a fantastic score of 96ex100. Richard was crowned overall champion and gold medallist of the men's category by default. The winning lady was Becky McKenzie on a score of 92, closely followed by Amy Easeman in silver and

Cheryl Hall in bronze on scores of 89. The Junior category was won by the current European Compak Champion James Bradley-Day on a score of 94, followed by Lincolnshire-based George Cheer on a score of 89 and Ronnie Green on a score of 88.

the future of the sport is looking bright. Ami Hedgecock took the title though on 84, closely followed by Oliver Keates and Ben Cummings. The Masters category was won on a score of 78 by Alan Pearse.

Thanks must go to the team from Orston Shooting Ground for a wonderful event, and to BICTSF for running the event. Full results of the day can be found on the CPSA and Orston Shooting Ground websites.

2019 CPSA PREMIER LEAGUE

Richard Worthington reports on the first CPSA Premier League event of the season at E.J. Churchill on 23 February.

The 2019 Premier League series kicked off at E.J. Churchill on Saturday 23 February with a great 100 Registered English Sporting shoot set over 14 stands. Despite the early morning mist, over 300 shooters took part in the event, many of whom also enjoyed a 100 Registered Sportrap too.

The mist soon burnt off leaving a beautiful, unseasonably warm day and the scores certainly reflected some red-hot shooting with Team Southdown's Chris Childerhouse taking the High Gun honours with a superb 97ex100, pipping Matt Peddle and Neil Lockton's second-place tie on 96ex100, and Richard Faulds and Kevin Howland's third-place tie on 95ex100.

However, Owls Lodge shooter Neil Lockton's huge 96ex100 in A Class gave him the maximum 100 (capped) with his handicap applied so many congratulations to him!

From a team perspective, Southdown's top ten combined scores took the top spot with 941ex1,000. Owls Lodge came in second place just five behind on 936ex1,000, while E.J. Churchill and Cambridge Gun Club tied on 921ex1,000.

We now look forward to the next leg in the series at Owls Lodge Shooting School on Saturday 9 March. In the meantime, please visit cpsa.co.uk/events/premier-league to see the scores so far.

Team registrations are still open and to be eligible for a share of the fantastic series prize fund from our generous sponsors Browning, Promatic, Gamebore, and Sunglasses for Sport you must register for a team and shoot a minimum of five of the ten fixtures. For full details and to register for your Premier League Team please see the link above.

Neil Lockton's huge 96 ex 100 in A Class gave him the maximum 100...

WHAT DOES YOUR SOCIAL MEDIA PROFILE **SAY ABOUT YOU?**

Honorary Solicitor **Laura Saunbury** gives advice on the pitfalls of social media and how not to put your shotgun certificate at risk.

It is widely accepted now that you should be cautious about what you post on social media sites, because you cannot safely assume it will never come to the attention of your employers or prospective employers. However, it may not have occurred to you that your local police force may similarly assess your social media activity to judge your behaviour and attitudes, and whether this makes you a suitable person who can safely be permitted to possess firearms or shotguns.

I am not suggesting that police firearms licensing departments routinely monitor every certificate holder's social media activity. However, if concerns are brought to their attention about what you have been posting, or they have more general concerns about your behaviour or opinions you have expressed, be aware that the police may start to investigate your social media persona. In that event, the police will consider not only material which you have written yourself but also posts by others which you have re-posted or 'liked'.

Unsurprisingly, the police will be concerned if your social media activity includes threats of violence or expressions of support for serious violence, or in particular circumstances, for example, "I don't see what's wrong with shooting burglars". However, I have also seen plenty of cases where shotgun and firearm certificates have been refused or revoked through posts which it never occurred to the individual could

have any relevance to their suitability to hold guns.

Bear in mind that what you viewed as a bit of harmless fun or an innocent joke, which you never intended anyone to take seriously, may not necessarily be received by others in the same way. It could be interpreted by the licensing authority as an indicator that you will not cooperate with them or comply with your obligations as a certificate holder, that you may be mentally unbalanced or harbour extremist views which are incompatible with gun ownership.

Some examples of social media mistakes I have seen in the past which have cost individuals their certificate are:

- Expressing views about the law relating to firearms which is either incorrect or does not accord with accepted views on the subject.
- Suggesting or implying the police are stupid and do not understand firearms law.
- Expressing or supporting strong racist, homophobic or other intolerant views.
- Being 'friends' on social media with others who have serious criminal convictions or who post material which would be a cause for concern.
- Photographs and videos of shooting in circumstances which the police might deem to be unsafe.
- Posts which suggest you engage in drug use or excessive alcohol intake.
- Information which identifies you as a certificate holder with your location, risking the security of your firearms.
 - Inflammatory remarks about your partner, especially in the context of you going through a relationship breakdown, such that there is an increased risk of further tension.

Nobody would wish to restrict free speech, the police and the courts included, and often they will recognise that what is said on social media has to be taken 'with a large pinch of salt', but unfortunately it can be all too easy to give the wrong impression. The reality is that such posts are handing the police a reason to take your certificate away from you, and the court might well agree with the concerns voiced by the police. Keep in mind that posting any item which could attract complaints from others who may see it is itself a risk if they might complain to police.

So, the next time you are tempted to react in haste to what others have posted, pause for a moment to consider what your post may say about you. Once posted, its going to be very difficult to take back that controversial remark.

Laura Saunbury is a consultant solicitor with a leading London law firm and has ten years experience as the Association's Honorary Solicitor and shotgun licensing advisor.

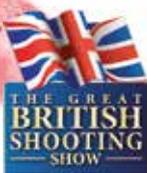

I have seen cases where firearm certificates have been revoked through posts

adjustments to my gun fit if necessary." Unsurprisingly for a professional Trap shooter Theo's gun is further customised with ¾ and full fixed chokes.

When it comes to cartridges, Theo keeps it Italian, "I always shoot Cheddite cartridges as I find them very smooth and they give great hits. I tend to use their Smart Strikes or Oro cartridges while training but switch to their Mach 3s for competition shooting. The Mach 3s tend to have better weight quality control, so I feel more comfortable shooting them in competition."

THE RIGHT LENSES

Shooting glasses are an absolute must, but not just for safety. There is a distinct advantage to finding the right lens for the lighting conditions of the day.

"I tend to use purple lenses in good light," Theo explains, "and green in dull conditions. I find this helps my eye to pick up the target against a darker background." His Pilla Outlaw X7s are essentially just one

big lens with adjustable wrap-around temples that can be clicked on and off quickly and easily. The idea here is to give the shooter an uninterrupted sight picture, without any rim or nosepiece to get in the way. When it comes to hearing protection, Theo sports a pair of Peltor Optime ear defenders. These simple yet effective ear defenders are extremely popular among shooters for their affordability and comfort.

Next up we have Theo's Castellani Rio mesh vest. It's a well-made piece of kit with tough quilted padding on the shoulder and two large cartridge pockets, but also very lightweight. When you're travelling to competitions as often as Theo it pays to keep things lightweight, "I try to keep my kit bag as simple as possible. I don't carry any extras, I literally only have my skeet vest, glasses, ear defenders, gun oil, and a hat."

Maybe that's the key to the Ling's shooting prowess, keep it simple. If, like Theo, you are breaking records at The European Shooting Championships aged only 19, then I think you can let your scores do the talking. 🍀

WHAT'S IN MY KITBAG

Trap sensation **Theo Ling** shows **Jasper Fellows** what it takes to win and what gear he loves.

What is it about the Ling family that makes them all such devastating shots? Genetics?

Something in that Somerset water? Or do they just really hate clay pigeons? Hopefully we can all become a bit more 'Ling' as we learn what the clan's Junior shot, Theo, brings with him for a day of competition.

As a Perazzi team member Theo proudly sports his High Tech 3. However, it's a new addition to his kit bag. "I used to use a Perazzi MX2000/3," Theo says, "but

I have just started using a new Perazzi High Tech 3. The High Tech has a wider action and is overbored which helps to reduce recoil. Hopefully this will give better consistency over a longer period."

...I tend to use purple lenses in good light... and green in dull conditions...

Perazzi famously build each gun to the shooter's specifications at its factory in Botticino, Italy, a fact not lost on Theo, "I set up my MX2000/3 with an adjustable glove grip stock from Perazzi. I've gone for the same set up with the High

Tech 3, so that I can more readily feel the difference between the two guns while still being able to easily make

STARTING 2019

So it has been a great start to 2019, I changed guns in December from a Browning 725 30in to a Browning 725 ProSport 32in. I'm still getting used to it, but so far my scores have increased. The new gun is fully adjustable, with a weighting system and adjustable comb, and after a few adjustments it seems to fit me very well. I have been doing a lot of practice over the winter months – concentrating on taking targets a little later. I had picked up a bad habit of shooting too quickly, which looked good, until I started missing relatively easy targets! The new gun has helped as the extra barrel length slows my swing.

CALLING ALL YOUNG SHOTS!

SOCIAL SUPPORT

Most sponsors will want you to post, tweet or share information on their products. My sponsors consist of Laporte-CPC (Traps and Clays), Lyalvale Express (Cartridges), Laycroft Park (Gun), Teague (Chokes), Starkey Headsets (Pilla glasses), MacWet (Gloves) and Vario (hearing protection).

I meet them regularly at shows and shooting grounds. It is important not to be shy. Try to chat with all your sponsors and give them feedback on your shooting and their products. If you are looking for sponsorship, patience and improvement is the main thing.

I am also sure not to forget to pass on my thanks after a good shoot or win to all of my supporters, too.

CPSA ANNUAL AWARDS 2019

I was lucky enough to be nominated for Young Shot of the Year at the CPSA awards, finished runner-up alongside Ross Lester with Tristan Hockey taking the top spot. It is a great event to attend, and good to meet with fellow shooters and friends.

FOCUS ON JACK RUANE DTL SHOOTER

At just 19, Jack Ruane holds the record for the youngest person to ever shoot 100/300 and the record for the youngest person to take High Gun at a Home International. He tells us, "I started shooting with my dad at our local grounds. I went to Park Farm to shoot and was asked if I wanted to come to the Hereford & Worcester AGM, where there was a small DTL 25-target competition. That was the first time I shot DTL – and I won the Junior competition. From then on I started doing all of the county competitions, winning six of the Colts titles that year.

He tells us, "I spend all week at university and then drive home at the weekends to shoot. During the summer, when most of the majors are on, university isn't on – so I have plenty of time to travel to the grounds."

His advice to other young shooters? "I would suggest starting with county competitions. Try everything. Find a discipline you enjoy – then stick with it. Then attend majors and registered competitions, then go for the England team. Even if you don't make it the first year, use that experience for the next time. Any young shot must enjoy what they do. This is the most important part – I always shoot my best when I'm enjoying shooting. Don't be despondent with failures or hurdles. I missed making the England team three times before I finally made it."

DON'T FORGET TO BOOK INTO THE MAIN COMPETITIONS

All the competitions are now open for booking, most of them offer a Junior or Colt discount at time of publication (the English Open English Sporting is fully booked and has a waiting list). Check the CPSA and BICTSF booking sites for all the information, and look out for the other events that the grounds promote. Don't be afraid to try something new – Compak and Skeet are easy to pick up and both Olympic Trap and Olympic Skeet have Team GB talent pathway days that you can attend.

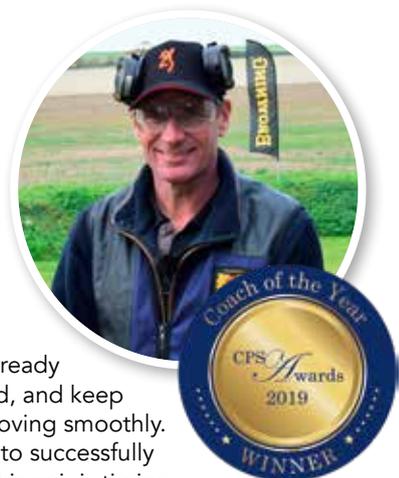

HOW TO
HIT

*SHOOTING A
SIMULTANEOUS
PAIR USING SWING-TO
AND MAINTAINED LEAD*

CPSA Level 3 Senior Coach **Simon Arbuckle** teaches us how to hit a simultaneous pair (quartering R-L blaze standard and L-R black standard) using two different methods.

In this article, I'm going to discuss how to shoot a simultaneous pair of standards using a different method for each shot: Swing-To followed by Maintained Lead. Please refer to the image with graphics below as you read this article.

The first target (labelled A) is a blaze standard, quartering right to left from behind the pallet with the Browning screen on it. The second target (labelled B) is a black standard crossing left to right and rising over the trees. Because it's a simultaneous pair, you haven't got the luxury of being able to take the gun back to a new gun-hold point for the second shot, therefore you've got to be able to get onto it swiftly using a different technique other than the CPSA Method.

You're going to want to break the first target at its peak or thereabouts. You should first see target A about a third of the way along its flight line, so that's where to establish the visual pick-up point. The way to shoot this target is with the Swing-To method, using the dynamics of the shotgun, that is, the combination of the spread of the shot and a tight angle, to

take care of the lead.

Mount the gun where you intend to break the target, take the gun back about a third to halfway down the flight line, then take your eyes back further again between the barrel and the trap to the visual pick-up point. Call 'Pull', focus on the clay, let it go past the barrel, and then swing the gun smoothly to it and take the shot. That will then nicely leave the gun in position for the target coming from the left, essentially making the break point for the first target the gun-hold point for the second target.

You should then try to break target B roughly above the Browning flag and the screen. The visual pick-up point for it is about a third of the way along its flight line. However, with this being a simultaneous pair, you haven't got the luxury of being able to take the gun back to pick it up and use the CPSA Method. Instead, hold the gun steady after taking the first shot, change your focus to the clay, then pull ahead and take the shot with

the lead already established, and keep the gun moving smoothly.

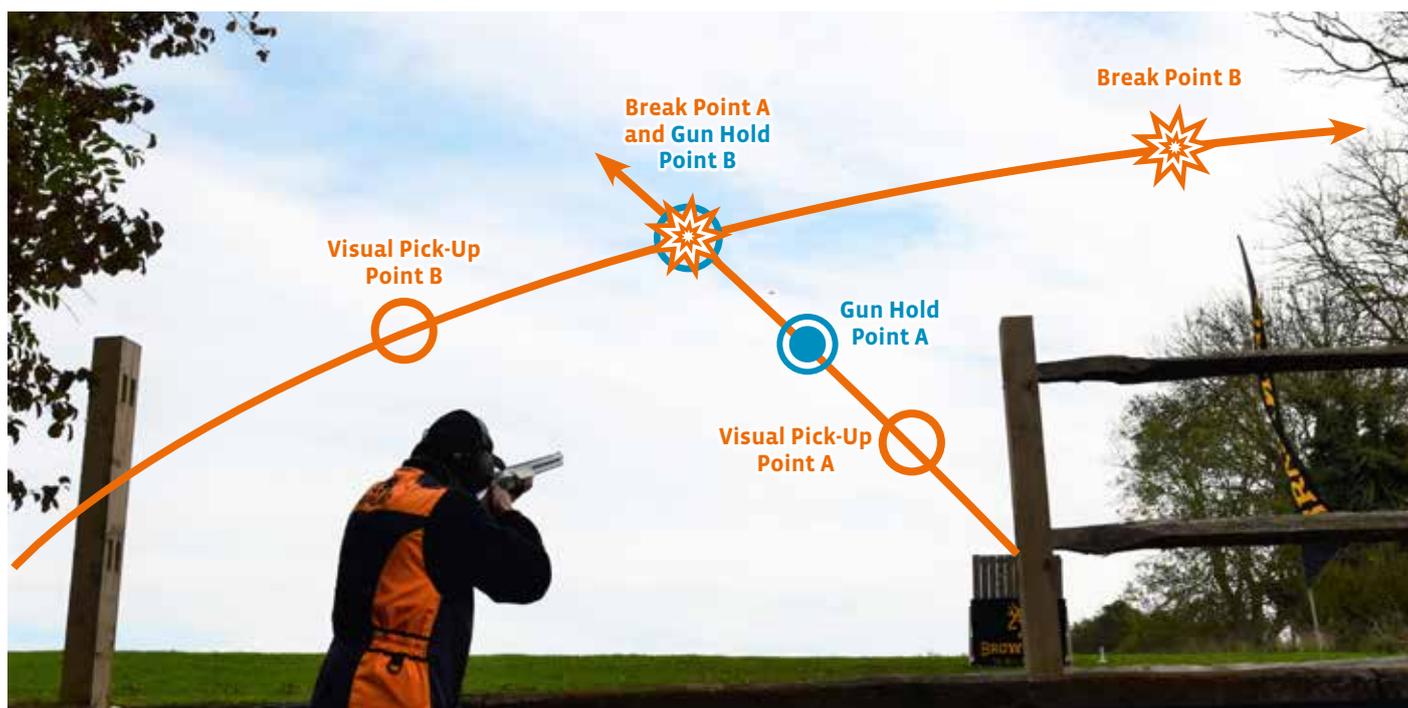

The key to successfully shooting this pair is timing.

By using the Swing-To method, the first shot can be taken quickly enough that you don't swing past the gun-hold point for the second target. If the first shot is taken too late, you will have to quickly swing your gun back down to the flight path of the second target, which will probably result in you stopping the gun and then rushing to catch up with the clay. If you get the timing of the first shot right, then the gun will already be ahead of the second target, and by maintaining the lead it makes for a much smoother and more successful shot.

And that is how you hit a simultaneous pair using Swing-To and Maintained lead.

Browning were the last of the major manufacturers to release a gun specifically designed for female shooters, but it shows in the result, which encompasses all the good aspects of its forerunners. The Liberty

Light is a genuinely smooth gun, with the balance where it should be, between the hands. The trigger pull was crisp and responsive and there was no recoil or muzzle flip with 28-gram cartridges. The Monte Carlo stock offered a good initial fit, with height that suits the higher cheek bones of female shooters. The pistol grip was well shaped and felt

BERETTA 691 VITTORIA 20G

RRP: £2,495

beretta.com

The 691 Vittoria series is the first Beretta range designed specifically for women. Initial impressions are that the Vittoria is nicely finished and detailed – and we found the performance really won over our two dyed-in-the-wool 12G shooters; both expressing that this would be a ‘great addition’ to any gun cabinet. The reduced radius of the pistol grip and Monte Carlo stock made it a comfortable gun to handle, and the balance was excellently

distributed, resulting in fast and reactive handling. Trigger pull was smooth and crisp, and felt very responsive. Like all the other guns tested, there was literally no recoil. The Beretta comes in 12G or 20G with 28in or 30in barrels, and with a choice of either scroll or game-scene engraving. This is a nice option, as the narrow top rib and auto-safe means that the Vittoria also lends itself well to game shooting. The Vittoria comes complete in a Beretta blue ABS makers case, with five Optima High Performance chokes, choke key, and user manual. Overall a sweet gun and very enjoyable to shoot.

RRP: £1,775

caesargueriniuk.com

Benefitting from shared R&D and technology with Caesar Guerini, the Fabarm Elos Syren is competitively

priced, at an RRP of £1,775 for 12G, 20G, and 28G models. We tested a 28G, the lightest of the guns at 5lb 15oz.

The Elos Syren is nicely balanced between the hands, but the lack of weight in the 28G meant neither Jo nor Sue found it as smooth handling as some of the other

guns we tested. The pistol grip was short and shallow, something that would suit juniors and ladies of a slighter build, and the trigger pull felt slightly more resistant – a feature shared with its big sister, the Caesar Guerini

Syren. The stock has a Triwood™ finish – a process which enhances the walnut by the application of ink – which is then coated by a semi-gloss acrylic varnish. Not to everyone's taste; but gives the initial impression of a higher grade of wood than you would expect in a gun at this price point and means that the stock is entirely waterproof.

The disadvantage is that the stock is subject to showing white marks when scratched or dented. The scroll engraving, as with the Caesar Guerini, features a gold inlaid detail and additional floral engraving on the stock. The Fabarm Elos Syren comes in a green makers soft-shell case with five flush High Performance chokes and user manual.

ZOLI BELLA 12G

RRP: £6,862.85

zoliusa.com

The Zoli Bella caused some interesting initial debate, with its Swarovski crystal decoration. The crystals are small, and the rest of the engraving minimal, so overall the effect is relatively restrained

– however our testers did feel that this was a polarising choice of decoration, and one that potentially limited the market for the gun. It would be nice to see the diamante decoration as an option, to suit a wider audience. Aside from

the aesthetics, the Zoli Bella pleasantly surprised our two testers, proving to be a lovely gun to shoot – very well-balanced (it features a patented ‘between the hands’ balance adjustment system within the pistol grip, to customise the balance) and with little recoil. The Monte Carlo stock provided a good initial fit, with the adjustable comb offering further customisation options, but the pistol grip felt shallow. Trigger pulls were smooth, but on the gun we tested, the bottom ejector wasn’t working, and the top lever was catching on the wood.

The Bella is available in three barrel lengths, with a parallel or tapered top rib option on the 28in and 29.5in barrels.

The Zoli comes complete in a slimline ABS case with a cushioned blue lining, branded boxes of tools and spares, and a user manual.

Like the Caesar Guerini, the case is white, which is possibly not the most practical colour. At a little shy of £7,000, the Zoli Bella is aimed at the higher end of the market, but is it too flashy to appeal to serious competition shooters?

CAESAR GUERINI SYREN TEMPIO LIGHT 12G

RRP: £2,895

caesarguerini.it/eng

Caesar Guerini were the innovators of the ladies gun, and it shows that they took a great deal of care to ensure that they got the details right. The Tempio Syren Light is, as its name suggests, lighter than its counterpart Tempio Syren, with 28in barrels and an alloy action to reduce the weight of the gun. While the weight is kept out of the muzzle end of the gun, the Tempio Light is still well-balanced and we experienced no muzzle flip when firing. The gun felt steady and smooth to shoot, and there was no recoil using 28-gram cartridges. Both our testers felt the Monte Carlo stock and slender pistol grip offered a good initial fit, and the trigger is adjustable

for length of reach, which is beneficial. The Syren features a hand-polished, oil-finished, Grade 2 Turkish walnut stock, and intricate floral scroll engraving, with rose detailing picked out in gold. This is echoed with a further rose detail on the stock. The engraving is attractive and well executed, but was a little too 'girly' for our tastes. The Tempio Light comes in

a white ABS case with velvet cushioned lining and plenty of extras, including eight competition chokes, tools, locks, and accessories. The white case may not be the most practical, but is the most luxurious of all the guns tested. The Tempio Light is also covered by Caesar Guerini UK's 10-year mechanical warranty.

EYES ON THE PRIZE

Jasper Fellows explains what to look for in your next pair of shooting glasses.

There is no doubt about it, protecting your vision while shooting is vital. Shooting glasses are compulsory at all CPSA registered shoots. Even if you aren't at a CPSA event most shooting venues will strongly advise that some form of eye protection is worn while on their grounds.

This is old news. Most, if not all, of us are aware that it simply isn't worth the risk to shoot without taking adequate precautions. But what should we look for when it comes purchasing shooting glasses?

Your first consideration should be safety. These days it's rare to find lenses made from glass, instead plastics are the go-to materials of choice. However not all plastic is made equal. Aim to pick out lenses made from polycarbonates or Trivex. Both are extremely tough, shatter resistant but lightweight. They also block 100 percent of the sun's UV rays, giving you protection from both debris and damaging radiation.

Your next consideration should be sight picture. Can you see everything you need to down range? Look for glasses with minimal frames and bridges. Many modern shooting glasses are simply one large frameless lens. This is perfect as it

“ Look for glasses with minimal frames and bridges. Many modern shooting glasses are simply one large frameless lens. This is perfect as it allows for a totally uninterrupted sight picture... ”

allows for a totally uninterrupted sight picture. While less is certainly more as far as frames are concerned, those who are easily distracted by activity in their peripheral vision might want to think about adding a set of side shields to keep them focused.

TO YOUR PRESCRIPTION

Prescription shooting glasses are available from a wide range of manufacturers. There are a couple of different options to look at here. Either direct glaze models, where the main lens matches your prescription, or insert models, where your own prescription

lenses can be inserted behind a protective primary lens. It is worth noting that while having a single lens will give a better image, especially where movement is involved, you will have to get a prescription lens made for each tint you require. With insert models you can buy off the shelf and just switch your prescription lenses between them

as needed. Tint is an oft-debated factor. Really it all comes down to which colour will give you the greatest contrast between the target and the background. Generally speaking orange and yellow tints help to block out blue light, so should be used in light mist or fog. Blue or purple tints help to block out green light, so give effective target contrast against green backgrounds, such as woodland. Darker tints should be used in bright sunshine. The effectiveness of tints can vary greatly between shooters, if possible try out a few different tints in different lighting conditions before making a purchase. Photochromic lenses are definitely worth looking into. These will darken automatically in bright light, meaning you won't have to worry about switching your lenses mid shoot.

TO YOUR LIKING

Last but not least, style and comfort. If you don't like your glasses you aren't going to wear them. Uncomfortable or ill-fitting glasses can cause literal headaches and put you off your game. Find a pair that you like and find comfortable and not only will you be protecting your eyesight, you might even find your scores improving. 🍌

INTERNATIONAL

OLYMPIC QUOTA PLACES

Sarah Daly divulges how quotas are allocated for the Olympics.

With each Olympic cycle, the International Olympic Committee (IOC) assigns a certain number of Quota Places to the ISSF, most of which are won by nations at designated qualification competitions. There are several ways in which quota places may be achieved:

HOW QUOTA PLACES ARE AWARDED

ISSF events

Quota places are generally won by the best placed athlete competing in ISSF World Cup Series, ISSF World Championships, and Continental Championships. The quota place is won by an athlete for their nation.

Each event is allocated a number of quota places per discipline. This is the highest placed athlete provided they have not already won a quota place or the nation has not reached its quota limit.

A nation may request a quota place in one

event be traded for a quota place in any other event, if available.

Only athletes who have achieved a Minimum Qualification Score (MQS) in specific qualification events may be entered in one or more of the Olympic events.

MQS: Trap: Men 112, Women 92, Skeet: Men 114, Women 92.

World ranking

An invitation is issued to the highest-ranked shooter (not the nation), who has not yet qualified or whose nation has not achieved a quota place in any of the 12 individual events. He/she will obtain a direct Olympic quota place through the World Rankings.

TRIPARTITE COMMISSION INVITATION PLACES

Athletes are granted an invitation place, but they must have achieved a

MQS. The World Ranking and Tripartite Commission Invitation is an opportunity to increase the number of nations shooting at the Olympics.

2019 is a vital year for us to achieve Olympic quota places as all ISSF World Cups, World Championships, European Games, and European Championships carry quota places.

SELECTION FOR ISSF (OLYMPIC) MAJOR INTERNATIONAL EVENTS

The GBR team selection for the Skeet, Trap, and Double Trap disciplines is controlled by British Shooting (BS). Their Selection Policy is published on their website under GB Teams.

The basics:

- Athletes must achieve a Minimum Consideration Standard (MCS) at BS designated events. Events include recognised major domestic or

International Grand Prix listed within the policy.

- There may be consideration given to an athlete to be selected when they have not achieved a MCS, but it is believed to be beneficial for their development.

SELECTION FOR FITASC EUROPEAN AND WORLD CHAMPIONSHIPS

The GBR team selection for the FITASC Compak, Sporting, Helice, and Universal Trench disciplines is controlled by the British International Clay Target Shooting Federation (BICTSF). The selection policies are published on their website.

The basics:

- Membership of the BICTSF and the CPSA or other recognised Home Country Governing Body.
- Each discipline runs a series of selection shoots from which ranking points are acquired, giving GB ranking positions.
- Athletes are selected from the discipline rankings.

Congratulations to the shooter who won the first NOE Selection at Spennymoor, as I am writing this in February, I don't know who has won yet, but congratulations and thank you to everyone who attended. If you didn't get chance to go to Spennymoor there is still time for you to try for the North of England DTL team which will represent the North Region at the English Open DTL at Bywell Shooting Ground on Sunday 16 June 2019. You just have to shoot three out of the remaining four shoots.

The dates and places of the shoots are:

28 April	North of England CTC
12 May	Penrith & District GC
19 May	Bywell Shooting Ground
9 June	TBA

Charlotte and I look forward to seeing you there. I would also like to remind any Lancashire and Yorkshire DTL shooters that these selection shoots are also being used to determine who will represent Lancashire and Yorkshire in the National Inter-Counties DTL which is being held at Northampton on the 29 September. So, if you wish to be selected to represent your county then please attend at least three of the remaining shoots. The teams will be chosen from the highest ranked scores. We

look forward to seeing you all at these shoots. Good luck too to all the DTL shooters who will be shooting at the England Selection this month.

Merseyside CPSA held its first awards evening in February – the awards were for the 2018 season. The committee had kindly been donated three silver trophies for the awards. The awards consisted of:

- **The most prolific County shooter:** This is for the Merseyside shooter that attended the most County Championships over the past season. This was won by Carol McGovern.
- **Best Achievement:** Won by John Lucy, for his second term as a member of the England ABT team, and for two podium positions as part of the England Team at the Fan 32 World Championships in Portugal.
- **Chairman's award:** Won by Ian Hayes for his podium position at British Open ESK.

I would also like to mention Jack Halsall for his DTL England team place and Mick Shelton for his podium place at British Open Sportrap.

Many thanks from the Merseyside committee.

Forthcoming Events:

CHESHIRE

MILES MACHIN

club@cheshire.cpsa.uk
cheshirecpsa.co.uk

Cheshire CPSA were voted County Committee of the Year for the third year running back in February at the CPSA awards night at the Belfry Hotel. What a great night for Cheshire – with Miles Machin being runner-up in the Volunteer of the Year category, but the icing on the cake was that the Ladies Clay Shooting League also won the Development Initiative of the Year award. There to accept the awards for the Cheshire County Committee were Ian Cunliffe, Scott Barnet and Miles Machin, and to collect the award for the Development Initiative award were Mandy Berisford and Miles Machin along with lots of friends to support both the Cheshire Committee and the Ladies Clay Shooting League. It was a fantastic night for everyone and a great result. We of course would like to say a huge thank you everyone who voted for us.

We also had a great night at the Cheshire CPSA AGM with over 35 attending on what was a very cold and icy night, so thank you to all who braved the weather. Starting with the awards for the season and then a break for fabulous refreshments put on by the staff at Catton Hall Shooting Ground. We thank them once again for the use of their wonderful facilities. Mandy Berisford kept us up-to-date on the Ladies Clay Shooting League, followed by the introduction of the new Inter-Counties

Clubman Trophy. We missed Deberah Millican from the NWAAs, as she could not join us this year, but she will keep us up-to-date. We went on to the election of officers which you can catch up with on the Cheshire CPSA website. Everything is looking healthy for the start of another, hopefully great, year for Cheshire.

All selection shoots are in place with the season getting underway early, as the shooting calendar gets more and more congested. You can find all the dates for the selection shoots on the Cheshire CPSA website and we will of course try to keep you up-to-date with any changes to both Cheshire County shoots and West Midlands Inter-County shoots. The results will of course be on the tables again on the Cheshire CPSA website for you to keep an eye on everyone's progress.

This year sees the start of the West Midlands Inter-County Clubman event for A, B and C class shooters who are not part of any other Inter-County team. If the trial from last year is anything to go by, we are looking forward to a great day. You can qualify to shoot this event by entering the Cheshire selection shoots. There are four places for each class, so it's all to play for. There will be more information about this event on the Cheshire CPSA website as well all the dates for the sporting selection shoots. We wish all our shooters good luck.

Our chosen charity this year stays as the North West Air Ambulance by an overwhelming majority – and we look forward to raising more funds for this worthy cause. The NWAAs would also like to thank the Cheshire shooters for their support over the years.

AGM

Following the AGM held on 20 January at Nottingham Sporting Clays, your County committee for 2019 is as follows: Chairman – Geoff Flint, Vice Chair – Julie Havill, Secretary – Ron Baron, Treasurer – Ron Baron & Geoff Flint, Team Managers: All Round/Sporting – Geoff Flint, Down the Line – Ian Roper, Skeet – Ron Baron, Trap – Simon Taylor, ZZ/Helice – Gary Webster, Press Officer & Regional Rep – Geoff Flint. The Committee are now working to arrange the County Championships and selections for 2019.

By the time you read this most of the selections and County Championships will have been arranged. Unfortunately some of these will clash with other events. Every effort has been made to try and avoid this, but there are only so many weekends in the shoot calendar.

Your County needs you

them all the best in their roles. Please do support them where possible, they do great work and keep the County running in good order.

Special thanks to those that continue to serve on the committee for another year. Doug Pinnegar has been acting Chairman since Steve Clarke stepped down. Steve was our County Chairman for three years so we would like to thank him for the work he has put in over this time. Chairman, Joanna Thomas (new appointment), Vice Chairman, Doug Pinnegar (continued appointment), Secretary, Paul Tudge (new appointment), Treasurer, Judith Gilder (continued appointment), Sporting Rep, Matt Turk (new appointment), FITASC Rep, Nick Portlock (continued appointment), Skeet Rep, Paul Tudge (continued appointment), Trap Rep(s), Matt Jones and Gareth Marfell (continued appointment), WM Regional Reps, Steve Lovatt, Steve Burnham and Stewart Keen (continued appointment)

At the WM regional AGM Gloucestershire were proudly awarded the 'Gun Down' area trophy! This was awarded for the best team scores in Sporting, FITASC and Olympic Skeet. This is quite an achievement and highlights the talent we have within the county.

Due to the sheer popularity of shooting these days, we're busily trying to populate the diary for our County shoots. We appreciate that there might be some clashes but we're trying our best to avoid these where possible. Please do continue to check the website and Facebook pages for details of fixtures once confirmed. We do urge you to follow the Facebook page, we can be found by searching for 'Gloucestershire CPSA'.

We had some news submitted from a regular on the shooting circuit, John Butcher.

"Being a senior of some years, I bumped into dear old Mike Evans at Meadowcroft on Sunday 20 January; knowing Mike's birthday is in January I asked him if he had made the club yet. He replied, 'no I am 80 on Monday' to which through the usual banter we told him to shoot his age. Well, he did! He carded a 79 which he was on that Sunday. He is not the oldest chap shooting, but he is probably the most successful Gloucestershire shooter still going, and a very nice chap too."

We all agree, a cracking shot and a gentleman. Well shot! We're looking forward to seeing the next card with an 80 on it shortly.

9 Feb: H&W AGM & Shooting Championships

The Compak Sporting County Championships were well attended with Julian Morris taking the County title after a shoot off with Matt Bodfish, both scoring 46. The Ladies title went to Natalie Jones on 39, the Junior title went to Brandon Smith on 41, the Veterans title went to Wes Harris on 44, after a shoot off with John Tarplee, and the Colt title went to Harry Pugh.

The John Hadley memorial charity shoot was also well attended. It consisted of 25 normal DTL and 25 special DTL shot on the ABT.

Paul Cerri won the trophy with an excellent 49/145 after a shoot off with Julian Morris. Emma Parkinson won the Ladies on 46/130, Will Goodman won the Juniors on 46/133 and Tim Smith won the Veterans on 47/135. Our thanks to everyone that attended, to Park Farm SG for donating the Championship trophy and to everyone that helped make it a successful day.

We then headed to The March Hare Inn, Broughton Hackett to finish the excellent day off. After a wonderful two-course carvery, the AGM took place with 42 attending.

This year's committee was elected as follows: Chairman, Rod Davies, Vice Chairman, Nick Stokes, Secretary, Pat Smith, Treasurer, Nick Stokes. Committee members are Matt Pugh, Graeme Walker, Jerry Ruane, Brandon Smith, Tim Smith, Roy Spooner, Matt Bodfish, Brian Smith, Danielle Brown and Lee Kirby.

After the AGM the 2018 County Championship awards were presented and as H&W won the Lyalvale Senior, Ladies and Junior trophies in 2018 a special badge was awarded to all members that took part in the teams. Thanks once again to everyone that helped make the day very enjoyable.

CPSA Annual Awards

At the CPSA Annual Awards on 2 February, 16-year-old Trap shooter Thomas Burns was runner up in the 'Emerging Shooter of the Year' award. Well done Thomas.

2 Feb: CPSA National Awards

It was very pleasing that Shropshire's Service Cadet and Young Member Initiative was a runner-up for the CPSA Development Initiative of the Year. Many thanks to all those who made this possible and provided lots of support. Congratulations to all those who were short-listed and won - it is nice to be recognised for your efforts.

It is with great sadness to report that one of the key persons in getting the initiative going and making it work, Lt. Col. (Retd) Max McNamara passed away on his beloved Buller Range during late January. He will be greatly missed by all. Our sincere condolences and thoughts go to his widow Lin and all the family.

16 Feb: CPSA Shropshire Awards

There was a lot of fun and many medals and trophies given out to the worthy winners. Five special awards were made for the following Shropshire CPSA members: Clay Shooter of the Year - Rebecca Fergusson. Junior Clay Shooter of the Year - Arran Eccleston.

A good start to the year for Shropshire guns

Dave Harley shot a good ESP score to be third at Mickley Hall in late January.

Shaun Gardener has started the year in good form with great scoring and excellent results in DTL against top-level competition. On the 6 January at Fauxdegla he was fourth, on the 13 January he was High Gun at Mid-Wales, on the 20 January he was third at Brook Bank, and second at Mid-Wales on the 10 February.

Another DTL aficionado, Craig Bebbington, was also in great form against top competition on the 10 February coming second at Holmes Chapel. Both Craig and Shaun had a great 2018 with many very competitive scores and Shropshire wish them every success for 2019.

Well done Dave, Shaun and Craig!

Best wishes to all Shropshire guns for a lot of fun and great scoring throughout 2019.

Firstly, can I thank you all for your fantastic support in 2018 and we look forward to seeing you again during our 2019 calendar of shoots.

For 2019 we have a new shoot, the East Midlands Inter-Counties ZZ Helice at Rugby, and there are a serious number of trophies and money to be won at the event on 28 April, 2019. This event will run on the same day as the Regional Championship but will only require one entry payment and regional levy.

A magnificent cup sponsored by TM Bark of Norfolk and valued at over £300 will be presented to the winning County team. A sponsored prize fund of £250 will be shared among the members of the winning County team. Engraved crystal tankards will be presented to each member of the winning County team. A superb engraved trophy will be presented to the individual High Gun irrespective if they are shooting for a County team or not.

Plus, there will also be prize money from the individual part of the event for those wanting to shoot 'Competition' and it will be dependent on the entry numbers.

In addition, 250 World Cup Express will be presented to the East Midlands High Gun, providing they have shot Express cartridges during the event.

For those wishing to take part in this aspect of the competition, Express cartridges will be

available for purchase on the day from Rugby & District TC.

I'm also pleased to say we have recently had the Regional AGM and its business as usual on the top table with Janet Stennett continuing in the Chairman's seat, as does Carl Smith as Vice Chair, Paul Stennett as Treasurer and Colin Butler as General Secretary.

On behalf of the Regional Committee I would like to thank all those retiring Regional Reps that served during 2018 and we of course welcome those that have joined us for 2019 and we look forward to working with you throughout the year.

We have a full set of fixtures for you this season except for the Double Trap which we were sadly unable to find a venue for, and at the time of going to print we are still waiting for confirmation of a date for the Olympic Trap event.

Finally... don't forget to log into the East Midlands CPSA website which can be found via the CPSA main website page, or you can follow us on Facebook to keep up with all the regional news.

Here's hoping that you are surviving the winter and preparing for the summer activities. It seem yonks since we've had some sun on our backs, I think that we are ready now.

We started the year with the first Sporting Selecting shoot at Grange Farm on 10 March. I can't let you have any results until the May copy comes through your letterbox. Our next foray into the unknown is the DTL selection shoot at Normanton, Uncle Micks place, (0774 7001624 mamarlow@btinternet.com) on 27 April (Saturday). This event and ground is getting very popular, so it would be sensible to 'book in' in plenty of time to secure a place. Then we go on to May shoots (see below fixtures).

We have had our AGM and the committee has remained the same (what a surprise) except we have three new members, Mick Marlow and Alex and Connor Harris, they were all made most welcome. Also, a bit of luck for one of our County shooters – David Piggan won the draw at the EM AGM and has received a paid entry to all of the East Midland Championships for 2019. The prize was worth over £800.

Our 2019 Committee is up and running. We have already had a Committee meeting to get things off to a flying start and, as you will have guessed, I am still here in the Chair, as I was 29 years ago for the first ever Cambridgeshire CPSA meeting. This year we held our AGM at Cambridge Gun Club and it was a super meeting. I must pass on my thanks to Cambridge GC for a super spread of food and goodies. The keepsakes were handed out to the County Champions and also lapel badges for Inter-Counties team members in recognition of their contribution towards helping Cambridgeshire win the East Midlands Directors Cup for the first time in 2017. Last year, in the Directors Cup, Cambridgeshire came second overall, but still not bad out of nine counties.

We have picked our team managers for this year and I know they are already up and at it, as some have already booked our team slots for the Inter-Counties events, even though we have yet to hold our County Championships for 2019. Anybody wishing to make contact regarding team places feel free to do so through the secretary or myself.

that I had left out one of our best shooters out of my reports, this is because no-one has ever mentioned this person, sorry Dave.

The shooter in question is Dave Hardy, very well-known in ABT, UT and OT circles. He has represented the County, area and the England teams many times over the years, won numerous competitions and team places in these disciplines. His latest triumph was to be in the English Olympic Trap team in 2018, I send you my apologies and congratulations.

On many occasions I have requested info on people who have featured at shoots, and even anyone who hasn't done anything famous to put into our columns – is this request now getting through? Let's all hear about them.

Belated Congratulations to Dave Hardy, from the Leicestershire CPSA Committee, on making the England Olympic Trap Team. Dave has been a committed Trap Shooter in the County, shooting ABT, Universal Trench and Olympic Trap. Well done on this excellent achievement.

I know that it's hard to keep your powder dry this weather but please try. Please check our website for up-to-date 'bits and bobs'.

Things are starting to warm up in readiness for the County competitions to start in earnest. Sighs of relief can be heard far and wide...

AGM

Thank you to those that attended and to the staff at Welton Manor Golf Club for the fine venue and buffet. The Committee were all re-elected thanks to those present. We also see a further two volunteers – Trevor and Caroline Hawkins. If truth be told Caroline Volunteered Trevor in his absence, we are glad they have both taken up the challenge and offer their

time and efforts to support the County for the year ahead.

Presentations were made to the County Annual Supreme Champion Richard Gray, and Ladies Champion Janet Stennett. A very special thank you to all our supporters and their donations of raffle prizes, which outnumbered members present.

Guests for the evening were John Martin our CPSA East Midlands Regional Director and Kenny Dog. John gave a short presentation on all things at CPSA HQ, and changes coming. Kenny looked longingly at the food mostly.

Fixtures

Venues and dates have been finalised and can be found on our web page and Facebook. You will also find County team captains for the year ahead. We have seen changes of venue across many disciplines, some enforced due to availability of grounds.

Annual CPSA Awards evening

The County had interest across three categories. Lincolnshire can boast Grimsthorpe Estate Shooting Ground as Club/Ground of the year. Aaron Heading a very credible runner up as Shooter of the Year, with Mike Williams nominated for Special Contribution of the year.

East Midlands AGM

February saw Lincolnshire's Donovan Jenkin presented with a crystal bowl in recognition of his services to the Region, his sterling efforts at injecting renewed enthusiasm into ZZ Helice and being instrumental in the organising of the new Inter-County ZZ Helice Championships, in which he had secured an excellent sponsorship package.

Looking ahead

We have some great opportunities to promote our sport to the wider public at two great shows. Firstly we return to Brocklesby Country Fair in June after taking a break last year from the Fair. We also see ourselves at Revesby Country Fair in August, so please keep a look out for calling notices for volunteers for these events.

Please remember we can only report what you tell us about (not the everyday registered shoots) and some months have quite early deadlines – which may not see your event reported until two months down the line. Due to word count limitations we cannot always tell war and peace, and have to be quite harsh when carrying out our editing duties to try and ensure we cover as many events as possible. A good quality photograph accompanying your story is always welcomed to help promote our sport as best we can. For more detailed and sometimes a more lighthearted overview, our public Facebook page offers greater coverage.

Here's to the year ahead, we wish you every success, and hope that we can rely and count on your continued support.

April has seen the start of the competition season with DTL and ZZ Helice, while May is loaded with FITASC, Skeet and Sporting. It will mean that the Supreme Champion leaderboard will fill up pretty quickly with four main results posted before the summer and the key players will have the opportunity to get their best scores in early. Veteran shooter Laurie Cookson has not been seen much over the winter months due to ill health. It is hoped that he will be back fighting fit for this season so he can give Mick Russell 'a run for his money'. For dates of this year's competitions see the County website and our Facebook page.

The fixture board for Northampton may not hold any regional Inter-County competitions this year, but it does have some other tasty competitions – so there is plenty for local shooters to get their teeth into. All Round and the English Open Skeet Doubles. The registered shoots at Northampton Shooting Ground has seen a fair number of visiting shooters to get some practice and sample to skeet ranges before the England English Skeet selection shoot on 18 May. They may have been gaining valuable knowledge of the low sun over stands 3, 4 and 5 if they happened to have shot in the odd five minutes when we have managed to see the sun recently, but more probable they will have experienced the delicious uncertainty created by the blustery winds we have been having, especially the way it puts a little dip and wobble to the clays over the centre peg. It certainly will have reminded them to watch the clay carefully – a lesson I am sure that all local shooters know well.

Our team managers will be on the lookout for shooters to represent the county for the Director's Trophy for this year. 2018 saw us as runners up, perhaps this year we could have 'Northamptonshire 2019' engraved on the cup. Managers will be keenly watching the showing at the county competitions as well as during other competitions. If you are interested in representing the county, please contact Roy or Marty.

The committee are looking for ways to encourage new people into shooting and competition. Past ideas have included sponsored class prizes, support and free coaching for DTL and Olympic Skeet shooting and more badges and trophies for Colt shooters. The county is under-represented with Women and Juniors. If you have any ideas about this or any other idea about promoting shooting in the county, please have a chat with Roy or Marty so that the idea can be taken forward.

The season kicks off this month with our first County Championship, the All Round at Orston SG on 28 April. This is also the team selection shoot and the first event of our Supreme Championship. Good luck to everyone taking part in this and any other events that you are competing in this month.

Team news

Fixtures for the Regional and National Inter-Counties events have been published. The first event is a new addition to the Regional fixture list – it is a team event that has been implemented this year in the discipline of ZZ Helice. Granville Hodgkinson is the team manager, so please contact him if you would be interested in taking part. It will be held at Rugby on the same day as the Regional Championship.

Our county team managers have been confirmed for all the county teams and their details, along with dates of all team events, can be found on the county website. Thanks to all our managers for volunteering for what always proves to be a difficult task.

County info

The county fixtures have been allocated to the grounds and all bar one dates are confirmed. The full list can be found on the county website and the upcoming events will be published here on a monthly basis.

The Notts Committee has taken the decision to keep all trophies in storage due to them not being returned or being returned with no engraving. All trophies will be available at the county events for pictures to be taken with any prizes you win, and badges will still be issued as a keepsake, but after the event all trophies will be returned to the committee to be engraved and be available for the next fixture in that discipline. This was a hotly debated topic but it was felt that maintaining the history of the titles was paramount. The committee has agreed to cover the cost of all engraving which will ensure that a full history is maintained.

The committee has also made the decision to cancel the Double Trap County Championship from the fixture list. This falls in line with national and regional events, it is also a fixture that has had no entrants for the past two years.

Supreme Championship

It would be great to see winners in all of the categories this year. You only need to shoot four of the seven events listed below

Supreme Champions 2018 - Elvin Lawson, Ken Rimington, Megan Gamble, Matthew Armett & Ricky Croshaw..

to automatically qualify for the Supreme Championship. Trophies, clothing and free entry to county shoots for 2020 are the prizes up for grabs in every category (Colts, Juniors, Ladies, Seniors, Veterans, Super Veterans and the Overall County Supreme Champion).

Sun 28 April: All Round at Orston SG, Sun 5 May: English Sporting at Orston SG, Sun 19 May: DTL at Nottingham GC, Sun 2 June: English Skeet at Nottingham GC, Sun 14 July: Sportrap at Orston SG, Sun 15 September: ABT at Nottingham GC, Sun 22 Sept: Skeet Doubles at Orston SG.

Finally, we would like to say congratulations to Dan and Emily who recently got married. We wish you a lifetime of happiness together.

Directors trophy

The East Midlands Directors trophy has again been secured by team Suffolk, who have now won six out of nine years – an incredible accomplishment. The trophy was awarded to our Chairman Daren Parsons at the East Mids AGM.

Suffolk AGM

Our County AGM was held on 22 January 2019 at Eriswell Lodge, with such an amazing turn out. The evening started with a buffet, giving all time to mingle. It was with great sadness that Daren Parsons, last year's vice-chair, announced that our Chairman Dick Hails would be standing down after over 30 years of service to the county. We would like to thank Dick for his efforts, and the committee have chosen to install him as Honorary President of the Suffolk CPSA in recognition of his service. The county officers for 2019 are: Chairman,

We would like to take this opportunity to thank all outgoing county officers and committee members for their dedication and service.

The Suffolk Supreme Champion has been handed out again this year. With an almost perfect 57 out of 60 points, Stuart Smith retained his title for the second year running. Coming in second place was Chris 'Puff' Baker with 33 points, and third was Andy Gibbs on 25 points.

An announcement was also made by the committee that 2019 would see the addition of another four Supreme Champion titles, which are the Ladies, Veterans, Juniors and Colts categories. These will be scored using the same system as the Supreme title.

At the AGM the annual raffle was completed, which chooses six lucky shooters, who have won a free entry into one of the county championships in 2019. This year's winners were: J Aldous, N Bilverstone, D Drake, A Last, D Parsons and B Randall. You will all be given a letter in due course, which gives you all the information on how to redeem your prize.

AVON

ROGER COX

rogercox47@gmail.com
sites.cpsa.co.uk/avon

The Avon AGM took place on 30 January at the New Fry's Somerdale Social Club. Thanks must go out to those members who turned out on the night, just beating the heavy snow of the following day and to those who sent apologies due to work commitments etc and who took the trouble to support the work of the committee. A full compliment of committee and officers were elected on the night - with members from the previous year being re-elected. Chairman, Roger Cox, Secretary and Treasurer, Ann Cox, Vice Chairman, Darren Pegler. The addition of Mike Ormston to the committee will add strength in depth with Mike taking responsibility for member and team coordination.

It was agreed that the following Avon County Championships to be held for 2019 are English Sporting, FITASC, Sportrap, DTL, Single Barrel, All Round, Double Rise and ABT.

In Avon we have the registered shooting ground with the ever-expanding Meadowcroft Shooting Ground (BA2 9HL) with new covered buildings and catering now providing extra

facilities to host the regular high turnouts at shoots. It was agreed that for the fourth year they will play host to the Avon English Sporting Championship. The date for the Avon Sporting Championship is Sunday 21 April (Easter Sunday) The committee has also agreed to award further trophies again this year for this event. In addition to the Avon Champions trophy, there will be trophies for the high score in A, B and C classes for Avon shooters. This seemed to be appreciated by the shooters in these classes with nearly 40 shooters competing for the trophies last year. It is hoped that Avon shooters will support this event and that club shooters will turn out to enjoy what is usually a quality set of targets for all classes of shooters.

Sportrap is also at Meadowcroft and will be held on Sunday 19 May over the separate four custom-built layouts for the event that have been installed and used to good effect last year. A parallel sporting and pool shoot will also be available.

The FITASC is most likely to be at Meadowcroft this year but dates have yet to be set.

The Single Barrel will be held at Bradford SG on 6 April. The ABT will be held at Bradford on 8 June. DTL is to be at Two Counties SG (Jethros) date TBA. And Double Rise to be at Axminster GC date TBA. The All Round Avon Champion will be the highest scoring Avon shooter taking part at the CPSA registered event on Friday 19 April at Brookbank SG.

It was discussed at the AGM if an Avon Clay Trap Club could be set up for Avon shooters. There are a number of possibilities opening up

and under investigation that may allow us to invest in our own club and layouts within Avon at a facility that already has planning permission for shooting sports to take place, and would enable registered clay shooting for trap and sporting events.

Again dates for championships will be posted as soon as they are available. Any further breaking news from anyone please contact us on email below for inclusion next time.

The Avon website is hosted on the main CPSA website and can be accessed via the County tab. Also there is a new email address of rogercox47@gmail.com for contact in the future.

This month kicks off the Cornwall selection process, and first up is an All Round at Landare FS. With unsettling weather and a very wind-affected day, was sure to make the score board unpredictable.

Adam Rowe took the top step with 92ex100, closely followed by Kelvin Walsh. Paul George, Steve Tomlinson and Pete Mylam round out the top five. Next up was the first ESP selection shoot at High View.

High View on an exceptional display of targets. I've spoken to several people that shot on the day and my opinion is not alone... well done all involved!

After the mid-way point there was mixed opinions of what score would be top of the table. A few said low 90's and others saying high 80's, but with one of the best shoots I've seen produced at the ground the reigning County Champ, Matt Barnett along with Pete Mylam and Alan Gimlett started their year off at the top of the pile with a well earned 86/100, closely follow by Steve Marshall (84) and Adam Rowe (83) to round out the top five.

Landare held their second selection shoot of the year and the first county STR selection. A testing display of targets to say the least, on a very overcast day that looked like it would rain at any moment. Adam Rowe again took the High Gun for the second time this year, with an excellent display of shooting to finish on 91ex100, Pete Mylam following suit with a 90, Bruce Wilton and Nick Parkyn tied on 89 and the Welsh Cornish man Stephen Williams finishes off the top five with a 87.

Well done to all shooters for competing and supporting the County selection process, on behalf of the Committee, thank you.

Sportrap Owls Lodge

15 Jan and the Sportrap at Owls had a good turn out with 57 entries tackling the four layouts. Chris Childrerhouse of Berkshire only missed two! Well he is AAA. Hampshires A class Phil Marks returned a 93 with Hants Ron King busting a respectful 87. There were 18 Hampshire entries in this warm up event, obviously practicing for the Hants Championship and the Inter-Counties team event later in the year.

ABT and Sporting

Saturday 2 February Fareham CTC hosted a 100 ABT event with enough entries to make six squads. Richard King came out on top yet again with a 96/100 taking Aclass. Steve Tarrant returned a 93 for the B class entries and Mark Bryant 94 was first in C class with K Blighton on 86 winning D class.

Hampshire AGM at Owls Lodge

Saturday 9 February saw the Hampshire AGM held after the Sporting shoot at Owls Lodge with the hope that more Hampshire members would attend. Sadly just a few stayed behind. Over the years its been sadly obvious that the Hants AGM's aren't the most exciting event to attend, and with many wanting to get out on a Saturday night, this fixture was one to miss. Most CPSA members are unaware of who is the County Chairman, Secretary etc, they probably don't care as long as the championships and Supreme championship table get organized and the registered scores are up-to-date.

This year Ben Gordge, the Chairman for the past few years, and wife Diana, the Hants Secretary, have stepped down. Ben, Di and the other committee members have done an exceptional job organising the team events and raising cash and prizes from various sponsors talked into supporting the Hampshire members. Ben and crew have made sure that all the Hampshire Championship cups and badges have been there on time to

be presented to the Champions. I'm aware that some members join the CPSA for the insurance, and to enable them access to many more shoots plus have their scores recorded, but there are also many that like competition.

As a past Hants Chairman I know how hard it is to find someone to take over the role hence I told Ben, if at the meeting no one comes forward then I would step back in. I certainly did not want to see the control of the Hampshire CPSA go the way some other counties have gone... disbanded. It's very sad that the control of these counties have ended up this way, because no one cared. I received a text message at around eight that evening to say "Job done, you are the Chairman" thanks Ben. Hopefully I can still bring the energy and time required. Luckily I have inherited a great team with Richard Faulds MBE as the Vice Chairman, Lauren Goodman as the Secretary, Brian Coupe as the Treasurer with Neil Lockton, Derek Turner, Chris Bloxham and Britta Beach all there ready to help.

Thanks to all the Somerset shooters who turned up for the AGM. We have formed a new Committee for the year. Attendance was good and I personally think that we had one of the best attendances for the past five years or so.

While the weather has not always been great so far this year, it has not stopped Somerset shooters from getting out and about and competing. Double Barrelled Podimore had their English Sporting competition on the 3 February, and there was a good turnout of shooters from across the region and further afield. Somerset mentions go to Martin Howe who straighted the Pool Shoot and walked off with some good prize money. Jordan Babbage shared the top spot in AA Class and Thomas Claydon shared the top spot in A Class. Tom Philips took first in B with Dan Brain sharing second place with two other shooters. Karen Brown took top spot in C class and Paul Smith took second place. A mention goes to Chloe Applin who won the Ladies category on the day. So all in all a good showing by Somerset shooters who made up about 25 percent of the attendance on the day.

Trap & Skeet competitions have been ongoing at Brook Bank and even with the windy/wet weather it has not stopped some good scores being put in. On the 10 February Gerald Sweet came top of the DTL shooters with a 100/298 and Ed Ling topped the UT competition, on the same day, with a 97.

It was briefly discussed at the AGM whether Somerset should be fielding teams to compete in the national Inter-County competitions. This is something that we have not done for a number of years now, so we are going to look at trying to submit some for this year, where possible.

We have the first dates for our 2019 County Championships and they start with the All Round being held at Brook Bank on Friday 19 April (Good Friday). We also have the date for the English Sporting that will be at Double Barrelled Podimore on 5 May 2019. As always we will continue to publish more dates as they become available.

AGM and Chairman's report

The Annual General Meeting was held at the George & Dragon in Potterne on the 11 February. The Chairman's report is copied below. "Good evening and welcome to the 2019 AGM. Firstly may I thank you all for attending this

evening. I would also like to take this opportunity to thank all the officers and committee for their continued support and congratulate all those who have been successful in winning and competing in the competitions held in 2018.

Last year we again tried to enter teams into the events running throughout the year. With these events being advertised in *Pull!* magazine, on Facebook and through posters around the shooting grounds and gun shops. As a committee we will try to get team entries this year but will need your support. The County Championships have been well attended during 2018 and we hope to have 2019's programme sorted soon and advertised wherever possible.

The Wiltshire Sporting Challenge for 2018 was once again well supported. Meadowcroft Shooting Ground joining the challenge to offer another venue giving us five grounds in total for the competition in 2019. A big thanks for all of the sponsors and grounds for their continued support with this event.

Myself and the committee would like to thank all the grounds, referees, scorers and all grounds staff that work so hard to make it possible for us to continue taking part in the sport. I would also like to thank the staff at the George and Dragon for allowing us to hold our meetings and AGM here.

We are always looking for new members to join us on the committee and bring new ideas rather than criticising the efforts put in by those who give time and effort voluntarily and whose only reward from this is to see events run successfully. If you are unhappy with the way things are being done within your committee then put yourself forward and do something about it that is constructive rather than destructive to those who try to do their best.

County champions 2018.

Finally I would like to take this opportunity to wish you all every success with the 2019 season."

Steve Bosson continues as Chairman, Harry Hair continues as Vice Chairman, Jamie Campbell takes over Treasurer from David Smith and Tim Gibbins takes over the Secretary role from Jamie Campbell.

Sporting Challenge

This year's Sporting Challenge will run over five grounds (Widdington, Barbury, Gunsite, Urchfont and Meadowcroft) with your best three scores counting to the total. If you know of anyone who would like to sponsor the event, please get in touch.

Bumper year for Bucks Shooters

Last night was the Bucks County AGM – held at E. J. Churchill. Around 25 members attended. There were a few changes to the committee officers. Jon Carter stood down as Chairman, and was replaced by Katherine Gibbard. Kevin Grey stood down as Vice Chair, and was replaced by Phil Easeman. We welcomed three new members onto the general committee: Peter Woodcliffe-Thomas, Jonathan Attack and David Florent.

Trophy presentations

National Inter-Counties Sporting Ladies Winners: Amy Easeman, Helena Cox and Lorraine Harris. This event was last won by a Bucks team in 1999, so a great achievement.

South East Region Fitasc Senior Team Winners: Billy Baughan, Ricky Draper, Phil Easeman, Jamie Gutteridge and Nick Moss.

Bucks Committee Award: This is shared jointly between Billy and Jamie, in recognition of all their achievements during the year.

Chairman's Award: This was awarded to Sammy Halsey in recognition of winning the Southdown Talent Pool

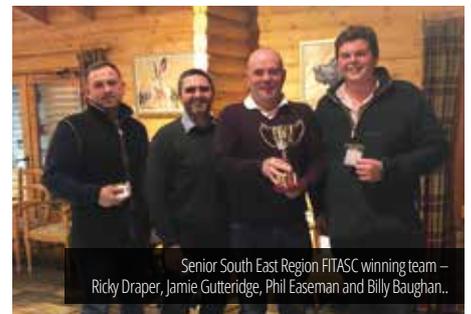

New County Badges were awarded to the following for representing the county in the Inter County All Round at Northampton: Lee Bushby, Ed Harding, Gaith Taha and Wendy Spackman

Fixtures

We are now working on the Bucks County Fixtures list for the coming season. Details will be reported in *Pull!* and on our Facebook page as soon as dates have been agreed.

a steady path, and a report from secretary Peter Carsons who asked if, in view of greater Olympic disciplines being held, will this have a detrimental effect on home disciplines in view of the limited grounds available to hold these shoots in the South East?

There are some minor changes to the committee. Steve Williams has stood down as Chairman due to work pressures. He was applauded for all to work he has done in his years of office. He will remain on the committee as Vice Chair. In turn Andy Devine who was the Vice Chair has taken on the role of Chairman. The rest of the committee remains unchanged but welcomes a new member to the team – Gary Madden. Team managers remain much the same, with the exception of Andy Devine taking over as DTL manager from Peter Carsons. Full details can be found on our webpage, as can the full fixture list of events for 2019.

At the meeting we learnt that due to lack of shooters in 2018 not entering the requisite four events from the fixture list, there is nobody eligible to win the Supreme Champion winner or runner-up positions. We learnt too that Geoff Tyler is unwell and sent him warm wishes. Geoff helped the committee in many ways and in the beginning with supply of excellent quality trophies suitable engraved. If we have no candidates we will not be able to field a team to the Inter-Counties events. Many thanks to Ed Barker for taking on the roles in the meantime.

Hertfordshire competitions

LVSA (Hertford) will again host the County English Sporting Championships, which will take place on Thursday the 27 June and will be squadded from 10am, with the last squads starting at 6pm. We encourage all Herts shooters to try to attend. If you haven't shot a registered shoot give it a go. Bookings to be made directly with the ground.

Herts FITASC Championships will take place at Atkin Grant & Lang. We are currently selecting an appropriate date and will communicate it in next month's Pull! magazine.

Young shots

Atkin Grant & Lang hosted the Young Shots Winter Open on the 9 February. They had a great turnout it was pretty windy which didn't put off our Herts Colt shooters – with all the podium spots taken. Results for the afternoon session: First Alfie Tibbles 90/100, second Ollie Tyler 84/100, third Henry Robertson 81/100.

All the scores were impressive with AGL not softening any of the targets. A very well organised event, thank you to the team at AGL.

We would firstly like to say congratulations to two young shooters at the 2019 CPSA Awards. James Bradley-Day, for winning emerging shooter of the year – and Tristan Hockey, for winning Young Shooter of the Year. Keep up the hard work for the 2019 season.

Congratulations to all the winners who attended last year's championships and who collected the winners trophies at our recent Kent AGM. Thanks to all those who took the time to attend the AGM. We look forward to the 2019 season and hope we can emulate the entries we had as a whole for the County Championships of 2018 and also the success of the Kent teams that was so successful in last year's South East Region Inter-Counties: Sporting, first place. UT, second place. DTL, first place. Olympic Skeet, third place. ABT, first place. Skeet, second place. FITASC, third place. OT, first place. Helice, second place.

CPSA Awards Dinner

It was a really cold and frosty night when some of the Oxfordshire committee travelled up to The Belfry for the Annual CPSA Awards. It had snowed just a couple of days before and it was still lying on the ground. The evening was well organised and the five Oxfordshire committee members that attended were greeted with a glass of bubbly. For those who hadn't realised, we as a whole committee had been nominated for committee of the year (for a third year).

Shaun Williamson was our Master of Ceremony for the evening, best remembered for his part in EastEnders, Barry Evans. We were treated to singing, lots of laughs and great commentary. Did we win committee of the year? Sadly not, but thank you to those who voted for us. Your support is greatly appreciated.

Congratulations to Cheshire and their committee members who pipped us to the post! Well done to all those who were nominated and well done to those who won. Richard Bunning, where were you? Clay shooter of the year award but no Richard to collect it? I hope you're feeling better and on the road to recovery, a very well deserved achievement.

AGM

Oxfordshire AGM was held at Sturdys Castle on 11 February. There was a poor turnout with just 16 members plus seven members of the committee. We had a constructive evening having various new committee members being voted on. The 2018 committee stood down and the new committee stands as follows: Chairman, Martin Butler, Vice Chairman, Steve Cox, Secretary, Jane Robbins, *Pull!* report, Helen Nicholson, Facebook, Tony Robbins and Lee Thornett, Skeet Team, Henry Mitchell, Trap Team, Martin Butler and Kevin Durrant, Sporting Team, Chris Broomfield and Scott Leonard assisting, FITASC, Matt Hance with Roy Cherry assisting and finally Treasurer, Steve Cox and Kevin Durrant. Thank you for all for standing, let's hope 2019 is a good year.

Thanks to previous committee members for their input into the 2018 shooting year, as you were not present at the AGM this year we were unable to put you forward for election for the 2019 committee. A great Chairman's report included the success of the Oxfordshire shooters who shot outstandingly during 2018, well done has to go to Helen McKenna, Chris Broomfield, Roy Cherry, Matt Hance, Henry Mitchell, Lee Thornett and Cheryl Hall for their contribution to a successful clay season. The AGM was the first chance we have been able to present Helen McKenna with her very large trophy having won the Ladies class in the Oxfordshire CPSA

Helen McKenna & Matt Hance.

Glass Award.

Charity Clay Shoot held at Edgehill Shooting School on 3 November. Well done Helen! When compiling this report many of the scores and fixtures are not appearing on the CPSA site so apologies for the limited shooting report.

Westfield hosted a late January fixture. It saw 145 people turn out to enter 120 ESP on a very cold day. Well done to Oxfordshire shooter Percy Bradley who shot a brilliant score of 95ex120 leaving him second in B Class.

Oxfordshire Shooting School hosted their monthly Registered 50 ESP competition on 30 January. It saw a hardened 28 shooters take part. Well done to Oxfordshire's Tim Thornett for coming 2nd in AA Class with a score of 43ex50. Colin Waite was close on his heels for third in AA shooting a strong 42ex50. Paul Sawitzki won B class shooting a great score of 42ex50. Well done to you all for facing the cold weather!

If you have any achievements you wish to share with me, please send me an email with details, if you have a picture I will do my best to get it printed. Happy safe shooting everyone!

season including Katy from Poulson Plant Hire, Steve from SJ Cole Builders, Antony from Collier Environmental Services, Paul from Easyhit, Sarah from Game Bird Shooting, Gary Evans, Bob from Barretts of Caterham and William Evans Gunmakers. Already signed up for this season are SJ Cole Builders, Game Bird Shooting, Gary Evans and Jo Watson-Hopkinson.

It's not too late for you or your company to join in and get your name on our website for the coming year – just £50 will cover the cost of team badges like the one shown below – you can even nominate which event you would like to sponsor. Let me know if you are able to help and I will get our Treasurer Fergus to contact you.

The 2019 County and Inter-County calendar is listed on our website. Please come and support as many events as you can, and let us know if you are interested in being selected for the Inter-Counties teams. We are also happy to have volunteers as team managers and will give you very brief instructions on your duties which include team selection.

Our Chairman Douglas Millard accompanied Peter Saich to the CPSA 2019 Awards ceremony where Peter presented the prize for the Young Shot of the Year. Sadly, there were no nominees from Surrey, so come on Juniors, get training!

Don't forget to visit the website and

Facebook page regularly for results and updates.

The AGM took place on 7 February at Northall Shooting Ground. There were 30 CPSA members in attendance. Thank you to everyone who came out to support the county.

We welcomed three new members to the Committee – Sophie Brookwell as Secretary, Shaun Pullman as DTL team selector and Michael Gatehouse as Skeet team selector after Lee Shanks resigned from this position. We still have vacancies so if anyone wants to join us please let us know.

On the evening shooters of note were young Max Hudson who won pretty much everything in Colts last year, and Will Fenner who did the same in Juniors and Guy Franklin for Seniors. Full results and photos are available on our website.

“The most comfortable prescription shooting glasses I’ve ever had.”

BECKY MCKENZIE
Champion clay shooter

BECKY MCKENZIE

“I’ve been clay shooting competitively for a long time and I know what works for me. **The quality of the Optilabs prescription lenses is fantastic** and I believe are the best on the market. The Flow frame, has an adjustable nose piece and arms, so they fit perfectly to any head size. They’re the most comfortable shooting glasses I have ever had. I highly recommend them!”

Side cutout to reduce and clear steaming up. This cannot be seen when you place your head on the stock of your gun

Becky’s winning combination is yellow lenses for low light and Transitions Drivewear® when the light increases

Lightweight frame design. The nose pads and arm tips feature FLEX technology for easy adjustment

FLOW frames with prescription lenses from **£120.95** plus P&P. Polycarbonate lenses as standard. Varifocal lenses also available.

Made in England

EasyHit (UK) Ltd
The Fibre Optic Foresight

- The 21st Century answer to closing an eye
- No gun alterations required
- Fit the Bead and shoot with both eyes open
- Better results through improved accuracy
- Restores binocular vision & peripheral vision
- Instant eye dominance correction – guaranteed*
- Fitted in seconds with high bond adhesive tape

The EasyHit Bead is specifically designed to let you keep both eyes open at all times by constantly tricking the brain into making the eye aligned to the rib your dominant eye. The Bead captures the lowest of natural light and is specially designed to only allow the eye aligned to the rib to register the Bead.

Whilst you look at the target the subliminal effect of the Bead provides you with perfect eye dominance, instantly, naturally and constantly.

Newmoon Insurance

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

The Award Winning Spitfire Shoot is one of the only purpose-landscaped shoots in the South of England. Set in the beautiful Hampshire countryside we can accommodate all levels of gun from the first timer to the experienced shot looking for pre-season practice. With a wide choice of excellent pubs and restaurants on the doorstep we'll tailor a day to your individual needs including team building or corporate entertainment, stag and hen parties or just a simple morning or afternoon in the fresh air with friends.

The shooting ground offers a wide choice of stands and can simulate all the popular varieties of game and competition shooting. Our qualified instructors are here to ensure your safety and to provide tuition on all aspects of clay pigeon shooting.

RICHARD BUNNING

THE WONDER YEAR

CPSA Clay Shooter of the Year 2019, English Open and World Sporting Champion **Richard Bunning** talks to **Jasper Fellows** about his incredible year.

Q How did you start shooting?

A: From the age of seven I was shooting air rifles on a daily basis before moving on to a single barrel .410. I started shooting clays at the age of 12. I had a clay trap in the garden and would go to local 30-40 target charity events.

Q Was there a particular ground that ignited a passion for clay shooting?

A: My first shooting club was Mid Norfolk Shooting Ground. It was then owned and run by the late Mike Reynolds. When I first passed my driving test I would drive there every week to meet friends, shoot and have a meal. I have many great memories there.

Q What kind of training is involved before a championship such as the CPSA World English Sporting Championships (WESP)?

A: Training before any major event is no different to me than shooting on any given weekend. I set out to shoot well and enjoy myself.

Q It has been an incredible 12 months for you, do you have a top moment?

A: Quite simply winning the CPSA WESP at the prestigious E. J. Churchill Shooting Ground.

Q How did it feel to be named CPSA Clay Shooter of the Year

A: Amazing! I can honestly say that it had never crossed my mind to even be considered for it, let alone win it.

Q Tell us a little about your set up.

A: I am currently using a left-handed Beretta DT11 32in. It is quite simply the best gun I've had the pleasure to shoot. It has great balance and handles like no other. As for ammunition, always Hull Cartridges. I'm still using the same cartridge I've used for the past 12 years. I'm a great believer in using a quality cartridge – a cartridge that gives you great hits at any range is a cartridge that inspires confidence. Both Beretta and Hull Cartridges have been fantastic throughout my career and I feel privileged to have support from two of the best companies in the business.

Q What are your goals for 2019?

A: With a smile, repeat the past 12 months and try to add a few more titles. I am very aware of how difficult it is to win and, like many of my fellow shooters say, the standard of world-class shooters is increasing year-on-year, making it harder than ever to win. If I happen to be in a position to win again, I'll give it my best shot. I don't rely on it for a living – it's simply sport in which I love to participate.

Q What advice do you have for those trying to emulate your success?

A: Train hard, set achievable goals and, above all, enjoy your shooting!

Above: Shooting to win at the 2018 CPSA WESP. **Left:** Richard celebrating with his CPSA World English Sporting Championships trophy.

If I happen to be in a position to win again, I'll give it my best shot
