# Be safe, be vigilant

B

**BRITAIN SEEMS** to be going through a period of relative turmoil at the moment with terrorist attacks in our major cities and tragedies like the recent tower block fire in west

London. Our sympathy is

extended to all the victims of such terrible incidents and as a community of legitimate, law-abiding shooters we must be extra vigilant. The various police forces have written to all Registered Firearms Dealers reminding them to be alert to unusual visitors or people hanging around outside their premises and to vary their routine as much as possible, but as individual shooters we must remain alert too.

Leaving a gun unattended in a gun rack, for example, may be something that happens at many grounds for brief periods of time but just think of the consequences if it disappears. Not only could there be consequences for your licence, as police forces understandably are becoming more risk averse, but just imagine if your treasured gun got into the wrong hands and was used in some form of crime. Certain police forces, including the Metropolitan Police and Gloucester, are trialling the use of smart water and are making this available to shotgun and firearms licence holders at a much reduced rate. There was some disquiet about whether personal data had been released to a third party

company by the Met but a thorough investigation demonstrated this had not happened. The value of such a scheme lies as much in the deterrent nature of the warning signs that accompany the water as in the potential to have a stolen gun returned and I would urge members in these and other areas to contact their firearms team if they would like to take up the offer.

On the international stage, the IOC has confirmed the sports programme for the Tokyo Olympic Games and, as expected, the proposals put forward by the ISSF have been accepted. In February the ISSF proposed the removal of Double Trap and its replacement with a mixed team event after a unanimous decision of its Executive Committee following detailed consideration of how best to meet the challenges of the IOC's Agenda 2020. Much consultation was undertaken and we were very keen for Double Trap, as our most successful Olympic discipline, to be retained but it became apparent this was not going to be a viable position moving forward.

Our Double Trap shooters are being supported by British Shooting to move to one of the other disciplines so that we don't lose the advantage of experienced, proven medal-winning shooters in our international teams but before they transition across permanently we will still be fielding a Double Trap team at the Commonwealth Games in Gold Coast next year. The qualification process is well

under way and progress may be followed through our website.

The past month or so has seen some of our established championships held at Dartford (English Open Skeet) and Bywell (DTL weekend) and you will see reports on these in the pages of this month's *Pull!* We are very grateful to our sponsors Eley and Blaser who have generously supported us and we turn our attention now to the forthcoming ICTSF Sporting championship being held at Kelmarsh in July. Some places are still available if you would like to enter or, if it's more your scene, pop along to see us at The Game Fair at Hatfield House at the end of July where we will have a significant presence and some exciting activities taking place. CPSA members are entitled to a discounted entry fee through advanced purchase and don't forget to ensure friends and novices attend too, where they will be able to break some clays, perhaps for the

first time, under the expert guidance of our qualified instructors on the clay line. We look forward to seeing you there!

## THE GAME FAIR®

# CPSA at The Game Fair

### EVENT

**VISIT THE CPSA** at The Game Fair, July 28-30 at Hatfield House, Hertfordshire.

No summer is complete without the annual Game Fair and this year we have a range of activities crammed into the three day extravaganza.

Along with our stand on Gunmakers Row (J1355), we will be running a 'Have A Go' on the clayline, where anyone can come and break some clays with help from our qualified coaches.

For just £10 for Juniors or £12 for Seniors, you can take on 10 targets with all safety equipment provided. Novice or experienced, young or old, anyone and everyone is welcome.

The Champion of Champions takes place on the Saturday and will see the top Sporting shooter from each County (nominated by their

County Committee) shoot a 50 target English Sporting course. The top 10 shooters will return for a semi-final before the top five lock horns in a final to decide the overall winner.

The Colts Challenge on Sunday will feature the top 10 colts based on CPSA rankings compete on a 25 target Sportrap layout. The top five shooters will then repeat the layout to determine the winner. This unique competition is a fantastic opportunity to watch some of the best thriving young shots in the country in action.

### NEW FOR 2017

CPSA Live in Association with Sporting Gun will be running throughout the show. We will be hosting a series of sessions covering different elements of clay shooting, ranging from grass roots to elite level, gun safety and

having a go for the first time. Rio 2016 Double Trap bronze medallist Steve Scott will be among the guest speakers discussing the Olympics and his journey.

On top of this we have teamed up with The Game Fair to run a charity shoot on the Saturday afternoon in aid of their official charity, Lord's Taverners. Nine top shooters will be placed alongside nine famous faces with an opportunity for you to compete in the squad. More information on how you can do that will be released on the CPSA website soon. And of course we will be welcoming new and existing members and those interested in finding out more about what we do at the CPSA. With a jam-packed schedule, you can't miss us at The Game Fair this year!

More details for all of the above can be found online at [www.thegamefair.org](http://www.thegamefair.org)

# ISSF welcomes mixed shooting at Olympics

## INTERNATIONAL NEWS

THE IOC Executive Board has approved the ISSF proposal to replace three men-only events – 50m Rifle Prone, 50m Pistol and Double Trap – with three mixed teams in 10m Air Rifle, 10m Air Pistol and Trap at the Tokyo Olympics.

“Having been part of the sports programme since the creation of the modern Olympic Games, the ISSF greatly values its partnership with the IOC. Of course we recognise the need to continually improve,” said ISSF President Olegario Vázquez Raña. “The IOC encouraged the inclusion of mixed gender team events, and this is the kind of innovation that the ISSF has a proud history of bringing to our sport.

The ISSF is determined to evolve and innovate the shooting sport for the benefit of our athletes and fans and to do all we can to help ensure the success of Tokyo 2020.”

The ISSF conducted a comprehensive two-year process of consultation and discussion resulting in unanimous approval of the recommendations for change by the ISSF Executive Committee and Administrative Council. The proposal was supported by a comprehensive event based analysis conducted by the IOC after Rio 2016. This analysis revealed that the three men’s events being replaced were outperformed by other events on the Olympic Shooting programme.

# LETTER OF THE MONTH

I was recently at a registered sporting shoot in Suffolk and noticed a number of top shots in the car park upon my arrival. I find it is always good to observe the best in action and see if I can pick up any hints and tips as I tackle a different registered shoot each Sunday.

The shoot itself was enjoyable but challenging and the scores on the club house computer reflected this when I came to hand my scorecard in. A few days after a shoot, I always look to see how my score fared in comparison to the other shooters and on this occasion, see how the AAA shooters I saw in the car park got on. To my surprise, some of their scores weren't listed and suggested they didn't hand their scorecards in on the day. A tough shoot for all it seems...

Not only does this, in my opinion, show a complete lack of sportsmanship but it makes me question the classification system. The class you are in should reflect all of the shoots you attend in the classification window – win, lose or draw!

I have since seen many other CPSA shooters not hand their cards in after a bad day at the office and yet they still highlight on social media that they have gone up a class. I am proud to say that my classification is a true indication of my shooting ability and includes all my good days and the bad days! If only the same could be said for everyone.

Kind regards,

**Joe Clarke**

In the April edition of *Pull!* in the Clubhouse congratulations were extended to Chris Daniels who has shot two 100 straights. I think Carl Bloxham deserves a mention also as he too shot his second ESP 100 straight on January 5 this year at E.J. Churchill Shooting Ground. Carl shot his first 100 straight in ESP over 30 years ago, way back in the early/mid 1980s at Millride SG and, now at the age of 61, is he the oldest person to shoot a 100 straight in English Sporting?

Kind regards

**Julia Neale**

## CPSA responds:

Our computer records go back to 1995 and there are a number of 100 straights including Carl's on the 05/01/2017 at E.J. Churchill Shooting Ground. According to our records, Carl is the oldest person to post a 100 straight, the second oldest is Steve Brightwell, when he shot a perfect round at the age of 54 at Grange Farm on

23/07/2006. Congratulations Carl, keep up the good shooting!

Please could you clarify the rules for me on English Skeet? On the last two registered shoots I attended there was some controversy over the rules. Could you please clarify on the following:

On station four on the pair high bird was called and the pair was hit with one barrel. At one ground they called, "High bird scored pair again low bird to count".

At another ground the same thing happened and the referee called, "No score pair again both to count".

Both of these are in contradiction with each other so could you please clarify which is the correct scoring rule for the sport as it seems the rule is interpreted differently at different grounds.

There seems to be a lot of confusion over the new rules amongst different scorers and grounds – my letter may solve the question for others.

Best regards

**RE Barnsley**

CPSA 82118

## CPSA responds:

Dear Robert,

We can clarify the rules of English Skeet as:

If both targets are broken with the first shot then a repeat double will be thrown, in the same order nominated as the first regular double, to establish the results of both targets. i.e. no score, pair again to count. On the third occurrence though the pair will be scored first target 'hit' and the second target 'lost'. See rule 22.30, 22.31 (c) and 22.35. If, however, the first clay of the pair was shot properly and pieces of it subsequently broke the second clay then the first shot would have been established and the pair taken again, in the same order nominated as the first regular double, to establish the second shot only. See rule 22.32 (h).

Kind regards

**Stuart Oldman**

**Q WE ASKED YOU:**  
WHAT HAS BEEN THE BEST  
GROUND THAT YOU HAVE SHOT AT SO  
FAR AND WHY?

### Andy Hilditch

West Midlands Shooting Ground of course. Without doubt the best sporting ground in the country. Fantastic targets, you can't see any traps and refs who know what they're doing!

### Mike Howard Worsfold

The Highwaymans Shooting Ground, amazing organisation for the English Open, walked from stand to stand no holdups, no sign of Dick Turpin. Brilliant.

### Jenny Baker

Hard to choose. The Premier League shoots at WLS and EJC were fab. Made it up to Sporting

Targets a couple of times as well – really love that ground and all the variety it has.

### Rod Beattie

Grimsthorpe Lincs stunning scenery with great sporting targets.

### Chris Morgan

Southdown Gun Club for the sheer variety of targets put on over the many comps they have hosted. Brilliant for shooting in general.

### Deborah Pritchard

Fauxdegla Premier Shooting Ground. Fantastic layout with friendly and welcoming staff in incredible scenery – love it!

WHETHER YOU ARE JUST STARTING OUT OR ARE AN EXPERIENCED SHOOTER, THE CPSA HAS CREATED A RANGE OF COURSES TO OFFER THE BEST TRAINING AVAILABLE IN THE SPORT TODAY

## REFEREE COURSE £75

Available in each of the four domestic disciplines of ESP, ESK, DTL and ABT, these one-day courses will equip you with the general and discipline specific rules to enable you to referee regularly at registered competitions or national championships and, with it, the assurance that what you are calling is correct. The following Safety Courses are now available to book on to:

For the Level 1 ITC, the criterion for qualification is that the candidate can get a novice to hit a moving target safely using the CPSA Method. Candidates must have attended an IDW within the previous two years. The following ITCs are now available to book on to:

**Jul 10-13:** Arborfield Garrison Clay Club (SW)

ELEY  
LEADING SHOOTING PERFORMANCE

THE CREAM OF THE DTL CROP GATHERED AT BYWELL SHOOTING GROUND RECENTLY FOR THREE DAYS OF FIERCE COMPETITION. JAMES MARCHINGTON FOLLOWED THE ACTION

**J**UNE'S EAGERLY anticipated DTL weekend lived up to all expectations, attracting the cream of the UK's DTL talent to the immaculately presented Bywell Shooting Ground in the heart of Northumberland for three days of top class competition.

The Henry family, who run the ground, had even laid on some glorious sunshine to ensure the venue was looking its best.

Friday's competition saw an exciting shoot-off to settle the top places, with Austin Coxhead and Phil Morgan tied on 100/299, and Paul Chaplow and Lee Kirby on 100/298. Phil Morgan quickly asserted his dominance for the High Gun, shooting a perfect 25/75 while Austin Coxhead fell away with 24/72. It took three rounds to settle third place, however, with Lee Kirby matching Paul Chaplow shot-for-shot over two rounds before dropping out in the third with 24/72 to Paul's perfect 25/75.

Saturday brought the historic competition for the prestigious Dougall Memorial Trophy. This was the 121st year of the event, first shot in 1896, making this one of the oldest pieces of silverware in any sport. The morning brought persistent rain but, as Alan Henry explained, the shooters weren't complaining. "There was very little wind

The clays stood out against the dark sky

and the light conditions were very good. The clays stood out against the lovely dark cloud in front. Two of the best scores came in early on." By mid-afternoon the rain had cleared and the ground was bathed in glorious sunshine, a treat for spectators but combined with a stronger breeze it made things tougher for the shooters.

All eyes were on Jim Doherty who had won the trophy for the last three years consecutively, but it was not to be. When the final scores were in, Jim was languishing in equal 23rd place with 100/296, with the legendary Paul Chaplow for company.

The winner, junior shooter Ellis Jones, looked as surprised as anyone by his success. It was his first ever 100/300 for the 20-year-old Harper Adams student, from Ruthin in North Wales, and he picked the right moment to pull it out of the bag. Ellis has been shooting for just five years, and is a regular at his local ground, Fauxdegla. He was over the moon. "I'm really chuffed with the score, and lucky it's happened today. I've had a couple of 299s before but this is my first 300." It won him the juniors title as well.

John Barnett was a clear runner-up with 100/299, but it needed a mammoth shoot-off to separate the nine shooters just below him, on 100/298. As we've come to expect from the Henry family and their ground staff, the contest was organised quickly and with a minimum of fuss, and before long we had the results: Austin Coxhead third, and David Caithness first in AA.

Elsewhere, young Izzy Thurnell deserves a special mention. Her 98/293 took the colts prize, and also placed her second to Derville Gilmartin in ladies. The result followed on from winning the colts in the Sponsors' event the previous day.

There was rain in the air again as shooters gathered on Sunday for the English Open DTL, and the breeze had picked up slightly, but little did we know there was worse to come. Michael Turner was the one to watch; after retaining his crown in last year's shoot-off, he had the hat-trick in his sights for 2017's event.

As the day wore on the wind strengthened, bouncing the targets unpredictably and presenting the competitors with a real challenge. The difficult conditions were reflected in the scores, which were noticeably down on the previous two days.

By the end of the day there were three shooters tied at the top on 100/298: Ian Douglas, Mark Delf and Austin Coxhead. It promised to be an epic shoot-off, and to add to the atmosphere the skies opened and the wind rattled the flags. Spectators huddled in the sponsors' tents as the three took their places.

After 25/75 DTL, then 25/75 single-barrel, only Delf and Coxhead remained, and it came down to a sudden death duel. The duo pulverised clay after clay in the pouring rain until after what seemed like an age Delf let one slip away, allowing Coxhead to lift the trophy. "I'm delighted," he said. "I've never won the English before. I've been runner-up twice so it's nice to finally win one." He added that he's not been lucky in shoot-offs this year. "We've had four majors and I've been runner-up each time."

In the juniors, Ellis Jones was on form again with 100/294, but had to beat James Tate to clinch the juniors prize, while the score was enough for Tate to take B Class outright. Also deserving a mention were Mark and Jonathan Knibbs, who took the parent and child prize, with Jonathan also winning C Class and coming third in colts – he was beaming from ear to ear.

Right on cue as the prizegiving got under way, the sun broke through and a rainbow appeared above the trophy table. It made a fitting end to a splendid weekend of competition.

Special mention must go to the weekend's sponsors who are a crucial part of the weekend, and once again Eley Hawk was the headline sponsor for the three days, providing 10,000 cartridges and cash to be won by the category winners across the three events. Blaser sponsored the English Open on the Sunday, and were also offering a £500 cash prize for the highest scoring Blaser shooter in that event.

Eley Hawk's Marketing Manager, David Thompson commented: "Following on from a really strong DTL Weekend at Bywell last year, Eley Hawk are proud to be involved again with the CPSA and Bywell Shooting Ground in what is one of the oldest running competitions in the world. With three events all rolled into one weekend it really is the one event that all DTL shooters want to win."

THE LATEST FROM THE FOURTH AND FIFTH LEGS OF THE PREMIER LEAGUE, REPORTED BY **RICHARD WORTHINGTON**

# Halfway there

**“WE’VE NOW HAD FIVE OF THE EIGHT LEGS, BUT IT’S THE BEST FIVE SCORES THAT COUNT, SO THERE’S STILL PLENTY TO PLAY FOR**

## BARROW HEATH ENJOYS HOME ADVANTAGE

There were perfect conditions for shooting at Barrow Heath on May 21 for the fourth leg in the series and Phil Moss and his team set up a great course over 13 stands. There was also a 25-target Sportrap pool shoot in aid of The Lily Foundation, which we are supporting throughout the series.

Team Barrow Heath took full home advantage to register a good team win with 917 ex 1,000 and continue to have strong support from their shooters at the halfway mark.

Individually, James Attwood and Richard Bunning both scored 96 ex 100 with Team Southdown shooter James taking the High Gun honours by default as Richard had already left the ground.

However, we are still seeing some great shooting in the Classes with Team Cambridge’s Darren Stanford scoring 88 to once again achieve maximum points of 100 with his handicap applied. Also, Barrow Heath’s Gerald Springham in A Class and George Howling in C Class scored 98 and 97 respectively with their handicaps.

## CAMBRIDGE CRACKS IT!

Sporting Targets hosted the fifth leg in the Premier League series on Saturday June 10 with a challenging course set over 13 stands and a pool shoot, once again in aid of The Lily Foundation.

Although sunny and warm, it was very windy all day and this probably affected the scores, with only Team Cambridge’s Phil Gray and Team Southdown’s Kevin Howland scoring in the 90s (93 and 91, respectively), which was enough to secure Phil the High Gun honours.

In fact, Team Cambridge had a clean sweep at the top with Darren Stanford’s fine form continuing to score a 96 with his 15 handicap applied and helping to secure a team win with 867 ex 1,000.

We’ve now had five of the eight legs, but it’s the best five scores that count, so there’s still plenty to play for in the remaining legs. We look forward to seeing you at the next fixture at Cambridge Gun Club on July 8. ●

# How to hit... *the looping target*

CONTINUING OUR SERIES ON HOW TO HIT COMMON SPORTING TARGETS, CPSA LEVEL 3 SENIOR COACH **SIMON ARBUCKLE** EXPLAINS THE RIGHT WAY TO SHOOT A LOOPER

**T**HIS MONTH we are going to look at how to hit a standard looping target, crossing in front of the shooter. It's a target that you will see on many Sporting layouts. The target I am demonstrating here is coming from right to left, but the same principles apply if it's thrown the other way.

The best way to shoot this target is using the CPSA Method. As always, we need to establish our three points: the break point, the visual pick-up point and the gun hold point – in that order. To do this we need to take a careful look at the target's flight line.

Looking at this target, its flight is an arc with an extended flat peak. There is time for me comfortably to shoot the target at its peak, before it starts to fall back towards the ground. That way I am shooting it while it is still following a reasonably straight line, making it easier to read than if I waited until it was dropping sharply. For my break point, I choose the top of the clay's arc, before it starts to drop. I find a mark on the horizon in line with this point to act as a reference. Here there are three trees on the horizon, and the gap between them is in line with my chosen break point.

Next I decide on my visual pick-up point, where I first see the clay clearly as a solid object rather than a blur or streak. This depends partly on the position of the trap, the nature of the background, and whether there is any obstruction

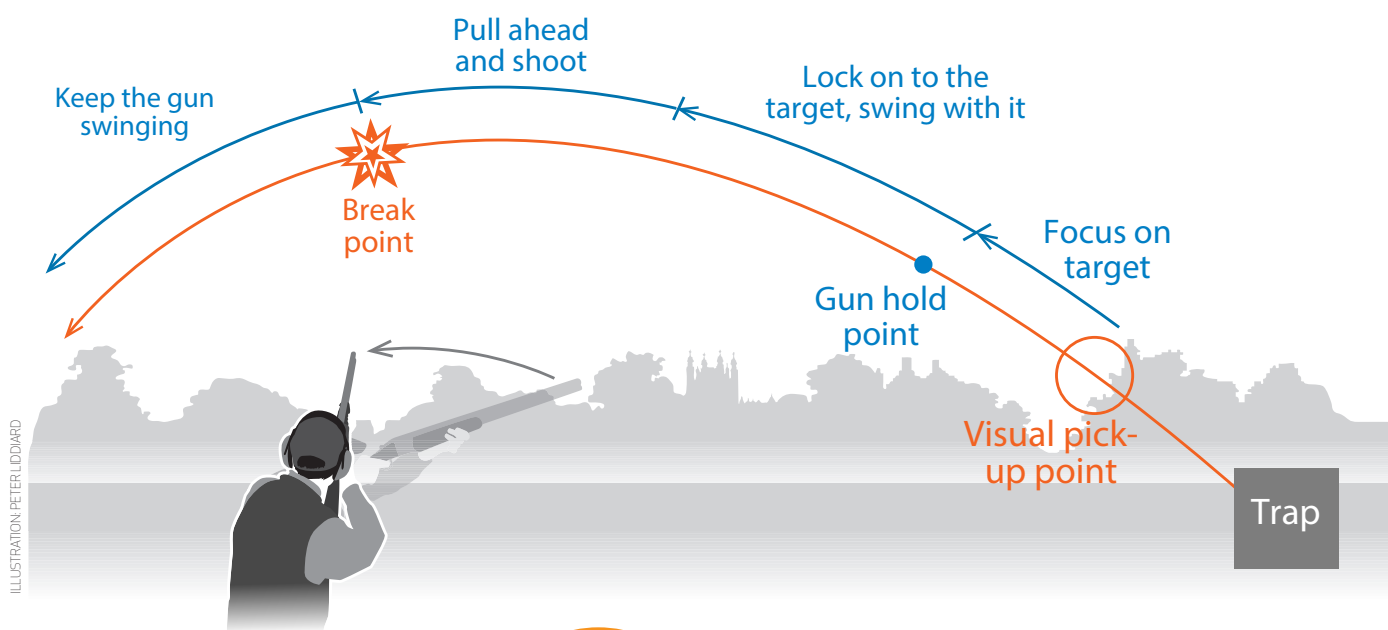

ILLUSTRATION: PETER LIDDARD

### NEXT MONTH: How to hit... the overhead target from behind

such as a tree or bush covering the early part of the target's flight. In this example I can focus clearly on the clay as it clears the trees to my right, so that is my visual pick-up point.

Having established those two points, I can now decide on my gun hold point, which will always be on the clay's flight line between the other two points. But where on the line should it be? This is all down to timing. I need to focus on the clay before it reaches the gun, and lock on without it overtaking the barrels. If I pick my hold point well, the whole movement will be smooth and natural, and won't feel rushed.

If I get the wrong gun hold point, it will mess up the whole timing of the shot and I will most likely miss. If it is too far back, for instance, the clay will fly past the end of the gun before I can lock on. I will then have to rush to catch it up and will end up swatting at it and quite likely missing in front. If, on the other hand, I hold the gun too far out from the trap, I am likely to start my swing too soon and be ahead of the clay. Then I will have to stop my swing to let it catch up, ruining the smooth, fluid movement that we are looking for.

My first target will quickly tell me whether or not I have got the gun hold point right. If it turns out I have miscalculated, I can shift my gun hold point accordingly for subsequent targets. If I have got it right, I want to be able to repeat it, so I look for a marker on the horizon that I can use as a reference. In this case, there is a small group of trees at the far side of the field, and I pick the leftmost tree as my reference point.

Once I am ready, I set my feet in the direction of my break point and mount the gun to that point. I wind back along the flight line to my gun hold point, then take my eyes back to my visual pick-up point. I call 'pull', the clay comes out and I focus my eyes on it as it reaches the visual pick-up point. As the clay reaches the gun I lock on to it and move with it. This ensures that I match the line and speed of the target. As the gun and target approach the break point, I pull ahead smoothly and shoot when it feels right, keeping the gun swinging.

It's important to keep the gun moving smoothly after I have taken the shot, and not stop my swing as I pull the trigger. If you do this, you will unconsciously be slowing your swing even as you pull the trigger, and will inevitably miss the target behind.

If you follow the CPSA Method as described above, this

type of looping crosser can be hit consistently time after time – there is no need for it to become a 'bogey' target. If things aren't going right for you, take a deep breath and go back to the basics. Study the flight line of the target, choose your three points, and keep your

movement smooth and unhurried. As always, though, if you are struggling to put it right, don't battle on getting more and more frustrated. Seek out a properly qualified CPSA coach who can analyse what you are doing and put you back on the right track. ●

### WHY I SHOOT

EACH MONTH we ask top shots for their thoughts, ambitions and what they most love about their sport. This month 20-year-old HENRY COLLINS has his say.

#### How long have you been shooting?

10 years. I first tried it at Kelmash Country Fair on a have-a-go stand.

#### What do you most love about the sport?

I love the personal challenge and self satisfaction when I get placed at a shoot. I also like the fact that anyone can take up shooting and instantly be welcomed with open arms. Also if you are struggling you can always rely on a fellow shooter to point you in the right direction, whether you know them or not.

#### You went to San Antonio this year for the World English Sporting. How was that experience?

It was an honour to represent my country for the first time. Also, making new friends along the way made it even better. I have a head full of great memories that will last a life time. And I learnt that American targets are completely different to the targets I'm used to in the UK.

#### What are your ambitions for the remainder of this year?

To get placed at the ICTSF World English Sporting and the rest of the majors I intend to shoot this season.

#### What's the best shooting advice you've been given?

Never give up, and believe in yourself. Even if you have a bad stand don't let it get to you because everyone else could be struggling as well.

#### Who do you most admire in the sport and why?

I most admire Brett Hand because not only is he a good shot, he's also one of the most genuine shooters on the circuit. From the day I met him he has always had time to offer advice and help to anyone that needs it. When it comes to his shooting I don't think you will find anyone that shoots with such a relaxed style yet remaining focused at all times.

#### What's your advice for young shots?

Practise at every opportunity. Don't be disheartened if you have a bad day because it happens to everyone. Don't be afraid to ask someone for help. And take on board every piece of advice offered because you never know when you might need it.

### GOT A BURNING QUESTION?

Want to know something? We can help. Tweet us your burning questions and we'll follow up on them.

In our May issue, @alfietibbs wanted to know how to get sponsored. Turn to page 26 of this month's issue Alfie, and you'll find all the answers as we focus on that very subject.

### IN THE SPOTLIGHT LEAH SOUTHALL

13-YEAR-OLD LEAH Southall has only been shooting since March 2016 but has already made a name for herself in DTL. She first got interested in the sport when scoring for her dad, and began taking an interest in DTL after watching other people shoot this discipline. She says, "It may seem a simple target compared to say Sporting with lots of variety, but that's where you can slip up as it needs 100% focus and a clear head. I took a liking to the sport instantly and it all went from there."

Currently a C Class shooter, Leah says her ambition is to move up to B Class and increase her average percentage; ultimately though, she wants to take part in the selection process to be in the England DTL team.

With sponsorship on board from The Clay Pigeon Company/Laporte and Ed Lyons Sports Vision Consultant, Leah has definitely been noticed as one to watch for the future. She admits that Amber Hill is the shooter she most looks up to. "I know she shoots a different discipline, but I admire her because she shows that girls and ladies can succeed in a male dominated sport."

And her advice for other up and coming shooters? "Have the right mindset going in to any competition. Also don't anticipate which angle the clay will fly because then you won't have a clear head before each shot." ●

HE ENGLISH Open Olympic Trap Championships, combined with selection shoots for GBR, Home International and Commonwealth Games teams, took place at Brook Bank Shooting Ground in Somerset over the bank holiday weekend May 27-29, with weather that varied from hot and sunny on Saturday to chilly and torrential rain on Monday.

The English Open Championship is decided at the 75 target stage for Ladies and 125 target stage for Men. First up were the Ladies on Saturday, shooting the standard ISSF format of 75 targets plus a Finals Match. Kirsty Barr from Northern Ireland shot a consistent 24 ex 25 on each of the three rounds to claim a very convincing win in the English Open Ladies Championship, being six targets clear of runner-up Charlotte Hollands (née Kerwood). Caroline Povey, last year's winner, was third on 65. In the Finals Match for the ranking places the top six placed competitors shoot a full round of 25 targets single barrel at which stage the last placed is eliminated, a further five targets are then shot and, again, the last placed

is eliminated. Likewise fourth and third are eliminated after a further five shot sequences leaving the last two to shoot a further 10 targets. The final result was a win for Charlotte Hollands, with Caroline Povey second and Sarah Wixey from Wales third.

In the Junior Ladies Augusta Campos-Martyn and Georgina Roberts both shot 63 with Augusta prevailing in the shoot-off to take the English Open Junior Ladies Championship. Ellie Seward claimed third place.

The Men shot 75 targets on Sunday and 50 on Monday. Sunday's weather was pleasant and Ed Ling dropped just two targets on his last round for a 73, closely followed by Mark Shaw who, having matched Ed in the first two rounds, dropped three on his last round for a 72. Monday brought a drop in temperature and solid rain for most of the day. Ed shot 50 straight for an unbeatable 123 ex 125 to become the English Open Mens Champion. Mark joined Brad Davis and Aaron Heading on 119 for a shoot-off in which Brad took runner-up and Aaron third. In the Finals Match Ed won with Mark second and Chris Tate third.

In the Junior Men, Conor Gorsuch and

Lewis Owen were tied on 114 with Lewis winning the shoot-off to become English Open Junior Mens Champion. Scotland's Euan Ross took third place.

The Colts class was a combined affair given there were very few entrants so the Ladies 75 targets were compared with Sunday's 75 for the Men and resulted in a win for Owen Clarke with Ruben Bowyer runner-up and Maddie Purser third.

The whole competition ran very well throughout the three days and the Hann family – Alison, Antonia, Elizabeth, Hector and Wesley are to be congratulated for putting on such an enjoyable event. ●

# steps to getting sponsored

**JAMES MARCHINGTON PRESENTS A STEP-BY-STEP GUIDE TO MAKING YOURSELF IRRESISTIBLE TO SPONSORS**

**E**

**VERY KEEN** shooter would love to be sponsored. Yes, it would help with the cost of your shooting, but there's more to it than that. You feel you've arrived.

Only the lucky few actually get sponsored, though, and the first thing to understand is that it's not a pat on the back for shooting well, or showing promise. It's a hard-nosed commercial deal, where the company puts money and products in, and expects to see a good return on its investment.

So, what can you do to make yourself a sponsor's dream? Read on for our top tips.

**1. Smarten up your act.** Ditch those worn trainers, holey jeans and saggy T-shirt. Start dressing like a professional athlete. Pick a distinctive colour scheme that will set you apart and become your trademark look. Look at Amber Hill or Connor Harris, both are always immaculately turned out, looking smart and professional.

**2. Behave professionally.** Always. That means everything about the way you conduct yourself, from arriving at the shoot in good time, alert and ready, to accepting defeat or a questionable ref's decision with good grace and a handshake. Set an example that others can look up to.

**3. Promote yourself.** You are a 'brand' now, and you need to market yourself just like any other brand. Set up a website or blog with your own domain name, and make it look good. Post regular updates, making it personal and unique to you, but at the same time professional and

positive. An example you could look at is Taylor Hedgcock's website [www.taylorhedgcock.com](http://www.taylorhedgcock.com)

**4. Use social media like a pro.** Set up social media profiles for your 'brand'. Facebook, Twitter and Instagram are must-haves. Take a critical look at your private social media and ask yourself if it's time to quietly delete all those photos from drunken parties. Post frequently, keeping it professional, positive and upbeat.

**5. Get out and be seen.** Enter as many of the major shoots in your discipline as you possibly can; no matter how far from home or inconvenient it might be, you've got to make yourself visible. At the shoot, be friendly and outgoing. Don't just turn up, shoot and clear off again. Wait around for the prizegiving, congratulate the winners, post on social media about the event. Just remember the three Ps: personal, positive, professional.

**6. Raise your profile.** Grab any opportunity to be interviewed by the shooting media for videos, articles and the like. Talk to the shooting magazines about maybe writing an article about your experiences. Contact your local paper and suggest they write a feature about you. Anything and everything that will get your name and face out there.

**7. It helps if you can shoot!** Visibility and a professional image are important but results will impress potential sponsors no end. Get yourself a good coach, and set yourself some personal goals. Then pin your heart on your sleeve, and blog, Facebook and Instagram your journey as you strive to achieve them. Then even your failures will take on a positive note.

“

We are always looking to encourage, support and reward success for junior shooters. The important considerations will always be based around brand loyalty, sportsmanship, general attitude on the shooting field and an understanding of the responsibility that comes with representing a sponsor's brand. We as a company are celebrating 70 years of success, and we want the type of people that want to be with us on that journey.

— Robert Everitt, Business Development Manager, Hull Cartridge Company

Done all that? It's time to approach potential sponsors with a proposal that makes business sense. Pick your targets carefully, and do your research. Find out who is in charge of marketing at your chosen company, and what sort of sponsorship deals they run. Put a detailed proposal together. Not "How about giving me some free cartridges" but "I would like you to give me 1,000 cartridges a month for the next 12 months and in return I will use your brand exclusively, wear your logo on my vest at the following major events, blog/post about your cartridges once a month, and credit you in the sponsors' section of my website."

One final point: when you do get sponsors, be good to them. Take every opportunity to publicly thank them for their support, praise their products, and take care not to be seen or photographed using their competitors' brands. Keep in regular contact, and make sure you give them value for money so they are keen to renew the deal when the time comes. ●

**“** What we are looking for in young shooters is talent; they have to have proved themselves in their field – often we see young shooters like Taylor Hedgecock outperform some of the best in the senior categories. Then we look for commitment to their sport, putting in the hard yards in training and delivering that professional approach to all they meet. After that we look at their social media and internet presence as this is the future of the sport. It is vital that they can promote the shooting sports on these mediums. If all of these things are there we will then sponsor young shooters so they can develop and improve.

Browning are always looking for the next big star, particularly from the younger pool of up and coming talent. We get approached all the time requesting sponsorship but our budgets are obviously limited so you really have to stand out from the crowd if you are to be selected. We do not only look for the next world champion, we are also looking for an ambassador who will be loyal to our brand and conduct themselves impeccably, even on their bad day! This means being smart in appearance, polite and courteous and a warm and friendly competitor. We regularly monitor the CPSA rankings and follow potential targets, particularly in the Sporting disciplines. If you are competing at national level and winning, we will be knocking on your door.

**T**HE ENGLISH Open ABT was held at the National Clay Shooting Centre on the weekend of May 13-14 with a four-man shoot off on the Sunday which went down to the wire. This was also the second England Team selection shoot.

Saturday kicked off with 104 shooters booked in for the Championship, making up 18 squads of men and women from all over the country. The top two contenders were jostling around, with David Lloyd shooting 75 straight to begin and ending with 99/100, then Chris Tate on 74 but finishing with a straight for 99. C Jackson from Caymen was placed third with 97, while Rod Gould, Ed Ling, Mark Shaw and Dave Sipling were all behind with 96.

Abbey Ling showed her shooting strengths, finishing on 93/100 in the Ladies, with Lisa Cooper eight targets behind. JJ Reilly finished on 94 in the Vets category after having shot a straight on his last line and James Cheung and Theo Ling were both on 91 for the Juniors. The last category for the Colts was Owen Clarke on 92, ahead of Lucy Hall on 83.

At the close of the first day we were greeted with a beautiful evening of sunshine and the promise that the following day was going to be eventful.

After overnight rain, the morning sunshine brought smiles to those at the ground and, as

ever, the ABT shooters were full of joviality and wisecracks. The screens in the clubhouse were lit up and ready for the off on the final day of the Championship.

Lloyd and Tate were still neck and neck after the second round; meanwhile, Ling and Shaw both shot 75 straight to finish and at the end of the day all four were on 195 ex 200.

In the four-man shoot-off Shaw and Tate both shot 24 to rule out the other two, who both shot 23. All four had to shoot another round, when Mark Shaw produced the perfect 25 to beat Chris Tate for the English Open ABT title, leaving Lloyd and Ling, having both shot 25, to sudden death for third place. This saw David Lloyd come out on top. It was an exciting end to the competition.

Two Veterans – Andrew Thompson and Paul Westaway – joined the Seniors in the first shoot out to determine second and third place, where Andrew Thompson shot 25 to take runner-up position. JJ Reilly took Veterans High Gun 186 ex 200, Owen Clarke took Colts High Gun 183 ex 200, Abbey Ling walked away with Ladies High Gun 189 ex 200, and Theo Ling took Junior High Gun 180 ex 200. Disabled standing High Gun went to Steve Ling 174 ex 200. The Regional team winners were: Seniors – South West, Ladies – East Midlands, Juniors – South West, Veterans – North. All the trophies were presented by CPSA director Graham Walker. ●

# SKEET

## events round-up

### OLYMPIC SKEET ENGLISH OPEN AND GRAND PRIX

**BEVERLEY CLAY** Target Centre hosted this year's Olympic Skeet English Open and Grand Prix on May 13–14. The event was shot in variable weather conditions, from dark light with patches of heavy rain to bright sunshine.

As in previous years, the two events were run concurrently, the English Open being 100 targets shot in one day and the English Grand Prix of 200 targets shot over two days. The Open could be shot on either day, but if a competitor shot the Grand Prix of 200 targets, then the scores from day one counted for their English Open score.

James Rounsevell shot the only straight (25 ex 25) of the weekend, but it was not enough to put him on the top of the podium; that went to Freddie Killander, who took both titles.

Coached by Andy Austin, Freddie shot consistently well, leading the field throughout the event, scoring 23 or 24 in all eight rounds, ending day one on 94 ex 100, three targets ahead of his nearest rival, veteran shooter, Frank Miller who was one target ahead of bronze medallist Ross Elgie in the English Open.

Nicky Wakeford and junior shooter Lara Dale had quite a tussle throughout the weekend: tied with the top scores for the EO Ladies High Gun, which was decided by Lara winning out in the shoot-off to take top spot.

The same two ladies battled it out the following day for the Grand Prix title. It was a close run thing all the way: in round six they were level pegging, Nicky pulled ahead by two targets in the penultimate round, Lara managed to snatch one extra target in the last round but it was not enough, Nicky took the title by one target.

Freddie also took the Grand Prix High Gun, this time three targets ahead of Junior shooter, James Rounsevell with Veteran shooter Phil Musson finishing in bronze.

It's good to see some of the veteran shooters, namely Frank Miller and Phil Musson taking podium positions and still giving the youngsters a run for their money!

Freddie, who is in GBR Skeet Team for this year's European Championships, loves his shooting, but works full time, practising whenever possible at the weekends, so achieving High Gun in the English Open and Grand Prix was a great result for him: "It's not about beating any individual, but competing against yourself and the conditions. It was a tough weekend, the light conditions made the targets 'interesting' to see!

"I adore shooting, being able to explore the world whilst doing something you love – what could be better than that?"

See the CPSA website for full results. ●

### EO ENGLISH SKEET

**MAY SAW** the 2017 English Open Skeet roll into Dartford. The ground welcomed the shooters, the weather was slightly less obliging with rain and gusty wind on the Saturday and sweltering heat on the Sunday.

Darryl Taylor set the pace, scoring 100 straight on the Friday and ensuring that anyone with designs on the trophy couldn't miss. Nick Coupe, Peter Stanton-Hope and John Silvester all shot straight on Saturday and it was just a case of how many 100s there would be in the near perfect conditions on Sunday.

With the quality of the weather and targets, there were no excuses and the pressure of being

unable to miss took its toll – many came close but it was only the ever-consistent Gary Cooke and Steve Leppington that managed it.

So, as with most Skeet majors, it was all about the shoot-offs. Darryl Taylor wasn't at the ground so Nick, Peter, John, Steve and Gary shot off for the title. Only Nick, Gary and Steve made it through to pairs. Nick missed a target on the first set so it was down to the Yorkshire duo to battle it out. Gary was obliterating his targets while Steve was having to work for every one of his. A simple error from Gary caused him to miss and hand the title to Steve Leppington who was delighted to win a Skeet major outright after previously claiming the Veteran Titles.

**SARAH DALY** REPORTS ON THE EUROPEAN COMPAK CHAMPIONSHIPS IN POLAND AND FSP EUROPEANS AT LULWORTH

## EUROPEAN COMPAK CHAMPIONSHIP

**AMY EASEMAN** achieved her best result yet with a terrific silver medal in the Ladies at the European Compak Championships in Poland. Amy led the field going into the last day on 142 ex 150, just one target ahead of Martina Maruzzo (ITA), Beatriz Laparra Cuenca (ESP) and Tatiana Pirogova (RUS). Maruzzo picked up the pace to finish level with Amy on 189 ex 200, which left a shoot-off to decide the top two places, Amy finishing on 19 to Maruzzo's 20. This result has moved Amy up one place to fourth in the Promatic FITASC World Rankings.

John Bidwell once again stood on top of the podium in the Super Veterans, with a score of 193, five targets ahead of silver medallist Guy Rizzo.

Amy commented, "The team was welcoming, the facilities were good, everything just seemed to click, every time I pulled the trigger something broke! It was a good feeling. My exams started the day after I got back so shooting was meant to take a back seat this year, but that has not really happened."

Phil Easeman is a very proud father: "Going into the last day, Amy was left with the hardest two layouts," he said, "but she came out with 47 x 50, shooting 24 ex 25 on the hardest layout. I was shooting at the same time as Amy, so I couldn't watch her, but we did meet half way between layouts and I was very proud. It did bring a tear to my eye."

## EUROPEAN FITASC SPORTING CHAMPIONSHIP

THE GBR entrants took their fair share of medals at Lulworth Estate in June, including three European Champions and a clean sweep of gold, silver and bronze medals in the Veteran and Super Veterans events.

Martin Myers had a cracking result, coming away with a very well deserved silver medal, only one target off the experienced Christophe Auvret's (FRA) winning score of 185 ex 200. Martin was "over the moon, as I don't shoot a lot of FSP as it is not my chosen discipline, which is usually English Sporting. The main difference for me is having to shoot gun down rather than gun up, but after four days I was starting to get the hang of it!"

"The event was challenging with four days of strong winds, but it was the same for everyone. The course was very different, with some really good targets from long distance and some close ones to catch you out."

There was some strong competition between Junior team members, Henry Young, Josh Bridges and James Bradley-Day with Henry taking the top spot two targets ahead of Christian Camporese (ITA). There was a real tussle for the bronze medal between team mates Bridges and Bradley-Day, needing a shoot-off to decide the final placings. Josh finished the first day in 12th place with James in third, but Josh moved up the field over the following days to level the scores, finally pushing James out of a medal position after a shoot-off.

18-year-old Henry Young said, "At first, I did not realise I had won as I was waiting for the last scores to come in, but when I did I was over the moon!"

It was no surprise that these three talented young men took the team gold, a massive 32 targets ahead of their nearest rivals, Italy.

GBR took all the top medals in the Veterans. Steve Brightwell led the way by lifting the Individual Veteran Champions trophy and was joined by Nigel Hart in silver and Kevin Jobling in bronze. Steve, Stephen Williams and Christopher (Chip) Smith won gold in the team event, an impressive 25 targets ahead of Italy.

The Super Veterans were also dominated by GBR: John Bidwell added to his trophy haul by taking the Super Vets Champions title; joining him on the podium was Ian Baldwin in silver and Andrew Jones in bronze positions.

The Super Vets team of David Asher, Brendon Frost and Andy Shore equalled Italy with the top score, but came away with silver on countback – that is tough. ●

### North of England DTL Team

The final shoot for the North of England DTL selection was held at North of England Shooting Ground on May 14. There was a good turnout of 15 squads and the weather conditions were sunny without much wind. This produced some outstanding scores.

Jeff Cole shot a perfect 100/300, winning the shoot. John Adams shot 100/299 and Marin Jerminson, D Garrell and Alan Henry all shot 100/298. The team places were well fought for and the top 10 seniors, three Ladies, three juniors and three Veterans were finalised. The final teams are:

**Seniors:** M Turner, R Holden, N Chapman, P Turner, M Jeminson, P Frankland, R Elwell, S Tate, JR Singleton and G Peters.

**Ladies:** E Holden, C Kitchen and L Powell.

**Veterans:** T Philipson, A Henry and J Adams.

**Junior:** J Tate, R Sharpe and O Vining.

We would like to thank all the grounds for holding the Selection Shoots (Spennymoor, Bywell, Beverley CTC, Penrith Gun Club and North of England CTC). We'd also like to thank everyone who took part. Congratulations to all the successful team members. Finally, congratulations

to Michael Turner who was the overall High Gun from the Selection Shoots, taking home the Kevin Weatherald Memorial Trophy.

### English Open Skeet Championship – Dartford

Six competitors shot the elusive 100-straight, resulting in a shoot-off. Yorkshire's Darryl Taylor shot his first ever 100-straight and the first of the competition. Other straights included Yorkshire's Gary Cooke and Steve Leppington.

Unfortunately, Darryl was unable to return for the shoot-off on Sunday so the remaining five – Gary Cooke, Steve Leppington, Peter Stanton-Hope, Nick Coupe and John Silvester – took to the stage. After 25 more targets, Nick Coupe, Gary Cooke and Steve Leppington had all shot straights again so went to middle pairs to decide the result. Nick Coupe was the first to miss, leaving Steve Leppington and Gary Cooke to fight it out. After six more pairs of targets, an uncharacteristic miss from Gary gave the English Open Championship to Steve Leppington. This was a well deserved first major title after many years of dedicated shooting. Gary was runner-up.

Steve then had to go back out and shoot for the Veterans title against Peter Stanton-Hope. Both shot 25-straights so again they went to middle pairs to get a result. Steve won, giving him the Veteran Trophy to go with the Championship Trophy.

Although he was unable to return for the shoot-off, Darryl Taylor still won a trophy for being first in A Class and third in Veterans.

Other Yorkshire successes included Russ Dean and Andy Parsons, who shot 99 ex 100. Last but not least, young Archie Pope shot really well in his first big shoot – keep it up mate.

### May 14: English Open ABT – NCSC

This prestigious event saw the very best in the discipline attend. With more than 100 competitors trying to win, scores were high. The North of England was well represented, which resulted in three of the top four shooters being from our region, all on 195 ex 200.

Never underestimate the power of the north as, after only a single line shoot-off, the event was decided. Mark Shaw from Cumbria took High Gun, Chris Tate was second and D Lloyd came third.

Our Veterans won the Regional team event after

The Ladies also saw our region represented on the podium when Lucy Hall was awarded with second place.

### Cheshire Junior's success

Drew Gilchrist-Dick started shooting after his 10th birthday and has since become very keen on the sport. Drew enjoys shooting with his dad, Cameron, and together they practise twice a week at Cloudside SG. Drew is progressing well. His instructor, Lindsay Aspin, is a huge support and has encouraged Drew to start entering

**Above:** Drew Gilchrist-Dick with proud father Cameron at the British School and Young Shots 2017

competitions. His first was the British School and Young Shots 2017 which he found to be a great experience. Well done Drew – we look forward to seeing you compete for Cheshire in the future.

### James and Kevin Barnett

Cheshire Junior, James Barnett, is determined to win a place in the County English Skeet Team. Helped by his dad, Kevin, and sponsor MKM, James is putting in plenty of time to maximise his chances of being selected. Jim Rogers and Mike Sargeson (Cheshire's ESK Managers) are excited about the prospect of James and his dad joining the team. Good luck to you both!

### Third English Sporting Team Selection – Old Glossop SG

The weather was perfect and 34 Cheshire shooters attended. The 100 targets were shot over 13 stands and the course was difficult at times. However, some shooters were well focused, particularly Miles Machin who shot his first seven stands as straights!

J Woodcock was the Cheshire Senior High Gun with 93 ex 100. In the Veterans, MJ Matthews and M Snelling tied on 85 ex 100. The Ladies High Gun was Kerry Oakley on 74 ex 100.

Junior Fred Whitehurst blasted his way around the course, finishing on an incredible 94 ex 100. In the end, he was beaten by just one clay. Well done Fred. Thank you to everyone who attended and to the staff at Old Glossop.

### Apr 30: West Midlands Inter-counties All-Round Championship – Fauxdegla

the Juniors won bronze.

In the West Midlands Area Championships, Hazel Denney won Ladies, Brett Davies took silver in Seniors and Janet Gornall took bronze in Ladies.

In the Cheshire Championship, Brett Davies was High Gun and County Champion. Tony Dean and Steve Randles were joint silver, awaiting a shoot-off. Colin Milton was the Veteran Champion, Hazel Denney was the Ladies Champion and Fred Whitehurst was the Junior Champion.

What a fantastic start to the Inter-counties season – well done to all. Thanks go to Mike and Debbie at Fauxdegla SG, to Rod Davies and Stu Thomas from the West Midlands Committee, and to our own Ian Cunliffe.

### May 21: West Midlands Area and Inter-counties ABT – Rugby

Our growing ABT team was just out of the medals, coming in a respectable fifth place on 430 ex 500. Paul Gowrie was the Cheshire Team High Gun with a creditable score of 90 ex 100. His name will be the very first to be engraved on a shiny new trophy!

#### **Sporting**

All of the Selection Shoots are now complete and the following have all been asked/accepted to represent the County at Doveridge in September.

Seniors: Rob Wise, Matt Turk, Steve Burnham, Clynt Warren, Mark Thomas, Nick Portlock, Doug Pinnegar, Matt Davies, Stewart Keen, Steve Clarke, Charlie Bendall and Nigel Durn. Ladies: Lindon Partridge, Joanna Herbert and Sue Tippet. Veterans: Phil Richens, Terry Beard and Kevin Childs. Juniors: Ms Davies, Harry Lovatt and Ms Brooker-Smith. We wish you all the very best.

The County Sporting Championship will be shot at Longridge on July 2 – we would like to see as many of you there as possible. It's looking to be a well-supported event, showing off both our County's finest and us lesser mortals.

#### **FITASC**

The date and venue have now been set for the County FITASC: it is to be held at Longridge on September 15-16 and will be shared with Hereford and Worcester. There is a limit on entry numbers, so do book in with Steve Nutbeam early. If you book in late, it will probably be sold out. The West Midlands Inter-counties shoot will take place before this event and selection for the Senior team (the only team in this shoot) will be selected by our Chairman and Secretary.

#### **Personal bests**

There are a few more personal bests to report this month. Nigel Durn 92 won B Class by some distance at Meadowcroft. Sean O'Keefe 80 won B Class at Urchfont – a real husband-and-wife effort as Sharon O'Keefe took second in Ladies as well. Very well done to you all. If you have any more to share, please do.

#### **Joanna Herbert**

Joanna Herbert and Mark Thomas are a popular and often seen pair on the Sporting scene. Joanna had an exceptional season at Honesberrie in 2016, dominating the summer series shoots to such a degree that she caught the eye of series sponsors Rizzini Guns. They now sponsor Joanna with a built-to-measure gun and full factory support; the start of a significant journey.

In the coming months, all of the County's grounds will be putting on a full range of shoots and events. We hope to see you all out and about.

If you have anything of interest to share within our County please let us know. Also, don't forget to take a look at our Facebook page – Doug is always hungry for content.

### Apr 23: West Midlands Area English Skeet Championships – Doveridge CSC

Emma Parkinson won the Junior gold medal, shooting 98 ex 100. Then, after a shoot-off with Wendy Allen from Staffordshire, she also won the Area Ladies silver medal. A great score and a great result – well done Emma.

### May 7: UK Universal Trench Championships/ GB Selection – South Wales 2000

Hereford and Worcester shooters put in some brilliant performances, with Lee Betts (191 ex 200) winning the Seniors bronze after a shoot-off with David Kirk. Jo Allen (171 ex 200) won the Ladies bronze medal and confirmed her place in the Ladies GB team for June's European UT Championships in Lonato (this is her third GB cap for UT).

Hereford and Worcester came very close to having three members in the GB team for Lonato. Lee Betts narrowly missed out on a place in the Seniors team after a shoot-off against Adam Gutteridge. Phil Sanders shot off against Steve Ling for a place in the Veterans team – taking it to Single-Barrel 'sudden death' in the process. At the sudden death stage, both Steve and Phil missed their first target. Steve then connected with his second but sadly Phil didn't, so the place went to Steve. *Richard Allen*

### May 7: Olympic Skeet County Championship – Gloucester SG

With a score of 76 ex 100, the County Champion and Veterans Champion is Anthony Blandford.

Junior Champion is Archie Parker-Smith with 69 ex 100. Only a handful of members shot this competition – we'd like to thank them for attending and GGC for hosting the event.

### May 14: English Open ABT Championships – NCSC Bisley

Congratulations to Lisa Cooper for coming second in the Ladies category. We'd also like to mention Paul Lily who won D Class.

### May 21: WM Area and IC ABT Championships – Rugby

A sunny day welcomed the shooters and there were some exceptional scores. In the end, it became a close battle between Hereford and Worcester and Staffordshire with both teams finishing on 468 ex 500.

The shoot-off between Hereford and Worcester's Nick Dean and Staffordshire's Adam Gutteridge ended with Adam winning with 24 to Nick's 23. In the team results, Staffordshire came first, second was Hereford and Worcester, third was Warwickshire, fourth was Shropshire, fifth was Derbyshire and sixth was Cheshire.

Phil Sanders won the Veterans after a very close shoot-off and Jo-Ann Allen took silver in the Ladies.

Hereford and Worcester results: Nick Dean 96 ex 100, Phil Sanders 94 ex 100, Richard Allen 94 ex 100, Rod Davies 93 ex 100, Mike Lloyd 91 ex 100, Jo-Ann Allen 89 ex 100, Andy Foxall 83 ex 100, Nick Stokes 81 ex 100 and Stuart Palmer 74 ex 100.

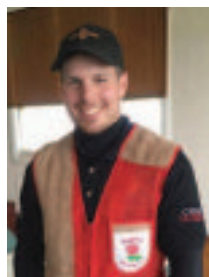

Thanks to everyone who took part and a to John Nightingale and the ground staff who helped stage a very successful and enjoyable day. *Andy Foxall*

### May 21: DTL England Selection Shoot – Nottingham

Congratulations to the following Hereford and Worcester members who have qualified for the England DTL team: Lee Kirby has qualified for the Senior HI and the World Championships which takes place in Australia (his sixth cap). Dan Price has qualified for the Senior HI (his first cap). Rob Haines qualified for the HI and European Championships in the Super Veterans.

### May 28: English Open English Skeet Championships – Dartford

### Selection Shoots

There has been a great interest across the board in the Selection Shoots and the English Sporting has seen many new faces compete. Currently, Alan Rowley leads the Sporting even though he's actually one of the County's GB Helice ZZ trap shooters! This is brilliant news for both Alan and the County. The Sporting shooters are going to have to dig in and start reeling him in!

### Donations

## ELEY HAWK DTL GOLD THE PERFECT 300 STRAIGHT

Trap shooting is a highly competitive discipline where total concentration and consistency in the delivery of shot is paramount. With this in mind, Eley Hawk has developed the new Eley DTL Gold cartridge, specifically designed for trap shooting.

Working closely with some of the country's best trap shooters, we have applied all their feedback into the product to deliver the ultimate cartridge for trap shooting.

With clearly reduced muzzle flip for that all important second barrel, high antimony hard shot for dense patterns, more consistent breaks and very low recoil to minimise fatigue during competitions, these cartridges are designed to keep you on target for the perfect 300 straight.

Staffordshire's Junior shooter Sam Ward shot a brilliant 94 ex 100 to end up with joint bronze and gold in Juniors in the Area Event.

No Staffordshire Ladies or Veterans took part in this year's event – a great shame.

#### May 21: West Midlands Inter-counties ABT – Rugby and District

After every shooter had finished and the team scores were added up, we had a draw for first place: both Staffordshire and Hereford and Worcester were on 468 ex 500.

Staffordshire's Team Captain Adam Gutteridge stepped up to the plate against Hereford and Worcester's Nick Dean. The pressure was on and Adam dropped his first target. Nick continued to kill target after target, then finally dropped a bird too! It was all square. Adam dug deep and continued to smash the next 24. Nick shot well but missed his 25th target, giving Staffordshire the win. Adam 24 ex 25, Nick 23 ex 25.

Adam Gutteridge added another title to his name by winning the championship with an amazing score of 98 ex 100. Adam shot very consistently throughout the day. Great shooting Adam.

Gill Grealey, Staffordshire's most decorated Lady, took Bronze in the Ladies with a great score of 79 ex 100. Great shooting Gill.

#### Sam Ward

Staffordshire shooter Sam Ward is now the Junior Lyalvale Express Master. While shooting at Atkin Grant and Lang Shooting Ground in May, Sam shot 130 ex 145 over 120 Sporting targets and a 25-bird Sportrap.

#### May 7: Skeet – Doveridge

This shoot saw some fantastic shooting – well done to all that took part on the day. Toby Bushel became the Staffordshire County English Skeet Champion with his score of 98 ex 100. Wendy Allen became the Staffordshire Ladies English Skeet County Champion, shooting 97 ex 100. ## East Midlands

#### Colin Butler

01933 673652

colincpsa@yahoo.co.uk

sites.cpsa.co.uk/east-midlands

Before I start this month's report, I would like to remind trophy holders and winners of their responsibility to the East Midlands Region and their fellow shooters.

Several trophies have gone missing in the last few years, which has created unnecessary expense to the Region as we have had to purchase replacements. History has been lost and it is both upsetting and embarrassing when we have nothing to present to worthy winners because previous winners cannot be bothered to return them.

There are currently six trophies lost in the Region. Most are likely sitting in trophy cabinets or on people's mantelpieces, and we find it hard to understand why they have not been returned.

It is simply not enough to dump trophies at your nearest ground, and this seems to be one of the reasons for part of the loss. Trophies should be returned to the relevant hosting ground for that season, clean and engraved, ready for presentation for the next event.

We urge all shooters and grounds to check what trophies they have in their possession. If you have a trophy that needs returning, please contact the Regional Secretary on the phone number above or your Regional Representative and we will plan to have it returned.

The trophies currently missing are: Junior Sporting, Skeet Doubles, Sportrap, Ladies DTL, Double Trap and Olympic Trap.

#### Skeet Doubles

Orston hosted the Skeet Doubles Championships, and, although only a small field of 30 shooters entered, the standard of competition was certainly not lacking.

Neil Orr of Nottinghamshire won with a score of 97 ex 100 – I believe this is his first regional title. Chasing him all the way was Nottinghamshire Colt Tom Tristram, who was just one target behind Neil. Tom was rewarded with the Junior title. In third place was the defending champion Neil Faulkner of Northamptonshire who just failed in his quest to retain the title, finishing on 95 ex 100.

In Ladies, it was our Queen of Skeet Joy Hiron from Leicestershire who won the title scoring an impressive 93 ex 100 to win. Joy was well clear of Jenny Hilton from Nottinghamshire who took

**TO VIEW ALL THE IMAGES FROM YOUR REGION AND TO GET THE LATEST NEWS,  
VISIT [WWW.CPSA.CO.UK/COUNTIES](http://WWW.CPSA.CO.UK/COUNTIES)**

second place. In turn, Jenny just edged Izzy Russell from Nottinghamshire into third place.

In Veterans, it was Tom Tristram's coach and mentor John Miller from Nottinghamshire who swept all before him, finishing on 87 ex 100. Four points behind was RJ Bird from Lincolnshire and Lol Barr was a further point behind to take third.

### Sportrap

Hosted by Orston SG back in May, this year's Sportrap was won with a remarkable score of 99 ex 100 by Steve Brightwell of Leicestershire. This score also earned him the top spot in Veterans.

Steve was chased home by Adam Curtis of Grange Farm who finished three clays behind. In turn, Adam just outpointed John Lee of Lincolnshire who took third.

The runner-up in Veterans was Steve Grant of Cambridgeshire on 93 ex 100. Third went to Tom Bailey of Lincolnshire on 89 ex 100.

Megan Gamble of Nottinghamshire made the short trip to Orston and returned with her first Regional title, scoring 74 ex 100. In second was Leicestershire Junior Evie Figliolini, winning her first Regional medal and the bonus of winning the Junior championship. Third was Holly Duggan, also recording her first podium finish in the Region.

Many thanks to Orston for hosting this event and the 74 shooters who helped make it a very enjoyable day.

We have a very busy month coming up, so check out the fixtures below. We hope to see you soon.

### FITASC Championship - Sporting Targets

County shooters went head-to-head to see who would be crowned FITASC Champion 2017. The competition was shot over 100 targets with four 'old-style' layouts: Plantation, Clubhouse, Basin and 122. Of the 13 shooters, there was one Lady, six Veterans and six Seniors.

The weather was reasonable throughout the day which helped produce some good scores. Bert Mason and Adrian Jeffries drew as champion with 88 ex 100. Becky shot 83 ex 100 for the Ladies and Andy Nixon 82 ex 100 to take the Veterans title.

Thank you everyone who shot the championship - see you at the Inter-counties.

### May 1: Sporting Championship and Martin Scoley Memorial Trophy

The bank holiday Monday brought us a complete mixture of weather - overcast, sunny, rain and wind - for the annual Martin Scoley Memorial and the Bedfordshire English Sporting County Championship.

This was a 100-target registered event, spread over the majority of Sporting Targets. Shooting began in the Plantation, amongst the trees, and ended up in the Quarry, shooting both tower and ground targets.

Many shooters competed for the spoils but Steve Leonard became the County Sporting Champion. Steve shot a brilliant 89 ex 100 over what was a tricky and testing course. Close behind was Stuart Earl (88 ex 100) and Adrian Jeffries (86 ex 100).

Craig Hollick shot 68 ex 100 to take Juniors - beating his dad! Becky Elmore shot a very good 77 ex 100 to take Ladies, followed by Jane Maloney on 73 ex 100. Veterans was hotly contested with Malcolm Jenkins coming out top with 86 ex 100. He was closely followed by Jim Munday (84 ex 100) and John Stanton (83 ex 100).

The Martin Scoley Memorial Cup was won by John Wells with an Overall High Gun score of 94 ex 100. Well done John - excellent shooting.

Thanks to all the shooters who came and supported the shoot this year and to everyone who has supported the qualifiers.

### Sporting Targets FITASC Series

Sporting Targets of Riseley once again held a FITASC series in January, February, March and April this year, with support from Promatic, CCI and Hull Cartridge. Each shoot was 100 targets shot 'old-style' and competitors needed to shoot two of the four shoots to count for the Overall High Gun and Class top shots at the end of the series. Prize money and Hull Pro One cartridges were also awarded in each class at each shoot to boost the overall prize fund.

Steve Brightwell won the Sporting Targets FITASC series, taking home a Promatic Automatic Clay Trap which he received from Ground Manager Tyrone Clark.

Thank you to Promatic, Hull and CCI for your generous support and to all the competitors and winners. We appreciate all of your support - see you next year.

### Bedfordshire CPSA Committee Raffle

A great big thank you to all who entered our raffle. We are pleased to announce we raised a generous £85 which will be going to the Bedfordshire CPSA County Committee funds. Thank you very much -

without your ongoing help, our Committee would struggle to exist.

Please check out the new Bedfordshire CPSA website to find out the details for this year's remaining fixtures.

### May 21: Cambridgeshire Sporting - Cambridge GC

It was a super day for shooting and good to see so many top shots taking part. The course setter Mick said he thought a 96 ex 100 would do it but it's always nice when a specialist course setter is wrong as he was in this case - a 97 ex 100 won it. This fantastic score was achieved by A Harvey from Suffolk.

The top shooter from Cambridgeshire was Phil Gray with a super 95 ex 100 - enough to take the County title again. Phil was closely followed by Justin Bladen with 93 ex 100, Harry Seal with 92 ex 100 and Mark Bowes with 90 ex 100.

The Veterans came out in force and all showed their form, but it was Brian Dunbavin who came out on top once again with a fine 88 ex 100.

While Cambridgeshire always struggles to get a full Ladies team together, we had a good turn out at this shoot. Holly Duggan not only won the County Championship but also was top Lady overall with a 71 ex 100.

In the Juniors, Dan Mawby had an excellent performance, shooting 88 ex 100. He not only took the Juniors but also won A Class.

While the Colts were thin on the ground, it was a very good day for K Carter who shot 74 ex 100 and is now the Colt County Champion.

### English Open

Cambridgeshire shooters have come to the top of late, none more so than Taylor Hedgecock who recorded the highest score on the 120 target course to qualify for the Super Final. This shows that hard work really does pay off in the long run and having third place at the English Open on your CV can't do any harm. Well shot Taylor, we are all proud of you.

Taylor's little sister Ami, 14 years old, was third in Lady Colts. Well done Ami.

The Ladies was won by our very own Georgia Moule with a score of 100. Bearing in mind that notable world Champions were only two or three targets ahead of her, what a performance. Great shooting Georgia.

Georgia also recently had major success in the World Championships in Texas. She came home with three silver medals: one team silver, Ladies FITASC silver, and silver in her class. She achieved sixth overall and was the top British Lady. It's great to see a Cambridgeshire Lady doing fantastically well! Well done Georgia.

The early months of our championship calendar have been dominated by the sporting disciplines.

### Apr 30: English Sporting County Championship – Grimsthorpe SG

Once again Grimsthorpe hosted our County Championship and, as always, the Grimsthorpe team put on a round which had something for everybody. The weather conditions were pretty good but a stiff breeze made the odd target stray off course.

John Lee was High Gun with a superb score of 93 ex 100. However, the chasing pack was not far behind with Dave Whyte, Paul Wilkinson and Martin Smith all finishing just one point back on 92 ex 100. As the County Champion, John will represent Lincolnshire in the CPSA Champion of

Champions at the Game Fair at Hatfield House on July 29.

Class winners were Paul Wilkinson (AA class 92 ex 100), Martin Smith (A class 92 ex 100) and L Sallabanks (C Class 77 ex 100). B Class and Juniors went to Alex Horton who shot a superb 89 ex 100. The Ladies title went, once again, to Rosie Brumby who scored 87 ex 100 and Dave Whyte claimed the Veteran title. The Paul Wilkinson Champion of Champions Colts trophy was won by Ollie Zaitschenko who scored 77 ex 100.

For those shooting early in the day, it can be a long wait before the final results are known. However, it was disappointing that none of the winners were at the presentation to collect their awards. Please contact me so that I can arrange to get your award to you.

The Lincolnshire Sportrap Team, selected from this event, is on the website. Team Managers Paul Briggs and Steve Whiting will contact team members closer to the time of the first event on September 17.

### May 21: Sportrap – Orston SG

Over the last 14 years, attendances at the Lincolnshire Sportrap have ranged from two to 40 – who would have thought it would ever be necessary to pre-book your entry? However, a massive turnout of 100 entries meant that I missed out on a very nice shoot. The targets were well presented with a nice mixture from easy to downright difficult.

John Lee's score of 94 ex 100 earned him the Lincolnshire Sportrap title making it back-to-back wins for him in our Sporting disciplines. Dave Whyte, consistently never far from the top, completed a hat trick by finishing runner-up with 91 ex 100; he was also runner-up in Sporting and FITASC. Top Junior was Alex Horton who scored 82 ex 100.

Congratulations to the team at Orston. This is their first year running some of our championships and they made a splendid job of it.

### Congratulations

Norman 'Moose' Eaton, Paul Smith and Josh Brazier all gained places in the England DTL squad. Well shot all.

### ZZ trophy

A reward of £50 is offered for the return of the Lincolnshire ZZ trophy. This has been missing since 1993, the last known winner being George Constanti in 1992. Please contact any committee member if you can help us trace this trophy.

Alan Bott

Hello again, I hope you are all well and hitting plenty. It's been short-sleeve weather of late – let's take full advantage of it and bag lots of clays.

### Congratulations County shooters

Alan Palmer was in good form at the British Open Double Rise at Nottingham GC. He gained a lovely silver medal in the Veterans. Absolutely brilliant.

Bob Tucker was also in great form at the English Open Double Rise the day before, winning a bronze medal in the Veterans, missing the gold medal by just two points.

Evie Figlioni, who is being coached by Adam Curtis (of Grange Farm fame) and is just 16 years old, picked up a silver medal in the Lady Colts Class at the English Open Sporting Championships. She missed the gold by just one point. Simply wow!

The last one of our superstars is Steve Brightwell. Steve also picked up a silver medal in the Veterans at the English Open Sporting Championships. He missed out on gold by just a couple of points.

We have a wealth of brilliant shooters in our County. Well done and thanks to you all.

### Second Sporting Selection Shoot

This was staged at the Kegworth Sporting venue and was very keenly contested by more than 170 entries. Richard Watkins was the County High Gun and scored 106 ex 120. He was equal fifth overall. Second place was Dave Cockerill with 104 ex 120, followed by J Squires with 100 ex 120. All of our top 15 shooters scored more than 90 ex 120. Thank you Kegworth for staging this event.

### Skeet at Northampton SG

The Olympic Skeet Championship was won by David Piggan – a repeat of his victory on several occasions before. The English Skeet, again at Northampton, was won by Joy Hiron – who else! She took the Ladies and Overall Seniors title. However, there were only four points between first out and sixth, so look out Joy!

### Olympic Trap – Garlands SG

This year, the Olympic Trap was won by John Grice with 45 ex 50. John left a lot of room for the rest of the shooters with his very high score. Well done John and to all of our County shooters, you all did us proud. Thanks Garlands.

### Bobby Murray

Finally, Young Bobby Murray shot a brilliant 82 ex 100 at Grange to win B Class and the EM Junior title. Bobby is another one to watch.

### May 7: DTL Championship and Basil Pearce Memorial – Priory CTC

There was an entry of 39 shooters who all wanted to win the Norfolk DTL title and the Basil Pearce Memorial trophy. Many who knew Basil know how much he loved his trap shooting. While I never met him, I have heard a number of stories about Basil and he used to shoot with my grandfather many years ago.

This year's Norfolk DTL and Basil Pearce Memorial Champion is Russell Houghton. He managed to hold off D Mclean by a single point and his score of 98/293 was enough to secure the title for the second time (he last won in 1995). This is Russell's second Norfolk title this year and he also won the East Midlands Double Rise back in April – he is in fine form. Russell's brother Neil won the Norfolk DTL Championship in 2003 and his father also won this Championship back in 1981 and 1983. This just goes to show how good the Houghton family is with their Trap shooting abilities.

The Veterans was a hard-fought contest between John Reynolds and Richard Gilbert who both shot in the same squad and tied on 282 points. After a 25-bird shoot-off, Richard claimed the Norfolk DTL Veteran title. I managed to video most of the shoot-off – you can watch it on the Norfolk CPSA Facebook page.

This year's Ladies DTL Champion is Audrey Smith who managed to retain her title for the second year in a row. Audrey scored 73/219.

We would like to thank the Priory Clay Target Centre for holding this event. We would also like to thank Basil's widow Pam for presenting the

We are currently looking for Team Managers for the All-Round and FITASC County teams. Please get in contact if you feel up for the challenge.

### Youngsters Have-A-Go Day

We will be holding Youngsters Have-A-Go Days at Mid Norfolk Shooting School on August 3 and August 17. This will be a free opportunity for anyone between 12 and 16 years of age to try out clay pigeon shooting for the first time. 93 ex 100 – one more than last year – to take the title. George Owen shot a lovely 73 ex 100 to win Juniors and Kirstin Vogel won the Ladies trophy. Neil Faulkner took a step into the Veterans category and found success with 67 ex 100.

### English Sporting

There was a large entry for this competition. The Northampton Gun Co sponsored class prizes of a badge and 250 cartridges and, as always, this proved attractive for a range of shooters at all skill levels. The weather was pleasantly warm with the wind providing just a little interest.

The Senior winner and runner-up places were keenly contested with just one clay separating them. Joe Smith won with 93 ex 100, ahead of both J Williams and last year's winner Paul Cooper who both finished on 92 ex 100. Joe also won the AA Class prize.

Junior Henry Collins, back from Texas and well rested, was on form shooting a 85 ex 100. Louise Smith scored a really nice 82 ex 100 for the Ladies title. Veteran shooter Bob Odell shot one clay more than I Cross and secured the title.

Harry Piercy, completely new to County shooting, drew with George Whatton scoring 66 ex 100. He won the Colts shield on countback. What a wonderful start to competitions!

Class prizes were won by: A Class Chris Sumner (91 ex 100), B Class Glen Thompson (84 ex 100) and C Class S May (81 ex 100).

Thank you to the Northampton Gun Co for its continued support.

### County FITASC

There was an increased turnout for this competition – enough shooters of all categories to give us more than a full Inter-county team. There was also some very decent scores. This will all give Team Manager Jeremy Baker a great deal to think about when he picks his team in October.

Joe Smith was won Seniors with a great score of 93 ex 100, just one more than Jeremy himself. Veteran shooter Mick Russell scored a lovely 86 ex 100, beating Bob Meadows by one clay. L Walters also shot 86 ex 100 to take the Ladies title. George Whatton won Juniors with a great 80 ex 100.

Thank you to all who attended this event.

### ABT

The County's Committee decided to run this competition over two days this year in an attempt to encourage more shooters. It seems to have been a positive move as 17 shooters took part. Inter-county team manager Laurie Cookson will be spoilt for choice when it comes to picking his team.

The weather stayed the same for both days, hot and humid with a breeze that moved the clays when least expected. That said, it did not prevent some very close scores – three clays separated the top three shooters. Mick Rolstone won the Senior title with a fabulous 95 ex 100, one clay clear of Joe Smith. Karl Taylor was third with 93 ex 100. John Woolcott took the Veteran title with 82 ex 100 and Kirstin Vogel shot 69 ex 100 for the Ladies title. Alfie Thompson won the Colts.

### Supreme Championship

With two disciplines complete, the running total board for this year has started. Take a look at the County website to see the scores so far.

The conditions were very good with only a light breeze to contend with. A total of 19 shooters from the County took part with 92 ex 100 being the top score by both Russ Hufton and Ken Rimington. Russ eventually took the honours following a 24 in the shoot-off. However, Ken didn't leave empty handed as he claimed the Veterans prize. The Ladies Champion was Megan Gamble with 77 ex 100. Juniors went to James Cheung courtesy of his 85 ex 100 while Colts was won by Tom Tristram on 86 ex 100. There have been no County Championships since last month, although the English Sporting Championship took place at Highwaymans during May.

Paul Simpson again added his name to the cup and Suffolk members did particularly well. Phil Thorold was a close runner-up, Tom McGregor was third in Juniors, Pauline Chapman was runner-up in Ladies – just missing out from adding the English title to her British Sportrap title – and Adrian Last secured the Sitting Disabled title.

#### Supreme Championship

We have now completed a third of the Suffolk Supreme Championship 2017 (two of the six scoring championships). The title is still wide open. The top eight contenders are separated by just five points, so there is still plenty to play for in the final four championships.

Stuart Smith currently leads with 13 points (and two raffle tickets for free entry next year). Peter Bloomfield and Arron Harvey are tied in second with 10 points (each has a single raffle ticket). Not only could you be a Suffolk Champion, you could also have the chance to represent Suffolk County at the East Midlands Inter-county Championships (score dependant) and an additional four raffle entries, irrespective of position gained.

Please remember to visit the Suffolk website (sites.cpsa.co.uk/suffolk) for updates on all that is happening in the County.

appreciated by all shooters. There were four new layouts installed for the event by Dave Woolcott.

Shooting a great 91 ex 100, Dean shot four clays ahead of Dave Clifford who became runner-up on a very respectable 87 ex 100.

A strong turnout for this event ensured that more registered Sportrap shoots will be held at this ground in the future.

#### Avon DTL Grand Prix Championship

The Avon DTL Grand Prix Championship is to be held on July 9 at Cornwall Clay Target Club (satnav postcode PL15 9SS). The ground, formerly known as 'Jays', has been developed in recent years to become excellent for DTL. It's a well-attended DTL ground and regularly used by Avon shooters. Competitions are held over four fully covered, all-weather terraced layouts, each newly constructed within the last couple of years.

A sponsor has been found for the event and there will be cash prizes for Avon shooters in all classes of AA, A, B, and C as well as High Gun. This is in addition to the generous cash payouts for the usual competition prizes. All this will supplement the winners of Avon GP Champions Trophy. Prizes will be presented by ground owner Jethro – that well-known nationally recognised comedian and entertainer and TV personality. The prize giving will be quite an occasion, delivered with humour and enthusiasm.

Shooters of other disciplines who fancy their chances but do not hold a CPSA classification in DTL will be classified on the day. Even if you don't usually shoot this discipline, you can still have a chance at winning!

Will Dean Horswell transfer to the Trap discipline to try and take a fourth Avon title, never achieved before?

If you have any further news, please contact me on the email listed for inclusion next time. Don't forget to visit the Avon website which is hosted on the main CPSA website and accessed via the County tab.

### Tony Read

[saltonread@gmail.com](mailto:saltonread@gmail.com)

[sites.cpsa.co.uk/dorset](http://sites.cpsa.co.uk/dorset)

The first of our County Championships was the All-Round on April 14 at Brook Bank. It was won by Richard King (91 ex 100), with Ian Mulliner as runner-up (84 ex 100). Unfortunately, no Dorset Veterans, Ladies or Juniors took part.

On April 30 at Brook Bank, the Olympic Trap champion turned out to be Tony Read (82 ex 100). Terry Poore just missed out by one point (81 ex 100). While it was a windy day, a few more Dorset shooters took part than in the previous shoot. However, we had no Dorset Ladies or Juniors.

The latest and final championship result for this issue was the ABT, held at Fareham on May 6.

Ian Mulliner won with 93 ex 100. He had to shoot a perfect 25-straight on the final round to beat an unlucky Terry Poore (92 ex 100). However, Terry is now the Veterans Champion for 2017. Again, no Dorset Ladies or Juniors.

Many thanks go to Brook Bank and Fareham for hosting these championships. Did anybody detect a pattern? We need Ladies and Juniors to come – not only to compete for a County title but to also be part of the Dorset Teams for the South West Inter-counties Championships later this year.

Although travelling has become an issue for many and the shooting calendar throughout the country is very full, without your support all our County Championships are in danger of being phased out completely, as is Dorset's involvement in South West events.

Please remember to regularly check the Dorset CPSA website for the latest information or any changes to forthcoming shoots. If you have any photos of winners or grounds you'd like to see printed in *Pull!*, please contact the Dorset Secretary, Tony Read (details left).

### Ben Gordge – Hampshire ABT Champion

Fareham Clay Target Club again hosted the Hampshire ABT County Championships, this time alongside Dorset and Sussex. With eight full squads and some sunshine for once, it was set to be a good day. It was a bit of a chilly start in the morning, and some gusts of wind did move the targets around a bit, but everyone got stuck in.

Ron King and Rick Stala both began with straight 25s. By the 50-bird stage, there were many shooters on 47 ex 50 and 48 ex 50. At the 75-bird stage, both Ben Gordge and Roger Deacon recorded straights, putting them in front on 73 ex 75. They continued in great form, leaving them tied out on top with 98 ex 100. Steve Tarrant did his best to catch them up but finished on 96 ex 100, with Ron King and Richard Smith finishing on 94 ex 100.

So, it was yet another head-to-head shoot-off between Ben and Roger. They shot another complete round and a good crowd gathered to watch. Ben came out on top with 24 ex 25 to Rogers' 23 ex 25 which meant he could keep the trophy for another year.

Perry Leamon finished on a solid 90 ex 100 to give him the Veterans title and Stephen Ayshford racked up another Juniors win with Corey Vasey taking the Colts. Unfortunately, we didn't have any Ladies this time around. Thank you to the team at FCTC.

### Hampshire and Dorset Cup

The Hampshire and Dorset Inter-counties DTL Championship drew in six squads. The day was dry and sunny; just the recipe for the entries to get down to business on the Fareham CTC layouts.

Bill McClellan paved the way with some 25/75 returns with his final High Gun score of 100/296. Richard Chapple made the journey up from the West Country and took first place in A Class with a cracking 99/296. The Morris family made the trip over from the IOW region with their 12-year-old daughter Charlotte Morris using her 26" Maroku

3800 and Lyvale cartridges. Charlotte achieved her personal best of 84/238.

### May 13: Sportrap Championship – Owls Lodge

The overcast day saw 87 shooters attend, of which 42 were from Hampshire. All of the squads ran to time, making the whole event flow nicely.

Luke Elliott was out to try and reclaim the title from Phil Marks and, with his 24, 22, 24 and 25, he looked the man to beat. Des Sturgess and Andy Eavis came close with 92 ex 100, but it looked like Phil was the only man to challenge Luke and retain his title. Phil shot 23 ex 25, 23 ex 25 again but then followed with another 23 to fall short of Luke's score. Luke Elliott was crowned Hampshire's Champion for 2017. The Ladies title went to Tanya Faulds. The Juniors went to Lauren Goodman who gained her first championship title. Rick Stala won the Veterans title.

### May 21: Olympic Trap Championship – Bisley

The National Clay Shooting Centre hosted the Hampshire Olympic Trap Championship. It was a good day for the seven Hampshire entries and an even better day for Richard Smith who finished on 87 ex 100. Nigel Reynolds, an avid supporter of the Hampshire championships, took the Veterans title with 76 ex 100. The Junior accolade went to J Guy for the first time.

### Apr 30: Olympic Trap County Championship – Brook Bank

With the English Open and Selection Shoot being held at Brook Bank in May, there was a good attendance from shooters outside of the County. Nine Somerset shooters competed for the title. Having won it the previous three years, Ed Ling was defending his honour. Needless to say, he came out victorious although Dennis Stepney chased him all the way!

### May 14: DTL County Championship – Brook Bank

The DTL County Championship is always a popular shoot and 20 of the 25 attending shooters were from Somerset. Gerald Sweet was aiming for his third County title on the trot – it was a close competition between him and Phil Stott. Gerald won by a single point. Gerald was also selected to shoot in the Veterans for the 2017 DTL Home International.

### Sportrap County Championship – Meadowcroft

This was a joint affair between Avon and Somerset, and 51 entries made for a busy but fun shoot. As both John Pool and Mark Dyer finished the competition on 87, they had to shoot off for the title. John won the shoot-off and took the County Champion title.

The last County Championship will be the English Sporting, held at Podimore SG on August 6. Should there be any changes to dates and venues in the meantime, these will be published on the Somerset CPSA website, our Facebook page and in Pull!!

### Apr 30: Olympic Trap County Championship – Brookbank

This event was held alongside the County Championships for Devon, Dorset and Somerset. Out of a total 38 shooters, only four from Wiltshire attended.

The day was overcast, with a brisk wind blowing into the front of the layouts. Rain was expected by lunchtime and, as forecast, it amounted to a light drizzle.

The scores seemed to be erratic across the classes – possibly caused by the wind making targets lively! However, this didn't stop Dave Allen shooting an impressive 87 ex 100 to retain the Wiltshire Championship for another year.

Once again, many thanks to Brook Bank for organising and running an enjoyable event.

### May 21: Urchfont

With the recent pruning of the trees, the targets were there to be hit and the prizes were as high as we've come to expect from Urchfont.

Ade Joyce won High Gun with 93 ex 100. Darren Joyce was the top A Class shooter with 85 ex 100, closely followed by Jason Holloway and Kevin Ricks on 83 ex 100 and 82 ex 100 respectively. Paul Barrett took third in B Class with 77 ex 100. Steve Bosson won in C Class with 76 ex 100, with Chris Coombes and G Amor-Hopkinson tying for second on 72 ex 100. JW Everett won the Veterans Class with 76 ex 100. A Deadman and Dan Carpenter tied for the top prize in Juniors with 66 ex 100. Michele Brandligt won second in Ladies with 61 ex 100.

### Team Events

We are starting to get interest in forming County teams for some disciplines. We still need more people to volunteer, so please get in touch if you are interested in being part of one or more teams.

For this year, there are no entry requirements for team membership except that you need to be a Wiltshire shooter. Please contact Josh Brown or me if you are interested. We will also put up entry sheets at the local grounds.

### Other News

Congratulations to Josh Brown on his selection for the ICTSF World English Sporting Team – very well deserved.

Gunsite continues to draw large numbers with 192 taking part on April 9. With Sean Ponting setting the targets at Widdington too, we are spoilt for choice when it comes to quality targets!

### Wiltshire Sporting Challenge

As a reminder, this year's Sporting Challenge will consist of four competitions; one at each of

Widdington (July 23), Barbury (August 27), Urchfont (September 24) and Gunsite (October 8).

We are still looking for more sponsors for this event – if you or someone you know is interested in sponsoring, please get in touch.

### May 7: English Sporting Inter-counties Championship – Southdown

This was another cracking championship. There was a good entry and the weather was dry and mostly sunny. Six County teams, out of a possible nine, competed for the title.

Once again, the Sussex team – consisting of George Digweed, Guy Franklin, Steve Clark, Simon Fenner and Peter Goldsmith – emerged the champions with 470 ex 500. Hertfordshire took second with 435 ex 500 and Surrey third with 431 ex 500.

In the Individual Championship, George Digweed from Sussex was the Champion with 96 ex 100, despite having a bad back! The Lady Champion was

Hannah Gibson from Sussex with an excellent score of 92 ex 100. The Junior Champion was Billy Greenwood from Surrey with 88 ex 100. The Colt Champion was Alfie Tibbles from Hertfordshire with 79 ex 100. The Veteran Champion was Geoff Evans from Kent with 86 ex 100. Geoff tied with Robert Gray from Hertfordshire but Robert had left the ground so there could not be a shoot-off.

Hopefully everyone had a good day. Thank you Southdown for organising this championship on behalf of the South East Region.

A busy month saw the Berkshire Olympic Trap Championship held at NCSC. Ken Harman came out on top, winning the County title, and Glen Adaway won the Veterans.

Owls Lodge Shooting Ground was the venue for the Sportrap County Championship and saw 18 Berkshire shooters attend. It turned out to be a husband-and-wife clean sweep with Argun Ismet winning the County title and Ceyla Ismet taking the Ladies. Andy Seaman was the Veteran winner and Chloe Goodman took the Junior title. Well done all and thank you to the Owls Lodge team for holding the event.

#### County Successes

Congratulations to the super-cool Billy Baughan who shot 96 ex 100 at the England vs Scotland two-day Sporting Team Selection Shoot at Bywell on April 22-23. This was a great result for Billy who held his nerve to also pick up a Browning Shotgun by winning the shoot-off with a straight.

Also on April 23, Amy Easeman came third in Juniors in the English Open FITASC at Valley View.

Apr 28-29: Femmes Fatales Cup – Royal Berkshire Shooting Ground On Friday April 28, we attended the 'Not So Dry' Fire Party at the Elephant Hotel,

Pangbourne. This was to get our eye in for the main competition the following day and also meet up with shooting friends from all over the country!

The Competition on Saturday was an 80-bird Sporting. Buckinghamshire was well-represented and we were pleased to share Amy's win as she pipped Hannah Gibson to the top prize for the second time in three years!

#### Celebrating County shooters

Congratulations to Amy Easeman who won silver at the European Compak FITASC event in Poland in early May. It was a great weekend of shooting, which culminated in a shoot-off. Amy narrowly missed out on the gold by one clay! Team GB Ladies Louise Smith and Lynda Grayson grabbed fourth place.

Congratulations to Jamie Gutteridge who won the Disabled Standing Class at the English Open during May.

### May 7: South East Inter-counties Sporting – Southdown

Ideal shooting conditions made for a very enjoyable day, with overcast skies and a light breeze. It wasn't quite short-sleeve weather but still pleasant to be out in the Sussex countryside. As usual, the Southdown team put on a fantastic array of targets, with some needing a decent gap while others just showed deceiving angles.

The Essex team put in some fantastic scores with Chris Orrin leading on 90 ex 100. Sussex put together a very strong team, resulting in them coming out on top with Essex taking fourth place overall with a score of 428.

Up-and-coming Colt Ryan Dodds put in a superb 76 ex 100, equalling one of the Senior team's scores. Junior Harry Willis posted a respectable 73 ex 100. Regular Nadine Gilder posted a brilliant 85 ex 100 for the Ladies. Very well done to everyone.

### Apr 23: DTL County Championship – Mayland

This was also the final Selection Shoot for the Essex DTL Team. Leading the charge on an early squad was Troy Petherbridge with 99/292. He could not be bested and was eventually crowned Essex Champion. Dave Lewzey who won the Veterans, David Argent won Juniors, Eve Groom won Ladies and Jessica Byard won Colts.

### May 14: South East Single-Barrel Championship – Mayland GC

With contestants in Veterans, Ladies and Seniors, the competition saw shooters from all over the South East. The weather was somewhat changeable and at times very windy.

As always, Conner, Demi, Olivia and Phillipa organised and hosted a flawless day. There were some great scores in all disciplines. The Single-Barrel Champion was Lee Byard with 96 ex 100. Dave Lewzey won Veterans with 89 ex 100 and Eve Groom won Ladies 81 ex 100.

### May 28: ABT Championship – Dartford

In the absence of any Essex ground to hold the event, Dartford kindly hosted it in conjunction with the Kent ABT Championship. The conditions were good with warm sunshine and little wind.

Despite some trap breakdowns, the competition concluded with David Henshaw emerging the Essex Champion with a score of 84 ex 100. Peter Hoare took the Veterans trophy with 76 ex 100 and Pam Dorrington retained the Ladies Trophy with 55 ex 100.

Thanks to Dartford Clay Shooting Club for hosting the event and to Hilary Haas and Senol Tas for helping run it.

### Skeet Team Selection

Glen DeFreitas has returned three consistently high scores so far. However, Sean Pipe, Dave Hendon, Alex Garcia, and Veteran Richard Boutcher are pushing him hard for places in the team. Pam Dorrington and Diane Boutcher are leading the race for the Ladies places.

It was a glorious, sunny day for this championship which was held with six other counties. There were 10 shooters from Greater London – as usual, the biggest turnout of all the counties in attendance.

Senol Tas was the Champion with a score of 91 ex 100. The Veteran Champion was Carl Burrow with 89 ex 100 and the Lady Champion was Dorothy Fleri with 65 ex 100. Sadly, there were no Juniors or Colts from Greater London.

### Hertfordshire Sporting Team Inter-county shoot report – Southdown

Hertfordshire fielded a full team of eight shooters to this shoot at Southdown, captained by Paul Lovick. The morning's weather was good, but there was a little rain in the afternoon. The 100 targets were great, split between 15 stands – some were a little testing.

As a team, we finished with a score of 435 ranking us second behind Sussex (470). On an individual level, Alfie Tibbles (aged 13) finished first in Colts with a score of 79 ex 100.

### British Schools and Young Shots

Sporting targets hosted the BSYS 2017 competition. The weather was great and all three courses had good set-ups. Hertfordshire's young shots did us proud with Charlie Monahan finishing joint second after a three-way shoot-off in the Red course. Alfie Tibbles took first on the Black course after a tough four-way shoot-off.

### English Open

This was shot on a great layout at Highwaymans over five days of sun with a little wind. Hertfordshire had a fair few entrants with the highest ranking being Alfie Tibbles on 90 ex 120. Alfie finished with a medal for third in Colts.

### Premier League

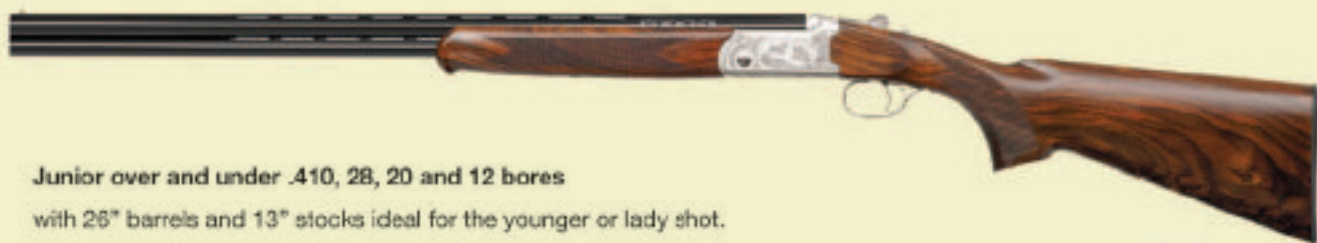

Juniors and Colts have been doing very well, with Charlie Monahan shooting very consistently.

Firstly, thank you to those who contacted me this month with a few updates.

#### County Championships

It has been a healthy start to the season, with two Oxfordshire County Championships taking place during May: Olympic Trap and Olympic Skeet.

The first championship was the Olympic Trap, which saw a good turnout of 51 shooters. The usual support from Oxfordshire came from Pete

Above: Alan Sharp

Farrell, Jeff Mace and Steve Richards. I am pleased to announce that Steve is this year's County Olympic Trap Champion with a score of 81 ex 100. Well done Steve.

The Olympic Skeet saw a number of strong shooters attend. Thankfully, the temperatures had dropped a little making it a comfortable shoot. The wind had died down too, much calmer than the previous day's conditions. I am pleased to announce that we had an Oxfordshire presence and this year's County Olympic Skeet Champion is S Davidsmann who finished up on a score of 83 ex 100. Well done!

#### RAF CPSA Championships – Nottingham and District

I received a great report from Flt Sgt Alan Sharp who had competed in the RAF CPSA Championships. The competition was shot over four days, with a different discipline on each day: Sporting, DTL, Skeet and ABT.

Alan was very pleased with his result, particularly as the wind made the competition somewhat challenging. Alan finished 11th overall out of more than 100 competitors. The Skeet is his strongest discipline and he gained a great score of 93 ex 100 in B Class – just four targets behind the winner. Thank you Alan for your report and well done!

#### Weston Wood

Many shooters turned up for the monthly gathering in the woods – 185 competitors in total! Some really strong Oxfordshire shooters took part.

High Gun went to Roy Cherry who finished on a brilliant score of 96 ex 100. Mike Bartlett won A Class with a great score of 92 ex 100 and Cheryl won the Ladies on 84 ex 100. Well done to Henry Young who was second in Juniors with 86 ex 100.

#### Cheryl Hall and Mike Bartlett

I have received a list of achievements for two Oxfordshire shooters who are new to the County. Welcome to Cheryl Hall and Mike Bartlett.

Here are just some of Cheryl's recent accolade. At Kegworth, she won Ladies with a score of 108 ex 120. At Southdown, she finished on 91 ex 100 in the Sportrap, also winning Ladies. How lucky we are to have her in our County!

Mike has had many achievements, his latest at Owls Lodge on May 28. The weather had cooled off a little and 103 shooters turned up to take part. Mike put in a very impressive score of 88 ex 100; this won A Class but he was just five targets behind the High Gun. Apologies to Mike for not being able to print all of your achievements. Well done – brilliant shooting.

Thank you for all of your efforts to submit scores and results this month. It's great to be able to include some of our County's shooters' many achievements in this report. Please keep your reports coming in. Stay safe and happy shooting!

Above: Maddy Boyd – winner of the Surrey Ladies and Junior OSK titles

#### Olympic Trap – NCSC

The County Champion, with a steady score of 80 ex 100, was Mike Davis. The Lady Champion, picking up valuable Supreme Championship points, was Jo Watson-Hopkinson.

#### Surrey Olympic Skeet – NCSC

This competition was a week after the Olympic Trap and David Dale retained his title with 94 ex 100. David was ahead of two other England International shots: Jamie Burden, with 91 ex 100, and Allen Warren, now shooting in the Veterans category with 90 ex 100. All three had a slow start (by their very high standards) but scored 48, 47 and 48 respectively out of the last 50, so the suspense was held to the end. In fourth place and winning the Ladies and Juniors title was Maddy Boyd with an excellent score of 87 ex 100.

Both of these events count towards the Surrey Supreme Trophy. Last year's Supreme Champion, Darren Cross, is the only person to score points in all four rounds so far, and leads the table from Alex Cobb. So far this year, 34 people have scored points. With five more events to come, all the categories are still open. Please see the website for who has made the top 20 positions.

The next two Supreme Points events in the Surrey calendar will be the English Skeet at NCSC on July 23 and DTL at Bisley Gun Club on July 30. There will also be two 'non-points' events, but still with County titles up for grabs, so come along and support us!

#### May 6: ABT – Fareham CTC

Despite the forecast, it was a lovely sunny day. There was a great club atmosphere and 11 Sussex Shooters travelled to Fareham to shoot.

After three rounds, three Sussex shooters were on 70 ex 75: Keith Blighton, Lee Shanks and Tim Woodhams. Keith finished with a 23, Lee a 22 and Tim popped a straight to take the title. Keith won Veterans, Audrey Rex won Ladies, Zak Welfare won Juniors and Tom O'Brien won Colts.

Great shooting from all Sussex Shooters. Many thanks to Fareham CTC for a great day out.

#### May 28: Olympic Skeet – NCSC

Sadly, only one Sussex member shot the Sussex Olympic Skeet at the National Clay Shooting Centre. The weather was warm, with little or no wind and hence the targets were good.

Dan Woods shot his personal best with 49 ex 100, taking the High Gun and Veterans. Many thanks for NCSC for hosting the event.

#### May 21: Olympic Trap – NCSC

Five Sussex members shot the Sussex Olympic Trap at the National Clay Shooting Centre. Against some predictions, the weather was very warm with only a little wind. All categories were represented, which was great. Charlotte Hollands maintained a steady average across the day to finish as Sussex High Gun and Lady Champion with a score of 88 ex 100. Lee Shanks won Seniors, Zak Welfare

**Above:** Sussex ABT winners (left to right): Tom O'Brien, Audrey Rex, Tim Woodhams and Zak Welfare

**Left side:** Sussex OTR winners (left to right): Lee Shanks, Zak Welfare and Derek Welfare

won Juniors, Derek Welfare won Veterans and Tom O'Brien won Colts.

Many thanks to NCSC for a great day out.

#### Sussex ICTSF World English Sporting Team

Congratulations and good luck to Sussex shooter Hannah Gibson for being selected to represent England at Kelmars on July 15-16.

#### May 7: South East Inter-counties English Sporting – Southdown

Sussex successfully retained the title with an excellent 470 ex 500 – 35 targets ahead of Hertfordshire who took second place. Both the Champion and the Lady Champion were Sussex Shooters: George Digweed winning with 96 ex 100 and Hannah Gibson with 92 ex 100. Well done and a huge thank you to all the Sussex shooters who participated – keep up the good work.

#### Sussex shooters excel in Cairo

Three Sussex Helice shooters attended the African Championship, held in Cairo during May. Ivor Dadswell took gold as part of the GB Super Veterans Team. Alasdair Williams took silver as part of the GB Senior Team and also won silver in the President's Cup. Junior Charles Pomfret won gold in the Junior African Championship and placed third in the Junior Class of the President's Cup – a marvellous way to celebrate his 19th birthday.

After a quiet period last month, we have been busy. Our Olympic Trap shooters have been busy putting in the scores and training to qualify for the GB team for Italy in September. Members have

also been working hard to find opportunities to help fundraising.

The group had our second All-Round of the year at Kibworth. This started with a very productive meeting to discuss how we can get more disabled people into shooting and increase membership levels. Following this, some braved the torrential rain while others watched in the new club room. The Kibworth Shields were won by Sam Nunn (Standing) with a score of 59 ex 75 and Adrian Last (Sitting) with a score of 61 ex 75 (who narrowly beat the previous winner, Kelvin Davies).

It was good to see several Disabled entries at the English Open Sporting at Highwaymans in Suffolk. Sitting was won by Adrian Last who scored a good 89 ex 120. Runner-up was Kelvin Davies with a commendable 77 ex 120 on what was his first Sporting championship. Standing was won by Jamie Gutteridge, eight clays clear of runner-up Peter Croft.

The English Open English skeet was held at Dartford over the May bank holiday weekend. Sitting was won by Kelvin Davies on 85 ex 100, beating Adrian Last by one clay. Congratulations to Kel for winning his first major trophy. Sam Nunn won the standing on 91 ex 100 – with a 25-straight too!

Please check out our Twitter and Facebook for the latest updates or email the Secretary to be on our mailing list.

# FIXTURES

please head to

## CPSA.CO.UK/FIXTURES

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

## AG Adjustable Gun Stocks

If your scores are inconsistent it may be because your gun fit is incorrect, most factory stocks are made to standard measurements, you may not be 'standard'. A fully adjustable comb which allows you to have consistent mounts may be what you need.

**I also fit recoil reducers and adjustable butt plates.**  
**Prices start from £150. Cheaper than changing your gun.**

## BECKY McKENZIE

“The guys at Optilabs are fantastic. As a top shooter my eyesight is very important. I'd been struggling with my prescription lenses for a while but I wasn't really sure why. Optilabs explained the differences between my existing lenses and theirs. I now have a great set of glasses, and my vision has improved 100%.  
I really, really recommend Optilabs!”

Becky McKenzie

Shooting eyewear is all about protection and vision – but if you require prescription lenses you need to speak to Optilabs, the optical experts. World champion clay-shooter, Becky McKenzie, proudly wears our superb ProVision shooting frames with hi-definition polarised lenses. The large lenses provide her with a wide, uninterrupted field of vision and they are extremely comfortable when shooting for long periods of time.

Optilabs have over 50 years experience making glasses and precision-manufacture all lenses in their own UK laboratory. Contact us for more information and expert advice.

# RISING STAR

TALENTED YOUNG SHOT **JAMES ATTWOOD**  
TALKS ABOUT COMPETING IN THE WORLD  
ENGLISH SPORTING IN SAN ANTONIO, TEXAS,  
AND WHAT IT MEANT TO REPRESENT HIS  
COUNTRY ABROAD FOR THE FIRST TIME

## DESCRIBE YOUR EXPERIENCE AT SAN ANTONIO

IT WAS an amazing experience that I will not forget. It was my first time shooting in the States so I did not know what to expect from the targets but I managed to achieve some great scores. It was my first time representing England abroad but I have previously shot for England three times as a junior and three times as a senior in both Home Internationals and World Championships.

Being part of such a great team means I will take away some unforgettable memories. I also feel I have learnt a lot about reading different targets as the American targets are different to what we are used to at home.

## WHAT WERE YOUR HIGHLIGHTS?

The Yanks v Brits on the Saturday evening under floodlights was a great experience as I had never shot in a stadium or under floodlights before. I was really pleased to have shot a 96/100 in the five stand to go with my 183/200 in the main event.

And prior to the World Championships I shot George Digweed's World Warm-up at South Florida Gun Club where I straighted the Prelim 100/100 and came runner up for the whole event shooting 283/300 across three different disciplines.

## HOW LONG HAVE YOU BEEN SHOOTING?

I first started shooting on the family farm at about six years old, I then progressed onto shooting in local clay competitions at about 13 years old.

## HOW DID YOU GET INTO THE SPORT?

Being brought up on a family farm meant I would always watch my dad and my grandad out shooting on our family game shoots, so from a young age I was always eager to be out with them, which led me into following in their footsteps. As I got older I progressed from the family shoots and started to really enjoy the competition of clay shooting at local shoots where I had the opportunity to watch some great shots.

## WHAT WAS YOUR FIRST GUN?

A single barrelled .410 that my dad had to cut the stock down on to fit me.

## WHAT DO YOU MOST LOVE ABOUT THE SPORT?

I love the element of competition as I am quite a competitive person.

## WHAT'S THE BEST SHOOTING ADVICE YOU'VE BEEN GIVEN?

I was once told to never give up and let my

head drop, no matter if it's a bad day or a tough layout, just keep going.

## WHAT GUN DO YOU USE AND WHY?

I currently use a Beretta 692, I moved onto this gun when Beretta stopped making the 682 Gold E.

## WHO DO YOU MOST ADMIRE IN THE SPORT AND WHY?

As I started shooting at local shoots when I was younger I had the privilege of watching George Digweed. Seeing what he's achieved over so many years has inspired me to continually push myself. I admire the fact that he has continually been at the top of his game for such a long time. He is an inspiration to so many people, including myself.

## WHAT ARE YOUR AMBITIONS FOR THIS YEAR?

This year I would like to continue to shoot to the best of my ability and hopefully win a major competition. I'm hoping to maintain some good scores to achieve a place in the England team for the Home Internationals and next year's World Championships.

My long-term ambitions would be to continue shooting consistently at a high level and obviously in the future I would love to win the English Open/British Open and a World Title. ●
