Shooting with integrity

A

August is another busy month for clay shooting and sees some great opportunities to raise our sport's profile.

We have a number of Young Shots days taking place at

grounds around the country, ideal for new young shooters to cut their teeth in our sport, and this follows what we fully expect (at the time of writing) to be another hugely successful Game Fair at Hatfield House. Last year we introduced more than 1,100 people to clay shooting at the equivalent event, thanks to the efforts of our dedicated staff and instructors.

At the other end of the scale we have three Home International competitions taking place with our Olympic Trap, Olympic Skeet and English Skeet teams looking to replicate the success of last year and we also have the final Double Trap selection shoot for the England Commonwealth Games team. Final selections for Trap and Skeet take place in September and we fully expect to be sending another strong team down to the Gold Coast next April.

However, this could be the last shooting event at the Commonwealth Games for a little while unless we and our colleague organisations are successful in persuading the bidding cities to include shooting (now an optional sport) in their proposals for 2022. As you would expect,

we're working hard behind the scenes to make the case for a sport that England is traditionally very successful in but we're up against tough competition in some of the other optional sports. We'll keep working away at it and keep you posted.

On the domestic front we are looking forward to the British Open ESK at Nottingham and District Gun Club which I'm sure will be a great event and a must-do if you've not shot one of these before. Everyone is welcome and it's standard ESK targets but with a bigger atmosphere so please, don't be put off by the championship title! Following that is the much anticipated British Open Sporting at West Midlands Shooting Ground, an event that has drawn enormous interest this year and sold out in under two months! We've extended entries as far as we possibly can, with other activities taking place on adjacent land immediately preceding this event, and we know Tom and Debbie Jones will put on another fantastic course for us. Look out for reports on both of these championships next month.

An issue that appears to have become more prominent recently, for no apparent reason, is that of some shooters failing to hand in their score card at the end of a Registered competition or their score not getting back to us for some other reason. Our rules are very

clear on this point, and very simple – if anyone enters a Registered competition their score must be returned, even if they don't shoot the whole course. In such cases we will count their score out of the number of targets shot at, so no one will be disadvantaged if they're not able to finish, but if the card is not handed in the ground must reconstruct their score from the master cards. We're taking a fresh look at this whole issue from scratch to ensure the rules are adhered to and, for the future, our score programme will be enhanced to make it easier to keep track of everyone who has entered any shoot. The integrity of any competition must be supported by all involved, shooters and grounds alike, otherwise where does that leave our sport?

I'd also like to congratulate Richard Faulds who won the 4th ICTSF World English Sporting at

Kelmarsh Hall on Sunday July 16. You will be able to read a full report on all the action from the competition in next month's magazine. ●

Shotgun competition winner

COMPETITION

BRITISH SHOOTING was delighted to present the winner of their shotgun competition with her prize at Ian Coley's Shooting School this week. The truly unique prize of a Caesar Guerini Invictus 1 Shotgun, was kindly donated by

Anglo Italian Arms UK and Caesar Guerini and was presented to Petra and Madeleine Boyd. Petra entered the competition and was delighted when told she'd won. She instantly knew she was going to give the shotgun to daughter Madeleine, who is currently on the British Shooting Talent Pathway.

Petra said: "We saw the competition through an email and we entered because we knew proceeds were going towards supporting the Talent Pathway. Madeline is a Skeet shooter and we are delighted that having spoken to Kevin Gill, he is willing to substitute the prize for a Skeet

specific model from Caesar Guerini."

The competition proceeds have directly supported the GB Talent Pathway athletes of the future and British Shooting would like to thank everyone for their generous donations and entries.

Tips for hosting a Major CPSA Championship

CHAMPIONSHIP TIPS

AHEAD OF the tender process for hosting a Major Championship in 2018, we caught up with Simon Smith from Highwaymans Shooting Ground to find out what other CPSA Registered Grounds should consider when applying for

tender. Below are Simon's top five things to consider:

1. Make sure you have plenty of parking and have a plan in place to provide extra parking if it's required.
2. Always be prepared. Have plenty of back up traps, batteries and clays.

3. Think about the extra staff you will need. Ground staff, catering, referees etc. All the people that contribute to a Major Championship running smoothly.
4. Check everything out. Noise issues and how long the event will be running for are key areas to check out with the local authorities.
5. Don't be afraid to ask for help. Get someone with experience to help you out. Their input could be valuable in making sure you get it right first time which is important for hosting future events.

Grateful thanks

ON BEHALF of the CPSA, Richard Hunter would like to acknowledge and thank Stuart Smith, owner of Eriswell Lodge, and Henry Hopkins of the Brain Training Company for the work they put into the England team's training day ahead of San Antonio's World English Sporting Championship in April. The pair gave up their time to help coach the England team, both mentally and physically, and Stuart kindly agreed that Eriswell would continue to help like this every year from now on.

National Ladies' Shooting Day success

EVENT

SATURDAY JUNE 10 was a triumph for the Shotgun and Chelsea Bun Club as the day marked the club's third annual "National Ladies' Shooting Day" (#NLSD2017). Created to celebrate women's shooting, get new shooters involved, boost the profile of the sport and create as much hype around clay pigeon shooting as possible, in excess of 1,000 women shot at some of the most renowned shooting clubs up and down the country. For some it was their first experience of clay shooting.

Club founder Victoria Knowles-Lacks commented: "I'm so unbelievably grateful to the sponsors, hosts, grounds and everyone who

got involved. It astounded me how many people NLSD has reached, not only online but also in terms of attendees, so hopefully we've planted the seed in a few people's minds that shooting is an inclusive sport for all! And it's not just the day itself – I've been blown away by the amount of follow-up enquiries, bookings and involvement from ladies who tried the sport for the first time and are now hooked – I'm already looking forward to next year!"

The day is the only one of its kind and it continues to be the largest female only clay shooting event in the world. Relive the experience by searching the hashtag #NLSD2017 on Twitter and Instagram or checking out their Facebook page.

Non-submission of score cards at registered shoots

We would like to remind both members and shooting grounds/clubs of the following CPSA rule regarding participation in any Registered Shoot and the requirement to ensure all score cards are always handed into administration and all scores are returned to CPSA.

Booklet One – Rule 1.16 Applies

Had a bad or tough day's shooting?

Did you not finish all the stands?

**Did you enter as 'targets/birds only'?
Scores still count towards the competition and Classification.**

It doesn't matter, hand your score card in.

The rules still apply

New England caps

Congratulations to the successful English Sporting team members who will represent England at this year's Home Internationals at Carrickglenn CPC, Ireland on September 9. The team, captained by Martin Doughty, includes three new caps: Ricky Draper, Thomas McGregor and John Turk. Congratulations to you all and good luck for the Home Internationals!

Last year's Talent Pool winner Reece Dunne

Talent Pool competition returns

COMPETITION

HAVE YOU got the grit and determination needed to compete on a national stage? Southdown Shooting School is now looking for a second clay shooter to mentor as part of its hugely popular Talent Pool competition. Now in its second year, Talent Pool is designed to find an ambitious clay shooter to be

trained to compete in the British Open Sporting Championship in 2018. Last year's competition saw more than 70 hopefuls enter, with electrician Reece Dunne winning the top spot.

The glittering year-long prize fund, which is worth more than £9,000, includes the loan of a brand new Zoli Z-Sport shotgun, 12 one-to-one professional coaching sessions, membership at

Southdown Shooting School, 5,000 NSI cartridges, all entry fees, Clay Pigeon Shooting Association (CPSA) membership, branded clothing and even travel expenses. Plus the winner will be personally mentored by Southdown's head coach, Simon Arbuckle.

To take part, applicants must be aged 16 and over. You don't have to be a CPSA member, however if you are you should not be higher

than a C Class shooter and must live within a 50-mile radius of Southdown Shooting School in West Sussex.

Interviews will be held on Saturday August 12, Saturday August 19, Saturday August 26 and Saturday September 2. Previous applicants can reapply.

To apply, please visit the website: www.southdowngunclub.co.uk/talent-pool.

Just Cartridges Open Day success

OPEN DAY

THE FIRST ever Just Cartridges Open Day was held on Saturday July 1 to celebrate the move to their new premises. Over 350 loyal customers snapped up some fantastic bargains before watching George Digweed, MBE – winner of 26 World Championships – give his fabulous Masterclass display. Gamebore, Hull, Eley and Express cartridges were there answering questions about their ranges. Customers were able to try the new Weihrauch air

rifles featuring night vision optics. Browning was on hand with the new B15 shotguns and supplied the guns for the shooting line.

Charles Bull, Managing Director of Just Cartridges said, "We were delighted with the turnout with a number of our customers travelling from as far afield as Norfolk, Kent and Yorkshire for the day not only to see George shoot but to snap up some bargains as well with J.Walsby-Tickle from Bicester winning the draw for the Browning B52S."

Shoot raises £127,000 for charity

CHARITY

THE ROYAL Berkshire Shooting School hosted the ninth annual Peter Jones Charity Shoot on June 28, raising more than £127,000 for the Peter Jones Foundation, which aims to educate, encourage and support entrepreneurship.

The day saw 125 people take part, shooting clays over 10 stands. The day concluded with a Champagne reception and lunch, followed by an auction run by renowned auctioneer Jonny Gould. Lots, which were donated by private individuals and companies, included a Rolls-Royce, a holiday in Barbados and a flight on a private jet. Among those attending were several TV personalities, including Holly Willoughby and Phillip Schofield.

Dylan Williams, managing director of the Royal Berkshire Shooting School, commented: "We were very proud to be hosting the Peter Jones Foundation Charity Shoot once again. It's a huge honour and it's great to see that Peter Jones is not only competitive in the board room, but also on the shooting field."

Peter Jones CBE added: "I am thrilled that our annual charity shoot day at the Royal Berkshire Shooting School has continued to grow in scale and popularity, allowing us to support the UK's budding young entrepreneurs to achieve their business dreams. The financial boost that days like today provide are vital to our continued success and helping so many talented young people to be the best they can be, so I really am grateful to our sponsors and all those who attended."

WHERE DO YOU READ YOURS?

Oliver Reynolds (CPSA EE135418) reads his
 copy of *Pull!* on the Great Wall of China.

LETTER OF THE MONTH

I refer to the letter in the June issue
 of *Pull!* from Peter Green and have
 a suggestion to make people more
 aware of the AGM. I have been a CPSA
 member for longer than I wish to
 remember. I have shot in competitions
 and at various grounds, refereed
 Sporting shoots and am still an
 International Referee at FITASC and
 have refereed abroad, although I'm 80
 and not so involved now. I also shoot
 the CPSA registered at E.J. Churchill
 on the first Thursday of each month
 and all five of my grandchildren have
 been taught to shoot – three have
 attended a Young Shots day, but not
 once in all those years have I seen or
 been spoken to by a rep from the
 CPSA to ask what I think. Might it not
 be an idea for them to be more up

front, say, with a badge, or does this
 interfere with their own shooting?
 Perhaps local events prior to the AGM
 could be held to gauge the feelings of
 local CPSA members. I have, with a
 committee, put on a charity shoot at
 The Acorn Shoot (alas, not CPSA
 registered but local to the village)
 over the last nine years which has
 raised £147,000 to be shared with
 CRUK and for the redevelopment of
 our village hall in King's Somborne,
 Hampshire. The hall is now in top
 condition and could hold most of the
 Hampshire and Wiltshire members.
 Let's face it: travelling hundreds of
 miles to go to an AGM is just not going
 to happen for a considerable lot of the
 members, who are therefore not heard.

Colin Reeve, CPSA No EE84753

Top gun

Many congratulations to Paul Simpson on winning the English Open Sporting title. Did you notice from the picture on the front cover of *Pull!* (June issue) what gun he was shooting? Yes, that's right, the venerable Beretta 682 Sporter. That gun could be getting on for 35 years old. In fact, I wonder if he was using it when he won the title for the first time all those years ago? Well done Paul, you've just proved that you don't need fancy high ribs and multi-positional stocks.

All you need is a gun you're used to... and to point it in the right place of course.

Jim Gregory, CPSA No 27328

Follow the rules

I am always amazed by how many Sporting shooters don't seem to know the CPSA rules, I shoot mainly in the West Midlands area and constantly see shooters at registered competitions 'forget' to put their glasses on, ask to see targets after they've been standing watching for the past 10 minutes and my personal favourite, coaching their mate from the back of the cage (I've seen it happen in all classes). Perhaps, when renewing membership, the CPSA could remind all members that they should know the rules and where they can find an electronic copy to read.

Andy Hilditch, CPSA No 47959

Shooting guidance

I have enjoyed both rifle and shotgun shooting since my school days. Now in retirement clay pigeon shooting has become my preferred hobby, though sometimes interrupted with the consequences of old age: sciatica, bad knees and cataract operations! After such breaks I find my very average skills need starting over again and restoring through more practice and the odd lesson to rebuild confidence. I have also developed the habit of looking through my collection of *Pull!* magazine's 'Shooting Made Easy' and earlier instruction articles which I have collected over many years. These are an excellent source of guidance and reference for shooting sporting clays and have helped me

considerably to remember how to shoot different targets.

However I found the most recent article 'How to hit... the looping target' (*Pull!*, July 2017) seemed to be written for more accomplished shooters and lacked some of the down to earth information which I, having shot for over 50 years, and some beginners, might be too embarrassed to ask. For example in this article the crucial shooting moment is covered by the description 'pull ahead and shoot when it feels right' but fails to give any real sense of lead, maintain the line at 9 o'clock or curve lower, and whether to cant the gun or keep the barrels perpendicular.

In all honesty I didn't think the accompanying drawing was very helpful either, so feeling a bit let down I watched the video on the CPSA website. This is very helpful and Simon Arbuckle makes the shot look really easy. I don't think it answers all my questions but it goes a long way and I am most grateful to him, CPSA and Browning for creating this 'How to Hit' series. Thank you.

John Naylor, CPSA No EE27529

WE ASKED YOU:

WE ARE NOW WELL INTO OUR HOW TO HIT SERIES WITH BROWNING EUROPE. WHAT DO YOU THINK SO FAR?

SCOTT WHITESIDE

I think they're good instructional videos. It's good that they highlight where the average shooter may commonly miss. An improvement could be to state variations that may be encountered and what adjustments to the technique might have been applied.

GARETH WILLIAMS

I think the simple, no frills presentation works well, and the gun footage is a great visual aid.

FULTON MCINTOSH

Watched the looper one... basically looking at 'something' dark against a grey sky... very difficult to see. The clay could have been 'intensified'/the concept is fine - but the execution is lacking.

JOHN O'SHEA

Thoroughly enjoy the tuition.

WHETHER YOU ARE JUST STARTING OUT OR ARE AN EXPERIENCED SHOOTER, THE CPSA HAS CREATED A RANGE OF COURSES TO OFFER THE BEST TRAINING AVAILABLE IN THE SPORT TODAY

REFEREE COURSE £75

Available in each of the four domestic disciplines of ESP, ESK, DTL and ABT, these one-day courses will equip you with the general and discipline specific rules to enable you to referee regularly at registered competitions or national championships and, with it, the assurance that what you are calling is correct. This is also an excellent course for the competitor who doesn't necessarily want to referee, but does want to ensure that they know the rules when they compete. The following Referee Course is now available to book on to:

Sep 16: Down The Line – Bisley Gun Club (SE)

SAFETY OFFICER COURSE £99

The Safety Officer Course is a one-day course which provides the basis for running a safe and successful shooting ground and looks at safe gun handling, layout management, risk assessments etc. An obvious choice for ground owners and a prerequisite to Club Affiliation, it also appeals to the shooter and is the first step towards higher qualifications. The following Safety Courses are now available to book on to:

Aug 4: Nottingham and District Gun Club (EM)

Aug 19: South Pennine Shooting School (N)

Sep 9: Bisley Gun Club (SE)

Sep 22: Northampton Shooting Ground (EM)

Oct 7: Venue TBC (SW)

Nov 11: Bisley Gun Club (SE)

INSTRUCTOR DEVELOPMENT WORKSHOP (IDW) £150

The IDW is a one-day course and a prerequisite to attending the four-day Instructor Training Course. Candidates will be given an overview of the full four-day course and be assessed for their suitability to progress onto the ITC. Candidates must have attended a Safety Officer Course within the previous five years.

LEVEL 1 INSTRUCTOR TRAINING COURSE (ITC) £695

This course will teach you how to check eye dominance and gun fit, show you how to teach the CPSA Method and how to recognise shooting errors and correct them. The course lasts four days and consists of classroom time, off- and on-range workshops and a final day of assessments. It covers crossing, rising and dropping targets and equips instructors with the knowledge to tackle a huge variety of targets. For the Level 1 ITC, the criterion for qualification is that the candidate can get a novice to hit a moving target safely using the CPSA Method. Candidates must have attended an IDW within the previous two years. The following ITCs are now available to book on to:

Aug 1-4: Park Lodge (N)

Aug 7-10: Doveridge Clay Sports Centre (WM)

Aug 21-24: Arborfield Garrison Clay Club (SE)

BROWNING

725 PROSPORT

REVIEWED BY VIC HARKER

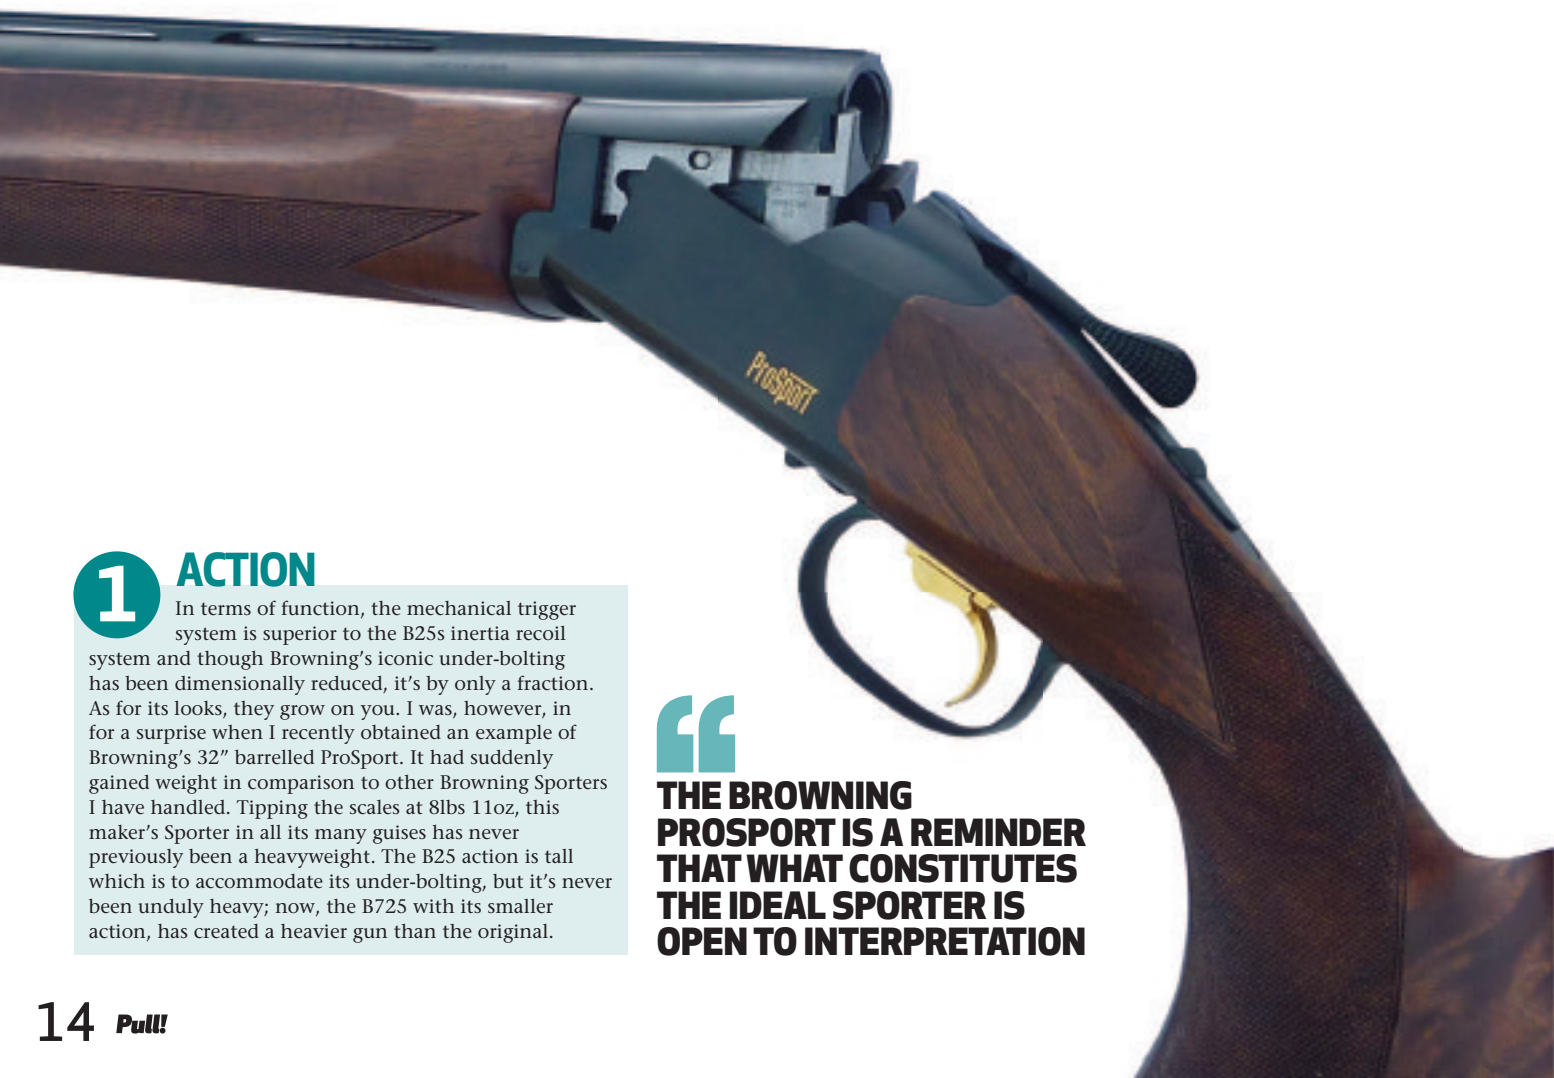

he Browning 725, with its low-profile action has been generally well received. Some diehards, including me, have previously been much disturbed that John Browning's legendary Superposed should be tinkered with, but this new gun does have its virtues.

ELEY

PROUDLY SPONSORS
THE GUN TEST

OLYMPIC BLUES WHEN
YOU NEED SPEED AND
BREAKING POWER

1 ACTION

In terms of function, the mechanical trigger system is superior to the B25s inertia recoil system and though Browning's iconic under-bolting has been dimensionally reduced, it's by only a fraction. As for its looks, they grow on you. I was, however, in for a surprise when I recently obtained an example of Browning's 32" barrelled ProSport. It had suddenly gained weight in comparison to other Browning Sporters I have handled. Tipping the scales at 8lbs 11oz, this maker's Sporter in all its many guises has never previously been a heavyweight. The B25 action is tall which is to accommodate its under-bolting, but it's never been unduly heavy; now, the B725 with its smaller action, has created a heavier gun than the original.

THE BROWNING PROSPORT IS A REMINDER THAT WHAT CONSTITUTES THE IDEAL SPORTER IS OPEN TO INTERPRETATION

2 STOCK

Where this extra weight had been gained, I wasn't sure, although the ProSport's stock did look beefier. It was made from a darkly figured piece of what I took to be American walnut which is heavier than the European kind. Brownings of the past have slim semi-pistol grip stocks and narrow tapered combs. The ProSport's grip was of much larger proportions, deeper with a tighter radius and the addition of a palm swell. The comb, which was adjustable for height and cast, was also noticeably thicker at the face. As for the fore-end wood, it had a full beavertail shape. The ProSport's adjustable stock for both height and cast is achieved by way of a hex key, though something more substantial and less easily lost would be preferable. Inserted through the recoil pad, with this key you can slacken off the locking mechanism inside the stock, choose the settings you require and then retighten. Length of pull can be extended by the simple means of fitting a thicker decelerator pad which is supplied.

3 BARRELS

None of this explained the ProSport's big increase in weight over previous Browning guns and it was not until I put the barrels on my scales that things became clear. The explanation for this was the ProSport's large bore size of 18.7mm that provides the benefit of low recoil. There is, however, a penalty of extra weight to be paid for with over-boring, as what is taken out of the inside of the barrel must be replaced on the outside. In the case of the ProSport the barrel assembly had an all up weight of 1.631kg, 3lbs 9.4oz which as a Sporter put it in the heavyweight division. The barrel's tapered rib is not to Browning's usual design and the ProSport's was something different, but also very pointable, tapering from 10mm at the barrel's breech ends to 5mm at the muzzle. The matt finish was suitably unobtrusive though I would have switched the green plastic front sight for something different. Nevertheless, the rib itself provided an excellent sighting plane, but the weight of the tubes to which it was attached gave me concern.

4 SHOOTING IMPRESSIONS

To my surprise, I got on better than I had hoped with the ProSport's heavy barrels and not just on long targets as you might expect. The full pistol grip stock was particularly good, providing a feeling of control essential for such a long, heavy gun. The beavertail fore-end also worked for me, its hand filling shape encouraging a firmer hold essential with such a heavy gun. With this Browning I successfully shot targets at long range, while on some shorter, faster driven targets I managed well enough. The Browning ProSport is yet another reminder that what constitutes the ideal Sporter is open to interpretation. There are at least two reasons for this. While there must be some parameters as to the setting of a Sporting course, much is left over to the ground's topography. As for the Sporting shooter, they inevitably come in all shapes and sizes and so do the guns they use. In the case of the Browning ProSport this is a big heavy gun which, if you can manage its weight, works well. In my case I shot it over a relatively short period and would not like to guarantee it would work for me every day. Nevertheless, if you are big and strong and do your press-ups regularly, you would do well to give this Browning a whirl.

CPSA HONORARY SOLICITOR **LAURA SAUNSBURY** EXPLAINS THE NEW LAW IN RELATION TO LENDING SHOT GUNS TO NON-CERTIFICATE HOLDERS

MANY READERS will be aware that there has long been a provision in English law which allows a person who does not hold a shotgun certificate to borrow a shotgun from the “occupier” of private premises and to use it on that land in the presence of the occupier (often referred to as the 11 (5) exemption). For almost as long, there has been confusion around who counts as an “occupier”, and therefore who has authority to lend a shotgun to someone who does not have a certificate.

In an attempt to make the law more precise, but not necessarily any easier to follow, the above provision has been replaced as part of a number of changes in the law relating to firearms licensing introduced by new legislation at the beginning of this year (The Policing and Crime Act 2017). The new rules on lending of shotguns (and firearms) under section 130 of that Act came into force on May 2 2017.

The new law states that a person who does not hold a shotgun certificate (“the borrower”) may borrow a shot gun from another person on private premises (“the lender”). It is in some ways wider than the old provision, but there are certain conditions stipulated in the new legislation, all of which must be met, and some of which are quite difficult to understand or explain:

1. The borrowing of the shotgun must be for the purposes of hunting animals or shooting game or vermin or shooting at artificial targets. This clearly covers the vast majority of situations in which you would wish to borrow or lend a shotgun.
2. The lender must be aged 18 or over, but note there is no minimum age specified for the borrower of a shotgun.

3. The lender must hold a shotgun certificate for the shotgun. This suggests the lender must have the particular shotgun which is being borrowed on their certificate.
4. This is where it starts to get more complicated. The lender must be a person who has the legal right to allow others to enter the premises for the purposes of hunting animals or shooting game or vermin, or a person who has been given written permission to lend a shotgun to others on that land.

Clearly, if you are the landowner or tenant of the land you have the legal right to allow others to enter your premises for any lawful purpose or activity. To explain the second part of this condition, if you have permission from the land owner or tenant farmer to go rough shooting on their land, you can only take your friends with you who don’t have a certificate and lend them your shotgun if the owner or occupier of the land has given you written permission to do that. The landowner can either give you a general written permission to bring others along to shoot on the land with you, or specify in the written permission only certain named individuals who are allowed to accompany you.

5. Both the lender and the borrower must comply with all of the conditions on the lender’s certificate.
6. The use of the shotgun by the borrower must be in the presence of the lender, i.e. within sight and earshot of the lender. Alternatively, and this is a helpful widening of the old law, the borrower of the shotgun can also use it in the presence of another person who is not the lender of the gun, provided that other person is a shotgun certificate holder, is aged 18 or over, and is a person described in condition 4 above.

CPSA Chief Executive Nick Fellows comments: “This revision to what was the section 11(5) exemption is designed to be more helpful but, as Laura suggests, still needs more clarity. Through our work with the British Shooting Sports Council (BSSC) we stressed the need for target shooting to be fully included in the new wording and the first part of the provisions explicitly states this. It should now be more straightforward, with written permissions, to satisfy the new law and this must be seen as being a step forward.”

or not to lend?

What concerns me, and I'm sure will equally concern many CPSA members, is that conditions 4 and 6 above refer to a requirement that the lender (or other person who is present when the shotgun is being used) is "a person who has the legal right to allow others to enter the premises for the purposes of hunting animals or shooting game or vermin". There is no mention of the lender being a person who has the legal right to allow others to enter the premises for the purposes of shooting at artificial targets. However, I believe Parliament must have intended that to be included as well, as there would otherwise have been no point in specifying the shooting of artificial targets as one of the permitted purposes at condition 1.

Unfortunately, no additional clarification can be found in the Home Office Guide on Firearms Licensing Law as it has not been updated since the new legislation was passed and it is not expected that it will be updated until near the end of the year. So what does this all mean in practice for you if you are a ground owner, the parent of a young shooter who does not have their own certificate etc?

In my view, the only sensible reading of the new law is that it was not intended to apply only to the borrowing of

shotguns for the shooting of live quarry and must have been intended to apply equally to the borrowing of shotguns for shooting at artificial targets. That being the case, if you own or run a shooting ground, you (or your staff with your written permission) can lend a shotgun to a non-certificate holder, provided the borrower is using it in the presence of an adult who is a certificate holder. For parents of young shooters who hold a shotgun and certificate on behalf of your child, you can lend your youngster the shotgun but you are not required to be present throughout whilst it is being used, provided your child has another certificate holder who is an adult accompanying them at all times that the gun is in use, and that other certificate holder has permission to shoot on that land. This would clearly cover situations where a non-certificate holder (whether youngster or adult) is at a shooting ground or other private land and is using the borrowed shotgun in the presence of a shotgun coach, ground staff, or with another member of a team or club which have permission to shoot on that land.

These new rules also enable a landowner or tenant of land who holds a shotgun certificate, or another certificate holder who has the written permission of the landowner/tenant, to organise a charity shoot on that land, and to lend shotguns to non-certificate holders so that they can participate. I should add that the old 11(6) exemption for organised clay shoots with the permission of the local chief officer of police is not altered by the new law. It is only the old 11(5) exemption for the borrowing of shotguns on private land which has been repealed and replaced by this new legislation.

I always try to give readers clear and straightforward explanations of the law so you can understand how it applies to or affects you. I hope readers will understand why that has been rather difficult on this occasion.

It remains to be seen how the licensing departments of different police forces will interpret this new law. If the advice you receive from your local licensing officer is different to that contained in this article, the CPSA and I would be interested to hear from readers so that we can monitor how the new law is being applied in practice by the police. ●

How to hit...

the overhead target

CPSA LEVEL 3 SENIOR COACH **SIMON ARBUCKLE** EXPLAINS HOW TO DEAL WITH A TARGET THROWN OVERHEAD FROM BEHIND

THIS MONTH we look at a target that catches out many shooters, the overhead clay thrown from behind the shooting stand. This target looks very different to the other targets we have tackled in this series, but once again the CPSA Method provides the correct way to shoot it.

As always, the first step is to look at the target's flightline and work out where you are going to break it – our break point. In this case, that point will be out in front of you, where you have time to take the shot smoothly but not leaving it later than necessary, as it is only getting further away all the time.

Next you need to identify your visual pick-up point – the place where you first see the target clearly. In this case you

are limited by how far back you can tilt your head and eyes to pick up the target as it passes over your head. For most people, this will be almost vertically above you. You will of course be wearing a cap for safety reasons, as I am in the photos, but make sure the peak isn't pulled too far down, otherwise it will restrict your vision and prevent you seeing the target early.

Note that I am recommending you tilt back to see the target, without turning your body. Some shooters will turn sideways for an overhead target, treating it almost like a high crosser, but this makes it difficult to maintain good balance and a smooth swing.

As always with the CPSA Method, we first establish those two points: the break point and the visual pick-up point. Next, we select the gun hold point, which will be

somewhere between the other two points. The gun hold point determines our timing, so we need to get it right – and here experience and practice are key.

The aim is to start the gun moving as the target approaches it, so that the gun and target lock together briefly before we pull ahead and shoot. The target should never overtake the gun so that we have to rush to catch it up, but likewise we don't want the gun getting ahead of the target, or we will have to check the swing to allow the target to catch up. Either of these will lose us vital time as we make the correction and spoil the smoothness of the swing.

The more you practise on different targets, the better you will get at judging the correct gun hold point on any given stand to give you a nice, smooth swing and a well-timed shot. Nobody gets it 100 per cent right every time, though. If your first shot on the stand doesn't feel right, then adjust your gun hold point accordingly. If you felt you had to swing extra fast to catch the target, then your gun hold point needs to be further out from the trap. If your swing was tending to get ahead of the target and you had to hold back, then take the gun hold point back towards the trap a little.

On this stand, it feels right for me to be holding the gun a little higher than 45 degrees. That angle is probably about right for you too, but if you were shooting the same target you might want to bring the gun slightly lower or higher to suit your timing and shooting style.

Now we have established the three key points, we are ready to shoot a clay. I set my feet in the direction I am going to shoot and mount the gun to the break point. I swing the gun back to my gun hold point, then lift my head from the stock and tilt it back further to look at the sky directly above my head.

I call 'pull', pick up the clay with my eyes as it appears above my head and move my head forward with the clay as I focus on it. This will naturally bring my head back onto the stock and I move the gun with the target, establishing line and speed. I keep the gun moving smoothly as I pull ahead of the clay – in other words, below it – and pull the trigger, keeping the gun moving as I do so.

That's how to hit the overhead target. Remember to pay special attention to the gun hold point, so that the whole thing becomes one smooth movement. And, as always, if you are struggling, I would highly recommend booking a session with a qualified coach who can put you back on the straight and narrow. ●

Perfect weather for Premier League

RICHARD WORTHINGTON REPORTS FROM JULY'S PREMIER LEAGUE COMPETITION

PERFECT WEATHER conditions greeted all who took part in the sixth leg of the Premier League at Cambridge Gun Club on Saturday July 8, contributing to some high scores and plenty of happy faces!

Mick, Karen and the team set a varied and enjoyable layout over 14 stands alongside a 25-target pool shoot in aid of the Lily Foundation. They also held additional fundraising initiatives during the day – with Paul Burrows winning the raffle prize and a Stoeger Air Rifle – raising £463 in total, which was a fantastic effort!

Another strong team performance saw Barrow Heath achieve the highest top 10 score with 967 ex 1,000, so many congratulations to their team. In the individual stakes, four shooters – John Lee, James Attwood, Dan Mawby and Steve Whitelock – tied on 97 ex 100 to share the High Gun and AA honours as they had all left the ground. We also had four shooters – Darren Stanford, George Howling, Anthony Johnson and Sean Crutchfield – score the maximum 100 with their handicaps applied for the series results, so well done to all for some great shooting.

The series moves onto Honesberie Shooting School next on Sunday August 13, so make sure the date is in your diary as there is still plenty to play for in the last two legs along with the opportunity to shoot at some of our superb Premier grounds. We look forward to seeing you there! ●

PROOF HOUSE

Opposite page, clockwise from top left: Close-up examples of some of the proof marks used; the workshop; proof marks on a gun; a blown barrel; more proof mark examples; inside the firing room; guns awaiting proof in reception

Right: The unassuming exterior of the London Proof House in Whitechapel

RECENTLY HAD the opportunity to tour the London Proof House, which gives a fascinating insight into the history of The Worshipful Company of Gunmakers (otherwise known as The Gunmakers' Company). All guns sold in the United Kingdom must undergo proofing to test the basic soundness of the barrel and the action, and this is one of the places where it happens. The company has occupied the same premises in Whitechapel since 1675 – that's 342 years on the same site in the middle of one of the busiest cities in the world, yet you could walk past and have no clue what's happening inside.

THE HISTORY

The threat of the Spanish Armada in 1588 led to the realisation that the standardisation of firearms was essential for use by armed soldiers, so in 1589 a proclamation of procedures was drafted. However, this encountered resistance and it wasn't until June 1636 that a petition was submitted to King Charles I for the grant of a Gunmakers' Company by Royal Charter. This was subsequently granted under the Great Seal on March 14 1637.

The purpose of the Proof House is to test every new shotgun or small arm before sale to ensure its safety as far as possible in the hands of the user. Reproof is the similar testing of previously proved guns where alterations have been made. In both cases, the gun is fired with a considerably heavier load than is customary in the field, putting pressure and stress on the barrel and action, which should reveal any weakness in the gun – better discovered at the Proof House than in the field.

The Birmingham Proof House was established in 1813 and since then it has been an offence to sell an unproved firearm in the UK. The importation of arms is subject to control and notification of importation has to be given to both Proof Houses within seven days and the arms submitted for proof within 28 days of arrival in the country.

HOUSE IS

In June 1980 the UK became a member of the International Proof Commission (or Commission Internationale Permanente – CIP), which recognises the proof marks of the other member nations – Austria, Belgium, Chile, Czech Republic, Finland, France, Germany, Hungary, Italy, Russia, Slovakia, Spain and United Arab Emirates. Some countries occasionally change their proof marks and some which were valid until the outbreak of the Second World War are no longer, so need to be replaced with new marks. In general, the import of foreign arms bearing no proof marks or marks no longer recognised is an offence unless submitted to a Proof House within 28 days of arrival.

DISCOVERING THE PROOF HOUSE

I was shown from the reception area piled high with guns waiting to be tested to the workshops where the proof marks are applied following testing in the firing chambers.

In the firing chambers, the guns are relieved of their woodwork, and the action and the barrel fitted to a clamp with a length of string fed through the trigger guard and out via a hole in the wall. The operator pulls the string, firing the heavier load into a specially designed receiving chamber. Assuming the gun passes the proof test it is then stamped accordingly. The process is also recorded on video. It was very interesting to see the effects of loading a 20g cartridge into a 12g shotgun and then loading a 12g cartridge on top as the 20g has dropped into the barrel out of sight – an unfortunate incident that happens occasionally when cartridge sizes are mixed in the same bag. The result was a blown barrel and destroyed rib and fore-end, which would have caused serious injury to the shooter.

All manner of guns are tested and proved here, which is remarkable considering the unassuming exterior of the building among the luxury apartment buildings and commercial premises. Thank you to the team at the London Proof House for taking the time to show me around and demonstrate the process of proving – they help to keep our sport safe. ●

NORTH DEVON

shooting ground

CLIVE WARREN TELLS PULL! ABOUT HIS CLUB

Q: When did you start your ground and what makes it special?

A: Shooting has taken place here since the early 1970s. My wife Jackie and I took over the ground in 2005. After we got married at Bisley we had many a shooting holiday in Devon and found this super unspoilt shoot. When we found out it was up for sale, we bought it and moved to the Exmoor fringe – it was a dream come true. The ground is located in the most picturesque three-sided valley and in summer it can look like a beautiful garden. Our shooters can enjoy 100 clays in the morning, relax with tea on the lawn and follow on with a different round of 100 birds after lunch.

Q: What is the aim of the ground?

A: To provide a friendly and welcoming service to all our visitors, whether novice or experienced, and to put on enjoyable targets to test all abilities.

We are a fairly compact ground and we work hard to put on a great variety of targets. Jackie still says I am full of surprises as she often shoots with clients and says: "In the 13 years we have been here, I have never seen that pair of targets!"

Q: What facilities do you have?

A: We are an English Sporting ground and have 20 stands that offer a great variety of targets. Stands are changed on a regular basis, sometimes twice a day, and we cater for the shooting clubs who will often visit to shoot four or five different rounds over a couple of

days. We have a DTL layout, but this is more for fun and is an extra to the Sporting. As a new shooter, it can be a bit intimidating, so we have a separate layout for the 'have a go' stands, which means new shooters have their own area where they can concentrate on enjoying their experience.

Q: What's the clay shooting scene like near you?

A: Clay shooting has been big business for North Devon for more than 30 years. Many clay clubs from all over the country travel to us each year for their shooting holidays (such as Sutton Gun Club, pictured below right) and many hotels in Ilfracombe, including our partner hotel, the Carlton, cater for our shooters, providing gun storage for residents.

Q: How has the scene changed over the years?

A: We have noticed that many more people are entering the sport and wanting to have a go. Our business thrives through the peak holiday season and winter months with the 'have a go' clients. Traditionally, April and May and then September and October were the months when we entertained the shooting clubs, but now more clubs are coming to us at different times of the year, taking advantage of better hotel rates and warmer winters.

Individual and shared lessons are on the up. We have met many people who are very interested in our sport but perhaps didn't know how or where to start. It's much more accessible now than it was. I have given a huge number of lessons over the last year, so it's great to see lots of new people taking up shooting. We see a lot more children now and we have had a few octogenarians having a go for the first time too! ●

A master plan

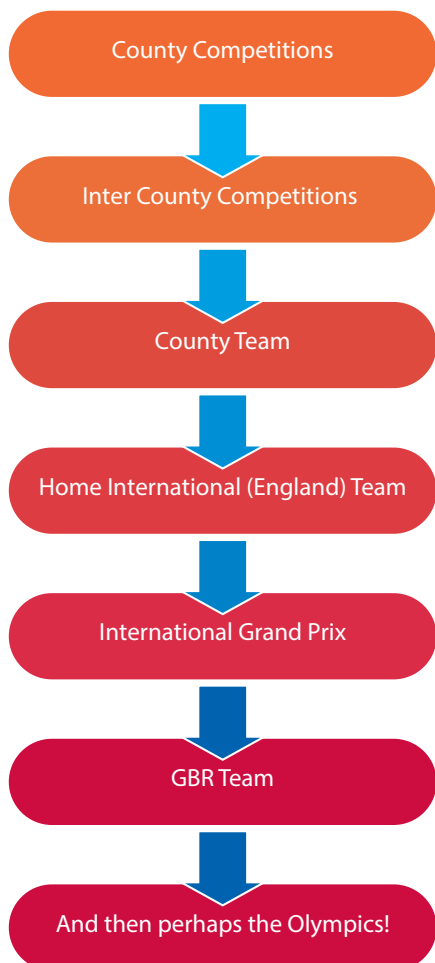

THERE IS a secret to a training plan: keep it simple or you will not keep to it, particularly if you are new to the exercise. Set realistic development goals to achieve your performance goals, but do not try to set all your goals at once. Your plans are likely to be amended and will develop as you progress.

A training plan will help you realise where you were, analyse where you are and focus on where you intend to be. Consider the goals you set; just saying: "I want to make the GBR team" or: "I want to shoot at the Olympics" is not enough, question how and why you want these. Is it to gain an England or GBR badge or to be a regular, successful team member? Are you in a position to work hard to achieve your very best level, whatever that may be?

Depending where you are in your shooting career, these are some performance and development goals you may use:

SARAH DALY ADVISES HOW TO FORM A TRAINING PLAN AND HIGHLIGHTS THE ADVANTAGES OF HAVING ONE

Performance Goals

Development Goals

WHY START A TRAINING PLAN?

Training plans can establish your weaknesses and strengths. Consider:

- Which targets are hit consistently/inconsistently
- Energy levels generally, through the day and over a two/three day period
- Food and liquid intake requirements leading up to and during competition
- Physical fitness
- Performance at specific venues
- Differences in training and competition scores – training scores do not always translate to competition scores
- Mental preparation – decline or increase in confidence over the training/competition
- Establishing a calendar for training sessions and competitions
- Establishing equipment adjustments and purchases required
- Establishing a budget to support the training plan

HOW DO YOU START A TRAINING PLAN?

Hopefully, you have been keeping records of where and when you have been training on and off the ranges and subsequent results at competitions. If so, you are part way there to developing your plan. If not, then now is a good time to start.

There are various categories you may consider including in your plan:

- Training – on the shooting range, frequency is individual, dependent upon accessibility and your budget, but little and often is a great advantage
- Emotions – how you felt and why during a training session or competition. Did the pressure affect your performance? Did you start well, but then the scores declined to your usual level? Did you shoot exceptionally well?
- Patterns – are patterns developing? Particular venues or situations, certain targets or shooting stations, energy levels or physical performance, increase or decrease in confidence, etc.

**A TRAINING PLAN
WILL HELP YOU
REALISE WHERE
YOU WERE, ANALYSE
WHERE YOU ARE
AND FOCUS ON
WHERE YOU
INTEND TO BE**

SAMPLE OF A SIMPLE RECORD SHEET

| DATE | ACTIVITY | VENUE | WEATHER | COMMENT |
|----------|------------------|-------------------|---------------------------|--|
| 02/04/17 | Skeet with coach | Southern counties | Light wind, drizzle, cold | Worked on pairs, shooting the first bird |
| 04/04/17 | Dry training | Home | Fine | Dry mounting in slow motion |
| 05/05/17 | Training on own | Southern counties | Light wind, drizzle, cold | Practised work done with coach on 2/4. % increased to X% |

A more detailed diary might include:

- Date, venue, weather, time of day
- Activity – competition/lesson/practice/dry training/pattern plate/mental exercises/gym
- Activity plan – what to work on with the coach/ implementation and analysis of technique changes/analyse best pattern on plate/setting goals
- Actual activity – scores achieved/description and result of technique changes/description of timings/who else was on the range
- Activity analysis – what was learned/describe improvements (or not)
- Future activity – what to work on on or off the ranges/mental training/training plan amendments
- Emotions – how did you feel in a specific situation?
- Energy levels – before, during and after activity (include anything exceptional such as late night, work stress, etc.)
- Diet – your general eating/drinking habits and the effects if they change on training/ competition days
- Goals – set development and performance goals for short, medium and long term
- Training plan – may also include mental training, dry training, range training. Is your training plan on track or does it need amending/does the training plan relate to goals set?

2016 Olympic Double Trap bronze medallist Steve Scott: "I found using a training plan and diary gave me a big advantage as it allowed me to realise the areas where I was weak and the areas for improvement for when I was next working with my coach. Also, I would talk through things with my coach either during training or after the session if he wasn't there."

It is certainly well worth considering a training plan and diary to help you on your journey. ●

WHY I SHOOT

12-YEAR-OLD THOMAS Betts was the youngest of 379 athletes competing at the recent UT Championship in Italy. He tells Young Shots of his love of shooting and what it was like to

represent Great Britain for the first time.

How long have you been shooting?

Since I was about eight years old and went with my Dad and Grandad to local shoots. Shooting has always been in our family: Grandad, Dad and my sister Laura all shoot. I've just always wanted to do it and be in the competitions, I'm very competitive.

What was your first gun?

A single barrel .410 with a very small stock. I soon went on to my trusty Miroku which I had for a while and really got me into shooting clays.

What gun do you use now?

A Perazzi MX8. It was my dream to shoot a Perazzi and I'm so lucky.

What do you love about the sport?

Everything! I love the competition and the challenge of trying to get better scores each round, and I can compete with Dad. The people in the sport are amazing and very supportive. You get the chance of meeting and competing alongside your heroes. I love the fact that you

can try different disciplines and all the grounds make you welcome.

Are you sponsored?

No not yet, but I've always had great support from Griffin Lloyd Shooting Ground and Mid Wales Shooting Centre.

What's the best shooting advice you've been given?

To shoot each clay on its merit and if you have a tough round and miss a few never give up. Dig deep because every clay counts. Oh, and clean the gun!

Who do you admire most in the sport?

There are some great shots out there but most of all it would have to be Ed Ling, he is amazing to watch, so cool under pressure. I will never forget watching him at the Olympics on telly, then to meet him with his bronze medal when he came back was great.

What are your ambitions this year?

Well, I have fulfilled a massive ambition already by shooting in the GB Universal Trench Team. I am so proud of my GB shooting vest. Now I just want to work hard and get my scores consistent. Oh and to beat Dad, and a 25 straight would be nice!

What was it like being told you were in the GB Team for the first time?

I couldn't really believe it, as I'm only 12. The UT team had to get a special permission to compete

from FITASC so it was a bit of a nervous wait, but thankfully they said yes and I'm very grateful.

What was Italy like as an experience?

Italy is amazing, they love Trap shooting and Trap Concaverde is an awesome place. I was very proud to walk out behind the Union Jack and everyone in the UT team was a great support so I didn't feel nervous. It was very hot but the clays, the background, everything was perfect. I was the youngest of all the other competitors on my squad and the referees went out of their way to put me at ease.

What did you learn from that experience?

To breathe... I really wanted to do well and it was very exciting so I just had to keep calm and focus. It wasn't easy but I did it and I was very pleased with my score as I've never shot so much in a week. I think the experience has really helped my shooting and I'd like to thank everyone who helped me get there.

Any long-term ambitions?

My dream would be to be an Olympic champion one day, but I'm a Junior for a long while yet and there are some very awesome Junior shots to compete with. So I have to work hard and get better and hopefully make the GB Team again.

What's your favourite discipline?

I would have to say Olympic Trap, I love the angled birds and I live close to Griffin Lloyd Shooting Ground and the layouts are brilliant, but Universal Trench is coming a very close second. They are both challenging. ●

EO SKEET DOUBLES

The English Open Skeet Doubles was held at Dartford clay shooting ground in glorious, hot June sunshine with a nice but tricky breeze.

This testing, alternative form of English Skeet was well attended and a very competitive day lay ahead for all those taking part. Marty Flemming set the early pace with a fantastic score of 99 ex 100, which eventually proved too difficult to beat.

Fine performances by in-form Colt Tom Tristram and Junior George Owen meant they both posted 98, while Veteran Peter Stanton-Hope also posted 98, falling one short of Marty's score.

In the Ladies an unusual below par performance from Joy Hiron left her tying on 94 with the return (if only for a day) of former England Skeet team member Sarah Quinn, and Hazel Denny, but it was enough for them to keep the lead for much of the day. Welsh number one Lady Natalie Bales put in a score of 95 to move her ahead before a superb performance from "new kid on the block" Colt Megan Jones – posting a score of 97 – proved the winning score and also second in Colts. Megan is going to be a big name in the world of shooting as she shoots multi disciplines and is already winning large major competitions.

Following a series of shoot-offs to determine the silverware, Marty Flemming was crowned overall champion with Peter Stanton-Hope second and Tom Tristram third.

The Ladies title went to Megan Jones with Natalie Bales second and Joy Hiron third.

George Owen took the Junior title from Callum Jones second and Mathew Pegg third.

Peter Stanton-Hope emerged victorious in the Veterans from Henry Dallas second and Johnny Miller third, and in Colts it was Tom Tristram first, Megan Jones second and Henry Lungle third.

EO AND BO ALL ROUND

Nottingham GC hosted the English & British Open All Round on a sweltering June weekend. The EO on Saturday was coupled with no breeze, a rarity at Nottingham, and the scores certainly reflected that. Richard King shot early scoring 98 which looked like a winning score. However last year's winner Kelvin Walsh was determined to retain the trophy, dropping just one target to finish on 99. Graham Evans threatened for a while as he shot perfectly for three rounds but the Sporting was to be his undoing and he finished on 93. Kelvin was delighted to retain his title and his success is astonishing considering he changed his gun to a Miroku MK60 just six weeks before the event. Kelvin was keen to thank his sponsors Helston Gunsmiths & Lyalvale Express.

The BO was just as hot but with a warm breeze. Richard King was again the one to beat, scoring 75 straight but dropping three Sporting targets and finishing on 97. Kelvin Walsh was in the mood for the double and tied with Richard. Ken Rimington shot 75 straight but unfortunately for Ken he finished on 89. The penultimate squad saw Ian Mullarkey and Rob Claybrook entering Sporting at 74 apiece. The pair both finished on 97 and it was to be a four-way shoot off. Richard was the first to miss, Kelvin was next and Rob was the final one to falter. Ian Mullarkey took the British Open which he was delighted about. Shooting his K80 and a combination of Eley VIP Federation & Gold, there's no doubt that we'll see him on many more podiums.

A Sporting and Sportrap sell-out!

THE BRITISH OPEN ENGLISH SPORTING AND SPORTRAP RUNS FROM AUGUST 30 TO SEPTEMBER 3. **JACK CAVILLA** LOOKS AHEAD TO THE EVENT, WHICH SOLD OUT IN RECORD TIME

W

EST MIDLANDS Shooting Ground is a familiar setting for English Sporting shooters taking part in the British Open this year. The ground played host to the English Open last year and Tom Jones

will no doubt put on another thrilling shoot for the final Major Championship of the year.

With demand for entries so high this year, the event sold out in record time and is full to capacity across the five days.

The competition will once again be shot over a 120-target course during the qualification days, with the top five people in each class (AAA, AA, A, B and C) and the top three people in each category (Senior, Ladies, Veterans, Juniors and Colts) per day returning to shoot in Sunday's final. The sponsored final will take place on a 75-target course, with the top six scores going through to a Super Final to conclude the event.

Tom Jones, who owns West Midlands Shooting Ground with his wife Deb, is clearly looking forward to hosting the British Open: "We are delighted to be staging this prestigious event again for 2017, not only holding the 120 English Sporting, but I'm also looking forward to the Sportrap at neighbouring Hawkstone Park Motorcross track. For those who were around shooting back in 1996, you will remember the World Sporting Championships there!"

Last year at High Lodge, Mark Winner was crowned British Open champion for the first time in his career to join an illustrious list of previous winners. Mark shoots on Thursday morning as he bids to retain his 2016 title.

Also in action on the Thursday are last year's Lady High Gun Hannah Gibson, and Paul Simpson, who'll be looking to follow up his

success in the English Open earlier this year.

The event will be kindly supported by Zoli (Edgar Brothers) and Gamebore. The Overall High Gun will win a Zoli-Z Sport High Rib Sporter with 10,000 Gamebore cartridges being shared amongst the category winners.

David Scott from Gamebore comments: "Gamebore are delighted to be sponsoring the British Open taking place at the glorious West Midlands Shooting Ground. The location offers such a great range of targets in a beautiful setting. It will make for some great shooting and a very exciting contest. We look forward to seeing everyone there."

Richard Farrimond, Marketing Manager at Edgar Brothers on behalf of Zoli, adds: "Edgar Brothers are delighted to be associated with the British Open as we feel that competitions like this underpin the wider efforts of the CPSA to create a national competitive platform, where shooters of all ages and abilities can come together in a fun and friendly environment."

"This year is no exception, and Zoli are kindly sponsoring the High Gun prize for a fifth year running. The Overall High Gun will have the opportunity to walk away with one of the new Zoli-Z Sport High Rib Sporters, worth more than £5,500!"

The British Open Sportrap runs alongside the English Sporting competition from August 30 to September 2. George Digweed took the honours last year after posting an unassailable 96 ex 100 on the first day of the competition. George takes to the course at West Midlands early on the Wednesday this year to once again try to set the benchmark for the competition.

Spaces for both the British Open English Sporting and Sportrap are sold out. If you would like to be added to a waiting list for either event, you can do so by calling HQ on 01483 485400. ●

UNIVERSAL TRENCH EUROPEAN CHAMPIONSHIP

Not only did GBR achieve three individual European Championship titles, two team gold medals and a plethora of silver and bronze, but Abbey and Ed Ling are the first husband and wife team to hold the Open and Ladies title in the same year – an exciting event for all involved.

Head of the Ling dynasty, Steve Ling, said: “I was really proud of all of them. Every team member received a medal and Greg Sinclair did a fantastic job as team manager.

“It was the first time four family members have been in teams at any one FITASC event, for which we were presented with a plaque by FITASC. It really helps that we often shoot together at home and it is always a competition between us, but I am the tail end Charlie now!”

Many congratulations to all the UT team members on achieving medals in every event. The full list is available online (see links).

GBR was also successful at the Helice European Championship in Italy, achieving four individual and four team medals. The full list is available online (see links).

FITASC SPORTING WORLD CHAMPIONSHIP

The FITASC Sporting (FSP) World Championship was held at Galgamacs, Hungary, in July with some of our biggest hitters in the teams, who brought home two individual world titles plus a raft of individual and team medals.

Mark Winsor was our highest placed Senior shooter, finishing in fourth on 188ex200 and helping the Senior team to their first FSP Senior team medal since 2009.

Nineteen-year-old Josh Bridges added to his trophy cabinet after posting 184 in the Junior class, level with the USA's Dominic Gross resulting in a shoot-off, which was resoundingly won by Josh scoring 24 to Dominic's 21 to take the Junior World Champion title.

Josh commented: “Obviously I am happy I won it. I always enjoy shooting there – the course was similar to two years ago, challenging, but something for everyone.”

The Junior team shot their way to a great silver medal, just one target off the USA team and an impressive 12 targets ahead of Italy.

Robert ‘Arnie’ Palmer was GBR's second title winner, beating Stuart Clarke into silver in the Veteran class, with Glenn Hunt just missing out on bronze after losing the shoot off to Veniero Spada (ITA). Worth noting, GBR shooters took seven of the top eight positions in the Veteran class and the GBR team beat France by a massive 36 targets into second place.

John Bidwell, last year's Super Veteran title holder, had to settle for silver, giving way to David Cole (USA) by two targets. The Super Veteran team dipped out on gold by four targets to the USA, but they pushed France into bronze with a 22 target difference.

Cheryl Hall beat fellow team member Janine White and the USA's Diane Sorantino in a shoot-off to settle the ladies bronze medal, but Janine was compensated with the team silver medal.

Congratulations to all the team members. ●

May 11-14: European Compak – Poland

Congratulations to Glenn Hunt on his team success in Poland where he won the Veterans team gold medal. Well shot Glenn and the rest of Team GB. *Dave and Tom Long*

Jun 4: DTL Cumbria and Lancashire County Championships and the Jack Walker Trophy – Penrith

With 43 shooters attending, this was a busy shoot. At least 10 shooters shot scores in the 290s and others were not far behind.

It was a great day for the Singleton family. JR 'Bob' Singleton won the Jack Walker Trophy, High Gun, the Lancashire Trophy and was the Overall Champion of the day with 100/299. His father, also Bob Singleton, won the Super Veteran Lancashire Badge with 100/297. Finally, grandson Brent Singleton won the Colt Lancashire Badge with 76/223. What a great day for them all.

Tom Robinson won the Cumbria County Champion Badge with 98/290. David Fisher won the Cumbria Super Veteran County Badge with 96/282 and his wife Jayne Fisher won the Ladies Cumbria Badge with 95/275. Alan Moore won the Cumbria Veterans County Badge with 96/275. *Lesley Macbeth*

Jun 8-11: European FITASC – Lulworth

This year, the European FITASC was held in England at the Lulworth Estate, Dorset. The four days of shooting didn't have the best of weather as wind and rain affected the already challenging targets throughout the whole week.

There were some strong performances. In Juniors, Josh Bridges was again in the mix, winning the bronze medal after a shoot-off. He also won

the gold medal with the Juniors team and bronze in the Beretta European Cup.

In Veterans, Dave Carrie and Kev Joblin put in strong performances, coming in equal third place.

Congratulations to all the Northern shooters who took part. Good luck to those heading to the World Championships in Hungary.

Jun 11: Sporting Selection – Oaklodge

This was the third North Team Selection Shoot. It consisted of 12 stands designed to challenge everyone's ability, with stand 10 and 11 the stiffer ones of the course.

Congratulations to Paul Ibbotson who was joint High Gun with a remarkable 90 ex 100. He was closely followed by S Toffolo on 89 ex 100, then T Long and R Thompson on 88 ex 100.

C Riley won her class and Ladies with 81 ex 100. Top Veterans were G Brown and JT Midgley on 85 ex 100.

Many thanks to Andy, Kelly and the team for putting on a great shoot. *Dave and Tom Long*

Jun 11: English Open DTL – Bywell

North of England was very successful in this competition. The Senior team (J Singleton, P Turner, N Chapman, M Turner, R Holden, M Jemison, R Elwell, S Tate, P Frankland and G Peters), Junior team (J Tate, O Vining and R Sharpe) and Ladies team (E Holden, C Kitchen and L Powell) all took first place in their respective categories. Well done to all involved.

We'd also like to congratulate Ian Douglas for taking third place overall. We are all proud of you. *Lesley Macbeth*

Jun 25: DTL Hubert Hetherington Trophy – Penrith

Hubert Hetherington was the founder of Penrith Gun Club.

Bit of a quiet start, with the Scottish Open taking place this weekend. However, everyone was raring to go and Tom Robinson was in good form winning the Hubert Hetherington trophy and High Gun with 100/299. Dave Wright was in cracking form going B/O with 100/296, great to see David with the next best score of the day. Ian Shaw was close behind with 99/294, Tony Common with

Jun 4: West Midlands Area and Cheshire Skeet Doubles Championships – Doveridge CSC

Congratulations go to Cheshire's Kevin O'Reilly, who is now the West Midlands Area Skeet Doubles

Above left: Kevin O'Reilly – West Midlands Area and Cheshire Skeet Doubles Champion (presented by Mike Sargeon, Cheshire English Skeet Assistant Manager)

Above right: Chris Bethell – Cheshire Skeet Doubles Men's Champion (presented by Mike Sargeon)

Champion, Cheshire High Gun and County Skeet Doubles Champion 2017. Congratulations also go to our Cheshire Skeet Doubles category winners: Hazel Denney (Ladies), Chris Bethell (Men) and Jim Wagstaff (Veterans). Enjoy your shiny new trophies!

In the West Midlands Area Skeet Doubles, Chris Bethell was runner-up after an exciting shoot-off against Tony Dean. Cheshire's Hazel Denney won bronze in Ladies, adding another West Midlands medal to her ever-growing collection.

Jun 8-11: European FITASC Championship

There were more than 570 entries, with a strong field of Cheshire shooters including Scott Barnett, Tony Dean, Colin Foden, Andy Jones and Eddie Wilkinson. Andy came out best, earning a brilliant third place in Super Veterans with a score of 163.

Jun 10-11: England Team Selection

We're very proud to announce that five Cheshire shooters have won places in this year's England teams. Over the weekend of June 10-11, Chris Bethell and Kevin O'Reilly secured places in the 2017 English Skeet Team, joining John Barnett (DTL), Scott Barnett (English Sporting) and Andy Jones (English Sporting).

Jun 17: British and English Open All-Round Championships – Nottingham DGC

Four of Cheshire's finest brought home medals from the Seniors, Ladies and Colts Categories.

Young Tom Woodcock won High Gun and gold medals in Colts in both the British and English Championships, together with B Class gold in Seniors. Tom's dad, James, won Seniors A Class in the British Open. Tony Dean and Hazel Denney won bronze in the Seniors and Ladies Categories respectively in the English Open.

Jun 18: Cheshire English Sporting Selection Shoot – Garlands SG

Some 24 Cheshire shooters attended the fourth English Sporting Selection Shoot. The Cheshire High Gun was Ian Cunliffe, scoring 93 ex 100 – only five away from the overall High Gun. Mike Holland scored 90 ex 100. Fred Whitehurst,

Guy Robinson and Miles Machin all put in creditable scores of 89 ex 100. High Gun in Ladies was Kerry Oakley (80 ex 100), with Hazel Denney finishing runner-up on 73 ex 100. Paul Ellis

Jun 4: West Midlands Area Skeet Doubles Championships – Doveridge

Once again, we extend a huge well done to Cliff Gardner for winning the Veterans bronze with a score of 96 ex 100.

Jun 7: Sporting – Coleys

Steve Lovatt took High Gun with 94 ex 100. Charlie Gilder took first place in C Class with 90 ex 100. In B Class, Nick Orchard took the £5 plunge and won with an 86 ex 100. In C Class, Rich Moreing shot 79 ex 100 to take first place too.

Jun 11: Sporting – Westfield

In AA Class, Nick 'Chipper' Portlock took third with 87 ex 100. In A Class, young Harry Lovatt also took third with 82 ex 100.

Jun 15: DTL County Championship – Brook Bank

In the ideal weather conditions, Shaun Porter shone through to take the County title. He was chased hard by Matt Jones who took silver and Gareth Marfell who took bronze. Sue Tippet won Ladies and Ralph Gnarly Potter won Veterans.

Many have commented that they may also have shot the event if it was in County. Regretfully, we are unable to host Trap events in the County – we are indebted to those grounds which kindly host our championships. With a near-blanket offering of Sporting events running on each and every weekend, one fears that our Trap events will struggle to attract enough entries to encourage our County's grounds to run any.

Jun 25: Sporting – Westfield

In A Class, Harry Lovatt shot one better than the previous Sporting shoot, scoring 83 ex 100 to take third place. First place in C Class was shared between Michael Young and Rich Moreing, having both shot 78 ex 100.

Jun 29: Sporting – Longridge

In AA Class, Sean Ponting was third with 96 ex 100. In A Class, Charlie Gilder was first with 93 ex 100. In B Class, Sean O'Keffe was third with 83 ex 100.

Personal bests

Veteran Michael Young shot a 78 ex 100 to take joint first place in C Class at Westfield on June 25. Sean Foley shot 82 ex 100 to win C Class at Four Counties on June 18. Please send in your personal bests for inclusion next time.

County Championships

Please note the forthcoming County Championship dates (below). I am aware that these shoots are not suitable for everyone – the County and the hosting grounds try and give everyone the opportunity to compete for a County title in most, if not all, shooting disciplines. No one is expected to have to attend. Regrettably, not all dates suit everyone and some shoots clash with other events.

With so many shoots being promoted at present, it's virtually impossible to avoid some date conflicts. The County's volunteers have, in my mind, come in for some unfair criticism due to such clashes. Hopefully these can be avoided in future years as the present officers grow into their roles.

FITASC

The date has been reset for the County FITASC. It will now take place at Longridge on September 15-16. This shoot's date will be shared with Hereford and Worcester.

There is a limit on entry numbers, so please book in with Steve Nutbeam early. Don't leave it late – if you do, it will probably be sold out!

Jun 11: New England cap in English Skeet

There was more good news for Emma Parkinson, who has been selected as a new cap to shoot in the England Ladies Home International team. Congratulations Emma!

Jun 18: English Skeet County Championships – Gloucester SG

We had a good entry for these championships, which took place in exceptionally hot and calm weather conditions.

Above: Hereford and Worcester English Skeet Champions (left to right) – Tim Smith (Veterans), Archie Parker-Smith (Colts) and Emma Parkinson (Ladies and Junior Champion, and County runner-up)
Top right: Karen Wright – winner of the Lawrence Wright Memorial Trophy (presented by Stu Burgess)

Shooting on the first squad, Simon Jones put in an excellent 99 ex 100, which won him the County Championship. Runner-up, Ladies Champion and Junior Champion was the ever-consistent Emma Parkinson with a score of 97 ex 100. The Colt Champion, with a score of 93 ex 100, was Archie Parker-Smith. The Veterans went to a shoot-off as Tim Smith and Graeme Walker both finished on 96 ex 100. Graeme shot 21 but Tim finished on 23, giving him the title.

Thank you to everyone who supported us and to Gloucester SG, Jane and Donna for all your hard work.

There was a good turnout of shooters from the County. Special credit goes to Roy Jones who

Jun 18: British Open All-Round – Nottingham SG

The weather conditions were lovely. Shropshire shooter Graham Evans took the Veterans High Gun with 95 ex 100 and Julie Burton took third in Ladies with 85 ex 100. Both of these scores were excellent and represented the Shropshire CPSA team well.

Jun 25: Lawrence Wright Memorial Shoot – Catton Hall SG

Shropshire shooter Lawrence Wright passed away on June 1 last year. Lawrence was a popular and respected member of the County so, as a Committee, we set a date to hold a Sporting shoot in his memory, with Shropshire's highest scoring member receiving a trophy dedicated to 'Loz'.

The event attracted a great turnout. Stu Burgess shot an excellent 93 ex 100 to take the Shropshire High Gun and go home with the trophy. His score was closely chased by Steve Trow and Stu Aston, both on 90 ex 100.

Regional DTL – Nottingham and District

With such a rich pedigree of Trap shooting in the Region, the DTL was once again hotly contested.

On this bright and breezy day, we had a healthy attendance of 85 shooters, of which 75 were from the Region. The standard was very high, with no less than eight tons recorded – this was further heightened by the fact this was the final qualifier to get a place in the Region's DTL team.

The overall winner turned out to be Paul Smith from Lincolnshire by scoring his maiden 100/300. As you would expect, he is now shooting in a new cap.

Second and third Overall was going to take a bit of sorting out with Andy Brown, Mike Brookes, Alan Palmer and Curtis Woolley all tied. Alan had left the ground, leaving the remainder to shoot off. In the first round, Mike was eliminated despite hitting all 25 targets – Curtis and Andy both scored one more point. The second round was single-barrel only, but the pair remained locked together, scoring 25 each. Sudden death beckoned, and it was Andy who faltered on the fifth target, leaving Curtis overall second and Andy in third.

Mike's loss overall was consoled with the fact he had won Veterans, Alan settled for second by default and RW Peacock from Cambridgeshire took third.

In Ladies, it was the familiar face of Hazel Whiten from Cambridgeshire who took the Ladies trophy with a score of 98/288. Hazel was clear of Tracey Bridge from Lincolnshire and Izzy Thurnell of Norfolk who were tied on 94/273. Tracey took the silver medal as Izzy had left the ground, leaving her with bronze.

In Juniors, Josh Brazier from Lincolnshire defended his trophy with a score of 99/295. Tom Tristram from Nottinghamshire took second – probably better known for his success in Skeet –

and in third was another Nottinghamshire shooter, George Lewis.

Thank you to Carl and his team at Nottingham for hosting this event.

Many congratulations to all those who qualified to shoot for the East Midlands DTL team after a series of qualifiers was run under the guidance of Nottinghamshire's hotshot Curtis Woolley. Last year, Curtis approached the Regional Committee with an idea of running a series of shoots, including majors, to help select the DTL team. We offer our grateful thanks for his time and superb efforts.

Tracey Bridge

In my role as the Regional Secretary, I often report on the wonderful achievements that our shooters have made. One such person who always seemed to be in the headlines was Lincolnshire shooter Tracey Bridge.

Not only was Tracey a talented shooter, winning countless trophies, titles and medals but she won the hearts of everyone she came into contact with. In tributes I have read through tears, the same words are always used: smiles and laughter. To spend just a moment in Tracey's company, you couldn't help but smile and laugh too. She was the sort of person you felt you had known all your life.

I am devastated to hear that Tracey died suddenly in June. The world of shooting will miss her enormously.

God bless you Tracey; I'm going to miss your cuddles and kisses. Sleep tight. Our thoughts and prayers are now with Steve and family.

Jun 11: All-Round – Northampton SG

The weather was sunny and warm, with a strong wind which affected the targets on all four disciplines. A total of 17 shooters participated this year and the results were as follows:

In Veterans, Glenn Moore and John Stanton both scored 89 ex 100 to share first place. Paul Burgoine was third with 87 ex 100. In Seniors, Bert Mason took first place with 86 ex 100 and Gavin Smith and S Shuckford were joint runner-up with scores of 85 ex 100. In Juniors, Jake Janes took first place with 63 ex 100.

Thanks go to Martine, Pete, Roy and all the staff at Northampton SG and to all the Bedfordshire shooters who took part. *Bert Mason*

Jun 25: Ian Clifton Trophy Final – Sporting Targets

The final took place using the Jack Pyke Pro Sporting scores. Congratulations go to our winner Gerry Hollick and to our runner-up Keith Bailey.

After taking into account the handicap, Gerry won by eight stands to seven – a creditable feat, especially as in issue 52 of the CPSA rankings he was promoted to B Class and had his handicap increased.

Our thanks go to Ian Clifton for lending his name to this competition and Sporting Targets for facilitating the event.

Many people belong to the CPSA and it is our wish to encourage those who have yet to enter any competitions to do so now, in whatever discipline interests you. You might be a winner! Please support your County and shooting grounds. The sport also needs administrators, coaches and referees. For more information, please visit cpsa.co.uk.

Jun 10-11: Skeet Championships – Cambridge GC

Day one of the County Skeet was a hot glorious day. However, there was nothing glorious about the very high winds which caused some interesting targets. Despite this, Albert Taylor put in an amazing score of 98 ex 100, with Robert Allen and Peter Gaskin hot on his tail on 97 ex 100.

The second day dawned bright but cooler, with a brisk wind increasing later into what one shooter

described as a "mini hurricane". Some great scores were shot by Peter Cook, Chris Morris, Malcolm Collins and Richard Morris but nobody managed to pip Albert's score.

The County Champion and winner of the Bev Waller Trophy was Albert Taylor 98 ex 100. Peter Gaskin won Senior Mens with 97 ex 100. Ladies Champion was Janet Maguire on 84 ex 100. Veterans Champion was Peter Cook on 96 ex 100. A Bowman won Colts with 92 ex 100. R Allen won AA Class with 97 ex 100. R Morris won A Class with 97 ex 100. In B Class, P Gaskin won with 97 ex 100. A Bowman won C Class with 92 ex 100.

Thanks and well done to the 28 shooters who took part. Thanks also to Mick, Karen and the staff at Cambridge Gun Club for hosting yet another of our County Championships, and to Don Green for scoring. *Janet Maguire*

Jun 11: All-Round Championship – Northampton SG

There was a good turnout again this year with plenty of good scores. Alan Palmer came out on top, shooting 90 ex 100. Last year's winner, Bob Tucker, came second on 86 ex 100, with the evergreen John Grice close behind on 85 ex 100. Tony Cox completed the top quartet, shooting 79 ex 100. Eric Kendrick, Graham Kendrick, David Piggin, Alan Bavington and David Hayward all had good rounds but fell foul of the ABT targets. Well done to you all. Our thanks go to Northampton SG for hosting the event.

Jun 17: English Open All-Round – Nottingham

Well done to Alan Bavington who came top of his class, shooting 85 ex 100 and receiving a gold medal. Bob Tucker was Veterans Champion, claiming another gold medal with 95 ex 100, and was placed fourth overall. John Grice shot 92 ex 100 in AA Class, Alan Palmer scored 91 ex 100 in A Class and T Crisp was only a couple of points behind on 89 ex 100.

One day later, the British Open All Round also provided some good scoring for these 'famous five'. Very well done to you all.

Jun 3: Olympic Skeet – Beverley CTC

Olympic Skeet is not one of the more popular disciplines, perhaps because it requires an above-average amount of skill to even attempt it. Shot strictly gun down with targets that are half as fast again as English Skeet, it is certainly not for the faint-hearted. In spite of this, our man of the match – and this year's Lincolnshire champion – was Chris Jarratt who scored 91 ex 100.

Jun 18: Brocklesby Country Fair

For the fifth year running, the Lincolnshire CPSA team swung into action to promote our sport by giving as many people as possible the opportunity to try it. The first shift of instructors kicked off the day at 09:20, when the temperature was a mere 20°C. As the temperature climbed, so did the number of people wanting to shoot.

People of all ages took delight in breaking clays as the instructors put men, women and children through their paces. For the complete beginners, whatever their age, the ecstatic look on their faces when they achieved their first hit was a sight which made the whole day worthwhile.

Lincolnshire CPSA enjoys huge support from our sponsors, without whom we could not even have attempted this event. We'd like to say a grateful thanks to The Clay Pigeon Company, Hotshot Clay Traps, Southerton Guns and Crawford Shooting Supplies for all their help. Thanks also to our team of instructors – Alan Firth, Brett Aisthorpe, Chris Bone, Chris Havill, Marvin Houghton and Paul Briggs – and to the helpers who aided us in demonstrating just how wonderful our sport is to 231 happy customers. For a full report and pictures of the event, please visit the Lincolnshire CPSA website.

Jun 25: Skeet Doubles – The Priory CTC

This event attracted a record entry of 22 shooters, all competing for the coveted Skeet Doubles trophy. Targets were brilliantly presented, with a very clean background, and even the weather was well behaved, staying mild and dry.

Local lad Steve Smith set the early standard with a score of 94 ex 100, so Doug Moore, the current Skeet Doubles Champion, knew he had to record a good score to keep his title. True to form, Doug finished with a near-perfect score of 98 ex 100.

However, in the last squad of the day, Matthew Robinson entered his final two rounds with a score of 49 ex 50. A challenge looked to be on. Although Matthew shot very well, finishing on 95 ex 100,

Tribute to Tracey

By now, everyone will know that we have lost one of our most beloved and well respected Lady shooters with the passing of Tracey Bridge at the age of just 52. Tracey loved shooting and over her career won numerous County and Regional titles in practically any discipline you could name. She shot in the England DTL squad and was the lynchpin of the Lincolnshire Ladies team, again in a variety of disciplines. Tracey was always competitive but with a happy and infectious disposition that made it a pleasure to shoot alongside her. She was, without doubt, a very unique and special person. Lincolnshire will miss her warm and genuine personality.

Jun 11: Skeet Doubles Championship – Eriswell Lodge

We had 22 shooters in attendance, with a strong Suffolk support. Formerly named Lakenheath CTC, Eriswell Lodge has a great history of Skeet shoots. It is a great place for anyone to get regular practice and hosts a Wednesday night Skeet competition.

Above: John Hall – Norfolk Skeet Doubles Champion
Left bottom: Laura Shinn (Ladies Champion) and Simon Owen (County Champion) – Norfolk Single-Barrel

Shooting among the first squads of the day, Suffolk shooter Darren Parsons obtained an excellent 99 ex 100 – no mean feat in Skeet Doubles! The competition was close for this year's Norfolk championship, with just two targets separating the top four scores. This year's Norfolk Skeet Doubles Champion is John Hall with 95 ex 100 – first County title. Ian Hallwood was close behind on 94 ex 100, followed by John Glover and Steven Smith, both on 93 ex 100.

Unfortunately, no other trophies were available for Veterans, Ladies and Juniors. This is something that I will discuss with the Committee at our next meeting. The points are still awarded for the Supreme Championship from this shoot regardless. We had no entries in Ladies or Juniors.

We would like to thank Eriswell Lodge for hosting this shoot, even though we were hoping for a bigger turnout from Norfolk shooters. Also, thank you to all the shooters who shot this year's championship – these minor disciplines would not be possible without your support.

24 Jun: Single-Barrel Championship – Priory CTC

This year's championship attracted 20 shooters, with 13 from Norfolk. It looked to be a close one, with 93 ex 100 posted by both Russell Houghton and Neil Crumpler in the first squad. These were then followed by D Mclean with 92 ex 100.

This year's Norfolk Single-Barrel champion is Simon Owen, with an impressive score of 97 ex 100. This is his first Norfolk title.

In the Veterans category, John Reynolds scored 89 ex 100, holding off Ray Daws who finished two targets behind. The winning two targets took place in the final round of 25. This year's Ladies title was won by Laura Shinn on 80 ex 100 – this was the first Norfolk Championship she had attended.

We would like to thank Priory CTC for holding this shoot and to all the shooters who attended. We would not be able to hold these shoots if it wasn't for your continued support.

All-Round

It was a very hot day and, despite the rising heat, the DTL and ABT clays were well behaved. However, two stands on the Sporting section gave food for thought. It proved to be a day for the younger shooters, who took three of the four available titles.

International Sporting Junior shooter Henry Collins was Overall High Gun for the competition, two clays clear of Dave Morgan. Henry managed to make the different sections look easy as he scored a lovely 93 ex 100.

Kirstin Vogel, British Schools and Young Shots Ladies Champion, took the Ladies title with 76 ex 100 – quite a way ahead of her nearest rival. Colt shooter George Whatton stepped up to take the Junior title with a creditable 68 ex 100. Sonny Bowman, shooting his first County competition, gained the trophy and badge for the Colts section with a score of 52 ex 100. Laurie Cookson took the Veterans title. Welcome Sonny and well done to all the young shots.

Sponsorship

The Committee is pleased to announce that it has found a sponsor for the Skeet and Skeet Doubles competitions. FMJ Gun Shop in Dunchurch has kindly agreed to sponsor Class prizes of 250 cartridges and a badge for both competitions. Thanks to FMJ; we hope this will encourage more County shooters of all skill levels to join in.

County shooters in the England squad

It's a great time for County Skeet shooters. Following Selection Shoots, four of our County shooters now represent England. Regular international shooter Neil Faulkner is captain of the Seniors team, with new cap Leon Gill joining him. George Owen has again been selected for the Junior team and Mick Russell has moved up a category to be selected for the Veteran team. Andrew Lea has been reselected for the Olympic Skeet team; not forgetting Henry Collins shooting for the Sporting squad. We wish them all the very best.

Inter-counties competitions

The first part of the Regional Director's Cup is fast approaching: All-Round on August 13. Team Manager Simon Vogel has been keenly watching everyone's performance to ensure he picks the best team for this event which will be staged on his own home ground.

If you are interested in representing the County in any of the disciplines, please speak with Roy or the Team Managers – Craig Owen and Neil Faulkner (Skeet), Mick Russell (Sporting), Laurie Cookson (DLT and ABT) and Jeremy Baker (FITASC).

Another notable date is the inaugural Mike Harris Memorial Charity Shoot on August 27. I'm sure you will all remember Mike Harris, County shooter and Skeet Team Manager, who suddenly passed away last year. In memory of all the support he gave to the County, the Committee and Northampton Shooting Ground will be holding the first annual CPSA-registered charity event in his memory. All will be welcome to participate and remember our fellow sportsman.

Annual Awards Evening

This is the first notice for this popular evening. We will return to the Northampton Delapre Golf Complex on Saturday December 9. Tickets will be subsidised by the committee and remain at £25 for the three-course meal and one free entry into the prize draw. See Marty to book your place.

Have-A-Go Day

Following our first Have-A-Go Day of the year, the County Committee has decided to run a second event. It will take place at Nottingham and District Gun Club on Friday August 11 from 17:00 onwards.

Committee members will be on hand to instruct people who would like to try their hand at clay shooting. All equipment, including 15 clays, will be provided for £10. If you know of any friends/family who would be interested, please bring them

along – there is no need to book. We look forward to seeing you there.

Tied scores

Please be aware that any tied scores with regard to the Supreme Championship will be decided at the Nottinghamshire v Lincolnshire All-Round match in late August. Good luck to everyone who is in contention.

Tell us your news

If anyone has any news worthy of the County website and/or *Pull!* magazine, please tell us by emailing a Committee member. We're not only looking for news from within the County but from shoots in general, to help promote and encourage Nottinghamshire shooters.

Jun 14: DTL Single-Barrel – Eriswell lodge

Having this competition in the evening did not dampen the enthusiasm of Trap shooters. There were 32 shooters in attendance, 21 of which were from Suffolk. The weather was good – apart from a stiff breeze early on – making the whole evening a very enjoyable event.

Peter Mayhew took the lead early on, posting a 42 with the breeze at its strongest. Dick Hails matched the score later on, so a shoot-off looked likely. One squad later, Gary Miller took up the challenge and succeeded in posting a 44. Gary's score remained unbeaten, giving him both the Veteran and Senior titles.

Melissa Smith won the Ladies Championship – her first County Championship if the records are correct. Sadly, no Juniors attended, leaving this title vacant for 2017.

ABT – Eriswell Lodge

This took place just one week later and was again an evening championship. ABT is one of the Supreme County Champion events – a Team Selection for the East Midlands Inter-counties later in the year and

also an entry into the free shoot 2018 raffle. There was a great entry of 35, with 25 from Suffolk.

The Suffolk names have been added to the raffle, alongside those from the Skeet and FITASC championships earlier this year. Some may now have three chances to win one of six prizes. With three remaining Suffolk Championships which are eligible for entry to the raffle, how many shooters will have the maximum of six?

Geoff Howlett set the pace, returning to the clubhouse from squad three with a score of 46. Many tried but fell short of beating him. Later on, Darren Parsons matched Geoff's score, forcing a shoot-off. Many stayed to watch the final competition, even though it was getting late into the evening. Geoff and Darren shot a full round with the final result going to Geoff 22 to 20.

Neil Bilverstone managed 43 which secured the Veterans title. Melissa Smith made her maiden entry at ABT and finished as Lady champion – her second title of the season. Aaron Harvey shot 39, adding Junior Champion to his list of successes for 2017.

Dick Hails, ABT Team Captain, will soon be in contact with all Suffolk members who have qualified for the team. The East Midlands Inter-counties ABT will be at Nottingham and District Gun Club on October 29.

Please visit the Suffolk website for more detailed reports, updates on Suffolk Championships and fixtures, plus all the latest news from the County.

Dave Toomer

For as many years as I can remember, Dave Toomer has shot the DTL discipline, competition after competition. Anywhere in the country or abroad, he's been there.

Dave recently returned to his home club, Fareham CTC, to prove that he's still on top of the game. He won the club's 200 Grand Prix and collected a Perazzi watch (handy, seeing as he's sponsored by them). Shortly after, he returned again to take the Club Championship title.

I looked on the CPSA website to see how many registered targets Dave has shot in a year: thousands and thousands. Long may he stay on top – well done Dave.

English Skeet County Championship – Fareham CTC

This was again hosted at Fareham CTC. The grass was cut, the stands made ready and the traps tested. I believe Fareham CTC is the only club in Hampshire to have two undercover Skeet layouts.

Martyn Fleming retained the trophy and received the Championship badges for his excellent 97 ex 100. Meanwhile, K Fitzgerald became the Hampshire Ladies Champion and Eric Sumner became the Veterans Champion for the third year running with a 90 ex 100.

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

What has happened to the Skeet discipline? Being a Hampshire County Championship, I would have thought we would have had perhaps six or seven squads in attendance. However, we had just three five-man squads (of which several members were from Dorset and the surrounding counties).

This discipline was once very well attended. The decline in Skeet shooters is why Fareham CTC now only hosts a Skeet shoot every other month. With Tadley closing, there was optimism that Tadley's Skeet members would travel to Fareham's lovely layouts – sadly this hasn't been the case.

Olympic Skeet County Championships – NCSC

As expected, there was a low Hampshire attendance for this fixture. However, Alfie Oldring made the trip as always, shooting a creditable 87 ex 100 to take the Seniors and Veterans titles for another year.

Sporting County Championships – OLSS

This shoot had a much better turnout than the Skeet Championships, with 68 Hampshire members attending. The sun shone down on those Hampshire visitors trying hard to powder every target. Richard set some great targets. He had also recently removed the low-attended Olympic Trap layouts to concentrate on the more popular Sporting discipline.

Phil Marks returned a cracking 96 ex 100. He came close to picking up the championship title last year but failed by two targets behind Luke Elliott. This year, the results were reversed with Luke on 91 ex 100, handing the title to Phil. Carole Sawkins won Ladies, K Write won Veterans and A Gibbs won Juniors.

Somerset Shooters have been out and about, both locally and internationally, showing what the County Shooters can do!

Apr 29-30: World English Sporting – Texas

The rise of American Sporting shooters meant this was always going to be a very tough tournament and a great challenge for Sporting shooters worldwide. Both Emma and Shaun Stacey represented Somerset in the US, with Emma gaining her first England cap. The Competition was a 200-bird course set over a weekend, preceded by preliminary events during the week before. These preliminaries proved to be a good warm-up for the main event and gave all shooters a chance to get used to 'American' targets. Emma finished as the highest English Lady and seventh overall in the Prelim event, while Shaun shot an excellent 90.

The main event saw a different challenge with temperatures reaching over 100°F – the ice-cream cart was a welcome relief! Both Emma and Shaun shot good scores on the first day, leaving them in a competitive position. Shaun was unfortunate to be hit by the aftermath of a 'Texas Storm' which saw very high winds and freezing temperatures on Sunday morning. This dissipated before the later rotations. Emma had another solid day to finish 14th in Ladies and win a team silver medal. It was a fantastic experience for both Emma and Shaun, topped off by the Super Final – a fantastic spectacle under floodlights, proving that the Americans really can put on a great event. Roll on 2019!

Family success

The whole Ling family have been at it again! Gold, silver and bronze were the colours of choice at the 45th European Universal Trench Championship in Lonato. In the Individual Competition, both Ed and Abbey won gold and Theo won a silver in Juniors. In the team events, Ed and Steve won team golds in Seniors and Veterans, Abbey won a team silver in Ladies and Theo won a team bronze in Juniors. What a great performance to inspire Amy with!

Single-Barrel Championship – Brook Bank

Four squads took part. At the halfway mark, Phill Stott was leading the pack on 50-straight, with Gerald Sweet and Geoff Eltham just two clays behind. In the end, Phill held onto his lead and won the competition with a well-shot 98 ex 100, pipping Gerald to the title by two targets.

Emma Stacey and Ellie Seward

Congratulations to Somerset Junior Lady shooters Emma Stacey and Ellie Seward. Emma made the England Ladies Sporting team for the ICTSF Worlds at Kelmars in July, and Ellie has been selected for the GB Junior Ladies team for the Europeans in Baku in August.

County Championships

There haven't been any County Championships since our last report. Those that took place during July will be included in next month's issue of *Pull!*

Other news

On June 11 at Gunsite, Jamie Deadman tied with JD Heagren and Richard King for High Gun on 97 ex 100. Chris Orchard shot an excellent 81 ex 100 to take the Colts, with Adam Deadman taking equal second in colts with 77 ex 100. Michele Brandligt took second in Ladies with 69 ex 100. A total of 176 shooters took part.

On June 25 at Urchfont, Jamie Deadman took third in AAA Class with 87 ex 100. In B Class, T McCarthy took first with 79 ex 100, Phil Brown was second with 77 ex 100 and Jamie Campbell took third with 76 ex 100. C Holden took first in C Class with 71 ex 100. Adam Deadman won the Colts with 74 ex 100.

Team events

Interest continues to build in forming County teams for some disciplines. We still need more volunteers, so please get in touch if you are interested in being part of one or more teams. This year, there are no entry requirements for team membership – you just need to be a Wiltshire shooter. Please contact Josh Brown or me if you are interested.

Wiltshire Sporting Challenge

As a reminder, this year's Sporting Challenge will consist of four competitions, one at each of the following: Widdington (July 23), Barbury (August 27), Urchfont (September 24) and Gunsite (October 8). We are still looking for some more sponsors for this event – if you or someone you know is interested in sponsoring the event, please get in touch.

Champion, K Miles was Junior Champion and P Shuttleworth was Veterans Champion. Will they be back on the podium for the County DTL Championships on July 30 at the same venue? Or are you going to challenge them?

Last month, we reported that Thomas Leighwaite-Page won the County and Junior titles at the Olympic Skeet County Championship with a score of 79 ex 100. This month, we include his picture.

The Perazzi Grand Prix took place on June 16-17 at Nuthampstead Shooting Ground. Our very own Michael Bovingdon won Junior gold with a fantastic score of 190/200. Michael also won his class. At the third Team GB Selection Shoot of the season (held on June 24-25 at Nuthampstead), Michael won Junior silver with another great score of 114/125.

May 28: Essex Olympic Skeet Championship – Southend GC

The conditions were perfect, bright and sunny with no wind but, unfortunately, it was not very well attended. Ivan Harvey won the title for the second year in a row. Sadly, no Ladies, Veterans, Juniors or Colts competed.

Jun 24: Essex Skeet Championship – Clacton GC

Blustery but dry conditions met the 40-odd competitors, making good scores difficult to come by.

In one of the first squads out, Glen Defreitas set the early pace with a 98 ex 100. Glen was matched a little later in the day by Trevor Hearn. In the last

squad out, Chris Rose and Richard Boutcher both threatened to join them until dropping birds in their final rounds.

The shoot-off between Glen and Trevor started at close to 18:00. Both shot 24s during the initial full round, then they went head-to-head for more than a dozen pairs on the middle stands before Glen finally came out on top. Glen took the championship and Trevor came second. Chris Rose took third with 97 ex 100.

Tia Ayres' return to competition after having her baby (congratulations Tia!) saw her win the Ladies championship, despite strong opposition (particularly from Judy Lock who was runner-up). Richard Boutcher's 96 ex 100 sealed a victory in Veterans. It was particularly pleasing to see competitors in both the Juniors and Colts categories, won by Katie Durrant and Mason Terry respectively, with Mason scoring a very creditable 91 ex 100 in the conditions.

This event also hosts the Steve Todd Memorial Trophy competition for the highest score in B Class and C Class. Richard Boutcher's 96 ex 100 from B Class won him this coveted trophy.

Essex English Skeet Team

Subject to availability, the following people have been selected to represent the County at the upcoming South East and National Inter-counties Skeet Championships:

- Seniors:** Glen Defreitas, David Hendon, David Pummell, Paul Terry, Dave Billington and Chris Theobald (Nationals only).
Ladies: Pam Dorrington, Diane Boutcher (Nationals only) and Judy Lock (Nationals only).
Veterans: Richard Boutcher, G Gooday (Nationals only) and Bill Goodchild (Nationals only).
Juniors: Katie Durrant.
Colts: Mason Terry and Tom McLuskey (Nationals only).

Perazzi Grand Prix Olympic Trap

A very hot weekend at Nutty didn't faze Maddie Purser, who came first in Colts at the Perazzi Grand Prix with a personal best of 154 ex 200. Her new Perazzi is certainly suiting her.

Premier League

After a windy but dry June day at Sporting Targets, Charlie Monahan is currently overall third in the handicap results and first in the Juniors, with Alfie Tibbles also leading the Colts after winning B Class.

There are a few shoots left with the final taking place in September, so good luck to all Hertfordshire shooters competing.

Top: Michele Rowe – Hertfordshire Olympic Trap Ladies Champion (presented by Ed Barker)

Lloyd Rogers Memorial Shoot

Time was tight for Scott Shuckford to get from the Jack Pyke Open at Sporting Targets to Manor Farm, Hinxworth, but make it he did. He took the last card of the day around the 40-bird course and came back as High Gun with a perfect 40 ex 40!

A total of 172 entries were taken at this year's shoot. Despite the breezy weather, the rain stayed away and no less than seven shooters posted 38 ex 40. This caused a shoot-off for second and third places, which went to Phil Ely and Jon Davey respectively. Ladies was topped by Joanne Grant on 34 ex 40 and Alfie Tibbles won Juniors on 33 ex 40.

A total of £2,600 was raised for local charities on the day. Many thanks go to Stutley Gun of Royston for their generous sponsorship and Church Farm Gun Club for the trappers and scorers. *Simon Barrow*

Well done to all the winners: P Kemsley (Seniors), T Kemsley-Attwell (Ladies), G Westwood (Veterans) and L Rayment (Colts).

Jun 4: Sporting County Championships and Selection Shoot – Dartford CSC

There was a great turnout for Kent, with 52 shooters attending – 33 Seniors, six Colts, six Veterans, four Juniors and three Ladies.

Congratulations to our Kent Sporting Champions: R Straker (Seniors), S Quinn (Ladies), B Ayres (Veterans), B Ballantyne (Juniors) and Tristan Hockey (Colts).

Thank you to Scotty for putting on a super championship course, which was challenging but very fair. The feedback was amazing, with a phenomenal number of shooters saying they would like to shoot layouts like this more often. Thank you all for taking part.

What a cracking few weeks of hot weather we have experienced. Many shooters have braved the heat and good scores have been rolling in.

ABT – Rugby and District

This was the first qualifying event for the Oxfordshire Challenge Trophy. I hope you all read about the background to this competition in June's issue of *Pull!*.

Congratulations to Pete Farrell who is this year's ABT County Champion. Julian Freeman tried his hand at this discipline and found himself in second place – by just one clay! Third place was awarded to Steve Cox and fourth went to Martin Butler. The scores are close going forward to the next competition: Universal Trench in October. The shoot's dates will be published in advance.

Please support the competition when and where you can. It gives everyone a fighting chance across the disciplines to win some brilliant prizes. Good luck.

FITASC – Southdown

This 200-bird FITASC drew in a good turnout of 164 competitors. Henry Young shot well, finishing on a strong score of 168 ex 200 to win Juniors. We also had a good result in Ladies, with Cheryl Hall shooting 155 ex 200 to take second place and Pet Easton finishing just two targets behind to come third. Well done to you all.

Sporting

Weston Wood hosted two Sporting shoots in June, with both pulling in healthy entries.

The first of the month saw some very high scores, with 21 entrants shooting 90 ex 100 or more. There was also a rare appearance from the infamous Mickey Rouse, who shot a brilliant 95 ex 100 placing him third overall. In the Ladies, Cheryl Hall shot 87 ex 100 to take first place and Helen McKenna took second with a score of 78 ex 100. The Juniors saw Henry Young finish second with a good score of 87 ex 100 and S Mullins take third with 81 ex 100.

The second shoot had 104 entries and was won with an amazing 98 ex 100 by Martin Myers. Henry Young came first in the Juniors with an outstanding 92 ex 100 and K Newbery finished fourth on 77 ex 100. Cheryl Hall won the Ladies by finishing with a great score of 92 ex 100. L Taylor is a C Class shooter and surprised all by shooting an 88 ex 100 – just five targets behind the High Gun score. Fantastic shooting!

The shoot at Atkin Grant and Lang had a healthy turnout of 102 shooters. Oxfordshire's TM Boyer shot well and finished on 85 ex 100, winning A Class. Congratulations!

Please email me with your recent achievements and photos. Keep up the good scores, stay safe and happy shooting.

Single-Barrel DTL Competition – Bisley Gun Club

Thanks go to Andy Smith for the following write-up and for 'flying the flag' for the County Committee. Well done to Andy for a very creditable 87 ex 100 at his first attempt at Single-Barrel!

On what was the hottest day of the year, there was a really good turnout for the Single-Barrel County Championship. From a field of 33, four were from Surrey, seven from Sussex and five from Hampshire and Greater London.

Unfortunately, still being new to shooting, I didn't know the other guys from Surrey – Charles Martin, Stewart Kirk and Philip Chambers – so I wasn't able to wish them luck from the Surrey CPSA Committee. Hopefully, I can correct this at future events. Congratulations to Charles, who won the Surrey competition with an impressive 95 ex 100.

I'd highly recommend Single-Barrel to new shooters – and those who have perhaps only tried one or two other disciplines. The squad I shot with (none of whom I knew) were all very supportive, offering good advice to a newbie. Bisley Gun Club hosted a well-run event, with a very helpful and welcoming team, plus a great cup of tea and bacon sandwich!

Another advantage of Single-Barrel – at least for someone of my standard – is that it is much cheaper than traditional DTL; there are 100 targets and you use 100 cartridges. At DTL, I average about 150 cartridges for 100 targets –

I either need to become a better shot or use cheaper cartridges!

So my advice: give Single-Barrel a go and make sure you reach out to fellow County competitors. There's always the chance of a free cup of tea from one of your Surrey CPSA Committee members!

AG Adjustable Gun Stocks

If your scores are inconsistent it may be because your gun fit is incorrect, most factory stocks are made to standard measurements, you may not be 'standard'. A fully adjustable comb which allows you to have consistent mounts may be what you need.

I also fit recoil reducers and adjustable butt plates.
Prices start from £150. Cheaper than changing your gun.
Fast turn around usually 3 to 4 days.

SPORTING SHOOTER

GEORGIA MOULE TELLS *PULL!* ABOUT
HER LOVE OF THE SPORT AND SHARES
HER TIPS FOR TOP SHOOTING

JAMES MARCHINGTON

HOW LONG HAVE YOU BEEN SHOOTING?

I first started shooting when I was 12 years old, so eight years now.

HOW DID YOU GET INTO THE SPORT?

Around eight years ago, my family and I were at a friend's farm, they got out an old fashioned manual trap and started to shoot a few clays. My dad persuaded me to have a go with a 20 bore semi-auto; I have been hooked ever since!

WHAT WAS YOUR FIRST GUN?

A Beretta A303 20 bore.

WHAT DO YOU MOST LOVE ABOUT THE SPORT?

I love the new challenges each and every time I go out and shoot. Also, I have met some amazing friends along the way.

CAN YOU GIVE FELLOW SHOOTERS ANY TIPS FOR SHOOTING WELL?

To shoot well you need to have a good technique and good consistency within your shooting.

“

TO SHOOT WELL YOU NEED TO HAVE A GOOD TECHNIQUE AND GOOD CONSISTENCY WITHIN YOUR SHOOTING

WHAT'S THE BEST SHOOTING ADVICE YOU'VE BEEN GIVEN?

John Bidwell and Henry Hopkins say: “Go back to basics.” We all have those days that don't go as planned, so go back to basics and what you know.

WHAT GUN DO YOU USE AND WHY?

A Blaser F3 Vantage. It fits my build perfectly as I have quite a long neck. The higher rib keeps my head upright without having to screw my neck into the gun.

HOW OFTEN DO YOU SHOOT?

During the shooting season I shoot one or two times a week and I shoot 100-200 clays. However, after September I like to have few months off and spend some quality time with my family and boyfriend, as most of the year I am travelling all over the country and abroad to various selection shoots and championships.

WHO DO YOU MOST ADMIRE IN THE SPORT AND WHY?

I admire both of my coaches, John Bidwell and Henry Hopkins. They are great ambassadors for the sport, they have helped me massively with my shooting and I know they are only just a phone call away if I need help.

WHAT'S BEEN THE STAND OUT MOMENT OF YOUR CAREER SO FAR?

I have had a few moments that have stood out to me. Texas 2017 was an amazing experience with amazing people. The English Open 2017 for becoming ladies champion. And lastly Dubai. I haven't ever experienced anything like it, it was truly fantastic.

WHAT ARE YOUR AMBITIONS FOR THIS YEAR?

One of my aims for this year was to improve my averages which I have and I have gone up a class. Also I would like to medal as a team at the worlds at Kelmarsh. For the first time I am going to the world FITASC in Hungary as an individual so I am going to enjoy the experience.

AND LONG TERM AMBITIONS?

For the future I would like to improve upon my world rankings within English Sporting and FITASC.

WHAT'S YOUR ADVICE FOR YOUNG SHOOTERS?

Practice perfectly. ●
