**S**WE look forward to September and all that holds for us, not least the finale of our major championship season with the exciting British Open Sporting and Sporttrap championships at West Midlands Shooting Ground, it is also fair to reflect on the past couple of months that have not been exactly plain sailing. Over the past few years we have worked particularly hard to make our major competitions some of the best out there and in July we hosted the ICTSF World English Sporting Championship at Kelmarsh Hall. As some members will be aware, this event attracted criticism from a number of shooters on the first couple of days and did not live up to the expectations those members now have of our shoots. For participants that were disappointed we apologise and there is a statement on page 4 that addresses this in more detail.

In stark contrast, we made a significant contribution to the very successful Game Fair at Hatfield House where our stand on Gunmakers' Row attracted a great number of members, new and non-members alike in a friendly and informal setting. Our presence was perhaps greatest, however, on the clay line where our team of dedicated and experienced instructors introduced 1,000 new shooters to the art of clay target shooting, inspiring many of them to take their new-found interest further through their local club. Added to this, we brought a brand new

competition to life with our Pro-Am competition held in aid of the Lord's Taverners charity. Members of the public were invited to bid for the third place in teams of top shooters paired with other well-known personalities who also shoot. For example, Peter Wilson shot with ex-England goalkeeper David James, Mark Winser was joined by Ashes-winning cricketer Matthew Hoggard and Chery Hall took the top honours with her team of Phil Spencer (Location, Location, Location) and James Bush, who won the bidding to make up that team of three. Despite the weather, the event attracted a great deal of interest and, with a little refinement, we're hopeful this may grow further next year and help to take clay shooting out to completely new audiences.

Whilst at the Game Fair we were particularly excited to launch our new partnership with Musto as the CPSA's official clothing supplier. The kit supplied under the agreement ensures an extremely professional image is presented by both our staff and course tutors, as well as offering very advantageous rates to qualified instructors and coaches on the fabulous range of premium Musto shooting clothing for their personal wear. We expect the partnership to grow and develop over the coming years so look out for further announcements.

Our 'How to Hit' series of instructional videos has proved extremely popular since being launched on our website earlier this year and I would commend them to all

shooters, new and more experienced alike. I'd like to thank Browning for their support of this new initiative and, in a similar vein, would like to extend our thanks to Promatic and all the team there for the extensive support they provide to our major Sporting championships. With traps being largely hidden at good shoots it's often difficult to gain the recognition their support deserves but we know that down time, if there is any, is extremely short when we have Promatic's support at hand. Likewise with clays, CCI are big supporters but even more difficult to identify simply due to the nature of their product and I would like to thank them, along with Zoli, Edgar Brothers and Gamebore for their support of the forthcoming British Open Sporting once again this year. We hope to extend those partnerships further as we look forward to the return of the CPSA World Sporting Championships at EJ Churchill in June next year, about which there will be some big announcements in the coming months, as we aim to build on the fantastic success of the 2016 event. In the meantime, enjoy your shooting and we wish every success to the England teams taking part in the Sporting, ABT and FITASC Home Internationals during September. ●

## CPSA Statement: ICTSF World English Sporting Championship, Kelmarsh, Northants, July 13-16 2017

### CPSA STATEMENT

**THE BOARD**, at its scheduled meeting on August 2, discussed at some length the various issues surrounding the above competition and agreed the following statement.

Firstly, the Association would like to apologise to any participant who found the event fell short of their expectations. Having run extremely successful CPSA World Sporting championships previously this was very disappointing.

This championship was hosted by the CPSA on behalf of the International Clay Target Shooting Federation ([www.ictsf.global](http://www.ictsf.global)) and it was decided to run the event on a greenfield site which is usually attractive to many competitors. The links provided by the successful Kelmarsh Game Fair held on the same site were hoped to bring in additional exhibitors, as well as tried and tested infrastructure, along with the CPSA's Trade Members to

add to the atmosphere of the event, but clearly this did not materialise as anticipated.

The weather played a very significant part in leading to the dissatisfaction expressed by a number of competitors, and others, on social media. Whilst the first day of competition ran well things changed dramatically overnight and Friday presented us with a potentially unsafe situation on one stand. The ICTSF Jury met and decided, reluctantly but in the interests of participant safety, to withdraw the stand from the competition. Later in the day, following representations from a number of competitors, it was decided by the Jury to remove a second stand in the interests of fairness given said stand was dramatically easier to shoot on Friday than it had been on Thursday. In this instance the Jury decided, rather than just withdraw the stand, to allow competitors to

shoot the stand but award everyone a maximum score of 10, it being a 5-pair stand, thus not adversely affecting anyone's standing in the score rankings. It was further decided by the ICTSF Jury, in the interests of equality, to hold a Semi-Final comprising the top 12 from both the Thurs/Fri and Sat/Sun rotations. Ideally this would have been extended to the Classes and Categories also, but regrettably, time constraints on Sunday evening rendered this impracticable.

We have carried out a thorough de-brief, as we always do following major events, taking all available comments and feedback into account and, with the benefit of hindsight, we would have managed certain aspects differently. In future, we will specify more user-friendly toilets of the trailer variety – gender specific and with running water. The direction signage round such

greenfield sites needs to be bold and clear to enable people to find whatever they are looking for. The trade stands area was disappointing in number but, given the footfall on any one day was circa 400 competitors plus friends, relatives etc, the general consensus from the trade was the investment in terms of staff, travel, accommodation etc was not likely to be offset by any return achieved. Kelmarsh Estate is used regularly for various shows and we made approaches, via credible intermediaries, to try and attract local traders from other, non-shooting, activities. Regrettably, the fact our footfall was so relatively low thwarted that initiative also.

In the near future we will be carrying out a survey among the CPSA member competitors at Kelmarsh, as constructive feedback can only serve to enhance our future competitions.

## EVENT

NEARLY 200 keen cadets from across the country gathered at Cambridge Gun Club for a weekend of shooting competition on June 23-25. As part of this, the two-day Cadet National Championships, which is run by the Council for Cadet Rifle Shooting Clay Target Committee, attracted 197 competitors and staff from the Army Cadet Force, Air Cadets, Combined Cadet Force and, for the first time, the Police Cadets.

Clay target shooting is a sport that is rapidly growing amongst the cadet forces, who number in excess of 100,000 across all the services. Now in its 11th year, the competition consisted of a

100 target Sporting, a 25 target DTL and a 60 target Flush, with the cadets firing in teams of four. One adult per team was allowed to shoot in the adult competition.

While each individual cadet service has its own rankings and awards, it was an exceptional competition for Gresham's School's CCF A team, who took overall first place in Sporting, DTL and Flush and, unsurprisingly, High Team Overall. The individual overall High Gun went to Cdt Taylerson of Shropshire ACF. The prizes were given out by Captain Phil Russell RN, who is Captain of the Sea Cadets.

For the full competition results, please visit the Council for Cadet Rifle Shooting website at [ccrs.org.uk](http://ccrs.org.uk)

# Super shots at EO UT Championship

## EVENT

EXCELLENT WEATHER brought 75 competitors to Brook Bank SG in Somerset for the English Open Universal Trench Championships and the BICTSF UT Selection Shoot on July 1 and 2. The weather wasn't the only thing shining, with some superb performances, including a first-rate shoot produced by Alison and Wesley Hann. Wesley worked especially hard, juggling both running the ground and competing.

By the close of play on Saturday the Ling family was leading the pack with Ed, Abbey and Steve all on 95. This was all the more remarkable as Abbey and Ed were performing nursery duties between rounds for their recent arrival, Amy.

Sunday also saw some great scores across the board, ending in a three-way tie for High Gun between Ed Ling, Rod Gould and Wesley Hann all on 189 ex 200. A

shoot-off followed, consisting of one full round. It saw Wesley shoot a perfect straight, with Rod taking runner-up pot on 23 ex 25 and Ed third overall on 22 ex 25.

The categories produced some equally impressive high scores with Abbey Ling and Kevin Borley both only one point behind the High Gun on 188, taking the

## REFURBISHMENT

FOR THE first time in its 26-year history, the Royal Berkshire Shooting School will start running its on-site gunroom itself, following a £20,000 refurbishment. For the last seven years the shop has been managed by Simon Freedman, who recently retired. With a team now totalling 24 staff, the multi-award-winning shooting school is well placed to manage the gunroom in-house.

"We are very thankful to Simon and wish him a restful retirement," said Royal Berkshire's managing director, Dylan Williams. "This juncture presented us with a rare opportunity to take over running the shop and give it the same high quality Royal Berkshire stamp clients are already accustomed to." The refurbishment, which should be completed by September, will align the gunroom with the other Royal Berkshire Shooting Group brands, catering for clay, game and rifle shooters. There are plans to stock top brands, including Purdey and Beretta, and expand the clothing offering. The shop will also hold regular events.

# The Game Fair gets festive

THE GAME FAIR has announced a brand new event in time for the festive season. The Game Fair Christmas is a new seasonal edition of the much-loved event, which plans to bring the spirit of The Game Fair to the heart of London on November 23-25. Companies will exhibit both indoors at the historic Victoria House, including inside the glamorous Bloomsbury Ballroom, and outdoors across Bloomsbury Square. Exhibitors retailing rural crafts, gifts, fashions, goods, food and more will be there, along with cookery demonstrations, debates and informative discussions.

Visit [thegamefair.org](http://thegamefair.org) for more information.

# Dragon Clay Club Charity Shoot

## CHARITY SHOOT

THE DRAGON CLAY CLUB'S annual charity shoot was held on Sunday June 18 at their picturesque ground in Colgate, West Sussex by kind permission of landowner Mrs Susan Shore and her family. The weather on the day was fantastic for the participating 147 entrants.

The shoot itself was a 100 target Sporting over 12 varied and interesting stands. Concentration was key and there were plenty of scores in the high 80s and 90s. However, four of the country's leading shots took top honours. Guy Franklin won on 98, only two bouncing rabbits eluding him. He was closely followed by Alex Cobb on 97 with Ross Straker and Simon Fenner both on 96. Cartridge class was won by Ken Upton with a great 95; Ladies was won by Liz Salmon on 88; and Billy Greenwood won the Juniors, also with 88.

A total of £3,200 was raised and shared equally between the Brittle Bone Society and Phoenix Stroke Club (Horsham). The Dragon Clay Club would like to thank everyone for their support and participation on the day making this excellent shoot possible.

## Sporting Grand Prix

THE PERAZZI Sporting Grand Prix held on July 22 at Mid Wales Shooting Centre was a big success

thanks to great attention to detail from Jonathan Williams and his team. A huge amount of time, effort and thought had been put in to staging this event and it showed. Steve Nutbeam's involvement in setting the two nine-stand courses was apparent, creating enjoyable, clever and

testing targets utilising the full capabilities of the Laporte Traps.

Steve commented, "I was very impressed with the Laporte Traps and the range of angles the traps could be set to and operate at, together with their ability to throw a strong and consistent target made it a pleasure to set this course. The

beautiful setting of Mid Wales Shooting Centre and friendliness of the staff added the icing on the cake and eclipsed any previous event this year. All the feedback from the shooters was fantastic."

Top shooting by Arnie Palmer won the Men's event while Cheryl Hall won the Ladies.

**LETTER OF THE MONTH**

In response to Colin Reeve's letter in the August issue of **Pull!**, I wonder if the CPSA members in general have forgotten about their County Committee members who volunteer their free time to represent them. I completely agree with Colin that people are not willing to travel many miles to attend the National AGM; however, they can always attend their local County AGM and raise any issues they have.

Hampshire holds their AGM at Owls Lodge Shooting School in January, and

any points that require forwarding can then reach the Regional SW AGM in February. This is then followed by the National AGM in March, so there is a system in place for any CPSA members to be heard without travelling outside county borders. We also have a county website and Facebook page for Hampshire members wishing to get in contact.

### Farewell Vall

Monday June 26 – you might say a day like any other. But it wasn't. It was the funeral of my very good friend, Vall Fraser. I had known Vall for over 35 years; we first met at Holmfirth Shooting Ground in 1982.

In the past years we have had some great times, along with lots of other shooters, travelling to Texas, Florida, Ireland, Jersey and Guernsey. He was not only a very good shot but had captained the English Skeet Squad and was totally responsible for the creation of the One Hundred Straight Club (OSC). He was very well known throughout the UK. But he also earned the respect of his fellow American Skeet shooters, members of the NSSA. The chapel was full; shooters came from all over the country, including a number of England team members, past and present, who formed a guard of honour as the coffin passed. Dave Hornby gave a detailed and very humorous eulogy, which did help to ease the atmosphere. There were also some lovely floral tributes, including one with the initials OSC in gold.

Vall was a character and an amazing ambassador for the sport. He leaves behind wife Gill, sons Simon and Lincoln, and grandchildren Archie and Bella. God bless you Vall – you will be sorely missed.

### Camouflage confirmation please

I was recently shooting at a DTL Registered competition at which we refereed the following squad. After the line up, I mentioned the fact that wearing camouflage clothing had been banned, only to be told quite forcibly that it was wrong. Could you please confirm that general rule 18.3 f is still correct? **Paul Angel, CPSA No EE130469**

### CPSA responds:

Dear Paul,

Thank you for your letter to *Pull!*

I confirm that General Rule 17.3 (f) (not 18.3 f) clearly states that at 'all CPSA events Military or Camouflaged wear' is not acceptable. It is also worth noting that rule 17.4 also applies which states that any participant found to be in breach must rectify their appearance without delay or failure to comply with the instruction will disqualify the offender from further participation in the event etc.

I hope this answers your question.

Kind regards

WHETHER YOU ARE JUST STARTING OUT OR ARE AN EXPERIENCED SHOOTER, THE CPSA HAS CREATED A RANGE OF COURSES TO OFFER THE BEST TRAINING AVAILABLE IN THE SPORT TODAY

## REFEREE COURSE £75

Available in each of the four domestic disciplines of ESP, ESK, DTL and ABT, these one-day courses will equip you with the general and discipline specific rules to enable you to referee regularly at registered competitions or national championships and, with it, the assurance that what you are calling is correct. This is also an excellent course for the competitor who doesn't necessarily want to referee, but does want to ensure that they know the rules when they compete. The following Referee Course is now available to book on to:

**Sep 16:** Down The Line – Bisley Gun Club ([SE](#))

## SAFETY OFFICER COURSE £99

The Safety Officer Course is a one-day course which provides the basis for running a safe and successful shooting ground and looks at safe gun handling, layout management, risk assessments etc. An obvious choice for ground owners and a prerequisite to Club Affiliation, it also appeals to the shooter and is the first step towards higher qualifications. The following Safety Courses are now available to book on to:

**Sep 9:** Bisley Gun Club ([SE](#))

**Sep 22:** Northampton Shooting Ground ([EM](#))

**Nov 11:** Bisley Gun Club ([SE](#))

**Nov 18:** Podimore Shooting School ([SW](#))

## INSTRUCTOR DEVELOPMENT WORKSHOP (IDW) £150

The IDW is a one-day course and a prerequisite to attending the four-day Instructor Training Course. Candidates will be given an overview of the full four-day course and be assessed for their suitability to progress onto the ITC. Candidates must have attended a Safety Officer Course within the previous five years.

## LEVEL 1 INSTRUCTOR TRAINING COURSE (ITC) £695

This course will teach you how to check eye dominance and gun fit, show you how to teach the CPSA Method and how to recognise shooting errors and correct them. The course lasts four days and consists of classroom time, off- and on-range workshops and a final day of assessments. It covers crossing, rising and dropping targets and equips instructors with the knowledge to tackle a huge variety of targets. For the Level 1 ITC, the criterion for qualification is that the candidate can get a novice to hit a moving target safely using the CPSA Method. Candidates must have attended an IDW within the previous two years. The following ITC is now available to book:

**Sep 18-21:** Northampton Shooting Ground ([EM](#))

## LEVEL 2 COACH TRAINING COURSE (CTC)

The Level 2 Training Programme is comprised of three courses, starting with the Common Element (£350) and then progressing onto the discipline-specific Coach Development Workshop (£150 per discipline) and finally the discipline-specific Coach Training Course (£550). The Level 2 Coaching qualification is designed to give you the technical knowledge and skills to improve an established shooter to a higher level and there are separate courses for Trap (ABT and DTL), English Sporting and English Skeet. The following Level 2 courses are now available to book on to:

**Sep 11-13:** CTC DS Combined – Northampton Shooting Ground ([EM](#))

# BERETTA

## 692 TRAP

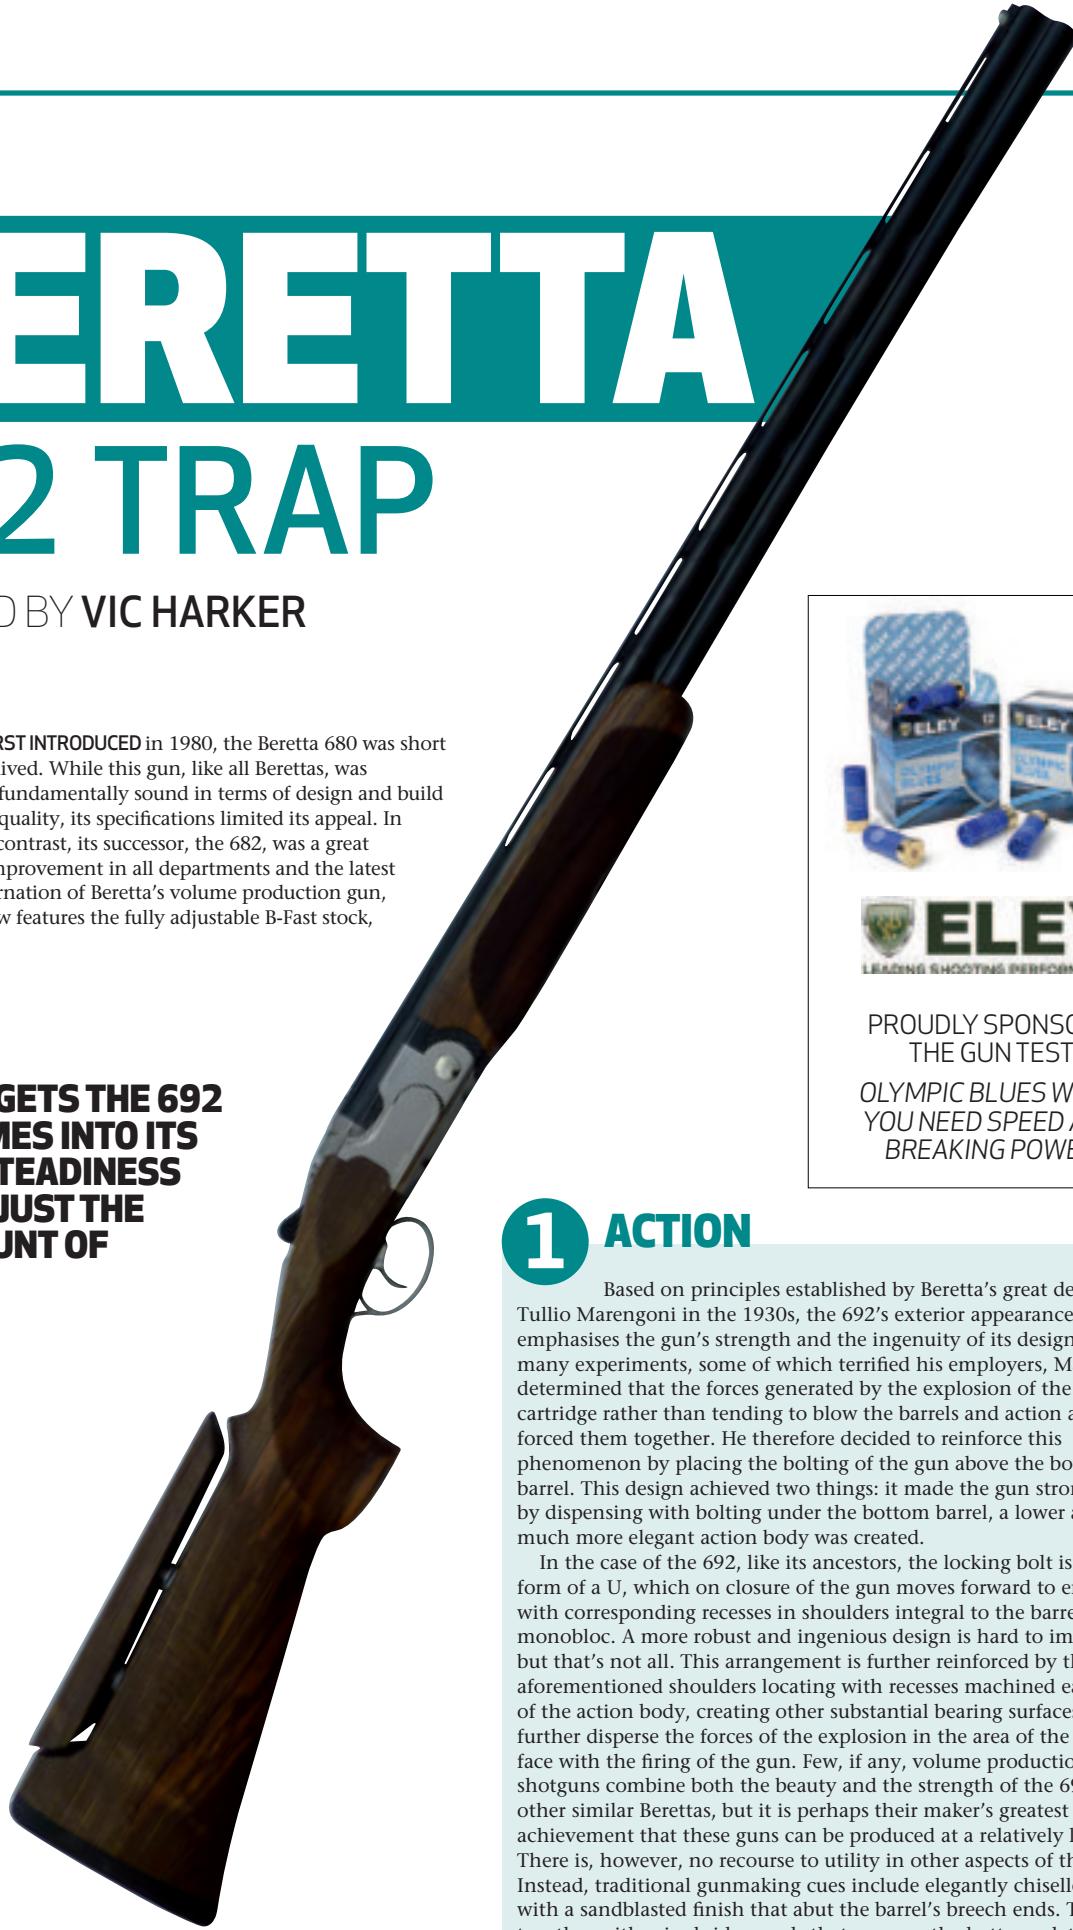

REVIEWED BY **VIC HARKER**

IRST INTRODUCED in 1980, the Beretta 680 was short lived. While this gun, like all Berettas, was fundamentally sound in terms of design and build quality, its specifications limited its appeal. In contrast, its successor, the 682, was a great improvement in all departments and the latest incarnation of Beretta's volume production gun, the 692, which now features the fully adjustable B-Fast stock, is even better. ●

### 1 ACTION

Based on principles established by Beretta's great designer Tullio Marengoni in the 1930s, the 692's exterior appearance emphasises the gun's strength and the ingenuity of its design. After many experiments, some of which terrified his employers, Marengoni determined that the forces generated by the explosion of the fired cartridge rather than tending to blow the barrels and action apart, forced them together. He therefore decided to reinforce this phenomenon by placing the bolting of the gun above the bottom barrel. This design achieved two things: it made the gun stronger and, by dispensing with bolting under the bottom barrel, a lower and much more elegant action body was created.

In the case of the 692, like its ancestors, the locking bolt is in the form of a U, which on closure of the gun moves forward to engage with corresponding recesses in shoulders integral to the barrel's monobloc. A more robust and ingenious design is hard to imagine, but that's not all. This arrangement is further reinforced by the aforementioned shoulders locating with recesses machined each side of the action body, creating other substantial bearing surfaces that further disperse the forces of the explosion in the area of the breech face with the firing of the gun. Few, if any, volume production shotguns combine both the beauty and the strength of the 692 and other similar Berettas, but it is perhaps their maker's greatest achievement that these guns can be produced at a relatively low cost. There is, however, no recourse to utility in other aspects of the gun. Instead, traditional gunmaking cues include elegantly chiselled fences with a sandblasted finish that abut the barrel's breech ends. This, together with raised side panels that overrun the bottom plate, are features that enhance proportion and line.

## 2 STOCK

The 692's stock is an exercise in both ergonomics and aesthetics. Carved from well-figured pieces of European walnut, both shape and proportions are excellent. The grip provides a radius that, combined with a palm swell, allows the thumb and second forefinger to meet comfortably, which, together with an adjustable trigger blade, provides a secure hold with a feeling of control. This 692's stock also has features that in the best of all worlds would be incorporated in every off-the-rack gun. It adds extra cost in terms of achieving an accurate gun fit, but it's worth every penny. Adjustment for height and cast is by way of two pillars that can be moved laterally right or left and the comb can be raised and lowered to ensure the correct elevation of the shooter's master eye above the rib. The latter is the most crucial adjustment of all and absolutely vital to accurate shooting. The B-Fast system also provides an option for changing the 692's point of balance (POB). This is achieved with a system of 'steel wads' that can be inserted in the stock or removed, depending on the POB the shooter requires. This is no cop-out, but with one wad already in place the 692 balanced smack on the trunnion bosses, which was fine for me and so I left well alone.

## 3 BARRELS

Long forcing cones in front of the chambers taper down to a conventional bore size of .724in with choke constrictions that approximate three-quarters in the bottom barrel and full in the top. On the pattern plate with some good quality ammunition, well distributed patterns were consistently achieved to what I considered to be very high standards of regularity, and so to the shooting range!

## 4 SHOOTING IMPRESSIONS

With an all up weight of 8lbs 12oz I would assume this 692 is intended for the British or American markets as I have yet to meet an Italian who likes long, heavy barrels. On Ball Trap targets, as long as I didn't try to rush things, I achieved some impressive breaks, the long barrels sweeping majestically through the target at range. This was helped by achieving an excellent fit with the B-Fast stock. On DTL targets the 692 really comes into its own, the steadiness providing just the right amount of control. Shooting some Handicap by Distance targets, this quality was also particularly helpful in achieving satisfactory breaks. Very much an all-round Trap gun that I am confident will be well received by many British Trap shooters. Every effort has been made to make this Beretta as user friendly as possible and they have succeeded. From a long line of excellent Beretta over and unders, the 692 only enhances an already great tradition.

# GAME ON

THREE ACTION PACKED DAYS SAW THE CPSA INVOLVED IN NUMEROUS EVENTS ON AND OFF THE CLAY LINE AT THIS YEAR'S GAME FAIR. **JACK CAVILLA** REPORTS

ATFIELD HOUSE in Hertfordshire played host for the 2017 Game Fair from July 28-30 and with trains from London Kings Cross to Hatfield taking just 20 minutes, the crowds poured in.

It was a busy three days for the CPSA.

As we continue to establish ourselves as the go-to place on the clay line for first timers looking to 'Have A Go' at clay shooting under the guidance of our experienced and enthusiastic instructors, we welcomed nearly 1,000 people onto the clay line to shoot some clays.

This year we also launched the CPSA Live Field Classroom in association with Sporting Gun magazine. Throughout the weekend professionals from across the shooting industry – including instructors, Olympians, journalists and gamekeepers – were on hand to discuss career opportunities, dispense advice, or take a selfie.

As ever at The Game Fair clothing and fashion were a big part of the show. This year proved no different and the CPSA were delighted to launch our new clothing partnership with Musto on the Friday afternoon. As well as hosting a drinks reception to celebrate the new partnership, Musto's 2018 shooting range was on show on the CPSA stand and the opportunity for visitors to become test wearers for the clothing brand.

On top of all this we also teamed up with The Game Fair to run a Celebrity Pro-Am shoot in aid of The Lord's Taverners. The general public had the opportunity to bid to join teams made up of an array of top shooters and famous faces from the sporting world and television, with all money raised going to the charity.

After three entertaining qualifying rounds, Cheryl Hall partnered with TV's Location, Location, Location presenter Phil Spencer and James Bush shot a superb 17 ex 18 in the final to take the honours, with Phil holding his nerve for the winning shot! Our thanks to all who took part and helped to raise money for such a great cause.

## FUTURE FAIRS

The CPSA attends many country fairs all over the country throughout the year.

Other dates for the diary are:

**September 16-17**  
Midland Game Fair

**July 27-29, 2018**  
The Game Fair at Ragley Hall

## CHAMPION OF CHAMPIONS

Guy Franklin retained his CPSA Champion of Champions title. Having shot 41 ex 50 in the English Sporting qualifier, the 2016 Champion had to go through a nervy shoot-off to earn his place in the 25 target Sporttrap semi-finals.

The final was extremely close and ended up going down to the second last clay. With Guy having completed his layout and recording 23 ex 25, local shooter Paul Lovick from Hertfordshire was level before missing his penultimate target to finish on 22.

Guy commented, "After I dropped a target on the first layout in the final I didn't think I would be winning today. I got myself together and ended up shooting well enough to take it. I was relaxed as I wasn't expecting to win it two years in a row so it feels great to get my hands on the trophy again."

The Sussex-based dairy farmer was awarded with a specially engraved shotgun, kindly donated by ATA Arms, which he received at the Sportsman Gun Centre.

Henry Collins from Northamptonshire finished runner-up following a shoot off with Henry Arnold and Paul Lovick. Collins won a Toyota driving experience as part of his prize, along with a cash amount.

## COLTS CHALLENGE

Henry Bevan from Suffolk emerged victorious shooting 19 ex 25 in the Colts Challenge final. He was followed by Karl Miles on 18 ex 25, having also come second in 2016. Oliver Zaitschenko and Chris Orchard had to shoot a further three shoot-offs for third place, with Oliver eventually coming out on top. The competition was fiercely competitive, with the top ten Colts based on CPSA rankings as of June 1 invited to take part. Eight of the shooters attended and were divided into two groups of four to shoot the 25 target Sporttrap course, with the top four scores progressing to the final.

The final itself was a tense affair, as Olympic medallist Steve Scott watched along with many of the young shooters' families and friends on the Subaru Shooting Line.

Henry, who trains at the Philip Thorrold Shooting Academy, said after his victory: "I'm really pleased. I felt pretty confident going into the finals after I'd shot 22 ex 25 in the first round. I train at the Academy about once a month, but we've also got a clay trap at home. I've been shooting about two registered shoots a week, so it's a really great way to top that off."

Henry was awarded 750 Lyalvale Express cartridges, whilst Karl and Oliver received 500 and 250 Lyalvale Express cartridges respectively. All three of the placed shooters won a year's subscription to a Time Inc. title of their choosing, as well as a cash prize from the CPSA. ●

JAMES MARCHINGTON  
REPORTS ON AN EVENTFUL  
AND SOMETIMES  
CONTROVERSIAL WORLD  
ENGLISH SPORTING  
CHAMPIONSHIP THAT  
SAW RICHARD FAULDS  
TRIUMPH IN STYLE

Winning shooter  
Richard Faulds

THE INTERNATIONAL Clay Target Shooting Federation World English Sporting Championship brought teams from as far afield as South Africa and Australia to compete against the best of Britain's Sporting shots in the beautiful setting of Kelmarsh Hall in Northamptonshire from July 13-16. With the 'ICTSF Worlds' following close on the heels of the World FITASC Sporting Championship in Hungary, many of the international competitors were 'making a trip of it' before returning home.

This was the fourth World Championship run by the International Clay Target Shooting Federation. It is held in alternate years, beginning with the inaugural competition in New Zealand in 2011, and 2017 was England's turn to host the championship.

More than 800 shooters were booked to battle it out over a 200-target course set by two-times Commonwealth Games medallist Clive Bramley, from Doveridge Clay Sports. Alongside the World Championship, there was also a CPSA 100 Sporting competition, and a 100 Sportrap. If that wasn't enough for the shooters to get their teeth into, there was a pool shoot, and John Bridges had brought his mobile Starshot layout as well.

As you might expect, there was some impressive shooting on display over the four days, and some worthy winners – although as things turned out the event held some surprises and led to more than a little controversy on social media along the way.

The World Championship consisted of two 100-target courses – red and blue – shot over consecutive days. The first rotation shot Thursday and Friday, and the second on Saturday and Sunday, with the top scoring shooters qualifying for a Super Final on Sunday afternoon.

The targets were as demanding as you would expect on a world class course, with plenty of long loopers and edgy crossers to test the shooters' skill. Added to that, a change in the weather was making some of the targets even trickier than planned – the wind had spun through 180 degrees between the final setting up on Wednesday and the first day of competition on Thursday, and was gusting unpredictably.

"It's the World Championships so it is going to be tough out there," said Clive Bramley. "It's a shame the wind has affected some of the targets so badly but, at the end of the day, the person who hits the most targets will be the winner, whether it's 200 straight or a 180." Sure enough the cream was rising to the top. On the first day, Aaron Harvey led the field on the red course with a superb 90 ex 100, while Richard Faulds matched that score to set the standard on the blue course.

**Above and top right:** All eyes on the targets  
**Middle:** CCI clays thrown from Promatic traps  
**Bottom:** Richard Faulds watches his rivals shoot in the semi-final

The wind was playing more tricks as Friday dawned, and the ICTSF's international jury found themselves forced to make some tough decisions. Stand 8 on the blue course had to be taken out of the competition for safety reasons. Late on Friday it was decided that every shooter would be awarded 10 points on blue Stand 3, where the wind had affected a pair of teal targets to such a degree that the scores would have been unfair.

As a result of the changes, a new semi-final was added to the competition. The top 12 shooters from each rotation, plus any ties, would go into the 50-target semi-final on Sunday afternoon, with the top five, plus any ties, going on to the 25-target Super Final. The addition of a semi-final would ensure that any differences between rotations due to the weather were eliminated, and in fact drew more shooters into contention for the top places. The decision led to some harsh criticism on social media, but serendipitously

it would produce a fantastic display of shooting enjoyed by a large crowd of spectators on a balmy summer's evening.

Saturday – day 3 of the competition – saw the start of a new rotation, including the national teams which had been welcomed with a ceremony in front of Kelmarsh Hall the previous evening. Some shooters were arriving with trepidation, having read criticism of the shoot on social media, including comments from many who had not been anywhere near the shoot but were jumping on the bandwagon. As a result, competitors were genuinely surprised to find a well-run shoot with targets that were challenging but fair. Once again we saw some excellent shooting around the course, with England veteran Steve Brightwell ahead on red with 92, and Stuart Rudling posting 86 out of a possible 92 to lead the way on blue.

Saturday also saw the conclusion of the CPSA Sporting and Sportrap competitions. John Lee emerged the clear

winner of the Sporttrap with an excellent 96 ex 100. Stuart Donaldson beat Scott Barnett in a close-fought shoot-off for second place, while Taylor Hedgecock beat Josh Bridges in the shoot-off for juniors. Meanwhile James Attwood was crowned high gun in the CPSA Sporting with an excellent score of 98 ex 100, one target ahead of Henry Collins and Richard King.

The England team put in an excellent performance on the red course on Saturday, and held it together on blue the following day to finish clear winners of the team events across the board, scooping the Open, Ladies, Junior, Veteran and Super Veteran team titles.

The battle for individual honours was far from over, however, with a semi-final and Super Final still to come. A crowd gathered to watch the top shooters tackle the semi-final course, whittling the field down to the last handful of competitors for the head-to-head Super Final.

Richard Faulds went into the final battle level pegging with James Attwood and Sam Green on 46 ex 50. A hushed crowd watched on as the big names worked their way through the course. Keeping his cool under pressure, Faulds dropped just two targets of his 25 to emerge the clear winner, two ahead of runner-up Attwood.

Credit is due to the event's main sponsors, Eley Hawk, as well as to Promatic who supplied the traps and CCI International who supplied the clays. The hardworking CPSA staff deserve special mention for keeping calm and professional in difficult circumstances, and running the event with their trademark efficiency and good humour – few shooters will appreciate, for instance, the challenge of staging a 50-target semi-final in a remote location with only a couple of days' notice. The social media furore will die down, but shooters should think twice in future before joining in a frenzy of criticism which can only harm the sport as a whole, and discourage sponsorship which would help address the very issues they are criticising.

The sun was setting on the glorious frontage of Kelmarsh Hall as the prizes were presented, bringing down the curtain on a World Championship that will undoubtedly be remembered as controversial, but nevertheless showcased the very best shooting from the ICTSF nations' finest Sporting competitors. ●

# How to hit...

# the battue target

IN THE LAST OF OUR SERIES, CPSA LEVEL 3 SENIOR COACH **SIMON ARBUCKLE** DEALS WITH A BATTUE TARGET

**T**HIS IS the sixth and last in our series on how to hit some of the targets you will commonly encounter on a Sporting layout. This month we look at a target that fills many shooters with dread: the battue.

This target is shaped differently to a standard clay; it is virtually a flat disc with just a small hump in the centre, with the same diameter as a standard clay but only one third the height. This makes it very aerodynamic, so it travels faster and holds its speed for longer. The shape makes it fly quite differently, too. Typically, a battue target will be launched flat. However, where a standard clay will fly flat like a Frisbee, the battue soon turns sideways and then dives rapidly towards the ground.

If you have followed this series, you will have noticed a theme developing. In each one I have used the CPSA

Method, which can be applied to all of the targets in this series, including the battue. I approach the battue like any other target. First I decide where I'm going to break it – my break point. Then I establish where I first see it as a solid object, not just a blur – my visual pick-up point. Next I decide where I will hold the gun – the gun hold point. This will be somewhere on the target's flightline, between the visual pick-up point and the break point.

Firstly, the break point. A typical battue will still be on the rise when it turns and will continue to rise, side-on to the shooter, before it starts to drop. Once it starts to drop, it will accelerate quickly towards the ground and it becomes difficult to follow its line and speed. If I possibly can, I want to shoot it before it begins to drop, but not too early as I want to give myself time to find the target's line and speed – so I can lock on to it with the gun, pull ahead and shoot on that line.

My visual pick-up point will normally be where the clay starts to turn on its side. This is the point where I first see it clearly as a solid object. As it leaves the trap it is side-on and travelling fast, so at best you will only see it as a blur. But once it starts to turn sideways, your eyes can pick it up and focus on it clearly.

The precise position of the gun hold point will depend on the target, the background and your own rhythm and reaction time. As we will see in a moment, it's all about creating a smooth, flowing movement with the gun.

Once I have selected my three points, I am ready to take the first clay. I will set my feet towards the break point and mount my gun to that point. Then I will wind back along the flightline to my gun hold point. Then, keeping my muzzles on the gun hold point, I will drop the stock slightly from my shoulder and turn my eyes back towards the visual pick-up point.

I call 'pull', and the target comes out. As it reaches my visual pick-up point, it starts to turn, and I pick it up with my eyes. As it reaches the gun hold point, I lock on to it with the gun and move with it. As the target approaches my break point, I pull ahead smoothly and shoot, taking care to follow the line of the target and keep the gun moving.

All of this happens faster than the time it takes to describe, and it should be one smooth action, not a juddery series of steps. As with previous targets that we've covered in this series, the position of your gun hold point is crucial in creating a nice, smooth, flowing movement.

If you select a gun hold point that is too near the trap, the clay will get ahead of you and force you to make a wild swipe of the muzzles to catch up. If, on the other hand, you hold the gun too far from the trap, then you will find yourself swinging back to meet it and having to make a quick change of direction to chase after it.

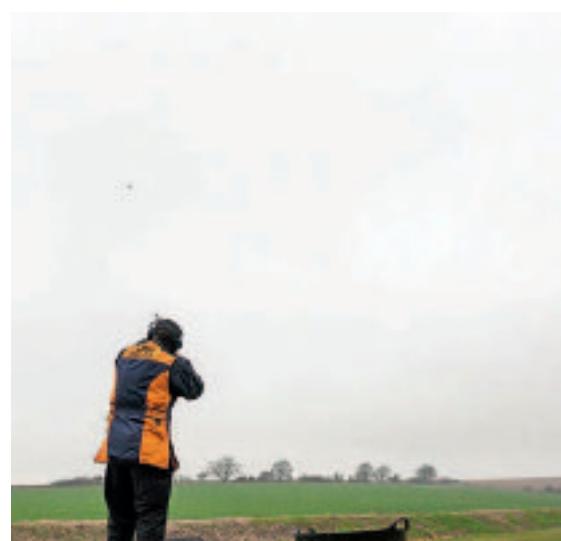

If you find yourself doing either of those things, think carefully about what is going on, and adjust your gun hold point accordingly. As you gain more experience, you will develop the knack of looking at a target and knowing the correct hold point. Even then, it can be useful to check your judgement by using a finger or thumb as an imaginary gun while the shooter in front of you shoots the stand – you will see even the most experienced shots doing this at competitions. This will quickly show up any major error in your gun hold point. It will also allow you to think about where the gun is going next to shoot the second target. That's a whole extra level of complication we haven't addressed in this series – perhaps we will look at it in a future issue.

**Above:** With the muzzles on the gun hold point, drop the stock slightly and turn your eyes back to the visual pick-up point

**Left:** I aim to break the clay before it starts to drop

**Opposite:** Study the flightline

## WHY I SHOOT

THIS MONTH WE caught up with FITASC Sporting Clays Junior World Champion Josh Bridges to find out what he's shooting with and his top tips for success.

### How did you get into the sport?

I have been shooting since I was eight years old. My dad and my granddad, who both shot clays and game, got me into the sport.

### What do you most love about it?

I love the people you meet and the fact you can share it with people of all levels.

### How many disciplines do you shoot?

I shoot four different disciplines: Sporting, Compak, FITASC and Sporttrap. My favourite is FITASC because I love shooting it abroad. Also, I like shooting different birds on different pegs.

### What gun do you use and why?

My first gun was a 410. I have great memories with that gun, shooting game at a friend's shoot. Now I shoot with a Browning 725 Pro Trap. I am very fortunate to have sponsorship from Browning.

### Give us three tips for shooting well

Never give up, stay focused and keep hydrated.

**MY LONG-TERM AMBITIONS ARE TO WIN AS MANY WORLD TITLES AS I CAN AND BECOME A COACH**

**GOT A BURNING QUESTION?**  
Want to know something? Tweet us your questions and we'll follow up on them

### What's the best shooting advice you've been given?

It was from a friend of mine. He said to go to as many grounds as I could to experience a wide variety of targets.

### What's been your biggest achievement so far?

It was when I won the World Junior FITASC Championships in Hungary this July. My long-term ambitions are to win as many world titles as I can and become a coach.

### What's your advice for young shots trying to make it in the sport?

Always take advice from experienced shooters, and always keep going because you have your ups and downs. At the beginning you certainly get more downs than ups, which is the toughest part.

### STILL TIME TO WIN A CAR!

There's still time for young shots to enter one of the richest competitions in junior shooting, with the chance to drive away a car at the end of the year. The Schools Challenge – the largest young shots' organisation and contest in the UK – has proved so popular that the organisers have been forced to rethink the qualifying rules. Now young guns only need to shoot six out of 10 competitions, instead of seven from nine.

It means that you can even start the series at The Festival of Shooting and The Countryside on Saturday September 23 and still be in with a chance of qualifying to win one of the two cars up for grabs (one for the top boy and one for the top girl at the end of the year). In all there is a prize fund worth a staggering £50,000 up for grabs.

The move has come about because of increased demand from eager young shots as the success of the events grows, encouraging more people to ask to take part.

RICHARD WORTHINGTON REPORTS FROM HONESBERIE ON THE PENULTIMATE LEG OF THE SERIES

The sun finally came out -- it is August after all -- for the penultimate shoot in the Premier League series at Honesberie Shooting School on Sunday August 13. Their registered competitions are held at a nearby venue and the team from Honesberie pulled out all the stops to put on an entertaining and challenging course for everyone to enjoy along with a Pool Shoot in aid of our sponsored charity The Lily Foundation.

The course was spread over 14 stands with everyone starting on stand 14 by the Clubhouse and it flowed very smoothly with many shooters getting round in 11/2 – 2 hours. As always, there was some great shooting on display and Team Southdown's James Attwood set the early pace with 96ex100 which was enough to secure him the High Gun honours, despite valiant attempts from Team Honesberie's Martin Myers on 95ex100 and Southdown team mate Chris Childerhouse on 94ex100.

In fact James and Martin's scores were good enough to see off any of the handicapped shooters on this occasion, with Chris tying with Sporting Targets C Class shooter Glenn Lewis who put in a great score of 79 to match Chris's 94 with handicap applied.

From a team perspective, Honesberie took full advantage of their home fixture to score 877ex1000 with their top 10 scores with Barrow Heath and Cambridge tying on 866ex1000 each and this ensures an exciting final event at Owls Lodge on Saturday September 16.

On that note, the trophy presentations will take place after the shooting has completed at about 4.30pm so please do stay and show your appreciation for this year's winners. ●

REVIEWS AND NEWS FROM THE MOST RECENT SHOOTING COMPETITIONS

## ENGLAND DIG DEEP TO WIN OSK HOME INTERNATIONAL

England's Olympic Skeet Team made the journey to Mid Wales Shooting Centre for the 41st Home International on August 12.

Wind-affected targets made for some challenging conditions and England's shooters had to dig deep to keep ahead of the game amid strong competition from the Welsh and Irish teams. England's Senior team of Jeremy Bird, Michael Gilligan, Andrew Lea, Paul Tudge, David Dale, Chris Pratt, Ross Elgie, Dominic Cooper and New Cap Luke Young finished victorious 13 targets ahead of the host nation Wales. High Gun of the day went to Ireland's Grant Buchanan 95/100 with Elena Allen of Wales in second place on the same score. Jeremy Bird, David Dale and Chris Pratt all finished on a score of 93/100.

England High Gun was decided with a three-way shoot off being won by Chris Pratt with Jeremy Bird runner up, while Junior High Gun was won by Edward Medforth, Lady High Gun went to Natalie Bales, and Veteran High

Gun went to Lee Bowditch.

England won the Junior, Lady, Veteran and Senior Veteran titles, Luke Young put in the first 25 of the day for England and won the New Cap High Gun Badge.

## ENGLISH OPEN HBD DTL

Handicap By Distance is a DTL shoot where classification only determines what yardage you shoot from (as a result it also means squads have to be the same class). DTL is normally shot from 16 yards but in HBD C Class shot from 17 yards, B from 19, A from 21 and AA from 23 yards.

The English Open was held at Nottingham Gun Club on August 5; it was a changeable day in terms of weather, with differences in light conditions and also with a gusty cross wind. This certainly made the targets lively and tested many experienced shooters, particularly those shooting from much further back than they are used to. It was actually the A class shooters that coped the best, with seven placed in the top 10. However, local shooter Russ Hufton shot

superbly from the AA distance. With his trusty MK38 and Fiocchi F-Blacks, he only missed one target and barreled seven to finish on an outstanding 99/290.

The British was held the next day in very similar conditions. Dave Garrett (A Class) led for most of the day with a 98/285. Lee Wilcoxson (also A) tied the score on one of the later squads but both were to be edged off the top spot by another A Class shooter, Devon's Richard Chapple, who scored 98/287 to secure the title, again shooting an MK38 but with Eley Superb 7.5s. Lee and Dave had to shoot off, both scoring 24/72. The second round added the extra condition of single barrel which seemed to favour Lee and he claimed the second place scoring 23, Dave scored 19 and received the third place medal.

### 83RD HOME COUNTRIES INTERNATIONAL TEAM TOURNAMENT

Managers and members of the jury presented first thing at the ground to set targets in time for an early start. Unfortunately, blustery weather conditions made targets unpredictable, and conditions changed throughout the day, meaning some of the layouts needed further attention.

Phil Morgan and Jim Doherty went head to head to decide High Gun/Senior High Gun, the title going to Phil (Wales).

Northern Ireland Senior Team collected the Nobel International Challenge Cup with a narrow victory of only five points over England. Mark Knibbs (new cap) and Tom Robinson, both with a score of 100/297, faced an England High Gun shoot off. Tom was victorious with the luckiest second barrel shot

of the weekend.

The England Junior Team took Junior Team honours. And Rob Haines collected Super Veteran High Gun of the match.

With the shooting over, everyone arrived refreshed and dressed proudly in their England Team uniform for photographs and presentations at the banquet, which was held at the Macdonald Inchyra Grange Hotel.

### BRITISH OPEN DTL CHAMPIONSHIP

With 340 shooters to get through the day, it was another early morning, but the Home Countries Teams started later in order to recover from the night before. The weather, however, didn't recover. It was cold, windy and wet with difficult light conditions. Targets, once again, were tricky and unpredictable.

With no perfect score posted in the event,

there was a four-way tie for High Gun. Kevan Smith (Scotland), Wayne Balfour (Northern Ireland), Paul Smith (England – new cap) and Austin Coxhead. The shoot-off took place with fading light and Wayne emerged as the 2017 British Open Champion.

Paul Smith took the AA Class honours and England High Gun, saying: "I've had an amazing weekend, and I'm over the moon with my 100/299." England teams won in the Senior, Junior, Veterans and Super Veterans categories.

### EUROPEAN DTL CHAMPIONSHIP

Held annually since 1998, the European Championship is a 200 DTL target competition over two days. And non-European competitors are now eligible for awards. This year, a small contingent of shooters from South Africa joined the event. It was also great to see the trusty French.

It certainly didn't take long to establish the 2017 Champion. Austin Coxhead posted the only perfect 100/300 on day one, shooting on almost the last squad of the day, and returned on day two with another faultless performance. Runner-up went to Paul Chaplow and third overall to Jim Doherty.

Other highlights included England new cap Dan Price taking AA class honours with a very credible score of 199/595, John Adams collecting a gold medal for Individual Super Veteran, Alex Harris receiving silver in the Juniors, and his younger brother, Connor, collecting bronze in the Colts.

In the team events, England Senior 1 and Super Veterans 1 took gold. England Juniors and Veterans 2 took silver. The Ladies collected bronze.

Thanks must go to Andrew McCraig and his dedicated staff at NSCS for their hard work and perseverance, and to the SCTA staff for administrating, collating scores and organising the banquet.

**SARAH DALY** REPORTS ON THE EUROPEAN CHAMPIONSHIPS IN BAKU, AZERBAIJAN

BAKU IS CALLED the 'windy city' for good reason, and this was a tough event; I know because I was there as Chair of the jury setting the targets. There were probably only a couple of competition days held in fairly calm conditions.

There was a full programme, including additional test events in Skeet and Trap Mixed Team, plus a new trial format for the Skeet and Trap Women's team finals events being well received.

The trial format for the Skeet and Trap Women's team events consisted of the top eight teams shooting to decide the final medal placing on the first day of the respective Men's event; giving additional interest to the programme and highlighting the women's shooting. There were also the mixed team events of one man/one woman in Trap and Skeet, shot as separate events on the day following the men's finals. It was interesting to see supportive interaction between many of the team members.

GBR had an exciting start to the event, winning gold medals in the Individual and Team Double Trap (DTR) Men Junior. James Dedman put in a cracking performance to take the gold medal in the DTR Men Junior after a really exciting shoot-off against the Italian Jacopo Dupre De Foresta. Shooting first, James gave an opportunity to Jacopo but he also dropped a target and so they carried on, culminating in a 20 target to 19 win for James; it was very exciting to watch, with genuine admiration from all the spectators for both athletes.

James' performance also helped his DTR Junior team mates Jake Janes and Tom Scott to gold, ahead of Italy, which is not easily achieved.

The senior DTR team of David McMath, Sam Wathen and Calum Fraser just missed out on bronze, losing to Malta on countback.

**Left:**  
Matt Coward-Holley

Matt Coward-Holley was rewarded for all his hard work over the last few months to transfer from Double Trap to Trap. Matt made the finals on 120 ex 125, with 119 being the lowest and 121 the highest qualifying scores. He left the range looking very disappointed, but he should be proud of his achievement; back in April he was saying how it was difficult to transfer from one discipline to another, but in a matter of months he made the finals in his first international trap event up against some of the top shooters in the world, including three Olympic Champions who took gold, silver and bronze.

Ben Llewellyn was one target off the Skeet Men's finals qualifying score of 120 ex 125; but he made the Mixed Team semi-finals with Amber Hill.

Also just one target off the finals was Kirsty Barr in the Trap Women on 67 ex 75. The team of Kirsty, Caroline Povey and Sarah Wixey finished in fifth after the Trap Women Team Finals which were shot on the following day to the individual competition.

GBR seemed to be consistently one target off the pace – but all is not lost, as Steven Seligmann, GBR Performance Director, commented how "Trap is gaining a depth of talent." This is due to the transfer of some of the DTR shooters, increasing the competition for team places in future events. It will be interesting to see who rises to the top! ●

**Skeet news**

Many congratulations to Gary Cooke, Steve Leppington, Mark Holmes and Andy Parsons on attaining yet another cap for the England Skeet Team. Superb achievement by all, but a special mention for Gary on being High Gun with an outstanding score of 398 ex 400.

After the final Selection Shoot at Rufforth on July 9 (where Pete Shaw was High Gun with 98 ex 100 in difficult conditions) the following team was named to shoot at the British Open.

**Seniors:** G Cooke, A Parsons, S Leppington, R Elgie, M Holmes, P Shaw, S Gale, J T Tones, F Heslop and W Ewalt

**Veterans:** D Hornby, R P Jones and J T Tones

**Ladies:** S Barratt, C Lancaster and E Shanks

**Juniors:** H Pennington and A Pope

Congratulations also to Ross Elgie on gaining a second England cap for the Olympic Skeet team.

Apologies to Victor Annand for not mentioning his success at the English Open. He won the side-by-side category. Well done Victor!

**Jul 9: DTL – Penrith**

Joint High Guns of the day were Steve Allan and Tony Common with 297. Good shooting by them both. Dave Wright, Tom Robinson, Ronnie Chapman, JR 'Bob' Singleton and Ian Douglas were all in the 290s and all vying for top scores. Sadly, Brent Singleton had to drop out of the competition due to feeling unwell. Better luck next time Brent.

**Jul 23: Fifth ESP Selection Shoot – Blackpool**

Around 100 shooters took part on what was a fine summer's day after the forecast rain thankfully held off. As always, Andy Richardson put on a good mixture of targets for all levels of ability, but still managed to put on a few stands which caught you out if you weren't focused and reading the targets correctly.

High Gun on the day was Graham Stirzaker with 95 ex 100 – five whole clays in front of Jonty Wightman.

By the time you read this, the final Selection Shoot will have taken place at Beverley. Keep your eye on Facebook and the website for the announcement of the official North of England Team for the British IE.

**Jul 30: DTL Kitching Cup – Penrith**

This started and ended with sunshine – and that was just the shooters! Ian Douglas was in superb form with 100/297 and won the Cup and High Gun. Good shooting, even with the winds that prevailed during the day and lifted the clays.

Not far behind were Tom Robinson 99/296, Mervyn Turkington 99/295, Les Elwell 99/294, John Adams 99/291 and Norrie Scott 99/291. It just shows, if you've got, you've got it. Garry Sayles, Jeff Cole and Tony Common were all on good form. One of our younger members, Dan Taylor continues to improve. The 'new lad on the block', Gary Roberts, shot 95/280 after only his second time on 100 DTL – he seems to enjoy shooting at Penrith.

We must include a special mention for our lovely Chairman Reg Carruthers, who recently had a spell in hospital but thankfully is on the mend. Lesley Macbeth

**Jul 23: Cheshire English Sporting, final selection shoot – Catton Hall SG**

The sixth and final English Sporting selection shoot of 2017 was held alongside the Cheshire English Sporting Championship. Thanks go to all the staff at Catton Hall SG for their professionalism and management throughout the day.

Over 130 competitors attended the venue, where the weather was fair throughout. The course was of 100 targets set over 14 stands and, as usual, a majority of the stands needed some thinking. Three were serious testers and if you were fortunate enough to straighten one of those three, you would have come away with a smile on your face.

Some very good scores were put in early on, with Brett Davies taking an early lead with 89 ex 100, closely followed by Steve Randles with 87 ex 100 and James Woodcock and Neil Waterman, both on 86 ex 100. Midway through the morning, continuing good scores included the ever-consistent Miles Machin and Ian Cunliffe, both achieving 85 ex 100, but these were surpassed by Eddie Wilkinson, whom I had the pleasure of accompanying on the course, who finished with an excellent 87 ex 100.

Later in the day came Mark and Kerry Oakley, both in good spirits and a confident mood. Their confidence was not misplaced, as Mark was awarded the Sporting Championship trophy, having scored an excellent 90 ex 100, and Kerry was awarded the Ladies High Gun with a creditable score of 75 ex 100.

This was a very good end to the selection process this year and I am now compiling the English Sporting teams to represent Cheshire at the West Midlands Inter-counties at Doveridge on September 10 and the National Inter-counties at Eriswell Lodge Shooting Ground, Brandon, Suffolk, in October 2017. *Paul Ellis, ESP Team Manager*

**Sporting round-up**

The mid-week shoot at ICSS is becoming increasingly popular. On July 5, Steve Lovatt won High Gun with 96 ex 100, just ahead of Phil Blakeways on 93 ex 100. Phil took the birds-only option. Kevin Childs was A Class winner with 92 ex 100. Nick Orchard again stole the show in B Class with an 84 ex 100. Nick's joy was overshadowed by the sheer unadulterated jubilation shown by Mike Peppard whose 82 ex 100 put him 'in the money'. This was echoed by Sean Foley who shot 76 ex 100 to take third in C Class.

A large contingent of Gloucester shooters travelled to E.J. Churchill. It was a tie for first place in AA Class with Nick Portlock and Joe Hale on 94 ex 100. Not too far away was Ron Wise in third with 92 ex 100.

On July 9 at Westfield, Ron Wise shot 95 ex 100 to put him first in AA Class. Paul Griffiths was second in A with 87 ex 100, and Nigel Clapton's 87 ex 100 in B was another targets-only score.

**Perazzi Grand Prix**

A whole host of the County's shots trekked up into the hills to shoot this. Clynton Warren won Veterans, then made it a double by taking High Gun the following week at South Wales 2000. Very well shot.

**New personal bests**

Well shot Jenny Young and Zea Purnell. Jenny shot 77 ex 100 at Four Counties and Zea Purnell shot 75 ex 100 at E.J. Churchill – both new personal bests. Congratulations.

chance to become an Olympic Skeet shooter on the GB talent programme, young Arran has gone from strength to strength. Not only has he been posting personal best after personal best, but Beretta has asked him to become one of the Beretta young guns through their youth scheme! Arran has also proved himself in front of GB Coaches at talent programme training days and been told that he is moving up to the Regional Talent Programme, the only person to move up to this level out of everybody who started last year. Brilliant shooting Arran and all the best!

#### Rebecca Ferguson

On July 7, Shropshire CPSA was made aware that Rebecca Ferguson had been selected by British Shooting to attend the Junior World Cup in Porpetto, as part of the Junior Team for Olympic Trap. We would all like to congratulate Rebecca for her achievement and wish her the very best of luck.

#### Nick Williamson

This year has now seen Nick Williamson gain both a GB COMPAK Team place for the European Championship (where the GB Super-Veteran Team gained a bronze medal) and a GB COMPAK Team place for the World COMPAK in France, both great achievements for Nick.

Nick also shot at the German Grand Prix COMPAK. He finished on a brilliant score of 186/200 to tie with compatriot John Bidwell. John later triumphed in a shoot-off and Nick had to settle for silver. Congratulations Nick and all the best for the World Championships in France!

#### Jul 23: West Midlands Olympic Trap Championship – Griffin Lloyd

Gareth Stanford-Iddon shot a superb 70 ex 75 to tie for joint High Gun and force a shoot-off between himself and Gloucestershire's Matt Panter. Gareth

narrowly missed out on Area gold, instead taking silver. Brilliant shooting Gareth.

In the Ladies, Rebecca Ferguson and Julie Burton walked away with Area medals – Rebecca taking gold and Julie bronze. Great shooting ladies.

As far as the Team event goes, Shropshire was right there in the mix, taking Senior Team silver. We narrowly missed out to Warwickshire (311 points to 318 points). Great shooting by the team and very well deserved, as always.

#### Jul 23: West Midlands Area and County Olympic Trap – Griffin Lloyd

As there was a big entry, the West Midlands Area competition was shortened to 75 targets to save time on what was going to be a long day. In some of the categories, we had some Olympic Trap first-timers who kindly stepped up to the

team. Thank you for your support, it was much appreciated.

The Staffordshire Senior Team – Adam Gutteridge, Paul Bailey, Dave Winter, James Sutton, Ray Sutton and Greg Sinclair – took bronze in the team event. Meanwhile, Harry Sinclair and Adam Tinsley took gold and silver in Juniors respectively.

In the Staffordshire County Championship, the High Gun and County Champion was Adam Gutteridge on 66/75. The Junior Champion was Harry Sinclair with 64/75 (runner-up was Adam Tinsley on 62/75). The Veteran Champion was Graham Wainwright on 65/75. The Ladies Champion was Gill Grealey with 51/75.

Graham Wainwright very kindly sponsored some new trophies for the Staffordshire County Championship.

Thank you to all the shooters who attended, especially to all the team members who hadn't even shot Olympic Trap before. Also, a huge thank you to Paul Bailey for taking on the Staffordshire Olympic Trap Team Manager role – this will be a great help in the future.

It's been a busy month competition-wise, starting at Orston with the Single-Barrel County Championship. The County Champion was Mark Knibbs, Veterans Champion was Paul Hodges, Ladies Champion was Denise Humphrey and Junior Champion was Jonathan Knibbs. Well done to all shooters.

I am happy to report that Warwickshire made a fantastic effort in the Inter-counties and West Midlands Area Olympic Skeet. The Senior Team – Martin Loheac, Paul Fallon and Craig Lakey – took the gold medal. Paul Fallon also took the silver medal in Veterans and Paola Roura didn't let the side down by taking the Ladies gold medal; excellent results all round.

The County Sporttrap Championship also held at Orston was won by David Wolverson. The Ladies Champion was Sara Chambers and Michael Wolverson was Junior Champion. Very well done to all the winners.

Thank you to Orston for hosting several of our County Championships, it is much appreciated. The last one for July at Orston was the All-Round Championship. Callum Jones took the County Championship along with the Junior title. Marc Ivey took the Senior title and Megan Jones won the Ladies and Colt titles. Well done to all the winners.

The Inter-counties Olympic Trap was held at Griffin Lloyd and won by the Warwickshire Team, which consisted of Chris McReynolds, John Lewis, Alec Sperling, Anthony Evans, George Smith and Will Fowdry. Chris McReynolds won individual bronze and Denise Humphrey won Ladies silver.

British Shooting and the DSG announced the first World Cup Para Trap team members and two are from Warwickshire. Many congratulations to Anthony Evans and Alec Sperling, we wish you both good shooting out in Italy during September.

We are also sending Arnie Palmer to the World Cup Para Trap. We'd like to congratulate him for retaining his World FITASC Veterans title – three clays ahead of his nearest rival. Very well done Arnie – consistent as ever!

Please see the County website (details above) for the latest fixtures. All County Championships, West Midlands Inter-county Championships and West Midlands Area Championship competitions will be shown with venue and date.

#### Regional Skeet – Northampton Shooting Ground

Northants shooters dominated the Seniors, with Dave Morgan and Neil Faulkner topping the leader board with 100 ex 100 straights. Dave, in his first attempt at this title, prevailed in the shoot-off after dispatching the 25 targets to dust. Neil took silver after one target escaped his gun. Mick Russell took bronze as Jo Smith, who had tied on 99, had sadly left the ground.

In Ladies, Joy Hiron took the title back from Northants shooter Isabel Russell, finishing on 96 ex 100, two targets in front, and giving her a fifth win in this championship. Jenny Hilton made the long trip from Nottingham worthwhile by taking bronze with 92 ex 100.

In Juniors, Northants shooter Ollie Main took the title with 95 ex 100, two clays clear of Bedfordshire's A Hallybone, who in turn was clear of Northants' Colt Sonny Bowman and Northants' Junior Kirstin Vogel, tied on 86 ex 100. Kirstin won the shoot-off.

In Veterans, 17 shooters ensured a high standard. Just one target separated the first three home, with John Miller of Nottinghamshire tied with Robbie Manning of Suffolk at the top of the leader board on 97 ex 100 and Mike Burton of Lincolnshire one target back in bronze.

Sadly, Robbie left the ground before the shoot-offs, giving John the Veterans title for the first time, 26 years after winning the Senior title.

#### Regional Automatic Ball Trap

In bright and breezy conditions for the 56 shooters, the quality of shooting was excellent. Richard Morris from Cambridgeshire triumphed with a superb 96 ex 100, just edging out local man Russ Hufton.

Junior James Cheung from Notts and Norman "Moose" Eaton and Steve Smith, both from Lincolnshire, tied for third on 93 ex 100. James was eliminated from the first round shoot-off, while a further round saw Steve record 25 ex 25 to Norm's 24 ex 25, earning Steve the bronze.

In Veterans, Ken Rimington from Notts claimed gold with 92 ex 100, with Bob Tucker from Leicestershire second on 91 ex 100. Several shooters locked on 88 ex 100 in third. In the resulting shoot-off, Dave Shepherd scored 20 ex 25 and Gary McCann 22 ex 25, leaving Dick Cooper of Lincolnshire to take bronze with 24 ex 25.

In Ladies, it was another gold for Hazel Whiten from Cambridgeshire with a superb 86 ex 100. Kirstin Vogel and Elena Taylor (Lincs) were tied in second on 81 ex 100, but as Elena had left the ground, Kirstin was awarded silver and Elena bronze.

In Juniors, James Cheung won comfortably with 93 ex 100 while Kirstin claimed her second silver medal of the day, with bronze not contested.

#### Results round-up

In other results, Marv Houghton claimed the Senior and Veterans titles in the Olympic Trap, with wife Jackie winning the Ladies. George Cheer took the Junior title.

In the All-Round at Eriswell Lodge, Stuart Smith took the overall title, with John Stanton second and Darren Parsons third. In Ladies, Kirstin Vogel took the honours with M Smith from Suffolk as runner-up.

John Stanton claimed his second medal of the day and the Veterans title, narrowly outscoring Brian Dunbavin in second and Glen Moore in third. In Juniors, Aaron Harvey took the title, with WJ Gilbert second and L Branson third.

#### Jul 23: County English Skeet Championship and Regional Skeet – Northampton Shooting Ground

Beds held their English Skeet Championship in conjunction with the Regional Skeet. The weather was changeable with early squads having bright conditions but with quite a strong gusting wind, mainly affecting the low house birds. By late morning it clouded over and for around 20 minutes there was an absolute downpour before easing to a drizzle. A total of 11 shooters competed and the results are as follows.

County Champion – Bert Mason 95 ex 100; Joint Runner-Up – Steve Whinnett and Neil Hallybone 94 ex 100; Veterans Champion – Phil Coxall 93 ex 100; Veterans Runner-Up – Peter Green 75 ex 100; Junior Champion – Adam Hallybone 93 ex 100. The remaining scores are as follows: Stuart Clarke 92 ex 100; Phillip Medley Roberts 90 ex 100; Steve Page 81 ex 100; Stephen Smith 81 ex 100; Gavin Smith 77 ex 100.

I would like to thank everyone who attended, especially Paul Hopkins. Even though he is very poorly, he made a massive effort to attend. Finally, a big thanks to Martine and the team at Northampton for always making us feel welcome. Bert Mason

## CAMBRIDGESHIRE

### Allan Wright

sites.cpsa.co.uk/cambridgeshire

### Jul 8: Universal Trench – Nuthampstead Shooting Ground

The top man at the Cambridgeshire Universal Trench this year was John Russo, who also took the Veterans title, with a fine 89 ex 100. The not so good news was that only two Cambridgeshire shooters took part this year, the other being David Christensen, last year's winner after a super shoot. I must apologise to John as I got to the ground after the shoot was over and John had gone, so couldn't do the presentation. Many thanks to Nuthampstead Shooting Ground for once again holding the shoot for us.

### Jul 29-30: Skeet Doubles – Cambridge Gun Club

It was another very windy weekend and as all you Skeet shooters know, Skeet is best done without the wind, or at least not so strong a wind as to make the targets hit the ground shortly after passing the centre peg. But this it did on some occasions, making the word Skeet redundant in the title as it was much more like Sporting some of the time.

We had 22 Cambridgeshire shooters, which for this type of shoot I would say was not too bad at all. Some very good shooting took place over the weekend and for most of Sunday, Michele Conway was leading the way with a very solid 93 ex 100. The next squad out had Chris Morris and son (and dog), Malcolm Collins and Steve Kirby, none of whom were strangers to winning Cambs shoots, although with Steve, the current Cambridgeshire Down the Line Champion, it is mainly Trap-type events.

From this squad, Malcolm Collins shot a 93 ex 100 to match Michele (both also Veterans) but Chris came in with a 94 ex 100, so taking over the lead, for a while at least. The last squad of the day consisted of Taylor Hedgecock, sister Ami and grandfather Gordon Webster, all very capable shooters. Taylor did what he does best, good solid shooting and shot 98 ex 100 – excellent in the

conditions and a pleasure to watch, as was seeing young Ami making it look much easier than it was. So Taylor claims his second County Championship of 2017 to go with the All-Round earlier in the year.

The full results were: High Gun, County and Junior Champion Taylor Hedgecock, 98 ex 100; Senior Champion Chris Morris, 94 ex 100; Ladies and Joint Veterans Champion Michele Conway, 93; Joint Veterans Malcolm Collins, 93 ex 100; Colts Champion Archie Bowman, 84 ex 100.

Archie will soon be needing a new Skeet vest as it will be full of County Champion badges!

As well as some very good shooting, there was some bad luck for current Skeet Champion Albert Taylor, whose semi auto played up and cost him targets. Many thanks to Rod and Leslie Gifford for their marathon scoring session and to Cambridge Gun Club for once again looking after us.

I have a couple of Championship reports for you this time, the Leicestershire and Rutland Single-Barrel and the Automatic Ball Trap. The Single-Barrel was held at Normanton – Uncle Mick's place. The weather was good and the shooting was also good. Top of the list was my friend Jason Linnell on 98 ex 100! Well done Jason, brilliant! The Veterans winner was Mike Brookes, he finished with 97 ex 100. Good old Mike, well done. The Junior High Gun was Alex Harris, again with a 97 ex 100. I've seen this lad shoot – a real natural. Alex's little brother Connor was the Colts winner, shooting 84 ex 100. The Ladies trophy was won with an 81 ex 100. There were 14 entries. Very well done to you all and thanks Mick for staging the event.

The Automatic Ball Trap was at the Rugby and DTC. Kevin Borley was the Overall Champion and the Veteran Champion, shooting an impressive score of 96 ex 100 plus a 24 ex 25 plus six in a shoot-off with Dave Wright. Dave pushed Kevin all the way, scoring 96+24+5! It was exciting to watch. The Senior Champion was Dave Hardy on 91 ex 100 – yet another great score. Sadly, there were no Ladies or Juniors at this event. Thank you Rugby for putting on the show for us.

One of the County's top Junior shooters has just celebrated his 21st birthday and has now joined the ranks of the seniors. In June, he won B Class at Honesberie, was runner-up in his class at the Beretta World Championships, won B Class at Grange Farm and was joint second in B Class at the recent shoot at Kelmarsh. Happy birthday Bobby and keep shooting as you have been doing – you'll be giving the Seniors a run for their money.

Congratulations to Steve Britewell who shot 177 ex 200 at Kelmarsh. He won the Veterans and was third overall. Everybody's friend Arnie Heister was close behind with 172 ex 200 and Cheryl Hall was the Ladies runner-up. Well done to you all and to all of our shooters who attended, you did us proud. Let us not forget Richard Faulds who is now the World Sporting Champion.

Well, that's all for now. Keep an eye on the website, shoot straight and keep your powder dry.

### Jul 9: All-Round - Priory CTC

The weather was kind, the targets were well presented and, as always, the ambience at The Priory was cheery and welcoming. Many people acquitted themselves well over the more formal disciplines but, as always, in an All-Round it was the Sporting that was the decider and most pointed to the evil tower bird as being their undoing. Shot as five singles with full use of gun only Norman Smith managed to straighten this stand and this resulted in a tied score of 92 ex 100 with his son, Steve. After a shoot-off on Sporting Norman emerged the victor, taking the Overall and Veterans title leaving Steve to pick up the honours in AA Class. Other results are Carl Exton, 88 ex 100, (A Class), Martin Taylor, 82 ex 100 (B Class), Stewart Burton, 76 ex 100 (C Class), Jan Stennett, 73 ex 100 (Ladies). The fight for the Junior title finished all square with both George Cheer and Tom Mead on 78 ex 100. As both had left the ground at the end of the shoot the title was awarded to George using count-back.

### Jul 16: DTL

This event really belonged to the awesome Paul Smith. Paul has always been a good shot but this year he has really risen to another level. Just a couple of weeks previous Paul had scored his first 100/300 and looked like repeating this performance but just two barrels escaped leaving him on 100/298, a clear winner to take the Lincolnshire title. Just one point back was the winner of the Junior title and A Class, Josh Brazier, on 100/297. Another big scorer was Mike Burton, who scored his first ever 100 in any discipline to take B Class on 100/296. Other results are Nick Rose, 99/292, (AA Class), Richard Cundall, 95/276, (C Class) and Jan Stennett, 92/262, (Ladies).

### Jul 23: Olympic Trap

The on-form "deadly duo", Marvin and Jackie

Houghton, dominated the Olympic Trap Championship with Marvin taking the Overall and Veterans title with a score of 87 ex 100. Jackie's score of 81 ex 100 was a personal best to give her the Ladies title. The battle for Juniors was fought between two very good contenders both of whom scored well but George Cheer, who is really on form this year, emerged the victor on 85 ex 100 just two points ahead of Joe Tunn.

### Jul 30: English Skeet

What a day! Every possible weather condition was thrown at the shooters of this event from thunder and lightening to warm, bright, sunshine. Chris Bone set the early standard with a score of 96 ex 100. Some very good scores started to appear on the scoreboard but Chris maintained his lead until Doug Moore also returned a 96 ex 100. These two are so closely matched that you wouldn't like to put your money either way and both were straight to the middle peg in the shoot-off. Then one slipped away from Doug putting all the pressure on Chris but he kept his nerve to finish straight and take the Lincolnshire title with Doug taking A Class. The Juniors, George Cheer and Tom Mead, were once again inseparable both having scored 85 ex 100 but as Tom had left the ground George took the Junior title by default. Other results are Steve Smith (AA) 95 ex 100, Richard Cundall (B) 94 ex 100 and Richard Thompson (C) 91 ex 100, Richard Bird (Veterans) 91 ex 100 and Jan Stennett (Ladies) 82 ex 100.

### County All-Round and Dennis Rudd Memorial Championship - Mid Norfolk Shooting School

This year, there was an entry of 25 shooters and the Champion is Duane Morley who managed to score an impressive 93 ex 100. Close behind was Steve Herriken, who was just two shy of Duane's score with 91 ex 100. Jason Mathewson and Russell Houghton gained vital Supreme Championship points, with Jason scoring 90 ex 100 and Russell 89 ex 100.

The Veterans title was won once again by Ian Hallwood with his score of 87 ex 100. His nearest rival, Richard Gilbert, was just two targets behind with 85 ex 100.

Susan Hallwood managed to win the Ladies title with her score of 71 ex 100. This was enough to secure this title, with Laura Shinn being the only other Lady entrant of the day and was shooting her very first All-Round competition.

Young William Gilbert won the Juniors All-Round title with his score of 68 ex 100. William shot an impressive 22 ex 25 on the ABT layout where he was the fourth-highest score on the day.

### Jul 16: County Skeet Championship - Eriswell Lodge

This year, there was an entry of 34 shooters, with 16 from Norfolk.

In the first few squads of the day, Paul Freeman posted a score of 97 ex 100, putting him in pole position. Steve Smith and John Hall - former England Internationals - soon took over the lead with 98 ex 100. With a shoot-off looking close to taking place, the last squad of the day came in with Gareth Maund posting an incredible 99 ex 100 to take the Norfolk Skeet Championship title for 2017.

In Veterans, we had another hotly contested battle with Norfolk Skeet Captain Trevor Frammingham leading the way on 95 ex 100. This looked unbeatable until John Dyson came in with a late 96 ex 100 to take the Veterans title.

The Juniors category was won by young Archy Stannard who shot a personal best with an impressive 95 ex 100. This gave Archy the Norfolk Junior title and also C Class.

Elise is a young Norfolk shooter who recently competed at the GB Selection Shoot Grand Prix for Universal Trench on July 15-16. Elise finished with a very respectable 152 ex 200. Elise has great ambitions and enjoys shooting alongside Kath Bright, who is an amazing supporter of the young lady shooters.

This is Elise's first year shooting and she has had a fantastic start, scoring the highest Colt overall at the Universal Trench Hertfordshire Championship in June with 79 ex 100.

Elise will be aiming to make the England Team next for Universal Trench and/or DTL. Elise is also on the regional shooting school for Olympic Trap and hopes to represent GB in 2028.

**Single-Barrel**

In an attempt to increase numbers, this was held on a Thursday evening which proved to be a popular move. James Lacey won Seniors with a lovely 47 ex 50. Bob Franks won Veterans and Kirstin Vogel won Ladies. Tiernan Goodman – new to competitions this year – won the Juniors category. What a lovely start – well done!

**Skeet**

Thanks to FMJ Gun Shop who sponsored this competition with generous prizes of 250 cartridges and badges for class winners. The muggy weather didn't put shooters off and may have helped the clays to run smoothly – some were so consistent that they looked as though they were on rails.

The top five Senior shooters were separated by just two clays. Simon Vogel and Jo Williams scored lovely 98 ex 100s. Mick Russell took a wonderful 99 ex 100. However, all were pipped by Neil Faulkner and Dave Morgan who both clocked a ton. At the shoot-off, Neil just held out to take the title.

The day also seemed to favour the score 94 ex 100, with Kirstin Vogel scoring it to secure Ladies, Laurie Cookson Veterans and George Owen Juniors. The skill level shown during the day was magnificent.

**Left:** Single-Barrel Colt Winner Tiernan Goodman

**Below:** Skeet Doubles Veteran and Senior winners Laurie Cookson and Dave Morgan

The Colt's competition was fought between our three newest shooters: Tiernan Goodman, Sonny Bowman and Alex Banning. All controlled their nerves and shot very well. This time, Alex's lovely score of 84 ex 100 carried the day and he will be picking up the Colts Shield.

**Skeet Doubles**

FMJ also sponsored class prizes and badges for this competition and there was quite a lot of interest. Hopes were raised that Neil and Dave would repeat their score-matching performances – and they did! Both scored 97 ex 100, although this time the winner was decided by count-back with Dave coming out on top. Congratulations!

Izzy Russell claimed the Ladies trophy with a lovely 82 ex 100. Veteran shooter Laurie Cookson took the title with 86 ex 100 and Alex Banning again triumphed in Juniors.

**Double Trap and Olympic Trap**

It is such a shame that the round trip to our good friends at the Beverley Clay Target Centre is about 300 miles and five hours' travelling. I am sure it's the distance that makes it so difficult for County shooters. I am sad to say that no-one made the journey for either of the competitions. Maybe next year!

**CLA Game Fair Champion of Champions**

This year, Henry Collins represented the County in the Champion of Champions competition at Hatfield House. Henry had a wonderful time and took a well-deserved second place. This is turning out to be a very successful year for Henry. Well done!

We have just about come to the end of the competition calendar. The final County competition will be ZZ Helice on October 22. However, that doesn't mean it is the end of competitions! Team managers will be gathering those interested in participating in the National Inter-counties competitions – especially as we have a wonderful track record for Skeet. ### Jul 9: Sportrap County Championship – Orston SG

It was a really warm, sunny day with little wind to speak of. The course was set over four layouts, shot straight-through in order. There were some excellent targets presented, with scores suggesting that the layouts got progressively harder; enough to challenge the championship contenders but still allow shooters of all abilities to enjoy their rounds.

In the final assessment, Pat Dickman shot a brilliant score of 94 ex 100 to become the 2017 Champion. In the categories, Alan Winter shot a score of 87 ex 100 to take home the Veterans trophy and Megan Gamble 74 ex 100 to take the Ladies. Unfortunately no Juniors or Colts took part, which is a cause for concern. Onto the classes where Tom Gibson ran out as AA Class winner courtesy of a 92 ex 100. Rob Denoon and Simon Davis shot well to win A Class and B Class respectively, while Andy Swaine shot a monster 93 ex 100 in C Class.

A total of 27 Nottinghamshire shooters took part in the event. Our thanks go to Dan, Emily and the team at Orston for hosting this successful championship.

### Jul 16: Skeet County Championship – Nottingham and District

The weather improved as the day went on, with the early birds facing some testing light conditions. However, the wind made for some interesting targets throughout.

Thirty shooters from our County attended, with Tom Clifford's 98 ex 100 the pick of the bunch. He was closely followed by Veterans winner John Miller on 97 ex 100. Tom Tristram took the honours in Colts, posting a 95 ex 100. The Ladies had to be settled in a shoot-off as Jenny Hilton and Karen Donnelly both scored 91 ex 100.

When they took to the range to settle the tie, Karen narrowly claimed the spoils in what was her first ever registered shoot. The remaining classes were won by Simon Fox, Barry Fox, Pete Armett and Rob Denoon. Finally, many thanks to Carl and his team for organising and running the event.

### Lol Pinch DTL

This year's Lol Pinch memorial DTL shoot had an entry of 33 competitors, all battling it out for the Trophy. The highest score of the day was 296, shot by both Mike Brookes and Dave Garrett. Dave left as the winner as Mike was unavailable to shoot off. However, Mike did not miss out completely as he did win the Veterans. Julie Havill won Ladies, and must now be considered somewhat of a trap shooter considering her recent ventures at other disciplines. Kyle Humphreys from Leicestershire won the Juniors, while Ryan Sharpe won Colts following a tremendous 294 (leaving him just two points away from the Overall shoot-off). Once again, our thanks to Steve Pinch for his continued support year on year.

### Jul 2: DTL County Championship

This was the last of our Trap discipline championships for 2017. Despite only a small entry, it looked as if the title would be fought for to the very end of the day.

The first rotation saw Darren Parsons and Stuart Smith set the pace on 91/263 and 93/268 respectively, while Melissa Smith shot 68/195 to set the bar in the Ladies category (and eventually claim the title). Rotations two and three saw JM Wiart come close to Darren and Stuart with a 91/259, but it wasn't until the final rotation that they were knocked off the top of the leader board.

Alastair Whitehall shot a 93/268 to claim the Veteran title and tie with Stuart at the top – but only for a short while. Barry Randall shot a 93/266, Paul Neal put in a strong 96/275, then Frank Welham finally topped the board with a mighty 97/285 – 10 points clear of Paul!

Well done to all the winners and thank you to all of the day's entrants and referees.

Barry Randall, DTL Team Captain, will contact all the successful team members regarding the East Midlands Inter-counties Championship, held at Nottingham and District Gun Club on September 3.

### Jul 9: All-Round County Championship

A total of 37 entries attended, 27 of which were from Suffolk. Everyone was looking to add to their

Below: Down the Line winners (from left) Melissa Smith (Ladies), Barry Randall (team captain), Frank Welham (Champion) and Alastair Whitehall (Veterans)

Supreme Champion points tally, hoping for a chance to make the County team and finally aiming to gain another free entry into the 'shoot for free 2018' raffle.

Competitors were greeted with a typical English summer's day – not cold, not warm and with wind blowing stronger than hoped for. This just added to the challenge but brought the scores down by a few targets for everyone.

As the last squad returned to the clubhouse, the Veterans, Ladies and Juniors champions had been decided, with Eric Chapman, Pauline Chapman and Tom McGregor taking the respective titles. However, the Overall Champion remained undecided. Pauline and Andrew Stephenson were tied on 89 ex 100, so a shoot-off was needed.

After the shoot-off's first round, both had dropped just one target making the scores 24 ex 25 each, so sudden death began. Four targets later, Pauline missed one and Andrew did not, making him the All-Round County Champion for 2017.

Many thanks to the team and officials at Eriswell Lodge.

## Jul 9: Avon Grand Prix DTL Championship – Jethro's SG

Formerly known as Jays, the ground has been developed in recent years to become what is probably the premier DTL ground and one of the best-attended grounds located in the southwest.

The weather conditions were ideal and the targets were flying well. After missing a whole target on his first layout, Pete Bugler managed to straight the rest to finish on 99/297 and take the Avon GP title. He was followed closely home by Tony Dore who took AA Class with 99/295. The result was undecided until the final layout, with Tony and Pete entering tied and both shooting on the same squad. Other notable performances were Malc Brown who took A Class with 98/289 and Chris Guille who won C Class with 94/277.

Prizes were presented by Geoff Rowe aka (Jethro) with his usual interjection of jokes – no-one was spared his wit and he did Avon proud with his warm reception for our shooters. Thanks to our sponsor for providing prizes for High Gun and all class winners.

## Jul 15: Single-Barrel County Championship – Bradford SG

In this event which was held in conjunction with Devon, Malc Brown regained the Single-Barrel title with 94/100.

## Jul 22: Double Rise County Championship – Axminster GC

## Jul 22: English Sporting – Pilford GC

Richard King was the winner on 45 ex 50, just edging out Mark Cassells by one target in wet conditions. Despite the poor weather, Mark Harvey and his Pilford helpers put on some very good and challenging targets for our inaugural County Championship. The target numbers for Championship events have been reduced in order to gauge numbers over a period and keep within restricted time limits. Those shooters wishing to shoot 100 targets (or more – time permitting) can do so with re-entry allowed.

### Universal Trench Championship – Brook Bank

The following week, our faithful trap shooter Terry Poore retained the Universal Trench Championship Cup and also the Veterans Cup with a very creditable 89 ex 100. The only other Dorset entry was Tony Read, returning to shooting after a layoff, who scored 85 ex 100.

### Dorset Super 7 Championship

Following those results, the Dorset Super 7 Championship has been updated on the Dorset

CPSA website. At the time of writing this, Ian Mulliner was leading with 22 points followed by Richard King on 20 points (best six scores to count). Unfortunately for Terry and Tony, the Universal Trench event is not one of the Dorset 7 challenges.

Further results can be found on the website for Down the Line and English Skeet, which will have taken place prior to you reading this column.

### England Team Places for Dorset Shooters

Richard King has been selected for the English Sporting Seniors, Lee Bowditch for the Olympic Skeet Veterans and Emily Hibbs for the Olympic Skeet Ladies. Emily is also currently strongly placed to qualify in Olympic Skeet for the Commonwealth Games. Well done to all three.

This was a popular event, and Fareham CTC did the championship proud. There was a good turnout from Hampshire, making for a good competition, with Dave Toomer and Roger Deacon pushing out in front. The gap between Dave in AA Class and Roger in C Class didn't widen, and Steve Ashford was only one target behind in C Class! the cup, badge and even more points towards the Supreme Championship title.

Dave Toomer was Veterans Champion on 96 ex 100, Ian King first in A Class with 92 ex 100, Steve Tarrant scored 90 ex 100 in B Class, with Roger picking up some extra dosh as first in C Class.

#### **Jul 30: Hampshire Universal Trench Championship**

We set off for Brookbank in Cheddar for the Universal Trap (5 Trap) Championship at 7.30am. First stop was a pub at 9.15am for a prearranged cooked breakfast, to fuel us up for the day. We arrived at the ground at 10.45am as booking on was at 11am – and guess what, Hampshire was the first squad out, funny how that always happens! Peg 1 is Brian Coupe, then Mark Bryant, Ian King, Perry Leamont, Tim Rowe and Steve Tarrant. On another Hampshire squad we had Derek Turner, Malc Allen, Carl Miles, Bill MacClenen and Junior Corey Vasey.

Bill shot extremely well and could so easily have won the competition, as he went straight on all his rounds up until the last three targets but had a nasty habit of missing them all. At the final count, we had six guns all on 86 ex 100 – Bill, Tim, Carl, Perry and Ian – who then had to shoot-off for the Champion and Veteran titles. Carl shot a very impressive 25/25 to take the trophy, Perry shot a very good 21 ex 25 to take Veterans and Bill had 20 ex 25, Ian 22 ex 25 and Tim 20 ex 25 to finish what was an extremely enjoyable day out. Many thanks to Alison and Wesley for hosting the event and we all went home happy. A big thank you to Brian Coupe, Hants Treasurer, for this shoot report.

#### **Hampshire Double Trap – NCTC**

The National Clay Target Centre held the fixture for us this year and six Hampshire shooters made the trip. Roger Deacon was out to extend his lead in the Supreme Championship but was denied a victory by Ben Khor, who had a poor first round with 19 ex 30 but then went on to shoot a 27 ex 30 in his next round, to take the Senior title.

Roger stayed consistent in the mid-low 20s but came up four short against Ben. Brian Coupe just managed to hold off Ian King for the Veterans title by just two clays and they matched each other's scores of 17 ex 30 in the final round.

With only the English Sporting County Championship to go at Podimore Shooting Ground, we now find ourselves in the thick of the South West and Inter-counties Competitions. If you want the latest dates for the South West and Inter-counties Competitions, check the South West Region CPSA website, Facebook page or the Somerset Facebook page.

The ABT was held at Brook Bank on July 23, with seven Somerset shooters competing to win the County Champion title. In the end, Stefan Roberts became County Champion with a well shot 94 ex 100. Dennis Stepney took the Veterans title with 89 ex 100.

The Universal Trench County Championship was the last of the Trap Championships. It was held at Brook Bank and was a joint affair between Devon, Dorset, Hampshire, Wiltshire and Somerset – 39 shooters competed for the various titles that were available. Dennis Stepney continued his success from the ABT Championship the previous week to win with a well shot 91 ex 100, pipping Alex Burnand to the title by a single target.

Brook Bank Shooting Ground hosted the 2017 English Open UT Championship in early July and there were some notable wins for local shooters. Wesley Hann won High Gun after having to shoot a 25-straight in a three-way shoot-off against Ed Ling and Rod Gould. The Ling family were in full attendance and Ed, Theo and Steve all came away with bronze medals. However, it was left to Abbey to bring home the gold, with a great performance which saw her 20 points clear of her nearest competitor.

In other news, Emma Stacey continues her success this year with becoming part of the Champion Ladies Team for the Fourth ICTSF World Sporting at Kelmarsh. She followed this up with winning silver in the Perazzi Sporting Grand Prix at Mid Wales Shooting Centre. Great shooting Emma!

### County Championships

On July 23, Urchfont held the DTL County Championship in very wet conditions. Of the 16 entrants, 15 were from Wiltshire. Will Arrowsmith (who only rejoined the CPSA the day before!) won with 47/139, narrowly beating Jason Holloway on 47/136. Mickie Bluett won Ladies with 40/117 and Dan Carpenter took Juniors with 38/107.

Also on July 23, Brook Bank held the ABT County Championship. Of the 22 entrants, four were from Wiltshire. Terry Bobbott won the County trophy with 82 ex 100, beating SM West by one target.

### Wiltshire Sporting Challenge

This year's Sporting Challenge is now well underway. The first event took place at Widdington on July 23 in very wet conditions. Despite this, 151 entrants took part, 43 being from Wiltshire and therefore qualifying for free entry into the Sporting Challenge.

The remaining Sporting Challenge competitions will take place at Urchfont (September 24) and Gunsit (October 8). As last year, we will award prizes at the end of the final event. If you can't stay to the end and think you might be in with a chance of a prize, please leave us your contact details.

### Team events

Interest continues to build in forming County teams for some disciplines. We still need more people to volunteer – please get in touch if you are interested in being part of one or more teams. There are no entry requirements for team membership this year; you just need to be a Wiltshire shooter. Please contact Josh Brown or me if you are interested.

**Jul 30: South East Inter-counties Universal Trench – Nuthampstead**

This was a cracking day at Nuthampstead – warm and sunny weather with just one brief shower – and there was a good entry. It was my favourite Inter-counties Championship at my favourite ground – plus, Nicky made me chocolate cake (as she always does) so, in all, a perfect day.

With a clear margin, the winning team was Kent, scoring 450/500. Good job as they didn't get the trophy engraved for their win last year! The team consisted of Tony Coulstock, Tom Gridley, Ross Straker, Howard Batt and Nathan Hales. In second place was Essex with 426/500 and in third place was Hertfordshire with 415/500.

The Champion, after a shoot-off with Tom Gridley, was Dick Fletton (Oxfordshire) with 96 ex 100. He also shot a 25-straight in the shoot-off. The Lady Champion, with 80 ex 100, was Michelle Rowe (Hertfordshire). The Junior Champion, with 87 ex 100, was Ruben Bowyer (Kent). The Colt Champion, with 81 ex 100, was Tristan Hockey (Kent). The Veteran Champion, with 96 ex 100, was Dick Fletton (Oxfordshire).

Sadly, three members of the Greater London team had a brain freeze and forgot that the event was on, so the team had to include me (which was not a lot of help to them!).

The event ran like clockwork and my thanks go to Ed and Nicky Barker and the team for holding this championship on behalf of the South East Region.

**Jul 30: DTL County Championship – Bisley GC**

The County Champion and Veterans Champion titles went to Peter Fraser. Nicola Heron became Ladies Champion. Nicola has also been on the podium abroad, winning the Ladies Trap Five European Championship in O'Pinal, Portugal.

The Bucks Bangers' Jacqui and Wendy scored 71 ex 100 and 70 ex 100 respectively... and didn't come last.

**Jun 10: National Ladies' Shooting Day – Devon**

June saw the Bucks Bangers girls road tripping to Devon, where Wendy hosted the first NSLD to be held in the county. Jacqui Baker not only won the experienced group, but also bagged herself two pegs on the Frost Shoot this season.

**Jun 24: R&K Open Day**

Phil and Amy Easeman cleaned up at the recent R&K Open Day, with Phil winning an Armsan 12g and Amy HiHo Silver goodies! Congratulations go to Jamie Gutteridge on coming second. Many thanks to the Bucks shooters who supported us.

**Beretta World Sporting Championship**

The Bucks Bangers were part of the first all-female squad to take part in this competition. They even had their own photographer for the first eight stands.

Jacqui Baker finished on a high, smashing all eight of the simo bunnies on stand 16 with only four shots.

If any ladies fancy joining us, Cagney and Lacey can be found most Wednesday evenings attempting a few rounds of Skeet and Compak at E.J. Churchill. You can find us via the Bucks Bangers Facebook group.

**Congratulations Caroline**

Caroline Stanbrook won bronze at the English Open Down the Line and silver in the Ladies at the Welsh Open Down the Line. Congratulations!

## ESSEX

### Richard Boutcher

### Jun 25: South East Down the Line Championship - Mayland Gun Club

During a day of mixed weather and great shooting by many contestants, John (The Iceman) Maldon put in a very tidy winning score of 100/298 against stiff competition from John Parry, who took the Veterans title, and Vidas Zilionis, both of whom shot 295. Lewis Smith took the Junior title with a 99/292, Karen Allen was crowned Ladies Champion with 94/279 and Mason Terry shot a brilliant 85/246 in his first Down the Line championship to take the Colt trophy. It was a great weekend's shooting and a pleasure to be there to witness it.

### Jul 2: Chipperfield Cup Team Trophy - Bisley

The Chipperfield Cup was on offer for the best five-man team. Essex club Maylands was the winning team with a combined score of 490/1451, and great shooting from Troy Petherbridge, Lee Byard, Nicky Waghorne, Mal Grant and Harry Hudson. The cup has been part of Bisley's competition history since 1931 so what a list of great shooters must be able to claim their

**Top:** Jessica Byard, Lee Byard, Jane Buy and Peter Hoare

**Below:** Lee Byard, Nicky Waghorne, Troy Petherbridge and Harry Hudson

small piece of that history. Well shot, all teams in the competition.

### Jul 9: Billy Logan Memorial Shoot (inaugural event)

With contestants in every classification clamouring to be the first to add their name to these new trophies in memory of Billy Logan (junior), the competition was full weeks before it took place. The weather was glorious and the Mayland club in immaculate condition for a full day's competition. Billy would have been immensely proud to have seen so many of his friends and family shooting it out for his trophy. With high scores on the board from the start, it made for a nail-biting competition but, when the dust had settled, three shooters in two classifications had risen to the top and into the shoot-off for the main prize. John Aldous (B class), and Geoff Howlett and Troy Petherbridge (A), had all shot the maximum with their handicap. First to falter in the shoot-off was Geoff, then John barreled a target, leaving Troy just to shoot the last five straight, which he did despite telling nerves and shaky hands - a brilliant performance and definitely deserving of having his name first on the trophy for what we hope will be a very long-running and hard-fought competition for many years. Other winners were, AA Class: Nicky Waghorne (99/297); A Class: Geoff Howlett (100/299); B Class: John Aldous (99/296); and C Class: Karl Weaver (94/274) - well done everyone, I am sure Billy was smiling down at us all and wishing us all well.

### Jul 23: Essex Single-Barrel Championship - Mayland Gun Club

Leading the charge on an early squad with a 99 ex 100 was Lee Byard, which was never beaten, leading to his third consecutive win since 2015. Peter Hoare took the Veterans title with 91 ex 100 on the last squad from Dave Lewsey's early lead with 90 ex 100. Jane Buy managed her first Ladies win in the Single-Barrel category with an 83 ex 100 and Jessica Byard won her third consecutive title in the Colt category after fending off newcomer Mason Terry with a very nice 82 ex 100. Well done to all competitors and thanks as always to Mayland for a brilliantly run shoot.

### New trophies

We are pleased to announce new trophies for our top Lady, top Junior and top Colt. These will be presented at the next AGM. As it's not possible to integrate these trophies into the current fixture list, the criteria for eligibility will be as follows: Any Greater London Lady, Colt or Junior can submit their one top score from each of the following: English Skeet, DTL and Single-Barrel (i.e. three scores total to count). These can be from any registered event at any ground. Submit your scores via the Secretary by October 1 2017.

### Apr 2: Universal Trench - NCSC Bisley

It was sunny and warm for the first of this year's County Championships. As usual, Greater London had the highest turnout, despite a clash with Olympic Trap at Nuthampstead.

The Champion and Veteran Champion was Carl Burrow with 91 ex 100. Lady Champion was Dorothy Fleri with 70 ex 100. Sadly, we had no Juniors or Colts.

### Apr 17: English Sporting - Southdown

Fabulous weather saw 21 entries for Greater London. The Champion was Adrian Balham with 94 ex 100. This win will be his seventh victory in this championship over the last 12 years. Joint runner-ups were Tony Hoskins and Mark O'Dowd with 93 ex 100. Tony was also first in A Class. Veteran winner was Vince Johnson on 85 ex 100. The Ladies winner was Sian Hoskins on 83 ex 100. Sian was also Overall second in the event Ladies class.

### Apr 23: Inter-counties Olympic Skeet - NCSC

The Greater London team members were: J Burgess (Lady), P Butcher, T Haywood, O Harrison (Colt), J Perry and R Redjeb. Our Colt, Olly Harrison, claimed the winning Colt badge in what was his first competition.

**May 21: Discipline Olympic Trap – NCSC Bisley**

It was a glorious warm and sunny day for this championship which was held with six other counties. Ten Greater London shooters attended – the biggest turnout of all the Counties.

The Champion was Senol Tas with 91 ex 100, Veteran Champion was Carl Burrow with 89 ex 100 and Lady Champion was Dorothy Fleri with 65 ex 100. Sadly, there were no Juniors or Colts from Greater London.

Thanks go to Barry and the team at NCSC for hosting this championship on behalf of Greater London CPSA. *Sandie Buckler*

**May 28: Olympic Skeet – Southend GC**

There were only two entries from Greater London. The Champion was Paul Butcher with 83 ex 100. Runner-up was T Haywood with 70 ex 100.

**Jun 17: Single-Barrel – Bisley GC**

The winner was Eamon Skehan with 94 ex 100. Runner-up was Lee Wakefield on 93 ex 100. Top Lady was Joanne Gates with 66 ex 100 and top Colt was young Hermione Burns with 64 ex 100.

**Jul 2: DTL – Bisley GC**

It was a pleasant day, with varying breeze and good light conditions. The birds were consistent and there was a very friendly atmosphere in the clubhouse.

After a shoot-off for Overall High Gun with Berkshire's Harry Hunter, the Greater London High Gun and County Champion was Lee Wakefield with 100/296. Runner-up was Mike Harvey with 96/285 and top Veteran was Fergie Mills. Top Lady was Joanne Gates and a new Lady Colt was Hermione Burns.

A harder layout than in previous years took a few by surprise. Shot was limited to Berettas only, which always throws up some strange scores with borrowed or dusted-off guns seeing the light of day. Charlie Monahan scored an

**Premier League Cambridge**

We had great weather again and there was a great layout with some challenging targets. Hertfordshire's shooters performed well, with Juniors and Colts looking to be decided at the last shoot at Owls Lodge on September 16, so best of luck to Charlie Monahan and Alfie Tibbles.

**South East Regional Olympic Skeet – Southend-on-Sea**

There were only two Hertfordshire shooters, Alison Nicol and Alfie Tibbles, who shot over

four rounds (two layouts). Alfie left with the Colts South East Regional Champion badge.

Thank you all for coming and thanks to Scotty for putting together a super course. Feedback was amazing, it was phenomenal how many shooters commented that they would like to shoot more layouts like this more often. Kent had 52 shooters – a great turnout – consisting of 33 Seniors, six Colts, six Veterans, four Juniors and three Ladies. The Kent Champions are as follows:

**Kent and Senior Champion:** Ross Straker

**Ladies Champion:** Sarah Quinn

**Veteran Champion:** Ben Ayres

**Junior Champion:** Bradley Ballatyne

**Colt Champion:** Tristan Hockey

Well done to all winners and Kent Champions.

**Jul 9: Skeet Selection Shoot and County Championship – Kingsferry**

It was a beautiful sunny day, with 33 entries. 'Quinny' Sarah Quinn was the highest of the day, with a super ton 100 ex 100. She was closely followed by 'H' Henry Arnold on 99 ex 100 (winning Seniors). Bragging rights certainly went to Sarah in the Quinn/Arnold household. Well done both. The Veterans Champion was J Biggs, Junior Champion was Josh Ollerenshaw and Colt Champion was C Madden. Tanya Kemsley Attwell also did very

Insurance

Can you afford to  
pay for a damaged stock  
or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

### The Raffaello 50 Anniversary

is the stunning new model of the Raffaello Powerbore. Created specifically to celebrate the 50th anniversary of Benelli, this beautiful gun incorporates all the technological features you would expect of the Raffaello series. Its appearance, however, is truly striking, highly detailed scroll engraving adorns the action, which is further enhanced by the gamescene engravings; Partridge and Quail are featured on the 20ga; Pheasant and Duck upon the 12ga, and both are embellished with gold inlay. These impressive guns are limited to a worldwide production run of just 1,500 guns: 1000pcs in 12ga, and 500pcs in 20ga. Each gun is numbered "1 of 1000" (12ga) and "1 of 500" (20ga) respectively.

The gun features the progressive comfort recoil reduction system. The Walnut stock is absolutely stunning. The gun is available in 28 inch in 12ga and also 28 inch in 20ga. You will be the envy of your local shoot and remember these guns will increase in value in time.

well, shooting a PB of 97 ex 100 in Ladies. On another day, she would have taken the Ladies title.

#### Jul 16: Compak County Championship - Southdown

Thank you all for attending, we had good entries for this championship. Well done to all the winners. 'H' put in a superb 96 ex 100 to take the championship and Seniors. Meanwhile, newbie Kent boy Paul Woodley shot 92 ex 100. Tanya put in a strong 87 ex 100 to win Ladies, despite just missing out in Skeet the previous week. Her dad, Peter, beat her by one to take the Veterans title.

Well done to Jordan, who put in another solid performance shooting 88 ex 100 to take Juniors. Lastly, taking Colt and finishing third Overall with a big, big score was Tristan on 89 ex 100. He shot a straight in layout three and three no birds on his last sim pair. Well held together, Tristan. Thank you all for your continued support for the Kent Championships.

#### Jul 30: Inter-counties Universal Trench - Nuthampstead

It was a great result for the Kent Universal Trench team who topped the tree with a score of 450 x 500 - 24 targets ahead of the Essex team in second. Ruben Boyer (Kent) was the Inter-counties Junior Champion and Tristan Hockey (Kent) was the Inter-counties Colt Champion. Well done to them both.

#### Cheryl Hall

Congratulations go to Cheryl Hall who competed at the World FITASC Championships in Hungary, coming away with a bronze medal.

Cheryl has had a strong few months since moving to Oxfordshire - she has achieved second

in the ICTSF World Sporting Championships and second in the Sporttrap at Kelmarsh. Cheryl also took part in the BITCSF British Compak at Barbury and won. However, it doesn't end there, she also shot the Perazzi Grand Prix in Wales and won the Ladies despite the horrendous weather conditions. Well done Cheryl - impressive shooting.

#### Julian Freeman

A big well done to Julian Freeman who has made it into the England Sporting team. I am sure he will do Oxfordshire proud!

#### Double Trap County Championship - NCSC

I am pleased to report we have a new County Double Trap Champion. Well done to Tom Scott who shot an impressive 71 ex 90. Jeff Mace came second with 59 ex 90 and Pete Farrell third with 57 ex 90. Congratulations Tom!

#### Sporting

Steve Lovatt continues to work hard, producing some very good shoots. Weston Wood hosted two shoots in July; the first saw 141 shooters take part and Chris Broomfield shot a brilliant score of 95 ex 100. Chris was pipped to the post by just one target. Throughout the shoot, Oxfordshire shooters were out in force and P Bradley won B Class with a fantastic score of 85 ex 100, closely followed by T Pewsey who shot 83 ex 100.

The second July shoot at Weston Wood saw 128 shooters compete. Well done to Roy Cherry who shot 94 ex 100 - also matched by Fred Townsend. Steve Cox finished second in AA Class with 90 ex 100, M R Taylor shot a very impressive 85 ex 100 in B Class and J Whitton won C Class with a score of 78 ex 100. Good scores - well done to you all.

#### Skeet

T Bradley showed the Skeet shooters how it should be done at Northampton Shooting Ground. He won B Class with an amazing score of 93 ex 100. He was closely followed by A J Robbins who shot an 87 ex 100. Congratulations!

#### Surrey English Skeet Championship - NCSC

This championship was held on a clear, bright day, and two of our Veterans claimed first and second place. The winner was Frank Arico with 97 ex 100 and the runner-up was Peter Saich with 95 ex 100. There was a three-way tie for third place between Graham Hill, Darren Cross and Daren O'Toole, each gaining 13 points towards the Supreme Championship. Jo Watson-Hopkinson added to her growing list of Ladies titles. There were no Junior entries, but Owen Lewis won the Colts title.

#### DTL County Championship - Bisley

Considering how bad the preceding few days were, we were lucky enough to have good weather for the DTL County Championships. Surrey was well represented with 14 shooters covering Colts, Juniors, Seniors, Veterans and Ladies.

A few of us were new to DTL (and definitely not used to how long it takes to shoot) but Bisley Gun Club kept us amused and Janine and Tom were very patient with 'newbie' questions. A cup of tea and bacon sandwich also helped the day flow nicely!

Phil Chambers won the Surrey Championship with 100/290, Karen Allen took the Ladies title, Lewis Smith the Juniors, Jensen King the Colts and Peter Saich the Veterans. We took the opportunity to take some photos, so look out for them on our refreshed Facebook page and website.

### English Skeet County Championship

Nine Sussex shooters turned out to shoot our 2017 English Skeet Championship. The weather threatened rain all day, but thankfully only managed a few spots. However, the gusty nature of the wind did produce some very interesting targets. All except the Ladies category was contested, with Guy Franklin entering a fantastic 100 ex 100 for the second year running to take the County High Gun. The final results were:

#### High Gun and Senior Champion:

G Franklin (100 ex 100)

**Veteran Champion:** M Brister (97 ex 100)

**Colt Champion:** T O'Brien (83 ex 100)

**Junior Champion:** Z Welfare (67 ex 100)

Well done to all the shooters and thanks to NCSC for hosting the event.

### Sussex shooters medal at Helice European Championships

Congratulations to the Sussex members of Team GB who travelled to Ghedi in June for the 49th European Helice Championship. It was one of the toughest attended in recent years – the targets were extremely testing and the heat was unbearable with little shelter or shade. Charles Pomfret took silver as part of the Junior team. Meanwhile, new caps Andrew Vine and Andy Stratford also took silver as part of the Senior team, which included a stunning 15/15 from Andy Stratford. This was an incredible performance on his debut for GB, especially given the conditions. Cliff Goodwin took gold as part of the Veterans team. An outstanding effort all round – well done chaps.

### Sussex All-Round County Championship

Eight Sussex shooters turned out to shoot at Dartford Gun Club over this two-day championship. The weather on Sunday threatened rain – with some very dark sky – but remained dry, just windy. The Colts and Juniors categories were not contested unfortunately.

Following both days of shooting, the High Gun was John Turk with 90 ex 100, Veteran Champion was J Baird on 84 ex 100 and Ladies Champion was E Salmon on 54 ex 100. Well done to all the shooters and thanks to Dartford GC for hosting the event.

### Sussex Compak

The Sussex Compak was again hosted by Southdown Gun Club and shared by Greater London and Kent. It was a pleasant and warm (but not too bright) day – ideal weather for shooting. The targets offered great variation for all abilities.

A total of 20 Sussex shooters entered, with Guy Franklin winning Sussex Seniors with an excellent 96 ex 100. He was closely followed by Pete Goldsmith on 95 ex 100. The Sussex Veteran was Kenny Bennett with 92 ex 100, Will Fenner won Sussex Junior with 89 ex 100 and Liz Salmon won Ladies with 78 ex 100. Well done to all.

### Sussex Supreme Championship

With six rounds remaining (AR, ZZ, ESP, FITASC, SKTD and DR), the Supreme Championship positions are as follows:

**Overall:** 1) D Welfare 84, 2) Z Welfare 79, 3) G Franklin 45

**Ladies:** 1) H Robins 29, 2) E Salmon 28,

3) H Gibson/BA Rex 16

**Juniors:** 1) Z Welfare 112, 2) W Fenner 32,

3) C Burt 30

**Colts:** 1) T O'Brien 80, 2) C Shanks 15.

### Jul 28: All-Round and Have-a-Go – Eriswell Lodge

In our July shoot, we incorporated a Have-a-Go session, which was kindly supported by the CPSA and BASC. We had four shooters who all enjoyed themselves very much. Pictured is Steven Burns who, after his first ever session, is very keen to take up the sport.

The All-Round was contested by seven members and the results were very close. The High Gun Overall and Standing was Adrian Last with 79 ex 100 on home territory. Standing was tied by Dave Lewzey and Sam Nunn on 77 ex 100.

Thank you to Eriswell Lodge for having us. Every time we visit, we see noticeable improvements in our shooting!

### World Cup GB Squad

We are pleased to announce our GB Squad for the forthcoming World Cup in Italy.

**Wheelchair Team (Class 1):** Paul Bailey, Anthony Evans, Mat Goodwin and Alec Sperling.

**Lower Limb Team (Class 2):** George Glover, Steve Ling, Andy Womble and Reg Toms.

**Upper Limb (Class 3):** Mike Drever and Neil Long.

**Reserves:** Allan Ritchie and Craig Williams.

**MQS places:** David Craik, Keith Shields and Janice Barnett.

Good luck to everyone who will be shooting over the next few weeks in these competitions.

Our next shoot will be a 100-Bird All-Round at Orston on September 28. There will also be a Trap 100 birder running in parallel, so everyone will be accommodated. We will shoot between 11:00 and 14:00 and be at the ground from 10:00. All are very welcome. It will be a good opportunity to chat with the World Cup Team and hopefully see their medals.

# WOMEN IN SHOOTING

AS FOUNDER OF THE SHOTGUN & CHELSEA BUN CLUB, **VICTORIA KNOWLES-LACKS** HAS BEEN ONE OF THE LEADING FORCES BEHIND THE INCREASING NUMBER OF WOMEN TAKING UP SHOOTING. HERE, SHE TALKS ABOUT WHAT HAS CHANGED, AND WHAT CAN BE DONE TO ENCOURAGE MORE WOMEN INTO SHOOTING

I THINK the biggest change has been the exposure shooting has had over the past few years. There are more game fairs, more competitions and of course social media has played an enormous role. The London Olympics in 2012 also changed things: it gave shooting a far bigger audience and I think it destigmatised shooting. There are also more schools that offer shooting as a sport which helps. The success of female clay shooters such as Cheryl Hall and Anita North has been brilliant – they demonstrate that it is a sport for everyone and the exposure they get has a far wider spread than it used to. There are a huge number of have-a-go opportunities, and sensibly priced shooting lessons that people can take, which also makes a massive difference.

It's been brilliant to see so many women's shooting clubs starting up in recent years, though too many could become counterproductive. An all-female club isn't for everyone, but there are a lot of women out there who wouldn't have the confidence to just pitch up at a clay ground, so it gives them a good introduction and for more experienced shots it offers excellent networking. There is a bit of a downside to it all, though. I do worry a little bit that in the future it might become a bit uniform, a bit too much about the clothes and the fashion, rather than about women enjoying shooting. What I love about the Club is that we have such a mixture of people coming: women of all ages, from all over the UK.

There are plenty who dress up in full tweeds, but we also have those who just turn up in a pair of jeans and a T-shirt. There are no set rules and it's all about having a good time and improving your shooting.

## WE'RE ALL JUST 'GUNS'

When I started the Shotgun & Chelsea Bun Club, I decided on a pink logo not because it was a girly colour – but because we had to have a colour that would cut through all the greys and greens already used in the shooting world. I wish that during a game day people wouldn't talk about 'Lady Guns'. We're all just 'Guns', aren't we? There's quite

a bit of talk about why women can make good shots, and some of that can be a bit patronising, but it is true that we don't usually let our egos get in the way of instruction, which helps.

As to getting more women out shooting, I think it is more of the same in terms of providing a welcoming, all-inclusive atmosphere and the opportunities for people to try shooting. I'm also going to be announcing a new incentive, so watch this space! Most importantly, though, we need to get

youngsters shooting. I think having women's clubs helps tremendously with that, as a lot of them bring their children to the shooting grounds. It really spells out to them that it's a safe sport and a great way to teach responsibility – and of course most importantly that it is great fun! ●
