# Spreading the message

**I** AM DELIGHTED to be able to report back from a really successful month of British Open championships that saw CPSA events back on track and creating some fantastic coverage for our sport.

Megan Jones, just turned 16 years old, became not only the youngest ever but also the first Lady to win the British Open English Skeet Championship, which was wonderfully hosted by Nottingham and District Gun Club. As we are currently increasing the profile of more women getting into shooting, supported by the great efforts of organisations such as Femmes Fatales and the Shotgun & Chelsea Bun Club among others, this is not only great timing but also a great indication of a potential revival in Skeet shooting. The England team made a clean sweep of the highly-praised Home International, held in Dungannon, where team captain Neil Faulkner shot 150 straight for overall High Gun but Callum Jones, Megan's brother, shot 149 to win highest New Cap and second in Juniors behind England's Tom Tristram after a shoot-off. It really is great to see some fantastic young talent coming through and discussions are being held for an exciting Skeet festival next year – more of that in the coming months.

The British Open Sporting and Sportrap Championships were held at the glorious

West Midlands Shooting Ground, where we were expertly hosted by Tom and Deb Jones and their team. You will see the event report in this month's *Pull!* but the competition lived up superbly to the excitement that had been building since entries sold out in an unprecedented seven weeks back in March. One of the features of the competition, apart from some fantastic shooting and another thrilling Super Final won by Martin Myers, just one clay clear of Arnie Palmer, was the extensive and broad reach of the social media coverage emanating from the event. A little like the coverage we achieved from The Game Fair Pro-Am shoot, taking good news from our sport out to new audiences helps to normalise what we do and entice new people in as they realise it really is a sport that anyone can try. Once again, I would like to thank our valued sponsors of the event Zoli, Gamebore and Promatic.

Our range of courses have been extremely popular this year, from Safety to Referees, Instructors and Coaches and now our Shotgun Skills courses aimed at giving beginners the confidence to go clay shooting safely and successfully. Over the winter months we will be working on developing the courses further and ensuring content is right up to date and delivered consistently throughout our regions. Richie Vallance, himself a senior tutor and training professional, is joining the existing team of

Richard and Cheryl to add extra focus to this important area and ensure we continue to deliver industry-leading training to promote the highest possible standards of safety and excellence. We are again, thanks to the support of Edgar Brothers, working on another Coaches' Day that will be held this time at Doveridge Clay Sports Centre in early December, continuing a very popular event to help our instructors and coaches develop what they do and keep them engaged with what we're up to.

I must add our congratulations to our England Sporting and ABT teams that competed successfully at the Home Internationals in Carrickglenn and Ashbourne in September, finishing as winners or runners-up in all categories. All the details are on our website and the reports can be found in the pages of this month's *Pull!* Good luck also to everyone competing in the series of National

Inter-Counties championships in October – often a great stepping stone to further success! ●

## Royal Marines Charity Clay Shoot

### CHARITY SHOOT

**BROWNING IS** delighted to, once again, sponsor the third annual Royal Marines Association Clay Shoot. The event is being held over two days on October 6 and 7 at Dunkeld Park Estate, Perthshire.

Friday October 6 is the three gun team simulated challenge where each team will be joined by a member of the Royal Marines

to shoot over five different simulated game flushes – Grouse, Partridge, Duck, Pheasant and the sneaky Fur 'n' Feathers stand. A private auction lunch will finish the day off, including a prizegiving ceremony and a performance by the Royal Marines Band Scotland, Corps of Drums.

Saturday October 7 is for individuals who will shoot a specially designed Sporting round of 50 clays with re-entry encouraged and many

distinctive prizes for each category. A unique and valuable prize will be awarded to the first straight 100 achieved over consecutive rounds.

"We are delighted to be sponsoring this unique shoot for our third year, it's a fantastic way to support Royal Marine veterans to whom we all owe a huge debt of gratitude," said David Stapley, Managing Director of ISB Ltd, the UK agents for Browning. He added, "It's not often that one has the opportunity to shoot with a member of the armed forces and I would urge people to support this exceptional charity event". Reserve your team booking at: [www.rma-charityshoot.com](http://www.rma-charityshoot.com)

## Guns for girls

### GUNMAKING

ITALIAN GUNMAKER Zoli has spent the past two years developing a brand new ladies' clay gun, the Z-Bella. Specially designed to meet the requirements of the female form, the gun is embellished with eye-catching Swarovski crystals.

All stock dimensions have been especially adapted to cater specifically to the structural needs of ladies, including the pistol grip, drop, length of pull, pitch and cast, with each stock equipped with an adjustable comb, for greater finesse.

Available in 12 bore, the Z-Bella comes with a choice of three barrel lengths and five interchangeable flush fitting or 3/4 inch extended chokes. Upon request, the customer can choose between a parallel or tapered top rib, in the 28" or 29.5" versions.

The Z-Bella, which is priced at £6,862.85, is offered with either a silver or black action, with

the frame showing an elegant deep scroll engraving, upon which the Swarovski crystals are embellished.

The shotgun comes equipped with BHB (Between Hands Balancer) in the pistol grip, a dynamic corrector used to customise the balance and swing dynamics of the shotgun for ultimate control and balance in the hands of the shooter. Around the BHB stock, Swarovski crystals are positioned in a circle around the Z emblem, a sign used to distinguish the prestigious Zoli Z-gun range.

Paolo Zoli, president of Zoli commented: "The new Z-Bella benefits from all the experience gained over the past 400 years by Zoli in the production of guns devoted to competitive clay target disciplines, this is a real guarantee in terms of performance and durability. The Z-Bella is attractively presented, without sacrificing the technical nature of a product dedicated to competitions. Zoli has invested 24 months to create this dedicated line and we feel very proud of the achieved result. It has been a major challenge and a new goal achieved."

### LADIES' SHOOT

BIRMINGHAM CITY Ladies Football Team attended a clay shooting day on Tuesday September 12 at Lea Martson Shooting Club as part of a team bonding exercise.

With instruction from Level 2 Coach Paul Dancer, along with the past two winners of the CPSA Coach of the Year, Linda Grayson and Mhairi-Ann Troup, the footballers and their coaching staff were divided into three teams.

The afternoon started brilliantly with good weather and, once the ladies realised they could hit the clays, a very strong competitive streak appeared.

An array of targets including rabbit, teal, going away, incomer and a crosser were used to test their skills. All the stands at Lea Marston are covered, so there were no concerns about weather, and after some two hours of shooting the scores were in. And impressive they were, with all achieving over 50%.

Each team was awarded, gold, silver and

bronze medals, with a single 'High Gun' trophy.

The response from the players was superb, with all the ladies saying they really enjoyed it, as they had never done anything like Clay Shooting as a 'team' before.

On a positive note for Paul, Linda and Mhairi-Ann; over half of the ladies said they wanted to come back for a 'proper' lesson.

Following the event, Paul said, "Hopefully this creates something for the future and we may see more retired sportsmen and women turn to clay shooting, as most tend to take up golf!"

Our thanks to Solware of Tamworth and Lea Marston Shooting Club for supporting the day, along with the coaches.

## THE CONFIDENCE TO WIN

# FITASC Discipline Rules Amendments

## EFFECTIVE JAN 1 2018

AT THE FITASC Ordinary General Assembly held in Budapest (Hungary) July 4 2017, the following amendments were agreed to the following disciplines:

### FITASC SPORTING:

Rule 15.6.5 'Trajectories' was amended largely due to the poor weather conditions experienced at the European Championships held in the UK at Lulworth Castle Dorset.

An addition to the existing rule reads as follows:

"After the trajectories have been agreed, there will be no 'No Target' calls by the referee for wind/weather affected targets during the competition, with the following exceptions.

- a. The target fails to appear
- b. The target trajectory is considered dangerous by the referee"

For example, if a target is released and not dangerous, but the trajectory keeps the target behind a line of trees where it cannot be reasonably engaged by the competitor, then this would be good reason to call 'No Target'.  
(a). If the target continues to stay behind cover then re-alignment of the target would need to take place.

However, if the target appears in clean air then dips behind cover under the influence of varying weather conditions, adjustment would not be supported nor will the referee call 'No Target'.

If a target trajectory intrudes into the competitor shooting position/area, then this would be considered dangerous (b) the referee should call 'No Target' to alert the competitor(s) and an adjustment should be considered; this occurred at the European

Championships at Lulworth. Additionally, this rule could also be applied if broken parts of the target begin to routinely enter the shooting position when previously or on other days they have not.

It is very important to understand that it is only the referee who has the authority to rule on 'No Targets'; the competitor must engage the target unless the referee calls 'No Target'.

### COMPAK SPORTING

There are minor changes to the current rules at Chapter 2 Shooting Installations and Chapter 2.6 Shooting Stands (new installations), that do not impact on the competitor and referee decision making.

There is a lengthy amendment to Chapter 2.3 Triggering Systems; this change is to voice-activated release systems also referred to as 'sonopull'.

The change better defines the acceptable release times for these systems. Briefly,

The system is now required to send a fixed release pulse to the machine within 0.5 seconds, this pulse must be fixed and not adjustable, the machine must release the target within one second of receiving the release pulse.

The reaction time of the slowest machine of the six machines on the layout must not exceed these parameters.

So, if the slowest machine on a layout meets these defined limits, the acceptable time for the target to appear will be between 0.5 and 1.5 seconds (0.5 + 1 sec); after this the target can be declared a 'No Target' by the referee.

It is further recommended that on a Compak layout, all six (6) machines have the same characteristics, in other words, their target release times will be near identical.

There is no change to the acceptable manually released target timing of three seconds.

### HELICE (ZZ)

There is a change to Article 1.3 concerning the colour of the helice carrier and/or the witness disc. Previously the carrier was either orange or red with the witness white; now, upon the decision of the Helice Technical Commission, the carrier or the witness can be of any different colour that would make it more visible.

Additionally, in a championship, there will be only one colour for the carrier and one for the witness.

The manufacturers will need to get busy to produce a selection of carrier/witness colours for use from 2019.

There were no changes to Combine Game and UT disciplines.

In 2018 at the World FITASC Sporting in France, the Extraordinary General Assembly will be organised.

This takes place every four years; at this assembly all the various Presidents and Directors stand for re-election.

The 2019 assembly is particularly important as there are proposals that may make sweeping changes to all the discipline Technical Commissions, in as much as their numbers may well be reduced with unfamiliar faces appearing.

I fully support the restructuring i.e. reduction in numbers of the commissions, as there is, in my opinion, a lot of 'dead weight' on the commissions. However, replacements may be difficult to find with the experience that makes a good and proactive commission member.

**Hugh Smith**, President FITASC  
Referees Commission

# CPSA Board Elections

## ELECTIONS

VACANCIES HAVE arisen for the three positions of North Director, South East Director and a National Director to join the Association's Board, following the current three-year terms for each of these posts expiring.

The Board positions have been advertised on the CPSA website since September 18 2017 and are for a three-year term to run from the Association's AGM on March 17 2018 to the AGM in 2021.

To continue with the development of the Association the Board needs members with the appropriate skills, Board experience and knowledge to operate successfully at strategic level. Members who can bring significant relevant business experience to the Boardroom to complement the skills and knowledge of the existing directors, along with a good knowledge and understanding of clay target shooting, are particularly welcome.

## LETTER OF THE MONTH

As a new member of the association I have a suggestion to make. I have read Colin Reeves letter (*Pull!* August issue) and Ben Gordge's response in September with regard to the National AGM, and I have come up with a solution which may remedy the situation. I suggest that the AGM is put up on the internet as a webcast, that way everyone could be there from the comfort of their own home. Surely in this age of superfast internet that is something that is achievable at the CPSA?

**Stewart Phillips**

### CPSA responds:

Dear Stewart,

Thank you for your letter regarding our AGM. There are a number of IT solutions available to us, which we are currently investigating and some, particularly those regarding voting systems may require changes to our company articles before they can be implemented. We all agree the importance of member participation at the AGM but please bear with us while plans continue.

Kind regards

**Stuart Oldman, Operations Manager**

### Camouflage clothing

I am replying to a recent post in last months *Pull!* magazine about camouflage clothing. I was at this event which happened to be the Gloucestershire County Down The Line championship and I was the said person wearing bright yellow and orange camouflage shorts.

I feel I should point out that I was in fact a spectator at this event as I'm a Somerset county shooter and was only there to support my dad who was shooting in the competition.

Mr Angel approached me, stating I should not be wearing camouflage shorts and that I am not allowed to shoot wearing that attire. I then turned to him and replied it's a good job I'm not shooting then and walked off to the clubhouse feeling quite upset.

Mr Angel then took the incident further and told the ground owner about my camouflage shorts even though I had told him I wasn't even shooting at this event.

I am aware of the rule concerning camouflage clothing and was only there that day to support my dad and enjoy watching some shooting but this man basically ruined my day with his attitude

**Mr Davison, CPSA No 84940**

### Trigger freeze

I have just read a topic in another magazine regarding trigger pulls and grip shapes being the reason for trigger freeze. I'm afraid trigger freeze at its worst is totally a mental affliction similar to dartsitis and golfers yips when putting. I myself suffer occasionally and I can assure you that trigger pulls or stock shapes do not affect it, at its worst I have not even pulled the trigger almost as if the brain is not telling the finger to move. It's very frustrating! Luckily I still manage to shoot and enjoy it.

**P Gresley, CPSA no: 55961**

**FOR MORE...**

Head to [cpsa.co.uk/](http://cpsa.co.uk/) for more information

WITH THE MAJORITY OF COURSES FOR THE YEAR NOW COMPLETE, THE CPSA TURNS TO ITS NEW GROUP OF TRAINING COURSES: SHOTGUN SKILLS

ILLUSTRATION: PETER LIDDARD

## REGIONS

(N) The North (WM) West Midlands (EM) East Midlands  
(SW) South West (SE) South East (W) Wales

THE MAJORITY of our 2017 Courses have completed now and it's been a very positive year with lots of CPSA members undertaking our Training Courses. From learning the rules of their particular discipline to be able to Referee and have a better understanding of the correct way to participate, to undertaking our Instructor/Coach pathway, starting with our popular Safety Officer courses.

During the latter half of the year we launched our new group Shotgun Skills courses at several venues and, although it is early days, we are really encouraged by the response to these and will be rolling them out far and wide during 2018.

For those of you who haven't heard about these yet, the Shotgun Skills course has been around for many years and is deliverable by our Level 1 Instructors and Level 2 Coaches on a 1:1 basis, but we are now able to offer group courses for up to 12 people, enabling you to attend with friends and family who may also be interested in shooting.

The one day course is part classroom and part on range and covers lots of useful information for those new to our sport such as gun handling, safety, etiquette, gun fit, eye dominance, stance, the law and much more. After lunch, which is included in the price, everyone goes out to the range to shoot some clays under the expert guidance of our qualified Instructors and Coaches.

The course costs just £89 and includes all instruction, the use of a suitably sized shotgun, clays, cartridges, PPE and lunch and is open to CPSA members and non-members alike.

We have the following dates available for anyone interested in booking onto the Shotgun Skills course this year:

**October 7** at Garlands Shooting Ground, Staffs (WM)

**October 9** at West London Shooting School (SE)

**October 14** at Nottingham & District Gun Club (EM)

**October 22** Nr Basingstoke, Hants (SW)

**November 19** at Mid Wales Shooting Centre (W)

What industry journalists who attended the new group Shotgun Skills course are saying:

“

**NO STONE WAS LEFT UNTURNED, WITH RICHARD WELLER COVERING EVERYTHING FROM THE USE OF STEEL SHOT TO LAWFUL TRAVEL PRACTICES, AND EVERYTHING IN BETWEEN; THE CONTENT WAS INCREDIBLY COMPREHENSIVE.**

**Emily Damment**, *Clay Shooter Magazine*

“

**DESIGNED FOR AROUND SIX PEOPLE, THE COURSE GIVES YOU A SOLID GROUNDING. EVERYTHING YOU NEED TO KNOW TO STAY SAFE AND RESPECTFUL OF THE EQUIPMENT AND YOUR FELLOW SHOOTERS, WITH ALL THE NECESSARY GUNS, CARTRIDGES, CLAYS AND PROTECTION INCLUDED.**

**Laura Strachan**, *Clay Shooting magazine*

## SAFETY OFFICER COURSE £99

The Safety Officer Course is a one-day course which provides the basis for running a safe and successful shooting ground and looks at safe gun handling, layout management, risk assessments etc. An obvious choice for ground owners and a prerequisite to Club Affiliation, it also appeals to the shooter and is the first step towards higher qualifications. The following Safety Courses are now available to book on to:

**Nov 11:** Bisley Gun Club (SE)

**Nov 18:** Podimore Shooting School (SW)

# THIMBLEBY

## SHOOTING GROUND

Thimbleby Shooting Ground lies in an idyllic rural setting on the edge of the North York Moors National Park. ## K80 TRAP BLACK SHADOW

REVIEWED BY **VIC HARKER**

PROUDLY SPONSORS  
THE GUN TEST

OLYMPIC BLUES WHEN  
YOU NEED SPEED AND  
BREAKING POWER

THE K80, which continues to grow in popularity, deserves a revisit as it is, among other guises, America's most popular and regarded over and under Trap gun. The 'Black Shadow' denotes this particular Krieghoff's badging which, though subdued, has its own purposeful appeal. ●

### 1 ACTION

Part of Krieghoff's great appeal is its originality of design. The security of the barrels to the action is like no other over and under gun. There is no system of draws and wedges, no locking bolt that we would recognise to hold the barrels and action together. Instead, on closure of the gun the barrels, pivoting on trunnions, are locked down into the action by a tempered steel shroud moving forward over the barrels' breech ends. Where its designer acquired this original and immensely strong solution is not known, but it very effectively provides security at just the right place above the explosion of the cartridge. As with all shotguns, the energy generated forces the barrels and the action together and the Krieghoff steel shroud reinforces this phenomenon.

The design of the Krieghoff's trigger mechanism is equally original and efficient. The components are machined from the hardest steel, then polished with a ceramic stone to a glass-like finish. Yet it's the geometry of the sear-hammer engagement which is the key to the Krieghoff's excellent trigger pulls. The sears sit on a step. When the trigger is pulled the barrel selector moves upwards, disengaging the hammer and at the same time rotates to select the second barrel. Few clay target guns rival the Krieghoff's trigger pulls. As with all the key components of the Krieghoff trigger mechanism it reflects ingenuity and original thinking to achieve exceptional mechanical function.

**THE K80 BLACK SHADOW WILL BE SEEN MORE OFTEN IN THE HANDS OF DTL SHOOTERS AND THEY COULD HARDLY CHOOSE BETTER**

## 2 STOCK

Another key area where the K80 Black Shadow represents development is in the matter of ergonomics. The Black Shadow's stock represents a big improvement over previous Krieghoffs in the matter of configuration. This includes a redesigned grip which has a deeper and closer radius with a palm swell. This gives a hand-filling hold that, together with the adjustable trigger blade, achieves a much improved feeling of control. Available in right or left-handed versions and adjustable for height and cast, it also incorporates a longer comb providing extra support at the face. Improvements have also been made to the shape of the fore-end wood which though 2mm wider, mirrors the Krieghoff Parcours shape. This brings the leading hand closer to the centre of the gun, providing a greater feeling of control.

## 3 BARRELS

A flat rib that tapers from 12mm to 8mm is a welcome change from the plethora of ramps at varying heights now on offer on most modern Trap guns. In contrast the Black Shadow's rib positions naturally under the aiming eye without offering any kind of unwelcome distraction. With the barrels tipping the scales at 3lbs 11oz this 81cm barrelled gun with long titanium chokes and barrel hanger sat nicely between the hands without any muzzle heaviness.

## 4 SHOOTING IMPRESSIONS

This is undoubtedly the best long barrelled Trap gun from Krieghoff I've used. In part at least this is due to a well designed stock that provides control that dissipates a lot of this gun's 9lbs weight to the extent it feels positively lively. This together with an adjustable comb with which I achieved a near perfect fit and a fore-end that delivered excellent manual pointability, there was little excuse to miss anything. This is a Krieghoff that provides all the essentials required in a gun for DTL or ATA Trap. That said, on some Ball Trap targets it was something of a revelation, the adjustable stock creating a set-up that together with the excellent rib contributed a combination of manual and visual aids that got this 9lbs gun to the target on time. I have no doubt however the K80 Black Shadow will be seen more often in the hands of DTL shooters and they could hardly choose better. The stock configuration is a major improvement in my view to what is already a great gun. All this and attractive badging, I liked the Black Shadow logo and pretty much everything about this gun.

# Young shots

## WHY I SHOOT

**15-YEAR-OLD HENRY** Bevan topped off a great year by being crowned Colt High Gun at the British Open Sporting Championships and Colts Challenge Champion at this year's Game Fair.

### How did you get into shooting?

It was through a friend of my dad, Justin Firman, who is an AA English Sporting clay shot. He took me shooting once and I was hooked. I've been shooting clays for about three years and have lessons with Philip and Ben Thorrold.

### What was your first gun?

A 28 bore side-by-side which was my dad's as a boy. I then progressed to a Berretta 686 sporter and I now shoot with a DT10 Berretta. I shoot three disciplines: English Sporting, Skeet and Trap, my favourite being Sporting as there are a wide variety of targets.

### What are your top tips for shooting well?

Enjoy it, concentrate, and if you miss a target let it go and start again.

### Who do you admire most?

George Digweed because over many years he has consistently been the best and he makes time to speak to and encourage youngsters.

### What are your long-term ambitions?

To be the best in the world.

### What's your advice for other young shots?

Work hard, stay focused and find a good coach who believes in you.

### What do you do when not shooting clays?

I like game shooting, pigeon shooting on my father's farm in Suffolk, cricket, rugby and tennis.

## IN THE SPOTLIGHT AARON HARVEY

**NINETEEN-YEAR-OLD AARON** Harvey has been holding a gun since he was seven when he started game shooting with his father. A good friend at Drinkstone Gun Club in Suffolk got him into his first competition, where he took the Suffolk Junior title, four years ago. "I think that gave me the edge to want to achieve more and better myself," says Aaron. Since then he's won the Ambassador Services Super Sporting in 2015, made the ICTSF World English Sporting Super Final this year and won Junior High Gun at the British Open English Sporting for the past three years in a row. Now his favourite discipline is Sporting because he loves the atmosphere and the variety of targets, but he also shoots FITASC, Sportrap, Skeet and DTL. Aaron uses a custom-made Salvinelli, which he describes as "really smooth, shootable and well-balanced." In addition to Salvinelli, he's also sponsored by Gamebore, Philip Thorrold Shooting Academy, Mallard Barn Shop, Chris Potter Country Sports, Dartford Clay Shooting Club, Laporte-CPC and Ed Lyons.

Aaron admires his coach, Philip Thorrold, who he credits with teaching him everything he knows and describes as "the most natural shot and such a true gentleman." He also has his own advice for young shooters: "Don't be afraid to ask people questions and just go to your local gun club and try it out." And when you're shooting he suggests not piling on the pressure. "Always be positive and don't think too much. Only think about the target and focus on it 100%." ●

**JAMES MARCHINGTON  
REPORTS ON THE  
BRITISH OPEN  
ENGLISH SPORTING,  
THE CLIMAX TO THE  
2017 COMPETITION  
SEASON WHICH SAW  
MARTIN MYERS LIFT  
THE TOP PRIZE**

# Myers on top

**Top:** Martin Myers in action in the Super Final  
**This photo:** Tom Jones pulled out all the stops to show interesting targets

ALL PHOTOS: SIMON FINLAY

**S**EASONED SPORTING competitor Martin Myers shot solidly through the 120-target qualifying round, a 75-target final and a six-man Sportrap-style Super Final at the British Open English Sporting Championship to lift the Daily Telegraph Cup for the second time in his career.

The last major championship of the 2017 season was held at the popular West Midlands Shooting Ground at Hodnet, near Market Drayton in Shropshire, with the qualifying course shot from August 30 to September 2 and finals on Sunday September 3. Shooters arrived with high hopes for the event, which had sold out in record time with 1,050 entries — and they were not disappointed. The ground looked immaculate, facilities were excellent, and competitors had nothing but praise for the targets set by ground owner Tom Jones and his team.

#### **VARIED TARGETS**

The ground is set on a wooded hillside, and Tom makes full use of the terrain to show an interesting and challenging set of targets. Shooters enjoyed walking around the wooded glades and open, fern-covered banks, although the steep slopes left some puffing for breath. The targets were varied, appearing from hidden traps and often

disappearing all too quickly behind a screen of foliage. The consensus was that the targets were challenging but fair, with something for everyone.

"I enjoy working out what we can do to fox the shooters," commented Tom. "It's combinations really: angles, footwork, and shooting in windows. You don't need the targets to be too distant, and anything a bit far needs to show some belly. I shot the course myself with Skeet chokes all the way round. I never missed one with my finger!" he joked.

### DIGWEED DIGS IN

George Digweed set the pace on the first day, shooting an outstanding 115 out of 120. He commented: "That's probably the best round of Sporting clays I've shot for several years — but then the Jones family have always put on a good shoot; it's a ground I love coming to. It's very dear to me as I won my first World Championship here in 1988." He added that a twist of luck had cost him a rabbit on the last stand, but he felt 116 was about the limit for the course.

George was a strong favourite, having won the championship six times in the past, and sure enough as the days went by his score was proving unbeatable. Indeed, no one could match it until the very last squad on the final day of qualification, when Steve Clark shot the only other 115 of the competition.

Reigning champion Mark Winser came close, shooting 114 on day two, and declared he was happy with that result: "George's 115 is a very good score; I don't see anybody shooting higher than that," Mark said. He agreed it was an interesting course and cleverly set up. "Tom has used the ground really well and played tricks on you in areas. A lot of the targets took some working out — you can't step in taking anything for granted around the course."

### SOCIAL WHIRL

Off the course, there was plenty to keep competitors occupied, with a mini trade village, and meals and refreshments served in the large, comfortable log cabin-style clubhouse looking out over the pool shoot set out on the lawn. The CPSA head office team, fuelled by an assortment of baked goods, worked quietly and efficiently booking in competitors and updating the computerised scoring system. Meanwhile Liz Edgar from Tweed Media roamed the ground with her iPhone, producing a copious flow of Facebook posts so that shooting fans worldwide could follow the action. All in all, the event was characterised by a positive buzz befitting a major championship with a distinguished history dating back to 1925.

After four days of sunshine, Finals day brought dull weather and light rain

Alongside the English Sporting, the British Open Sportrap Championship was running on the adjacent Hawkstone Park motocross track, which provided an interesting and unusual backdrop to the clay targets. A gun bus shuttle service took squads to and from the Sportrap layout, and many competitors made a full day of shooting both events.

### SPORTRAP THRILLER

The Sportrap was providing a thrilling competition in its own right, won with a flourish by Tim Webster on Saturday, the last day of qualification for the Sporting. Richard Faulds took the lead on Friday with an impressive 94 out of 100, and held the top spot until the following morning when Matt Hance equalled his score. It looked like the title would be determined by shoot-off, but Tim Webster, shooting in one of the last squads, pipped the leaders by one target to win the championship. He had won before as a junior, but this was the first time he had taken the overall high gun.

With Richard Faulds not attending for a shoot-off, Matt Hance took runner-up unchallenged. Nevertheless the Ladies' category provided spectators with a thrilling battle, with Hannah Gibson beating Becky McKenzie in front of the assembled crowd.

With the Sportrap over, Sunday morning brought the serious business of sorting out the winners from the 160 shooters who had qualified to shoot the 75-bird finals course. After four days of clear, bright weather the finals were shot in dull conditions with persistent light rain, but not enough to dampen the spirits. The finalists walked the same route as before, but found that Tom and his team had set an entirely new course every bit as challenging as the last.

The finals whittled the 160 qualifiers down to seven, and after a shoot-off the six who stepped up for the Super Final were Martin Myers, Arnie Palmer, Richard Faulds, Graham Stirzaker, Duane Morley and D Hughes Jnr. Martin Myers had a one-target lead over his friend and rival Arnie Palmer. Richard Faulds and Graham Stirzaker snapped at their heels with 68 apiece. Despite a spirited effort by the other contenders, Martin kept plugging away for a 21 ex 25 and Arnie couldn't close the gap, leaving a beaming Martin to lift the trophy and collect the top prize of a Z-Sport High Rib Sporter from sponsors Zoli. Gamebore, the event's other sponsors, had provided 10,000 cartridges to be shared among the category winners — among them runner-up

**This page:** Arnie Palmer (right) matched Martin Myers' score but it wasn't enough to deny Martin (bottom right) the trophy

**“THE 2017 EVENT WAS EVERYTHING THE BRITISH OPEN SHOULD BE, AND SO MUCH MORE**

Arnie whose score proved enough to take the Veterans' class. As CPSA Chief Executive Nick Fellows took the microphone for the prize giving ceremony the clouds finally dumped the rain they had been holding back, and shooters retreated under cover — but nothing could detract from the fact that this had been a brilliant, well run event enjoyed by everyone. As one shooter commented, it was everything the British Open should be, and more. Credit is due to everyone involved in staging and running the event — too numerous to list here, but including Tom and his team, the CPSA team, sponsors Zoli and Gamebore, CCI and Promatic who supplied clays and traps, and Starkey Headsets who provided a pair of Pilla glasses for the draw. ●

# How to hit...

## *what we've learned*

CPSA LEVEL 3 SENIOR COACH  
**SIMON ARBUCKLE** SUMMARISES  
THE LESSONS LEARNED FROM OUR  
HUGELY SUCCESSFUL SERIES

**S**INCE WE started this series, back at the beginning of the season, we've looked in detail at six of the targets you're likely to encounter on a typical English Sporting shoot, namely the Low Driven target, the Rabbit, Quartering Away, Looper, Overhead and Battue. That isn't a comprehensive list by any means. On any Sporting layout you might well see a Teal, Crossers in either direction, Incomers, plus the target-setter's interpretation of a Crow, Pigeon, Woodcock and plenty more. You may be presented with midi or mini clays as well as standards. Backgrounds will vary, you may be restricted by a 'window' or gap between trees, and the traps may be placed below you on a bank, or way up high on a tower or telehandler. That's a large part of the appeal of Sporting clays — there's an infinite variety of possibilities. That means, of course, that there's little point in just learning how to hit a handful of specific targets. You could go to 100 shoots and never see that precise target again. The important thing is to understand and practise the basic principles, so you can apply a solid technique to whatever targets the course-setter puts in front of you. Then you won't walk up to a stand and be fazed by some cunning presentation that's unlike anything you've practised. Instead you will look carefully at the target, analyse its flight and know what you need to do.

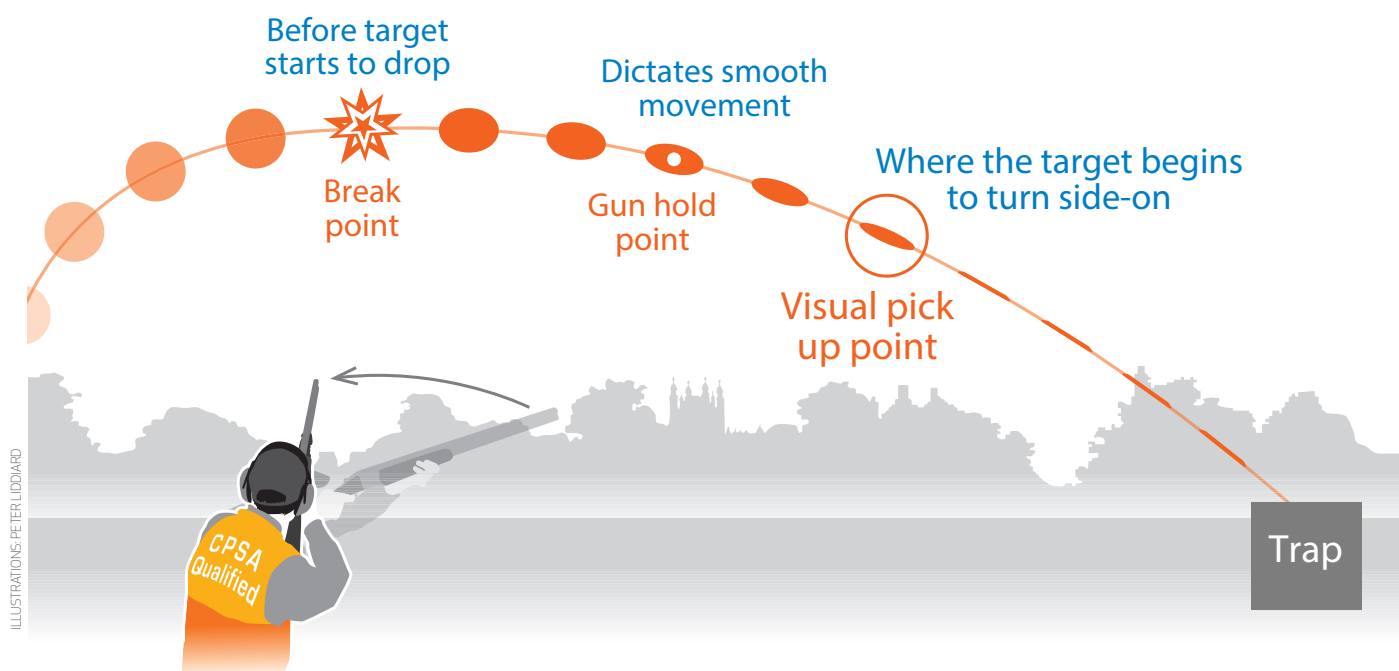

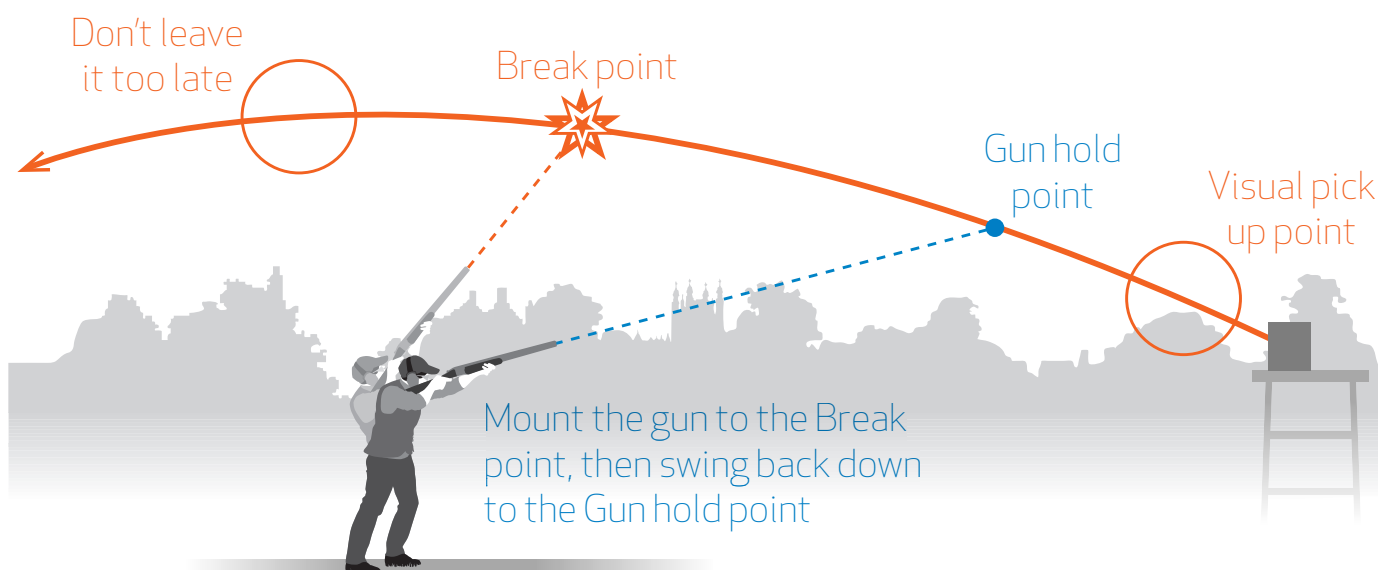

So let's look back over the series, not at specific targets, but at the general principles we applied to each and every one. These same principles will serve you well for just about any Sporting target you ever see.

Essentially what we're talking about is the CPSA 'Method', a system that is taught by all CPSA coaches and is proven to work for the vast majority of shooters on the vast majority of targets. If you reach the point where you're giving George Digweed a run for his money, then by all means come up with a style and technique of your own. By then you'll have the skill and experience to do so. But in the meantime, 'The Method' is the best way to give yourself a solid grounding that will enable you to shoot consistently, and steadily build your scores.

If you look back over the articles in this series, you will see that the basic technique I use is common to all the targets. I start by looking at the target's flight path, and deciding where I will shoot it — my Break Point. To a degree this is dictated by experience, but in each case I want to give myself adequate time to match the target's line and speed with the gun, without dwelling too long and letting the target become harder to hit, perhaps because it's beginning to drop or about to disappear behind an obstruction.

Next I will decide on my Visual Pick-up Point. This is the spot where I first see the target as a solid object. When a clay first leaves the trap it is travelling too fast for your eyes to focus on it; it will appear as a blur or streak. Look further out down the flight path, where your eyes can lock on in sharp focus.

Having found our Break Point and Visual Pick-up Point, we need to decide where to hold the gun — the Gun Hold Point. This will be somewhere along the target's flight path between the other two points. The precise location of this point will depend to some degree on you — your reaction time, speed of movement and so on. The important thing, however, is that it allows you to lock the muzzles on and track the target for a short distance, finding its line and speed, before pulling ahead and firing as it reaches your Break Point. Normally you don't want the clay to overtake the gun. The muzzles should naturally come to the target, neither behind nor in front, allowing you to lock onto the target straight away.

Place your feet towards the Break Point, and mount your gun onto that point. Wind back along the flight line to your Gun Hold Point, drop the stock slightly out of your shoulder, and turn your eyes back to the Visual Pick-up Point. Then call for the target. As it appears, lock on, match its line and speed, then pull ahead and shoot, keeping the gun moving.

This should all happen as one smooth, unhurried movement, with no hesitation or jerking. If you get the Gun Hold Point wrong, you won't achieve a smooth swing. Start too near the trap and you will rush to catch up with the target. Start too far out, on the other hand, and you will have to wait or, worse still, bring the gun back to find the target, only to rapidly change direction as it catches up.

Don't be afraid to adjust your Gun Hold Point once you have started shooting. If you find your timing was wrong on the first shot, make the necessary adjustment for the next target.

That's the basis of 'The Method' and it will serve you well on any Sporting stand. If things aren't going right for you, go back to basics and make sure you are following the steps — perhaps you have become sloppy and are not bothering to mount on the Break Point before winding back to the Gun Hold Point. If you still struggle, don't hesitate to seek expert advice. There are CPSA qualified coaches all over the country, and they will be happy to book a session where they can put you back on track. ●

### STEVE HOWLING TELLS *PULL!* ABOUT HIS SHOOTING GROUND

**Q: How did you start shooting?**

**A:** I went to a game fair in 1967 aged 13 and they had a 10-bird DTL – I couldn't take my eyes off it all day. I got talking to some of the people milling around and a particularly patient gentlemen called Henry Barlow answered every question a teenaged boy could throw at him.

Another one took pity on me and gave me 10 cartridges, while someone else lent me a side by side shotgun and I managed to hit seven. By the 1970s I could drive and began doing fetes and club shoots. I later joined Newmarket Gun Club, Wayland Gun Club and a favourite winter pastime was floodlit Skeet at Lakenheath Rod and Gun Club.

**Q: When did you open your ground?**

**A:** Five years ago I had my Miroku 3800 HSW fixed by a well-respected local gunsmith. He got out of the car and delivered the gun personally, and the first thing he said wasn't "Hello Steven" but "You should start a clay pigeon range as there is a shortage in the area." There was nothing further from my mind, but I mentioned it to my family and within three months we were up and running.

**Q: How has the ground developed over the years?**

**A:** The ground started on the 28 day rule operating once a fortnight in 2013. The demand was there from the beginning and we soon applied for planning permission to increase the hours we operated. Having gained consent we opened every Tuesday from 2pm to 9pm and one day at the weekend (this alternates between Saturday and Sunday).

We soon added a polytunnel to give a shelter

from the weather as we were frequently getting wet and cold. It has grown steadily over the last few years, with two Skeet ranges, DTL and we are now operating a 100-bird Sporting layout.

We have some planning restrictions, but have managed to secure increases to the operating times and layout in more recent years. The biggest addition was a beautiful new clubhouse and café with a wall of glass to view the shooting.

**Q: What is the clay shooting scene like where you are?**

**A:** Clay shooting has a very loyal following in Norfolk and we see many of our shooters at our practice sessions twice a week. Their enthusiasm is infectious as they live for the excitement of the next target. It is great hearing them discussing the day's action over a cup of tea and a burger at the end of the day. We also welcomed people from Suffolk, Essex, Leicestershire, Cambridgeshire and Lincolnshire at our first ever CPSA registered event in April.

**Q: How has clay shooting changed over the years in your area?**

**A:** The biggest change in clay shooting has to be the increase in numbers taking part. People from all walks of life – the young and not so young – all enjoying themselves together. We recently had three generations of one family visiting – there aren't many sports that three generations can take part in together, with any of the ages potentially producing the best score of the day.

**Q: What are your current aims?**

**A:** Our current aims are to offer the very best layouts we can for both practice shooting and on our competition days. We offer cheaper rates for Juniors and are always pleased to see them arrive, so we do what we can to encourage them. ●

**RICHARD WORTHINGTON**  
REPORTS ON THE 2017 FINAL  
AT OWLS LODGE

**A**

**BEAUTIFUL DAY** greeted all who arrived at the manicured grounds of Owls Lodge Shooting School for the 2017 Premier League final on Saturday September 16 to take on the last 100 registered Sporting of the series.

Coming in to the final shoot, the top three individual positions were Darren Stanford from Team Cambridge, George Howling from Team Barrow Heath and James Attwood from Team Southdown, and despite James's efforts scoring 93ex100, in the end the positions stayed the same with their best five scores calculated. Huge congratulations to Darren Stanford as Overall High Gun for the 2017 Premier League and winning the Browning 725 Black Edition Sporter, Pilla Shooting Glasses from Sunglasses for Sport, 500 White Gold cartridges from Gamebore and £750 prize money.

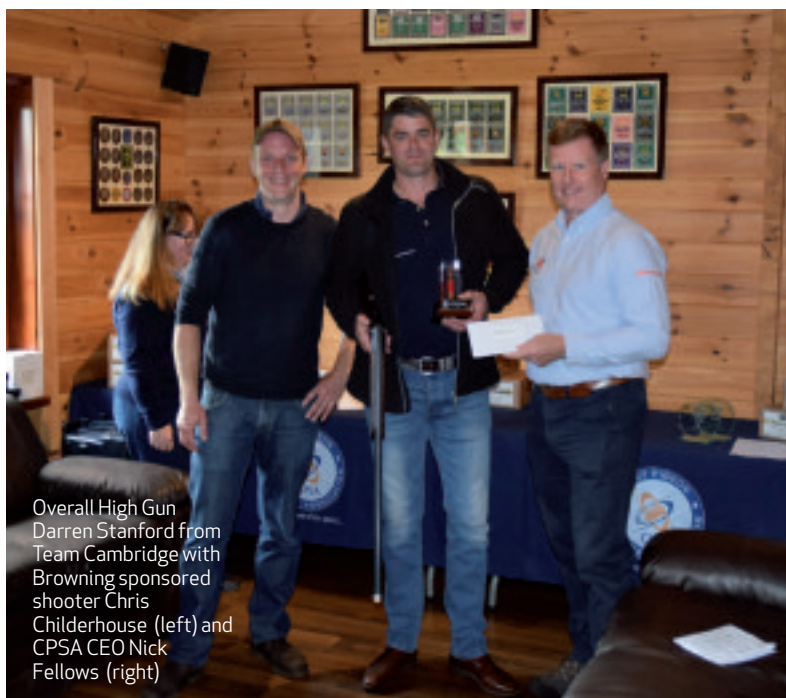

George Howling secured the runner-up and Junior titles and James Attwood took third place overall on countback after tying with Sean Crutchfield from Barrow Heath over the series. Sean took the C Class High Gun title. Well done to them and all of the other Class and Category winners. From a team perspective, Southdown achieved the best top 10 score at the final shoot but it wasn't enough to topple Team Barrow Heath who achieved consistent high scores throughout the series to retain their 2016 title and take home the Falcon 6 Trap from Promatic. Many congratulations to Phil Moss and his team.

We would like to thank our generous sponsors once again: Browning, Gamebore, Sunglasses for Sport and Promatic for their support. We would also like to thank everyone for helping to raise over £3,100 towards our sponsored charity The Lily Foundation – a fantastic effort!

We now look forward to the 2018 series which kicks off at E J Churchills on Saturday February 24. Team registrations will open on Friday December 1. ●

# Megan makes history

SIXTEEN-YEAR-OLD MEGAN JONES SECURES A HISTORIC WIN AT THE BRITISH OPEN ENGLISH SKEET

**A** VERY BLUSTERY Nottingham Gun Club welcomed the British Open Skeet hopefuls on Friday August 18. It was obvious from the weather that it would be a tough shoot but that didn't deter Adam Curtis on the very first squad. His Sporting background was an obvious asset as he set a very early target score of 99.

Richard King equalled Adam's score a few squads later but they were to be the highest of the day.

Saturday saw even stronger winds; the numerous feather flags around the ground were almost horizontal at times. 100 straight looked like a tall order and despite the numerous big Skeet names booked on that day, no one managed it. Dave Morgan and Jon Tones shot incredibly well to tie the lead – still at 99 as the proceedings for the second day came to an end.

The final day of the event saw a huge difference in the weather. The wind had dropped dramatically with just the odd gust here and there and there was an expectant air around the ground in anticipation of the first 100 of the competition. It wasn't a very long wait at all; Derbyshire's Alan Barnes, on the third squad of the day, hit the magic number and prepared himself for a wait to see if there would be a shoot off. This was confirmed when Lady Junior, Megan Jones, scored her very first 100 straight to tie the lead. Nottingham regular Jonathan Cain was the next shooter to secure his place in the High Gun shoot off, followed by Louis Mondesir.

The High Gun shoot off, streamed live by WeShoot of the Clay Pigeon Company, was tense and exciting.

Surprisingly it was the more experienced Louis Mondesir and Jon Cain that dropped the targets, while Alan and Megan kept their composure to score 25 apiece and went on to sudden death. On the first set of pairs Megan missed a target but Alan was unable to capitalise and repeated the miss. On the second set of pairs Megan was calm and collected and cleared them with ease. Alan was unable to equal Megan this time, dropping two targets and finishing runner up.

So, history was made. Megan Jones, shooting 125 straight with her Beretta SV10 and Hull Pro Pistons, became the first ever lady to win the British Open and, at just four days after turning 16, also the youngest ever winner. Megan was absolutely over the moon, saying that she couldn't believe her win. Her aim for the Championship had been to beat her previous Personal Best of 98. She thanked her sponsors RE Rangers and Mark and Tessa Knibbs of The Countrystore. She then thanked Linda Grayson and Dave Beardsmore for their coaching and support. Finally she thanked her brother Callum and her Dad Dave, the family driver and bag carrier, without whom she wouldn't have been able to achieve any of her amazing success.

Nick Fellows, CPSA Chief Executive, was delighted at the result, saying, "It is great for the sport to see a Lady Junior win and so calm under the intense pressure. With Natalie Bales winning the English Open last year and now Megan winning this event, it really underlines how well women compete alongside the men and how inclusive clay shooting is." He also thanked the ground for putting on a great event.

## round-up

**ENGLAND TEAM PREVAIL AT OLYMPIC TRAP HOME INTERNATIONAL**  
ENGLAND'S OLYMPIC Trap team ventured north to the newly established National Clay Shooting

Centre at Falkirk for the 41st ICTSC Home Countries International. Due to other tournaments taking place at the same time, England were left with a team place each in the Senior and Ladies competitions that were not filled; however this did not weaken the team, as they proved.

The team managers were also installed as the Jury for the event, and after a lively meeting, the competition got under way.

The Jury checked the targets and layouts on both days but extremely changeable conditions made for some challenging targets, which unfortunately made the scores appear on the low side for the whole weekend.

The England Senior team were captained by Mark Shaw who led from the front all weekend, and whose confidence emanated to his colleagues Chris Tate, Andrew Greenwood, Dave Sipling, Tim Connolly, Steve Ling, Richard Smith and Shaun Porter. With the top six scores to count, England led the way over Northern Ireland at the end of day one.

Day two commenced in calm conditions with an earlier start time; however within an hour a deluge of rain and heavy winds once again made for some interesting scores and challenging conditions. At the end of the competition, however, England, (999ex1200) maintained their lead over the other home nations to win, but the host nation Scotland (962ex1200) moved into second place.

Overall High Gun was Mark Shaw from England with a score of 177ex200. Mark also took the England High Gun, and the Captain's Cup. Ian O'Sullivan from Ireland was Junior High Gun. Junior runner-up was Daniel Campey from England – a creditable performance on his England debut – while new cap Ruben Bowyer

**Above:** The victorious England Olympic Trap team

**Below:** England's ABT team fought hard for their success

also deserves a mention. Mike Wensley, making his debut for England, took the Veteran High Gun title, while Roger Westaway took the runner-up position. The Mixed Team event (Ladies, Juniors, Vets and Super Vets) was won by Ireland, with England runners-up.

### **AUTOMATIC BALL TRAP HOME INTERNATIONAL**

THE 43RD ICTSC ABT Home International was held at Ashbourne National Shooting Ground on September 1 and 2. Five countries – Scotland, England, Wales, Northern Ireland and Ireland – were represented by 102 shooters who set out on the course for two days of competitive shooting. After a late end to the first day due to

a trap that kept breaking down on the third layout, three shooters were on 97, one being England new cap John Lucy. Good weather greeted the shooters on day two with all still to play for. Tom Cummings from Ireland emerged victorious finishing on 192. England's Steve Ling won Veteran High, with Adam Holmes taking Junior High Gun and John Lucy finished on 190 to win Overall New Cap. By the end of the competition Ireland had prevailed in three out of five team categories with the England team winning the Junior and Super Veteran categories and runners-up behind Ireland in the Seniors, Ladies and Veterans. Congratulations to all England team members who fought hard.

# England's *clean sweep*

THE RECENT ENGLISH SKEET HOME INTERNATIONAL SAW ENGLAND TAKE TOP HONOURS

**A** MILD BUT wet day greeted the six Home Nations taking part in the 37th English Skeet Home International at Dungannon CTC in Northern Ireland.

The highlight of the Skeet shooting calendar threw up everything from drama, laughs, tears and a fantastic atmosphere for everyone.

On the first day targets were set by the ground staff and overseen by the team managers from each nation. They were perfect, and set the scene for a brilliant competition, not at all spoiled by the persistent, often heavy, showers.

An awesome display of shooting by a very strong England team set the pace early on, with no less than 10 50 straights by the halfway point on day one.

The other Home Nations rallied and kept in touch with England to make sure that they did not get too far in front, but by the end of the first day England were leading in all categories.

The second day started pretty much the same with fine drizzle but this soon cleared to leave a dull but dry, mild day and all to shoot for over the final 50 targets.

In the Seniors, Neil Faulkner remained unstoppable with another 50 straight leaving him on an unbeaten 150 straight.

Gary Cooke, Craig Lakey and Kelvin Walsh all dropped a target each leaving them on a brilliant 149 with Sam Fitzgerald and new cap Christian Bethell on a brace of 147s which meant that England increased their lead over runners-up Wales finishing on 744 ex 750.

In the Ladies, Joy Hirons was back on familiar ground shooting a superb 50 straight leaving her on 145 with Wendy Allen, 49, taking High Gun by one on 146 and Emma Parkinson, 48, having a brilliant England debut on 144, thus beating nearest rivals Scotland by 11 targets.

The Juniors remained totally dominant throughout with Tom Tristram and Callum Jones both hitting 50 straight leaving them tied on 149 and another brilliant display from George Owen, 47, leaving him on 147 gave them an easy win over Wales by a clear 12 targets.

Mick Russell ended up with a final tally of 148 for the Veterans, leaving them with the narrowest margin of just three targets over Northern Ireland.

Finally the Super Veterans saw Steve Leppington finish on 147, Johnny Walker, 146 and Kevin O'Reilly 144, which meant they finished on 293, six targets ahead of Northern Ireland.

**Above and below:** The England team  
**Right:** Neil Faulkner

So, for the second year running England took a clean sweep of honours but it was not a walkover and all the other Home Nations are becoming stronger which will only make future Home Internationals even closer in the future.

I would like to pay tribute to two English Skeet shooting legends who shot their final rounds of competitive Skeet for England at this Home International.

Johnny Walker has finally hung up his England Skeet vest for the very last time. Despite sometimes being outspoken he is still a legend. No one could ever question his passion for a sport that he has worked so hard for over many, many years and his dedication to the English Skeet shooting community. Thank you Mr Johnny Walker.

Finally, Joy Hirons has also shot her last round of competitive Skeet for England. There were tears of great emotion from the manager and Joy herself as she pulled the trigger for the last time on a beautifully timed 50 straight, as her short, but amazing, Skeet journey has left her as one of the legends, and one of the most successful Lady Skeet shooters of recent years. Joy won four successive caps for her country and was never in a losing Ladies team.

I pay tribute to them both.

SARAH DALY REPORTS  
ON A BUSY CALENDAR  
OF EVENTS

**T**HE UNIVERSAL Trench (UT) World Championships, held at BTC Megève, France was a tough event, with break downs and poor visibility. Abbey Ling's squad took two hours to shoot one round, rather than the usual 20 to 25 minutes, but she still managed to post 23ex25 to continue her

amazing season by winning the UT Ladies World Champion title, having already won the UT Ladies European title, all her selection shoots and National Championships.

Abbey was in contention throughout the four days of shooting, going into the last day just one target ahead of the field, finally finishing three targets ahead of her nearest rivals, Daniela Mazzocchi (ITA) and Stephanie Neau (FRA).

Abbey commented: "I knew I had to put in two good rounds on the last day; I put in a 22 on the first round but made up for it with a 24 in the last!"

Abbey, who travelled to France in the family motor home with her mother, added, "I have not been training as much because of Amy (who is five months old), but when I do shoot it's my time, it's my passion and what I love doing."

Abbey was the only individual medal winner, but there were two team medals: silver for the Ladies: Abbey Ling, Emma Haines and Katherine Bright, and bronze for the Super Veterans: Kevin Borley, Howard Batt and Phil Rowley.

### FITASC COMPAK WORLD CHAMPIONSHIPS

### Jul 6-9: World FITASC – Galgamasca, Hungary

This year's World FITASC was held at Galgamasca, Hungary, seeing many British shooters take part. What an event it was – the hospitality was first class, with a course to match, and worthy of a world championship event. The Senior team saw Mark Winsor represent GB. Mark put in an excellent performance all week, coming fourth overall and also brought home a team bronze medal. In the Veterans, Phil Rowbottom helped take home team gold with his strong performance. In the Juniors, Josh Bridges once again put in an excellent performance, taking individual gold and team silver, but also finishing as the second-highest British shooter at the event. Other northern shooters who had put in strong performances were Kev Jobling, Dave Carrie and Glenn Hunt. Glenn narrowly missed out on a podium spot after a shoot-off. Well shot to all who travelled and took part in what was a world-class event.

We would also like to thank South Yorkshire Firearms Licensing and Tony Allerton for being very efficient and helpful, with some last-minute and super quick work to get EFPs sorted for the event.

### Jul 13-16: Fourth ICTSF World Sporting – Kelmars Hall

The course was designed and set by Clive Bramley and his team from Doveridge – they were pushed

all week to keep the event running smoothly in ever-changing and challenging weather conditions.

Once again, Josh Bridges was on form, taking Individual silver medal and Junior team gold with the England Juniors being some 30 targets clear of second place. Graham Stirzaker made his 36th appearance for his country and, along with his fellow team members, came away with Veterans team gold again with a healthy 16-target advantage over second place. Steph Meachen also continued with her good form, taking second in Lady Colts – just two targets behind first! Well shot Steph. Paul Foster also shot very well, making the semi-finals on the Sunday but narrowly missing out on the super final.

Congratulations and well shot to all who attended the event.

### Jul 22-23: British Compak Grand Prix – Barbury

There was some fantastic shooting again all weekend. Josh Bridges was at the top again, taking first in Juniors and becoming the top northern shooter with his score of 191 (only two behind High Gun). Steph Meachen again showed some good form, taking fourth in the Ladies category. Keep it up Steph! Glenn Hunt again shot well, finishing fifth. Congratulations to Jess Wright and Paul Foster for making the Senior GB team and Josh Bridges for making the Juniors team. Well shot and good luck at the World Championships.

### Aug 13: World ABT Championship – Fauxdegla

Congratulations to Cumbria shooter Mark Shaw on his recent win at the World ABT Championship. This adds to his English Open title.

### Aug 13: Yorkshire and Lancashire County Skeet Championships – NOECTC

Andy Parsons retained the Yorkshire County Badge for another year, after a shoot-off with Steve Leppington when they tied on 99 ex 100. Sue Barratt was Ladies High Gun with an excellent 96 ex 100, but since she is now living 'over the border' in Durham, the Ladies County title went to Chris Lancaster. Liam Rollinson took Juniors with 93 ex 100 and Archie Pope was Colt Champion. Well done to all.

The Lancashire County title went to Robert Jones, who won both High Gun and Veterans. Holly Pennington won Ladies and Juniors badges – very well done.

### Aug 18-20: British Open Skeet

Congratulations to North Region Veterans Dave Hornby, Robert Jones and Jim Tones for winning the team event. The Senior team came runner-up by just three points! Steve Leppington won the Veterans title after a shoot-off with Dave Hornby, having both scored 98 ex 100. Our young colt, Archie Pope, shot exceptionally well in poor weather on Friday, scoring 90 ex 100 which won him the bronze medal! Also, many congratulations to John Tones who won A Class with an excellent 99 ex 100. Well done to all the North Region teams! Dave Barratt

## Jul 30: FITASC County Championship – Garlands SG

This year's FITASC Championship was held in conjunction with England Selection Shoots at Garlands SG. Ace target-setter Steve Lovatt set

four very challenging layouts. Using the 'old-style' hoop system, a simple move from hoop one to hoop two and three made the target presentations completely different, some of which required monster leads.

After what was a long day, we're pleased to announce that Tony Dean became High Gun and County Champion with a very credible score of 86 ex 100. Tony was closely followed by Andy Jones (Veteran Champion), James Woodcock (Mens Champion), Janet Gornall (Ladies Champion) and Tom Woodcock (Junior Champion). Well done to all.

## Jul 30: West Midlands DTL Inter-counties Championships – Fauxdegla SG

Firstly, we'd like to thank the 30 Cheshire Shooters who attended this event – almost three times more than in 2016. That is testimony to the support and encouragement of Holmes Chapel SG and Mickley Hall SS for this trap discipline, of which Cheshire has a rich history of success.

The Veterans, Ladies, Juniors and two Senior teams entered included eight new caps, boding well for the future. Unfortunately, the early squad times were burdened by gusty weather conditions but this didn't faze Cheshire's Mark Harris whose perfect 100/300 deservedly won him the prestigious titles of West Midland High Gun and Cheshire High Gun and County Champion. This was the only 100/300 of the event and truly amazing in the difficult weather conditions.

The weather was much kinder to the other County teams and they took full advantage of the situation, pushing all the Cheshire teams out of the medals with the exception of the Cheshire Juniors who won bronze!

## Aug 26: Olympic Trap County Championship – Fauxdegla SG

Congratulations to Cheshire's Andy Pownall, who became the 2017 High Gun and Olympic Trap County Champion. He scored an amazing 69 ex 75 over Fauxdegla SG's three shiny new Olympic Trap layouts. Veterans Champion (55+ as this is an ISSF sport) was Chris Bushell, Mens Champion was

David O'Donnell, Ladies Champion was Hazel Denney (following a count-back with Jeannette Bushell) and Junior Champion was Fred Whitehurst. Well done to all entrants – especially the Cheshire Skeeters who supported this event and enjoyed 'life in the fast-trap lane' for the day, accompanied on the adjacent layout by Olympian Ian Peel (silver medallist, Sydney 2000). What other sport can you compete in the same event as an Olympic medallist?

Very well done to England team members Paul Tudge (Olympic Skeet) and Shaun Porter (Olympic Trap), who both won their respective Home Internationals.

## Aug 5-6: West Midlands Inter-counties

### FITASC – Garlands

A huge well done to our victorious Inter-counties team winners. Led by Chair Steve Clarke, the team consisted of Adrian Johnson, Steve Burnham, Kevin Childs, Nick Portlock and Rob Wise. Together, they shot a team aggregate score of 433 ex 500. They started first thing on a cold, wet and seemingly miserable Saturday morning on the toughest layout, where they duly set a score that was a good five clays clear of their nearest challengers.

## Aug 6: English Skeet County Championship – Gloucester

The sold out posters went up for this popular event long before the day of the shoot. Everyone at Gloucester put in a terrific effort, and we even had a full house of all the classes.

Nick Portlock became the County Champion and also took B Class (yes, our star AAA Class shot is B Class for Skeet). Other County winners were Chris Fry (Veterans), Paul Tudge (AA Class), Simon Golding (A Class), Matt Blandford (C Class), Jenny Young (Ladies) and M Brooker-Smith (Juniors).

## Aug 13: Universal Trap County Championship – Rugby

This competition was a close affair. The County Champion was Matt Panther, in second was Shaun Porter, third was Matt Jones and the Lady Champion was Sue Tippet.

## Trap

We have some talented shots in our County. However, as no ground in the County hosts Trap events, our Trap shots have to put some miles in. One is grateful that they put in the time and effort to compete in the County events. Hopefully, with the upsurge in interest expressed this year, we will see an increased participation in some, if not all, of our County Trap events.

## Sporting

August 2 at Coleys – Ivan Reid first in AA Class (90 ex 100), second in A Class Phil Bundy (88 ex 100), first in B Class Doug Pinnegar (87 ex 100), second in B Class Joanna Thomas (83 ex 100), third in B Class Brian Baxter (82 ex 100), second in C Class Jenny Young (79 ex 100). August 20 at Four Counties – Joe Hale shot 92 ex 100 to take High Gun. On August 28 at Longridge – in AA Class, Rob Wise and Shaun Ponting tied in third. In C Class, Sean Foley shot 89 ex 100, making light of his recent struggles.

## Sporting

Last month I missed a new personal best! The unassuming Charlie Bendall slipped from the shadows and put in a 86 ex 100 at Honesberrie on July 9. Well done Charlie. Doug Pinnegar shot 87 ex 100 at Coley's and Nick Portlock matched his personal best with a 98 ex 100 at Owls Lodge. Meanwhile, the forever improving Jenny Young

### Aug 5-6: West Midlands Area and Inter-counties FITASC Championships – Garlands

H&W entered a full team for the Inter-counties, eventually taking the bronze medal. Julian Morris 88 ex 100, Phil Smith 88 ex 100, Nick Rees 84 ex 100, Matt Pugh 84 ex 100, Rod Davies 77 ex 100 and Wes Harris 76 ex 100.

### Aug 6: ABT County Championships – Park Farm SG

There were eight squads for these championships. The County Champion is Rod Davies 92 ex 100, Veteran Champion is Andrew Foxall 89 ex 100, Junior Champion is Tom Betts 85 ex 100, Colt Champion is Will Goodman 81 ex 100 and Ladies Champion Lisa Cooper 76 ex 100. Thank you to Park Farm and all the staff.

### Aug 6: West Midlands Area and H&W Double Trap Championships – Griffin Lloyd

The H&W County Champion and West Midlands Area bronze medal winner is Tim Smith. Archie Parker-Smith is the H&W Junior Champion and West Midlands Area Junior Champion.

### Aug 18-20: British Open English Skeet Championships – Nottingham

Emma Parkinson shot a 98 ex 100, becoming Ladies runner-up and third in Juniors after a shoot-off. She was also in the winning West Midlands Regional Junior team and, with her father Ian, won the Parent and Child category. Also on 98 ex 100 was one of our top Sporting shooters, Brandon Smith, who took fourth place in Juniors. Tim Smith won the Side-by-Side with 93 ex 100 and he was also in the winning West Midlands Regional Veterans team. Archie Parker-Smith shot 93 ex 100, coming second in Colts. I would also like to mention two of our Veterans, Ian Currie and Graeme Walker, who both shot 95 ex 100 on the Friday, which I understand was not a pleasant day weather-wise. Excellent results.

### Aug 20: DTL – Fauxdegla SG

Thomas Burns, aged 15, shot the 100 DTL competition at the fabulous Fauxdegla SG. Tom's squad kicked off at 13:00 and, unbeknown to Tom, he was shooting in the company of Mr DTL himself: Paul Chaplow, who shot another 100/300 – his 144th. Tom shot his first 100-straight, finishing on 100/295 to take C Class, Colts and Juniors.

It must be said that the effort put into this ground by Mike and Debbie Faux should be applauded and supported by all shooters who are able to shoot the disciplines available. Many thanks to Mike, Debbie and their team. *Phil Gutteridge*

### Aug 27: DTL County Championships – Park Farm SG

This was a glorious day for these championships, with no wind for a change. Although it clashed with a DTL shoot at Bywell, we still had a number of H&W members turn out. County and Veterans Champion is Rob Haines with 99/293. Ladies Champion is Karen Vaughan, retaining her title from last year, on 88/259. Junior Champion is Will Goodman with 91/269 and the Colt champion is Aidan Hickey on 87/255. Thank you to everyone who participated and to all staff at Park Farm for a very enjoyable and well run day.

### Bywell DTL Classic

Jack Ruane put in a brilliant performance, taking Junior High Gun in the Bywell 400. Jack also came first in the Junior Double Rise with a score of 91 ex 100, fourth in the British and English Single Barrel and fourth in the Junior Bywell Classic.

After a tense shoot off, Chris Moule came third in the British Open Single-Barrel with a score of 100 ex 100. Chris also came third in the (AA) Classic with a score of 596/600.

Lee Kirby, with a score of 593/600, came fifth in the (AA) Bywell Classic. He also came fifth in the British Open Single-Barrel with a score of 99 ex 100. *Jerry Ruane*

### Juniors

Over the past 10 months, our Juniors have been extremely busy representing both our County and also our country. Firstly, I would like to congratulate Rebecca Fergusson for being selected to represent GB at the recent Junior World Cup. Rebecca was selected to compete in the Olympic Trap competition and managed a very respectable 20th place at her first World Cup representing GB. I believe nerves got the better of Rebecca on the first layout, but she brilliantly recovered to finish strongly in the end. Congratulations Rebecca.

Archie Hughes has been going from strength to strength with his Sporting shooting. Archie has hit a recent run of form, posting respectable scores in the 80s at consecutive registered events. Well done Archie, keep it up buddy.

# PROMATIC FITASC CHALLENGE Sunday 22nd October

07973111650 ~ Exciting New Stands, Targets & Tower

Arran Eccleston has been shooting Olympic Skeet for about two years now, and been mixing this with regular Sporting shoots. Only last month did Arran achieve something that, for a lot of people, would be a lifetime achievement: winning High Gun at a registered event held at Gloucester Gun Club. Congratulations on this achievement Arran. Keep working hard buddy.

Josh Sarjent and Tom Davies – welcome to the County and congratulations on making the Sporting Junior team at your first attempts. Good luck in all that you do and I hope to meet you both soon.

## Nick Williamson

A huge congratulations must go out to Nick Williamson who recently represented GB Super Veterans at the World Compak Championship held in Signes, France. Nick teamed up with Andy Jones and John Bidwell who together achieved team gold. Congratulations Nick and all the best for 2018.

## FITASC

For the second year running, Shropshire has managed to field a full team to represent the County at the West Midlands FITASC Championships. This is a great achievement by all as we do not have designated FITASC shooters. This event was also Shropshire's County Championship and the results are as follows: County Champion and Senior gold Gary Edwards, Senior silver Stu Aston, Senior bronze Mike Cashmore, Veteran gold Nick Williamson and Junior gold Archie Hughes.

## Awards Dinner

Shropshire's awards evening will once again be held at the Four Crosses at Bicton on January 27 2018. Tickets are available through the Secretary, either by email or phone.

## Malcolm Langham

I would just like to inform the County about the passing of a long-term County member. Sadly, on Sunday September 3 Malcolm Langham passed away at his home. He will be dearly missed by everyone. Malcolm was a big character and loved by many people – not just Shropshire shooters, but those from neighbouring Counties as well. RIP Malcolm

# 120 Reg Sporting ~ Sat 28th & Sun 29th October

£200 High Gun ~ 15 Stands ~ New Tower ~ New Layout ~ Fair Price & Prizes

First of all, many apologies for my write-up last time, I did not proofread as I was away and, upon opening and reading last month, it read like Arnie was a Para Trap shooter, which we all know is not the case.

The biggest result of the last month was Megan Jones. What can I say? I'm in awe of her achievements. The first was that she scored her first 100-straight at the British Open Skeet. If you're going to do it, that's the best place for it to be seen! You would think that being at a national competition may have fazed her, as her straight put her in a shoot-off with three other 100-straight scorers and she is B Class against more experienced AA Class Senior shooters. However, she managed to keep her head together and shot – yes, you've got it – another straight, along with her now main rival Alan Barnes. So, the shoot-off continued. Megan, to her credit, shot seven to Alan's five and won! She took not only the Junior title, the Ladies title, B Class winner and Ladies Regional Team (West Midlands), she took the whole shoot! Megan is now the British Open Skeet Champion of 2017. Many congratulations, well deserved and excellent shooting. We are all so very proud of you Megan.

Additional to this, Megan's brother Callum was part of the winning West Midlands Junior Team. There is definitely something in the water in the area.

The Warwickshire Helice Championship held at Rugby and District was won by Mark Knibbs. John Nightingale took the Veteran title, Ben Dingley won the Junior title and Colt was taken by Sam Sears. John passed comment regarding the entries and was pleased to see that half of the entries were Juniors and Colts. John also asked that Ben Killian was mentioned – he was second in Colts after a shoot-off and it was his first attempt at Helice. Excellent shooting by all.

Please see the website (page 45) for the latest fixtures. All County Championships, West Midlands Inter-counties Championships and West Midlands Area Championship competitions will be shown with venue and date.

### Aug 13: Inter-counties All-Round – Northampton

It's common knowledge in County circles that Northamptonshire is very much a team to be

considered when the East Midlands Inter-counties shoots come around – especially in the Sporting, Skeet and All-Round. However, their inability to field a team in the complete series has cost them dearly in the past. Only a few years ago, the fabled 'Northamptonshire Dream Team' swept all before them in the first three shoots, then they failed to enter the next three shoots, handing the title over to those Counties more committed to the long haul. As recently as last year, entry alone into the FITASC would have guaranteed the Northamptonshire team victory in the Directors Trophy.

According to a few of my sources, they are intending to field teams in all six shoots – that must be worrying news for a few Counties hoping to break the Nottinghamshire-Suffolk stranglehold on this competition. Time will tell.

Well what I can report is that Northamptonshire got off to the best possible start at a bright, sunny and wind-free Northampton Shooting Ground, with 130 shooters in attendance.

In the final reckoning, Suffolk and Northamptonshire were well clear of the remainder of the other Counties, and it soon became apparent it was a case of which County could stack up the most 90+ scores. In the end, Northamptonshire had the luxury of securing victory with one of their shooters still out on the range. When his score was included, the winning margin increased by one more target.

Many congratulations to the Northamptonshire Senior team of Dave Morgan, Mick Rolstone, Mick Russell, Steve Smith, Joe Smith, Julian Williams, Leon Gill and Neil Faulkner who amassed a tally of 550 ex 600, Joe Smith top-scoring on 95 ex 100.

Just four points behind was Suffolk, which had Eric Chapman as the top scorer on 93 ex 100. Darren Parsons, Peter Mayhew, Rob Butters, Francis Alexander, G Garnham, A Stephenson and Stuart Smith completed the line-up.

In Veterans, Bedfordshire (the favourites) again took the title with Glen Moore top scoring on 93 ex 100 to give the Beds quartet a finishing total of 184 ex 200. John Stanton, P Coxall, and Jim Munday completed the winning line-up. Next best was Lincolnshire on 178/200.

In Ladies, we had a tie between Northamptonshire and Suffolk, finishing on 154 ex 200. Pauline Chapman was top of the Suffolk duo on 87 ex 100, with Melissa Smith on 67 ex 100. Rose Palmer was top of the Northamptonshire quartet on 80 ex 100.

After much banter between the two teams, a discipline was drawn from the hat to decide the result. Both Counties had their preference but, inevitably, it was one of the trap disciplines – Down the Line – that was drawn out.

It was to be a sudden-death shoot-off on the centre peg. Suffolk won the toss and decided to shoot first, sadly missing one target. Ruth Markham and Kirstin Vogel then made no mistake in sealing victory for Northamptonshire, Isabel Russell completed the winning line-up.

In Juniors, the quality was staggering, with Taylor Hedgecock from Cambridgeshire and Henry Collins from Northamptonshire finishing all square on 97 ex 100. Sadly, those remaining were denied what could have been an epic shoot-off as Taylor had to leave the ground, giving Henry the Junior High Gun title and the James Hinkins Trophy. However, Taylor can seek some solace in the fact that his score coupled with that of Dan Mawby's 90 ex 100 and Alex Bowman's 72 ex 100 was good enough to give Cambridgeshire the Junior team title, with a narrow four-clay victory over Northamptonshire.

Once again, many thanks to Northampton Shooting Ground for hosting this event, and of course to East Midlands shooters for supporting us.

As always, you can check out the Regional website for more shoot reports, photographs and news. You can also follow us on Facebook.

Hello all you shooters out there. First, I will touch on the Inter-counties All-Round Championship held at Northampton Gun Club on August 13. Cambridgeshire fielded a full team of Seniors, Ladies, Veterans and Juniors. We had very mixed results and there was some very good shooting by Chris Morris and Taylor Hedgecock who both scored 97 ex 100. These were the highest scores of the day, only equalled by one other shooter who was also a Junior, like Taylor – it was not plain sailing for our younger lads by any means! However, with the able help of Dan Mawby and Archie Bowman, Cambridgeshire took the Juniors title. Chris Morris was ahead of his team members with his score of 97 ex 100 – the next score down was David Meanie with 93 ex 100. Well shot all of you.

On the same day, the County Double Trap was being staged at Nuthampstead. James Sole took the honours and the County Championship. Well done James.

August 20 was the eagerly awaited Cambridgeshire DTL Championship, held over four layouts at Cambridge Gun Club. The day started well, with sunshine and very little wind. Things looked perfect, and it was for Richard Morris. He, on one of the first squads, came in with a 100/299 that was to take some beating during the day. There were also some very good shooters from other Counties, with the likes of J Matthewson (100/296) and Paul Neal (100/294). At the end of the day, Richard's score stood firm and he became the Cambridgeshire Champion.

Senior Champion was Chris Morris (99/293), Veterans Champion was Gordon Webster (97/287), Juniors Champion was Taylor Hedgecock (98/287), Ladies Champion was Hazel Whiten (97/286) and Colt Champion was Archie Bowman (252). Class winners: AA Class Matt Sheldrake, A Class Chris Morris, B Class Phil Barnard and C Class Gordon Tate.

The County FITASC Championship which was

held on August 26-27 at Grimsthorpe. I went on the Sunday to get some pictures but, as it was held over two days, the County winners shot on the Saturday so I did not get any photos of them. The Cambridgeshire Championship was taken by Harry Seal with 86 ex 100. The Veterans went to Steve Grant with 83 ex 100 and the Ladies went to Holly Duggan with 68 ex 100. These are very good scores indeed. Judging by the scoreboard, only one person shot better than Harry over the two days.

Many thanks to all our shooting grounds for looking after us year after year. I guess most of us take it for granted and just turn up and shoot, but I know firsthand that a lot of work goes into the running of our grounds. Once again, many thanks.

Good day to you all, I hope that you are all in fine fettle. It's been a very busy month for our shooters and teams, so here we go...

### Aug 5-6: FITASC Sporting County Championship – Kegworth

From all reports, this was a cracking day out. The targets were good, the weather was good and the shooting was good. Top shot and Champion was Ben Hushwaite with 93 ex 100. Veteran winner was John Wells on 90 ex 100. The Ladies was won by Rachael Tuckey on 76 ex 100. The Junior hot-shot was Sam Houghton with a tidy 68 ex 100. Very well done to all of the shooters and many thanks to the team at Kegworth SG.

### Aug 19: DTL County Championship – Normanton

Taking High Gun, the County Champion title and the Junior Champion title was Alex Harris with a score of 293/300. I told you to look out for this lad – well done! The Veteran Champion was Mike Brookes on 289. The Ladies winner was Theresa Harris, shooting 238.

All of the scores were of a good standard but it was a trifle windy. Thanks to 'Uncle Mick' for a good event enjoyed by all.

### Aug 20: Sportrap County Championship – Kegworth

Shooters from as far away as Scotland came to compete in this Championship. The top shot was Colin Will from Scotland, with a brilliant round of 93 ex 100 – it was well worth the travelling. Our local Champion was Lee Whiting with 90 ex 100. Adam Curtis scored 86 ex 100, D Heath 84 ex 100, Dave Cockerill 80 ex 100, S Jones 70 ex 100 and A Hughes 68 ex 100. Sam Houghton was the Junior Champion with 80 ex 100 and Eddy Whiting won Colts with 56 ex 100. Very well done to you all and thank you Kegworth.

### Aug 27: Sporting County Championship – Grange Farm

This year's super shot was Lee Whiting, who managed a superb 95 ex 100! The Veteran hot-shot was Steve Britewell on 90 ex 100. Evie Figliolini scored 64 ex 100 – not bad for a 16-year-old. The Junior Champion was Sam Houghton on 75 ex 100 and the Colts super-shot was Eddy Whiting with 53 ex 100. Congratulations to you all.

There were 129 entries. Grateful thanks to Grange Sporting for hosting the event.

### Aug 28: Double Trap County Championship – Normanton

The Champion and Junior winner was Connor Harris, scoring 43 ex 50. Veterans winner was John Grice with 39 ex 100. The highest Senior was Adam Curtis on 42 ex 100 and the Ladies Trophy was won by Theresa Harris with 29 ex 100. Again, well done to you all. There were 23 entries. Thanks again Mick.

### Aug 6: Single-Barrel – Priory CTC

After the hustle and bustle of some major championships in July it was nice to enjoy the relaxed atmosphere at Priory Clay Target Centre. In spite of a conflicting championship at Cambridge Gun Club entry numbers were on a par with recent years as Lincolnshire shooters competed for one of the most prestigious trophies we have in our collection. The loss of that comforting second barrel can make Single-Barrel quite an unnerving

competition but this did not affect our winner, Barry Dunmore, one little bit as he racked up an awe inspiring 95 ex 100 to take the trophy. Some way back but with an equally impressive score of 84 ex 100 was George Cheer who took the new Junior trophy and was second Overall.

### Team news: East Midlands Inter-counties

Team Lincolnshire swung into action at the first of the series of six Regional Inter-county shoots at the All-Round on August 13. This is a difficult one for us to win as we are up against the giants of Northamptonshire and Suffolk whose Sporting prowess usually gives them the edge so for us to finish in third place for the Ladies and Senior teams was a very good result. The Veteran team were much closer as they inched ahead of Northamptonshire by one point and Suffolk by two points with their score of 178 ex 100 but alas Bedfordshire snatched victory away when they returned a 184 ex 200 to take the team honours for that category. Top scorers for us were Pete Atkin and Norman Smith who both finished on 90 ex 100. Well done to all. The spin-off from this series of shoots is the competition for the East Midlands Directors trophy. At the end of each shoot the top eight scores (six for ABT and FITASC) from each County, regardless of category, are extracted and totalled and points awarded from the top down to find the most successful County over the six shoots. After this first competition Lincolnshire are lying in fourth place.

### Team news: National Inter-counties

We have teams in place for these events but this year, at the last minute, many of the dates have been changed; consequently those of you who are in more than one team will have to choose which is your preferred discipline. This may mean that we are unable to field teams in some disciplines. We apologise for this but it is entirely beyond our control.

### Lincolnshire v Nottinghamshire All-Round Challenge

This competition between the 'Poachers' and the 'Robin Hoods' has now run for five years and although, as always, the competition to win is very fierce the purpose of the day is to raise money for the Lincolnshire/Nottinghamshire Air Ambulance. The 10 top scores from each County determines the winner and unfortunately Lincolnshire were a bit outmanned as events elsewhere meant we were not able to put in as big a field of entries as we would have liked. Our top scorers matched the Nottinghamshire big guns point for point with Pete Atkin on 93 ex 100 and Mike Burton and Richard Thompson both on 88 ex 100. There followed a plethora of 85s from both sides but unfortunately the gap widened as we went further down the list. So for this year only the trophy goes to Nottinghamshire but more importantly £340 was raised for Air Ambulance. Thanks to NDGC for the effort they put in to it.

### Aug 25: Norfolk Sporting Championship – Mid Norfolk

This year we had an entry of 105 shooters. We were unlucky to have a few other grounds in the local area holding fixtures on the same date, but it was still good to get over the 100 mark.

This year's Norfolk Sporting Champion is Duane Morley, who managed to score an impressive 97 ex 100 to take the win by a single clay over Mark Goddard. Other notable scores were from T Hannant (who took B Class with an incredible 93 ex 100), David Gooding (93 ex 100) and Micky Briggs (92 ex 100).

The Veterans title was won by Micky Briggs with an excellent 92 ex 100. This was just enough to take the title by a single clay over Tony Shelton (91 ex 100) and last year's Norfolk Sporting Champion Ian Hallwood (90 ex 100).

The Ladies title was won by Susan Hallwood with a score of 74 ex 100. S Sexton was close behind on 69 ex 100. Susan managed to regain her Ladies crown after losing out to the absent G Tillson last year. Susan has now won this title 12 times since 1995. Well done Susan!

In the Juniors, we had George Townsend take the Juniors title again with an impressive 87 ex 100. T Durrant and H Page were not far behind on 77 ex 100 and 75 ex 100 respectively.

**Below right:** Ruth Markham and Kirstin Vogel – Inter-counties All-Round Ladies winners

The cumulative scores of all who have entered are on the Supreme Champion leader board, under the County Champion tab.

The rules for the Supreme Championship changed this year to facilitate a wider entry, and the requirement for three scores from Skeet, DTL and Sporting was dropped. This year, the competition counts the five best scores from any of the County Championships. The competition is open to Senior, Lady, Veteran and Junior shooters, with trophies being presented at the awards evening. Take a look and see how you fared this year.

#### Regional Inter-counties competitions

It is now the start of the Inter-counties competitions and our sights are firmly set on the East Midlands Directors' Trophy. Last year, we were within grasp of the trophy, even though we did not send a FITASC team to the competition. We were pipped to the post by Nottinghamshire by just one clay. This year, under the management of Jeremy Baker, we will field a team for FITASC, alongside all the other disciplines. Our sights are firmly on breaking the hold that Nottinghamshire and Suffolk seem to have on the trophy.

If you are a Lady shooter and are interested in competing in the ABT competition, it is not too late to contact Roy Tyler to express your interest.

#### Inter-counties All-Round

This was the first event of the Inter-counties competitions, and was a strong discipline for Northamptonshire. On home ground, we managed a strong, full team. The weather was warm, sunny and calm, so the DTL clays behaved reasonably well and the ABT clays did nothing too unusual. Roy had set a challenging but fair Sporting course, with a range of targets – loopers, teal and an amusing jumping rabbit – but it was the high tower and in-comer on the final stand that was the tester for even the best shots.

Northamptonshire's Seniors put in a very good score of 550 to take first place. There was a shoot-off between Northamptonshire and Suffolk Ladies, both of whom scored 154. The discipline chosen was DTL, and Kirstin Vogel and Ruth Markham quickly saw off the Suffolk Ladies to take the title. Our Juniors were four clays away from the Cambridgeshire team and came second.

Henry Collins took the competitions' Junior High Gun title with a very good score of 97 ex 100.

Thanks to all those who took part. Well done. We have started the season with a lovely eight points on the board.

#### International competition

There was a wonderful result in the recent international for England, captained by Northamptonshire's very own Neil Faulkner. In total, there were four County shooters in the team and they all shot phenomenally well. Leon Gill (Senior, 145 ex 150), George Owen (Junior, 147 ex 150), Mick Russell (Veteran, 148 ex 150) and Neil with a great score of 150 ex 150. Congratulations to everyone and well done!

#### Dec 9: Annual Awards Evening

Delapre Golf Centre on the A45 in Northampton will again be hosting our Annual Awards Evening. Tickets for the ever-popular evening are being quickly snapped up. Tickets remain at £25 for the three-course meal and one free entry into the prize draw. See Marty to book your place.

## Jul 30: DTL County Championship – Nottingham and District

A total of 54 shooters attended – 29 of those from Nottinghamshire. A good breeze and variable light conditions made targets tricky at times, but this was pretty much the same throughout the day, ensuring the weather didn't play a part in the outcome.

Andy Brown was the first of the favourites to tackle the layouts and proceeded to fill them in without a nerve in sight. His 300 was more than enough to win the High Gun and nobody really got close to him. Andy's attitude towards his shooting is admirable and, I can assure you, he will always be giving it everything he has. Congratulations Andy.

In the Veterans, Mick Feather finally took Ken Rimington's stranglehold off the trophy, producing a terrific score of 298. This pushed Ken down to second place for the first time in many years. The Ladies category was a close affair, with Sarah Odam and Jenny Hilton both shooting 94 ex 100. Sarah just edged out Jenny by two points in the final reckoning. Sadly, we had no Juniors or Colts shoot the event, which is both disappointing and worrying for the future of our great sport. The Class prizes on offer were taken home by Adrian Snell (AA Class), Steve Hilton (A Class), Chris Twigger (B Class) and J Clark (C Class). Finally, we would like to thank Carl and his team for running the event.

## Aug 28: Garth Womble – Nottingham and District

A total of 44 shooters contested the Championship, with Ken Rimington claiming the High Gun, Veteran and AA Class crowns courtesy of a 100/298. Jan Stennett also completed a double of her own by winning Ladies and C Class, while Freddy Brown made a winning return in Juniors following a long lay off. Well done young man and nice to see you back. Gordon Hodgkinson and Simon Williams rounded up the remaining Class prizes after both posted scores of 292. Finally, the Parent and Child trophy was taken by the O'Briens, but nobody claimed the customary bragging rights during the journey home as both finished on the same score.

## Aug 28: Kevin Quincey All-Round – Nottingham and District

Pat Dickman was on form once again, producing a brilliant 94 ex 100 to take High Gun by a single target. Bob Tucker and Megan Gamble shot well to win the Veterans and Ladies categories, while Steve and Jenny Hilton wrapped up the family trophy honours. Thanks to Nottingham and District Gun Club for hosting.

## Aug 28: Nottinghamshire v Lincolnshire All-Round – Nottingham and District

Running in conjunction with the Kevin Quincey event was the Nottinghamshire v Lincolnshire All-Round shoot in aid of the Air Ambulance charity. At the end of play, Nottinghamshire was victorious by 872 to 842. A total of £340 was raised – thank you to everyone who contributed.

## County success

Congratulations to Russ Hufton on claiming the English Open Handicap by Distance Championship at Nottingham Gun Club with an impressive score of 99/290 from the AA mark. Congratulations are also in order for Lee Wilcoxon, who recently shot his first 100/300 on the first day of the Clay Shooting Classic at Bywell Shooting Ground. Both are fantastic achievements.

## Jul 23: Suffolk Challenge – Barrow Heath

A rainy start dampened the enthusiasm of competitors for the challenge at Barrow Heath.

**Above:** Stuart Smith receives the Suffolk Challenge trophy from Phil Moss

**Left:** Nottinghamshire DTL Winners

**Below:** Tom McGregor receives the Suffolk Sporting Junior trophy from Stuart Smith

As the weather brightened, so did the entry until the heavens opened again at 12:00. The final entry of 141 was below expected; the blame falling on school holidays and weather, as the feedback from those attending was very positive.

The Suffolk Challenge can be won by any CPSA member from anywhere in the UK – which makes recovery of the trophy risky to say the least!

As the competition finished, two early scores were tied at 92 ex 100. Tom McGregor and M Bowes were some of the last to finish, but both posted a 91 ex 100, as did Puff Baker and F Barker earlier. Both Stuart Smith and Mark Cobbold (the early scores) were contacted to attend a shoot-off. Sadly, after an agreed time, Mark had not arrived or replied, so the title and cup remained in Suffolk and Stuart Smith was the winner.

Thank you to Barrow Heath and team for enduring the worst weather seen on a championship day since Easter.

## Jul 30: Suffolk Sporting – Eriswell Lodge

A good crowd was hoped for this flagship event and 227 competitors attended, 86 from Suffolk. It soon became clear that this was not going to be an easy competition, with a great mix of stands offering a challenge to all classes.

Pauline Chapman proved her supremacy in this discipline with a score of 80 ex 100, taking and retaining the Ladies title. Eric Chapman scored 81 ex 100, chasing the Veteran title, but Colin Saich stopped this with a score of 82 ex 100. However, even Colin could not hold on as David Laflin pipped him, winning the Veterans title with 83 ex 100!

The Juniors title was equally thrilling, with Aaron Harvey posting an impressive 86 ex 100. Tom McGregor arrived in the afternoon, returning from the Game Fair where he had represented Suffolk in the Champion of Champions. Despite the long weekend, Tom posted a fantastic 87 ex 100, winning the Junior title for the first time, and also becoming runner-up for the Overall title.

The Overall Sporting Champion was Ben Thorrold with a fantastic 90 ex 100. Ben has been competing throughout the season against his Dad, Phil, with success shared. I am sure Phil will be as proud as Ben is for this win.

The Committee thank the Eriswell team for their support and efforts in making this competition the success it was.

## Aug 20: Essex v Suffolk Challenge – Barrow Heath

This was the second challenge between the counties and utilised a Sporting venue, following the All-Round competition at Clacton in 2016.

As they are in separate Regions and never meet in any CPSA competitions (except the National events), this challenge was created between the two counties. Each year the competition alternates between the counties, with the host county choosing the discipline. The top five scores from each county are totalled and the highest wins.

148 competitors in total shot the event – 27 from Essex and 57 from Suffolk. The top scores were:

**Essex:** K Norfolk (91 ex 100), I Schwier (90 ex 100), A Hannah (87 ex 100), O Wilde (86 ex 100) and T Bridge (84 ex 100).

**Suffolk:** SE Smith (93 ex 100), P Thorrold (92 ex 100), R Gooch (91 ex 100), CWJ Willis (91 ex 100) and T Whomes (91 ex 100).

Both counties thank Barrow Heath for holding the event.

## Aug 20: Double Rise – Fareham CTC

This year, the annual Hampshire Double Rise championship was held at Fareham CTC. This is not the most popular championship but, as many Hampshire members already shoot Trap at the club, it seemed a good idea to hold it there. Several squads shot 30 pairs each on the dedicated layout. The Hampshire members were segregated into Hampshire-only squads as the club was also running a 100 DTL on two other layouts.

Roger Deacon and Carl Miles' scores were very close. Carl, who recently beat Roger to win the Hampshire Universal Trench, just missed out, giving Roger the Double Rise Champion title with a score of 46 ex 60. This win put even more Hampshire Supreme Champion points into Roger's collection – he is now way out in front on this year's leader board.

## Aug 27: Inter-counties All-Round – Brook Bank

Getting teams to the South West Inter-counties is not an easy operation these days, with the amount of travelling that is now expected. Starting off at 07:15 and arriving at Brook Bank at 10:15 takes it out of the drivers. Is it time we looked into hiring a team bus? Would this encourage more shooters to compete?

This year, we saw only seven members make it to the All-Round at Brook Bank in Somerset – one Senior team of five and two Veterans. The drive down didn't faze Rick Stala who, over the years, has represented Hampshire dozens of times. Shooting as well as ever, Rick picked up the Veterans High Gun tile and shield from Wesley.

The Hampshire team started off on the ABT, then onto the Sporting (which was a very testing

layout that Wesley had set, tripping up the best from all the Counties). The Single-Barrel and Skeet were straightforward, but we were still short of a few needed points. We ended in third place.

The Hampshire team – all wearing the new 2017 team shirts – looked the best dressed team there. Many thanks to GMK, The Gun Shop at Botley and TWW Super Yachts who kindly sponsor the Hampshire teams.

Looking at the Inter-counties events list, it's not surprising that we are lacking County teams. The final event will be FITASC, taking place on October 8 at Purbeck.

The last of the County Championships has been held and we now find ourselves in the midst of the South West and Inter-county Championships. Keep a look out for the dates of these on the South West Region CPSA webpage, Facebook page or the Somerset Facebook page.

Podimore Shooting Ground held the final County Championship on August 6, with more than 100 shooters attending the shoot. The 2016 defending Champion, John Pool, was at Podimore to see if he could make it two years in a row. However, it was not meant to be as Mark Dyer took the County Champion title, sharing the High Gun spot with Andy Moon and John Woodbridge. The Veterans title was won by Brian Summerhayes and the Ladies/Junior title was won by Emma Stacey. A big thank you must go to Julian Fairburn and Coombe Farm Sporting for sponsoring the High Gun prize in the Championship.

Congratulations to Abbey Ling for winning the Ladies World Universal Trench Champion title in Megeve, France. Abbey shot well over the course of the competition to end up in the top spot. In addition to taking the title, Abbey also won a silver medal in the team event, along with Emma Haines and Katherine Bright. This means that this year

Abbey has 'done the double' by winning both the European Championship and the World Championship, which we can all agree is a fantastic achievement.

The South West Inter-counties Championship was held at Brook Bank on August 27 and what a great day it was! With temperatures reaching the high twenties, it was great to see a full car park and attendance from the various counties. There was little respite from the temperature on the layouts, and Alison and Wesley did a great job in keeping things moving along so that everybody was able to make use of what shade was available. Congratulations to Somerset's Martin Howe for winning the South West Champion title and to the Somerset Seniors for winning the Inter-counties title.

### County Championships

On July 30, Brook Bank once again hosted the Wiltshire Universal Trench County Championship. This time the weather was kinder, with just overcast conditions and the odd ray of sunshine. A total of 39 shooters competed and there were some very high scores, with a 93 ex 100 taking High Gun. Terry Bobbett continued his winning form with 91 ex 100 to take Wiltshire Universal Trench County Championship. There were five competitors from Wiltshire. Many thanks to Alison

and Wesley Hann once again for an enjoyable and well run competition.

On August 20, Gloucester Clay Ground held the English Skeet County Championship. Despite rain being forecast, the day remained dry and sunny. MJ Johnson took the County Championship with 95 ex 100. Pauline Stokes took the Ladies with 86 ex 100 and Phil Stokes took the Veterans with 85 ex 100. In total, nine shooters from Wiltshire took part. Many thanks to Gloucester for their friendly welcome and a well run competition.

### Wiltshire Sporting Challenge

The second event took place at Barbury on August 27 in much more pleasant weather conditions than those of the first event. We even managed a fly past from the Red Arrows! The targets were varied and there was something for everyone. A total of 141 entrants took part, 51 being from Wiltshire and qualifying for the free entry into the Sporting Challenge as part of their entry into the registered shoot. As we've come to expect from Barbury, the event was very well run and, on behalf of the committee, I'd like to thank the Barbury team for its continued support.

The remaining Sporting Challenge competitions will be at Urchfont (September 24) and Gunsite (October 8). As last year, we will award prizes at the end of the final event at Gunsite, so if you can't stay to the end and you think you might be in with a chance of winning something, please leave us your contact details.

### Team events

Interest continues to build in forming County teams for some disciplines. We still need more people to volunteer, so please get in touch if you are interested in being part of one or more teams. There are no entry requirements for team membership this year, except that you need to be a Wiltshire shooter. Please contact me if you are interested.

The Berkshire ABT Championship was held during August at the NCSC and, regrettably, another poor turnout saw only three competitors for the title. Once again, Ken Harman took the honours with Nicola Heron winning the Ladies. Many thanks to the team at the NCSC for hosting the event.

It was then a trip to Owls Lodge Shooting Ground, which kindly hosted the Berkshire English

Sporting Championship. Many thanks to Richard, Tanya and team. As usual, it was a well attended event and Dean Gibbs won High Gun with a very good score of 95 ex 100. Andy Seaman was the Veterans winner and L Stacey was the Ladies and Juniors winner. Apologies to all for the trophy mix up! It appears that the Junior trophy still hasn't been returned. Could you please check those cupboards and give me a shout if you have it, so it can be awarded to the new recipient?

### Aug 5-6: British Open HBD – Nottingham

Caroline Stanbrook was runner-up in the Ladies and her husband, David, won his class and came fourth Overall. Fantastic shooting both, keep it going.

### Aug 24-27: Compak World Championships – France

A massive well done to Phil Easeman who managed the Compak Team GB at the World Championships in France. The Ladies team won gold Overall, with

our own Amy Easeman shooting along with Hannah Gibson and Cheryl Hall! Well shot ladies.

### Ladies Introduction to Registered Shoots

In conjunction with the Femmes Fatales and The Clay Shooting Company, we have organised a ladies-only event. We want to give ladies a taster of attending a shoot held under CPSA-registered conditions.

The shoot will take place at Weston Woods (OX25 3QE) on October 21 and it will be an 80-bird Sporting shot over 10 stands. It will all be shot under CPSA conditions. There will also be a 25-bird introduction to FITASC (shot in squads under the guidance of Steve Lovatt). After the 80-bird Sporting, we will also be offering ladies the chance to shoot another 40 birds, revisiting the stands that they found more difficult.

We already have several people on hand (including Amy Easeman and Hannah Gibson) to provide coaching on how to tackle these targets.

The 80 bird Sporting will cost £45 per head, and include a bacon and egg roll breakfast, followed by a steak baguette, cake, tea and coffee. The 25-bird introduction to FITASC will cost £15 per head. The 40-bird re-entry will cost £15 per head.

To book, contact Wendy Spackman at [wendy@spackers.co.uk](mailto:wendy@spackers.co.uk) or via [facebook.com/wendy.spackman](https://www.facebook.com/wendy.spackman).

### Aug 20: Essex v Suffolk Challenge 2017 – Barrow Heath

The second challenge between the two counties took place at Barrow Heath on August 20, utilising an excellent Sporting venue following the All-Round competition at Clacton Gun Club in 2016.

As they are in separate Regions and never meet in any CPSA competitions (except the National events), this challenge was created between the two counties. The two counties are often found at each other's county grounds, so it made sense to have a regular showdown.

Each year the competition alternates between the two counties, with the host county being allowed to choose the discipline. There is no levy raised at this competition, allowing it to run alongside any levied competition without causing issue. The top five scores from each county are totalled and the highest wins.

Suffolk won the title last year, so Essex was keen to win this year. A total of 148 competitors shot the event – 27 from Essex and 57 from Suffolk. The top scores were:

Essex: K Norfolk (91 ex 100), I Schwier (90 ex 100), A Hannah (87 ex 100), O Wilde (86 ex 100) and T Bridge (84 ex 100).

Both Counties thank Barrow Heath for holding the event. It will be Essex's turn to choose the venue and discipline for 2018.

## Jul 16: Compak Sporting – Southdown

It was a hot and humid day, but when you consider how the weather can be at Southdown we shouldn't really complain. The four layouts were all shootable with a variety of interesting targets to be enjoyed by all classes.

The Greater London shooters all did well, with Adrian Balham shooting an excellent 95 ex 100 to take the County Championship and first in Veterans Class. Fabio Dimaria was runner-up with a super 92 ex 100. Tony Hoskins took first in C Class. Sian Hoskins was very proud to shoot 90 ex 100, taking County and Overall Ladies for the shoot, as well as achieving a 25 on her last layout!

Thanks to Southdown – they host many of our County's events and always provide us with great shoots. *Sian Hoskins*

## Jul 30: All-Round – Dartford

Senol Tas was the Champion after a shoot-off with Fabio Dimaria (both were tied on 88 ex 100). They were closely followed by Lee Wakefield. Top Veteran was Steve Williams and the Lady Champion was A Hoskins. Hermione Burns took the Colt position. Although I have a photo, you'll have to guess what the day was like as there's no report from anyone who went!

## Aug 6: ABT – NCSC Bisley

This was a shared County shoot with Berkshire, Greater London, Hertfordshire and Surrey. There were a total of 41 entries, with 11 shooters from Greater London. The weather, while relatively warm, was accompanied with a variable gusty wind. The patchy cloud also made visibility quite difficult at times.

Senol Tas was the Greater London Champion, tying with N Caves from Hertfordshire on the top score of 92 ex 100. Runner-up was Lee Wakefield with 85 ex 100, tying with Cemal Seziner. Dorothy Fleri won the Ladies with 78 ex 100.

While it wasn't a bad turnout, there was a noticeable absence of some of the diehards. Perhaps they were on holiday?

Thanks to the NCSC team for hosting the event and, in particular, the caterers who were inundated by rifle shooters taking advantage of the food on offer at lunch time.

## Aug 27: Helice County Championship – Invicta GC

The Greater London Helice was held at the Invicta Gun Club in very hot conditions. There was a good turnout, with a lot of new faces. The targets were not easy but our County Champion Kevin Tyler managed to be on form with a winning score of 16 ex 18. The Super Veteran Champion was Jack Sparrowhawk with 12 ex 18 and the Veteran Champion was Derek Marshall also on 12 ex 18. The Lady Champion was Dorothy Fleri with a score of 11 ex 18.

## Aug 28: Sportrap County Championship – Southdown

The winner and County Champion was Tony Hoskins with a score of 89 ex 100. Joint runners-up were Devlin Sullivan and Richard Weller, both with 84 ex 100. The Ladies High Gun was Sian Hoskins with 79 ex 100.

It was a very hot bank holiday Monday at Southdown Gun Club for the Sportrap event, with four good layouts that required full concentration. Congratulations to our Champion Tony and thanks to Southdown for staging this event.

As part of its ambitious growth plans, E.J. Churchill is looking for a Ground Manager to work alongside our new brand ambassador, George Digweed MBE, who has joined the E.J. Churchill group to develop the global awareness of our facility and its future concept.

This is an exciting opportunity to join the very best team in our industry. Running events ranging from the World English Sporting in 2018 to CPSA registered shoots, County Championships and a huge number of corporate and charity days as well as offsite shooting and future developments overseas, this opportunity will require a truly dedicated, industrious and passionate shooting person who is happy to work outside as much as they are inside.

An instructional background would be an advantage but is not essential, although the ability to be hands on, effectively manage a team and have a love of the sport is vital with the mind-set of wanting to ultimately create one of the best shooting grounds in the world!

**An excellent package is available for the right candidate.**

**To apply please send your CV to [employe@ejchurchill.com](mailto:employe@ejchurchill.com)**

Can you afford to  
pay for a damaged stock  
or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

## Aug 13: Inter-counties ABT – Bisley

## OXFORDSHIRE

Helen Nicholson

helencn1972@gmail.com

sites.cpsa.co.uk/oxfordshire

After a successful Committee meeting, I find myself inundated with information to pass onto our County's shooters. The Committee has settled on two forthcoming dates earlier than usual in the hope that, with so much prior knowledge, the attendance at both events will be increased.

The AGM will be held at its usual venue of Sturdy's Castle, Banbury Road, Kidlington on Monday February 5 2018 starting 19:45-20:00. It would be great to see more faces there.

The second event is the Oxfordshire Cup Presentation Dinner and Dance. This will be held on Saturday March 31 at the newly refurbished Holt Hotel, Steeple Aston. The evening is to celebrate the County's achievers in the company of friends, family and fellow shooters. Tickets cost £25 each, including a three-course meal and disco. Tickets can be purchased by emailing Helen Nicholson, contacting any of the Oxfordshire Committee or calling Steve Cox at Banbury Gunsmiths on 01295 265819. Please put the date in your diary, the event needs everyone's support.

The Committee would like to acknowledge their thanks to The Oxford Gun Company for its generous support for our County's shooters. We are grateful for its donation of two junior and two adult coaching days. This will allow us to assist promising shooters to improve their shooting. Many thanks to Doug, Shirley, David and Nicky for their continued support.

## Mickey Rouse

From myself and many of the County's shooters, I would like to take this opportunity to wish Mickey Rouse a speedy recovery from his recent surgery. We hope to see you back shooting soon Mickey.

## Aug 6: County Sporting shoot – Northampton

Thank you to Martine for putting on a challenging County Sporting shoot. It was well attended and saw Julian Freeman take the County title with a respectable score of 89 ex 100. Well done to Mike Bartlett for finishing second in the County on a very strong score of 87 ex 100. Steve Cox was third with 86 ex 100 and Cheryl Hall was fourth with 85 ex 100. Many thanks to all Oxfordshire shooters for your understanding and making the effort to travel outside of your County to take part in this competition.

## Ladies Introduction to Registered Shoots

An exciting ladies event has been brought to my attention by passionate fellow shooter Wendy Spackman. The idea behind the event is to encourage more lady shooters to take part in CPSA-registered shoots. It is in conjunction with the Femme Fatales and The Clay Shooting Company. Known as the Ladies Introduction to Registered Shoots, it will take place on Saturday October 21 at Weston Wood. The day will comprise of a breakfast, an 80-bird Sporting competition shot under CPSA conditions and lunch – all for £45.00 per head. If you find any targets particularly difficult, you can shoot a 40-bird re-entry for £15.00 per head. A FITASC taster will be running too – 25 birds at £15.00 per head. A number of successful lady shooters will be on hand to assist, advise and coach you. If you fancy taking part or want further information, get in touch with Wendy at wendy@spackers.co.uk.

Please email me with any news, results, photographs or achievements you may want published. Don't forget to check out the Oxfordshire CPSA Facebook page for all the current news and events.

Happy, safe shooting everyone!

Helen Nicholson

There were four County Championships this month, including ABT, Compak Sporting, Side-by-Side and Helice. These were intended as mostly 'fun' shoots, but the Helice also carried Supreme Championship points.

## Aug 6: ABT County Championship – NCSC Bisley

It was sunny but a little breezy down at NCSC for the Surrey ABT Championship. The 'Magnificent Seven' competed for the honours, with the glory going to Glen Boxall and Phil Chambers with scores of 74 ex 100. The title was awarded to Glen as Phil was unavailable for a shoot-off. Jo Watson-Hopkinson took the Ladies title. Well done to all participants.

## Aug 6: Compak Sporting – Southdown

This took place on a lovely sunny day with a slight wind and 17 Surrey shooters competed for the Championship. Sarah White and Ben Davies both scored 94 ex 100 in the Seniors, and Chip Smith and Martin Rudling both scored 92 ex 100 in the Veterans class. Neither Ben nor Martin were around at the end of the day for a shoot-off, so Sarah and Chip were declared the winners. Our only Junior was Billy Greenwood who shot a brilliant score of 87 ex 100 – one to watch out for climbing the scoreboards! A big thank you to all the staff at Southdown.

## Aug 13: ABT Inter-counties – NCSC Bisley

Well done to the Surrey shooters who participated in the ABT Inter-counties. While we didn't have a full team, we did have Surrey representation with Bradley Davis coming third on 92 ex 100. He was followed by RN Barrett, Phil Chambers and Stewart Kirk.

## Aug 20: Side-by-Side Championship – Guildford and District

There were 15 entries in the Surrey Side-by-Side competition, hosted by Guildford and District Gun Club in conjunction with their annual open shoot. The layout was a great selection taking place over seven stands. It included some driven targets and a rabbit sequence for the amusement of the Side-by-Side users.

Top score was Peter Saich with 50 ex 60. Runner-up was Clive Monk with 49 ex 60 and Glen Boxall was third with 47 ex 60.

In the open competition, four shooters scored 54 ex 60. Bill Woods won on count-back from Mike Davis, Martin Morgan-Reading and Richard Dear. Winner of the Ladies was Jo Watson-Hopkinson with 44 ex 60, who won on count-back from Caroline Cheesman, with Bryony Goldsack third on 39 ex 60. James Woods was the clear leader in the Juniors with 40 ex 60.

## Aug 27: Helice Championship – Invicta

It was a very hot day with some hot competition from Surrey participants. Following a thrilling competition of 18 targets, we ended up with a shoot-off for the top spot as both Fergus Watson-Hopkinson and Jack Tucker had scored 17 ex 18. The shoot-off was equally tense, with both Fergus and Jack remaining cool, calm and collected. Jack eventually took the title – 10 v nine on sudden-death. The shooters had to move further back several times to make the targets more challenging. Very impressive shooting from both – particularly Fergus as this was his first attempt at Helice!

Steve Cole took the Veteran title, Fletcher King won the Junior title and Jo Watson-Hopkinson won the Ladies title.

## England Honours

Congratulations to Surrey shooter Chip Smith on being selected for the England FITASC team for the Home Internationals in Ireland.

Please visit [surreycpsa.org.uk](http://surreycpsa.org.uk) for full reports, more photos and the final Supreme Championship results. Thanks to Jo Watson-Hopkinson for updating the website and maintaining the Supreme Championship table.

## Sussex Supreme Championship

The Sussex Supreme Championship is well underway and is far from decided in the Overall category. D Welfare is in front with 84, closely followed by Junior Zak Welfare on 79. There is then a bit of a gap to third, with Lee Shanks on 53.

**Above:** Hannah Gibson – Sussex Lady Champion  
**Below:** Will Fenner – Sussex Junior Champion  
**Right:** Sam Nunn and Kelvin Davies with their English Open Skeet trophies

The Ladies Supreme Championship is led by Liz Salmon on 44, with Helen Robbins in second on 29. Zak Welfare is well ahead in the Juniors category with 112, which is probably as unassailable as Tom O'Brian's 65-point lead in Colts with 80.

Although it is pretty much decided in the Juniors and Colts, it's still all to play for in the Overall Supreme Championship with three events left to run.

## Aug 28: Sussex Sporting – Southdown

With a proper summer's day – the warmest bank holiday since 1984 – and not a breath of air, it was quite a blessing to be able to shoot a lot of the targets from the shade of the lane trees. Bob Clarke, Southdown Gun Club's resident course setter, did not disappoint and produced a fantastic, varied Sporting layout over 13 stands. It had pretty much every type of target – including interesting sim pairs and even a driven – so it tested many of the competitors.

That is except for Sussex shooters George Digweed and Southdown's sponsored shooter Guy Franklin, who both shot almost perfect rounds, dropping one target to end up with 99 ex 100 each. As George was not around at the end of the day, Guy was deemed to be the Sussex Sporting Champion 2017.

Other great Sussex scores included Jeff Dix who is the Veteran Champion (88 ex 100), Hannah Gibson Lady Champion (86 ex 100), Southdown-sponsored Will Fenner Junior Champion (who shot a Senior-challenging 96 ex 100) and Colt Champion C Mitchell (69 ex 100).

Once again, we thank Southdown for putting on a fantastic course and hosting the County's flagship event.

No DSG club shoot to report on this month due to several members continuing their training for various competitions and having their summer holidays. For his own training, Alec Sperling made the decision to shoot the Cheddite 200-bird Olympic Trap GP for his preparation and was victorious, winning the Sitting event.

Our Scottish members are now regularly meeting across the border and there are discussions of having a small Home International competition with them, England, Wales and potentially Ireland next year.

Our Suffolk Shooters Sam Nunn (Standing) and Adrian Last (Sitting) were victorious at the British Open Skeet. Sam started with a 25-straight in tricky conditions, then finished on 94 ex 100. Adrian was one behind on 93 ex 100. Sam and Kelvin Davies were presented with English Open Skeet trophies.

Dates for our final two shoots of the year have now been set. September's shoot will be back at Orston on September 28 (Thursday), meeting at 10:00 to shoot from 10:30. This will incorporate a 100-bird All-Round and 75 ABT with a 25-bird final. There will be cartridge prizes. We request that you book with Sam or with Orston in advance, confirming what you wish to shoot. We also hope to present the discipline shields on this day to take the time off the AGM shoot.

Our final shoot will be the 100-bird Sporting AGM shoot at Sporting Targets on Saturday October 21. We will meet at 10:00 to shoot from 10:30 prompt. This will be followed by lunch and the AGM. Please give yourself time for the meeting as we will be finalising our 2018 fixtures and format.

As I write this, some of our members are preparing for the British Open Sporting. A report on this and how we fared at the Olympic Trap World Cup will be included in the next issue of Pull!

## Guns and Accessories

### AG Adjustable Gun Stocks

If your scores are inconsistent it may be because your gun fit is incorrect, most factory stocks are made to standard measurements, you may not be 'standard'. A fully adjustable comb which allows you to have consistent mounts may be what you need.

**I also fit recoil reducers and adjustable butt plates.**  
**Prices start from £150. Cheaper than changing your gun.**  
**Fast turn around usually 3 to 4 days.**

# A PASSION FOR PROGRESS

OXFORD GUN COMPANY PROPRIETOR  
**DOUG FLORENT** ARGUES WE SHOULD  
DO MORE TO PROMOTE OUR SPORT

**“**FOR AS long as I can remember people in shooting have said we should promote the sport to the general public. Well, I’ve been in the gun trade now for 50-odd years, and I’m afraid that in all that time I’ve seen little to no progress.

The shooting organisations do a great job of protecting the sport. Take the Gun Trade Association for instance. Their stated mission is to promote and protect the UK gun trade. They do tremendous work behind the scenes protecting it, liaising with the police, the Home Office, the Proof houses and others. But what do they do to promote shooting? Very little that I can see. The same is true of some of the other organisations.

Here at The Oxford Gun Company it’s always been a passion of ours to promote shooting to the wider public. A few years ago, my daughter Nicky campaigned to get shooting better coverage on the BBC. Whenever GB had success abroad, winning medals in European or World Championships, she would phone the BBC and ask why they hadn’t reported it. The answer was always the same: “If no-one tells us about it, how do we know?” Surely it’s the job of our organisations to make sure the media are aware of GB shooters’ success in international competitions.

I am convinced there are millions of people in Britain who would like to try clay shooting. We have proved it at a local level, launching our own Have-a-Go days with Browning 25 years ago. We’ve run the days on the first Saturday of the month ever since, and in that time we’ve had 23,000 people come and have their first taste of clay shooting with us. Of course not all of them come back to take up the sport more seriously, but every one goes away with a better understanding of shooting, and appreciates that we go about it safely and responsibly.

I’d like to think that, when four or five blokes decide to go out on a Saturday, clay shooting would be up there with bowling or go-karting as one of the options. At the moment it’s not on their radar – and we need to change that.

Now and again the shooting organisations will decide to hold a Have-a-Go day. They phone and ask if we’ll join in, giving people a free introductory lesson. I always point out that we’ve been doing it every month for 25 years – and there’s no need to give it away free. We started off charging £10 a session and we were overwhelmed. One day we had 140 people turn up, and we simply couldn’t cope. Now we charge £29 and people still comment that it’s surprisingly cheap.

We also run our Schools Challenge programme as a way of getting youngsters to take up shooting. It’s been hugely successful – why does nobody else do it?

So what needs to be done? Well I don’t know all the figures, but I reckon that between them our organisations must spend around £1million each year on protecting shooting. It would only take half of that to hire a top PR company to make a real difference, promoting shooting

to the general public. For a start, they could highlight the hundreds of celebrities in the UK who take part in shooting. Then the public could begin to see that it’s not some odd niche activity but a massive sport enjoyed by thousands of ordinary people every week.

Taking that a step further, we don’t capitalise on our strength of numbers. We are constantly on the back foot, afraid that the government will restrict our sport. We need to turn that around. Look at America. The American NRA may not be my sort of people, but there’s no denying the political power they wield through sheer numbers. Their government is afraid of upsetting them – and that’s the way it should be here. ●

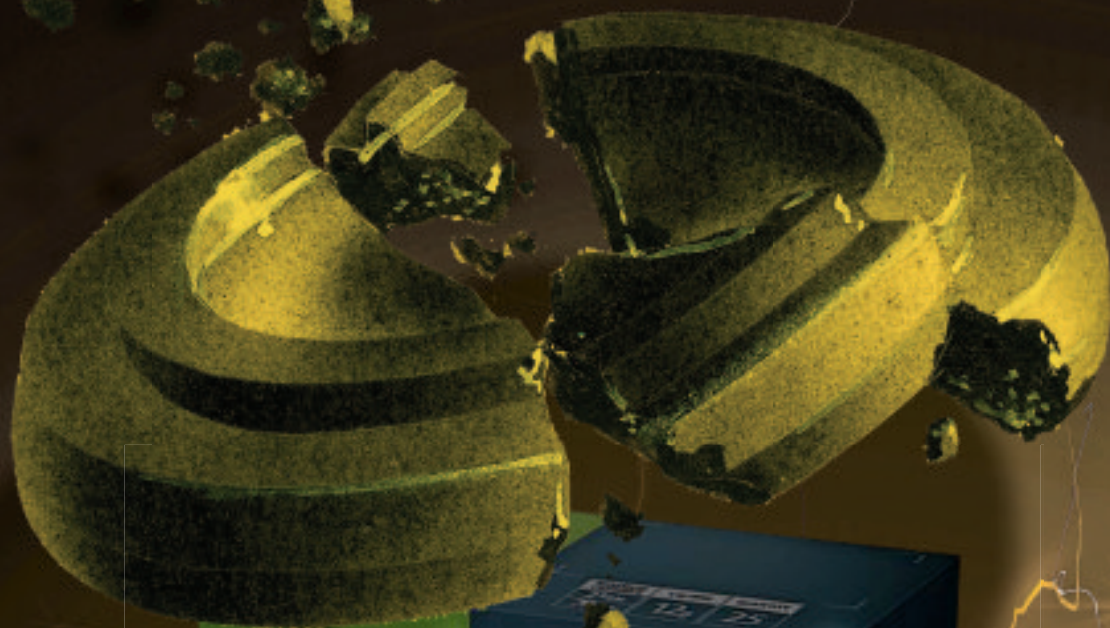

*What do you think? Should shooting promote itself better to the general public, and if so how? Write in and tell us your views - see the Shots in the Mail page for details.*
