T

he British Open Sporting championship, established 91 years ago, marks the end of our major championship season and this year's competition, held at the glorious High Lodge shooting ground in Suffolk, produced a fitting end to the season. John Bidwell and his team put in a great deal of preparation to provide many new stands and we are extremely grateful to them and our sponsors, in particular Zoli/Edgar Brothers and Gamebore, as well as CPC, for their support of the event. A full report features elsewhere in the magazine and there are videos from the competition on our website to give a greater insight into this prestigious event.

Looking ahead to next year, we are continuing the development of all aspects of our championships and are committing to extended and higher profile coverage, both during and after the events. As always, this takes investment, but if we are to continue to build the profile and reach of our sport then it is a necessity. We are in discussion with a number of partners to help us do this in the most cost-effective way, but already we've moved from a position of wondering how we can produce live coverage of super finals, for example, to being criticised for not having full HD broadcast quality on our streaming! No one said progress is easy, but we have demonstrated the demand is there and will respond to that challenge.

Our respective England teams have had a great season so far, completing clean sweeps in a number of events, including the English Sporting competition held a week after the British Open

at Westfield Shooting Ground. As well as being highly competitive, these are great social events that sometimes demand different competition formats, but they are hugely enjoyable and culminate in an evening banquet and prize giving. There is always a trophy awarded to the best score by a New Cap and every event features a number of such team members; if you've not considered shooting for your country before, just have a look on our website and follow the links for 'England Team', which will highlight the selection shoot process and what is a very straightforward way to qualify for selection in your preferred discipline.

Speaking of our website, the new version has been a long time in the making, but it is entering the final stages of testing now and will be ready for launch within a few weeks. As well as allowing a degree of personalisation, it will be automatically configured to suit tablets and mobile devices too, so it will be much easier to navigate and use wherever you are.

Members applying for or renewing their shotgun certificate will be aware of the new application procedure instigated by the Home Office and we are still keen to hear from anyone who has experienced any unexpected delays or obstacles to the application process. GPs now play an integral part in the screening process as the Police Firearms team will write to an applicant's GP and ask for feedback as to whether the applicant has a medical condition of which they should be aware. In a sense this is no different from the self-declaration about medical conditions, but now GPs are also asked to keep a note on file that their patient is the holder of

a certificate, with the expectation being that a future relevant condition will be highlighted by the GP. The initial response from the GP, and addition of a 'flag' on the patient record, is supposed to be at no cost to the applicant, otherwise this would represent a fee increase by stealth, but some are refusing to co-operate. If this happens, then the police should go ahead and issue the certificate anyway, so it should not hold up the application process, but we do know of some isolated examples of GPs contacting applicants and asking for a fee with an implied threat that, if it is not paid, then a certificate will not be issued. This is not the case, but we are keen to monitor the situation nationally and ask you to let us know if you have experienced any similar issues using the link on our website homepage.

October represents the month when the various National Inter-Counties championships take place and I would like to end by wishing all counties success and thanking the committees, team managers and other volunteers for their efforts in selecting and organising their respective teams. Good luck and happy shooting! ●

WELCOME KINGSCOTE!

CLUBS AND GROUNDS

We are pleased to welcome Kingscote Shooting Ground on board as a newly affiliated ground in East Sussex. The shoot is situated along Vowels Lane, Kingscote, RH19 4LL. They are planning to hold an 80-bird Sporting shoot on October 8, and then once a month thereafter.

There is a wide variety of targets using automatic traps with a regularly changing layout, and there is always a CPSA qualified instructor at the ground for lessons or for anyone wanting to give shooting a try.

Ian Coley Sporting and Roxtons Bailey Robinson merge

CLUBS AND GROUNDS

SHOOTING GROUNDS Ian Coley Sporting and Roxtons Bailey Robinson are merging, bringing together two long-established businesses that provide high levels of service to the shooting sector.

The two businesses have enjoyed a long history of working together. They will look to build on their current expertise and reputation, sharing each other's knowledge and experience across field sports, shooting estate management services and shooting ground facilities and tuition, combined with gunroom and sporting goods retail.

The businesses will continue to operate as they have done to date with no anticipated changes to personnel, points of contact or the existing working relationships in place. The merger will not only allow Ian Coley Sporting to further invest in and develop its

shooting ground, gunroom and retail facilities in Gloucestershire, but also bring a host of exciting opportunities to old and new clients of both companies.

Ian Coley, owner and founder of Ian Coley Sporting, said: "This is an exciting opportunity to continue to grow. The merger with Roxtons will enable our continued growth and for the sporting agency business to become a truly global offering. This helps ensure the Ian Coley name will be here for a long time to come."

George Stephenson, group chairman and Roxtons co-founder, said: "As part of our strategic plans for growth we are thrilled to be merging with Ian Coley and his extremely successful shooting school. The merger brings together two iconic field sports brands, broadening the horizons of both companies and enabling us to offer a unique and extensive coverage of the field sports world."

IN BRIEF

Welsh winner

Well done to Rob Claybrook for winning the ESP competition at Fauxdegla Shooting Ground in August.

Brave Lincolnshire lad

A special mention to the Junior winner of the Lincolnshire County All-Round, held at Nottingham and District Gun Club on August 29, Ollie Zaitschenko. Ollie has not been well recently, but attended the shoot complete with intravenous feed line and astonished everybody, including himself, by putting in a score of 87 ex 100 to take Juniors and B Class. A couple of weeks earlier, he had left hospital in the morning to take up his place in the Lincolnshire Sporting team at Kegworth in the afternoon. An extremely dedicated young shooter!

CPSA Director Elections 2017

Nominations are now open for CPSA Board positions. Please see p7 for more information regarding the vacancies and how to apply.

CPSA 2017 AGM

This will be held at Chesford Grange Hotel, Warwickshire, starting at 2pm on March 25 2017.

Fixtures for Clubs

Please be aware that the final Pull! magazine of 2016 will carry fixtures for both November and December. An email will be sent out as a reminder closer to the time, but the sooner your fixtures are in, the more likely they will be in the magazine. Please use the spreadsheet that has been sent out for you as this will ensure your fixtures are in and are as accurate as possible. If you have any questions, please do not hesitate to contact Fiona on 01483 485412 or fiona@cpsa.co.uk

VSP process

We have been informed by Surrey Police that they will NOT under any circumstances process a VSP application quicker than six weeks. With immediate effect, please ensure you allow at least eight weeks when applying. In addition to the time for the police to process the applications, we also need time to check the accuracy and completeness of documentation and allow for postal times back overseas. If a VSP required date is less than eight weeks from application, please do not apply through the CPSA as we will be unable to help.

Hales claims UT victory

COMPETITION

THE BICTSF British Grand Prix for Universal Trench was held over the weekend of August 27-28 at Nuthampstead Shooting Ground and was contested by 110 entrants.

The weather on the Saturday was changeable – bright, dull, calm, wind and occasional showers, which provided an additional challenge above and beyond Ed Barker's targets!

The first day saw Olympian Ed Ling take the lead with an excellent 99, closely pursued by Nathan Hales and Rod Gould on 98, with Mark Shaw and Lee Betts a further target behind on 97.

Sunday proved to be only slightly better weather-wise, but this did not prevent Aaron Heading and Dean Linley shooting a superb 100 straight apiece! Nathan returned another very solid 98 to join Aaron on 196. Ed added

a 96 to his 99 to finish on 195 with Mark adding another 97 for a 194 with Lee and Rod ending on 193.

In order to establish the High Gun, a full round shoot-off ensued between Aaron and Nathan, with both hitting their first 20 targets first barrel. Aaron missed his 21st target while Nathan continued with first barrel kills. Nathan produced a jaw-dropping moment with his final target by needing his second barrel, but prevailed with 25 to Aaron's 24 – a very worthy winner.

Before the prize giving, those present expressed their appreciation to Nicky, Ed and Will Barker and their team, who did an excellent job in running the Grand Prix in what must have been very difficult circumstances for them. Martin Barker's obituary appears on p8.

ATHLETES IMPRESS IN SELECTION SHOOTS

COMPETITION

September saw records met and personal bests exceeded at South Wales, Bisley and Nuthampstead Shooting Grounds.

Nuthampstead Shooting Ground hosted the Double Trap selection shoot, with some outstanding performances. Matthew French was magnificent, taking gold after matching the 148 ex 150 World Record for Double Trap held by Tim Kneale. Matt Coward-Holley was a pair off French's score, securing an impressive 146, closely followed by Rio 2016 Olympian Kneale.

The Skeet selection shoot took place at the National Clay Shooting Centre in Bisley. The Women's competition saw some excellent performances, but Amber Hill took gold with a score of 72 in the qualification round and 14 in the final against Natalie Bales. In the Men's discipline, James Rounsevell took first place with 120, followed by Ed Medforth with 118. In third was Ben Llewellyn, shooting 117.

The Olympic Trap shoot took place at South Wales 2000 Shooting Ground. Excellent shooting from Ed Ling and Ian Peel left them tied with 118. Aaron Heading took third with 113.

More bang for your buck.

Bettinsoli shotguns represent the best compromise between the ancient tradition of gun makers in Gardone Val Trompia and the modern technology provided by CNN machinery.

Special attention is paid to the quality and beauty of stocks and forends which are then married to barrels made from chromium molybdenum steel.

The selection of excellent raw materials and state of the art surface treatments, as well as the precision in the final assembly, enable Bettinsoli to offer a product where value for money is really unbeatable. More bang for your buck.

FEMME FATALES ON THE RISE

SHOOTER PROFILE

Femme Fatale Hannah Gibson was recently crowned British Open Sporting Ladies Champion at only 24 years old. Still on cloud nine about her win, Hannah told us: "It really hasn't sunk in yet. The trophy is beautiful. It dates back to 1931 and has the names of some really fantastic lady shooters on it. It's really humbling that my name will be on there soon as well. I can't believe it!"

Hannah represented Great Britain shooting Olympic Skeet from 2009 to 2011 in the World and European Championships then made the decision to change from Skeet to English Sporting.

"My dad is a keen clay shot and competed regularly, but I didn't really pay that much attention to the sport until Charlotte Kerwood won Gold at the Commonwealth Games and I was like 'Oh it's not just for men! Can I have ago?!' So after many months of pestering my Dad, he finally took me up to Northall CPC when I was 13. It was love at first shot!"

Newly crowned British Open Champion Mark Winser is Hannah's shooting coach. Hannah credits him for his straightforward teaching methods: "I can actually understand when he's talking about maintained lead, starting behind the target, and so on. I can listen to what he says, take it on board, and put it in to practice. Before that I genuinely didn't have a clue!"

Board Elections

CPSA BOARD

VACANCIES HAVE arisen for the two positions of West Midlands Director, and a National Director to join the Association's Board, following the current three-year terms for each of these posts expiring. The positions have been advertised on the CPSA website since September 19 2016 and are for a three-year term to run from the Association's AGM on March 25 2017 to the AGM in 2020.

To continue with the development of the Association the Board needs members with the appropriate skills, Board experience and knowledge to operate successfully at strategic level. Members who can bring significant relevant business experience to the Boardroom to complement the skills and knowledge of the existing directors, along with a good knowledge and understanding of clay target shooting, are particularly welcome.

Eligible members may apply for the position using the official nomination and pen portrait forms (available to download from the CPSA website or call the office for a copy to be posted to you). Nominations for these elections must be received by our auditors, haysmacintyre, 26 Red Lion Square, London, WC1R 4AG, by 4pm on Friday November 4 2016. Please ensure that any nominations are sent in writing. Faxed, scanned or e-mailed copies will not be acceptable. Nominees should ask for a written receipt by sending a stamped, addressed envelope.

The nomination forms must carry the following information:

- Candidate's name and CPSA number
- The position applied for
- The names, CPSA numbers and original

signatures of at least 10 individual members, all of whom must be aged 18 or above and current members of the CPSA

- A current passport sized photo of the candidate
- A completed 'pen portrait' form of no more than 300 words, outlining the candidate's qualifications, experience and suitability for the strategic post of legal director of the Association, which is also a company limited by guarantee. Please note that any written submission containing more than 300 words will be cut at 300 words, regardless of what follows. A brief summary of the duties and responsibilities of a director is available for guidance (available to download from the CPSA website or call the office for a copy to be posted to you)
- A daytime contact telephone number
- haysmacintyre must receive all original applications by the date specified. Any nominations received after this date will be discarded without exception. The following conditions apply:
 - There is no limit to the number of nominations for each position
 - All candidates must be over 18 years of age
 - All regional nominees must be resident in the region for which they are being nominated
 - Any nominations that are incomplete, do not comply with the above rules, or that, in the opinion of haysmacintyre following consultation with CPSA management, contain false or misleading information will be discarded
 - No extra publicity for any candidate will be permitted outside of his or her own 'pen portrait' in *Pull!* magazine or posted on the CPSA website

In memory of Martin Barker

OBITUARY

Martin Barker, of Nuthampstead Shooting Ground and GB Double Trap Coach, sadly died on August 16 2016, aged 61.

The service was attended by some 700 people – validation of Martin’s popularity and support within the local and shooting communities.

Martin’s wife Nicky Barker, sons Ed and Will, and all the family were very appreciative of so many attendees at the service and wanted to “thank everyone for coming, their support and sharing the service with us”.

Martin built Nuthampstead Shooting Ground (‘Nutt’) in 1987 and then in 1992 developed it as an international standard Olympic Trap and Double Trap (DT) ground. Since then, the ground has continued to develop, with Nicky being an integral member of the management team, and also son Ed, who has followed in his father’s footsteps as a respected coach.

Working tirelessly for so many shooters, Martin mentored and coached promising talent through to some of our top shooters – he will be missed by many.

Tim Kneale, DT World Record holder and fourth in Rio, remembered: “I worked with Martin for more than 10 years and wouldn’t be

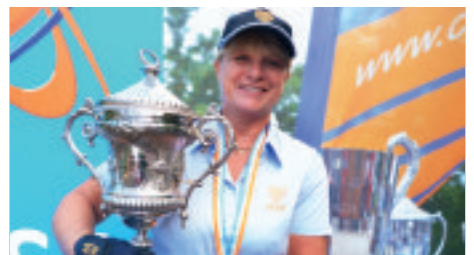

where I am now without him. He stood by me during the difficult times as well as the good. Martin was a great friend as well as coach – he created a really enjoyable atmosphere; his personality and enthusiasm rubbed off on people. He could instil self-belief, whether it was technical or by telling one of his many stories he had from his travels around the world.”

Steve Scott, Rio bronze medallist, said: “Martin, I already miss you and cannot imagine ‘Nutt’ without you – a great man and great inspiration to me and many others.”

Nick Fellows, CPSA Chief Executive, commented: “Martin was such an important part of the shooting world, and did a lot to support the Talent Programme and develop young shooters showing promise.”

Ed is clear that ‘Nutt’ will keep moving forward, but acknowledged Martin “will be missed by the family and as a coach and mentor by many of our shooters.”

There is no question that Martin was an integral character in the shooting world, especially for the Trap and Double Trap disciplines, but ‘Nutt’ will be business as usual, with Nicky and Ed welcoming all comers and they are looking forward to holding major events in 2017.

HISTORIC WIN FOR JOY

COMPETITION

Joy Hirons won the Ladies title at the British Open Skeet Championship – held at Doveridge in August – for the fourth consecutive year. This has only ever been achieved once before, 44 years ago, which makes the win extra special for Joy.

She said: “The trophy dates back to 1956 and a Miss C. Eynon won it in 1969, 1970, 1971 and 1972. I am overjoyed to win the British Open Skeet Ladies title, but this win makes it feel just that bit more special. I love competing and being successful at the sport I love doing.”

THE LEADERS PREVAILED IN THE
2016 CPSA PREMIER LEAGUE FINAL
– RICHARD WORTHINGTON REPORTS

THE 2016 series came to a conclusion on Saturday September 10 at Owls Lodge Shooting School and, despite the rain – which kept coming all day – we had another great turnout to enjoy the registered shoot, many of whom stayed until the end to support the winning team and individuals.

The top three shooters by handicap going into the final leg all brought their A game and in the end the positions stayed exactly the same, with Colt Charlie Soanes winning the Overall Series High Gun and taking home £750 cash, Pilla Outlaw x7 Boost Shooting Glasses and 500 Gamebore White Gold Cartridges. Huge congratulations to Charlie and also to runner-up Matt Peddle and third-placed Mark Hurrell.

On his win, Charlie commented: "Winning the Premier League shoot was a brilliant feeling. I was over the moon to stand on the top spot on the podium twice on the same day as I was High Gun in Colts too. I am very

pleased with the Pilla shooting glasses and the money helps pay for entries and cartridges for future shoots. I've made many new friends from shooting the series, which will last longer than my winnings!"

Team Barrow Heath went into the final leg with a lead and, despite losing out to Team Churchill on the day, had enough in the bag to secure the overall Premier League Champions title, so well done to Phil Moss and his team, who took home the fantastic, brand new Promatic 70 Autotrap.

We would like to take the opportunity to thank our generous sponsors, Sunglasses for Sport, Promatic and Gamebore, and everyone who has taken part in the 2016 series. We hope you've enjoyed it as much as we have.

The 2017 series starts on Sunday February 26 at Southdown Gun Club, so get the date in your diary now. Team Registrations will open via cpsa.co.uk on December 1 2016. ●

LETTER OF THE MONTH

We visited our first Game Fair at Ragley Hall this year and my 12-year-old son had his first go at clay pigeon shooting.

I wanted to contact you to say how wonderful the instructor was who helped Joe. He was patient, very kind and made Joe smile when he was actually very nervous. Joe thoroughly enjoyed himself and now wants to do it again with my father when he next goes out.

So thank you very much!

Alison Tuckey

TIME FOR TABLES?

Some time ago you asked for suggestions from readers of *Pull!* magazine for improvements. Your article *History written at Wycombe* (August 16) typifies my main complaint in that it's very difficult without reading the whole article to pick the bones out of it. What did the competition consist of? How many entrants took part? Which countries did they come from? How many classes were there? Who came first, second and third in each class? What targets were set? What was the prize money and who won it?

In short, why are there never any tables of the results?

J Hodges

CPSA No. EE92595

Pull! responds:

Thank you for your email. As a print publication, we inevitably end up publishing reports some days after the event, when details such as the winners, classes and tables of results have already been published on the CPSA website. In order to give readers something special that is not freely available to anyone with the internet, we endeavour to describe the atmosphere of the day itself and include comments from competitors about what the course was like to shoot to inspire others – information which cannot be communicated in a table of results. To make the best use of available space in the magazine, we do not include the results tables in our reports, but instead direct people to them online.

We hope this explains our rationale and we will look into making key statistics clearer in future reports.

WIN!

Simply send your letter to the address below, including your phone number and CPSA number, to be in with a chance of winning. Every issue, one star letter will be chosen to win.

A STAND WITH A VIEW?

I attended a very enjoyable shoot at Beretta World, which was so well organised that there was barely any queuing and the referees were mostly welcoming and cheerful.

On one particular stand we arrived and got ourselves ready to shoot as the previous squad packed up. We greeted the referee, gathered round and asked to see a pair. He said no and that we should have been watching. We pointed out that we had just arrived and there was no one to watch shooting. Then he reluctantly said he was feeling generous and we could see a pair, but it was quite distracting to almost have to shoot in a competition without seeing what we were going to shoot.

I don't think we did anything wrong, but are shooters expected to strain their eyes to see the last few shots of the previous shooter as we rush to the stand for fear of not getting our own pair to see?

Chris Samuel

CPSA No. 129113

CPSA responds:

Thank you for your letter to *Pull!*. The Beretta World is a registered shoot and therefore must comply with the CPSA rules. All referees should be aware of such rules and Booklet One (CPSA General & Technical Rules) section 24.2 clearly states the following:

VIEWING POINT

24.2 The first shooter of a squad or group, who has not had an opportunity to see the targets, will have the right to view one pair of targets if on report or two pairs of targets if simultaneous, from the shooting position. All competitors should avail themselves of the opportunity to view the targets from behind the stand whilst waiting their turn to shoot.

I hope this answers your concern.

LICENCE TO SHOOT

In reply to the article in the August edition of *Pull!* regarding applying for a shotgun licence – I have recently taken up clay pigeon shooting having tried corporate shooting days and shot with friends. I researched licence applications and gun ownership both online and at various local gun shops in Hampshire.

Having heard how bad Hampshire Constabulary were and that I would be waiting six-to-eight months for my licence, I downloaded the relevant form from the police website, wrote a cheque and got four passport-size photos and took it all to Winchester Police Station on June 6 2016.

Two weeks after submitting my application I had an acknowledgement letter, and two weeks after that I received a phone call from the local Firearms Licensing Officer, Peter Gallagher, who arranged a visit to my property the next day to discuss my application, a suitable position for my gun cabinet, what bolts to use to fix the cabinet to the wall, my medical history, (lack of) criminal record and gun safety.

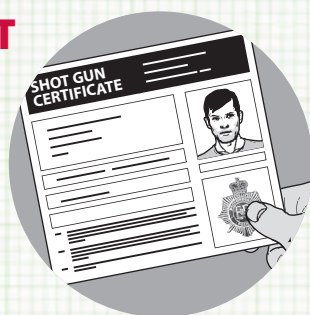

Peter has a wealth of knowledge as an ex-Police Firearms Officer and an avid shot, and really put my mind at ease, even giving me his email address and telephone number to call if I have any issues.

The meeting lasted an hour and Peter explained that the police would carry out further checks and, should these all go ok, then I should receive the licence in the post within the next month. The licence arrived just three weeks later and, from start to finish, the full application process took only six-to-eight weeks.

What a service! I am now a proud first-time licence holder and looking forward to becoming a lawful gun owner.

We have Facebook events for all our major championships this year, so we can keep you updated on everything that's happening in the run up to them – they can be found on our Facebook page, so make sure you log in and let us know you're coming!

Q WE ASKED YOU: DID YOU GO TO A GAME FAIR THIS YEAR? IF YES, WHICH ONE AND WHY?

CRAIG TOLLEY

@tolshoots

@CPSAuk I attended The Game Fair at Ragley Hall. A very enjoyable day. And I went because I won free tickets from you guys at the CPSA!

@CPSAuk The Game Fair at Ragley Hall. Always go to the CLA and this year tried out the new one.

ROBERT JONES

Ragley Hall. Good show, but hope the Fisherman's Row and Gunmakers' Row are both larger next year.

JOHN GIBSON

@Johngib47708292

@CPSAuk I went to The Game Fair at Ragley Hall. Great day. Enjoyed all stands.

TRUDI CHURCHER

Ragley Hall – never been to one before, but so glad I did. Met some fantastic people and spent too much money ... I'll be going next year.

WHETHER YOU are just starting out or are an experienced shooter, the CPSA has created a suite of courses to offer the best training available in the sport today.

REFEREE COURSE £75

Referee courses are available throughout the year in every region in each of our domestic disciplines: ABT, DTL, ESP and ESK (including their derivatives). Among the candidates attending are members who need the qualification to referee regularly at registered competitions or national championships and, with it, the assurance that what they are calling is correct. We also get the competitor who doesn't necessarily want to referee, but wants to ensure that they know the rules when they compete.

The course covers:

- CPSA General and Technical Rules (*CPSA Booklet 1*)
- A practical session
- A multiple choice written exam.

Successful completion brings the award of CPSA certification, enamel and cloth badges and listing on the CPSA website.

SAFETY OFFICER COURSE £99

The Safety Officer Course, also available in each of our five regions, is the basis of running

a safe and successful shooting ground and contains topics far too numerous to mention here in full. It would appeal to both the novice and experienced competitor alike and is your first step towards higher qualifications. The dictionary defines coach and instructor as being one and the same. However, the CPSA makes a definitive distinction between the two in the criteria that each has.

INSTRUCTOR TRAINING COURSE (ITC)

Instructor Development Workshop (IDW) – £150
Instructor Training Course (Modular) – £150 per module/£245 per re-assessment
Instructor Training Course (four day) – £695 including assessment (£245 per re-assessment)

For the Instructor Training Course (ITC), the criteria for qualification is that the candidate can get a novice to hit a moving target (safely) using the CPSA Method. This course will teach you how to check eye dominance and gun fit, show you how to teach the CPSA Method and how to recognise shooting errors and correct them. The course is four days long and consists of classroom time, off- and on-range workshops and a final day of assessments.

It covers crossing, rising and dropping targets, which best equips our instructors with the knowledge to tackle a huge variety of targets, particularly given the almost endless combinations typically found on an English Sporting layout.

COACH TRAINING COURSE (CTC)

Common Element (CE) – £350
Coach Development Workshop (CDW) – £150
Coach Training Course (DS) – £550 including assessment (£250 per re-assessment)

The Coach Training Course or CTC (discipline specific) has the aim of improving a B Class shot – there being separate courses for Trap (ABT and DTL), English Sporting and English Skeet. We are the only organisation that provide these discipline-specific courses. Looking at the CPSA website under 'Find a coach/instructor', you will be able to see the qualifications of your prospective mentor and be able to discern whether or not they have the attributes that you seek.

ALSO:

SHOTGUN SKILLS COURSES

These are modular courses aimed at providing beginners and

novices with knowledge of personal and range safety; shotgun types and use; cartridges and chokes and includes a practical lesson on the CPSA Method of shooting. These lessons are provided by qualified CPSA Academy Instructors.

ACADEMY SHOP

To order any item listed, please contact Cheryl at HQ on 01483 485403. CPSA Qualified Skeet vests are available to CPSA-qualified instructors and coaches at £99 including P&P. Additional badges/certificates are available for £3.50 each, including P&P.

Spectator safety

LAST MONTH we recapped on the CPSA's 10 Commandments for shooting safely and most competitors rigidly adhere to that code, which goes a long way to maintaining our excellent safety record.

What we don't have is a similar code for members of the general public who have never seen clay target shooting and have just 'popped in' to have a look, or potential shooters who want to see what the sport is all about. It is not safe to assume that because they are not shooting, they do not need to wear any protection.

It is great to see parents bringing their children to the ground to experience our sport and it is of prime importance that we protect the youngsters' eyesight and hearing, and guard them against possible cuts from clay fragments. Therefore, before venturing out onto the ground, they should be equipped with the necessary eye and ear protection, and a hat or cap.

I was recently officiating at a registered DTL competition as a referee awaiting the next squad when a lady with a babe in arms came along and sat down on the bench immediately behind the layout. I introduced myself and asked her what she was doing, to which she replied that she was going to watch her partner shooting. I then said: "Have you any hearing protection for the child?" When she replied that she had not, I asked her to move at least 40 metres away from the layout as I did not want to be responsible for causing the child to become deaf. She was obviously miffed at my request but moved away – had she not done so, I would have stopped the line from shooting until she was a safe distance away.

If allowed on the ground, dogs must be kept under control at all times and on a lead in order to stop them running all over the place and getting in the way.

THIS ISSUE CPSA SENIOR SAFETY OFFICER **MIKE WILLIAMS** LOOKS AT SAFETY FOR VISITORS TO CLAY TARGET SHOOTING

“IT IS NOT SAFE TO ASSUME THAT BECAUSE THEY ARE NOT SHOOTING, THEY DO NOT NEED TO WEAR ANY PROTECTION”

Thinking about all of these issues in more depth, it is probably worthwhile producing a policy for guests and visitors, so here are my suggested top 10 tips.

COMMANDMENTS FOR GUESTS:

1. On arrival, report to the entry desk, introduce yourself and explain if it's your first visit.
2. Borrow necessary safety equipment and wear it throughout your visit.
3. Ensure children have the same safety equipment and make them wear it.
4. Keep children under control at all times.
5. Stick to the pathways – do not cross barriers designed to restrict entry.
6. Adhere to warning posters and signs.
7. Obey directions given by any member of the ground staff.
8. Keep pets under control and on a lead at all times.
9. Do not press any buttons to have a look at a target.
10. Do not touch any gun or clay-launching equipment.

And a final reminder to our shooters, don't forget to wear your PPE when watching a shoot-off. It's pointless wearing protection while shooting and then removing it to watch a final. I have seen numerous competitors wearing no ear/eye protection at this stage in the competition, but the percussive effect of firing a cartridge can still damage your hearing irreversibly.

Safe shooting – and spectating. ●

GUERINI INVICTUS

Ascent 1 Trap

REVIEWER: Vic Harker

I HAVE previously mentioned that the UK shotgun market is a particularly discerning one, which European manufacturers freely acknowledge and accept. This precludes a lot of their output from reaching our shores, so it's a testament to Caesar Guerini's skill at gunmaking that they have done so well here.

The number of manufacturers who gain the approval of UK target shooters can be counted on one hand and that can be easily confirmed at any clay shooting competition at almost any level.

In part, this can be explained by the fact that the best London gunmakers (and let's not forget those in Birmingham) made and still make some of the best guns in the world. In the latter part of the 19th century and the first decades of the 20th, these makers created design principles that effectively perfected the breech loading centre fire shotgun in all its forms. That only a minority of very prosperous people could afford these guns detracted nothing from their appeal and the standards of workmanship the British makers achieved still continues to inform the UK market's choices at all price levels.

The Italian makers Caesar Guerini are not an old established company, but they have built their not inconsiderable success around the basic principle of good gunmaking, most particularly at their beginnings in the conformation of their guns and their finish. For this issue, I have been evaluating their Invictus Ascent 1 in a Trap specification.

THE ACTION

The trigger mechanism is entirely conventional, which is to say it follows long established principles that can be seen in other over and under guns of good quality. The hammers are cocked by way of a lever situated in the floor of the action body, which on the opening of the gun is pushed rearward by the forend iron. The hammers engage with overhead sears suspended from the top strap, which are disengaged by a lever integral to the trigger when the gun is fired. The second shot is achieved with the employment of an inertia block that on recoil moves across to disengage the second hammer. The ejectors are activated off the forend by way of rods running through each side of the action body to the hammers and are likewise re-cocked on the opening of the gun – a very practical tried and tested arrangement to be found in many over and unders, which has proved entirely reliable.

What makes the Guerini particularly strong and durable in key areas are a set of replaceable bearing surfaces. The first takes the form of a block on the floor of the action with which the rear barrel lump engages. The second set is incorporated into the forward lump, which pivot the barrels in reciprocating surfaces behind the knuckles of the action. Externally, the Guerini is particularly handsome. Owing a great deal to certain English over and unders, it shares deeply carved fences abutting the barrels' breech ends, which meld into bold side panels

that in turn become handsome bolsters that overrun the bottom plate. The engraving design on the Ascent 1 is discreet but effective and further enhances the action's sculptured shapes.

THE STOCK

Both in terms of dimensions and configuration, stock design is crucial to accurate shooting and yet there are guns in the same price bracket as the Guerini that fall short in both areas. Appearance is important, but equally so are shapes that incorporate ergonomic qualities. In the case of the Guerini, the grip shape and the profile of the comb are excellent. Accurate stock fit is helped enormously by the incorporation of an adjustable comb for both height and cast. These two dimensions – height in particular, which determines the elevation of the aiming eye above the rib – are crucial to accurate shooting. The forend wood, which incorporates the maker's signature Anson rod fastening is of equally good shape, consisting of a beavertail configuration with finger grooves to easily achieve a comfortable hold. Lastly, a small detail, but an important one; the Guerini pad incorporated into the Ascent is by far the best to be found on any Trap gun, both for looks and utility.

BARRELS

Conventionally bored at 18.6mm, the 81cm length barrels incorporate a set of no less than 10 hand detachable extended chokes, which range in constriction from

cylinder to full and every other possible option. Incorporating a low ramped rib with a taper from 10mm-7mm, the effect is pointable without representing a distraction. A crucial factor in the serviceable life of any gun is how well the barrels are jointed to the action, to use gunmaker's parlance. In the case of this Guerini, the standard of workmanship is excellent and, as it should be, this new gun was very stiff to open. This will loosen up in time, but close jointing will extend the gun's serviceable life considerably before it needs any kind of repair and may be considered a virtue.

SHOOTING IMPRESSIONS

Tipping the scales at 8lbs 15oz, this long barrelled Guerini is no lightweight, but the weight is between the hands as it should be. Nevertheless, if you are going to regularly shoot very fast targets, as in the case of Olympic Trap, I would recommend the shorter barrel version. As it was, my test gun's 81cm tubes swept smoothly through the trajectory of some Ball Trap targets and together we achieved some very satisfying breaks. Trigger pulls were excellent, as good as or better than I've experienced with a mechanism of this type. In short, there is little to criticise regarding this Guerini, manufactured to very high standards and incorporating a fit for purpose specification. This has been conceived with expertise and executed with skill, and at the same time represents outstanding value for money. ●

OWNER **ANDREW HARRIS** TELLS
PULL! ABOUT HIS SMALL BUT
SUCCESSFUL SHOOTING GROUND

AT A GLANCE

Address: Middle Hill Farm, Ashley, Tiverton
EX16 5PD

Opening times: Sun, 10-12, plus alternate
Wed evenings in the summer months

Website: www.facebook.com/AshleyClayShoot

Open since: 1990s

Facilities: Sporting layout

Events: We run a 70 bird Sporting and
simulated game shoot fortnightly on Sunday
morning and on Wednesday evenings
throughout the summer. We also run
CPSA competitions throughout the year.

Q: How long have you been shooting?

A: I have been shooting since I was a boy,
so at least 40 years.

Q: When did you start your club?

A: Ashley Clay Shoot first opened to
the public in the early 1990s, although
shooting had been going on here between
friends and family for a number of years.
Our main aim was to provide a friendly
practice shooting ground for locals to
come and enjoy themselves on a Sunday
morning.

Q: How has the club developed?

A: We started with just a handful of manual
clay traps on homemade frames, needing the
willing help of friends to operate them for
us. Over the years these have developed
into a fleet of 20+ remote control electric
machines, a few scaffold towers and many
new spots for them to go in.

Q: What events do you run?

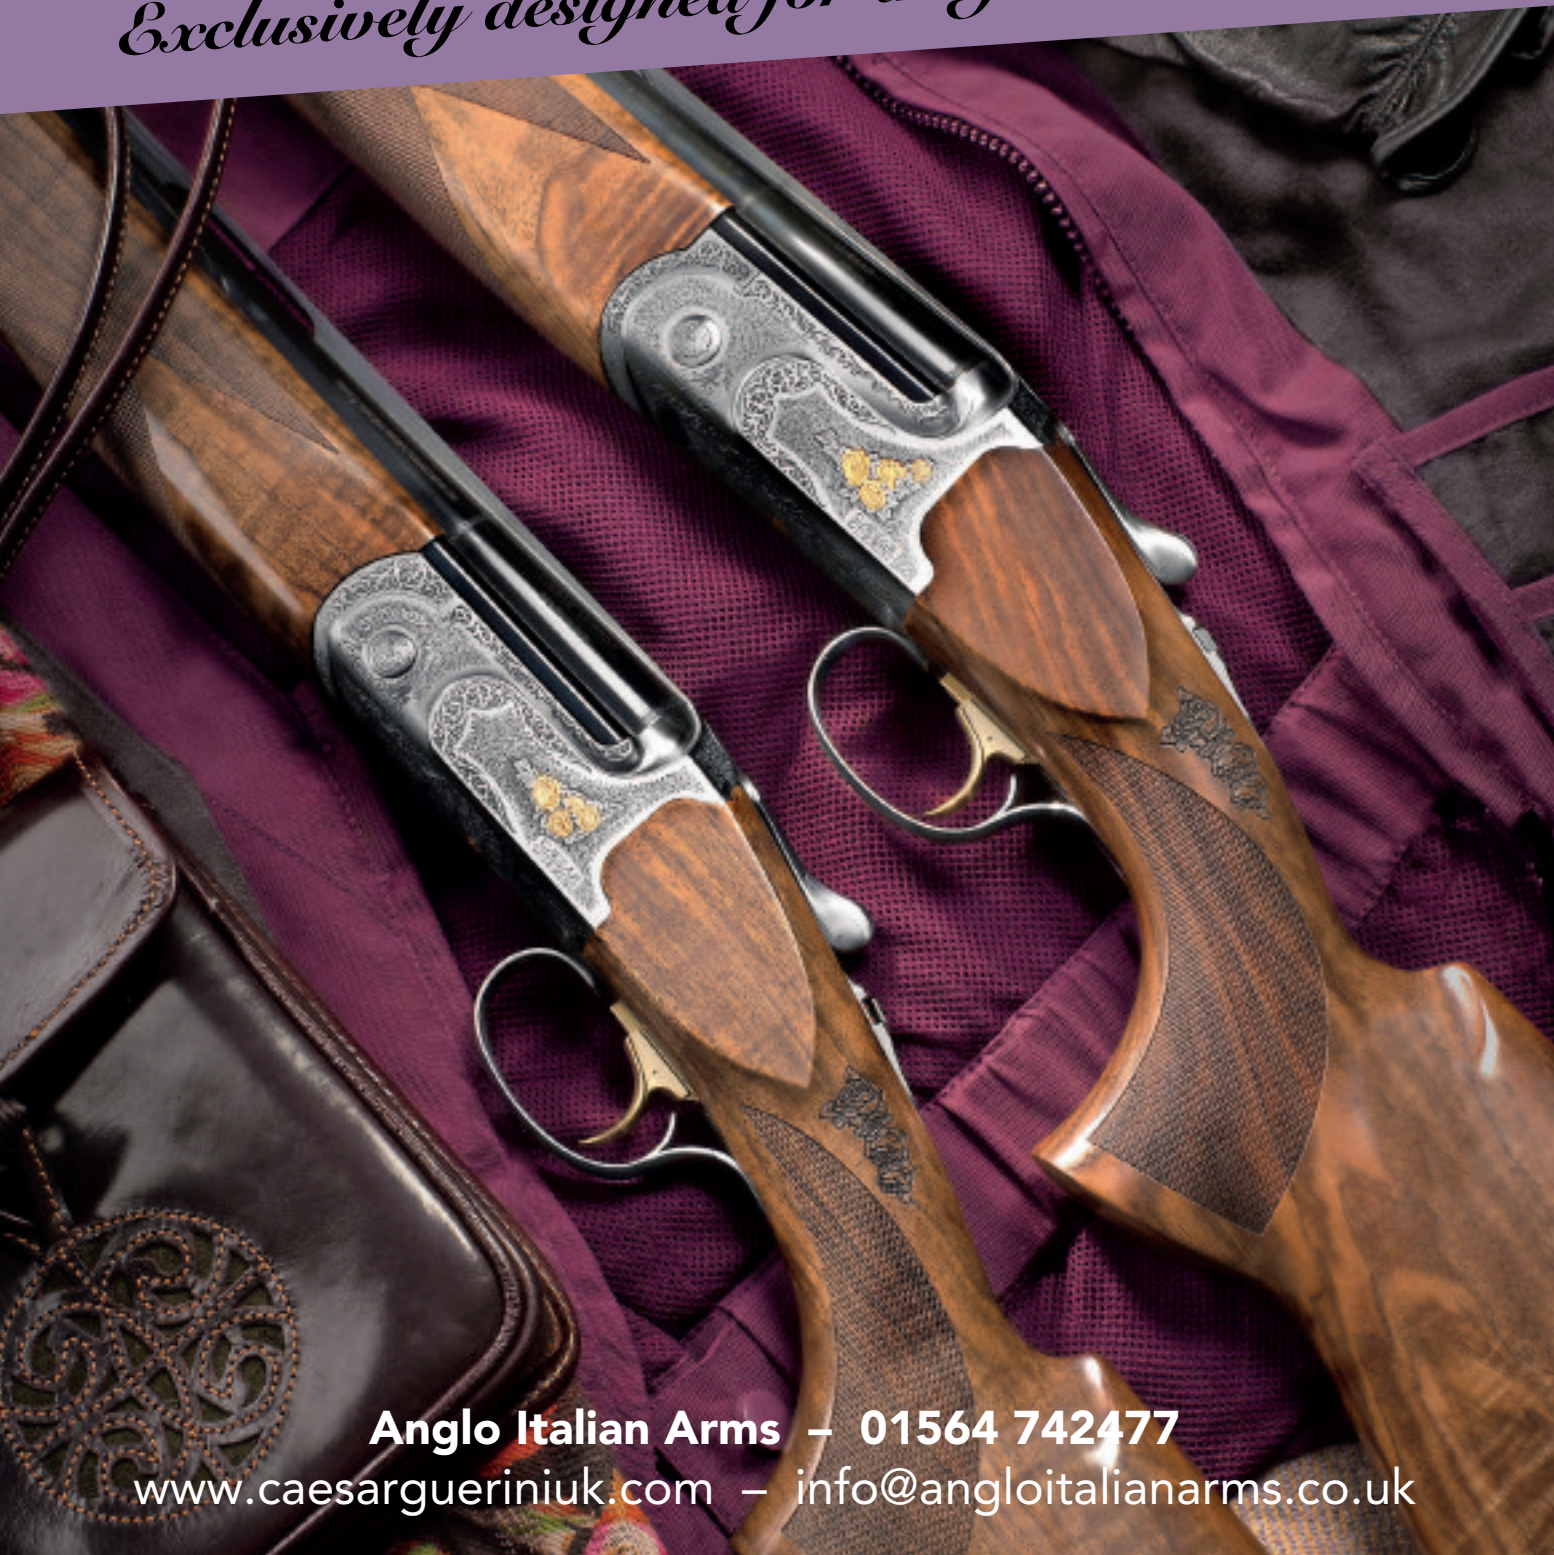

A: We are set in a deep valley in the heart
of Devon, ideal for our Sporting layout, with
fortnightly practice shoots of 70 clays and a
100ESP Registered shoot once a month. We
also hold county selection shoots and county
championship shoots. We change the layout
drastically every time, so no two shoots are
the same!

**Q: What is the shooting scene
like in your area?**

A: Here in Devon, shooting is becoming
evermore popular. We are noticing new
customers arriving at nearly every shoot,
including more and more ladies and
young shots. We cater for a local group
of women know as 'Devon Lady Guns'.
They come to us once a month for
tuition and a casual shoot. It's great to
see all the young shots coming through
as they are the future of our sport. We
like to encourage young shooters to our
practice shoots by giving anyone under
the age of 16 a half price entry. ●

WORLD CLASS SYSTEM

British Shooting's purpose is to 'develop world-leading people to deliver world-leading performances'. Supported by the National Lottery, UK Sport and Sport England funding, British Shooting aims to deliver an inspirational World Class system that releases potential, drives sustained medal success and takes us beyond expectations.

RIO SUCCESS AND LONG-TERM IMPACT

There is a huge sense of pride for what we have collectively achieved in Rio and this will have had a significant impact on the future of Olympic shooting within Great Britain. By winning two medals and achieving two additional finalists, British Shooting has exceeded its agreed UK Sport target for Rio.

Within the Rio Olympic cycle, British Shooting has exceeded or met our milestone target every year across the whole performance system. This success demonstrates the depth and breadth of talent that is being nurtured within the GB shooting performance pathway and the ability to compete with other world-leading shooting nations.

British Shooting is progressing on a journey of continuous improvement. Our philosophy during the Rio cycle has been about developing a unified culture that aspires to be world leading and building an inspirational talent pathway across GB. This has been formed around a passionate and focused performance team (shooters, coaches, staff) delivering a clear strategy and leaving no stone unturned. The culmination of this has seen us achieve medal success on the world stage across the four years. British Shooting recognises that there is a lot to be learnt and more to be achieved, and this is the exciting potential that Olympic shooting in Great Britain has.

The long-term impact allows us to continue to enhance the GB talent pathway and evolve a culture that aspires to be truly world leading.

Without the support from UK Sport, the National Lottery and Sport England the success of our Olympic team and the growth of the GB Talent Pathway would not be possible. Their support has provided the resources to deliver our plans and we are extremely grateful for their continued backing in what we are doing.

British Shooting has submitted its performance strategy for Tokyo 2020 to UK Sport and will be submitting our strategy to Sport England over the coming months. All Olympic sports will be informed of their Tokyo 2020 investment from UK Sport in December 2016.

Hopefully, by building on Peter Wilson's success in London 2012, and now exceeding our target in Rio 2016, it will place us in a good position moving forward as we roll out our plans for Tokyo 2020 and beyond.

British Shooting is keen to explore other avenues of sponsorship and investment that can support shooters across the GB Talent Pathway and the formation of an Elite Training Centre. British Shooting's aspiration is to have an Elite Training Centre (centre of excellence) that provides a 'home' for aspiring GB Olympic shooters across all disciplines. Within the Rio cycle we have been working with key stakeholders to get a 'home' for British Shooting, akin to the Manchester Velodrome for cyclists. This would provide a world-class environment for our shooters, coaches and support staff.

GB TALENT PATHWAY (SHOTGUN)

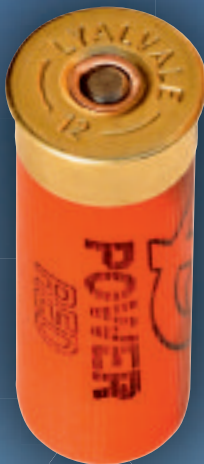

Within the Rio Olympic cycle, British Shooting has developed a talent pathway that aims to recruit and develop shooters from a grassroots level through to Olympic success. The diagram to the left outlines the programmes that British Shooting delivers and supports shooters across the GB Talent Pathway. The delivery of the GB Talent Pathway is supported by investment from UK Sport and Sport England. ●

Suffolk's super British Open

JACK CAVILLA AND KYLE WOODHALL-CROSS
REPORT FROM A FABULOUS FIVE DAYS OF SHOOTING
AT THE BRITISH OPEN ENGLISH SPORTING IN SUFFOLK

Event: British Open English Sporting
Date: August 31-September 4

T

The final major of the season, the British Open, marks the last chance for shooters to record their name in the history books for another year. Dating back to 1925, the prestigious trophy features a wealth of names, adding to the nostalgia for competitors.

Hosted by High Lodge Shooting Ground in Suffolk, the event attracted just shy of 1,100 shooters, who were all pitting their abilities against each other to try and take home the 91-year-old title.

Set out over 15 stands through the countryside, the 120-target course proved challenging and demanding. Many of the top shots duly responded and were out in force on the first day, posting early scores on the board as they basked in the glorious Suffolk sunshine.

George Digweed MBE and Mark Winsor set the standard with 115, but they were soon overtaken by Steve Clark and Kevin Jobling, who both scored 116. England Veteran Ian Hallwood qualified through AA class along with Peter Jarvis on 110.

Digweed reflected: "It's tough. All the targets are there to

EDGAR BROTHERS

be shot, but you've got to shoot them. As usual the ground looks immaculate and I'm happy with my score."

Looking to retain the Ladies title for the fourth successive year, Cheryl Hall eased her way into the finals day, recording 104, she was joined by Hannah Gibson, who shot a steady 103.

Following the success of last year's format, the tournament continued with the finals day on Sunday as the showcase finale. The top three scores in each category over the four days of qualifying were joined by the top five daily scores in each class, all going forward to compete for the spoils.

While the first day drew out many of the top shots, as the week progressed it was refreshing to see lots of new faces competing alongside seasoned shooters. Laura Everton epitomised this, shooting in her first ever major championship and recording 58. She said: "I really enjoyed it. I had a really good time all the way round the course and I did better than I thought I would. I shot just under half the targets and I'm really pleased for my first major competition."

Elsewhere, Pauline Chapman has been in great form of late and she carried this into the British Open by finishing on 108 to take first place on the Ladies scoreboard.

Local shot 'Puff' Baker was keen to make home advantage count. The England and Suffolk shooter posted 116, the second highest score in qualification. This was only beaten by Richard Faulds, who shot an impressive 117 and was clearly in the mood to add more silverware to his collection.

The finals day consisted of 75 targets over 10 new stands, with the top six shooters progressing to the Super Final, taking their score with them, to shoot a further 30 targets.

With the competition once again sponsored by Zoli and Gamebore, an estimated prize fund in excess of £25,000 included a Zoli Z-Sport High Rib Sporter for the Champion, along with Hatsan shotguns and cartridges for other positions.

Despite mixed weather, crowds gathered to watch the last few squads, clearly appreciative of the high standard of shooting from the AAA class shooters, who didn't disappoint. Phil Smith recorded a perfect score across the first six stands, with Mark Winsor going one stand better.

Phil and Mark both tied on 73 to take them into the final six along with Digweed and Nick Portlock on 71. The final two places needed an additional five-way shoot-off, with Paul Simpson and Martin Myers just edging it to book their places in the Super Final.

In the Super Final Winsor made all the running, recording two straight 10s to give him a healthy advantage. Despite dropping four targets on the last stand, he finished on 99 ex 105, three points ahead of runner-up Martin Myers, who defeated Phil Smith in a shoot-off to secure second place.

Hunting down the one trophy that has eluded him in recent years, Winsor was clearly delighted to finally be crowned British Open Champion: "I'm very pleased to have won it. It's the one trophy that I wanted to get my hands on; at least I wanted to get my name on it anyway. If anybody has got the time to look at it there are some historic names on there – a lot of guys have won who I looked up to as a youngster."

He added: "Going into the last three stands in the Super Final, I set off really well, hitting them really hard in the middle and timing them sweet and it carried on through. I had an advantage to carry through on the last stand and I'm really pleased that I did enough to get the title."

Despite missing out on the Super Final, Arnie Palmer took the Veteran High Gun with a score of 70, while last year's overall winner, Steve Brightwell, came third in the Veterans category.

Hannah Gibson overturned Cheryl Hall's dominance in the Ladies category, finishing on 66, two points ahead of Cheryl in second. Hannah said: "It's more than I could have hoped for! I'm ecstatic; it's nice to see the hard work is paying off. I'm already looking forward to next season."

Joshua Bennion recorded 62 ex 75 to win the Colt High Gun as well as coming first in C Class, while Aaron Harvey beat Josh Bridges in a shoot-off to take the Junior High Gun.

SPORTRAP

When George Digweed MBE posted 95 ex 100 on day one of the Sportrap, he said he "wouldn't want to have to go and shoot a 96", and his premonitions proved right.

Four-hundred-and-twenty-four shooters took to the fiercely challenging Sportrap course, where the long-range targets and often blustery conditions caused many of the shooters to struggle.

Having failed to retain his 2014 Sportrap title last year, Digweed exerted his dominance early on and gave shooters following him throughout the week a benchmark to try and match.

None came closer than runner-up Jack Lovick. On the final day of the competition, Jack scored 94, but dropped three targets on his final layout to leave him to rue what could have been. Steve Clark also recorded 94 and finished third by default.

In the Disabled Standing category Peter Croft and Jamie Gutteridge battled out a closely fought shoot-off in driving rain to determine the category High Gun. Having both registered 78 ex 100, they took to the second layout of the Sportrap course to shoot a

Some tense moments as shooters watch the scoreboard

"I'm here to be a shooter on behalf of the shooters. So far it's been really good. We've had lovely weather, fantastic people, some really good targets and absolutely no problems, which makes my life really easy!" **John Martin, CPSA East Midlands Regional Director**

"I enjoyed it. It wasn't as simple as everybody was making out – some tricky targets – but they've got to be hit and you've got to work hard for them. I've struggled round and dropped 10 targets, but I've enjoyed it, so all power to Biddy and his course builder." **Team England English Sporting captain Arnie Palmer**

"It's been very good, the first real major shoot I've had. I've only done about three of four now through the CPSA and I've enjoyed it. I'm really thrilled to be here, it's great. I'm staying in one of the lodges here and it's lovely." **Richard Markham**

"As suppliers to this industry I think it's beholden on all of us to try and support shooting in whatever way we can. We like to be at these major events because it gives an opportunity to talk to all classes of shooters, whether they are the very top people or the beginners and new entries into the competition." **David Scott, Gamebore**

"The standard of shoot today is unbelievable – you can't afford to miss a single target." **Former England Captain Paddy Howe**

"I felt this shoot was just right. There was something for everybody to shoot at with the lower classes going away happy that they shot a good round and the top boys were posting high scores." **Eric Chapman**

further 25 targets. Peter edged the contest by one target, shooting 19 ex 25 to take the honours.

The Juniors was also closely fought, with Joshua Brown's score of 89 just managing to fend off local lads Taylor Hedgecock (87) and George Townsend (86) to take the category High Gun.

Last year's overall runner-up, Steve Brightwell, returned to take the Veteran High Gun, scoring 90 to finish ahead of Graham Stirzaker on 87.

Young Brody Woollard continues to impress and stormed to the Colts High Gun, scoring 80. His nearest rival was Amy Easeman on 76, a score which earned her Lady Colt High Gun. ●

Events round-up

OLYMPIC SKEET HOME INTERNATIONAL, LISPOPPLE CLAY TARGET CLUB, AUGUST 13

Cloudy skies but the warmest of welcomes greeted England's Olympic Skeet team for the Home International on the Emerald Isle.

Competition got off to an early start at 7.45am, and the two very smart Skeet ranges worked superbly, though breezy conditions made for some challenging targets.

England put in a strong performance under the captaincy of Andrew Lea to take the Team Medal with 549 to runner-up Ireland on 526. At the end of the day, three shooters were on 95 targets. England's Andrew Lea, David Dale and Northern Ireland's Gareth McAuley. Gareth finished victorious claiming High Gun and Winning Captain. Andrew Lea finished runner-up.

New Caps Lara Dale, James Rounsevell, Alex Wilkinson and Jack Googheew applied themselves well, putting in some positive scores.

Lara took the Ladies High Gun with a score of 85 with Victoria Humphreys runner-up on 82.

Junior High Gun went to James Rounsevell, with a score of 93 he also claimed New Cap High Gun badge.

Veteran High Gun went to Frank Miller on 88 with Lee Bowditch runner up on 84.

In its first year of presentation, the Peter Sloan Memorial Trophy went to Super Veteran Stephen Miller, who scored 81.

Ray Dixon was unable to travel due to health reasons, so Dorothy Bird and Katy Poulson took on the task as manager, with amazing support from family and friends.

Shooting conditions varied constantly throughout the two days for all competitors. That said, John Lewis and his team provided excellent targets and facilities, ensuring a successful tournament.

As the tournament was being hosted by Wales, competition was fierce. Jonathan Davis of Wales returned a fantastic score of 142/150 to take overall High Gun, with England's Mark Shaw and James Sole on 140/150.

After day one, the England Seniors were just ahead of the Welsh Seniors, although the combined event of Ladies; Juniors; Veterans and Super Veterans gave England a substantial lead over second-placed Ireland.

Throughout the second day, it was close between the England and Wales Senior Teams. However, England emerged the champions, returning a combined score of 825/900, with Wales runners-up on 810/900.

On the second day, Caroline Povey, the England Captain, held a four-target lead on 68/75 over Kirsty Barr of Northern Ireland with a 64/75 for the Ladies competition. Caroline emerged victorious, returning a score of 132/150,

with Abbey Ling of England on 129/150, ensuring that the England Ladies took first and second place.

Michael Bovingdon, England's new Junior Cap, proved worthy of his selection by emerging victorious after a three-way shoot-off for Junior High Gun.

England held onto the Ladies; Juniors; Veterans and Super Veterans combination competition with a combined score of 525/600, with Ireland in second place with 499/600 and Northern Ireland third with 497/600.

England's Mark Shaw and James Sole both returned scores of 140/150, resulting in a shoot-off for England High Gun, with Mark taking the honours.

England Team Manager John Offord said "What an amazing result and achievement from the England Team – practically a clean sweep."

ENGLISH SKEET HOME INTERNATIONAL, AUCHTERHOUSE COUNTRY SPORTS GROUND, AUGUST 26-27

Seven Home Nations entered the tournament, fielding 24 squads of competitors, all with varying degrees of nervousness! The weather appeared favourable, but a nasty, swirling wind at the back of the ranges created havoc for teams.

Targets were dropped by all, with the wind being funnelled by the steep banking, causing problems for even the best shooters. Six people handled them better than most, two of them being England's Andy Parsons and Bill Moussalli, who both finished the day on 99. No one shot straight.

Wales were the surprise leaders in the Seniors at the end of the first day, with England and Scotland trailing by one.

The second day started with beautiful weather and the nasty wind gone. With only 50 targets on the second day, it was all to play for and the England Team rose to the challenge.

With brilliant displays from Wendy Allen and Joy Hirons, well supported by Emily Hibbs, the England Ladies finished clear winners. The England Juniors also performed brilliantly and finished the day winners, with Tom Tristram and Matt Pegg superbly backed by Ben Ludford-Brooks. The England Veterans were also never troubled, with Team Captain Steve Leppington shooting 50 straight, and Bill Moussalli and Frank Arico providing support. The England Super Veterans overturned a first day deficit into a brilliant win, with Martin Brister shooting 50 straight, supported by Johnny Walker and Alan Archer, winning by one clay.

It was the Seniors who let it go right to the very end, giving new Team Manager Rob Hirons greyer hair than when the tournament started. They overcame the pressure, winning by just one clay, with Andy Parsons, Gary Cooke and Neil Faulkner all shooting 50 straight, well supported by the remainder of the England Team finally becoming tournament winners, with Scotland second and Wales third.

A fantastic effort by the whole England Team, extremely well lead by Captain Steve Leppington, saw a clean sweep over all categories with the nail-biting finish.

thrilling all Yorkshire affair that went right to the wire saw Andy Parsons crowned 2016 British Open English Skeet Champion. In mixed weather conditions, Andy was among four shooters who shot 100 straight over a pulsating three days at Doveridge Clay Sports.

Former winner Nick Marsden raced out of the blocks on the Friday, posting the first ton of the weekend, a clear indicator that he was out to make amends for his third-place finish last year.

It wasn't until the Sunday that anybody else was able to match Nick's efforts, but once the second perfect score was posted, it was like London buses. A Yorkshire trio made up of Parsons, Steve Leppington and Gary Cooke all shot 100 straight to force a shoot-off.

With Nick unavailable for the shoot-off, it was left to the Yorkshire shooters to battle it out for the title. With all three holding their nerve and shooting straight, it went onto sudden death pairs. Gary and Steve both missed a single target, while Andy hit all four to become British Open Champion. Steve finished runner-up and Gary took third place, completing a successful weekend for the North England shooters.

Throughout the weekend many came close to hitting the magical ton, and a series of 99s forced another exciting shoot-off in A class. Teenage shot Benjamin Ludford-Brooks

clearly felt in a confident mood shooting at his local ground. The Derbyshire lad was one of the shooters in A class who scored 99, though he met his match in the form of another young shot – 15-year-old Tom Tristram also recorded 99 and prevailed to take the A class High Gun after an extended shoot-off.

The teenage duo also enjoyed success in their respective categories, with Benjamin taking the Junior High Gun for the second year in a row and Tom picking up the honours in the Colts category.

Joy Hirons has been a dominant force in the Ladies category for a number of years and this year proved no different. The reigning Ladies Champion also posted 99 to take the category title for the fourth successive year.

'Simply the Best' could be one phrase to describe them! But Paul Dodd, Craig Lakey, Dave Mogan, Joy Hirons and Carl Fielding proved to be the best, combining to win the five-man team competition with 493/500.

With the overall top three, it was no surprise to see the North's team of Paul Dodd, Andy Parsons, Gary Cooke, Steve Leppington, Sam Fitzgerald, Mark Holmes, David Hornby, Russ Dean and Jon Tones take the Seniors honours in the Inter-regional team battle with 498/500.

Elsewhere, Joy Hirons, Kirstin Vogel and Tracy Miller from the East Midlands won the ladies on 193/200.

SARAH DALY REPORTS FROM THE FITASC COMPAK WORLD CHAMPIONSHIP, HELD AT E.J. CHURCHILL IN AUGUST

T

he weather was kind, the targets were good and the organisation was exceptional – what more could you ask for the 353 competitors at the Compak World Championships?

Josh Bridges was in touch over the first two days in the Juniors, but then on the third day dropped down to eighth place. However, a straight on the last day (50 ex 50) put him right back at the top to tie with John-Ole Nordskog (NOR), which was decided by Josh winning the shoot-off by one target.

What a successful year for Josh Bridges! Shooting a Browning 725 Pro Trap/Cheddite Mach 3 combination, this 18-year-old has just achieved the biggest win of his career so far, which has nicely topped off a gold in World SportTrap (Junior), silver in the FITASC Sport WCH (Junior) and silver in the English World Sporting (Junior), and he has managed to attract an impressive list of sponsors.

Josh commented: "There were good targets through all the layouts. I had a shoot-off, which was fun, but I was quite nervous. I managed to keep my concentration and just kept trying. I knew what John-Ole was shooting, but I had to get the last pair to beat him, so there was quite a lot of pressure on that pair, but I enjoy the pressure! A big thank you to everyone who has helped me – I couldn't have done it without you."

A very proud father, John, who owns and runs Starshot, said: "I'm absolutely delighted with Josh. Both Christine and I are so proud of him – he is a brilliant shot but also great to be around and will always help out others. Josh also works hard to achieve his success – he is up at 4:30am to go to work."

The Veterans and the Super Veterans also put in an impressive performance taking individual and team medals.

Glenn Hunt, who shoots a Miroku 3800/Hull Parcours 7.5 combination, and Martin Doughty were near the top of the Veterans leaderboard throughout the event, but Glenn posted 49 ex 50 on the last day to pip Martin to the top spot, with their third team mate, Nigel Hart, not far behind, they won team gold, beating Italy by a massive 24 targets.

Glenn said the event was "fabulous. The targets were absolutely right for the event and the organisation at E.J. Churchill was second to none. Going into the last day I thought 'I'm not going to lose this', so went up a gear. I dug deep and just found it. I shot in the morning, but had to wait until about 4pm for the results; Martin's [Doughty] was one of the last scores to come in and he was just one point behind!

"I have won Vet's Compak English and British Open, but never an event like this. We had a street party outside my house as a celebration on the Monday – it's a great way to celebrate. It was nice to be standing with the people who you have always looked up to and the prize giving ceremony was a really fantastic experience, hearing the National Anthem and then singing 'We are the champions' – I can't wait for the next one!"

Once again, John Bidwell won his favourite medal, gold, in the Super Vets, five targets ahead of Yann le Goff (FRA) and six targets ahead of fellow countryman Alan Pearse, who took bronze.

With the Super Vets team of Frank Haigh, Christopher Dennis and Dennis Webb bringing in gold, they certainly

added to GBR's impressive medal tally.

Amy Easeman put in a good showing, being up with the leaders over the first three days just dropping down to seventh on the last day, with Cheryl Hall finishing in fifth and fellow team member, Linda Grayson, in 10th, which gave them a seven target lead over Italy for the Ladies Team gold.

Team Manager, Nick Woodward, commented: "The whole event ran very smoothly and I was very proud of all the team and their sportsmanship was exemplary, especially Chris Childerhouse as a new cap obtaining equal 10th overall."

Hugh Smith, President of the FITASC Referees Commission and Chief Referee for the event, said: "It surpassed my expectations. The support from Graham Fair, Promatic, was outstanding. You could not have wished for more."

"The course builder, Eric Manshoven, set a very technically good course. Collectively, the targets gave the right scores as predicted. The organisation, co-operation and support by E.J. Churchill of the executive and the staff was second to none, in particular Rob Fenwick and Victoria Tetley. Everyone was brilliant."

November 24 will see our AGM take place at the Mecure Hotel, Wetherby (LS22 5HE). All members are welcome to attend and stand for the committee. Nick Fellows and Terry Bobbett hope to be in attendance, so it is your perfect opportunity to put forward questions to not only the North Region committee but also the representatives from HQ.

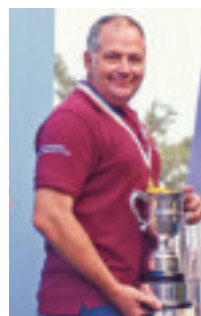

Congratulations to Glenn Hunt and Josh Bridges on their recent success at the World Compak Sporting Championships at E.J. Churchill. Josh won the Junior title and Glenn won the Veterans class. Well done also to Linda Grayson for winning the gold for Team GB Ladies.

Oak Lodge would like to say well done to Charlie Harker-Nunns, one of Junior members who is coached by ground owner Andrew Calvert. He shot Olympic Trap in the British Shooting Pathway Championships at Nuthampstead and won! He has been shooting Olympic Skeet at Beverley on the British Shooting Talent Pathway programme, but decided to have a go at Olympic Trap and thoroughly enjoyed it. Well done!

A big thank you from Blackpool Clay Shooting Club for all those attending the recent charity shoot on behalf of Donna's Dream House, where more than £1,500 was raised. Congratulations to High Gun Paul Rogerson, who picked up a Winchester shotgun as a prize!

Outstanding results at the British Open Skeet - Doveridge

Three out of the only four tons posted at the three-day competition came from the cream of our North Region and Andy Parsons, Gary Cooke and Steve Leppington all managed the perfect score when it counted most! All three entered the shoot-off for the 2016 British Open Skeet title, which was quickly decided after getting to pairs in the middle and Steve and Gary both missed early on, leaving Andy as this year's Champion! A fantastic achievement for Andy and very well deserved.

Left: Andy Parsons – British Open Skeet Champion
Right: Becky Clarey – third in Colts

Steve was runner-up and also took the trophy for Veterans High Gun. Gary was third despite shooting with a recently broken collar bone!

The up-and-coming Becky Clarey was put into a shoot-off for bronze medal in Colts after a superb 93 ex 100. Despite this being her first shoot-off in front of a crowd, she put in a brilliant 25-straight which won her the medal. Well done! I'm sure we will be seeing a lot more of this very talented shooter along with fellow Colt Cain Stewart, who was hot on her heels with a 91 ex 100. Definitely ones for the future!

Liz Shanks was unlucky not to make the medals in the Ladies with a superb 97 ex 100 – just one target away.

Harry Peart and Victor Annand, both from the North Region, had a shoot-off for High Gun in side-by-side after posting 93 ex 100. Victory went to Harry after a brilliant 24. Well done Harry!

Finally, our Senior Team was unbeatable with 498 ex 500. Is this the highest team score ever posted at the British Open? Well done to all the North Region Team, you are simply the best!

Yorkshire English Skeet Championships - Rufforth

A windy day presented challenging targets! A pair of 97 ex 100s from Ross Elgie and Andy Parsons left them in a shoot-off for the county badge and, after one more round, Andy secured the trophy. Steve Leppington won Veterans after a shoot-off with Roger Beaumont, and Charlotte Kitchen won Ladies. The up-and-coming Archie Pope won Colts. Well done everyone.

Aug 26-27: Skeet Home International – Auchterhouse

Well done to Ben Ludford-Brooks who was England Junior High Gun, Overall Junior High Gun and part of the winning England Junior Team with 144 ex 150. Making up the Juniors was Derbyshire's Matthew Pegg (141 ex 150) and Nottinghamshire's Tom Tristram (144 ex 150). Well done to you all.

Aug 28: West Midlands Inter-counties – Fauxdegla

Well done to the Veterans DTL team of Clive Weston (99/295), Gary Webster (97/286) and Geoff Smith (95/279) who won the bronze medal. Team High Gun was Tom Waring on 100/297.

Aug 29: All-Round County Championship – Nottingham and District Gun Club

Shooting on the first squad in warm, sunny conditions, J Wood took the County title on 92 ex 100, runner-up was Geoff Flint on 88 ex 100 followed by Mark Fisher on 87 ex 100 and Keith Ritchie and Keith Wood Jnr on 86 ex 100. Veterans Champion was Paul Hallam on 91 ex 100, with Adrian Hope runner-up on 88 ex 100 and Gary Webster third on 81 ex 100. Ladies Champion was Chris Thacker on 71 ex 100. Well done to all winners.

County news early call

Please note that the Gloucestershire CPSA AGM is due to be held early 2017; venue and date will be advised when confirmed. I am aware many of you have strong opinions on various county matters and the AGM is your opportunity to air these with other like-minded (or otherwise) shooters.

Aug 6-7: FITASC County Championships – Westfield

This was, I believe, 'trebled' up as the WM Individual and Inter-counties Team event as well. As a team, Richard Webb, Steve Clarke, Steve Burnham, Ivan Reid, Adrian Johnson and Mark Thomas, were just edged out after shoot-off by 23 targets to 25 to win a team silver – very well done. As for the county title, 20 entered across the two days and Richard Webb (87 ex 100) took first. Steve Clarke and Adrian Johnson tied on 84 ex 100, but I'm not sure if they shot off for second and third. If any of our county members that shot the various competitions over the weekend won a medal in any of the categories, please do share with me and the rest of us.

Aug 7: English Skeet County Championships – Gloucester

Our county Skeet events are seeing a bit of a resurgence and 20 county entries saw a full card on the day. Having recently taken the county OSK title, Paul Tudge added the ESK with a perfect 100-straight. Cliff Gardener and SW Golding tied for second on 96 ex 100. Sue Tippet scored 92 ex 100, taking Ladies.

Aug 13: English Sporting County Championships – Windrush

Thirty-two of us braved Steve Lovatt's offering and I must admit that some of us found the course a struggle. Steve Burnham, well and truly now having put his own shooting annus horribilis behind him, yet again showed that he's more than capable on this type of course. He took the county title with 92 ex 100, one target clear of Richard Webb's 91 ex 100 which was in turn one clear of Nick Portlock's 90 ex 100. In A Class, Mark Thomas shot 87 ex 100. In B Class, Mike 'Pep' Peppard shot 74 ex 100. In C Class, Joanna

Herbert shot 72 ex 100. The top Lady was Judith Gilder with 73 ex 100.

Aug 14: Olympic Trap County Championships – South Wales 2000

A more than respectable county contingent duly competed up in the valleys. As expected, our top Trap shot Matt Panter took first with 91 ex 100. James Boulton scored 83 ex 100 for second and Shaun Porter took third on 80 ex 100. Making it an Ian Coley Shop clean sweep, Sue Tippet took the Ladies title.

Other notable scores duly sent in to me were:

Aug 3 at ICSS: Nick Portlock shot 93 ex 100 for equal High Gun. In A Class, Kevin Childs shot 80 ex 100 for second. In B Class, Judith Gilder was first on 77 ex 100. In C Class, another one for the girls when Joanna Herbert shot 70 ex 100 and took third. Aug 7 at Longridge: a well-deserved High Gun for Nick Portlock with 96 ex 100. In B Class, Jack Mills took second with 83 ex 100. Aug 14 at Gunsite: a superb 90 ex 100 saw Nigel Durn win B Class. Aug 21 at Meadowcroft: Clynt Warren third in AA Class with 93 ex 100 and Ben Malecki shot 80 ex 100 for second in B Class.

Aug 6-7: H&W FITASC County Championships – Westfield

This championship was held over two days, with Julian Morris taking the county title on 86 ex 100. Runner-up is Phil Smith on 80 ex 100. Veterans title goes to Wes Harris on 79 ex 100 with Dee Ward taking the Ladies title on 65 ex 100. Congratulations to everyone and thanks to all H&W members that took part.

Aug 6-7: WM Area and I/C FITASC Championships – Westfield

In the Area Championships, Julian Morris won Senior bronze on 86 ex 100. Dee Ward won Ladies Area gold on 65 ex 100. Linden Partridge took Ladies Area bronze on 64 ex 100 and Wes Harris won Area Veterans bronze on 79 ex 100.

Aug 6-7: EO and BO Single-Barrel – Beverley CTC

Our congratulations to Jack Ruane, who came third in Juniors in both the EO and BO Single-Barrel Championships held at Beverley CTC.

Aug 12-14: British Open Skeet Championships – Doveridge

Brilliant news from the British Open English Skeet Championships as Emma Parkinson came away with a haul of trophies. She was runner-up in the Ladies (just one target behind Joy Hiron), runner-up in the Juniors, winner of B Class after a shoot-off, won the Parent and Child category with her dad Ian and was in the West Midlands Regional team that won Juniors. Emma finished on 98 ex 100, with dad Ian finishing on 96 ex 100. Excellent result.

Aug 14: Universal Trap County Championships – Rugby

We held the UTR County Championship at Rugby and District again this year, but sadly entries were fairly low. County Champion was Rod Davies on 89 ex 100 followed closely by Stuart Palmer on 87 ex 100. Stuart shot a brilliant 25-straight on his last layout, but sadly missed out this year. Craig Miles, with a new gun, shot 83 ex 100 and Andy Foxall, with 81 ex 100, just crept past Mike Lloyd who shot 80 ex 100. Thanks to those who attended and a special thanks to John Nightingale and his crew at Rugby. While writing this report, it would be rude not to mention a regular shooter at Park Farm SG called Dave Winter who shot an excellent 95 ex 100. Let's hope for some more entries next year.

Aug 28: WM Inter-county DTL Championships – Fauxdegla

The combination of holidays, work, personal

choice and other DTL events on the same day gave more H&W shooters the opportunity to shoot for the county this year.

A dry overcast day with the possibility of sunshine was the forecast, which saw four teams entered from H&W. It was very encouraging to see three Junior shooters entering the competition and the friends and families that came along to support them.

Seniors: Ian Parkinson (292/300), Craig Miles (281/300), Mike Lloyd (277/300), Rob Hart (277/300), Mike Perry (269/300).

Ladies: Emma Parkinson (277/300), Sue Perry (242/300).

Juniors: Will Goodman (257/300), Aiden Hickey (241/300). These two young Juniors have not been shooting very long and put in a good performance. This was Aiden's first time shooting for his county.

Veterans: Rob Haines (294/300) and Andy Foxall (289/300) won the silver medal.

An excellent day was had by all with some good scores being achieved. A special thank you must go to Ian Parkinson for his last-minute offer to shoot for the team and the excellent score that he achieved. Our thanks must go to Mike, Debbie and the staff; the targets were perfect, as was the refereeing and catering. The ground and its modern up-to-date facilities are indeed a credit to all the Fauxdegla team.

AGM

The H&W AGM will take place on February 4 2017 at The Leaking Well, Dunhampton. There will be more details to follow in Nov/Dec issue of *Pull!* and on the H&W website.

We are always looking for news and photos, so please get in touch if you have anything of interest. You will find full reports on the H&W website.

Jul 10: English Skeet

There was some good shooting again by our county hopefuls, with weather conditions being dull and windy! Dave Brick and Neil Meredith, English Skeet Team Managers, would like to thank everybody that turned out and attended any or all of the Selection Shoots. They are pleased to announce the team to shoot at Doveridge on September 18 in the West Midlands Inter-counties event, and you can find out the team at the website or by contacting either Dave or Neil on skeet@shropshirecpsa.co.uk.

Jul 17: West Midlands Area Olympic Trap Inter-counties and Shropshire County Championship – Griffin Lloyd

Shropshire put out a strong team for the event as always and came away with Senior team silver. Gareth Stanford-Iddon took County High Gun on 88 ex 100, Marcus Iddon took silver on 86 ex 100 and Bernie Hutchinson took bronze on 81 ex 100. Rebecca Ferguson continues to impress in both Ladies and Juniors, taking gold in both categories on 75 ex 100. Graham Evans again proved to be too strong in the Veterans by taking gold on 80 ex 100.

Olympic Skeet Championships – Gloucester Gun Club

For the first time in a while, Shropshire had representatives travel down to Gloucester Gun Club for the West Midlands and Shropshire County Championships. Arran Eccleston and Nick Middleham, both students on the Olympic Talent Pathways, shot consistently throughout the day. Arran finished 11th overall and second in Juniors, taking silver behind England's Alex Wilkinson. Nick, shooting his first-ever competition, enjoyed the day and it has given him great experience for years to come. Well done lads!

English Sporting

There have been some very good individual performances lately, so please keep up the standard of shooting. A mention must go to Haimwood Shooting Ground who ran a charity event on July 16 and raised £1,860. Thank you to everybody that turned out to support the event.

Gary Edwards has been shooting out of his skin in recent weeks, posting 87 ex 100 at Doveridge on July 31 and then shooting a 50-straight at Hodnet on August 2! Not bad for a B Class shooter! Keep it up, Gary.

Compak

Nick Williamson, Gary Edwards and Stu Aston travelled to Doveridge on July 30-31 to shoot the two-day 200-target British Grand Prix Compak.

Congratulations to Sam Upton, who has qualified for the England Sporting team. Sam has had a fantastic year, which started with him winning the Junior title at the English Open Sporting Championship at Hodnet SG in May. In July, he shot the World Championship at E.J. Churchill, finishing a very credible fifth. Then, last month, a brilliant 94 ex 100 at Southdown clinched his first cap for his country. Sam would like to thank his sponsors – Eley, Caesar Guerini, Solwaire, Doveridge Gun Club and Custom Fit Guards – for their help and support.

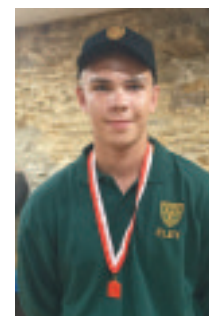

West Midlands Area and Inter-counties FITASC – Westfield Shooting Ground

This proved testing but enjoyable, and the Staffordshire team achieved the bronze medal. The Staffordshire County Junior Champion is Sam Upton with a fantastic 85 ex 100. Sam also tied for the County Championship with Tim Simmons (shoot-off to be mutually agreed at a later date). Sam also took gold in Juniors. Staffordshire Veterans County Champion is Steve Williams.

I would like to take this opportunity to thank all the Staffordshire shooters who competed in this event and especially those who shot for my team – thank you. *Darren Park, FITASC Team Manager.*

Lara Dale's Olympic Skeet success

DTL competition

Firstly, well done to our DTL shooters who all received a medal from the DTL competition. Staffordshire High Gun was Ian Hull, who also won a Senior bronze medal. Staffordshire New Cap was Leah Southall who, at just 13 years old, won a silver medal shooting for the Ladies team. Leah was also Ladies High Gun. Thank you to every team member who gave their best.

Inter-counties Skeet

Nottinghamshire Seniors posted a score that stood for most of the day: 567 ex 600. However,

with the heavyweights in Regional Skeet out on the course, Northamptonshire took the lead with one shooter still to complete. Nottinghamshire hung on in the runners-up berth but Norfolk were still to finish, inching closer with every score that came in. The final reckoning saw Norfolk outpoint Nottinghamshire by a solitary target to become runners-up, leaving Northamptonshire as champions yet again.

Many congratulations to the Northamptonshire team of Craig Owen, Mick Russell, Leon Gill, Stuart Lobley, Simon Vogel, Andrew Lea, Joe Smith and Neil Faulkner who top scored. In Ladies, it was more of the same with the Northamptonshire girls romping to victory over nearest rivals Nottinghamshire. Junior Lady Kirstin Vogel top-scored on 92 ex 100. Ruth Markham and Rose Palmer completed the Northamptonshire trio of ladies.

More success for Northamptonshire came in the shape of their Junior team who have a rich history in this event. George Owen top-scored for the team with a superb 98 ex 100 and Henry Collins backed that up with a worthy 95 ex 100. Stephen Mynes and Ollie Main endorsed the victory.

George was to have a fight on his hands for Junior High Gun, though, and he finished all square with the impressive Tom Tristram from Nottinghamshire. It took a complete shoot-off round plus a handful of pairs off the middle for George to claim victory.

In Veterans, it was a well-rewarded trip down from Nottingham for John Miller, Roger Ball, Robin Ellis and Paul Shaw with a narrow two-clay victory over the Lincolnshire team. They finished with a team score of 187 ex 200.

Inter-counties Sporting

The shooters of Cambridgeshire and Northamptonshire both shot on the Saturday in strong winds and driving rain. They finished first and second in the Senior team competition, while the Sunday shooters had much the better weather.

Cambridge finished well clear of Northamptonshire to take the title on 519 (Northamptonshire shot 507). Top scorer for Cambridgeshire was Steve Grant on 92 ex 100, backed up by a wealth of consistent scores by Phil Gray, Robert Allen, Mark Bowes, Matt Cole, Dave Mennie and Steve Thexton.

Top scorer for Northamptonshire was Kim Wan on 93 ex 100. Good scores from Matt Shepherd, Simon Vogel, Steve Smith, Neil Faulkner, Mick Russell, Paul Cooper and Oliver Bradshaw were enough for them to claim runners-up.

In Ladies, it was all about Lincolnshire. Rosie Brumby led the way with an impressive 85 ex 100, backed up by Mary Burdass on 75 ex 100. Shona Marshall made her debut for the team a winning one and, in her first ever registered competition, so did 16-year-old Jaymee Thompson.

In Juniors, Henry Collins scored superbly on 90 ex 100 to not only win the Junior High Gun trophy but help his Northamptonshire team to victory.

George Whatton, Steven Mynes and James Whitlock completed the winning line-up.

Finally, Bedfordshire Veterans took the title. John Stanton top-scored for Bedfordshire, with Fred Kidd, Jim Munday and Malcom Jenkins all scoring well to get them over the line.

Sportrap

This was again held at Sporting Targets over two days, and a Saturday shooter again triumphed. This time, Steve Whitelock from Bedfordshire took the honours with 95 ex 100.

Norfolk shooters filled the second and third berths, although it took countback to separate Duane Morley into silver and Carson Revell into bronze after they tied on 92 ex 100.

Northamptonshire Ladies Kirstin Vogel and Lorraine Waters finished all square on 70 ex 100. Again, countback had to be used to determine Kirstin as the Ladies Champion and Lorraine as runner-up. Ami Hedgecock from Cambridgeshire claimed bronze.

In Veterans, it was Brian Dunbavin from Cambridgeshire who took the title on 86 ex 100. Malcolm Jenkins from Bedfordshire was one target behind and Gordon Webster from Cambridgeshire took third, again just one target behind.

Aaron Harvey from Suffolk added another title to his collection by winning Juniors on 92 ex 100. Taylor Hedgecock from Cambridgeshire finished three targets behind as runner-up and Sam Nunn, also from Suffolk, took third.

Thank you

Once again, we would like to take the opportunity to thank all our hosting grounds this month: Sporting Targets, Northampton and Kegworth. We would also like to thank all the refs at these grounds – without you, we could not hold these events.

ZZ date change

Owing to a world fixture being rearranged, it has become necessary to change the date of the ZZ Helice at Rugby and District. The shoot will now take place on October 30 at the same venue.

Sporting Targets Spring FITASC Series 2016

Sporting Targets of Riseley held a winter FITASC series in January, February, March and April this year. The best three scores of the four shoots

counted toward the overall High Gun and top shots in each class at the end of the series. Prize money was also awarded in every class at each of the four shoots to boost the overall prize fund.

Each shoot was 100 targets, shot 'old style' in various layouts across Sporting Targets during the series, run over two days (Thursday and Friday). The series had a good entry and will be run again in 2017. Paul Lovick took the 2016 series to win a Promatic Automatic Clay Trap worth £1,600.

Thank you to Promatic, Hull and CCI for their generous support with the series. To all the competitors and the winners: well done and we appreciate your support.

Inter-counties FITASC 2016

Bedfordshire fielded a team of Seniors and Veterans for the Inter-counties FITASC held at Kegworth on July 30-31. These were selected from the County FITASC Championship held at Sporting Targets.

The Seniors missed out on the top spot by just seven clays to take runner up position to Nottinghamshire – still a great result, guys. The Seniors were Andrew Clifton, David Ferriman, Bert Mason, Gavin Smith and Adam Longstaff. Veterans team of Will Hillier, Andy Nixon and Jon Longstaff also shot well to claim third.

Most of the Bedfordshire shooters shot in the same squad, which made for a very nice day with some friendly banter, laughs and general good humour. We hope you all enjoyed the shoot and thank everyone once again for making the effort to represent your county.

Summer High Tower Challenge 2016

This year's layout was spread across three shooting areas: the 122, the new 'Bunker' and the Quarry.

Starting in the 122, stand one and two warmed you up with two FITASC-style pegs. Their layouts were designed so that shooters could build a score before they tackled the next two areas; many shooters hit all the targets.

The Bunker then moved up a gear with two crossers from the top of the 60ft tower. One was further out than the other and this stand could soon steal the odd target from your card.

The Quarry had four FITASC pegs culminating with a full use and report pair 'C' midi at 80+ yards. The layout had seven targets from the 110ft and the 60ft towers, using standards, a midi, a downhill standard and a Battue. A diverse array of speeds and angles were presented.

This year's Challenge was well received with some very nice comments made to the team here at Sporting Targets. Many people could see the ability to build a score and multiple entries were not uncommon. There were some exceptional scores coming in from all the classes.

Overall High Gun went to multiple World Champion George Digweed MBE and his epic 46 ex 50. Close behind was Mark Winsor – another champion of many titles – whose 44 ex 50 had led from the first week through to the last 10 days! This year was truly an international year, with

Aug 20-21: Cambridgeshire All-Round - Cambridge GC

Clashing with the Inter-counties Sporting, we didn't expect to have a large entry but we were pleasantly surprised when we finished with 60 entries – the highest for a good few years. Saturday was a day of very high winds, making even the Single-barrel a testing target. As Sunday's contingents turned out and saw the score of 89 ex 100 on the board from Duane Morley, some must have thought they had perhaps come to the wrong place. With strong wind added to that, a tough day was clearly ahead.

As the day went on, it looked like Duane's 89 ex 100 could be enough with several 87 ex 100s were appearing from Robert Allen, Tim Jones and Steve Janes. However, as very often happens, there was a twist in the tale. Peter Wright shot the only 25-straight of the day on the Skeet and Philip Barnard shot a 24 ex 25 on the ABT, then both

shot a 21 ex 25 on the Sporting. The only person to top that on the Sporting was Robert Allen with a well shot 22 ex 25. This meant that both Philip and Peter tied on 90 ex 100 and so a shoot-off had to take place. Philip won and became County Champion, while Peter took AA Class.

Champion: Philip Barnard (90 ex 100), Veteran Champion: Tim Jones (87 ex 100), Lady Champion: Sarah Christensen (71 ex 100), Junior Champion: Taylor Hedgecock (73 ex 100), Colt Champion: Archie Bowman (66 ex 100), AA Class: Peter Wright (90 ex 100), A Class: Tim Jones (87 ex 100), B Class: Robert Allen (87 ex 100), C Class: Steve Eley (74 ex 100).

Aug 20-21: Inter-counties Sporting - Kegworth

We would also like to congratulate our Senior Sporting team, and very well done to P Gray, R Allen, M Bowes, S Grant, M Cole, S Thexton and D Mennie. Thanks to everyone who shot for the Cambridgeshire Sporting teams that weekend.

Jimmy Law

It is with great sadness that we report the passing of one of our good friends and one of DTLs greatest stalwarts of the last 20 years – Jimmy Law. Jimmy had been suffering with a very troublesome back of late, and so much so that he underwent treatment in hospital. Sadly, a problem developed and Jimmy passed away on August 12. Jimmy was a DTL man through and through, and was always striving for perfection. It was, in fact, not unusual for Jimmy to change his gun on a monthly basis – sometimes more – in his pursuit of perfection. He had many friends who will miss him very much and, as one of his close friends said, he couldn't believe he wouldn't see Jimmy again. Our thoughts and best wishes go out to his family.

Aug 14: ABT - Nottingham and District

In spite of a clash of fixtures with the World ABT Championship, our County Championship attracted a big entry and competitors put in some big scores to match.

Steve Smith has put in some spectacular scores this year, so we were all interested to see what would happen next. He opened with a steady 22 ex 25 but finished with 50-straight to record a final score of 95 ex 100. A winning score, you might think, but not quite good enough – Norman Eaton's four 24 ex 25s gave him the extra point needed to take the title. Josh Brazier also returned a 95 ex 100 which secured him the Juniors title, but it also forced a shoot-off with Steve for A Class which Josh won. Dick Cooper, also on 95 ex 100, secured the Veterans title and B Class while Jackie Houghton took Ladies on 86 ex 100. Other class winners were Ricky Stancer (C Class) on 90 ex 100 and Mick Shaw (D Class) on 88 ex 100.

This event counts towards the Supreme Champion awards, so it was good to see people coming out of their comfort zone to give it a go. Tom Mead, normally more at home with Sporting, recorded 79 ex 100 at his first attempt and Jack Brazier, following in his older brother's footsteps, shot a very creditable 74 ex 100.

Aug 29: All-Round - Nottingham and District

Another big turnout for this county event; the last to count for the Supreme Champion Award. This time, Steve Smith made absolutely sure of going home with the trophy by putting in what proved to be an unbeatable 94 ex 100. There was little room for error as Pete Atkin finished just one point behind on 93 ex 100 and James Pavitt was just one further with 92 ex 100. The top scoring Veteran was, once again, Mike Burton on 87 ex 100. Jackie Houghton and Tracey Bridge were tied on 78 ex 100, with the trophy going to Jackie as Tracey had left the ground. The C Class winner was Eric Cundall.

A special mention of our Junior winner, Ollie Zaitschenko. Ollie has not been well recently, but attended the shoot complete with intravenous feed line and astonished everybody, including himself, by putting in a score of 87 ex 100 to take Juniors and B Class. A couple of weeks earlier, he had left hospital in the morning to take up his place in the Lincolnshire Sporting team at Kegworth in the afternoon. That's what I call dedication – well done, young man.

Supreme Champion 2016

The results for the Supreme Champion have now been collated and the overall title goes to Steve Smith. Steve has had a brilliant year amassing his points over all five of the qualifying disciplines, scoring the maximum 10s in DTL and All-Round, nines in Skeet and ABT and one for Sporting.

As overall winner, Steve was taken out of the Seniors category. It looked like a battle between Andy Harvey and Marvin Houghton, both previous winners of the title, and both scored well in the final competition. A late flurry by Pete Atkin almost upset the apple cart, but Andy was the clear winner by two points.

The Veterans title was also hotly contested, with Norman Smith going into the final round two points ahead of Mike Burton. Maximum points at the All-Round sealed Mike's win by just one point over Norman.

The Ladies title once again goes to Tracey Bridge, which makes this the ninth year she has won this trophy.

The Junior winner this year is Tom Mead. Tom is an excellent Sporting shot, but has proved he can turn his hand to other disciplines too.

Congratulations to all the winners. The awards will be presented at the AGM, which is to be held in January 2017. The final date will be notified in due course.

Hello again. I hope that you are all shooting well and enjoying this spell of shooting weather.

Firstly, a word about the British Open Skeet at Doveridge. Our heartiest congratulations and

thanks to you all for the great shooting that you showed. The Ladies team came out on top, beating the rest by just one target (you only need one), and we were ably represented by Tracy Miller (Nottinghamshire), Kirsten Vogel (Northamptonshire) and the British Open Ladies Champion 2016 Joy Hiron (Leicestershire). Again, there was only one point in it! Well done ladies, we're proud of you all.

The Juniors also did well and set a great target for the others, only to be eclipsed by just one target again. 'Dad's Army' suffered the same fate, missing out by a single target yet again. Our Senior team shot some brilliant scores, only to come up against an 'up for it' team from the North. The Northerners, dropped just two targets out of 500 – what a terrific score, we all congratulate you.

All-Round Championship – Nottingham GC

The Champion and Veteran winner was Bob Tucker, shooting a great 92 ex 100. He was also Veterans winner in the integral Kev Quincy Memorial Shoot. County runner-up was Alan Palmer 88 ex 100. Robert Grice shot 83 ex 100, A Hill shot 81 ex 100, John Grice shot 79 ex 100 (John, I noticed that the diet's not working!), David Piggott shot 78 ex 100 (a personal best) and A Bavington shot 72 ex 100. Well done to you all and thanks to Nottinghamshire for a great shoot.

County Double Trap

This was held at 'Uncle Mick's place'. Dave Hayward won with 39 ex 50 – well done Dave. Veteran hot-shot was Tony Cox with 30 ex 50, Junior Alex Harris scored 25 ex 50. The Colts shot off on 33 ex 50; Sam Houghton came out on top with an extra seven to Connor Harris's five – well done, lads. Runners-up on the day were Jason Marlow and Josh Cank. Twenty shooters entered the competition. See more on the website.

Aim straight and keep your powder dry.

Oct 1: Black tie event

Tables are starting to fill up so, to avoid disappointment, please get your forms filled and sent back to confirm your places for this evening. We have booked the Wensum Valley Golf and Country Club for October 1 2016. It will cost £35 per head, which will include a welcome drink and three-course meal with music and entertainment. We are looking to provide tables for six-10.

We think this will be a good idea to bring the shooting community together and a good night to look back on the shooting year. If you would like any further information, please contact Steve Bennington on 01603 860436 or steve@norfolkshooting.co.uk.

Race night

We will be holding a race night on December 9 at 19.30 at Mid Norfolk SS. This will consist of the race night event and a fish and chip supper like previous years. It will cost £10 per person, which includes the supper. This has always been a well-supported event over the years and, if you would like any further information, contact Steve Bennington (details above) or visit the Norfolk CPSA website.

Mick Feather, just one back on 97 ex 100. Jack Richards was also in fine form, scoring 93 ex 100 to take the Juniors by some margin with Megan Gamble winning Ladies as the sole entrant. Rob Denoon and Paul Meakin both scored 95 ex 100 to top their respective class as Pete Armett and Kevin Warner wrapped up the proceedings by winning the remaining class salvers. Thanks to Carl and his team for putting on a great event.

Aug 21: Lol Pinch Memorial DTL – Notts Gun Club

Paul 'Mr DTL' Chaplow rattled off yet another 100/300 to take the championship – a great feat considering he shot a 300 in the morning at Beverley CTC before travelling to Nottingham. Fellow Hull Cartridge shooters Caroline Stanbrook and Haydn Coley were also successful in the Ladies and Juniors categories respectively after shooting well in less than ideal weather conditions. Mike Brookes and Ryan Sharpe were also winners on the day in Veterans and Colts. Congratulations to all the winners and thank you to Steve Pinch for his continued support. Steve goes out of his way to support these events in memory of his dad and contributes massively time and time again.

LEADING SHOOTING PERFORMANCE

THE COMPLETE
COMPETITION
RANGE

Above: Andrew Stephenson is presented with the Suffolk All-Round Trophy along with the Fred Chapman Memorial Trophy by Stuart Smith

There were several scores in the late 40s and a couple on 49 ex 50. Ultimately, only two shooters shot clean rounds and so put themselves in contention for the County title. Neither Peter Bloomfield nor Robbie Manning are strangers to a shoot-off for County honours and both were shooting exceptionally well. Peter had already won the Veterans title but, due to fading light levels, the decision was made to shoot-off the next Wednesday evening. Juniors was won by Tom McGregor with 46 ex 50. There were no Lady entrants.

The shoot-off was held on August 17 and both Peter and Robbie shot exceptionally well, carding clean rounds. The only way to separate them was with doubles on station four. Robbie was unlucky with his second pair while Peter couldn't miss, ensuring the title belonged to him.

Thank you to all that attended the shoot and congratulations to all the winners.
Stuart Smith

Aug 12-14: British Open Skeet – Doveridge SG

Looking through the results, there were only a few Suffolk shooters who made the trip north. These included Robbie Manning (AA Class, 99 ex 100, joint fifth), Veteran Peter Bloomfield (AA Class, 95 ex 100) Darren Parsons and Graham Perrin, the latter having a very steady four rounds of 24 ex 25 in A Class for 96 ex 100. Sam Nunn (Disabled Standing) won the High Gun trophy with 93 ex 100 and Adrian Last (Disabled Sitting) won the silver medal with 94 x 100, also finishing joint sixth in C Class (going targets only). Sorry if I have missed anyone out.

Aug 17: Suffolk Single-Barrel – Eriswell Lodge SG

Just as the Skeet Doubles were held in conjunction with the normal English Skeet on a Wednesday evening, so too was the Single-Barrel. It was a calm evening, with the sun unable to make its mind up whether to shine or hide in the cloud.

This was a one-bird competition with both rounds of 25 being shot on Skeet layout one. Only 17 shooters took part with eight of these in C Class, making it hotly contested. Only Darren Parsons could win B Class, with no other contestants. A Class had five competitors and AA Class had just three.

Russell Houghton shot a superb 49 ex 50 and deservedly won the Suffolk title – congratulations for a well-deserved win. I do not know exactly how

many Suffolk shooters took part, but I know that there were two from Norfolk.

AA Class went to Russell Houghton with 49 ex 50, A Class went to Robbie Manning with 47 ex 50, B Class went to Darren Parsons with 45 ex 50 and C Class went to Barry Randall with 45 ex 50.

Aug 21: Suffolk All-Round – Eriswell Lodge SG

It was very windy at the start of the shoot and, unfortunately, the Single-Barrel was plagued by gremlins. Stuart had to replace the electronic system in order for it to function properly – not what you need as it breaks the rhythm for a competitor! The ABT powered its way through the wind and was not affected, unlike the Skeet, where the high house target was pushed down rapidly and the low house stalled.

The 25 ESP were not for the faint-hearted and were wind-affected again. There was a total of 35 competitors, with 22 coming from Suffolk. At the end of the day, despite everything, there were several respectable scores. This year, the Fred Chapman Memorial Trophy was presented to the High Gun which moves around the County Championship shoots each year.

High Gun Suffolk Champion and recipient of the Fred Chapman Memorial Trophy was Andrew Stephenson on 89 ex 100 – congratulations Andrew. Veterans went to Eric Chapman with 88 ex 100. Ladies went to Pauline Chapman with 81 ex 100. There were no Junior shooters.

Thank you to Stuart Smith and all of his staff at Eriswell Lodge SG for hosting the three County Championship shoots on behalf of the Suffolk Committee.

May I apologise to Stuart Smith for calling him Simon when presenting the ABT Cup in the August edition of *Pull!*. *Adrian Last*

Congratulations to Ed Ling for his bronze medal in Rio, to Emma Stacey for her success at the UK FITASC Championships and to Emily Hibbs for her England Skeet performance at the Home International. There is a huge depth of shooting talent in the Region and we should all be very proud to be part of it.

Barbury held the English Sporting SW Championships together with the England Selection Shoot at the end of July. It was a hugely

successful day with excellent targets and well over 200 entries. Andy Moon won the South West Champions Award, John Woodbridge won the Veterans and Emma Stacey won both the Junior and Ladies titles.

Another success – we will still be able to use lead in our cartridges after the report from the Lead Ammunition Group was discredited by the Secretary of State for the Environment. There was insufficient evidence to justify changing the current policy – thank goodness for common sense.

It is good that we are now able to host these events within Avon, as the English Sporting event proved earlier in the year when nearly 40 Avon shooters took part, so please do not be put off if you have not shot FITASC before. **Above:** OSK Champion Alfie Oldring (right)**DTL Cabbage Cup – Fareham CTC**

Another great competition between two counties at the DTL Cabbage Cup. This year, Hampshire won the cup (minus any cabbage). This DTL competition has been an ongoing challenge between the IOW and Hampshire for over two decades.

Why named the Cabbage Cup? The history of this competition all started when several members would travel to the island for the DTL competitions but without a cup as a prize. The Hampshire team decided to put some money up to buy a nice cup to shoot for and it was produced at the next visit to the island. The idea was that the IOW county committee would put half the money up, but the committee was struggling to raise this small amount. The then-IOW Chairman Collin Caws held out a cabbage, newly picked from the adjacent field, and plonked it on top of the cup saying: "Sorry chaps, that's all we can afford". Much to the amusement of all the shooters present, this became the birth of the Cabbage Cup.

**Hampshire Compak Championship – South Downs GC**

A good turnout for the second year of this new championship and South Downs GC did an excellent job setting some challenging layouts. Wayne Martin returned a 94 ex 100 which landed him the Hampshire title, cup and badge. Martin tied High Gun with Kent's Champion Jamie Brightman and Sussex Champion George Digweed. Carol Sawkins won the Hampshire Ladies title with a 74 ex 100 and the Veterans title went to Ron King with 91 ex 100.

World ABT Championship – Fauxdegla Shooting Ground

Two of the four Fareham members that travelled to the North Wales ground had a great result. Mark Bryant secured the bronze in B Class with a 95 ex 100 on the first day and a 94 ex 100 on the second day. Ian King won bronze in C Class with a 90 ex 100 and 89 ex 100. Ed Ling returned from the Rio Olympics to shoot this competition complete with his more impressive Olympic bronze medal, much to the delight of all present. Ed managed a 95 ex 100 and a 99 ex 100.

Alfie's great escape

Hampshire Olympic Skeet Champion has had what one can only describe as a miraculous escape. Alfie Oldring, who has won Hampshire Olympic Skeet titles for decades, was accidentally shot in the back at close range by a fellow shooter and, thank god, survived.

The accident happened in July while Alfie and friends were out pigeon shooting. The chap behind Alfie tripped and the gun went off. Fortunately, Alfie had been troubled with a tad of back pain recently and was wearing a body brace – it was this that saved him. The shot pattern passed through the back brace, missed all the vitals and exited the front. How many people in the world could be that lucky? We all wish Alfie a speedy recovery and look forward to seeing him lift the Hampshire Cup next year.

**Above:** Gerald Sweet – Double Rise Champion 2016

Firstly, a massive congratulations to Ed Ling for his bronze medal in the Men's Trap at the Rio 2016 Olympics. This is a great achievement, and watching both the competition and his various interviews after the competition showed what a brilliant ambassador for the sport he is! I hope that his performance inspires a new generation of Somerset shooters.

With the Olympics now over, we look at the remaining Somerset County Championships that have taken place.

Aug 8: English Sporting County Championship – Podimore Shooting Ground

Podimore was blessed with some great weather for the competition. The English Sporting is always well-attended and this year was no exception, with 42 Somerset shooters aiming to try and get their hands on the coveted title from Shaun Stacey.

Needless to say, competition was fierce and, with only two clays separating the top three Somerset shooters, Shaun was not quite able to defend his title for another year. John Pool pipped him to the title by a single clay, shooting an impressive 92 ex 100 to take both the Veterans and County Champion titles. Shaun finished on 91 ex 100 and Pete Dennett finished on 90 ex 100. Emma Stacey continued her great run of form this year to take both the Ladies and Juniors titles with a well-shot 86 ex 100 – another young Somerset shooter to keep an eye on!

Aug 21: Single-Barrel County Championship – Brook Bank

Eleven Somerset Trap shooters turned up to slug it out for the title and last year's champion, Andy Weech, was not present to defend his title, so there was always going to be a new Somerset Champion. Three shooters looked to be in with a chance, with Phill Stott and Geoff Eltham shooting 94 ex 100 and 92 ex 100 respectively. However, they couldn't quite get close enough to Gerald Sweet's excellently shot 98 ex 100 which meant that Gerald regained the Single-Barrel title for 2016!

Aug 28: Double Rise County Championship – Brook Bank

There were six Somerset Trap shooters looking to challenge Gerald Sweet for the title and I managed to free up some time to pop down to Brook Bank late in the afternoon to see how the competition was going. From the atmosphere there, it seemed that everyone was enjoying shooting this discipline. It's a real shame that this discipline is only shot once a year because it looks like great fun! Gerald Sweet retained the title for another year with a well-shot 87 ex 100 and his nearest rivals were Geoff Eltham on 73 ex 100 and Brian Prettejohn on 72 ex 100.

Aug 29-30: British Universal Trap Grand Prix – Nuthampstead Shooting Ground

Back from the Olympics, Ed Ling shot the 2016 UT British Grand Prix and, although he was in first place at the end of day one, some great shooting by Nathan Hales and Aaron Heading just pushed Ed into third by a single target on the second day. There was some great shooting by Abbey Ling to win the Ladies title and by Theo Ling to take second place in Juniors.

The season seems to have flown by this year. It's almost October and nearly all of the county's competitions are over.

Aug 7: Wiltshire English Skeet County Championship – Gloucester Clay Shooting Club

Fifteen of the 55 shooters came from Wiltshire. Dave Cooper won the County trophy with 94 ex 100. Pauline Stokes won the Ladies with 74 ex 100. Ross Lester retained his Juniors title with 91 ex 100. Harry Hair won the Veterans with 83 ex 100.

Aug 28: Wiltshire Sporting County Championship – Barbury

Fifty-seven shooters from Wiltshire took part.

Kevin Young won the County title with 88 ex 100. John Fry won the Veterans with 86 ex 100. Pauline Stokes won the Ladies with 60 ex 100. Nick Richings won the Juniors with 85 ex 100.

Aug 28: Wiltshire Sporting Challenge – Barbury

Fifty-seven Wiltshire shooters also took part in this event on what was a mostly sunny day, and Huw Stephens and his team laid on an excellent competition. A few shooters were unaware that the Sporting Challenge was happening, but the feedback to date has been very positive so I think we can build on this for next year. This particular competition was very good value for money for Wiltshire shooters: a normal CPSA-registered shoot, the Wiltshire County Sporting competition and the first of the Sporting Challenges all for £40!

Since the last article, we have increased the prizes by another 250 cartridges thanks to Wadswick's of Corsham. They may also be bringing some guns for you to try at the final event on October 9 at Barbury.

Date change

Please note that we have changed the date of the County Olympic Skeet to October 30. This was to prevent the clash with the Sportrap on September 4. The venue remains at Gloucester. If you are intending to participate, please call the ground to book your place.

Aug 21: South East Region Inter-counties Universal Trench Championship – Nuthampstead Shooting Ground

It was a glorious day with an excellent entry of 11 squads for this championship. Sadly, only four full teams out of the nine were put forward but we

Above: Inter-counties ABT Winning Team Kent
Below: Inter-counties UT Championship Winning Team Kent and Champions

did have a team of three from both Berkshire and Hertfordshire. Targets were testing in places as there was a bit of wind about.

The Champion with 96 ex 100 was Tony Coulstock (Kent). The Lady Champion with 85 ex 100 was Nicola Heron (Berkshire). The Junior Champion with 93 ex 100 was Nathan Hales (Kent). The Colt Champion with 68 ex 100 was Tristan Hockey (Kent). The Veteran Champion with 90 ex 100 was Howard Batt (Kent).

The Kent team of Tony Coulstock, Mike Wensley, Howard Batt, Nathan Hales and Tom Gridley stormed home in the team event by a massive 45 target lead. Sussex was second with 417 ex 500, Essex was third with 414 ex 500 and Greater London was fourth with 402 ex 500.

Despite the tragic loss of Martin Barker, the atmosphere was great. Nicky, Ed and Will ran the event faultlessly with the help of Katy Poulson on admin and Karen Caves in the kitchen (great bacon sandwich, Karen!). The family felt that Martin would not appreciate a minute's silence at the prizegiving, so we had 30 seconds of vigorous clapping instead.

My thanks go to the Barker family for holding this event on behalf of the South East Region and special thanks to Nicky for buying me a chocolate cake!

Aug 14: South East Region Inter-counties ABT Championship – NCSC

A glorious day with an excellent entry of 12 squads (twice the amount we had in 2015). Targets were testing as usual, but the visibility was good.

The Champion (for the umpteenth year running) was Keith Kilvington from Berkshire with 97 ex 100. The Lady Champion was Nicola Heron from Berkshire with 84 ex 100. The Junior Champion was Bradley Ballantyne from Kent with 81 ex 100. The Colt Champion was Tristan Hockey from Kent with 76 ex 100. The Veteran Champion was Howard Batt from Kent with 92 ex 100.

In the team event, only five full teams out of the nine counties competed for the title. Champions with 430 ex 500 were the Kent team of Howard Batt, Mike Wensley, Kelly Childs, Martin Crow and

Left: Nick Richings, Steve Bosson, Pauline Stokes, Kevin Young and John Fry
Right: Dave Cooper, Pauline Stokes, Ross Lester and Harry Hair

Above: Inter-counties UT Champion Tony Coulstock

Tom Gridley. The Sussex team was second with 427 ex 500 and the Essex team third with 420 ex 500. Oxford was fourth with 404 ex 500 and Greater London fifth with 401 ex 500.

Sadly, the Kent team had all vanished so there is no official photograph of them. However, Team Manager Tony Coulstock did send me a picture of them at Dartford! I was unimpressed that they were not there for the awards and they know it! Fortunately, our Berkshire Champions Keith Kilvington and Nicola Heron were present, so we have a nice picture of them accepting their awards.

I had a nice day and my thanks go to Barry and the team at NCSC for holding this event on behalf of the South East Region.

Aug 14: SE Inter-counties ABT – NCSC

An excellent turnout of 12 squads did not deter Keith Kilvington from winning the Championship title for the third time running with 97 ex 100. Nicola Heron was on winning form again too and took the SE Ladies title.

The following weekend saw the Berkshire English Sporting County Championship but, regrettably, the Berkshire committee were not informed of the date. The County Champion was Chris Childerhouse, with Rachel Harding-Waite taking the Ladies title and P Elliot the Veterans.

Home International

Many congratulations to Keith Kilvington and Michael Bovingdon, who were part of the winning England squad. Keith finished fourth overall and, after a tense shoot-off, Michael won Junior High Gun with 132 ex 150. Another great result!

Aug 20: 2016 Essex Sportrap Championship – Clacton Gun Club

Chris Orrin is the new Essex Sportrap Champion for 2016. The four 25-bird layouts were set by Andy Riva with targets of the highest standard. The high wind got stronger and stronger as the day progressed, proving to be a challenge to all who took part. Thanks to Clacton Gun Club for holding the shoot.

Champion: Chris Orrin (91 ex 100)

Veteran Champion: Bob Cooper (89 ex 100)

Ladies Champion: Nadine Gilder (69 ex 100)

Aug 14: Troy Petherbridge takes Double Rise Championship – Maylands Gun Club

A fine 93 ex 100 from 40 ex 40 won the 2016 Double Rise Championship for Troy Petherbridge. Other winners on the day were: Roger Seeley (Veterans, 78 ex 100), Jessica Byard (Colts, 33 ex 100), David Lewzey (Juniors, 78 ex 100) and Pam Dorrington (Ladies, 57 ex 100).

The late Billy Logan Jr

I was very sorry to hear of the sad passing of Billy Logan Jr at such a young age. I recall him coming to Bisley Gun Club and, with his family and friends, we subsequently formed a group of DTL-addicted shooters who travelled long distances to get those elusive scores and try for the England Team. There was a lot of friendly competitive rivalry and we shot anywhere in any conditions, sometimes managing to shoot four registered DTL events in a weekend! The cost and the miles do not bear thinking about.

I would like to send my sincerest sympathies to Billy's family. He will be very much missed by his fellow clay shooters.

Jun 18: Single-Barrel – Bisley Gun Club

From a total entry of 21, there were only five shooters from Greater London. Champion and top Veteran was Eamon Skehan with 95 ex 100 and the runner-up was Vidas Zilionis with 93 ex 100. Thanks to the Bisley team for hosting the event.

Jul 2: Double Trap – NCSC

There was a pathetic turnout, but it was a nice day. Thirteen entries included the county Championships and the Inter-counties contenders.

Jul 10: Double Rise – Maylands Gun Club

Only two Greater London shooters entered out of a total of nine.

Jul 17: All-Round Championship – Dartford Gun Club

The Champion was Lee Wakefield and the Ladies Champion was Joanne Gates. Well done also to runner-up Adrian Balham and Top Veteran Geoff Tyler.

Aug 7: DTL – Bisley Gun Club

There was an excellent turnout at the rejuvenated Bisley Gun Club and praise goes to the 'new' team's efforts. New traps gave faultless birds which were only affected by the variable wind – part of the Bisley experience.

There were some 13 squads with 13 shooters from Greater London, and the overall High Gun of the day and top Greater London shooter was Lee Wakefield on 100/295. Adrian Balham was a close

runner-up on 99/292. The Veteran winner was Bill Watt and the Lady winner was Joanne Gates.

It was a pleasure for me to meet up with old acquaintances after quite a break and hopefully to see some of the old Bisley Gun Club atmosphere returning – not the biggest, but the best DTL club in the South East.

Aug 21: FITASC Compak Sporting Championship – Southdown Gun Club

There was a huge turnout of three for the Compak Sporting Championship at Southdown, so good news – everyone was a winner. Unseasonal windy conditions and some testing targets made this a tricky event in which to foresee the winner! Congratulations go to Champion Mark O'Dowd, who produced a superb 92 ex 100 with his side-by-side. He was closely followed by Richard Weller, who only managed to record an 84 ex 100. The top Veteran was W Barton with 68 ex 100.

A great day was had by all, and thanks to the team at Southdown Gun Club who ensured everything ran smoothly.

World Compak – E.J. Churchill

We couldn't have asked for better weather and it was blisteringly hot for the two days of practice. The sun continued to shine until the last day, when

we experienced just a few showers.

More than 400 shooters travelled from all corners of the globe to take part. Much preparation went into the technical set-up of the cleverly developed voice-activated layouts and a shooter took just 12 minutes to complete a layout of 25 targets! The shooting ran smoothly with all layouts running perfectly on time, which led to some tremendous scores being handed in.

Congratulations to the new World Compak Champion Tamas Jeri from Hungary, who shot 198 ex 200 over four days of the competition – a seriously impressive score! Even more impressive was that only seven targets separated the top 15 shooters of the competition.

The GB Ladies team finished in first place and the GB Juniors team finished in second place. A special mention has to go to Joshua Bridges, who shot an incredible 190 ex 200. The GB Veterans team finished first place, with Glen Hunt on 191 ex 200, Martin Doughty on 190 ex 200 and Nigel Hart on 186 ex 200. The GB Super Veterans team also finished in first. Well done to all the teams for a very high standard of shooting.

Aug 7: Sporting

Weston Wood hosted Oxfordshire's County Championship, and thanks to Steve for organising this. One hundred and eighty three shooters took part in a tough and challenging shoot.

Matt Hance is the new County Sporting Champion after he finished on 94 ex 100. Second place went to our very own Steve Cox (91 ex 100) and third went to Fred Townsend (90 ex 100). The class winners were Steve Cox (AA Class), B Blundell and Jason McLean (86 ex 100, A Class), P Bridget (81 ex 100, B Class), R Honour (74 ex 100, C Class) H McKenna (79 ex 100, Ladies) and Fred Townsend (Veterans). Well done to you all and thank you to all Oxfordshire shooters for taking part.

Unfortunately, it has been a quiet month for anyone contacting me with their achievements. Please do send any updates for me to include in future Pull! reports. Stay safe and happy shooting.

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

Charlie Martin scored 98/294 to give him victory in the Seniors category, and he was closely followed by Junior Lewis Mason, who scored 97/286. Skeet International Allen Warren proved he can still remember how to shoot Trap, scoring 98/285 for third place. Top Lady was Karen Allen with 91/264.

The Surrey Compak competition was held at Southdown on August 21. The winner with 93 ex 100 was A Burt – just one target ahead of Ladies Champion Sarah White. Third was Chip Smith with 90 ex 100. Veteran Champion with 86 ex 100 was M Rudling. There were no Junior entries, but B Greenwood was top Colt.

The Surrey Side-by-Side was held on the same day and was hosted by Guildford and District Gun Club at Clandon Park. The winner was Harry Nicholson with 47 ex 60, Clive Monk was second with 43 ex 60 and Peter Saich was top Veteran with 42 ex 60.

Aug 7: Sussex County DTL Championships – Bisley Gun Club

Bisley Gun Club hosted the Sussex County DTL Championship together with a number of other South East counties who were competing in their respective County Championships. A total of 13 Sussex shooters entered; a greater number than any of the other South East counties in attendance.

Shooting and light conditions were good and the Bisley Gun Club provided excellent targets throughout the day. On the downside, this is the first time for many years that Sussex have been unable to field any Colts or Juniors. Fortunately, well-known Sussex Sporting shot Jeff Dix attended the competition and showed the County DTL shooters how it's done. Jeff returned a score of 285/300, taking the Individual High Gun and Veterans title.

Jon Butler emerged triumphant, taking the Senior

title on 282/300. Claire Milbourn, a much-improved Sussex County competitor, returned a score of 271/300 to become the County's Lady Champion.

Sussex Compak Championship – Southdown

Now in its second year, this event saw course setter Bob Clarke set an awesome Compak layout with something for everyone. The event was well-attended, with competitors from several other counties including Surrey, Greater London, Hampshire and Kent.

There were several shooters who attained the highest score on the day of 94 ex 100. However, the event was eventually won by Jamie Brightman after a shoot-off with George Digweed, the Sussex Senior Champion for the second year running. Kenny Bennett was the Veteran Champion (87 ex 100), L Salmon was the Ladies Champion (75 ex 100) and Peter Goldsmith, who is sponsored by Southdown Gun Club, also scored an event-winning score (94 ex 100) and is the Sussex Junior Champion 2017.

Aug 28: Sussex All-Round Championship – Southdown

Traditionally not a particularly well-attended event, the conditions were changeable and windy but threats of rain didn't really materialise.

The All-Round – a mix of Skeet, DTL, ABT and Sporting – is often hotly contested and this year it was no different. Guy Franklin, who seems to be winning everything at the moment, was the Senior Champion with 90 ex 100, Mhairi-Ann Troup is the Lady Champion with 61 ex 100, C Milne is the Veteran Champion with 87 ex 100, Peter Goldsmith is the Junior Champion with 82 ex 100 and Will Fenner is the Colt Champion with 77 ex 100.

Sussex Supreme Championship after 11 rounds

Andy Stratford has increased his lead in the overall championship and is 20 points clear of Al Williams. Audrey Rex is again stamping her authority on the Ladies category, but can still be caught with five rounds left to go (at the time of writing). The Junior category has only seen three participants so far and the Colts class only two – where have all our youngsters gone? Come on folks – medals are awarded to the top three in each category, so let's make a fight of it. By the time this piece is published, there will be three rounds left to contest – that's a massive 48 points still up for grabs. It's all still wide open. The current standings are:

Overall: A Stratford (92 points), A Williams (72 points), R Plester (51 points)
Ladies: BA Rex (79 points), C Milbourn (32 points), E Salmon (30 points)
Juniors: P Goldsmith (32 points), C Pomfret and H Adam (16 points)
Colts: W Fenner (48 points), J Taylor (15 points)

Aug 6-7: Alasdair Williams wins the British Helice Grand Prix

Bexhill-based Al Williams continued his excellent season by winning the British Helice Grand Prix held at Invicta Gun Club. In varying light conditions and with targets proving particularly tricky, he scored a magnificent 28 ex 30 over the two-day event, forcing

Left: Al Williams – British Helice Grand Prix Champion 2016 **Right:** Will Fenner

a shoot-off with Essex shooter Lee Byard. Using his now famous combination of 34 inch Perazzi and Express World Cups, GB International shooter Al held his nerve and smashed all his targets to win the title. Sussex and GB Junior Charles Pomfret also had a good day, taking the bronze medal slot in Juniors with an impressive 21 ex 30. Well done Sussex. Shaun Miller

NEW! Falcon PRO 2.0

- New Nose Pad and sleek new lens shape the frame is painted with RIE RANGER's CombatCoat, a durable ceramic coating that is heavily used in the firearm industry.
- New aerodynamic stylish lens shape covers a larger overall surface area on your face and creates a larger field of view (9mm increase in the distance from the nose bridge to the top of the lens).
- New custom designed minimalist nose piece allows for a better field of view with virtually zero visual obstruction.
- New air-filled silicon nose pads compress and expand when needed, to provide added comfort and custom fit.

RRP £215.00 (frame only)

NEW! 2016 Falcon Sport

- New aerodynamic stylish lens shape covers a larger overall surface area on your face and creates a larger field of view (9mm increase in the distance from the nose bridge to the top of the lens).
- New soft silicon filament brow bar (clear for increased visibility), is positioned parallel to the lens (vs. high above the frame) and provides ergonomically optimal spacing between the lens and forehead to create a more dependable anchor point to your face.
- This new brow bar also controls ventilation and decreases your chances of fogging while helping to avert perspiration.
- New custom designed minimalist nose piece allows for a better field of view with virtually zero visual obstruction.
- New air-filled silicon nose pads compress and expand when needed, to provide added comfort and custom fit.
- New bendable 'flexi-tips' provide effortless adjustment to further secure the frame to your face.
- Available in two jewellery-quality electroplated frame metal finishes for the highest levels of durability and dependability.

2016 Falcon Sport

RRP £230.00 (frame only)

Modified Brown (60)

Keep the orange target in your sights even in full sun. Shooting into direct sunlight just got easier. This new premium NexPC™ high-impact lens is the unique combination of target orange and sunglass brown, giving you a consistently defined target under the full sun.

RRP £89.00

MAX-Light (61)

Improve your performance in low light or night shooting under fluorescent lights. Unlike any other lens on the market, the yellow, orange and vermilion properties in this NexPC™ high-impact lens uniquely combine to both enhance contrast and sharpen target definition in low light conditions.

RRP £89.00

All frames and lenses are compatible with earlier Falcon models

AG Adjustable Gun Stocks

If your scores are inconsistent it may be because your gun fit is incorrect, most factory stocks are made to standard measurements, you may not be 'standard'. A fully adjustable comb which allows you to have consistent mounts may be what you need.

I also fit recoil reducers and adjustable butt plates.

Prices start from £150. Cheaper than changing your gun.

Fast turn around usually 3 to 4 days.

Femmes Fatales

AS WELL AS WORKING AT CARTRIDGE COMPANY GAMEBORE, **LYDIA ABDELAOUI** IS THE CO-FOUNDER OF FEMMES FATALES, 'THE CLAY SHOOTING CLUB FOR GIRLS', AND WINNER OF THE VOLUNTEER OF THE YEAR AT THE CPSA AWARDS 2016

WHAT IS FEMMES FATALES?

Femmes Fatales is an online community of more than 7,000 women who are interested in clay shooting. It was launched in 2014 with the intention of using social media and clever marketing to reach women from outside the existing country sports circles, after Rachel [Carrie] and I found that shooting sports aren't really advertised outside the shooting press. We thought that Facebook would be perfect for casting the net a bit further – and it worked!

One of our main aims was to get the sport showcased on TV. We achieved that within the first 12 months with our appearance on *Countryfile*, which was very well received. We've since been approached by other TV companies wanting to feature Femmes Fatales, but we are aware that we need to be careful about how we are portrayed. We only get involved in projects that will be beneficial to the sport.

We're always working behind the scenes to get a bit of recognition for the stars of our sport who don't always enjoy the same media attention as those in other sports.

Initially we thought we'd just have a few events in Yorkshire, where we live, but it grew quickly, with women wanting us to bring our events to various locations. We've done that with the help of an awesome squad of Femmes Fatales 'representatives' who host events local to them on a voluntary basis.

WHO ELSE IS INVOLVED?

Although Rachel and I founded Femmes Fatales, we don't really consider it to be 'ours'. Femmes Fatales is organised by a group of women who love to shoot clays and are keen to get more women involved. It's a really diverse group, all with different stories and all inspirational. It's mainly a social thing for us – we're like a little family!

HOW HAS IT GROWN OVER THE YEARS?

It's been crazy! It's impossible to give any sort of statistics other than we have 7,000-plus members. We have no idea how many people we've 'inspired' to try clay shooting as we don't only advertise our own events, we encourage women to have one-on-one lessons and give advice about where to go, who to see, etc.

We get email enquiries every day asking for general advice and information and we're happy to help. We even get requests from men asking for advice about how to get their wife/girlfriend/daughter involved in shooting.

I've lost count of the number of women who've told us that they've continued to shoot after trying it at a Femmes Fatales event. That makes it all worthwhile.

PEOPLE TALK ABOUT EQUALITY A LOT, BUT MANY SEEM TO GET IT WRONG, ASSUMING THAT EQUALITY MEANS THE SAME. WHERE DO YOU THINK FEMMES FATALES SITS IN THIS DEBATE?

In the two years since we began we've had one man complain on social media that what we're doing is sexist.

“
FEMMES FATALES ISN'T ABOUT 'EXCLUDING' MEN (WE LOVE MEN!), IT'S ABOUT ATTRACTING WOMEN TO A SPORT THAT IS OFTEN SEEN AS A 'SPORT FOR MEN'

I simply explained that Femmes Fatales isn't about 'excluding' men (we love men!), it's about attracting women to a sport that is often seen as a 'sport for men'.

We like to think of Femmes Fatales as like a gentle introduction to the sport – a stepping stone to the 'unisex' clay shooting scene. Once we get the ladies hooked, we encourage them to get involved in the wider shooting community and we've found that most men who shoot are pretty happy about it!

WHAT HAVE BEEN THE HIGHLIGHTS?

My highlight is the annual Femmes Fatales Cup. This year's event had women travelling in from as far away as Scotland down to Royal Berkshire Shooting School to take part.

Also, the support we have received not just within the shooting industry, but further afield, with brands helping us offer bigger and better prize funds for women's shooting competitions. The generosity we've experienced is really remarkable.

WHAT ARE YOUR BIGGEST HOPES FOR 2017?

Plans for 2017 include the annual Femmes Fatales Cup on April 29, again taking place at RBSS. I just hope that we can do enough to get even more ladies to join us for the day. We've already got some big things planned, including the Femmes Fatales 'not so' Dry Fire Party the night before! We'll be releasing the details soon. ●

IT'S TIME TO GET SERIOUS

NOTHING COMES CLOSE TO MIROKU QUALITY AND VALUE

MK38 TRAP GRADE 5

Ø 12M

MK38 SPORTER TEAGUE GRADE 5

Ø 12M

The MK38 Trap gun is an proven performer in all trap disciplines at the very highest levels. It is available in a range of two different Grades (three grades in the sporter model) reflecting the increasing figuring of the walnut furniture and more elaborate hand finished engraving. Responding to many shooters requirement to be able to fine tune their stock fit, Miroku offers the MK38 Adjustable. This gun features a stock with a comb that can be moved both up and down and left and right, allowing any shooter to achieve the customized fit they desire.
