Spring update

WELCOME TO the April 2018 issue of *Pull!* During this temporary period without a Chief Executive I have the pleasure of writing this page and updating you on various topics that have either already happened, are currently in progress or due to take place in the months ahead.

World DTL England Team

By the time this issue of *Pull!* arrives through your letterbox the England Team and individual competitors taking part in the World DTL Championships in Wagga Wagga will have or very nearly have finished shooting the event, but due to publication deadlines, results are not available for this issue. Please keep an eye out on social media and our website for the results.

Commonwealth Games

Our England Team taking part in the Commonwealth Games on the Gold Coast, Australia will be out there and raring to go the first couple of weeks of April. We all wish them great successes and an enjoyable and safe trip. We will publish results as soon as we can.

Championship progress

Our major championship entries for this season are well underway with an impressive number of entries so early in the year, particularly for all the English Sporting and related events. The English Open Skeet and ABT Championships are taking place in May

with places available. Don't lose out on the opportunity to take part in any of our championships which are growing in popularity each year.

Director elections and welcome to our new Director

At the recent AGM Carl Smith was re-appointed as the National Director for a three-year term following a four-person contest. Peter Saich was appointed as the new South East Regional Director and Tony Heeks remains as our North Regional director, following uncontested ballots. I would like to take this opportunity to say thank you to John Offord for the last six years.

Other AGM voting

I am pleased to report that voting at the AGM to re-appoint haysmacintyre as our Auditors, Laura Saunsbury as both our Honorary Solicitor and Shotgun Licensing Advisor together with Martin Mansley as Honorary Insurance Advisor were all approved, and we thank them for their work on our behalf this last 12 months and look forward to continuing to work with all of them for another year.

Local county game fairs and shows

A reminder to our county committees wanting to attend local game fairs and county shows to contact Sam at HQ (samr@cpsa.co.uk), as we do have some gazebos and promotional items available for your use. Numbers are limited though so get your request in as early as possible.

GDPR

We are actively working on our preparations for the implementation of GDPR compliance and will be emailing all members where we have an email address in due course asking you to 'opt in' if you wish to, for a number of future communications topics and various terms and conditions.

Discipline sub-committees

These are currently being refreshed and will comprise of a Director, England Team Manager, Qualified Referee and two representatives from each regional committee.

Pull! publication

We would like to express our thanks to Archant Dialogue and all the team involved in the publication of *Pull!* and for improving this magazine throughout the last six years.

To finish

2018 continues to be another busy year for everyone (HQ, shooting grounds, members, competitors and volunteers) with a huge amount of planning and activity throughout the spring and summer. Good times ahead. ●

Bywell Northern Sporting Weekend

EVENT

THIS SPRING sees the Northern Sporting Event taking place at Bywell on April 21 and 22, attracting shooters from far and wide to the ground.

Over the last two years several major sporting events have been held at Bywell with tremendous success, and with big sponsorship backing there will be some fantastic prizes to be won this year. Up to 300 competitors over the two days will shoot 100 targets spread over numerous stands. The first 100 competitors on each day will receive a complimentary gift bag containing 25 of the famous Hull Sovereign cartridges alongside other Hull and Browning memorabilia. The High Gun of the 100 Sporting competition from each day will shoot off for the prestigious prize of a Browning B725 Pro Sport.

Hull Cartridge will also be contributing to the prize fund. The High Gun on each day will receive 500 Hull Sovereign cartridges and all category winners will receive 250 of these premium competition cartridges as a prize.

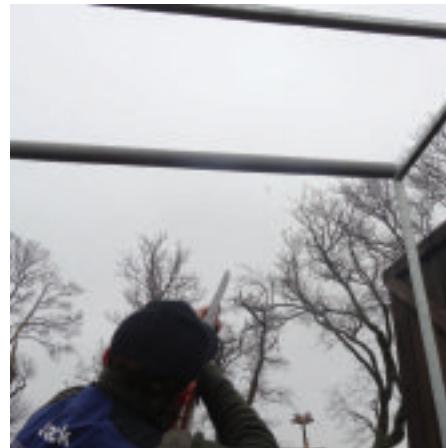

Browning have also donated a full featherlight body warmer, jacket and trouser

set to the person having the winning ticket from the "Browning Challenge" stand after breaking five testing targets.

The popular Winchester SX4 challenge will run alongside the main event. In this competition the shooters will have to break a variety of targets with a Winchester SX4 shotgun. They will then have the opportunity to win a brand new Winchester SX4 themselves, with one gun to be won on each day. Bywell are guaranteeing £2,300 in cash prizes with additional money being added with each entry.

Given the mixture of the registered, pool and challenge targets being presented over the weekend, this competition is great for shooters of all abilities, from novice through to the more seasoned competition shooters.

The ground is known for its superb targets combining battues, rabbits and other testing clays. With Sporting as a discipline on the rise in popularity it's great seeing Bywell putting an event on like this to give the shooting community further opportunity to shoot some exciting clays. However, with the entries limited to 150 per day pre booking is essential.

ANNUAL CHARITY SHOOT

EVENT

ERISWELL LODGE Shooting Ground once again hosted their annual Charity Clay Shoot on Tuesday March 6. 194 shooters made up of teams of five shot 100 clays and enjoyed a post-competition hog roast. The nominated charity this year was NANSA (Norfolk and Norwich Spastic Association) and the amount raised was £3,138.

The winning team was the Norfolk No Hoppers: Jonathan Balls, Darren and Jake Pratt, Steve Musk and Karl Hagan, who shot 463x500. The event was sponsored by Marsdens Pet Food and prizes were presented by Derek Issett.

We offer a try before you buy service with various demo and second hand shotguns available to shoot on our onsite shooting ground

*The choice of
champions*

Based on the legendary MX8 which took the shooting world by storm in 1968, the High Tech has also quickly gained a reputation for itself. Though the differences may be subtle, almost indefinable - a few millimetres here and a few grams there - the improvement in the handling and feel is undeniable.

HIGH TECH

90 years of the CPSA

IN THE THIRD PART OF OUR SERIES CELEBRATING THE CPSA'S 90TH BIRTHDAY, **JAMES MARCHINGTON** LOOKS AT THE GOVERNING BODY'S HISTORY FROM 1949 TO 1958

CPSA HISTORY

TODAY IT'S easy to look back on the 1950s as a golden era, but the average British family was still living under post-War austerity – food was rationed until 1954, fruit was still viewed as a luxury, and long queues formed outside butchers' shops. Disposable income was low, and few families had a car – all in all not the conditions for clay shooting to develop greatly, although the sport still had its devoted followers.

One such was Wilfred Harris from Southfleet, near Gravesend in Kent, who phoned in response to our last article in this series. Wilfred was born in 1928 – the same year the CPSA was founded – so he is now 90, and tells me he gave up competitive clay shooting some years ago but still enjoys a day out after game.

He vividly recalls shooting DTL at Bisley in the 1950s with his father, also named Wilfred, and his brother Frank. They were known as the 'Kent Squad', Wilfred says, and would make the arduous drive – with no motorways in those days – in their V8 engined Ford Pilot, which he reckons did about 18 miles to the gallon. As well as Bisley, they would regularly make the three-and-a-half-hour trip to shoot near Blandford in Dorset, returning home the same day.

Wilfred tells me he shot a Browning A5 semi-automatic which "didn't fit me at all. I had to fit myself to it for every shot – but we had no money to buy anything else." Cartridges, he says, were bought at

the ground on the day – always paper-cased Eley Grand Prix, loaded with 11/16 oz of no.7 shot. In his book *Clay Pigeon Shooting: A History*, Mike Yardley comments that there was "much tinkering with rules post-War", which he attributes to the CPSA's desire to get interest in the sport back up to pre-1939 levels. This, he says, caused some confusion initially, as a new DTL scoring system was introduced, with two points for a first barrel kill and one point for a second. Meanwhile our English version of Skeet edged closer to the American style, with the shooter standing further back and shooting 25 targets per round instead of 20.

At this time the discipline of Sporting had yet to really catch on. The British Open Sporting Championship resumed in 1948, when it was won by one EL Nickols, but the total number of entries was still less than 40 in the early 1960s.

Meanwhile, shooting was making a post-War return to the world stage – the sport was included in both the Pan American Games and Asian Games when they were created in 1951 as multi-sport international competitions like the Olympic Games. The first European Shooting Championship was held in 1955 in Bucharest, Romania.

Trap shooting returned to the Olympic Games at Helsinki in 1952. The event was won by George Genereux of Canada, while Great Britain's Enoch Jenkins came 14th overall. Men's Trap was still in the programme in the 1956 Melbourne games, but it would be some years before Skeet was added to the programme – and longer still before women gained their own shooting events.

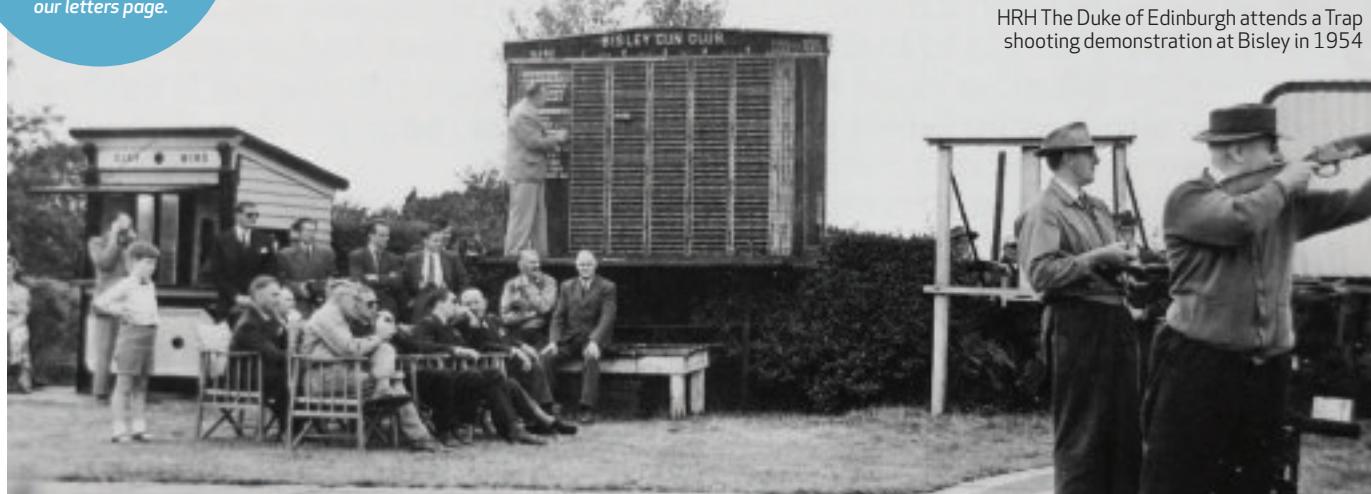

Wilfred Harris (L) is now 90 and vividly recalls shooting DTL at Bisley in the 1950s

LETTER OF THE MONTH

I am writing in to air my grievances over my CPSA classification. I have been a member of the CPSA since I was 10 years old and have never had any complaints over my classification until recently. In issue 53 I am currently AA in sporting with an average of 79.9%. I went up to AA in issue 49 with an average of 83.5%. I haven't had an average great enough to be in AA since issue 49 - 53 (cut off is 83%) which spans two years. I telephoned to find out what was going on with my classification, only to be told that I need to shoot a minimum of 300 registered targets to obtain an average for me to go down one class. But also found out I only need to shoot 100 registered targets to go up a class. Now, for a regular shooter as I once was, that would not bother me and would never become an issue but

with a young family being my priority now, I am no longer a regular shooter in registered and non-registered shoots. So I have been caught in a flaw in the classifications. I can't afford to shoot enough to gain a fair average and have been advised I would have to pay for three shoot entries to compete in a class I am extremely unlikely to win in. If, by some chance I have an amazing day, I will be put into AA anyway based on 100 targets! I understand that classifications are there for a good reason and rules are put in place for people who wish to try and cheat the system, but for a non regular shooter there should be a time stipulation in which your average class will go down eventually as long as you enter some kind of registered targets.

RICHARD WORTHINGTON

REPORTS ON THE FIRST TWO LEGS OF THE 2018 PREMIER LEAGUE

IT WAS a great start to the 2018 Premier League. Almost perfect shooting conditions saw 307 shooters take on the first registered shoot in the series. E.J. Churchill put on a very interesting course, which perhaps gave you a false sense of security if you started on stand one and worked your way round, as there were some very challenging targets from stands seven to 10 which upset many a card! Only two people broke into the 90s, with Richard Faulds MBE from Owls Lodge scoring 94 to take the Overall High Gun on the day, ahead of Sporting Targets shooter David Ferriman on 91. Congratulations to both.

B Class shooter Reece Dunne from Team Southdown also had a very good day, scoring 84 to match Richard's 94 with his handicap applied.

From a team perspective Owls Lodge scored the highest top 10 with 886ex1000 with Team Southdown and Team Cambridge close behind on 879 and 878 respectively.

The second leg of the series came round quickly only two weeks after the opening fixture, this time at Owls Lodge Shooting School in Hampshire. The forecast wasn't looking great but the snow had gone and a bit of rain wasn't going to put people off enjoying their shooting. In fact, we had 257 entries which was great!

Owls Lodge put on a challenging course over 14 stands with plenty of sim pairs to keep the shooters moving through the stands quickly. The early leader was Martin Myers with a 91ex100 but this was pipped late in the day by Owls Lodge shooter James Bradley-Day with a superb 92 to take the High Gun honours.

From a handicap perspective, E.J. Churchill and B Class shooter Luke Taylor scored an impressive 86 to record a 96 with his handicap applied and the home team from Owls Lodge continued their good start to the series recording another top 10 total of 871 with Team Southdown and Team Westfield closest on 857 and 851 respectively.

The next shoot is at Highwaymans Shooting Ground on March 25 and we will report on that online and in the next issue of *Pull!* ●

Young shots

PULL! CAUGHT UP WITH TOP YOUNG ENGLISH SPORTING AND FITASC SHOOTER EMMA STACEY

How long have you been shooting?
I started when I was 16, although I didn't shoot for six months when I did my GCSEs and eight months when I did my A-Levels so in total around three years. Both my parents shot for England, and I used to love going with my Dad and watching him shoot so I've been around shooting all my life.

What was your first gun?

A 20-bore Beretta, although when I first started competitions I borrowed my Mum's Miroku before moving on to a K-80. Now I use a Krieghoff K-80 Parcours with 32-inch barrels and Briley chokes. It suits me perfectly, as it's very well balanced and for me the perfect weight. It also handles exceptionally well with very low recoil and it never lets me down. The people from Krieghoff are great, so all in all it is a fantastic package.

Can you give us three tips for shooting well?

My first tip, and this is one that my dad repeats to me constantly, is to enjoy your shooting. You won't shoot to the best of your ability if you're not enjoying what you're doing. So relax, and enjoy shooting because you love to shoot and not always to chase a score. I repeat this to myself whenever I'm not having a great day!

Secondly, keep it simple. It's easy to get caught up in chokes, cartridges, superstitions etc. but keeping it simple by focusing on your pick-up point allows you just to focus on the target and your shooting.

“PRACTICE DOESN'T ALWAYS MAKE PERFECT, BUT IT DOES MAKE PERMANENT”

Finally, I'm a big believer that it is shooting/practising efficiently, and not cramming as many shoots in as possible, that will help you progress. Practice doesn't always make perfect, but it does make permanent, and I've found that shooting one shoot at a weekend, and learning how to really dig in and not just give up and move on to another shoot when it doesn't go well has helped me in the long term.

What's the best shooting advice you've been given?

To enjoy your shooting and 'be natural'. If you relax, enjoy what you're doing and try not to 'make the shot', then you will shoot better than if you're trying to make things happen.

What has been your biggest achievement so far?

Gaining three England Caps last year for Sporting is something I am very proud of, especially after missing out on count back in 2016. Additionally, winning the Ladies UK FITASC Championship was a highlight, as was beating my Dad for the first time at an England selection shoot!

What are your long-term ambitions?

For now, I hope to keep earning England/GB Caps, and I would love to place in the top three at an International Event. I've got a lot of work to put in to enable that to happen, but that's the fun of sport!

What do you do when you're not shooting?

I'm currently at university, reading a degree in Politics and International Relations which takes up a lot of my time, but I also swim, play hockey, play the saxophone and sail amongst other things. I'm a sailing instructor, and I have competed in swimming and athletics at a county level, so I like to keep myself busy! ●

CHRIS CHILDERHOUSE LOOKS AT A RANGE
OF SHOOTING GLASSES FOR PULL!

A

SA dedicated Sporting shooter and a regular member of the England Sporting team, Chris Childerhouse wears glasses for shooting several times a week throughout the year. He also sometimes needs to wear eye protection at work – as a self-employed landscape gardener, he needs protective glasses for jobs such as strimming.

Chris has used a variety of shooting glasses over the years, and has won a few pairs in competitions from time to time. Last summer he decided to splash out on a set of Pilla frames with interchangeable lenses. “It cost me several hundred quid, but I think it’s important,” he says.

Protective glasses are a must at CPSA registered competitions, and many shooting grounds insist on them at all times. Chris takes the protection element as a given, assuming that any glasses sold for shooting will provide adequate eye protection. When he considers a pair of shooting glasses, he is looking for optical quality and good colour tints that will help him see the targets. A good fit is also important as he wants his glasses to feel comfortable and hold well in place. That requires the sides to have a well shaped curve and enough springiness to stay in position without slipping.

1. 3M VIRTUA SAFETY SPECTACLES

Widely available online
£2.35, or cheaper in bulk

These are typical of the bog-standard safety specs that are widely used in industry. This pair is for non-spectacle wearers, but similar models are available to wear over prescription glasses. You might be issued with something like this at a clay ground have-a-go day.

“They look like something I’d wear for strimming,” Chris laughs. “I’d wear them for shooting if I had to, but the lenses are completely plain so they don’t help you see the targets any better. It’s just protection, nothing more.”

2. EVOLUTION CONNECT

Sunglasses For Sport www.sunglassesforsport.com
Interchangeable 4-lens set £49.95, single colour £19.95

The Evolution Connect glasses are a new addition to the Evolution range, launched at the IWA trade show in Nuremberg earlier this year. The glasses feature rimless one-piece lenses in impact-resistant polycarbonate, with anti-fog coating on both sides. There’s a choice of seven different lens colours: grey, yellow, purple, light brown, orange and rose.

Chris immediately likes these glasses. They feel robust, fit snugly and hold in place on his head. He likes the colours too. The orange is similar to his regular Pillas, and improves the visibility of targets against a dark background. He reckons the purple could be good later in the year. “Yes I’d be happy to shoot in these,” he concludes. Asked to guess the price he suggests maybe around £100 – double the actual price of a 4-lens set – so they clearly seem more expensive than they actually are.

“

THE VIRTUA LENSES ARE COMPLETELY PLAIN SO THEY DON’T HELP YOU SEE THE TARGETS ANY BETTER

3. RADIAN T-85 5 LENS SHOOTING GLASSES KIT

John Rothery Wholesale www.bisley-uk.com
Interchangeable 5-lens set £21.95

The Radians T-85 comes as a set with five lens colours – clear, yellow, light orange, dark orange and grey. There’s also a couple of soft pouches for the lenses and frames. It looks a lot for the price of £21.95, but will they be up to the job?

Chris is unsure about the frames when he picks them up, commenting that they feel very flexible. When he puts them on, though, he declares they fit firmly enough and are comfortable. The lenses are smaller than some shooting type glasses, but they wrap well round the sides and Chris finds they don’t intrude on his field of vision.

The lenses give a clear picture with no visible distortion, Chris says, and he likes the orange colour which definitely improves his view of the clays on this rather dull day. He finds it slightly fiddly to change lenses, but reckons he would soon learn the knack. All in all, he says, they do the job, and at a remarkably low price.

4. PILLA PANTHER X7 NO POST

Sunglasses For Sport www.sunglassesforsport.com
Frame £140, lenses £130 per colour, case £30

These are Chris’s own shooting glasses, which he bought last summer. They weren’t cheap, but he doesn’t regret spending the money. “I’ve got other lenses for different conditions, but over the winter I’ve been using the 60HCP lens, which is a sort of dull orange. It really brings the targets out against a dull wooded background, and it works well for black or orange clays,” he says. In the summer he expects to switch to his purple lenses, and he also has a dark grey set for really bright conditions.

Pilla glasses come as a system, so you tailor them to your needs, choosing the frames and lenses to suit you. There are prescription inserts available, so you can have lenses to correct your vision mounted behind the coloured lens. The lenses are made by Carl Zeiss and are worn by many top shooters. All in all, Chris has confidence in his Pillas and that alone is worth the money to him: “It’s one less thing to worry about,” he says. ●

Choosing a trainer

CPSA COACH **MIKE WILLIAMS** TELLS PULL! WHAT MAKES A GOOD INSTRUCTOR OR COACH, AND THE IMPORTANT DIFFERENCES BETWEEN THE TWO

Above: Mike Williams' love of shooting led him to become a coach
Left: A good coach can adapt his teaching to any pupil

MIKE WILLIAMS' credentials are pretty impressive. With 35 years of full-time instructing and coaching behind him, he is the Chairman of the Education and Training Steering Group, and the senior tutor for the CPSA, responsible for the ongoing development of instructor courses. He's also a senior assessor for the Army. Based in the Fens, Mike coaches in Cambridgeshire, Norfolk, Lincolnshire and Bedfordshire, so he's kept pretty busy! So busy, in fact, that he rarely has time to shoot himself, though he did shoot at regional championships in the domestic disciplines of Sporting, Skeet and Down the Line last year. "These days," he says, "I get my kicks from seeing someone I've helped do well. "It helps to understand the structure of instructors and coaches before you start booking a session, as there's a big difference in what you'll need depending on what level you are at. There are three levels: instructor, coach and finally a sports psychologist or a top shooter, which is perhaps the more ambiguous level." Instructors, he says, are at the base of the triangle – they are the ones who will set you up with your foundation. "So arguably, they are one of the most important! The instructor will be the one who teaches you stance, mount and technique. Once you have that basis, it's about practice."

Foundations laid, it is up to the shooter to develop their skills further, until they hit a snag, which is where a coach comes in. "Coaches are a refinement of the instructor level. They'll help you tweak your technique, see where problems are occurring, and sort those problems out, taking your shooting to the next level." And finally, Mike says, for those gunning for top position, "A sports psychologist or a

top-level shooter is needed to give you that winning edge. But it's worth remembering that not all top shooters are equipped to be coaches."

Until the final stage, Mike says, shooting is "90% competence and 10% mental. Once you've achieved that competence, that proportion is swapped – it is 10% competence and 90% mental. Most shooters can achieve the first stage, but very few achieve the second. It is what sorts the wheat from the chaff, and those who can achieve the second stage will be the ones winning. It's a small margin, though – only a few clays separate the two."

The first step on the ladder for those teaching is to become an instructor, which Mike explains is, "Simple target recognition and understanding, and a structured method to hit those targets." Following that, an instructor might choose to become a coach, which would involve specialising in one discipline. "The coaches learn to help shooters sort out problems. They need to be able to see where things are going wrong and help to correct them, and this can be very detailed work, making tiny adjustments." The final stage for CPSA coaches is to achieve the specialist level in all four of the domestic disciplines, "By which time you've spent at least five years coaching," Mike says, "Building up experience and expertise."

So what makes a good instructor or coach? "Most will have started off with a love of shooting themselves, and it makes a difference if they are still shooting regularly. But I think that the most important asset for any instructor or coach is an ability to communicate. Not everyone can understand instructions, so a good teacher needs to be able to translate those instructions for every pupil they have. The crux of the job is being able to do that, to read your pupil and then apply your instructions to their needs. Every shooter hears and understands things differently, and what separates a good instructor or coach from a brilliant one is being able to change their teaching methods to suit each pupil." The importance of the teacher having shot and competed is something that Mike says shouldn't be underestimated, "Certainly when you are looking for a coach. They'll know about the varying targets, and how best to address them. But perhaps most importantly, they will understand the nerves, the anxiety that goes with competing and performing. They'll be more likely to help you win the mental game at competitions, to understand what might have affected performance and what might help improve it at the next competition. I ask shooters I'm coaching to keep a log when they go to competitions, noting things such as the weather, how they felt, what they think went wrong. It helps me to work out how to help them." ●

PETER WILSON MBE IS OUT OF RETIREMENT
AND ONCE AGAIN AIMING FOR OLYMPIC GLORY.
KATE GATACRE CAUGHT UP WITH HIM
TO FIND OUT WHY

HEN I spoke to Peter Wilson, he was “frustrated. This weather – I can’t go out and train.” It was the week of the red weather warnings, and Peter, trapped in his Welsh farmhouse, was caught between Storm Emma and the Beast from the East.

Many readers will have picked up on the fact that the Olympic gold medallist is returning to competition, having retired in 2012. However, Peter is returning not to Double Trap (DT), but to Olympic Trap (OT), his former discipline having been removed from the Olympic schedule.

Recently returned from Dubai, where he was being coached by Ahmed Al Maktoum, who helped him achieve his previous Olympic dreams, Peter had, before the snow hit, got his first competition behind him, at Nuthampstead, coming second with 91 x 100. He is now looking forward to the first selection shoot later in March. So how is he finding his new discipline?

“It’s a steep slope. I’m constantly learning and one moment it feels easy, the next it seems like an impossible task, but there’s no point in kicking the floor. OT is just very difficult. I am really pleased to be competing again and it’s fantastic to have a challenge. I have tried to use as much of my DT training and experience for OT, but I’ve struggled with the hard right and hard left – my old stance just doesn’t give me the scope for those, so I’m now standing much squarer and that does help. It’s tough to change your techniques and it doesn’t happen overnight, not after the thousands and thousands of hours that I spent drilling for DT. I spent eight years cementing those DT techniques, becoming almost robotic.

“One of the most interesting things is that my call doesn’t work for OT. I’ve got this slightly weird, drawn out call, which doesn’t work for OT – by the time I’ve finished my call, the clays have come and gone. Changing that is proving one of the biggest challenges and I’m driving my wife crazy by going around the house calling ‘Pull!’. It makes changing my stance seem easy by comparison. Calling is subconscious and I’m afraid my long-winded one may be with me until I die!”

With a different discipline, is it just technique that has changed for Peter? Or is he changing his kit, too? “One of the biggest changes is the move to the Welsh/English border,” he explains. “We moved to be close to the Griffin Lloyd Shooting Ground – not only is Griffin Lloyd an amazing ground but it is the best ground for OT in my opinion. Luckily my wife loves it here! In terms of kit, I’m still using my Perazzi MX2005 with a Nill Griffie stock. I love that combination. The barrels have been tweaked by Patrick Croft and I’ve got Teague chokes. I’m also lucky enough to be sponsored by Nobel Sport Italia (NSI), and am using Quattro Premium 24g No 71/4. I’m actually expecting a big delivery of the first proper batch of them, but at the moment they’re frozen to the floor at Edgar Brothers, which distributes NSI! In terms of other training, I haven’t started

any gym work yet, but I’m doing press-ups and sit-ups every day. I’m not shooting as much right now, as I did a huge amount during the winter and tend to taper it off before competitions.”

Peter was ambitious from the start – he knew, with DT, that he wanted to break the World Record and win an Olympic gold early on. So are his ambitions the same for OT? “I know I want to get 50 to 60% better at it than I am. I’m trying not to put pressure on myself at the moment, particularly for the selection shoot. If I come in the top 20 I’ll be really happy – I’m competing against amazing shooters who have been doing this for years, so I’m going in as the underdog. And I’m not the only one – there are loads of DT shooters chucking the kitchen sink at OT at the moment. However, one of the things I like about shooting is that

I WOULDN'T HAVE GONE BACK INTO COMPETITION IF DT WAS STILL IN THE OLYMPICS

it isn't really a competition between you and any one individual – it's you versus the clay. It's about getting the best out of myself. But I'm not going to hide it – yes, I want to win another Olympic Gold. I wouldn't be doing this if I didn't want to win. And I'd love to set the World Record."

Peter has gone on record as saying he is returning to shooting because the ISSF removed Double Trap from the Olympics – and in a letter he wrote to the ISSF's Wolfgang Schreiber, he suggested that women and men compete on an equal footing. Would he have come out of retirement for any other reason? And how does he see the future of shooting sports?

"I wouldn't have gone back into competition if DT was still in the Olympics. I spent years coaching James Dedman, an incredibly talented shooter, in DT. I feel very proud of what he achieved in the four years we worked together: he won Junior World and European titles, and he set a Junior World Record. So when the ISSF announced that it was dropping DT, it was a major blow. I'd like to think he was on the road to the Olympics. I know the ISSF didn't reach that decision overnight, but it is frustrating. I don't mind admitting I cried about it. I wrote to Mr Schreiber, but of course unless you are part of the organisation, you don't have a voice. In my letter, I suggested that women and men compete in the same events, rather than splitting them. It would mean losing some of the medals – but it might allow for more of the disciplines to be kept, so I think that would be worth it. Women and men compete together in equestrian events, so why not shooting? Until recently, women were shooting fewer clays in competition than men, but now that they are shooting the same number, the results speak for themselves."

Peter's road to the Olympics last time round was a tough one, particularly when funding was cut for shooting by UK Sport, so how is he coping this time?

"It's been interesting. I'm incredibly lucky – I've got such a supportive family. My wife agreed to move here, my parents have been amazing, and I've also got some fantastic support from Dr Geoffrey and Kate Guy, who have helped me move and make the switch in disciplines. I've got sponsorship from NSI, which is going to be invaluable in terms of cartridges."

"I've also set up a way to get sponsorship: Aim175. With that, I run a few fundraising events, both clay

and gameshooting days. I owe all those who have supported me a huge debt of gratitude: Paul and Julie Walsh, Rupert Martin, John Robinson, Henry Smith and David Ross – they've all provided a core support and have made it possible for me to do this."

And finally, is Peter in this for the long haul this time? Or can we expect another post Olympic retirement? "Let's just wait until this Olympic cycle is over! Winning the gold medal was just amazing, but it really takes it out of you – not only the years of training but also the pressure of representing your country. Once you've won an Olympic medal, you've tasted the sweetest fruit – and I felt there was nowhere left to go last time, but I do feel a bit different going forward, so who knows!" ●

It's showtime!

THE NORTHERN SHOOTING SHOW RUNS ACROSS THE WEEKEND OF MAY 12 AND 13 AT THE YORKSHIRE EVENT CENTRE. **JACK CAVILLA** TALKS TO PAUL WHITELAM, WHO RUNS THE SHOW ALONGSIDE RICHARD STOKOE

S

INCE ITS inception in 2016, the CPSA have been ever present supporters of the Northern Shooting Show. Established by Richard Stokoe and Paul Whitelam, the show welcomes all shooting enthusiasts, whatever your discipline.

Packed with retailers of guns, clothing and accessories, as well as one of the largest claylines in Europe for those wanting to try different shooting activities, there is something on offer for everyone, from newcomers to seasoned experts.

The growth and popularity of the show is something Paul is quick to acknowledge: "The demand for the show from both exhibitors and visitors has been fantastic and the venue acts as a big factor. Having a mixture of professional indoor exhibition halls and outdoor demonstration activity areas really satisfies everyone's needs."

He added: "The show continues to grow this year with the addition of another exhibitor hall. Each specialist area has more depth and we now have more of the bigger players in the industry attending. This means the clayline now has more manufacturers on the demonstration area allowing visitors to try out all the latest models."

For anyone who might be tempted to purchase a shotgun whilst at the show, the Northern Shooting Show team have tried to help with the process: "We will have seven police firearms departments on site, some doing grant interviews,

Below: the arrow indicates where you'll find the CPSA on the clayline

renewals and variations on the day. This is revolutionary and makes it easier for visitors to purchase on the day from dealers at the show."

Paul believes the unique location when compared to other game fairs and shows has contributed to their growth and success: "There is nothing in the North that represents shooters, so it was well received by locals who were pleased to have not been forgotten about for once. To add to this, the exhibitors at the show valued their custom. We believe that we have also priced it sensibly for both exhibitor and visitor, with advance day tickets costing just £12."

Whilst the show goes from strength to strength, the scope of it within the shooting sector remains broad: "GMK will be bringing their full range of Beretta and Benelli shotguns so you can see them exhibited in the main Gunmakers Hall and they are on the manufacturer's clayline."

Paul continues: "We'll have big names such as Perazzi, Longthorne, Blaser, Marocchi and others who are returning. AimCam are attending with their new revolutionary shotgun camera. In the halls there will be specialists like Pilla and Komodo with shooting glasses, plus hearing protection companies and specialist clothing retailers."

"Giles Marriott will be attending for the first time this year, selling classic English and Continental shotguns with more shotgun dealers focusing on new and used guns. We will have thousands of new and used shotguns to try and buy at the show."

The show also represents the opportunity to showcase the sport to newcomers and the organisers are clearly committed to helping grow the shooting industry. "Speaking from our own point of view we take the continuation of shooting very seriously," says Paul. "We all recognise the average age of a shooter needs to be lower and the only way to do that is to start at grass roots and make it available and inclusive for beginners to have a go. That's why at our show we are trying to push shooters to bring non-shooting friends along, as the show is the perfect platform to have a go in a friendly environment and gain advice from associations and experts."

The CPSA supports this sentiment and will be providing 'have a go' taster sessions on the clayline under the guidance of our qualified instructors and coaches, as well as exhibiting inside the main hall offering membership deals and information.

Finally, Paul gives some words of wisdom to any first time attendees at the show this year: "Get saving and bring your wallet and shotgun certificate, as we really do have something for everyone!"

Open Season

THE ENGLISH OPEN ENGLISH SPORTING RUNS FROM MAY 8 TO 12 AND KICKS OFF THE COMPETITION SEASON. **JACK CAVILLA** LOOKS AHEAD TO THE IN-DEMAND EVENT

ELEY
LEADERS SHOOTING PERFORMANCE

LAPORTE

ATKIN GRANT & Lang in Hertfordshire plays host to the first CPSA major championship in 2018 and there is already an air of excitement for the competition season to begin in what is a special year for the Association as we celebrate turning 90. With over 1,000 shooters booked onto the English Open within the first month of entries opening, it is testament to both the success and longevity of the event. Charlie Stewart-Wood and the team at Atkin Grant & Lang setting the course will follow the format of the previous three years, with all shooters starting on stand one, working their way around a 120-target course to finish on stand 15. This year the competition starts on Tuesday May 8 and will finish with the six-man Super Final in the afternoon on Saturday May 12.

Charlie confirmed that planning is already well underway at the ground: "Preparations began as soon as we heard at the end of 2017 that we were hosting the English Open. We're doing a lot of development to the ground, we normally work on a 30-acre site, but our ground here is actually 55 acres and we'll be

using all of that for the English Open course."

He added: "We've had this ground for four and a half years and we're delighted to now be at the stage where we are ready to hold major competitions. The response has been amazing and to have already seen 1,000 people book on in under a month is overwhelming."

A THRILLING CLIMAX

The Super Final is usually a thrilling climax to the English Open and last year proved no different. Junior shot Taylor Hedgecock led the way heading into the Super Final having shot an emphatic 113ex120, but ultimately just fell short of the mark, as Paul Simpson went on to claim the title ahead of runner-up Philip Thorold and Taylor in third.

Rug under the Perazzi brand and Eley Hawk are the headline sponsors for this year's event. The overall High Gun will receive a Perazzi High Tech Sporter, with 10,000 Eley cartridges shared amongst all the category winners. There is also an estimated cash prize fund of over £10,000 which will be divided between the High Gun and class winners. Phil Unwin, Rug Ammotec on behalf of Perazzi comments: "RUAG / Perazzi are delighted to continue with

their sponsorship of the English Open English Sporting championship to be held this year at Atkin Grant & Lang shooting ground. We consider this an ideal opportunity to support the CPSA in their aims to further our sport and to provide challenging and enjoyable Championships. Our purpose isn't just to provide a prize fund for the top few shooters but to encourage shooters from all levels and abilities to join in and enjoy the event."

Eley Hawk Marketing Manager David Thompson adds: "I think it's going to be a great competition and Eley are delighted to be involved with this event again. The planning that Charlie and the team are putting in is meticulous – I've been very impressed with the ground, its layout and what they are trying to achieve here for the shoot." Laporte CPC will also be supporting the championship on the ground with traps and clays. Spaces are available to book for the Tuesday and Wednesday and there are minimal spaces left on the Thursday. Any CPSA members who wish to book on can do so online at <https://championships.cpsa.co.uk/> or by calling HQ on 01483 485400. Alternatively, there is a waiting list for entries on other days – please contact HQ to do this. ●

SARAH DALY REPORTS ON A SUPER BRONZE MEDAL FOR AMBER HILL AT THE ISSF WORLD CUP IN GUADALAJA, MEXICO

Amber Hill took a well-deserved bronze medal

THE FIRST World Cup of the season, hosted by Guadalajara, Mexico, saw the introduction of Skeet and Trap Women shooting 125 targets for the first time, having shot 75 targets since the 1997 World Championships. Great Britain's only medal in Guadalajara was courtesy of Amber Hill winning bronze in the Skeet Women.

Going into the second day, Kimberly Rhode (USA) led the field on 74ex75, while Amber lay in equal third on 70ex75 with four other competitors.

At the end of day two, having set a new world record of 122ex125 in the qualifying rounds – five targets ahead of the rest of the field – Kimberly maintained her lead through the finals to take her 16th World Cup gold medal. Amber was ranked third on 116 after the qualifying rounds, putting her in a good position for the finals.

With ever changing positions in an exciting final, Amber was lying in second for much of the match. However, Kimberly continued her dominance to take the top spot, with teammate Caitlin Connor (USA) coming through to take silver. Amber put in a fine performance for the bronze, her fourth World Cup medal, and a great result leading up to the Commonwealth Games.

Great Britain Head Shotgun Coach, Kevin Gill commented: "Fantastic, every time you win a medal it reinforces to you that you are capable of doing it. It is important to get a good result earlier on, especially in such an important year."

In the Trap Men, seven competitors shared the top score of 49ex50 with Matt Panter and Brad Davis at the end of day one. On day two, Matt was well in touch, posting two more rounds of 24, but a 21 in the last round dropped him down to 14th, which was a disappointing end to an otherwise good performance. ●

See the ISSF website for results and Livestream for the finals' videos.

Commonwealth games preview

SARAH DALY TALKS TO
HEAD SHOTGUN COACH
JOHN ROBINSON AHEAD
OF THE GAMES IN APRIL

THE XXI Commonwealth Games (CG) shooting events will be held at the significantly refurbished Belmont Shooting Centre, near Brisbane, Queensland from April 8 to 14. There are three combined Trap and Skeet ranges with a backdrop of a net of very thick green mesh fixed just past the 76 metre mark. With raised ranges, England Head Shotgun Coach John Robinson said he is hoping the grass in front of the trenches will have grown to help the Trap and Double Trap (DT) shooters' visual pick up on the targets, as it was simply bare earth at the 2017 test event. John also had much to say about Team England's preparations in the run up to the 2018 Games.

LESSONS LEARNED FROM THE TEST EVENT

"The test event was invaluable for all concerned and the best training camp we could have hoped for. It gave us the heads up on the logistics required for the Games itself. Nine of the 11 team members competed with a return of five medals, which was an excellent achievement. A recce of the hotels showed us the best place for the athletes to stay, with minimum travel times, and which will be shared with the England cycling team. The village is a good hour away and would have caused travel issues for the athletes.

"We held a debrief post event, which included Team

Leader Christian Schofield, Team Captain for Shotgun Matt French, and myself, to discuss where we could improve the athletes' overall preparations for the 2018 Games.

"Matt spoke to the athletes and gained valuable feedback. Everything was put into the mix and actions taken from there. Fundamentally, the Skeet team did not have enough time to recover from the travelling, and the background is different from anything else we shoot over here. A longer lead time into the event is planned, with most of the team flying to Australia on March 25.

"Courtesy of the England cycling team, we now have access to a physio which is a huge help!"

ATHLETES TRAINING

"The test event ensured each athlete had valuable information to input into their own training programme, alongside their own coaches. I have not been able to run a training camp like we did for the Commonwealth Games in Glasgow in 2014, due to the season's timing and the comprehensive British Shooting timetable. We are lucky in that this England team are all involved in Team GBR's training programme, such is the depth of talent. Trips abroad to training camps and to competitive Grand Prix and World Cups have enabled individuals to overcome the winter in England going into a warmer climate in Australia. The DT shooters have been required to shoot other

disciplines as DT has been dropped from the Olympics and so have not had the training time and focus as in previous years. That said, the DT Team are all world class and they will simply rise to that challenge!"

THE BUDGET

"There was nothing like the budget available for Glasgow but that was offset by having an outstanding training camp in the test event.

"A budget of £11,000 for 11 athletes was received from Commonwealth Games England. One third covered training clays and cartridges at the test event, one third enabled individuals to train with their coaches, and the final third covered as much of the costs as possible for training rounds and cartridges at CG 2018. The CPSA are supplementing the ETSF contribution to my budget to ensure that the teams' final training costs will be covered, which is a massive help.

"This all makes for a tight budget but we must get on and make the very best from what we have, and this team will certainly do that."

MEDAL HOPES

"The good point was we came back from the test event with five medals; a superb achievement. We must remember that there were some countries not present at the test event but all better for the competition ahead. Realistically, four medals from the Games would be excellent, but I know that this team could surprise everyone. For me, there is not a single athlete in the team that cannot make a final, and once in a final they all know how to fight.

"The key thing for the backroom team, Christian and myself, is to ensure that we get all the team members on that start line in the best possible state. We are there to help them, so if there is something we can do to make a 1% margin, we WILL do it!" ●

“FOUR MEDALS FROM THE GAMES WOULD BE EXCELLENT, BUT I KNOW THAT THIS TEAM COULD SURPRISE EVERYONE”

JOHN ROBINSON BIOGRAPHY

There is more to John than just being a full-time coach in all shooting disciplines. He has 10 years' experience as an ISSF C licence coach, 20 years in the Great Britain and England Olympic Skeet teams, and 15 years in the Great Britain age-group Triathlon and Duathlon teams. He's a former rugby International, a qualified vet (though no longer practising) and last, but not least, a party leader in the Scarborough and Ryedale Mountain Rescue Team.

Living the dream

FREDDIE KILLANDER HAS ACHIEVED A LONG-HELD AMBITION TO REPRESENT ENGLAND AND REGARDS HIS COMMONWEALTH GAMES SKEET SELECTION AS "A DREAM COME TRUE"

W

hat did you take away from the test event at the end of last year?

The test event did not go exactly to plan for me, but it was a great learning experience. We were very lucky that the CPSA sent us as it was a great advantage to see the ranges. The background makes such a difference as to how the targets appear, especially with the thick green net. It was also great to get everyone working together as a team. Since then, I have had a lot to work on and so developed a plan with my coaches to get ready for the Games.

Who coaches you?

I work with three coaches: Andrew Austin is my main coach. I work with Per Moen, the Great Britain Skeet coach at training camps, and John Robinson, the Head Coach for the England team.

What's your training plan like in the run up to the Games?

Funding has precluded us from doing more with John in the lead up to the Games. There was a bit of funding, but we have been trying to raise a little more through a 'go-fund-me page'. The training plan is almost as much about not shooting, as shooting. The first things I wanted to get right were the travel, where to eat, how to eat and being comfortable both on and off the ranges.

I have trained a lot over the winter at home, as well as at Great Britain training camps abroad and the Cyprus Grand

Below: Freddie in action

Prix as a warm up for the Games. I don't have a set plan for what happens when we arrive in Australia, but I will test-fire my gun as soon as possible to ensure it is working!

What shooting gear do you use?

GMK have given me a DY11 Black, fitted in the factory in Italy, which is fantastic. We will use cartridges that are available in Australia. Being colour blind, the way I perceive the targets will be different from others, so coloured glasses that suit some people would not necessarily help me, but that can only be decided at the venue.

How vital is the right diet and exercise programme during the competition?

Developing your diet to give you enough sustained energy through the day is so important: high carbs the night before, perhaps rice or pasta with white meat plus salad; a protein filled breakfast like porridge and eggs; and through the day, fruit and energy cereal bars. It's also important to avoid over-eating during the day. I'll do some running and gym work when I can, and I often swim when abroad. My day job is quite manual, working with my sister on a farm growing mostly organic and speciality vegetables. Sleep is vital, I often use an eye mask and ear plugs. I start the new time zone as soon as I get on the plane.

How does it feel to be part of the England team?

It's a privilege. I'd like to say thank you to the CPSA for helping us to compete in Australia, to John for organising the camps and to team leader Christian. This is a dream come true for me and something I have been working towards for a very long time. ●

By the time you read this, the County, Regional and Selection Shoots will be well underway. Good luck for all those taking part. Please come out and support your County and Region.

There have been a couple of important changes regarding the Selection Shoot dates. The final English Sporting Selection Shoot will now take place on July 22 at Oak Lodge. There has also been a change to the Third Skeet Selection Shoot which was planned for June 3 at North of England. It will now take place on June 10 at NOETCT. The final change is for the DTL selection procedure, which will now consist of three from five shoots, with scores to count – not two from five as originally planned.

Young shots

The North Region Committee would like to encourage more Colts and Junior shooters into our sport. Our aim is to make all young shooters and parents aware that there are Colts and Junior championship badges to be won at the North of England, Yorkshire, Cumbria, Durham, Lancashire, Northumberland and Merseyside championships. The disciplines are All-Round, ESP, Sporttrap, ABT, Skeet and DTL. A non-discipline-specific badge will be supplied for all other disciplines where appropriate. These badges are there to be won, so please can all Colts and Juniors look at the 2018 fixtures list, enquire, book on and earn themselves a championship badge.

In the past, many badges haven't been claimed because no Colts entered to shoot some events. The CPSA North Region would like to encourage parents and guardians to help the youngsters attend these events. Let's make sure everyone is aware that these championship titles are up for grabs. Some grounds may offer a reduced entry fee, so enquire at the ground prior to entry.

To be a Colts shooter, you must be under 16 years old. To be a Junior shooter, you must be under 21 years old.

Best of luck for a successful 2018 season.

In last month's article, I said we would hopefully have all the County Championship dates in place by now. This year is proving more difficult than originally planned because the Committee is working hard to bring more County Championships closer to our doorsteps so as many members as possible can attend. Please keep an eye on the website and Facebook page for updates. So far, we have the dates below confirmed. Until next month, shoot straight!

County Committee of the Year 2018

Well, what can we say? Cheshire County Committee has done it again with you, the members, taking the credit. To fill us with even more pride is the fact that Kevin Howarth took the award of Volunteer of the Year. Having his family there to collect the award made the CPSA Awards night even more special. We would like to take this opportunity to thank everyone who voted for us and Kevin. Thank you.

Cheshire Committee Members have been working hard behind the scenes to get the season up and running. All the Selection Shoots are now organised and on the website. So, with a full locker of new trophies, it's time to get yourselves ready for another great season of clay shooting. Good luck to all.

During the season last year, our chosen charity was the North West Air Ambulance (NWAA). What a year it was – we raised in excess of £2,500 pounds. The NWAA's Debra Millican received the cheque at our very well-attended AGM.

We will of course be running our masterclasses through the season, so look out for those in your chosen discipline.

The launch of the Ladies Clay Shooting League has been very well received and there is a link on our County website for any ladies who have not yet seen it. There will be eight events taking place throughout the year, with individual and team trophies up for grabs. The league is designed to introduce ladies into competitive shooting, with experienced shooters and guests along the way to help. The first guest will be Becky McKenzie, whose list of achievements is too numerous to mention here. So any ladies out there, please check out the website and we will help you with the rest.

AGM

The AGM and presentation of trophies to our 2017 County Championship winners was kindly hosted by stalwart Paul Tudge at Gloucester Skeet Ground on February 24. A large attendance was a good sign of the interest many have in the County's future.

The County is fortunate to have such a willing band of volunteers doing what, in the past, has been a most thankless and unappreciated duty. Our principal officers for 2018 are: Chairman Steve Clarke, Treasurer Judith Gilder and Hon Secretary Joanna Thomas. Please support them in their roles. The opportunity to take the helm and to do something different if you so wish will be offered to you all again at next year's AGM. Our West Midlands Region Representatives for 2018 are Steve Lovatt and Kevin Childs. Steve informed the meeting of the West Midlands Region's ambitions for 2018. As a County, we have not

They are now available online from **Black Lion Cartridges Ltd.**

really taken full advantage of the West Midlands Region's offerings over the years. Hopefully, this will change over the coming years.

The County is again indebted to everyone at Ian Coleys for offering to manage the Trap events for 2018. Keep a look out on our Facebook page and website (which Doug Pinnegar has worked wonders with) and this publication for updates. The Trap events come thick and fast. As always, if any member wants more information or to shoot one or more of the Trap events, please contact Matt Panter, Matt Jones or Sue Tippett at Coleys who will all be very glad to hear from you.

Nick Orchard has stood down as Skeet Manager. He brought together a full house of teams for the West Midlands Inter-counties with limited resources. Despite the abundance of shooters, we could not achieve so at Sporting. Paul Tudge will manage all our English and Olympic Skeet teams for 2018. Many thanks for your work over 2017 Nick.

We hold the current Inter-counties team title for FITASC. Steve Clarke will be managing the team, this includes selection, for West Midlands events. At present, there is only a Senior event – the County Championship will be shot at Longridge, date to be confirmed.

The 2017 Sporting selection process was debated openly, with a considerable number of varying views expressed. For 2018, the elected manager is Nicholas Portlock who will be in sole charge. The Senior team will be selected by Nicholas. There will be a series of selection shoots – six mooted with scores from the County Championship and three others to count. The Championship will be shot at Westfield.

The presentation of trophies was a good-humoured affair. Nick Portlock AAA ESP ribbed for his blatant bagging of the B Class Skeet trophy. It was a shame that some of the County winners were not able to attend. However, the many happy, smiling faces made up for the missing few.

New for 2018 – indeed, new for the UK – Gloucester Clay Shooting Club will be using an innovative technology. From April, on Wednesday evenings the club will be running compact shoots with no ref to button. Instead, they will be using an iPad for wireless release of the targets. This is only being trialled at two grounds. Even if only to satisfy your curiosity, please visit and have a shoot.

The County is looking to run a full calendar of County Championship shoots this year. Please bear in mind that due to ground restrictions most of these events will be shot out of the County. Also, some events may have to be doubled up to ensure viability. This is because of an ever-increasing calendar of various selection and major shoots, meaning we cannot ensure that events do not always clash.

Awards

Firstly, a huge congratulations must go to the 2017 Committee, ably led by John Stokes, which received a runners-up award for County of the Year at the CPSA Awards on February 3. The Committee and Team Captains all worked very hard to make 2017 a great year for Shropshire.

Secondly, further congratulations must again go to the Committee and all those who helped make the Shropshire Awards Evening on February 10 a

very memorable occasion. There was a good turnout and a lot of useful funds were raised by very generous members. This is greatly appreciated and helps to fund the medals, trophies and badges which are so cherished by our competitive members.

A new award of Shropshire Volunteer of the Year went to Gary Edwards. Alongside our Chairman John Stokes, Gary has been outstanding in leading Shropshire to grow and improve in all directions, across all disciplines. The thanks of all members go to the Committee, with special thanks to John and Gary. The full list of County medals and champions is provided on the CPSA Shropshire website (details on p44).

AGM

On February 5, the AGM was held. The new Committee elected includes three ladies: Julie Burton, Lauren Blower and Jenny Cross. The new Secretary is Trevor Lewis, assisted by Jenny Cross.

Juniors in the spotlight

The achievements of our Juniors continue to impress, with Archie Hughes as Junior Masters Champion, Arran Eccleston becoming Junior Champion of Champions (most points in all disciplines) and Rebecca Fergusson winning both Junior and Ladies County Champion for OTR and UTR. Rebecca also came fifth in Junior Ladies at the OTR Cyprus Grand Prix with a very creditable 103 ex 125. Arran Eccleston shot OSK at the Cyprus Grand Prix with a very encouraging 96 ex 125. Well done to our Junior shooters who are great ambassadors for our sport, County and country!

The West Midlands championship dates are emerging, so please keep watching the website for details. The third ESP County Selection Shoot was held at Kegworth on February 18, with 24 hopefuls enjoying the challenging course. Dave Harley led the way for Shropshire with 90 ex 100 – good enough for second in AA Class! Other Shropshire scores included ESP Team Manager Stu Aston, Paul Stokes and Arran Eccleston on 81 ex 100, and Tony Aston on 80 ex 100. In Veterans, Roy Jones shot 75 ex 100 and Steve Trow 70 ex 100. In Ladies, Julie Burton shot 72 ex 100.

More Shropshire success!

The West Midlands Shooting Ground won the CPSA Ground of the Year. A well-deserved achievement. Many Shropshire members have learnt to shoot at Hodnet, and often spend their Tuesday afternoons there. The ESP British Open 2017 at Hodnet was, for many, the best event of the year. Hearty congratulations go to Tom and Deb Jones and all the team, including our own Neil Meredith!

Goodbye John

Sadly, John Stokes has decided to stand down as Chairman of the County. It will be a very hard act for those who follow him. The start of this report underlies the huge progress John has led to take

the County to National runner-up. He has been tireless and totally committed to improving the way the County is run, making it ever-more inclusive and always supporting all members in all disciplines, especially our Juniors!

At the time of writing, we have yet to kick off our 2018 shooting calendar. Our first shoot was the Regional ABT Championships held at Nottingham in mid-March. All of the year's fixture dates have been confirmed and were printed in last month's magazine. In case you missed them, you can always refer to the East Midlands CPSA website which can be accessed via the CPSA homepage. Alternatively, look out for us on Facebook and stay in touch – don't forget to like the page to get regular updates.

AGM

In early February, we held the East Midlands AGM at the Bell Inn in Stilton, with Nick Fellows CEO, Terry Bobbott Chairman and Stuart Oldman from HQ in attendance. I must report that the Management Committee remains the same once again, with Janet Stennett as Chairman in what is her 10th Anniversary, Carl Smith is Vice-Chairman, Paul Stennett is Treasurer and Colin Butler is General Secretary.

Some of the Regional Representatives will be changing though, and for those outgoing reps we thank you once again for your time and efforts. We welcome our new reps, who will soon be confirmed.

The Region reported significant financial growth over the 2017 season, mainly down to the efforts of Mike Williams and John Martin in hosting coaching

and training courses. For that, we owe them a great debt of gratitude. This is vital income for the Region and, throughout the year, the Regional Committee will be looking for ways to make the best use of it.

In other business, Cambridgeshire Chairman Allan Wright was presented with the Director's Trophy to mark Cambridgeshire's win in the Inter-counties shoots. Chris Morris once again won the Overall Supreme Regional Championship and was awarded the trophy, cartridges and sponsored prize money. Kirstin Vogel won the Ladies and Junior prizes and dad Simon won the Senior title. The Region would also like to pass on its thanks to Carl Smith of Nottingham and District GC for his continued sponsorship of this event.

There were two awards made for Services to the Region: Michele Conway for her work for shooting in the region and nationally over many years, and John Martin in recognition of his fantastic work since becoming the East Midlands Director. There was also a small surprise for the unofficial East Midlands mascot, Kenny Dog.

The luckiest person in the Region could be deemed to be Albert Taylor from Cambridgeshire, who was drawn out of the hat of more than 1,000 names. Albert won free entry into all 23 East Midlands shoots – a prize worth over £800.

Finally, in 'Any Other Business', Nick Fellows announced he was to move on to pastures new. On behalf of the Region, we would like to wish him well.

All the other fixtures can be found on the Cambridgeshire website or Facebook page, along with other news to keep you up to date with things going on.

Nov 26: Cambridgeshire ZZ Helice – Rugby

It's a little bit late, but here is the shoot report for the ZZ. As always, the ZZ Helice was the last of our 2017 events. It was a cold day with a light breeze from the rear, which could make a difference to the targets if you left them a bit late.

There was a strong turnout from Cambridgeshire, taking the first three placings. Taking the top spot again was K Flitton, one target ahead of T Jones who won Veterans. M Conway was just two targets behind K Flitton, winning Ladies. With thanks to John and his team for a good day. It's always a pleasure. *T Jones*

Young shooters

An incentive by Cambridge GC to introduce youngsters into our smashing sport is underway. A group of young people is learning what shooting is all about, including training on the disciplines. The gun club and Cambridgeshire Committee are working together to help with the cost to these youngsters. The first session was run by CPSA Coach Kevin Pilcher and proved to be a success. Further sessions will be taking place very soon. We will of course keep you updated on their progress as the weeks go on.

That's about it for now. We wish you all a good season and look forward to seeing the results from everyone. Good shooting to you all.

Looking at the packed calendar of County, Regional and National competitions, I think our members are going to be spoilt for choice this year.

Team Lincolnshire

The selection of our County teams and the organising of the team events forms a big part of the Committee's work during the season. We enter teams in all four categories in both the East Midlands and National Inter-counties shoots and, for those of you who haven't tried shooting in a team before, you will find it great fun. There is a terrific, competitive but friendly atmosphere amongst the teams that completely sets these events apart from just competing in your own class at a registered competition.

We have an advantage this year as all of the National Inter-counties shoots are relatively local, so all we need is some strong teams to give us the edge. Team application forms are available at the respective County Championships from which we select teams. For the first time, they are also available to download from our website, so you can pre-complete them and hand them to the Team Manager on the day. This will save queuing for forms and having to take up shooting time to complete them. The teams, dates of County Championships from which selections will be made and the respective Team Managers are:

Apr 22: English Sporting – Paul Briggs
May 26-27: FITASC – Paul Briggs
Jun 3: English Skeet – Chris Bone
Jun 10: All-Round – Paul and Jan Stennett
Jul 1: DTL – Brett Aisthorpe and Dave Shepherd
Sep 16: ABT – Nigel Salmon and Elena Taylor

First-time team members will receive a Lincolnshire Shooting Team Skeet vest for the price of just £20. Contributions towards entry costs will be made by the Committee to members who have shot for the County before and already have a team Skeet vest. 2017 was a particularly disappointing year for Lincolnshire, with only the Ladies and Veterans ABT teams picking up awards. We hope to do better in 2018.

County Championships

We have a full calendar of 15 championships to keep you entertained this year. By the time you read this issue of *Pull!*, you should have received your Lincolnshire handbook which includes the full list of fixtures for both the County and the Region. The winner of each championship will receive a keepsake trophy and County Champion badge, as well as the perpetual trophy which will record the achievement for posterity. For our major championships, keepsake trophies are also awarded for the categories and classes, so there is plenty to shoot for.

We will once again be running the Supreme Champion competition. To have a chance at this prestigious award, you need to accumulate points over the five major disciplines. The rules are published on the website and in the handbook.

Ones to watch

We have a lot of up-and-coming shooters who appeared for the first time in 2017. I expect to see them with increasing regularity over the coming season. Joe Mitchell first appeared on the Trap scene by winning the East Midlands Handicap by Distance with a superb score of 97/288. In recent months, he has shown his versatility by switching to Skeet, scoring a handful of 96s in the process. Tori Clinch had successful debuts in the Ladies All-Round and Skeet teams last year. Her ability, combined with her enthusiasm for the sport, should ensure she will be amongst the winners in 2018.

Our fixtures have now been arranged, the Committee formed, cobwebs cleared from our guns and we're ready to rock 'n' roll... If it were only that simple!

Firstly, congratulations to all of our shooters who were named in the CPSA 2017 top 10: Bob Tucker (Veterans Skeet), John Wells and Steve Britewell (Veteran FITASC), Ben Huthswaite (Sporting), Shane Smith (DTL), and Alex and Connor Harris (Junior DTL). Well done to you all. Now the rest of us are after you, so watch out!

The fixture dates/venues have been finalised. Please add them to your diary so you know what's on and where. The East Midlands Inter-counties events that are nearer the end of the season are available on the East Midlands website.

The new 2018 Committee is: Pip Jones (Chairman), John Wroughton (Vice-Chairman), Tony Cox (Treasurer), Alan Bott (Secretary). Our back-up members are: Adam Curtis, Martin Lehman, David Piggott, Mike Brookes, Sam Houghton, Andy Houghton and Mark Berry.

We have again agreed to pay £10 towards travel costs to shooters in the Inter-counties, FITASC, DTL, Sporting and Skeet teams.

A new venture to be tried out in 2018 is to have a positive County Champion. They will be chosen from six County Championships – Sporting, Sportrap, English Skeet, Skeet Doubles, DTL and Double Rise. Points and rankings will be taken from these shoots and the best four of six will count. We'll see how it goes.

We look forward to seeing you at our next shoots. If you catch me on a good day, I may even buy you a cuppa!

If any member has any news or knows of anyone who has made a great achievement, please let me know. We can then all read about it in *Pull!* For all up-to-date news, please visit the Leicestershire and Rutland CPSA website.

Good shooting and keep your powder dry.

Paddy Howe and Paul Watson for all their hard work over the years, as they decided to step down from the Norfolk Committee. I would like to welcome two new members who have joined the Committee: Audrey Smith and Elise Dixon. I look forward to working with you this year.

I'd also like to congratulate the Norfolk Supreme Champions for 2017: Senior Russell Houghton, Veteran Mike Eales and Lady Audrey Smith.

Winter seems to be dragging on this year and, with it, not much action has taken place. I've had no reports from any of the Norfolk Senior shooters, so I assume you are all waiting for the better weather before venturing out to the clay grounds? In contrast, I have some reports in from our Norfolk Juniors.

It has been a busy time for Norfolk's Junior Trap shooters. William Gilbert has been training at the Priory Clay Target Centre with his new DT11, in preparation for his first Olympic Trap competition of the season. We wish him luck and will report back on how he has been performing throughout the year.

Elise Dixon has been a regular at Beverley CTC, having competed in two competitions during February: Universal Trench and Olympic Trap.

At the Universal Trench event, there were two challenging schemes used and the wind kept the clays going for what seemed like miles! Elise performed well, with consistent scores, and going into the last round it was neck-and-neck for the D Class win. Elise rose to the challenge, putting in a solid 22 to secure her first D Class on 80 ex 100.

The Olympic Trap competition was a milder day. Whilst the journey from Norfolk to Yorkshire was a frosty one, the day turned out to be calm and sunny, making for some pleasant shooting. Elise struggled on the first round, putting in a 16. With some reflection, Elise went into rounds two and three with a positive mind, putting in two solid 20s. The wind picked up as the final round began, making the targets more challenging than those of the morning's rounds. However, Elise still put in a 19 and so finished the day with a new personal best of 75 ex 100. Good preparation for Elise's next International OT competition, Portugal in March.

I look forward to reporting on these up-and-coming Juniors throughout the year. If you know of any Norfolk Juniors shooting any discipline, I would love to hear from you.

April sees the opening of the competition season for Northamptonshire shooters, with the first of the many trophies up for grabs. This year, to encourage and reward the growing number of Colt shooters, there will be trophies or badges for Colt shooters in every discipline.

Above:
Northamptonshire County trophies for 2018
Left: Jo Smith – Senior Supreme Champion 2017

The season will start with the Sporting Championship on April 15 at NSG, swiftly followed by Double Trap at Nuthampstead and then FITASC at our good friend's Sporting Targets over the weekend of April 26-28. In last year's Sporting match, there were only two clays separating the top five shooters – Jo Smith, Julien Williams, Paul Cooper, Chris Sumner and Ollie Bradshaw. It will be interesting to see if the positions will be altered this year. Jo will be particularly keen to shoot well in this competition as he will be defending not only the discipline title, but his Senior Supreme title. He earned the Senior Supreme title after six competition scores were counted, beating Dave Morgan by just one clay.

The Sporting competition is also the first of the annual sponsored competitions. The class winners will again be awarded a prize of 250 cartridges and a winners' badge. Thanks to Northampton Gun Co for sponsoring the prizes.

Jeremy Baker, the FITASC Team Manager, will be looking at the scores from the County competition to help him select the County's shooters for the Inter-counties team. A request made at the AGM for FITASC practice to be held within Northamptonshire is being considered by the County Committee, as part of a push to support shooters in this discipline. Keep your eyes on the County website and Facebook pages for further information.

The County is always looking for people to take on the role of Inter-counties Team Manager, so we can enter into the Regional Director's Trophy competition. If you are interested or would like to confirm your intention to continue as a manager, please chat with Roy Tyler about your availability. Last year, our Team Managers worked hard to ensure Northamptonshire sent a full team for each discipline and our efforts were rewarded by coming third. We will be looking to better that placing this year and put serious pressure on Nottinghamshire and Suffolk to bring the trophy to the County.

The Committee is always looking for sponsorship to support the shooters of the County. To that end, we are asking for interested parties to advertise on the Northamptonshire CPSA website or to sponsor class prizes for a County competition. The money raised will go

towards sponsoring additional County competitions and other worthwhile shooting promotions. Last year, sponsorship resulted in class prizes for four County competitions, the purchase of a County banner and flag, and badges for Colt shooters. This year, we want to re-kit the County teams plus increase shooter numbers and skills in some of the less well-known disciplines. We are always open to new ideas, so have a chat with Roy or Marty if you have any thoughts.

Finally, the Olympic Skeet competition will be changing its date. Keep your eyes on our Facebook page to keep up with the changes!

From the grounds

The Skeet and DTL winter series have finished at Nottingham GC. The Skeet Winter Series was won by Gary Cooke of Yorkshire; he also won the exciting Beretta Super Shoot Off to win a shotgun. Nottinghamshire shooters Granville Hodgkinson and Neil Orr took class wins in the series. Granville won C Class just one point ahead of Rob Denoon. Rob did have the consolation of coming third in the Beretta Super Shoot Off though, winning a Skeet vest. Neil Orr scored a lovely 100-straight on the last day of the series to tie the score in A Class. He then beat Martin Walmsey in the shoot-off to secure the win.

In the DTL Winter Series, it was another Yorkshire shooter who took the series High Gun – Nigel Chapman. However, Nigel finished third in the Beretta Super Shoot Off with Cambridgeshire's Richard Morris edging out our own Lee Wilcoxson to win the gun. Lee's second place won him a Beretta gun slip and cartridge bag. County shooters Darren Watkinson, Gordon Hodgkinson and Tony Clark all had class wins in A, B and C respectively. Well done all and a huge thanks to Nottingham for hosting these two fabulous winter events.

Good luck

Good luck to all Nottinghamshire shooters who are taking part in the England or GB Team Selection Shoots this month. Finally, I would like to also wish our very own Rachel Parish the best of luck in the Commonwealth Games. Hope you have a fantastic time in Australia.

For more detailed reports, updates on County Championships and County news as it happens, make sure you visit the Suffolk CPSA website.

Barrow Sporting Clays opened

Many of you may have visited and competed at the new Barrow Sporting Clays, which had its first and second registered Sporting competitions last month. Ben Thorrold (Suffolk Sporting Champion 2017) and his father, Phil, are running the ground. The venue was previously known as Barrow Heath (and run by Phil Moss). The Committee wish the Thorrold's every success in this venture.

This now raises the number of grounds in Suffolk which are able to put on Sporting (and other) competitions to four – far more than any of the surrounding counties. This is great news for Suffolk members, although a headache for trying to avoid fixture clashes. We are confident that the members will ensure each ground has enough entries so they can continue to give Suffolk the best choice of competitions in the country.

Please visit the Suffolk CPSA website to see the fixture lists for all grounds. This information is regularly updated.

2018 County Championships

Many of the dates have been set for the County Championships 2018. These are being updated on the website as they are confirmed, so it's worth looking at to plan your schedules and Championship hopes. We intend to list all of the Championships in next month's issue. The first of the season is listed below.

The Avon AGM took place on January 31 at the New Fry's Somerdale Social Club. Thanks must go out to the members who attended – and those who sent apologies due to work commitments – for taking the trouble to support the work of the Committee. A full complement of Committee and officers were elected on the night, with members from the previous year being re-elected, Chairman Roger Cox, Secretary and Treasurer Ann Cox, Vice-Chairman Darren Pegler.

It was agreed that the Avon County Championships to be held in 2018 will be English Sporting, FITASC, Sportrap, DTL, Single-Barrel, All-Round and ABT. Due to the lack of support over previous years, all other disciplines have been discontinued. Please watch the website and *Pull!* for developing details.

Avon now has a viable registered shooting ground: the ever-expanding Meadowcroft Shooting Ground (BA2 9HL), which now has additional car parking so it can host high turnouts at regular shoots. It was agreed that for the third year, the ground will play host to the Avon English Sporting Championship on April 15. The Committee has also agreed to again award further trophies for the event this year. In addition to the Avon Champion's trophy, there will be trophies for the highest score in A, B and C Classes for Avon shooters. This seemed to be appreciated by shooters last year, with nearly 40 shooters competing for the trophies. It is hoped that Avon shooters will support this event and enjoy what is usually a quality set of hittable targets for all classes of shooters. Everyone will have something to play for.

Sportrap will also take place at Meadowcroft and on May 6 over the four separate, custom-built layouts that have been installed for the event.

The All-Round, DTL, Single-Barrel and ABT will be held at South Wales 2000 SG (NP12 2BG).

Among the most popular sports cartridges available from **Black Lion** are:

www.blacklioncartridges.co.uk | 07597 108188

This venue was specifically recommended at the AGM. It involves a short journey into Wales, which usually takes about 30 minutes from Bristol. We hope this will develop into a longer partnership with the ground.

The venues and dates for other County Championships are yet to be arranged. These will be published as soon as they are available. If you have any breaking news, please contact us on the email at the start for inclusion next time. Don't forget, the Avon website is hosted on the main CPSA website and is accessed via the County tab.

We've also had some great registered shoots, with up-and-coming shooters moving up the score sheet. A great example of the up-and-coming talent in Cornwall is Emily Morden-Hawke who shot her socks off and achieved a fantastic score at the High View Clay Shoot. Well done, Emily. In Trap, our very own home-grown beauty Dominic Davey shot his best ABT competition result so far. Dominic shot a magnificent 99 ex 100 at North Cornwall in February. Come on Dom!

The Safety Officer Course being run at County Ground in April has 12 fantastic budding Safety Officers in the making. Well done for signing up for the course – we can't wait to see you proudly showing off your Safety Officer badges.

The Cornwall CPSA Committee has put together a Development Sub Committee. They are working on arranging Have-a-Go shooting days around Easter for youngsters. Keep your eyes on Facebook for further details.

I touched on the fact that there are some new faces on the Cornwall CPSA Committee after the AGM in January this year. If you were wondering who is on the Committee, full details of everyone can be found on the Cornwall page on the CPSA website. If you have any questions queries or suggestions, please feel free to contact us.

Insurance

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

CPSA Awards

Each year, the CPSA hosts an awards ceremony to celebrate the many achievements in our great sport. The magnificent five-star Belfry Golf Hotel was the chosen venue for the awards. What an evening it was. Well done the CPSA and its sponsors for putting on such an event – it was like what you see at the televised film awards! The room was set out with 20+ round tables of 10, with all the guests and nominees very smartly dressed. Well done to the Belfry staff who delivered a truly silver service all evening. The fantastic four-course meal and free-flowing wine were again five-star. The stage was complete with a star-lit back drop and huge TV screens.

One of the awards presented was the Club of the Year award. More than 400 clubs were entered and scrutinized by the CPSA judges, then voted for by the CPSA membership. Fareham Clay Target Club made it into the finals against just two other clubs – the West Midland Shooting Ground and Bywell.

The club's President Brian Coupe, Vice-President Chris Bloxham, myself Chairman Andy Gordge and our wives represented the club at the ceremony. When the results came in, we found out that we came second out of more than 400 clubs – wow, big smiles all-round. I had the honour of collecting this prestigious award on behalf of all the members who have worked so hard, and also represent many who have sadly passed away over the years. Well done all the staff and members who have helped build up this great South Coast club.

2018 Hampshire Supreme Championship

Hopefully many of you will enter the 2018 Hampshire Supreme Championship and try shooting a different discipline. Roger Deacon ended up with 51 points last year and I'm sure will be set to try again this year. All the dates for the championships are on the Hampshire website, so do check them out.

Make sure you try shooting a different discipline. I have found the Trap disciplines to be good fun. Unlike Sporting, there's no queuing and waiting around – plus you don't get wet as the stands are undercover! You can have instruction and practice rounds in Trap at Fareham CTC after the main competitions, which finish around 13:30. There is always an instructor on-hand to help you and give free advice.

Are you all ready for the forthcoming County Championships? Well, I'm not! However, we are starting to have dates and venues confirmed for the championships, with both the DTL and the English Sporting County Championships having been sorted. As soon as I have any more dates for the different disciplines, I'll get these into *Pull!* magazine and on the Somerset Facebook page.

This year's Committee has implemented a new team selection procedure for both DTL and ESK. For 2018, in order to be eligible to shoot in the Inter-counties competition, you will need to shoot the County Championship and then an additional two registered competitions (which can be shot anywhere) after the championship but before August 1 2018. These three scores will be used to select the County team for the Inter-counties championships. The aim of this new selection procedure is to try and wield a stronger team for the Inter-counties championships by taking into account a shooter's performance through the year – not just at the County Championship. This will all be run through the Committee and we hope it will have little impact on the Somerset DTL and Skeet shooters. The selection procedure for the remaining disciplines will be the same as in previous years, where the top 10/12 shooters in the County Championships will be selected for the County Teams. If you have any questions on the above, let myself or one of the Committee members know.

In other news, congratulations to Abbey Ling for winning the Clay Shooter of the Year award at the CPSA Awards 2018. This was a fantastic result. Good luck to both you and Ed in the forthcoming Commonwealth Games.

As ever, I'm on the lookout for content for our section of *Pull!*. If you'd like to submit a report, please send it through to the email address above.

County Championships

We will be running 11 County Championships like we did last year. For the dates we have confirmed at the time of going to press, please see the forthcoming dates in the box to the right.

Team Events

We would like to enter teams into the Inter-counties events this year. There are no entry requirements for team membership, except that you need to be a Wiltshire shooter. We are putting team sheets at each local ground – please add your details to the sheets or contact myself or Josh Brown if you are interested.

Wiltshire Sporting Challenge

For this year's Sporting Challenge, there will be four competitions: Widdington (date TBC), Barbury (July 15), Urchfont (September 23) and Guntis (October 14, date TBC). The rules are as follows:

1. The competition is only open to Wiltshire shooters.
2. Your best two out of the four scores will count over the four competitions.
3. Prizes will be awarded for all classes (AA, A, B, C, Veteran, Lady, Junior).
4. If you are eligible to shoot as a Veteran, Lady or Junior, you must nominate at your first event whether you are entering in your category (Veterans, Ladies, Juniors) or in your class (AA, A, B, C). You cannot enter in both a category and a class.
5. Prizes will be awarded at the final event. In the event of a draw, prizes will be shared.
6. Unclassified shooters will be classified by the ground at their first shoot in the challenge.
7. You will only pay the usual fee for the registered competition; there will be no extra fee for the Sporting Challenge.

Paul Barrett

It is with great sadness that I have to report that Paul Barrett (Bas) died in February after a short illness. He was a regular at Urchfont and was the creator of the gun holders at each stand. He will be sorely missed.

It is with great sadness that we announce the cessation of the Berkshire CPSA. Please therefore note that all future enquiries should be made with CPSA Headquarters.

This will also mean that there will be no Berkshire County Championships until a new Committee has been formed. We respectfully ask that all Berkshire trophies be engraved and returned to Keith Kilvington so they can be accounted for. Keith's email is keithkilvo1@hotmail.co.uk.

AGM

The AGM took place as planned at the White Hart, Witham on February 7. More than 20 people attended, which was fewer than in recent years – perhaps because no one had any issues to raise.

Most of the meeting was conducted very quickly, leaving plenty of time for discussions on how the Committee can encourage younger shooters to take up and continue the sport. There were also lively discussions during the Any Other Business section of the meeting.

The minutes of the meeting can be found on the Essex CPSA website.

The Greater London AGM was held at the A1 Shooting Ground on February 3. Thanks to A1 for providing a nice meeting room, buffet and refreshments on what was a cold and wet day. There were 19 members in attendance, with apologies from seven other members who were unable to attend.

The AGM was opened by Chairman Steve Williams, who welcomed and thanked those in attendance. Steve thanked those who entered the Greater London County events in 2017 and the grounds that provided the facilities. He spoke of the position Greater London held on the Region Inter-counties table and of new competitor faces.

Mention was made of the new CPSA website and the Greater London information that was gratefully kept up to date by Richard Weller – who remains on the committee but stood down as Vice-Chairman. Thanks to Sandie Buckler who – apart from being one of our representatives to the South East Region Committee – organises the County badges, which will be even nicer this year. Steve also thanked Peter Carsons as Secretary for all his behind-the-scenes work, including producing the artwork for the award certificates and obtaining the special paper for their production.

Congratulations go to both Lee Wakefield, who won the 2017 Supreme Champion title, and Joanna Gates who was the first lady to win the 2017 Supreme runner-up title. Very well done. Also thanks to Johnny Johnson Regional Chairman for presenting the awards.

The Committee remains more or less as before, with the addition of Andy Devine as Vice-Chairman. The County also has a full complement of Team Managers to encourage entrants for Inter-counties events and the National Inter-counties in the autumn.

One point that arose during 'Any Other Business' was a reminder for members to mention they are a Greater London shooter when they book into shoots. This helps ensure that levies are collected.

Johnny Johnson also gave a short talk about Regional business and said we need more Inter-counties support. He also mentioned the perennial public concern over gun ownership, and added that CPSA membership was up overall.

Mention was made about County badges, which were not available at the meeting due to delays with the supplier. However, the Committee is confident that shooters will approve the new designs for 2018.

On closing the meeting, chairman Steve Williams thanked those who attended and looked forward to meeting them all at shoots throughout the coming year.

County Championships

We are currently working with Hertfordshire's grounds to select the best dates for our 2018 County competitions. We are doing our best to pick dates that do not clash with major competitions and England Selection Shoots. We hope to publicise a full list of confirmed dates in the next edition of *Pull!*

Coaching from the best

We are looking at getting one of the top coaches at a Hertfordshire Ground to give Hertfordshire CPSA shooters group lessons. We are thinking of running one- to two-hour coaching sessions in small groups of between four and six, subsidised by Hertfordshire CPSA. In order to achieve this, we need to know the level of interest. Please email David Tibbles with the subject of "Herts Coaching" to register your interest and what discipline you would like to attend.

Stories and comments

Please send in any stories or comments to the Hertfordshire Committee. Also, if you want to be considered for one of the Hertfordshire teams, please contact us.

Oxfordshire held its AGM at Sturdy's Castle on February 5. As a small County, we had a very

healthy turnout of more than 40 shooters showing their support for the region.

Martin Butler's report covered the happenings within the County over the last 12 months. At the end of the financial year, we have a healthy bank balance and it was explained that the Committee would like to spend some of the funds on updating and replacing trophies for most disciplines. The majority of attendees were in full support of this, so it will take place over the next few weeks and in time for the Presentation Evening.

As a Committee, we are pleased to welcome Tony Robbins onboard who will manage the County's Sporting team alongside Jane Robbins. Matt Hance has kindly agreed to use his expertise and experience to manage the County's FITASC team. Daryl Burton will step into John Wright's shoes and manage the County's Skeet team.

Thank you to John Wright for all his hard work and dedication looking after the Skeet team for many years. Further thanks must also go to Steve Cox who has worked tirelessly hard, looking after both the Sporting team and the FITASC team for many years. I am sure Jane, Tony and Matt will all be calling on you for your expert advice.

The lack of input from County shooters in my monthly reports was also highlighted at the meeting. I am here to include anyone's achievements, photos, moans or concerns. I know that if the column didn't appear, I would get lots of complaints – so use it!

The evening was concluded by both John Offord and Johnny Johnson, who showed their support by travelling three-and-a-half hours to attend. As always, it's very much appreciated to see them and to have their support.

One of the last thanks of the evening went to Steve Lovatt for building a very successful shoot within Oxfordshire. I am sure many of you will agree the challenging monthly shoots will be sorely missed. We wish you well and good luck with your new ventures.

CPSA Annual Awards Dinner

I and a number of my fellow Committee Members attended the annual CPSA Awards dinner held at the Belfry Hotel, Birmingham on February 3. The evening was a great success and many deserving shooters were acknowledged for their contribution to their beloved sport.

As many of you were aware, for a second year running the Oxfordshire Committee was nominated for Committee of the Year. Three Counties had been nominated – Cheshire, Shropshire and Oxfordshire. Sadly, we didn't win but we did come second and were awarded a lovely keepsake trophy for all our efforts and hard work. Congratulations to a much larger County, Cheshire, which won for a second time. Well done to Shropshire too for being nominated.

Happy shooting and don't forget to let me know about your achievements!

Our AGM in February went smoothly, and we have had a few changes of personnel. Firstly, our Treasurer Daren O'Toole stood down and we thank him for his meticulous presentation of the Accounts this year. We have been unable to find a replacement thus far so, given the excellent state of the accounts, the committee will cover this role between them. However, we would be very pleased if someone with accounts experience could volunteer to help us!

Douglas Millard was re-elected as Chairman, and we have had a change of Secretary from me to Jo Watson-Hopkinson. Jo has done an excellent job of recording and presenting the minutes all year, so it seemed right for her to take over the role officially.

We were also lucky enough to gain two new committee members: Phil Chambers and Gary Boyd. Congratulations Jo and welcome to Phil and Gary.

Our first shooting congratulations of the season go to Madeleine Boyd, Gary's daughter, who has just returned from her first Olympic Skeet Grand Prix in Doha. Maddy finished strongly with a 24

The Sussex AGM marks the start of another season's shooting. Held at Southdown Gun Club on February 8, it was well attended by the shooters of Sussex and a big thank you goes to everyone who attended.

The Committee was elected to remain in office for another year, with the exception of Cliff Goodwin and Jon Offord. After 12 years as County Secretary, Cliff has resigned his position although he has agreed to continue to manage the Supreme Championship – an event that has proven to be very popular with Sussex shooters. John Offord has also resigned. He was elected to the Committee in 2006 and has also resigned his Directorship on the Board of the CPSA. He will continue as GB Pathway coach and British Shooting's Head Talent Scout, so watch out for him on the circuit. I would like to thank Cliff and John for all of the time and effort they have put in on the Committee over the years – thanks, guys.

Left: Tim Woodhams and Guy Franklin
Below: Tim Woodhams and John Offord

There wasn't anyone prepared to fill the County Secretary position at the AGM, so I have agreed to take on the responsibility in the short term. So, if there is anyone out there who feels that they could donate some time, the position of County Secretary is still open.

There is a full listing of the 2017 Sussex Champions on the website and Facebook, but some of our most notable shooters last year were...

Guy Franklin continues to go from strength to strength. On a national level, Guy had quite a year representing Sussex in the Champion of Champions, which he won. The winning didn't stop there – he also won the Benelli SP Auto Sporttrap, the English Open Compak, silver in the British GP FITASC and bronze in the Clay Shooting Classic. On a County level, Guy is the Sussex Skeet and Compak Champion, proving that he can win over a multitude of disciplines.

Hannah Gibson had a great 2017 too, qualifying for the England Sporting team, winning the Ladies team and the individual Sporttrap Championship at the Kelmarsh World Sporting. She also won the Krieghoff Masters and is the Sussex Ladies Sporting Champion.

Peter Goldsmith is one to watch and he made the transition into Seniors seamlessly. He is the Double Rise Champion and was second in the Sussex Compak.

Will Fenner made the jump to Juniors and, in his first year, won the Sussex Sporting with an amazing 96 ex 100. He also came a close second at the national level in the English Open, the Kreighoff Masters and the National Inter-counties.

Liz Salmon continues to rack up wins and was really active at the County Championships, winning the Ladies class in Compak, Skeet Doubles, FITASC, Double Rise and All-Round. That makes her the Ladies Supreme Champion.

Tom O'Brien made quite an impact and won the Sussex Sporttrap, Olympic Trap, ABT, Skeet and Double Rise Championships, which also made him the Colt Supreme Champion. Charlie Mitchell also put in a good effort and won the Sussex Sporting Colts.

We have managed to get some dates together for the upcoming 2018 Sussex Championships but we are still organising dates for some of the events, so please keep an eye on the website for the full listings which we hope to have published in the next few weeks.

Sam Nunn

Firstly, a big congratulations to DSG stalwart Alec Sperling for his recent CPSA Awards win. Alec was up against fierce but friendly competition in Adrian Last and Paul Bailey, and his work both on and off the shooting ground with the group has not gone unrecognised.

There are no DSG shoots to report this month, so it's more dates for your diary and other information. The 2018 GB Paratrapping selection criteria is now in place for France (September) and Italy (October), and can be issued to you upon request to Julie Sperling or Sam Nunn.

We will have our first shoot at Eriswell Lodge, Lakenheath on March 31. The dates of our next few shoots are as follows:

- Apr 7 at Kibworth Shooting Ground: Have-a-Go, All-Round and 25-bird Open Sporttrap competition. £10 entry and there is a guaranteed prize of £50 cash for both able-bodied winner and disabled winner (handicap system to be put in place). This has been kindly sponsored by Easy Hit.
- Jun 10 at Byhurst Farm, Surrey (just off M25 J9): Have-a-Go, 50-bird Sporting and 50-bird two-man flurry, including prize. The final format will be confirmed in due course.
- Jul 14 at Beverley CTS: 75-bird Sporttrap and 75-bird Olympic Trap competitions running simultaneously (both can be shot in one day).

Prizes and sponsors are being finalised for both. Members, please do your best in arranging some informal Regional shoots in between the above shoots. For those not doing the Majors, if you wish to arrange a fixture I can share the information with the Group via email and social media. Those doing CPSA Majors this year, please book your place and don't forget that there are medals in both Sitting and Standing to shoot for.

AG Adjustable Gun Stocks

If your scores are inconsistent it may be because your gun fit is incorrect, most factory stocks are made to standard measurements, you may not be 'standard'. A fully adjustable comb which allows you to have consistent mounts may be what you need.

I also fit recoil reducers and adjustable butt plates.
Prices start from £180. Cheaper than changing your gun.
Fast turn around usually 4 to 5 days.

IN ANY EVENT

ATKIN GRANT & LANG DIRECTOR **CHARLIE STEWART-WOOD**
REVEALS THE CHALLENGES OF HOSTING A MAJOR
CPSA COMPETITION FOR THE FIRST TIME

HOW DO YOU PLAN FOR SUCH A BIG COMPETITION AS THE ENGLISH OPEN IN MAY?

We've spent the last six months establishing what competitive shooters look for in a competition and visiting other shoots and championships to get feedback. We want to raise the bar and are planning every detail in the hope of achieving a successful shoot that everyone enjoys.

HOW METICULOUS DO YOU HAVE TO BE?

Everyone has a different idea of what makes a good shoot. The devil is in the detail and we hope this approach will ensure a successful event. We hope to put on an event where everyone enjoys the experience: competitors, the CPSA, spectators and staff. Smiling faces from all will be our reward.

WHAT CAN COMPETITORS EXPECT - ANY SURPRISES?

A true English Sporting. Our ground is one of the most natural in the county with mature woodland, open ground, woodland fringe, high hedges, woodland rides and small valleys. We will utilise all these aspects to show true Sporting targets. As for surprises.... our Chilton Grouse never fail!

WHO IS SETTING THE COURSE?

The course designer is Marc Bonner. Marc has been with us since we opened the ground and knows every square inch of the site. He has been instrumental in the ground's development and design over the past four years and has a natural ability in setting interesting and challenging targets that give confidence to the shooter. A favourite saying is: "Targets to beat the shooter not the gun!" Personally, I'm a great believer that the best shot on the day

“

**THE TARGETS
NEED TO BE
SET FOR ALL
COMPETITORS,
NOT JUST
THE ELITE**

will win the shoot! This might be stating the obvious but reinforces the point that the targets need to be set for all competitors, not just the elite.

WHAT ABOUT SPECTATORS - HOW WILL YOU CATER FOR THEM?

We want to encourage as many people to watch the competition as possible. We have ensured all targets and competitors can be seen clearly from a spectator's point. This will allow people to fully engage with the shoot without putting additional pressure on the shooter. Visitors will also benefit from the Shoot Village which will give everyone the chance to relax, look at trade stands, enjoy refreshments from a number of outlets and bars and keep fully up to date with results. Our gunmakers will also be on hand to fix any gun issues or just discuss the making of traditional English guns.

WHAT'S YOUR CREATIVE VISION FOR THE GROUND?

Our ideal vision would be for our ground development to continue as it has already, to be able to cater for any shooter and challenge those as necessary. We already have an outstanding training facility, as encouraging newcomers to the sport is a key focus for us. However, at the same time we aim to continue to engage with regular shooters who are looking for constant variety, as well as testing the most experienced people through added extras similar to our high towers and grouse butt. It's evident to us that the overall knowledge of gunmanship is important to shooters so the fact that we have renowned gunmakers on site and expert advisers in our shop is an area that we hope to grow, ensuring that AGL offers a well-rounded experience for everyone. ●
