WELCOME

JUNE
2018

Welcome to the June edition of *Pull!* magazine. It has been a particularly busy month at CPSA HQ. At the time of writing we have just undertaken the second round of interviews for the vacant Chief Executive position and we hope we will be able to announce the successful candidate in the coming weeks.

The English Open English Sporting at Atkin Grant & Lang was a fantastic opener to our competition season and I would like to congratulate **Richard Bunning** (inset left) on taking the High Gun honours. Read full report on pages 11-16.

We also attended the Northern Shooting Show in May and it was amazing to see so many visitors coming to the CPSA Have a Go stands to get their first taster of clay shooting – these events play a vital role in helping us to continue to grow our sport.

There is no slowing down in June. The DTL Weekend takes place at Bywell in the middle of the month, before attention turns to the CPSA World English Sporting at E.J. Churchill starting on the 25 June.

If you think you'd like to book onto any of the aforementioned competitions, you still can via **championships.cpsa.co.uk**

All that leaves me to say is long may the glorious weather continue and enjoy your shooting.

PREMIER LEAGUE AT HONESBERIE SHOOTING SCHOOL

The fourth leg of the Premier League series took place at Honesberie Shooting School on Sunday 22 April with some superb shooting from the 201 entrants. There were plenty of scores in the 90's

but Richard Faulds MBE and Julian Morris shared the High Gun honours with 98ex100 each so many congratulations to them.

However, Owls Lodge shooter Mark

Fursman and Honesberies Chris Davis scored 96 & 90 respectively to achieve the maximum of 100 with their A & B Class handicaps applied so again well done to both.

From a team perspective, the Owls Lodge team took home the top ten team honours with a total of 943ex1000 with Cambridge & Southdown close behind on 919 and 905.

After four shoots Team Southdown are in the top spot on

3527ex4000 with three of their shooters Thomas Baker, Neil Gaff and Kevin Howland holding the top three individual scores but there's a long way to go and it's the top six scores which will ultimately count for the Title.

The next leg is at Sporting

Targets, please check the CPSA website for results.

ESSEX GUN MASTERS 2018

The Essex Gun Masters ran from 9-15 April. The first morning's proceedings included the 100 straight that went up against the name of Ben Husthwaite. He finished his second round with 94 to head the leaderboard with 194. Sam Green came in quietly with 97/97 for the second 194 of the day. Special note should be made of James Attwood who shot brilliantly for 193.

As the week progressed, many tried to change the order at the top of the leaderboard, to no avail, but some came close. Holland's Frank Hasekamp posted 189 to lead the Overseas class, a score beaten later in the week by

Frenchman Jean Paul Mordefroid on 190. For Ladies, Cheryl Hall posted 182 but was pushed all the way by Emma Stacey on 181. Eoin Fingan led Juniors for most of the week on 182 until the arrival of Josh Bridges on 192. A 181 put Henry Bevan on top of Colts, while 14-year-old Tom Baker headed C class with 173.

On Sunday, Paul Lovick got a first round 99, but eventually settled for 192. After that most observers believed that we were looking at a two way shoot off, only to be confounded by the arrival of Martin Elworthy, who shot 194. A three way shoot off followed, where Sam Green performed brilliantly gaining the title of Essex Gun Master 2018.

2018 DTL TEAM ANNOUNCED

Congratulations to the DTL shooters who have achieved their place on the 2018 Home International and the European Team, that will compete at Mid Wales Shooting Centre in July. We wish you every success for both events. For details on who is on the team see www.cpsa.co.uk/news/england

NEW PRODUCT! JAMES KEYSER CYCLOPS

'Cyclops' is a new magnetic master eye dominance aid for shotguns. There are two versions, 'Side by Side' and 'Over & Under'. Attached to the barrel by a strong magnet, they are easy to attach and remove so are ideal for shooting grounds/schools as well as game shooting. An elastic band is supplied for extra security when walking through woodlands or undergrowth.

If you have issues with closing an eye or eye dominance this may well help. The product is invented by and available from, JamesKeyserProducts.co.uk at £29.99.

90
YEARS OF
THE CPSA

The 1970s was another decade of massive change in Britain, remembered today for innovations such as the Chopper bicycle, platform shoes, flares and colour TV as well as glam rock, punk, decimal currency, the three-day week and miners' strikes.

As the CPSA rapidly approached its 50th anniversary, English Sporting was at last showing signs of taking off as a sport in its own right, not just something that game shooters would do to keep their eye in during the close season.

Mike Barnes, the former editor of Sporting Gun magazine, writes in Mike Yardley's *Clay Pigeon Shooting: A History* that in 1970 there were 110 entries at the English Open Sporting Championship. "Within three years its entry had shot up to 212, then 363 in 1977 (won by Paddy Howe) and 418 in 1978 (won by Wally Sykes) and 529 in 1979 (won by Brian Wells)." He concludes, "Sporting had arrived,"

going on to say: "That same year [1979] the British Open attracted a record 810 participants, and a winning score of 92 from Brian Hebditch." Barnes points out that Howe, Sykes, Wells and Hebditch were the Faulds, Digweed and Huthwaite of their day. It is interesting

With growing entries, the major events were beginning to catch the eye of sponsors beyond the gun trade

to think that at this time, a young George Digweed was taking his first steps with a gun - born in 1964 he started shooting in the mid-70s with a .410, mentored by his grandfather.

Meanwhile, Trap and Skeet were already well established on the international scene, featuring in the Olympics in 1972 in Munich, and 1976 in Montreal. Around the world, international competitions held under ISSF rules attracted a large entry, and would eventually give rise to the ISSF World Cup events and provide the official qualification system for the Olympic Games. With growing entries, the major events were beginning to catch the eye of sponsors beyond the gun trade - a trend that would bear fruit in the following decade.

The Association itself was going through some big changes in the 1970s. In 1973 it broke away from cartridge manufacturer Eley to stand on its own two feet. By now the CPSA's director Peter Page had been joined by Michael Alldis and secretary Betty Elms. The headquarters moved from an office at Eley's Edmonton shot tower to newly acquired premises at Buckhurst Hill in Essex, where it would remain for the next 20 years.

NEW PRODUCT! ELEY HAWK'S TITANIUM & TITANIUM STRIKE

Titanium and Titanium Strike cartridges have been developed by Eley Hawk for the demanding shooter. Titanium is an ultra-hard shot that delivers dense

patterns at all ranges. Suitable for all disciplines, it's effective at any range due to the five percent antimony magnum lead shot that dusts the clays at the highest competitive standard.

Titanium Strike is the only British nickel load, and offers, they say, devastating clay breaking performance, delivering dense patterns at all ranges. For more details see www.eleyhawkltd.com

THE IAN COLEY COLUMN

GETTING THE WINNING EDGE

To be a Champion you need not only the desire to win, but also a steely selfishness about you.

Train as if you were competing. Have clear objectives and establish your own rhythm and routine which helps your mind focus. Everyone is different, and the key is to find a routine that works for you. I would say ease off training a week before a competition, to ensure that you are fresh, and that your shooting peaks at the right time.

Visualise the ground you are competing at and visualise yourself winning there. If you haven't shot at the ground before, try and visit - and if this isn't possible, use the internet to familiarise yourself with the layout. Trying to navigate an unfamiliar ground is a distraction on competition day.

Prepare. Make sure you have all your kit organised. It is only too easy to become careless and forget something when you are competing regularly. What might seem like a small thing may have a negative affect on your mental state, and a positive mental attitude is critical to success. Shooting is a sport like any other, so make sure you eat properly and are hydrated.

Get over the fear of missing! If you miss, concentrate on hitting the next clay in the centre of the pattern. To paraphrase the legendary Bob Braithwaite - Trap Gold Medallist at the Olympics in 1968 and one of the reasons I got into Olympic shooting - you are only competing against the next target. It is very easy to allow yourself to be distracted by other competitors scores, and even your own.

At the end of the day - remember why you took up shooting in the first place and enjoy yourself!

COMMONWEALTH GAMES ROUND-UP

GAINING CONFIDENCE

I would like to tell you that the Shotgun Skills Course conducted by Richard Weller yesterday was very enjoyable and was exactly what I required to go forward with some confidence with my shooting.

Cyril

LETTER OF THE MONTH

As I look at the location of Referees' courses for the various shooting categories, I must question why I myself would need to travel over 100 miles to attend. Using modern technology I studied for my degree with the Open University and much of the course could be completed online.

Is shooting so difficult that the rules have to be explained face to face, if so there is something wrong with the rules. Of course online does not give you the interaction, but that does not mean it is not a valid means of learning, indeed it means that you can learn at your own pace. Videos could easily be incorporated into the course.

I wonder if it is a case of jobs for the boys, you have to be a special person to run a course. Well it is time we moved forward, encouraging more to qualify by offering other ways to obtain the necessary skills and qualifications. I appreciate there is a considerable cost in setting up the necessary online tutorials but that is the price of making courses more accessible to more people.

I am confident more people would become qualified, which would improve the standard and uniformity of refereeing but also help and ensure

all registered shoots had qualified referees.

I await with bated breath to see the first online course for referees for the CPSA.

Stephen Cross

Richard Worthington, National Development Manager CPSA responds:

While I agree that many courses can now be successfully completed online, there is a practical element to the CPSA Referee's course which requires the candidates to be on a shooting range during the day.

The Referee Course is discipline specific and therefore must be held at grounds with the appropriate facilities. The candidates take turns to 'fault' shoot while others referee, under supervision of the Tutor, and must be able to observe and determine what the shooter is doing.

The Referee has to be able to make a decision very quickly under competition conditions and doesn't have the benefit of being able to rewind the video! This comes with experience but is an integral part of our training hence the practical face-to-face element of the course.

THE LETTER OF THE MONTH WINNER

Will receive a choice of 250 Eley Superb cartridges either fibre or plastic.

Reflections On The Commonwealth Games

Silver medal winners **Aaron Heading** and **Amber Hill**, along with CPSA Northamptonshire Chairman and Commonwealth Games official **Bob Meadows** take time out to speak to **Jasper Fellows** about their time in Australia.

It's already been nearly two months since the end of another spectacular Commonwealth Games during which the shotgun medals were coming in thick and fast for the home nations. Team England ended well with Aaron Heading and Amber Hill both taking home a silver medal, whilst Ed and Abbey Ling and Freddie Killander all finished fourth to narrowly miss out on a bronze. It sure made for exciting viewing.

BATTLING THE HEAT

This sort of action is par for the course these days for Aaron Heading, who took home a silver from Glasgow in 2014 and a gold and a bronze home from Delhi in 2010. However he explains that each event is different. "Each games comes with its own challenges, this time round it was the heat,

having seen Scottish runner Callum Hawkins collapse during the marathon, I knew it would be hard to keep on top of my hydration."

With temperatures at the games regularly pushing into the low 30's a three-week trip out to The Gold Coast should have been a welcome break from the rainy April offices of Pull! HQ. However, it was far from a holiday for the officials as Bob Meadows explains, "When we officiate at these events, it is very rare to get downtime. We travel to an event, create an environment/run the event and then travel out again." Having been officiating at the Junior World Cup in Sydney towards the end of March Bob did have a few days to fill before the start of the games on The Gold Coast. "I did manage six nights in

an airport hotel between the Sydney JWC and GC2018. One of the Appeal Judges rented a car and we got to travel around a bit and were able to see the Brisbane area, parks, sights and tourist routes, I would like to thank Shooting Australia for my six nights in a 'holding' hotel!"

Aaron started off concerned that the team was heading out to Australia too early, three weeks can be a long time waiting for your few days on the stand. "Three weeks seems far too long, but the idea was to help us with the eventuality of being sick or suffering with jet leg. In fact I fell ill with a flu virus at the start of the trip and I was in bed for a week on antibiotics. So, in the end, arriving three weeks before the games worked in my favour as I still had time to train and prepare."

Missing a week of training just before a major event is a real worry for any athlete but Aaron managed to turn it into a positive. "I was surprised Ed (Ling) wasn't in the medals after seeing him train every day since we arrived. Of course, I had little chance to practise as I had been unwell. In

practise Ed was confident but when the day came, I felt I had the edge, and more to give as I had stored my energy up for the final." Ed Ling just missed out on a bronze medal at this year's event, coming in 4th with a 28ex35 in the final.

Amber Hill headed out to Australia later. "I was super busy in the run-up to the games," she remarked, "so I only arrived a week before the event. I'm so used to travelling now and shooting in the heat. I'm also fortunate that I do not suffer from jet-lag, so I knew that I wouldn't need much time to acclimatise."

Despite the rivalries that will always come with high end sporting events there is also time for camaraderie and good old fashioned team spirit, especially when

When we officiate, it is very rare to get downtime. We travel to an event, create an environment/run the event and then travel out again...

you are competing for your country.

"I made it a priority to watch all the other shooting events – shotgun, rifle and pistol," says Aaron. He also tried to make time for those who were a bit newer to events like these, "I made sure I was there to support and offer advice where I could to the newbies that hadn't competed at a games before. The atmosphere was solid and we had fun."

Amber too enjoyed the camaraderie. "There was a great atmosphere among the shooters, and the team gelled together really well. I especially loved watching Aaron win his silver medal – it was really well deserved."

"Australia is one of my favourite countries, so I really enjoyed shooting there. I was a little disappointed that we were staying in a hotel in Brisbane, rather than in the village itself. But it was such a wonderful place to be and the grounds were great. I was thrilled to win the silver medal, especially as the competition was so good – really up there with the other International competitions."

IMPARTIAL

It's a bit tougher on Bob's side of the table. As a consummate professional and highly regarded Judge Bob has to treat all athletes in a fair and impartial manner. "I know Scotland's Linda Pearson (bronze medal winner in Women's Double Trap) personally from Police Sport UK, but at the games I think we spoke only once to say 'good morning'. I saw her recently at the Police Sport UK shoot and she was so appreciative of our efforts – a huge hug made up for a thousand words!"

Unfortunately shooting has been removed from the roster at the next Commonwealth Games – Birmingham 2022. Amber is bitterly disappointed that she won't be able to compete again in the next games, especially with it being on home soil.

Aaron is frustrated with the decision too. "I'm going to make it a priority to campaign for shooting to be an event in Birmingham. I think it's a travesty it is not an event after the amount of medals won by Team England over the past games. We have a lot of influential people within the sport and I think it's time we do our best to push for it to be included."

Left: Far left, Bob Meadows with other games officials. **Top:** Amber enjoys some time out after the event, inset at the beach and top at the zoo with her family. **Middle:** Amber wins silver. **Right:** Aaron Heading sporting the England flag after his win.

ENGLISH OPEN ENGLISH SPORTING CHAMPIONSHIP 2018

The CPSA's first Major Championship of 2018, which ran over five days, is one that will be talked about for some time to come. **James Marchington** was there to follow the action.

Richard Bunning emerged victorious at the English Open English Sporting Championship at Atkin Grant & Lang on Saturday 12 May. It was the culmination of a tough battle that saw him shoot a phenomenal 110ex120 on the challenging course on the Thursday, then pound the brutal Super Final targets in pouring rain to close a four target gap

and overtake his rival James Attwood by one target to take the title outright.

Richard was delighted. "It's fantastic," he said. "I was in the final two years ago and had an absolute disaster, so that's always in the back of your mind. Going into that final, knowing I had to pick up four clays on James, I thought it was too much, but I held it together. They were difficult targets in the final and

everyone was missing a few, but I just managed to miss less and finish it off. A good day's work. It's a relief more than anything, but I've done it now. My name's on the trophy and they can't take it off!"

1,200 SHOOTERS

Close to 1,200 shooters travelled from far and wide to compete

in the CPSA's first Major Championship of 2018, which ran over five days, from Tuesday to Saturday. Charlie Stewart-Wood and his team at Atkin Grant & Lang had done a fantastic job of preparing the ground, which looked immaculate and had all the facilities the shooters could wish for.

Credit must also go to sponsors Eley Hawk and Perazzi for their valuable contribution to the success and atmosphere of the event and

to Laporte CPC for their trap support on site throughout the week.

Starkey Headsets also kindly donated a Pilla lens as a competition prize which Lee Thornett received on the Friday morning before shooting.

A BEAUTIFUL COURSE

The course made full use of the 55-acre site, encompassing bluebell woods as well as open grass fields and hedgerows. New CPSA boards and flags around

... the course was variously described as 'challenging,' 'testing' and even 'brutal'...

with the day's top score of 107ex120. He commented, "I thought the targets were difficult in places, but fair," adding "It's a fantastic ground." Nick didn't expect his 107 to stand, but it held on the second day when last year's Champion, Paul Simpson, could only equal that score.

CHALLENGING CONDITIONS

By Thursday the weather was beginning to deteriorate, with cloud building and the wind picking up, making the already challenging course harder still. It began to look as though 107 might

hold the lead as John Lee joined Paul

Simpson and Nick Hendrick on the top spot – but then later in the day Richard Bunning arrived and surged to the top of the leaderboard with a three-target lead.

One shooter even pulled out a rangefinder in an attempt to settle the debate...

the course, as well as steel animal sculptures, added to the visual impact of the lovely surroundings and gave an extra sense of occasion.

BRUTAL TARGETS?

The targets themselves were on another level to the run-of-the-mill English Sporting course, too. One expects a Championship to be a step up in difficulty, but the Atkin Grant & Lang team had bucked the recent trend of 'card fillers' and set a course that was variously described as 'challenging,' 'testing' and even 'brutal'. Shaun Stacey, who with his daughter Emma won the Parent and Child category, explained, "There was a lot of long targets, and the stuff that was close was made hard by the speed and angle, and the small windows you had to shoot some of it in."

Stand 11 soon achieved notoriety, as two days went by with no-one managing to straight the four pairs of long crossers – a left-to-right angled away, followed by a right-to-left battue on report. The stand became a talking point with varying estimates made of the range involved. One shooter even pulled out a rangefinder in an attempt to settle the debate. Both targets were hittable, however, and it was only a matter of time before Josh Bridges, shooting

on Thursday, straightened the stand. Phil Unwin, Sales Director at Ruag Ammotec / Perazzi reflected that shooters should expect to be tested at Major Championships, "The response that I've had from shooters has been really positive. It's without doubt a challenging and testing course, I've even heard the expression brutal, but having

said that it is a Championship course and a selection shoot as well. I was very impressed when I walked the course and I think the team here have done a brilliant job."

The shoot started in glorious sunshine on the Tuesday, and Nick Hendrick set the pace

That lead was in danger on Friday with many of the top shots booked in, including Richard Faulds and Chris Childerhouse, but one by one they didn't make the grade. By close of play the day's highest score was Carl Bloxham's 106, putting him in fifth place. Meanwhile, on the infamous Stand 11, James Bradley-Day earned himself a bag of sweets that had been put up as a novelty prize for straightening the stand. James had also shot an impressive seven on the tricky Stand 8, but early errors left him out of contention with a total of 89.

SUPER FINAL

So Richard still led the field as Saturday dawned, but it was not to last. James Attwood

shot a magnificent 114 to take a four-target lead over Richard heading into the afternoon's Super Final. Meanwhile David Gooding and Martin Myers joined the cluster of shooters on 107, forcing a five-way shoot-off for the four available Super Final places.

Shooters had been watching the weather closely all morning, as an ominous band of rain crossed the Channel and headed up towards the ground. True to form, it arrived at lunchtime and grew heavier as the Super Final

approached, leaving the top shots to battle it out in wet, chilly conditions in front of the stalwart crowd – and what a battle it was!

The shoot-off between the five shooters on 107 saw Nick Hendrick knocked out, leaving James Attwood, Richard Bunning, Martin Myers, Paul Simpson, John Lee and David Gooding to carry their scores forward into the fight for the title.

Richard halved James's lead to two points at the first stand, then overtook him on stand two, shooting a six to James's three. Both

shot nine on the third and final stand, and Richard had the Championship in the bag.

Martin Myers meanwhile shot a creditable 20 in the final, but it wasn't enough to close the gap and he had to be satisfied with third place. Paul Simpson won AAA ahead of John Lee, while David Gooding walked away with the AA title. Jason Taylor won A outright with a 102 to take the honours by one point ahead of Paul Dobson and Dave Rollason finished a further point behind in third.

ENTERTAINING SHOOT-OFF

There were three shooters tied on 95 at the top of B class, which led to an entertaining shoot-off where Stephen Harrup emerged victorious scoring nine

Below: James Attwood shooting in the Super Final. SIMON FINLAY

out of ten, ahead of Ricky McArthur with eight and Glen Goldthorpe took third place after scoring five.

It wasn't so close in C class where a strong performance from Matthew Newman shooting a 93 saw him comfortably claim victory. Other notable performances included Cheryl Hall who won Ladies with 97, one ahead of Emma Stacey who was nevertheless delighted to win both Lady Junior high gun and the Parent & Child with her father Shaun. Jamie Gutteridge, only the third shooter to straight Stand 11, missed out on the Super Final by just one target, but picked up second in AA as well as Disabled Standing high gun.

Henry Collins claimed the Junior title, having tied with Josh Bridges on 102, Henry took the honours by default, with Tom McGregor in third. Annalise Evans won the Lady Colt High Gun on 86, which was also enough to see her take third in the Colt category behind Craig Hollick and Tristan Hockey who shot a 90 to earn victory in the category.

All in all it was a splendid Championship that will be remembered for all the right reasons – really testing targets, on a lovely course, around a smart and well-run ground with a happy, friendly atmosphere.

It bodes well for the Major Championships to come over the next few months. 🍌

INTERNATIONAL

EVENTS ROUND-UP

Sarah Daly reports on shooting events around the world.

Changwon World Cup

Aaron Heading looked to be in a good position at the Changwon World Cup in May, making the Trap Men finals in sixth place. In cold, windy conditions, Aaron was in the lead at the 15 target mark, with only one target away, but dropping four more targets in the last ten put him level with the higher ranked Turkish athletes Yavuz Ilnam and Oguzhan Tuzun, pushing him into sixth place.

However, Amber Hill won silver in the Skeet Women. Going into the second day, Natalia Szamrej (POL) led the field on 74ex75, Amber shared the second highest score of 72 with Minji Kim (KOR) and Vanessa Hauff (GER), finishing the qualification rounds on 119ex125.

In almost perfect weather conditions, Amber went into the finals ranked third with the 'on form' world record holder, Kimberly Rhode (USA) in fourth. The finals saw the two top ranked athletes, Natalia and Vanessa, ruled out at fifth and sixth respectively. The last 16 targets would determine

gold and silver, Kimberley shot them straight to set a new World Record of 58ex60, Amber dropped one more target to claim silver on 55.

Amber commented on Kimberly, "Her success is driving me forward and I was one step closer this time after my bronze in Guadalajara, so hopefully next time I'll have her!"

FITASC Compak European Championships

This year sees the introduction of a new category format for the FITASC disciplines (see the Category Age Limit on the FITASC website).

The Compak Europeans were held in Larnaka, Cyprus, in early May in variable weather conditions, from hot to very hot with still to windy conditions and changing light, making some of the targets a bit of a challenge to see.

James Bradley-Day won the only individual GBR gold medal with a cracking performance in the Juniors, shooting 193ex200. He had

strong competition with equal scores from Matthieu Zeude (FRA) and John-Ole Nordskog (NOR), but, after quite a battle, James won the shoot-off after going to sudden death. A great finish to a very well deserved gold.

Glenn Hunt and Tony Dean both shot 190 to take silver and bronze respectively in the Seniors and John Bidwell had to shoot-off to win bronze in the Veterans.

GBR Team manager Mark Kettel reported, "The teams adapted themselves very well to the conditions against stiff competition. The new caps: Stephanie Meachen

(Ladies), Ronnie Green (Junior), Tony Dean (Senior) and Jeff Dix (Veteran) all acquitted themselves well into the team environment. This all bodes well for the future for Compak in the UK."

GEAR GUIDE

GUNS

Semi-automatics: over £750 RRP

This month we look at the mid-to-top-end of the market, to find out what you get for your money when you spend a little more.

Marocchi is an Italian manufacturer founded in 1922 that makes a range of quality semi-auto and over and under shotguns. We tested its sleek XTR model that features an interesting synthetic stock.

The Raffaello Supersport is the flagship gun in the **Benelli** range and demonstrates a perfect synergy of design and technical advancements.

Beretta needs no introduction – the A400 Xcel MultiTarget is an amazing feat of both design and engineering.

Breda is another Italian manufacturer, with a heritage of making guns that dates back to the 1950's. We tested its 930i model, a striking looking inertia fed semi-auto.

As with Beretta, **Browning** needs no introduction in the world of semi-autos as they patented the first version way back in 1900. The Maxus One is a perfect example of the modern semi-auto built on a product that works and is made even better with some clever design features.

Finally, **Fabarm's** L4S Sporting looks fantastic, with its Tritone wood, satin receiver and red appointments.

MAROCCHI XTR 12

RRP: £850

www.vikingshoot.com

The XTR is an inertia operated gun and one of the smoothest loading and cycling semi-auto's that I have ever fired. Loading the gun is a pleasure, there is something very solid and satisfying about the way the cartridges feed into the magazine. The gun cycled a variety of cartridges with ease, but there is something in the cycling mechanism that is almost hypnotic. It's firm and you know it is happening, but you really can't feel it at all.

The test gun was the 28in barrel variant with standard flush fitted 70mm chokes. It was certainly not the heaviest gun that we have tested, but it had

a steady swing and performed well even on the highest crosser from the high tower, which must have been 40 yards up and out. Marocchi is on trend with the sleek and ergonomic design around the trigger that most manufacturers seem to have adopted in recent years.

The material used for the synthetic stock is interesting, and not something that I have seen before on a shotgun. It is coated with a special soft touch rubber coating and is a clever design that makes the gun very different to others

on the market and very comfortable to handle. I really liked it.

Marocchi have produced a very functional and useable semi-auto, it may not have some of the cutting edge features found on other

manufacturers' products, but it shoots and feels great and is very well-priced. If I had one criticism it would be that the recoil pad did seem to snag more than others when mounting the gun.

BENELLI RAFFAELLO SUPERSPORT

RRP: £2,470

www.gmk.co.uk

Perhaps this gun's most noticeable feature is the carbon-fibre effect finish to both the stock and fore-end. It looks almost space-age but is very stylish. The sculpted fore-end is interesting and certainly takes a little bit of getting used to but it is strangely comfortable once shooting.

The inertia system is very

smooth and cycles flawlessly, again the working mechanism is strangely satisfying to feel working. Benelli have invested substantial sums in product development and this gun utilises the ComforTech system in the stock, which is a complex mix of design, materials and recoil pad with a claimed net result of 47 percent reduction in recoil peak. The Crio System used on this gun affirms Benelli as the

first firearms manufacturer to utilise industrial cryogenic treatments to small arms barrels. Affecting both

the barrel and chokes it gives better shot patterns, as it reduces deformity of shot.

As with other guns in this review, the palm swell on the stock was both welcomed and appealing – the overtly chunky chequering on the fore-end may not be to everyone's taste and

the same could be said for the bolt release button which I found very small and reasonably uncomfortable to use. But these are very minor complaints, this is a wonderful gun to shoot and a great example of design and product innovation.

BERETTA A400 XCEL MULTITARGET

RRP: £2,205

www.gmk.co.uk

There is plenty to adjust on the A400 Xcel MultiTarget, to give you the gun you desire for a variety of disciplines. Beretta claim it's the most technological competition semi-auto that they have ever made. It features a B-Fast adjustable rib, made from aluminium alloy which adjusts up and down to change the point of impact from 50/50

to 100/0, so that that one gun can be used for everything. To my eye it looked a little unwieldy, but it felt the most natural of guns to shoot.

The Monte Carlo B-Fast stock enables you to adjust the drop and cast, while the B-Link gas operated system claims to be the cleanest and fastest system ever made by Beretta offering 36 percent faster cycling speed.

B-Fast Balance allows you to increase or decrease the weight of the screw cap at the end of the fore-end to create

perfect balance. The receiver is nickel coated and provides resistance to corrosion. Lastly the test gun came with a Kick-Off recoil pad which utilises two hydraulic dampers inside, making for more comfortable and virtually recoil free shooting.

Further thought has gone into enlarging the bolt release button (for ease of use if wearing gloves) and also making the trigger and safety button larger for the same reason. In addition to all of these features the test gun

had an outstanding walnut stock with perfect figuring.

The cycling of cartridges is as smooth as a hot knife through butter, there is no recoil and it's a joy to shoot. Other simple features such as the palm swell on the stock also enhance it's comfort factor.

Beretta semi-auto's are also the easiest of guns to put together, having looked at a few over the last few weeks it really is a joy to find one so quick and easy to work with.

BREDA 930I

RRP: £1,598.50

www.vikingshoot.com

The 930i is another inertia fed semi-auto. Our test gun had 28in barrels fitted with extended chokes and a beautifully figured stock and fore-end. Like the Beretta it also has a palm swell on the stock which really does make the gun feel that bit more comfortable.

You can clearly see the Italian design flair on this gun, the receiver is a wonderfully hand polished nickel and is really well complimented by the red trigger guard, bolt release button and bolt. It's a striking looking gun.

The test gun shot very well, nice and steady – perfect for high driven birds and the long

crossers. The high density recoil pad (made by Cervellati) soaked up most of the recoil and helps deliver a really smooth cycling and efficient semi-auto.

The 930i comes with a selection of additional weights that can be mounted either inside the stock or the fore-end to allow you to increase total

weight of the gun or to adjust the balance to your own personal taste. A nice additional feature and very useable indeed.

BROWNING MAXUS ONE

RRP: £1,025

www.browning.eu

This is the entry level Browning semi-auto and like the Winchester SX4 we looked at last month it also comes with length of pull spacers, Inflex technology recoil pad and the Invector Plus chokes as standard. However, in addition to this you also get the Lightning Trigger system, Speed Load Plus, Power Drive Gas System, magazine cut off, rapid unloading and the Speed Lock Forearm. So, all

these features sound great but do they actually make for a better shooting gun? The answer is, of course yes and to be fair Browning seem more pro-active than most other manufacturers in making good technological advances in semi-autos.

The Speed Load Plus is a great feature that makes for really easy and quick loading and negates the need to navigate the bolt release button each time you load. I really liked the Speed Lock Forearm, it's an ingenious idea and makes the assembling and taking apart of the gun so quick, I can't understand why other manufacturers have

not followed suit. No more, knurled screw caps that won't come off after a busy day cycling shells.

Browning have invested heavily in the Power Drive gas system and piston. The test gun certainly cycled everything we threw at it

FORE-END

Speed Lock Forearm – Quickly and effortlessly remove the fore-end in seconds

without problem, but I'm not sure that I agree that, in conjunction with the recoil pad, it reduced recoil felt by the amounts claimed.

The Maxus One shoots and handles well and is very well-priced for a quality brand and product.

FABARM L4S SPORTING

RRP: £1,250

www.fabarm.com

It's been a long time since I last used a Fabarm and the look and feel of this gun certainly had me keen to start shooting it.

Aesthetically, the L4S Sporting is one of the best looking semi-autos that I have seen. The black satin receiver contrast and compliments the stock and fore-end which feature the very clever Triwood finish.

Triwood is not a film or cover fixed to the wood it is actually a process that deposits ink directly onto the wood to enhance the grain. It looks and feels completely natural and makes the gun look fantastic. The test gun was a 30in barrel and comes with five of the Exis HP chokes which are a 92mm choke and added

The L4S Sporting is one of the best looking semi-autos that I have seen...

STOCK

Triwood finish, enhances the grain in the walnut for a beautiful finish

about an extra inch to the overall length of the gun.

The overall feel of the L4S is sleek and refined it has a delightful trigger design that seems to fit your finger perfectly. The gun offered a smooth and steady swing on long crossing targets and the recycling was perfect every

time. Fabarm have developed a target load tuned gas system on this model and it certainly has helped to reduce any felt recoil.

This gun is a joy to look at in terms of design and finish and a pleasure to shoot. It ships with an ABS case and is priced very competitively.

GUERINI**

The rising teal target

This month CPSA Level 3 Senior Coach **Simon Arbuckle** explains how to shoot a skyrocketing 'teal' target.

This month we will take a look at the 'teal' target – named after the small duck that is known for its habit, when flushed, of taking off at a steep angle and climbing rapidly up and away from the shooter. On a Sporting layout, this target may be simulated with a trap set on the ground some distance in front of the shooting stand, often concealed behind a barricade or natural foliage – in this example it's behind the green painted pallet between the two Browning flags.

The trap is angled up and away from the shooter, so the target rapidly gains height and distance. As with any clay target, however, it's important to remember that from the moment it leaves the trap it is slowing down. If it's not shot, the clay soon loses speed, stops and falls back to the ground. This will be important when we look at the technique used to shoot it.

For the first time in this series, I'm going to describe two different ways of

“...from the moment it leaves the trap it is slowing down. If it's not shot, the clay soon loses speed, stops and falls back to the ground...”

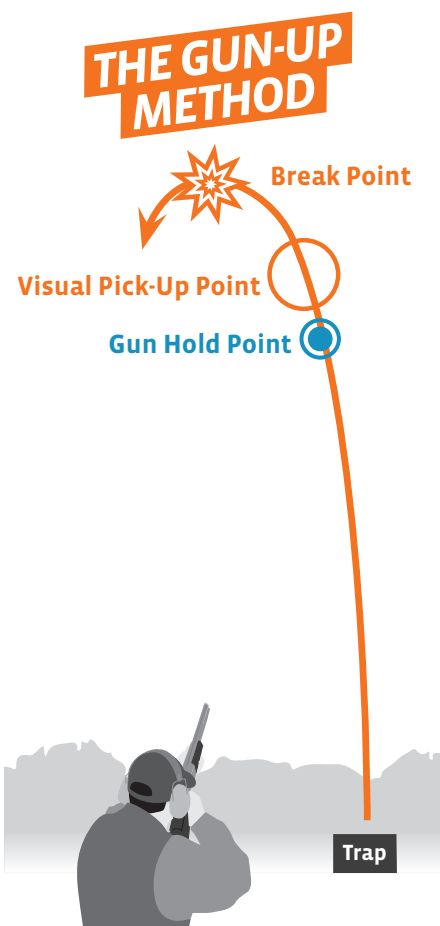

shooting this target – gun-up and gun-down. Which you choose depends partly on whether or not you prefer to mount the gun before calling for the target. Another factor, though, is you may not have sufficient time to shoot it gun-up, for example if it's one of a simultaneous pair.

1. GUN-UP

First we will look at the gun-up technique for this target. Here we are shooting the target at its peak, where it seems to hang in the air for a second before starting to fall again. This method involves very little gun movement, and relies on the fact that the target is slowing down.

I mount the gun to my Break Point – the point where I will shoot the clay. Then I wind back down the target's flightline to my Gun Hold Point, about a third of the way back towards the trap. I look over my barrels and call “Pull”. When the clay appears above the barrels I focus on it, take the gun to it, and shoot at it as it peaks.

With this method, all the work is done with the front hand lifting the gun. This needs to be a smooth, steady movement since the target is slowing. If you move too quickly it is all too easy to miss over the top.

2. GUN-DOWN

The gun-down method comes into its own if you need to take the target earlier, on its way up the flightline, perhaps because it is the first of a simultaneous pair. Here, the movement of mounting the gun will help to provide the speed you need to get onto the target and give it the necessary lead before pulling the trigger.

This technique is essentially applying the CPSA 'Method' to the rising target. I decide on a Break Point where the target is still on the way up towards its peak. My Gun Hold Point will be roughly one third of the way back towards the trap. My Visual Pick-Up Point is further back towards the trap, where I first see the target clearly. I will need to look beneath the barrels so I can see the target coming.

As always when using the CPSA 'Method' I start by arranging my feet towards the Break Point. I mount the gun to the Break Point, wind back

down the flightline to my Gun Hold Point, and drop the stock slightly from my shoulder. Keeping the gun on the Gun Hold Point, I take my eyes back to the Visual Pick-Up Point.

As we noted with the Driven target, this is fine so long as you shoot with both eyes open. If you wear a patch for eye dominance reasons, you will have to hold the barrels slightly to one side of the flightline in order to see the target coming.

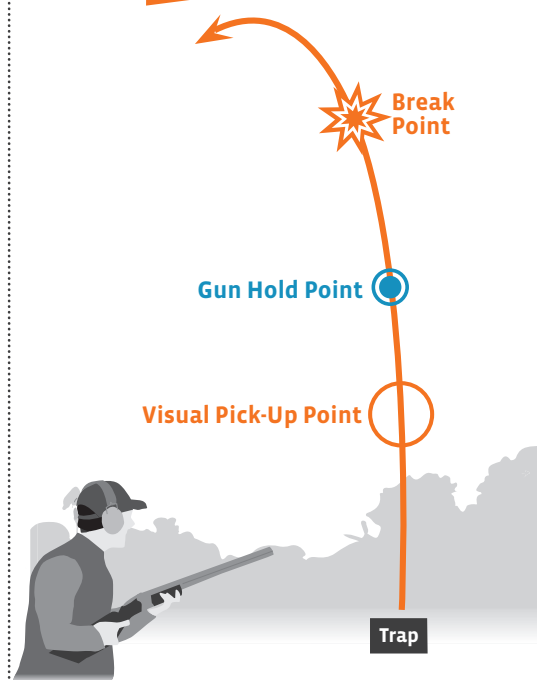

Once I am ready I call "Pull", the target rises and as it reaches the Visual Pick-Up Point my eyes focus on it. I mount the gun and lock onto the clay, move with it, push ahead and shoot in one smooth, fluid motion, remembering to keep the gun moving. 🏹

Young shot training

Having a first lesson is great to stop bad habits before they start. Early on I had a lesson with Ken Rist at my local club. He suggested that I shoot in a FITASC gun down style, which I use in most disciplines. Ken said that gun mount practice is key, and that I should practise for ten minutes a day. This really helps to get on the target's flight line quickly and easily.

I am part of the Team GB pathway for Olympic Trap. My coaches John Offord and Anita North help me hone my skills. Here concentration and having a consistent process are key. We are given mini-competitions to compete in and Anita will often play music to change the mood and sometimes even kicks cartridge bins to help improve our concentration. If it's something you'd like to try for, see the British Shooting website – at www.britishshooting.org.uk – as they have Talent Identification Days through the year.

SPONSORSHIP

Sponsorship is not an easy thing to obtain, it takes time and patience, you need to have won some competitions or at least be showing some great progress.

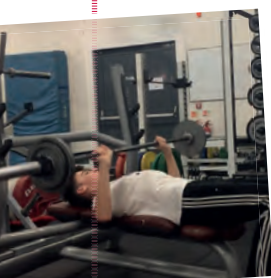

HOW I STARTED

My dad and I chose a few companies within shooting and sent a nice email asking for any support for my upcoming first shooting season. We got a lot of rejection emails, but had the fortune of having Charlie Monahan as a friend and he kindly introduced me to Duncan Wallace of Laporte/CPC. I was picked to join the Laporte/CPC team in 2017 who offer fantastic support and really help with your shooting profile. Other sponsors followed, with Andrea at Dry Fire offering their training system and Jim Stutley sponsoring a Browning 725s, which has helped me to win a lot of competitions. Some local councils offer sporting awards so seek them out and apply, there is nothing to lose.

I honestly think that it is about being a good shot but more than that, it's being a good sportsperson, respectful and the best ambassador for the brand you represent. If you like a brand stick with it, share successes on social media (WeShoot, Twitter, Facebook, Instagram) don't be a pain by chasing all the time but don't give up.

Mental and physical training

I was accepted on the Hertfordshire Talented Athlete Program (HTAP). I train with the HTAP team three times a week and attend various talks on nutrition and sports psychology, which help with my training. Since joining, my strength and stamina have really improved and I am better mentally prepared. Most counties offer something similar, if you can spare the time and can get through the interviews and selection process it is well worth it.

Try other disciplines – FITASC

I started with English Sporting, but was curious about a FITASC (Federation International de Tir aux Armes Sportives de Chasse) layout. Before booking in, I had a look on Youtube. It looked simple – gun down with the top part of the stock 25cm from the shoulder, you can't move until you see the target, you have single targets with full use of the gun, on report doubles, simultaneous pairs and following pairs, and you stand in a 1m hoop. It was great fun, a little harder than Sporting as you have to remember the rules and some targets are harder to hit. If you want to start FITASC I recommend shooting as much gun down as you can, then find a ground where they practise it and give it a go.

Booking in to competitions as a Young Shot

If you are new to competitions I would recommend the CPSA Premier League. They are great to get a feel for competitions. For the bigger competitions book early. There's a calendar where we log all the competitions that I want to attend, we pick the best day, and book as soon as we can. Know the dates to book the big competitions: midnight on 1 December and 1 February are the main ones. Most competitions now require payment at time of booking and some but not all competitions offer a Colt or Junior rate which really helps, so always ask when booking and check again at the ground. The main sites to visit for dates are CPSA, British Shooting and BICTSF. Also join the main shooting grounds info feeds and ask at your local club too. Beware that some disciplines only have a junior category and no colts, so if you are under 16 you may be shooting against shooters up to 20 years old.

CPSA COURSES 2018

Whether you are just starting out or are an experienced shooter, the CPSA has created a range of courses to offer the best training available in the sport today.

Head to
cpsa.co.uk/courses
to book a course

Instructor Development Workshop (IDW) £175

The Instructor Development Workshop is a one-day course and a prerequisite to attending the four-day Instructor Training Course. Candidates will be given an overview of the full four-day course and be assessed for their suitability to progress onto the ITC. Candidates must have attended a Safety Officer Course within the previous five years.

- 2 June South Pennine Shooting School (N)
- 6 June Doveridge Clay Sports Centre (WM)
- 15 June Northampton Shooting Ground (EM)
- 23 July Northampton Shooting Ground (EM)

Safety Officer Course

£99

The Safety Officer Course is a one-day course which provides the basis for running a safe and successful shooting ground and looks at safe gun handling, layout management, risk assessments etc. An obvious choice for ground owners and a prerequisite to Club Affiliation, it also appeals to the shooter and is the first step to higher qualifications.

- 16 June High View Clay Shoot (SW)
- 29 June Northampton Shooting Ground (EM)
- 18 July Doveridge Clay Sports Centre (WM)
- 21 July Bisley Gun Club (SE)
- 21 July South Pennine Shooting School (N)
- 8 Sep Bisley Gun Club (SE)
- 5 Oct Eriswell Lodge (EM)
- 24 Nov Bisley Gun Club (SE)

Shotgun Skills Courses (SGS)

£89

These courses are aimed at providing beginners and novices with knowledge of personal and range safety; shotgun types and use; cartridges and chokes and include a practical lesson on the CPSA Method of shooting.

SHOTGUN SKILLS COURSE 1 & 2

- 11 June West London Shooting School (SE)
- 30 June Southdown Gun Club (SE)
- 28 July Garlands Shooting Ground (WM)
- 12 Aug Nr Basingstoke (SW)

Referee Course

£75

Available in each of the four domestic disciplines of English Sporting, English Skeet, Down the Line and Automatic Ball Trap, these one-day courses will equip you with the general and discipline specific rules to enable you to referee regularly at registered competitions or national championships and, with it, the assurance that what you are calling is correct. This is also an excellent course for the competitor who doesn't necessarily want to referee, but does want to ensure that they know the rules when they compete.

- 29 Sep Down the Line: Bisley Gun Club (SE)

- 7 June English Skeet, Doveridge Clay Sports Centre (WM)
- 7 July English Sporting, South Pennine Shooting School (N)
- 27 July English Sporting, Doveridge Clay Sports Centre (WM)
- 28 Sep English Sporting, Northampton Shooting Ground (EM)

Level 1 Instructor Training Course (ITC)

£695

This course will teach you how to check eye dominance and gun fit, show you how to teach the CPSA Method and how to recognise shooting errors and correct them. The course lasts for four days and consists of classroom time, off-and on-range workshops and a final day of assessments. It covers crossing, rising and dropping targets and equips instructors with the knowledge to tackle a huge variety of targets. For the Level 1 Instructor Training Course, the criteria for qualification is that the candidate can get a novice to hit a moving target safely using the CPSA Method. Candidates must have attended an IDW within the previous two years.

- 18 June Nuthampstead Shooting Ground (SE)
- 30 July Doveridge Clay Sports Centre (WM)
- 07 Aug Park Lodge Shooting School (N)
- 03 Sep Nr Basingstoke, Hants (SW)

Level 2 Coach Training Course (CTC)

The Level 2 Training Programme consists of three courses, starting with the Common Element (£350) and then progressing onto the discipline specific Coach Development Workshop (£150 per discipline) and finally the discipline specific Coach Training Course (£550). The Level 2 Coaching qualification is designed to give you the technical knowledge and skills to improve an established shooter to a higher level and there are separate courses for Trap (ABT and DTL), English Sporting and English Skeet.

LEVEL 2 COACH DEVELOPMENT WORKSHOP DS

- 6 July Northampton Shooting Ground (ESP) (EM)
- 13 July Northampton Shooting Ground (ESK) (EM)
- 20 July Northampton Shooting Ground (Trap) (EM)

LEVEL 2 COACH TRAINING COURSE DISCIPLINE SPECIFIC

- 10 Sep Northampton Shooting Ground (ESK/TRAP) (EM)
- 17 Sep Northampton Shooting Ground (ESP) (EM)

Preparation prevents poor performance

This often-used quote perfectly sums up the need for a regular regime of cleaning and maintenance of a shotgun for both safety and function, says **Chris Batha**.

The negligence of anything mechanical in your gun will eventually lead to corrosion and the accumulation of powder residue, that when mixed with gun oil creates a sludge that can gum up the action, causing malfunctions like sticky ejectors that fail to throw the spent cartridges clear of the breech.

Light strikes on the firing pins and corrosion from lead fouling all can be the result of a lack of a regular gun cleaning regime.

However, using too much oil and grease can be as bad as using too little. A light coat of oil on the barrels and action, together with a smear of grease on the bearing surfaces of the hinge pins and action knuckles is all that is required.

Too much oil and grease will collect dirt and debris, and grease that has been allowed to dry out offers little protection to the bearing surfaces. Excessive amounts of oil need to be completely removed then replaced.

Always avoid getting gun oil on the stock and fore-end, which can damage the finish.

...over oiling or the excessive application of grease can be equally as bad as too little and both should be changed on a regular cleaning regime...

GUN OILS & SOLVENTS

Oil lubricates and protects from moisture, but it will not remove or dissolve lead and plastic fouling in the barrels.

This job requires a solvent. There are several options, but whichever you use, you need to give a solvent time to do its job. Many make the mistake of running a soaked patch down the bores, then immediately swab it out before it

has time to work to dissolve powder, and plastic

fouling. A solvent will not dissolve lead, but if you give it 30-60 minutes, not only will it dissolve plastic and powder residue, but will get between the lead and the barrel loosening it and making it easier to scrub out with a wire brush. I would

recommend using bronze brushes. You will need two for the barrel and one for the chamber which is a larger diameter than the barrel. My personal favorite is the Pro-Shot Payne Galway Shotgun Chamber Cleaning Brush.

For choke tubes and the pistons and parts of a semi-automatic, my recommendation would be to soak them in a jar of commercial carbon cleaner, which is non-hazardous and

biodegradable. For me it's the effortless way to clean carbon and plastic wad fouling.

SIMPLE & EFFICIENT GUN CLEANING

Take the gun apart and place the action and fore-end to one side. If multiple chokes are installed, remove and place in the solvent jar.

Using a rod and patch soaked in solvent, insert through the barrels several times and place them to one side to soak.

Next take the action and being sure not to get oil or solvent on the woodwork, spray or brush with solvent. The action seems a magnet for a combination of debris consisting of burnt powder and dirt, all glued in place by a smear of grease. A compressed airline is a great tool if you have access to one. Use an aerosol solvent, tools made specifically for the job, or a toothbrush and a feather to blast and sweep any residue out of the action, then dry it off and apply a light coat of oil.

Repeat with the fore-end, using the tools or a toothbrush and feather

Leftt: Hoppe's Shotgun Boresnake from Edgar Brothers allows you to clean, brush and swab in one go.

to get into the tight spaces, once again protecting with a light coat of oil.

Using the bronze brush scrub the barrels and chambers before pushing a cleaning patch on a jag, or I use rolled up balls of kitchen roll, through the barrels until they appear clean. Next clean the breech end of the barrels being sure to get all the dirt and debris out from under the ejectors. Then wipe off the

barrels and using the tools or the tooth brush and feather get all of the debris from between the ribs. Then lightly oil the inside of the bores with an oily mop.

The wood work should be wiped off with a soft cloth, the checkering cleaned with a second clean brush tool or toothbrush and a light coat of stock cream or oil polished in by the palm of the hand and buffed with a soft lint-free cloth.

The gun is now ready to be reassembled. Apply a light smear of grease on the bearing surfaces, action knuckles and fore-end iron, then place the barrels on the action and install the fore-end. All the metal work should have a very light coat of oil applied and your gun is ready to be placed in the safe.

Note: If you have shot in inclement weather, be sure to wipe the gun off before placing it in your gun slip and on arriving home clean the gun immediately. Do not leave it until the next day.

Hoppe's Deluxe Cleaning Kit from Edgar Brothers has all you need to clean your gun including a guide to gun care booklet. See www.edgarbrothers.com

...the accumulation of powder residue mixed with gun oil creates a sludge that can gum up the action, causing malfunctions...

GUN CLEANING AREA

You should create a gun cleaning area in your shed, garage or house as you will be using oils and solvents. A rubber mat is a good suggestion in case you drop a gun part. You do not want it hitting a concrete floor!

- You will need a bench with either a vice with padded jaws, or one of the plastic or wooden gun vices or rests.
- Rods, brushes, toothbrush and a feather – the tip of which you can get into small nooks and crannies.
- Rags and gun cloths
- Solvents for barrels and choke tubes
- Storage needs to be secure, and dry and of an ambient temperature. Installing a 'Golden Rod' is an excellent idea or the use of silicone gel sachets, but be sure to change them regularly.

To insure, or not to insure?

Martin Mansley on the benefits of the civil liability cover, included within your CPSA membership.

CPSA membership provides £10,000,000 Third Party Liability Insurance to its individual members should they cause injury or damage to third parties or their property. By supporting widespread insurance cover, CPSA members can be reassured that not only they will be covered in respect of negligence but everyone around them is also afforded the same cover if they are the injured party.

Shooting a shotgun in any environment by its very nature can have consequences and there is more than one victim to an accident.

In the UK our Gun Controls are exemplary. Reviewing Clay Pigeon shooting related accidents in the UK it is clear that accidental discharge is the highest culprit for fatal and non-fatal injuries. From over twisting and falling to having the cartridge bin positioned badly these accidents can and will happen.

The CPSA recommend extensive control measures to avoid the risk of accidental discharge such as gun maintenance and inspection processes but none guarantee the total avoidance of accidents.

When an accident does occur the victims are widespread, from the injured party/parties to the Club owner, the shooter and the CPSA themselves. Investigation into gun related incidents can take a long time and in the event of a fatality all parties and

witnesses can spend many anxious months reliving the accident until the Coroner concludes his/her enquires and a verdict is arrived at.

By far the most easiest way to avoid this is by strict risk management as recommended by the CPSA, but good insurance, just in case, will also bring significant peace of mind in the event of the unthinkable.

Remarkably there is no compulsory insurance requirement for shooting unlike less risky pastimes such as horse riding. But, much like many insurances of choice it is highly advisable for both protecting individuals against claims for negligence and nuisance as well as providing defence costs in the event of a potential prosecution.

CPSA shooting grounds are required to confirm that they have Public Liability (Third Party Liability) insurance covering their legal liabilities – the CPSA checks that as part of their membership.

Romero Sports and Leisure provides pro-active advice on insurance provision as well as specialised risk management support to the CPSA. Its highly qualified team is available in the event of an accident to ensure that the impact of a catastrophe is kept to the bear minimum at all times. The small dedicated team based in Manchester will guide and support all affected in a kind, empathetic and highly efficient manner at all times.

Comment from the Regulatory Defence lawyer...

Individual culpability is high profile. Compliance with general health and safety laws and industry specific guidance and best practice is vital. Where this fails, it may be deemed to amount to gross negligence and will be investigated by the police.

However, even in less serious cases, individual members may

still be exposed to formal action. For example, there are now more risk-based enforcement actions from the authorities for regulatory breaches, even when this has not led to injuries. Such actions can give rise to prosecution, fines and loss of licence.

In any event, all breaches of

health and safety, industry guidelines and best practice exposes members to a personal liability for any civil claim(s) for compensation, where the act or omission has led to an injury or loss to a 3rd party.

31 Mar & 1 April: The First England & North Region Team selection shoot

The First England & North Region Team selection shoot was held on Easter weekend Saturday 31 March and Sunday 1 April the event was set and run by TD Shooting at Tom and Sharon Baystons Park Lodge Shooting School. The weather leading up to the event had been very challenging with rain and windy conditions and the weather didn't improve greatly into the weekend itself.

The course had been designed over 13 stands to be a demanding and challenging set of targets, to push even the best. Saturday's weather was dull, wet and windy most of the day. At the end of the day it was Graham Stirzaker who took High Gun with a brilliant 92 some two targets clear of second placed Shaun Stacey, Graham and Shaun were the only two to break in to in the 90's! A class win was taken by Yorkshire shooter W Stables with a great 82 three targets clear of second place P Finney and H Gibson on 79. Hannah also took the Ladies Class win, 4 clear of Emma Stacey.

Another Northern shooter, J Rollinson, topped B class with 74 and Shelley Fryer took C Class with a 67. Juniors was Josh Bridges with 86, Colts sponsored prize

winner was Alf Bartle with a solid 62 and Graham took veterans top spot. Day two brought dry conditions but it was still windy and cold. Sunday saw an early 91 from Ben Huthwaite followed by a strong 90 from R Bunning and R Cherry. Later in the day top Yorkshire shot Paul Foster returned with an excellent 91 matching Ben at the top. By the end of the day though the scores from Paul and Ben would be beaten by Junior Henry Collins with a superb 93. J Garside took A Class with 85 some seven targets clear of second spot, B class was taken by A. Kettlewood with a 75 and Becky Brown took C Class and ladies with a 71. Colts was taken by T Woodcock with a great 78. Vets was taken by A Balham with an 84.

The whole weekend ran smoothly getting the 300 plus shooters through with no hold ups. The course was more challenging than most, however TD Shooting receiving positive feedback on both days. We would like to thank all who came and took part, Tom and Sharon for the fantastic facilities at Park Lodge and all the staff and referees for making the weekend a success. Another big thank you must go to the sponsors Evans Halshaw Kia and Victory Cartridges.

15 April: 2018 Yorkshire ABT Championship

The 2018 Yorkshire ABT Championship was held on 15 April at North of England CTC. One of the first county championships of the year saw both established ABT shooters, as well as shooters from other disciplines, vie for the title. The overall title was taken by DTL shooter Martin Jeminson who dropped just one target to finish on 49 ex 50. Fellow

Leanne Powell & Martin Jeminson –
Yorkshire ABT Champions 2018.

DTL shooter Leanne Powell took the Ladies' honours and Andy Thompson secured the Veteran title. Young sporting shooter Alfie Bartle won the Colts class. It is great to see a young shot step out and try a different discipline. Congratulations to all the winners and thanks to all at NOECTC for yet another well run championship.

FITASC GB Selection shoot

Undeterred by a good dollop of Northern Springtime weather during the first week of April, Keith Roe and Philip Rowbottom pulled out all the stops for the FITASC English Open Championships on 7-8 April.

Those attending Mount Farm Sporting Clays first major competition in over a decade were in for a treat, with a warm Yorkshire welcome accompanying some

challenging targets and, of course, just enough sunshine to see us through.

Owner of Mount Farm Sporting Clays, Philip Rowbottom said, "It was a great honour to be approached to host this pivotal event on the FITASC calendar and we were ready to show our competitors just how the ground has matured over recent years."

Set in the centre of Rowbottoms 300 acre arable farm, Keith Roe's layouts at Bowmans, Pond and Wood provided a good range of targets for all classes, including the new tower position on the hilltop at Wood where targets appeared above and below your feet. A tricky battue on Bowman and a looping rabbit on Wood kept things interesting. As always Phil showed us that the devil's in the detail with designated bag drop areas, places to perch at the stands and business class transport.

It was a pleasure to have so many Colt and Junior entrants with us. Colt winner Thomas Woodcock shooting an admirable 110 ex 150, while Junior Champ Josh Bridges shot an excellent 129 ex 150. Lucy Pitt lead the way for the Ladies with 119 ex 150. On count back, Des Sturgess took the Senior's title, 131 ex 150, while Championship runner up Steve Brightwell picked up the Veteran's prize with 136 ex 150. The new Masters category winner was Bill Joyce with 102 ex 150. After a shoot off with Steve Brightwell, third overall was John Kendall with 136 ex 150.

Impressive shooting was seen from Mark Winsor, Champion and Men's winner, with a high gun of 139 ex 150.

Hospitality in our clubhouse at Woolley Park Golf Club was, as always, second to none. Alongside some good old Yorkshire grub, competitors were able to enjoy a brew with all donations going to the Melanoma UK and Prostate UK charities.

The Mount Farm Team would like to say a special thank you to the BICTSF for allowing us to host the event, Nick Woodward for overseeing our efforts, all our referees, competitors and volunteers. Thanks also to our generous suppliers; Bowmans, Carol Brough and our local shooting ground for traps and to all those who helped, including Rising Sun Trailer Hire, Balmers GM Ltd and James Dabbs Marquees.

The 2018/19 Winter Series at Mount Farm kicks off 20-21 October 2018 with the North Region FITASC Championships, followed by the Yorkshire and Lancashire County Champs in November. For booking enquires please call Emily on 07887 751517. Keep up to date with all Mount Farm Sporting Clays

7 April: Merseyside Sportrap County Championships at North Wales Shooting School

Six squads of shooters were greeted by a very wet and dull day just until the last two squads went out at 1pm, but this didn't put anyone off the excellent 50 bird shoot set by Brett Davies Shooting, with a good mixture of targets with no silly simmo pairs.

Layout D&E were used, E being a large and wide open space allowing for some big loopers and long low incomers, D layout was a smaller more compact setting with a very fast B bird left to right that caught those out not fully concentrating, the bird of the day had to be the midi teal that looked miles away but was actually only 20 yards away.

Seven Merseyside shooters took part in a new record for a Sportrap event, two of which were made up by new CPSA members Daniel McNulty and Jay Smith. Jay had joined the day before so he could take part in the event.

Mick Shelton took the county honours

and young James Southwood took Colt's. Many thanks to all the staff at NWSS and shooters that took part, it was a great day apart from the weather. A special mention to Brett Davies who had been on site since 6:30am that morning to set the targets up.

21 April: Merseyside ABT County Championships at Fauxdegla

A busy weekend at Fauxdegla with a two day WCTSA ABT selection shoot taking place. On the Saturday also hosting the Merseyside ABT championships.

A pleasantly warm day leading to almost perfect conditions with great targets and well ran as always thanks to Mike and Debbie. England shooter John Lucy was county champion with a 93, the day after he was high gun with a cracking 95. Followed by Ken Grime picking up the Vets with an 88 and Carole Ann McGovern taking the Ladies badge.

22 April: Merseyside DTL County Championships at Holmes Chapel

A great day at the beautifully turned out Holmes Chapel for the second year running with good targets and well ran. Some early morning rain quickly passed leaving good conditions for the Merseyside shooters.

Brother and sister Roy and Carole Ann McGovern slugged it out, Roy taking county Champion and Vets on a 95/279 and Carole taking the Ladies prize on 94/275.

The Cheshire ABT team comprising of Paul Gowrie (captain), David O'Donnell, Kevin O'Reilly, Steve Johnson, Bob Gallagher and Paul Culverwell competed in the West Midlands Inter Counties ABT last Sunday. John Nightingale and his team set the targets to their usual high standard although the weather was a little mixed with regular showers. Dave O'Donnell finished with a magnificent score of 98 ex 100 taking the Cheshire trophy for county high gun followed by Paul Gowrie on 93. The rest of the team were following a few targets behind and whilst the team didn't fair too well overall David O'Donnell found himself in a three way shoot off for the Area Champion, eventually losing out by one target to take Silver Medal, while Paul Gowrie took Bronze in the Vet's on countback. Well shot all team members.

We moved on to the West Midlands All Round on 15 April at Doveridge Shooting Ground with a record number taking part in the event it proved to be a challenging day all round (no pun intended) with very mixed weather through the day. It was a very close fought battle throughout the day and Cheshire Ladies took Bronze with H Denney and K Oakley, Cheshire Vet's took Bronze with M Holland, K O'Reilly and P Ellis whilst in the Senior's Cheshire took Silver with A J Dean, SP Randles, B Davies, M Oakley,

West Midlands All Round & Cheshire Championship.

LCSL Mickley Hall 2018 Emma Percival.

IJ Cunliffe and M Machin. Bronze with KA Barnett, C Vickers, J Woodcock, EJ Wilkinson, M Sargeson and FA Moss. But the overall high gun went to our very own AJ Dean.

Things are starting to get going now on the selection shoot front with two shoots already having taken place for DTL and ESK and one for ESP, so keep checking the website for the next shoots and get yourselves booked on.

On 7 April the Ladies Clay Shooting League moved onto Mickley Hall Shooting School for their next event and what a day it was, even the weather couldn't dampen the spirits of the 33 ladies involved. A special thank you to our scorers who volunteered to help and to Colin and Elaine Foden for their coaching on the day. We also had a fantastic prize of a Mitsubishi L200 for the weekend, this was put up by Grenson Motor Company and a big thank you to them for their support and of course to Pro4 Glass, our sponsors. Our deserving winner was Emma Percival on 63 ex 75 followed very closely by Eleanor Hardy on 62, very close indeed! Any ladies wanting to improve and get into competitive shooting this is the league for you, with coaching and course management at each event. Again the link for these events is on the Cheshire CPSA website.

At the same venue our 'Cheshire Ladies On The Pull' arrived on 21 April for a great day of coaching and humour with fantastic weather to boot, from the photos

it looks as though they enjoyed themselves thoroughly. For anyone new to the sport or just wishing to have a go these days are highly recommended, please keep checking the Cheshire CPSA website for the next event.

In amongst all of this there are the England and GB selection shoots taking place for all disciplines with many of our Cheshire shooters taking part and fairing extremely well with some already chosen to represent their country, we will keep you informed.

The West Midlands Inter Counties All Round was held at Doveridge on 15 April. In the Seniors the A team finished 7th on 386/500 and the B team finished 8th on 340/500. The Ladies came 4th on 137/200 and the Veteran's finished 5th on 159/200. Well done to all Team members. Full list of scores not available.

Well done to Michael Gilligan who finished runner up on 190/200 after a shoot off at the English Open Olympic Skeet held at Doveridge on 24-25 March.

Well done to John Dunne who finished runner up on 131/150 in the Veteran's at the English Open F.I.T.A.S.C held at Mount Farm Shooting Ground on 7-8 April.

Down the Line

Well done to Down the Line team Manager Ian Roper who finished with the top score of the weekend with 200/597. At the 1st England team selection at Bywell David Weston finished on 199/594 and Keith Ritchie on 199/591 both in the top 20 shooters.

Congratulations to David Weston on shooting his 100th registered 100 straight at Down the Line at Orston S.G on 14 April.

Matthew Jones took a very decent looking Gloucestershire squad to the WM ABT at Rugby. Despite having no local ground to practice such an event, James Boulton shot 94, being the county's 'high gun' finishing just outside the individual medal places. Our remaining team scores were Steve Burnham 89, Gareth Markel 88, Clynt Warren 87, Susan Tippet 84, Kevin Childs 82 and Matthew Jones 66. The county just missed out. Being only six clays short of a medal placing, though very well done to all.

Regrettably we did not send a team to the WM Inter Counties All Round at Doveridge. In the Individual Area competition Susan Tippet 76 won a bronze, finishing third in Ladies. Very well done Susan. The county will be trying to send teams to as many of the Inter Counties events as possible. Please do make yourself known to Matthew Jones at Coley's if you have an interest in the trap events, Paul Tudge being our man for all things Skeet and Nicholas Portlock has the Sporting challenge.

County Sporting Team events, further to last month's announcement the fifth selection shoot has been confirmed as 8 July at Gunsite. To reaffirm, in order to be considered for selection one must return a score from a minimum of three selection shoots, one of which has to be the County Championship shoot at Westfield on 5 August. As per 2017, the selection shoot scores will be collated and displayed on our web page and Facebook page by Doug Pinnegar. Do also note that current news and matters will be placed on these mediums well before they can be forwarded via *Pull!*, so please, if at all possible, keep viewing these pages.

As spring has sprung its not just sporting shoots being competed. All of you skeet and trappies do please forward through any news and views you wish to give a wider platform.

In sporting news our boys and girls continue to shine. Joe Hale a 97 winning High Gun at Four Counties, and new PB's for Zea Purnell 76 at Coley's, Stephen Hughes 88 in winning C Class at EJChurchill's, and apologies for missing Damien McDonnell a hugely impressive 90 winning B at Owls Lodge.

We still are yet to confirm the FITASC &

All Round. We are pleased to announce the County Championship dates are as follows:

10 Jun	Olympic Trap, Brook Bank.
30 Jun	Single Barrell, SW2000.
22 Jul	ABT, SW2000.
5 Aug	English Skeet, Gloucester.

8 April: Automatic Ball Trap – West Midlands and Shropshire Championships

Nine Shropshire members went to Rugby and had a good time, working as a team, with lots of mutual support given to each other. There were more than 80 entrants. The standard at the West Midlands Championship was extremely high with three tied on 98 ex 100 for the High Gun. This was eventually won by veteran Ray Sutton from Staffordshire. Shropshire did well to come 4th just behind Staffordshire, all scores ex 500:

1. Hereford & Worcester 472
2. Warwickshire 462
3. Staffordshire 446
4. Shropshire 444
5. Gloucestershire 440
6. Derbyshire 434
7. Cheshire 429

There was a tie for the overall Shropshire Championship between father and son duo Marcus Iddon and son Gareth Stanford-Iddon; both shot excellent 93s. Becky Fergusson was 1st in Juniors and 2nd in Ladies – well done to Becky and all the other Shropshire members who supported the County. Becky was Shropshire Junior and Ladies Champion too with an excellent 87. Shropshire Veteran Champion was Graham Evans on 91.

Shropshire Ladies Jan Harvey and Julie Burton, came first by a margin of 15 points. Shropshire Veterans Graham Evans, Steve Trow and Nick Williamson were Champions by just 1 point! Shropshire Seniors were fifth.

West Midlands Veteran Champion was Graham Evans (joint with Shaun McNamara, Staffordshire) and Ladies Champion was Julie Burton. Dave Harvey won Veteran's Bronze. Graham and Julie continue to show great consistency and ability in all the events they enter – well done and a big thank you for shooting for Shropshire in so many events!

The Shropshire High Gun was senior Andy Hilditch on 87, second and top Veteran Graham Evans 86, Senior Richard Green was third on 85, Veteran Dave Harvey was fourth on 83. Julie Burton was top lady with 82 and joint fifth, her score was matched by Gary Edwards and Mike Cashmore. Good effort by Shropshire on a day when all the scores were a little lower than might be expected. It is noted there were only nine 25 straights during the whole competition, four by Shropshire, Graham Evans S/B, Trevor Lewis and Julie Burton ESK and Gary Edwards ESP. Following the competition several top ESP AAAs were clearly impressed with our Vice-Chair's performance. Well done to all, Shropshire is showing a lot of potential for the rest of the year!

9-15 April: English Sporting Essex Masters

This was a major event with around 2,500 entrants. The winner was Sam Green on a magnificent 194 ex 200. Shropshire members who competed did very well, with scores to be proud of, led by Stu Aston on an excellent 178, Dave Harley 177, Mike Cashmore 174, Stu Burgess 172, Gary Edwards 171, Nick Williamson 165 and Julie Burton 159.

21-22 April: English Skeet First England Selection Shoot – Nottingham

There was only one Shropshire entrant, Trevor Lewis who scored 185 ex 200, a very modest score. Those selected for the England Team will typically miss only 10 or less clays in 400! It is hoped a few more Shropshire members may have a go next year for England?

Please note the second ESK England Selection is at Doveridge on the 16-17 June 2018. This provides a great opportunity to see England's top ESK shots in action.

Staffordshire Shooters Back on Top.

The All Round was held at Doveridge Clay Sports on 15 April 2018 and what a fantastic day for our Staffordshire Shooters.

Gold Medal went to our Senior Team - C P Daniels, G Heath, T Simmons, S Ward, I Hull and T Thompson

Veterans Team were pipped into 4th place - S McNamara, J Dennis and J Smallman

2nd Gold Medal went to our Junior Team - J Bennion and J Tromans

Special recognition goes out to Shaun McNamara who took Area Veteran Gold Medal.

The outstanding result of today was our sponsored Caesar Guerini Junior, Josh Bennion, who shot a sublime 90 to take the following:

- Junior area Gold by a clear 10 targets
- Junior Team Gold
- Overall Area Silver medal winner
- Staffordshire County Champion
- Junior County Champion.

Staffordshire CPSA would like to thank all the Staffordshire shooters for turning out for our County today.

Thank you to Doveridge Clay Sports. We at the CPSA hope you all agree that Staffordshire had a fantastic day at the All Round – well done and congratulations to all involved.

Staffordshire shotgun shooter Dominic Cooper recently won the English Open Olympic Skeet Junior title

The event which was held at Doveridge Clay Sports ground at Uttoxeter, was a keenly contested event held over two days with a hundred clays being shot on each day.

Both days were extremely long and exhausting with the title finally being decided late on Sunday afternoon.

Nineteen-year-old Dominic who attends Reaseheath College and works as a shooting instructor at Cloudside Shooting Ground has been shooting since the age of 11.

He has represented Great Britain in Europe during the last four years and most recently at the World Championships in Moscow, great shooting fantastic achievement, Staffordshire is very proud of you sir.

Ray Sutton.

Ray Sutton takes West Midlands Area ABT Championships

At The Rugby & District Trap Club. Ray's score was 98/100 then 24/25 in a shoot off then 2/2 in the single barrell sudden death shoot off, great shooting Ray.

11 March: Regional ABT

A healthy turnout of 67 shooters graced the layouts and in the overall competition Jack Wilkinson of Lincolnshire got over the winning line in emphatic style, clearing the final round to take the title on 96/100.

John Winn of Lincolnshire and Russell Houghton of Norfolk were locked on 94/100 in joint second place and a shoot off was needed to resolve the placings. John blinked first missing his 8th target and Russell made no mistake by recording the perfect round of 25 to give him the silver medal and John having to settle for the bronze.

John's loss in the shoot off was though tempered in the knowledge that he already had the Veterans title safely under his belt, and he could relax and watch Mick Feather and Ken Rimington from Nottinghamshire

scrap it out in another shoot off for the minor placings, with Mick recording a narrow one clay victory and giving him the silver medal and Ken having to settle for bronze.

In Ladies Michele Conway won narrowly beating Jackie Houghton from Lincolnshire by a single clay to take the title on 77/100, leaving Jackie to settle for the silver medal, with Regional Chair Janet Stennett from Lincolnshire third.

William Gilbert from Norfolk won Juniors and finished on a superb 93/100, a score that gave him joint 4th overall.

15 April: English Skeet

Seven shooters finished on 99 with that magical ton just eluding them, from those seven, three were from the region with a shoot off to decide the Champion.

Doug Moore from Lincolnshire missed a couple of targets to see him eliminated with the remaining pair of Trevor Frammingham of Norfolk and defending Champion Dave Morgan of Northants scoring straights to send them into a sudden death shoot off from the centre peg with Dave running out as Champion after two rotations.

Trevor losing out on the Regional title meant he was at least eligible to take the Veterans with Ken Rimington from Nottinghamshire second.

Ken had finished joint second in Vets with

fellow county shooter Pete Cook on a score of 97, but as Pete had left the ground, Ken didn't have to shoot off and took second by default and Pete third and the bronze medal.

Isabel Russel from Northants took the title just one shot ahead of Jenny Hilton from Notts with a score of 92, Karen Donnelly also of Nottinghamshire taking the third place and her first medal in the East Midlands.

In the Juniors it was a straight fight between two of Northants rising stars Sonny Bowman and Alex Banning with Alex winning with a new PB of 98 to take the Junior trophy, Sonny having to settle for second place and the silver medal.

Many thanks to Carl and his team at NDGC for hosting both the above events, the latter run from the fantastic new clubhouse.

21 April: Double Trap

Sadly, the event held at Nuthampstead only attracted 5 regional shooters, all of which were from Cambs, so it was inevitable for one of them to win and it was Tim Jones who took the title scoring 116/150 narrowly beating Matt Sheldrake, Tim also took the Vets title and Michele Conway wrapped up proceedings winning the Ladies title, unfortunately no Juniors attended the event.

We would though like to thank Nicky at Nuthampstead for hosting this event.

The Ian Clifton Trophy Final 2018

Only two of those who made it through to the quarter finals shot in the Easter Challenge and they were drawn against each other.

As the last two standing, the organizers decided that this would be the Final.

Congratulations and winning by 2 stands, after handicaps, is David Ferriman AA and our runner up is Dave Halleybone B.

Our thanks again to Ian Clifton for lending his name to this competition and Sporting Targets Ltd for facilitating the event.

Although the CPSA numbers increase year on year, to grow on this solid foundation, we ask all established shooters to do as much as they can to encourage their own and the next generations to enter competitions in whatever discipline interests them.

To enable shooting the sport also needs administrators, coaches and referees.

1 April: Cambridgeshire Skeet – Eriswell Lodge

The first of the County Championship of 2018 after a long layoff and entries were good, 58 in total.

When arriving I spoke to last year's winner Albert Taylor as he was leaving for another shoot. Albert had posted 99. When I reached the Clubhouse I found Chris Morris had done the same. Well I'm thinking we should have a good team this year. It didn't take me long to

DT 2018 – C Cheng, M Sheldrake, P Ward, M Conway & T Jones.

Cambs Skeet 2018 – A Wright & C Morris.

Cambs DTL – M Sheldrake, P Ward, E Lord & R Croft.

see that we had a good selection of Ladies and Colts to make up the numbers as well. At the end of the day Albert Taylor and Chris Morris were the Cambridgeshire winners with their 99's. This meant a shoot off was imminent and with the Bev Waller Trophy also at stake, this meant that any shooter on the day could take the Bev Waller Trophy. A shoot off to decide the winner had to take place. The shoot off consisted of two Suffolk shooters and our own Chris Morris. This was doubles on 4, well worth watching. Eric Chapman took the honours and was a worthy winner.

Results:

Cambs County Champ	Chris Morris	99
Senior Champ	Albert Taylor	99
Vets	Tim Jones	97
Colts	Archie Bowman	93
Ladies	Ami Hedgecock	89
(after a shoot off with Janet Maguire)		
AA	Chris Morris	99
A	Glen Moulding	97
B	Peter Gaskin	95
C	Marcus Webb	90

I note that Archie Bowman shot 2 x 25 straights on his way to the Colts trophy. It also looks like we have Ladies, Colts and Vets a plenty this year so the Intercounties at Northampton (on 12/08) should see a great entry from Cambs.

15 April: Cambridgeshire DTL – Cambridge GC

Always well attended and today was no different. 10 squads were lined up in the hope of taking home the coveted trophy. From the go it looked rather like last year's champion may be doing the same this year having started with 50/150 with half the shoot done and dusted. But unfortunately things don't always go as planned as it didn't for Richard Morris on this day but he completed the next 50 targets to finish with 99/292 as did his dad

Chris Morris. We still had a strong contingent to follow with the likes of Matt Sheldrake, Paul Ward and Philip Barnard.

As the scores started coming in it was clear that it was not possible to pick a clear winner. But at the end of the day Paul Ward took the title with a 100/296 closely followed by Matt Sheldrake 99/295. To add to the excitement Richard Croft finished on a 100/295; Richard being a Vet had it sewn up for his first ever county championship. Geoff Howlet (Suffolk) put in a super 299 to take High Gun over all.

Results:

Champion	Paul Ward
Senior	Matt Sheldrake
Ladies	Hazel Whiten
Colts	Ethan Lord
Vets	Richard Croft
AA	Richard Morris
A	Chris Morris
B	Brian Jacobs
C	Jason Pereira

21 April: Cambridgeshire Double Trap - Nuthampstead

This was the East Midlands and Cambridgeshire Double Trap Championship. 5 Cambs shooters attended and after a very close match between Matt Sheldrake and Tim Jones. It did come down to the last round, but Tim took the title with his score of 116 with Matt finishing on 114. EM & Cambridgeshire Champion - Tim Jones.

Ladies EM & Cambridgeshire Champion - Michele Conway

Well done to everyone who entered the Championships and thanks to Eriswell, Cambridge GC and Nuthampstead for hosting the events.

Hello again to you all, I hope that you are all in shooting mode ready for the forthcoming season. We have had a couple of events already, these were both selection shoots for the Sporting, Adam Curtis, at Grange Farm is your man for the team. For the DTL intercounty teams, Mike Brookes is the contact, both for later on in the year.

Sporting Selection

There was a very good turnout for this event at Grange Farm, 63 county shooters turned up for an exciting shoot. Marek Kwisiuk and Lee Whiting were at the top of the leaderboard both scoring 92x100. John Wells (Veteran) and Toby Reed were very close on 90. John Stimson, O Bradshaw, Adam Curtis, D Elliott, R Mason and D Garner were in close contention shooting 87x100. The juniors were headed by Sam Houghton on 73 followed by the top lady shooter Evie Figlioini with 66, J Simpson scored 65 and E Whiting and E Williams were close behind. The top lady scorers were Evie and E Williams. 'Dads Army' was headed by the evergreen John Wells, (I remember him from 50 years ago, so it seems) shooting 90x100, John Stimmo with 87, Arnie Heister cleared 87, DP Gagin shot a good 82. Some of the other scorers, R Carter, Richard Watkins, John Grice, M Hallam, R Wilson, Alan Robinson, S Dyson, NW Noke and it was good to see my old friend Terry Holland, were all in the mix. There were thirty four seniors vying for selection, that'll take some sorting out! Well done and thank you, to Grange Farms, number one layout setters for a testing shoot.

The DTL shoot took place at 'Uncle Micks' place at Normanton and we were all in shirt sleeves, the weather was smashing! Top man (boy) of the day was Connor Harris, he managed 100 x 100 and his little brother, well, he only shot 99. I said last year that these two were a couple of lads to be watched, and I wasn't far wrong. The evergreen Mike Brooks, scored a brilliant 99 as did M Joyce, lets hear it for the men! There were five veterans pushing for

places and sorry to say, only one lady, Mrs Harris, yes, another Harris! The targets were perfect as was the weather and the bacon sandwiches weren't far behind. Thank you Mick and team Normanton for a good event.

Up and coming events; English Skeet at Nottingham on May 6, and the UT at Rugby TC on the same day. May 12, (Saturday) we're back at Normanton for the DTL single barrel and on May 27-28, (Sunday/Monday) we are at Kegworth for the 2nd sporting selection shoot. It's getting a bit crowded now because we are at Normanton on 28 May again for the county Double Rise, 25 pairs.

Heading for Disqualification has Silver Lining on the Gold Coast.

The best scriptwriters in the land couldn't make it up.

England and Lincolnshire's Aaron Heading faced disqualification at the start of the Gold Coast Commonwealth Games Trap Final without a shot being fired due to overweight cartridges. Following an appeal and a further batch test Aaron was allowed to shoot and what a final it was. Going down to the wire Aaron came away with a well-deserved Silver, brushing off the events earlier in the day. This takes Aarons Commonwealth Medals tally to 4 medals from 3 games. A true professional. It was later identified that the ammunition tested wasn't Aarons but an administrative mix up mismatched labels for two competitors.

Aaron Heading's Silver Lining.

More Silver down under

Nigel Lovatt had the honor and privilege to represent England at the 2018 World Trap Championships at Wagga National Shooting Ground Australia. Massive congratulations to Nigel and the England Team. Great start to the year, keep it going Nigel.

Three cheers for George Cheer

Who put in a great performance at Mount Farm Sporting Clays in the English Open FITASC Championship. The only Lincolnshire entrant in a very strong field, George carded 110/150 for 3rd in class. It's only a matter of time before this Young Junior Lincolnshire gun starts to take home more Silverware. Certainly one to watch for the future, and no doubt will feature in many of the County teams this year. Good luck.

Well done the fantastic Four

Who took part in the First England DTL Selection Shoot at Bywell SG. Caroline Hawkins, Nigel Lovatt, Andy Leak and Stuart Whitehead can look forward to the next selection shoot at Beverley. Nigel shot a very tidy 199/589 in readiness for Beverley. Good luck to you all in the hunt for that elusive England badge.

Bronze at East Midlands Skeet Championship

Weather stayed mainly dry and overcast for the duration but the breeze played havoc with the targets across all layouts and the elusive 100 evaded all entrants. Doug Moore managed to card a very respectable 99 and went in to a 3 way shoot off to decide the 2018 Champion. Despite best efforts Doug took 3rd overall and with it a Regional Bronze. A great result.

Premier performance

A great result for John Lee. Topping the field of 284 Sporting shooters at Highwayman's in

Hi to all the Norfolk shooters out there. I am starting this month's section with a request for your reports to be included into this section of *Pull!* and to respond to criticism I have received about this section being about one shooter. I can only submit what I receive, so please do find the time to send me reports of your shooting so I can include them.

The season has swung into action for some of the Norfolk shooters.

Elise Dixon has been travelling far and wide in the last month with a trip over to Portugal for the Olympic Trap Grand Prix, weather almost as bad the UK with wind and rain, although thankfully no snow! Elise

Elise Dixon at Dartford clay target center for the Kent CPSA UT championship.

Elise Dixon & Ben Killian at Fauxdegla for the mixed pairs OT meeting.

shot a 94/125 at her second international competition. A fantastic result which will no doubt give her the confidence going onto the selection shoot season. If Portugal wasn't enough Elise has braved the Arctic weather at Nuthampstead for the first OT selection shoot of the year.

This was not a game of who could score highest as much as who could see the clay and then hope to hit it. Elise however did dig deep and stay the distance of all five rounds while many, one might say sensible shooters decided -10°C temperatures was not for them!

Next was the Olympic Trap Mixed Pairs Event and Elise was joined by fellow junior shooter Ben Killian. First time at Fauxdegla for both shooters, and the scenery was beautiful (at least for the parent spectators). Elise and Ben set to work both putting in some good scores whilst they did not make the final it was great to watch and both are looking forward to the next event.

One might think that's enough for one young lady but she was back on the road for the Kent County UT Championships, first time at Dartford Clay Target Shooting Ground, a very different view from the layout with a ship slowly passing by down the Thames but Elise stayed focused and put in a respectable 78/100 ahead of the main event the GB Universal Trench Selection Shoot at Beverley Clay Target Centre. The weather could not have been better with bright sunshine and a light breeze. 105 shooters ready and waiting, Elise showed amazing focus and ended day one with a PB 84/100. Going into day two with a plan to hit all rounds in the 20's was a tough target and first round got her off to a great start with a 21. In rounds two and three Elise dropped a couple of targets early on making it tough to keep the clays

breaking but finally putting two rounds of 20. Last round was a bit of a wait as the layouts got backed up with squads. With Elise finally taking to the peg for her last round, Elise missed the first target, followed by the 5th and 6th. Light began to fade as the sun tucked itself away behind the clouds Elise dug deep for the remaining targets of the 200 targets and ended with an 18 finishing the weekend with a new PB 163/200. Amazing month for Elise Dixon well done!

15 April: Sporting Competition

The 'beast from the east' delayed the spring flowers around the Northampton Shooting Ground but the new county feather flags and banner tried to make up for any lack of colour.

Sheltering from the rain, hail and snow in the tea hut, Roy and Pete certainly certainly spent their time well. The course was full of surprises and new interesting stand layouts. Feedback gave it to be 'a really good course; a bit tougher, a bit different, but really good.'

There were stands that looked a bit familiar but many were completely different. One had some simple looking long range rabbits, bolting across the 'big field', that had to be shot from half way up a hill and actually weren't that difficult once you worked out not to shoot over them. There was a tricky little midi teal that caught a lot of people out as well as a 'full' from the high

tower. Both targets disproved the common maxim that people usually miss 'birds' by not giving enough lead.

Early entrants had the better end of the day and whilst there wasn't a repeat of any of the previous day's sunshine and warmth they didn't have to endure the chill driving rain that greeted those shooting later in the afternoon.

There were 59 county shooters contesting this, the first competition of the year. Ollie Bradshaw equalled his score from the 2017 competition, 91x100, but bettered his position from fourth to first in the Senior category. Bob O'dell won the Veterans title for the second year whilst Louise Smith took the Ladies title for the third year in a row.

Ryan Gardiner, new to competition shooting this year, and shooting in the last squad, just beat Ollie Main by two clays to win the Junior title. Tiernan Goodman shot a lovely 70 to take the Colts title.

Well done and thanks to all who took part.

The county CPSA committee managed to secure sponsorship for class prizes from the Northampton Gun Co. Ash Gibbons kindly organised and ran a Sport trap 'Pool Shoot' to raise funds for the county as well as donating cartridges and an embroidered

badge as prizes for AA, A, B and C class winners. Prize winners were; O Bradshaw, Karl Taylor, Nigel Richards and Richard Fitzhugh.

The Regional Skeet competition, held on the same day, saw some success for county shooters. Dave Morgan was the regional Champion, Izzy Russell took the Ladies title and Colt Alex Banning the Junior title with fellow Colt Sonny Bowman runner up.

21 April: Double Trap

Given last year's entry this year at Beverley, this year's competition took place at Nuthampstead alongside the regional competition to try and increase the entry.

Inter-county Team Managers

Roy Tyler has been working hard to finalise the team management for the 2018 season with an eye to bettering our showing in the Director's Trophy. Team managers are confirmed as; Laurie Cookson, DTL and ABT; Jeremy Barker, FTIASC; 'Izzy' Russell, Skeet; Mick Russell, Sporting and Simon Vogel, All Round.

The county committee has agreed to support a training/coaching session for each team. Team managers will be arranging this and contacting team members later in the summer.

And finally...

Chairman Bob Meadows has been away recently at the Commonwealth Games, in Australia officiating in the results, timing and scoring Jury for Shotgun disciplines. By the time you read this he should have returned, recovered from any jet lag and be back to shooting in the area. Have you seen him?

number of our county grounds have late night shooting so why not take full advantage?

ABT County Championship

Despite this fixture being on the Easter Monday (2 April) it was once again a victim of the long, depressing winter. Early snow and wind affected the entries but we still had a good turnout from the hardy county shooters. Rob Denoon was the County Champion with a fantastic 96, incredible shooting especially considering the horrible weather. Mick Feather took the Veterans HG on 90, Megan Gamble was the Lady HG with a 56. Unfortunately, we had no Junior or Colt entries so again this is a call to all of the under 21's in the county, there are trophies and prizes to be won at all of our county events. In the classes Ricky Croshaw beat Kev Warner in a shoot off to win the A Class shield after they both finished on 93, Ken Rimington won B Class on 89, Adrian Snell won the C Class with 90 and Elvin Lawson won the D class with a 77. Well done to all the winners and to everyone who took part. The teams for the Regional Intercounties can be seen on the website, we still have space for Ladies and Juniors so if you are interested please contact Granville Hodgkinson, Team Manager (granhodge72@gmail.com). Thanks to Carl and the team at Nottingham for a well-run event.

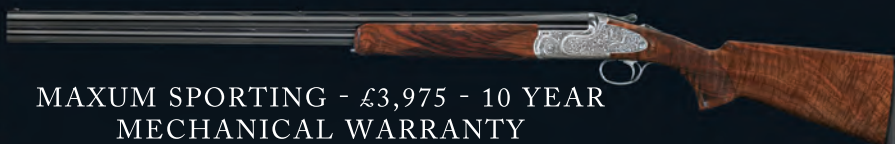

Upcoming events

Just the one County Championship this month, the Sportrap at Orston on Saturday 9 and Sunday 10 June which is also a supreme championship fixture.

The other event this month is the Have A Go night which will be held at Orston SG on Friday 8 June from 5pm to 8pm. Please bring your friends and family to try out our fantastic sport as all money raised from the event will go towards funding county shooting.

The Avon English Sporting Championship was held at Meadowcroft SG on Sunday 15 April in conditions of light winds and showery rain and with the targets testing for all competitors. A high turnout not only attracted competitors from Avon but from

all over the region. Shot over 13 stands with targets set by ground owner Dave Woolcott, early indications were that some of the best shooters were letting targets drift.

All classes attracted Avon shooters competing for the trophies which was a good sign that people were coming into the competition circuit. In the end there was a very tight finish that resulted in a shoot-off for who was to be crowned Avon Champion for 2018. On a stand set up especially for the shoot-off Alan Bullock and Dean Horswell, having tied on 85/100, shot ten testing crossers which finally decided that Dean Horswell retained his Avon Sporting Champions title for another year.

Andy Bullock did win A Class and was also presented with a trophy as class winner.

B Class was won by James Stott on 76/100 and C class won by Andy Hunt on a very honourable 70/100.

A good day was enjoyed by all and thanks to Dave Woolcott and all the staff at Meadowcroft SG for making it a well run competition.

The Avon FITASC Championship is to be held at Meadowcroft on Saturday 22 September. Telephone entries to allow squading as there will be a numbers restriction. Call Dave Woolcott on 07802 467384 for entry.

CORNWALL

JODY NICHOLAS

Well what a month filled with some almighty highs and an extreme low.

It is with a heavy heart I share with you the news of the loss of a legend, Anthea Barker. She was much loved by so many and admired by those who didn't know her personally. She was a top-class trap shooter who represented her county and country with such passion and pride. Our deepest sympathy and condolences go to Anthea's family, you are in our thoughts.

The Cornwall CPSA Committee are passionate about getting more people into clay shooting. Why you may ask? It's simple really. Because we love clay shooting. We're a diverse bunch of people on the Cornwall committee and want to spread our enthusiasm for the sport we love. We are striving to give non-clay shooters the chance to have a go and we have started with a group of Scouts from Illogan, 5th Redruth, and Five Carns Explorers, along with youths from the local area. Well, surprise surprise it was a smashing success, sorry couldn't resist it. The not-for-profit event was organised by the Cornwall Clay Shooters Association and supported by kind donations of shotguns, cartridges and safety equipment from local gun shops and businesses. We would particularly like to thank Mark Stevens of Fourlanes Clay Pigeon Club for his hospitality and the use of his ground.

This was the first of many 'have a go' sessions that will be taking place at various shooting grounds across Cornwall, the CPSA will be providing 'taster' sessions

for ladies and gents too. If interested in group, youth or adult days further details on up-and-coming events will soon be posted on the Cornwall Clay Pigeon Shooter Associations Facebook page facebook.com/cornwallcpsacommittee.

We had a fantastic 2nd and 3rd English Skeet Cornwall Team Selection shoots both at County Gun Club with no less than three one hundred straights at the 2nd Shoot and one at the 3rd. Outstanding performance by Bill Mousalli, Peter Mylam, Gareth Williams and Kelvin Walsh.

We saw the first of the All Round selection shoots at Landare Farm Shoot with Kelvin Walsh taking top gun with 93.

We had the first ABT Cornwall Team Selection Shoot at Bradford Shooting Ground and Sportrap Cornwall Team Selection Shoot at County Gun Club. So we're off with and running with some fantastic shooting so far this year.

We have also had the first round of the England Team Down The Line and English Skeet Selections.

Massive well done to our Chairman, Simon Ede for putting in a cracking score. We're all behind you for the next selection shoot.

We had 8 Cornwall shooters go up to the English Skeet Selection and produce some fantastic results. We all wish you the very best for the next round, we're all rooting for you.

All Round Championship

Well done to all who attended the Devon All Round Championship held at Brook Bank on Good Friday 30 March as the rain did not stop all day. The Champion for 2018 is Rob Speed with a score of 95, Dwain McCulloch came 2nd with 93 and Richard Chapple on 92 came 3rd. Devon Ladies Champion is Katie Jemmison who shot 79, and the Devon Junior Champion is James McCulloch with a score of 76. A special mention to welcome two young shooters to their first Devon clay shoot, Rachel Westacott scored 42 and Charlie Berry scored 53.

English Sporting Selection

Held at Ashley Shooting Ground on 25 March with a total of 63 entries. The high score of the day was Andy Moon with a great

score of 97/100. Steve Trout came 2nd on 90 and joint 3rd went to John Woodbridge and Charlie Avery with 87.

DTL Selection

The first selection was held at Bradford on 14 April. High Gun of the day was Chris Smyth with 100/296, then Mark Wells with 99/292 and Roger Lane scored 98/292, Andrew Hill 98/291 and Richard Chapple 98/290. Follow the results for the teams on the Devon CPSA Website.

Hampshire UT Championships

Bisley hosted the Hants UT championships on Sunday 1 April, with quite a few Hampshire members turning out for this event. Roger Deacon was hoping to gain more points towards the Supreme Champion score sheet but with Rod Gould on form that hope was dashed. From the off Rod smashed everything that was thrown, Carl Miles would be Rod's closest rival. At the three quarter stage Rod had missed just one target, he shot them so fast it looked like the trap was throwing broken clays, no he just

Fareham CTC 200 DTL GP winners.

Rod Gould Hants UT Champ.

Dave Toomer 200 GP winner.

Pete Thompson Hants All-round champ Brian Coupe left presenting.

shot them so fast... amazing. Just my luck I was on squad six peg one and Rod peg two, even seeing many of my targets float off into the distance wouldn't put him off. But unfortunately on the last 25, one more ninety mile an hour right hander did slip through bringing the total missed by Rod to two, yep just two! UT Champ 2018 Rod Gould a well deserved title.

Fareham 200 DTL weekend

Last year this two day DTL Grand Prix drew in fans from as far as Ireland, Yorkshire and several other corners of the UK, well it must have been good as they all came again this year. Dave Toomer had Brian Vass on his tail only missing a couple all day, would the Beretta 692 be won on the Sunday? With the flags flying and the smell of full english breakfasts and the log burner in the air would this be the day the perfect 100/300 be posted? If the gun sponsored by GMK stayed on the prize table there was still a lovely GMK Beretta watch and many other items to be had. Many thanks to Eley, Browning, Peratzi, Le Porte and Ed Lions who put a £400 set of shooting glasses as a prize, without these supporters the weekend wouldn't have been as good as it was. With the final scores on the board it would be Dave

Toomer taking the 2018 Grand Prix title and the Beretta watch.

Clubman Classic

A great start to the Clubman Classic with the first event at Wallers Ash, a misty start to the day but the sun burnt through and created a fantastic sunny shoot. The sporting stands for the non classified and the C class entrants were spot on, a nice balance of testing targets, well done Pete Corney and family.

Hampshire All-round Championship.

A great event that only Hampshires Fareham CTC can hold with its two ABT, DTL, Skeet and the Sporting layout required. What a great day, the sun shone down on the fourteen squads which reflects just how popular this event is. Many friends from Dorset and the West Country also came along to join in the atmosphere and test their overall skill in the four disciplines. This event is a tester for Hampshires best and oh boy do we have some great guns. Neil Lockton, Roger Deacon, Rick Stala, Ron King, to name just a few of the Hampshire shoot team. But this day would be Pete Thompson's day, Pete has shot for Hampshire many times in several disciplines over the years, hence a perfect candidate for the title. For those that normally shoot trap the Skeet and Sporting would be their down fall but Pete returned a 24-25-22-22 putting him top of the Seniors with Jane King taking the Ladies title Stephen Ashford the juniors on 75/100 and Andy Gordge the Vets On 89/100.

The Single Barrel was held on Easter Monday at Brook Bank and there were 20 Somerset shooters competing for the County Champion title. This years winner was Andy Cain who stopped Martin Howe getting his second Championship title by a single target. Chris Dobbs won the Veterans title and Tae Wakeling won the Colt title. Well shot Andy!

Andy Cain.

Brook Bank held the English Skeet Championship title just under a week after the Single Barrel and the title was fought over by six county shooters. Adrian Wogan and Keith Chapple were tied for the title after the first two rounds with both of them only dropping one target in the first round. Adrian then went on to straight the last 50 to take the title with an impressive 99. Mike Phipers took the Veterans title with a well shot 95.

The Down The Line Championship is always a popular one and this year was no exception with over 20 shooters vying for the title. Martin Howe claimed his second title of 2018 with a well shot 99/296. Phill Scott took the Veterans title with 98/293. Remember that Team Selection for Inter County shoots this year has changed for DTL so even if you didn't put in a stellar performance at the County Championship you still may make the Team.

The All Round on Good Friday was a great shoot even though the weather was not a patch on the previous year! The turnout of Somerset shooters was impressive and there was some great shooting to put various people in with a shout of walking away with the title. In the end Martin Howe beat all other Somerset shooters to the title with an impressively shot 97. Dennis Stepney took the Veterans title, James Howell took the Juniors title, Theo Coleman took Colts title and Kari Dobbs took the Ladies title on 57. A big thank you to Alison and Wesley for putting in a great competition at Brook Bank.

County Championships

April was a quiet month as far as county championships are concerned so you'll have to wait for the next *Pull!* issue for news on that front!

Other competitions

Widdington is now running for the summer months. Ham Cross is also open and hosting the FITASC County Championship in July. Widdington, Barbury and Gunsight continue to attract a high number of participants, and with Urchfont we are spoilt for choice when it comes to competitions in Wiltshire.

Team events

We would like to enter teams into the inter-county events this year. There are no entry requirements for team membership except that you need to be a Wiltshire shooter. We are also putting team sheets at each local ground. Please add your details to the sheets or contact myself or Josh Brown if you are interested.

Wiltshire Sporting Challenge

Just in case you missed it in the previous issue of *Pull!*, this year's Sporting Challenge is composed of four competitions, Widdington (27 May), Barbury (15 July), Urchfont (23 September) and Gunsight (14 October).

The rules are as follows:

1. The competition is open only to Wiltshire shooters
2. Your best two out of the four scores will count over the four competitions
3. Prizes will be awarded for all classes (AA, A, B, C, Veteran, Lady, Junior)
4. If you are eligible to shoot as a Veteran, Lady or Junior you must nominate at your first event whether you are entering in your category (Veteran, Lady, Junior) or in your class (AA,A,B,C). You cannot enter in both a category and a class
5. Prizes will be awarded at the final event. In the event of a draw, prizes will be shared
6. Unclassified shooters will be classified by the ground at their first shoot in the challenge
7. You will only pay the usual fee for the registered competition; there will be no extra fee for the Sporting Challenge.

Social media

Wiltshire CPSA is also on Facebook. Please

feel free to join the "Wiltshire CPSA" group.

South East Region's Intercounties Championship

Glorious sunny day awaited the seven squads for this first Intercounties championship in 2018. Johnny Johnson and myself in attendance. The Champion and Junior Champion was Jack Collier (Surrey) with 91/100. The Ladies Champion was Alexandra Skeggs (Greater London) with 85/100. The Colt Champion was Ollie Harrison (Greater London) with 88/100. The Veteran Champion was Peter Saich (Surrey) with 70/100 after a shoot off with Simon Davidmann from Oxfordshire.

In the team event the Inter-counties Champions were Greater London (God's Own County) team consisting of Hugh Westminster, Alexandra Skeggs, Jessie Burgess, Ollie

Harrison and Trevor Haywood with Surrey coming second and Kent third.

In all it was a 'right result' for Greater London and a nice, if rather long day. My thanks go to Barry, Maria and the team at NCSC for holding this event on behalf of the South East Region.

Tight at the top for Skeet selection

With no less than seven people shooting 95 and better at the first county team selection shoot at Dartford on 15 April, competition for places in the team is strong for 2018. The weather was generally almost perfect for shooting skeet targets until the later squads

Glen Defreitas in action on the skeet range.

who faced an increased and blustery wind.

Glen Defreitas' 99 led the way at the end of the day, but he was closely followed by David Pummel who dropped two birds on the final layout for a 98, Nigel Cullinane who shot his first 50-straight also finishing on 98, and Dave Hendon and Ray Simmons both on 97. Katie Durrant's 91 was her highest skeet score to date, and Diane Boutcher's 93 was the leading ladies' score.

Second Sporting Team selection shoot

The second sporting team selection shoot took place at Badnock's Farm on 1 April on a cold, damp, and windy day. Phil Gray had set a testing set of targets for the large entry. Ian Schwier was the early leader on 93, but this was soon equalled by a solid performance from Stuart Clark and overtaken by Robert Humphries on 94. The ground apologised for an un-repairable trap breakdown and for a few no-birds, but on the whole, it was a good shoot. Many thanks to Bradley at Badnock's for agreeing to host this event, to Phil Gray for the layout, and to all the participants for braving the weather! A full list of the results can be found on the Badnock's website.

Essex success at English Open Compak

On 4 March, Orston shooting ground hosted the English open BICTSF Compak Championship. Several of our Essex shots braved the remnants of the Beast from the East to compete at the snow-covered ground. Five people shot an incredible 99x100 and one of those was our very own Matt Bone. Matt was up against some world class shots in the 5-way shoot off. Just missing out on a medal position, Matt managed to take 3rd in A class, a fantastic performance. Stuart Clarke yet again proving he is still one of the best in the country taking home a Silver in the Senior category (formerly Veterans) with a brilliant 98 x100, and Mr Essex himself, John Price, romped home with a well-earned gold medal in the Veterans (formerly Super Veterans class) with a fantastic 94, well done to you all.

Young shots

Charlie Monahan took a Class win at the Southdown winter series winning D class with a fantastic 330 ex 400. FITASC series wins are a real test, especially over the winter we have had with gales snow and freezing conditions. Great shooting Charlie.

Alfie Tibbles has had a good month shooting FITASC and Sporting, finishing in 2nd in Colts at the BICTSF Mount Farm shoot with a 106 ex 150 as well as also taking joint 2nd in Colts at the Essex Masters with a 166 ex 200. Alfie topped these with a win at the U18's British Schools and Young shots (BS&YS) competition at Sporting targets on 21 April. Weather was fantastic for the competition and scores were tight on the U18 Red course with Alfie finishing on 48 ex 50 and Henry Bevan and Ronnie Green(2017 winner) both finishing 2nd. Alfie commented that he was shaking on the last stand he shot (stand 6, 2 targets from a tower) knowing that he was very close to winning. Alfie won the U14's last year and has come on a lot this year to take the HG prize, winning a very large cup (pictured) and a Hatsan Escort gun.

Darcy McBride shot an excellent 30 ex 32 on the BASC green course at the BS&YS taking the U14's Silver Salver. Darcy continues his good results at the schools challenge in March finishing joint 3rd.

Maddie Purser braved the weather finishing in Bronze place at the 1st British Shooting shotgun series at a freezing Nuthampstead on the 17-18 March. Well done, a little warm up for the rest of the series we hope. The Young shots are doing Hertfordshire proud.

With the competition season under way Kent has had a busy month with the first of the Kent Championships kicking off at Dartford Clay Shooting club on 1 April. With entries not as high as previous years due to bad weather conditions there were still some good scores with Bradley Ballantyne scoring a huge 96/283 taking Kent over all DTL Champion 2018 closely followed by Gary Westwood 94/277 taking Kent Veteran Champion, Tanya Kemsley 94/271 taking Ladies Champion and lastly one of Kent's youngest shooters Tristan Hockey 94/271. 2 April Southdown hosted Kent Sportrap with quiet a few entries from Kent again with some outstanding scores, James Attwood 98/100 taking Senior champion Geof Evans 88/100 taking Veteran Champion. Another youngster who put an amazing score in was Daniel King 77/100 taking Colt Champion, Ronnie Green 90/100 taking Junior Champion and last but not least Karen leadsham 83/100 taking Ladies Champion.

Lastly for April we headed back to Dartford Clay Shooting club who hosted Kents UT Championship on 15 April. With entries on a high the rain did not put anyone off with Nathan Hales shooting an outstanding 96/100 taking Kent over all and Senior Champion. Mike Wensley followed closely with a 93/100 taking Veteran champion and Ruben Bower 70/100 taking the Junior title. Sadly there wasn't any

entries for Ladies or Colts on this event.

Well done to each and every single entrant and Kent CPSA board wishes you all the best for up and coming events of which can be found on our website.

What a difference a month can make for the clay season. The weather has started to warm up considerably and we have actually experienced shooting with the sun on our backs. Wonderful!

The month has been a busy one for the Oxfordshire committee, we worked hard to organise the Oxfordshire Cup Presentation Dinner and Dance. Despite it being held on the Easter weekend we had an amazing turn out. The room quickly filled with the 70 people we had estimated would attend. The food and company was great and the evening was a success. Thank you to all shooters who came to support the county, we hope you enjoyed the evening. Thank you to Kim Abbott and Chris Lockwood for doing a fantastic job of being our very own Ant and Dec and

Julian Freeman won the Champion of Champions trophy, I am sure you will agree a great photo, anyone would think he has done this before. The All Round Champion was Tony Robbins, well done Tony!

The Challenge Trophy which many of the county's shooters competed in various disciplines was won by Henry Mitchell, well done Henry, great shooting.

Thank you to Kevin Durrant for representing the sponsors behind this competition and awarding the trophy.

There were over 28 trophies awarded to the Counties Champions across the disciplines, well done to you all.

We have already started to make plans for next years event, dates will be released shortly for you to put in your diary.

I received news from Simon Davidmann of his success in the Olympic Skeet Open Championships which were held at Doveridge over the weekend of 24-25 March. The competition comprised of 200 targets shot over the two day event. The quality of the targets were excellent due to the GB squad training on the same layouts the weekend before. The weather was cold and windy which Simon confirmed is par for the course when shooting this discipline at Doveridge at this time of the year. Simon's first day left him four targets behind the Veterans' leader but he remained focused on the Sunday and won the Veterans title for the first time. Well done Simon.

Please keep me updated with any of your successes. Happy, safe shooting!

Owen Lewis & Jack Onslow, Surrey Colts.

English Sporting

Our competition season started with English Sporting at Southdown on Sunday 25 March. There was a good turnout of 33 Surrey members and very close competition at the top of the leaderboard. Top score and first to claim a 2018 Surrey Crown and maximum Supreme Championship points was Ben Davies with 94. Just behind were Nick Carter, Alex Cobb and Chip Smith each scoring 93. Chip had the consolation of winning the Veterans category. Sarah White maintained her firm grip on the Ladies Trophy with 88. There were no Colts entered but Billy Greenwood won the Junior category with 79. Well done to all of the above – very good scores in every category.

1 April: Our second event was the Universal Trench competition at NCSC Bisley

There were seven Surrey entries and the winner was Mike Davis with 91. Second was Fergus Watson-Hopkinson with 80 and third was Jeffrey Blackburn with 74. Just behind them and winning the Surrey Ladies category with 72 was Jo Watson-Hopkinson. There were no Veterans, Juniors or Colt entries. Don't forget that there is a Surrey Medal up for grabs for the top Junior and Colt at every Surrey Championship this year – you have to be in it to win it.

Olympic Skeet County Championship

Staying at NCSC, we held the Olympic Skeet Championship on Sunday 8 April. This was the second of our Supreme Championship events for 2018 and this was supported by 10 Surrey Shooters who braved this most demanding of disciplines. The good news was that all categories were represented and we were able to allocate all the trophies.

Peter & Jack, IC OSK Champions.

David Dale made a perfect start with 25, ending with a total 95 ex 100 to retain his title. Allen Warren shot the final 50 straight but could not quite catch David but his total of 91 took the Veterans Trophy. In third place was Junior Jack Collier with 88. The Ladies was won by Katy Poulson with 74 while the Colts was won by 11 year old Jack Onslow with a very creditable 67.

Olympic Skeet Inter-County Championship

The South East Inter-Counties Olympic Skeet Championship was hosted by the NCSC Bisley on Sunday 22 April. The Surrey Team of David Dale, Jack Collier, Katy Poulson, Maddy Boyd and Owen Lewis finished as Runners-up to Greater London, but Surrey did well in the individual events, with Jack Collier scoring 91 to claim High Gun, giving him the Senior and Junior titles, and Peter Saich won the SE Veteran's title after a shoot-off. Thanks to Barry, Maria, David and Paul at NCSC for their support.

Forthcoming dates

16 June	Single Barrel DTL Sunday, Bisley Gun Club

1 April: Sussex Universal Trench

Not the best of Easter Weather for the Sussex UT championship held at the NCSC on 1 April but a great day all the same and 14 Sussex shooters shot the championship.

CAESAR

INVICTUS III SPORTING - £4,915 - 10 YEAR
MECHANICAL WARRANTY

The scores were close all the way through and some very sharp angled targets meant we all dropped the odd target as the day went on.

After the final round two veterans, Tim Woodhams and Andy Stratford, were tied on 87 for the top place so a shoot off was held and after 25 targets they were still tied on 23ex25 so a further round was shot and this time 22 for Tim and 19 for Andy.

Results:

Sussex Champion Tim Woodhams 87,23,22
Sussex Veteran Andy Stratford 87,23,19
Sussex Lady Claire Milbourn 77
Sussex Junior Zak Welfare 76
Sussex Super Vet Richard Plester 64

It was nice to see 4 sporting shooters give a Trap event a go, especially nine year old Max Hudson. Many thanks to Barry and staff at the NCSC for putting on the shoot.

8 April: Sussex OSK

The Sussex OSK took place at NCSC Bisley on 8 April 2018. The weather was damp but calm with good targets. Only three Sussex shooters attended the shoot unfortunately. The winners of the categories were:
Overall Sussex high gun and Senior winner

– Michael Gatehouse 72 ex 100
Junior winner – Max Hudson 29 ex 100
Well done to Michael and a mention for Max as this was his first OSK shoot and as you can see from the photo he was very happy. Many thanks to NCSC for hosting the event.

We had a good warm up at Eriswell Lodge over the Easter break that saw us have half a dozen shooters turn up and four have a go's which was great. Thanks to Stuart, Jon and the team for their hospitality. The following week we had our first group shoot of the season at Kibworth Shooting Ground again thank you to Rose and her team for their generosity and continued support.

Scores from Kibby

- DTL - a big 25/74 from Neil Shelby Long, we also had several good 24s.
- Skeet - 24 from Adrian and Sam.
- Sporting - 28ex30 from Sam.
- Sportrap - 20 from Adrian and Dave Lewzey both taking prizes.
- High gun sitting Adrian 73/80.
- High gun standing and overall Sam 76/80.

- The spot prize was won by Paul Bailey. It was a wonderful turnout and hopefully everyone can make the Surrey shoot on Sunday 10 June which will be 50 bird sporting and a 2 man flush – disabled and able bodied pairing – we are seeking sponsors for this event also.

Most importantly some thank you's ...

Tony Cox for donating the £50 high gun able body prize and for refereeing the Sport Trap all day, Solware for donating a slab of cartridges as a spot draw, Fiocchi UK for

their 500 cartridge prize, Easy Hit for their £50 Disabled Sport trap prize and third place glasses prizes, Paul Rendell for his help on the day, Julie for her help with money and scores on the day and finally Alec who pulled everything together.

Forthcoming dates

10 June Surrey, 50 Bird Sporting
14 July Beverley, 75 bird OT REG & 75 bird Sportrap REG

Are your shooting glasses as responsive as you are?

When your sport requires **quick reactions** and **pin-point accuracy**, you need shooting glasses and lenses to match!

"My ProVision glasses and Transitions Drivewear® lenses mean I can focus 100% on my shot and not the changing light conditions. They are a joy!"
Champion clay-shooter, Becky McKenzie

Superb optical performance

Impact Resistant

Polarised & UV Protective

Quickly adapts to changing light

Water & chemical resistant

Our **ProVision** shooting frames with **Transitions Drivewear®** lenses are a sporting combination that's hard to beat. Designed for comfort and suitable for wearing over long periods of time, **ProVision** frames have an easily adjustable bridge plus larger than normal lenses to provide an impressive wide, uninterrupted field of vision. **Transitions Drivewear®** – which combines **Transitions®** light-reactive photochromic technology with **NuPolar®** polarisation – was originally created for drivers. However, its incredible optical qualities have made it the most advanced lens technology on the market and absolutely perfect for shooting, giving a superior visual experience in both low light and bright sunshine!

Newmoon
Insurance

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

AG Adjustable Gun Stocks

If your scores are inconsistent it may be because your gun fit is incorrect, most factory stocks are made to standard measurements, you may not be 'standard'.

A fully adjustable comb which allows you to have consistent mounts may be what you need.

I also fit recoil reducers and adjustable butt plates. Prices start from £180. Cheaper than changing your gun. Fast turn around usually 4 to 5 days.

Shooting Grounds & Clubs

Spitfire Shoot is one of the only purpose-landscaped shoots in the South of England. Set in the beautiful Hampshire countryside we can accommodate all levels of gun from the first timer to the experienced shot looking for pre-season practice. With a wide choice of excellent pubs and restaurants on the doorsteps we'll tailor a day to your individual needs including team building or corporate entertainment, stag and hen parties or just a simple morning or afternoon in the fresh air with friends.

The shooting ground offers a wide choice of stands and can simulate all the popular varieties of game and competition shooting. Our qualified instructors are here to ensure your safety and to provide tuition on all aspects of clay pigeon shooting.

AIMING FOR GREATNESS

The 2016 winner of CPSA World English Sporting title, **Anthony Matarese Jr.** speaks with **Jasper Fellows.**

Two years ago, Anthony Matarese Jr. shot his way into the record books, becoming the first American to win a CPSA World English Sporting title. He returns this year as part of the American team and shoots in the morning on the Saturday/Sunday rotation.

Q. Before taking home first prize at the 2016 event you said it was one of your main remaining career ambitions. With countless other wins, what makes the English event so important to you?

A: Firstly, I was the first American to win it and that is something that cannot be topped. Secondly, when I was young the Americans were so far behind the Brits that we weren't even close to winning any world championships. Realistically the Brits had been shooting sporting clays for much longer

than us and it showed. To be a leading force in closing that gap meant a lot to me.

Q. Do you think there is a difference between competing in the USA and the UK?

A: Historically the targets in the UK were much more challenging than in the USA. Today we see all of the same types of targets in the USA, and even others that are less common in the UK, such as slow 'knuckle-ball' targets and more Sim/True

Pairs. Competitions in the USA generally have more events to shoot and more 'bells and whistles.' I enjoy shooting in the UK just as much as in the USA.

Q. With the A.I.M Shooting School, M&M Hunting & Sporting Clays, a charter fishing company and two young daughters, how do you keep the motivation required to

stay at the top of your game?

A: I simply hate losing. I am a very competitive person. I fish competitively as well. Some American shooters push their level of shooting year after year. I feel I have put in too much work to be overtaken by guys who once could not beat me competitively. It is a tough job to keep up my shooting alongside my other responsibilities. I just wake up early and don't get as much sleep as I should, but that's the only way to keep on top of everything I have going on.

Q. What would you say to young British shooters looking to emulate your success?

A: I had good coaching when I was young. Good technique and repetition is the key to success. The longer you work at it the easier it gets.
