# WELCOME

JULY  
2018

**B**y the time the July edition of Pull! magazine has landed through your letterbox the CPSA World English Sporting Championships will be coming to an end. You will be able to read a full report from the Worlds in next month's magazine, but for now I would like to thank everyone who contributed to this event.

Our summer schedule is now in full swing and at CPSA HQ our attentions now turn to the Game Fair at the end of July. Before that we also have the first ever English Open Sportrap at Bywell in the middle of the month and the DTL Home International among other events.

A special mention must go to Ed Ling who shot an emphatic 200 straight at Bywell to win the English Open ABT at the end of May (report on page 16) well done Ed!

Our Honorary Solicitor Laura Saunbury talks through our legal expenses insurance on page 37 and gives her opinion. I thoroughly recommend reading this for anyone who might have queries about how our insurance can protect you.

We also welcome our new CEO Iain Parker, who will be taking up his role with us on the 16th July. I'm sure Iain will be out and about attending competitions and events throughout the remainder of the season, so keep an eye out for him.

## CPSA AT THE GAME FAIR

**R**eturning to the stunning backdrop of Ragley Hall in Warwickshire, The Game Fair runs from the 27-29 July 2018 and the CPSA will once again be in full attendance.

From 'have a go' stands on the clay line for novices, to our stand on Gunmakers Row, to competitions and events, there will be plenty for anyone visiting across the three days. Clay shooters will have a chance to win a Subaru Forester SUV for a year in The Game Fair Challenge.

We will be working in partnership with Musto again in 2018, so keep an eye out for any additional activity involving the clothing brand.

British Shooting will also be involved

with the CPSA, promoting the Talent Pathway for any individuals displaying natural ability and flair for the sport.

The Champion of Champions competition takes place on the Saturday and will see the top Sporting shooter from each county (nominated by their county committee) shoot a 50 target English Sporting course. The top ten shooters will return for two semi-finals to whittle it down to a final five, who will lock horns in a final to decide the overall winner.

Guy Franklin has made the Champion of Champions something of his own the past two years and the onus will be on all the other competitors to try and deny him from making it a hat-trick of victories.

The Colts Challenge follows on the Sunday and will feature the top ten colts based on CPSA rankings. They will compete on a 25 target Sportrap layout. The top five shooters will then repeat the layout to determine the overall winner.

Last year Rio 2016 Olympic bronze medallist Steve Scott watched on and presented the top three colts with their prizes and this special competition always draws in a crowd making it a unique experience for many of our thriving young shots.

Throughout the weekend there will be the opportunity for visitors to come and meet the CPSA staff on the stand or raise any questions you may have – it is also a fantastic chance for us to meet many of our members who we might not necessarily see during the year.

More information on all our involvement at The Game Fair, competitions and additional activities will all be available on the CPSA website in the run-up to the show.

## NORTH EAST REGIONAL & NORTH AMERICAN FITASC CHAMPIONSHIP M&M SPORTING CLAYS

Hosted in New Jersey, USA on 16-20 May 2018, with over 700 competitors, there were great results for Jonathan Kendall and Martin Myers who were 1st (98) and 2nd (97) respectively in 5 Stand (similar to UK Sportrap) in one of the most hotly contested US sporting clays disciplines. Richard Bunning gained the second best score of 190/200 in Fitasc versus the winner on 191. The results were all the more impressive, not only due to the terrible weather conditions, but also in competition with many of the best US sporting shooters including most of their Team travelling to UK in June for the 'World Sporting'.

## SPORTING TARGETS FITASC SERIES 2018

Sporting Targets of Riseley, Bedfordshire, held a FITASC series in January, February, March and April this year with support from Promatic, CCI and Hull Cartridge.

Having previously won the Sporting Targets FITASC series in 2016, Paul Lovick took home the title for a second time and won a Promatic Automatic Clay Trap in the process. It was a very close run series, with only one point in it, Paul having won two of the shoots and Steve Brightwell one plus one point on the last.

Each shoot was 100 registered FITASC with competitors needing to shoot two from the four shoots to count for the overall high gun and top shots in each class at the end of the series. Prize money and Hull Pro One cartridges were awarded in each class at each of the four shoots to boost the overall prize fund.

8,500 Hull cartridges were awarded over the whole series with 5,100 given out on the monthly shoots and 3,400 passed to the series class winners. Prize money from the individual shoots was £3,100 giving a total prize fund of over £6,800.

Thank you to Promatic, Hull and CCI for their generous support with the series.

**Winners:** High Gun: Paul Lovick – Promatic Falcon Clay Trap, 1st A: Steve Brightwell – 500 Hull Pro One Cartridges, 2nd A: Phil Gray – 250 Hull Pro One Cartridges, 3rd A: Mark Stevenson – 100 Hull Pro One Cartridges, 1st B: Glenn Spalding – 500 Hull Pro One Cartridges, 2nd=B: Ian Schwier – 175 Hull Pro One Cartridges, 2nd=B: Mark Cobbold – 175 Hull Pro One Cartridges, 1st= C: Philip Simpson – 375 Hull Pro One Cartridges, 1st= C: Stuart Chester – 375 Hull Pro One Cartridges, 3rd C: Paul Mudd – 100 Hull Pro One Cartridges, 1st D: Steve Maylon – 500 Hull Pro One Cartridges, 2nd D: John Harrison – 175 Hull Pro One Cartridges, 3rd D: Nick Wood – 175 Hull Pro One Cartridges.

## EDGAR BROTHERS ANNOUNCES NEW PARTNERSHIP WITH FORM RIFLE STOCKS

Edgar Brothers, the UK's exclusive distributor for CZ and Savage rifles, has announced that it will be distributing Form Rifle Stocks specially built for the popular firearms brands.

Devon-based Form Rifle Stocks was established in 2015 by Peter McGregor. As a target shooter, he had grown frustrated with the fact that off-the-peg stocks did not offer adjustability across a range of different stock designs. The company now produces nine different stock designs, all available with a range of adjustability options, including comb and length of pull. The stock's profile can be machined to suit all styles of shooting, be it long-distance target shooting or deerstalking.

Peter commented: "We're excited to be working with Edgar Brothers to produce rifle stocks for CZ and savage rifles. I'm self-taught, so it's incredibly satisfying to see my products being paired with such a well-known and respected rifle."

1979 – 1988

90  
YEARS OF  
THE CPSA

The year 1979 marked the beginning of the Thatcher years - 'Maggie' became Prime Minister on 4 May, heralding a decade that is remembered for, among other things, Yuppies, The Falklands, home computers, big shoulders, big hair, and Boy George.

**B**y now the CPSA was firmly established in its offices at Buckhurst Hill in Essex, and flourishing under director Peter Page supported by a staff that included Michael Alldis and Betty Elms.

Britain had high hopes for the 1980 Moscow Olympic Games, with reigning European Champion trapshooter Peter Croft selected to shoot for GB – but it was not to be. This was the height of the Cold War, and following the Soviet invasion of Afghanistan the Americans led a boycott of the Moscow Games. With individual sports given the choice, British clay shooting, along with hockey and equestrianism, elected to back the boycott, robbing Britain's shooters of their chance at glory that year.

Back home, however, clay shooting – and Sporting in particular – was really taking off. Entries at the British Open Sporting Championship passed the 1,000 mark, with 1,039 when it was held at

West London in 1982. In keeping with the times, the 1980s saw large injections of cash into the sport in the form of lavish sponsorship, both from gun and cartridge manufacturers and from outside the sport, for example from car manufacturer Saab.

Clay shooting was also catching on as corporate entertainment – which was not only good news for clay grounds but also brought new people into the sport, people with no farming or countryside background, who otherwise might never have found the sport. The growth in clay shooting continued regardless of the Firearms Amendment Act of 1988, which brought in tighter restrictions on shotgun ownership, including the requirement for secure storage.

Older members will remember the big names of that era, some of them still shooting at the top level today – people such as Paddy Howe, Barry Simpson, John Bidwell (featured on page 31) and AJ 'Smoker' Smith, who is credited with starting the trend for longer, 32in, barrels and tighter chokes for Sporting.

The latter half of the eighties saw the rise of a new name in the sport. George Digweed, the young butcher's son from Hastings, won the Home International Skeet Championship in 1986 and the European FITASC the following year, and would go on to win multiple titles in the years to come, becoming a veritable legend of the sport.

Plus of course, you have in your hands one significant legacy of the eighties - Pull! magazine was launched in 1988.

Left: Issue 1 of Pull! magazine in 1988.

## THE IAN COLEY COLUMN

LADIES SHOOTING.  
CHOOSING A LADIES GUN

I am delighted to see the number of ladies shooting increasing every year and have to give credit to ladies-only groups such as Femmes Fatales, BASC Ladies Shooting and the Shotgun & Chelsea Bun Club for promoting the profile of the sport. It can be daunting for anyone trying something new, especially a sport which can (wrongly) be perceived as quite inaccessible, and the support network and friendships that these groups provide are invaluable.

Manufacturers have really started to take note and realised that, while some ladies can get away with a well fitted standard gun, there was a calling for guns specifically designed for purpose. The innovator of these was Caesar Guerini with the Syren, and this has provided the blue print for many ladies' guns. Most major manufacturers now have a model – Browning Liberty Light, Blaser Intuition and Beretta Vittoria to name just a few.

So, what to look for when choosing a ladies' gun? A shortened Monte Carlo stock in my opinion is key – the elevated comb fits ladies' higher cheek structure better and therefore keeps the head upright. This is crucial as most ladies are left eye dominant and this will help prevent the shooter rolling their head over the comb. While most ladies' guns are also fitted with a rubber recoil pad, the toe of the stock is also more rounded, which allows the gun to sit more comfortably in the shoulder. The radius of the pistol grip is reduced, making it easier for ladies to reach the trigger without stretching and barrels tend to be 28in or 30in to keep the weight out of the end of the gun and maintain the balance.

**If you haven't already, go to your local gun shop and try a specialist ladies' gun to compare the difference.**

## ENGLISH OPEN SPORTRAP PREVIEW

Following the popularity of Sportrap events at the British Open and the World Sporting Championships, 2018 sees the introduction of a standalone Sportrap competition.

The English Open Sportrap is a new two-day event which will be held at Bywell Shooting Ground on the 14-15 July 2018.

The team at Bywell are no strangers to

holding CPSA events and the English Open Sportrap will comprise of 150 targets shot across six layouts.

With sponsorship acquired by the ground from Caesar Guerini UK, Gamebore and Laporte, there is plenty on offer for those entering.

The Overall High Gun will receive a Caesar Guerini Invictus M-Spec shotgun

worth £3,995, while the winner of each class will pick up a Caesar Guerini Tempio shotgun worth £2,250.

10,000 Gamebore White Gold cartridges also make up the prize pot for the weekend, along with £3,000 guaranteed prize money.

Looking ahead to the competition, John Henry commented, "We are delighted to be hosting the first ever English Open Sportrap at Bywell. We believe the ground lends itself well to having a Sportrap layout and over the past few years we have seen a massive growth in the number of shooters who are participating in our registered Sporting and Sportrap events."

The ground will also be running a 50 target English Sporting course with re-entry available to keep shooters entertained away from the Sportrap. There will be a BBQ on the Saturday evening and Pro Sporting Shoot-Off with £250 top prize, 10 shooters drawn from a raffle to shoot-off.

All bookings are being taken directly by the ground, please call 01670 787827 or email [info@bywellshootingground.co.uk](mailto:info@bywellshootingground.co.uk).

## LUKE TAYLOR TAKES TOP SPOT IN ANNUAL HANDICAP CHALLENGE

The Royal Berkshire Shooting School's popular Handicap Challenge saw motor mechanic Luke Taylor, who has only been shooting a year, take the first prize of a Browning Heritage Hunter shotgun.

Over eight weeks, competitors shot the 100 sporting course at Royal Berkshire Shooting School and then had a handicap system, similar to golf, applied, ensuring a level playing field for all.

This year, the top 40 CPSA-handicapped shots plus the top 20 with RBSS handicaps competed in the final. Oxfordshire-based Luke's score of 86 had already beaten several top shots before his handicap was applied, which resulted in a final score of 99 ex 100.

For further details contact RBSS on 01491 672900 or visit [www.rbss.co.uk](http://www.rbss.co.uk).

## OLYMPIC SKEET ENGLISH GRAND PRIX

The Olympic Skeet English Grand Prix was held in May at Doveridge Clay Sports. Using the new Promatic Signature traps for the first time, they threw good, consistent targets, with very few 'no targets'. Coupled with kind weather conditions, warm, very little wind and good light, there were some cracking performances, including Jeremy (Jez) Bird shooting a personal best (PB) of 198ex200.

No surprise Jez won High Gun with such an impressive score, five targets ahead of his nearest rival, Ed Medforth who also took the Junior trophy.

Jez shot a 100 straight on the Saturday, three targets ahead of Ed, with three others on 95, including Michael Gilligan. Jez went on to shoot another straight in the first round on day two, dropping one target in the next two rounds, finishing with yet another

straight. Ed put in a good performance to keep second position, with Michael moving up the rankings to finish third.

Post event, Jez commented, "I shot the first 125 straight for the second time, but dropped one for the 150 straight, but I was pretty chuffed to achieve a new PB with my Caesar Guerini Invictus 1 and Hull Pro Ones."

In the Ladies, England Commonwealth Games team member, Emily Hibbs set the pace on the first day by posting 90ex100, four targets ahead of Nicki Wakeford, increasing her lead on day two, finishing 12 targets ahead of Nicki, with Junior Lara Dale taking third.

The Veteran Trophy went to Desmond Davies, three targets ahead of Frank Miller, followed by David Clague.

In the Juniors, Ed Medforth's 193 score was eight targets ahead of second placed Mitchell Brooker-Smith, who shot 185 (well above his 'C' classification and still a Colt), one target ahead of Luke Young.

# SHOTS IN THE MAIL

## LETTER OF THE MONTH

**H**i, In your (CPSA's) latest newsletter you state "The new look Pull! magazine published by Fellows Media came out in May. Please note that we are aware that the May magazine was delivered in brown envelopes with CPSA branding on. For the June edition onwards the magazine will be delivered in opaque poly bags as usual - we apologise for any inconvenience caused."

I have no real idea what inconvenience would have been caused by the magazine being delivered in a different style of outer covering. However for longer term sustainability and environmental impact surely paper envelopes rather than poly bags would be the way to go on this. Who controls the policy here - yourselves or the CPSA?

**Neil Francis**

### CPSA Responds:

Pull! magazine has always been delivered in a grey poly bag to conceal the magazine and to protect our members privacy. Not all of our members would like their neighbours or postman to be aware that they are a clay shooter, so we have always taken precautions to protect their privacy.

During the printing process of the May 2018 edition of Pull! our new publishers Fellows Media had quoted to deliver the magazine in a clear poly bag. As this would completely reveal the contents and nature of the magazine, on review together we agreed for a one-off delivery in paper envelopes as an alternative. The envelopes had minimal CPSA branding on the front, though some members still voiced their concern

at this information being displayed.

Due to this, we have opted to resume normal delivery process in a grey poly bag with just CPSA Ltd printed on the front for the June 2018 edition onwards.

With regards to longer term sustainability and environmental impact, the poly bags can be recycled with carrier bags at larger stores (not at kerbside). The poly bags are also more protective for the magazine, as some members received a damaged magazine due to the envelope getting wet. We are reviewing our environmental impact and shall continue to monitor this issue moving forwards.

# CPSA PREMIER LEAGUE OVER HALFWAY THERE

Two shoots in quick succession at the end of May and beginning of June have taken us beyond the halfway point of the 2018 CPSA Premier League.

## SPORTING TARGETS

Sporting Targets held the fifth shoot of the series on Saturday 26 May and there was some superb shooting from all entrants which matched the glorious weather on the day.

There was a five-way tie for second with scores of 90, but John Stanton took the High Gun honours by the narrowest of margins on 91ex100.

The highest scores of the day were achieved by juniors and colts, with Southdown colts Daniel King and Thomas Baker scoring 99 and 97 respectively with their C Class handicaps applied and Westfield junior Jack Tromans scoring 95 with his A Class handicap. Great shooting by all three and fantastic to see the youngsters competing at the top end of the honours.

The Southdown team have been strong across the entire series and took home the top ten team honours with a total of 895ex1000. Cambridge Gun Club and Sporting Targets were close behind on 885 and 850.

“ There was a five-way tie for second with scores of 90, but John Stanton took the High Gun honours by the narrowest of margins on 91ex100. ”

## WEST LONDON SHOOTING SCHOOL

Two weekends later the series rolled into West London Shooting School on Saturday 9th June – the warm weather continued, making for optimum shooting conditions.

Will Hewland took the High Gun honours with a superb 97ex100 ahead of his nearest rival Alec Morris and there was a four-way tie for third on 95.

There were several maximum scores achieved after the application of the handicaps, so well done to Stephen Coningsby, Shaun Veasey, Jackie Vines, Michael Hermitage, Richard Kerry,

Thomas Baker, Daniel King, John Cooper, Colin Mortimer and Jack Tromans.

Team Southdown recorded a second successive highest team score on the day, posting 972ex1000. Cambridge Gun Club and Sporting Targets once again followed in second and third on 960 and 950 respectively.

After six shoots Team Southdown sit top of the pile on 5399ex6000 - three of their shooters; Thomas Baker, Neil Gaff and Kevin Howland hold the top three individual scores, but there's a long way to go and it's the top six scores which will ultimately count for the title.

By the time you are reading this the seventh shoot of the series at Westfield Shooting Ground will have already taken place. You can read all about this in the August edition of Pull! magazine.

Please Note: The team scores displayed in this article are subject to change and may well differ when the finalised scores are published from the shoot on Saturday 9 June is published. 🍷

# ENGLISH OPEN ABT CHAMPIONSHIP 2018

**William Mole** reports from Bywell Shooting Ground on the event that was held on 19-20 May.

**A**utomatic Ball Trap is a discipline requiring aggression, combined with a very fluid and consistent technique. The targets must be set correctly to capture this testing discipline's true character. Bywell shooting ground in Northumberland certainly made sure this was the case.

The four layouts were set among an immaculately presented ground, with not even a flag looking out of place. Although one of the most northern grounds for a major championship the weather could not have been more forgiving. Beautiful sunshine with a very light breeze greeted the 94 entrants coming from all over the country. The ABT championship is one of the classics, hence the impressive collection of silverware available over the weekend.

## STEEPED IN HISTORY

As 10:00 struck on Saturday morning the first squads got underway. Ball trap is a discipline steeped in history and the use of the abacus and the horn coupled with

the shooters running the next line gives a completely different atmosphere. These shooters really do appreciate the effort going into running their chosen discipline.

The format of the running allows the 100 targets to stretch over a longer period of time. This builds some real excitement among the scores, seeing each shooter's individual 25 at a time and being able to track those crucial single targets either gained or lost. The final scores began rolling in late in the afternoon seeing the Ling's topping the first two spots with Ed Ling on 100 straight and younger brother Theo Ling on 99.

The second day of the shoot was once again greeted with fine weather. The cloud cover made the day feel a little cooler and more comfortable than Saturday – not a bad thing at all. There was a great

debate on the colour choice of lenses for which would show that luminous clay against that Northumbrian cloud.

They didn't have long to debate as the squads kicked off at 9:30am. The earlier squads began their 100 in the cloudier conditions

with the sun coming later in the day and changing the light completely. This was another thing that tested the shooters and their ability to hold their own.

...the use of the abacus and the horn coupled with the shooters running the next line, gives a completely different atmosphere...

## 200 STRAIGHT

Later in the day all eyes turned to Ed Ling starting his last 25 targets as he was on for a sensational 200 straight. Watching each clay shot was impressive!

A ball of dust was followed by a small piece coming off with each one broken with that deadly second barrel. A great cheer erupted as he clinched his 200th target to mark the

first time this has ever happened at Bywell Shooting Ground in an ABT championship. His closest rival was Tony Coulstock on 197, still a superb score. A shoot off took place for third overall, with Cameron Hay coming out on top scoring an impeccable 196.

The weekend was concluded by Tony Heeks from the CPSA hosting the prize giving, handing out the vast selection of silverware. It was great seeing a number of lady shooters collecting numerous awards from the weekend. Overall the weekend was enjoyed by all shooters, with the weather being particularly kind. The standard of shooting was impeccable with the top 56 shooters all being in the 90's. Another great event at Bywell and I'm sure it won't be long until the next major championship here in the North. So remember next time. 🍷

## English/British Open All Round Championship 2018

**William Mole** reports from Bywell Shooting Ground on the events held on 19-20 May.

**E**very seasoned clay pigeon shooter has their favourite discipline. The people in the trap circuit very much stick together, whereas the sporting and skeet shooters usually shoot a bit of each other's discipline. All round is a truly exciting discipline to shoot, and it really shows who has the talent and ability to shoot to a high standard.

The 2018 English Open All Round ran alongside the English Open ABT Championship at Bywell Shooting Ground in Northumberland. The ground had a fantastic, buzzing atmosphere with the two prestigious events taking place together.

The first squad was ready and set to start for 10am with another ten squads to follow. The first discipline of single barrel really puts the pressure on, with

those who would normally flourish at DTL often fall foul of only having the one cartridge to do the job. Following the single barrel comes the ABT.

This discipline is much more flowing and aggressive, often well-shot by the sporting shooters who, although not seasoned on this discipline, do well.

The skeet brings more pressure with the top shooters wanting no less than the perfect 25. Sporting is the next discipline where dropping a target or two is nearly a certain, highlighting the importance of shooting the previous three disciplines to perfection.

The sporting course was technically challenging, with a talking point being the last stand, a left to right looping clay in a shallow gap between trees, coming within 15 yards of the shooters. Some got onto it well, while many others struggled with their score hurt by this one target.

Later in the afternoon the scores began rolling in. Paul Foster and Richard King tied on a very impressive 96, with the closest rival being Kelvin Walsh on 95. They came together for a tense shoot off which would take place on the skeet layout. Both gentlemen were straight until peg three when Paul narrowly missed a single high bird. The rest of the line was shot straight by both with the final scores of 24 and 25 meaning a narrow win for Richard who claimed the English open 2018 championship. The next shoot off

was for first in A class with

Stuart Kitchen and Michael Newby tied on 93. Stuart got off to a bad start missing the first bird out but recovered after that, with Michael shooting very consistently to take the A class win on the day.

The next day would see a contest between similar competitors for the British Open All Round Championship.

It was another toughly fought battle, with Gail Barclay setting the benchmark of 95, and went on to take the ladies high gun for both days.

Paul Foster and Richard King would top the score boards again with Paul shooting a superb 99. Richard shot incredibly but could only put in a 96 allowing Paul to turn the tables from the

day before and come home with the British Open All Round Championship.

There was a shoot off but this time it was for third overall between Gail Barclay, Ian Mullarkey and Colin Will. With Ian's chosen discipline being DTL it was ironic that the shoot off was on single barrel, allowing Ian to win to take the last step on the podium of third overall. Archie Pope took a clean sweep in colts, winning the title on both days with a very consistent 89. 🍀

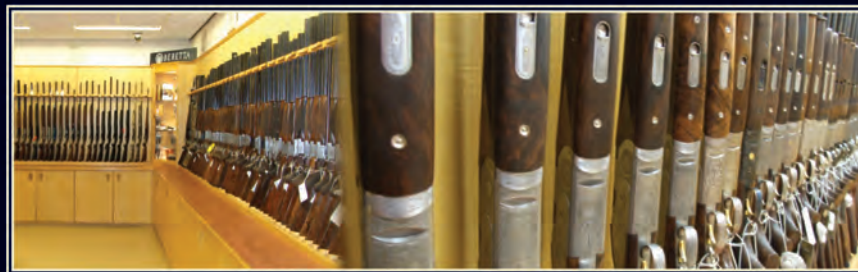

**Above:** Shooters Marc Watson & Dave Wooley tacking the tense single barrel. **Above right:** Richard King claiming the English open title. **Left:** Paul Foster in a tense shoot off on skeet for the title.

“All round is a truly exciting discipline to shoot, and it really shows who has the talent...”

# English Open

## English Skeet

**Sarah Daly** reports on the 25-27 May event at the National Clay Shooting Centre.

There were variable weather conditions throughout the three days of the English Open English Skeet for the 204 competitors, with most of the six straights shot on Saturday, the windiest day, only one shot on Sunday which was the calmest day!

Jonathan Hall was not present for the High Gun (HG) Trophy shoot off, leaving David Morgan, Junior Tom McGregor, Martin Elworthy, Steve Leppington (who won the Veteran HG) and Richard King to battle it out for the podium places.

David and Tom shot 25 straight; Martin, Steve and Richard all dropped one target in the shoot off round, which meant they went into a 'sudden death' shoot off from station four, and what a marathon that turned into with Martin taking Bronze medal with 32 targets.

David and Tom settled the top two positions with David taking the High Gun on +16 to Tom's +15, giving him Overall silver to add to his Junior trophy.

David is no stranger to the podium commenting: "I definitely still feel proud to stand on the top spot. Even though I've won some good events, it feels good to know I still have it! I've shot 140 odd straights now, but still get a buzz when I shoot another one!" Interestingly, David shoots a Beretta Teknys Gold and Gamebore steel shells 29gm 9's.

Tom's result was impressive as his main discipline is sporting: "I have only shot 50 skeet targets this year – I came to this event to work on my concentration for sporting, so I am really pleased with my result today." When asked about his success: "The Krieghoff K80/Hull Sovereign combination works really well for me, but I also owe a huge part to my parents for supporting me and the sponsorship of Landmark Scaffolding and Fornham Business Court."

16-year-old Megan Jones also had a good day, taking top spot in the Ladies after winning the shoot off against Chris Lancaster, silver in the Juniors and Bronze in 'A' Class.

Megan's father and brother Callum also shoot, she said: "I joined in as it was something to do with the family. I was disappointed to drop one target today as I won the British Open Skeet Overall in 2017, but three medals is still quite a good result." Megan has an impressive list of sponsors: David Beardsmore, GMK, Vario, RE Rangers, Laporte CPC and JCB

Ross Lester was no slouch winning the Colts HG on 99, four targets ahead of his nearest rivals.

## ATA SP BRONZE //

## GUN

## REVIEW

THANKS to Ian Coley Shooting School.

Representing outstanding value for money, there has been a lot of talk about the ATA Bronze Sporter in recent months – but does it live up to its hype? Let's see...

## ATA SP BRONZE

RRP: £599

[sportsmanguncentre.co.uk](http://sportsmanguncentre.co.uk)

ATA are an established firearms manufacturer from Turkey brought into the UK by Sportsman Gun Centre in Devon. The main talking point around ATA is based upon the amazing value for money that they seem to offer.

The gun on test was the 30in multi-choke variant (five chokes supplied) in 12 bore (not yet available in any smaller yet) with 3in chambers, ventilated rib and barrels and weighing in at just under 7½ lbs. There is an option for a 28in version

if a shorter barrel is preferred.

On taking out of the packaging, we were immediately impressed by the bronze finish on the action. At a quick glance you would swear that you are looking at a variant of the Beretta Silver Pigeon.

The machining and engineering is top notch, wood to metal fit is spot on and it comes to the shoulder very nicely. It is clear that ATA have invested substantial sums in their CNC machinery and it really does show. This is not a budget gun that feels like a cheap copy. We were surprised to see that the gun ships with five chokes and even a branded velvet sleeve for both the stock and barrels.

We found the stock comfortable and length of pull was 14¾in, which is pretty standard on new guns. Recoil was normal and not at all significant which can sometimes be an issue on guns at the bottom end of

the market. It really is very hard to point out anything negative about this gun. If pushed, maybe we could say that the wood on the stock is quite plain and the rubber recoil pad didn't look quite as finished as you would expect on a new gun. We also found the choke key rather uncomfortable, it's an odd shape (20g, 12g and 28g on one key).

If the bronze finish isn't to your liking then they do have black, silver and nickel options in the range and all at the same price of just £599. There are even youth variants

in the range and the Elegant sideplated sporter too but that does retail for a higher price.

We honestly don't feel that you can go wrong with the ATA SP gun – it's amazing how much you can get for your money. Any reservations would only be based around residual value – we suspect that you may get a better trade in price for one of the other more established brands.

If you are in the market for a new shotgun then you should add these to your shopping list without a doubt.

# Shooting a low incoming target

CPSA Level 3 Senior Coach **Simon Arbuckle** continues his popular series with advice on how to shoot an incoming target beneath your feet.

**T**his month we are tackling a low incoming target, shot from a raised shooting platform. Unlike many Sporting targets, this doesn't really simulate anything you might encounter in live quarry shooting – but it's the sort of thing that a course setter might add on a Sporting layout to add some interest and variety to the stands. It is certainly something a bit different, and if you haven't encountered it before it can be quite disconcerting to have a target flying in to land beneath your feet.

Here we have a raised wooden platform for the shooting stand, overlooking a grassy area and a field

beyond. The trap is to the right, in front of the bank, and is marked by the right-hand Browning flag in the picture. When you call "Pull" the trap throws a blaze orange standard clay low to the ground, straight towards the shooter's position. If you don't shoot it, it will hit the ground under the shooting platform, directly below your feet.

This target has its own set of problems that you need to be aware of and deal with. It creates the illusion that it is getting faster the closer it gets – you will feel that it needs more and more lead.

In reality, of course, like any clay target, it can only slow down the farther it goes from the trap. The illusion is the result of geometry, speeds and angles – the

target may be slowing down, but its angular velocity is accelerating.

In fact it's the same thing you experience with a driven target passing over your head. In the early part of its flight, for every five yards (or metres) the target travels, you move the gun just a tiny amount to keep up. As it passes over your head, five yards travel requires a huge sweep of the gun to keep up – hence that growing sense of urgency as the target gets closer. That's why you try to shoot that target well out in front before it's over your head – or in this case, under your feet.

## THE CPSA 'METHOD'

We are going to shoot this target using the CPSA 'Method'. As always that means I need to establish where I am going to break the target (the Break Point), where I first see it clearly (the

“ It creates the illusion that it is getting faster the closer it gets ”

Visual Pick-Up Point), and therefore where I am going to hold my gun (the Gun Hold Point).

First, the Break Point. I don't want to shoot this target right under my feet, for the reasons described earlier. Instead I want to break it somewhere around a half to two-thirds of the way along its flightline, giving myself sufficient time to shoot without leaving it too late and making it harder than necessary.

Next, the Visual Pick-Up Point. The trap is clearly visible here, so it's a simple matter to watch and decide where I first see it clearly, rather than just an orange blur as it comes off the trap arm. If there are shooters ahead of me, I will watch

the target when they shoot – if not, I must make my decision when I call to 'see' a target.

Finally, my Gun Hold Point. As always, this will be between the Visual Pick-Up Point and the Break Point. Exactly where along the target's flightline this will depend partly on my own style, timing and so on. The right Gun Hold Point for me won't necessarily be right for you. Experience will help you pick the right point, but the important thing to consider is timing. When the clay appears, you want the muzzles to lock onto it smoothly and swing with it. You don't want to rush to catch up with a target that has already overtaken the gun – but neither do you want to check your swing to allow the target to catch up. As we've said before, after your first shot or two, pause and replay it in your mind. Did your gun come naturally to the target and lock on – or did you have to correct? If so, think about adjusting your Gun Hold Point accordingly.

So now we are all ready. I align my feet towards my Break Point, and mount my gun to that point. I swing back along the flightline towards the trap until I

reach my Gun Hold Point. Then I drop the gun slightly from my shoulder, and take my eyes back to my Visual Pick-Up Point. I call for the target. When the clay appears I focus on it, lock on to it, move with it, pull ahead and shoot in one smooth movement, keeping the gun moving. One point to remember here is to keep your weight forward, on your front foot, to assist with the movement of the gun.

I have described the ideal situation, where you have a free choice about where you take the target. There may be occasions where you are forced to take the target later than you might like – perhaps because of a restricted

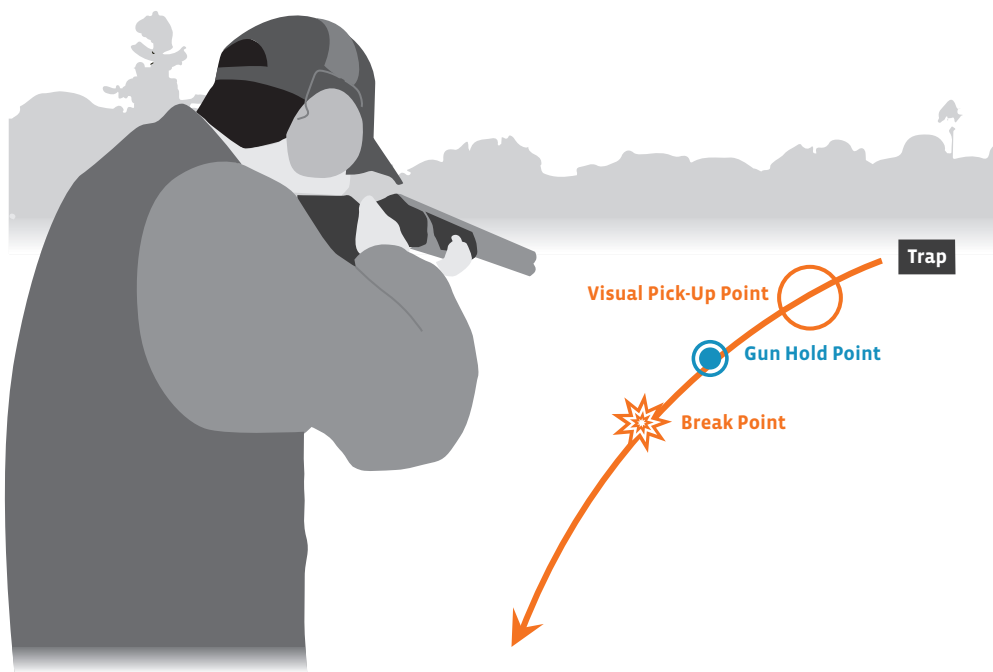

view, or perhaps it is one of a pair and there simply isn't time to shoot it sooner. In this case, the method is the same, but you will need to exaggerate the swing and lead, as the target's apparent speed – its angular velocity – will accelerate as it gets closer. 🍷

# KEEP IT LOCKED UP

Honorary Solicitor **Laura Saunbury** answers members' questions on gun security.

## Q Do I always need to install a gun cabinet for storage of guns? If not, what other options are available to me?

Yes, anyone who is going to store guns at home regularly will be required by their local police to install an approved lockable steel gun cabinet in order to prevent access to their guns being gained by unauthorised persons, including other members of the certificate holder's family. For occasional overnight storage of one or two guns, e.g. where the guns are normally kept at a gun dealer's or other certificate holder's address, then heavy duty cabling and locks may be considered acceptable. The other option is to have a dedicated 'gunroom' if your circumstances permit it. This

[cpsa.co.uk](http://cpsa.co.uk)

will be expected to have a solid construction and a reinforced metal door.

## Q Does a cabinet always need to be secured to an external wall and floor?

The cabinet should be securely fixed to the fabric of the building, ideally by securing it to the floor and an external load bearing wall, although the police will recognise that this can sometimes be difficult if you live in an apartment block or other multi-occupancy dwelling. Securing the cabinet to internal partition walls is to be avoided wherever possible.

## Q Can I have a cabinet upstairs?

Yes, absolutely, and if anything that is to be recommended as

it reduces the likelihood of the cabinet being noticed from outside the property or by casual visitors to the house.

## Q What security measures should I take when transporting my gun and also if staying away in a hotel or guest house?

While travelling, stow your guns and ammunition out of sight in your vehicle and unless it cannot be avoided, do not leave them in your car unattended. If you do need to leave the vehicle, break the gun, put the stock in a bag and take it with you. Always travel with the ammunition separate from the guns. Never leave your guns in your car overnight, no matter how sophisticated the alarm system, immobiliser, and so on. If the hotel or other accommodation where you are staying cannot provide specialist gun storage facilities, take portable locking devices with you. Bring your guns into the room where you will be sleeping and lock them to an immovable object such as a radiator, wash basin or the sturdiest piece of furniture in the room.

## Q Does a cabinet always need to be hidden out of sight?

Yes, in as far as possible. The cabinet should not be visible from the street to passers-by, nor should it be obvious to casual visitors to the premises. Security always involves an element of being discrete; wherever possible consider siting the cabinet inside a built-in wardrobe or cupboard which will conceal

it from view. Alternatively, locating the cabinet in the loft or cellar so that it is well out of sight will be welcomed as an additional level of security.

## Q Can glass fronted cabinets ever be used?

Yes, in certain circumstances, although that is subject to the comments in answer to the previous question above. If you are going to opt for a glass-fronted cabinet the police will expect you to demonstrate that it has been manufactured from sufficiently strengthened and reinforced glass to resist all but the most determined attack.

## Q What do you recommend for the safe storage of keys to cabinets?

You should never leave your cabinet keys lying around so that they can be picked up by anyone, not even other members of your family. If you do not want the inconvenience of keeping your cabinet keys on your person at all times, consider storing them in a separate safe with a combination lock, to which only you know the code.

# WHAT'S IN MY KITBAG

**Jasper Fellows** takes a look at the gear that helps make **John Bidwell** great.

There aren't many shooters who have had as much impact on the sport as John Bidwell, the 13-times FITASC Sporting World, European and British Champion, inventor of the Auto Sporter Clay Trap machine, author of *Move, Mount, Shoot: A Champion's Guide to Sporting Clays*, owner of one of the finest shooting grounds in the country, High Lodge, charity man and friend of the CPSA. It's fair to say John knows his shooting. It is also fair to say there are few people out there better to learn from, so it is with a keen interest that we delve into John's kitbag.

## GUNS AND AMMO

Fifteen years ago John joined forces with German manufacturer Blaser to help them design a new competition level shotgun, the result was the beautifully functional F3. Often described as the Porsche of the shotgun world, it is still John's go-to gun on the stand. Generally, John sticks with his half and half chokes to bring the shot pattern in slightly

and keep variation from barrel to barrel minimal. As for his choice of cartridge John likes his Eley Hawk VIP Federation cartridges. These cartridges are famed for their reach and clay breaking power which allows John to hit clays most of us would think were out of range.

## DRESSED FOR THE OCCASION

When it comes to clothing John usually likes to keep it light, "I don't often wear a skeet vest," explains John, "I prefer my lightweight sports polo shirts, which have my FITASC Line embroidered on them along with my sponsors and my own shooting ground, High Lodge Leisure's, logo."

To make up for the lack of pockets John usually combines this with his Castellani Cartridge belt pouch, to keep those VIP's at close reach. The importance of hearing protection

cannot be understated, John wears his Peltor Bullseye 1 ear defenders, a simple but effective option that have a combination foam/fluid filling for a good balance of protection and comfort.

As for shooting glasses, John carries his Pilla Outlaws with a selection of interchangeable lenses.

These, along with his F3 branded baseball cap, allow him to keep his eyes on the prize regardless of the lighting conditions.

As John spends so much time out on the stands shooting, he also likes to keep sun cream close by, along with a bottle of water and energy bar to keep his sugar levels up throughout the day. Ever the savvy businessman he also carries his business cards, pens and a pad for notes and score taking. Rather brilliantly John also carries a small foldable travel stool for when he is waiting between stands.

There aren't many shooters who have had as much impact on the sport as John Bidwell...

# FITASC Sporting European Championships

Sarah Daly reports back on the FITASC Sporting (FSP) European Championships.

The FITASC Sporting (FSP) European Championships were held in early June at the stunning ranges of Piancardato Shooting Ground, Italy, in near perfect weather conditions of mid 20s to mid 30s with little wind. There was a good variation of fair and shootable targets which clearly agreed with the GBR teams, given their success of a rake of medals.

Josh Bridges put in a truly impressive performance to take the Junior Champion trophy by seven targets from Italian Cristian Camporese. Josh was also in the top two overall scores on the first three days, just to dip out on day four.

Josh who shoots a Browning 725 Pro Sport/Chedite Mach 3 combination said: "I shot 50 targets on the practice day to get the feel for the terrain, so I did feel confident going into the competition. I was determined to win the European title as this is my last year in juniors, so it felt amazing to come away with the trophy.

"It really helps to have so much support, like Browning who contributed to the trip, Malmo Guns organised the cartridges with Chedite plus the support from my other sponsors: RE Ranger Glasses, Promatic, Dales Subaru and Coniston SG who all helped me a lot."

The Junior Team's win was six targets ahead of Italy and a massive 28 targets ahead of France; but it was the Ladies Team who really put in a gutsy performance to take Gold: France held what would normally be considered a fairly unassailable lead of 21 targets ahead of GBR at the end of day three, but our Ladies dug in and

took the title by one target – just an example of how nothing is decided until the last shot is fired!

The Men's Team had a really unlucky call, finishing on an equal score with France, but lost on countback which always hurts. The Senior and Veterans Teams' Gold medals never seemed to be in doubt as they both held the lead from day one; the Seniors beating Italy by 30 targets and the Veteran's winning 14 targets ahead of Italy.

Team Manager Nick Woodward commented "I was very proud of our teams' results and their behaviour and sportsmanship was impeccable. The event was very well run, with plenty of side activities for spectators and competitors, creating a really festive atmosphere."

## Keeping focused

It takes a lot of concentration to shoot well. In the past I would often let my head drop when I did badly on a stand, which would usually mean the next stand was also a poor one. Over the last six to nine months I have concentrated on not letting a few misses ruin my whole day.

### Some tips:

- Never judge your scores on each peg with the rest of your squad.
- Forget about the misses and concentrate on the hits and the next target.
- Always look for the hold and shoot point, it may look strange but use your hand to follow the target.
- Don't let your head drop – stay focused and positive.
- If I can, I walk the course to get an idea of the first few stands.
- Other shooter's advice is great, but use it in practice and not in a competition, it can really put you off.

## A DAY IN MY LIFE: COMPETITION DAY: BICTSF UK COMPAK 2018

### SATURDAY

**9:00pm** – Bags packed, early night as the clocks change.

### SUNDAY

**7:00am** – Wake up, shower, dress and quick breakfast.

**8:00am** – Leave home, 1h45m journey to Barbury shooting ground.

**10:00am** – Arrived at Barbury in plenty of time. Checked in.

**10:30am** – Walked around each layout to have a look at the targets.

**11:00am** – Arrived at layout 1, met squad members, including Ronnie Green, who earned a GB cap at this event. Final check on chokes and cartridges then to peg 5 where I start.

**11:24am** – Started layout 1, shot a 22ex25, layout 2 18ex25, shooting from high up, lots of low targets a little more challenging. Layout 3 some trap issues so a little delayed, 19ex25. Layout 4 great targets, a rabbit and a quick crossing mini 19ex25.

**2:00pm** – Finished shooting, handshakes to the rest of the squad and thank the referee then back to the clubhouse to check the scores. I'm leading with a 78ex100 but there are quite a few Colts left to shoot.

**5:00pm** – Back to the ground. Layout 3 has a backlog of shooters, so I chatted to Charlie Soanes and Brody Wollard before they finish.

**6:30pm** – Final scores in. I finish 3rd behind Steph Meachen 90ex100 and Ollie Keates 81ex100. I watch the shootoffs then back to warm up in the clubhouse and trophy presentations. I win a cup and a bronze medal for third. Very happy but knew I should have hit a few more.

**7:45pm** – Left the ground, slept in the car and arrived home at 9:15pm, pretty tired. Bit of homework then to bed. A great day, always good to see shooting friends. Many thanks to BICTSF and sponsors for the Colts trophies. Roll on the next comp!

## Focus on Elise Dixon

Elise Dixon (aged 15 years) switched sport in 2016 after she attended a British Shooting Talent Identification Day.

Elise was a ballroom and latin dancer, but after a couple of clay shooting lessons with her grandad she decided that she loved shooting and joined the CPSA. It was here she found out about the Olympic pathway. Although she had no idea what this entailed and had barely shot 200

clays. But, Elise was offered a place on The British Shooting Talent Hub in 2017 and hasn't looked back since.

She has worked hard to build the basic skills and has progressed quickly. By

September 2017 she had Aaron

Heading as her personal coach, won The Norfolk Ladies ABT Championship and had set her sights on Team GBR for 2018.

In 2018 Elise has been out to compete in Malaga for the Olympic Trap Grand Prix (January) where she won Junior Ladies bronze, followed by another international competition in Portugal in March. Elise did not medal here, but put in a respectable score of 94ex125, and was then offered sponsorship by Anglo Italian Arms for a Caesar Guerini Syren.

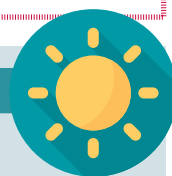

On 5 May Elise competed at the Olympic Trap British Grand Prix where she secured her second Junior Ladies bronze with a score of 162ex200. In what is predominately a male orientated sport and standing at only 4ft 11in, she continues to turn heads with her ability and strength when handling her 12g shotgun.

**Elise is currently sponsored by:**  
Beverley Clay Target Centre, Malmo Guns, Priory Clay Target Centre, DryFire, Anglo Italian Arms

## MY TOP TIPS FOR SHOOTING IN THE HEAT OF SUMMER

Stay hydrated, drink plenty of water. Wear sun block – concentrate on your neck, ears and arms as they are the most exposed. Think about clothing and be prepared for all weathers. Barrels can get hot and stay hot, lightweight gloves can help protect against burns. Lens cleaners and baby wipes are a must, as dust can smear and scratch your glasses and nobody wants dirty, grimy hands while shooting.

# Legal expenses *insurance*

Laura Saunsbury shares the benefits of your CPSA membership.

In May's issue I outlined the free legal advice helpline for members. This month I focus on the legal expenses insurance, another valuable benefit of CPSA membership, and how it can fund your legal fees when you need further help from a solicitor. So what does the legal expenses insurance cover and are there any circumstances in which you might be unable to claim on the policy?

There are essentially two types of legal proceedings where the insurance will pay your legal fees. Firstly, if you are facing prosecution for a criminal offence as a result of participating in CPSA endorsed activities, it will cover all of your defence legal costs, including an appeal against conviction or sentence if required. Fortunately, such situations rarely arise.

The vast bulk of claims under this policy are legal proceedings in relation to the police revoking, suspending or refusing to renew your shotgun certificate. As a result of police budget cuts and mergers, an increasing number of members are experiencing frustrating delays with certificate renewals. It's therefore unrealistic to expect that the insurance will pay for a solicitor to intervene and chase up the police on behalf of every member whose renewed certificate is overdue. However, where the delay is exceptional and/or the police appear to be stalling because they are contemplating refusing your renewal, then the insurance would probably cover your legal costs. If you receive formal notice that the police have decided to revoke or not renew your certificate, you will be informed of your right to appeal to the Crown Court. The insurance will then cover all your legal costs, provided your appeal has sufficient merit.

## LEGAL OPINION

Turning to that issue, it's important to appreciate that even if your situation falls within the terms of the policy, you do not have an automatic or absolute right to have your legal costs paid by the insurance. The insurers will

require a legal opinion, usually from me as the Association's Honorary Solicitor, to satisfy them that your prospects of success with the case are greater than 50 percent, i.e. that funding your solicitors' fees is more likely than not to achieve a successful outcome for you. Clearly, if the insurers agreed to fund every claim, even where the police action is justified as the member is entirely at fault,

the cost to the Association of the annual insurance premium would no longer make it viable to provide this benefit to members.

Like any insurance, there are certain restrictions to this policy. There are several key points to note:

1. The legal expenses policy only comes with full, i.e. competition membership. So if you're not currently a full member, consider upgrading your membership. It's surely worth the small increase in annual subscription to know you have legal costs

covered, should you ever need it.

2. The insurers will only pay your legal costs if they have approved your claim at the start of the case. So please don't assume you can simply wait till the end and when you get your solicitors bill send it to the CPSA insurers to be paid.

3. Your legal costs will only be

covered if you have notified the insurers, or me as the honorary solicitor, within 60 days of it becoming apparent that you may need to make a claim on the policy. So don't let the situation drift on for months before seeking advice.

4. The insurance does not include appeals against refusal to grant a certificate, even if you had one previously.

5. If you also hold a firearm certificate this will not be covered as the legal expenses insurance purely protects your shotgun certificate. If the police revoke or refuse to renew both your certificates the insurers may agree to pay only part of your legal costs, the proportion paid depending on the particular circumstances that gave rise to you being denied your certificates.

6. Ensure your membership is always renewed on time. If it lapses and you then have a legal problem, renewing your membership late won't backdate the insurance cover.

Finally, if you need legal advice, don't delay, contact the CPSA today.

...members are experiencing frustrating delays with certificate renewals...

### 6 May: The North of England ABT championship

Held at Bywell Shooting Ground the competition saw 47 competitors take part from all over the region. The targets, as always at this premier plus ground, were set to the required standards and the weather was exceptional with bright sunshine and a little breeze making the targets clearly visible to all shooters taking part. There were eleven

25 straights recorded throughout the event from all classes of shooter and numerous 24's, showing clearly that only those with the highest resolve would be successful at the culmination of the day. Indeed at the half way stage there were four shooters with scores of 48x50 and many other shooters with 46x50 so any errors in judgement by these competitors would be costly to say the least.

The event also encompassed the Northumberland championship, with over a third of entrants coming from that county. Mr E Cutter and Mr D Wooley maintained their lead throughout the event, resulting in both shooters being tied at the end of the day on excellent scores of 94. Three other shooters, Mr P Killingley, Mr J Thompson and Mr I Ainsley at the event's end also posted scores of 94 which resulted in a very tense five-way shoot off, the result of which saw Mr Ainsley take the North of England High Gun and Mr Cutter take the Northumberland championship.

Special mention must also go to Cory Doble from Durham, the only junior attending the event. Despite having a bad first round Cory clearly dug deep, shooting the next seventy-five targets and dropping only four birds, resulting in a very respectable score of 90. A truly remarkable achievement considering his young age of only 14 and he was justly rewarded by receiving his class badge from Mr Richard Henry. I have no doubt that Master Doble will achieve much success in the future if he continues his shooting career in this way and will most certainly be one to watch in coming events.

Iain Ainsley

### North of England Skeet Selection Shoots

We are now half way through the North of England Skeet selection shoots for 2018. The first shoot took place at Beverley on 4 April and what an excellent turnout it was too, with

over 50 entries. It was cloudy, but thankfully no rain which had been forecast and hardly a breath of wind. 100 straights were expected but it wasn't to be. There were some great high scores put in over the course of the day, but it was Robert Jones who was High Gun, shooting a 99x100 with quite a number of shooters posting 98's and 97's just behind Robert. It was also nice to see some new faces shooting skeet this year in all categories. Thanks to Ian and all the staff at Beverley for a good day, which ran smoothly.

The second skeet selection shoot was held at Bywell on Sunday 6 May and what a glorious day it was, wall-to-wall sunshine, hope that weekend wasn't the summer! Again an excellent turnout and some high scores, this time we had a couple of 100 straights from Barry Bell and Gary Cooke, very well shot.

Just a reminder that if you've expressed any interest to try for the National Skeet Inter Counties team event to be shot at Nottingham in October you need to let me have your scores no later than 8 July. Full details for this and all selection procedures can be found on the CPSA North of England website and on posters at all the grounds, also in the March Pull! magazine. **Liz Shanks**

### 5-6 May: DTL team selection shoot

Following on from the England DTL team selection shoot at Beverley last weekend (5-6 May), congratulations are in order to the North Region shooters who made the England Team for the forthcoming Home International and European DTL events at Mid-Wales in July, and especially to Paul Chaplow (NR Vice-Chairman) on his record 16th consecutive cap and second time as captain – a feat only achieved by four other shooters in the past, with none making it three times. Who would bet against Paul on that?

### 29 April: Blackpool Lancashire Sportrap Championship

Held at Blackpool Sporting Clays. This was the first registered Sportrap to be held at the ground and it was well received. The targets on offer were to the usual high standard normally set by the team at Blackpool

Sporting Clays and there was praise from competitors that shot the event. There was something for everyone across the four layouts, showcasing an interesting array of targets and angles with some proving tricky for some of the competitors. In conjunction to the Lancashire Championship there was also a have-a-go day for Squadron 177 of the Blackpool Air Cadets. It was great to see ages young and older breaking some clays!

The Lancashire Champion title was taken by Austin Coxhead with a score of 95ex100 which was also HG,

The Veterans prize was won by Graham Stirzaker 89ex100. The Junior title was won by Joshua Bridges 92ex100. The Ladies prize was won by Janet Spence 64ex100. The Colts prize was won by Brent Singleton 52ex100. Well shot and thank you to all who participated.

the county, a far cry from days not too long ago when we were lucky to get 20 to the championship shoot. As one would expect all of the county's great and good were in attendance and while not choosing any favorites one will extend, well done to all. There were few surprises in seniors where Sean Ponting 94, Adrian Johnson 91 and Shaun Porter 91 lead a stellar name list. In veterans Clynton Warren and Kevin Childs led the pack both shooting an 89. However in the ladies there are new names in the frames in Lucy Harvey 85 who also won B Class. Another big score and class win in C for Jennifer Young 84, the very day after also winning C class at Westfield. In Juniors Luke Russell and Olivia Lowe both shot well and one hopes they continue and further ambitions and challenge to shoot at the IC later in the year. By the time this lands on mats the second Longridge shoot and the selection shoot at Westfield will have been held, do keep an eye on our Facebook page as Doug will have updated the placings as soon as the completed scores are in.

The English Open at AGL drew 26 of us from the county. It was very much a challenge and like many one heard of the weather playing its part. It was tough in places, that said very well shot Steve Clarke 105 just losing out on a 3rd spot in AA in a shoot off, in B class Blane Boon shot a 92 for a top 10, no mean feat at all.

At our other shoots in county, at lan Coleys a 95 by Nicholas Portlock for 3rd in AA, in B Clappy Clapton shot a stunning 89 (he had gone targets only, oh dear and opps). B going to Sean Foley and Doug Pinnegar 81 and Joanna Herbert 80, in C a joint first by Martin Young and Rich Moreing 78.

It was the colts enjoying the spoils at Gloucester, on 6 May in ESK Brett Powell 93ex100 and on 13 in OSK Mitchell Brooker-Smith 86ex100, very nice to see juniors and colts shooting so well in the county. Please do forward all news and views, no keeping good and glorious deeds too quiet, that said well shot to the counties finest chippy Lee "Bagger" Newman his 92 taking high gun at Oakedge on 20 May.

#### The Ladies English Open

Staffordshire's Junior Lara Dale continued from her success winning The Ladies English Open Title last month to compete at The OSK UK Championships and England selection shoot this weekend at South Wales 2000.

Shooting 200 targets over the two days Lara performed well in testing conditions shooting her PB, scoring 90/100 and 87/100 finishing 9th overall, Lady High Gun and so taking The Ladies UK Champion Title for 2018.

After two days of qualifying rounds, Lara finished in joint 1st for the Junior ladies' title and joint 4th with two others to gain her place in The Senior Ladies Final.

After a sudden death shoot off Lara won silver in Juniors, missing out for the top spot

by one target and so went into the senior ladies final feeling disappointed in 6th position.

Despite this Lara shot extremely well in the final and fought hard to move up to 3rd position equalling Elena Allen's score but ultimately was eliminated on bib number to take bronze. Olympians Elena Allen took silver and Amber Hill gold.

Another great result up against the Country's best and another two well deserved medals.

#### Congrats to Leah

Many Congratulations to Staffordshire's Leah Southall, who over the bank holiday weekend secured herself a well-earned place in this year's England Ladies DTL Shooting Team.

#### West Midlands Area Skeet Championships

### 20 April: Single Barrel

The 31 shooters couldn't have had better weather. Niall Crumpler from Norfolk, shooting on the first squad of the day, carded a 99ex100.

Adrian Snell fell short of making Niall shoot again as did Geoff Howlett from Suffolk, both shooters scoring 98. Niall's score led from the beginning, giving him his first Regional title.

In Seniors a shoot off was needed between Adrian and Geoff for second and third. With Geoff recording a perfect 25ex25, Adrian settled for third.

In Ladies Hazel Whiten from Cambridgeshire took another title with a win over Audrey Smith from Norfolk, Hazel carding an 85.

In Veterans Barry Dunmore from Lincolnshire's score gave him the Veterans title. Silver medal was Richard Gilbert from Norfolk on 94, with Robert Flowers also from Norfolk winning his first East Midlands bronze with a score of 88.

In Juniors Alex Banning from Northants scored 92, clearing William Gilbert from Norfolk who finished on 86 to give him the silver. Dudley Dodd-Utting secured bronze.

### 13 May: DTL

Held at Northampton with 36 shooters, Steve Janes from Bedfordshire won with a 100ex296, his first ton at Northampton. Steve Eley from Cambridgeshire carded 98ex292 taking the silver, one point in front of Niall Crumpler from Norfolk on 99ex291 for third.

In Ladies reigning East Midlands Champion Hazel Whiten took victory to retain the title for another year recording a score of 92ex269.

In Veterans Keith Taylor recorded 97ex287 for the title, with Leicestershire teammate Mike Brookes taking silver despite being tied with Hughie Peters from Suffolk on 95ex284 and 97ex284 respectively, as both shooters had left the ground, so the result was determined by countback.

In Juniors Alex Banning from Northants recorded 94ex276 with only his second registered score in this discipline to take the title over his county teammate Ollie Main.

### 7 May: English Sporting

Out of 170 shooters Richard Bunning and

Marcus Clifford of Norfolk finished tied on 90. As both shooters had left the ground earlier, countback was used to resolve the situation, Richard winning by one clay.

Third was David Ferriman from Bedfordshire, falling one short of making it a three-way tie which would have seen him crowned Champion, being the only shooter present for a shoot-off.

Becky Elmore from Bedfordshire recorded a 71 to take the Ladies title by one target over Amy Hedgecock from Cambridgeshire. Rose Palmer from Northants scored 67 for bronze.

In Veterans John Wells from Leicestershire took the title scoring 87, two over Brian Dunbavin from Cambridgeshire, who edged in front of Tony Leonard also from Cambridgeshire by one clay.

Taylor Hedgecock from Cambridgeshire finished top of the Juniors recording a score of 81 to take the title. Second was Sam Houghton from Leicestershire on 75, and third Craig Hollick from Bedfordshire.

### 29 April: Skeet Doubles

35 shooters at this event hosted by Priory CTC and it was Dave Gooding from Norfolk who was crowned Champion, carding 97 to beat Dave Morgan from Northants' 96, and John Hall from Norfolk 95.

Northants' Isabel Russell took the ladies title scoring 94 with Susan Hallwood from Norfolk in second place.

Ian Hallwood from Norfolk was the victor in Veterans scoring 94, with Trevor Frammingham second on 93 and Richard Bird third on 91.

In Juniors Sonny Bowman and Alex Banning from Northants needed a shoot off, Sonny running out the winner, Alex second and Ethan Lord from Cambs third. Thanks to all our hosting grounds this month.

### 7 May: Bedfordshire Sporting Championship & Martin Scoley Memorial Trophy

We had a lovely day with sunshine and a slight breeze. This year the shoot was the Beds County championships, the annual Martin Scoley Memorial and the East Midlands

Regional Sporting Championship. A 100 target registered event and was spread over the majority of Sporting Targets. Shooting started in the plantation among the trees and ended up in the quarry, shooting both tower and ground targets, the course proved tough for a lot of the shooters with the angles and speeds testing them to the limit.

We had 170 competitors looking to take one or possibly all three of the titles on offer, of the field 37 Beds shooters went head to head for the County title but it was Sporting Targets' David Ferriman that came out on top with 89, with John Stanton top Vet 80, Craig Hollick Junior HG 75 and Becky Elmore top lady with 71.

Thanks to all the shooters who came and supported the shoot this year and to all those that have supported the qualifiers, hope to see you at the Inter-Counties.

### The Martin Scoley Memorial Cup

Won by David Hughs with the overall high gun score of 94, well done David. Richard Bunning had led the shoot from the start of the day with 90 but was pushed into 2nd by David on one of the last squads,

Regional Champion was Richard Bunning on 90, 2nd Ru Marcus Clifford, 3rd David Ferriman, Ladies Champion Becky Elmore, 2nd Amy Hedgecock, 3rd Rose Palmer, Juniors; Taylor Hedgecock, 2nd Sam Houghton, 3rd Craig Hollick, Vets John Wells, 2nd Brian Dunbavin, 3rd Tony Leonard.

over 100 targets with 4 layouts; Embankment, Basin, Skeet & Quarry, the layout was a tough one this year with lots of 'big' targets, speeds and angles and the weather didn't help the scores much either!

The weather was overcast throughout, with strong winds and rain on some of the days, not the best of conditions!

Of the 14 Beds shooters we had 1 lady, 8 vets and 5 seniors. Andrew Clifton took HG 90 with Dave Ferriman 2nd on 83 and Steve Whinnet 3rd on 77, Steve Leonard 76 and Gavin Smith 75. Becky Elmore shot 68 for the ladies Paul Burgoine shot 78 to take the veterans title, Jim Munday and Bert Mason 71, Will Hillier 68, Andy Nixon 64, Keith Bailey 56, Trevor Sharp 55 And Alan Bunce 33.

Thanks to you all for shooting the championship, see you at the inter-counties.

wasn't long before the time came and they started to make their way to the nominated stands to start.

Seeing the top man of the week Richard Bunning, making his way up the very high hill to start I decided to take my camera and go and join the squad. That was an eye opener seeing him shoot the stand straight, a tricking rabbit going down the hill just in front and a long L to R looked miles away. He did make them look easy and I thought I know who is going to be High Gun today.

I spent most of the day wandering about from stand to stand. I watched a lot of top class shooting, it was a pleasure to be there.

I came across some squads of Colts who were, for the first time, shooting a new format of 50 targets for the Cambs Championship Trophy. They could if they wished shoot the full 100 but the Championship was over 50 targets, this was a follow on from the training giving by Cambridge Gun Club working with the Cambs CPSA Committee.

Seven Colts were in attendance. As we were lucky to get even one in previous years it was good to see. Well done to all new Cambridgeshire colts for entering the competition, great to see.

Out of the seven Colts Sam Halls came out on top shooting 40 from the 50, with Ami Hedgecock breathing down his neck with a 37 the young lad became Cambridgeshire Colt Champion. Not to be out done Ami carried on to finish with 69, taking the Cambridgeshire Ladies Championship from nine other ladies, so a well earned Championship for Sam and Ami.

If I reported on all the super shooting going on that day, it would take more than this magazine could cope with.

I came across, who seems to be, the Cambs permanent Champion. He has won it so many times its remarkable. He makes it look easy and I guess it perhaps is for him and if he could bottle it he would become a very rich

man. And so, Philip Gray shot 97 to become 2018 county Champion again. And as last year Justin Bladen was runner up and Senior Champion with a 93 also super shooting.

Michael Fryer went steadily on his way to a super 88 to take the Vets title. The juniors went to Taylor Hedgecock with a super 88 again top shooting - well worth turning up just to watch.

Final Results: Cambs Champion Philip Gray. Senior Champion Justin Bladen. Vets Champion Michael Fryer. Ladies Champion Ami Hedgecock. Junior Champion Taylor Hedgecock. Colts Champion Sam Halls.

The classes AA Phil Gray 87. A Justin Bladen 93. B Chris Morris 89. C Mark Adams. 75.

Many thanks to Cambridge Gun Club for their support as usual.

This month we have shoot reports from the English Skeet at Nottingham, the UT at Rugby and the DTL Single barrel from Uncle Micks place.

English Skeet Championship, 6 May, Nottingham and DGC. We had an entry of 10 shooters, a bit low but there was a few things going on on the same day. Top shot, after a shoot-off, was Roger Billett with 96x100, the same as Adam Curtis and Bob Tucker (Bob was not present at the s/o). Fourth place went to Alan Bott on 94, closely followed by P Shipman, Alan Palmer, Jamie Hickman, Martin Leman and Davy Piggan. The ladies winner was Evie Figliolini. A good day was had by all. Cheers Nottingham, good shoot, good weather and great bacon samies.

Universal Trench Championship, May 6th, Rugby and DTC, An entry of 27 were present, many from L&R. The high gun of the day was Graham Wainwright (Staffordshire) who shot 99x100, wow! The name seems to ring a bell? The County Champion was Kevin Borley on 98 who appears to be in 'grandads army' OK! Super vets then. David Wright was on 92x100 and Ivan Heathcote hit 89, with a host of others hot on their heels. Unfortunately there were no County ladies or juniors. Well done to Rugby and their staff and well done to all of the shooters.

DTL Single Barrel, May 12th, at NormantonGC, 'Top of the shots' were Mike Brookes (Vet) and Connor Harris (Jnr), both scored 96x100, Jason Linnell was just one

### CHRIS BONE

chrisbonedt11@gmail.com  
sites.cpsa.co.uk/lincolnshire

What an action packed month May was on many fronts.

### English Open Sporting Championships

Lincolnshire shooters held their own on a difficult and at times hard Championship Course.

Unable to stay out of the headlines, John Lee was in joint first for most of the week with 107 with 5 others, a score which was pipped on the last day. This meant John and several others went head to head in the Super Final. Not happy with a shoot off, a sudden death shoot off was required. John finished 107-20-18 coming 4th. John took 2nd in AAA Class. James Hardy also made the Super Final with 105, following a shoot off scored 105-7-8 Bronze and 3rd in AA class.

Not to be out done Paul Dobson in A Class scored 101, Silver and 2nd in Class. Paul Briggs managed 2nd in the Disabled Standing a successful Week for Lincolnshire.

### East Midlands DTL Champs Northampton GC

Lincolnshire fielded 4 guns, all Veterans, and scored well throughout. Well done to Richard Gray, Barry Dunmore, George Constantini and Mr Allen, apologies no first name given.

### Helice returns to the County Calendar

A great return for the Helice Championship at The Priory CTC. With grounds well-kept and clubhouse looking sharp. Weather stayed fine and dry, and had shooters from Sussex and Suffolk make the journey such is the popularity of Helice. Shooters were not disappointed.

For most of the day Paul Briggs and Trevor Hawkins matched target for target trying to win the new trophy. Trevor was unfortunate to lose hit targets over the fence out of the

Ilan Jones instructing a Young Novice.

scoring zone. Their early hard work was surpassed by the man of the moment, who only a few weeks ago was hanging up his gun not enjoying shooting it any longer... All change!

Joe Mitchell in the last Squad shot consistently, scoring 19. Also on 19, Paul Tunnard, who had left the ground earlier in the day and unable to return to contest a shoot off. By default Joe is Lincolnshire's 2018 Helice Champion. It wasn't all bad news for Paul though, his 19 took the veterans Gold Cup.

Huge congratulations to Donovan Jenkin, he worked tirelessly to bring Helice back into the County, getting specialist traps and targets manufactured, helping to craft the best looking trophy in the County, The Silver Helice. Thanks to Pearson Hydraulics Lincoln Ltd for sponsoring the Trophy.

Many thanks to Trevor Hawkins semi official videographer of the day, but due to the damning evidence (mainly against me) I cannot put our members through that heartache. You'll die laughing.

Well done Joe Mitchell, that's the last time I let you have a box of cartridges.

### Crowland Gun Club

Held an introduction to clay shooting for young people wishing to try their hand at the sport. Ian Jones L2 coach gave up a rare weekend, to instruct and introduce the youngsters to our sport. It attracted many from around the county and it wasn't long before absolute novices were knocking clays out of the sky, all those attending appeared to have a most enjoyable day in the fine warm weather.

A massive thank you to Ian and also to Cecil and Margaret Coates of Whaplode Gun and Tackle who provided cartridges for the event, a fantastic gesture.

### Olympic Trap

Fine weather greeted us at Beverley CTC, and spurred on David Shepherd, who takes County Champion and High Gun by 1 clay over Nicholas Pearce.

I start this months Norfolk section with another request for your competition results and stories as I can only submit what I receive so please send your reports to me. Thanks, Keith.

The season is now in full swing with the GBR and England Selection Shoots for all disciplines fully under way and Elise Dixon has been travelling around the country in a bid to make the dream a reality and shoot for her country.

Up first was the Olympic Trap England Selection Shoot and British Grand Prix at the Fauxdegla ground in Wales. Anyone who has made the trip across Norfolk to Wales knows that it's a long trip. But this was only the first of two trips to Wales in the same month and the weather could not have been more fantastic for Wales and a bank holiday. With nearly 100 shooters entering the event and several junior ladies it was an exciting two days of personal bests and a close run to the bitter end. Elise was focused and put in an amazing first day with 18,18, 20, 22,

Cheddite shooters Danny Campey and Elise Dixon at Fauxdegla.

achieving a personal best of 78. Slightly disappointed that she had not made the 80 mark, Elise set herself the goal of going for another PB on day two and wow did she surpass all expectation, putting in three rounds of 22. Consistency was the aim of the game however and after 275 targets and hot weather it was a gallant effort in the last round, getting 18 and finishing the weekend on 162 securing her the British Grand Prix Junior Ladies Bronze.

It was a short week after Wales with the bank holiday Monday spent cleaning the gun and repacking her shooting kit, three days of school and then practice on the Friday with her coach Aaron Heading in preparation for the GBR Selection Shoot for Universal Trench at Nuthampstead.

Elise had one focus, to keep the consistency going and better her score at the Beverley Shoot only a few weeks before. The weather was not as good as the previous week and with a chill in the air the jumpers were back out. Elise set to work making short work of the first four rounds on day one, with an amazing 21, 21, 22, 22 and going into day two with a starting score of 87. All the ladies were close with only a few targets between them so there was all to shoot for on the Sunday and although the rain made an appearance it didn't faze the shooters. Elise started strong with a 20 but the remaining three rounds did not go quite to plan, with an 18, 21, 18 but this was good enough to improve her previous score and finish with 164ex200.

It was back to Wales the following week for the British Shooting Shotgun Series Round two at Fauxdegla. Remarkably the sun was shining and with seven Junior Ladies it was set for an exciting competition. After two rounds Elise was tied in joint 3rd with Augusta Campos-Martyn. The third round proved tricky and saw Elise drop to 4th two targets behind 3rd place with only one target ahead of 5th. Going into day two with only 50 targets remaining it was a battle of determination and focus and Elise put in a strong first round of 22. It was all to play for in the last round and Elise ended the

weekend on 96ex125 with the bronze medal for Junior Ladies. A new PB and only nine targets short of the MCS for team GBR. With more competitions to come Elise has a very exciting season ahead.

### FITASC

This year's competition was kindly hosted by our good friends at Sporting Targets and was shot concurrently with the East Midlands regional individual competition to give all shooters a better sense of competition and a more interesting time. Shot over three days, it proved to be popular with Northants county shooters with a fair number of shooters attending.

Lorraine Waters scored a lovely 63ex100 and took the Ladies title by just one clay from Louise Smith who shot 62. Whilst at one stage, Peter Brown and Bob Meadows were repeating the tussle as Veterans with scores of 63 and 62, it was ultimately Mick Russell who took that title with a score of 70.

The Senior title was even closer with Jeremy Baker and Jo Smith both scoring 22, 21, 22, 19 over the four rounds for a total of 84ex100. In past years this would have meant a shoot off but the winner, according to this year's updated rules was decided on count-back and this year Jeremy Baker has the FITASC Senior title.

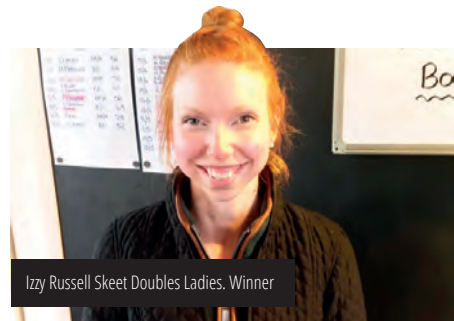

Well done to the winners and thanks and to all who took part.

### Skeet doubles

This competition was held on a Saturday in the hope of attracting a bigger field of entrants and it succeeded. There were more shooters this year compared to last, with all categories; Senior, Ladies, Veteran, Junior and Colt being contested. This may be a move that will be repeated in future years.

The standard of shooting was also very high with the top 10 shooters scoring over 90ex100. Roy Tyler shot a lovely 99 and took the Senior title by one clay from Dave Morgan who finished on 98. Isabel Russell scored a wonderful 96 and won the Ladies title for the second time in a row. With three titles out of four over the years this seems to be Izzy's strength.

In his first skeet doubles competition, Bruce Bulmer shot a wonderful round and scored 93 to take the Veteran title. I could be wrong but I think this was the first time Bruce had shot doubles in a year so it was a wonderful result for him.

Izzy Russell Skeet Doubles Ladies, Winner

Sonny Bowman (Left) Skeet Doubles Colt Winner with Runner Up Alex Banning (Right).

The Junior title was taken by Ollie Main again with a lovely score of 91. But it was the Colt category that gave the closest competition of the day. Sonny Bowman and Alex Banning both shot fantastic rounds of 90ex100 and with a tie declared even after countback the two ended up in a shoot out. It was lovely to see the crowds at the end of the day supporting these two young shooters as they showed their skill at the discipline. The match was not a short lived one either. Both shooters were evenly matched and it was not until the 13th pair that the title was decided with Sonny just hanging on to kill the pair. Well done to both of these young shooters.

### Inter-county team caps and clothing

In previous years those chosen for the Inter-county teams could buy a subsidised county skeet jacket. With the difficulty of sourcing the coloured jacket at an affordable price the committee has decided that from 2018 onwards those chosen to shoot for the county will be given a CPSA Northants county cap. Each year new 'caps' will also be presented with the county cap.

Shooters who have previously shot for the county and would like to have a cap can buy one from Marty.

Inter-county team members past and present will be able to purchase a county team polo shirt with the crest and 'Northants Shooting Team' embroidered onto it. Marty will take orders from eligible shooters.

Apologies if this report seems a bit rushed but there is a lot to cover, as I'm sure you are all more than aware it's a busy time on the shooting calendar.

### Double Trap County Championship

Yet again there were no entries, if there are any DT shooters with any ideas how we can make this more appealing then please get in touch.

### Single Barrel County Championship

A bitterly cold wind blew in from the north making this event very challenging to those who took part. Paul Meakin showed his trap class though, finishing on a cracking 95 to take the HG, four points ahead of closest Vets rival Ken Rimington who claimed the Vets title with 91. Russ Hufton won AA with 90 and Tony Clark, much to his surprise, won A class with 87. Gordon Hodgkinson won B class on 86 and Elvin Lawson collected the C class scoring 77. Unfortunately we had no Ladies, Juniors or Colts so no winners to report there. Thanks go to Carl and the team at Nottingham for a well run and enjoyable championship (despite the weather!).

### All Round County Championship

For a change it was a lovely warm May Sunday for the A/R. The ever consistent duo of Pat Dickman and Ricky Croshaw were top of the pile with 92, Pat was victorious in the shoot off taking both the County and the Veterans HG, Ricky had to settle for the AA trophy. In Ladies Megan Gamble increased her collection of trophies with 75 and in Colts Matt Hall collected the prize with 61. Again we had no Junior entries so

the worrying trend continues. In the classes Elvin Lawson picked up A Class with 89, Paul Brown won B Class with 78 and Mike Chiakli collected C class with 73. HG Pat Dickman described it as tough but fair, as a championship should be so well done and thanks to Emily and Dan. The A/R Team can be found on the county website.

### Supreme Championship

Just three shoots left and you need to shoot four to qualify. Even if you have shot only one event you could still be in with a chance to win. The running scores can be found on the county website.

### News from the grounds

Sadly one of our county grounds is no more. Whitewater near Blyth has released its last targets and closed its doors for good. Disappointing news for our county shooters but we wish them all the best for the future.

Good luck in your shooting pursuits this month. As always, don't forget to send details/photos of your success so we can report on it for you. On that note, well done to Adrian Snell who came third in the Regional Single Barrel Championship.

And finally, I would like to congratulate Curtis Woolley and Lee Wilcoxson who both won a place on the England DTL Team and will represent England in Mid Wales later this month. Good luck guys and enjoy every minute.

#### 5 May: The Avon Sportrap Championship, Meadowcroft SG

The event was held in spectacular weather with bright sunshine all day. Dave Woolcott set a testing but fair set of targets over four layouts of 25 targets each. The ground has steadily improved over the winter months and an additional 50 bird sporting and pool shoot was available for shooters.

After a close shoot only decided on the last layout, a new Avon champion came through for 2018. Darren Michell shot a superb 96ex100 to come first in A class to take the title from last years champion Dean Horswell as runner up on a 91ex100. Thanks to all the ground staff and helpers who made the event run smoothly on the ground that is now the home for Avon events.

A strong turnout for this event ensured that more registered Avon shoots will be held at this ground in the near future as extra disciplines are available and needs to be well supported and attended by shooters.

#### Darren Michell - Avon Sportrap Champion

The Avon DTL was held at South Wales SG for the first time on the 13 May. It saw Tony Does shoot a 100 – 294ex300 to take the title again. This was followed by Jeremy Ayshford as runner up on 98 – 286ex300. This and any events at South Wales SG are deemed none levy events for shooters and grounds as it is outside the SW region. Further events for 2018 at this ground are Single Barrel, ABT, and All Round and will need the support of Avon shooters if these disciplines are to be held in the future.

The first STR selection of the year was held at the County GC. Kelvin Walsh took the high gun with a excellent 95ex100, closely followed by Adam Rowe and Pete Mylam on 92.

Next up was the 3rd ESP selection shoot at the Imerys GC, who with some hard work and dedication put on a fantastic new layout. Some outstanding shooting put Martin Elworthy, Pete Mylam and Kelvin Walsh on top of the box with a score of 91ex100, Matt Barnett and Matt Brewer rounded off the top five scoring 89ex100.

There was fantastic sunshine for the all-round selection #2 at County GC. A strong entry of seniors, vets, ladies and colts took to the stands. The brilliant Steve Marshall shot out of the gates with 50 straight after the ABT and DTL layouts and never looked back to finish on 96ex100. A first ESK straight for Adam Rowe saw him take 2nd with 3rd being split between Kelvin Walsh and Stephen Williams.

North Cornwall SG held the first S/B selection shoot of the year and with a 3-way high gun split between Simon Wood, Colin Chorley and Gary Burton. This was Simon's first registered trap competition so a special well done to him!

Landare FS held the 4th ESK selection shoot in fine conditions. John Dunne, Pete Mylam and Roger Eley all shot 98ex100 to split the top spot. They were closely followed by Andy Osborne, Steve Marshall, Dave Tugwell and Colin Jago on 97 with Mark Rowe and Gareth Williams finishing on 96. A very close day, with only 2 clays difference between the top eight shooters.

Cornwall's development scheme is going

from strength to strength with 65 youths having gone through the two sessions held so far. There are at least three further sessions planned over the summer/autumn period so we are on track to surpass our 100 youngsters target. The events have been a great success with smiles all round. Many thanks to the individuals, grounds and companies who have helped to fund these events. The futures looking bright for shooting in Cornwall!

COME ALONG TO OUR OPEN EVENT

SPORTING TARGETS - BEDFORD  
SATURDAY - 7TH JULY

Ian Mulliner with our first 2018 Lady Champion Lorraine Greening.

Terry Poore lifting his two UT Trophies.

This year we have got off to a slow start with little news to share. However, we now have some Dorset Championship results to publish:

A/R was held at Brook Bank S.G. on 30 March with Richard King taking the honours with 98/100, closely followed by Ian Mulliner with 93/100. There were no Vet or Ladies taking part.

ABT was also held at Brook Bank, but on 2 April. Again Richard King took top honours as The Dorset Champion, 96x100 and again closely followed by Ian Mulliner with 93x100. The Veteran's trophy was won by Rob Burleigh.

UT again held at Brook Bank. Terry Poore became the Dorset Champion and also won the Vet's Trophy with Tony Read in second place.

Our first 100 DTL Count Championship at Pilford CTC took place on 7th May. Ian Mulliner won with Rob Burleigh taking the Vet's trophy and we had a Lady Champion in the person of Lorraine Greening, a disabled shooter who shot and coped well with the uneven ground. It was very pleasing to see ladies taking part again in our championship events. Previously we had experimented with two 50 target competitions, but 100 targets is much preferred.

Holding some of our championships at Pilford CTC has provided an opportunity for many casual sporting shooters to get a 'taster' of trap shooting. We will also be holding our ESP (50 target with re-entry available), SB (100 targets) and STR (50 targets with re-entry available) at Pilford as the year unfolds.

Every effort is being made by the county committee to hold as many Dorset Championships within the county as possible and support from county shooters is encouraged.

The Dorset Super 7 Championship is once again in operation and the early leader is of course Richard King. Keep an eye on the accumulating scores on the Dorset CPSA website.

#### Hants ABT Championship

At last spring would now appear to be upon us, a lovely sunny bank holiday weekend, Fareham CTC hosted the ABT on Saturday 5 May. The lawns on both layouts immaculate, nine squads entered this Hampshire championship. Last years champion Ben Gordge brought the big silver cup back and wanted defend that title but not shooting ABT since October last year would be a challenge in itself. The scores returning were surprising with only a couple of 25 straights and Ben's Dad, Andy was one of those. At the 50 mark it was very close between quite a few of the Hampshire team, one surprise was young Corey Vasey looking very confident. With the all but one card to return Ben and Dad Andy were equal on 93 each but Corey and Pete Thompson could win if either one could return a 24 or a 25 straight. Watching from a distance both Corey and Pete started well but then the odd one was missed. Eventually to many slipped away leaving Andy Gordge and son Ben to shoot off for the title. They were head to head to the finish but the younger Gordge emerged victorious taking the cup back home for the third year in succession leaving Dad to take the appropriate Veterans title... if only Dad didn't give him the cartridges he needed for the shoot off. Young Corey came so close but the Junior title was safely his, Jane King gained another Ladies Champion title.

#### 12 May: Sport trap Championship

The lovely Owls Lodge at Barton Stacey was the setting for this championship the four layouts devised by Richard Faulds MBE were

Andy Gordge ABT Vet's Champ.

Ben Gordge right ABT Champ.

Corey Vasey ABT Junior.

Clubman Classic May 2018.

a very good combination of all the sporting elements. Forty four regular Hampshire Sportrap fans registered and tested their skills, Ron King's score of 98x100 set the benchmark for the day. As the day drew to a close his score held and Ron emerged the 2018 Hampshire Sportrap Champion and the VETs title coming close Neil Lockton with 93. Carol Sawkins 83x100 became the ladies Champ and Conner Gorsuch 85x100 the juniors.

#### 19 May: The Clubman classic league

What a great league the CPSA Clubman classic is, teams from all the different Hampshire clubs visiting each other. 19 May would be Fareham's turn to play host, John Kitcher and his Sporting set up team did a great job devising a good 70 target, 10 stand event. The Clubman is designed for non registered CPSA members and registered C class shooter. The sporting set up had a good balance of targets with some stands taking the visitors out of their comfort zone. The sun beamed down on Fareham's 38 acre sporting ground which offers some interesting terrain with the valleys to shoot down into, woodland areas offering wood cock, snipe and rabbit scenarios. Then the large open areas with long crossers, high towers, teal or driven targets, there was something for everyone to miss!

The Three Counties club will be the next event on 17 June followed by the newly re-vamped 'Gosport and Fareham' and now re-named 'Gosport and Lee' on 21 July two more great grounds for the teams to visit.

Fareham's High gun of the day went to J Clough representing Wallers Ash finished 64x70 with and Max Evans representing Gosport and Lee on 63x70. Fareham's Chris Bloxham finished with a 62 and M Pearce for three counties finished on a 61.

Shaun and Emma Stacey.

Almost 50 shooters went to Meadowcroft for the Sportrap County Championship on Saturday 5 May. This is more than last years attendance so fears about Saturday shoots were definitely unfounded. Four layouts of 25 targets were shot and only a couple of tricky tricky simultaneous pairs caught out some shooters. Although the five target on layout three, a straight-away orange, was the downfall of many on the day. Visiting Dorset shooter Richard King made everyone else look ordinary by shooting 99ex100 - he missed the orange going-away target on three! Shaun Stacey shot 95 and so is the County Champion for this year. Emma Stacey shot 90 which gave her the Ladies and Junior Titles. Tom Claydon shot a 91 which easily won him C class, he should make the most of it!

Eight Somerset shooters attended the UT Championship at Brook Bank on 7 May and what fantastic weather it was. Thankfully there was enough of a breeze to make the porch on the clubhouse nice and refreshing. There was some serious competition for the title with Andy Welch, Dennis Stepney and Wesley Hann all putting good rounds together. In the end though Dennis took the title with a very well shot 97!

On the Sporting side of things Shaun and Emma Stacey won the Parent & Child trophy at the English Open Sporting, which was a great result. In addition to this Emma's 96 meant that she won the Junior Ladies and finished runner up in Ladies as well, only one target behind Cheryl Hall. Massive congratulations go to young Theo Coleman who took Silver in Colts at the British Grand Prix FITASC Sporting Championship 2018 at Doveridge! There was some great

shooting over a tough course and well done to all who achieved titles and class wins! And finally congratulations to Ed Ling for winning the English Open ABT with a perfect 200ex200 which is an absolutely fantastic achievement. But it didn't stop there! Congratulations also go to Abbey Ling for winning the Ladies title, Theo Ling for winning the Juniors title and Steve Ling for winning the Disabled Standing title and taking second place in Vets! What a fantastic result!

Please note that the Somerset ESP County Championship has been re-arranged for the 5th August at Podimore Shooting Ground.

May has been a month of both highs and lows. Just under 500 people gathered in Great Missenden on the 16 May, to pay respects and bid a fond farewell to Roger Hance, who sadly passed away. Roger was a well loved character, who's services were invaluable to many in the shooting community. He will be sadly missed.

The month of May saw the English Open, which was held for the First time at AGL. 32 shooters from Bucks took part over the five days. Congratulations to Jamie Gutteridge, who was the top shooter in Bucks 106ex120, coming second in AA.

But all that's pales into insignificance, the real prize was the packet of sweets Jamie won, for straightening the legendary stand 11 - no doubt we'll be hearing that tale for many years to come!

The Bucks County English Skeet Championship was also held in May, at the NCSC. Seven shooters took part.

John Bunce and John Smith tied for Bucks High Gun on 94ex110 and Marilyn Kingsnorth took Ladies on 88ex100.

#### 13 May: DTL Victoria Trophy

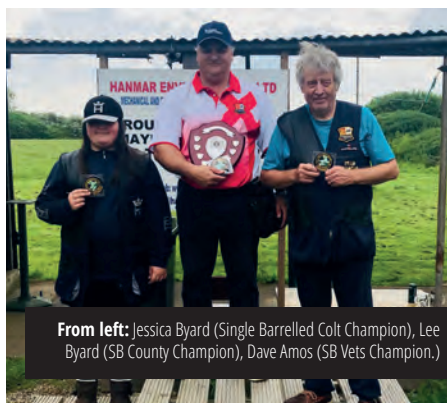

On what started out as a dreary overcast and rainy Sunday at Mayland Gun Club the competition for the DTL Victoria Trophy was soon underway when Nicky Waghorne posted a 99ex 297 on one of the early squads. Despite their best efforts, when the last trigger was pulled, nobody was able to get close and Nicky was crowned a well-deserved champion.

#### 13 May: South East Single Barrel Championship

A good turn-out for the South East Single Barrel championship saw some great scores across all categories despite wind, rain and generally miserable conditions. After five hours of competition, Jessica Byard was crowned Colt Champion with a very respectable 71ex100, Jane Buy was Ladies Champion with 77 and with a three-way-tie at 95ex100 were Lee Byard, Bill Logan and Dave Amos. A shoot off was set up to decide the overall champion and veteran champion and after 25 targets were despatched Bill Logan took 3rd place with 21ex25, Dave Amos took Veteran Champion with 23ex25 and Lee Byard secured the Champion's title with 25ex25. It was a great day, enjoyed by all and run smoothly in conjunction with the DTL and Double rise competitions which all went like clockwork thanks to the management, admin and referee team at Mayland Gun Club.

#### Ton-up Garcia Leads Skeet Selection

Alex Garcia led the field with a straight 100 at the second Skeet Selection Shoot at Clacton Gun Club on 28 April 2018. Glen Defreitas on 99 and four 97s from Dave Pummell, Ray Simmons, Tony Myhill, and Paul Terry were very close behind making

From left: Jessica Byard (Single Barrelled Colt Champion), Lee Byard (SB County Champion), Dave Amos (SB Vets Champion.)

the competition for places wide open. With no less than 11 competitors hitting 95 and over, the Essex skeet scene is looking very strong at the moment, although it would be good to get more ladies involved again this year.

#### South Eastern Inter-Counties Sporting Tournament

Southdown gun club hosted the 2018 S.E. Inter-counties sporting over the weekend of 6-7 of May. Essex fielded a full team comprising of Seniors: Clive Scase, Adam Cocker, Phil Hayden, Alex Higgs, and Nigel Gilder, Veteran Frank Haigh, Ladies Nadine Gilder, Junior Harry Willis and young Ryan Dodds as the Colt.

New cap Clive Scase put in the highest score for the team with a strong 85 round on what proved to be a testing course as it was also an England selection shoot. The team came away in 7th place overall on a total of 399 with Kent putting in a score of 442 to be crowned S.E. Champions. Well done to all team members who gave it their best shot and thank you for putting in the effort, the next shoot for the Team will be the National Inter-Counties on the 6-7 of October at Orston shooting ground.

#### 2018 Essex Olympic Skeet Championship

The 13 May was a glorious day with sunshine and no wind, and Southend Gun Club had their ranges set up and ready to go for the Essex Olympic Skeet Championship but, alas, only two Essex competitors turned up. Barry Dobbs' 86ex100 made him the Essex Champion for 2018.

#### Sad news – Guy Datto

Hertfordshire lost a great shooter and mentor – Guy Datto. Guy had had a short illness in December 2017 and died in late April. He had been recovering and had recently visited LVSA (Hertford) where he had shot and worked since the 80's. Our thoughts are with his family and all that had the pleasure to meet him.

#### Focus on Young Shots: Darcy McBride

I was first introduced to shooting at the age of 9 when my family brought me a .410 Silver Pigeon predominantly for Pigeon Shooting. However, I soon developed the shooting bug and was introduced to Clay Pigeon Shooting at the age of 10. I train with Philip Thorrold at his academy in Suffolk and last year entered my first competitions at The Oxford Gun Company in the Preps Category of The Schools Challenge. It was proving quite challenging to compete using my .410 and so at the end of 2017 I upgraded to a 20g Silver Pigeon.

I haven't really entered many competitions yet, I'm still focusing of the 2018 Schools Challenge and so far, am doing well. I made the Top 25 last year and this year hope to be in final 5 for the Shoot off to win the Car.

I was delighted to win U14 Category of The British Schools and Young Shots Championships 2018 at Sporting Targets recently and hope to add to this success over the coming year.

My main aims for 2018 are to work on my concentration and consistency. Hopefully, I'll be able to upgrade to a 12g for 2019 and enter many more competitions.

#### Get Coaching from the best

We are looking at getting one of the top coaches at a Herts Ground to give Hertfordshire CPSA shooters group lessons, our thoughts are 1-2 hour coaching sessions with small groups 4-6 subsidised by Herts CPSA. In order to achieve this, we need to know the level of interest, so please email David Tibbles with the subject of "Herts Coaching" to register your interest and what discipline you would like to attend.

#### Stories and comments

Please send in any stories or comments to the Herts Committee. If you want to be featured in this Herts section please let us know.

### HELEN NICHOLSON

Well, what an amazing continuation of beautiful weather we have experienced for the serious month of the clay shooting calendar. I was hoping to bring you news of the new sponsorship of the Oxfordshire Challenge Trophy but sadly my fellow committee members are still working hard to sort it out.

So far we have experienced the 2018 English Open which was held at Atkin Grant and Lang Shooting Ground, Markyate. It was a great five days of competition, Friday being a challenging day weather wise but it suited Oxfordshire's Cheryl Hall who finished with Ladies High Gun on an outstanding score of 97ex120. The scores were so close and even shooting an incredible 102ex120 Chris Broomfield found himself sharing 33rd place with many others including Matt Hance. Well done to both of you, brilliant shooting. You can both curse stand 11, the tricky one, having matched each others scores! Roy Cherry was only one target behind them, 101ex120 sharing 53rd place. The standard of shooting was incredibly high, the targets somewhat unforgiving but overall enjoyed by many shooters. Congratulations must go to Richard Bunning, Helga says well shot!

A very well done and many thanks to the ground and all their staff for putting on such a well organised event.

#### Westfield

Steve Lovatt continues to work hard to provide a selection of testing targets at all his competition grounds. Westfields held a 100 ESP on Sunday May 6th which saw over 120 participants turn out. Well done to David Sheppard who finished on a very strong score in A class of 91ex100. Tim Thornett finished with a great score of 89ex100 winning the Vets, closely followed by Graham Ferguson with a 87ex100 placing him 2nd in Vets. Well done to you both.

#### Hornet Shooting Ground

Late April saw Oxfordshire's Matt Hance

come out on top once more by posting a great score at Hornet of 92ex100. Well done to Like Taylor who shot incredibly well in B Class finishing 2nd on an 82ex100. Congratulations.

#### ZZ Helice

A beautiful sunny day was the setting for the Counties ZZ Helice held at Rugby Trap Club on Sunday 20th May. Oxfordshire had a healthy turnout of nine shooters. I am pleased to announce we have a new County Champion! Well done to Jon Plant who won with a fine 20 despite having torn his Achilles tendon and having one leg strapped up. Thank you to the team at Rugby for hosting the event.

#### Comments

Don't forget to forward any achievements, photos and anything you think may be worthy of a mention.

Congratulations to the participants of the English Skeet County Championship held at NCSC Bisley on 13 May.

Overall high gun for Surrey was Alex Cobb on 99ex100, followed closely by Frank Arico who also took the Veteran title on 98.

Well done to all those who took part and gained points towards the Supreme Championship and many thanks to all at NCSC for hosting another great event, and thanks to Jo for the report and photos.

#### All Round competition

Thanks to the efforts of new committee member Phil Chambers, we have been able to re-instate the Surrey All-Round competition after a gap of several years. This registered event will be held at Dartford and can be shot on either Saturday 7 or Sunday 8 July.

The event will include 25 Single Barrel DTL, 25 ABT, 25 Sporting and 25 English Skeet. Book in directly with Kelly at Dartford to get a squad time.

## English Open at Atkin Grant &amp; Lang

Firstly congratulations goes to Adrian Last on another successful championship at the English open at Atkin Grant and Lang, winning the gold medal. Watching first hand he shot remarkably well on a very stiff round. His 86ex120 was fairly high up in able bodied class also and saw off his nearest competitor by seven clays. Thank you to Charlie and Rachel for their hospitality and the buggy.

## British Shooting Shotgun Series

Secondly a wonderful weekend was had by all at the British Shooting Shotgun Series held at Fauxdegla Shooting Ground. The competition ran flawlessly. Ten DSG members enjoyed the competition with excellent shooting. Sid Goodwin (seated) shot an excellent 71x75 mixing it up with the top able bodied shooters on the 1st day with Allan Ritchie close behind on 66ex75.

Standing George Glover shot a great 66ex75 first day with Bill MacLennan close behind on 63ex75.

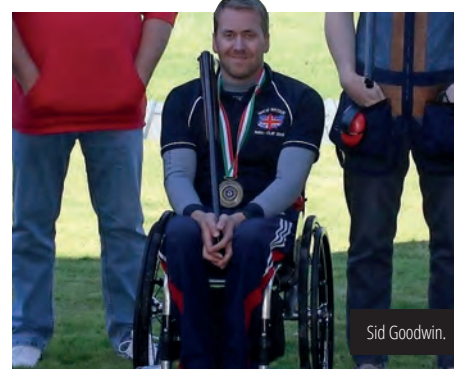

Day two shooting resumed. Allan Ritchie kept his head down and took advantage of a slight wobble by Sid Goodwin and levelled the score going into the last round both on 90 It finally ended up both on 112ex125 joint 1st which was a superb result for them both and Paul Bailey third on 101.

In the standing George Glover continued to show good form and retained his lead over Bill and Mike finishing on 107 Bill second on 103 and Mike third on 93.

Overall scores were as follows. Seated scores ex125. Sid Goodwin and Allan Ritchie 112, Paul Bailey 101. Alec Sperling 94. Laugharne Jones and Keith White 87. Anthony Evans 86. Standing ex125. George Glover 107. Bill MacLennan 103. Michael Drever 93. Thank you to the Faux family for their hospitality and making us feel welcome.

Our July shoot is at Beverley on Saturday 14 July and is both a 75 bird sportrap and 75 bird OT. This shoot has been kindly sponsored by Carpet next Day – Jamie Brightman.

4 August we will be at Eriswell Lodge, then either Sat 4 or 25 Sept, then Sat 15 Sept we will be at Orston.

Can you afford to  
pay for a damaged stock  
or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

## AG Adjustable Gun Stocks

If your scores are inconsistent it may be because your gun fit is incorrect, most factory stocks are made to standard measurements, you may not be 'standard'.

A fully adjustable comb which allows you to have consistent mounts may be what you need.

I also fit recoil reducers and adjustable butt plates. Prices start from £180. Cheaper than changing your gun. Fast turn around usually 4 to 5 days.

Set in the beautiful Hampshire countryside we can accommodate all levels of gun from the first timer to the experienced shot looking for pre-season practice. With a wide choice of excellent pubs and restaurants on the doorsteps we'll tailor a day to your individual needs including team building or corporate entertainment, stag and hen parties or just a simple morning or afternoon in the fresh air with friends.

The shooting ground offers a wide choice of stands and can simulate all the popular varieties of game and competition shooting. Our qualified instructors are here to ensure your safety and to provide tuition on all aspects of clay pigeon shooting.

# THE NORTHERN SHOOTING SHOW

Jasper Fellows reports on the ongoing success of The Northern Shooting Show.

With just three shows under its belt The Northern Shooting Show has already established itself as one of the best in the country. This is in no small part due to the organisers commitment to introducing the sport to the next generation of shooters. As such, it covers everything for those interested in sporting, trap, game, wildfowling or decoying.

Of course, the event also caters for veterans of the industry but the organisers are also passionate about bringing in those who had never thought about shooting sports before.

## THE TOTAL PACKAGE

The show does this by offering a wide variety of activities that appeal to more than just the usual shooting demographic. It includes bushcraft, 'have a go' airgun ranges, gamekeeping and game prep demonstrations,

a huge indoor 'airsoft experience', indoor exhibition areas and so much more.

When it comes to shotguns The Northern Shooting Show has it all. Leading shotgun brands including the likes of Remington, Beretta, Perazzi, Blaser and many others are all present.

## THE RIGHT GUN

What's particularly great about the show is that customers can go and have a chat with the representatives at Blaser, test out their shotgun of choice in the manufacturers demo area, make a purchase from one of the huge array of dealers there and then. This way the customer can get all the information and advice they need to find the right gun for them.

...includes bushcraft, 'have a go' airgun ranges, gamekeeping and game prep demonstrations, a huge indoor 'airsoft experience', indoor exhibition areas and more...

## LEGAL HELP

One of the most important innovations at the show is their legal section. This year eight firearms departments attended to not just answer visitors' questions but also to help with change of address, renewals, grant interviews and four of them were even doing same day certificate variations. It was the first show that has this kind of service, as it wanted to make it as straight forward as possible for those wishing to purchase a firearm at the show.

## BREAKING CLAYS

Of course, we couldn't do a piece about The Northern Shooting Show without mentioning the spectacular

550m clay line. With the stunning Crimple Valley Viaduct serving as the backdrop, the clay line is simply a beautiful place to come for a chat and to try to break a few clays.

Here visitors could take part in a variety of competitions, demo the latest, greatest shotguns from a huge selection of brands and beginners came to the CPSA's own stall for a 'Have a Go' session with one of our fully-qualified coaches.

## NEXT YEAR'S EVENT

Next year's show will take place on 11-12 May at the Yorkshire Event Centre in Harrogate, just off the A1. For tickets and more details head to [www.northernshootingshow.co.uk](http://www.northernshootingshow.co.uk)
