The CPSA World English Sporting Festival of Shooting took place at the E.J. Churchill Shooting Ground from 25 June to 1 July. This first class week of shooting ended with a challenging super final in the picturesque grounds of Sir Edward Dashwood's West Wycombe Estate. Richard Bunning (England) was crowned this year's CPSA World English Sporting Champion. The festival also included the World Sportrap championships, a FITASC championship and a Prelim English Sporting with Richard Faulds, Jack Lovick and Derrick Mein being crowned champions respectively. The World English Sporting was also a team event with entries from across the globe. We congratulate the England Team for winning the Overall, Open, Ladies, Junior and Veteran teams, with the USA taking the Super Veteran team. I would like to thank everyone (E.J. Churchill staff, sponsors, referees, my CPSA colleagues, everyone in the trade village and Sir Edward Dashwood) involved in making the event such a success.

The British Open English Sporting, Sportrap and British Open English Skeet will be taking place at the end of this month. Places are still available for the skeet event, so get your entries in now. England Teams will be preparing themselves for this season's Home International Tournaments across the UK, we wish them all success.

CPSA ENGLISH OPEN UT CHAMPIONSHIP

The BICTSF Selection Shoot and Cut off for the World UT Championships in Hungary took place in fantastically hot weather at Brook Bank SG on the weekend of the

1 July. This shoot was also the CPSA English Open UT Championship.

Only 80 shooters turned up to shoot in these near perfect conditions.

Rio Olympian Ed Ling took the high gun title with a fantastic 199/200.

Runner up was multi-talented Richard King with a 197/200, an all round great shot. He had just come back from shooting intensive sporting competitions. The previous weekend he was at the Jack Pyke and then had 3 long days at the World Sporting at E.J. Churchill.

Third was Tony Coulstock on 196/200. Incredibly high scores. Ladies were Emma Haines (Gold), Lucy Hall (Silver), Kath Bright (Bronze). Veterans were Ray Sutton (Gold), Chris Tate (Silver), Wes Hann (Bronze).

Super Vets were Kev Borley (Gold), Steve Ling (Silver), Dick Fletton (Bronze).

Congratulations to Alison and Wes Hann for running a successful competition enjoyed by all.

VILLA LADIES CALL THE SHOTS

Lea Marston Shooting Ground will be hosting Aston Villa Ladies on Saturday 11 August for their pre-season team building session breaking clays.

Three teams will be coached by CPSA former coaches of the year – Linda Grayson, Mhairi-Ann Troup and Paul Dancer.

Sponsored by Lea Marston Shooting Ground and Solware Ltd Gun Shop in Tamworth, supported by the CPSA.

The afternoon will commence with 'Meet & Greet' and a brief talk on safety. Teams will split into three to have their final safety talk with the coaches then on to a variety of different targets to shoot. After this there will be a prize presentation and a BBQ put on specifically for the Villa Ladies Team.

Jack Pyke English Open 2018 20-24 June

Now in its ninth year the Jack Pyke English Open ran with the support of Gavin and the Jack Pyke team, STL gained further support from TruckEast, Evans Halshaw Ford, BASC, Pilla and CCI. The course was set for someone on top form to shoot a 115 and was put on to include something for all competitors, regardless of class.

Wednesday saw Ben Hustwaite beat the predicted score posting a brilliant 116 and this score would hold all week until the final day. On day 3, Friday, George Digweed was out on the first squad with Henry Arnold and Jamie Brightman, George finishing on 114 and Henry 111 while Cheryl Hall took

the lead in Ladies with a strong 107. On day 4, Saturday, Martin Myers came very very close shooting 115. Day 5, Sunday, saw a few changes in the places. Richard Bunning, hot from his victory at the English, went out and posted 112, but in one of the last squads Duane Morley equalled the top score of 116, with brilliant shooting. Local Jim Munday took A with 112, Richard Clement-Smith took C with 102, Taylor Hedgecock shot an excellent 113 to take Juniors.

A huge thank you to all the sponsors for their generous support and who all help to make the event so well received and a great social event for the shooters.

1989 – 1998

Clay shooting entered the 1990s on the crest of a wave. CPSA membership had topped 20,000 in 1988 and was growing at a phenomenal rate of around 20 percent a year.

This was the decade that brought us Britpop, Jurassic Park, the Nintendo Game Boy and Prime Minister Blair. In clay shooting, Sporting in particular reached a peak of popularity. The 1990 British Open at Mid Norfolk attracted 1,493 entries, a record that was broken the following year at High Lodge with 1,560.

Mike Barnes, writing in Mike Yardley's book *Clay Pigeon Shooting: A History*, notes that Sporting was going through a transition. "Grounds started to become more sophisticated in what they had to offer," he writes, adding that "West Midlands Shooting Ground at Hodnet led the way with a fabulous clubhouse and neatly presented grounds and shooting stations." Barnes recalls that American shooters were enthusiastic about what we were doing here in Sporting – or 'Golf with guns' as some described it – and keen to develop their own grounds along similar lines.

Meanwhile there were changes afoot at the CPSA. The director, Keith Murray, moved on in 1992, and Brian Carter took over for 18 months until Emilio Orduna was appointed to the post. The decision was taken to sell the association's HQ building in Buckhurst Hill, and move to purpose-built offices in Corby, Northamptonshire.

By the mid-1990s clay shooting in Britain claimed half a million participants. The sport still lacked the money it needed to break into the big time – but behind the scenes the CPSA were working on it. Emilio Orduna commented that the sport was

run "on a shoestring". After 70 years of existence the CPSA was still looking for its dream sponsor, he said.

He found it – but it was destined not to last. That dream sponsor was Imperial Tobacco, who reportedly pledged to put more than £100,000 into clay shooting over the next five years. A production

company was paid to make a programme for Sky TV, and Orduna looked forward to "a world championships worthy of the name" under the Embassy brand name. Sure enough 1997 saw the 'Embassy English Open' at Grimsthorpe – but the ban on tobacco sponsorship brought that era to a swift end.

Meanwhile through the decade George Digweed was making his mark, bursting onto the scene in 1989 by winning six titles – the British and English Opens, the SAAB championship, the World Professional, World Sporting Jubilee and UK FITASC.

And at the 1996 Olympic Games in Atlanta, a young Richard Faulds signalled his intentions. At the age of 19, already a junior world champion, he fought his way into the Double Trap final. Missing six of his first ten targets in the final, he finished in fifth place – but his time would come.

THE IAN COLEY COLUMN

TOP TIPS FOR TRAP SHOOTING

Before I get on to a peg I'm watching the flight of the targets – the extremes of angles and noting the size of the trap house. Trap houses can vary quite a lot. The one we have at the Ian Coley Shooting School is reasonably small, and the trap is set in the centre. This means a 'straight away' target is actually thrown slightly right of centre because of the angle of the throwing arm. This is something to bear in mind.

I adjust my position to suit which peg I am on and the general flight of the targets, maintaining a relaxed position. Shooting off my right shoulder, my feet are positioned between 12 and one and two and three on a clock face. This position means I can swing to 45 degrees on both sides comfortably without having to move my feet. The weight distribution over my feet is equal to 60 percent on the front, 40 percent on the rear.

I pre-mount my gun, with my hold point on the top of the trap house. My eyes at this stage are looking out and through the gun in a 'soft focus' to the area where I expect the targets to be – not at the sights or barrels.

Holding the gun still until you have seen the target is crucial. Most misses occur because the shooter has moved the gun before the target has become properly visible. So, with the gun still, call 'pull', wait for the target, come from behind it, move through it to achieve the perceived lead, shoot it and continue the swing of the gun. It should be a completely smooth movement.

Once I've shot I rest while everyone else has their turn. I watch the targets but don't concentrate on who is shooting what. It is very easy to notice someone missing and to think you now have a chance to beat them. This is incorrect, as what you have now focussed on is their miss, rather than yourself. Ignore everyone else, just focus on the flight of the targets.

Remember, when you miss, don't blame your gun or your chokes. Accept that misses occur because you haven't pointed the gun in the right place, or your movement to the target was wrong. Don't become full of excuses!

PREMIER LEAGUE UPDATE

The 7th leg of the Premier League series took place at Westfield Shooting Ground on Sunday 24 June with fantastic weather conditions and some even hotter shooting from Richards Faulds to take the High Gun honours with 95ex100 on a challenging shoot with almost 200 entries. It was great to see many of the USA Team at the shoot warming up the CPSA World Sporting which kicked off on the 25 June at E J Churchills.

Richard's score helped the Owls Lodge Team to the highest top ten score of the day with 867ex1,000 with Team Westfield and Team Southdown close behind on 850 and 849 respectively. Southdown continue to hold the top spot overall at this stage with their best six team totals from the seven shoots so far so well done to all but there's four shoots still to go and it's the best six scores which count at the final shoot at Atkin Grant & Lang in September. At this stage the top three positions are

CCRS NATIONAL CADET CLAY SHOOTING CHAMPIONSHIPS 2018

On 23 June, 32 teams comprised of 126 cadets and 31 adult staff from the ATC, ACF, CCF and the Police Cadets made their way to Cambridge Gun Club where they were formed into 32 teams and started the weekend's competition. The very best individual cadets were then selected to take part in the Inter-services Skeet and Flush competition.

Prize giving following the competition was led by Brigadier M Lowe Deputy Commandant ACF, with a star-studded line of senior officers from the ATC and ACF along with Mr John Offord, who is the head talent scout from British Shooting. The entire results can be found on the Council for Cadet Rifle Shooting's website: www.ccrs.org.uk.

SUSSEX COUNTY SINGLE BARREL CHAMPIONSHIP

Eleven Sussex members attended the County Single Barrel Championship held at Bisley Gun Club on 16 June.

Veteran and overall winner was John Butler on 95. Ladies champion was Carol Milbourne who scored 84. Junior champion was Zac Welfare with a 76 and interestingly the Colt Champion went to Hugh Fellowes on 55, with only 24 hours CPSA membership under his belt.

It was a dry day without the brilliant sunshine of late and a total of 36 entrants had a trouble free day at Bisley Gun Club.

LETTER OF THE MONTH

Dear Sir/Madam
A subject that has recently taken up a lot of my time both at shooting grounds and on social media is discussing the 'hot potato' surrounding the difficulty of English Sporting layouts. So often now I have seen or heard reports of shoots being too easy or too difficult with shooters and ground owners on both sides of the debate. I feel that as long as the ESP discipline has an average which relates to a CPSA class, the scores that are recorded at the end of a shoot should in some way correlate to those averages. I also think someone winning their class should need to shoot say, 10 percent above the top percentage required to be in that class. However, generally the scores should in some way sit between those

averages for the shoot to be considered a true ESP layout. Ground owners may at times prefer to cater for the AA or even AAA shooters and put on some really testing targets which everyone enjoys having a go at, but at the same time that should be mixed in with some less testing ones. A mixed layout with all abilities in mind, one that encourages the lower classes to want to keep spending their hard-earned on the sport – something that benefits us all in the long run!

DTL WEEKEND AT BYWELL

Liz Edgar reports on the CPSA DTL weekend held at Bywell Shooting Ground in June.

For passionate DTL (Down-the-line) clay shooters nationwide, June brings one of the highlights in their shooting calendars with the DTL weekend. It is held annually at the immaculately presented and superbly organised, Bywell Shooting Ground in Northumberland, owned and run by the Henry family.

The event sees competitive clay shooters travel the length and breadth of the country, all the way from Devon in the south, to Ross-shire in the north of Scotland and even from further afield in Ireland, for three days of intense shooting against some of the finest DTL competitors the UK has to offer.

The three-day shooting event, which this year was held Friday 15 to Sunday 17 June, started out with the Eley Hawk-sponsored DTL on the Friday. Eduardo Hernando, the managing director of Eley Hawk was in attendance and commented on how proud they were

to once again lend their support to the competition and this year launch their latest cartridges, Titanium and Titanium Strike.

Philip Unwin of RUAG Ammotec, UK importers of Perazzi added, "As co-sponsors of the DTL weekend at Bywell, we are delighted to be back." Adding to this Duncan Wallace, sales manager for Laporte, said, "We look forward to this event every year and are proud to support this well-attended event, especially as Bywell use all Laporte traps."

WIND

The fallout from Storm Hector, which the day before brought with it wind speeds up to 60mph and a few power outages, made conditions challenging for the 222 competitors

taking part, with the wind gusting, shooters were constantly tested throughout the day. All eyes were on last

year's winner Phil Morgan, a structural engineer from south Wales and AA class shooter, who the year before had to battle it out against Austin Coxhead, from Lancashire in a shoot-off, after they both finished on score of 100/299.

This year Phil's score wasn't quite enough to beat Austin, who came back fighting to claim the title of high gun outright, with a score of 100/299. Austin, commenting on his win said, "This is my third time winning the Eley Hawk sponsored DTL, it's always nice to come back to try and do it again. I really enjoyed the competition today, coming to Bywell Shooting Ground is always a pleasure,

We were delighted to have three 300s and two 299s in the Dougall Memorial...

the ground is always well turned out, the clays are good, referees excellent, and the hospitality is always super."

Day two saw the return of the historic Dougall Memorial trophy, a competition which started in 1896, making it one of the oldest pieces of silverware in any sport. The magnificent trophy was returned by Elis Jones, a 21-year old student from North Wales, who won the competition the previous year on a perfect score of 100/300. Sadly for Elis he needed to have mirrored his score from the previous year to have stood a chance of reclaiming the trophy, after Peter Relph, Matthew Sheldrake and Stacy Gennard each finished the competition with 100/300s.

SHOOT-OFF

Before the shoot-off for high gun could begin each of the finalists had a slightly antagonising wait for a summer thunderstorm to pass. After a single round of 25, each of the three places were quickly decided, with Stacy Gennard shooting a 70 to finish third, Matthew Sheldrake a 71 for runner up, meaning that Peter Relph's 73 was enough to secure him the title 122nd Dougall Memorial champion.

Peter, who is a AA class shooter from Liverpool said, "I've been shooting the Dougall for 10 years and this is my first time lifting the trophy. I was out on one of the earlier squads at 11.15am and I feel I was fortunate enough to have all the targets in the right place. I'm very pleased to win, as it's such a prestigious and well-attended event, with all the top shooters here. To do it at Bywell just adds to that, they are so organised, the ground is very tidy and they present excellent targets."

Allan Henry, co-owner of Bywell Shooting Ground, added, "We were delighted to have three 300s and two 299s in the Dougall Memorial. We are very pleased to see Peter Relph win, he has been coming to Bywell for years and is a very good customer of ours. The weather was fairly kind, except for the one thunder shower, but thankfully the shooting was finished by that point and it came out sunny for the shoot-offs, so we couldn't ask for anything more."

AA class shooter Emma Holden, from Lancashire is just back from captaining the English DTL team at the ICTSF World Championships in Australia, in March this year, also went on to win the title of

first in the ladies at Dougall Memorial, for the fourth time now finishing on a score of 99/295. This puts Emma on par for the most wins in the ladies' category, so she'll certainly be one to watch next year.

ENGLISH OPEN

Concluding the three days of shooting was the English Open on the Sunday. Heading out onto the grounds that morning it was a fresh and breezy day, with the winds lifting and dropping but thankfully the rain stayed at bay. Austin Coxhead and Emma Holden were the ones to watch, being last year's winners of the main event and ladies' category, especially after putting in strong performances during the previous two days.

In the late afternoon, walking around the layouts the ground was abuzz with the news that Dan Price, an agricultural contractor from Herefordshire, had just shot a 100/300 and had celebrated by shooting his cap.

With not too many more squads yet to come in, Dan had a nail-biting wait in front of the score board as the last scores arrived into the office to be counted.

Would his score be enough to win? Yes, he had done it, Dan was officially the champion of the English Open, as the only shooter to achieve a maximum score on the day.

But what about runner-up and third place? With four AA class shooters coming in with a score 100/299, it all boiled down to another shoot-off for runner-up, third place and first in AA class.

As all the shooters huddled around the sponsors' tents to watch the shoot-off unfold, Shane Smith, Ian Patterson, Curtis Woolley and Matthew Sheldrake, took their positions on peg.

With Shane and Ian each shooting a

perfect 25/75 in the first round, Curtis and Matthew both second barrelled a target meaning they could only aim to achieve a class win. For Shane and Ian, a second round of 25 targets settled their positions of runner up and third place, with Shane shooting another maximum to achieve English Open DTL runner up, followed by Ian Patterson on a score of 69, securing third place.

With Curtis and Matthew giving everything they

had left to win, they had to go into a third round of single barrel, before a fourth round of sudden death, when Curtis finally achieved victory.

As with the superb organisation of the shooting ground, the presentation followed quickly after, with

Peter Relph winning the Dougal, Austin Coxhead the Sponsored Day and Dan Price

lifting the trophy for English Open high gun. Speaking to Dan, (pictured left) who has only been shooting DTL for two years, he commented, "To win it feels brilliant, I'm over the moon, this is only my second score of 100/300. I wanted to win a major but to do it so quickly is amazing. I've not really put in much training and preparation over the last three weeks, as I've been so busy at work. I would like to thank my sponsors and squad for all their excellent support"

SPONSORS

A special mention must go to the weekend's sponsors who without, events of this calibre wouldn't be possible. Many thanks go to Eley Hawk, along with Perazzi and Laporte.

WORLD CLASS

James Marchington reports from a truly spectacular week-long CPSA Festival of Shooting hosted by E.J. Churchill

CPSA staged what's being hailed as the best World English Sporting Championship ever, and England virtually swept the board in the main event.

Richard Bunning took the World Champion title, atop a podium full of English shooters, while England also scooped a host of individual category titles and all but one of the team events. It was a proud moment for English shooting, and a credit to everyone involved in staging the 2018 CPSA World English Sporting Championships.

That's a long list, including EJ Churchill and their small army of full-time and part-time staff; the CPSA team who worked tirelessly leading up to and during the event to keep everything ticking; the sponsors Longthorne Guns, Gamebore, Promatic, CCI and Blaser; and not least George Digweed himself, whose billing as course setter guaranteed tremendous interest in the event - who wouldn't want to try their hand at targets set by the

26-times World Champion himself?

The Red and Blue courses opened for business on Tuesday, the second day of the festival, and quickly became the main topic of conversation around the bustling trade village. The targets were technical and challenging, which was reflected in the early scores.

George Digweed was unapologetic: "The targets were my take on what I believe is worthy of a World title," he said. "A club golfer cannot play the Masters, but a club shot can pay to shoot alongside a World Champion. I tried to show the step up in class needed to win at this level."

By Wednesday the top score on both courses combined was 178, with Aaron Harvey and Paul Thomas sharing the lead. Friday brought the next set of complete scores, the second rotation having shot both courses, and new leaders emerged. On top now were England's Sam Green and France's Gael Poinot, sharing

the lead on 181 ex 200, closely followed by Phil Gray on 179. They were impressive scores, but following the International Team Welcome on Friday night we now had the cream of the world's Sporting shots still to tackle the course.

The Americans shot Blue on Saturday while England shot Red and took the lead - but then Blue was reckoned to be the harder course, so come Sunday morning it was all still to play for. The US shooters were clearly struggling with George's tricky targets, however, and England romped home with a clear lead in every team event bar the Super Vets.

Individually there was a cluster of Englishmen and a lone French shooter, Gael

Poinsot, jockeying for the six-man Super Final. Anticipating some exciting action, an eager crowd filled the grandstands in front of the splendid West Wycombe House on Sunday evening. They

were not disappointed.

First on the card was the Blaser Intercontinental Trophy match, in which England and the USA's senior teams shoot off on a five-stand layout for the imposing Blaser Trophy. The teams shot alternately and right from the

start the USA pulled steadily ahead, eventually winning with 179 to England's 166.

At last it was time to find the World Champion. The first task was to eliminate two of the three

contenders for the sixth place in the Super Final - Chris Daniels, Phil Gray and John Newman were tied on 179. Daniels won the 25-target round to secure his place alongside Richard Bunning, Mark Winsor, Sam Green, Shaun Stacey and Gael Poinot. The final battle was on.

George Digweed, microphone

in hand, ran the proceedings as the six took turns to shoot three stands, a total of 25 targets each. The crowd eagerly watched the scores build on a huge electronic scoreboard, while the competitors kept their eyes fixed resolutely on the

the pack, tied in first place with Jack Lovick on 95 ex 100. This time, however, it was Richard who was unable to make the shoot-off, so first place went to Jack by default.

Day six brought the end of the CPSA Prelim English Sporting, shot on a course alongside the main World Sporting courses out on the West Wycombe Estate. This event was won by USA shooter Derrick Mein, who dropped just one target on stand seven to clinch the title with a phenomenal 99 ex 100. Runner-up was Martin Myers with 96, while Colin Dunne from Ireland won the shoot-off for third place against American

Desi Edmunds, whose terrific score of 95 nevertheless took the Ladies category.

“the biggest win of my career so far.” – Richard Bunning

IN NUMBERS

The figures for the week's Festival of Shooting are mind boggling:

the main English Sporting Championship alone had almost 1,400 entries, all of

targets. Winsor and Bunning, starting level pegging on 185, matched each other target for target, as they gradually pulled ahead of the rest of the field. At the end of the round the two were still equal, and moved on to a second round of 10 targets to decide the ultimate champion.

Both men were shooting brilliantly and the tension was palpable as they entered the last stand still level pegging. “I needed Mark to miss one. I had my fingers crossed,” Richard said afterwards. “I didn't think he would - but he did. I had another chance, and I finished it off. It's fantastic,” he added, “the biggest win of my career so far.”

It was a great end to what will long be remembered as a truly great showpiece event for our sport.

ON THE SIDE

The main event should not be allowed to overshadow what were three terrific events running concurrently through the week.

Above: Spectators watching the Super Final in front of West Wycombe House.
Right: Shooter takes on the blue course in the heat.

The CPSA World Sportrap Championships concluded on Thursday with Richard Faulds a clear winner with an impressive score of 91 ex 100. Hot on his heels were Braxton Oliver and Christophe Auvert tied on 90. Christophe was unable to attend the

shoot-off, so Braxton took the runner-up spot by default.

The following day saw the culmination of the five-day CPSA FITASC Sporting Open, with Richard Faulds again at the head of

whom shot two rounds of 100 clays. On top of that were the FITASC Sporting, World Sportrap and Prelim Sporting, totalling more than another 1,000 entries. In all, there were 300 Promatic traps in use throughout the week, and CCI supplied one million clays to keep them topped up - including a variety of sizes and colours, plus flash clays for the finals.

Countless pizzas, pork rolls and drinks were served in the trade village around the clubhouse, but perhaps the defining feature of the event was

the sheer volume of water consumed by shooters, ground staff, referees and spectators in the blistering heat that prevailed all week.

With temperatures soaring over 30 degrees C, the EJ Churchill crew had their work cut out delivering a total of 16,000 bottles of water.

Special thanks to Starkey Headsets for providing the prize of a £3,000 Pilla Magneto kit, which was drawn live on Facebook at the World Sporting Championships, and won by Tim Roberts.

ROUND-UP

Sarah Daly reports on shooting events around the world.

MALTA WORLD CUP

Thanks to Aaron Heading and Amber Hill, GBR was top of the medal table at the Malta World Cup. Held at the newly built Malta National Shooting Ranges in early June, in very windy conditions, the targets often making their own arrangements as to their flight line!

Amber Hill finished the Skeet Women qualifying rounds with the highest score of 112ex125, ranking her first in the finals. Dropping five out of the first 20 targets to lie in fourth position, but by the 40 target mark she was in first and stayed there for the remainder of the match to beat Amber English (USA) into silver by four targets.

Aaron Heading made an impressive comeback in the Trap Men, lying equal 14th after the fourth round, a straight put him back in the running to finish on 117ex125, enough to make the finals.

Aaron shot +15 to win the three way shoot off for the third, fourth and fifth ranking places.

"I've shot six international finals back to back. It's been a long time coming and now I've got it!"
– Aaron Heading

JUNIOR WORLD CUP

The Junior World Cup was held in Suhl, Germany, with GBR sending 20 athletes, which was a great opportunity for them to gain competitive experience in the

Aaron's final was an 'edge of your seat' match – a real battle with Du Yu (CHN), regularly within a target of each other, at the 45 target mark Aaron gained a two target lead which then increased to four targets, giving Aaron the top spot on the podium.

An ecstatic Aaron said, "Going into the last ten clays I was so focussed on bringing home the gold. I wanted to do it for everyone who has supported me."

"I've shot six international finals back to back. It's been a long time coming and now I've got it!"

international arena.

Dominic Cooper shot well to finish third in the qualifying rounds of the Junior Skeet Men, but, dropping four targets in his first 20 unfortunately put him out of the running for a medal.

Rebecca Fergusson and Augusta Campos-Martyn made the Junior Women's finals with strong rankings of second and third respectively, but they did not make the podium. However, the consistent shooting of the three members of the Junior Women Team, Augusta Campos-Martyn, Rebecca Ferguson and Lucy Hall meant they set the new Junior Team World Record, beating Italy by 12 targets to take the gold medal – a great result.

UT ECH

Four of the five teams and two individuals brought back medals from the FITASC Universal Trench European Championships were held in June at Toledo in Spain.

Kevin Borley improved on his 2017 performance by three targets and one medal place to bring home gold in the Veteran Individual event. The only other individual medallist, Theo Ling, did well to win bronze in the Juniors after a shoot off from 191ex200 against Nicolo Fabbri (ITA) with a score of 25+2.

The Veteran team all posted good scores in their last round to take gold on 566ex600 from Italy on 562 and a massive 20 targets ahead of France who finished in bronze. The Senior Team were just five targets behind Italy.

Helice ECH

The Helice European Championships were held in Bologna, Italy in very difficult conditions, yes, there was wind. Jessica Moore and Ben Dingley brought home individual bronze medals in the Ladies and Juniors respectively.

Jessica just missed out on the silver after losing the shoot off to Italy's Federica de Mattia. The Men's Team had quite a tussle with Italy – it was left to Kevin Tyler to hit the last three targets to win the gold – and he did. This was cause for great celebration as it is the first gold for the Men's team for many years.

How to Hit

Shooting an on-report pair

This month CPSA Level 3 Senior Coach **Simon Arbuckle** moves on from single targets to the technique for tackling an on-report pair

In this series we have looked at shooting a variety of single targets using the CPSA 'Method'. In a real competition, of course, it's rare you will be presented with a single target. Most often it will be a pair, with the second target launched either simultaneously or on the sound of your first shot - known as 'on report'. This month, for our first look at a pair of targets, we have a presentation that's typical of what you might encounter at a Sporting competition. The first target is a black midi clay, arcing left to right from a trap at ground level. That is followed on report by a blaze orange

standard clay flying directly away from the shooter on a fairly low trajectory, similar to a Down-The-Line target.

It is important to plan for both targets before we start. In particular, I must place

“ It's rare you will be presented with a single target. Most often it will be a pair ”

my feet where I can comfortably shoot both targets without any strain or fatigue in my body, or having to rearrange my feet half-way through the pair. In this case the Break Points for each target are quite close together, so this is easily achieved. If I align my feet towards the Break Point for the second target, the going-away clay, then I can comfortably cover both Break Points.

Having worked out the position for my feet, I must now plan how I will shoot each target in turn, bearing in mind where my gun will end up after I have shot the first target.

For the first target I will use the CPSA 'Method', which is a pull-away technique. This will be familiar to anyone who has been following this series of articles. I decide on my Break Point, which in this case is roughly above the Browning flag in the picture. I establish where I first see the target clearly - my Visual Pick-Up Point. For this target, that is where it crosses the horizon and becomes clearly visible against the sky. My Gun Hold Point is roughly half way between the other two points, allowing me to mount and lock on to the target in a smooth, unhurried motion.

I will mount my gun towards the Break Point, then swing back down the target's flight path to my Gun Hold Point. I drop the stock slightly from my shoulder and take my eyes back to the Visual Pick-Up Point. I call 'Pull', the clay appears, I focus on it, lock on, pull ahead and shoot, all in one smooth movement.

That's where we have finished in the previous articles in this series - but now we have a second target to deal with.

For this target I will use a technique known as 'swing-to'. This is the first time in this series we have departed from the pull-away CPSA 'Method' and used a different technique. As soon as I have fired the first shot, I will keep the gun in

my shoulder and bring my muzzles down to my Hold Point for the second shot. Having watched both targets carefully when I called to see my pair, I have identified a landmark in the distance which marks my Hold Point - it is towards the trees on the horizon.

I will focus on the area just above the barrels and wait for the target to appear. As soon as I see the target, I lock my focus on it, take the gun to it, and shoot. Because of the angle of this target, going almost directly away from me, I will have the impression of shooting straight at it.

This second shot needs to be a very precise, controlled movement, using just my left hand to move the barrels. If I choose a Hold Point that is too low, I will have to move the gun too far to the target when it appears. This will create a lot of movement, and the momentum will tend to keep the gun moving upwards as I fire, leading to a miss over the top of the target.

Now I have made my plan, I can put it into practice. I align my feet to cover both Break Points, load and close the gun. I check my Hold Point for the second target, reminding myself of my landmark

on the horizon. Then I mount the gun to my first Break Point, above the Browning flag. I swing back along the flightline to my Gun Hold Point, drop the gun slightly out of my shoulder, and take my eyes back to the Visual Pick-Up Point. I call 'Pull', the target appears, I focus on it, lock on, pull ahead and shoot, keeping the gun moving.

Keeping the gun in my shoulder, I bring it quickly to my second Hold Point, ready for the second target, the going-away orange clay. I focus out over the barrels and when the target appears I bring the gun to the clay and shoot at it, taking care not to swing through the target and miss over the top.

So that is how we tackle this pair of targets, using two different methods - the CPSA 'Method' for the first, and 'swing-to' for the second. In future articles we will look at other pairs, which require a different approach.

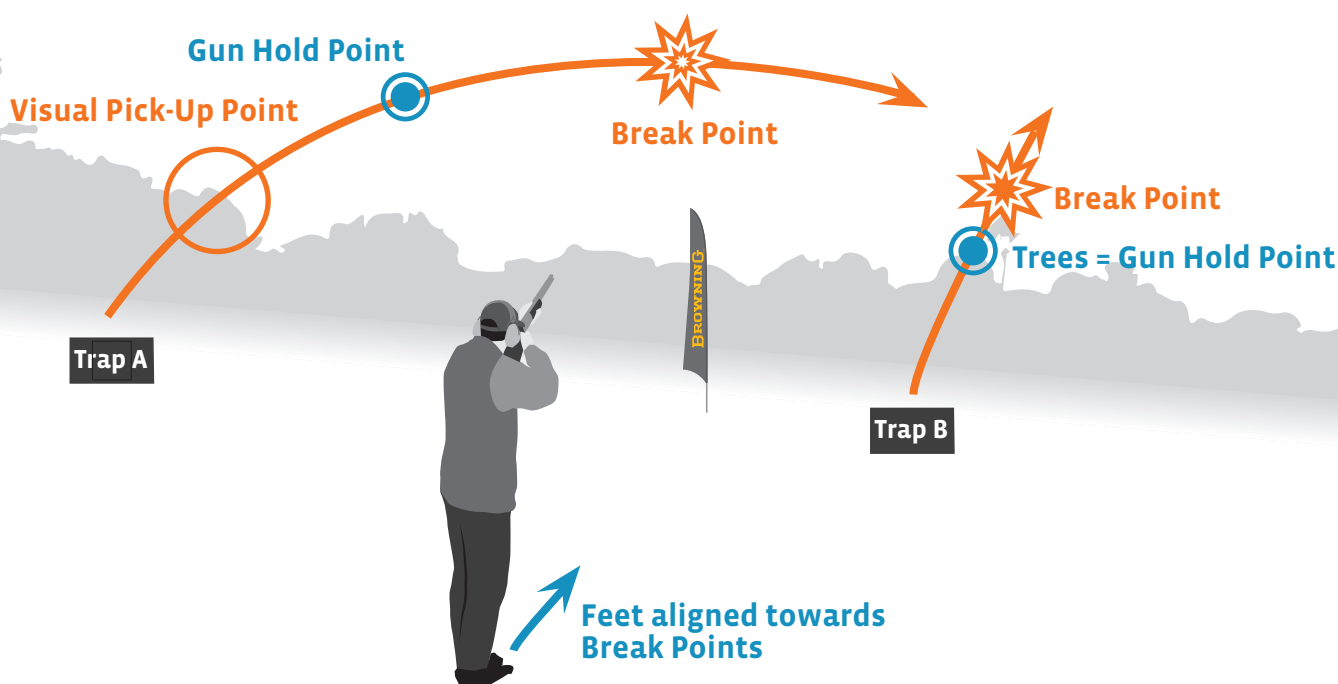

THANKS

To Southdown Gun Club for their invaluable help with this series.

Laporte traps

I am very lucky to be sponsored by Laporte CPC, and I was recently given an invite to attend a trap maintenance course with a fellow Laporte-sponsored shooter Lucas Hyde. The course took place at their Bottesford, Nottinghamshire-based factory.

We were given a safety briefing and issued with eye protection and gloves to keep ourselves safe and clean. Keith, the maintenance manager showed us a trap they use for teaching and all the tools we would require for the day.

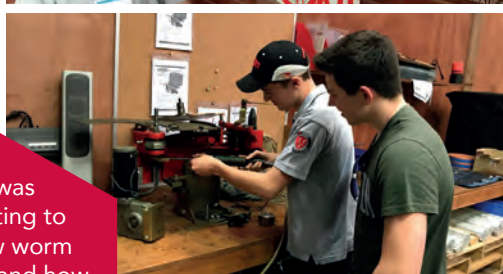

We started on the springs which allow the trap to throw the clays. There are four types of spring. We used the black spring and learnt how to safely remove, replace and tension the spring to adjust the speed of a clay throw.

We then looked at bearings and bushes which are a common reason for traps not working. It was interesting to see how worn they get and how replacing them can get the trap back into working order.

We learnt how to remove old grease and apply it again. Next we went onto a fully working trap. Our teachers for the day spent a long time focusing on working safely on a trap. They can be really dangerous, and I would advise those without the necessary training to avoid trying to fix the arm or any moving parts, as these can be dangerous.

On the working trap, we learnt how to make it safe and change the springs and looked at how the carousel (the turret that

"It was interesting to see how worn they get and how replacing them can get the trap back working so well."

holds the clays) can be removed and maintained. We were shown how the clays are dropped onto the plate and how the smallest of adjustment can improve the flight of the clay. It isn't as easy as it looks and setting up the trap to work well is an art.

We then looked at the controller unit and microswitch which releases the arm to throw the clay, and learnt how to change relays and switches. Finally we looked at how to adjust the trap to throw clays.

All in all it was a great day, I learnt how to be safe, strip and maintain a trap. So next time I am at a stand that has a trap down or being reloaded with clays I will be patient and not moan a lot as I know how tricky it can be to get them working correctly.

THOMAS WOODCOCK WINS THE WORLD SPORTING COLTS TITLE

Tom from Cheshire shot a fantastic 83 on the red and 76 on the blue course securing a victory by 24 targets and a total of 159x200. I caught up with him on Sunday morning and he looked confident ahead of shooting the Blue course, the weather was scorching and he did very well to keep his nerve knowing that he has a potential winning score from the previous day.

Tom was on top form all week taking 1st in Colts Prelim on an 82x100, 2nd colt in SportTrap 72x100 and 1st in C class for FITASC with a score of 83. All in all a really impressive set of scores. He had also won the BICTSF UK FITASC Colts competition at Valley View the previous week and certainly carried the success on to E. J. Churchill.

Tom has been shooting for about five years and practices every weekend at two registered shoots. His aims are to keep on winning medals and trophies. Tom turns 16 in August and will join juniors as a world champion. Massive congrats from all the youngshots!

Below: Thomas on the podium (centre) at the CPSA Worlds.

FOCUS ON ELIZABETH WILLIAMS

Elizabeth started shooting in January having a few English sporting lessons at Lakeside sporting in Wymeswold to get ready for a beaters shoot along side her dad. She wanted to beat the boys!

She loved clay shooting so much she wanted to carry on having lessons on sporting and then a little while later discovered Down-the-Line.

A few weeks ago, three months after shooting DTL for the very first time and now under the watchful eye of her new DTL coach Mick Marlow from Normanton shooting ground, she shot her personal best of 92x100 for 264. It was a day for firsts straightening her first ever 25. Lizzie came home with her first ever trophy the Leicestershire and Rutland ladies DTL champion.

Shooting has been a brilliant sport for Elizabeth giving her confidence, helping with concentration, meeting new people and perseverance. Elizabeth dreams one day of shooting for the county and eventually England and Britain.

Owls Hoot Target Club

We chat to **Lee Durney** about the wonderful new Owls Hoot Target Club in Rixton, Cheshire.

Q How did you start shooting?

A: I started shooting about the age of six, simply rough shooting with a 410 on our local farms with my dad, the whole family shoots. I started getting serious at the age of 10 when my uncle Steve introduced me to clay shooting. My first clay experience was at a straw bale shoot run by his mate at a local manor house, I only had a single barrel Baikal and home loads but that is where it all began.

Q Which disciplines do you offer?

A: Currently we have 75 target Sporting and Compaq Sporting layouts. As well as the clay ranges we also have two purpose built air rifle ranges with an array of knock down, pop up, spinning and paper targets, A .22 rimfire range and our 50 meter archery range. On top of all these we have a fully functioning club house offering a selection of hot and cold food and drinks and of course our famous toilet facilities!

Q What are your opening times?

A: We are open for clays from 10am until 3pm Tuesday, Thursday and Saturday. The air rifle, archery and .22 rimfire ranges are open Monday to Saturday from 10.00 until 17.00.

Q What are your current aims?

A: After a lengthy five year planning battle with the local authority we finally got full planning in 2017, so we are now playing catch up and moving forward with some big developments. Our aim is to have 100 target Sporting, DTL, ABT and Skeet layouts.

Q Your three tips for shooting well here?

A: Picking my top three tips is fairly easy. Firstly treat all targets with respect, never get complacent. Secondly practice does make perfect, so if you have the right attitude, you're bound to go far. Finally don't forget to enjoy your shooting, it is a wonderful sport whether you are a beginner or an experienced pro.

Address: Prospect Lane, WA3 6EH Warrington. **Tel:** 07969 232422

Web: owlshoottargetclub.co.uk All clay layouts are fully covered so can be used regardless of the weather.

Clay pigeon lessons are also available for first timers to experienced shots who just require a brush up, see the website for details. 🦉

THE BRITISH OPEN

Sporting & Sportrap

Join us in Staffordshire from 28 August to 2 September, says **Angie Marung**.

Oak Edge Shooting Ground is a new venue for one of our major English Sporting competitions, its stunning topography set in beautiful countryside make it the perfect choice for this year's championship. The Clay Shooting Company hosted the British Open English Sporting Championship in 2014 and 2015 and Steve Lovatt will no doubt put on another gripping shoot for the final major sporting championship of the year.

With demand for Sporting entries so high this year the event has been extended. It will now open for half a day on Tuesday 28 August and will be running at full capacity for the duration of the event. While the British Open Sportrap is full for the duration and will be running from Wednesday to Saturday.

The competition will be shot over a 120 target course during the qualification days. Each full day the top five shots in each class (AAA, AA, A, B and C) and the top three in each category (Senior, Ladies, Veterans, Juniors and Colts) will be given the chance to shoot in Sunday's final. The sponsored final will take place on a 75 target course, with the top six scores going through to a Super Final to conclude the event.

Steve Lovatt, who owns The Clay Shooting Company is clearly looking forward to hosting the British Open, "I'm

delighted to be running the CPSA British Open at Oak Edge Shooting Ground, it is the pinnacle of English Sporting events in the UK. It has always been a prestigious event, having hosted it twice previously at Garlands Shooting Ground in 2014 and 2015 I am excited to see what we can do with the terrain at Oak Edge, which lends itself to sporting clays perfectly.

The event will be made by the atmosphere around the clubhouse creating a buzz, and the wow factor with refreshments, exhibitors and pool shoots throughout the six days."

BO ESP CHAMPION

Last year at West Midlands Shooting Ground, Martin Myers was crowned British Open English Sporting Champion for the second time, having previously won in 2008. Martin will shoot on Friday morning, in a bid to retain his title.

Also in action on the Friday will be last year's Lady High Gun, Georgia Moule and Veteran High Gun, Arnie Palmer. Richard Bunning will be shooting on Thursday, can he win the triple in 2018?

The event will be kindly supported

by Gamebore, with 10,000 Gamebore cartridges being shared among the category winners.

David Scott from Gamebore comments, "Gamebore are delighted to be sponsoring the British Open at Oak Edge Shooting Ground. The location will be new to many shooters and with

Steve Lovatt setting the course it will present some interesting targets.

It will make for some great shooting and a very exciting contest. We look forward to seeing everyone there."

BO STR CHAMPION

The British Open Sportrap runs alongside the English Sporting competition from 29

August to 1 September. Tim Webster took the honours last year after posting an unbeatable 95x100 on the last day of the competition. Tim takes to the course on Saturday afternoon to once again try and set the winning score.

Spaces for both the British Open English Sporting and Sportrap are sold out. If you would like to be added to the waiting list call the CPSA HQ on 01483 485400. 📞

Caesar Guerini are fast approaching 20 years in business and produce some fantastic looking guns at competitive prices.

For this Invictus V model, Guerini has looked at the main areas where a shotgun develops weaknesses over time and made these areas more durable – either by improving the design or making them easy to replace.

In effect, what this means in real terms is that a Guerini Invictus is made to last, regardless of how many cartridges you put through it. It's an intelligent evolution in shotgun design. For detailed information on the Invictus system and how it works, see the Guerini website.

Straight out of the smartly branded ABS case, you get an instant feel of quality from this gun, not only is the woodwork

beautiful for a standard spec gun, but it also looks and feels fantastic. Performance does not disappoint, the DueCon (long forcing cones) and Maxisbore systems have been developed to produce better shot patterns and also to reduce felt recoil and it was evident that the latter was less than expected. The test gun came in at a shade over 8lbs 3oz – so it's not a light gun – and that also helps with any effects of recoil which can

be felt when shooting over a long period of time. We were intrigued by the supplied barrel weights (30g per side)

and had dismissed them as somewhat of a gimmick, but we were really impressed by how they steadied the handling of the gun particularly when placed closest to the muzzle.

The action is a delight to look at and features a combination of laser and hand engraving on the sideplates.

The quality of the woodwork on a stock gun is lovely, highly figured with a high sheen finish. The MSPEC model is a fixed choke variant (3/4 and full) and patterned really well and certainly handled long range targets with ease. The ventilated rib is tapered from 10mm down to 6mm but gives a wonderful sighting plane when mounted and the white foresight also helped when picking up lead on targets.

The gun comes with a ten-year guarantee. Make no mistake this is a lot of gun for your money, it looks great, shoots well and with the development of the Invictus system it will last you all of your shooting career if you want it to!

Following the unfortunate circumstances leading to the cancellation of the 4th NR Sporting Team selection shoot at Beverley CTC on Sunday 17 June, the North Region Committee have decided to allocate another selection shoot, to enable those who still wish to submit scores for consideration of team selection for the British Open Sporting.

The new shoot will be held on Sunday 19 August 2018 at Park Lodge SS, Cowick, Nr. Goole DN14 9ED. Further details of entry times etc can be had by contacting the shoot organisers Tom and Dave Long at tdshooting on Facebook and in Messenger or via mobile 07931554986 / 07956536089.

Anyone wishing to be considered for team selection are reminded that the procedure can be found on the NR CPSA website or by contacting the Sporting Team managers Tom or Dave Long as above.

25-27 May: English Open Skeet Championships 2018

Taking place at NCSC Bisley, it was a pleasure to see so many shooters from the North Region taking part given the distance and costs involved.

Well done all who attended and a special well done goes to the following:

Steve Leppington – Veteran High Gun & winner in AA class, Victor Annand – Winner Side x Side, Chris Lancaster – 2nd in the ladies &

winner in B class, Archie Pope – 3rd in the Colts & 2nd in C class and Becky Clarey – 3rd in C class.

All our Regional shooters gave a good account of themselves, putting in some cracking scores, boding well for the future.

Congratulations

To all the successful North Region English Skeet shooters who after the second England selection shoot at Doveridge on 16-17 June have secured a place in this year's England Team: Chris Lancaster (Captain), Samantha Rhodes (New Cap), Gary Cooke, Steve Leppington and Dave Hornby (New Cap).

Archie Pope

North of England Colt Archie Pope is having a very positive year so far in this his second full season of competitive shooting. Over the weekend of 19-20 May Archie competed in both the English and British Open All Round Championships at Bywell. He shot an 89ex100 to take the Colts title and C class honours in the English Open on the Saturday and followed this with an 82ex100 to take the British Open Colts title on Sunday whilst coming second in C Class.

The following weekend Archie had an enjoyable first visit to the National Clay Shooting Centre at Bisley to compete in the English Skeet 2018 English Open. Archie set a new personal best score of 95ex100. With Ross Lester taking the Colts title with an impressive 99 this left Archie to shoot-off with Sonny Bowman for both the runner-up spot in Colts and the C class honours. With both shooting 23ex25 in the shoot-off, it went to sudden death and Sonny came out on top. After being initially disappointed Archie was pleased to have come so far in so little time.

Archie is now looking forward to the British Skeet Open in August, British Open Sport and Sporting in September.

'Archie would like to express his thanks

Dougall Memorial & English Open

The weather at Bywell was slightly windy which made the targets dip a little from time to time. This meant you needed lady luck on your side with a few of the targets. In the Dougall Memorial shoot we had some North region winners. Peter Johnson shot his first 100 straight to finish on 294 and won B class. Roger Wright won C Class with a score of 282. well done! In the categories Emma Holden won the ladies trophy for the fourth time. Richard Tinson came 2nd in the Juniors with a score of 295. Andrew Wragg came 3rd in the Veterans after a shoot off. Cory Doble came 2nd in the Colts category with a score of 276. Mark Delf won disabled standing on both days, well shot Mark. Charlotte Kitchen shot 200 straight over the two days. She shot 293 on the Sunday (English Open) which made her Lady

runner up of the English open. Richard Tinson shot another 295 in the English Open. This lead to a shoot of which resulted in him gaining the title of Junior English Open winner. Alan Henry came 3rd in the Veterans and Cory Doble shot well again which resulted in him coming 3rd in the Colts category. Michal and Paul Tuner won the Womble trophy again. It seems like they have made a good home for that trophy as it keeps going back to them.

In the regional inter county team event, the North won two categories Ladies and Veterans. Well shot to all who made the team and congratulations to all the shooters who won. This year's North of England team was as follows: Seniors – N Chapman, T Robinson, P Turner, P Chaplow, D Garrett, R Holden, M Clark, M Jeminson, A Wragg and S Fiddler. Ladies – E Holden, C Kitchen and L Powell. Juniors – C Doble, J Tate and R Tinson. Veterans – A Henry, J Adams and A Fowkes. Charlotte and I would like to thank all the North region shooters for their continuous support throughout the selection shoots. Fingers crossed we can win all 4 categories next year. Look forward to seeing all your faces.

27 May: North Region Selection Shoot

Hosted by Blackpool Sporting Clays. With the weather forecast to be bright and sunny things were looking promising. There was a testing course on offer to shooters who came from all corners of the North. This reflected in the final scores but the course wasn't the thorn in everyone's side after shooting it, it was the wind that came as the day went on that threw everyone off and made the targets more interesting.

The scores were as follows: High Gun and first in AA was taken by Shaun Bulcock on an

impressive 90ex100. Second was Tom Brown on 89 and joint third was Tom Oldham, Scott Greenwood and Phil Farrer on 85. First in A class was Joseph Lightowler on 84. Second was Anthony Peacock on 81 and third was Andy Jones on 79. First in B was won by David Woolley on 81 and joint second was taken by Steph Meachen and David Rae both on 76. First in C was Robert Kitchingman with 70. Second was Rebecca Brown on 69 and joint third with 65 was Graham Oliver and Joel Ogden. Thanks to all that made the trip, staff and ground.

Lancashire Sportrap

This year's Lancashire sportrap was held at Blackpool gun club. Lesley and Andy held the competition for the first time and did a great job. The layouts were set out to test and challenge everyone but remained fair. The weather was kind with only a light breeze, some 50+ shooters tackled the course the eventual shooter at the top was Austin Coxhead with a brilliant 95, Junior was won by Josh Bridges on 92, Graham Stizaker added another title by taking the Vets with 89, Ladies title was taken by Janet Spence on 64 and Colts champ was Brent Singleton. Well shot everyone. Thanks for supporting the event and well done team Blackpool for hosting it.

The selection shoots are in full swing in fact the DTL selection shoots are over and the teams have been selected for the West Midlands Team Championships at Fauxdegla. Thank you to everyone who took part.

On 22 April the Cheshire ABT took place at Fauxdegla with Andy Pownal taking high gun on 91 Dave O'Donnell taking Mens on 89

and Vets was taken by Paul Culverwell on 85.

The West Midlands Area and Team Championships ABT event on 8 April didn't go to well for the team but there were some great individual scores none more so than Dave O'Donnell who shot a 98 and took the Cheshire high gun and after a tense three way shoot off took West Midlands Area silver medal. Very well done Dave.

Onto the Cheshire UT event. On a fine bank holiday Monday the Cheshire UT championship was contested at Fauxdegla. There was a good turnout and at the halfway stage it was neck and neck between Andy Pownall, Fred Whitehurst and David Thornley. As they cantered over the line the finishing order was David Thornley, Whitehurst (Juniors), Chris Bushell with Jeanette Bushell (Ladies) and Bob Gallagher (Veterans), well done to everyone.

There is still all to play for on the Sporting and Skeet selection front so keep an eye on

the next events. Don't forget that after the West Midlands Inter County and Cheshire events are the National events so keep on shooting and stay on form.

On 2 of June the Ladies Clay Shooting League arrived at Holmes Chapel Shooting Ground to tackle the DTL and what a day we had with the help of Dave and all the coaches, a special thanks to all. We used the first round as a coaching session and then the competition started in earnest over the next 50 with some fabulous shooting from Eleanor Hardy who shot a great 49 to take high gun, followed by Becky Wilkinson 46 who took second with Emma Percival on 46 taking third and its fair to say that the day was a great success and enjoyed by all.

Fantastic success at the England selection shoot over the weekend at Doveridge for Kevin O'Reilly and Chris Bethel who once again qualified to shoot for England and we almost had a third in Colin Babcock who missed out by just one clay, well done to all.

Peter Relph, well what a weekend for you at the English Open and the Dougall Memorial shoot after shooting an incredible 100/300 Peter went into a three way shoot off and took the much coveted Dougall Memorial trophy, huge congratulation on winning this historical trophy, and a great day for Toby Hurstfield who took silver in the colts over the same weekend at Bywell, keep it up Toby.

The West Midlands DTL Championship was hosted at Fauxdegla. It was a great event for Cheshire CPSA, taking Bronze in the Ladies, Silver in the Juniors and Gold in the mens. Many congratulations to all who took part and qualified for the teams.

The rest of the county team selection shoots are: 08/07 Gunsite, 05/08 Westfield (county championship, mandatory score for selection process). We're sending a great boost in the numbers this year so the people making the team really will have earned the honour.

John Hadley

It is with great sadness that I announce the passing of Hereford & Worcester member Mr John Hadley on 30 May aged 75 years. John was a H&W committee member for many years. He was a very keen fly fisherman but he also loved his trap shooting and had represented H&W in numerous DTL team events. He could be seen regularly at Park Farm SG and also Mid Wales SG. A lovely gentleman who will be missed.

Ladies Training Day

H&W will hold a Ladies training day (Senior, Veteran or Junior Ladies) at Park Farm SG on Saturday 25 August with a 10.30 start. All applications to be made to Pat Smith on 07969 452580 with the decision being filtered to eligible Ladies in the following order.

1. Member of the CPSA.
2. Potential new member of the CPSA with a shotgun certificate.
3. Potential new member of the CPSA without a shotgun certificate.

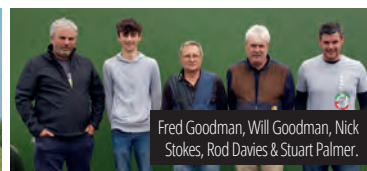

Funding has been agreed with West Midlands Regional Committee for up to 10 shooters to take part. Each shooter will receive 100 cartridges to shoot 3 cards of 25 but we are stipulating that one of these cards of 25 must be shot at DTL, the shooter can nominate the other 50 days of their choice, either Skeet, Sporting or a mix of two of the three disciplines. Coaches will be there to look after all three disciplines. This will be on a first come first serve basis but if we receive more applications than stipulated we feel another course could be booked in the future.

8-12 May: English Open English Sporting, Aitken, Grant & Lang

Shropshire had nine entrants for this challenging event with Stu Aston and Mike Cashmore both shooting very creditable 89s. To put this in perspective it is only 1 shot per stand on average behind all but the top ten AAAs. Stu Burgess on 88; Peter Bridger on 86; Julie Burton on 80; Archie Hughes 79; John Stokes on 78; Roy Jones 70; and David Pope 69 all did well.

19-20 May: All Round, English & British Opens, Bywell

Julie Burton won Ladies Bronze at the British Open with a very commendable 86 ex100. Stu Burgess shot an excellent 91 for 14th in Seniors.

In the English Open All Round, Julie was 4th in Ladies and Stu 5th in Seniors.

Please note the Shropshire All Round Championship will be held on 9 September 2018 at Park Farm. Please book directly with the ground.

Arran Eccleston shot 168 ex200 for 5th in Juniors.

20 May: Olympic Trap, Fauxdegla
Becky Fergusson shot 109 ex125 for 2nd in Junior Ladies and this was good enough for 5th in Ladies. This was the second leg of the British Shooting Shotgun Series.

5 May: Helice, English Open Championship, A1 Shooting Ground

Shropshire's Marcus Iddon, Alan Rowley, and Sussex shooter Alisdair Williams all shot 23 ex24. After a three way shoot off Alisdair prevailed with Marcus 2nd and Alan 3rd.

Brilliant Shooting Alan & Marcus!

20 May: Helice/ZZ, Shropshire Championship, Rugby

Alan Rowley became Shropshire's Helice Champion, after a tie-breaking shoot-off with Jess Moore. Both Alan & Jess shot an incredible 22ex24; and it took four more targets to separate these top level Helice shooters. Jess is Ladies Champion. Following the final GB selection shoot at Invicta on 27 May, Jess topped the Ladies and will be going to the European Championship during July in Italy – well done Jess!

Mike Cashmore managed a very commendable 14ex24 on his first ever go; a good effort and now he knows just how difficult this discipline is!

Shropshire has several world class competitors in Helice and we wish them all the best for the rest of this already very exciting season! The West Midlands Helice Championship is on the 23rd September and will be held at Rugby and District Trap Club.

Shaun Gardener shot his first magnificent 100/300 at Fauxdegla on 20 May to take the High Gun and Bernie Hutchinson, shot

15-17 June: DTL Weekend, Bywell

Shaun Gardener, Craig Bebbington, Bernie Hutchinson, Ian Foster and Anthony Gardener all shot in the three big events: DTL Sponsored Day with Shaun scoring 98/287; Dougall Memorial Championship with Shaun & Craig both scoring 99/295; and English Open with Craig scoring 98/294 – just two misses putting Craig in 31st place.

Leah Retains County Titles

I've just finished the Double Rise Staffordshire County Championships at Ranton CTC.

I'm extremely happy with my score of 63/100 as it's only the 2nd time I've shot Double Rise and the 2nd time I've shot with my new gun. I managed to retain both my Lady and Junior County Champion titles which I am very pleased about. Thankfully, there was no wind and the sun was blazing all day which

created perfect conditions to shoot in!

Ranton is a small but great ground with targets to challenge even the most experienced shooter. It was great to see so many shooters who I haven't seen in ages, and it was good to catch up with them because I haven't seen some of them in almost a year!

Congratulations to everyone from Staffordshire who won either money or became County Champions themselves (Veterans or overall Staffordshire High Gun). All being well, I hope to see you all again for the Single Barrel Staffordshire County Championships on 1 July and hopefully I can retain my Lady's title and win the Junior County Champion for the first time!

Regions ABT Team

As Bywell Shooting Ground basked in an unprecedented warm and sunny weekend our regional team of ABT shooters themselves turned up the heat to give the Ladies and Veterans teams success.

The Ladies team were well clear of their nearest rivals with some exceptional scores from Mary Rowley (186), Sue Bate (174) and Jackie Houghton (165).

The Veterans were up against strong opposition from the North, who usually dominate this event, but all rose to the challenge with Phil Rowley scoring 190, John Winn 188 and Mick Feather 183 giving them a final lead of 13 points.

The Senior team came so close, being beaten by just 26 targets which when you consider this is out of 1000 targets is a very narrow margin. We were fielding some big hitters as the scores demonstrate - Jack Wilkinson (193), Dave Sipling (186), Marvin Houghton (182), Steve Parker (181),

G Carter (179), Norman Eaton (177), Pasquale Ritucci (173), John Stephenson (171), Tony Clayton (155) and Elena Taylor (155) - top 5 scores to count.

Congratulations to all team members, it was a sterling effort by all.

Regional FITASC

45 shooters attended Orston for the regions FITASC event and it was local man Simon Davis that took top spot scoring 83 with a one clay victory over county team mate Rob Denoon, and another Notts shooter Robert Lowe in third.

In Ladies another Notts shooter Becky McKenzie just got the better of Lorraine Waters from Northants scoring 63 and giving her a victory by the narrowest of margins, Megan Gamble from Notts completed the 1-2-3 finishing third.

Robert Lowe made it a bumper day and added the Vets title to his overall third in Seniors, his score of 79 was well clear of nearest finisher John McKenzie and Rob Tucker from Leicestershire in third.

In Juniors it was just the solitary Sam Houghton from Leicestershire carding a very respectable 68 to give him the title.

Handicap by Distance

23 shooters attended Nottingham & District for this derivative of DTL, which is a gold medal only event, and it was a superb score of 99/290 that gave Notts regular Russ Hufton the title.

In Ladies Laura Shinn from Norfolk put in a superb score of 98/289 to take the title to make

the long journey home well worth the effort.

John Grice from Leicestershire shooting in Vets took his first regional title scoring 98/289.

Last and certainly not least it was Alex Banning from Northants who took his fourth regional title this season in Juniors with a score of 94/280.

Many thanks to our hosting grounds.

Vet Champion – John Stanton 89. Runner Up – Phil Coxall 86. Third – Jim Munday 84.

Fine weather failed to tempt more than only two Bedfordshire shooters for their OSK Champs at Tythe Farm Shooting Ground.

Veteran local Andrew Austin continues to astound, this time posting 24, 25, 24, 25 (98) to take the title. Runner up was Richard Brooks. In the overall scores Cambridge shooter Freddie Killander was 2nd with 95.

3 June : Cambridgeshire Single Barrel, Cambridge GC

Hi Folks, well a fairly quiet month was June but on the 3rd we held the Cambridgeshire

Single Barrel Championship at Cambridge Gun Club. A nice but cold day and a good few shooters taking part including a good sized contingent from across the border in Suffolk.

As the day unfolded it seemed that last year's winner with a 99, Steve Kirby, would not be taking the massive shield back home with him as Steve's score of 93 was not quite enough. Tim Jones had shot a 94 not long after Richard Croft (the recently crowned Vets DTL Champion), had also recorded a 94. At that point a shoot off was envisaged. Going steadily on the last squad was Steve Eley, who had every chance of beating the 94 until the last round which meant he finished on a steady 92. So we did have a shoot off to look forward to!

Meanwhile we had an unusual thing, two Colts from the training program organised by The Cambridge Gun Club & Cambs CPSA had entered, and usually we never get Colts shooting Single Barrel, so this was a first. So we had, Sam Halls, the Colts winner of the Cambridgeshire Sporting, who was changing disciplines and Ethan Lord, winner of the Colts Cambridgeshire DTL and so we had a competition in progress. The DTL winner (Ethan Lord) came out on top so is now both Cambs DTL and Cambs Single Barrel Colt Champion.

As a side note, the Cambs DTL didn't have a Colts Trophy, but Philip Barnard offered to buy one and have it in memory of Philip's parents Linda & John Barnard. His Dad (John), would have been known to many of you, having supported Cambridgeshire in shooting and in his work on Cambs CPSA committee over many years.

And so the shoot off...Tim Jones shot an excellent 24, beating Richard Croft by 3 points – Well done Tim!

Champion. Tim Jones – 94. Vets Tim Jones – 94. Ladies Hazel Whiten – 89. Colts Ethan Lord – 57.

Many thanks to Cambridge GC for their hospitality.

Good morning to all of our readers, here's hoping that you are all well.

So, this month I have four competition results for you, thank you to the host grounds and congratulations for all of you that entered the shoots, well done, and for those who didn't, come on people, it's worth getting your name in the shooting press, isn't it?

2nd, Sporting selection at Kegworth

Here's another selection headache for Adam to get around. Top shot was Ben Husthwaite with 95x100, this score indicates that Ben missed less than half a target on each of the 12 stands, WOW! However, Dave Cockerill missed just over half of a target per stand, to be runner-up. Messers Murgatroyd, Ellingworth, Moody, Archer, Venables, Rouse, Deon Birch and Richard Watkins all scored in the high 80's and many others were not too far behind, maybe Adam won't have such a headache after all. Well done to you all.

The County Double Rise

This year we tried a 50 target shoot to try to encourage more shooters to participate, and it seems to have worked out OK! There were 23 entries on the day and the top shot was the evergreen Mike Brookes (with an E) who scored 45x50. Not to let him get too far away was Adam Curtis on 43, with 42 was the top junior Connor Harris, there's that name again. John Grice and brother Robert scored 41 and 40 as did Jason Marlow, the next eight shooters were only 3-4 points behind, great shooting. I shan't tell you who was 1 target from the end! Phew!!! A word must be said that two more juniors, Alex Harris and Sam Houghton were right in the middle coming 8th, and 10th. The top lady was Mrs Harris (obviously being coached by her grandchildren). Well done again to all of the entrants, Thank you.

3 June : HBD at Nottingham

Well, the famous John Grice came out on top again, shooting 98x100, good old John. Lambros Paphitis was runner-up with 93, Melvin Tebbett and Keith Mault shot 92x100, Bob Tucker and Jason Linnell were close with 88 and 89 and David Kendrick close behind shooting 86. Elizabeth Williams came out as top lady. All brilliant shooting, well done.

9 June : Olympic Trap at Garlands 4

This was one event that we tried shooting 50 targets some years since with good results. This year it went back to 100 targets and had very few entries, perhaps a lesson to be learnt? The 2018 County champion is, who else? that's right, John Grice who shot 84x100. Well done again John, good on yer! Runner-up was Ivan Heathcote with 70, third was Adam Heathcote and Davy Piggin was the other brave soul who competed. Thank you all for the effort.

One last note, L&R Skeet Supremo, Joy Hirons and her hubby Rob, have re-located to the sunshine isle of Cyprus. They have taken the opportunity to go there to instruct in the art of shooting skeet. Who could be more qualified for that than Joy. We wish them all the luck in the world, we shall miss you.

Check this and other tidbits on the website. So for now, good shooting and keep your powder dry. All the best, Alan B.

What an action packed month June was on many fronts.

Heading back to the top of the Podium

Aaron Heading goes one better from his Silver at the Commonwealth Games by taking Gold at the World Cup Trap Final in Malta. Following a 90 minute delay due to strong winds, Aaron and Du Yu from China started to pull away from the field. Going into the Final Round Aaron took a further 4 target lead to secure his second Gold in a World Cup event, his first back in 2013 at El Ain in the UAE.

Once Moore unto the breach Skeet Friends

Doug Moore took the battle for an England Cap into the final selection shoot at Doveridge 16/17 June. Doug followed on from the first selection shoot with a very tidy 195/200 and with it he secured a place at the Home International and his first England Cap in the Veterans Team. Well done Doug.

Lincolnshire goes north of the Border 10/6

Well over the River Humber to be precise, Beverley CTC for the AR Championship. Mark Hebden and Paul Tunnard posted 89 followed by

Norman Smith on 88 early in the day.

Jackie Houghton stepped onto the last sporting stand happy to hit one of the last 5 targets, an incoming midi that was easily lost in the background, a target that left many wondering if a trip to the opticians was in order. Jackie cleared this stand.

George Cheer finished with 92, and with it George takes high gun and junior title too.

Jackie takes Ladies title, a feat even more impressive as she was using hubby's gun for most of the day.

AA Norman Smith, and the Veterans Title too.

Mark Hebden and Paul Tunnard tied for A Class, neither present at the end; Mark takes it on count back. Richard Thompson B Class. Gary Boardman C Class.

Helice Bug Bites

Trevor Hawkins, who took part in the First of 4 World Selection Helice Shoots at Rugby DTC 10/6. Trevor scored a fantastic 23/24 and following a shoot off takes Senior Trophy and takes the lead in the series. With 3 best scores to count, maybe that World Championship beckons.

County Skeet Championship

It was great to see everyone who prefer FITASC and Sporting dip a toe into the Skeet world for a day at The Priory CTC.

The ground was impeccable. Well done to Aaron and Natasha Heading for a first class event.

Janet Stennett and Saira Boardman needed a shoot off to decide ladies title. Janet edging the shoot off 23/25 to Sairas 22/25 and retains the Ladies title for another year.

First Squad out with yours truly, Paul Tunnard, Richard Pettitt usually found on the Sporting/ FITASC layouts and Richard Gray who returning to clay shooting following a 17 year absence, not that you'd notice. All shot well carding 99, 98, 97 and 97 respectively.

George Cheer was 50 straight until a trigger issue started to cause concern; it was this sharp cutting feeling that cost him his first clay. Sadly a couple more slipped his grasp finishing with 95, which sees George crowned Junior Champion for a second year running. The magic 100 didn't materialise and left yours truly retaining the County

I start this month's report with an apology to the Priory CTC for the clash of dates for the Olympic skeet championship resulting in a wasted day for Aaron and Natasha who had set up the layouts for us, Aaron missing out on the Nuthampsted OT Grand Prix, as a committee we must avoid date clashes and I do not know how we missed this one we must ensure this does not happen again.

Thank you to Audrey Smith for the East Midlands single barrel championship held at Priory CTC report. Nile Chrumpier shot a 99 to win it shot on the first squad of the day, lots of good shots tried to catch him G Howlett and A Snell came close with 98's, Norfolk shooters S Owen 97 and J Mathason 96. Well done to Norfolk shooters A Smith Ladies runner up, Will Gilbert junior runner up R Gilbert vets runner up and third placed R Flowers who came out of retirement. Priory had four layouts of good targets and the shoot could have been supported more by other East Midlands regions, if we don't support them we will lose them! Congratulations to Richard Bunning winning English Open Sporting, Simon Owen shot well at Kriegoff, D Gooding putting in good scores, Junior Will Gilbert 96 ABT at Rugby, Richard Bunning winning the Cheddite championship with 117/120.

As a junior balancing the requirements of school with any sport has challenges that builds strength, resilience and character and Elise Dixon has been working hard to develop her form and put in consistent performances in Olympic Trap. Elise, sponsored by Beverley Clay Target Centre travelled to the Yorkshire ground for the second Olympic Trap England Selection / England Championship. With 91 shooters and fantastic weather it was set to be an exciting weekend. It was great to see a strong number of ladies both in the junior and senior categories, and all supportive of each other with congratulations and support as the weekend progressed. Elise started the competition putting in an 18. With some focus Elise put in a 20 which was well deserved. Elise slogged away at each target hanging on to the 20 by the skin of her teeth. A 17 was achieved

with one layout presenting some challenging low targets which caught a few of the shooters out. It was a good squad with 2 junior ladies and one senior lady so Elise was in good company with Dawn Breen and Savannah Beals also putting in a 17 on the same layout. Going into the last round Elise was confident and looked solid all the way through but excitement just let the last target slip away and Elise finished the round on a 22. In day 2 solid and consistent day saw Elise put in a 21, 18, 20, 21 putting her overall score for the weekend on 157/200. Amazing weekend which secured Elise the England Championship Lady Junior Silver, 5th overall in Ladies joint with fellow squad member Dawn Breen.

British Shooting held their first official Olympic Trap Mixed Pairs Selection Shoot at Nuthampstead, whilst it was a quiet competition the atmosphere was great, Elise and her partner Ben Killian was ready to beat their first experience back in March. Elise and Ben put in an overall score of 120/150 giving them 3rd in Juniors. Thank you to all those that have supported Elise, family, friends but especially her coach Aaron Heading and the Priory Clay Target Centre, Beverley Clay Target Centre, Malmö Guns, Cheddite, DryFire and Anglo-Italian Arms. It is fantastic that juniors are supported by companies and grounds to be future athletes.

Single Barrel

This competition was held on a Thursday night and this again proved to be popular with fifteen county shooters entering the lists. The competition was set out over fifty clays and it was a high scoring event with all the winners entering impressive scores. Dave Morgan won the Senior title with 44 ex 50. Martin Ferris took the Veteran trophy scoring 46 ex 50 and Kirstin Vogel, in a break from her 'A' Levels exams, took the Ladies title.

Of note was Alex Banning who at 46 ex 50 was equal high gun with Martin. It must be said that Alex seems to have found the groove with this

discipline. At the moment he seems to be able to do very little wrong when he shouts pull and the clays fly out of the trap. So far this year Alex has achieved the following titles in the discipline;

Northants County Colt winner, East Midlands Colt winner, English Open Colt winner and British Open Runner Up. This is a serious amount of silverware in the discipline and deserves high praise indeed. Well done Alex!

This year's county All Round competition to be held on Sunday 26 August, will be sponsored by The Gun Cupboard. Dave Brearley will be offering 250 cartridges and an embroidered badge for each class winner. These prizes will be in addition to the county trophies and it is hoped that they will encourage shooters from a wide range of abilities to take part.

Congratulations to Andrew Lea. He has again been selected for the England Olympic Skeet team. Andrew has been a Northants shooter for many years and has represented England in many international competitions as well as competed in the Commonwealth Games we wish him every success for this year.

Regional Inter-county Competitions

These competitions start this month and county shooters will once again be competing for the regional Director's Trophy. The county made a good all round show last year with teams for every discipline. Hopefully this year we can improve on our place and maybe take to trophy.

Team Manager Ollie Bradshaw will be taking the Sporting team to Highwaymans for the first of these on 5 August whilst Izzy Russell will be putting the final details to her Skeet team ready for the Skeet competition on home ground. Hopefully Jeremy Baker will again duplicate his success at the end of the month with the FITASC which is held over three days of the weekend 24-26 August.

August will also see Laurie Cookson on the look-out for DTL shooters so that he can complete his team for the match at the start of September and Simon Vogel will be doing the same for the All Round competition that will take place at the Northampton Shooting Ground. If you are interested please chat with Laurie, Simon or Roy.

Alex Banning Northants, East Midlands and English Open Single Barrel Colt Champion.

We wish every county shooter good luck this year and as a token of many thanks each team member will be awarded a county embroidered cap to mark their contribution. Past team members wanting a cap need to chat with Marty.

Fixture Change

ZZ County Championship – Priory CTC can no longer run this fixture so the County and Regional event will now be at Rugby on 25 November.

Handicap By Distance

Nottingham GC held the Handicapped DTL Championship on Monday 28 May. It was a sunny but breezy day for the County shooters who shared the event with Derbyshire and Lincolnshire. Tony Clark added to his 2018 trophy collection beating everyone with 96/280 to claim the High Gun. Jack Richards, recently returned from Australia was just one point off the pace but it was enough to beat Ollie Samson and win the Junior High Gun with 95/279. With no lady entrants it was just the Veteran's title to settle, both Gordon Hodgkinson (91/271) and Mick Feather (92/271) were tied and had to shoot off. Mick was the resulting winner narrowly beating Gordon by just 1 point and becoming Vet HG. Gordon did take home the B Class Shield and Ollie was also rewarded for his efforts taking the C Class with a 91/271. Rob Denoon was the A Class winner with 98/278 and Ken Rimington finished off the class prizes taking AA with 90/261. Thanks to Carl and the team for a great atmosphere.

Sportrap

Orston hosted the Sportrap Championship, again shared with Lincolnshire. Run over two days, 9-10 June, it attracted 167 entrants, 50 of those from Nottinghamshire – a fantastic turnout. It was a challenging championship with many of our county guns being tested. Tom Gibson was the overall High Gun with 92, followed by Andrew Beamish and David Grayson on 90, a score that gives David the Veterans HG and Andrew the AA Title. George Goodson won the Junior HG with 82 and Megan Gamble again won the Ladies HG with 76. Ricky Croshaw collected the A Class Title

County Success

Very well done to Paul Meakin who won the English Open Single Barrel at Northampton SG. Fantastic result - huge congratulations.

Lee Wilcoxson collected A Class at the BO Single Barrel. Curtis Woolley had a successful DTL weekend at Bywell - he was the overall runner up in the sponsored event, the AA class winner at the EO and was part of the winning 5-person team in both the Dougall and the EO. Paul Meakin picked up A Class at the EO and Paul, Curtis & Lee W were part of the winning Regional Team.

Russ Hufton was the HG at the Regional Handicap By Distance. brilliant 100/100 for the second time this year, putting them on zero points along side Pete Mylam and John Dunne with only the county final left.

May bank holiday brought an absolute scorcher at the North Cornwall SG. Double Rise was the discipline and with a healthy number of entrants looking set for a good day of shooting.

Martin Elworthy took the County Champion shield and the senior trophy with a score of 89/100, Keith Spear won the veterans on 62/100 and Rachel Bird took the ladies with 67/100, well done to all that took part and also North Cornwall for a smooth, well run day.

A second county final was at Universal Trench. With an outstanding score of 99/100, Martin Elworthy again took the County Champion shield and the senior trophy honours, Colin Chidley took the Vets with a 92/100, well done again to everyone that took part!

The second STR selection was held at the County GC on what was a muggy, damp day but it didn't hinder the scores as Adam Rowe topped the pile with a strong score of 90 on what had been noted by many to be the best STR shoot at the ground for some time, Pete Mylam and Kelvin Walsh nipping at Rowes heels with 89 but some brilliant shooting from Ian Studley, Simon Wood and Chris Durkin rounded out the top 6.

We have the pleasure of another ground opening in the County, River Valley Shooting Ground, TR27 6ET, offering ESP, please see their website for fixtures or ring 07970 555140.

Our third 'Have a Go' day was attended by members of Truro, and St Blazey Air Cadets. This was held at the hidden gem Mount Hawke Gun Club near St Agnes. Three stands of varying difficulty tested the youngster's skills. Honours went to Truro, Ladds Caps went to both team's Top Guns and CPSA wristbands and pens went to all. We are indebted to Stuart Bund, John Whitehead and Mike Reynolds who opened up their ground, and keenly helped us throughout this session. Mount Hawke Gun Club was established in 1964, and if any Guns haven't yet taken the opportunity, come along, a beautiful spot, testing targets and a warm welcome awaits you. Special thanks go to Andrea Northey, Steve Morton, Owen Entwistle, Stuart Oxenham, Graham Wild and Paul Underhill without who's support

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

Hampshire Sporting championship.

Owls Lodge hosted the 2018 Hampshire sporting championship and what a great course Richard Faulds had set for the seventy Hampshire members. The sun shone down on the twelve stand course, stands one to six had all the distance stuff. Stands seven to twelve had the closer targets in the far area, nicknamed 'the circle of doom' by one of the seventy members that entered this area and killed their card. The tricky close stuff can certainly kill a good score card especially for those that were use to giving lots of lead to the targets out on

the open fields on stands 1 to 6.

Antony Harper returned a 94/100 which held the top position to the end of the day earning him the Hampshire Championship title. Close behind him was Richard May on 91, Vets class went to Ron King on 88, Junior Conner Gorsuch who returned a great 90/100 and Tanya Faulds the ladies with 83/100.

Owls Lodge regularly have a 100 registered sporting shoots twice a month held on the third Thursday and the first Saturday and a 100 registered Sportrap once a month on a Tuesday. Please check out the website to confirm all the dates and events as some are telephone entries only. www.owlslodgeshootingschool.co.uk

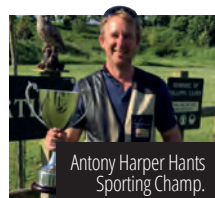

Farehams CTC mid week ABT.

Midweek registered ABT, Wednesday 13 June six squads shot the layouts in the sun, a great day for the trap shooting members that can have a day off or if they are lucky enough to be retired from the working world. The club is holding more regular Wednesday fixtures this year the next being 11 July the 100 reg DTL Hants and Dorset Championship Cup, this 'Pull' edition might just get out prior to that date. Midweek shoots seem to be very popular Owls lodge having a huge turn out on the Thursday sporting events hence its so popular Richard has had to impose telephone entries only. Wow.

So it might be possible Fareham CTC management will follow suit and consider increasing the midweek ABT / DTL trap fixtures next year, fingers crossed. Wednesdays results, Richard King 96, Perry Leamon, Gary Foster, P Wingrove and Ron King all on 93.

Round three Clubman Classic

Another great ground taking its turn to hold the Clubman classic, Sunday 17 June, 67 entries from various teams representing their clubs. All entries tried their best to tackle what several had said to be quite a tough set up of sporting scenario. Stand six had a few problems as some entries shot this stand as a report pair when it was actually signed up as a 'simo' pair... oop's one for Richard Worthington to sort out. Round four will be held at the revamped and relaunched 'Gosport and Lee' on the 21 July hopefully this stage will go without a hitch. The last round will be held at the 'Acorn Shooting School' on 11 August.

Half way through the County Championships and the results are rolling in.

The Double Rise County Championship was held at Brook Bank on 20 May and there were three squads who took part in the competition. In all there were seven Somerset shooters competing for the title but in the end it was Gerald Sweet who retained his title for 2018.

The ABT Championship followed the following week and there was a good turnout. Andy Weech took the County Champion title with an extremely well shot 99 (1 target dropped).

Two weeks following the ABT Championship the Olympic Trap Championship was a five way competition between Devon Dorset, Somerset, Gloucestershire and Wiltshire and there was a good turn out across the various counties. For Somerset there was only four shooters who took part and when everything was said and done Welsey Hann took the title six targets ahead of his nearest competition, Stefan Roberts.

County Championships

Brook Bank Shooting Ground hosted the Wiltshire ABT County Championship on Sunday 27 May. Competitors were presented with a very hot humid day but not the promised thunderstorms. The targets were very visible which resulted in some very high scores. Dave Allen continued his fine run of form to take the Wiltshire title with a score of 94 after a shoot off with Simon West. The event was also Somerset's County Championship. Many thanks to Brook Bank for hosting an enjoyable competition.

Also at Brook Bank, on 10 June the Olympic Trap County Championship was won by Simon West with 95ex100, beating Dave Allen by one. Dave Allen wins the veteran prize.

10 June: Essex Automatic Ball Trap Championship 2018

The Essex Automatic Ball Trap Championship was held at Dartford Clay Shooting Club on Sunday 10 June 2018. This was in conjunction with the Kent ABT Championship.

At the start of the competition a mystery power outage was discovered leaving the acoustic release system un-useable. However, using batteries and button release the competition got underway.

For those used to instant acoustic release the manual button system was a bit of a challenge. But with that said, some good scores were recorded from the large entry and most competitors seemed to take it in their stride.

Maurice Molossi emerged the overall Essex Champion with a score of 85.

Chris Wright took the Veteran's Trophy with an 84 and Pam Dorrington retained the Ladies Trophy with a 74. The Colt winner was Mason Terry with 61.

Thanks are due to Dartford for hosting the event and to Gordon Lee (The Red Baron) for getting the event started on the button.

A nice touch in that word had gone out that the day before the competition it was Hermione's 13th birthday and to mark the event a brilliant birthday cake was made and presented to her, well done to those at Bisley for coming up with a very nice surprise. Did you get a slice?

3 June: Greater London DTL Championship

A very warm and well attended day at Bisley Gun Club, good birds and visibility with only a slight breeze, and a nice chance to catch up with old shooting friends.

The top G/L shooter and county Champion was Dennis Hudson with a 98/289 also the top Veteran. Runner-up was Alan Piper on 97/285. Hermione Burns won both the Top Lady and Colt trophies. There was no Junior entry. There were 12 shooters from G/L out of a total entry of 58. We now have our team ready for the DTL SE Region Intercounties at Maylands on 30 Sept.

Thinking further ahead, should any of you fancy getting up a team for any of the National Intercounties Events, held normally around October then let me know. The four events are for English Sporting, English Skeet, DTL and ABT, there are badges for everyone who is in one of these teams. See the CPSA website for details and dates. 21 June: Hertfordshire Sporting Championships LVSA Hertford

Hertford had not hosted a registered shoot for 18+ years so it was great to see the ground in such excellent shape for this year's Herts champs. The weather was fantastic a bit of wind didn't affect too many targets with the sun shining most of the day.

Alex, Ken, Dan and the team laid on a 100 bird shoot over 12 stands, the feedback on the targets was very positive, shooters arrived from most of the home counties with 60 Herts shooters entering. It was an excellent day with all shooters asking Hertford to put on more registered shoots. The Herts winners were: Overall High Gun: Paul Lovick – 92. Ladies: Christine Robinson – 67. Junior: Charlie Monahan – 88. Colt: Alfie Tibbles – 79. Regrettably only 60 out of the 700+ Hertfordshire members (which was a 50% increase on 2017) is an extremely low turnout, we would love to see this number doubled in the following years and welcome ideas to achieve this.

A massive thank you to Alex Mitchell and the excellent team at Hertford who spent a awful lot of time and effort to make the ground and targets work like clockwork. We really

hope that Hertford (LVSA) can entertain the Herts champs in future years.

2 June: Clay shooting classic – Southdown

Congratulations to Alfie Tibbles for taking 1st in Colts after a Grand Final where he was squadded with an impressive line-up of George Digweed, Huw Stephens and Richard Faulds and a shoot-off where Alfie won by 4 clear points.

16-17 Jun: FITASC Garlands

Congrats to Charlie Monahan for finishing 2nd in Juniors at the FITASC England selection shoot. Charlie has been shooting more FITASC in 2018 and is currently in the reserve spot for the English Shooting squad.

Hertfordshire CPSA Members Coaching

We are looking at getting one of the top coaches at a Herts Ground to give Hertfordshire CPSA shooters group lessons, our thoughts are 1-2 hour coaching sessions with small groups 4-6 subsidised by Herts CPSA. In order to achieve this, we need to know the level of interest, so please email David Tibbles with the subject of "Herts Coaching" to register your interest and what discipline you would like to attend.

trophy and prizes available of which all participants will automatically qualify for the final. However if you would like to shoot in the Challenge Trophy for the Main Trophy and prizes you must qualify at one of the County Championships and finish in the top three.

The Final

The Challenge Trophy final will be held on 11 November 2018 at Northampton Shooting Ground and will run alongside the Oxfordshire 100 Registered All Round County Championship. Prizes will be announced on The Oxfordshire Facebook page shortly.

I hope that clears up any queries. Any questions please let me know and I will address them with the committee members.

The shooters who have qualified so far before this issue went to print are: 1. Jonathan Plant. 2. Stuart King. 3. Pete Farrell. 4. Henry Mitchell. 5. Cheryl Hall. 6. Steve Cox. Right, now onto our great results from our recent shoots.

Congratulations goes to Roy Cherry who shot a brilliant 94ex100 to become the 2018 County Champion at Oxfordshire County Sporting Championship which was held at Westfield. A total of 151 shooters turned out. Well done to Helen McKenna for picking up the Ladies class, B Jacks for picking up the Veterans and RC Claridge for the Junior class.

Well done to Gary Davis who shot well at Westfield in early May shooting 94ex100 picking up High Gun and then 91ex100 early June at Barbury placing him 2nd in AA Class.

Where did Luke Taylor find his amazing score

at Westfield of 86ex100 leaving him second, yes second in B Class! Well done.

The European FITASC Championships saw many of our GB shooters perform well as Oxfordshire's Matt Hance reported. "It is always an honour to be able to represent my country in the sport I love and at the European Championships it was no different. Losing the team Silver medal to the French team on count back never sits well but a team Bronze medal is not to be taken lightly". Well done Matt, a very proud moment for you.

Please keep in touch with your pictures and achievements. Keep up to date with all the latest Oxfordshire news by checking out the facebook page. Happy, safe shooting!

AG Adjustable Gun Stocks

If your scores are inconsistent it may be because your gun fit is incorrect, most factory stocks are made to standard measurements, you may not be 'standard'.

A fully adjustable comb which allows you to have consistent mounts may be what you need.

I also fit recoil reducers and adjustable butt plates. Prices start from £180. Cheaper than changing your gun. Fast turn around usually 4 to 5 days.

A BEAUTIFUL SUCCESS STORY

Sir Edward Dashwood Bt. of West Wycombe Estate talks to **Jasper Fellows** about the ongoing success of the CPSA Worlds and E.J. Churchill.

Q West Wycombe Estate has held an impressive array of events, from charity dinners to product launches. What makes The World English Sporting Championships stand out from the rest?

A: The type of shooting we normally hold here is as a location for filming! The estate has been used in Downton Abbey, The Crown, Bridget Jones's Baby, The X-men and more recently Patrick Melrose. This is somewhat different. We have run charity clay pigeon events on the estate before, but The CPSA World English Sporting

Championships is the only competitive event we have held. I think the participants have loved going onto the estate and have been amazed at how stunning it looks. The topography itself helped produce some really challenging and enjoyable targets.

Q This was not the first time that you have hosted the championship. What have you learnt from previous years?

A: The event seems to be growing every year. The feedback is so positive that more and more people want to come and shoot the layouts. This in itself leads to the requirement for more parking, transport, food and so on. Many people travel a long way

so it is really important to give them something special. We have made a real effort to have superb locally-sourced catering and this included venison sausages from the estate and some delicious beef, freshly cooked on charcoal barbecues, as well as ice cream made by my neighbour.

Q Are you interested in the raw skill and talent of some of the industry's best shots, or are you more interested in the atmosphere that comes from bringing so many like-minded people together?

A: I really love seeing the best international sportsmen at the top of their game. The good ones take it very seriously and you can see why they do so well. I am also amused by others who are perhaps not

as good as they think they are but I am always on hand to help their bruised egos!

Q What's next for E.J. Churchill and The West Wycombe Estate?

A: We are always flat out, the week after the Worlds we held four large events and ran a charity shoot in Yorkshire. We do our regular monthly CPSA shoots too, which are increasingly popular. Next year we will be holding the World FITASC Championship Finale which I think will be the largest such competition anywhere. It should be another superb festival of shooting! 🎯

The event seems to be growing every year. The feedback is so positive that more and more people want to come and shoot the layouts.
