# WELCOME

**A**s we approach the end of the clay shooting calendar, it is time to reflect on what has been accomplished over the past year, to look forward to what is coming in the next, and to prepare for upcoming challenges. For many, this means getting out to the practice range. Our Coaches and Instructors have also worked hard all year, while our Coaches courses have been more popular than ever. We are looking forward celebrating a successful year at our Coaches Day on Monday, 3 December at Doveridge Clay Sports Club, hosted by our partners Edgar Brothers.

Please also see our invitation on page five to the CPSA Annual Awards on 2 February 2019, and don't forget to submit your nominations. Looking at this month's issue, I'd like to highlight the reports on the Premier League Finals and the Clubman Classic. These competitions are ideal for shooters of all levels, and I'd like to encourage those who are thinking of expanding their competition experience to consider these excellent events next year. Please also see the legal article on page 25 regarding doctors' letters for shotgun certificates, an issue that may affect us all. Finally, I'd like to wish you all a merry Christmas, and a happy New Year!

## FITASC AND COMPAC RULES CHANGES FOR 2019

The FITASC governing body's current regulations for all the FITASC disciplines have been amended as follows:

**All Disciplines:** It is now a requirement that when bins or receptacles are provided at the shooting positions, spent cartridges must be deposited in those receptacles by the competitor.

**FITASC Sporting:** There will be no need to write 'Standard' on the card as it is assumed that where the 'Special' targets have been identified, the competitor will understand that any targets not identified will be standard targets.

The line fixed at 25cm that defines the gun hold or ready position has been amended to include that this line must be of a contrasting colour to the vest or shirt.

A new inclusion to equipment that is not acceptable is the use of an artificial sighting aid and micro cameras. Clearly the manufacturers' sight beads or replacement sight beads are acceptable.

**Compak Sporting:** The complete rules book for Compak has been restructured along with some new additions.

The target over flight area dimensions have been modified, the max width remains 40m with a new minimum width of 35m. The shooting position minimum spacing is now set at 2 to 5m between centres.

The rule on how a referee deals with a competitor late on the stand has a significant change, it is no longer incumbent on the referee to call or search for an absent competitor.

If in a squad, a competitor is absent and the first competitor has called for their first target, the penalty is loss of 25 targets.

For Compak in line, if the late competitor's name has been removed from the computer, then the competitor will not be allowed to join and will be penalised 25 targets (Chapter 9).

All the above are effective 1 January 2019 - see [www.fitasc.com](http://www.fitasc.com) for details.

## RUGBY FOR HEROES ANNUAL CLAY SHOOT RAISES £8,000

Ian Coley Sporting hosted the second annual Rugby for Heroes fundraising clay shoot at their award-winning ground outside Cheltenham, on Friday 21 Sept 2018. Supported by Rugby for Heroes patron Mike Tindall – and celebrity and sporting guests including Nick Knowles; Olympic gold medallist Amy Williams MBE and Countess Bathurst – the event raised £8,000 for the charity, with Barclays matching £2,000 pound for pound.

Local businesses took part in the friendly competition, with MTH Building Services taking top honours – winning both the

team and individual competitions – followed closely by Chase Distillery.

The next annual Rugby for Heroes clay shoot will take place on Friday 20 Sept 2019. # SHOOTING ON DECK

**H**MS Queen Elizabeth Clay Target Shooting Association has conducted its first flight deck shoot during a much-welcomed general afternoon off during her autumn deployment to the United States. The club has been set up to promote clay target shooting on board to all ranks and rates and to facilitate sporting activity during down time. The club committee has been assisted by the Royal Navy and Royal Marine Clay Pigeon Shooting Association via Majors Hugh Jones and Simon Lucas RM, who are both CPSA coaches.

The shooting was opened by the ship's Commanding Officer, Captain Jerry Kyd RN – a keen shooter himself – with 15 club members forming the rest of the shoot card.

The club currently has around 35 members whose ranks range from Commander to Able Seaman, proving there is no limit to who can enjoy this fantastic sport. All the club members have conducted the CPSA Shotgun Skills Course, and some have also completed the CPSA Safety Officers Course.

The club's founder Lieutenant Matt Williams RN said "I remember shooting clays from the stern of HMS Invincible in

the mid 90's and when I joined this ship I was keen to see if it was still possible to achieve. It has taken a lot of time and effort to understand the legislation and obtain equipment but we are now in a great place to be able to offer this activity.

Clay shooting may not be accessible to all but through this club, we hope to be able to make it so. We certainly have a unique backdrop and plenty of space to make an enjoyable experience even if the ship's motion makes it more challenging than normal."

The club has been donated equipment by RNAS Culdrose Sporting Gun Club, Mr Robert Brightman of Shootingproducts.co.uk, and Mr Charlie Harris of Chris Potter Country Sports in Royal Tunbridge Wells, who very generously provided the shotguns, cartridges, clay targets and all the other accessories required to conduct a shoot.

The club hopes that now that shoots have been seen onboard, more crew members will be interested in participating and achieving the required qualifications.

"We hope to be able to get some club members to progress to Level 1 Instructor which will allow us to open up shoots to the entire ship's company" said Lt Williams.

## THE IAN COLEY COLUMN

## CHOKES & PATTERNING

Chokes, patterning and cartridge choice are hot topics in clay shooting circles and finding the combination that suits you and your gun involves a little scientific testing. To do this effectively will involve spending some time on a pattern plate, but failing all else, a straightforward going-away target would also work to an extent.

To truly understand your gun, try different combinations of cartridges and chokes. It is important to try at least 5-10 cartridges each time, as this dispels any variance in the cartridges or your gun mount. I actually prefer to start with the gun mounted and move slowly down onto the target, so that my shot is not affected by gun mount.

On the plate, you will be looking for even pellet coverage without clustering. If your gun fits correctly, your pattern should be going where you are looking; sometimes we like to see a pattern slightly high of where you are shooting, for example if you are shooting Trap.

Once you can see the shot pattern, this will tell you about how your gun fits, and how the cartridges pattern through the chokes. With modern day cartridges and ballistics, a lot can be said for not over-choking and blowing patterns. Once you've found a combination that you like, stick with it, and avoid the temptation to change chokes unnecessarily. At the end of the day, whilst chokes and cartridges offer incremental advantages important at competitive levels, pointing the gun in the right place is still the most important factor!

## LETTER OF THE MONTH

**D**ear Pull!

After a number of years travelling over to Canada to visit relatives and for shooting trips/competitions, this year we decided to reverse the journey and my relatives (Aunt and Uncle who emigrated in 2008) travelled to the UK for a shooting holiday at the end of September. Over the two weeks of our holiday we visited ten different shooting grounds and have been very impressed by the warm welcome, the quality of the grounds and the variety of shooting on offer. All the grounds are individual and have their own charm, but the friendliness of the staff and their interest in our trip and their eagerness to ensure we enjoyed a good day's shooting at their ground was common to all those we visited.

These are the grounds we visited (in the order we visited them) – and we'd happily return to each of these grounds the next time we have the opportunity: Thimbleby, Ian Coley, EJ Churchill, Northampton, Oxford Gun Company, Barbury, Royal Berkshire, Orston, Coniston, Kelbrook.

We also have to say that the Greater Manchester Firearms Unit couldn't have been more helpful when applying for the visitors shotgun certificates. Even when we noticed a slight mistake relating to the serial number of one of the guns being brought over from Canada (our mistake not GMP's) it was quickly rectified.

The staff at JustCartridges were also extremely helpful when we visited them to stock up shells. After a wonderful two weeks shooting, we are already planning next year's UK shooting holiday.

Above are the baseball caps that we bought at every ground we visited. Unfortunately, two grounds don't currently sell baseball caps but if they start to, it gives us an excuse to visit them again next year in order to complete the collection!

These past two weeks show shooting in the UK is in a fantastic state of health, the quality of the shooting available, the friendliness and enthusiasm of the people working at the shooting grounds, and the number of grounds around the country mean that the opportunities for experienced shooters and those new to our sport have never been better, long may it continue.

**Best wishes,**

# ENGLISH SPORTING HOME INTERNATIONAL

**Richard Hunter** reports from the event that took place on 8 September at Mid Wales Shooting Centre.

**E**xpectations were high in everyone's eyes after the last time Mid Wales Shooting Centre held this event in 2012. Jonathan Williams set the targets for the 100-clay, 14-stand competition. These were first class, testing but fair, a credit to Jonathan. The captains and managers viewed the targets in the afternoon before the competition and agreed that this was going to be tough – any score that started with an eight would be decent.

This year saw a format change, with all competitors starting on Stand 1. The first squad of seven started at 9.30am, followed at nine-minute intervals.

The weather forecast was not promising, with a 70 percent chance of rain and a blustery wind, but thankfully it wasn't quite so bad. The early squads were seemingly better off, as rain arrived at around 12.30pm, but the winner came from the last squad of the day, shooting in possibly the worst weather.

England Junior Josh Bennion made history as the first to start the shooting in this new format. By 11.45am the scores started coming in. One of the first notable scores was Shaun Stacey's 89, followed by Chris Childerhouse who, despite cursing Stand 4's orange crosser, finished on 90. England Captain Graham Stirzaker scored 89, while England's Martin Myers scored 91, giving England the lead. Northern Ireland's Jim Burns shot 90, while

John Newman, making only his second appearance at a Home International, scored 91.

It appeared that High Gun would be decided by a shoot off. However, Billy Baughan entered the clubhouse with a big smile on his face and a score of 92, taking

the lead. As the last

squad came in the scores could be confirmed, and England's Phil Smith had the biggest smile of them all while handing in his 93 to become High Gun. After trying 20 years he has achieved his goal – well done Phil!

The Ladies title was won by England's Georgia Moule with 84, and Veterans by Phil Smith, 93. Junior winner was again Joshua Bridges, 87, and the Captains' Cup went to Graham Stirzaker, 89, while

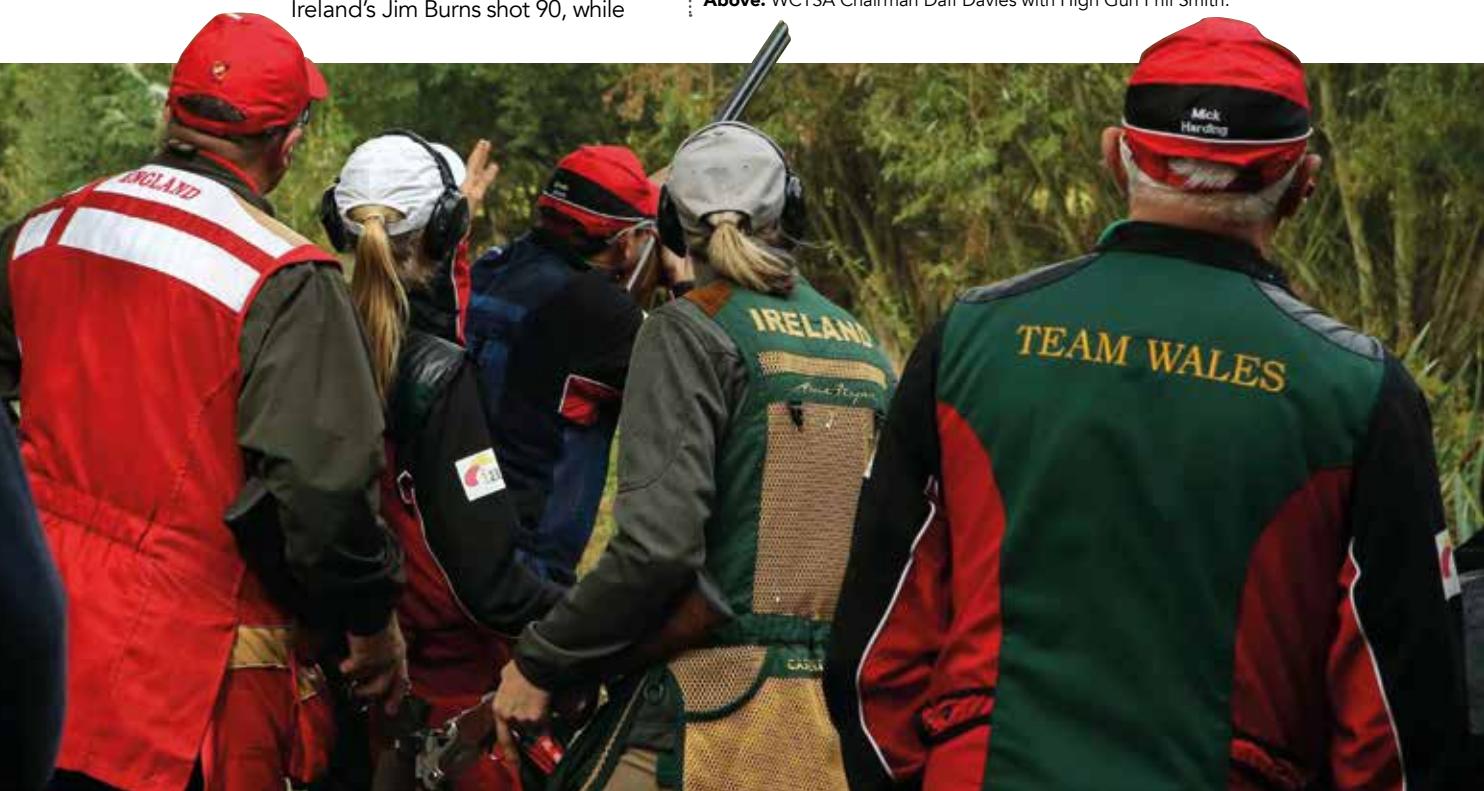

Super Veterans was won by Wales's Phil Ash, 80.

Team England won four of the five team events, coming second to Wales in Super Vets, while England's team manager Richard Hunter won the Managers' Badge. Overall it was a well-run and hotly-contested competition, and all are looking forward to next year's English Sporting Home International in Northern Ireland.

# PREMIER LEAGUE FINAL

**Richard Worthington** reports on the 2018 Premier League Final that took place on Saturday 15 September.

**A**tkin Grant & Lang Shooting Ground once again pulled out all the stops to give us a great round of shooting by opening up the layout to 14 stands across the same part of the ground used for the CPSA English Open Sporting.

Atkin Grant & Lang team shooter Dean Gibbs shot a fantastic 97ex100 to take the day's High Gun honours ahead of Team Southdown's Chris Childerhouse on 95ex100. However, the defining feature of this day was the overall series results. Individual shooters battled it out for the top three spaces, and the top two teams

– Cambridge and Southdown – fiercely competed for the team honours in the final.

In the end, Team Cambridge took Overall Winning Team ahead of Team Southdown by nine points, a very close victory. Many congratulations to them, and commiserations to Team Southdown who put in a superb effort throughout the series!

In the individual overall stakes, three shooters, Luke Taylor (A Class), Daniel King (B Class) and Thomas Baker (B Class), went into the final shoot with a slender lead. Several AAA shooters, including Phil Easeman, Chris Childerhouse and Kevin Howland,

were hot on their heels, but Luke, Daniel, and Thomas held on to their leads and finished with only six points separating them. Against such overwhelming odds, a huge congratulations goes out to Luke as Overall High Gun, Daniel as Runner Up and Thomas as third overall.

The Premier League sponsors provided generous prizes

...a huge congratulations goes out to Luke Taylor as overall High Gun...

...a huge congratulations goes out to Luke Taylor as overall High Gun...

to the winners – as overall series High Gun, Luke took home a Browning 725 Black Edition Sporter, a Pilla voucher from Sunglasses for Sport, 500 Gamebore cartridges and £1,000 prize money. Daniel and Thomas took home £750 and £500 prize money respectively plus 250 Gamebore cartridges each. Winning Team, Cambridge Gun Club, took home a brand new Promatic automatic trap for use at their ground.

All round it was an outstanding end to the Premier League Season. C Class Champion, Shaun Veasey, who only started shooting competitively two years ago, stated, "I would

definitely recommend the Premier League to anyone who hasn't shot it, as it gets you to grounds you probably wouldn't normally go to. You get to see a lot of different targets, which certainly helps your shooting." For shooters who are thinking about taking their competitive shooting to the next level, why not consider signing up for a team next year?

# 19<sup>TH</sup> FITASC HOME INTERNATIONAL

England Team Manager **Guy Bond** reports from the event hosted by Scotland on 22 September 2018 at North Ayrshire Shooting Ground.

**C**onditions were very blustery, but dry and bright on 22 September. Team Captain Georgia Moule and Manager Guy Bond inspected the targets, some seemed almost impossible to hit. Many targets were distant, edge-on and hard to see, resulting in some very low scores. Five years ago, the ground owner was told it was too easy, and he was adamant that this time he would put on a difficult layout.

As the shooting started, spectators witnessed very low scores coming in (around 15 to 18). Where normally the shooters would be very disappointed, this time they seemed to be honest with themselves that this was an extraordinarily tough course.

There were four layouts of 25 named

The cream of the England team were pleased to shoot 20...

Turbine, Pylon, Cragg and Death Valley. Death Valley was appropriately named, as the targets were down a valley, some 50m below.

It is never a great start for new caps from any country to be faced with such hard targets, with nerves and pressure added into the mix. The cream of the England team were pleased to shoot 20. Even though England's team scores were low, they were better than the others, with exception of the Seniors. The

Scottish Seniors were on home ground and determined to take the title. With Colin Will shooting a stunning 84 and Stuart Donaldson 81, it gave their team a 77.3 average, edging England's 76.5 average.

The experienced Graham Stirzaker was not phased, taking Veterans and England High Gun, and third overall, shooting a superb 81, with six targets he didn't actually see, or shoot at!

Georgia Moule won Ladies High Gun, Barry Green won Super Veterans, Dan Mawby won the Juniors and the Pete Dennett Memorial Cup.

The banquet was held in a hospitality suite at the Kilmarnock football stadium and after the speeches everyone was invited to England next year for the FITASC Home International at Atkin, Grant & Lang.

# NATIONAL INTER-COUNTIES

CPSA East Midlands Regional Director **John Martin** reports from the National Inter-Counties All-Round & **Ed & Nicky Baker** report from the National Inter-Counties ABT.

## NATIONAL INTER-COUNTIES ALL-ROUND

The National Inter-Counties All-Round took place at Northampton Shooting Ground on Sunday, 30 October. Although only six counties were represented, they managed to field 16 squads between them, which ensured a full day's shooting.

Suffolk proved to be the winning county with a score of 454, although they were chased till the end by Northampton, who were shooting in the last squad but came in two points behind with 452.

The winning Ladies team was Cambridge, consisting of Michele Conway and Sarah Christensen, who only decided to enter two days before and scored a 157 – narrowly beating Northampton's Ladies who finished on 155. Northampton also won the Juniors trophy with a score of 165, but unfortunately no other Juniors teams contested the competition. Winning Veterans team was Northampton on the score of 180 with the runner-up team being Lincolnshire on the score of 166.

Overall High Gun for the competition was Joe Smith with a score of 96. Ladies High Gun was Michele Conway on 81, Junior High Gun was George Chi, 86, and Veteran's High Gun was Laurie Cookson, 91. Colts High Gun was won by Christian Gilbert who shot as an individual and scored 85.

**Top left:** National Inter-Counties All-Round winners. **Top right:** National Inter-Counties ABT winners. **Left insert:** All-Round Ladies team winners Michele Conway and Sarah Christensen.

Ground welcomed the return of ABT, with a new Promatic installation. An overcast and breezy day greeted this eagerly anticipated competition.

Competitors had travelled many miles to represent their county and perhaps win some silverware. As the cars rolled in it was clear that the counties had gathered strong teams and meant business. The competition was going to be of a high standard.

The conditions did not improve for the start of the competition but this did not distract the seasoned shooters from some strong shooting. Jack Wilkinson, Ryan Askem and Richard Gilbert shot 24ex25 in their first rounds, inspiring the rest of the field, and soon had a fight on their hands.

Congratulations must go to the individual category winners: **Senior** – G Goodman from Hereford and Worcester (95ex100). **Veterans Winner** – Richard Gilbert from Norfolk (90ex100). **Ladies & Colts Winner** – Lucy Hall from Yorkshire (86ex100). **Juniors Winner** – Ryan Askem (93ex100).

The Norfolk Senior Team came through and beat very strong Lincolnshire and Yorkshire teams. There was a lot of good-hearted banter between the teams. The Norfolk team consisted of A Bowers, R Flowers, R Gilbert, J Mathewson and S Owen.

For the third year running, Willow Farm managed to secure the Winning Team title with Mill Farm in the Runners up spot so well done to all.

Thanks to everyone who took part this year and a special thanks to Ben Collins whose Clubman fixture was the final shoot at Stonestiles. We hope to see you and your team shooting in the Clubman next year.

# INTERNATIONAL EVENTS ROUND-UP

**Sarah Daly** reports on shooting events around the world.

## KOREA WCH

Aaron Heading and Kirsty Barr won GBR's only shotgun medal at the World Championships in Korea.

Starting the finals in sixth place, they managed to significantly outshoot Turkey and both Italian teams to win the bronze mixed team medal, a huge achievement and a cracking performance.

## WORLD SHOOTING PARA TRAP SPORT WORLD CUP

Held at the new ranges at Chateauroux, France, in late September, there were times when it was windy and cold at 8 degrees and then 28 degrees later in the day.

### The events:

- PT1, Class SG-S: Athletes

with poor balance and/or trunk stability, competed from a wheelchair in a seated position. Athletes have an impairment in the lower limb(s), but no functional limitation in the upper limbs.

- PT2, Class SG-L: Athletes with good balance and trunk function, competed from a standing position. Athletes have an impairment in the lower limb(s), but no functional limitation in the upper limbs.
- PT3, Class SG-U: Athletes with good balance and trunk function, competing from a standing position. Athletes have an impairment in the non-shooting arm.

Our team came home with

three medals. In the SG-S event, Allan Ritchie and Keith White both made the finals. Keith finished just out of the medals in fourth, but Allan went on to battle it out against Scottie Brydon (AUS) for the top two placings. Scottie finished on a World Record score of 37, with Allan only one target off on 36, a really good final to watch.

The team of Allan, Keith and Alec Sperling also took Team gold by a massive 34

targets ahead of Spain.

There were also two GBR finalists in the SG-L, Steve Ling went into the final in sixth, with Andy Womble in first place. Andy just missed out on a medal, finishing in fourth place, but Steve dug in and moved up to finish in bronze. Another great final to watch.

These athletes are an example for us all - participating with a range of impairments, they approach the task very seriously, training and competing with equal commitment to any other athlete.

The enormous amount of work that Julie Sperling contributes to getting the Great Britain team 'on the road' should also be noted. The whole event was an inspiration, where athletes, coaches, referees and members of the jury worked as a team - it was an honour to officiate at this event. See SIUS for full results.

# CLAY PIGEON SHOOTING AT CEFN TILLA COURT

Former Team GB member **Rob Evans** talks about his shooting ground at Cefn Tilla Court.

## Q How did you start shooting?

**A:** I started shooting at the age of 14 on our farm with my father.

## Q When did you open your ground and what makes it special?

**A:** We moved to Cefn Tilla Court three years ago. Lord Raglan, the previous owner, died in 2010, so, as you can imagine, the house needed a lot of work. I was attracted to the 125 acres of parkland and woodland that I knew would be ideal for shooting. We shoot FITASC and Sporting, practice and competitions, plus a Compak pool shoot.

## Q What facilities does the ground offer?

**A:** My wife does a fantastic job in running the clubhouse. She provides excellent home-cooked food, pies, chillies and so on, while my daughter makes fantastic cakes.

## Q What are your opening times?

**A:** Our Wednesday shoot times are 12pm till 6pm and on Saturdays we are open from 11am till 6pm. We are open by appointment for coaching.

## Q How has the ground developed over the years?

**A:** We are constantly developing the shoot and are continually investing. We now have over 30 automatic traps and have built a lovely timber clubhouse. We are hoping to open some new areas of the ground to improve the sporting layouts and install a high tower to help our local game shooters.

## Q What is the clay shooting scene like near you - and has it changed over the years?

**A:** We have a ground in Monmouth called St Dials that offers Sporting and FITASC, together with South Wales 2000 which offers all the disciplines. Other than that we are travelling at least an hour to compete.

## Q What are your current aims?

**A:** Our aims are to keep improving. We held two Welsh Sporting Selection Shoots and a Welsh Team FITASC this year, which was exciting. We are in talks with a sponsor to hold a big new tournament next year, so lots to do!

## Q What are your tips for shooting well here?

**A:** My tip for shooting well here is to look very hard at what the targets are doing. It sounds obvious, but we have excellent undulating ground that enables me to create optical illusions - foot position/ pick up points are essential. Finally don't eat too much in the café before you shoot!

**Address:** Cefn Tilla Court, Llandenny, Usk, Monmouthshire, NP15 1DG.

**Tel:** 01291 672595 **Web:** [cefntilla.com](http://cefntilla.com)

# WHAT IS YOUR DOCTOR'S ATTITUDE TO SHOOTING?

As a shotgun certificate holder the answer is more important than you might think. CPSA's honorary solicitor **Laura Saunsbury** explains why.

The issue of medical checks on gun owners has been the subject of much debate in the past couple of years since the Home Office introduced in April 2016 a new scheme requiring checks to be made on all certificate holders and applicants. I have explained how the scheme operates and the potential difficulties it can cause for readers. However, in recent months it has become apparent that problems are becoming more widespread, partly because the police are insisting on more information from GPs on a growing proportion of applicants, coupled with increasing numbers of GP surgeries withdrawing their cooperation in this process.

The system now in place is that on every application for grant or renewal of a shotgun or firearm certificate the police should send a standard letter asking your GP if your records show you have ever suffered from any of a number of relevant medical conditions. Home Office Guidance to the police makes it clear applicants should not be disadvantaged nor have an application delayed by a failure of their GP to respond. The standard enquiry letter should therefore indicate if no response is received from the GP within 21 days the police will proceed to process the application.

## CONCERN OVER VOLUME

It would seem the police have become concerned about the volume of applications they have been required to process in the absence of any reply from

the GP. Consequently, some police forces have adopted a policy that they will not process any application unless and until they receive a response to their letter from your GP. However, a handful of forces have gone even further. Initially, Kent and Merseyside Police, and more recently Lincolnshire and Nottinghamshire Police, have each now placed the onus on you to obtain, and pay for, a report from your GP to be submitted with your application. These four police forces require a report in all cases, even if it is only to verify that you have made a truthful declaration on your application form that you have never suffered from any relevant medical condition. The concern is that other forces may follow suit.

Doctors may well have become aware of such policies and be concerned about the increasing burden this is going to place upon them. Certainly, there are signs of a growing trend among doctors to decline to ever become involved in the firearms licensing process on the basis they have a conscientious objection to the private ownership of firearms. This approach is fully supported by guidance issued to them by the British Medical Association.

If your certificate has not been renewed since April 2016, you would be well advised to find out sooner rather than later what the current policies are of your local police force and your GP. If you know well in advance that your doctor is not going to cooperate in providing the medical information required by your licensing department, this will give you time to

to ever become involved in the firearms licensing process on the basis they have a conscientious objection to the private ownership of firearms. This approach is fully supported by guidance issued to them by the British Medical Association.

explore switching to a different GP or surgery before your renewal falls due.

These problems are further compounded by the fact there is no provision under the scheme for the police to pay doctors a fee for checking the patient's medical records and responding to the initial standard enquiry letter. It is left entirely to doctors to decide, without any guidance from the BMA, whether to charge their patient and if so how much. The level of fees charges has varied wildly.

## GATHERING DATA

The CPSA is keen to gather data from members to establish how widespread these problems are as this may assist in placing pressure on the Home Office and BMA to review their guidance. We would like to hear from you if you have experienced difficulties with the following:

- Excessive fee charges from your doctor for providing medical information
- Refusal by your GP to assist you on grounds of conscientious objection
- Finding another local surgery you can register with who are willing to engage in the firearms licensing process.

Please contact CPSA HQ, preferably by email to [info@cpsa.co.uk](mailto:info@cpsa.co.uk). You may be requested to provide further details to the CPSA or to me as the Honorary Solicitor. We are especially keen to hear from members living in any of the four police force areas mentioned who are having difficulty getting their certificate renewed because of a refusal by their GP surgery to provide the full medical report now required by those forces in all cases.

## SPORTS PSYCHOLOGY

Sports Psychology is the study and practice of mental preparation for sports. I was told that as Juniors and Colts, we don't always realise the unseen pressures that we may be under. This can be anything from friends/family/sponsor expectations, past performance issues or own goals. There are other factors such as mood, tiredness, health, personal life and your general wellbeing that are also involved. Preparation is key. Below are some of my tips on some of the key areas of sports psychology that have really assisted me to focus on winning, and have even helped me to come back from devastating defeats.

## MY TOP TIPS:

- **Motivation – goals**  
*Set your goals for training, personal bests and ranking.*  
*Make sure they are measurable.*
- **Confidence**  
*I gain confidence from experience, feedback, mental rehearsal and self talk.*
- **Discipline Knowledge**  
*It sounds obvious, but make sure that you know the discipline. That way you won't get caught out by not knowing the rules.*
- **Routines – frame of mind**  
*I have a set a routine for all my shoots and stick to it. I like to prepare well before the day and always walk the course.*
- **Anxiety management – pressure**  
*I try to relax by breathing slowly and deeply. I find listening to my favourite music really helps me to relax before a competition too.*

# BRITISH OPEN ENGLISH SPORTING REPORT

There were 20 Juniors and 15 Colts that made the grand final. The weather was a little overcast for the early 9am start, with Colts taking to the stands first. It was a challenging layout with a few tricky targets. The 75 targets went pretty slow for me, I dropped a lot on the first few stands, so I knew I wasn't in the running, but there were some great shooters on my squad, including Travis Durrant who finished second in Colts. Ben Cumming kept his cool and took the Colts title. Massive congratulations to all Junior and Colt winners.

**Results:** Juniors Men – James Bradley-Day. Juniors Ladies – Amy Easeman. Colts – Ben Cumming. Colts Ladies – Ami Hedgecock

## HUGLU 103CE

# GUN REVIEW

This month we look at another model from Turkish manufacturer Huglu, the 103CE over & under.

### HUGLU 103CE OVER & UNDER

**RRP: £699**

[www.range-right.co.uk](http://www.range-right.co.uk)

We have tested a few guns from Huglu this year and have been really impressed with them. They offer great value for money and are functional, enjoyable and easy to shoot. The 103CE is the first over and under that we have reviewed from them and first impressions were very good. As with all Huglu models, it comes in a nice branded ABS case, velvet sleeves for barrel and stock, and a set of five multi-chores in a branded box. This is a really nice touch for a gun at this price level.

The 103CE is a standard sporter. Our test gun was a 28 inch multi-choke with a polished black action and

gold inlaid game scene engraving. While this may not be to everyone's taste, it makes the gun stand out from others at the same price point, and personally I liked it. The top lever is embossed with the Huglu logo in gold too – again a nice touch.

The gun is built on the standard monobloc design. The rib is ventilated and 8mm in width, wood to metal fit was good and the gun is chambered for 3in cartridges, which is a helpful feature should you want to use the gun for other sporting

purposes. The woodwork on the stock was pleasing to the eye and had some pretty figuring which is to be expected when using Turkish walnut, length of pull was a little short for me though. By contrast the fore-end woodwork was quite plain.

The 103 CE is a pleasing gun to shoot, well-balanced with a nice smooth swing and performed well on a

variety of sporting targets – particularly high driven birds. This was surprising given the length of barrels on the test gun, but it weighs in at a shade over 7½ lbs, which gives a good feel and stops the gun feeling too lively.

Turkish guns such as this are so well made now that they are a serious rival to more established names that have been in the market for some time. The 103CE will perform well for you and is built robustly enough to give years of faithful service. In our opinion it's another great gun from Huglu.

### The North CPSA Annual General Meeting

Will be held on Thursday 22 November 2018 at 7.30pm sharp. The venue is once again the Mercure Hotel, Wetherby LS22 5HE. There is plenty of parking, but you must enter your vehicle registration number in the terminals inside the complex on arrival, as parking fines are now in operation for noncompliance.

Also, please remember that entry is by way of a valid CPSA membership card showing that you are resident in the North Region. It is anticipated that the newly-appointed CEO, Mr. Iain Parker, will be in attendance along with the National and Regional Directors to answer any queries from the floor.

Presentations will also be made at the AGM to the North Shooter of the Year, Category

winners from this year's Major Championships and there will be also be an annual review from the Team Managers for the 'home' disciplines – ABT, DTL, English Sporting and Skeet.

*Terry Deakin, Chairman*

### 17-19 August: British Open Skeet Championships 2018

This was held at Northampton Shooting Ground and once again the North Region was well represented. There were a total of 256 competitors taking part over the three days. In general, the weather remained fine, however the wind did produce some 'testing' targets to say the least, which was reflected in the scores.

Well done all who attended from our region and a special well done goes to the following individuals: Steve Leppington – third Individual Overall, Runner up AA Class, Runner up Veteran. Dave Hornby – Runner up A Class, third in Veterans. Samantha Rhodes – Runner up in Ladies, third in B Class and Becky Clarey – third in Juniors.

The North Region teams were placed as follows: Veterans Category – Winners. Ladies Category – Runners up. Seniors Category – third. Juniors Category – third.

A special thanks also goes to Steve Smiths

Shooting Ground who supported all the teams. Well done to all our shooters and good luck to everyone for the remainder of the season.

### 2 Sept: North Region Skeet Championships 2018

This took place at the North of England S.G. Some 36 competitors took part, with the weather remaining fine and mostly sunny the occasional gust of wind caused a problem or two and no 100 straights were forthcoming with only one 99 x 100 shot by Andy Parsons.

A shoot off for the veterans High Gun between Dave Hornby and Robert Jones was won by Robert. Well done all who attended and a special well done goes to the following:

Andy Parsons 99 x 100 - High Gun O/A & winner AA class. Becky Clarey 98 x 100 - Winner Ladies, winner Juniors & winner B class. Robert Jones 97 x 100 - Winner Veterans & runner up A class Ralph Thompson 98 x 100 - Winner A Class. Steve Falkous 91 x 100 - Winner C Class

A further thanks goes to the kitchen staff who are often forgotten at shooting events for the usual excellent food.

*Liz Shanks*

Allround, J Thompson Champion, C Harker-Nunns, Junior, A Pope, Colt, R Brown, Lady, R Blacker, Veteran.

Sunday skeet shooters from left: Victor Annand, Gary Cooke, Robert Jones, Dave Hornby, Becky Clarey, Liz Shanks and Steve Leppington.

### The British Open Sporttrap

Took place alongside the Sporting at Oakedge Shooting Ground. It ran like clockwork across the whole event and was well received.

Each of the four layouts tested the competitors' shooting abilities by throwing a vast array of different targets and one layout in particular got a lot of people talking. Layout two saw the

challenge of not one, not two but five rabbit traps, which proved interesting for some. The scores reflected this, as it seemed you either loved it or hated it, with some tricky simultaneous pairs which kept everyone on their toes. The rest of the targets were very fair, but you couldn't take the foot off of the pedal for a second as the benchmark had been set. Paul Foster, a farmer from North Yorkshire did the unthinkable and put a tremendous score of 98ex100 – a score a lot of the fellow competitors said just wasn't there. Although a score of 97 did come in, it wasn't enough to topple the new British Open Sporttrap Champion 2018. This win now gave Paul the 'Double' because earlier on in the year he celebrated success after winning the first English Open Sporttrap at Bywell. An outstanding achievement when you realised he only missed three targets in total collectively across both championships. Fantastic shooting.

#### **16 September: North Region Sporting Championships at Oak Lodge**

A dry fine day with a stiff-ish breeze saw 95 entries at Oak Lodge SG in Hartlepool for this year's North Region Sporting Championship. Everything ran smoothly, with competent refereeing and sensible, enjoyable targets – nothing long range or requiring more than quarter choke, and a fair mix of teal, simo pairs, rabbit and true driven clays. It was a credit to Andy Calvert and his team.

The 2018 North Region Sporting Champion was Glenn Hunt, with a score of 94. Glenn has recently turned 60, so he also took Veteran's

category (from yours truly – boo!). Callum Hanley was NR Junior High Gun with 86 and another North Junior took Ladies category – Katie Carvey with 77. Completing the category winners was up-and-coming Alfie Bartle, who was Colts Champion with a score of 62. Congratulations to all.

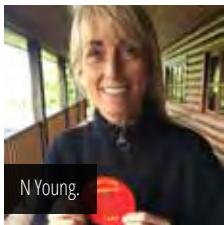

**Terry Deakin**

#### **23 September: Merseyside County English Sporting Championships**

Our third and final discipline of the year in the County Championships was held today, finishing off with a Single Barrel shoot. Tom Robinson won both the Cumbria CC & the North of England Champion Badges with a score of 98 hits. Caroline Whitehead won the Cumbria & North of England Lady's Badges with 83 and Dudley Coward won the Lancashire Champion & Veteran Badges with 88. Bill Hart won the Cumbria Veteran Badge with 90 hits and Paul Crehan won the North of England Veteran Badge with 96. Tony Common shot well with 95 hits and Mervin Turkington with 92. David Whitehead was up there with 97 but as a Cumbria Snr just missed out on a badge. Everyone had a good day's shooting.

#### **23 September: Merseyside County English Sporting Championships**

This was held at Catton Hall, after a week of terrible weather, conditions were good on the whole, although a tad chilly and a little windy, but the rain held off most of the day with just a brief shower in the late afternoon. For the first time that I can certainly remember with a full complement of categories took part, Colts, Juniors, Ladies, Vets and Seniors. Dave Walker took the County Championship with a credible 87. Vets Champion was Chris Ellis, Lady Champion was N Young, Colt Champion was James Southwood and Junior Champion was Ben Edwards. Many thanks to Catton Hall for a great day.

Cheshire's FITASC Championship took place on the 11 August at Mickley Hall Shooting School. Ladies title went to Janet Gornal, Vets to Mike Holland, Juniors to James Barnet, Mens to Kev Barnet and the Champion was Steve Randles.

The 26-27 August at Kegworth saw the inaugural Promatic Shield event take place ending with a tie between Scott Barnet and Steve Randles, both on 107/120 with Scott taking the title.

WMIC OT took place at Fauxdeglia with Cheshire entering two teams with one squad made up of a Junior, Ladies and Vets team even

though these are not recognised, we hope in the future that they will be. Fred Whitehurst took Junior gold and overall bronze.

Saturday 15 September saw the start of what we hope will become an annual event across the whole of the WM region – the WMIC Clubman at Mickley Hall Shooting School. Four counties took part – Staffordshire, Shropshire, Cheshire and Derbyshire. Teams consisted of 12 with four from A, B and C class respectively. Staffs took the overall team with Cheshire taking both B and C class as a team and individually with Nigel Lane taking B and Tom Lowe taking C. A big thank

you to all who gave up their time to help and ref a stand.

On the same day the Cheshire Sporttrap Championship was a very close affair, and a tricky course set by Scott Barnet which befuddled many a competitor. Vets was won by last year's winner Mark Davenport, Ladies by Hazel Denney, Mens Steve Randles and High Gun was Guy Robinson by just one clay.

WMIC Skeet took place on Sunday 16 September which was a very well attended event. Although the weather was a little up and down through the day, it generally stayed fair

if not a little breezy. Cheshire fared well, taking Senior Team gold.

Fauxdegla had the privilege of the Ladies Clay Shooting League on the 1 September to shoot a very testing 75 bird ESP. There was a fantastic turnout and the weather was extremely kind. Eleanor Hardy took High Gun with Hillary Hankin, Rebecca Ball and Kirsty Fenwick hot on her heels. Team Mickley triumphed once again followed closely by Catton and Cloudford. Thank you to Mike and Debbie and the team at FD for helping to make it a great day.

Tony Dean and Andy Jones represented Great Britain in the 15th FITASC World Championships Compak Sporting held San Martino SG in Rio Salso, Italy. Shot over eight purpose built layouts with testing targets all round, Andy Jones came away with a Vets silver and Tony Dean a Senior gold, making that two golds for the year.

#### Story from Eleanor Hardy:

Day 1 – I was excited and nervous about shooting as it was my second major 200 bird shoot in this discipline. I started shooting DTL in July 2018 after shooting sporting for 3½ years. I turned up on the first day of the two day event and the weather was perfect. I thoroughly enjoyed the day and shot my personal best of 98/287, which I was very pleased about.

Day 2 – It was raining and windy, but that wasn't going to stop me! I had set myself a challenge to beat my personal best from Saturday, which I did, with a score of 98/289, giving me a total score of 196/576! I went on to win C class – £200 and 500 cartridge, which then put me in the final shoot off with the other classification winners and I won with a score of 25/75 achieving High Gun. I was now in the grand final against Saturday's high gun Ian Roper. I also came joint third in the Ladies which I forfeited (energy needed) I also came third in Junior – winning my first medal in DTL.

I was calm in the grand final shoot off but unfortunately Ian beat me. It didn't seem to matter to me, I was full of excitement, very happy on what I'd achieved over an excellent weekend of DTL. I would like to thank my coach John Barnett for all his hard work, Mid Wales Shooting School for hosting a great event and Gamebore for the prizes. A huge congratulations to Ian Roper on winning Gamebore Grand Prix 2018.

How summer has flown, autumn near past and winter approaches fast, it was a very busy September. I write this before its end, hence some late CC's still to follow, however a brief reminder of the late summer being...

British Open Sporting was on 28 August to 2 September. 41 of us from the county ventured to Oakedge. As for the shooting, very well done to Charlie Lovatt (64), Luke Russell (82) Steve Clarke (101) and Chris Biddlecombe (111) all securing a finals day place. Alas, no medals, they are though to be applauded for their efforts, in the classes our High Guns so to speak being AAA Chris Biddlecombe 111, AA Lee Newman 99, A Steve Clarke 101, B Sean Foley 84 and C Luke Russell 82.

to Barbury Shooting School for hosting our Sportrap CC, now running at Barbury for three years. It saw 20 of us in attendance. The county's most prolific shot, Nick Portlock with 90, secured our Championship, second being Clynton Warren 89 and third on count-back Stewart Keen on 84. As ever a well run event and am sure we will be back in 2019.

West Midlands Area & Inter-Counties FITASC, was on 15-16 September at Garlands. Our selected team (there being no 2018 FITASC CC as yet shot to select a team from) of Adrian Johnson 88, Steve Burnham 87, Kevin Childs 76, Nick Portlock 84, Richard Webb 90 and Steve Clarke 83, swept all before them winning, and retaining, the WM Inter-Counties FITASC title. Rob Wise, 91, looks to have been in a three way tie on 91 for the WM Area bronze. I will confirm when the results have been declared by WM. I have learnt the long way that what appears correct and proper one day, may not the next.

West Midlands Inter-Counties Skeet was on 16 September at Doveridge. Sorry, I'm a bit short of names/team/scores, but the results being Seniors 471 silver, Veterans 191 gold, no Ladies team, Juniors 180 bronze – very well done everyone.

West Midlands Area & Inter-Counties Olympic Trap. Regrettably we did not send a team, but Matt Panter, our sole entrant, shot a superb 95 to win individual WM Area gold, big hand Matt. The county teams for 2018 will all be awarded county caps, the county are indebted to Joanna Thomas for securing these.

Throughout the autumn and winter please do get out and about support our grounds as much as you can. We're often reading of grounds closing due to various reasons, and I don't want this to happen in our county.

A reminder that this publication will be bi-monthly throughout the winter, please do look out for notices at grounds, on our Facebook page and good old fashioned conversation for county news. The AGM will soon be upon us. Ideally submit matters to be discussed to our secretary Joanna or chair Steve Clarke.

At Shropshire All Round at Park Farm Graham Evans took High Gun overall and was Shropshire Champion. Shropshire runner-up was Dave Harley, closely followed by Nick Williamson. Stu Burgess, Dave Brick, Julie Burton, Peter Bridger, Barry Edwards and Ashley Turner also joined in the fun. Most pleasing was to see Matthew Bower, a Colt, shooting to take the Shropshire Junior Champion title.

At WM & Shropshire Single barrel, Mid-Wales, Graham Evans was third in the overall shoot and Shropshire Champion, just pipping Shaun Gardener by one clay. Alan Brookes and Bernie Hutchinson were joint third for Shropshire, just ahead of Craig Bebbington.

Then Ian Foster, Julie Burton and Stu Burgess.

At WM & Shropshire Double Rise, Mid-Wales, Graham Evans was joint second in the overall shoot and Shropshire Champion. Shaun Gardener was second for Shropshire, Stu Burgess third, followed by Ian Foster and Julie Burton.

#### FITASC Sporting (FSP)

At Shropshire FSP Championship, Orston, 26 August, Mike Cashmore shot well in awful conditions to become County Champion and first in Shropshire Seniors. Jim Turner was second in Seniors. Five Veterans competed for honours and Nick Williamson prevailed with Peter Bridger, our current English Sporting Champion, coming in second. Stu Burgess was third and Barry Edwards, fourth. Ladies was won by Julie Burton and Juniors by Archie Hughes who was fourth overall in Shropshire.

At West Midlands Area and Inter-Counties FSP, Garlands, 15-16 September, Stu Burgess shot a very good 83ex100 for first in D Class. Team Captain Nick Williamson shot 81 for second in Super Veterans and fourth in C Class. Archie Hughes was fourth in Juniors and Julie Burton fourth in Ladies. Peter Bridger and Jim Turner also had good gun down fun too.

The Shropshire team were West Midlands Championship Runners-up. Andy Lloyd, Gareth Stanford Iddon and Rebecca Ferguson all shot 87, and after a closely fought shoot-off Andy was crowned County Champion. Gareth was runner-up and Rebecca third, as well as Ladies and Junior Champion. Team Manager Marcus Iddon was just one off the leaders. Veteran Champion was Graham Evans.

In the West Midlands Championship Rebecca was Runner-up in both Ladies and Juniors.

#### 16 September: English Skeet, West Midlands Inter-Counties, Doveridge

This event was a lot of fun and it was good

#### Inter-Counties Clubman

You know how it is – shoot a round or two, have a chat with the ground owner, start with the “what ifs...” and before you know it all the world’s, or at least shooting’s, problems are solved. On this occasion, a chat between Steve Ward, Staffordshire CPSA chairman, and Scott Barnett of Mickley Hall fame, led to the concept of the Inter-Counties Clubmans Championship – a competition between some of the Midlands counties for their A, B and C ranked English Sporting shooters, the shooters that make up the bulk of the entry each weekend, but realistically are never in the prizes other than a class win.

Paul Bailey, Staffordshire CPSA’s very active committee member took up the reins and delivered on it, getting teams from Shropshire, Cheshire and Derbyshire for the inaugural event (Derbyshire sadly had to drop out on the day). A, B and C teams of four, with three to count, did battle on 15 September at Mickley Hall for a 75 bird Scott Barnett Sporting.

Weather that threatened much, but delivered little, meant that no squad could bring out their excuse book. For almost everyone this was the first time that they had represented their county and the nerves were showing, worried about letting their team mates and county captain down. Pep talks, deep breaths and some intra-squad motivational talks kept the focus but there is no doubt that some targets were lost because of this. Some of the shooters will be going onto represent their county or even their country in the future and understanding what these nerves feel like and can do to you is a valuable lesson.

Ten stands for 75 birds gave plenty of opportunity to break a clay here and there and the score card to come in feeling sorry for itself. From five yards to 55 yards, from battue to rabbit via standard and midi, Scott had put them all in to test every shooter.

And suddenly, the squads were coming back in, no-one had their head in their hands and everyone seemed quite happy – this was going to be close for every prize.

Martin Butcher of Staffordshire won High

Gun on 73/75 which was a huge score as Scott reckoned that there wasn't a 70 to be had. Mark Dudley won A with 67, with B taken by Nigel Lane on 67. An excellent score of 61 by Tom Lowe and Dean Wen meant a shoot off was required and what a shoot off it was. It started off with report pairs but that ended in a tied score, so on to simo pairs, from this Tom Lowe took the C class trophy. There wasn't a very big gap between first and second team – just five clays in favour of Staffordshire with 543/900, second Cheshire on 538/900.

Everyone was full of praise for the competition idea and the way it was executed and word from

the West Midlands CPSA Regional Committee is that, if a success, this format should be rolled out to a bigger audience. It was a huge success so expect to see all the West Midlands counties in the 2019 competition.

#### **South East Region's Inter-Counties Championship**

A monsoon awaited the early squads at NCSC, fortunately the weather cleared up and the sun came out later on. Johnny Johnson and Sandie Buckler were both present and pleased they were not shooting skeet! A few dropouts invalidated the Greater London and Buckinghamshire teams which was a pity, but we had five full teams and a great entry of 71 guns.

The Champion with a mighty 100/100 was Peter Stanton-Hope from Essex. The Lady Champion with 94/100 was Marilyn Kingsnorth from Buckinghamshire. The Junior Champion with 95/100 was Josh Ollerenshaw from Kent. The Colt Champion with 93/100 was Luke Twigger from Sussex. The Veteran Champion with 97/100 was Ray Simmons from Essex.

In the team event, the Essex team consisting of Peter Stanton-Hope, Glen Defreitas, David Pummell, Dave Hendon and Alex Garcia-Mayol were the Champions with 483/500. In second place was Kent, third was Sussex, fourth was Oxfordshire and fifth was Surrey.

The day ran smoothly and everyone seemed in good spirits. My thanks go to Barry and the team for holding this championship on behalf of the South East Region.

#### **Inter-Counties round up**

We are already five shoots into the Inter-Counties series and the race for the Directors Trophy and multiple winners Suffolk are firmly in the driving seat with just the ABT to go. Round 1 saw the Sporting at Highwayman's on a very hot sunny day, where Norfolk Seniors ran out the winners by 21 points over arch rivals Suffolk, Duane Morley was top, scoring on 94. The remainder of the trophies were then swept up by Suffolk in Ladies, Vets and Juniors, Pauline Chapman 80, Colin Saich 88 and Ed Coppen 84, top scoring in their respective categories, finally Taylor Hedgecock from Cambs was the JHG on 86.

For Round 2, the Skeet at Northampton was a close-run thing, with Suffolk beating Northants by a single clay to give them victory in Seniors. Notts Ladies recorded another narrow win again against Northants, Rachel Parrish top scoring for Notts on 94. There was a surprise win for Lincs Vets after a shoot off with Suffolk, Brett Aisthorpe top scoring for Lincs on 97. In Juniors Cambs took top honours and once again Taylor Hedgecock was the JHG.

Round 3 was the FITASC at Sporting Targets with Cambs running out as the Senior winners and Bedfordshire runners up. In Ladies it was the Notts Ladies that triumphed mainly down to Becky McKenzie's superb score of 91. Leicester Vets again made easy work of their category with John Wells and Steve Brightwell both recording 90+ scores, and Suffolk Juniors completed the list of winners with Henry Lungley as the JHG. Nottingham was the venue for Round 4 and the DTL and it was Notts Seniors who had shot first in the day holding off all challengers to take the title, Norfolk made them sweat in the final squads but just came up short and had to settle for runners up, Curtis Woolley top scoring for Notts on 99/296, and John Reynolds for Norfolk on 100/299. In Ladies it was a home victory for Nott's as they eased to victory over second

place finishers Lincs, Hayley Denoon top scoring for Notts. Leics Vets claimed another team title with Mike Brookes and Aggy Paphitis top scoring on 98/288, and the Leics Juniors wrapped up the day with superb team score of 590/600 with Conor Harris top scoring on 100/298 and winning the Junior High Gun for his troubles. It was back to Northampton for Round 5 of the series with the All Round next on the agenda in an event that saw home team Northants dominate although the Senior title was a close-run thing with Northants winning by just five clays over runners up Suffolk, Dave Morgan top scoring for Northants on 94. Northants Ladies, not to be outdone, recorded a ten-point victory over second place finishers Cambs. Ruth Markham top scored for Northants on 8, which also made her the top scoring Lady on the day. In Vets, Bedfordshire recorded a narrow win over Northants preventing them from getting a clean sweep of team titles. Glen Moore top scored for Beds on 89.

In Juniors, Northants completed a trio of wins with a comfortable win over nearest placed finishers Suffolk. Sonny Bowman and Alex Banning doing the damage for Northants, and Alex's score earned him the JHG trophy. Thanks to all the hosting grounds.

Hi folks, we are now off and flying results coming in thick and fast. Firstly, the very good news is that our excellent Sporting lads did what they do best and won the EM Inter-Counties FITASC at Sporting Targets in August. I have to say many thanks lads, that was a super job, I am, as I am sure many others are, very proud of you all who took part.

ABT 2018 from left: E Lord-T Jones-H Whiten-P Barnard.

Skeet Doubles 2018 from left: P Cook-E Lord, M Lord.

#### 25-26 August: Cambs Skeet Doubles, Cambridge GC

Held at Cambridge Gun Club on the August Bank Holiday weekend, run over both days. What a mixed weekend it was, very cold, very windy, and as if that wasn't enough, we had rain as well. But the rough weather didn't do enough to stop Marcus Lord and Chris Morris from posting a pair of 96's. Both shot on the Sunday, so that made it a fair result. The Ladies was taken by Michele Conway with an 84 and the Vets to the solid Peter Cook with a 92. The battle of the younger ones was taken by Ethan Lord just pipping Julian Berridge, Ethan shot 76 and Julian shot 74, but as it happens Julian has just moved into Junior status so both had trophies to take home. I can't remember the last time this shoot was contested by both Colt and Junior categories, so perhaps things are looking up for us. Apart from the Championship Title, which was shared between both Marcus and Chris, there was the Senior title also being shared for the year. Many thanks to Cambridge GC for their hospitality.

#### 27-28 September: Cambs ABT, Priory CTC

Some more very good shooting took place, bearing in mind all the shooters taking part could be classed as part time ABT Shooters, but you wouldn't know it as the standard was top draw. Also added to the fact that many had to travel from here to Northampton and some the other way on the same day to take part in the Inter-Counties All Round. One such shooter was Philip Barnard on the last squad of the day, but this didn't stop him from posting a 93 and the winning score just pipping Richard Morris by one and Paul Ward by two. Richard Morris took the Senior title so didn't go home empty handed. So that was 93/92/91, how close was that! Paul Ward shot the only 25 straight as well. Well shot gents. The Ladies went to Hazel Whiten who got an 80, (just pipping me), well shot Hazel. The Vets was taken by Tim Jones with an 87 and Tim was at one point on 48 from the first 50. The Colts was taken by the ever improving 12 year old, Ethan Lord, with a 65 using a 20 bore semi firing only one shot, very impressive. Well done all of you and many thanks to Priory for their hospitality.

In the Inter-Counties All Round, although is a lot of fun it's also hard to excel at all the disciplines, but our Ladies did enough to get second place with Michele Conway scoring a 70 and Amelia Smith with a 72. Once again Ethan posted a 60 and that was better than most of the Juniors from the other counties not bad for 12 year's old.

Many thanks Folks for all your efforts.

### ALAN BOTT

sites.cpsa.co.uk/leicestershire

Hello to you all. Well, the dark nights are here again and we are all busy sorting out the fixtures for 2019. And, this is also the last write-up for 2018. We have just one Championship to decide and that is the Sportrap at Grange Farm, home of the Curtis dynasty. This is being shot on 9-10 November, Friday and Saturday. You can pre-book at, adam@grangefarm.co.uk or call 02894 393762. Please get your entries in early because it will get dark before 4pm.

Right, what's been happening on the Championship side? I have results from the All-Round, ZZ, and from some big league stuff. All-Round was staged at Orston SG and it rained! We all got thoroughly drenched, the water was going down my back and coming out of the hole in my 'wellies'. Just right for shooting... not. This resulted in a low turnout, perfectly understandable. So the scores – John Stimson is the 2018 Champion (he was the only person to have 'wellies' without holes). He scored a brilliant 86ex100. Alan Palmer and Bob Tucker were just two points in arrears and the rest of us were still stuck in the mud somewhere. Well done Orston.

The ZZ Helice was shot at Rugby DTC. John Nightingale put on a good show for us again, although the targets never get easier, but another Veteran came out on top again. Tony Cox scored well enough to take the trophy home and is the 2018 Champion, well done TC and thanks Rugby.

I should like to say a big congratulations to our Veterans team and Juniors team of Sam Malling and the Harris brothers who showed a clean pair of heels to the other entrants in the East Midland Inter-Counties DTL final at Nottingham by taking both lots of honours. Connor Harris was also Junior High Gun. All thanks go to the team manager Mike Brookes for his perfect choice of shooters. Also in the Home International DTL the Veterans team, which Mark Joyce and Mike Brookes were part of, came out tops again. Well done to you all and thank goodness you are all Leicestershire and Rutland boys.

Finally, the County would like to congratulate all of the shooters who have all done their bit by attending Championships and to the winners who have been in the right place at the right time, all of the team managers who have done sterling work in selecting teams for the Inter-County finals and a special thanks to all of the grounds that have hosted our events, without whom all of these competitions would have had to be all been staged in my back garden.

So, we wish you all a great Christmas and an even greater 2019, and don't forget to keep your powder very dry.

#### County Supreme Champion 2018

Fine performances over the entire Championship saw Richard Gray crowned Supreme Champion. Paul Tunnard headed off his rivals in the Senior Championship. Ladies Champion is Janet Stennett. Richard Pettitt found transition from Sporting to his liking, fending off all comers in the race to the Veterans title. Having shown exceptional talent across the board, George Cheer takes Junior Champion.

#### World Championship South Korea

Aaron Heading and Kirsty Barr are World Championship bronze medallists in Trap Mixed Pairs, qualifying for the final in sixth place, GB had a lower ranking than Russia who qualified first. The final saw Russia tied with GB on 33, meaning GB were eliminated. Aaron said, "We're absolutely delighted with our bronze medal. We had a really strong shoot-off with the Australians in qualification to make the final, we hope it was good spectating for everybody."

#### County ABT Championship, Rugby and District

It was a pleasant autumnal day. Jack Wilkinson was just two points down at 75. His last line of 23, hardly a disaster, left him with a winning score of 96. John Winn started badly with 20 and finished with 91 to take the Veterans title. Steve Smith 3 x 23s and final 22 for 91 took B Class. Nick Pearce on 90 took C Class, Richard Gray on 87 took A Class and Junior Joe Tune, on 89 took Junior for the second year. Jackie Houghton led the Ladies from start to finish with 82. Dave Shepherd's final round of 25 gave him 83 to take D Class.

#### Derek Olivant Memorial ABT Shoot

Nottingham and District GC saw a good turn out, as friends turned up to help raise funds in support of Prostate Cancer UK. Derek suffered from the disease which eventually claimed his life, but he refused to give up the sport he loved, and continued shooting as long as he could.

Lincolnshire and GB shooter Jack Wilkinson racked up 4 x 24s. Matched by fellow GB shooter Matt Panter. A magnificent silver rose bowl

ABT Winners L-R Richard Gray (A Class), Jack Wilkinson (Lincolnshire Champion), Dave Shepherd (D Class), Jackie Houghton (Ladies), Nick Pearce (C Class).

had been donated by Derek's wife, Linda to the Lincolnshire CPSA. Lincolnshire CPSA also received donations of cartridges from county members, which were awarded to the category winners irrespective of county. Matt Panter had the consolation of sharing the open High Gun prize of 100 cartridges which he generously donated back to the fund, along with his joint A class winnings.

#### East Midlands Inter-Counties DTL Nottingham & DGC

Top county scorers Paul Smith 294, Stuart Whitehead 292 and Joe Mitchell 290 were ably supported by Andy Jackson 289, Richard Thompson 284, Pete Atkin 282, Andy Leak 280 and Martin Heading 257. Midday we were in second, 30 points behind Notts. Nothing threatened until late afternoon's buzz around the clubhouse that Norfolk's John Reynolds had posted 100/299 and with it strong team scores. Caroline Hawkins led the way in the Ladies team with 271, supported by Saira Boardman on 259, conceded to Nott's and a very credible second. The Veterans Mike Burton 285, Richard Gray 278, Nigel Lovatt 261 and Steve Bridge 257 despite the difficult light conditions finished third.

#### British Open Sporting Championship Oakedge

The County was well represented. George Cheer keeps up his fine form taking second in class which helped East Midlands Juniors to gold in the team event. Proving disability and age is no barrier to success, Paul Briggs took second in Disabled Standing with Super Vet David Payne third in B class.

#### East Midlands IC AR Northampton GC

Poor weather and challenging targets across all disciplines made for some varied clays. Despite this the Seniors achieved a well-deserved forth, the Ladies going one better to take third. Not to be outdone the Vets squeezed out the opposition for a credible third.

#### Peter Barney Memorial shoot

The Priory Clay Target Centre event attracted 50 entrants and raised £750 for Macmillan Cancer Support's Spalding and Holbeach branch. Organised by Peter's wife Maureen, daughter Kate Chapman and Natasha Heading from the Priory CTC, it included a prize raffle and cake stall. Thank you to Chandlers Farm Equipment for sponsoring our second prize of 250 cartridges and Moulton Bulb Company for donating the raffle prize of £100 as well as all the others who made

Richard Gray County Supreme Champion.

Joe Tune Junior ABT Champion.

donations. Farm manager Peter Barney, sadly died in 2010. His family decided an event in his name would be a fitting memorial.

#### Sandringham Game Fair

This was a successful trip into the Queen's estate. Sue Marshall won the Ladies event 31/40. Not to be out done by his good lady, Alan Marshall finished joint second on 37/40. Alan Blackbourn shot a brilliant 39/40 to finish joint first.

Aaron Heading World No1 Lincolnshire Trap Shooter and his wife Natasha have announced they are expecting their first Child in March 2019. On behalf of Lincolnshire and the wider CPSA family we wish them every happiness for the future.

Welcome to Norfolk Pull!. Thank you for your reports – please keep them coming.

#### 2 September: Inter-Counties DTL at Nottingham Gun Club

The Norfolk DTL Team travelled to Nottingham for the Inter-Counties DTL. The weather was quite hot with a little breeze, which made the targets on some ranges move up and down. Saying that, the Senior team shot quite a good score, considering the conditions. On the day we were beaten by Nottingham who scored 1,761 points to Norfolk's score of 1,741. So well done to Norfolk for managing Runner up.

Our scores were: John Reynolds 100/299, Russell Houghton 99/295, P Owen 99/295, R Flowers 98/286, D Taylor 97/285, R Gilbert 97/283, W Gilbert 97/283, J Mathewson 96/283. Congratulations to William Gilbert, Junior, who shot a PB of 97 – well done!

The Veterans scores were: R Daws 94/280, M Eales 88/258, A Smith 84/242. A special thanks to all the team members who attended from Ray Daws, Team Captain. We will be returning to Nottingham for the Inter-Counties ABT.

#### Skeet

Jonny Hall shooting for England at the Home International scored a very credible 145/150 – well done and what a fantastic experience.

Steve Smith was high gun for the Norfolk Seniors at the East Midlands Inter-Counties with an excellent 99, Mike Jennings top Veteran with an 87. Paul Freeman and Trevor Frammingham were the top Norfolk shooters at the British Open with 97's. A thank you to all the team who attended from Trevor Frammingham.

Elise Dixon and Scott Magill the Northern Ireland team development shooter at the CSF (ED) at Logues Hill Northern Ireland.

### Olympic Trap

Elise Dixon had a fantastic opportunity to represent England as their Development Shooter at the Commonwealth Shooting Federation (European Division) Championships held at Logue's Hill, Northern Ireland. It was a great event with support from the local council to ensure that shooters and spectators had a wonderful time making the most of the region. Well done to all those involved organising the event, Northern Ireland Shooting Federation, Commonwealth Shooting Federation (ED) and the Ulster Clay Pigeon Association, it was well organised and ran like clockwork.

Elise shot well on the first day finishing on 62/75. Going into day two, Elise felt confident and finished on a respectable 98/125. Elise was pleased with a new personal best at a big event however just shy of the 100 mark she was aiming for. We are sure Elise will continue to move forward and we wish her the best of luck for the British Shotgun Series Grand Final to be held at Fauxdeglia 22/23 September 2018.

## NORTHAMPTONSHIRE

### PAM BARISTOW

pam.bairstow@sky.com

#### Sport Trap

Held at Sporting Targets and shot in conjunction with Bedfordshire's county competition. Only six Northants competitors in a field of 41 guns. James Goodman, more commonly seen supporting his son at competitions, took the Senior title with 68ex100 two clays ahead of Bob Meadows. I think I am right in saying that this is the first competition that James has entered? A wonderful start! Tiernan Goodman took the Colt title with 65 and Peter Brown the Veteran title with 68.

### Inter-Counties FITASC

Jeremy Baker put together a good team for this event at Sporting Targets. The Ladies – Louise Waters, Izzy Russell and Kirstin Vogel, came second with a score of 132ex200. The Seniors – J Baker, O Bradshaw, S Mariott, H Collins and S Vogel scored 345 to come in third place while Juniors, O Main, R Gardiner and T Goodman, came second. Sadly Laurie Cookson was the only Veteran shooter. Altogether the county took five good points for the Director's Trophy scoreboard. Thanks to all who took part.

### Inter-Counties DTL

Laurie Cookson worked hard to get a team for this discipline. Sadly, following a No Show, there were only five Senior shooters who put up scores so they weren't in the placings. The Juniors had a full team and Kirstin Vogel and Alex Banning put up a score of 559 to come second in their category. Frank Owen and John Woollacott completed the Veteran team. Three points were taken forward to the Director's Trophy. Thanks to all who took part.

### Inter-Counties All Round

This is always a well-attended event with close competition between all the counties. Strengths in one discipline are often offset by one or more of the other disciplines, giving no one team the advantage. This year it was shot on home ground. Northants had the last two squads out and so it wasn't until the very last moments that the final scores were realised and the winners announced. Junior High Gun was Alex Banning with a really competent score of 84. Dave Morgan's competition high score of 94 helped the Senior team to victory five clays ahead of Suffolk. The Ladies team of Ruth Markham, Rose Palmer and Kirstin Vogel stormed ahead and won by a 15 margin. The Junior's did a similar trick with Sonny Bowman and Alex Banning scoring a lovely 145. The Veterans were sadly beaten into second place. Northants took the full eight points for this. Thanks to all who took part.

### Annual Presentation and Awards Evening Saturday 8 December

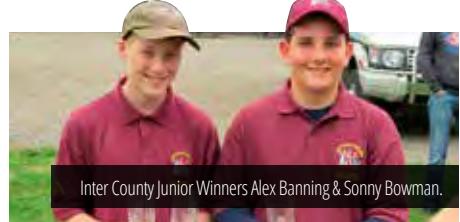

Please may I remind you about this. It's a good night out with good company for all. You can have a wonderful time even if you don't have a trophy to collect. Tickets are £25 for a three course meal and one free entry into the raffle. There are a few places left so make sure one of them is yours! Please contact Marty to book.

### Young and Adult Shooters of the Year

The county committee is still looking for nominations for both Young Shooter and Adult Shooter of the Year. If you have someone in mind, contact Marty or Roy to give us details.

### AGM Wednesday 16 January 2019 at 7.30pm in the NSG Clubhouse

Skeet Doubles – Orston held the SKD County Championship on Sunday 16 September. It was a windy day, making the targets very challenging, even for the very experienced skeet contingent. Tom Clifford was County High Gun on 91 and Ken Rimington the Veteran High Gun on 89. Hayley Denoon won the Ladies with 80 and Matthew Armett was the highest placed Junior on 72. Well done to all who took part and thanks to Dan and Emily for hosting us.

Double Rise – Nottingham GC was the venue for the Double Rise Championship on Sunday 23 September. It was a chilly and windy day, with the wind getting more challenging as the day progressed. Elvin Lawson amassed a huge score of 90, consistently scoring 45 on each of the two layouts – a score that no one else got close to, so he deservedly got the County High Gun Title. Our next placed shooter was Darren Watkinson with 79 who won A Class, Lee Clements won B Class with 73 and Mike Chiakli won C Class with 59. Ken Rimington won the Vets but there were no Juniors or Ladies at this event. Thanks to Carl and the team for a well-run event.

And signing off for this year (feels very odd writing this in September!) I would like to wish everyone a fantastic Christmas and hope you all get lots of lovely shooting gifts and time to get out and smash those clays.

browser engine to find site quickly. This month there are no Championship reports as the final three for the season took place in October, after copy deadline. These will be on the website by now and reported in the next issue.

So, the Championship season is over for 2018. Looking back, Suffolk has increased the number of Championships available over 2017. The Double Rise, which was introduced in 2017 hopefully had an increased interest being at Cambridge and therefore nearer to home. The first Suffolk Compak took place at High Lodge, using the International Grand Prix computerised system that has been invested in and greatly appreciated by the entry figure and Suffolk committee. Also, the Suffolk Challenge and the traditional Super Sporting to complete the season. The Highwayman Ground laid on an excellent Sporting Championship.

Eriswell Lodge supported the County with many great championships including most of the 'lesser' disciplines which often are not financially viable, an act that has not gone unappreciated.

Without these grounds, and no doubt Barrow Sporting in 2019, Suffolk would not be able to field such a varied opportunity of such great quality to their members. The Committee wish to use this space to thank them all for this year and the coming ones. The results for the Supreme County Champion are now known, and some exciting news about the 2019 Supreme County Championship for 2019 will be announced at the AGM in January. The six lucky winners of a free championship entry will also be drawn. Two great reasons to attend the AGM again or for the first time, alongside being able to hear what your committee has done, and influence what is planned.

Please make sure you all look out for the AGM date in the next issue of *Pull!* and on the CPSA website and make every effort to attend. You all can be part of making 2019 a better season than 2018.

The Avon FITASC Championship was held at Meadowcroft Shooting Ground on 22 September, in what can be described as very hostile weather conditions, with torrential rain plaguing the shooters all day, which only varied from being hard to very hard. But FITASC shooters have a strong constitution and battled through all these adverse conditions. The targets were set by Sean Ponting over the five layouts using the natural topography of the valley that the shooting ground is sited in. Sean is an accomplished course setter and the targets were set difficult to fair on the day and just about right as the scores indicated with winners in the high eighties. A particular downhill rabbit on layout 'Car Park' caused some issues.

Sean Ponting presents Robin Heal with Avon FITASC Trophy.

The Avon title was won by Robin Heal on a magnificent 88/100 returning to take another title after a bleak spell in recent events. Dean Horswell did well to follow him home on a 81/100 after a summer break from shooting. Following was B Davis 77/100, D Michell 76/100 and J Hemmings 75/100. Thanks to the 40 competitors who took part. However, the 14 no-shows that had booked in, and failed to arrive, caused problems with squadding and staff that had been brought in by the ground owner did little to make this event financially viable. Those people know who they are and should be accountable for their entry fee. Special thanks must go to Dave Woolcott for hosting the event and other Avon Championships this year and the staff referees who had to remain out in the rain all day.

Well done to Jeremy Ayshford for winning the Avon All Round Championship at South Wales 200 SG, shooting a 77/100 over the four disciplines of DTL, Skeet, ABT and Sporting.

The date and time of the Avon 2019 AGM will be published in the next issue of *Pull!* and on the website. Any further news from anyone please contact us on email for inclusion next time. The Avon website is hosted on the main CPSA website and can be accessed via the County tab. Also there is a new email address of [rogercox47@gmail.com](mailto:rogercox47@gmail.com) for contact in the future.

## CORNWALL

**MATT BREWER**

The first Inter-Counties event took place at Brook Bank shooting ground on the 27 August, and the Cornwall All Round team took to the stands on the cloudy bank holiday Monday. With valiant efforts from all members the senior team came a close second by two clays, the Ladies were triumphant with a win and the Veterans also a close second. Well done to all team members and everyone that took part.

The Skeet Doubles Championship took place at the County GC on the 8 September. Bill Moussalli was crowned the County Champion, also winning the Senior and Veteran total with a brilliant score of 98ex100, Jackie Eley won the Ladies with a score of 92ex100.

Two Counties held the DTL Inter-County event on the 9 September and the Cornwall Ladies won their category with a respectable score of 536ex600. The Senior team finished third and the Veterans fourth in category, well done to everyone that took part.

Also on the ninth, at Purbeck Shooting Ground, was the Cornwall FSP Championship, where a handful of guns from the county travelled to take part at the well known FITASC ground. Kelvin Walsh topped the standings

with a superb 93ex100 making him the 2018 County Champion, Adam Rowe was second and Steve James third resulting with him becoming the 2018 Veterans Champion.

For the second time in quick succession Brook Bank saw themselves with another Inter County event, this time our army of teams travelled across the border for ESK. With a very valiant effort from all team members, we came very close to a clean sweep throughout the categories, with the Seniors, Juniors and Ladies all winning, but it just wasn't to be for the Veterans who came a very close second. This was a combined event with the Individual South West Championship and I don't normally mention anything about these as I like to keep everything county related, but I don't think it is fair to not mention their achievements. I personally would like to say a massive congratulations to Bill Moussalli, Jackie Eley and Denzil Grose for becoming the individual Senior, Veterans, Ladies and Junior Champions, the hard work has paid off guys.

As it's the last issue for 2018, on behalf of the Cornwall Committee, I'd like to say a big congratulations to everyone that has won something this year, and there is always next year to anyone that hasn't, keep practising – your time will come. Also I'd like to wish you all a Merry Christmas and a Happy New Year.

#### **9 Sept: Dorset FITASC Championship, Purbeck Shooting School**

In conjunction with Devon and Cornwall,

Graham Brown and his team produced four quality layouts with something for all abilities. There was a total of 57 competitors, with 41 of those from Dorset.

Three Dorset shooters ended on an excellent 89 – Colin Pennington, Martin Reynolds and Jeffrey Waters. The Dorset Champion was to be decided by a shoot off, which ended with Martin Reynolds finishing one clay ahead of Colin to take the Dorset title and Veterans title. James Cook from Devon took top shot, with 95/100.

There were some other good scores put in throughout the day. Young Ollie Collier shot a 79/100 to take the Junior title with Jeanette Dare finishing as the highest Lady shooter.

**Tom Green**

#### **7 September: Dorset English Sporting Championship, Pilford Clay Pigeon Club**

This was my first visit to Pilford and I started the day as a referee with other Dorset Committee members, who gave up their time to referee the event. It was a good opportunity to see other Dorset shooters from other disciplines in action, especially as the event was a Dorset team selection shoot.

It was great to see how popular clay shooting is becoming in the county. Just over 200 competitors took part, most of whom were Pilford Club shooters who do not normally take part in formal clay competitions, but are nevertheless CPSA members.

Mark Harvey, together and his team, assisted by Eric Nix put on a great 50 bird layout over seven stands, with some technically challenging targets and all the feedback I had on the day while on stand one, was positive and it was enjoyed by all.

We have some young shooters coming on in the county and top Colt was Alex Head, with 40/50, using his dad's gun. Definitely one to watch in the future. Ladies High Gun was taken once again by Lynne Wright.

There were some good scores put in throughout the day, and Andy Head and John Davis (photo) took joint high with a score of 47. John took the title as Andy was not available for a shoot off.

#### **Hampshire FITASC Championship**

Southdown hosted the two-day event in mid-September and a well-attended popular venue and competition it is, great weather helped set this weekend competition on its way. The Southdown Gun Club target set up team did a great job setting up the four areas with all the angles and speeds right there to be had.

As the dust settled, we had three Hampshire members up there in the top five places and that's good as this event was also host to several other counties. The Hampshire battle for the cup was between Des Sturgess, Ron King and Philip Marks, who were getting close to the top of the leaderboard. Super Vet Dave Hallett was not too far off the mark, but did need to bust just a few more to be in the running. Roger Deacon was at one stage looking promising but several missed targets cost him some valuable Supreme Champion points which he needed to stay on the 2018 leader board. The results were close, very close, but Phil Marks got one target over both Des and Ron with a 95/100, top man, this put Ron on 94 as 2018 Hampshire Vet and Des on 94 as Runner up. Unfortunately no one took a picture of Champion Phil picking up the cup hopefully that will come in the next edition.

#### **Hants Single Barrel Champion**

The Single Barrel Championship is a tricky one for those that are used to using both barrels

on DTL this discipline sorts out those that miss a lot with the first attempt at a target. For Malcolm Allen, he proved the second barrel is seldom used, Fareham CTC played host to this Hampshire Championship event. As the scores rolled in, Malcolm's score card began to look very good, good enough to take him to the top of the pile and lead right to the end. A very happy chappy, picking up the Hampshire cup which will now have his name engraved as the 2018 Hants Champion, well done mate.

#### Rowan Cup ABT at Fareham CTC

This ABT championship, hosted by Fareham CTC and including every year 'The Rowan Cup' was well attended. Entries from the four surrounding counties travelled to the club on this first shoot of September. For Terry Poore it was really worth the effort, finishing on a 94/100. His name will now appear on the cup as the 2018 recipient.

Fareham CTC held a midweek ABT shoot on the 12 September which tempted several to have a day off in the sun, and shoot this 100 target competition. The midweek shoots are getting popular and well-attended equalling the weekend fixtures with several travelling from the four surrounding counties. Top of the score board was Hampshire's Ron King with Dorset's Gary Foster both on 98/100 – great scores guys. Representing Sussex, Tim Woodhams was just behind on 97/100 with Junior Corey Vasey equalling first place in D class, with Hampshire Vet Brian Coupe on 86/100.

On behalf of the Hampshire CPSA committee, Ben would like to convey a big thank you to all the members, the clubs and the generous sponsors that have helped create a fantastic season of clay shooting this year. We all hope you have a great Christmas and New Year and we hope you are looking forward to next seasons Championships.

We are now well into the SW & IC Competition calendar and there have been some good results so far.

The Inter County DTL competition was held at Two Counties Gun Club and was very well attended by 16 squads of shooters from across the South West. It was a great day and sounds like a lot of fun was had with it being a close fought contest as only eight points

split the top three squads. The Seniors Title in the end was won by the Devon 'B' and our Somerset Senior Team ended up taking the fourth spot. The Veterans held up their end of the competition and did Somerset proud by beating Avon and Devon to the Veterans title.

The SW & IC English Skeet Competition was held at Brook Bank Shooting Ground and 43 shooters from across the South West took part. The largest contingent of shooters (23 in total) were from Cornwall and you really have to applaud them for their commitment to the IC Championships. Cornwall pretty much did a clean sweep across all the categories, but were beaten in the Veterans by Devon to stop the whitewash. Somerset Seniors placed third and the Veterans also placed third. A big thank you must go to Alison and Wesley Hann for stepping in and hosting the SW&IC ESK Competition this year as the SW Committee were struggling to find a ground to host it.

Congratulations goes to Emma Stacey for her performance in the English Sporting Home International held at Mid Wales Shooting Centre. Emma was narrowly beaten to the Ladies title by her fellow England Team mate Georgia Moule. However with the strong performance that Emma, Georgia and team mate Hannah Gibson put in, they ended up taking gold in the Ladies team event for the second year running. Great shooting!

#### County Championships

On the 2 September Barbury held the Sporttrap County Championship. Tony Manvell is the County Champion with a score of 90ex100, Derek Ponting is the Senior Champion with 86ex100, Francina Mattinson the Ladies Champion with 53ex100 and Dan Carpenter the Junior Champion with 69ex100. On the 16 September Ross Lester won the Olympic Skeet county title at Gloucester Clay Club with

79ex100. Paul Mills is the Veteran Champion with 69ex100 and Rob Mellish the Senior Champion with 59ex100.

#### Other competitions

The England English Skeet team were victorious at the 38th National Skeet Home Countries International Tournament in Doveridge on 24-25 August. Ross Lester, making his England Team debut, shot an outstanding 147/150 to help the team secure a 734ex750 overall win.

On an individual basis, Ross won the 'Highest Placed New Cap' trophy (all age groups and countries) and two trophies for the Junior High Gun (all countries and England). Ross wants to thank all the members of the England Team, the England Team Captain, the England Team Manager and the CPSA for making him feel so welcome on his debut. Ross added, "It was the best shooting experience of my life and I'm so proud to have had the opportunity to represent my country at the highest level in ESK." Dan Carpenter also had a good month, getting into his first British Open final.

#### Team events

Wiltshire fielded a team of eight for the Inter-Counties All Round at Brook Bank on the 27 August. Unfortunately, it wasn't strong enough to bring home any silverware but at least the rain held off!

As a reminder, there are team sheets at each county ground. There are no entry requirements for team membership, except that you need to be a Wiltshire shooter. Please add your details to the sheets or contact myself or Josh Brown if you are interested.

This year's AGM will be held at the George and Dragon in Potleaze at 8pm on the 11th February. Please let me know if you intend to come.

Huge congratulations to Essex gun Ian Schwier, who has earned his place in the England FITASC Senior (Veterans) team – what a fantastic achievement and on his first attempt to represent his country, we will keep you all updated on his progress.

#### 2018 County Olympic Trap Championship

The Essex Olympic Trap Championship was held at Nuthampstead Shooting Ground on Sunday 9 September. The competition was run in conjunction with the South East of England OT Championship and Johnny Johnson, Chairman of the South East Region CPSA was on hand to present the trophies.

Conditions were mixed with a stiff breeze making the targets bob about a bit – this together with changing light, made for an interesting competition. The Champion was David Izzard (shown above) with a score of 80, while the Veterans trophy went to David Henshaw with a 73. The Junior trophy was taken by Callum Thompson with 64.

Once again Nicky and Ed Barker put on a great shoot, with thanks also due to Anita North and Callum Thompson's mum for helping out on the ranges.

#### Charity shoot success

The Coggeshall Charity Shoot held on the August Bank Holiday had a very successful day and managed to raise £1512.64 shared between Riding for the Disabled and Diabetes UK.

#### County Skeet Doubles Championship

A beautiful, warm, late summer's day greeted the 26 competitors to the Clacton Gun Club for the county's 2018 Skeet Doubles Championship. The wind rose later in the day making some targets a little challenging for the later squads. Shooting in the first squad out, Alex Garcia set a hard-to-beat target of 98.

Dave Hendon managed to equal that total in the second squad but no-one else equalled or bettered that score all day, so the championship was decided on a shoot out. Dave was the first to drop a clay in a sudden-death shoot-off to give Alex the overall title. Dave had the consolation of winning the Tim Convoy title for class B and C competitors.

Other champions on the day were Peter Stanton-Hope (Vets) with 94, Gill Billington (Ladies) also on 94, Katy Durrant (Junior) with a 90, and Mason Terry (Colt) on 81. Congratulations to all of them and thanks very much as always to Andy Riva and the team at Clacton Gun Club for organising the event.

The County Allrounder was held at Dartford Gun Club on the 7-8 July. There were 46 entries for this event with six from Greater London. Adrian Balham was the County Champion and top Veteran with an excellent 91, the Runner-up was the county chairman Steve Williams with 87 and Hermione Burns was the top Lady and Colt winner.

On Bank Holiday Monday the 27 August

at Southdown Gun Club was the Sportrap Championship, with six entries from Greater London. Louis Mondesir was Champion with a massive score of 96. He even managed to shoot layouts three and four straight scoring 50 giving him a substantial lead. Closely followed by Runner up John Ellison who scored 91. There was more good shooting by Sian Hoskins in the Ladies class with a score of 85 to be Ladies Champion. Congratulations to all the winners and our thanks to Southdown for holding the event on the bank holiday where the weather was reasonably kind.

At the time of writing due to administrative difficulties the DTL Grand Prix due to be held at Dartford Gun Club on 2 September had to be cancelled, it is hoped that it will return after a short absence and be run next year.

Over at Southdown Gun Club, the Greater London Olympic Skeet was held on the 1 July. Traditionally this has had a small entry, this year being no different. The Greater London Champion was Trevor Haywood with 72 and John Perry was Runner-up and the Super-Veteran with 65.

The FITASC Championships at Southdown Gun Club on the 15-16 September had a new squad format this year. The squad had an early or late start time, shooting two layouts back to back, then a break followed by a further two layouts. There was lots of sun on both days. Congratulations to Roger Butler with a fabulous 87 for winning the County Championship as well as the top Veterans Champion. The Runner up was Richard Weller with a score of 83. Thanks to Southdown and their team of helpers for hosting this annual event.

As I write this report the weather is turning very autumnal and as you read this the winter will be upon us. The clay shooting season will have come to an end and all our County shoots will have been completed except just one, the All Round being held at Northampton Shooting Ground on the 11 November. It's the Challenge Trophy Final, which has kindly been sponsored by Oxford Gun Company. Details of all shooters who have qualified can be found on our Oxfordshire CPSA Facebook page.

I hope the year has been a good one for you all and many of you have enjoyed the Challenge Trophy shoots over the past seven months. Thank you to the kind generosity of Sola UK, 2M Financial Services and Banbury Gunsmiths who without their sponsorship we wouldn't be able to offer such a great selection of prizes.

### Oxfordshire Charity Shoot

We have a special event which is late in the year for us, but we felt as a County it would be good to host a local charity clay shoot. It will be in aid of Oxfordshire Air Ambulance which we feel is a very deserving charity. I realise its late to announce it in this issue of *Pull!*, but please keep it in mind this has been written mid September. Hopefully many of you will have come across the posters and flyers about the shooting circuit.

On 3 November at Edgehill Shooting Ground the Oxfordshire committee will be hosting a 50 bird Sporting Shoot with a High Gun prize of £100 kindly donated by 2M Financial Services. We have some great prizes on offer cartridges, trophies, spot prizes and there will be a raffle on the day too. Two tickets will be up for grabs for the Dinner Dance in March worth £60!

There will be Open, Novice, Junior and Ladies classes. The shoot will start at 10am and last entries will be 2.30pm. Food will be served during these hours. Free tuition will be on offer from former World, European, GB and England International shooters. Please visit Facebook for further information. Come and have some fun!

### Oxfordshire Cup Presentation Dinner & Dance

Saturday 23 March at the Holt Hotel, Steeple Aston, OX25 5QQ. The tickets are on sale now, please support this great evening. It's a chance to catch up with friends and fellow shooters. The cost is £30 per head, tickets are available from Banbury Gunsmiths, through Paypal on the Oxfordshire CPSA Facebook page or email myself at the above address and I can organise this for you. The dinner is open to all shooters from all counties, so please come and share what will be a special evening.

This leaves me to say Merry Christmas and a Happy New Year! Happy Safe shooting!

Congratulations to Antony Burt for taking the Senior title with a great 90/100, and to Paul Finney taking the Veteran's title with 85/100. Sarah White retained the Ladies title and Billy Greenwood took the Junior's title, both scoring 79/100.

### 2018 Surrey Supreme

2018 Surrey Supreme competition concluded with the FITASC County Championship so congratulations to the following: Glen Boxall – 2018 Surrey Supreme Overall winner – with a massive score of 93/105 and a clear 40 points ahead of second place – Fergus Watson-Hopkinson. Ben Davies was in third place.

Anastasia Sparrow won the Ladies Championship for the first time, Peter Saich is the Veteran Champion, John Chambers won the Junior Title and Jenson King was the top Colt.

#### Surrey successes

Top of the list is the Surrey Helice Team who won the Inter-Counties event at Invicta. In the closest of competitions, Surrey won with 66/90, while Kent and Essex were in joint second place, just one target behind with 65/90. The Surrey team consisted of Steve Cole, Jack Tucker, Paul King, Fergus Watson-Hopkinson and Fletcher King. Surrey Lady was Jo Watson-Hopkinson, and the Colt was Jensen King. Individual congratulations to Jo who won the Inter-Counties Ladies after a shoot off, Fletcher who was top Junior, and Jensen who won the Colts after a shoot off. Maddy Boyd has had a great summer competing internationally at Olympic Skeet, including the World Juniors in Suhl, World Cup in Vienna as part of Team GB and the same for the World Championship in Korea. In the middle of all that, Maddy won gold at the Canadian Nationals in Winnipeg in August.

### 1-2 September: Rolex 200 Olympic Trap Grand Prix

Four of the Surrey Trap team competed in the

Rolex Grand Masters 200 Olympic Trap event at Fauxdeglia in North Wales. Anastasia Sparrow, John Chambers, Dan Chambers and Phil Chambers battled against shooters from all over GB trying to win a Rolex watch. Unfortunately we weren't able to secure places by winning our classes, nor lucky enough to get a 'wildcard' place, but some personal bests were achieved in the attempt. All agreed that it was a great weekend and a brilliant event at a stunning ground.

### 8-9 September: SE England OT Championship

Members of the Surrey Trap Shooting team were in action again at the South East of England Olympic Trap Competition at Nuthampstead Shooting Ground. We welcomed Dan Parker and Victoria Castle to their first OT event and it's fair to say they found it tough but enjoyable. Nonetheless, their performances were admirable in this notoriously challenging discipline, and hopefully that won't have put them off and we'll see more of them at future events. Father and son team, Phil and Dan Chambers scored 82 and 72 respectively, with Phil coming tenth overall and taking a class win.

#### 15-16 September: Sussex FITASC Championship

This was held at Southdown. This year instead of the full day shooting the squads either shot morning or afternoon – shooting 50 back to back, then after a short break the other 50 back to back.

This was very well received and the way forward. Bob Clark's targets were a mixture of soft, some very close and some testing fast and distant ones. The weather both days was dry and sunny, but more breezy on the Sunday.

The final results: Senior Champion, Guy Franklin 97/100, Vet Champion, Jeff Dix 93/100, Lady Champion, Hannah Gibson 83/100, Junior Champion, Will Fenner 87/100, Colt Champion, Max Hudson 36/100. Thank you Southdown for hosting this event.

September was a busy month for several of our members in various disciplines.

Firstly as writing we have sent a DSG team to both France and Italy to compete for us in the OT Competitions out there. Good luck to all of those selected. Some will also have shot in the British Shooting finals day.

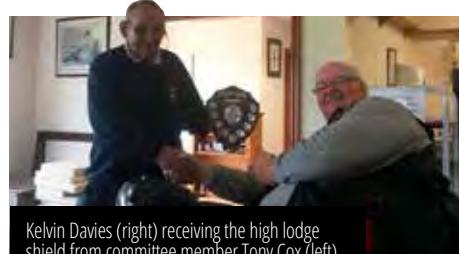

Well done to members who participated in the recent British Sporting and Sportrap competitions at Oakedge, Staffordshire. Disabled shooters came out in force and it was refreshing to have so many of us enter this year.

In the sporting DSG members Adrian Last, Kelvin Davies, Paul Bailey and Sam Nunn all shot in the finals day.

Kelvin (sitting) and Sam (standing) won bronze medals and following a shoot-off Paul picked up a silver medal.

In the sportrap Adrian and Sam picked up bronze medals and Darrel White (sitting) and Derek Ripley picked up the silver medals. Congratulations to the other medal winners who were Jamie Gutteridge, John Harrison and Paul Briggs.

Our Orston shoot was a good event (extend following Saturday's shoot), and kindly sponsored by Jamie Brightmans company Grassnextday. Darrel White took advantage of Home advantage winning the Orston Shield on 82/100 with his nearest competitor being Kelvin Davies and Matt Skelton on 68. In addition he won both £50 disciplines prizes for ABT and Sportrap. Thanks to Orston for our prize and great hospitality.

**Newmoon Insurance**

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

# GETTING THE BEST SHOT

CPSA event photographer **Simon Finlay** talks to **Jasper Fellows** about his career, and top tips for photographing at shooting competitions.

## Q How did you start your photographic career?

**A:** My father gave me an unclaimed camera, from the lost property department of the airport he worked in, when I was 12. I was always using his, so I think he thought it would be better if I had my own! I went to university to study art and design, but soon realised that my future wasn't in that, so my father suggested a career in photography. Eventually I landed an apprenticeship with a small press agency where I was taught the business of photography. Since then I have been fortunate to have spent the past 35 years travelling the world working with some amazing clients in some fantastic places.

## Q What do you enjoy about being a photographer?

**A:** Every job is different. Each place I visit or person I work alongside makes each job challenging and special in its own way. I love finding different perspectives and views. For example, going to an annual event and capturing the atmosphere of that year rather than having my photos look the same as those taken in previous years.

## Q Much of your work focuses on sport – what draws you to the sporting world?

**A:** I love the less mainstream sports. But for me it's more about capturing the passion, dedication, concentration and skill in order to take the viewer there and make them feel part of the situation.

## Q What has been the most enjoyable event you have been to?

**A:** This year's CPSA World English Sporting Championship stands out because of the amazing location, super-hot weather and the mix of people from all over the world.

## Q Can you tell us about your rig?

**A:** I usually look like Inspector Gadget! I have a shoulder harness that carries two Nikon camera bodies with a

third over my shoulder and a bum bag for carrying lenses. I bring a wide variety of lenses from a 14mm fish-eye through to a 200-600mm zoom lens. In between these I bring the following lenses, 50mm f1.4, 80mm f1.4, 24-120mm f4, 70-200mm f2.8 and also a 1.4 and 2x teleconverters. I avoid using a flash as I do not want to distract the shooters. I bring a small tripod and a remote camera trigger which sometimes, with the shooter's agreement, allows me to safely set up a camera looking back at them for a different perspective. I often bring a portable Godox studio light kit with me so I can light the podium nicely at the end of the day. I always have plenty of extra memory cards, lightweight waterproofs and plenty of liquids.

It's about about capturing the passion, dedication, concentration and skill...

## Q What are your top tips for capturing shooters?

**A:** 1. Don't put yourself in any danger, it's not worth it. 2. Don't put off the shooters, talk to them first to establish what's acceptable. 3. Watch a few shots first, it will give you a better idea where the clay will be when hit. 4. If you hear a 'bang' chances are you have missed the clay being hit. Try to pre-empt when the trigger

is going to be pulled. 5. Use the highest possible shutter speed to capture the action.

## Q And your top tips for getting crowd shots?

**A:** 1. Be candid. Candid shots capture the atmosphere. 2. Move around – a big crowd will provide many different shots, but not if you stay in one place. 3. Look how the light is falling – this can make or break the feel of the shot. A heavy backlit person may not give you good face detail, but may give you a great silhouette.

## Q What advice would you give to any budding photographer?

**A:** Never use auto settings if you want to learn what you can achieve with a camera and lens combination.

Auto gives you no control and you learn nothing except composition. I still shoot manual all the time, I have full control and get the result I want instead of what the camera thinks I want. Finally, shoot lots, it's not as if you have to buy film anymore!
