# WELCOME

MARCH  
2019

**T**he CPSA Annual Awards give us a chance to reflect on last year's accomplishments as we look forward to the forthcoming clay-shooting season.

This year saw an exciting, well-attended ceremony, where the best athletes, supporters, and organisations in our sport were recognised for their achievements. Hard work put in by the likes of our winners and nominees is why clay-target shooting in England is a growing sport. I'd personally like to thank all the sponsors that made the event a success and look forward to working with them on future events.

I'm also pleased to highlight, in this issue, the return of our How to Hit series with articles and videos. The series will teach English Sporting targets and feature an introduction to Sportrap later in the year. Parting Shots this month features West Midlands Shooting Ground owner Tom Jones, looking forward to the highly-anticipated CPSA English Open English Sporting Championships on 22-26 May. Tom even hints at a never-before-seen target type to be revealed at the shoot... Be sure to book in to this event soon, at the time of writing this 85 percent of the pegs are booked.

On on pages 36-45 we share with you our Chairman's Report and Financial Statements, and don't forget that our AGM is on 23 March in Kenilworth. Finally, I look forward to seeing you out and about at this year's forthcoming events!

## HODSON'S HORSE CLAY SHOOT

ROYAL ARMOURED CORPS SHOOT AT PURBECK SHOOTING GROUND

**T**he Royal Armoured Corps (RAC), which is made up of the units that provide the armoured capability of the British Army, hosted their first clay shooting championships at Purbeck Shooting Ground on 28 November.

With the growth of clay-target shooting within the army, this was a chance for the RAC to identify talent within its ranks, with the ultimate aim of building a team for the future. The team event awarded points towards the RAC's annual sporting event, Hodson's Horse – a competition held by the Royal Armoured Corps, where each of the 14 regiments enters teams into a number of events from football to clay shooting.

The event took the form of an

individual 50-target Sporting shoot with the top four scores from each nominated regimental team combining for the overall team competition. Competitors braved the wet and windy conditions for some challenging targets in the Purbecks, with impressive shooting across the board.

### TEAM RESULTS

- 2nd** Household Cavalry Regiment.
- 3rd** Armour Centre.
- 4th** Royal Lancers.

### INDIVIDUAL

## SPORT IN MIND SHOOT

On 19 December, CPSA National Development Manager, and qualified CPSA Instructor, Richard Worthington, helped Berkshire charity Sport in Mind founder Neil Harris with his goal to try 100 new sports in one year. His goal was to raise awareness of mental health issues and how participation in sport can help to alleviate mental health problems.

Richard gave Neil instruction in shotgun safety and use, and an introduction to the disciplines of English Sporting clays, English Skeet, and Down-the-Line Trap. With each discipline counting as a separate sport, this allowed Neil to chalk up numbers 74-76.

Neil really enjoyed the experience, and managed to break quite a few clays!

### NEW HEAD COACH FOR COLEY'S

Former World and British Champion Mark Marshall has joined the team at Ian Coley Sporting as their Chief Instructor and Shooting School Manager.

Well-known for setting top-class Sporting layouts such as the World Sporting and Beretta World Championships, Mark is intending to add more targets to the already impressive course at the Premier Plus ground. Mark

will also be specialising in clay and game shooting tuition, gun fitting and general

business development for the Shooting School.

Ian Coley MBE commented, "We're very excited to have Mark join the team. His expertise in coaching at some of the top shooting schools in the UK and overseas will be a great asset. I'd like to thank

departing Chief Instructor Shaun Porter for his hard work in making the ground what it is today."

### SUFFOLK CHAIRMAN RETIRES

After over 30 years of service on the Suffolk CPSA County Committee, Chairman Richard 'Dick' Hails has sadly had to retire due to ill health.

Dick is one of the well-known faces in the DTL scene, and has been a champion for DTL shooting locally, encouraging many to give it a try. He has volunteered a lot of his time to help newcomers into the discipline. Over his 30-plus years of service Dick has done an incredible amount for the county and its shooters, as well as the East Midlands region, and his contributions will be sorely missed by all.

In recognition for his lengthy service, the 2018 committee members voted unanimously to install Dick as Honorary President of the Suffolk CPSA with immediate effect, and will welcome his attendance at the committee meetings should he wish to attend.

On behalf of all Suffolk shooters and committee members we would like to thank Dick for all he has done, and we all wish him the very best for the future.

## ENGLAND TEAM NEWS

### ESK AND DTL ENGLAND SELECTION 2019 — EMAIL INVITE DATES

The last day to obtain scores will be Sunday 31 March. On Monday 1 April for DTL, and on Tuesday, 2 April for ESK an email will be sent out to the top 60 Seniors, 15 Ladies, 15 Juniors, 15 Veterans, and 15 Super Veterans (based on the best five registered ex100 scores from 1 August 2018 to 31 March 2019 from at least three grounds).

**Please ensure that we have the correct email address for you and check your junk/spam folder if you believe you should have been invited.**

DTL shooters will have until midnight on Thursday, 4 April, and ESK shooters until midnight on Friday, 5 April to confirm your place by booking onto at least two of the three selection shoots:

#### DTL SELECTION SHOOTS

Nottingham & District GC – 13-14 April  
North of England – 5-6 May  
Brook Bank – 1-2 June

#### ESK SELECTIONS SHOOTS

Dartford – 20-21 April  
Northampton – 18-19 May  
Nottingham & District GC – 15-16 June

If there are places available that have not been confirmed, another email will be sent out on Friday, 5 April for DTL and Monday, 8 April for ESK to the next people in line. These places will need to be confirmed by midnight on 8 April for DTL and 11 April for ESK by booking onto at least two of the three selection shoots.

If there are still any places available a final email will be sent out for DTL on 9 April, for confirmation by midnight on 11 April; for ESK this will be Friday, 12 April for confirmation by midnight on Monday, 15 April, by booking onto at least two of the three selection shoots.

Squads places will then go onto the CPSA website. These will be posted for DTL on Friday, 12 April, for the first selection shoot on 13-14 April. For ESK these will be posted on Thursday, 18 April for the first selection shoot on 20-21 April.

Squads will be arranged by highest aggregate (ex 500). Highest aggregate goes out last. The middle bank from the first day, will go out first on the second day. Everyone will move down two pegs on the second day. Please note that squads may differ for the second/third selection shoot(s) as its not compulsory to shoot all three.

The team places will be awarded by points taken from the High Gun of each two-day selection shoot. Using ESK scores as an example, if the High Gun at the first selection shoot was 198ex200 and you scored 195ex200, you will be on three points. The same method will be used for DTL. Your lowest two points from the three selection shoots will be used to determine the team. The categories will then be decided on what makes the Team the strongest overall.

The team will be announced within 48 hours of the last selection shoot and packs will be sent out to each team member.

# THE STARS COME OUT AT NIGHT

Jasper Fellows reports on the 2019 CPSA Awards shooting stars at the Belfry Hotel & Resort on 2 February.

Now and ice could not stop the stars of the sport on 2 February. They gathered at The Belfry Hotel & Resort to celebrate the best of the past year. The unstoppable Richard Bunning topped off an unforgettable 12 months with the Clay Shooter of the Year Award. Richard Faulds' years of tireless service to the sport saw him leave with the Special Contribution Award, while the 14-year-old Tristan Hockey took the Young Shot of the Year Award.

The evening started with a drinks reception followed by a three-course meal in the main hall. Spirits were high as CPSA Director Terry Bobbett took to the stage to start proceedings, followed by CPSA Chief Executive Iain Parker who took time to thank both the sponsors and the staff, with each name called out being met with rapturous applause. After this The Mayor of North Warwickshire, Denise Clews, gave an inspirational speech on the importance of sports to the lives of young people, while also praising the nominees of the Volunteer of the Year Award for their selfless dedication to others.

## CLASSIC COMEDY

Shaun Williamson, Master of Ceremonies for the evening, then leapt on stage with an energetic rendition of Mustang Sally, before launching into his own brand of self-deprecating classic comedy. With the attendees fed, watered, and thoroughly entertained, it was time to start the serious business of the evening, the Awards.

Few could have been more deserving of the first Award than Julie Sperling, Volunteer of the Year. Her tireless efforts as Chair of the Disabled Shooters Group (DSG) over the past 12 years has been instrumental in increasing the inclusivity of the sport, while also boosting its profile. Hopefully Julie will take this

Award as a thank you from everyone in the sport, as she steps down as Chair.

As the evening continued the anticipation grew to a crescendo for the announcement of Clay Shooter of the Year. The competition was tough: Aaron Heading, Richard Bunning, Amber Hill, and Richard Faulds. Each of the nominees already had a trophy cabinet bulging with Awards and medals from events across the globe, but each was still hoping to add one more that evening.

At last the name was read out: Richard Bunning. What a fantastic year he has had, with a win at the English Open English Sporting Championship before becoming World Champion at the CPSA World English Sporting Championship back in June. Unfortunately, Richard was unable to attend the Awards this year so his Award was accepted on his behalf by Mark Bowes to great applause.

The Awards were far from the end of the evening. A silent auction and charity raffle of sporting memorabilia was held in aid of Macmillan Cancer Support and the Motor Neurone Disease Association. The evening closed with a touch of Las Vegas glamour, as the guests made their way into a fun casino, resplendent with roulette wheel and card tables, giving those who had missed out on an Award a second chance to win.

After the Awards, at the end of the evening, this reporter noticed something particularly touching. Tristan Hockey, Ross Lester, and Alfie Tibbles, the winner and two nominees respectively of the Young Shot of the Year, joined to celebrate Tristan's success and have their photo taken together – they are the future of the sport and the future looks bright.

The competition was tough: Aaron Heading, Richard Bunning, Amber Hill and Richard Faulds...

# HOW TO HIT

## SHOOTING AN ON-REPORT PAIR USING TWO DIFFERENT METHODS

CPSA Level 3 Senior Coach **Simon Arbuckle** teaches us how to shoot a right-to-left blaze standard and then right-to-left midi chandelle.

Welcome to the third of the CPSA How to Hit series, sponsored by Browning, with companion videos filmed by Gunroom.TV at Southdown Gun Club in the heart of the South Downs in West Sussex. In this series, I am first going to teach you how to shoot four typical English Sporting stands consisting of on-report and simultaneous pairs using different shooting methods such as Swing-through and Maintained Lead. The final two articles and videos will be an introduction to Sportrap, the fast-growing discipline that allows you to quickly shoot 25 English Sporting targets thrown by five traps across five stands.

In this article, I'm going to be shooting a right-to-left blaze standard, followed by a right-to-left midi chandelle. As I describe how to take these shots, please refer to the photo with graphics to the right, showing me shooting these targets. The first target, the right-to-left standard, rises, crosses the bank, then falls away into the field in the distance. The second target is a blue midi chandelle, also fired right-to-left. A chandelle is a target that is fired in a high, gradual arc. As with the standard target, it rises over the bank, climbing steeply before dropping into the field. The thing about this chandelle is, it's a midi, and against the skyline it can become a very deceptive target and look a lot further out than it really is. This can cause a lot of problems for shooters who fail to remember that it is a midi, not a standard, as I will explain later.

As with all targets, I've got to establish the basics first. That starts with the feet. I've got to place my feet where I can get both targets, comfortably. The first target, the blaze standard, will be shot in the field, over the bank, the second one, above the Browning flags. I'm placing my feet in such a position that will allow me to take both shots comfortably and smoothly without being unbalanced. I also do a practice swing along both lines to ensure that I am comfortable taking the shots.

The second thing I've got to do is establish my visual

Above inset: Coach of the Year 2019 Simon Arbuckle.

pick-up points where I'm seeing the targets clearly. For the blaze standard, this is just before the right-hand Browning flag. For the midi, I see it in the sky, above the trees in the far distance. Having established that, I've then got to establish where I'm going to position my gun-hold points. On the blaze standard, that will be to the left-hand side of the left Browning flag. On the midi, it's going to be roughly in the same area as my visual pick-up point. This is because I'm going to use a different method to shoot this target. The method that I will use to shoot the blaze standard is going to be 'Pull Away', while for the second target, the chandelle, I'm going to use 'Swing-through'.

For the first target, I hold my eyes at my visual pick-up point and look for the clay, and as it reaches my gun-hold point, I lock onto it and move the gun with it briefly establishing the line and speed of the target. I then pull the gun ahead to establish the lead, pull the trigger and keep the gun swinging until I see the target breaking.

I will then shoot the midi chandelle using the Swing-through method. The reason behind this is that I've got such a distance to bring the gun

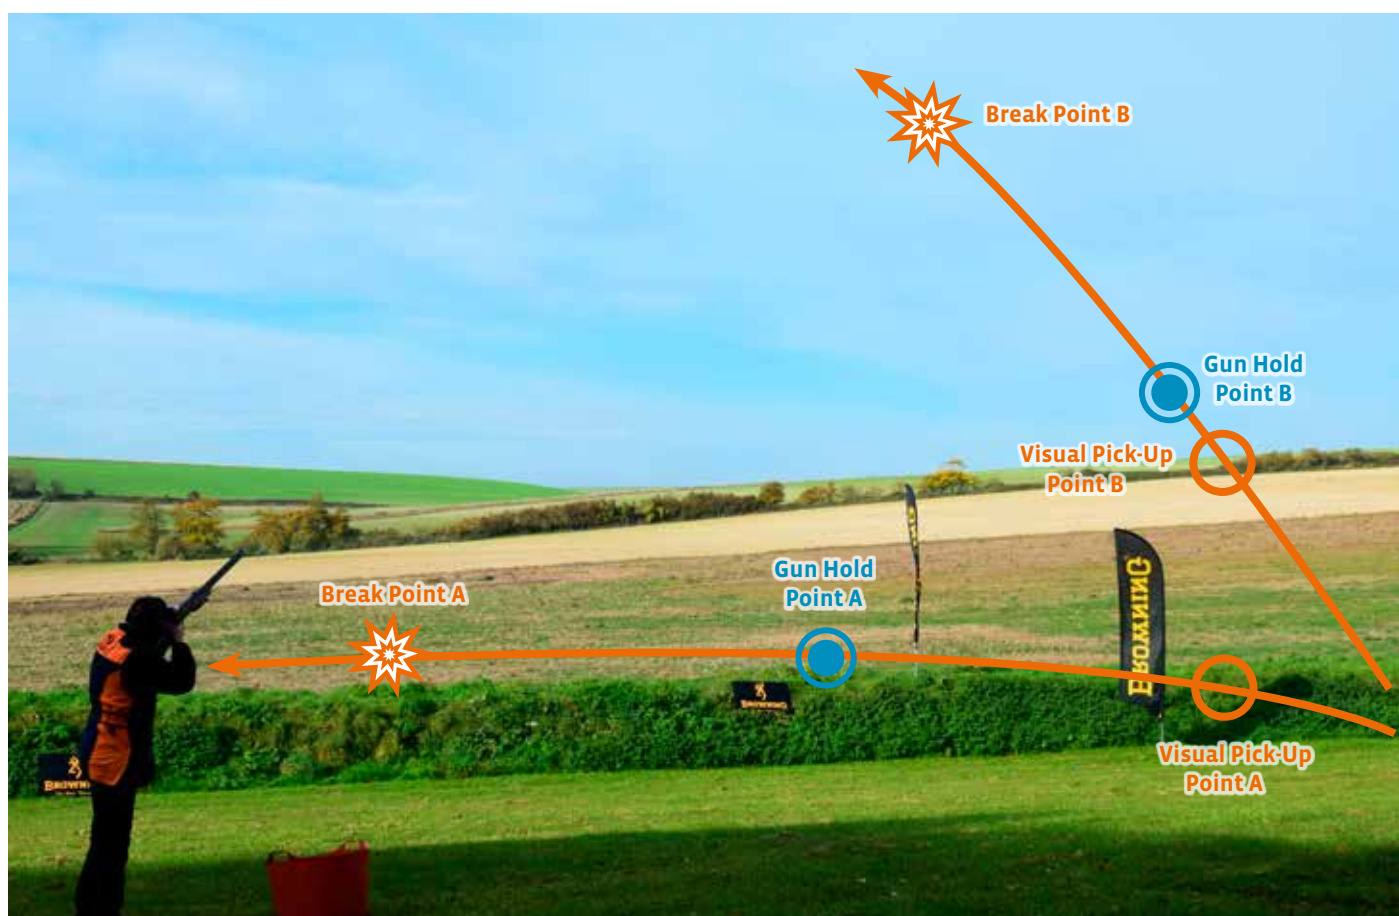

back from shooting the first target to the second, combined with the fact that the midi chandelle is a fast target, meaning it's going to be well along its flight line by the time I get the gun around there. So, after shooting the first target, I will move my gun directly to my gun-hold point for the chandelle and look for the target. Once the clay has gone past my barrel, I'm going to swing through it, take the shot, and keep the gun swinging.

Now, as I mentioned earlier, because the midi chandelle is smaller than a standard target, against the skyline it can look even smaller, or a lot further away, than it actually is. This will cause people to over lead it. It's a very deceptive target, therefore before you call for the target, when you're reading it, you've got to look at where the trap is, and where it's landing, to at least give you an idea of how far that target really is, and not what you assume it is.

And that's how you hit two targets using two different methods. 🍳

## AMAZING VIEWS AT HIGH VIEW

Paul Underhill tells us about this beautiful shooting ground in Cornwall.

### Q How did the owners start shooting?

**A:** High View is a family-run operation owned and operated by Bill and Donna Gregory. Bill is a life-long game shooter, and when the family relocated to Cornwall he wanted to utilise the space at High View to develop a generously-sized clay shoot.

### Q When did the ground open, and what makes it special?

**A:** High View started as a clay ground in 2014, and became fully CPSA Registered the following year. We hosted our first Cornwall County Selection shoot in 2018. We know most of our shooters on a first-name basis and believe we enjoy a warm, welcoming feeling, that reflects the family ownership. We shoot in 43 acres over woods, lake and fields with targets at varying points of the compass – so the wind might be right to left on one stand, then left to right on the next. The circular pathway takes you around the extremity of our land, with beautiful views of the surrounding Cornish countryside. We are in Cornwall, but we are only a couple of miles from Devon, so we have a large contingent of regular shooters from Devon as well as Cornwall since access to High View is easy.

### Q Which disciplines/facilities do you offer?

**A:** We are primarily a 100-target English Sporting venue. We are registered for, and could host, FITASC though the demand here in Cornwall is relatively small. We do not venture into Skeet

or Trap disciplines as this is really well covered by neighbouring grounds. We have a fully-enclosed check-in/eating area which serves Donna's burgers, cakes, and meals in 'proper Cornish' proportions. We regularly serve pork raised here on the farm, and our eggs are all home-laid and totally free-range.

### Q What are your opening times?

**A:** We are blessed with mild weather so we shoot year-round. We operate, in general, every second Sunday. About half our shooters turn up early for Donna's famous breakfasts, with shooting starting at 9.45am, and last entries in summer are at 3pm, which we bring forward to 1.30pm in the winter.

### Q How has the ground developed over the years?

**A:** We aim to continue to develop the ground, as we have good scope size-wise. In the past few years we have hard-cored a buggy pathway round the ground so people can utilize one of our three 4WD buggies. We are adding new stand locations, so that we can not only change targets, but also switch stands between shoots. We have added a pond for a skimming target, while cutting swathes through the saplings to accommodate 'through the trees' targets.

### Q What is the clay shooting scene like near you?

**A:** We have a very competitive county team process. Several very successful individual shooters and currently four of the full England Senior Skeet team come from Cornwall (plus one in the Irish team who is an honorary Cornishman). Our CPSA County Committee is very proactive and supporting of the grounds, and has developed a youth training scheme this year – so we are hopeful that there will be an active clay shooting scheme well into the future.

# BROWNING B525 SPORTER LAMINATED ADJUSTABLE

# GUN

## REVIEW

This month we are really excited to take an exclusive look at the very latest offering from **Browning**, which will be available to buy very soon.

THANKS to Ian Coley Shooting School.

### BROWNING B525 SPORTER LAMINATED ADJUSTABLE

RRP: £2,175

[www.browning.eu](http://www.browning.eu)

Browning have taken the hugely successful 525 and enhanced it with a laminated stock. Unlike rifles, the stock is not made from a polymer, but is made from birch wood and then laminated. The benefits are obvious and immediate – this stock, will never move, split or break and is impervious to water – and you can't scratch or dent it.

A stock that can't move offers extreme stability. Couple this with the fact that the B525 is a hand fitted gun, built to exacting standards which means that there is little chance of movement or space developing between the stock and the action. This

is a great product innovation and the design results in a gun that will give great service for many years.

Straight out of the case, the new 525 SL is something special and also very different – the design is refreshing and exciting. It's one of the

best developments that we've seen in recent years. The clean lines of the action and the striking figuring throughout the stock and fore-end, along with

the revolutionary grey colour really make this gun stand out from the crowd. We suspect that this design will be a little bit 'Marmite' – but we loved it, and feel that it shows great new product development.

So the 525 SL looks great but how does it shoot? Well, we were really impressed,

everything about this gun screams quality. It feels really solid in the hand, is well balanced, swings effortlessly and is a joy to shoot.

We loved the ergonomic designed trigger, and the pulls were exceptionally crisp. It opened and ejected with ease.

The 525 SL will be retailing at £2,175 and ships with branded ABS case, five Invector Plus extended chokes, ventilated rib, back-bored barrels and adjustable stock.

...the new 525 SL is something special and also very different...

# YOUNG SHOTS

## PLANS FOR THE NEXT MONTH...

Competitions I have coming up in the next few weeks start with the English Open Compak Championship at Orston on 10 March. In 2018 I won in Colts category with a 94/100, so it will be great if I can do that again. It's a great day of shooting. I enjoy Compak because rounds are completed fairly quickly, but it is a long day with four layouts of 25.

Next is FITASC, with the English Open hosted by Sporting Targets on 30-31 March. It's a 150-target competition shot over six layouts (three per day). I came second in 2018, so it would be great if I can make the top step on the podium this year.

In early April I'm entered into the Essex Masters on the Sunday. This is a great event, and I would encourage anyone to give it a go. With two layouts of 100, it runs very well and has a massive range of targets. Last year one could

even be seen bouncing on the lake. Later in April I will be shooting at the FITASC UK Championship at Garlands. This is a 200-target two-day competition. I finished third in 2018, so I'm hoping I can improve on that for 2019.

Hoping that the weather will be a little better by this time of year, these are great competitions to start the year off. I am also shooting the CPSA Premier League for the Atkin Grant & Lang team so that should keep me busier for 10 weekends during the year.

## IDEAS TO HELP YOU TO PROMOTE YOURSELF

### LOCAL PAPERS

Most local papers are very happy to report on young athletes. You may need to write your own report and submit it with photos, but it raises your profile.

### LOCAL AUTHORITY

You may find that your local council gives awards for sport, and it is well worth applying for them. You may be invited to a presentation to receive the award. Many councils also give small funding amounts to help you out.

### HEALTH & CONDITIONING

Contact local gyms, universities and colleges – as young talent programmes are often available which can help with physical and mental readiness as well as nutrition. Local gyms may also give you reduced membership if you ask for it.

## YOUNG SHOTS DAYS

If your son, daughter, or family friend is interested in having a go at Clay Shooting, then let them know about the various Young Shots events over the Easter School holidays. These are a fantastic opportunity to try our sport and includes all instruction, clays, cartridges, use of a suitably sized shotgun, lunch (where applicable), and refreshments. Spaces are limited, so please book direct with your nearest ground.

## COACHING & CONDITIONING DURING THE WINTER

I continue to train most weekends for FITASC with Ken Rist at my home club of LVSA in Hertford. I also meet with Mark Winsor as often as I can at Orston for a three-hour coaching session. I also continue to go to the gym three times per week at the Hertfordshire Talented Athletes Programme and practice gun mount as often as I can.

I really hate the cold, last year at a freezing registered OT shoot (-2c) I suffered from chilblains in my hands, which were painful and meant I had to retire from the competition, so it is very important that I keep my hands warm and do not go from cold to hot too quickly – something that you may wish to bear in mind too...

# SALVINELLI EXCLUSIVE

BY AARON HARVEY

**The elegance of this gun suggests that it should cost more than its price tag. The action is neatly glossed back to match the barrels with a gold subtle script on both the action and the barrels.**

The new Salvinelli Exclusive has exceptional balance and is especially pointable. The Exclusive is a competition grade gun. It features a Boss-inspired locking action, which contributes to a very positive lock. The gun also has a very crisp trigger pull. I find this gun very easy (and forgiving) to shoot and I have been shooting one for coming up to two years and have enjoyed every day that I have shot this gun from clays to game.

One of the big plus's to this gun and the manufacturer, when ordering your Salvinelli Exclusive or any of the Salvinelli range the price can include your own custom measurements and the turn around for the stock to be made is around four months.

This is a superb idea and very advantageous when choosing a Salvinelli, all Salvinelli's have an Extra Grade Wood as standard.

All guns will be selective with an adjustable trigger | Available barrel lengths - 28", 29 1/2", 30" and 32" (34" available at extra cost) | Barrels are all 11 X 8mm tapered rib, multi-choked and chrome lined with steel proof | 18.4 - 3" chambers | Red bead or blade | 2 recoil pads 14/20mm | Abs case

## THE BARRELS

The barrels on the Exclusive, which bear proof marks for 3" shells are relatively light for length 1572g as is typical of these guns for a 32" barrel. I would advise anyone ordering a Salvinelli that does not already know what they want to order to go with a 32" barrelled gun if their chosen discipline is of the sporting variety. You will not go far wrong with this and will benefit from the magic combination of pointability combined with controllability this set up has faired me well so far and also has my fellow young shot Salvinelli team mates, Tristan Hockey and Ronnie Green whom have won many titles with this set up.

### THE STOCK

The stocks on the Exclusives show lovely figuring, the wood is strong too, and the shapes are sensible and well suited to sporting shooting or game shooting. The stock was not made for me, and the grip radius is standard and fits nicely for me and very comfortable. A traditional oil finish is standard. The dimensions of an off the shelf Exclusive vary, but its pretty academic as you can order whatever you require, but the measurements on my gun which has suited me well are 382mm (15") length of pull. Drop is 40mm (1/8") at heel and about 6mm (1/4") at toe.

### SHOOTING THE GUN

The last two seasons I have shot thousands of days with this gun, in excess of forty thousand. It shoots exactly where I look and point and I have secured several podium places and High Guns with it. The trigger pull is amazing, very crisp and smooth, as stated above. The gun is always controllable. The Felt recoil is very low to the point it feels like I am shooting 21g cartridges when in fact I shoot 28g. The quality all round is superb, this is a real joy to shoot and I cannot recommend highly enough and am proud to be part of the 'Team Salvinelli'.

### WEIGHT OF GUN

The weight of the gun I have been shooting the last two seasons weighs 8lb 4oz and is a 32" Sporter, the 32" barrels weigh 1546g with a 30" Sporter weighing around the 8lb mark which makes them both ideal weights for a Sporting gun (subject to density of wood.)

**Prices start from £5950**

# INTERNATIONAL

Sarah Daly talks to two athletes with different approaches to their winter programme ahead of a busy 2019 season.

## AMY EASEMAN – COMPAK

Junior, Amy Easeman starts the 2019 season as World No 1 Lady in FITASC Compak, using the sponsored combination of Browning 725 / Hull Pro One, plus Promatic clays.

### Preparation for the season

"I have a break from clays from October and start back in January. Then I shoot as much as I can to get back into the routine. I always have a lesson with Ed Solomon after I have been shooting for a couple of weeks, to sort out problems with gun/gun fit, as there's no point practicing when your gun doesn't fit you!

Selection shoots start in

March, but I will have shot a couple of registered sporting competitions."

### Training

"I naturally take one target at a time, so tend to not do any mental training. I do some fitness at college and go to the gym with my mum. Post-Christmas I look at my diet more closely too."

### Looking forward

"I'm really excited about this coming 2019 season: Wildenburg, Holland in May for the Steel Challenge, the Europeans in Greece and Hungary for the World Championships."

## MATT COWARD-HOLLEY – TRAP

Matt transferred from Double Trap to Trap in 2017. He shoots his sponsored combination of Perazzi MX2000 / Caledonian Elite Pro.

### What preparation have you put in place for the winter to prepare for the all-important 2019 season?

"The 2018 season finished late, but I carried on training as normal after the World Championships because we had a British Shooting (BS) consideration Grand Prix (GP) in Malaga in late October, where I shot 123 followed by 46 in the finals, followed by a shoot off which I won!"

"I had a training camp in Italy early in December with coach Diego Gasperini, followed by a BS Training camp in Cyprus in December. I had a couple of weeks rest from Trap until after Christmas when I was back in training, spending five days at Fauxdegla to get me back into the swing before the busy 2019 season."

"I do some mental work with BS psychologist, Phoebe, and find her good as we are on the same wavelength!"

### Looking forward

"I will be focussing on preparation for the events with quota places, but I go to all events with the aim to win, including the GP's."

## ACAPULCO, MEXICO WORLD CUP 15-26 MARCH:

British Shooting has announced the shotgun teams for the Acapulco World Cup. With a whole host of shooting talent compete for Team GB quota places. Performance Director, Steven Seligmann, said, "It's an important year as we target quota places for Tokyo 2020 and we have selected a very strong team for the first World Cup."

# TIME LIMITS: THE IMPORTANCE OF DOTTING THE I'S AND CROSSING THE T'S

Honorary solicitor **Laura Saunbury** gives us a refresher course on the various time limits which the law requires you to comply with as a shotgun certificate holder.

**I**n a wide variety of different situations the law imposes obligations on shotgun and firearm certificate holders to notify the police of certain events within required timescales. It's worth making sure you are familiar with all of them and comply when the situation arises. When a shotgun or firearm certificate is granted or renewed, the holder must sign it on receipt. This is to show that you acknowledge and will abide by the conditions, which include time limits to inform the police of certain events.

In all of the following cases the requirement is to notify the police within seven days of the transaction or other event if it occurs within Great Britain, or within 14 days if the event took place abroad.

1. Theft, loss or destruction of your certificate.
2. The deactivation, destruction, theft or other loss of any shotgun.
3. The purchase, sale, gift, or other transfer, for example to a firearms dealer for storage or repair, of any shotgun must be notified by both parties to the transaction, i.e. the person making the transfer and the other individual receiving the shotgun. The only exception to this rule is that there is no requirement to notify the police of the loan of any shotgun to another certificate holder for less than 72 hours (note that the same exemption for short-term loans does not apply to section 1 firearms).

These obligations apply equally to the holder of a visitor's shotgun permit. In relation to the events in points 1 and

When a shotgun or firearm certificate is granted or renewed, the holder must sign it on receipt

2 above, it used to be the case that the requirement was simply to notify the police within seven days (or 14 days if abroad). However, with effect from 16 October 2018, there was a slight change in these rules and the requirement is now to notify the police 'as soon as reasonably practicable, but within seven days'. This infers that if your certificate or one of your shotguns is lost in circumstances where there is a risk of it falling into the wrong hands, you ought to notify the police as a matter of urgency. You could therefore find yourself being criticised by the police for taking as long as five days to inform them of a loss.

You must also notify the police without undue delay of any permanent change of your home address. The police view of what amounts to 'undue delay' may be rather different to yours. To be on the safe side it would be best to apply the same time limit and to inform the police within seven days of your move.

It used to be the case that notice had to be sent to the police by recorded delivery. However, it is now perfectly acceptable to notify the police by email. You may wish to set your email so that you receive a notification when it has been read. That way you will have some evidence that your email has been received by the licensing department.

It is important to bear in mind that failure to comply with any of the above time limits

is a criminal offence for which you can be prosecuted and punished by a fine or even a sentence of up to six months imprisonment. The police do not always bring a prosecution but you may think it is hardly a risk worth taking. Furthermore, even if you escape prosecution, breach of any of these time limits could result in revocation or non-renewal of your certificate, particularly if combined with other factors or if the police view it as indicative of a general attitude on your part of being complacent about your responsibilities as a certificate holder. At the very least, you can expect a written warning from the licensing department if you fail to comply, which would then place you at greater risk of your certificate being revoked in the future should further concerns come to police attention.

If in doubt, always check time limits carefully, and if necessary contact CPSA for advice. 📧

# CHAIRMAN'S REPORT

for Year Ended  
30 November 2018

## COMPETITION SUCCESS

**DTL:** The year started with ICTSF World DTL held at the ACTA National Ground in Wagga Wagga, NSW, Australia. The weather was wet and windy so all credit to the Super Vet team for winning silver.

The DTL Home International, plus the British Open and European took place at Mid Wales Shooting Centre. Our Senior and Super Vet teams took gold, the Juniors finished second and the Ladies and Vets came third. New Cap Jack Ruane in the Juniors was the star with a score of 299 earning him overall High Gun.

The British Open saw our Seniors take silver, our Juniors take gold with Alex Harris also taking the BO Junior Champion trophy. The Ladies took silver, the Vets took gold and the Super Vets bronze.

The European was contested by the Home Countries together with France and South Africa. We took bronze in the Seniors as did the Ladies and Juniors. The Vets took silver and the heroes were the Super Vets who achieved gold.

**English Sporting:** The World English Sporting Championships was held at EJ Churchills. Teams from eight countries contested the week of events. Our teams did us proud with a clean sweep of the board in all categories except Super Vets. To top that off, Richard Bunning won the CPSA World English Sporting Individual title to add to his victory in the English Open earlier in the year.

I attended the final four days and numerous competitors from home and abroad came up to me and congratulated the CPSA for staging the best ever CPSA World English Sporting Championship, so

very well done to all involved in organising and running the event.

The British Open this year was held at Oakedge, Staffordshire, and presented a challenging course with generally positive feedback from competitors despite the sun! Richard Faulds, soon to be a CPSA Director, took a well-deserved win from James Bradley-Day and Arnie Palmer.

The 2018 Home International was held at Lea Farm SG with a team England clean sweep bar Super Vets who took silver. Congrats to Phil Smith on taking the High Gun and to Graham Stirzaker for winning the Captains Cup.

**English Skeet:** Doveridge Clay Sports Centre hosted the English (National) Skeet Home International. Team England made a clean sweep of the team honours, winning Seniors, Ladies, Juniors, Vets and Super Vets. England's Gary Cooke took the HG. We had five new caps in the team and it was a great result.

**Automatic Ball Trap:** Team England swept the board at the South Wales 2000 Shooting Ground at the ABT Home International, comfortably winning every category. A special mention for new Cap Tony Coulstock who shot exceptionally well to win High Gun of the match. Another great result!

**Olympic Skeet:** The Olympic Skeet Home International was held at the National Shooting Centre, Scotland, with an English clean sweep – the Senior team winning by a decisive 52 targets from runners-up Ireland. England took the Ladies, Juniors, Vets and Super Vets titles with a combined

score of 356 – this being 33 targets ahead of runners-up Scotland. What great team performance.

**Olympic Trap:** Team England Seniors prevailed at Logues Hill Clay Pigeon Centre at the Olympic Trap Home International. The Ling family made their presence felt, with Ed winning Senior High Gun, Theo – Junior HG, Abbey – Ladies silver and Steve – Super Vets silver.

Talking of Theo Ling he has had a spectacular year in 2018 winning Junior HG in the English Open ABT, in UT the English Open, UK and British Open, and in OT the Malaga GP, Algarve GP, English Open and British Open, not to mention setting a British Junior record at the European Championship with 123ex125. Wow!

**FITASC:** Last, but certainly not least, it was almost a clean sweep for team England at the FITASC Sporting Home International held at the North Ayrshire Shooting Ground in Scotland. The Seniors ended in silver spot behind Wales, but we cleaned up in Ladies, Juniors, Vets and Super Vets. Congrats to Captain Georgia Moule for taking the Ladies HG, to Graham Stirzaker for taking the Veteran HG, to Barry Green for securing the Super Vets HG while Mark Stevenson won highest new Cap. Even bigger congrats to Daniel Mawby who won the Junior HG and the Peter Dennett Memorial Trophy.

**My congratulations to one and all – let's repeat it in 2019!**

## FINANCIALS

Our income this year was £2.164M against £1.916M in the previous year. This is the first time we have exceeded £2M income, with the increase being largely due to the extra revenue generated by the World English Sporting event, as always happens when we hold the competition in England – conversely income will probably fall in the coming year when the competition is held in Illinois. Our surplus was £9k against £24k last year, and was largely due to a bequest from a member, John Dalby, which will be acknowledged by a method yet to be decided. The year ahead will be quiet compared with 2018 and with 2020 when we host both the World English Sporting and the World DTL.

## HEAD OFFICE

The website has continued to be developed, and in 2019 we will be introducing a completely new version of 'Shoot' – our registered shoot administration program used by all our grounds – which will allow real time updating of scores as one of its major new features.

Staff-wise we have had several changes. The most significant being the arrival in July of Iain Parker as CEO. Iain has a comprehensive, proven, background in marketing and brand licensing for many household names, and I am confident he will not only lead and develop the CPSA Head Office team, but also source and cultivate relationships with new sponsor partners to the benefit of various disciplines and the association as a whole. Oh yes, and Iain is also a shooter!

Our Financial Controller, Connie Pierre, leaves us next month having decided to retire after more than 10 years with the CPSA. I am sure everyone will join me in thanking Connie for her sterling service over the years and wish her well for the future. Connie will be replaced by Stacy

Nel and I have every confidence Stacy will successfully fill Connie's shoes given she has settled in very well.

## SPONSORSHIP

We have a number of organisations, mainly from within the shooting sports industry, willing to support us at major competitions and other events and Iain is working hard to bring on board sponsors from outside our normal sphere. I offer our sincere thanks to all the organisations currently supporting us and ask our members to remember these sponsors and support them when buying guns, cartridges, clothing and so on.

## ACKNOWLEDGEMENTS

Our success as an association is in no small part due to the support of many hundreds of volunteers around the country who give of their time so freely with little or no reward and I would like to record my thanks once again to all our county and regional committee volunteers, team managers, referees, safety officers, coaches and instructors, and my fellow directors for all they have contributed over the past 12

months. Additionally, I would also extend my thanks to our Head Office staff for their loyal and diligent service both to the membership as a whole and to the Board.

On a personal note, I first joined the CPSA Board in 2007 and have been Chairman for over ten years. In the interests of governance, I believe that is more than long enough for one person to be in the Chair so I decided last year not to seek re-election to the Board and will leave after the AGM on 23 March.

In the words of the late Malcolm McClelland, a real gentleman, who once described to me his role as President of the South African Association thus "It has not always been a pleasure, but it has always been a privilege" – I would echo that sentiment, as most of the time it has been an absolute privilege to Chair the CPSA... but just occasionally!

I believe the Association has a great future and wish it and all our members good fortune and a successful shooting year ahead.

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF CLAY PIGEON SHOOTING ASSOCIATION LIMITED

#### OPINION

We have audited the financial statements of Clay Pigeon Shooting Association Limited (the 'Company') for the year ended 30 November 2018, which comprise the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 30 November 2018 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or

- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### OTHER INFORMATION

The directors are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditors' Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### OPINION ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

#### MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have

not been kept, or returns adequate for our audit have not been received from branches not visited by us; or

- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Directors' Report and from the requirement to prepare a Strategic Report.

### RESPONSIBILITIES OF DIRECTORS

As explained more fully in the Directors' Responsibilities Statement on page 37, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are

free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic

decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditors' Report.

### USE OF OUR REPORT

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 NOVEMBER 2018

**1. GENERAL INFORMATION**

Clay Pigeon Shooting Association is the national governing body for clay pigeon shooting in England. The company remains committed to promoting excellence in the sport.

The company is a private company limited (registered number: 3146770) limited by guarantee and was incorporated in England and Wales. The company's registered office is Edmonton House, Bisley Camp, Brookwood, Surrey, GU24 0NP.

**2. ACCOUNTING POLICIES****2.1 Basis of preparation of financial statements**

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The following principal accounting policies have been applied:

**2.2 Income**

Income is recognised to the extent that it is probable that the economic benefits will flow to the Company and the income can be reliably measured. Income is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

**2.3 Operating leases: the Company as lessee**

Rentals paid under operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the lease term.

**2.4 Interest income**

Interest income is recognised in the Statement of Comprehensive Income using the effective interest method.

**2.5 Pensions****Defined contribution pension plan**

The Company operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the Company pays fixed contributions into a separate entity. Once the contributions have been paid the Company has no further payment obligations.

The contributions are recognised as an expense in the Statement of Comprehensive Income when they fall due. Amounts not paid are shown in accruals as a liability in the Balance Sheet. The assets of the plan are held separately from the Company in independently administered funds.

**2.6 Tangible fixed assets**

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight line method.

Depreciation is provided on the following basis:

Freehold property	0% straight line
Property improvements	10% straight line
Motor vehicles	25% straight line
Furniture, fittings and equipment	25-33% straight line
IT Development	20% straight line

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of Comprehensive Income.

**2.7 Stocks**

Stocks are stated at the lower of cost and net realisable value, being the estimated selling price less costs to complete and sell. Cost is based on the cost of purchase on a weighted average basis. Work in progress and finished goods include labour and attributable overheads. At each balance sheet date, stocks are assessed for impairment. If stock is impaired, the carrying amount is reduced to its selling price less costs to complete and sell. The impairment loss is recognised immediately in profit or loss.

**2.8 Debtors**

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

**2.9 Cash and cash equivalents**

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

## 2.10 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

## 2.11 Financial instruments

The Company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors.

Dates and venues for the 2019 Regional and County Championships in all supported disciplines are well on the way to being finalised. Full details can be found on the North Region CPSA website and Facebook page. Selection procedures for the Regional teams have been published.

Places are keenly fought over, so it is important that anyone wishing to be considered for a team makes themselves aware of the relevant selection procedure for the chosen discipline, in particular how many qualifying shoots – at a minimum – must be shot.

Having shot the requisite number of selection shoots the onus is very much on individual shooters to notify the team managers of their wish to be considered for a team place, and to make sure that entry to the relevant British Open is secured well in advance as squads are likely to fill up fast. Team Manager details can also be found on the North Region website.

In the event of a change of venue/ date taking place for any selection or championship shoot every effort will be made

to advertise this fact in good time. A small levy will be charged at all championships and selection shoots as in previous years.

### North of England DTL selection

So it has come round again. The North of England selection will be held to determine who will represent the North region at the English Open which is being held at Bywell Shooting Ground on Sunday 16 June.

To be selected you need to shoot a minimum of three shoots out of the planned five. The dates and venues of the shoots are:

#### North of England DTL selection

10 Mar	Spennymoor & District CPC
28 April	North of England CTC
12 May	Penrith & District GC
19 May	Bywell Shooting Ground
9 June	TBA

We look forward to seeing you at the upcoming shoots.

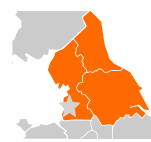

### Attention to all Lancashire and Yorkshire DTL shooters

These selection shoots are also being used to determine who will represent Lancashire and Yorkshire in the Inter-County Championship which is being held at Northampton on the 29 September.

So if you wish to be selected to represent your county then please attend at least three of these shoots. Once again we look forward to seeing you all at these shoots.

## GLOUCESTERSHIRE

### RICHARD MOREING

richardmoreing@btinternet.com  
sites.cpsa.co.uk/  
gloucestershire

One hopes the harshest of the winter is now behind us as we look forward to the coming spring and an emergence of more shooters out of a deserved slumber.

At the time of writing (Jan 2019), our county AGM was planned to be held early February at the Gloucester Farmer's Club. The meeting was due to see the close of Steve Clarkes

tenure as Chairman, Steve having left CPSA to concentrate on his business interests. Judith Gilder will also stand down from the role of Treasurer, this due to an operation with which we wish you all the best. On behalf of the county a very big thank you to you both for your work over the past few years. Please do view the counties Facebook page for 'early news' of the new committee.

One of the ideas to be brought forward at the AGM is the following from Vice-Chairman Doug Pinnegar. He says, "One new incentive I am trying this year is a 'Champion of Champions' award – the idea being to drive attendance to more of the county shoots and to get shooters to branch out in to new disciplines. The person with the highest combined score out of the following five county championship shoots will win the award: English Sporting, English Skeet, Compak, ABT and All Round. It might be nice to have this for three categories – Seniors, Ladies and Juniors. I'd appreciate any thoughts on that as details haven't been finalised as yet." It's an idea that one hopes was positively received and 'has some legs' in that Doug can be encouraged to run, and we shooters in the county support such ventures.

The AGM will, one hopes, see a full compliment of team managers for the many team events for 2019. One of the main aims we as a county will look to improve upon is sending teams to the WM Regions events. The first of these is the Area and Inter-Counties FITASC being shot the first weekend in March.

Doug will be putting the WM dates up on our FB page, and will be adding our own county events on as soon as dates are set. The provisional calendars one sees at present show a very congested summer events wise, we as a county also have to go 'outside' to hold many events and, as we have no control of a ground's shoot dates, some event clashes will no doubt arise. This is regrettable but often unavoidable.

New year saw the publication of the CPSA's 'Top 20' and it's a deserved well done to the following of our shooters who feature in these lists, DTL – Shaun Porter and Haydn Coley, English Sporting – Charlie Lovatt, English Skeet – Martin Keatley topped this list with an impressive average of 99.2%. I hope I have not missed any of you, if so then don't be shy, tell me.

Since my last report, there have been a few happy faces on the Sporting field. At Westfield on 9 December. Adrian Johnson was HG on 97 and in first in Vets was Kevin Childs on 90. At Owls on 5 January, Harry Lovatt was HG on 97. At Longridge on 6 January first in B with 85 were both Tim Shayle and Charlie Bendall, and in C first was Mike Turvey 73. Finally please do support our local grounds, competition or practice wise as too often one reads or hears of grounds closing or restricting hours due to lack of support.

#### CPSA National Awards

It was very pleasing to make the shortlist for the Development Initiative of the Year for Shropshire's Service Cadet and Young Member Initiative. Many thanks to all those who made

Shropshire Cadets at MOD Donnington with Shropshire Members.

this possible and provided lots of support – this is your Award! Congratulations to all those who were short-listed and won – it is nice to be recognised for your efforts.

Plans for further follow-up support are already well underway. The target of doubling the Junior membership during 2019 is on track!

#### CPSA Shropshire Awards

Thanks to all those who supported our event to recognise the efforts of our competitive shots and those who have achieved so much during 2018. It was a good evening to meet representatives of all the various disciplines who shot and supported the county throughout the year. Special thanks to Treasurer, Mike Cashmore who did so much to make this event happen.

#### CPSA fixtures for Shropshire

Please keep watching the Shropshire website and Facebook page for more information.

#### Super Vet shoots 100% ABT

Graham Evans who is in the Super Veteran age group still has the fast reactions and marksmanship to hit 50ex50 as he did at Ranton on the 6 January 2019, beating many other younger top shots, including a former Olympic medallist. Graham's current fast Trap averages are impressive: ABT 93%, OTR 84%, and UTR 93%.

#### Some other recent scores of note – in the nineties!

Stu Aston and Dave Harley scored 95 and 97 respectively ex100 in ESP at Catton Hall during November. Roy Jones shot a solid 97ex100 in ESK at North Wales Shooting School during November. Both Shaun Gardener and Craig Bebbington scored 99/296 in DTL. Craig at Holmes Chapel during December and Shaun at Fauxdegla during January.

Excellent shooting and well done to you all!

#### Thanks to all members for a great 2018

My wife Jenny Cross and I have enjoyed working with you all in Shropshire. We thank

the Committee for their support and wisdom during 2018. Due to health and work issues we are standing down from the Committee and all other roles, but will continue to support the Cadet Initiative. We wish the 2019 Shropshire CPSA Committee all the best for another great year of county shooting!

### ALLAN WRIGHT

Hi Folks, hope you are all keeping well and looking forward, as I am, to the start of the new championship season.

#### 25 Nov: Cambridgeshire ZZ – Rugby & District

Firstly just to finish the 2018 season with the results from the County ZZ Championship. This was run in conjunction with the EM. It always

seems to be held a bit late in the year as it was this time. The problem with that is not having time for shoot-offs and that was what happened in 2018. But never the less, our top man was Kevin Flitton taking the Cambs title as he did last year. He was also joint High Gun for the EM. Our top Lady was Jane Bell who took both Cambs and EM – well done folks. Thanks to Rugby & District for holding the event – much appreciated.

Our Cambridgeshire Supreme Champion this year is once again Chris Morris and the Senior Champ is once again Phil Barnard. Top Vet went to Richard Croft, the Ladies to Amelia Smith, and the Colts to Ethan Lord. This was a very close affair and could have gone either way so very exciting as it unfolded, but well shot to you all.

The county was right up there with the EM Directors Cup once again, but this year we had to settle for second with Suffolk taking the top honours – so well done Suffolk.

#### The Colts Sporting Championship 2018

The Colts Sporting Championship went well in 2018, with us holding it over 50 targets, feeling that 100 targets was a bit much for young people. I think it went well as I know we had a lots taking part, and most of the youngsters went on and completed the 100 anyway. So, a good day for the young.

We may be making some changes to the way we select teams this year so as to give us a better chance to get more of our best shooters to take part in the Inter-Counties, so keep looking at this space as it unfolds. We also plan to get our Cambs Championships (that we pick our teams from), under way in the early part of the calendar, so we don't end up chasing around doing two shoots on one day when the Inter-Counties come around. We have three Cambs championships scheduled to take place in March.

I would like thank all the grounds for running our County Championships for us, as without these venues I don't think life would be as we know it. That's all for now, have a nice one folks, look forward to seeing you all on the grounds.

### ALAN BOTT

Well, we've made it again, walked off the mince pies and gobbled the turkey, now we're

ready for the fun and games in 2019. It seems a tad late but we hope that you all had a great Christmas and a merry New Year and all kept well.

'Er indoors' and myself had a lovely time, we were taxied to my son's house, watered, fed and given presents, then we were taxied back home again – what could be better?

The committee have sorted out the venues for the 2019 championships. The dates will come later when the Nationals etc are sorted.

Our AGM, as previously published was held on the 29 January 2019. By the time that you read this letter, we hope to have the year's programme all done and dusted, that will all be in the April edition of *Pull!*

This year the county have been awarded an English Sporting Selection shoot, to be held at the Kegworth Shooting ground on Saturday and Sunday, 6-7 April. It will be shot over 100 targets either day. This will be a chance to go head to head with the 'big boys'.

So, it's a short one this time, I'll finish now 'cause I can smell the pork cooking for dinner, ...what more food! Lovely jubbly.

Congratulations to our 2018 CPSA Top 20 shooters – Connor Harris, Junior DTL; Ben Hushwaite, Senior English Sporting and Steve Brightwell, Veteran English Sporting and FITASC Sporting. Well done to you all!

Talk to you soon, aim straight and keep your feet and powder dry.

As this goes to print, we will now have held our county AGM, finalised dates and venues for the 2019 season, with some new venues and disciplines, in the hope to promote participation across the county.

This report also follows the annual CPSA Awards evening, and hope that the three county representatives had every success.

## Lincolnshire v Nottinghamshire Boxing Day AR Challenge

The annual event held at Nottingham and District GC saw a near perfect domination (648/700) across most categories as Lincolnshire struggled to fight off the festive Turkey and Plum Pudding, but still enjoyed the outing, friendly banter and competition.

Notts didn't have it all their own way though, Lincolnshire Ladies can certainly hold their heads high, as Janet Stennett took Ladies High Gun with Saira Boardman third in Ladies – great shooting!

## East Midlands Helice Championship

Lincolnshire's Donovan Jenkin shares the East Midlands Regional Helice Championship title with Cambs Gun K Flitton at Rugby and District GC 25 November, both with very tidy scores of 23/24. Well done Donovan. Not the only Lincolnshire shooter in the frame either. Richard Gray takes East Midlands Veteran title. A great finish to a great year Richard, well done everyone.

## Students glory

Congratulations to Lincolnshire students, Georgina Barratt for winning High Gun Ladies, and Tori Clinch taking third at Oxford University Clay Pigeon Shooting Club competition held at E. J. Churchill in November.

Georgina was part of the University of Nottingham Ladies team who also came third, and reversing that result, Tori RAU Ladies team take top Ladies team. Well done Tori and Georgie, here's to a successful 2019.

## The girl in a gown with a gun

We do not always see or hear the story behind the name or face, here by kind permission from Victoria (Tori) Clinch, we have a personal insight to the trials and tribulations she has overcome to compete at the highest level.

Durham University graduate and Royal Agricultural University Master's student, Tori had an active and competitive life before suffering a life changing leg injury.

No longer able to compete in horse-riding and hockey, Tori wanted to fill the void. She

Tori Clinch.

bought a dog, trained and competed with it at gundog trials, and picking up on local shoots and falling into the clay shooting by accident.

At Durham University, Tori joined the clay pigeon club and started shooting frequently, improving scores and winning her first competition at York. Further success followed at multiple University competitions and game fairs.

Paul Zaitschenko began to coach Tori, registering with the CPSA May 2017. Tori said, "I missed many of the county qualifiers but was placed on the teams at regional and national level for Sporting, FITASC, Skeet and All-Round." Three weeks before she was invited to a Talent ID day, she broke her good ankle. She did attend sporting a moon-boot instead of a cast, and discovered she was a natural Trap shooter (despite never shooting Trap before) and was offered a place on the Performance Pathway.

Tori changed coaches to Hamish Patterson, with assistance from the Ling family. With help from her family she was able to purchase a Perazzi MX2000. Tori was selected to represent GBR at the Para-Shooting World Cup in France and World Championships in Italy – returning with a silver medal from the Italian Grand Prix.

Tori now has a Perazzi High Tech for Sporting – which aided in her silver medal at the University Sporting Championships and a Perazzi High Tech 3 for Olympic Trap.

Tori wears a leg brace, and battles with her disability daily, and has to adapt all aspects of her life. Yet her positive outlook and enthusiasm for shooting never falter.

## NORFOLK

### KEITH BARTER

keithmxgb@gmail.com  
sites.cpsa.co.uk/norfolk

Welcome to the March Norfolk Pull! Thank you for the reports that have been sent in. Please keep them coming.

On 25 November the last Norfolk Championship for the year was contested at the Priory kindly run by Aaron and Natasha. It was led from the start by William Gilbert, who shot very well to post 144pts, but he was overtaken by Pat Houghton who managed a very good 25/75 in his second round to set a target of 146pts. He had to wait for a few more shooters to go through, but the best posted was a 140pts in the last round by myself to be third. I think it is worth mentioning that Pat is over 70 and this was his tenth county championship win, coming nearly 40 years after his first – which is some effort to keep that level of enthusiasm and performance going, so well done Pat.

As the season ends for most, Elise Dixon takes advantage of the last competitions around the country. Having qualified for the British Shooting

Elise Dixon and Aaron Heading at the British shooting grand final.

Shotgun Series Grand Final, Elise trekked up to Wales. One of Elise's favourite grounds, the scenery and backdrop being stunning as autumn arrives, however, the weather was somewhat wintery than autumn temperatures. Elise took advantage of the complimentary practice round, with Friday being fairly quiet considering the number of athletes qualified.

Day one was wet, windy and cold but Elise stayed focussed and closed the day with 56/75. Going into day two was even colder, plus there was the added pressure of a camera man and photographer. Squeezed into the layout, it was a new experience and one Elise managed well. Elise finished on 91/125, claiming Junior Ladies bronze. A great achievement at such an early stage in her shooting career.

Elise didn't stop there. At the British Shooting Pathway Championships she took Junior Ladies bronze. Following this she jetted off to Malaga for the last Grand Prix of the year, with the benefits of the sun. Elise made the most of her time abroad, shooting for six days. Sadly, there was no medal, as Elise was the only Junior Lady who entered the event. Good luck to Elise for 2019.

Northants AGM in January was sparsely attended. The committee and officers were voted in and reports and updates given. It was noted that this will be the final year that Bob Meadows will stand for Chair.

A round up of 2018's activity and achievements is reproduced below.

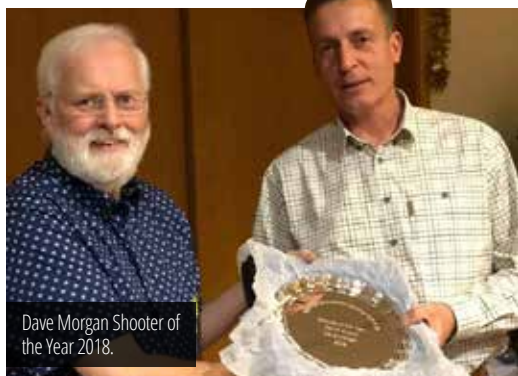

The Northampton Gun Co and The Gun Cupboard generously supported shooters by offering class prizes of cartridges for two county competitions, and the Northants committee also sponsored one event. The committee will look to repeat sponsorship for 2018. Any suggestions for businesses to contact will be gratefully received.

Dave Morgan Shooter of the Year 2018.

Alex Banning Junior Shooter of the Year 2018.

As well as *Pull!* the county has been reporting through the county website and the Facebook pages usually at the rate of one a month. Both have been kept up-to-date by Roy Tyler. Thanks to him, the Facebook page regularly has over 60 hits each month.

The county committee reviewed the subsidising of a county shooting jacket for IC team shooters and replaced this with offering a subsidised county-themed polo shirt, available for current and past team members. This will be in place for all new competitors for the county teams and will be reviewed in 12 months time.

Northants saw some success in the Director's Trophy winning the All Round and coming second in the Skeet competition. Through the sterling efforts of each of the county shooters, the county improved from last year and came second behind Suffolk, but one point ahead of Cambridge. Thanks are given to the team managers – Izzy Russell, Laurie Cookson, Ollie Bradshaw, Simon Vogel and Jeremy Baker for their hard work this year.

County shooters also competed in two national Inter-County competitions. The Skeet was held at the Nottingham Shooting Ground where the Senior team took the category title. Neil Faulkner was High Gun with 100. In the All Round at Northampton, Jo Smith took High Gun, the Senior and Lady teams were runners up, while the Junior and Veteran teams won their categories. Regionally county shooters made a fine showing with the following medals:

- Phil Rowley won the Senior and Vet titles for Universal Trench.
- Alex Banning won the Junior Title for Single Barrel, Double Rise, DTL, Skeet and Handicap By Distance.
- Izzy Russell won the Ladies titles for Skeet, Skeet Doubles, and All Round.
- Dave Morgan won the Senior title for Skeet.
- Sonny Bowman won the Junior title for Skeet Doubles.
- Kirstin Vogel won the Ladies and Junior title for Olympic Skeet for the second year.
- Jo Smith won the Senior title for All Round.
- Ollie Main won the Junior title for All Round.
- Philip Moody won the Senior title for Sportrap. Congratulations to all.

Two county shooters were successful at

national level. Henry Collins was Junior High Gun in English Open Sporting and Dave Morgan was Senior High Gun at both the English and British Open Skeet. Wonderful achievements all.

Kirstin Vogel and Henry Collins gained caps this year, Henry for the England Sporting team and Kirstin for the Welsh Olympic Skeet team. Well done both.

This year it is hoped that we can again improve for the Director's Trophy. If you'd like to get involved please contact Roy. It is also hoped that the numbers of people who shoot competitively will increase this year. The committee would love your ideas about how to attract people to start shooting and to shoot for the county. Speak to Marty or Roy if you have suggestions.

Don't forget to check out the Northants county website for early competition and fixture dates to ensure that you don't miss out.

First of all may I offer my apologies that there was no report from Notts in the last edition, this was entirely down to an error on my part, so please excuse the lateness of some of the following reports.

### Team news

National IC Sporting was held at Orston on the 6-7 October. Well done to the Notts Veterans Martin Doughty, David Grayson and Barry Coleman who were runners up at this event scoring 166, just one point behind Cheshire. Thanks to Dan and Emily for running a great event and also for organising the teams.

National IC DTL was at Nottingham & District GC on 13-14 October. Well done to our Senior DTL Team (Curtis Woolley, Andy Brown, Russ Hufton, Lee Wilcoxson, Paul Meakin and Adrian Snell) who won the National Inter-Counties DTL, 12 points ahead

of runners up Yorkshire, adding to their success from the Regional event.

Curtis Woolley also scooped the High Gun of the match with 99/294, and Ollie Sampson won the Colt HG after a shoot-off with Tom Roberts. Thanks go to Carl and the team at Nottingham, and also to team manager Ken Rimington.

National IC Skeet was also at Nottingham & District GC, but the following weekend of the 20-21 October. Well done to our Veterans A Team of John Miller, Rob Ellis and Ash Parfremment who were runners up at a fiercely competitive event. They came second to Cheshire Gold by one point finishing on 191. Thanks again go to Carl and the team at Nottingham and also to team manager Granville Hodgkinson.

Regional IC ABT was at Nottingham on 28 October. Our teams were on the first squads setting the pace. The Senior Team of Russ Hufton 96, Kev Warner 91, Rachel Parish 89, Rob Denoon 88, Peter Armett 88 and Lee Clements 87 were just too strong for the rest of the region, and took the team title by a clear five points. Fantastic result – thanks to team manager Granville Hodgkinson for organising the teams. Thanks yet again go to Carl and the team at Nottingham for running another excellent event.

### County Info

The AGM was held at Nottingham Gun Club on 12 November. The committee remains the same, except for the very welcome addition of Carol Parfremment as a full committee member. The first few fixture dates have been organised and the rest will follow on both the website and the next issue of *Pull!* There are a couple of dates set for March, and as per usual they are the friendly charity matches against Derbyshire in English Skeet and Down The Line. All proceeds raised at both events will go to Help for Heroes. Give Nottingham GC a call to book on for either event.

By the time you get this, Christmas will be a distant memory let alone New Year and we all will be well on our way into 2019. The Hampshire CPSA committee and all the 2018 champions wish you a great shooting season ahead. We start with a clean score sheet in the 2019 Supreme Championship points chart, so this year could be your chance to get your name on that iconic cup.

Meanwhile the clubs have all been busy during the Christmas and New year break its a great time for the Sporting discipline. Owls Lodge put on a 100 reg Sporting and had a record 298 entries for that event, hence it did take

sometime to get round. HG went to Martin Myers on a 98/100 'AA' all scores on the website.

Fareham CTC also had Christmas shoots and attracted record entries in the ABT, DTL and Sporting disciplines – great stuff!

**ABT Stephen Halfacre Memorial Cup**

There was a good turn out for this memorial shoot. Eight squads attended Fareham CTC which was one of Stephen's favourite ABT grounds. The two Berkshire brothers and their sons would be regular faces at the ABT competitions, and are still missed to this day at this club. The family contributed in more ways

Gin winners.

than most would know about to the discipline hence their kindness and their sporting attitude also missed. CPSA's Nicola Heron presented Richard King with the cup, and he deserved it putting in a great score of 99/100. Close on his tail was Andy Head and G Morgan with 98/100.

Richard then returned a 98/100 on the 29 December fixture to take the prizes that day too. First in B class was Dorset's Gary Foster, while first in C class was shared between Tim Rowe and Ian King on 94.

## Skeet and DTL Christmas shoot

Skeet, which seems to be losing support in numbers attending, perked up for this fixture and quite a few squads shot it out on the Fareham CTC layouts. One such Skeet member that will always be seen, never missing a shoot is AA Class Martin Brister. Now you can normally count his target misses on one hand and this day proved his dominance at this discipline missing just one.

Dave Toomer is another member that still dominates a discipline. His favourite is the DTL discipline and again proving he can still return very respectable scores 98/289 took the top position at this Christmas event, Mick Abrahams was first in A class with 96/288 and P Atkinson took 98/287.

To get the competition entries into the spirit of Christmas The producers of 'Blackwood' vintage Gin very kindly supported the Christmas competitions at Fareham CTC this year and many of the class winners received a very nice bottle of their 'Vintage Gin' to go with the money prizes, as seen in the pictures. Chris Bloxham did very well on the Sporting layouts and HG of the day earned him a very nice tippie too.

Fareham CTC are hosting the 2019 two day 200 target DTL Grand Prix on 30 and 31 March, £85 entry fee, very good prizes. To book phone Debbie Rowe on 07533177326 evenings or email to d\_s\_rowe@yahoo.co.uk.

So I currently find myself in the odd position of writing this *Pull!* report without our AGM having occurred. However, by the time you read this, the AGM will have happened and barring any major catastrophe, we should now have a new committee for 2019.

So firstly, a big thank you to all the serving members of the 2018 committee who gave their time freely to help and ensure smooth sailing for the year and secondly a warm welcome to the new committee, whom I'm sure will do a sterling job in 2019. A thank you to all of those Somerset shooters who sat on the committee for 2018 and thank you for all your help.

Not a huge amount to report on really, but as soon as we have details of the forthcoming County Championships confirmed we, will get these details out in the forthcoming *Pull!* reports and onto the Facebook page.

One of my resolutions for 2018 was to shoot a different County Championship and I ended up shooting the UT Championship at Brook Bank, where I generally surprised myself with how well I shot it (just don't ask about the score). Therefore, for 2019, I would like to issue a challenge to all of our county shooters that you all try a discipline that you have not shot before. Give it a go, you may find you have a hidden ability for English Sporting or Olympic Trap!

As always, if there is anything that you want to raise with the Committee then please contact any of the Committee members or myself on the above email.

Since I am writing this in early January and, as usual at this time of year, there's not much news. ## County Championships

Subject to approval by the new committee, we shall be running 11 County Championships, with as many as possible being held within the county (as we did in 2018).

## Sporting Challenge

We are also intending to run the Sporting Challenge again this year, with the addition of Meadowcroft to the list of grounds, bringing the total to five. The rules have yet to be agreed but are likely to be very similar to last year's rules.

With the 2019 season upon us, Kent are very pleased to have two of our young shooters up for nomination at the CPSA awards 2019 in February. We would like to personally wish James Bradley-Day and Tristan Hockey all the best for the awards night and all the best for the 2019 season.

Our first Skeet selection shoot will be held at Dartford Clay Shooting club on 31 March. All other Kent championship dates can be found on the Kent CPSA website.

Sadly we have some sad news that one of our much loved shooters, Ray Cheshire, sadly lost battle with from a short illness. We would like to send our sincere condolences to Ray's family at this sad time.

I must start by congratulating our counties FITASC shooters. The last issue of *Pull!* published the top 20 clay shooters in each discipline. Oxfordshire's Chris Broomfield is ranked first, Roy Cherry third and Matt Hance fifth. What can I say? An amazing achievement by you all. Well done!

Within the same publication Oxfordshire's Helen McKenna was listed as being the top lady shooter in Sportrap – what a phenomenal achievement Helen! All that hard work has paid off. Very well done.

We also have the great achievement to report from Oxfordshire's Cheryl Hall, listed as the top Lady Sporting shooter, well done Cheryl.

Westfield held a 100 registered pre the Christmas festivities, and at the same time they also ran a 100-registered Compak. The day was a windy one but thankfully didn't affect the targets too much. The Sporting was won with a healthy 97ex100, and just three clays behind them where Roy Cherry 94ex100 AAA class and Lee Thornett 94ex100, winning B class, yes B class with a 94! A personal best for Lee. Outstanding shooting, well done. The Compak pulled in 120 shooters but the number of Oxfordshire shooters were pretty limited, so no class wins to report. Well done Steve Lovatt for organising another great event.

Northampton Shooting Ground played host to their first registered ESP shoot in early January. With many shooters experiencing cabin fever after the Christmas period, they saw an amazing turnout of 140 shooters descend upon them to partake in what was a challenging shoot. Chris Broomfield shot a healthy 94ex100 winning him the shoot by one clay. Well done Chris, a great start to the season.

For Oxfordshire shooters our main event is still to happen – The Oxfordshire Cup Presentation Dinner and Dance. It will be held on Saturday 23 March at The Holt Hotel, Steeple Aston, OX25 5QQ. It will start at 7.15pm. The cost will be £30 per person for a three course meal. Tickets can be obtained from any of Oxfordshire's committee members,

or drop me an email and I can arrange tickets for you. Steve Cox will also have them available to collect from Banbury Gunsmiths.

If you have any achievements to report on please let me know, as always I will do my best to include them in the next available issue of *Pull!* Happy safe shooting everyone, I will see you on 23 March! No excuses.

Thanks to all the members who supported the Surrey events last year. As you read this, we will have recently held our 2019 AGM and assuming most of the Committee are voted back in, we are committed to improving communications with the Surrey membership (currently standing at around 1,100 shooters) and will strive to get more people actively involved in our events, including submission of Surrey teams into the Inter-Counties events.

2018 saw the resurgence of competitive Trap shooting for Surrey. We were able to field teams to compete in the South East England Regional Inter-County Olympic Trap, Universal Trench and Automatic Ball Trap competitions for the first time in a number of years. Although John Chambers was able to secure

the title of Junior Olympic Trap SE Regional Champion, outright team victories eluded the squads. However, it was encouraging to see the progress of the team and the steady individual improvements. Equally heartening to see, are those who have taken up the challenge offered by those disciplines and are now regularly training and competing. 2019 is looking good!

Our greatest Surrey success this year was in Helice, where the Surrey team consisting of Steve Cole, Jack Tucker, Paul King, Fergus Watson-Hopkinson and Fletcher King won the Inter-Counties event in a very close competition. Surrey scored 66/90, while Kent and Essex were in joint second place just one target behind with 65/90, so well done to you all – every single hit counted towards our win. Also in the same competition, Jo Watson-Hopkinson won the Inter-Counties Ladies title after a shoot-off, Fletcher King was top of the Juniors, and Jensen King won the Colts title after a shoot-off.

The Surrey Olympic Skeet squad including Jack Collier, David Dale, Maddy Boyd, Katie Poulson and Owen Lewis narrowly missed out on retaining their Inter-Counties title, being placed second with a score of 401/500 to Greater London's 409, but the team will be trying hard to regain the title this year. There was however individual success for Jack Collier who won the overall SE Region title (and of course the Junior title) with a superb score of 91/100. At the other end of the age spectrum, Peter Saich won the SE Veteran's title after a shoot-off.

My thanks this month to Phil for the Trap report, and Jo for the Helice report, and also thanks to Chairman Douglas who has been tirelessly visiting shooting grounds, member's homes and the engravers to ensure we have clean, up-to-date trophies and replicas for the AGM and prize-giving. If you were unable to attend the AGM to collect your trophy, please contact Douglas with a note from your Mum to arrange collection.

Don't forget to visit the website and Facebook page regularly for results and updates. Regards, good shooting and belated 'Happy New Year' from me and the rest of the Surrey Committee.

## SUSSEX

### SHAUN MILLER

shaun.miller@securiteuk.co.uk  
sites.cpsa.co.uk/sussex

The final championship in the Sussex Calendar, the Double Rise was held at Southdown Gun Club on 25 November. While it was seasonally cold it was a good clear day, and unlike last year fog did not reduce visibility.

The event is not greatly contested, and sadly as a result Southdown have said that they will not be able to hold the championship in 2019, due to the cost of set up and the low turnout. That said, there were contenders in all the classes except the Juniors. Peter Goldsmith came through to be the Sussex 2018 Champion with a strong (89), In Ladies, Liz Salmon took the honours (52), Richard Deakin was the Veteran Champion (85) and the Colt Champion was M Hudson (43).

So, with no other events in the Sussex calendar the Supreme Championship for 2018 can be wrapped up, the Supreme Championship is awarded for taking part in as many of the 15 Sussex Championships as possible. Commitment is the key and this year's overall Sussex CPSA Supreme Champion is Matthew Haffenden who has shown 'true commitment' by attending and taking part in several of the disciplines, some of which I am sure he has had little previous experience in, making him the clear winner with (91), 16 points ahead of silver medallist A Stratford (75).

Bronze was drawn by Cliff Goodwin and Lee Shanks (73). In the Ladies category Liz Salmon is the Supreme Champion with a fantastic (109), followed by C. Milbourn in silver (48) and in bronze position Hanna Gibson and R. Woods on (32).

Cliff Goodwin took the gold medal in the Veterans category with (103), followed in silver by Kenny Bennett and in bronze C. Milne (56)

The Junior category saw Will Fenner in gold position with (64), followed by Zak Welfare in silver with (32) and in bronze C. Pomfret and C. Shanks drawn on (16). The last category was won by M Hudson (112) with Josh Taylor and Luke Twigger drawing in silver with (16).

The next event in the Sussex CPSA calendar is the 2019 Annual General Meeting which will be held on the 7 February, at Northall CPC, Northall Farm, Northall Lane, Fletching TN22 3SA. It starts at 7.30pm for an 8pm start. All CPSA members are welcome, please keep an eye on the Sussex CPSA Facebook and the website for more information.

Peter Goldsmith Double Rise Champion.

## SAM NUNN

Firstly, well done to all the Disabled Shooter of the Year nominees including John Harrison,

Allan Ritchie and Sam Nunn who are all deserving of the award. In addition I can confirm the final result of last year's shields: DTL – Sam Nunn. Skeet – Dave Lewzey. Sporting – Sam Nunn. B/C Class winner – Reuben Welch. It was good to have the DSG represented at the British Shooting Show this year on the Easy Hit UK stand.

The first DSG shoot of the season is at Doveridge with a changed date to previously advertised of Saturday 9 March, which will

include OT among other disciplines. We are also entering a team into David Pointers charity shoot on 2 April at Eriswell Lodge.

Also a reminder that next month, for the first time ever, there is a Disabled Class with a brand new gun up for grabs among other prizes at the Essex Masters. Our April shoot will be held at Rugby & District including Trap and Helice on Wednesday 24 April.

Have a great season and see you all at one of the above events.

## Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPISA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

# BEST IN THE WEST MIDLANDS

**Tom Jones**, owner of the award-winning West Midlands Shooting Ground, talks to **Jasper Fellows** about hosting The English Open English Sporting Championship 2019.

## Q What makes West Midlands Shooting Ground (WMSG) such an exciting venue?

**A:** I would think it is our location and topography, we are extremely lucky to have sandy ground and little use for wellies. Our terrain also offers endless nooks and crannies to entertain our customers with tricky and fun targets to shoot at. The ground has a network of well-maintained paths leading to over 80 stands, and we boast over 200 clay traps. Our Scandinavian log cabin, the first of its kind on a British shooting ground, has recently been extended to include three function rooms, a gun shop, and a cafe/restaurant.

## Q What kind of workload is involved in setting up a major event like the English Open English Sporting Championship (EO 2019)?

**A:** I am very particular when asked to stage larger events, last year we developed three new areas of stands

ready for May 2019. We also performed some light tree surgery to open up new windows and create more target presentations and variety. Many months of preparation are involved to stage an event of this size correctly.

## Q This is not the first major CPSA championship you have hosted, what made you come back for more?

**A:** We don't really stage any registered shoots on a regular basis, so these events help to keep us on the map. The championships have a certain ambiance and atmosphere that all of the staff here love, so we do have some fun with it all.

## Q Do you have anything special planned for the EO 2019? There are rumours you have been working on some special targets for the event...

**A:** You're correct. I have been working closely with Promatic on the development of a new

trap, nobody will have seen a target like this anywhere in the world, that's if I can pull it off!

## Q How about in the gun room, any special offers planned?

**A:** Yes, we will have promotions on clothing and a variety of gun makers during the event. Rizzini Shotguns and Eley Hawk will be our main sponsors and Rizzini have put up an RB Sporter worth £2,600.

## Q What else will be happening at WMSG in 2019?

**A:** We will be hosting the FITASC Grand Prix in early June. During the summer months, we have a great crowd that shoot a variety of disciplines on Tuesday evenings, including Compak, Sportrap, and Skeet. I've also been wanting to build a subterranean rifle range, however my wife Deb has decided our home needs work, so maybe that will be something for 2020.

## Q What are your top three tips for enjoying yourself and shooting well at WMSG?

**A:** Carla in the kitchen does the best breakfast wrap, try

one. Have a good look and study the targets, I will try to beat you, not only with angles, speed, and target makeup, but also with your feet. Enjoy the surroundings, it's lovely here at the end of May.

## Q Is there anything else you would like to add?

**A:** I would like to take the opportunity to thank the CPSA for all their effort in helping to make these events run so smoothly, along with Brian Jardine of Promatic Traps, Johnny Goodheart of CCI Clays, Filippo Adamati of Rizzini shotguns, and Eduardo Hernando of Eley Hawk. And of-course all of our customers new and old.

## Visiting West Midlands Shooting Ground

West Midlands Shooting Ground is open Monday – Saturday 9am to 5pm. All shooting is via appointment (apart from Tuesday).

Bespoke catering is also available on request.
