# WELCOME

JUNE  
2019

**E**arly May saw another successful Northern Shooting Show, where I was delighted to get out and speak to members and to promote membership to show attendees. I'm looking forward to doing so again at the Game Fair on 26-28 July at Hatfield House in Hertfordshire, where we will also be running a clay line and a hospitality stand, so please be sure to visit us there.

June is an eventful month for CPSA domestic disciplines, beginning with the English and British Open All Round at Doveridge 8-9 June, and ending with the EO ABT at Brook Bank on 29-30 June. In between, 14-16 June sees the DTL Weekend at Bywell.

As always it consists of three events: The Eley Hawk Sponsored DTL, the Dougall Memorial (now in its 123rd year), and The English Open DTL. The weekend sponsors, Eley Hawk, have generously provided 12,000 cartridges to be shared out among the class and category winters.

In this issue of *Pull!*, I'd like to recommend to you the inspirational story of CPSA Instructor Fiona Thompson, who is both a cancer survivor and a serving Royal Navy officer (p.16-18). Disabled Shooter of the Year 2019 Sam Nunn features in Parting Shots, telling us his story and how we can support disabled shooters (p.82). Together, Fiona and Sam demonstrate what can be achieved in our sport through hard work and a positive attitude.

## SUPER SHOOTING AT ENGLAND ESK SELECTION SHOOT

The first ESK England selection shoot took place at Dartford on the 20-21 April. What a phenomenal weekend of shooting it was. Not only did Gary Cooke score an incredible maximum of 200 over the two days, but six shooters all scored 100-straight on the first day, with five of those being in the same squad! This will surely be a weekend to remember.

The 'super squad' consisted of Gary Cooke, Andy Parsons, Steve Leppington, Martyn Fleming, and Martin Brister, while Bill Mousalli also managed a perfect 100 on a separate squad.

Afterwards, Martyn Fleming stated, "I would just say that for me it was very special to be part of such an amazing squad of shooters and I would like to thank everyone at Dartford Clay

Shooting Club for all their efforts in throwing consistently amazing targets that enabled us to do what we did."

Martin Brister noted that, "Individually we'd worked hard to get ourselves in the leading squad by shooting the highest qualifying scores, but had never previously shot together.

"It was especially pleasing to perform as a group with a common objective, unspoken, but certainly felt and enjoyed by us and supporting spectators at the finish."

Congratulations to these shooters, with this level of competition it looks like England will end up with a fantastic ESK squad this year.

The second selection shoot will be at Northampton SG on 18-19 May with the third and final shoot at Nottingham & District GC on 15-16 June.

...for me it was very special to be part of such an amazing squad – MARTYN FLEMING

### ANDREW (ANDY) CHARLES OAKLEY 15 JANUARY 1951 TO 2 DECEMBER 2018

Andy Oakley sadly passed away at home after a brave two-year fight against mesothelioma. Andy was a supplier of trophies and awards, having supplied many of the trophies that now sit proudly on many CPSA champions' shelves. He was a Trade Member of the CPSA, and enjoyed his frequent trips to Bisley.

Andy was involved in the shooting world for over 40 years and had many friends in the sport. He was also a member of the MLAGB since 1998 and Wedgnock Shooting Ground. He is survived by his wife Marie and their Daughter Kelly, who took up clay shooting with her father nearly three years ago.

### RECORDS FALL AT BARBURY COMPAK

For once the sun shone at Barbury Shooting School for the seventh UK Compak Championships which was also the cut-off for the European Compak teams for Greece.

Four layouts were set by the Barbury team for a score of 97. What was to happen was completely unexpected. Going out early Martin Myers started on the two sim pair layout. 25 clays later and still straight he then proceeded to straight the next two layouts. Going to the 'middle' layout he looked set for the unthinkable. Then there was a moment of real tension. A high incomer seemed to go unscathed. Fortunately for Martin a small chip was seen and the perfect 100 was scored (first ever at a selection shoot). Word soon got round. Richard Faulds then set out and dropped just one. Meanwhile the Seniors were also pilling in the scores with Martin Doughty and Tony Manvell scoring 98s and current Senior World Champion Dave Kempley on 97. Cheryl Hall and James Bradley-Day were also leading the way in their classes as well.

Thanks to the Barbury team and Nick Woodward and Mark Kettel from BICTSF.

## ESSEX GUN MASTERS 2019

The 2019 Essex Gun Masters, held as always at Hepworth Hall, was one for the connoisseur to savour. Thankfully the weather behaved itself for the most part, with the occasional shower of hailstones midweek. Master course builder John Dyson treated the 2,500 entrants to the usual format of 200 targets, to be shot over two very different 100-target courses.

Mondays leaderboard gave a clear indication that there could be some high scoring to come, with Richard King and Aaron Harvey both carding 190s. Tuesday saw the arrival of George Digweed, Mark Winsor, Shaun Bramley, and Sam Green, all past Masters champions. Sam and George managed 188 with Shaun going one better with 189. Mark brought home a stunning 193 to lead overall, but felt he'd thrown the win away by missing three targets on one stand. Umpteen times Ladies champion Cheryl Hall gave notice that she's not yet ready to relinquish her stranglehold on the event by scoring a brilliant 190.

Wednesdays competitors included Ben Husthwaite who finished on 193, the same score as Mark Winsor! The top of the leaderboard remained fairly static until Sunday.

As the day wore on, some great scores were recorded, some close but not close enough. Mark Winsor returned for the prize-giving only to find that Phil Gray was still in with a chance of victory, as was Josh Bridges, in his final year as a Junior. Everyone had to wait until the last squad out returned to the clubhouse before the result could be announced. Josh had scored 190, Phil 192, leaving Mark to collect the Essex Gun Masters title, the winners trophy, and Beretta DT11 shotgun. Next year's event is the 20th anniversary and there's a few surprises promised.

## THE ENGLISH OPEN OLYMPIC TRAP

**T**he English Open Olympic Trap Championship was held 20-21 April at Nuthampstead Shooting Ground. The weather throughout the whole weekend was glorious.

We have to thank Nicky and Ed Barker, plus their staff, for putting on a fantastic event. The targets were checked by the Jury on the Friday afternoon and perfect schemes were set in the best of weather.

After the first day it was very close at the top of the field, Rod Gould leading the way on 96/100. In joint second were Nathan Hales and Ed Ling on 94. Leading the charge in the Ladies was Maddie Purser (Colts) on 87 and Elise Dixon (Lady Juniors) on 86. It was a close thing in the Juniors too with Michael Bovingdon and Theo Ling both on 91, plus Lucas Hyde and Lewis Owen on 89.

All to play for on the second day which, unusual for the UK, had sunshine and warm temperatures when everyone arrived at the

ground. The squads were all to time and the scores instantly put on Shoot 08 so that the competitors could see the changing scores throughout the day.

At the end of the championship we saw a tie between Ed Ling and Nathan Hales, both on 190. Nathan shot four and Ed three in the shoot-off giving the English Open title to Nathan Hales and the Runner-up to Ed Ling. The third in the open was Ian Peel who also won the Veteran class with 187. Maddie Purser had a fantastic show of form winning Colts, Lady Juniors, and Ladies on a 177. Juniors was won by Lewis Owen on a very grown up 184.

Congratulations has to also go to the many shooters in all categories who came to try their very best in this difficult discipline.

**Top left:** Ladies winners. **Top right:** Nathan Hales, English Open Champion. **Centre:** Veterans winners. **Bottom left:** Ed Ling, English Open runner-up and A Class winner. **Bottom middle:** Colts winners. **Bottom right:** Juniors winners.

## NEW PRODUCT WATCH: THE SP

Steve Randles, who invented and developed the SP has an eye dominance problem, with no strong dominance of one eye over the other. Through the development of the SP he was able to control his eyes effectively making his right eye dominant to match the shoulder he shoots off, which saw him reach AAA in ESP. The SP is a new way of looking at eye dominance control and works by enhancing how the brain and eyes work together, by creating a simple profile unique to one eye triggering a reaction. Launched this spring, the SP now has over 20 coaches and grounds up and down the country already stocking it. The SP can be used across all disciplines subject to placement and has shooters from all levels using it. Website [shootsp.co.uk](http://shootsp.co.uk). ## NORTHERN SPORTING WEEKEND

**T**he Northern Sporting Weekend was held at Bywell Shooting Ground, Northumberland on 4-5 May. The event saw two competitions – 100 Sportrap and 100 Sporting – each split over two days. With 200 shooting the Sportrap and a further 238 shooting the Sporting there were plenty guns ready for the occasion. It was backed again by Browning and Hull Cartridge company. Two Browning B525 sporting shotguns were given to the winners and numerous Hull Pro One and Hull Pro Piston cartridges were

given away to both raffle winners as well as class and category winners of both competitions.

Saturday saw a northerly wind combined with odd showers but this certainly didn't dampen any spirits or enthusiasm as everyone attending was eager to get started shooting. Shooting commenced at 9:30am, and the shooters made their way through the course, many of which were shooting both the Sporting and the Sportrap competitions. It wasn't long until the scores started to

...after some time just two shooters, Tim Webster and Tom Young managed to break the 90s...

come in. Scottish shooter Marc Watson name put in a notable score of 91 which was impressive and was soon followed by some high 80's. Sportrap was also well underway – after some time just two shooters, Tim Webster and Tom Young, managed to break the 90's.

Sunday was a day of changing light but slightly drier and calmer than the Saturday. Watching all stands there were several shots perfectly capable of delivering a winning sporting score. Eventually it was Billy Baughan who topped the board with a 95 fairly

early on and would not be beaten. The closest rivals were John Barnett and Chris Childerhouse both tied on a 94 which wasn't quite enough to get their hands on the Browning B525. The Sportrap was again very tightly contested and it wasn't until later in the afternoon that the scores were apparent. The young shooter Tim Webster had the winning score of 92. This was closely followed by three shooters on 91 being Chris Childerhouse, Dave Kempley, and Mark Webster. It was two years ago that Billy Baughan and Tim Webster both shot off in the super shoot off final so for them to both walk away with guns this year was a nice ending to some tremendous shooting.

## EDGAR BROTHERS SET TO INVEST £1 MILLION IN NEW INFRASTRUCTURE

Edgar Brothers has announced ambitious plans to invest nearly £1million upgrading its infrastructure. Based in Cheshire, the firm has already spent £360,000 buying a vacant industrial unit adjacent to its warehouse and is about to start a £500,000 renovation project converting it into a suite of offices and joining the two buildings together.

Ian Gordon, Edgar Brothers' recently-appointed managing director, said, "The building we have bought needs to be totally gutted and built up internally from scratch, but the end result will improve our operational capabilities." Work on the new unit is expected to begin in late February. The project is expected to take six months to complete.

## PREMIER LEAGUE UPDATE

Since the last issue of Pull! we have had two more fixtures in the 2019 Premier League series: at Atkin Grant & Lang (AGL) on 13 April and Westfield Shooting Ground on 28 April.

At AGL a 4-way tie on 94ex100 was broken late in the day by Michael Hibbert's superb 96 to take the High Gun honours, but two League shooters – Neil Lockton from Owls Lodge & Joe Norman from Highwaymans – both scored 97 with their A Class handicaps applied so many congratulations to them.

From a team perspective Cambridge Gun Club's top ten all scored in the 90's to achieve the highest total with 932ex1,000, twenty points ahead of Southdown on 912ex1,000.

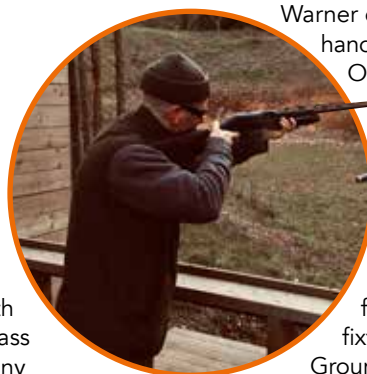

Next came Westfield, and Storm Hannah seemed to have blown thru to leave reasonable shooting conditions which saw Martin Myers put in a huge 98ex100 to take the High Gun honours

ahead of Brett Hand on 97 and a three-way tie on 96 which included Team Southdown's Chris Childerhouse.

Owls Lodge shooter Neil Lockton's excellent form continued here, tying with Childerhouse and Orston's Kevin

Warner on 96 with their A class handicaps applied, giving Team Owls Lodge the top team spot with 887ex1,000 just six ahead of Team Southdown on 881 so once again very well done to all.

By the time you read this we will have had the fifth leg and the halfway fixture at Orston Shooting Ground on the 19 May. We will report on that in the next issue but if you can't wait please head to [cpsa.co.uk](http://cpsa.co.uk) and look for the Premier League updates.

## LETTER OF THE MONTH

**D**ear Sir/Madam,  
I'd like to raise the issue of referees, their importance to the sport and how vital they are to it's future.

I'm a 'fairly' regular registered sporting shooter, attending around three 100 bird shoots each month. Something that has piqued my interest is the importance of a professional attitude from referees. As the sport gains in popularity, people expect a level of 'service' from referees in order to portray clay pigeon shooting externally, in the light which will assist its future popularity.

I must add that in general the vast majority of referees are excellent, some of the regular faces even remember my name and I look forward to the respectful manner in which they conduct themselves at the stand. On the flip side, I've also

seen a few cases of horrific refereeing refs not even watching and marking cards based on previous targets and pairs disallowed when shooters have missed targets even!

We all pay to be part of this excellent sport and in order for it to thrive, I firmly believe that a professional persona for the entire community will certainly help to achieve that, both for existing shooters and to help attract newcomers to the shooting range instead of the golf course!

**Best regards, Lee Thornett**

## SIMON SAYS

Senior Coach Simon Arbuckle answers your questions. We have paraphrased this question, you can read the member's full letter online at [cpsa.co.uk/June19Letter](http://cpsa.co.uk/June19Letter).

**Q** I'm relatively new to shooting (at the age of 73) and have been offered lots of advice about the best gun to buy. I first started shooting with a 30" Browning 725 Sporter, but have found that I am now shooting better with a 26" Miroku ORE for skeet and 28" E Rizzini for sporting. I'm thinking shorter barrels might suit my 5'7" stature, is this the case? – **Peter Boyd**

### SIMON SAYS:

First off, welcome to the world of clay shooting and the endless pursuit of the perfect gun! In this case, barrel length is probably not the only issue here, but a combination of barrel length and gun fit.

Having read your letter in full which is on our website and without having seen you and compared the three guns, I suspect the 30" gun may have been too long in the stock or the comb too high or low creating an uncomfortable shooting position. If too high then the gun will shoot high and if too low then the non-dominant eye will take over and the gun will not shoot where the dominant eye is looking. A too-low stock also makes you lift your head off the stock as you swing.

You also want to ask yourself if the stock dimensions are better for you on the Miroku and E Rizzini. It's likely that the 26" gun and

the 28" gun that you subsequently bought were a much better fit and suit your stature, so if you look into another new gun, try to find one with similar stock dimensions to those. Weight is also an issue, as is balance, and having the right barrel length can affect both of these.

Too long of a barrel can cause the gun to be too heavy and difficult for you to move, whereas shorter barrels resulted in the gun being lighter and easier to move, thus resulting in you controlling the gun, rather than the gun controlling you. It is vital that when your head is on the stock, you can see over the barrels at the target.

My advice for anyone new to our sport is to seek advice from a CPSA Coach who can help with the purchase of your first gun and check that it fits correctly which will make a huge difference to your success on the clays.

Send your question to [simon@cpsa.co.uk](mailto:simon@cpsa.co.uk) with the subject 'Simon Says' and it might be selected for publication in the next issue of Pull! (be sure to include your CPSA number). We apologise that each email might not receive a response.

# It's all about the action

## DT11 SERIES

The DT11 is built around a vault-tough cross-bolt action, it's 3mm wider than the DT10 and therefore slightly heavier. Incorporated into the forend the replaceable tightening system means the gun is rock solid. The Steelium Pro barrels boast an internal profile created to diminish felt recoil, improve shot patterning and reduce muzzle rise, with no loss of ballistic performance. Additionally, the detachable trigger unit, powered by V springs, gives the best possible trigger pulls.

## 690 SERIES

Launched in the new millennium the 690 has the same dependable trigger mechanism as the 680 series. However, the 690 benefits from Steelium Plus barrels; a self-adjustment system integrated into the forend and the inclusion of the B-Fast stock balancing system. The slightly wider, double fenced, action gives the 690 series even more stability and ease of handling. The upgraded ejector system and new action lock up, both contribute to extra rigidity in the shotgun.

## 680 SERIES

A long standing favourite among competition shooters, the legendary 680 series action has literally sold in the thousands. Thanks to the two conical locking lugs, the 686 action is compact and low profile while remaining extremely strong. The cold hammer forged Optima-Bore, Optima choke barrels are lightweight and place the shotgun's balance right at the hinge pin.

# INTERNATIONAL EVENTS ROUND-UP

Sarah Daly reports on shooting events around the world.

## WC CHANGWON, KOREA, SKEET MEN

Jez Bird showed his worth in the Skeet Men; lying in equal 22nd place on a score of 48ex50, he then went on to shoot a 74 on day two, enough to qualify for the final shoot off. Having won a final place in sixth position, he finished sixth overall, but the real kicker was that places four and five won an Olympic Quota place, but it was still a courageous performance.

## THREE EUROPEAN CHAMPIONS AT THE FITASC EUROPEAN CHAMPIONSHIPS

Congratulations to the GBR team members who came home with a rake of individual and team medals from a total of 618 competitors at the FITASC Sporting (FSP) European Championships held in Gánt, Hungary: five gold and six silver medals, including three champions:

Mark Winsor, Cheryl Hall, and Steve Brightwell.

## EUROPEAN CHAMPIONS

Mark Winsor finished the four-day event with a cracking 50 straight to put him on top in the Open, four targets ahead of his nearest rival, Andras Szerdahelyi (HUN).

Cheryl Hall was in second place going into day three, but then took and maintained the lead, to become the Ladies FSP

European Champion for the (by my reckoning) fourteenth time!

Steve Brightwell dominated the Veterans throughout, with one round to go he only needed to post a score of twelve to win, but a 24ex25 meant he finished 13 targets ahead of John Pool.

William Fenner, Joshua Bennion, and Charles Monahan put in a really strong performance to take

gold in the Junior team. All three team members are new caps for GBR and it was the first FITASC International Championship any of them had shot or even attended, so baptism by fire, and my word, were they on fire!

William posted 172ex200 to win silver in the individual Junior event having not quite managed to match Cristian Camporese (ITA).

Team Manager, Nick Woodward: "I am so proud of all the team members, particularly the Junior team, who excelled in performance and sportsmanship."

#### A GLOBAL REACH

Fiona's passion for helping others spreads far beyond the shooting ground. As a Commander in the Royal Navy Medical Service Fiona trains and mentors service personnel both clinically and professionally in support of MOD operations. Not only has she risen through the ranks of a technically demanding career, but through the Medical Service she is supporting those in need across the globe.

# FEARLESS FIONA

Fiona Thompson tells Jasper Fellows how she kept smiling through the darkest times.

Shooting instructors inspire us with their wisdom, they help us to develop as shooters and improve our scores through positive action.

Fiona Thompson knows more about positivity than most. Diagnosed with breast cancer at 52, Fiona has battled harder than many of us ever will and she has come out the other side, smiling, full of life, and determined to pass on her passion for clay shooting. Yes, she can help you to improve your scores, but hearing her story will inspire us all to keep our heads held high, to stay positive and to spread the joy of shooting to those around us.

Fiona's shooting life started in a fairly normal way. "My father was a gamekeeper, we would shoot tin cans with an air rifle in the back garden. Once he retired we migrated over to clay pigeons and I have loved it ever since." Fiona explains, "To be truthful, dad used to fire a flint lock pistol loaded with toilet paper out into the garden when I was very little. With much laughter, I would run around stamping out the flaming tissue. I was lucky to be brought up to love and respect shooting from an early age."

## BECOMING PROFESSIONAL

This love of shooting led to Fiona taking up the sport as her profession.

"It was never a conscious decision to become an instructor," she says, "I was encouraged by others. I think mainly because of a genuine passion to introduce others to a sport that I love and that has given me so much pleasure." As a foundation instructor Fiona helps to introduce novices to the sport and helps them to

develop in a structured and technically correct manner, while working on personal plans and style. "There are two important things here," she explains, "The first is to never underestimate the importance of getting the basics right, the second is for me to be able to recognise when I have shared all that I can with a client and when it is time for me to 'let go' and move them onto a coach

who can facilitate them during their next stages of development. I have the advantage of working alongside a great coach, Simon Arbuckle. We often discuss clients and what can be done to help them achieve their personal aims. There are many ways to skin a cat, sometimes it's just about finding the right technique for a particular client."

## ENTHUSIASM

Fiona's life has been defined by her ability to pass joy onto those she meets, she exudes an enthusiasm for shooting that is rarely seen even among some of the country's top shots. However, recently Fiona faced a challenge that could have ended it all, breast cancer.

"When you are first diagnosed with cancer you never really know what's around the corner" Fiona told us. She continued to battle on despite her illness, even delaying the first operation to have a custom stock

fitted on her new Zoli Z-Bella at the invitation of Paolo Zoli. It was after this that her consultant told her to start taking things more seriously and she took a break from shooting to complete her radiotherapy and try to recover from the devastating illness.

Unfortunately, Fiona's time away from the sport had a

My passion for shooting and the people around me have made me what I am today. Wherever I go I am met with a supportive smile or a hug

major impact on her fitness and shooting ability. "During my time off I did put on a little weight and didn't do any real form of fitness," laments Fiona, "I failed to recognise the need to try and maintain some degree of fitness, this certainly hampered my return to the sport. Maybe I set my expectations too high, but in competition last year the disappointment on the stands and the score board was tangible. There have been tears on occasion."

### SUPPORT NETWORK

From the outside, shooting sports can seem very individualistic. There is only one person there on the stand, alone, pulling the trigger. When you look a little deeper you will discover friendships and support networks that go far further than just breaking clays on a Sunday. "I can honestly say that it has been the support and kindness around me that has kept me going" says Fiona, "Particularly the team at Southdown Gun Club, Simon Arbuckle, Kev Johnson, Guy Franklin, and Sammy, who won the Zoli talent pool last year, formed 'Team Bella' with me after the gun we both shoot. One of my main delights is the beauty of the Southdowns, checking the clay traps early in the morning with Simon, surrounded by the diverse wildlife, it really is uplifting for the soul."

"My friends have helped me to realise that I need to let my body heal and as Simon put it to not 'run before I can walk.' They have done a lot to help me ease my frustrations with getting back to my old self competition wise. I've

“ This is why my struggle is worth it, and why I will continue to introduce others to our sport... ”

been lucky to keep using the same gun too, my Zoli Z-Bella, I've had no issues with recoil and continue to use 24g cartridges for everything including FITASC." It is this support network that has kept Fiona going through the darkest times, that has kept her smiling and encouraging others to shoot. "My passion for shooting has always been there, it just lay dormant for a while. Every day brings its own surprises and rewards. I am privileged to be instructing some very promising youngsters. Sometimes it's just supporting someone to have the courage to pull the trigger for the first time, or the overwhelming smile of an autistic child shooting. I now plan to be a much stronger advocate for making shooting accessible to all, in particular those with learning difficulties. This work is more satisfying and a lot more promising than my own shooting future, I only hope I can do them justice and set them up to succeed."

"My passion for shooting and the people around me have made me what I am today. Wherever I go I am met with a supportive smile or a hug. This is why my struggle is worth it, and why I will continue to introduce others to our sport."

# YOUNG GUNS

**Jasper Fellows** shares a few options for the young shots with us...

Picking out a young shot's first gun can be a daunting experience. Not only do you need to find a gun that fits correctly, but you also need to be aware of the effects of weight and recoil on a smaller framed shooter. The last thing you want is for them to fire the gun the first time and be too scared to ever shoot it again.

So, it's well worth doing your homework and looking into what will work best for your child. Make sure you spend time down at your local clay club – both chatting with the experts and making sure your youngsters get plenty of experience with rented guns before making a purchase. Here is our selection of guns that could make excellent choices for young shots looking to up their trigger time.

## REMINGTON MODEL 1100 SPORTING 410

**RRP: From £1,254**  
[raytradeuk.co.uk](http://raytradeuk.co.uk)

The recoil reduction afforded by the action of semi-auto shotguns can make them an excellent choice for young shots who struggle with the recoil of a traditional double-barrelled gun. The Remington 1100 Sporting Auto is the only American auto loading .410 shotgun available in the UK today. This gun also features a 27in vent rib and Remington's own 'Rem Choke' barrel for smooth handling and better balance. This gun is also available in 12, 20, and 28-bore if you were looking for something that packs a little more punch.

## BERETTA SILVER PIGEON I SPORT-GMK

**RRP: £2,145 • [gmk.co.uk](http://gmk.co.uk)**

The Silver Pigeon I Sport from Beretta is a high-quality competition-grade gun with an adjustable stock and chambered in .410. The adjustable stock is easy to use and allows the gun to grow with a young shooter. Featuring Optima HP Steelium barrels and chokes this gun is available in the UK from GMK and is an excellent choice for young shots starting their careers as serious competition shooters.

## YILDIZ - RAYTRADE GUNS

**RRP: From £425 • [yildizshotgunsuk.co.uk](http://yildizshotgunsuk.co.uk)**

Yildiz UK specialise in providing lightweight over-and-under shotguns for junior shooters. They are available in all bores and barrel lengths, but it's their .410 shotgun that has triggered a surge of interest for young shots. The reason for its success is that it is one of a small number of 'made to scale' .410's available on the market today. It features a conventional top lever opening, automatic safety catch, single selective trigger, and multichokes. Available in both an ejector and non-ejector version, this is a great little gun to ease young shots into the sport without breaking the bank.

# BACK TO BASICS

## THE SKEET & SPORTING DISCIPLINES

In this second article in the series **J. Grant Repshire** looks into the Skeet & Sporting Disciplines.

**L**ast month we looked at the difference between the Domestic disciplines the CPSA governs, and the International disciplines which are governed by FITASC and

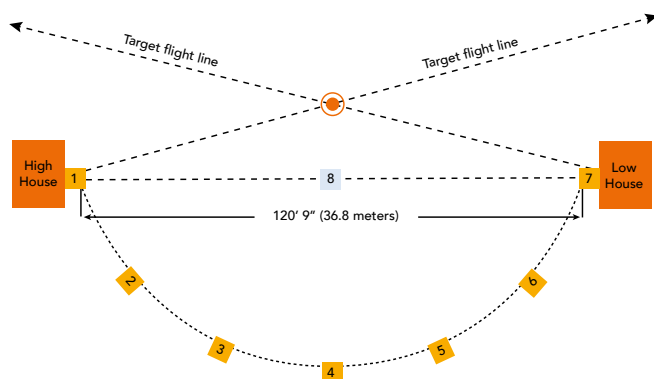

ISSF, as well as briefly examining the difference between the domestic trap disciplines. This month, we will continue by examining the domestic Skeet and Sporting disciplines.

### ENGLISH SKEET (ESK)

An ESK layout has two traps situated in a high house to the left and a low house to the right, about 40 metres apart, which throw the targets across the layout. There are seven stands which the shooter completes from left to right. A sequence is used, where the targets are thrown either as singles, or as pairs where the high and low target are thrown simultaneously. The sequence is:

- **Stand 1:** High single, low single, pair (shooting high first)
- **Stand 2:** High single, low single, pair (shooting high first)
- **Stand 3:** High single, low single
- **Stand 4:** High single, low single, pair (either can be shot first in the pair, but the shooter must state before shooting which they intend to start with)
- **Stand 5:** high single, low single
- **Stand 6:** High single, low single, pair (shooting low first)
- **Stand 7:** Low single, high single, pair (shooting low first)

The first target that the shooter misses is immediately reshot. If a shooter hits the

### THE ENGLISH SKEET LAYOUT

The high house trap is 3.33 yards (3.05 metres) above ground level, the low house trap is 1.17 yards (1.07 metres) above ground level. Station 8 is not used in English Skeet, but is used in Olympic Skeet and NSSA Skeet.

first 24 targets without missing, they get the option on stand 7 to shoot either the low or high target again for the 25th shot. One point is awarded per hit. In skeet disciplines you do not have 'full use of the gun', so if you miss the first target of a pair you must use your second shot to try to hit the second target rather than shooting again at the first.

Olympic Skeet (OSK) is shot on the same layout, except for an eighth stand that is shot right in-between the two towers. The sequence is different and the targets faster. The shooter must start with the gun down (not mounted on the shoulder) until the targets are thrown, and there can be a random delay of up to three seconds after calling 'pull'.

Skeet was invented in the USA, but American NSSA Skeet is slightly different from ESK, featuring eight stands like Olympic Skeet and a different sequence. Despite being American, the name 'skeet' derived from the Norwegian word 'skyte', meaning 'to shoot'.

### SKET DOUBLES (SKD)

This is shot on the same layout as ESK, but only doubles are thrown on each stand. In the first round, shooters move from stand one to stand seven then in reverse back to stand two, then in the second round they shoot one to seven, then seven back to one. This makes 50 targets total, with one point per hit.

### ENGLISH SPORTING (ESP)

This is the most popular discipline in England. From November 2017 to October 2018, 56 percent of all CPSA Registered targets shot were ESP (DTL was next with 15 percent). In ESP, shooters move across a course of stands set across a wide range of terrain, often set far apart. The terrain can vary from woodland to farmland to rolling hills or cliff faces – whatever is available on the land is fair game. For this reason, it is sometimes likened to 'golf with shotguns'.

Targets at each stand can be anything that is safe. The types of targets thrown are often named according to the type of game they simulate such as 'rising teal' or 'high driven (pheasant)'. There is even a type of target that is thrown so that it rolls and bounces on the ground, called a 'rabbit'.

At each stand there is a shooting cage where the shooter stands, with bars on the sides and top that prevent the shooter from moving the gun too far in any direction that would be unsafe. The stand will have a sign telling the shooter what the targets are. Targets in ESP are

### ENGLISH SPORTING LAYOUT

usually engaged as pairs. If the pairs are thrown at the same time, they are called 'simultaneous', or 'simo' pairs (you may also hear Americans call this a 'true pair'). If the second target is thrown after the first target is shot at it is called 'on report' (abbreviated O/R).

At each stand shooters have 'full use of the gun', meaning they can shoot either target that they want to first on a simo pair, and can use both shots at one target

if they want to. The targets thrown can vary in size and colour.

FITASC Sporting (FSP) is a similar international discipline, governed by FITASC (which stands for the Fédération Internationale de Tir aux Armes Sportives de Chasse (translation: International Federation for Shooting Sporting Guns). FSP targets are shot 'gun down', meaning that the gun can't be mounted on the shoulder until the targets are thrown.

## SPORTRAP (STR)

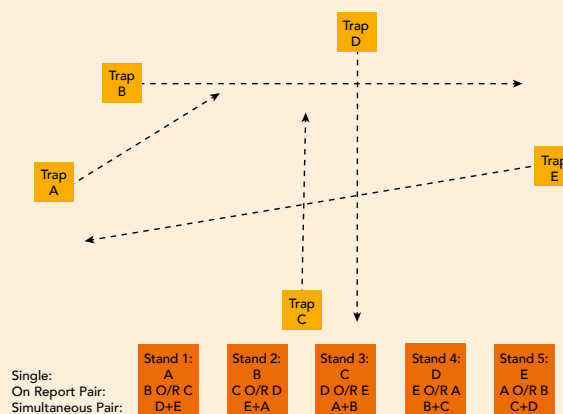

STR is essentially a miniaturised ESP course, the name being a combination of 'sporting' and 'trap'. It is shot from five stands spaced a few feet apart in a line like trap, but with shooting cages like English Sporting. Five traps are placed on the layout which throw ESP-style targets, and are labelled A to E. Like Trap, shooting goes from left to right.

Each stand has a menu telling the shooter what targets they will be shooting

at. First, each shooter shoots a single target, then each gets an on-report pair, and finally each gets a simo pair.

Once the final simo pair is shot, each shooter moves one stand right (stand 5 moves to 1) and the sequence is shot again.

Compak Sporting (CSP) is a similar international discipline governed by FITASC and BICTSF, and like FSP it is shot gun-down. Five Stand is the American equivalent. 🍌

### SPORTRAP LAYOUT

An example Sportrap layout, with a typical sequence on the stands. The stand locations will always be the same, but the traps can change location as long as they are labelled A-E from left to right. Any English Sporting targets can be thrown.

# A QUESTION OF BALANCE

**Helen Ferguson and Jasper Fellows** sit back, relax, and talk about stress.

## WHO ARE THE ENGLISH INSTITUTE OF SPORT (EIS)?

The EIS deliver a range of performance support services, such as physiotherapy and nutrition advice to Olympic and Paralympic sports along with a select number of non-Olympic sports through a nationwide network of experts and facilities.

According to the Mental Health Foundation, 74% of UK adults have been so stressed at some point over the last year that they have felt unable to cope. Unfortunately, thanks to the 'always-on' nature of modern life it can be tough to find the right balance between work and leisure, let alone find enough time to enjoy your shooting.

Helen Ferguson, a performance lifestyle advisor for the English Institute of Sport (EIS) helps top athletes to find the right balance and lower their stress levels. She says, "Research has shown that athletes who maintain a balanced and stable life are more relaxed and focused on their performance."

So, what steps can we take to try and find this equilibrium? Helen suggests starting with a calendar or wall planner, "A yearly wall planner that highlights upcoming competitions and training sessions can help you map out any work or social life commitments and hopefully avoid any unexpected clashes." These days we all carry a calendar in our pocket on our smart phone but the physical action of writing it down can help to store it in our long-term memory, while having your plans visible in your home means that you can't forget it in the same way that you can forget about something you typed six months ago.

Often turning to friends, family or coaches can be a great way to handle stress. As Helen explains, "Tell your support network about your plans. Making everyone aware of your sporting goals, as well as your commitments outside of shooting, can help them to understand your situation and how they can best support you." Talking is powerful, often taking the time to talk through your plans can allow you to better visualise the situation and work through problems you may not have noticed beforehand.

If you find your shooting is causing undue stress, it is worth remembering why we all got into the sport. "Ensure fun and enjoyment are your top priorities in shooting," says Helen, "When you stop enjoying what you are doing you need to take a step back to re-evaluate your situation." Find the pace that suits you and your lifestyle, enjoy your sport and make sure you find time to relax.

Never forget, if things are getting tough, don't suffer in silence. Speak to someone you trust or your GP. For more information visit [mentalhealth.org.uk](http://mentalhealth.org.uk).

## HOW THE EIS HAS HELPED: STEVE SCOTT

Olympic bronze and double Commonwealth gold medal winning Trap shooter Steve Scott is just one athlete who has boosted his career with the help of an EIS Performance Lifestyle Advisor. Steve's advisor, alongside a personal development award from UK sport, helped him to upskill and qualify as a CPSA Instructor, giving him a way to continue his career in the sport he loved once his British Shooting career had come to an end.

# HOW TO HIT

## SHOOTING A BATTUE & RABBIT ON REPORT PAIR

CPSA Level 3 Senior Coach **Simon Arbuckle** teaches us how to hit a battue and rabbit on report pair using the CPSA Method.

**I**n previous articles in this series, we have looked at how to shoot English Sporting pairs using different techniques other than the CPSA Method, often in combination on a single pair. In this article, we are looking at a pair where, in my opinion, the CPSA Method is the best way to shoot both targets. These are a left-to-right battue, followed by an on-report rabbit.

The first target of the pair (labelled A) is a left-to-right rising battue. As the arrows indicate in the picture, (below right) that trap's quite far away, about 35 yards. You can get an idea of how far away the target is by watching its flight path, and noting that it is landing in the field over the embankment, some way away. The second target (labelled B), the right-to-left rabbit, will be shot against the bank, below the level of the shooter's feet, from a raised platform. You should use the CPSA Method for both targets because it allows you to establish the line and speed before taking the shot.

The first thing to do on approaching the stand is establish where your feet go, based on the break points. Both targets are shot roughly in line with each other – the battue above the Browning flag, and the rabbit below the Browning flag. So set your feet toward those points.

Then you need to establish the visual pick-up point of the battue. Bear in mind that the battue is a quick target, because it is thin and aerodynamic. Because of the light conditions and the background, you can't see it until it clears the horizon. That means you're looking at a point beyond the horizon, and your gun hold point will be further out from there, ensuring that you've got time to focus on the clay before it gets to the gun. To shoot it, call 'Pull!', let the clay become visible, focus on it, lock on to it with the gun, move with it briefly and then push ahead to the appropriate lead and shoot.

The first thing to do on approaching the stand is establish where your feet go, based on the break points.

The second shot, the rabbit, is right to left, but you can't see it until it clears a bush in front of the trap. Your visual pick-up point is a bit further on, and the gun hold point is a bit further beyond that, towards the scuffed area (scuffs on the grass are usually a good indication of where to shoot a rabbit). Again, you must use the CPSA Method, so focus on the clay before it gets to the gun, lock onto it, move with it then push ahead and shoot.

There are two points to note about the rabbit.

First, because it's beneath your feet and low down, you've got to keep your weight forward and the gun beneath it so that you don't mask the target. Second, it's decelerating a lot quicker than people expect. This is because it's in contact with the ground. The lead required on a rabbit is nowhere near as much as you'd expect to give it if it was an airborne target.

And that's how you hit a battue and rabbit on report pair using the CPSA Method.

## MY START IN SHOOTING

I was first introduced to shooting through my father when I was 10 years old, but it wasn't until I was about 12 that I was finally brave enough to have a go. Once I picked up a gun I realised there was nothing to be afraid of and when I hit my first clay I was hooked. I started off shooting Sporting but realised this was not the discipline for me. I watched a round of Skeet and DTL at Park Farm Shooting Ground and discovered my passion for DTL. I decided to make the investment and bought a 12-gauge trap gun. Since then I've changed gun numerous times before finding the right

ONCE I PICKED UP A GUN I REALISED THERE WAS NOTHING TO BE AFRAID OF...

one for me, a Beretta DT11 Black Edition. Once I started shooting DTL I've never looked back, I've been shooting the discipline for three years now. One day I hope to transition into Olympic Trap and hopefully get the chance to represent GBR in the Olympics.

## TOP TIPS

My advice for youngsters trying to get into the sport has always been the same. Firstly, get a gun that fits and find a coach who respects you and who you respect. Remember, we all have good days and bad days, but it's important to treat the bad days as learning experiences. Think of them as practice days and focus on the next competition. Finally, start off small. Enter a Sunday Registered shoot and get a feel for the competitive environment. If you enjoy it then try for your county team. If you make the team it will help to boost your confidence and your drive to succeed. Once you have reached the county level start entering major shoots, and, if things are going well, try for the England or GBR team, you never know where you could end up.

## GETTING SPONSORED

Sponsorship is a blessing that many shooters take for granted. Companies recognise success as well as your overall attitude, and then they choose to support your shooting journey. In total, I have six sponsors – Laporte/CPC, Beretta/GMK, Eley Hawk, MacWet Gloves, Ed Lyons, and CENS. It can be difficult to acquire sponsorship. Make sure you have a positive attitude. Send companies your CV with all of your achievements, and, of course, achieve good scores. You may think that sponsors only care about scores, but I've found that they care about a lot more than that. They want to make sure their brand is represented well – so ensure you present yourself properly at all shooting events. If you have a bad day, keep smiling. Make sure you are polite to everyone, even if you don't feel like it. It's important to project yourself in a professional and friendly manner. It is also very important to promote yourself and the companies from which you wish to earn sponsorship – create a social media page and tag companies in your posts, talk about what you like about their products and they'll soon start to take notice. Always remember if you don't get sponsored this year, try again next year – never give up!

## MY 2018 HIGHLIGHTS

Achieving my first England cap was my highlight of 2018. It was an honour to represent my country and to shoot alongside some of the best shots in the country.

Last year I also shot my first 100 straight, scoring 100/296 at the Kreighoff DTL Classic. Soon after I managed my second 100 at the British Open DTL scoring 100/297 before winning a shoot-off to finish first in B Class, all while

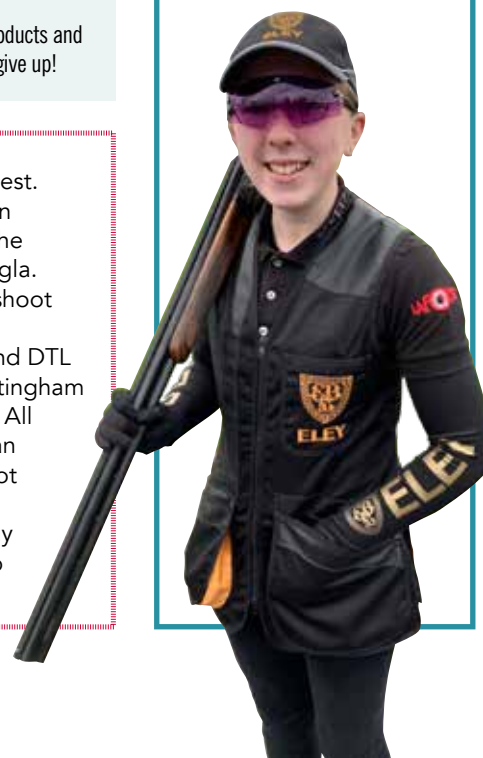

proudly wearing my England skeet vest.

This year, I managed a first place in Colts and third in Juniors at the DTL Grand Prix at Fauxdegla.

This was the first major shoot of the 2019 season.

I attended an England DTL selection shoot at Nottingham and District Gun Club. All

I can say is that it was an experience. I didn't shoot my best, but I learnt a lot that weekend and came away positive. As I write, I am hoping to improve my scores at future events.

# KEEP IT SAFE

Honorary Solicitor **Laura Saunbury** answers more questions from members on gun security.

In our July 2018 issue Laura answered the most common questions from members about gun cabinets and home security. We have now asked Laura to respond to further members' questions on this topic.

## Q Can I move my gun cabinet to another part of the house without telling my firearms officer?

Strictly, you can since the overall security of your home has already been approved, although this would be subject to the new location meeting the usual requirement for the cabinet to be securely fixed to the floor and an external load-bearing wall, and being out of sight from casual visitors to the property. Having said that, before you begin the task of detaching the cabinet from its current site and drilling new holes in the wall and floor, it would be wise to discuss it with your firearms officer to ensure your plan meets with their approval, rather than risk the possibility of them insisting you move it back to its previous location.

## Q And what if I want to move my cabinet to a different address?

If you are moving house, a condition of your certificate is to notify a change of your permanent address within 7 days. If you have decided to install your cabinet at the home of a friend or family member because you no longer wish to store your guns at home, then you are under an obligation to notify the police of the new address at which the guns will be stored so that the security provisions at those premises can be inspected, although the arrangements must conform with

the usual criteria. Again it would be sensible to discuss with your firearms officer where in that other property you propose to install your cabinet, so that the location can be approved in advance. If the persons occupying the other property are not certificate holders they must not have access to the cabinet. Generally, the police will expect guns to be stored at the certificate holder's home address since you are responsible for the security of your guns.

## Q Can I share my gun cabinet with someone else in my household?

Yes, you can, provided that other person is also a shotgun certificate holder. This is usually acceptable to the police, although in theory you are 'lending' your guns to another certificate holder for more than 72 hours. It is possible to have all the guns

entered on both your certificates, but the police do not insist on this in most cases. You can each have your own set of keys and access the cabinet independently of each other.

## Q Does my shotgun ammunition need to be locked away in a cabinet?

There is no requirement in law for shotgun ammunition to be locked away. Having said that, most responsible certificate holders chose to store theirs in a locked cabinet and this will certainly

meet with approval from your firearms officer. The ammunition should not be stored in the same cabinet with the guns to eliminate the possibility that if an unauthorised person gains access to your cabinet they do not have ready access to ammunition which they can use in your gun. A separate ammunition safe which can also be used for the storage of jewellery and other valuables is therefore generally recommended. If you chose not to lock up your ammunition in a cabinet, then it should be stored in a location within your home as out of the way as possible, such as in the loft or cellar, and preferably within a cupboard or other item of furniture, so that it is not discovered in a quick search.

## Q Can I ever leave my gun out of the cabinet overnight, for example if I am leaving very early in the morning to go shooting or I get back very late and want to clean my gun the next morning before putting it away?

Definitely not, never leave your guns out of the cabinet overnight, tempting though it may be to aid an early start in the morning, and certainly don't load your guns or ammunition into your car the night before. If your car or home were to be broken into, even if nothing was actually stolen, you would have some serious questions from your firearms office to answer as this would put you in breach of the condition on your certificate to store your guns securely at all times when not in use. Aside from being a criminal offence for which you can be prosecuted, any such breach would almost certainly cost you your certificate and result in revocation. If in doubt about storage requirements, seek advice from your firearms officer.

Great news from the Cheshire Shield, held at West Midlands Shooting Ground on 3 March. Champion was Scott Barnett, with 96, and Cheshire Shield team champions were Mickley Hall. Well done to you all. Staying at Mickley Hall, Diana Barnett won the first Welsh DTL selection shoot for the Ladies, congratulations Diana.

On Saturday 30 March Cheshire Skeet shooters were out in force at North Wales Shooting School (NWSS) 50 bird Skeet League competition. Christian Bethell scored 50 straight to win 250 Eley cartridges and a trophy. Congratulations Christian. The Skeet League runs from October to June, with the top six shooters invited to shoot in the final. NWSS also hosts registered ESK once a month, on a Saturday.

Cheshire FITASC shooter Steve Randles has launched a new eye dominance product. More information is available at shootsp.co.uk.

Congratulations go to Ellie Harding, who has now been officially sponsored by Gamebore.

Due to a timetable clash, the WMIC ABT event scheduled for May has been postponed, date TBA. Mike Faux has moved back into Cheshire, and so is eligible to compete for County Championships, and for Cheshire team selection.

The Cheshire ABT championship was won by Mike Faux (90+24) after a very close shoot off

with Dave O'Donnell (90+23). Dave took the men's trophy again, and Andy Pownall won the Vets. Regrettably there was a low entry from Cheshire shooters, and no entries in Ladies or Juniors categories.

The FITASC Africa Sporting and Compac Championships were held in March, at Valley Gun Club, situated north of Cape Town, between Paarl and Durbanville. As a Beretta World Cup event it attracted competitors from more than 21 countries. In FITASC Sporting George Digweed took High Gun, and Tony Dean put in a strong performance to take top place, and gold medal in Seniors scoring 180ex200. In FITASC Compac Tony Dean scored 192ex200 to take silver medal in Seniors, just three targets behind the HG. It delivered a one, two, three, for Great Britain, with Martin Papworth and Phil Smith also on the podium. Congratulations Tony.

A reminder to all Cheshire shooters with ambition to shoot for your county. The selection shoots have already started, please see the Cheshire CPSA website for more details. Or contact the relevant team manager, details are on the Cheshire CPSA website.

The first Cheshire selection shoot of 2019, for ESP was held at Doveridge SG on 31 March. There were 195 entries in total, and 46 of these were from Cheshire. An excellent turnout from Cheshire CPSA members, with Seniors, Vets, Ladies and Juniors all taking part. Weather was good with a little breeze. The course was over 12 stands and incorporated a variety of targets with battues, 70mm crossers, rapid distant teal and an overhead. Some appeared to have struggled on stand nine, a fast away teal, then on raport, a fast dropping overhead midi. Concentration was required, particularly on two stands throwing five pairs high into the sky. Well done John Shreeve, the only one to straight it. HG was Carl Vickers 90, Miles Machin 87, James Savage 87, Kerry Oakley 82, E Morris 84. I would like to thank all the competitors, and staff at Doveridge for a great day.

Paul Ellis

The sun was shining on the second league event which saw 34 shooters including two new members, tackle a technical course set by Scott Barnett. Miles Machin, Stu Ashton and Stella Harvey pointed us in the right direction on the testing stands giving guidance to those who needed that extra bit of confidence. HG Victoria Gallimore matched her personal best with an impressive 65 out of 75 winning a gift voucher kindly sponsored by On The Peg Clothing. She also won use of a Mitsubishi L200 which she can use for a weekend, kindly sponsored by Grenson Motor Company.

### DTL

On Sunday 31 March, Nottingham & District Gun Club hosted the Help for Heroes Notts vs Derbyshire DTL. On a dry but cold and windy day, with the top ten scores from each to count, Derbyshire actually managed to win this encounter (shock, horror!) by 49 points! Well done Derbyshire. I was proud to be part of it. Massive thanks to all shooters for making the effort (it was Mother's Day) and continuing to support Help for Heroes.

Sunday was also the first Derbyshire DTL Selection Shoot of 2019 and leading the way in the Vets was Dave Hinchliffe with an excellent 99/295 (which was also joint HG on the day) with Chris Havill on 96/282 just ahead of Clive Weston on 96/281. Top Senior was James Wood on 96/283 followed by Keith Ritchie with 95/277 and David Weston on 96/276. Juddie Hanson topped the Ladies on 86/252 with Julie Havill on 78/227 and Chris Thacker on 77/224. Well done to all shooters.

Thanks to Carl and the team for a smoothly run event, as usual, and also to the referees, in particular Mrs Havill, who not only shot early and reffed the rest of the day, but was yet again responsible for the gorgeous cakes (proper multi-tasking) that raised £94 on the day. Thanks again to all Derbyshire

The messages from our Chair Joanna Thomas, is that the county will be honouring a Supreme Champion from three of our county championship shooting events this summer. More details will follow so please do keep an eye on the county Facebook page and flyers at our grounds for news on this. Also confirmed – the county will be entering the WM Region Clubman event, at Garlands on Saturday 14 September, where each county is to send a team made up as four A, B and C class shooters, shot against classes and an overall award too. In effect this will be four competitions on same day. Matt Turk as our Sporting Manager will most probably be responsible for selecting this team.

The Trap and Skeet shooters were dusting off and clearing cobwebs at the time of writing and this will be the last notes that will be dominated by the Sporting exploits of our counties finest. Longridge 3 March, a third in A class for Ernie Wilkins 90, second in B was Tim Shayle 83 and second in C was Martin Buckley 75. Westfield 10 March, first in AA Chris Biddlecombe 92, first in A Ernie Wilkins 89 and third in C Jack Smith 67. Westfield 24 March, second in AA Nick Portlock 89, second in B Simon Billingham 79 and first in C Jack Smith 73. Longridge 31 March, first in A Mark Thomas 91 and third in C Nick Burns 74.

Ian Coleys Shooting School 3 April – from humble beginnings the shoot has grown steadily and was just a couple short of a three figure entry, us hardy souls on the afternoon rotation had the delight of snow! All told it was, for many, quite a memorable shoot. Shining through it all and second in AA Matt Turk 82, second in A Ivan Reid 79, third was Steve Davies 78, and in C third place, and continuing some decent form Jack Smith 65.

Out of county, the seemingly ageless Veteran Kevin Childs shot an 88 in winning in A at Willinghurst, Nick Burns while out looking at a building job put in a first in C at AGL in shooting a PB 87, and at a testing Owls Lodge shoot Rich Moreing an 81 taking first in C.

Please do forward any notable efforts by our county's shooters so one can share with all.

Jack Ruane took first place in the Juniors with his second best ever 200 score of 200/594 with Tom Burnes taking second place to Jack, again a brilliant performance, with a score of 198/589. Chris Moule took joint third place with a score of 200/596 again a good performance for the start of the season with Lee Kirby fifth and Jack sixth.

#### Adam Gutteridge at the CPSA English Open Universal Trench Championship

"Really happy to have finished overall runner-up and A Class winner at the CPSA English Open Universal Trench Championship, starting off my majors' season. Thanks, must go to Ed Barker and the team at Nuthampstead Shooting Ground for running a superb event. Congratulations must go to Kev Borley for taking overall HG after a shoot off with me and to all other class winners. Personally, I'd like to thank Ed Lyons, Phil Gutteridge and Sarah Gutteridge for their continued support."

#### Clubman selection shoots

Clubman Selection Shoots confirmed – if you would like to represent Staffordshire CPSA at this year's Staffordshire Clubman Championships, held at Garlands on 14 September 2019, selection shoots are as follows: Doveridge 18 May 2019 (Saturday), Kingsley Moor 9 June 2019, Kingsley Moor 14 July 2019.

Any shoots held at Garlands between 14 April and 28 July 2019 will count as a selection shoot.

Criteria: You must be either A class, B class or C class at English Sporting at the first selection shoot you complete. You must shoot a minimum of three shoots from the above. Your best three scores will count.

How your score will be worked out is that you will be awarded points away from high gun of the day.

Adam Gutteridge.

Leah Southall.

Eg: High Gun 95, you shoot 85 you are awarded 10 points. The four shooters from each class who have been awarded the lowest points, total, will be selected for the team.

Your class will be determined from your first selection shoot. So, if you are A class on 18 May, then AA by 9 June you will remain in A class. We will also use these selection shoots to pick our second team for the West Midlands Sporting Inter-Counties. Please check fixture dates before travelling in case there are any changes. Good Luck to all from Staffordshire CPSA.

#### From Leah Southall

"This weekend was my first major shoot of the 2019 season, the DTL Grand Prix at Fauxdegla Shooting Ground. Yesterday I shot a 97/285 and today I kept my form going and I shot a 95/282, so I was consistent over the weekend. This gave me a combined score of 192/567 which I am very pleased about and I have started off the season as I mean to go on. My score placed me first in Colts, third in Juniors (which I won trophies for) and forth in Ladies, but I was only three points away from coming joint third with Jane Hitchmough and Caroline Stanbrook. Thank you to Debbie and all the staff at Fauxdegla for a fantastically run shoot this weekend. Thank you also to Ed Lyons for sponsoring the event. Congratulations to everyone who competed this weekend. A huge congratulations to Ellis Jones who won High Gun after a shoot off with Dan Price, Andrea Swatts who came first in Ladies, Emma Holden who came second in Ladies, Jack Ruane who came first in Juniors, and of course to all the class winners."

## COLIN BUTLER

sites.cpsa.co.uk/east-midlands

The new season kicked off at Highwayman's in mid-March with the FITASC Championships and a healthy entry of 81 shooters. Eric Chapman from Suffolk ran out the Regional and Veterans Champion after a shoot off with Steve Whitelock from Bedfordshire who had to settle for the Senior title with Glen Spalding in third place.

Heather Pointer from Norfolk took the Ladies title as did county teammate William Reeve in Juniors, and there were also medal placings for Cambridgeshire shooters Brian Dunbavin and Mark Bowes in Vets and George Howling (Norfolk) and William Page (Suffolk) in Juniors.

The following weekend the Regional ABT Championships were held at Nottingham & District GC which attracted 64 shooters. Leicestershire Junior Connor Harris beating all comers with a magnificent 97/100 that also landed him the Junior title to add to his Regional Champions title.

Overall Simon Owen from Norfolk ran a close second just one target behind Connor and Matt Sheldrake of Cambs completed the podium places. Rachel Parish took the title in Ladies but was ran very close just beating Linc's shooter Elena Taylor by one clay with Hazel Whiten from Cambs back in third place.

In Veterans, Rob Flowers made the long journey from Norfolk worthwhile but it took a shoot off to separate him from county team mate Richard Gilbert to decide the winner, John Winn from Lincolnshire finishing third.

With Connor winning the Junior title it was down to William Gilbert from Norfolk and Ollie Sampson from Notts to complete the 1-2-3.

While we don't normally report on National shoots, we can't let this month slip by without saying a very big well done to John and Janet at Kegworth, who hosted the East Midlands round of the England Team Sporting Selection shoot, the whole weekend went seamlessly and attracted a bumper turnout out of 316 shooters. As always, the East Midlands would like to extend its thanks to all our hosting grounds this month.

### 17 March: DTL – Cambridge GC

Hi folks, well we are off again with a very busy weekend and today, 17 March, it's the very much looked forward to Cambridgeshire DTL Championship.

Well the day started as it meant to carry on, with changing light and very blustery winds, but that didn't stop Matt Sheldrake and last year's Champion going at it hammer and tongs again. But this year we had a reversal of last year's results when Paul came out on top as County Champion and Matt was Senior Champ. This year Matt shot 98/288, enough to take the title for 2019, with Paul finishing with 98/286 and the Senior title. This was very good shooting in this weather and I guess at any time, and with 46 entries this year it was not a push over by any means.

So we have our Champ Matt Sheldrake 98/288, Senior: Paul Ward – 98/ 286, Ladies: Amelia Smith – 86/248, Vets: Richard Croft – 95/ 262, Colts: Samuel Halls – 96/256, AA: Richard Morris – 88/253, A: Steve Eley – 94/278, B: Corbie Barnard – 97 /284 (well shot Corbie), C: Marcus Lord – 92/275. Well shot folks, in very hard trying conditions, and many thanks to Cambridge GC for their hospitality.

By the time this is printed the County will be well into our programme, so there will be plenty of scores to tell you about. This time there

are just a couple of early snippets to tell you about. Firstly, the East Midlands ABT held on 24 March at Nottingham, well that name has cropped up again, Connor Harris, who has just graduated from the Junior ranks lead the winning list with a brilliant 97ex100, and is now the EM Champion. His little brother wasn't too far behind either. There were 64 entries from all over the EM and six of 'our boys' scored 80+, not bad eh! Well done to you all.

Another good day was had at Normanton SG, with the first of a summer of 75 target registered Sporting shoots. This was held on Wednesday 27 March, there were just two classes AA+A and B+C and this seemed to work out very well. At this, the first shoot, the entry was good with over thirty entries. The eventers were pleased with the targets and the format and were very quick to say so. The charge was a reasonable £25, and some shooters left their entries in readiness for the next shoot on 24 April, this is all very encouraging. The top shot was Adam Curtis with 65ex75. He won AA+A and the winner of the B+C class was Matt Venables who scored 60ex75. Well done to you all and well done 'Team Mick'. Good shooting to you all and keep your powder dry.

### 24 March: East Midlands Region ABT

Nottingham and District GC, sees the season starting well for Elena Taylor and John Winn who both picked up medals. Elena was narrowly beaten into second place in the Ladies event by just one target taking the silver medal with a score of 85. John had to weather a shoot off with Nott's Ken Rimington before he could claim third in Veterans with a score of 89. Jack Wilkinson topped our County guns with a fine 92. Great shooting everyone.

### 31 March: English Open FITASC Sporting at Sporting Targets

Only four county guns took the relatively short trip to Bedfordshire. 147 entries would ensure this was a tough battle for any silverware and so it turned out. Stewart Burton with 104 was top county gun. James Cheer taking family bragging rights home with 103 over George's 101. Andrew Woolerton our Super Vet a little further back with 84. Well done all.

### 31 March: BICTSF 200 UT English Open and GB Selection Nuthamstead

season. Congratulations to John Winn who took B class gold and bronze for Super Vets with 180/200. Not far behind was Dave Sipling 178/200 taking the C Class title. Great shooting you two, and well done to all our shooters who took part.

#### 6-7 April: East Midlands England Sporting Selection

Saw 296 guns turn out. George, Tom and James Cheer made it a family away day. Tim Wade and Peter Davies were the remaining Lincolnshire guns turning out at Kegworth for the first England Selection Shoot. All scoring well with George finishing fifth in Juniors on 80. Making sure that everything is to play for in the remaining selection shoots. Good Luck all.

**County Handbooks** should be with you by now, if you have not received it by the time *Pull!* hits your door step please let one of the Committee know so we can chase this up for you. A very big thank you to Cliff and Mandy Elsam who pulled out all the stops to get our handbooks printed and sent out despite not receiving the final draft until very late. Thank you both.

#### Great Ormond St Hospital has County Committee Support

I would personally like to thank the Committee and Nottingham and District GC for supporting and helping me to raise funds for Great Ormond Street Hospital. This year's County All Round Championship on 30 June at NDGC will raise funds for the charity with raffle prizes, cake sales prizes and more. Keep a look out. Look forward to seeing you there. Please remember we can only report what you tell us about, some months have quite early deadlines, which may not see your event reported until two months down the line. When carrying out our editing duties we try to ensure we cover as many events as possible. A good quality photograph accompanying your story is always welcomed to help promote our sport as best we can. For more detailed and sometimes a more lighthearted overview, our

#### English Open FITASC

The English Open Fitasc Championship was held at Sporting Targets in Bedfordshire on 31 March 2019. Jake Moore managed an impressive 134/150 which helped Jake take B class and joint eighth overall. The overall HG was Matt Hance with a score of 139/150.

#### England ABT Team Selection

Three Norfolk Trap Shooters attended the first England ABT Team Selection Shoot at Nuthampstead SG in Essex on 6-7 April 2019, Richard Gilbert, Will Gilbert and Elise Dixon. After a difficult first day, Elise scored an excellent 88 on day two to finish on 154. Will built on his first day score of 90 to finish on 183 which included a 25 straight. This placed him first in Colts and ahead of all the Juniors, tenth place overall and first in C Class. Richard finished on 181, third in Veterans and joint forth in B Class. Congratulations to all three and good luck for the next Selection Shoot.

#### England Sporting Selection

Well done to the eight Norfolk shooters who attended the England Sporting Team Selection Shoot at Kegworth SG in Leicestershire on the 6-7 April. A huge congratulations to David Gooding who scored 93 and was HG out of 292 competitors. David was two clays clear, which will earn him some valuable points for the England Team points table.

#### Euro Cash Shoot

Norfolk shooter, Richard Bunning travelled across into Europe to Sologne in France to try his hand at the Euro Cash Shoot. Richard shot extremely well here and managed to take the runner up spot with an impressive score of 172/200 where the entry was over 400 competitors. At time of writing the county has not held any competitions, the first, DTL, is being shot on 28 April. 'The Vogels', Simon and Kirstin, will be defending Senior and Lady titles which for Kirstin means defending the title for the third time. If only for the sake of *Pull!* I may ask the fixtures committee to plan some competitions early so that there is something to report in the early months of the year.

A reminder for all the competitions this year, to encourage and reward the growing number of Colts, there will be trophies or badges for Colt shooters in every discipline. Young shooters looking to develop their skills and talents in the sport can easily engage at county levels and achieve success in all the disciplines and then specialise later, hopefully in those that can be taken to national as well as Olympic levels. In the past there have been two county Juniors who have engaged with the national coaching programme and who have progressed in the sport to be chosen for international competitions and whilst we don't see George Owen much these days, Kirstin is still active in the sport shooting in international competitions for her native Wales.

The last weekend in March saw two English Open competitions taking place. Sporting Targets held the FITASC competition and Nuthampstead the Universal Trench. Each competition saw county shooters taking part. Matt Sheppard was the highest county shooter in the FITASC though Sue Bate was the only one to win a place, achieving third in the Ladies category of the Universal Trench.

The CPSA Annual General Meeting, held on 26 March, saw the appointment of a familiar face as the new Chairman of the Board. John Martin, past East Midlands Regional Director and a regular visitor to the Northampton Shooting Ground was appointed Chair with immediate effect. Congratulations!

The first Have A Go Night to raise funds for the County Shooting Team will be held at Nottingham Gun Club on Friday 21 June from 5-8pm. It is just £10 for 15 clays and cartridges with instruction – all money raised will go towards Nottinghamshire County shooting. ### Nottinghamshire Vs Derbyshire Help for Heroes DTL

The friendly DTL charity match against Derbyshire was held at Nottingham Gun Club on Sunday 31 March. With a cold wind

coming in from the north, the targets and conditions were difficult and tested even the most experienced DTL shooters. Notts were thin on the ground only fielding the minimum number of ten whereas Derbyshire had 25. The difference in numbers was to be our undoing and Derbyshire took the win 2773 to Nottinghamshire's 2724. Top scorers for Notts were Russ Hufton 295, Paul Meakin 293, Lee Wilcoxson 289, Curtis Woolley 288 and Tony Clark 288. Over £500 was raised on the day for Help for Heroes, which added to funds raised from other events, gives a total of over £1,000 to donate to the charity. Well done and thank you to everyone that attended and thanks to Carl and the team for putting on a tough but enjoyable event.

### Team news

The English Skeet and FITASC teams have selection events coming up this month so if you would like to try out for either of the teams then make sure you shoot the appropriate County Championship.

### Supreme Championship

We are now three events into the Supreme Championship but there are still four to go, so plenty of opportunity to compete for one of our fantastic prizes.

You only need to shoot four of the seven events to automatically qualify for the Supreme Championship. Trophies, clothing and free entry to county shoots in 2020 are the prizes up for grabs in every category (Colts, Juniors, Ladies, Seniors, Veterans, Super Veterans and the Overall County Supreme Champion). 2 June: English Skeet at Nottingham GC. 14 July: Sportrap at Orston SG. 15 September: ABT at Nottingham GC. 22 Sept: Skeet Doubles at Orston SG.

### County success

Huge congratulations to Rachel Parish who was the Ladies High Gun at the East Mids Regional ABT Championship and also to Ollie Sampson who was third in Juniors at the same event. I'd also like to take this opportunity to wish our County Secretary, Dr John Martin, all the best in his new position as Chairman of the Board of the CPSA.

Rachel Parish - Regional ABT Lady HG.

This year's Suffolk shoots have now begun, with the first being held on 31 March at High Lodge it is great to see so many Suffolk shooters starting of the season so well!

### Sporting Championship, High Lodge

Sunday 31 March 2019 saw the first of the Suffolk shoots get underway, with the Sporting Championship at High Lodge. The sun welcomed the shooters, while the slight wind made sure targets were kept interesting for all and even slipped up the best of shots! We saw a raft of shooters across all of the categories for Suffolk, making the sporting team captain Adrian Cook's job far easier for the inter-county team selections.

There were some incredible scores across the Suffolk shooters, with all title winning scores above the 90 mark. We saw a shoot off for the Junior Champion title between hot shots Henry Bevan and Tom McGregor on 92, both have worked extremely hard through the years in order to achieve their potential and the shoot off saw Henry walk away with the trophy after shooting 8/10. The Ladies Champion title went to Pauline Chapman who shot an incredible 94. Veterans Champion went to Chris Willis, who shot a 95. The County Champion title went to Stuart Smith who shot 97, only beaten by Sam Green of Norfolk who went home with the John Debbage Memorial Trophy.

The scores from this shoot will be used to select our Suffolk sporting team for 2019, and Adrian Cook will be in contact with successful shooters soon to invite you onto the team. This year's Sporting East Midlands Inter-County is at Sporting Targets on the 7-8 September.

This was also the first shoot of 2019 to count towards our Suffolk Supreme titles, with trophies up for grabs in the Overall, Ladies, Veteran, Junior and Colt categories. Shooting as many of the 'super-six' shoots as possible will give you the best possible chance at getting your name on one.

### County trophies

In the first committee meeting of 2019 the subject of our County trophies was discussed. With a rich history across them, with the oldest dating back to 1963, some are in desperate need for a little TLC. Due to the vast history on them, the committee has made the decision to no longer hand out trophies for the shooter to keep for the year. Instead, the trophy will be available at the shoot for a photo and then retained by the committee. The shooter will however receive a keepsake in recognition of their achievements. If you are the current holder of one of the county trophies or shields please ensure you bring it to the county championship this year, or drop it off with the ground. This will then ensure they are there for the photograph before being taken off for refurbishment and then displayed.

### AVON

#### ROGER COX

rogercox47@gmail.com  
sites.cpsa.co.uk/avon

The Avon Championship season got off to an early start this year. Saturday 6 April was the Avon Single Barrel Championship held at Bradford SG. Hosted at this well run and welcoming ground for Avon shooters, we joined our great friends at Devon County to run this championship event. The targets on the day were testing and a challenge to even the best shots with gusty conditions bringing a level of unpredictability to every shot. However all shooters had a great day and Tony Dore once again added to his glass Avon Champions trophy collection presented on the day by the ground owner. Tony shot a 91/100 to push his fellow England shooter Malc Brown into runners up position who finished with a creditable 89/100. We will be returning to this ground on Saturday 8 June to hold our ABT championship again to be held jointly with Devon County.

The following day we will move to Two Counties SG (Jethro's) for our DTL championship. This is always a great event. Ground owner Jeff Rowes, aka Jethro, always entertains his guests with a stream of banter, jokes and charisma, and this comes at no extra cost to shooters and guests. Always worth the journey to attend this event which is so much

more than just a shoot just to experience his stage persona. The Double rise this year is on Saturday 10 August with another joint event with Devon which is to be held at Axminster SG.

Report from the English Sporting Championship will appear in the next issue of *Pull!* Again any date changes for championships will be posted as soon as possible on Avon website.

Any further breaking news from anyone please contacts us on email below for inclusion next time. The Avon website is hosted on the main CPSA website and can be accessed via the County tab. Also there is a new email address of rogercox47@gmail.com for contact in the future.

### CORNWALL

#### MATT BREWER

The second Skeet selection was held at Landare Farm Shoot and despite the wind getting slightly worse as the day went on Bill Moussalli started and finished the day as he would of planned with 100ex100. Pete Mylam with a brilliant 98 and Kelvin Walsh, Jackie Eley and James Rounsevell rounding out the top five with 97ex100.

The third ESP selection was to be at High View Clay Shoot and after a tough but fair shoot last time what would be in-store for us this time, a testing layout with a mixed arrangement of targets saw Tim Chance take the high gun with 86ex100, 2nd Adam Rowe with 85 and Matt Brewer, Mark Kerslake and Pete Mylam make up the top five with

84ex100. The first ABT selection shoot of the year was held at Moorlands Shooting Ground, the committee would like to thank Moorlands for hosting the event.

Rodney Richards was the top Cornish gun with a 91ex100, Jason Reskelly, Darren Richards and Titus Brinacombe all hot on his heels with 90 and Alan Dungey with 85ex100 completes the top five for the day.

## DORSET

### ANTHONY READ

07929 189887  
saltonread@gmail.com  
sites.cpsa.co.uk/dorset

The year got off to a slow start with little news to share. By the time you read this article we will have held a number of Dorset Championships at Brook Bank. Results, will hopefully, have been published on the Dorset CPSA website. If not and also additionally they will appear in the next edition of *Pull!*

The AGM was again poorly attended. Your committee now comprises of six persons, namely – Ian Mulliner (Chairman), Tony Read (Secretary/Treasurer), Mark Taylor (SW Rep.), Tom Green (SW Rep), Trevor Lake and Charles Palfreeman.

Our previous treasurer Ben Jennings has had to withdraw from shooting for a while as he and his partner have just had their first child. We wish them the very best for the future and hope that Ben can get back to shooting in the fullness of time.

Ian Mulliner was our Supreme Champion for 2018 with Richard King as the runner up. Congratulations to both of them and to those other shooters who took part in the various championship events. Full results can be seen on the Dorset website.

At the time of writing there are Dorset shooters who have taken part in the first round of the ABT England selection shoots at Nuthampstead. If any are successful after the obligatory four rounds, as the year progresses, (with three to count), their details will be happily published in this magazine.

While a number of our County Championships are being held at Brook Bank we will most probably hold our ESP and SPTR events at Pilford. Dates to be advised (see Website, Facebook page and Dorset Shooters Facebook page).

## SW Inter-County team events

There must be shooters out there who still wish to be selected for and represent the County. Last year and again this year SW team events are spread throughout the SW Region. Travelling is inevitable for prospective Dorset shooters picked for a team event. The current committee have yet to decide on how to spend the little monies we have in the bank. One idea put forward to date is to possibly assist shooters with their travelling expenses. Nothing has been agreed, but if selected there is always a chance of getting lifts to and from various venues throughout the SW. Team selection will be by way of the averages table. Taking from the top downwards, dependent on who is available for a particular date.

Remember that Vets, Ladies and Juniors can be selected for the County first team (on merit) and have their scores count for their own category, in order to challenge for a trophy.

Even if a decision is reached before you read this article. If anybody has reasonable and serious ideas on how we can best spend our money in the future to support, encourage and promote shooting in Dorset please contact a committee member.

Happy shooting this year to all.

## Fareham CTC 200 DTL Grand Prix

Another year has passed by and it was the return of the 200 DTL two day Grand Prix at Fareham CTC.

Saturday started well with eleven squads attending, the weather was fine for the DTL entries who had travelled from far and wide. All eyes were on the score board as the perfect 100/300 would be rewarded with a Beretta 692 Black. Unfortunately targets slipped away hence not one entry was in the running. Day two would definitely keep the gun from being won with gusting winds throwing targets well off the normal flight pattern. If the entries failed again to achieve the 100/300 for the gun there was plenty of other nice items for the best scores. This event was generously supported by GMK, William Evans of Bisley, The Gun Shop Botley Mills, Browning, Laporte, Eley Hawk and Distill PLC. A big thank you from the team that put on this event at Fareham CTC. The Grand Prix also raised £400 and presented a cheque to Lucie Tarrant representing the Air Ambulance fund raising on the Sunday.

With Saturday's score added to Sunday's score the results were as follows: High Gun and Grand Prix Champion 2019 Phil R Morgan 199/590, A Class and Ladies HG Bernadette Quinn 197/579, B class, the Laporte perpetual shield winner and Junior HG Charlie Madden 197/584, C class Karl Miles 191/543, Vets went to Dave Toomer after a shoot off.

## Hants UT Championship NCSC Bisley

A good turn out for this event. Eighteen Hampshire members, of which several were past winners, were all there to try their best to get their name back on the trophy. A cold dry day but a really low cloud background hung over the NCSC layouts. Only a hundred fast and wide targets to hit and two barrels if needed, for some six barrels wouldn't be enough. As the scores came back it was apparent that a 100/100 wouldn't be seen for several, seeing the targets was a struggle, good fun though. When its cold and your feet can't be felt why oh why do some trap shooters take up to 16 seconds to pull the trigger. Steve Tarrant and Mark Bryant were the ones to beat. Steve smashed a 23/25 then a 24/25, but close on his tail was Mark with a 22/25 and then the only perfect 25/25 of the

Phil Morgan left, 2019 200 DTL GP winner and Brian Coupe presenting.

Another short one as I haven't had any reports in and we haven't yet had our first County Championship (although it's only just around the corner).

There have been some County Championship date changes already and they can always be a little bit fluid due to clashes

with other competitions, but as always we will keep you updated with the changes. However the good news is that we have been able to confirm the date and venue for the County Sportrap – it will be held at Barbury Shooting School on Monday 26 August.

As always, if there is anything that you want to raise with the Committee then please contact any of the Committee members or myself on the above email.

### South East Region's Inter-Counties Championship

Essex achieved a creditable fourth place in the South East Region Inter-Counties Championship, held at Southdown Gun Club over the weekend of the 16-17 March. Stuart Clark shot 93/100, just two shots behind the overall winner, Guy Franklin from Sussex, but the remainder of the team just never managed to meet their own high expectations in difficult conditions.

### Essex Universal Trap Championship

The Essex Universal Trench Championship was held at Nuthampstead Shooting Ground on Saturday 16 March. It was held in conjunction

with the Cambs and Herts UT championships. Predicted winds of 40-45mph didn't seem to put off the hardy, but the targets were definitely testing.

Chris Wright emerged the Champion with a score of 82, while Dave Izzard took the Veterans trophy with 81. Pam Dorrington won the Ladies trophy with a score of 60.

Thanks are due to Nicky and Ed Barker for another faultlessly run competition on their excellent layouts.

Greater London Universal Trench was held at the NCSC Bisley on 7 April. It was a poor turnout for Greater London with only seven entrants, possibly due to the late date change by the NCSC and the subsequent clash with England ABT Selection Shoot.

The Champion was Emre Baran with 93/100 and runner-up and Veteran was Robin Dand with Dorothy Fleri winning the Ladies class.

#### 13 April: Automatic Ball Trap, NCSC

The weather was bright and mostly sunny but with a freezing cold wind. There was a good entry of 45, with 12 shooters from Greater London. It was nice to see Metin Cenkci as the Champion once again with a score of 92. The runner-up was Emre Baran on 89, the Veteran Steve Hammersley with 86 and the Lady Champion being Dorothy Fleri with 74.

Thanks go to Barry and the team at the NCSC for holding this championship on behalf of Greater London and Surrey.

#### Herts shooter results

Congratulations to all the Herts shooters from the Inter-Counties held at Southdown on 31 March. The young shots did very well with Darcy McBride shooting 80/100, Rhys Plum 79/100 (both new Herts caps) and Ollie Tyler scoring 76/100. Ladies entries were Claire Greer (56/100) and Sharon Goldsmith (60/100). Thank you all for representing Hertfordshire.

English FITASC was held the same weekend over two days at Sporting Targets. Hertfordshire shooters performed very well with Paul Lovick second in Seniors after a shootoff, Charlie Monahan third in Juniors and Alfie Tibbles third in Colts. Well shot to all.

#### Draw for a Gun Service from Ladbroke and Langton

All Hertfordshire shooters attending the Herts Sporting Championships at LVSA (Hertford) on 27 June will be entered into a draw for a free service courtesy of Ladbroke and Langton (Radlett).

### KELLY HOCKEY

April sees the first of the Kent championships for 2019. The DTL championship was held at Dartford Clay Shooting Club. Entries were a little lower compared to 2018, due to the shooting calendar being so busy.

The shooters had a perfect day weather wise and the targets flew lovely. The first squads out saw Luigi Genco shoot a solid 99/288 followed by Bradley Ballantyne's 99/291. The afternoon saw the shooter of the day, Senol Tas, with his very first 100/300. What a marvellous achievement to become the Kent Champion, huge congratulations Senol.

Winners were: Senior, Senol Tas (100/300), Veteran, Gary Baldock (97/291), Junior, Lewis Young (96/280), Colt, Tristan Hockey (99/295) and Ladies, Kelly Hockey (91/267). All winners can be found on the CPSA website, Kent CPSA website and Dartford's facebook page.

Kent lost a true gentleman on 1 April 2019, John West of JJs shooting club, condolences to John's family, Steph (John's wife) and all his family at this difficult time.

### HELEN NICHOLSON

helenccn1972@gmail.com

Hello Oxfordshire. As many of you were aware the presentation evening was a massive success. It was held at The Holt Cross Hotel on Saturday 23 March. I am happy to report around 70 people attended a really well organised event. The committee decided to do things a little differently this year and split the awards presentation in two. I think this worked really well. The County Championship prizes were the first to be awarded before the dinner was served. Well done must go to Henry Mitchell for his amazing achievements this last year. He was barely visible sat behind his large stash of cash and trophies! The food was served which was delicious. During the evening Jane Robbins and I sold many raffle tickets. The total amount of cash came to a staggering £1,000. This will be split between Katherine House Hospice and The Oxfordshire CPSA funds.

After the sweets and coffee the Challenge Trophy awards were announced. One very important part of the evening for the committee was announcing that the Challenge Trophy will be dedicated to Lee Jones who very sadly passed away at the young age of 38. He was a very popular Oxfordshire shooter and will be sorely missed by many. We (the committee) felt this was an appropriate way to remember him. A huge thank you to all those who came to support a really great event. The evening's photographs can be viewed on the Oxfordshire CPSA Facebook page. How's your head Chris Broomfield?

### Sporting – Westfield

Cheryl Hall continues her strong return to shooting having had time out. She won the

Ladies Senior class at Westfields 100 ESP which they hosted on 24 March with a healthy score of 86ex100. Well done Cheryl – it's good to see you back. The shoot was very well supported with 187 shooters taking part.

### Sporting – E J Churchill

The weather changed dramatically for their ESP Registered shoot held on 4 April. A cold, wet, sleety day saw an impressive 112 shooters turn out to take part. Oxfordshire's Fred Townsend came top in AA Class with an great score of 90ex100 and Helen McKenna continues to shoot well, 83ex100 to win Ladies. Well done to you both.

### FITASC – Eriswell Lodge

On the same day Westfield Hosted their Sporting Shoot, Eriswell Lodge hosted 100 FITASC Sporting. Some took part in both shoots as Eriswell was over two days. Cheryl Hall again shot very well finishing with an 87ex100 finishing first in Ladies B Class. Matt Hance won the shoot with a superb score of 98ex100 and Junior Class was won by Henry Young. Well done to all Oxfordshire shooters who took part, as many of them made it to the Dinner Dance afterwards!

### FITASC – Sporting Targets

Sporting Targets hosted this year's English Open FITASC Championship. It was really well attended with 147 shooters taking part over the two-day shoot. The targets were very challenging, but they seemed to suit Oxfordshire's Matt Hance as he finished with a fantastic score of 139ex150 making him the English Open FITASC Champion. What an great start to the year for Matt, well done.

Just a reminder that there is limited time to book onto the FITASC County Championship which is being held by Kevin Gray at College Farm on 18-20 September. Please book your place early to ensure you get a space. Places are limited and will be reserved for Oxfordshire Shooters until 21 August only. Please call Kevin on 0770 243308.

### Skeet

I have to mention John Hewetson who was the only shooter to take part in the English Skeet Registered competition held by Northampton Shooting Ground. Well done John on your 92ex100 score!

Any info or scores to report please forward them to me. Happy safe shooting everyone!

## SURREY

### PETER SAICH

Our first Championship of 2019 was the UT at NCSC Bisley on 7 April and wow – talk about a close run thing! Surrey Trap shooters dug deep and, at the end of the day, John Chambers was our new Surrey UT Champion with 84. Daniel Parker, Phil Chambers and Victoria Castle were all just one point behind!

Massive congratulations to John who of course also won the Junior title. Oscar Parker (aged 10!) is now the Surrey Colt champion, and mum Victoria is our newly crowned Ladies champion. Dan Chambers and Anastasia Sparrow also had a good day, leaving us hoping for great things from the Surrey Trap team this season.

The Inter-Counties Sporting Championship was held over 16-17 March at Southdown in 'adverse' weather conditions. Our Senior Team of Paul Poulter, Alex Cobb, Nick Carter, Henry Carey and Chip Smith scoring 403, with top score of 86 from Paul. Our star of the day though was Junior Billy Greenwood who scored 88. Billy's family are very proud of his performance, and hopefully so is Coach and Mentor Alex Cobb, despite being beaten by his pupil on this occasion!

We asked our Juniors to write about their involvement in the Sport, and received the following input from Maddy Boyd:

'I started shooting when I was 13, by going to weekend sporting shoots with my Dad after becoming curious about what it actually was. I liked the variety of targets, and that everywhere we went there was always something a bit different! I was shooting Sporting for about a year and a half before we moved from Solihull to Surrey, which was when went to a talent identification day for British Shooting's Talent Pathway. After trying both

Trap and Skeet, I decided that Olympic Skeet was something that I liked, and then settled into focusing on one discipline. I trained on the Talent Pathway for three years and met some great people along the way. For those three years I was coached by David Dale, who is absolutely incredible and someone I was very lucky to have met.

During the summer of 2017 I was selected to represent Great Britain at the Shotgun World Championships in Moscow, which was an incredible experience, and have continued to travel to represent the British team ever since! Over the past year I have travelled to Spain, Qatar, Germany, Canada, Austria, and Korea competing. I am currently the two-time Canadian National Women's Champion and have most recently won gold and silver medals in Malaga and Qatar respectively.

I am currently shooting a Perazzi MX8, for which I was lucky enough to travel to Italy to the Perazzi factory to have fitted. I am now being coached by Joe Neville, who I first met while I was at my first World Championships in Russia. He has really helped me to see things that I had never noticed before, and to help me progress even further in my sport. With some new technical pieces to work on, I'm feeling very ready for the upcoming 2019 season! I would not have got to where I am today without him and all the time that he gave up to help me move forward!

With thanks to Maddy, Phil Chambers and Douglas Millard for their reports.

#### 7 April: Sussex UT Championship

A foggy day at the NCSC for the Sussex UT championship made it hard work for the 11 Sussex Trap Shooters who took part.

Quinton McKellar set the pace shooting a perfect 25 on his first round and kept the pressure on all the way to win the event with a 93ex100, Glen Smale was close behind with 91 taking the Veterans Trophy and Audrey Rex won the Ladies trophy with 75.

No Colts or Juniors entered sadly, and the majority of the 11 entrants were Veterans under the FITASC rules, so under 21's where are you?

#### Dan Kerwood MBE

I'm sure we would all like to congratulate Dan for getting his MBE for services to shooting sports and charity. The investiture was held at Buckingham Palace on the 19 March and was presented by HRH Prince William.

Not too much to report as when writing we haven't had our second shoot yet (24 April). We did however enter a team into David and Heather Pointer's Charity Shoot at Eriswell Lodge in early April and, while we didn't shoot very well, we were extremely lucky to receive a cheque for over £4,000 for the group. Thank you to David, Heather, all the Eriswell Lodge team especially Stuart Smith and also all the 217 shooters that attended.

## Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

# SECOND TO NUNN

**Sam Nunn**, Disabled Shooter of the Year and Secretary of the Disabled Shooters Group (DSG) takes a moment to chat with **Jasper Fellows**.

## Q When did you first start shooting?

**A:** I first started shooting when I was ten – with an air rifle in my parents' back garden. I was 17 when I first shot clays on a friend's pig farm – that's where I caught the bug – although it took another 12 years for me to shoot a registered competition!

## Q What are your passions outside of clay shooting?

**A:** I love to spend time with my young family. Last year I got engaged to my long-term partner Kath, and we have two sons, Jack, five, and Henry, two. I'm a massive football fan – I support Manchester United and played in the national disabled football leagues for Wimbledon, Southend, and Ipswich Town.

## Q When did you first start working with the DSG?

**A:** I couldn't really call it working. I first shot with the DSG aged 18. My friends Graham, Jim, and Gary from River Orwell Sporting & Conservation Club took me along to their local events, and it was here that I met DSG members Adrian Last and Alec Sperling. I only shot with them for 18 months due to other commitments, but re-joined in 2012.

## Q What inspired you to take on your role as Secretary of the DSG?

**A:** I had only been back with the group for a year when I offered my services. I sit behind a laptop writing emails most of the time anyway, so figured a few more a month wouldn't be too much drama.

## Q What would you say to anyone with a disability who hasn't tried clay shooting?

**A:** It's particularly appealing as it isn't too physically exerting and doesn't need adapting to make it accessible. My advice would be to contact me or any other DSG members, and try it – we are a friendly bunch.

## Q What can we do to help?

**A:** Just to promote the DSG to any disabled people.

“...It was a fantastic feeling to win the Disabled Shooter of the Year...”

Shooting grounds can help by asking for our opinions on their club houses, events, access and so on.

## Q What have been your most notable achievements?

**A:** In 2014, I took the English Open Sporting title, as well as coming second in C class at the same event. I have five consecutive British Open Skeet titles to my name too, from 2014 to 2018. I also took silver medal at the 2018 World Sportrap event.

## Q How did it feel to win the CPSA Disabled Shooter of the Year title?

**A:** It was a fantastic feeling and very

unexpected considering the competition I had from John Harrison and Allan Ritchie. I won the award back in 2014 but it didn't really sink in back then, this time I felt truly humbled and appreciative.

## Q What are your hopes for the future of the DSG?

**A:** I hope the DSG continues to grow and works more closely with the CPSA. We have recently secured a joint membership deal – when disabled members join CPSA they get 12 months' membership of the DSG included. I would love to work more closely with clay pigeon organisations in the rest of the world. I would also like to see more events hold disabled category prizes. This year the Essex Masters had a disabled category with decent prizes. Well done to the organisers and sponsors who helped to make that happen.
