# WELCOME

JULY  
 2019

**T**hough we are still waiting on the summer weather to arrive here in the UK, we can be sure it is summer as the clay-shooting season is well and truly underway. Last month saw the English Open Skeet Championships which was a great opener to the competition season at Doveridge Clay Sports, congratulations to Neil Parsons for taking High Gun with a perfect 100, and also to Becky Clarey who took both Ladies and Juniors High Gun with an excellent 98 (see page 14).

We then had an excellent English Open English Sporting at West Midlands Shooting Ground. I had a great five days at the event, meeting many of you, and watching some fantastic shooting on a course set by Tom Jones that proved challenging but enjoyable. Congratulations to Mark Winser on taking High Gun (see page 17). I'd like to thank the sponsors, Rizzini, Eley Hawk, Promatic and all the team at West Midlands Shooting Ground.

At time of writing this, we are in the final days before the DTL Weekend at Bywell, and I look forward to witnessing the heritage, tradition, and sportsmanship that this event represents. Our thanks go to Beretta and Eley Hawk for making the event possible with their sponsorship.

We will be at The Game Fair, 22-26 July at Hatfield House, running our Have a Go clayline, as well as running the Champion of Champions and Colts Challenge invitational championships (see page 5) along with our friends at E. J. Churchill. Our hospitality tent will have free coffee for CPSA members provided by Melitta coffee, be sure to bring your membership card. I'd be happy to chat with you there in person about the future of our sport, so please stop by and say hi.

## THE NORTHERN SHOOTING SHOW

The CPSA attended The Northern Shooting Show again this year, the Show's third year running. The Yorkshire Event Centre in Harrogate played host to an exceptional exhibition, providing beautiful scenery for the clayline fields.

The have-a-go clayline run by the CPSA was a hit, with over 300 people being taught by our expert instructors. We welcomed 100 new shooters to the sport, who held a shotgun and broke

clays for the first time. We were pleased to offer our first ever pre-book lane at the show, enabling those who felt more organised to beat the queues. We also took the clayline paperless with tablet check-in, both speeding up the waiting time and allowing for card payments to be taken while in the shooting field – all while helping the environment through minimal paper waste.

Visitors enjoyed both using and testing guns provided by Zoli and Edgar Brother. Lyalvale Express supplied the cartridges, and we are looking forward to working

with these suppliers for The Game Fair, 26 – 28 July.

It was great to see so many faces at the show coming to our stand to say hello. Many members and visitors entered our 'guess how many cartridges in a box' competition, for a chance to win a Seeland Skeet vest, and we are pleased to hear how much this year's winner is enjoying their prize. We hope to run something similar on our stand at The Game Fair, so do pop by and chance your luck if you are visiting.

## NEW CPSA SHOOTING GROUNDS

We are delighted to confirm that East Yorkshire Clay Shooting Ground (formerly known as Beverley Clay Target Centre) is now open for CPSA Registered Shoots again.

We also welcome Courteenhall Shooting Ground in Northamptonshire as a new CPSA Registered Sporting Ground.

Please keep any eye out in the fixtures section and online for details of upcoming Registered competitions.

## REMEMBERING RICHARD HAILS

It is with great sadness that we announce the passing of former Suffolk CPSA Chairman Richard (Dick) Hails following a short illness.

Dick was a devout trap shooter, with a passion for DTL, and he represented Suffolk on countless occasions. He was a most likeable character, and from a county and regional perspective he worked tirelessly for many years to further our sport and to offer guidance to anyone that asked. He sadly had to step down as Suffolk Chairman towards the end of 2018, but was unanimously installed as Suffolk CPSA President by the County Committee following his announcement.

As the long-term Suffolk Chairman Dick saw Suffolk win the East Midlands Directors Trophy many times, something which he was very proud of, but more so of the efforts put in by the Committee members, the team captains and of course the team members.

At this time all our thoughts are with Dicks wife, Patricia, and of course all his family and friends. He was a true gentleman and will be sorely missed by many.

**W**e are looking forward to attending The Game Fair 2019, held in the beautiful grounds of Hatfield House in Hertfordshire, from 26-28 July. It's one of Europe's largest countryside festivals, including show gardens, country pursuits, gunmakers and shooting.

This year the CPSA is delighted to announce a new coffee partner. Melitta Coffee will be proudly demonstrating their new coffee machines in our hospitality garden on our stand, number N1447. All CPSA members are welcome to join us for a complementary cup of coffee, and a catch up. Just don't forget your membership card! You'll also have the chance to enter our 'guess how many cartridges' competition to win a Seeland Skeet vest.

We will be running our famous have-a-go's on the clayline, with pre-booking available for those who want to skip

the queues at [cpsa.co.uk/TGF19](http://cpsa.co.uk/TGF19). Pre-booked shooters also have the option to upgrade, and to use a ShotKam to record their shots. Footage will be sent after your shoot providing an enjoyable memory, as well as an interesting training technique.

Our Champion of Champions and Colts Challenge will be running on the Saturday and Sunday respectively. Top Shots from all over the country will battle it out over the 40-target English Sporting Course, and a Sportrap final to be crowned this year's champions. Be sure to pop down to the shooting arena grandstand on both days to catch some of the action.

## HORNE CLAY PIGEON CLUB SUNDAY 14 JULY 2019

Clay & Country Sports UK are holding the North Downs English Sporting Championships held over 13 stands at their Gatton Bottom Shooting Ground, near Reigate, Surrey, on Sunday 14 July. The shoot starts at 10am, with last entries 3pm. This shoot will also be offering an Overseas class for all the shooters that will still be staying in the UK, having shot the World FITASC Championships at Churchills over four days which ends the day before this event (unusually the World FITASC is finishing on a Saturday). There will special extra prizes for the winners in all classes as well as a the usual guaranteed £150 in classes AA, A, B, C plus Ladies, Junior, Veterans and Members classes.

Refreshments will be available throughout the day, and there will be scorers on every stand, therefore there is no need to book prior to the event.

## PREMIER LEAGUE UPDATE

The halfway point of the 2019 Premier League series took place at Orston SG on 19 May with 240 competitors enjoying the shoot. The weather was great which helped to secure some excellent scores. Martin Doughty took HG with 96ex100, but the stand-out score of the weekend was from 14-year-old Colt Darcy McBride, shooting for Team Sporting Targets. He shot a fantastic 85 to record a 95 with his B class handicap applied. Darcy's 95 helped his team to record the highest team score too, with 717ex1,000.

The gloomy weather didn't put off over 180 shooters from taking part in the sixth leg at Honesberie on 9 June. Brett Hand took the HG honours with 97ex100, just pipping Julian Freeman and Team Southdown's Chris Childerhouse into second and third place respectively with their scores of 96 and 95. From a Premier League perspective, Team Southdown shooter Peter Skillen in C Class scored 81 to record a 96 with his handicap applied, just one ahead of team mates Chris Childerhouse (AA), Neil Gaff (A), and Daniel King (A) and EJC shooter Brian Hartland (C), Owls Lodge shooter Daniel Vallis (A) and Cambridge shooter Oliver Raymond (B) all on 95 with their respective handicaps applied.

This strong performance ensured a dominant outing for Team Southdown scoring 932ex1,000 from their top ten scores, 33 ahead of Team Cambridge who came in second on 899.

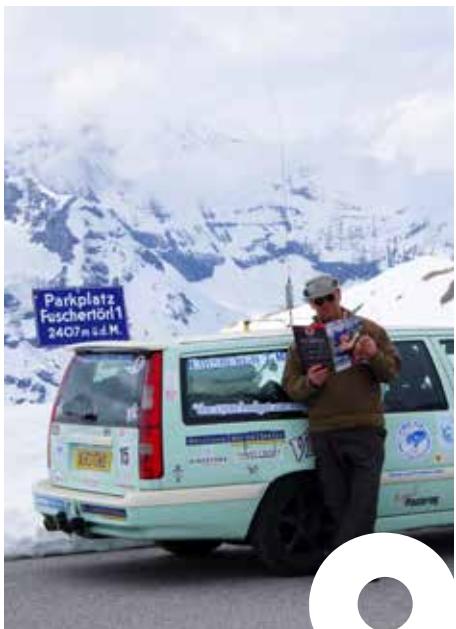

After six shoots and with the best five scores counting, Team Southdown are currently in the lead with 4,521 with Team Cambridge on 4,453 and Team Owls Lodge on 4,449 but there's four shoots still to go and only one Promatic Trap up for grabs. Individually, Owls Lodge shooter Neil Lockton leads the way on 478, just five ahead of Southdown's Chris Childerhouse, but Neil's stellar form this year has propelled him into AA Class from 1 June, so he's now on a level playing field with Chris for the remainder of the series which should ensure an exciting run in to the final in September.

The next leg in the series is at Southdown Gun Club on 30 June.

## MICK KIRBY'S JUST GIVING CAMPAIGN

Many shooters struggled with the infamous stand 15 at the EO ESP (see page 17) with its 140-foot high dropping target and rising teal, but there was an extra incentive to straight: for every perfect eight hits on the stand, £100 was donated to Referee Mick Kirby's Just Giving Campaign, raising money for The Amputation Foundation and LimbPower. Mick is a stroke survivor and amputee, and is trekking Mount Kilimanjaro as part of his fundraising efforts, in gratitude to these charities that helped him when he needed it. # SHOTS IN THE MAIL

## LETTER OF THE MONTH

**D**ear Sir/Madam,  
As a regular spectator and occasional shooter, I travel round numerous grounds, in many different counties, some are clubs, and some grounds that just do Registered shoots. I would like to bring attention to the different facilities of these grounds, I think these days it is reasonable to expect a comfy place to sit, a good bacon roll, tea and coffee, and in my case most importantly clean toilets, with loo roll, soap and water. I can now tell you the latter at some grounds, is not acceptable, I accept some may not be able to supply proper flushable loos, as

easily as the grounds that are clubs, but it shouldn't be hard to keep a porta loo clean! Some seem to find it acceptable to have a filthy loo, to my way of thinking this shouldn't happen and there is just no excuse. Shooters pay good money to shoot these days, and facilities come in the package, the good grounds obviously know who you are, and it would be nice if the grounds with poorer facilities could up their game, and make their grounds a cleaner smarter place to be, you never know it works both ways, could bring them extra custom in as well.

Regards, Mary Thornett

### Response from CPSA:

Thanks for your observations from your travels and we agree that it is only reasonable to expect decent facilities when you are out enjoying your shooting. Clearly many of our affiliated clubs and grounds are not permanent facilities and only set up on a temporary basis for the duration of the shoot, but regardless of this, would hopefully take note of your comments and ensure the basic facilities are maintained to an acceptable standard!"

### THE LETTER OF THE MONTH WINNER

will receive a choice of 250 Eley Superb Cartridges (either fibre or plastic).

\*Cartridges are redeemable via a voucher which will be issued by Eley Hawk.

Is there an issue that you would like to raise or praise? Send your letter including your phone number and CPSA number to: **Pull Magazine, Fellows Media, The Gallery, Manor Farm Courtyard, Southam Lane, Cheltenham GL52 3PB** or email: [pull@fellowsmedia.com](mailto:pull@fellowsmedia.com)

## SIMON SAYS

Senior Coach Simon Arbuckle answers your questions. Send your question to [simon@cpsa.co.uk](mailto:simon@cpsa.co.uk) and your question could be selected in the next issue.

**Q** Hello Simon, I need to replace my prescription shooting glasses and after watching your videos I would like to enquire where you purchased your shooting glasses from, what make and model they are please. Hopefully they are available with prescription lenses. The large size lenses would be a big benefit for me and hopefully I will hit a few more clays. Many thanks, Nigel

### SIMON SAYS:

Hi Nigel, The glasses I wear in the series are RE Ranger RX Sport. I'm short sighted, so bought them without lenses and took them to my optician who put prescription safety glass in. I have a variety of coloured clip-on lenses which hook over the frame when I need them, but always coach with the clear

lenses as it's important that the client can see my eyes – it's no good hiding behind thick dark lenses.

There are many reasons I like these glasses. The large frame gives me an unimpeded view of the target when my head is on the stock, and the moveable nose piece can be pulled out to push the frame higher if required thus keeping the 'sweet spot' of the lens in the right place. The sweet spot is the place where the lenses are optically the best. When we mount our shotgun our head turns slightly, so it is important to consider this when getting prescription lenses or inserts. Also with these frames I can get different arm lengths to suit my head and the thin arm doesn't compromise the seal of my ear defenders.

I also have another set of RE Ranger XLW glasses which have prescription (RX) inserts attached to the central nose bridge. The difference being these are curved and the protective tinted polycarbonate lenses clip into the frame over them. Another advantage of these is should I go back to wearing contact lenses I can take the RX insert out and wear them as normal shooting glasses.

Shooting glasses vary in both price and quality. If a shooter does not need

a prescription insert there are some very good ones on the market in both single frame and multi lens. When buying shooting glasses the following must be considered – fit, lens size, optical clarity, and can the frame be adjusted so the top of the lens or frame isn't impeding the shooter's view of the target. This is very important when there is an RX insert involved.

Lens colours are another hot topic. Some manufacturers only offer the basic choices – clear, yellow, vermillion (red), dark brown, while others have dozens of colours. In simplistic terms certain colours are meant to aid a shooter's vision of a target in certain light conditions or against various backgrounds. This can be a minefield and I'm sure there are hundreds of lenses that have been bought and never used because they are totally unsuitable to the shooter. Lenses are made to do what I have just said BUT everyone is an individual and it is best to find out which colour (depending on make) works best for them for clay colour, background, and light conditions. No one person is the same so be prepared to experiment and change, it could make all the difference.

Send your question to [simon@cpsa.co.uk](mailto:simon@cpsa.co.uk) with the subject 'Simon Says' and it might be selected for publication in the next issue of **Pull!**! (be sure to include your CPSA number). We apologise that each email might not receive a response.

# 2019 ENGLISH OPEN ENGLISH SKEET CHAMPIONSHIP

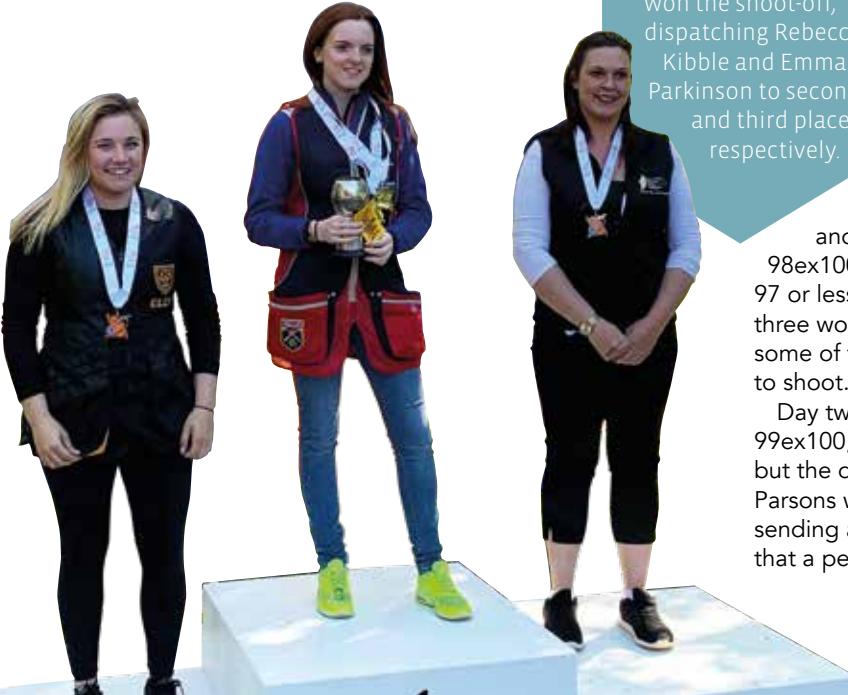

Neil Parsons shoots the only 100 straight to take the 2019 English Open English Skeet Major Championship title and Becky Clarey impresses.

**Ritchie Alan** reports back on the event.

**T**he 2019 English Open English Skeet (ESK) Major Championship took place at Doveridge Clay Sports, Derbyshire, on 10-12 May. The event attracted over 220 competitors from all parts of the UK, Isle of Man and further afield.

The Bramley family who have been running Doveridge Clay Sports for 16 years, and their hardworking ground staff, did a sterling job to prepare four ESK layouts for the intense 100-target competition. The weather forecast was warm with sunny spells.

Becky Clarey, won the shoot-off, dispatching Rebecca Kibble and Emma Parkinson to second and third place respectively.

The threat of light rain towards the end of the weekend fizzled out over the Peak District National Park and never materialised. In short – conditions were ideal for this tough discipline.

## ON PARADE

Being the first ESK Major Championship of the year it was encouraging to see the 'top guns' and England team representatives on parade.

Many of the competitors had worked hard over the autumn and winter period and this was the ideal opportunity to put their hard work to the test. The scene was set for three days of excellent and competitive shooting and each category was well supported.

Day one saw Paul Stokes setting the early pace on 99ex100 with Nigel Hirst, Roy Jones, David Roling, Emma Parkinson, and Ian Parkinson all trailing by one shot on 98ex100. There was a galaxy of shooters sitting on 97 or less, but there was a sense that day two and three would see the title race being challenged, as some of the discipline's seasoned shooters had yet to shoot.

Day two saw another three competitors shoot 99ex100, including last year's winner David Morgan, but the day belonged Isle of Man entrant Neil Parsons who shot an outstanding 100 straight, sending a clear message to the other competitors that a perfect score was required.

The weekend's weather forecast proved to be accurate and the morning sun did its best to shine through the early morning cloud formation on Day three. The stage was set, and a sense of anticipation greeted the competitors as they arrived early for the final day's shoot. Once the nervous laughs, whispers and silences had ebbed, the remaining competitors began to prepare themselves for the competition ahead.

Many of the seeded shooters – including 22 AA class shooters – turned up on Sunday to commence battle. Neil Parsons's 100 straight had set the standard and the athletes knew there was no room for error. In the Seniors section, which included likely title contenders Neil Faulkner, Christian Bethell, Kelvin Walsh, Andrew Parsons, Henry Bales, Roy Jones, and Nigel Hirst, all competed hard to shoot the perfect 100 straight, but fell short by just one shot to finish on 99ex100. Veteran shot Robert Tucker also pushed hard to shoot an excellent 99ex100, again falling just one shot short of the magical 100.

## LADIES

In the Ladies section, Emma Parkinson, Liz Shanks, Rebecca Kibble, and Rebecca Savins all fell short by just two shots in their title challenge, shooting a superb 98ex100 to earn a place in the Ladies shoot-off final.

The Junior and Colt sections were well supported again this year. Becky Clarey's outstanding performance continued and she posted a score of 98ex100 to earn herself a place in the shoot-off final alongside England team representatives, Toby Bushell and Calum Jones who also shot 98ex100. The Colt section continues to be dominated by England team representative Ross Lester (the editor of this month's Young Shots page). Ross shot a superb 98ex100 to retain his English Open Colt's title, with Sonny Bowman on 95ex100 and Alex Banning 92ex100 to finish second and third place.

As the mid-afternoon Sunday sun smiled on the shooting ground, an expectant and knowledgeable crowd gathered to watch the shoot-off finals. The Senior's shoot-off went to the wire, but Andy Parsons

held his nerve to finish overall Runner-up, with Henry Bales finishing in a worthy third place. The Ladies shoot-off final was equally competitive. Junior, Becky Clarey, competed hard against more senior competitors and held her nerve throughout to confidently win

the shoot-off, dispatching Rebecca Kibble and Emma Parkinson to second and third place respectively. Becky's good form continued into the Junior's final. Becky competently went about her business with steely determination to see off Toby Bushell and Callum Jones who finished second and third place respectively. Becky is certainly a talented young lady and one to watch!

As the competition came to a close, the crowd responded appreciatively by applauding the finalists for an outstanding display of high-quality English Skeet marksmanship. This year's English Open English Skeet Championship was a truly outstanding event in every respect and hearty congratulations go to the CPSA, sponsors, hosts, referees, competitors and spectators.

# THE 2019 ENGLISH OPEN ENGLISH SPORTING

**22-26 MAY 2019 AT WEST  
MIDLANDS SHOOTING GROUND**

After five days of competitors shooting in glorious weather at West Midlands Shooting Ground, **Mark Winser** emerged victorious as the 2019 English Open English Sporting Champion. Defending Champion **Richard Bunning** came in second, while **Sam Green** took third.

J. Grant Repshire reports from the event.

**T**he event will no doubt be remembered by participants as one of the best English Opens in memory. An impeccable course was set by Tom Jones and his team on the beautiful grounds at Hodnet in Shropshire, accentuated by five days of near-perfect weather.

The course was praised by competitors for the interesting and challenging targets. As always, Tom used the unique terrain of the ground to great advantage. The course sits on a steep and wooded hillside, with rock escarpments and cliffs that are perfect for shooting from or for creating backdrops for targets. Keyhole shots were created using the treeline and even the ground's plentiful rhododendrons.

However, stand 15 was the talk of the event, overshadowing all the rest. Months before the event, Tom hinted at a special target that he was working on in

coordination with Promatic. At last it was revealed: A thrower mounted on a 140-foot (42.67 metres) high cherry picker, launched with force straight down and disappearing behind an embankment, followed on-report by a rising teal coming from where the first target disappeared. Tom called it 'the yo-yo'.

Perhaps it should have been called 'the heartbreaker', as it took many fine shots down by several points. Junior shooter James Bradley-Day shot an excellent 111ex120 on the course, but only after missing all four of the dropping targets at stand 15. Speaking about the course afterwards he said, "I thought the targets were awesome. There's a new trap from Promatic that certainly caught me out, I think it's going to cost me big-time." In the end, only two shooters managed to straight the stand: A-class shooter Iain Platts on Friday, and Irish AAA shooter Roland Morris on Sunday.

**Left:** The infamous stand 15, aka 'The Yo-Yo'.

## EARLY DAYS

Even on the first day, the big scores were already being posted, as Chris Childerhouse and then Ben Husthwaite each put in 111 to tie for first.

At about midway through day two, James Bradley-Day put in his 111, tying for first and clinching the Juniors title for good. Many around the clubhouse were wondering if 111 could be beat, given the difficulty of the course. Defending Champion Richard Bunning was shooting that afternoon, and all eyes were on the scoreboard as he finished to see if he had done it. He did, with 112, even shooting a seven on stand

15. But he was not confident it would hold. "Whether that's enough I'm not sure, to be fair, I think possibly there's a few more out there... which may cost me" he stated. He wasn't wrong in his prediction, as later that day Sam Green ended the course on a 113.

Days three and four saw little change to the top of the leader board, but everyone knew that many of the top English Sporting shots would arrive on Sunday. Richard Faulds MBE, current British Open English Sporting Champion, shot in the morning, putting in 111 to enter the tie with Bradley-Day, Childerhouse, and Husthwaite.

Winser, fresh from his victory at the Essex Masters, put in the final score that would secure a place in the Super Final: 113, tying Green in first.

## SUPER FINAL AND SHOOT-OFFS

Shooting on the main course ended in the mid-afternoon, and the West Midlands

I thought the targets were awesome. There's a new trap from Promatic that certainly caught me out...

Shooting Ground team efficiently went about setting up the stands for the Super Final and the class and category shoot-offs. Targets were set on the Skeet layout just outside of the clubhouse, which had served as the pool shoot location over the previous days.

Shoot-offs commenced across the classes and categories, see the results table (p. 20) for full details of the winners. The Colts shoot-off was particularly exciting, with three shooters tied on first at 96. In the end Daniel King took the Colts High Gun, with Darcy McBride only one clay behind to take second,

and Tristan Hockey taking third.

James Bradley-Day was unable to make it to the ground on Sunday, so the Super Final consisted of Sam Green and Mark Winser, entering on 113, Richard Bunning on 112, and Chris Childerhouse, Ben Husthwaite, and Richard Faulds on 111. The finalists carried their previous scores into the Super Final, which consisted of three ten-target stands. After stand one, Husthwaite, Faulds, and Childerhouse remained tied on 116, while Bunning and Green levelled out to 118 each, with Winser pulling ahead to 120. Stand two saw Bunning pull ahead of Green

by one point, while Winser straightened the stand and moved ahead by five.

### DRAMATIC FINISH

The final stand was located on the balcony of the clubhouse above the spectators, a dramatic finish to a week of anticipation. Tom had one final surprise in store for competitors and onlookers alike. Prior to the shoot-off, the cherry picker that had thrown the downward target on stand 15 was reset with a midi looper thrown from about 100 foot (30.48 metres) high to come crashing down on the Skeet layout at a range of about 60 yards (54.86 metres) from the shooters.

In a scene epitomising the good-natured banter so common in clay-shooting, on viewing the target, the six finalists all let out shouts of surprise, "We want to speak

to Tom about this!" one of them said.

Winser took the laurels, only dropping two on the last stand to finish 138ex150, leaving Bunning as Runner-up with 132, and Green third with 131. Childerhouse and Husthwaite remained tied on 128, while Faulds fell behind to 124. Before the awards could commence, a final shoot-off was needed to decide the AAA class winner between Childerhouse and Husthwaite, which Childerhouse won.

Speaking after the event Winser stated, "I thought the course was one of the most entertaining and technically-rounded courses that I've shot in a long time... I'm obviously over the moon to take my fourth English Open title, especially with targets that Tom was throwing

in that shoot-off, they were absolutely on the limits of range at certain points."

### THANKS TO OUR SPONSORS

Over 1,200 shooters of all classes and categories completed the course over the five days. Fillipo Adamati of headline sponsor Rizzini stated, "The 2019 English

Open is the first CPSA event sponsored by Rizzini. We spent a fantastic week in the field. The location was simply perfect, we heard a lot of very positive comments about the quality of the targets, stand number 15 'the yo-yo' will stay in the memory of the shooters for long time..."

Rodrigo Crespo, Managing Director of Eley Hawk said, "As usual Tom and Debbie and all the staff from West Midlands Shooting Ground hosted an awesome event and even topped the last English Sporting Open with the targets they put on."

### SIGNATURE TOUCH

The course would not have had the signature touch that it did without the work that Promatic put into the custom trap on stand 15, along with the engineer support that they provided to make sure any issues with traps were swiftly dealt with.

Other scores of note at the event include Cheryl Hall's 105ex120 to win Ladies by a full six points over Lucy Pitt, 99, and Hannah Gibson, 97. John Bidwell and Robert Gray put in 108 in Veterans, with John winning the shoot-off by default. Paul Sadler of the British Army Shooting Team put in a 103 to take Disabled Standing High Gun, while Paul Bailey took Disabled Sitting on 83. Amy Easeman took Junior Ladies with 94. Parent and Child was won by James and Thomas Woodcock, while Side-by-Side went to Mark Ingate on 100.

**Over 1,200** shooters of all classes and categories completed the course over the five days...

# It's all about the action

## DT II SERIES

The DT II is built around a vault-tough cross-bolt action, it's 3mm wider than the DT10 and therefore slightly heavier. Incorporated into the forend the replaceable tightening system means the gun is rock solid. The Steelium Pro barrels boast an internal profile created to diminish felt recoil, improve shot patterning and reduce muzzle rise, with no loss of ballistic performance. Additionally, the detachable trigger unit, powered by V springs, gives the best possible trigger pulls.

## 690 SERIES

Launched in the new millennium the 690 has the same dependable trigger mechanism as the 680 series. However, the 690 benefits from Steelium Plus barrels; a self-adjustment system integrated into the forend and the inclusion of the B-Fast stock balancing system. The slightly wider, double fenced, action gives the 690 series even more stability and ease of handling. The upgraded ejector system and new action lock up, both contribute to extra rigidity in the shotgun.

## 680 SERIES

A long standing favourite among competition shooters, the legendary 680 series action has literally sold in the thousands. Thanks to the two conical locking lugs, the 686 action is compact and low profile while remaining extremely strong. The cold hammer forged Optima-Bore, Optima choke barrels are lightweight and place the shotgun's balance right at the hinge pin.

# INTERNATIONAL EVENTS ROUND-UP

Sarah Daly reports on shooting events around the world.

## WORLD CUP CHANGWON, KOREA, TRAP MEN

There was an 'edge of your seat' performance from Matt Coward Holley, not only winning a Tokyo Quota Place, but also silver, after a hard fought battle with Andreas Makri (CYP).

Matt shot the top score of 124ex125 in the qualifying rounds, but the finals were neck and neck all the way, with both Matt and Andreas level at the end of the finals' round. The shoot-off was decided at the sixth target with Andreas taking gold. It's worth watching the video on the ISSF website!

## FITASC UT EUROPEAN CHAMPIONSHIPS

197 competitors pitched for the Universal Trench (UT) European

Championships held over three days at Maribor, Slovenia, with Ed Ling and Kevin Borley coming home as UT European Champions – again!

Ed finished just one target ahead of Mario Fuentes (ESP) in the Open category, with Kevin Borley winning bronze after a shoot-off against Rod Gould, Radek Kozak (CZE) and Nicolo Fabbri (ITA).

Kevin Borley had a great competition, not only taking bronze in the open, but also winning the Veteran category with a score of 194ex200, two targets ahead of silver medallist Lionello Masiero (ITA).

### FACTOID

From the FITASC records dating back to 1969, Kevin Borley has won eight UT European Championships and Ed Ling six.

New Cap, Junior Ryan Askem, put in an impressive performance, moving up from seventh place going into day two. He finished the third day with 49ex50 to take him level with Theo Ling. They both shot 24ex25 in the shoot-off round, with Ryan taking the advantage in the 'sudden

death' shoot off, which left Theo just out of the medals.

Team Manager, Gordon Pownall said, "The success of the team is reflective of the dedication and devotion of all the athletes who are primarily self-funding and embrace the honour of representing GBR. We hope their success inspires others to rise to the challenge of our discipline, regardless of age."

# BACK TO BASICS THE SPORTING TARGETS

In this third article of the series, **J. Grant Repshire** examines the different types of clay targets used in the Sporting disciplines.

**A**s noted in our previous Back to Basics article, Sporting targets are limited almost only by the course setter's imagination and safety considerations. Unlike the Trap and Skeet disciplines where consistency in target presentation is key, in Sporting disciplines, the targets are expected to be different at every competition.

Not only are targets thrown in a variety of ways, but the physical targets vary too. In some cases, the type of clay that is thrown corresponds directly to how the target is presented – for example, a rabbit clay is meant to be thrown as a rabbit target, rolling along the ground. Usually, though, the type of target thrown does not correspond to a specific flightpath, but is instead chosen for variety or to make a target more challenging. For example, a driven target could be a Standard clay, or the exact same flight path could be used but with

**GG** ...in Sporting disciplines, the targets are expected to be different at every competition **JJ**

the smaller Midi or Mini clays to make it appear farther away and therefore more challenging.

Targets are often rather made from pitch and limestone, although more environmentally-friendly materials are available these days too. Clays are all generally shaped like an upside-down saucer and made to standard dimensions and weight. They need to be strong enough to withstand being thrown mechanically, but brittle enough to break when hit. Different colours can be used depending on the background, to make the target easier to see.

The CPSA rulebook states that for English Sporting 'FITASC targets (Mini,

Midi, Battue, Helice and Rabbit targets) may be used, as well as Standard or "flash" ISSF targets. The total amount of FITASC targets shall not exceed 40% of the total number of targets in the competition. Targets may be of any colour'.

*The following dimensions are generalities only, there may be some variation between manufacturers.*

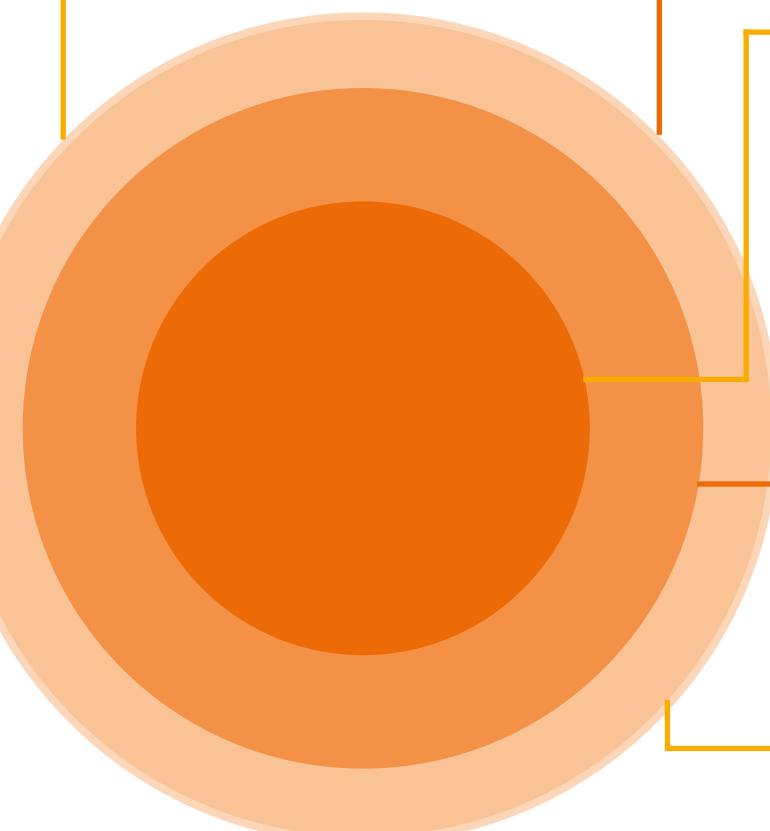

## CORRECTION

In last month's article, we incorrectly stated that Compak is shot gun-down. Compak can be shot either gun-down or with the gun pre-mounted.

### STANDARD Diameter 110mm | Height 25mm

This is the standard target that most people think of when you say 'clay pigeon'. It is the only authorised clay for Skeet and Trap disciplines. Typically, they are coloured blaze orange or black, but in Sporting they can be any colour. They are domed, often the convex side is coloured while the concave side is black. If only up to 40% of targets thrown on an English Sporting course can be 'FITASC targets', then at least 60% of all targets that you see on an English Sporting layout will be this one.

### RABBIT Diameter 110mm | Height 16mm

The Marmite target, you either love it or hate it. These clays have a thicker rim and are sturdier, as they are designed to be rolled along the ground and sometimes bounce, replicating a running rabbit. However, they can also be thrown into the air, as their size will make them fly slightly differently to a similar sized standard clay, and being thicker, they are less likely to break from one or two stray pellets and more likely to require a direct hit.

### MINI Diameter 60mm | Height 21mm

The smallest target you will likely ever encounter, at a diminutive 60mm. Like a Midi, it flies faster and its distance is easily misread.

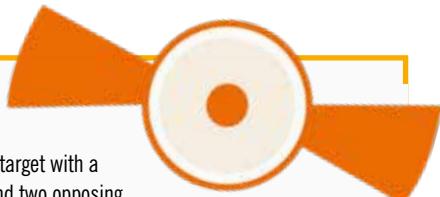

### MIDI Diameter 90mm | Height 23mm

This is shaped like the standard clay but with a 20mm smaller diameter. Being smaller, but thrown with the same force, they generally fly faster. They also appear further away than they really are to shooters who are used to shooting standard clays.

### BATTUE Diameter 108mm | Height 10mm

This target is much thinner and more aerodynamic than standard clays, but about the same diameter. It is designed to be thrown so that it first appears side on and flies fast – and therefore very difficult to see – but then gradually rolls over to present its face to the shooter, which is the optimum time to shoot it before it rapidly drops.

### HELICE

These are a plastic target with a white centre disc and two opposing orange wings that is thrown from a special Helice trap that causes the target to spin like a helicopter rotor when thrown. This results in wildly unpredictable flight paths. For this reason, it is not seen on English Sporting layouts, as CPSA rules state that target 'trajectories must be the same for each competitor in height, distance and speed', effectively ruling it out. However, it can be used in FITASC shoots. In the Helice discipline, this is the only target that is thrown, on a layout similar to Trap.

### 'FLASH' OR 'STARDUST' TARGETS

These are Standard targets that have an inset inside of the concave side of the target filled with bright powder, which causes a much more dramatic explosion when the clay is hit. 'Flash' is a trademarked name for Laporte/CPC clays, CCI calls their powder-filled target 'Stardust'.

# BARGAIN HUNTER

As the double cab pickup market continues to pick up pace, we take a look at the Isuzu D-Max Utah Huntsman, a truck specifically tailored for the shooting market.

**A**s large 4x4s continue to evolve as plush, pricey, road-orientated SUVs, a gap has opened up for something a little more rugged for a little less money.

Enter the double-cab pickup. Both capable and capacious, double cabs are becoming more popular with everyday drivers due to their tax efficient commercial status, car-like levels of interior trim and Tonka Toy good looks. These days you are just as likely to find kids tucked up in the rear seats as you are builders and tradesmen. They offer a tempting alternative for clay shooters who need to lug kit to inaccessible grounds, or who enjoy quarry shooting too.

The current D-Max model

What really sets it apart is the very smart set of strong, lockable aluminium drawers...

irritating issue with pickups is that items get thrown about during transit and invariably end up just out of reach at the far end

was facelifted in 2018, and the Utah Huntsman is one of the better specced variants. Power is provided by a comparatively smooth, fuel-efficient 1.9 turbo diesel that's been tuned to deliver a respectable 164 PS and 360 Nm of torque. Payload is 1,100kg and the D-Max can tow a braked trailer weighing 3,500kg.

What really sets the Huntsman apart is the very smart set of strong, lockable aluminium drawers installed in the load bay. An irritating issue with pickups is that items get thrown about during transit and invariably end up just out of reach at the far end

of the load bay. These drawers are a blessing for any shooter transporting guns, shells and other shooting kit over even the most demanding terrain. Tall enough to be properly useful, they are also compact enough not to limit the usability of the rest of the bay.

The Huntsman is comfortably specced with heated leather seats, climate control, reversing camera and cruise control. You also get 18in alloy wheels, underbody protection, a tow bar and a choice of muted metallic paint schemes to blend in with the surrounding

countryside. Even the wheels and other brightwork are blacked out for extra stealth.

The D-Max Utah is a handsome truck, particularly in Huntsman guise. Despite its size, it is very manageable to drive – sure, it is no drag racer, but once rolling it easily keeps up with traffic. It could be just the ticket for shooters looking for a go-anywhere alternative to a large, expensive SUV.

# AN INTRODUCTION TO SPORTRAP PART I

## HOW TO HIT

CPSA Level 3 Senior Coach **Simon Arbuckle** introduces us to the fast-growing discipline of Sportrap in this two-part article.

In this article, I'm going to introduce you to the discipline of Sportrap. This is a natural continuation of the articles that we've done previously on English Sporting targets, starting with singles, moving to on-report pairs, then to simultaneous pairs, all of which get used in the Sportrap sequence.

Sportrap is becoming an increasingly popular discipline. It doesn't take a lot of space to set it up, a Skeet layout is more than adequate. Often, they run concurrently with a Sporting competition and they're getting more and more popular with shooters. Now, Sportrap shouldn't be confused

with Compak. Compak is very similar, but it is international and governed by FITASC, rather than a domestic CPSA discipline as Sportrap is.

The photo diagram (see right) is a typical Sportrap layout. I'm going to describe how the sequence is shot as if you are starting on the first stand, labelled A. Sportrap is shot in squads of up to five. The five stands here are labelled A to E, one shooter per stand. Out in front of you will be five traps labelled A to E from left to right. One thing you won't

know is what clay is in each trap, unlike Sporting where the stand says, for example, 'Standard on-report Midi'.

### WATCH

View our How to Hit videos by visiting [cpsa.co.uk/hth3](http://cpsa.co.uk/hth3) or on our YouTube channel.

Please share the videos with your clay-shooting friends!

You've got to find out when the targets are thrown what clay gets sent. Also in front of you is a menu. This tells you which target you are going to get next when you call.

Everybody enters their stand and positions their guns over the bar facing forward. When the squad's in their stands before the first shooter in stand A calls for the first target, the referee will show the squad their targets. The referee will then call 'line ready', and number one, or stand A, calls for their target. On the menus, the top row is a single letter (see photo inset on opposite page). This is one target, full use of the gun – in other words, you can use two shots to hit it if needed with no penalty. The second row is on-report pair targets, and the third

row is a simultaneous pair.

The sequence goes: A shooter shoots their single target, then B shooter, C shooter, D shooter, and E shooter. Once they've all shot theirs, it is shooter A's turn again, so shooter A shoots the on-report pairs. When E has shot their on-report pair it comes back to the first peg, and you shoot the simultaneous pair. When it gets to stand E, and they have shot their simultaneous pair, the referee calls 'unload and change', and everybody moves one to the right, with five (or E) coming around to one (or A). Now, safety is vital. The guns are unloaded before you move, especially important if you are moving from the last stand to the first.

When everybody is in position the referee will call 'line ready', and the shooter who started originally will start with letter B. The same thing happens, and everyone goes through the entire sequence until number five (now on stand A), has shot their simultaneous pair. The referee again calls 'unload and change'

and you move one right. This goes on until everyone has shot all five targets on all five stands. At that point the referee will call 'unload and check your scores'. As a matter of course and manners, it is best not to leave your stand until the referee has called 'unload and change' or 'unload and check your scores'. You don't want to be the person who distracts the next shooter who's taking their turn.

The beauty of Sportrap is there's a menu in front of you and you get to know what's coming next. So the secret is to use your menu, and the rest of the squad's targets to work out where your visual pick-up point, gun-hold point, and break point will be, and on the sim pairs to decide which order you're going to shoot your targets in.

In the next article, I'm going to discuss how to shoot the on-report and simultaneous pairs.

**THANKS** To Southdown Gun Club for their invaluable help with this series.

**Below:** An example Sportrap layout. The traps can be anywhere in front of the stand and throw any Sporting-style targets. **Above inset:** An example Sportrap menu.

# YOUNG SHOTS

by Ross Lester

## ADVICE TO YOUNG AMBITIOUS SHOTS

**H**ave a plan. I remember having a 'grown up' conversation with my dad four years ago about my ESK ambitions and goals. As a result, we drew up a plan of action:

- Work with a top-class coach to improve and refine my shooting technique.
- Enter a minimum of three CPSA ESK Registered Competitions per month, at different grounds, to gain competition experience.
- Focus on a regime to improve my diet, physical strength and concentration.
- Practise with purpose – quality over volume.

At first the plan was a bit daunting, but in small measurable milestones I tracked my progress and identified areas that required improvement. Through hard work my ESK scores and confidence greatly improved, resulting in me gaining the following:

### CPSA Ranking 2018

No.1 Colt ESK

### Major CPSA Championship Wins (Colt)

2017 English Open ESK Championship	2018 English Open ESK Championship
2018 British Open ESK Championship	2018 Welsh Open ESK Championship
2019 English Open ESK Championship	

## HOW I STARTED

I started clay shooting when I was 10 years old. I attended a CPSA Young Shots Day at Barbury Shooting School in Wiltshire and I immediately fell in love with the sport, and English Skeet (ESK) in particular. Just three months later I went on to win the Wiltshire ESK County Championships and, from that moment, I was hooked.

## SPONSORSHIP

I have resisted the temptation to accept short-term sponsorship offers because ideally I would like to work with and represent an organisation(s) that is serious about the sport and keen to join me on my journey – both nationally and internationally. I genuinely have a passion for shooting, and I would love to be a brand ambassador for an organisation that shares my values and ambitions.

## THE FUTURE...

I am now in the process of transitioning to Olympic Skeet (OSK). I have updated my four-year plan, I have a new coach and have completely overhauled my personal training schedule. I am also attending the GB Talent Pathway while continuing to build my scores by entering Registered Competitions.

I have had a fantastic few years in the sport and feel that I am now more determined than ever to shoot OSK at the highest possible level. As long as I break everything down into small, measurable milestones I feel that anything is possible!

## MY PROUDEST ACHIEVEMENT

Gaining selection for the winning 2018 ESK England Team still ranks as my biggest highlight to-date and I am indebted to the whole team for making me feel so welcome on my debut. I shot 147ex150 over two days to help the England Team secure an overall victory against Scotland, Wales, Northern Ireland, Ireland, Isle of Man, and Jersey. It was a great experience and one that I will cherish forever.

### First North Region Sporting Shoot

TD Shooting held the First Shoot on bank holiday Monday at Park Lodge Shooting School, the weather was glorious and made for a great day's shooting. Tom and Dave had set 12 stands with a great mix of speeds and angles to catch the shooters out with 45 yards being the furthest target thrown. The first three stands were pretty straight forward, but at stand five a low right to left yellow and a right to left midi caused a few people problems. The next few stands were again relatively straight forward, until stand nine which was a left to right standard set on top of the bank, followed by a deceiving chondelle that needed more lead than expected. The next few stands did make you work to the finish with stand 12 being a tricky 30 yard rabbit followed by a low fast orange standard left to right, causing the odd shooter problems. By the end of a busy day Paul Foster took HG with a solid 93, AA class was won by Tom Brown on 92, A class Martin Walsh with 86, B class winner was Reece Lofley on 83, C class was won by Charlotte Copland. Also held that day was the start of the snooker challenge. It received good support

From left: Gary Cooke, Martyn Fleming, Andy Parsons, Steve Leppington, Martin Brister..

throughout the day with Mark Winser scoring highest with 83ex100 winning £175. If you finish in the top eight after the qualifying rounds held our competition days you will be invited back for a final on Saturday 28 September with HG being £250 and Runner Up £150. Thank you to all our staff and all who took part, and thank you to Tom and Sharon Bayston for the excellent facilities at Park Lodge.

### TD Shooting Sportrap Winter Series

From October 2018 to March 2019 TD Shooting once again held a Sportrap Winter series at Park Lodge Shooting. Entries throughout the series were well attended with some very impressive scores to match. The Final Shoot was held on 31 March and it was the Sportrap master Paul Foster who took HG with a 94, some eight targets clear of second place. This win also gave Paul the series win for the second year running. The series class winners were AA class Martin Doughty, A class Phil Rowbottom, B class Reece Lofley, C class Andy Burton. Thank you to all who supported

the series and thank you to all the staff, Tom and Sharon Bayston for the facilities and all at Park Lodge. We will be releasing dates of future competitions soon and also the dates of our next winter series. **Dave and Tom**

At the first ESK England selection shoot on the 20 April at Dartford Shooting Ground, three northern Skeet shooters were part of a squad that recorded what is believed to be the first 5x100 straight at ESK selection shoot in the UK.

Gary Cooke, Steve Leppington and Andy Parsons are the Northern contingent. Gary Cooke followed up with an amazing second hundred straight on the Sunday to finish with 200 straight. Thanks to Andy Parsons for telling us about this outstanding achievement.

### 28 April: North of England Clay Target Centre

The second North of England selection took place at NOE. I would like to thank all the shooters who turned up and the ground for holding the event. There was 79 shooters who took part. The weather has been kind to us

and was sunny with hardly any breeze. There was no surprise that 100/300 was shot. It was shot by Keith Ritchie. The highest northern shooters were Tom Robinson, Charlotte Kitchen, Ian Patterson and Allan Henry who all shot 100/299. Amazing shooting. Well shot to Cory Doble who shot a new PB for this year of 291. He was the highest Colt/Junior with this score. Once again thank you to everyone.

#### 12 May: Penrith & District Gun Club

The third North of England Selection took place at Penrith. Again we had a high turn out of 68 shooters. The highest score came

from Paul Tuner shooting a 100/300 closely followed by Nigel Chapman and Paul Chaplow with a 100/299. Well done. The highest Veteran was John Adams with a score of 295 and the highest Junior/Colt was Cory Doble again who shot a very impressive 99/292. The highest Lady was Emma Holden with a score of 100/297. It has been lovely to see more Colts/Juniors and Ladies turning up to these events. Thank you to ground for holding this event it really ran smoothly. I look forward to coming back and shooting at the ground again.

The Cheshire UT Championships was held at Fauxdeglia Shooting Ground, on Saturday 27 April, in very testing weather conditions. Six shooters entered. Paul Culverwell is the new champion with a great score, on such a bad weather day, 83ex100. Dave O'Donnell (80) Runner Up, and took the Mens trophy, Mike Faux (76) is Veterans winner. Congratulations to you all.

On the same day over at North Wales Shooting School it was the 50 bird skeet league. Jim Wagstaff was HG with 49, winning 250 Eley Hawk cartridges and a trophy – well done Jim.

On Sunday 5 May it was West Midlands Area, Individual Skeet Championship at Doveridge. There was a total of 98 entries,

including some from outside the area. Cheshire Skeet shooters were out in force, and with near perfect weather conditions some high scores were posted. Ian Cunliffe was the first to shoot 100 straight. Andrew Parsons from Yorkshire, and Stuart Thomas from Warwickshire also scored 100 straight. A shoot off between Ian Cunliffe and Stuart Thomas then followed, with Stuart winning by the narrowest margin of one clay. Congratulations to Stuart, and commiserations to Ian. Excellent shooting from both of you.

Many congratulations go to Scott Barnett, he has been selected to shoot in the England senior team, by the ICTSF. Scott will be shooting in the World Championship, at Douth Hall in Ireland 3-6 July. Good luck Scott.

It's been a great start to the selection shoots for DTL, our first selection shoot at Fauxdeglia was very well attended, with 25 Cheshire shooters. It was a bit of a windy day, but the ground did a good job at getting us some good targets. There was some good shooting with the best score of 100/296. AA Class P Relph 100/296, J Barnett 98/290, M Harris 98/289. A Class D Hurstfield 100/296, P Sant 100/291, CM Harris 99/291. B Class R Pierpoint 98/285, J Hitchmough 95/276, E Hardy 89/264. C Class T Warburton 97/288, J Richards 93/276, N Booth 93/271. It's great to see lots of new Ladies now trying out for the Cheshire team. The second selection shoot was held at Holmes Chapel on 28 April. It

was a much better day all round, warm dry and sunny, which saw another good entry of 22 Cheshire shooters. So some good scores were expected, and we weren't wrong. The best of the day was Chris Harris with a great 100/297, well shot Chris. AA Class M Harris 99/294, P Relph 98/292, A Class CM Harris 100/297, ES Furber 100/296, LI Furber 98/288, B Class CK Hollowell 99/287, A Sage 95/282, J Hitchmough 95/277, C Class I Turtle 98/287, N Booth 94/281, T Warburton 91/272. So far it looks like we've had five Ladies, six Vets, two Juniors, and 15 Seniors over the two events. Thanks to all for your support, and good shooting at the next shoots, we'll see you there.

### RICHARD MOREING

Our Chair Joanna Thomas proudly launched the county's Supreme Champion event for 2019. In short you need to compete in at least three of our county championship shooting events this summer, one trap (DTL or the ABT) one sporting (FITASC, English Sporting or Sportrap) and one Skeet (English Skeet or the Skeet Doubles). Points are awarded from each event's HG and the counties shot with the fewest points from their lowest three qualifying events will determine the county's Supreme Champion for 2019.

As before the county will be entering the WM Region 'Clubman' event, at Garlands Saturday 14 September, where each county is to send a team made up as four A, B and C class shooters, shot against classes and an overall award too, Joanna will be responsible for selecting this team.

We have had two County Championship shoots – 19 April All Round at Brook Bank, a tie for first Matthew Panter and Rob Wise both shooting 94, with Matt winning in a very tense shoot off. Well done both. Third being Matt Turk 90. Joanna Thomas, 86, won Ladies and John Slatter, 83, won Veterans.

On 28 April it was DTL, again at Brook Bank. It was much improved entry numbers wise than on previous years, and a hotly contested shoot too. England regular Shaun Porter, 99/296pts just pipping his good chum Simon Darch 100/293pts, third went to Mark Thomas, Ian Coley winning Veterans, Sue Tippett, Ladies and Nathan Beames, Juniors. Very many thanks to all at Brook Bank for hosting our trap events.

After the one shoot Shaun Porter, 1, leads Simon Darch, 4, and Ian Coley, 11, in the Supreme Champion table. DTL is though a very high scoring event and its all very much still up for grabs.

As I write I'm just hearing that Adrian Johnson finished in the top 10 in Seniors at the European FITASC, very well done.

Out and about, a name for us all to keep an eye out for is Colt Brett Powell, 95, in winning English Skeet at Gloucester on the 21 April, he was, though, chased hard by another Colt Liam Richings, 92.

Other notable scores about, Longridge, 22 April, Mark Thomas 93 first in A. Ian Coleys, 1 May, Steve Lovatt 95, first in AA. Longridge, 6 May, Richard Alley 78 first in C. Gunsite, 12 May Jack Smith, 81, first in C.

Not a CPSA event, I would though like to extend a very big well done to all at Gloucester Shooting Ground in their annual

Andrew Tudge Memorial Trophy & Charity Shoot. Despite the weather it was an enormous success and over £1,500 raised for the Velindre Cancer Unit Charity, you all deserve a very big hand for that.

Please do forward any notable efforts by our county's shooters so one can share with all.

County Championships, known dates are as follows:

#### Forthcoming dates

4 Aug	English Skeet at Gloucester,

Hi folks, the 17 March was a very busy day. A shoot we all look forward to, The

Cambridgeshire DTL Championship. It turned out to be a very blustery day indeed, but still a good entry of 46 taking part.

This year, Matt Sheldrake ended up Champion with a score of 98/288 and, in this weather that was a very good score indeed. Chasing hard on his heels was last year's champion, Paul Ward, with another very good score of 98/286. So this was a reverse of last year's results, when Paul was Champion and Matt Runner Up. Very well shot indeed.

The Vets went to Richard Croft – 95/282. Ladies to Amelia Smith – 84/248. Colts to Samuel Halls – 96/256. AA Class Richard Morris – 88/253. A Class Steve Eley – 94/278. B Class Corbie Barnard – 97/284. C Class Marcus Lord – 92/ 275.

Well done folks in some very trying

conditions, with changing wind and light. Many thanks to Cambridge GC for their hospitality.

Well here we go again, this time the Cambridgeshire ABT Championship was held on the 21 March at Cambridge GC. This was the first Championship to be held under the new fully covered ABT layout.

Some excellent shooting took place in very good weather, and this showed with the scores. None better than Matt Sheldrake who once again came good with a superb 94. This was just good enough to give Matt another championship and again as in the DTL, just piping Paul Ward who shot a super 93 to take the runner up spot.

The Vets went to top sporting shooter Brian Dunbavin with a 91, and the Ladies went as it did last year to Hazel Whitten with a well shot 86.

Superb shooting folks and once again many thanks to Cambridge GC for their hospitality.

The Cambridgeshire Skeet Doubles Championship was held at Eriswell on the 7 April, and started off with typically seasonal weather of wind and rain, eventually turning brighter.

Both Phil Barnard and Chris Morris shot a superb 97. Chris was not available for the shoot off, and took the Senior title, therefore Phil Barnard was crowned Champion.

The Veteran and Lady title was won with a 92 by Michele Conway, with Julian Berridge retaining his Junior title on 74. No Colts entered.

Well done to all, shooting in some very testing conditions!

### ALAN BOTT

Hello to you all. Well another month has gone by, days are getting longer, the sun is getting warmer and the Championships are now getting well underway.

I have reports on the EM ZZ, the DTL single barrel, the County ZZ, the EO Skeet and sporting from Kibworth.

Firstly, congratulations to Junior shooter Connor Harris, who has become the EM ZZ Champion which was staged at the Rugby & DTC on 28 April. Connor just happened to miss his first target but went on to hit the other 23. There's not much more that can be said for a performance like that except – wow! Well done Connor.

Another well done goes to Veteran All-Round shooter Bob Tucker. I used to cross swords with Bob many moons ago and now he's making headlines again. This time it was at the English Open Skeet Championship at Doveridge. With a score of 99x100, he topped his class and won the Veterans Trophy too, what a successful weekend it turned out to be for him. Now we all have to face him in the county championship shoot. Well done Bob, we're proud of you.

Now the County Single Barrel. A good turnout, as usual, for this event, well hosted by Uncle Mick and his team, at Normanton SC. All of the county top DTL shooters featured again, well done to you all. The top spot went jointly to Alex Harris, just arrived as a senior from the Junior ranks and Adam Curtis, both shooting 97x100 and no second barrels (only joking). Veteran Mike Brookes and Senior Jason Marlow cleared 94, Mark Joyce and Connor Harris were just one point under with 93x100. Helen Oakes rounded of a successful event

shooting 83 to claim the Ladies trophy. Good shooting everyone and thanks to Normanton.

Leicestershire and Rutland Helice at Rugby & DTC – well it was time for the 'crazy clays' day at Rugby again and yet another good entry too. ZZ people from all over were there, trying to master this discipline. Our top shooters were Jason Linnell and Tony Cox, Jason hit 18x24 and Tony broke 12. I think that it easier trying to catch a jumbo jet in a kiddies fishing net. Anyhow, all competitors enjoyed the challenge. Thank you Rugby. See you in September for the ABT.

Another pleasing event was held at Kibworth Shooting Ground. They, Kibworth, have just started having 100 target Registered Sporting shoots after a long absence from the scene, and what a welcome they were given. The 1st, event was held on 3 June (Friday) and other shoots are planned to be held on the first Friday of the months up to and including September. There were 14 full squads entered, a total 84 entries. A Sportrap pool was held on the day too. The scores were: AA class, Neil Falkner 96x100, Henry Collins and G Moore with 95; A class, R Allen and M Parsons 91x100 and H Gizzi 90; B class, R Spooner 84, M Donahue and P Ford 82; C class, S Knowles 74 and P George 71. Oh yes, I nearly forgot. The HG of the day was Steve Brightwell with a whopping 98x100. Well done 'team Kibworth'.

I'm nearly out of breath now. Next time, reports from Kegworth (second Sporting selection), English Skeet (Northampton) and Double-Rise Normanton, until then, shoot well and keep your powder dry. See other snippets on our website.

**Cheers, Alan B**

Like the proverbial London bus, not two but

three turn up... As a county we have rarely seen such success across such varied disciplines, with three GB caps awarded in the past few weeks.

Junior Joe Tune travels to Slovenia representing GB at UT in The European Championship. Junior George Cheer travels to Greece competing for GB at the European Championship Compak. Trevor Hawkins not to be outgunned by the Juniors wins his GB Cap for Helice, traveling to Italy in the European Championship. Congratulations GB County Shooter Aaron Heading takes gold in the first British Shooting Shotgun Series.

### 12 May: County FITASC Championship, Kegworth

The sun was bright with shooters donning shorts. A technical round set by our hosts Janet and John and the Kegworth team. Long targets, quick targets. The day ran like clockwork. Some strong scores came in from county shooters high gun on the day and overall Lincolnshire champion was Trevor Hawkins on 89/100.

The Early May Bank Holiday provided plenty of shooting opportunities across the county and beyond. Supreme Champion Richard Gray resumes where he left off, with business as usual, taking the handicap by Distance Championship at Priory CTC with close friend Runner Up Peter Constanti. Thanks to everyone who turned out, and to John Heading, Shane and everyone at the Priory.

Also over the same weekend the UT Championship had 10 county guns taking up the challenge to pry Jack Wilkinson from his hard earned trophy last year. Marvin Houghton and Steve Parker coming close both with 92,

#### 21 April: ABT, Rugby and District GC

Conditions were almost perfect at the first Major County Championship of the year.

Jack Wilkinson set the pace early a superb 97. Junior Joe Tune was two down at 75. One slip on his last line meant a shoot off. The shoot off was a tense affair, matching shot for shot. Jack let one slip away; Joe shot another perfect 25 taking the title and Junior title, leaving Jack the consolation of taking A Class

A shoot off was required for C Class, Stuart Whitehead and Nick Pearce carding 95. Stuart dropped two targets for Nick to take C Class for the second year running. Ladies Champion is Jackie Houghton 86, Caroline Hawkins, not only scored a PB 83 but also her first 25 straight.

Marvin Houghton is Veterans Champion on 92, beating Dick Cooper by just one target. Nigel Watson B Class 95. Dave Shepherd D Class 88.

#### 14 April: Sportrap at Orston

Despite a bitterly cold easterly wind, 42 county guns set out for a great day. Atmosphere was second to none, people renewed old acquaintances and built new ones too. Our new Sporting Manager (Deputy) Trevor Hawkins (that's what Caroline told me anyway...) was in attendance, and I went along to hold his hand.

First squad was a strong one. Four county guns in the mix, Paul Zaitschenko, Matt Lee, John Lee and Danny Shepherd. Matt set a fantastic score of 90. Matt's score looked safe until Jack Dean came in with a great 91, taking the County High Gun and Sportrap Title.

Richard Pettitt Veterans 80. Ladies Champion Georgina Barratt 69. Colts Champion Kallum Burrel 61. Junior Champion James Wells 59.

We only present Trophy, glassware and badge for High Gun at Sportrap, but wanted to recognise everyone's achievements. Emily, Daniel, Fran, all the staff and referees did a first class job as always Orston, special thanks to Fran for getting the scores out so quickly.

#### 28 April: County DLT Competition

I would like to start by saying a HUGE thank you to the shooters who entered this competition. The numbers for this discipline's competition get smaller each year. Even with acknowledgement given to the competing events that were taking place at the same time, an entry of six is disappointing by any standards. I have to note also that there were no Junior or Lady shooters this year which is a sad fact to report. By joining in with the Bedford county competition at least gave the idea that a competition was taking place otherwise the shooter's efforts would have been lost.

Leon Gill took the Senior title and A class with a score of 95/282 just 2 points ahead of Roy Tyler with 97/280 who won the AA class.

Alex Banning took the Colt title and B class with 93/272 and Laurie Cookson took the Veteran's title with a 3 clay 7 point lead from John Woolacott who none the less was first in C Class. Chris Borman also took part but unfortunately just missed out on any win.

#### 28 April: County ZZ Helice Competition

Sadly even though this fixture was advertised with and shot with the E Midlands regional championship and the 1st Inter-Counties competition nobody for the county shot the discipline. If you are a Helice shooter the county committee would like to know about you. Get in touch!

#### 5 May: County Sporting Competition

Well if we were underwhelmed with the two previous competitions the county sporting more than made up for it with a total entry of 141, including the county entry of 58 guns. There were no 'walk-ins' when it came to the

silverware either as every class and category had shooters in competition with each other. MudControl were the sponsors for this event donating four class prizes of 250 cartridges and commemorative badges for the winners. Silverware went to the five shooter categories. The day started colder than expected and didn't reach the usual temperature but at least the wind was lower and didn't play around with the clays as much as in past weeks meaning that whilst Pete and Roy had set a testing course the wind didn't add its own special brand of surprise. The rain also held off and there were some bright blue skies which made a change. Altogether it was a good day to smash some clays and the scores gave proof of that with most increased from last year. Sadly though there were no 100s.

The men's Senior category winner was England shooter Neil Faulkner with a score of 98ex100, one clay clear of Chris Sumner and two clays from Jo Smith. Neil also took the AA class prize. Last year's Senior winner, Ollie Bradshaw, was down in the pack this year.

J 'Taff' Williams increased his score from 2018 by over 20 clays and won the Veteran category with 95, four clays clear of Mick Russell on 91ex100.

For the fourth year running Louise Smith won the Ladies category improving her score from last year by six clays to finish on 84. Louise's nearest rival was Rose Palmer who scored 77.

George Whatton made the most of his time on the day and took the Junior title with a score of 81. Finally but by no means least Harry Piercy won the Colt title with a sweet score of 85. Harry also won the C Class prize of badge and cartridges donated by Mud Control.

Thanks again go to Mud Control and James Trimbecki for the sponsorship of this competition and the prizes. Thanks also to all the shooters who took part.

With the county season now well underway we have a lot to report. For full reports and pictures on all of our shoots please visit our new website [suffolkcpsa.co.uk](http://suffolkcpsa.co.uk)

#### Sporting Masters

Good Friday saw the second of the Suffolk championships with the Sporting Masters at Barrow Sporting Clays. The weather was beautiful, drawing shooters from near and far, to see who could come out victorious at this shoot. With many of the county top shots coming out to play, Aaron Harvey was the one to end up on top and taking home the silverware after shooting a brilliant 98 out of 100. The Junior's honours again went to Henry Bevan and the Veterans to Chris Willis after shooting 93 and 90 respectively. The Ladies title went to Tina Henshaw, this is her first county title so a massive congratulations.

#### DTL Championship

The second super-six title of 2019 was the DTL Championship, with Barry Randall being the team captain for this, he will be in contact with the successful shooters soon. With challenging weather, it ensured that the targets were kept interesting for all, but it did not prove to be too much of an issue for this year's County Champion Nick Havard who shot a 98/289 leaving him with the top spot honours.

Veterans went to Frank Welham who shot a highly competitive 99/287, which almost also gave him the top spot! Ladies was competed for by four ladies, a brilliant turn out in this category and this year's title went to Melissa Smith after shooting 88/255. Henry Lungleay, one of our county Colts, took home the Juniors title for this year.

#### Nottinghamshire All Round

The All Round was held on 28 April at Orston Shooting Ground. We had a good entry of 41 with 29 of those from the county, and the weather was kind.

The overall champion was Pat Dickman on an outstanding score of 97 – congratulations Pat! Pat also unsurprisingly won HG on the day and the Veteran title. The Senior and AA Champion was Ricky Croshaw on a score of 86, Lady Champion was Megan Gamble on 67 and young Matt Hall was the Colt Champion on an excellent score of 66. There were no Juniors so that trophy was uncontested. In the rest of the classes Ken Rimington won A class, Rob Denoon won in B Class and Rob Ellis scooped the C Class prize. Many thanks to all those who attended and to Dan and Emily for running a great championship.

#### Nottinghamshire Sporting

Again the county shooters headed to Orston but this time for the English Sporting County Championship held on 5 May. We had an excellent turnout of 172 entrants. The overall champion was Glenn Buckley on a score of 89, just four clays from HG of the day, who was Sam Green (out of county competitor). Glen also won his class – A Class. Many congratulations! Tom Gibson was the Nottinghamshire Senior Champion, and AA class winner on a credible score of 89 on count back with Simon Davies. Again there were no entrants in the Junior section, but Matthew

Armett was the Colt Champion and Megan Gamble the Lady Champion for the county. Stevan Hardy was the C Class winner and Lee Clements the B class winner. Many thanks to all those who entered on the day. It was great to have so many county shooters – even on a bank holiday weekend. And thanks again to Dan, Emily and all the team at Orston for a great event. (Also thanks to Emily for providing the reports from both events).

#### Team news

Well done, and thank you, to everyone that attended the inaugural Regional ZZ Inter-Counties event at Rugby on 28 April. The team finished in fifth place, with Tony Clark the top scorer for Notts with 19. Many thanks to Granville Hodgkinson who was the team manager.

The county teams for the rest of the events can be found on the county website – the Inter-Counties Skeet is at Nottingham on 7 July so if you are on the team, make sure you know your start time and good luck!

#### Supreme Championship

We are now four events into the Supreme Championship but there are still three to go, so if you have already shot at least one of the events there is plenty of opportunity to improve your score or get a qualifying score of four events. Trophies, clothing and free entry to county shoots for 2020 are the prizes up for grabs in every category (Colts, Juniors, Ladies, Seniors, Veterans, Super Veterans and Overall County Supreme Champion).

**5 May: Skeet Championship**

With two shoot offs being seen for the County Champion and Veterans title it created an interesting end of day spectacle. The first shoot off was between Bernie Polley and Adrian Cook for Veterans, with them both shooting the whole round straight it went to sudden death pairs on station four where Bernie edged away taking home the title. The County Champion shoot off between Daren Parsons and Stuart Smith was tense, after they had both shot 99 after dropping a target on the last range. Their shoot off saw another straight round so to doubles on four they went, were Daren let a couple slip past him allowing Stuart to dig in and take home the title. In Ladies we saw five competitors with Melissa Smith taking the honours again. In Juniors we saw top shots Henry Bevan and Tom McGregor take to the range, but it was 13-year-old Henry Lungley who shot to the top of this category taking home the trophy!

**East Midlands award Suffolk shooter**

Congratulations to the lovely Adrian Last, who this year was honoured to receive a 'Service to the Region' award by the East Midlands Regional Committee for his ongoing service to shooting in the region. I am sure you will all know of Adrian as he is a regular face at many of our county fixtures and local shoots,

so please join us in congratulating him on his achievements! He has previously won numerous other awards including the Suffolk Sports Personality of the Year at the Suffolk Sports Awards so this is another brilliant one for him to add to his collection!

## AVON

**ROGER COX**

rogercox47@gmail.com  
 sites.cpsa.co.uk/avon

The Avon Sporting Championship took place at Meadowcroft SG on 21 April. On a day with wall to wall sunshine and no wind, little criticism of the quality of targets could be made on this perfect day. With a large turnout the shoot ran well and conditions were ideal for high scores on the day. A new Avon champion emerged with Sam Usher putting a 97/100 score on the board to lead the field home and take the Avon Champions title for the first time and high gun prize. Dean Horswell followed him home to take Runners Up on a 90/100. Trophies for all class winners were also well contested with M Williams 80/100 taking A class. B class was won by F Ahmed with a 84/100 and C class won by A Wood on a 74/100. Congratulations to all the winners and for those who missed the prize winning presentation trophies can be picked up from the ground at the next shoot. Thanks to Dave Woolcott and his staff for an excellent

shoot and Lucy on the desk for managing entries and shooters.

We are the bearers of some sad news for those who have not already heard. Andy Hobbs passed away on Sunday 21 April. Andy was a close friend to Avon shooters and always had time in his gun shop in Midsomer Norton for a chat and coffee and expert advice for those who needed it. A supplier on many shooters with quality firearms and ammo over the years, Andy was one of the larger than life characters in the sport. Supplying to many local clubs with their equipment, clays, and bits to hold shoots where nothing was too much trouble for him to provide a good service to shooters.

Andy was a past chairman of Avon CPSA County Committee and was county champion back in a day in some of the trap disciplines. Until recent times, Andy also chaired the Avon & Somerset Constabulary Firearms Consultative Committee. He was also the current Chair of Midsomer Norton Target Shooting Club and a leading light in the Gun Traders Association.

He was also behind the building of the shooting facility under current construction on the Mendips after many years fighting for planning permission that would shoot seven days a week with many shooting disciplines accommodated on site from rifle to shotgun from outdoor and indoor facilities constructed.

A sad loss to the sport and our thoughts are with Margaret and the family at this time.

Report from the Sportrap Championship and

All Round will appear in the next issue of *Pull!*.

Again any date changes for championships will be posted as soon as possible on Avon website.

Any further breaking news from anyone please contacts us on email below for inclusion next time.

The Avon website is hosted on the main CPSA website and can be accessed via the County tab. Also there is a new email address of rogercox47@gmail.com for contact in the future.

**DORSET****ANTHONY READ**

07929 189887

saltonread@gmail.com

sites.cpsa.co.uk/dorset

The County Championships have now been going for some weeks. The first to report on is the Dorset A/R, held at Brook Bank (BB) on 29 April. Top Dorset shooter and winner of the event and the new Dorset Champions is Richard King with 95/100. Our top Veteran was Dean Webber, (88/100), who has made a welcome

return to competition shooting this year. Then we come to the ESK on 6 May, at BB. The top two shooters were Dorset's Richard King and Peter Brushett. Both scoring a full house 100/100. Peter shooting his first 100 straight at ESK, which he very much enjoyed until the other shooters made a mess of his shooting cap, (as is the custom). His day was not spoilt in any way when Richard beat him in a shoot-off to become the Dorset Champion. Superb shooting by both of them.

28 April, BB hosted the Dorset, Somerset and Gloucester, DTL Championships. Dorset shooters were very close together: viz. Ian Mulliner 97/287; Tony Read 97/285 and Dean Webber 95/284. Ian of course became the 2019 Champion with Tony as the highest Veteran. Of the 54 competitors 5 were ladies, but unfortunately none from Dorset. With one Junior from Gloucester.

BB also hosted a joint OT County Championship for Dorset, and Somerset on 12 May. Top scorer and the new Dorset Champion is a blast from the past in the form of DT Gold Medallist Peter Wilson, with 99/100. He has transferred his attentions from DT to OT and his training has certainly paid dividends. An excellent score. However, I reserve my best praise for young Harry Mauder, a Dorset Junior shooter who scored an equally excellent 95/100. Had it been possible to print all of the results one would see how good that score was. Beating some very good seasoned shooters in this discipline. It was good to see three Juniors in total from various counties taking part. All of whom were in the top half of the results.

The three photographs below show Richard King and Peter Brushett after their fabulous joint scores of 100 at Skeet. The second photo is of the tall Peter Wilson having been presented with his trophy by Dorset's Chairman Ian Mulliner and the third photo is of Ian Mulliner and Tony Read with their respective DTL trophies.

**HAMPSHIRE****ANDY GORDGE**gordge205@btinternet.com  
hampshirecpsa.org.uk**Hants ABT Championship**

A windy day greeted the Hampshire members as they turned up at Fareham CTC on the 14 April, this would not be a good start for those that like the regulation targets as clearly those clays to be thrown will have different ideas. The first squads out proved the basic facts, call of the target swing the gun, pull the trigger just as the target rises or drops three feet or more, oh brilliant.

The competition required a bit of luck and really tested the skill of several past champions and all those wishing to take the 2019 Championship title. Ben Gordge is the name engraved on the cup for the last three years, 2016,17 and 18 but he didn't turn up to defend, so a new name will appear on the large cup for 2019. As the score cards returned the windy conditions certainly spoilt the chances for many hopefuls. Ian King on the other hand shot some excellent scores which secured him the Hants title.

Hampshire 2019 Champ Ian King, K Bright, Ladies, Rick Stala, Vets, Corey Vassey, Junior and Alex Head, Colts.

**Hampshire All-Round Championship**

The All-Round is a good test of shooting skills across the Trap, Sporting and Skeet disciplines. Attracting seven squads at Fareham CTC on the 27 April, not only the Hants Champ but also the club's 'Presidents Cup' to be awarded to one of the winter series winners so two

good trophies to get your name on.

The first two of the disciplines 25 ABT and 25 Sporting, Mark Bryant, Ron King, Kev Luff all returning good scores in both, several others returning with hopeful scores too. At midday and both the morning disciplines over the afternoons test was the Single Barrel and Skeet. Although there was a few misses, the morning's scores added to the afternoon carried on for above mentioned as the list below states.

FCTC Presidents Cup, Mark Bryant. Hampshire All-Round Champs. Ron King Champ plus Vets class too. Jane King, the Ladies class. Colts went to Alex Head.

#### Royal Berks Challenge

Hampshire's Trevor Bell came out on top at the Royal Berkshire handicap challenge shooting an amazing 96/100 but with the handicap of nine this gave him the 100/100 to win the Browning Heritage Hunter. Even more amazing was the Hampshire Colt 13-year-old Alex Head, son of Andy who secured second place, with a score including his handicap of 99/100, well done Alex. The RBSS challenge is no walk in the park these are tough targets and the competition runs for many weeks hence a high entry, so very well done Trevor and Alex.

#### Hampshire Sporting Championship

Owls Lodge hosted yet again the 100 target, 14 stand event. The weather was good, dry and sunny – perfect for some high scores from the 212 entries, of which 94 were Hampshire members. Phil Marks returned a 94/100 and would see his name on the cup this year. Ron King with 85/100 won the Vets title, Tanya Faulds with 86/100 the Ladies title, and the Hants Junior title to E Dunn-Weedon on 74.

What a busy day the All-Round was at Brook Bank on the 19 April. As always a popular day at Brook Bank, as they are one of the few grounds in the SW that can hold an All-Round Competition. It was a busy day with over 75 shooters competing for the various titles and they couldn't have asked for better weather. There were some very impressive scores being racked up and in the end it had to go to a shoot off to decide the County Champion title as both Martin Howe and Brian Summerhayes were tied on 94. Martin eventually pipped Brian to the title, but Brian was still able to hold his head high by walking away with the Veterans title instead. Congratulations also goes to Karen Brown who won the Somerset Ladies title.

The first of the domestic Trap disciplines was the DTL at Brook Bank and it was a jointly held affair with four counties having their County Championship on the day. The out and out winner for the day was Brian Prettejohn who finished the day on 100/297, having used only one second barrel. Great shooting Brian! Gerald Sweet won the Veterans title and Wendy Spackman won the Ladies title.

The English Sporting was held at Double Barreled Podimore on Sunday 5 May and there was a great turnout! Thirteen stands had been put on for the shoot to keep things flowing, as there were going to be some shooters who would shoot the County Championship and then head onto the Greenfields event. Some great feedback was received about the targets and also the ground as well, so congratulations to Don for all the hard work that he and his team put in. This is always a hotly contested shoot and this year was no exception, with the two top Somerset shooters finishing just one target apart. Shaun Stacey took the title with a well shot 94, but a special mention must go to Fred Luke for his 93 especially after his recent operation. Veterans was won by Ian Baldwin, Emma Stacey took the Ladies, Juniors was won by Chloe Applin and Theo Coleman took the Colts title. Well shot all!

The English Skeet was a busy day at Brook Bank again with Dorset and Somerset both having their County Championships on the day. Martin Howe continued his haul of County Champion titles with a well shot 98, two targets clear of Jordan Babbage. Dave Howe beat Keith Chapple to the Veterans title by a single target and Wendy Spackman won the Ladies.

As always, if there is anything that you want to raise with the Committee then please contact any of the Committee members or myself on the above email.

### 12 May: South East Region's Inter-Counties Championship, Southend Gun Club

Only four squads for this event at Southend, the day was glorious, with plenty of sunshine and little wind but the targets were very testy as the two ranges provided different outlooks. David Dale, Jamie Burden and Maddie Boyd were on the first squad and set the pace with 23 targets each and a total team of 107, a very good start. Essex were close behind with a team total of 93 after the first round, from then Surrey increased their lead after each round.

Congratulations to Surrey finishing with 394/500 for providing us with some good shooting.

David Dale and Jamie Burden from Surrey both finished the day with 85/100, so a shoot off had to take place for High Gun, this was won by Jamie Burden.

Lady Champion was Maddie Boyd from Surrey finishing with 77/100. Veteran

Inter-Counties Olympic Skeet 2019 Champion Jamie Burden.

Inter-Counties Olympic Skeet 2019 winning team Surrey.

Champion was Nigel Barnes from Kent with 77/100. Junior Champion was Owen Lewis from Surrey with 80/100. Colt Champion was Maddie Russell from Hertfordshire with 62/100.

Thanks to all at Southend Gun Club for hosting a super event, and to Johnny Johnson from SE Region for presenting the trophies.

### Herts shooter results

Massive congrats to Charlie Monahan for getting his first GB cap in the FITASC team. Charlie has been concentrating on FITASC during the winter which has really paid off, shooting 178ex200 at the UK Champs at Garlands, to take silver in Juniors and gaining his first Great Britain Cap for the European FITASC, taking place in Hungary.

### European FITASC – Gant Hungary

Congrats to Martin Papworth gained silver in Veterans and Charlie Monahan finishing with gold in the Juniors Team.

### Olympic Trap – Shotgun series Nuthampstead

Maddie Purser started her season with a strong

performance at the first The Shotgun Series 2019 for Olympic Trap at Nuthampstead, a tough competition in the wind and rain with challenging targets. Maddie finished third in Junior Ladies taking the bronze medal.

### Olympic skeet Inter-Counties – Southend Gun Club

New Herts Caps for Maddie Russell and Sebastian Noakes, who were joined by Henry Robertson and Alfie Tibbles to make a team for the competition at Southend Gun Club. The weather couldn't have been better, the Colts shot as a squad and did Herts proud by finishing third overall. Maddie Russell took the gold in Colts winning the Inter-Counties South East Regional Colts Badge.

### Lyalvale Express masters – AGL

Alfie Tibbles finished second in Colts at AGL with a score of 100ex120.

## KENT

### KELLY HOCKEY

dartfordcsc@aol.com  
sites.cpsa.co.uk/kent

With the clay season for 2019 well under way, our regional shooters new and old have been very busy, with West Kent Shooting School hosting a young shots day, with lots of youngsters attending and having a fantastic time. One young new shooter who attended the young shots day was Teddy Young (11 years old) from High Halstow who in the near future will join his grandad (Chris Young) out on the circuit. Teddy now has the clay shooting bug after his successful day with Gillian and her team. If you would like more information on any more young shots days please see either CPSA website or WKSS website.

The Kent Championships held at Dartford in early May were Skeet Doubles. The weather was perfect for Skeet, with a very slight breeze the sun was still shining. The scores were flowing in with the possibility of a shoot off for over-all champion, then Mr Walker landed a perfect 100/100 to become Kent over all Champion, many congratulations John. On the same day Dartford also held the Double Rise Championship combined with Sussex. Again a perfect day and some brilliant scores with things looking close on scores Tony Coulstock managed that one extra clay, to be crowned Kent Double Rise Champion. Well done to everyone and we look forward to seeing your

scores over the next few weeks. If anyone would like something specific mentioned please forward to Kelly.

Congratulations to Nigel Barns on taking the Kent OT Vet title at Bisley Gun Club.

Summer is fast approaching as I write this article and I hope many of you are having a successful clay season so far.

#### FITASC

Westfield hosted a tricky competition on the 4 May which attracted 135 shooters. Oxfordshire's Karl Field shot incredibly well finishing with a great score of 90ex100, which placed him second overall. Cheryl Hall was close behind with her 89ex100 to win the Ladies class. Well done to both of you! Matt Hance I am guessing this shoot wasn't for you!

#### ESP

Atkin Grant and Lang held a two day event which saw a fantastic turn out of shooters wanting to take part. For some the course was not for them, but one Oxfordshire shooter, Lee Thorneit proved to be a good one.

Lee shot the tricky course on the second day and was sadly faced with the worst weather. The winds were reaching 45mph and it had a massive effect on the targets in the field. Lee

battled through and finished with a brilliant score of 89ex100 which placed him second in B Class. Well done Lee!

#### Skeet

Northamptonshire held a 100 English Skeet competition on the 11 May. Well done must go to Oxfordshire's John Hewetson who finished first with a strong score of 95ex100.

#### FITASC

Don't forget to book your place for the Oxfordshire County FITASC competition being held at College Farm on the 18-20 September. Places are very limited (12 per day) but Oxfordshire shooters can call until 21 August to reserve their slot before the shoot is opened up to more CPSA members from all counties. Please call Kevin 07702 243308 today!

Hopefully many Sporting shooters follow us on Facebook and are aware that the Clay Shooting Company have agreed to hold our County Sporting shoot this month at Westfield Shooting Ground. Steve has managed to kindly squeeze us into his busy summer schedule on 14 July.

Email me with your scores and recent achievements including a photo, so I can share them with the rest of the county. Happy, safe shooting everyone!

## SURREY

### PETER SAICH

#### Surrey Sporting Championship

There were some great scores at the Surrey Sporting Championship, held at Southdown on Bank Holiday 6 May. The winner was Chip Smith with a score of 94/100, and very close behind was Junior Billy Greenwood on 93. Third was Alex Cobb on 91. Lady champion was Sarah White scoring 80. Also scoring 80 was junior runner-up Justin Knox. Well done to you all.

#### Surrey Supreme Championship

As well as the Seniors and Veterans Sporting titles, Chip bags 15 points towards the Surrey Supreme championship. The Supreme events are based on the best seven results from the nine designated County Championship events, with 15 points awarded for first place, 14 for second and so on. The Supreme covers a selection of Sporting, Trap and Skeet

disciplines, and there are still plenty of events to go if you want to join in. Please see the website for details of events and dates, and to see the current points standings.

#### Inter-Counties Olympic Skeet competition

The Inter-Counties Olympic Skeet Championship was held at Southend Gun Club on 12 May. The Surrey Team of David Dale, Jamie Burden, Maddy Boyd, Katy Poulsom, Owen Lewis and Peter Saich regained the SE Region title that they lost to Essex last year. The event was shot over two layouts, and although the weather conditions were good, the targets on layout one appeared to be faster, and most shooters recorded scores below their usual average. As well as regaining the title, the Surrey team did well in the individual categories, with David Dale and Jamie Burden both scoring 85 and having to shoot off for the Regional Championship, with Jamie beating David by one target. Maddy with her score of 77 took the SE Ladies title, and Owen Lewis scored a great 80 to take the Junior title.

Many thanks to Barry and the team at Southend for a well-run event and the usual friendly welcome.

#### African Nations Helice Championships

Much further afield, Surrey were well represented at the African Nations Helice Championship. Steve Cole, Jo and Fergus Watson-Hopkinson travelled to Cairo to take part.

Steve won a silver medal in the Seniors team event with Cliff Goodwin and Andy Stratford.

Fergus Watson-Hopkinson excelled, winning the individual senior gold medal after a tense shoot-off, and also the Beretta Cup which is awarded for the culmination of scores over three events. I hope their tally of prizes did not exceed the baggage allowance on the flight

home! Please visit the website and Facebook page regularly for results and updates.

#### 14 April: Olympic Skeet County Championship NCSC

High Gun – Tom Hudson 69. Veteran – Danny Woods 55. Colt – Max Hudson 36. The weather on the day was chilly but fairly calm, the targets were good and consistent. Max did well and battled on to the end, on the last round he hit both targets on stand eight which is an achievement in itself.

#### 22 April: Sussex Sportrap Championship

The Sussex Sportrap Championship was held at Southdown Gun Club on Easter Monday. The weather was fabulous, hot and sunny all day. There were 42 Sussex entries across all classes, thank you everyone who turned out to shoot. The targets were excellent as normal – thank you Southdown.

Senior Champion: Steve Scott – 96. Lady Champion: Christine Atkinson – 77. Veteran Champion: Kevin Lillywhite – 89. Junior Champion: Will Fenner – 85. Colt Champion: Toby Drake – 45. Well shot everyone.

#### Sussex Helice international success

Sussex shooters Andy Stratford, Cliff Goodwin and Phil Negus represented GB at the recent African Helice Championships in Cairo.

The lads shot well in strong winds and intense heat, Andy winning senior gold in the African Championship and Cliff winning senior bronze in the Egyptian Grand Prix. All three won medals in the Team of Nations match, silver for Andy and Cliff as part of the GB senior team and bronze for Phil as part of the GB men's team. Excellent results abroad.

#### Young Shots day

On Thursday 11 April Southdown Gun Club held a very successful Young Shots day which was attended by 21 boys and girls aged from 10-16. Those who had never been before were taught gun safety, gun handling and got to shoot a wide range of targets. Those who had already been on Young Shots days (third time for a couple) were introduced to more advanced targets and techniques. Everyone was presented with a CPSA gift bag and certificate at the end. The next Young Shots day at Southdown is on Monday 2 August.

#### Disabled Sussex shooter mountain challenge

Mick Kirby, a popular Sussex referee, shooter and member of the DSG is training in preparation for his attempt to climb Mount Kilimanjaro in October, alongside 17 other amputees. Mick, who had a severe stroke in 2007 which resulted him having his left arm amputated below the elbow, is raising money for The Amputation Foundation and

LimbPower. He has a Just Giving page, search Google for Mick Kirby Kilimanjaro Trek. Good luck Mick.

### FITASC success for Sussex shooters

Congratulations go out to Will Fenner (Junior) and Hannah Gibson who have both been selected to shoot for the GB FITASC Sporting team in the European Championship at Gant, Hungary. It must run in the family for Will as it

is 33 years since his Dad Tim was also selected to shoot FITASC for GB. We wish Will and Hannah the very best of luck.

### News items

If any Sussex shooters would like to let us know how well they are shooting or about any other Sussex shooter just drop us an email or let one of the committee know. We are always pleased to include news from around the county.

Firstly some well done's since we last wrote. In May, Keith White medalled in Lonato in the OT GP. Secondly well done to our English Skeet English Open winners Paul Bailey and Graham Evans at Doveridge. English Open Sporting results will follow in the August issue.

We held our April shoot at Rugby & District at which we shot some friendly ABT & UT then had an intro to Helice which I am sure everyone loved by all the smiles that were on show.

We finished with a 10 shot competition where both Marcus Watkin and Neil Long shot a wonderful 9/10. Following a shoot off

Neil pipped Marcus and was awarded with four bottles of ale, kindly donated by Marcus. Thank you to John Nightingale and his team at Rugby along with Alec Sperling for organising. It will definitely be something in our calendar for 2020.

Finally some more events for your diary:

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

# GOING THE EXTRA MILES

Miles Machin talks to Jasper Fellows about his volunteer role as Chair of the Cheshire CPSA.

## When did you start shooting?

My grandad Reg first introduced me to shooting on his farm in Cheshire with an old hammer side-by-side. I don't think my mum knew, but he took me across the fields at the rear of the orchard looking for rabbits. I don't remember hitting any, just one almighty bang with what we called a wedding cartridge, where after you shot it you could hardly see, because of the confetti that came out. I was 11 at the time. But it wasn't until I was 16 that I shot my first competition.

## What inspired you to start volunteering with the Cheshire CPSA?

About five years ago, myself and Kevin Howarth were asked, no hoodwinked, by a committee member into becoming chair and vice. Even though we knew we had been tricked, we decided to take it on. Sadly, Kevin died a couple of years ago and never realised all that we had started. That was a difficult time, and I was blessed with a great committee that all pulled together – the fact that the committee are all friends helps a lot!

## Why has the Cheshire CPSA has been so well received?

I am extremely proud that we won both the Committee

of the Year and the Initiative of the Year with the Ladies Clay Shooting League at this year's CPSA awards. We always had a policy of openness and to keep members informed as to what is going on in the county. We try to be as open and approachable as possible. It's not always easy to get things done as quickly as we would like, because what a lot of people forget is that we are all volunteers.

## Tell us about the formation of the Ladies Clay Shooting League and Cheshire Ladies on the Pull.

When we started there was little out there for competitive ladies – apart from the CPSA shoots – and they can be

quite intimidating if you are new to the sport. So the idea was to make it competitive in a friendly way, but also help to improve the standard of shooting and to build confidence. We run the shoots in the same way as a CPSA registered shoot as a way of learning the rules. I think the way we mix the coaching into the shoot is great, working with coaches like Becky McKenzie and Linda Grayson who are a great inspiration. There have also been many friendships formed. It's been fantastic to see the Ladies Clay Shooting League grow and the ladies too, with many now shooting competitively at a great level. Myself and Mandy Berisford are very proud of what they have achieved, plus they have a lot of fun too!

I think that without Mandy Berisford and her enthusiasm and dedication to what we do it would be difficult to continue, she has been fantastic at organising and running the events both on the day and behind the scenes, which of course nobody ever really sees or appreciates.

...the idea was to make it competitive in a friendly way...

We are also lucky to have Duncan Richardson from Shralley Brook Media who has been fantastic on our website. Mandy has the day all planned out and we can turn up and get on with it and know that after the event the scores will be updated.

Cheshire Ladies On The Pull was originally started to introduce ladies to clay pigeon shooting with instructors and in a safe environment. Jaqui Lightfoot, our lady ambassador, has been introducing ladies to the sport for a while now, and the events are always well received. We hope this will continue and bring more women into the sport.

## What are your plans for the future?

That's a toughie with all that we have done so far – but I and the committee will keep trying to make sure Cheshire is going in the right direction and improving what we can for our members. The Ladies Clay Shooting League has a long way to go in so far as to keep trying to bring more ladies into the sport and competition. But we hope to always improve on what we do and the standard of shooting.
