# WELCOME

SEPT  
2019

I've just returned from the National Sporting Clays Association World English Sporting Championships at Northbrook Sports Club in Illinois, USA, where many CPSA members, including the England English Sporting Team, competed. My congratulations go to High Gun Cory Kruse, and to winning team Team USA for sweeping the team categories. A full report will appear in the October issue of *Pull!*

As you will see in Clubhouse News, we are pleased to announce two World Championships to be hosted in England next year – the 2020 ICTSF World DTL at Bywell Shooting Ground, and the 2020 World English Sporting Championships to be hosted at E.J. Churchill Shooting Ground. Next year will be a busy and exciting year for clay shooting in England!

You will read about many other exciting championships in this issue, including the ICTSF World English Sporting Championships held in Ireland in July (p.14), the DTL Home International, British Open, and European Championships held at Bywell (p.17), and the Champion of Champions and Colts Challenge Championships that we hosted at The Game Fair (p.22). Our congratulations to all of the winners.

Finally, if you are a serious clay shooter who is interested starting down the path to elite level shooting, I recommend reading 'Selecting the Right Coach for You' on p.34, and Richard Hunters' 'Taking on the World' on p.28.

ART & SOUL  
OF SHOOTING

## PREMIER LEAGUE UPDATE

**T**he eighth leg in the series took place at Highwayman's Shooting Ground on Sunday 14 July. There was excellent shooting on display with Aaron Harvey taking the High Gun on 97ex100 and Adrian Cook just one behind on 96, while Team Southdown's Kevin Howland and Thomas Whomes tied on 95.

On the Team front, Team Cambridge took the top ten honours with a great 899ex1,000, eleven ahead of Team

Southdown on 888 to narrow the gap a little on Southdown.

The penultimate fixture in the 2019 Premier League series took place at Cambridge Gun Club on Saturday 27 July. The highlight of the shoot was Phil Gray's first 100-straight (after scoring 99ex100 27 times before on CPSA Registered shoots) to take the High Gun honours. Team Southdown shooter Chris Childerhouse took runner-up with a fantastic 96ex100, just one ahead of third-

placed Jamie Harding on 95ex100. The current individual leader in the series, Owls Lodge's Neil Lockton, scored 93ex100 to maintain his lead at the top of the table by just two points over Chris Childerhouse. It will be a very exciting finish to the series with these two hopefully battling it out at Sporting Targets on the 7 September. The bonus point for shooting the final event could be crucial! From a team perspective, Team Cambridge took full home advantage to secure the highest top ten total at the shoot with 938ex1000 ahead of Team Southdown's 929ex1000 to claw back another nine points on Southdown's overall lead to just 28 points going into the final.

We look forward to the final at Sporting Targets on 7 September and don't forget to contact the ground on 01234 708893 to book into a squad to shoot the Registered Sporting and the Registered Sportrap if you wish, which is also running at the event.

THANK YOU TO OUR PROUD SPONSORS

## NEW PRODUCT WATCH: ISUZU D-MAX XTR

Isuzu has created a new version of its popular D-Max pick-up truck that's designed to offer the perfect balance between on-road comfort and off-road capability. The Isuzu D-Max is tough, strong and reliable but this existing capability has now been taken to the next level with a bespoke Pedders suspension – giving it a total of 250mm of ground clearance – and brake system engineered specifically for XTR making it extremely comfortable on the road and capable in the extreme off-road.

It features aggressive styling with a sophisticated body kit, side steps, 17in alloy wheels and 32in tyres to give the XTR substantial kerb appeal. Available to order now with prices starting from just under £34,000, the first vehicles are expected to arrive in dealerships later this year.

## REVIEW: THE SP

If you suffer with eye dominance issues, the recently launched SP product is something that may help. We recently asked Matt Jones from Ian Coley Shooting School to review this product for us. He shoots right shoulder but is left eye dominant.

Like many others he has learnt to shoot with left eye closed. He reports, "Upon fitting the SP to the gun, it allowed shooting of all targets with both eyes open even renowned 'bogey targets' such as high driven targets and right to left crossers."

Matt continued, "I have tried everything – eye patches, squinting etc but nothing has worked as well as this before when shooting with my left eye open. It will be interesting to see how

the SP performs in the long-term."

We have heard similar reports from others across the country. At only £39.99 (complete with full instructions, hints, tips and cleaning wipe) it may be worth a try if you suffer with eye dominance issues. See [shootsp.co.uk](http://shootsp.co.uk) for more information.

## ESSENTIAL READING!

Hot off the press is the long awaited new edition of *The Firearms Law Handbook*, written by the CPSA's very own Honorary Solicitor and Shotgun Licensing Advisor, Laura Saunsbury.

Co-authored with leading firearms barrister Nick Doherty, this essential guide will tell you everything you need to know about getting, and keeping a shotgun certificate and/or firearm certificate. The authors have gained a wealth of experience from advising and representing shooters and share that knowledge with readers.

The book has been substantially updated since the last edition was published in December 2011 to reflect subsequent changes in legislation and Home Office guidance, such as the increased requirements for medical checks on all certificate holders on every application and renewal, and the revised provisions for lending shotguns and firearms on private land. This is a handbook for all shooters covering many useful topics ranging from gun security to how to avoid or deal with all the common problems that arise on applications for grant or renewal of certificates.

It is written in an approachable style for the layman and, as with the previous edition, will no doubt prove to be an invaluable reference source on the law in this area, not just for lawyers but also for gun dealers, shooting coaches, those involved in the running of clubs, clay grounds and county committees, as well as individual certificate holders.

## CPSA WORLD ENGLISH SPORTING CHAMPIONSHIPS 2020 TO RETURN TO E.J. CHURCHILL SHOOTING GROUND

The CPSA announced on 30 July that CPSA World English Sporting and Sporttrap Championships will return to E.J. Churchill Shooting Ground, having last been hosted there in 2018 to great acclaim. An announcement video was filmed at E.J. Churchill's stand at The Game Fair, featuring E.J. Churchill's Managing Director Rob Fenwick, and CPSA CEO Iain Parker. This is available from Gunroom.tv at the CPSA website: [cspa.co.uk/WESP2020](http://cspa.co.uk/WESP2020)

The Championships will take place from 8-14 June 2020 and will include two world championships, one each for the disciplines of English Sporting and Sporttrap. The event alternates every year between the CPSA in England and the National Sporting Clays Association in the USA. It attracts competitors from all over the world and is open to shooters of all levels.

E.J. Churchill Shooting Ground is part of West Wycombe Estate, the ancestral seat of the Dashwood baronets, which is owned by Sir Edward Dashwood. This grand English estate gives the event a unique feeling of British tradition that is an additional draw for competitors.

Regarding the announcement, CPSA CEO Iain Parker stated, "I'm happy to announce that E.J. Churchill's have agreed to host our CPSA World English Sporting and Sporttrap Championships 2020. My thanks to Sir Edward and Rob for inviting us back and I look forward to working on, developing, and delivering the 2020 CPSA Championships together.

"The West Wycombe estate offers a unique setting with endless opportunities for the course setters and with E.J. Churchill's ground and clubhouse it is the perfect location for our World Championships."

Musto and Gamebore will be headline sponsors. The English Sporting course will be set by George Digweed MBE, 26-time World Champion, and the Sporttrap by Sean Bramley. Over 1,500 shooters are expected to compete, from an estimated 25 countries.

The World English Sporting Championships will consist of 200 targets. In addition to the two world championships, a preliminary English Sporting course and a FITASC Sporting course will also run during the event.

## BRITISH SHOOTING TALENT IDENTIFICATION DAY EAST YORKSHIRE CLAY SHOOTING GROUND – SATURDAY 14 SEPTEMBER

**B**ritish Shooting will hold a Talent Identification Day at East Yorkshire Clay Shooting Ground on Saturday 14 September. They are looking for people who are passionate about shooting and would like to develop their skills. The aim of the day is for shooters to shoot the Olympic Shotgun disciplines in a British Shooting coaching environment. This will allow them to see if they like what British Shooting does and for British Shooting to see where on the British Shooting Pathway the shooter would be best suited. The day

will start at 10am with a briefing, and will end at about 4pm. Participants should bring gun, cartridges, and equipment. The day will cost £40 for clays.

...the aim is to shoot the Olympic Shotgun disciplines in a British Shooting coaching environment...

If you would like to attend the the day, please visit the British Shooting Talent Identification page on the CPSA website and complete the application form that can be found in the link. If you have any questions or would like further information, please contact the British Shooting Talent Coordinator at [christian.schofield@britishshooting.org.uk](mailto:christian.schofield@britishshooting.org.uk) or call 07786 513732.

### MIDLAND GAME FAIR

The CPSA are pleased to be returning to the Midland Game Fair, 15-14 September at Weston Park, Shropshire.

We will be running three have-a-go stands on the clayline to introduce new shooters to the sport, as well as a membership tent that will be located on the clayline. See [midlandgamefair.co.uk](http://midlandgamefair.co.uk) for more details.

### REMEMBERING JENNY EGGINTON

Jenny is best remembered as a keen trap shooter with a long list of wins. She was probably even better known by many as one of the key people involved in the running of Bisley Gun Club in its original clubhouse. She was well-known for providing excellent catering for the large turnout of shooters who came regardless of the weather every other weekend both for practice on Saturday and registered competitions on the Sunday, frequently with 16 squads – not bad on two layouts! Jenny

made everyone welcome and had a warm personality which made up part of the fabric that was Bisley Gun Club.

After her move in later life from Byfleet to Rustington in Sussex, Jenny was still very active, including the local WI, and after a recent period of ill health passed away on the 25 June 2019. Jenny will be deeply missed by all who knew her.

# SHOTS IN THE MAIL

## LETTER OF THE MONTH

**D**ear Sir/Madam,  
I starting shooting after retiring seven years ago, and although coming late to this sport I

enjoy mainly English Sporting with the occasional Skeet and recently Sporttrap.

I was interested to read about the 2019 English Open Sporting event in the recent copy of *Pull!*. In particular the need to create ever more 'interesting' targets like the 'The Yo-Yo'. This seems to be a very difficult trap, as was found by many top shooters, but to me it is not reflecting any 'live' target to be found in the field. I had thought that sporting shoots were intended to reflect a reality of what may be seen in the field – I can't imagine what 'The Yo-Yo' would represent! I have noticed that even Sporting shoots that I attend often present targets that would never be seen or taken in the field – for example pairs of loopers that drop close to the shooter and if 'real' would not provide anything edible. However, I do understand that competitions must create interesting targets which are demanding.

In contrast I look forward to reading about the current World FITASC Sporting event currently taking place. A great thing about FITASC is that every layout tries to reproduce genuine in-field situations. The flight paths and trajectories will simulate typical birds or rabbits of some sort in all manner of ways. Consequently this means you'll never be presented with a bird at really close or far range and they will give even the novice shooter a chance. I guess

this maybe why many shooters are moving to FITASC shoots.

Regards, Barry Sexton

### Response from CPSA:

While English Sporting started as a way to simulate game hunting, it has moved on to some degree from these roots. After all, a significant number of clay shooters simply enjoy shooting clays and have no interest in ever shooting live targets.

We strive to make our Major English Sporting Championships both a test for elite-level shooters and also an enjoyable shoot for the rest of us. As such, we must provide targets that test even the best of all shooters, to give the top shots their chance to prove that they belong in the final. This may mean creating targets that don't reflect any live quarry, but are simply a test of skill. While Stand 15 at the English Open was tough – only two people straightened it – we had many positive comments about the stand and some competitors enjoyed it so much that they wanted a chance to shoot it again just for fun! Of course, we encourage our members to try various disciplines. All of the Sporting, Skeet, and Trap disciplines offer different challenges within our great sport that we can all benefit from.

– The CPSA team.

## SIMON SAYS

Senior Coach Simon Arbuckle answers your questions. Send yours to [simon@cpsa.co.uk](mailto:simon@cpsa.co.uk).

**Q** Hello Simon, I have been shooting both clay and game since I was a kid, but lately I get 'trigger finger' when shooting clays only. It starts about halfway through, my mind is telling me to pull the trigger but my finger just can't do it. I have had the trigger of my gun twisted slightly and purchased calm remedies... To no avail. Do you have any ideas or suggestions? Regards, Robert Harvey

### SIMON SAYS:

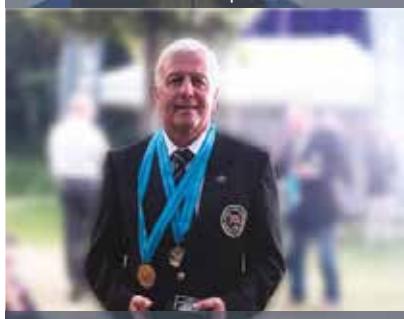

**Hi Robert,** Without knowing how much you shoot and at what level, it could be two things – anticipation of recoil, or fear of failure. Both are psychological, the former can be resolved hopefully by reducing cartridge load, eg 28g to 24g or less, as well as getting your gun fit checked, as this could be part of the problem.

With the latter, does it happen only in competition situations or during practice too? With game, the birds are random resulting in total concentration per bird. As such your natural eye/hand coordination combined with the correct technique takes over. With clays there is an element of repetition and therefore consistency required. This mental anticipation and pressure to hit every target can result in the 'moment of doubt' causing the involuntary refusal to pull the trigger. To overcome this, ask yourself: Do you have sound shooting techniques and are you confident in how to approach each target? If not more practice or lessons could ease mental pressure. Secondly, it's total concentration on the target you are shooting at that's required. Developing a sound pre-shot routine or mental preparation exercises may reduce mental pressure. I would recommend reading up on sports psychology to develop mind exercises and increase self confidence because if you can hit one target then you can hit them all.

# ENGLISH SKEET DOUBLES

## ENGLISH OPEN CHAMPIONSHIP

Pam Bairstow reports from the event on 14 July 2019, held at Northampton Shooting Ground.

**G**uns from far and wide came to contest the English Skeet Doubles Championship. CPSA Chairman and East Midlands Director John Martin saw that all went smoothly and the weather was near perfect – warm, with just the suggestion of a breeze, so clays were neither dipping nor soaring.

Neil Faulkner set the pace in the first squad. Layout one gave him two clear rounds. He dropped two on layout two, finishing strongly with 98ex100. Over the morning there was a smattering of clear rounds, but none bettered his score.

Tom Clifford set off, fifth squad out. He looked confident for his first round, 24ex24 in the bag, the next he dropped one clay – 25ex26. Layout two suited him better and he shot both

clear so he put an impressive 99 on the board. The afternoon saw last year's winner and runner-up shoot rounds, but they didn't repeat that performance this year. The day before, Dave Morgan shot a wonderful 100 to take his county's doubles title, but just couldn't find that form again. Tom's score remained the best of the day and he took the 2019 Skeet Doubles High Gun title. Well done!

Runner-up, third overall and all classes were decided by centre peg 'sudden death' shoot-offs with seven in the frame – Ian Parkinson, Trevor Frammingham, Neil Faulkner, Henry Mitchell, Jo Smith, Dave Morgan and Martin Walmsley – 98ex100 proved a popular score.

A crowd watched as it took at least 12 more pairs to sort out everyone. Martin Walmsley prevailed for Runner-up. Ian Parkinson made his result work hard. Not only did it give him third overall, he used it to pick up the Veterans title and A class –highly efficient!

The Ladies title was a much clearer, though no less impressive, affair. England Skeet new cap Isabel Russell won the Ladies title with a lovely 97ex100

two clays clear of her nearest rival. Megan Jones shot a lovely 95 for the Junior title, following her brother onto the glassware. Sonny Bowman started and finished his competition with straight rounds shooting a very creditable 96ex100 for the Colt trophy.

# ICTSF WORLD ENGLISH SPORTING CHAMPIONSHIPS

**Richard Hunter**, England Team English Sporting Manager, reports.

The fifth ICTSF World Sporting Championships took place in Dowth Hall, County Meath at the Bru na Boine heritage site from 3-6 July. As with all world championships it was contested over two 100-target courses which were known as Gold and Green.

The weather was virtually perfect: sunny and bright with a little cloud, although there was light rain for a while on the final day, this didn't dampen the spirits of the competitors.

It looked like the Gold course was shooting a little bit easier than Green. The international teams had to wait until the Friday and Saturday before they could shoot the courses. Fortunately, there was also a 100-target prelim course along with a 100-target Sportrap to get warmed up on, and there was a couple of pool shoots which included the very popular 'make a break'.

Over 800 individuals

entered just for the main event. The course setter was Olympic gold medallist Richard Faulds MBE, so we were all sure this was going to be a fantastic event.

Once the scores started to come into the clubhouse, we could all see that it was going to be a great event. The best score from any of the courses was an incredible 99ex100 from Australian team member Nicholas Guerra on the Gold course. Other notable scores from Gold were 97 from Nick Hendrick

and 96 from Chris Daniels – both former England team members. Mark Doyle shot 96, while Sam Green and Mark Winser each shot 95.

The teams all shot the Green course the next day and all were wondering who was going to excel and carry on where they left off from Gold. Mark Winser showed that he was world class by carding another 95 for a total of 190, guaranteeing

him a place in the semi-final. Scotland's Gary Meikle scored 94 and American Derrick Mein (shooting as an individual) shot 92, along with his 91 on the Gold course, to put him on a total of 183 which turned out to be the cut off point for the semi-final. England team member James Attwood and Wales team member Andrew White each made it to the semi-final.

The semi-final was made up of the top five scores including ties from each rotation (Wednesday/ Thursday and Friday/ Saturday). This way of doing it allows for the possibilities of conditions changing. The semi-final whittled the ten down to five for the final. It must have been disappointing for Mark Winser and Nick Hendrick to fail to make the final, after

shooting the two highest scores of the main event.

Ross Straker managed to stake his place in the semi-final and shot exceptionally well to make the Super Final. He never looked like he would miss once he was there. On the last stand of the final there were nine targets and Ross could afford to miss three and still be crowned ICTSF World Champion, but the pressure must have got to him as he missed four, forcing a sudden death shoot-off with Derrick Mein. The first shoot-off was again equal but at the second attempt the American came out on top.

Team England won all the gold medals except for the Super Vets who managed silver, but the Seniors were rushed all the way by Australia who finished just two targets behind.

## RICHARD'S WORD

"Personally, I would like to say that I have been team manager since 2010 and this is, in my opinion, without doubt the best world event I have attended! The bar has been raised to a level that is going to be hard to beat. The targets were perfect thanks to Richard Faulds and the rest of the team deserve a very big pat on the back. I am sure everyone who was there would agree that Conor Mooney and Peter Hanifin and the rest of the team deserve a special thank you!"

# BYWELL WEEKEND

## BRITISH OPEN DTL, EUROPEAN DTL & HOME INTERNATIONAL

The 85th ICTSC DTL Home International, reported by **David Amos**, and the British Open, and European Down The Line Championships, reported by **Lloyd Pattison**, were held at Bywell Shooting Ground from 18-21 July.

### HOME INTERNATIONAL

At the Home International, teams from England, Scotland, Wales, Ireland, and Northern Ireland were welcomed with a very windy day with bright sunlight one minute, then dullness the next which made the shooters struggle. As ever at these shoots someone emerges with a good score which turned out to be from Northern Ireland.

On his first year as a senior Joshua Shortt shot on a 100/298, which helped his team to win the Senior Nobel International Challenge Cup and gave him High Gun of the day with England as

runners-up. The overall winning country was England with a new CPSA glass trophy – the top 30 shooters from each country counted for this category. The England Juniors captained by Connor Harris won the team event and Connor took England's High Gun of the match, with Curtis Woolley taking Senior High Gun of the match. The Ladies captained by Emma Holden won the team event with Emma taking High Gun of the event and England's Ladies High Gun, which was the start of a very successful four days. The banquet and prize given in the evening

was held at the Newcastle Football Club which was enjoyed by all.

### 2019 BRITISH OPEN DTL

The next day, the field of competitors gathered for the British Open, with some of those who had shot for the national teams the day before recovering from the celebratory dinner the previous evening. Almost 400 shooters took part, with the excellent staff from Bywell and the CPSA keeping things running smoothly.

Good weather for the day and perfect visibility resulted in some excellent scores – two shooters on 300, and six 299s – so a number of shoot-offs were required to sort out the trophies. Ian Roper, overall High Gun, extended his

perfect 100/300 run for another 25 perfect hits in the shoot-off for High Gun over Bob Singleton, who only dropped half a bird.

The third place overall winner Joshua Shortt from Northern Ireland and Geoff Howlett, High Gun AA went head to head for a hundred birds with not a single clay to decide them. After a quick break – to run back to their cars for more ammo – the heavens opened and the two

shooters just carried on making hit after hit despite the increasingly heavy rain and fading light.

Moving to sudden death, after the coin toss, Geoff stepped onto the line first and missed his first clay. Joshua took a moment to compose himself, stepped up and made a perfect hit to end the match with the win.

#### 2019 EUROPEAN DTL

The two-day European DTL at Bywell followed on directly from the British Open giving everyone ample time to get accustomed to the grounds, the targets and the prevailing conditions in these beautiful surrounds provided by Northumberland.

Teams and individuals from England, Scotland, Wales, Northern Ireland, the Republic of Ireland, and France were shooting 200 targets for the title of European Champions 2019.

The good run of weather continued over the weekend with warm and humid if somewhat hazy days, little rain confined to the evenings and no wind to speak of.

...Emma taking High Gun of the event and England's Ladies High Gun, which was the start of a very successful four days...

On day one, local lad Ian Mullarkey sat clear in the lead with a perfect 100/300 – the only one of the day – with four shooters on 299 including a Colt, Cory Doble.

The team standings after day one had the Northern Ireland Juniors out in front by six points, England Ladies ahead by four points, Scotland leading the open team by four points with England and Scotland tied for second place, and both the Northern Ireland Super Vets and Vets ahead by seven points.

Day two, and Ian Mullarkey shoots a near perfect day with 200/599 giving him the overall High Gun Trophy with runner up Daniel Price on 200/597 and Mickael

LLOYD PATTISON

Croquelois of France on 200/596 in third. Mickael was tied up with Stacy Gennard of Scotland and Bernard Cassidy of Northern Ireland who took first and second AA respectively after their shoot-off.

Overall team positions saw some changes on day two. Both the Scotland Open team, and the England Ladies, widened their leads to take their respective trophies. However, the Junior team standings changed drastically on day two with France taking the lead over the Republic of Ireland and England in the runners-up positions. The Vets trophy went to England by over France, with Northern Ireland falling into third. In Super Vets, Scotland triumphed over the Republic of Ireland and France in second and third respectively.

Sarah Daly reports on international clay shooting disciplines.

## FITASC SPORTING WCH

EJ Churchill hosted the FITASC Sporting (FSP) World Championships, with the end of the last day having a real party atmosphere – and what an event for GBR, taking the top two spots in the Open and Veteran categories.

There was some discussion over a target trajectory that was reset on the first day, an explanation of this is posted on the FITASC website in the News Section: [fitasc.com/uk/news/2087/5](http://fitasc.com/uk/news/2087/5).

Sam Green put in a very impressive performance to come away as World Champion, Richard Faulds MBE won silver after winning his shoot off. A really tremendous result for Sam as he only shoots about three FSP competitions a year.

Sam said, "It's the Worlds, that's the one everyone wants to win. It just doesn't get much better than that – and it's a major achievement for me to win after all the years

of hard work. Growing up on a farm, I taught myself to shoot and have never had a shooting lesson, but George Digweed is the man I have always looked up to.

"We didn't really party, it was a cheese and onion sandwich, couple of drinks and then back to work the next day!" This important result should really help Sam's coaching career.

The Brits put in a very strong performance in the Veterans, maintaining their European Championship form with four shooters in the top six. Steve Brightwell put in the best performance to take the Veteran Champion title by eight targets ahead of his nearest rival, Bryan Summerhays, who settled for silver.

Barry Green was bitterly disappointed not to win the Master category. As a member of the winning Veteran team, although eligible for the Master category and posting

a score that would have given him gold, as per the FITASC rules, he could only shoot in one category, even though there is no Master Team event.

The Seniors saw three GBR shooters, David Kempley, Andy Armstrong and Micky Rouse fight it out in a shoot off for the bronze medal with David winning out by three targets.

**FACTOID**  
This was GBR's first medal in Skeet Men Junior since Lawrence Collier won gold in 2006.

by winning bronze in the Skeet Men Junior. David went into the second day in equal eighth place but posting two rounds of 24ex25 put him into a shoot off where he made the finals ranked fifth. A really strong performance over the first 40 targets secured a medal place, finishing with a very creditable bronze.

## JUNIOR WORLD CUP

Another success for the Junior Skeet Men was Oliver Harrison took the bronze medal, just beating David McNeill into fourth place.

# THE GAME FAIR

Held this year at Hatfield House, Hertfordshire on 26-28 July 2019.

The CPSA returned to The Game Fair this year, again running our Have-a-Go Clayline, a membership stand, and the Champion of Champions and Colts Challenge invitational championships. **J.G. Repshire** reports back.

**T**he clayline gave 801 new shooters a chance to break ten clays, including 243 who had never before shot. Edgar Brothers provided 11 Zoli shotguns, while Lyalvale Express was our cartridge partner. In keeping with The Game Fair's ethos of sustainability, only fibre wads were shot.

#### CHAMPION OF CHAMPIONS

Guy Franklin emerged victorious for his third Champion of Champions victory on the Saturday, while defending Champion Billy Baughan placed second after a shoot-off with Chris Orrin.

The Champion of Champions is an invitational event, with each CPSA County Committee invited to submit a County Champion. The competition consisted of 40 targets shot on E.J. Churchill's course which was set by George Digweed MBE. The top five scoring County Champions were invited to shoot a 25-target Sportrap final, in the Shooting Arena in front of a packed grandstand. Guy emerged as the clear victor with 24, dropping only the second target of his first on-report pair. Billy and Chris each shot 23, and after a 25-target tiebreaker remained tied at 22. A best of three pairs sudden-death shoot-off was next, which Billy won five to four.

Speaking after his win, Guy said, "I'm delighted to win this title for the third time in the last four years – which means a lot to me. I'm looking forward to going to America with the England team next week (for the World English Sporting Championships) and this is a great confidence booster."

Guy won £200, 750 Gamebore cartridges, a Musto cartridge bag and clothing voucher, and one year CPSA membership. £300 also went to the Sussex CPSA County Committee. The second and third place winners also received Gamebore cartridges, Musto cartridge bags and vouchers, cash prizes, and CPSA memberships.

#### COLTS CHALLENGE

Sunday saw the second CPSA invitational championship – The Colts Challenge. This sees the top ten ranked Colts in English Sporting who can attend on the

day compete in a Sportrap competition in the Shooting Arena. Tristan Hockey successfully defended his title. Mirroring the Champion of Champions, a shoot-off was

held for second place, which resulted in Charlie Madden placing second and Dan King third.

The competition saw the Colts first complete a 25-target Sportrap in two squads. Squad one was Dan, Tristan, Charlie, Alfie Tibbles, and Thomas Baker. Squad two was Ryan Dodd, Travis Durrant, Daniel Carpenter, Oliver Tyler, and Ami Hedgecock.

Ami shot an outstanding 21 to take the lead of the qualifying round. The other four to make the finals were Charlie Madden on 20, Tristan Hockey on 19, Dan King on 18, and Alfie Tibbles on 18. The final saw Tristan shoot 23, Charlie and Dan tied on 21, Alfie 19, and Ami 16.

The top three winners each won cash prizes, a clothing voucher from Musto, shotgun cartridges from Lyalvale Express, and free CPSA membership on their next renewal. 

Guy won £200, 750 Gamebore cartridges, a Musto cartridge bag and clothing voucher, and one year CPSA membership

# YOUNG SHOTS

by Lain Blamey

## HOW I STARTED SHOOTING

I started shooting at the ripe old age of four, using a 9mm bolt-action single-shot shotgun. I remember my first clay shoot was at the Crazy Bear in Oxfordshire, which has now sadly closed.

Back then, I would be lucky to hit one in 30 clays with my 9mm, but I stuck at it. My dad helped to teach me the respect, safety and etiquette that is crucial to the sport. With his help I moved up to .410 and 28 gauge and saw my scores improve at a steady rate.

In 2017 things started going in the right direction for me. I started working with my coach Pet Easton. Pet has taken me to the next level, and has a heart of gold to put up with me and my dad always hovering in the background.

In 2017 I was also lucky enough to receive sponsorship from Jack Pyke. They kindly provided me with bespoke shooting vests, shooting bags, gun slips and more baseball caps than I could throw a stick at.

In 2018 I competed in my first English Sporting World Championships at E.J. Churchill's. It was a fantastic event and clearly

In 2017, I was also lucky enough to receive sponsorship from Jack Pyke

made an impression as E.J. Churchill's offered to support my shooting. I feel incredibly lucky to have one of the best shooting grounds in the country backing me.

I look forward to the future and shooting as many major events in 2020 as possible, but more importantly, having fun and promoting the sport to other youngsters.

### MY HIGHLIGHTS SO FAR

I recently shot at The Game Fair in the main arena against Sean Bramley. I had a great time and received lots of support and cheering from the crowd and managed to beat Sean in all three shows, thanks Sean! In June I shot the Beretta World Championships and had a fantastic day. I managed to straight one of the toughest stands on the course and got a lovely round of applause and a big pat on the back from Country Pursuits' Trevor Stanton. Trevor has been a great support and was kind enough to loan me a Beretta to compete at the event.

### MY TOP TIPS

**TIP 1** Train at a ground that will aid and advise you. E.J. Churchill's and Atkin Grant & Lang go a long way to support young shots.

**TIP 2** Find a good coach and take advice from those with experience. Never be afraid to try new things.

**TIP 3** Look after your family, their support is crucial if you are to succeed.

**TIP 4** Don't be too hard on yourself if things don't always go to plan.

**TIP 5** Most importantly enjoy your shooting!

# NEW BEGINNINGS IN EAST YORKSHIRE

Owner **Gill Hall** tells **Jasper Fellows** all about her East Yorkshire Clay Shooting Ground.

## Q How long has East Yorkshire Clay Shooting Ground (EYCSG) been open?

**A:** There has been a shooting ground on this site for about 50 years. My husband Rob and I managed the ground since July 2018, and this June we formally took ownership.

## Q What disciplines are on offer?

**A:** OT, UT, ABT, DTL, OSK, English Skeet, and Sportrap.

## Q What inspired you to take the ground on?

**A:** We had never run a shooting ground before, but have experienced shooting grounds around the world from a shooter's perspective and were looking for a new challenge. Rob has been England capped many times for DTL and GB capped for UT. While our daughter, Lucy, has also been GB capped for OT and UT. We know what shooters want, and are trying to provide it.

## Q What type of shooters do you cater for?

**A:** We cater for all abilities, whether you have never shot before or if you are an Olympic medalist. We offer fantastic targets and service in a friendly environment.

## Q How are you encouraging more young shots into the sport?

**A:** We work with British Shooting who runs talent ID days here to discover new talent, introduce them to Olympic disciplines, and provide an opportunity to join the talent pathway. This is how Lucy began her Olympic Trap career. One-to-one tuition is also available for all disciplines and experience levels and we offer a Shotgun Skills Course for beginners to get the hang of the safety aspects of shooting.

## Q What exciting events do you have planned for the future?

**A:** We have just held the BICTSF OT British Grand Prix and the British Shooting OT Shotgun Series which were both two-day shoots. We are currently planning our competition calendar for autumn, so keep watching our Facebook page and the *Pull!* fixture list.

## Q When are you open?

**A:** We are open Wednesday through Sunday 10am to 5pm with late opening until 8pm on Thursdays during the summer.

## Q What are your top tips for having a brilliant day at EYCSG?

**A:** Come hungry, our onsite café is excellent. Try something new, we have most disciplines available to shoot. Stay dry under the covered layouts, no need to worry about the weather!

# TAKING ON THE WORLD

England Sporting Team Manager **Richard Hunter** tells **Jasper Fellows** how he prepares the team to take on the world.

**S**ince 2010 Richard Hunter has been managing the England Sporting Team to success across the globe. His job, essentially, is to support some of the best Sporting shooters in the country, help them to achieve the best possible scores and show the rest of the world just what England is made of.

This is no small feat, and involves an impressive level of preparation, especially when you consider that the team is spread across the country and each member has their own training regime and way of doing things.

“Because the team members come from all over England regular meetings can be difficult,” explains Richard, “although we do speak on the phone and I will set up a group page for each event on social media. Most of the members will meet during our selection shoots, but I try to organise team bonding evenings, a meal or a barbecue – just so that everyone knows what’s going on. Meet ups like these can really help when the new members feel like part of the team.”

As a major events approaches on the horizon things start to ramp up for Richard and the team. “On a normal day things are pretty relaxed, but as the event gets closer the excitement increases

and the team know to knuckle down. They know that any performance below what they are capable of will reflect in the team results,” says Richard.

Fear of letting the team down can get to the best of us, especially when shooting at a global level. While Richard needs to ensure everyone understands what is expected of them, he also needs to look out for the psychological wellbeing of the team. “I think everyone gets nervous at some stage, and I think that can help. It’s just a matter of how you manage the nerves,” explains Richard.

“If I see the pressure getting the better of anyone, I try to lighten the situation. I remember once when one of our ladies was struggling while competing here in the UK, she was scared she was letting the team down. I gave her a hug and

told her that the targets were apples and that I had a basket, all she needed to do was put the apples in my basket. She probably thought I was off my head – but it brought a smile back to her face and all of a

sudden she was back to her best."

"We also have Henry Hopking on board," Richard continues, "he is available to any member of the team who needs help in gaining the mental edge on the competition."

Henry Hopking is the founder of The Brain Training Company and is a leading authority on mental fitness training. His diverse range of clients, from leading figures in the entertainment industry to top athletes, goes to show just how important having psychological experts as part of a team can be.

### PRACTICAL ASPECTS

Aside from the psychological preparation Richard also looks after the more practical aspects of performing on the world stage. "When we are competing abroad I always like to get a hotel within easy reach of the venue. Not only does this allow us to easily keep in touch with each other, but it takes the worry out of getting there in the morning. I also like to head to the competition ground in the days before the event starts and shoot the targets they will be up against.

"Team members often have questions about the targets and I like to be as informed as possible and hopefully discover if there are any tricky targets that are harder than they look. Normally we have a team meeting the night before the event starts to allows us to go through any lingering questions. I don't order what time to go to bed, they all know what lies ahead, they know how to be professional."

Teamwork and professionalism is paramount at this level of competition and something that Richard is passionate about, "I am a team manager, so I want the members to behave and shoot like a team," Richard explains. "Our current Ladies team is an excellent example – Georgia Moule, Hannah Gibson and Emma Stacey. Not only are they all crack shots, but they are also great friends. This bond really helps them to pull each other through the events. You can have a brilliant solo shooter, but they may not work as well in a team – team spirit is paramount."

Worrying about team dynamics, logistics, mental and physical preparation and then the highs and lows of the events themselves would be more than most could handle, but Richard takes it in his stride. "I really do enjoy what I do," he explains. "It feels great when the team is successful. Being part of that success and receiving thanks and compliments from the team for my part in that means the world to me." 

I don't order what time to go to bed, they all know what lies ahead, they know how to be professional...

## YILDIZ PRO BLACK

**RRP: £1,595**

**raytrade.co.uk**

The rise of Turkish gun manufacturers now selling into the UK continues at pace – and this month we look at an offering from Yildiz.

The name is probably familiar, as they've been well-known for producing an affordable .410 over-and-under aimed at juniors for some time. It was the guns on display from the UK importer Raytrade UK at The British Shooting Show earlier this year that alerted us to the many other delights available from this company. So, this month we are looking at the Pro Black sporter.

First impressions after taking it out of the branded velvet sleeves, and supplied ABS case, are very good indeed. The plain black action is simple and stylish

and only serve to compliment the wood on the gun itself. The Pro Black ships with Grade 4 Turkish walnut as standard, and on the test gun it was exquisite. Personally, the wood work on a gun is one of the key things that I look for when buying, so I can only imagine how good

Grade 5 walnut would be... Interestingly, the Yildiz also ships with seven chokes as standard, five flush chokes and two extended chokes (full and 1/2).

On handling, it's extremely well balanced, highly pointable and a very comfortable 7lbs 3oz. The wood to metal fit is good and the machining of the action spot on – clearly there has been significant investment in CNC engineering kit from Yildiz. We loved the Boss style locking action and visually it is very hard to

not believe that you are not looking at a Perazzi action. Shooting a sporting layout with the Yildiz was enjoyable, the 30in barrels give a lovely steady swing and the gun performed well with a range of shells from 21g to 32g with no recoil issues at all.

The gun comes with a beavertail style fore-end which, to our taste, feels a little cumbersome. We also felt that it really missed not having a palm swell on the stock, but these are only minor criticisms for our own taste. There is an option to

have an adjustable stock version for an extra £200 and barrel lengths from 28-32in.

We were thoroughly impressed with the Pro Black – it's a great gun offering good value. And there's no compromise in handling, function, reliability, or usability – but there has to be some consideration given to re-sale or trade in value. Having said that, if Yildiz continue to produce guns like this, then we believe that this concern may well quickly fade.

# SELECTING THE RIGHT COACH FOR YOU

It's well-documented that selecting the right coach for you and your chosen discipline is probably one of the most important decisions for any aspiring athlete. **Ritchie Alan** talks us through what to consider.

**W**hatever your ability – **beginner, intermediate, or advanced** – a good coach can elevate your performance, guide, inspire and empower you to achieve your full potential. That's because good coaches help you identify and focus on what's important, which accelerates your success. But selecting a good coach isn't always straightforward. So, where should you begin and what should you look for?

## QUALIFIED VS. PROVEN TRACK RECORD

Before we start, let's tackle the elephant in the room. There is an argument that 'somebody who has done it is best placed to teach it.' It would be difficult, for example, for a professional footballer to question the coaching methods and

strategies of, say, Sir Alex Ferguson, a former footballer, who is considered one of the greatest managers of all time and who has won more trophies than any other manager in the history of football. So, can an athlete without a proven track record in the sport take a course to become a coach?

Quite simply, yes! Staying with the football analogy, if you ever need proof you don't have to be anywhere near playing football to get a job as a coach, take a look at Carlos Alberto Parreira's CV.

Carlos managed five different nations and won a FIFA World Cup with one of them (Brazil).

The most essential skill that a coach must

...can an athlete without a proven track record in the sport take a course to become a coach?

have is the ability to communicate with their athlete. Coaching is more than just sharing your experiences as an athlete to your athlete and hoping that they will learn from your mistakes. Some skilled athletes have a hard time putting their actions into words – performing is one thing and teaching it is clearly another.

To this end, the CPSA has developed a pathway which supports athletes to become qualified coaches, starting at basic 'Instructor' (L1) level to discipline specific 'Coach' (L2). There is also a 'Senior Coach' (L3) qualification, which means that the coach has completed L2 training in all of the main disciplines (skeet, trap, and sporting). An Instructor can teach a person who has never shot before how to safely hit a moving target, whilst Coaches help more advanced shooters with discipline-specific training. It is fair to say that the Coach Development pathway is both challenging and rewarding for those who attend. Accreditation is awarded to individuals who pass the strict and rigorous assessment and test criteria, which ensures the qualification is respected and recognised throughout the industry as the gold standard. The qualification is also accepted by the Institute of Clay Shooting Instructors as a prerequisite for membership.

## BEGINNER

All athletes need a starting point. Many shooting grounds offer a CPSA 'Have A Go Day' where you can have a go at clay pigeon shooting, without the

expense of having a full lesson, to see if the sport is for you. There will be a coach available to let you try out a selection of targets and all the equipment is provided. Newcomers to the sport will find that their coach also provides them with a full and thorough grounding in all aspects of gun safety and shooting etiquette as well as coaching geared to their individual pace of learning.

Newcomers may opt for private lessons. Most shooting grounds provide private lessons and some offer discounts for a set of pre-paid lessons. As a beginner you will be shown a couple of different shooting methods, for example Maintained Lead, Swing Through and so on, with a view to developing good technique, consistency, and confidence. Most of all, you will enjoy the prospect of confidently hitting targets and having lots of fun along the way.

The CPSA website provides a portal to help you find the right coach for you. It uses a simple search feature which allows you to find your nearest CPSA-qualified coach. You can search by Name, County or Region and Level (L1 and L2). See [cpsa.co.uk/coaches](http://cpsa.co.uk/coaches)

## INTERMEDIATE

Like a skier, once you've mastered the nursery slopes, you may be keen to move onto the blue and red slopes. In other words, you've made the decision to commit more time and effort to improve your performance and maybe shoot competitively. It's at this point you may decide to start thinking more seriously about coach selection. A good coach will listen to your ambitions, work with you to create a personal development plan and provide a structured environment

## INTERMEDIATE INSTRUCTOR

for you to succeed. When you are ready, and only when you are ready, your coach will encourage you to participate in Registered and Major Competitions ([cpsa.co.uk/events](http://cpsa.co.uk/events)) in your chosen discipline. This is an exciting milestone in your shooting career as it will enable you to benchmark yourself against other shooters in your chosen discipline. It will also help you identify areas that need more focus and attention.

## ADVANCED

The coaching needs of advanced shooters vary considerably at that level.

For example, you may decide to stay

with your existing coach and simply re-visit your personal development plan in line with your medium to long term ambitions and goals – sometimes it is better the devil you know – but a good coach will unselfishly move you on to a more accomplished coach when the time is right.

You may decide to reach out to a 'named' coach – one with a successful and proven track record – who is strongly committed to the sport, displays a clear commitment to you and your success, lives and sleeps coaching, and is able to think of every possible scenario to allow you to perform at your very best when the pressure is at its greatest. Coaches in this elite category will already have a portfolio of budding shooters on their books but they will always find time to work with talented shooters wishing to compete at the very highest level.

It's worth reminding yourself that elite coaches are not looking for an athlete to be 'highly polished' and 'the finished article.' Instead, they are looking for individuals who are serious about their sport, self-disciplined, mentally tough, and will push themselves to achieve their full potential – then push further. If you think you have what it takes to compete at the very highest level, don't doubt yourself, be brave and contact the CPSA who will be delighted to help you take the next step on your exciting journey.

**Northern success at the DTL Weekend**  
Massive congratulations to the North of England DTL shooters who performed amazingly at the English Open DTL in June. The Senior, Veterans and Ladies teams topped the podium, with some excellent scores posted across the board. Congratulations to all.

There were also some outstanding performances from Northern shooters in the individual categories across the weekend. Paul Chaplow was the High Gun at the Sponsored DTL, with James Tate taking second in Juniors and Emma Holden third in Ladies. Nigel Chapman took the Dougal Memorial trophy (for the third time) with an excellent score of 100/299. Well Done Nigel. Ian Mullarkey also made the podium coming third overall. There was also Northern success into the classes and categories. Ian Douglas and Ted Phillipson took first in AA and A respectively. Ted also became the Veterans champion. Emma Holden took the Ladies title with Andrea Swatts following behind in the runner up spot. Mark

Delf took the Disabled Standing title once again with Steve Booth in second.

The English Open DTL saw even more Northern successes, with Paul Chaplow coming third overall, Austin Coxhead taking first in AA and Colin Ackroyd first in B class. It was a complete Northern podium in the Ladies, with Emma Holden and Andrea Swatts repeating their Dougal performances taking the first and second places, with Charlotte Kitchen in third. In the Veterans, Allen Henry took the runner up spot with John Adams following on in third place. Mark Delf and Steve Booth took first and second in the Disabled Standing, while brothers Michael and Paul Turner took home the family pairs trophy. Congratulations to all winners and thank you to Bywell for a excellent event.

### Yorkshire ABT

Congratulations to all the winners at the Yorkshire ABT Championship at North of England CTC. Nigel Chapman and Paul Chaplow both shot an excellent 48ex50, with Nigel taking the title after a tense shoot off. In the Ladies, Charlotte Kitchen and Leanne Powell were tied on 46ex50. John Laverick took the Veterans title. Unfortunately there were no Junior or Colt entrants this year. Congratulations to all shooters and thank you to Phil and the team at North of England for an excellent event.

### 30 June: Lancashire DTL Championship

The Lancashire DTL Championship took place at North Of England Clay Target Centre. I

Graham Welsh Lancashire Veteran Champion.

would like to thank all the Lancashire shooters who turned up. This year's Lancashire Champion is Paul Tuner with a score of 296. The Veteran Champion is Graham Welsh with a score of 293. There was no Lady or Junior present so no champion for these two categories this year. Well done to all and I look forward to see you next year.

#### 12-15 June: Eley Grand Prix, Mickley Hall Shooting School

It was a great success with almost 300 entrants, some travelling from as far as Cornwall and Suffolk. The unique 'Super Sporting' event of 120 targets over 12 stands was challenging for everybody. Using four traps per stand, throwing four single targets with full use of gun, two on on-report pairs, and 1 simo pair. Scott Barnett said, "It has been very well received, with a lot of great feedback from many of the competitors". Overall High Gun was Henry Collins from Northants with 111. Many Cheshire shooters were among the prize winners, they are: Carl Vickers second AA class 107, Steve Randles third AA class 106, Barry Peacock second C class 85, Miles Machin joint third Vet 100, Roy Birchall third Super Vet 90, Kerry Oakley third Lady 93, Fred Whitehurst second Junior 100, Ben Rimmer second Colt 82, and James Pickup third Colt 72. Congratulations to you all. We are looking forward to the next Grand Prix.

All round champions James and Tony.

Bronze medal for Tony.

### ESP Selection, Orston SG

Credit must initially be given to the owners, Dan and Emily, for getting the ground ready and setting up a very good course despite the horrendous weather with torrential rain throughout the previous week. The course was over 13 stands which was quite testing with a variety of clay sizes and colours. Some 32 Cheshire competitors made their way to Nottingham for this event. Scott Barnett was Cheshire High Gun on the day with a respectable 85, Guy Robinson on 82, Peter Fitkin and Mike Holland on 80.

I would like to express my personal thank you to all of you from Cheshire that made the journey and also to all the staff at Orston SG, for providing excellent service throughout the day. We look forward to our next selection shoot at Mickley Hall SG on Saturday 13 July 2019.

### England Team ESK

Congratulations go to Cheshire Skeet shooter Christian Bethell, on being awarded a place in this year's England team. The team will compete in the Home International, held at Mulroy in Ireland, on 23-24 August. It was even tougher to qualify this year as the format had changed to include selection shoots at Dartford, Northampton and Nottingham, and a total of 600 targets. Great achievement Christian!

### James Barnett and Tony Dean

James took the Cheshire Junior All Round Champion title and Tony retained the County title at Fauxdeglia. Both were in action again at Doveridge Shooting Ground, which hosted the English and British All Round Championships. James won silver at the British All Round in Colts, missing out on gold by just one target. Tony took the bronze medal in the English All Round. Thomas Woodcock demonstrated that he is also on form, securing the silver position in the Junior category at both the English and the British. Tony travelled out to Greece, to compete in the FITASC European Compak Championships in blistering temperatures. He scored 190ex200, finishing in bronze medal position (repeating the exact score and position as last year in Cyprus – deja vu). He finished off an eventful few weeks by achieving another bronze medal position at the Compak British Masters Championships at Doveridge.

Firstly a few words from the chair, "Very happy with the way the County is moving forward so far this year, we've introduced a couple of new ideas that are going well. Very happy with the fantastic amount of money raised at the fundraiser, goes to show that everyone is willing to support the County. Thank you to Ian Coley Sporting for the prize donations and Matt Panter for organising! Decisions as to the best way to utilise the funds raised for the juniors need to now be made and I welcome any feedback from County members. I am looking at a couple more ideas which I hope to bring in this year – watch this space!"

Very proud to have three England caps in the county – Paul Tudge, David Maddox and Cliff Gardner. Nick Portlock has been selected to shoot Champion of Champions at Game Fair on 27 July. Congratulations to Matt Panter for the 100 straight ABT aka 'The mic drop' at the County Championship which was then followed by bronze at the UK Universal Trap Championship.

The UT was a thoroughly enjoyable day, not overly well attended but a great event and a really good atmosphere. There was lots

of healthy competition banter throughout the day and everyone shot really well. Matt Panter was victorious overall on 94 just piping Matt Jones who was runner up. In third was Gareth Marfell, Ladies was Joanna Thomas and Vets Mark Thomas. Unfortunately we did not have a Junior entry. Brook Bank ran a well organised event as always! A general thank you to all in the County as everyone has been very supportive of me in this role so far."

The counties shooters have been in the medals at the recent WM region championships. Liam Richings 96 in winning a Junior bronze at the Area Skeet, Ian Coley a 90 in winning Veteran bronze at the area Single Barrel and big hand to Cliff Gardner shooting 98 then winning a tense shoot off for Area Title and Veteran gold at Skeet Doubles.

At our three county sporting grounds our shots fared rather well. At Westfield 120 ESP, Chris Biddlecombe second in AAA 115, in A Mark Thomas 103 was third in B the rough jewel that is Clapton 97 was first and in C Mark Buckley 87 for first also.

At Ian Coleys 100 ESP Kevin Childs was second overall 93, Joe Hale 91 for third, in A a second for Ivan Reid 91, in B Jennifer Young and Doug Pinnegar 84 sharing second and in C sharing second having both shot 77s was Zea Purnell and Keith Broadstock. Longridge 100 ESP Matty Turk and Rob Wise 96 in a shared High Gun, Jack Mills a 90 in winning B and Mike Turvey an 80 in winning C.

Out of county sporting shorts, Joe Hale tamed a savage course in shooting a 94 for High Gun at Widdington, Nicholas Chipper Portlock 93 High Gun at Barbury in Sportrap, Mark Mills second in A with a 91 at Meadowcroft

Please do keep an eye on the county's Facebook page for updates regarding the counties events. Finally please do forward any notable efforts by our county's shooters so one can share with all.

## LEICESTERSHIRE & RUTLAND

**ALAN BOTT**

alanbott100@hotmail.co.uk  
sites.cpsa.co.uk/leicestershire

Hello to you all again, here's hoping that you are all well and enjoying the summer sun. This month I have two lots of championship scores to report on, The L&R Double Rise and the L&R DTL, that were both held at Normanton SG.

#### The Double Rise

The event High Gun was Jason Marlow (talk about keeping it in the family!) shooting 43ex50 – very good considering that the breeze making the targets dinxy about a little. Runner-ups were Adam Curtis, Toby Reid and John Grice all on 42ex50. Next, came Simon Palfreyman with 40 and following very closely were Martin Leman, David Gardner and Mike Brookes who

all scored 39ex50. There were host of other county-men following very closely behind. Well done and thanks to all of the entrants and thanks to Uncle Mick and team Normanton, for hosting the event – thank you.

#### L&R DTL Champs

There were 19 entries for this little job, and one or two surprises. Number one was that there were no Ladies or Colts entered the fray. Number two was that a Junior was the outright winner, shooting 297ex300! Connor Harris showed everyone a clean pair of heels taking the Championship trophy and the Junior cup, well done Connor. It was a close run fight because his brother, winner of 'AA' scored 293, just a whole clay and a chippy one behind. Mike Brookes won the 'dads army' cup. Keith Mault was the winner of 'C' class with 273. A lot of good shooting was had by all, cheers again Mick.

Now for something different. I'm going to do a monthly 'shooters profile', just for a change. September's shooter is a Junior Lady, Lizzie Williams. Lizzie got the bug when she was a beater on a game shoot and was invited to join in with the other beaters on the end of year beaters shoot, thinking long and hard about this she opted for a couple of lessons to get prepared, apparently she held her own amongst the 'boys'. This was the bug she needed to get her into serious clay shooting. She tried a few Sporting, then a few DTL lessons and finally got hooked on trap. Carl Smith, the of Nottingham SC, has taken her under his wing earlier this year and her scores have been steadily rising ever since and later on this year will be competing for her school. Lizzie uses 'Ambers 24g 8's', she says it's because they are pink, Aahhh! She enjoys shooting at Nottingham and at the local grounds, she feels great comfort at these places.

Lizzie Williams.

**FIRST PRIZE**  
**ROLEX WATCH**

Now, there are people around who quietly watch shooters go about their business and two of these were Martin Jeminson of Solway Ltd, and Laporte, The Clay Pigeon Company, and Lizzie is receiving much welcomed sponsorship from these people.

Her thoughts on Junior shooting? Maybe more acknowledgment for the Juniors, not especially for the prize money but category mentions etc, and just an 'hello' can work wonders sometimes. Another thought, what about more shoots aimed at Juniors to get us together a few times a year? These can help to build lasting friendships.

Future aims, "I hope to keep improving my scores, moving through the classes, County, Area and England team selection and who knows perhaps European teams, the sky's the limit."

Keep it up Lizzie, we'll all be watching you. Oh! By the way, Lizzie's just turned 15.

OK! that's all folks, talk soon, aim straight and keep your powder dry.

#### Flaming June saw a number of firsts for many County Guns

Congratulations Mark Shaw, who takes the English Open DTL Championship at Bywell. Mark has been a consistent performer for years so it is fantastic to see him win a major title, and become one of those top names.

Congratulations to Andy Harvey who wins his first England Cap. Shooting well across the whole selection process he now looks forward to the Home International this year in Ireland.

George Cheer competed for the first time in a GB vest – George and his team mates took Junior bronze at the European Compak Championships scoring 183/200 in Greece. George is now part of the England team for 2019 World English Sporting Championships at Northbrook Shooting Ground USA.

Here's to you Mr. Robinson, as Matthew Robinson maintained his high standards to take the East Midlands Skeet Doubles Championship at Priory CTC.

Mark Shaw English Open DTL Champion.

From left: Joe Mitchell (Lincolnshire Champion), Mark Shaw (AA Class), Andy Jackson (A Class), Saira Boardman (Ladies Champion), Nigel Lovatt (Veteran Champion).

From left: Dave Johnson (B Class), Saira Boardman (Ladies Champion), Pete Atkin (Lincolnshire Champion), Phil Porter (AA Class) and Chris Bone (C Class).

Aaron Heading was flying the flag in Minsk at the European Championships fighting off most of the opposition to earn a very welcome bronze.

#### 30 June: County AR Championship, Nottingham and District GC

Some very impressive shooting made for some serious competition. Steve Smith laid down the gauntlet with 90, and this score held for some time until Pete Atkins' 92 left Steve the consolation of taking A Class. It was nice to see Pete, a superb all-rounder, take top honors. Richard Gray has been the Veteran to beat at whatever discipline he tackles, was two points clear of his nearest rival to take the Veteran title. Saira Boardman carded 78 taking the Ladies title. The RAF, past and present, were well represented among the winners, Phil Porter took AA Class 88, Dave Jobson B Class 89 and Chris Bone took C Class with 83. Congratulations to all the winners.

#### 14 July: County DTL Championship, Nottingham and District GC

This was to be a masterclass in DTL. Steve Smith was on a mission to become Lincolnshire Supreme Champion, he returned to the clubhouse with 100/295. The man to beat for this title was Pete Atkin, who just two weeks ago romped home to take the AR title. Things looked good as Pete hit 50/150, but one escaped on the third, followed by another and a barrel on four, meant that for this year the Supreme Champion overall title had slipped away.

A plethora of high scores appeared on the score board. Andy Jackson 99/296 A Class. Last year's champion, Paul Smith 100/298. Mark Shaw, fresh from his English Open DTL win 100/299 AA Class. Then up steps Joe Mitchell whose perfect score of 100/300 gave him this year's title. He then required a new hat as his fellow shooters, in the time honoured tradition, made short work of his.

Nigel Lovatt's 99/295 earned him the Veteran title. Skeet shooter and newly capped member of the England Skeet team, Andy Harvey, 99/294. Stuart Whitehead, who narrowly missed a place in this year's England DTL team by just one point, also 99/294 but both went home empty handed. Mike Allen was pleased with 98/288 and B Class with Mark Cumberlidge, who has been absent from the shooting scene for most of the year, took C Class with 93/274.

The Ladies captured the other two categories. Saira Boardman and Megan Williams were both tied on 273 but as Megan had left the ground Saira claimed her third Lincolnshire Ladies title. Megan won the Junior title. The atmosphere at this shoot was fantastic and we thank the team at NDGC.

#### Norfolk All Round Championship

The Norfolk All Round was held at Mid Norfolk SG on the 20 July. The scores on the doors were as follows: Senior and Dennis Rudd Trophy: Karl Hoolhouse 91/100 plus 25/25 Skeet, Veterans: Mike Briggs 89/100, Ladies: Tracey Sizeland 68/100, Juniors: Mitchel Briggs 55/100.

Congratulations to the winners. There was added excitement with a shoot off at the end, between Karl and Jason, for the High Gun and Trophies. Well done to Karl for getting an impressive 25 straight on the Skeet to be crowned the winner.

#### Izzy Thurnell

Congratulations to Izzy Thurnell, who was Ladies High Gun and Junior Runner up at the East Midlands Region DTL Championship at Cambridge on Sunday 1 July.

#### East Midlands Skeet

Bright and calm conditions for the East Midlands Inter-Counties Skeet Championships at Nottingham on the 8 July. This is always a closely fought contest and this year was to prove no exception. Northampton's Senior team has set the bar high with a very impressive total of 589ex600, the Norfolks accepted the challenge and set to task. First squad of Steve Smith, John Glover, Scott Buck, Simon Allan and new England cap Archy Stannard looked hugely impressive on the first run of 25 and only two targets escaped unscathed from the entire squad. Second squad with the remaining three Seniors Clive Johnson, Paul Freeman and Trev Frammingham also let a couple slip by, but a very impressive start by the Norfolk boys. For the next hour target after target was turned to dust and heading onto the last range Archy and John were both 75 straight with Smithy just one behind them on 74, Scott was on 73, this was getting tight.

Archy unfortunately missed one, but John put in a perfect 100 straight. Smithy and Scott both carded 98's, Simon put in a 95. Second

squad came in with Clive, Paul and Trev all scoring 96's leaving Norfolk on 587 just two behind eventual winners Northampton – a great effort by the team. No one could have asked for more. Veterans team of Andy Frost, John Dyson and Rodney Jessup also put in a solid performance, but Nottinghamshires Vets put in an unassailable 197ex200. Special mention to new team member Tracey Sizeland shooting in her first Inter-Counties competition, after some first round nerves carded a personal best 22ex25. Well done everyone, I was proud to be captain this year. **Trevor Frammingham**

#### World FITASC

Congratulations Sam Green on winning the World FITASC with 189/200. Another Norfolk World Champion! Richard Bunning was fourth with 186. Mark Goddard, Jake Moore, John Newman, and in Vets, David and Heather Pointer were also Norfolk participants. Well done all.

#### Russel Houghton

It's with great sadness that we inform you of the tragic death of Russell Houghton on the 30 June. Russell was one of this county's most successful trap shooters, having won many county, Inter-County and Regional titles over the years.

He was Norfolk Supreme Champion in 2017 and again in 2018 having won the DTL and D/R High Gun titles. He was a familiar face at the grounds around the region and often competed in the Norfolk County ABT and DTL teams, regularly helping them to victory. He was a very popular person and friend to many who will be sorely missed. Our sincere condolences to his parents Pat and Linda, brother Neil and partner Gemma. Our thoughts are with you at this sad time.

#### Forthcoming dates

22 Sep Single Barrel, Priory CTC

Neil Long both attended and won the county Veteran and Senior titles.

#### 22-23 June: County ABT Competition

This was again over two days to encourage entry numbers. Dave Morgan and Jo Smith finished with scores of 90 but as neither were there at the end of the competition, the title was decided through the 'countback' method. Dave Morgan was the last to drop a shot and so declared the winner. Kirstin Vogel took the Ladies title for the fourth year running and Mick Russell took the Veteran title. Sadly there were no Junior or Colt shooters.

#### 27 June: County Single Barrel

There were few shooters out for this competition but it was worthwhile none the less. Leon Gill took the Senior title with 44ex50 Laurie Cookson took the Vets title and Alex Banning the Colt title.

#### 30 June: County All Round Competition

This drew quite an entry and was closely fought by Senior and Veteran shooters. Dill Whatton and Jo Smith both finished with lovely 92s. With both present at the end of the competition the title was decided by a shoot off on a Sporting stand. Many remained to watch and support as they both went head to head. It took 12 rounds before either one faltered. In the end it was Dill who kept his nerve to take the title. In the absence of Mick Russell and Laurie Cookson to hold a similar shoot off, their tie for the Veteran trophy was decided by the countback method with Laurie gaining the honours this time. George Whatton took the Junior title with a score of 67ex100 and Alex Banning took the Colt title. A big thank you to everyone who took part.

#### 7 July: Inter-County Skeet

This competition was a wonderful start for the county. The Senior team had 1x100 and 2x99s

and 2x98s to help them to win their category with 589ex600, two clear from nearest rivals Norfolk. The Ladies team of Isabel Russell, Helen Wootton and Rose Palmer also took their category aided by Isabel's first 100. Congratulations! Altogether the team took home eight points for the Director's trophy.

Let me finish with county shooters who have qualified to shoot for the England. Andrew Lea is clocking up his 16th cap for Olympic Skeet. After a wonderful performance at the three qualifying ESK competitions; 195 at Dartford, 195 at Northampton and 197 and Nottingham Isabel Russell is gaining her first cap while Leon Gill has again been selected for the Skeet. Well done to all.

All competitions recently have attracted low numbers of entrants. When looking around at the number of competitions and events on offer at the weekends and the cost of entering and shooting competitions these days it is perhaps not surprising that fewer people are competing for the county trophies. The number of entrants does not take away from the commitment of those who do enter, nor does it take away from their successes. The Northants CPSA committee would like to thank all the shooters who enter into registered and competition shoots.

The County Universal Trench competition was held with the East Midlands competition at Rugby as usual this year. Tony Clayton and

**2 June: Nottinghamshire UT, Rugby**

Pasquale Ritucci was the County Champion scoring a 91, seven points ahead of Mick Feather on 84 – well done both.

**30 June: Nottinghamshire FITASC, Orston SG**

The event was paired with Derbyshire which made for a good entry. There were 18 shooters from the County who battled it out in the sunshine. The County Champion title was a tie between Robert Lowe and Elvin Lawson who both scored 77, as neither were at the ground for a shoot off it was decided by countback which gave Robert the overall title (and the Vets High Gun) and Elvin the Senior title win. In Ladies it was Megan Gamble who took the prize with 63. Teams can be found on the county website for the Inter-Counties event at Highwaymans on the 14-15 of this month. A big thank you to Dan and Emily for putting on a well run competition and an enjoyable course.

**Team news**

A fantastic result for our Veteran Skeet team who triumphed in the Regional Inter-Counties at Nottingham GC on 7 July. An outstanding performance from team manager Ash Parfment scoring 99 with Roger Ball only one clay behind at 98 and Rennie Lowbridge and John Miller both scoring 92, to give the team a total of 197 which would be a full five clays ahead of nearest rivals Lincolnshire. All the Skeet teams showed massive improvements this year – absolutely brilliant from all of you.

The County teams can be found on the county website – the Inter-Counties Sporting is at Sporting Targets on 7-8 Sept and the FITASC is at Highwaymans on 14-15 Sept. If you're on the team, make sure you know your start time and good luck.

**Supreme Championship**

The final two events of the Supreme Championship take place this month so take the opportunity to improve your score or get a qualifying score of four events. Trophies, clothing and free entry to County Shoots for 2020 are prizes up for grabs in every category (Colts, Juniors, Ladies, Seniors, Veterans, Super Veterans and Overall County Supreme Champion).

**County success**

Congratulations to Tom Clifford for winning a place in the England Skeet Team. Well done to Martin Doughty who placed second in Vets at the Orston Masters. The event was well supported by Notts shooters and Dan and Emily would like to thank you all.

22 Sep	Skeet Doubles County Championship, Orston SG (Supreme Championship)

**26 June: ABT Championship**

With scores from this shoot going towards the Supreme Titles, it was great to see competition in all categories. The County Champion title would be retained again this year by last year's winner, Stuart Smith, after shooting 48/50. In Veterans the title went to Tony Rogers who ended on 46/50, with Juniors going to Jasper Pearce – his first ever county title so congratulations! Ladies this year was a competition – which would go to Anne Phillips who shot a wonderful 43/50.

**Sporting Challenge**

This shoot was held at Eriswell Lodge on 30 June, with the Challenge able to be won by shooters from any county it would be a competition for all. This year all of the titles would leave the county, with two heading over the northern border to Norfolk after Dave Gooding took home the High Gun and Champion titles on 92, and Georgie Tillson won Ladies on 69. Juniors would head south to Essex with Harrison Willis who scored 82, and Veterans would go west to Cambridgeshire with Brian Dunbavin on 85. Thank you to the team at Eriswell Lodge, and of course all of the referees for running these shoots for the county.

**Regional Inter-County Skeet**

A huge congratulations to our Suffolk Junior Skeet team. On 7 July the Suffolk Teams headed up to Nottingham to the East Midlands Skeet Championships in beautiful sunshine. This year it would be our Junior team who would be the most successful, made up of two Colts, Jasper Pearce and Henry Lungley. Jasper, at his first ever Skeet competition, put in a solid score of 90 which matched with Henry's incredible 98 landed them the win! With Henry also winning the Junior High Gun!

**Forthcoming dates**

29 Sep	Super Sporting, High Lodge
19 Oct	Sporttrap, High Lodge

The season is now well underway. With many titles won, and county successes. We will also have had the final of our county 'super-six' championships, the FITASC, which will be the deciding shoot for the titles!

**12 June: Single Barrell Championship**

We saw a great turn out from our hardy shooters despite the wet and windy weather. It was also lovely to see so many shooters turn out for the minute's silence and shotgun salute in honour of Dick Hails. This year's retaining Champion would be Geoff Howlett, who shot 48/50. Closely followed by the Veterans Champion Adrian Cook on 47/50. In Ladies we saw some competition, but this year it would go to Melissa Smith on 44/50 and Juniors went to Henry Lungley who shot 34/50.

**19 June: Skeet Doubles Championship**

The first two squads went out and got thoroughly soaked, with the weather drying up for those who followed with some sporadic drizzle. In the first squads out there would be two 48's coming in from Stuart Smith and Tosh putting them in a tie at the top. There were still some top shooters to head out, which was proven by Andy Gibbs pipping them all to the top by one point and taking the title home. In Veterans there was a three-way tie – it was taken by Adrian Cook after shoot offs. In Juniors Henry Lungley took home the title, and Ladies was won by Melissa Smith.

### ANTHONY READ

saltonread@gmail.com  
sites.cpsa.co.uk/dorset

We start this month with a result from back in April. I refer to the England ESP selection shoot weekend held at Barbury SG, which doubled on the Saturday as the SW ESP Championship. On Saturday, 27 April, from 252 competitors our very own Paul Thomas shot a 92/100. That score put him in joint sixth place, but with the third highest score. There being a winner on 95, four shooters with 93 and four shooters on 92. An excellent effort by Paul and his score made him the 2019 SW Champion. Congratulations are somewhat late but well deserved.

The only other result provided to me is from the Dorset UT Championship held at Brook Bank on 7 July. This saw a draw between Ian Mulliner and Terry Poore on 88. Both are staunch supporters of Dorset Championship Events and after a shoot-off Ian Mulliner emerged as the Dorset Champion by just one point. Terry takes the title of 2019 Veterans Champion. Well done to the both of them.

Having just returned from my holiday break, I have not had time to trawl various results. If anybody has news of any Dorset shooter's exploits that they feel deserve wider recognition, then please contact me. The progress of any Junior is always pleasing to

report, but I need to be given the information.

Parents, please do not

hold back in supplying that

information. My sources are protected!

By the time you read this article we will have had the SB Championship at Brook Bank on 3 August and ESP at Pilford on the 10 August. Results in the next edition. A FITASC date is still awaited, probably to be held at Purbeck.

neighbours Dorset were there purely for the enjoyment of shooting ABT on a lovely hot summers day.

All seven squads got off to a great start, several entries returning 24ex25, as the day rolled on only a few were in the running. Ben Gordge missed out on defending his Hants ABT championship came out of hibernation cleaned up his 32in full and full DT10 and smoked 96/100 which put the Rowan Cup firmly in his hand. It was quite close though as fellow Fareham CCTC member Mark Bryant had been very close throughout the day but needed a straight 25 in the last quarter.

#### Owls Lodge Sporting

The entries for the weekday sporting shoots at Owls lodge just keep rising. Tuesday and Thursdays are practice days, then there is the 100-target registered events. On the 27 June, 155 entries attended – that's more than most clubs have on a weekend – just amazing. Such is the passion for a good sporting events that sportsmen and women are either luckily retired or bunking off work to make the trip to Owls Lodge at Barton Stacey. Richard, Tanya and their girls just keep putting on good well run shoots hence the great attraction to this ground. The High Gun for the Thursday event went to 2019 Hampshire Champion, Phil Marks, with 94ex100. The targets for this event were set by James Bradley-Day as owner Richard Faulds was hard at work in Ireland setting out the targets for the ICTSF Championship. Well done James you did a good job, you didn't let the master down.

#### Inter-Counties are coming

It will soon be time to call on the members to support the Inter-County Championships, the 2019 Hampshire Champions in the disciplines should by now have an idea who should

accompany them to the West Country to represent Hampshire. Unfortunately looking at the venues theres a fair bit of travelling to do for the DTL, ABT and DT – all placed at North Cornwall SG.

However the English Sporting and Sportrap... Yipee – Owls Lodge nice and close, FITASC is at the Purbeck SG, now will we win the FITASC for the 11th year in a row! Skeet and the All-round will be held at Brook Bank SG. For the full list go on to our website [hampshirecpsa.org.uk](http://hampshirecpsa.org.uk).

Now we're slowly getting towards the end of the County Championships and the Inter-County & SW County Championships are due to start. Good luck to everyone who is selected to shoot in one of the County teams!

The ABT was held at Brook Bank on the 16 June and as it was a joint affair between four different counties. There was a good turnout. It was also a good practice for the English Open that was held at Brook Bank two weeks later. There was some very good shooting across the counties and Matt Panter took HG on the day with a 100 straight. Ed Ling won the Somerset County Champion title after having to shoot off against Abbey for the title (both finished on 96). Abbey took the Ladies title, Steve Ling took the Veterans title and Theo Ling took the Juniors title, so a great day for team Ling.

The 7 July saw the UT County Championship take place at Brook Bank which was again another joint affair between four counties, with a good turnout. Ed Ling took HG and the County Champion title on the day, although he was chased hard by Wesley Hann all the way, but in the end it wasn't to be. Wesley ended up taking the Veterans title, Steve Ling took the Super Veterans title and Ellie Seward took the Ladies title. Well shot all.

In other news, Somerset shooters have been doing well at a national level. Ed Ling won the English Open ABT at Brook Bank only dropping one target over the whole weekend. Steve Ling also took the Disabled Standing HG title at the same Championship. In the English Open Sporting, Chloe Applin took third place in the Lady Juniors, while Theo Ling took the Junior HG title in the English Open Universal Trench Championship. Emma Stacey won a Ladies team gold in the ICTSF World Championships in Ireland in July. As always, if there is anything that you want to raise with the Committee then please contact any of the Committee members or myself on the above email!

#### 15 June: Surrey Single Barrel DTL Championship – Bisley Gun Club

The Surrey Single Barrel Championship took place on 15 June at Bisley Gun Club alongside the Greater London and Sussex Championships. It was a good turnout overall and particularly for Surrey with shooters in Colts, Ladies and Senior categories. The weather was mixed with some rain and gusts making for some tricky targets, and some mixed scores between the squads. The Colts title was won by Oscar Parker, continuing to shoot well beyond expectations, scoring 61 at just 10 years old. Good work Oscar! Jo Watson-Hopkinson took the Ladies title with 79 in a closely fought contest, just pipping Victoria Castle on the final round. Well done Jo. The Veteran's title went to Phil Stevens. The Senior title went down to the wire, with Charlie Martin and Nick Haley both finishing on 92. The tie shoot was shot alongside Ian Flower and John Butler, vying for the Sussex title, and was a neck and neck affair, with Nick Haley edging it on the final peg to finish with a 23.

Thanks go to Tom, Janine and Caroline at Bisley Gun Club for their typically friendly welcome, and to the Refs who were exemplary, and congratulations to all the winners. Surrey

DTL shooters are also reminded that 15 September is the Inter-Counties DTL at Bisley Gun Club and we look forward to putting in strong teams in all categories.

#### 23 June: Surrey English Skeet Championship, NCSC Bisley

The Surrey English Skeet Championship was held at the NCSC Bisley. Previous winner Daren O'Toole shot early and led for most of the day with a score of 96. Glen Boxall shooting in the last squad missed three on his first round, then shot a perfect 75 straight to snatch victory by one target. Top Veteran was Frank Arico with 94. Top of the Colts and adding more points to his Supreme Trophy tally was Oscar Parker.

#### 30 June: Surrey Sportrap Championship, Southdown Gun Club

The Surrey Sportrap Championship was held over four testing layouts at Southdown Gun Club. This time it was Glen Boxall who led for most of the day with 89, only to be beaten by Paul Poulter who scored 90 later in the day. Ladies Champion was Sarah White with a creditable 87. Veteran Champion was Peter Saich with 75.

With his success in both the English Skeet and the Sportrap Glen Boxall is leading the Surrey Supreme with 50 points – 23 clear of joint second placed contenders Paul Poulter and Peter Saich. Veteran leader is currently Peter Saich with Sarah White heading up the Ladies, John Chambers the Juniors and Oscar Parker the Colts. However, we have another four events to go so there is a good chance for others to take pole positions in each category.

#### Surrey success in the World Sporting Championship in Ireland

News just in of Chip Smith's success at the World Sporting Championship in Ireland. He made the Top Ten super final, and eventually won the bronze medal in the Veteran class – Congratulations from the Surrey Committee.

Firstly, thank you to everyone that attended our July shoot at East of England Shooting Ground. It was our first trip up there for sometime.

There was a fantastic standard of shooting across all three disciplines we shot. In Skeet Sam and Kelvin both shot 24. In DTL both Dave Lewsey and Ray Goodey shot 25 straight. On the Sportrap both Dave and Sam shot 21.

This meant the top two in sitting and standing overall sat as:

- Standing: first Sam 69, second Dave 65.
- Sitting: first Alec 64, second Adrian 61

Some of us shot the clay snooker and Tony Cox came out victorious on this. Thanks Matt Skelton for arranging and to East of

# “The most comfortable prescription shooting glasses I’ve ever had.”

BECKY McKENZIE  
Champion clay shooter

“I’ve been clay shooting competitively for a long time and I know what works for me. **The quality of the Optilabs prescription lenses is fantastic** and I believe are the best on the market. The Flow frame, has an adjustable nose piece and arms, so they fit perfectly to any head size. They’re the most comfortable shooting glasses I have ever had. I highly recommend them! ”

Insurance

Can you afford to  
pay for a damaged stock  
or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

# FEMME FATALE

English Sporting England Team member **Hannah Gibson** talks World Championships, confidence, and inspirations with **Jasper Fellows**.

**Q** When did you first start shooting clays?

**A:** I started when I was about 12 years old. My dad was a keen competitive shot so I used to follow him down to Northall CPC for the members' barbeques. It wasn't until Charlotte Kerwood won her Commonwealth Games medal that I wanted to give shooting a go – she made me realize the sport was not just for men.

**Q** Why did you pick Sporting as your discipline of choice?

**A:** I actually started shooting Sporting and English Skeet. Dan Kerwood suggested I give Olympic Skeet a go, so I did. I shot that for five years and represented my country before giving up shooting for a year. My dad convinced me to get back into the sport and give Sporting another go. Mark Winser helped me ensure my technique was sound from the offset and I have been really enjoying it ever since.

**Q** You've recently competed at the World English Sporting Championships in Illinois, how do you train for competitions on this scale?

**A:** My training regime doesn't change massively – although I do go to the gym a bit more than usual. This event was spread over three days so I do what I can to limit fatigue. With shooting it's hard to create macro cycles with there being so many competitions on, I try to be selective with which competitions I do, so that I can train more effectively for them.

**Q** Do you get nervous before big competitions?

**A:** I used to suffer really badly, to the point where I would be shaking too much to shoot effectively. I've found that the more competitions I've shot, and the more I've put myself outside of my comfort zone, the more I've learnt to deal with the pressure. I'm really lucky to have

...the more I've put myself outside of my comfort zone, the more I've learnt to deal with the pressure.

some great sponsors to help things run smoothly, Fiocchi Cartridges, Kreighoff, Vario, and Teague make sure that I always have the equipment I need and Full House Restaurants (Dominos Pizza) help to supply the pizzas!

Having the support of these companies really helps lessen the stress before an event. I'm also really lucky to have my dad – he drives me to events, and is always there to pick up the pieces when things aren't going quite to plan.

**Q** You are also known for you work with the Femmes Fatales (FF), how did you first become involved with the group?

**A:** I became involved through Rachel Carrie and Lydia Abdelaoui. I attended the first FF Cup and really enjoyed the day and the ethos of getting more women into shooting. Since then I've attended a few more FF Cups and even hosted my own event last year.

**Q** What do they do help encourage women into the sport?

**A:** They organise days for novice and experienced shooters – but more than that they create a friendly environment for ladies to learn and enjoy the sport. As a male-dominated sport it can be very daunting for a woman to go to a ground alone. The FF help you to squad up and make friends. Attending an event with friends is always less daunting.

When I first started shooting there were perhaps only four women who would come up to the club to shoot. Now with the likes of the FF, Chelsea Bun Club, and all of the brilliant Ladies Days being held it there seems to be many more women enjoying the sport.

**Q** What tips do you have for any young shots looking to emulate your success?

**A:** Set good foundations, work hard and take the opportunities you're given. Competing is like trying to build a giant jigsaw puzzle, you can't expect to complete it in two minutes. Every competition and training session, good or bad, adds another piece to that puzzle.
