WELCOME

OCT
2019

Our headline news is that Richard Faulds MBE successfully defended his British Open English Sporting title. Read more about the championship on pages 13-18. I was at High Lodge for the entire week, and echo Richard's comments in the article about what a well-run event this was, my thanks go to John, Andy, Jane and all the team at High Lodge. The British Open Sportrap ran simultaneously, and further congratulations to Sam Green for becoming the new Champion.

Congratulations also to Aaron Heading, who has secured a fourth Team GB shooting quota place for the 2020 Tokyo Olympics. Read more about that in Clubhouse News, and be sure to check out the article on page 34 about what it takes to become an Olympic shooter.

I was excited to attend the Olympic Trap Home International this past month, which was held just around the corner from CPSA HQ at the National Clay Target Centre. My congratulations to Rod Gould for his High Gun of the Match win and the England Team for taking the Overall Team trophy. The England Team shooters represent the pinnacle of our sport, and never fail to impress with their dedication and shooting ability. You can read more about the Olympic Trap, English Skeet, and Olympic Skeet Home Internationals on pages 25-29. We still have National Inter-Counties Championships for English Sporting, Automatic Ball Trap, and English Skeet to look forward to this year. If you are a county secretary, be sure to enter your county's teams at cpsa.co.uk/natic.

CLUBHOUSE NEWS

AARON GETS QUOTA PLACE

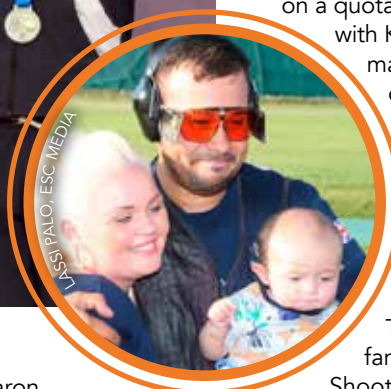

Aaron Heading has won silver and GBR's second Trap Men's Rio quota place at the European Championships. A very solid day two put Aaron in fifth place for the

finals. The finals 'rule out' system, meant Aaron needed to go all out to climb the rankings, which he did with great courage, beating ISSF World ranked

number two, Mauro de Filippis (ITA) into bronze at the 40 target mark, giving Aaron a guaranteed quota place.

Aaron said, "I still can't believe it. I knew I had to hit all five targets at the bronze stage to get the quota. There was only one way I was coming out of it, in front. It was a year ago to the day I missed out on a quota in the mixed team quota with Kirsty. I can't remember how many times I have missed out on countback or bib number, all by one target. So finally, I have done it!"

"With everything shooting has given me, I can finally give something back to my country – the quota place. Thank you so much to my family, Beretta, Fiocchi, British Shooting and UK Sport."

BICTSF BOARD ELECTIONS

Elections to the BICTSF Board of Management will take place at their Annual General Meeting to be held in March 2020. There are six posts to be filled to represent the International Disciplines: Olympic Skeet (2), Olympic Trap (1) FITASC Sporting/Compak (1), Universal Trench (1) and Helice ZZ (1).

The successful candidates will serve on the Board for two years (in the case of two representatives for a discipline, the candidate with the second highest number of votes will serve one year) and will be expected to represent the views of the shooters within their discipline, attend their discipline selection shoots and also serve on the relevant Sub-Committee. They should be computer literate and have access to and be able to use email.

Interested persons should submit their names in writing to the BICTSF Secretary, stating which discipline they wish to represent, before 30 November via email: secretary@bictsf.com or post to BICTSF Secretary (Elections), Edmonton House, Bisley Camp, Brookwood, Woking GU24 0NP.

Save the Date CPSA ANNUAL AWARDS

1 February 2020 at the Belfry Hotel and Resort, Birmingham

REGISTERED COMPETITIONS – PRIZE FUND PAY-OUTS

A gentle reminder to our member shooting grounds and clubs regarding the paying out of prize fund monies to competitors:

It is important that the whole amount of the prize fund collected from entries is paid out in full, as per CPSA rules 1.14.

It is understood that at times it is not always possible or practical to pay out prize monies at the end of the day for various operational reasons and that winners may have already started their journeys home etc. It is also understood that shooting grounds/clubs do retain such monies until the competitor returns sometime in the future to claim it. This is fine and accepted that it is a responsibility of the

ground, not CPSA HQ. However we do ask that, simply for clarity such a decision is announced or made public by the prominent publication of a notice at the start of each competition, so that all are aware.

We are aware that some shooting grounds/clubs may limit the length of time prize fund monies are retained before being donated to a charity. Again, this is absolutely fine, but we do ask that such a decision and how long the retention is, be included in the above notice for all to see.

As long as the prize money is paid out within the specified time period, made public to members via notice at the ground, then further issues arising should be limited.

It is important that the whole amount of the prize fund collected from entries is paid out in full, as per CPSA rules 1.14

DRAGON CLAY CLUB CHARITY SHOOT

The Dragon Clay Club held its annual charity shoot on Sunday, 18 August at their picturesque ground at New Barn Farm, Colgate. A grand total of £2,300 was raised and split equally between the Brittle Bone Society and Phoenix Stroke Club (Horsham).

The shoot itself had 119 entries.

The cash class was won by Kevin Lillywhite and Alex Cobb with a score of 93, third equal was Simon Fenner and Guy Franklin on 92. The cartridge class had three people – Richard Hemsley, Colin Barrow and Tom Upton – all on 87. Liz Salmon won the Ladies class with a score of 76 and Will Fenner the Juniors class on 92.

The Dragon Clay Club has now been going for just over 30 years and has raised and donated approximately £100,000 to charity throughout this time. The Club has the support of the majority of the residents in Colgate but most of all owes a great debt to the Shore family who have kindly allowed the shoot to

take place on their land all these years. The clay club was formed when a handful of men from the Dragon Public House wanted something to do on a Sunday morning. So they went down to the farm with a box of cartridges and a trap under their arm and the rest is history. They now have 29 traps and 112 members with the ground being one of the finest in Sussex. The shoot has attracted some of the best shooters not only in England but the World.

CPSA AWARDS

The CPSA are pleased to announce that the CPSA Awards will return to The Belfry Hotel in Sutton Coldfield on 1 February 2020, and will feature a revamped offering of awards.

We are excited to announce two new awards going forward:

First is our Sports Personality of the Year Award, open to any member or group of members, who have personified what it means to inspire, develop, and grow within our sport. This could be in any facet of the sport, for example: promoting the sport inside and out of the shooting world, club or ground management, coaching or instructing, volunteering on a committee, or developing a new product etc.

Second is our Recognition Award. This award is designed to have its topic changed year on year, to allow for different categories of nominations not already in place to be represented at the Awards. This year the award will be dedicated as the Course Setter Recognition Award, recognising the hard work by an individual to create a memorable shoot in recent years. This could reflect the challenge of setting a major CPSA championship, or a shoot on the international stage, or simply a challenging Registered-shoot course still on the minds of those who shot it. It considers the course setter's accomplishment in setting a course or courses that challenge the shooter with interesting, technical, and fun targets for our members to enjoy.

The Awards shall retain six of the previous awards, including: Clay Shooter of the Year, Coach of the Year, Club/Ground of the Year, Emerging Shooter of the Year, Young Shot of the Year, and Disabled Shooter of the Year.

Award nominations will be going live in October, and ticket sales in November, please keep an eye on cpsa.co.uk/news and our social media accounts for more information as it is available.

RAF CLAY TARGET SHOOT

As proud sponsors of the RAF Clay Shooting Team, Nottingham & District Gun Club are running a series of events on 12 and 13 October 2019. The aim is to help raise funds to further the development of clay shooting in the RAF.

There will be 100 Registered English Skeet and 100 Registered DTL on the 12th, and 50 Registered English Sporting on the 13th. Across both days there will be a variety of other events, including a gun raffle, general raffle, have a go stands and pool shoot. The CPSA have proudly donated a free one-year membership and a Musto cartridge bag for the raffle.

There will be a number of trade stalls over the weekend including Zoli, Laporte, Vario, Slippery Dicks Gun Wax, and others.

REMEMBERING DENNIS LEE

1 March 1931 to 8 September 2019 During his 25 year career in the RAF, Dennis Lee represented the RAF in countless competitions using a variety of firearms: collecting a large haul of trophies and medals along the way. He took up clay shooting in 1965 and had an unorthodox but nonetheless highly effective straight arm technique for clays, with his best achievement coming fifth in the European FITASC Sporting Championship held in Belgium in 1975. A CPSA Qualified Instructor, in the mid 1980s he started what is it now the Bisley Shooting Ground for the NRA. He was still shooting clays and getting high scores at the age 85. He died peacefully at his nursing home at the age of 88 and will be sadly missed by all who knew him. Our thoughts are with his friends and family at this sad time.

20CN - {20% Transmittance - Chromashift Neutralizer}

This new lens uses the 22N as a base while enhancing the filter efficiency of the existing ZEISS Chromashift color enhancing profile. This new full sun green background neutralizer uses a modified spectral curve to deliver super target "Pop" and suppression of green in full sun. The lens uses our proprietary ZEISS Chromashift pigment technology to boost pink and orange while killing the green background with maximum efficiency.

10CED - {10% Transmittance - Chromashift Enhanced Definition}

The 18CED ZEISS Chromashift Enhanced Definition lens has been one of our stand out technologies for 2019. This new 10CED uses an enhanced filter profile to lift more color while providing the highest transmittance reduction Pilla offers in ZEISS Chromashift. This technology has the performance to reduce transmittance while the ZEISS Chromashift color pigments provide rich and highly defined sight pictures. So the perceptive light value is extremely vibrant and visually accurate even though the transmittance is only 10%.

30CED - {30% Transmittance - Chromashift Enhanced Definition}

The 30CED ZEISS Chromashift Enhanced Definition lens is a brand new technology building on the success of the 26ED. The 26ED has been one of the most sought after sun lenses offered by Pilla to manage a wider range of lighting conditions. The introduction of the 30CED ZEISS Chromashift lens raises the performance offered in a full sun to medium light lens science providing balance yet rich color reproduction. This new technology uses our proprietary ZEISS Chromashift pigments and dyes which have enhanced color saturation technology which provides maximum visual definition.

MEDCERT SHOTGUN LICENCE

Whether you're applying for the first time or just renewing your shotgun licence, the check of your medical records that is now part of the process can prove to be a headache. Some GPs ignore the request or refuse to participate, delaying or at worst stopping the licencing process altogether, while others have been reported to charge hundreds of pounds for the service.

MedCert has been founded to provide an reliable alternative that puts shooters back in control of their application.

For a fixed fee of £50 a MedCert doctor will conduct the necessary check of your records and make a response to

the police within a guaranteed timeframe.

Designed to remove the worry about delays and exorbitant fees from the process, MedCert is a service run by shooters for shooters. For any queries or to get started, visit medcert.co.uk or contact info@medcert.co.uk

BOARD ELECTIONS

Vacancies have arisen for the position of West Midlands Region Director and one National Director to join the Association's Board, following the current three-year term for each of these two posts expiring. The positions have been advertised on the CPSA website since 16 September 2019 and are for a three-year term to run from immediately after the Association's AGM on 21 March 2020 to the AGM in 2023.

To continue with the development of the Association, the board needs members with the appropriate skill, board experience and knowledge to operate successfully at strategic level. Members who can bring significant relevant business and governance capability to the boardroom to complement the skills and knowledge of the existing directors, along with a good knowledge and understanding of clay-target shooting are particularly welcome. There is an expectation to attend Board meetings, AGMs and Championships throughout the year to represent the CPSA Nationally and Regionally.

Eligible members may apply for one position only using the official nomination and pen portrait forms (available to download from the CPSA website or call the office for

a copy to be posted to you). Nominations for these elections must be received by and marked FAO Ben Halton, The Election Centre, 33 Clarendon Road, London N8 0NW by 4pm on Friday 1 November 2019. SHOTS IN THE MAIL

LETTER OF THE MONTH

Dear Sir/Madam,
It's not often I put pen to paper, but reading your article on page 25 'New Beginning in East Yorkshire' in your latest edition of *Pull!* I can only say what a fantastic ground this is.

I've been shooting there for many years and since the new owners have taken over there's already been a massive improvement in the appearance of the ground. I normally shoot ABT/OT/UT and every one of these targets are spot on (not that I can hit every one). But yes, all I can do is give this ground praise as they've all done a great job from the ground work, catering, polite staff and the few competitions that have been put on in the short time they had it, it has always

run smoothly. If anyone was thinking of going to East Yorkshire Shooting Ground, don't hesitate – just go you won't be disappointed. This ground has a fantastic future on the international shooting circuit.

Just on another note the shooting organisations for the Commonwealth Games should look at this ground and put their case forward that there is a ground nearer the venue for the shooters to compete, as I believe the one reason for excluding shooting for the games was that Bisley was too far to go.

Regards
MH Cooper.

2019 COURSES ROUND-UP

A look back and at what's to come with our courses!

Head to
cpsa.co.uk/courses
to book a course

Firstly, many congratulations to everyone who passed our various training courses this year. It's been another excellent year proving that our courses are highly regarded and fit for purpose and we'd like to thank our team of Tutors who have done a superb job in delivering over 70 courses to over 600 members throughout the year comprising Shotgun Skills, Referee, Safety Officer, L1 Instructor & L2 Coach qualifications.

Probably our biggest change this year was the streamlining of the L2 Coach pathway with the new Common Element three-day course to incorporate all three discipline-specific Coach Development Workshops into one hit. Previously the three workshops were held independently but the new format allows all the attendees to have completed all three discipline-specific workshops in one go and therefore be able to plan ahead with their Coach Training Courses and progression to L3 Senior Coach.

We are also delighted to have finalised our new L2 Olympic Skeet (OSK) and Olympic Trap (OTR) courses. These are a bolt-on to our existing domestic L2 English Skeet (ESK) and Trap qualifications and therefore only

open to those who have successfully completed their L2 ESK & Trap Coaching Courses. The first of our new OSK & OT courses are taking place on Monday 30 September at NCSC so if you are interested in learning more about these disciplines then search the Find a Professional section of our website for those Coaches with L2 OSK and OT qualifications.

We've had a big jump in members taking our discipline-specific Referee courses this year which is excellent news as this means that there will be more qualified Referees on the circuit ensuring competitions run smoothly. We've also recognised that not everybody actively involved in our sport shoots so we introduced our CPSA Referee Membership costing just £15 per year for people who don't shoot or have stopped shooting but still want to take part in the sport. Referee Members will receive their 'red' membership card once they have completed the course and will enjoy the same public liability and personal accident cover in their capacity as Referees as our shooting members benefit from (please note that they are not covered for shooting as Referee members).

We are now planning our 2020 schedule of courses and these will be available to view and book online as soon as possible, otherwise look out for dates in the combined November/December issue.

BRITISH OPEN ENGLISH SPORTING & BRITISH OPEN SPORTRAP 2019

Richard Faulds MBE retained his British Open English Sporting title this year at High Lodge - his fourth time hoisting the Daily Telegraph Cup. **Stuart Clarke**, took second, and **Josh Bennion** took third, an exceptional feat for a Junior shooter, says **J.G. Repshire**.

THE 2019 BRITISH OPEN ENGLISH SPORTING

'Something for everyone' was perhaps the most commonly heard praise from participants of the 2019 British Open English Sporting from 28 August to 1 September at High Lodge. John Bidwell and his team set out to create a course that was not only challenging, but fun for shooters of all levels. Judging by the reactions of the shooters, they succeeded in spades.

"There's targets here for everybody and this is how it should be," said John. "This is the old school, and this is the way it should be done as far as I'm concerned, with good presentations, nice facilities, and an enjoyable shoot - and that's what it's all about."

There's targets here for everybody and this is how it should be. This is the old school.

High Lodge Leisure Ltd. sits on 120 acres in the beautiful Suffolk countryside. Not only is it a gun club offering a range of disciplines, but it also

has a golf course, fishing ponds, and holiday lodges on site as well.

For the British Open, four of the golf course fairways were converted to host the first four Sporting stands, perhaps a fulfilment of the often-heard assertion that Sporting clays is comparable to 'golf with shotguns'. Shooting on the fairways allowed for target presentations that would not normally be seen at High Lodge,

where the English Sporting course is largely set in the woods.

The British Open saw four days of qualifications from Wednesday to Saturday, with the top three shots from each category (Ladies, Veterans, Juniors and so on), and the top five from each class (AAA, AA, A, B, C) each day going through to the 75-target Final on Sunday. The top six shots from the Final were then invited to a 25-target Super

Final that afternoon.

Brilliant feats of shooting were seen over the four days of qualification. The first day saw Ben Thorrold put in a 115, while Ben Husthwaite and John Lee each shot 114. Three-time British Open Champion, and many times World Champion, George Digweed MBE was on the course that

day, putting in a 112. On day two, Mark Webster added a 114 to the overall scores, and 2013 Champion Sam Green put in a 112. On day three, Ben Thorrold's father, Phillip, shot a 109, allowing the 2010 champion to shoot in the Final with his son.

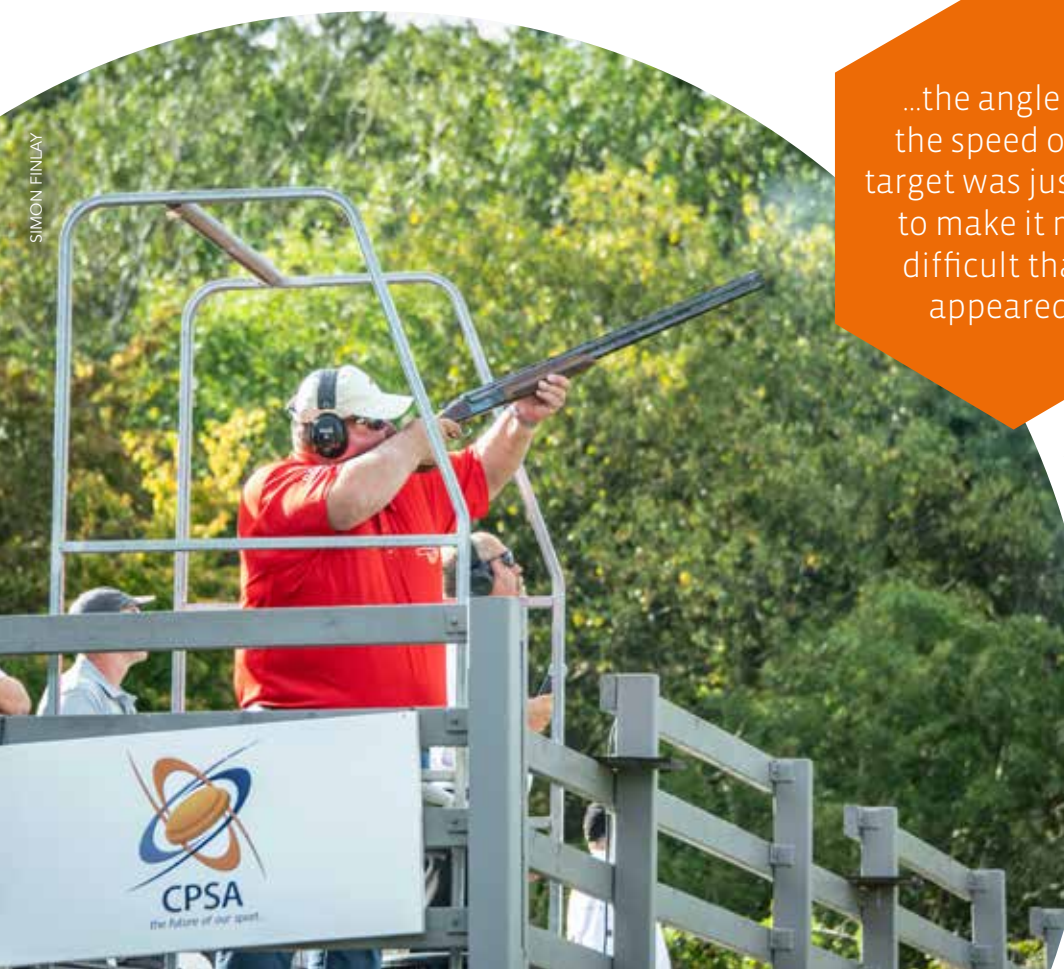

Richard Faulds arrived on Saturday, and anyone watching him shoot could see that he was in perfect form, taking down targets with the minimal and smooth movement that is his signature. He finished the course on a 116, which was to be the high score for the course. Matt Hance put in a 114, along with Martin Myers (two-time British Open Champion), while Phil Gray shot a remarkable 115.

Veteran and 1999 Champion Stuart Clarke gained his place in the Final with 113. Junior and defending Runner-up James Bradley-Day shot a 112. In 2018 he missed the overall title only after a shoot-off with his mentor Richard Faulds. Many wondered if this would be his year to defeat his coach and take the title.

ANYONE'S GAME

final. Due to the odd number of targets, the final stand departed from the English Sporting norm, featuring three on-report pairs, followed by a single rising standard teal. According to English Sporting rules, full use of the gun is allowed on single targets, meaning that competitors had two shots to hit this single, apparently easy, target. However, in true John Bidwell style, the angle and the speed of the target was just right to make it more difficult than it appeared, and a surprising number of shooters failed to break it.

Scores were also reset for the Final, meaning that at this point it was anyone's game. Junior Josh Bennion took full advantage of this. Having qualified as Junior on day three with a 101, he shot 70ex75 on the Final, which would be the cut-off score for the day. Stuart Clarke put in the score to beat early in the day, with a 73. This was followed by a 72 from Sam Green, and another 72 from Faulds, shooting with the last squad of the day. Paul Thomas, Matt Hance, Billy Greenwood, George Digweed, and Stewart Cumming also shot 70, so there would have to be a shoot-off in this six-way tie to decide who went to the Super Final.

The shoot-off was decided on a single stand of ten targets. Showing the steeled nerves of a World Champion, George Digweed straightened the stand and secured his place. Bennion, Greenwood, and Thomas shot eight, while Cumming and Hance fell out of the running with seven. The shoot-off continued, with Bennion and Thomas advancing to the Super Final, which also meant that Bennion would take Junior High Gun, and Greenwood Runner-up.

The Super Final consisted of 25 targets across two stands of eight and a final stand of nine on an area that normally serves as Skeet and Sportrap/Compak layouts. Traps were set on the ground as well as on a lift behind the stands for overhead target presentations. The final stand was on the top tier of a two-story Sportrap/Compak layout and featured four simultaneous pairs of a going-away mini and a left-to-right standard that was thrown from the high tower in the woods to the left, followed by a ninth target of single thrown from even higher on the tower (again allowing full use of the gun).

An impressive crowd gathered to watch the proceedings. The competitors carried their earlier Finals scores into the Super Final, meaning Clarke led with

73 (which also secured Veteran High Gun for him), followed by Faulds and Green on 72, and Digweed, Thomas, and Bennion on 70. By the end of the first stand, Faulds had moved into the lead, and would stay there to finish with a 94ex100. Stuart Clarke held second, ending on 93. Going into the final stand, Bennion just led Thomas 83 to 82, and each shot 8 of 9 targets, meaning that for yet another year a top-shot Junior would stand on the British Open podium at the pinnacle of the sport.

Speaking after the event, Richard Faulds said, "I'm absolutely delighted to defend my British Open title this year at High Lodge, I'd like to say well done to John Bidwell and his team for putting on a fabulous event. They've utilised some new ground very well, the targets were fantastic and everything ran like clockwork."

A great shoot cannot take place without great support, and the work of the Referees was top-notch. "The referees that are out there are doing a sterling job," said Head Referee Graham Cave. "We're getting great feedback from them as well, and quite frankly I think it is one of the best shoots I've been at, let alone been privileged enough to head ref."

"The British Open was a great event with a nice course set by John Bidwell and Andy Coppen, with the quality of

the targets confirmed by the various positive comments from shooters in-person and on social media," Filippo Adamati of

Rizzini stated, "The incredible shoot-off for the Super Final featuring some Junior shooters shows what good health our sport has and makes us at Rizzini proud to be investing in the sport."

David Scott from Gamebore stated: "Gamebore were delighted to sponsor

the British Open at High Lodge and to meet all the competitors who supported the event. The ground was in immaculate condition as always and John and his team had clearly worked hard to make the event the success it was."

Other winners across the categories include Ladies High Gun Georgia Moule, Lady Junior High Gun Amy Easeman, Colt High Gun William Page, Lady Colt High Gun Ami Hedgecock, Disabled Standing High Gun Paul Sadler, and Disabled Sitting High Gun Paul Bailey.

THE 2019 BRITISH OPEN SPORTRAP CHAMPIONSHIP

The British Open Sportrap Championship was shot simultaneously to the English Sporting at High Lodge, from 28-31 August. For the Sportrap there were no finals, so each day's scores could decide the competition outright. This championship was set across four layouts of 25, with the targets set by High Lodge Operations Manager Andy Coppen.

High Lodge has recently invested in improving their layouts for Sportrap and Compak, including the installation of voice-activated traps with the sequence pre-programmed in. Some referees noted that this made it easier to officiate, as they only needed to pay attention to the targets being hit or missed, rather than also have to press the correct buttons to throw the clays.

The ground was able to provide four

layouts, under cover, for the 100-target championship, with a fifth layout still available but used for the pool shoot. John Bidwell also stated that there are plans to install another three layouts.

The first shooter on the first squad put in a score that was going to be hard to beat – George Digweed, with a 93. AA shooter Steve Clark was just behind with a 92, followed by James Pile with 91. These scores held the top three spots throughout the second day as well, but on day three Sam Green put in a 95, while Aaron Harvey shot a 93 to tie with Digweed in second. These remained the top scores to the end. Though Digweed was able to return for the English Sporting Final the next day, he was unable to make it back in time to shoot-off in Sportrap, so Harvey took second.

The star performance of the event went to young-shot Ami Hedgecock. She shot an 80 on day four, giving her C Class High Gun, Lady Colt High Gun, and second place in Colts to Tristan Hockey, who shot a brilliant 86. Her score also tied her for second in Ladies with Cheryl Hall, with Hannah Gibson taking Ladies High Gun outright with

PREMIER LEAGUE FINAL 2019

Richard Worthington reports on the 2019 Premier League Final on Saturday 7 September at Sporting Targets.

Sporting Targets put on a great round of targets set over 13 stands, so many thanks to Andrew, John and the team for hosting us.

Firstly, congratulations to David Gooding and Sporting Targets shooter Andrew Clifton who shared the High Gun title on the day with 97ex100, with Owls Lodge shooter Neil Lockton in third place on 95ex100.

From a team perspective, Cambridge achieved the highest top ten score at the shoot with 897ex1,000 just two points ahead of Team Southdown on 895ex1,000. Well done to their team for continuing to fight Southdown all the way to the end!

So, after a hard fought ten-leg series, primarily contested between the 2018 Champions Cambridge Gun Club, Southdown Gun Club, and Owls Lodge Shooting School, Southdown emerged as the overall Champions with a best five score of 4,617ex5,000 – just 28 clays ahead of Team Cambridge on 4,589. Huge congratulations to them on a well-deserved win and securing the brand-new Promatic trap as their prize.

“Huge congratulations to Team Southdown on a well deserved win...”

Individually, the top three spots were also hotly contested between Owls

Lodge Shooter Neil Lockton, Southdown's Chris Childerhouse, and Highwaymans Joe Norman. Neil emerged victorious as Overall High Gun with a best five total of 483ex500, just five clays ahead of Chris on 478ex500. Chris was only one clay ahead of Joe on 477ex500 with his A Class

handicap applied. Huge congratulations to Neil who was rightly overjoyed at the win, taking home a new Browning 725 Black Edition Sporter, £1,000 prize money, £565 Pilla Voucher from Sunglasses for Sport, and 750 Gamebore White Gold Cartridges. Congratulations to all of our winners and thank you to all who took part in the 2019 series.

Lastly, I would like to take this opportunity to thank all of our generous sponsors Browning, Gamebore, Promatic, and Sunglasses for Sport for their support once again. 🍀

ENGLISH SKEET BRITISH OPEN CHAMPIONSHIP 2019

Alan Ritchie reports on the event at Dartford Shooting Ground from 16-18 August.

ALLEN WARREN WALKS THE WALK!

Dartford Clay Shooting Club hosted this year's English Skeet (ESK) British Open Championship. The typical British climate was set to test all 240 athletes, as the warm weather threatened to be interrupted by pockets of gusting winds and heavy downpours. Being the last CPSA ESK Open Major Championship of the year, and with several of the athletes in the final stakes of preparation before travelling to Ireland for the Home International, the stage was set for three days of thrilling and intense competition.

MEN'S CATEGORY

This year's competition was attended by journeyman Allen Warren, a well-known national and international shooter and coach, who has represented England a total of 23 times covering three disciplines (ESK, OSK, and ABT). Allen, now a Veteran, was keen to return to winning ways and reclaim the trophy he won in 1993 and 2011. It was going to be a tall order, especially with a star-studded field of 55 AA Class shooters all competing.

Allen began his campaign strong and posted a 25-straight. He quickly followed this up by another 25-straight and then another to finish 75ex75. A crowd gathered to watch him start his fourth and final round. Nobody had managed to post a perfect 100 all weekend, although 13 athletes had posted a credible 99ex100 and nine athletes 98ex100. There was an air of expectation from the crowd and Allen responded accordingly by shooting another 25-straight to finish 100ex100 to win the British Open Championship for the third time in his career.

LADIES CATEGORY

The Ladies category was well contested this year with 28 competitors competing for the title. Emma Parkinson set the

early pace by shooting 95ex100 in windy conditions to top the overnight leader board on the first day. The chasing pack – Isabel Russell, Natalie Bales, Rebecca Kibble, and Megan Jones – each shot 96ex100. Following an intense shoot off, Megan Jones, who is making her England Team debut at this year's Home International, took second place with Natalie Bales finishing in third place. The Ladies outright winner was Cornish shooter Jackie Eley who posted an excellent 97ex100.

JUNIORS CATEGORY

It was pleasing to see Ross Lester return to ESK, on a full-time basis, after taking a year out to shoot OSK. He went onto shoot 98ex100 to earn a shoot-off with James Bradley-Day. Ross shot assertively in the shoot-off to beat James by three shots to win the Junior Category.

COLT CATEGORY

Local lad Tristan Hockey made his splash by posting a score of 99ex100 to comfortably win the Colt's category, with Sonny Bowman trailing three shots behind and Kian Maher posting 91ex100.

As day three came to a close, the crowd applauded all the finalists for their high-quality English Skeet marksmanship. This year's British Open English Skeet Championship was a truly outstanding event in every respect. Congratulations go to the CPSA, sponsors, hosts,

ENGLISH SKEET HOME INTERNATIONAL

The English Skeet Team Manager, **Julia Havill**, reports from the 39th English Skeet Home International at Mulroy CPC, Ireland.

The ground was looking good, and changes were apparent from my last visit. All of the nations' flags were flying ready for the competition to begin. England had nine new caps this year, four Seniors, two Ladies, two Juniors, and one Vet.

After the weather at Thursday's practice it could only be hoped the rain would stop, and thankfully Friday dawned a much better day.

As the scores started to come in, it seemed all nations were struggling with the targets. However, the England Super Vets were setting the pace, followed by the Welsh Super Vets. Team Captain Bill Moussalli and Steve Leppington shot straight, with Johnny Walker just one behind, proving the Old Guard's experience was a force to be reckoned with.

Northern Ireland and Ireland were not far behind, making it a great competition. As the day progressed, it started to get closer in the Senior category. The Northern Irish Juniors were also giving England's Juniors a run for their money and the Ladies were in close competition with the Scottish Ladies.

With the weather variable all day, but no rain, day one ended with a scoreboard very unusual for a Home International – with not as many 25-straight shots as you would expect to see.

THE NEXT DAY

Day two dawned with just 50 targets to be shot, and England came out stronger than the day before. A whole host of 25s began to appear on the scoreboard. The Ladies were level with the Scottish Ladies after day one, but on day two our Ladies dropped only two targets – Emma Parkinson, 49, Megan Jones, 49,

...a scoreboard very unusual for a Home International – with not as many 25-straight shots as you would expect to see...

and a lovely 50-straight from Isabel Russell – great shooting Ladies! That was enough to seal the victory. The Juniors were just behind Northern Ireland, and unfortunately that's the way it stayed. They gave it their all, that's all anyone can ask for. New Cap Brandon Smith emerged as England Junior High Gun.

The Vets and Super Vets continued their dominance, and both were victorious at the end of the competition.

There was a shoot-off for overall High Gun between Team Captain Bill Moussalli and Shiels Hessian from Northern Ireland, both on a great score of 148. It was a round of 25, Bill was straight to peg four when one slipped away, leaving Shiels to continue and straight the round.

Other England winners were Henry Mitchell as the Senior High Gun on 146, Emma Parkinson as Lady High Gun on 144, Brandon Smith as Junior High Gun with 142, Martin Brister as Veteran High Gun on 145, and Team Captain Bill Moussalli as Super Veteran High Gun on 148.

Congratulations to Northern Ireland for winning Seniors and Juniors, with England taking Runners-up, and winning all other categories.

WINNING TEAM OVERALL

This year there was a new trophy introduced, which was for the winning team overall, and, taking the top 16 scores across all categories, England were the winners of this beautiful glass trophy.

All in all, it was a great Home International. England didn't come home with all the silverware, however old friends were caught up with and new alliances were made. The atmosphere around the ground was one of the best I've known. As new England Team Manager I was extremely proud of the team and I look forward to the 40th Home International in Wales next year!

OTR HOME INTERNATIONAL

Team Manager **Gary McCann** reports on the 43rd OTR Home International, hosted at England at The National Clay Shooting Centre, Bisley, from 23-24 August 2019.

The OTR Home International was to be keenly contested, by all of the Home Nations.

The ground was looking immaculate and the targets were set. Home advantage was going to be key to England's success, and the bright brilliant sunshine was in evidence for the whole of the event.

Most of the team had recently returned from overseas shoots, obviously favouring the sun on their backs, with the other nations missing the wind, rain,

...a terrific effort by all of the England Team, and hearty congratulations to the new caps Maddie Purser and Elise Dixon...

and blustery conditions they are used to at their home grounds. At the end of the first day Mike Wensley led the

field with a solid 96, followed by another four shooters on 95. In the team event, England Seniors led Scotland by 40 points and England Ladies/Juniors/Veterans/Super Veterans had a 16-point lead over Wales.

With the weather conditions becoming even warmer on the

second and final day, the England Team rallied to the call and they all continued

to grind out high scores, increasing their stance at the top of the leader board.

Towards the end of the competition, the England Seniors were in a commanding position, and when you have two past year captains tied on 190, it would appear that the event was in the bag. England won by 65 points over Scotland, who had just pipped

Wales by a single point for the Runners-up position.

In the Ladies/Juniors/Veterans/Super Veterans event, England were winners by 33 points over Wales.

This was a terrific effort by all of the England Team, and hearty congratulations to the new caps Maddie Purser and Elise Dixon, who I am sure will go on to represent us again in the future.

Congratulations should be accorded to all shooters who took part and competed in this event, and to The National Clay Shooting Centre, Bisley and the CPSA. 🏆

OSK HOME INTERNATIONAL

An amazing haul of silverware came back to England from the OSK Home International at Dungannon CPC N.I. on 10 August.

Dorothy Bird, England OSK Team Manager reports.

The most horrendous weather forecast couldn't dampen the spirit of the England Team. With only two ranges used for the competition, and 61 shooters to get through, it was going to be a very long day. So with the steely determination of the OSK shooter, in this most difficult of disciplines the first squads hit the ranges at 9am and the first 25-straight was posted by Team Captain Jeremy Bird. This was to set the scene as another six 25-straight came England's way throughout the day. Thankfully the strong wind stayed away, but we did have some very soggy shooters and supporters throughout the day.

One highlight of the day was the squad that included Andrew Lea, Jeremy Bird and Northern Ireland's Gaz McAuley. All shot 25-straight in torrential rain, assisted by umbrella holding supporters! This did not deter our shooters and a phenomenal score of 99/100 was posted by the Team Captain to take Overall High Gun. Closely followed by Emily Hibbs on

97/100 Overall Runner Up High Gun and Lady High Gun. Andrew Lea took RU for England. Junior Mitchell Brooker-Smith on 95/100 took the Junior High Gun and along with Edward Medforth secured the Junior Team Trophy. Emily Hibbs and Lara Dale won the Ladies Team. A close run

battle of the Vets and Super Vets saw Lee Bowditch 92/100 and David Maddox 72/100 take the Veterans title by one target. Super Vets Jonathan Davidson and Frank Miller with a combined score of 153 missed out by one target to Scotland.

New Captains Jessica Burgess and Hugh Westminster put in positive performances with Hugh taking New Cap High Gun, and his score contributing to the team.

Over half of the England Team was made up of Juniors and new cap, with Andrew Payne filling both these slots being a new cap and the youngest competitor at the Home International. Juniors Luke Young and Arran Eccleston put in solid scores to contribute to the final team score.

We had some larger than life characters in this year's team. There were new faces, young faces, and Ladies in the Seniors. Matt French competed here is his first HI for OSK – he had previously shot at English Skeet nearly 20 years ago, while Paul Tudge was on his 16th cap. They all came together and showed fantastic sportsmanship and support of each other. Our last shooters were still on the range after 7.30pm, and still digging deep for the team.

Thanks to the ground staff and caterers at Dungannon CPC for keeping us refuelled and things running smoothly. The banquet was delayed and we must congratulate the hotel staff for coping with this. With no time to take all the team photos beforehand teams were up in front of the camera between courses! Despite this and in true Home International fashion everyone had a great celebration and award ceremony. Team of 2019 – well done! 🍌

INTERNATIONAL

Sarah Daly reports on events around the world.

FITASC COMPAK WCH

The FITASC Compak Sporting World Championships were held at Galgamácsa, Hungary.

Amy Easeman, still only 18 years old, became the

Compak Sporting Ladies World Champion after beating her nearest rival, three times Ladies Champion, Beatriz Laparra (ESP).

Post event, Amy was

overwhelmed with the win, "Finally the long wait arrived after a lot of hard work! Ed Solomans changed my stock just before the event as I was shooting high, so I only had about 150 targets to get used to the new set-up. I got it out of my head and just shot, it wasn't a massive difference but enough to do the job!

"I really would like to

give a massive thank you to my sponsors who make the impossible possible – Browning, Hull Cartridge, E.J. Churchill, Promatic, Ed Lyons Sports & Vision, Ed Solomans, Country Pursuits at Rickmansworth, R&K Stockcraft and of course my Dad, Phil."

FITASC UT WCH

Ychoux, France hosted the FITASC Universal Trench (UT) World Championships where the GBR team came away with four medals, three gold and a silver.

Kevin Borely was on fire, winning the Veterans World Champion title by three targets and only just missed out on a medal in the Open after a shoot off. Kevin said: "I was pleased to win the Vets

Individual and Team (thanks to my team-mates), but was disappointed to miss out on a medal in the Open. The

French have now nicknamed me 'The Legend', I like that!" David Lloyd was involved in a three-way shoot off for the top three medals in the Senior category, taking silver by just one target, a great match.

The Junior team, although not quite making the individual podium, won Team gold by nine targets ahead of Italy – not forgetting the Veteran team who took gold by six targets.

FACTOID:

Kevin Borely won the Veteran World Champion title four years on the bounce: 2007-2010. It took nine years to win his fifth title. Although, just to confuse the matter, what is now Veteran would have been classified as Super Veteran until 2017.

FACTOID:

The last time a GBR Junior Team won gold was 2003.

SO YOU WANT TO BE AN OLYMPIAN

So you've made the big decision to move from English Skeet to Olympic Skeet. Where do you go from here? **Alan Ritchie** investigates.

The thought of representing your country at the Olympic Games and winning a gold medal is, for most athletes, the stuff that dreams are made of. World Championships, Commonwealth Games, International Grand Prix all play a secondary role when it comes to the greatest show in the world...The Olympic Games.

The rewards for competing and winning on the Olympic stage are well documented. Peter Wilson, for instance, was honoured with an MBE after winning a gold medal at the 2012 London Summer Olympic Games in Men's Double Trap – a discipline that has since been pulled from the Olympic

Games. It will come as no surprise that there is a healthy crop of aspiring and talented shooters making the switch to one of the two remaining Olympic shotgun disciplines, namely

Olympic Skeet (OSK) and Olympic Trap (OT).

For some athletes, the road to Olympic glory starts with English Skeet (ESK) or Down The Line (DTL). This is not to suggest that this is only route to Olympic success, or that these discipline are inferior than their counterparts,

but rather these disciplines are generally more accessible

to the masses at clubs throughout the UK and, as a result, act as a good breeding ground for aspiring shots to hone their techniques, take part in

...there's a crop of talented shooters making the switch to Olympic Skeet (OSK) and Olympic Trap (OT)...

OLYMPIC SELECTION PANEL CRITERIA

Once an athlete has achieved the criteria for consideration, for Tokyo 2020 The Olympic Selection Panel will also use the following criteria (in no particular order) as the basis for shooter selection:

- 1** Performance in Tokyo 2020 Olympic qualifying events, with particular emphasis on athletes achieving a medal or final placing.
- 2** Performance in senior Major Events during the period 1 January 2018 to 31 May 2020 (that are not Tokyo 2020 Olympic qualifying events), with particular emphasis on athletes achieving a medal placing.

3 Performance trajectory at recognised senior Major, International Grand Prix and Domestic Events over the Olympic Games qualification period (1 September 2018 to 31 May 2020) with a consistent upward trend being most favourable.

4 Potential to win a medal at the 2020 Olympic Games, in the view of the expert selection panel.

It is worth noting that even if you meet the prerequisite entry criteria you may still not be selected if the Panel doesn't believe you have the 'potential to win a medal.'

CHAMPION OF CHAMPIONS

So, you've read the Selection Policy and you're not put off. What next? Well, it's simple. You need to accept that you are going to have to make some significant changes and sacrifices in your life. You are going to dedicate yourself to a single goal ('being an Olympian') and in order to achieve this goal you need to be dedicated and motivated to be the very best that you can be – both physically and mentally. As a starter for ten, most Olympians agree that you will need to:

- Speak to your family and loved ones about your ambitions and dreams.
- Discuss your ambitions with your coach and/or appoint a new coach who can elevate your performance to that of a world class shooter in your chosen discipline (see *Pull!* August 2019 issue, Selecting a Coach).
- Consider how you plan to finance your new vocation i.e. shooting equipment, ammunition, travel (UK and overseas), accommodation, meals, competition fees, coach fees etc.
- Accept, at times, it will be a lonely journey and the need for a support network will be greater than ever to keep you motivated through the 'hard times' as well as celebrate the 'good times'.
- Become more selfish with your time in your pursuit of Olympic glory.

It is also important that you do not let anybody, or anything detract you from your goals.

Usain Bolt, gold-medal track and field athlete, once said, "I work hard. And I do good. And I'm not going to let you restrict me." Usain knew his talent wasn't enough to win Olympic gold. He knew he had to make significant personal changes and sacrifices if he was going to achieve his dreams. His "And I am not going to let you restrict me" speaks

volumes in terms of his singlemindedness, winning attitude and self-confidence, and between 2008 and 2016 Usain Bolt went on to win nine Olympic gold medals.

The journey to becoming an Olympian is not for the faint-hearted, but the personal rewards are truly wonderful. Being an

Olympian is one of those things you want so much that you eat, sleep, and breathe it 24/7. It isn't a Sunday afternoon hobby! You dream about it at night. Being an Olympian is more than just a title. It is a feeling. The feeling of having your heart swell with pride and joy because you're able to represent your country at the very highest level and inspire a new generation of athletes. 🍀

Above left: Peter Wilson MBE receives applause after his 2012 Olympic Gold win in Double Trap. **Left:** Peter Wilson with his coach, Iain Coley MBE. **Above inset:** Shooters compete for their countries in the Olympics.

regular competitions (cpsa.co.uk/events) and – as Olympic wannabes – provides a platform on which they can learn to win.

If you want to be an Olympian you have to have a winning attitude. In the words of the great Nancy Kerrigan, bronze and silver-medallist figure skater, "Part of being a champ is acting like a champ. You have to learn how to win."

Having a talent is one thing but focus, discipline, hard work, goal setting and self-belief are all vital ingredients for aspiring Olympians.

That said, you won't be selected for the GBR Olympic Team heading to Tokyo next year or France in 2024 because you have competed in a domestic Championship or because you are best friends with one of the Selectors. The GBR Selection Policy is very comprehensive and rigorous (see the GBR Selection Policy at britishshooting.org.uk) and athletes will only be considered if they have:

- Achieved an ISSF Minimum Qualification Score (MQS) at an Olympic qualifying competition; and
- Have won a quota place for GBR or have achieved a top 15 finish at an Olympic qualifying competition.

A LEARNING EXPERIENCE

This June I attended The Beretta World Sporting Championship at Holywell Estate and I learnt a lot. It was a very hot day and we arrived after quite a long journey.

I was nervous and my gun had been playing up over the past few weeks so I really wasn't feeling prepared as I approached the first stand. It showed, I only hit one clay on the first stand and by the end of the second I'd missed 19 targets! I realised I was already out of the running but, rather than sulk, I decided to use the event as training. I decided my only competitor was me. Soon I relaxed and started enjoying myself again. I only dropped 11 targets over the next 10 stands and came away with a respectable 91ex120. I learnt a few important things that day.

Firstly, I realised that I could turn a bad situation into a good one. I proved to myself that I was more than capable of shooting well at this level of competition.

The second, and perhaps most important, thing I learned was how to relax. It's no good

...I could turn a bad situation into a good one...

getting worked up right before the start of a competition. Be prepared and don't worry about the size or importance of the event. Just concentrate on the target in front of you.

Finally, I learnt that it doesn't help you, or your teammates, if you start moaning as soon as you come off the stand. Be respectful to those around you, don't ruin everyone else's day because yours hasn't gone according to plan.

HOW IT ALL BEGAN

When I was nine years old I received my first shotgun as a Christmas present – a Beretta Silver Pigeon .410. My dad and grandfather are both keen shots so I would shoot with them. I started practicing on a single target before moving onto my local clay ground.

Soon I had the bug and started having lessons with Philip Thorrold. With his tuition I started to look at the sport more seriously. Philip is fantastic, he made me realise the level of dedication that's involved if you want to achieve great scores and get through the frustration. My shooting is a reflection of his great instruction.

This January I graduated from a 20 bore to a 12 bore Silver Pigeon which you will see me using through my final year as a Colt.

MY GREATEST SUCCESS SO FAR

The 2019 English Open English Sporting, at West Midlands Shooting Ground, was fantastic. Everything went so smoothly on the day, and I came away with 96ex120 alongside Colt shooters Tristan Hockey and Dan King. I was lucky to have such a lovely squad, and I think this helped me to stay relaxed and achieve the score I did.

The ground was beautiful too and I managed second place in the Sunday shoot off. It was a fun weekend and I was very pleased with my performance.

LOOKING TO THE FUTURE

2019 was my first year competing. I wasn't expecting much as I just wanted to use the year to gain experience. With 2020 being my last year as a Colt I plan to enter many more competitions in both Sporting and Skeet. I know I have the ability, it's just the mental aspect I struggle with. If I can overcome the psychology of the sport, then hopefully I will see more success in the future. Of course, this is easier said than done!

RIZZINI RB SPORTER

GUN

REVIEW

This month we look at a beautiful gun from Italian manufacturer Rizzini and distributed by ASI in Suffolk.

RIZZINI RB SPORTER

RRP: £2,655

a-s-i.co.uk

The Rizzini name will be familiar to anyone who has been involved with shooting over the last 30 or so years, but the test gun this month is from Battista Rizzini, not to be confused with E Rizzini.

RB stands for round bodied and it's this delightful action which makes this gun shine. It certainly stands out from the vast majority of guns aimed at the clay shooter. Yes, it's only an aesthetic, but when coupled with the way that the gun handles and the quality of the wood, chequering, and finishing, it all comes together to make for something very special. The simple black action with gold lettering completes the look and adds to the feeling

of quality and elegance not often seen with clay guns.

The RB Sporter comes in a high-quality ABS branded hard case with integral locks. Upon opening the case I was immediately taken with the quality of the walnut used on the stock and fore-end – great figuring and brought to life with a quality high-gloss oil finish. Interestingly, the RB Sporter is made with an Anson push rod fastener in the fore-end, which is unusual but welcome, and finishes the gun perfectly. So far everything about the gun is right and it feels like a modern classic.

Handling the gun only increased my delight. The

pistol-grip stock with palm swell is comfortable and a feature I really do like in a clay gun, normally 32in barrels would be something I would steer clear of, however the RB surprised me and certainly didn't feel muzzle heavy or cumbersome on some dry mounting at home.

On to some shooting on a sporting layout – and the RB Sporter really impressed – sometimes you just gel with a gun and this was such an occasion. Long crossers were a doddle and enabled a smooth steady swing which you would expect with longer barrels, but I was equally impressed at shooting closer crossers and rabbits with real ease. This gun moves effortlessly and certainly gave

me better scores on a familiar layout. The gun ships with extended chokes, for the test I had ¾ and full in the gun and was impressed by the quality of the breaks even on trickier long range targets. Trigger pulls were crisp, and the ejectors reassuringly powerful – the quality of the chequering on the fore-end is to be admired and highly comfortable in the hand.

The Rizzini RB Sporting is a beautiful gun, and I would urge you to look at one if you are in the market for a new gun this autumn. Unusually for a gun review I was not aware of the retail price before shooting it. I was pleasantly surprised to see how reasonable it is and honestly would have expected it to have been substantially more expensive than the retail price.

Pro Ferrum Wet Drying Gun Oil

Pro Ferrum is the ground-breaking new gun care superfluid taking the shooting industry by storm.

Suitable for both shotguns and rifles, Pro Ferrum is the world's first gun care fluid to emulsify, encapsulate and disperse water. The result? Unrivalled cleaning properties for your guns – ensuring optimum performance for years to come.

Unlike traditional oils, Pro Ferrum is a complex fluid which can be sprayed onto wet surfaces (such as your barrel and action after a wet day). Its ultra-fine formula encapsulates all moisture; emulsifying it and removing it from the surfaces it is applied to. This creates a water-repellent, anti-corrosive protective film inside and outside the barrels and actions – making rust concerns a thing of the past.

Better still, Pro Ferrum can be used on wood and other materials without damaging or affecting their finish.

Prices range from £7.99 - £15.99. Pro Ferrum comes in three sizes: 50ml, 100ml & £200ml.

Pro Ferrum's unique cleaning attributes don't stop there. This world-first gun care fluid removes lead by penetration, not acidic erosion – meaning that fouling, grease deposits, old oil and baked-on residues are removed in seconds. It is also Dermatest certified; neutralising acids from finger prints while still being gentle to skin.

Also distinguishing Pro Ferrum apart from its predecessors is its spray-on design. This sleek, easy-to-use can guarantees a simpler, quicker and more effective gun cleaning process than you've ever experienced before – leaving more time to enjoy using, rather than cleaning, your gun.

Industry leader Guntrader describes Pro Ferrum as “more economical & effective in cleaning, lubricating & protecting” than traditional gun oils. Guntrader even reviewed the fluid's results with the impressive statement, “I don't think my guns have ever been so clean...”. It comes as no surprise that Pro Ferrum is the first product to be awarded a 5* rating by this shooting specialist.

With protection, lubrication and unsurpassed gun maintenance qualities all wrapped into one, Pro Ferrum is the new gun-kit must-have for clay shooters of all ages, all levels.

A NORTHERN STAR

Louisa Mayers tells Jasper Fellows what makes North Wales Shooting School one of the best in the country.

Q When was the ground opened?

A: North Wales Shooting School (NWSS) was founded by the Jones family in the 1950s. Since then it has played host to many a famous face including Princess Anne, Steven Spielberg, Harrison Ford, Sean Connery, and Jackie Stewart, who still visits and shoots at the ground.

Q What is on offer?

A: Three national Skeet layouts, DTL, Olympic Trap, a selection of Sporting stands, two high towers, two air rifle ranges and a fully-stocked gun room with guns, cartridges, accessories, and clothes on offer. At the heart of the ground is Glynn's Club House serving hot food, snacks, and drinks. Whether you are a total beginner, activity planner, social shooter, or competitor we offer a full range of services. We also host corporate events and events for those looking to celebrate a special occasion.

Q What sort of tuition is available?

A: Our friendly instructors will tailor each lesson to the individual style, ability, and goals of the client. We welcome all abilities and offer junior lessons, which are very popular. Brett Davies, our chief instructor has recently qualified for the England FITASC team, while instructor and ground manager

Jeffrey Challinor has qualified for the Wales National Skeet team. This allows us to offer tuition to the highest levels.

Q How has the ground developed over the years?

A: Over the years we have expanded the number of disciplines on offer as well as the number of registered shoots available to shooters. We always try to listen to the needs of our community and strive to accommodate them wherever we can. Our monthly Skeet league, for example, has enabled shooters to try out some competitive shooting at a reasonable cost.

Q What plans do you have to the future?

A: Our monthly CPSA National/English Skeet and Sportrap competitions have proved popular with shooters for the variety of interesting Sportrap targets that Brett has managed to throw at them. As such we are looking to expand on these events and are working hard to introduce regular Compak and FITASC competitions too.

Q What makes NWSS special?

A: You are always guaranteed a warm welcome here, we welcome shooters of all levels to practice in a friendly, supportive, and safe environment. This, combined with our easily accessible grounds and variety of disciplines, makes it the perfect place to improve your shooting.

28 Jul: Yorkshire DTL Championship at North of England CTC

Paul Chaplow added another perfect score to his collection, winning the title with an amazing 100/300. Congratulations Paul. He was closely followed by Nigel Chapman and both Jack and Andy Thompson with 100/299. With Andy taking the Veterans title.

In the Ladies Leanne Powell was victorious with 99/292, after a shoot off with Charlotte Kitchen. 13-year-old William Taylor took the Colts title with a fantastic 94/279, which included his first ever 25/75. Well done William. Thank you to Phil, Judith and the team at NOECTC for an excellently run event.

Charlotte Kitchen

20-21 Jul: England team selection shoot & 4th North region selection shoot for English sporting, Oak Lodge

Andy and his team once again did a great job putting on 12 stands to entertain all abilities. Saturday saw a couple of rain showers and plenty of sunshine, on-form Tom Brown was to bring home a solid 94. The weather Sunday was very blustery making you work for every target all the way round the course and after two days shooting Tom's 94 was North High Gun in which the points will be calculated from for team places, congratulations to all winners. **Tom Long**

4 Aug: Lanc's Single Barrel, NOECTC

Jeff Cole won the Lanc's Single Barrel after a shoot off with Paul Turner! Both shot 49/50 so he took overall champ and Vets champ.

11 Aug: NR Sportrap Championships, Oak Lodge shooting Ground

Thank you to everyone who attended the North Regional Sportrap Championship in challenging conditions. Some excellent shooting on display across the weekend and a tense shoot off to finish between Paul Foster, Dave Blackburn and Tom Brown. Badge winners: Champion - Tom Brown, Lady - Emma Lowrison, Veteran - Glenn Hunt, Junior- Charlie Harker- Nunn, Colt - Sam Pooley. **The Oak Lodge team**

4 Aug: Blaser World All Round Championships 2019, Fauxdegla Shooting Ground

The World All Round Championships returned to Wales again this year and thanks go to Mike and Debbie Faux and all of their team at Fauxdegla Shooting Ground for putting on a great shoot with quite a testing sporting section. Thanks also to Ian Mulliner, Mulliners Guns and Blaser Shotguns for their generous sponsorship of the event.

The World All Round title was taken by the ever consistent Richard King from Dorset with a score of 96. AA honours were shared between Kelvin Walsh from Cornwall, Rob Claybrook from

Wales and Richard Hughes, also from Wales who all shot 94. Graham Welsh from Lancashire won the Veterans title with a score of 92. Thomas Woodcock from Cheshire won the Juniors with 86 and the Ladies High Gun was Katherine Bright from the Isle of Wight who scored 85.

Well done to all the winners and thanks to all the shooters who supported the event especially those who travelled long distances to be there.

10 Aug: Merseyside County Sportrap at North Wales Shooting School (NWSS)

Yet again it was a pleasure to host this event at one of our local grounds. With 90+ shooters, 12 of which were Merseyside taking part in NWSS first ever 100-bird Sportrap event everything was set for a great day's shooting, the weather

predicted thankfully wasn't as bad as expected but the wind did get up in the late afternoon.

Brett Davies with the help of Mark Wells from the Clay Pigeon Events had put 4 excellent layouts sponsored by Cheddite. I think it fair to say all the layouts were pretty steady, good combinations of simo pairs with just one or two more challenging birds notably the tower birds and simo rabbits, to sort the champions out. Many thanks to all the staff at NWSS, it truly was a superb event and I can highly recommend Brett's Sportrap events. Merseyside

Overall Champion – Dave Walker, Colt – James Southwood, Ladies Champion – Charlotte Reed.

Change of the date the English Skeet Championships at NWSS will now be held on the 7 Dec.

Merseyside FITASC Championship at North Wales Shooting School also on the 7 Dec- Pre Booking required – call 01244 812219.

Congratulations to Andrew Dunne on making the England ABT team, good luck from all the Merseyside members!

27 Jul: Skeet League, North Wales Shooting School

Colin Babcock won the heat with 50 straight, great shooting considering the terrible weather. Then for the grand final, four Cheshire skeet shooters made up the top six. The final was a normal round of 25, then a round of 25 using low velocity ammunition supplied by NWSS. Some shooters coped with the different ammunition better than others. The final result was, 1st Jim Wagstaff, 2nd Colin Babcock, 4th Ian Cunliffe (after shoot off), 6th Maurice Cunningham. All six finalists received a package of prizes kindly provided by Eley Hawk. Our thanks go to the staff and helpers at North Wales Shooting School for putting on such a fun competition. We are looking forward to the next league starting in December.

21 Jul: Olympic skeet, Gloucester SG.

Well done to all Cheshire shooters that took part in the West Midlands Area Olympic Skeet Championships. The Cheshire team finished in third place, whilst Alex Wilkinson was third in the Juniors, and third in the Area Individual event. Well done everybody.

20- 21 Jul: European DTL Championship, Bywell Shooting Ground

It attracted entrants from all of our home nations and France, 253 in all. So competition was fierce. Congratulations go to John Barnett from Mickley Hall for shooting a fantastic 197/588 and being 3rd in Veterans class.

Skeet winner Lucy.

Cheshire UT team.

Skeet league winner Jim Wagstaff.

6 Jul: Ladies Clay Shooting League, North Wales Shooting School

We broke the day into morning and afternoon squads, with a great turnout for both. We were very lucky indeed with the coaching to not only have Paul Ellis and Miles Machin but also a legend in his own lifetime Ian Cunliffe. Who took control of things for both sessions and started to get the dark art of skeet shooting over to the ladies judging by the improvement in the scores through the day. Jo Knapper took up the early running with Victoria Gallimore and Julia Payne then taking over the lead when Mandy Berrisford and Janine Dixon got their act together only to be pipped at the post by Lucy Earl. It was definitely fair to say the day was an overwhelming success with everyone taking plenty away food for thought.

4 Aug: West Midlands Intercounties Championships, Rugby

Cheshire shooters did very well. Paul Gowrie scored 95 for 2nd Veteran, Andy Pownall 93, Dave O'Donnell and Bob Gallagher both on 89, Paul Culverwell 88, and Mark Wright 77. Team score with best 5 to count was 454. Team results were; Warwickshire 463, Gloucester 459, Cheshire tied with Hereford and Worcester on 454, we had a great final round, so took team bronze after count back. Congratulations to you all. Great shooting.

13 Jul: English Sporting Selection, Mickley Hall Shooting School

The numbers were outstanding with 77 entries all told. The weather staying fine and only a slight breeze it looked good for some great

scores. The course was set by Scott Barnett, and had pretty much everything for everyone with some tricky stands to catch out the unwary. Nick Beavis, Eddie Morris (Junior) and Guy Robinson took the early lead with 85, 86, and 87 respectively. Nigel Lane threw a spanner in the works with a great 88 only to be knocked off the top spot by a fantastic score of 95 by Steve (SP) Randles. With things heating up for both the Inter-County teams and the Clubman event there is still all to play for, at the last but not least 6th and final selection shoot, and of course the Cheshire Championship at Catton Hall on 28 July.

The Gloucestershire FITASC saw 21 shooters taking part over 2 days on a testing course set by Steve Lovatt to battle it out for the County titles. The results are as follows; County Champion - Nick Portlock, Ladies - Joanna Thomas, Juniors

- Luke Russell, Veteran - Clynt Warren.

Our ESP also took place at Westfield Shooting Ground, there was a great atmosphere and although the weather was somewhat dubious. With 37 entries there was some fantastic shooting on the day, the results as follows; County Champion - Shaun Porter, AA - Nick Portlock, A - Ernie Wilkins, B - Martin Ferret, C - Martin Young, Ladies - Joanna Thomas, Junior - Luke Russell, Veteran - Adrian Johnson

This year we entered into the West Midlands Inter County & Area Championships UTR held at Rugby & District Trap Club on 4 August. The team was very kindly sponsored by Ian Coley Sporting. It was a great day, very busy but organised. The weather was kind until the end where we were all hit by thunderstorms. The Gloucestershire team made up of Matt Panter, Matt Jones, Mark Thomas, Gareth Marfell, Joanna Thomas & Chris Holmes shot well throughout the day (including 25 straights from both Matt Panter & Mark Thomas) to come home with the Silver Medal.

Matt Panter won the Area Senior Champion title and Joanna Thomas was runner up in the Ladies. As Chairman/person I find it very encouraging that we are able to put teams into events that we have not done for a few years, next year I aim to have Gloucestershire represented across all disciplines at the Inter county events.

I would like to thank the ground owners and organisers of the shoots for hosting our County and Inter-County events.

14 Jul: Helice county and WM area & IC championships, Rugby

Six H&W shooters took part to make up an 'A' and 'B' team. H&W finished second with a score 43 and silver medals. First Warwickshire with 44 and third was Shropshire with 41. The team consisted of Matt Bodfish 22, Matt Pugh 21 and Rod Davies 18. Matt Bodfish's score also earned him the bronze medal (after the longest shoot off I've ever witnessed) in the area titles as well as the county title, Matt Pugh took the silver in the county championship. Well shot to all. **Matt Pugh**

21 Jul: WM Area and IC O/SKT championships, Gloucester

Four WM counties took part. The H&W team of Mitchell Brooker-Smith 97, Anthony Blandford 86 and Paul Colley 71 took Gold with 183/200. Gloucestershire won silver 171/200. The Area veterans gold went to Anthony Blandford from H&W.

27-28 Jul: BGP O/Skeet

It's been a successful weekend at the BGP 2019. It feels great to have come 1st in Juniors with a new PB of 122/125 and win 3rd overall in my first senior final (45/50). Well shot Freddie Killander and Mike Gilligan and the rest of the competitors who braved the damp weather. **Mitchell Brooker-Smith**

28 Jul: H&W E/Skeet County Championships, Gloucester

Nine full squads with 27 county members entered. The wind that blew made the targets very interesting. County champion and Junior champion was Brandon Smith with 98/100. Runner up and veterans champion was Tim Smith on 96/100.

Ladies champion is Emma Parkinson on 94/100 with Harry Pugh taking the Colt title on 69/100. Thanks to Paul and all the team at Gloucester.

28 Jul: WM Area & IC DTL Champs, Fauxdegla

The Juniors, Will Goodman, Thomas Burns and Jack Ruane took first place in a very exciting shoot off with Cheshire by one point. The seniors also came first, the team being Chris Moule, John Mason, Lee Ratcliffe, Nick Dean, Paul Cerri and Lee Kirby. Lee Kirby also took High Gun of the day with a shoot off with fellow shooter Chris Moule. The Veterans came fourth and the Ladies fifth in the team event. **Jerry Ruane**

Emma Parkinson

It was a great weekend for Emma Parkinson. On Sunday 28 July she attended the ESK County Championships where she retained her Ladies title on 94/100. Then to Telpyn in Wales to shoot the Welsh Open. She retained her title there shooting 97/100 and her dad, Ian won the veterans on 98/100.

4 Aug: WM Area & IC UT, Rugby

A full squad from H&W entered. The squad consisted of Rod Davies 94, Fred Goodman 91, Richard Allen 91, Stuart Palmer 89, Nick Stokes 89 and Jo Ann Allen 83. The team came 4th on 454ex500.

11 Aug: WM Area & IC OTR, Fauxdegla

The H&W team of Mark Lilly, Fred Goodman, Stuart Palmer, Nick Stokes, Craig Miles and Will Goodman won the silver medal with 414ex500. Mark was also Area champion and Veterans champion with a score of 89ex100.

17-18 Aug: Fauxdegla Blaser DTL GP

Thomas Burns was high gun in 'A' class and high gun in the juniors. He was then in a shoot off with Phil Morgan for the title but he just missed out by 1 point. Another excellent result for this young man.

The Cambridgeshire Sportrap Championship took place on the 21 July at Cambridge Gun Club. It was a very close result and some very

good shooting took place by some excellent shooters indeed. At the end of the day, the Cambridgeshire Champion turned out to be Brian Dunbavin with a 91.

However, that wasn't without having to shoot off with another very good shooter on the day, caused by Brian missing the second-from-last target on the pond layout when on for a 25 straight.

So it was on to the ABT layout to sort out our Champ for 2019. Michael Smith was his opponent and a very good one too, although he was C class he also put in a 91.

The targets on the hardest layout were very testing, but Brian came out on top and became the Cambridgeshire Champion. Champion Brian Dunbavin 91, Ladies went to Holly Duggan 86, Vets to Stuart Lambert 86, Junior to Kieran Carter 80, Colts to Ethen Lord 75.

Many thanks to Cambridge Gun Club for their Hospitality once again.

One other snippet of information: Well shot to our Vets DTL team taking top spot in the East Midlands DTL Championship at Nottingham. Well done Folks and many thanks to all who travelled to make up teams for Cambridgeshire.

Hello again. Well, we seem to be tonking on through the year, the nights are pulling in a bit, the weather has seemingly lost its way somewhat but not to worry, there are still a few Championships to square up on the fixture list.

By the time that you read this article we shall have decided our Sporting, Double Trap, Handicap by Distance and the ABT and crowned the Champions for another year. All that leaves us is the FITASC Sporting at Grange Farm on the 4/5 October and the UT at Rugby and District TC on October 13th, it perhaps would be a good idea to book in for these shoots. Now this time I have three lots of results to report on.

The English Skeet doubles at Northampton; Another good shoot but sad to say a disappointing entry. The weather played its part, Roy and Peter set the targets up a treat but most of us shooters didn't do our bit towards the day. It was eventually won by M Shipman, he did do his bit, some of us made it too easy for him.

The Vets Champion was Roger Billet again, look out next year you two!

The second do was the Olympic Skeet also at the Sywell range. Again, yet another low turnout. Now, you can play new tunes on old fiddles. Guess who won the day, you've got it, I was pleased as punch, it's seven years since I had a touch at this event. I'm beginning to wonder how they make clays fly as fast as they do but 'hey Ho', a win's a win. I could write pages on this shoot.....but I hadn't better. Thank you Sywell for staging these events. I still think that these targets should be slower... oh! shut up Botty.

Report number three, the EM IC DTL at Nottingham GC; The county shooters had some success at this event. Well done Connor for sorting out the teams. The said Connor Harris was the Junior High gun scoring 99/295 and led the L&R Junior team to victory ably assisted by Sam Mallings, well done boys. Our Vets came third to Lincolnshire by one point, that's 1/3 of a clay behind. How close can you get? The senior team dipped out by 16 points, just 5½ clays behind, these margins are so small, we'll do better next year. Well done to the whole team and thanks to team Notts for putting this event on.

Well, that's about all for this month. We look forward to seeing you at the last few events. So, aim straight and keep your powder dry. Keep your eyes on the website for late 'bits and bobs'.

George Cheer represented Team GB at E.J Churchill's in the Fitasc World Championships. George said "EJ Churchill's did a cracking job of the venue. Even though the result wasn't what we hoped for, I feel honoured to have been a part of the Great Britain Junior Team. Next stop, Chicago for the World Sporting Championships!"

21 July

Lincolnshire's Donovan Jenkin took the Helice Fields of France to win the le Touquet Grand Prix for the third time. He was also part of a successful England Team beating France in the annual team challenge.

28 July

Congratulations to our very own Mike Burton, taking a well-deserved 2nd in the Veterans Regional AR Championship at a miserable rain drenched Northampton GC.

3 Aug: Heading for Gold

Aaron Heading took Gold at the last round of the Shotgun Series at East Yorkshire SG. Following a very hard fought Shoot off, Aaron came away with a well earned Gold. Tori Clinch was also in the medals too, with Silver in the Para Trap. The Grand Final is in September and will see the contestants converging on Fauxdegla North Wales.

4 Aug: NDGC

Huge congratulations to our Senior and Veteran DTL teams achieving well deserved 2nd places in the East Midlands IC DTL. Congratulations to all our shooters, especially to our 100 straight guns, Stuart Whitehead and Nicholas Day.

5-11 Aug

said, "It's been a great experience over in America this week, shooting alongside Tom McGregor and Josh Bennion. Although the course was extremely tough, it was enjoyable!" The Juniors achieved a well earned 3rd.

11 Aug

73 guns attended the East Midlands Sportrap at Orston. Lincolnshire was very well represented with 23 County Guns present. The County certainly showed some great form on the day, with great results and scores across the event. John Lee is the East Midlands Champion carding a very tidy 89, and Jack Dean 3rd with 88. Tim Foulger secures 2nd in Veterans with 86. Oliver Zaitschenko took the Junior title with a fantastic 83, with Kallum Burrell taking Junior Runner Up. Well done to all our Shooters, some great scores on testing layouts.

12 Aug

Lincolnshire's Helice Men took the Honours at the British Helice Grand Prix at the Invicta Ground, Kent. The two day event in blizzard conditions the score board certainly reflected the weather. Donovan Jenkin and Trevor Hawkins were at the top of the score board at the end of day one. Donovan 2 targets away and Trevor 3 away. Day 2 began with heavy rain which halted proceedings at one point. Donovan let two targets slip. Trevor kept his cool and shot straight to take the British Helice Grand Prix title 1 clear of Donovan who took the silver medal in the Veterans.

Richard Gray took the Bronze medal in Super Veterans and won his first cap to shoot for Great Britain at the World Championships in Rome this October. Trevor won his second GB cap after a shoot off to join Richard in Rome.

Congratulations to George Cheer and the successful FITASC Sporting (FSP) shooters that have achieved a place on the 2019 England Team for the FSP Home International Championship. The team will compete at the FSP Home International at Atkin Grant & Lang on 28 September 2019.

Please see our CPSA County Web Page: sites.cpsa.co.uk/lincolnshire/charity-shoots--country-fairs for full reports on our Revesby and Brocksby Country Fair exploits, and introducing people to our much loved Sport across our fantastic County.

Thank you to all those who sent in reports, please keep them coming in so we can keep Norfolk up to date with all that is happening.

7 July: Skeet East Midlands Inter-Counties, Nottingham Gun Club

Norfolk put in an excellent performance. Top gun went to John Glover with a perfect 100 straight. Norfolk's Junior, Archy Stannard, put in a cracking performance shooting a 99, ably backed up by Steve Smith and Scott buck with 98. Clive Johnson, Trev Frammingham and Fluff Freeman following with scores of 96 and Simon Allen on 95. It was a close call, but Norfolk was narrowly beaten into 2nd place by Northants by 2 targets. Veterans Andy Frost, John Dyson and Rod Jessup put in a solid performance but were out of the medals. Well done to Norfolk lady Tracey Sizeland competing in her first inter counties shoot.

14 July: English Open Skeet Doubles, Northampton

Well done to Norfolk's Captain Trev Frammingham finishing runner up in the veteran class with a 98.

Norfolk Junior, Elise Dixon was selected and represented Great Britain for Olympic Trap at this year's Junior World Cup in Suhl, Germany. What a fantastic first experience of an ISSF event, which is very different to the domestic competitions, with over 600 competitors across the disciplines it was a busy week.

Norfolk has seen some great shooting this summer and is proud to have a number of Juniors coming through. Well done to William Gilbert, Archy Stannard and Elise Dixon who have all been selected to represent England at the Home Internationals across 3 disciplines; Automatic Ball Trap, Skeet and Olympic Trap. Best of luck to all of them.

NORTHAMPTONSHIRE

PAM BAIRSTOW

pam.bairstow@sky.com

The county continues with its quiet year, now coming to a close. Entries for some competitions are very low with some having a single shooter in each category. If you have any ideas about how to encourage shooters to enter competitions, please chat with Marty or Roy.

13 July: Northants Skeet Doubles Competition

The weather was good with very little wind. Every shooter hit 90 or above, it was very impressive to watch. Colt Sonny Bowman entered a wonderful score of 90 and Isabel Russell put in an impressive score of 92. Both took their category titles. The Veteran category had Laurie Cookson, Bruce Bulmer and Mick Russell all giving very respectable scores but it was Mick Russell who took the title with 96ex100. The Senior category was won by a county mile by Dave Morgan with a spectacular 100! Well done to him.

14 July: English Open Competition Skeet Doubles, Northampton Shooting Ground

As expected the county doubles shooters were in evidence. There was a gentle breeze adding a bit of movement to the clays as they arched over the centre peg: a day for maintaining concentration just in case. Isabel Russell won the Ladies trophy with a lovely 97ex100. Sonny Bowman with one less took the Colt HG. Congratulations to them both. Neil Faulkner, Jo Smith and Dave Morgan missed the Senior title by one clay, and were in the shoot off but sadly missed out on a medal.

27 July: Northants Olympic Skeet Competition

This was held alongside Leicestershire's competition. Andrew Lea shot a lovely smooth 90 for the Senior title and Bob Meadows took the Veteran title. Sadly here were no entries for the other categories.

28 July: East Midlands Regional All Round Competition

The rain came down in torrents as if it aspired to be a monsoon. It fell from the sky side and seemed to come up from the ground as well. Given the conditions it wasn't surprising that the entry was small – county shooters made up more than half the competitors. Dave Morgan won the Senior title by a single clay with four others, Leon Gill, Jo Smith, Philip Barnard and Marcus Lord left to shoot off for the other honours. Jo Smith took second place winning the shoot off on a sporting stand. Isabel Russell took the Ladies title. George Wharton won the Junior and Mick Russell the Veteran titles. Well done to all and I hope you have dried off now.

Isabel Russell English Open Skeet Doubles Ladies Champion 2019.

Sonny Bowman English Open Skeet Doubles Colt High Gun 2019.

Director's trophy

Sadly this competition doesn't seem to be going well this year. Following a stonking win by the Skeet team, we were unable to field a DTL team and at the time of writing this it seems like the FITASC and ABT competitions may also be shot without us. If you are willing to be part of either team, please see Roy who can steer you towards the team managers.

Presentation Evening, Saturday 9 December at the Delapre Golf Centre

We have booked this lovely venue for our annual presentation evening. The evening starts at 7.30pm with the meal at 8pm. Tickets are held at £25 and include a free entry into the quality raffle. Please see Marty to secure your place.

Nominations for Shooter of the Year

With the 2019 season coming to its conclusion, it won't be long until we are looking at our next season of fixtures and shoots! For current Suffolk CPSA news please see our county website by visiting www.suffolkcpsa.co.uk. This is also where you can find information about our county fixtures too!

28 July: Suffolk FITASC Championship at Barrow Sporting Clays

The weather that welcomed shooters was sadly rather rainy and windy, making the tough targets that bit harder in the conditions all shooters had to push for every target. This year's champion is Lee Phillips, with a score of 84. He showed some impressive shooting on the day to take this title home. In Veterans it would go to top Suffolk

East Midlands DTL Champions.

shot Eric Chapman on 79 who is one never to discount from the top of the ranks. Juniors went to Henry Lungley on 62, and Ladies to Charlotte Patten. Thank you to Barrow for hosting this shoot for us this year.

East Midlands DTL Inter-County Senior team success at Nottingham Gun Club

Barry Randall was the team captain for this discipline. He had selected a strong team which showed with the Suffolk team being the last out. The other counties crunched numbers until the last score arrived in from our Seniors – which would result in our Senior team's six-point lead! Congratulations to this year's Senior DTL team of Barry Randall, Peter Mayhew, Frank Welham, Stuart Smith, Michael Hermitage, Nick Havard, Josh Nunn and Daren Parsons.

This brilliant news had a slightly sad edge to it, as this was the first Inter-County DTL shoot without Richard 'Dick' Hails. It was certainly felt by the whole team and he was on many people's minds throughout the shoot – an emotional day for many, but they were all certain that this one was for him!

Essex vs Suffolk Challenge

This year's Essex vs Suffolk Challenge is back in Suffolk with an English Skeet shoot to be held at Eriswell Lodge on 3 November. For this shoot anyone can enter, and the top scores from each county will be totalled up to decide on the 2019 winner. It would be great to keep this trophy in Suffolk as we haven't lost it yet!

Thank you so much to everyone who has supported the county shoots so far this year, and who have joined the county teams. All of your effort to support the county's is greatly appreciated. We still have more Inter-County shoots and county fixtures to report on, so to keep track on the counties progress. Please keep an eye on our website and Facebook page as these will be updated quickly after the shoot so will be the most up-to-date places for Suffolk News.

AVON

ROGER COX

Due to requests from shooters a UT Avon Championship was held this year. This was held at North Cornwall SG on 3 August in conjunction with Devon CPSA as advertised on our website. Malc Brown won another County Championship on a very low turnout for both Avon and Devon shooters, due to clashes with other events held around the country.

The rearranged DTL was held at Axminster GC on Saturday 10 August in the worst weather conditions that we have seen in August for many years – with rain and very high winds. Malc Brown again won the Avon title which has been his on many occasions in the past. Well done Malc. Thanks to Richard Chapple and the Devon Committee for the help in running joint event with us this year in some disciplines.

Reports on events will be in the next issue for the Avon FITASC Championship which took place at Meadowcroft SG on 1 September.

There has been a proposal for an Avon Sporting Challenge event to be held, which would be similar in format to events held by other counties. Several shoots of three or four events would secure funding for a good prize for the highest aggregate scores. How to appreciate the lower ranked shooters into this type of event would need to be included. Ideas and inputs for the final format would be appreciated before any decisions are made to proceed. Please contact or talk to Dave Woolcott at Meadowbank SG or on our email address at the bottom of this report.

Again any date changes for championships will be posted as soon as possible on the Avon website. Any further breaking news from anyone please contacts us on email below for inclusion next time.

The Avon website is hosted on the main CPSA website and can be accessed via the County tab. Also there is a new email address of rogercox47@gmail.com for contact in the future.

Team Captain. Congratulations again Paul.

Now, in date order: On 4 August, at Fauxdegla S.G. Richard King won the Blaser sponsored AR Championship with 96/100.

10 August saw the Dorset ESP Championship held at Pilford. When Jeffrey Waters and Richard King tied for first place with 94/100. There can only be one Champion and after a shoot-off Jeff Waters emerged the victor and thus the 2019 Dorset Champion. Top Vet was Chris Dare and top Lady was Vicki Cutler.

The World UT Championships were held in France, ending on the 18 August. Among the 600 competitors was our very own GB representative Richard King. Despite carrying a shoulder injury, Richard scored 192/200, which placed him individually joint 57th place with 20 other competitors. For any newcomers to clay shooting that may not seem to be a particularly impressive placing, but wait – Richard's score was the seventh highest overall. Five points behind him would have dropped a competitor 100 in the placings. So you see a few unfortunate misses can drop you down a long way. Richard with two other England shooters representing GB came fourth in the three-person team event, with only five targets separating the top four team positions. Well done to Richard and his fellow GB team mates.

By the time you read this article we will have had the Dorset FITASC Championship at Purbeck – results in next edition.

Please note the final Dorset Championship below. Dorset do not hold a winter series but have decided to hold a late championship to keep interest going for Trap Events. NB. Dorset Juniors taking part in the SB will only have to pay half the entry fee plus the two pounds County Levy. Any questions to myself (Tony Read – Dorset Secretary/Treasurer.)

3 Aug: FCTC

One of the only clubs on the South coast with two registered under cover Skeet layouts both carefully looked after by Chris Bloxham. Twenty one entries enjoyed the layouts and 18 of those were Hampshire members. It was Sussex member Martin Brister with a 97/100 that took the High Gun prize followed by Hampshire's Sean Gamblen on 94. Eric Sumner was Hants' highest scoring Veteran, out of the eight Vets that entered, on 94.

Ally Stevenson returned a 86/100 over Jane King's 64 taking the Ladies prize.

George Verrier (left) & Andy Gorge Club Chairman.

Dave Tommer & Chris Verrier.

Martin Brister (left) Skeet Champ AG presenting.

30 July: Owls Lodge Sportrap

Yet another good set of layouts greeted the Sportrap enthusiasts. There was fair weather and it was well run – with 53 entries having a good day. Shooters really had to study the targets and remember where they are coming from. Richard Faulds certainly has a good memory, proving yet again why he's Hampshire's top man, 100ex100 can't argue with that. Next Hampshire member Phil Marks on 95, then Ron King 90, Chris Pearce 89 followed by 25 other Hampshire hopefuls.

28 July: FCTC, 100 reg DTL The George Verrier Memorial

The DTL was a favourite discipline of George Verrier, a long time member and past committee member of the club. A good number of squads booked onto this event – the first memorial shoot to be held. One person determined to be the first to get his name on the trophy was Dave Toomer, who shot with George on several occasions at the club and for Hampshire. Several others were trying hard to beat Dave with some good scores, coming back early in the day to the club house – Pete Thomson, Malcolm Allen, Mick Abrams to name a few. Dave Toomer just kept his composure and nailed it 99/296, Malcolm with several second barrels 98/286 as too Pete with 97/285. It was a special day for George's family who came along to remember all the good times at the club while Dad enjoyed his DTL shooting. It was only fitting that someone that knew him and shot with him had their name go on the lovely trophy first. The club's President Brian Coupe gave an emotional speech to a packed club house reminding everyone what a great man, friend and supporter of the club George was. The presentation was carried out by Georges' wife Chris who presented this annual trophy to Dave Toomer.

18 July: Sporting at Owls.

Top Hampshire man, again Phil Marks 92/100, Wiltshire's Huw Stephens on a 97/100 took the top gun out of the 111 entries for the midweek shoot. Forty entries were Hampshire members the rest came from our local counties but also

as far away as Gloucestershire, Kent, Surrey, Sussex – amazing how a good sporting event can draw them in.

12 June: FCTC ABT

Yep another midweek shoot this time on Fareham's ABT layouts. Thirty-six entries enjoyed the day and again coming from as far afield as Sussex, IOW, and of course all the local counties. Richard King returned a great 97/100 equaled by Sussex member Matt Lawrence also on 97/100. Quinton McKellar picked up the Veterans prize, Hants Junior Corey Vasey returned a great 83/100, bet he didn't tell his teachers where he was!

The Single Barrel was held at Brook Bank on the 18 August and there was a good turnout of Somerset shooters to compete for the titles. While it was a bit windy on the day, it certainly made for an exciting competition and at the half way point both Gerald Sweet and Phil Stott had put down their marks for the title. At the end of the day when the final scores were in, it was Phil Stott who took the Championship title with a fantastic 99 only dropping one target in his second round! The Ladies title was won by Wendy Spackman with a well shot 82 and Gerald Sweet took the Veterans title with a 96.

The FITASC was held at Ham Cross over two days and was a joint affair between Wiltshire and Somerset. Congratulations goes to Emma Stacey for beating her Dad (Shaun Stacey) to the Championship title and taking the Ladies title as well. It didn't stop there with just one parent being beaten by their offspring as Theo Coleman also beat his Dad (Guy Coleman) by 13 targets and won the Juniors title as well. A massive thank you to William Thatcher and his team for holding such a great event.

School on the Bank Holiday Monday and some very good scores were produced on the day. County Champion and joint Top Gun on the day was Shaun Stacey sharing the top spot with Richard Faulds. Emma Stacey took the Ladies title, not quite managing to beat her Dad again after the FITASC competition. The Juniors title was won by Theo Coleman who once again beat his Dad on the day. The Veterans was won by Kenny Howell. A big thank you to Barbury Shooting School for holding the competition for us.

So that wraps up the County Championships for 2019, and it leaves me just wishing good luck to all of those Somerset Shooters who have made the Inter-County teams and any Somerset Shooters shooting the South West Championships.

As always, if there is anything that you want to raise with the Committee then please contact any of the Committee members or myself on the above email.

The Bucks Sporting Championships was held at E.J. Churchill's at the beginning of August. It was nice to see a good number of Bucks shooters attending, regardless of the big winds! Huge congratulations to Doug Thompson our new County Champion and HG on the day with a score 94! Well done to Amy Easeman who took Lady and Junior County Champion!

Billy Baughan excelled himself at The Game Fair winning the Game Fair Challenge, bagging himself a car for the year and also was Runner up in the Champion of Champions. Amy also won the Ladies, only one target away from HG.

Well done to Caroline Stanbrook who won in class at the British Open Single Barrel Championship.

10 Aug: Essex Sportrap Championship

The was a blustery day with occasional heavy rainshowers making the refereeing very difficult for the Essex Sportrap Championship held at Clacton Gun Club. Kevin Norfolk won the overall championship with an amazing score of 92. Dave Bignell's 85 won him the Veteran title. There was a tie for the Lady's championship title with Nadine Gilder and Katie Durrant

both scoring 77. Unfortunately, Nadine was unable to return for a shoot-off so Katie was pronounced the champion.

Sportrap Challenge

Thanks to Clacton Gun Cub for hosting the Essex Sportrap challenge. At the end of the event we had a tie between Trevor Hearn and Peter Mayhew both with a score of 91. Trevor had left the ground and was contacted, but unable to return for a much anticipated shoot off. Peter was crowned champion for 2019 well done to him.

19 May: Essex Helice Championship

The beautifully scenic hillside that is Invicta shooting ground in Tonbridge, Kent, was the venue for the Essex Helice Championship and Essex Helice shooting Team selection shoot. While the day started a little overcast, the wind was kind and weather relatively warm. Despite the good shooting weather, those pesky ZZ birds still proved very difficult for some of us. Not so for young Mason Terry (14 yrs old) who when the dust had settled, took the overall Champion title and is now the youngest Essex Helice champion of the last decade. Alongside him Jessica Byard (12 yrs old) continues her recent good form and secured the Essex Ladies champion title while stalwart Graham Woodman took the Veteran title. The rest of us had to settle for a great day out and a place in the Essex team. A massive thank you goes to Chris Potter and the entire team at Invicta for hosting the event and organising everything for us and of course the ladies in the kitchen that as always kept us fed and watered throughout the day.

If anyone hasn't tried ZZ / Helice, you really should give it a try, you never know, you may just find a hidden talent for it and go on to represent GB internationally as I have had the pleasure to do. To all the other non Essex, Helice shooters that attended today's shoot, well done all, see you soon we hope.

Well, the year is passing by at a fast rate. I am writing this in August, so forgive me for missing any news. Many shooters have encountered some seriously wet weather. Their dedication is commendable, myself being a fair weather shooter only – well done to you all for carrying on!

FITASC

A mention must go to Pet Easton for taking part in the difficult shoot held at Westfield in early August. A low number of shooters compared to normal turned out to take part in the 100 Registered FITASC. Pet managed to finish on a very impressive 76ex100 winning Ladies class. Well done Pet!

Westfield

In late July Westfield hosted a 100 ESP which saw Oxfordshire's Julian Freeman on form – he shot an incredible 96ex100 but this only left him third overall. The standard certainly was high so well shot Julian.

Staying with Westfield moving into August, 103 shooters turned out to take part in one of their infamous 100 ESP shoots. It proved to be wet and windy, but it saw Jonathan Plant pull off a great score of 81ex100 to win B Class, second in B class went to Graham Alder who finished on a 78ex100. Well done to you both.

Gunsite

Gunsite played host to a mid-July Sporting shoot. Oxfordshire's Tom Boyer took second in A Class with an impressive score of 91ex100, closely followed by Tim Thornett (who continues to be on fire) with an 89ex100 placing

FOR:

him third in A Class. Martin Tipper continued the Oxfordshire form to pull off an amazing score of 85ex100 to leave him third in B Class – the scores are barmy! Well done to you all on braving the rubbish weather and putting in such brilliant scores.

Northampton Shooting School

August saw 90 shooters turn out for their 100 ESP Registered shoot. A huge congratulations has to go to Jane Robbins for shooting a great score of 65ex100 to give her both a class win in C and also Ladies HG. Well done Jane!

E.J. Churchill

Churchill's hosted the Bucks Sporting Championship which was well attended. It saw 75 shooters take part. Oxfordshire's John Smith shot well, 93ex100 leaving him second overall. Luke Taylor shot 90ex100, placing him second in AA Class. Well done to you both.

Lastly, I received a lovely email from Oxfordshire's Jeff Mace. He contacted me to tell me of his recent experience of his trip to Nuthampstead Shooting Ground. Jeff is 72 years young and decided to make the 98 mile trip to take part in the South East of England Olympic Trap competition. He shot his socks off and finished on an 80ex100 leaving him with the proud title of the Veteran OT South East Champion. A huge congratulations to Jeff, well done and thank you for keeping me up-to-date with your achievements.

Please do the same, drop me an email with your results and achievements.

Happy safe shooting everyone! Just one more copy before Christmas!

6-7 July: All Round Championship at Dartford Clay Shooting Club

This consisted of 25 Single Barrel DTL, 25 ABT, 25 English Skeet and 25 Sporting targets. The clear winner in Seniors was Mark Freemantle with 82/100. Second was Tony Christophis with 73, closely followed by Dan Chambers on 72. Top Junior was John Chambers and the Veteran's title went to Michael Palmer.

Trap team.

Billy Greenwood.

21 July: Helice Championship at Invicta

The Surrey Helice Championship was run by Invicta where the 'familiar faces' performed well. The Senior event was won by GB Shooter Steve Cole, who also took the Veteran's title. Top Lady was another GB Shooter, Jo Watson-Hopkinson. Top Junior was Fletcher King, while his brother Jenson King took the Colt Medal, also both GB shooters.

28 July: Surrey Compak Sporting Championship at Southdown Gun Club

This was held over four varied and interesting layouts at Southdown Gun Club, with some very high scores being recorded. County Champion was Billy Greenwood with a magnificent 96/100, and of course he took the Junior title too. In second place with an excellent 93 was Sarah White, with Tony Burt in third on 92. Chip Smith took the Veteran's title with 91. Thanks to all the Surrey participants who entered, and thanks to Southdown for an enjoyable and well run event.

10-11 Aug: Helice British Grand Prix at Invicta

Despite it being the summer, the weather turned nasty especially on the Saturday with very strong winds and heavy downpours, which made conditions for shooting very difficult. However Jenson King made it through to win a four-way shoot off for a bronze, beating his older brother in the process! Jo Watson-Hopkinson also did well, recovering on the second day to narrowly miss first place after losing on the shoot off for gold.

11 Aug: ABT Inter-Counties at NCSC

Surrey Trap Shooters competed in the 2019 South Eastern Inter-Counties Automatic Ball Trap Championships at the National Clay Shooting Centre. Conditions were good and certainly less windy than the previous day had been. There were a couple of late substitutions in the team due to absence and injury and everyone dug down deep to perform as best they could.

Overall the Senior team came seventh (Phil Chambers 84, Rachel Parish 84, Dan Chambers

76, Dan Parker 72 and Jeff Blackburn on 70).

Victoria Castle came second in Ladies, shooting a fine 75 – just four points off the top spot. Young Oscar Parker, our talented Colt, put in a very steady performance and came fourth in that category against some very capable opposition.

Surrey Supreme latest

Glen Boxall still has a clear lead with 50 points, but with three events to go and a potential 45 points to be won, the Championship could go down to the last event. Andy Smith is currently in second place with 32 points, while third is shared between Paul Poulter and Peter Saich on 27. Peter is also top Veteran.

Top of the leader board in the Ladies class is Sarah White on 19, while Maddy Boyd is just behind with 15. The Junior section is the closest at the moment, with Maddy Boyd and John Chambers both on 15, with Billy Greenwood very close behind on 14.

With one Sporting, one Trap and one Skeet event to go, the lead could change in all categories.

There have been a couple of busy months for Sussex shooters across the disciplines with some outstanding successes being notched up at county, national and international levels.

Single Barrel competition at Bisley Gun Club

There were 39 entries, 13 of which were from Sussex but unfortunately no Lady, Junior or Colt entered. The Senior winner was Ian Flower after a shoot off with last year's winner Jon Butler. Both were on 93/100 – well done Ian.

14 Jul: SE England Sportrap

SE England Sportrap was won by the currently on fire junior Will Fenner with a 98.

21 July: Sussex 2019 Helice Championship at Invicta Gun Club

The atmosphere around the club was the usual warm welcome from Invicta. The Greater London, Surrey and Kent County Championships were also held at the event creating a competitive shoot for all attending. There was a large Sussex attendance of 11 guns for this popular event, with Alistair Williams clinching the Championship after a shoot off with the veteran 'heavy weight' Cliff Goodwin. It went to a thrilling shoot off between two Sussex members John Offord and John Taylor to decide the Sussex Super Veteran which John Offord eventually won. Alistair Williams – Senior and County Champion. Cliff Goodwin – Veteran. John Offord – Super veteran.

28 July: Sussex Compak Championship, Southdown Gun Club

Held together with Greater London and Surrey. Overall High Gun and county Champion was again Will Fenner with an incredible 99. Sussex Ladies Champion was the equally on fire Hannah Gibson with 92.

Martyn Milburn Memorial Shoot

As is usual at Southdown a Sporting competition was held alongside the Compak but was dedicated to Martyn Milburn, a very popular long serving instructor, who sadly passed away earlier this year. £224.95 was raised for Cancer research with Will Fenner kindly giving his Compak winnings to the charity along with other shooters who were very generous.

More Sussex success

A couple of Sussex shooters who seem to be going from strength to strength are Guy Franklin and Hannah Gibson. As well as GB FITASC call-ups, at the time of writing both were shooting Sporting for England in the World ESP Championships in the USA. As if this wasn't enough, Guy managed to get away from the family farm to win the Champion of Champions competition at the Game fair at Hatfield House. This is the third time he has won it in four years. Excellent shooting Guy.

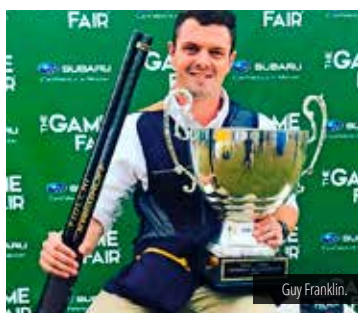

Jeff Dix

Sometimes it's easy to ignore less prominent shooters who just get on with it but rack up a list of successes that others may not be aware of. One of these is Super Veteran shooter Jeff Dix. Although he can be seen regularly shooting

ESP and FITASC it's Compak that is his speciality. So far this year he has shot ESP for England as a Super Vet and Compak for GB amassing an impressive four bronze (three individual, one GB team), two silver (one individual, one England ESP Team Super Vet) and one gold medal along the way competing in the UK, Ireland, Greece and Hungary. The highlight being the Beretta Coupe 'D' Europe Compak Sporting European Cup where he was first Veteran. Well done Jeff, keep it coming.

Young Shots day

Southdown Gun Club held another very successful Young Shots day with 17 boys and girls attending. For some their first time, for others their third proving how popular these days are becoming and names are already being taken for the next one. Contact Southdown for a place.

A fair amount to report this month – firstly well done to Janice Barnett on her win at the British OT Grand Prix and also to Paul Bailey (pictured) on his B class win at the Blaser All Round.

Unfortunately only two DSG members attended our August shoot at Orston due to holidays and shoot clashes. Thanks to Paul Zaitchenko and his pupil Abbie West it made almost a squad. Conditions were very windy making the Skeet very tricky. Kelvin put in a 21/25. The DTL was less affected and Adrian shot a creditable 23/25. The Sportrap was very

difficult especially the A and D target, with Paul shooting a good 18/25. On behalf of the DSG we would like to thank Emily and her staff very much for hosting the shot, also a voucher for 100 clays as a prize.

The same weekend was the British Open ESK championships at Dartford and some of our members participated. In the Standing Adrian Last secured the silver medal and victorious was Skeet expert Darrel White taking the gold with a superb 94. In the Standing our youngest member Reuben Welch (pictured) picked up his first championship medal with the bronze, Simon Emmett picked up the silver medal and victorious was Sam Nunn for his sixth consecutive British Open Skeet title.

Our final shoot of the season is Saturday 12 October at Sporting Targets which will be followed by a meal, AGM and trophy presentation. We will be meeting at 10:15am for tea and coffee to start shooting from 10:45am onwards.

Reuben Welch.

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

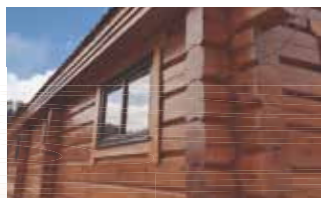

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

A SHAW SHOT

2019 English Open DTL Champion **Mark Shaw** tells **Jasper Fellows** about his remarkable return to form.

Q How and when did you first stay clay pigeon shooting?

A: In a roundabout sort of way, I started when I was about 14-15 years old. I had a friend who's father would host a small clay pigeon shoot on his farm. I would help operate the clay trap, one of the pedal and pull-round type of trap. When all the shooters were finished they would let me have a few shots, that's when my interest first began.

My parents weren't from a shooting background, but they realised that I was getting into the sport, and bought me a single-barrel 20 bore. Not ideal really, everyone I knew shot with a double barrel – but it made me work harder with each shot.

Q When did you discover that DTL was the discipline for you?

A: In my early days it didn't really matter what I shot, it was just nice to be out shooting and having fun. One day an old friend asked if I fancied a weekend up at Bywell, shooting DTL, and I thought why not!

While we were up at Bywell I was introduced to the Top Shots of the time, these were people I'd only seen in the magazines, but the genuine kindness, helpfulness and cracking banter started me

thinking about a future in DTL.

I was still shooting in C-Class that weekend but shot phenomenally. I will never forget standing in the clubhouse admiring my first 100-straight badge and I remember hearing a shooter say, "Look at this. A blinking C-Class shooting 100/298."

I overheard and replied, "That's me, first 100-straight I've ever shot and I'm over the moon." He kept to himself after that. On the next round of averages, I found I'd been promoted up to AA. That shooter's comment didn't put me off, my mind was made up. I would give DTL a shot.

Q Is it true that you had only been back in the sport for one month before winning the 2019 English Open?

A: Yes it is. I was unfortunate enough to have been made redundant a year ago, from a position I had worked for 30 years. I needed to work, so I joined an employment agency and unfortunately the wages didn't allow me to continue shooting. Soon I managed to find full-time employment but working a shift pattern that didn't really lend itself to the sport. Luckily I eventually managed to secure a position with AMP Clean Energy, which has allowed me to get back to the sport I love. Aside from the finances it was my friends that brought me back into the sport. I realised that I really missed them and the banter we had while shooting.

Q How did it feel to take home that trophy at the end of the day?

A: With the previous year of unsettling times the feeling of winning such a prestigious trophy was just awesome – the way it happened felt perfect. There were so many people genuinely pleased with my win and that made it even more special. I will never forget that moment.

Q Was there anyone in particular who helped to support your return to the sport?

A: I can't thank my wife Geraldine, and all my friends and fellow and shooters, enough for helping me to get where I am now. I feel fortunate to be sponsored by Hull Cartridges and Kreighoff. The combination of the Hull DTL 300 cartridge and my Kreighoff K80 has really helped me to get back to my best.

Q What are your top tips for those looking to emulate your success?

A: Commitment, dedication and hard work. You must learn how to take knocks and continue to enjoy the sport. As your shooting evolves keep your feet on the ground and always be willing to both listen and help. 🍀

One day an old friend asked if I fancied a weekend up at Bywell, shooting DTL, and I thought why not!

THE AWARD WINNING ISUZU D-MAX HUNTSMAN THE NO.1 PICK-UP FOR SHOOTING

The Isuzu D-Max Huntsman Accessory Pack designed specifically for the professional, dedicated huntsman and countryman. The Isuzu D-Max Utah Huntsman is tailor-made to be right on target to ensure you have everything you need to enjoy the hunt.

OUR VEHICLE

The Isuzu D-Max puts your mind at rest when it comes to choosing the perfect pick-up. It's powerful—with 164PS and 360Nm of torque, it's convenient—meeting Euro 6 emission standard without the need for Adblue, and it delivers over 40MPG[#] combined (all manual models).

Coupled with the superior capacity to tow 3.5 tonnes* and a 1.1 tonne payload on all Double Cabs, it is the whole package. Since Isuzu understand how important a

Plus when you need a pick-up that's not afraid of the mud, the Isuzu D-Max showcases incredible off-road capabilities with a switchable 4x4 system, Electronic Stability Control and a Traction Control System with ABS.

BRED FOR THE HUNT

In addition to the standard specification, the Huntsman features a lockable, out of sight aluminium drawer system as well as ample bed space for dog boxes or equipment. Outside, it combines form and function to great effect—available in the discrete Cosmic Black Mica or Obsidian Grey Mica, its sophisticated exterior styling ensures no dazzle or shine while on the hunt.

The black 18" wheels with Pirelli All Terrain tyres and high-mounted towbar allow for excellent ground clearance, meaning the Huntsman offers incredible capability. To enhance ride comfort and handling, the optional Huntsman Plus Pack features the Pedders Suspension Kit. Designed for increased suspension travel whilst improving vehicle stability.

PRaised FOR STYLE & SUBSTANCE

As the outdoor pursuits of choice and voted 'Best Model' in the 4x4 magazine's pick-up of the year awards, it's no wonder the Isuzu D-Max has claimed the title as the no.1 pick-up for shooting.
