WELCOME

NOV/DEC
2019

As we approach the end of the year, I'd first like to extend to you an invitation to the CPSA Awards next year, on 1 February and returning to the Belfry Hotel and Resort in Sutton Coldfield. You will find our invitation to the event on page 4. Nominations for the Awards close on 15 November, to be followed by voting once the shortlists are announced. I encourage you to both nominate and vote for deserving members, as these awards are first and foremost a chance for our members to recognise each other's amazing performance over the past year.

Looking at this month's issue, we have reports on the National Inter-Counties competitions, and I'd like to congratulate Nigel Chapman for the DTL win, Joakim

Smith for his third year in a row as All Round High Gun, and Richard Faulds MBE for winning the English Sporting competition with a perfect 100-straight. The England team has been performing amazingly this year, and in this issue you will find the reports for the Automatic Ball Trap, English Sporting, and FITASC Sporting Home Internationals. All competitive shooters should be sure to see the changes to the classification systems on page 11, which go into effect on 1 December. These have just been approved by our Board of Directors after careful consideration.

Finally, I'd like to wish you a merry Christmas and a happy New Year!

CLUBHOUSE NEWS

CPSA AT THE MIDLANDS GAME FAIR

The CPSA attended the Midland Game Fair from 14-15 September at Weston Park, Shropshire, and ran a have-a-go clayline with over 400 people taking the opportunity to try clay shooting. The Shropshire CPSA Committee was in attendance, speaking to members and recruiting new ones.

If you are on a CPSA county committee, and are interested in attending local fairs and shows, then feel free to contact Phoebe on 01483 485 400 to find out how we can support you.

HOW TO HIT SERIES 4

Filming has been completed for the fourth CPSA How to Hit series, which will be an introduction to shooting FITASC Sporting. The series is again sponsored by Browning, and filmed by Gunroom.TV at Southdown Gun Club. CPSA Level 3 Senior Coach and 2019 Coach of the Year Simon Arbuckle returns as the presenter.

In this series, Simon will teach us the procedure for shooting a FITASC layout, with an emphasis on the differences between FITASC Sporting and English Sporting. Simon's goal is to dispel the myths about FITASC Sporting and encourage more shooters to give it a shot.

Episodes will be available on YouTube in March 2020, with companion articles in *Pull!* magazine.

SAFETY OFFICER REQUALIFICATION

Under the instructions of the CPSA Insurers we are required to re-instate the five-year expiry date on the CPSA Safety Officer qualification. This will apply to all qualified Safety Officers going forward, and therefore from 1 January 2020 anyone who completed the course before 31 December 2014 will be notified to re-qualify as required if they wish to remain current and insured in their capacity as a Safety Officer.

The process to requalify for a further five-year period involves a short 30 question online exam with a £10 admin cost. We will begin notifying members in January as to when they will need to complete the requalification process.

NOMINATIONS FOR *The CPSA* Annual Awards 2020 ARE NOW LIVE!

Please visit cpsa.co.uk/nominations to nominate your fellow CPSA members whom you feel are worthy of being shortlisted for this year's Awards. The nominations will close on 15 November.

The Awards recognise and celebrate the outstanding achievements of individuals, clubs, and other organisations that help to promote and develop clay shooting in England. With new award categories having been announced for this year, there is even more opportunity to recognise members.

Voting will open in late November, once nominations have closed and the shortlist is announced. Be sure to not only nominate for different categories, but also make sure you are there on the evening to help celebrate with the CPSA. The CPSA Awards are hosted at The Belfry Hotel & Resort, Sutton Coldfield, on Saturday 1 February 2020.

To reserve dinner tickets, please visit cpsa.co.uk/awards-tickets or call Phoebe on 01483 485400.

THE DARTFORD & ESC IRON MAN MASTERS SHOOT

The two-day Iron Man Masters Skeet Championship was held at Dartford Shooting Ground in conjunction with the English Skeet Club on 7-8 September. It was a 400-target Skeet shoot, 100 English Skeet and 100 Doubles on each day. This report is from CPSA member Marilyn Kingsnorth, who thoroughly enjoyed the competition.

"It was the best Skeet weekend I have known," says Marilyn. "A generous sponsorship from Air Brake Connections and ESC attracted shooters from Scotland, Wales, Ireland, Jersey, and England.

"Due to the high entry, the referees were working non-stop to keep the shooters to a tight time schedule. Of course the ground staff looked after us all on the layouts, making sure there were no holdups with empty traps or problems on the ranges. After the shoot-offs it was back to the Clubhouse for the prize giving and buffet. CPSA Chairman and East Midlands Director, John Martin, had been invited to present the prizes and I think we quite surprised him that there were so many happy faces and sense of enjoyment all through the competition weekend.

"The winner of the championship was Tristan Hockey. Becky Kibble won the Ladies trophy, Tristan Hockey won the Junior trophy and Sonny Bowman took the Colts and Peter Bloomfield won the Veteran trophy.

"Well done for giving us this weekend and thanks to you all at Dartford - Kelly, Scott, Tristan, Gill and team, Steve and Dave and English Skeet Club - Johnny Walker." Full results can be found at englishskeetclub.com.

Below: Tristan hockey 14yrs old (over all winner and junior winner) Becky kibble (ladies winner and over all runner up) John lowrie and Martin Brister.

THE CHANNEL ISLANDS OPEN COMPETITION

Jersey multiple gold medallist, Jon De La Haye honoured the Channel Islands once again by winning The Channel Island Open with a High Gun of a superb 108. The competition was held at Lecq Clay Shooting Club, Jersey on 29 September. Jon said of his win, "It was a tough competition with the added factors of the high winds and rain".

SHOTS IN THE MAIL

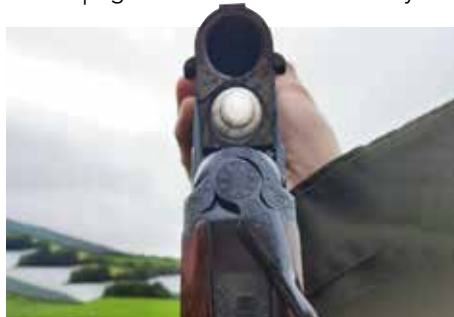

LETTER OF THE MONTH

Dear Sir/Madam,
I am writing to inform you and your readers of a recent incident that occurred on a simulated game day I participated in.

As this was a mini-competition it was advantageous to have a loader, therefore the team members waiting to shoot were to act as loaders for those who were shooting.

When it was my turn, I took my position on the peg and handed the loader my

cartridges. The first few shots went fine, until I had what I thought was a misfire – just the sound of the firing pin striking the primer. I left the gun pointed in a safe direction for 30 seconds and then removed the cartridge and was surprised to see the case was spent.

I had to think twice. Had I removed the empty cartridge from the previous shot? After checking with my loader I most definitely had. On closer inspection I could see a partial fibre wad in the end of the cartridge case, and the breech of the gun was full of unburnt gun powder. I checked the barrels immediately, only to see the barrel was blocked. End of drive for me!

Fortunately I had a cleaning rod with me and managed to remove the blockage – the rest of the fibre wad was lodged about eight inches down the barrel. I always keep my cartridges warm,

dry and indoors. I have never had this problem before. I shudder to think what could have potentially happened to me, my gun, or my companions in the heat of the moment, had I failed to take a step back and look a little further.

As shooters, we all need to remember it is our responsibility to check the barrels after each and every shot. I'm sure we are all guilty of not doing so on occasions, but better safe than sorry – it's all too late once the trigger has been pulled. Anything that doesn't sound or feel right most definitely warrants an extra check. I am certainly more conscious and aware now than ever before.

Regards,
Danny
Hampson

SIMON SAYS

Senior Coach Simon Arbuckle answers your questions. Send yours to simon@cpsa.co.uk.

Q I consistently struggle with rabbit clays and would appreciate some advice as to where I'm going wrong? It looks like I'm missing them behind every time... **Peter**

SIMON SAYS:

Hi Peter, rest assured this particular target does seem to be an issue for quite a few shooters. The thing to remember is that the rabbit clay is slowing down far quicker than an airborne clay, due to the contact with the ground. More often than not, people are over-leading the target and subsequently missing in front. Ideally, you would tackle this clay using the CPSA method to lock onto the target briefly to establish its line and actual speed, but only pull ahead a small amount, as it's slowing down and requires only a small

amount of lead. It gives the impression that you are shooting straight at the target, but the smooth momentum of the gun will provide the necessary gap to be just in front of the clay.

People also regularly miss over the top, so try pointing at the ground, just below the clay, so that the majority of your shot will go up into the clay along with debris from the ground to help break it. This is especially important if you are shooting down onto a rabbit target from a raised platform.

It's also worth remembering that sometimes rabbit clays can jump on uneven ground – be prepared for it to happen and take advantage of the slow moving clay being airborne temporarily and easier to lock onto and shoot.

I hope that helps, but check out some of my Sporting How to Hit videos on cpsa.co.uk/video where I tackle rabbit clays at Southdown Gun Club.

CHANGES TO THE CLASSIFICATION SYSTEM

Following a review of the classification system to improve its effectiveness going forward, the following changes have been ratified by the CPSA Board of Directors, for implementation from 1 December 2019.

All references below to 'targets' for classification purposes means both 'registered' and 'adjusted' targets. These changes apply in any given discipline.

IN SUMMARY

- There will be four classification issues per year
- Classifications from unclassified will need a minimum of 300 targets to be achieved
- To go down a class will need a minimum of 600 targets
- It will only be possible to go down one class over a period of 24 months
- Classifications will be reset to unclassified where no registered scores have been submitted for 36 months
- The highest classification will always be used for a competition where it spans issues
- Classifications will be able to be reviewed on request by the moderating panel

The information below highlights the changes being implemented, together with the rule changes and references, within Booklet One CPSA General and Technical Rules. Therefore, this information also acts as an addendum document to the rules with effect from the above date.

1. Increase classification frequency to 'quarterly', with four classification issues per year: 1 March, 1 June, 1 September and 1 December, instead of two issues per year.

2. Increase the minimum number of targets needed to gain any classification from 100 adjusted targets to 300 adjusted targets.

[Rule 4.1]

"Classifications are calculated every three months, with implementation on 1 March, 1 June, 1 September and 1 December each year.

"These classifications are calculated using scores submitted from the previous 12 month rolling shooting periods that end on 31 January, 30 April, 30 July and 31 October respectively. The percentage cut-off points for the classes in the various disciplines

will be altered. As an example, classifications that commence on 1 December will be calculated using scores shot between 1 November and 31 October.

"All registered scores from the above shooting periods and received at CPSA HQ by 7 February, 7 May, 7 August and 7 November respectively, will be used towards classifications in the next period. Members who have an official classification in a given discipline will shoot in that class whenever they enter a Registered event in that discipline. Members who are 'unclassified' will be given a temporary classification for that day and event only, in accordance with paragraph 4.2.

"To become a 'classified' shooter, from unclassified, a member must shoot a minimum of 300 Registered targets, in any specific discipline, during a 12 month period prior to 31 January, 30 April, 30 July or 31 October."

3. Increase minimum number of targets for downward class movement from 300 to 600 (adjusted targets).

4. Increase downward class movement restriction from 12 months to 24 months.

[Rule 4.4 b]

"b) A member may only go down a class, provided they have a minimum of 600 targets counting towards their new Adjusted average in any shooting period. Downward movement will be restricted to only one class per 24 month period."

5. Allow classifications to be reset to unclassified for members who have not recorded a registered score for 36 months.

[Rule 4.4 c, 4.4 d]

"c) Members will have their classification in any given discipline reset to 'unclassified' where no registered scores are recorded within a 36 month period.

"d) Once a classification has been obtained, it can only be altered as per the above. Even if a member allows their CPSA membership to lapse, details of their classification will be retained."

6. New rule to define which classification must be used where a classification changes during a fixture/competition.

[Rule 4.2]

"Where a competition spans a classification implementation date, the member will be given the higher of the classifications based on the first day and last day of the competition."

7. Introduction of a formal classification review procedure and moderating panel.

Should you have any questions regarding these changes please email classifications@cpsa.co.uk 📧

ENGLISH SPORTING HOME INTERNATIONAL

Richard Hunter reports on the 53rd English Sporting Home International, which took place at The National Shooting Ground in Dungannon, Northern Ireland, on Saturday, 14 September.

The weather on the day wasn't perfect by any means. It was quite blustery at times, especially later in the competition, with a little touch of rain. This didn't dampen the atmosphere of this special event.

As Team Manager it was my privilege to look at the targets on Friday after they were set, along with team captain Paul Thomas. We both felt that it was a nice, even, and fair shoot. There was nothing silly – one of the friendliest sets of targets I have witnessed since taking over as team

manager. This course was not going to beat anyone up.

The other teams involved were the hosts Northern Ireland, along with Scotland, Wales, and Ireland. Sadly there was no team from Jersey this year.

All competitors started on stand one. England's Alex Cobb had the pleasure, and pressure, of starting off the proceedings by firing the first shot. The only problem I see with this format is for those who shoot early, then have a longer day waiting for the last shooters to finish. One or two

people said that they missed the social side of the event due to this.

After about two hours, the scores started to come into the clubhouse and were quickly put on the score board for all to see. There were some cracking scores by the team members – England's Julian Morris came in with a big 94ex100, but he thought there was a 96 out there. He was right, as Dorian Evans from Wales carded a 96, which would give him High Gun of the Match. Julian remained as the High Gun for England.

Other than Overall High Gun, England swept the categories – Adrian Balham was top Veteran on 93, Cheryl Hall's 92 won the Ladies High Gun, Josh Bennion on 93, was Junior High-Gun and John Wells, with 88, was Super Vet High Gun.

Team England's sporting dominance continued with a clean sweep on all the team events. There was a new glass trophy for the Overall Winning Team, which combined the top 20 scores, regardless of category, from each team to determine the winner. England had the honour to be the first name on this beautiful new piece of glassware.

New Caps for England were Phillip Marks, Sam Usher, Adrian Balham, along with Juniors George Cheer and Brody Woollard. Special Praise goes to Phillip Marks, who scored an incredible 93.

The Targets were set by Jamie Peckham, thank you for making this event one to remember for a long time.

I think the team spirit gets better and better every year. After the shooting was completed there was just one thing left to do, and that for the presentation to take place.

The banquet at the Armagh City Hotel was absolutely first class, and what a way to finish a fantastic weekend – team member John Wells entertained all those who stayed behind with his guitar and vocals, putting the icing on the cake! 🍷

ABT HOME INTERNATIONAL

Report by **Paul Chapman**.

The 45th ABT Home International was held at North Ayrshire Shooting Ground, on Scotland's green and lush west coast on 6-7 September.

Following a strong performance at last year's Home International, the English team's confidence was high going into the event. However, competition proved to be much tougher than expected, culminating in a dramatic ending to the individual High Gun title race.

A TALE OF TWO HALVES

The weather was a tale of two halves – with Friday providing highly-variable wind, light, and rain – and Saturday being much calmer and warmer, albeit with light conditions,

which proved increasingly challenging as the day progressed.

It was evident from the outset that scores would be lower across the board than expected, with a 22/23 being considered respectable. Straights were few and far between, and by the 50-target mark only four clean rounds had been recorded – extremely rare given the experience and skill of the competitors.

Scotland's ever-consistent captain Gordon Lumsden was on 48, as was his teammate Cameron Hume, with England's leading lights a point or two behind.

Scores improved as shooters got to grips with the vagaries of the weather, and the end of day one saw Hume out in front on a

Above: David Lloyd, Captain.

highly commendable 95 – any score in the 90's was considered a good result. On the team front England's Seniors held a narrow lead over Scotland with Ireland just behind.

NEW STORY

Saturday was a new story – blue skies and light winds and scores improved. After a fairly lacklustre day – by his own high standards – on Saturday England's Captain David Lloyd was showing the way with a superb 75-straight, closely followed by Cameron Hume with a 73. This put Hume one point ahead going into the final round, which he completed with a 24, leaving Lloyd needing a straight to match him.

In changing light conditions Lloyd shot his first 24-straight and the watching crowd held their collective breath as he called for his final target – and missed, leaving Hume as the well-deserved High Gun! A tremendous effort, and consistently good

scores across the board gave the England Senior team a winning score, an achievement matched by their Junior team, albeit in a much closer competition, pipping the Scottish Juniors by one target.

In the individual Junior section Scotland's Ewen Ross maintained his consistent form this year by shooting an impressive 187, beating England's Cory Doble by five. While England's Ladies did not have the best of the shooting on this occasion, particularly strong Vets and Super Vets teams won their respective titles.

...Lloyd shot his first 24-straight, and the watching crowd held their collective breath as he called for his final target...

ALL GOOD...

Good speeches, great food and a friendly atmosphere at the banquet rounded off another successful Home International weekend – thanks go to Scotland for being superb hosts. Here's to an equally enjoyable ABT Home International in Northern Ireland next year.

FITASC HOME INTERNATIONAL

Guy Bond, FITASC Sporting Team Manager, reports on the 20th FITASC Sporting Home International.

With three perfect sunny weekends in September, it was too much to ask for nice weather for the fourth.

When the managers and captains viewed the targets the afternoon before, we had about an inch of rain in 20 minutes, and with gusty winds forecast. We were assured that everything would be OK by Charlie Stewart-Wood, the MD of Atkin Grant & Lang (AGL) – and Charlie and his team worked their socks off to put on the best 100-target layout that I've witnessed in a long time.

IN THE WOODS

Layout one (called 'Holiday Inn') was in the woods, and threw some challenging midis and chandelles. A fast teal and right-to-left tower target followed by quick quartering clays took a toll on most shooters. The pressure was on when the highest Senior score of 24 came from three Northern Ireland shooters, and one Welsh. Our Super Veteran Johnny Price excelled himself joining the top score of 24.

Layout two ('Hull') was up a steep

bank and showed some testing targets. Stand three showed some tough long, quartering targets with our Captain Adrian Parkin-Coates shooting the only 25-straight. Layout three ('Promatic') was a mixture of tough tower targets and quick quartering clays. Stand three concluded with a midi and battue sim pair. This was Karl Field's first layout and he shot an outstanding 25.

AGL sponsored layout four, where only two shot a score of 24 – one from Northern Ireland and the other from Steve Whitelock, which won him the Pete Dennett Memorial Trophy.

Normally, we find layouts where the top shots shoot 23 and above, and around 20 on tougher ones, but with this competition scores were variable across the layouts. For a ground that had not staged a 100-target FITASC competition until the week before, it was impressive.

Henry Young shot 83, winning his last year as a Junior. John Wells celebrated his 45th year of shooting for England

with yet another victory. With the help of John Price they took the Super Veteran honours, Phil Rowbottom and John Dunn won the Veterans, Cheryl Hall was the Ladies Runner-up and with Georgia Moule regained the Ladies team title. Chip Smith, Dave Ferriman and Mark Webster are always reliable shots, but Billy Baughan shot a credible 23, which we needed to win by just one clay!

SHOOT OFF

Eventually we had 11 competitors to shoot off – including Adrian and Steve for High Gun on 90. Two squads started at 5pm and none of the shooters tied on the first squad. The second shoot-off was saved for the High Gun and Junior Runner-up. Overall, Adrian Parkin-Coates only missed one clay, and took the title from Steve Whitelock on 22.

The Senior team scores were very close indeed – England with 518, Scotland on 517, followed by Northern Ireland on 515. The Super Vets won by just five clays, Veterans and Ladies by six, but the Juniors were a little more comfortable on 11.

In summary, absolutely marvellous! Great atmosphere, layouts, company, weather, hotel, and banquet making a truly memorable Home International.

NATIONAL INTER-COUNTIES ENGLISH SPORTING

The National Inter-Counties English Sporting was held on 5-6 October at Honesberrie Shooting School, Warwickshire.

With excellent shooting, worthy of any CPSA Championship, Simon Fenner of Sussex shot a seemingly unbeatable 99ex100 on day one – and most would think that would be a safe bet for High Gun.

Yet, on day two, Richard Faulds MBE, shooting for Hampshire, straightened the course to win with a perfect 100 – clearly still in the excellent form that saw him win the British Open English Sporting in September.

Neil Lockton, also of Hampshire, took third place with 98, with Billy Baughan (Buckinghamshire) and Chris Broomfield (Oxfordshire) just missing out on a chance for the podium each with 97.

STRONG POSITION

In the Open Team event, Faulds' 100 and Lockton's 98 put Hampshire in strong position, aided by a 95 from Sean Gamblen, while James McGuire added 81 and David Lucas 73 for a combined 473. The Bucks team (Billy Baughan, Ricky Draper, Steve Scott-Smith, Marcus Walker, Jamie Gutteridge, and Doug Thompson) took Runners-up with 466, just pushing Oxford (Chris Broomfield, Matt Hance, John Smith, Luke Taylor, Julian Freeman) into third place on 465.

Speaking after the event, Richard Faulds stated, "It was a very well-supported event, and I was delighted from a personal perspective to win with a 100-straight. Going into the event on Sunday I knew that Simon Fenner had shot a 99. Having that on the board put additional pressure, knowing I'd have to shoot perfectly. From the team perspective, it was the first time in a while that Hampshire had put together such a good team, so being able to

help Hampshire win was the icing on the cake."

Miles Machin, CPSA West Midlands Region Director, was at the event and handed out the prizes. "The targets were great and it ran particularly well," he said. "It was great to see so many people there from the different counties. It's always a good catch up, and congratulations to all the winners and everyone who took part."

Tom Howe, Ground Manager at Honesberrie, set the course and said "The weather was very good to us, which enabled some amazing scores across the two days. I felt the support from shooters across the country was amazing and provided a great atmosphere. A massive thank you should go out to all the scorers, kitchen staff and office staff who made it run as smoothly as it did."

...I knew that Simon Fenner had shot a 99. Having that on the board put additional pressure, knowing I'd have to shoot perfectly...

DTL & ALL ROUND NATIONAL INTER-COUNTIES

A round-up of the DTL and All Round Inter-Counties held in September.

THE DTL NATIONAL INTER-COUNTIES

The DTL National Inter-Counties was held on 29 September at Northampton Shooting Ground. It was a great finish to the season for top shots who had taken other major championship titles earlier this year.

Nigel Chapman, who took the Dougall Memorial High Gun in June, won High Gun with a nearly-perfect 100/299. Emma Holden took Ladies High Gun with 98/289, rounding off a season that saw her sweep the Ladies titles at the DTL Home International, British Open DTL, and the European DTL across three consecutive days.

Connor Harris (99/287) took the Juniors title for the third year in a row, and capped off a year that saw him win Overall High Gun at the English Open Single Barrel, and Junior High Gun at the DTL Home International, the British Open

“...Connor Harris (99/287) took the Juniors title for the third year in a row...”

Single Barrel, and British Open Double Rise. Colt High Gun Lizzie Williams also had an outstanding year, winning C Class at the Eley Sponsored DTL and placing as a Colt at the Dougall Memorial, Eley Sponsored DTL, and British Open DTL.

Yorkshire just beat rival county Lancashire in the Seniors event by 29 points, while also taking the Ladies title.

As CPSA Chairman and East Midlands Director John Martin said, “It’s a National Inter-Counties DTL, but it feels more like a DTL convention – lots of familiar faces, it feels more like a community.”

THE NATIONAL INTER-COUNTIES ALL ROUND

The National Inter-Counties All Round was hosted by Northampton Shooting Ground on 25 September. Joakim Smith successfully defended his High Gun title for the third year running, shooting 95 to tie with Andrew Stephenson but winning the tie break. Suffolk took the team title over Northamptonshire by a mere seven points.

ISSF EUROPEAN CHAMPIONSHIPS

Aaron Heading came up trumps, winning GBR's only quota at this event, winning silver in Trap Men, covered last issue in Clubhouse News.

The European Championships, held at the Lonato Shooting Ground in Italy, was the last chance for the GBR athletes to win quota places for next year's Rio Olympic Games. With GBR having one quota place already won by Kirsty Barr in Trap Women and Matt Coward-Holley in Trap Men the pressure was on.

Ben Llewellyn came very close to making the Skeet Men finals, losing out in a seven way shoot-off with 123ex125 for the last three places in the final. The real kicker was, four of the finalists were not eligible to win a quota, leaving the other two finalists with guaranteed quotas – yes, it is tough out there.

Michael Bovingdon just missed out on a medal, finishing fourth in the Trap Men Junior, while Jessica Hayward made the finals in the Trap Women Junior, finishing sixth.

FITASC HELICE WCH

The FITASC Helice World Cup and World Championships were held at Rome, Italy. Chris Potter and Dionne Rogers both commented how everyone was made to feel very welcome and they put on a great presentation ceremony to round off the event.

It was a tough competition of 12 hour days, with the start of the week presenting

thunderstorms, wind and heavy rain, but later in the week it was calmer with some sun, giving

good conditions for the 307 (32 from GBR) competitors from around a dozen countries.

Chris Potter, a member of FITASC Helice

Commission,

commented that he will

be reviewing possible ways of reducing time at the ground for the competitions.

YOUNG SHOTS

by Maddie Purser

HOW I STARTED

I first started shooting aged 10, when my dad would take me to the local shooting ground. I would shoot Sporting and watch him shoot Ball Trap. Guy Datoo, who ran the Ball Trap, convinced my dad to let me have a go – I hit my first target and have never looked back. I shot DTL and ABT locally for a couple years before heading to Nuthampsted to try Olympic Trap with Ed Barker. I quickly fell in love with the challenge of OT.

While shooting at Nuthampsted I met Commonwealth Games gold medal winner Anita North, who introduced me to the British Shooting Talent Pathway and other Team GB coaches. Following Anita's encouragement, I joined the Pathway and have spent the past three years going through the Regional and

Academy stages. In June of 2018 I claimed my first GBR cap at the ISSF Junior World Cup in Germany. I attended the event again this year, as well as representing my country at the 2019 Shotgun World Championships and the ESC European Championships in Lonato, Italy.

MY HIGHLIGHTS OF 2019

2019 has been an exceptional year for me. Shooting at the Tiro de Jarapalo in Spain, the O'Pinal in Portugal, the Worlds in Lonato and the ISSF Junior World Cup in Germany has seen me travel Europe to shoot. Combined with the competitions here in the UK, and taking my GCSE's at school you can see that I have had a very busy season. It has been a struggle at times, but I've loved every minute of it.

The English Open OT at Nuthampstead stands out as a real highlight. I shot 177ex200, which won me the Overall Ladies title, the Junior Ladies titles and the Colts. This was followed by a Junior Ladies UK Grand Prix win at Fauxdegla, shooting 187ex200 to take the Junior Ladies title at the British Grand Prix at East Yorkshire Shooting Ground in July. I believe I am the only Junior Lady to hold all three titles in one year.

The British Shooting Shotgun Series is always great fun. I medalled at every level of the series which led me to the Grand Final at Fauxdegla where I claimed the Junior Ladies Gold! I couldn't have asked for a better end to the 2019 season.

MY SUPPORT NETWORK

Sponsorship is hard-fought and hard won. I feel very lucky to have the support of Ling Shooting who help with my coaching, let me use their layouts in Somerset and cartridge incentives on my Cheddite cartridges. Ed Lyons, the Sports Vision Consultant, has been fantastic – you should never underestimate the importance of keeping your eyesight in check.

Paul and Diane at Plugzz have been extraordinarily generous in providing me with top-notch hearing protection. I also have support from LaPorte CPC, who provide me with free clays for practice use. Shooting can be an expensive hobby, particularly for young shots. Any small contribution from suppliers and sponsors is always gratefully received.

TOP TIPS

TIP 1 Find a coach that you click with, it makes it so much easier to train if it's fun.

TIP 2 Get your gun fitted and set up properly. Once this has been done, don't be tempted to fiddle with it.

TIP 3 Dedicate yourself to training and competitions. Don't put too much pressure on yourself, make sure you still enjoy your life outside of shooting.

TIP 4 It will go wrong sometimes, but don't let this put you off. You will come back stronger.

TIP 5 Treat everyone with respect, especially overseas, and you will make lots of new friends. Don't be afraid to ask other people about their shooting experiences – their stories could prove invaluable.

IN OUR KITBAGS

Clay shooting's power couple, **Richard and Tanya Faulds**, reveal the tools of their trade.

There is no doubt about it, Richard Faulds MBE is a living legend. With five Olympic appearances, including a gold medal at Sydney 2000, 22 World titles, seven European titles and 12 British and English Open titles to his name, he is easily one of the most successful shots competing today.

The other half of the Faulds duo, Tanya, has her fair share of accolades too – with ICTSF World Championships wins, countless medals at European and British Side-by-Side Championships and numerous Ladies titles at county championships.

With so many trophies and awards, the pair needed a place to store them all, where better than their very own shooting school – the fantastic Owl's Lodge in Hampshire. With top-level tuition and a wide variety of stands and layouts, the Lodge is the place to try to absorb some of that Faulds magic.

Clearly the Faulds have had very successful careers in the sport, but what tools have taken them to the top?

THE GUNS

There is no messing around when it comes to the primary tool of the trade for either Richard or Tanya, with both shooting custom Caesar Guerini competition shotguns with customised stocks.

"I have had my last few stocks fitted by the

craftsmen at Essevierre Valeriano E Rinaldo in Italy" says Richard. Situated in the foothills of the Italian Alps the Master Craftsmen at Essevierre perform the full service, measuring each client, hand carving and polishing solid blocks of wood to create stunning, perfectly fitting stocks to suit any shooter.

For Tanya, there has been a major event that has led to a change in her gun fit. "I had my daughter, Sofia, two and a half years ago," explains Tanya.

"Since then I have lost a lot of weight so have needed to have many alterations made to my stock to get the fit back to how I need it. Kristian at Midlands Gun Services has helped me out a lot in this regard. With his help, my gun is back to fitting and shooting the way I like – I couldn't be happier with his work."

"...I keep them on when I'm off the stand, I don't like to hear all the chit chat."

AMMO

When such effort and craftsmanship has been put into creating the ideal shotgun, one must match it with equally high quality ammunition.

"We have both used Lyalvale Express cartridges for as long as we can remember," explains Richard. "They have supported us both throughout our careers, and have been an excellent company to work with.

We mainly use their Supreme range, normally size 8, but we keep a few size 6.5 on hand, for the occasional extreme target."

EYE PROTECTION

We always stress the importance of eye and ear protection in *Pull!*, and for good reason – firing just one cartridge without adequate protection could lead to serious vision and hearing loss.

When it comes to eye protection, Richard and Tanya both opt for Pilla. "I use Pilla's Outlaw X6 with a variety of different coloured lenses," says Richard.

SIMON FINLAY

EAR PROTECTION

When you are shooting in a high-level competition, concentration is key, the last thing you need is a loud conversation throwing you off your game. "When it comes to hearing protection I use 3M's Peltor Sportac Electronic muffs," continues Richard, "but I keep them on when I'm off the stand, I don't like to hear all the chit chat. They also help to keep my hat on when it's windy."

"Personally I prefer Vario's passive ear plugs," says Tanya, "they're really comfortable and keep all the noise out. Jason, at Vario, also kindly provided me with a second pair that I use at night, they completely block out snoring, which comes in handy sometimes!"

"Normally I would use the light purple progressive 66N lens, but I also carry the much darker 22N lens for brighter conditions. When it is particularly dark, or if we are shooting under floodlights in America, I will switch over to a 94HC clear lens."

"I love the new Pilla Panther X7 range," says Tanya, "They're a much smaller lens, so they fit me far better than the Outlaw series. Most of the time I stick to the almost clear 94HC lens, but I also have a 50RHC lens for when the conditions are a little brighter."

CLOTHING

"I love my Castellani Skeet vest, however, if we are abroad and it's extremely hot, then I like to shoot in a polo shirt with a cartridge pouch to try to keep a bit cooler. I hate wearing a hat when I shoot, I much prefer it when people don't set targets under the sun," says Tanya.

"I have a Castellani Skeet vest, which is my favourite," continues Richard. "They're really smart and very comfortable to shoot in. During the winter I tend to shoot in a Schoffel gilet or fleece of some form. Schoffel's gilets are very well-designed for shooting, with no poppers or zips getting in the way, while still providing total freedom of movement, which is very important. I do wear a hat most of the time now. A friend of mine went to see Roger Federer play tennis so bought me one of his hats, so now I have a very lucky RF hat of my own!"

There we have it, everything clay shooting's power couple take with them for a day of clays. Now all we need to do is buy a customised Caesar Guerini, have it professionally fitted in Italy, load it up with some Lyalvale Express, pop on our Pillas and our Peltors, top it off with a Castellani Skeet vest and take over the world! That's how it works, right? 🍀

INVICTUS I SPORTING M-SPEC

GUN

REVIEW

We were highly-impressed with the Invictus V from Caesar Guerini that we tested last year – but how does it compare to the Invictus I Sporting M-SPEC?

CAESAR GUERINI INVICTUS I SPORTING M-SPEC

RRP: £4,200

caesargueriniuk.com

As with the Invictus V, the Invictus I benefits from the huge amount of research, design and development that Guerini invest in. With input from world-class shooter Richard Faulds MBE, this gun really is set apart from many of its competitors in the market.

Opening the branded ABS case gives you the first glimpse of a very special looking gun, the black action with delicate scroll engraving and Guerini logo in gold is both timeless and classic, and coupled with some exquisite walnut woodwork, it's a very attractive gun.

Shooting the Invictus is a real pleasure. The 5in DuoCon (long forcing cones) and Maxisbore systems have been developed to produce

better shot patterns, and also to reduce felt recoil. Normally, the Invictus I ships with fixed chokes as standard (3/4 and Full), but the test gun came with a set of Teague chokes. This combination resulted in some very satisfying breaks – even at long ranges. Guerini UK has begun to offer guns with Teague chokes as standard. If you'd prefer this option it's an additional £275 to the cost of the gun (for three chokes) – in our opinion it's definitely worth the investment.

At this level of gun you'd expect quality as standard, and this gun does not disappoint. The quality of the figuring in the wood was exceptional and the palm swell on the stock comfortable. The wood to metal fit was excellent and the oil finish on the stock was fantastic. The Anson-style push rod action on the fore-end is a pleasing feature.

MAKE	Caesar Guerini Invictus I Sporting MSPEC
GAUGE	12g
ACTION	Over & Under
CHAMBER	2 3/4in
BARREL LENGTH	32in
CHOKES	Fixed - 3/4 & Full (standard) or Teague m/c option at £275 (three chokes)
STOCK FINISH	Turkish Walnut
WEIGHT	8 lb 1oz

The 32in barrels handled long range targets with ease. We found it very well-balanced and incredibly easy to swing. Even close range targets were easy to deal with – a testament to the balance and pointability of this gun. Ventilated barrels and rib are standard, with the latter tapered from 10mm down to 6mm (at the muzzle), giving a lovely sighting plane when shooting. My only minor criticism of the gun was the rubber recoil pad, which seemed to snag a little on my shooting vest a

couple of times during the test.

Guerini guns come with a ten-year guarantee as standard, to give you peace of mind when buying. Aside from that – it's a beautiful and thoroughly enjoyable gun to shoot, offering you years of service at a competitive price.

A CLEAN BILL OF HEALTH

As demands for medical checks on certificate holders increase, Honorary Solicitor **Laura Saunbury** offers some practical tips on how to navigate your way through this process.

Over the past 12 months gun owners have seen a gradual shift from the police making routine medical checks with their GP, to placing the burden on the individual to obtain a full medical report. However, despite the best efforts of the CPSA and other national shooting organisations to resist its implementation as a blanket measure in all cases, I fear this requirement is here to stay.

Currently, nine out of the 43 police forces in England and Wales require every applicant to obtain a 'medical verification report' from their GP before they will even begin to consider any application for the grant or renewal of a shotgun/firearm certificate. Indeed, the Home Office recently concluded a consultation exercise on draft statutory guidance to the police which would make it a requirement for all police forces to adopt this approach. I therefore cannot offer any reassurance that this intractable problem is going to go away. The purpose of this article is rather to suggest some practical tips which might assist members in overcoming this hurdle to renewal.

The biggest issues are of course the huge variation in fees charged by doctors (anything from £30 up to £350), plus those GPs or whole surgeries which refuse to co-operate in the process on the grounds of conscientious objection to the private ownership of firearms. Some steps you might wish to consider in tackling these problems include:

- Don't wait until your renewal to broach the subject with your GP. The earlier you raise it the more time this will give

you to discover the options.

- Try to always see the same doctor at the surgery. This should help them to get to know you better, which may alleviate their reservations about providing a report in connection with your ownership of guns.
- If your GP asserts conscientious objection, politely ask him to explain the rationale for this. Your doctor's response may demonstrate common misconceptions about shooting, which

you can then correct. For example, if his aversion is to the hunting of wild animals, tell him if in fact your interest lies purely in shooting at artificial targets.

- Point out the benefits of shooting for your mental and physical wellbeing. Like any other sport, it involves exercise, fresh air, social interaction, and the motivation of aiming for personal or team goals.
- Your doctor may be concerned he could potentially be held responsible for the decision to grant you a certificate. If so, emphasise that his role

is limited to providing factual medical information from your records. The police should not be asking your doctor to express an opinion on whether it is medically safe for you to have possession of firearms. That decision lies solely with the police.

- Explore to what extent it's possible to find another GP practice to register with locally. You may not want to change GP and shouldn't have to. However, making enquiries may enable you to demonstrate to your own GP practice and the police that you have been put in a very unfair position as all other local

GP surgeries are either not taking on new patients or similarly are citing conscientious objection as a basis to not participate in the process. If necessary, remind the police that the Home Office guidance expressly states 'certificate holders should not be disadvantaged by a GP's refusal to provide medical information'.

- If your medical history is relatively straightforward, then a fee of anything up to £60 from your GP surgery is probably reasonable. Ask for a written explanation of fees in excess of that level.
- Always request a copy of the report submitted to the police so you can satisfy yourself it is accurate. If the surgery is reluctant to supply it, point out you can make a subject access request which will require them to disclose all of your medical records.
- If there is continued refusal from your GP to supply a report for this purpose, and the police will not progress your application without it, consider approaching MedCert (medcert.co.uk, as featured in last month's issue) to obtain and review your medical records. This is a very new service in its infancy, and it remains to be seen to what extent police forces will accept reports from a doctor other than the applicant's own GP.

SHARE YOUR EXPERIENCE...

The CPSA continues to engage with the Home Office and doctors governing bodies via the British Shooting Sports Council (BSSC) to try to secure clearer and fairer guidance which will simplify the process for certificate holders and also bring greater consistency, both in terms of the information to be required from doctors, and the appropriate fees for them to charge. The CPSA therefore welcomes member feedback on your experiences to help inform the ongoing debate.

Yorkshire Single Barrel

Yorkshire Single Barrel was won by Ian Biggins, after a shoot-off with John Adamson on 4 August. Lancs Single Barrel was won by John Cole. **Phil Thompson**

15 Sept: The North Region All Round, North of England Clay Target Centre

Conditions were perfect, target standard was high and the level of competition was strong. Dave Carrie took Overall High Gun and Veterans titles with 98ex100.

The Ladies title was won by Rebecca Brown on 83ex100. The Junior title was won by Charlie Harker-Nunns with 88ex100. Finally, the Colts title was won by Corey Doble with a score of 82ex100. Thank you to all who took part.

Alongside this event was a Junior/Colts day put forward by Phil at NOECTC and the North Region Committee, which granted all North

Region CPSA Junior and Colt members a free targets-only entry to the event. This was done with the hope to try and encourage the youth in the sport. There were 12 Juniors and Colts attending the competition, which was very nice to see. **Tom Brown**

The British Open, High Lodge

Alongside the main event of English Sporting was the Sportrap. The standard of targets was top notch, competitors were not fooled by range, but by angles and speeds. You had to dig in to put on a high score which brought out the best in the competitors. Overall High Gun across the week was taken by Sam Green, with a fantastic score of 95. A few honourable mentions from shooters from the North Region were as follows: Lady Junior gold went to Stephanie Meachen and Mark Delf took gold in Disabled Standing.

Thank you to everyone that made the long trip down to the event. **Tom Brown**

10-11 Aug: North Region Sportrap Championship, Oak Lodge

The targets across the five well-presented layouts were to a high standard. All the targets were there to be hit, but the weather made things a little more tricky. The score to beat after the first day was an impressive 116ex125. On Sunday, the weather conditions

were still poor, but three competitors put on a monster score off 119ex125. Paul Foster was the first, leading all day until the last two squads came in, the second was David Blackburn and finally Tom Brown. This led to a three-way shoot-off which was very intense. Tom Brown was eventually crowned North Region Champion after shooting 19ex25. David Blackburn was second with 18ex25, and Paul Foster was third with 17ex25. The Veterans title was won by Glenn Hunt. Ladies Champion was Emma Lowrison. The Junior title was won by Charlie Harker-Nunns. And finally, Colts was won by Sam Pooley. Thank you to all that came to support the event. **Tom Brown**

8 Sept: War of the Roses, North of England Clay Target Centre

Seventy shooters took part, Yorkshire having won the last three shoots. Their domination continued, with a stunning display of DTL shooting. The ten man Yorkshire team scored an incredible 999ex2,973 out of 1,000ex3,000 so only one target and 27 points from a perfect score. The Lancashire score was 2,927 a mere 50 points behind.

The Yorkshire team was J Adams, A Wragg, M Smith, L Powell, G Duffy, P Frankland, N Chapman, M Clark, A Parish and M Beedan.

High Gun was J Adams after a tense shoot-off with A Wragg. Lancashire High Gun was P Turner. Thanks to Phil and Judith at NOE and S Dowle for making the winners caps, and, of course, everyone who came and donated raffle prizes. Next year's Lancashire home shoot will be at Holmes Chapel. **John Titterington**

22 Sep: Merseyside County English Sporting championship at Cotton Hall

With dismal weather forecast for the day the turn out was a little lower than expected, although the worst of the weather held off until mid afternoon. Sadly unlike last year, no Juniors, Colt or Ladies attended.

Cotton Hall, a matter of minutes from Merseyside, was superbly turned out as always. A steady course with some allowance for the weather was on offer which demanded some respect else the dreaded ones and twos where out to ruin a good card. Ian Edwards put in a credible 89 in the late afternoon to take this years champion title, Chris Ellis was the winner in Vet's.

28 Jul: West Midlands Inter-Counties DTL at Fauxdegla

Five squads were booked in, Seniors Gold, Seniors Red, Vets, Ladies and Juniors. New

Cheshire Skeet Champions.

Inter-Counties Seniors Bronze.

Caps shooting this year were N Booth, E Percival, T Warburton, J Tennison, E Hardy, and C M Harris. Congratulations to you all. The Juniors had to shoot-off with Hereford and Worcester after a 569 point tie, unfortunately we were runners up by one point. Seniors were runners up to H&W and also Veterans. 3 Aug: Ladies Clay Shooting League, Mickley Hall Shooting School

The 75-target course set by Scott Barnett had a great mix of targets to suit everyone from all classes. A great turnout saw six squads take on the course. We would like to thank all the coaches for their time, Paul Ellis, Miles Machin and Steve Randles. Julia Payne was first to hit the 60s scores with a 63 – only to be overtaken by Victoria Galimore on 65, then Chiara King shot a 69 to take the High Gun and the top prize of a weekend use of a Mitsubishi, donated by Grenson Motor Company. Chiara also picked up a voucher from our main sponsor On The Peg Clothing, well done to her.

22 Sep: West Midlands Inter-Counties ESP, Garlands SG

The event was both run and set up by Steve Lovatt of the Clay Shooting Company over 13 stands, the targets were well thought out. The early starters benefitted from the dry conditions, but those that chose to start later suffered rain clouds, darkened sky and torrential downpours. We saw some amazing scores from members of all the counties in attendance with over 300 entries on the day. Cheshire overall High Gun was Brett Davies with a fantastic score of 93. The Junior team comprising of Fred Whitehurst (88) Eddie Morris (75) James Barnett (74) took

H&W DTL Championships

Nineteen county members took part alongside the Gamebore DTL open competition at Mid Wales, with Paul Cerri (99ex295) just pipping Dan Price into second place to take the H&W Senior championship shield, well done Paul. Dan was also Runner-up in the Gamebore competition. It was nice to see Charlie Morris (91ex258) take the H&W Colts trophy, as he has only been shooting for six months. Tom Burns did extremely well over the weekend taking firsts in the Juniors, A class Gamebore Competition and first in H&W Championships, well done Tom. Danielle Brown took the Ladies trophy (92ex262) with Karen Vaughan second, well done to you both. Our Veteran Rob Haines also had a successful weekend, taking first in the H&W championships, first in the Gamebore competition and second in AA. Although Dan had to be content with two second places over the weekend he had the satisfaction of doing a 100ex300 on the Sunday. Well done to all of the shooters who took part of which I know enjoyed themselves.

The weather could only be described as monsoon weather, but even so some great scores were achieved. H&W Seniors took team silver and congratulations to the Ladies, also winning team silver. Phil Smith was High Gun for H&W on an excellent 92, which put him in the shoot-off among some other very talented shots from each county. Unfortunately, after some very testing targets it wasn't quite Phil's day, even so fantastic shooting. A mention for three new county caps this year, Harry Pugh and Alfie Mann, both Juniors, and George Thomas shooting 87 in the Seniors. A huge thank you to everyone that took part and very well shot to all of you. Thanks finally to Steve Lovatt for another great shoot, if somewhat a bit soggy. **Matt Pugh**

For more please see British Shooting www.britishshooting.org.uk.

Congratulations to Arran Eccleston on winning the bronze medal after a closely fought OSK Junior Men's Final. Arran has had a good year of solid performances and is still improving! A few highlights are: representing England's winning Senior team in the Home International for a second time. Representing GB Juniors at a World Cup in Germany for a second time. European Championships in Lonato: 22nd in Juniors, with a solid 115ex125. Shooting a personal best of 118ex125, one of the highest for a GB Junior during 2019. Shropshire County Champion and West Midlands overall Runner-up.

I didn't shoot to the standard I expect of myself, but did enough to get hold of the British Open Sportrap and Sporting Disabled Sitting titles. Phenomenal shooting from the finalist in all the categories, congratulations and thank you High Lodge for some great sport.

I didn't shoot as well as I had hoped today, but I still shot a 66ex100, after pulling it back on the second line. I came second in C Class and first in Ladies, meaning that I am now the British Open Double Rise Ladies champion for 2019! I am extremely proud to have won the Ladies title for both the English and British Open. Congratulations to all the other winners, and to everyone who competed. Thank you to everyone at Nottingham for yet another great shoot. Thank you also to my sponsors for their continued support!

We have been very busy with changes to the committee and shoots these last months.

Thanks to all Cambs shooters for having patience with us all with the transition but they are coming together well. We have had a few good results from the Inter-Counties and even if we didn't win we were not far behind, so good shooting by all that attended the shoots. I hope all enjoyed it anyway. We had the DR on 18 August, the Overall Champion was P Barnard, just pipping T Jones by one clay to win. The other winners were – Vets, T Jones, Ladies, A Smith, Colts, E Lord. The Single-Barrel was on 15 September – Champion P Barnard, Vets, R Croft, Juniors, S Hall. We had a result in the Inter-Counties at Eriswell. A very well organised shoot and the Vets took the day on the day. The FITASC at Highwaymans was also a good result for Cambs, taking the Seniors and Vets. We had the All Round Nationals at Northampton, bad weather was to play a large part in the scores for this, and the better scores were to come from the later squads. We still have a few to compete in, the ZZ Helice on the 24 November and also the Nationals all the way through October – results will follow.

John Wells, L&R Sporting Champs at Grange Farm receiving the Champions trophy from Adam Curtis.

Olly O'John L&R Sporting Champs at Grange Farm receiving Colts High Gun.

The winning Junior team in the National Inter-Counties DTL final at Northampton SG. L-R Connor Harris (also Junior High Gun) Amy Williams, (also Colts High Gun) and with a lot of help from Sam Malling.

Hello, another month disappeared over the horizon, so here we go again.

The Counties Sporting Championship – a great layout was devised by the team at Grange and resulted in a very good entry. High Gun of the day was Darren Elliott with 94ex100, the Vets was won by John Wells on 90, Evie Figlioni shot 64 to win the Ladies and Sam Houghton became the Junior Champion scoring 90ex100. Also, a big well done to the Colt shooter Olly O'John who completed his first registered shoot, winning the Colts trophy. Well done to you all and thanks to team Grange, Adam and the course setters.

The Double Trap at Normanton – yet another great day and a very good entry. The winner and 2019 Junior and Overall Champion is Connor Harris, shot 49ex50, brilliant! The Runner-up was Adam Curtis (of Grange Farm fame), with 43, close by was Mike Brookes on 41, the Veteran Champion. John Grice and Peter Boden tied, shooting 39 each. Alex Harris was senior Runner-up, shooting 37, and D Garner was third place Senior with 36. Well done to all of the shooters who attempted this rather sticky discipline. Thanks Mick and your team for a great event.

The 2019 Sportrap Champs at Kegworth – yet another good entry at Kegworth and four good layouts for the boys and girls to tackle. So, the top of the shop and Senior Champion was Lee Whiting with 96ex100 and Veterans Champion was Steve Brightwell, clearing 82ex100. This game was a bit tricky to get the right balance for all shooters but you seemed to do it ok! Well done and thanks to you and your team.

At the East Midlands Sporting final, hosted by Sporting Targets, the Veterans team of Steve B, John Wells, David Heath and S Dyson were the winners. The Juniors were represented by Sam Houghton, H Minky and Olly O'John and gave everyone a good run for their money. Finally the FITASC World Sporting Championships at Churchills SG gave the L&R something to shout about, the Veterans World Champion winner is our own Steve Brightwell. The GB team were team Champions and who was in the team? Steve B and John Wells, another one of our boys, they were helped by

Barry Green. I'm not sure where he hails from but well done to you all, World Champions, who would of imagined that!

Thanks to all of the clubs that have hosted our events and a special thanks to our shooters who have competed for the counties. Shoot straight and keep your Christmas pudding dry.

25 Aug: East Midlands Inter-County AR Championship, Eriswell

Despite a very hot day, our Ladies All-Round team coped brilliantly to come out on top, led by a delighted Janet Stennett who scored top for the trio on 79. Equally delighted was Saira Boardman on 74 and first time Inter-Counties winner Georgina Barratt on 78.

26 Aug: Derek Olivant Memorial ABT shoot, Nottingham and District GC

Derek would have been pleased to see many of his old friends competing for the trophy donated by his widow, Lynne. Richard Gray set the pace carding 94. This was surpassed by John Winn and Dick Fletton with 97. It was a pleasure to watch a shoot-off between these two. John dropped one target early, but cleared the rest. Dick finished with another perfect 25 to take the trophy.

8 Sep: East Mids IC Sporting, Sporting Targets

After many years of domination by Cambridgeshire, Northants, Norfolk and Suffolk, this could be their first ever victory. Our records stretch back 20 years in our almost 50 year history, and they certainly haven't won since then. Massive congratulations to Kallum Burrell 84, Alex Horton 84, Jack Page 70 and Callum Burgess 59 for such a sterling effort.

16 Sep: County Skeet Doubles Priory Clay Target Centre

Doug Moore makes it four on the trot, as he adds the County Skeet Doubles title to his trophy cabinet. Doug and Richard Bird both carded 97, so a shoot-off was required to settle this year's championship. After four alternating pairs on station four Doug took the title by one clay.

22 Sep: County Helice, Rugby

Junior Alex Horton coped well with the weather and takes 2019 County Champion by just one target, shooting Helice for his first time, also taking the Junior title too. Jackie Houghton secured the Ladies title by one target from Caroline Hawkins, with Marvin

Houghton taking Veterans and Richard Gray adding another title of Super Veteran.

22 Sep: National Inter-Counties All Round, Northampton GC

The Ladies team with Saira Boardman, Georgina Barrett and Janet Stennett continued with their recent great form and took top slot on the Ladies team event. Not to be outdone, the Veterans with John Winn, Norman Smith and Ian Spooner took the first spot with some great performances. None more so than John Winn with 93, which also put John as top Veteran.

Well done George Cheer on a fantastic silver at the World Compak Championships in Hungary. George and fellow team mates fought hard for a well-earned silver for team GB. George was pleased with his performance, shooting 182ex200, considering he hasn't been at his usual standards recently.

Aaron Heading has qualified for Tokyo 2020 after winning the Trap silver at the European Championships. At the event in Lonato, Italy, Aaron, who won silver in the 2018 Commonwealth Games, finished with a score of 44 to claim second place.

Aaron said after the event, "I'm absolutely over the moon to win a quota place for my country. I've been so close but to finally do it and give something back for my country. It really does mean the world."

Jackie Houghton represented England at the Home International ABT Championship in Ayrshire. The highlight came in the British Open on the Sunday, which saw Jackie collecting two silver individual medals for Ladies and D class. She is already looking forward to trying it all again next year!

Well it's almost the end of another full year of shooting. It's surprising how quickly the write up for the November/December edition comes round.

Firstly, a thank you to all those shooters, team captains and committee who have submitted write-up for the *Pull!* magazine. Without your input we wouldn't be able to share Norfolk's successes and rising stars.

To all Norfolk shooters please continue to send in your achievements to keithbarter@mxgb.com and we will endeavour to ensure they are put in to the next edition. Please note that this may not be the next month as there deadlines for which reports are submitted and these are normally a month in advance of the edition, for example I'm writing this in September for November/December.

Well done to all of Norfolk's shooters who have been selected for England this year, as a county we are proud of you and wish you every success in the 2020 selections.

For one Norfolk Junior shooter this year has had highs and lows, but some fantastic opportunities. Elise Dixon has had the privilege of representing Great Britain for Olympic Trap at the Junior World Cup, England at the Home Internationals and, after a very wet and windy weekend, secured the Junior Lady bronze at British Shootings Grand Final.

As the season comes to an end, shooters will be taking a different approach to the winter. Whatever you are doing, be it training, competing in the different Winter Series on offer or taking a well-earned break and some time with family, we look forward to seeing what 2020 holds for Norfolk.

24 Aug: Northants Double Rise Competition

This, the penultimate competition of the year, was shot on what was to prove the second hottest day of the month, with temperatures of 30°C in the shade! It must have been like an oven out there on the range with the sun beating down and the barrels getting hot from shooting. It was certainly a day that confirmed Kipling's observation that only 'mad dogs and Englishmen go out in the noonday sun'. A hearty congratulations to all those who took part. The Senior winner was Jo Smith with 86ex100. Alex Banning took the Colt title with a lovely 79 and Bruce Bulmer won the Veteran title.

7 Sep: Northants Sportrap Competition

This competition was held at our good friends Sporting Targets and shot on the first day of the East Midlands Regional Inter-Counties Sporting competition. The two competitions attracted a large field from all over the region making quite an atmosphere. It also gave county shooters a chance to shoot both disciplines on the same day. Henry Collins now shooting in the Senior category took the title with 92ex100, just one clay in front of Matthew Sheppard. Louise Smith shot a lovely 85 to take the Ladies title with Laurie Cookson winning the Veteran title.

7-8 Sep: East Midlands Inter-Counties Sporting at Sporting Targets

Team manager Isabel Russell put together a team for this, and shooting over the two days proved successful for her fellow Ladies on the team. They were again Runner-up in their category with 149, just two clays behind the Bedfordshire Ladies team.

25 Aug: East Midlands Inter-Counties All Round at Eriswell Lodge

Team manager Simon Vogel put together the team for this competition. The Ladies team proved to be more successful coming equal second behind Lincolnshire.

At the time of writing there is only the East Midlands Inter-Counties ABT to happen at Nottingham, but sadly team manager Laurie Cookson is suggesting that it is unlikely that a team will go to this event. I don't know if we will be given the wooden spoon this year, but it is looking highly likely. Please see the East Midlands website for the current update for the Director's Trophy sites.cpsa.co.uk/east-midlands/directors-trophy-2019.

New caps this year are Geoff Catlin Helen Wootton, Karl Burnage, Penny Spademan, Joe Wade. Thanks to all county shooters on the teams.

The County AGM will be held at Nottingham GC on Monday 4 November. The meeting will begin at 7.30pm with the presentation to the Supreme Champions and a buffet afterwards. All current Notts CPSA members are welcome.

18 Aug: Nottingham & District GC, County Double Rise

The conditions were challenging with changeable light and gusty winds. Tony Clark was the man who got the measure of it though, scoring an unassailable total of 88. Russ Hufton was the next placed Notts shooter

with 85, which came with the consolation of the B class title. Kevin Warner won AA with 83 and Darren Watkinson claimed A Class with 80. Thanks to Carl and the team for a well run event.

7 Sep: Nottinghamshire Olympic Trap, Nuthampstead

Notts Junior Oliver Sampson retained his County High Gun and Junior titles with a superb 86. A personal best and a massive improvement from the same event the previous year. Thanks to the team at Nuthampstead.

8 Sep: Nottinghamshire Handicap By Distance, Nottingham & District GC

Notts Junior Oliver Sampson shot on the first squad, and set the target score of 95ex279. Andy Cain shot 96ex278 and Rob Denoon shot 95ex278. Both came close, but Oliver's score turned out to be the winning one, earning him his second County High Gun and Junior High Gun of the weekend. Andy won the B class title by default as Rob had left the ground. Gordon Hodgkinson claimed the Veteran High Gun with 90ex269, Russ Hufton collected the AA Class with 91ex258 and Tony Clark rounded of the prizes winning A Class with 93ex295. Thanks again to Carl and the team at Nottingham.

15 Sep: The County ABT Championship, Nottingham GC

The targets were looking good and the weather was for the most part very kind. Rob Denoon set the early target of 94 but shortly afterwards, both Darren Watkinson and Mick Feather went head-to-head. Darren shooting his first and last rounds straight and Mick putting a lovely 50-straight. The pair both finished with 95, which was to be the highest score from our county shooters, so a shoot-off was required to settle the title. Darren managed 24 to Mick's 18 which gave Darren the High Gun. Mick took Veteran's High Gun. Karen Donnelly won Ladies High Gun with a tidy 70. Oliver Sampson won Junior High

Gun scoring 89, and Matt Hall rounded of the categories by winning the Colts with 86. In the classes, Rob Denoon won A with his 94, Peter Armitt won B class on 83, Adrian Snell collected C class with 91 and Elvin Lawson took D class on 85. Thanks to Carl and the team for a well-run and enjoyable event, and also to Granville Hodgkinson, ABT team Manager, for organising the teams.

ROGER COX

The Avon FITASC Championship took place at Meadowcroft SG on 1 September. The event was held in excellent weather conditions with clear sky and low wind, so no excuses about the targets. Set over four layouts by

Dean Horswell presented with two Avon Champions Trophies for Avon FITASC and Avon All Round by Dave Woolcott.

Dave Woolcott, the ground owner, shooters were complimentary about the target quality. With a good turnout, the Avon Championship chase was on until the final layout with several contenders via for top spot. Eventually, Dean Horswell took another Avon title on a 92ex100, a great score on the day. He was closely followed home by Joe Hemmings on a credible 89ex100. Dave Clifford pushed all the way, but ended up in third place with a 87ex100.

The Avon Double Rise Championship was held in conjunction with Devon on 14 September at Axminster GC. With a low turn out for both counties and in testing conditions on the day, Pete Bugler once again secured the Avon title to repeat last year's performance. Well done Pete on another successful defence.

There has been a proposal for Avon Sporting Challenge event to be held, similar in format to events held by other counties. Held over several shoots of three or four events and would secure funding for a good prize for the highest aggregate scores. How to appreciate the lower ranked shooters into this type of event would need to be included. Ideas and inputs for the final format would be appreciated before any decisions are made to proceed. Please contact or talk to Dave Woolcott at Meadowbank SG or on our

email address at the bottom of this report. Another suggestion is for the Avon Sparrow Championship to be resurrected. This was usually held over a 50-target format of two rounds shooting DTL with mini clays. If enough interest is shown, then we may consider it for next year as a non-registered event.

Any further breaking news from anyone please contacts us on email below for inclusion next time.

The Avon website is hosted on the main CPSA website and can be accessed via the County tab. Also there is a new email address of rogercox47@gmail.com for contact in the future.

Well, almost at the end of our shooting season with just two county championships to go. The first is a rearranged FITASC which will now take place on 9 October. Too late for this article, but the result will be published on the Dorset Facebook page and website in due course. The absolute final event will be the SB at Brook Bank on Sunday 10 November and not as previously stated the 11 November.

The latest result to publish is from the Sportrap held at Pilford on Saturday, 28 September. High Gun went to a Hampshire shooter, John Saunders, with 69ex75, who we congratulate. However, our New Dorset Champion is our one and only Richard King, with 68ex75. Top Vet was Terry Boyle, 65ex75. Unfortunately no Ladies or Juniors took part.

Talking of Juniors, please remember and note that any Dorset CPSA Registered Junior that takes part in the SB on 10 November will only have to pay half the entry fee, plus the £2 County levy. Dorset Juniors only are being sponsored for this one-off event by a private sponsor.

Forthcoming dates

25 Aug: Hampshire Single Barrel, Fareham CTC

The event had a good turn out considering. Mark Bryant secured the Hampshire Championship title with Malcolm Allen close on his tail, Malcolm did however secured the Vet's title, the Ladies title went to Jane King.

Jerry Wilson cup

A close dual by Dave Lucas and Chris Bloxham which finalised on the last stand, both shooting on the same squad, and both with the best scores of the day. Chris needed to straight this last stand to win by one target. A good combination of quatering over head and a distant dropping left to right target. It was a couple of the dropping targets that caught Chris out finishing just one under, so close. Dave Lucas is also handy with a side-by-side too, winning the first SS at Owls Lodge. Ok it's not an official discipline, nor does it carry any points towards the Supreme Championship, but a good competition for the Hampshire SS owners.

Mark Bryant 2019 SB champ 94/100.

FITASC team have only gone and done it!

Yep, this must be an unbelievable CPSA shoot record, Hampshire FITASC team have won the Inter-Counties championships yet again...11 years on the trot. Yes, 11 years of unbroken wins is a staggering achievement in this discipline. Led by Richard Faulds, the team came in with a 44-target lead over their nearest rival county. Barbury Shooting School, near Swindon, was the host ground setting up some tough FITASC target courses.

Richard picked up the South West Champion title with a 95ex100. Des Sturgess won the South West Vets title once again, and the Hampshire Ladies won the South West Champions title. Well done to you all, simply amazing.

Neil Lockton crowned Premier League Champions

Individually, the top three spots were hotly contested between Owls Lodge shooter, Neil Lockton, Southdown's Chris Childerhouse and Highwayman's Joe Norman – with Neil emerging victorious as High Gun with a best five total of 483ex500, just five clays ahead of Chris on 478ex500 who was only one clay ahead of Joe on 477ex500, with his A class handicap applied.

Doug Summerbee Memorial Shoot

Fareham CTC was the setting for their past presidents Memorial Skeet Shoot. Doug led the England team to victory on many occasions and made his home club FCTC. A gentleman in every way, even at a grand old age of 80-plus he returned scores of 99ex100 and even a 100ex100. He is sadly missed and that is why so many turned out for this event. Richard King returned a solid 95ex100 and received the 2019 Doug Summerbee cup.

Supreme Championship League

Andy Head was originally leading and looking like he would not be caught up, but Ron King and Roger Deacon had other ideas. Ron kicked in on the Sportrap and the All Round

Neil Lockton on the number one spot.

Roger is now on 42 points to Ron's 38, there is only the Skeet Doubles on the 24 November left. We can't announce a winner yet, as Ron could just do it, will they both enter the final discipline of the year?

The Somerset Championships are now over and done with, and the SW Championships and Inter-County events are well underway. There are a few more to go, before we finish this year, but from the results it looks like Cornwall or Devon may come out as the Champion County for 2019.

For Somerset in the South West Championships, Wesley Hann won the Senior and Veteran OTR titles and Ellie Seward won the Ladies OTR title. In the SW English Sporting Championship, Emma Stacey won the Ladies title. Congratulations to all and keep our fingers crossed for a few more to follow!

And now onto the matter of the 2019 Somerset AGM. The AGM will be held at the Pipers Inn, Ashcott, TA7 9QL at 7:30pm on Monday 3 February. As always, all Somerset shooters are welcome to come along and we ask that all the County Champions attend for the presentation of trophies. It will be a great opportunity to feedback to the Committee and let us know your opinions

and suggestions, as they are all valued.

22 Sep: Essex team Runners-up in SE Skeet Tournament

A slightly damp day at Bisley. Sadly, Essex had a bad start, as Alex Garcia's gun broke the day before, so he had to use an ill-fitting gun. Our Senior team totalled 482 for second place behind Oxford on 488. Scores – Glen Defreitas 99, Dave Hendon 97, Nigel Cullinane 97, Alex Garcia 95, and David Billington 94. Glen Defreitas won A class and came second overall after a four way shoot-off. Harry Willis won Juniors with 92. Our Lady Katie Durrant was Runner-up on 90 after a shoot-off. Well done to all squad members for their efforts. We now look forward to the National Inter-County Championship at Dartford Gun Club.

Essex Sporting Championship

Congratulations to Chris Orrin for winning the Essex Sporting Championship at Hepworth Hall with a fantastic score of 114ex120. Stuart Clarke shot a 115ex120 to win the Ambassador Promatic auto challenge and the Vets title. Nadine Gilder shot a 93ex120 to win the Essex Ladies. Juniors winner was Harry Willis and the Colt was Tom McCluskey.

7 Sep: Essex Skeet Doubles Championship, Clacton Gun Club

It was a mild, late summer for the counties 2019 Skeet Doubles Championship. Unfortunately, the entries were down, hit by a clash with a 400-target Iron Man Skeet competition on the same day. Dave Billington shot 93 to take the Overall title. Katie Durrant's 84 was enough to win her the Ladies trophy, with Gary Bridger winning the Vets and George Billington taking the Colts title.

7 Sep: Essex Olympic Trap Championship, Nuthampstead Shooting Ground

It was a cool breezy day with occasional bright spells, but thankfully no rain. However, the changing breeze made for some interesting and challenging targets. The Champion was David Izzard with a score of 87, the Veterans trophy went to Chris Wright on 85, the Ladies Champion was Emma Ralph with 82 and the Junior trophy was taken by Callum Thompson

South East DTL Championship

A beautiful day and a good turn out for the South East DTL Championship at Mayland and District Gun Club saw some great scores across all categories, as expected in such great conditions. After five hours of competition, Charlie Madden was crowned Colt Champion with a fantastic 99ex194, Jordan Steward won Juniors, Karen Allen was Ladies Champion, Bill Logan (snr) won Veterans and Toby Bean blew the competition away with his first-ever 100ex300 - very deservedly giving him the Overall Champion title and High Gun.

It was a great day, enjoyed by all and ran like clockwork thanks to the management, admin and referee team at Mayland Gun Club. Worth a mention is Mitch Hill who in C Class shot his first 100-straight and scored a very impressive 295.

OXFORDSHIRE

HELEN NICHOLSON

helencn1972@gmail.com

I will begin with the Counties ABT Championship which was kindly hosted by Rugby & District Trap Club in mid-August. The event saw a very healthy number of shooters enter, 47 in total. Oxfordshire's Henry Mitchell won the title with a score of 90ex100. Second in the county was Matt Hance (we think he must have got lost on his way to a FITASC shoot) with a score of 86ex100 and third went to Tony Robbins, who finished with a very respectable score of 84ex100. Well done to you all, and thank you to all Oxfordshire shooters for attending and showing their support.

Oxfordshire Shooting School

The Oxfordshire Shooting School has started to run a 100-Registered shoot alongside their original 50 ESP each month. It's certainly worth checking this out if you ever find yourself off on a Wednesday. You will find all of their fixtures on their Facebook page. Their mid-August shoot saw Oxfordshire's Tim Thornett once again excelled himself by shooting a 90ex100 to win High Gun. Fred Townsend was second. The next score was quite a number of clays below, but nevertheless shot very well, well done Tony Robbins, 79ex100. Congratulations to you all.

Westfield Shooting Ground

131 shooters enjoyed the hot sunny weather at Westfield's shoot which took place 15 September. Well done to Julian Freeman who shot an outstanding 98ex100. Well done must also go to Oxfordshire's Jonathan Plant for shooting a fantastic score of 91ex100, winning B Class.

Four Counties Shooting Ground

Four Counties saw 107 entries on the 15 September. It was a pretty tricky and technical shoot. Oxfordshire saw a number of excellent results. Starting from the top, Julian Freeman shot 93ex100 winning High Gun, third in AAA was John Smith with 86ex100. Moving onto the winner of A Class, Lee Thornett shot extremely well and finished on an impressive 87ex100, second A Class was Graham Ferguson 85ex100. B Class saw Robert Honour take the honours with a magnificent score of 80ex100 and third in B Class went to Martin Tipper with a 74ex100.

We continue with the counties success in C Class with Luke Godfrey and Robin Farmer both finishing on 70ex100, leaving them second place. A huge well done to all the counties shooters who braved the heat to take part.

Please check the latest scores and who has qualified for the final of the Challenge Trophy on our Facebook page which takes place at Northampton Shooting Ground 24 November.

Thank you to all those who have supported me with details of their achievements this year, please email me photos and details of your proud moments.

Strangely that leaves me to say Happy Christmas to you all, and a very prosperous New Year!

18 Aug: DTL Championship – Bisley Gun Club

A fantastic show of 22 people for the Surrey DTL County Championship. Peter Wilcox won the Surrey title this year with a great 99ex294, only one point behind the winner of the overall event. The Ladies competition was close with Victoria Castle ending on 280, one point ahead was Karen Allen and taking the Ladies title was Jo Watson-Hopkinson with 97ex282.

The Veteran title went to Steve Cole and the Colt title went to Jenson King. Congratulations to Victoria for her first 25ex75 in a registered competition at Bisley.

19 Aug: South Eastern Inter-Counties ABT Championships – NCSC Bisley

Conditions were good and certainly less windy than the previous day. We had a couple of substitutions in the team due to absence and injury, and everyone dug down deep to perform as best they could. The Senior team came seventh (Phil Chambers 84, Rachel Parish 84, Dan Chambers 76, Dan Parker 72 and Jeff Blackburn on 70). Victoria Castle came second in Ladies, shooting a fine 75. Oscar Parker, our talented Colt, put in a steady performance and came fourth in that category.

15 Sep: DTL Inter-Counties Championship – Bisley Gun Club

The DTL Inter-Counties ended with a brilliant result for Surrey, with the team taking the top spot having not won the trophy since 1973! The five Seniors were very consistent with their scores with Charlie Martin leading the way with 286ex300, followed by Nick Haley and Jo Watson-Hopkinson both finishing on 284ex300, Tom Smith with 280ex300 and Peter Wilcox on 279ex300. This gave Surrey a clear lead of 11 points over joint second place teams, Kent and Sussex. Jo Watson-Hopkinson was also awarded the Ladies Inter-Counties title.

14-15 Sep: FITASC Sporting Championship – Southdown Gun Club

We had a good entry of 18 Surrey Shooters for the most challenging of Sporting disciplines. The Competition was close, with Chip Smith taking the Senior (and the Veteran's title) with a score of 83, one target ahead of Jamie Passant. Third, and taking the Ladies title was Sarah White with 81. Top Junior with a great 78 was Billy Greenwood.

22 Sept: English Skeet Inter-Counties Championship – NCSC Bisley

excellent individual performances. Glen Boxall needed a 75-straight to beat Daren O'Toole by one target in the County Championship, but came up one short this time round with 98 against Daren's great performance of 99ex100. Daren finished in joint top spot of the event, then missed out on the title by one target in the shoot-off. Jo Watson-Hopkinson shot an early 90 and found herself in the shoot-off for the SE Region Ladies title, which she went on to win. Congratulations to Jo, Daren and Glen for a valiant effort. Remaining team members were Dan Crowley, Graham Hill and Andy Smith, with Dave Power filling the Veterans place. Our talented Junior was Luke Thomas, earning his first County Team Badge – well done Luke and hope to see you in the team again next season.

Surrey Supreme latest

With additional points from the DTL and FITASC, Glen Boxall has a 30-point lead which no one could beat. Congratulations to Glenn on retaining the title. Veteran Peter Saich has caught Andy Smith to share joint second spot, while Sarah White leads in the Ladies.

Billy Greenwood has pulled clear of strong competition and has a lead in the Juniors. The final event is the Skeet Doubles at NCSC on 24 November – so have a look at the full results on the Surrey CPSA website to see if you are in with a chance of improving your position.

Southdown held the Sussex English Sporting Championship on the August Bank Holiday. The weather was hot and sunny with little wind. Combined with the Sporting was the John Fenner Memorial Shoot and the Sussex English Sporting Side-by-Side Championship. John Fenner's grandson, Will Fenner, shot a brilliant 97ex100 winning the County Championship, Junior title and also the John Fenner Memorial Trophy. Hannah Gibson took the Ladies trophy with 80, Kevin Lillywhite the Vets with 91, Toby Drake the Colts with 54 and Tim King won the Side-by-Side trophy for the second year running with 78. Southdown held the Sussex FITASC Sporting on the 14-15 Sept and with perfect weather saw Ray Effamy win the county title and also the Vets with 84ex100. Sophie Brookwell the Ladies with 54 and Will Fenner the Junior with 78.

Bisley Gun Club held the Sussex DTL on 18 August. Jon Butler won the championship and the Vets title with 98ex290 and Jennifer Baker won Ladies with 85ex249.

The Sussex ABT team consisting of Max Hudson, Zak Welfare, Claire Milbourn, Keith Blighton, Quint Mckellar, Matt Lawrence, Glen Smale, Derek Welfare and myself won the Inter-Counties ABT by four targets. We were equal with Kent and Hertfordshire at the end the third stage and Sussex was last squad to go out. The wind got up, but the team held its nerve and

shot 23, 23, 23, 23, 24 to seal victory.

Sussex DTL team came joint second and just 11 points behind the winning team in the Inter-Counties DTL and Paul Wingrove won the Veterans badge with 97ex281.

On 1 September, the Inter-Counties Helice was held at Invicta Gun Club and the Sussex Team were runners up by just one target but Alasdair Williams managed a victory for us by being Individual High Gun with 18ex20. Veteran Sussex Trap shooter Quinton McKellar is the man to beat in ABT at the moment, shooting 95 at the Fareham Grand Prix taking A class and Overall High Gun.

Well done to Andy Stratford for making the Helice Senior Team for the World Championship in Rome. Well done to all Sussex shooters who have won events and shot for the county and a happy Christmas to all Sussex CPSA Members. watch out for the date for the AGM next issue.

There are two main things to report on since our last issue. Firstly, a special well done to member Paul Bailey who was victorious in both the British Open Sporting and Sportrap at High Lodge, defeating Adrian Last on the finals day. Congratulations to Mark Delf for winning the Sportrap and Paul Sadler for winning the Sporting events. A special mention to Tony Cox for his silver medal in the Sporting also.

We held our September shoot in conjunction with the Shotgun & Chelsea Gun Club at Eriswell Lodge for our final all-round shoot of the season, where all was to play for the challenge shields. On the day Adrian took

the High Gun Sitting and overall, Sam took the Standing.

Our season winners (best of three shoots) are: Skeet – first Sam Nunn, second Kelvin Davies. DTL – first Adrian Last, second Sam Nunn. Sporting – first Adrian, second Sam Nunn. Class Shield – first Ray Goodey, second Graham Cox.

These trophies were presented at the AGM at Sporting Targets. In 2020 we will have a slight amendment to our shoot structure and we will also shoot for the Wilkinson Trophy, which will be the highest combined scores between DTL, Skeet and Sporting for the season. Finally we hope to hold a Christmas Shoot the last Saturday in November.

Can you afford to
pay for a damaged stock
or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

be far better prepared and not make the same mistakes again.

Q You recently took your third Champion of Champions title at the Game Fair, why do you always shoot so well here?

A: I've always been someone who performs better under pressure. I love the format of this event and shooting the final inside the main shooting arena is something I relish. When I get in there the pressure seems to focus my mind. Fortunately for me, it has resulted in three titles that I'm extremely proud of.

Q Tell us about your current set up

A: People say 'you have to say nice things about your equipment because they sponsor you.' The truth is I've been using this set up long before any sponsorship came along. I believed they would give me the greatest chance of success. My gun is a Krieghoff K80 Supersport 32in, customised with a Parcour stock and forend. I use Fiocchi 4HV 8.5 28grm cartridges most of the time, but switch to their 7.5's for an extra-long range targets. I use Pilla Outlaw shooting glasses – the Zeiss lens is fantastic and they have a near infinite amount of colour and filtration options available. I use Vario passive moulded plugs to protect my hearing. I like to block out as much sound as possible, so these are perfect.

Q What are your top tips for those looking to emulate your success?

A: Leave your comfort zone – don't just go where you know you will shoot well. Shoot lots of different disciplines, you'll be amazed how much a different discipline can teach you. Most importantly, never lose sight of why you started. If you're not itching to get the gun out of the cabinet in the morning, leave it there, go and do something else with your day. 🍀

CHAMPION OF CHAMPIONS

Top shot **Guy Franklin** talks gear and career with **Jasper Fellows**.

Q How did you start clay pigeon shooting?

A: Both of my parents were keen shots so I was introduced to the sport at a young age. Aged five, my dad bought me my first shotgun – a single barrelled .410 with the stock cut down to about six inches!

Aged 11, I moved to a 12-bore and started shooting much more regularly. My county, Sussex, was extremely low on Colts at the time, so I represented them all over the country. This was a great apprenticeship and taught me a wide variety of skills and how to deal with high-pressure situations.

Q What has been your greatest shooting achievement?

A: Having been shooting competitively for 17 seasons, this is a tough question to answer. Some of my highlights include – earning my first GBR Olympic

Skeet cap at 15; being the youngest shooter ever to win the Men's British Olympic Skeet Championship aged 17; my three CPSA Champion of Champions titles; being crowned English Open Compak Champion; my first cap for the England Seniors

World English Sporting Team and my two caps for Team GBR's Men's World FITASC team.

Q How do you balance running the family dairy farm and competition shooting?

A: For me, the reality is that nine times out of ten the farm comes first. This can be frustrating if I know I'm on good form but have to cancel going to a competition to work. I cannot compete at the same number of events as other top shots so I try and select a few major competitions each year. The plus side is that I'm generally fresh and hungry for every competition I shoot at.

I'm a great believer that you learn far more from your bad days than your good ones...

OUR NEW CHROMASHIFT LENS TECHNOLOGY

92CHCL - {92% Transmittance - Chromashift High Contrast LIME}

This new lens uses the 94HC as a base. This lens packs the power of our exclusive ZEISS Chromashift color enhancers for low light with a crisp lime color profile. The target enhancement has been enhanced and the advanced coating technology provides additional glare reduction. This lens is a must have for flat light and is even a super lens for small game hunting.

10CED - {10% Transmittance - Chromashift Enhanced Definition}

The 18CED ZEISS Chromashift Enhanced Definition lens has been one of our stand out technologies for 2019. This new 10CED uses an enhanced filter profile to lift more color while providing the highest transmittance reduction Pilla offers in ZEISS Chromashift. This technology has the performance to reduce transmittance while the ZEISS Chromashift color pigments provide rich and highly defined sight pictures. So the perceptible light value is extremely vibrant and visually accurate even though the transmittance is only 10%.

30CED - {30% Transmittance - Chromashift Enhanced Definition}

The 30CED ZEISS Chromashift Enhanced Definition lens is a brand new technology building on the success of the 26ED. The 26ED has been one of the most sought after sun lenses offered by Pilla to manage a wider range of lighting conditions. The introduction of the 30CED ZEISS Chromashift lens raises the performance offered in a full sun to medium light lens science providing balance yet rich color reproduction. This new technology uses our proprietary ZEISS Chromashift pigments and dyes which have enhanced color saturation technology which provides maximum visual definition.

20CN - {20% Transmittance - Chromashift Enhanced Definition}

This new lens uses the 22N as a base while enhancing the filter efficiency of the existing ZEISS Chromashift color enhancing profile. This new full sun green background neutralizer uses a modified spectral curve to deliver super target "Pop" and suppression of green in full sun. The lens uses our proprietary ZEISS Chromashift pigment technology to boost pink and orange while killing the green background with maximum efficiency.
