# WELCOME

The CPSA Annual Awards was another hallmark event for our sport, and I would like to offer my personal congratulations once again to all of the winners. You can read more about each of them in the article on pages 13-19. I'd also like to thank the sponsors for the evening, starting with our headline sponsor Musto, and all of the individual award sponsors: Browning, Castellani Alu UK, Fellows Media Ltd, GMK/Beretta, Laporte, The Clay Pigeon Company, Vario Hearables, and Solware, as well as Romero Sports and Leisure who were the Wine Sponsors. We look forward to working with all of them throughout the forthcoming clay shooting year.

Be sure to check out Parting Shots on page 82, where we interview the Sports Personality of the Year Award winner Tony Axcell. We will continue to feature our award winners in various articles throughout 2020, so keep an eye out for them.

Our How to Hit series returns this month on pages 28-29. This year, CPSA Senior Coach Simon Arbuckle will present an introduction to FITASC Sporting. We hope that those Sporting shooters who have been curious about FITASC Sporting will find the articles helpful and will be encouraged to try out this discipline.

Unfortunately, the Premier League opening shoot at Orston on 9 February has been postponed to 1 March due to Storm Ciara, but this does give you more time to sign on to a team if you haven't done so! I encourage you to see the Chairman's Report, Directors' Report, and Financial Statements on pp. 35-46. Finally, the CPSA AGM is on 21 March at 2pm at the Chesford Grange Hotel in Kenilworth, all members are invited to attend.

## THE SCHOOLS CHALLENGE SUPER FINAL CAR PRIZES WON BY JUNIORS

The Schools Challenge (TSC) Super Final was held on 7 December 2019 – welcoming pupils from all across the country that competed to win MG cars, one for a boy and for a girl.

Everyone who competed had worked hard all year to reach the qualifying stages held by TSC, at The Oxford Gun Company's shooting school in Oakley.

All scores from previous shoots were wiped clean so everyone was in with the chance of reaching the Super Final.

The morning began with a 50-bird competition set across six stands, the pupils were split up into four groups to shoot the course. Five pupils tied on 39, leaving one place left in the Super Final. The five pupils – Darcy McBride, Ben Rimmer, Henry Lungley, Toby Hammond, and Jason Au – went

...everyone was in with the chance of reaching the Super Final.

head-to-head to hit every target thrown. After three dropped targets, Jason Au from Bredon School and Toby Hammond from Sparsholt College competed for the final place in the Super Final.

Charlotte Holmes was in front of the girls until she missed her last two targets. Bethany Norton was just one target ahead of Charlotte – having only started shooting in March of this year. The Super Final results revealed Bethany Norton winner of the girl's category, and Ron Chipman winner of the boy's. Each received their very own MG car.

This is particularly impressive for Bethany, at 13-years-old, having only picked up a gun for the first time in March 2019 – TSC believe this to be one of the best achievements they've seen in 15 years of the competition.

### CPSA AGM AND PROXY VOTING

The CPSA Annual General Meeting (AGM) is at 14:00 on Saturday, 21 March at the Chesford Grange Hotel, Kenilworth. All members are eligible and encouraged to attend.

With the success of electronic voting forms last year, we are continuing the use of these forms for the CPSA AGM this year, on 21 March. We have appointed Civica (previously The Electoral Reform Services Ltd) to manage this voting process on our behalf. As a result there is no requirement to include a hard copy voting form with the March issue of *Pull!*.

On 17 February you will receive an email from support@cesvotes.com containing instructions on how to cast your proxy vote online. If the CPSA does not hold an email address for you on file, a letter will be sent to your address containing instructions on how to cast your proxy vote. The letter should arrive by 2 March.

If you need to request a new email or letter please contact ERS by emailing support@cesvotes.com or calling 02088 899203, Civica offices are open 09:00 to 17:00, Monday to Friday.

### RENEWING YOUR SAFETY OFFICER QUALIFICATION

Please note the process of notifying members who took their Safety Officer qualifications before 31 December 2014 of the need to renew their qualification has now started.

We are working forward from the oldest date, so in due course you will receive an email or letter (if we don't have an email address) notifying you if you need to renew. You will have three months from receipt of the email or letter to book on and take the online exam. You will have the opportunity to download the latest version of the Safety Officer manual during the process and whilst the exam has a time limit of 45 minutes, it is open book so you may refer to your manual if needed.

The fee to requalify for a further five year period is £10, and upon successful completion of the exam you will receive an updated Safety Officer certificate by email.

When you receive the notification email the process is as follows:

- 1) Click on the payment link in the email to go to the Safety Officer webpage. Click on the payment link to login in to the CPSA site and pay the course fee. If you do not have a CPSA website account already, you will need to create an account first and then it will take you to the payment page.
- 2) If you are notified by letter, as we don't have an email address for you, you will need to login to the Safety Officer webpage via [cpsa.co.uk/sor](http://cpsa.co.uk/sor) and follow the process as in point 1 above.
- 3) Once you have paid, please check your email inbox for your booking confirmation.
- 4) Click on the exam link within the booking confirmation to start the exam. You will have two attempts to achieve the required pass mark of 24ex30 (80%) and your results will be automatically submitted to CPSA HQ.
- 5) When you have passed the exam you will be emailed your certificate.

## THE INSTITUTE OF CLAY SHOOTING INSTRUCTORS GAME LOADERS COURSE

The first ICSI Loaders Course of 2020 will be held on Wednesday 17 June at Doveridge Shooting Ground. Entry is open to those who have completed a CPSA or BASC safety course as a minimum entry qualification.

As part of its programme for continued professional development, ICSI designed a one-day course on the role of the loader during driven game shooting.

The course has now run successfully for several years and contains classroom modules on the many facets of the loader's roles and responsibilities, covering both single and double gun loading.

The techniques and practices of all aspects of loading are reviewed – including etiquette in the game shooting arena. Practical loading is undertaken, commencing with dry-firing practice and progressing to live-firing, with single gun 'stuffing' and double gunning, using clays for simulated high-pheasant shooting, together with grouse and lowland partridge targets.

The challenges of instructing whilst acting as a loader are addressed. A comprehensive manual accompanies the course.

Clays are included in the fees; a certificate of attendance and an 'ICSI Loader' lapel badge are awarded. Refreshments and a buffet lunch are also provided. The cost is £150 for ICSI members and £200 for non-members. Please contact ICSI Membership Secretary, John Cullinan for further details [icsimembership@gmail.com](mailto:icsimembership@gmail.com).

## SIMON SAYS

Senior Coach Simon Arbuckle answers your questions. Send yours to [simon@cpsa.co.uk](mailto:simon@cpsa.co.uk).

**Q** I watch all your excellent videos. I too shoot the Browning Pro Sport, and would be grateful if you could answer a question: I am wanting to get started in competition shooting to gain a CPSA rank. I started shooting 1/4 choke bottom, 1/2 choke top barrel with great results. I then went to 1/2 and 1/2 and have been dusting the clays – all but the furthest out, where I feel I'm lacking something. I've read that Browning DS chokes are more open, could this be why I'm lacking on those further out clays? I'm considering using 3/4 and full chokes. I am using Eley Superb in 28g 7.5 plastic, but some grounds only allow fibre. Any advice on your cartridge and general choke choice would be gratefully received. – Lee

### SIMON SAYS:

Dear Lee,

Many thanks for your kind comments on the videos. In all the videos to date I have used 1/4 and 1/2 chokes in the Pro Sport along with a wide variety of cartridges, most being 24g 7.5's. I believe in comfort over speed but this is my preference... During the videos I have changed the barrel selector over depending on the presentation of the targets in the pairs but I have found this combination has worked very well. The simultaneous pair crossing from the right in the third series were 60m away!

I believe in training with what you compete with, so you get to know your gun/choke/cartridge combination. The Superb comes in plastic and fibre and the Pro Sport comes with selection of

chokes so experiment until you find a combination you are confident with. I don't change chokes if I'm changing between plastic or fibre and I rarely go over 1/2 choke for sporting, I find that too tight a choke can be more of a hinderance than a help.

What is really going to improve your shooting is working on technique. You can have the best choke/cartridge combination but without sound technique you will never achieve your full potential. You must understand what you are doing to give yourself the maximum chance of hitting the targets and also to put it right if you miss.

It does no harm to have a few lessons on your problem targets, you will probably find it is less to do with the gun and more to do with technique.

Good luck with your shooting!

## LETTER OF THE MONTH

**D**ear Sir/Madam,  
I have been a member for three years and have been actively competing in English Sporting events. However, as none of my local clubs hold registered shoots, I have been unable to gain a classification. My nearest registered shoot can be over an hour away, and it is not always possible to dedicate time to such shoots. Can you advise what the requirements are for a club to hold a registered shoot? Are there any challenging requirements that would prohibit a club from holding a registered competition, instead of their own competition?

– A Rainer

### CPSA replies:

Thanks for your email. There is a process to go through to become a CPSA Registered Ground

and we are happy to help any ground wishing to hold

registered shoots. We have a Safety Audit process which any club wanting to be affiliated to the CPSA must do first. This requires them to provide documentation such as proof of Public Liability insurance, emergency response procedures, and risk assessments. They also must have a CPSA qualified Safety Officer at each registered shoot. We offer a free place on this course for any new Clubs joining CPSA.

Once we have reviewed the paperwork we then inspect the site to ensure it complies with our safety guidelines. There is a cost for the inspection of £145 plus the annual membership fee of £168 for Registered status and the licence and software to run the Registered competitions.

There is nothing really challenging as long as the Club has their paperwork in hand. To hold registered shoots they need referees/trappers on each stand as you can't self-score, so this needs to be factored in to their planning.

– The CPSA Team

# CPSA AWARDS

- 2019 -

Above: Tony Axcell and Tristan Hockey in their matching custom jackets.

J.G. Repshire reports back from the prestigious event. The future of the sport is looking strong, if this year's CPSA Annual Awards are any indication.

At only 19-years-old, Amy Easeman took the Clay Shooter of the Year Award, whilst Colt Ami Hedgecock was named the Emerging Shooter of the Year, and Alfie Tibbles represented all Colts and Juniors with his gracious win of the Young Shot of the Year Award. Assuring the future of the sport in another way, John Bidwell and Andy Coppens took the Course Setter Recognition Award, largely based on their British Open Sporting and Sportrap courses and evidence that High Lodge will be in good hands as John steps back to let his son-in-law Andy take over target setting at the family business.

As guests arrived for the evening, they were welcomed with a quirky Alice in Wonderland themed drinks reception.

The most colourful part of the night was when CPSA Referee Tony Axcell won the new Sports Personality of the Year award.

Even at the awards evening, top shots were able to keep their eyes in with the DryFire shooting simulator set up on site. It offered every discipline imaginable, be it sporting, skeet, or trap, with the CPSA, International, and even American versions available at the touch of a button. Guests were then treated to a three-course meal with the wine provided by the generous sponsorship of the CPSA's insurer, Romero Sports and Leisure.

The formal portion of the evening was opened by CEO Iain Parker and Chairman John Martin, followed by some particularly witty remarks by the Mayor of North Warwickshire, Councillor Brian Moss. The entertainment for the night was provided by stand-up comedian Hal Cruttenden, known for his many television appearances on comedy

panel shows.

With the entertainment over, the award giving commenced.

First up was the Disabled Shooter of the Year Award, which Paul Bailey won over two-time winner Sam Nunn, and upcoming shooter Rueben Welch. Lee Wilcoxson took the Coach of the Year honours, a testament to the professionalism of a man who only qualified as a CPSA Coach four years ago. Club/Ground of the Year went to Sporting Targets, who were up against tough competition, considering that fellow nominee High Lodge Leisure's John and Andy took the Course Setter Recognition Award.

The most colourful part of the night was when CPSA Referee Tony Axcell won the new Sports Personality of the Year award. Tony took the stage wearing a jacket that did justice to the brightly-hued shirts he is famous for wearing whilst officiating across the sporting clays circuit. The audience's approval of his win

## CLAY SHOOTER OF THE YEAR AWARD

### NOMINEES

Matt Coward-Holly  
Amy Easeman  
Georgia Moule

### WINNER: AMY EASEMAN

Amy has been shooting from a young age, and with the support of her father, Phil Easeman (Sports Personality of the Year nominee), she started shooting internationally at age 12. She has accumulated 15 consecutive caps shooting Compak for Great Britain. In 2019 she became the World Compak Sporting Lady Champion.

After winning the award Amy said: "This award means absolutely everything to me. It just officially tops of the whole year. The World Championship means a hell of a lot, but winning the award as well just means my work has officially paid off and been acknowledged by everyone else as well."

See the International section on p. 21 for more on her successes in 2019.

was apparent in their reaction, and Tony's acceptance speech certainly showed how moved he was by the honour.

Amy Easeman's win of Clay Shooter of the Year was made even more impressive by the competition she was up against: nominee Matt Coward-Holly's year includes winning an Olympic quota place for Team GB for Tokyo 2020, and nominee Georgia Moule won Ladies World Champion at the ICTSF World English Sporting Championship last year.

Following the awards ceremony, there was still plenty of entertainment on offer. DryFire continued to test people's abilities, and guests were treated to a chocolate fountain, doughnuts, and a spectacular cheeseboard.

Through a silent auction and a raffle, the CPSA managed to raise £2,115 for Macmillan Cancer Support and the Motor Neuron Disease Association.

Own Rees of Macmillan Cancer Support stated, "We are delighted to have the continued support of the Clay Pigeon Shooting Association and its members, who continue to be so generous in their support of Macmillan. Since they first supported our work in 2014, the CPSA and its members have donated in excess of £10,000 to help people living with cancer in the UK."

Well done to the CPSA's members for their generosity, and well done to all of the CPSA Annual Awards 2020 nominees and winners.

## SPORTS PERSONALITY OF THE YEAR

Tony Axcell  
 Mandy Berrisford

### WINNER: TONY AXCELL

Tony is a well-known figure on the sporting clays referee circuit, any CPSA English or British Open English Sporting would not be complete without a visit to a stand graced by Tony's bright Hawaiian shirts. Even more appreciated than his cheerful shirts is his polite, friendly, and professional behaviour while officiating, demonstrating the exemplary standard of CPSA Referees. "It was a major shock to be nominated, let alone winning it, and I'd like to accept this on behalf of all the referees all over the country," said Tony, "We're all joined together, and we're like a big family. It is a great honour because I've been recognised by my fellow shooters, and nominated by my fellow shooters, and that is what makes it so special."

### NOMINEES

Cory Doble  
Tristan Hockey  
Maddie Purser  
Leah Southall  
Alfie Tibbles

### WINNER: ALFIE TIBBLES

Alfie has only been shooting for five years but is already one of the most recognisable young shots in the sport. With several Colts championships under his belt in various sporting disciplines, he most recently took the Atkin Grant & Lang Young Shots Winter Open Colt Championship. He has just made the transition from Colt to Junior and is already winning Registered shoots in the Junior category. Alfie plans to do more international shooting, but in the meantime, he is also concentrating on finishing his GCSEs before he can dedicate more time to the sport.

"I feel totally overjoyed by winning this award" Alfie said, "It's been something I've been looking up to achieving for years and really does mean a lot to me."

## EMERGING SHOOTER OF THE YEAR

### NOMINEES

William Gilbert  
Ami Hedgecock  
Elizabeth 'Lizzie' Williams

### WINNER: AMI HEDGEFOCK

It's rare to go to a major English Sporting championship where Amy Hedgecock doesn't win a trophy. In 2017, she even won a car at the Oxford Schools Challenge. She started 2019 by taking Colts in the English Open Compak in March. Later in 2019 she won the Ladies High Gun for the Premier League series, beating dozens of Senior and Junior Ladies, and taking the Colts title and Lady Colts along with it. Ami is also known for her good sportsmanship and positive attitude while competing, no doubt a contributing factor that earned her the votes for this award. She currently shoots for Cambridgeshire and is hoping to make the Great Britain Compak team in the future.

Speaking afterwards, she was quick to thank the people who have helped her along the way: "Probably the biggest influence for my shooting was my brother originally, as he was the person who got me into the sport, but the main help has also been through my family and my sponsors, which has been incredible and I don't think I'd be able to get to where I am without them today."

At over 40 acres, Sporting Targets is one of the largest grounds in the UK, but it is the quality of their regular 100 Registered English Sporting and FITASC Sporting shoots that has made them a favourite with members. Sporting Targets competes in the CPSA Premier League, Jack Pyke Open and the High Tower Challenge.

"This Award means a massive amount to us as a business," said Andrew, "All the team put in a lot of effort throughout the year and over the last 30 years to build our business and build our client base and produce and give a good service to our customers. ### WINNERS: JOHN BIDWELL AND ANDY COPPEN

The father-in-law and son-in-law team of High Lodge Leisure Ltd certainly have different personalities: John is well known to be talkative and energetic, whilst Andy is a bit more reserved. Yet, their dedication to the sport transcends personality types. John has over 50 years of experience setting targets, whilst Andy brings his 15 plus years of enjoyment of the sport along with new ideas to the ground. They set an incredible set of courses for the British Open English Sporting and Sporttrap, with the Sporting course described by many as 'something for everyone'. Speaking afterwards, John highlighted the benefits of working within a family business: "Working together in the family has been great, Andrew has been with the company for four years and he's learned the game very quickly... To have a son-in-law like Andrew is like having a real son, it's great working with Andy. Andy then gave an insight into their recipe for successful course setting: "You'd never please everybody but we do our best to set an exciting course where everybody can enjoy themselves. You have to cater for everybody new into the sport and to the people who are at the top of the game. So, it's always a challenge.'

## TOKYO OLYMPIC GAMES – QUOTA PLACES

Keep a lookout for the results of the European Championships (8-19 May 2020) where GBR has the opportunity to win one Trap Women, two Skeet Men, and two Skeet Women quota places.

If after the Europeans, there are still events where GBR has no quota place, then there is one last opportunity: the world rankings. To be allocated, according to the Qualification System published on the ISSF website: 'After the qualification period ends and all member federations/NOCs receive the official list of quota places, the ISSF will check each individual Olympic Event World Ranking List (dated 31 May 2020) in the order of the events... The highest ranked athlete not yet qualified in any event and provided that the athlete's NOC does not have a quota place in that specific event, then the athlete will obtain one (1) quota place. These quota places are allocated to the athletes by name.'

# A PATHWAY FROM PITCH TO CLAYS

CPSA Coach **Paul Dancer** teams up with Aston Villa Women Football Club to demonstrate how clay shooting is a great training companion, and can provide a future sporting career. **Simon Fellows** reports.

**S**peed, accuracy, superb hand-eye coordination, coolness under pressure. All characteristics of a great clay shooter, right? After a chance meeting with players on England's Women's Senior Team, CPSA Coach Paul Dancer had an epiphany. Top football players have these qualities in spades too, wouldn't it be fascinating to introduce a football team to shooting?

The more Paul thought about his idea, the more it made sense. Firstly, there are transferable skills from the pitch to a shooting ground and vice versa. Shooting might actually improve their game. Secondly, footballers retire relatively early, so shooting could provide players with a future career. Thirdly, shooting clays may be a competitive sport,

wouldn't it be fascinating to introduce a football team to shooting?

but it is also very sociable – wonderful for team building. Lastly, women's football has had to overcome prejudices built on decades of what was a male-dominated sport – just like women's shooting has. Introducing a women's football team would not only bring more ladies to the sport, it could also provide more female role-models.

"When I first met the Lionesses, it struck me not only how competitive they were, but also how they enjoyed tremendous hand-eye coordination skills and speedy reaction times," said Paul. "It falls so much in line with what you need to be a competitive clay shooter."

"When I started to think about how our sport could benefit football, and how its players could benefit clay shooting, it was obvious that the CPSA should get involved

with a pathway for these athletes."

In 2017, Paul began to arrange shoot days with local clubs Birmingham City and Aston Villa Women Football Club. We caught up with Paul, on his first shoot of 2020 with Aston Villa Women Football Club. It was a sunny but cold January day at Lea Marston Shooting Club.

## SHOOTING WITH VILLANS

Eighteen members of AVWFC arrived to shoot in good spirits at the ground, just east of Sutton Coldfield.

To make the day as competitive, sociable and fun as possible, Paul split the team into three squads, aptly named Forwards, Midfielders, and Defenders.

A CPSA coach was assigned to each squad – Becky Savins looked after the Defenders, Vince Kisielowski looked after the Midfielders, leaving Paul to coach the Forwards.

The remarkably young and talented Elizabeth (Lizzie) Williams, who narrowly

**Below:** Excitement builds as AVWFC gather to shoot at Lea Marston Shooting Club.

missed out in a place in the England team last year, was also on hand as shooting ambassador and demonstrator.

After much excitement, laughter and fist-bumping, the coaches were soon going through their safety briefings.

Amber Wildgust, AWFC's manager, was delighted that Paul had given her the opportunity to bring her players out to Lea Marston.

"The aim of the day is team building, and to offer the players something a little bit different," she says. "Something that will take them out of their comfort zones and may even help them to find another hobby or passion outside of football. As a footballer, your career could end at any time due to injury – so it is important to have a second career lined up. Clay shooting could be a good fit for some of the ladies.

"It's good for hand-eye coordination and for accuracy. It's also a sport that anyone can take up regardless of gender. So, it's really a fun day out and an opportunity for us to get to know each other on a different level."

Meanwhile, the coaches took the players through basic gun handling and studying eye dominance. To keep the players on their toes, Paul had organised the day around a friendly competition. Initially, four stands would be shot, with five clays at each. The highest score from each team will go through to the final on the Skeet range.

"The stands vary in difficulty," confided Paul. "All are suitable for novices, but some are quite challenging. Stand one has the clay quartering away slightly to the left. It is a fairly straightforward target but the clay isn't really visible until it clears the distant tree-line.

"Stand two, an incomer, is virtually a teal. It comes up, and then drops without much forward motion and without much dwell time. Stand three has the target going directly away. It's a good novice target because the background is initially dark, so all you have to do is shoot it as it comes up. Stand four also quarters away from the shooter, but it's fast and has a nasty curve at the end."

In no time, the players were calling for their clays and letting off rounds with varying levels of success. Conditions were very bright, with the low winter sun making visibility tricky. There was much camaraderie and friendly banter among the three squads, as they continued competing for the final.

Everyone agreed that stand four was tough – it even caught Lizzie out. Paul

## ACCESSIBILITY IS THE FUTURE

Lea Marston Shooting Club jumped at the opportunity to play host to Aston Villa Women Football Club. As owner Guy Breeden explains, his vision is to develop it into one of the most accessible clubs in the UK.

"Our aim to make sure that the sport is available for all, regardless of gender, ethnicity, or background. With the help of the National Lottery and Sport England we have turned this club into an all-weather wheelchair and disabled shooting ground. A real community where diversity is welcomed."

Under Guy's stewardship, the ground continues to undergo an ambitious programme of renovation and expansion. The clubhouse is being extended,

quadrupling the space and facilities are clean, comfortable and modern.

"For the health of the sport we must be professional at every level and touchpoint with the public. Frankly, a battered portacabin in a muddy field no longer cuts it. We need modern clubs to drive a modern expanding sport."

Sponsor, and Solware Ltd MD, Carl Harlow, who donated the cartridges for the day, is equally evangelical about accessibility. "It's very rewarding to be supporting women's shooting, and to introduce the sport to people who otherwise may not have had the opportunity to try it. With any luck, some of the team may take it up in the future – there's certainly lots of happy faces here today."

Right: Sophie Hayward takes High Gun in the Skeet final.

and his team of coaches spent much of their time reminding the players not to overthink the process.

Gemma Davies is AWWFC's head coach. "Our training environment has the potential to be quite monotonous at times, because we repeat many of the same things. So it is really valuable to take the team out to do something a little bit different. It spices up the programme. And, it's working – the players are really enjoying it.

"There are valuable similarities with hand-eye coordination and the natural movement patterns we employ on the pitch. Obviously, it is eye-foot coordination for most of the players, but the use of our eyes is common to all. Paul keeps reminding us to see the clay and shoot it. Not to overthink the process. In football it is exactly the same principle, we cannot fall into the trap of overthinking when passing or shooting. See it, do it."

Many of the players were quick to notice some transferable skills. "I'm sure shooting will help with my anticipation skills," said winger Emma Follis. "Intuitively anticipating lead, how far to shoot in front of the clay, is similar to judging where to place the ball when you are passing it into the paths of other players. Timing, accuracy – there are so many complementary skills.

**"We're all so competitive that we want to win but it's also been a real laugh"**

"Because football is faster paced and the game is constantly flowing, it feels more instinctive. With shooting there's more time to overthink, which is why the coaches keep urging us to not to!"

Centre Back Natalie Haigh agreed. "I've learnt that it needs high levels of concentration, but you also need to be relaxed. You need to get yourself in the mindset of just focussing on the target, but to do that successfully you need to be experienced enough to start shooting intuitively. For someone like me, who hasn't shot before and has a tendency to overthink, it was challenging to get into the relaxed state of mind needed. In many ways it is more mindful than football, which tends to be more instinctive."

### THE FINAL

Natalie went on to score highest for the Defenders with 10/20, and was joined in the final by Sophie Haywood (Forwards) 13/20 and Jodie Hutton (Midfield) 10/20.

Jodie joked that her success is down to the fact that she's often told her brain is permanently switched off, so overthinking doesn't trouble her.

"It teaches patience too," she said, "which is important in football. You need to wait for the right opportunity to shoot. The atmosphere is brilliant, with everyone cheering each other on. We're all so competitive that we want to win but it's also been a real laugh at the same time."

On the Skeet range Paul set up increasingly difficult targets. Two singles were followed by a report pair before a simultaneous pair provided the final challenge. Natalie felt the pressure from the start, but Jodie and Sophie tied with three each. A shoot-off saw Sophie just edge ahead to take High Gun for the day.

"This is the first time I have shot clays, and I turned up not really knowing what to expect," said a beaming Sophie, who plays as a Forward. "I've done alright today, but we've got good teachers, so I'll put it down to that and a bit of beginners luck.

"Football is similar to shooting in that in the past it's been very much a male-dominated sport. We're trying to overcome that at Aston Villa, and it's good to see more women being encouraged into shooting too. It's definitely something that I would consider taking up in the future. It's been great."

Summing up his experience Paul said, "It has been brilliant. We've achieved what we wanted to by getting the ladies to have an informative but fun day away from regular training. We're yet to discover whether some of them will take the sport forward, but I'm here to coach them if they do."

# HOW TO HIT

## AN INTRODUCTION TO **FITASC** **SPORTING**

**Simon Arbuckle** returns for the fourth CPSA How to Hit Series, sponsored by Browning, and with companion videos filmed at Southdown Gun Club by Gunroom.TV.

In this series, we will be covering FITASC Sporting. Having covered English Sporting and Sportrap, this is a natural progression.

In this first article, I'm going to cover the general rules governing the discipline. This first thing to note, in the image below, is that now I've got a yellow line on my vest. This is because the gun must be held beneath this line before the target's called for. The highest point of the stock is what must be held beneath the line. On a standard stock, that's the heel, and on a Monte Carlo or adjustable stock, it's the comb itself that must be below the yellow line. In the example to the right you can see that the adjustable stock on the Browning ProSport that I am using is below the line. The line is 25cm down from the apex of the shoulder and must be a contrasting colour to the vest – in other words, no black on black or white on white etc.

Unlike English Sporting, where the shooting takes place inside a wooden stand or metal cage, FITASC shooting takes place inside a one-meter hoop or metal square.

This ideally needs to be on level ground, because FITASC tends to incorporate a lot of different terrain where uneven ground could present safety issues. FITASC is shot in squads of up to six people. The menu on each hoop contains single targets and pairs. As the squad rotates through the hoops, the person shooting first rotates between the singles and the pairs, and again on rotating pegs. That means that every person gets a chance at shooting first. As you can see on the menu (image below right) there are singles first and then pairs. The standard targets are the letters without any description next to it. Anything other than a standard must say what it is, such as a battue, a midi, a mini, a rabbit, etc.

The system that we are demonstrating in this series is the 'old system' FITASC Sporting, as compared to the 'new system'. The old system remains generally more available in the UK than the new system. Old system means that on each layout there are five traps and three hoops with one menu per hoop, for fifteen single targets and five pairs, making a total of 25 targets. Four layouts then make a shoot of 100 targets.

Unlike English Sporting, where some people mount the gun as soon as they hear the trap go, or when they call 'pull', in FITASC you can only mount the gun when the target is released and is visible. That means there may be a period of time before the target emerges from behind a tree or bank,

**Above:** The highest point of the stock must be below the line on the vest. **Left:** the line on the vest must be 25cm from the apex of the shoulder. **Right:** A typical FITASC Sporting menu.

before you can mount. Another big difference from English Sporting is that there's no cage restraining where you can move within the hoop – therefore, you can turn your feet and move. Now, this is where the referee must control the squad, so that there's no muzzles swinging across the squad that's waiting.

FITASC enforces a maximum cartridge size of 28 grams. Another rule that was introduced recently is 'please use the bin' – any cartridges dropped on the ground must be put back into the bin after the shooter has finished shooting, and not be left on the ground.

The best way to really learn about FITASC is to read the rules.

The rules do change, so if you get a chance and you want to try it, download them from the FITASC website and keep yourself up to date on what's needed and current.

And that's a general overview of FITASC Sporting and how to shoot it.

In the next article, we will look at how to shoot from the hoop, the procedure for rotating shooters in a FITASC Sporting squad, and how the menu is used. 

Visit [fitasc.com/uk](http://fitasc.com/uk) where you can download the full rules, and can learn more about the difference between the old system and new system.

SALVINELLI  
RSR ADVANCEDGUN  
REVIEW

GUY DIXON PHOTOGRAPHY

New for 2020 from John Jeffries Custom Guns is the Salvinelli 'High Vision' Advanced RSR.

### SALVINELLI RSR ADVANCED

**RRP: £6,800** (fixed choke, multi-choke is an extra £520.)  
[johnjeffries-customguns.com](http://johnjeffries-customguns.com)

We tested the Perugini and Visini HVR last year and were amazed by its performance and balance – but its price tag may have been prohibitive for some. The Advanced RSR is a third of the price of the HVR, so are the quality and features compromised in a more competitively priced model? Let's find out.

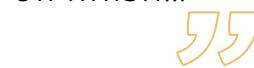

First impressions of the RSR are really good, the woodwork is fantastic, highly figured walnut with a lovely natural oil finish. The simple plain black action contrasts the wood brilliantly, and the gold lettering on both the barrels and action is a really pleasing finishing touch. Handling the gun, things get even better. RSR stands for 'Reverse Slope Rib', in real terms this means that the rib is lower at the action end than at the muzzle. In fact, you can actually see 6mm of rib at the action, whereas a standard shotgun would be more like 1 or 2mm. It is a different sighting picture, but when

shooting is extremely comfortable and allows far better target acquisition, resulting in better performance and higher scores.

One of the key selling points with a John Jeffries gun is the fitting – John is one of the best in the business. Customers will be seen a minimum of three times during this process to ensure the perfect fit. The 'head up' shooting position delivered from the design of the rib means that a good gun fit, as always, is essential to avoid the gun shooting high. Other notable points are the unique flute shaped fore-end which John designed, and the comfortable palm swell.

The woodwork is fantastic, highly figured walnut with a lovely natural oil finish...

shotgun that looks fantastic, shoots like a dream and will increase your scores. I cannot recommend highly enough that you check out the RSR, you will not be disappointed.

Price includes two-year guarantee and all fitting and alterations pre and post purchase (if required).

# YOUNG SHOTS

James Bradley-Day

Last year's CPSA Emerging Shooter of the Year, **James Bradley-Day** talks about his transition from Junior to Senior.

**H**aving first picked up a gun at the age of eight, James Bradley-Day has honed his shooting skills on his father's farm at Wingham, Kent, since childhood. He has won many competitions as a Colt, and then as a Junior, but how might the transition to Senior change his approach?

"When you move up a category there's less room for error, so you immediately have to up your game," says James. "For the past year I've entered every competition with the mentality of trying to win Overall, rather than just the Juniors. This way it wouldn't seem like being thrown in the deep end when I turned 21," he continues. "In all honesty, transitioning to the Senior category is something that I'd been really looking forward to – a chance to prove how much of a serious competitor I can be."

Since recently changing guns to the new Beretta 694 James feels more than ready for the task ahead. "I'm shooting better than I ever have before, and I think people already take me seriously after being on the Overall podium

at a few major events last year. Some people may have the idea that once out of Juniors I'll start to slow down, but this is about as far from the truth as it gets," he tells us. "I won't back off – if anything I'll do more."

As a Senior, James will be focusing on English Sporting and Compak. He'll also shoot some of the bigger FITASC shoots in the UK but will be giving the World and European FITASC a miss – purely because there isn't enough time to do everything.

And of the future? He continues, "I plan on more of the same. I love travelling the world and competing in a sport that, in all honesty, is my complete addiction. The more I perform well, the more my coaching clientele business JBD Sporting grows, so it's all added motivation," he explains.

"And it's important that I keep enough time free for this, whether it be running a simulated day/clay shoot or coaching clients."

## WHEN DOES THE TRANSITION FROM JUNIOR TO SENIOR CATEGORY TAKE PLACE?

You make the transition from Junior to Senior on your 21st birthday. James Bradley-Day turned 21 on the 13 February 2020.

## JAMES'S TOP TIPS FOR JUNIORS

**TIP 1** **Get a good coach** – Find someone who communicates well and is competing at the highest standard. I used to waste time, money and cartridges shooting at targets – and yes, the more I shot the better I got – but I didn't have a good understanding of how or why I was shooting better. A good coach would have explained this to me within a few sessions.

**TIP 2** **Don't become obsessed by sponsorship** – Sponsorship worth having will come to you. If you go asking for sponsorship or tagging companies in every single social media post in an attempt to be noticed, you may devalue yourself. I'm now sponsored by just three companies – GMK Ltd/Beretta, Hull Cartridge and Promatic. I have complete confidence in their products, and we have a great relationship. Remember that sponsorship works both ways – you need to be giving something back too.

**TIP 3** **Find a way to help pay** – I was very lucky to have the support of my parents. I started coaching when I was about 16, and in the early days it was just to earn a little extra to pay for some of my own competitions. As my own shooting has progressed, so has my coaching. It's something I'm proud of and I love watching those who come to me for help achieve their goals.

# CHAIRMAN'S REPORT

for Year Ended  
30 November 2019

## COMPETITION SUCCESS

**English Sporting:** The year kicked off with the ICTSF World Sporting at Dowth Hall in Ireland. The England teams took gold in Seniors, Ladies, Juniors and Veterans with the Super Veterans claiming silver.

Unfortunately, at the NSCA/CPSA World Sporting at Northbrook, Illinois, the Americans took full advantage of the home ground, sweeping to victory in the team events of Seniors, Ladies, Juniors, Veterans and Super Veterans. Our England teams hung on to second place in Seniors, Ladies and Super Veterans and third place in Juniors and Veterans.

The British Open was held at High Lodge. John Bidwell and Andy Coppen set their usual demanding but enjoyable targets. I suspect the golf course will never be the same again! Richard Faulds took the Overall High Gun and championship trophy for the second year. Stuart Clark was Runner-up by two targets, with Josh Bennion securing third place. The event was also combined with the British Open Sportrap which was won by Sam Green on 95 with Aaron Harvey coming a close Runner-up on 93 with George Digweed coming third Overall.

The 2019 Home International was held at Dungannon in Northern Ireland, where the England teams cleaned up in every category as well as the newly introduced Overall team trophy. The targets, which were set by Jamie Peckham, were in the opinion of England team manager Richard Hunter 'near perfect'. But he's only been doing the job for nine years so what would he know?

**DTL:** We played our part in reducing the sport's carbon footprint by holding all three major DTL events at the same ground in the same week. The ICTSC DTL was hosted at Bywell in July. The Overall winning country, taking the newly introduced team Trophy, was England. The winning Senior team went to Northern Ireland, with England taking second place. The winning Ladies and Junior team was England. The Veterans came a close second to Scotland. Special thanks must however, go to Claire Heney for the tomatoes!

The British Open DTL was also staged at Bywell during this the same week. Ian

Roper was Overall High Gun, following an astounding 100/300+75 in a shoot-off with Bob Singleton, who finished on 100/300+74. Emma Holden took the Ladies Open title, Cory Doble took the Colts trophy, Ellie Dunphy took the Junior title, Tony Dawe the Super Veterans and Ian Roper the Veterans.

Following on from the British, the 2019 European DTL Championships also took place at, yes you guessed it, Bywell. England took the Ladies team trophy by an impressive 49 points with Northern Ireland coming second. The Juniors took third place while our Veteran team romped home with a, lucky for some, 13-point advantage. Ian Mullarkey notched up overall High Gun by only dropping half a clay over 200 targets, with Daniel Price coming a close second. Emma Holden took Ladies High Gun, whilst Cory Doble took the Colts trophy with a 17-point lead, Jessica Byard took the third Colts prize to give England two out of three in this category, showcasing future stars of the sport.

**English Skeet:** The ICTSC Home International was held at Moray in Southern Ireland. The newly appointed and very popular manager, Julie Havill rallied her team forward to take the overall winning Country title by a lead of 33 targets over second place Northern Ireland. The Ladies, Veterans and Super Veterans teams also took first place with the Seniors and Juniors just falling into second. I suspect Julie already has a plan to double the cake ration as an incentive for her team to do even better during 2020.

Dartford held the British Open Skeet which was won by the godfather of Skeet coaching, Alan Warren, on the only 100 of the event. Gary Cooke shot 99 to come Runner-up after a shoot-off with Daryl Burton. Jackie Eley took the Ladies title with Megan Jones coming a close second. Ross Lester won the Junior title. Alan Warren also took the Veteran title, whilst Tristan Hockey took the Colt trophy shooting at his home ground.

**Olympic Skeet:** Northern Ireland hosted the OSK Home International. The winning Country and Senior team were England

with a lead of 32 clays over Scotland. Our Ladies, Juniors and Veterans also took the team trophies. The Super Vets losing out to Scotland by one target. High Gun went to Team Captain Jeremy Bird on 99/100. Junior High Gun was Mitchell Brooker-Smith 95/100. Veteran Lee Bowditch 92/100. Andrew Payne, who at 14-years-old, took the new Cap High Gun badge.

**Olympic Trap:** The 43rd Home International was hosted by England at The National Clay Shooting Centre, Bisley. England won by 65 points from Scotland, who had just pipped Wales by a single point for the Runners-up Position. The England Ladies/Juniors/Veterans/Super Veterans teams had similar success. High Gun was Rod Gould, Veteran' High Gun was David Lloyd, Super Veterans High Gun was David Thornley.

**FITASC:** The FSP Home International was held at Atkin Grant & Lang in late September. It was a clean sweep for England who took all the team titles. England Senior team having fought off Scotland to win by 518 to 517. As I said at the banquet that evening, what a difference a clay makes. Full congratulations must go to Charlie Stewart-Wood for the excellent course he designed, and to his team for managing it so well during the weekend.

## FINANCIALS

The companies income this year was just over 2 million, against 2.17 million the previous year. This is mainly due to not hosting the CPSA World English Sporting and Sportrap Championships. It is worth remembering that this does not represent a shortfall in income as the additional money generated by the Worlds is used to feed back into the competition. In fact, our overall surplus for the year was £29K, compared with £16K last year. This surplus will be added to our reserve policy in line with our auditor recommended policy. In 2020 we will be hosting the CPSA World English Sporting and Sportrap Championships and ICTSF World DTL Championships, which will significantly increase our overall income. We can expect these figures to be greatly enhanced in next year's report.

**HEAD OFFICE**

There were several changes at Head Office over the year. Although taking over towards the end of the previous year, 2019 was Iain Parker's first full year as CEO. Watching from the inside for the first time as Chairman, I've witnessed the many initiatives, budget alignments, sponsorship and membership promotions, as well as the remoulding and rebranding of many of our core processes he has been responsible for. As a result, I personally believe that we are in a significantly better place than we were this time a year ago, and I'd like to express my thanks and admiration for the efforts Iain is taking to move this organisation forward.

Trudy Abel, who many of you will know, managed the England teams for over 13 years, decided to start her own business and left during the summer. We wish her success and satisfaction in her new venture. Although Trudy will be greatly missed, Clare Heney has taken on her role and very quickly come to grips with, arguably, one of the more taxing jobs we have at HQ. Additionally,

as a result of internal reorganisation, Richard Worthington has taken on further responsibilities with marketing and *Pull!* magazine which are less high-profile, so can often be overlooked, but are equally important and valued when the applause and thanks are being handed out. Although not a change in personnel, I'd like to mention Mark Smith, our membership officer who will, before the end of this year, have reached 20 years service with us. Although I'm sure we will officially recognise that achievement when it comes to term, I would just like to add my personal thanks and appreciation for his resolution and commitment as well as his cheerful and outgoing personality.

**SPONSORSHIP**

Although in previous years we have had significant and welcome sponsorship from within the industry, full credit must go to Iain Parker and Phoebe Grant for their tireless efforts which have greatly enhanced both our sponsor base and the level of commitment we, and they can jointly

provide for the benefit of the members.

In 2019 Musto became our headline sponsors with a greatly increased, long ranging and generous commitment to our sport. Similarly our other sponsors, Rizzini, Browning, Gamebore, Eley, Promatic, Romero Insurance, Evolution and Castellani have either joined us during the year or significantly increased their commitment and support.

On a personal note, when this article is published it will be one full year since I took on the role as Chairman. I would like to thank the HQ staff and my fellow directors for the help and support they've given me over this time. Most of all I want to thank all of you, the members, for the welcome you have given me and the assistance you have provided during what has been quite a hectic learning curve. The pup and I will shortly be hitting the road for the new season and we look forward to meeting you all again in 2020.

# DIRECTORS' REPORT AND FINANCIAL STATEMENTS

For the year ended 30 November 2019 - The directors present their report and the financial statements for the year ended 30 November 2019.

**DIRECTORS' RESPONSIBILITIES STATEMENT**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting

Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- Select suitable accounting policies for the Company's financial statements and then apply them consistently;

- Make judgments and accounting estimates that are reasonable and prudent;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**RESULTS AND REVIEW OF BUSINESS**

2018/2019 has been a successful year at the CPSA across a number of areas, whilst facing challenges of a fall in membership and in turn income in the financial year.

Membership numbers were down year on year with 23,192 (2018: 23,695) active members at year end, while competitors

at our major Championships increased. We continued to work on behalf of the membership with key legislation issues – such as environmental and legal issues facing our sport through our seat on BSSC, directly with government and working with fellow associations. We had some changes to the team at CPSA HQ in the year and refocussed our marketing plans in the year. Development work and investment continued in our SHOOT programme, which is key to improving our competitive shoots and Championships. Our coaching and education courses continued to increase year on year as we develop and modernise the programme. In 2019, we were able to increase sponsorship for our major Championships and signed a three year headline sponsor with the performance clothing brand Musto. The surplus for the year, after taxation, amounted to £29,356 (2018: £16,529).

We have audited the financial statements of Clay Pigeon Shooting Association Limited (the 'Company') for the year ended 30 November 2019, which comprise the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- Give a true and fair view of the state of the Company's affairs as at 30 November 2019 and of its surplus for the year then ended
- Have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice
- Have been prepared in accordance with the requirements of the Companies Act 2006.

### BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- The directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- The directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Companies ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

## OTHER INFORMATION

The directors are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditors' Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## OPINION ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- The information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements;
- The Directors' Report has been prepared in accordance with applicable legal requirements.

## MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters in relation to which

the Companies Act 2006 requires us to report to you if, in our opinion:

- Adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- The financial statements are not in agreement with the accounting records and returns; or
- Certain disclosures of directors' remuneration specified by law are not made; or
- We have not received all the information and explanations we require for our audit; or
- The directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Directors' Report and from the requirement to prepare a Strategic Report.

#### RESPONSIBILITIES OF DIRECTORS

As explained more fully in the Directors' Responsibilities Statement on page 1, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine

is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

#### AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the

economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditors' Report.

#### USE OF OUR REPORT

This report is made solely to the Company's shareholders in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's shareholders those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's shareholders for our audit work, for this report, or for the opinions we have formed.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 NOVEMBER 2019

### 1. GENERAL INFORMATION

Clay Pigeon Shooting Association is the National Governing Body for Clay Pigeon Shooting in England. The company remains committed to promoting excellence in the sport.

The company is a private company limited (registered number: 3146770) limited by guarantee and was incorporated in England and Wales. The company's registered office is Edmonton House, Bisley Camp, Brookwood, Surrey, GU24 0NP.

### 2. ACCOUNTING POLICIES

#### 2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The following principal accounting policies have been applied:

#### 2.2 Income

Income is recognised to the extent that it is probable that the economic benefits will flow to the Company and the income can be reliably measured. Income is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Membership fees are recognised for the period to which they relate.

Championships, events and courses income are recognised in respect of goods and services supplied during the year.

#### 2.3 Operating leases: the Company as lessee

Rentals paid under operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the lease term.

#### 2.4 Interest income

Interest income is recognised in the Statement of Comprehensive Income using the effective interest method.

#### 2.5 Pensions

##### Defined contribution pension plan

The Company operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the Company pays fixed contributions into a separate entity. Once the contributions have been paid the Company has no further payment obligations.

The contributions are recognised as an expense in the Statement of Comprehensive Income when they fall due. Amounts not paid are shown in accruals as a liability in the Balance Sheet. The assets of the plan are held separately from the Company in independently administered funds.

#### 2.6 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight line method.

Depreciation is provided on the following basis:

Freehold property	0% straight line
Property improvements	10% straight line
Motor vehicles	25% straight line
Furniture, fittings and equipment	25–33% straight line
IT Development	20% straight line

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date. Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of Comprehensive Income.

#### 2.7 Stocks

Stocks are stated at the lower of cost and net realisable value, being the estimated selling price less costs to complete and sell. Cost is based on the cost of purchase on a first in, first out basis. Work in progress and finished goods include labour and attributable overheads.

At each balance sheet date, stocks are assessed for impairment. If stock is impaired, the carrying amount is reduced to its selling price less costs to complete and sell. The impairment loss is recognised immediately in profit or loss.

#### 2.8 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

A small but dedicated group of English Skeet shooters opened the new season of the 50-bird skeet league. The weather was good

#### Mickley Hall Development Programme

This development programme is a must for anyone looking to improve their shooting. **Ladies Clay Shooting League**

Well the weather stayed fine for the Ladies Clay Shooting League Christmas event, held at Manchester Clay Shooting Club. The Course was tricky in parts and a high tower target needed to be hit in order to win a chocolate Santa. I'm pleased to say most won a Santa but not all – rules are rules! It was a great day along with some competitive scores. On The Peg Clothing provided fantastic support as they have all year. Prizes were also provided by A1 Shot and Louise Aldford from Yorkshire Fillies, these were collected by the Ladies who straighted the most stands. High Gun was a joint affair by Victoria Gallimore and Julia Payne, who both finished on a great 58/75. Thanks also to Mike Sargeson, Paul Ellis, Miles Machin and Robert Eckersley for their support, hints and tips around the course. Thanks again to MCSC for a great day.

**Cheshire DTL team selection shoots**

There are six selection shoots, with the best four scores to be used. Selection shoot at Fauxdegla on 19 April, Holmes Chapel 14 June, Cheshire County Championship at Holmes Chapel 26 July. Please note that the Inter-Counties is only one week away, so be ready for a call from the Team Captain to go. Nottingham and District date to be confirmed. Plus any two registered scores submitted to David Hurstfield. The DTL West Midlands Inter-Counties is at Nottingham and District on 2 August, and the National Inter-Counties is at North of England on 27 September. Let's have a great summer of shooting, there's some great events this year so let's get Cheshire shooters there!

**Cheshire English Skeet team selection shoots**

Please note, these dates are provisional and subject to confirmation. Keep checking the website and the 'forthcoming dates' paragraph in *Pull!* magazine, as the dates will be confirmed as soon as possible. Doveridge 15 March, 5 April and 31 May. North Wales Shooting School 6 June and 11 July.

#### CPSA Top Shots 2019 from Shropshire

Shropshire Top Shots is led by Helice Internationals: Marcus Iddon ranked first by a margin of 3.54%, Alan Rowley fifth, Andrew Lloyd 13th, and Gareth Stanford-Iddon 18th. In Olympic Skeet Arran Eccleston is ranked 13th (Open Category) and seventh in Juniors. Olympic Trap specialist Rebecca Fergusson is ranked eighth in Ladies. Julie Burton is ranked first in Ladies All Round, following on from her third Ladies British Open All Round title this year and Runner-up in the Ladies English Open. Trevor Lewis was eighth in the Veterans All Round List. Well done to all, hopefully we will see more Shropshire members in the Top Shots during 2020!

#### 24 Nov: Shropshire DTL Championship,

#### Mid Wales

Saving the best for last comes to mind with this exciting Championship that had a few surprises across the classes and categories. It was a good day to be a Veteran, Colt or Junior. The Shropshire DTL Champion for 2019 is former DTL England Team Member, Captain and Manager Alan Ellison who led the way on a magnificent 99/295. The Runner-up two points behind was fellow Veteran Tony Gardener, significantly beating his top shot son by just one point. It is noted that first in A Class was Alan Ellison, first in B Class was Tony Gardener and first in AA Class was Shaun Gardener! Graham Evans was third in Veterans. Shaun was the top Senior, with Alan Rowley and Gregory Stafford tied for second. Julie Burton won the Ladies title and first in C Class, with Jan Dixon Ladies Runner-up.

Now for the really exciting bit, featuring four

Colts and one Junior. All shot well, especially given the very limited registered shoots any of them have completed. Two Colts, Fergus Ward and Jack Shipton, tied for first place on 83/237 and a full round shoot-off was organised that proved very exciting to watch. Both shot well, Fergus 20/55 and Jack 24/70 to take the Junior title. The bronze medal was won by Joel Kelly, another Colt. A special mention goes to another Cadet in the Shropshire Development Initiative, Charlie Morris of Hereford & Worcester, who shot a very respectable 97/278 in the Kreighoff Winter Series. Big thanks to Pat Reeves for encouraging and supporting all of the Cadets! The presence of more Colts and Juniors last year shooting in County Championships was very refreshing, and there will be much more to come from these young men next year – hopefully some young Ladies too. Many thanks to the Williams family and the team at the Mid Wales Shooting Centre for supporting the Shropshire DTL County Championship.

Thanks to everyone who shot at Mid Wales and those that supported the County competitions throughout last year. We can't wait for the new competitive clay season!

#### 18 Jan: Barry Edwards Memorial Shoot, WMSG, Hodnet

Barry Edwards was a very popular member and shot for the County in a variety of disciplines over many year's. He was a good listener, good friend to many and offered useful pragmatic advice, quietly with authority. He is greatly missed. Nick Williamson won the trophy that was kindly sponsored by Dave Brick who knew Barry for many year's. Peter Bridger and Fred Wilson were joint Runners-up with Mike Cashmore not far behind.

#### 8 Feb: Awards Evening, Corbet Arms

A special thanks to all those who supported the event and the County throughout 2019, it is very much appreciated.

Please visit the website for full 2019 results and information on this year's calendar.

Steve Smith Supreme Champion of Champions.

Saira Boardman Ladies Champion .

We had great success at Revesby Country Fair and Brocklesby Fair. Thank you to the committee and volunteers Marvin Houghton, Phil Thomas, Alan Firth, Richard Gray, Paul Briggs, Jane Bell and husband Andy, and Tony Woodcock. All of them went to one or both events and we are very grateful for those prepared to give up their own shooting to promote our sport.

A special mention must go to the previously unprecedented success of the Junior sporting team, achieving first in the East Midlands event and Runners-up Nationally. Congratulations to Kallum Burrell, Callum Burgess, Alex Horton and Jack Page.

This was followed by the election of officers and members. All officers were returned for a further year of volunteering, as were the current members. We are delighted to add to the committee for the coming year volunteers Richard Gray, Richard Thompson and Eric Cundall. Welcome on board and congratulations.

Following the formal aspect of the AGM it was award time. Going down to the very last County Championship event, this was one of the closest fought battles for many a year.

There was some fantastic shooting throughout the year, with Steve Smith and Pete Atkin fighting every inch of the way taking things to the wire. Supreme Champion of Champions 2019 is Steve Smith, who scored well throughout the year. Narrowly missing out this year as Supreme Champion, Pete Atkin takes the honours in the Senior Championship. Saira Boardman by her own admission, 'just wanted to be competitive this year' in the Ladies events. Little did she know her competitiveness would land her the Ladies Champion title. Last year's Supreme Champion Richard Gray took the Veterans Trophy to add to his bulging Trophy Cabinet. George Cheer made it three on the trot as he took the Junior title, to add to his previous

Junior titles from 2018 and 2017.

That was almost it for the awards evening, except for the vast variety of raffle prizes. This year's prize hamper was won by Barry Exton, congratulations. We would like to thank everyone at the Barge and Bottle for the attention to detail, great service and food.

From everyone on the Committee, we would like to wish our members every success for the year ahead. May your hard work be rewarded in the most fantastic way.

### PAM BAIRSTOW

I would like to thank all those eagle eyed amongst us that noted the high levels of precognition with regards to the appointment of the 2020 Chair of the County committee. Hopes and ideas were printed as actions too soon there, sorry! I have my prescience ability firmly turned off now – so questions about who will win all the silverware this year will be met with a blank response!

The AGM held on Wednesday 15 January did indeed vote Simon Vogel into the position of Chair of the County committee. It also returned all those committee members who had agreed to stand for another year. Sad farewells were given to Bob Meadows, Catherine Foster and Laurie Cookson who did not stand this year. They were sent on their way with copious amounts of thanks for their hard work over their many year's of voluntary service to county shooters. Warm welcomes were given to new committee members Colin Butler and Dave Grant-Innes, with assurances that they would not be asked to do anything too onerous. Simon and Colin were also voted to be Northants Regional reps, and will also represent the county at regional committee meetings.

#### County Competitions for 2020

In 2019 the County had roughly 400 CPSA members, of which 73 individual shooters entered the County competitions. One entered six, four entered five, one entered four, eight entered three, 17 entered two, and 42 entered one competition. This year the committee is working to think of ways to encourage more members into competitions, if you have any

ideas please email me or chat with Roy or Marty. Could this be the year you enter a competition?

The fixtures have been posted on the website and Facebook pages, but as always this early in the year they are liable to amendment as National and Regional fixtures are still in the process of being finalised – look to the Facebook page for up-to-date details. There have been some changes to the planning for this year to try to facilitate more shooters entering. Some competitions are being held on Thursday evenings, some on Saturdays and some being held over a whole weekend.

#### Regional Competitions

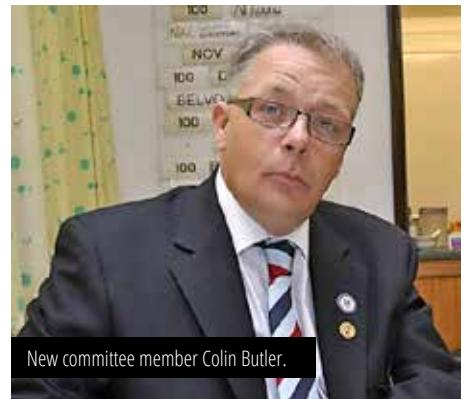

Last year the County entered into three of the six disciplines for the Inter-County Regional Director's Trophy and came last with 13 points. We were unable to field teams for ABT, DTL or FITASC. This year all the events are being held at Northampton Shooting Ground, Kegworth and Nottingham, with details on the county and East Midland's website. The County also entered teams for the national Inter-County, All-Round and Skeet competitions last year, with some level of success. I am sure that Roy would like to hear from you if you are interested in entering any Inter-County competitions, or if you fancy being a Team Manager this year.

#### Fixtures

There are no County fixtures for March, but the England selection dates are as below. ESP EM Selection Shoot at Sporting Targets, 21-22 March and ESL Selection Shoot 1 at Eriswell Lodge, 28-29 March.

New committee member Dave Grant-Innes.

This will be the last county report written by me as I have stepped down from the Committee – I'd like to thank all those who have sent their success and photos to me over the last few years. I would also like to wish my successor good luck and happy reporting.

The first County Championship of 2020 will be the Single Barrel DTL, held at Nottingham Gun Club on Sunday 29 March. It would be great to start the season with a good attendance, so give the ground a call to get booked on.

### Nottinghamshire Helice

Sunday 24 November was the final County Championship of the 2019 season and was the ZZ Helice at Rugby. Three competitors for Nottingham were only separated by two targets. Gordon Hodgkinson was the County and Veteran Champion finishing on 19, one target ahead of the previous champion and his brother Granville Hodgkinson on 18. Adrian Snell was the remaining Notts shooter who finished on 17. Well done to all of you on such a close fought championship. Huge thanks to John and the team at Rugby.

### AGM Report from Notts Chairman

On 4 November we hosted the 29th Nottinghamshire AGM – I would like to thank all those that attended. After ratification of the minutes from the 2018 AGM, we held a minutes silence in respect for those that have departed during the last 12 months.

There was then a report from both the Chairman and Regional Director, during which the committee were thanked for all of their hard work during the last year. Thanks were also given to Nottingham & District Gun Club for hosting the 'have-a-go' night, which raised £560 for the Nottinghamshire Shooters.

Thanks were also given to Ken Rimington,

Julia Fell, Kieley Cooper and Gordon Hodgkinson who have stepped down from the committee, but over many year's between them, have given so much to our County.

The committee then stood down and elections were opened for the following year, the positions were filled as follows. County Chairman Carl Smith, Vice Chair Darren Watkinson, Secretary John Martin, Treasurer David Sayer. Committee Members are Granville Hodgkinson, Emily Martin, Megan Gamble, Carol Parfment, Ash Parfment, Harvey Sharpstone, Russ Hufton, Robin Ellis and Michael Chiakli. The East Midlands Representatives will be Carl Smith and John Martin.

With no other business, the meeting was closed and the Supreme Championship winners were presented with their trophies and County clothing. After the presentation everyone moved from the conference room and into the main clubhouse for drinks and a buffet provided by Nottingham & District Gun Club, with thanks to Linda Hewkin for preparing all the food.

The Suffolk CPSA AGM was held on 21 January at Eriswell Lodge. We saw another year with a great turn out, thank you very much to all of those who came along. Throughout 2019 we had many accomplishments at the East Midlands shoots and managed to retain the Directors Trophy for another year – by an impressive 10-point lead! Our Senior team won two of the six events, and came Runners-up in a further two. Our Junior team won three of the events, with members of our Junior teams winning the individual High Gun in four of the events. It was also the first year a Helice shoot Inter-County was held in the Region, where Suffolk shooter Kelly Johnson took home the Ladies High Gun.

This year our county also moved to a new website, [www.suffolkcpsa.co.uk](http://www.suffolkcpsa.co.uk), which is regularly updated for our shooters to keep in the know about what is happening in the County. If you have any photos from shoots or content you think may be beneficial, please feel free to send them across.

We would like to thank all of our county grounds for holding the shoots throughout the year, and our shooters for attending the events and making 2019 a successful year.

### Supreme Champions 2019

#### Presidents Cup

At this year's AGM we announced the addition of the Presidents Cup, which will be awarded over the coming year's for special contributions to Suffolk.

This year we thought it was only right that it be awarded to Richard Hails, our previous Chairman who we sadly lost in 2019. He was a dedicated official of the County for over 30 year's, and his passion for shooting and was a huge part of his life and he is incredibly missed. We invited members of his family to the meeting to be presented with this award on his behalf.

Our county dates should be released by the time this issue arrives, so to keep up to date please visit our website. We look forward to seeing everyone in 2020!

#### 2020 Great news

Young Alex Head has been awarded the John Newton Memorial Trophy for his outstanding shooting and competition wins in 2019. The South West Regional Committee study all the young talent showing promise in all the Counties that the South West CPSA committee oversee. Comparing his shooting skills against Juniors from Dorset, Cornwall, Devon, Wiltshire, IOW, Somerset and Avon, to come out on top is a great reward for this up-and-

coming lad. We believe Luke Elliott was the last Hampshire Junior awarded this accolade. Alex has been coached by his dad Andy Head. Andy, who also has won many competitions over the years, has been a great help to 14-year-old Alex. We have seen only a few parents prepared to bear the cost of supporting Junior shots over the years and now the spotlight has fallen on Alex, who

obtained second in C class at the British Open. I hope the sports manufacturers will now help him with some sponsorship and get their name associated with this future champion.

#### Richard nails it again

Our very own Hampshire CPSA Vice Chairman Richard Faulds MBE nailed the British Open yet again. High Lodge was the setting for the 2019 British Sporting Championships. The targets were set to a high level, but when has that ever put Richard off? They could put a trap on the moon and he would still hit them! To retain a title like the British Open is an amazing achievement, but when you look into what Richard has won over the years in so many different disciplines, it is truly amazing. We are very lucky to have this level of sportsman in our County.

#### Hampshire Championship Dates

The final venues and dates for the Hampshire Championships are now confirmed and will appear on the website by the time you read this article. We hope there will be many of you prepared to enter these Championships to rack up the points towards the Hampshire Supreme Champions trophy. One of the first will be at Fareham CTC Sunday 29 March DTL, then Saturday 11 April the All-Round. This will be followed by Saturday 25 April ABT, then on 10 May English Skeet. Please keep an eye on the Hampshire website for the other trap and sporting discipline dates and venues.

#### Fareham CTC Investing

Like many clubs Fareham, CTC offer the chance to get into our sport on the cheap with lessons/instruction from just £12.50 with everything included. These lessons are so popular the club has re-invested fees received by knocking down the old original steel pool shoot structure and building a truly superb five-stand advanced shooting plus area in its place. This refurbishment was carried out by club member/builder Mark Bryant.

This advanced area is dedicated to teaching the tougher targets, sporting rules, button/trap operation and scoring. From the off the students shoot progress is recorded on a cleverly designed shoot progress card, noting the level of safety gained, gun fit and targets shot, to name just a few. The first visit to the club will start on a second purpose-built five stand beginners area, yet another fully undercover shoot area and again dedicated to beginners.

So once again I find myself in the odd position of writing this report without our AGM having occurred. However by the time you read this, the AGM will have happened and we should have a new committee for 2020, the County Champions will have received their trophies.

So firstly, a big thank you to all the serving members of the 2019 Committee who gave their time freely to help organise everything that goes on within the County and with the South West and Inter-County events. Also a thank you to those Somerset shooters that turned up to the AGM, as your input in to how you want the County to be run is always appreciated.

There's not a huge amount to report on really, but we are busy finalising the dates for the forthcoming County Championships and will get these released as soon as possible.

#### Inter-County Championships

#### AGM

This year's AGM was well attended, held at the George and Dragon in Potleaze on Wednesday 15 January 2020. The Chairman's report is copied below:

'Good evening and welcome to the 2020 AGM. Firstly may I thank you all for attending this evening, I would also like to take this opportunity to thank all the officers and committee for their continued support and congratulate all those who have been successful in winning and competing in the competitions held in 2019.'

'Last year we managed to enter teams into several County events, with success for teams and individuals. Well done and thank you to all those who took part. We hope to continue to build on the success by advertising in the *Pull!* magazine, on Facebook and through posters around the Shooting Grounds and Gun Shops. As a committee we will try to get more team entries this coming year, but we will need your support. If you are thinking about or wanting to take part, please speak to any of the committee members.'

'The County Championships were well attended during 2019 and we hope to have the 2020 program sorted soon and advertised wherever possible.'

'The Wiltshire Sporting Challenge for 2019 was once again well supported. A big thanks for all of the sponsors and grounds for their continued support with this event, we look forward to running the event again in 2020 with the current five venues.'

The committee and I would like to thank all the grounds, referees, scorers and all ground staff that work so hard to make it possible for us to continue taking part in the sport. I would also like to thank the staff at the George and Dragon for allowing us to hold our meetings and AGM here.'

The game season has been and gone and we are now looking forward to our Clay Shooting season, with lots of competitions in all disciplines ahead of us all.

With that said, the Bucks Committee are looking for more disciplines to be involved in – not only within the committee but in the arrangements of County shoots. We are looking to push the Trap and Skeet disciplines, so please do get in touch if you'd like to be involved. We are also wanting to encourage all shooters to take part in our Bucks County shoots throughout the year – these shoots are put on especially for us and are there for us all to enjoy.

Please continue to follow our Buckinghamshire Facebook page for further updates on shooting date, results and local news.

After the sad loss of George back in October we wanted to take a minute to thank and mention everyone who donated towards his funeral. The donations included our Bucks Committee who donated £200, and an even bigger thank you for a hugely generous donation of £980.00 made by Mark Blamey and his family. It's lovely to see how our Bucks Shooters came together at a very sad time.

The CPSA Awards saw our Ladies World Compak Champion, Amy Easeman earn herself the CPSA Shooter of the Year! I know this goes without saying but, what an amazing achievement for our very talented shooter! Huge well done Amy, so deserved!

Not much to report in Essex this month. The start of the year is usually a quiet one, as and when they are announced the selection shoot dates will be written in here for all disciplines, as well as being uploaded to the website. The season is nearly upon us so I would like to wish everyone the best of luck for the forthcoming season.

#### Young Shots – Bethany Norton

Bethany from Hertford started shooting a couple of years ago, initially having some lessons at LVSA with Ken Rist. Bethany went on to shoot in the British Schools and Young Shots at Atkin Grant and Lang back in May 2019, she finished third in the U14 Girls category.

Bethany shoots a Browning XS pro 12 gauge, using Fiocchi FBlu cartridges.

Bethany has secured her place in youth shooting history by winning The Schools Challenge Grand Final and taking home the biggest prize in Junior clay shooting – an MG car. She had to finish in the top five to compete in a Sporttrap style super-final, where five Girls shot for the top prize. As winner of the TSC, Bethany is now brand ambassador for The Schools Challenge, The Oxford Gun Company and Olivia Tullett Clothing.

Her aspirations for 2020 are to start competing in more CPSA registered shoots, particularly Skeet and DTL and begin working towards training in Olympic Disciplines. Returning to the British Schools and Young Shots competition and hoping for the first place. She has a couple of years left in the Colts category and I expect will move up the classifications in Sporting, DTL and Skeet during 2020.

We have a limited group of only six Colt shooters and 13 Juniors in Hertfordshire, so it is great to see so many of them achieving great results.

#### Calling all Juniors and Colts

The Herts committee sponsor the entry fees for Junior and Colts for Inter-County shoots, so put your name forward for a slot on the various teams in 2020.

Bethany Norton.

Championship, following in the footsteps of his brother Fletcher. Both came away with a team gold, Fletcher also won bronze in the Junior competition. Jensen went on to win a bronze in the World Cup.

There has been a resurgence of Trap shooting in the County, and the Surrey DTL Team won the Inter-Counties event for the first time since it was first awarded in 1973! Well done team – no pressure but we expect you to retain it this year.

There was a good turnout of Surrey shooters for the ABT event, and so we have re-instated that as a Supreme points event for this year.

**Notable Senior Achievements**

At the other end of the age categories, Chip Smith made the top ten super final at the World Sporting Championship in Ireland, and won the bronze medal in the Veteran class.

Jo Watson-Hopkinson represented Great Britain in Helice for the first time taking home a bronze in the Ladies European Championship as well as a team silver. Karen Allen qualified for the England Team for DTL and succeeded in taking home a team gold in the Home Internationals. Rachel Parish has returned to Surrey to add Commonwealth Games experience and strengthen our Trap team even more!

I hope you enjoyed the festivities and are all ready for the 2020 Clay season.

We ended the 2019 on a slightly disappointing shoot at Northampton due to illness. The All Round didn't run as planned and apologies to those who turned out to experience it. Thanks to Martine for battling on with such limited ground staff. Congratulations to Henry Mitchell for winning the County All Round Championship with a great score of 94ex100. Well done to Stuart King with 91ex100, placing him second and Julian Freeman 90ex100 third. The Ladies title was won by Charlotte Allen with an 83ex100. The Vets title was won by Kevin Durrant with a 76ex100, and finally the Junior title was won by Connor Durrant. Great shooting all!

At the same Championship we ran our Oxfordshire Challenge Trophy. Thanks to all Oxfordshire shooters who supported this and took part. It was won by Henry Mitchell who will collect his winnings of £500 at the Oxfordshire Cup Presentation Dinner on Saturday 28 March at The Holt Hotel, Steeple Aston.

Stuart King won second place and he will collect £400. Equal third places went to Joe Robbins and Karl Field who will each collect £250. Fifth place went to Matt Hance and he will collect £125, sixth place went to Roy Cherry and he will collect £100. Finally, equal seventh place was shared by Steve Cox and Tony Robbins and both will collect £37. The

There are no Championships to report on at this time of year, so we have included a review of the successes of last year.

2019 was a very good year for Surrey shooters. Four of our Juniors performed well at International level. Surrey Junior Owen Lewis had a great result in the OSK Grand Prix at Jarapalo, Malaga in November. 16-year-old Owen shot really well in the final, scoring 49/60 to take the Junior gold medal by two clear targets. Many congratulations to Owen from the Surrey Committee.

Maddy Boyd competed in various events including the Canadian Open OSK where she won gold in the Ladies and was placed in the overall top ten. Back in Great Britain, Maddy won gold in the British Shooting Grand Final in Wales, and was placed in the top five British women shooters over the season – not bad for a Junior!

**Insurance**

**Newmoon Insurance**

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

# FROM RED COAT TO REFEREE

The CPSA's Sports Personality of the Year, **Tony Axcell**, tells **Jo Fellows** how shooting was his saviour.

**T**hey say that there has to be a challenge for there to be change. The story of how Tony Axcell came to refereeing, and then went on to be Sports Personality of the Year at last month's CPSA awards, is one such story.

Tony joined the Army as a Royal Engineers Apprentice at just 15-years-old and served for six years. On leaving, he wanted to do something completely different and joined Butlins as a Red Coat in 1977.

"I did the lights in the theatre at night, and during the day I was a lifeguard at the swimming pool," said Tony. "It was hard living on £21 per week but the fringe benefits, life experiences and laughs made it all worthwhile." After about a year, he hung up his Red Coat to become a haulage driver.

## BASIC START

Tony began clay shooting in his 40s. "One of the guys I worked with at the time was a part-time gamekeeper, and a few of us started off in a field outside Guildford with two boxes of clays and second-hand traps once a month on a Sunday – it was all very basic but great fun!"

He started shooting on a regular basis at Dartford Gun Club in 1998. The owner, Peter Duffield, also owned a haulage company and Tony was driving one of his artics. "One Friday he asked me what I was doing the following day. 'Nothing'

I replied. He asked me if I fancied helping him out at the Gun Club – and I ended up doing Saturdays and Sundays for 17 years!"

But then an accident threatened his livelihood. He tells us, "In 2011 I was in my truck and the car in front of me spun on black ice and went through a fence. I stopped to help and was hit by another car while standing on the pavement.

The car that hit me was doing 70mph on the A1, when the matrix signs said 40mph. I ended up with an open fracture to my right leg and both knees smashed – and that put paid to me ever driving a truck again. I was devastated.

"While I was recuperating, Stuart Gould, who represented the other party's insurance company, came to see me. He asked if I would like to go back to work. Of course I would, but I was no longer able to drive a truck. He asked what I did in my spare time and I said I like to shoot clays. He said, 'would you like to have more to do with shooting?' 'Absolutely' I said."

A couple of weeks later the insurance company bought him a gun and paid for all his referee courses. 2020 is Tony's sixth year

He asked what I did in my spare time and I said I like to shoot clays

of refereeing. He referees mainly Sporting, FITASC and Sportrap. "Sportrap is my favourite," says Tony, "there's more to do and more buttons to press – sometimes I get them in the right order!"

He likes to put shooters at ease by always greeting them with a friendly hello.

"Life as a Red Coat was excellent training for being a referee. All competitions are exciting, whether it is a World Championship or a 100-target Reg Sporting, I treat them the same. I just love being outside and refereeing is a very social thing," says Tony. "I will give you the same professional

standard, respect and good manners, whether you are a AAA World Champion or its the first time you have entered a competition."

Tony tells us he is always happy, "I've got my health, and most of all in Caroline I have a tremendous partner of 30 years, four sons and one grandson – I'm so very lucky to have a wonderful home life."

## IT'S BEST TO BE BRIGHT

As well as his professionalism, he's also well-known on the shooting circuit for wearing brightly-coloured shirts. "I am quite small and very round," he admits. "I started wearing Hawaiian shirts because they are loose and comfortable. The shooters commented on them and it's sort of expected now. In the winter I just make sure I'm warm and dry."

If anyone's thinking of taking up refereeing, Tony's advice is, "Do it – it's not hard. You'll get plenty of fresh air, great company and lots of laughs, just be yourself."

There's a small group of referees that do all the Majors. "We are a tight knit bunch and I would like to take this opportunity to thank them for helping me with my refereeing career – especially Bob Fisher, John Murray, Jes Simmons and Arnie," says Tony.
