WELCOME

We were pleased to announce on 14 May that the CPSA could endorse the reopening of grounds following the easing of government restrictions – albeit with shooters limited to groups of two. On 1 June we were able to announce the resumption of CPSA Registered shoots and larger squad sizes, following government guidance that groups of up to six people from different households could now meet for sport. We thank you all for abiding by government guidelines and protecting each other and the NHS by staying home and waiting patiently until the appropriate time for shooting to begin again.

I was personally excited to get out shooting, and have visited several grounds, including Westfield, E.J. Churchill, High Lodge, Eriswell Lodge, and Owls Lodge. All were doing an excellent job of following CPSA and government guidance to conduct our sport under the right conditions. You can find the full CPSA guidance at cpsa.co.uk/staysafe. I encourage all of our members to read this, as it is the responsibility of everyone to do their bit to slow the spread of Coronavirus, not just the clubs and grounds.

In this issue of *Pull!*, we have a feature by Sam Nunn on pages 11-14 evaluating the accessibility of English grounds for disabled shooters. It is a goal of the CPSA to make sure that clay-target shooting is an inclusive sport for everyone, so please have a look to see what is being done well, and where improvements can be made.

We also hear from up-and-coming ABT shooter William Gilbert on page 19, and we speak with Steve Lovatt on page 50 about how he has worked with the CPSA to develop a system for holding Registered Shoots under social distancing and government conditions. Steve also talks about his course setting plans for the 2020 CPSA British Open English Sporting at Garlands this September, an event we can all look forward to in this unusual year.

CLUBHOUSE NEWS

REGISTERED SHOOTING RECOMMENCES

The CPSA announced on 1 June that CPSA Registered Shoots could recommence, following government guidance that groups of up to six people from different households could conduct non-contact sporting activities together.

You can find the most up-to-date details for how shoots may be held at cpsa.co.uk/staysafe. At the time of print, the following are the key points of our guidance to grounds:

- Squads can now be up to five, plus a

- Caddy/Referee or Referee per stand
- All squads must be booked on in advance – it is suggested you ask for confirmation that no-one has any symptoms of Covid-19 themselves or in their household
- Safety briefings will take place before the round commences regarding acceptable social distancing, scoring procedure and biosecurity measures during the round
- No score cards will be touched by shooters at any time. You will be scored

either via a squad/shooter card with the squad Caddy/Referee or a master score card by the stand Referee

- After shooting the stand, squad members must verbally confirm their score with the Referee before leaving the stand. The Referee's decision and score marked is final
- All squads start on stand 1 and shoot the course in order
- For those Grounds with multiple fixed layouts such as DTL, ESK, and Sportrap, it is acceptable to have a squad on each layout at each allotted squad time
- We would advise not to allow pool shoots at this time to avoid crowds
- Adopt a 'shoot-and-go' policy to avoid large crowds and social distancing issues.

ENGLISH/BRITISH OPEN ALL ROUND AND ENGLISH OPEN ABT UPDATE

The English/British Open All Round and the English Open ABT have been postponed to later this year because local accommodation is not likely to be available for each due to Coronavirus-related restrictions.

The English/British Open All Round (originally scheduled for 4-5 July) at Brook Bank Shooting Ground will now be held 15-16 August 2020.

The English Open ABT (originally scheduled for 27-28 June) at East Yorkshire Clay Shooting Ground will now be held 8-9 August 2020.

All bookings will automatically transfer to the new dates. Full refunds of competition entry fees can be requested for those who are booked but unable to attend on the new dates. Please email championships@cpsa.co.uk to request a refund for the English Open ABT, and contact Brook Bank Shooting Ground directly to request a refund for the British Open/English Open All Round.

We would like to thank Brook Bank Shooting Ground and East Yorkshire Clay Shooting Ground for their support in this decision and look forward to hosting these events with them later in the year.

BRITISH OPEN ENGLISH SKEET – WHY NOT HAVE GO?

At time of print there are still many places open for the British Open English Skeet on 22 August at The National Clay Shooting Centre, Bisley. With so many events cancelled this year, why not book on, even if skeet isn't your preferred discipline? You'll still find the same great atmosphere of a CPSA Championship, and get to break some clays with fellow members. Entry fees are £53 Competition, £43 Targets Only, and £26.50 for Juniors and Colts. Entries close at 12pm on 10 August. Find out more at championships.cpsa.co.uk.

BRITISH SHOOTING SHOW 2021 – COVID-19 UPDATE

In light of the ongoing disruption, The British Shooting Show is fully committed to running their event, scheduled for 19-21 February 2021 at the NEC, Birmingham. The event will be run in accordance with any guidelines that may be in place at that time.

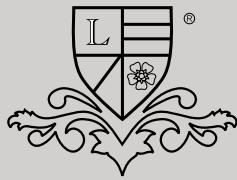

FREE ONLINE GUN VALUATION TOOL

A new, free gun value tool is now available online for retail and trade. This includes gun valuations, buying, and selling, including manufacturer, model and condition. Visit gunvalue.co.uk or email info@gunvalue.co.uk.

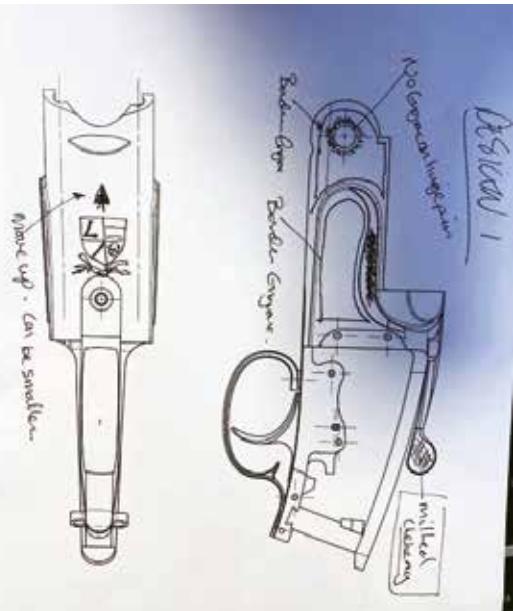

GUN SHOP MANAGER POSITION AT ORSTON SHOOTING GROUND

Prescott Sporting LTD are looking to recruit a driven, self-motivated and experienced full-time gun shop manager at Orston Shooting Ground in the Vale of Belvoir, NG13 9NX. If this is sparking your interest, please apply in first instance by email to emily@orston.com with a covering letter to include an outline of your salary expectations and your current notice period.

SHOTS IN THE MAIL

LETTER OF THE MONTH

Dear Sir/Madam,

I wanted to report and give some plaudits to the Met Police for the renewal of my shotgun certificate. My certificate was due for renewal on 9 July; on 24 March I received a letter from the Met Police recommending that I complete the renewal form sooner rather than later and detailing the new, on-line procedure. Due to being out of the country until the beginning of April I only completed the form, including photo ID and payment on 13 April. At the beginning of May, I received a telephone call from a member of the Firearms Team to discuss the renewal; my new certificate arrived by post on 26 May. In the present circumstances an excellent service; well done Met Police. Also a speedy response from my doctor and no charge for his services, so thank you.

– Cliff Jones

ELEY
Established 1780 - London - Manchester

THE LETTER OF THE MONTH WINNER

will receive 250 Eley Superb Cartridges (either fibre or plastic).

*Cartridges are redeemable via a voucher which will be issued by Eley Hawk.

Is there an issue that you would like to raise or praise? Send your letter including your phone number and CPSA number to: **Pull!** Magazine, Fellows Media, The Gallery, Manor Farm, Southam Lane, Cheltenham GL52 3PB or email: pull@fellowsmedia.com

CAPTION THIS!

Do you have a funny photo that you'd like to send in for the next caption competition? If

your photo is chosen, then you will win a CPSA

branded hat, travel mug, and mini torch! This month's picture is of Top Shot Phil Gray at the English Open Sporting in 2019. Send your photos or caption to captions@cpsa.co.uk.

The funniest caption will be the winner of a Musto cartridge bag. Captions and potential photos will be judged by a panel of CPSA and Fellows Media staff. Please be aware that if you win, delivery of prizes may be delayed due to the Coronavirus situation.

Rude or offensive captions or photos will not be considered. One entry per person per month, winners must wait one year to enter again.

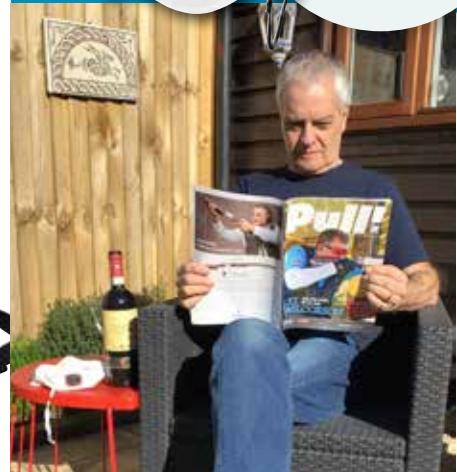

WINNER!

WHERE DO YOU READ YOURS?

Something good to read when in self isolation!

– John Hawkins

WINNER!
Send a picture of where you read yours to us at pull@fellowsmedia.com for your chance to appear here and win a **Musto Evolution Fast Dry Technical Cap**

PLEASE SEND YOUR FUNNY CAPTIONS AND PHOTOS TO [CAPTIONS@CPSA.CO.UK](mailto:captions@cpsa.co.uk)

Competition closes 06.07.2020. All contests open only to residents of the UK (excluding Northern Ireland).

CPSA COURSES 2020

Whether you are just starting out, or are an experienced shooter, the CPSA has created a range of courses to offer the best training available in the sport today.

Please keep an eye out online and in future issues of *Pull!* for more information and additional dates becoming available. If you have any questions don't hesitate to contact Cheryl or Richard at CPSA HQ on 01483 485400 who would be happy to help!

 course

Referee Course

£75

Available in each of the four domestic disciplines of English Sporting, English Skeet, Down the Line and Automatic Ball Trap, these one-day courses will equip you with the general and discipline specific rules to enable you to referee regularly at registered competitions or national championships and, with it, the assurance that what you are calling is correct. This is also an excellent course for the competitor, who doesn't necessarily want to referee, but does want to ensure that they know the rules when they compete.

- 20 Jul ESK – Eriswell Lodge
- 10 Aug ESP – West Midlands SG

- 12 Sep ESK – Dartford CSC
- 10 Oct ESP – Southdown Gun Club

Level 1 Instructor Training Course (ITC)

£695

This four-day course teaches you how to check eye dominance and gun fit. It shows you how to teach the CPSA Method, how to recognise shooting errors and how to correct them. It consists of classroom time, off-and on-range workshops and a final day of assessments. It covers crossing, rising and dropping targets and equips instructors with the knowledge to tackle a huge variety of targets. For this course, the criteria for qualification is that the candidate can get a novice to hit a moving target safely using the CPSA Method. Candidates must have attended an IDW within the previous two years.

- 6-9 Jul Northampton SG
- 3-7 Aug Lea Marston SC
- 22-25 Sep Park Lodge Shooting School
- 19-20 Oct National Assessment Day

L2 Common Element (CE) & Coach Training Course (CTC)

These are two three-day courses – the Common Element (£495) and the discipline specific Coach Training Course (£550). The Common Element now includes the three coach development workshops and allows seamless progression to the desired CTC in Trap, ESK or ESP. There are also three stand-alone CDW's * (£175 per CDW) available for those who have previously qualified as a L2 Coach, and wish to continue their coaching qualifications in a second or third discipline. They are designed to give you the technical skills to improve an established shooter.

- 14-16 Jul L2 Common Element
- 24-26 Aug L2 ESP CTC
- 14-16 Sep L2 ESK/TRAP CTC
- 12 Oct L2 OSK/OT CTC

Shotgun Skills Course (SGS)

£89

For anyone wishing to take part in clay shooting, or novices who have recently acquired a shotgun, this course covers personal and range safety, shotgun types and use, cartridges and chokes. There is a practical session on the CPSA method of shooting. The course includes loan guns, ear protection, eye protection, lunch and up to 50 clays and cartridges. The course is open to members and non-members.

- 18 Jul Garlands SG
- 1 Aug Nottingham & District Gun Club
- 19 Sep Nottingham & District Gun Club

Instructor Development Workshop (IDW)

£175

The Instructor Development Workshop is a one-day course and a prerequisite to attending the four-day Level 1 Instructor Training Course. Candidates will be given an overview of the full four-day course and be assessed for their suitability to progress onto the ITC. Candidates must have attended a Safety Officer Course.

- 4 Jul South Pennine Shooting School
- 13 Jul Northampton SG
- 20 Jul Lea Marston SC
- 11 Sep Cambridge GC
- 19 Oct NCSC

Safety Officer Course

£105

This one-day course which provides the basis for running a safe and successful shooting ground. It looks at safe gun handling, layout management, risk assessments and so on. It's an obvious choice for ground-owners and a prerequisite to Club Affiliation. It also appeals to the shooter and is the first step to higher qualifications.

- 18 Jul NCSC
- 11 Aug Nottingham & District GC
- 15 Aug South Pennine Shooting School
- 17 Aug Lea Marston SC

THE PERFECT SHOT

FOR THE PERFECT DAY

The outstanding Eley clay cartridge range.

The perfect choice.

DISABLED FRIENDLY GROUNDS

Disabled Standing shooter and Secretary of the Disabled Shooters Group, **Sam Nunn**, enlightens us on disabled-friendly grounds and what grounds across the UK could do to be more accessible for disabled members.

When making grounds accessible for less able members, the first thing to consider is what type of person shoots. There is a broad range of people I would suggest – from the age of nine up to people well in their 80s, both male and female. Some enjoy a leisurely shot, some use it for keeping their eye in whilst awaiting the game season, whereas others are extremely competitive and shooting becomes a major part of their life. I would count as being in the latter, as would the likes of disabled shooters Paul Bailey and Adrian Last to name but a few.

The joy of clay pigeon shooting is that most people can have a go, and you won't have to retire due to any physical restrictions that you might have in other sports such as rugby, tennis or even golf. However, do the facilities at shoots

put disabled people, older people, and others generally off the sport, especially when the weather isn't quite so fine?

It isn't just disabled shooters who would benefit from improved or adapted facilities – it is the 7,000 plus Veteran shooters, as well as the rest of the CPSA members and other shooting organisations.

In 2018 the Disabled Shooting Group, via the CPSA, issued a survey asking all Registered

grounds about their facilities – and while some grounds were deemed excellent, on the whole not one ground could perfectly facilitate every type of

It isn't just disabled shooters who would benefit from improved or adapted facilities

shooter. I would agree with this, and have to say that all the grounds I have visited in England could make various improvements.

Above: Adrian Last and Sam Nunn supporting Disabled Sitting shooter Kelvin Davies' wheelchair, showing the challenges of shooting Sporting on an inclined stand. **Below:** The author, Sam Nunn, takes aim.

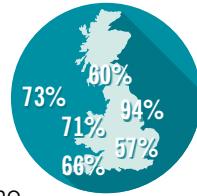

STATISTICS ON DISABLED-FRIENDLY GROUNDS AROUND THE UK

Based on the May 2020 Classified Grounds, here are statistics on grounds that are disabled friendly according to their classification: North 60%, West Midlands 71%, East Midlands 94%, South West 66%, South East 57%, Non-england 73%. This makes it 69% on average.

The statistics on the number of

disabled-friendly grounds are relatively good reading, especially the 94% in the East Midlands. Therefore its no surprise that the DSG membership in the Midlands is high, as the ground suitability makes the sport more approachable.

I have spoken to a few shooters to find out their favourite disabled-friendly grounds, and get their views on what they think could improve.

BEN WOODHAM

Ben is a Disabled Sitting shooter from Suffolk. He is relatively new to competitive shooting and shoots from his wheelchair. He has recently purchased a powered front wheel to help him get around the terrain of various grounds.

Ben has visited grounds all around the UK and has had some mixed experiences. He has found that most of the grounds visited generally have accessible clubhouses – some being better than others. Some have level threshold entrances and some have steeper, more difficult ramps or even steps, while some of the toilet facilities could be improved for accessibility. He finds gravel and paving car parks, paths, and stands

very difficult to manoeuvre over in his wheelchair. With regards to the stands themselves, again Ben has had a mix of experiences. Metal cages are typically easy to use, as they are usually wide so there is plenty of room to manoeuvre.

While he thought some stands that he had shot in were great, he felt several had a large entrance lip or step up or down into stands, which could be dangerous for both disabled and older shooters. Ben has witnessed other disabled shooters either not able to, or struggle to get into, DTL/Trap enclosures where the access is via a door. The best Skeet and DTL layouts were those with both concrete pads and concrete paths, as again a step up or down can be very challenging.

Ben finished by saying how disappointing it can be when you cannot access a stand at all because it is physically impossible to do so.

SIMON FINLAY

PAUL BAILEY

Paul is an International, multi-discipline, disabled sitting shooter. He has shot from a wheelchair since 1996 and has won many international competitions. He resides in North Staffordshire, a somewhat different terrain to Suffolk. Paul uses only a handful of grounds to train at locally. He said that only one of the grounds he visits provides easy access to the reception area. He advised some grounds have ramps available, but again these were not ideal. Only half of these grounds have a proper disabled toilet. Due to the terrain that at some of the grounds he uses, the Sporting setup is up and down slopes, therefore an electric scooter or powered wheelchair would be required for him to access them.

Paul is a very independent and proud man, but when interviewed, one of the most embarrassing things for him was having to get people to book him on to shoots where receptions are not accessible, and also get food and drink.

Left: Alec Sperling. Above right: Paul Bailey at the British Open English Sporting 2018 at Oakedge.

ADRIAN LAST

Adrian is an experienced, international standard, Disabled Seated shooter from Suffolk. Adrian is the Chairman of the Disabled Shooters Group, and also shoots from his chair with powered front wheels. He is also a top referee. Adrian mainly Shoots in the East Midlands and has similar views and experiences as Ben. In addition, he feels you cannot expect all sporting stands to have good paths throughout the ground, however all stands should be either accessible for all, or have a suitable and consistent alternative shooting position.

Adrian also added that some stands need a small ramp to be easily accessed. He felt for standing disabled shooters,

buggy hire makes them more attractive at grounds such as High Lodge and Sporting Targets. He was surprised at the choice of some grounds for major competitions in the past, based on the facilities – or lack of them – the chosen grounds had.

Adrian felt Eriswell Lodge is a good example of an accessible ground. It has a hard surfaced car park, ramped access to the clubhouse and a wheelchair accessible toilet. Improvements could be made to level the Skeet shooting positions, with Trap layouts level or on concrete floor, introduce the use of buggies if needed to get around the Sporting stands, and the provision to shoot from outside the stand if necessary. With the new Clubhouse due to open soon it should tick all the boxes.

A NON-DISABLED PERSPECTIVE

A non-disabled Veteran couple who asked to remain anonymous have been shooting clay targets for around 25 years. Toilet facilities with hot running water were very important to this couple, especially when you are eating food. They also advised that having to walk miles to the first stand is not very appealing. It's nice also to be able to have a firm level base on a stand – this doesn't have to be concrete, but not muddy or uneven. Their favourite ground is High Lodge, as it features a nice car park, excellent toilets, clubhouse and shop. It is easy to walk round and there is buggy hire available if required.

A WORD FROM THE SHOOTING GROUNDS

STUART SMITH, ERISWELL LODGE

Our ground is fully accessible to all, the safety cages are more than large enough to accommodate wheelchairs. Most have removable front bars (especially the new fixed position ones on the Sporttrap and sim game areas), and have a hard stand base too. With the raised platform shooting stands, there is a system being devised to have a second, lower level position for those unable to access the stairs. The new clubhouse is fully DDA compliant in every way, from the bathroom facilities to the doors throughout the building, as well as the platform lift and exterior access ramps and handrails. We have done everything we can to make the ground and clubhouse completely accessible to everyone, regardless of their level of mobility or any restrictions they may personally face. Obviously the Skeet and Trap fields are already concrete so that makes it easy for flat and smooth transit, and the remainder of the ground will keep being improved as time goes on, including even better pathways and outside facilities.

NATASHA HEADING, PRIORY CLAY TARGET CLUB

Disabled and older shooters make up a huge number of our membership and customer base, therefore it was massively important when we took over in 2015 that we made it accessible for everyone. The first thing we did was make the ground a step-free zone. We built ramp access in and out of the clubhouse, and widened doors for wheelchairs to access toilet facilities.

We've flattened as best we can the roadways and access to every range, installed concrete pads between each peg and several disabled parking spaces immediately next to the clubhouse. We've spent thousands since opening to make sure every disability and wheelchair user is able to get on to every range independently, but there's also several staff who work with us who are there to help when needed.

When we first opened the land was hilly and there was no clear path to any range. The grass was overgrown and would have been impossible for disabled/wheelchair users to get on and off a range, let alone a peg safely and easily. We flattened the whole ground, and structured each range so it was easily accessible.

LOOKING TO THE FUTURE

It is clear that shooting grounds have a very difficult task in order to be made disabled friendly, especially those that aren't full-time commercial grounds. I take my hat off to those smaller grounds that try – Hillcroft Group, a supporting trade sponsor who run Byhurst Farm in Surrey, invited us down two years ago for a shoot and hired a toilet especially for us. The other ground is Priory CTC, owned by Aaron and Natasha Heading. They have bent over backwards to ask disabled shooters their views and have done as much as they can to support the group, even in its infancy.

In my view and looking at the above reviews, grounds should be looking up to High Lodge and Eriswell Lodge, both in Suffolk, but appreciate these are commercial grounds open five or more days a week.

I feel that ground owners need to take a good look at their grounds and their decisions, and just be honest when asked why their ground isn't more disabled friendly. Some will get defensive and say, "well we don't get disabled people

Below: Kelvin Davies shoots at the British Open English Sporting 2018 at Oakedge, whilst Paul Bailey views the targets.

APPROXIMATE COSTS FOR DSG IMPROVEMENTS

- Concrete pad 1mx1m for a stand: £100
- DDA ramp and handrails to get into clubhouse: £1,100
- Small Disabled toilet block: £10,000
- Tarmac car park or paths: £25 per m² subject to location and depth

here very often" or "people would like to shoot clays like they are shooting game in a real life environment". The latter came when questioned about shooting on uphill, 25% plus slopes, with even the

fittest of shooters struggling.

I would like to see it made compulsory for existing and aspiring grounds, CPSA Premier or Premier Plus grounds be accessible for the disabled shooters.

DSG DISABLED FRIENDLY GROUND ACCREDITATION

The Disabled Shooters Group are suggesting the launch of the 'DSG Disabled Friendly Ground' accreditation, where grounds will be able to apply for a status for their ground, similar to the CPSA Premier/ Premier Plus rating. Key performance indicators for accreditation will be:

- **Car Parking** – surface material of car park, allocated disabled spaces.
- **Clubhouse** – sensible ramps or level access, door widths, reception and food counter heights.
- **Disabled toilets** – to meet DDA compliance, not used for storage.
- **Shooting paths** – distance from clubhouse to stands, surface material of paths, level access from path to stands.
- **Shooting platforms/positions** – flat, material of platforms, no steps, no bars (trip hazards).
- **Shooting stands** – bar height, leg/wheel room, no steps, no bars (trip hazards).

- **Vehicles for hire** – buggies, scooters, quads, 4x4 etc available.

SUGGESTED LEVELS OF DSG FRIENDLY GROUNDS:

- **Level 1 'Blue'** – Some of the above, fully DDA toilets, clubhouse and shooting stands, scored at least 65% on the criteria.
- **Level 2 'Silver'** – most of the above, and scored at least 75% on the criteria.
- **Level 3 'Gold'** – At least 85% the above criteria.

There are lots of grants out there to improve sporting facilities, subject to what you offer. These can be from Local Council sports departments, Sport England or even British Shooting. We are aware that some grounds have already benefitted from getting significant grants for disabled improvements.

The DSG are here to give you advice and knowledge from people who are living it – please use us! 

NEW 694 COMPETITION

Sporting and Trap

The pursuit of perfection is a never ending journey and Beretta engineers are constantly striving to push these limits. They have now taken a step nearer to absolute perfection with the spectacular, NEW 694!

The 694 heralds a new dawn; packed with features to improve your shooting performance as well as a stylish and totally, distinctive **new action shape**.

The **stock and forend** wood have been **completely re-designed** to give better feel and improve all the contact points between gun and shooter.

The stock now blends seamlessly into the shoulder of the action to **improve peripheral vision**. The **new all steel forend** mechanism maintains a smoother constant opening pressure and provides increased longevity. Beretta innovations, such as **Steelium Plus** barrels and the **B-Fast balance** system, remain as a standard part of this comprehensive package.

HOW TO HIT

FITASC SPORTING

MINIMAL MOVEMENT OF FEET FOR SHOOTING PAIRS

CPSA Level 3 Senior Coach **Simon Arbuckle** teaches us about minimal movement of the feet for shooting pairs in FITASC Sporting.

Welcome to the fifth article in the fourth CPSA How to Hit Series. In this article, I'm going to be concentrating on pairs in FITASC, having covered singles in the last article.

As I explained in previous articles, in a FITASC competition you are going to experience pairs on every peg, either on-report, simultaneous, or rafale. With on-report, the second target is sent on report of the gun going off when the first target is shot at. With simultaneous pairs, both targets are thrown at once, and it is up to the shooter to determine in which order he wants to shoot them.

Simultaneous pairs will only be shown to the first shooter shooting the pairs by the referee, and each shooter in the squad has then got to work out which way they are going to shoot them, for example A then B, or B then A. The first shooter to see the sim pair will have the opportunity to see them twice, just like in English Sporting.

Rafale is a target presentation that is called a 'following pair' in English Sporting. It is the same target thrown from the same trap twice, but not on-report of the gun, instead based on the cocking speed of the trap. So as soon as the trap is cocked, the referee presses the button again and sends it again. 'Rafale' is

French for 'burst' – this target is effectively a burst of two of the same target.

Now we are going to look at how I would shoot both pairs that are on the menu at Peg 1 of this layout. The reason we've started with this peg is because there's very little footwork movement needed. The only foot movement that is needed is when I change firing position, or the shooting position, from between the pairs.

The first pair is A from the left and C from the right, on-report. As you can see

Below: As stated, Simon has set his feet to emphasise a comfortable break point for target E, in the picture on the right. The picture on the left shows that he has therefore had to twist his body considerably to the left for his un-mounted hold point for target D, which ensures that after shooting it he has a smooth movement to pick up target E, and on to breaking it.

WATCH

View our How to Hit videos by visiting cspa.co.uk/hth4 or on our YouTube channel. Please share the videos with your clay-shooting friends!

of the two targets. The first one is quite a fast, close, target, and the second is a slow long one, which gives me time to go back, drop the gun off my shoulder, and pick up the second target. Another difference between this and the singles is, although the first target has to be shot with the gun down beneath the line on

my skeet vest, for the second one the gun can stay up in the cheek, or you can drop it again out of the shoulder as low as you like, as long as it's in the shoulder when the shot's taken. No foot movement at all is required to shoot that pair.

The second pair on the menu is D followed by E. I have to turn close to 180 degrees in the hoop from where I shot the first pair to now shoot this pair. (please see the map of the layout below). D is a rising standard target going left

to right, and E is a chandelle, again left to right. My footwork on this one is very important. The previous pair was a left to right and a right to left. However, this time the gun will be swinging left to right on both targets. Being a right-handed shooter, should I get my foot position wrong, there's every chance I can push

the gun off my face and roll my shoulder too far downward as I lean to get the second shot in. So the position of my feet for this one will be toward the break point for the E target. This way, I can then come back and shoot the D target, keep the gun moving over, pick up the E target, pull ahead and shoot it before I swing so far right as to be uncomfortable. If I instead emphasized

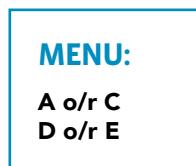

the D break point, and I come across to E, then there's every chance I'd be rolling my shoulder trying to stretch to hit it.

Prior to shooting the pair, I set myself where I was comfortable on the second (target E) break point, took the gun back to the first (target D) break point and ensured that I was still comfortable, and then down the flightline to where I was going to hold the gun. I called 'pull', locked on, pushed ahead of the first target, took the shot, and brought the gun across.

I didn't bring the gun down very far after shooting the first target this time, as I could see the second target plainly emerging from the trees. I picked it up, locked on, pulled ahead and shot just above the trees just after the apex of flight.

And that's how you shoot a pair of targets on a FITASC Sporting layout with minimal movement of the feet. In the next and final episode of the series, we're moving on to small movement and then maximum movement of the pairs, just to show you that you can turn the body in 180 degrees in the middle of a pair and still shoot a pair of targets safely.

THANKS To Southdown Gun Club for their invaluable help with this series.

>> NEXT MONTH: 180-DEGREE MOVEMENT OF FEET FOR PAIRS IN FITASC >>

YOUNG SHOTS

By William Gilbert.

HOW I STARTED

I became interested in shooting when I was six; and as I could not go to the rifle ranges with my father, he bought a .410 shotgun for me to shoot clays on the farm under his supervision. With my father's guidance and full support I started shooting Sporting. Like him, I found the Trap disciplines more enjoyable, so I started to focus on DTL and ABT. I shot my first competition aged 11, at the Norfolk County ABT Championship with a 12g Browning A1.

Since then I have changed guns several times – I now use a Browning B2G and a Beretta DT11 X Trap which is my competition gun.

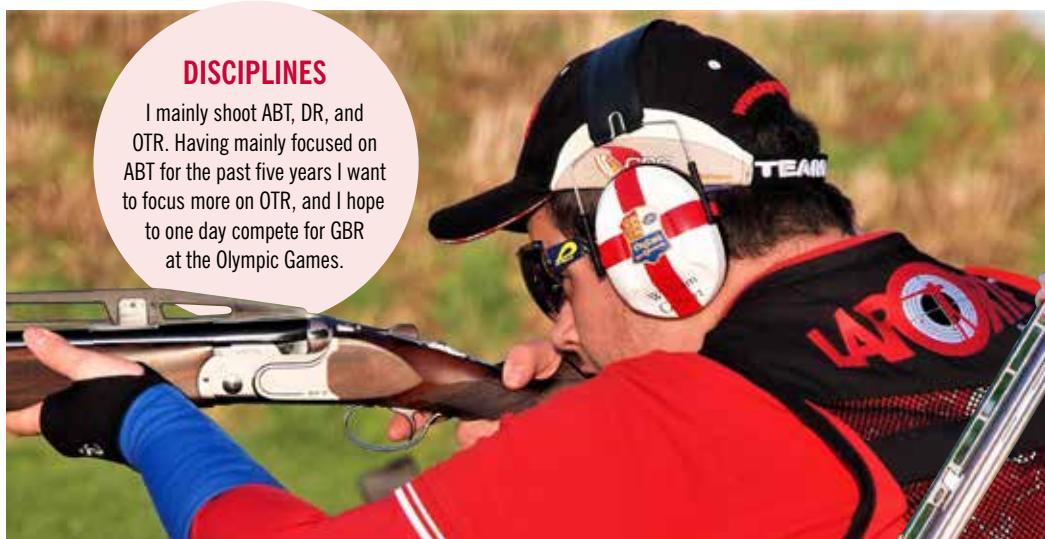

GREATEST SUCCESSES

My greatest success so far has been at the ABT Home International in Scotland, where my England teammates Cory Doble, Lucas Hyde, and I won the Junior Team trophy. My 2019 season culminated with my first in Junior and 16th Overall placings in the ABT Top 20 Rankings. I believe these contributed to me being selected as a finalist in the CPSA Emerging Shooter of the Year 2020 category.

DISCIPLINES

I mainly shoot ABT, DR, and OTR. Having mainly focused on ABT for the past five years I want to focus more on OTR, and I hope to one day compete for GBR at the Olympic Games.

WILLIAM'S TOP TIPS

TIP 1 Find a gun and cartridge combination that feels comfortable for you.

TIP 2 Study the targets and then consider what effects the conditions may have on them.

TIP 3 Watch the people at the top of the scoreboard and learn from how they do it.

TIP 4 There is no set way of shooting, so develop a technique that works for you.

TIP 5 To gain confidence, start by shooting easy targets in good conditions.

LISTEN UP

Deke Frickey, Sales Manager (UK & International), Puretone Ltd talks hearing protection.

Hearing protection has come a long way in recent years. What was once considered, if at all, to be an annoyance for some, or an indulgence worthy of ridicule for others, is now being recognised as the necessity that it is.

Hearing protection has long been mandatory in the workplace when noise levels are beyond a given threshold, and if we look at the precedents set by crash helmets on motorcycles or seat belts in cars, it's not beyond reason to predict that the legal requirement for hearing protection may eventually be extended into our leisure activities.

ELECTRONIC ADVANCES

Amongst one of the big advances we've seen in the hearing protection market is with electronic systems. No longer the niche product it once was, electronic noise protection is now hugely popular, with lots of optional extras to tempt you in. Starting at around £300, electronic hearing protection may seem an extravagance – however – the benefits of using such systems are manifold. Primarily, electronic devices overcome the most fundamental objection most people have to using hearing protection in the first place – the reduction in the ability to hear ambient sounds or engage in conversation.

Electronic devices contain a microphone and amplifier that overcome, and compensate, for the fact that you are wearing earplugs, and only suppress the

loud and damaging noise levels of the gunshot. The end result is that while your ears are fully protected, you can still hear normal sounds around you and can converse with others unhindered.

TAKING IMPRESSIONS

Our ears are as unique as our fingerprints and while generic fit ear plugs are available, it is always best to opt for your own custom-made set wherever possible. This will ensure they remain comfortable to wear for extended periods of time. In order to do this, you will need to have your ear impressions taken which will guarantee your new noise plugs are truly made-to-measure.

The process begins with an inspection of the ear and ear canal. If there are no problems a small piece of sponge will be inserted into the ear canal to protect the ear drum, before the ear canal and outer ear are filled with medical-grade liquid silicone. Once the silicone has cured it can gently be removed. Forming impressions takes around 20 minutes to complete, and is a safe and painless procedure. However, it should only be carried out by a suitably trained and qualified person, so always ask to see your impression taker's certificate of training and/or competence before going ahead.

6 OF THE BEST

Our top picks for you next shotgun.

BREDA ZENITH 12G

The Zenith is a totally new competition gun packed with technical features, designed to meet the demands of today's competitive shooter. Available in a stunning black finish or engraved in silver, the Zenith 30" or 32" comes with a grade 3 stock, smooth mount recoil pad and palm swell. The barrel ribs are ventilated with the rib tapering from 10mm to 7mm. Five Maxi 90 Extended chokes are supplied, and the trigger has 7 adjustable settings.

RRP: From £2,350

vikingshoot.com

RIZZINI BR460

The BR460 is a shotgun for the serious-minded shooter. The action is machined from a monolithic forging and is fitted with Rizzini's detachable trigger unit, which features 'captive' coil springs to ensure longevity. The barrels are available with standard bore size as well as the overbored 'XL' version, and three rib variations are also available – 11x11, 11x8 and a ramped 11x7 rib – and length up to 34". The engraving is intentionally sparse, but sits elegantly in the black action, and for those looking for something a little more luxurious, there is an EL version available, with stunning engraving and upgraded walnut.

RRP: £5,625 for the standard version and £7,335 for the EL version

a-s-i.co.uk

THE ZOLI PERNICE

The Zoli Pernice reflects a true classic of the game gun, with exquisite scroll engraving completely finished by hand, signed by the famous Bottega Incisioni.

The Pernice has a fully rounded frame, machined from a monolithic forged steel alloy with a Zoli removable trigger group. All trigger parts are titanium nitrate treated for maximum corrosion resistance, while main springs are coated with a self-lubricating material to preserve their strength over time.

The Pernice features silver soldered barrels, which comes as standard with all Zoli shotguns, and is equipped with a top solid Churchill rib. The stock is crafted from a fine Turkish Walnut with hand checkering and is hand finished in a luxe oil. Currently available in 20GA with the 12GA launching this year.

RRP: £5,500 • edgarbrothers.com

LONGTHORNE GUNMAKERS 12G BOXLOCK

This latest release from Longthorne Gunmakers is their 12g boxlock (trigger plate). Currently available in three models – Sporter, Sporter Deluxe (as shown) and Side plated. Proofed for steel with patented barrel technology, to ensure strength and rigidity as well as minimal felt recoil and muzzle flip. Completely made in Britain in Northampton. Longthorne offer a choice of three forend wood shapes, 30 or 32" barrels, multi-choked, and include recoil pad with several upgrades available if required, including lighter weight barrels and custom stock.

RRP: From £11,995 • longthorneguns.com

THE BERETTA 694

The Beretta 694 is the latest model in Beretta's line of thoroughbred competition guns. A further refinement of the 692, 682, and 680, it features a new, aggressively styled receiver, combined with the tried and tested 'Steelium Plus' barrel profile and 'Optima HP' choke system. The stock has been created in collaboration with the best shooters in the world. It has a new pistol grip design, with a modified radius and full palm swell, for improved ergonomics. An enhanced profile enables better peripheral vision, allowing for faster target acquisition. Match your passion for the sport with the incredible performance.

Cheshire's Rising Stars

The past 12 months or so has been a stellar time for Cheshire Juniors. There are more Juniors taking part in competitive shooting than ever before, and they are getting great results. Cheshire County Junior Champions are: James Barnett All Round, Toby Hurstfield DTL and Single Barrel, Ben Rimmer English Sporting, Tom Watson Olympic trap, and Tom Woodcock Sporttrap.

At West Midlands Inter-Counties level, the team of Eddie Morris, Fred Whitehurst, and Ben Rimmer won Juniors Gold in English Sporting. Whilst in DTL, the team

of Toby Hurstfield, Tom Roberts and Ellie Hardy took Juniors Silver. Toby Hurstfield also won West Midlands Area Individual Bronze. To all Cheshire Juniors, your County is very proud of you, and we wish you every success in the future.

An interview with Toby Hurstfield

At what age did you start shooting, and how did you get started? I first started shooting when I was seven years old. I started learning with my dad who is a great coach and taught me from a young age.

What was your first gun? My first gun was an Italian 410 which I got for my Seventh birthday, we had to cut the stock more or less in half as it was a bit long when I first picked it up, and I still use that gun now and again.

How many disciplines have you tried? I have tried about five different disciplines and liked them all but there are only two that I liked more than the others. They are OT and DTL. I only really shoot DTL, but this year I have started on the British Shooting talent pathway, just to try out OT for a change.

Who influenced your early years the most? That has to be my dad, as he used to take me out shooting with him. I would sit and watch him, and then he started to

Toby Hurstfield.

teach me how to shoot properly.

What has been your highlights? Last year as a whole. Some of my highlights being the England selection shoots where I shot some of my best scores. At Nottingham and District I shot 269 and 268. Then North of England for 283 and 289. On to Brook Bank in Somerset where I shot 284 and 278. Next was the Bywell weekend where I came third in Colts on the sponsored day. I won C class and came second in Colts on the Dougall Memorial day, and on the English Open day I came third in Colts again. After this weekend I had a phone call from Bryan at Malmo Guns, asking if I would

be interested in sponsorship, which I immediately said yes to, and I am very thankful to them for this. I am very grateful for the support and encouragement that I have received.

What are your hopes for the future?

Hopefully make the England team, to complete the illusive 100/300 and also hopefully gain a bit more sponsorship.

Ladies Clay Shooting League

Lucy Earl started shooting with the Ladies Clay Shooting League in 2019. She supported all disciplines and in the competitions and achieved three High Gun awards, three gold badges, one bronze badge, and has been a member of the winning team events throughout the year. She claimed Runner-Up Overall for 2019.

2020 got off to a flying start for Lucy with sponsorship from Lyalvale Express Team and a gold award with High Gun at Catton Hall on our first L CSL event of the 2020 season. Lucy is a pleasure to watch, she makes clay breaking look easy. We wish Lucy all the best with her shooting career and it has been a pleasure to have her shoot with us at the Ladies Clay Shooting League.

Coronavirus

Following the recent relaxation in government restrictions, the following shooting grounds are now open with social distancing and special measures in place. Holmes Chapel, Doveridge, Mickley Hall, Garlands, and Catton Hall. Please check with the ground before travelling, as the special measures vary from place to place.

County Championships and Selections

After much discussion and consultation with grounds that are holding either County Championships or Selections, the Committee have made the tough decision to cancel all of this years County Championships and selections.

Should the West Midlands Inter County Team events take place, Team Managers will select the teams based on current scores/averages, ability and availability.

We hope that you will all understand this very tough decision that we have made with the health and safety of our County shooters paramount.

Letter of thanks

I would like to place on record the thanks of myself and the Staffordshire

CPSA committee to the CPSA for the way they have communicated with members during the ongoing Covid-19 pandemic.

In what has been an incredibly challenging and worrying time for everyone, the sport's governing body has done a first class job in not only keeping everyone updated on developments, but also ensuring that the interests of the sport have been represented at the highest level.

The regular communication we have all received from Iain Parker and John Martin (among others) on both the website and Facebook have been very welcome, and I know many have been working hard behind the scenes to support them.

Clearly, we are not through this yet but it's important that the governing body is recognised for its efforts on our behalf.

Thank you and very best wishes.

Steve Kilner, Secretary

New Committee Member

We would like to extend a very warm welcome to the latest recruit to the Staffordshire CPSA committee, Ash Hayward. Ash has only been shooting for a year but has not only already demonstrated his prowess with a 12-bore, but has now become an active member of the committee, with some great ideas to engage with members. Ash will be part of our media and communications team.

Meet the 2020 Committee

Over the next few weeks we'll tell you a little bit about the people who run Staffordshire CPSA in a new feature on our Facebook page called 'Meet the Committee'.

First up is our esteemed Chairman, Steve Ward, and each week we'll introduce a new committee member. Follow us on Facebook at StaffordshireCPSA to read more.

Website

As mentioned, we've recently refreshed our Facebook page and will be adding new features over the coming weeks.

We'll also be looking to update and refresh our Website in the coming weeks.

County Championships update

In light of the current restrictions in place around the ongoing Covid-19 pandemic, regrettably it is likely that we will be cancelling all of our Staffordshire County Championship events for 2020, however this is under constant review. Should we be able to run any this year, details will be published on our website www.cpsa.co.uk/staffordshire and Facebook page StaffordshireCPSA.

Whatever happens, we plan to have a superb 2021! We'll also be looking to recognise the contribution of Key Workers through some of our trophies. More details to follow in due course.

Mick Buckless.

Ash Hayward

Honorary Life Member and Former Chairman, Phil Daniels – You Club Needs You!

Steve Ward.

Martin Walmsley.

EAST MIDLANDS

CAMBRIDGESHIRE

TIM JONES

chair@cambridgeshirecpsa.co.uk
sites.cpsa.co.uk/cambridgeshire

As I write, the CPSA have just issued a notice to say that registered shoots

2020 Committee.

can resume. All the Cambridgeshire Championship shoots for June had been postponed, and arrangements are now in hand to see if and when they might be rearranged. Discussions are being held with the relevant grounds to consider not only dates for the postponed shoots, but also the practicalities of holding planned future shoots, to ensure that regulations are followed. Details will be placed on the Cambridgeshire CPSA website.

We are looking forward to resuming competitions, albeit in what will be very different circumstances, certainly in the early months. I hope and wish you all well and look forward to getting back to some normality in the near future.

Hello to you all again, I hope that you are all fit and well and that you have cleaned your guns, the car and got the summer plants in the garden, heaven only knows we've had plenty of time!

As I'm sure you are all aware, there has been no movement on our fixture list due to the Coronavirus outbreak, but as I indicated in the June issue, things were perhaps on the move.

Some of our county grounds have opened up with restrictions, being the practicing of social distancing and smaller numbers in squads. This is something that we must adhere to and the clubs are dealing with it in their usual proficiency, well done and thank you.

You'll find a list of the open clubs on our website and on Facebook, but please contact the ground before travelling.

Our committee's task for the future is to look at the fixture list and see how much we can salvage.

Now for the not so good news. One of our prominent trap shooters, David Kendrick has sadly passed away. David was a committee member for many years and specialised in trap disciplines.

LEICESTERSHIRE & RUTLAND

ALAN BOTT

alanbott100@hotmail.co.uk
sites.cpsa.co.uk/leicestershire

He served in 101 teams, and was known far and wide for his ability to turn shoot scoreboards upside-down. I remember some years back, shooters would say 'look-out here comes David Kendrick, watch the scores change'. I'm sure that he will be remembered for his great skill and being a gentleman. The County would like to express their condolences to Liz, his wife, and the family.

NORTHAMPTONSHIRE

PAM BAIRSTOW

pam.bairstow@sky.com
northantscpsa.org

Well thank goodness the Government eased restrictions for outdoor sporting activities! I am not sure if the intervening time will have affected my skills, so I will now take more time to think of the things I was taught to do when approaching the stand. I think my scores will be down from the dizzy heights of mediocrity that they once were, but I am hoping that the same cannot be said for all of you.

A notification went out on 13 May that restrictions could ease, and that a phased return to shooting could take place under strict conditions of social distancing and grouping. The rules initially were for pay and play practice events, with squads of two shooters, socially distancing. I'm not

The County Silverware.

sure where the trapper would be in this scenario – hopefully somewhere where the breaking of clays could be seen. This would mean that shooters could practice their sport, but no competitions could take place. I heard of a straw bale event that had about 30 shooters attending, but that many of the bigger grounds didn't open.

It was announced that from 1 June, groups of six could gather outside, still socially distancing, and this has given the impetus to more grounds and clubs to open for practice.

Northants CPSA Committee is currently reviewing the competition season and will continue to post updated information on the website and Facebook pages.

It is usually at this time that the committee begin the planning for the annual presentation evening, held at Delapre Golf complex, to celebrate with the winners of all the county discipline competitions.

What are your thoughts about the event for this year? The committee would be pleased to have any feedback about the holding of this event in 2020. You can email the address at the top of this article, or contact Roy or Marty.

Take care and stay safe and healthy.

NOTTINGHAMSHIRE

EMILY MARTIN

01949 851181
emily@orston.com

At time of writing, the lockdown restrictions are starting to ease with some shooting grounds across the country starting to slowly re-open, with competitions starting to take place.

I hope you and your families are staying well during these difficult times.

There are lots of people keen to get back to the sport we all love. I imagine there are many itchy trigger fingers

amongst the county and further afield, eager to get out shooting!

At least there is now a light at the end of the tunnel and we are looking forwards to moving our shooting community forwards in a safe and practical way.

As we do start to get out and about amongst the county, it is important that shooters ensure they have read and fully understood the individual grounds rules. The majority of shooting grounds are operating on a pre-booking system, and therefore it is important not to just turn up, and to check before travelling. It is crucial that we maintain social distancing to ensure the safety of our sport. I, on behalf of the committee and its members, would like to thank the CPSA for its continued efforts in what they've done and continue to do so during the Covid-19 pandemic for its members.

Through email correspondence, the Nottinghamshire Committee have made the decision to cancel all Nottinghamshire County Championship shoots for this year.

This will also mean no Supreme Champions for 2020.

If any East Midlands events are to go ahead, the team managers will pick a team based on the CPSA scores to date.

Supreme County Championship winners vouchers from 2019 will be honoured for 2021. Whilst I am sure this will be disappointing for many, the decision was made with the health and wellbeing of all shooters in mind.

We hope that 2021 will be a better year for us all, and hope that Nottinghamshire shooters use what's left of the 2020 season to get out practicing in readiness to be very competitive in 2021!

Hopefully next time we write, we may be able to bring some competition results to you.

Don't forget if you've got anything you'd like to add in please do get in touch.

the last ten weeks it was good to get out again. That is not to say that I did not worry about attending the first shoot – I had visions of crowds of people rushing out to break up the boredom of lockdown. I should not have worried as each ground I have attended have made sure there are gaps between squads (if you can call two people a squad) and that hygiene is paramount.

I am very fortunate to shoot with my wife – we have on previous occasions had to shoot in a two woman squad, recognising when we did that the juggling of buttoning and scoring meant you don't

SOUTH WEST

alisonm-h@outlook.com

Restrictions are now being lifted, to allow us to shoot for practice only. We are all truly thankful to the great efforts of the directors of the CPSA in ensuring we have

the backing from government to do so. Here in Cornwall, a few grounds have opened with limitations to cover the rules and regulations we still live with, and to ensure that social distancing is adhered to. We must now book in advance to shoot a sporting layout of 100-birds, shoot in pairs and also pack a picnic. With future relaxations of the lockdown, squads may be increased, however it seems unlikely that the social distancing requirement will be relaxed.

I have been one of the first people taking advantage of grounds opening, and I have to say working from home for

get a good look at the targets, so it's like being the first person in a squad to shoot at every stand. That part of the new rules is familiar to us and luckily we do not need to distance between ourselves. And whilst our scores have not been personal bests, it has been wonderful to get back to taking part in the sport again. Shooting Sportrap and Skeet has been a little more of a familiar experience, just making sure when you move stands or wait to shoot we do so at a distance from the other person taking part.

We have been so lucky also to have had good weather, so that waiting for our allotted time to shoot at a ground with plenty of space, we have been able to enjoy the sunshine rather than being cooped up in the car. We do however miss the banter from fellow shooters and just being around a bunch of great people. There have been advantages – having the A30 (the main road through our county) almost to ourselves being the greatest.

We, as a county, realise that there are many of you who are unable to get back out due to medical conditions, and/or unwilling to risk being away from their homes to take part in the sport. Please

know that you are missed, but we all understand that each of us has to make our own choices and we hope it will not be too much longer before we are able albeit to get back to some sort of competition.

As always please keep in touch by looking at our Facebook page.

WILTSHIRE

JAMIE CAMPBELL

jamie.campbell@dsl.pipex.com
sites.cpsa.co.uk/wiltshire

As you're all no doubt aware, lockdown is beginning to be lifted, however we still have no idea when – or if – competitions will restart. Maybe we can reorganise some of the missed competitions, but we may have to resign ourselves to writing 2020 off as far as competitions are concerned.

County Championships

Most of the dates have been agreed, but as to how many will actually happen we have no idea as of yet. Please treat the dates below as advisory.

Sporting Challenge

We hope to run the Sporting Challenge this year, again subject to how well we deal with Coronavirus. Sponsorship is also likely to be reduced this year as businesses recover from the inevitable hit they will suffer.

Inter-County Championships

With your support we intend to enter as many Inter-County competitions as we can find teams for, and provided Coronavirus lets us play!

Social Media

Wiltshire CPSA is also on Facebook. Please feel free to join the 'Wiltshire CPSA' group.

Advised forthcoming dates

19 Jul	DTL County, Urchfont
26 Jul	Sporting Challenge, Widdington
11 Aug	Single Barrel County, Urchfont
14-15 Aug	FITASC County, Ham Cross
16 Aug	Sporting Challenge, Meadowcroft
31 Aug	Compak County, Barbury
13 Sep	Sportrap County, Barbury
20 Sep	English Skeet, Gloucester
11 Oct	Sporting Challenge, Guntis

sites.cpsa.co.uk/essex

It is great news that grounds are now able to open, and hopefully in time the competitions will follow. I would like to ask our members to keep an eye on our website for when the county shoots can be put on.

Enjoy your shooting and we will look forward to seeing you on the grounds soon, keep well and keep safe.

HERTFORDSHIRE

DAVID TIBBLES

daviddtibbles@yahoo.com
hertscpsa.co.uk

Dates for County Sportrap, FITASC, and Sporting to be announced soon.

Secretaries update

Alfie and I have managed to visit a few grounds since the lockdown has

begun to ease, and I have to say the Covid-19 precautions are excellent. Social distancing rules being followed and observed excellently, so please support our local grounds in the coming months.

Herts grounds Updates

LVSA (Herts) are now open for sporting practice Wednesdays and Saturdays 10am-4pm, and other days are available to book by contacting Dan via email below. They are taking bookings for access to three layouts with six targets on each, mobile buttons that are cleaned before use. Bookings dan.mcdonnell@lvsa.org.uk.

Atkin Grant and Lang (Markyate) are open for practice Tuesday-Saturday and Sunday Morning. Stands are 16 – two-six targets on each, with hand sanitizer at each stand. Bookings 01582 849382.

A1 Shooting Ground have opened their Olympic Trap and Sporting layouts. Customers will be able to choose a two-hour slot from Wednesdays to Saturdays 10am-12 noon, 12 noon-2pm, 2pm-4pm. On Sundays, due to time restrictions, times slots will be limited to 10am-11:30 and 11:30-1pm. Bookings 0208 441 9986 or email claudio@a1sg.co.uk.

Moreton Massey Gun Club (Hunsdon) – 07855 403902.

Chesham Gun Club – 01494 773523

Codicote Bottom CTC –

www.codicotebottomctc.co.uk 07768 714774 alan@afculley.co.uk
Little Amwell Gun Club – 07802 974207 w.maisey@ntlworld.com.
Keys Clay Club –
keysclayclub@gmail.com.

All information is correct at time of writing this report – please check with grounds directly as Covid-19 rules are changing regularly.

Stories and comments

Please send in any stories or comments to the Herts Committee, or if you would like to be considered for one of the Hertfordshire teams please contact us.

Herts CPSA Committee

If you are interested in helping out please let us know, the Herts committee is a small group and we struggle to get shooters involved so any help is appreciated.

OXFORDSHIRE

HELEN NICHOLSON

helencn1972@gmail.com
sites.cpsa.co.uk/oxfordshire

We are now in week nine of lockdown and slowly life seems to be returning to what is the new normal. I hope you are all

keeping yourselves safe and well, looking forward to returning to clay shooting.

I understand many clay ground owners are working very hard to put into place the necessary safety requirements that have been asked of them in order that we can return to clay shooting. Westfield has been the first venue in the area to re-open by following government guidelines. Steve Lovatt, along with Richard Faulds, Tanya Faulds, and the CPSA's Nicola Heron have been busy behind the scenes, working out a very precise way of being able to run a 100-bird layout without compromising safety.

Booking times are offered to shooters in pairs who are required to start on stand one, with two further pairs of shooters following them at appointed waiting places. This makes it possible for six shooters to snake their way around the ground, following the course from stand one to stand 12 without coming into contact. So far it is proving to be very efficient as shooters are able to make their way around the full course in less than one hour.

Shooters will not come into contact with anything other than their own attire. As all shooters have had to pre-book slots, this means all score cards can be pre-printed and are already with the scorers/referees on each stand. Hand sanitiser is available to all on each stand which altogether makes it a very pleasant experience.

At this time, competitions are not yet running, but so much work is being done on all our behalves to enable this to happen. [Please note that Registered shooting did return after this was written and submitted for publication.] It is down to the hard work of good people that this new system may enable registered shoots to return. I am sure many of you will agree they are doing a sterling job for us.

As yet the committee has not been able to confirm new dates for County Championships to be held, but rest assured as soon as we have further details it will be posted on our Facebook page. Any news which you feel deserves a mention please email me and I will do my best to get it in print for you.

Happy, safe-distance shooting everyone.

SURREY

PETER SAICH

petersaich@hotmail.com
surreycpsa@yahoo.com

Greetings from the Surrey committee – we hope you are all well and have been able to enjoy the enforced break from clay shooting with some family or gardening time, and crossed a few jobs off of that to-do list. At the time of writing, the CPSA, in accordance with the latest easing of restrictions, are announcing that clay shooting (including registered competitions) can re-start.

As a member of the CPSA board, I have witnessed first-hand the tremendous amount of effort that has gone on behind the scenes to get clay shooting included in the Government's easing of restrictions on leisure and sporting activities. Dr John Martin, the CPSA Chairman, and the Board of Directors (who are all unpaid volunteers) have worked hard to keep in touch with the grounds and members, and have produced guideline documents for grounds to risk assess and adopt safe working practices with respect to social distancing.

The CPSA CEO, Iain Parker, has been in regular contact with the Home Office, the Sports Minister, and the National Police Chief's Council, to ensure that clay shooting is clearly included in the lifting

of restrictions and to ensure consistency of the Police Forces in the application of the guidelines. Thank you to all of the Board and Head Office staff for helping our sport to recommence and continue.

If you are one of the members who have not renewed his year, please re-join now if you are able. Your subscriptions are needed more than ever to allow the CPSA to recommence their work on re-planning championships, obtain funding, and secure what were very promising sponsorship deals for the future good of our sport.

The NCSC at Bisley are one of our local clubs who have given good support to the Surrey committee over the years, and they were one of the first to recommence shooting with pre-booked slots and monitored social distancing. It is hoped that we can resume our County Trap and Skeet Championships in conjunction with the NCSC, and keep our Supreme Championship running. We will publish changes and updates to fixtures on our website.

Provisional County Championship dates are listed below, please check the Surrey CPSA website for confirmation and pre-book with the ground before travelling.

Forthcoming dates

5 Jul	Olympic Trap - NCSC Bisley - Supreme points event
19 Jul	Down-the-line - Bisley Gun Club - Supreme points event

next month.

We request that now people are shooting again that they pay their subscriptions and register on the new website. www.disabledsg.co.uk

We will upload news on shoots on the site and social media.

OBITUARIES

SARAH WRIGHT (NEE GRAY)

England Team Commonwealth Games 2014 shooter Sarah Wright (nee Gray) passed away at age 33 on 26 May following her two-year fight with cancer.

As reported last month in *Pull!*, Sarah was diagnosed with breast cancer in 2018, in the same week that she and her husband, Adam, learned that she was pregnant with their first child. Sarah went through chemotherapy whilst pregnant, and in 2019 gave birth to their daughter, Everleigh.

Unfortunately, Sarah's treatments had been unsuccessful, and having exhausted all treatment options in the UK, she was able to gain a place on a trial treatment in the USA. However, due to the Coronavirus travel ban in the USA, she was unable to travel for treatment when planned. Her husband, family, and friends worked to raise awareness about her situation through the campaign #SaveSarahGray, which showed a great amount of public support for Sarah and her fight against cancer. The US Embassy in London secured permission for her to travel

for treatment, but further medical complications delayed treatment, and her health rapidly degraded soon thereafter.

Her husband, Adam, has stated:

"She fought so so hard all the way, she was the bravest most courageous, strong, loving and wonderful wife, mother, daughter and sister.

Everleigh and I miss her greatly, there is a big void in our lives now."

Sarah was an exceptional Olympic Skeet shot who competed for England in the 2014 Commonwealth Games, where coach Joe Neville commented at the time that 'she shot beautifully' for fourth place in Women's Skeet. She also represented England at the 2009, 2010, 2013, 2014 (as team captain), and 2015 Olympic Skeet Home Internationals. Sarah was on the British team at the time of her diagnosis and was described by British Shooting as "an amazing, bubbly and intelligent person and a very talented shooter."

The CPSA offers their deepest condolences to Adam and Everleigh, and all of Sarah's friends and family.

J TWIGG

Lancashire has lost one of its much admired sons, affectionately known as 'The MIGHTY' J.G. Twigg.

He was a very private and unassuming man, whilst being a versatile competitive shooter whose abilities spanned all disciplines. He could attend a small club 50-bird sporting event one day, and the next be shooting in an International event with the same vigour.

With a career spanning at least four decades in clay-target shooting, in 1984 he was a vital part of the winning DTL Home International top-five man squad, where he and his teammates dropped only 16 points out of 1,500 to set a new International record at that time. He was then also to be part of the International Senior team, taking the prestigious Mackintosh event that had not been done in over forty years. This demonstrates the measure of one of Lancashire's own. Some 20 years later in 2005, he won the coveted DTL Krieghoff event held at Mid Wales Shooting Ground. He was indeed a competitor to be reckoned with.

The fact that I could go on and on listing his achievements over many years shows the commitment he had for clay shooting and his abilities within the sport. He inspired others just by his presence, and for those that didn't know him, that says all that needs to be said about the man. Amongst his many friends he will be sorely missed, and the clay shooting world will be a lesser place without him. I am honoured to have known him and proud to call him friend. – I. Ainsley

An amazing, bubbly and intelligent person and a very talented shooter.

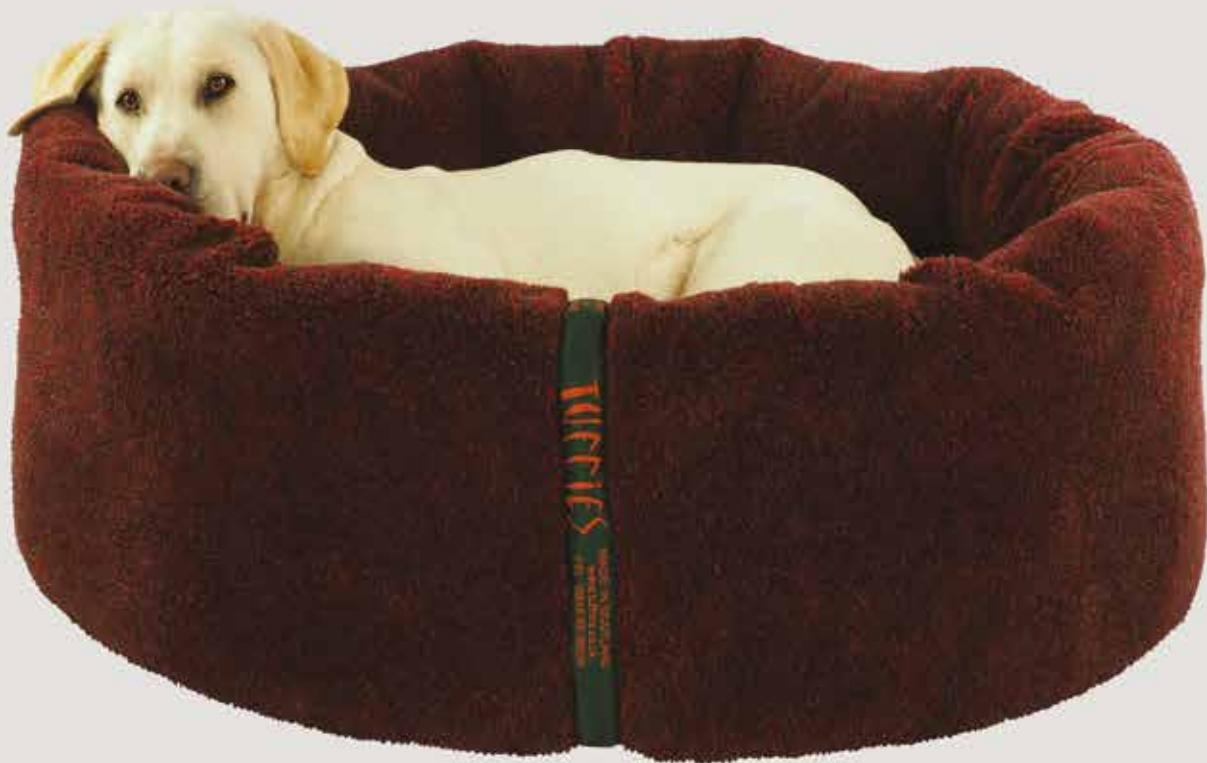

WALTER KINGSNORTH

In memory of Walther Kingsnorth. Our sport has lost a true gentleman, the like of which we will not see again. He was always a pleasure to be with. He will be sadly missed by all who knew him. – Micky

Insurance

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

01892 506884

www.newmooninsurance.com

Newmoon are authorised by the FCA under number 498667 and company number 6610290 at 85 High Street Tunbridge Wells Kent TN1 1XP

LOVATT LOOKS AHEAD

Steve Lovatt of The Clay Shooting Company talks to **Mark Brown** about operating post Covid-19, and what we can expect at the CPSA British Open English Sporting in September.

As practice and registered shoots get underway, we spoke to the charismatic Steve Lovatt about the measures he has implemented to ensure compliance with social distancing rules, and also his feelings about the future of our sport.

NEW BEGINNINGS

So, what changes has Steve implemented to adhere to the 'new normal' for practice and registered shoots?

First and foremost he stated that the single biggest change is the near closure of the clubhouse – it's open for entries (behind plastic screens) and toilet facilities, on a one-way system with entry in one door and exit through another. There is no sitting or waiting allowed inside and the familiar smell of bacon cooking has all but gone.

Hand sanitiser stations and soap/handwashing areas are more abundant, and a new card machine allows contactless payment, although cash or cheque is still accepted.

After checking in you are instructed to wait in your car or in the car park area until your allocated time slot to shoot.

Slots are restricted to six people and as your time approaches you will be met by a member of staff, who

A standard challenging Lovatt course with a few special twists involved.

will explain how to move around the ground and how things work. You are placed in pairs to shoot, starting on Stand 1 with markers on the ground to indicate where you should wait – as with the clubhouse it works strictly on a one-way circuit.

Steve admits that the whole set up is like a "clinical, military precision operation that actually works more efficiently and is easier to run. Having timed slots (roughly every ten minutes) enables me to control the ground better."

THE PLAN IN ACTION

An important and key new measure is shooting the stands in numerical order, with scorecards kept on each stand, only ever touched by the scorer on that stand, who will have them in order of the next people to shoot.

After shooting, scores are verbally agreed, the cards put back into a sealed storage box and collected at various times during the day. All of these measures ensure that shooters only ever touch their own equipment whilst out on the ground.

Steve was quick to praise Nicola Heron at the CPSA for working with him back at the start of the lockdown, on how a 'structured practice' could be set up that would follow government guidelines.

This is now the basis for

all grounds and owners to follow for the foreseeable future, if they wish to register scores or offer practice shooting.

LIFE AFTER LOCKDOWN

The lockdown has hit clay shooting hard, and with finance in mind I wanted to understand what the cost implications might be for adopting the necessary measures to ensure compliance. Steve was quick to point out that it's not as bad as people may fear – he pinpoints expenditure of around £1,000 for plastic screens, extra admin work, printing, hand sanitiser and soap across both of his grounds. There are also extra running costs of two more members of staff on shoot days, to meet and brief shooters as they arrive.

In addition to this, he also estimates that his clay wastage will increase from around 6-8% up to 10-12%, as squads of two will not have had a chance to see the targets beforehand.

However, it's important to note that increased efficiency brings more numbers throughout the day, therefore more people can get round the ground in a day. These measures could increase his capacity by up to 55%.

Interestingly, the worst part of the process so far, he says, has been writing the Coronavirus risk assessment.

Steve stated "the major casualty is the loss of the social aspect of the day out, but we've got people out shooting again and they really do appreciate that. They are compliant and we are not having to nag people to remember to distance themselves. Demand is really high, and I've got people wanting to book as far ahead as August."

BRITISH OPEN

I couldn't resist the opportunity to talk to Steve about the British Open, and ask what he had in store.

He was keen not to give away too much, but coyly advised that he has been working on the course layout since January/February time and it will be "a standard challenging Lovatt course with a few special twists involved." Anyone who shoots at Garlands regularly can expect a challenge, Steve says. "We will be walking the same paths but the targets and presentation will be very different – that I can assure you!"

His positivity is infectious and it's clear that there is a life after lockdown, and it's really encouraging to see how people are rising to the challenge of keeping the sport growing for us all to continue to enjoy.
