# WELCOME

SEPT  
2020

We are pleased this month to be able to bring several championship reports following lockdown. Congratulations to English Open Sporttrap High Gun Sam Green (pages 10-11), English Open UT High Gun Rod Gould (page 15), English Open ABT High Gun Andy Greenwood (pages 16-17), and English Open Skeet Doubles High Gun Martin Brister (page 12). I'd also like to thank the grounds that have supported our return to championships, whilst still maintaining the appropriate COVID-19 safety measures: Orston Shooting Ground, East Yorkshire Clay Shooting Ground, and the National Clay Shooting Centre.

At the time of printing we are still looking forward to the British Open English Skeet at NCSC on 21-23 August, the re-instated DTL Weekend at Bywell Shooting Ground on 28-30 August, and the British Open Single Barrel at North of England Clay Target Centre on 31 August. We are grateful to Bywell for being able to turn around the re-instatement of the DTL Weekend this year, and to North of England for quickly adjusting the date for the English Open Single Barrel, now 6 September.

The final CPSA Major Championship of the year will be the British Open English Sporting and Sporttrap, hosted by the Clay Shooting Company at Garlands Shooting Ground. Sporting shooters are looking forward to shooting a Steve Lovatt course at a great venue, and you can look forward to reading about all of these championships in the October issue.

## CPSA AGM UPDATE

As you will be aware the March 2020 CPSA AGM was postponed due to the Covid-19 pandemic and is now being held on 24 October at 14:00 at the Chesford Grange Hotel, Kenilworth. All members are eligible to attend. We have once again appointed Civica (previously The Electoral Reform Services Ltd) to manage the voting process on our behalf.

On 21 September you will receive an email from support@cesvotes.com containing instructions on how to cast your proxy votes online. If you have previously submitted your proxy votes back in March 2020 you will not be able to resubmit your votes again. If the CPSA does not hold an email address for you on file, a letter will be sent to your address containing the necessary instructions. The letter should arrive by 1 October.

Should you need to request a new email or letter please contact Civica by emailing support@cesvotes.com or call them on 02088 899203.

## PREMIER LEAGUE FINAL

Sporting Shooters will be able to look forward to the CPSA Premier League Final at West London Shooting School on 26 September. This is open to all CPSA members – even if they have not participated in the League. This is a great opportunity to shoot one of the few Registered Shoots held at the beautiful grounds of West London, so we encourage all sporting shooters to attend. We will be opening bookings for this soon at [championships.cpsa.co.uk](http://championships.cpsa.co.uk), keep an eye on our website for more information.

## SHOOT THE DIGITAL FUTURE OF OUR SPORT...

**L**ive scores are coming as we get back to better than normal. Over the last few years, our IT department has been continuously working behind the scenes to modernise our systems and processes. This includes replacing core equipment (hardware and phones), implementing new software solutions (customer relationship management systems, cloud services, and websites), training users, refining new processes, and continuously improving our capabilities.

Thanks to the capabilities we now have, we were able to seamlessly transition as a team from the office at Bisley to all securely working remotely during lockdown, while continuing to provide normal operations and prepare for the safe return of clay shooting.

Part of our ongoing digital evolution to support the future of our sport, is to replace our current Shoot08 program, which allows the administration of competitions.

It is exciting that this much anticipated element of our digital road map is now in the final stage of internal testing, and we expect to be able to make it generally available following trials with a few grounds, who have kindly volunteered to help. We will begin to roll it out in a controlled manner, along with support and training, later in the year

and during next year.

Our new software, known as simply 'Shoot', is fully integrated with our core systems and will allow clubs and grounds to manage their fixtures, check member classifications, administer competitions, display leaderboard scores, and run live digital scoring. This will all be synchronised automatically in near real time (dependant on local connectivity).

'Shoot' will be available as apps for laptop, desktop, or tablet, on all common operating systems, with the ability to sync live scores to leaderboards. It will be able to run either on the internet or on a ground's local area network (Wi-Fi). Eventually, it will be possible for referees to use mobile devices to upload real-time scores as they happen, with scores appearing on our website that can be viewed from anywhere.

This will be a positive step forward for us and we are sure we will get lots of feedback and ideas over the coming years as it rolls out. We will keep adding new features over time, and keep continuously improving 'Shoot' into the future.

As a sneak preview we have included a few screenshots for you to have a look at and we very much look forward to you seeing our new solution in action at our clubs and grounds when you are shooting later this year. Until then, please continue to take care of each other, enjoy your shooting, stay safe and stay well.

(Please note that all data displayed on these screenshots uses fictitious member data created for testing.)

# PREMIER LEAGUE UPDATE

The third leg in the Northern Division of the Premier League series took place at Highwaymans Shooting Ground on Sunday 26 July. Many thanks to Simon Smith and all at Highwaymans for stepping in and hosting the Doveridge leg of the series.

Warm and sunny conditions prevailed to ensure a great turnout, with 192 shooters attending.

Many congratulations to Sam Green who was High Gun, with a superb 98ex100. Aaron Harvey was Runner-Up on 95ex100.

From a Premier League perspective, B Class shooter Callum Jarvis from Team Sporting Targets put in a cracking 84 to tie (with his B Class handicap applied) with multiple Sporting Champion Martin Myers on 94, so very well done Callum.

With no home advantage this time for any of the teams, Team Sporting Targets took the honours with their best top-ten score of 883ex1,000. Team Cambridge were Runners-up on 866ex1,000.

The penultimate leg in the Southern Division of the Premier League series took place on Saturday 8 August at Owls Lodge on one of the warmest days of the year, so thanks to all of the team and referees at Owls Lodge for coping with the heat. The searing temperatures didn't affect the shooters though, with

some 'scorching' scores. Particularly from Luke Elliott who was Overall High Gun with 97ex100. Steve Scott and Team E.J. Churchill's Phil Easeman tied on 96ex100 as Runners-up. Once again, great shooting!

Individually, Colt shooter Dan King from Team Southdown returned to the top spot

In respect of the Premier League, many congratulations to Team Owls Lodge shooter Colin Ferguson in B Class who scored a superb 89, uplifted to 99 with his handicap applied, helping his team to take full advantage of home conditions to put in a big score of 920ex1,000 – 46 ahead of Team Southdown on 874ex1,000.

So after three fixtures in each division we can take a look at the overall positions going into the last leg in each division with updated classifications.

Team Owls Lodge's big score on their home fixture edged them into pole position in their division, with their three scores combined totalling 2,650 – twenty points above Team Southdown on 2,630.

In the North Division, Team Sporting Targets top their table with 2,552, with Team Cambridge in second place on 2,480. It is the best three top-ten scores from each division and the final which count overall, but the standing in each

division from one to four after the divisional fixtures adds bonus points (up to max ten points for first place) going into the final at West London on 26 September. Each shoot is vital to gaining the maximum team points available.

Individually, Colt shooter Dan King from Team Southdown returned to the top spot with his 88ex100 in A Class, giving him a 93 with his handicap applied, and a best three so far of 277ex300. This places him four ahead of AA shot Ivan Spencer from Team Atkin Grant & Lang on 273ex300.

As with the teams, it is the best three scores which count, including the final where an additional bonus point is also available for shooting this fixture.

We now look forward to the next leg in the South Division at Atkin Grant & Lang on Saturday 29 August, and at Sporting Targets in the North Division on the Bank Holiday Monday 31 August. Reports will follow on those in the next issue.

## NEW EVOLUTION HORIZON RX PRESCRIPTION SHOOTING EYEWEAR

Just launched from Evolution is a brand-new shooting eyewear set for prescription wearers. Evolution Horizon RX comes with four shooting colours: brown, yellow, orange, and purple-rose. With this new set you won't need to change lenses – there are four complete frames – all you need to do is switch the prescription optical insert fixed to the nose pads.

The large, wide optical insert minimises any interference with peripheral vision and all four colours also come with detachable standard nose pads, meaning contact lenses wearers, as well as spectacle wearers, have the option of using this new model without the insert.

The complete set of four colours comes with the optical insert, spare nose pads, four soft carry pouches, a cleaning cloth, a free adjustable frame cord and a hard case. All for the remarkably low RRP of £69.95.

For more information please visit [evolutionsunglasses.com](http://evolutionsunglasses.com).

## NORTH ENGLISH SKEET CHAMPIONSHIP

The North Region English Skeet Championship was held at East Yorkshire Clay Shooting Ground, Beverley on Sunday 2 August 2020.

The North Region Champion was Ross Elgie with a score of 99/100, Becky Clarey was Lady (and Junior) Champion with 98/100 and Steve Leppington was Veteran Champion with 96/100.

Congratulations to the winners, and thanks to all who attended.

# CPSA COURSES 2020

Whether you are just starting out, or are an experienced shooter, the CPSA has created a range of courses to offer the best training available in the sport today.

Please keep an eye out online and in future issues of *Pull!* for more information and additional dates becoming available. If you have any questions don't hesitate to contact Cheryl or Richard at CPSA HQ on 01483 485400 who would be happy to help!

## Level 1 Instructor Training Course (ITC)

£695

This four-day course teaches you how to check eye dominance and gun fit. It shows you how to teach the CPSA Method, how to recognise shooting errors and how to correct them. It consists of classroom time, off-and on-range workshops and a final day of assessments. It covers crossing, rising and dropping targets and equips instructors with the knowledge to tackle a huge variety of targets. For this course, the criteria for qualification is that the candidate can get a novice to hit a moving target safely using the CPSA Method. Candidates must have attended an IDW within the previous two years.

● 22-25 Sep Park Lodge Shooting School ● 28 Sep-1 Oct NCSC ● 19-20 Oct National Assessment Day at Northampton SG

## Shotgun Skills Course (SGS)

£89

For anyone wishing to take part in clay shooting, or novices who have recently acquired a shotgun, this course covers personal and range safety, shotgun types and use, cartridges and chokes. There is a practical session on the CPSA method of shooting. The course includes loan guns, ear protection, eye protection, lunch and up to 50 clays and cartridges. The course is open to members and non-members.

● 19 Sep Nottingham & District Gun Club  
● 29 Sep Garlands SG (West Midlands)

## Safety Officer Course

£105

This one-day course which provides the basis for running a safe and successful shooting ground. It looks at safe gun handling, layout management, risk assessments and so on. It's an obvious choice for ground-owners and a prerequisite to Club Affiliation. It also appeals to the shooter and is the first step to higher qualifications.

● 19 Sep NCSC ● 28 Nov NCSC  
● 5 Oct Eriswell Lodge

## Instructor Development Workshop (IDW)

£175

The Instructor Development Workshop is a one-day course and a prerequisite to attending the four-day Level 1 Instructor Training Course. Candidates will be given an overview of the full four-day course and be assessed for their suitability to progress onto the ITC. Candidates must have attended a Safety Officer Course.

● 11 Sep Cambridge GC ● 19 Oct NCSC

## L2 Common Element (CE) & Coach Training Course (CTC)

£75

These are two three-day courses – the Common Element (£495) and the discipline specific Coach Training Course (£550). The Common Element now includes the three coach development workshops and allows seamless progression to the desired CTC in Trap, ESK or ESP. There are also three stand-alone CDW's \* (£175 per CDW) available for those who have previously qualified as a L2 Coach, and wish to continue their coaching qualifications in a second or third discipline. They are designed to give you the technical skills to improve an established shooter.

● 14-16 Sep L2 ESK/TRAP CTC Northampton SG  
● 12 Oct L2 OSK/OT CTC NCSC

## Referee Course

Available in each of the four domestic disciplines of English Sporting, English Skeet, Down the Line and Automatic Ball Trap, these one-day courses will equip you with the general and discipline specific rules to enable you to referee regularly at registered competitions or national championships and, with it, the assurance that what you are calling is correct. This is also an excellent course for the competitor, who doesn't necessarily want to referee, but does want to ensure that they know the rules when they compete.

● 12 Sep ESK Dartford CSC  
● 28 Sep ESK Eriswell Lodge  
● 10 Oct ESP Southdown Gun Club

# ENGLISH OPEN SPORTRAP 2020

**Richard Faulks** reports back on the English Open at Orston Shooting Ground on 17-19 July

**T**his year's English Open Sportrap was hosted by Orston Shooting Ground in Nottinghamshire, on 17-19 July, and saw Sam Green (Current World FITASC Sporting Champion) crowned champion by default on the final day. He managed to match Junior William Fenner's impressive 147ex150 score, shot on 18 July. Sadly William was unable to return for the shoot-off due to living four hours away from the ground. There was some consolation for him though, as well as being equal High Gun, he also won the Junior High Gun prize.

The weather could not have been more perfect on the Sunday – 20 degrees with blue sky and a light breeze. Sam Green was shooting in the penultimate squad and had dropped two targets on the first layout, so with little room for error left, and knowing that a 147 score had been set the previous day, you could feel the tension rising. Layout five was where things really became interesting! Sam was on his third stand when one of the traps for the target he was about to shoot started spitting out broken clays, but the ground staff were swiftly on the

as well as being equal High Gun, he also won the Junior High Gun prize.

Orston's Dan Martin set a course of six, 25-bird Sportrap layouts with something for everyone, set in the open and beautifully manicured lawns of the shooting ground. Both Sam Green and Richard Faulds MBE told me they thought it was a fair layout and very much came down to concentration – especially as there were no breaks between layouts. There were two targets in particular though that seemed to be challenging most of the shooters – a long right-to-left curling crosser on the second layout and a tricky to read teal,

**Left:** Amy Easeman takes aim on stand one.

**Above:** Competitors shoot one of the five layouts. **Below:** High Gun Sam Green taking aim.

which appeared from behind a high hedgerow on layout five. This was the one that levelled Sam and William's score at 147.

This is the first titled CPSA competition to take place at Orston and it was very impressively run. Coronavirus did mean that the safety of staff and shooters alike was of paramount concern and social distancing was observed, with one-way systems at the stands and cafe, and sanitising stations easily available for all. Shooters were also encouraged to arrive just before their allotted squad time and then leave when reasonably possible.

Dan and Emily Martin bought Orston Shooting Ground

four years ago and have invested heavily in new equipment, including changing all of the traps. They're also running different competitions every Sunday at Orston and have expanded the on-site shop. They'll be hosting the Clay Shooting Classic for the next two years and also the British Schools & Young Shots Championships next year. They are also trying to expand this side of the business. The ground covers all the popular clay disciplines including DTL, ABT, SKT, ESP, Sprotrap and they have a game arena. They had a 100-bird ESP competition on the Sunday of this event too, for anybody keen enough to try their hand at both.

# ENGLISH OPEN SKEET DOUBLES CHAMPIONSHIP

CPSA South East Region Director, **Peter Saich**, recounts the event at The National Clay Shooting Centre on 25 & 26 July.

**T**his event was held over two days at the NCSC in Surrey, following the Government and CPSA safe distancing guidelines.

The NCSC staff had implemented a well-signed, one-way system through the clubhouse, including marked routes to the Café, loos, booking-in etc. They also spaced the start times for squads to allow a 'shoot-and-go' policy to avoid unnecessary contact in the Café, car park etc.

The shooting started in good weather conditions at lunchtime on Saturday, but this unfortunately changed into persistent rain and dark clouds for the

last squad out at 3pm. Despite the changeable light conditions, there were some good scores recorded. The best scores of the day in the Seniors were Iain Parkinson and Peter Chester, both scoring 99/100. In the Ladies category, Hannah Gibson scored 96 and Emma Parkinson scored 95.

Sunday saw a full day's shooting in alternating sun and cloud, with very little rain. The targets set up by the NCSC team were good for the whole event.

There were no 100s scored but a few people came close. Peter Stanton-Hope scored 98, Junior Harry Willis scored 97 and Colt Sonny Bowman scored 95. Natalie Bales had travelled from Wales and shot 97 to lead the Ladies category, then on the last squad, local

shooter Martin Brister recorded 99 to tie for first place.

The club had decided before the start of the competition that they would stick to the original CPSA guidelines and published that they would only have a shoot-off for Overall High Gun. Iain Parkinson elected not to return, but Peter Chester did,

which made for a thrilling 'sudden death' shoot-off over alternate pairs on peg 4. Peter shot first, hitting his first 12 targets perfectly, only to be matched by Martin at every stage. On the fourth rotation, Peter hit the first two, then the next two slipped away. Martin stepped up and hit all four to take the title.

Myself and John Martin (and Kenji) from the CPSA

were in attendance for the whole event, and I held the final presentation to Martin Brister, and also thanked the few people who had stayed for the shoot-off and presentation. I would like to thank the NCSC staff for a smoothly run event with good attention to social distancing. This was a very good practice for the new NCSC management team who are hosting the three-day British Open English Skeet at the end of August.

Well done to the NCSC team and to all the competitors, and we hope to see you all back at the NCSC for the British Open English Skeet. 🎉

The best scores of the day in the Seniors were Iain Parkinson and Peter Chester

# CPSA ENGLISH OPEN

## UNIVERSAL TRENCH

CPSA National Director, **Nicola Heron**, reports from the event on 1-2 August 2020 at the NCSC, Bisley.

**D**edicated Universal Trench shooters travelled to the NCSC at Bisley on the weekend of 1-2 August, to compete in the CPSA English Open UT Championships, and what a fantastic championship it was.

The NCSC has gone from strength to strength after all the refurbishments that took place during the lockdown months, adding to the shooters' excitement to be back out and competing. The shooting layouts were immaculate, especially with the new seeded grass which greatly improves the visibility of the targets.

Several high-class shooters battled it out for the various titles on offer. On the second day Nathan Hales and Rod Gould were tied on 195 at the top of an impressive leader board. The following shoot-off for the High Gun was nail biting, with Rod eventually scoring a 25-straight to Nathan's 24. Third Overall went to Matthew Panter on 192. Ladies High Gun went to Isle of Wight shooter Kath Bright with 179. Junior High Gun was Owen Clark on 183, Veteran High Gun was Phil Sanders on 190, and Super Veteran High Gun was

Dick Fletton on a 185.

There were some amazing Colts at the championship and the Colts High Gun went to a very competent young lady called Tegan Hart after shooting 152.

Sports Vision Consultant Ed Lyons again kindly sponsored the championship, providing one of his

new Vision Training Kits that was put in the shooter's draw. This was won by Mr SN Parker.

The other draws for the five £100 sponsored cheques were won by David O'Donnell, Keith Kilvington, Arnie Cliffe, Gaith Taha, and Tegan Hart.

The weather all weekend was glorious, and although the numbers were slightly lower due to COVID-19, the feedback from all those shooters that took part was very complimentary.

I would like to thank Richie Vallance, Kai Timmermann, David Dale, Emma, and the rest of the NCSC team who gave us all a great championship, which was conducted safely and within the COVID-19 secure measures guidelines.

**Angela Jenkins** reports back from the event at East Yorkshire Clay Shooting Ground on 8-9 August.

**A** fabulous weekend was had by all at the English Open ABT event held at East Yorkshire Clay Shooting Ground, the weather was glorious and even reached the 30s! The Hall team made everyone very welcome, hospitality was second to none, the grounds were manicured and ranges

fantastically maintained. Everyone had an exceptional time, abided by social distancing and followed the format for entering and exiting the different layouts.

There were 20 Squads starting at 9.30 to shoot some great and challenging targets.

At the end of day one Adam Gutteridge was leading with 99, beating Andy Dunne's 98 after shooting a 75-straight to start. Dave Hardy shot 97, whilst Matt Coward-Holley, Andy Greenwood, and Jack Wilkinson were hard on their heels. The Ladies were led by Lucy Hall with 93, Juniors by Joe Tune with 94, Colts by Tom Betts with 93, and Disabled Shooters by Janice Barnett with 87. Veterans Chris Tate, Gordon

Branthwaite, and Marvin Houghton all ended the day on an excellent 94.

Sunday scores were maintained at a high standard, the top 15 changing places several times. Andy Greenwood remained calm and collected to add a 98 to the previous day's 96, to become Overall winner on 194. Matt Panter added an excellent 99 to Saturday's 94 – storming into second place with 193.

Adam Gutteridge, Andy Dunne, Matt Coward-Holley, and David Lloyd all took part in a shoot-off for third place. Adam won with an outstanding 25 to take third overall.

A further shoot-off between Matt Coward-Holley and David Lloyd was needed to decide A Class. Both shot extremely well – Matt scoring 25 to beat David's 24. B Class was won by John Lucy who shot 191, closely followed by Dave Hardy on 190. C Class was won by Vitek Urbanski who shot 180 (and led day one), but close on his heels were Alan Haynes and Andrew Lazenby, making a charge on day two to come in with 178 each.

D Class was taken by Gareth Roberts finishing with an exceptional 178. He led the class from day one.

Ladies High Gun was taken by Lucy Hall with 184. Junior High Gun winner was

# THE PEOPLE EFFECT

CEO and High-Performance Expert for SportExcel, **Bob Palmer**, discusses training your brain to be competition-ready.

---

## BOB PALMER

CEO and High-Performance Expert for SportExcel, has been training clay target shooters to podium for 20 years, at the competitive recreational and Olympic levels, all around the world. He has published two books (*Mind vs Target* and *A Mind to Win*), hundreds of articles and many videos dedicated to shooting excellence – and winning. Check out his new online program, ZoneQuest, for getting the sport advantage on [sportexcelclays.com/cpsa](http://sportexcelclays.com/cpsa). He can be reached at [bpalmer@sportexcel.ca](mailto:bpalmer@sportexcel.ca) or on his website at [sportexcelclays.com](http://sportexcelclays.com).

**T**he moment you step out of your vehicle at a competition, 'the People Effect' takes hold and your friends, opponents, family members, and competition officials become either your downfall, your savior or both. They are your friends in a social context and distractions to your game, and although controlling people is impossible, taking steps to counter the People Effect can make the difference between winning and losing.

I know that this sounds hard-edged,

but I've met very few shooters whose sole reason for attending competitions is social. Social shooting is a different animal. You shoot with a loose sense of shooting etiquette, and advice is often dispensed quite liberally.

"What is your lead?"

"You're shooting above, below, ahead, behind, etc."

"Keep your head on the stock."

Serious shooters tend to avoid and/or tolerate this type of environment, as they know that there is a line to be

drawn between socializing well and shooting well. Sometimes, however, we need better tools with which to draw the social/competitive line in shooting, before others draw it for us.

### PROBLEMATIC SQUAD MATES

Even when you are cautious with whom you socialize, the round itself can throw you for a loop. What if you are squaddled with very slow shooters? The kind where you want to pull the trigger for them? Or you are shooting with fast shooters and you feel compelled to increase your speed beyond your comfort zone? Are you shooting with champions and feel completely out of your league?

### UNDERSTANDING THE PEOPLE EFFECT

By understanding that your shooting partners will affect your game, whether at the higher-end (solid skills and routines), lower-end (weak skills and routines), or anywhere in between, you need to keep your own game on a steady course, and unaffected by all

With a balanced approach, you needn't lose friends. Instead, take leadership...

the different kinds of behaviors people throw at you. In order to win, you can challenge the People Effect in three different ways:

A Leadership Approach,

A Buffer-Zone Approach, or the 'Tony Soprano' Approach. (There is a fourth approach and it involves being a grumpy old man or woman where everyone leaves you alone. I'll skip that one, and you might too, as we are talking about balance here!)

Please see a breakdown of these three approaches in the column to the right.

### MOVING FORWARD

People are fun to socialize and shoot with, but they may also get in the way of performing well and winning. With a balanced approach, you needn't lose friends. Instead, take leadership, apply a buffer-zone and use appropriate strategies to make distracting individuals disappear. By identifying and taking action regarding the People Effect, the podium will likely await you.

## CHALLENGING THE PEOPLE EFFECT

### 1 THE LEADERSHIP APPROACH

The leadership approach is one of the best ways to deal with the People Effect, and it involves using copious amounts of adrenaline with frequent mental rehearsals of crushed targets leading to the podium. In a game like clays, it wires your brain for winning, and gives you a powerful feeling that is hard for anyone to penetrate. You also get a very interesting side effect – you become the leader of your squad where everyone has a better overall performance.

### 2 A BUFFER-ZONE APPROACH

The Buffer-Zone Approach is an avoidance approach. It may be anti-social, but only slightly. In a 30-minute time period before you shoot, you keep a buffer zone between you and all others as you initiate your pre-game strategies. Partly, it keeps you focused by allowing you to visualize and prepare, but mostly it lets people know you are serious so they leave you alone. Most people will respect this. (For younger shooters, I suggest they enlist a parent or coach to shield them from opponents and opponents' coaches.)

### 3 THE 'TONY SOPRANO' APPROACH

The Tony Soprano approach works to completely 'disappear' other shooters, officials and distractions, as it trains your brain to ignore them and their behaviors – not quite as Mr. Soprano might, but as effectively. It comes with one of my rules: if you can see your opponent, he or she has beaten you. As unbelievable as it might sound, it is a very neat visualization where you project you and your opponent on an imaginary stage and perceive yourself growing head and shoulders over them until they disappear in the visualization. As you are dealing with perception here, you are simply training your brain to only see the range and the targets. It can be very effective when done well. However, I suggest you allow them to reappear after the day of shooting so that you can enjoy the social part of being at a shoot.

# YOUNG SHOTS

By 2019 English Open English Sporting and English Open Sporttrap Colt Champion **Dan King**.

## HIGHLIGHTS & ACHIEVEMENTS

In 2019, I won the English Open English Sporting and English Open Sporttrap in the Colts categories. I managed third place in the British Open English Sporting, also Colts. I also shot for Southdown Gun Club in the Premier League, and it was fantastic to be a member of the winning team.

I really enjoy competing – nerves can be a bit of a problem sometimes but I try to stay calm think about what I've been taught and eventually the results come.

I was really looking forward to the 2020 season as this is my last year as a Colt. It's so disappointing that Coronavirus has taken away the chance to compete in the World Sporting Championships, and also try to retain my English Open Sporting title. I am proud of all my achievements so far.

### THREE WORDS TO DESCRIBE YOURSELF?

Focussed, determined, and resilient.

### WINNING THE PREMIER LEAGUE SHOOT AT SOUTHDOWN

The Premier League is one of my favourite Events, I've always enjoyed shooting at Southdown Gun Club and being part of the team. So, to Shoot a 93 with my new Rizzini was a real joy.

### HOW I GOT STARTED IN SHOOTING

I started game and pigeon shooting when I was six with my Dad. By the age of ten I gained an interest in clay pigeon shooting, and would go to our local shooting ground which is Greenfields Canterbury. I first met Kevin Howland here, who has been a friend of my Dad's for many years and he kindly invited me to shoot a round of clays

with him. I then had the bug, I joined the CPSA at the age of 11 and started competing. I feel extremely lucky to have Kevin as my coach and friend, we have travelled up and down the country together shooting at different grounds, which I feel has been very beneficial to me.

I would also like to thank Les Ray at DDS Demolition and Thanet Waste who have all helped me immensely towards my success and of course my Mum and Dad who have spent so much time (and money) driving me from ground to ground, so thank you very much to them too.

### SUPPORT & SPONSORSHIPS

I have always shot Eley cartridges for Game and Clay shooting, as I started to get more results in the sport I wrote to Eley and was lucky enough to be selected for a sponsorship package, which I am very grateful for. My preferred cartridge is the Eley Superb 8s but I always carry Eley Titanium Strikes with me for those big targets.

After winning the shoot-off at the English Open English Sporting, I was introduced to Edward King from ASI and Gian Filippo Adamati from Rizzini regarding a possible sponsorship of a Rizzini gun. Later that year I met with Filippo and we talked through the gun options – I now have my Rizzini S2000 with adjustable stock. For me the fit of the gun is amazing, the palm-swell fits perfectly so I find this extremely comfortable and easy to handle. Also thanks to Ivan Reid for my sponsorship with Teague Precision Chokes.

### DAN'S TOP TIPS

**TIP 1** Remember to always focus on the target

**TIP 2** Don't let your head drop if you're missing a target, it will come

**TIP 3** Practice regularly, but don't over shoot – little and often is better

**TIP 4** Try different guns to get the right fit, if you're still growing this will change! (An adjustable comb would be better)

**TIP 5** Above all else – enjoy your shooting.

# GUN UP, GUN DOWN WHAT'S IT TO BE?

**Mike Williams** CPSA Academy Senior L3 Coach talks about the benefits of both gun-up and gun-down shooting techniques.

**I**t's all a matter of personal choice really, major sporting and skeet championships have been won by both gun-up and gun-down competitors, so it looks as if there is no advantage using one method over the other. There are pros and cons for either, the gun-up shooter can ensure that they have a 'perfect' mount, a constant sight picture, the barrels not too high (as to obscure the target) but the initial inertia of the 'dead-gun' effect has to be overcome by a bit of practice. The gun-down shooter, on the other hand, uses core body movement to generate a smooth, fluid swing to the target, has a clear view of the target (as the gun is out of his or her eye line) but to

achieve a constant sight picture every time the gun mount has to be perfect to ensure the correct movement of the gun, from rest to the shoulder socket and cheek, whilst bringing the gun to the target simultaneously.

This is going to take a lot more time to overcome.

Both English Sporting and English Skeet give you the option to shoot with the gun in or out of your shoulder (gun up or down) when calling for your target. FITASC Sporting, on the other hand, gives you no option and you must start with the gun out of your shoulder, the heel of the gun under the FITASC line on the shooter's vest. It must stay there until the target comes into

view. If the gun is moved above the line before the emergence of the target, a warning is given, should it happen again, then the target is lost as it is with any further occurrence of the same fault. The line is embroidered on the vest and located 25cm from the central axis of the shoulder.

Olympic Skeet is another discipline where the gun must be out of the shoulder and complying with the ready position when calling for the target.

The gun-up shooter has all the time in the world (within reason and a patient referee) to get the gun mounted perfectly, whereas the gun-down shooter doesn't have that luxury, their gun mount has to be as near perfect as possible. We have ►

There is no time like the present to improve your mount, providing you need to.

**Below:** Simon Arbuckle demonstrating the unmounted position for FITASC.

an exercise that will achieve that, should you want to give FITASC Sporting a go, which utilises the 'parallel mount'. You will need a decent size mirror for this exercise.

As the position of the eye on the rib determines where the shot is placed, we are going to mount the gun to our shooting eye (the one that is over the rib). Stand three or four metres from the mirror. Adopt your normal shooting stance facing the mirror with the gun

Only perfect practice makes perfect, practice without direction makes permanent!

becomes very easy to mount the gun to the target simultaneously with it coming into your face and shoulder socket.

out of your shoulder situated comfortably at your waist and the barrels parallel to the ground. Start with the gun from this position and with both hands working in unison with one another, raise the gun to your shoulder socket and cheek simultaneously, ensuring that the barrels and stock are lifted as one, the barrels neither leading nor lagging the stock. Mount the gun to your iris (coloured part of the eye) so that it is sitting centrally on the rib.

On the range when shooting a target, starting at the hold position, the gun is held parallel to the target and just under its flight path. It then

Repeat this movement five times then close your eyes, mount the gun again and check where the gun is pointing with relation to your eye. The day that you open your eyes and the rib is smack under your eye, your hard work will have been rewarded and you will have achieved a perfect parallel mount, which will give you the advantage of only having to focus on the target, not the mount nor the whereabouts of the rib.

Do this practice for five-ten minutes a day and you will achieve the necessary muscle memory in two and a half to three months. Olympic athletes say that installing muscle memory takes approximately 10,000 repetitions of the exact movement to become permanent. Don't rush it, take your time and get it perfect, the speed will come.

Only perfect practice makes perfect, practice without direction makes permanent! You need to input the correct action right from the start.

### THE PIVOT MOUNT

The pivot mount is used for Olympic Skeet. We need a fast, accurate mount for Olympic Skeet because of the target's speed, the timing of the release (which is variable) and the gun being out of the shoulder until the target is in view. Unlike English Skeet, the target

## DRY MOUNT PRACTICE

Dry mount practice can be achieved in the lounge by facing a wall and mounting the gun to various spots on the wall, either in the wallpaper or spots that you have placed on it.

Just adopt your stance with the gun in the ready position and then mount to each of the spots in succession for about five-ten minutes a day. Again, take your time and don't rush, you are creating that muscle memory which over time will improve the consistency of the mount, and your scores.

### GUN PLACEMENT

The gun needs to be mounted in the shoulder socket with the heel of the gun just under the top of the shoulder, at the same location each time.

### CHEEK PLACEMENT

The bottom of the cheekbone needs to be on the top of the comb (providing the gun fits). This ensures that the eye is placed centrally over the rib and at the same height every time the gun is mounted achieving a constant sight picture and consistency in shot placement.

### FINGER PLACEMENT

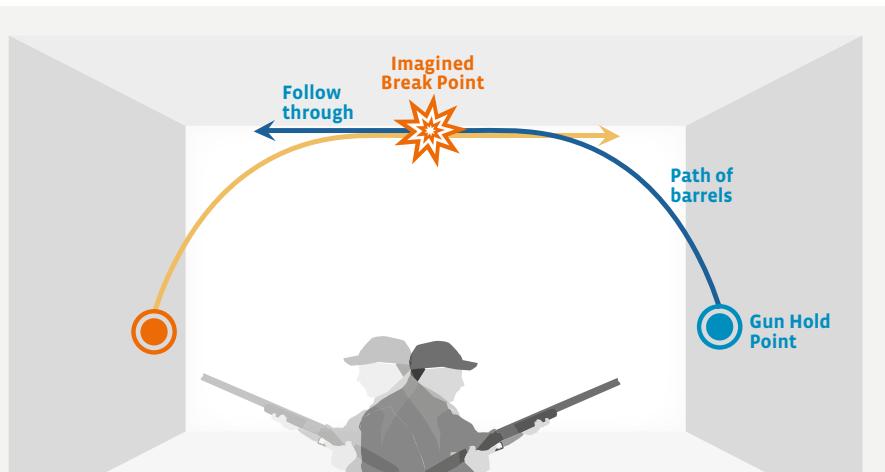

The part of your finger that should be in the middle of the trigger blade is the first section (under the nail) of your index finger, not the crease of that first section. If the edge of the trigger blade is on this crease, you may be unable to place any pressure onto the blade which will result in the gun not firing.

**Left:** Clay shooting legend George Digweed MBE prefers to shoot gun down, as seen here at the 2017 British Open English Sporting.

**Below:** David Dale teaching the Olympic Skeet mount to a group of CPSA English Skeet Coaches.

is not (necessarily) released on your call. It may be released immediately, or anything up to three seconds later, and if the gun is moved before the emergence of the target a penalty is invoked. The gun's stock must be below the line on the shooter's vest which corresponds to the lowest point of the elbow (of the shooting shoulder). The stock is relatively low to the barrels in the ready position, the barrels will need to be moved forward at the same time as it is pivoted around the forehand bringing the stock to the shoulder socket and cheek. Without this movement, a see-sawing action could be induced, the gun oscillating high and low on the target. The gun is driven smoothly and fluidly to the target using the body's core (not the arms in isolation), with the feet pointing to the break zone.

There is no time like the present to improve your mount, providing you need to. You will never get another opportunity like it so go on, install that muscle memory, you'll never regret it! These exercises may seem a bit of a pain, as there's no quick fix in this game, but it's the only way you will eventually be able to perfect your mount. 

### SWING PRACTICE

The aim here is to achieve a smooth fluid swing, coupled with the ability to follow the line of the target and overcome stopping the gun as soon as the trigger is pulled. You will need a Snap Cap for this exercise – start by standing in the middle of the room facing a wall in the lounge (close the curtains so you don't frighten the neighbours) and the gun halfway up the wall in the corner to your right (if right-handed) because a right to left movement is your natural direction of swing (halfway up the wall on the left-hand corner if left-handed). Start the mount by moving the gun from the ready position

(at your waist) on a tangent to the line where the wall meets the ceiling, the same time that you are bringing the gun to your shoulder socket and face. Follow the line of this join to the centre of the wall, pull the trigger and keep the gun moving to the far corner. Bring the gun down and open, replace the Snap Cap and this time, start with the gun half-way up the wall on the left-hand side and repeat the exercise. Do this for about five-ten minutes a day and your mount will become smoother, unrushed and the whole movement more fluid than before and you will have mastered moving and mounting at the same time.

**Don't forget that if you use snap caps for this exercise, the place to leave them when you are done is at home, and separate from your live cartridges to avoid any confusion.**

## NEW AND IMPROVED!

We spoke to **Rob Fenwick** at E.J. Churchill Group Ltd about the newly opened shooting ground at The Swinton Estate.

### Q How did you get your start in shooting?

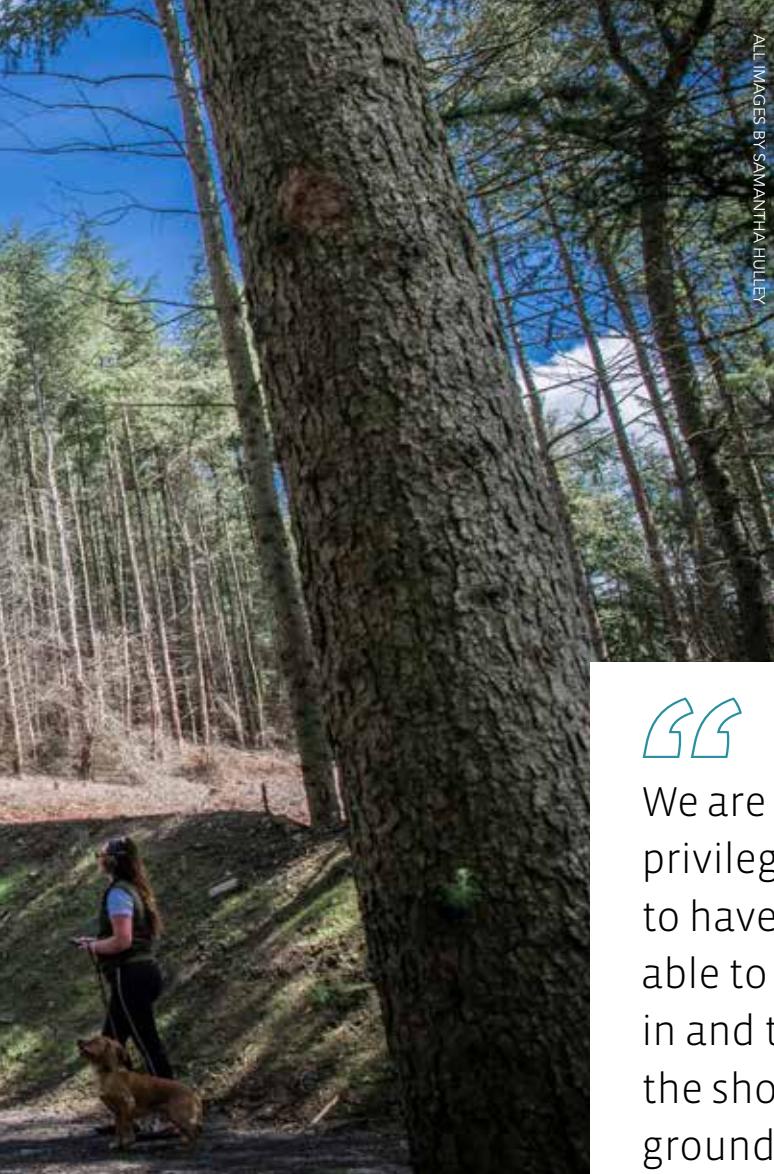

**A:** I was born and bred in North Yorkshire, a farmer's son and started from the age of six, shooting on the farm with my father, and have had a passion for it ever since. It was always my intention to extend the E.J. Churchill business and Yorkshire seemed like a perfect fit, as it is a beautiful county with amazing shooting heritage. We have looked for many years up here, but nothing was quite right or quite good enough for what we wanted. When we saw Swinton we fell in love!

### Q When did E.J. Churchill At The Swinton Estate open and what makes it unique?

**A:** Situated in Lower Wensleydale to the west of the Vale of York, E.J. Churchill At The Swinton Estate enjoys some of the most picturesque countryside in North Yorkshire, with its narrow secluded tree lined valley, winding beck, and wild flowers. The ground is situated on the stunning

20,000-acre Swinton Estate, seat of the Earl of Swinton since the 1880's. Swinton Park is not only a 32-room castle hotel but comprises of the Swinton Cookery School, the adjacent Country Club & Spa, and Swinton Bivouac, the Estate's tree lodge and glamping retreat. E.J. Churchill At The Swinton Estate opened on Wednesday 3 July 2020 after a six-month renovation process, where we basically

to run lots of registered events as well as provide a stunning facility for people to practice at.

**Q** Which disciplines/facilities do you offer?

**A:** We currently offer Sporting, Sportrap and Skeet, all of which are available on our Promatic Claymate system (pay and play), or with one of our expert caddies or instructors.

After you've shot, we offer hot drinks along with other refreshments and a bar to enjoy on the new terrace outside. There is also a small retail offering of shooting essentials available in the lodge.

**Q** What are your current aims for the ground?

**A:** To provide a first class facility for people in the North of England to enjoy and one

that we are proud to call an E.J. Churchill Shooting Ground. We are going to host a big sporting competition next year for Perazzi, and who knows where we go from there! Watch this space.

**Q** What is the clay shooting scene like near you – and has it changed over the years?

**A:** There is a huge demand, but very little supply for competitions. There is also a big demand for practice as well. Our first 100-bird registered sporting was sold out in 48 hours!

**Q** Is there anything else you'd like to say to the readers of Pull! magazine?

**A:** As it is on The Swinton Estate, there is the Swinton Park Hotel and an award winning Spa on-site.

There is also lots of fun activities for children, and the estate makes for a lovely weekend away with family and friends, where you can indulge yourself and also get in your shooting fix! I think the whole package will make for one of the best shooting breaks in the country! 

renovated the ground in every way. We have put gravel paths throughout the whole of the ground and sculpted stands into the banks and various areas. It is a small piece of heaven where people can come and shoot in the most natural environment. The opening was very much a soft launch due to the current climate, however when it is safe to do so we will be hosting an official launch party!

been able to come in and take the shooting ground to the next level. We also have a great appetite to run registered competitions, and in time major competitions such as the English and possibly one day the Worlds! It is our ambition

**Q** How has the ground developed over the years?

**A:** It used to be a small shooting ground that was run by some friends of ours. They did a great job developing it over 20 years and we are privileged to have

**TIPS FOR SHOOTING AT SWINTON ESTATE**

Enjoy the grounds, relax and remember it can be windy on the top even if you are sheltered in the bottom.

Shooting School.

Breda have a history of gunmaking in Italy that dates back nearly 100 years. Although well-regarded for their range of semi-autos, it's been a while since they brought out something in the over-and-under range - 50 years to be precise.

**BREDA ZENITH**  
RRP: £2,400.00  
[vikingarms.com](http://vikingarms.com)

After seeing the prototype of the Zenith at the British Shooting Show back in February, we were more than a little excited to finally get our hands on it to test and review. We met up with Andy Norris from UK importers,

Viking Arms, to learn more about the new model and put it through its paces.

First impressions are very good indeed, opening up the branded ABS case gives the first glance of a test gun with beautifully figured wood on both stock and fore-end, a modern and stylish simple black action with the Breda logo in gold. Handling the gun, it is perfectly balanced, coming up to the shoulder perfectly and the tapered rib

(11mm down to 7mm) gives a wonderful sighting picture. It's worth noting here that the Zenith ships with a 15" stock as standard which I found very refreshing, as it was the perfect length for me and fitted perfectly straight out of the box. The chequering was crisp and clean, and the palm swell on the stock was a very welcome feature too.

The test gun was the 30" version, although a 32" version is available too. There is also the option for a silver action and custom stocks.

## - REVIEW -

The Zenith had a very solid and satisfying feel when loading and unloading, it certainly gives you the feel of a quality gun when in use.

Another interesting feature from Breda is the use of titanium on the barrel block and fore-end action – quite simply if it wears, out you just replace.

On to shooting and the Zenith continued to impress, patterns were tight and consistent and delivered solid breaks, even at the most testing of ranges. The gun is very well balance and at just over 7.5lbs it was effortless to move and surprisingly handled recoil very well. We were using 1/4 and 1/2 chokes for the test, which

worked well in conjunction with the 75mm forcing cones. The Zenith ships with five Maxi 90mm extended chokes, ventilated barrels and top rib, and a seven position adjustable trigger as standard. It was a pleasure shooting the Zenith and I have to admit that I was impressed by both its performance and features. I did not know

the cost of the gun before the test and on finding out the price afterwards I was sure that there was a mistake. What Breda have managed to achieve and deliver here is a high-quality product aimed squarely at the mid-level market but bring it in at a very competitive price.

OVERALL RATING

9.6/10

Yes, the gun has all of the features that you would expect in a gun costing at least £1,000-£2,000 or more, but there is absolutely no compromise in quality anywhere in order to deliver this. When testing the Zenith, we had a number of guns from other manufacturers costing substantially more in use at the same, and there was no discernible difference between them and that is

remarkable. Quite how Breda have managed to deliver this gun at this price is a real mystery to me!

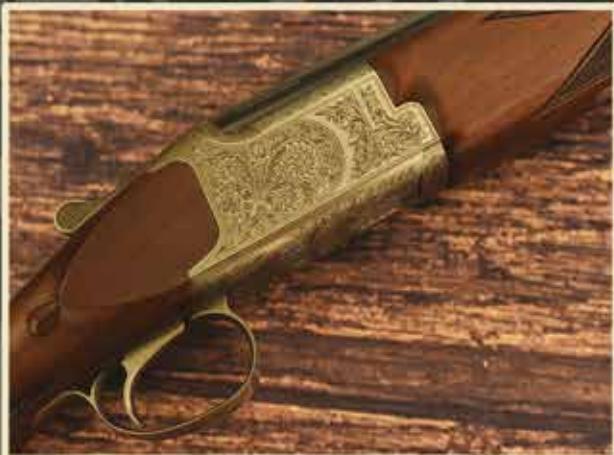

The Zenith offers a serious alternative to those willing to look outside of the box a little, quality Italian engineering and craftsmanship at a very competitive price, backed with a strong heritage of gun making. I would urge you to test out the Zenith at the earliest opportunity.

### Good News In Wales

As of Monday 6 July the five mile travel restriction has been lifted. North Wales Shooting School has reopened on Thursdays, Fridays and Saturdays. No advance booking required, just turn up however some special measures are in place. Fauxdeglia Shooting Ground has reopened on Wednesdays through to Sundays.

At the time of going to press Mid Wales Shooting Ground is still closed.

### 12 July: Registered Skeet at Fauxdeglia Shooting Ground

A small dedicated group of seven skeet shooters from Cheshire made their way over to Fauxdeglia Shooting Ground on Sunday 12

July, for the first registered skeet event since the easing of restrictions. The top Cheshire shots were Christian Bethell and Jack Hope with a wonderful 98. Christian took first in AA class and joint second Overall, whilst Jack was second in A class, and joint second Overall. Following closely was the trio of Colin Babcock, Kevin O'Reilly and Jim Wagstaff all on 94. Hazel Denney represented Cheshire Ladies, and it was lovely to see Bill Hope out shooting again.

The weather was glorious, and the event was very well run. A big thank you goes to Mike, Debbie, and all the team for putting on a great shoot, and helping us get back in the swing of things.

### 26 July: Cheshire ESP County Championships

There was a wonderful turnout of 60 Cheshire shooters, who went to Catton Hall Shooting Ground. The day was mainly dry and overcast with a fresh breeze. This did not prevent some very good scoring. County Champion was Scott Barnett with 96 (and first in AA class), Seniors Champion Mark Oakley on 92, Ladies Champion Kerry Oakley with 84, Veterans Champion Mike Holland on 87, Junior/Colts Champion Lucy Earl on 78.

Also winning prizes were Albert Moss, joint third in A class with Jamie Robbins, third in B class with 86 was Lee Williams, first in C class with 80 was Robert Ward-Dutton

and Julia Payne, joint second in C class 75. Congratulations to you all, very well done.

### 26 July: Cheshire DTL County Championships

Well what a day, who'd have believed how windy it became...

It didn't deter some of you though, there were fourteen 100 straights today, great shooting everyone. The best was Mr C Moule with 100/299 – great shooting Chris!

In AA class first was K Bond and A Greenstock on 100/298, third was D Price and R Haines on 100/297. A class first C Bushell and G Nutter on 99/294. Third A Halln 100/293 and C Harris on 99/293. B class first M Warburton on 99/293, second P E Jesson on 98/289, third D A Owen on 98/283. C class first M Boon on 94/277, second J Tennison on 92/268, third S Milroy on 92/267.

Now for the Cheshire Championship! Cheshire Champion was P Ralph on 295. Senior Winner was C Bushell on 294. Veteran Winner was J Barnett on 289. Ladies Winner was J Bushell on 289. Junior Winner was T Hurstfield on 282.

There was a total 33 Cheshire shooters, which was a great turn out, many thanks to everyone that came today.

We'd just like to say thanks, and we hope you enjoyed your day with us. We hope to see you soon, thanks from Dave, Helen, Toby and Jane.

### West Midlands Shoots

After a meeting of the West Midlands Regional Committee on 27 July, it was agreed that all West Midlands Inter-Counties shoots would be cancelled this year. Some West Midlands Area Championships would try to be rearranged to be held later on this year if possible. The Clubman Championship was also cancelled for this year.

### Sporting

Congratulations to Nick Hendrick on winning the Westfields FITASC Cotswold Cup on 143/150, over the weekend of 18-19 July.

Also to Terry Lofley who won D class and to Andy Armstrong who was joint third in the Veterans. Well done to you all.

### One to watch

Derbyshire Junior Kieran Bradford-Eyre is giving the top sporting shooters a run for their money, Kieran finishing second in AA class on 90/100 at Old Glossop's 100-registered Sporting on 19 July, just two clays behind Derbyshire's Tom Miller who was High Gun on 92/100. Well done Kieran.

### New Champions Are Crowned

A busy month in Gloucestershire with five County titles up for grabs.

The first of which was the DTL held at Brookbank, Frank Angel won the title with a 97/286 closely followed by Haydn Coley on a 97/281, which took the Juniors. Sue Tippett took the Ladies title.

Up next the County Sporttrap held at Westfields – a fairly tricky layout made to look easy by Rich Webb who took the title with an astonishing 92. Well Shot.

Runner-up and Juniors Champion was Harry Lovatt, While Jenny Young took the

Haydn Coley.

Matt Panter.

Rich Webb.

Ladies and Adrian Johnson the Veterans.

UTR Championship held at Brookbank, Matt Panter retained his title with an excellent 99 and Overall High Gun. Gareth Marfell was Runner-up, Ladies Champion was Joanna Thomas, Haydn Coley the Juniors and John Slatter the Veterans.

ABT Championship once again at Brookbank, Matt Panter retained his County title after a tense shoot-off with Matt Jones both, tying on a 93. Ladies winner was Joanna Thomas, Veterans Clynt Warren and Juniors Haydn Coley.

Olympic Trap Championship at Brookbank Haydn Coley and Gareth Marfell both shot an outstanding 93, to shoot-off for the title with Haydn taking home the Gold.

Ladies winner was Joanna Thomas and Mark Thomas took home the Veterans.

### Outstanding Performances

Congratulations to Nick Portlock for winning A class at the English Open Sporttrap, with an outstanding 142ex150. Chris Biddlecombe took High Gun at Westfields on 12 July with a superb 95, and Adrian Johnson one behind with 94. Lee Newman shot 92 at Orston on 19 July and took A Class, and won A class at the combined Barbury & Owls Lodge Double.

### Competition Time

### 7 July: Longridge

The H&W County sporting took place on Saturday 7 July at Longridge SG in quite windy conditions, although this didn't seem to affect the targets too much. A testing course, but just as it should be for a county title. With all that is going on in the world at the moment we had one of the best turnouts we've had in a few years, which was great to see everyone getting out and catching up with friends. The County title was won by Julian Morris with an excellent score of 94. Runner-up was a tie between George Thomas and Gareth Butler with 87. Veteran title went to Tim Smith with 80. Ladies was won by Danielle Brown with 74, well shot. Junior title went to Archie Parker-Smith with 70 and the Colt's title went to Harry Pugh with a score of 58, retaining it for the second year. A huge well done to all that took part in these unusual times, and thanks very much to Steve Nutbeam of Longridge SG for setting a very good and enjoyable course. I look forward to seeing you all out and about over the rest of the season.

### 12 July: English Skeet

Congratulations to Luke Sanders as he shot his first 100-straight on English Skeet at Fauxdegla SG on 12 July.

### 19 July: Gloucester

The West Midlands Area Olympic Skeet Championships took place at Gloucester CSC on 19 July. With an excellent score of 97, Mitchell Brooker-Smith took the Area title and also the Junior title. Anthony Blandford won the Veterans, while Maxine Smiles-Cooke took the Ladies.

### Shropshire County Championships

Please note, due to the current crisis, any West Midland Championship held will automatically become the Shropshire County Championship by default. The only exception to this is the Shropshire All Round Championship that will be held at Park Farm on 20 September, and early telephone bookings to 07860 214903 is essential. The Shropshire All Round Champion will be presented with the Wilkinson Sword Trophy.

### 19 July: West Midlands and Shropshire Olympic Skeet Championship, Gloucester

Only a small field of 12, but with a very competitive field, including some young internationals. The top three were Mitchell Brooker-Smith, a Junior, scoring an excellent 97ex100; with Shropshire Junior Arran Eccleston close behind on 94, and Gloucestershire Senior Paul Tudge on a very good 93. Well done to all three, and once again Arran is Shropshire Champion.

### 25-26 July: ABT World Championship, Fauxdegla SG

A fully-booked event and several world-class trap shots in the field, who were in contention throughout. The current Olympic Trap World Champion, Matthew Coward-Holley and currently ranked number two in the world, was Champion on a magnificent score of 196ex200. The small contingent of Shropshire shooters was led by Graham Evans. Graham, Marcus Iddon and Andy Lloyd are all international trap shooters in some form and have been for many years. The event was well run and operated very safely by Mike and Debbie Faux. The Shropshire Chairman prefers the format used and hopes this will be used again!

### Dates for your diary – West Midland Area and Shropshire County Championships

Fauxdegla will host the West Midland and Shropshire Olympic Trap on 9 August, Single Barrel and on the same day Down The Line Championship, on 16 August. Helice will be held on 23 August at Rugby. English Skeet, 13 September at Fauxdegla. Sportrap, 27 September, at Westfields alongside the English Sporting on the same day, same place! Universal Trap, 4 October, Rugby. Automatic Ball Trap, 18 October, Rugby.

### Keep watching websites for updates!

Keep an eye on the main CPSA website, [www.cpsa.co.uk](http://www.cpsa.co.uk), but especially the West Midlands calendar site, [sites.cpsa.co.uk/west-midlands/calendar](http://sites.cpsa.co.uk/west-midlands/calendar), and of course the Shropshire CPSA website. Due to limited resources, the pandemic, and non-Covid illness amongst the Committee, some items may take time to appear and some changes might well be very much at the last moment. This is a function of the times we live in, so

please be kind to each other and patient with the situation we are all suffering.

#### Meet the Members

Continuing our popular feature where we get to know more about some of our Staffordshire CPSA shooters:

We've recently had the pleasure of introducing Sean Dooley, Andrew Godfrey, Kihan Maher and Kellie Anderson, here's a few of the things they've had to say...

Is there anything you can tell us about your experience shooting for Staffordshire?

Sean: "A highlight was the very first Clubman competition at Mickley hall Shooting School where we won the trophy!"

Do you have any particular ambitions for the future?

Andrew: "Just to have fun and enjoy shooting."

What three things do you enjoy the most about shooting?

Kihan: "Being outside, achieving new goals and meeting new people who enjoy shooting as much as I do."

Do you have any tips for being a better shooter? Kellie: "To not give up. The

2020 Staffordshire Committee.

# How much is your gun worth?

Read the full articles over on our Facebook page where you can also find details on how to submit your own article.

#### CPSA Registered Shoots

Staffordshire shooters have continued to enjoy plenty of success at CPSA shoots across the County and Region.

Some recent highlights include Kingsley Moor SG opening again for Registered shoots at the end of June.

Sam Upton scored a superb 95 to tie for top spot. Two weeks later, Rich Thompson hit 92 to claim the Runner-up spot, with Mark Colclough and Sam Ward both smashing 90.

At the same time, Oakedge SG hosted another of Steve Lovatt's excellent 'The Clay Shooting Company' ESP shoots. Rich Potts and Brent Woodard tied for top of A Class (along with John Sims) with an excellent 87.

Adam Gutteridge hit a terrific 94 to tie for third in the Automatic Ball Trap at Fauxdegla SG. Leah Southall then shot her first ABT competition, the World Championships, also at Fauxdegla. Her combined weekend total of 172/200 was a splendid effort.

#### Social Media update

Our Facebook page has seen a dramatic increase in followers over the last few months, up by over 30%.

It is very encouraging to see so many of

our Staffordshire shooters engaging with us.

We'll be updating our website in the future but for now, Facebook is the best place to go for all things CPSA shooting in Staffordshire.

We recently concluded our 'Meet the Committee' feature and have now formally introduced all ten members of the Staffordshire CPSA Committee.

Do get in touch if you've questions regarding what, where or how to shoot – we're here to help and support you.

#### 3 July: 100 Sporting, Kibworth SG

Shooters from all over came to Kibworth for their monthly 100-Bird, a very good entry and some good scores. There was a tie for first in AA class, S Brightwell and S Lovatt both scored 94ex100, chomping at their heels were M Bowes (Cambs) and T Howell (Staffs) with 92. 89's were shot by G R Spalding and C Sumner, L D Greenhowe with 88, and IR Hailwood and MJ Parsons were a point behind with 87 each. Top spots in A class were, S Leonard (Beds) 92ex100, K Hodgkinson and D Hughes cleared 87 each and S Csehi and T Curtis made 86 each. B class top scorers were S J Scott with 86, G Edwards and DP Gagin both on 82, K Dickinson (Yorks) 81, and S Buck scored 80, local shooter C D Boddice scored 78. C class hot shots were G Holmes with 81, W Newman with 80, C E Smalley with 78, J Stokes with 77, and a pair of 75's from G L Simmonds and A Dar. Well shot all of you.

#### 4 July: 100 DTL, Normanton SC

Mark Joyce out-shot them all with a 100/297. Alex Harris also scored 100, but had one more second barrel than Mark scoring 296

points. Mike Brookes behind with 99/293 and Lambros Paphitis 95/282. Well done all of you and well done team Normanton.

#### 5 Jul: 100 Sporting, Kegworth SG

The High Gun was A Parkin-Coates with a great 95ex100, AA class was won by Nick Hendrick on 93, second was J S Barnett on 88, followed by T A Simmonds with 87. A class winner was R H B Jones on 88, S I Townend was class Runner-up on 87 and J Wood cleared 85ex100, averaging one miss on each stand, phew! B class winners were D Hartley with 83ex100, second R Johnson on 80 and third A Shelton on 79ex100. C class winners were, A Cross on 72, FTJN Lyte on 71 and E Goddard on 69. High Gun Ladies, JA Bridges on 72, Juniors J Bennion on 84 and Dad's Army shooter M Doughty shot 86ex100. Over 140 shooters braved the near gale-force winds to compete, but the sun did shine. Well done team Kegworth and well done to all of the shooters.

#### 12 July: FITASC, Kegworth

Another good turnout for this band of shooters, the weather was good, conditions perfect and the scores were high. Top of the shop was Mark Webster from Yorkshire, he scored 96ex100. Runner-up was Adrian Parkin-Coates settling on 94, close by was Brian Frost, who shot 90ex100. Very near too were Joe Emmott, Phil Rowbottom, Wayne Hughes, (from Wales), Simon Davis, Andy Armstrong, and S Hurt, shooting 89, 88, 87, 86, 85, and 85. Well done all of you and to all of the entries on the day.

#### 19 July: 100 Sporting, Kegworth

Almost a full card of shooters attended the shoot with targets for all classes. Top shot was Nick Hendrick, shooting a brilliant 95x100 (I wish I could make the targets look as easy as he does). Runner-up was David Marshall from Northern Ireland, David scored

91, as did Dene Matthews. Junior shooter Joshua Bennion and Mike Harding (from Wales) were on 89 each, and four 87s came from Joss Read, Gary Ellingworth, Andrew Swaine and Rob Claybrooke. The top Lady was Sandy Greener and top Veteran was Mike Harding. Brilliant shooting from all of you who entered.

I've got a new best friend, he's a bit littler than me, his name is Jack Twigg, he's ten years old, shoots a 20-bore and he's getting better with it every time he shoots. Today he shot a good 45, he had instruction from his banker (Dad), out of cage, and shot the targets without further intervention.

He told me that he shot a keen 50ex100 at Oakedge recently. Well done Jack, keep it up!

#### July 26: Grange Farm

Yet another good entry on a good, fine day, with shooters from all. High Gun was Paul Cooper with 93ex100 and only one target behind were Julian Freeman, Joakim Smith, Joss Read, Robert Palmer all queuing up with 92s. Another target under were, Steve Brightwell, David Morgan, Andy Copland finishing with 91ex100. Yet another point under were, David Rollason, Shaun McNamara, Timothy Hatton, Neil Cousins, Geoff Farmer and Jake Meakins all with 90. About 50% of entries shot scored over 80x100, Well done Team Grange.

Keep your eyes on further L&R fixtures, we welcome you all to our grounds. Keep safe, shoot straight and keep your crisps dry.

Alan Bott.

## LINCOLNSHIRE

### CHRIS BONE

chrisbonedt11@gmail.com  
sites.cpsa.co.uk/lincolnshire

In the last few weeks we have had not one, not two but three County Championship to report on.

#### 12 July: Automatic Ball Trap

This was the first Major County Championship with a great turnout of 34 Lincolnshire shooters at the East Yorkshire CSG.

Everyone was spoilt by the glorious weather, which meant that the winter layers could be left behind. A total of 16 squads were seen throughout the day, amounting to 80 shooters in total.

With the recent changes at the ground, where large banks have been installed at the back of all the layouts, this helped enhance the visibility of the flying orange saucers. The notorious 'doomed' layouts were now seeing some great scores.

It was great to greet all the shooters, catch up with many and to see some of the county's four-legged friends, Dolly, Madge and Ruby too!

Well done to Pete Atkin and Graham Elkington who both managed to shoot 25-straight on one of their lines during the day. Many battled for the straight, but were left one target short.

County Champion High Gun was Marvin Houghton with 93, Senior Champion was Pete Atkin with 92, Veterans Champion was Marvin Houghton with 93, Ladies Champion

Marvin Houghton ABT Champion.

Trevor Hawkins Helice Champion.

was Elena Taylor with 87, and Juniors Champion was Joe Tune with 90.

Class winners were as follows:

A Class Steve Smith with 91, B Class Pete Atkin with 92, C Class Donovan Jenkin with 90, D Class Dave Shepherd with 90.

#### 19 July: County Championship at East Yorkshire CSG

For a second week in a row, a County Championship at East Yorkshire CSG. Its a good combination as we were blessed yet again with glorious weather all day. A total of 57 guns took to the layouts to tackle the OT. 18 of which were from Lincolnshire.

One of the first squads out included the previous week's ABT Champion Marvin Houghton, who posted the perfect 25 to start. Could Marvin make it two Championships in two weeks?

Unfortunately not. Jack Wilkinson pipped Marvin to third place, with Norman Eaton and Dave Sipling scoring 87 each.

It was great to see new faces trying out the Olympic discipline too.

A massive well done to East Yorkshire CSG Rob, Gill, Georgina (for putting up with me pestering her for scores for County Shooters), Lucy who shot brilliantly and still managed to help behind the scenes, all referees and everyone behind the scenes for making the ABT and our second visit the success it was. Everyone involved has worked hard and have done a fantastic job to ensure that everyone can continue to enjoy the sport with safety and adherence to all the required government guidelines.

#### 26 July: Helice, Rugby DTC

This was the first registered Helice shoot since lockdown began. 33 shooters arrived at Rugby DTC for the County Helice Championship, with the usual strong winds and changing light conditions it was always Going to be a testing day for everyone.

The score board confirmed this, at the halfway stage there was just one target separating Donovan Jenkin from Trevor Hawkins at the top of the leader board, with England Skeet shooter Andy Harvey competing at Helice for the first time in third place, also having to contend with a migraine.

By the end of the day Trevor Hawkins turned his one target deficit in to a one target advantage over Donovan Jenkin to take the county champions title for 2020, Leaving Donovan to settle for second Overall and the Veterans title.

Andy Harvey straightened his last round to secure third Overall, Caroline Hawkins took the Ladies title, and Richard Gray took Super Vets.

Our thanks go to John Nightingale and his team at Rugby DTC for hosting a very well-organised event.

#### 26 July: Congratulations

Congratulations to John Lee, following a shoot-off took the honours at the BICTSF Compak Sporting British Grand Prix.

#### Forthcoming Dates

- Sep 12-13 Sporting, Orston SG
- Sep 13 UT, Rugby DTC
- Sept 20 Skeet Doubles, Priory CTC
- Sept 26-27 Sportrap, Orston SG

I hope you have been enjoying spending some time with friends and family in what seems to be a new normal way, and that you all continue to remain fit and well.

As you are probably all aware, most shooting grounds across the country have now re-opened their doors, in a 'new normal' way. I hope you have been out and about shooting in some capacity, with friends doing what you most enjoy.

Competitions are happening more regularly, of course adhering to the guidance of the CPSA.

Whilst Nottinghamshire County have made the decision not to hold any county championship shoots throughout the season, other local counties are hosting their county championships, across a limited number of disciplines. It is worth a look on the CPSA website to keep up-to-date with all fixtures happening, both in and out of the county.

Cockett Farm made an announcement on their Facebook page about the very sad loss of Roger Collingham, owner of Cocket Farm Shooting Ground. I am sure many of you will have known Roger personally. Our sincere condolences to his family at this sad time. A lovely gentlemen, who went above and beyond for so many. A big gap will be left.

Orston Shooting Ground held the British Grand Prix BICTSF Compak shoot on Saturday 25 and Sunday 26 July, where Nottinghamshire shooter Martin Doughty shot an excellent 193ex200 finishing just out of the overall medal placings.

Orston also held the English Open Sport Trap the weekend on 17-19 July, where a total of 19 county shooters took part. Tom Gibson and Kevin Warner were joint top shooters for the county, shooting an excellent 134ex150. An excellent achievement. County teams for next year are looking exciting!

As ever if you would like anything publicising within this column please do get in touch.

## AVON

### ROGER COX

rogercox47@gmail.com  
sites.cpsa.co.uk/avon

The Avon Sporting Championship took place at Meadowcroft SG on 19 July in ideal weather conditions of low winds and broken sunshine. With an outstanding entry of over 150 shooters, the event was held under the strict government guidelines and the CPSA new rules for registered events of shoot and go. The squad system was applied with individual caddies/scorers for each squad and was a credit to Dave Woolcott and the team for getting such a large number of shooters throughout the day. Held over 13 stands and very hittable targets, Dean Horswell again gained another Avon title with a blistering 98/100 performance to take the title and High Gun. Following and chasing Dean was Sam Usher and Joe Hemmings both on 96/100 as Runners-up. The class shooters were led home with Steve Pinker on a great 90/100 to take A class. Andy Wood took B class on 85/100, and Jason Robbins took C class with 78/100. It was also good to see the return to competition shooting of James Box, 86/100, after several years of lay-off.

As no prize ceremony could take place on the day, non being allowed under the current CPSA rules, winners' trophies will be presented later on the ground by Dave Woolcott. Many thanks to Lucy for running the desk and keeping calm all day and Caroline with the sore throat for mustering the quads.

Dean Horswell.

A new shoot has also been agreed for the Avon All Round Challenge at Meadowcroft. This will be a 100-Bird non-registered shoot held over 50 Sporting, 25 Sportrap and 25 Trap targets. It will be held with a sizable High Gun prize and class prizes with classification taken from shooters Sporting CPSA averages. This will be held on Sunday 6 September. Rules for Sporting and Sportrap will be as CPSA rules with the Trap being with full use of gun, targets shot to count. Booking is essential as the event is squared and shoot times will be allocated. Phone Dave on 07802 467384 to enter.

All trophies for the championship have been acquired and engraved before the lockdown, and are waiting for all the above events to take place. Under current guidelines trophies cannot be presented on the day but will be presented at a later date.

Event dates will be posted on the website and in *Pull!* when news becomes available and via Dave Woolcotts' messaging service.

Guidelines may change on how events can take place so please check with the grounds to book shooting times and any other rules.

The Avon website is hosted on the main CPSA website and can be accessed via the County tab. Also there is a new email address of rogercox47@gmail.com for contact in the future.

Bill Mousalli and Pete Mylam.

#### 11 July: ABT championships, North Cornwall

The worthy winners were Simon Ede, Senior, with 96, Paul Cornish, Vets, with 93, and Claire Carpenter, Ladies, with 77.

#### 11 July: The first skeet selection

High Guns were Kelvin Walsh and Bill Mousalli with 99, Jody Nicholas and Emily Morden-Hawke, Ladies, with 93, and Denzil Grose, Junior, with 88.

#### 17-18 Jul: The All Round championship

This was held over two days, to allow participants to socially distance at Lower Lake. Winners were Phil Grose, Senior, with 93 by count back, Dave Tugwell, Vet, with 88, Jody Nicholas, Lady, with 74, and Denzil Grose, Junior, with 70.

#### 19 Jul: Sportrap selection shoot

This was held at Tatson, a new venue for selections and the team there did us proud. High Guns were Pete Mylam, Senior and Vet, with 89, Emily Morden-Hawke, Ladies, with 71, and Denzil Grose, Junior, with 73.

#### 25 Jul: DTL championship, North Cornwall

The winners were Simon Ede, Senior, with 97/291, Colin Chidley, Vet, with 97/285, Jody Nicholas, Ladies, with 89/259, and Henry Trudgeon, Junior, with 75/202.

#### 25 Jul: The second skeet selection shoot

The second skeet selection shoot also took place, High Guns were Bill Mousalli and Gareth Williams with 99, Alison Morden-Hawke, Ladies, shot 64, and Denzil Grose shot 90 to take Junior High Gun.

#### 26 July: Second sporting selection,

At Lower Lake, Top gun was Chris Durkin, Senior, with 91, Peter Mylam, Vet, with 88, Emily Morden-Hawke, Ladies, with 81, and Denzil Grose, Juniors, with 78.

### ALISON MORDEN-HAWKE

alisonm-h@outlook.com

Bill Mousalli and Pete Mylam finally received their presentation decanters for their outstanding contribution to Cornish shooting. Well done to both of you and thank you from all Cornish Shooters!

The Committee continue to meet virtually using Zoom to ensure social distancing. This means of meeting is likely to continue even when restrictions are lifted, as it saves members travelling and the issue of finding a suitable space to meet.

At our June meeting it was agreed to follow the CPSA Policy to award a single-entry team or individual a win, even if they are the sole entry for all Championship shoots from this year. We hope that this will help to encourage Ladies and Juniors to take part.

### 11 Jul: Devon English Sporting Championship

The Devon Sporting Championship was held at South West Shooting School on July 11. Andy Moon and Luke Westbrook both shot 91/100, after a shoot-off, the High Gun and Devon Champion was Andy Moon. Luke Westbrook won first in A Class. Steve Trout scored 88 and was first in AA Class. The winner of the Devon Ladies Sporting trophy was Sarah Palfrey who shot 60/100, and Richard Chapple won the Veteran Champion with 82.

### 4 Jul: Devon English Skeet Championship

Congratulations to Tim Pollentine for winning the Devon Skeet Championship for 2020 in some wet and windy conditions. Tim had to shoot-off with George Balman after both had a score of 93. Brian Pring, Richard Chapple and Paul Westaway all scored a close second with 92, and Steve Eldridge came next with 91. A total of 19 shot this at Bradford SG.

### 18 Jul: Devon All Round Championship

Held at Bradford SG, our congratulations go to Steve Trout who is now the Devon All Round Champion with his great score of 97/100, and was also High Gun out of the 20 entries. Of the Devon entrants Graham Andrew came second with 92, and third was Richard Chapple with 91. Then Owen Clark and Oliver Durovic who both scored 90.

With the return to shooting, it has been busy in Dorset and The Dorset Super Seven Supreme County Championship has got off to a great start. The current standings after four of the seven rounds being English Skeet, All-Round, DTL and ABT, are:

First Richard King on 30 points. Second Ian Mulliner on 26 points, Third Dean Webber on 22 points.

Richard King's shooting has obviously not been affected by the lockdown and his season has started very well, with wins in the All-Round, ABT and UT at Brook Bank.

Richard also travelled to Hampshire to take High Gun at their All-Round County Championship, held at Fareham Clay Target Club. Richard's score of 97ex100 was a full eight targets clear of the second placer.

Ian Mulliner has also blown the dust off his Blaser and is our 2020 Olympic Trap Dorset County Champion after scoring an impressive 92ex100 at Brook Bank.

We had a new venue open to hold our FITASC County Championship, at Enford Farm near Blandford. The ground is stunning and it is looking likely this ground will be a regular place to shoot in Dorset. Don Brunt of The Double Barrel Shooting company worked incredibly hard to host the event at this new venue, and I must thank him for all his effort. Unfortunately, the weather was a bit wet and the visibility was affected. But after a tough shoot, Richard King was crowned the 2020 Dorset FITASC champion.

Purbeck Shooting School is returning to operation and will be holding the County Sportrap on 16 October. It will be great to have this venue back on the calendar, as it is a wonderful place to shoot.

It is with sadness that I report that Tony Read has stepped down from the Dorset Committee after many years of service. Tony is unwell and we wish him a speedy recovery and hope he can return to shooting soon. Ollie Hamblby has stepped into the role of Secretary and we all need to support Ollie as much as we can in his new role.

The feedback on the Dorset CPSA Facebook page has been very positive. Please share the word and ask more people to like and follow the page, as fixtures and results are posted regularly.

Finally, the Committee has been working very hard behind the scenes and we have redesigned the Dorset logo, we hope you all like it. There is a similar logo for the South-West Inter-County team shirts which will be worn in the 2020 Championships.

### Springing Teal Championship

The Hants committee thought the Springing Teal and the Side-by-Side championship would add a bit more entertainment to our championship calendar. Fareham CTC held this added championship discipline, but it didn't get off to the best of starts due to trap trouble. One target of the many simo pairs breaking on release. First to enter the stand was Lee Knight – he had a mare of a time but battled on, the targets were tough and set at distance. Once the problem was solved FCTC did offer Lee the chance to start afresh, but being the sportsman he is declined as he deemed his first attempt would be classed as a practice. Quite a few other Hampshire members that were at the ground to shoot the ABT and Sporting had a go, but it would be Tim Chandler that would take the Hampshire Championship title. Another win for Barney Eastman who shot a very credible 12/20 to take the Hants Colts title.

### 18 Jul: Hampshire ABT Championship

A good turnout for the ABT, nearly all seven squads were made up of Hampshire members, so a good competition. The 2020 Hants Sporting champ Lee Knight entered this with a hope of being near the top with a decent score. So decent was his score he won with a 95/100. Ron King picked up the Veterans title with a 91/100. Ali Stephenson was the Ladies Champ, and another title for Colt Barney Eastman with 77/100.

### Hampshire All-round Championship

The All-Round had to be held midweek but that didn't stop nearly ten squads booking on to this popular event. Several entries hadn't

shot all four disciplines before which makes for some amusement, especially when it came to the not-so-popular Skeet element. The Trap shooters were all very happy with the 25 ABT then the 25 Single Barrel, as these targets are all in their comfort zone. The stiff Sporting targets were put on over the three stands throwing Rabbit, Teal and Chandelle. Then facing the Skeet targets just destroyed any hope of getting near to the big silver trophy on offer. The All Round is designed to test the skills on all manner of targets so its no surprise that the names on the trophy are mainly those which shoot sporting targets. To prove that point again this year's Hampshire Sporting Champ, Lee Knight, entered and picked up yet another cup, badge and medal, making it three Hampshire Champ titles in a row. Colt Barney Eastman picked up another Champ title in the All Round.

Kevin Luff returned a great score which put many of the Veterans that entered behind him and collected this year's Hants Vets title.

#### Supreme Championship table

Without looking, I did think that Lee Knight would be top of the Supreme Championship leader board. But no – it's Sean Gamblin way out there with 47 points collected from the seven different disciplines he entered. Lee is now second with 38 points, third is Ron King with 36 points. There are however, seven disciplines to shoot so check those event dates and venues chaps, you might just get the points now needed to catch up and overtake Sean.

Shooting seems a bit more normal now with most people appearing to shoot, at least occasionally.

#### County Championships

On the Brook Bank ran this year's Wiltshire All Round county competition. 13 competitors took part from Wiltshire. Gary Morgan won the county title with 91ex100, Paul Atkinson won Veterans with 84ex100, Archie Beaven won Juniors with 65ex100 and Francina Mattinson won Ladies with 56ex100.

On 12 July Brook Bank ran this year's Wiltshire UT county competition. Five competitors took part from Wiltshire. Simon West won the county title with 92ex100, Paul Atkinson won Veterans with 88ex100.

On 19 July Brook Bank ran this year's

Wiltshire ABT county competition. Two competitors took part from Wiltshire. Simon West won the county title with 86ex100 and Terry Bobbet won the veterans with 74ex100.

On 26 July Brook Bank ran this year's Wiltshire Olympic Trap county competition. Four competitors took part from Wiltshire. Michael Young won the county title with 89ex100, Terry Bobbet won the veterans with 74ex100.

#### Sporting Challenge

We have decided not to run the Sporting Challenge this year because it did not feel right asking businesses for sponsorship while they are trying to recover from the hit they have taken due to Coronavirus. We will, however, bring it back next year, and hopefully bigger and better.

#### Inter-County Championships

With your support we intend to enter as many Inter-County competitions as we can find teams for, and provided Coronavirus lets us play!

Like a lot of things at present, shoot results are very thin on the ground due to Coronavirus.

#### 8 Mar: ABT, NCSC Bisley Camp

We were lucky that in March just prior to lockdown the ABT. The day started off with a lovely sunny morning but as the day went on the wind got up and made targets very difficult.

This opened up the competition for everybody, resulting in the Champion for Greater London being Charlie Madden, who was also the top Junior with 90. The Runner-up was Tim Connolly with a close 87. The top Lady was Dorothy Fleri with 75 and Hermione Burns was the Colt champion with 74. A photo of Charlie and Hermione can be seen on the Greater London web page.

#### 21 Jun: Universal Trench, NCSC

There followed a gap as all grounds had to close and under revised Covid rules the first shoot to take place was the Universal Trench at the NCSC on 21 June. Only two Greater London shooters entered and Emre Baran was the Greater London champion with a score of 86. the Runner-up was Trevor Haywood with 81, there were 37 entries on the day.

#### 28 Jun: English Skeet, NCSC

Following on was the Greater London English Skeet. High Gun was Tim Connolly with an excellent 96, Runner-up was Louis Mondesir with 93. The Vet was Richard Weller and the Lady Colt was Hermione Burns on 80.

#### 5 Jul: Olympic Trap, NCSC

Next to take place was the Greater London Olympic Trap and the Greater London champion here was Tim Connolly with an excellent 91. Emre Baran was Runner-up with 75, Charlie Madden was the top Junior with 72, Carl Burrow won the top Veteran on 71 and Dorothy Fleri the top Lady Veteran with 68. Hermione Burns scored 62 and Derek Marshall took the Super Veteran prize.

Unfortunately the All Round due to be held at Dartford had to be cancelled so the next opportunity to take your gun out will be the Compak Sporting at Southdown on 31 August, by which time hopefully things may be easing as some sort of normality returns.

Don't forget to book in for the FITASC Sporting at Southdown on 17-20 September, followed shortly by the DTL at Bisley Gun Club on 20 September and after that last shoot for this season is the Double Rise at Mayland Gun Club on the 27 September.

Please check the Greater London webpage for alterations, as grounds are operating under pressure booking is recommended.

I am pleased to see so many of Oxfordshire's shooters returning to their beloved sport. I have no idea how it's the end of July already, the months are just flying by.

#### Oxfordshire Shooting School

We start with the shoot hosted by Oxfordshire Shooting School. It saw 74 shooters who were fortunate to be able to take part in their monthly Friday Registered shoot. Julian Freeman started the month in good stead, with an impressive score of 97ex100 to take the top spot. Oxfordshire's Colin Waite took second place in AAA with 94ex100. Steve Cox managed to get a day out of the shop and was so excited to be shooting on a Friday he shot a brilliant score of 95ex100, placing him second in AA Class. Tim Thorne continues with his great shooting he finished the shoot with a 91ex100 placing him second in A Class. Top of C Class was Oxfordshire's Lucy Cantwell, with a score of 89ex100. Matt Smallbone shot an 84ex100 leaving him second in C Class.

#### Westfield

Just a few days later, Westfield played host to both a Registered ESP and a Registered Sportrap. The Sportrap was the Oxfordshire County Championship shoot. It saw 165 shooters take part in the ESP and 103 shooters compete in the Sportrap. In the Sporting, Julian Freeman continued to shoot well, 93ex100 leaving him second in AAA Class. The shoot was a closely scored one, 11 shooters fighting for the top score with just six clays between them.

Julian Freeman was on form this weekend, he shot very consistently, winning the Sportrap with a 93ex100 winning AA Class. I am happy to report this makes him County Champion. The county results were, Matt Hance, second with 89ex100, third was Steve Cox with 88ex100, joint fourth was Colin Waite and Chris Broomfield on 86ex100. Ladies was won by Charlotte Allen on 72ex100 and Veterans was won by Tim Thornton on 78ex100.

WANT TO LEARN A NEW DISCIPLINE?

**Northampton Shooting Ground**

Northampton saw 122 shooters roll up to take part in their 100 ESP in late July. Oxfordshire Julian Freeman didn't disappoint and shot an impressive 95ex100 leaving him second in AAA Class.

**ABT**

Well done to Stuart King on becoming the County ABT Champion, second place went to Steve Richards, joint third was Kevin Durrant and Tony Robbins. Thank you to Rugby and District Trap Club for hosting for us and thank you to all those who supported the event.

Please check our Facebook page for all forthcoming dates as they are changing each week it seems.

If anyone would like me to report on their successes or recent wins, send me an email to the above address. Months go by and nobody contacts me or wants to add anything, come on guys and girls, help me out!

**5 Jul: Olympic Trap County Championship**

Held at the National Clay Shooting Centre at Bisley. A top score of 88 was returned by Bradley Davis, earning him the Surrey title and 15 Supreme Championship points. Second with 79 was his Dad, Mike Davis. Also scoring 79 for joint second and winning the Ladies title was Rachel Parish. Next were Glen Boxall and Nick Haley with 77 and 76, both keeping up their challenge for the top of the Supreme table.

There were no Juniors or Colts shooting, but Phil Chambers won the Veteran's title with 70.

Many thanks to Richie, Kai and Emma, and all the referees and ground staff at NCSC.

**19 Jul: DTL County Championship**

The Second trap event was the DTL County Championship held at Bisley Gun Club, with

a good turnout of Surrey shooters at this historic and popular club.

Nick Haley claimed top Supreme points this time with 100-straight and 294 points. Second was Karen Allen, shooting 97/286 and regaining the Ladies title from Jo Watson-Hopkinson. Close behind were Tom Smith with 97/285 and Glen Boxall with 98/284. Steve Cole took the Veteran's title with a score of 93/271.

Thanks to Janine and Tom and everyone else at the Club for making us welcome at a sensible Social Distance!

**Surrey Supreme**

The two events made quite a change to the Supreme Championship leaderboard. Glen Boxall picked up points at both events to keep his position at the top with a total of 54, but Nick Haley has closed the gap and is now in second place on 39 points. Andy Smith is now in third place with 36, and Rachel Parish has moved into fourth with 26 and leads the Ladies challenge. Equal fifth and tied for top Veteran are Peter Saich and Steve Cole.

**Surrey Committee Support**

The English Open Skeet Doubles was held over two days at the NCSC and four of our Surrey Committee went along to help with the scoring. It was a well-run event and it was good to get involved with a top-level competition and see some great shooting. Thank you to the Committee for their efforts in variable weather conditions and well done to NCSC Staff for a smoothly run event.

Latest updates and planned fixtures can be found on our Facebook page or our new website – surreycpsa.com.

Finally, we have something to publish that may be of interest to the Sussex shooters, after a very disappointing year due to the Coronavirus. We are pleased to say that we are now able to announce that the following Sussex County Championship events will be going ahead. It goes without saying that the committee is working hard to try to get a date for all of the Championships that were cancelled, to be rescheduled this year. Keep an eye on our website www.sussexcpsa.com and our Facebook page for more up to date news.

Please note that all these shoots are pre book only – some have booking systems others you have to call or email, please do not just turn up as you may not be able to shoot.

# OBITUARIES

## ROGER COLLINGHAM

**R**oger Collingham, one of the great characters of the shooting world, passed away on 16 July.

Following a routine hip operation last year, Roger became ill and spent several weeks in hospital, from which he never fully recovered. Earlier this year he was diagnosed with cancer and was recently admitted to hospital again with an unrelated infection.

Roger did manage to get home from hospital but died shortly afterwards.

Roger was well known in Nottinghamshire and the Midlands as the owner of Cockett Farm Shooting Ground, but was known more widely in clay shooting circles as the main referee for, and one of those responsible for pioneering, the White Gold Cup.

In association with Gamebore and Matchroom Promotions, the White Gold Cup was developed to be easy for both grounds to stage and TV to film. The competition was based around a standard skeet range and is reputedly acknowledged as the format that inspired the Sportrap discipline. At its peak, shooting grounds around the UK held qualifying events, with the finals held at a prestigious venue for the Sky TV cameras – usually Weston Park in Shropshire, with a prize fund of £25,000.

Roger shot as a regular member of the Nottinghamshire Skeet team in the 80s and 90s, however game shooting,

particularly partridge, was Roger's main passion.

Recognising that there was very little in the way of practice facilities for this, he developed a new discipline – High Skeet. This was based around two 30ft towers built on a skeet range, this gave the ideal height and speed to replicate the local partridge shoots and is a popular discipline at the ground even to this day.

Although the ground does not hold any competitions, Roger was always keen to support the competitive development of shooters, and was happy to offer the ground's facilities to the Lincolnshire and Nottinghamshire Juniors. These programs

Roger leaves behind a huge pair of shoes to fill

have delivered some of our brightest talent that have gone on to become real world-class contenders, including Aaron Heading, Carl Exton, and Emma Wheeldon. Roger also went out of his way to open out of hours to give some of the GB Olympic Skeet team (Roger Ford and Richard Marshall) somewhere to practice.

Roger leaves behind a huge pair of shoes to fill and will be missed by his many friends. The shooting world will be a lesser place without him, and I feel privileged to have known him, both as a friend and Father in Law.

## Insurance

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

# WE ARE GREEN WITH ENVY

We spoke to **Sam Green** about the past, present, and future of his shooting journey.

**Q** It's been an amazing 12 months for you – what has been your proudest or most special moment and why?

**A:** I am most proud to have won the FITASC World Championships at E.J. Churchill last year. There is nothing that will compare to the feeling of being on top of the world after a win, and the drive that it gives you to work even harder in this sport.

**Q** Did you feel there was any added nerves/pressure to win the English Open Sporttrap win at Orston on 17-19 July, after having such a long break from competitions?

**A:** So far this year I've been very happy with my shooting and have had some very good scores on return from lockdown. That being said, we all have bad days at some point, and it's just knowing how to move on from that score or day.

Heading in to the English Open Sporttrap, I didn't feel any additional nerves or fear of the course prior to

the competition. Of course everybody wants to win a major and this year it's harder than ever, as there are not so many running. There is more pressure there to perform on the right days as everybody is aiming for that same title.

**Q** What are the most important elements that help you win?

**A:** The equipment I use definitely helps to boost my performance.

I shoot a Browning XS, and there is no other cartridge for me apart from the Hull Cartridge Parcours 7.5. Having confidence in your equipment is key, and I believe in keeping your equipment simple.

Having the right people around you is very important also – most people know I tend to shoot with my good friend Darran Stanford, as he

knows when I need a few words of encouragement, or equally when to just say nothing!

Obviously the drive and ambition to win plays a big part in success, whether it be a straw bale shoot or the World Championships, there is only one first place winner.

**Q** Can you give us some tips and advice for young shooters trying to get ahead in the sport?

**A:** There really are no shortcuts in this sport. Hard work and dedication are important, and taking every shoot as an experience and a learning curve. One thing we see a lot from youngsters at a shooting ground is bad temper when things aren't going right – unfortunately this will never help their

Having the right people around you is very important

shooting. Keeping cool, calm, and relaxed is definitely key. It also helps to set realistic goals and aim to achieve them one step or goal at a time.

**Q** It's been a difficult year for the sport – how do you see the future of clay shooting looking?

**A:** The future of our sport is definitely heading in the right direction at the moment, it's been a very difficult year for a lot of people. Now that many people are back out shooting, practice shoots and competitions are slowly making their return. I think people are enjoying the squaddied systems and most competitions are running smoothly. A lot of us shooters should use this time to prepare for next year's shooting season if possible – it's a great time to put all those little things that might be going wrong to bed.

**Q** What's coming up in the next year for Sam Green?

**A:** This year I had a big year planned and set out, but sadly it was put back due to Coronavirus. I will now be looking to make the most of the remaining fixtures, focusing on a high standard of shooting and working on my average scores for the end of the year.
