WELCOME

OCT
2020

As you'll see with the variety of CPSA Championship reports in this issue, clay shooting is back to as normal as possible thanks to the hard work of our partner grounds, sponsors, and to you our members supporting the sport.

The final CPSA Major Championship of the year was the British Open English Sporting (see page 22) which saw up and coming top shot David Ferriman take High Gun over a very strong field of former Champions for his first ever major title. Well done David!

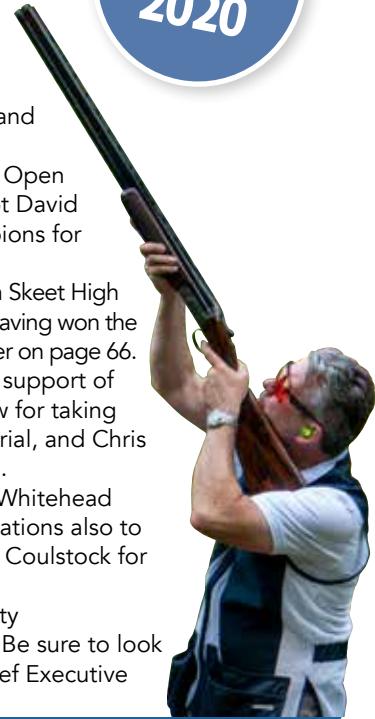

Congratulations to Natalie Bales, who took the British Open English Skeet High Gun title, the second time she has won a CPSA Major Championship, having won the English Open English Skeet in 2016. You can read our interview with her on page 66.

We were also glad to reinstate the DTL Weekend thanks to the support of Bywell Shooting Ground (see page 19). Congrats to Paul Chaplow for taking the Sponsored DTL, Ian Mullarkey for winning the Dougall Memorial, and Chris Moule for becoming the new CPSA English Open DTL Champion.

Jan Powell took the British Open Single Barrel title, and David Whitehead took the English Open Single Barrel (see page 16). Our congratulations also to Ian Mulliner for winning the English Open All Round, and to Tony Coulstock for winning the British Open All Round!

At the time of writing this, we still have the National Inter-County championships to look forward to, and the Premier League Final. Be sure to look out for reports in the next issue.

BOARD ELECTIONS 2021

Vacancies have arisen for the positions of North Region Director, South East Region Director and one National Director to join the Association's Board, following the current three-year term for each of these three posts expiring. In addition to these a second National Director vacancy has arisen following a resignation during 2020, this position is for a one year term only (the remainder of the previous director's term). The positions have been advertised on the CPSA website since 21 September 2020 and are to run from immediately after the Association's AGM in March 2021.

To continue with the development of the Association the board needs members with the appropriate skill, board experience and knowledge to operate successfully at strategic level. Members who can bring significant relevant business and governance capability to the boardroom to compliment the skills and knowledge of the existing directors, along with a good knowledge and understanding of clay target shooting are particularly welcome. There is an expectation to attend Board meetings, AGMs and Championships throughout the year to represent the CPSA Nationally and Regionally.

Eligible members may apply for one position only using the official nomination and pen portrait forms (available to

SAFETY OFFICER REQUALIFICATION

All those who qualified as Safety Officers during 2015 now need to re-qualify if they wish to remain current and insured in their capacity as a Safety Officer. You should have received an email or letter notifying you of the process but if not please contact Richard or Cheryl at CPSA HQ on 01483 485400 to assist with this.

THE KEEPERS CUP AT E.J. CHURCHILL, SWINTON ESTATE

The first ever Keepers Cup was a sell out at the new E.J. Churchill Shooting Ground At The Swinton Estate on Sunday 23 August 2020. Representatives from over 30 Estates from all over the country took part in a fun competition, to find out who really is the very best shot amongst them all! Teams were put into maximum groups of five, and went around the shooting ground testing themselves on a challenging 100-bird sporting course, shot over 14 stands. There was some excellent shooting on display, but in the end Richard Thompson, the Head Keeper from Consall Valley in Staffordshire, was crowned the winner with a brilliant score of 95ex100. The above picture shows Richard receiving the Swinton Trophy from E.J. Churchill Chairman Sir Edward Dashwood.

LETTER OF THE MONTH

Good Grief! I cannot believe I have become that person – the awkward sod who refers to the rule book. But to avoid any awkwardness for readers who are trying FITASC with strict referees, can I point out that your otherwise charming photo of Simon Arbuckle demonstrating the unmounted position for FITASC (Sept issue page 25) is technically wrong as rule 7.1 states 'the use of micro cameras mounted on shotguns or any artificial aiming device is forbidden'? Whatever that is on his barrel would be disallowed.

I trust this level of pettiness has earned me the 250 cartridges or am I left merely with the shame of being a pedant?

– Colin Burrows

The offending photo.

CPSA replies:

Dear Colin, thanks for pointing this out, but good luck trying to be more pedantic than us! This photo was taken whilst filming our last How to Hit series, and therefore it was not at a CPSA Registered or other competition, and there's no rule about using cameras for practice. Nice try though!

Of course, you make a good point that gun cameras and aiming devices are not

allowed to be used at any CPSA Registered competition, a point which we are occasionally asked to clarify.

Enjoy your 250 cartridges!

This is also an excellent course for the competitor, who doesn't necessarily want to referee, but does want to ensure that they know the rules when they compete.

ALL ROUND AT BROOK BANK

SPONSORED BY **Blaser**

Results back from the English Open and British Open All Round Championships from Brook Bank Shooting Ground on 15-16 August.

Brook Bank in Somerset was the venue for the English Open and British Open All Round Championships over the weekend of 15-16 August 2020. As the Saturday was the 75th Anniversary of VJ Day, the start of the shoot was delayed for the competitors to observe a two-minute silence.

The Saturday (English Open) suffered with summer showers, but there were some outstanding scores particularly by John Wood, who was the only person to straight all 25 sporting targets – where many competitors came unstuck on the long crosser.

The highest score of the day was 95 – shared by Emma Stacey and Ian Mulliner. A shoot-off took place on ABT, where Ian's 25 just pipped Emma's 24.

On Sunday, the weather improved for the British Open Championship, which may have assisted with the slightly higher scores. Tony Coulstock, from the first squad, posted a 96. Tom Claydon, Jack Thompson, and Darren Watkinson all shot very well to challenge, but all three just missed out with a 95, leaving Tony to lift the trophy and become the 2020 British Open All Round Champion.

John Kendall was the most consistent over the weekend, scoring a total of 188, to pick up the Blaser sponsored £200 cash prize for the highest ex200 score.

Many thanks to Wesley, Alison and team at Brook Bank for hosting this event and for making everyone welcome.

BRITISH OPEN ENGLISH SKEET

CPSA South East Region Director **Peter Saich** reports back from the event on 21-23 August at the National Clay Shooting Centre, Bisley.

This event was held over three days at the NCSC in Surrey, following the Government and CPSA safe distancing guidelines. The NCSC staff implemented a well signed, one-way system through the clubhouse, including marked routes to the café, loos, booking in etc.

Although the use of the clubhouse was restricted, the new management at NCSC have been working very hard on the outside – painting the traphouses, installing new Promatic traps, clearing the range of wads and broken clays, and generally giving a new, fresh look to this important facility.

The shooting started on Friday morning and at the end of the day, Storm Ellen was the clear winner, delivering 40mph gusts, creating

unpredictable targets and spoiling many promising scores.

Amongst the early leaders from the 49 Friday entries were Richard Weller with 97, followed by Colin Babcock and Emma Parkinson with 96. Holding second place in the Ladies competition after day one was Bethany Norton.

Adrian Last and Sam Nunn were shooting in the same squad, and ended day one with Adrian leading the Disabled Sitting category with 88, one ahead of Sam in the Disabled Standing.

Will Fenner, in a rare change from his favoured Sporting discipline, shot a perfect 25 in the first round, but the weather wore him down to finish on 89.

Day two saw an improvement in the weather, although the wind speeds had dropped, there were still variable conditions throughout the day, making it harder to maintain concentration and high scores. Two people did manage to excel – Archy Stannard scored an excellent 100-straight to take the lead, and of course headed the Junior category as well. Becky Kibble had made the long journey from Scotland, and although she dropped one target on layout one, she went on to shoot the next

75-straight for joint second place, and the lead in the Ladies class. It was good to see Dave and Gill Billington shooting with 13-year-old son George, showing great promise with a 28 gauge. Dave narrowly took the Family honours with 97 to Gill's 96.

Sunday
saw a full
day's shooting
in much calmer
conditions, although
the occasional
gust could still
deflect the odd
target.

Sunday saw a full day's shooting in much calmer conditions, although the occasional gust still deflected the odd target. On the whole, the targets set up by the NCSC Team were good, but there were only two more 100-straight – one in the morning from Sam Green, and then shooting in one of the last squads, Natalie Bales.

Natalie claimed her place in what turned out to be a thrilling finale to the event, with one Junior, one Senior and one Lady battling it out for the top three places. Natalie won the English Open English Skeet in 2016, so could she win the British Open too?

Left: Natalie Bales relaxing with her trophies and her Caesar Guerini. **Above:** Bethany Norton.

Day three also saw Shaun Emmett take the lead in the Disabled Standing Class, which he went on to win and shooting in the very last squad, Victor Annand retained the Side-by-Side title with a creditable 94.

In the final shoot-off, Junior Archy Stannard shot first and uncharacteristically dropped his first target. He made no mistake with the rest – but Sam and Natalie both hit 25 and went into a sudden death alternate pairs on station 4. Sam was hoping to add to this year's English Open Sportrap and 2019's World FITASC titles, whilst Natalie was trying to go one better than her Ladies class win at the English Open Skeet Doubles Championship. They both hit all of the first six pairs, then Sam missed a dropping target and Natalie hit all four to win.

There were no less than nine 99's tying for first in AA. Five out of the six who were there for the shoot-off all scored another 25. Eventually Andrew Parsons won the sudden death pairs and Douglas Moore had the consolation of winning the Veteran's title.

Amongst the other shoot-offs, Mark Davies and Rebecca Kibble were battling for A Class honours and it was definitely Ladies Day, as Becky scored 24 to Mark's 23.

Myself and John Martin from the CPSA were in attendance for the whole event. Iain Parker and Clare Alger attended for the final day. Iain thanked the NCSC Team for putting on the Championship and getting us back to 'near normal'. I thanked the competitors for staying to the end to support the shoot-offs and applaud the winners, and also thanked the ground staff and referees. Iain then

read out the list of winners and invited them to follow the one way system through the Clubhouse to pick up their Trophies from Clare (in exchange for a signature of course!).

Well done to the NCSC Team of Richie, Kai, and Emma, and to all the competitors that braved Storm Ellen. Thank you to the team of scorers led by David Dale, who had a difficult time adjudicating no birds in the persistently windy conditions, particularly over the first two days. 🐦

Right: Doug Moore. **Below:** Becky Kibble and the Scottish contingent.

PREMIER LEAGUE

UPDATE

Richard Worthington provides us with an update from the final legs of the Premier League.

The final legs in both divisions took place over the Bank Holiday weekend at Atkin Grant & Lang (AGL) on Saturday 29 August and Sporting Targets on Monday 31 August. We are now able to confirm the winning team in each division but before we do that, let's have a look at the results from each fixture.

Starting with AGL's fixture, High Gun on the day was tied with some excellent shooting from Team Southdown's Chris Childerhouse and Team Cambridge's David Gooding, both scoring 96ex100. David's score only counts for the Registered Shoot and

not the Premier League as this was a South Division fixture, and only scores from Teams in that division apply. Nevertheless, it was a great score so well done to both.

Perhaps the stand-out score of the day, however, goes to Colt Shooter Joshua Poyser from Team Owls Lodge. Shooting in C Class, Joshua put in a superb 81ex100 to also record a 96 with his handicap applied. Well done Joshua, great shooting!

From a team perspective, Joshua's score helped Team Owls Lodge register the highest top-ten score of the day, with 905ex1,000. This was just four ahead of Team Southdown's 901ex1,000.

Joshua's score helped Team Owls Lodge register the highest top-ten score of the day, with 905ex1,000. This was just four ahead of Team Southdown's 901ex1,000.

Sporting Targets held their fixture on Bank Holiday Monday – this time 2018 English Open and World Sporting Champion, Richard Bunning, took the High Gun honours with a fantastic 96ex100.

The top Premier League score came from Team Cambridge's James Bailey, shooting in A Class, who scored 91ex100 to also record a 96 with his A Class handicap applied. That's five 96's scored across both fixtures, either as raw scores or with handicaps applied!

Team Sporting Targets took full advantage of home

conditions to register the highest top-ten score of the day, with 885ex1,000. Team Cambridge came in second place on 863ex1,000 so well done to them too.

Following the completion of all four divisional fixtures, we can now confirm the division winners and the team bonus points, which will be applied to the scores at the final at West London Shooting School on 26 September. ☀

SINGLE SHOT SUPREMOS

Report back from the English Open & British Open Single Barrel Competitions hosted at The North of England Clay Target Centre.

Above: Hazel Whiten shoots at the British Open Single Barrel.

The English Open and The British Open Single Barrel competitions were held on separate weekends this year, but the standard remained high.

THE BRITISH OPEN

The North of England Clay Target Centre (NECTC) hosted the British Open Single Barrel competition on Monday 31 August. In ideal weather conditions and a competitive but friendly atmosphere, 95 entrants enjoyed a fine day's shooting. After a gruelling shoot-off between Jan Powell, Ian Biggins, Dave Garrett, Steve Kirby, Jack Thompson, and Paul Turner, who all shot 99ex100, Powell emerged victorious. Ultimately this was after a 138 bird one-to-one shoot-off with Paul Turner.

Will Taylor made it a weekend to remember, by adding the Colts title here to the Dougall Memorial and DTL English Open Colts titles he had won at Bywell over the previous two days. Teen prodigy Cory Doble continued his notable progress by winning B Class and the Juniors with an impressive 97.

THE ENGLISH OPEN

On the following Sunday, 6 September, the same venue near York hosted the English Open Single Barrel competition with 79 entries. This time David Whitehead was the

outright winner with a perfect 100ex100. Michael Brookes and Angus MacDonald took Runner-up and third position respectively with 99 each. The former also winning the AA Class and Veterans, the latter winning C Class in the process. Meanwhile Leah Southall registered a rare triple, winning A Class, Ladies, and Juniors with a personal best of 99 for Single Barrel. Paul Atkinson was the Colts winner with 92. 🥳

BYWELL DTL WEEKEND

SPONSORED BY

Richard Faulks reports from the 2020 English Open DTL, Dougall Memorial Trophy and The Sponsored DTL at Bywell Shooting Ground on the 28-30 Aug.

The 2020 English Open DTL, sponsored by Eley Hawk, was held on 30 August at the ever-impressive Bywell Shooting Ground in Northumberland. This event has been held at Bywell for many years and the weather was as immaculate as the ground on the day. Bywell is renowned for its Skeet and DTL layouts and the topography couldn't be more perfect – clear skies as backgrounds with distant hills to add to the visual beauty. A family run business, it's owned by Allan and Richard Henry, who's passion for shooting is evident in the attention to detail around the ground.

Above: Paul Chaplow. **Below:** Ian Mularkey.

There were 438 entries this year over the three days, which is down a fraction on previous years, but a great effort considering the Covid situation. Every effort had been made to allow for social distancing and there were plenty of hand sanitising stations available for entrants and guests, as you'd expect.

UNDER PRESSURE

With 15 degree heat, light winds and bright skies, there were some impressive scores posted by mid-afternoon. The most impressive of those

All eyes were now on the shooters that could possibly catch or surpass her score.

scores was 17-year-old A class shooter, Leah Southall, who has been shooting for five years now. She was at the top of the leaderboard with an impressive 100/297, equalling her personal best.

All eyes were now on the shooters that could possibly catch or surpass her score. In the field were the likes of

Paul Chaplow and Ian Mularkey, both AA class shooters. Ian Mularkey had won the previous day's Dougall Memorial Trophy, Team Gamebore had won the five-man category and Paul Chaplow had won Friday's Sponsored DTL. So some serious contenders were hunting her score down!

I had a quick chat with Leah to ask her how she managed to keep her focus while shooting the four layouts.

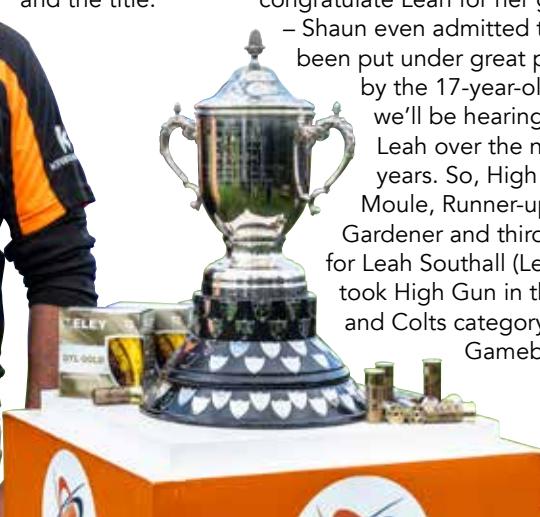

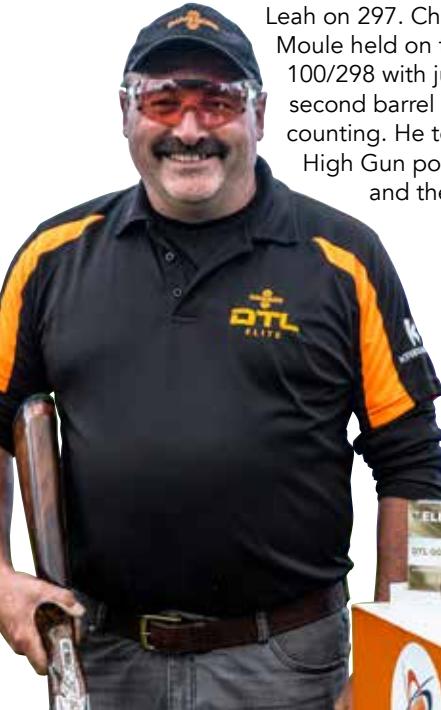

She was surprisingly calm and explained "I just take it one shot at a time and kept thinking this is my first shot, just ace this. That was what I was thinking all the way through. I did not get nervous at any point." Leah may have been calm and collected, but her score was putting pressure on the remaining field and left little room for error. ▶

IMPRESSIVE SCORES

In the end, both Paul Chalpov and Ian Mularkey dropped targets and fell away from the race, leaving Chris Moule and Shaun Gardener from Team Gamebore in contention. It was a down to the wire finish. Shaun Gardener, who had scored 75 on the first three layouts, dropped one target to level with Leah on 297. Chris Moule held on to score 100/298 with just two second barrel shots counting. He took the High Gun position and the title.

So it was a shoot-off for second place. The shoot-off was one rotation of 25 targets, ending with Shaun on 25/73, and Leah on 25/69. After the shoot-off, it was great to see both Chris and Shaun

congratulate Leah for her great effort

– Shaun even admitted to having been put under great pressure by the 17-year-old. I'm sure we'll be hearing more of Leah over the next few years. So, High Gun Chris Moule, Runner-up for Shaun Gardener and third place for Leah Southall (Leah also took High Gun in the Ladies and Colts category). Team Gamebore (Dan

price, Michael Turner, Jack Ruane, Chris Moule and Shaun Gardener) took the five man category on the Saturday and Sunday.

DOUGALL MEMORIAL TROPHY

The Sponsored DTL and the Dougall Memorial Trophy, which were held on the Friday and Saturday, weren't quite so lucky with the weather.

There was a strong icy northerly wind with gusts of up to 40-50 mph, and intermittent rain which made August feel like winter. The Dougall Memorial Trophy is the oldest clay shooting trophy (1903), fitting for DTL which is the oldest clay shooting discipline (1892), and was won by Ian Mularkey.

"A fantastic 99/293 which doesn't sound very good, but the weather conditions weren't very favourable. I don't know if it's ever been won with such a low score" Ian told me.

A creditable score in very tough conditions, and enough to take the trophy by one point from Paul Meakin!

Iain Parker, CEO of the CPSA, told me that "it's been a very well-supported event in what is a difficult year." He was especially impressed with Bywell's preparation and running of the event "from the facilities to the way the ground was prepared, it was more like turning up at Wentworth when I arrived on Thursday. Allan and Richard have done a phenomenal job and the whole family are involved, they all love shooting, they live and breath it. It's a well oiled machine." An impressive event in tricky times!

The CPSA also thank Eley Hawk for making the event possible through their sponsorship, especially in a difficult year.

2020
BRITISH OPEN
SPORTING
& SPORTRAP

Despite the difficulties presented by Covid-19, the British Open English Sporting hosted by The Clay Shooting Company at Garlands Shooting Ground was a complete success, and now there's a new name on the Daily Telegraph Cup.

The sensational final of the British Open English Sporting 2020 took place on Sunday 6 September at Garlands Shooting Ground, near Tamworth in the West Midlands. The top-five shooters from each class (AAA, AA, A, B, and C) and the top-three from each category (Ladies, Seniors, Veterans, Juniors, Colts, Disabled Standing, and Disabled Sitting) from each day of the qualifying 120 target sporting were invited to the final.

The shoot consisted of a 75-target sporting round over 10 stands, set by Steve Lovatt of The Clay Shooting Company.

THE HIGHEST STANDARD

As the top shots descended on the ground, the conditions on Sunday were dry and sunny – some high scoring was anticipated. David Ferriman, Sam Green, and George Digweed did not disappoint and set a very high bar, each shooting an impressive 74ex75. This was the highest score of the day and qualified

them outright for the Super Final. Meanwhile Chris Biddlecombe, Chris Childerhouse, Stewart Cumming, and Peter Simpson all shot a 73ex75, which led to a four-man shoot-off to find the remaining three for the six-man final. Peter Simpson didn't make it through to the Super Final, but he did win Veterans High Gun and Overall in AA Class.

In typical British fashion, the bright and sunny weather changed just in time for the grand finale, when a deluge began and soaked the six shooters as they sought glory.

Despite the rain, all six held firm and shot incredibly well through the three stands, to deliver a fitting end to five days of competitive shooting.

It was David Ferriman, the personable young man from Bedfordshire, who held his nerve to register the biggest win of his career. He took the title by one clay from

living legend Digweed and the 25-year-old said: "This is the biggest thing by far that I have ever won. I have shot for England and loved it but I have never won a major. It's something I have only dreamed of, and I suppose that's what other people thought because a lot of people said it's nice to see a new name on the trophy."

in Bedfordshire and said: "I first went to the ground because my mum was working there – I gradually went from helping out a bit at the weekends to starting full time seven years ago. Despite working at a shooting ground I get very little time to actually practice, although my boss, Andrew Clifton, was the one who booked us into the British Open. It was a pleasure to shoot with him in qualifying on the Sunday when we both shot 113."

David, who shoots with a Miroku MK38 and uses Lyalvale Express shells, modestly said of his 74ex75 on the final day: "When I went back on the Sunday I wasn't expecting to get into the Super Final. And then I dropped a clay on the first

stand on the 75 and thought 'here we go again'. But after that it just clicked and whenever I put the gun up the clay broke. "When it came to the Super Final I was more nervous waiting around for the other shoot-offs to finish, and see whether I had made it than I was actually shooting. With George Digweed and Sam Green there, along with the other

brilliant shots, I just thought what's the worst thing that can happen? Finishing sixth to those five isn't too bad is it? I knew I had been shooting well and when I saw them all miss a target here and there it took the pressure off. If they

hadn't missed any I would have been more cautious, but as it was I missed one on Stand 2 and it didn't bother me. And when it came to the announced shoot-off for some of the other places I wasn't even sure I had won until George turned round to me and said: "Well done, that's a fantastic achievement."

So the man who turned up with few expectations returned to Bedfordshire as the new champion and as he said: "By the time I got home I was too tired to even

celebrate. I just had some dinner with my partner and went to bed."

Amy Easeman won Ladies Junior High Gun with 67 and said: "I thought the final was a lot tamer than the first round, but again there was something there for everyone. I found the battue particularly tasty in the way it curved towards you. The last stand having three singles was also a great way to finish". Amy was also the Runner-up in the Ladies category after a shoot-off with Hannah Gibson, where Tanya Faulds was the outright winner with 68.

After a nervous start, Sam Nunn took the honour of Disabled Standing High Gun with a 61. Paul Bailey took Disabled Sitting with 58.

Annalise Evans, a Ladies Junior Shooter said: "I thought it was a good shoot overall, and really great that in the Covid circumstance we are able to get out to a championship. It was also nice the conditions held fair for all the shooters on their 75-round".

This championship would not have been possible without the generous support of sponsors Rizzini (distributed in the UK by ASI), Gamebore,

Promatic, and Musto, who provided gun, cartridges and clothing vouchers respectively as prizes for winners. Throughout the event, raffle prizes were also provided for competitors from Teague Precision Chokes, Dedito Boots, and Innolife Audio Solutions.

Gamebore's UK Sales Manager David Scott said: "Gamebore were delighted to continue their sponsorship of this ever popular event. The wide variety of stands were testing yet enjoyable as befits a major event, but there was something for everyone as always. These

Filippo Adamati from Rizzini said: "This edition of the British Open was a great success, with very positive comments from the shooters and a huge number of participants, despite

the fears of Coronavirus. It was a real positive to see several outsiders qualified for the final, and for them to go and win their classes. A big thank you to CPSA for organising such a large and successful event in these difficult times."

The CPSA are also grateful for Promatic's support around the ground, and to Steve Lovatt and his team at The Clay Shooting Company for putting on a great week of shooting.

THE BRITISH OPEN SPORTRAP

This event was held at Garlands at the same time as the British Open Sporting, with the competition running over four days.

As in the Sporting competition, the layout was designed by Steve Lovatt and his team at The Clay Shooting Company. On day one Tristan Hockey, the 2019 Colt High Gun, said about his round: "It was a good layout, with tricky pairs with interesting timings, and I enjoyed shooting with my squad".

On day two, Chris Childerhouse set the early

pace with a strong score of 96ex100, but colt William Page stole the headlines with an amazing 97ex100, incredibly dropping all three of those clays on just the one stand. He said:

"I'm happy with the layouts... glad my training is paying off".

It clearly is and not surprisingly William won the Colts and A Class.

Then, later in the day, James Attwood carded a 98ex100 to stake his claim to glory.

Lauren Goodman, shooting on the penultimate squad on day three, said: "Layouts three and four ►

were tough, but I know a lot of others thought the same. I really enjoyed it though.

It needs to be hard as it's only 100 targets".

By the time Saturday 5 September arrived, James Attwood had been joined by Richard Faulds and John Lee on 98ex100.

These three came back to take part in a shoot-off for High Gun. After an eight minute round, which was streamed live on Instagram by the CPSA, James finished on 24ex25 and was crowned CPSA British Open Sportrap High Gun 2020. Well done to James for some great shooting. Richard was Runner-up on 21ex25, and John finished in third Overall with 20ex25.

Sam Nunn, who came third in the Disabled Standing Category, said: "It was good fun. Challenging, but

James finished on 24ex25 and was crowned CPSA British Open Sportrap High Gun 2020.

you know these are Steve's (Lovatt) targets. I didn't know what to expect as I kept looking at the scores throughout the

week, and they were making me quite nervous. I didn't think I'd make it past the 70 mark. It was a nice start, but got harder as you went

round, but I am happy with how I shot". Sam finished on a 76ex100.

Hannah Gibson, who won Ladies High Gun again this year, making it two years in a row said: "I thought the Sportrap was tricky. The sim pairs were especially hard but it was still fun to shoot".

In such a difficult year the staging of the whole event was a credit to all involved, something echoed by Musto Head of Brand Marketing Emmie Brown: "Musto has been working with the CPSA for almost 10 years, and we are immensely proud to be able to support them even further with sponsoring the British Open. Although times have been uncertain over the last few months, we are proud to see so many getting back in the field, supporting key events and local grounds."

YOUNG SHOTS

By Will Fenner.

HOW I STARTED

I got into shooting as a result of my dad. Being a gamekeeper, I was brought up around shooting, and started joining his game shoots aged four. He and my uncles have always been keen clay shots, so it was a natural progression for me to pick up a gun and have a go for myself.

I first started shooting clays at the age of nine, and progressed to the competition side of it around age 13. Since then I have developed my love of the sport into a competitive passion.

ADVICE FOR YOUNG SHOTS

The advice I would give upcoming Colts and Juniors is to enjoy the sport, and not worry about chasing scores and results too early. If you relax and enjoy the sport then you will invariably shoot your best.

Another is to pay attention when watching other top shots, as you can learn a lot by watching how someone stands and holds their gun, that is where the hard work is done, which comes with years of experience.

You will also need to really try to put the miles in and shoot all of the different grounds. This is a key asset because you need to build a repertoire of sight pictures, which you can only do by seeing lots of different targets.

Try and shoot as many big shoots as possible to become accustomed to any pressure as early as possible, and learn how to deal with it.

ENGLISH OPEN SPORTRAP SUCCESS

I was recently runner-up at the English Open Sporttrap after shooting a 147ex150 to tie Sam Green.

Unfortunately I wasn't able to make the shoot-off for the Overall title, due to other commitments. I was still pleased to come away with runner-up and the Junior title however.

KEY TO SPONSORSHIP

Apart from Southdown Gun Club, who I have been fortunate enough to have had the backing of for around four years, and Tom Starkey who was kind enough to help me out with my first pair of glasses, I haven't really had a lot.

I think the key to sponsorship relies largely on your social media presence, and not just shooting ability which is probably where I have fallen short.

However, I also think you just have to be patient and keep trying to put in the big scores – eventually the right people will notice. There is no point in worrying about things like sponsorship or trying to chase it, just enjoy your shooting and the rest will take care of itself.

BIGGEST ACHIEVEMENTS

My biggest achievement is probably shooting for Great Britain at the European FITASC Championship in Hungary last year. It was my first time shooting abroad and I was fortunate enough to come away with Junior Silver medal and Junior team gold.

In 2020 I have had a good competitive year – post lockdown especially. I have won Junior titles in the British Compak Grand Prix and UK FITASC championship. I was unfortunate to miss out on the shoot-off for the Overall title at the British Compak by a single clay. I have also won Juniors at the Cotswold Cup FITASC, the Pro-One challenge at Barbury, and the Gold Cup at Westfield.

BEST IN THE WEST

We speak to **Mark Heath** from West London Shooting School.

Q How do the owners get involved in shooting?

A: The grounds are owned and run by the Richmond-Watson family, with directors Roddy and Colin Richmond-Watson at the helm, who are both game and clay shooters. Roddy is currently Master of the Gunmakers Livery Company, and is responsible for The London Proof House, which carries out proof tests on shotguns and rifles prior to sale or after modification, such as choking or repair.

Q When did the ground open?

A: The ground was founded in 1901 by Richmond Watson, the grandfather of the current directors, as one of the first shooting schools. The ground was opened in response to the growing popularity

of pheasant shooting in Edwardian England. In 1901, it was located in Perivale, which is around four miles closer to London than its current location of Northolt. The school relocated to Sharvel Lane in 1931 with the building of the A40 Western Avenue.

Q What disciplines/facilities do you offer?

A: West London Shooting School tutor shooters of all abilities, for both game and clay shooting. Gun-fitting is also a large part of what we do, and it consequently forms an integral part of our history.

The School houses one of the largest collections of try guns, with a wide range of gauges and configurations. With many of today's clay guns being adjustable, we are finding that a considerable amount of our business is fine tuning these elements, with the balance and fit key things to adapt for the try gun.

We have around 140 traps and approximately 50 stands at any one time. These comprise a number of FITASC style layouts and an interesting Sportrap layout, in addition to the towers ranging from 40ft-130ft. There are also numerous

TIPS FOR SHOOTING AT WEST LONDON SHOOTING SCHOOL

At West London Shooting School, we have every variety and speed of target possible to challenge you. We will do our level best to test your shooting accordingly, and when we find the gap in your armoury, we will do all we can to close it for you.

stands, with something to suit every ability. We currently have a combined rabbit and grouse layout, entertaining both for the grouse and clay shooter.

In addition to tuition and gun-fitting, we also offer caddied rounds, where you can select the type of targets that you wish to practise. We have a rifle range with five 100m lanes, two 200m lanes and one of the few running boar targets in the UK, as well as an on-site restaurant, Stanbury's, which serves some fine coffee and food.

Q How has the ground developed over the years?

A: Twenty-five years ago, you could stand in front of the shoot lodge and look out over the London Borough of Ealing. Much landscaping has been undertaken since then with some enormous banks. This not only improves the view, but creates some great features for the presentation of exceptional targets.

In the latest round of developments, we created the purpose-built Rigby Rifle Range, as well as new grouse butts alongside some banked areas that we use to present a wide selection of targets.

Q What is the clay shooting scene like near you – and has it changed over the years?

A: The South East has numerous shooting grounds and schools, some being pure competition venues and some a mixture of tuition, practise facilities and corporate events. It has always had an active clay scene; sporting disciplines seem to attract the volume entries, rather than the trap and skeet events of 15-20 years ago.

At the time of writing this, most grounds are building their businesses back from Coronavirus, now working to the 'new normal'.

Q What are your current aims and plans for the future?

A: We are currently working to bring the business back to 'normal', whilst keeping compliance with COVID-19 hygiene requirements front of mind. Lessons for clients who have shot before are busy, as are the gun fittings.

Practice rounds are also popular, particularly with the high towers and FITASC style targets at the shooting school. Demand for corporate events from September

onwards is high. Usually we would be coming to the end of our simulated clay season, however we will be running these days right through until November at Glympton North Oxfordshire, where we can deliver some fantastic and challenging high targets.

Q Is there anything else you would like to add?

A: We recently entered into a retail partnership with

well-known brand Sportarm, who have taken over the shop at our shooting school. They offer a wide variety of guns and equipment for both competition and game shooters, from brands such as Perazzi, Beretta, Browning, Caesar Guerini, Zoli and more. You are therefore able to purchase the gun on site and have it fitted using the full try gun facilities at the shooting school.

9 Aug: West Midlands Area Olympic Trap Individual Championship

Social distancing and special measures were in place, including a one-way system through the clubhouse. The catering has been moved outside, and was superb. A total of 13 shooters took to the field, including three from Wales, and one from Merseyside. Five West Midlands counties were represented, Hereford and Worcester having the biggest representation with four shooters. The scoring was close at the end, with Mike Faux being crowned champion on 87, great shooting Mike. In second place was Graham Evans, from Shropshire with 86. Third place went to

It was another great day at Gloucester for these championships and thanks go to Paul Tudge, to everyone that helped out on the day and also to all the members that shot this championship. The weather was kind to us for most of the day, but unfortunately the last squad got caught in a torrential downpour. and especially for Veteran Graham Evans and Senior Shaun Gardener; plus some really encouraging performances from our Juniors who have shot very few clays in their lives and not very many this year!

Chris Moule (H&W) was exceptional, with a 100/300 in the DTL and 99 in the SB, winning both West Midland Championships. Graham Evans won West Midland's Veteran's Silver in DTL and Shaun Gardener, with a 97, won a Senior Bronze in the SB after a three-way shoot-off. Graham also won a Veteran's Silver in the SB on a very respectable 92, with Shropshire Junior Jack Shipton only three clays behind to secure a Junior West Midlands Bronze.

The Shropshire Single Barrel County Champion for 2020 was Senior Shaun Gardener; Runner-Up Graham Evans. Jack Shipton was Junior County Champion; Zak Mansell was Junior Runner-Up; and Joel Kelly, still a Colt, third. Jan Dixon won another Ladies Medal to add to her growing collection, thanks to her commitment to shoot in such events. Shropshire Senior Silver went to Andy Lloyd and Bronze to Sean 'Pat' Reeves. Veterans once again led by Graham Evans, with Trevor Lewis Runner-Up.

The Shropshire DTL County Champion for 2020 was Graham Evans and Veteran Gold. Tony Gardener was Veteran Silver; with Trevor Lewis Veteran Bronze. The Seniors were led by Shaun Gardener to take Gold; Andrew Greenstock, Silver; and Bernie Hutchinson, Bronze. Jan Dixon picked up yet another medal. Juniors was a high quality, close competition between eventual winner Zak Mansell on a very respectable 91/264 to take Junior Gold; with Jack Shipton Silver on 90/261, just three points adrift. Joel Kelly was third and wins a Bronze medal.

It is also noted that Shaun Gardener shot a 100/299 at Holmes Chapel on 23 August and we all wish him well for more great scores this season.

23 Aug: West Midlands and Shropshire Helice Championship, Rugby

The West Midland's Champion was Matt Pugh with our own Alan Rowley just one clay behind, after a shoot-off with Wayne Killian. Shropshire's Marcus Iddon just one short, was in a three-way shoot-off for Champion Veteran, winning Silver in a close competition. Peter Bridger, who did well at this event last year, was present and gains a County Veteran's Silver. Alan Rowley is Shropshire's Helice Champion for 2020 and Marcus the Veteran's Champion.

22-23 Aug: British Open Universal Trap Championship, Fauxdeglia

The Champion was Matt Panter, following a shoot-off with Rod Gould and Nathan Hales, all shot 192ex200. Our own Graham Evans came a very respectable joint 12th in a quality field of competitors, including the only other Shropshire shooter, Andy Lloyd. The scores were wind affected, as were many other events over the same weekend.

21-23 Aug: British Open ESK Champs, Bisley

The Friday was severely wind affected, Saturday less so and Sunday was only a little wind affected by comparison! The very worthy winner was Natalie Bales after a shoot-off with

2019 World Sporting FITASC Champion Sam Green and outstanding Junior Archy Stannard, who all shot 100-straight. Shropshire was represented by Paul Stokes, Roy Jones and Trevor Lewis. Trevor was Joint fourth in B Class and Joint eighth in Veterans, on a solid 96 created from four 24s.

16 Aug: West Midlands Area Championships

Fauxdegla hosted this event for DTL and Single Barrel with some medal-winning performances once again from Leah Southall.

Leah writes "Thick fog all day meant that visibility was poor, thankfully there was little wind. I shot the DTL in the morning and was pleased with my 97/285 which is the best score I've had in the past few DTL shoots, and I even had a nice 25/75 to finish.

I then proceeded to shoot the single barrel in even thicker fog than what was present in the morning! I shot a steady 23, 25, 23, and 20, to give me 91/100. Both of my scores gave me a gold medal position in Ladies and a silver medal position in Juniors for both disciplines.

Thank you also to my sponsors for their continued support."

16 Aug: Olympic Trap Grand Prix

Hosted by East Yorkshire Clay Shooting Ground, CPSA Disabled Shooter of the Year, Paul Bailey, put in a terrific performance with 156/200 to take first place in the Para Sitting class. Hello to you all again, we at L&R hope that you are all keeping well. We have a few more registered events that have happened over the last few months to report on.

29 July: English Sporting at Normanton SG

A Class top shooters were Ben Wright and David Garner on 58, and third was Dene Mathews with 55. B Class winners were Craig Boddice and Richard Dixon with 56 and Matthew Venerables finished third with 54. 1 Aug: 100 DTL at Normanton

High Gun was Mark Joyce who shot a great 98/288. Following closely behind was Veteran Mike Brookes with 96/285 and Alex Harris also with 96/279. Veteran John Slatter came all the way from Wales to score 96/274. Caroline Stanbrook from Buckinghamshire scored 91/268 to take the Ladies High Gun. Local shooter, Martin Lehman, dropped a couple of targets just slipping from the top ranks.

Harry Piercy was the Colts winner on 78, and Matthew Bower the top Junior with 79ex100. Well done to all of the shooters and thank-you Team Grange for a great layout.

23 Aug: 100 Sporting at Grange Farm

This time Steve Brightwell came out on top with a massive 98ex100. Phil Smith from the Hereford/Worcester area was close behind with a smashing 96, as was Brody Wollard. John Barrett, from Cheshire, managed a creditable 95. Charlotte Copland was Ladies High Gun scoring 80ex100, and Mark Piercy was the Junior winner on 73ex100.

7 Aug: 100 Sporting at Kibworth SG

Over 60 shooters attended the Friday event and some very good scores were recorded.

The shooter of the day was Steve Brightwell shooting 95ex100 – not to be outdone Timothy Howell also shot a great 95. Neil Falkner (Northants) and John Wells (Leics) were very close shooting 93 each. Catherine Smalley became Ladies High Gun with 76ex100.

2 Aug: All Round Championship Orston SG

We had to re-schedule nearly all of our championships this year, so we are pleased that this has not deterred our shooters who once again came out in their numbers.

Today's competitors contended with variable light conditions caused by chasing clouds and a stiff breeze.

In spite of this, all of the categories and classes were won with some very respectable scores. This year's All Round champion was Mark Hebdon, who's score of 92 showed a very solid performance in each discipline. One point back was our current Supreme Champion, Steve Smith on 91, a score which took AA class. Top veteran was Marvin Houghton, who claimed his third Lincolnshire title this year with a score of 87, which just pipped Steve's Dad, Norman by one point. Top lady and C class winner was Georgina Barratt, whose score of 80 was well ahead of her nearest rivals. Top Junior was Kallum Burrell on 79. The other class winners were Graham Elkington in A class with 85 and Mike Burton in B class with 86.

Thanks go to Emily and the team at Orston Shooting Ground for accommodating our re-scheduled shoot, but also for the practices they have put in place on the ground to cope with the challenges of COVID-19.

23 Aug: DTL Championship The Priory CTC

A very respectable entry of 62 and some of the best DTL competitors in the county. Conditions could not be described as difficult but a fairly stiff breeze prevalent throughout the day with a warm, and grey clouds did not make for good visibility. Nevertheless, there were some very good scores recorded by the top scorers.

High gun and this year's Champion is Andy Jackson, who has only returned to competitive shooting within the last couple of years, was

All Round Champion Mark Hebdon

DTL Champion Andy Jackson

disappointed to have dropped a whole target on his last line, but still managed to return the winning score of 98/289, four points ahead of his nearest rival, Nick Day, whose 286 gave him A class.

There was a tie for AA class as Paul Smith and Joe Mitchell finished on 285, but Joe took the class award on the hated count back system. The veteran title and B class went to George Constanti, who surprised himself with a very solid 284. Another person who surprised himself was Chris Bone, who took C class with a score of 280.

The Houghton family are gradually accumulating a whole collection of Lincolnshire trophies this year. Marvin has already picked up High Gun and Veterans at ABT, as well as Veterans All Round, but now it was Jackie's turn to pick up the Ladies DTL trophy. Jackie was another one disappointed with her score, having uncharacteristically dropped ten targets but it is a measure of how difficult everyone else found the conditions that her score of 90/256 was enough to give her the title. Junior title went to Megan Williams for the second year running.

Our thanks go to Aaron and Natasha Heading for a fantastic job they had done during lockdown in making the improvements to the ground, and the Lincolnshire

committee were particularly impressed with Natasha's use of Facebook to publish the squads and squad times for this event. Shooters found this very helpful and enabled prospective entrants to see what squads and times were available to them.

23 Aug: British Open Skeet

Shooting is slowly opening up again and there has been a steady trickle of shooters back into the shooting grounds. The Northampton Shooting Ground saw over 100 shooters for their last Registered sporting competition, held along with Warwickshire county competition, and the same for the monthly sporting competition held a few weeks earlier. I am sure, as time goes on, more will return in the coming months and we will again be looking forward to a full competitive season for 2021.

Over the later part of the summer, some national competitions have been held. Some of our county shooters have attended with

Isabel Russel British Open Skeet third Place 2020

Sonny Bowman British Open Skeet Colt Runner-up 2020

success. About a dozen county shooters made their way down to the National Clay Shooting Centre for the British Open English Skeet competition.

Prominent among their number were Neil Faulkner who scored a great 99ex100 – unfortunately not enough to get himself in the top three for an individual medal. But along with others, including Andrew Lea and Leon Gill, this placed him in the winning regional team for the East Midlands team and gained him a medal.

Isabel Russell bagged herself third place in the Ladies competition, behind the Overall competition winner Natalie Bales, and A Class winner Rebecca Kibble.

Alex Banning and Sonny Bowman were in a shoot-off for first and second place in the Colt's championships, with Alex just pipping Sonny with 98 plus 24ex125 to Sonny's 98 plus 23. This was a reversal of last year's results when Sonny took the title. Sonny and Alex also competed in the East Midlands Junior team and also found success there winning the title.

Well done to all who took part.

The Northants Shooting Ground has some national fixtures in the autumn. The National Inter-Counties All Round competition is being held there on Sunday 20 September, as well as the National Inter-Counties Skeet competition on Saturday 17 October. I am sure that Simon Vogel Roy Tyler and Neil Faulkner will manage to get teams together for those.

The county CPSA committee continues to chat about the county fixtures and any changes to the decision to cancel the year's competitions will be posted on the county website and Facebook pages.

Hello fellow shooters and colleagues. I hope you and your families are all keeping well.

It's been a successful month for some Nottinghamshire county shooters who have been heading around the country for some major championships.

Darren Watkinson has been a busy bee, with his most successful date this month coming from the British Open All Round on 16 August where he came third Overall just one clay away from the Overall winner – missing out on second place in a shoot-off. Final score 95ex100. He also finished middle of the table the day before at the English Open All Round, also held at Brook Bank. Congratulations Darren.

Alix Gregory also made the journey from Nottinghamshire to shoot the English and British All Round. It's great to see a young lady from Nottinghamshire participating at these big events, so congratulations Alix and good luck for the future.

Russ Hufton, Rob Denoon, Darren, Adrian Snell and Mick Feather also shot the English Open ABT at East Yorkshire all gaining credible scores. This was held on 8-9 August 2020. Darren formed part of the East Midlands team here, as part of the Inter-Regional event that

was being held at the same time as the English Open ABT.

A number of Nottinghamshire county shooters also went to Fauxdeglia shooting ground at the beginning of August to shoot the DTL Grand Prix. As a county we were well represented by Russ Hufton, Andy Cain and Darren Watkinson with Russ Hufton leading the way for the county. Congratulations Russ.

The British Open SKT is happening as I am writing this down at NSCS. I can see that we have Karen Donnelly, Tom Clifford and Neil Howard shooting from the county. I hope to bring you their results in the next report.

The English Open Skeet Doubles was held at the NCSC on the 26 July 2020. Tom Clifford shot 93ex100 and Neil Howard also shot a credible 89ex100. Both finishing well within the table and both Nottinghamshire shooters.

Undoubtedly a number of our county sporting shooters will be heading to Garlands in September to shoot the British Open Sporting and Sportrap – good luck to you all.

Bywell Shooting Ground are hosting the English Open DTL, Dougall Memorial DTL and Sponsored DTL on the weekend of 28-30 August. Good luck to all of our Nottinghamshire shooters who have entered.

The 2020 Premier League Final is taking place at West London Shooting Ground on 26 September 2020.

Whilst we haven't hosted any county championships this year, there is a number of National Inter-Countries events being held across some disciplines nationally. For those of you who are interested it may be worth having a look online to find the relevant team managers for the county to ascertain whether there is a national counties event for your disciplines and register your interest. I'm sure team managers are keen to hear off you if you're interested.

Looking forward to bringing you more excellent results from the county's in the next issue of *Pull!* magazine.

Congratulations to this year's County Champion, Paul Neal with 98/291, and Veteran Champion Gary Miller with 97/287.

29 Jul: Skeet Doubles

Our second evening shoot saw shooters contend for the county skeet doubles championship. It was a lovely sunny evening of shooting. Congratulations to Lee Coe on his first county title after he shot to the top with a 50-straight, with young Henry Lungley on his heels who shot a very impressive 49. With both Stuart Smith and Andy Stephenson also shooting 49's, Lee still held his nerve to come out as the winner. County Champion was Lee Coe with 50/50, Ladies Champion Pauline Chapman with 47/50, Veterans Champion Robbie Manning with 47/50, and Junior Champion Henry Lungley, with 49/50.

1-2 Aug: Sportrap Championship

A beautifully sunny and warm weekend was to be had throughout the Sportrap weekend this year, giving all shooters the optimum conditions for shooting. This helped produce some incredible scores in the two days. A huge congratulations to Josh Nunn who has claimed his first Senior county champion title, an incredible feat against some of the big names in our county shooting ranks! County Champion was Josh Nunn on 96/100, Veterans Champion Eric Chapman with 93/100, Ladies Champion Pauline Chapman with 91/100, and Veterans Champion Henry Bevan with 92/100.

5 Aug: Single Barrel

A bright Wednesday evening welcomed our county shooters to this year's Single Barrel Championship. A slight breeze kept the clays interesting, and all who attended on their toes! Congratulations to this year's County Champion Geoff Howlett who shot through to take the title, scoring 49/50. Veterans Champion was Robbie Manning with 43/50.

Aug 12: Double Rise

A wonderfully hot Wednesday welcomed the last of our evening shoots for 2020 with the Double Rise Championship. This appeared rather testing, but Robbie Butters managed to shoot his way to the county title for this year with a score of 40, beating previous champions Stuart Smith and Barry Randall.

Aug 16: All Round

With the weather forecasted to be very wet, we got very lucky on this shoot with only a couple of afternoon squads feeling a rain shower. Congratulations to Chris Baker who has managed to retain this title for yet another

year! County Champion was Chris Baker with 95/100, Veteran Champion Robbie Manning with 91/100, Lady Champion Pauline Chapman with 87/100, and Junior Champion Jasper Pearce with 78/100.

Aug 21-23: FITASC

A full on three-day shoot saw this county championship held alongside three other counties, with many shooters vying for the champion title. With an incredibly windy Storm Francis causing a challenging start to the shoot, this eased over the three days which was a relief to some shooters. Congratulations to Junior Henry Bevan for claiming this championship title with 97/100. The Veteran Champion was Eric Chapman with 93/100, and the Junior Champion was Henry Lungley with 72/100.

1 Aug: Avon DTL Championship

The Avon DTL Championship took place at Axminster GC. Jerry Ayshford took the Avon title with a 98/293 to just squeeze out Tony Dores as Runner-up with 98/291 on George Trenchard's notorious layouts. This was held in conjunction with Devon County with all enjoying a good shoot on the day.

8 Aug: Avon UT and SB

The Avon Universal Trench and Single Barrel unfortunately had to be shot on the same day of 8 August due to restricted availability of grounds and layouts, all of which now having a busy agenda with the Coronavirus shutdown being relaxed. Grounds are having to get County, Regional and Intercounty events held in a very short timeframe.

The Single Barrel was won by Tony Dores on a magnificent 98/100, with Jerry Ayshford

on 92/100 as Runner-up, a reversal of the DTL results held a week earlier at the same ground.

The Avon Sportrap Championship was held at Meadowcroft SG over a 50-bird event. This once again had a restricted number of shooters, as there was also a 100-bird sporting event arranged with a very high entry level.

The Sportrap title was taken by Dean Horswell with a 47/50 shot over two layouts. Jo Hemmings, last year's champion was the Runner-up on 45/50, with Dave Clifford coming third on 43/50. As no prize ceremonies can take place on the day of any championships, winner's trophies have been held to be presented later at the Meadowcroft ground at a later date.

A report on the Avon All Round Challenge shot on 6 September will be in the next issue of *Pull!*. Event dates will be posted on the website and in the magazine when news becomes available and via Dave Woolcott's messaging service.

Guidelines may change on how the Registered events can take place so please check with the grounds to ensure to book shooting times and any other enforced rules.

Any further breaking news from anyone please contacts us on email below for inclusion next time.

The Avon website is hosted on the main CPSA website and can be accessed via the County tab. Also there is a new email

address of rogercox47@gmail.com for contact in the future.

CORNWALL

ALISON MORDEN-HAWKE

alisonm-h@outlook.com

It's been a busy summer for Cornwall shooters, taking part in selection shoots and then championships. We are now going into the season of Inter-County shoots – well done to all our champions and those selected to shoot for the county. There have been issues on fielding the best team when selections have completed just before an Inter-County shoot, with some team members having to forfeit their place due to prior arrangements. This is unfortunately the downside of the suspension of competitive shooting during the Coronavirus lockdown.

1 Aug: second Sportrap selection

This took place at Tatson where the now infamous Tatson Teal made an appearance,

created by a change in the wind conditions. I believe there were only three shooters who managed to hit the target all day. The High Gun scores were Pete Mylam, Seniors and Veteran, 75, Emily Morden-Hawke, Ladies, 54, and Denzil Grose, Juniors, 62.

2 Aug: Fitasc Championship

The FITASC championship took place at High View where the Champions were Adam Rowe, Senior with 93 and Chris Durkin, Veteran, with 89.

8 Aug: Skeet championship

At Lower Lake, it was one of the hottest days of the year. The Champions were Kelvin Walsh, Seniors with 99, Bill Mousalli, Veterans with 98, Jody Nicholas, Ladies on 95, and Denzil Grose, Juniors, after a nail-biting shoot-off with 94.

9 Aug: Sportrap championship

Held at Landare, it was once again a hot day. The winners were Matt Barnett, Senior, 92, Pete Mylam, Veteran, 83 Emily Morden-Hawke, Lady, 69, and Denzil Grose, Junior, 66.

We were delighted to learn that Junior member Denzil Grose was awarded the British Open All Round Colt Champion on 16 August 2020 at Brookbank.

22 Aug: South West Inter-County Sportrap

A 13-strong squad took the 385 mile round trip to Owls Lodge in Hampshire to take part in the South West Inter-County Sportrap competition. The photo attached, taken by team member Adam Rowe, shows the team minus himself of course. Congratulations are extended to Rob Pethick, who achieved his county cap at the event. Here's to many more Rob.

We are looking forward to taking part in many more Inter-County competitions in September and October and further reports of Trelawney's travelling army will appear here.

Veterans, Richard Chapple and Peter Pinno both scored 293 points, a shoot off will take place at a later date. Rebecca Peat and Rachel Westcott both shot 255 points and after a shoot-off, the Devon Ladies Champion is Rachel Westcott. Devon Junior Champion is George Harvey with a score of 90/261.

2 Aug: FITASC Championship

This was held at High View, with our thanks to Donna and her team. The Devon 2020 Champion, shooting a score of 93/100, was Charlie Avery with Lawrence Barnes a close second scoring 92. Third place with a score of 91 was Steve Trout.

DORSET

ANTHONY READ

saltonread@gmail.com
sites.cpsa.co.uk/dorset

In the last issue, the date of the Dorset Sportrap County Championship was incorrectly given as 16 October. The correct date is Saturday 17 October and the shoot will be held at Purbeck Shooting School.

After a run of five Dorset County Championships in July, August and September have been quiet on that front. But we can look forward to further activity in October with the English Sporting on 3 October, and the above-mentioned Sportrap on 17 October.

Both of these County Championships are being held at Purbeck Shooting School and pre-booking is required. The ground can be contacted on 01929 405101.

Dorset is also planning to hold a Single-Barrel County Championship, although the date and venue still have to be finalised. Please keep an eye on the Dorset pages of the CPSA website, and also the Dorset CPSA Facebook page for information.

15 Aug: English Open All Round

Now looking at the wider scene, Dorset shooters did well in the English Open All-Round at Brook Bank. Dorset's Ian Mulliner tied in pole position with Somerset's Emma Stacey on 95ex100. Ian held firm when it was needed and put in an emphatic 25-straight in the shoot-off to clinch the title. Richard King and Dean Webber bolstered the County's showing with solid scores of 91 and 87, respectively.

Richard had further successes in other Registered shoots, claiming High Gun in two competitions. On 29 July, shooting ABT at Fareham CTC, his winning score of 95ex100 was a full eight points above the second-place shooter. And at the Meadowcroft Shoot, Richard tied for High Gun with Devon's Andy Moon, both scoring 99ex100.

22 Aug: South-West Intercounty Championships

This was Sportrap held at Owls Lodge Shooting School. Dorset entered two teams, the first comprising Richard King, Colin Pennington, Stuart Rudling, John Sanders and Paul Thomas. The second of Nick Bullen, Joey Froud, Tom Green, Mike Hillyer and Rob Taylor.

Richard's score of 92 was only two points short of that shot by High Gun, Samuel Usher, from Wiltshire. Using the qualifying scoring scheme of taking the best five scores across all nominated team members, Dorset's score of 440 earned third place behind Hampshire on 442, and winners Wiltshire on 447. Note that this was the first outing for the new Dorset team shirts. The shirts very much added to the team spirit.

23 Aug: Olympic Trap Championship

Owls Lodge was the venue for the 2020 Hants OT championship. OT is not the most popular discipline but holding it this year at Owls Lodge had a record Hampshire entry attending this popular Hampshire club. As per the Hampshire CPSA rules, all disciplines must be offered to Hampshire clubs first. Only those disciplines that can't be put on in Hampshire are offered out to clubs nearest the border.

Steve Scott, now living in Hampshire, is a very big name in the sport. Steve has a wealth of winning titles to his name, and returned a 94/100 to claim yet another title, this his first as a Hampshire Champion. Chris Dean picked up the Veterans title, and again the 2020 Colts title went to Barney Eastman.

Olympic Skeet Bisley

Bisley very kindly hosted the Hampshire Olympic Skeet Championship, as none of the Hampshire clubs can host this discipline. James Biddlecome picked up the Hants champ title, with Veterans going to David Foote.

2 Aug: Fareham CTC English Skeet

Fareham CTC hosted the Hants Championship and the Doug Summerbee

Memorial Championship. Doug was a six-time England Skeet team captain, and the past President of this unique club. I'm sure he would have been looking down on this year's entries. The two under-cover layouts kept the rain showers off of the contenders.

The day ended with a shoot-off with Lee Knight, who really wanted his fourth 2020 Hampshire Championship title, and Alan, who ended that wish by winning the shoot-off by four targets. Ali Stevenson, who's been coached by Kevin Luff since she took up clay shooting, won her second 2020 Ladies title. Ron King became the Veteran's title, and Barney Eastman yet another Colts title.

Supreme Championship

In the last issue I said that Sean Gamblin had a healthy lead, but the tide is turning. Lee

Knight is now only three points behind Sean. Ron King has also pulled in the points to just seven away. Sean, Lee and Ron are way out there on the points, closest to them in fourth place with 19 points is Phil Marks. With just four 2020 Championships left, this could be the closest finish we have seen since the start of the Supreme Championship.

Ron was the 2018 Supreme Champion with 33 points, neither Sean or Lee have had their name engraved onto the silver goblet. Roger Deacon's name appears on the goblet twice, the first time in 2017 with 51 points, and then again last year with 47 points.

Sean, Lee and Ron are very good with sporting targets and coming up are the final four disciplines. The first being DTL, but then the final three which are very sporting orientated. The Compak Championship at

lots of places and wins. Please do get involved with the Bucks shoots, AGMs and Bucks CPSA meetings.

Please do try to keep us up to date with everything you are all doing – our Facebook page is Buckinghamshire CPSA and on there you can keep up with all the local shoots, county shoots an much more.

The Combined Compak Sporting event held at Southdown Gun Club on Monday the 31st August, saw very satifying entries from Greater London, Essex, Kent and Sussex, probably as lots of shooters were itching to get their guns out and shoot a competition.

The weather was very good and the Greater London champion was Adrian Balham with a score of 98, Runner-up was Sian Hoskins with a 91. Our thanks to the Southdown team for holding this event which might not have happened if the COVID-19 lockdown been re-imposed.

Please note that Southdown are holding the Greater London English Sporting on the 25th October and the Sportrap on the 29th of November, the Covid lockdown earlier

in the year meant that both of these events did not take place and the Greater London committee are most grateful to Southdown for holding these at the later dates above, please try and enter one or both events!

The DTL and the Double Rise are already to run but won't make this issue of *Pull!* due to publishing timing. Details are on our webpage.

We will soon be thinking about planning the Greater London fixture list for 2021, hopefully by then we might be seeing the demise of Coronavirus.

The year is passing so quickly and today in late-August I find myself writing the October report, where has the year gone? I hope you are all staying safe and well in these continuing difficult times.

Oxfordshire Shooting School

Firstly, I must mention the Thorne family, they definitely need to share with the rest of us their continued recipe for success. Mary Thorne was so pleased, after many years of shooting on and off, to manage her personal best at the Oxfordshire Shooting School's monthly registered Sporing shoot mid-August.

On the same Day, Tim Thorne shot a very impressive 96ex100 to win A Class for his amazing efforts. Well done Tim, you continue to impress us all.

Staying with Oxfordshire Shooting School, I have to mention the infamous Mickey Rouse. Having not seen him around too much recently he has astounded us all – 100ex100 in AAA Class. Well done Mickey.

Third in AAA Class went to Julian Freeman with a pretty impressive score of 97ex100. Well done to all Oxfordshire shooters who turned out to support a local, ever improving ground.

Honesberie Shooting School

Early August saw Honesberie host their monthly Registered shoot, 154 shooters took part. Julian Freeman was third in AA Class, having shot a 93ex100. Steve Cox was second in AA Class with 89ex100, and Matt Smallbone was third in C Class. Well done to you all.

E.J. Churchill

Steve Cox managed to get yet another midweek day off for E.J. Churchill's registered shoot. He shot 93ex100 placing him third in AA Class, well done Steve! Tim Thorne, again smoking hot, won A Class with an impressive 90ex100. Well done Tim, well deserved.

County FITASC Championship

Thank you to Kevin Gray for once again hosting the Counties Championship. Well done to Karl Field and Matt Hance, the joint Champions, having both shot 94ex100. They

will share the County title. Julian Freeman won A Class, Gary Davis won B Class and Vets, and the Super Vets went to Fred Townsend. Well done to you all. The Fred Simmons Trophy was won by Karl Field, Matt Hance, Steve Cox and Julian Freeman, having all shot 23ex25 on the same layout, well done guys!

The County FITASC Championship is the only event in which we share the trophies if the scores are tied. This is the only event which is run over several days and the Committee do not believe you should lose a County title through countback. All other County Championships are shot on the same day and will go to a shoot off on the day.

Please check the Oxfordshire Facebook page for all the updated County Shoot dates. If anyone has any impressive scores or achievements they would like me to include in the next report please email me the details.

This leaves me to say stay safe and happy shooting everyone!

10 Aug: OSK County Championship

The Olympic Skeet County Championship was held at the NCSC at Bisley. Previous winner Maddy Boyd scored 89 to take an early lead. Both Maddy and David Dale started with uncharacteristic rounds of 21.

Although neither managed a straight on the day, David came closest on the final round, missing the first target, then going on to hit the remaining 24 to take the title with 91. Maddy of course won the Ladies title, while Peter Saich retained the Veteran's title with 79.

Surrey Supreme

Andy Smith was fourth in the Olympic Skeet Championship, picking up 12 Supreme Points and closing the gap on Glen Boxall. Rachel Parish consolidated her fourth place and extended her lead in the Ladies Supreme

Championship from Jo Watson-Hopkinson, while Peter Saich in the Veteran's category opened up a gap over Steve Cole. With Helice next up in the Championship calendar, GB Shooters Jo and Steve are likely to catch up.

Surrey Helice Adventure

After a number of months of lock down and limited travel, some of the Helice shooters from the UK, including three from Surrey, ventured across the English Channel to shoot in an Helice competition in Le Touquet, France. Steve Cole, Jo and Fergus Watson-Hopkinson had a great time, despite it being one of the hottest weekends of the year, and in testing conditions caused by strong winds due to the location of the club.

All shot well with Steve in a shoot off for third place in the Senior's final, just losing out to another English shooter, and Jo taking the ladies title. It was great to be able to travel abroad again, if just for the weekend, and our French hosts were extremely hospitable.

Side-by-Side event – Pre booking essential

Guildford and District Gun Club have agreed to host our Surrey Side-by-side Championship at Clandon Park on Sunday 18 October, to be run concurrently with the Webley and Scott Trophy competition for non-Surrey CPSA Members including those from outside of the County. This will be a 60-target, non-registered competition. In accordance with the G&DGC Risk Assessment in place at time of writing, all entries must be pre-booked and pre-paid. Please contact Peter Saich for booking and payment details. If you have not pre-paid, you will not be able to shoot at this event.

Many thanks to our Badge and Trophy Sponsors for 2020, and welcome to our latest sponsor, Chris Saich. Chris is an established radio presenter, DJ and Karaoke host, so if you are planning a celebration as lockdown eases, contact Chris at Shark London Events to discuss your requirements, and please see our website for details of the other sponsors.

31 Aug: Sussex Compak Championship

Sharing the day with Kent, Greater London, and Surrey, there were 36 Sussex shooters. Given the recent unpredictable weather it was good to have a dry day. The overall event was won by two Sussex Shooters, Will Fenner and Guy Franklin, with brilliant scores of 99ex100. A shoot-off was held and both shooters produced some very good shooting but after dropping one target, Will lost the title to Guy.

Sussex Champions on the day were: Overall Guy Franklin 99, Junior Will Fenner 99, Veteran Cliff Goodwin 96, Ladies Christine Atkinson 86. There were no Colts participating. Well done to all our champions and thanks to Southdown Gun Club for hosting the event.

31 Aug: Sussex English Sporting

Again held at Southdown Gun Club, Sussex Shooters turned out in good numbers. The targets were very good as normal, thank you to the ground for a great shoot. For the second time on the day Will Fenner had to shoot-off for the title, after both he and George Digweed shot 96ex100. A very close shoot-off produced clear rounds of ten from both and then unfortunately Will dropped the eighth target of the second round of ten. So Overall Sussex Champion were George Digweed 96, Junior Will Fenner 96, Ladies Christine Atkinson 78, Veteran Kevin Lillywhite 90, and Colt Toby Drake 65.

Well shot Will – to have to shoot-off for both titles was a shame, given how brilliantly you shot especially as you are still a Junior. You are

a great ambassador for the Sport and to young shooters not only in Sussex but everywhere. It is always a pleasure to see you shoot.

15 Aug: Sussex ABT, Fareham CTC

Thirteen Sussex shooters shot the Championship. Andy Stratford took the county title with 97ex100, Tim Woodhams taking the Veterans with 91ex100. There were no Ladies, Colts or Juniors this year. Many thanks to the staff at Fareham for a great shoot.

8 Aug: DTL, Priory Clay Target Centre

A great turnout of 44 shooters came and shot the DSG Sponsored DTL competition, a combined Disabled and Able Bodied competition held at the Priory Clay Target Centre, Sutton Bridge, Near Spalding.

The weather was warm and mild but with a highly active breeze, which gave for some interesting targets. All in all a great day was had, with Aaron, Natasha, and the team at Priory CTC providing a very well managed event. Overall winner of the whole competition was Able Bodied Geoffrey Howlett, with an outstanding 100/298. Disabled High Gun, collecting the £100 prize was Steve Marsh with 94/276. Chasing close behind Steve in the Disabled section in second place was Dave Lewsey 94/273, third was Craig Williams with 87/251, and fourth

Insurance

Newmoon Insurance

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

01892 506884

www.newmooninsurance.com

Newmoon are authorised by the FCA under number 498667 and company number 6610290 at 85 High Street Tunbridge Wells Kent TN1 1XP

PREPARATION, PERFORMANCE & PRESSURE

British Open English Skeet Champion, **Natalie Bales**, talks preparation, performance, and pressure.

Q How did you get into shooting?

A: I started shooting at the age of 11 with my father, who bought me a 20 bore Browning as my first gun.

My very first time shooting, my dad bought me 100 targets and made me shoot all 100, even though I wasn't so keen on the sport after my second shot and a painful shoulder!

Q How did it feel to win the British Open English Skeet, both the High Gun and Ladies High Gun?

A: The British Open Ladies High Gun was always the title I had my sights set on.

To win the Overall High Gun surpassed all of my expectations. I very nearly didn't enter the British Open this year, but I am so pleased that I did now!

Q What did you do in preparation for the event, and for any events you have attended after lockdown?

A: This year has been very challenging. I work as a Clinical Scientist for the NHS and have had very little time to concentrate on shooting.

I didn't expect to shoot as well as I have this year, but I often think that when I have other things on my mind, shooting becomes much easier!

Q Do you feel there is any added pressure to win at competitions, after becoming the first female English Open English Skeet champion in 2016?

A: No, I don't feel any added pressure, I go to every competition with the aim to win along with everyone else.

I was extremely proud to win the Overall title in the English Open in 2016, it's one of my top achievements in the sport. I'm over the moon to be able to add the Overall British Open Skeet title to my collection.

Q What are your top tips for those looking to emulate this success?

A: I always think that in this sport you have to concentrate only on the next target, stay positive, and have a bit of fun.

I never take a competition too seriously, I like to enjoy my time shooting with my family and friends.

Q What are your plans for the future?

A: I enjoy shooting all skeet disciplines, I would like to get back into Olympic Skeet. I'm also looking forward to when I can start teaching my son William to shoot! 

To win Overall High Gun surpassed all of my expectations
