WELCOME

JAN/FEB
2021

At the start of every year we take time to reflect, and 2020 brought us all challenges nobody could have expected.

I would like to thank everyone from the NHS, emergency services, and key workers. I would also like to personally thank all of the members who have stuck with us through 2020. Even when shooting stopped, our work continued to ensure that clay-target shooting could start up again as soon as it was possible, and in a safe and secure way. Your support is what enabled this.

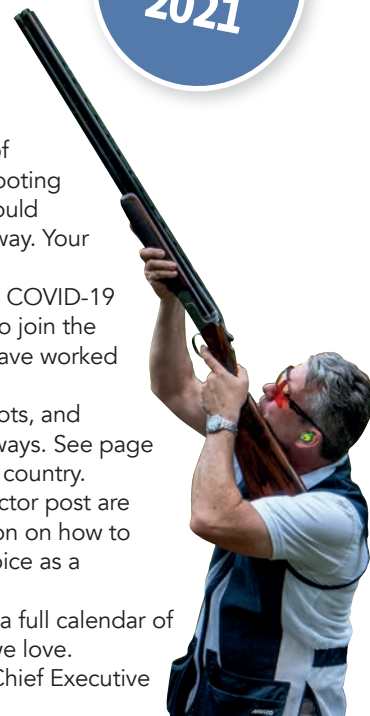

I am writing this just as the news has been announced of the first COVID-19 vaccine being administered in the UK. The CPSA and I would like to join the nation in thanking all of the medical and research personnel who have worked hard to put us on the path of seeing the pandemic behind us.

In this issue, we are pleased to bring you the usual CPSA Top Shots, and despite less targets being shot, the averages were incredible as always. See page 12 for those lists, and to hear from some of the top shooters in the country.

Please also note that CPSA Director elections for a National Director post are being contested, see page 31 for candidate profiles and information on how to vote. I encourage you to cast your vote and make sure that your voice as a member is heard.

Finally, I and the CPSA team wish you all a happy New Year with a full calendar of competitions, CPSA Championships, and events across the sport we love.

2021 CPSA COLTS INITIATIVE

The CPSA, thanks to a generous donation bequeathed by John Dalby, and through support from sponsors, grounds, and coaches, are delighted to announce a new initiative for selected Colts running this year, 2021. This was due to run last year, but was postponed due to Covid-19.

With John Dalby having been a keen sporting shooter, it was decided that in the first year of this initiative to invite the Top 20 Colts ranked in English Sporting as of the first classification run of 2020 to apply for this scheme. Following an application and interview process, the CPSA are delighted to announce the participants of the initiative this year are: Alf Bartle – North Yorkshire, Charlie Bird – Cambridge, Barney Eastman – Hampshire, Darcy McBride – Hertfordshire, Jasper Pearce – Suffolk,

The objective of this initiative is to support and guide these Colts as they develop and progress through the rankings, competing at county and regional level and possibly through to an England cap. The CPSA are pleased to be working with the following sponsors for this programme:

Rizzini, Musto, Solware, E.J. Churchill (West Wycombe and Swinton), Owls Lodge Shooting School, and High Lodge Leisure Ltd.

The overall aim is to measure the success of the initiative this year, and to grow the programme year on year. We hope to gain additional support from grounds, coaches, and sponsors to be able to offer this to more Colt members and branch out to the other disciplines. Darcy McBride said, "It still hasn't sunk in that I have been accepted but I'm happy beyond words this is a dream come true and I can't wait to

progress my shooting with the support of the Colt's initiative" Jasper Pearce stated, "I feel privileged to have been selected as part of the Colt's Initiative for 2021 and can't wait to see what the year ahead brings with the added support of the sponsors involved". Congratulations to all the participants and we look forward to following their progress on social media over the next year.

NEW FITASC RULE CHANGES FOR 2021

The FITASC governing body routinely holds its Ordinary General Assembly (OGA) prior to the World FITASC Sporting championships, in the country of the host nation for that event.

With the worldwide pandemic in full swing, the 2020 OGA was held as a video conference. However, although reduced in content, there was an allocated agenda place for all the FITASC discipline rules to be reviewed.

Changes to the rules were focused on a noticeable increase in the use of release trigger operating shotguns.

This has prompted FITASC to produce a new and generic rule for competitors, and advice to the referees when there is a problem, mainly due to a no target on first or second shot. As of 1 Jan 2021, a competitor will be required to display

the above logo on the outward facing part of their stock.

This means that the referee should be able to see the logo, regardless of whether the competitor shoots from their left or right shoulder.

The logo is available to purchase through suppliers via the internet.

The other inclusion to all FITASC disciplines rules is advice to the referee on how to deal with no targets, with a release trigger shotgun. The focus is on gun safety and a common sense and safe approach is advised.

The rules for 2021 are available now on the FITASC web for all the FITASC disciplines.

THE COUNTRY FOOD TRUST DINNER PARTY

Looking back at 2020, at what can only be described as an extremely challenging year, the Country Food Trust has been reflecting on how they, and the UK as a whole, have responded to changes in food poverty.

They hope this gave us all pause for thought and made us consider the 8.4 million fellow citizens for whom access to food every day is not a given. It is a shocking number and one which has increased because of the pandemic.

The plight of school children was also brought sharply into focus, thanks to the extraordinary work of their partner FareShare and their incredible ambassador Marcus Rashford. They drew attention to the one million plus children who are in food poverty in the UK, and for whom school provides not just an education but also nourishment.

To date, the charity has over 75,000 orders for this new meal with their producer which will be delivered directly to families before Christmas.

For 2021, The Country Food Trust need to raise even more funds to help children and their families in need and have a target to raise another £250,000 before Spring 2021.

The Country Food Trust is inviting you to host The Country Food Dinner Party at your home on Friday 26 February for as many guests as space allows, or as COVID-19 rules permit.

The goal is for over 2,000 people to attend individual dinners across the country, with each party raising vital funds to ensure another 250,000 meals can reach those in need, including children and their families. There will be online access to both a silent and a live auction for everyone attending, and a prize for the group who raises the most money on the night. So the charity urges you to call your friends and family, rally the troops, be part of the fun, give your friends something to look forward to and help make a difference to young lives this winter.

SHOTS IN THE MAIL

LETTER OF THE MONTH

I started clay pigeon shooting after retiring about nine years ago. I bought my first gun, a Browning 525, which was checked for fit, as was the Browning 725 I changed to some six years later. The gun fit checks I have experienced were based on trigger pull and if my eye was aligned. I have had lessons from a variety of people but none included a gun fit check.

Recently I have had instruction from a CPSA instructor and the first thing he did was check for gun fit. He found that my

stock length was too long for me. The standard stock on a Browning 725 is 14.75" and it seems I need one about 13.5" – that's quite a significant difference! This instructor was even reticent to carry on the lesson because my gun did not fit! Having a stock over 1" too long had not helped with consistent gun mount and was probably encouraging lifting my head off the stock, especially on high clays.

I have now bought a Beretta Vittoria 686 with 13.5" adjustable stock and

already finding my scores are improving – having a couple more lessons with my CPSA Instructor has also helped. I think the important lesson here is that a gun must fit, and although it's quite possible to shoot with a poor fitting gun, it is so much better shooting with one that fits. I also suggest that a 'proper' gun fit check should always be part of any lesson.

THE NATIONAL INTER-COUNTIES

Reports back from the ABT, English Skeet, and English Sporting National Inter-counties.

NATIONAL INTER-COUNTIES ABT

The National Inter-Counties ABT was hosted by East Yorkshire Clay Shooting Ground on 11 October. Sixteen squads were entered in the competition, which had a full entry of 96 shooters.

Jack Thompson, who has shot both DTL and ABT for England, took High Gun after dropping only two targets. Lucy Hall took both Ladies and Junior High Gun for the day, demonstrating her exceptional ability across the trap disciplines. Aside from being a member of the GB Olympic Trap Team, this year she also won Juniors at the National Inter-Counties DTL and Ladies at the British Open Single Barrel.

Neil Leeming – also a former England ABT shooter – won Veterans, whilst Lewis Kirk won Colts.

The main show was the team events, with this being the National Inter-Counties Championship. Yorkshire managed to beat Lancashire by a single point in the Senior team event, adding another episode to that age-old rivalry. The winning Yorkshire Seniors were led by the High Guns Jack Thompson with 98 and Lucy Hall with 96, along with

Andrew Thompson, Chris Tate, and Dean Linley all on 92, and Geoff Barker on 83. Lincolnshire won both Ladies and Veterans, with their Ladies team consisting of Elena Taylor on 78, Janet Stennett 78, and Jackie Houghton 77. Veterans were Marvin Houghton with 94, GW Elkington with 91, and David Shepherd with 80. Herefordshire and Worcestershire took Juniors with a team of Thomas Burns, scoring 82, and William Goodman with 81.

CPSA Chairman John Martin stated "It was a fantastic turnout, as it has been for all National Inter-Counties this year compared with previous years, so everybody is getting out shooting while they have a chance – which is great! The weather was a major disappointment as the Met Office said today would be the best day of the weekend, and fairly mild, so don't believe what you see on the internet! Despite this, the shooters and the amazing staff at East Yorkshire got on with it. Congratulations to all of the winners and thank you to East Yorkshire for making it a great event."

NATIONAL INTER-COUNTIES ENGLISH SPORTING

The National Inter-Counties English Sporting was held at Westfield Shooting Ground on 4 October. Being a Steve Lovatt shoot, the competitors were prepared for some challenging targets, but they were also treated to some extra difficulty thanks to blustery weather conditions throughout the day. This did not deter Richard Faulds MBE who took High Gun for the day with a perfect 100 – the second year in a row that he has won this event with a straight.

Ladies High Gun was taken by 2020 Clay Shooter of the Year Amy Easeman. Arnie Palmer, who has been a stalwart of the England Team since 1987, put in an excellent 96 to take Veterans, whilst George Cheer, who won his first England cap in 2019 in both English and FITASC Sporting, took the Juniors title. Colts was won by Oliver Keats, who is already an A Class English Sporting shot.

The Senior team event was won by the Oxfordshire's Gold team (John Smith 92, Matt Hance 94, Karl Field 92, Luke Taylor 90, Mickey Rouse 91, and Julian Freeman 89), just managing to surpass Wiltshire by one clay. Ladies was won

by Buckinghamshire (Amy Easeman 90, Lorraine Harris 75, and Sammy Halsey 79.). Gloucestershire won Juniors with a team of Harry Lovatt 89, Luke Russell 77, and Liam Richings 73, and also took Veterans with Clynt Warren 88 and Kevin Childs 89 shooting without a third teammate.

NATIONAL INTER-COUNTIES ENGLISH SKEET

The National Inter-Counties English Skeet took place at Northampton Shooting Ground on 17-18 October, on what turned out to be a chilly and overcast weekend. Originally scheduled for the latter day only, bookings for the event proved so popular that the team

In all National Inter-counties the Seniors teams consisted of six shooters (top five scores to count), whilst Ladies, Juniors, and Vets teams consisted of three (top two scores to count)

at Northampton decided to open the shoot across the whole weekend.

Martin Walmsley, who last year won his first England Team cap, shot an exceptional 125-straight to win High Gun. Having shot a perfect 100-straight to tie with Andy Parsons, Martin then shot another 25-straight to win the shoot-off. Veterans was closely contested, with Paul George, Kevin O'Reilly, and Stephen Leppington all shooting near-perfect 99s, but Paul walked away with the win after crushing 24 clays in the shoot-off.

A shoot-off was also required for the Ladies category, with Isabel Russell, Emma Parkinson, and Isabel Cartlidge all shooting 97. Isabel Cartlidge held her nerve in the shoot-off, only dropping one target to take the title – an impressive feat giving that she is still a Colt, and managed to win that title too. Rounding off the individual titles, Harrison Willis won Juniors with 96.

The team titles were well fought across the counties, and distributed amongst them. Andy Parsons' 100-straight led the Yorkshire team to win Seniors, and along with his teammates Jon Cain on 97, Ross Elgie on 99, Gary Cooke on 98, and Steve Leppington on 99, managing to drop only seven of the 500 possible points. Herefordshire and Worcestershire's Emma Parkinson scored 97 and Natalie Jones scored 93 to win the Ladies. Juniors was won by Northamptonshire's team consisting of Alexander Banning, who shot 96, Sonny Bowman on 91, and Sam Brodie on 87. Winning Veterans was Cambridgeshire's team of Robert Fletcher on 90, Timothy Jones on 96, and Peter Cook on 93.

CPSA Chairman John Martin was at the event and stated: "That this National Inter-Counties Championship was so popular that Martine and the team at Northampton had to open it up for two days, just goes to show how happy people are to be out shooting this year. It was a pleasure to see so many familiar faces from the Skeet community, including many that I've not seen in a while due to recent events. The turnout of county teams was encouraging, with teams coming from as far away as Cornwall and Yorkshire – showing just how committed Skeet shooters can be. Congratulations to all of the winners, and well-done to the team at Northampton for putting on a great weekend of shooting." 🌿

TOP SHOTS 2020

Please note that some lists are shorter than normal due to less shooters being able to put in the required number of scores across three grounds this year.

2020 was a very unconventional year to say the least, but despite spending most of the shooting season in and out of lockdown, the final scores were impressive. We reflected on some of the finest feats of 2020, and look forward to the 2021 season with some of this year's top shots.

RICHARD KING 1ST ABT, 2ND ALL ROUND, 4TH SPORTRAP, 10TH ESP

This year has been very difficult for everyone with lots of shoots cancelled or postponed.

I have really missed competing at all of the championships and selection shoots. On the other hand, it has enabled me to shoot more locally and enjoy my home county championships.

I have been very pleased with most of my shooting this year, winning a total of 25

High Guns and a further five county titles.

There are always highs and lows when it comes to shooting, if I have a bad day I try and analyse it that evening, and work out where things went wrong. I don't dwell on it for too long, I just look forward to the next shoot.

My goals for 2021 are to hopefully be attending as many championships and selection shoots as possible, in several disciplines, and mainly

to keep enjoying the sport that I really love.

My advice to anyone is to shoot different disciplines, put yourself out of your comfort zone. Its always good to visit the local grounds that you tend to shoot less, shoot pool shoots and try out lots of different techniques.

All the shooting that I do would not be possible without the help from my sponsors, and I would like to thank Blaser UK for my F3 Pro, Hull Cartridge for the Pro One, and Ian Mulliner Guns for all his help.

I've probably shot the least targets I've ever shot this year, but I was pleased how I shot the British Open Sporting, qualifying with a score of 115, which was the joint highest over the week. On the finals day I shot 73 and qualified for the six person Super Final. To win the Premier League series was also a highlight of 2020, it's a tough event for a AAA class shot to win, as we compete off scratch handicap, so to win that was very satisfying.

My 2021 goals are to shoot my best when it really matters, at major championships, if I do that I'll know I'll be in with a shout. I had a bit of a set back at the

British Open Super Final – on the first stand I missed four of the eight targets which put me out of contention. I put this down to lack of focus and not getting in the 'zone'. Advice I would give to others would be to shoot at as many different grounds as you can, getting used to different targets and backgrounds. Also shoot all the majors and big events, so you can understand how to deal with pressure.

I would like to thank my sponsors Browning, Just Cartridges, and also my wife and son for all of their continued support.

EMMA PARKINSON 1ST ESK LADY, JOINT 11TH ESK OVERALL

After a very bizarre year, I am over the moon to have maintained my position in the CPSA rankings, and despite several major championships and selection shoots not going ahead I still managed to shoot a few of my favourite competitions during 2020.

I retained my Welsh Open Championship title for the third year running, scoring 97ex100, and my County title with 99ex100.

Having been a member of the England team for three years, I was disappointed

to see the selection shoots didn't go ahead, but next year I would like to continue to shoot for the England team.

I would like to say a massive thank you to my parents, boyfriend Ryan, and coach David Beardsmore, for their continued support. In my opinion, the most important aspects to clay shooting is vision, gun fit, and ammunition – Ed Lyons and X-SIGHT have played a vital role in helping me guarantee my vision and reactions are always 100%. Manuel Ricardo has made me a bespoke gun stock for my Browning so when I put my head on the stock, I know it's always in the right place. And finally Eley Hawk, who produce cartridges that are smooth to shoot, but also give the most incredible breaks which is always a great confidence boost.

PAUL JENKINS 1ST OLYMIC TRAP VETERAN, 13TH OLYMPIC TRAP OVERALL

I feel I have shot more consistently this year, as I changed my gun from a Perazzi MX8 to a DT11 Black. Winning B Class at the OT British Grand Prix and also a bronze medal in Vets was my highlight of the year, as well as Shooting at O'Pinhal in Portugal in February. I also finished third in my class, and won B Class, in the OT Winter Series 2019/20 at East Yorkshire Shooting Ground.

It was difficult to get out and shoot a lot this year, with the Pandemic curtailing shooting and not being able to travel abroad. To qualify to represent England in the Home International, to keep being consistent with my scores, and continue to

enjoy shooting will be what I look forward to achieving next year.

I would like to thank my wife Angela for her support, along with the many other people along the way that have given me help, but most recently Rob Hall at the Gun Room, and East Yorkshire Shooting Ground.

To be successful you need to stay positive and keep going – I started shooting OT in 1992 at North Wales Shooting School, and shot my first British GP in 1993 there. I am still learning.

1ST ENGLISH SPORTING COLTS, 1ST SPORTRAP COLTS, 16TH SPORTRAP OVERALL

Given all the Covid restrictions this year – I am very happy with my results from what I have managed to shoot. I have achieved my five goals: retain the BO ESP Colts title, win the BO STR Colts, get into AA class, a High Gun at one of my local Sporting shoots, and win the Suffolk Sporting Junior title.

Two events that stick out this year for me would be winning the English and British Open Sportrap Colt prizes. Winning both in the same year was a huge achievement for me. I also shot 97/100 at the BO Sportrap which left me fourth overall. I was only one clay away from being in the shoot-off for High Gun!

This was my last year in the Colts category, so going into Juniors next year I would

like to get in the top five rankings for Juniors, win the Suffolk Junior Sporting championship, win an English or British title as a Junior, and 90% average in Sporting or Sportrap.

I was only one clay away from being in the shoot-off for High Gun!

I would like to thank my sponsors Hull Cartridge Company and Highwaymans Shooting Ground for their continued support. Team Hull have made me feel part of the family and Sam Green helped me with my first debut on the

Fieldsports channel. I would also like to thank my Mum and Dad for their taxi services and financial contributions, and finally Trevor, Kevin, Adam, and Cyrus for their support, guidance and “words of encouragement” – once they have finished laughing!

PAUL CHAPLOW BEM
1ST DOWN THE LINE

I am thrilled to have topped the DTL top-20, considering that this is my lowest yearly average for nearly 20 years. This year I was awarded the prestigious BEM (British Empire Medal) in the Queen's Birthday Honours List which was a fantastic achievement.

I was disappointed not to have been able to get out shooting much because of COVID-19 restrictions this year, but my aim for the year was to come back after the lockdown stronger than ever.

When I was shooting my best a few years back I ate, slept, and breathed shooting, to dominate a sport you have to give it 100%, but most of all enjoy it.

I would like to thank my wife for putting up with my shooting over the years. She's often forgotten about but believe me if you are

going to succeed at the top for a long period of time you need full support from your partner and to have the full backing of Krieghoff and Hull Cartridge Company, means the world to me. I'm pleased to have been associated with these companies for years, and hopefully many more.

This year I was awarded the prestigious BEM (British Empire Medal) in the Queen's Birthday Honours

OWEN CLARK

1ST ABT JUNIOR,
2ND ABT OVERALL

I'm happy with my results this year, I've finally settled and have more confidence with my gun and I feel my results reflect this. In my opinion, it is the best I've shot in a long time.

Since I'm confident in my ability now, I feel I can progress in the new year.

I haven't a particular result I'm over the moon about, as I know there's still loads to improve on however, I'm happy that I have come back from last year as I struggled then more than anything. I'm happy with this year's performance, considering

the inconvenience of COVID-19. I'd like to thank my dad and family for their support, Duane, Andrew, and Daz for their company at the 'big' shoots, RGB for their continued support, and the many other people who have helped me improve my shooting over the years.

KATHERINE BRIGHT

1ST UNIVERSAL TRENCH LADY

To win the English Open UT title was really special to me, as its the sixth English Open title I have won: DTL, ABT, Double Rise, and Handicap by Distance are the others. I'm really really pleased with my results and consistency during this very short season.

I have not been able to shoot as much as I would have liked this year – and although having a condensed season with fixtures almost every weekend was brilliant for shooting, it was also

expensive and tiring with lots of ferry trips. Despite this I am looking to gain a place in the UT GBR team for the World and European Championships in 2021.

I would really like to thank the following for their ongoing support at this difficult time: Ed Lyons Sports Vision for my glasses, advice, and support, Bryan Prest at Malmo Guns, Cheddite for support with my Smart Strike cartridges, and Mark Lawson at Hazel Bank Shooting Ground for continuing to give help, advice and a 'kick up the behind' whenever needed!

LEADING SHOOTING PERFORMANCE

TRAVELLING TO EUROPE

WITH YOUR SHOTGUN FOLLOWING BREXIT

Nicola Heron tells us what it will be like travelling with a firearm in 2021 and what you can do to be organised without the European Firearms Pass.

Travelling abroad with shotguns from 2021 onwards will certainly be different without the use of an EFP (European Firearms Pass). But don't panic as it is relatively easy to get the correct licences – if you can be organised.

We will now be treated just like any other shooter coming in from outside the EU, like Australia or the USA. You can forget last minute trips with your shotgun, however, as you will need time to comply with each individual country's requirements by their deadline dates for permits.

If you are going to any international competitions (Worlds or European Championships) organised by World Bodies (WB) such as ISSF, FEDECAT, FITASC or ICTSF, then the information required to take your shotgun into the desired country will be easily available on their online portals, when you make your registration to the championship.

IMPORTANT DOCUMENTS

From 2021 onwards we will all need four important documents to take our shotguns abroad:

- A Shotgun Certificate (SGC)
- A Gun Declaration Form (GDF) – this needs to be returned to the organisers, including a copy of your passport and your SGC, by the deadline date given to you.
- An invitation to the event – again this is normally available as a download from the organiser's registration page.
- Proof of insurance – take your CPSA membership card and a print out of your individual members insurance.

INFORMATION FOR YOUR GDF

It is important to note that in order to complete your Gun Declaration Form, you need to have already decided on, and booked your method of travel. By

far the easiest is to fly on a direct flight to your destination as it involves only one GDF. The GDF form itself will ask detailed information about your entry into their country such as:

- Name
- Date of Birth
- Address
- Nationality
- Passport number
- Airport or Port
- Date arriving and date leaving
- Airline and flight numbers (or similar if by ferry)
- Hotel details
- Gun details (brand, model, serial number, calibre, extra barrels)
- Email address
- A copy of your passport and your Shotgun Certificate (SGC)

Some countries will also charge a fee for processing your GDF.

We will now be treated just like any other shooter coming in from outside the EU, like Australia or USA.

TRAVELLING BY CAR

For those travelling by car, you will need to complete the required GDF for each country that you drive through, which may involve contacting each of the embassies direct.

You will also need to complete the airline's gun handling form as usual.

THE GDF PROCESS

When the GDF is received by the championship organisers, it is then sent on to that country's police authority for approval. Some countries like Portugal or USA send back a stamped permit in order to enter their county. Others, like Spain, may just add you to the Guardia Civil airport list for that particular championship, without sending a permit.

A similar process as described above will be needed for shooters travelling to other countries to hunt, or to have stocks made. Again, the organiser of your trip will advise the criteria you need to meet. All will involve a GDF.

NICOLA'S TOP TIPS

TIP 1 Always fly direct if you can, even if it costs more.

TIP 2 Take hard copies of all GDF paperwork in your hand luggage so they can be produced easily at customs (if asked for) alongside your SGC, permit, return ticket and proof of insurance.

TIP 3 Keep all email correspondence regarding the GDF, on your mobile as proof of the date it was applied for.

TIP 4 Keep a picture of your passport, SGC and what your gun case looks like on your phone. It comes in handy should the worst happen (items stolen or lost).

TIP 5 Most customs will have someone who speaks a level of English.

If there is a problem and no matter how frustrated you may get with a language barrier, keep calm and polite. It is the difference between getting through customs in 20 minutes or 3 hours.

TIP 6 Always use the armoury at the shooting ground, if there is one provided.

TIP 7 If no armoury is provided and you have to keep your gun at the hotel, then keep the gun in its locked hard case (if you have a lock wire, use it to tie to something immovable), when you go out to dinner leave the TV and light on, put the 'do not disturb' sign on the bedroom door.

TIP 8 Enter and exit the hotel each day without attracting attention. Most onlookers will think that the gun case is a musical instrument.

GUN SHOP FAVOURITES

Richard Faulks speaks to **Simon Hadfield** of Hadfield Guns, **Matt Morgan** of Premier Guns, and **William Mole** from Bywell Shooting Ground about their favourite beginner, mid range, and top range guns.

Whether you're a seasoned clay shooter or just starting out in the sport, gun selection is one of the choices that will probably have the greatest impact on your success and enjoyment of the sport – alongside the services of a good coach! Money spent on lessons will seldom be wasted, but when you start looking for your first gun or are thinking of trading up, you'll also realise it's the largest up-front cost too.

Getting the right gun is something you should spend time researching and experimenting with before committing. You should aim to seek advice as to which guns are the most reliable, and which will retain their value best for the future.

Good quality and popular guns generally have the best resale value for obvious reasons. There are a plethora of guns on the market for all budgets, so we have asked the gun trade professionals for their thoughts and recommendations of guns for beginners, shooters looking to trade-up and those lucky people where money is no object!

Simon Hadfield of Hadfield Guns, Matt Morgan of Premier Guns, and William Mole from Bywell Shooting Ground have each suggested three guns they feel suit the three price brackets.

BEGINNER PRICE GUNS

The first comes at a truly astonishing price. I have to admit, I didn't know you could buy a new Over and Under for this price – the ATA SP Elegant looks like a gun that punches above its weight. At around the £600 mark, Simon explains that this gun allows a newcomer to the sport to purchase a decent gun, a gun slip, cleaning kit, and cartridges all for under £1,000 – and get them out on the range. That's a very decent price point and Matt agrees too. "Well it looks great, it's got gold on it, nice wood. It looks every part a £3,000 gun and they've got all the features that somebody wanting to shoot

clays needs." The Turkish are really giving the Italians a run for their money at the moment on the entry level guns. It's probably not going to be a gun for somebody wanting to shoot millions of cartridges, but it'll be perfect for those shooting two or three times a month.

Kofs are another low-cost option that may be worth looking at, especially for youngsters or ladies.

Recommended by William, the Kofs

is built around an aluminium action which obviously saves weight, they also

supply them with a shortened stock of around 13 inches, if requested for youngsters, and they cover all of the obvious calibres. Prices start at around £500.

MID-PRICE GUNS

For the mid-price selection, Simon has opted for the Beretta 694. He praises its fantastic build quality and superb handling and says "It's been a great seller through our shop." ▶

It
looks every
part a £3,000
gun and they've
got all the
features

Above: ATA SP. Left: Blaser F16. Right: Browning XS Pro.

Above: Perazzi Hi Tech 2020. Below left: Beretta 694. Below right: Beretta D11.

Beretta's are a known quantity and have always been in demand. There is an adjustable comb option and I don't think you could ever go too far wrong with a Beretta. Prices start at the £3,300 mark, a crowded price point and the competition is stiff.

Matt Morgan has opted for a similarly well renowned gun manufacturer that has a proven track record on the circuit. He's chosen the Browning XS Pro which is based on the old GTI, which won plenty of competitions in the 90s. "It's extremely versatile, available in a number of barrel lengths, has barrel weights, stock weights, various pads and spacers, so out of the box, you can do anything you want fitting wise" says Matt. The XS Pro is Browning's top-end competition gun, and if you look at the recent Sporting British Open, the finalists were all shooting Brownings or Mirokous. Except for George Digweed, who obviously shoots a Perazzi.

Another solidly built German engineered option at around the £3,400 mark is the Blaser F16. This gun again is easily customisable, and is supplied with all you'll need to do so. It's a gun that shares a great deal of DNA with its older sibling, the F3. This would be William at Bywell's choice for its build quality.

TOP RANGE PRICE GUNS

Simon says "my current dream gun is a Perazzi Hi Tech 2020 with custom made stock, 30 ¾" barrels and fixed ½ and ½ chokes, as I have one on order!" Simon is going over to the factory in Italy to have

the stock fitted and made to his liking. That's the kind of service you get when you invest upwards of £16,000, though the custom fitting adds a little extra to the price. Perazzi are famous for their factory visits, for clients to have a stock custom fitted and go through their vast list of options for all aspects of their gun.

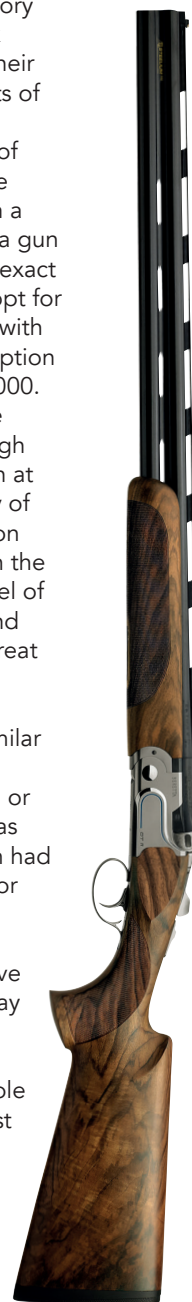

William agrees with the idea of a factory visit and says "If you're spending upwards of £9,000 on a gun, you should be thinking of a gun that you can customise to your exact requirements." William would opt for a Perazzi MX12 SCO Sideplate with scroll engraving. Not a cheap option with a price tag of around £33,000.

He does warn of customising the engraving to a very personal level though in case you want to trade the gun in at a later date. He recounted a story of a gun which came in for a valuation with a gentleman's wife engraved on the bottom of the action. This personal level of engraving devalued the gun and in the end the engraving was changed to a spaniel at great expense to the customer!

Matt Morgan is equally in favour of Beretta's custom fitting service, which is run in a very similar manner to Perazzi's. Matt has chosen the new £16,000 Beretta DT11 Carbon Black Edition or EELL for his 'money is no object gun'. It has evolved from the acclaimed DT10, which had been a very popular and revered gun for many years. Both the Perazzis and the Beretta have proven competition history, and are both brands that have evolved from previous successful clay models. Both are great choices.

Some sound advice from Simon, Matt, and William, and also a couple of surprises. I'm amazed at the cost of the ATA entry level gun and I did expect somebody would opt for a hand-built British gun or a Krieghoff for the top end choice... Choices, choices!

“Browning XS Pro is based on the old GTI, which won plenty of competitions in the 90s.”

FORWARD-THINKING INVESTMENTS

Ed Barker of Nuthampstead Shooting Ground talks about their history and recent investments to the Hertfordshire-based ground.

QHow did the owners get involved in shooting?

A: The late Martin Barker discovered a passion for clay shooting at local straw bale shoots, and decided to diversify from being a farmer to establish the shooting ground with his wife Nicky.

As Martin's son, I now run Nuthampstead Shooting Ground with Nicky. I have worked at the ground from a young age and can remember only having a box of cartridges as an allowance from my father to shoot a round of Trap. I lost the

enjoyment for shooting when I had to fill up the traps after I shot – it was lucky I had more talent with a spanner and trap filling than a shotgun, so it was less of an issue!

QWhen did the ground open and what makes it special?

A: The shooting ground started as a sporting layout, using some of the local farmer's manual traps. Martin soon developed a passion for Trap and Helice.

Nuthampstead has always provided for OT and UT, as well as ABT, Skeet, and

Sporting. Having specialised ranges and equipment for Trap means that we join an exclusive list of grounds across the UK to offer it.

We have hosted National Championships in Olympic Trap and Universal Trench for over 25 years, as well as Olympic Double Trap during the success of the British teams. Nuthampstead is renowned for being a challenging place to shoot, however it does give shooters good perspective!

We are very lucky to have the support of Promatic Ltd,

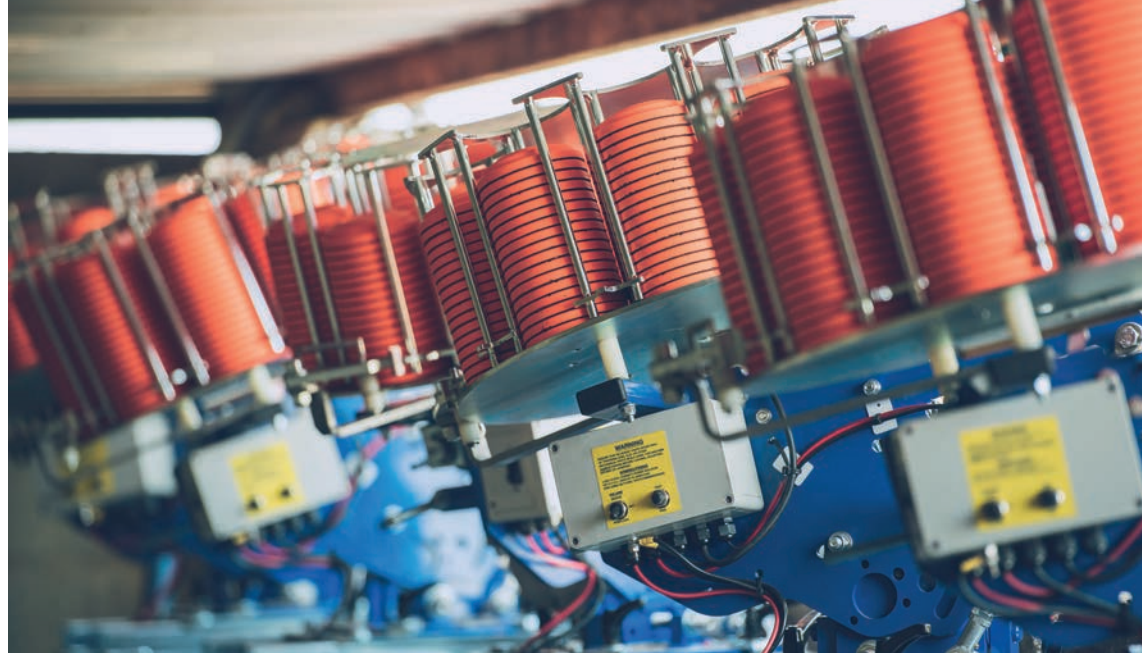

the exclusive providers of our machines, after two years of research into finding the perfect suppliers. We have a great relationship with all of their staff, and their engineers are always fantastic.

Q What disciplines do you offer currently?

A: We offer Olympic Trap, Universal Trench, ABT, and Olympic Skeet as the main disciplines, as well as some Sporting, DTL, and simulated game stands.

Q Can you tell us a about the new sheeting on the bunds to collect the lead shot?

A: Italian grounds set the precedent for creating the best possible background for shooting clay targets. The bright orange clay contrasts perfectly with a green background. The expense of using the Geomembrane on the bund is only cost effective because of catching lead shot, and of course the more consistent background for the pleasure of our customers.

I worked on the project for five to six years with my father before building it.

Q Where did the inspiration come from to provide such a forward-thinking investment?

A: Italy and famously Lonato. Trap Concaverte is the largest Trap range in the world, boasting 12 ranges to our four. They host World Championships, World Cups, and Italian Qualifiers.

Visiting other grounds around the region and world, we quickly saw the short and long-term benefits.

We all need to play a bigger part in the clay shooting world to be responsible with our cartridge cases, waste, lead shot, and noise. The bund has already helped us achieve significantly lower noise levels, and to reclaim lead shot for recycling. Myself and my father both had the privilege to be at the World Championships in 2015, and both agreed then that it would happen as quickly as finances and the opportunity came around.

Q How have you found adapting to COVID-19 social distancing procedures around the ground?

A: It has been challenging, however we made the right decision to delay our opening to really find out what we could do to protect our staff and customers.

We are grateful for all the hard work done by the CPSA with the government to get back shooting promptly and safely.

We received first-class advice and kept business very much under control.

We are also very thankful

for the support of all of our understanding and co-operative customers.

Q Do you have any events coming up soon that you are particularly excited about?

A: We have had a fairly short competition season for obvious reasons, but a selection of events for GBR teams will have been and gone by the time this article is published. Martin Barker's Memorial shoot is always a great event for seeing everyone, having lots of laughter, and the pigeon flurry always makes lots of money for the Essex and Herts Air Ambulance. This is scheduled for 1 November.

Q Is there anything else you'd like the readers of Pull! to know?

A: We are continuing Martin's legacy and have high hopes for the future of the shooting ground, and hope to welcome you to the ground soon.

We have achieved and developed a lot since the passing of my father, however there are still many projects in the pipeline.

It's a challenge running a small family business, but it is a real privilege to be involved in clay shooting, and all the people that make our sport what it is. 🐦

TIPS FOR SHOOTING WELL AT NUTHAMPSTEAD SHOOTING GROUND

YOU ARE BETTER THAN YOU *THINK YOU ARE*

Bob Palmer talks about being a ghost of yourself and six tactics to help overcome it.

I know that you haven't heard of ghosting, as it pertains to clays, as I just invented the term for this article to illustrate showing up for a competition as the ghost of yourself. You just don't feel present. You pretend that you know what you are doing. You attempt to walk tall, but slump after making the same mistakes that you promised yourself the last time out to correct. Except, aside from the broken promise, nothing has changed. And you know darned well that that kind of promise will be broken over and over again. Why? Lack of knowledge of how to prepare, train, or build routines?

Inability to deal with the stress of misses, people, or new situations? Zero practice session or sessions with a coach?

Well, there is hope. And here are six tactics you can use to be present, so

that the ghost of yourself never emerges again.

1

TACTIC 1: KNOW WHAT YOU WANT

Have a long hard discussion with yourself as to where you want to go with your game. If you are happy being a ghost of yourself, I'm good with that. Except that, around every post-game pub table (in almost every sport), the glum looks and slumped shoulders tell a different story. Clearly most people want a lot more. Defining what you want is the first step. Start with: "I expect to win" then add: "I will be in the zone and not think." There are no better outcomes to start with!

And if you want to learn more about how to get the sport advantage, check out my new online course – ZoneQuest. It's a ten-module video training course that covers these tactics and more. What are you waiting for – more ghosts? Log in to cpsa.co.uk/offers to find out more.

2 TACTIC 2: WATCH THE BEST SHOOTERS ON YOUTUBE AND DECIDE ON A SHOOTING STYLE THAT YOU WANT TO COPY

We all copy. It is normal and not cheating. The better you get at copying (learning from the best), the faster you'll rise to the top without reinventing the wheel. Some of the best shooters grew up in shooting families and learned through osmosis from parents, siblings, or other role models. You may not have been so lucky, but you are lucky to live in an era of the internet and YouTube. Pick three shooters and watch them obsessively before you practice. And then in practice, be them.

3 TACTIC 3: AT YOUR NEXT COMPETITION, WATCH THE TOP SHOOTERS PREPARE

Maybe you won't even see them before the match because they are off in some hidden location getting ready. Notice what they are doing to get ready. It may not surprise you that your pre-game preparation looks very different from theirs. Hint: You might want to change yours.

4 TACTIC 4: PRACTICING ALLOWS YOU TO IMPROVE YOUR GAME

Visualization and other mental exercises allow you to predict and adjust to potential stressors. However, no amount of technique practice or visualization will fully prepare you for a competition. You must compete (put yourself on the firing line) to learn how to compete. Competing reveals chinks in your armour that you can fix. Stop getting mad at your mistakes when dropping targets. They tell you so much, like what techniques to practice and what fears to overcome via your mental strategies. Competing is the best – and some would say the most important – way to improve your game.

5 TACTIC 5: GET A COACH

Seriously. Far too many shooters rely on squadmates and friends for advice. However, this endless faucet of knowledge will never get turned off once you start it. In every practice and competition a 'coach' arises with a new piece of advice for a problem that has already been adjusted numerous other times by numerous other 'coaches.' The next time someone gives you advice, ask to see their coaching certificate. Better yet, book some time with a professional – both technical and mental.

6 TACTIC 6: PRACTICE YOUR TECHNIQUE

Shooting a round of clays is not technique practice. Technique practice is working diligently on one type of presentation that has been flummoxing you. It is breaking through any number of frustrations such as taking your head off the stock in anticipation of the certain target. Although it sometimes may be a bit lonely, just you and the live or electronic puller, this kind of deliberate practice changes everything as you build the kind of subconscious skills that will become solid in your competitions.

I've been teaching these simple tactics for more than 20 years to help athletes stay in the Zone while keeping their ghosts at bay. Applying one of these tactics demonstrates to yourself that you are serious about your game. Applying them all will demonstrate it to everyone!

CPSA NATIONAL DIRECTOR

The three-year term position of National Director has been contested, a ballot is therefore required to take place between (in alphabetical order) **John Lucy** and **Carl Smith**.

Following our announcement on 10 November that the position of National Director for a three-year term starting immediately after the March 2021 AGM has been contested, a ballot is therefore required to take place. This is between (in alphabetical order) John Lucy and Carl Smith. All members 18 years of age and over will be sent a link to the ballot during January. If we have a valid email address for you then you will receive an email from Civica Election Services Ltd, who are managing the ballot on behalf of the CPSA. If we do not have your email address, you will be sent a letter explaining how to cast your vote. The deadline for your vote will be Friday 5 March 2021. Details of the two candidates follow:

JOHN LUCY PEN PORTRAIT & PICTURE

Sports knowledge and Experience, including shooting

I have over 40 years shooting experience, and for last decade have concentrated on the "fast trap", disciplines. I will compete or practice most weeks. England caps for ABT in 2017 and 2018. I've been fortunate to begin gaining experience in international competitions and have shot in Spain, Portugal and Egypt so far.

Career details including business skills and experiences

I started my own haulage business at the age of 21

and ran this for over twenty years. Since then I've held various senior positions in the transport industry. Achieving an MBA qualification in 2012 allowed me to change career path slightly, and I'm now Head of International Transport at the Road Haulage Association.

Experience of working on Boards and/or as a Director

I have been M.D of my own business and worked at board level since then. My current role requires me to represent my industry to various government departments in the U.K and abroad. I am a founding member of my county CPSA

committee and am serving secretary.

What would you like to see the Association achieve during your term?

I would like to encourage more shooters to get involved in competition at any level. I want to ensure that shooters, grounds and associations work together to continuously develop and promote this sport for the benefit of all.

CARL SMITH PEN PORTRAIT & PICTURE

I have worked within the shooting industry for over 30 years doing every job imaginable within that time. Starting as a trapper at Nottingham GC whist still at school, I quickly developed a passion for shooting which

ultimately led to me buying the ground that I have now owned for over 15 years. I enjoy shooting DTL and all its derivatives at County, Regional & National level (where my own fixtures allow!) During the winter months, I like to partake in occasional game shooting.

Not only am I a qualified safety officer, referee and instructor, I am also Chairman of my County Committee, Vice Chair of my Region and I'm heavily involved with the Firearms Independent Advisory Group.

I have been on the Board of the CPSA in the role of National Director for the past six years, during that time I have helped to achieve a more visible presence and increased membership/participation from Game Fairs & Events. I have also been influential in implementing better communication from the association and the ability to admit to, and subsequently learn from, mistakes.

As a business owner, I have to make critical decisions on both a short and long-term basis, this experience is vital when making Board decisions that affect all of us – shooters

and those who work within the industry.

Should I be successful I would like to work on fairness, professionalism, standards and continuity within the sport. This will enable us to attract new shooters and ensure that the sport that we love not only survives but grows and develops into something we can all be proud of.

The most important thing to me is to know that the members are properly represented, so I urge everyone to please use your vote.

17-18 Oct: North FITASC Championship

Held at Mount Farm Sporting Clays and with 84 entries attended. High Gun and North Region champion was Mark Delf on 95ex100, Ladies champion was Rebecca Brown on 72ex100, the Veteran titles was won by Glenn Hunt on 87ex100, Super Vet was won by Richard Blacker on 79ex100, and finally Juniors was won by Ron Chipman on 78ex100. Thank you to everyone that attended and supported the event, well shot all. **Tom Brown**

17-18 Oct: ESK National inter-counties

Team Yorkshire were successful at this event, held at Northampton Shooting Ground. The Senior Team consisted of Gary Cooke 98, Steve Leppington 99 Andrew Parsons 100, Ross Elgie 99, and Jon Cain 97 to total 493/500. Ladies were Samantha Rhodes 95, and Wendy Taylor 94 totalling 189/200. Neither team had the luxury of an extra team player, therefore couldn't drop a score.

The Yorkshire Seniors won the National Inter-Counties again by four targets from Cheshire Seniors. Looking at the trophy,

that's 12 times out of the 26 years recorded. Yorkshire Ladies came second to Hereford & Worcester, again without the advantage of being able to drop a score. **Andrew Parsons**

North Region Single Barrel

Nigel Chapman shot 50-straight and Charlotte Kitchen 47ex50. The other winners were Maurice Beedan as the Vets champion with 49ex50, Nigella Leslie Colts champion with 39ex50, and Archie Pope Juniors champion with 47ex50.

4 Oct: English Sporting National Inter-Counties 2020

Held at Westfield Shooting ground, 259 entries from around the Country took part. From the North, unfortunately only one region was present which was Yorkshire. A Senior team, Ladies team, and Junior team was submitted.

The Yorkshire Ladies team, consisting of Becky Brown and Liz McLaughlin, managed to snap up joint second with Hampshire on a combined score of 151, with Buckinghamshire taking Gold on 169. The Junior team of Alf Bartle and Anthony Clark scored a combined total of 157, narrowly missing out on the top-three by three targets. The Senior team of Tom Brown, Scott Greenwood, Phil Rowbottom, Glenn Hunt, Gugsy Ahmed and Les Rushworth, scored a combined overall score was 434. Unfortunately the team didn't place this year but all put in a brilliant effort in the event. **Tom Brown**

War of the Roses

At Holmes Chapel Shooting Ground, 107 shooters took part and Yorkshire's dominance continued their ten man team scoring 2945ex3000, with the Lancashire team 55 points behind on 2890ex3000.

The High gun was Paul Chaplow with a 100/300. Lancashire High gun was K Bond with 298. The winning Yorkshire team was P Chaplow, A Parish, A Wragg, M Smith, P Frankland, J Adams, C Kitchen, N Chapman, M Clark, and L Powell. Thanks to Dave Hurstfield and family, Zoli Guns, Yorkshire Tea, Lancashire Tea, and everyone who came and donated some many raffle prizes. Next year's Yorkshire home shoot will be at North Of England. **John Titterton**

11 Oct: North Region Sportrap Championship

Held at North of England Activity Centre, entries were popular with 96 people fighting for their individual or champion title positions. The course put on by Phil and the team was top class, a lot of variety, distance, speed, and angles certainly tested all that entered.

Mark Winner was crowned North Region Sportrap Champion 2020 on a score of 93/100. Closely followed by Richard King and Tom Brown on 92/100. Veterans champion was Eric Warring on 88/100, Ladies Champion was Becky Brown on 89/100, Junior Champion was Ron Chipman on 85/100, and the Colts Champion was Mathew Paley on a score of 86/100. **Tom Brown**

30 Aug: Promatic Sporting Challenge and Cheshire Promatic Shield, Kegworth Shooting Ground

Eleven Cheshire shooters competed in this marathon of 100 targets on Saturday and 100 targets on Sunday. The event attracted entrants from all over the country. Tony Dean came out on top with 174, Cheshire High Gun, fourth Overall, and first in AA class, what a day for Tony. Congratulations to him, and well done to all those who made the journey.

13 Sep: West Midlands Area Individual ESK Championship, Fauxdegla Shooting Ground

A large field of nine squads did their best in the difficult conditions. The early pace was set by Ian Cunliffe 96, Kevin O'Reilly 95, Miles Machin and Jim Wagstaff each on 94. That's how it stayed for most of the day until scores came in from the last two squads. Alan Barnes (Derbys) was champion with 99, in second place was Kian Maher (Staffs) with 98. A shoot-off commenced between Ian Cunliffe and Martin Walmsley (Staffs) both on 96, for third place, where Martin won. There was also a three way shoot-off to decide Veterans between Kevin O'Reilly, Trevor Lewis and Graham Evans, all on 95. It was all very close needing eight targets to decide the final three places. Graham Evans won, Kevin O'Reilly second, Trevor Lewis third. Cheshire Ladies had a clean sweep with Isabel Cartledge winning Gold, Lucy Earl Silver and Hazel Denney Bronze. Isabel also won Junior Silver and Lucy Junior Bronze. Congratulations and well done to you all.

20 Sep: National Inter-Counties All Round Championship, Northampton SG

A full Senior team represented Cheshire at the National Inter-Counties All round. We were the last squad out for the day, with Nottingham waiting in the wings as the leaders on the scoreboard. Starting on the DTL and then onto the ABT, scores were looking good at this stage. We then moved onto the skeet which again went well, moving onto the sporting, last but definitely not least. Again scores were great with three straights, and making our way back to the clubhouse we started to think that National Champions was a possibility. It proved to be the case, taking the title by two clays from Nottingham. But just to top that, Scott Barnett scored 95 to take the Overall title, Tony Dean on 94 was Runner-up and took the Vets title. Fred Whitehurst took the Junior title with 91.

18 Oct: National Inter Counties ESK, Northampton SG

Cheshire's first squad was underway at 12.40 with Jim Wagstaff, John Shreeve, and Miles Machin shooting for the Vets, with Lucy Earl and Isabel Cartledge shooting for Juniors. There were some great scores with Isabel Cartledge (new cap) shooting a fantastic 97, followed by Miles on 93. The Juniors came Runners-up with 184/200 and the Vets finished fourth on 183/200.

The next squad consisted of Senior Colin Babcock and Ladies Hazel Denney and Jacqui Slater. Colin Babcock shot 99, followed by Hazel Denney on 92. The Ladies finished fourth Overall. In the final squad for Cheshire were the rest of the Senior. Chris Bethell finished on 99, Kevin O'Reilly 99, Jack Hope 97, Ian Cunliffe 95, and Jim Rogers 92. The Senior team finished Runners-up on a fantastic 489/500.

The day was rounded off with Isabel Cartledge taking the Colts title, and then the Ladies title after a shoot-off. Kevin O'Reilly narrowly missed out on the Vets title after another shoot-off. We'd like to take the opportunity to thank all the Cheshire shooters for their continued support, and look forward to shooting again next season. **ESK Manager Colin Babcock, Assistant Manager Maurice Cunningham.**

4 Oct: English Sporting, Ortston SG

Nick Williamson was ninth overall, third in Veterans, and joint fifth in AAA Class with a very solid 88ex100. He and other sporting shots, such as John Stokes, Mike Cashmore, Fred Wilson, Dan Whittall, Paul Stokes, Matt Bower and Robert Bower, have been going to various venues recently which good to see.

4 Oct: West Midlands and Shropshire Universal Trap Championships, Rugby

Graham Evans won both the West Midlands and Shropshire Championship with a very impressive 97, including 74 on the first three rounds. Trevor Lewis was Shropshire's Runner-up, scoring a respectable 87, and his first UT 25-straight in the first round. This clashed with a BICTSF UTR GB selection shoot but it is noted the High Gun at that shoot did average 97%.

11 Oct: Shatterford

This is a new sporting ground with targets set by Steve Lovatt. At the first non-registered shoot there were some great scores from several Shropshire guns, including three over 90ex100! Leading the way was Stewart Owen with an excellent 92 (the top scores by AAs were 99 and 94), good enough to give Stewart joint sixth Overall, joint fourth in Seniors, and second in B Class. Well done Stewart!

17-18 Oct: British Shooting Talent Pathway, Olympic Trap Championships, Nuthampstead

It is good to see five Service Cadets amongst the 34 at the Championships. The Service Cadet and Young Members Initiative was started in June 2018, and there has been an increase in Junior shooting in Shropshire and Hereford and Worcester since then. COVID-19 has restricted the amount of shooting we have all been able to do, however the Cadets continue to be encouraged to keep working at their shooting and take full advantage of what 2021 will offer. Well done to Jack Shipton, Zak Mansell, Joel Kelly, Nathan Rouse and Charlie Morris.

17-18 Oct: National Inter-Counties Skeet Championship, Northampton

Trevor Lewis was the only Shropshire entrant scoring 95, that resulted in joint fourth in B Class, and joint tenth in Veterans.

18 Oct: West Midlands and Shropshire ABT Championships, Rugby

Graham Evans was not at his best but still managed to beat Trevor Lewis by just one clay

– 86 to 85! Graham won yet another County Champion Badge.

18 Oct: Double Rise, The Priory

This was Norfolk and Cambridgeshire's County Championships. Our former Chairman, John Stokes, was only five clays off the High Gun, and one ahead of Aaron Heading. It's not every day a Shropshire gun can claim that! On the same day, John also shot FITASC Sporting at Mount Farm, scoring a respectable 72 ex100. Well done John!

25 Oct: English Open Helice, Rugby

Alan Rowley won Bronze in the Seniors category, and Trevor Lewis Bronze in Veterans. Joel Kelly, in his first ever Helice shoot, was first in Colts winning a Gold Award, with a score matching some very experienced shots irrespective of category. Well done Joel, excellent shooting!

3 Oct: Universal Trench GB Selection Shoot, Nuthampstead SG

Well done to Adam Gutteridge who took fourth place with 192ex200, just two targets off top spot.

4 Oct: UT West Midlands Area Championships, Rugby

A great effort from Graham Wainwright on 95ex100, who narrowly lost out in a shoot-off to Fletcher Watson from Warwickshire, to take a Bronze in the Seniors and a Silver in the Veterans. And a terrific Bronze medal for Ian Hull in the Veterans. Pictured with Ben Dingley of Warwickshire, who took Gold in the Juniors.

11 Oct: DTL Winter Series, Holmes Chapel

The DTL Winter Series began at Holmes Chapel with Luke McHugh leading the way for Staffordshire shooters, with a superb 99/290.

11 Oct: Olympic Trap Winter Series, Fauxdegla SG

Adam Gutteridge backed up his success from

Nuthampstead by topping the table with 93ex100 in the first OTR winter series event at Fauxdegla Shooting Ground.

11 Oct: ESP at Kingsley Moor

Richard Thompson and Sam Upton shared top spot with 93ex100. Ed Harrison led the A class scores with an excellent 89, and David Highley topped B class with a fine 86.

17 Oct: English Skeet National Intercounties, Northampton SG

We've probably all heard of the Inter-City 125, well how about an Inter-Counties 125? That's just what Staffordshire's Martin Walmsley achieved. In a strong field of 146, Martin put in a phenomenal performance to shoot 100-straight, only to find that Yorkshire's Andy Parsons had done the same. Undaunted, Martin kept his composure to shoot 25-straight and take High Gun. He was joined in a three-man squad by Craig Macho and Colt, Kian Maher. Well done to all but especially you, Martin – brilliant shooting.

18 Oct: ABT West Midlands Area Championship, Rugby

At the last CPSA West Midlands Area Championships of the year, we are delighted to report that Darren Wood took Silver in the Seniors with a terrific 92. Also hearty congratulations to Leah Southall and Gill Grealey, who took Gold and Silver respectively in the Ladies. Leah also came second Overall in Juniors.

18 Oct: ESP, Garlands SG

AAA class shooter Josh Bennion hit 91ex100 to finish second, on what was a typically challenging but fair course from Steve Lovatt. Just behind him was Veteran Shaun McNamara with an excellent 90.

We hope you all manage to get a bit of good cheer at Christmas, as we are hoping to be able to arrange the dates for 2021 as soon as possible. So as not to clash so much with the Inter-Counties and Nationals this year as the pandemic is still with us, we may be postponing the usual AGM at the end of January until we can hold one safely for everyone to enjoy.

We have update of the last few winners of the year, in case you didn't catch them. Cambs ZZ Helice winner was M Conway, Cambs ABT was G Russo, Cambs Double Rise was R Morris, Cambs OSK was H Sperring, and Cambs All Round was won by P C Simpson. The Supreme Champion of 2020 was P Barnard, Senior Champion was C Barnard, Vets Champion was G Thatcher, and finally Colts Champion was E Lord.

National Inter-Counties Skeet Veterans winners were Tim Jones, Peter cook, and Roger Fletcher. National Inter-Counties All Round Veteran winners were Tim Jones, Gary thatcher, and Richard Croft.

Our thanks go to all of the grounds that held all of the championships for us this year under such trying conditions, and thanks to all who attended them and supported our county through the year at the Nationals. We hope we have a Better year in 2021. From all of us on the Cambridgeshire committee, we hope you have all had as good a year as has been possible, and enjoyed and continue to enjoy everything that you do.

NORTHAMPTONSHIRE

PAM BAIRSTOW

pam.bairstow@sky.com
northantscpsa.org

Season's greetings to you all and a Happy New Year! We hope that everyone has enjoyed the recent ability to gather together in whatever groupings these might be – a household, tribe, chatter, heard, quiver, dynasty, parliament, shiver, murder, or bubble. We looked hard for the collective noun for clay pigeon shooters but could only find a hail of bullets. We weren't so sure about that, so would like to suggest the term 'a scatter of clay pigeon shooters' for future use.

We are looking forward to 2021 being a very different year to 2020. Hopefully with the recent strict measures and a vaccine on the horizon we can look forward to a full competitive season without any lockdowns, and everyone feeling

confident to gather and enter competitions.

At the end of summer the county entered a team for the National Inter-Counties Skeet competition, held on home ground at NSG. There were 146 guns in total taking part, in county teams and as individuals.

This was one of the few competitions held this year with some shooters experiencing unaccustomed nerves. The day was a bit windy – some people concentrated a bit harder and others took their eye off the target and the flight of the clay for granted. The county fielded a full team with some good scores but there were many shooters from across the country, and with a few scores of 100 and 99x100 around, the margins were slim. The Junior team managed to take the title with a good score of 187x200. The Senior team came third Overall with 486x500. Isabel Russell rushed back to the ground to take part in the Ladies High Gun shoot-off but was just pipped to the title by Isabel Cartlidge. Thanks to all those who took part and well done. Thanks also to Isabel Russell for organising the team.

In 2020 the Northants CPSA committee met occasionally and communicated regularly about the situation and the best way to ensure the whole county responded to the changing situation and increased freedoms, with the safety of shooters and their wider families always at the forefront of decisions. This year will be no different and it is on that point we have a request...

The Northants CPSA AGM is planned for Wednesday 20 January 2021 at the Northants Shooting Ground. 7.30pm – 8.15pm

approximate finish. It is at the meeting that the committee for 2021 is voted for, the same committee that plans the competition dates for the year. Please put the date in your diary.

Given the three tier system of COVID-19, it is envisaged that the meeting will be held in the one of the following ways: In the clubhouse socially distanced with all members wearing masks, or in the Northants Shooting Ground car park, held either in person under shelters or with members in their cars and the meeting broadcast over the tannoy. Given that we have grown in confidence using electronic methods of communication, there will be the availability to participate, in real time only, via Zoom, WhatsApp or via Facebook messenger.

I would encourage all members to attend personally if possible, and if you wish to attend via Zoom or a WhatsApp group, please email your name, CPSA number, email address, and/or phone number to Roy Tyler at hotshot686@gmail.com. Please be aware that phone details will be visible to others in the WhatsApp group. Suggestions and ideas for things to do for next year are always welcome, so please email Roy or myself.

We are fast approaching the end of the second national lockdown at time of writing. Here at Orston Shooting Ground preparations are well underway to re-open our doors early next week, in addition to Nottingham and District Gun Club and Cockett Farm.

A few changes have been made at CPSA HQ during lockdown – the first being the England team selection process for DTL. You can read more about this in the CPSA website. There has been some extended date changes due to COVID-19 and a revised new selection process. Some additional news for the DTL shooters is the 2021 ICTSF World DTL Championships, which has sadly been postponed to 2022, mainly due to overseas travel.

CPSA have been conducting a weekly lockdown quiz and it looks like some fantastic prizes have been donated and won. It seems it's been a bit of fun for everyone during these gloomy times – so thank you to the CPSA.

The Nottinghamshire CPSA committee is due to meet virtually across the coming weeks to finalise decisions regarding next year's county shoots and committee allocations.

As we come out of the lockdown across the UK, as we are sure you are all aware, we find ourselves in a tiered system, with the majority of counties falling in either tier two or tier three. Every shooting ground will operate slightly differently, depending on their circumstances and how they operate. We would therefore advise calling the shooting grounds to confirm their rules prior to arrival.

Hopefully we will be back in the full swing of things for our next report, with some shooting news from across the county. But for now may we take this opportunity to wish you and your families a Merry Christmas and a Happy New Year.

Having received guidelines from CPSA HQ in regards to AGM's for regions and counties it has been decided to delay/postpone the Avon AGM, if timescales relating to decisions to be made during the meeting and the articles and by-laws permit.

As it is impossible to book any venues at the moment and the size of any gatherings prohibit larger meetings taking place, the AGM will be scheduled at such a time that it is prudent to hold one.

If circumstances do change, details will be published on the website or in Pull! when possible. In the meantime, the committee will continue to organise and plan for a full schedule of county shoots for 2021.

Avon FITASC could not be held this year as no date or venue could be set for the event. After representation from FITASC shooters we will endeavour to hold a special event in 2021.

Any further breaking news from anyone please contacts us for inclusion next time by emailing rogercox47@gmail.com or via the Avon website hosted on the main CPSA website, accessible via the County tab.

Since the last issue of Pull! Magazine was released, we have had the final competitions of the year have taken place.

The South West Inter-Counties ABT took place just over the border at Bradford on 3 October, when our Seniors, Vets, and Ladies teams competed.

The National Inter-Counties Sporting was held at Westfield, Gloucestershire, on 4 October when our Senior, Junior, and Ladies teams competed.

Our final County Championship was Skeet Doubles, held at Landare on 11 October. The champions were Senior Kelvin Walsh with 97, Veteran Pete Mylam with 95, Ladies category Alison Morden-Hawke with 70, and junior Denzil Grose with 91.

The South West Inter-Counties Single Barrel was held at North Cornwall on 17 October. Both our Senior and Ladies teams won trophies.

The National Inter-Counties Skeet took place at Northampton on 18 October. Both Senior and Ladies teams competed. The team members are shown in the photo below courtesy of photographer and CPSA director John Martin. Paul George, pictured in the centre, won Veteran High Gun with a phenomenal score of 99 and after a shoot-off.

We are delighted that the County came top of the South West Inter-Counties league, and are extremely proud that as a result we have been awarded the inaugural South West Inter-Counties Overall Team Champions trophy in recognition.

Well done to all to have competed – there were a total of 59 members who shot for their county with 11 earning new caps. Thank you to the county committee's selection sub-committee for arranging, and for the grounds hosting the condensed but comprehensive selection process at such short notice. We look forward to even better times in 2021.

Please keep an eye out for details of the AGM on the committee's Facebook page for any other news.

DORSET

Luckily, Dorset managed to stage its two final County Championships before the Government brought in the second COVID-19 lockdown in November. These were the English Sporting, held on Saturday 3 October, and the Sportrap a fortnight later. Both shoots were held at Purbeck

Shooting School.

Although the weather was terrible for the English Sporting, it was fantastic to see Registered shoots returning to Purbeck. The team there put on an excellent event, with 27 Dorset shooters taking part. Andy Herbert-Smith claimed High Gun and therefore also the 2020 ESP County Champion title, with his impressive score of 90ex100 in adverse conditions.

Wrapping up the Dorset County Championships for 2020, 26 of our shooters took part in the Sportrap event two weeks later at Purbeck. This time, Dorset's Richard King and Stuart Rudling tied for High Gun on a very solid 94ex100. A shoot-off then earned Richard the County STR title.

With all the County Championships complete, the 2020 Dorset Super Seven Supreme County Championship was therefore also concluded. In a demonstration of perfect efficiency – Richard King took the title. Despite taking part in only four of the contributing Super seven shoots, he was the highest or highest-equal scoring Dorset shooter in each event. This equated to a total of 40 points, four points ahead of joint-second place contenders, Ian Mulliner and Dean Webber.

We're not sure about everyone else, but 2020 felt like a crazy year to us! The two COVID-19 lockdowns saw the suspension of Registered shoots on each occasion, but even when the restrictions were relaxed, things didn't really return to normal. Some people had to keep self-isolating throughout and therefore were not able to return to shooting. Let's hope that 2021 sees good progress in beating this virus and that all shooters can return to the sport and thus get the social scene fully back onto its feet.

Inter-Counties FITASC Sporting at Purbeck
Graham Brown and the rest of the Team at Purbeck put on a very well run and enjoyable FITASC event. Layouts one, two and four were fairly straight-forward, with a couple of testing and technical targets on each.

But none were enough to defeat Hampshire's Richard Faulds who had scored 75-straight with layout three still to go... This layout seemed to be the score killer of

the day with the first peg showing some stiff targets – Richard unfortunately missed two on this first peg and then another two on the second peg seeing him take High Gun of the day with a Fantastic score of 96/100. Wiltshire's Joshua Brown was hot on his heels with 94/100.

At the end of the day Graham announced the team winners as well as the individual winners for the Inter-Counties – Hampshire Veterans were Trevor Bell and Des Sturgess, Ladies were Hampshire's Lauren Goodman and Britta Beach, and Seniors were Hampshire for the 12th year in a row! The victorious Hampshire seniors team were Richard Faulds, Des Sturgess, Lee Knight, Phil Marks, Roger Deacon and Neil Lockton. Richard Faulds won High Gun, Des Sturgess was joint first in Vets, and Lauren Goodman won the ladies by six clays. All round another fantastic day for the county!

13 Sep: County Sportrap Competition, Barbury

Barbury hosted the county Sportrap competition, where Will Thatcher was named County Champion with a score of 93ex100. Kevin Ricks was the Veteran champion with a score of 82ex100. Chris Orchard was the Junior champion with a score of 70ex100. Francina Mattinson was the Ladies champion with a score of 61ex100.

Inter-County Championships

A couple of Inter-County championships were held before the second lockdown and Wiltshire shot very well. Owls Lodge hosted the Inter-County teams Sporting on 19 September. Josh Brown organised teams in Seniors, Ladies, Veterans, and Juniors, who all performed magnificently. The Wiltshire Senior and Junior teams both won.

Purbeck hosted the Inter-Counties teams FITASC on 2 September. Josh Brown again organised the teams – again the Junior team won. Both the Senior and Veteran teams were just pipped by Hampshire. Well shot everyone!

The Greater London English Sporting, which was deferred from earlier in the year due to the Coronavirus outbreak, was at last held at Southdown Gun Club on 25 October.

The winner and Champion was Adrian Balham with a score of 88, and he also won the Veteran title. The Runner-up was Anthony Hoskins with 78 and top in the Ladies category was Sian Hoskins with 75. There were nine shooters from Greater London who entered out of a total of 116.

Our thanks and gratitude goes out to the Southdown team, who in spite of all the pandemic difficulties, managed to have a very busy day. A very well done.

Due to the various degrees of lockdown, the Greater London committee may not be able to meet for an extended period of time still. At present we are exploring the possibility of using Zoom (or similar) for meetings, so if there is anyone who can offer some tips how this can be done, please contact the secretary.

Chris Windebank – 1965-2020

It is with a very sad heart that we say goodbye to Chris Windebank, please see page 60 for his obituary.

11-12 Oct: British Shooting Pathway Championship

Held at Nuthampstead Shooting Ground, there were some fantastic results at the British Shooting Pathway Championship for Herts shooters. The Competition, featuring Olympic

Skeet and Olympic Trap disciplines was run over two days.

Competitors on the British Shooting Shotgun Pathway arrived from many of the UK Regional Shooting Schools. For some this was their first experience of an Olympic Competition, for others it was business as usual, providing the opportunity to compete and test their skill and stamina. We were promised fantastic weather for the weekend, a slight breeze, high clouds, superb. Olympic Trap also had the benefit from the new green backdrop. It was looking to be a weekend of good shooting!!

The OSK quickly started to heat up with some terrific scores being posted. Emotions were running high – concentration, nail biting, smiles of joy, sighs of despair. Several Personal Best Scores posted. The Overall winner was Maddie Russell, Sophie Herrmann came second and Andrew Payne was third. High Gun was Sebastian Noakes who shot 113ex125.

OT from the start was deadly quiet. Fixed glares of concentration, precision mounts, followed massive rushes of joy as first barrels annihilate the targets for an indisputable break, or looks of disbelief as a target sneaked away from the second barrels. Great scores – well done to all. The winner of the Junior Women Final was Maddie Purser. Hollie Lumsden came second and Philippa Stroud was third.

It was wonderful to see so many parents and supporters at the ground helping to make the event and to provide support for competitors. On a personal note it was very pleasing to see Nuthampstead's home grown talent performing so well – congratulations to the Maddies!

HELEN NICHOLSON

As we find ourselves in lockdown again, all shooting again has ceased. Firstly I hope you have all had a suitably festive Christmas and a Happy New Year and are keeping safe and well in such difficult circumstances.

I am able to report from the last few shoots which were held before the second lockdown was enforced so here goes.

Westfield Shooting Ground

Steve hosted a 100 Registered FITASC event at Westfield in mid-October, with 87 competitors. Oxfordshire's Matt Hance shot incredibly well, with a score of 94ex100 to take High Gun. Great shooting Matt.

Honesberie shooting Ground

Honesberie managed to get three registered shoots in before lockdown was enforced. The standard of shooting was extremely high in their first shoot in October, where Julian Freeman shot a very strong 96ex100 and found himself sixth Overall, and fifth in AAA Class. Steve Cox finished on 94ex100, placing him second in AA Class. Our Oxfordshire Veteran Mickey Rouse finished with a 92ex100 to take first in Vets.

One hundred and twenty four shooters took part in their shoot held on 25 October. Julian Freeman fared better at the second shoot than the first. He shot 95ex100 to win High Gun. Well done Julian.

Oxfordshire shooters also did well in A Class – Melvin Taylor shot a great score of 82ex100 and came second, with Alexander Turner shooting a brilliant 78 in B Class to place second. Well done to you both.

The last shoot took place on 1 November and saw 111 shooters compete. Oxfordshire's Julian Freeman once again gets credit after shooting 93ex100 placing him second Overall. Steve Cox shot his socks off and won AA Class, also with a 93ex100, beating Richard Faulds is his new claim to fame! Well done Steve.

Oxfordshire shooters continued to perform well, Tim Dunbar shot a brilliant 88ex100, placing him third in A Class. B Class was won by Oxfordshire's Kevin Allen, after shooting an excellent 84ex100, well done to you all.

E. J. Churchill Shooting Ground

E.J. Churchill managed to get two shoots in before lockdown, both with great attendance. Their first to report on was held on 15 October with a very healthy 117 shooters take part. Oxfordshire's Gary Davis shot a very good score of 92 placing him third in AAA class.

Well done Gary. Oxfordshire's Tim Thornett deserves a mention as he continues to make an appearance in the top-three in A Class, this time he finished second after shooting a very impressive 88ex100. Well done Tim.

The second shoot was altered at late notice to the announcement of lockdown, but 113 shooters still managed to rearrange their diaries to compete.

Oxfordshire's Kevin Allen shot brilliantly and finished with a score of 86ex100, placing him third in B Class. Well done Kevin. A mention must also go to Charlotte Allen who posted a score just two behind Kevin and took the Ladies High Gun, well done Charlotte.

Please keep an eye on our Facebook page for current updates and news of the AGM which is normally announced by now – sadly with the restrictions in place at the moment we are unable to provide dates. Fingers crossed shooting will continue soon and we can return to some normality.

18 Oct: Side-by-Side County Championship, Guildford Gun Club

The 2020 side-by-side event for the Mick Haynes Trophy was shot over an eight stand, 60 target, side-by-side themed layout, including a double rabbit, pairs of fast driven and incoming decoyed pigeons.

Peter Saich scored 50/60 with his trusty Webley and Scott to retain his County title. Steve Cole, shooting with a 'Cole' shotgun, was second and Clive Monk was third. Tim King from Sussex, shooting with a very nice Beretta side-by-side won the 'non-Surrey' Webley and Scott Trophy with 45/60. Runner-up was Kevin Addison from Surrey, and third was Philip Saich from Berkshire. Thanks to Guildford and District Gun Club for hosting this event and to Andy for his well thought out layout.

Surrey success in Helice World Championships

Despite COVID-19, the FITASC Helice World Championship was one of the few events which took place between the two lockdowns in Ghedhi, Italy, during November. 15 GB shooters attended, including Jo and Fergus Watson-Hopkinson, and whilst the event was

dominated by the Italians, the GB team still managed to make a difference and gain some podium places. There were no official teams, however Jo Watson-Hopkinson, alongside Dionne Rogers, came second in the team event ahead of the French, but lost out on the Gold to a very strong Italian team.

Surrey AGM

The committee would still like to hold our AGM which would usually take place in February. At this time it is difficult to predict if this will be possible and in what format, so please keep an eye out on our website and Facebook page for updates.

CPSA Director Appointment

Congratulations to Surrey Committee Member Peter Saich who has been re-elected to the Management Board of the CPSA as South East Region Director. This is Peter's second term of three years, and with his impending retirement from full-time employment Peter intends to devote more time to representing the Grassroots members, and supporting the work of the hard working County Committees.

We were fortunate enough to hold one shoot in early October at Sporting Targets before the second lockdown period. Sadly some people were either in isolation or already locked down due to their parts of the country being affected and they were really missed.

Despite the restrictions the shoot was really well attended by members, guests, and two

of last year's supporters – The Pointer Family from Norfolk and the National Masonic Clay Shooting Societies. Both kindly presented us with cheques this year and in previous years. In return we handed both parties a memento from the group.

We shot 100 ESP and it was reputedly the registered targets for the following day. The clays were enjoyable but very stiff. C class was won by Adrian Barron and B class by Ben Woodham. A class was hotly contested with a single target splitting Craig Williams and Craig Marlow from High Gun Sam Nunn.

Thank you to those who attended, we will see you in the new year at some point following our conference call AGM which was held in December. Full details of our new committee will be provided to our members, however we can already confirm that Adrian Last has stood down as Chair, with Paul Rendell taking on the role. Sam Nunn has also stood down as secretary for 2021.

Sam will continue as treasurer to allow him to focus on his impending marital duties in the summer. The secretary role will be split into three, a General Secretary, Fixtures Secretary, and Membership/Social Media Secretary. Names will be provided in the next edition.

Finally, if you haven't already please check out Paul Bailey's videos on shooting from a wheelchair and shooting on a budget. You can find them on our social media and also his. They are very informative for both disabled and able bodied shooters.

PETER BILLINGTON

I wish to inform you that Peter Billington died at home on Tuesday 5 October, aged 82. He was one of the great characters of the sport and will be missed by many that knew him.

I first met Peter 50 years ago at Southend Gun Club, he got me into competitive shooting. At that time he was one of the top ISU Skeet shooters and one of only a handful that had shot 100-straight at ISU. He shot for GB and England. In his later years he preferred Sporting and FITASC, making the England Team for the inaugural Home International FITASC event at High Lodge.

The last few years he became a regular Referee at John Dyson's events. He will be greatly missed on the shooting circuit.

Dennis Webb

OBITUARIES

CHRIS WINDEBANK

It is with a very sad heart that we say goodbye to Chris Windebank. Chris shot for most of his lifetime, frequenting most of the Hertfordshire grounds up until summer 2020. He served as Herts CPSA Secretary as well as a committee member for countless years, and also played a big part in Walkern Shooting Club. He was a great support to the county's Colts and Juniors, with encouraging words as well as offering free embroidery for skeet vests, caps etc.

Ken Rist said "Chris was a great guy, great shot, great friend and he helped the Juniors with embroidery free of charge. He will be greatly missed by all of us." Alfie Tibbles recounted "I will treasure everything Chris has done for me, I kept him entertained with videos whilst he was in hospital. A great friend that will be missed" Chris will be sorely missed, our condolences go out to his wife Deborah, and all that had the pleasure of knowing him. **David Tibbles**

IAN CLIFTON

It is with great sadness we inform that Mr Ian Clifton of Sporting Targets passed away on 12 November, aged 87. He was a great asset to shooting in Bedfordshire and the country, sitting on the Shooting Sports Council for many years. He will be greatly missed. **Andrew Clifton**

Insurance

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

GOING FOR GOULD

We reflected on the shooting year of 2020 with British Shooting Grand Festival Men's Olympic Trap winner and coach, **Rod Gould**.

Q How did you first become involved in clay shooting?

A: In 1985 I overheard two friends talking about going shooting in the local pub, and I badgered them to take me too. I had a go on the practice stand at Chiltern Gun Club and I beat them with their own guns.

One month later I had purchased a Beretta 303 Semi-Auto multichoke. I shot predominately Skeet for a couple of years before being introduced to Sporting. I then began learning Taekwondo and stopped shooting for about ten years until I ruptured a disc in my back.

I fell back into Sporting for a few years until Ian Peel and Richard Faulds won their medals at the Sydney 2000 Olympics, which inspired me to switch to Olympic Trap. I made the England Team in 2002 and have qualified, and shot, in the England Team every year since, bar 2017 due to a clash with the World Universal Trench. I have been in an OTR or UTR team for GB every year since 2007.

Q How does it feel to have shot a new British Finals record at the British Shooting Grand Festival?

A: During the final I made a tactical error and forgot to load the gun on one shot. I

had to quickly stuff a cartridge into the chamber mid-routine which resulted in a miss. I drove home both elated at shooting the record, whilst cursing myself for making that mistake. I'll settle for 47/50 – but it should have been 48!

Breaking the British Finals Record was the icing on the cake for me in 2020. I knew that British Shooting would consider me for the ISSF World Cups and they picked me for Delhi, India.

Q Do you feel coaching others adds any pressure for you to perform well?

A: Not at all. There is no pressure, only the process of shooting the next target. I am a serious martial artist so for me being able to teach and execute at the highest level is very important, and I regularly do this in the Dojo and on the shooting ranges. The Bushido way teaches that you learn, you learn to teach, you teach, and the highest honour is when your student surpasses you on a regular basis.

Q What are your plans for shooting over the Christmas period?

A: I have already started to take bookings for coaching. I will shoot the odd round in between, but have no plans to grind out round after round.

At my level and age, it is counterproductive to overshoot as my motor skill is that honed from prior years of vigorous practice. Obviously in the build up

to Delhi, I will step up the rounds, but not a huge amount. Little and often is the best approach.

Q What would your advice be for people who haven't practiced for a while due to lockdown restrictions?

A: Dry mounting practice is an essential part of my coaching philosophy. If you really want to succeed, then do it every night religiously. This will help retain your motor skills over periods of inactivity. I would advise slow motion dry mounting with visualisation. Don't use a mirror unless checking for correct body dynamics – in which case remove the mirror as soon as the change has bedded.

For very young shots under 18, try to limit rounds so as not to induce recoil damage to the musculoskeletal system. For young shots over 18 you should be shooting eight rounds a day at least two times a week if you want to get to the top of the game.

This may seem to contradict my previous answer, but remember, I have already done the eight plus rounds a day for many a year prior.

Q What would you like to achieve in 12 months time?

A: I came close to winning the European and World UT championships in 2019 with 194 and 196 respectively. It is about time I nailed both. Also, winning the ISSF World Cup in Delhi is in real focus now. On the coaching side I would like to take on a few more youngsters and set them up right for a bright

trap shooting future. Finally, I would like to see the newly conceived 'Junior Trap Challenge' competition come to life in 2021. It has been a year in the planning and there is a substantial prize pot, including some fantastic one-off bespoke medals.

Q Is there anything else you would like to add, that we haven't mentioned?

A: Yes, about achieving success. If you want to be the best, you must think differently to the rest of the pack. Remove all the negativity from your life, seek out the best coach (in all life goals not just shooting) and dedicate 100% of your time to achieving your goals. Cover all the bases, nutrition, fitness, mentality, and seek out new ideas.

Watch what other top sports people do in preparation and executions, then take the ideas that will work for you, adapt them to your shooting, and discard the rest. There are plenty of people out there who want you to fail, putting unfair barriers in your way. Go around them, over them, under them, through them. Do whatever it takes to achieve your goals and never give in or quit! Do not be afraid to experiment. Do not just train for the sake of pulling the trigger! Work on one training goal at a time until it is resolved before moving onto the next. Finally, the harder you work, the luckier you get! 🍀

The ISSF World Cup in Delhi is in real focus now
