Further strides in 2017

The final *Pull!* of 2016 wraps up another year that has been packed with many fantastic events and accomplishments.

So much has happened this year, and we can look back with a sense of pride on what has been achieved in 2016. Championship entries and attendances continue to rise and we have lots planned to maintain this growth next year. Membership is also steadily climbing, we are still aiming for the elusive 25,000-member mark and our outlook is positive.

When reflecting on competitions and events, it goes without saying that we acknowledge the successes of Ed Ling and Steve Scott at the Olympic Games. Both of them winning bronze is testament to the hard work they have put in over the last four years of the Olympic cycle. We would also like to congratulate the entire British Shooting team who competed in Rio – four out of five shotgun shooters made it through to their respective finals, providing an exciting and enjoyable first week of the Games.

Internationally, we hosted the 50th English Sporting Home International at Westfield Shooting Ground, which the England team marked with a clean sweep

across the team events. The Automatic Ball Trap competition was hosted by Brook Bank and we also sent teams to compete in all the other Home International disciplines as normal.

In terms of some of our major events, the World English Sporting Championship at EJ Churchill Shooting Ground attracted 2,320 entrants and was won by American Anthony Matarese. Meanwhile, the 120th Dougall Memorial Anniversary took place during the DTL weekend at Bywell in June and saw Jim Doherty take the Overall High Gun honours.

At Head Office, the CPSA team is working hard to prepare for next year. Our new database is up and running and we continue to invest in our IT infrastructure, with more development due in additional areas next year.

Our social media presence is growing and this is particularly evident and noticeable with our level of engagement during major championships. This is an area we strive to develop further to provide engaging and inspiring content throughout the year.

We host the annual CPSA Awards in February next year. The Awards have undergone a major shake-up and will now be a stand-alone event. We believe they will be a fabulous way to acknowledge and mark

the end of 2016, as well as looking ahead to the coming season.

The Awards will shortly be followed by the World English Sporting Championships in April. Martin Myers captains a team of 17 shooters representing England in San Antonio, Texas. This will no doubt prove to be a challenging and memorable shoot for all those competing and we wish them all the best in their preparations.

To end this year, I would like to thank all of our volunteers, sponsors, coaches and instructors, grounds, safety officers and referees, directors and staff, along with all our supporters and partners for helping to make this year the success it has been. I wish all of them, along with all our members and their families, a merry Christmas and a happy, prosperous New Year. ●

Celebrities raise £40,000 at charity shoot

CHARITY SHOOT

STARS OF the small screen gathered at CPSA ground The Royal Berkshire Shooting School in September to take part in a clay pigeon shoot and raise money for children's hospice charity Shooting Star Chase. Twenty-five teams, including many famous faces, took part and managed to raise £40,000 for the charity.

This Morning presenter Phillip Schofield, who has been a patron of the charity for more than 15 years, hosted the event with his wife, Stephanie. They were joined by Phillip's co-presenter Holly Willoughby, *Saturday Night Takeaway* presenters Ant and Dec, and entrepreneur and *Dragons' Den* dragon Peter Jones, among others.

Declan Donnelly, who accidentally broke a gun

during the shoot, said: "I don't know how it happened – maybe I'm too strong! But the most important thing is I beat Ant. We were neck and neck until the last stand but I won in the end. Ant isn't very happy about it, but I'm over the moon!"

Phillip added: "I've known the charity for so long that I remember having the plans for one of the hospices on my kitchen table. And, if you visit, you realise it's not a place of sadness – it's a place of joy and celebration, and a place of happiness for families in those final hours, days or months. It's awful to think anyone has to step through those doors, but I'm so grateful the angels that work at Shooting Star Chase are on the other side. The charity does an utterly incredible job and that's why I'm proud to be involved."

Femmes Fatales shooting day

EVENT

On October 8, the Femmes Fatales welcomed 36 women and girls to Ulceby in Lincolnshire for a day of clay pigeon shooting. Women and girls travelled from far and wide to take part in the action. Some hadn't even held a shotgun before while others brought their own to shoot with, but all were brought together to enjoy everything that the sport has to offer.

Among the guests, keen 11-year-old clay shot Hermione Burn travelled all the way from Kent with her grandfather, who had come across the club on social media. The girls also welcomed a couple of women in their 60s who were there to shoot for the very first time, proving that it is a sport for all ages.

The novices benefited from the expert instruction that had them breaking clays almost immediately. A few of the girls were absolute naturals, smashing pair after pair all morning.

Scores were taken throughout the day, with Aimee Hindle from Cumbria topping the scoreboard. A shoot-off to determine second place took place, with Heather Todd from

Lancashire scoring a perfect 6 ex 6 to secure the runner-up prize. Lisa Smith from Lincolnshire finished third.

A team flush also took place, with nine teams of four ladies of varying levels of experience stepping into the cage together to tackle a flush of 50 birds. The winning team was made up of Ella Parker, Tasha Holmes, Sarah Taylor and Lisa Smith.

Femmes Fatales were lucky enough to yet again secure some sponsorship from businesses inside and outside of the shooting industry. Among the sponsors were Fairfax & Favor footwear, Hostie Hats, the artist Clare Shaw and jewellery designer to the stars Daniella Draper.

'Clay Conservationist' Claire Starkey was awarded with a voucher for a shooting lesson, after entering the lowest score of the day.

Femmes Fatales representative Liane Burton is hosting the Femmes Fatales Christmas shoot on December 3 2016 at Park Lodge Shooting School, which will cater for beginners and experienced shots with lots of chances to win some great prizes. Full details are available at www.femmes-fatales.co.uk

OBITUARY PETER DENNETT

The CPSA would like to offer our condolences to the wife and family of England shooter Peter Dennett, who recently passed away after a car accident.

Peter first shot for England in 2015 when he was selected for the English Sporting Home International in Jersey and the FITASC Home International in Ireland.

Richard Hunter, England Team Manager for English Sporting, described Peter as "the proudest person ever to wear the England team vest", adding "he was the perfect team member and, once he got into the England team, he never let anybody down."

Our thoughts are with Peter's wife Teresa, his two children Charlotte and Jake, and all other family and friends.

PREMIER LEAGUE 2017 DATES

DATES FOR YOUR DIARY

Following a fantastic 2016 series in which Colt shooter Charlie Soanes won the overall High Gun and a superb prize fund, team registrations for the 2017 series will open online on December 1 after the release of the issue 51 classifications, which will be used for next year's handicap.

Unfortunately Bisley Shooting Ground can't commit to next year's competition, so we are delighted to welcome Honesberie Shooting School in Warwickshire into the League. If you shoot at Nick Hollick's registered competitions and would like to join his team, then sign up for Team Honesberie when the registrations open. You need to shoot in five of the eight shoots to be eligible for the series prize fund, and remember we apply a handicap system in this series so everyone can compete on a more level playing field.

COMPETITION

THERE WERE three events at the 25th Helice World Championships in Cairo, starting with the Presidents Cup, followed by the Grand Prix of Egypt and then the World Championship Team event. Team Manager Chris Potter was very complimentary about the entire event:

"The Helice World Championships in Cairo was one of the most fantastic events we have ever participated in and the Egyptian Helice Federation excelled! The organisation was second to none, the ground the best in the world and the medal ceremony was held at an amazing hotel next to the pyramids. These were the most beautiful and precious trophies we have been presented with in a very long time, and there was a dinner and fireworks to boot. It made us feel very special."

"All in all, a fantastic time was had by all. Four gold medals, six silver medals and seven bronze medals is not a bad haul at all!"

Chris added: "A special mention to Phil Negus, who shot amazingly well but faltered at the last hurdle – it was still an inspiring effort. Also to Lee Byard, who shot steadily all week, and to everyone else who was with us and made it a very pleasurable trip. A nicer group of people cannot be found!"

CPSA Courses 2016

FOR MORE...

Head to sites.cpsa.co.uk/academy/ourcourses for more information

D

Dave Robertson and Stephen Harry are two of the CPSA's most experienced referees with more than 80 years' involvement in the sport between them. Dave has been shooting for more than 35 years and now travels around the UK in his motorhome during the summer months to officiate events, while Stephen's earliest memory of shooting goes back to when he was five years old. Having acquired all of his CPSA referee qualifications, he is also now a CPSA referee tutor.

Jack Cavilla caught up with both of them to see what it's like to be a CPSA referee and to find out what advice they can offer to future shooting officials.

HOW MANY YEARS HAVE YOU BEEN INVOLVED IN SHOOTING?

DR: I started shooting clays in 1979 to 'give it a try' after having several years of pigeon and rough shooting. It did not take long for me to want to attempt to hit the extra targets that I was missing.

SH: My earliest memory of clay shooting is my father taking me to a shooting ground in Scarborough when I was five years old. I remember the traps were set up in a bunker with a person hand-operating them to release the clays!

HOW MANY YEARS HAVE YOU BOTH BEEN REFEREEING FOR?

DR: My first referee course was an English Sporting course in the early 1990s, which was used on a regular basis at my local ground Newnham Park. I then took the referee courses for all the domestic disciplines in the 2000s, including a retake of the English Sporting course.

SH: I first started refereeing around 40 years ago at a Police National shoot in East Yorkshire. They wanted qualified referees for the shoot, so it prompted me to take up my qualifications.

WHAT'S YOUR FAVOURITE DISCIPLINE TO REFEREE?

DR: FITASC Sporting and DTL are my favourite due to the attitudes of the shooters. There is always a good atmosphere at these shoots with good camaraderie and friendliness throughout all levels, whether it is towards each other or the referees.

SH: My favourite discipline to referee would still have to be English Sporting. There's just so much variety with the targets and layouts, which makes it more interesting. One day you could be on a rabbit target and the next a high tower – you can't beat the variation that Sporting offers.

HOW MANY SHOTS/COMPETITIONS DO YOU USUALLY REFEREE AT THROUGHOUT THE YEAR?

DR: During the course of the year I referee many different shoots, covering most

Stephen Harry

Dave Robertson

disciplines at several different grounds across the UK and Ireland. From May to September, I spend a great deal of time in my motorhome at one ground or another for durations of anything between two days and two weeks. I have even refereed abroad in Spain and Portugal.

SH: So far this year, I have refereed at 34 registered events. I stick mainly to Beverley Clay Target Centre, but I've also refereed an England Team selection shoot at Oak Lodge, County Durham this year.

WHAT MAKES A GOOD REFEREE?

DR: The biggest part of being a good referee is the people skills in interpreting and applying the rules in a manner that does not seem overly officious to the shooter. I always say to new referees that they need to talk and deal with the shooter as they would like to be talked to and dealt with, as many referees become embroiled in hassle and disputes due to their own bearing and manner.

WHAT DO PEOPLE GET OUT OF THE REFEREE TUITION?

SH: It gives you a thorough understanding of the rules – people think they know the rules and when they have them explained to them, they actually don't know as much as first thought! Becoming a qualified referee also gives shooters an advantage when they are competing. For example, I still get Sporting shooters who didn't know that a shoot-off takes place on a completely new stand.

ANY ADVICE YOU WOULD PASS ON TO SOMEBODY THINKING OF TAKING THE REFEREE QUALIFICATION?

DR: I would recommend that all serious shooters attend the referee course for their chosen discipline, even if they do not intend to use it in a big way. Most shooters know some of the basics, but are not aware of the intricacies of their chosen disciplines, which can cause arguments when a referee pulls them for a misdemeanour that they are not aware of.

SH: Go for it – you will learn something new and you will be pleasantly surprised at how much you pick up and learn from taking the referee qualification. It will also help you become a better shooter, as it will give you a more in-depth understanding of all the technical rules, enabling you to focus on hitting the targets!

Referee courses will be available from early 2017 and run throughout the year. They cost £75 and there is a course for each of the CPSA's domestic disciplines: Automatic Ball Trap, Down The Line, English Sporting and English Skeet (including their derivatives).

The courses are open to anybody who is a CPSA member. Among the candidates attending are members who need the qualification to referee regularly at registered competitions or national championships, and with it the assurance that what they are calling is correct. We also get shooters who don't necessarily want to referee, but want to ensure that they know the rules when they compete. ●

WHAT DOES THE COURSE COVER?

- CPSA General and Technical Rules (CPSA Booklet 1)
- A practical session
- A multiple choice written exam

Successful completion brings the award of CPSA certification, enamel and cloth badges and listing on the CPSA website.

Please note: the CPSA can also arrange for any clubs or grounds to hold a closed referee course at their ground or venue of choice – a minimum of eight attendees is required.

Out with a bang

THIS YEAR'S CLUBMAN SERIES HAS ONCE AGAIN BEEN AN EXCITING AND HARD-FOUGHT COMPETITION IN BOTH THE **HAMPSHIRE** AND COMBINED **KENT/SUSSEX** LEAGUES, SO IT WAS GREAT TO SEE TWO NEW WINNING TEAMS

The Wallers Ash Team emerged victorious, getting their names on the Hampshire trophy for the first time, and they fully deserved it after working so hard to get as many people involved as possible. They even replaced their Wallers Wallies team uniform with a new T-shirt, proudly emblazoned with '2016 Hampshire Clubman Winners' on the back! Over in the Kent/Sussex League, the new team from Willow Farm SG embraced the competition and won three out

of the four fixtures to secure the title in their first year. Many congratulations to both teams.

In the individual stakes, Jamie Dunn pipped Max Evans to the Hampshire High Gun by one clay and Alfie Hedges won the Kent/Sussex League by one clay too, so a huge well done to both and also to the runners-up and all the other category winners.

Following on from this, there will be a super final between the winning teams from each League. Willow Farm and Wallers Ash will be the first to fight it out on November 5 2016, and they will be on

neutral territory at Southdown Gun Club for the Champion of Champions title!

Next year, we are introducing some new rules to the Clubman League, with the addition of a handicap system to level the playing field. Furthermore, the team scores will be based on the average score of the entire team rather than just the top 10, so everyone's score counts. ●

Any clubs interested in joining the 2017 Clubman series are invited to contact Richard at CPSA HQ on 01483 485406.

Fun and Game Fairs

WE ARE ALWAYS LOOKING TO INTRODUCE NEW PEOPLE TO CLAY TARGET SHOOTING TO HELP GROW, PROMOTE AND DEVELOP THE SPORT. THIS IS NEVER MORE EVIDENT THAN DURING OUR PRESENCE AT GAME FAIRS ACROSS THE COUNTRY YEAR ON YEAR. WORDS AND PICTURES BY **JACK CAVILLA**

IN 2016, we attended 11 Game Fairs from Yorkshire to Kent and our clay lines attracted more than 2,250 new shooters at these events. This is testament not only to our CPSA-qualified instructors who work on the clay lines, but also to the popularity of the sport and we hope to see many of these new faces returning to shooting.

With many top shots experiencing their first taste of shooting at Country and Game Fairs, CPSA Events Executive Sam Riddington acknowledges the importance of attending them: "Hosting the clay lines gives people the first opportunity to hold a gun and try the sport in a safe, controlled and friendly environment."

She added: "Showcasing the sport is key to bringing in new talent and helping it to grow and develop. Many of the people who try clay shooting at Game Fairs are complete novices – and, you never know, they could be a future England shooter!"

Anita North is testament to this because, after having first tried shooting on a 'Have a go' stand at the 1989 Midland Game Fair, She went on to win gold in the Women's Single Trap at the 2010 Commonwealth Games in Delhi. Anita, Ian Coley MBE and England shooter Matt Coward-Holley were just a few of the people from the shooting world who acknowledged and supported the work of the CPSA at Game Fairs this year, and it is good to see distinguished shooters wanting to give something back to the sport. We hope this trend continues in 2017 and beyond.

OUR CLAY LINE HEROES

The following instructors kindly helped out at the clay lines at the Game Fairs, helping us achieve our ambition of bringing clay shooting to a wider audience:

Simon Arbuckle, Derek Wetter, Paul Dancer, Vince Kisielowski, Jon Adami, Iain Stirling, Mark Jones, Karl Galloway, Danny Robinson, Fiona Thompson, Rob Gamble, Jon Ravenhall, Clive Evans, Ben Green, Paul Curtis, Ian Bryant

The Game Fairs also offer the unique chance to provide face-to-face interaction with our members, both new and old, which we value in continuing to grow as an association and the governing body of the sport.

CPSA Clay Line Manager Simon Arbuckle said: "The clay line is a busy place to work but, with such a wide range of people who use it and all the diversities that come with them, it is something any instructor, especially those who are newly qualified, should do at least once."

"For most of the coaches and instructors who work on the clay line, seeing children shoot for the first time and walk off with a massive smile and cherishing the case of the first cartridge they hit a target with is the best part. It is also immensely satisfying to help someone who may have had a bad experience in the past overcome their fear of pulling the trigger using the correct gun/cartridge combination."

The CPSA would also like to show our appreciation to the coaches and instructors who have worked at Game Fairs throughout the year (see box). Our thanks must also go to all of our sponsors who supported our clay lines throughout the year, including Edgar Brothers (Zoli) for supplying the guns, and cartridges from Eley and Lyavale Express. ●

BROWNING

B525 Sporter

REVIEWER: Vic Harker

MOST MODERN clay target shotguns are offered in the marketplace on the basis of a number of selling propositions that include a successful record in competition, a wide choice of specification and extras such as adjustable stocks and detachable chokes. All of these features are perfectly legitimate. However, the advantages of their gun's mechanical design are seldom mentioned. Perhaps the marketeers see this as rather a dull subject, but it's ultimately the most important factor. Not having a clear understanding of your gun's design and how it works is rather like buying a car without having any interest in the engine.

The Browning over-and-under has been a market leader for decades and, while all kinds of explanations for this can be offered, in the end it's Browning's fundamental qualities and good design that maintain its position. I've been taking a look at the B525 Sporter in its latest guise.

THE ACTION

Nothing remains quite the same forever; that is, with the exception of the Browning's action. This never fails to impress me – the jointing of the barrels to the action in particular. The barrels are under bolted, which is to say that the locking bolt comes forward beneath the breech face and engages with a full-width bite or slot below the bottom barrel. The gun's security stops there with some lesser designs, but this is not the case with the Browning. Other substantial bearing surfaces are provided by what gunmakers term as the barrel lumps and, in

the Browning's case, these are integral to the barrels' monobloc. The rear one incorporates a bite or slot, as I have already described, and it also locates right through other slots machined in the bottom of the action body. The front lump also acts as a barrel hook, pivots on a full-width cross-pin and, like the rear lumps, locates right through the action body. It is easy to appreciate, with the multiplicity of bearing surfaces all reinforcing one another, how much stronger the Browning action is in comparison to most other over-and-unders. This is not to suggest that most other makes of guns are inherently weak, but rather that the Browning goes that extra mile to ensure the security of the gun's lock-up.

As to the trigger mechanism, this is based on time-honoured principles of reliability like the locking mechanism. The hammers sit side-by-side, are cocked off the forend iron when the gun is opened and engage with overhead sears suspended from the top strap. When the trigger is pulled to disengage the sears, the hammers are powered forward by two strong coil springs. Coil springs also power the ejector mechanism, which is situated in the forend. This is likewise reset by the forend iron engaging with the ejector rods running through the action body. Every aspect of the Browning's mechanical design was carefully thought out by its original designer to ensure that it not only functions reliably, but continues to do so under the most constant usage. As a clay target gun, the Browning's design

is ideal and this is particularly true of the B525 Sporter. Its excellent weight distribution is also immediately apparent, tipping the scales at 7lbs 12oz. Ideal for a 30" barrelled Sporter, its point of balance is a fraction in front of the cross-pin.

BARRELS

The B525's barrels are bored at 18.5mm and incorporate the Invector Plus hand-detachable choke system consisting of five tubes supplied with the gun. The Browning's barrels weigh 3lbs 4.2oz, which is, at least in my view, the perfect weight for Sporter barrels of this length. Browning's 10mm parallel rib with longitudinal lines and machined edges remains the best sighting rib I have found. Every aspect of the barrels – their internal concentricity, the external profiling with the layering of the rib – is carried out to the highest standards.

STOCK

What nowadays constitutes the best configuration for a Sporter shotgun is open to interpretation. Some makers, with their eye on the American market and their shooters' habitual practice of shooting Sporting with a pre-mounted gun, offer features most often seen on a Trap gun. Apart from a higher and thicker comb, close radius grips are also to be seen. My choice of a wider radius grip and a slim comb has everything to do with my preference of bringing the gun to the shoulder from the gun down position. A more open grip also provides a hands-in-line

hold, which is essential for a co-ordinated and consistent gun mount. A slim comb brings the stock naturally to the face without requiring any further adjustment of the head position. As to comb height, Browning's standard dimensions will suit many people but the adjustable comb that is available for the B525 is a must-have for some, including me.

SHOOTING IMPRESSIONS

Weighing as it does a little under 8lbs, the B525 is not the heaviest Sporter you will find, but its balance, as I've already mentioned, is excellent. It has the essential quality of steadiness on targets at range but, at the same time, the gun comes to the shoulder quickly enough. The B525, as with most Brownings, is best described as user friendly. This is in part because it is familiar, and there will be few readers of *Pull!* who have not, at some time, owned one. A visit to any CPSA registered shoot will confirm many still do. The reason for this is that its weight is moderate and, at the same time, recoil is equally so with most ammunition. Its mechanical design based on time-honoured principles ensures everything from the trigger pulls to cartridge extraction functions smoothly and precisely. Therefore, the Browning never offers any form of distraction for the shooter who just has to load and shoot. As to its shooting qualities, with all the things I have mentioned plus its excellent weight and balance, it still has few equals after more than 90 years in production in both Belgium and Japan. ●

CONTRAST IS KEY

A TYPICAL CLAY SHOOT WILL OFTEN SEE BURSTS OF ORANGE OR GREEN PUNCTUATING THE SKYLINE, BUT WHAT ARE THE REASONS BEHIND CLAY COLOURS AND HOW DO COLOUR BLIND CLAY SHOOTERS GET ON?

C

PSA member Leon Jaeggi recently got in touch with *Pull!* to ask: "Why are more red, green, orange and yellow targets being presented to shooters? Google informs me that colour blindness affects approximately one in 12 men and one in 200 women.

In Britain, this means that there are approximately 2.7 million colour blind people, most of whom are male. One wonders; if non-black or -white clays are being introduced because they are easier to see, then the question is by whom?"

So, we decided to investigate...

TYPES OF COLOUR BLINDNESS

Despite the use of the word 'blind', people who are colour blind do not often simply see in black and white. There are many different conditions and problems, the most well-known being:

- **PROTANOMALY** – a reduced sensitivity to red light
- **DEUTERANOMALY** – a reduced sensitivity to green light
- **TRITANOMALY** – a reduced sensitivity to blue light (rare)
- **ACHROMATOPSIA** – people only see in monochrome (extremely rare)

Colour blindness mostly means that the people affected have difficulty distinguishing between colours, so their ability to see clays all comes down to contrast.

WHAT COLOUR CLAY AND WHY?

The clay suppliers, ground owners and course setters we spoke to all agreed that the most commonly used clay colour is black.

Gary Turner, Sales Manager at clay supplier CCI International, explained: "Clays of all sizes in their raw state are black at the end of the manufacturing process and, at this point, they are either packed or painted. However, clays are only coloured or painted on the top. Black makes up 70 per cent of our UK manufacture, followed by orange. White is growing in popularity and is available too."

Jane Coppen, General Manager of High Lodge Shooting Ground in Suffolk, agreed: "Plain black is used a lot because it's the most common – the largest produced and therefore the cheapest. There are simply more black clays produced as standard."

Black undoubtedly shows up well against blue (or, more often, grey) skies in the UK, so where do these bursts of colour at

competitions come from? Again, it all comes down to contrast.

"We occasionally use white or orange if we've got a particularly tricky background and need the contrasting colour," said Jane. "At a major event, we might use a coloured clay or if we need to put a stand against a difficult background."

Gary expanded: "An orange or blaze clay (and there are many different shades) shows up very well against a dark background, such as woodland, where a black clay would be difficult to pick up. Colours are then just a matter of choice and, to a certain degree, vary to suit the customer. Any colour is available, but our usual colours of yellow, grass green, white, red and magenta cover most applications."

Mark Marshall, Course Setter at EJ Churchill, has his favourites: "We use black for teaching when the clays are against the sky but, for different backgrounds, I like to use the light lime green and orange blaze colours as you can use them for near enough all conditions. I tend to know which colour I want to use when setting the course, but we test them all at different times of day to check we've got it right."

SEE CLEAKER

Even if you aren't registered as colour blind, everyone's vision is different and you may have slight variations in your eyes that mean you find picking out certain clays against certain backgrounds trickier than your peers.

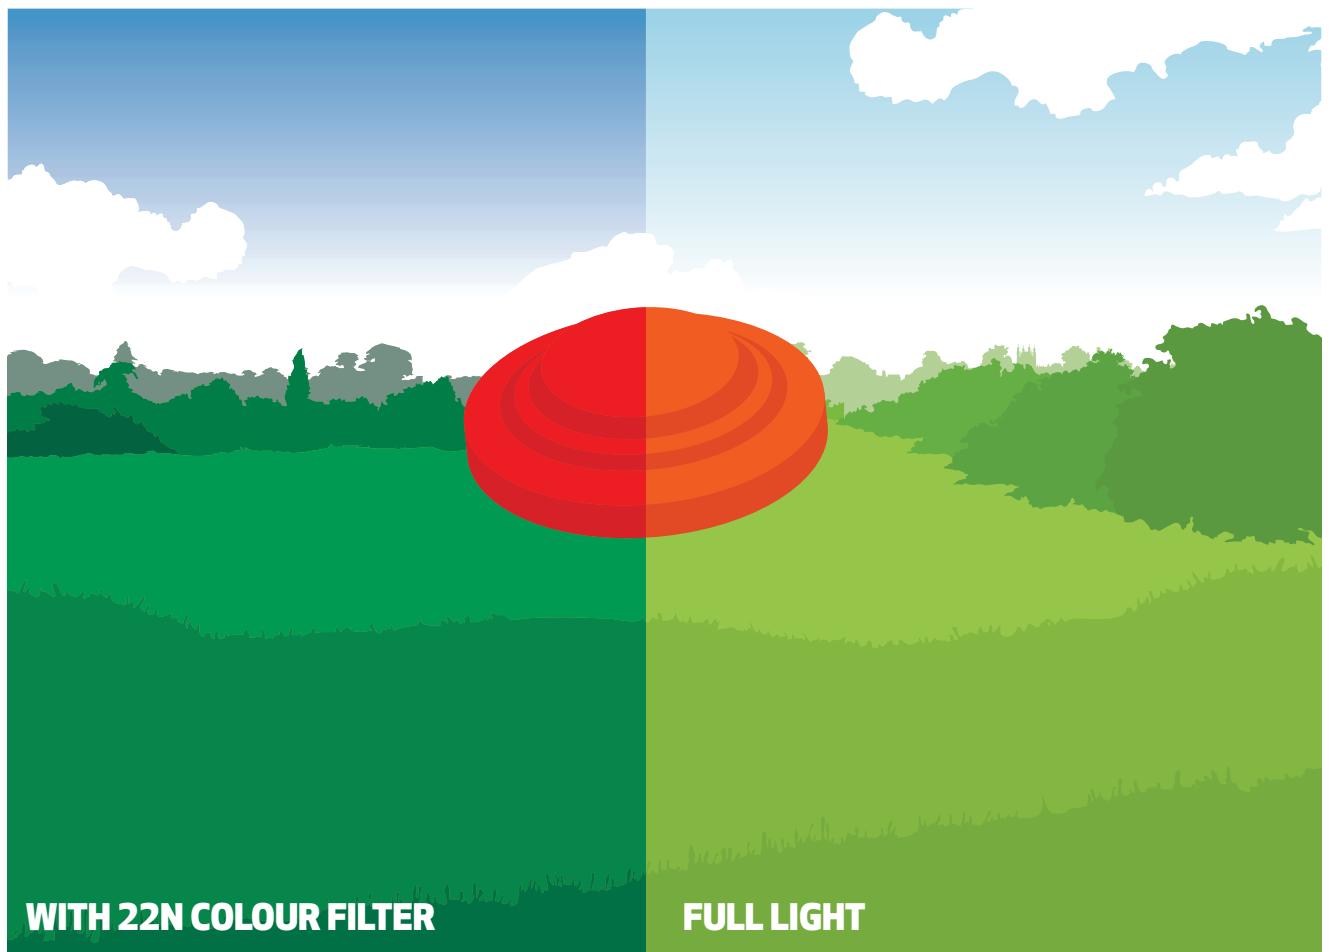

Tom Starkey, Director of Starkey Headsets, which sells Pilla eyewear for clay shooters, provides some insight into which lenses are most popular for clay shooters to help spot those clays.

"The most popular Pilla lenses are the 44N or 50RHC. Due to the amount of light they let in (44 per cent and 50 per cent respectively), they can be used in most conditions. Both lenses have neutralising technology that dulls green backgrounds and removes the distraction, which in turn enhances the clay. The 50RHC can also boost orange clay visibility by up to 600 per cent."

But what about the most common coloured clays – black?

"If black clays are an issue, then Pilla has two specialist lenses – the 35DC and 60DC – which are both blue. The 35 will enhance black targets on a blue sky background, but more relevant for our country is the 60, which enhances black against grey skies. If you have a black clay that is turned silver by background light, these lenses will keep it black."

So, whether you suffer from colour blindness or have perfect vision, when it comes to shooting clays, how well you see them all comes down to contrast. There are plenty of lenses on the market that can help you, whether you have difficulty with a specific colour or light conditions. But, as always, practice will go a long way! ●

WITH 22N COLOUR FILTER

FULL LIGHT

TOM'S TOP PICKS

The Pilla range goes from 10 per cent of light let through the lens (transmittance), which is the darkest lens for direct sunlight, to 94 per cent for low light. The lens' number relates to how much light is let in; the higher the number, the more light. In addition to an all-round lens (40-50 per cent transmittance), the following are great options for a three-lens kit as they are not at the extremes. They offer varying technologies managing light, backgrounds and target colour in different ways

22N

22 per cent of light is let through the lens (transmittance). Neutralises green backgrounds, manages sunlight.

32MXB

32 per cent transmittance. A versatile lens that can be used in sunlight to grey/overcast conditions and offers a 600 per cent boost to target orange.

58ED

58 per cent transmittance. Offers enhanced definition and is a medium-to-low-light lens. Does not manipulate light, but subtly increases definition and sharpness.

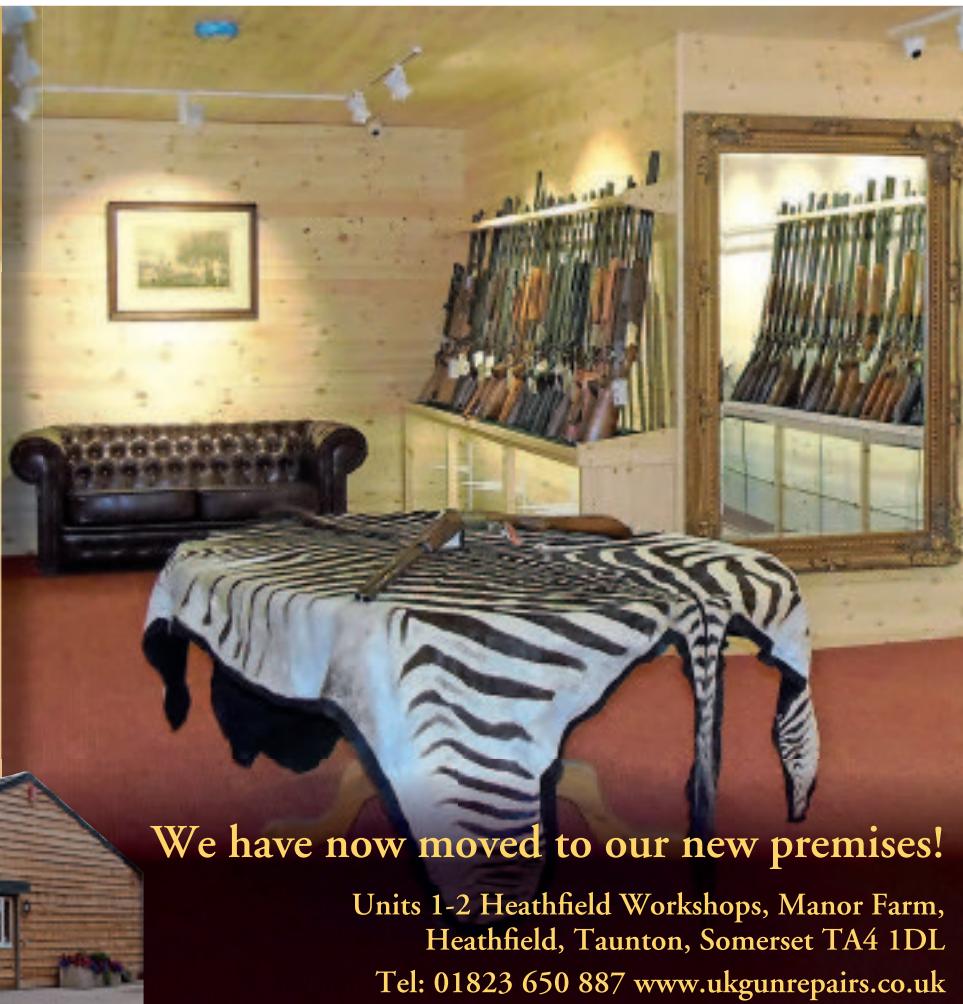

60HCP

60 per cent transmittance. Offers a huge boost to target visibility in medium-to-low light and boosts orange by 600 per cent.

Coaching for novices

COACH **SARAH DALY** SHARES HER TIPS TO FINDING A COACH AND GETTING WHAT YOU NEED FROM A SESSION

W

ETHER YOU'RE a seasoned shooter with some weak areas to tweak, one of the many shooters who've had the odd lesson but are virtually self-taught or a complete beginner, everyone needs a little help with their shooting sometimes.

A lesson or two could really help your hit rate and your confidence. It's often very difficult to assess your own flaws, whereas a coach standing behind you should have the skill to see any weaknesses in your technique.

HOW TO FIND A COACH

To find a coach or instructor, visit www.cpsa.co.uk/coaches. Give them a phone call and talk to them – it is important that you feel comfortable with your coach, can be honest with them and have confidence in their advice. You shouldn't feel intimidated or embarrassed by any lack of knowledge. Remember: the coach is there to help.

“No matter what qualifications or previous successes the coach has, you have to like and trust them or it is not going to work for you. It is a partnership. Establish and agree what you require from the coach – what is the objective that you wish to achieve or the problem to be overcome?

DEREK WETTER
Mid Wales Shooting Ground

“It's important to find a coach you have confidence in. Listen and don't be afraid to try something different if your coach suggests it, even if it may feel odd to start with. Focus on one thing at a time. Perseverance and practice can't be underestimated – along with patience!

“Take time to listen to your coach and have an open mind to new ideas. Good communication is essential when learning to shoot, especially in developing new techniques and problem solving. If you don't understand, then ask.

SARAH WHITE

SOME BASICS

Most people ask where they have missed the target, but often the problem is long before the shot is taken – for example, if your stance is poor or your gun hold is wrong. Your coach should sort out your stance, feet, eyes and gun hold so you are balanced, able to see and react to the target, and shoot more efficiently than just shuffling on to the stand, pointing the gun in the vague vicinity of the range and calling 'pull'! Here are some of the basics.

FEET Generally, your lead foot should point to where you expect to shoot the target, then you can turn back to your 'ready' position without moving your feet. If you're a right-handed shooter and the target is moving from left to right, have your lead (left) foot facing the maximum angle to the right that you are likely to shoot the target, which will allow you to turn without rolling your shoulders and/or whole body off the flight line.

GUN HOLD You usually need to hold the gun away from where you are looking. The distance will depend on the type of target, but you need enough time to register the target before it gets to the gun. The distance between the visual pick-up point and

gun hold is dependent upon the 'window' of sight, speed, flight line and your individual reaction time. Ensure that the gun hold is within your peripheral vision. The advantage of having your eyes and gun in the right place is that there is enough time to move with the target rather than chasing it.

EYES Use soft focus as opposed to looking at a specific point. Ensure that your eyes are relaxed and still, not flicking between the gun and the target source.

VISUAL PICK-UP POINT Are you looking in the right place to first see the target? This is the visual pick-up point. If in doubt, point the finger of your lead hand out to where you think you would hold the gun, then look to see the target. If the target is past your hand before you register it, then you are looking too close to the source.

If you are unfortunate enough to walk away from a lesson disheartened, then ask yourself why. Was it really the coach giving poor information? Did you not feel comfortable with that coach? Were you really listening and understanding? Don't be put off and make sure you get the most from your coach.

“Be specific about what you want to achieve or resolve. For example: 'I want to improve my success rate with long crossers', 'loopers and battues are causing me a problem' or 'I cannot hit quartering targets' – whatever problem you have. At the end of the lesson, review the progress you have made and agree a course of action with your coach in order to consolidate your learning.

ENGLISH SPORTING HOME INTERNATIONAL WESTFIELD SHOOTING GROUND SEPTEMBER 10

Steve Lovatt had arranged for some practice targets at nearby Windrush Ground to get all the teams in the mood for his highly respected targets. There were seven home countries taking part in this event and it promised to a very close-scoring affair!

On the morning of the match, it was rather breezy and there was heavy drizzle – not the best weather to have – but the forecast was for it to clear and become dry by late morning. Therefore, most of the shooters were going to get wet at some point.

England's Phil Easeman came in with a massive 49 ex 50 on what was considered to be the hardest course (Stands 8-14) and there were three on 48 ex 50 from Wales. As the scores were submitted to the computer, it emerged that Wales were leading the Senior team event by six clays over England. The host nation would have to overturn the deficit to go on and take the seniors honours.

Because Phil Easeman had shot the highest in the morning, everyone seemed interested to know how he had finished. Phil had shot 43 ex 50 for a total of 92 ex 100, which was very good, but Phil was a bit disappointed because he let two or three slip away. Rob Claybrook from Wales carried on from his morning's 48 ex 50 to score 47 ex 50 in the second session and finished on 95 ex 100. This turned out to be the highest score of the day, giving him the High Gun trophy – very well done Rob! England's Josh Bridges (the Overall High Gun in Jersey last year) scored a very impressive 90 ex 100, giving him the Juniors High Gun, while Janine White was the Ladies High Gun.

The final scores were quickly tallied up and a few shoot-offs were needed. One was the Captains Cup, which England's Arnie Palmer and Wales' Paul Heywood took to sudden death and Arnie won with 89 ex 100 + 7.

In the evening, there was – as always – the banquet where the prizes are given and a few beers are drunk along with lots of banter! Because it was the 50th time this event has taken place, there were a few treats for the competitors including a fantastic ice sculpture of a giant 50, which looked absolutely amazing. Everyone was treated to a glass of Prosecco on arrival and there was free wine on the table in glasses engraved with '50th anniversary'. There was also

a raffle with prizes sponsored by the following who I would like to thank on the behalf of the CPSA: Hull Cartridges, John Bidwell and High Lodge for their long weekend in one of their luxury lodges (won by Scotland's Edith Barnes), John Bridges of Starshot, Eley Hawk, Southdown Gun Club, Bisley Shooting Ground and EJ Churchill. These prizes helped make this event one to remember!

Thanks also go to Steve and Alison along with their team of kitchen staff, and we must not forget the referees. Trudy from HQ was there doing all the things that most people do not see and deserves a massive pat on the back! Well done Trudy.

The 2017 English Sporting Home International is going to be held in Ireland, and I am sure we are all looking forward to that already.

ABT HOME INTERNATIONAL BROOK BANK SEPTEMBER 20

As the Team Manager, I am so proud of all the England team – Seniors, Ladies, Veterans, Super Veterans and Juniors alike – and they all played their part in achieving almost a full house. Nevertheless, all of the nations shared humour, company and professionalism.

Fifteen of the squads were made up from England, Scotland, Wales, Ireland and Northern Ireland, although Northern Ireland didn't have a full team and only six members competed.

England's Katie Cox was leading after 50 targets thanks to a 50-straight, while Ireland's Junior Ian O'Sullivan was close behind on 49 ex 50. At the halfway mark after day one, the England Seniors were leading by 20 against the Scots. Nigel Caves was top Senior on 97 ex 100, followed by Chris Tate of England, Graham Evans of Wales, Ian O'Sullivan of Ireland and Ewen Patience of Scotland on 96 ex 100. The England Ladies were leading after the first day, the Veterans and Super Veterans were leading by one, and the Juniors were falling a little behind but were full of enthusiasm and spirit.

On the second day, bright sunshine hampered the first squads out and made the targets very testing indeed. However, as the day wore on, the weather settled to a nice summer's day and, to cap it all off, Mark Shaw managed to shoot 99 ex 100. Ian O'Sullivan (Irish Junior) shot an incredible 192 ex 200 overall.

A mention goes to the new caps within the England team, and they were Graham Andrews, Taylor Richards and Jack Culliford. Another goes to the new caps in the ABT discipline, who were Matthew Panter, Marvin Houghton, Christian Clark, Marcus Iddon, Abbey Ling, Philip Sanders and Robert Agar.

Congratulations go to Mark Shaw, who won Overall High Gun with 193 ex 200. He also took Overall Senior High Gun, High Gun of England and Senior High Gun of England, so I hope he's got plenty of Silvo in the cupboard! The England Seniors were the winning team, who beat Scotland by 59 points. The winning Ladies team was England, who beat Scotland by 24 points. The winning Veterans team was also England, who beat Scotland by two points. The Super Veterans lost out to Scotland by two points, and the Juniors lost to Ireland by 33 points.

Captain Jack Wilkinson took the Captains Cup. The Overall and England Ladies High Gun was Katie Cox thanks to her amazing 50-straight. Theo Ling took Junior High Gun of England, Fred Thornley took Super Veteran High Gun of England and Phil Sanders took Veteran High Gun of England. Graham Andrews took New Cap High Gun and I am proud to say I won Winning Team Manager thanks to the team.

I would like to thank Alison and Wesley Hann for their hospitality at their ground along with their staff (but not their dog Hector, who stole my sandwich) and thanks to the Wookey Hole Hotel who hosted the International Banquet organised by the CPSA.

FITASC HOME INTERNATIONAL ST DIALS MONMOUTH SEPTEMBER 24

This is always the final Home International of the season and is obviously the best! With the usual England, Scotland, Ireland, Wales and Northern Ireland combination, we were joined this year by Guernsey as well. The forecasted rain held off but was replaced by gusty wind, which really affected the targets. As St Dials is on a hill on the edge of the Forest of Dean, it is very wind affected and we witnessed gusts of almost 90mph!

England's Roy Cherry was one of those shooters who were under pressure and scored a very wind-affected 18 on his first layout. His sheer determination and experience made him focus and he only missed five targets out of the next 75, earning him the Runner-up trophy on an impressive 88 ex 100. Scotland's Stewart Cumming was High Gun on a truly impressive and unbeatable 92 ex 100.

Shaun Stacey returned after a long absence and shot a glorious 87 ex 100, gaining third place overall, while the England new cap Julian Morris shot two 23 ex 25s and finished on 85 ex 100 along with Paul Lovick. Meanwhile, Chip Smith's 83 ex 100, Chris Baker and Phil Easeman's

82 ex 100s and Captain Matt Hance and Carson Revell's scores were enough to regain the team rose bowl once again. The other England new cap Amy Easeman coped very well and shot an excellent 21 ex 25 on her final layout to take the Ladies team Runners-up with Georgia Moule. With a combined age of less than a decade away from any one of the Senior team members, these two young ladies really are ones to watch. The Welsh young lady Janine White shot an impressive 82 ex 100 to take the Ladies High Gun, with Georgia taking the Runner-up prize.

The Juniors coped very well and the dynamic duo of Henry Young and Billy Baughan took the Junior team trophy with ease, some 12 clays clear of Scotland. Our very own superman Billy was also crowned the Junior High Gun.

A very experienced Veteran team of Arnie Palmer and Martin Doughty easily won the Veteran team trophy, and Martin also took Veteran High Gun with an impressive 24 ex 25 on his last layout for a total of 86 ex 100.

All of the Super Veterans struggled on the quick, gusty targets, but David Payne and Jerry Bland dug in to take the runners-up honours. James Alexander of Northern Ireland took High Gun on 71 ex 100.

There was a shoot-off at the end between England's Arnie Palmer and Scotland's Ian Marsden for Veteran runner-up which Arnie won by three clays.

The windswept and exhausted team members then hotfooted it back to Newport for a quick wash and scrub up to don their smart uniforms to dine in style at the banquet in the impressive Celtic Manor Hotel.

The team members all stood to applaud the Team Managers and Captains that came into the Great Hall, led in by the very proud winning Team Manager Guy Bond.

The Captains all made their speeches and the England Captain Matt Hance stole the show with his well-delivered words, winning the shortest speech money pot!

The awards were presented by the Welsh President and, once again, the England Team won the FITASC Home International.

NATIONAL INTER-COUNTIES ENGLISH SPORTING HIGHWAYMAN SHOOTING GROUND SEPTEMBER 24-25

For those who have never been here before, they should make sure they go to next year's event – it really is a fantastic venue for clay pigeon shooting! The targets were set up by the experienced brothers Simon and Mark Smith, who have been clay shooting for well over 35 years. The administration side was run by Simon's partner Helle Aabech and what a fantastic job they did between them along with their team of helpers.

With this being held in Suffolk, it made them the county to beat and especially so as they have won this competition five or six times in the last decade alone. Oxfordshire would

be a huge threat and they have won it before after a shoot-off with Suffolk. With three former England members in the form of Chris Bloomfield, Julian Freeman and Steve Cox, they came to do a job.

On the Saturday, the weather was not kind to the shooters and the wind was making it even tougher. The highest score on the day was 91 ex 100 by Harry Seal of Cambridgeshire, with Suffolk's in-form Aaron Harvey shooting 90 ex 100.

As the scores came into the clubhouse on Sunday and then went up on the screen, some of the team members were trying to work out who was winning which category. Oxford's Julian Freeman and Chris Broomfield scored 95 ex 100 and 91 ex 100 respectively, and people were beginning to think that Oxford could win this again. It all depended on what the others in the team had done. Suffolk's Philip Thorrold and his son Ben scored 88 ex 100 and 83 ex 100 respectively, so it was looking tough for Suffolk. Yorkshire had England Team member Phil Rowbottom and he scored 90 ex 100, while former team member Andrew Beal weighed in with 86 ex 100 along with Scott Greenwood's 91 ex 100 – would he be in with a shout too? As Suffolk's Texas-bound team member Andy Jude submitted an 89 ex 100 and Peter Jarvis shot 82 ex 100, it was going to be a long wait to see who would be confirmed as the team winners.

Ian Hallwood from Norfolk scored 87 ex 100, winning him the Veterans prize, while Suffolk's Pauline Chapman continued with her superb form to record an 84 ex 100 to win the Ladies. Pauline shot the same as Charlotte Kerwood, but Charlotte wasn't there for a shoot-off. The Junior High Gun went to Aaron Harvey with his 90 ex 100. Suffolk snuck it by just five clays!

Scott Barnett, who travelled from Cheshire and is a current England member, said that this was a fantastic shoot and was worthy of a World Championship! Yorkshire's Phil Rowbottom who has shot for England on numerous occasions added that this is the standard of targets we need at England Team Selection shoots. There was not one negative remark from anyone.

Thanks to all the Highwayman staff for what was a fantastic and very well-run competition. With more than 275 entries, this was a great success.

DTL INTER-COUNTIES BYWELL SHOOTING GROUND OCTOBER 2

Sixty-four shooters travelled to shoot and, with the 100 Sportrap Registered shoot running alongside, a host of locals turned out to create a lively atmosphere. While I soon realised the phrase "It's not raining for once!" was common among the shooters unacquainted to this Northern setting, the weather could not have been more perfect for them – cold but fresh with light wind and scattered cloud – so there were no excuses for not achieving some top scores. As well as the weather being on the competitors' side, so were the targets. The competition was run over four layouts, each set by Allan Henry and his team of ground staff, and Allan, having shot for the England DTL team numerous times, made sure the targets were nothing less than perfect.

The stage was set and the shooting began. The squads went out and the scores started to roll in. Among the team battles, one young individual's success soon became apparent when Lucy Hall from Yorkshire shot her very first 100-straight with a 100/295 at 12 years of age, beating many of the top names on the way. This gave her not only the Ladies High Gun but also Colt High Gun and the top name in C Class.

The battle between the counties was tense, with the top three positions narrowly separated. The home surroundings must have given the senior Northumberland team the edge as they finished first with a solid 1,456/1,500 thanks to Edward Common, Allan Henry, Roger Brown, Gary Peters and Nick Adam. Roger said: "It's been a real pleasure shooting for the team today." Gary added: "Another cracking day here at Bywell." In a close second with 1,435/1,500 was the Durham team, with Dave Priestman, Ted Philipson, George Turnes, Eric Atkinson and Andrea Swatts. Nottingham finished in an extremely close third on 1,431/1,500 with Andrew Brown, G Hodgkinson, P Meakin, L Wilcoxson and S Hilton. Andrew Brown shot extremely well and took Overall High Gun with 100/298, saying: "It was a well-run event and I've had some pleasant shooting today. I'm just enjoying the sport."

The Junior teams were very evenly matched, with the Nottingham duo of G Lewis and Joe Booth winning over the Yorkshire team of Owen Vining, Robert Tinson and Ryan Sharpe by just six points with 582/600 as opposed to 576/600. The Veteran teams fought it out between Northumberland with Edward Byerley and Michael Cutter and Yorkshire with Keith Hugill, Peter Hancock and John Hall. Yorkshire took the top spot, spoiling the home team's day by finishing ahead on 559/600 as opposed to Northumberland's 535/600.

It was good to see a real mixture of shooters at this event from the young to more seasoned as well as Ladies and the Juniors. The most important thing is to be encouraging new faces and youth into our sport. With scores like Juniors Joe Booth and Owen Vining on 99/289, I am certain this will bring yet more people to take up this exciting sport.

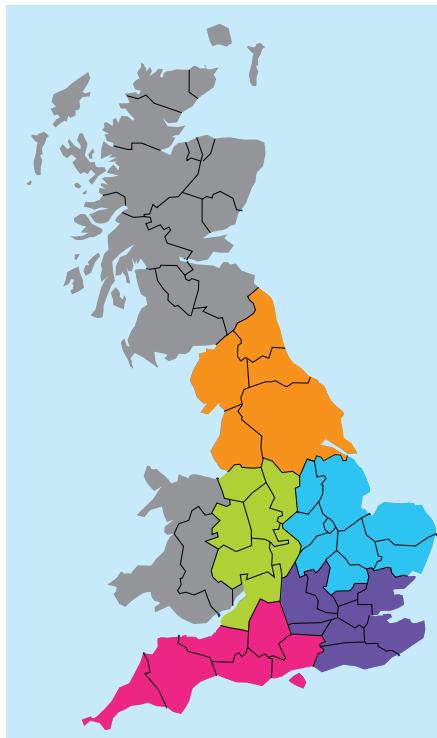

With such great weather and even better targets, I would have expected to see some of the magic 300s – but it wasn't to be. Still, some good shooting overall and it was a real privilege to see such great shooters coming together in a real team effort.

Please note that the Gloucestershire CPSA AGM is due to be held in early 2017 – venue and date will be advised when confirmed. I am aware that many of you have strong opinions on various County matters and the AGM is your opportunity to air these with other like-minded (or otherwise) shooters. If you would like to raise a question at the AGM, ideally submit this in writing to Steve Clarke so that it can be added to the agenda and aired. Of course, there is always the option for anyone to put up their hand and take a more active role in County matters – I'm sure you'd be welcome.

Sep 4: County Championships 100 Sportrap – Barbury Shooting School

After the cancellation of this event earlier in the year and, at times, seemingly no way of hosting the event in the shire, the County was grateful that Barbury agreed to host this shoot alongside the Wiltshire CC.

It was a somewhat firm shoot that saw most of us struggle more than we had expected. It was tamed by Lee Newman, whose 88 ex 100 took the County title. Shaun Porter 86 ex 100 was second and our Chairman Steve Clarke was hot on both of their heels on 84 ex 100. Well done to all that made the journey.

Although it was wet and windy, it didn't faze James Boulton as he took the County title with 99 ex 100. Shaun Porter was second and Chris Holmes third, Sue Tippet retained the Ladies title and Matt Jones took the Junior title.

British Open Sporting 2016

I'm aware that there is plenty on this event elsewhere but I cannot let it pass without congratulating Nick Portlock on a superb second in AAA Class after a shoot-off that read like a list of shooting superstars. I will still call him 'Chipper' though!

Sep 7: 100 ESP – ICSS

The summer series of shoots enjoyed its finest day weather-wise on this penultimate shoot. As expected, the locals did well. Second in AA Class was our finest dandy Joe Hale who carded 91 ex 100. Winning A Class was the ever-excitabile Stew Keen (88 ex 100). Sharing first in B Class was Judith Gilder and Willy Hale on 78 ex 100. First in C Class was Rich Moreing (79 ex 100), second M Young (75 ex 100).

Sep 11: 100 ESP – Westfield

Second in A Class was B Baxter 80 ex 100 and, continuing his good form, the youngster Jack Mills was second in B Class with 77 ex 100.

Other Sporting news

September 18, 100ESP, Oakedge: Lee Newman 91 ex 100 for first in AA Class. September 22, OLSS: Ade Johnson 92 ex 100 taking second in AA Class. September 25, 100ESP, Honesberie: rounding off a stellar month, Lee Newman 87 ex 100 was equal second in AA Class.

All of the county wish Joanna Herbert and Mark Thomas all the very best with their new venture 'Shoot Gear' – a dedicated range of clay shooting clothing and accessories, both of them modelling garments at some grounds.

As always, please do remember this is your page. I can only inform the masses of upcoming events if I am made aware of them well in advance. Finally, all the best out and about and catch many of you soon.

Firstly, on behalf of the Shropshire County committee, I would like to thank each and every competitor that has taken time to support the County by attending Selection Shoots and County Championships. I would also like to congratulate those who managed to represent the County team in their chosen discipline, whether previously capped or newly capped. Congratulations all!

Aug 7: FITASC

A little late I know and I apologise for this. Shropshire put together a team to represent the County for the first time in many years! The team consisted of both Seniors and Juniors, with three representatives shooting FITASC for the first time! Archie Hughes, Arran Eccleston, Mike Cashmore, Gary Edwards and Stu Aston. This was also the County Championship and the results are as follows: Gary Edwards became County Champion, Mike Cashmore took County silver, Stu Aston took County bronze, Arran Eccleston became County Junior Champion and Archie Hughes took County Junior silver.

Inter-counties Skeet

A good turn-out for Shropshire, with all the team representatives present to challenge for team and individual medals. Congratulations to Trevor Lewis for shooting 99 ex 100 - a real shame about high three layout one! A pleasure to watch nonetheless.

The event was also the County Championship with results as follows:

Seniors: Trevor Lewis County Champion (99 ex 100), Simon Heinrich County silver (97 ex 100) and Neil Meredith and Gary Edwards County bronze (95 ex 100). Veterans: Roy Jones County Champion (97 ex 100), Nick Williamson County silver (95 ex 100) and Barry Edwards County bronze (87 ex 100).

Juniors: Connor Stott County Champion (95 ex 100), Arran Eccleston County silver (82 ex 100) and Archie Hughes County bronze (77 ex 100). Ladies: Julie Burton County Champion (85 ex 100) and Debbie Parkes County silver (71 ex 100).

Inter-counties DTL

Nottinghamshire captain Curtis Woolley got Nottinghamshire off to the best possible start by recording the perfect score of 100/300. He was ably backed up by Lee Wilcoxson 99/295, Paul Meakin 99/294, Lee Clements 99/292, Pete Armett 99/290, Granville Hodgkinson 99/289, Steve Hilton 96/285 and Gordon Hodgkinson 93/272 to leave Nottinghamshire on a team score of 1760/1800.

In the final reckoning, the Lincolnshire lads squeezed past Nottinghamshire by just three points to win on 1763/1800. Steve Smith top-scored for Lincolnshire on 100/298 with good support from Mark Cumberlidge 100/292, Norman Eaton 99/296, Paul Smith 98/293, Andy Harvey 97/290, Mark Shaw 97/290, Mick Shaw 97/288 and Steve Whiting 95/281.

In Ladies, Nottinghamshire set a good score finishing on 552/600 – Sarah Odam top-scoring on 97/281. However, the Lincolnshire Ladies

crept past them into the lead with Tracey Bridge top-scoring on 96/285 to give Lincolnshire a finishing total just one point in front. That was until Michele Conway of Cambridgeshire recorded a PB of 99/289. That, on top of the good work already done by Hazel Whiten 95/270 and Liz Cook 72/205, was enough to give Cambridgeshire the Ladies victory on 559/600.

In Veterans, Ken Rimington got Nottinghamshire off to a flying start with a 100/297, giving them a team score of 584/600. Lincolnshire then eased past Nottinghamshire by one point – Steve Bridge top-scoring on 98/293. However, Leicestershire Veterans inched over the winning line by a single point. Keith Taylor top-scored on 99/293 with Aggy Paphitis on 98/293, Mike Brookes 98/288 and Keith Mault 97/287.

In the Juniors, Nottinghamshire kicked things off with a team score of 589/600 only to be matched by Leicestershire later in the day. Not only that but Joe Booth of Nottinghamshire and Alex Harris of Leicestershire were locked together for Junior High Gun, Alex recording 100/297 and Joe 99/297. In the individual shoot-off it was Joe that prevailed, recording a 25/75 to give him the title. The team shoot-off was a very tense affair; Nottinghamshire came out the victors with Joe Booth 99/297, Jack Richards 100/292, Tom Tristram 98/287 and George Lewis 98/292. Commiserations to the Leicestershire lads.

A couple of final mentions: Junior Henry Collins was drafted into the Northamptonshire Seniors team and in his first DTL competition recorded his first ton with a PB of 100/298. Also well done to a star of the future, 10-year-old Jack Brazier of Lincolnshire, who recorded a new PB of 96/278.

Many thanks to Carl and his team at Nottingham & District who once again looked after us in their usual efficient style – it really was a cracking day's competition.

Inter-counties All-Round

From an organising point of view, I don't think we could have asked for a better conclusion to the season. Three counties were separated by just one point in the Directors Trophy, with the Inter-counties ABT still to come the following month at Nottingham.

Bedfordshire and Northamptonshire were first out and, as expected because of its rich history in this event, Northamptonshire set a target for everyone to aim at. It was Northamptonshire Junior Henry Collins who set the standard, again he was drafted into the Senior team where he made his mark recording an excellent 92 ex 100.

Northamptonshire ended up on 528 ex 600 with only Lincolnshire, hungry for Directors Trophy points, getting close. It came as no surprise to see Suffolk, another county with a good record in this event, overtake Northamptonshire to take the victory. Pete Mayhew, Darren Parsons and Rob Butters all did the bulk of the damage on 92 ex 100.

While all this was going on, Nottinghamshire and Lincolnshire shooters were calculating the scores to see what effect this had on the Directors Trophy standings. Lincolnshire needed to score well and for other counties to overtake Nottinghamshire to give them a fighting chance in the Inter-counties ABT.

Later in the day we crunched the numbers and it became apparent just how close it was. Lincolnshire are now leading on 28 points, Nottinghamshire and Northamptonshire are tied on 27.

In the Ladies team event there was at least some good news for Nottinghamshire with a victory over nearest rivals on the day Cambridgeshire. Jenny Hilton top-scored for Nottinghamshire on 75 ex 100 and Megan Gamble was just one point behind. Hayley Denoon and Andrea Jex completed the winning quartet.

In Veterans, Bedfordshire dominated with John Stanton scoring 95 ex 100, which was also the High Gun score on the day. Jim Munday backed that up with 89 ex 100 and Phil Coxall rubbed it in with an 85 ex 100 to give them a victorious team score of 184 ex 200.

In Juniors, Tom Mead took the Junior High Gun Trophy plus the James Hinkins Trophy for top-scoring on 84 ex 100. His score also helped the Lincolnshire Juniors to victory. George Cheer 77 ex 100 and Saira Boardman 69 ex 100 completed the winning line-up.

Many thanks to all the team at Northampton for such an enjoyable day.

Aug 27-28: Bedfordshire Sportrap Championship

Held alongside the Regional Championship, 24 County shooters took part in the Sportrap held at Sporting Targets. Unfortunately, we had no juniors or ladies taking part this year.

The course was held over four layouts and it was tricky to know which clay to shoot first on the simo pairs – it wasn't always obvious until it was too late! Both days were similar in weather, with the exception of the downpour the last squad experienced on Saturday – boy did it rain!

Steve Whitelock shot a brilliant 95 ex 100 which made him both County and Regional Champion – a brilliant score, top shooting. Next was Bert Mason on 91 ex 100 followed by David Ferriman on 89 ex 100. Veterans was Malcolm Jenkins with 85 ex 100, followed by John Stanton on 82 ex 100 and Jim Munday 81 ex 100.

Thanks to you all for shooting the championship. Please check out the new Bedfordshire CPSA website for the remainder of the year's fixtures.

As a County, we thought we would take a stand at the Stow cum Quy Game Fair. This is a three-day affair that has been running since the dark ages and is held on the outskirts of Cambridge. I had not been to it for many years and I must say it was a very busy place indeed. We set up close to the clay shooting, with the object of selling the Cambridgeshire CPSA to all and sundry.

This was not as easy as I thought it would be – why should people join our association when they don't even shoot? We soon changed our approach and did our best to meet people who wanted to have a go at clay shooting for the first time, telling them how to get going and where to go to do it.

It was surprising how many people were from the USA and other foreign parts but we found

that lots of people were interested. We were close to the muzzle loaders, which was fun – that is if you go by the amount of noise and smoke generated – but they are smashing people and were appreciated greatly by the visitors to the fair.

We know that a few people we met have visited Cambridge GC to try this smashing sport. It would seem the secret to get people to these shows is simple: sell pork pies. We must try CPSA pork pies next year!

Regarding Cambridgeshire Shooters, I would like to thank all the members who have supported the County teams so far this year. We have seen some new blood winning places and shooters putting up a good show.

As reported in the previous issue of *Pull!*, we had a major win in the Inter-counties Sporting – once again, well done to you all. We have also had our Ladies collecting glassware and our Veterans were very close in the All-Round; only the last team of the day, Bedfordshire, pipped us to the post. Nevertheless, well done lads and lassies and many thanks for your efforts.

I also have to mention one of our Cambridgeshire Ladies who shot for us in the EM Inter-counties All-Round team at Northampton GC in September: 12-year-old Ami Hedgecock shot 22 on the ABT. What a feat – watch out you ladies out there, Ami is coming.

Sep 4: Cambridgeshire Double Trap – Nuthampstead

Not a great turnout for the Cambridgeshire Double Trap; only four Cambridgeshire shooters turned out for this event with 17 shooters in all as it was the Hertfordshire Championship the same day. The weather was fair and targets were perfect as usual, making a good day overall. We even had the added bonus of seeing a Rio bronze medal from Steve Scott. For Cambridgeshire, it was Paul Ashley who took first place and became County Champion with 108. Tim Jones received the Veterans title with 102. Thanks to Nikki and all the staff at Nuthampstead for their help at a difficult time for them all.

Hello again everyone, here's hoping that you are all well. Autumn is on its way and we are running out of shoots; just the Olympic Trap to go.

Universal Trap Championship

Some good scores were posted here; I don't know how they do it! High Gun and Champion of the day was John Grice with 96 ex 100 – I recently had the pleasure to shoot with John and it was a pleasure too. Kevin Borley was next on 92 ex 100. Andy Morris was not far behind, shooting 90 ex 100. Dave Wright cleared 87 ex 100 and DJ Hardy shot 85 ex 100. Well done to all of you and thanks to the Rugby TC for hosting the event.

East Midlands All-Round Final

We managed to field a full squad of Seniors and one of Veterans. The Seniors team – represented by Graham Kendrick, Eric Kendrick, Tony Sockett, John Stimson, Alan Bott, Alan Bavington, Davy Piggott and Robert Grice – made a good fist of it, just lagging a few kills behind the pack; well done. 'Dad's Army' – John Grice, Alan Palmer, Bob Tucker and Robert Kendrick – ended up in the runner-up position with Lincolnshire; well done to Bedfordshire, the winners. Thanks again to Northampton SC.

I'm going to finish now, hoping that I press the right button on this infernal computer to send this report to press. Shoot straight and keep your powder dry.

silverware. Once more, the honours fell to Norman Eaton, whose score of 96 ex 100 ensured the addition of this title to the ABT title he won just four weeks earlier. Second place went to Mick Shaw, whose score of 94 ex 100 100 could have reasonably expected to win it at any other time.

Team news

Lincolnshire has enjoyed considerable team success at the East Midlands Inter-county shoots.

FITASC – George Cheer and Oliver Zaitschenko took the Junior trophies. Oliver also won Junior High Gun of the day.

English Skeet – This proved to be a 'nearly' day, with our Veterans team narrowly beaten by Nottinghamshire. Mike Burton shot 95 ex 100 and John Hall shot 90 ex 100.

English Sporting – Rosie Brumby, scoring an exceptional 85 ex 100, was ably backed up by Mary Burdass, Shona Marshall and Jaymee Thompson to give the girls a winning score of 160.

DTL – The Senior DTL team took the honours, finishing three points clear of nearest rivals Nottinghamshire. The team – Norman Eaton, Steve Whiting, Mark Shaw, Mark Cumberlidge, Steve Smith, Paul Smith, Mick Shaw and Andy Harvey – scored solidly with all six of the qualifying scores above 290 with two 100s. The Veterans team were just a whisker away from victory, beaten by Leicestershire by just one point. Nevertheless, some exceptional scoring from Steve Bridge (98/293) and Brett Aisthorpe

(99/292). The Junior team also deserve credit for a very valiant effort. They were up against some very experienced shooters but they scored very well with Josh Brazier putting in a 99/293 and his 10-year-old brother Jack a 96/278.

All-Round – once again, our Junior team ran out the winners. Tom Mead was top Junior scorer of the day with 84 ex 100, which earned him not only the team trophy but the Junior High Gun of the day and the James Hinkins Trophy for top-scoring Junior. Tom was partnered with George Cheer and Saira Boardman, all of whom contributed to the winning score of 161 – eight points clear of their nearest rivals. A special mention should also be made of the Senior team because, although they finished third, this is the highest position a Senior team has ever achieved in this event; it was a job well done. Exceptional scoring from Pete Atkin (90 ex 100) and James Pavitt (90 ex 100), ably supported by Steve Smith (82 ex 100), Phil Thomas (85 ex 100), Gary Boardman (78 ex 100), Richard Cundall (85 ex 100) and David Zaitchenko (84 ex 100). Congratulations to all.

On the back of all these brilliant results, the East Midlands Directors Trophy is within our grasp. The final result hinges on the East Midlands Inter-counties ABT. All will be revealed on our website and Facebook after this event on October 23.

Personal achievements

Several Lincolnshire shooters have represented England this year: Dave Sipling in the Olympic Trap team, Rosie Brumby captained the English Sporting team for the World Sporting Championship of 2016, Jack Wilkinson captained the England ABT team and Marvin Houghton was in both the England DTL and ABT teams. Congratulations to all.

Aug 28: Garth Womble Memorial DTL

This year's event was won on the maximum 100/300 for the second year running, this time by Mike Brookes of Leicestershire. With Mike winning the High Gun, the Veterans then shot off with Keith Mault coming out the victor courtesy of a 98/293. Leanne Powell and Jack Richards claimed Ladies and Juniors respectively. Nick Rose shot off against his friend Paul Meakin for the AA shield after both posted a 299. Keith Ritchie continued his good form to win A Class by shooting 100/297 – another 100-straight to add to his growing collection. The remaining shields of B and C Class were taken home by Neil Phillippe and young Kyle Humphreys. Thanks goes to Carl and his team for a great event.

Kevin Quincey All-Round Memorial

Contested on its usual date of August bank holiday, the Kevin Quincey Memorial shoot attracted a total of 94 competitors. The High Gun was taken on a score of 94 ex 100. Steve Smith was the Champion one clear of K Johnston and Pete Atkin, and two clear of Veterans winner Bob Tucker. Ollie Zaitchenko retained the Juniors while Liz Shanks's long trip was rewarded with the Ladies title. Steve Smith also won the Family Trophy alongside Norman Smith.

Nottinghamshire vs Lincolnshire charity match

Running in conjunction with the Kevin Quincey Memorial was the Nottinghamshire vs Lincolnshire annual charity shoot in aid of the Air Ambulance service. Lincolnshire won this year so congratulations to them; the winning margin was 30. Thank you to everyone who contributed to an excellent shoot and, most of all, those who contributed to the Air Ambulance.

Dorothy Stevenson Memorial DTL

Every year, DTL shooters battle it out for the chance to be crowned the Dorothy Stevenson Champion as well as claim the somewhat unwanted, yet fantastic, High Gun trophy. This time it was the turn of the much-loved Super Veteran Dave Hincliffe to leave the ground with the enigma of where to keep it. Dave won via a shoot-off with Paul Meakin, both one point shy of the ultimate 300. Alan Fowkes's Veterans win also required a shoot-off with Mike Brookes while Joe Booth comfortably won the Juniors category. Ladies Champion this time round was our very own Sarah Odam after achieving her first 100-straight to rapturous applause – a fantastic feat that made the rest of her squad feel very uncomfortable for the last

round and mighty relieved once it was over. Paul Meakin had the consolation of AA as Andy Brown won A Class before his inevitable promotion to the AA ranks. B Class was won by Geoff Smith and C Class by John Knibbs.

County AGM

This year's Nottinghamshire County AGM will be held on November 14 at Nottingham & District GC. It will start at 19:30 – all County members are welcome to come along and share their opinions. *Curtis Woolley*

Aug 28: Suffolk DTL – Eriswell Lodge SG

This was the first year in a while that the DTL Championship could be held in Suffolk. Thanks to Stuart Smith at Eriswell Lodge for making it

possible by installing new layouts with this in mind.

The weather was warm with a steady breeze to keep the entrants on their mettle – it probably contributed to the slightly lower scores than expected. There were 29 entries – while this wasn't bad, it would be good to see a full complement of 40 next year. Come on you Sporting/Skeet shooters – give another discipline a go to help your quest to be County Supreme Champion!

The outcome for most of the Championship and categories was in the balance up to the final round. Dick Hails set the pace with a 291 but he could have been beaten by Nick Havard from the same squad who unfortunately dropped the last bird to finish on 289. It was then the turn of Gary Miller to keep up the interest but he too faded at the end to record a 285 – he had the consolation of winning the Veterans and AA Class. After many years of trying, Dick finally became County Champion – there has probably never been a more popular and deserving winner. The ever consistent Pauline Chapman was once again the Ladies Champion.

Thanks to Stuart and the Eriswell team for their usual hospitality and for putting on a good and well-run shoot.

Nick Havard

Aug 29: Essex vs Suffolk Challenge – Clacton CG

This is a new County Challenge between us and Essex. This year it took place at the All-Round at Clacton Gun Club on Bank Holiday Monday. If my memory serves me correctly, the top five scores were taken from each County and are as follows: Suffolk – D Parsons (96 ex 100), Rob Butters (94 ex 100), E Chapman (94 ex 100), A Stephenson (93 ex 100), P Chapman (92 ex 100). Essex – L Greenleaf (93 ex 100), R Baker (88 ex 100), A Cocker (85 ex 100), C Rose (85 ex 100), K Norfolk (83 ex 100). All of Suffolk's scores were in the 90s with the total 469 ex 500. Essex only posted one 90-plus score and finished on 434 ex 500. As the winners, we look forward to hosting next year's Challenge at one of our County shoots. Sorry if there are any incorrect facts. Well done to the tractor boys and girls – roll on next year. Our thanks to our Essex hosts and all at Clacton Gun Club.

Aug 31-Sep 4: British English Open and British Sportrap – High Lodge

Congratulations to John Bidwell and his staff for a good round of targets on the Sporting course and a well-run competition. Having refereed stand 15 for two days, I think it was the hardest stand on the round. All in all there was something for all classes of shooter and you should not have finished feeling demoralised. The Sportrap had a sting in its tail – layout four called for some tighter choking than the rest – but everything was killable, it was about judging the right lead.

There are some Suffolk names worth mentioning. Paul Simpson made it through to the six-man super-final and finished third AAA Class. Peter Jarvis won AA Class and a Hatson shotgun.

Pauline Chapman was third in A Class, Shaun Crutchfield third in C Class, Aaron Harvey was the Junior winner, Disabled Standing runner-up was Sam Nunn and Disabled Sitting was Adrian Last. Sportrap A Class second was Andy Jude, third and Ladies High Gun was Pauline Chapman and Disabled Sitting first was Adrian Last.

Very well done to Pauline on her success in both disciplines, especially the Ladies High Gun in the Sportrap. Long may it continue.

South West

Ian Stones

ian@irstones.fsnet.co.uk

sites.cpsa.co.uk/south-west

This is being written at the end of September; by the time the magazine appears we will have completed all the outstanding Inter-county and South West Championships.

I intend to analyse the attendances of the various regional shoots during 2016 to see if my suspicions are confirmed that fewer people shot this year than last. As there appears to have been a resurgence in clay shooting over the past two or three years, the reason for the lack of interest in County and Regional shoots needs to be explored. Perhaps the format needs to be changed? Should we continue with the shoots or cancel the programme and leave the respective Counties to do their own thing? Is it just general apathy and lack of interest?

If you have read this far then you have some interest in the organisation of the Region's affairs. Go on to the next stage – contact your Regional Representative and let your opinions and views be known. If things need to change then it can be done very quickly.

Good luck with your shooting.

The Avon Double Rise Championship was held at Brook Bank SG on August 28. It was run as a joint championship with Somerset.

Three of the top Avon shooters could only be separated by one target, with Tony Ellis just managing to gain that edge on 75 ex 100. Tony Dore and J Ayshford both finished on 74 ex 100 in a battle for that top spot. Congratulations to Tony for another Avon Championship win and to Alison and Wesley Hann for hosting the event.

By the time this issue goes to press, our Championship shoots will be complete for this year. Results will be published in the next issue of *Pull!*

The Avon AGM will again be held in January for 2017. Date, time and venue will be published soon when arranged.

Farehams DTL Grand Prix 2017

When you start planning a large competition, it has to be done early. Fareham CTC management team do not hang about: they offer ideas on how to improve both the club and our great sport. Recently, team member Perry Leaman suggested the club should hold a 200-target DTL Grand Prix early next year on April 1-2. The club has the ability to run such a competition with four DTL layouts.

The club is no newcomer to holding competitions; Ian Peel won a car and set a world record at this club. The club is also home to several Team GB members and world champions in Sporting, Skeet and Trap. Perry is well under way to securing sponsors to support this event and hopefully a car by Subaru will be one of the main attractions to enter.

Hampshire's Supreme Champion

With the final scores from the qualifying shoots added up (198 entries over 15 disciplines), the 2016 Hampshire Supreme Champion title went

to Ben Gordge. Runner-up was Phil Marks and third was Andy Gordge.

The Clubman Classic

The CPSA Clubman Classic, driven by Richard Worthington, held its presentation shoot at Fareham CTC. The final was made up of an All-Round, a 50 Sporting, a 25 Skeet and a 25 Single-barrel. The Clubman Classic top team, representing Pete Corney's Wallers Ash gun club, picked up the best club cup. Overall High Gun went to Jamie Dunn, Ethan Dunweedon picked up the Colts High Gun title and Joe Rixon won the Junior High Gun title. There were many cups, medals and prizes given at the presentation. Fareham CTC were the runners-up this year.

Sep 22: 100 Reg Sporting - Owls Lodge

It was a fair turnout for this weekday fixture with 92 entries. Dorset's P Thomas took the High Gun title with 95 ex 100. Hampshire's Phil Marks was right behind him with a 94 ex 100.

Fareham CTC Skeet Champion

There was a good turnout for the club's Skeet Championship - the sunny day did it proud. All of the familiar faces entered but no one could catch club member Tony Cole - his 24, 25, 24, 24 nailed this title for 2016. Tony will now go alongside the likes of Doug Summerbee and Richard Prince, to name a few of the past legends whose names appear on this shield.

Closing club

There is some sad news for those who do not already know: Tadley Gun Club has closed after 35-plus years. The Sporting shoot run by Geoff Wiltshire at Somerley Park Ringwood was given only a two-shoot warning before closing. Apparently the clay shoot had to make way for a soft ball park. Let's hope both these grounds can find a new home.

Brook Bank held the South West and Inter-county DTL Competition on September 4 and there was a very good turn-out! The Somerset Veterans - consisting of Gerald Sweet, Brian Prettejohn and Phil Lamb - shot well and came out victorious at the end of the day. Devon won the Seniors and Ladies team titles with Somerset coming third in each of those categories.

The following week, the South West and Inter-county ABT Competition was held at Brook Bank with the Somerset Seniors narrowly taking second place. The Senior team shot well but missed forcing Devon into a title shoot-off by just a single target!

Sunday September 18 was a very notable date for Somerset English Sporting. Some of you will recognise this as the date of the South West Inter-counties Sporting at Podimore Shooting School. Some of you will also know that, for the first time in many years - in fact probably ever - Somerset had a clean sweep in all the categories: Seniors, Juniors, Veterans and Ladies! The Seniors winning margin was only three clays but it meant they triumphed over Wiltshire, Cornwall and Devon, who all had the same score. With the scores in all the categories being so incredibly close, it was a nail-biting final hour of the day while all the scores were added and checked by the ground. A jubilant Ian Stones presented the trophies and tried his best not to be too smug. A wonderful day!

The Olympic Trap British Grand Prix was held at Beverley CTC on September 24-25 and the Lings were in attendance at the event. Abbey Ling won the Ladies title and finished the competition in fifth place. Ed finished in second after a three-way shoot-off for the top spot. Theo shot well and took the bronze in Juniors. With this great performance, it's no wonder that the trio won the team event as well!

Now for some other news on the Sporting side of the disciplines. Shaun Stacey shot the FITASC Home International at St Dials Shooting Ground (Monmouth) to finish third overall and help steer

The season seems to have flown by this year. It's almost November and nearly all of the county's competitions are over.

County Championships

On Sunday August 14, Urchfont held the Wiltshire Single-Barrel County Championship. Twenty-three shooters from Wiltshire took part. Paul Atkinson won the County title with 43 ex 50 after a shoot-off with Jason Holloway and G N Morgan. John Fry won the Veterans Class with 42 ex 50. Mickie Bluett won the Ladies Class with 23 ex 50 and Dan Carpenter won Juniors with 27 ex 50.

Below: Steve Bosson and Paul Atkinson

Wiltshire Sporting Challenge

The second of the Sporting Challenge competitions was held at Urchfont on September 25 and 105 competitors took part on what was a fairly blustery day. Chas Davis and his team again laid on an excellent competition.

By the time you read this, we will have completed the challenge with the final event and prize-giving at Gunsit on October 9. I will update you in the next issue of *Pull!*.

Other competitions

At Gunsit on September 11, Josh Brown won High Gun with an excellent 99 ex 100 and Ed Sealy won C Class with 84 ex 100.

Team events

Now that we seem to have the County Championships under control and the Sporting Challenge looks as if it's worth running next year, we need to turn our attention to the Inter-county events. Josh Brown has accepted the role of team manager for Wiltshire so if you're interested in shooting for the County, please contact Josh or myself and we'll see what we can arrange.

Sep 18: Helice – Invicta Gun Club

It was another jolly fine day at Invicta Gun Club for the South East Region's Inter-counties Helice Championship. There was an entry of 44 competitors and a great atmosphere as usual.

Targets were not easy but the cream came to the top and the Champion, with a great score of 23 ex 24, was Andrew Vine from Sussex.

Below: Inter-counties Skeet, winning team Kent

The Ladies Champion with a score of 18/24 was Dionne Rogers from Kent. The Junior Champion, after a shoot-off with Charles Pomfret, was Nathan Hales from Kent with 19/24. The Colt Champion was Mason Rickard from Kent with 19/24. The Veteran Champion, with 21/24, was Bob Arnold from Kent. The Super Veteran Champion was Brian Metson from Kent with 20/24.

In the team event, the Sussex team of Ivor Dadswell, Cliff Goodwin, Alasdair Williams, Andrew Vine and John Foy were the Champions with a score of 99/120. Kent was second with 96/120, third was Greater London on 86/120 and in fourth place was Surrey with 85/120.

Last year's Champion Alasdair Williams forgot the trophy, so he was the victim of my displeasure all day. However, from zero to hero, he organised his father to bring it to the event. Thank you Alasdair.

The event ran faultlessly and my thanks go to the team at Invicta Gun Club for holding it on behalf of the South East Region.

**Sep 25: English Skeet - NCSC**

It was a nice, sunny day with a good entry of 67 competitors. Johnny Johnson and Sandie Buckler were in attendance on behalf of the South East Region.

As always, there was a shoot-off for the Champion with Henry Mitchell, Dave Billington and Johnny Walker each shooting 98 ex 100. The Champion emerged as Henry Mitchell from Oxfordshire. The Lady Champion was Diane Boutcher from Essex with 96 ex 100. The Junior Champion was Nathan Skinner from Kent with 93 ex 100. The Colt Champion was Josh Ollerenshaw from Kent with 95 ex 100. The Veteran Champion was Johnny Walker from Kent with 98 ex 100.

In the team event, the Kent team – Mark Chesson, Tom Field, Daren Wood, Russell Swain and Johnny Walker – were Champions with 481 ex 500. Oxfordshire came second with 466 and Essex third on 461 ex 500. It was a nice day and my thanks go to David Dale and Jasmine for organising the event on behalf of the South East Region in Barry Desborough's absence. I would also like to thank the excellent referees who had to work extra hard being a bit thin on the ground.

A lot has happened in Buckinghamshire over the last few months – read on for an update!

Caroline Stanbrook has been shooting at the top of her game recently – here are a few reports:

Caroline followed up her recent European gold win with a visit to Beverley GC for the English and British Single-Barrel Championships.

Caroline won the English Open Ladies Class and, in the British Open, was runner-up in testing conditions. She would like to thank Hull Cartridges and Ed Lyons for their continued support. Congratulations Caroline on yet more silverware.

Caroline is the Ladies 2016 European DTL Champion, having shot a brilliant 100/295 and 100/298 at Esker Shooting Ground in Ireland. This followed Caroline's captaincy of the England Ladies team the weekend before, where the ladies won the Home International and the British Open events. What a fantastic achievement, congratulations Caroline.

We were well-represented at the British Open in early September and came away with some titles! Congratulations to Jamie Gutteridge on winning the Disabled Standing in Sporting and coming second in the Sporttrap. Well done to Amy Easeman winning the Ladies Colts and coming second in the Overall Colts.

Ricky Draper won the joint High Gun at the Welsh FITASC Championship – great shooting Ricky!

Phil Easeman, Amy Easeman and Billy Baughan all shot for England during September! Congratulations to all of you for making the England team and your superb shooting. Phil and Amy are the first father and daughter to shoot in the same team for England.

At the Buckinghamshire FITASC, Ricky Draper was High Gun and also the winner of B Class. Mick Stone won A Class, Gary Moore and Gavin Brown tied for C Class and Buckinghamshire Chairman Jon Carter won D Class. Amy Easeman won the Ladies and the Colts.

Finally we had a great team entered into the National Inter-counties Sporting at Highwaymans Shooting Ground. Congratulations to the team – Ricky Draper, Wayne Gibbard, Ben Mcilwaine, Jamie Gutteridge, Steve Scott-Smith and new cap Stuart Clarke. Helena Cox represented Buckinghamshire in the Ladies. We came away with an excellent second place in the competition with some great shooting all-round!

An upcoming date for your diary ladies – 20:00 on November 3 at Villiers Hotel Buckingham, there will be glasses of bubbles, nibbles and shopping.

There will be a display of seasonal clothing along with accessories and footwear – perfect to kick-start your Christmas shopping! Contact Katherine Gibbard at R&K for more information or keep an eye on their Facebook page for info.

What a busy few months! Please keep the information coming in so that we can promote Buckinghamshire's shooting!

Essex Lady wins South East Inter-counties Skeet Championship

Fine weather greeted the competitors at the NCSC (Bisley) on Sunday September 25 for the South East Regional Inter-counties Skeet Championship. However, a blustery wind led to some tricky targets, which showed in the lack of straights during the day.

The Essex Senior team of Shaun Pipe, Glen Defreitas, Dave Billington, Keith Williamson and Paul Burrows shot in one of the last squads of the day. Dave Billington was the team's High Gun on 98 ex 100, helping the team to a good third place behind Kent (first) and Oxfordshire (second). Dave was joint High Gun in the competition but unfortunately he lost out in the resultant shoot-off to a 25-straight, leaving him in joint second place. Earlier in the day, the Essex Veteran and Junior competitors – Richard Boutcher and Olly Pipe – watched Diane Boutcher shoot very well, including a 50-straight on the middle two layouts, to win the Ladies title on 96 ex 100.

Thanks to the whole team for making the effort to turn out and represent the county. A special mention goes to Paul Burrows who shot not only this tournament but the National Inter-counties Sporting Competition at Highwaymans in Suffolk the same morning!

Chris Rose is Skeet Doubles Champion 2016

Clacton Gun Club was the venue for the 2016 Essex Skeet Doubles Championship held on Saturday September 17. It was the day after the late summer heatwave, leading to overcast skies and strong winds, which made somewhat tricky conditions for some of the competitors.

Peter Stanton-Hope was the lead shooter on the first squad out, setting the pace with a 95 ex 100. This led the field until Chris Rose came in with a score of 96 ex 100 from the last position of the final squad of the day. He snatched the title, leaving Peter as the Veterans Champion. Diane Boutcher just pipped Judy Lock to the Ladies title. Sadly there were no Junior or Colt entries. Oliver Wilde won the Tim Convoy trophy for the highest B Class or C Class shooter on countback from Lee Thompson.

Oliver Wilde wins the Essex Open Sporting Championship 2016

The Essex and Hertfordshire County Sporting Championships were held at Hepworth Hall over the weekend of September 10-11. The late summer weather provided glorious sunshine with a fresh but warm southerly breeze on both days. John Dyson set a challenging but fair course, running over 12 stands and comprising of tricky angles and deceptive speeds. Ninety-six of the 190 entries were shooters from Essex. Shooting in the late morning on Sunday, Oliver Wilde's 93 ex 100 took the Essex Sporting Championship title; two targets better than Chris Orrin. Oliver dedicated his victory to the late Paul Buckley.

Essex County Sporting Champion: Oliver Wilde (93 ex 100). Runner-up: Chris Orrin (91 ex 100). Ladies Champion: June Speakman (79 ex 100). Juniors Champion: Daniel Fenner (71 ex 100). Veterans Champion: Frank Haigh (86 ex 100).

Clarification on levies

The committee has been advised that issues have been raised regarding the charging of County levies at certain events. We would like to clarify that allegations of non-payment of levies by Barrow Heath in 2015 were incorrect and no levy charge was ever requested by the Essex committee due

to an oversight by the committee at that time. The Essex CPSA committee apologises to Phil Moss and all at Barrow Heath for any distress that may have been caused.

Aug 29: English Sporting – Southdown Gun Club

A change in date for our important English Sporting Championship; the original Easter Monday fixture had to be cancelled due to appalling weather. This time shooters had a nice day with plenty of sunshine.

Out of a total entry of 159 shooters, 17 were from Greater London. Michael Hibbert continued his good form to win as County Champion for the second time. Tony Hoskins was runner-up. The top Veteran was Kevin Douglas and the top Lady was Alexandra Skeggs. Thanks to Southdown for the hospitality and rescheduling of this event.

Sep 18: FITASC Championship – Southdown Gun Club

A very small turn-out from Greater London – maybe word got out that the caterers would not turn up! No food was available for the day. The weather was cloudy with sunny spells.

There were some challenging targets and they reflected in the scores. The large amount of single targets meant that a lot of concentration was required.

Congratulations to Neville Jay scoring 83 ex 100 – both Champion and top Veteran. Joint runners-up were R Butler and D Gregory, both on 76 ex 100. Ladies Champion was

Sian Hoskins 69 ex 100 also beating hubby Tony.

There are no photos as there were no Greater London winners left at the end.

Greater London AGM 2017

The committee are exploring a different possible venue for February 2017; ideally somewhere within the South or South West sector of the Greater London boundary. We are potentially seeking a midweek venue without any catering. A room/hall with capacity of around 40 would be ideal and even better if it was a pub with a suitable room/hall.

If you have any ideas or know of a suitable venue, please email Peter Carsons and we will follow it up. We need to decide reasonably shortly so that we are able to announce the venue in time for Pull!

Thanks to everyone who attended our fixtures in 2016 and to all the hard-working staff at the grounds who made it possible. We hope to see you again in 2017.

Summer's warmth has disappeared and with it we see 2016's final trap competitions complete – DTL at Bisley Gun Club and Double Trap at Nuthampstead. A D Bennett was Hertfordshire Champion in the DTL with a score of 278 but he managed to escape before the presentation and photos! Dom Cherry took the honours in the Double Trap. As always, our thanks to both grounds for hosting these events.

The Hertfordshire County Skeet was held at Nuthampstead on September 25 and, despite the cooler weather, we had a turnout of 11 shooters. Although blustery on the day, Stephen Randle managed a 96 ex 100 making him the Hertfordshire County Champion. Thanks again to Nuthampstead and Ed for refereeing for us.

There are a couple of Colts in Hertfordshire who have stood out over the last year: Charlie Monahan and Alfie Tibbles. We will try to get more information on Alfie for next month. Charlie, aged 15, started shooting when he was 13 at Lea Valley. Last season he unfortunately missed four months due to an accident which left him with a broken arm and a couple of titanium plates! With his parents Derek and Susan encouraging him and driving him to various shoots, Charlie has quickly become a name to watch out for at competitions. Ken Rist of Lea Valley has been coaching Charlie during this time and has been singing his praises! With his Beretta 682 and choice of Fiocchi F3 cartridges, Charlie won B Class at the Laporte Royal Berkshire Challenge, first place B Class in the Premier League at Bisley and narrowly

missed out on a top three finish in his first British Open. September 10 saw the final fixture of the Premier League series and Charlie secured second place Colt and first in C Class. On September 11 Charlie won first place Colt with 75 ex 100 in the Hertfordshire County Sporting Championships at Hepworth Hall, which saw Jack Lovick take High Gun. With continuation of Ken's coaching, who knows how far this lad will go – sponsorship anyone?

We are aiming to hold the Hertfordshire AGM earlier next year, possibly in late March, to decide on dates for the year. Any (constructive) suggestions are most welcome.

Sep 11: Dave Record Memorial shoot

On a suitably sunny day at Kingsferry GC, it was easy to see the high regard in which Dave Record was held by many shooters in the south east. Such a well-respected, kind and encouraging gentleman was he that there was a turn out of 73 shooters from all over the South East – something not seen for some years at Kingsferry GC.

It was good of Shirley to help Margo with the entries and scores. A sum of £1,200.70 was raised for Shirley's chosen charity for prostate cancer. I am sure Shirley would have been pleased with the numbers who came to remember her husband Dave.

The shooting started in quite calm conditions but, as the day wore on, the breeze came up to make the targets more difficult. This produced some flat targets from the high house and some higher than usual low targets. Despite this, for most of the day the top score remained 98 ex 100 until Henry Arnold posted a 99 ex 100 mid-afternoon.

Excitement mounted after that as Micky Dore in the penultimate squad came in at last with a perfect score. In the final squad, Mark Chesson was working hard and kept hitting his targets. Mark was straight going into his final round and the pressure was on. He held his nerve and produced the second and last perfect score of the day.

Micky and Mark went into the shoot-off matching target for target until Mark missed the second target of the pair on four. Micky came unstuck on station five and both men finished on 24. Pairs in the middle was a quick affair with Mark Chesson winning the Dave Record Memorial shoot.

There was also the small matter of the Kent Non-Toxic Championship. Mark Chesson took the title with a fine 100-straight (obviously). Michelle Chesson took the Ladies title with 90 ex 100. Colt winner was Joshua Ollerenshaw on 87 ex 100, and Johnny Walker was Veteran Champion with 98 ex 100.

Sep 17-18: Kent FITASC Championship – Southdown GC

H Arnold took the Seniors title with an excellent 92 ex 100. G Evans and P Kemsley tied the Veterans Class with 79 ex 100 (shoot-off to be arranged) and Ronnie Green took the Juniors trophy with 81 ex 100. Congratulations to them.

Sep 25: Kent Sporttrap – Southdown GC

Senior Champion was Henry Arnold and Ladies Champion was Tanya Kemsley-Attwell. Geof Evans was Veteran Champion, Bradley Ballantyne Junior Champion and Ronnie Green Colt Champion. Thank you to Helen and the team at Southdown GC for hosting the two events.

Sep 18: South East Inter-counties Helice – Invicta Gun Club

Although Kent did not win the team title, they took five of the individual categories as follows:

Lady Champion: Dionne Rogers (Kent, 18 ex 24), Junior Champion: Nathan Hales (Kent, 19 ex 24, S/O), Colt Champion: Mason Rickard (Kent, 19 ex 24), Veteran Champion: Bob Arnold (Kent, 21 ex 24), Super Veteran Champion: Brian Metson (Kent, 20 ex 24). Well done to our winners.

Since my last report, we have had a number of County and Inter-county Championships, which have brought in some brilliant results.

Sep 17-18: County FITASC – Valley View

This attracted many of our county's shooters. The shoot finished in a draw between Chris Broomfield and Roy Cherry, both shooting a tremendous 91 ex 100. They will share both the title and the trophy. Congratulations. Chris also shot a straight 25 ex 25 on layout one which also won him the Fred Simmons Memorial Trophy. Well done Chris.

Julian Freeman won A Class (88 ex 100), Malcolm O'Brian won B Class (90 ex 100), L Hayter won C Class (88 ex 100), Fred Townsend won Veterans (84 ex 100), Pet Easton won Ladies (84 ex 100) and Harry Young won Juniors with a fantastic 88 ex 100. Great shooting by all. Thank you to Kevin Gray and his team for putting on a great shoot.

Staying with FITASC, Hornet held a 100-bird FITASC early in September. It was a tough shoot but it still saw some good results from our county's shooters. Well done to K Bridges who finished on 91 ex 100 to win AA Class. H McKenna shot 74 ex 100 in B Class and S Smith shot 62 ex 100 in C Class.

Skeet Doubles

Northampton Shooting ground hosted this year's County Championship Skeet Doubles and Henry Mitchell took the title, finishing on an amazing score of 95 ex 100. Mark Savins was second with a 93 ex 200 and T J Wright third with 90 ex 100. Thanks to you all for attending and thank you to Martine for running the shoot.

Inter-counties Sporting

Highwaymans Shooting Ground hosted this year's National Inter-counties Sporting – a new venue for this competition.

As I write this report, the scores are not yet posted. Congratulations go to Julian Freeman who shot his socks off and finished with an outstanding score of 95 ex 100; he is now the Inter-counties Sporting Champion! Chris Broomfield finished

second overall with 91 ex 100 – well done Chris. Our Senior and Junior teams both finished second but our Ladies team, which included Pet Easton, Jane Robbins and Helen McKenna, finished first. Well done ladies, great shooting. Thank you to all the county's shooters for making the journey and taking part.

South East Regional Skeet

Bisley hosted this year's South East Regional Skeet Championships on September 25. The weather wasn't great as it was a very windy day, making the targets somewhat challenging.

Congratulations go to Henry Mitchell who became this year's Champion. He finished on a great score of 98 ex 100. The rest of the Oxfordshire shooters all did very well too: Daryl Burton (95 ex 100), Steve Cox (93 ex 100), TJ Wright (90 ex 100) and Martin Green (90 ex 100). Rebecca Savins finished on a brilliant score of 90 ex 100 placing her second in Ladies.

This just leaves me to say Merry Christmas and Happy New Year to you all. Keep me posted with your achievements and safe shooting! Forthcoming events will be updated in the New Year.

There was a good turnout of 21 Surrey Shooters for the FITASC County Championship at

Southdown in September. Surrey Champion with a score of 87 ex 100 was Chip Smith, who also took the Veterans title. Runner-up in the Seniors was Alex Cobb with 85 ex 100.

There were three entries in the Ladies Class with Sarah White leading the scores on 79 ex 100. Amy Cribb won the Junior Class with a score of 41 ex 100. Thanks to all those who took part and to Southdown for hosting.

Supreme Championship

It is very close at the top of the Supreme leader board with the final event (Skeet Doubles) likely to be the decider in the Seniors and Veterans categories. Darren Cross is currently leading with 54 points to Alex Cobb's 48. In the Veterans, P Saich is leading P Rosic by just one point, 24 to 23. In the Ladies Class, Sarah White with 30 points cannot be beaten but Skeet shooters Katy Poulson and Maddy Boyd are both in with a chance of taking runner-up spot at the Skeet Doubles event.

An impressive 72 Surrey shooters have entered at least one Supreme Championship event so far this year. Thank you from me and the rest of the Surrey Committee for your support. By the time of publication, the final Supreme Championship positions will be known; please visit the Surrey website for the full points table.

Sep 18-19: Sussex FITASC competition – Southdown Gun Club

Twenty-five Sussex shooters competed this year and George Digweed took the High Gun with an excellent 96 ex 100. Saturday's weather was challenging, being the much windier of the two days, and the scores reflected this.

Liz Salmon won Sussex Lady title with 41 ex 100. Very good scores from Pete Goldsmith and Kenny Bennett of 82 ex 100 and 89 ex 100 gave them Junior and Veteran titles respectively. Will Fenner completed the winners, taking Colts with a 63 ex 100. Well done Southdown for hosting another good FITASC competition.

Sep 17: 'Have a go' day for Disabled Shooters – Dartford CSC

The 'Have a go' day for disabled shooters at Dartford CSC was a great success. Over a dozen from around the south attended to experience clay shooting for the first time. Unfortunately, despite being instrumental in organising the event, Sussex Disabled Shooting icon Mick Kirby could not attend as he was in hospital after breaking his arm on the Tuesday prior. The feedback received has been very positive from all involved.

Sussex Helice shooters make 2016 the best year ever

Sussex Helice shooters have had a magnificent season, taking every major title in the domestic calendar. Just check this lot out:

South East Region Inter-counties: First team Sussex (Ivor Dadswell, Cliff Goodwin, Alasdair Williams, Andrew Vine and John Foy).

Aug 17: Pat Lynch Memorial "Miss & Out" - Invicta Gun Club

The annual Pat Lynch Memorial Shoot was held in near-perfect conditions. Thirty competitors were present to compete for the magnificent trophies struck in honour of the man who introduced Helice to the UK.

The Champion, shooting the only straight of the day, was Eastbourne shooter Cliff Goodwin. In the Miss & Out competition that followed, Sussex shooters Cliff Goodwin, Al Williams, Ivor Dadswell, John Taylor and Colt Josh Taylor filled the final five places, with top honours eventually

going to Cliff Goodwin who hadn't missed a target all day. He must have been wearing his lucky pants because he couldn't shoot for toffee the week before at the British GP.

for the perfect 100/300

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

An award-winning year

MARK WINSER WON CLAY SHOOTER OF THE YEAR AT THE CPSA AWARDS THIS YEAR AND PULL! CAUGHT UP WITH HIM TO FIND OUT HOW HIS 2016 HAS BEEN

HOW HAS YOUR YEAR BEEN?

Great! It's been a really good year. I've done a lot of shooting and shot a good, consistent year, so hopefully I'll be in for another award next year!

HOW DID IT FEEL TO WIN THE AWARD?

I was nominated by members, so it's quite humbling and a lovely feeling knowing that people are rooting for me. It's nice to know they look at me as a figurehead in their sport. I received a lot of messages on social media congratulating me. I didn't know I was going to win until my name was read out and I was up against quite a few other people. I'm used to winning shooting competitions off my own merit, but I won that from a lot of other people's recommendations. Thankfully I wasn't asked to make a speech!

WHAT DID YOU THINK OF THE AWARDS EVENING?

I enjoyed it. We had a nice meal and it was fun to catch up with a lot of old faces – the people that you don't get to see on the shooting ground so much, but speak to over the phone. It was good to see a lot of disabled shooters and lady shooters there, as you might not catch up with them during a day's shooting. It also gives me an opportunity to speak to people who, from their perspective, don't see as much of me as they might like.

WHAT ARE YOUR AIMS FOR 2017?

My aims never change. I don't set goals, I just want to be as good as I can be and do the best I can at every competition I enter. I always find that the more I try to single out events, the worse I do at them. I try to go into every competition with the same relaxed mindset and hopefully the scores take care of themselves. I've always found that if I force things, the harder I try, the less I get out of it. ●
