WELCOME

As we approach the end of the year, I would like to reflect back on one that started with a lot of uncertainty but got going quickly once restrictions relaxed so we could hold a full calendar of championships and events. Thank you to our sponsors Musto, Eley, Swatcom, Gamebore, and Rizzini for all their support across the championships in 2021.

We were proud to be able to hold the World English Sporting and Sportrap Championships in July, and even without an American Team it was still a memorable event.

This year also saw new faces take major titles with Dan Hudson's English Open DTL victory, Kallum Burrell's World Sportrap, and Brody Woollard's British Open English Sporting win – not forgetting Matt Coward-Holley's Olympic Bronze medal in Olympic Trap at the Tokyo Olympics!

September and October have seen the final championships of the season with the remaining Home Internationals and the National Inter-Counties series.

We are now well into planning for next years events and all being well, we will attend The British Shooting Show, The Game Fair, and The Northern Shooting Show. We are also delighted to be bringing back the CPSA Awards on 12 March at the FA's St George's Park. In the meantime, and with Christmas just round the corner, why not check out our gift guide on pages 32-37 where we have a range of gifts, big and small, to suit all budgets.

Finally – happy Christmas from the Board of Directors, the staff, and myself. We look forward to seeing you in 2022.

WORLD SHOOTING PARA SPORT PARA TRAP

September 24-25 saw the third World Shooting Para Sport Para Trap World Championships at the glorious Trap Concaverte Shooting Ground near Lonato in Italy. The competition was postponed from 2020 to 2021 due to the pandemic and anyone who has been fortunate enough to compete abroad this year will know just how much added stress and pressure is involved meeting the various COVID procedures associated with it.

Up to a few weeks beforehand the UK was on a five-day quarantine rule on entering Italy, but thankfully it was lifted in time for us to at least enter a few representatives from the UK.

This year's event was especially important – not only for para trap but for shotgun shooting as a whole – because if successful we could possibly double the exposure for Para Trap in the Paralympics. The criteria for our application was to have at least 32 different countries taking part in events over the four year Paralympic cycle, which we achieved. The Paralympic committee is keen to get a good mix of male and female participants, so with that in mind we got to see the first mixed male female test finals. The two-part applications will be looked at around spring 2022 with, if

successful at that stage, a more specific final stage taking place later in 2022. This of course would be for inclusion in the 2028 Paralympics.

In PT1 GB had two shooters, with Trevor Green making his international debut. Paul Bailey by contrast has competed internationally for over 20 years and finished fifth at the last world championships he went to in 2018. His finals place was lost by one target and Paul finished seventh. In PT2 GB was represented by George Glover, who went into

the final in first place with an awesome 110x125. Unfortunately he had to settle for fourth place. In PT3, again GB had two athletes. Reuben Welch made his debut international appearance for GB and at 19 years of age – a great asset for the future of para trap!

Mike Drever, another more experienced athlete, came seventh and within one target of the champion Emilio Poli, who shot 39x50.

Given the difficulties faced with the pandemic and not having any team management in place – what everyone achieved in just getting to the event in Italy was outstanding. It was lovely to see everyone helping each other through the process and it reinforces the strength and resilience of our Para Trap athlete's – which is the essence of the Paralympic movement.

It was lovely to see everyone helping each other through the process

WEST LONDON SHOOTING SCHOOL WELCOME QUEENS PARK RANGERS

At the end of July West London Shooting School were excited to welcome players from Championship League football team Queens Park Rangers (QPR) for a group clay shooting lesson on the grounds. Head Shooting Instructor, Mark Heath, hosted the team that included midfielder Dominic Ball and forward Lyndon Dykes, amongst other key members of the club.

QPR Club Manager Mark Warburton said "The players and coaches thoroughly enjoyed their afternoon at West London Shooting School. The staff were fantastic to deal with and provided everything we needed and more. The session served as a great team-bonding exercise and we would thoroughly recommend it. I would like to say a huge thank you to all the staff there who looked after us so well."

BICTSF REFEREE SHOOT

BICTSF FITASC Referees swapped their clipboards and pens for guns and cartridges for a shoot at E.J. Churchill on Saturday 11 September, organised by Head Referee Josh Foot. The Federation holds eight selection shoots a year, four for FITASC Sporting and four for Compak, which decide the Great Britain teams to be sent to both the World and European Championships. In addition, the Referees also attend the FITASC team selection for the CPSA.

The day started with a round of what is the most anticipated for most Refs, bacon rolls! After splitting into groups, they headed out on the course of 75 Sporting over eight stands, plus a round of Sportrap.

Fun and enjoyment was the order of the day and there was certainly no enforcement of the no coaching rule, as help and guidance was offered by colleagues. Scores were secondary on the day and whilst George Digweed, Richard Faulks, and Mark Winser et al will not be troubled, Jes Simmons and Tim James top scored with a very creditable 84 each.

After lunch, BICTSF Chairman Nick Woodward thanked the Referees for

their ongoing support at the shoots. Former Head Referee Bill Tatnall was thanked by Josh Foot for his time at the helm. Bill was then due to fly out to the World Compak Championship in Cyprus, which because of COVID-19 would be the only major with a British Referee attending this year.

A raffle raised £750 for the Great Britain Wheelchair Rugby team. GBWR lost all its funding in 2016 and found some support from the shooting community amongst others and came back from this year's Tokyo Paralympics with the gold medal.

The Referees would like to thank Josh Foot for all his hard work in organising the day as well as the ongoing allocation of duties for the selection shoots, BICTSF FITASC Directors Nick Woodward and Jeremy Baker for their assistance, and all the event sponsors. The last time a Referees shoot was held was some 25 years ago organised by the late Dick Gayton at High Lodge, but all present agreed the next one would come along a lot sooner.

COACH AND INSTRUCTORS DEVELOPMENT WORKSHOP

On Monday 6 September Jason Rowntree and John Robinson facilitated the third Coaching Development Workshop at Kibworth Gun Club, Leicestershire.

Seven eager participants assembled for the day at this long-established shooting ground to work on developing and improving knowledge and skills and how they might improve as coaches. With a variety of shooting backgrounds and experiences as coaches, all were keen to share with each other and the facilitators the complexities of coaching shooting and how they might become better.

The participants assembled on the shooting range where John and Jason demonstrated the many issues that had been discussed in the classroom. Soon, participants were pairing up and taking turns to shoot and coach, overseen by John and Jason. As issues of coaching became apparent the group discussed the way a coach might tackle these issues and get a shooter to improve their performance. A quick session in the classroom was followed by more on range practice, pushing the participants to look more closely at the actions of shooters rather than the clay.

A final wash-up followed these sessions and at around 5:00pm participants left Kibworth after expressing how useful the day had been, ready to look more closely at their personal coaching and the relationship with the shooter.

One participant commented "Please pass on my thanks to John and Jason for an enjoyable and informative day at Kibworth. A brilliant learning experience which has given me a deeper insight and some new tools to fix my clients problems. Looking forward to another session next year to refresh and improve my skills."

The final Workshop for 2021 will be held at Oakedge Shooting Ground on Monday 22 November 2021. Places are limited to eight participants.

SHOTS IN THE MAIL

LETTER OF THE MONTH

I'm in my 40's and started clay shooting back in 2019, after my wife bought me a trial lesson at my local club. Suffice to say, from that point I was hooked. I do love shooting but I regret not starting out when I was much younger, because aside from the actual enjoyment of the sport, the benefits of being outside and away from life's toils is just good for our physical and mental wellbeing. My job is quite high pressure so shooting for me, is pure relaxation and escapism.

Early this year my eldest daughter, who's 14 years old, showed a keen interest so I bought her a trial lesson. Fast forward to now and she shoots a Beretta Silver Pigeon, has all the kit she could need, and trains with her coach at least twice a week. She'll be looking towards Registered shoots later this year and undoubtedly beating my scores!

Watching her shoot makes me proud. Not just that she can shoot so well and so gracefully at such a young age but also proud that she wants to get outside, wants to leave screens behind and really feel the benefit from being away from the grind of life for those hours. As a teenager, life nowadays can be tough and she says shooting for her is a great release.

Surely many of us know a young person who would reap the benefits of clay shooting? And of course, these young guns are the future of our sport, so for Christmas this year why not give the gift of a trial lesson at your local club.
– Gray Dudek

CPSA Replies:

Dear Gray, Thanks for the uplifting letter. That is one of the great things about our sport in that it is suitable for all ages and it's never too late to get started!

Your suggestion of giving a clay shooting gift voucher for Christmas is perfectly timed as we have our Christmas gift guide in this issue and have highlighted a gift voucher on pages 32-37. Many of our affiliated clubs and grounds offer gift vouchers so for readers of your letter, why not check out our Club Directory on pages 65-68 and

contact your local ground see if you can get a friend or family member a gift they are sure to enjoy!

In the meantime, we hope you and your daughter have many years

of happiness together enjoying our sport.

AN ACTION PACKED WEEKEND

The 2021 English Open and British Open Single Barrel and Double Rise Championships were hosted by East Yorkshire Clay Shooting Ground over two successful days in late August, writes CPSA North Region Director **John Leightley**.

With the English Championships being held on the Saturday and the

British Championships on the Sunday for both disciplines, the ground utilised eight layouts on each day to ensure the smooth running of both events. This year's championships attracted an impressive entry of 83 for the English Open Single Barrel, and 61 entrants for the English Open Double Rise, with those numbers increasing to 89 and 67 respectively for the British Open competitions.

The English competitions had the better day when it came to the weather with plenty of bright spells compared

to the Sunday which was a bit duller and some wind that was causing issues for some shooters. Regardless of the weather, there were some

I lost count of how many mentioned the quality of the Double Rise targets

fantastic scores over the two days for the English Open Single Barrel – an impressive 100 took the Overall High Gun from Chris Moule, with Runner-up going to Marty Smith, and third Overall to Dan Beedan after a perfect score in a shoot-off for third place. For the English Double Rise the High Gun went to Paul Turner with 96. Runner-up was Paul Chaplow, and Marty Smith

was third. For the British Single Barrel, the High Gun went to John Winn after a shoot-off with Junior shooter Cory Doble, who was Runner-up, with Chris

Moule third Overall after another shoot-off (there quite a few over the two days). The British Double Rise did not disappoint with Marty Smith taking the High Gun, Paul Chaplow taking the Runner-up, and Paul Turner taking third after their shoot-off, scoring 47 and 44 respectively. For the categories over the weekend Lucy Hall had a clean sweep of the Ladies titles, taking all four, as well as the English Open Double Rise Junior High Gun, with Cory Doble taking the other three Junior High Guns for the English and British Open Single Barrel and the British Double Rise. The Veterans English Single Barrel was won by Anthony Dore and English Double rise by Maurice Beedan. The British Open Single Barrel Veterans High Gun went to John Winn and the British Double Rise Veterans High Gun was Nick Harris. In the Colts Toby Hurstfield also had a clean sweep winning all four titles over the weekend.

Talking with a lot of shooters over the two days I lost count of how many mentioned the quality of the Double Rise targets, which ground owner Rob Hall puts down to the work that was put in with Promatic designing the new set-up, paired with the Corsiva Eco clays the ground uses. These were my first Championships on official regional director duties and I am looking forward to seeing and speaking with our members again very soon. 🍌

ENGLISH SKEET

HOME INTERNATIONAL

Held at Wales at Fauxdegla Shooting Ground on 27-28 August. Reported by **Julia Havill**.

The 40th English Skeet Home International took place in Wales at the beautiful ground of Fauxdegla. Upon arrival the ground was looking ready for the weekend of shooting ahead and the weather could not have been kinder – it was almost a shame to spoil the view with the targets.

Practice day was held on the Thursday, which saw all nations out on the ranges preparing for the task ahead.

There were only five nations in attendance this year as sadly there was no Ireland or Isle of Man teams, however there was an excellent turn out of shooters.

England had five new caps this year – Lady Natalie Jones, Junior Alex Banning, and Seniors Russ Dean, Barry Bell, and Stuart Smith. Returning to the England team after a 20 year absence was Peter Chester, who appeared last time as a Junior!

Shooting began and the scores steadily started to come in with two of the shooters looking to put in a 100-straight. The Juniors were also looking in a good position, as were Vets and Super Vets, Ladies were just behind Scotland. By the end of day one we did have two 100-straight in from Peter Chester and Stuart Smith, but could they put in a perfect 150? We would just have to wait to find out!

The Juniors were also leading – even with Scottish Junior Thomas McCarle putting in his very first 100-straight. At the close of shooting Thomas' hat was

ceremoniously shot by a superb group of shooters and it was great to see all of the nations come together to congratulate Thomas on 100.

Day two was looking very good for England and we did indeed end up with two perfect 150 scores from Peter and Stuart, which also ensured a shoot-off for Overall High Gun.

Everyone at the ground watched the shoot-off and it didn't disappoint, with both shooting another 25-straight, which then took them to pairs on peg 4. How long could this go on for? But end it did with Stuart dropping a target, leaving Peter taking the win

and Overall High Gun, it was excellent to watch.

There was another shoot-off to determine Runners-up of the Senior team between Scotland and Jersey, with

Scotland taking the honours, but this was a fantastic result for Jersey taking third.

It was a great weekend of shooting for England, taking Overall winning country, Seniors, Juniors, Veterans, and Super Veterans categories, as well as winning team, and ladies taking Runners-up to Scotland.

There was a different feel to the Home International this year, as there was no

banquet, so we hosted a hog roast at the ground instead. Team photographs were taken in our shooting kit rather than the formal uniforms and only the main trophies were handed out with nation trophies presented separately by each nation.

It was a great event – the atmosphere around the ground was one of the best I've known, I think all nations were just happy to be out doing the sport they love and are good at, catching up with old friends and making new ones.

I personally was extremely proud of receiving my winning manager's badge, the team excelled on and off the range and couldn't be more proud of them. Until the next time – I look forward to doing it all again next year in Scotland. 🍷

The atmosphere around the ground was one of the best I've known

AUTOMATIC BALL TRAP HOME INTERNATIONAL

Team Manager **Paul Chapman** reports back on the event on 10-11 September at Nuthampstead Shooting Ground.

After a COVID-related delay of two years, the 46th ABT Home International finally took place at Nuthampstead Shooting Ground on 10-11 September. Originally intended to be hosted by Dungannon Clay Target Club in Northern Ireland, COVID-19 related logistical reasons obliged the event to be switched to England and 'Nuttty', with its reputation for showing consistently good targets, proved to be an excellent venue as ever.

The first day began in slightly overcast, warm conditions, unfortunately the clear blue skies of the previous practice day were not able to be repeated – confidence was particularly high in the England team given their strength across all categories. As the event progressed, this proved to be well-founded. Shooting was solid, with scores of 24s and 25s being submitted in the Senior, Junior, Veteran, and Super-Veteran categories. The new caps David Hardy (a late replacement for Mark Delf who qualified but was unable to attend the event), Owen Clark, Leah Southall, Ted Philipson, Dick Fletton, and Ian Hull soon found their feet, and settled into a steady rhythm which moved the scores along well. There was some gentle humour and ribbing with respect to Dick's new cap status, given his tremendous shooting experience, which he took in his stride.

At the end of day one, English shooters occupied the top-ten positions in the individual

categories and were leading across the board, with the exception of the Team Captain High Gun, where Northern Ireland's Chris Taylor was one target ahead of England's Andy Greenwood. Adam Gutteridge, Dave Lloyd, and Matt Panter took top billing on 98, closely followed by the Ling brothers, Ed and Theo, who could not be separated on 97.

Day two dawned with more variable light conditions than the previous day, however this didn't appear to affect the front runners, with both Lloyd and Panter submitting 99's to finish on 197, some three targets clear of the inseparable Lings on 194. The resulting shoot-off ended in a

tie, leading to a nerve-jangling single barrel sudden death shoot-off. Whilst neither shooter looked like missing, it was Lloyd who cracked first, missing his third target out to hand Panter the Overall High Gun title.

This strong scoring contributed to England coming out top in the team category ahead of a very creditable performance from Wales ahead of Ireland, with English team wins in the Vets, Super Vets, Ladies, and Juniors categories, and individual New Cap High Gun wins for Dick Fletton, and Team Captain High Gun Andy Greenwood. The Juniors category was particularly hard-fought, with

England winning from Wales by six points out of 400, and four points covering all competitors – William Gilbert just pipped Cory Doble by a single point. Equally for the Ladies, the English team of Kath Bright, Mary Rowley, and new cap Leah Southall shot well, taking the top three spots. For Kath, on 185, it was a successful double-act event with brother Robbie, shooting as an England Senior, who finished on 189.

As ever, the event ran smoothly and with great camaraderie – thanks to Ed, Nikki, Karen, and the whole Nutty team for their hard work. 🍷

Confidence was particularly high in the England team

ENGLISH SPORTING HOME INTERNATIONAL

The 54th English Sporting Home International took place at Auchterhouse Country Sports on 11 September.

Because of COVID this year we have only had four Home Countries able to take part, let's all hope that 2022 will be better.

As always the competition is set over 100 targets, this year set by the Christie family, with Drew Christie being the main instigator of the course. The course was set into halves – Stands 1-6 and Stands 7-13, with a 30 minute break for a quick bite to eat inbetween. The shoot started at 9.30am sharp with a squad of six starting on Stand 1 and a squad of six starting on Stand 7, with squads following every 15 minutes. At 11am everybody stopped shooting for 15 minutes to remember and pay respect to all those who were affected by what happened in America 20 years ago, red smoke flares were released around the ground which left a poignant image, and at 11.15am shooting resumed.

Saturday morning – prior to starting there was a real buzz of excitement including some friendly banter with all

the competitors getting ready to do battle. At the halfway stage there was a bit of head scratching from some of the shooters, some were finding it quite hard and it was a tough shoot. Scott Barnett had started on stands 7-13 and was only two shots down from his first half 50ex52 which was quite

incredible, whereas England's Junior Fred Whitehurst was on 43ex52. I mention Fred because when you see the final scores you see how well he shot the second half, stands 1-6.

There was a shoot-off for Super Veteran High Gun between England's Robert Gray and Wales Mick Harding, which Mick went on to win so well done Mick. England's Georgia

Moule had a shoot-off against Scotland's Edith Barnes for Runner-up in Ladies with Edith coming out on top, good shooting Edith. Fred Whitehurst won the Junior High Gun for England finishing on 87ex100 (remember Fred dropped nine targets on his first half) so very well done. Tony Dean of England claimed the Veteran High Gun title

Josh did everything that a good captain does and much more

82ex100. The Ladies High Gun of the match went to England's new cap Sarah White on 70ex100, well done to Sarah too. England's new caps were Tim Simmons and Sarah White. The Overall High Gun of the match was England's Scott Barnett who finished on 90ex100 and in the process picked up a big haul of trophies and cups, well done Scott!

Some of the targets were on the technical side, but no target was an eyesight test out of range. The overall feeling by most of the shooters was yes, it was tough, but it was also fair to everyone.

The 2021 Home international concluded with a fantastic banquet at the Apex Spa Hotel, so after all the pressure of shooting for your country had finished we could all unwind and enjoy the moment.

Thanks must go to Tony Maher and all his team who worked so hard to make this a weekend to remember! Also thanks to all the staff at Auchterhouse, the referees, and the Christie family for all their hard work – everything ran to time with no hiccups or breakdowns so you have certainly raised the bar yet again. And thank you to the sponsored goodie bags! A really nice gesture.

My very special thanks must go to the Captain of team England, Josh Bridges, who was absolutely amazing. Josh did everything that a good captain does and much more. In his Captains speech Josh asked the banquet to observe a minutes silence for Tony Heeks who was a former England Team Manager for nearly two decades.

We are all looking forward to 2022 when it will Jerseys turn to hold this fantastic event. 🍷

DOWN THE LINE HOME INTERNATIONAL

Held at Fauxdela Shooting Ground on 18 September, reported by **David Amos**.

The 86th Down the Line Home International finally took place at Fauxdela Shooting Ground in Wales on 18 September. Originally intended to be hosted by Crossmore shooting Ground, Co Clare, Ireland, due to COVID-19 the event was switched to Wales and hosted by the Welsh governing body, the WCTSA.

Teams from England, Scotland, Northern Ireland, Ireland, and Wales attended, mostly with a full complement of categories. Confidence was particularly high in the England team although out of the 40 strong team we had 18 new caps, so the new caps in the Seniors section were mixed with the more experienced shooters, to help encourage them along, which paid off. The Junior team were all new caps to DTL. The Overall Captain Curtis Woolley, 11 times an England member, led by example to take the Winning Senior Team Cup, along with Winning Junior Team Captain

England were in with a good chance for a clean sweep of all the categories

Cory Doble, winning Veteran Team Captain Phil Frankland, and Winning Super-Veteran Team Captain Tony Dore. As the day progressed it was becoming clearer that England were in with a good chance for a clean sweep of all the categories. Early in the afternoon Chris Moule posted a 100/296 which turned out to be the Overall High Gun of the match, winning the Krieghoff Cup and silver medal. This also gave him the High Gun of England and Veterans High Gun of England. At the end of the day it was a complete clean sweep in all categories plus the Winning Country Bowl (top 30 scores from each country), and the prestigious and enormous Noble International Challenge Cup for the winning Senior team. So, you can imagine the buzz within the England camp – the question was could they do it again the next day at the British Open, held on 19 September? 🍀

FITASC HOME INTERNATIONAL

Richard Weller, Team Manager, reports on the 21st FITASC Home International Tournament.

It was a privilege to attend the Glamis Castle Estate in Scotland with the England Team.

The scenery was stunning, targets challenging, and great comradery amongst all the home nations. Thanks must go to Scotland for putting on an event that ran so smoothly.

All of the England team members gave 100% of

their effort to the event and Captain Roy Cherry led the way with one of England's best scores of 89 points.

Richard Hughes of Wales took the Overall High Gun with a score of 92, whilst Scotland took the Senior Team win with 524 points, beating England by just four clays. For the Ladies team, Megan Gamble shot 74 to beat Scotland by four clays, leaving England's

Lorraine Baker Runner-up with 72.

The Junior team, consisting of Josh Bennion and Will Page, shot 89 and 86 respectively to dominate the Class, taking home Junior High Gun and Runner-up respectively. Josh was also the new cap High Gun. Veterans team – Chris Baker shot 81 and Desmond

Sturgess 80 for Runners-up to Wales. Chris was also the Vets Runner-up and Super Veterans Jeff Dix and John Price shot 74 and 68 respectively to also finish Runners-up to Scotland.

RESULTS

England were the Overall Junior and Ladies team winners. The Seniors, Veterans, and Super-Vets teams were all Runners-up.

Josh Bennion won the Junior High Gun, new cap High Gun, and England Overall High Gun after a shoot-off with Captain Roy Cherry. Will Page was Junior Runner-up, Lorraine Baker Ladies Runner-up, Chris Baker Veterans Runner-up.

England High Gun went

to Josh Bennion, Seniors Roy Cherry, Vets Chris Baker, Super Vets Jeff Dix, Ladies Lorraine Baker, and finally Juniors Josh Bennion. Lawrence Barnes won the Pete Dennett trophy for

the highest score for an England team member on a chosen layout, this time being layout three, with a magnificent score of 24, only to be equalled by Josh Bennion.

Lawrence won on countback.

Overall this was a fantastic event and our thanks go to everyone who hosted, attended, and managed the event. A great day was had by all and we look forward to taking part in the event again next year. 🍀

The scenery was stunning, targets challenging, and great comradery amongst all the home nations.

NATIONAL INTER-COUNTIES

Reports back from the English Sporting, Down the Line, and All Round National Inter-Counties held in September and October 2021.

ENGLISH SPORTING

On 25-26 September, Highwaymans Shooting Ground hosted the National Inter-Counties Sporting over 14 stands and 100 targets. Nine counties in total sent teams to the event. Cornwall, in their distinctive Canary yellow, arrived on the Saturday and combined their Ladies and Senior teams, due to the fuel crisis preventing some of their members from travelling.

A total of 266 shooters competed over the two days – either as part of a county team or as individual competitors. The weather was exceptionally kind given the time of year, although conditions were a bit blustery on the Sunday. Still there was a fair bit of sunbathing going on amongst some of the shooters whilst they were waiting to take their

turn at various stands, and for some of the time it felt a little bit like spring. All shooters were squadded and the whole event benefited from this, with the results calculated and prize-giving completed by 5pm on Sunday.

Norfolk Senior team secured a convincing win over the other eight counties taking part finishing on 447, with Hertfordshire taking Runners-up title on 434.

Yorkshire took the Ladies title with a score of 152 and Hertfordshire completed the day to take the Runners-up place on 142. Suffolk Veterans held off Cambridge to take that title by 169 to 164, with Suffolk Juniors also taking the title on 162 to Hertfordshire’s 148.

Samuel Coe of Suffolk took the Colts High Gun title on a score of 68 while Robert Kingston, shooting as part of the winning

Suffolk Junior team, added to his medal total by gaining the Junior High Gun with a score of 84.

Adrian Balham returned to his county of Greater London, clutching the trophy for Veterans High Gun having shot 91, while Georgia Moule from Cambridgeshire took the Ladies High Gun on a score of 82.

It’s hard to deny that Mark Smith sets demanding but entertaining courses. This year’s National Inter-Counties Sporting certainly proved to be no exception. The whole event benefited from Mark’s skilfully placed targets which initially appeared inviting, but frequently proved misleading in their simplicity, making Jack Lovick’s score of 96 all the more impressive. Dropping only four targets out of the full 100, Jack finished four targets ahead of second place shooter Lee Jordan to take the Overall High Gun of the competition for 2021.

Special and justifiable congratulations and thanks must go to Mark, Simon, and Helle for organising and running a seamless and successful event on behalf of the CPSA.

ALL ROUND

Sunday 4 October saw the National Inter-Counties All Round Championships take place at Northampton Shooting Ground. Seven counties fielded teams and many individuals took part, with the overall number of competitors at 93.

The first shooters went out at approximately 9am and the competition was completed by just before 5pm, making it a full day's shooting with barely a moment when a layout was empty. The weather was fair though somewhat blustery, but it was evident that autumn was in the air and the temperatures were much less pleasing than they have been of late.

Although not destined to feature in the winners categories, the Canaries of Cornwall were in evidence, once again having travelled the distances to support the event. Rumour has it that they will also be attending the National Inter-Counties Skeet which will take place at NCSC at the end of October.

When the shooting had stopped and the scores were calculated, the home team of Northampton took the National Inter-Counties

Bedfordshire veterans gave Cambridgeshire's veterans a run for their money...

title for 2021 with Yorkshire coming a close second. Lincolnshire Ladies held off Nottinghamshire to win the Inter-Counties title by one point, with Lincolnshire shooting 151 to Nottingham's 150.

Sadly there were no Junior teams entered for the event, but Bedfordshire Veterans gave Cambridgeshire a run for their money, holding them off for a two-point lead and taking the team title on 169 to Cambridgeshire's 167.

As well as being part of the winning Ladies team, Rosie Parkinson of Lincolnshire took the Junior title on a well shot score of 74. Rob Tucker from Leicestershire held off Bedfordshire's Andrew Nixon to take the Veterans title by 89 to Andrew's 88.

Somerset did not field a team at Northampton, but Emma Stacey, who is probably better known for her GB and England Sporting successes, turned up to shoot as an individual and went home with the Ladies title, having shot a score of 84. Emma, who was Ladies High Gun at the British and English Open All Round last year, confessed afterwards to having thought that the season was over and she could take a bit of a rest, but noticed the all round was on and always likes to shoot a bit of all round.

Although Yorkshire's Seniors were held into second place by Northamptonshire, Jack Thompson of Yorkshire, managed to pip Northamptonshire's Dave Morgan by two points with a score of 94 to Dave's 92, gaining him the Overall High Gun of the match and National Inter-Counties High Gun for 2021.

As always, special thanks and gratitude must go to Roy, Pete, and Marty for organising and staging a seamless and hugely enjoyable National Inter-Counties All Round competition on behalf of the CPSA. ►

DOWN THE LINE

The National Inter-Counties DTL Championship also took place on 25-26 September at Nottingham and District Gun Club.

The first day was grey with a light breeze. By the time shooting had finished, the top scorers were Cheshire's Peter Relph and Lincolnshire's John Winn, each with 100/296. The next day saw the sun appear, but with the breeze stiffening. By midday, Yorkshire's Martin Jeminson had submitted the only perfect 100/300 of the event, securing the High Gun title.

In the team events, the Seniors teams consisted of six shooters (top five scores to count), whilst Ladies, Juniors, and Veterans teams consisted of three (top two scores to count). Martin's perfect 300 led the Yorkshire team to victory in the Seniors, aided by Paul Chaplow's 100/298, Stuart Kitchen's 99/294, Nigel Chapman's 97/289, Adrian Parish's 98/285, and Gary Sayles 96/281. The Veterans was won by Lancashire, with High Gun's John Titterington's 100/298

leading the pack, ably supported by Steve Fiddler (99/296) and Graham Taylor (100/292). Ladies was won by Yorkshire's Charlotte Kitchen (99/293), Leanne Powell (97/274) and Sarah Thorpe (92/296).

Other category winners include Emma Holden in Ladies, fresh off her British Open DTL Ladies title the weekend prior, and Junior High Gun Brent Singleton. Congratulations to them all!

BRITISH OPEN

DOWN THE LINE

Held at Fauxdela Shooting Ground on 18 September.

The day started a little bit colder and more overcast. The event

is run similar to the Home International as regards the team events and the Juniors team went streaming ahead with 290 plus from Mathew Paley, William Taylor, and Cory Doble. And that's how the day went from all the teams, with high scores in the Seniors from Dan Price,

Mark Shaw, Robert Dietz, and Peter Relph, Shaun Gardener and Bob Singleton sealed their team win.

The Veterans and Super Veterans posted high scores to win their team events, and the Ladies team not only won their event, but team member Emma Holden became

the Ladies British Open DTL Champion.

294 also gave him the Colts British Open DTL Champion title, and Chris Moule's score of 292 achieved the Veteran British Open DTL Champion title. Emma Holden also won the Ladies High Gun of the two days. Junior High Gun was Mathew Paley, Veteran High Gun was Chris Moule, and Super Veteran High Gun was Robert Haines so this was a clean sweep for England.

The British Open High Gun and Champion was won by an individual entry, Steve Janes, a English shooter based in Luton.

As like the first day, the shoot ran as well as ever and we would like to thank Debbie and Mike Faux for their hard work at the ground, congratulations to the England teams on the double clean sweep and individual achievements.

Sarah Daly reports on events around the world.

COMPAK WORLD CHAMPIONSHIPS – LARNAKA, CYPRUS 16-19 SEPTEMBER

The Compak World Championships were held in Larnaka, Cyprus, with 482 competitors in very hot weather.

James Attwood, sponsored by Gamebore and CENS Digital, shooting a Beretta 692 Sporter/Gamebore Dark Storm combination, shot a blinder to finish with a silver medal in the Open category and bronze in Mens team category.

But James worked hard for his silver medal – at the end of the first 200 targets, he was equal second on 196 with Charles Bardou (FRA), Christian Camporese (ITA), Juhani Moilanen (FIN), and Joaquim Luis (POR) and so the five-way shoot-off began. Four shot 24, including James, who finally beat Charles Bardou into bronze. A good days work!

James commented on his result, "It wasn't too bad, a nice way to round off the season."

"The course was probably one of the best major courses I have shot, and the competition organisation was fantastic, everything ran smoothly and if there were any problems they were sorted very quickly."

"And without Lauren, I don't think any of us would have made it out there. She is a massive bonus to have on the BICTSF Board – when she starts organising something, then it is

suddenly just done!"

In the Men's team James Attwood, Jake Moore, and James Bradley-Day went into the last day in fourth place, but managed to finish on 576 to win bronze, just one target behind Italy and three targets behind Spain.

The Senior team consisted of new cap Ian Schwier, Anthony Dean, and again new cap Simon Fenner.

Bronze was a great result for the team, shooting against strong competitors.

Will Fenner, new cap Jacob O'loughlin, and Charles Monahan just missed out

on a Junior team medal, finishing fourth.

Lauren Goodman is no stranger to international events, but this was her first time as a team manager. "I really enjoyed it, but I felt better when we had all arrived. Part of my role was ensuring government guidance had not changed and all the paperwork was correct."

"The event itself was fantastic, it was well-run and on time. Jamie Peckham set the targets and they went down well with the GB shooters, some thought they were some of the best they had seen on a major Compak competition."

"The heat was tough but they had some cover on every layout whilst the organisers offered PCR tests on the ground, which was very helpful. All the team members were brilliant to work with!"

NEW KIDS ON THE BLOCK

James Marchington talks to two relative newcomers to the competition circuit, who took surprise championship wins this season.

At most clay championships you could make a pretty good guess at who will make the podium. In each discipline there's a handful of names who finish at or near the top time after time – it's just a question of which one is best on the day, often with only a clay or two making all the difference.

Now and then however there's a surprise winner, the classic sports upset. An unknown shooter comes out of nowhere to snatch a prestigious trophy from under the noses of the big names.

That's happened not once, but twice this 2021 season. First, Dan Hudson scooped up the English Open DTL title at the big DTL Weekend at Bywell in June, shooting his first ever 100/300 just four months after taking up the sport. Then in July, 18-year-old Kallum Burrell smashed the World Sportrap

Championship with a phenomenal 98x100. Favourites such as former world champions George Digweed and Sam Green, tied on 97, were left to shoot-off for second place. So who were these two

unknowns? Where did they come from? Was it just a flash in the pan, or can we expect to see them winning more championships in the future?

DAN HUDSON

Dan Hudson, a 33-year-old plumbing and heating engineer from Devon, certainly has the pedigree for success. His great grandfather shot DTL for England, and his uncle Ian Moore recently achieved a place on the England DTL team for the 2021 Home International at Fauxdegla.

It was Ian who got Dan into shooting in the first place, and earlier this year persuaded him to take up DTL. "I've done a lot of field target shooting with air rifles," Dan explains. "It was looking like there wouldn't be any field target competitions this year so I thought I'd have a change."

He applied for a certificate, and in the meantime used a gun on his uncle's certificate, initially a Browning XT Trap. "We generally shoot 100 Registered DTL each weekend. There's a group of us travel round together, and there's always something local to me.

Bradford and Brook Bank are the two main ones, but we also go to North Cornwall who run a DTL shoot most months."

After taking up DTL in April, Dan was making good progress, regularly shooting scores in the 280s. "My uncle gives me a bit of coaching and we sometimes shoot a couple of practice rounds at the weekend, but that's all," he says. "I was struggling to get into the 290s, and I certainly

wasn't looking like shooting a 300 anytime soon."

But then at the English Open in June everything seemed to come right for Dan. "It definitely wasn't the conditions because it was quite blowy on the day," he says. "But the pressure of competition doesn't really seem to faze me. After the first couple of rounds without a miss I thought things were going well, then I managed to do it again on the third round."

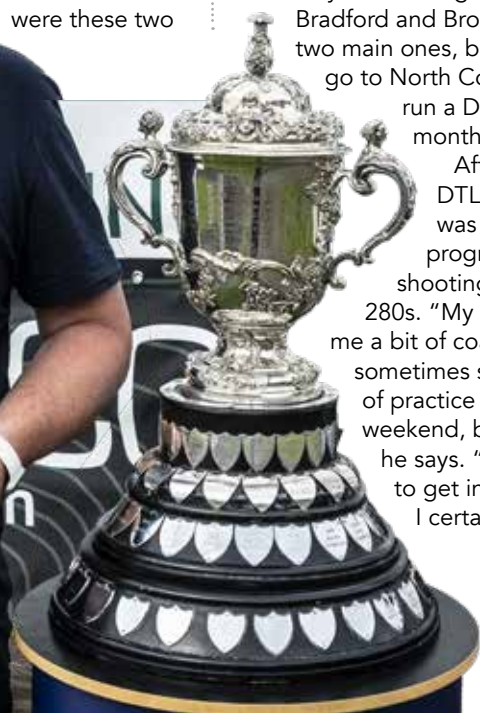

Waiting for the last round, it dawned on Dan that the magic 100/300 was within reach. "I just took it one shot at a time. I'd started on peg 2 so when I finished there were still three shooters to go, but at the end there was a big

cheer from another squad who had travelled up with us and were watching from behind."

Dan comments that he's had nothing but good wishes and congratulations from other shooters, and his wife Kate and two boys Harvey and Zac were over the moon. Now the challenge is to raise his game to the point where

I just took it one shot at a time.

Below: Dan Hudson's first 100/300 saw him top the podium at Bywell.

no lessons at that point, but friends commented I was doing pretty well considering I was shooting a 20-bore."

Before long, Kallum took advice to move up to a 12-bore, and starting taking lessons with Mark Russell at Grimsthorpe. Kallum continued to progress, until 18 months on Mark said it was time for Kallum to find a coach who could take him to the next level.

"I approached John Lee, who's a top shot and coaches at East of England just 45 minutes from where we live and so I'm now coached by him." The COVID pandemic interrupted Kallum's progress like anyone else, but thanks to an understanding boss at the farm he was able to continue to practise shooting despite the lockdowns.

Kallum, who is now shooting a Browning 725, says John has helped enormously with the specifics of competition shooting. "Where to look with my eyes, where to place my feet, that sort of thing," he says. "Plus the psychological side of keeping calm and realising if you miss one it's not the end of the world."

Keeping his nerve stood Kallum in good stead at the World Sportrap competition at E.J. Churchill in July. "Dropping two birds on that first layout, I was surprised when I managed to keep my nerve to the end. But when I got to my final pair I couldn't have been happier. It was a sim overhead and looper, both targets that I enjoy."

Like Dan,

Kallum was blown away by other shooters' reaction to his win. "Sam Green is someone I've looked up to, and he was the first person to come and shake my hand and congratulate me on the Friday night.

"It's mind blowing really. I'd see him at a shoot and think oh my gosh it's Sam Green – and now he's shaking my hand. Or standing on the podium next to George Digweed. You never think that's going to happen."

Having reached the dizzy height of World Champion so early in his shooting career, what are Kallum's plans now? "Well I've proved I can shoot at that level, and if you can do it once you can do it five, six, a hundred times more. Hopefully I can keep improving, get into the England team, maybe go to Texas next year.

"The big one people keep asking is whether I'd aim for the Olympics. I'd never say never. It would be a massive change of discipline but you can win all the world titles you want, there's nothing bigger than an Olympic gold medal. So maybe one day! 🍀

the 100/300s come more regularly. "It's coming," he says. "I'm trying to speed up a little and improve my second shot, so I'm doing a bit of Automatic Ball Trap and Olympic Trap to try and make me a bit more aggressive.

"I feel confident and if anything, having had that success has perhaps held me back a little. It's frustrating, but I'm definitely here to stay now."

KALLUM BURRELL

If you're looking for a magic formula for going from clay shooting zero to hero, there's few parallels between Dan and Kallum Burrell who won this year's World Sportrap title.

Kallum is 18 years old and in his A-level year at school. He works part time at a big vegetable farm, where his parents have both worked for many years. He had joined in with the family on game days near his Lincolnshire home, but didn't follow the traditional route of starting with an air rifle, and had no real shooting experience before being given a 20-bore when he was 13.

"I suppose I jumped in at the deep end. The 20-bore scared me with the recoil to be honest," he says. "I didn't really pick it up again for a year or so."

Then in early 2018 Kallum started going clay shooting at Grimsthorpe Estate Shooting Ground with his dad and some family friends and started to display a natural talent. "I'd had

NO TIME LIKE THE *PRESENT*

As more and more ladies are taking up clay shooting it's a natural progression to see more female instructors, as **Martin Puddifer** discovers.

"Do it! You can't fail at something you've never tried." That's the message that one female shooting coach has for any women out there thinking of becoming a CPSA coach or instructor.

There are numerous issues at play when considering why there aren't more female coaches, and it's more than just a case of "you can't be what you can't see." A single disapproving glance, off-the-cuff sexist remark, or a gender-based assumption is enough to damage the confidence of anyone – male or female – to the extent that they shelve their aspirations to pursue a career in any number of occupations – from hairdressing and construction to HGV driving and nursing. Clay shooting is no different, but it's up to the sport as a whole to do something about it.

Given its size, change will be noticed faster, too.

Sarah Daly, an ISSF

International Referee and the first British woman to referee an Olympic shotgun final, was once mistaken for a matron during the schools competition involving Bradfield College, for whom she is head coach. The assumption only fuelled Sarah's opinion that those who are interested in coaching shouldn't be scared of those who raise eyebrows at women in such positions, rather, they should get out there and prove themselves.

There are many motivations for wanting to get involved in coaching and instructing. CPSA Level 1 instructor Kate Bevan decided to get her qualifications after seeing the disjointed way that women were being introduced to shooting by their partners, be that using a gun they struggled to hold or heavy cartridge loads that weren't suited to their physique.

"Occasionally I couldn't help but interfere and suggest different things," says Kate, who was mentored by CPSA Level 3 Coach Tracy Ferguson and now teaches part-time at Ling Shooting in Somerset. "I really enjoy introducing women to the sport, giving them a soft introduction, sympathetic to their needs."

Occasionally I
couldn't help
but interfere
and suggest
different things

Kate Bevan

Like Sarah Daly, Kate Bevan believes that women interested in becoming coaches or instructors should not be afraid to put themselves forward. She cites Mike Williams, Paul Rendell, and Gerry Keegal as CPSA coaches who've had a lasting effect on her, illustrating the support that is out there for those wanting to take their passion further.

"Tracy Ferguson was one of the only other women around when I first started," she explains. "When I went into instructor training, I was terrified because I was the only other woman on the course. Women shouldn't be intimidated by the amount of men that are already involved in coaching, there are so many men who want to encourage women into the sport. You can break down barriers by just being nice to people."

ALL CLIENTS ARE DIFFERENT

Reassurance, patience, empathy. Those and other carefully-honed people skills are of course important for coaches in any sport and, as in any sport, in clay shooting you learn by doing and feeding off others.

"I approach all my lessons with new female clients by first explaining what they are definitely not going to experience, for example being blown off their feet or hurt in the shoulder," explains CPSA Level 2 Coach

Louise Jennings-Hoole. "I deal with their anxieties and safety first."

Becky McKenzie, who teaches Sporting, FITASC, and Skeet at a host of grounds across the Midlands, is a huge advocate of focusing on how coaches talk to their clients and understanding they are all different. Sarah Daly shares this view, and also believes that shadowing good coaches is a key for a fledgling coach's development. "I have lots of patience and spend time working out what makes my clients tick," she explains. "Fledgling coaches should listen to other coaches, particularly older ones. Talk

to them. You'll pick up ideas from them, even phrases to use when you're instructing and trying to convey information."

Louise Jennings-Hoole, who works out of Bisley Shooting Ground as a CPSA level 2 ESP coach agrees: "Everyone has something to give. You can always

learn more about shooting and teaching from your colleagues," she says, adding that women coaches and instructors do bring a balance to the sport and also highlights another

issue which might not be immediately obvious. ►

A SENSE OF RELIEF

"For safety reasons the closeness of the coach to the client in the first few lessons can be off-putting," explains Louise. "You have to step into their personal space and make physical contact, so I sometimes see a sense of relief when female clients realise that their instructor is female too. My male colleagues are very well aware of how worried female clients can be, and do everything to make them feel at ease, but the presence of another female is often welcome."

Abbey Ling points to the "comfortability" that could occur between two women during lessons. "Some female instructors can relate to the customer when there are more personal situations or questions to be asked when shooting and competing that they feel they couldn't ask a man," she says. "For example, conversations about PMT or a bra strap mark after shooting from normal bras or maternity bras. This extends to gun fit when looking at the toe of the stock, and motherhood and shooting combined questions that a man would definitely not have answers for from the female perspective."

A CHANGING PERCEPTION

In Louise's eyes, the perception of female coaches is changing, and while there are occasional challenges, the support of

her peers has helped her to overcome them.

"I think as coaches women are much more accepted than years ago and it's only sometimes that we have to work harder to prove our abilities. I'm always happy to take up that particular challenge. I'm very fortunate to work with an amazing group of coaches and instructors at Bisley Shooting Ground; we are a close team which respects each other and enjoys working together."

Annabelle Lane, a 22-year-old instructor, shot at Doveridge in her teens and decided to become an instructor to be able to teach those who are new to the sport. The fact she was the only woman on her CPSA instructors course did not phase her. She already knew she had a passion for the sport, one which could, amongst other things, help anyone who needed pointers or some guidance when it came to picking up the gun or taking the shot.

"I wouldn't say there were barriers for women

to become instructors. Yes, there are fewer of us teaching, but there is a huge volume of female shooters that have come into the sport in recent years," explains Annabelle. "We are built differently from men, but it's not a negative thing, it just means we have certain things to take into account when teaching other women. When I did my CPSA instructors courses, most, if not all, of the men that were on the courses with me were retired. I did the course when I was younger because I wanted to teach novices coming into the sport. I wanted to do the course to pass on what I have learnt and what is possible from a young age as a shooter that wants to do more in the sport."

All agree that coaching and/or instructing is the best job out there, not least because it is so rewarding to see how they have impacted the performance of their clients, male and female. 🍷

HOW TO

OLYMPIC
TRAP

CPSA Level 3 Senior Coach **Simon Arbuckle** talks shooting Olympic Trap with Olympic Bronze Medallist **Steve Scott**.

Welcome to the sixth and final article in the fifth CPSA How to Hit series, sponsored by Browning and with accompanying videos filmed at the National Clay Shooting Centre at Bisley. In this article we'll be covering the shooting of Olympic Trap (OT), having covered the rules, regulations, and layout setup in the last article. I'm joined again by Steve Scott, Olympic bronze medallist and Commonwealth Games gold medallist.

As we mentioned last time, each shooting position has three traps in front of it, and the gun-hold point is the yellow mark on the front lip of the trench. Each shooting station has a corresponding yellow mark. Unlike ABT, where there's one gun-hold point and five different foot positions, on each OT shooting station your foot position remains the same – in the centre of the shooting mat.

Having got my feet centred on the mat, I align my gun with the gun-hold point in front of me on the yellow line. My eyes will be just above the barrel,

looking out with a nice, soft focus. I call "pull!", my eyes go to the target, focus on it, and I move the gun to it and shoot.

As we've discussed, at each station you'll get two left, two right, and one going-away target. You shoot the going away target slightly differently than left or right targets. When the clay is visible, I focus on it, take my gun to it, and shoot directly at it. This is because shotguns (particularly trap guns) shoot high, so as the gun gets to the target both the target and the shot are rising, so there's no need to go above it. Absolutely no lead is needed on this shot.

With any target going left or right, especially at higher angles, I'm going to swing the gun to it, shoot, and keep the gun moving. Although it will look like I'm shooting at it, the acceleration of the gun to the target will take it out front and apply any lead necessary. As in any shooting, my focus remains on the target. I keep the gun moving in case I need to take a second shot.

WORDS OF WISDOM FROM STEVE

Now for some words of wisdom from Steve. Steve, I have two questions: **What piece of advice would you give to somebody who wants to start Trap shooting, and what piece of advice would you give to somebody who**

wants to try to shoot Olympic Trap at a high level?

Steve: So, if you are looking to get into Trap disciplines, whether it be DTL, ABT, or OT, I would suggest looking on the CPSA website to find a coach that's close to you that has good trap knowledge (go to cpsa.co.uk/professionals). They can teach you the fundamentals of trap shooting. You can progress from there, and once you find you are at a steady level, something like 80% averages and upwards and want to progress more, I recommend contacting British Shooting or someone like myself who is shooting at a high level that has a lot of knowledge and experience. Then you can work and progress with them from that 80%, hopefully until you are looking at Team GB and potentially Olympic level.

Simon: Excellent advice, thanks Steve. That concludes the fifth series of How to Hit. If you want to continue Trap shooting, like Steve said, contact the CPSA and find a ground nearby with a good coach who can get you started. We hope that you enjoyed this series, and that's how you shoot Trap! 🍀

THANK YOU

To the National Clay Shooting Centre at Bisley for their help with this series.

LUXURY IN LONDON

We spoke to **Nicolas Ollivier** about Holland & Holland Shooting Grounds' facilities and plans for the future.

QWhen did the grounds open and what makes it special?

A: The present-day Holland & Holland Shooting Grounds opened in Northwood, in 1932. Set in 60 acres of stunning, open countryside, we're a stone's throw from Central London, making them easily accessible. We pride ourselves on the quality of our tuition, all our

instructors are extremely experienced. We have plenty of space which allows us to introduce new shooters to the sport safely and in privacy at their own pace.

QWhat disciplines/facilities/events do you offer around the grounds?

A: The ground is predominantly English Sporting targets. We have a 100ft tower, which obviously simulates high, driven targets; a grouse butt and a platform positioned to enable you to shoot targets below your feet.

The shooting ground has both flat and sloping ground, allowing for variation in the stands we create, enabling us to cater for all ability levels.

A gun fitting room with an extensive collection of try-guns has recently opened

at the Shooting Grounds. Holland & Holland gun fitters are trained to the highest standards, benefiting from their own experience as well as wisdom handed down by past generations experts. We understand completely that a properly fitted gun will work with the shooter, maximising performance in the field.

The restaurant at the Shooting Grounds is run by head chef, Joshua Hunter, who has an eye for detail and a love of fresh, seasonal food. Josh and his team create menus which are quintessentially British, comforting and authentic. Joshua learnt his trade working in several Michelin starred restaurants in London.

The Grounds are the ideal location for country pursuits and team building activities that can be paired alongside a Holland &

its present site in Northwood in 1932, it continued shooting and testing Holland & Holland products and increased the traditional game shooting lesson business. These lessons were done with the use of clay pigeons which is the forerunner to our modern day Sporting clays.

We host over 300 corporate events annually and are proud to be many charities chosen venue. The complete rebuild of the clubhouse three years ago created an events room that

can sit over 100 people and a fine wine room which is very popular for board meetings.

In April of this year we created the Holland 100. This is a refereed 100 English Sporting shoot that is usually held on the first Tuesday of the month. There is no prize money but it is a great way to sample our outstanding facilities whilst challenging yourself over 100 targets. The event reaches capacity most months so we recommend booking early.

“ This is a refereed 100 English Sporting shoot that is usually held on the first Tuesday of the month ”

Q Are you planning any events for 2022?

A: We will be running the Holland 100 Challenge each month in 2022, set by our head instructors Chris and Nathan.

For more information and to book your place, you can visit hh1835.co.uk.

Forthcoming shoots will be on 9 November 2021, 7 December 2021, and 11 January 2022. We are not looking to become a large-scale shooting venue but focus on what we do best which is premium tuition for individual, small groups, and corporate customers. That said, plans are afoot to develop the facilities to offer more shooting opportunities, so watch this space.

We are currently installing a new shop in the clubhouse which will offer both the Holland & Holland firearms and all the premium brands that GMK import.

Q Is there anything else you'd like our readers to know about?

A: We are not a member's club, therefore we are open to everyone and our restaurant serves some of the best food in North London.

Perhaps the shooting grounds' most exciting attribute, however, is the indoor live-round facility, the only private, non-military one of its kind in the UK. Clients can receive rifle instruction using live ammunition at a cinematic screen displaying a moving target. We think that makes it pretty special. We hope to see you soon!

1 Arrive in good time to relax and settle into the comfortable surroundings.

2 Think hard about what aspect of your shooting we can help you with. Let us know what you want so we can match and even surpass these expectations. We can help with gun fitting, shooting lessons, both clay and game, and rifle.

3 Be receptive to shooting guidance, we can help you improve your shooting whilst having fun.

Q Have you won any awards and accreditations over the years?

A: The Grounds were delighted to be awarded the CPSA Premier Plus Status in 2016.

Q How has the ground developed over the years?

A: The Shooting Grounds would have originally been a testing centre for the Holland & Holland guns and rifles. The first paid shooting lessons and gun fittings were given in the 1880s. After the Shooting School moved to

The Yorkshire team make the long journey down to Highwaymans Shooting Ground for a tough course with several very rangy targets coupled with some tricky angles, making good use of all the backdrop that the ground has to offer. There was some excellent shooting from the Seniors team, with Scott Greenwood leading the way on 86, but unfortunately they fell short of any prizes and this time Norfolk won overall. After three years of coming in second, everything finally fell in to place and the Yorkshire Ladies put in a great set of scores, managing to win the Ladies team event. A massive well done and congratulations to Liz McLaughlin, Rebecca Brown, and Charlotte Copland for bringing the trophy home. Thanks to everyone for making the trip down and taking part, and to the ground for a well-run and challenging shoot.

1-5 Sep: British Open Championships

In the Sportrap David Woolley came third Overall, Mark Winsor was third in AAA Class and first in A Class went to Jake Bowling. Second in Lady Juniors was Stephanie Meachen, third in Veterans Alexander Gair, Colts High Gun Mathew Paley, third in Lady Colts Lily-May Horn, Disabled Standing Stuart Dawson, and Disabled Sitting John Harrison.

In the team events, Yorkshire Seniors Martin Jeminson, Paul Chaplow, Stuart Kitchen, Nigel Chapman, Adrian Parish, and Garry Sayles won the Open team. The Lancashire Vets team of John Titterington, Steve Fiddler, and Graham Taylor won the Veteran team event. Yorkshire Ladies Team Charlotte Kitchen, Leanne Powell, and Sarah Thorpe won the Ladies event. The Overall High Gun was Yorkshire's Martin Jeminson with 100/300. Lancashire took the rest of the individual titles, John Titterington took the Veteran High Gun with 100/298, Emma Holden the Ladies High Gun with 99/294, and Brent Singleton the Junior High Gun. This was his first ever 100-straight.

19 Sep: North Region 100 Target Sporting Champs

Park Lodge hosted the event with the course set by TD Shooting. Congratulations to Mark Winsor on being crowned North Region Champion on a very solid 92ex100. Veterans Champion was G Stirzaker on 88ex100, Ladies champion after countback was C Copland on 67, Juniors champion also after count back A Clark on 88, and Colts champion was B Taylor 57.

CPSA World's

Making the long trip down to E.J. Churchill for the World's was certainly well worth it for everyone that competed from the North. It was noticeable many of the overseas teams weren't able to compete and the event didn't have the same overall atmosphere as previously but this didn't take away from the effort that all the staff put into the event, as everything seemed to run like clockwork with all squads going out on time if not a little early.

Targets were there to be hit with a couple of stands you had to think about before you went on, particularly Stand 10 which was a sim pair of standards, leaving from the same place but one target going left to right the other right to left. It could be shot either way round, getting you thinking before you even got on the stand. Stand 12 was the final stand a left to right fast looper – a good distanced right to left crosser, both needing your full attention. Well done to Graham Stirzaker who shot 96ex100 to win the shoot-off for AAA Class and Veterans.

Onto the main event and both the blue and red courses both utilised the natural terrain of the Estate with targets for every ability and a few tasty ones thrown in to sort the top shots out.

The blue course was a fair old walk round, especially for the older generation and disabled, but transportation was on offer at any point to assist. Congratulations to Mark Winsor winning his first world title and becoming the 2021 World Champion, and also to Mark Webster finishing on the podium in second place. Well done to Phil Rowbottom for making the England team... there's life in the old dog yet hey Phil!

Overall, under the circumstances it was a great shoot for all abilities and we will look forward to the next one.

29 Aug: Yorkshire Sporting Championship, Jethall

Competitors battled it out for the Yorkshire titles which are always highly contested. For those that shot the event know that the layout was very reminiscent of days gone by with a great old style tough English sporting.

The new clubhouse and facilities on offer at the ground were looking great and were of a high standard. Yorkshire Sporting Champion was Ron Chipman on 86, who also won the Junior title, Veterans Champion was Dave Carrie on 79, the Ladies Champion was Linda Pearson on 74, and the Colts champion was Brae Taylor. Thank you to Tom and Dave and the rest of the team at Jethall for hosting, and to all the competitors who supported the event.

2 Oct: Merseyside County Sportrap, North Wales Shooting School

Yet again it was a pleasure to host this event at one of our local grounds. The weather that was predicted thankfully

wasn't as bad as expected and Brett Davies, with the help of Mark Wells from the Clay Pigeon Events, put on an excellent 75 target shoot.

I think it fair to say all the layouts were steady, there were a good combinations of sim pairs with just one or two more challenging birds to sort the champions out. Many thanks to all the staff at NWSS for a superb event and I can highly recommend Brett's Sportrap events. They also have a weekly Sportrap practice on a Saturday.

Dave Walker won the county championship with a very steady 68 just behind the High Gun on 70, followed by James Southwood winning Colts – yes Colts – all 6ft 5 of him!

Notes from the Chair

I would like to thank all the discipline reps for their hard work in organising the teams this year, Nick Portlock in FITASC, Matt Turk in ESP, Gareth Marfell and Matt Jones in Trap, and Paul Tudge in Skeet. I know it is not an easy task and your hard work is much appreciated. It was especially good this year to see teams at all the Trap events, so big thanks to Gareth as I know he worked hard to get everyone sorted.

We've had two occasions of father and son competing together on Seniors teams this year which was great to see – Mark and Brett Powell in ESK, and Shaun and Alex Porter in Olympic Trap.

Matt Panter won the Home International ABT, not only as part of the England Team, but also individually. Cliff Gardner was part of the England team for ESK and finished Veteran Runner-up of the match. Rob Wise was part of the gold medal winning ESP team.

Matt followed up his win at the Home Internationals with silver at the British Open ABT the following day, and on 19 September won High Gun in ABT at Park Farm, the very same day Chris Holmes travelled across the border to SW2000 to win High Gun in the Olympic Trap.

British Open ESP, E.J. Churchill at the Swinton Estate

Our high scores in AAA Class was Chris Biddlecombe 109, AA Sean Ponting 103, A Lee Newman – 103, B Class Tim Shayle 94, and C Class Joanne Knapman 65. Both Chris in AAA Class and Tim in B Class qualified for

the finals day and only just came short in their respective classes, well done both. Lady Junior Chloe Applin had quite a week winning her category in Sportrap and placing third in the Sporting.

Other Events

September was a unusually quiet month in the county, on 1 September at Ian Coleys, Nick Burns shot 87 to win B Class and out of county on 12 September at Gunsite, Troy Thornell came second in B Class with 85, and Harry Pitts third on 84. At Meadowcroft on 19 September, there was a B Class win for Zea Purnell on 79, and on 24 September at Somerset, Kevin Childs came second in A Class with 83. Finally, on 26 September at Honesberrie, winning A Class was Mark Thomas on 89, and at Hangmans Stone Troy Thornell's fine month continued with his score of 82 to win B Class.

30 Aug: ESP Promatic Challenge

This was a marathon competition of 200 targets at Kegworth SG. The High Gun was Nick Hendrick from Derby with 193/200. Top Cheshire shooter was Tony Dean with 184 for second in Veterans, and first in AA Class. Then came Miles Machin and Ian Cunliffe on 174, followed closely by Steve Randles and Guy Robinson on 173. Kerry Oakley was first in Ladies and Lucy Earl was third in Ladies.

5 Sep: West Midlands Inter-Counties ESK, Doveridge Clay Sports

The weather was glorious so there were no excuses for missing the target, however nobody managed the 100-straight. There was still close competition, requiring a three-way shoot-off for High Gun between Callum Jones and Matthew Morgan from Warwickshire, and Paul Tudge from Gloucestershire, all on 99. Matthew Morgan was victorious. Cheshire Seniors, Ladies, and Veterans were all in a podium position for most of the day. Until the scores from the last County to finish came in. This shook things up a bit with Seniors now in joint third for a bronze medal with Gloucester. Vets were now out of the running and our hopes of a gold medal rested with Cheshire Ladies, who were now joint first with Derbyshire. Isabel Cartlidge was nominated to represent Cheshire Ladies, and with a brilliant performance won the shoot-off and a gold medal for Cheshire Ladies. Our Seniors

He also placed Joint 12th and second in B Class.

12 Sep: ABT British Open Championship

Congratulations once again to William Gilbert who scored an excellent 95ex100, was Junior Runner-up, placed 11th Overall and second in B Class. Robert Flowers was also a last-minute entrant and shot an excellent 94ex100. After a shoot-off Robert placed third in Super Veterans.

12 Sep: ESP Home International

Congratulations to Veteran Ian Hallwood and Seniors Mark Goddard and Karl Hagan, who made the long trip to Scotland to compete for England. The England team were Runners-up in the Super Veterans, won all the other team categories, and were Overall Team winners.

12 Sep: Diss Area Sporting Clay Shooters Trophy Shoot, Highwaymans SG

Sam Green won Overall High Gun, scoring an excellent 96ex100. Runner-up was Dean Cann and Dave Gooding placed Joint third. Our congratulations to them and thank you to everyone who helped raise nearly £4,200 for St Nicholas Hospice Care in Bury St Edmunds.

25-26 Sep: National Inter-Counties ESP Championship, Highwaymans SG

team has a new member in Steve Lawrenson, Colin Babcock presented him with his County badge. We are now looking forward to the National Inter Counties at Bisley, and the County SKD Championship next month.

5 Sep: Single Barrel West Midlands Area Individual Championships, Fauxdegla

Cheshire shooters made up most of the field and did very well. High Gun and gold medal on the day was Chris Moule of H&W with 98. John Tennison scored 95 to win bronze Overall and gold in Veterans, and John Barnett won Silver in Veterans. Toby Hurstfield won Gold in Juniors, Diana Barnett won Gold in Ladies, and Jane Hitchmough won Silver in Ladies.

Not far behind was John Barnett with 97 for second in Veterans. Hot on his heels was Toby Hurstfield on 96 to win Colts High Gun.

11-12 Sep: Double Rise English Open and Double Rise British Open, East Yorkshire Clay Shooting Ground

The English Open was won by Paul Turner (Lanc) with 96. Cheshire shooters were David Hurstfield with 82, Peter Relph on 81, Toby Hurstfield with 80 winning Colts, Jane Hitchmough on 78 winning C Class and Ladies. The British Open was won by Marty Smith (Linc) on 97. Top scoring Cheshire shot was John Barnett with 90 winning Silver in Veterans, next came Toby Hurstfield on 88 winning Colts. Then Peter Relph with 84. Tom Roberts won Bronze in Juniors with 78.

11 Sep: Home Internationals ESP, Achterhouse Country Sports

Congratulations to Cheshire shooters Tony Dean, Scott Barnett, and Fred Whitehurst all put in a great performance. Scott was Overall High Gun, Tony was top Veteran, and Fred was top Junior. England Seniors team came first, England Veterans team came first, and England Juniors team came first. We think that this is the first time three Cheshire shooters have represented England at the English Sporting Home International.

EAST MIDLANDS

Congratulations to the Norfolk ESP Senior A Team who were crowned this years National Inter-Counties Champions, proving that we have some of the best Sporting shooters in the country. The team members were Richard Bunning, Sam Green, Dave Gooding, Mark Goddard, John Newman, and James Pile. Some tough but fair targets made for a very competitive event, attended by 266 competitors. With their team score of 447, made up of the best five scores, they beat nearest rivals Hertfordshire to win by 13 points. Thank you to new Sporting Team Manager Jonathan Balls and to all the team members who competed for Norfolk.

25-26 Sep: National Inter-Counties DTL Championship, Nottingham & DGC

Some of the Norfolk Trap shooters travelled to Nottingham & DGC to compete in this event. Whilst they don't claim to be dedicated DTL shooters, they were persuaded by Simon Owen to return to the ground after their

success at the Regional Inter-Counties Championship earlier this month. The sun shone, but the wind made some of the layouts quite challenging. The Open Team of Robert Flowers, Richard and William Gilbert, Jason Matthewson, Simon Owen, and Richard Sutterby finished a respectable fifth place, beating arch-rivals Cambridgeshire who finished in eighth place.

5 Sep: East Midlands Inter-Counties DTL

The Ladies and Junior teams were on fine form for this event. Saira Boardman, who put in a very respectable 98/287, was ably supported by newcomer Rosie Parkinson, drafted in at the last minute to make up a team. Rosie shot her first 100-target registered competition in this discipline and recorded a score of 93/273, giving the girls a very convincing win over their nearest rivals, Cambridgeshire. Shooting for the winning Junior team was Ollie Roberts on 94/275 and Megan Williams on 98/290, with Megan's score giving her the award for team Junior High Gun beating Notts' Ollie Sampson by just one point.

12 Sep: East Midlands Inter-Counties AR

This year the team scores were phenomenal. Pete Atkin, John Allenby, and Phil Porter from the Senior team all scored in the 90's but just as – if not more importantly – the backup scoring from Phil Thomas, Donovan Jenkin, David Dale, Chris Bone, and Scott Lee Ray was what kept us at the top of the leaderboard for most of the day. Right at the end, sadly we were pushed into the Runners-up position by Bedfordshire. By just seven points, at this discipline, Runner-up is a pretty good result. The Veteran team of Richard Gray, John Winn, Norman Smith, and John Toombs all scored well and reaped the benefit of an exceptional score of 92 from Richard Gray, enabling us to hold off the competition from the Bedfordshire vets. The Ladies' team were not so fortunate – Georgina Barratt and the multi-disciplined Rosie Parkinson each scored 78 and were pipped by Notts by just one point.

19 Sep: EM Inter-Counties Skeet

Fielding a formidable Skeet team, the prospects looked good, but you can

never count your chickens. We need not have worried as every single member of our Senior Skeet team shot above 90. But so did the Northants team. So, although usually it is the backup scores which make the difference, on this occasion, it was the top scorers of Chris Bone, scoring a personal best on 99, closely followed by Andy Harvey, Pete Atkin, and Mark Porter all on 98 who kept the Northants team at bay by just seven points. The Veteran team really cut it fine but thanks to some big scores from Brett Aisthorpe on 96 and Eric Cundall on 95, we beat both Cambs and Notts by one point.

26 Sep: National Inter-Counties DTL

More accolades still to come as we moved onto the National stage. The event was staged over two days so two of our winning Veteran team shot on Saturday, with some excellent scoring from John Winn on 292 and Mike Burton on 288. Suddenly though, we found ourselves in a shoot-off. Fortunately, Nigel Lovatt who had shot 286 on Sunday and was still at the ground was available to finish the job. Because it was a team event, the shoot-off format was sudden-death from peg 3 with Cambridgeshire shooting first. With the loss of the seventh target from Cambridgeshire's Tim Jones, it was left to Nigel to take the win.

East Midlands Directors Trophy

Lincs are leading, having scored maximum points in three out of four disciplines.

2021 County Championships

As this edition goes to print we will have completed all of our Championship Shoots for 2021 and will already be in the planning stages for next years events. We do still have a couple of events that will be reported in the next edition of the magazine, so please have a look for those next time. Keep your eyes open for next years calendar early in 2022, and don't forget to attend the AGM, date TBA, in January to both show your support for your County, and of course to collect your 2021 championship trophies!

The committee would like to extend our sincere thanks to all the grounds, referees, volunteers, and of course our shooters for all their support through a heavily congested fixtures calendar this year, without all of you it simply wouldn't happen!

Shoot Results

Due to space constraints and the number of shoots the write ups for these events are available on our website www.suffolkcpsa.co.uk, but the winners are listed below.

1 Aug: All Round, Eriswell Lodge

County Champion Lee Phillips, Ladies Champion Pauline Chapman, Veteran Champion Tony Rogers, Junior Champion Jasper Pearce.

29 Aug: Compak Sporting, Eriswell Lodge

County Champion Lee Phillips, Lady Champion Charlotte Patten, Veteran Champion Peter Mayhew, Junior Champion Will Page.

East Midlands Inter-Counties DTL, Notts & District GC

Suffolk had both Senior and Veteran representation at the East Midlands DTL this year with Peter Mayhew, Andrew Whiting, Nick Havard, J Michel-Wiart, Robbie Kingston, Geoff Hewlett, and Paul Neal as Seniors, and Frank Welham and Alistair Whitehall representing the Veterans. With some very stiff competition from the counties this year it was an exceptional effort from all the shooters, with Geoff putting in a 100/299 for Overall High Gun.

East Midlands Inter-Counties All Round, Northampton SG

The Regional Inter-Counties All Round has always been a hotly contested event, and this year was no exception. The team of Peter Mayhew, Spencer Reeve, D Bishop, M Payne, Frank Alexander, and G Downes certainly had their work cut out, and delivered a very respectable team score under difficult circumstances. 19 Sep: Bedfordshire Sportrap Champs

Thanks to all the shooters who came and supported the shoot this year, we had a small entry with ten county shooters. Well done to Joe Heast and Steve Whinnett who drew for top spot. Runner-up was Stephen Smith on 83, Vets County Champion was Bert Mason on 79, and Runner-up was Andy Nixon on 76.

29 Sep: County All Round

Bedfordshire held their All Round County Championship at Northampton Shooting Ground where the weather was mainly

good but the wind was pushing the high house clay down on skeet which caused a few misses. There were eight shooters who competed this year, which reflects the strange year with lots of things being double booked and people getting away on holiday. County Champion was Joe Heast with 90, Runner-up Gavin Smith with 88, Veteran Champion Bert Mason with 86, Runner-up Andrew Nixon with 82. The remaining scores saw Stephen Smith shoot 84, Richard Flint 81, Paul Walker 79, and Steve Whinnett 74. Thank you to all who took part and to Martine, Peter, Roy, and the team at Northampton for hosting our Championships it is much appreciated.

With the National Inter-Counties Sporting held within the borders of Suffolk this year it was expected to get a high attendance from our Suffolk Shooters. International Shooters

This year we have had four Suffolk shooters selected to shoot for England, certainly an achievement! In the DTL team Geoff Howlett and Paul Neal were part of an overall winning team, and in the English Skeet team Daren Parsons, Captain for 2021, and Stuart Smith also helped England to a winning score, with Stuart Smith winning the New Cap High Gun. Well done gents, superb shooting!

We're at the end of the competition calendar – just the Inter-County competitions to go and at the time of writing and the Directors Trophy has just the ABT to take place. Lincolnshire are currently just six points ahead of their Notts – it looks likely that they'll take the trophy this year. Northants entered two competitions, Skeet and AR, and amassed a score of 13 out of a possible 40 this year.

12 Sep: Inter-Counties All Round, Northampton SG

It was a busy day as this competition took place with over 80 guns attending. There were enough shooters for two Senior teams, a Veterans, and a Ladies team. The weather was just as you would like it – a little wind to mess with the DTL and ABT sections and the Skeet clays kept steady

During the past month there have been no county championships, but still plenty to report on with lots of Inter-County events and Home International's taking place.

5 Sep: DTL Inter-Counties

The East Midlands Inter-counties DTL was held at Nottingham & District Gun Club. There was a brilliant atmosphere and an excellent attendance. Congratulations to the victorious Nottingham Veteran team winners Chris Uren, Ken Rimington, Gordon Hodgkinson, and Carol Reading with a combined score of 588.

12 Sep: AR Inter-Counties, Northampton SG

Eighty five shooters and six counties took part. There were three Ladies teams with just one clay separating the victorious Nott's quartet over Lincolnshire duo Rosie Parkinson and Georgina Barrett, who both scored 78. Catherine Smalley scored top for Nott's on 81 and she was also joint top scoring Lady on the day, sharing the accolade with Northants shooter Kirstin Vogel. Hayley Denoon got the critical score of 76 to give Nott's victory scoring 157/200. Alix Gregory 69 and Kathryn Smith 60 completed the winning Nott's team.

19 Sep: Skeet Inter-Counties

Another outstanding win for Nott's Ladies, it was a close-run thing with the Nottinghamshire trio of Hayley Denoon and Cat Smalley both finishing on 93 and Alix Gregory on 81 to give them victory on 186/200, six clays in front of Cambridgeshire.

Hello to you all again, here's hoping that you are all fit and well. We're kicking-off with congratulations to Stevie (Wonder) Brightwell for his Veterans High Gun gold medal award in the British Open Sportrap and to Tony Cox, our county treasurer, for his two bronze medals in the Disabled Standing category at the recent British Open Sporting and Sportrap, and a silver in the English Open Sportrap.

On 29 September, Connor Harris scored 65ex75, Adam C and Steve B both cleared 62 apiece, John Wells 60, Joy Hiron was the highest lady shooter with 43ex75, not bad for a skeet shooter. A bit of entertainment and a tasty layout, thanks team Normanton.

Up to the northern border country now again at Kegworth on 30 August. They ended the month with a marathon 24 stand 200 target. All but 20,000 clays were thrown at this Super Sporting event with some super scores. Top Senior was Nick Hendrick with 193ex200, Paul Batchelor was Runner-up with 188, Graham Stirzaker 185, Antony Dean in AA Class shot 184, William Cork 182, Dave Whyte, Richard King, and Brett Hand all cleared 181. James Wood, the top A Class man shot 178, the same as Josh Bennion on 188ex100, apart from Antony Dean and James Wood, eight from the top ten were AAA Class shooters.

over the centre peg. The long-range Sporting targets weren't affected but there were some combinations tricky enough to test the less experienced shooters. County shooters put in respectable scores, buoyed up by our strength in the Sporting section. Our best score of the day was 93ex100 by Jason Potts, who was in Northants B team and so his score didn't count towards the. The team collected a tidy six points for the Directors Trophy.

19 Sep: Inter-Counties Skeet

Team Manager Izzy Russell organised shooters at Nottingham & DGC in the Senior, Veteran, and Ladies categories. The weather started a bit wet and then the sun came out, changing the pickup backdrop from grey to blue. The clays ran smoothly, which meant that there were opportunities for some high scores. Mick Russell, Simon Vogel, and Sonny Bowman all put in lovely scores of 97ex100 to help the Seniors to the Runner-up glassware and to pick up seven points for the Directors Trophy. The National Inter-Counties competitions are just gearing up as

I write. Traditionally, we send teams for the All Round usually shot at NSG and for the Skeet held at Doveridge. Keep your eyes on the county Facebook pages and website for news of the Northants teams.

Supreme Champion 2021

This year, 52 shooters took part across the county competitions and everyone's individual scores were included on the Supreme Championship board. There are six disciplines in the competition and the best five scores in any go towards the total for the year. In 2021 the FITASC competition was not held and so all scores in the remaining five disciplines were taken forward. At the top of the board and in Senior category was Simon Vogel with a score of 456ex500, winning Senior Supreme Champion trophy. Kirstin Vogel was the top Lady shooter this year with 422ex500. Alex Banning was Third Overall and took the Supreme Junior Trophy with 411ex500, whilst Mick Russell competed in four of the remaining five disciplines and his amalgamated score took him to the top Veteran shooter

slot. The county committee would like to thank to everyone who entered this year's competitions for their continued support. Competitions are only competitions if there are others to compete against, therefore turning up and being the only entrant in the category does not give the same satisfaction when a trophy is won so thanks to everyone for making the experience enjoyable.

The Avon Ladies team won the SW Inter-Counties Ladies ABT Championship on 5 September at Brook Bank. The team of Melissa Callum and Amanda Gallagher shot a combined total of 163/200 to take the SW title. Melissa also won the SW Olympic Trap individual Ladies title shot at Brook Bank on 8 August with an 82/100. Melissa is a rising Trap shooter and we wish her the very best and we are sure that International team and individual shooting honours are on the horizon for her in the coming years. Meanwhile Amanda, an accomplished Trap shooter with a pedigree in FITASC and Sporting, won the SW ABT Ladies Individual title shot at North Cornwall SG on 28 August. Well done to Melissa and Amanda for their great performances.

The Sporting disciplines are now showing excellent record support and turnout from Avon shooters, and an Overall Avon champion for the three disciplines of Sporting, Sportrap, and FITASC will be considered by the committee for the 2022 season. If we hold all these events at Meadowcroft SG (home for Avon shooters) a new Perpetual Cup and medals for overall winners and classes – and hopefully sponsorship support – if this can

be arranged as has been muted. Once again many thanks to all the support staff who make these events run as smoothly as possible under the COVID-19 restrictions.

The Avon CPSA AGM will be held on Wednesday January 12 2022 at Hanham Community Centre at 7:30PM, Hanham High Street BS15 3EJ, in the Whittucks Room.

Any further breaking news from anyone please contacts us via rogercox47@gmail.com or the Avon website hosted on the main CPSA website, accessed via the County tab.

Having completed our selection processes for the various disciplines, September saw our teams start to take part in the South West and one National Inter-County competitions. Whilst the numbers taking part in the selection process have been at the usual levels, we have struggled at times to form teams to take part in the competitions due to those being selected either unwilling to travel very far or have elected to take part in other competitions. This has, however, benefitted those shooters who sometimes don't get a chance to represent the county or to shoot in the Seniors team rather than a category. We have also seen a couple new Juniors compete this year and it has been great to see how they have taken competing outside of the county in their stride.

South West Inter-Counties ABT

Held at Brook Bank on 5 September, the Veteran team of Colin Chidley and Alan Dungey took the Vets team trophy with 182/200. Colin was the highest Cornish shooter at the event with 92.

South West Inter-Counties DTL

This was also held at Brook Bank on 12 September. The Seniors team of Keith Woolcock, Dom Davey, Steven Marshall, Simon Ede, and Ben Keightley were the South West Champions. Steven Marshall was the top Cornish shooter with 100/296.

South West Championship and Inter-Counties Skeet

Brook Bank also hosted this event on 19 September. The Overall Champion was Bill Moussalli, after a shoot-off with Denzil Grose, both having shot 99 targets. Bill was also awarded the Vets title and Denzil became the Junior champion.

The Seniors team of Bill Moussalli, John Dunne, Colin Jago, Kelvin Walsh, and Jon Stephens were the South West Champions. Our Vets team of Bill Moussalli, Colin Jago and Dave Tugwell were the Vets Champions, and Juniors Denzil Grose, Oakley Reynolds, and Aiden Scott were Junior Champions.

National Inter-Counties Sporting

This was held at Highwaymans Shooting Ground and we had originally selected Seniors, Vets, Juniors, and Ladies teams to shoot this event. In the end it was only a Seniors team who represented the county on 25 September. The team were followed around the course by the CPSA Chairman John Martin, who shared his photos of the team on the CPSA Facebook page. Thank you, Ross Trevethan, Andrew Gregory, Keith Hoskin, Emily Morden-Hawke, Alison Morden-Hawke, and Vicky Shopland for making the journey. The top Cornish shooter was Ross with 79 – an awesome achievement considering he had travelled up that morning having left his home at 2am!

South West Championship and Inter-Counties All Round

The teams were back again at Brook Bank on 26 September, where Denzil Grose was

the Junior Champion with 74. The Seniors team of Kelvin Walsh, Colin Jago, Lee Johns, Steve James, and Steven Marshall were the South West Champions. The Vets team of Colin Jago, Steve James, and Steve Morton won the title after a sudden-death shoot-off in Single Barrel, having tied with the Devon vets with 174/200. The Junior team of Denzil Grose and Aiden Scott were the Junior Champions, and the highest Cornish shooter was Kelvin Walsh with 95.

Further South West Inter-Counties

The Inter-Counties competitions continue into October and further successes will be reported here and on our Facebook page.

Presentation event

The committee are hoping to have a presentation event this year so that the county champions for 2021 and 2020 can be formally congratulated. Details will be announced on our Facebook page.

The closure of the County Championship season is finally upon us, with the Double Rise held on 3 October. September saw the SW All Round, Somerset Helice, SW Skeet, SW Down the Line, and SW Single Barrel Championships and there were some very strong performances from Somerset Shooters across the board.

South West All Round

Held at Brook Bank, the SW All Round saw a full team of Senior shooters, plus a Veterans and Ladies team take on the best the South West had to offer. A huge thank you to all who volunteered to represent their county at this event after we were struggling to make up a team. The Senior team finished a respectable third, as did the Veterans, but the Ladies team made up of Emma Stacey and Wendy Spackman won the title with a combined score of 149ex200. Emma also won the Ladies title. The Seniors were led by Rob Speed with a well shot 87, including a great 25-straight on Skeet. Congratulations to Cornwall for winning the Senior, Junior, and Veterans team titles. ►

South West Skeet

Held again at Brook Bank, this year's SW English Skeet was a very tight affair with the top three Senior teams separated by just five points. In the end it was the mighty Cornwall who came out on top with our Somerset Senior team just three points behind in second, and Hampshire a further two points behind in third. Adrian Wogan was the highest placed Somerset shooter with 97, very closely followed by Mike Phypers with a 96. Mike also led the Veterans team to a very close second place, just five points behind Cornwall again. Congratulations to all out Somerset skeet shooters on a very competitive outing.

Somerset Helice

Held for the first time in a long while, Purbeck put on the Somerset Helice Championship this year. A new discipline for most, it was great to see Somerset shooters support the event. Tom Claydon was crowned the Somerset Helice Champion, with Ollie Marshall the Runner-up. Congratulations to both, and many thanks to Purbeck for putting the event on. Hopefully, this can become a regular on the calendar and when we're not plagued by fuel shortages more Somerset shooters will be able to attend!

South West DTL

Again, held at Brook Bank, the SW Inter-County DTL championship saw another fierce competition for the title of SW team champion. The Seniors and the Ladies both came close, each finishing in third place, but it was the Veteran team of Pete

Bugler, Gerald Sweet, and Brian Prettejohn who stole the show winning the Veterans team title by six clays over Devon.

South West Single Barrel

Another intense and close affair, the SW Single Barrel Championship ended in a tie with a score of 470 apiece for Somerset and Devon. This led to a three-person team sudden-death shoot-off with Devon coming out victorious. Congratulations to Devon and also to our Somerset Senior team for a fantastic performance. It is great to see such a high level of competition at our Inter-County championships. Jo Fairclough continued to shine with a new personal best of 91 that saw her win the Ladies High Gun and claim the Ladies team trophy with Wendy Spackman. The Veterans team showed they are the DTL masters in the South West, doing the double of winning both the DTL and Single Barrel Championships. Congratulations to all.

September kicked off with the CPSA British Open English Sporting Championships hosted by E.J. Churchill at the Swinton Estate. The competition ran from 1-5 September and Chris Childerhouse, Paul Gillet, Keith Evans, Sam Betts, and Colin Taylor Crook competed.

Both Chris and Sam were delighted to make the Sporting finals on the Sunday with another 145 top shooters. The squads were joined by a large number of spectators during a round of 75 excellent but challenging targets. Unfortunately neither Berks shooters featured in the top scores this time.

A strong performance from the Berks ESK team has put Berkshire Skeet shooting firmly back on the map! In the South East Region Inter-Counties at the NCSC on Sunday 12 September, the Berks team battled hard in a closely fought competition with Essex, where Berkshire's Joe Clarke took High Gun with a perfect 100-straight!

Chris Doneen posted an excellent 99/100, Luke Flynn 95, Glenn Adaway 94, and Paul Gendall 88. In the end, Berks had to settle for second place but only four points behind the victorious Essex team. Colt Katy Essex, starting her transition to Olympic Skeet and with a new gun, fired in a fine 62.

On 11 September at Ian Coley Shooting School, Berkshire's Ceyla Ismet competed in the Ladies Open Sporting competition.

This year, rather like last, has been a strange year for shooting. Thankfully we've been able to host many of the planned competitions, packing them into the calendar during the summer months, and they've all been well attended. Here's a round-up of the competitions to date.

Wiltshire Sporting Challenge

The Wiltshire Sporting Challenge saw competitors shoot at five grounds over the course of the summer, each one presented challenging targets, with something for everyone. The final event was held at Gunsite Sporting Clays on 12 September, another great shoot set by Sean Ponting and his team. The winners were announced on the Wiltshire Facebook page and prizes can be collected from Barbury Shooting School. Well done to all who took part and thanks go to all the grounds and staff for hosting the series, and thanks to all the sponsors, Wadswick Country Sports, Billy Baxter Butchers and Renelec. The Wiltshire

Sporting Challenge will be back in 2022, dates and grounds to be confirmed.

Wiltshire English Sporting County Championship

Combined with the final shoot of the Wiltshire Sporting Challenge Gunsite also hosted the County Championship. Overall winner was Josh Brown with a fantastic score of 98/100. Congratulations to County Champion Josh.

Wiltshire Sportrap County Championship

Barbury Shooting School hosted the Wiltshire County Sportrap Championship on Bank Holiday Monday in August. Sam Usher put in a great score of 88/100 and becomes the Sportrap County Champion, congratulations to Sam.

OSK County Championship

The Wiltshire OSK County Championship was held at Gloucester Clay Shooting Club at the end of September. Thanks go to the ground for hosting the event, and congratulations to Ben Cookson, this year's County Champion.

South West Regional Championships and Inter-County Team Championships

At the time of writing there are a number of South West Regional and Inter-County

Championships to take place. Updates will be on the Wiltshire CPSA Facebook page and in the next edition of Pull!

I hope lots of you have managed to get fuel to get to all the shoots, as I write this the country is struggling to keep up with the demand and shortages this weekend which is really causing problems. Let's hope the problem resolve itself quickly.

This will be the last report of 2021 and I have to say where has the year gone? Bonkers! Firstly the committee would like to apologise to Graham Alder, David Sheppard, and Tim Thornett who all shot at Hangman's Stone in the County Sporting Championship. A mistake was made and David Sheppard and Tim Thornett, who are both in A Class and are both Veterans, shot the same score of 91ex100. The scores should have read, David Sheppard first in A Class, Tim Thornett first in Vets. Apologies to you all!

Overall and first in AA Class. Well done to you both for such great shooting.

E.J. Churchill

Well done to Brendon O'Brien for his brilliant 91 x100 shot at E.J. Churchill's 100 Compak Sporting held mid September. That score bagged him first in C Class, well done Brendon!

Hornet CFC

A healthy 105 shooters turned out to shoot Hornet's September 100 ESP. Oxfordshire's Julian Freeman found his form and shot a great score of 93ex100, winning AAA Class and placing him second Overall. Another Oxfordshire shooter must also get a mention, well done to Robert Honour on shooting a fantastic score of 90ex100 to A Class.

Reports

Apologies it's a brief report this month but I promise it will return in January with gusto! As always, please email us any news or scores you would like to be reported on and we will do our best to include them in the next report.

That leaves me to say to you – and as I write this in September – Merry Christmas and a prosperous New Year to you all!

It's been a long time since we've done a report so I would firstly like to thank each and everyone one of you for supporting all shoots after a tough 18 months – where do I start on the first and probably only write up for 2021?

Well done to Nathan Skinner and James Bradley-Day for getting to the finals of the World English Sporting held at E.J. Churchill's in July. Both shot amazingly, and well done to Nathan for winning the British Open Compak after a tense shoot-off, and Tristan Hockey for taking silver Juniors and gold under 18s.

The lads then made the journey to Yorkshire for the British Open Sporting and Sportrap 2021, which saw James Attwood reach the super-six final and also win first in his class, credit where credit is due though to Ben Hollamby who shot out of his skin for the Sportrap for a fantastic 98, coming Runner-up one behind Richard Faulds. Well done Ben!

Well done to James Bradley-Day and James Attwood for making the men's GB team, going out to Cyprus for the Compak and placing bronze.

There were two championships this month, both held on the same day, forcing the leading Supreme contenders to choose between a Trap and a Sporting event.

In the end, eight Surrey shooters went to Southdown to shoot the FITASC Championship, whilst seven Surrey shooters opted to enter the Down the Line championship at Bisley, meaning there were Supreme points for all competitors.

19 Sep: Surrey Down the Line Championship, Bisley Gun Club

The Surrey DTL Championship was won by Nick Haley with 98/291, just one point ahead of Harry Lufflum on 98/290. In third place was Rik Travers with 96/283, while Janine Travers was top lady with 91/269. Importantly for the Supreme Championship, Andy Smith picked up nine points to increase his lead in the table.

19 Sep: Surrey FITASC Sporting Championship, Southdown Gun Club

The Surrey FITASC Sporting competition was held at Southdown where Chip Smith's score of 87 gave him a convincing victory. It was a close-run thing for the next five places, with only two targets separating them. Danny Smith took second place with 82, Keith Archer was third with 81 and three people tied for fourth with Michael Holmes, Nick Carter and Sarah White all scoring 80. Sarah of course won the Ladies. Congratulations to all on a close finish.

15 Sep: Surrey CPSA AGM

The Surrey AGM was held at the London and Middlesex Club, Bisley, and Chairman Douglas Millard thanked all those present for their attendance and continued support.

Secretary Jo Watson-Hopkinson presented her report which included thanking Peter Saich for the brilliant job he has done in ensuring we have had a Surrey report published in every edition of Pull! magazine. At times, it was a struggle to find things to report on when there was no actual shooting happening.

The Officers and Committee were re-elected, with the exception of Phil Chambers, who stood down from the Committee. The Chairman thanked Phil for his input to the committee, including doing a great job as Trap Manager.

Treasurer Fergus Watson-Hopkinson presented a healthy set of accounts considering the recent shooting restrictions due to COVID, and he thanked all the grounds that had hosted our championships and collected the levies which had helped keep the accounts in the black. Please see the website for current elected officers.

England Team Success for Sarah White

As reported last month, Sarah White qualified to shoot for England in the Home International English Sporting event held

at Auchterhouse in Scotland. Sarah put in a great performance to help the England Team to overall victory and was part of the winning Ladies Team. Sarah also received the accolade of being Home International Ladies High Gun.

Supreme Championship standings

With points gained from the DTL event, Andy Smith extended his lead to 71 points from seven events. Peter Saich was unable to attend either the DTL or FITASC event but remains in second place with 58 points from six events. With only the Skeet Doubles event to come, Andy looks to be in a strong position to win the title for the first time. In third place and guaranteed to win the Ladies title is Rachel Parish with 52 points, but Fergus Watson-Hopkinson is only six points behind in fourth, so final placings could still be decided by the Skeet Doubles.

Forthcoming Dates

On 21 November Guildford and District Gun Club will be organising the Surrey Side-by-Side event at Clandon Park. This is a non-registered 'fun' competition over 60 targets. Note: Clandon Park is strictly Fibre wad only.

DTL Champion Nick Haley.

As the competition season draws to a close there are still several shoots to report on involving Sussex shooters.

British Open

Held at E.J. Churchill at the Swinton Estate, several Sussex shooters qualified for the final including George Digweed, Will Fenner, Hannah Gibson, and Liz Salmon. This was the first time Liz had been in the final at a major championship and thoroughly enjoyed it. Both Will and Hannah came fourth in Juniors and Ladies respectively.

18-19 Sep: Sussex FITASC Championship

Held at Southdown Gun Club over four different styles of layouts, Guy Franklin shot 95/100 to take High Gun and the County Champion title. In his own words, he has struggled to find any form this year but proved he can still rise to the occasion when it matters. Well shot Guy.

19 Sep: Sussex DTL Championship

Hosted by Bisley Gun Club, Andy Stratford shot 98/293 to add another County Trap title to his name as well as taking High Gun for the day.

Other shoots

In other shoots, Jeff Dix won the Super Vets title at the FITASC Home International held at Glamis Castle Estate, Scotland, and Simon Fenner was part of the Senior team that won bronze at the World Compak at Larnaca Olympic Shooting Range, Cyprus.

AGM, Trophies, and badges

As many of you know the AGM was postponed until the 25 October and was held via Zoom. As a result of this, all winners' names will be read out and published on social media. To collect your trophy and badge you must visit Southdown Gun Club to sign for and collect them.

The Results are in for our 25th Anniversary Event at Kibworth Shooting Ground, which saw 94 Shooters come to make a great day, with 21 DSG Members in attendance plus some family and friends.

The weather held out for us with some even getting their excuses in early, and complaining the sun was in their eyes! Craig Williams smoked all the DSG competition with a score of 88/100, winning the DSG Standing and DSG Wilkinson Sword Cup, for Overall DSG High Gun, that has not been awarded since 2001.

Craig also received a set of custom in-ear plugs from Customs Fit Guards and a pair of Ray Bans from Ed Lyons. Craig, being one of the Committee Members of the DSG, was looking his best in the very kindly donated Musto/CPSA polo tops that all the Committee received for this event.

Congratulations also go to Adrian Last, one of our founding members of the DSG. He showed his wealth of experience with a score of 76/100 to take DSG Sitting High Gun. Adrian was also presented with an award for his 25 years of dedicated service and outstanding contributions.

Congratulations to all the Winners and a massive Thank You to everyone who has supported our event from Kibworth for hosting, the Staff, the Ground Staff and all the Referees. To all our generous Sponsors, without you all we couldn't have had such a successful day, Thank You.

High Gun of the day was Oliver Bradshaw, AA Class winner was David

Hughes, second Andy Burton, third Paul Simpson and Joakim Smith. A Class first was Ben Fordham, followed by Dene Matthews in second and C Boddice and Neil Powell in third. In C Class the winner was Francis Lyte, joint second was Charlotte Patten and A Hales, third place Robert Francis, and fourth was a tie between Mollie Chesterton and Markie Van Allen. Mollie Chesterton also won Juniors, Ladies was shared between Jennifer Baker and Ruth De Mulder, and Veterans was taken by Steve Brightwell.

Fourth was Sam Nunn, fifth Anthony Cox, sixth Daniel Fish-Halvorsen, seventh Jimmy Center, eighth Reuben Welch, ninth Nigel Vardy, tenth Nigel Davidson, and 11th Mark Wilden. For DSG Sitting, High Gun went to Adrian Last, followed by Ben Woodham in second and Kelvin Davies in third. Insurance

Newmoon Insurance

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

01892 506884

Newmoon are authorised by the FCA under number 498667 and company number 6610290 at 85 High Street Tunbridge Wells Kent TN1 1XP

TWENTY'S PLENTY!

We spoke to 20-year-old CPSA British Open English Sporting winner **Brody Woollard**.

Q How did you get into shooting?

I started being involved in shooting at the young age of six, usually just watching and going with my dad on a Saturday afternoon up to the woods in late February after the game season ended.

At nine years old, I was one of the youngest children in Britain at the time to have a shot gun licence granted and I also went on a CPSA shotgun awareness and safety course. I started lessons at Garlands Shooting Ground once a week after school on a Friday, as my dad finished work earlier that day, and then started competing in Registered competitions at the age of ten on Sundays. My first ever CPSA registered 100 English Sporting was at Doveridge where I finished on 42/100. English Sporting was our chosen discipline to get me more experience in shooting game type of targets.

Q Why did you decide to enter the 2021 British Open?

Each year I book up the CPSA major championships

and have to try and get a Saturday slot. This year was a little different as I knew it was quite far up north for me and knew that if I did qualify I would have to go back on the Sunday. I shot the qualifying around 10am finishing on 103/120. It doesn't sound like a big score, but it could of easily been below 100 as it was not a easy round. I had also booked in for the Sportrap event at 2pm. I shot 93/100 which I was happy with and felt that my timings were good and I wasn't making many mistakes, and if I did make any I wouldn't make it again. My 93/100 remained the highest to take the Junior title and it was a shame I couldn't be there for the presentation.

Q How did it feel to win, and can you talk a bit about your experience of the finals?

I would of liked to say that I fully prepared myself for the qualification day and the final but it would be far from the truth. The Tuesday night before I was still at work until 9pm. On the Saturday I worked until 5.30pm that evening and I was hunting high and low to scramble enough cartridges together for the 75-target final. I normally shoot

I knew it was a good score but didn't expect to be the highest of the day

Above: Brody Woollard with Mark Cunliffe-Lister, the Fourth Earl of Swinton.

Gamebore Velocity's and could only get together around 60. The rest made up of White Gold. I was up at 4am and was on the road by 5am, having a start time of 9am as second squad out. I straighted each stand, not always balls of dust but still breaking them, and it was not until I reached the last stand that

I felt under pressure and could have done with a bit of time to compose myself, but I went straight into the stand. I lost a pair which provided a bit of a pressure relief before I pulled it back, just missing one more to end on 72/75.

I knew it was a good score but didn't expect to be the highest of the day. It was a long day then waiting around, trying not to keep thinking about it. I just tried to forget about the shooting and just chill with some good friends. Once it looked as though I had made the 25 target Super Final I went and bought two boxes of White Gold from E.J. Churchill's.

The other five finalists were some fantastic shots, including current World

Champion Mark Winner, so it was great to just get to the final – I was already content with this as I had won Juniors so I was already feeling good.

Q Is there anything in particular you feel contributed to this success?

I have a lot of history with Mark as a coach and very good friend. I had around eight lessons with him between the age of 12 and 14 so again it was good to just be in a shoot-off with him. The targets were tough but fair and there was probably one stand that beat us all. I just hoped I could maintain my lead to finish three ahead and take the Championship.

Q What are your goals now for the next 12 months?

Following on from this, at the end of October I will be 21 and go into Seniors category which I am looking forward to. I also took my CPSA Instructor course as soon as I was 18, so I'll hopefully try and find some time and get out and do some coaching and give back a bit, try and pass on what I've learned over the years to the younger generation. Hopefully I can teach some others about shooting and share some advice. 🍃
