# WELCOME

JAN/FEB  
2022

Firstly I would like to wish you all a very Happy New Year and I add that we hope 2022 will be a bit more normal after the previous two during the pandemic! We have so much to look forward to with a full calendar of events and I'm delighted to confirm that our English and British Open Sporting Championships will be held at High Lodge and Barbury Shooting School respectively on 18-22 May and 31 August-4 September, using some new, previously un-shot parts of their grounds. The DTL Weekend returns to Bywell Shooting Ground on 10-12 July where we know we are in safe hands with Allan and his team. All of our championships will be open for booking on 1 February at 00.01am and bookings can be found on our website at [championships.cpsa.co.uk](http://championships.cpsa.co.uk).

We are also delighted to be holding our CPSA Awards again, where members recognise and celebrate each other's achievements over the past year. The finalists have been shortlisted and voting remains open until Monday 31 January at [cpsa.co.uk/awardsvoting](http://cpsa.co.uk/awardsvoting). Tickets are available to buy via [cpsa.co.uk/awardstickets](http://cpsa.co.uk/awardstickets) or by calling Carly at CPSA HQ on 01483 485400.

We will also be back at the British Shooting Show on the 18-20 February at the NEC Birmingham and are really looking forward to being at this show again.

Finally, we are once again pleased to include our Top 20 honours which reflects the superb talent some of our top shooters continually display. See pages 22-31 for the lists.

I look forward to seeing many of you over the next 12 months at our events and championships. Safe shooting!

## SUPER SPORTING – NOW A REGISTERED DISCIPLINE

As part of our ongoing development of the sport, we are delighted to confirm that Super Sporting (SSP) is now a CPSA Registered discipline, effective from 1 December 2021. The difference between English Sporting and Super Sporting is that there can be up to four traps on each stand, giving the course setter freedom to put on a variety of targets on each stand. These can include single targets, on report pairs, following pairs, and sim pairs, as per our sample menu board pictured right. Essentially you could shoot a round of 100 targets with no two shots being the same!

As a newly-registered discipline, we have decided

to use the ESP cut-off points from

issue 64 initially until such time as sufficient scores have been received for its own cut-off points to be determined. During this period all shooters will be unclassified and will be classified on the day using the CPSA's Shoot program. Once a shooter has registered three 100 scores, a temporary classification will be immediately issued and this will be formalised at the next classification issue.

The technical rules and the classification information can be found on our website at [cpsa.co.uk/super-sporting/36](https://cpsa.co.uk/super-sporting/36)

### CPSA DIRECTOR ELECTIONS

The deadline for nominations was 4pm on Friday 5 November 2021, at which point Civica Ltd, acting as Electoral Officer, advised the following nominations had been received: East Midlands John Martin, South West Richard Faulds, National Lauren Goodman. In accordance with the Articles of Association no ballot was necessary for the above three positions as they were uncontested, therefore the above nominees were duly elected unopposed. They will take up their roles immediately after the AGM to be held at the CPSA HQ, GU24 0NP, on Saturday 26 March 2022. We would like to recognise and thank all of those who put themselves forward to take on these directorship posts.

### ERISWELL LODGE FITASC REFEREES COURSE

Thank you to Stuart Smith MD and all the staff at Eriswell Lodge in Suffolk for supporting the FITASC Sporting and Compak Sporting referees courses and exams on 12-13 November.

In attendance was the BICTSF Chief Referee for FITASC Sporting and Compak Sporting Josh Foot, who played 'devil's advocate' during the practical element, with a cheeky smile as he tried to catch out the students by deliberately cheating on gun position etc.

Stuart has invested and continues to invest in his facility – it clearly shows he has a passion for clay target shooting. Stuart along with a number of candidates attended both courses; much to their and my delight all were successful. Well done all of you.

**Hugh Smith, President FITASC Referees Commission.**

## JOHN NIGHTINGALE AWARDED LIFE VICE PRESIDENCY

**T**he CPSA were delighted to award John Nightingale from Rugby & District Trap Club with his CPSA Life Vice Presidency on Saturday 30 October at the CPSA AGM. John is a worthy recipient of the award, having spent over 30 years running Rugby & District and we send our warmest congratulations for his achievement.

Many thanks to Paul Fallon for his tribute to John's achievement and contribution to our sport: "Many of us have known John over the years as an ever present part of our shooting community. His participation and contribution to our sport has been multi-faceted, with the more public face being his role as a very capable and accomplished competitor – both domestically and internationally. At the same time as enjoying our sport himself, many know John in his role as a ground owner. His best-known venture, Rugby & District Trap Club, has been a much loved and enjoyed facility in the midlands for the past 33 years. Throughout that time John has developed a first-class facility with a strong following.

"Probably less well-known will be John's contribution behind the scenes. For as long as anyone can recall he has been Chairman of the Warwickshire CPSA and at the same time has been part of the West Midlands CPSA as a committee member and County representative. He has also been part of the board of the BICTSF.

"Regardless of his role or level of participation he has been a great ambassador for Clay Shooting. He has given his time freely over a sustained period, providing his guidance and advice together with plenty of encouragement to those around him for the benefit of individuals who have known and come into contact with him and also to the benefit and development of the sport over the years."

Rugby and District Trap Club will sadly be coming to a close in 2022 as a result of a change in ownership of the land on which the club operates. John has run the club here for 33 years following an earlier venture near Stoneleigh. A few years ago the Clubhouse suffered a major fire and was destroyed. It was rebuilt and resurrected by John and his team to recover stronger and better than ever. The club has always operated more as a passion and hobby interest for John rather than as a business, his business interests being as a motorcycle dealership in Rugby. He has always encouraged our Junior members, providing free entry for them and his ground has also hosted many have-a-go events for newcomers to try out clay shooting.

His time as Chairman of Warwickshire defeats even the memory of Bob Kibblewhite who cannot recall anyone else in the chair, and as you probably know, Bob was part of the inaugural county committee in the early 70s and has been part of the committee even to this present day."

## MARCH 2022 CPSA AGM

## LETTER OF THE MONTH

I think Gray Dudek's letter published in the November/December issue of *Pull!* was very powerful and reflects my experience entirely. I came to shooting in my 50s because my son, then age 12, wanted to shoot. We had a joint lesson as novices and were both hooked. Both of us have been shooting now for the best part of ten years.

My regret is not starting earlier and I have so much pride watching my son shoot so well, even though he regularly beats me with no apparent effort on his part.

My real reason for writing is that I think Gray is clearly describing a proactive strategy that would potentially greatly enhance the reach and appeal of shooting as a sport.

All of our experience is that one introductory event can – and does – spark a very bright fire and desire to progress and get involved in shooting.

So with this in mind the idea of generating a CPSA fund to provide a free first lesson for young people interested in shooting seems a great idea. Could this be something that we could take out to schools, universities and colleges, sports clubs, youth organisations, etc as a specific offering – namely a set number of absolutely free lessons to introduce young people to shooting as a sport?

This may well have the dual effect of showing shooting in a positive light (publicity), creating advocates in those who have experienced the offering and potentially identifying the next British Olympic champion.

I would be more than happy to support a voluntary contribution, or perhaps even as a small additional charge to the subscription, to develop such a program.

We are all worried about the future of the sport and this seems to be a good option to provide a strategy for proactive positive action which increases the sports profile and its reach.

– Mike Baxter

### CPSA Replies:

Dear Mike, Thanks for your letter and positive response to Gray's letter from the previous issue of *Pull!*

You are quite right in that it can be as easy as just one have-a-go session to ignite the fire and start a lifetime's passion for shooting.

We are extremely keen to support young people in our sport with discounted memberships and entry to our championships and have sponsorship initiatives in both Sporting and Trap.

The idea of generating a fund to provide a free lesson or taster session is interesting and we will certainly look into the feasibility of it.

## NATIONAL INTER-COUNTIES AUTOMATIC BALL TRAP

North Region Director, Committee Treasurer, and ABT Manager **John J. Leightley MBCS CITP** recounts back from the event at Bywell on 10 October.

**T**he 2021 National Inter-Counties was held in the North this year, at Bywell on 10 October. The event did not have a huge turnout as there were several clashes with other Trap disciplines being the main reason for this.

The day turned out to be nice and bright with little wind, but not enough to bother the shooters in any way – if anything it made the targets a little hard to read as you were expecting them not to be as good as they were.

With strong teams from both Yorkshire and Durham, it was always going to be an interesting event, but in the end, Yorkshire took the Senior team prize with the Overall High Gun going to David Kirk from Yorkshire, who for the second day in a row, shot and won the North Region ABT Championship scoring a fantastic 97 on both days.

Runner-up on the day was Ted Philipson with a 93 which also gave him the Veteran High Gun.

Continuing with his current form, Cory Doble took the Junior High Gun with Lewis Kirk taking the Colt's (it obviously runs in the family)

With strong teams from both Yorkshire and Durham, it was always going to be an interesting event

and the Ladies High Gun went to Northumberland's Dawn Breen. Dawn also shared the Ladies team prize with Corrina Binks for Northumberland. The Junior team prize went to Yorkshire, and Northumberland took the Veteran prize this time around.

A big thank you to Team Bywell for once again putting on a great shoot that ran smoothly as always. Well shot everyone and I look forward to seeing you all at next year's Inter-Counties.

# NATIONAL INTER-COUNTIES ENGLISH SKEET

South East Regional Director **Peter Saich** reports back on the event on 16-17 October 2021 at The National Clay Shooting Centre in Bisley.

**T**welve teams contested the 2021 National Inter-Counties English Skeet, held over two days at the National Clay Shooting Centre in Bisley. The NCSC is undergoing refurbishment and had just installed a total of 75 new Promatic traps and the whole range had been given an early spring clean and was looking great.

The shooting got off to a rainy start with dark skies on Saturday morning, but the targets remained consistent with very little wind, and there were three 100-straight recorded during the day. David Roling shot 100-straight at Dartford in the morning, then drove across to Surrey and scored another. Joining him at the top of the leader board was Ross Elgie, then on the last squad of the afternoon, Richard King added another perfect ton. Steve Lovell started with a 24, then cleared the rest to record a personal best of 99.

The rain held off on Sunday and the wind remained light, with target quality again consistent, but one by one the serious challengers fell by the wayside.

There were also 99's from Gary Cooke and Jonathan Cain but there were no more 100's.

David Roling and Richard King returned for the shoot-off to decide the High Gun, but Ross elected not to travel down again. Richard missed a target on station three, and uncharacteristically missed the repeat. David dropped a target on station four, then did not miss any more, leaving Richard no chance to catch up. Individual High Gun was David Roling on 100 + 24, Runner-up was Richard King on 100 S/O, third place Ross Elgie on 100 by default. Steve Leppington scored 98 in the Veteran's class on Saturday, and this was matched by Bill Moussalli on Sunday. Neither were present for the shoot-off, so Steve was elected Veteran Champion on countback.

Shooting on the Sunday, Megan Jones scored 96 to lead the Ladies ahead of Isabel Cartlidge on 94. Ceyla Ismet was third with 91. Megan was also top Junior, with Kian Maher just one target behind on 95. Third was Sonny Bowman with 93. Top Colt score was Isabel Cartlidge with her 94, second was Barney Eastman on 91, and Oakley Reynolds was third with 89.

Honours in the team event were shared between four counties. The winning Senior team was Yorkshire with 493 / 500, Runners-up were Warwickshire on 482, and third was Essex with 476.

It was a very close finish in the Veteran's Team section, with Cambridgeshire scoring 188, and Warwickshire and Sussex in joint second with 187. The Ladies event was also very close. Cheshire won with 180,

while Cornwall were second on 175, marginally ahead of joint third placed Essex and Berkshire Ladies on 174. Hampshire were the leading Junior team, scoring 178. There were no Colt team entries.

The CPSA will be providing badges for Colts teams for next year, so come along team captains, start preparing your young talent now ready for the next shooting season.

# WORLD HELICE CHAMPIONSHIP

Report from the 31st Helice World Championships held in Cairo 13-17 October 2021.

**A** cohort of 17 British shooters flew to Cairo for the 31st Helice World Championships held from 13-17 October. With a large entry of 321 shooters representing 14 nations, two Britains would emerge as World Champions. Dionne Rogers won the Ladies World Championship, and Cliff Goodwin the Seniors.

The event was held at a brand new, purpose-built shooting complex, part of the new Administrative Capital of Cairo, and the venue is out of this world with every facility taken care of and ten Helice, Trap, and Skeet layouts stretching for over a kilometre.

The week started well for both shooters, with Dionne winning the Ladies Egyptian Grand Prix outright on the Wednesday with a score of 17/20. Cliff had to endure a six-way shoot-off after scoring 16 in the Seniors, but managed to walk away with bronze.

Next up was the African Championship with Dionne again winning outright with 22/30. Cliff did not podium this time but finished joint fourth on 24/30 behind fellow British Seniors Fergy Watson-Hopkinson (silver) and Frank Gammon (bronze) both on 25. Chris Potter took silver in the masters category.

In the World Championships, Dionne shot 12/15 on day one and 13/15 on day

two to win Ladies outright on 25/30. Cliff straighted day one with a 15 and, after a sleepless night, managed a 13 on day two to win the Seniors category outright by a single target.

For Dionne this, her eighth World Championship win, was especially sweet as she has been working hard to recover top form after a difficult year.

For Cliff, this was his first individual world title after taking International team gold three times before, and individual silver on two occasions.

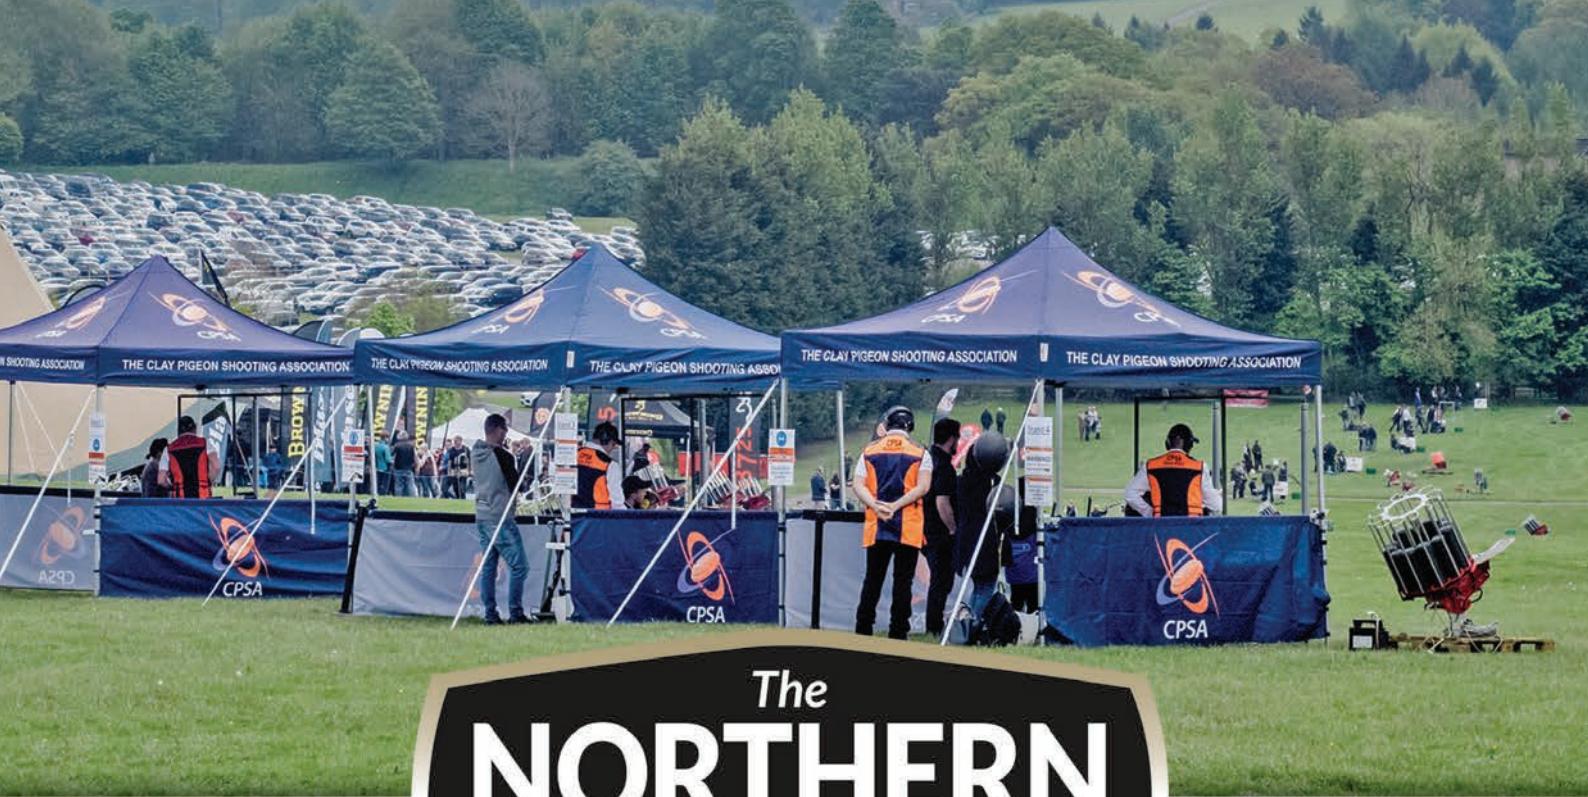

It was a good performance all round from team GB, with many other shooters making it into medal positions, including Howard Batt gold in Egyptian Grand Prix, Fergus Watson Hopkinson, Frank Gammon, Chris Potter, with father-and-son duo Tim and Mason Rickard coming so close, with Tim narrowly missing out after a shoot-off. New Veteran caps Paul Colley and Steven Keyte also took silver in the team

event with Chris Potter.

As a final note it has to be said that the entire British team was humbled by the warm welcome extended to them by our Egyptian hosts who implored us again and again to treat Egypt and Cairo as our second home. Truly wonderful hosts and we cannot wait to return.

## ISSF PRESIDENT'S CUP (FORMALLY THE WORLD CUP FINAL) CYPRUS 19-24 OCT

### Qualification:

The top 12 athletes from the 2021 World Ranking (WR) after the 2020 Tokyo Olympic Games were invited to participate in the President's Cup, with a total prize fund published at \$859,200.

Athletes competed in individual and mixed team events. International mixed teams were formed randomly in accordance with a draw.

Individual winners received the 'golden target' as the Best Athlete of the Year award.

**GBR was represented by Matt**

Coward-Holley (WR 3) and Amber Hill (WR 6). A kicker for Kirsty Hegarty who just missed out on an invitation, being ranked 13th.

The competition ran an experimental format, briefly:

**Qualification:** 50 targets with the top eight shooters going into the semi finals.

**Semi Finals:** 25 targets Trap/24 targets Skeet. Two squads of four, the top two from each squad progressed to the gold medal match.

**Gold Medal Match:** 35 targets Trap/36 targets Skeet.

Amber shot 48ex50 in the qualifying rounds, making the semi-finals but unfortunately did not make the finals.

Along with three other athletes, Matt shot 50ex50 in qualification, finishing second in the shoot off for the semi-finals, he then went on to qualify for the Gold Medal Match with Jiri Liptak (CZE),

David Kostelecky (CZE), and Gennadii Mamkin (RUS).

Mamkin was ruled out at the 15 target stage which left the same three athletes from the Olympic finals to battle it out for the President's Cup. Matt shot an absolute blinder, leading the field at the 20 target mark with only one target away, followed by Kostelecky and Liptak respectively. But, in the last five targets of the deciding break for the bronze medal,

Matt dropped three targets, including one disputed call which was sadly was not upheld.

Matt has achieved a truly phenomenal season – World and European

Of course, the standard was very high as the top 12 shooters in the world were competing

Champion plus bronze in the Olympic Games and President's Cup, not to mention a couple of medals in the mixed team events and still only 26 years old!

The British Shooting Trap coach, Marco Micheli, commented: "Of course, the standard was very high as the top 12 shooters in the world were competing, but Matt put in a very good performance, he had to shoot 50-straight just to make the semi-finals.

"The tension was very high throughout the event, and we thought just missing one target could have cost Matt the finals but he didn't miss. The results of the President's

Cup confirmed the top-three shooters of the world."

On the test event finals format, Marco commented: "It's different, I liked the mixed event. A small issue for the individual finals could be, if the semi-finals are not televised at the Olympics, then only the four competitors in the finals would be broadcast to the world, which reduces the visibility of the athletes and the sport, which would be disappointing.

"One thing is for sure; the best athletes will still find a way to break the targets and be on the podium!"

# FITASC RULE CHANGES FOR 2022

President FITASC Referees Commission **Hugh Smith** informs us of the FITASC discipline rules changes agreed for 2022 at the 2021 FITASC OGA, held virtually on 1 Oct 2021.

The FITASC governing body routinely holds its Ordinary General Assembly (OGA) prior to the World FITASC Sporting Championships in the country of the host nation for that event.

With the worldwide pandemic continuing to affect travel, the 2021 OGA was again held as a video conference on 1 Oct 2021. However, although reduced in content, there was an allocated agenda place for all the FITASC discipline rules to be reviewed.

The discipline rules review affected Universal Trench, Helice, and Compak Sporting.

## UNIVERSAL TRENCH

There were a number of new and amended rules for Universal Trench that include: New 5.15 Withdrawal of a competitor during the event whereby the competitor must inform the event administrator. If they fail to do so FITASC will notify the federation of the competitor leading to possible future penalties.

**Chapter 6 Refereeing** has many changes and inclusions throughout; briefly, changes to protests, auxiliary referees required, and the master scoreboard.

**Chapter 11.06** has changes dealing with a late competitor – either shooting by squad or by line – and the associated penalties that will be applied.

## HELICE

**Chapters 2.8.2.2 and 2.8.2.3** are changes to a Helice shoot-off. Changes to 6.5 and 6.6 Shooting Procedures, clarify the time limits (20sec) a competitor has when shooting manual and sonopull release systems.

## COMPACT SPORTING

**Chapter 17.4 and 17.5** inform the referees how to start the competition by squad or by line. It is a major change to showing the targets at the beginning of a Compak by Line event and a small change to Compak by Squad. It is intended to reduce the number of 'show' targets and is particularly aimed at simultaneous doubles.

Briefly, the first competitor will be shown all the single targets A-F from shooting position 1. Then they will be shown the complete double(s) if simultaneous, before any shooting takes place. A maximum of two show targets will be allowed.

The position of the referee with the hand release controller will be on the left of position 1 until all shooting positions (5 off) are occupied.

The purpose of the hand controller referee is to show to the next competitor in position 1, the first target of their double(s) in menu order until all the shooting positions have a competitor; this also applies to report doubles where no doubles are shown.

In addition to the rules changes, there was a move by FITASC to close the loophole currently being exploited by suspended competitors from FITASC member federations. Competitors who have been suspended by their home federation have been known to join another federation (another country) and use that membership to enter FITASC governed events.

FITASC will, in the future, require the names of suspended competitors to be passed to FITASC by the relevant member federation. FITASC will then suspend those competitors for a period that reflects the period that the competitor is suspended from by their home federation.

It is the responsibility of the federation concerned to pass to FITASC the above information on suspended members of their federation.

The rules for 2022 will be available in due course on the FITASC website for all the FITASC disciplines.

THE CHANGES ARE EFFECTIVE 1 JANUARY 2022 AND AVAILABLE TO READ ON FITASC WEBSITE

# TOP SHOTS 2021

We reflected on some of the finest feats of 2021, and look forward to the 2022 season with some of this year's top shots.

## EMMA HOLDEN FIRST OVERALL IN LADIES DTL

I am really happy at placing first Overall in the ladies and am over the moon I have managed to be placed in the top 20 Overall.

One of my highest points in 2021 was coming third overall at the sponsored day at the DTL weekend at Bywell and I also won all, three Ladies titles that weekend,

**GUN:**  
Krieghoff K80 with a custom stock  
**AMMO:** Eley DTL Gold

which I have never done before. Also, retaining the Ladies British Open title and becoming the English and Welsh Open Ladies Champion is a massive high point of 2021 for me. I haven't had any shooting lows during 2021. All my shooting has been consistent which I am really pleased about as my goals for 2022 are to get back into the England Ladies Team and try to retain all the trophies and titles I have won.

My top tip for those trying to emulate my success is

to get a good routine in place and find a coach who suits you and helps you understand where you are going wrong.

 One of my highest point in 2021 was coming third overall at the sponsored day at the DTL weekend

start. A final thank you to Eley, my cartridge sponsor, for providing such an outstanding cartridge which you can trust to perform.

## PAUL TURNER FIRST OVERALL IN DTL

I'm extremely happy with my results and achievements this year, which has made me ready for next season. All achievements can be classed as high points of anyone's season but the best result I had was winning the prestigious Dougall Memorial Trophy, I didn't really have any personal shooting lows but it was a shame that the World DTL Championship had to be postponed.

The main goal for 2022 will be to try and qualify for the England DTL

Team again, plus the World Team for 2023.

After that, I will be trying to win as many Championships as I can.

The main thing I would say is important when looking at success is to never give up and try to forget any negative thoughts. Try not to put extra pressure on yourself, by

thinking of current High Gun scores, just keep focusing on each target and take one step at a time.

I'm always thankful for having a supportive family, excellent shooting friends, and a brilliant squad (Team Hull – Curtis Woolley, Paul Chaplow, Marty Smith, and Matt Sheldrake).

I am also very greatful for my sponsors Hull Cartridge, David Bontoft and the team, and Krieghoff, Phil Krieghoff, Alan Rhone, Erwin Peumans, and the team, for having excellent equipment and support. It makes you super confident when competing!

RICHARD FAULDS  
FIRST OVERALL IN ESP

I'm delighted with my results for 2021, there are so many great shooters now that just winning a normal Sunday Registered shoot is a challenge, let alone any of the majors! The highlight of my year was probably the English Open Sporting held at Barbury, however winning the British Open Sporttrap would be a very close second... knowing that there was already a 98 on the board was always going to make it an uphill struggle

but I managed to sneak in a win with 99.

As a top tip for anyone who wants to be successful I would say you need to 'hate losing' to become a good competitor, but hating losing is very different to being a bad loser.

I'd like to thank my loyal family for always supporting me over the years, when you live in a house with as many shooters as we have in ours, there's always someone to talk to about events, past or present, that may have gone right or wrong, to iron out pre shoot jitters etc.

Lyalvale Express have sponsored me for over 30 years now, and I'm also sponsored by Caesar Guerini (Anglo Italian Arms-Guerini USA and Guerini Italy), Swatcom, Teague, and Starkey Outdoor. Always there when you need them, first class service by all.

As for my goals for 2022, more of the same!

JOHN PORTER  
FIRST COLT IN ESP

I was very pleased with my results this year, especially breaking into the 90s on the scorecard and winning a gun from John Dyson at the Essex Masters event and to win Colts at age 11.

In 2022 I would like to compete in all the big competitions, with all the COVID restrictions it has taken me a while to get back into a routine with my Beretta Silver Pigeon. The correct fit is far more important than the gun and Philip Webster does an excellent job.

One of my top tips for success would be to keep trying and not get frustrated.

I would like to thank Ben Thorrold my coach, Mum and Dad and Grandad

who has always cleaned my gun. Not forgetting Peter Bloomfield and Stuart Smith who both taught me for free in the beginning. Thank you to all shooting grounds, shooters, scorers etc. who often give so much support without recognition to so many colts.

## IAN MOORE

## FIRST OVERALL IN ABT

2021 has been a great season, I have only been back clay shooting for a couple of years and progress has been good.

There have been several high points for me in 2021 such as winning High Gun at the South West Inter-Counties DTL for two years running and shooting a 99 at ABT at Fareham recently, but the biggest would have to be representing my country at the DTL Home International and shooting 100/294 when 100/296 was high gun of the event. Representing England was a proud moment for me as my Grandad also shot for England many years ago.

I guess my goal for 2022 is to try and win a major shoot, I have been considering moving away from DTL next year as I have shot so much of it in 2021. My advice to someone coming into the sport now would be to either get a good coach, have some lessons and then go and put in as much practice as you can.

I'd like to thank my family for their support as I tend to live for my shooting and I can probably neglect things at times but they never complain and enjoy seeing me do well. I'd also especially like to thank a friend called Stuart Taylor who I shoot with quite frequently as he has helped me tremendously this

year with cartridges and without his help there's no way

I could shoot the amount I do. Sponsorship seems impossible to get so his help has been invaluable. I'd also like to thank my nephew Dan Hudson (who won the English Open DTL) and Paul Gorrett who I have travelled with extensively this year as they have been great people to be around which helps as at the end of the day we do this for fun. Geoff Howlett is another I'd like to thank as we had never met before yet he made the Home International such a great weekend with his dry sense of humour and we got on great which really helped with it being my first Home International.

my goal for 2022 is to try and win a major shoot, I have been considering moving away from DTL next year as I have shot so much of it in 2021

## GUN:

Beretta 684 Trap  
32" fixed choke  
**AMMO:** Eley DTL Golds and Eley Superbs

## LEE JACKSON FIRST OVERALL SPORTRAP

I am very happy with my performance over the last year and topping the Sportrap rankings is the icing on the cake.

After last year's disruptions I have just enjoyed getting out shooting this year, but picking up some wins and shooting consistently has been a nice bonus. A highlight of my season was shooting the British Open Sporting and Sportrap at E.J. Churchill at the Swinton Estate and top scoring in both events for day two with a 111 and 95.

**GUN:** Krieghoff K80 Super Sport with 3/4 chokes  
**AMMO:** Lyalvale Express Power Gold and Super Biors.

Next year I aim to keep my scores consistent and attend as many of the majors as possible. An England Sporting Team place would be a great achievement to add to my CV so next year I plan to attend the selection shoots for the first time.

As a top tip I would pick a gun/cartridge/choke combination that suits you and then stick with it. For Sportrap it is essential to watch the targets carefully before you start so that there are no surprises when you call pull. Variety is the name of the game in this discipline but every target should be given equal respect so that you don't allow complacency to set. I would like to thank my sponsors, Lyalvale Express and Steve Smiths Shooting Ground, who have both supported me for several years.

## BILLY GREENWOOD FIRST JUNIOR IN ESP

I was very pleased with my results at the World's at E.J. Churchill at the Swinton Estate when I came third in Juniors by countback, as I was unable to get back for the shoot-off. I have had multiple High Guns at CPSA Registered shoots and another highlight was winning top Surrey shot at the Southdown Gun Club Surrey and Sussex ESP Championships in May, and coming second in the Essex Masters Junior ESP.

I feel that I have been quite consistent this year but a low was not being able to shoot better on the second day at the Worlds as I only

shot 88/100 after scoring 96 on the first day.

My goals for 2022 are to enter all major events with an aim to find sponsorship – I would like to maintain a higher consistency of scores throughout next year and one of my aims is to shoot a 100-straight.

I would like to say thank you to my father, Kevin Greenwood, for his total support and Alex Cobb from Surrey Shooting School for his tuition and the use of his grounds. Finally I would like to thank Nick Carter for giving me a full set of Pilla glasses which I use all the time when I am shooting.

## GEORGE DIGWEED FIRST IN COMPAK SPORTING AND FIRST IN FITASC SPORTING

I am very happy with my results this year and to win first in both Compak

Sporting and FITASC Sporting. It would have been nice to be able to travel a bit more Internationally but I am pleased with the way I have shot this year.

This years shooting high was probably winning the Seniors at the World FITASC

competition in Hungary with a borrowed gun, and my shooting low would definitely be not being able to travel very much Internationally to shoot and see the family and friends we've built up over the last 30 years.

Next year I plan to carry on

 This years shooting high was probably winning the Seniors at the World FITASC competition in Hungary with a borrowed gun 

enjoying shooting and put as much into it as physically possible in this ever-changing industry.

My top tips would be to be focussed on the job in hand and not to get too carried away with the periphery – its easy to get distracted when you're under pressure.

I would like to thank my family and friends for their support but also my sponsors Perazzi, Gamebore, CCI, Promatic, Cens, Fox Harb'r, Pilla, and Stay Focus.

## PETER CHESTER

### FIRST OVERALL IN ENGLISH SKEET

I am over the moon with my results this year and it feels great for my shooting abilities to be back where I was as a junior.

My highest point of 2021 has got to be winning the Home International at Fauxdegla Shooting Ground and the British Open at Doveridge. I have definitely had lows in 2021 – as we all do – but shooting a 98 at the English open wasn't my finest

hour. Its not a bad score at all but I just felt like I could have shot better. A 97 at the English open Skeet Doubles should also have been better but I am still pleased to be back out shooting well.

Looking ahead to 2022, I would like to keep on winning and putting right my mistakes in 2021 – hopefully I will be able to get out to San Antonio in Texas for the World Skeet Championship and see how it goes.

Thinking of top tips, concentration is key in your

possible without the sponsorship and support I receive.

I shoot a Caesar Guerini Black Summit 30". It is a great gun and my shooting has definitely improved since I got it in August last year.

For cartridges, I use Hull's Pro One's. It is a lovely cartridge which is hard hitting and smooth.

# ON SOLID GROUND

Running our top shooting grounds has been more challenging than ever over the last two years but, as **Martin Puddifer** discovers, the people at the helm are up to the task.

**F**rom trap maintenance and planning staff rotas, to ordering cartridges and cutting the grass, there are many tasks that occupy the daily agendas of shooting ground managers and their teams. Preparation is always key if things are to run to schedule, especially when hosting a major event, so how do those grounds that are nationally renowned for offering tens of thousands of shooters the best visitor experience keep doing so year in year out? Let's take running competitions as an example.

Having a passionate and professional team around you is a good start. It's something not lost on Daniel Martin, who has run Orston Shooting Ground in Nottinghamshire with his wife Emily since 2016.

Orston hosted the Compak English Open last June and hundreds of hours of planning were required to ensure the ground was prepared: "We have a fantastic team who are meticulous in ensuring all

our equipment is fully maintained and fine tuned for the event ahead – through to the formatting and timings to ensure a seamless and enjoyable experience to all our competitors," says Daniel.

"Communication throughout is also key and we run two radio channels, one solely for our referees/scorers and the other for the event management team, which includes grounds staff and the head office."

## THE COURSE SETTING JIGSAW

Rob Fenwick, the Managing Director of E.J. Churchill, which hosted the CPSA World English Sporting and Sportrap Championships last July, holds himself and his staff to the highest standards. Catering and hospitality are key components to the major competitions held in this picturesque corner of Buckinghamshire, creating the 'spectacle' Rob feels they should be, his vision greatly influenced by the late Mike Brunton BEM's Clay Shooting Classics. While he insists expectations often

need to be managed, everything from catering to car parking, greeting hundreds of visitors to getting the course layout right is scrutinised beforehand.

"We have always had this desire and passion to make them great, but you learn so much over time," explains Rob.

"You have to listen to what the shooters want and you will get many opinions, most of whom have no idea what it takes or costs to achieve what they would like. It is your job to work out what is feasible and what can be delivered. When you look at the terrain of West Wycombe Estate you think you can do so much, but you then overlay all the footpaths, the direction of the sun, houses, farms, livestock, crops etc that you have to avoid or not shoot towards and it becomes very difficult. Most people don't even know about these issues and so it makes the job of course setting really hard."

#### SWEATING THE SMALL STUFF

In Leicestershire, Kibworth Shooting Ground is getting used to holding CPSA registered events again after a short hiatus. Just like at E.J. Churchill and Orston, the staff at Kibworth, including Ruby Smith and Ground Manager Matt Richmond know the value of sweating the small stuff.

"We begin preparations at least a week in advance with the most important being to ensure that all our targets are competition ready," they explained. "Whilst we pride ourselves on changing our targets on a weekly basis for normal practice

it is imperative that there is a wide variety of clays that are challenging for all classes. We are all here first thing on the morning of the competition to do a final check of the targets. We make sure we have more than enough clays left by every trap for speedy refills so that no shooters are kept waiting. All batteries are changed before the competition begins in order to minimise the chances of any breakdowns.

We have to register all of our referees well in advance and also enter our competitors onto the system to enable scores to be submitted to the CPSA on the day of the shoot. Score cards are written out prior to the event, too."

#### DELEGATION IS THE KEY

No ground manager is an island and Stuart Smith, the Managing Director of Eriswell Lodge in Suffolk, which hosted the last four

World Skeet Masters, trusts in his own abilities as well as those of his staff when competitions come around: "I think that over time we have become more confident with large competitions and events, but at no time have we become complacent," says Stuart who, along with his father Nigel, appreciate the value of a welcoming atmosphere. "We still have a lot of planning sessions amongst the senior staff team, and then each department has its own meetings to plan their specific aspects of the event – as the business has grown this has become the norm, rather than having one meeting to address everything. We have the teams in place with ►

the skill set required to deliver each part of the event, which allows the senior staff to operate in more of a guiding role – which we firmly believe helps us to deliver a higher quality event. I have learned not to stress too much (it solves nothing) and to delegate more."

### FACING DOWN CHALLENGES

While preparation is everything, even the best laid plans are vulnerable to the unexpected. It may be six months since the last lockdown restrictions were lifted but Coronavirus continues to have a hand in the day-to-day running of shooting grounds nationwide. Losing people who are integral to the operation is never ideal, especially if they were a challenge to find in the first place.

"Getting good people who want to work hard and share your vision is really tough," says Rob Fenwick: "We have a great team, but are constantly looking for more good people to help them. As we are in the service industry they always need to be on good form and really care for the ground and all the clients we see. There is no let up and no excuses, it is hard work and we need to be on our game."

### PUTTING SMILES ON FACES

With change, such as the demographics of clay shooting, becoming more apparent, shooting grounds also need to move with the times, something very close to the hearts of the team at Kibworth Shooting Ground: "We have learnt the importance of creating an inclusive environment which appeals to all shooters of all levels of skill, instead of only to the relatively few AA class shots there are. We really want to encourage people to love shooting as much as we do and not feel as though they have to be a

We have a great team, but are constantly looking for more good people to help them

professional to get the same level of enjoyment from it."

Despite all of the challenges they have faced and continue to face – cartridge prices, lead shot and plastic wads are currently dominating chatter in the clubhouse but are issues out of their hands – watching experienced and novice shots enjoying their shooting is still hugely rewarding.

"The clearest indication that we must be doing a good job is the number of our customers that we see week in week out; we get to know them as individuals and they get to know us as well," says Ruby. Stuart Smith from Eriswell Lodge concurs: "We all absolutely love to see people with smiles on their faces, having fun – a lot of our team are shooters too, so they like to hear how people have been getting on." 🎣

# MEET THE JUNIORS OF BERKSHIRE

The Berkshire CPSA committee reformed at the beginning of 2021, signalling a much-needed return to competition success for the County's clay target shooters. Like all counties, Berkshire is keen to build a strong talent pool of Junior shooters. Berkshire CPSA Treasurer **Richard Bodley-Scott** speaks to some of Berkshire's emerging champions of tomorrow.

## AMELIA BOWE

**Age:** 19

**Discipline:** English Sporting

**Q** **How did you first start clay target shooting?** **A:** I first started when I was about 15 with my dad, Steve Bowe, although it was only very occasionally. I've now been shooting regularly for the last two years, but lockdown and education have limited the time I can go shooting. I used to enjoy archery but was fascinated by moving targets, so my

dad suggested I have a go at clay target shooting. I started going to Registered shoots with my dad and his friend Will Hewland, both are really good shots, and they encouraged me to shoot more. Will gave me some coaching to get me started and I quickly gained in confidence.

**Q** **What was your first shotgun?**

**A:** My dad had an old 20 bore Browning Medallist which he let me use. It was a brilliant starter shotgun and it suited me well because I was quite small.

I made good progress with the Browning, but I soon started to outgrow it. We looked at lots of shotguns and I settled on a 12 bore Beretta 686 Silver Pigeon with 28 inch barrels. I just felt really comfortable with it which is so important when choosing a shotgun. Although I've continued to make progress, I now think I'm ready to upgrade to something newer.

**Q** **What is your preferred discipline?**

**A:** I really enjoy English Sporting and consider it to be my main discipline. There are lots of shoots available at

weekends and sometimes during the week too. Because ESP is so readily available, it is easy to find competitions or just go somewhere to practice. My favourite grounds are E.J. Churchill in High Wycombe, College Farm in Aylesbury, Ian Coley in Cheltenham, Barbury Shooting School near Swindon, and Honesberie Shooting School near Rugby. I've been to Redicks Sporting Clays in Hertfordshire a couple of times which can be very challenging but enjoyable. I've just started to study at Cardiff University so my opportunities to go shooting will be limited. I love encouraging other young people to try the sport and so I might end up going into a coaching role in the future.

**Q** **What advice would you give to someone who would like to have a go?**

**A:** Book some starter lessons with a shooting ground. They can supply guns, cartridges, and all the safety equipment, so you don't have to worry about supplying your own. It's a really friendly sport and everyone is helpful and supportive. The registered shoots are fun, and you always meet lots of interesting and talented people.

## KATY ESSEX

Age:12

Discipline: Olympic Skeet

**Q How did you first start clay target shooting?**

**A:** When I was nine my dad used to shoot at West London Shooting School and one day I asked if I could go with him. He booked me some lessons with Chris Douneen and Micky Rouse, and I was soon shooting at Sporting targets. Before long I started to hit a few clays. After a couple of lessons I was totally hooked and we started going regularly which I really enjoyed. The instructors were always very friendly and made me feel very confident and safe with a shotgun.

**Q What was your first shotgun?**

**A:** My dad bought me a single barrel 0.410 which suited me very well. It was a good size gun for me and quite light. After a while, I switched to a Beretta 687 20 bore with a short stock. I used this gun for about a year, and it helped me learn a good technique. I now have a multichoke Winchester 12 bore which I'm really happy with and hope to keep for a while.

**Q Which discipline do you prefer to shoot?**

**A:** I started shooting Sporting and didn't really know much about other disciplines. We had a go at English Skeet at NCSC once and I thought this was brilliant and I shot it quite well. When we were there, the Berkshire ESK Team Captain asked me if I would like to shoot in an ESK competition. I didn't know it at the time, but the competition was the Berkshire County ESK competition and I won the Colts category. I was really pleased to achieve this after shooting ESK for such a short time. While I was at NCSC, I started watching Olympic Skeet. Katy Poulsom from British Shooting was there, and my dad booked a lesson with her. I now shoot Olympic Skeet regularly and I hope to join the British Shooting development pathway next year. I am only at the beginning of my shooting journey, but I want to progress and shoot bigger competitions in a year or two. One day I would like to be good enough to represent my country.

**Q What advice would you give to someone who would like to have a go?**

**A:** Don't be afraid to have a go, book a lesson with an instructor at your local ground and learn the basics. People always want to help young shooters, and everyone is so friendly. ►

## HARRY POOLMAN

Age:15

Discipline:  
Olympic Trap

**Q How did you start shooting?**

**A:** About three years ago I had a football injury which stopped me playing for a while, so I went pigeon shooting with my dad and I really enjoyed it. After a while I wanted to try clay shooting, so he took me to Flightline Sporting Targets in Maidenhead. After several months I entered the annual Purdey Young Shots Sporting competition at Royal Berkshire Shooting School and was surprised to win overall High Gun and top boy! I realised I wanted to shoot at a higher level, so my mum contacted Tony Higham to arrange a lesson at NCSC. Tony helped me try several disciplines but as soon as I tried Olympic Trap I was hooked!

**Q What was your first shotgun?**

**A:** My first gun was a 12 bore Miroku 6000 Sporter which I used for everything, but as I got more into Olympic Trap I needed a more suitable gun for trap targets and bought a Miroku MK38 Trap and I started to make good progress. I have recently bought a new Trap gun which is a Caesar Guerini Invictus 1 Ascent which I hope to move to the next level with.

**Q What is your preferred discipline?**

**A:** I really enjoy Sporting targets and I continue to shoot Sporting whenever I can. However, Olympic Trap is now my discipline of choice because I enjoy the challenging targets. I have been fortunate enough to be selected to join the British Shooting Advanced Development Academy which enables me to train with other Juniors in the Olympic Trap discipline. I am working with Matt Coward-Holley to develop my competition skills and I hope, with hard work and regular practice, I will achieve my ambition of shooting for the junior GB Team! I now practice regularly at the National Clay Shooting Centre, Bisley, because I live quite close by and they have a good Olympic Trap range. I also shoot occasionally at Owls Lodge Shooting School near Winchester and E.J. Churchill in High Wycombe.

**Q What advice would you give to someone who would like to have a go?**

**A:** Go to your local shooting ground and book a lesson with an instructor. Once you have learnt the basics, try some different disciplines to see which you like the most. Don't be afraid to enter competitions, especially if you are a Colt or Junior shooter, you never know, you might just win something!

# PHOEBE BODLEY-SCOTT

**Age:**16  
**Discipline:** Olympic Skeet

**Q** **How did you first start shooting?**

**A:** A couple of years ago my dad suggested I went clay shooting with him at the National Clay Shooting Centre, Bisley. I was 14 and had never held a gun before so I was a bit nervous but quite excited. My dad arranged a lesson with the Senior Coach, David Dale, and I was amazed when I soon started breaking some clays! I started going regularly with my dad and we entered the 2019 English Skeet Winter Series competition. This was my first competition and I scored 86ex100. The High gun was 96 so I was really pleased with my score!

In 2020 I signed up for one of the British Shooting Talent Identification Days which was held at the NCSC. I had a go at Olympic Skeet which was really fast, but I did ok. I joined the British Shooting Development Pathway which has been a brilliant experience and I have already made

some good friends. The Pathway has enabled me to train with other Juniors and to have the confidence to enter some bigger competitions. Recently, I was selected to move on to the Olympic Skeet Talent Academy programme where I hope to develop my skills further.

**Q** **What was your first shotgun?**

**A:** My first shotgun was a 20 bore Franchi Alcione with multi-chores and a short stock, it was a great gun but I soon outgrew it. I was still quite small, and I needed something light and easy to handle so I bought a second hand Browning Liberty Light with an adjustable comb. As I grew and became stronger, I switched to a Beretta DT10 which is what I use today. My DT10 has an Ergosign adjustable stock which can easily be adjusted for correct gun fit.

**Q** **Which discipline do you prefer to shoot?**

**A:** I started shooting English Skeet which I still really enjoy. When I joined the Development Pathway, I switched to Olympic Skeet because the Pathways are trying to develop shooters in the international disciplines. This is now

**Age:**14  
**Discipline:** Olympic Trap

**Q** **How did you first start clay target shooting?**

**A:** My first experience of shooting was when my grandad took me to a pheasant shoot when I was nine years old, and I really enjoyed the day. The dogs were brilliant, and it was great to see them working. My grandad showed me how to hold the gun properly and taught me basic gun safety and then, on the last drive, he let me have a go. I was really keen to shoot some more so he booked me a lesson with John Heagren at Long Siberia shooting range, Bisley. Soon after, I entered my first DTL competition and I scored 70/100!

**Q** **What was your first shotgun?**

**A:** My first shotgun was a Browning 20 bore Medallist, it was a good first gun which I used for Sporting targets. I tried a few different guns then got a Fausti XF4 Sporter which I liked and

## JAY-JAY ATTWELL

it helped me become more consistent with Trap targets. I then moved onto a Miruko MK38 for a while and I now shoot a Beretta DT11 Trap gun.

**Q** **Which discipline do you prefer to shoot?**

**A:** I like to shoot all Trap disciplines, but I like to shoot Olympic Trap most of all. I like the speed of the targets which are the fastest of all the shotgun disciplines. Last year, I joined the British

my main discipline and I practice regularly with my coach, Katy Poulsom. There are fewer Olympic Skeet ranges compared with most other disciplines, so I travel a lot for competitions. This year I have been to East Yorkshire Shooting Ground, Doveridge Shooting Ground, Gloucester Shooting Club, and Dartford Clay Shooting Club. I am now focussing on my winter training with my coach which will include physical fitness and technical aspects of shooting Olympic Skeet targets. If I keep making progress, I would like to shoot for my country and be selected for the Junior GB team!

**Q** **What advice would you give to someone who would like to try the sport?**

**A:** Go to a local shooting ground and book some lessons with an instructor. It's important to get the basics right and get advice on suitable guns and gun fit. Most off-the-shelf shotguns are designed for the average male, and most female shooters might need a different stock length and comb height. The first competition is always a bit scary, but everyone is so friendly and you'll get lots of support from other shooters.

Shooting Development Pathway and started to learn more about Olympic trap. It's a good programme because I get to train with other Juniors and people of a similar age and ability. I have entered several competitions as part of the 2020 shotgun series, and I am pleased with my progress. I practice mainly at NCSC, Bisley but sometimes go to E.J. Churchill in High Wycombe. My coach is Rod Gould, and he is keen for me to stick with the same gun and get used to it. We are working hard on all aspects of my shooting especially the mental aspects as well as the physical. My ambition is to qualify for the Junior GB team!

**Q** **What advice would you give to someone who would like to have a go?**

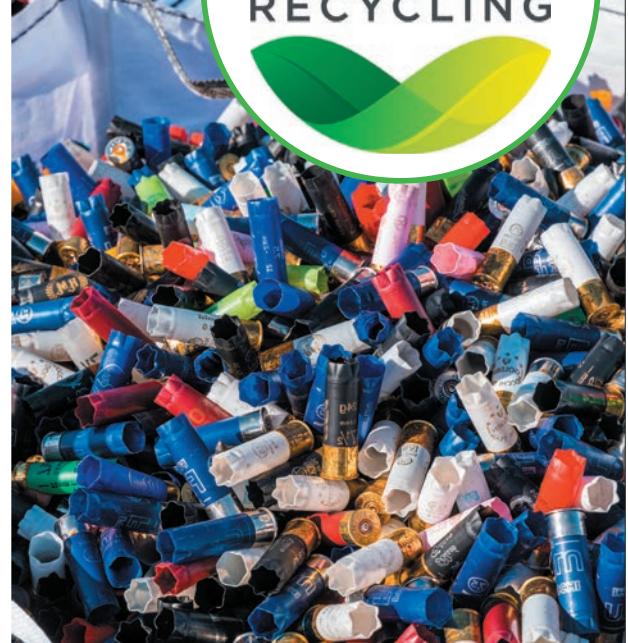

**A:** Go out and have a go, don't worry about your scores, just get started and you'll learn along the way. Find a local shooting ground and book lessons with an instructor. It's important to learn about gun safety and handling so it becomes natural.

# YOUNG SHOTS

By Toby Hurstfield.

## HOW I GOT INTO SHOOTING

I have been exposed to shooting all my life, but first went beating at the age of 3 and it has grown from there. I can remember my grandma buying me a 410 at the age of seven and going down the fields to have ago at some clays, and from there I was hooked. At the time we started to build our own shooting ground, two years later I decided to try a 12 gauge with some soft cartridges and didn't want to shoot any other discipline other than DTL.

## MY FAVOURITE SHOOTING MOMENT

My favourite moment so far would have to be shooting for England and then being High Gun of the Junior team at the Home International, as well as being Junior Runner-up out of the whole event. My biggest achievement would be getting on the England team at the age of 15 and being High Gun of the Junior team at the Home International.

### THREE WORDS TO DESCRIBE MYSELF

Competitive, polite, respectful.

## SPONSORSHIP

I am lucky enough to have been given some sponsorship from Malmo Guns, as I use Cheddite cartridges and Anglo Italian Arms, and now a Caesar Guerini gun.

## TOBY'S TOP TIPS

**TIP 1** Enjoy yourself, no matter what your score is.

**TIP 2** Practice as regularly as you can and try the harder stands, pegs, and targets so you don't feel uncomfortable in competition.

**TIP 3** Focus on the target and yourself, ignore what happens around you and if your day is going good or bad.

**TIP 4** Get a good coach who understands you, and you in return respect, and have confidence in your own abilities.

**TIP 5** Be committed, but also take small breaks after big competitions as you need time to recuperate.

# BREAKING CLAYS AT BARBURY

We spoke to **Huw Stephens**, Owner of Barbury Shooting School.

**barburys**  
shooting  
SCHOOL

**Q** When did the ground open and what makes Barbury shooting special?

**A:** The ground reopened under its current ownership with Huw in 2007, however previously it was used as a private facility for game shooting tuition since 1987. We believe what makes us special is not just our idyllic location tucked away in the Wiltshire countryside enabling us to open every day for practice, but also our staff. You can be assured of a warm and friendly welcome.

**Q** What disciplines, facilities and events do you offer around the ground?

**A:** We are mainly a Sporting ground, so FITASC, Sportrap, and Compak, however we do have a Skeet range too. We also have two main areas for game practice with driven targets and a high tower. In regards to facilities and events, we have a

wonderful corporate room for companies and the general public to use alongside our shooting facilities. We also have a fully stocked gunroom.

**Q** How did you find hosting your first English Open Sporting competition, and other events?

**A:** For us, this was a huge honour and we are so grateful to the CPSA for giving us the opportunity, we didn't get much luck with the weather, but we were really happy with the feedback. On a personal note, I was hugely proud of the efforts of all my team, as it was a tough shoot to run due to the adverse

conditions. We love hosting the major competitions and will keep looking at new areas to shoot in, so as to keep the courses fresh.

**Q** How has the ground developed over the years?

**A:** In 2007 we started out with 14 traps running 50 target shoots, however we now have over 100 traps and regularly run 30 or more Sporting stands.

The Clubhouse this year is our latest improvement, which includes our gunroom, café, and corporate facility along with a few more shooting stands. We also introduced our Promatic Claymate system which keeps us

## GG The Clubhouse this year is our latest improvement JJ

up-to-date and allows more flexibility to shoot alone. As ever, we are constantly evolving and have more exciting plans ahead.

### Q What are your top tips for shooting here?

**A:** Firstly, make sure you have no weaknesses as we try and show the full variety of targets, hopefully creating fun shoots with a mixture of stands, set for all levels of shooter. Next, be sure to read the land as there are lots of different contours and it can make reading the target much more tricky. Lastly, check the weather regularly, as it is very prone to change over here.

### Q Are you planning any events for 2022?

**A:** We are currently looking at our 2022 diary, but yes we have lots of exciting plans! As well as competitions, we also try and offer a good range of fun shoots for our members and club shooters in general. We host a large number of simulated days in the local area as well.

### Q Is there anything else our readers should know about?

**A:** Thank you to all the shooters who have visited over the last 12 months, we appreciate it so much. It was a tricky start to the year but since reopening we have had a brilliant few months! 🌟

#### Notes from the Chair

As the year draws to a close, I would like to congratulate everyone on a very successful season for the County. Even with the difficulties 2021 continued to throw at us, County shooters continued to shine with wins at all levels – well done to everyone! I'd like to thank ground owners for allowing us to get out and do what we love even with all of the restrictions and hurdles that had to be jumped in order to do so and thanks to the discipline reps for organising teams and events throughout the year. A final note of thanks to all of the committee members, everyone who represented Gloucestershire in team events, and everyone else who has supported myself and the County through 2021.

#### 2021 AGM

The 2021 AGM and prizegiving will be held at Westfields Shooting Ground on 5 February 2022. This will consist of a Sporttrap shoot, set by Steve Lovatt, followed by the AGM/prize ceremony. Shooting will commence at 12.30 until around 4.30pm then it will be in to the barn with a warm fire, refreshments, and plenty of seating. We will aim to start the meeting at around 5.30/6pm to allow anyone who is working on the Saturday to get there.

'The Flower Man' has kindly sponsored a new annual Gloucestershire Trophy and the first opportunity to win this will be at the AGM Sporttrap – the format for winning this trophy will be varied going forward so that it crosses disciplines and gives everyone an opportunity to win it!

#### 2021 Achievement of the Year

We are now looking for your nominations for the 2021 Achievement of the Year – this can

be an achievement of any type – a major win, a huge improvement, a goal achieved... the possibilities are endless! Please get in touch via Facebook or contact myself directly.

#### Gloucestershire Champion of Champions

With the hope of a full year available, we will bring back the Champion of Champions competition in 2022, the details and format of this will be discussed at the AGM.

#### All Round Representative

We now have a dedicated AR representative – Matt Jones. The aim is to get teams out to the Inter-County and National events in 2022. We will aim to have the AR Championship early in the year so Matt can consider the teams from that performance also. We wish Matt the best of luck.

#### West Midland Area Sporttrap and Inter-Counties Sporting Championships

In the Sporttrap, Chris Biddlecombe won Silver, Veteran Adrian Johnson won Gold and Kevin Childs Bronze, and in Ladies Joanna Thomas won Silver. A Class winner was Mark Thomas with 91, second in B Class was Luke Russell with 84, and in C Class first Matt Shayle 79. The Inter-Counties Sporting Team results saw our Seniors win Bronze, Veterans Gold, and Juniors Gold. The after event shoot-off for County High Gun was won by Senior Team Captain Matt Turk.

#### Other Scores

At Longridge on 3 October, winning AA Class was Clynt Warren 94. Second in B was Tim Shayle with 82.

At Ian Coleys on 6 Oct, second in AA Class was Joe Hale 90. In B Class first was Mark Sayer on 87, and in third Zea Purnell on 83. In C Class Eric Pritchard shot 78 to win by one clay over Ed Bristow.

Barbury, 13 Oct, winning AA Class was Nick Portlock 96. His close buddy Lee Newman put in a monster score of 98 to win A Class.

Several Shropshire shooters supported this Cheshire Memorial Shoot and Mike Cashmore shot an excellent 93ex100 to take High Gun. Mike kindly donated his prize money to the North West Air Ambulance, a very worthy cause.

#### 10 Oct: West Midland Inter-County Sporting Championship, Westfield

Good results for Shropshire with a fourth in Seniors by just five points, fifth in Juniors, fourth in Veterans by just five points, and third in Ladies, so Regional Bronze Medals go to Julie Burton, Ruth De Mulder, and Jan Dixon. Senior Mike Jones shot a truly outstanding 98ex100 to be joint High Gun. Thanks to the whole team for some excellent shooting.

#### 10 Oct: West Midland and Shropshire Sporttrap Championships, Westfield

Julie Burton was the West Midland and Shropshire Ladies Sporttrap Champion. Josh Sargent won West Midland Junior Silver and Shropshire Junior Gold. Nick Williamson won West Midland Veteran Silver, and with Stewart Owen is Joint Shropshire Sporttrap Champion. Shropshire Veteran Gold Nick Williamson, Peter Bridger Silver and Ruth De Mulder Bronze, and Ladies Silver. James Tipton won Shropshire Junior Silver.

#### 30 Oct: Shropshire Awards Evening,

A reasonable turnout of medal winners collected their medals for 2020 and 2021. Many congratulations on your numerous achievements over the last two difficult years. Everyone is looking forward to a much better shooting year in 2022, best wishes for good shooting to you all. Please remember your county levies help to pay for your medals, as does a normal awards evening with a sit-down meal and various fundraising events.

**07 Nov: UK Open Helice Championship**

Nine Shropshire competitors entered, the largest from any county, which included two Juniors and two Ladies. All scores were wind affected in the tricky conditions. Junior Joel Kelly is shown in the photos on 6 November at Buller Range with his Mum Claire, when he received his County Medals, and then the next day at Rugby on the Junior podium in Bronze Medal position. Our former Vice Chairman who still lives within sight of Shropshire, Marcus Iddon, was the Championship Runner-up and Seniors Champion.

**The Joel Kelly Story**

Joel's journey is worth reflecting on – his shooting potential was discovered during June 2019 when he took part in the Shropshire Inter Service Cadet Championships, supported by Shropshire CPSA's Service Cadet and Young Person Development Initiative. After shooting well at the National Cadet Inter Service Championships in Cambridge during 2019, he eventually became part of the British Shooting Talent Pathway and has done well. During October 2020 Joel, in his first Helice event, was Colt Champion at the English Open (joint BICTSF and CPSA event) matching the scores of many very experienced Helice practitioners, including top Junior Jonti Spilman. At Rugby, Joel shared the Junior podium with Jonti and Overall Champion Jensen King.

All the hard work shooting Olympic Trap with British Shooting has benefitted all of Joel's trap shooting. The photos show Joel Kelly in his Shropshire Team Shirt and Cap, with Shropshire Medals from 2020 and 2021, standing alongside a very proud mum, Claire, and of course, on the Junior Podium at Rugby.

**2021 was a good year, despite the pandemic...**

Shropshire has less than 300 members, much less active regular competition guns, and few local CPSA grounds. Shropshire's members compete disproportionately well for the numbers involved and the Shropshire Committee thank you all for your considerable efforts in supporting the county. The Committee wish every member good health and good shooting during 2022 and beyond.

Joel Kelly and mum Claire at the Buller Range.

The Hereford & Worcester DTL shooters have had a hectic Compak season, with some brilliant results, starting with Chris Moule. He also took High Gun of England, Veteran High Gun, Veterans High Gun team, and the Overall winning team, as well as winning the DTL English Open and placing third in the British Open Single Barrel. At an area level, Chris won the West Midlands Single Barrel and at a county level he won both the Hereford and Worcester DTL and Single Barrel.

Open High Gun over the two days for the Subaru Cup, Senior High Gun for the Home International, Home International Runner-up of England, British Open High Gun for England, British Open High Gun of two days for England, and finally the British Open Senior High Gun of England. Congratulations to Adam Gutteridge, our new ABT and UT County Champion. The event, held at Fauxdeglia Shooting Ground, saw Adam hit an impressive 47ex50 in the UTR, backed up with 44ex50 in the ABT to take the wins. Peter Read was crowned as our Veterans Champion.

**10 Oct: WM Area Inter-Counties ESP Championship, Westfield**

A fine way to end the season with teams entered in all four categories. The Senior team of Josh Bennion, Gav Heath, Tim A Simmons, James Ward, Sam Ward, and Jack Whitehouse put in a terrific 451/500 to take Silver behind Warwickshire's 460. We were delighted to field both Ladies and Junior teams. The Ladies team of Kate Poyer, Carole Holmes, and Valerie-Anne Barrow truly earned their County badges on a challenging course. The same can be said for the Junior team of Lucy Christie, Ben Mason, and Lewis Sones. Josh Bennion took the Staffs Inter-Counties High Gun trophy with an outstanding 94, just four off Overall High Gun. Congratulations to David Whieldon who topped B Class with 87.

**10 Oct: WM Area Inter-Counties Sportrap Championship, Westfield**

A tremendous 95 from Brett Hand saw him crowned as Sportrap Area Champion.

**28 Oct: ESP, Mickley Hall**

A fine Registered shoot at Mickley with Staffordshire's Neil Hastilow hitting a superb personal best of 94ex100 to not only win his class but tie for third Overall.

**14 Nov: ESK, Nottingham & District GC**

A phenomenal performance from Martin Walmsley who hit the magic mark of 100/100 in the Belvoir English Skeet Championship. Leon Gill of Northamptonshire managed the same, resulting in a shoot-off, with Martin taking High Gun after another 25-straight.

**17 Nov: Staffs CPSA on the Radio**

Following his success, Martin was interviewed by Phil Bowers on BBC Radio Stoke about securing the win and on how he got into the sport he loves.

**Planning for 2022**

Going forward, the committee are determined to be inclusive and field teams across as many categories and in as many disciplines as we can. To do so, we need as big a pool of shooters as possible. This is where YOU come in. Contact us via our Facebook page and we'll make a note of your interest. We can't guarantee you will shoot for the County but where there is a sufficient pool of availability our intention will be to run selection shoots. If that's not practical, we will select based on CPSA averages at the time of selection or on who has been first to make themselves available.

Key points – we need county shooters, of all classes and all disciplines. You don't have

to regularly shoot that discipline – you may not have shot it at all, but you do have to be keen to shoot for your County and you do have to be available to shoot on the day of the event.

If you need support/guidance getting to grips with a new discipline, please contact the committee and we can put you in touch with shooters/team managers who will provide help and support. We are also very keen to hear from anyone who would like to be considered as a Team Manager.

Seasons greetings to you all, here's hoping for a happy new year! The competition season extended last year to accommodate the late start resulting in two national competitions in October taking place too late for the final edition of the year. They deserve a mention as shooters from the county took part so I have included reports for them below.

### 3 Oct: National Inter-Counties All Round

There was good turnout, with counties from far and wide so there was real competition. The Northants team didn't have far to go for this as it was held at the Northampton Shooting Ground. The sun was out but didn't cause any real difficulties, it was more the gusts of wind that sent the clays flying that challenged many and made the Skeet clays dip and buck, and the DTL and ABT clays veer and skew. Nothing could be taken for granted and all eyes had to be kept on the clays just in case. This caught out quite a few and there were few high scores – only two 25s for the whole day.

The county fielded teams for the Lady, Veteran, and Senior categories. Everyone shot their hearts out and gave a wonderful performance as Fred McVarish managed to put in a personal best score of 73ex100 for the Veteran team.

In the final reckoning the Senior A team took the trophy, beating long-time rivals Yorkshire for the second time running with 437ex500 – a fantastic achievement. Dave Morgan was Runner-up High Gun with 92ex100 and Dave Grant Innes won his class prize. It was a wonderful day for everyone and thank you to all who shot for the county.

### 21 Oct: National Inter Counties Skeet

Taking place at NCSC Bisley, there was a wide field of competitors. Conditions were wet with dark skies but there was very little wind so the clays were running smoothly. This meant that there were some very high scores with quite a few 100s being shot. There were shoot-offs for the High Gun title and the county fielded a squad of shooters for the Senior Veteran and Lady categories encapsulated within ten shooters. Everyone shot well and put in some decent scores but they didn't overtake the 100s put in by the Yorkshire squad.

Thanks go to Mick Rolstone, Stuart Lobley, Leon Gill, Neil Faulkner, Mick Russell, Geoff Catlin, Bruce Bulmer, Charlie Franklin, and Penny Spademan. Sonny Bowman, shooting in the Senior team, came third Overall in the Junior category. Thank you to all who shot for the county.

### Northants Annual General Meeting 2022

This was delayed last year by the pandemic's safety requirements and held in August but now it is back where it belongs at the beginning of the year, to be able to give the committee time to plan for the full year and get the fixtures out in early February.

It will be held on Wednesday 12 January 2022 at NSG starting at 7.30pm. Please make a date in your diary to come along and support your CPSA committee.

### New look website

The website has a new look – it is simpler with easy to navigate tabs that work well on phones and tablets. It will contain all the usual news and information about competition results and is hoped that in this new format it will give better pictures and clearer links to all the things that Northants shooters will be looking for. If you haven't seen it please give it a look. Thanks to Roy Tyler for setting this up.

## LINCOLNSHIRE CHRIS BONE

✉ [chrisbonedt11@gmail.com](mailto:chrisbonedt11@gmail.com)  
► [sites.cpsa.co.uk/lincolnshire](http://sites.cpsa.co.uk/lincolnshire)

Lincolnshire have won the East Midlands Directors Trophy for the first time, scoring the highest number of total points in the history of the competition – 43 out of a potential 48. There has been some great work by all of our teams, with a special thank you to our team managers for getting teams across every discipline covered under the trophy.

### 7 Nov: UK Helice Champion

This year has been unbelievable for Lincolnshire shooters and just when you

think it is all over, Trevor Hawkins and Donovan Jenkin gained podium places at the UK Helice Championship. Trevor's score earned him top place in the Seniors category, with Donovan finishing third in Seniors with Saira Boardman taking Bronze in the Ladies event.

### 24 Oct: East Midlands Inter-Counties ABT, Nottingham & District GC

We have some of the best ABT shooters in the country but in torrid conditions targets can soon escape both barrels, so it had the potential to be something of a lottery. Jack Wilkinson finished on a superb 95, despite some personal best scores from the Senior team. Jack's was the only score over 90.

Veterans Graham Elkington and Brian ►

PASSION WITH PERFORMANCE

Wilkinson scored 92, followed by John Winn 90 and Dave Shepherd 86, giving us 184 and second place.

Saira Boardmans shot 87 to take top Lady Overall. Georgina Barratt had never shot 100 ABT, so it was a pleasant surprise to everybody, including Georgina, when she put in a supporting score of 77 to put the Ladies team well clear of their nearest rivals.

### 3 Oct: National Inter-Counties All Round, Northampton SG

Windy Weather was a major factor reflected in the scores, with only four guns over 90. Our Ladies took top spot by one point – Saira Boardman scoring 77, closely followed by Rosie Parkinson on 74, and Georgina Barratt on 66.

There was a consistent performance

from the Veterans team John Winn, Norman Smith, and John Toombs were pushed into third, with our Senior team coping admirably but denied any medals.

### Derek Olivant Memorial Shoot NDGC

Competitors from Lincolnshire, Nottinghamshire, Norfolk, Cambridgeshire, Derbyshire, and Staffordshire came to enjoy a good ABT competition, and in the process raised money in memory of Derek Olivant.

Despite early drizzle, some of the highest scores came from the early squads and Jack Wilkinson only dropped two points on his first line, carding an unbeatable 98, so for the second time in this competition's seven-year history the Derek Olivant Memorial trophy has found its way back to the Wilkinson household. Lincolnshire CPSA put up prizes of 100 cartridges for the Overall winner, plus

50 cartridges to Ladies, Juniors, and Veteran winners.

The aim of the day was not only to provide some competitive ABT shooting, but also to raise money for prostate cancer and we are always humbled and gratified to see just how generous our members are. The raffle table soon filled up with donated prizes so the odds of winning something were pretty good. The final sum raised of £750 was a record amount and for this we thank the shooters themselves and especially for the support of Graham Elkington, John Coppin, and Steve Pinch, who agreed to merge the proceeds of the memorial shoot held for his father, Lol Pinch.

Thanks to Carl and the team at NDGC, especially the ace raffle ticket seller Linda Hewkin. It is likely that prostate cancer will touch many of our lives so we are immensely proud to be part of this fund raising effort.

### ALAN BOTT

✉ alanbott100@hotmail.co.uk  
↳ sites.cpsa.co.uk/leicestershire

Hello to you all, I hope that you are all keeping well and enjoying the range of shoots that our local grounds are presenting.

We're off to Kibworth first – another fine day greeted all of the shooters for this 100-target event with John Wells taking top honours with 94ex100. John Simpson was the next county scorer on 89, Craig Boddice 86, Richard Dixon and James Hickman 85, and Tim Walker 84. Well done to you all but you had better watch out because young Mollie Chesterton was Colts and Ladies High Gun, shooting 73ex100. At the next 100-Sporting event, Steve Brightwell scored 94ex100, John Wells finished on 89, Craig Boddice 85, Adam Curtis and Robert Cain both on 83, and Mollie the Ladies High Gun with 70ex100.

Next, we're at Grange Farm where Adam set up a great course, once again with Steve Brightwell at the top between the county shooters, scoring a brilliant 98ex100. John Wells cleared 94, Russell Mason 91, Darren Elliot and Bob Tucker both 90, Sam Wells 87, Andy Burton 86, as was David Heath and Craig Tolley and Paul Reeve finished on 84 apiece. Top spot for the Ladies with 78 were Sian Hopkins from Greater London and Sandy Greener, Derbyshire, sharing 78 each. The county top shots were on form at the next shoot at Grange, with John Wells topping them all with a superb 95ex100, closely followed by Connor Harris with 94. Sam Wells and Toby Read shared 92 and Charlotte Allen from Oxford was Ladies High Gun on 85ex100.

Just over the road at Normanton, Jason and the gang have been busy with their 75-target Sporting events. On 27 October Steve Brightwell was at it again, topping the scoreboard with a neat 65ex75, John Wells was close behind with 60, Craig Boddice 59, Adam Curtis 56, Paul Reeve 54, and Mark Berry 51. Clair Walker on 43ex75 was the leading L&R Lady. The November DTI shoot had two

shooters on 100ex100, not bad! Alex Harris was the winner by one point over fellow shooter Jason Linnell. Mike Brookes was the top Veteran equalling Neil Farnsworth's score of 98, just four points separated these top four scores.

Back to the north at Kegworth Shooting Ground. In November, the county shooters put in a round of good scores culminating in Steve Brightwell, being top local with a hard won round of 86xe100. Bob Tucker just dipped out by two points, Craig Tolley 83, and Craig Boddice shot an equally great score of 82. Many of the shooters I spoke to afterwards all agreed that it was a good and fair course and apart from the cold, very enjoyable. An earlier event, a 120 target Sporter attracted a good entry with Bob Tucker topping the L&R shoots and Veterans High Gun with a score of 97. Nigel Lacey 92, Adam Fearn 77. Tia Cain was Ladies High Gun with 65.

### AGM

The AGM will be held on 25 January at the TableTable Restaurant next to the Premier Inn on Hinckley Road, Leicester at 7:30pm. The county and committee wish you all a great Christmas and an even greater 2022.

### 9-10 Oct: East Midlands and Inter-County FITASC Championship

After a change in dates the eagerly anticipated FITASC East Midlands and Inter-County Championship took place at Kegworth Shooting Ground. Pleasant weather and cracking targets saw Notts Ladies Becky McKenzie, Cat Smalley, and Megan Gamble claim the Overall winning Ladies title. The Open team were Runners-up to Cambridgeshire, and the East Midlands Championship was a close affair with John Dunne Runner-up, closely followed by Simon Davis in both the Overall and Veterans category. Becky McKenzie was crowned the East Midlands Ladies Champion.

Supreme Champion Winners.

Ricky Crowshaw.

### 3 Oct: ABT County Championship

Held at Nottingham & District GC in warm, sunny and blustery conditions there were some very impressive scores and a few personal bests. County Champion with an impressive 97 was Ricky Crowshaw. A score of 94 secured Ken Rimington the Veteran title and Overall Runner-up. Lady Champion Cat Smalley added another championship title to her belt this year with a fantastic 79. Colt Champion was Joe Turner with 71, who has had an impressive year and certainly one to keep an eye out for in the future! Thanks to the team at Nottingham first class as always.

### Supreme Championship

The Supreme Championship is held every year with all Nottinghamshire CPSA full competition members entitled to be entered and isn't a separate shooting event, but is a competition based on how shooters perform in the individual County Championships. This year's Nottinghamshire County Supreme Championship winners are:

Supreme Champion Rob Denoon, Senior Champion Kev Warner, Ladies Champion Cat Smalley, Veterans Champion Russ Hutton, Super Veteran Champion Ken Rimington, and Colt Champion Joe Turner.

Trophies were presented at our county AGM at Nottingham & District Gun Club. ## NORFOLK CHRISTINE GILBERT

[sites.cpsa.co.uk/norfolk](http://sites.cpsa.co.uk/norfolk)

Season's Greetings and a Happy New Year to you all. 2021 was a year of uncertainty for many, but clay shooting was able to restart safely with some restrictions in place. At the start of the year there was some concern as to whether the COVID-19 pandemic restrictions would affect our plans for a full calendar. We were, however, fortunate to be able to hold all our usual championships. Congratulations to all the County winners and to everyone who was selected to represent their county, region, or country. There were a lot of great results, proving that we have some of the best shooters in the country across the disciplines.

### 10 Oct: Norfolk All Round and Dennis Rudd Memorial, Eriswell Lodge

This competition was attended by 54 shooters, with 33 from Norfolk. A much-improved turnout from the 20 who competed last year. The changing light and weather conditions made for some challenging targets, but only three managed to get away from the Overall High Gun and County Champion Mark Goddard. Our congratulations to Mark on an excellent score and a well deserved win. Congratulations to the other category winners Alison Coupe in Ladies, Richard Gilbert in Veterans, and William Gilbert in Juniors. Thank you to Stuart and all the staff at Eriswell Lodge for hosting this event and for fitting us in at such short notice. Your assistance is greatly appreciated.

### 24 Oct: East Midlands Inter-Counties ABT Championship, Nottingham & DGC

Congratulations and thank you to the Norfolk ABT Team members who travelled to Nottingham on a rather wet, windy, and overcast day. Some tough conditions for the final Inter-Counties Championship this year, but there were smiles all round as the whole team returned home with glassware.

The Senior team of Niall Crumpler, Jason Matthewson, Simon Owen, Paul Owen, and Richard Sutterby were Runners-up to a very strong Cambridgeshire team. Jason Matthewson was the top scorer for Norfolk with 95, which placed him joint second Overall.

The Veterans team of Ray Daws, Robert Flowers, and Richard Gilbert beat

John Martin the 2021 committee stood down and a new committee was voted in to serve for 2022.

The County Committee is now made up of Chairman Carl Smith, Vice Chairman Darren Watkinson, Secretary John Martin, and Treasurer Harvey Sharpstone. Committee Members are Rob Ellis, Russ Hutton, Alix Jade Gregory, Kiley Cooper, Granville Hodgkinson, Catherine Smalley, Megan

Lincolnshire into second place by the smallest of margins – one point. Robert's score of 93 placed him joint first in Veterans. Juniors William Gilbert and William Nicholas both shot well. Unfortunately, there was only one other Junior competing, so their win was assured. William Gilbert's score of 92 also won him the Junior High Gun title.

### 24 Oct: Norfolk County HBD Championship, The Priory CTC

Sadly, there were only three Norfolk entrants in this competition, which was the last County Championship of the season. Congratulations to David Beales, who won both the Overall and Veterans High Gun titles with a score of 85/246. Thank you to Aaron and Natasha Heading, and the Priory CTC team for hosting this and other County and Regional Championships throughout 2021.

### Norfolk County Supreme Champions

This competition is open to Norfolk County shooters, who must shoot a minimum of three of the nine listed County Championships to be eligible to win. Our congratulations to the 2021 winners: Overall Jason Matthewson, Veterans John Reynolds, Ladies Thaleia Jennings, and Junior William Gilbert.

### Norfolk County CPSA AGM

The Norfolk Committee would like to invite all County members to attend the AGM. This will be held at Chalk Farm Clay Ground on the evening of the 18 January 2022. We look forward to seeing you there, and at next year's County and Regional Championships.

Gamble, Emily Martin, Tom Clifford.

The meeting finished at 9.15 and was followed by the Supreme Championship prize giving. Thanks go to those that have and do serve our county shooters to the best of their ability past and present. Special thanks must go to both Ash and Carol Parfment for the time in which they have given over the years, after making the decision to step down from the committee.

**Championship, Owls Lodge**

This event was held in torrential rain and it took three hours to shoot the targets made for challenging conditions. We had teams of Seniors, Veterans, and Juniors taking part. The event was also our County Championship and Adam Rowe was the Overall champion with 85. Keith Spear won Vets with 76, and Denzil Juniors with 62.

**National Inter-Counties All Round**

Our Seniors John Dunn, Roger Thomas, Andrew Gregory, Emily Morden-Hawke, Kevin Mullis, Tony Ringrose, and Ladies Alison Morden-Hawke, and Vicky Shopland travelled to Northampton on 3 October. As usual our team shirts had other competitors approaching the team to thank them for travelling to take part and to chat about our beautiful county. Cornish High Gun was John Dunne with 85.

**SW Inter-Counties Sporttrap**

Held at Somerset Shooting Ground in the middle of the Glastonbury site, the targets were challenging over four different layouts, two on the side of a very step field and the last one shooting down on the targets. Our Seniors, Vets, and Ladies teams took part. Cornish High Gun was Lee Johns with 83.

**National Inter-Counties Skeet**

Held at Bisley this year we had Senior, Vets, and Ladies teams who travelled to the event, most of whom stayed on the camp to make a weekend away. Cornish High Gun was Bill Moussalli with 98. The Ladies team of Emily Morden-Hawke, Katy Rowe, and Alison Morden-Hawke came second Overall. Emily was also the fourth highest Lady with 90. Oakley Reynolds, travelling to take part as an individual, was the third highest Colt.

**SW Inter-Counties Sporting and County Championship**

The last Inter-Counties of the year took place at Owls Lodge where Seniors, Vets, Ladies, and Junior teams took part. This was also our County Championship and Kelvin Walsh was Overall Champion with an impressive 96, Stephen Williams won Vets with 79, Emily Morden-Hawke Ladies with 75, and Denzil Grose Junior with 67.

SW DTL Champions.

**Presentation Evening**

Our planned presentation evening has been cancelled as there were insufficient tickets sold to be able to make the event viable. Commemorative glasses for both 2020 and 2021 champions will therefore be distributed to the worthy winners over the next few months.

**Annual General Meeting**

Our AGM will be held in January and details will be announced on our Facebook page. We will need new committee members this year as a number are standing down including Treasurer, Chair, and Vice-Chair. If you are interested in helping organise the sport in our county please do consider standing for election at the AGM. Most of our meetings over the last year have been held via Zoom and took around one hour. We would particularly welcome those who shoot Trap to join.

**Committee**

Thank you to those committee members who have served over the last year – it has been particularly tough to select teams to take part in the National Inter-Counties with few being prepared to travel the distance. However those who have made the effort have enjoyed taking part, visiting different grounds, and wearing their team shirts with pride.

**Positive Outcomes**

The positive outcome has been that we have more people earning team caps this year. Whilst we may not have sent our best shooters to such events the purpose of our selection process is to have a mechanism which allows our county to compete against other counties, and we have achieved this in every event we identified at the beginning of the season. Well done one and all.

Amber continues in the elite top-tier podium group and looks certain to add to the three gold medals she has already won in major international competitions.

Both Berkshire athletes train at the National Clay Shooting Centre, and Mike is looking forward to continuing his journey with top OT coach Chris Dean.

Mike, Amber, and the other world-class athletes have demonstrated their potential to win medals at major international and Olympic events but now the hard work begins, training for Paris 2024 starts almost immediately!

#### Inter-County ESP Results

Berkshire battled in the wind for second place at Southdown Gun Club through tricky targets and a howling gale. The Berkshire team of Argün Ismet Pire, Chris Childerhouse, Rick Wyatt, William Hewland, and Joe Clarke remained mostly dry in testing conditions. The team rallied well to post 407/500 and claim second place in the team event. Chris topped the Berkshire scoresheet with a fine 87/100.

Sussex finished in first place on 439, followed by Berkshire on 407, and in third place was Essex on 403.

#### Berkshire County Championships 2021

The Skeet Doubles, hosted at NCSC on 24 October marked our final county championship. All entrants were tested by gusty conditions and not one clean sheet returned.

Luke Flynn rose to the challenge and emerged as Berkshire Champion with 98/100, taking his rounds between spells of refereeing and general organising duties. Glen Adaway won the Vets, and Sue Payne the Ladies title.

Also on the 24 October, at Southdown Gun Club, Argün Ismet Pire lead the team in the South East Region Inter-County FITASC. Many top FITASC shooters were present, with some describing the layout as brutal. The team were chasing an impressive High Gun score of 87/100, Andy Seaman getting close with 82, and Argün on 80 was the only other Berkshire shooter to break 80 or more.

#### The Supreme Championship

There can only be one Supreme Champion in each category and although they are all very worthy winners, many other champions emerged along the way. It is our great pleasure to recognise the following Berkshire shooters for their all-round versatility and mastery across multiple disciplines:

Senior Supreme Champion Argün Ismet Pire, Ladies Supreme Champion Ceyla Ismet, Vets Supreme Champion Glen Adaway, and Junior Supreme Champion Jay-Jay Attwell.

There were many other notable shooters in each category, who all shot extremely well, the top-five scores in each category are:

Seniors – Argün Ismet 84, Luke Flynn 62, Glen Adaway 56, Alain George 48, Chris Douneen 46. Ladies – Ceyla Ismet 34, Nicola Heron 24, Phoebe Bodley-Scott 16, Jan Galland 14, Sue Payne 14. Veterans – Glen Adaway 52, Alain George 38, Nicola Heron 36, Robin Blamire 32, Edward Waite 24. Juniors – Jay-Jay Attwell 20, Karl Miles 14, Phoebe Bodley-Scott 10, Harry Poolman 8, Fraser Pye 4.

Huge congratulations to all our champions. We were so lucky to book our

County Championships at some of the best clay target shooting facilities in the country. It would be entirely remiss not to thank the owners, organisers, managers and staff at these fantastic grounds that welcomed and supported us throughout the season. They are, in no particular order the National Clay Shooting Centre in Bisley, Owls Lodge Shooting School in Winchester, Bisley Gun Club in Bisley, and Hangman's Stone Sporting Clays in Newbury.

#### AGM

Save the date – 28 January, the time is to be announced in due course.

looking forward to 2022 when, all things being equal, we will have a full and uninterrupted season – the first one since 2019!

Despite the clay season wrapping up Hertfordshire shooters have found plenty of opportunities to get out and about. Our Trap and Skeet Juniors finished the season on a high with some great results at the last major championships of the year and registered competitions continued to be popular, with many shooters being placed at events.

**9-10 Oct: Universal Trench Grand Prix, Nuthampstead SG**  
 Lucas Hyde triumphed in the Juniors

category to take the Gold medal and Alan Haynes placed third in C Class. Well done to them both.

#### 9-10 Oct: Olympic Skeet Championships and British Grand Prix, Doveridge SG

There were two great results for Bethany Norton – on Saturday she took Gold in the Ladies Olympic Skeet Championship as well as winning D Class. On Sunday she competed in the Grand Prix and took the Silver medal in Ladies and secured another D Class win.

#### 16-18 Oct: British Shooting Pathway Championships

It was amazing to see many new shooters competing and a big thank you must go to Nuthampstead for hosting an excellent event and to British Shooting for organising the weekend. A great end to the 2021 shooting season!

#### 31 Oct: South East Region Inter-Counties English Sporting

Unfortunately Hertfordshire could not field a full team for the Inter-Counties event at Southdown, however Darcy McBride braved the horrendous weather and in testing conditions became Junior Champion with a fantastic 83ex100.

#### Redricks Sporting Clays

The English Sporting course on 3 October was described by many as "challenging but very enjoyable". Juan Pedro Martinez-Barbera placed first in B Class, George Dudley took first in Colts, and Jane Bennett was Joint first in Ladies. Congratulations to High Gun Jack Lovick with his fantastic score of 94ex100 at the FITASC event held over two days on 8-9 October. On a pleasant autumn day, with some sunshine and light winds, Peter Butler won C Class at the second English Sporting of the month on 17 October. Paul Lovick placed Joint first in AA Class on 7 November with 92ex100. Congratulations to you all!

#### Around the Shoots in October and November

On 7 October, Christine Robinson, a regular at E.J. Churchill's monthly English Sporting finished on a fantastic 89ex100, placing her second in B Class and second in Ladies, her best score of the season. Several

Hertfordshire shooters ventured up to Sporting Targets on 17 October for their English Sporting event and Mark Baldock placed first in B Class with 81ex100. At Atkin Grant & Lang's English Sporting on 29 October, Paul and Jack Lovick were two of three Joint High Guns on 95ex100. Steve Lawrence topped B Class with 89ex100 and Graham Hill took C Class on 86ex100. On 4 November Alen Robinson was joint first in B Class with 79ex100 at E.J. Churchill's English Sporting event. At College Farm's English Sporting on 13 November Robert Gray was the top scoring Veteran with an excellent 87ex100. Fantastic shooting everyone!

#### 7 Nov: Helice, Rugby & District TC

The last Helice event for 2021 was held at Rugby & District Trap Club on 7 November – the UK Championship saw further success for Jensen King who won both the Junior title and the Overall UK Championship title with a clear win over the rest of the field. It will be sad when his family move home as we will lose the King family, who have been central to the success of Helice in Surrey as he will change allegiance to Sussex. Congratulations on your great achievement and thank you to Dad Paul and the rest of the King family for your support of Surrey CPSA.

#### 24 Oct: Surrey Skeet Doubles Championship, NCSC

The County Skeet Doubles Championship was held on the refurbished ranges at NCSC Bisley. Scores were down compared to the last time we were able to hold the event two years ago, but our Skeet specialist Frank Arico still came out on top with 85, winning County Senior and Veteran's title. Second in both categories was Peter Saich with 82, closely followed by Rick Travers with 81. Fourth and gaining enough points

to seal victory in the Supreme Championship was Andy Smith and in fifth place and winning the Ladies title was Rachel Parish.

#### Supreme Championship Final Positions

Andy Smith sealed his first Surrey Supreme Champion title with the points gained from the Skeet Doubles event. His tally increased to 75 points. Peter Saich closed the gap to 72 to take second spot and also won the Veteran's title. Rachel Parish increased her total and her 62 points clinched the third spot and the Ladies title.

Positions were very close at the top of the Junior rankings, with Jensen King equal top with Billy Greenwood, each with 15 points after winning one event, and Owen Lewis was close behind with 14 points. Cameron Cobb claimed the Colts Trophy.

Congratulations to the winners and thank you to the 55 Surrey members who entered at least one of our ten Qualifying events. Please visit [www.surreycpsa.com/supreme](http://www.surreycpsa.com/supreme) for full results and to see where you could pick up points for next season.

Hello, and seasons greetings to you all. I hope this finds you all well and I would like to wish you a happy New Year. Unfortunately there is not a lot to report on in this issue, just a few late season shoots.

#### 23-24 Oct: SE Region Inter-Counties FITASC

Held at Southdown Gun Club over four stiff courses, saw a return to form from Guy Franklin, who took High Gun with a score of 87. Unfortunately Sussex were very narrowly pipped into third place by a mere three clays behind eventual winners Oxfordshire. Well done to Guy Franklin, Kenny Bennett, Jeff Dix, Adrian Smith, and Richard Deakin. It was a day of narrow misses, as Kenny Bennett finished one clay behind Veteran High Gun Mickey Rouse.

#### 31 Oct: SE Region Inter-Counties ESP

Hosted by Southdown Gun Club, the course was made a touch harder by the gale-like winds, but team Sussex prevailed and were eventual winners. Again Guy Franklin took the High Gun with 94. Well done to Guy, Steve Clark, Pete Goldsmith, and Simon and Will Fenner.

#### 13-17 Oct: 31st World Helice (ZZ) World Championships, Cairo

Congratulations to Sussex shooter Cliff Goodwin for his performance at the championships. He started the week winning bronze after a six-way shoot-off, then scored high enough in the African Cup for the tally of the two events to win him bronze in the Beretta Continental Cup.

#### 21 Nov: Surrey Side-by-Side competition, Clandon Park

The winner of this non-registered competition over 60 targets and the Mick Haynes Trophy was Steve Cole on countback from Peter Saich, after both scored 44 over a fairly tough course. In third was James Faulkner with 40. The Webley and Scott Shield for non-Surrey

Cliff Goodwin.

Guy Franklin.

In the World Championships he shot 15-straight on the first day and 13 on the second giving him 28/30, winning the Senior World Championship by one target.

I must also mention our county treasurer John Foy who also shot for GB for the first time at the event. Well done to both Cliff and John.

#### 2021 County Champions

ESP George Digweed, FITASC Guy Franklin, ESK Michael Gatehouse, SB Alisdair Williams, UT Tim Woodhams, ABT Andy Stratford, ZZ John Foy, SKD Lee Shanks, DTL Andy Stratford, CPK George Digweed. Well done to all.

#### AGM 2022

The AGM for 2022 will be held at Southdown Gun Club in February at a date to be confirmed. When it has been decided it will be widely spread on the various social media sites as well as at Southdown. All Sussex CPSA members are welcome to attend to have their say and championship winners will be presented with their trophies.

As the year comes to an end I would like to thank all the shooters who attended the county championships and those of you who have contributed news for this entry over the year. Please keep them coming as well as the pictures, everything helps and it's good to report on Sussex shooters doing well.

CPSA entrants was won by Philip Saich from Berkshire. Thanks to Guildford and District Gun Club for hosting this event and to all those who ventured out to take part.

#### Forthcoming Dates

Our Championship events have concluded for this season, so the next social event will be our county AGM in

February 2022. We have set a provisional date of Wednesday 16 Feb so please put this date in your calendars and come and support us. We will confirm the date on Facebook and on our website nearer to the time. PASSION WITH PERFORMANCE

Happy New Year to you all! I hope you had a very merry Christmas and lets hope we can look forward to a better year.

#### AGM

We finally got to hold our belated 2019 AGM at the Holt Cross Hotel in November but sadly the numbers attending were really poor.

The evening ran like clockwork and thank you to the few Oxfordshire shooters that attended to celebrate the prizegiving the committee worked hard to host. I understand its strange unprecedented times still but many of you are happy to continue to go and shoot, therefore it was really

disappointing not to have much support for the hard-working committee and celebrate the prize giving of two year's worth of trophies at a free evening of good food and great company.

#### All Round Championship

Congratulations to Matt Hance for his performance at this year's All Round Championship, hosted by Northampton Shooting Ground. His shooting won him the 2021 title, shooting incredibly well to score 93ex100. Well done to Julian Freeman and Joe Robbins who came joint second scoring an impressive 91ex100. Well done to Charlotte Allen for winning the Ladies title and also to Tony Robbins for winning the Veterans title. Thank you to Northamptonshire Shooting Ground for hosting the last Oxfordshire Championship of 2021.

#### Hornet CFC

Hornet played host to a 100 Registered Sporting event in November which saw Matt Hance win High Gun with a great score of 96ex100, well done Matt!

As yet next year's Championship dates have not been confirmed but as soon as they have they will be published on the Oxfordshire CPSA Facebook page. We have been looking at returning to our normal month of holding the AGM for 2021, please keep checking the Facebook page for the venue but we are hoping it will be held on Friday 18 February.

This month's report is sadly short and sweet as it's only a short time since the deadline of the last report and many grounds are still to host their November shoots. Please don't forget to send over your achievements, scores, and prize giving photos. Happy safe shooting everyone!

# DSG

The Disabled Shooters Group AGM and Shoot was again held at Sporting Targets, and as always it was a great success. Thank you to all the team at Sporting

Targets for a great day.

An update of committee and officers – Paul Rendell has moved to being a committee member and Ben Woodham became the new Chairman of the group, adding to his Social Media and Membership Secretary role. Committee members are Tony Cox, Paul Rendell, Craig Williams, Julian Welsh, Craig Manning, Anthony Cox, Craig Marlow, and Irene Wright.

Back to the important bit which is the

shooting and a huge congratulations to Kelvin Davies who won Overall High Gun at the AGM shoot with a smashing score of 79/100. In second place were both Adrian Last and Ben Woodham on 77/100, with Daniel Parker hot on their heels on 76/100 in third place. Well done to all the shooters, it was great to see you all and a special mention for Irene Wright for shooting a new personal best.

# OBITUARIES

## MIKE FARQUHAR

**S**portsmen up and down the Country will be saddened to hear the demise of Mike – a sporting countryman in every way – Shooting Instructor, Organiser of Loaders at top Game shoots around the Cotswolds, Fly Fisherman, International FITASC and Sporting Referee, Deer Stalker and general 'good egg' with the ability to get on with and be liked and remembered by everyone who met him – even serious clay shots when he called targets lost.

From a Naval upbringing in Scotland, educated at Cheltenham College, he abandoned working in the city in the mid 1970's, to work in the Oxford wine trade and part-time Gamekeeping on a shoot on the Bucks/Oxon borders.

At this time, I was establishing the Shooting Clinic and developing my team of specially retrained Shooting Instructors to give short duration sponsored shooting lessons to the general public at major Game and Country Fairs around the country, and Mike rapidly became my right-hand man. We tapped into a big opportunity and the tail wagged the dog to the extent our Show Circuit

expanded and we introduced some 4,000 individuals to shooting annually for over 30 years.

We were also asked to teach shooting and etiquette at Stowe and Cheltenham Independent Schools, taking teams to the National Independent Schools Championship annually and we produced both Male and Female individual National Champions.

Through the 1980's corporate clay pigeon shoots became big business and the Clinic's team of instructors were in demand all over the Country, with Mike and I travelling with the materials and equipment in a caravan and trailer, often involving evening journeys from one venue to the next, early morning setting up the shoot layout, and then running the day with assistance from our local Instructors. Through the 80's we were doing some 30 days at Country Fairs and 70 corporate days annually and we continued through the inflation mad 90's on a smaller scale.

Mike was a good shot with both shotguns and rifles, we went deer stalking locally together regularly – when we could fit it in with our other activities – and we made a point of heading to Scotland annually on 2 February for the final two weeks of the hind stalking season. We shot a lot of hinds, helping the estates to reach their cull targets, enjoyed a wee dram or two and the peaty bath water at the end of each day out on the hill.

More recently, Mike spent his summers refereeing clay shoots nationally and internationally and his winters loading for gentlemen on the major Cotswold Game shoots.

The shooting world is a poorer place without him, he leaves his wife Sue running the Farm in Herefordshire, his son Robert running the Gunshop in Ross-on-Wye, and his daughter Jo and six grandchildren. **Terry Fricker**

# ALAN FREDERICK HYDE

**A**lan sadly passed away on Tuesday 16 November 2021 after catching COVID-19 at the age of 79. Our sincere condolences go out to his wife Rosie and daughter Catherine. Alan's first wife, Marion, sadly passed away previously, but four years ago Alan found happiness again when he married Rosie. They both loved to go dancing, and Alan loved his Rock and Roll music.

In the early days Alan was involved in the running of Crediton Gun Club which is where he taught his son, Jamie, to shoot. Catherine fondly remembers going with her father and brother to watch them compete at competitions.

Emilio G Orduña, England team member and Executive Director of the CPSA up to 2002, has been a close friend of Alan's for the past five decades.

He said "Alan was a great human being, a staunch and dedicated clay shooter, and an asset to the CPSA for more than 30 years. We met in 1969 just after my family and I moved from Madrid. We both developed a passion for the sport and our paths followed rather parallel tracks. Mine was travelling the breath and length of the Country to competitions, eventually joining CPSA as Executive Director, whilst Alan was the great organiser and thinking Committee man. He would spare no effort to administer, plan, and work tirelessly to make a success of

whatever event he became involved with. Alan became Chairman of the CPSA Devon County Committee, then later Chairman of the South West Regional Committee, and eventually joined CPSA's Management committee. In time, Alan was elected as National Vice-Chairman under the leadership of that other great CPSA man, Geoff Taylor."

England team member, Peter Cole, had known Alan for around 35 years and remembers that although Alan wasn't the best of shots, he more than made up for it with his ability to manage committees or any other similar role as he was very affirmative and capable of managing any team or a committee. Peter says: "My fondest memories of Alan were when

he was the England ABT Home International team manager back in the 90's. Myself and Roger Westaway travelled to many Home Internationals with Alan and one of the most memorable was when we went to the Scottish Home International. We always had a great weekend as Alan's managerial role ran like clockwork. On the day of our flight home we had a few hours spare and Alan took us on a trip up around the Lochs and showed myself and Roger some stunning scenery which is embedded in my mind forever. It was a perfect end to a

Alan was a great human being, a staunch and dedicated clay shooter

perfect weekend. He was a great guy for 'first timers' and new caps to have as their guardian, especially at a Home International because he always made you feel at ease and welcomed.

"He was a very positive thinking man who revelled in life. I will miss him and his very own unique and warming personality".

England team member Ron Whatley, who is now 90 years old remembers Alan well, "Back in those days we used to like to ride motorbikes together and would sometime ride out to the gun clubs. Alan was the best CPSA England team manager. He knew exactly what he wanted and how to get it organised to suit everyone in the team. Alan always had an immaculately turned-out team at the Home Internationals".

## PAUL ELLIS 1954 – 2021

It is with deep sadness that we have lost a great shooter and friend Paul Ellis. He will be missed very much by many of us in the shooting community.

Paul was a true gentleman who always had time for people. He helped many with their shooting, was a great member of the Cheshire CCPSS squad traveling the country to compete for them and Cheshire CPSA had the benefit of his wisdom and sharp wit for many years as the Sporting Team Manager, County Committee Member and Competitor. Paul gave his time freely to coach the Ladies Clay Shooting League at numerous events held at different grounds.

We have been inundated with messages of condolence and support and would like to thank you all for your kind words and to pass on our thoughts and heartfelt condolences to Paul's family at this difficult time.

## Insurance

Can you afford to

pay for a damaged stock  
or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

# SPORTING STACEY

We spoke to **Emma Stacey** about her successes in 2021 and her goals for the year ahead.

## Q How did you get into shooting?

I've been around shooting since I was really young. I used to watch my dad shoot and I was keen to start shooting when I was around 12, but this coincided with him taking a break so it wasn't until I was in my late teens that I got into it. Even then, 2016 was the first year I shot consistently and did a full year of shooting, rather than just the odd shoot.

## Q What are your preferred disciplines?

All the Sporting disciplines! English Sporting has been my main focus over the last few years, but I've also shot FITASC and Compak on the side. The plan currently is to focus on FITASC over the next couple of years, alongside ESP. I also shoot a bit of All Round for fun.

## Q Can you tell us about some of your successes in 2021?

My biggest success in 2021

was the consistency I found at major events. I finished third in Ladies at the English Open Sporting, second in Ladies at the World Sporting, and third in Ladies at the British Open Sporting. I've been really chasing consistency the last few years and so I was pleased to make the podium at every Sporting major, of course highlighted by finishing second at the Worlds. I was third at the 2019 World Sporting in the US so I was proud to make the podium again. The England Ladies team also won gold at the World Sporting which was another highlight.

## Q What has been your overall greatest shooting achievement?

Winning bronze at the 2019 World Sporting in the US is probably what

incredible, and the targets at that competition were seriously tough. To come through that and finish third and make my first World's podium, I'd say was my greatest achievement so far.

## Q Can you tell us a bit about your role in the Somerset CPSA Committee?

This is my first year on the Somerset Committee, and I split the Secretary role with Karen Brown. To be fair, she does most of the organising of everything and I write the *Pull!* reports!

## Q Who are your sponsors?

I'm very lucky to have some fantastic sponsors with me from very early on in my career. I'm sponsored by Krieghoff and I shoot a 32" K80 Parcours. I've been sponsored by them for over six years now – they took a chance on me when I was still pretty new to shooting and I'm exceptionally grateful for that. For cartridges, I'm sponsored by Hull Cartridge, and I shoot Sovereigns and Sovereign Parcours. I signed with Hull four years ago, and I have never looked back! I'm also sponsored by

I'd consider my greatest achievement. Even though I finished second this year, competing in America was a totally different challenge. The depth of their shooters is

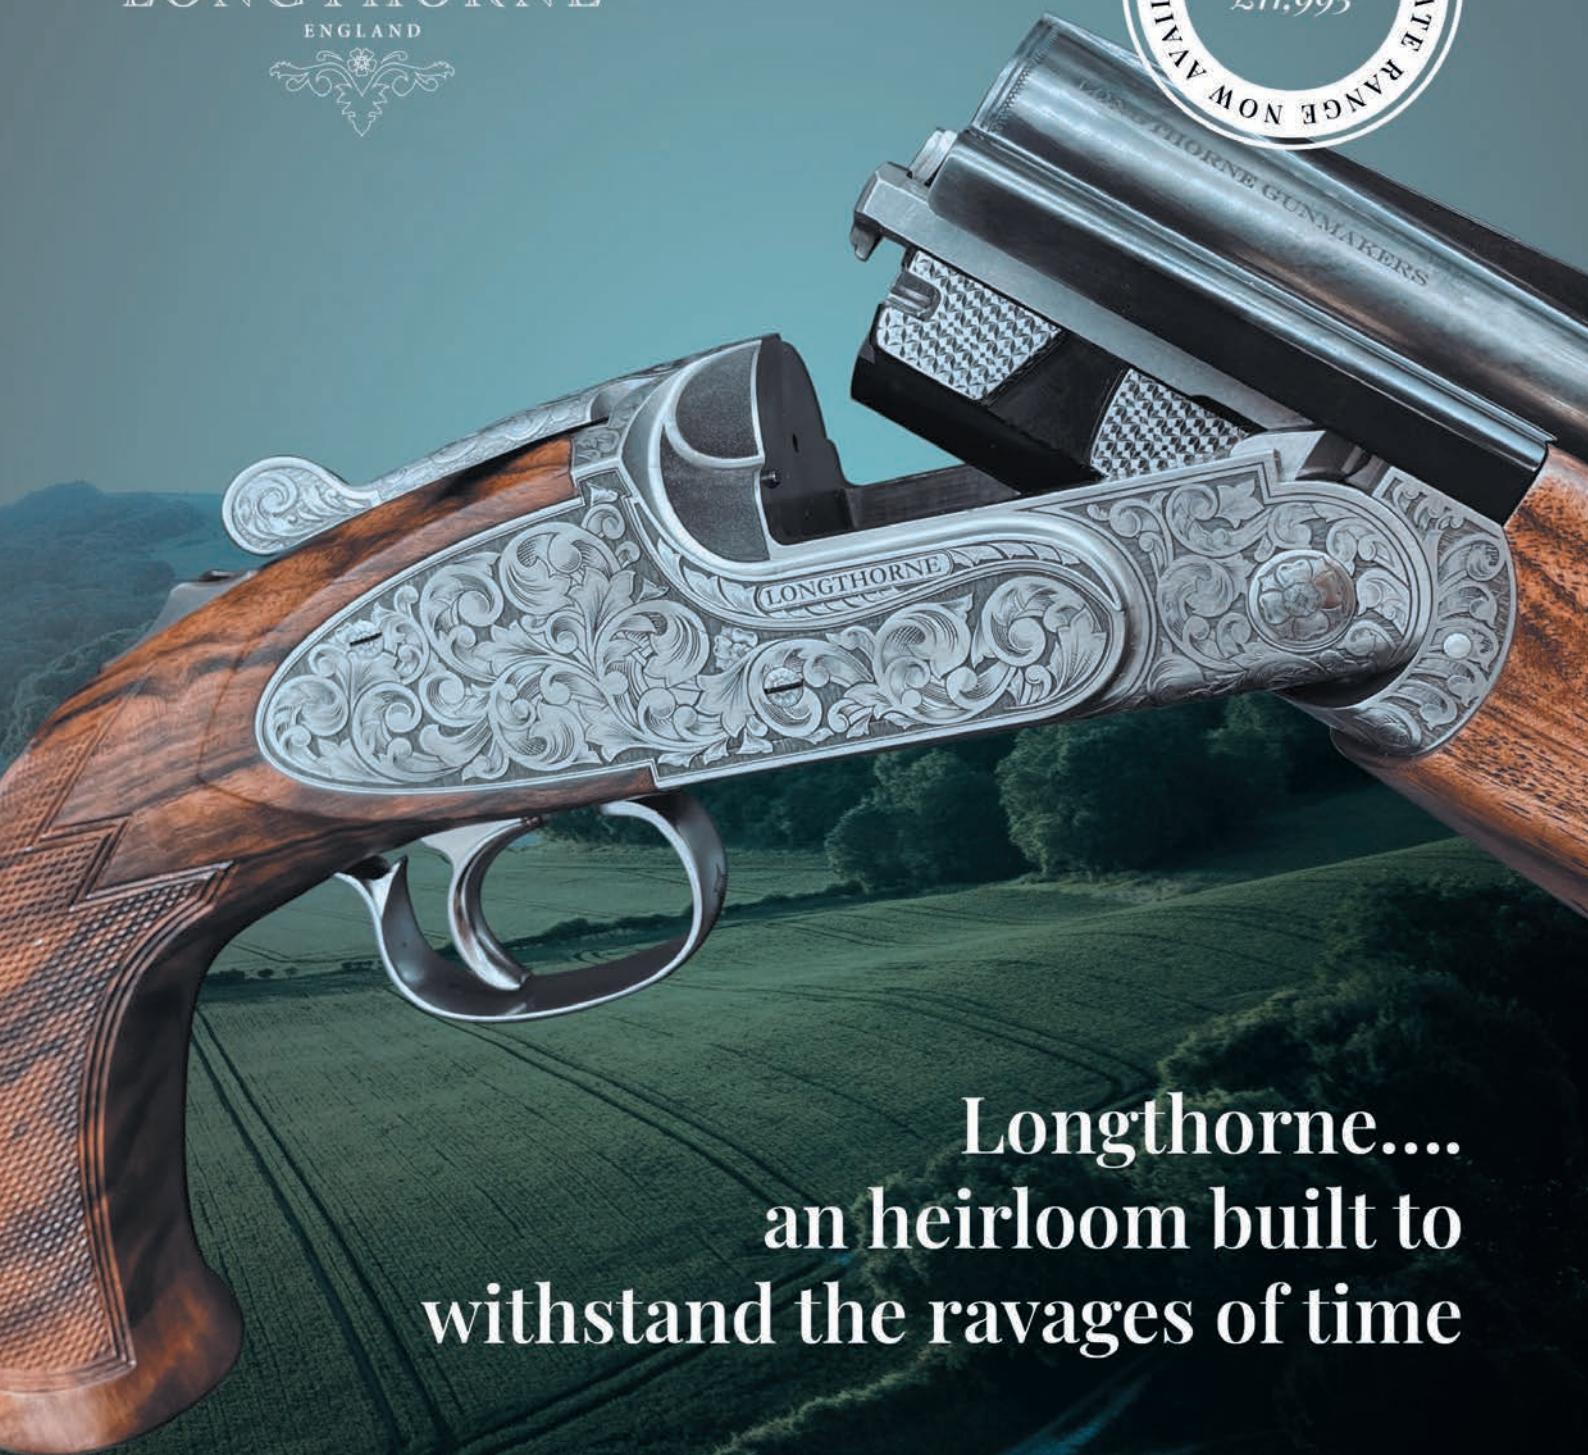

Laporte CPC, who provide me with traps and clays to support my practice and training. I've been with Laporte for five years now as well, and it helps me to get the traps out at home and work on any problems I'm having. West Country Guns help me out with glasses and other bits that I need. Loyalty is important to me and I'm grateful to have used this combination for nearly all my shooting career. In terms of support, my family are everything to me and have always supported my shooting wholeheartedly. Everyone knows me and my dad are always together, and my whole family are always there to celebrate or commiserate with!

## Q Do you have any specific goals you would like to achieve for 2022?

I think my major goal now is to win a major Sporting title. It's the only discipline I haven't won one in yet, and I want to build on the podium consistency from this year. We're going to the US for the World Sporting in April, so I'm looking for a good team result there as well. I love shooting in the international teams, so my goal for any year is always to make the England Sporting and maybe the GB FITASC team as well if I can fit in all the selection shoots!
