Off to a flyer

A

As you will read in the pages of this month's *Pull!* we got the year off to a flying start with our 6th Annual Awards dinner held at the prestigious Belfry Hotel. All the nominees were put forward by fellow members and the winners also voted by CPSA members, giving everyone the opportunity to be involved in what is now the biggest awards event in our industry. We made a move to reach out beyond the shooting world too with the choice of Sharron Davies as compere for the evening, a very experienced athlete and broadcaster in her own right who will now understand much more about our sport when she comes across our future medallists at major events. Planning for next year starts straight away so do look out for more news on how to get involved next time through the coming months.

Celebrating successes from 2016, at all levels from the grass roots upwards, was a feature of the awards dinner but there is much to build on in other ways too. As well as an increase in membership numbers, last year we saw significant increases in shooting activity with 6% more registered shoots being held, 9% higher attendance at these shoots and 15% more targets being shot at. 58% of the targets were shot in English Sporting, 17% in DTL and 6% in English Skeet amongst the major disciplines but the general trend echoes the increase in numbers we're seeing at shooting grounds around the country. This is great news for our sport and reflects the growing

recognition and acceptance we are gaining, although there is still much more to do. Do encourage friends and family to join you at your local ground and get them pulling the trigger whenever you can!

More good news for shooting came in the form of the new funding figures announced by UK Sport for the high performance programme in the Olympic disciplines. In contrast to many other sports, British Shooting's funding increased significantly taking it to £7m over four years, the highest it's ever been by a considerable margin. This not only reflects the medal success of Ed Ling and Steve Scott but also the confidence the funders have in the programme and personnel behind their success as well as the exciting plans for the future. The pathway will continue to develop too with additional support from Sport England, who have also increased their investment against the general trend, so we look forward with real confidence to getting behind these programmes in the coming years and pushing shooting forward to become one of Team GB's top performing sports. What wonders that would do for our profile and the wider acceptance of our sport.

Another encouraging sign is the resurgence we have seen amongst some of our county committees where new life is being breathed into their local activity. Cheshire were honoured at the awards dinner but others are hot on their heels in counties such as Oxfordshire, Hampshire, Lincolnshire,

Shropshire and Sussex where volunteers are lining up stands at local Game Fairs and county shows, extending their use of social media to promote their activities and our sport and coming to us for our support too. This is all available, along with promotional stands and materials, and is attracting a new breed of volunteer including some youngsters who are blazing away with their innate knowledge of all forms of social media – a great resource to capture!

One message I should promote to all members is the need to ensure you get your shotgun certificate renewal off in good time as many police forces are running quite some time behind with applications at the moment. It varies by county but it would be advisable to put a note in your diary/calendar to remind yourself at least six months before expiry so you can get the ball rolling. In some cases, for example Thames Valley, temporary extensions are being issued for six months but late applications are going to cause problems and potential extra costs, if you have to have your gun(s) stored elsewhere before your new certificate is issued.

All in all though, there is much to look forward to in 2017 so I wish you a very enjoyable start to the season and look forward to meeting many of you at grounds through the year. ●

ICTSF World English Sporting Championships

Kelmarsh Hall in Northamptonshire is the setting for the fourth ICTSF World English Sporting Championships which takes place across four days of shooting

EVENTS

THIS YEAR the ICTSF World English Sporting Championships fall in the middle of July and runs from 13 to 16 of the month. The event consists of the ICTSF World English Sporting, CPSA English Sporting and CPSA Sportrap, set by Clive Bramley and his team at Doveridge Clay Sports.

The format of the World English Sporting is 200 targets shot over two days – 13 and 14 or 15 and 16 July. There will be a 25 FLASH target Super Final, where the top five shooters plus ties will compete for the title. The maximum number of shooters is 1,032 giving a maximum estimated cash prize fund of £25,800 (£25 per actual competition event).

The 100 target CPSA Sportrap runs from the Thursday through to the Saturday. A maximum of 360 shooters will be able to shoot, giving a maximum estimated cash prize fund of £3,600. The final competition is the CPSA Sporting, which is a single day event taking place on the Friday, with the possibility of extending to the Saturday depending on entries. This event is squadded and starts at 9am with squads going out every nine minutes. A maximum of 276 shooters will be able to shoot giving a maximum estimated cash prize fund of £2,760.

Clive Bramley, who runs Doveridge Clay Sports, said, "Kelmarsh Hall is a fantastic location to host the ICTSF World Sporting Championships 2017. It

is something we are really looking forward to running and we can't wait to see all the shooters there. We will have loads of other side events which will keep everyone busy over the four days. The World Championship courses will be set in and around woodland that has never been shot in before and we would like to thank Kelmarsh Hall staff for helping us create new areas in the woodland. The course will be designed and set by myself and Dave Dumelow."

Kelmarsh Hall is located in the heart of the Northamptonshire countryside and is a Grade 1 listed house open to public viewing. Set on a 3,000 acre site, in an area of outstanding natural beauty, the venue holds a long heritage with first-class facilities to hold this

event. Two years ago this event took place at Valley Gun Club in South Africa with Martin Myers taking the Overall High Gun honours. He shoots at 3pm on the first day as he bids to retain his crown. Nick Hendrick finished runner-up to Martin in 2015 and he also shoots on the Thursday in squad 61, which goes off at 1.30pm.

There are only spaces left to book on for the Thursday/Friday of the ICTSF World English Sporting. The CPSA Sportrap is filling up fast, but still has some spaces available for each of the three days it is running and there is still a range of times available for the CPSA Sporting. Head to championships.cpsa.co.uk to book your spot now or contact HQ on 01483 485 400.

RBSS Christmas Turkey Shoots raise over £1,220 for the West Berkshire Food Bank

CHARITY SHOOT

THE ROYAL Berkshire Shooting School's (RBSS) four Christmas Turkey Shoots raised a total of £1,228.48 last year, which will be donated to the West Berkshire Food Bank.

The shooting school has run the festive clay shooting competitions since 2010. The money was raised via a fun sweepstake which saw each attendee guess the number of clays hit out of the total number sent. Entry was £5 and all the proceedings go to charity.

Roger Ryton, treasurer for the West Berkshire Food Bank commented: "On behalf of the food bank I'd like to say a huge thank you to RBSS

and everyone who donated. Christmas can be a tough time if money is tight and the food bank is as busy as ever so all donations are much appreciated. The money from RBSS will go towards keeping the premises running and funding the delivery van."

Dylan Williams, managing director at RBSS added: "The Christmas Turkey Shoots are enormous fun for everyone involved, but more importantly they raise money for a great cause. Food banks are incredibly important all year round, but even more so at Christmas time."

PULL! REPORTS FROM THIS YEAR'S HUGELY SUCCESSFUL CPSA AWARDS, WHICH TOOK PLACE ON FEBRUARY 4

Report and photos by James Marchington

L-R: British Shooting Chairman
John Harris, Steve Scott and Ed Ling

T

HE BIGGEST names in shooting gathered at the sixth annual CPSA Awards to celebrate the sport's achievements and recognise the individuals who have contributed most to that success over the past 12 months.

Former Olympic swimmer Sharron Davies MBE hosted the ceremony, at The Belfry Hotel & Resort near Birmingham on Saturday 4 February. Also attending was the Mayor of North Warwickshire, Councillor John Smitten – who, it emerged, has a keen interest in shooting and participates in field target events.

This year's Awards ceremony had a real sense of glitz and glamour, with a specialist production company engaged to add an extra level of professional polish to the proceedings.

As the 200-odd guests finished their meal, the lights dimmed and CPSA Chief Executive Nick Fellows took to the stage to introduce Sharron Davies. With her Olympic experience, she was well placed to recognise the achievements of our Rio 2016 Olympic medallists, Steve Scott and Ed Ling, who joined her on stage for an informal interview, much to the delight of the crowd.

Then it was on to the serious business of the evening: presenting this year's coveted Awards. This year more than ever, the winners were 'the people's choice' – not only were the nominees initially put forward by the CPSA members, but the members then voted to decide which nominee on the shortlist would receive the award in each of the nine categories.

The excitement built throughout the presentations, with the event livestreamed on Facebook – allowing shooters around the world to be involved and congratulate the winners instantly on social media. With many attendees Tweeting and posting from the event, it felt as if the whole shooting community was taking part.

Finally we reached the climax of the evening with the presentation of the most coveted award, Clay Shooter of the Year – and Tom Richardson from sponsors *Clay Shooter* magazine called up Britain's Rio 2016 Olympic Trap bronze medallist Ed Ling to rapturous applause.

As the evening drew to a close, and guests drifted away in high spirits to enjoy the casino and night club, the CPSA were keen to stress that the ceremony, and the Awards themselves, could not happen without the valued support of the sponsors of each of the award categories, many of them also donating prizes. Thanks to the generosity of the guests, the evening also raised £1,165 in aid of the chosen charity, Macmillan Cancer Support.

For a flavour of the evening, take a look at the livestream which remains on the CPSA's Facebook page @cpsauk, and the video interviews with the winners on the YouTube channel [youtube.com/user/cpsauk](https://www.youtube.com/user/cpsauk)

CLAY SHOOTER OF THE YEAR SPONSORED BY CLAY SHOOTER MAGAZINE

WINNER: ED LING

Ed Ling has been shooting Trap successfully for many years in his quiet, determined way, but he shot to fame at the Rio 2016 Olympics when he snatched the bronze medal in Men's Trap. Clutching his freshly won medal, in his typical unflappable style he declared he was looking forward to going home to the family farm in Wellington, Somerset, to finish the harvest – and within days he was back at the wheel of the combine.

He proved a popular winner of the Clay Shooter of the Year

Award, his name drawing a huge cheer from the crowd. Admitting that he does not enjoy public speaking, Ed said: "It's a great honour to be up here and I'd like to thank the CPSA for organising the event. I must also thank my family for all the support they have given me over the years. This is a fantastic way to round off what has been a great year for me."

He said his Olympic medal is kept safely locked away with his guns, but the Clay Shooter of the Year Award will have pride of place in his trophy room at home.

SPECIAL CONTRIBUTION AWARD

SPONSORED BY BLASER

WINNER: MARTIN BARKER

Martin Barker was well known and much loved as a Great Britain shooting coach and the proprietor of Nuthampstead Shooting Ground, which became one of the homes of the GB Talent Pathway. He was acknowledged as 'the father of Double Trap' by the Olympic team, and he personally coached Rio 2016 athletes Tim Kneale and Steve Scott. Martin was actively involved with shooting

right to the end, and it sent shock waves through the sport when he passed away in August after his battle with cancer.

There was barely a dry eye in the house when he was posthumously awarded the Special Contribution Award. Martin's wife Nicky and son Ed accepted the award on his behalf. Nicky said: "It means a huge amount to receive this Award on his behalf. He enjoyed giving so much of his time and was not particularly recognised in his lifetime so he would have been absolutely amazed to receive this, so it's a great honour."

YOUNG SHOT OF THE YEAR

SPONSORED BY GMK BERETTA

WINNER: AMY EASEMAN

Amy Easeman has achieved remarkable success at an early age, last year winning her first England cap for FITASC Sporting to shoot alongside her proud father Phil – the first time a father and daughter have shot together in an England international. She was delighted with her Award. "It's absolutely brilliant, it just tops off the year, the cherry on top. It's overwhelming."

Amy, who celebrated her 16th

birthday in January, commented that her exams will have to take priority over shooting in 2017, but she is still looking forward to competing at home and abroad this year. She wanted to thank Browning, Hull Cartridge, Promatic and R&K Stockcraft for all their support along the way, and had another huge thank you to her family and friends, especially to her dad Phil "as without him nothing would have been possible".

DISABLED SHOOTER OF THE YEAR SPONSORED BY EASY HIT

WINNER: ANDY WOMBLE

Andy Womble attended the dinner but was unable to collect his Award in person. Afterwards he was characteristically humble about it: "I'm honoured to receive the Award, but it's a bit embarrassing really because there are some very good disabled shooters out there that don't get much recognition," he said.

Andy was unable to shoot for most of 2016, after being taken seriously ill with pneumonia and a blood infection in April. By September, however, he had recovered enough to travel to the Para Grand Prix in Italy, where he excelled himself by winning the gold medal.

He paid tribute to "a few people who helped make it happen," including the doctors and staff at Barlborough Medical Centre and Chesterfield Royal Hospital.

COACH OF THE YEAR SPONSORED BY BROWNING

LINDA GRAYSON: WINNER

Linda was a popular choice for the Coach of the Year Award, and was positively bouncing with excitement as she left the stage. "I'm over the moon, absolutely chuffed to bits," she said, adding that she hadn't expected to win as the other nominees were considerably more experienced than her. "I've only been coaching for about two years," she explained.

Linda has, however, shot more

than a dozen times in the Great Britain and England teams, and says she now wants to pass on her experience. "I do enjoy teaching youngsters and ladies more than anything," she said. "I love to see the enjoyment on their faces. Some people say, why do you want to teach somebody who's going to be your competitor, but if they beat me I love it, because it shows I'm doing my job properly." Linda is currently coaching part-time but hopes to devote more time to it in future.

CPSA ANNUAL AWARDS

Cheshire County Committee with Jonathan Mitchell from Laporte CPC

COUNTY COMMITTEE OF THE YEAR SPONSORED BY LAPORTE CPC

WINNER: CHESHIRE

Cheshire won the Award for County Committee of the Year, a testament to the hard work and time the Cheshire committee have put into developing their

website and social media to improve communication with shooters and reach a wider target audience in the region over the past 12 months. "It's a privilege and honour to win it," said Kevin Howarth, stressing that the Award is really for everyone on the team, and those who support them.

"It's all about communication," the committee agreed. "Getting the information to the shooters in all the different disciplines about what's happening, where the

different selection shoots are." Jim Rogers added: "It's more inclusive now for Cheshire shooters; it's easier to participate. We're keen to encourage more young shooters and lady shooters in Cheshire."

Kevin Howarth explained that the team sees its role as creating the opportunity, so the shooters can deliver, and they do. "We've seen a record 16 new caps join the team this year, and gained a lot of sponsorship, it's a lot of progress." In the coming year they will be focusing on

encouraging shooters into Olympic Trap and towards British Shooting's Talent Pathway. Along the way, they are keen not to lose the fun element of shooting, and are proud of the team spirit, plus they raise a significant amount of money each year for their chosen charity, the North West Air Ambulance.

CLUB/GROUND OF THE YEAR SPONSORED BY PROMATIC

WINNER: E.J. CHURCHILL

The Ground of the Year Award went to E.J. Churchill in High Wycombe, and was collected by the ground's Business Development Manager, Victoria Tetley, who commented: "It's amazing. The team will be absolutely delighted when they hear we have won this Award."

Nick Fellows, Chief Executive of the CPSA, said that Rob Fenwick and his team at E.J. Churchill had done a superb job hosting the CPSA World English

Sporting Championships in 2016 and this had clearly been recognised by the members. He added: "With nearly 2,200 entries from around the world, it was a wonderful occasion to showcase our sports, and the event was executed brilliantly."

Rob Fenwick, managing director of E.J. Churchill, said: "I am extremely proud to have won the award for Shooting Ground of the Year. As we celebrate our 125th year, it is a true testament to the continued hard work and dedication of the team here at E.J. Churchill."

DEVELOPMENT INITIATIVE OF THE YEAR

WINNER: CHERYL HALL

"It's absolutely amazing," beamed Cheryl. "I can't thank everybody enough for voting for me for this award. The recognition for what you've put into the sport is just amazing." Cheryl has done a great deal to promote ladies' shooting over the years, but what really caught the eye last year was her efforts as ambassador for the Shotgun & Chelsea Bun Club, encouraging female shooters to compete in the English and British Open Sporting Championships.

"We wanted to get more ladies out into the competition scene," she explains. "Victoria [Knowles-

Lacks of the Shotgun & Chelsea Bun Club] has introduced a lot of ladies into the sport but we wanted to progress them into the competition scene, so we mentored them around the English and British courses this year. So ladies that haven't shot a competition before have the opportunity and the confidence of having someone right behind them." In all, Cheryl and a colleague introduced about 80 ladies across both events, accompanying each squad around the course. "That's a lot of ladies – and a lot of them have signed up for this year's championships as well."

Cheryl said it was great that her efforts to put something back into the sport had been recognised with the Award, and acknowledged the support of the event's sponsors as well.

VOLUNTEER OF THE YEAR SPONSORED BY SPORT ENGLAND

WINNER: JULIE SPERLING

"I don't know how to put it into words, I'm still shocked," said Julie as she left the stage clutching her award. Julie has been the Chair of the Disabled Shooters Group for eight years, and represents disabled shooters on the Board of Disability Shooting GB. She is now concentrating her efforts on the Para Clay Project, which has seen

clay shooting recognised by the International Paralympic Committee, leading to the first World Cup in 2017 – and the possibility of clay shooting becoming a Paralympic sport by 2024. It's been a long road, "18 years in the making," says Julie.

She added that the Award is extra special because this year it was voted by the members. "It means that we're getting the message out there."

Holland & Holland Shooting Grounds

STEVE DENNY, DIRECTOR OF OPERATIONS,
TELLS PULL! ABOUT THE OLDEST CLAY
PIGEON VENUE IN THE WORLD

AT A GLANCE

Address: Ducks Hill Road, Northwood, Middlesex HA6 2ST
Opening times: Mon-Sat, 8:30-17:30
Website: www.hollandandholland.com
Facilities: Sporting and five-stand, 60+ permanent stands, as well as many more temporary ones that are frequently changed.
Events: Currently lessons, private shooting parties and corporate events. We have been awarded CPSA Premier Plus status and plan to host registered shoots later this year.

Q: How long have you been shooting?

A: I started shooting with my father at age nine and had my first licence at 11; like most shooters of my age I went from a single barrel to a side by side and onto an over and under in 1975.

Q: How did you come to work here?

A: I got my first job in the gun trade in 1975 and have been involved ever since. I became a full time shooting instructor in 1983 at West London Shooting Ground and after stints at Royal Berkshire as Chief Instructor and Manager/Director at West Wycombe (now E.J. Churchill) I have been the Director of Operations at Holland & Holland Shooting Grounds for the past 18 years. Everything that happens at the grounds passes over my desk, so I'm involved in pretty much everything that happens here.

Q: What is the aim of the ground?

A: Our mission statement pretty much sums up what we are about: It is our policy at Holland & Holland to promote shooting in all its forms to the widest possible audience in the overall interest of the sport.

Q: How has the ground developed over the years? What are your plans for it?

A: Originally in Kensal Green, Holland & Holland moved to Wembley in 1910 and to our current site in Northwood, Middlesex, in 1932. It was a sleepy place 20 years ago but it's buzzing now. We are in the final stages of a £4.5 million redevelopment that will give us the largest and most luxurious clubhouse in the UK; it has a large lounge with a bar and six other meeting and dining rooms, plus all of the infrastructure to service such a large building, including hard car parking for 200 cars. It will be ready late April. I can't give all our secrets away, but keep looking at our website for news about all the new stuff that's coming up.

Q: What is the clay shooting scene like where you are?

A: We are very busy, hence the huge investment we have just made; time will tell whether it was wise or not.

Q: How has the scene changed over the years?

A: Clays used to be the poor relation to game shooting, but these days everyone seems to be shooting high grade guns and there seems to be a lot less smaller shoots and more 100-bird registered Sporting events. I used to be a keen Skeet shooter in my younger days and have just started to compete again, but Skeet doesn't attract the entries like it used to in the 1980s.

Q: What are your current aims?

A: We are a commercial venue so need to be profitable, but appreciate that the sport needs new blood or will die; to that end we run subsidised courses, ladies events, young shots days and lessons. We were just about the first venue in the UK to offer specialist ladies courses and our young shots days have been running for 30 years. ●

BERETTA

690 III DL SPORTER

REVIEWER: Vic Harker

SO LONG as the centrefire cartridge introduced in the second-half of the 19th century remains in its present form, firearms and most particularly Sporting guns will not alter fundamentally in their design. That does not however discourage gunmakers from constantly refining their products and my gun test this month, the new Beretta 690 III DL Sporter, is an example.

This is a direct descendant of its Italian maker's S series guns which revolutionised shotgun manufacturing. By Beretta investing in state of the art machinery, so accurate a gun's component parts could be finished and assembled in one operation, the huge savings this provided ensured the future of their company. Rather than looking to other countries to produce their guns more cheaply, Beretta still have their production in the Gardone Valley in Northern Italy as they have done for centuries.

THE ACTION

Although the Beretta 690 is made by modern cost-efficient methods, it is cleverly designed, durable, reliable and also very elegant. Combining sculptured fences and raised side panels that are game scene engraved, this Beretta has both purposeful and elegant good looks. This in part is achieved by

creating an action body that has as low a profile as possible, by locating the locking mechanism above the bottom barrel rather than below it which would create a much deeper and heavier-looking effect. Usually this requires an expensive and complex system of draws and wedges, machined in the barrels' monobloc and the internal walls of the action body. In the case of Beretta's 680 and 690 series guns, a design similar in principle is incorporated employing the maker's signature external trapezoidal shoulders "integral to the barrels' monobloc" which locate in recesses machined at the sides of the action body. This arrangement is secured by means of a U bolt coming forward through the breech face and locating with recesses in the external shoulders.

STOCK

As Sporting clays supposedly replicate the flight of gamebirds it is to be expected the Sporter shotgun should bear some resemblance to a Game gun. This is particularly important in the matter of stock design that should complement a gun mount that begins with the gun stock out of the shoulder. Mandatory under FITASC rules, it is still considered best practice for other forms of

Sporting clays and the 690's stock configuration assists in the practice of this technique particularly well. Encompassing a slim tapered comb it locates comfortably at the face when suitably mounted from the gun down position. The grip has an open radius that complements this technique and in addition encourages a hands in line hold with a well executed Schnabel forend. The recoil pad is of the best kind for a Sporter gun: solid rubber, slim, flat backed, and allowing the gun into the shoulder pocket without any kind of snagging.

BARRELS

The barrels, bored at 18.6mm, pivot on stubs behind the action knuckles and feature the only kind of rib I like on a Sporter, flat and tapered from 10mm-7mm, very pointable without providing any kind of distraction. Hand detachable chokes are now a 'must-have' for Sporting as it has become a very competitive game, which means you must provide yourself with all the help you can get and that includes the correct choke borings for any given range. The 690's five 70mm long Optima chokes will provide just that.

SHOOTING IMPRESSIONS

Tipping the scales at 7lbs 9oz, the 690 has that indispensable quality

of balance essential to a Sporter shotgun if it's to be used to its best advantage. Not overly heavy by modern standards, it's light enough to deal with fast short targets, but with a barrel weight of 3lbs 5.3oz, it has sufficient forward momentum to deal with the longer ones.

Shotguns of every type and specification can be labelled as a Sporter nowadays, so the 690 stands out as a classic in terms of its handling qualities and general suitability for purpose. Ideally a Sporter should be an all-rounder, by which I mean a gun that provides you with the confidence to deal with targets at any given range, height or speed. Too often I handle guns that are clearly only suitable for the longest targets and which it is unlikely I would ever be confident with in every situation. This would be possible with the 690 and is why it comes highly recommended. ●

K

eeing records of your days at the shooting ground is a great way to identify problem areas and track your progress. The more in-depth the records, the easier it is to recognise the reasons for positive and negative days.

Coaches will help you develop your record keeping to gain the full benefit and discuss notes made when you are shooting on your own. Things to keep track of are:

- Time of day – are you shooting in the morning or afternoon? Do you tend to shoot better or worse in the morning or afternoon? This could be down to naturally having more energy at certain times of day or depend on your sleeping habits.
- Eating/drinking habits – to maintain energy you need to feed and hydrate your body throughout the day, including breakfast! Experiment with your eating habits, including the

days prior to shooting, and if you are keen then you could seek some diet advice that fits into your lifestyle.

- Different grounds – it is easy to feel more comfortable at certain grounds. Note how you perform at each ground and note the differences; it could be the targets are easier/harder for you.
- Types of targets – if the targets appear 'stiff' don't be nervous, or if they seem easy don't be casual. Whether on a Sporting ground or one of the Trap or Skeet disciplines, accept the targets for what they are, plan how you will tackle them and just shoot the target in front of you.
- Weather conditions – weather can affect the targets, but also the mentality of the shooter. If you are a fair weather shooter and the weather is horrible, make a choice: stay at home or wear suitable clothing and go for it!
- Shooting companions – when you are not working with your coach, do you shoot better when you are with

buddies than with strangers? Try to work out why and put yourself in situations to learn to achieve a good performance no matter who is on the range with you.

- Self-analysis – are you more successful when working one-to-one with your coach? This could be because you are relying on your coach for feedback as soon as something goes wrong. Work with your coach to develop your own skill in identifying and rectifying errors/weaknesses.
- Change of technique – whether you have made changes to your technique generally or on a particular target, it is important to stay with it until you and your coach are content the change is right for you. Keeping notes on this will evidence the progression (or not) of the changes.
- Dry training – hugely beneficial from novice to elite to build muscle memory. Tip: do not look at the gun when dry training.

TIPS FROM THE COACHES

**JOHN ROBINSON,
HEAD SHOTGUN
COACH IN THE
COMMONWEALTH
GAMES 2014**

- If you don't understand what your coach has told you then ask. It is our fault as coaches if you don't understand us, not yours!
- Make sure you get some written comments/plans from your coach, not just verbal, as you will never remember everything they said. An email follow-up is by far the best way for both sides.

**CHRISTIAN
SCHOFIELD, BRITISH
SHOOTING TALENT
COACH**

- Profile every aspect of your performance – give a score to every element and ask your coach to do the same. The aim is to see whether what your coach thinks of you is the same as what you think. The areas of difference are always the most interesting.
- Your coach should help shape your training to develop your self-awareness and help you take responsibility for your own training. You should find the answers from the coach's intelligent questioning. If you are told the answers you will probably learn very little and may become over-reliant on your coach.

JACK CAVILLA TALKS TO ENTREPRENEUR AND KEEN SHOT
ALLY STEVENSON ABOUT HER BUSINESS AND SHOOTING AMBITIONS

L-R: Richard Worthington,
Ally Stevenson, Kevin Luff
and Jack Cavilla

A

lly Stevenson appeared on BBC Two's Dragons' Den in January 2015, seeking to gain investment in her business, Clean Heels. When she appeared on the show, she had never even held a gun. Flash forward two years and she is now looking to shoot in championships and beyond.

"I first tried shooting in the summer of 2015 at a friend's wedding," she explains. "The morning of the wedding she had organised wine tasting, archery and clay shooting. It was the first time I had ever shot, but I really enjoyed it."

The Hampshire-based entrepreneur didn't immediately pursue the sport after her first experience. It was only when attending an open day at Fareham Clay Target Club last year, where she met Kevin Luff, that she really took to it.

"I have always been sporty, but this all came to a halt after being diagnosed with breast cancer; after four years of treatment and chemo I went back to netball, playing for a Division 1 netball team, which was very competitive.

"After an injury I had to give up, so this led me to clay shooting. I love being outdoors and have met some lovely people making the sport really enjoyable. I'm always looking to beat my last score and I find shooting with lots of different people pushes everyone to be better."

Having received backing from Deborah

L - R: Deborah Meaden, Ally Stevenson and Kelly Hoppen

“

BOTH DEBORAH AND KELLY LOVE THAT I HAVE TAKEN TO THE SPORT, AND SEEM QUITE IMPRESSED BY IT ALL

Meaden and Kelly Hoppen in the Den, Ally's Clean Heels – heel stoppers which prevent high heels sinking into grass and protect wooden floors – has continued to grow, giving Ally the opportunity to get to the shooting range as much as she can in her spare time.

"At the moment I shoot twice a week. Once at Bisley, where I've had lessons with David Dale, and then somewhere else. I particularly enjoy English Skeet, but I would like to shoot more English Sporting as well. It's all about shooting as often as I can and improving for now."

A glance at some of Ally's registered scores reflects this. Going back to July 2016, the Hampshire local was recording scores in the mid-50s out of 100 in English Skeet. She now regularly posts scores in the high 70s and has a personal best of 88. Clearly hooked by the sport, her thoughts are firmly on what lies ahead.

"I'm going to shoot in the Beretta World Championships in 2017 and anything else that I might be able to do. Both Deborah and Kelly love that I have taken to the sport, and always seem quite impressed by it all."

"I recently purchased my first gun, a Beretta 686 Silver Pigeon. I'm also looking to try and get a sponsor as well, but I don't want to be shooting with a sponsor on my back until I am seriously competing."

Although her business partners have yet to visit the range, Ally has still been able to plug her heel stoppers whilst out shooting.

"I was chatting to Amber Hill in the café at Bisley before going out to shoot one day. I had some spare heel stoppers in the car, so gave her a bag for family and friends; I know she loves her fashion and heels as well."

While improving her shooting scores and entering competitions are on the agenda for Ally next season, she is still always thinking of new ideas.

"When I started shooting I found a gun quite heavy, and you want to be resting your arm when you are walking around grounds and courses. I've already thought of something for that – but that's all I'm going to tell you!"

LOOKING AT OUR MEMBERS' shooting performances during 2016 we can all be proud yet again of what they have achieved. I believe most members would see the Rio Olympics Bronze medals won by Ed Ling in Olympic Trap and Steve Scott in Double Trap as the pinnacle of the year's performances.

However, we have cause to celebrate across all the disciplines so I will start with the Home Internationals:

English Sporting saw a clean sweep in all the team categories with Josh Bridges winning Juniors, Martin Doughty Vets and Ian Hallwood Super Vets.

DTL also saw a clean sweep in all team categories with Owen Vining winning both the Junior and the New Cap High Gun.

English Skeet likewise saw a clean sweep in all team categories with Andrew Parsons High Gun, Ben Ludford-Brooks Junior HG, Wendy

Allen Ladies HG and Bill Moussalli Vets.

FITASC saw us winning Open, Junior and Vets team events with Billy Baughan winning Juniors and Martin Doughty Vets.

ABT produced winning teams in Open, Ladies and Vets and High Gun went to Mark Shaw with Katie Cox winning Ladies.

Olympic Trap saw an Open team win also the combined L/J/V/SV team prize. Caroline Povey won Ladies, Michael Bovingdon Juniors and Chris Tate Vets.

Olympic Skeet likewise won Open team and combined L/J/V/SV. New Cap James Rounsevell won both Juniors and New Cap, Lara Dale Ladies, Frank Miller Vets and Steve Miller Super Vets.

The World English Sporting produced the Waktare Trophy for England as well as Vets and Super Vets team wins with Kevin Jobling winning Vets.

The British Open DTL saw a win for our Ladies team, with Paul Chaplow taking High Gun and Emma Holden Ladies High Gun over the two days.

On the international stage, apart from the Rio successes mentioned, we saw George Digweed taking Silver at the European Compak and also at the World FITASC.

Mark Winser and Carl Bloxham took Silver and Bronze respectively at the European FITASC.

Amber Hill collected Bronze at the ISSF Olympic Skeet World Cup in San Marino and Matt Coward-Holley took Bronze in Double Trap at the ISSF European Championships.

Congratulations to one and all!

In terms of our fiscal performance we achieved an income of £1.9M against £1.6M in the previous year. Our surplus was £42K which will be added to our reserves in line with the recommendations of our auditors haysmacintyre. As explained previously our income goes up or down depending on how many, or how few, championships we hold in any given year. This last year we held a very successful World English Sporting which helped income considerably. I should perhaps say that income is always linked with

expenditure – what comes in predominately goes out again in costs and the challenge is to retain a small portion of that income. Contrary to a misconception held by some members, we do not make a big surplus on any of our events. The objective is to cover all costs and retain a small surplus which we do manage to do in most, but not all, instances.

Sponsorship obviously helps in attracting shooters to compete in events and we are very appreciative of those organisations that support us regularly. However, our sponsors are commercial enterprises and, understandably, expect a return on their investment so it is imperative members support as many sponsored championships as they are able to within their chosen disciplines so that sponsors are encouraged to continue supporting our events.

Our new computer CRM (Customer Relationship Management) system has settled down, is working well and continues to be developed. The next technology aspect, which will be very visible to members and is planned to come on stream in the first quarter of 2017, is a complete revamp of the website making it more user friendly and especially so for potential new members who will be able to 'look around' at various aspects of our sport and hopefully become hooked.

Once again, I would like to acknowledge the invaluable contribution to our association made by all those members spread over the length and breadth of the country who beaver away behind the scenes for little or no reward including, but not limited to, our county and regional committee members, team managers, referees and safety officers, coaches and instructors. I would also extend my thanks to the head office staff and my fellow volunteer directors for their input over the last 12 months.

Finally, I would like to wish all members, be they old, new or prospective, a successful year and much enjoyable shooting.

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the Company's financial statements and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

RESULTS AND REVIEW OF BUSINESS

Membership fee income increased in the year by 2.3% through a combination of an increase in fees and membership numbers. The major variance on income in the year is in respect of Major Championships. In 2016 the World Sporting Championship was held in England (2015: USA) and, as a result, the Company received event income during the year.

The surplus for the year, after taxation, amounted to £42,956 (2015 – deficit of £10,633). The surplus includes costs incurred during the year of £22,800, relating to the new database. An equivalent amount has been released during the year from the designated reserve, and as a result the general reserves have increased during the year by £65,756, and the remaining amount within the designated reserve is £nil.

DIRECTORS

The directors who served during the year were:

T R Bobbott (Chairman)
W A Heeks (Deputy Chairman)
M Conway
DJ Jellicoe (resigned 19 March 2016)
C Smith
J Kitson (resigned 5 March 2016)

V Knowles-Lacks (appointed 12 May 2016)
J T Martin (appointed 19 March 2016)

RESERVES POLICY

The Clay Pigeon Shooting Association aims to keep free cash reserves for four to six months of core activity expenditure, therefore giving a target range of £500,000 to £750,000 of free cash reserves.

Free cash reserves at 30 November 2016 were £543,622 (2015: £523,251). We continue to be mindful of the need to improve the free reserves whilst making appropriate investments in the organisation.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 NOVEMBER 2016

1. GENERAL INFORMATION

Clay Pigeon Shooting Association is the national governing body for clay pigeon shooting in England. The company remains committed to promoting excellence in the sport.

The company is a private company (registered number: 3146770) limited by guarantee and was incorporated in England and Wales. The company's registered office is Edmonton House, Bisley Camp, Brookwood, Surrey, GU24 0NP.

2. ACCOUNTING POLICIES

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The following principal accounting policies have been applied:

2.2 Income

Income is recognised to the extent that it is probable that the economic benefits will flow to the Company and the income can be reliably measured. Income is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Membership income

Income arising from annual memberships is recognised in the month of receipt. Memberships lasting greater than one year are recognised over the period of the membership term.

Sponsorship income

Income arising from sponsorship is recognised over the period of the sponsorship term. When the sponsorship is linked to a particular condition, income is recognised when the specific condition has been met.

Competition and course income

Income arising from competitions and courses are recognised when the competition or course takes place.

2.3 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Freehold property	- 0% straight line
Property improvements	- 10% straight line
Motor vehicles	- 25% straight line
Furniture, fittings and equipment	- 25-33% straight line
IT development	- 20% straight line

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of Comprehensive Income.

2.4 Stocks

Stocks are stated at the lower of cost and net realisable value, being the estimated selling price less costs to complete and sell. Cost is based on the cost of purchase on a weighted average basis.

At each balance sheet date, stocks are assessed for impairment. If stock is impaired, the carrying amount is reduced to its selling price less costs to complete and sell. The impairment loss is recognised immediately in income or expenditure.

2.5 Debtors

Short-term debtors are measured at transaction price, less any impairment.

2.6 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

2.7 Financial instruments

The Company only enters into basic financial instruments that result in the recognition of financial assets and liabilities like trade and other debtors and creditors.

Trade debtors and creditors are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration expected to be paid or received. However if the arrangements of a short-term instrument constitute a financing transaction, like the payment of a trade debt deferred beyond normal business terms or financed at a rate of interest that is not a market rate or in case of an outright short-term loan not at market rate, the financial asset or liability is measured, initially, at the present value of the future cash flow discounted at a market rate of interest for a similar debt instrument and subsequently at amortised cost.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Comprehensive Income.

2.8 Creditors

Short-term creditors are measured at the transaction price. Other financial liabilities are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

2.9 Operating leases: the Company as lessee

Rentals paid under operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the lease term.

2.10 Pensions

Defined contribution pension plan

The Company operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the Company pays fixed contributions into a separate entity. Once the contributions have been paid the Company has no further payment obligations.

The contributions are recognised as an expense in the Statement of Comprehensive Income when they fall due. Amounts not paid are shown in accruals as a liability in the Balance Sheet. The assets of the plan are held separately from the Company in independently administered funds.

2.11 Interest income

Interest income is recognised in the Statement of Comprehensive Income using the effective interest method.

2.12 Designated reserves

Designated reserves relate to allocated future costs associated with designing and implementing a new membership database. Funds are released from the reserve as and when the costs are incurred.

Championship dates

We now have most of the Championship dates filled in on the calendar. You can find the calendar and list of fixtures on our website and Facebook page (www.facebook.com/cpsaNorth).

An important date to note is March 19, which will be the first Malcolm Midgley Memorial Trophy shoot to be held within the North of England (CTC York). The competition will consist of 100 All-Round targets and there will be generous cartridge prizes from Eley (c/o Rob Hall), Hull (c/o Paul Chaplow) and Victory (c/o Richard Blacker and Tony Heeks), plus a rather nice trophy for the winner. £5 from the entry will be donated to Macmillan Cancer Research by Phil Thompson. We expect this shoot to be very well supported, so please book with the ground to guarantee your place.

With all the upcoming dates, it is advised that you always check with the grounds before you travel in case of any alterations or whether you need to book on.

Jan 8: 50DTL and 50ABT – Penrith GC

This was Penrith's first shoot of 2017 and it turned out to be a busy day. The weather was bright and dry which produced some good shooting.

Tom Robinson had a perfect score for 50 DTL with 50/150, winning High Gun. Tom was closely followed by Tony Common and Jeff Cole on 146/150. Les Elwell and Dave Bell were next, close behind on 145/150, then finally Ian Johnstone and Deryck Ridley shot 143/150. George Brown won High Gun in the ABT with 47 ex 50, with Les Elwell just behind on 45 ex 50.

Two young shooters also joined us for the shoot including Garry Sayles (whose journey took two hours instead of the four hours that it can take him!) – it is always a joy to have him.

Overall, the day started with a bang and continued to get better as it went on. There were no damp squibs here!

Jan 22: 100 DTL, TCS Gibson Trophy – Penrith GC

This was our first 100DTL shoot of the year and, while the weather was cold, the shooting was hot! John Hunter kept the shooters moving and Fisherman's Friends were in good supply thanks to Ronnie Chapman.

There was a shoot-off between Les Elwell and George Brown for the trophy and High Gun as both ended on 98/292. It was a tense shoot-off but Les Elwell won the day. Tim O'Brien and Garry Sayles ended on 290, Tom Robinson on 289 and Ian Douglas, Deryck Ridley and P Dickman ended on 287.

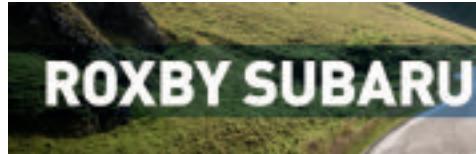

A number of people have mentioned to me what a lovely chap T Gibson was. Just taking the time to recall the friendships developed over the years of a shared interest is a great way to remember a fellow shooter. I'd like to thank Dave Wright for donating a new clock for the clubhouse on his behalf. We are now ticking along with the best of them. Lesley Macbeth

If you are attending any of the shoots this year and would like to send a report or pictures for Pull!, please contact me at my email address (see left). Your input would be very welcome!

T34 DESIGN

Above: The Spirit of Liverpool which Merseyside's trophies will be based on

We are now a few months into the new Committee and have held a few meetings to discuss how we can best meet the needs of the Merseyside shooters. Our aim is to bring the County Championships closer to home; clearly we can't hold everything on our doorstep but we will endeavour to do so with the major events.

Following on from this, the committee has commissioned local artist Rick Myers (who designed the Spirit of Liverpool statue) to design a trophy for us. Hopefully these will be ready in time for the first championship on February 26.

We have a number of dates for your diaries which can all be found on our website and Facebook page. Please see below for the latest upcoming fixtures and remember to double-check the dates before travelling.

Until next month, shoot straight!

The Perazzi High Tech has been the choice of champions since its launch in 2015.

Based on the legendary MX8 which took the shooting world by storm in 1968, the High Tech has also quickly gained a reputation for itself. **County championships and selections**

The Committee is currently organising shoots for selections and County championships. Unfortunately, some of these will clash with other events – this cannot be helped as there are only so many weekends in the year.

Mar 12: Help for Heroes Friendly Challenge

The annual Help for Heroes Derby vs Nottinghamshire Friendly Challenge has been arranged for March 12. The DTL and Skeet leg will take place on March 19. Both of these shoots will be the first Derbyshire Team Selections. Please come along and support these events. Top-10 scores are to count from Seniors, Ladies, Veterans and Juniors.

Wanted

Seniors, Ladies Juniors and Veterans are wanted for Inter-counties Teams. If you wish to be considered, please come along to the selections or County championships and give them a try.

If you have any news or results for either the website, *Pull!* or our Facebook page, please contact Geoff Flint at geoffflint@rocketmail.com, derbycpsa1@rocketmail.com on 07778 639691, or any of the shoot reps.

Unfortunately due to the *Pull!* submission date, I cannot offer a view on the Gloucestershire CPSA AGM and the presentation of the 2016 County Championship Awards. However, the grapevine alluded that Chairman Steve Clarke and Treasurer Judith Gilder will be joined by Stewart Keen who will take up the role of Secretary. We will also have the services of Doug Pinnegar to update and maintain the County's social media output.

I can, however, blow the trumpet for our 2016 County winners. These were:

English Sporting: Champion: Steve Burnham (A Class), Richard Webb (AA Class), Mike 'Pep' Peppard (B Class), Joanna Herbert (C Class), Judith Gilder (Ladies), Harry Lovatt (Juniors) and Phil Blakeway (Veterans). **English Skeet:** Champion: Paul Tudge, Cliff Gardner (A Class), S Golding (B Class), Sue Tippett (C Class). **FITASC:** Richard Webb. Ladies FITASC: Joanna Herbert. **All-Round:** Matt Panter. **Olympic Trap:** Matt Panter. **DTL:** Shaun Porter. **ABT:** James Boulton. **DT:** Shaun Porter. **Skeet Doubles:** Paul Tudge. **Olympic Skeet:** Paul Tudge. **UT:** M Jones. **Single-Barrel:** Ian Coley.

After many years of service, Paul Tudge is stepping aside from County Skeet management. Nick Orchard has stepped up and we wish him well.

We have many opportunities for team involvement at County level at all events. Can more of us be encouraged to participate in as many of the West Midlands and National Inter-county events that the County has the opportunity to compete in?

County team management can seem a pretty thankless task – I hope that each and every one of us can fully support the managers by also competing individually at the County events where we enter full teams.

While the bleak winter period saw a break in the Trap events, the hardy Sporting shooters remained shooting and so our grounds all boasted good entries over the festive period. Amongst the many impressive performances, Stewart Keen won A Class shooting 95 ex 100 at Owls Lodge.

Westfield saw a full house on January 8. Mark Thomas won A Class with 89 ex 100 and Gnarly Potter was first in B Class with 86 ex 100. C Class saw a tidy spat between two of the oldest shots in the County – Alan Paine took first with 77 ex 100

and Eric Pritchard apparently "lost his way" with 71 ex 100.

Please do keep an eye on the CPSA fixtures. In no particular order, Coleys, Gloucester, Longridge, Westfield and Windrush all put on a good number of registered events – do give them all a go.

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

Colin Butler

A belated Happy New Year to you all – I hope you have wintered well. On behalf of the East Midlands CPSA committee, I would like to wish you all a good season's shooting in 2017. We look forward to seeing you at some of our events.

While the competition season may close around October and not really kick-off again until March, a Committee's work is never done. With 2016's final shots still ringing out, the planning began for the new season. First, we held a meeting to produce the 2017 fixture list, then we held an additional meeting to plan for the new season.

One outcome of that meeting was the agreement to purchase flags and banners to display at all our Regional and Inter-counties shoots. Don't forget to look out for these – it's hoped that they will make each event feel more like a championship and help them stand out from regular 100-bird shoots.

This year's fixture list is a little different than last year's, with two grounds (Priory and Highwayman's) hosting their first fixtures for the Region and welcoming back Grange Farm. I'm also pleased to announce that we have five different venues for our Inter-counties shoots. Hopefully this will encourage some great shooting.

By the time you read this, the East Midlands AGM may well have taken place; we will have a new Committee and the presentations of the annual awards will also have been made. There will be more news and photos of that next month.

We still have a vacancy for the role of Minutes Secretary following Hazel Whiten standing down at the end of last season. If you are interested in taking this role on, the rate of pay is £50 per meeting. There will be five or six meetings a year. Please contact Colin Butler, Regional Secretary, for more details. The Committee would like to thank Hazel for her hard work over the last few years.

The AGM is now over and you have got me back again for another year. Now the proper work begins for the unsuspecting new Committee members!

AGM

John Martin, East Midlands Regional Director, visited us on the night and provided a report on the goings-on in our lovely, addictive sport. Straight from the horse's mouth you might say.

The prize-giving for all County Champions from 2016 also took place during the evening. We presented the CPSA Supreme Champion 2016, Chris Morris, with the big trophy for his super effort during the year, having come out on top over all nine domestic disciplines. Chris was chased all the way by Philip Barnard who was last year's champion – just a few targets separated them; in fact, it could have gone either way. Philip Barnard took the Senior category, Archie Bowman was Colts Champion, Taylor Hedgecock took the Juniors, Tim Jones the Veterans and Elizabeth Cook the Ladies. Well done to you all.

**Above:** John Martin and Tim Jones

Reports were given on the success of our County shooters over the year, such as the Top 20, which showed how good our Cambridgeshire shooters really are. It was also great to hear about those Cambridgeshire shooters who made the England teams – like Matt Sheldrake (DTL), Brian Dunbavin (Sporting) and Georgia Moule (both Sporting and FITASC). Georgia formed part of the winning Sporting team and won both silver and gold medals. She will be on her way to the USA for the World Championships this year. Let's hope there are more medals to come.

Cambridgeshire shooters will be pleased to know that the Sporting and all domestic disciplines will be held at Cambridge Gun Club this year. The provisional dates are already on the calendar and will, I am sure, be on the website and Facebook.

Opportunity for new shooters

We are introducing a new incentive for new Cambridgeshire CPSA shooters out there. For each of the first 20 shooters to apply, the Committee will sponsor their first County Championship 100-target registered shoot – each will cost just £20. We will make up the difference in the entry fee (on a targets-only basis). If you are unsure of the format/rules of the particular discipline, this can be explained to you as part of the package.

I will try to keep you all updated – if you want to know what is going on, please feel free to contact me at any time.

I hope you all have a good year. I look forward to seeing you at the grounds.

interest in the affairs of the County. The business side of the AGM (such as the election of Committee members) was addressed by the Chairman, who emphasised the need for more people to join the Committee. He was delighted by the response he received as Chris Bone, Donovan Jenkin and Paul Briggs declared their willingness to stand.

Above: Tom Mead – Junior Supreme Champion

The existing officers of the committee, Paul Stennett (Chairman), David Shepherd (Vice-chairman), Vanessa Harrison (Secretary) and Janet Stennett (Treasurer) were returned, as were existing Committee members Stephen Parker, Brett Aisthorpe, Nigel Salmon and Steve Whiting. So, for the first time in many years, our Committee is almost full.

We were also pleased to welcome John Martin, our East Midlands Regional Director, to the AGM. John gave us an update on national affairs and particularly highlighted the success of the coaching and safety courses which he and Mike Williams organise for the Region. He attributed the increased take-up of such courses, in part, to the effort put in by the counties of the East Midlands to promote the events through their websites and social media.

With the business of the AGM concluded, presentations were made to the Supreme Champion winners for 2016. The Overall Champion was Steve Smith who could not be present at the event due to family illness.

The Senior Supreme Champion award went to Andy Harvey. Andy has been Overall winner four times, twice winner of the Senior title and, on top of that, he took home the hamper from the free prize draw.

The Ladies Supreme Champion award went once again to Tracey Bridge who has now won this title nine times. This year, she achieved maximum

points to take first place in Skeet and All-Round, second place in DTL and ABT, and fifth place in Sporting. Tracey demonstrated an incredibly consistent performance throughout the year and her award is very well deserved.

The Veteran title went to Mike Burton. Mike was so close last year, tying with John Winn. Unfortunately, he just missed out on the title because of our rule that, if there is a tie, the winner is the one who has achieved his points over the smallest number of disciplines. As expected, he was especially pleased to be the outright winner this year.

Junior winner was Tom Mead who finished well clear of the chasing pack. Tom scored maximum points to take first place in Sporting, second place in ABT and All-Round, and fourth place in DTL. Congratulations to them all.

I hope that you are all well and have escaped the flu bugs. My mum always said that fresh air is the best cure for the winter coughs and colds, so get your guns out, polish your bullets and get shooting!

AGM

Thanks to those who attended our AGM. Not much has changed in our Committee. 'Pip' Jones was re-elected as Chairman. John Wroughton is still Vice-chairman. Tony Cox is the Treasurer. Alan Bott is the Secretary. David Piggott, Adam Curtis and Evie Figliolini make up the Committee. There is still room for two more Committee members if anyone wants to help. The EM rep is Alan Bott – the second EM position will be alternated between the Committee members. The Webmaster is Tony C and the Pull! man is yours truly.

Shooting fixtures

The shooting fixtures are all but settled – we still have to tweak a few dates. The Leicestershire and Rutland season will kick off with our first Sporting

Selection Shoot at Grange Farm (home of the Curtis dynasty) on March 12. There is a lot to shoot for, with places in the Inter-counties team up for grabs (don't forget that Leicestershire and Rutland pay £10 per head towards Inter-counties team entries). On March 19, Rugby SG will host our ZZ Helice champs. I might have a try at this myself this year – watch out all of you top-shots!

I have been doing some refereeing lately and have found it to be thoroughly enjoyable. I recommend you to give it a go sometime. It's surprising how many 'old faces' you meet and you get to see some great stuff from the newcomers too.

If you have any bits and bobs you would like put into the magazine or on the website, please contact myself or Tony C.

Good shooting and keep your powder dry.

Fixtures for 2017

This year's fixtures have been posted on Facebook and our website. Most will be held within our County but, as usual, a few will be held with our esteemed friends elsewhere, in conjunction with other Counties' competitions.

The first competition of the season (Beverley CTC) will take place soon, so make sure that you get your name down for it.

County prize draw

The County prize draw is nearing its close. The prize is free entry into two County competitions (birds only). See Marty and complete the prize draw form before it is too late! The draw will be made on March 31 and the winner will be notified by email.

Director's Cup

I am sure that everyone is aware that Northamptonshire County was runner-up in the Inter-counties Director's Cup last year. Thanks to everyone who took part – we were only one point behind Nottinghamshire, the winners. This year, we will be looking for ways to win. If you're interested in shooting for the County, speak with Roy. Those who are interested in shooting FITASC for the County are especially welcome as we didn't field a team last year. I am sure that we will win this year if we can find shooters to enter the FITASC competition.

Forthcoming Dates

Mar 12 Olympic Trap – Beverley CTC
Apr 16 English Sporting – Northampton

Supreme Championship 2017

The 2017 Nottinghamshire Supreme Championship will be contested over the seven disciplines of English Sporting, English Skeet, DTL, ABT, All-Round, Skeet Doubles and Sporttrap. For a shooter to qualify, they must shoot a minimum of four events with the best four to count towards their final total. For full details, see the County website.

Annual DTL Challenge

The Nottingham and District Gun Club Annual DTL Challenge event was held last November and was shot under extreme conditions. Paul Chaplow's 293 was the best score on the day, retaining him the trophy by a single point. The familiar duo of Dave Hincliffe and Juddie Hanson won the Veterans and Ladies categories for their efforts, but a special mention must go to the Junior winner Jack Brazier. If you've met Jack, you will know that he's one of the youngest and smallest shooters around but more than makes up for it with his enthusiasm. This was Jack's first Junior trophy even though he isn't yet a teenager, proving you can still win with a 20 bore. Watch out Josh, your little brother is on his way...

Annual Skeet Challenge

Following on from the DTL Challenge was the Skeet Challenge, where one of the likely lads took High Gun honours. Steve Leppington shot the only 100-straight of the day, with Steve Pinch close behind on 99 ex 100. County shooter Tom Tristram claimed Juniors, with Pete Collins and Joy Hiron rounding off proceedings in the remaining categories. Well shot all.

Above: Jack Brazier – DTL Junior winner

Boxing Day Challenge

Well, I've said it before and I'll say it again – Ken Rimington will just not stay in his seat at prize-givings. His 91 ex 100 tied with Russ Hufton, but experience prevailed in the shoot-off. That's not because Russ is lacking in that department, but because Ken has been winning since dinosaurs still roamed the Earth. Our very own Jenny Hilton and Jack Richards shot well to triumph in the Ladies and Juniors, while David Grayson ran out the Veterans Champion after facing tough competition. Congratulations to all.

Toledo 101 Trap

The Toledo 101 Trap was contested the day after Boxing Day and was well attended as per usual. Lee Clements, the creator of this mixed Trap event, has certainly accomplished what he set out to do in making this a fun annual event for all to enjoy over the Christmas period. Paul Chaplow has won this event on many occasions and this year was to be no different, a magnificent 97 ex 100 secured him the title for yet another year. Clive Weston edged out Ken Rimington in Veterans after posting a 95 ex 100, while Jack Richards claimed Juniors by a narrow margin. Julie Havill, who is normally seen on a Skeet field, shot her guilty pleasure of Trap shooting and won the Ladies title for her troubles. A special thank you to Lee for all he does for the sport, year in and year out. Thank you Lee.

Firstly, may I thank Adrian Last and Pauline Chapman on behalf of all the County for their excellent work with the Pull! entries and Suffolk CPSA website. I have now been given the reins of both of these beasts and will endeavour to maintain the high levels achieved.

Jan 24: AGM 2017 Eriswell Lodge

While the weather forecast for the day suggested that freezing fog would be an issue, we had a similar number of attendees as previous years. Thank you to Stuart and the team for the venue and organisation – the excellent buffet kept all those who attended satisfied!

Eric Chapman stood down as Vice-chairman to focus on trying to beat his daughter Pauline (the current reigning British Sporttrap Lady Champion). Nick Harvard resigned from his position as Secretary due to work pressure (I've been and done that – completely understand!). Frank Welham (DTL Team Captain) also decided he had done his bit and would let some new blood have a chance. (Was it two or three decades? "Two," I hear young Frank shout!) The Committee and County applauded their work and dedication over the past years.

The new 2017 Committee is as follows:

Chairman: Dick Hails
Vice-chairman: Darren Parsons
Treasurer: Martin Beverley
Secretary: Graham Cave

Also on the Committee: Chris 'Puff' Baker, Eric Chapman, Adrian Cook, Andy Coppen, Dennis Meekings, Phil Moss, Barry Randall, Paul Romaine and Stuart Smith.

Dick Hails presented the County Supreme Champion Trophy to the 2016 winner, Pauline Chapman, who retained the title from 2015. Pauline won with 31 points out of a possible 60. Stuart Smith was runner-up with 29 points and Darren Parsons was third with 23 points.

Win a free entry to a Suffolk championship worth up to £50

Enter any of the 2017 Suffolk championships listed below and your name will be entered into a raffle to be drawn at the 2018 AGM. Each championship's entry is worth one ticket, so a maximum of six per member is possible. Each of the winners will receive a free target-only entry at a 2018 championship of their choice – they can pay the difference if they wish to compete at competition level. Last year there were 200 entries in total.

Unfortunately, clubman members cannot be included but, if you upgrade your membership during the year, you will be included. The raffle will be limited to Suffolk CPSA members only and further details and rules are available on the Suffolk website.

Why not improve your chances by entering championships you haven't before? The Easter weekend looks a great place to start!

AVON

Roger Cox

rogercox47@gmail.com

sites.cpsa.co.uk/avon

Jan 25: AGM

The Avon AGM took place at the New Fry's Somerdale Social Club. Thanks must go out to those members who attended and to those who sent their apologies. A full complement of Committee and officers was elected on the night, with many members from the previous year being re-elected.

Chairman: Roger Cox. Secretary and Treasurer: Ann Cox. Vice-chairman: Darren Pegler. Committee: D Woolcott, S Perry, M Davies, J Miller, P Clements, M Dovey, C Boyce, S Keenan. Southwest reps: R Cox, A Cox and reserve D Pegler.

It was agreed that the following Avon County Championships will be held for 2017: English Sporting, FITASC, Sporttrap, DTL, Single Barrel, All-Round and Double Rise. Due to the lack of support over the previous years, all other disciplines have been discontinued.

Avon English Sporting Championship

Now that we have a viable, registered shooting ground (with the Meadowcroft Shooting Ground holding regular registered competition shoots), it has been agreed that we will host the Avon English Sporting Championship again. The date will be March 19.

Target-setting on the day and organisation for registered shoots will be down to Sean Ponting, who has a solid reputation over the years at County, Regional and National levels while still running his own shooting ground, Gunsites.

The Committee has also agreed to award further trophies for this year's event. In addition to the Avon Champion's Trophy, there will be trophies for the highest scores in A, B and C Classes for Avon shooters as well as a Chairman's Cup.

We started this approach last year and it seemed to be appreciated, with nearly 40 shooters competing for the trophies. It is hoped that Avon shooters will support this event, enjoying the usual array of excellent targets which are usually achievable for all classes of shooters.

Sporttrap

Sporttrap is also moving to Meadowcroft and will be held on May 21 in conjunction with the registered 100-bird Sporting event on the same day. As an indication of the growing high reputation of this facility, the Sporttrap will be held in partnership with Somerset this year and four new layouts will be installed prior to the event. There will also be improved signing in the clubhouse building as an additional investment.

The Meadowcroft Shooting Ground was a major investment by Dave Woolcott who has bought the farm, land and surrounding properties. Very soon this facility will be expanded with DTL/ABT layouts and registered competitions could be held at this venue in the near future. Our Trap shooters are waiting with eager anticipation for this to happen and will be heavily involved in getting the layout location and targets right, before start-up shoots and major sponsorship deals.

Please note, the Avon FITASC Championship will take place on March 26 at Gunsites SG Wiltshire. Please make your telephone entries to Ian Stones on 07786 077441. Other championship venues and dates are yet to be arranged. Again, dates for championships will be posted as soon as they are available.

If you have any news, please contact me on my new email (see left) for inclusion next time. Don't forget that the Avon website is hosted on the main CPSA website and can be accessed via the County tab.

CORNWALL

Peter Mylam

blue3green@btinternet.com
sites.cpsa.co.uk/cornwall

Wow, what a year 2016 was! There were so many successes by our Cornwall shooters – both individuals and teams. Here is a taste of last year's achievements:

Individual Champions:

Two English, one English Junior, two British, one World, one British Junior, one British runner-up, one European Individual runner-up, one British Grand Prix, one Home International Veteran, 10 various medals at major championships and several South West champions in all categories.

National and International Team members:

One European, one winning GB, one Ireland, three winning England Senior, one winning England Veteran and one England Junior team.

Other achievements:

One GB ranked number one, five top-20 placings in the CPSA averages (one, four, eight, nine and 14), two Home International new-cap trophy-winners and two High Guns at national team selections.

The Cornwall teams representing our county at the Southwest Inter-County events also did very well. The Senior team won the All-Round team title and the Skeet teams won all their respective team titles. There were also some close misses, with the Sporting Senior team finishing just a single target behind the winners and the FITASC team nine targets behind.

Above: Nick, John and Emma – Double-Rise 2016

Below: Bruce and Anthea – UTR 2016

The shooter who represented our County the most in 2016 was Bruce Wilton. Bruce was selected no less than eight times for the Cornwall Senior teams – well done. Just behind Bruce was Colin Jago, who was selected for seven Senior and four Veterans teams. Peter Mylam was selected for seven Senior and one Veteran. Trevor Osland was selected for two Senior and four Veteran teams.

Other shooters who were selected in the various teams were:

Five teams: Anthea Barker, Roger Eley, Steve Marshall, Alex Stephens, Kelvin Walsh.

Four teams: Andy Pryor.

Three teams: M Browning, Dominic Davey, Tim Hill,

Steve James, Nick Parkyn, Adam Rowe and Emma Ryan.

Two teams: James Bennetts, Colin Chidley, Chris Durkin, Jackie Eley, S Goodman, Alan Hicks, Mark Lambley, Graham Lawrence, Steve Morton, Bill Moussalli, Jody Pender, D Richards, Richard Ryan, Albert Sloman, Les Soady, Keith Spear, Dave Tugwell, Stephen Williams, Keith Woolcock and Brett Woollacott.

One team: John Collins, John Dunne, Owen Entwistle, R Griffin, Jacob Johns, Jacob Kelly, Jacqui Laity, David Lidbetter, Dave Mitchell, Andy Osborne, C Payne, JT Richards, Mark Rowe, James Stephens, Steve Tomlinson, Ross Trevethan and Gareth Williams.

I would also like to thank all those that did not quite make it – without everyone the teams would not be the success they are. Very well done to you all.

2017

It was a sad start to the New Year, with the passing away of a much loved and respected Fareham CTC

member, Jerry Wilson. For many years, Jerry served on the club's Committee, helping the team organise and run the Sporting shoots. We respected not just his passion for the Sporting discipline but also the devotion of his time to the many maintenance tasks.

Jerry was awarded the Merit Cup two years in a row (2015 and 2016). The cup is awarded to a member that has gone way out of their way to devote many hours towards making the club a better place for their fellow members.

Several years ago, Jerry and his lovely wife Karen introduced the club team to bee keeping.

Jerry Wilson

Above: Jerry Wilson
Below: Jerry's friends salute him

We set up several bee hives down in the woods and, while Karen tended to the bees, Jerry would collect up all the missed clays to be used again on the training stands. He would joke: "these DTL people do seem to miss a lot – I have picked up 500-plus today!"

Jerry's funeral was on January 19 and the wake was held at the clubhouse. Using black power blanks, six of his shooting buddies and Liz, his daughter-in-law, carried out a 21-shot salute in front of his family and fellow members. His big smile and dry sense of humour will be missed but never forgotten. Rest in peace mate.

AGM

The Hampshire AGM was held at Owls Lodge on January 24. Chairman Ben Gordge and the Committee were not surprised that they were the only ones to turn up. It's quite amazing that was the case, considering we have 1,300 Hampshire members.

The good news is that almost all of the Committee will stay on and are already organising the Inter-counties and Hampshire championships. Ben has secured some good company sponsorships which will benefit the members participating in the various competitions. All of the new dates for these competitions are on the Hampshire website, so get the dates in your diary.

Apr 1-2: 200 DTL Grand Prix

Fareham CTC's management team is busy preparing for the 200 DTL Grand Prix which will be held on April 1-2. The club has chosen this year to hold the event in aid of the Deaf Children's Association.

Fareham CTC's four undercover DTL layouts will play host to this two-day DTL Grand Prix, coupled with some amazing prizes sponsored by GMK, Ruag UK, Eley Hawk UK, Browning, Mercury Hearing, Greenfields Gunsmiths and Botley Gun Shop. The Clay Pigeon Company will also be supplying cups for High Gun and both Boys and Girls under 17. Like ourselves, they are keen to support our up-and-comers. The fee is £85 and places are going fast. If you wish to register, please phone Brian Coupe on 07778 815311 to secure your place.

January shoots

Podimore Shooting School had its first shoot of the year on January 1 and more than 80 shooters managed to drag themselves out of bed and attend. I have to admit that the weather was pretty unkind to the shooters, referees and ground staff. With 14 stands to shoot over, hopefully nobody had to wait too long to work through the course and get back in the warm. The High Gun of the day was Dorset shooter Paul Thomas with a well shot 92 ex 100.

Brook Bank was only a day later with a joint DTL and OT shoot. There were five squads for the DTL and two 100-straight were posted on the day from Richard Chapple (100/299) and Rob Dietz (100/297). In the OT, Ed Ling took High Gun with 97 ex 100, 10 targets ahead of Matt Panter in second place. It was good to see a wide range of people shooting both competitions but, from what I could make out, the low sun certainly didn't help with the OT scores.

Brook Bank also held an English Skeet competition early in January and there was a reasonable turnout. Four Somerset shooters were competing and it looks like the competition for the County title is warming up already. Mike Phypers and Dave Howe were only one target apart from each other, so they may be trying to put down a stake in the ground!

In other news

Podimore is holding a Femmes Fatales Ladies Day on March 19. If you are interested, please contact them directly to book your space.

Somerset CPSA now has a page on Facebook for all you social media-savvy shooters out there. We are aiming to use this to keep all our County shooters up to date with championships and results, among other things. If you want to check it out, search for Somerset CPSA.

County championships - important information

The Somerset FITASC Championships will be held at Gunsit Sporting Clays on March 26 and will be held jointly with Avon and Wiltshire. Please note that entries for this event are being taken by Ian Stones on 07786 077441. Priority is being given to shooters from the three counties involved up to a week before the shoot, so contact Ian to book your place. Telephone entries only for this one!

The All-Round is going to be held at Brook Bank SG on April 14 (Good Friday) and is always a popular event. It's a great competition with a great atmosphere, and it's always worth shooting just to catch up with friends. I'm sure that Alison or Wesley will also be happy to take your booking for the competition!

The Sportrap is going to be held at Meadowcroft Shoot on May 21 and will be a joint Avon and Somerset championship. There will also be a 100 Sporting shoot on the day, so perhaps there's a chance to kill two birds with one stone?

Jan 16: AGM

A lively Wiltshire CPSA AGM was held at the George and Dragon at Poterne. The County Championship trophies were awarded to Jamie Deadman (Supreme Champion), Pauline Stokes (Ladies), Dan Carpenter (Juniors) and Harry Hair (Veterans). Congratulations to all.

An issue that was raised was of the lack of Wiltshire teams entering the South West Inter-counties. There is a willingness within the Committee to organise the teams (Josh Brown is the Team Manager) but it was noted that there also needs to be a willingness from Wiltshire members to join. At the meeting, some felt that part of the problem was the distance and time required to take part in the Inter-county competitions.

The AGM's full minutes can be read on the County website. I can also email you a copy if you wish.

County championships

Like last year, we will be running 11 County championships. Upcoming dates are to follow.

Team events

We would like to enter teams into the Inter-county events this year. There are no entry requirements

for team membership, except that you need to be a Wiltshire shooter. Please contact me or Josh Brown if you are interested.

Wiltshire Sporting Challenge

There will be four competitions for this year's Sporting Challenge: one at each of Widdington (date TBC), Barbury (August 27), Urchfont (September 24) and Gunsit (October 8).

The rules are as follows:

1. The competition is open only to Wiltshire shooters.
2. Your best three out of the four scores will count over the four competitions.
3. Prizes will be awarded for all Classes (AA, A, B, C, Veteran, Lady, Junior).
4. If you are eligible to shoot as a Veteran, Lady or Junior you must nominate at your first event whether you are entering either in your Category (Veteran, Lady, Junior) or in your Class (AA, A, B, C). You cannot enter in both a Category and a Class.
5. Prizes will be awarded at the final event. In the event of a draw, prizes will be shared.
6. Unclassified shooters will be classified by the ground at their first shoot in the challenge.
7. You will only pay the usual fee for the registered competition; there will be no extra fee for the Sporting Challenge.

David Tibbles, new Hertfordshire CPSA Secretary

In 2016, I volunteered as Vice-chairman. This year I will take on the Secretary role. I hope that I will successfully follow in Chris Windebank's footsteps while also adding more events and boosting the team numbers for all disciplines throughout 2017. I would like to thank Chris for all his work over the years and I'm pleased that he will remain on the Committee to help with the transition.

I have only been clay shooting for two years and my main club is LVSA in Hertford, but I also frequent many of the great shooting grounds across Hertfordshire. This year, I will be competing in the Premier League alongside my son, who is part of the Team GB Talent pathway.

Please don't hesitate to contact me – any ideas that could improve shooting for our members would be most appreciated. You can get in touch by email, Facebook or our new Twitter account: @hertsCPSA.

We have a brand new discipline to look forward to in the Kent Championships this year: Floodlit Compac (registered). As a County, we are looking forward to this year's clay season and 2016 showed a massive increase in all entries – which is fab! We have a lot more Ladies and Colts shooting now, which is great for the sport, and grounds are going above and beyond to make shooters happy. As a County, we couldn't be more proud.

The first event to mention will have taken place after this report has been submitted! The Oxfordshire Committee was put forward for the CPSA Committee of the Year Award, so thank you to all those that voted for us. Thank you also to Becky, Kevin and Martin, who represented us at the dinner. Well done to the winners!

The second event to mention is the Oxfordshire Presentation Dinner and Dance, and you have still got a few days left to get your tickets. It is taking place on March 4 at 19:15 at The Holt Hotel, Steeple Aston, Oxfordshire, OX25 5QQ. Tickets are £25 a head for a lovely three-course meal and disco. All cups and medals will be presented during this evening, so please support it and come along for a great night.

Skeet

Thanks to Becky Savins for sending me through a Skeet update. Oxfordshire had a strong turnout to the NCSC in mid-December for a chilly 100 ESK where an impressive 56 shooters took part. Congratulations to Mark Savins, who proudly won C Class with an outstanding 96 ex 100. Becky finished third in C Class, just three behind Mark on 93 ex 100. Well done.

Dartford Clay Club pulled in a healthy number of competitors, 43 in total, to take part in their December 100 ESK competition. Big congratulations to Becky for taking Ladies High Gun with a strong 94 ex 100.

**UT**

Rugby and District Trap Club held their 100 UTR on New Year's Day and 26 brave shooters took part. Well done to R Fletton, who finished second with 86 ex 100.

Sporting

Windrush held their 100 ESP on January 7 and attracted 54 shooters. Well done to L Hayter, who finished third in AA Class. In the Ladies, Oxfordshire shooters Cheryl Hall shot 87 ex 100 and H McKenna shot 65 ex 100 for first and second respectively.

Weston Wood's 100 ESP took place on January 8 and saw 119 shooters take part. Oxfordshire's Matt Hance took High Gun with a great 96 ex 100. Well done also to M Tipper, who finished second in A Class with an impressive 88 ex 100.

Weston Wood hosted their 100 ESP on January 15 and 131 shooters braved the cold weather to take part in a tricky shoot. Roy Cherry finished first in AAA Class with 96 ex 100 and Matt Hance finished third in AAA Class with a healthy 94 ex 100. Well done!

Grange Farm drew in 164 shooters on January 22, which saw an unusual score board because the usual 100 targets weren't on offer. I am sure there must be a story behind it, but competitors had just 92 targets on offer. Oxfordshire's Cheryl Hall finished first in Ladies with 81 ex 92.

Any news or results would be greatly appreciated, so email me your achievements.

By the time you read this, we will have held our AGM and prize-giving. Hopefully we have been able to recruit some new members to our very small Committee. Please see the website to see if we were successful.

The six Committee members worked hard to complete a full programme of championships last season but were not able to keep the website fully up to date. However, we should now have the time and expertise (in the shape of our Treasurer, Daren O'Toole) to do better this year. If you have any results, photos or stories of interest, please share them with Daren or myself so that we can add them to the website or Pull! magazine – our phone numbers and emails are available on the website.

We have completed the planned championship calendar for 2017 with the help of some of the grounds which regularly support us and have 15 County titles for you to compete for. The first of these events will be the English Sporting at Southdown on Sunday March 26. This will also be the first event where you can pick up Supreme Championship points. There will again be nine Supreme Championship events with the best six results to count. Please see website for details of the disciplines included, points scoring system, rules etc. The only change to the format this year will be to drop ABT as a Supreme event as it has been very poorly supported in the past few years and unfortunately this year it clashes with the popular COMPAK Sporting competition. We have replaced this with Olympic Trap to keep the balance of Sporting, Skeet and Trap disciplines.

Thank you from me to last season's Committee and to all of you who came and supported our events, and I look forward to meeting even more of our Surrey members at this year's championships.

CLAY TO WIN

PULL! CAUGHT UP WITH 2016 ENGLISH OPEN WINNER CHRIS CHILDERHOUSE AHEAD OF NEXT MONTH'S WORLD ENGLISH SPORTING CHAMPIONSHIP IN TEXAS

WHAT WAS YOUR STAND-OUT MOMENT FOR 2016

Probably winning the English Open. I'd come close a few times, and won it as a junior in 2003 and I've been third or fourth in the past, so it was nice to finally get there. The standard is so high now, higher than it's ever been, I think. It used to be that one of five or 10 people could win the big competitions – now it's 40 or 50. Why? Well, there's a lot more 100 bird shooting available, maybe shoots have got a little bit softer. People are shooting 98 and 99 every week now. That was unheard of 15 years ago.

WHAT ARE YOUR AIMS FOR 2017?

I'd like to retain the English Open title. As well as that, I'm going to the world championships in Texas with the England team and I'd like to compete well out there. If, by the end of the year, I can achieve a top five or 10 in all the majors, I'll have had a pretty good season.

HOW WILL YOU PREPARE FOR NEXT MONTH'S COMPETITION IN SAN ANTONIO?

I've shot in America twice before and it hasn't gone well. They have different clays, they are biodegradable and they definitely fly differently, so we're trying to get some to practise with them over here to get a bit of an advantage.

WHAT SKILLS DO YOU NEED TO BECOME A TOP SHOOTER?

You need to have a natural talent. Most people can get to A Class, but to jump to AA or

AAA you've got to have natural ability, your hand/eye co-ordination has got to be pretty good. You've got to have a strong mental game, because a lot of it is in the head, like most sports, although I've never gone down the route of sports psychiatry. I had the most consistent year ever last year and I think what's helped me is having my little boy who was born last January. I thought the lack of sleep would ruin me for a couple of years but it seems to have helped. I think it's because it's no longer all about the shooting. If you've got other focuses it helps.

WHAT GUN DO YOU USE?

I've shot Brownings all my life and I've just managed to pick up sponsorship for three years with them. I've had other gun manufacturers come to me to offer sponsorship but I've turned them down because Browning was the only one I ever wanted. You've got to get one that you like and stick with it. I shoot with a Browning Ultra XS Prestige.

HOW OFTEN DO YOU SHOOT?

I don't shoot during the week, but I usually shoot around 300 on a Sunday, all in competition. I like the competitive side, there's got to be something for me to win. I don't practise because I don't get anything out of it, I never have done. I've never had a lesson either. And if I try too hard I just get worse, it has to be natural for me. It's been commented loads of times that I shoot far too quick, and I can't be consistent shooting that quick, but I'm not doing too bad... ●
