PRO-IMPULSE

SWATCOM SC21 Pro-Impulse are reusable ear plugs designed to reduce loud noises to safe levels. The ear tip design provides a comfortable and discreet fit, and instead of blocking noise which leads to a muffled sound, the filter reduces noise levels allowing you to hear both safely and clearly.

The Pro-Impulse filters provide a constant 15dB (SNR) reduction, but can increase to a maximum of 33dB when activated by a sudden high impulse noise (such as a gunshot) to provide a brief higher level of protection before returning to the normal constant level.

WELCOME

JUNE
2022

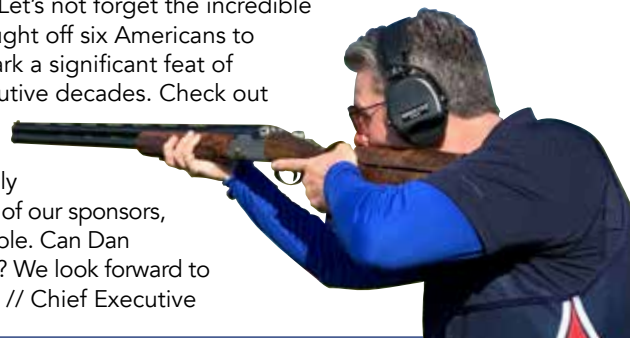

I can't quite believe that I'm writing the introduction for the June issue already and we are almost half the way through 2022! May has been busy, featuring both the English Open Skeet at Dartford and the English Open Sporting at High Lodge. Congratulations to Gary Cooke on winning the EO ESK, which he can now proudly display alongside his British Open ESK High Gun trophies. At the time of writing we haven't completed the EO ESP, so a full report will follow in the July issue.

We also attended the Northern Shooting Show at the Yorkshire Event Centre in Harrogate for the first time since 2019. It was a great show with hundreds of people trying out clay shooting for the first time on our Clayline.

I'd also like to extend my congratulations to our England Sporting team, who travelled to the US for the World Sporting in Texas and achieved Runners-up in the Seniors, Ladies, and Juniors, and third Overall in the Veterans. Also, my thanks to Phil Easeman for doing a sterling job in his first role as Team Manager. Let's not forget the incredible achievement of George Digweed MBE who fought off six Americans to be crowned World Sporting Champion, and mark a significant feat of being crowned World Champion in five consecutive decades. Check out our article on pages 28-30.

June sees the DTL Weekend at Bywell and the largest event in the DTL calendar. The Henry family always put on a good show and with the support of our sponsors, Eley Hawk and Swatcom, it is sure to be memorable. Can Dan Hudson repeat his English Open success of 2021? We look forward to seeing you there...

KIRSTY HEGARTY WINS GOLD AT THE ISSF WORLD CUP IN LONATO

Kirsty Hegarty won Gold at the ISSF World Cup in Lonato, on a day where all GB's Tokyo 2020 shooters reached the semi-finals.

She held her nerve after being pushed all the way by Puerto Rico's Augusta Campos-Martyn and Lebanon's Ray Bassil. The Gold medal match finished two shots early as Kirsty's lead meant that Augusta was unable to catch the Northern Ireland shooter, meaning the final score was 31 shots to 28.

Speaking after the final, Kirsty said: "I don't think I've ever been this happy! It feels better than winning a quota place, it feels better than being at the Olympics. I feel absolutely amazing.

"The atmosphere has been great – everyone was shooting really well and the whole team has gelled really well

and it's actually been a good laugh. It's all about taking one target at a time and trying not to focus on the end, just on what you're doing and it'll work out."

Everyone was shooting really well and the whole team has gelled really well and it's actually been a good laugh.

Earlier on in the competition, Lucy Hall was just two points off a chance to qualify for the semi-finals after she finished in 13th place in qualification with a score of 111. Ellie Seward finished in 26th place with a score of 108. In the Men's Trap competition, some excellent shooting from

Matt Coward-Holley saw him reach the final of the competition, but he unfortunately missed out on a medal after finishing fourth based on bib number. Aaron Heading made it to the semi-final of the competition but he went out in fourth place. Nathan Hales finished qualification in 24th place and so did not proceed to the semi-finals.

THE INSTITUTE OF CLAY SHOOTING INSTRUCTORS AGM

Held at Nottingham & District Gun Club after a couple of years of being unable to do so, the meeting was opened by Chairman John Robinson who welcomed everyone to the meeting, including an overseas member from Germany!

John, amongst other matters, mentioned that the Institute has great foundations and members with a wealth of knowledge and experience, and outlined the focus of the Institute is on the development and provision of Continuous Professional Development (CPD) courses for coaches and instructors from any of the organisations over the coming years.

Once the formalities were over the members were given a great insight into the use and development of steel cartridges by James Stewart and William Hewitt of Longthorne Guns.

After the meeting members went out

to the range to test fire a number of the Longthorne Guns including their new over-and-under, with titanium barrels and a range steel cartridges kindly donated by Hull Cartridges. Much fun was had by all and even a few clays were busted!

Thanks are given to the CPSA and the team at Nottingham Gun Club for supporting the Institute. For more information about the ICSI, the courses and workshops please visit the website icsi.org.uk or contact Membership Secretary John Cullinan by phone on 077887 66506.

CPSA COURSES

As a reminder – the CPSA has created a range of courses to offer the best training available in the sport today. From shotgun skills to Safety Officer Qualifications, Referee Courses to Instructor Development Workshops, have a look at what we have to offer on page 12.

BERETTA AND ELEY HAWK ANNOUNCED AS OFFICIAL SPONSORS OF THE SIR JACKIE STEWART CHALLENGE

Beretta and Eley Hawk have been announced as the official sponsors of the Sir Jackie Stewart Challenge, taking place on Friday 17 June at Thirlestane Castle in aid of Race Against Dementia.

Sir Jackie Stewart OBE was an Olympic-class shot and competed for Scotland in the 1960s, winning the

Coupe De Nations twice – the British and Mediterranean Championships.

Originally sponsored by Beretta and Eley Hawk, Sir Jackie won championships across the UK, as well as the British Grand Prix of Shooting. Sir Jackie retired from competitive shooting at the age of 23.

Race Against Dementia is a global charity, founded by Sir Jackie Stewart OBE, that raises money to fund breakthrough research to find a cure for the disease. Dementia affects over 50 million people across the globe including Sir Jackie's wife, Helen.

The event, closed to the public, will host 120 participants organised by the Scottish Clay Target Association (SCTA), the governing body for shooting in Scotland. The Challenge will be a Down the Line competition – chosen by Sir Jackie as he won the Scottish Championships twice in this discipline back in 1959 and 1961.

For those looking to enter, all levels of ability are welcome. The shoot will be over four layouts each of 25 targets and each shooter will shoot in their SCTA or home association class, AA, A, B, and C. Classes are based on the shooter's previous scores, averaged, and grouped against all scores.

Prizes include a Beretta 694 shotgun for the High Gun of the competition and Beretta 686 Silver Pigeon shotguns for each of the four class winners. Additional Eley Hawk prizes to be confirmed.

To register for the Sir Jackie Stewart Challenge call 07776 256539 or email administrator@scta.co.uk

GEORGE DIGWEED MBE WINS WORLD ENGLISH SPORTING CHAMPIONSHIP IN THE USA

Congratulations to George Digweed who won the World English Sporting Championship in the USA after a fantastic super final.

George is delighted to have made history and said: "To finish up winning it and complete my personal milestone of winning world championship's in five different decades is something I had always hoped for, but I was unsure if I would achieve it.

"From 1988-2022 it's been a hell of a journey, from Kate to the fantastic support I get from around the world, I couldn't have done it all without it." Well done George.

IAN COLEY SPORTING COLEY CLASSIC OPEN 120 ESP

Ian Coley Sporting is hosting their second annual Coley Classic Open 120 ESP on 6-8 of July this year.

Last year's event was a great success, with Matthew Davis and Steve Beames putting on an extremely enjoyable and varied course – this year is sure to prove no different.

The competition is paying out to sixth place in class, and High Gun will walk away with a guaranteed £1,000.

Entry is £65 and you can enter by calling 01242 870391 or online online at iancoley.co.uk/coley-classic

THE NORTHERN SHOOTING SHOW ATTRACTS RECORD NUMBER OF VISITORS

The Northern Shooting Show welcomed a new record of 21,323 visitors on 7-8 May. Now under new management, the two-day event has been running since 2016 but this was the first year Stable Events oversaw its organisation at Yorkshire Exhibition Centre in Harrogate.

The popular event showcases shooting-related activities such as shotguns, airsoft, archery, bushcraft, airguns, and metal target shooting with rifles plus a dedicated area for gundog demos and gamekeeper networking, as well as a new 'Hunt & Hall Ladies' Lounge'. Located both inside and outside, there were also hundreds of exhibitors from all over the world offering everything from country lifestyle to technical shooting gear.

Exhibitors reported a successful show,

in particular George Juer, director of gunmaker Charles Lancaster. He said: "We have enjoyed two exceptional days at the Northern Shooting Show. By far

the most successful show of the year for us commercially with not just sales but renewed interest

in the brand. We will be booking immediately for next year." Nick Radclyffe from Foxdenton Spirits and Liqueurs echoed the same sentiment: "Without question, this has been our best show in the last five years. Sales

have far exceeded any other show. The organisers were rightly selective about who they let in, which meant there was a broad variety of traders."

Next year, the Northern Shooting Show will be held Saturday 6 – Sunday 7 May 2023. For more information, visit northernshootingshow.co.uk

LETTER OF THE MONTH

I am so glad Super Sporting has become a CPSA discipline, as I spent part of the winter in the south of the USA and I competed in three Super Sporting shoots.

The Seminole Cup in Georgia and two shoots at Amelia Sporting Clays in Florida were the most varied, challenging, and fun disciplines on the circuit, with three to four traps per stand with singles, report and simo pairs from all directions, usually 11-12 stands.

I saw Chris Childerhouse's name on the entry list among other Brits so I hope it works in the UK, bring it on and have a great season!

– **Chris Wigmore**

CPSA Replies:

Dear Chris

Thanks so much for your letter and it's great to hear you are an advocate of Super Sporting. It's certainly an exciting variation on English Sporting and the feedback we have received since

shooting grounds started offering Registered Super Sporting events has been very positive indeed!

As the NGB for Clay Shooting, we are always keen to keep moving the sport

forwards with options for our members to enjoy their shooting and Super Sporting was a natural fit amongst our other registered disciplines of English Sporting and Sportrap.

Since 1885, experience makes the difference.

Baschieri & Pellagri

NEXT is the first of this new generation of shotshells, loaded with the innovative Green Core wad, made with 100% biodegradable material, developed in cooperation with national academic research institutes. NEXT is designed for shooters who aim for maximum performance and the best results. The Green Core wad, in pre-cut version, guarantees perfect ballistic performance in different weather conditions, regardless of temperature and humidity. NEXT is the optimal choice for the most demanding shots, ensuring consistency, compact and regular patterns and optimal clay breaking. In its version with Green Core gas seal and felt, it is particularly suitable for short and medium distance shooting. Available in 28g - 7, 7.5 & 8.5 shot size

SPORTING & COMPAK FIBER

Shotshell for Sporting Clay and Compak Sporting disciplines, loaded with a felt wad and gas seal made of 100 % biodegradable material, for more "generous" shots at short and medium distances. Available in 28g - 7 & 7.5 shot size

LEGEND

Optimal performance of this cartridge is achieved by the selection and loading of unique components with Trap, Skeet & Double Trap disciplines, specifically in mind.

The Gordon Hull, base wad technology ensures a dampened recoil for comfort during prolonged training or competition shooting sessions.

Available in 24g - 7, 7.5, 8 & 9.5 shot size | 28g - 7.5 & 8 shot size

NATIONAL

is a smooth cartridge with unparallel comfort, without any reduction in velocity, thanks to the use of the Gordon Hull, base wad technology, which also gives a consistent uniform pattern making it a good choice for all disciplines.

Available in 24g - 7.5, 8, 8.5 & 9.5 shot size | 28g - 7.5 & 8 shot size

POWER

The fastest cartridge in the Baschieri & Pellagri range due the perfect blend of components. The Gordon Hull, base wad technology guarantees the ultimate balance between velocity, power & comfort.

Available in 24g - 7.5 & 9.5 shot size | 28g - 7.5 & 8 shot size

SPORTING HV

A cartridge designed specifically for the demanding targets of the Sporting & Compak disciplines. The Gordon Hull, base wad technology ensures a dampened recoil for comfort during prolonged training or competition shooting sessions.

Available in 28g - 7, 7.5 & 8.5 shot size

FLASH

Internationally recognised cartridge delivering exceptional performance proving to be decisive in the most challenging Trap & Skeet shooting competitions. Loaded with a select graphite-coated white lead shot, with 5% antimony, it gives a greater smoothness and roundness.

Its special, pre-cut container wad, ensures a compact homogenous shot pattern each time.

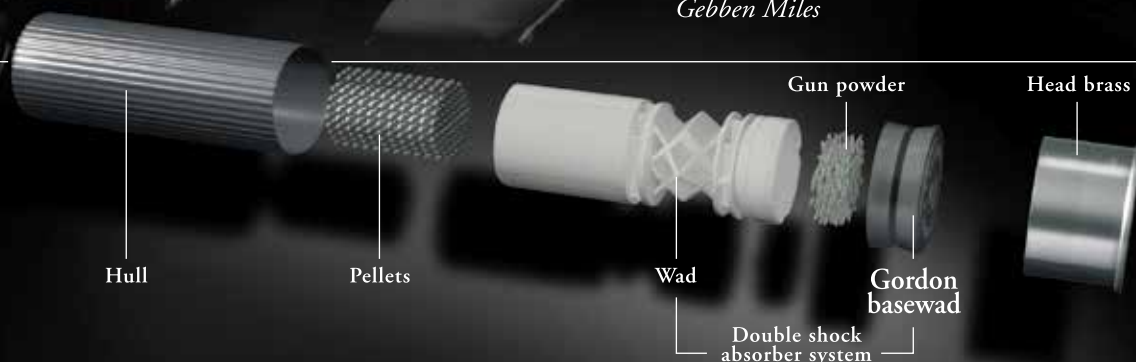

Available in 24g - 7, 7.5, 8 & 9.5 shot size | 28g - 7.5 & 8 shot size

THE PERFECT CHOICE

ENGLISH OPEN OLYMPIC SKEET

Held at the National Clay Shooting Centre, Bisley over Saturday and Sunday 9-10 April.

The NCSC grounds have recently undergone a major refurbishment, including new Promatic Traps in all four Trap and Skeet ranges and freshly painted layouts, which looked great in the April sunshine.

There were 41 entries for this 200-target competition incorporating an England Team Selection Shoot. It was held in mostly bright and dry conditions, but there was a biting wind all weekend, forcing most competitors to wear one or two extra layers.

Junior Arran Eccleston started with a 50-straight and took a commanding lead at the halfway stage with an

excellent 97/100. In equal second position, with 93/100, were Alex Wells and Junior, Mitchell Brooker-Smith.

Madeleine Boyd led the Ladies with 88, with Bethany Norton in second on 85 and Madeleine Russell third with 82.

Top Colt at the halfway stage was Sebastian Noakes on 87. Bethany Norton was just behind on 83, with 13-year-old Oliver Simons in third place on 63.

Leading the charge for the Veterans was Simon Davidmann on 83, just ahead of Frank Miller on 81, while Alison Nicol, one of only two Scottish CPSA contenders was third on 73.

At the end of day two, after eight rounds, Madeleine Boyd was still in first place in the Ladies with 175. Bethany Norton retained the Silver medal and Emma Isley improved her overnight score to take Bronze.

Things changed at the top of the Veteran's table, with Frank Miller taking Gold and the Trophy on 168, while Simon Davidmann settled for Silver

with 155, and David Maddox crept up into Bronze medal position with 153.

The top-three in the Colts category remained the same, with Sebastian Noakes shooting 90 on the second day, finishing with a score of 177 to take the Gold medal and move him up to sixth place Overall. Bethany Norton won Silver with 163, and Oliver Simons took the Bronze medal.

At the top of the leaderboard, Arran Eccleston continued scoring well and took the English Open title with 187. Closing the gap slightly, Mitchell Brooker-Smith was Runner-up with 184, just ahead of Jack Fairclough who also did slightly better on day two to move into third place on 183.

Worthy of a special mention was Alex Wells, who finished in fourth place Overall. I suspect he will not be in C Class for long!

The Junior section was very well represented, and of course Arran Eccleston took Gold, Mitchell Brooker-Smith took Silver, and Andrew Payne took Bronze.

It was interesting to note that five of the top seven places were taken by Juniors – this is a fantastic achievement and reflects the passion, dedication, and hard work put in by these Sportsmen and Women, and is also testimony to the level of coaching in the sport. This really seems to bode well for the success of our England Team and the future of the sport. 🍌

ENGLISH OPEN UNIVERSAL TRENCH

High scoring in Hertfordshire, with fine weather and strong competition led to some big scores at Nuthampstead, as **Anita North** reports.

Easter weekend saw the English Open Universal Trench (UT) competition take place at Nuthampstead Shooting Ground in Hertfordshire. A field of 87 shooters competed over 200 targets for championship glory and for GB team selection in excellent shooting conditions of blue skies and sunshine.

At the halfway point, with 100 targets shot on day one Andrew Dunne and Rod Gould were the top scorers on 98, with Tony Coulstock, Phil Sanders, and Chris Tate on 97. In the Ladies competition Kath Bright shared joint lead with Leah Southall on 92, ahead of Maddie Purser on 91, and Sue Bate on 90. Top Junior was William Gilbert on 95, ahead of Leah Southall and Jonti Spilman on 92.

Over the two days of superb shooting conditions there were 72 perfect scores

The sunny weather conditions continued on day two, which meant the excellent scores continued as the competition for medals was decided. After two days of superbly consistent shooting Andrew Dunne emerged the Overall winner with a score of 196, but the competition was tight and Andrew was just one target ahead of Tony Coulstock and two ahead of Rod Gould, who took Silver and Bronze respectively.

Popular Veteran shooter Chris Tate just missed out on the Overall medals with his score of 193, but he won B Class as well as taking the Veteran High Gun. The other Veteran medals went to Mike Wensley and David Lloyd, after a three-way 25-target shoot-off with Wesley Hann. It then took a sudden-death shoot-off to give Mike Silver

and David Bronze. In Super Veterans Kevin Borley's score of 192 gave him another win ahead of Howard Batt on 190 and Phil Sanders on 189.

In Juniors, William Gilbert added 92 to his first day score of 95 to take the win. Other medals were then decided by a shoot-off between Leah Southall, Jonti Spilman, and Finley Bowles. A superb 25/25 gave Leah Silver and Jonti took Bronze.

In the Ladies competition Kath Bright shot 23 in her last round to give her a final score of 184 and the win over Leah Southall who took Silver on 183, with Sue Bate taking Bronze on 180.

The weekend concluded with the presentation

ceremony – BICTSF Deputy Chairman and UT representative Terry Bobbett presented medals and trophies, Ed Barker presenting cash prizes. Over the two days of superb shooting conditions there were 72 perfect scores of 25 by 38 shooters. Congratulations to all the winners and everyone involved in hosting this excellent competition.

COMPETITIONS

ENGLISH OPEN FITASC

All smiles at Roundwood where two days of tough competition were enjoyed by all at this Hampshire ground.

The English Open FITASC competition took place at Roundwood Shooting Ground on 23-24 April. The weather was fine and bright although windy at times, which added another degree of challenge to the shooting. Depending on which layout you were on it was warm and sunny on one side of the ground and cold and windy on the other.

The ground, near Winchester in Hampshire, welcomed 160 competitors to take on four layouts consisting of towers, rifle range, firs, and penwood. Each layout varied in degree of difficulty, with two courses within the shooting ground and two further out on the estate beyond in woodland and open farmland.

It was an exciting two days of close competition amongst the men with a difference of only ten points separating the top seven shots, with the scores being almost level for the first three places in A Class. Matt Hance and Guy Franklin finished equal High Gun on 185 and after a shoot-off Guy took the trophy. Ben Cummings took the Junior title with a score of 165/200, and as always it was tremendous to see future champions in the making.

There were 12 Ladies competing and with a top score of 166 Janine White took the title. With 50 entrants in the Veterans and 36 in the Super Veterans, there was a pleasingly wide age range out on the layouts and a good atmosphere, with lots of familiar faces.

It was great to see the regulars on the shooting circuit but also a few newer competitors, all keen to take part in competitions after the last couple of years of lockdown. Alongside the English Open FITASC this was also a GB team selection shoot for the European Championships in Signes, France.

There were 12 ladies competing and with a top score of 166 Janine White took the title

This was the first time Roundwood has hosted this competition and the organisers said:

"We were pleased to receive very good feedback from the competitors that the shoot was well-organised with good facilities and the layouts were excellent. We would also like to thank our suppliers and sponsors and all the competitors who attended. We look forward to welcoming people back soon, whether for competitions or just for casual shooting sessions.

"Massive congratulations to all the winners and runners-up, and good luck in the next rounds."

ENGLISH OPEN *ENGLISH SKEET*

Held at Dartford Gun Club from 6-8 May 2022.

The English Open Skeet Championship was held at Dartford Gun Club from 6-8 May. The weather remained dry, although the wind conditions were changeable throughout. There seemed to be a great atmosphere, thanks to the organisation at Dartford with everything running to time, and also to shooters being glad to be out and meeting people again.

The wind was of course having an effect on the targets, with Dave Billington remarking on Sunday morning that the hardest target was going to be low seven. This turned out to be a very wise observation as this target was seen to ruin many a good round, in fact, it was the only target missed in the full round of the High Gun shoot-off!

the hardest target was going to be low seven

Over the three days there were 100-straight from Richard King, Stuart Smith, Bill Moussalli, and Gary Cooke.

A large crowd gathered in the afternoon sunshine to watch the shoot-off to decide the Champion and AA Class High Gun. Stuart let the aforementioned low seven slip but had the consolation of winning AA Class, while the other three progressed to alternate doubles on station 4. Bill was next to drop out, while Richard and Gary both missed on the next rotation to stay even. Richard shooting first dropped another target, and Gary stepped up to hit all four and become 2022 English Open Champion.

As is usual these days, the Juniors performed very well, with Sonny Bowman dropping just one target on round four to take the win with 99. Very close behind was Archie Stannard and Ross Lester, both scoring 98 and needing a shoot-off to establish Archie in second and Ross in third.

Top Colt was Isobel Cartledge with 96, followed by Ethan Lord, matching dad Marcus' score of 94 to give them the Parent and Child Trophy. At the other end of the age range, it was also very close. Bill Moussalli won with his 100, Glen

Defreitas was second with 99, and Peter Bloomfield won the shoot-off with Martin Brister to split their 98's.

Sonny Bowman also took the A Class Trophy, while Jonathan Willis and Graham Knight both scored 96 to win B and C Class respectively.

There was close competition in the Disabled classes, with Ben Woodham scoring 91 in the Disabled Sitting category, just ahead of Adrian Last on 89, while two targets also separated first and second in the Disabled Standing class, with James Cente scoring 95 to Graham Cork's 93.

Best of the side-by-side entries was Harry Peart, scoring 94 including two 25's, making his long journey from Durham worthwhile. 🍌

WORLD ENGLAND SPORTING

ESP England Team Manager **Phil Easeman** reports back from The World English Sporting Clays Championships in San Antonio, Texas on 20-24 April 2022.

The World Championships took place in San Antonio, Texas this year, due to COVID-19 restrictions still in place in last year America were unable to participate in the 2021 World Championships held at E.J. Churchill, so the Americans were out to win.

There has been a lot of planning to get the England team, family, and friends to the event, including supervised COVID-19 tests 24 hours prior to departure. It was a bit of an anxious time for all, but thankfully everyone tested negative and flew out on the bank holiday weekend – what a healthy lot we are!

Over the week the weather was great, but the more it progressed the warmer it got!

“ Overall the England Team put in a great performance... ”

At the beginning of the week, general practice was available at the ground along with 5 Stand, FITASC, and Super Sporting. Chris Childerhouse and Billy Baughan participated in the FSP practice and Chris shot 92, doing quite well, and Billy shot the prelim quite well too. James Attwood and Jake Moore were on the 5 Stand, putting in some big scores there too.

The first day of shooting went well, with Billy Baughan leading with a score of 66, just two behind

Above inset: L-R: Runner-up Ryan Harper, High Gun George Digweed MBE, and third place Eric Harvey.

Below: The England World Sporting Team.

the USA. The England squad all performed well with good scores for the first day – Chris Childerhouse shot 60 and there were high 50s from the others, Amy Easeman was leading the Ladies on 55, Anthony Dean shot 57 in Veterans, and Kallum Burrell shot 56 in the Juniors.

On the second day of championships, Billy Baughan was still up there shooting well along with all the other Seniors. At this stage we were four shots behind in the Senior team competition, about 30 clays behind in the Juniors, 20 clays behind in the Ladies, and about ten clays behind in the Veterans category – we had all to play for on the final day of the competition.

A Brits vs Yanks shoot-off was held under flood lights in the stadium on Saturday evening with a team of seven from each camp. Unfortunately we lost, but we all had a brilliant evening with a great atmosphere.

Going into the final day of the competition, the Seniors were only four clays away from the Americans, but it wasn't to be in the warm and dusty conditions.

Seniors, Juniors, and Ladies were Runners-up and Veterans took third place. Overall the England team put in a great performance and everyone came home with medals and silverware.

The Super Six final saw four of the USA team along with our very own George Digweed where we watched a master at work – I don't think I have ever seen him shoot as well! This Championships was a fantastic event which was extremely well hosted. 🍌

DTL WEEKEND *PREVIEW*

To be hosted by Bywell Shooting Ground on the 10-12 June.

Bywell Shooting Ground is set to host the DTL weekend for the 12th consecutive year from 10-12 June. The event consists of three separate championships – the Sponsored DTL, the Dougall Memorial, and the CPSA English Open DTL.

The Dougall Memorial is the jewel in the event's crown. It was first contested in 1896 and has been shot every year since, with the exceptions of 1915-1920 and 1940-1945 owing to the World Wars. It is dedicated to Mr I D Dougall, the first chairman of the IBSA (Inanimate Bird Shooting Association – the precursor to the CPSA), and was first won by Frank Izzard. At 126 year's old it is probably the oldest championship in clay shooting.

The defending champion is Paul Turner who shot a fantastic 100/300 along with last year's surprise winner of the English Open, Dan Hudson, who also shot 100/300 to secure the EO title with his first ever perfect score. The

Sponsored DTL title went to Tom Robinson, who almost matched their scores with a near perfect 99/297.

This year we have added a little extra spice to the weekend

We can't wait to see what this year's weekend brings – three perfect 100/300's perhaps?

The Henry family have been running Bywell for over 40 years now and always look forward to hosting DTL shooters from around the country. "We are delighted to be hosting the DTL Weekend for the 12th straight year and look forward to welcoming DTL shooters from near and far for this great event."

Eley Hawk will return as a sponsor of the event, contributing to the prize fund and donating 12,000 cartridges for distribution amongst the winners of the Sponsored DTL, the Dougall Memorial and the English Open DTL. Eley's Carl Weller tells us: "We are very proud to be sponsoring the DTL Weekend at Bywell Shooting Ground for 2022. It is a highly competitive event that we have been pleased to support for a number of years now, and as a leading manufacturer of fine shotgun cartridges for clay shooting, it is one we always look forward to."

We also welcome back CPSA Headline Sponsor Swatcom who are supporting the English Open DTL with Active8

Headsets for the winners of Ladies, Veterans, Juniors, and Colts. Keith Foote, MD of Swatcom distributor Talking Headsets UK, tells us: "The 2022 season is definitely up and running and we look forward to sponsoring our second CPSA Championship, the English Open DTL. I'd like to wish all those competing over the whole weekend the very best of luck."

This year we have added a little extra spice to the weekend with the Beretta DTL Challenge, in collaboration with Beretta importers GMK Ltd with five Beretta guns up for grabs for the highest combined scores over the three days across classes AA-C and Overall combined High Gun score across the three days. You must shoot all three days though to qualify! 🍀

INTERNATIONAL

Sarah Daly reports on events around the world.

Team GB picked up three medals at the World Cup in Lonato: Gold for Kirsty Hegarty in Trap Women, Silver for Amber Hill in the Skeet Women, and Bronze for Emily Hibbs and Freddie Killander in the Mixed Skeet Doubles.

First up was Kirsty, finishing day one in touch with the leaders, in equal fifth place along with Lucy Hall. Kirsty dug really deep on the second day to make the finals after a shoot-off to finish ranked seventh for the semi-finals, which put her fourth in squad two – not an ideal ranking. She shot enough to make second, which qualified for the Medal Match.

Ranked three in the Medal Match, there was a lot of work to do, but Kirsty shot brilliantly, hitting front at the nine target mark and stayed there, winning the match at the 33 target mark with a Golden Hit, beating Augusta Campos-Martyn (PUR) into Silver, and Ray Bassil (LBN) into Bronze. This result has put Kirsty second in the World Rankings.

Next up was Amber Hill in the Skeet Women. Amber put in a strong performance in the qualification rounds with 122ex125, and post shoot-off went into the semi-finals ranked number one in her squad.

Nadine Messerschmidt (GER) put on the pressure and

“ This result has put Kirsty second in the World Rankings. ”

beat Amber by one target, but it was still enough to make the Medal Match ranked two. At the first rule out stage, Amber shot enough to stay in the match lying third with 17, with Nadine and Caitlin Connor (USE) on 18. At the last stand of the Bronze rule stage, Amber shot all four targets to keep in the mix for the Gold and Silver battle between Caitlin and Amber, with only one target between them. Caitlin maintained her lead of one target to take Gold, with Amber winning Silver. However, this result was enough to keep Amber ranked as world number one.

And last, but definitely not least, Emily Hibbs and Freddie Killander won Bronze in the Skeet Mixed Team after a real battle with the Italian

team, Chiara di Marziantonio and Luigi Lodde.

The two teams finished level, and so went into a nail-biting decider – Emily was first up and hit all four of her targets, as did Freddie. The referee called a lost target for Chiara, but it was overturned by the VAR (video assistant referee), which put the Italians level, and so it went on to a shoot-off where both the Brits held their nerve and hit their targets, but the Italians dropped one, so GBR took the Bronze medal.

Think the World Cup could be rated as a good result for GBR! Tremendous matches available on YouTube! 📺

ONE OF A KIND

George Digweed MBE reached new heights at the World English Sporting Championships in Texas, and **Matt Kidd** spoke to the perennial champion about the latest milestone in this most remarkable career.

To qualify for a world championship in any sport is a great achievement. To place in the top ten is outstanding. To stand above the rest of the competitors as a world champion is an experience reserved for the very few. And to win multiple titles is astonishing. However, the words become more elusive when trying to accurately describe the enormity of winning a 27th world title in a career that spans over 34 years. It is for this reason that I, along with many others, believe George Digweed MBE to be one of the greatest sports people the world has ever known.

It is not just the fact that the humble butcher's son from Hastings has won almost as many titles as Phil Taylor (16), Lewis Hamilton MBE (7), and Ronnie O'Sullivan (6) put together, but that his win of the World English Sporting Clays Championships in San Antonio, Texas, in April sets a new milestone of winning a world title in five consecutive decades. The odds of achieving this colossal feat are probably akin to being struck by lightning, winning the lottery, and becoming the prime minister... all in the same year!

Yes, there have been sporting greats that have competed in majors for longer, for example, Arnold Palmer played in major golf tournaments for six decades, and Canadian equestrian athlete Iain Millar competed in ten Olympic Games up to the

age of 65. But there is no one who has been at the pinnacle of their game for so long as George. As humble as ever, he admits: "It was a goal in the back of my mind for some years, and at best I thought I had a slim chance. But to actually achieve it, seven years after my last title, makes me very, very, happy. I still can't get my head around the magnitude of it though."

OVERCOMING THE DOUBTS

Despite George's incredibly relaxed demeanour when shooting under pressure, the last few years have been all but a walk in the park. "I was starting to doubt if I could even still do it," George continues. "I felt as though I had been written off by many, getting a little old, known as someone who had won before and was good for a solid performance but nothing more. Plus, since the robbery in 2017 (when George was violently attacked during an aggravated burglary in his own home), I have always questioned whether I would be good enough to win another one – events like that are life changing. This win answers a lot of questions and puts all of my demons to bed, allowing me to near the end of my rebuilding process. So, for all those reasons and the milestone it achieves, there's no doubt in my mind that I believe it is my greatest ever win."

Readers would no doubt love to know George's secret for success but George tries to keep it pretty simple: "Above all, I think my secret would have to be having a sound technique. Wherever you're shooting in the world and whatever the stage of the competition you are in – first stand or in a shoot-off – believing in and trusting your technique implicitly will put you in good stead. I am blessed with good eyesight, too, which normally leads to great hand-eye coordination, and I am lucky to be able to produce under pressure. I've seen some people who are incredibly good in practice who crack as soon as the pressure is turned up.

"My method for coping with pressure is all about controlling the environment around me and visualising events that might happen in the future. Therefore, when something happens, it's almost as if I have been there before. This is not a lengthy process though, it's a high-speed, split-second story which evolves as I progress through each stage of the competition," George

explains. "Of course, that improves with experience, and now in my 40 years of shooting, there's not many targets or scenarios that I don't know how to deal with."

ON SOLID FOUNDATIONS

Preparations are also kept fairly straightforward. As much sleep as possible ahead of competitions and remaining hydrated are two of his key pointers – he doesn't spend hours shooting thousands of targets ahead of competition, instead using competitions for practice. "I only shoot competitions to practice, and nowadays I am shooting far less of them," he adds. "We have sadly lost many clay grounds in Kent for a number of reasons, and where I might have shot five or six comps on a Sunday, I might shoot one or two today. Thankfully my local clay ground, Willow Farm, is prepared to put on world-class standard targets which are superb for practice. So, what I might be losing in volume, I am certainly gaining back in quality."

Indeed, to have been able to accomplish what George has done over the 34 years since his first world title requires immense dedication, stamina and resources. He openly gives great credit to those he includes in his support team, including his sponsors, but none more so than his wife Kate.

One would naturally assume the presence alone at world and European ►

Championships (he has won 18 of them too) would become tiresome with retirement potentially beckoning at any one of the previous milestones, but the Digweeds share a rare relationship. “We’ve been married for 32 years and I count myself lucky to have been to all but one of George’s world championships,” Kate admits. “I’m always very nervous watching him shoot, but on this occasion it was totally different and I enjoyed it immensely. We were surrounded by friends we hadn’t seen in so long due to COVID and it’s the best I have ever seen him shoot. But above all that I could feel him overcoming the challenges he has been dealing with for so long. As silly and romantic as it sounds, this competition in San Antonio will stay in my heart forever.”

WHAT HAPPENS NOW?

So, is it time to rest the guns in the cabinet for good? “The win in Texas was the icing on the cake for my career, so there’re no individual goals anymore,” George answers. “However, I hope the milestone does some good for the sport which it wholly deserves and attracts a new audience. As such, I certainly don’t intend to pack it up anytime

soon. Plus, wherever Kate and I have been in the world, we have made lifelong friends who we would miss dearly without taking part; the clay shooting circuit is like a family.”

Gladly, it’s not the last we will see of our greatest champion, and with a little luck, there may be more milestones in the years to come. In the meantime, though, if you can find a word to accurately encompass the enormity of George’s career and achievements... please let me know! 🍷

Rizzini are CPSA Headline Sponsors for the 2022 season. More information about their guns can be found online at a-s-i.co.uk/rizzini

– CPSA SPONSORS – **RIZZINI**

Rizzini's **Filippo Adamati** tells us about the company and the plans for the year ahead.

Rizzini is an Italian family-owned company which was founded by Battista Rizzini in 1966. Today, the business is run by his son Giuseppe and daughters Moira and Pamela. We are becoming somewhat of a tailor in the shotgun industry, and I believe we are the most 'complete' industrial gunmaker in Europe, if not the world, producing a vast array of shotguns for game and clay, along with double rifles. Our aim is to continue to grow the company and develop our products for genuine enthusiasts, and we are fortunate that many of our employees are skilled shooters themselves.

One advantage we have over other companies is the size of our workforce and premises. We are big enough to produce lots of quality guns, yet small enough to accommodate those

customers who wish to have a gun built to their exact requirements.

Last year was the best on record for Rizzini in terms of turnover and shotgun sales – with the UK and USA our best markets – and we hope 2022 will be even more successful!

DEVELOPMENTS

In the last year we have recently extended the IPS family of products, which offer fully adjustable aluminium stocks, three-way adjustable top-ribs, and balance kit to cover all our competition models. We will also be offering new engraving for the BR460 along with three finishing options including a total black version. Further to this we have developed a compact Monte Carlo configuration designed specifically for women and teenagers.

SPONSORED SHOOTERS

Without meaning to forget anyone, we are currently sponsoring Arran Eccleston who is a member of the GB Skeet team – he shoots with a BR460, and over the last couple years he has achieved a national record in a final and a medal in the European Championships in Croatia. Plus, we have a young French lady, Loemi Recassens, who shoots Olympic Trap. For FITASC Sporting we have Joakim Smith, Arnie Palmer, Nick Hollick, and Ian Cochrane. For Seniors, Chris Broomfield will be joining our team for English Sporting, along with Joy Wheatcroft, and Juniors Jasper Pearce and Barney Eastman.

POPULAR GUNS

For those newer to shooting we have lots of interest in our BR110 Sporter, which offers balance between quality and value for money. For mid-level shots who shoot both game and clay, the S2000 has been popular due to the higher quality walnut, engraving, and additional configuration options. For those competing at the top level, our best-selling model is the BR460 which is a heavy gun featuring a boss-style locking system, detachable trigger unit, and more.

WHY YOU SHOULD INVEST IN A RIZZINI

We have a great reputation for producing competition shotguns, which started with the S790 and Premier models – many FITASC and Skeet competitions has been won at national and international level using Rizzini guns. As previously mentioned, we offer such a range of product lines with finishes, actions and weights to cover all disciplines, levels, and build of shooter.

SPECIALIST SERVICES

The Rizzini Experience is something our customers enjoy a lot – we host our customers for two days which includes a factory tour, fitting of the stock, and a chance to visit the biggest engraver studio in the world – Bottega Giovanelli.

2022 CPSA SPONSORED EVENTS

This year Rizzini and our official UK distributor ASI are sponsoring the English Open ESP, British Open ESP, and the CPSA 'have-a-go' events. Visiting our stands, people will be able to see our full range of shotguns – both game and clay – and meet members of our team, including our in-field gunsmith. 🦋

70 GLORIOUS YEARS OF AUDLEY GUN CLUB

We learnt about the history of the recently CPSA Affiliated Audley Gun Club.

In 1952 a group of local farmers and businessmen founded a gun club on Noel Skidmore's farmland in the village of Butterson, Newcastle, Staffordshire.

The first minutes of a meeting was held on 18 December 1952 and states a Mr John Sant was elected chairman – eight members were present. At the meeting the name was to be Butterson Gun Club and the number of members were restricted to 30. The subscription was to be 25 shillings and renewal of membership to be ten. The order of the day were side by side and collar and tie. Sporting was in its infancy

at this point and Down the Line was predominantly shot so eventually it became a 30-target Sporting shoot.

The minutes of the AGM on 1 May 1958 show a new member proposal of Mr Derick (Blaster) Bates, seated on the far right, who was an explosives and demolition expert and raconteur. It was he, while blowing up tree stumps at the Oulton Park Racing Circuit, came across a young couple in a very close embrace, so he named that part of the circuit the now famous "Nicker Brook" which has a lot of coverage on YouTube.

In 1960 the club started

to occasionally shoot at Mr J R Adams Shortfields farm at Audley village on the North Staffordshire border and in 1962 it became permanently based there.

The minutes of the meeting on 29 May 1964 states the club name was changed to Audley Gun Club. The new ground had a valley called Milldale, the members of the committee built a 40ft tower at the top of the hill and it became one of the highest driven targets around. It was quite a climb down to the stand in the bottom of the valley and a good climb back to the top, but it was well worth it, for such a superb

driven target. As a youngster the former World Champion and the first person in the world to shoot 100-straight in a competition, Duncan Lawton, used to practice on the high tower targets. Another member of the club was the World English Sporting Champion of 1994 and 2003 Mick Howell, who now owns Indian River Shooting Ground in Florida.

Other long-serving members of the club are Mickley Hall Shooting School and British Team Members John and Scott Barnett. The club has always encouraged Juniors, for them the annual subscription is just £1 and entry fee £5. Lara Dale and Alex Wilkinson, who have shot Olympic Skeet for Great Britain, joined the club as Juniors.

In 1985 Mr John Adams, the landowner, decided that the land lent itself to high target sport and so turned it into a Pheasant Shoot, becoming Milldale Shoot.

The club moved once

The club is constantly evolving and peaked with a membership of just over 200

again to a new ground, but retained its name of Audley Gun Club.

On 17 February 1985 the first shoot took place at Green Valley Farm in the neighbouring village of Betley, courtesy of the landowner Mr John Griffiths, who was a member of the club for over 60 years. This is now the clubs current site. John's son David is now the President of the club, and the Chairman Phil Jones has been on the committee for over 40 years.

Phil was born in the village of Audley in 1952, the year the club was founded. As a young boy he would

hear shooting on the third Sunday of the month just across the fields from where he lived that drew him to the sport of clay shooting all those years ago.

The club is constantly evolving and peaked with a membership of just over 200. It is keen to encourage Juniors and with this in mind Audley Gun Club will hopefully be growing strong for the next generation of shooters.

The club has recently affiliated with the CPSA and it is hoped that this will benefit the members.

The club is predominately English sporting and hold shoots of 50 targets over nine stands on the third Sunday of each month, however it holds an annual DTL, Double Rise, and Skeet competition in memory of its heritage.

If you are interested to know more, try shooting at Audley Gun Club, or even become a member, visit their website audleygun.club for further information.

GAINING A COMPETITIVE EDGE

Can fitness and nutrition really boost performance in shooting? **Matt Kidd** seeks some advice.

One of the most recognised names in golf, nine-time major championship winner, Gary Player, famously said: "The harder I practice, the luckier I get". Despite some 60 years since his heyday it remains succinctly relevant, particularly for skill-based sports like shooting. Akin to golf, our sport requires a very consistent set up, a smooth and habitual swing, great hand-eye coordination, and immense focus in order to compete at the top flight. But, as support, and research and technology have

improved so the days of achieving success from just

natural ability (and a little bit of luck) have passed. Shooters must seek out ways within their control to give them an extra per cent here and there over their opponents, and that's where fitness and nutrition come in.

to incorrectly train for the physical requirements of shooting and competition will have a direct impact on performance

fantastic shape, have metaphorical 'guns' for biceps and the body fat count of a spider to see improvements? No. But for all levels of shooter, adding in some specific exercises to your weekly routine and paying a little more attention to what you put into your body in training and competition will pay dividends. Georgina Roberts, a British Shooting athlete ranked 26th Ladies in the world for OT, coach and more, explains: "Being physically fit means you can control your movement to the target much more effectively and consistently, and that you can repeat your movements exactly from your first shot to your last, which is really important."

Ethan Lowry, musculoskeletal physiotherapist and also an avid clay shooter himself, agrees. "Aerobic

FIT FOR PURPOSE?

So, how important is physical fitness in clay shooting? As stated in the ISSF coaching course manual: "To neglect or to incorrectly train for the physical requirements of shooting and competition will have a direct impact on performance and the result..." Which is a pretty strong statement. But does that mean you must be in

training decreases resting heart rate which will not only allow you to be less physically stressed walking between stands, less prone to fatigue during competition, but it is known to improve hand-eye coordination too. This is especially important if competing in a hot country, as you will adjust to differences in temperature much faster."

A QUESTION OF BALANCE

Building your core, from your trunk to your quads/hamstrings, is also essential if you want to improve your shooting, as is mobility and balance. "It's really important for your joints and muscles (especially in your shoulders) to work as effectively as possible," states Georgina. "Resistance band activities are great for improving mobility which can be performed on a daily basis, anywhere, and are great to include in a warm up routine. Balance work also increases self-awareness and stability, further building on an all-important solid base for your stance. You can introduce balance in many different ways, yoga and pilates for starters, or you can invest in a balance board.

Ethan picks up the baton: "Strength training with a focus on the chest, shoulders and back will also help to prevent muscular injuries and ensure adequate endurance of these muscles during shoots. This will allow you to make the most of your potential."

So, in what frequency might we need to introduce new exercises to start seeing improvements? "I believe it's important to do something meaningful every day that is going to help you work towards achieving your goals, whether mobility, balance or strength training," says Georgina. "But one must be mindful of overdoing it – there's no need to become a body builder as you put yourself at risk of making your movement snappy – and allow adequate recovery time."

NO NEED TO WEIGH YOUR FOOD

What about what we put into our body during training and competition? "Being a sport that requires high concentration versus one that is physically demanding, shooters will be pleased to know they don't need to start weighing out all their foods and counting macros in order to see performance improvements," answers Jack Braniff, founder of Birmingham-based Box Nutrition, who provides expert nutritional advice to sportsmen and women across a spectrum of sports. "Instead, ensuring you have a balanced diet, eating enough to provide fuel for the day and staying

ON THE BIG DAY

When it comes to competition day, Jack recommends consuming fibre rich carbohydrates two to three hours before competition, if possible, as this allows them to digest properly and release energy effectively before you start. "If competing in a number of sessions throughout a day, you may need to maintain energy levels. Nuts and low-fat sandwiches – tuna/turkey/chicken for example – are great options. And staying well hydrated whatever the conditions is also key to good performance.

"For competitions that run over a few days, recovery is paramount too, and the four Rs are great guidelines to follow: Rehydrate; Repair (eat enough protein); Replenish (consume enough carbohydrate); and Revitalise (with fruit and veg)."

Finally, don't make the mistake of experimenting with new foods, eating habits or levels of consumption just because it is competition day, advises Jack. "This will be unfamiliar to your body, making you feel uncomfortable and will no doubt hinder your performance."

hydrated is a really good place to start. There are some subtle changes to what a shooter might consume that will give additional advantages, such as switching to carbohydrates that are higher in fibre as they release energy slower and over a longer period of time."

"To improve brain health and cognitive function – i.e. reaction time, focus, and memory which are so important in shooting – one can regularly consume foods high in omega 3, such as fish, flax seeds etc. Iron is great to prevent tiredness and fatigue, and eating a wide variety of fruit and veg will provide sufficient vitamins and also help prevent tiredness and irritability."

Getting a little more scientific, Jack highlights stimulants and supplements. "Supplements like nootropics, taken in pill form by motorsport drivers etc., have been proven to boost brain performance. But caffeine, from just a simple cup of coffee, can heighten arousal and mental response boosting

performance considerably. As a general rule, one should keep caffeine levels between 3-6milligrams (mg) per kilo of body weight (a standard cup of coffee contains around 100mg). It is important to remember everyone's tolerances vary – too much can cause you to become jittery and erratic – and if you are a nervous performer, you might need to restrict the amount of caffeine you consume to ensure that you remain as calm as possible."

IN THE END

So, the answer to whether fitness and nutrition go hand in hand with shooting is pretty plain and simple. What you put in, you'll get out... And with a bit of luck, you'll start to climb the ranks even faster. 🌱

TRAP DEVELOPMENT INITIATIVE

The 2022 CPSA Trap Development Initiative, is again being supported by HornbyChapman and Fiocchi UK. We have three new youngsters to introduce to you, but first a little about the two main sponsors.

Paul Chapman is no stranger to Trap shooting, being the current England ABT Team Manager. Paul founded HornbyChapman Ltd with Victoria Hornby in 2006 after almost 18 years in the asset servicing industry. HornbyChapman Ltd is a specialist recruitment firm focused primarily on senior permanent hiring in the post-trade world covering banks, third party administrators, asset managers, fintech firms, and financial infrastructure providers. It works on roles from middle management to board level in sales, risk, product, relationship management, operations, and strategy/general management. The firm's reach is global, with staff in London, Edinburgh, Hong Kong and Singapore, and joint ventures in Toronto, New York, Luxembourg, Mumbai, Jo'burg, and Abu Dhabi as a Middle Eastern hub.

James Rose of Fiocchi UK is well known to shooters of all disciplines in the UK after working for many years in the cartridge industry. James is the Managing Director of Fiocchi UK and has played an integral part in building the Fiocchi brand alongside Fiocchi Munizioni s.p.a. Their success has resulted in the acquisition of Baschieri & Pellagri cartridges, and more recently the acquisition of Lyalvale Express. James will now become the Managing Director of the new groups UK entity and looks forward to a continuing involvement in this Initiative.

The CPSA is now delighted to introduce the following three new shooters for the 2022 Trap Development Initiative.

LEWIS KIRK – 14 YEARS OLD

For as long as Lewis can remember he wanted to shoot just like his dad, David, a Commonwealth Games Olympic Trap shooter. He spent a lot of weekends on shooting grounds watching him practice and remembers at an early age standing behind his dad with toy guns, copying and pretending to shoot the same targets.

On his seventh birthday Lewis was given his first gun, a single barrel bolt action 410, which was almost as tall as he was! He was determined to shoot it, and he did. David started teaching Lewis the basics, first on easy Sporting targets and slowly introducing the harder targets and other disciplines. Lewis entered his first competition at the age of 11, which was part of the British Shooting Shotgun Series at Nuthampstead, and he loved every minute. Since then Lewis has entered many competitions in the disciplines OT, ABT, and UT. He is focused each year on developing his shooting and increasing his CPSA average. Lewis says "I have been lucky enough over the last couple of years to win some medals and championships in both Colts, Juniors, and in my class. My main aim this year is to continue to develop, improve my average and to finally beat my dad."

WILLIAM TAYLOR – 15 YEARS OLD

William's first taste of shooting came when he joined his grandad and Uncle on their game shoot. He shot a 28 gauge shotgun until he was big enough for a 12 gauge.

Between the age of ten and 12 years old he attended local charity clay shoots and started to shoot competitively after attending a registered DTL competition at East Yorkshire Clay Shooting Ground. William uses a Beretta DT11 with a TSK stock, which he says "is a joy to shoot".

After achieving Colt High Gun at the Dougall Memorial DTL in 2020 and Colt High Gun at the British Open Single Barrel, William started to compete further afield. This helped him to gain confidence and experience, so the natural progression was to try OT and ABT competitions, where he found that he really enjoyed the faster pace.

William considers himself very fortunate to have coaching and support from Rob Hall and family at East Yorkshire Clay Shooting Ground, where he trains.

After qualifying for the England Junior DTL Team last year, the final was held at Fauxdegla Shooting Ground, where they came first. This year William is competing in the England OT selection shoots and says that he is also enjoying competing in the British Shooting Shotgun Series.

HOLLIE LUMSDEN – 18 YEARS OLD

Hollie was about 11 years old when she started shooting at E.J. Churchill Shooting Ground with her parents. Four years later Chris Cloke introduced Hollie to Olympic Trap during a British Shooting Pathway Identification and she has been hooked ever since. She shoots a Perazzi MX8 Special, which fires top barrel first, and uses Fiocchi cartridges.

In 2021 Hollie won the British Junior Ladies Championship, one of her biggest achievements so far, after winning Bronze, Silver, and two Golds in the Shotgun Series. Hollie has just achieved another of her top goals when she will compete, for the first time, in the GB Olympic Trap team at the Junior World Cup in Suhl, Germany.

Hollie is coached by Claudio Capaldo at A1 Shooting Ground where she says that "it has become a sort of second home as I spend most weekends there unless I am away at competitions."

After being awarded the TASS (Talented Athlete Scholarship Scheme) this year from UK Sport (which supports her training programme), Hollie has set new goals.

She would love to retain her British Champion title this year and is pleased with progress so far, winning Gold at the Shotgun Series Round 1 at the start of April. She hopes to get selected for the European Championships in August to represent team GB, and of course eventually would love to compete in the Olympics. As well as her shooting goals, Hollie is focusing on passing her A-Levels this summer and then going to the University of Nottingham to study Aerospace Engineering.

Last words from Hollie: "Olympic Trap is a hard discipline where each round needs 100% concentration, but its great fun and I always end up with a smile on my face!" 🍀

KEEP IT SAFE!

Here are our top picks to help keep your gun safe.

► Brattonsound Gun Safes are available in three security levels, and with 33 models to choose from they are available from many UK Gun Shops. Designed, engineered and built in Britain, every Brattonsound gunsafe is manufactured to strict ISO 9001 and BS7558 quality standards and comes with a three-year on-site warranty. **RRP: from £141.00** brattonsound.co.uk

► The LOK4K offers a 18 shotgun capacity, equipped with a built-in gun rack and separate lockable ammo storage. Lokaway Safes provide the leading anti-pry design on the market, This increased security ensures your firearms and ammunition are responsibly stored.

RRP: £735.00 • gmh.co.uk

◀ The Jack Pyke trigger lock is made from toughened steel and rubber panels to prevent scratching. It fits perfectly to most guns in seconds and is suitable for shotguns, rifles, and air guns. Two keys included. **RRP: £12.50** sportsmanguncentre.co.uk

▼ The Browning Zenith 19 safe can hold a capacity of up to 19 guns and features an electronic lock and a five-spoke black chrome handle, quick access rack, and a full-door DPX accessory system. It weighs 397kg and is fire resistant for up to 90 minutes. **RRP: from £2,600** en.browning.eu

◀ GUN-LOK is a security device that effectively locks the breech of a shotgun, preventing the insertion of ammunition. GUN-LOK has a profile similar to that of a typical cartridge and is quick and easy to fit. Its in-built 'fail-safe' anti-tamper provisions make GUN-LOK highly resistant to attack or unauthorised removal, by simply inserting it into the shotgun breech in the same way as a cartridge and with a few key turns of the integral multi-pin lock, the shotgun breech is effectively inaccessible.

CPSA Level 3 Senior Coach **Simon Arbuckle** and Team GB shooter **Freddie Killander** discuss how to shoot Olympic Skeet.

Hello and welcome to the fourth episode of the sixth CPSA How to Hit series, sponsored by Browning and filmed at the National Clay Shooting Centre, Bisley.

In this episode and the next two we are going to be talking about Olympic Skeet and to help me do that I will be talking to Freddie Killander, who is currently ranked GB number one Olympic Skeet Shooter, and he will explain the sequence and the differences between Olympic and English Skeet.

DIFFERENCE BETWEEN OLYMPIC SKEET AND ENGLISH SKEET

Freddie: Ok, so there are a few differences between the two disciplines, the first is about the clays themselves and we only ever shoot orange clays, which is in contrast to the black in English Skeet. There is also the speed of the clays, our clays must go 68 meters which means they are about 58 miles an

hour, which is a little bit faster than the English discipline, and of course there is also a delay when you call for the target which can be anything from pretty much instantaneous to three seconds.

The next difference is that we have a slightly different sequence that we have to shoot, and we also include an extra stand. So in English Skeet you have the seven stands around the semi-circle, in Olympic Skeet we also have an eighth station which is right in-between the two.

We also have a limitation where we can only shoot 24g cartridges, and the last one is that you also start with the gun down and not pre-mounted. The stock of your gun when you call for the target has to be

roughly level with the bottom of your elbow, and we have a line on our vest which marks that position.

OLYMPIC TRAP SEQUENCE

Freddie: On the first three stands, stations 1, 2, and 3, we shoot a high single and then a pair which must be shot high target first. Then you move to station 4 which is a high single then a low single. Station 5 and 6 is a low single and a pair shot low target first. You then shoot a pair on station 7 shot low target first you, then come back to station 4 where you shoot 2 pairs the first one high target first and the second one low target first. Finally you go on to station 8 where you shoot a high target single and then a low target

OLYMPIC SKEET LAYOUT

single and that gives you a total of 25 targets.

Simon: On the eighth where must the target be shot by?

Freddie: It can be shot as long as it is within the bounds of the range but typically people shoot it well before the centre peg.

Simon: You can take it after?

Freddie: You can do if you want but it is very very hard to do, so most people don't.

MOVING FROM ENGLISH SKEET TO OLYMPIC SKEET

Freddie: There are a couple of key things to do. The first is to find somewhere you can shoot the discipline. That can be found either on the CPSA or the British Shooting websites, and then find a coach who can steer you in the right direction.

British Shooting are putting on talent identification days which are a great way of becoming part of the British Shooting Organisation, and then moving through the ranks towards being selected in the teams and being trained up to hopefully, be a professional athlete who can travel internationally and compete across the world!

Simon: So, if you had to give one tip what would it be?

Freddie: Be patient and never give up!

North of England CC

On Sunday 10 April, the third NOE selection shoot took place at North of England CTC and the beautiful sunny weather brought 63 shooters out. The High Gun of the shoot was Paul Chaplow and Ian Biggins with a score of 100/299, closely followed by Martin Clark, Martin Jeminson, and Emma Holden with scores of 100/298. The highest Junior was Cory Doble with 99/295. I would like to thank the ground for holding the shoot and well shot to all the Northern shooters involved. Charlotte and I would like to thank everyone who has turned up to these.

Bywell

On Saturday 16 April over the Easter weekend, the penultimate selection shoot for the North region team took place at Bywell Shooting Ground. Thank you to the ground for holding this shoot for us and again, a high turnout of 52 shooters arrived. The High Guns were Paul Turner and Tom Robinson with a score of 100/299. Paul Chaplow and

Allan Henry were close behind with 100/298. Charlotte and I would like to thank everyone who has turned up to these shoots and look forward to the last shoot at Penrith and seeing everyone up at Bywell. Good luck.

First England FITASC Team Selection Shoot

The first England FITASC Team selection shoot was held at TD Shootings' Jett Hall Farm, over the Easter weekend 16-17 April. The weather over the weekend was superb and the targets were even better as TD Shooting set a very technical and challenging set of layouts but very enjoyable to shoot as they were all well-presented and hittable, but you had to bring your a-game.

The weekend ran extremely well with no hold ups at all and all shooters finished shooting half an hour early. Each layout had a great mix of targets, layout one shooting below your feet off the 15ft high shooting platform, to layout three presenting clays high in the sky of the 80ft mobile tower.

A huge congratulations to High Gun Phil Rowbottom on Saturday finishing on a superb 92ex100, shooting his last two layouts straight. Phil was pushed all the way by R Evans who finished on 91, congratulations to all other class winners.

There was some more great shooting throughout the second day with Josh Brown finishing on top at the end of day two with a solid 91ex100. Thank you to TD Shooting and ground staff for a great weekend and a huge thanks to all the refs for their dedication.

26 Mar: FITASC Sporting West Mids Area Individual and Inter-County Championship, Westfield SG

Area Champion was Julian Morris from H&W with 92. Cheshire's High Gun was Miles Machin on 87, winning Vets Gold and joint Bronze medal Overall, tremendous shooting Miles. Following closely was Fred Whitehurst with 84, Scott Barnett and Steve Randles both with 81, Steve was third in B Class. Others shooting well were Edward Wilkinson on 77, Andrew Jones 73, Ian Cunliffe 72, and Guy Robinson on 71. Janet Gornall won Ladies Silver. Cheshire came third in the Inter-County Championship, well done to you all.

2 Apr: DTL Team Selection Shoot, North of England CTC

Cheshire's joint High Guns were David Hurstfield and Chris Bushell both with

98/290 and joint second in A Class. Edd Furber shot 99/289 for third in A Class.

It's lovely to see John Barnett back on top form with 99/288, followed closely by L Furber on 99/286. Also on 99/286 was Paul Sant. First in Colts was Toby Hurstfield with 96/282. Mark Warburton scored 95/281, and Ian Kippax 93/269. Top Cheshire Ladies were Sarah Milroy 90/264, Diana Barnett 90/262, Jeanette Bushell 82/242, and Nicola Booth 82/237.

3 Apr: ESK Third Selection Shoot, Nottingham SG

Isabel Cartlidge was our High Gun with 96, next came Jim Wagstaff with 93, Colin Babcock on 92, Maurice Cunningham 90, and Steve Lawrenson 89.

10 Apr: DTL West Mids Area Individual Championship, Holmes Chapel SG

Chris Bushell is this year's Champion, Gold Overall, first in A Class, and Veterans Gold with 100/295. Peter Relph took Bronze Overall on 99/294, followed closely by Geoffrey Rogers with 99/291 for Veterans Bronze. Jane Hitchmough scored 96/284

to win Ladies Gold. Toby Hurstfield won Junior Gold with 94/277. A shoot-off was needed to decide the Silver and Bronze Overall between S Gardener and P Relph. Unfortunately Pete dropped a target and Shaun a barrel. But Cheshire shooters were on top spot in all the categories. Brilliant result Cheshire.

18 Apr: ESP, Catton Hall SG

Cheshire shooters were out in force over the Easter weekend. There was a great turnout and lots of high scores. Carl Vickers, Miles Machin, Nicholas Beavis, and Ian Stubbs all finished on 94. Carl was top Cheshire Senior and joint second in AA Class. Miles was joint top Veteran and joint second in AA Class. Nicholas was second in AAA Class. Ian was joint top Veteran and joint second in AA Class. Also on top form were Albert Moss, Mr P G Twist, Mark Oakley, and Nigel Lane all with 90. Lucy Earl won Juniors and second in Ladies with 85. Eddie Morris was second Junior on 83. Fern Lancaster won Colts and third in Ladies with 78. Congratulations to you all.

24 Apr: ESK fourth Selection Shoot and WM Individual Championship, Doveridge

Isabel Cartlidge was our High Gun again, this time with 95. She is also West Midlands Colts and Ladies Champion, well done Isabel. Following closely was Colin Babcock on 93. Next came Jim Wagstaff on 91 for

73 for Silver, and Liam Richings shot 65 for Bronze.

10 Apr: English Open OSK, NCSC

Paul Tudge shot 176ex200, just a couple clays away from a medal placing.

9 Apr: English Open Compak Sporting Championship, High Lodge

Luke Russell shot 85 to take the Bronze medal, very well done.

English Sporting

On 6 April, in terrible weather at Ian Coley's, Chris Biddlecombe shot 88 for third in AA Class, second in A Class was Lee Newman on 87, and targets only John Anderson shot 71 in C Class. At Gunsite on 10 April first in AA Class was Nick Portlock on 94. In A Class Steve Pinker shot 92 for first, and in third was Ivan Reid on 90. In B Class, sharing third was Ben Malecki and Jennifer Young shooting 81, in C Class Sam Townsends shot 89 for class win. At Owls Lodge on 16 April, a 96 by Joe Hemmings won High Gun, Dave Probert third in B Class with 81, and in C

Notes from the Chair

Our fully sponsored FITASC and UTR Team were the first out at Inter-County events, finishing just outside the medals. Thank you for taking the time to represent your County.

Thank you to everyone who came to our County Fundraiser at Ian Coley Sporting. A huge thanks to Adrian Johnson for organising the event and putting up the High Gun prize himself and thank you to the ground for holding the event. We raised over £600 in total, some of which covered the remainder of the costs for the FITASC team, along with sponsorship from Blain Boon Gunsmiths and The Clay Shooting Company.

The next County fundraising event will be a Compak shoot and barbecue (weather permitting) on Wednesday 8 June at Gloucester Clay Shooting Club.

Details can be found on Facebook.

Good luck to everyone in all the upcoming events and thank you for your support of Gloucestershire CPSA.

Single Barrel

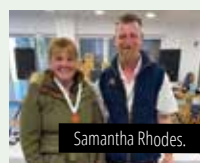

The West Midlands Area Single Barrel Championship was held at Nottingham & District Gun Club on 3 April. Derbyshire enjoyed medal success in most categories with Dave Hinchliffe winning the area Gold medal in the Veterans on 94/100 and Clive Weston taking the Silver also on 94/100. Samantha Rhodes won the Ladies area Gold medal on 93/100 and Troy Hunt won the Junior area Gold medal on 94/100. Well done to you all.

Down the Line

The West Midlands Area Down the Line was held at Holmes Chapel on 10 April. Clive Weston won the Veterans Silver medal on 100/291 and Troy Hunt won the Junior Silver medal on 93/270. Well done to Dave Hinchliffe who won the Veterans Trophy on 100/299 at the John Bates Memorial shoot held at Nottingham on 10 April.

Sporting

The second Sporting Team Selection was held at Orston Shooting Ground on 1 May. In the Seniors, Tristan Yeomans was the top scorer on 92/100, followed by And Miller, Joss Read, and Mark Fisher all on 86/100, Keith Wood Jnr on 85/100, and Stephen Ogden on 84/100. In the Veterans Adrian Hope was the one to catch on 87/100, followed by Keith Roe on 82/100, Iain Platts on 81/100, and Steve Hurt on 78/100. Top scorer in the Ladies was Rhiannon Pope on

Samantha Rhodes.

Dave Hinchliffe.

Andy Miller.

72/100, followed by Sandy Greener on 65/100, and Paula Sutherill on 57/100. Special mention to Junior Jack Price shooting his first registered completion shooting a very good 33/100.

Skeet

The second Skeet Team Selection was held at Nottingham & District Gun Club on 10 April. Top of the Seniors was Kieron Lomax on 98/100, followed by Alan Barnes and Andrew Dixon on 95/100. Top of the Ladies was Samantha Rhodes on 96/100 followed by Julie Havill on 86/100. In the Veterans Ron Baron was the top scorer on 85/100 followed by Steven Varney on 83/100 and Peter Taylor on 81/100.

All Round

The All Round County Championship was held at Nottingham & District Gun Club on 18 April. Shooting on the first squad of the day, defending Champion posted an 89/100, soon to be followed by Andy Miller on 96/100 – a score which wasn't to be beaten – giving Andy his first Derbyshire Championship. Tom Waring was Runner-up on 94/100 followed by Tom Weston, and Keith Wood Jnr on 92/100 and James Wood and Mark Fisher on 90/100. In the Veterans a score of 90/100 by Steve Crowther led the way but was soon matched by Keith Roe and remained unbeaten.

As both shooters had left the ground and weren't available for a shoot-off, after a conversation with both shooters, Steve Crowther was crowned Veterans Champion (both shooters' names to go on the trophy) Runner-up was Steve Pinch on 89/100, followed by Paul Hallam on 88/100, and Chris Ford on 85/100. Ladies Champion was Samantha Rhodes on 83/100. Well done to all winners.

It's been another busy few weeks, with our championship season getting into full swing.

FITASC, Eriswell Lodge

It was a bright, dry, and windy weekend at Eriswell Lodge, where we held our FITASC Sporting championship. There were targets for everyone, with a great range of layouts and a few challenging clays where the wind certainly added an extra challenge for our shooters. The Overall champion was P Mastroeni with a score of 92, Seniors and Veterans Champion was Brian Dunbavin with 91, and Ladies Champion was Amelia Streeter-Smith.

Thank you to all who came and to Eriswell Lodge for putting on a great round for all.

English Skeet, Eriswell Lodge

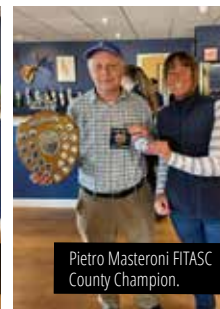

Congratulations to all our winners at the Cambridgeshire English Skeet Championship.

The weather stayed bright and dry with a light breeze across the layouts and some good scores were posted. The 2022 Cambridgeshire overall champion was Shaun Smith, who shot a great score of 97 to take the title.

Senior Champion was Marcus Lord on 95, Ladies Champion Amelia Streeter-Smith on 87, Veterans Champion Alistair Green on 90, Colts Champion Ethan Lord on 95, A Class Shaun Smith, B Class Marcus Lord, C Class John Edwards, and the Bev Waller Memorial Trophy went to Stuart Smith on 99. Thank you to the team at Eriswell Lodge for hosting both of these great events and being super hosts.

Shaun Smith Skeet County Champion.

Pietro Mastroeni FITASC County Champion.

Other News

Congratulations to Ethan Lord, Albert Taylor, Chris Morris, and Tim Jones for a great performance at the East Midlands Regional Skeet Doubles.

We have had some great successes from our county shooters in some international events also this month.

At the World English Sporting in San Antonio, Mark Bowes took the Bronze medal as part of the Veterans team and at the ISSF World Cup in Lonato, Freddie Killander took Bronze in the Team Skeet competition. Huge congratulations to both Mark and Freddie on these great achievements.

I've got a few more scores for you this issue as we had our first Sporting selection shoot at Grange Farm on 24 April. Another big entry saw some wind affected scores thrown into the melting pot. The L&R top shot was Veteran John Wells, with a hard-earned 90ex100. Our Adam had a go but could only equal John's 90. Craig Boddice was top of A Class on 87, Jason Marlow and Craig Tolley, both 86, Richard Watkins 85, S Jones, David Heath, and Roland Carter on 83. Mark Berry, Gary Dickenson, and Stephen Dyson all finished with a creditable 81ex100. Juniors Oliver John shot 65 and Mollie Chesterton 53. The overall average score was score 73, the wind 27! The earlier event on 10 April was a little less wind-assisted and the scores reflected it, thank goodness. Steve Brightwell was Overall High Gun with 95ex100, closely followed by Adam on 92, Richard Watkins 91, Toby Reed 89, John Wells 87, Bob Tucker 86, Andy Burton 84, Craig Tolley and David Heath 83, Craig Boddice 82, and David Moody a nice round 80.

Kegworth

Up north we were at Kegworth SG on 3 April where we found Arnie Palmer strutting his stuff with a brilliant 96ex100. In his wake were Steve Brightwell with 93, David Moody Runner-up and Senior A Class with 86, Craig Tolley 81, Richard Watkins 81, and Craig Boddice with 86. On 17 April at another 120 target shoot Bob Tucker was Overall High Gun in the Veterans on 108ex120. Stephen Dyson was Runner-up in B Class on 102, Gary Bown 101, David Heath and Frazer Jolly 100, Paul Reeve and Alan Pearson 99, Adam Fearn, Paul Murgatroyd, and Matt King all on 98. Back to a 100 target shoot on 18 April where Frazer Jolly, Andy Burton, Craig Tolley, and Richard Watkins all led the

charge with the weather getting a tad easier. Well done and thanks to team Kegworth for an enjoyable and very bust weekend.

Kibworth

Down to Kibworth on 1 April for yet another good turnout for the Friday shoot. Top L&R man was Andy Burton with 91ex100, Michael Persons was Vets High Gun on 89, Matt Richmond and Bob Goddard shared 87, Richard Dixon 86, John Wells Runner-up Vets 85, Craig Boddice, Ash Dar, John Simpson, and Alan Pearson were just off the pace with 83. Well done team Kibby, keep it up!

Normanton

Normanton held a DTL selection shoot for the County team on 9 April. Apart from the rain, hailstorm, a 99mph wind, and about 30 degrees it was good to be outside. Unfortunately the scores reflected the weather. Alex Harris shot 96/279, Richard Warne 93/273, Jason Linnell 92/269, and Mike Brookes 91/266. Sam Mallings was Junior High Gun on 91/257. We all agreed that the weather will be better tomorrow and that we would all come back again then. Thanks Jason and your team for a good set-up. On 23 April the wind had subsided, and the scores were elevated. Jason Linnell scored 98/284, Richard Walne 88/250, Neil Farnsworth 85/247, the clays needed a few second barrels. A good entry of County shooters. On 27 April the 70 target Sporting attracted a good entry from near and far. John Wells and Gary Bown, both Veterans, showed us how to do it with 61ex70. Senior Benjamin Wright also shot 61, Craig Boddice 60, Steve B 59. Well done Reuben Prees, the only Junior present, who came all the way from Warwickshire.

17 Apr: All Round Championships

It was a dry day for the 53 competitors, of which 28 were Suffolk shooters. R Butters was leading in the clubhouse with 89 but in the last squad of the day, Derren Burn shot 90 to take the County Championship. The top Veteran was Adrian Cook with 88, Robbie Kingston was the top Junior with 77, and the top Lady was Charlotte Patten with 66. Thanks to all the team at Eriswell Lodge and all the competitors for taking part. Those that have Qualified for the Regional Inter-Counties Championship will be notified nearer the event.

21-24 Apr: FITASC Championship

It was a great weekend at Eriswell Lodge for the 2022 FITASC Championship, and we were very pleased to see so many Suffolk competitors attending. Chris "puff" Baker was the 2022 County Champion with an impressive score of 93. Robbie Kingston took the Junior Champion title with a strong score of 90, and the Ladies Champion title will be decided with a shoot-off between Tina Henshaw and Charlotte Patten. Thanks to Eriswell Lodge for a great event.

There are plenty more events coming up during the next few months and we look forward to welcoming as many Suffolk shooters to these events as possible. Dates for these events are published on the Suffolk CPSA webpage but in the meantime, we hope you enjoy our sport – stay safe and shoot straight.

1 May: East of England Shooting Ground

For those who were not at East of England Shooting Ground you missed a real treat! This ground is rapidly building itself a reputation for putting on quality targets and this was certainly true for our championship. John Lee had set a very clever round of 14 stands, all within range targets that made it enjoyable to shoot no matter what the

ability of the shooter and on top of that the weather was kind as the forecast rain obligingly held off.

This championship is the jewel in Lincolnshire's crown so a big entry of nearly 200 shooters meant that competition for the awards would be stiff. This year's champion almost surprised himself with a monster score of 94. Martin Harker is a superb shot and has regularly featured in the Lincolnshire sporting team but, when he left home on Sunday morning, he would not have expected to finish up top of the tree so many congratulations to him for a wonderful achievement with an outstanding score.

Top Veteran scorer for the second year running was Steve Wilkinson with 86. Steve's first appearance at a Registered shoot was this time last year when he won the Veterans title for the first time, but he clearly has the bug now and regularly appears at East of England.

There was a tie for both the Ladies and Junior titles. Georgina Barratt's score of 70 was also matched by Ella Bennett but by end of play Ella had left the ground so Georgina took the title. Georgina has scooped many Lincolnshire titles in the past and is no stranger to this one, having won it in 2019.

Likewise, Juniors Kallum Burrell and James Peatfield both carded a fantastic 91 but again, James had left the ground which gave Kallum the title for the second year running. However, James will not go home empty handed as he claimed the C Class award. Kallum is only recently returned from

San Antonio where he scored 154, which contributed to the England junior team taking the Silver medal position at the World Sporting.

However, Kallum's score was also at top of AA Class along with that of Lee Sallabanks so, much to the delight of the remaining crowd, this meant a shoot-off. The Lincolnshire Sporting is such a good-natured shoot that both men wished each other luck before taking up their positions. Kallum elected to shoot first (good shoot-off tactic, that one!) and came off with seven out of ten. Lee then stepped forward and impressively cleaned up nine out the ten targets to give him the class win.

Other class winners were Matt Lee in A Class on a score of 91 and Steve Townsend in B Class on 87.

Congratulations to all the winners and special thanks to all those involved at East of England. Everybody from management, course setters, referees, and café ladies worked hard to make this day enjoyable and they all succeeded magnificently.

Finally special thanks to Kim Burrell and her team of volunteers who raised a fantastic £293.

1 May: Helice

A great day for two of our own and a very proud moment for Donovan Jenkin, being selected to shoot in the GB Helice team at the European championships in Hungary in June. Joining Donovan will be fellow Lincolnshire and GB team mate Trevor Hawkins. Congratulations to you both.

NORFOLK CHRISTINE GILBERT

📍 sites.cpsa.co.uk/norfolk

We are now well into the competition season and have had our first two County Championships. Congratulations to the new County Champions and good luck to everyone who is planning to

compete in the remaining championships this season.

24 Apr: Norfolk FITASC Championship, Eriswell Lodge

This was the first County Championship of the year and was held over two days in conjunction with the Suffolk and Cambridgeshire CPSA championships. The weather was good with sunny intervals and a good variety of targets across the layouts, with some to challenge even the most experienced competitors.

Carson Revell was crowned County Champion with a score of 91 after narrowly beating Tim Sayer, Jonathan Ball, and Simon Peacock by two targets. This score was enough to give Tim the Veterans title, having beaten John Dyson by three targets. This year the Ladies title went to Heather Pointer for an amazing 11th time, and the Junior title was won by Jamie Goddard. Thank you to our hosts Eriswell Lodge,

their staff and referees for such a well-run, enjoyable but testing championship.

1 May: Norfolk County English Skeet Championship, The Priory CTC

Our second County Championship was the Skeet with 20 Norfolk entrants – a good total considering the number of other shoots on the same day. It was always going to be a very close contest, but this year's Norfolk Skeet champion was Jonathan Hall with a score of 98. He managed to just hold off Sean Crutchfield and John Glover who both finished just a point behind. Sean managed to shoot 75-straight, but then unfortunately missed three clays in the last round.

The Veterans title went to Trevor Frammingham with a score of 96. The next highest scoring Vet was John Reynolds on 90, a decent score for someone more usually found shooting the Trap disciplines. This year's Ladies title went to Alison

Shout out for Team Managers

Could you be a Team Manager for the 2022 Inter-County competitive season? Simon Vogel, Roy Tyler, and Laurie Cookson have all volunteered for this role for different disciplines in the past and done wonderful jobs. We are now looking for other county shooters who would be willing to gather together others to form a team for FITASC, ABT, DTL, Sporting, and All Round. If you would consider taking on this role please speak with Marty or Roy about it. If you would like more information chat with Roy about what it entails.

13 Apr: English Open Olympic Skeet

Andrew Lea entered this competition at the National Clay Shooting Centre and whilst he didn't gain a medal this year, he did win the A Class High Gun with 173/200. Congratulations!

19 Apr: English Open Universal Trench

Three county shooters entered this competition at Nuthampstead Shooting Ground. Sue Bate scored the highest of the trio with 180/200. Next came Phil Rowley 169/200, closely followed by Mary Rowley with 165/200. Well done to all there.

100 Registered Sporting Competitions

The latest 100 Registered Sporting

competition was held on Sunday 17 April and as usual there was an impressive turnout of 140 guns. This twice-monthly registered shoot has certainly grown in popularity and numbers have swelled since the lockdowns were lifted, showing how popular the English Sporting discipline is within the shooting community.

Shooters regularly travel from all over the south-eastern area of the country, from Kent to Lincolnshire, Bucks to Staffordshire. There are even a few visitors from further afield that travel down for the competition. This time it was Jo Smith's turn to take the High Gun title along with the £100 prize money with a lovely score of 97.100. Neil Faulkner, High Gun in the 3 April competition, was joint AA class winner with a score of 93/100.

DTL Selection Shoot Weekend

We were lucky with the weather. It was bright without much in the way of sunshine to blind or glint off guns and the wind was constant throughout the weekend, making the flight of the clays pretty standard across all of the 19 squads on both days. Nobody had it much better than anyone else.

The standard across the board was high. 100-straight eluded most. G Nutter scored the first with a score of 100 targets and 294 points by the end of the first day's shooting. There were two on the second day of the competition. N Haley scored 100/287 and S Whitehead 100/293. GK Howlett, the last shooter in the last squad, brought home a score of 98/293 but it just

Coupe who shot a good score of 91.

Thank you to Natasha and Aaron for hosting this championship for our county, and to all the staff and referees for their help in running this event. If you have not already put your name down for consideration for the team to be selected to compete at the Regional Inter-Counties Championship in September please contact us or Jonathan Hall.

Sporting News

April saw some fantastic results for our Sporting shooters with Jake Moore, Richard Bunning, and David Gooding travelling to National Shooting Complex in San Antonio, Texas for the English Sporting World Championship. Jake was a member of the England Team who were Senior Runners-up. Richard scored an excellent 180ex200 with his borrowed gun, just missing out on the Super Final.

Sam Green has also been busy,

competing in the Blaser Cup at Orston SG, coming joint fourth in AAA Class. He then competed at the Essex Masters Championship at Hepworth Hall SG against over 2,000 competitors, getting into and then winning the Super Final. A fantastic achievement.

Trap News

William Gilbert has started the year well with a Junior title at the English Open UTR Championship held at Nuthampstead over the Bank Holiday weekend. He returned there for the second England ABT Selection Shoot and equalled his personal best of 98 on the first day, finishing fourth Overall on day two.

We have lots of fantastic results to report on for our Nottinghamshire shooters over the past couple of weeks.

Our latest county championship was the Handicap by distance, hosted by Nottingham & District Gun Club on 1 May. This discipline is always good fun with the field spread far and wide, as everyone has to shoot with people in their own class so for obvious reasons the trophies where there for anyone to take. The beauty of HBD is that it does level the playing field, as this event showed the scores held strong and there was very little to divide the top three.

Rising to the top and winning this year's High Gun was Joe Turner, what a brilliant start to his season, a real bright, young talent shooting for ►

Nottinghamshire. This year's Ladies Champion was Carol Reading, and the Veteran title went to Russ Hufton.

Congratulations to everyone that entered and to the winners well done you fought hard and took your titles.

Nottinghamshire's Premier plus ground Orston hosted the first ever Blaser cup at the end of April – a fantastic competition with an outstanding prize pot up for grabs. Many people travelled far and wide to take part, we are incredibly lucky to have such a great ground on our doorstep and we look forward to them hosting the Clay Shooting Classic at the end of May. Special congratulations to Kevin Warner who put a fantastic score of 135 in to secure him the AA Class win.

Some more great results from Nott's shooters who ventured to shoot the Essex Masters. Congratulations to Becky McKenzie for winning the Ladies High Gun and Pat Dickman on his Veteran High Gun win. A fantastic achievement for the both of them.

Saturday 16 May saw an amazing day organised by Catherine Smalley and hosted very kindly by Nottingham & District GC. The day was organised in order to encourage young shots to gain experience of shooting at a club and learn how easy it is to enter competitions and shoot for their county. A fully sponsored day meant ten young shots spent half the day with both Allen Warren and Max Tarr. The feedback and positive attitude from everyone that took part and all those that helped organise and run the day was incredible. Many thanks to all those involved.

The Selection programme has now started, and we have held five events at the time of writing. As each shoot finishes, once I have the scores, the selection progress spreadsheets will be updated and uploaded to the selection progress page of our website.

Each team has a manager appointed who will arrange the bookings to the Inter-County team events. We are waiting for the South West committee to announce all the Inter-County events and once the calendar is announced it will be shared on our Facebook page. If you know you are not going to be shooting in the team events, please let the appropriate team manager know. If we have not heard from you we will assume you will be representing the county. The events should be taking place in September and October.

The South West Championships are sometimes combined with the Inter-Counties but most disciplines now have a separate event which any member can enter. That means you do not have to be selected for it and it is for you to enter directly with the ground. These championships could be held from August onwards. The Sporting event is at Owls Lodge on 6 August and booking has already started online.

Single Barrel

This was our very first selection shoot of the year, held on 9 April at North Cornwall on what was a lovely sunny day. High Gun was Simon Ede with 90 and the top Vet was Keith Woodcock with 87. The next selection is the championship on 2 July, also to be held at North Cornwall.

All Round

This was a single selection event and Championship held on 16 April at Landare. The sun eventually came out for the entrants with Martin Elworthy becoming champion on 97, Pete Mylam scored 87 for Vets Champion, Katy Rowe scored 77 to be Ladies Champion, and Oakley Reynolds scored 76 to be the Junior Champion. It was good to see both Katy and Oakley win the titles, having shot in the teams in

the last couple of years. Martin left before being presented with the shield but the other champions are pictured in front of the legendary Landare pond.

DTL

The first of three selection shoots for this discipline was held at Bradford on 23 April. Dom Davey was High Gun with 97/289 and the highest Vet was Colin Chidley with 95/281. Top Lady was Emma Cox with 79/222. An additional selection shoot for this discipline will be held at Two Counties on 26 June.

Skeet

Also held on 23 April was the first Skeet Selection at Moorlands, with thanks to Graham for allowing the committee to run the event. We had wind, sun, and showers all in the one event. High Guns were Colin Jago, Denzil Grose, and Pete Mylam. Pete and Colin are also vets and Denzil a Junior. Ladies High Gun was Emily Morden-Hawke with 90, achieving her first 25 round in a competition. The next Skeet selection will be on 14 May at Landare.

ABT

Held at Bradford on 30 April, the High Gun and Vets Champion was Colin Chidley with 93.

SOMERSET

It's been a busy couple of months for Somerset shooters and we are finally back underway with county shooting for 2022. There's a few more Somerset shooters now, as Avon has been disbanded as a county. Welcome to all new Somerset shooters, we look forward to welcoming and for you to participate in our county championships. As with all Somerset shooters, if there's any news, personal bests or results you want highlighted in *Pull!* please get in touch.

Firstly, for the first time we have four Somerset shooters that have been selected for the GB FITASC team for the European Championships in France in May. This is a phenomenal achievement for the county and to have that level of representation in a GB team, especially on the Sporting side is very rare. Congratulations to Shaun Stacey, Emma Stacey, John Pool, and a special congratulations to Theo Coleman for gaining his first cap as part of the Junior team. Theo has been shooting in the Somerset Junior teams for many years and to see him make that step into the GB team is fantastic. Shaun Stacey was crowned FITASC British Masters Champion at the first FITASC selection shoot of the year to make this team, with a phenomenal score of 189/200 to win the title by four clear clays.

Congratulations are also due to Ellie Seward and Abbey Ling for their selection to the GB Teams to compete in the ISSF World Cup and Grand Prix's across Granada, Baku, and Konya. Wishing all our Somerset shooters the best of luck competing internationally.

County Championships are now underway for 2022 with the Skeet, All Round, and DTL Championships having been completed and a couple more will be done by the time you read this. Stay tuned for next month for reports on them.

This was followed by the All Round which was also held at Brook Bank. This year, Ian Stephenson is the All Round champion scoring 94/100 which was also enough for High Gun of the shoot. Martin Howe was the Veteran Champion on 87/100 and Wendy Spackman triumphed in Ladies on 82/100.

Back at Brook Bank again for the DTL Championship, with Anthony Dore becoming the Somerset Champion with a great 99/296, which again was also High Gun, just one point ahead of fellow Somerset shooter John Bradnam on 99/295. Anthony was also the Veterans Champion, with Jo Fairclough crowned Ladies Champion with 98/287. Congratulations to all our county champions so far in 2022, we look forward to crowning more of you as the season progresses.

SOUTH EAST

JO WATSON-HOPKINSON

We received the unfortunate news in April that Johnny Johnson had passed away. As many know, Johnny was the South East Regional Committee Chairman for many years and was involved with the administration of the CPSA in excess of 48 years. He was highly respected and will be greatly missed.

In respect of the events, there is nothing to share this month as all the events really kick off in June.

A reminder that for all the Inter-County events, all disciplines will be contested by county teams of five, with one Veteran, one Lady, one Junior, and one Colt. The county team include the nominated Veteran, Lady, Junior or Colt.

Veteran, Lady, Junior, or Colt categories can only be won by the individual

nominated persons for that category. (Veteran, Lady, Junior, or Colt NOT nominated for those categories who are part of the five-person team cannot contest the categories.) All nominated County entries must be CPSA members.

All Events will be CPSA Registered subject to CPSA Rules, Booklet 1 unless otherwise stated. Any ties will be resolved as per these rules.

Teams will be submitted by County Secretaries or Discipline Team Managers, and team entries must be made 48 hours before the event or prior to any date specified by the Regional Secretary.

Any changes on the day of the event are only permitted due to the inability of an individual to attend the event or because a county has been able to find an entry which was previously unknown, but we will try and be as flexible as possible.

Team changes must be declared prior to

the first person on the day having pulled his trigger for the first target in the competition.

April saw another great Berkshire championship fixture take place at the National Clay Shooting Centre in Bisley, this time for Olympic Skeet. It was great to see an increase in Berkshire entries this year, something we hope to see a continued rise in.

Berkshire Chairman Paul White could not be deterred from the ultimate challenge and amazed even himself with a 17 on the first rotation and finished with a more than respectable final score. It remained close at the top of the Berkshire leader board throughout the day, between the ever-versatile Argun Ismet and Junior rising star Phoebe Bodley-Scott.

Even with Argun only a couple of targets behind after each round, Phoebe held her nerve and secured the Berkshire Honours for 2022. Holding of fierce competition should prove great experience for Phoebe as she heads to Suhl later this year.

If you would like to try Olympic Skeet, contact the Berkshire Committee or OSK

rep and we can point you in the right direction. We have a few members that shoot it regularly at NCSC and the ground have a fantastic Coach in David Dale.

Please see the Berkshire CPSA website and social media pages for the full 2022 championship calendar and remember, we always look forward to hearing from our members. Please do get in touch and if you've got photos to share, tag us on Facebook and Instagram.

Billy Baughan delivered a superb performance shooting 180/200 to be placed 12th Overall. Phil Easeman was the next placed Bucks shooter on 175/200, placing him 38th in the World.

The England Men's Team, which included Billy Baughan, was placed second behind the USA. The England Ladies Team, which included Amy Easeman, was also placed second behind the USA.

A full set of results are available at winscoreonline.com and videos of the Super Final and all the courses on the World English Sporting are available on Nicholas Berry's You Tube Channel.

30 Apr: The Royal Berkshire Ladies Cup 2022, RBSS

Amy Easeman placed second in the serious shots category, shooting 76/80, and Sarah Easeman came third in the intermediate category. Both Ladies received some very nice prizes from the shoot sponsors including Purdey and Edwards Eyewear.

31 Apr: Northern Sporting Weekend, Bywell Shooting Ground

Billy Baughan made the long journey North to the Bywell Shooting Ground to shoot the event and finished as Overall High Gun on 97/100, winning 500 Hull Pro One Cartridges.

Around the Shoots in April

On 7 April at E.J. Churchill, Phil Easeman and Ricky Draper shared joint High Gun with Nick Carter from Surrey all shooting 94/100. On 9 April College Farm Doug Thompson took High Gun on 97/100. Lain Blamey shot a personal best and was joint first in C Class on 80/100. Finally on 10 April at Gunsite, Billy Baughan took High Gun on 95/100.

If you have any results, achievements, good news stories, etc, that you would like reported please get in touch and I'll do my best to include them. Finally, as a reminder there is an active Buckinghamshire CPSA Facebook page so please keep a look out there for news of events that you may be interested in.

The committee is currently organising the Helen McKenna Memorial Shoot. As many of you know Helen tragically lost her fight with lung cancer in April 2020. Many of us lost a beautiful, funny, passionate friend and I am so pleased I can help to organise this event in Helen's memory. It will be in aid of a very important Charity – Maggie's – the centre which provides help, advice, and guidance when such difficult news is given. Thank you to Helen's husband Dom for choosing Maggie's and allowing us to hold this event in memory of Helen. The shoot is being held on 18 June at The Oxfordshire Shooting School, Enstone Airfield OX7 4NS at 10am – 3pm, comprising of a 50 target Sporting Open competition with re-entry, pool shoot, and a have-a-go stand. Hot food will be available all day thanks to Karl Field who will be flipping burgers that he has generously donated. We have an amazing prize fund of £100 for High Gun, with raffle prizes too.

The Oxfordshire CPSA will also benefit from part funding from this event to assist with the lowering of the cost of tickets for the Dinner and Dance on 3 December 2022.

FITASC

Congratulations to Oxfordshire's Matt Hance who will captain the European FITASC Sporting team in France.

Westfield SG

Westfield hosted one of the England Selection Shoots on 10 April where 223 shooters took part. It was a challenging shoot with a fight at the top of the tree, seeing nine people competing for first and second places. Well done to Julian Freeman for being one of them

2-3 Apr: British Shooting Shotgun Series Round 1, East Yorkshire SG

Hertfordshire Juniors were out in force. The Yorkshire weather was in abundance and provided an interesting and very variable challenge for the qualifying rounds. All of our young shots made the finals, and they didn't disappoint!

In Junior Ladies OSK the final went neck and neck between Maddie Russell (High Gun in Junior Ladies with 113ex125) and

Bethany Norton. At the end of a very closely matched final both shooters finished level. In the sudden-death shoot-off Bethany took Gold. Sebastian Noakes shot brilliantly too to take Gold in Junior Mens. The Junior Men's OTR saw Lucas Hyde qualify in sixth place after a three-way shoot-off. After a thrilling final he secured the Gold medal. In Junior Ladies Maddie Purser took Silver.

9-10 Apr: English Open Olympic Skeet

It was another successful weekend for our young shots at the English Open which took place at the National Clay Shooting Centre. Bethany Norton achieved a new 100-target personal best alongside equaling both her

125 and 200 target personal bests. Bethany took the top spot in D Class, second in Ladies, and second in Colts. Sebastian Noakes was Colt High Gun, joint fourth in Junior Men, and was second in C Class.

9-10 Apr: English Open Olympic Trap

Maddie Purser had a great weekend at Nuthampstead, having shot 89ex100 on both days Maddie placed second in Junior Ladies and third in Senior Ladies after a shoot-off. Lucas Hyde placed third in Juniors.

having shot 92ex100 and also Cheryl Hall, shooting 89ex100 to win Ladies.

On 18 April Westfield saw 118 shooters compete in a 100 Registered Sporting competition. Congratulations to Robert Honour for shooting 94ex100 placing second Overall in A Class. Something tells me you won't be in A Class much longer if you continue to put in such great scores! Second in A Class was Oxfordshire's Matthew Smith having shot 89ex100, well done Matthew!

Honesberie SG

After a break in holding Registered shoots, Honesberie hosted a very well attended ESP, drawing in 185 shooters on 15 April. Oxfordshire's Steve Cox showed form and shot an impressive 94ex100, beating Richard Faulds MBE by one clay! Well done Steve.

Northampton SG

On 17 April 140 shooters took part in the 100 ESP competition. Oxfordshire's Julian Freeman shot 92ex100, placing him third in AAA Class.

May report

After writing this report for almost ten years, sometimes the information I gleam from the CPSA is incorrect and I apologise that the May report was wrong. It wasn't Oxford Gun Co results but the Oxfordshire Shooting Schools results instead. Thank you to the Oxfordshire member for pointing this out so quickly! Please get in touch with your results and achievements to make the time it takes me to write this report a little easier and more interesting to read. Happy, safe shooting all!

with Ivan Spencer taking High Gun at Kibworth on 1 April with an excellent score of 95ex100. Ray Janes placed first in A Class with 89ex100.

On Sunday 3 April Rob Young went to Redricks and put in a fantastic score of 87ex100 to win B Class, three clear of second place.

At College Farm on 5-9 April, Callum Noble won B Class with a great score of 88ex100. Robert Gray had a good result with 93ex100 to be the top scoring Vet.

Taking a trip to Horne Clay on 10 April, young shot George Dudley was the top scoring Colt with a score of 74ex100.

24 Apr: OSK Competition, NCSC

Winner of the Surrey Championship and High Gun of the event with 92/100 was Maddy Boyd, adding her name to the trophy for the second time. Joint Runners-up were David Dale and Junior Owen Lewis on 86. Peter Saich took the Veteran's title with 68. It was good to see a few first-timers including Frank Arico, and Rik and Janine Travers, and they were all rewarded with Supreme Championship points.

9-10 Apr: English Open OSK, NCSC

Maddy Boyd took first place in the Ladies competition, Junior Owen Lewis achieved a top-ten performance and there was even a rare sighting of the NCSC's own David Dale who took a break from his teaching and organisation to compete himself.

2 May: Surrey Sportrap Competition

The event was well supported, and you had to work hard to earn Supreme points. Starting the day with a 25-straight on layout one was Billy Greenwood, who went on to take the Surrey title with 93, ahead of Paul Poulter on 91. Next was last year's winner, Chip Smith, who settled for the Veteran's title with 90. Sarah White took the Ladies title with 80, just beating Natasha Vadasz with 78. Thanks to Southdown for a well-run competition, excellent refereeing, and some good quality targets on all four layouts.

with 65 points, but the next four positions are very close. Fergus Watson-Hopkinson moved into second on 51 points, in third place and top of the Ladies was Janine Travers on 50. Frank Arico was fourth and leads the Veteran's on 48, closely followed by Jo Watson-Hopkinson in fifth with 47 points. Peter Saich was the only person to add points from the Olympic Skeet and Sportrap events to close the gap on Frank in the Veterans category, but with four events to go, there are still 60 points up for grabs. Please see the website surreycpsa.com for the full Points table and details of forthcoming events and don't forget to follow Surrey CPSA on Facebook too.

Free shooting for Juniors

We have only had one Junior and no Colt entries to the Supreme Championship events so far this season, so for a limited time, the committee are offering to reimburse entry fees for Juniors and Colts at our championships. Junior classification is up to age 21 and CPSA membership is £46 per year. There are additional discounts if you are in Higher Education, so have a look at the CPSA website for full details and come and win points towards the Supreme Junior and Colt titles.

After a slow start to the season and not having much to report about in the previous issue, things have completely changed with great results coming in from here in the UK and abroad. But firstly some sad news.

Unfortunately we recently lost a stalwart, some would say even a legend in clay shooting, William Alan Johnson and depending who you are also known as Alan, Johnny, or JJ. Johnny served for many years on the Sussex committee as well as several decades on the SE region committee. He was the founder member of the Metropolitan Police Clay Target Club and could regularly be seen at shoots proudly sporting his distinctive MPCTC Skeet vest. His funeral and wake were well attended with John Offord, former SE Region Director and a Met Police officer with Johnny, giving a very funny and moving speech but I'm sure he could have gone on a lot longer such was Johnny's character and life.

George Digweed

Well he's only gone and done it again – World ESP Champion! Congratulations

George for a terrific win at the US National Shooting complex in San Antonio, Texas. World Champion in every decade for the past five, what a feat.

But that's not all, as I write this, he has just won Gold as well in the Seniors at the FITASC Compak Grand Prix in Hungary and it's only the start of May – what will the rest of the year bring?

A shooting couple

It's always good to report on others in Sussex doing well as well as the regulars, so congratulations go to Alex Lytwynchuk for winning the English Open Compak Sporting at High Lodge with 98/100, and congratulations also to his fiancée Hannah Gibson for again winning the Ladies title.

Guy Franklin

Another Sussex shooter getting in early with the wins. Guy is now the English Open FITASC Champion 2022 shot at Roundwood after a tough shoot-off with Matt Hance. Congratulations Guy, keep going.

AGM

Held at Southdown Gun Club on Wednesday 20 April, unfortunately there was a poor turnout of only 14 members including the committee, however on a positive note we managed to recruit a

new member to the committee, well done Kevin Tucker. The majority of those who attended were there to collect trophies and badges from county shoots or the Supreme Champion competition, so for everyone else who won a trophy or qualified for a badge by being a member of a county team they are either at Southdown or with Chairman Tim Woodhams.

It's a bit disappointing when people who have entered County championships and won don't turn up to receive their trophy, after all, it's yours for the year otherwise it will stay in a cabinet looking pretty at Southdown. On a positive note, the three Colts present were presented with a slab of cartridges each in recognition of their efforts and continued support of Sussex clay shooting.

Our first shoot since the last issue of *Pull!* was on Sunday 10 of April at Eriswell Lodge – a fantastic ground that always

gives the group a very warm welcome to the 12 shooters on the All-Round course. Some of our members had not shot some of the disciplines before so this was a great way of trying something new.

Sam Nunn took Overall High Gun with a smashing score of 81, also taking top spot for Disabled Standing, and Ben Woodham took High Gun for Disabled Sitting. We would like to say another big thank you to all at Eriswell Lodge for putting on such a well-run day as always, and a special mention for Dennis Meekings for putting up with us and refereeing us.

On 23 of April, the Disabled Shooters Group arrived at Lea Marston Shooting Club with another warm welcome. This was the first time the group had been to this ground and the members shot another All Round, joint with a new member on a have-a-go session, including some instruction from Matt Morgan. The group really enjoyed the day and hope to be back again soon.

Confirmed DSG events for 2022 are below. To book onto these events or find out more details please visit the website at disabledsg.co.uk for other dates and locations to be confirmed please check the website and social media regularly for updates as some dates are subject to change.

OBITUARIES

FIONA BLOXHAM 1965 – 2022

Fiona became involved with clay shooting in the late 90s while working as a solicitor, helping Fareham Clay Target Club with a legal issue and being invited to come and have a go. Less than a year after visiting the club for the first time, both her and her husband Chris, had become club members and joined the CPSA.

Fiona's shooting career was short-lived, but after becoming disillusioned with her law career and looking to do something more personally fulfilling,

she found a niche for herself by helping in the club reception, booking shooters into the registered competitions and updating their scores while her husband took part in them. Fiona could always be found with knitting needles and a ball of wool to hand, should the opportunity arise to create another garment for a friend or relative.

A chance meeting with some of the staff from CPSA HQ happened during the first Hampshire Clubman competition hosted by Fareham in 2012, and this resulted in the start of Fiona's career with the CPSA. Fiona initially provided maternity cover for the Championship Coordinator in her first year, being part of the team from HQ supporting the World English Sporting Championships as her first event within weeks of joining.

A year later she was the England Team Coordinator, running the team selection shoots and helping with the travel arrangements and uniforms for those talented enough to qualify.

Fiona was also involved with the rollout of the Premier League competitions, spending weekends away from the office

to ensure the events ran smoothly and that the overall results were posted as soon as possible, while still being involved with the major championships. She also took over the management of competition fixtures and could often be found manning the CPSA stand at shows up and down the country and was quite adept at convincing prospective members to join the organisation with her ready smile, approachability, and patience.

At the end of 2018, Fiona found herself getting more and more exhausted and experiencing pain that wouldn't go away. She decided to leave the CPSA to concentrate on feeling better, but less than a year later discovered that she hadn't long left to live.

Fiona met this challenge head on, bravely suffering the effects of the disease and the side effects of the necessary treatments with positivity and good humour throughout the

COVID lockdowns, using the skills she had honed with the CPSA to organise online support groups for her crafting and fellow sufferers of her illness. After a sharp decline in her health, Fiona passed away peacefully on 22 March with her sister and husband by her side.

Although she had no children of her own, she leaves this world having made a lasting impression on her nieces, nephews, great nieces, and great nephews that she loved so much. To coin a phrase, she will be missed by all who knew her.

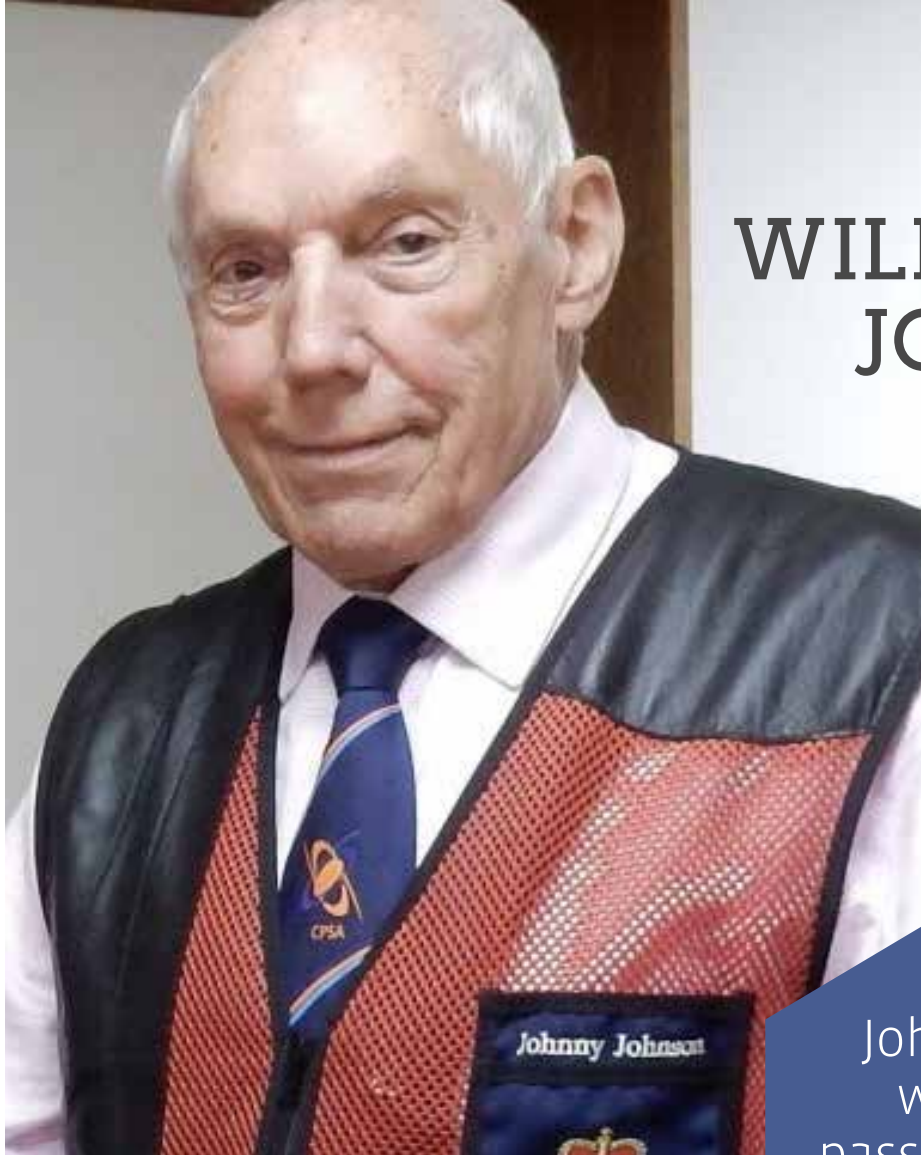

Fiona was also involved with the rollout of the Premier League competitions

KEN BUSHER 1948 – 2022

It is with regret that the well-known FITASC Shooter Ken Busher passed away on 4 March 2022 at the age of 73. He traveled all over the UK and Europe to shoot with so many friends that he had made over the years. He will be sadly missed by all who knew him, especially his family who were with him at home when he passed.

WILLIAM ALAN JOHNSON

1931 – 2022

Whilst a serving Police Officer, he was elected as a member of The Police Athletic Association Shooting Committee, the Governing Body for Police Sport. In the 1980s' he became a member of the South East Region CPSA Committee and it was here that he formed an excellent working relationship with Sandie Buckler. Johnny became Chairman and Sandie Secretary. This partnership remained until 2020 when both decided to retire.

During the 1980s' he became a GB FITASC Referee, travelling with the GB FITASC

Sporting team on numerous occasions and officiating at various World Championships overseas.

Johnny was passionate about our sport, many of our members over the past 50 years would have seen him officiating at

events, both major and minor

Championships, always with a

smile on his face and willing to spend time with all who stopped for a chat.

He became a Life Vice President for his commitment to the CPSA during the 1980s' and 90's and for many years was the South East Region Director, and as mentioned earlier the South East Regional Chairman, only retiring from this post in 2020.

He was also a member of the Sussex County CPSA Committee whose wise counsel and guidance assisted the Committee on many occasions.

Johnny was a true gentleman and a great Ambassador for our Sport. He was a loving and caring husband to Linda and very proud of his three daughters, Kim, Sally, and Kate and his seven grandchildren.

When I informed someone close to Johnny of his passing, he replied with four words, "Johnny was a legend". Yes he was, and he will be sorely missed by so many people.

John Offord

Johnny was passionate about our sport

Known to all as Johnny Johnson or simply 'JJ', all within the Shooting community will be saddened to hear of his passing on 7 April after a short illness.

Johnny enjoyed a long life and was involved with the CPSA for over 54 years.

He was born on 13 September 1931 in Seaham, County Durham, and was very proud of his Northern heritage. At the age of 18 he was called up for national service just after the second World War and on leaving the Royal Air Force he joined the Metropolitan Police, stationed at Notting Hill Police Station. Whilst serving at the Station as a Constable, the infamous serial killer John Reginald Christie was arrested for the murder of eight victims. Johnny was directed to stand guard at Christie's address, 10 Rillington Place, Notting Hill, during the protracted search of the premises.

It was this involvement with serious crime that forged his desire to become a Detective Officer, which he successfully achieved.

He served with distinction within the Metropolitan Police, rising to the rank of Detective Sergeant, serving within the prestigious Scotland Yard's Serious Crime Department.

In 1965, Johnny was instrumental in

the retrieval of the stolen Goya painting of The Duke of Wellington from The National Gallery. The painting being recovered from a left luggage office at Birmingham New Street Station. At the time of the theft, the painting was worth £140,000 and is now valued in excess of £2 million.

On leaving the Metropolitan Police, he became a Senior Investigator with Field Fisher Waterhouse, Official Solicitors to the General Medical Council, investigating allegations of serious professional misconduct made against Medical Practitioners.

Johnny's love for our Sport began whilst he was serving in the Police, some 54 years ago. He wrote an article in the Metropolitan Police Journal, asking for like-minded Officers to join him in forming a Metropolitan Police Clay Shooting Club and in 1969 the Metropolitan Police Clay Target Shooting Club was formed. The Club remains very successful to this day and is his legacy to our Sport. He was very proud of being the founder of the club and would always be seen at shooting events wearing his red Met Police Shooting Vest.

Insurance

Newmoon Insurance

Can you afford to
pay for a damaged stock
or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CP&A and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

The answer to becoming a better shot
Coaches will tell you; to be a better shot you must!

Practice, Practice, Practice

Clay-buster TPS is a Target Practice System, a training aid, which allows you to **train yourself** to become consistent at the three most important points in clay target shooting.

1. Consistent gun mount, **this is essential**
2. Gun swing
3. Forward allowance (or lead)

Clay-buster TPS is a tool that enables you to project scanned laser spots, on to a surface so as to simulate moving targets. And with the Clay-buster barrel mount laser that fits in the end of your gun barrel, allows you to aim precisely at the target.

Clay-buster TPS can be set up to simulate a **crossing target, a driven target, a looping target, and a bolting rabbit.**

Using the Clay-buster TPS will enable you the essential practise, and preparation for Lessons that you may want to take in the future.

L3 Senior CPSA Coach Mike Williams says that this is a great way to instill, and maintains your muscle memory during your shooting down-times"

A GREAT EXPERIENCE

Jennie Cartwright made her England Ladies Team debut at the World Sporting in San Antonio, Texas. We found out more about her shooting career and time in the US.

Q How did you get into shooting?

Around 2010 I got invited to a corporate shooting day at Ham Cross in Wiltshire. I had never shot before, nor had anyone else in my family, so I really had no idea what to expect. I loved it! I seem to remember that Bob Clarke was one of the coaches that day and even now whenever I see him he always asks how I'm getting on. I won a trophy for best novice and that was it, I was hooked. I shot just for fun with friends for a few years and then the first big event I attended was the Beretta Worlds at Meon Valley. I think I scored about 49x120 but it gave me a taste for competitive shooting so I joined the CPSA and started doing Registered competitions.

Q What is your preferred discipline(s)?

I love English Sporting but also enjoy Super Sporting, Sportrap, and Compak. I have shot FITASC but I find it quite different (and I'm a bit slow) so I only do it for practice.

Q Can you tell us about some of your successes?

Making the England team is right up there – I have been doing the selection shoots for the last few years but never quite made it until this year it all finally worked out.

I got the call from the CPSA while I was out walking my dog, Jack, and it was just amazing. They asked if I wanted to have a think and let them know but I said there was

no need and the answer was yes straight away.

I have shot in America quite a few times and was Ladies Sportrap Champion at the US Open in 2019 which was the first big competition I won.

I live on the Isle of Wight and in 2015 represented the

Island at the Island Games in Jersey. It was the most successful shooting team we had ever sent and came back with a record haul of medals, including two Gold and a Silver medal for me. Hopefully we will be going to Guernsey next year to see if we can do it again.

I do enjoy introducing people to shooting too and together with Don Brunt I ran quite a few very successful Femme Fatales events at Double Barrelled Clay Shooting. It's nice to see how many more women there are involved in shooting than there was – even a few years ago – when I first started. I also use it for networking, I can't play golf so its great to give other people a brief taste of shooting and give them the same chance as I had back at Ham Cross.

Q You've just returned from shooting at the World English Sporting Champs in San Antonio, how was your experience here?

It was a great experience and one I hope I can have again! It was great to shoot with Emma Stacey and

Amy Easeman

who are both much more used to competing at this level than me, despite the fact I'm a lot older than them! Wearing the kit, taking

part in the Opening Ceremony

and coming away with Ladies team Silver will be memories I shall always treasure. Getting delayed at the airport when 14 of us were trying to all check our guns in not so much, but I expect the rest of the passengers were more annoyed than we were!

My partner Mark, my sister Lorraine, and her husband Chris all came out to support me and it was great to have them there. On the first day of the main event when I put my kit on I did think I might just burst into tears but fortunately the moment passed!

The Americans really do a great job, there was loads of shopping to be done and a free bar and food most

It's never too late to realise your dreams...

nights. As I'm originally from Yorkshire this was just brilliant! It was great to sit around and people watch and loads of people would just come over and chat which was really lovely.

The Junior team were great too, three young men who I am sure will continue to feature on podiums in the future and I will always remember getting my first Cap with them all, we were the four newbies.

The Super Final was awesome to watch too, five Americans and George, I couldn't even see half the targets so how on earth they could hit them is beyond me! George was truly magnificent and never looked like missing, made me very proud to be British!

Q Do you have any other major events lined up for the year or any goals you'd like to achieve?

I'm shooting all the major championships again this year, plus the selection shoots so plenty of opportunities to continue to build on both my technical and mental skills. I would also like to get back over to the US again, maybe to shoot the Nationals in October.

I'd also like to get back into AA Class, I did make it for one classification period during lockdown but it would be nice to get back up there. It's a big ask when you do all the big shoots though as they always tend to be on the harder side. No excuses from me though – I just need to get better!

Q Do you have any sponsors/what's your shooting support team like?

I'm very lucky to have some key people supporting me. Mark my partner (and Jack the English Springer Spaniel) can often be seen wandering round shooting grounds with me. Mark does all the

driving which is a real help – everywhere is a long way from the Isle of Wight and Jack just likes chasing clays.

I have been working with Don Brunt, particularly in the run up to the Worlds, on the technical side of my game. He definitely knows how to get me out of my comfort zone and try different techniques and to speed up. I'm quite a measured logical shooter so he's got a job on his hands! But it definitely has been helping and I feel like I'm improving all the time.

Caesar Guerini were also brilliant when I changed my gun to a new Syren Julia in January, it was not necessarily the best time

to change guns with only three months to go till the World Championships but I'm glad I did.

I also had a few sessions with Sports Psychologist Simon Capon, which I found very helpful. I wanted to be as well prepared as I could be and having heard stories of people not being able to cope with the pressure of being in the England team I didn't want that to happen to me. We worked on breathing techniques, coping strategies, and lots of other little things that all added up to me feeling in control and positive about the whole experience.

Q Is there anything else you would like to add?

It's never too late to realise your dreams, I was starting to think that with all the other talented women coming through the system I might not get my Cap but I kept at it and look what happened! I have absolutely loved the whole experience of shooting as part of the team, and I would do it all again in a heartbeat! 🍀
