FELLOWS MEDIA

WELCOME

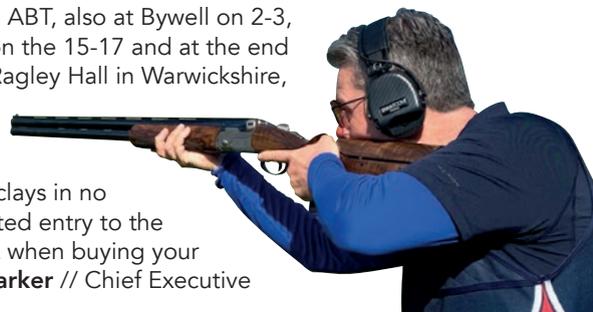

The championship season is now in full swing, and we are delighted to be back out there, after the previous two years, with a full calendar.

We had a fantastic week of shooting at the English Open English Sporting at High Lodge where Paul Batchelor was crowned English Open Champion 2022 after a very exciting Super-Final – very many congratulations Paul! I'd also like to thank the team at High Lodge for putting on a superb shoot for us, the referees for their dedication to the sport, and to our sponsors for helping make our championships bigger and better every year. You can read our comprehensive report on pages 14-19.

At the time of writing, we have just returned from the annual DTL Weekend at Bywell Shooting Ground which is the go-to championship for DTL shooters, comprising the Sponsored Day, the Dougall Memorial, and the English Open DTL. Once again, the Henry family and all the team at Bywell have put on a faultless event. Congratulations to Sponsored DTL High Gun Paul Chaplow, Dougall Memorial High Gun Elis Jones, and English Open High Gun Rob Hall. We will report fully on this in the August issue.

July brings us more action with the English Open ABT, also at Bywell on 2-3, plus the English Open Sportrap at Eriswell Lodge on the 15-17 and at the end of the month we will be back at The Game Fair at Ragley Hall in Warwickshire, so do come and see us on our stand. If your friends and family haven't tried clay shooting before, then head over to our fantastic clay-line where our team of instructors will get them hitting clays in no time! Don't forget CPSA members can get discounted entry to the Fair by using CPSA22 in the Promotional Code box when buying your tickets online.

OSK JUNIOR WORLD CUP IN SUHL

Many congratulations to our talented GB Junior Ladies Team Bethany Norton, Phoebe Bodley-Scott & Sophie Herrmann for winning Gold at the Junior World Cup in Suhl. The Team dug deep to post an amazing 195, just beating India by one target for a place in the gold medal match against the experienced Slovakian Team.

In the final the girls showed real determination while giving a masterclass in reverse pairs! The Slovakian team quickly fell behind and were unable to catch the rampaging GB team. You can read more about this fantastic achievement on pages 24-25.

HSE CONSULTATION ON LEAD AMMUNITION

On 6 May, the Health and Safety Executive (HSE) as the Agency for UK REACH, published their proposal to restrict the use of lead in ammunition.

Based on these findings, the HSE has launched a six month consultation on the following proposals for England, Wales and Scotland:

- ban on the sale of lead shot
- ban on the use of all types of lead ammunition for live quarry shooting including lead shot, shotgun slugs, lead bullets and airgun pellets
- ban on the use of lead shot for outdoor target shooting with possible exemptions for licensed athletes at licensed ranges with appropriate environmental protection measures
- ban on the use of lead bullets for outdoor target shooting with possible exemptions for shooting at licensed ranges with appropriate environmental protection measures
- mandatory labelling of the packaging of lead ammunition regarding the hazards and risks of lead.

CPSA CEO Iain Parker commented "We are fully aware of the publication by HSE Defra of the public consultation paper on lead ammunition and have been involved in the discussion process with the Government and will continue to do so.

"We strongly oppose any changes to clay target shooting and our position remains that it is our intention to lobby hard to keep lead ammunition for our sport. We are reviewing the dossier and will challenge its assumptions, work with fellow target associations, trade, grounds and the Government to protect our sport.

We would encourage the membership to engage with this consultation and have their say."

REFS **ON** RULES

Do you have a question on a specific rule that we can help with? If so then please email pull@fellowsmedia.com and our panel of professional referees will answer.

“Hit that” comes the cry as you, the referee, called “lost” and you watch the wad go sailing by. The shooter thinks it’s a bit of clay. Ever seen it happen, or even done it yourself? The rules on hitting a target are quite simple – ‘a piece must be seen to come off the clay’. Unfortunately it’s no good asking other shooters to say otherwise, because the referee was watching and waiting to see if it broke.

Referees are not there to take or give a target, they are simply there to score, and to make sure the rules are applied correctly and fairly.

Here are some rules about viewing targets that may help shooters who are confused about this.

ENGLISH SPORTING

If you are the first shooter of the day, or if the previous shooter has finished before you get to the stand, you will be given the opportunity to see the clays, before taking your shot. At any other point in time, you will not be allowed to see a target. You should take every opportunity to study the target as soon as you arrive at the stand, awaiting your turn. Please, do not encroach on the shooter in the stand – you will get a strong warning from the Referee.

If you are, however, entitled to see a target, then what you will be shown depends on what type of target is being presented: an on-report pair,

a sim pair, a following pair, or a single target.

ON-REPORT PAIR

The Referee will explain where the targets are coming from and to, then allow them to call for it – the shooter will see one pair only.

SIM PAIR

Again, the referee should tell the shooter where they are coming from, then on the shooter’s call show them a sim pair. When they are ready – and if they wish – the referee can show them a second pair of sim targets. In this case two pairs of targets can be seen before shooting. The reason for this is so the shooter can determine which way round they wish to shoot the targets.

FOLLOWING PAIR

This is the same target, thrown one after the other. As above, the Referee will explain where the targets are coming from, and much like the on-report pair, they can only see one pair.

SINGLE TARGET

That is all you will get to see – a single target. Please do not ask to see it again if you aren’t entitled to. That’s it for English Sporting.

OTHER DISCIPLINES

For Skeet, one high target and one low target (or vice versa) can be shown when starting the layout, called for by the first shooter.

One regular target can

also be called, following two or more sequential irregular targets, or a trap breakdown.

For DTL and ABT, one target is thrown for the squad to see at the beginning of the layout. For Sportrap one

target from each trap can be seen, at the start of the layout. No pairs are shown, just the singles.

This covers the CPSA Domestic Disciplines, however there are further rules for the International Disciplines.

To download the complete list of rules, please go to cpsa.co.uk/rules and remember the Referee has the final say. 🏹

ENGLISH SPORTING

ALL PHOTOS BY JAMES MARCHINGTON

James Marchington reports back on the CPSA 2022 English Open English Sporting Championships at High Lodge in Suffolk.

An unexpected win for Paul Batchelor in a thrilling Super-Final with the sport's top names put the cherry on top of a truly memorable CPSA English Open English Sporting Championship at High Lodge in Suffolk on Sunday 22 May.

The CPSA's first Major Sporting Championship of the year had been an early sell-out, with entries snapped up within days of going live on the CPSA website at the end of January. After two years of frustration with pandemic restrictions, shooters were eager to get back to normality – and the 2022 English Open delivered in spades.

John Bidwell and his team had ensured the Premier Plus ground was looking its best, offering all the facilities shooters could wish for. There was plenty of sunny, dry weather throughout the five days of the event and shooters enjoyed the café and outdoor seating areas surrounded by a plethora of sponsors' flags and trade stands which added to the sense of occasion.

Course setters John Bidwell and Andy Coppen had made full use of the ground, with the course starting on the Sportrap layouts behind the clubhouse before going into the woods and reappearing in the open on the former golf course to wind its way along the track back to the clubhouse.

There were 15 stands in all, offering a course of 120 targets that were technical enough to challenge the top shots while still being enjoyable for shooters of all abilities. John explained that "People like to break clays," and he wanted everyone to enjoy the shoot. ▶

"They're all there to be hit, but 120 targets is a long course, even for the top shots," he added. "It's hard to keep the concentration going throughout."

John happily recounted how he found a lady shooter bouncing with excitement after shooting one stand. "I asked did she straight it, and she said no, she had got two! She had missed six of the eight clays, but she was so happy. To me that's what it's all about."

The competition got off to an exciting start on the Wednesday, in warm sunny weather, with Cheryl Hall shooting 113ex120 to take the early lead Overall as well as in the Ladies' category. Shooting later in the day, George Digweed, who recently won the World Championship in San Antonio, Texas, put in a phenomenal score of 116ex120 to take the lead and set a benchmark that would prove impossible to match for the rest of the week.

After a stormy night there was rain for much of the second day, and referees

and shooters alike were grateful for the covered stands throughout the course. AAA Class shooter Nathan Skinner did well to score an early 112ex120

in the rain. That score was matched later in the day by Jason Allaway, but John Lee and Paul Batchelor pipped them to the top score of day two with 113ex120, matching Cheryl's score from the previous day and putting them in equal third place.

Day three started dry and overcast, and the early squads avoided the rain which started around 11am and continued for most of the day. Given the conditions, Phil Gray shot a phenomenal 115ex120, just one short of George Digweed's first-day score, commenting afterwards

that: "It was an excellent course; I enjoyed it from stand one to 15!"

Other notable scores of the day included Marc Ivey in AAA Class who shot 112ex120, Ben Hollamby with 111, ▶

“

Right: Rizzini's Filippo Adamati and ASI's Edward King.

and Phil Easeman on 110. Phil's daughter Amy was a little disappointed with her 95ex120 but thoroughly enjoyed the course nevertheless.

Day four, the Saturday, brought an improvement in the weather, but still no-one could touch the scores held by George Digweed and Phil Gray. Rob Claybrook in AAA posted 110ex120 to register the top score of the day – an impressive performance but not enough to put him in contention for the Super-Final.

Sunday, the final day, dawned bright and clear, and with several big names shooting the course in the morning the Super-Final was still wide open. Shooting in one of the early squads, Mark Webster registered a good score of 110ex120 and later on Richard Bunning matched it. Sam Usher came in with 111 but still the top-six places were unaffected until Richard

Faulds came in with a 113 to join the list of contenders for the six Super-Final places. That meant a shoot-off between the five contenders on 113 for the four remaining places alongside George Digweed and Phil Gray – Cheryl Hall, John Lee, Paul Batchelor, Michael Jones, and Richard Faulds.

A good crowd gathered in the afternoon sunshine to watch the battle unfold on the Skeet range behind the clubhouse. After a tense shoot-off, Cheryl Hall dropped out of the running but secured Ladies Overall High Gun and fourth in AAA Class with her fantastic score from day one of the championship.

A hush fell as the six Super Finalists stepped up to decide the Championship over 25 targets from three stands – four pairs on each stand, plus a single with full use of the gun on stand 2. They carried their earlier scores with them, giving George Digweed a lead of one target over Phil Gray, and the remaining four having some catching up to do.

After the first round of 25, Phil Gray, George Digweed, Paul Batchelor and Michael Jones pulled ahead of John Lee and Richard Faulds leaving them to shoot off for second and third in AAA which ended with John in second place

It was an excellent course; I enjoyed it from stand one to 15!

Above from left: Ladies High Gun Cheryl Hall, Disabled Sitting Runner-up Craig Manning, and Overall High Gun Paul Batchelor.

and Richard in third. The other four went into a further shoot-off which saw Michael Jones drop out of the running but secure first in AAA Class.

The battle continued between Phil, George, and Paul, and went on to sudden-death. At the end, Paul stepped into the stand knowing he had to hit both targets of his pair to win. You could cut the atmosphere with a knife as he called "Pull!" and smashed first one, then the other. He punched the air, and the crowd erupted with applause. George and Phil stepped forward to congratulate him before continuing the shoot-off to decide the Runner-up spot, taken by Phil with George in third Overall.

It was a fitting end to a well-run and enjoyable shoot, all the more so after the disruptions and disappointments of the COVID years. Full credit must go to the CPSA team for their organisation, with scores kept updated throughout on the live website, as well as to John Bidwell and the High Lodge team for the well-presented grounds and smooth running of the shoot.

Thanks must also go to the generous sponsors who helped make this year's

English Open English Sporting possible, and contributed to a prize pot worth around £30,000 which was distributed amongst the winners.

In addition to their prize fund contribution, Rizzini awarded the winners of Veterans, Ladies, Juniors, and Colts a BR110 Sporter shotgun, while Eley Hawk provided a number cartridge prizes, and Swatcom donated their new Active8 headsets for each category's runners up. Fine Shooting Accessories (FSA) also provided custom made leather gun slips for the class winners. Musto also made sure the winners were kitted out with some clothing vouchers.

Teague Precision Chokes supported a daily raffle all week, and the event also featured an Isuzu D-Max pick-up which will be made available for a year to the winner of a draw, made from the shooters in each class with the top combined score from the English and British Open Sporting Championships this year.

All in all the English Open not only lived up to, but exceeded expectations, and kicked off the Sporting Championship season in fine style. Full marks to all involved, and long may it continue! 🍌

CAESAR GUERINI TRAP CHALLENGE

IN MEMORY OF KEVIN GILL

Richard Faulks reports back from the event, held at East Yorkshire Clay Shooting Ground on 3-5 June.

The Caesar Guerini Trap Challenge in memory of Kevin Gill, was shot at the ever-impressive East Yorkshire Clay Shooting Ground on 3-5 June with variable weather. Each day of the competition featured a different Trap discipline and the winner of each would go through to a Super-Final, to shoot for the Kevin Gill Memorial Trophy. Universal Trench, Olympic Trap, and Automatic Ball Trap were the disciplines shot over the three days and ABT had been randomly selected as the discipline that would face the shooters in the Super-Final at the end of day three.

Nathan Hales had been on incredible form over the three days, and at lunchtime on the Sunday and halfway through the ABT, he hadn't missed a single target in the competition. This gave him wins on the two previous days and put him in a very strong position for the third day – and guaranteed him a place in the super-final. The only question was whether there would need to be a Super-Final if he held his nerve and won the ABT too? Nathan's nearest contender on day three's ABT was Jack Wilkinson, who was just finishing his third layout after lunch and was centring targets, but crucially he had dropped the second to last clay on the first layout. Jack was looking very impressive and this was looking close. All set for an exciting afternoon.

I watched Nathan shoot his third layout to see just how confident he looked – very confident was the answer! He straightened the third layout and only had one second barrel target. He was unlucky and had two no-targets, but even this unfortunate distraction couldn't break his run of form. People were beginning to wonder if a 300ex300 over three disciplines was on the cards?

Charlotte Hollands was shooting alongside Nathan and was in good form as you'd expect. Ladies Junior Leah Southall was another shooter setting the pace on the Sunday, along with Mens Juniors Cory Doble and Thomas Betts. This was going to be another close run competition for Sunday's ABT and the excitement was building.

With a stiff breeze and intermittent rain showers, I watched both Nathan and Jack shoot their final layouts

to see if Nathan could straight the final day's ABT for a clean-sweep and to see if Jack could keep the pressure on Nathan, who's squad was up first. Nathan's shooting was just superb and he looked comfortable and in control. The first 15 or so targets were smashed, but then on stand one, to everybody's surprise, a target slipped away unscathed. Nathan continued to break the remaining clays and posted a very impressive 299ex300, which secured him the Caesar Guerini Trap Challenge cup by an even more impressive nine clear clays. Kevin Gill would have been very proud of this effort as he coached and mentored Nathan!

Now the pressure was back on Jack to see if he could force a shoot-off for the ABT – if he could win that, he would secure a place in the Super-Final. Jack didn't waiver and seemed to be able to shoot the clays ten yards nearer the trap than most others with his metronomic style. This left Nathan and Jack on 99ex100 for the day – shoot-off time!

The shoot-off for the ABT was sudden-death, one barrel with the shooters alternating on stand one. Jack was up first and duly dusted the first clay, followed by Nathan who narrowly missed his clay. So there would be a Super-Final! This was a full round of 25 clays with full use of the gun and it just seemed to be a shame that somebody had to come second, such was the standard of shooting by both guns. In the end Jack just pipped Nathan to take the Kevin Gill Memorial Trophy.

At the end of the day Matt Panter from Caesar Guerini told me "It's been a good event and well supported, entries are down a little bit on last year,

Kevin Gill would have been very proud of this effort

but that might have something to do with the climate. A good fun event, everybody's been enjoying it – it's back to what shooting should be all about. Breaking clays and having a laugh doing it." I couldn't agree more and

Rob and Gill Hall's (owners of the shooting ground) efforts and dedication to putting on a professional, fun and welcoming event were all too clear. The ground is immaculately run and there has been plenty of investment around the layouts and club house. There was kind sponsorship from RC cartridges and Teague Chokes and money was raised for the British Heart Foundation, the Alzheimer's Society and Cancer Research UK. A fitting event dedicated to the memory of Kevin Gill!

FITASC SPORTING EUROPEAN CHAMPIONSHIPS – SIGNES, FRANCE

Senior Individual: Gold, George Digweed MBE
Team Members: Ladies Team Silver – Jasmine White, Megan Gamble (NC) Emma Stacey. Senior Team Silver – Philip Rowbottom, Tony Manvell, Stuart Clarke (Snr). Veteran Team Silver – Michael Harding (NC), John Pool, Martin Reynolds. Junior Team Bronze – Theo Coleman (NC), Ben Cumming (NC), Annalise Evans (NC). Men's Team – Stewart Cummings, Shaun Stacey, Robert Evans, Matt Hance.

The course was tough for some of the competitors as there were several targets thrown below and at distance of the stands. Also targets curling, stalling and dropping off, which again are not prominent on our courses. Even the experienced shots were struggling but the weather was good every day!

Congratulations to George Digweed who won Gold in the Seniors, the only GBR competitor to win an individual medal.

It was lovely to see Emma Stacey and Ben Cumming shoot the highest score for their teams, both finishing in individual sixth place but also, to make it a family affair, their fathers shot in the Men's team. Stewart Cumming commented: "it felt fantastic having Ben there, I was thinking of

semi-retiring, but when Ben decided he wanted to pitch for the GBR team, semi-retiring was postponed!" Ben has been shooting for about four or five years, but in the last year decided to really push for the team:

"to get my first GBR Cap is probably my biggest achievement so far, and I am really hoping I will be in the team for the World Champs in July. When I was standing in the opening ceremony and heard our anthem I felt immensely proud representing Great Britain and for my own

achievement. I did feel nervous standing on the first peg, but then it eased off and I got on with my shooting. Both my parents are fantastic with all their support."

Team Manager, Nick Woodward, ably assisted Jeremy Baker commented: "The teams all conducted themselves as true team

members, giving support to fellow team members when needed, which was very much appreciated."

ISSF JUNIOR WORLD CUP – SUHL, GERMANY

Skeet Women:

Sophie Herrmann (NC), Bethany

Norton (NC), Phoebe Bodley-Scott (NC).

Skeet Men: Mitchell Booker-Smith, Arran Eccleston, Denzil Grose (NC).

Trap Women: Lucy Hall, Maddie Purser, Hollie Lumsden (NC).

Trap Men: Tom Betts, Ben Killian (NC), Lucas Hyde (NC), Owain Humphreys (NC), William Gilbert (NC).

A plethora of GBR New Caps (NC) held up well, coping with delays and rules that they were unaware of, amounting to a tough learning curve for the new and more experienced competitors.

Trap was the first out

on the ranges. William Gilbert was well placed at the end of day one in fourth place, but a 21 in the last round on day two put him down to 16th, missing out on the shoot-off for the semi-finals by two targets, but still a good start for his debut on the scene.

The Trap Mixed team event saw two GBR teams battle it out for bronze – Hollie Lumsden and Lucas Hyde put in a good performance against Maddie Purser and Tom Betts to take Bronze, well done to both teams.

The second medal of the event was won by the Skeet Women's team after turning around the placings post qualifying rounds with GBR placed second to Slovakia, but all three team members held their nerve and beat Slovakia in the Gold Medal match seven to one.

The individual Skeet Women saw some highs and lows, Phoebe shot very well, being equal first at the end of day one, but unfortunately did not keep her form for the second day. Sophie Herrmann moved up the placings on day two to finish tenth, just one target shy of the shoot-off for the semi-finals.

Sophie commented: "I put too much expectation on myself and not enough emphasis on just shooting, day two I pulled myself together a bit.

"The competition really instilled in me: every single target counts, even if a round is not panning out, you just have to grind it out, it can be the difference between getting in the final or not. It was a wakeup call.

The teams all conducted themselves as true team members

Left: Sophie Herrmann, Bethany Norton, Phoebe Bodley-Scott.

Right: FSP ECH 2022 Teams.

"My father was immensely helpful out there, but also many thanks Richard Brickell who has coached and helped me so much at home."

Bethany said that "The whole competition was an amazing experience, seeing all the different countries there, a very different experience, especially winning the team event, unbelievable."

"I learned a lot, on the first day of competition, we arrived at 7am, my first round was at 11am, and my last round was at 5.30pm due to a delay. It was quite hard to maintain concentration over such a long period of time – I was not really expecting that"

Phoebe commented: "Day one was great, but I made the mistake of looking at the leaderboard – I had not been prepared to be up with the leaders! On day two I was almost too relaxed – I thought it would just happen!"

"What I did learn was not to underestimate myself and discovered I shoot better under pressure. It was really great seeing and shooting with the other countries, but definitely more intimidating."

FITASC HELICE ZZ EUROPEAN CHAMPIONSHIPS – CSÁKBERÉNY, HUNGARY

Team Members: Ladies Team Bronze –Jane Bell, Dionne Rogers, Jo Watson-Hopkinson. Senior Team Silver – Donovan Jenkin (NC), Carl Miles, Graham Woodman Veteran Team

Silver – Howard Batt, Paul Colley, Clifford Goodwin Men’s Team – Matt Pugh (NC), Martin Jeminson (NC), Trevor Hawkins.

Individual Members: Ladies Individual Silver – Jo Watson-Hopkinson. Veteran Silver – Clifford Goodwin.

As is so often the case, just one target separates the top three competitors in Helice. Jo Watson-Hopkinson was beaten by just one target by Juhasz Lenke (HUN), and was one target ahead of the bronze medallist, Emanuela Barilla (ITA).

The same scenario occurred for Clifford Goodwin in the

Veterans match, beaten by Giuseppe Catalano (ITA) with Andrea Martignoni (ITA) in bronze.

It was disappointing for GBR to have no Juniors in the competition but they were busy with exams. However, there was more success in the proceeding Grand Prix. Martin Jeminson and Trevor Hawkins took Gold and Silver respectively in the Open, Donovan Jenkin won Gold in the Senior match, Chris Potter Silver in the Master, and Paul Colley Bronze in the Veterans – a worthwhile trip.

GBR SUCCESSES AT THE FEDECAT FAN32

Report back from the 2022 Fedecat World and European Championships at Clube de Caça e Pesca do Ovar, Portugal.

An international festival of shooting was held in Portugal between 25-29 May at the Clube de Caça e Pesca do Ovar, who had been awarded the Fedecat World and European Fan32 Championships, plus a Grand Prix.

The club and ranges were immaculate as you would expect from Portugal, the hospitality was very welcoming. The weather was hot and windy because the ranges were near the sea.

The targets thrown from the new Elicio machines were extremely testing, which with the addition of the wind made the shooting tough but very exciting. Nevertheless the GBR squad of Michael Vere-Hodge, Scott and Kelly Johnson, Richard Perera, and Nicola Heron, settled quickly with Nicola taking Silver in the Grand Prix on the Wednesday.

The Europeans started on the Thursday and GBR put in very strong performances, which were good enough to bring home two new European titles.

CPSA National Director, Nicola Heron, became the 2022 Ladies Fan32 European Champion after a Gold/Silver shoot-off with team mate Kelly Johnson to claim her fourth European title across four different disciplines. Michael Vere-Hodge became the 2022 Super Veteran European Champion after a five-way shoot-off.

The medals did not stop there because the GBR Ladies team, consisting of Kelly Johnson and Nicola Heron won ECH Gold, and GBR Mixed Team Scott Johnson and Nicola Heron won ECH Silver.

Saturday saw the start of the World Championships and although GBR did not win

“ CPSA National Director, Nicola Heron, became the 2022 Ladies Fan32 European Champion ”

individual titles they were still dominating in the teams, with a swap of podiums. By close of play on Sunday, Scott and Nicola had won Gold in the WCH Mixed teams and Kelly and Nicola had won Silver in the WCH Ladies teams.

Scott said: “This was an incredibly difficult shoot due to the wind, extreme target variation, and the fantastic standard of International competition”. Nicola added that in all the years shooting Fan32 and Helice, these were definitely the toughest but the most exciting Championships she had ever shot.

Fedecat UK President MVH was delighted with the squad's results, saying “This has been the best haul of medals since the start of Fedecat UK”. 🏆

– CPSA SPONSORS –

SWATCOM

SWATCOM's **Keith Foote** tells us about the company and the plans for the year ahead.

SWATCOM was established 23 years ago and is part of the Talking Headsets Group. We work closely with our UK and Scandinavian manufacturing partners to offer a wide range of quality hearing protection and communications products for use in PPE, marine rescue, utilities, emergency services, aviation, military and security, and of course hunting and shooting sports. Our aim is to offer users a wide choice of high-spec products, with the back-up of a strong family business.

THE LAST 12 MONTHS

As a headline sponsor of the CPSA we have attended lots of shooting events and competitions so far in 2022 and will be attending many more in the future. As relative newcomers to this industry our focus is on working hard to get our brand established and accepted. But I would like to thank the clay shooting fraternity for welcoming us, showing support for our products and services, and making us feel like an important part of this great industry already.

POPULAR PRODUCTS

The Active8 range of headsets continues to excel and is regarded as the best of its type on the market for hearing protection, comfort and durability. The new SC21 passive in-ear plugs have also been well received, along with the SC20 generic in-ear electronic plugs which are now available. We also supply a selection of range bags and tactical clothing which are becoming increasingly popular among clay shooters.

HEARING ADVICE

You need a headset you can wear all the time when at a shoot, not just when pulling the trigger but when you are

spectating or walking between stands as you are still at risk from harmful noise. As such, comfort is essential to ensure you wear your hearing protection all the time. Good, natural sound reproduction from electronic versions is of great benefit too, as this removes the isolation which can be experienced when wearing passive hearing protection, and allows you to communicate effectively without removing protection when you need it. Build quality and correct fit is also of great importance.

SPECIALIST SERVICES

Our staff have over 130 years of collective experience in hearing protection and communications. We support every product we sell with in-house warranty and repair services, which extend to end users and resellers too. We also carry out on-site consultancy and demonstrations to those who require

it, and offer a high level of product customisation.

ONES TO WATCH

Our current ambassadors include Richard Faulds MBE, Steve Scott, James Bradley-Day, Sarah White, David Ferriman, Mhairi-Ann Troup and Bradley Davis. And our sponsored shooters to watch are: Cory Doble, Charlie Faulds, Hannah Gibson, Joshua Poyser and Oliver Sampson. We also support a number of teams and organisations including: Hillfort Sporting Academy, Great Britain Rifle Team, NRA, CPSA, NCSC, and Bisley Shooting Ground.

UPCOMING EVENTS

This year we will have a stand at The Game Fair at Ragley Hall, Jack Pyke English Open Sporting at Sporting Targets, CPSA British Open at Barbury Shooting School and The Goodwood Festival of Speed. We will have a full range of our products on hand which users can come and try before they buy, along with the opportunity to meet the team and ask any questions about our products. 🦋

MOSSBERG MODEL 500 .410 AND 940 PRO SEMI-AUTO

GUN -REVIEW-

Mark Brown
reviews the
Mossberg Model
500 .410 and 940
Pro Semi-Auto.

MOSSBERG MODEL 500 .410 AND 940 PRO SEMI-AUTO

vikingshoot.com

Mossberg needs little introduction; they have been making guns in Connecticut in the USA for over 100 years and the first Model 500 was produced back in 1962. So, given the rich heritage of gunmaking it's a little surprising that this is the first guns from Mossberg that I have reviewed for *Pull!* and I was therefore keen to see what they can do on the ground.

First up is the 940 Pro semi-auto which was launched into the UK earlier this year, designed to be an all-rounder shotgun rather than being focused purely at the competition shooter. This gun will be at home both in the field or on the clay ground and

will perform effortlessly whatever you choose to use it for. It's a very simple look, black synthetic stock and fore-end with the 940

Pro text in white on the receiver. I really liked the oversized bolt release button and the chunky bolt lever – ideal if you have large hands like me! The checkering on the pistol grip and the fore-end was very crisp, almost too crisp but I'm sure given use it will smooth off a little.

Loading and operation was effortless and it worked well with a variety of shells from 21g up to 32g with clear and clean ejection and reloading.

The 940 is a gas operated system and Mossberg claim that it will easily cope with 1,500 shells between cleans which is a huge selling point as one of the

biggest issues most shooters have with semi-autos is the stripping down and cleaning which is time consuming compared to an over and under. Other noticeable features of the gun include corrosion-resistant internal parts, option to increase or decrease length of pull from 13" to 14 1/4" and 3" chamber size.

SHOOTING

On to shooting, the 940 feels like a big gun – it only comes with a 28" barrel length but it feels sturdy and

quite heavy even though it is just under 8lbs in weight. I found it very steady to swing even on long range targets given the relatively short barrels. It handles and points well and I was certainly very happy with my scores when using it on a sporting layout. As the stock is synthetic it does take away some of the weight from that area of the gun which sadly does mean that the 940 feels a little muzzle heavy, but once you start shooting it is easy to adjust to. Recoil was minimal and it was certainly pleasurable to shoot.

Mossberg have come up with something that seems to tick many of the boxes for both uses.

When looking for a gun that can turn its hand to both field and clay use there does have to be some compromises, but Mossberg have come up with something that seems to tick many of the boxes for both uses. With a RRP of just £980 it offers terrific value for money and with multi-

chokes (3), adjustable stock, ventilated rib and fibre optic sight you really can't go wrong and it certainly fills a space in the market between more refined and expensive semi-autos and the entry level brands.

SPECIFICATION

The Model 500 .410 was an interesting gun to review and having not had much experience with pump-action variants I was a little unsure as to what to expect. However, I can say that this little gun was nothing short of excellent. The .410 spec

I was surprised just how quickly and easy it was to adjust to reloading with the pump action. ”

of this gun comes in one barrel length (24"), weighs just over 6lbs and has a fixed choke – full. So, as someone who has a very fast gun swing and normally relies on a heavy 32" barrel gun for clays I did have some fairly big concerns about how I would perform with it. A greater shot than I once told me that with .410 you need two things, forget that you are shooting a small bore and make sure you use the best cartridges that you can afford. With these wise words in mind we tackled the sporting layout at Coleys. Right from the first stand I was impressed, at no point did the Model 500 feel too light or "whippy" resulting in over-leading the targets. It's swing was steady and very positive and resulted in target after target being broken including the long crossing targets and high tower, which are satisfying to hit with a 12 bore.

I was surprised just how quickly and easy it was to adjust to reloading with the pump action and certainly not as cumbersome as I had envisaged for shooting clays. It was now easy to understand why Mossberg have sold over 12 million of the Model 500. We were using a 3" 19 gram load in 7.5 shot size from Eley Hawk and that coupled with the full choke gave impressive performance across a wide variety of sporting targets. Other notable features include the top mounted safety which is not only very easy to use but also enables the gun to be used by both left and right handed shooters and also the ventilated rib and anti-jam elevator which ensures smooth and consistent operation. With credit to Mossberg when

using both this gun and the 940 we did not have one single issue with re-loading at all.

SPECIFICATION

So, as much fun as the 500 .410 is to shoot why should you buy one? There are in fact several reasons. Firstly, if you fancy a challenge or just trying something different then there is no doubt that shooting the .410 is lots of fun and at just £599 it's not a huge investment to make. Secondly, if you have youngsters learning to shoot then a pump action .410 is a great place to start as it's very light on recoil and very safe to use with manual

re-loading required for the second shot and again it's a sensible price for a newcomer to the sport too. What is very clear is that in the right hands the .410 is every bit as efficient as the 12 bore and certainly a little bit more challenging.

There is an opportunity to win the Model 500 .410 at The British Open 410 Championships at West Midlands Shooting Ground on 27 August 2022.

GETTING IN THE ZONE

Maintaining focus under pressure is what separates the great from the good. **Matt Kidd** explores some methods to stay in the zone and block out distractions.

What do George Digweed MBE, Amber Hill, Ronnie O'Sullivan OBE, Lewis Hamilton MBE, and Phil Taylor all have in common? Apart from being British multiple world champions in their respective sports and having skill and ability beyond measure, they each share an inherent level of focus which seldom wanes. When at their very best, movements appear effortless and mistakes are forgotten in an instant, as if they never happened. We mere mortals sense that in those crucial moments, for them, nothing else exists.

At some fleeting point in your own shooting career you may have experienced this state of focus which many refer to as 'being in the zone'. Nothing but the target you are going to hit pollutes your mind. Time stops. Sound is muffled. You move on autopilot. Everything goes to plan...

Some people settle into this state of mind far more quickly and for longer than others. Meanwhile for

“ At some fleeting point in your own shooting career you may have experienced this state of focus which many refer to as ‘being in the zone’ ”

some, even the most naturally gifted, try as they might, it eludes them and is a main factor preventing their name from cropping up amongst the aforementioned champions. Motivation comes from all angles and sometimes it's not the desire for success which is the driver. In fact it can be the opposite. England Rugby World Cup winning hero Jonny Wilkinson famously said: "I play with a fear of letting my team

down. That's what motivates me." Now you may not have a team as such when shooting clays individually, but the fear of failure can be extremely motivational.

Gladly though, methods of increasing focus are not sport specific nor skill dependent so can be adapted to training and competition in order to heighten the chances of reaching this optimal mind state on a more regular basis. It's important to note, too, that what may work for one individual may hinder another.

PREPARATION IS KEY

The importance of preparation in every sport will never lessen. To quote Britain's all-time greatest racing driver, Lewis Hamilton MBE, in an interview with Mercedes on achieving focus and handling pressure, he said: "Preparation ahead of any race is key. Focus is something that is easier to achieve when you're in a comfortable state, you are positive, and have positive people around you."

The importance of preparation in every sport will never lessen

Essentially, knowing you have put the work in before a competition, you have successfully handled any potential conditions you might face, you have fuelled your body correctly and so on, will allow you to be confident in your ability going into any challenge.

Building on competition-specific practice is a fantastic way to yield greater results. So, shoot the same number of clays, in the same time frame, under the same rules and restrictions of your discipline regularly. Wear the clothes, glasses, vest, ear protection, shoes that you are going to compete in and pin a number to your vest. Set up scenarios like shoot-offs that apply different pressures. Think before every shot. Reflect constructively on mistakes. Train with purpose and positivity.

Your fitness levels should meet – if not exceed – the requirements of your discipline. Fatigue is often detrimental to focus, not just physical performance. Likewise, eating a diet to support cognitive health in training and maintaining this throughout competition will reap the extra percent of your

potential. Avoid experimenting with food, supplements and caffeine on competition day, and ensure you are also well stocked with snacks and fluids to replenish and recover quickly.

PRE-SHOT ROUTINES

Non-elite performers will still compete in the zone from time to time and will arrive there subconsciously. However, we can give ourselves cues – such as a pre-shot routine – which purposely gives the brain a menial task and clears the mind of external distractions, stress etc. amplifying one's focus on the task in front of us. They also have the added bonus of forcing us to move on from mistakes quickly preventing the wheels from coming off completely.

Examples of professional athletes doing this are all around us. Australian Steve Smith, one of the most prolific batsmen in the world, has

probably the most obvious of them all. "I do some weird stuff," he admitted, "It's left pad, right pad, box... one tap in the middle, two behind... look up, two taps behind, look up... one tap... I'm good to go. Every ball." But

they needn't be so obvious. Tennis star Serena Williams bounces the ball five times before her first serve, two times before her second. Without consciously looking for it, people would miss it, but they are intrinsic to each individual and very effective.

Clay shooting is perfect for a pre-shot routine as there's a good few seconds before we say "pull", affording us the time to gain control more than some other sports do. As such, it is likely you already have your own cue, without even realising it. You might load the bottom barrel then the top barrel, wiggle the toes, take a deep breath and visualise the clays. But in making this a disciplined step-by-step process, we can start to

consciously shut out external factors one-by-one so that at the point of the trap releasing, there's nothing else in our thoughts but dusting that clay.

Pre-shot routines are not exempt from failure, of course, and can become a hindrance when people over complicate them, they forget to do them, or copy someone else's because it looks good. They certainly don't need complex stages or a quirky series of movements. Try some different methods and remember to keep it simple. Once you have found a routine that works, stick to it. If you deviate or there's a delay, no-bird etc, start again.

PRE-COMPETITION ROUTINES

Settling nerves and boosting our confidence the night/morning/hours before a competition and even between stands is equally important to set us up for a good performance. Many like to listen music to trigger an emotional response, but it's important to get the genre right; a calming melody will sooth performance anxiety whereas heavy metal will increase arousal. Others like to read books, fall asleep watching the TV, flick through social media, or keep up their appearances as a social butterfly. Do what suits your personality, and like everything, you'll likely see better results if you keep it consistent.

There are some routines that inject a sense of superstition, such as putting on a left shoe first, unzipping your slip with your left hand, lucky pants etc. Famously golfer Tiger Woods has always worn a red top when he has reached the final day of any competition and he explained why: "I've worn red ever since my college days basically, or junior golf days – big events on the last day. I just stuck with it out of superstition, and it worked. I just happened to choose a school that actually was red, and we wore red on our final day of events. So it worked out."

The only problem with some of these habits is they can have negative impacts on your performance if you forget them or they can assume too much significance in your mind. In that instance rather than help keep you calm they can increase anxiety levels. 🏹

TALK TO A PROFESSIONAL

Today, reputable sports psychologists are numerous and the stigma of paying someone to help you improve your focus is reducing and rightly so. Indeed, we didn't have space here to mention all the ways you can learn to improve your mental approach to shooting and reduce anxiety. At the end of the day, if you can combine skill, discipline, composure and focus in competitive scenarios, the more you will make of your potential.

OF THE BEST
SHOTGUNS

Here are our some of our top picks for your next shotgun.

▼ When Rizzini set out to make the BR460EL, their brief was as simple as it was challenging: design a shotgun with all the features of an out-and-out competition gun, finished with beautiful engraving and selected walnut, but at a price point which defies the competition. The result ticked all the boxes in equal measure. The mechanism of the BR460EL, with its robust side lugs and drop out trigger mechanism, is strong enough to provide reliability over tens of thousands of shots. The hand-finished engraving and quality of the walnut would not be out of place on a gun at twice the price, and talking of price, the BR460EL retails at a very attractive £ 7,700 which represents extraordinary value for a gun of such quality and finish. Kirsty Hegarty and **Amber Hill** are scorching a path on the international stage, as **Anita North** reports.

I have been clay shooting for more years than I would like to admit, and in my time in the sport I have met some awesome women and seen some amazing achievements. But the recent achievements of these two British women are right up there with the very best I have witnessed – both started clay shooting as Juniors and both were selected for the Tokyo Olympics and are two of only eight British women who have won medals at ISSF World Cups in shotgun events.

KIRSTY HEGARTY

Competing at the World Cup in Lonato, Italy, in April 2022, Trap shooter Kirsty dug deep and put in a superb performance to take the Gold medal after a nail-biting final. To win a World Cup is an incredible achievement. To win a World Cup at Lonato – the shooting ground that is considered by many to be the home of trap shooting – is even more glorious. Just to put this into context, the only other British women to win World Cups in Olympic Trap are Sarah Wixey (Perth, Australia in 2003) and Abbey Ling (Lonato in 2012).

Kirsty is from Craigavon in Northern Ireland and started shooting after being persuaded by her parents (both shooters) to give it a go. After shooting DTL and ABT Kirsty set her sights on representing her country at the highest level and in 2010 she won Gold at the Commonwealth Shooting Championships in Delhi. Her first cap for GB came in the same year. In 2018 Kirsty really came into her own and secured Silver at the Commonwealth Games, followed up with World Championships Bronze in the mixed team event. Kirsty then progressed on to win Silver at a World Cup in 2019 (Al Ain), which earned not only that medal but also a quota place for the Tokyo Olympics. Following a solid

Kirsty puts in lots of very hard work into her shooting.

performance in Tokyo, the result in Lonato put her at number two in the world rankings.

THE RIGHT APPROACH

Kirsty puts in lots of very hard work into her shooting. As well as shooting training, she also trains in the gym, and cardiovascular fitness and core strength work are part of her training plan. Kirsty has found what works for her in terms of volume of clays to ensure she gives her best performance in competition and she does not work alone. Her coach is her dad, Clifford

(Cliff) Barr and they make a formidably strong team. This evolved from Cliff supporting Kirsty when she first took up shooting at the age of 16, to finally becoming Kirsty's personal coach.

Shooting is not Kirsty's only talent. She studied Aerospace Engineering at Queens University in Belfast and has worked as a Product Support Engineer at Bombardier. Away from shooting she keeps active and loves gardening, crocheting, and spending time with her husband Stephen and their two dogs.

It is awesome to see Kirsty's hard work and determination paying dividends. I know that there is more to come from this determined competitor. ▶

AMBER HILL

Amber, as most readers will be aware, competes in Olympic Skeet and she won Silver at the World Cup in Lonato. But this is not the only World Cup medal that Amber has won this year. She had already won Gold in the World Cup in Nicosia earlier in the year and these results have literally put her right back on top of the world – at the time of writing this article she is number one in the ISSF World Rankings.

From Berkshire she started shooting at ten years old under the guidance of a very supportive grandfather as she would go shooting with him rather than watch her brother play rugby. I had the pleasure of first meeting them both at A1 Shooting Ground when a very young Amber (probably about 12 or 13-years-old) was competing in a Helice event.

Shortly after that she was talent spotted and started shooting Olympic Skeet, gaining her first GB cap in 2012 when she competed in the European Championships as a Junior.

Since then Amber has made around 45 appearances competing for GB. In March 2013 she made history when at just 15 years of age, competing at a World Cup in Acapulco, she set a new Junior world record on her way to winning her first World Cup. In doing this she became the youngest winner of a Skeet World Cup, and in the same year she went on to be named the BBC Young Sports Personality of the Year.

from a European Games. There has also been Gold in the team event at the World Championships. And in addition to the medals, Amber has won two quota places for GB. Her first one was for the Rio Olympics, won with her win at the European Games in 2015, and the second for Tokyo was secured with a World Cup win in Delhi in 2021. In the Rio Olympics Amber finished in an impressive sixth – quite a result for her Olympic debut.

In addition to competing for GB, Amber has also competed for England in the 2014 and 2018 Commonwealth Games, collecting Silver at the 2018 games after winning Gold at the

These results have literally put her right back on top of the world – at the time of writing this article she is number one in the ISSF World Rankings.

A LOT OF METAL

Since then the medals continue to roll in. Just check over her ISSF athlete profile and you will see that Amber has

garnered an impressive haul of metal. At World Cups Amber has four Golds, three Silvers and three Bronze medals. World Cup finals give her another Gold and Silver. At European Championships Amber has collected two Bronze medals and has one Gold

Commonwealth Shooting Federation Championships in 2017.

Amber's medal tally makes her the most successful British woman in ISSF shotgun disciplines and she is on track to become the most successful British shooter at ISSF World Cups (Richard Faulds, now retired from ISSF events,

has four Gold, four Silver and two Bronze medals at World Cups). Despite all of this she is still

only 24-years-old. Her

continuing medal-winning performances have done much to raise the profile of clay shooting sports in this country. In addition, it should be pointed out that Amber is only the second GB woman to medal at ISSF World Cups in Skeet.

IT'S ONLY JUST BEGUN...

Kirsty Hegarty and Amber Hill have proved themselves world-class in their disciplines and it feels like they have only just begun. Both women are very hard working and dedicated to their shooting. They have faced challenges and tough times, but work through them in their love of the sport and their determination to be the best they can.

These two women stand as an inspiration to anyone who loves shooting sports. If you haven't yet tried Olympic Trap or Olympic Skeet I would encourage you to do so, just look where that step has taken these women. With women such as these the future is very bright for British women in ISSF disciplines. In addition, if you are on social media, then do get behind our teams and support them as they compete in the coming months. 🍀

MARSTERS OF THE SHOOTING CLUB

We spoke to **Emily Breeden** about Lea Marston Shooting Club, a not-for-profit ground open seven days a week.

Q When did the ground open and what makes it special?

A: The Ground has been operating in excess of 55 years and over the past eight years, we have spent our time developing a unique experience which includes disabled-friendly walkways. We offer a very compact shooting ground with minimum walking distance between stands, a great variety of shooting

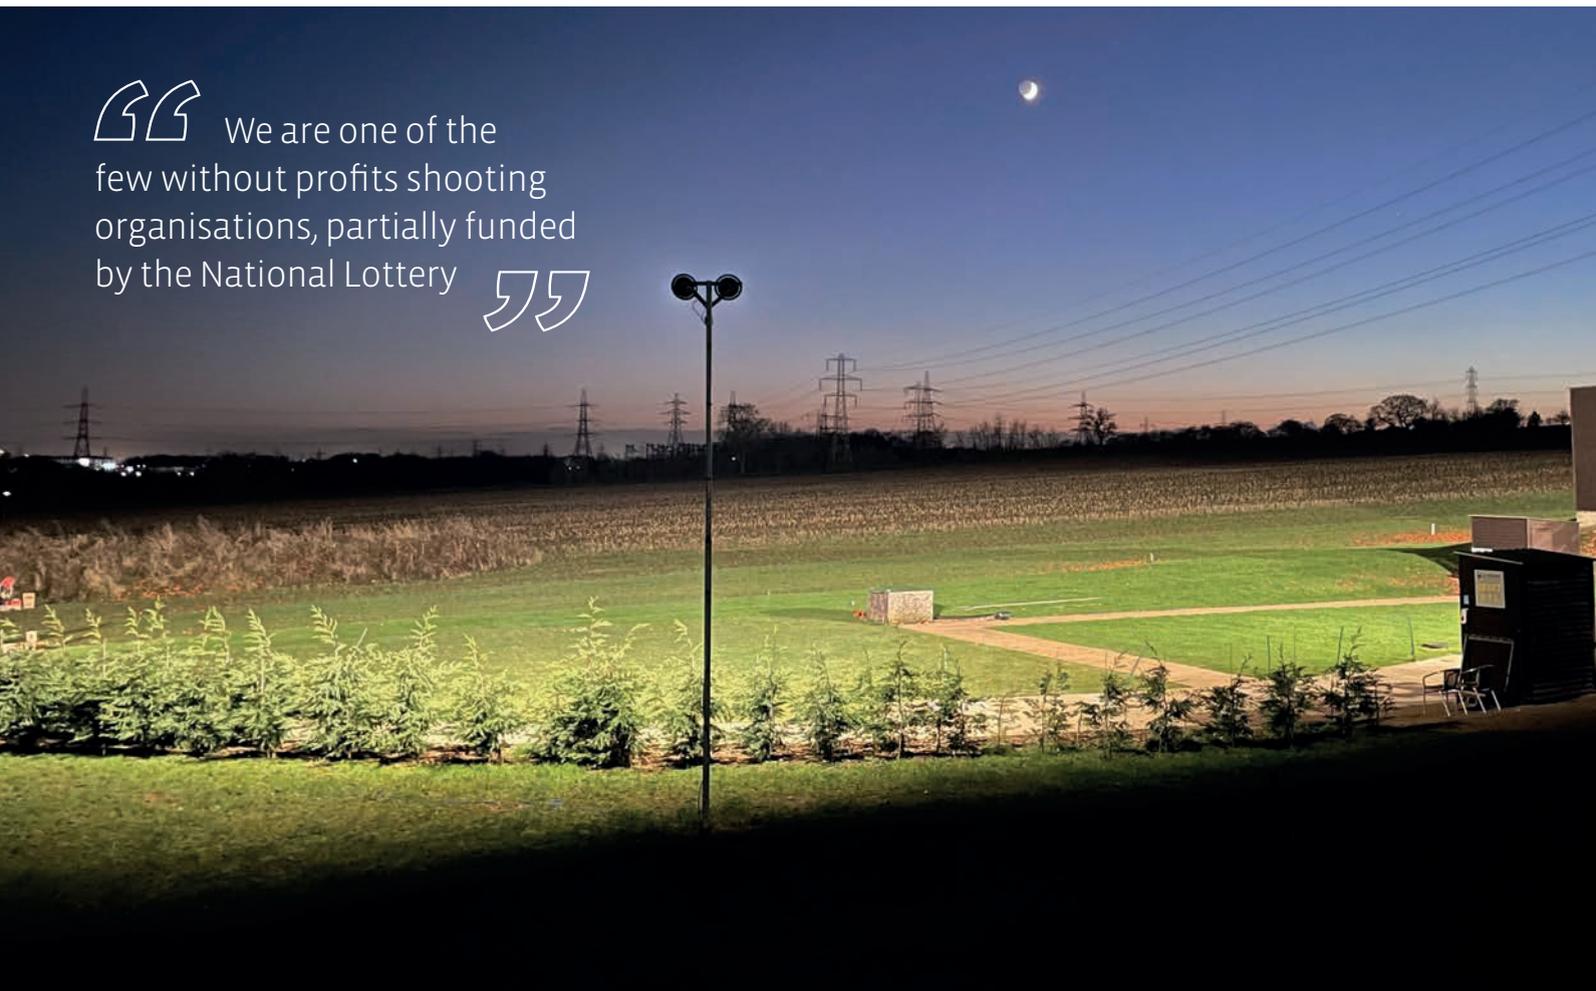

activities within close proximity. We are one of the few without profits shooting organisations, partially funded by the National Lottery, allowing all reserves of capital to be reinvested for the benefit of participants in our sport and sponsorship for up and coming shooters. We offer all-weather shooting with undercover shooting stands. We have wheelchair access

England which helped build our accessible facilities.

Q How has the ground developed over the years?

A: The ground has developed from a typical Sunday farm shoot to a highly sophisticated shooting ground which is open seven days a week.

Q Are you planning any events for 2022?

A: We don't hold competitions on our ground as people enjoy the freedom

to be able to practise or shoot without restrictions any day of the week.

TIPS FOR SHOOTING AT LEA MARSTON SHOOTING CLUB

Have Fun, Meet New People & Enjoy the Targets! - We have had many friendship groups formed starting with individual shooters to great friends through our Friendly Club!

Simon Arbuckle and **Freddie Killander** show you how to shoot stations 1-4 in Olympic Skeet.

In this article, we are again joined by Freddie Killander, the No.1 GB ranked Olympic Skeet shooter, who is going to show us how to hit the singles and pairs on the first four stations on an Olympic Skeet range. Freddie, over to you:

"So, the first station is obviously Station 1. I start by aligning my feet where I am going to break the first target. On station one we shoot a single high first and then a simultaneous pair which has to be shot high target first. As the first target comes over your head, you can't see the Trap house, so you just need to look up above your barrels in order to pick up the target once it has been thrown. When we set up, we are shooting gun down, as per the rules of this discipline, so you want to have the end of the muzzles roughly at where the target will be at the centre of the range and that is where we will break the first target.

"The setup for the singles and pairs is exactly the same, the only difference is that you need to make sure you pick up the second target in the centre of the range, ensure you keep your head on the stock, and don't lift your head to try

and find the target as this will most likely result in a miss!

"Station 2 – once again, we are shooting a high single first, followed by a simultaneous pair, shot high target first. Just like on station one, we set our feet so that they are pointing towards our break point where we will shoot the first target. Typically, your gun hold point should be halfway between the Trap house and the central white pole on the range. In terms of barrel height, again we are starting gun down but we need to keep the end of the barrels a little bit below the flight line of the clay, so that when you mount the gun you can see the target consistently all the way through your mount. Then as your gun mount is completed, the target should be on the end of your barrels and ready to break!

"The setup for the pairs is the same as the setup for the first target again, and actually the most important fact about shooting a pair is the first target – because if that target is shot properly, the second target becomes very simple. So, you want to shoot the first target a couple of metres before the centre peg, you can then slow the gun down and

THANK YOU To the National Clay Shooting Centre at Bisley for their help with this series.

pick up the second target over the centre peg, rotate back, and break it nicely within the bounds of the range.

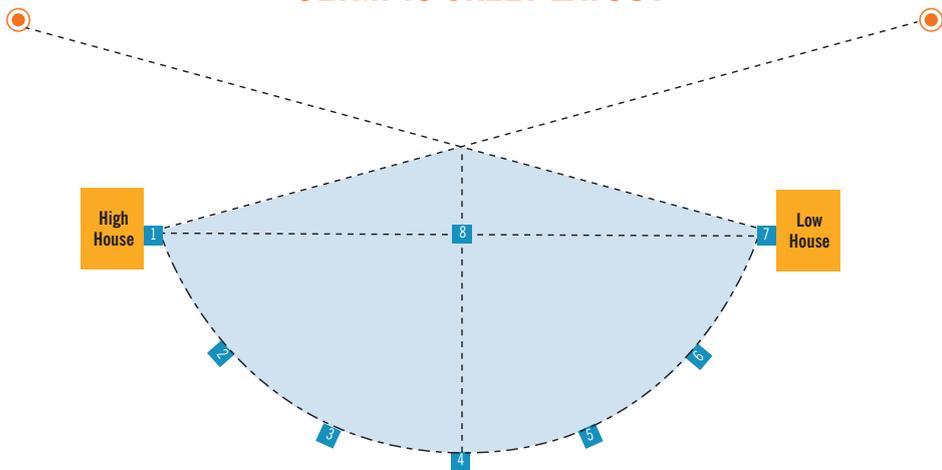

"On Station 3, once again we set up our feet towards the break point and our gun hold point before the shot, will be roughly halfway between the Trap house and the centre peg and a little bit underneath the line of target so as you mount the gun, you are able to see the target and mount straight onto it. The sequence here is again a high target single and then a pair shot high target first. For the pairs, we want to make sure we break the first target properly, ideally several metres before the central post so that we can acquire the second target over the central post, rotate back and break it nicely within the range. It is vital

that we keep our head on the stock and not lift it off!

"Okay, so the first time we come to station four we will shoot a high target single and then a low target single. The way we set up for those is the same, but obviously just a mirror with our feet set for the break zone of the high target first, our gun hold point at the halfway mark between the Trap house, and the central post and just underneath the line of the targets. I load two cartridges here, break the first target and then take the gun out of my shoulder as this isn't a simultaneous pair, and set up for the second single from the low house. Your feet need to be pointing towards the break point and your hold point halfway between the low trap house and the central pole. Again, your muzzles need to be slightly below the flightline when you call for the single target and break it just before the centre post.

And that's how you shoot stations 1-4 at Olympic Skeet. In the next issue Freddie will show us how to shoot stations five to eight!

OLYMPIC SKEET LAYOUT

PLEASE NOTE in the How to Hit article in our June issue Freddie was asked about where the target on station 8 must be shot by and according to the General Technical Rules (date 25/2/2020), Rule 6.4.20.2e for station 8, the shooting boundary is determined by the crossing point between a straight line running from station 4 to station 8 and the crossing point. If the target is shot beyond the centre point it is a lost target.

>> NEXT MONTH: FREDDIE TELLS US HOW TO TACKLE STATIONS 5 - 8 IN OLYMPIC SKEET >>>

Northumberland Sporting Championship

Bywell hosted the Northumberland Sporting Championship on Sunday 22 of May. Fine weather with an increasing breeze gave the shooters another factor to ponder over. It was another chance for shooters to venture into the new woodland behind the clubhouse. The team at Bywell certainly put a lot of work into the new area and it's evident from the chatter around the ground that it's the new favourite.

Five stands made up the 50-target course, but there was a twist – Stand 4 added extra excitement to the course as it featured a Sportrap feel to it. Four targets full use to start with. Then two report pairs, followed by two simultaneous pairs.

Starting with the future of the sport, Christian Welch scored a very respectable 34 to take the Junior title. Stuart Dawson clinched the Veterans title from John Longstaff by one point with an impressive 45. B Class Champion Matthew Snowden had a two-point gap over Paul Carter scoring 43. Mark Foster was straight until Stand 4 but managed to clinch the A Class title from Stuart Dawson as he shot stand one straight.

Paul Wheatley topped the Overall leaderboard due to an impressive straight on stand four which gave him a total of only three clays dropped over the earlier stands. Due to geographical restraints, Paul could not be crowned the champion. That honour fell to Ian Mullarkey who followed closely with a 46. Mr Mullarkey was last year's winner and is very pleased as he can place the trophy back on the mantelpiece to avoid some of the dreaded dusting.

Once again, thank you to Bywell and the Henry family for hosting the Championship.

Bywell Northern weekend and third North of England selection shoot

I must start this with a big well done to Bywell shooting ground for putting on a great event. The targets were set for all to enjoy, and with half of the Sporting layout set up on some new land that hadn't been shot on before, this made for some different presentation of targets not seen on the ground in the past.

Targets were set for shooters of all abilities with lots of tricky angles and speeds just enough to take one off you anywhere. A couple of noticeable stands were on Stand 3 with the thrown down standard off the tower and the long midi, then the flying rabbit on Stand 5 definitely made a few miss. Shooters travelled from a far to shoot this event and is certainly a must for next year if you missed out.

Running along side the sporting was the 100 Sportrap, set up as two separate competitions, one on Saturday and another on Sunday so, if you wished, you could enter both days for separate prize pots.

Saturdays course shot a lot harder that Sundays with Lee Jackson taking High Gun on 90/100 closely followed by Patrick Dickman on 89. A Class was won by Murray Thomson on 87, B Class with 88 was Robert Bruce, and C Class was Daniel Porter on 77.

Sundays Sportrap saw Andy Calvert take the course apart on a massive 99/100, well shot Andy. AA Class was jointly won by Tom Young and Rhys Harrison, both on 96. A Class was Ben Cumming on 96, B Class was Sharon Niven on 86, and C Class was John Hutchinson on 82.

Over the two-day Sporting course there was some excellent shooting seeing a three-way tie at the top between Billy Baughan, Tom Young, and Stewart Cumming on 97/100. Closely followed this by Mark Webster and Michael Pennington shooting

96/100. Top of A Class was Ben Cumming on 93, B Class was John Frankland with 90, and C Cass was Robert Moore with 81.

The top score from every class and category went into a shoot-off for the Overall prize of a Browning Ultra XS Pro shotgun and after a tense shoot-off, the Overall winner was Stewart Cumming, congratulations Stewart.

This was closely followed by Billy Baughan who has managed to put the top score in on this event for five years running, he really does like Bywell! Other winners were in the Juniors, Ben Cumming with 93, Veterans were Martin Doughty and Guy Robinson jointly on 93, and Sharon Niven from the Ladies with an 81.

Thank you to Bywell and all the staff for putting on this wonderful event. A big thanks to everyone who attended this event.

Mike Pennington

England/NOE selection, Jett Hall

The two-day competition saw an abundance of competitors from all walks of the country try their luck at securing valuable points for both selection shoots. The ground and facilities were brilliant as always and ever improving. The usual high standard of targets was also on offer with speed and angles being the major factor to cause confusion. Even the best competitors were fooled by clever targets but over the two days, Martin Myers was victorious on Saturday and Guy Robinson was the victor on Sunday on scores of 92. As for the North of England selection the highest North region shooter across both days will be used to calculate the points which was Mark Webster on 91. Thank you to those who supported the event. **Tim brown**

Hereford & Worcestershire Secretary

I, Rod Davies, will be writing the report for the *Pull!* magazine for a while so please send any photos and reports to myself going forwards. Sadly, Richard Grainger has decided to leave his posts as Secretary, Vice Chairman, and Fast Trap Manager. It is a sad loss as Richard was our 'IT Guru' so please bear with me until we can find a replacement. I am also currently updating the Hereford & Worcester website to make it easier to navigate around.

The role of Secretary is a critical job and so the sooner this position can be filled the better. The Secretary does not have to be a shooter but needs to be a CPSA Member or willing to be a CPSA Member. If any member/non-member would like more details of the position, or if you know anyone that would be willing to help us as Secretary I would be most, most, grateful. My contact details are in this report and on the website.

Please note that the Committee has agreed that the position of Secretary is now a funded position with a small Honorarium paid at the AGM and a non-members position can be discussed with the Chairman as we need someone who can commit to the role going forwards – either as a shooter or as a partner of a shooter for instance. ▶

Helice News

Congratulations to Paul Colley and Matt Pugh who made it into the GB Helice team for the European Championships in Hungary. Also in Helice news, Paul Colley won the Helice English Open Veterans Gold medal at Garlands Shooting Ground on 28 May and Fiona Caren won the Ladies Bronze at the same event. Both shooters competed in shoot-offs. Sadly, this was the last time Helice will be shot at Garlands so our County Championship on Saturday 30 July has been postponed along with any other Helice events at Garlands. The latest news is that Paul Colley has won a Silver medal at the European Helice Veterans team event on 3-5 June in Hungary. Matt Pugh didn't come home with a medal but he was the highest score in our GB Men's Team. It is great to see these two Hereford & Worcester shooters competing at GB level in Hungary.

14 May: 50 OTR, Fauxdegla

Super Veteran Graham Evans shot 44 but was matched by Junior Jack Shipton, with Junior Joel Kelly on 40. Well done to you all! Graham also shot a 65ex75 OTR on the 18 May.

15 May: WM Area and Inter County All Round Championships, Fauxdegla

Well done Team Shropshire! Open/Seniors team of Mike Cyffin-Jones, Alan Rowley, Robert Bower, Mike Cashmore, Graham Evans, and Nick Sarjant won Bronze. Ladies team of Julie Burton and Jan Dixon won Silver. Veterans Team of Stu Burgess, Trevor Lewis, and Pete Bridger won Gold. Junior Team won Gold, with Matt Bower Overall Junior Champion (Individual Gold Medal) and Josh Sarjant a close Junior Runner-Up (Individual Silver Medal). Six Shropshire guns were in the top 16 – last year's Overall Champion Mike Cyffin-Jones was fourth, Richard Green won Individual Veteran Silver but was not in the team. On 1 May Richard was Runner-up at Park Farm in AR with an excellent 96! Shropshire definitely have good all-round ability!

18-22 May: EO ESP, High Lodge

On the first day World Champion George Digweed shot 116ex120, but Mike Cyffin-Jones was joint second on 113 and still joint third when all 1,072 competitors had shot. Other great Shropshire scores went to Dave Wincott 103, Mike Cashmore 97, Stewart Owen 94, and Joe De Mulder 93. It was good to see ten Shropshire guns make the long trip to High Lodge. Mike Cyffin-Jones made the Super Final, a great achievement. He came fourth Overall and was first in AAA Class. Well done for battling it out with George Digweed and Richard Faulds, plus of course the excellent John Lee, Runner-up Phil Gray, and Champion Paul Batchelor. All of Shropshire are proud of your outstanding shooting.

27 May: OSK, ISSF Grand Prix, Granada, Spain

Arran Eccleston shot an excellent

122ex125 to qualify second highest for the final, along with Doveridge's Mike Gilligan. Mike won the Silver and Arran the Bronze, an excellent result for both.

28 May: English Open Helice, Garlands

Congratulations to Joel Kelly on winning a Junior Silver medal at the English Open Helice. Joel shot very well in the main competition to beat some notable GB Caps from all categories, 19ex24 is a respectable score. In Juniors, Joel was just one Helice behind the Archie Tyler (Greater London) but tied with the very experienced and highly regarded Jonti Spilman. Jonti and Joel both shot incredibly well in the shoot-off, not missing anything for four rounds of shoot-off, including pushing back the shooting point. Both Jonti and Joel showed great sportsmanship and respect for each other, it was a good humoured and enjoyable shoot-off that some of those present will not forget in a very long time.

8 May: DTL, Holmes Chapel

Congratulations to Shaun Gardener who shot 100/298 on 8 May to be joint Runner-up (first in AA Class), and 100/297 on 29 May to be High Gun. The 8 May was the Craig Bebbington DTL, in aid of Cancer Research that raised a useful donation! Good to have Shropshire's Craig Bebbington shooting it!

2 Jun: ESP, Catton Hall

Mike Cyffin-Jones shot another great score of 94ex100 to be Overall Runner-up. Stu Burgess shot an excellent 91 for first in A Class, with Julie Burton first in Ladies and second in B Class.

Bedfordshire Sporting Championship

Held at Sporting Targets on Monday 2 May alongside the Martin Scoley Memorial Shoot, shot over 100 Sporting targets on 13 stands to see who would become County Champion 2022. This year we had 39 Beds shooters with 23 Seniors, three Ladies, one Colt, and 12 Veterans.

Jason Brockett took High Gun with a fantastic 96, Steve Leonard and Gary Hamilton were Runner-up with 91. Becky Clifton shot a personal best of 90 for the Ladies High Gun, with Chelsea King Runner-up on 78 and Zoe Bruce third on 77. David Grayson shot a great 91 to take the Veterans title with Bert Mason Runner-up on 85, with Trevor Sharpe and Jim Munday joint third with 82. Our Colt Reece Stafferton shot 72, someone to keep our eye on! Thanks to you all for shooting the championship, it was great to see so many people at the shoot.

Martin Scoley Memorial Shoot

Martin was a well-known and popular shooter from Bedfordshire, shooting for the County, so it's no surprise that the shoot was well attended from many shooters from out of the county, Lee Phillips drew with Jason Brockett on 96 to draw and get their names on Martins Cup, Mark Stevenson was Runner-up on 95, thanks to all those who came along to remember Martin. See you all next year.

On the same day the conclusion of the Clifton Trophy was held, we used a different format this year and used a points system which gave us this year's winner, Stephen Smith. Well done Stephen – a worthy winner!

It's been a busy month again with more championships held and some major events for our County shooters.

Cambridgeshire ABT, Northampton Shooting Ground

It was a bright, dry and warm day at Northampton Shooting Ground, where we held our ABT championship in conjunction with Bedfordshire CPSA and Northamptonshire CPSA. We saw 15 entries from the county shooters with some new faces having a go, which was fantastic to see. The targets were big and fast and some good shooting was witnessed. Our overall champion went to Philip Barnard with a score of 91/100. Seniors went to Christopher Cheng, 79. Ladies went to Sarah Christensen, 83. Veterans went to Timothy Jones, 77. Colts went to Maximus Allen, 77. Thank you to all who came and to Northampton Shooting Ground for hosting a successful event.

Cambridgeshire DTL, The Priory Clay Target Centre

The weather was pleasant, and the targets were flying well for the county DTL championship. There were some decent scores on the board, and Philip Barnard drew level with Steve Kirby on a 93 to force a shoot off! During a tense round Phil dropped two barrels. Steve went on to drop a whole target. Phil barreled another one, and at the end of the round it was level again! They then went on to a single barrel shoot-off and Steve came out on top with a 25-straight whilst Phil dropped two to end on 23.

The Overall Champion was Steve Kirby, Seniors Champion Phillip Barnard, Veterans Champion Steve Eley, Ladies Champion Fran Jacobs, AA Class Steve Kirby, A Class Chris Morris, B Class Gary Thatcher, C Class Bruce Cain.

Well done to all who came and thank you the team at the Priory for putting on a good shoot!

Elsewhere

At the English Open Skeet Ethan Lord came second in Colts, and Marcus and Ethan Lord won the Parent and Child title. Congratulations to you both.

At the English Open Sporting, Phil Gray was Runner-up, congratulations to Phil.

In ZZ Helice, Jane Bell won the Presidents Cup at the Hungarian Grand Prix and the title at The African Helice Championship. Well done Jane. We look forward to seeing you at our forthcoming events. Stay safe, shoot straight!

22 May

It was a cloudy and humid day with no wind at the Lincolnshire ABT County Championship. 54 Lincolnshire shooters made the journey to East Yorkshire. There was a six-way shoot-off for High Gun between Dave Sipling, Jack Wilkinson, Joe Tune, Marvin Houghton, John Winn, and Norman Eaton all shooting 93, with A Class, B Class, and Veterans also decided among them. After 25 targets both Joe Tune and David Sipling shot straight meaning a single barrel shoot-off. Both Marvin and John shot 22 so there was a shoot-off for the Veterans title too. Dave Sipling was Overall High Gun and John Winn edged Marvin out to take Veterans High Gun.

Good morning one and all and what a grand morning it is! Firstly, congratulations to Steve Brightwell on becoming the English Open FITASC Veterans Champion for 2022.

All of our Sporting grounds are doing great business with high entries, well done to all of you. Now to the far west of our County at Normanton, Jason and his team have been busy with the DTL and

their Wednesday 70 target Sporting events.

Top shot at the 'Super 70 Sporting' on 25 May was Adam Curtis scoring 65/70, the Veteran High Gun was John Wells on 63, Sam Wells lost a couple of targets to finish on 61, Craig Boddice and Benjamin Wright both on 59, Richard Dixon, Gary Bown, and Antony Pedley cleared 58, 55, and 50. Paul Massarella 49 and Ash Dar 46. Joy Wheatcroft was the only Lady entry. Now for some DTL on 7 May, Alex Harris just pipped Jason Linnell with 97/287 to 97/279, Sam Malling, top Junior shot 96/275. 100 DTL on 21 May, Mike Brookes shot a brilliant 100/296, Neil Farnsworth 99/290, Jason L 98/287, Richard Waine

96/285, Tony Cox 95/276, and David Hayward 93/274.

On 6 May Kibworth's monthly 100 Sporting do, the Overall High Gun was local shooter Michael Parsons with 92ex100, John Wells was Vets High Gun scoring 89, Andy Burton 87, Wayne Green 85, Matt Richmond 83, Craig Boddice 82, John Simpson 79, Richard Dixon 78ex100. Tim Walked 72, Andrew Garner 71, Antony Pedley, Andrew Green, Timothy Haynes, and Karl Stevens scored 70, 68, 65 and 60 respectively.

7-8 May: Automatic Ball Trap

Held with other county championships and with entrants in the 30s, this certainly added to the competition atmosphere. Jo Smith started the season off with his first win with a score of 92ex100, taking the Senior title with it. Both Laurie Cookson and Mick Russell were just one clay behind him but in the final analysis Laurie won the Veteran title on countback. Kirstin Vogel took the Ladies title.

15 May: Universal Trench

Thank you to John at Rugby & District Trap Club for hosting this competition for us. Out of a field of 25 from all over the midlands the sole Northamptonshire competitor took the Veteran title. Thank you to Tony Clayton for entering the competition.

21-22 May: English Skeet Doubles

This competition attracted a range of shooters. In Simon Vogel's absence there was no defending champion to beat. Also of note, earlier in the Spring, Neil Faulkner changed from Senior to Veteran classification. I'm sure there will be an interesting tussle between him and Mick Russell this year. Marty tried out the CPSA live shoot programme for the first time and everyone away from the ground was able to see the scores as they were entered.

It recorded that Neil Faulkner took the Veteran title with a lovely score of 95ex100. Sonny Bowman also scored 95 to take the Junior title. Senior title went to Dave Grant Innes with his score of 86. The Ladies category saw the most competitors for a few years and Isabel Russell secured the title with her score of 85. ▶

Every category was hotly contested with Joe Tune taking Juniors for the sixth time in a row but was followed all the way by Jack Brazier shooting 92. The Ladies category was a hard-fought battle between Janet Stennet and Jackie Houghton. Janet shot 88 but Jackie shot 90 at her first outing of the year. A Class went to Jack Wilkinson after the shoot-off, B Class went to Joe Tune, C Class was won by David Ball on 90, and D Class was won by Jackie Houghton.

29 May

A cloudy and cool morning, sporting a northerly breeze for 68 competitors at the East of England Shooting Ground for the County Sportrap Championship, which included 47 shooters from Lincolnshire. John Lee and the EESG team devised some technically challenging targets and presentations to test the skill and ambitions of those in attendance. Comments from entrants were very favourable right across the board. With John Lee having removed himself from the competition after an incredible 96, Paul Wilkinson, now shooting on a more regular basis, stepped in to set the pace early on with 93. This proved difficult to surpass although Richard Thompson, shooting in the last squad of the day, came closest with 90. Richard Thompson took AA Class with 90, Jack Parkinson first in A Class with 87, John Miller 85 and Steve Smith 86 took B Class and C Class respectively. Kallum Burrell continued to excel in the Junior category with 88. Rosie Parkinson won the Ladies on 73 and Norman Smith was the highest scoring Veteran with 81. Thank you to all shooters for supporting the event and to Barry Exton, John Lee, Simon Allum, the referees, and the rest of the team.

Caesar Guerini Trap Challenge

Jack Wilkinson won the Kevin Gill Memorial Trap Challenge following a sudden-death shoot-off with Nathan Hales.

DTL Grand Prix, Fauxdegla

Megan Williams won both Ladies and Juniors with 196/581. Well done Megan!

Hungarian Helice Grand Prix

more big entries. On 2 May a sort of windy 100 target shoot, saw Adam Curtis top the County shooters with 86ex100. Richard Watkins 85, Craig Tolley and David Heath shared 75s, Alan Robinson 73, Simon Thorpe and James Hickman 67 and 64, Andrew Garner 63. Ashley Stockton, Matt Thornley, and Richard Moore slipped up on a couple of stands but finished strong. On 15 May Toby Reed fared best with 87ex100, Bob Tucker dropped an extra target for 86, Ryan Lewis 81, Darren Elliott 80, Andy Burton 75, Craig Tolley 74, Paul Murgatroyd and Frazer Jolley 73, Stephen Dale 71, Timothy Walker 68, Melvyn Hallam and John Squire 65 and 63, and Simon

Thorpe 62.

So now we have arrived at Grange Farm. Great entries again on 8 May 100 Sporting. John Wells took top honours in the Vets with 87ex100, Bob Tucker 86, Andy Burton 83, Steve Brightwell, Mark Berry and Paul Murgatroyd all on 82. Benjamin Wright, Jason Marlow, Craig Tolley, Nigel Lacey, Gary Dickenson, Adam Fearn, and Craig Boddice scored 79, 78, 77, 76, 76,76, and 75. Good stuff, all of you. Here again on 22 May, this time Toby Reed was top of the shots, with a brilliant 95ex100, John Wells was just one away on 94, Adam Curtis 91, Jason Marlow 90, Bob Tucker and Craig Tolley both 88, Darren Elliott

and Connor Harris 87, Sam Wells 85, Gary Ellingworth 84, Alan Pearson 82, Benjamin Wright 81, and Richard Walker 80. A big well done to you all and to Junior Oliver John, mixing it up with the big boys, shooting 69ex100!

5 Jun: Sporting

The Platinum Jubilee bank holiday weekend didn't forecast a joyful weather picture and to be honest it lived up to that gloomy picture. This didn't stop 126 hardy souls from all over the region taking to the range to tackle Roy's imaginative course. The Northamptonshire shooters cohort of 55 certainly put up a good show but given the quality of some of the more difficult stands, it certainly wasn't a 'shoe in'. It was lovely to see the numbers of county Ladies shooting as well, the most in a competition for a while. For the county silverware, Jo Smith shot 94 to add his name to the trophy for the second year. In the Ladies competition Louise Smith and Ruth Markham both shot 89. The winner was decided by countback and in the final analysis Louise just pipped Ruth to add a sixth consecutive win for her.

29 May: East Midlands All Round

This was a fantastic day for the county shooters. The Northampton Shooting Ground was looking wonderful. Whilst All Round is quite popular here it doesn't seem to attract many shooters from elsewhere. That gives Northants shooters a huge advantage that was taken with bells on. Five of the possible nine medal places were taken by local shooters. There were some good scores put in and by the end the Senior and Veteran titles had to be decided by shoot-offs. Karl Taylor just missed out on the High Gun title scoring 93+5 against Cambridgeshire's Mark Stevenson on 93+7, so took the Runner-up medal. Dave Morgan was third Overall with a score of 92. Kirstin Vogel won the Ladies title with 82ex100, and Penny Spademan came third Overall. Laurie Cookson also just missed out on the top spot in the Veteran category. He shot 87+4 against Tim Jones' 87+5 in the shoot-off.

Skeet County Championship

A blustery day welcomed 46 Skeet shooters on 29 May, as once again they set out to be the 2022 winners. With a host of scores no-one from Nottinghamshire could quite muster the magical 100/100 so with Allen Warren putting in a 99/100 taking High Gun, a shoot-off was needed for second Overall with three shots joint on 98.

With just two remaining on-site, Rob Denoon and Kevin Warner took to the range but as the clouds cleared Kevin had taken the win for second putting Rob in third. It was great to see our Juniors taking to the layouts with some fantastic scores – congratulations to Conner Davis on winning the Juniors and to Joe Turner taking the Colts trophy.

A big congratulations must go to Olivia Stevens on not only taking third in the Juniors behind Christopher Wain, but also for coming second in the Ladies having been pipped to first place by Alix Gregory. The Veterans had all to fight for with Allen Warren taking first, it left the field wide open for second and third but putting in an excellent score of 98, Steve Csehi took second place closely followed by Ken Remington in third. Well done to everyone and thank you for supporting your County events and as always thank you to Nottingham & District for hosting.

East Midlands DTL Championship

Nottingham put on a performance at the East Midlands Down the Line Championships, winning medals in all categories. Nottinghamshire shooters did us proud on Sunday taking medals home across the board – Rob Denoon pulled out all the stops and put in a perfect 100/300 to take the Overall High Gun. Edward Armett put in a great score to secure first in the Juniors, closely followed by Joe Turner in second place, as the county starts to see the strength of our young guns starting to flourish. Our Ladies put in a good performance with Hayley Denoon taking second and Carole Reading clinching third. Not to be left out, our very own Ken Rimington managed to hold onto to third Overall in the Veterans. Congratulations to all of our Nottinghamshire shooters.

Skeet Winners.

Clay Shooting Classic

The 2022 Clay Shooting Classic was hosted for the second year running by Orston Shooting Ground. The 150 English Sporting competitions ran alongside a 100 Sportrap. Hundreds of shooters took part between 26-28 May and this year we saw the introduction of a final's day on the Sunday with numerous Nottinghamshire shooters qualifying for the final. Congratulations to all for making the final and to the following people who placed either in class or category: Lee Clements, Pat Dickman, Catherine Smalley, and Joe Turner. Sportrap placings: Martin Doughty, Matthew Armett, Megan Gamble, and Joe Turner.

Well done to all winners and to Orston for a superb event.

Recent Success

Congratulations to Tom Clifford on his recent success at the Priory CTC, Tom is the Skeet Doubles Regional Champion. Super shooting from Curtis Woolley who shot a perfect 100/300 at Holmes Chapel DTL charity shoot.

Team Selections

Both All Round and ABT teams have been selected and the names are shown on our webpages. For those selected please let the team manager know if you will not be able to shoot. The Inter-County dates are still awaited for both disciplines but the venue for Automatic Ball Trap will be Bradford Shooting Ground.

Selection criteria

Please remember that you need to be a Cornish CPSA member at the time of the selection shoot for your score to be included in the selection for that discipline. The full selection criteria can be found on our website sites.cpsa.co.uk/cornwall.

Sporting Selection progress

During May we had two selection shoots for this discipline. The first was held at ECLP on 7 May and we thank the committee for all its hard work in putting on this event, bearing in mind they usually have 60 target events. The High Guns were Martin Elworthy and Kelvin Walsh with 96, Vets was Morley (Colin) Penter 86, Ladies was Emily Morden-Hawke 76, and Juniors Jayden McGall 66.

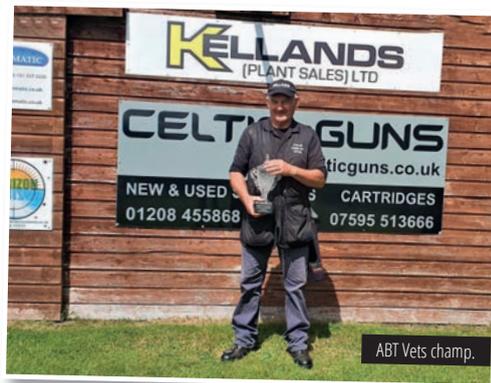

The second was at Lower Lake and we thank Bill and Sharon for hosting us. High Gun was Martin Elworthy 98, Vet Dave Tugwell with 91, Ladies Emily Morden-Hawke with 85, and Juniors Jayden McGall with 67. The final selection event will be at Landare on 16 July which is the County Championship.

ABT County Championship

This event which was also the second selection shoot, held on 7 May at North Cornwall and we thank the team at this venue for supporting us by hosting this and may other shoots. The Cornwall Champion was Martin Elworthy with 93 and the Vets Champion was Colin Chidley, who is pictured accepting his trophy. Martin was not present at the championship as he was travelling to ECLP for the sporting selection. It was a shame that there were no Juniors or Ladies taking part to be able to award trophies for these categories.

Skeet Selection progress

The second selection was held at Landare on 14 May and we thank David and his team for hosting this at their regular monthly shoot. High Guns were Dave Tugwell, who was also highest Vet, and Kelvin Walsh on 98. Juniors was won by Aiden Scott with 90, and Ladies Emily

Morden-Hawke with 87. The final selection shoot will be at Lower Lake on 30 July which is the County Championship.

High Gun was Martin Elworthy with 96, Vets Pete Mylam with 86, Ladies Emily Morden-Hawke with 77, and Juniors Aiden Scott with 58. Hampshire UT Championship, NCSC

A small gathering of Hampshire members made the trip. Chris Dean would be the man to beat on this event but those Hampshire entries around him failed. Chris, who has won many competitions over the years, showed age is not a factor when it comes to winning.

Hampshire Skeet Championship, FCTC

The two undercover Skeet layouts welcomed many Hampshire entries to Fareham CTC, in fact six full squads which is a record amount these days. All started well with some high scores being posted onto the score board. Veteran Skeet shooter Eric Sumner showed he was still a great contender and picked up the Champion title and cup. The Ladies Champion title went to Jane King. Since the Skeet Championship Jane has had heart surgery, everyone in the Hampshire shooting family wish her a speedy recovery.

Hampshire All-round at FCTC

Fareham CTC hosted the Hants Championship All Round on 29 May, ten squads booked in for the four-discipline competition. The day was bright and sunny so no excuses if your score was low as you couldn't blame the weather. A round of ABT and 25 Sporting targets to be shot in the morning and then 25 Single Barrel and Skeet in the afternoon. The Sporting proved a bit tough for many, three stands of testing targets. Sean Gamblin and Ron King moved ahead in the morning and continued in the afternoon. Sean had pipped Ron by one target. Ron picked up the Vets title and Barney Eastman the Colts title with an 78.

Hampshire Springing Teal Championship

Fareham CTC hosted this Championship on 29 May. With a ten-pair Teal stand this was testing, but it was a Hants Championship after all! Many tried and failed returning low scores from the 20 targets to be had. Kevin Luff returned a credible 14 which looked good for the title. Not so as Veteran Tim Chandler entered and equalled the 14 forcing a shoot-off. Kevin elected to go first; oops the wheels fell off. Kevin just couldn't find them the second time, so in stepped Tim and surpassed Kevin's score early into the set of ten pairs. Tim Chandler takes the 2022 Hampshire Teal Champion Title and Cup.

Hampshire ABT Championship

On 4 June Mark Bryant and Alex Smith tied with 85 each at the ABT Hampshire

Championship, held at Fareham CTC, which resulted in a shoot-off where Mark only dropped one to Alex's six missed. Mark Bryant was crowned Hampshire Champion. Roger Deacon just missed the shoot-off with an 84 and Ron King won the Vets with 81. No Juniors, Colts, or Ladies this year. Many thanks to Alex Smith Guns of Winchester who very generously sponsored the High Gun of the day with 250 Hull cartridges. 100 cartridges also went to each class winner who were A Class Roger Deacon, equal in B Class, Glenn Smale and Keith Blighton, C Class Dean Rickford, and D Class Chris Smith. A very difficult day in strong wind and varying light conditions, but excellent targets and an extremely enjoyable day.

Dave Toomer memorial event

The date is now firmly set for the two day 200 DTL memorial event, Friday 9 and Saturday 10 September at Fareham CTC.

Phone entries only please to Debbie Rowe on 07539 945490, Debbie prefers text booking enquiries but will accept calls after 6.00pm. This event is generously supported by Browning, ELEY, Perazzi, and Mercedes Benz Southampton to name a few with many lovely prizes to be won.

EMMA STACEY

✉ somersetcpsasecretary@hotmail.co.uk

It's been another busy month Somerset shooters! This month we had the county ABT, Sporting, UT, and OT Championships and we also had Somerset shooters representing us internationally. Firstly, a note of apology. I know the county champions who won at Brook Bank this year are still waiting for their county champion badges – these got lost in the post when they were sent out to Brook Bank and we are currently trying to sort out replacements with head office. Your patience is appreciated, and when we get replacements, we will get these to you as quickly as possible. As ever, the annual county trophies will be presented at the AGM next year.

County Championships

A busy month for county championships as the season really gets underway, including out most popular county championship – the Sporting. This was won again, for a magnificent 27th time, by Shaun Stacey with 94/100. I'm not sure if a county championship has ever been won so many times before, but this is a phenomenal achievement. Congratulations Shaun. It would be remiss not to mention that John Pool also shot a fantastic 94/100 and was crowned Veterans Champion, having already left before a shoot-off could take place.

Shaun and John, along with Gloucester's Joe Hemmings were High Gun of the shoot. Theo Coleman won the Junior title, fresh off his team Bronze medal at the European FITASC Championships, and new Somerset recruit Rachel Samber won the Ladies title. So, it was only me who returned to the Stacey household empty handed this year... thanks Dad for bringing a great Lady shooter into our county! Only joking, congratulations to all our county champions and as ever a huge thank you to Somerset Shooting Ground.

On to the Trap Championships. Continuing their legacy as part of Somerset's Shooting dynasty, the Ling family cleaned up at the ABT, with Ed crowned County Champion scoring 96/100, Abbey winning Ladies with 89/100, and Steve winning Veterans also with 89/100. Abbey also won Ladies at the OT County Championship, but it was Matt Mills who took Overall County Champion honours as well as the Veterans title with a very well shot 91/100. Matt also tied at the top for the county UT championship, but proving he's more than just a Sporting shooter, it was Ian Stephenson who took home the County Champion honour for UT after a shoot-off.

Congratulations to all the Somerset Champions so far, and good luck to all who will compete for the titles in the final county championships of the year: FITASC, Double Rise, and Sportrap.

Another month into what's been a great year for Berkshire shooters, three championships took place in May. The well-attended Sportrap took place at Owls Lodge Shooting School, it was great to see so many Berkshire Guns in attendance. Fantastic scores were seen by Richard Wyatt and Argun Ismet, both shooting 93, however it wasn't enough to keep the 2021 champion Chris Childerhouse from retaining the silverware for another year. Veteran title was taken by Chris Dennis and Ceyla Ismet, on her regular form, retained the Ladies title for another year. Just a few days later we were at the National Clay Shooting Centre for the Universal Trench, some fantastic high

80's scores were posted by Harry Poolman, Ken Harman, and Argun Ismet but it was the Trap maestro, Keith Kilvington that shone through with a solid performance and a 93 to seal the deal. Harry took the Junior title and Ceyla Ismet took another Ladies scalp. Single Barrel closed out the month at Bisley Gun Club, Karl Williams' fantastic form was not quite enough to keep Ken Harman at bay who finished top along with the Veteran title and Ceyla Ismet added to her house insurance premium with even more Ladies silverware.

Further afield see some fantastic achievements, Phoebe Bodley-Scott showed true spirit with a rock solid performance in Suhl to see her and her GB teammates take Gold! Nicola Heron was also tearing it up in Europe during May with a outstanding performance at the FAN32 in Ovar, Portugal and clinched not only the Ladies European Title for 2022 but also 2 further golds and 2 silvers in team event with husband Michael

Vere-Hodge also taking a gold in a team event. For more info on both stories, see the International section.

Hey guys and girls, I hope the longer days mean you are able to enjoy the evening shoots many grounds are organising. We can start July's report with a first for Oxfordshire, it happened at Westfield SG back in May...

Westfield SG

Steve Lovatt very kindly hosted this year's Oxfordshire ESP County Championship early in May. A very respectable 157 shooters turned out to shoot Steve's 100 ESP Registered shoot, which included the Championship too. A lot of Oxfordshire shooters came to enjoy the targets, thank you for your support. I am pleased to announce this year's Champion, for the first time ever is a Lady shooter. Familiar to us all, Cheryl Hall not only took the championship title but took Overall High Gun too, with her outstanding score of 98ex100. Well done Cheryl, brilliant shooting! The County Championship results were as follows:

AAA Class Julian Freeman 96ex100, AA Class Charlie Stewart Wood 94ex100, A Class John Broomfield 88ex100, B Class Dean Shepard 81ex100, C Class Ricky Davis 75ex100, Ladies Champion Charlotte Allen, and Veterans Gary Gary Davies 84ex100. The scores also placed many of our Oxfordshire shooters with Class placements in the registered shoot too, Julian Freeman second in AAA Class, Mike Bartlett third in AAA Class, Charlie Stewart Wood second in AA Class, third in B Class was Dean Shepard, and third in C Class was Ricky Davis. Well done everyone. Thank you to Steve and the staff at Westfield for organising a great shoot.

Staying with Westfield, Steve put on a challenging shoot on 22 May which saw 185 shooters compete. Oxfordshire's Roland Whitford took second in B Class with a score of 86 followed closely by Percy Bradley, third in B Class with 83ex100. Well done both.

2 May: English Sporting Championship, Southdown GC

The Greater London English Sporting Championship was held at Southdown Gun Club on 2 May 2022 in fabulous bank holiday weather, and with bright overcast skies and no wind what could be better? 100 targets were shot over 13 stands with squads guided by Southdown referees from 102 entries, only six scores were in the 90's.

Honesberie

Oxfordshire's Matt Hance competed in their early May competition and shot along with 138 shooters. Matt shot 96ex100 which won him High Gun. Well done Matt. Staying with Honesberie, their mid-May shoot drew in a larger crowd of 158 shooters, Percy Bradley did it again and shot an impressive 88ex100 placing him first in B Class. Percy, I don't think you will be in B Class for much longer!

NCSC

Oxfordshire Shooters battled with rubbish weather mid-May to take part in the County's UT shoot, kindly hosted by NCSC at Bisley. The competition drew in an impressive 52 shooters from various counties, and I am pleased to announce Dick Fletton shot a great 92ex100 which

won him the County title and placed him second Overall. His score was chased by Joe Robbins who finished with 90ex100 placing him third Overall but second in the County, Pete Farrell a close third. One last thing to mention, well done to Matt Hance for Captaining the GB FITASC team in the European Championships this year. Please get in touch with your achievements and successes. That leaves me to say, happy safe shooting everyone!

8 May: Compak Sporting UK Champs

It was a glorious day as Barbury Shooting School put on four great layouts. Alfie Tibbles finished on 88ex100 which earned him the Bronze medal in Juniors. Alfie also gained his first GB cap and will be part of the Junior team competing at the European Compak Championships taking place in Spain in June.

15 May: Super Sporting Championship

Redricks hosted our Championship and despite many never shooting the discipline before there was a good turnout of 19 shooters from the County. Our first Super Sporting Champion was young Darcy McBride with a magnificent 90ex100. Darcy took the Junior title too. Our Veteran Champion was Robert Gray and our Lady Champion, Amanda Tape-Murray. George Dudley won the Colts title.

9-20 May: Olympic Trap and Olympic Skeet Junior World Cup

Taking place in Suhl, Germany, several of our Juniors took part. The Bronze medal match in the Olympic Trap Mixed Team event saw Hertfordshire's Lucas Hyde and his partner Hollie Lumsden take on Tom Betts and Maddie Purser. After a fantastic competition it was Lucas and Hollie who clinched Bronze with a score of seven to three. In Olympic Skeet Bethany Norton was part of the successful Ladies team who beat India for a place in the Gold medal match against an experienced Slovakian team. In the final the girls showed real determination and after four stands of pairs, the match was decided with the girls winning the Gold medal. A huge well done to all!

18-22 May: EOESP-

Hertfordshire saw 29 shooters take on the challenge at High Lodge for the first major CPSA competition of the season.

In Juniors, Darcy McBride was tied for the top spot with Jacob O'Loughlin, both achieving an amazing score of 107ex120. ▶

Congratulation to Mark O'Dowd who was Greater London Champion on 85 with Adrian Balham Runner-up on 83. A good entry from the Ladies this year

with Ladies Champion was Toni Dixon with scoring 73 – this is Toni's first Greater London Ladies Championship.

Darcy and Jacob returned to High Lodge on Sunday for the shoot-off. The weather was glorious, and a large crowd stayed to watch. Jacob shot first scoring the perfect 10/10. The pressure was then on Darcy who still managed a great score of 8/10 to take the silver medal.

In the Parent and Child Category Nathan and George Dudley took the silver medal with 195ex240.

21 May: OSK English Grand Prix

Following on from her success at the Junior World Cup, Bethany Norton had a very successful couple of days at Doveridge. She placed first in D Class with 174ex200, second in Ladies, and first in Junior Ladies.

27-28 May: Lyalvale Express Masters

Atkin Grant & Lang again hosted this popular event. Charlie Monahan put in a fantastic top-five score of 111ex120 to give him second place in AA Class. This also placed Charlie in the top-ten shots over the two days. Chris Brown also put in a great score of 101ex120 to place him joint third in B Class.

26-29 May: Clay Shooting Classic

Junior Darcy Bride was on top form once again at Orston Shooting Ground gaining

podium finishes in both the Sportrap and the Sporting. Scoring 94ex100 in the STR Darcy took Gold. Having made the Sporting finals day on Sunday, Darcy scored 64ex75 to win the Bronze medal.

AGM

It was decided that Colts and Juniors representing Hertfordshire at Inter-County level would have their entry fee reimbursed. We would also like to encourage new youngsters to the sport, and it was agreed that the County will pay the entry fee for any Colt or Junior shooting their first Registered competition.

15 May: Surrey Universal Trench, NCSC

Rik Travers continued his good form, winning the Surrey Universal Trench title with 87. Second was Dan Chambers with 80 and Andy Smith was third with 70. Janine Travers was in fourth place and took the Ladies title with 69.

28 May: Surrey Single Barrel DTL, Bisley Gun Club

Rik Travers triumphed again, scoring an impressive 91/100 and missing out on High Gun for the day by just two clays. The next three places were very close with Jeff Blackburn scoring 83 to take second place, Karen Allen third with 82, and Michael Harvey scored 81. Karen of course won the Ladies title.

29 May: Surrey English Sporting, Southdown

The targets appeared harder to read with last year's top three all scoring around ten

less targets this time. As with the Sportrap last month, the event was well supported, and you had to work hard to earn Supreme points.

Although the scores were lower than last year, it was still very close at the top with only one target separating the top-three, all of whom have been previous winners of the event. Alex Cobb had to settle for third place with 86 on this occasion, while Chip Smith and Billy Greenwood went one better to tie on 87 to give us a thrilling shoot-off. Chip won the toss and shot first, scoring 7/10. Billy then also scored 7/10 to take them into a sudden-death stage to decide the winner. Billy shot the first pair, Chip hit the first but missed the second target, leaving Billy with the Trophy and the title. Chip at least had the consolation of

Jo Watson-Hopkinson.

Billy Greenwood and Sarah White.

Rik Travers and Karen Allen.

being top Veteran, while Sarah White scored 72 to give her another Ladies title.

For the first time this season, we had a Junior and a Colt entry, Cameron Cobb winning Juniors with a very creditable 70, and Billy Passant winning Colts with 51. Don't forget that the Surrey Committee are reimbursing Junior and Colt entry fees for our County Championships.

Congratulations to all who took on the renowned Southdown targets at yet another well-run competition.

Supreme Championship 2022

With only the English Sporting counting towards the Supreme Championship this month, there has been little change at the top of the leader board. Rik Travers retains a good lead with 65 points, Fergus Watson-Hopkinson remains in second on 51, and Janine Travers stays in third and top of the Ladies table with 50.

Peter Saich and Frank Arico just failed to pick up points in the well-supported English Sporting, so Frank retains a healthy lead with 48 in the Veteran's category to Peter's 39.

Please see the website surreycpsa.com for the full points table and details of forthcoming events and don't forget to follow Surrey CPSA on Facebook too.

Shoot reports

Thank you to Janine Travers and Sarah White for submitting shoot reports and photos for this month, please send your stories or photos to Peter Saich for a chance to get them published in *Pull!* magazine and on our website or Facebook page.

Congratulations to Jo Watson-Hopkinson who was still in Hungary at the time of writing. Jo won Silver in the European Helice Competition with 26/30 and helped the Ladies team win Bronze.

The competition season is now underway with both national and county competitions taking place almost every weekend.

18-22 May: English Open, High Lodge

The weather conditions were 100% better than last year with umbrellas being used to keep the sun off shooters instead of driving rain! George Digweed went into the Super Final on the Sunday with the highest score of the competition on 116/120 and finished third Overall. Hannah Gibson was third in Ladies after a shoot-off with Emma Stacey. Congratulations to you both.

European FITASC

Held at Ball Trap de Signes, France, this event saw a good contingent of shooters from Great Britain taking part including several from Sussex. George Digweed again managed a podium position, winning Gold in the Seniors category and third Overall, shooting 188/200.

29 May: Sussex Side by Side

Unfortunately only five people decided to compete for this trophy held at Southdown Gun Club in glorious sunny weather. Pete

Goldsmith retained the title he had also won last year with a very credible 83/100 over a tough course.

Fenner Family progress

Regular readers of this column will know I often ask for reports from you the shooters to help with the content. Simon Fenner kindly responded with this report on the Fenner family progress this year. He writes:

“Just had a great weekend shooting with my brother and nephew. Never thought I’d get the opportunity to shoot again for Team GB but pleased to have made selection for the European Compak in Spain next month as part of the Senior team. A good weekend all round as big brother Nick, who rarely shoots clays, shot 90 and the equal highest score at the Warwickshire Police shoot and other brother Tim won his Class at Owls Lodge Shooting School in the Bruce Faulds memorial shoot. My nephew, Will Fenner, has made the big transition from Juniors to also qualify for Team GB in the main team for the European Compak in Spain.”

8 May: UK Compak

Barbury Shooting School hosted this event which Simon Fenner mentions in the article above. To clarify what the results were, Will Fenner was joint fourth Overall with 98/100, Simon was second in Seniors with

96/100, Hannah Gibson was third in Ladies with 90/100, and Jeff Dix was third in the Veterans with 91/100.

The first update since the last issue of Pull! is the English Open English Skeet held at Dartford. James Center deserves the

biggest shout out for this event he not only put in a smashing score of 95/100, taking Disabled Standing High Gun, he was also awarded the 'Shooters Trophy'. Graham Cork came in second, followed by Sam Nunn in third. Disabled Sitting High Gun was Ben Woodham followed by Adrian Last in second, and Craig Manning in third. We would like to say another big thank you to all at Dartford for doing a great job of this event.

Secondly two of our ParaTrap shooters ventured over the pond to Michigan in the USA, to compete on the first WSPS USA Grand Prix event. The event was held at Hillsdale College Shooting Ground, which has five brand new Olympic Trap layouts. After a really tough qualification round, Keith White won a Gold Medal in PT1 class and Reuben Welch won a Silver Medal in PT3 class. Well done guys fantastic shooting.

The final bit of news is the results of the English Open English Sporting at High Lodge. The event was epic with 1071 shooters taking part with the sun shining on most, apart from the Friday midday squads with included myself ending up very wet, the targets as I expected were very

challenging and the Disabled category was well represented. Mark Delf put down an exceptional score of 102/120 taking the High Gun for Disabled Standing, followed by Sam Nunn in second, and Lee Clements in third. Disabled Sitting High Gun went to Adrian Last, and after a tense shoot-off and even tenser sudden-death, second place went to a very well deserving Craig Manning. Third place went to Ben Woodham.

Insurance

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

SUPER SETTERS

We spoke to **John Bidwell** and **Andy Coppin** about course setting, following the English Open English Sporting event, held at High Lodge.

Q How did you both get into shooting and course setting?

John: I first got into shooting back in the 60's as a course organiser at a small club, Somerleyton Gun Club.

Since then, as well as running a shooting ground with my family for the past 40 years, I have run many British, England, and even European Championships at our previous location and for the past 30 years.

Andy: At the current site, I have been setting targets for the past ten years after getting into Clay Shooting in 1995.

Q When and how did you start working together?

John: Andrew is my son in law, so we first met when he was introduced to me by my daughter in 1992. We started working together when Andy got into shooting and would travel with me overseas competing.

Andy: I decided to finish

my Offshore industry seven years ago and join the business, managing the operational side of the Clay Shooting Ground, putting my own shooting experience towards the course setting which I do now for most events at High Lodge.

Q Can you briefly walk us through the course setting process?

John: The secret is not to make it too hard, starting the course with easy targets and trying to make sure you do something different with speed and angle.

Andy: Many people make shoots too hard using distance, but speed and angles, with a little bit of deception, will always give you a good enjoyable shoot.

Q What are your favourite/least favourite parts of this process?

Both: Our least favourite part is the anticipation of what the weather will do and getting the event started – that can sometimes create challenges that you do

not expect, but we are always ready for those. Our favourite is getting feedback from the shooters, this recent event we received so many lovely comments from so many people of all levels, it really does make it worthwhile.

Q How did this course compare to previous years?

John: We felt we had the

right balance, some close targets, some further away. We always try to repeat the same balance but utilise slightly different areas of the ground, or areas that we rarely use to make the event that little bit special.

Andy: We presented a fresh feel and different rotation for this event. Lots of the competitors commented it was like being at a new venue with a very picturesque setting. As always we provided a great variety of technical targets all there to be hit.

Q Were there any particular highlights of the event for you both?

Both: Seeing High Lodge bustling with competitors and doing what we love is always wonderful, but receiving so many personal emails, messages, and phone calls of positive comments including the sponsors was definitely the highlight. It takes a lot of hard work, many hours and effort from a large team to prepare a ground for an event like the English Open, so when people take the time to contact us it really does mean a lot.

Q Have you got any other big events coming up this year to look out for?

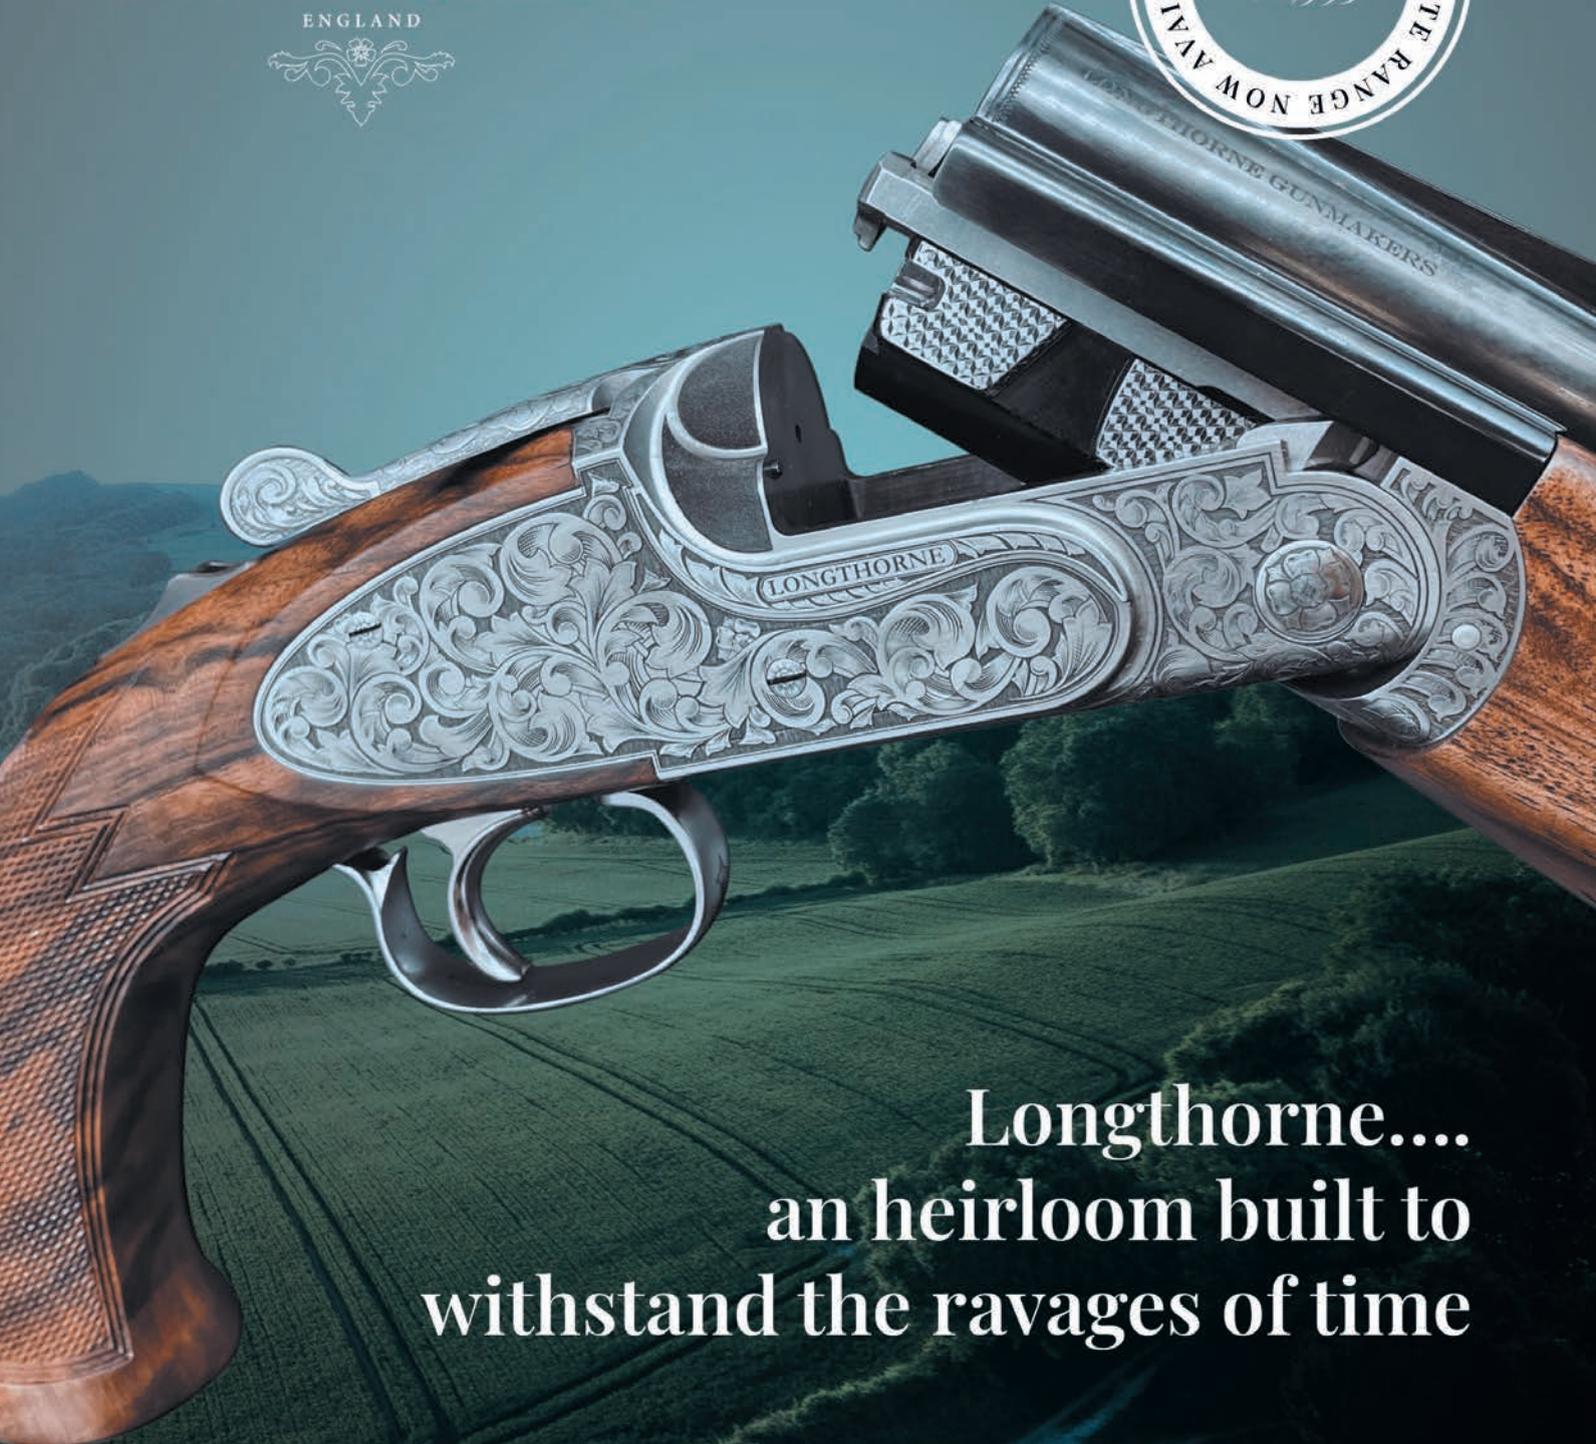

Both: High Lodge will be hosting the England Team FITASC Sporting Championships in August as well our very special Sally Bidwell Memorial event and other regional Championships supporting Suffolk and Essex, we have busy Fixtures for the remainder of 2022.

Q Is there anything else you would like to add?

Both: We would like to thank the CPSA for allowing us to host this event, it is always a real privilege allowing us to welcome shooters from all over the UK and internationally this year, and we hope to be back running other major championships in 2023. 🍀

Above: L-R: Andy Coppin, Jane Coppin, John Bidwell, and Iain Parker.
