WELCOME

AUGUST
2022

Yet another busy month in the shooting calendar and I briefly mentioned in the July edition that we had just returned from the DTL Weekend up at Bywell and as we've come to expect, this was a great weekend!

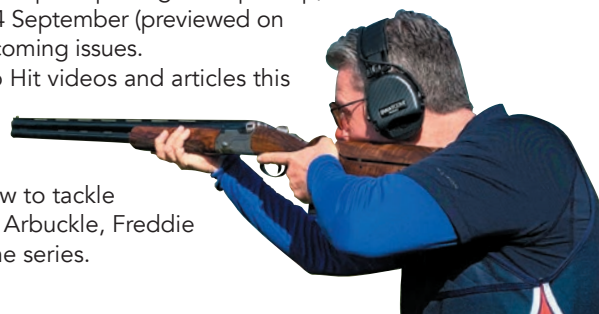

Our congratulations to Paul Chaplow for winning the Sponsored Day, Elis Jones for the Dougall Memorial and Rob Hall for the English Open. You can read all about it on pages 14-17. Thanks to our sponsors SWATCOM and Eley, and a special mention to Beretta/GMK for sponsoring the Beretta Challenge.

In July, we held the English Open ABT, also at Bywell, and the English Open Skeet Doubles at Nottingham & District Gun Club. Our congratulations to Overall ABT High Gun Ian Woodhead and SKD High Gun Peter Chester. Check out our reports on pages 19-20.

August sees us return to Eriswell Lodge for the British Open Skeet on the 12-14 and then our final sporting championship, the British Open Sporting and Sportrap, at Barbury Shooting School on 30 August – 4 September (previewed on page 25). We will report on those in forthcoming issues.

We hope you have enjoyed our How to Hit videos and articles this year, which have focused on English Skeet and Olympic Skeet. Our final video and article (pages 32-33) sees GB top shot Freddie Killander showing us how to tackle stations 5-8 in OSK. Our thanks to Simon Arbuckle, Freddie and of course Browning for sponsoring the series.

FIRST PATRON OF THE DSG GEORGE DIGWEED MBE

The Disabled Shooters Group are delighted to announce the confirmation of our first Patron, Mr George Digweed MBE.

The multiple World Title winner said he is "Very honoured and delighted to be a Patron of the DSG"

George became the first Sportsman to win a World title in five different decades (the 1980s, 1990s, 2000s 2010s, and 2020s) when he won the 2022 Sporting World Championship in Texas.

Ben Woodham, the DSG Chairman said, "We are very fortunate and honoured to welcome George to be a Patron of the Disabled Shooters Group, we are all very much looking forward to working with him."

The Disabled Shooters Group is the national body for disabled clay target shooting, and is a non-profit organization formed over 25 years ago.

Its aim is to provide clay target shooting opportunities for those with physical disabilities, at all levels of skill and ability, including the pathway to officially represent Great Britain and are solely run by dedicated volunteers.

In 2012 the DSG was officially recognised by the Clay Pigeon Shooting Association (CPSA) and is now working with the association to develop opportunities for the disabled clay target shooter, which has already resulted in disabled categories being introduced in national championships run by the CPSA.

The Group also works closely with BASC and going forward, are looking to promote the group in the coming years, with their main objectives being to encourage more disabled people into having a go and taking up the sport, to competing at national competitions and ultimately get them shooting internationally.

JACK PYKE ENGLISH OPEN 2022

The Jack Pyke English Open Sporting has grown in popularity and this year was the best so far with competitors shooting the 120 target course, set across most of Sporting Targets from the Plantation to the main ground.

The course gave something for everyone and all abilities with some laughs along the way, thank you to everyone that took the time out to enter this year's Jack Pyke.

Marc Borner and Vince Elder set the course with the grounds team, lots of hard work setting everything ready for the big event but unfortunately Marc was taken ill on Tuesday so he didn't get to see the product.

A special thanks to all the generous sponsors – CCI, Barons & Chandlers, Edwards Eyewear, Truckeast, Swatcom, and headline sponsor Jack Pyke. Keith from SWATCOM was on hand to give witty banter, Barons were demonstrating their vehicles, Janet's Wood Fired Pizza were cooking fresh pizza to order every day and Ice Cream Joe was on hand Thursday and Friday to cool everyone down.

Day 3 Friday was very hot (hottest day of the year so far) with a small breeze early on that got stronger throughout the day and then dropped off by the end of play.

A special thanks go to all the team at Sporting Targets who worked really hard to make the event such a success and whose constant efforts made the shoot run like clockwork, from the publicity, making the goody bags, sorting the flowers, all the referees, the shop, grounds team, clubhouse and reception team without all these people we would have no event, we received many great comments and it was so nice that many shooters took the time to thank the team. Thank you all and see you all next year.

WEST LONDON SHOOTING SCHOOL

LADIES COURSE COMPETITION 2022

The competing ladies were a mixture of novice and more experienced shots, all having enjoyed three one-hour lessons at West London Shooting School beforehand. Adèle Standard took first place with an impressive 42 points, with Runners-up Nickie Mabey in second and Lilli Springer and Courtney Waugh in joint third.

Adèle won two places on a West London Shooting School Simulated Day, a Stalking Experience with Glorious Game, West London Shooting School ladies T-Shirt and a bottle of Louis Roederer.

IAP'S CLAY SHOOTING CHAMPIONSHIP

The IAPS Championships took place at West London Shooting School on Friday 29 April with 17 schools involved. The event allows the Independent Association of Prep Schools to come together every year to compete in clay pigeon shooting. There are three age categories that students can enter – Under 11, Under 12 and Under 13, with students competing in team and individual competitions. The overall top score for each age categories is awarded as well as the best female shot.

The IAPS Sport programme offers 170+ events across 22 sports, which are hugely popular with both schools and pupils.

The shooting school were incredibly welcoming and the staff who looked after the competitors were attentive and supportive. We look forward to going back to the West London Shooting School in 2023.

NORTHERN SPORTING WEEKEND

Th Northern Sporting Weekend is an event that has run for several years and, with the continued Sponsorship of both Browning and Hull Cartridge Company since its inception, you can see why shooters travel far and wide to attend. This year featured a slightly revised format. The main event as always was the 100 English Sporting course running over two days but running alongside were two separate 100 Sportrap competitions, one each day with different targets. This was a nice touch meaning returning competitors on the Sunday had another event they could test their skills at. Whilst not taking part in the competitions the Pro-Sporting qualifier was keeping them occupied. A unique pool that Bywell have run for several years, seeing qualifying events shot in a build up to a super final later in the year.

The Saturday was glorious sunshine with a light breeze and as the day progressed a benchmark appeared of the top score. A fantastic 92 was shot by both Lewis Greenhow and Lee Jackson, so at the halfway stage people knew where they needed to be on the second day.

Sunday was a cooler day overcast but with slightly less breeze. Talking to shooters about the course they felt everything was there to be hit with nothing extreme, or as they put it being an "eyesight test".

As the day progressed the scores seemed a little higher with people adapting to the different conditions well. The strong standing 92 was beaten impressively by three competitors tying on a 97 being Stewart

Cumming, Tom Young and Billy Baughan.

After several shoot-offs to decide the final places for the super final and after numerous pairs it was between Billy Baughan and Stewart Cumming. Stewart managed to take the Browning Ultra XS Pro!

REFS ON RULES

Do you have a question on a specific rule that we can help with? If so then please email pull@fellowsmedia.com and our panel of professional referees will answer.

Q In Sportrap, if there are only four shooters in total in their first stands or the round, are they allowed to see the simultaneous pair for stand 5 before moving to their second stands?

For example: I shot a Registered Sportrap today, there was only four of us shooting and I happened to be on stand 4 to start with. Once I'd moved to my second stand (stand 5) I had not seen the two targets as

“ So, the Referee was correct, and you are not allowed to see the sim pair from stand 4 before moving into stand 5. ”

a simultaneous pair because obviously there was nobody shooting in stand 5. I asked to see the simultaneous pair from stand 4 (as if there were actually somebody in stand 5 shooting) and the referee point blank refused and assured me that I am not

allowed to see them.

Firstly, can you please clarify the actual rules on this?

Secondly, if it is indeed the rules whereby, I was not allowed to see the targets, then is this fair? Does this not put me at a disadvantage purely because

there were only four shooters, and not five?

ANSWER

To clarify the rules, you are only allowed to see the single targets as per rule 25.15 in the technical rules for Sportrap, on page 51 of Booklet Number 1, General & Technical Rules. So, the Referee was correct, and you are not allowed to see the sim pair from stand 4 before moving into stand 5.

However, this is an interesting scenario and one that we will take to the Board for consideration as an exception to the rules where there is an incomplete squad.

We will let you know outcome in due course.

AUTO FOCUS

The A400 Xcel Sporting has undergone a full product update. Most striking of all is the new grey AquaTechShield finish on the action, which also boasts a new laser engraving. This redesign is more than cosmetic however, with many new features including the latest Kick-Off Plus recoil reduction system, oversize controls and enlarged loading ports to improve functionality. The pistol grip and forend have been reshaped for more dynamic handling and the rib has a new profile for competition use. Popular features remain, such as the Optima HP Extension Chokes and discreet balancing system.

We believe this is the best Competition Semi-Auto available.

DTL WEEKEND

Three top days in Northumberland at The Bywell DTL weekend saw a high number of entries, some testing weather and some superb shooting, as **Richard Faulks** reports.

The CPSA English Open DTL took place on 12 June at Bywell Shooting Ground in Northumberland's beautiful rolling landscape. Bywell is possibly one of England's most scenic shooting grounds and is well known for its fantastic facilities, extensive gunroom and is a bit of a Mecca for trap shooters from around the country. The event was sold out with 360 entrants, which is up on recent years and was generously sponsored by Eley Hawk, SWATCOM and Beretta. Most entrants had made the journey to Bywell for the three days of shooting, which started with the Sponsored Day on Friday 10 followed by the Dougall Memorial Trophy on Saturday 11, which as many of you will know is thought to be one of the oldest clay shooting trophies and was first presented in 1896.

With the lifting of COVID restrictions, it was also great to see so many entrants from Ireland, Wales and Scotland making the journey to compete. Bywell added four extra layouts to accommodate the numbers of entrants and these new trial layouts will be made permanent for the Worlds, which Bywell plan to host in 2024.

BUFFETED BY THE WIND

The weather for the three days presented some challenges for the shooters, with very erratic, strong winds from the south-west, and the odd light rain shower. All the Trap layouts face North, so the unpredictable wind had the effect of flattening out some of the targets as they were buffeted on their way down-range. Paul Chaplow BEM

Left: Rob Hall, English Open DTL High Gun.

Right inset: Sponsored Day High Gun Paul Chaplow with Simon Morgan from Beretta.

Both Chris Moule and Geoff Howlett posted scores of 100/298 and the subsequent shoot-off saw Geoff pip Chris to take second place with 25/75 to Chris' 25/73.

told me after the event on Sunday: "We've had four seasons in one day". And he thought the Friday had possibly been the most challenging, although that didn't stop him posting a perfect 100/300 to take first place on Friday's Sponsored Day. Both Chris Moule and Geoff Howlett posted scores of 100/298 and the subsequent shoot-off saw Geoff pip Chris to take second place with 25/75 to Chris' 25/73. The Ladies title was won by Saira Boardman (B class) who finished a tough day's shooting on 98/288 ahead of Emma Holden on 97/287 and Ladies Veteran B Class shooter Jayne Fisher on 97/285.

SECOND TIME WINNER

The Dougall Memorial Trophy again saw some very fine shooting considering the tough conditions. This is a trophy that every Trap shooter wants to have their name on, so Elis Jones' achievement of taking the title for a second time must

have been a very sweet experience. Elis was in one of the first squads out on the Saturday and described the conditions as "tough", so his 100/299 was a fine effort. Paul Chaplow BEM again posted a creditable 100/297 to take second place and Tom Robinson took third with a 100/295. The Ladies title went to Emma Holden on 97/285, followed by Carrie Smith and Caroline Stanbrook on 95/281 and 95/279 respectively.

Top left: English Open DTL Five Man Team winners: Team Gamebore. **Top Right:** English Open DTL overall third, Emma Holden.

TIGHT COMPETITION IN THE OPEN

The Sunday's English Open – this will probably come as no surprise – was shot in equally tough conditions as the previous two events and was closely contested, but would a perfect 100/300 be possible in the Northumbrian weather? Veteran and AA Class shooter Tony Common was one of the first to post a score ▶

around lunchtime. His 100/296 was one to chase, but there were many more scores to come and some great competitors shooting. Paul Chaplow BEM was just starting his round and had been shooting consistently well the previous two days as had Phil Morgan. Emma Holden was in formidable form and Lucy and Rob Hall were shooting on the new trial layouts.

I watched Lucy and Rob's first round. Lucy had asked for the trap to be re-hooped and there was a slight delay, but both were shooting well when they got under way. Rob managed a perfect 25/75 and Lucy let one target slip away but they were still in the running. The

“ Everything went well – really well! Bywell have put on a great shoot, the targets were very good and consistent. ”

next significant score posted was Richard Greenlaw's 99/297 which left little room for error for the remaining shooters. Soon after Emma Holden managed to equal Richard's score. It was going to have to be a supreme effort to beat them.

And that is exactly what Rob Hall managed. He was on for the perfect

score until he had to second barrel the second bird out on the last line but 100/299 proved to be the ultimate score for the day. After the event Rob told me: "Everything went well – really well! Bywell have put on a great shoot, the targets were very good and consistent."

It's notable that Rob has not shot a registered DTL shoot in six years and this

victory contributed to what is becoming a stellar year for the Halls. Their East Yorkshire Clay Shooting Ground won the CPSA's shooting ground of the year award and Lucy is going from strength to strength with her shooting for team GB.

The shoot off for second and third left Richard Greenlaw in second and Emma Holden in third for the Open and Paul Chaplow BEM took the three-day High Gun winning a Beretta Silver Pigeon. Other notable achievements were Tony Common's 100/296 which placed him first in both AA class and Veterans. Ladies obviously went to Emma Holden, Juniors to Roan Quinn and Colts to Craig McKeown.

THE FINAL WORD

I spoke to John Henry from the shooting ground about the event and they're possibly adding more layouts for next year to allow more entries, such is demand. They have also been trialing new eco clays from La Porte and he was happy with the results. John was worried they may be too hard, but the breaks had been good and they are soft enough and reliable, which was a relief. John was told two months before the event that it might not be possible to get hold of any clays due to supply issues, which had caused him some sleepless nights, but thankfully they arrived in time. For the final word I turned to John Martin of the CPSA who said the event was: "Fantastic, the big battle today was the weather at Bywell, but everybody's enjoyed themselves and had a really good three day's shooting". 🍌

SC21

SWATCOM SC21 Pro-Impulse are reusable ear plugs designed to reduce loud noises to safe levels. The ear tip design provides a comfortable and discreet fit, and instead of blocking noise which leads to a muffled sound, the filter reduces noise levels allowing you to hear both safely and clearly.

The Pro-Impulse filters provide a constant 15dB (SNR) reduction, but can increase to a maximum of 33dB when activated by a sudden high impulse noise [such as a gunshot] to provide a brief higher level of protection before returning to the normal constant level.

AUTOMATIC BALL TRAP

John J. Leightley MBCS CITP, North Region Director, Committee Treasurer and ABT Manager reports back on the event at Bywell Shooting Ground.

The 2022 ABT English Open was held in the North this year at Bywell on 2-3 July. The event did not have the best turnout this year with a lot of shooters starting to feel the cost of living pinch but due to the Northern location, we had a number of Scottish ABT shooters attending which was great to see. The event was last held at Bywell four years ago and for a change, the weather was not that bad – albeit a little windy on the Saturday – but nothing compared to the wind that was experienced at the DTL Weekend in June.

The standard of shooting was once again outstanding with twenty-four, 25-straight being shot over the weekend, with one of those in a shoot-off for Overall High Gun, which was won by Ian Woodhead who has had a fantastic season this year. Runner-up was David Kirk having shot 190 with Ian but missed out in

the shot-off. Third place was taken by John Lucy, with A Class won by Stephen Corner, B Class by Chris McReynolds, and C and D Class won by David Breen and Chris Johnstone respectively. Both were Scottish shooters.

For the other categories, the Ladies High Gun was won by Andrea Swatts and Runner-up was Melissa Callum who has also had a fantastic year, having made three different disciplines teams (ABT, OT, and UT). Third in the Ladies category was won by Sue Bate who has been made the England Captain for the English ABT team this year. Junior High Gun was won by Cory Doble, continuing his shooting form,

and the Colt High Gun was won by Lewis Kirk, following in his father's footsteps with another great score. Veterans was won by David Breen with Neil Leeming and Richard Chapple taking the Veteran Runner-up and Third Veteran respectively.

Disabled Standing was won by Alan Paige after a shoot-off with Renny Taylor, who took Disabled Standing Runner-up.

For the teams this year, the North Region won the Seniors, Ladies, and Juniors with the West Midlands winning the Veterans team.

Bywell once again put on a fantastic shoot, so I would like to say a big thank you to all of the ground staff and the Bywell team for their time and effort.

Depending on when you read this the next shoot at Bywell will be the English and British Double Rise on 27-28 of August.

The standard of shooting was once again outstanding with twenty-four, 25-strights

ENGLISH OPEN SKEET DOUBLES

Skeet in the heat! **Matt Kidd** reports on the English Open Skeet Doubles in Nottinghamshire.

On Sunday, July 10, 79 shooters from all corners of the UK

descended on the scorched lawns of the wonderful Nottingham and District Gun Club to compete in the English Open Skeet Doubles.

Despite the frequently changing wind conditions affecting the high and low target throughout layouts three, four and five – the latter being the most exposed and challenging – impressive scores were set by all in the glorious summer sun, with only a single clay separating the High Gun in each class.

Shooting a perfect score of 100/100, Peter Chester pipped the rest of the field

and claimed the overall High Gun. He was closely followed by Luke Flynn, Tom Clifford and Martin Walmsley, who each dropped only a single clay in their rounds.

At 4.30pm a tense and lengthy shoot-off between the trio took place to decide Overall second, third and fourth placings. Martin was first to drop a clay, leaving Luke and Tom to battle on for another three rounds, with the latter dropping his 19th clay which secured second place for Luke.

The Veteran Class Champion was Neil Faulkner who finished on 97, and was closely followed by Mark Davies and Martin Brister who both shot 96. Martin claimed second by default due to a no-show from Mark for the shoot-off. Young Ethan Lord showed great promise, winning both

the A Class and Juniors, also ending on a score of 97, matched by Ladies Champion and B Class winner

Sam Rhodes. Isabel Cartlidge claimed the Colt

Champion and was the third Lady Overall, finishing on 94. Ben Woodham (85) claimed the Disabled

Sitting High Gun and James

Center (82) the Disabled Standing High Gun along with being the High Gun in C Class. With a combined score of 191/200, Mark and Ethan Lord shot the highest total in the Parent and Child.

Concluding the day, Nottingham and District Gun Club owner and CPSA National Director Carl Smith thanked all attendees and support staff and presented the trophies, medals and cash prizes to each of the recipients. An excellent day's competitive but friendly shooting was enjoyed by all. 🍂

WESTLANDS SPORTING FESTIVAL

10th & 11th of September 2022

Our Sporting Festival will be returning even bigger and better this September following the successful launch of the event in 2021.

Over the event we'll be running shooting competitions, stalls from the biggest suppliers in the shooting industry, demo sessions, live music, food, prizes up for grabs, special guests & more!

We look forward to seeing you there!

BRITISH OPEN ENGLISH SPORTING **PREVIEW**

The CPSA British Open English Sporting and Sportrap comes to Barbury Shooting School from 30 August to 4 September.

We are very excited to be returning to Barbury Shooting School at the end of August for the prestigious British Open Sporting and Sportrap, our final major championship of the 2022 season!

Many of you will remember Barbury hosting the English Open Sporting in 2021 when the weather rapidly deteriorated with heavy rain and winds, yet the ground staff kept the show running brilliantly with the targets holding up well, despite the conditions and as a result, we were pleased to reward them with the British Open this year. We can't guarantee what the weather will be like – it will be late August after all – but we can guarantee it will be an extremely well-run event by Huw, Josh, and the team.

Barbury's owner Huw Stephens commented: "We are really looking forward to having the British Open here. It's a big step in the right direction for us to be given the British Open Sporting and Sportrap championships and we intend to put on a great show. We have invested heavily in the School over the last few years to give shooters a great experience when they come here, whatever the weather!"

The Sporting will be its usual 120 target course, shot from Tuesday to Saturday, with the top four shooters from each class (AAA, AA, A, B, and C Class) and the top three from each category (Ladies, Veterans, Disabled, Juniors, and Colts) from each day being invited to compete in the final on Sunday. The scores will be reset to zero for the final and a new 75-target course will be shot.

The top six shooters from the final will then be invited to a six-person Super Final, with their scores from the 75-target final carrying through, to compete for the title of Overall High Gun and British Open Champion 2022.

Last year's British Open at E.J. Churchill's at the Swinton Estate in Yorkshire saw a thrilling Super Final with 20-year-old Brody Woollard in magnificent form on the Sunday to register the top score in the final, and then hold his nerve to secure the Overall title with a score of 91. Unfortunately, Brody won't be able to

defend his title this year so will we see another new name on the prestigious Daily Telegraph Cup?

The British Open Sportrap runs concurrently from Tuesday to Saturday, with 100 targets being shot over four 25-target layouts. Richard Faulds MBE is this year's defending Champion following his last day astonishing score of 99 to take the title and force Ben

Hollamby and David Woolley into a shoot-off for Runner-up and third, with Ben taking the Runner-up spot following a further tie and sudden-death shoot-off.

We are delighted to welcome back our headline sponsors, Rizzini, SWATCOM and Gamebore along with Teague and Fine Shooting Accessories and will hopefully be announcing a new headline sponsor who will be adding some superb prizes at the event!

Rizzini will be awarding BR110 shotguns for the winners of the Colts, Juniors, Ladies, and Veterans categories, as well as contributing to the prize fund.

SWATCOM is providing hearing protection to the categories this year and Gamebore are providing 10,000 cartridges to be divided amongst the winners. Fine Shooting Accessories are providing custom made gun slips for the High Gun in Class with vouchers for Runner-up and third, plus Teague Precision Chokes will also be giving away choke sets in the daily prize draw.

A cash prize fund of over £23,000 will also be distributed amongst the High Gun and Class winners. 🍌

THANK YOU TO OUR PROUD SPONSORS

FITASC COMPAK EUROPEAN CHAMPIONSHIPS

Team Members: Ladies Team, silver: Rebecca Brown (New Cap), Amy Easeman, Hannah Gibson. Senior Team, silver: Anthony Dean, Simon Fenner (New Cap), Tony Manvell. Veteran Team, bronze: Gwyn Presley (New Cap), Andrew Seaman, Nicholas Williamson. Junior Team: Tristan Hockey (New Cap), Luke Russell (New Cap), Alfie Tibbles (New Cap). Men's Team: William Fenner, Ronnie Green, Nathan Skinner.

Individual Medals: Ladies, bronze: Hannah Gibson. Veteran, bronze: Andrew Seaman. Senior, bronze: George Digweed. Master, bronze: Alan Pearse.

335 competitors from about 20 countries competed at Rio Sar, Santiago de Compostela in Spain. The GBR team achieved two

silver and five bronze medals, this is how it panned out:

Hannah Gibson was lying equal 11th in the Ladies category at the end of day two; a straight 50 moved her up to equal third on day three with Marion Goddet (FRA), one behind Sussie Jade (DEN) and two behind Beatrix Laparra Cuenca (ESP). Shooting 48x50 on the last day for a bronze medal.

The Ladies team loitered in fourth for the first two days, but some good performances moved them up to second place on day three. Helped by Rebecca and Hannah posting 48x50 on the last day for a team silver medal, just one target behind Italy and a significant ten targets ahead of Spain.

The Senior Team held their position throughout the competition to come away with a well deserved silver medal.

The Veteran Team were going strong, lying first or second for the first three days, but in the end had to settle for bronze.

Andrew Seaman had a similar run as his team, finishing in Individual bronze, just one target off silver and two off gold.

Alan Pearse won bronze in the Master category, lying equal fifth at the end day one, he moved up to third on day two and held his position to the end of the competition.

The Junior Team, composed of all new caps, performed well, although not winning a medal, they

were only two targets off the bronze medal score.

Simon Fenner finished equal fourth in the Senior, just one target off the bronze medal score,

George Digweed took bronze in the individual Senior category.

Tony Manvell commented: "It was very good, clever course, set by

Patrick Russo, couldn't fault it.

The ability of people from the other countries is so advanced, partly due to many of the teams being fully funded in some way, and, I believe, because they have good places to practice; the targets are

nearly always orange, but sadly we do not see so much of this in our country, except for EJ Churchills and High Lodge, who also have acoustic release systems, which tend to be used in international events.

Team GB did fantastic to be in the mix and get medals and should be really proud of themselves."

Phil Easeman, Team Manager commented: "The whole event was fantastic, well organised,

the refereeing was brilliant, with beautiful scenery and good food for the opening and closing ceremony, so what's not to like!

Compak does seem to be growing over here, and more trying for a team position, which is very encouraging."

I asked George Digweed why there were far few straights shot on two of the layouts, he commented: "Layout 2 was on a platform, shooting down on the targets, and it had a particularly bouncy rabbit. Layout six was the simultaneous doubles; it is usually the trickiest layout as you have less time in between targets; normally this is the layout that makes or breaks your scores throughout the competition.

"I was a bit disappointed with my score at the end of the competition as I had been trialling a new gun, made specifically for Compak: Ivan, from Teague Chokes, kindly bored out the chokes to 3/8 in both barrels, I had also been reconfiguring the stock which I changed again between Spain and Denmark and that seemed to work as I won the Seniors!"

GRAND PRIX OF DENMARK

The first ever Grand Prix in the Nordic countries was held in Copenhagen, Denmark, as they achieved special dispensation to shoot lead, which is normally banned.

The event had been a great success but unfortunately, it was the same weekend as the shooting at the Fields Shopping Centre in Copenhagen, which is only 500 yards from the ground, which meant George, Struan Brodie, and everyone at the ground, had an unusual and traumatic end to their event: the shooting ground went into complete lock down for the entire Sunday night, with people sleeping on the floor and in their cars. George and Struan just managed to get to their hotel to retrieve their luggage and make it in time to the airport!

FITASC UNIVERSAL TRAP EUROPEAN CHAMPIONSHIPS

There were 160 Competitors from about ten countries at Maribor, Slovenia for the European Championships.

Team Members: Ladies Bronze: Susan Bate, Mary Rowley, Leah Southall. Senior Bronze: Mike Wensley, Keith Kilvington, David Lloyd. Veteran Bronze: Philip Sanders, Stephen Parker, Howard Batt. Men's Team: Simon Jenkins, Andrew Dunne, David O'Donnell.

Unfortunately, there was no Junior team due to exams, also Kevin Borley and Richard Fletton pulled out of the Veteran team as their flight was cancelled. Keith Kilvington coming closest to an individual medal, finishing in fourth place.

Finley Bowles shot as an individual Junior, finishing a creditable equal seventh, as did Matt Panter in the Open category.

ZZ HELICE PRESIDENT'S CUP

The President's Cup is a prelude to the ZZ Helice Grand Prix and the European Championships.

Jane Bell was the only representative from the GBR squad to be involved and beat three Italian's. Jane straightened the shoot off to take the President's Cup, with the others only one target behind, so well done to Jane.

A tough finish to the trip, as the flight from Hungary to Gatwick was cancelled for eight of the team members plus one of the referees; they then spent three days in the airport, only to have to buy tickets with another airline to get home.

Considering the nightmare with flights and the added complication of taking guns, the teams and individuals did very well to make it to events and come away with medals!

ENCOURAGING YOUTH INTO OUR SPORT

Secretary of Buller Gun Club and Shropshire CPSA, **Marius Coulon** talks about what they are doing to encourage the youth in their county and region into our sport.

Buller Gun Club, based in Parsons Barracks, Donnington, Shropshire, was formed in 1997 to offer Serving and Reserve members of the Armed Forces, in and around Shropshire an opportunity to take part in Clay Target Shooting as a sport. The club is also open to a restricted number of invited civilian shooters from the local community and is run on Clay Pigeon Shooting Association (CPSA) guidelines with CPSA qualified staff.

Under its present Officer-in-Charge, Maj Charlie Miller (Level 1 Instructor), it was agreed that the Buller Gun Club would encourage both the Youth of the local area and more specifically the local Cadet Forces (Telford Sea Cadet Corps (which incorporates both RN and Royal Marine cadets), Shropshire Army Cadet Force, the West Mercia RAF Air Cadets and both the Telford and Shrewsbury Police Cadets) to come and have a try.

This has been a great success and, with the help of the Shropshire County CPSA coaches, the attendance over the years has increased and has now been 'formalised' so that the Club runs an initial Familiarisation Shoot followed by two Training and Selection weekends for the cadets, which culminates in the best shooters from each of the cadet services being selected to represent their service, as part of five cadet team, in the Annual County Inter Services Cadet Clay Target Competition, which includes: Sporting, DTL and Flush shoots, held at Buller Gun Club on 12 Jun 22.

This year we were able, from the training and selection weekends, to identify five teams that were subsequently entered into the National Inter Services Cadet

Clay Target Competition which was held at the Cambridge Shooting Ground over the weekend 18-19 June 2022. 18 teams entered this year, of which five came from Shropshire (one SCC (RN Team), one SCC (RM Team), one ACF Team, and two RAF Air Cdt Teams) as a result of the

initiative. Medals were won by all the teams in one discipline or another and this has now given the Team Managers a good starting point for the formation of their 2023 Teams.

During these various shoots, the CPSA members/coaches, especially Adult Air Cadet Flt Sgt – Pat Reeves and Trevor Lewis – Shropshire CPSA Chairman, have been able to identify a number of cadets who have been recommended for the British Shooting Talent Pathway. Several of those previously recommended have achieved notable successes, please see the Shropshire entry of this issue of *Pull!* It is pleasing to see cadets introduced to the sport at

Buller Gun Club have gone on to join the CPSA, shoot registered shoots, shoot for the county, and achieve regional medal successes. Buller Gun Club and Shropshire CPSA working together are pleased to be 'doing our bit' to encourage the youth from our county, and region, into our sport, who after all are truly the future of the sport. 🏆

We are pleased that we are “doing our bit” in encouraging the youth from our county

SHOULD I COMPLY IF THE POLICE ASK ME TO **SURRENDER MY GUNS?**

Essential advice from Honorary solicitor **Laura Saunsbury** on what to do if the Police turn up at your door and ask you to hand over your guns and certificate.

In the wake of the tragic Plymouth shootings in August 2021 there has been a significant increase in what the police term 'suitability reviews', i.e. where they seize your certificate and guns, pending a review and formal decision as to whether you can safely remain a certificate holder or should have your certificate revoked. So read on, as this is more common than you may think.

In these situations, the police will often turn up unannounced and catch you off guard, giving you the impression you have no option but to let the officers in to remove your guns, and without really explaining why this action is necessary. It's vital therefore to know your rights and have your wits about you.

The first thing to note is that the police have no legal power to enter your home without a search warrant. If they do not produce one, you have the right to refuse them entry if you choose. Once you have allowed the officers in, it will be very difficult to persuade them to leave without your guns and certificate, so try to get as much information from them as you can on the doorstep before deciding if you are going to let them in. Be polite but firm with the officers. Ask them who they were sent by, to explain why they need to remove your guns, and what their authority is to enter your home.

The police may try to gain entry by assuring you that if you co-operate it will all get resolved much more quickly and that you should have your guns and certificate back in a few weeks. Be very wary of accepting such assurances as this is rarely the case.

In reality, because these reviews are now being conducted in both greater depth and numbers, they are taking longer and longer to complete. There is no time limit in which the police are obliged to conclude these reviews, and periods in excess of six or even 12 months are now not uncommon. During that time you will have no legal avenue to challenge the police removal of your

guns or certificate, and may struggle to get updates from the police on the progress of their review. You will only have a right of appeal if and when the police eventually serve you with formal notice that they have revoked your certificate or refused to renew it.

If the police do ultimately revoke your certificate, what you said and did when the police turned up and asked you to surrender your guns will often form part of their case if you appeal the revocation, and you may not agree with their record of your conversation with the officers. So make your own recording of it using your mobile phone. It's perfectly legal for you to record the police on your doorstep or inside your home. As soon as it becomes clear the police have come to speak to you about removing your guns, inform them you are going to video the discussion for everyone's benefit so that there is an accurate record, and because you may need it to take legal advice at a later date.

Do not be phased by warnings that your lack of cooperation may count against you and that if you decline the officers' entry they will come back with a search warrant and revocation letter. Politely point out that you are simply protecting your legal rights and following CPSA advice to seek a clear explanation of the reasons for their request to surrender your guns. If they attempt to intimidate you by threatening that you are risking revocation of your certificate by not cooperating, respond that if the police have good reason to believe your possession of shotguns presents a danger to public safety, then the police should revoke, and so enable you to exercise your right of appeal.

Laura Saunsbury is a consultant solicitor with a leading London law firm and has 14 years experience as the Association's Honorary Solicitor and shotgun licensing advisor.

If removal of your guns seems inevitable, consider arranging for a firearms dealer or another certificate holder to come and collect them whilst the police are present, or while they go away to get a search warrant and/or revocation letter. This will avoid the risk of them being damaged in police transit and storage. You may have to pay a dealer storage charges for an extended period but you may think it's worth it to protect your guns, especially if they are valuable. 🦏

STATIONS 5-8 OLYMPIC SKEET

Simon Arbuckle and **Freddie Killander** show you how to shoot stations 5-8 in Olympic Skeet.

Hello and welcome to the sixth and final installment of the sixth series of the CPSA How to Hit series, sponsored by Browning and filmed at the National Clay Shooting Centre at Bisley.

Again, we are joined by Freddie Killander, who is going to continue shooting the Olympic Skeet sequence, this time from stations 5-8.

"So, we start this installment on

station 5. The sequence here is a single low target first, followed by a simultaneous pair, shot low target first. The set up here is very straightforward, starting with your feet which you align with your break point for the low target single. Your gun hold should be roughly halfway between the trap house and the centre post and underneath the flight line of the

target so that the target remains visible during the mount.

The set up for the pairs is the same as for the single, you set your feet up to shoot the first target but the important thing on the low side of the range is that you don't lean into the shot but keep your balance centred and be able to rotate around your core. So, you shoot the first target, breaking it a couple of metres before the centre post then slow the gun down to pick up the second target roughly over the centre post, rotate back through to shoot it and break the target nicely within the bounds of the range.

Again, it is vital to keep your balance centred.

Moving on to station six, where we shoot the low target single, followed by a simultaneous pair, shot low target first as per station 5. Once again, with our set up we want to align our feet with the breakpoint for the first target, rotate back with our barrels to our hold point which is halfway between the trap house and the centre post. The barrels need to be under the flightline,

OLYMPIC SKEET SEQUENCE

Stand 1: Single High then Pair shot High first.

Stand 2: Single High then Pair shot High first.

Stand 3: Single High then Pair shot High first.

Stand 4: Single High then Single Low

Stand 5: Single Low then Pair shot Low first

Stand 6: Single Low then Pair shot Low first

Stand 7: Pair shot Low first

Stand 4 (again): Pair shot High first

Stand 4 (again): Pair shot Low first

Stand 8: Single High then Single Low.

HOW TO HIT

The set up is still the same as for the singles with your feet aligned with the break point of the first target and your hold point approximately halfway between the trap house and the centre post and underneath the line of the target. Again, your balance when shooting the pairs is critical and you need to ensure you are not leaning and able to rotate with the targets.

Finally on station 8, where we shoot a high single and then turn around and shoot a low single. The set up here for both targets are similar to everywhere else with your feet aligned to the break point, but your hold point is about a third of the way out from the trap house, underneath

the line of flight so that when you mount the gun you can easily rotate through to comfortably break the target. You must shoot the targets on station 8 by the centre point.

If you are interested in Olympic Skeet, Freddie's advice is just

to have a go and try it. Go to one of the grounds which have

Olympic Skeet ranges and have some fun, if you don't, you'll never know what you are missing! 🍷

and your body balanced and not leaning forwards.

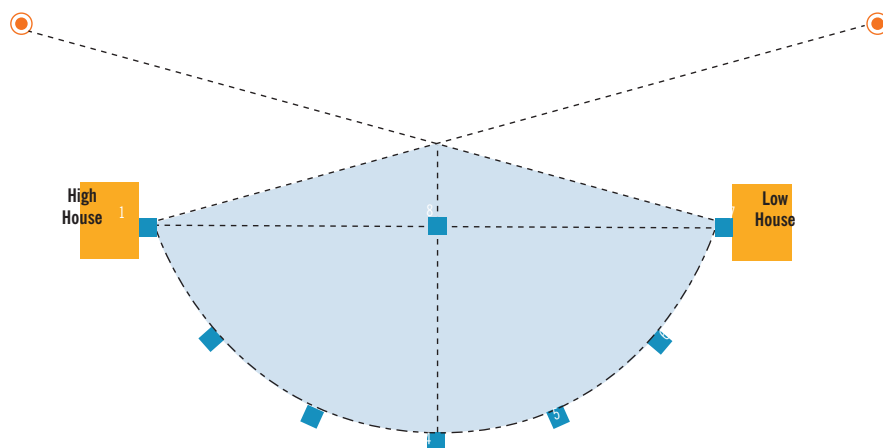

With the pairs on station six, again the most important thing is how you shoot the first target. This needs to be shot a couple of metres before the centre post and maintaining your balance, you pick the second target up, over the centre post, looking really hard at it and then rotate through and break it nicely within the range.

On station seven, we just shoot a simultaneous pair, shooting low target first. We align our feet over the centre post and raise your barrels to where the target will be in the centre of the range and where you are going to break it. For the second target, after you have broken the first target, you want to pick it up as fast as you can over the centre of the range and rotate back through to shoot it.

Now we move back to station four and the reason for this is because after the 2012 Olympics, the sequence was changed to break up the shooting on station four, so that the first time you go round the layout, you shoot singles on

station 4 and then after station 7, you go back to four and shoot two simultaneous pairs. The first pair is shot high target first and the second pair is shot low target first.

GETTING A START IN SHOOTING

It has always been my goal to shoot for GB. I feel extremely fortunate to be in the team.

I got into shooting though my dad when I was 12, he had been into shooting for a while and I tagged along to watch the World Championship in E.J. Churchills and loved it from there.

My favourite shooting moment would be shooting in France for Team GB, it was such a beautiful venue and the team atmosphere was amazing! It was an extremely proud moment as it was always my dream to shoot for Team GB.

ANNALISE'S TOP TIPS

TIP 1 It sounds like a weird one, but pack your own bag. Put your cartridges in along with all the other kit you use. It will mentally set you up for the shoot.

TIP 2 Always try to analyse the target and what it's doing before going into the stand (look at where it's coming from, where it's going and also how quick it's getting there).

TIP 3 Set clear and realistic goals for what you want to achieve for your up and coming season. This will keep you focused on the task at hand.

TIP 4 Stay hydrated throughout the shoot to keep your eyes sharp.

TIP 5 Always try to enjoy it, even on the bad days there's something to learn.

THREE WORDS TO DESCRIBE YOURSELF?

Determined, Lively, Sociable.

SUCCESS IN SHOOTING

My biggest achievement so far has been shooting for Great Britain. It has always been my goal and I feel extremely fortunate to be part of the team. There was a massive amount of pride wearing the GB vest.

Some of my more recent successes include making the GB FITASC team twice this year (for the European and for the World Championship) and winning the Lady Juniors in the English Open along with the Parent and Child Cup.

ANNALISE'S SUPPORT & SPONSORSHIP

I'm very fortunate to say I have a few brands supporting me in my shooting career. These include Caesar Guerini, Eley, Ballistol and Coleman Baines. My mum and dad continually support me which I am very fortunate for as well.

THE COACHING *BUG*

Katy Poulson was the Team Leader for the British Team at the Junior World Cup in Germany earlier this summer. **Anita North** spoke to her about the rewards of a coaching role.

From being a competitor, Katy developed into a shooting coach and now runs the Olympic Skeet competitions in the British Shooting Shotgun Series. Having run a plant hire and agricultural contracting company for some years, Katy now runs Shooting Simulator – a large-scale system that is a useful training tool and lots of fun at the same time. She lives with her family near Farnham in Surrey.

Q When did you first start shooting?

I started shooting in late 2003 and I won my first title in 2008, at the English Open Skeet Doubles. From that I wanted more; I wanted to learn how to shoot properly and I wanted to shoot Olympic Skeet. In 2013 I got into the England team for the Home International. It was an honour to represent England, to get my name on the England Ladies High Gun trophy and be Runner-

up Overall. In 2016 I competed in the Commonwealth Shooting Federation Championships in Wales and I got into my first final. I was keen to improve my shooting and I got onto British Shooting's Pathway when it first got going and they ran qualification events. I've amassed a collection of CPSA badges with category wins at national championships across skeet events. I have also competed in Grand Prix events in Iceland and Spain.

Q How and why did you get into coaching?

I never intended to get into coaching. Allen Warren, my former partner, inspired me to get into coaching, for which I am truly thankful. I started to help out with the British Shooting Shotgun Series doing admin, etc, and I liked the other side of shooting. British Shooting wanted to grow the Pathway, so I developed my coaching and coached Development Academy groups at Nuthampstead, NCSC, and Dartford, and I also coach the Talent Academy group.

Further to that this year I am coaching the Female Development squad for the Army. It is early days and so they are currently primarily on Sporting. I hope they will progress onto English Skeet and Olympic Skeet.

Below: Katy with the Ladies OSK team in Germany. NORTONSPORT PHOTOGRAPHY

Every day is a learning day. Over the years I've had to do a lot more than I would ever have imagined

Q What do you like about coaching?

I now love coaching more than shooting. With coaching there are so many aspects to get my teeth into – psychological, physical, mental,

and tactical. It is so rewarding to see athletes progress and develop. Through

British Shooting's Pathway people are being helped with their goals in getting caps for England and GB. Contributing to the journey of a shooter, whatever that might be, is awesome. I love it.

The highlight of a medal is always phenomenal. However, special moments happen all the time – I love those lightbulb moments when the processes click for a shooter.

And for me actually pulling the trigger is now just for fun, from Skeet (English and Olympic) to Sporting, especially on ladies days and charity days.

Q When did you start supporting teams overseas?

In 2019 Allen Warren was coach for the Junior World Cup in Suhl, Germany. I went on a voluntary basis as a learning experience. Last year I was chosen to be coach for the Junior Olympic Skeet team

in the European Championships. It was great to see them shoot well and the icing on the cake was when the Junior men got team Bronze. Stepping up from coach, this year I was asked to be Team Leader for the Junior World Cup in Suhl. As Team Leader I was responsible not just for shotgun, but also for the target shooters (air pistol). It was great to see what athletes in these other disciplines do.

Q What are the attractions to the Team Leader role?

My reward was to see people shooting personal bests, 25-straight and overall have a positive experience contributing to their personal growth at this event. For some it was actually their first time travelling abroad to compete. And of course there was the joy of medals: mixed team Bronze in Trap for Hollie Lumsden and Lucas Hyde. Meanwhile in Skeet there was an amazing result of team Gold for Phoebe Bodley-Scott, Bethany Norton, and Sophie Hermann. But apart from the podium there were close-to-medal results from a team that included lots of new caps for Great Britain.

Q Are the Olympic disciplines only for young shooters?

I coach a great age range of shooters – from pre-teens to mid 60s. It doesn't matter how old you are, you can learn to shoot Olympic Skeet. You just need to put in some time and effort. ►

Not everyone is going to make the Olympics, but there's lots to do. You can shoot for your county, for England, for GB. There is something for everyone and there are no boundaries – only the ones that you put up yourself.

Q Have you learned a lot about yourself in your time competing and coaching?

Every day is a learning day. Over the years I've had to do a lot more than I would ever have imagined I would have to do. I was faced with numerous challenges along the way including having to do a job that I had to do rather than chose to do so that I could raise my children.

When I first went on the Women Into High Performance Programme (WiHP) I was out of my comfort zone, although actually I knew more than I thought. There were many inspirational moments and it made me re-evaluate my life for a better future. I scaled back my business to give me the time and energy to do what I now do.

Q You have brought technology into coaching with the Marksman Shooting Simulator. Is it a useful tool?

Definitely! It teaches shooters and coaches a lot. It provides a safe no live-fire environment, with valuable

“ There are more women coaching than 10 years ago and numbers will grow. ”

immediate feedback. As a coach we are free to be anywhere around the shooter. We can add cameras to help with analysis as the shooter works on specifics free from the pressure – and cost – of shooting at a real clay. Since I have used the system I have learned so much about movement.

Q What's the best piece of advice you have been given?

As a shooter: Believe in yourself and fully understand the 'how you hit the target'. As a coach: Have confidence in what you are doing.

Q Do you have any advice for shooters wanting to be their very best?

Remember there are no shortcuts. The

dedication, hard work and true grit needed to compete at a high level cannot be underestimated. Looking for shortcuts will prolong the journey to excellence. It is better to keep working on your development. We have lessons/learnings not failures. What did you learn? Take those learnings and you will continue on your development.

Q Do you think there are enough women (coaches) in shooting sports?

There are more women coaching than 10 years ago and numbers will grow. Women seeing other women doing these things gives them confidence. The power of women collectively is awesome and it is growing with some of the groups that are out there now. A lot of women feel more comfortable with a female coach.

Q What advice would you give anyone about getting into coaching?

Give it a go. Check out the CPSA courses and build from there. You will be amazed at what you can learn. Look for a mentor. You should know your personal skill set as well as the discipline(s) you coach. You don't have to be world class, but competition experience is of huge benefit in coaching. Never forget that coaching is a nurturing role. We have a big responsibility to our athletes. 🍷

SOUTH EAST'S NEWEST REGISTERED GROUND

We spoke to **Philip Moss** about Redricks Sporting Clays.

TIPS FOR SHOOTING AT REDRICKS SPORTING CLAYS

The topography of the land can catch shooters out, watch each target to see what its doing!

Q When did the ground open and what makes it special?

A: Redricks Sporting Clays is the South East's newest CPSA registered shooting ground, based on the site of an old quarry. The ground was registered in November 2019 but due to COVID restrictions had to wait until December 2020 to run their first shoot. Philip Moss runs the shooting ground located 20 minutes from the M11-Stansted Airport and only 10 mins from the new M11 junction 7a.

Q What disciplines/facilities/events do you offer around the grounds?

A: We offer registered competitions in English Sporting, FITASC Sporting, Compak, Sportrap, and Super Sporting. There is a large car park, toilets on-site and a catering unit attends on shoot days. A variety of terrain and backdrops around the site allow for all the standard presentations in testing combinations. The ground is easy underfoot with a few gentle inclines.

Q Have you won any awards and accreditations?

A: As proprietor of a previous ground where we achieved Premier status, came second in the CPSA shooting ground of the year awards, all in our first year and won the CPSA Premier League Championship in both 2016 and 2017.

Q How has the ground developed over the years?

A: We have expanded shooting areas and stands with the addition of a tower, raised shooting platforms, opening up a valley for more presentations and variety.

Q Are you planning any events for 2022?

A: We have numerous county and regional championships for Buckinghamshire, Essex, Hertfordshire, and Kent, the South East region Inter-Counties English Sporting

and FITASC Sporting Championships, and a England Sporting team selection shoot. The calendar revolves around two English Sporting competitions held on the second and fourth Sundays of the month. The ground also holds FITASC competitions and is trialling midweek events. Redricks Sporting Clays has become the ground of choice to host some Championship shoots as well as the venue for South East England Inter-Counties and English Sporting Selection shoots.

Q Is there anything else you would like to add?

A: Redricks Sporting Clays can be proud of being a challenging ground and is a worthy addition to the registered competitive clay shooting circuit. 🌿

1 May: Penrith

On Sunday 1 May 2022 the last NOE Selection shoot took place, thank you to the ground for holding this shoot. There was a total of 54 shooters who attended and David Garrett was the Overall High Gun with a score of 100/299. The highest Lady and Junior was Ellie Whitehead with 281.

The team places were well fought for and the top ten Seniors, three Ladies, three Juniors, and three Veterans were finalized. Paul Turner was the Overall winner of the Selection Shoot. Well done Paul. The final team is as follows:

Seniors – Paul Turner, Paul Chaplow, Tom Robinson, John Beveridge, Nigel Chapman, Geoff Nutter, Doug Maclean, Steven Price, Stephen Petch, David Whitehead. Veterans – David Garrett, Martin Clark, Stephen Fiddler. Ladies – Emma Holden, Caroline Whitehead, Sarah Thorpe. Juniors – Cory Doble, Ellie Whitehead, Paul Atkinson.

11 Jun: Dougall Memorial and English Open

The weather at Bywell was sunshine and as usual windy, which made the targets dip a little from time to time which meant you did need lady luck on your side with a few of the targets. In the Dougall Memorial shoot we had some North region winners. Paul Caplow was the Runner-up Overall. Tom Robinson shot 100/295 and came third Overall. David Garrett won the Veterans and Emma Holden won the Ladies trophy. Geoff Nutter won disabled standing.

In the English Open, Rob Hall was the Overall High Gun with a score of 100/299. Emma Holden came third Overall with a score of 100/297 and retained the Ladies High Gun title. Tony Common won AA Class

and Veteran High Gun. Peter Parker won Disabled Standing. Rob Hall and Lucy Hall won the Parent and Child Trophy and the Turner brothers Paul and Micheal won the Womble trophy. Congratulations to all.

In the region Inter-county teams the North only won the Ladies categories. Well shot to all who shot in the team and especially well done to the shooters who won. Charlotte and I would like to thank all the North region shooters for their continuous support. Look forward to seeing all your faces next year.

12 Jun: Durham & Cumbria County Sporting Championship, Oak Lodge SG

Oak Lodge Shooting Ground hosted this year's Durham and Cumbria County Championships. Conditions were blustery, but Andy Calvert and the Oak Lodge team did a fantastic job in protecting the targets from the elements and making sure they were challenging but still shootable.

Lee Jackson shot an excellent score of 97 to take High Gun and retain the Durham County title, followed closely by Runner-up Martin Griffiths, on 94. John Harrison took the Durham Veterans title with 83 and Katie Parker the Durham Ladies title with 63. Tom Oldham shot a 91 to claim the Cumbria County title, with Cumbria Veterans going to George Brown on 79 and Cumbria Juniors honours to Joel Ogden with 81. Congratulations to all winners and thank you to Oak Lodge SG for hosting this event.

Notes from the Chair

I'd like to thank Gareth Marfell for all his hard work as trap disciplines rep, Gareth has held the role since 2017 and has gone to great efforts to arrange events and teams. Sadly, the time has come for Gareth to step down. Thank you for all of the events and successes you have been a part of. For the time being, Matt Jones takes sole control of the trap disciplines so please contact him with any queries.

Congratulations to Matt Panter for a great result at the UTR World Championships in Slovenia, Matt shot a 191 which put him in a tie and after countback Matt finished ninth Overall. Thank you to everyone who supported the County fundraiser at Gloucestershire Clay Shooting Club and a special thanks to Paul Tudge, the committee and all those involved who helped us with the event. Proceeds from this will be utilized for trap team events. August will see the return of the Clubman Championship in which teams of A, B, and C Class shooters will compete at Inter-County level. It would seem that I will most likely be

organizing the teams for this so if you fit the bill (A,B,C class) and would like to represent your County please contact me directly.

Finally, I try to do everything I can, but time can be my enemy. If you are computer savvy, have a little bit of spare time and would like to help me out with the County website (not a big job) please get in touch – I would really appreciate it! Good luck with all the upcoming major shoots!

Congratulations

England Team!

Congratulations to Paul Stokes who has been selected for the ESK England Team for the first time and Shaun Gardener who has been selected for second time to the DTL England Team.

12 Jun: Shropshire Inter Services Cadet Championship, Buller

Lots of fun, smiles, and good shooting! Much talent was evident amongst the Army, Air and Sea Cadets taking part, well done to you all! The Overall High Gun trophy, 'The Max', was won by Army Cadet Joel Kelly by just one clay from Air Cadet Jack Shipton – both are part of British Shooting's Talent Pathway. The Air Cadets won the Team Events. Best Overall Female Cadet was Olivia Sylvester.

18-19 Jun: National Inter Services Cadet Championship, Cambridge

Shropshire provided the largest group of Cadets with five teams and significant success across the various categories. Shropshire Sea Cadets as the only naval team cleared-up and showed lots of potential talent for the future. Benjamin Hurford-John was Army Cadet runner-up and won the Gold medal in the Inter-Services ESK competition. Jack Shipton won the Air Cadet High Gun and was runner-up in the Inter-Services ESK competition. Jack also won the ESP National Trophy and Overall High Gun. Air Cadet Olivia Sylvester was the Best Overall Female Cadet.

19 Jun: Malcolm Langham Memorial Shoot, ESP, Kegworth

A small group from Shropshire had a

challenging but fun day, with Mike Cashmore and Stu Burgess tying for the trophy.

26 Jun: West Midlands Area SKD Championships, Doveridge

This competition will be remembered for the blustery wind, with targets going very high and very low on most pairs at random. Julie Burton won a WM Ladies Silver and Trevor Lewis a Veteran Silver. Alan Rowley was Shropshire Champion with Trevor Lewis just a couple behind. Shropshire Medals: Seniors: Alan Rowley Gold. Ladies: Julie Burton Gold and Jan Dixon, Silver. Veterans: Trevor Lewis Gold, Pete Bridger Silver, and Stu Burgess Bronze.

2 Jul: West Midlands Area and Inter County, and Shropshire OTR Championships

Due to multiple conflicts the field was small, but scoring was impressive, especially amongst the Juniors, with four in the top ten scores, including Zak Mansell fifth overall. Zak achieved a regional Junior Silver and won the Shropshire Championship with an excellent 90ex100, including two 24s. David Hughes (another cadet) who has only just started shooting managed three rounds of 12+ that impressed, well done David! Zak is Shropshire Champion, wins Junior Gold, with David Hughes gaining a Junior Silver and his first Team Cap!

Shropshire veteran medals were Graham Evans Gold, Trevor Lewis Silver, and Pat Reeves Bronze.

OTR 25s

It is very pleasing to see some of the juniors Shropshire CPSA and Buller Gun Club has encouraged achieving 25 straights in Olympic Trap. Zak Mansell has shot 25 straights in training, as has Nathan Rouse (H&W). Charlie Morris (H&W) shot his first 25 in the West Midlands on the 2 July. Jack Shipton shot a 25 in competition at Fauxdegla on the 26 June. Special thanks to John Bellamy for his excellent coaching on The Talent Pathway!

3 July: Helice GB Selection Shoot, Invicta

Well done to Joel Kelly who shot an excellent 19ex20 for joint third, just one behind Trevor Hawkins and fellow junior Jonti Spilman. Best wishes to Joel for the next selection shoot!

Congratulations to all those who took part in the Double Rise County Championships, with some great performances from our county shooters. Senior County Champion and Overall High Gun was Dave Malpas with Lady Champion, Carole Wilson, and Veteran Champion, Martin Hambleton.

7-12 Jun: World Shooting Para Sport World Cup

The first World Cup of the season kicked off in Chateauroux, France featuring Staffordshire and British Shooting star Paul Bailey along with more than 270 athletes from 50 countries. Paul began his campaign in the Shotgun PT1 – Mixed Trap Seated competition. He had a storming first day, coming out three ahead of his competitors to qualify for the final. Unfortunately, the final didn't go his way but a cracking tournament from Paul with more to come for the rest of the season.

19 Jun: ABT – Staffs County Championship at Garlands

Another outstanding performance from Adam Gutteridge. He defended his title to become ABT County Champion for 2022 but also finished as Overall High Gun for the day in a field of 42 shooters. Adam's score of 96ex100, kept him five ahead of our Runner-up, Ian Hull, with Darren Wood and C Heathcote sharing third, the latter taking the Veterans title. Congratulations to Gill Grealey who was once more Staffordshire Ladies champion, with Lucy Christie Runner-up and Carole Holmes third. Lucy Christie took the Staffordshire Junior title.

19 Jun: ESP – Staffs Selection Shoot – Round five

Congratulations to Phil Bailey who was High Gun for the County on the day with a terrific 90ex100 with Sam Ward hot on his heels with 89. Lara Dale was top Ladies shooter with Ben Mason third in Juniors and Tim Howell fourth in Vets. The sixth and final selection shoot will also be the Staffordshire County Championship and will be held at Kingsley Moor on Sunday 28 August.

24-26 June: UT – 49th European UT Championships at Maribor

Leah Southall was part of a successful Ladies team alongside Mary Rowley and Sue Bate with Team GB picking up a fine bronze medal in the European Universal Trench in Maribor, Slovenia.

26 Jun: Skeet Doubles – WM Area Championship at Doveridge

Martin Walmsley was the sole representative from Staffordshire and did a terrific job, hitting 92ex100 to take joint Bronze, just two behind joint Gold medallists Alan Barnes and Steve Lovell. Great shooting, Martin.

2 Jul: OT – WM Area & Inter County Championship at Fauxdegla

Delighted to report that the Staffordshire team of Dave Winter New, Martin Osborne, Martin Hambleton, Luke Hambleton and Team Manager, Bailey Paul came away with a terrific Bronze medal. Congratulations to Hereford & Worcester CPSA who took Gold and to Cheshire CPSA for a fine Silver. Mike Faux tied with our own Dave Winter for WM High Gun with 94ex100. After a shoot-off, Mike took the Gold, pipping Dave by 24 to 23. Terrific shooting from both.

3 Jul: SB – Staffs County Championship at Ranton GC

Another highly enjoyable Single Barrel

Hello to you all again, Another month has passed by and 'er indoors is another year older.

I have a mixture of results for you. I'll start off with the news that we, the L&R, have two shooters in the England DTL team for the Home International. Firstly, Sam Malling has a place in the Junior team and Alex Harris has made the Senion team – wow! Congratulations to you both. Secondly, we have a brilliant Colt making waves in the DTL pool – Luca Massarella scored a great 86/238 at Normanton – not bad eh! – seeing that it was his first 100 target event (and with a gun that he has never used before) how about that then. Well done boykin, keep it up.

Talking of Normanton, they held the County DTL Championship on 4 June. Top man and Champion was Jason Linnell

98/290, High Gun Vet, Mike Brookes 97/289 Alex Harris 98/289 and his big brother Connor 98/288. There were 18 entries. On 18 June, Connor Harris made sure that no-one would top his score with a perfect 100/300, us mere mortals can only dream of scores like that, Sam Malling scored a great 97/285. 29 June saw their 70 monthly Sporting event, another good entry. Steve Brightwell was the county High Gun with 67ex70, Craig Boddice, Adam Curtis and Ben Wright all scored 64ex70. The Top Junior was Oliver John on 55. A 'busy old time', well done and thanks Normanton.

Whizzing up to Kegworth now, saw a 120 target event with Martin Myers the top scorer on 114ex120, not too far in arrears was Richard Watkins 107, Bob Tucker 99, Paul Murgatroyd 90 and Adam Fearn 86ex120. It was -50 degrees below and the wind nearly cut you in half. On 19 June the wind forgot to blow and the sun was out all day, at last. Martin Myres scored a brilliant 97ex100, Craig Tolley 85, Darren Elliott 84 and Bob Tucker 79, a great entry and an enjoyable day out. This was our second team selection shoot, now Adam has the job of sorting out our EM Inter-County teams. Well done Team Kegworth, thank you John.

On to Grange Farm. 12 June saw another big entry for their 100 target event. The top scorer was Martin Myres again with a superb 99ex100, wow! Steve Brightwell scored 90, Andy Burton 87, John Wells 85, Russell Mason 83, Bob Tucker, and John Squire both clocked 82 apiece. Kyron Greaves was Top Junior and there were four colts shooting – Oliver Pollard, Danny Nash, Taylor Swann-Jones and Brae Taylor. I wonder if the colts were watching Martin M shoot and thinking:

'I hope I can shoot like that one day'. Don't worry kids, a lot of us wish that.

The County have a new English SKD Champion at Cosford SG. Adam Curtis overcame the opposition to pip Peter Cheeseman by one point scoring 93 to 92ex100. Roger Billett is the new 2022 Veterans Champion. On June 25, with great targets and fighting the weather and the wind, Will Marshall won the Olympic Trap crown at Doveridge SG and John Grice became the Veterans Champ. Congratulations and well done to you all and thank you Dorage and Cosford.

OK, that'll do for now. Good safe shooting to you all and keep your powder dry. All the best, Alan B.

the targets difficult never mind shooting them but Steve Smith set the bar for the rest by putting in an early 91. Doug overtook this with his score of 93 but the last man on the range, Martin Grimwood, looked as though he might rain on Doug's parade. He started shakily but then hit 26 straight and finished with a near perfect last round to finish on 90. So, the trophy once more belonged to Doug.

15 May: East Midlands Sporting

In spite of some excellent shooting from Paul Wilkinson (91) and Kallum Burrell (89) at Barrow SC the only Lincolnshire shooter to pick up a medal was Tim Couzens who took bronze in veterans with a score of 88.

26 Jun: East Midlands Single Barrel

Whilst Doug Moore was busy winning the Lincolnshire skeet doubles, our DTL shooters were having a good day at NDGC. The breezy conditions did not make for easy targets but some superb scoring from Andy Jackson (96) and Graham Elkington (93) gave them 3rd in their respective categories. The highlight of the day was the shoot off between Lincolnshire's Jack Brazier and Notts junior, Edward Armett who had both finished on 87 with Jack just edging ahead of Edward with a shoot off score of 23.

3 Jul: East Midlands English Skeet

Doug Moore was once again amongst the medals taking the Veterans title by just one target with a score of 95 with Liz MacGreggor White taking the bronze medal in Ladies.

9-11 Jun: Bywell DTL weekend

The stiff breezes mentioned above were nothing compared to the ferocious winds experienced by competitors over the Bywell weekend so imagine the surprise of Saira Boardman to find herself 50 straight on the sponsors day finishing on 98/288 to take the top prize in Ladies.

The English Open DTL is the battleground between the regional teams and this year saw both the East Midlands senior and junior teams take the honours and both teams feature Lincolnshire shooters, Mark Shaw, Stuart Whitehead (Seniors) and Jack Brazier (Junior). Over the last ten years it has been a very rare achievement to wrest this trophy from the North region so to also take the Junior honours was an added bonus.

24/26 Jun: European UT championship

Our very own Steve Parker stepped onto the podium as part of the GB UT team competing in Maribor, France. The team of Steve, Phil Sanders (H&W) and Howard Batt (Kent) gained a bronze medal place.

Congratulations to those who have gained team places in England/GB teams

Mark Shaw, Stuart Whitehead and Megan Williams – England DTL team to compete in Northern Ireland. Aaron Heading – GB trap team to compete in Larnaca in Aug/Sept.

Charity Shoots

Nettleton Lodge SG has long been the starting point for many shooters in North Lincolnshire and has for many years run a charity shoot to raise money for Air Ambulance and Local LIVES, this year raising £3,100. year's Ladies' Double Rise champion is Alison Coupe with a score of 15. Our apologies to anyone who wished to attend the championship, but was unaware of the new date and change of venue. It was rearranged at short notice as the original venue was unable to host it. Although advertised on the Norfolk CPSA Facebook page and website there was insufficient time to meet the Pull! magazine deadline. Thank you to the Suffolk CPSA for allowing us to double up with you.

18-19 Jun: British Shooting OTR Shotgun Series – Nuthampstead

William Gilbert (112ex125) and Elise Dixon (89ex125) competed in the second round, both making it through to their respective Junior finals. These followed the new format, but without the semi-finals due to time constraints. The changes include a new Golden Hit rule, where shooting stops if there is a clear overall winner. Elise placed fourth in her final and William went all the way, winning the Junior Gold medal with a score of 29ex33.

19 Jun: Norfolk Single Barrel, The Priory CTC

This was held in conjunction with the

This year's Norfolk Single Barrel Champion is Simon Owen with a fantastic score of 97ex100. Niall Crumpler was just a target behind and Jason Matthewson scored 94. The Veterans' Champion is David Beales with 68 and the Ladies' Champion is Alison Coupe with 56.

71 shooters (37 from Norfolk) enjoyed the sunshine and four layouts of varied targets.

This year's Sportrap champion is Richard Bunning with a score of 94ex100 which included an excellent 24 on the third layout. Runner-up is Jonathan Ball with a great 90 followed by Mark French and Mark Goddard who tied on 89. The competition for the Veterans' title was very close. This has proved popular. Entries for the Sporting and Skeet were up with shooters new to competition. Jonathan Essam was the lucky winner for the Sporting draw winning his slab of 250 cartridges for shooting closest to the draw number 59.

Holding this competition over a weekend proved to be popular. It did mean that shooters from different days could tie for a winning place. Given the difficulties of recalling shooters from across the counties

26 Jun: East Midlands Single Barrel, Nottingham & DGC

Three Norfolk shooters made the long trip to Nottingham. The weather made the targets quite challenging with breezy conditions all day. Top County scorer was Jason Matthewson with 91. Simon Owen scored 87, and Richard Sutterby scored 83.

3 Jul: East Midlands English Skeet, Eriswell Lodge

16 shooters from Norfolk competed in this hotly contested championship. Seven competitors tied at the top with 98, including four from Norfolk, so it went to a shoot-off to decide the Regional and Junior Champions. In the end Stuart Smith from Suffolk was declared the Overall winner, and Norfolk Junior Archy Stannard was Runner-up and Junior High Gun. Alison Coupe won the Ladies' title and Heather Pointer was Runner-up.

for any shoot-offs on a Sunday afternoon, especially if they shot on a Saturday, the county rules state that the 'Countback' system would need to be used. This proved to be the case. There was a flurry of Senior shooters who put in the same score of 42ex50. Karl Taylor, Glenn Thompson, Jason Potts and Joe Tomlin all tied. Using countback Joe Tomlin emerged the winner. The Veteran title was won by a wider margin with John Woolacott beating Frank Owen by two clays. Thank you to all who took part.

26 Jun: Skeet Championships

Skeet shooters, similar to those who favour the trap disciplines, like their weather sunny, warm and still, ensuring that clays are predictable in their flight. That did not turn up on Sunday for this competition. It started out cold, cloudy and windy and developed into a dry but very windy day. There were gusts of wind that made the low bird scoot along like it had a bus to catch. High clay had a tendency to stall over centre peg as air resistance met declining release energy from the clay. Some dipped and bucked as if riding a stormy sea. This gave everyone the need to concentrate, watch the clay and not take anything for granted.

The extra concentration countered the unpredictability, resulting in some respectable scores. Mick Russell put in the best with 96ex100 for the Veteran title. Leon Gill on 95 secured the Senior title and Sonny Bowman with 93 scooped the Junior title. There were quite a few women shooting this competition and Izzy was the top of the group taking the Lady title with a score of 88. Congratulations to all who took part and thank you.

Shooting for England – England cap

County shooters have been chosen to represent England in international competition. Andrew Lea received his 18th cap for the Olympic Skeet team – he'll compete in Ireland in August. Leon Gill has again been chosen for the English Skeet team. Sonny Bowman is a new cap in the discipline. Both will compete in Scotland in August. Congratulations to all, what an achievement!

And Finally

We're still looking for team managers and shooters for the region's Director's Trophy. Izzy Russell has agreed to gather skeet shooters, but we still need managers and shooters for the other disciplines.

Held at Tatson, on the 18 June, we thank the team for putting on another testing shoot over four layouts. The High Gun was once again Martin Elworthy with 96 shooting a perfect 25 on the last layout. Highest Vet was Pete Mylam with 87, highest Lady was Emily Morden-Hawke with 66 and highest Junior was Aiden Scott with 64. Please let the team manager Simon Ede know if you are unable to shoot the Inter Counties at Two Counties on 2 October.

Updates on FITASC

The SW committee were only able to confirm Barbury as host for a combined SW Championship and Inter-Counties event mid-June. The event date could only be the 31 July which had been the date set by the committee for our selection shoot. As there

was no ground able or willing to hold an alternative event at short notice before that date we have been unable to select teams. It is hoped that individuals will however compete for the SW Championship and they are welcome to wear their team shirts if they would like.

Our County championship for this discipline will now be held jointly with Devon at South West Shooting School on a date to be advised in September.

All Round Teams

Unfortunately, the SW committee have been unable to find a ground willing to host a South West Inter County event this year. This means that the teams already selected will have no competition to take part in unless another county would like to challenge us to a competition.

Gold Medal for Denzil

Denzil Grose pictured here has continued to take part in competitions around the country and most recently shot the second round of the Shotgun series at Fauxdegla Shooting Ground on the 19 June winning a gold medal in the Junior Men's competition. Hampshire DTL Championship

Fareham CTC hosted the Hampshire DTL on 19 June and they had a good entry from the Hampshire members. With the weather slightly windy the normal DTL targets did bob up and down a bit. Sean Gamblin became the 2022 Hampshire DTL Champion with a great score of 98/288, Barney Eastman the Colts with a 79/230, Phil Cole returned a 94/275 which took the Vets title, and Jane King on 76/221 the Ladies Championship title. It was great to see the multi-Hampshire Champion Jane King back shooting on the Fareham layouts after her recent heart operation.

Beretta World Sporting

E J Churchill's at High Wycombe was again the setting for the "Beretta World Championship" organised by the Hampshire based company GMK. Many Hampshire members made the journey on Thursday 23 June to this fantastic venue with many more entering on the Friday and Saturday. One hundred and twenty challenging targets set over fifteen stands at this great Sporting ground. Richard Faulds returned

107/120 with young son Charlie Faulds, claiming overall third place in the Colts with a score of 95/120. Watch out Dad he's hot on your tail. The Beretta Championship used to be set more local in Hampshire but finding a large enough ground is a problem these days. E.J. Churchill's ground is a superb venue and purpose built but quite a distance from the South coast members.

Hampshire Sport Trap Championship

A lot closer to home, Hampshire's Owls Lodge was the setting for the Sportrap on Thursday 16 June. Fifty-six Hampshire entries had a good attempt at the targets laid on at this well-manicured ground. The four twenty-five target layouts proved tricky for some. It's not just the distant targets that are a problem, its remembering which way round to shoot the simultaneous pairs that catch many entries out. Trevor Bell proved he still has a good reaction and a good eye returning a 95/100 to pick up the Hampshire Senior and Veterans Champion title. Trevor has been shooting for many years and using his trusty MK38, choked at three quarter and full using Fiochi F Black 8.5's cartridges, proved he's still got what it takes. The Ladies position went to Lauren Goodman with 83, Charlie Faulds the Colts 80 and the Junior title to Joshua Poyser. ▶

The cost of shooting

We all know the cost of our great sport is escalating with the fuel price rising then add to this cartridge costs which are now around £240 or more a thousand. For the clubs that put on our disciplines, the clay target costs are also rising fast. A delivery of clays to our Hampshire clubs and using Fareham CTC as an example

has now risen to £14,217 for 19 pallets. The humble orange clay that we are all so keen to bust are now nine pence each and as for rabbit clays, it's cheaper to buy real rabbits. So, when you walk up to a sporting stand, please refrain from having a few extra targets or wanting to see the targets again especially when you've been stood watching the squad in front of you.

SOUTH EAST

JO WATSON-HOPKINSON

✉ jowh001@yahoo.co.uk

We finally kicked off the South-East regional events and have a packed schedule for the second half of the year.

Down-the-Line, South of England, Bisley Gun Club

It was a well fought competition which went to a shoot off between Harry Lufflum and Rik Travers with both scoring 98/289. Harry went on to take the title. Ronnie Cole won the Juniors with a great 71/205. It was Ronnie's first ever registered shoot and first time shooting at Bisley so a great achievement. Janine Travels won the Ladies title for the second year in a row with a great score of 97/288 and John Parry won the Veterans with 97/285.

English Skeet Inter-counties, National Clay Shooting Centre

Luke Flynn took the title with a superb score of 99/100 in some testing conditions with strong blustery winds. Essex won the team

event for a second year by one point over Sussex with 454/500, Glen Defreitas 97/100, Nigel Cullinane 93/100, Dominic Lewis 83/100, Ray Simmons 91/100, John Lowrie 90/100. George Billington won the Colts on 72/100. Tracy Lowrie won the Ladies, retaining the title from 2021 with 90/100. Frank Arico won the Veterans title after a count back with 91/100. Confirmation of the Junior winner will be confirmed later, pending some confusions over categories.

BERKSHIRE

LUKE FLYNN

✉ committee@berkshire.cpsa.uk
 📍 sites.cpsa.co.uk/berkshire

Another great month of shooting in Berkshire, saw three County Championships and a Regional Inter-counties comp.

The Single Barrel kicked off the period with the multi county event at Bisley Gun Club. Always great to see the seasoned shooters; Peter Fraser, Glenn Adaway, Alain George, Ken Harman and Karl Williams getting down to business. After a fine day of shooting, it was Ken that rose victorious, just pipping Karl to secure both the Berkshire Honours and Veteran title for 2022. Ceyla was out displaying fine form as always to secure another Ladies title.

The FITASC Sporting closely followed with a trip across the border to the very wet conditions at Barbury Shooting School. Berkshire Sporting Legend Chris Childerhouse put on a great display of shooting to take the Berkshire honours for 2022 and was only a single target from the overall High Gun for the day. Pam Tibbatts battled hard through the tough weather conditions to secure both the Ladies and Veteran titles.

Hangman's Stone was our next stop, hosting another great Berkshire Sporting championship. Over 40 Berkshire Gun's attended the event with only a few targets separating Paul Gendall, Jeff Russell, Richard Wyatt, Chris Dounen and Joe Clarke. Mr Gendall rose victorious with a fantastic 95, not only taking the 2022 honours but Paul will also be the Berkshire Entry to the Champion of Champions shoot at the Game Fair, we look forward to reporting on his experience in the next issue. Good Luck Paul.

Jeff Russel's fantastic 93 was Top Veteran overall and secured the Berkshire title, Ceyla Ismet took the Ladies title and was only a couple of targets away from Top Lady Overall and Karl Miles also on true form, shooting well to retain the Junior Title for another year.

Our English Skeet team tackled strong winds at the National Clay Shooting Centre for the South East Region Inter-Counties, although we were unable to match the strong Essex side who retained the title for another year, we did have individual success with Joe Clarke and Luke Flynn taking a 1-2 at the top of the leader board and meaning the High Gun silverware remained in the county for another year. It wasn't quite the 100 that Joe posted last year but Luke's 99 was enough to seal it.

International Team selection for Berkshire shooters, Rising Trap Star Harry Poolman has been selected for team GB at the Nordic Shooting Region Championship and Phoebe Bodley-Scott and Luke Flynn both receiving England Team caps for the Home Internationals taking place in late August. Phoebe will be travelling to Ireland for the OSK and Luke will be flying the flag in Scotland for the ESK.

Good luck to you all, the county will be rooting for you!

We always look forward to hearing from our members. Please do get in touch and if you've got photos to share, tag us on Facebook and Instagram.

18 Jun: Greater London Single Barrel Results, Bisley Gun Club

The event saw a total entry of twenty-two shooters, with six from Greater London, but many of the usual names missing. The County Champion was Junior Haynes with 98, who was also the overall High Gun. The runner-up was Eamon Skehan, with a score of 90. The weather was unpredictable with light rain and winds. Thanks to Bisley Gun Club for hosting the event.

26 Jun: Greater London Sportrap Results, Southdown Gun Club Sunday

Total entries were thirty on the day, of which four were from Greater London. A breezy mild day, with good targets and refereeing. The catering, as usual, was very good. Adrian Balham was the County Champion with a score of 94 and Runner-

Junior Haynes Single Barrel Champion.

up was Louis Mondesir with 91. The Lady winner was Sian Hoskins with a score of 70. Entries are still down. We can only deduce that this is due to a slow return back to 'normal' after Covid. Additionally, increased fuel costs also make travel more expensive. Our thanks to those who went.

3 Jul: Greater London DTL County Championship, Bisley Gun Club Sunday

There were a total of fifty-one entries. A full-house turn-out on a warmish, mainly sunny day with a light wind. It was good to meet up with shooters I've not seen recently, as we all return hopeful from Covid. County Champion and Top Veteran was Cemel Seziner with 98/290, runner-up was Junior Haynes with 91/283 from a total G/L entry of eight shooters. Hello Oxfordshire, I hope you are all enjoying the Clay shoots so far this year.

I start by reporting on the charity shoot the committee organised in aid of Maggie's and Oxfordshire CPSA. The Helen McKenna Memorial shoot was held on the 18 June at the Oxfordshire Shooting School. Despite the weather being pretty dreary a number

of shooters took part to raise well deserved monies for Maggie's. Well done to Lucy Cantwell on winning High Gun, Jo Penzer for winning Ladies and to Matt Hance who won the Pool Shoot. Thank you to Lucy and Matt for donating their prize money back into the funds raised for such a good cause. Thank you to all who helped with the organising and the running of the shoot. A big shout out to Lucy Cantwell for hosting the day. The committee will announce the funds raised in the next issue of Pull. Sadly we had to take the hard decision of cancelling the County FITASC due to the lack of entries. We will try to reschedule the shoot for later in the year. Apologies for any inconvenience this may have caused.

Garlands Shooting Ground – ABT

Garlands ran an 100 Reg ABT which saw a healthy number of shooters turn out. Oxfordshire's Richard (Dick) Fletton finished on a 91ex100 placing him third in A Class. Well done Dick!

second in B Class with a brilliant score of 87ex100. Well done! They hosted their second shoot in June on a Friday which saw 86 shooters compete. Oxfordshire's Cheryl Hall won AAA class with a great score of 96ex100. Well shot Cheryl.

Westfield Shooting Ground

Mid June saw 129 shooters take part in one of Steve's great shoots. On this particular one I am pleased to announce it was won by Oxfordshire's Colin Waite with a 96ex100. Brilliant shooting Colin.

SIMON ARBUCKLE

We are now halfway through the year and the competition season is well underway with Sussex shooters competing here and abroad.

Firstly, I must start with the sad news of, following a short illness, the passing of another Sussex shooting and gunsmithing legend – Barry Anscombe. I'm sure there are many people who have very fond memories of Barry from over the years, whether shooting with him or through his gunsmithing skills. RIP Barry, you will be missed.

Simon Fenner reports: "I spent four days in Spain shooting for the GB Shooting team, 16-19 June. The event was the European Compak Championships held at the Rio

Sarr Shooting Complex in Santiago de Compostela. The shooting comprises of shooting 50 targets a day, each layout showing targets of different size, colour, speeds and angles. There were many different nations competing, Spain, Italy, France, Portugal, Latvia, Czech Republic, and Greece to name a few. I was shooting in the GB Senior Three-man team and finished on 190/200 earning a Silver team position behind Italy, with France third. I also finished equal fourth in the Seniors narrowly missing out on an individual Bronze medal by one target."

Other Sussex competitors were Hannah Gibson third in ladies, George Digweed third in seniors, and Will Fenner joint 18th in Seniors.

20th Overall. Other Sussex shooter results were Guy Franklin joint 11th Overall with 176/200 and Jeff Dix joint fifth in Veterans with 160/200. My apologies to any other Sussex shooters not mentioned.

UT

On 15 May the County Championship was held at NCSC in wet and dull conditions. Unfortunately, only four Sussex shooters competed for the title with Tim Woodhams winning 86/100 and retaining the title he won last year. Keith Blighton won the Veterans trophy with 82/100 and Richard Plester won Supervets with 70/100.

All Round

On 29 May at Fareham CTC Six Sussex competitors in this competition which was also the Hampshire County A/R. Tom Hudson won the title with his son Max, winning Colts. Keith Blighton took the Veteran title.

PETER SAICH

3 Jul: Surrey DTL Competition, Bisley Gun Club

Nick Haley was in top form and took the Surrey title with 98/291, just ahead of Tom Smith on 97/287. There was a tie for third place with Rik Travers and Karen Allen both scoring 96/282. Karen of course took the Ladies prize, while Rik added 13 points to his Supreme tally to extend his lead. Frank Arico added the Surrey DTL Veteran's title to his collection of Skeet titles and added valuable points to his Supreme standing. As there were no other County Championships to report on this month, we are looking ahead to forthcoming events and chances to add to your Supreme Points tally.

14 Aug: Surrey Helice Competition,
Invicta Gun Club in Kent

There are some top-level Great Britain Team members in Surrey, including Steve Cole, Fergus and Jo Watson-Hopkinson, but not many others who shoot this entertaining discipline regularly, so if you want to go and try this fascinating and social discipline (and pick up some Supreme points), go along and join in. Contact Jo if you want to ask any questions or need further details of the event.

18 Sep: Surrey FITASC Sporting Competition, Southdown

The next Surrey Supreme event is the FITASC Sporting Championship at Southdown on Sunday 18 September. This is the most challenging of the Sporting events, and a great opportunity to experience Championship level sporting targets. Book your squad time directly with Southdown.

Supreme Championship 2022

With only the Down the Line competition counting towards the Supreme Championship this month, Rik Travers has extended his score to 78 points, clear of wife Janine in second place with 60 points. Moving up into third place and top of the Veterans table is Frank Arico with 54 points. The next three in the table are another husband-and-wife combination, Fergus Watson-Hopkinson and Jo Watson-Hopkinson challenging for Senior and Lady

honours respectively, with Peter Saich still hanging on in the Veterans class on 39. Please see the website surreycpsa.com for the full Points table and details of forthcoming events and don't forget to follow Surrey CPSA on Facebook too.

OBITUARIES

TERRY SWINBOURNE 1943 – 2022

Terry was well-known on the DTL circuit, he shot for many years for the Shropshire DTL team and was a member and officer of the Bridgnorth and District Gun Club for over 30 years. Always helping at the shooting ground, he was Vice Chairman for quite a few years, earning himself an honorary membership.

He always had a story to tell to make people laugh and ran the novice section of the club, teaching gun safety and etiquette and perhaps get them to hit a clay or two.

Born and growing up in Wolverhampton, Terry eventually found work at Banks Brewery, ending up as Head Gardener looking after all of the Banks pubs and also building the play areas for the children. He lived in a lovely cottage on the outskirts of Shifnal where he kept ducks and chickens.

Terry lived for his shooting and would look forward to the Kriegoff at Mid Wales Shooting Ground every year – this was his favourite ground.

His daughter read a poem at his funeral – I would like to share this verse and dedicate it to Terry and all our close friends we have lost this past couple of years – I think they are forming a squad up there! (Save me a place on Peg 5)

Ron Jenkins

PULL

That's the word that imparts the thrill
That kindles the fire in the shooter to kill
Not the killing that's done at God's command
But the blood of the clay birds that calls for his hand

You may talk of the joy on fumes short lived fields
You may tell of the pleasure the youthfulness yields
But give me the true hearts of the men you meet
At the trapshooting grounds the sportsman retreat

The nerve that it takes in that old miss and out
And its nerve that will tell sir, if you do win the bout
Friends spirit of strife and their spirit of sport
That's what makes the trap the goodfellows fort

When life frolics are over the gun laid away
And the tide is at ebb at the end of the day
I will feel that my measure of duty is full
If when the Lord whispers ready then I shout Pull.

RJ SMITH 1947 – 2022

It is with great sadness that we announce the passing of R J Smith, known as Bob. A familiar sight on the Trap circuit throughout the eighties and nineties, Bob was well liked and highly regarded by those who shot with him. A great competitor, he was extremely proud to have represented both Great Britain and England in the sport that he really loved.

Above: 1987 GB Team members L-R: Chris Cloake, Bob Smith, Dave Wragge, and Ian Coley.

Insurance

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

COACH TO CHAIRMAN

We spoke to **John Robinson**, Chairman of the Institute of Clay Shooting Instructors and former England Team Head Coach.

Q Can you give a brief background on how you got into shooting?

I didn't start clay shooting until I was 26 years old, and was lucky enough to shoot for England and Great Britain from 1989, continuing to do so every year for the next 20 years. The legacy for me was some great people I met, and friends made, places visited and learning an enormous amount about the sport. Oh, and a few medals won on the way, thanks to a lot of help from coaches and the support of others!

Q Can you tell us about your times as England Team Head Coach at The Commonwealth Games?

It started with Glasgow 2014 and a year's run in with a squad that excelled in their tremendous attitude with everything that was put in front of them. Having been appointed after a raft of interviews and presentations I was lucky enough to bring in some great individuals that introduced psychology, physiotherapy, nutrition, and medical advice to the squad. Nearer to the event, we brought in TV cameras and interviews for the Team to get them used to the Games expectations of international shooters. Seven individual medals were won, a record for England and the highlight being a shoot-off for the Gold medal match between Steve Scott and Matt French, the

latter shooting a remarkable 29/30 only to be pipped by Scottie with a 30/30. Probably the best final I have ever witnessed. Every athlete in that Team should be extremely proud of what they achieved there and I was extremely proud of the whole Team, without exception. The Gold Coast, Australia followed in 2018, with every Olympic Trap and Olympic Skeet shooter making the finals, with Amber Hill producing an outstanding final and winning Silver. The nerve and attitude of Freddie Killander who finished with 75-straight to make the final by one, and never gave up should be particularly recognised.

Q What is your role in the 'Institute of Clay Shooting Instructors' and how long have you been in this role?

I am currently Chairman of The Institute, having taken on the role 15 months ago. I simply chair the council meetings held monthly with a group of eight hardworking council members who ensure we stick to achieving our aim of delivering 'continuous professional

development', available to all members of the Institute. The key for me is to ensure that the Institute continues to put in place courses and learning platforms to improve the sport by being part of the process to produce outstanding coaches. Prior to being Chairman I was on the Council for 12 years and have been a member of The Institute for 16 years.

Q What does the ICSI do in the World of Clay Shooting?

Set up in 1986 at the instigation of the CPSA, professional coaches primarily qualify through the tried and tested 'CPSA Coaching courses' at which point they can develop those skills with courses delivered by the Institute. The Institute's mantra is very much that 'every day is a school day' and it is important that we keep our skills up to take the grassroots of the sport forward.

The course content continues to develop and is delivered through workshops and clinics, online seminars, visits to the industries manufacturers, and development courses. In addition, a 'news shots' letter is emailed out every two

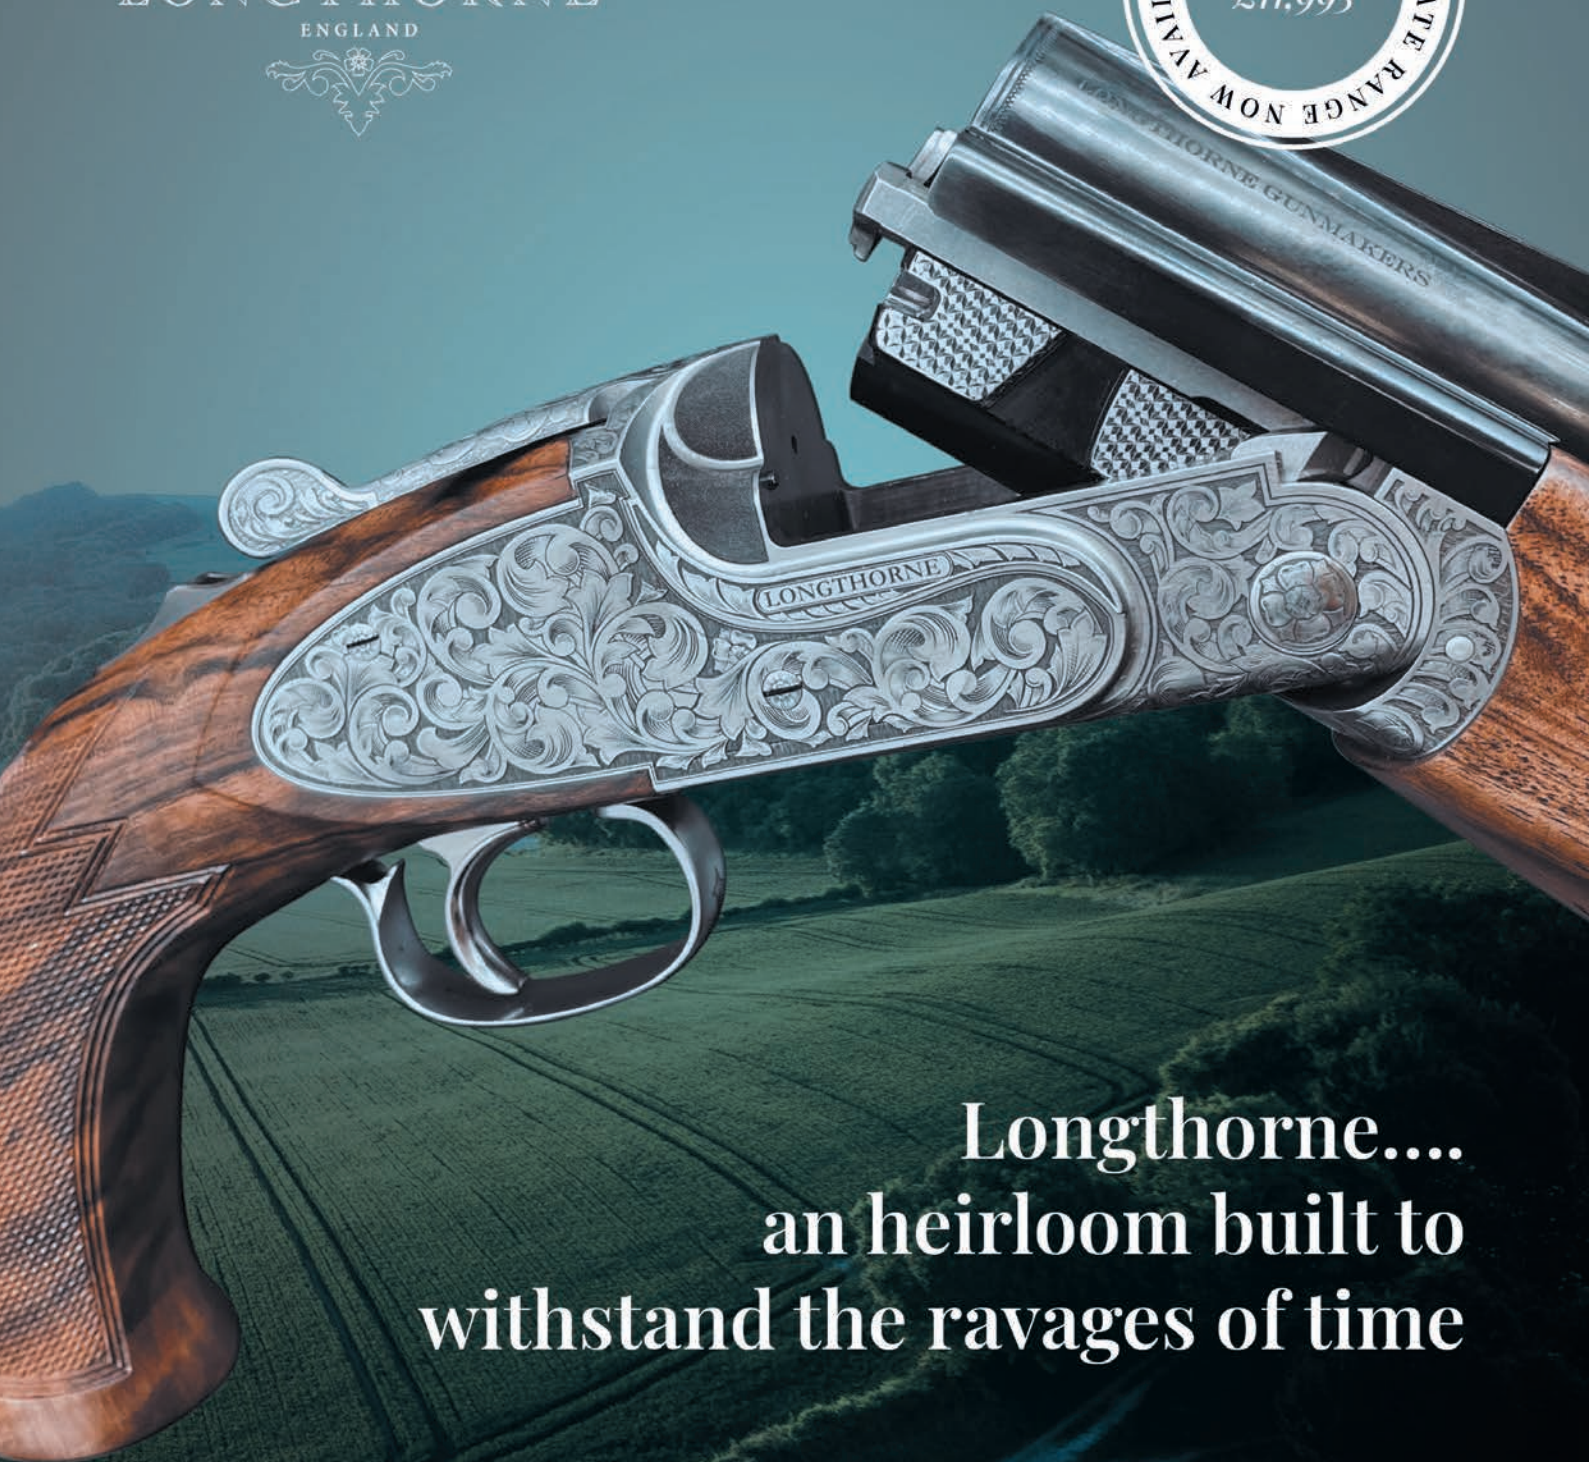

weeks to keep all members up to speed with everything going on in our sport.

Q What advice would you give to someone looking to get involved in Coaching?

Firstly, absolutely do it – you won't regret it. However long you have been shooting for, coaching is a completely different ball game. You need to spend time on the shoulder observing and observing but the rewards of coaching are enormous and extremely fulfilling. Contact the CPSA and speak with them about making it happen as the courses take you through all the stages and will get you there, and you will end up putting something back into the sport.

Q Is there anything else you would like to add?

I am finishing writing this having just returned from a six-hour search and rescue with the Mountain Rescue Team across the North York Moors for a badly injured mountain bike rider. What it does is firstly put our sport in perspective – it is simply a sport, so enjoy it! Secondly as a party leader and medic with the team, observational skills learnt from coaching go a long way to help in other areas other than just coaching. The transferable skills learnt in coaching are enormous. Coaching WILL develop YOU as a person. 🌱
