# WELCOME

OCT  
2022

**A**s we look back over the last month, we can reflect on three great CPSA major championships, the British Open English Skeet and the British Open Sporting and Sportrap held at Eriswell Lodge and Barbury Shooting School.

Firstly, congratulations to Tom Clifford as BO ESK Overall High Gun who secured the title amid pretty extreme conditions and a special mention to the team at Eriswell for looking after the shooters so well in the heat!

We took to Barbury for the British Open, and our thanks go to Huw, Josh, and all of the team from Barbury and the Referees who made sure the shoot flowed seamlessly. Also thanks to my team from Head Office, who perhaps go unnoticed behind the scenes working dawn till dusk!

As always, we expect to see some incredible shooting at these events and this time we weren't disappointed – Sam Green set the early benchmark on the Sportrap course with 95 which most considered unbeatable until John Lee shot 96 and George Digweed 97 to take the title.

The English Sporting was across five qualifying days with the 75-target final on the Sunday, followed by a 25-target super-final with some huge targets set by Josh who should be credited for putting on a fantastic course of targets across the week. It was great to see some new faces competing for the top spot and it was Sam Usher who emerged as the 2022 British Open Sporting Champion, taking his first ever major sporting title – well done Sam!

Lastly, please take a look at Clubhouse News for details about the CPSA Director Elections coming up in 2023. Nominations open on the 3 October.

## SHOOT SP LAUNCH THE NEW RANGE HELPING SHOOTERS GET THE MOST OUT OF THEIR SHOOTING

The biggest problem that a shotgun shooter may encounter is the eye over the rib not being the 'dominant' or 'master' eye and the brain using the 'off-eye' to determine where the gun will point and shoot. This results in the gun shooting anywhere but where the shooter intended, the off eye pulling the barrel offline and off target.

Steve Randles a qualified Mechanical Designer Engineer with 25 years experience in both Aeronautical and Automotive design and an ardent sporting shooter was having problems with his scoring consistency, oscillating between good and bad scores. When discovering it was an eye dominance issue, he looked to develop a new method to resolve the issue and after qualifying with a Professor in Optometry he launched the SP – Shot Paraboloid.

The SP is a simple profile that is positioned on the same side of the barrel as the handedness of the shooter and being visible in the peripheral vision (only) of the eye over the rib, becomes a constant stimulant to the brain ensuring that it uses that eye for reference.

I have solved many clients eye dominance problems using the STD SP (standard version) successfully for a few years now and was very pleased to learn that they have now extended the range to cover other guns and a range of

backgrounds and scenarios.

The SP is placed between the top and bottom barrel and depending where it is located on the barrel, can be beneficial to either method of mounting.

The new adjuncts to the range are the SP Sport, SP Low, and SP Low Sport allowing for specialist solutions for gun up shooters and single barrel guns while also enhance performance with the new blue SP Sport option. A new tape set for the Low format is also available meaning the SPs are all transferable making it a life time solution. The SP Low (Black or Sport) is a low-profile SP and is suited to the semi-automatic or single barrel shooter and is positioned either high for gun up or low for gun down shooting with a similar application possible on Side by Side guns. The SP Sport range is designed for improved visibility, with the conventional black being replaced by a blue ensuring positive visual contact (peripheral vision) even when shooting against a dark background.

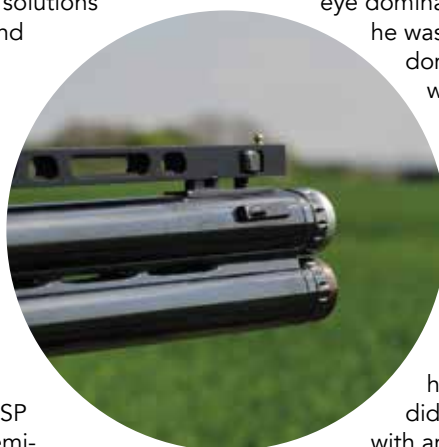

I see quite a few new clients every

week and a high percentage of them have eye dominance issues, a lot more than was evident 20-25 years ago and the only thing in our timeline that corresponds with this issue is the onset of computers and Visual Display Units, the operators/users of these devices focussing for a long time on a screen that is less than a metre away. Only this last week, a new client came in for a lesson with his shooting glasses taped over one eye and on asking the reason explained that he suffered from eye dominance problems. On checking his eye dominance, I discovered that he was almost 100% cross dominant. I asked him what problems he had encountered with the patch on his glasses, and he said that he didn't like it in his eyesight also he occasionally caught himself trying to look around the tape. I further asked him what target, if any, did he have problems with and he replied that most

were okay apart from a driven target which he said, he could not hit in a month of Sundays. I then asked if he had heard of the SP, and he said that he hadn't. I explained that this device 'super-switched' the shooting eye (one over the rib) on, tricking the brain to use that eye for input. With his permission I fitted the STD SP standard to his side-by-side, checked his stance and gun mount which he achieved, the Iris sitting centrally on the rib. I placed the SP so that he was aware of it in the peripheral vision of his shooting eye – he was also aware of it with both eyes open but he could not see it through his 'off' eye. He took to the SP instantly and went from the glasses with a patch on the off eye to both eyes open with and was hitting everything I presented, achieving yet another convert to the ever-growing SP family.

The extended new range affords the Semi-Automatic, Single Barrel or Side-by-Side shooter, the same benefits that the SP Std has done, and continues to do, for the users of Over and Under shotguns. Don't take my word for it, go onto the SP website at **shootsp.co.uk** and have a look at the range and in-depth description of each product and how to fit it to your shotgun. If you have any eye dominance issues, the SP provides a 100% solution and allows you to keep both eyes open retaining that all-important three-dimensional picture.

# ASK **THE** EXPERT

## DAMN RABBITS, I HATE 'EM

**A**s a referee these are words often heard uttered as a competitor enters (and more often leaves the cage) but believe me they can be just as difficult to score as they are to hit!

The rabbit target is probably one of the more difficult but interesting targets on the course and, from the referee's perspective, requires the most application of common sense and fair play when deciding whether the clay is a 'hit or loss'.

The first thing to remember about the rabbit target is that it is travelling along the ground, an obvious statement but this brings into play a number of factors that are not encountered when a clay is flying through the air. The CPSA technical rules for English sporting states under trajectories (24.11) that "At each stand, the trajectories shall be the same for each competitor in height, distance and speed" but, in reality, it often seems that no two rabbit targets are the same with some "jumping" into the air or veering to the right or left as they travel along and sometime being diverted by the broken clays that can litter the ground. Are all these 'no birds'? Of course not, but it is down to the judgement of the referee to consider whether the competitor has had a fair opportunity to take the target. Yes, it is called Sporting for a reason but that reason works both ways and the referee must ensure that fair play is applied.

Most shooter have experienced the situation

where they call for the target, are tracking it perfectly for the optimum hit and then the target breaks just as the trigger is pulled, was it a hit or a 'no bird'? This is where the experience and knowledge of the referee comes into play, have they had clays breaking in the same area before, did the target jump before-hand and land on a particularly hard section of ground, did they hear the shot fired just before or after the clay broke or has the shooter an unfair advantage and is using their telekinetic powers to break the clays? All factors that the referee has to take into account in that split second and decide on a hit or no target. True, the use of telekinetic powers can probably be discounted straight away, but I have heard competitors try and convince ref's that that's why the clay broke!

With rabbit targets, another common experience is when the target is fired at, appears to be missed and then breaks apart after traveling a short distance along the ground. Did it break because of the terrain or did the shot damage the target and its forward movement stress the clay causing it to break (we have all seen rabbit clays that are whole but have half a dozen pellet holes through them). General rule 3.10 defines a hit as where, in the option of the referee the target "Has had a visible piece broken from it, is completely destroyed or holes are seen to appear which have been caused by

the competitor's shot."

There is no mention or reference to any time period between the cartridge being fired and the clay breaking, therefore the experience of the referee and their knowledge of the stand / layout must come into play along with common sense as to how far the clay travelled before breaking, (six inches or six feet?).

So next time you're on the rabbit stand spare a thought for the referee who

has to consider all the above factors in seconds and do it consistently 500-1000 times that day. There may be cases when you see "hits" being given to other competitors or denied to you and you don't agree with the call but always remember, referees don't have favourites, they are trying to be fair and apply the rules of the sport / discipline fairly to all.

Lastly the old adage of "what goes around, comes around" will sooner or later apply and you will be awarded that clay which you were unsure of, but need to complete a clear round.

# BRITISH OPEN ENGLISH SKEET

When the heat is on... Eriswell Lodge hosted a searing hot Championship included a remarkable father and son performance in the same squad.

By **Will Hetherington.**

**T**he 2022 British Open English Skeet was held at Eriswell Lodge in August in what can only be described as searingly hot and humid conditions. Despite the extreme temperatures, 204 shooters put themselves into the mix to stake their claims to the silverware, and there were some incredible scores and efforts put in over the weekend.

On Friday morning the wind that had started as a minor factor soon became a slightly larger issue, and as a consequence the targets became a bit more inconsistent than they had been first thing. Despite this there were still several scores posted in the high 90s, although no-one broke the all-elusive 100-straight before the afternoon.

After lunch the wind became more consistent with fewer gusts, and on the second squad of the afternoon rotations father and son Marcus and Ethan Lord took to the ranges to add their scores.

In what is believed to be a first (although please do get in touch if you know of this happening before) both Marcus and Ethan posted their very first 100-straight, on the same squad, and at the British Open English Skeet no less. These scores ensured they would need to return on Sunday for a shoot off against each other for the title. But could anyone join them from the Saturday rotations?

## HOT COMPETITION

When Saturday morning arrived the temperature had not eased, but the wind had dropped off, making for good

targets. Several shooters of note shot through, including last year's winner Peter Chester, but after dropping a solitary target on the first range he would not be in the running for the title a second year in a row. Several others followed suit, dropping one or two targets on the round, but no-one added their names to the shoot-off list for Sunday.

Sunday morning saw the least wind of the weekend, but yet again the extreme heat remained. Leon Gill and Tom Clifford shot on the early morning squad, and benefited from the cooler temperatures to add their names to the shoot off list with a 100-straight each, making the shoot off a four way battle between Ethan, Marcus, Leon and Tom.

After the full round in the shoot off Leon had dropped two, placing him first in AA, Marcus had dropped one, placing him in the bronze medal over all position, but Ethan and Tom both shot clear, meaning a sudden-death shoot-off was required.

It took several rounds, and looked like it could go either way as neither of these talented shots looked like they were going to miss, but Ethan dropped one from each pair whilst Tom hit all four to claim the title for 2022, placing 16-year-old Ethan in the Runner-up position.

Veterans was won by Philip Thorrold, Ladies by Megan Jones, Juniors by Ethan Lord, Colts by George Billington, Disabled Sitting by Ben Woodham, Disabled Standing by Graham Cork, and Parent and Child by Marcus and Ethan Lord. 🍷

**BRITISH OPEN**  
SPORTING  
& SPORTRAP

King of the castle – Sam Usher is crowned the Champion at a thrilling event held at Barbury Shooting School, 30 August – 4 September. **James Marchington** reports.

**S**am Usher beat the favourites to scoop the British Open English

Sporting Championship title in a gripping Super-Final at Barbury Shooting School at the beginning of September.

It was no flash in the pan – the way the Championship is structured, Sam's victory was the culmination of a long, hard battle that saw him qualify for the Final, then shoot the equal top score in that event to get into the six-man Super-Final, and hold it together against stiff competition in front of an eager crowd to finally emerge the winner.

The British Open, as it is fondly known among Sporting shooters, is a historic event and traditionally the last CPSA Major Championship of the season. It always attracts a good entry, and shooters were eager to book in when entries opened way back at the beginning of the year – no doubt encouraged by the prospect of a shoot without the need for Covid restrictions, and the impressive job that Barbury had done of staging the English Open English Sporting the previous year.

The Barbury team, personified by the irrepressible Josh Brown, had excelled themselves this time. The ground looked superb, adorned with more flags and banners than you could shake a stick at. Parking was straightforward

and close to the relatively new clubhouse, where shooters could register, get refreshments, and relax inside or on the terrace. Close by, heading up the hill towards Stand 1, was an impressive row of sponsors' tents.

The sponsors are vital to an event such as this, and included Rizzini – distributed in the UK by ASI, Gamebore, Swatcom, Le Chateau, Schoffel, Fine Shooting Accessories, and Teague Precision Chokes, along with the support of Promatic. Between them

they contributed a huge amount of prizes, as well as adding to the

glitz and glamour of the event. Teague, Swatcom, and Gamebore all contributed prizes each day for a draw, picked by a random number generator, which meant everyone was in with a chance regardless of how well or otherwise they shot.

Thanks to Isuzu there was also a prize draw to win the use of an Isuzu D-Max pick-up for 12 months, drawn on finals day between the shooters with ▶

the highest combined score across the English Open and British Open English Sporting Championships 2022. The vehicle was parked prominently beside the podium in front of Barbury's smart clubhouse, and eventually went to Tim Manhire whose name was drawn at the prizegiving at the end of the event.

The most eye-catching feature on the ground was the massive straw bale castle which greeted shooters as they arrived down the long driveway. The castle formed the backdrop to the final stand, Stand 15, with one target thrown through the open doorway and the other flung from the battlements.

Shooters tackling the 120-target course had a long way to go before reaching that, however. With more than 1,200 competitors booked in, shooting started on Tuesday 30 August in clear, dry conditions with a light breeze. The course began on the slope above the clubhouse, climbed the hill to a grouse butt style Stand 2, then around the

top and the hill and back down to a stubble field beyond which had been brought into the shoot specially for the competition.

It was here the shooters encountered perhaps the most notorious target of the competition, officially the 'gravity rabbit' although there were many other names applied over the course of the shoot. This rabbit clay was thrown weakly out from a trap high on a telehandler, arcing briefly before gravity took over and it accelerated towards the ground. It was followed on report by a low angled teal speeding away from behind a wall of straw bales. The killer combination left holes in many a score card.

From here the course wound on into the Deer Park, with a variety of crossing targets, before crossing the car park into The Middle and Skeet Field. One stand was shot from a platform attached to the Skeet high tower, while another, also shot from a platform, had a deceptive pair of orange crossers travelling in opposite directions. At last shooters came to the straw bale castle and the final Stand 15, before strolling back to the clubhouse to contemplate their score. It was good to see many people choosing to stay around and chat with friends rather than dashing off once they had shot. The consensus was that the targets were hard but fair: just as you would expect at a British Championship.

Top score of that first day went to Richard Faulds, with 112ex120, with James Bradley-Day nearest to him on 109 and Michael Cyffin-Jones one behind on 108. Paul Finney led Veterans with 104, and Cheryl Hall was the top Lady on 102. John Porter shot 100 ▶

to lead the Colts. Each day the top four from each class, and top three from Seniors, Ladies, Veterans, Juniors and Colts were invited back for the 75-target Final on Sunday.

Conditions remained good the following day, although the wind picked up a little in the afternoon. Top score of the day was Nathan Skinner's 109, with Martin Myers, Nigel Hart and Richard Hughes snapping at his heels on 108. Thursday brought a little light rain, but was largely dry and once again conditions were good for shooting. Lee Jackson, Jason Allaway and James Attwood all put in excellent scores of 109, only for Sam Usher to shoot a huge 113ex120 in the afternoon and top the leaderboard.

Day 4, the Friday, brought a little rain, but nothing to dampen shooters' spirits, or the scores, which were updated throughout on the CPSA website. Nathan Hales match Sam Usher's score with another superb 113ex120, closely

followed by Luke Mortimer with 111, Chris Childerhouse with 110 and Julian Freeman with 109.

Saturday was the last chance for shooters to qualify for the Final, and once again conditions remained favourable. Billy Greenwood shot 112 in the morning, which was equalled by Tim Webster in the afternoon. It looked as if Sam Usher and Nathan Hales would keep the top spot to themselves – until right at the end of the day Mark Winser posted 113 to join them at the top of the leaderboard.

Not that it made any difference for the next stage. Once a shooter had qualified for Sunday morning's Final, the scores were re-set to zero and it was everything to play for once again, on a new 75-target course which would decide who progressed to the six-man Super Final.

Things took an unexpected turn as several of the favourites dropped out of the running. George Digweed, James Bradley-Day,

Richard Faulds and Richard Bunning all failed to make the six-man super-final. Chris Childerhouse and Sam Usher led the field with 69, and after a shoot-off it was Martin Myers, Martin

Doughty, Nathan Skinner and Julian Freeman who completed the super-final line-up.

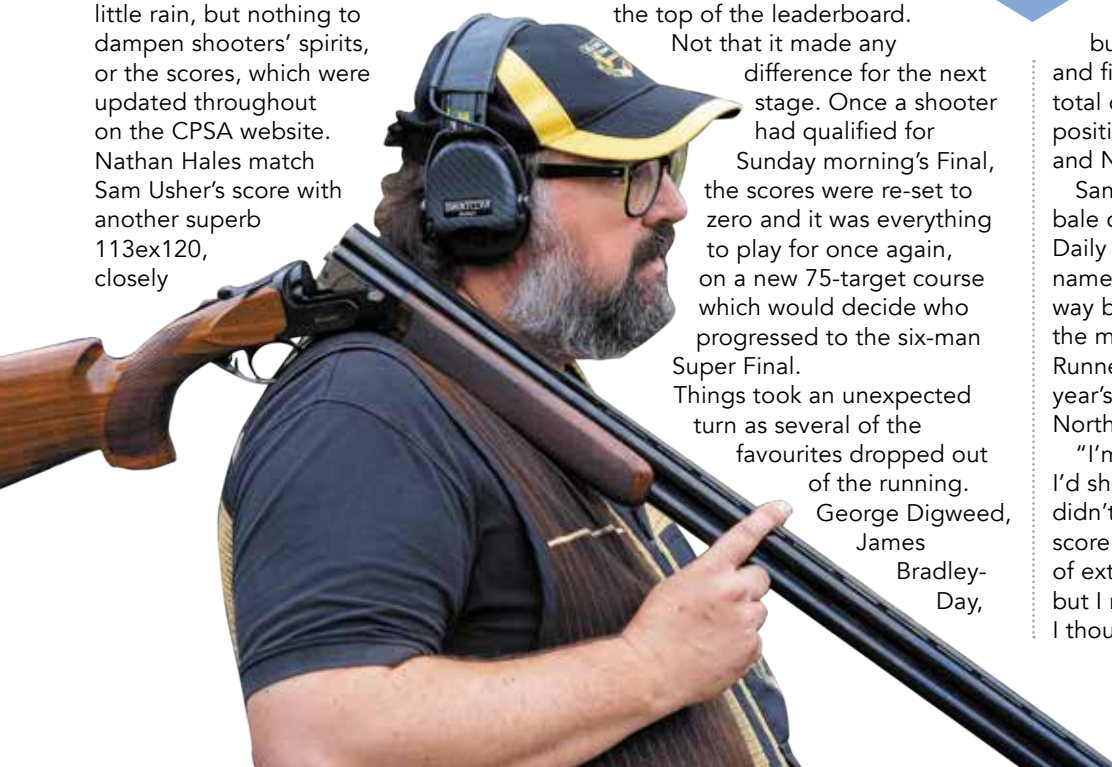

This time the scores did matter, as they were carried through into the super-final. The six faced off in front of an eager crowd, as the threatened rain held off. After 25 targets over three stands,

Nathan Skinner and Chris Childerhouse were level on 84, but Sam Usher had pulled away and finished the clear winner with a total of 86. A shoot-off settled the final positions, with Chris taking Runner-up and Nathan third.

Sam climbed to the top of the straw bale castle and held aloft the historic Daily Telegraph trophy, bearing the names of former champions all the way back to 1926. The win meant all the more to him after narrowly coming Runner-up to Brody Woollard at last year's British Open at Swinton Estate in North Yorkshire.

"I'm over the moon," he said. "I felt I'd shot pretty well on the Thursday. I didn't know how I felt being the top score because that can give you a bit of extra pressure coming into the finals, but I managed to keep myself together. I thought I was a couple light going

consisted of four layouts: two in the Deer Park and two in the central part of the ground.

The general feeling was that the Sportrap was, if anything, more challenging than the English Sporting course. Sam Green shot an impressive 95ex100 on the first day, ahead of James Bradley-Day on 92 and Richard Faulds and Andrew Calvert both on 89.

Sam's 95 held the lead for the next three days, only really being challenged by English Open Sportrap 2022 Champion James Attwood scoring 93 on Thursday. Then on Friday George Digweed MBE shot a jaw-dropping 97 to take the lead with just one day to go.

John Lee came close on the final day of the competition, shooting a terrific 96ex100, but George Digweed's 97 proved unbeatable as he took the title of British Open Sportrap Champion 2022. After that performance it seemed likely he would be in contention to do the double and take the British Open Sporting the following day, but he missed out on a chance at the Super-Final by one target, leaving the way clear for Sam Usher's win.

One nice touch was to see Sam Green, who collected 250 Gamebore cartridges as part of his third place prize, tossing a coin to decide which of three youngsters to donate his cartridges to. He explained he had no need of more cartridges, and "It's nice to encourage the youngsters."

round the 75-targets but I managed to come out OK and make the final, and I'm really happy to come away with the title. Congratulations to everyone who's won category and class, and the team here at Barbury who put on such a good event."

Other notable successes included Ladies High Gun Hannah Gibson with 66ex75, Junior High Gun William Page also with 66, Lady Junior High Gun Lucy Earl with 100ex120, Colt High Gun Ruben Calton on 61ex75, and Lady Colt High Gun Fern Lancaster with 91ex120. Martin Doughty's 67ex75 won him the Veterans prize as well as making the Super-Final.

Winners are generally complimentary about an event of course, but this year's British Open Sporting was praised by all. Barbury really had put on a superb shoot, with all the facilities and glamour that befits a Major Championship. Behind the scenes, the CPSA team ensured that registration and scoring ran smoothly, and the sponsors had stepped up and helped to make this a shoot to remember. All in all, this one sets the bar very high for next year!

# HOME INTERNATIONAL

## OLYMPIC TRAP

**Anita North** reports from the 45th Olympic Trap Home International, held at Courtlough Shooting Ground in the Republic of Ireland on 19-20 August.

**O**lympic Trap shooters from England, Scotland, Wales, Northern Ireland, and Republic of Ireland gathered at Courtlough Shooting Ground in Ireland for the 45th OT Home International on Friday 19 and Saturday 20 August. The England team, under the Captaincy of Mike Faux, included a significant number of new caps across Seniors (Open), Ladies, and Super Veterans teams.

### THE ENGLAND TEAM

The Senior team consisted of Captain Mike Faux, Andrew Greenwood, Mark Robinson, Dean Molnar, and New Caps Andrew Dunne, Scott Forrester, Dave Allwood, Mick Young, and Emre Baran. Representing the Ladies were Melissa Callum and Amanda Gallagher, both New Caps, and for Super Veterans Michael Cooper and Richard Kelsh, again New Caps.

### TAKING PLACES

After the super-hot summer we had been having, there was a definite change to conditions as soon as we arrived in Ireland. The days of official practice and competition saw a real mix of weather, from bright sunny skies to rain and overcast conditions with some gusty winds thrown in for added interest! Changeable weather and interesting light conditions made shooting

interesting, and this was reflected in the scores.

A special mention has to be made for England New Cap Emre Baran, who put in a straight at the end of Day 1. Indeed over the two days of competition only three shooters shot a perfect 25x25. This was a first in competition for Emre and it was a super end to his first day competing for England.

However, consistency and determination were the name of the game. At the end of the 150-target competition Ewen Patience of Scotland, who had shot consistently well over the two days, finished on 139 to take High Gun of the Match as well as Senior High Gun, two targets ahead of Barry Lynch from Ireland. England's highest scorer was experienced Trap shooter Andy Greenwood, who finished on a score of 134.

In the New Cap competition, a shoot-off was needed to decide the winner. It was England shooter Andrew Dunne who shot a solid 23 to take that win.

A significant part of the Home International is the team competition. In the Senior teams competition, it was close all the way through and it was down to the last shooters in their last round to decide the eventual winning team. When the last clays were shot, it was England who came as top Senior

team with a total of 754 to Ireland, who finished with a total of 752. The hosts, Ireland, took the Winning Overall Country and are to be congratulated

for this result. Indeed, well done to all winners.

After shooting was completed, it was time for the official team photos, speeches and the presentation of prizes at the official banquet.

### RESULTS

England were the winning Senior Team and were also the Runner-up Ladies Team. England Team members took the following individual awards: New Cap High Gun

Andrew Dunne, England Overall High Gun Andrew Greenwood, Ladies Runner-up of the Match Melissa Callum, and winning Team Manager Anita North.

As Team Manager I have to add my personal thanks to each and every member of the England Team for giving their all and making the whole experience a great one. It was inspiring to see such a brilliant team spirit with the shooters being truly supportive of each other over the course of the competition. I have to thank Mike Faux who gave a brilliant speech to the team before the competition started – it really did hit the right buttons. It should be noted that we had five team members from the British Army this year – it is great to see their development continuing over recent years. One of our team members, Amanda Gallagher, had additional challenges to face before competition. Amanda had a gun breakdown that meant she – along with husband and chauffeur Alex – spent an afternoon and morning travelling the length of Ireland to get her gun repaired before she could get to official practice. I also have to give a big thanks to the whole team at Courtlough Shooting Ground who worked hard to ensure that the whole event ran smoothly. Without the work that is put in behind the scenes, competitions like this can't take place.

Congratulations everyone and well done to all the shooters who competed. I am honoured to be Team Manager for this England Team. Roll on the next Home International, which will be in England. 🍀

Consistency and determination were the name of the game

# ENGLISH SKEET

## HOME INTERNATIONAL

The English Skeet Home International, 26th-27th August 2022, held at National Shooting Centre Scotland. Manager's Report by **Julia Havill**.

**T**he 41st English Skeet Home International took place in Scotland at the National Shooting Centre, Falkirk. England had 7 new caps this year, Seniors, Luke Flynn, Kieron Lomax, Ladies, Isabel Cartlidge, Becky Cleary, Juniors, Sonny Bowman, Henry Lungley and Vets Paul Stokes. Our Captain this year was Andrew Parsons.

Thursday, practice day, weather was kind and targets were looking good. The draw took place at the ground, all managers happy, all squads ready and all to play for Friday morning start! Targets were set early overseen by all managers and many team members, let the fun begin!

Weather was a little cloudy and sadly with it came the midges, however they didn't stop play and the 25's began to roll in, especially for team England. The weather sadly took a turn and the heavens opened; I heard some say biblical! Squads shooting were drenched, and visibility was difficult for everyone. By mid-afternoon, it looked set in for the day, a swift managers meeting to decide whether to suspend play for a short time or to call it a day, decision made to suspend and as if by magic the rain suddenly stopped and shooting resumed.

By the end of day one it was looking good for England, the scoreboard was a sea of red, 47, 25 straights, three, 100 straights, Peter Chester, Kieron Lomax and Steve Leppington, a few 99's and 98's, we were ahead in Seniors, Supervets and Juniors, Ladies

tying and Vets just two targets away. Saturdays last 50 was all to play for!

Day two, the weather was much better and thankfully midge free. Once again England came out strong, as did the other nations. It was looking good for Peter Chester, after his 100 on day one, could he do a perfect 150 back-to-back, sadly it was not to be as one slipped away on his last round so a superb 149. I think everyone on the ground was disappointed for him!

So, shooting finished and there were shoots offs to be watched, Senior high gun runner up all on 148 plus new cap trophy. six shooters in the shoot off, four from England, Luke Flynn, Kieron Lomax, Tom Clifford and Henry Lungley, two from Northern Ireland, Shiels Hessin and Gordon Roulston, Shiels took the runner up spot and Luke Flynn took the new cap spot, from Kieron and Henry.

Ladies also were to shoot off, this between Megan Jones and Isabel Cartlidge, with Megan just taking the win 25 to 24. Now to the Veterans, all on the same score, a three way shoot off, Andy Parsons, Martyn Fleming and Paul Stokes, with Martyn taking the win with a 25.

This year we also had a Managers round of 25, just for the fun of it, great fun and banter all the way round. Sadly, Malcolm Graham of Ireland didn't get the memo to miss one and took the win on a 25, unfortunately for me no Runner up! Ah well!

England took the Overall winning team trophy, Seniors, Supervets, Ladies and Juniors, with Veterans coming Runners up! A good day at the office!

And so another Home International is over for another year, all new caps did themselves proud, Henry Lungley on a 148, not bad for a first one, Peter Chester on 149, it's been yet another good event, great atmosphere around the ground, the banter second to none, I did hear someone behind me say "Oh not another one" as one of our boys shot a 25 straight, made me smile!

As manager, extremely proud of the team, and my winning managers badge, it's been superb, here's to the next one in Jersey! 🍷

# AUTOMATIC BALL-TRAP HOME INTERNATIONAL

Esler County Galway, 2-3 September 2022

**T**he first day of the 47th ABT Home International ABT Tournament at Ireland's ICTSA National Shooting Ground at Esler in County Galway opened to mild, warm, and sunny conditions with little wind, and the general consensus was that the scene was set for some high scores.

So it proved to be, with good scores being submitted from the outset from several teams, with Ireland enjoying their home advantage. Both Ian O'Sullivan and Brian Smith submitted 50-straight, and a plethora of 48s and 49s from the Northern Irish, Scottish, and Welsh teams. England were very much in the fight though, lead by David O'Donnell with a solid 50-straight himself, with a lot of team members just a target or two away.

As the day closed Ireland's Smith and O'Sullivan were on 99 and 98 respectively, and England's O'Donnell just let his 97th target slip away for 99. Other notable England performances included Veteran Ian Woodhead on 98 – in fact such was the quality of the shooting that the lowest Day 1 score between the Veteran and Supervet teams were three 94s! In the Ladies, New Cap Melissa Callum was on 85, with Captain Sue Bate close behind on 84. Overall, Ireland's Senior team led the first day by just four targets.

Day two began in cloudier, poorer light conditions which were reflected in slightly lower first round scores. The Irish team continued to shoot consistently though, with Brian Smith

finishing with 196. English scores were good – the ever-consistent David Lloyd submitted 193, Jack Wilkinson 192, but overall we just couldn't do enough to pip the Irish team, who ended up winning the Senior Mens event by 1867 to 1848.

The day was rounded off by a dramatic shoot-off for Runner-up between David Lloyd and Ireland's Ian O'Sullivan – both shooting 25-straight and went on to single barrels, with O'Sullivan straightening again and David letting a couple slip away.

New Cap Melissa Callum shot superbly to win Ladies High gun, and a notable mention should be made of William Gilbert – entered as a Senior as there was no Junior team – shot 96 on Day 2 for 185 which would have put him in a shoot-off for Junior High Gun. Alasdair Williams was England's New Cap on 186 – well shot!

This year's England Team were awarded Overall Winning Team, Winning Ladies Team, Winning Veterans Team, Winning Super Veterans Team, Ladies High Gun, Veteran High Gun, and Super Veteran High Gun – again, very well shot.

A combination of great targets and immaculate layouts, hugely helpful staff in Garry and Trish in the office and Jerry on the ground made this an enjoyable competition – well done to all and here's to Scotland next year!

## AUTOMATIC BALL-TRAP BRITISH OPEN

As is traditional, the ABT British Open took place the day after the ABT Home International, held at the ICTSA National Shooting Ground at Esler in County Galway. With 94 competitors, the majority of whom had competed together for their countries over the previous two days, commenced the shoot in still, bright conditions.

There was a smattering of straights across the opening round from several competitors including, from England Ray Sutton, Dave Lloyd and 18-year-old William Gilbert, today competing as a Junior as opposed to being a Senior for purposes of the England team at the Home International. As expected, the locals were shooting well too – and it wasn't until the third round that a potential winner emerged in Will, who had shot a

magnificent 75-straight. Word quickly spread around the ground and a small crowd gathered to see if he could make the magical 'ton', peering into the layout and ticking off bird by bird. Will shot at his metronomic best, and, other than a heart-stopping second barrel on his 99th bird, completed the magical full house, to rapturous applause – cue one tearful and very proud mum Christine. This was a superb and memorable win for this delightful young man who is one of a band of strong junior trap talent in the UK.

Dave Lloyd came third after his second consecutive shoot-off, and the England's top lady from the Home International, Melissa Callum continued her run of good form and overcame a 21 in her first round to finish on 91 and claim the Ladies' title. Susan Bate, HI England Team Captain, added to her medal tally with a strong third place on 86. A shoot-off for B Class eventually went to single barrels and was won by JJ Reilly from Darren Wood, and William Gilbert also took the Junior title by a large margin.

# FITASC ENGLAND TEAM SELECTION

FITASC England Team Selection Competition, held at High Lodge Leisure on 20-2 August 2022.

The two-day event was attended by 104 competitors, with both days rewarding the same good weather and removing any excuses for the entrants – not that any came regarding the competition itself. The feedback was extremely positive regarding layouts and variety of targets, which covered all capabilities of competence without compromising the event's purpose. Something that has come to be expected from the team at High Lodge, and they met and surpassed the challenge with ease. I say with ease, a vast amount of effort and pain was taking in setting the course, High Lodge just makes it look easy!

Two of the layouts, Blazer and Eley, were on the Open Skeet ranges, but that was where any similarity to skeet ended. Fairway was on the old golf course ensuring the ground made full use of the landscape now

“The ‘Woodlands’ layout was a clever hybrid design, taking most competitors by surprise”

available to them, and the ‘Woodlands’ layout was a clever hybrid design, taking most competitors by surprise, when after peg 2, they were asked to gather their gear and follow

the ref to a third peg on a completely different layout with five new targets.

Phil Gray performed outstandingly to return at the end of the second day with the High Gun of 98ex100. Veteran High Gun Martin Doughty and Joshua Brown were equal Runner-up posting 96, with Ron Cherry, Mark Goddard, Guy Franklin and Steven Trout all tied on 95.

Robert Palmer was Super Veteran High Gun on 92, Sarah White was Ladies High Gun on 88, with Will Page completing the High Guns taking the Junior spot on 85.

A brilliant weekend of weather, competition and feedback. Well done to High Lodge Leisure management and team. 🌿

# SUPER SPORTING

**Nicola Heron**, CPSA National Director visits Garlands Shooting ground.

**N**ot too long ago I went up to Garlands Shooting ground for my first Registered Super Sporting competition, put on by Steve Lovatt of the Clay Shooting Company.

First of all it would be helpful to counter the myths that Super Sporting is a harder version of English Sporting. It is not – this is a misconception. It is a discipline with lots of variety and thanks to the variety of targets on each stand, it makes it very enjoyable to shoot. It is a fun game. There were ten stands in the competition, each with menu cards showing the order of the targets. Nine of the stands had four targets (A,B,C, and D) and one stand had three (A, B, and C).

On each stand you shoot singles with full use of the gun, followed by the doubles, which can be on report, simo or following pairs. What is particularly fun is that you stay in the stand to shoot both your singles and doubles, unlike other

disciplines using menu cards. This helps the flow and you immediately remember where to shoot the targets in the doubles, because the doubles are shot before you leave the stand.

Having full use of the gun in the singles allows shooters of all abilities to get points on the score card, because if you miss with your first shot, you can try again with the second shot. I particularly love this aspect of this discipline.

The Simos can be shot either way round, and benefit both left and right handed shooters.

Another great plus to this discipline is that you are not restricted in your gun start

positions, you can shoot gun up or gun down and everything in between. This means that all the way around the course, the shooter decides what method they want to use on each target.

This discipline is not new, as the Americans also shoot it, but it is new to CPSA as a registered discipline. It bridges the gap between English sporting and other menu card disciplines like Sportrap etc. Steve is going to dedicate time to put on more SSP shoots and is looking to run a winter series, so look out for fixtures at both Garlands and Westfields from October.

I think this will become a great favourite amongst CPSA members so watch out for it appearing in the WESP championships next year as a side event. In the future we hope to run major championships in the discipline.

This is what SSP is, so all you need to do is give it a try. I am sure you will love it.

level with France at the end of the last day, with France taking silver on countback.

The Veteran team were nip and tuck with South Africa throughout the competition, with GB taking the edge going into day four, only for South Africa to finish level pegging, with GB once again losing out on silver on countback.

Howard Batt had a great run in the Veteran: Going into day three, he was in seventh place, but moved up four places at the end of day to gain fourth place, and on final day, came out with bronze medal.

And New Cap, Finley Bowles deserves a mention, although no silverware, he put in a very solid performance throughout the competition, so good luck to him for the future.

The ECH is the first event with Quota places for 2024.

## LUCY HALL KICKS OFF GBR'S CAMPAIGN FOR PARIS 2024

In the Trap Women, Lucy Hall finished the qualifying rounds on 117ex125, putting her equal fourth with 2019 World Champion, Carole Cormenier (FRA) and 2012 Olympic Champion, Jessica Rossi (ITA). Lucy outshot both women in the shoot off for the ranking places. Jessica won the RM with Lucy second, putting both in the Medal Match (MM).

The MM was a stunner; Lucy put in the performance of her life: only dropping four targets in the first 25, enough to put her in last two, shooting for gold and silver, both with a guaranteed treasured 2024 quota place. Lucy went on to shoot the last ten targets straight, finishing in silver, just one target behind multi medallist, Silvana Stanco (ITA).

Nathan Hales was frustratingly close to a quota place, winning his first senior medal in Trap Men. He was level with Rickard Levin-Andersson (SWE) at the 25 target mark, but was ruled out as the lower ranking finalist, but finished with a very well earned bronze.

NORTON SPORTING PHOTOGRAPHY

The Mixed team events: Lucy and Aaron Heading made one of the bronze MM, but unfortunately lost out to Slovakia, the kicker was if GB had shot against the winners of the other bronze MM they would have come away with a medal!

The Trap Women team put in a good showing to come away with bronze, having finished the qualifying rounds behind Germany, they then proceeded reverse the order in the bronze MM by six points to four.

The Trap Men matched the Women's performance with a bronze, also beating Germany into fourth.

Then we move on to the Trap Juniors, with some great performances, although no individual medals, Tom Betts and Maddie Purser won bronze and Mixed Team event.

The following day, the

BRITISH SHOOTING

**Above:** Back Row from left: Lucy Hall, Matt Coward-Holley, Aaron Heading, Nathan Hales. Front Row: Kirsty Hegarty, Ellie Seaward.

**Above inset:** Lucas Hyde, Ben Killian, Tom Betts, Junior Trap Team. Gold.

Junior Men won Gold in the team event. Finishing the qualifying rounds seven targets behind Czech Republic, the two moved on to the Gold MM, CZE to the first two points, but the GBR team ensured those were the last points they won, finishing six points to two, brilliant performance.

How does Trap Coach, Marco Micheli feel to have achieved such tremendous results:

"Very proud of the work we have all done, it makes it worthwhile. Every team member won a medal, and we are the only nation to have won two quota places in men and women for next years' European Games! It was good to see our shooters capitalising on all the good scores shot during the season."

"Plus, having three men and two women in the top 10 World Ranking."

First to hit the ranges for Skeet were the Junior Women: Bethany Norton shot five solid rounds for 103ex125 to finish tenth. Sophie Herrmann, having finished day one in sixth place, was knocked out of contention after a torrid round, which involved a very long delay for officials to decide if a target was 'good' or a 'no-target'.

Sophie and Mitchell shot their way to gold –both showing real courage throughout.

Late Skeet News: Another Quota place and Gold for Amber Hill and a bronze for Ben Llewelyn. Plus, gold for the Ladies Team, Amber Hill, Jess Burgess and Emily Hibbs. GBR finished second in the medal; an extraordinary result all round.

Full report on the Skeet senior performance in the next issue. 🍌

# TOP TIPS FOR BEGINNERS

## MIKE WILLIAMS

**Locations:** Cambridge Gun Club, Chalk Farm, The Priory Clay Target Centre, and Sporting Targets  
**Disciplines coached:** All domestic disciplines and Olympic Trap

Mike has been shooting for over 60 years, and has a natural flair for teaching. "Once I get into something, I have to know all the ins and outs of everything, hence why I end up coaching it," he explains. "I grew up in the fens of Cambridgeshire and loved rough shooting, however my wife didn't like guns in the house so I didn't shoot for many years. But in the mid '80s I well and truly got the bug again and decided after just one lesson that I wanted to learn more."

By 1994 Mike had qualified as a Senior CPSA coach and was asked to become a CPSA Tutor and Assessor. Today he coaches full-time and is chairman of the Education and Training Steering Group. "Seeing that huge grin on someone's face when they hit their first clay, or a seasoned shooter become successful on a target that they've had real problems with gives me huge satisfaction," Mike admits, "I am very happy coaching and really enjoy doing it."

### TIP 1 USE THE CORRECT METHOD FOR LEAD

Shooters measuring and concentrating on how much lead they are giving the target will invariably take a quick glance at the gun when attempting to hit the clay to check what lead they have given it and stop the gun. This inevitably creates a jerky swing and limits performance. If they focus on the clay, using the correct method for leading the target, for example the 'pull away' method in many instances (where you acquire the target and increase the lead until it is appropriate to hit the target), the gun's movement will be fluid, which is exactly what we want.

Of course, it comes down to hand-eye coordination, a good mount and set up, and if you have those, you will know the lead without trying to measure it. With experience you will overcome more challenging layouts.

### TIP 2 HAVE A GOOD SET UP

You need a firm basis from which to start, and if the set-up is wrong you won't achieve the desired result consistently. The position of the feet, the width of stance, weight distribution, right the way through to the cheekbone on the top of the comb are all equally important. A reputable instructor or coach will put you right.

If you are new to shooting and want to improve and check your mount you can do so by dry mounting the gun (unloaded of course) in the mirror and checking that all points are correct. With the correct set up, method for and focus on the target, you will get the desired results.

### TIP 3 LOOK AT THE TARGET, NOT THE GUN

In my view, this is the single most difficult challenge for a novice to overcome. They need to be aware of the gun in their peripheral vision, but the main focus must be the target. Remember: with shotguns it is a point, not an aim, unlike a rifle where you align the foresight and backsight with the target.

For someone struggling with this, I get them to point at something in the distance and I then ask if they looked at the finger to get there or the target. Quite a few of them say finger at first, so I then give them another target and the answer is invariably then no. Soon they realise what they have to do.

## LEE WILCOXSON

**Location:** Cockett Farm Shooting Ground, Nottinghamshire.

**Disciplines:** Mainly Sporting and DTL (for which Lee shoots for England)

Lee started shooting clays 33 years ago, aged 18. However, it wasn't until his return from working abroad in 2014 that he started to take up the sport seriously, and qualified as a Level 3 Senior Coach just two years later. "It sounds cliché, but I enjoy the buzz of shooting, putting oneself against an inanimate object, and the fact that everyone can improve – including myself," he says. "I've been interested in shooting all my life and enjoyed helping people, so the two went hand in hand. My wife encouraged me to go for it and I've not looked back. Shooting has been fantastic for me and I am delighted to be able to give something back to the sport I am in love with."

### TIP 1 GUNFIT

Nearly every week a client comes along who is struggling to shoot well with a gun they have purchased from a friend. And the reason for the struggle is poor gunfit. The problems that occur from this become systemic, the low comb can force them to lift the head, then they drop the comb to reduce felt recoil on the cheek etc. I even had a lady who was thinking about quitting the sport until I sorted her gunfit, changing her comfort and outlook on the sport completely.

I only advise people to buy guns from a reputable dealer. Secondly, see a coach or good instructor who knows what they are talking about with gunfit. Without the right sight picture you can't hope to shoot consistently, and will inevitably end up perfecting a mistake, which is very hard to fix in the long term.

### TIP 2 EYE DOMINANCE

People are often told they must shoot a shotgun with both eyes open, which is fine if they don't have cross-eye dominance. Those that have can endure no end of issues. I'm completely left-eye dominant and right-handed, and if I had been new to shooting today, I would have been a left-handed shooter. As a DTL shooter, my fix is to actually wear a blackout contact lens to take out my left eye completely so that only my right eye can be dominant, and thus, shoot exactly where the gun is pointing.

For Sporting targets, this can be detrimental as it is very difficult to read depth with only one eye. A method to cope with this could be a blackout spot or a 'shot spot' to lessen the strength of the dominant eye, so that one can still benefit from the peripheral vision.

In Sporting I call 'pull' with both eyes open then shut my left eye as I am about to take a shot, but this may not be appropriate for beginners.

I treat every client individually and what works for one doesn't always work for another. New prescription lenses can also bring the off eye back into play, so it is important to check your eyes regularly.

### TIP 3 LEARN THE TECHNIQUES

People need to understand the different techniques to shoot a target. If you don't know how you are going to go about hitting the target, how will you know how you are missing it? Likewise, if you have hit a target and you aren't sure why or what you did correct, how can you possibly replicate it?

Take a looper, for example. If you approach it with the same technique for a fast-quartering target, what will you do if that doesn't work? You need to know pull away, swing through, maintained lead etc. and be able to apply them when they are needed.

Without the right sight picture you can't hope to shoot consistently, and will inevitably end up perfecting a mistake, which is very hard to fix in the long term

## TIP 2 POLE POSITION

It is the shooter that hits the target, not the gun. So, once gunfit is sorted, you need to learn to control the gun with bodyweight with your feet in the correct positions and so on. A lot of people set up so they are comfortable to shoot where they see the clay coming from, but you need to be in a comfortable position at the point you are going to pull the trigger and hit the target. Start with the feet aligned with the breaking point, and then rotate your body to the gun hold point before you call 'pull'.

## SIMON ARBUCKLE

**Location:** Southdown Gun Club, West Sussex

### Disciplines:

Predominantly Sporting and FITASC, plus skeet and DTL

Simon started shooting in 1980, under the guidance of the late Fred Goscombe and then Keith Stoker. He said: "I had been an instructor in various subjects when I was in the army, and I really enjoyed teaching people." When he left the army it seemed like a natural thing to continue instructing in a sport that he so enjoyed. He qualified as a CPSA Instructor in 2006, a level 3 Senior Coach around 12 years ago, and is now Head Coach at Southdown Gun Club and manages the CPSA clay lines at game fairs. "The satisfaction in seeing people master the skill of shooting and then start to believe in themselves has never waned."

## TIP 1 READ THE TARGET

Many people shoot what they think the target is doing, without actually reading the target. Angle, speed, line, and distance are all key details, and depending on the course, you might benefit from looking at the target from different views to see the distance between the trap and the firing point. Walking the course is another great idea, or hold your finger on the targets being shot by the shooter in front of you and move with it, giving you an accurate read of the speeds versus what it looks like it is doing... then make a plan. If it works then continue with it, and if not adjust your plan accordingly.

## TIP 3 CORRECT GUNFIT

Being sold a gun in a shop and then fitting themselves to it is a very common problem for newcomers to shooting. Any instructor worth their salt will check the gunfit prior to starting, likewise any newcomer to shooting should seek advice on gunfit. Another problem is ladies often get sold or borrow guns which are far too heavy for them, resulting in them leaning too far back. It teaches problems with stance, bad habits, and inevitably an unsuccessful experience, sometimes even injuries. Wear what you go shooting in when you are getting a gun fitted. A base layer, shirt and thin waterproof as opposed to a thin t-shirt or a thick, quilted coat that you won't wear on a clay day.

**TIP 4** Be careful with the advice you are given. A lot of people can see the fault, but they can't always tell you why you are missing and they don't necessarily know how to put it right, even with the very best intentions. So be very careful on what advice you take on and try and find a good coach or instructor who understands you and vice versa.

# YOUNG SHOTS

by  
Samuel  
Coe.

## HOW I STARTED SHOOTING

**I** went along with my dad and watched him when I was younger, and then gradually started off with pigeon shooting every now and again at the age of five, and only started shooting a lot in 2021.

I started off shooting the Sporting discipline which I really enjoyed, then tried Sportrap which I liked the variety of targets and the sequence you shoot them in.

## THE GAME FAIR

The game fair was very enjoyable, I was a bit disappointed as I could've shot a bit better but I was pleased with the outcome, coming third in the CPSA Colts Challenge.

## MY FAVOURITE SHOOTING MOMENT

My favourite moment was coming second in Colts and first in C Class at the English Open Sportrap, shooting a score of 120/150.

## THREE WORDS TO DESCRIBE YOURSELF?

Determined,  
dedicated, and  
sociable.

Above: L-R Runner Up Ruben Carlton, High Gun John Porter and Third Overall Samuel Coe.

## SUPPORT SYSTEM

My dad is my main supporter – he has taught me everything I know and supplies everything I need to continue shooting.

## SAMUEL'S TOP TIPS

**TIP 1** Never give up – even when you are not doing so well as you can always turn it around.

**TIP 2** focus on every target as no target is easy.

**TIP 3** gun safety is very important, especially when you are shooting with a lot of people around.

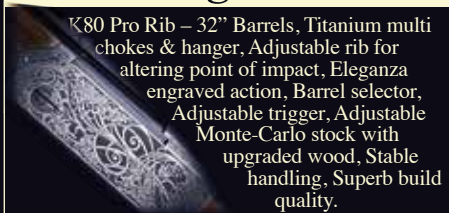

**TIP 4** always wear the correct gear, such as ear protection and glasses.

**TIP 5** Always follow the rules.

#### 10 Jul: English Open Skeet Doubles, Nottingham & DGC

Despite tricky wind conditions Isabel Cartledge shot very well to win first in Colts and third in Ladies. Congratulations Isabel.

#### 2 Aug: English Open and British Open All Round, Northampton SG

Congratulations to Lucy Earl for coming second in Ladies and first in Juniors in both Events.

#### 6-7 Aug: WM Area Individual and Inter Counties ABT, Garlands SG

Sixteen of Cheshire's top shooters put in a great performance. Lucy Earl won WM Area Ladies Gold and Junior Bronze medals. The Cheshire Ladies team of Jeanette Bushell, Hazel Denney, and Amy Bratt won Gold. The Veteran's team of Miles Machin, Bob Gallagher, and Kevin O'Reilly won Silver, and the Junior's team of Lucy Earl and Toby Hurstfield won Gold. Andy Pownall had the highest Cheshire score with 89.

#### 13 Aug: Ladies Clay Shooting League, Mickley Hall SG

Well, if the weather was anything it was too hot, but a great day for shooting as was

proved with the scores. With a lot of Ladies moving up into different classes it has certainly mixed things up, and Sarah now has some friends. Scores are getting closer all the time and it's great to see everyone improving. Julia took top spot in C Class, followed closely by Carole and Claire second and third. In B Class it was Kate who stole the day followed by Karen and Linda, and A Class saw Sarah and Marie draw at the top followed by Jan. But it was the B Class shooters who took the top spot with Kate taking High Gun with Karen hot on her heels. A big thank you to On The Peg Clothing, our sponsor, for providing the prize for winner. Miles Machin.

#### 14 Aug: British Open Skeet Championship, Eriswell Lodge

Congratulations to Isabel Cartledge for coming second in Colts.

#### 21 Aug: WM Area Inter-Counties ESK, Doveridge

Despite near-perfect weather conditions, overcast, warm, dry, and virtually no wind, nobody managed the magic 100-straight. Never the less, there was lots of good shooting from the 94 competitors representing all seven counties of the West Midlands, battling it out till after 5pm. There were two 99s, five 98s, and eight 97s. Cheshire's highest score was 98 from Colin Babcock, well done Colin. Close on his heels were Christian Bethell and Jack

Hope both with 97. Cheshire Seniors were in second place for most of the day. Then at one stage it looked like they would be in a shoot-off for second or third. Sadly as the last score sheets came in they slipped to fourth. The Cheshire Ladies team of Hazel Denney and Jacqui Slater put in a great performance to save the day and finish joint third with Shropshire for a Bronze medal.

#### 21 Aug: WM Area Inter Counties DTL, Holmes Chapel SG

Well what a day, lots of new faces, some not used to DTL, we hope you enjoyed your time here with us, hopefully you'll be back. High Gun for the event was Chris Moule on 100/299 who took the trophy and prize money. Cheshire Team High Gun was Paul Sant on 100/297 who won the trophy. We finished first in Seniors, first Hereford and Worcester 1470, second Cheshire B 1461, third Shropshire 1455. Veterans first Derbyshire 589, second Cheshire A 581, third Cheshire B 566. Ladies, first Cheshire 568, second Cheshire B 515, third Shropshire 501. Juniors first Shropshire 402, second Derbyshire 292, third Hereford and Worcester 237. Many thanks to everyone that came and big thanks to all the staff as always. Thanks Dave Helen, Toby and Jane.

We'll start with Skeet... Firstly congratulations to Paul Tudge who Captained the England Olympic Skeet team at the Home International in Ireland. England took Gold in all but the Veterans category but in that, Dave Maddox had a tough job as he was on his own. Well done Paul! At the WM Inter Counties OSK at the end of July, Gloucestershire took bronze in the team event and David Maddox took veteran High Gun. Well shot everyone. At the WM Inter County ESK Gloucestershire Juniors took Gold – congratulations to them!

The ESK County Championship was held at Gloucester Clay Shooting Club on 28 August and it was great to see the Juniors topping the medal table with Liam Richings taking the Overall County title, followed by Brett Powell in second after a shoot-off with Brian Robinson who finished third. On to Trap – In the WM Inter-Counties Area ABT we fielded a Senior and Ladies team. The team shot well and finished a bit shy of the medals – Steve Burnham took Area Veteran Gold so well done Steve. It was also great to be able to subsidise the entries for the team at this event utilising the money from the fundraiser kindly held by Gloucester Clay Shooting Club.

The UTR County Championship was held at Brook Bank Shooting Ground, John Slatter took the County title, with Stuart Jones as Runner-up and Jerry Ayshford in third – well done all!

Now lets talk Clubman – I have never been involved in team selection before so when I said I would do it I was a little bit nervous. I spent hours checking rankings, averages, and current results before contacting the team I chose. To my delight every one of them said yes straight away and were all more than proud to represent their County, which gave me a really great feeling. They all turned up on the day and donned their County Caps – there was a great team atmosphere, and everyone shot with people they perhaps hadn't met before which was fantastic. It was a closely-

fought event with Staffordshire right on their heels but the team put in some brilliant scores to win the event and A Class outright. I am so pleased for you all and for the County – congratulations to Mark Buckley, Simon Billinghamurst, Alan Bullock, Tim Shayle, Nigel Chambers, Richard Hill, Caspian Till, Matt Lawless, Sam Townsend, Tony Hughes, Rich Moreing, and Aaron Waltho!

### 13-14 Aug: County FITASC, Westfield

Over a blisteringly hot weekend the counties finest were treated to a course that made you work for every single clay, the type of event that takes something special to win and after two intense days of shooting County Champ Rob Wise, second

Richard Webb, third and also Veteran Nick Portlock, Ladies Jennifer Young, and Troy Thornell Juniors.

### 28 Aug: County English Sporting, Westfield

This the most hotly contested event of the year and a massive 200+ entry ensured a good revenue for the county coffers. County and Veterans title went to Dean Horswell on 92, the former on countback over Nick Portlock on 92 who was having to settle for AA Class. A Class was won by Matthew Davies 89, B Class Nigel Chambers 84, and C Class Sam Townsend 83. Jennifer Young shot 83 to win Ladies and Luke Russell shot 88, winning Juniors.

medals – Thanks to Connor Davies, Arthur, and Henry Tunnicliffe.

### Inter-County DTL Championship

Our Senior Team won the Gold medals, well done to all in the team. Rob Haines, Chris Moule, Steve Baker, Paul Cerri, Dan Price, and John Mason. Our Veterans came sixth but sadly we did not have enough Juniors to make the team but many thanks to Oliver Moore for turning up and shooting for us. Sadly, we also did not have any Ladies to represent us so if any Ladies are interested in shooting any Trap disciplines for our County, please contact Rod Davies, as there could well be some sponsorship on the way!

### FITASC

The Hereford & Worcester County FITASC Championship took place at Westfield shooting ground on 13-14 August. The targets set by Steve Lovatt offered something for everyone. Trying to build a score as the day went on though proved to be difficult not helped by the extremely hot weather. The County Champion is Julian Morris retaining the title for another year with a

score of 91, Runner-up was Matt Pugh on 83. The Veterans title went to Nick Rees with 80. The Junior Champion with a score of 71 was Conner Davies. No Ladies took part. Thank you to Steve for hosting the shoot and to all that took part. Finally, congratulations to all the Winners.

**Matt Pugh**

### ABT

In the WM Inter-Counties ABT Champs, Hereford & Worcester managed to field an Open team (Fred Goodman, Craig Miles, Rob Hart, Rod Davies, Fiona Caren, and Jamie Reed), a Junior team (Will Goodman and Nathan Rouse), and a Veteran Team (Paul Colley, Andrew Foxall, Trevor Lloyd). Sadly we could not find enough Ladies to compete for us. The Open and Veteran teams came fourth in their categories but the Juniors won Silver, congratulations to Will Goodman and Nathan Rouse.

### In the Area Competition

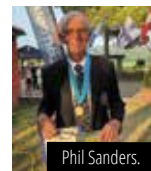

Will Goodman took Silver in the Juniors with a fantastic score of 91. Fiona Caren took Silver in the Ladies just four points behind Lucy Earl in Gold position.

### UT Championships, Hungary

If you remember last month's Pull! report, I mentioned the UT Championships in Hungary... well our very own happy shooter Phil Sanders collected a Bronze medal as part of the Great Britain Veterans team.

Well done to the Shropshire Open/Senior team of Graham Evans, Stu Burgess, Andy Lloyd, Alan Rowley, Richard Green, and Bernie Hutchinson on achieving Bronze position in the Inter-County Championship, just four points behind Warwickshire. ### 12-14 Aug: ESK British Open, Eriswell

### 14 Aug: Shropshire All Round Championships, Nottingham

Well done to both Dan Whittall and Julie Burton who shot extremely well in over 30 degree temperatures, both scoring 91ex100. Veterans saw Gold go to Stu Burgess, Silver to Pete Bridger, and Bronze to Trevor Lewis.

### 21 Aug: West Midland Inter-County ESK Championship, Doveridge

Well done to Roy Jones who was joint High Gun on 99ex100 but lost out to Callum Jones by default. Roy was

Shropshire High Gun, just one ahead of Paul Stokes. The Open/Senior Team of Paul Stokes, Stu Burgess, Mike Cashmore, Dan Whittall, Stewart Owen, and Dave Harley all shot well to secure Silver, just three points behind Warwickshire. Julie Burton and Jan Dixon won a joint Ladies Bronze. Sadly, no Shropshire Juniors. The Veteran Team of Roy Jones, Graham Evans, and Trevor Lewis won Gold by just one point from Warwickshire!

### 21 Aug: WM Inter-County DTL Championship, Holmes Chapel

Well done to the Open Team of Andy Greenstock, Shaun Gardener, Graham Evans, Bernie Hutchinson, Stu Burgess, and Craig Bebbington on winning Bronze, just 15 points behind winners H&W. Julie Burton and Jan Dixon secured their second regional Bronze medals of the day, very well done ladies! Two novice Juniors, who have been encouraged by Buller Gun Club and Pat Reeves, won Junior Gold – James Smith and Callum Bailey-Hands – a good reward for their enthusiasm and commitment.

### 27 Aug: West Midland ESP Clubman Event, Garlands

This is designed to give those who have not shot for their county Sporting team, who are in A, B, or C Class, a chance to enjoy some friendly and relaxed competition at a regional level. Thanks to Jim Turner and John Stokes for helping to encourage those who took part. Good to see some new names having a go including Philip Hartshorn, Nigel Houlston, Douglas Mein, and Gino Farruggio.

Dan Whittall.

Nick Williamson.

### 29 Aug: UK Helice Championship, Invicta

Alan Rowley shot 20ex20 and an exciting shoot-off was required to decide the Champion. After more than 20-straight, it was sudden-death with Glyn Barker (Kent) prevailing, and Rob Muliner (Dorset) Runner-up. Alan won Silver in Seniors (Veterans).

### Nick Williamson – Compak Sporting European Championships, Spain and British Grand Prix, E.J. Churchill

During June Nick Williamson was part of the GB Veterans team that won European Bronze, a great achievement. Please see Pull! August issue pages 26-27 for more. Nick competed in the Master's category of the CSP British Grand Prix winning an individual Silver Medal. Well done Nick, more significant medals to add to your growing collection, you are truly a super veteran!

Great result for Warwickshire Junior Ben Killian as he collects European Gold in the Junior Men's Olympic Trap team event with Tom Betts and Lucas Hyde.

Cosford Shooting Ground was the venue for a memorial shoot tribute to our friend John Batchelor. John sadly passed away earlier in the year, having continued shooting Skeet into his 90s. So many of his friends wanted to do something special in John's memory and so the plan for a memorial shoot was put

together. On what turned out to be a gusty and windy day there were smiles and laughs a plenty as the heavily subscribed shoot took place alongside many happy memories and stories of John were exchanged. There was a great collection of photos, old friends and recollections of a genuinely nice man that was held in high esteem by those that were privileged to enjoy his company. The event was rounded out by John's daughter presenting a new perpetual trophy to the winner Steve Lovell who managed to defeat the worst of the windy conditions to top the scores on the day.

Megan Jones made the most of her birthday week and her last event as a Junior with yet another major win at the British Open Skeet Championship. Meg

shot a tremendous 99 to bring home the Ladies title and the Runner-up spot in the Juniors category.

More Skeet successes were achieved by Warwickshire teams at the West Midlands Regional Inter-Counties Championships at Doveridge with all our teams in the medals. Overall High Gun of the event and recipient of the individual trophy was Callum Jones with a score of 99, contributing to the Senior team of Callum, Steve Lovell, David Roling, Matt Morgan, David Reith, and Tom McCaughan bringing away the Gold medals. Our Ladies team were also in the medals with Megan Jones, Alice Marks, and Sandra Langrish also picking up the Silver medals. Our inexperienced but excellent Junior team

Leah Southall represented Team GB for the first time as part of the Junior Ladies GB team in Orimattila, Finland. Leah qualified with a personal best of 109/125 to see her into the Junior final. After a slow start, things kicked into gear and Leah shot superbly, finishing with Silver in her very first international final.

### 7 Aug: ESK Doubles, Eriswell Lodge

Congratulations to Martin Walmsley who took the long road to Suffolk and did the County proud, hitting a phenomenal 100/100 - his first 100-straight in SKD.

### 7 Aug: DTL Staffordshire County Championship, Ranton CTC

Our new County Champion was Craig Nightingale, Runner-up Dave Malpass, Ladies Gill Grealey, Runner-up Carole Wilson, Veteran John Kingston, and Runner-up, David Waring.

### 6-7 Aug: ABT WM Area and Inter-County Championship, Garlands SG

A terrific 96/100 from Luke Hambleton saw him take the title of WM Area Champion. Staffordshire's Richard Lees-Styler won Silver with 95. With a combined 459ex500 the Senior team of Adam Gutteridge, Ian Hull, Richard Lees-Styler, Andrew Statham, James Sutton, and Darren Wood saw off a strong challenge from Warwickshire and

Shropshire to take Gold and retain the title. The Veterans team of Colin Heathcote, Martin Osborne, and Ray Sutton took Gold with 179/200. Our Ladies team of Lucy Christie, Carole Wilson, and Gill Grealey shot 139/200 to take Silver.

### 12-14 Aug: ESK British Open, Eriswell Lodge

Martin Walmsley (98/100) and our current County Champion, Kian Maher (96) helped take the five-man team trophy, along with Tom Clifford (Nottinghamshire), Leon Gill (Nottinghamshire), and Sonny Bowman (Northamptonshire).

### 21 Aug: DTL Inter-County Championship, Holmes Chapel SG

Good effort from the Staffs squads but it wasn't to be our day as we lost out on the medals to some very strong opposition. Special mention to David Waring who was County High Gun with 99/295 to win B Class.

### 21 Aug: ESK Inter-County Championship

The Senior squad of Adam Gutteridge, Kian Maher, Ben Mason, Jack Tromans, Martin Walmsley, and David Whieldon came away with Bronze. Delighted to say that we also had Ladies, Juniors, and Vets squads. Martin Butcher finished as High Gun with 97/100. Kian Maher and Ben Mason tied second in Juniors with Ben winning his class. Archie Tromans put in a fantastic 80/100, placing third in Colts.

### 27 Aug: ESP WM Area Clubman Competition

After a two-year hiatus, it was great to see the Clubman competition back. We gave Gloucestershire a run for their money, missing out on the team win by just two.

A great effort from everyone across all three squads. In A Class, Gloucestershire won with 344 to our 338, with Derbs third on 334. In B Class, Staff took the trophy with terrific shooting from Darren (90), Mark (91), Peter (80), and John (84), giving us 345 to comfortably better Shropshire's 331. In C Class, Derbs won with 313, with Gloucestershire on 295, and our boys putting in an excellent 281. Jack Whitehouse was High Gun with 96.

### 28 Aug: ESP Staffordshire County Championship, Kingsley Moor SG

It's been a busy month with both county events and majors. We've had some great successes from some of our county shooters.

### British Open Skeet, Eriswell Lodge

Congratulations to Marcus and Ethan Lord, two Cambridgeshire shooters who took part in the British Open Skeet. Talent obviously runs in the family as they won the Parent/Child category after both shooting their first ever 100-straight, smashing the category with 200/200! Ethan came second Overall in the British Open and in the Junior category, Ethan took the title. Marcus came third Overall in the British Open. Huge congratulations to you both, top shooting!

Congratulations to Maximus Allen at the British Open Sportrap who was Colts Runner-up. Congratulations to A Class Runner-up Calum Jarvis and Ladies Runner-up Georgia Moule.

Fantastic shooting from some of our county shooters, who are at the top of their game. Well done!

### The Rod Gifford Memorial Shoot in aid of Addenbrookes Charitable Trust

Couldn't let the last month happen without mentioning the Rod Gifford Memorial Shoot, held in aid of ACT. Philip Barnard, Lesley Gifford, and the hosts Eriswell Lodge did an amazing job of organising this event. What a tribute to Rod! There was a huge array of fantastic prizes, all donated by individuals and local, and national businesses.

The High Gun was M Goddard, Veterans High Gun T Jones, Disabled High Gun B Woodham, and Ladies and Juniors High Gun Amie Hedgecock.

Thanks to everyone who supported the event, over £2,500 has been raised for Addenbrookes, which you all contributed to. Big thank you to Eriswell Lodge who hosted the event and made it a great day.

### County Championship News

We are starting to get ready for the Inter-County competitions and these are coming

thick and fast. Please get in touch with us if you'd like to get involved and represent Cambridgeshire at these events.

### East Midlands Inter-Counties ZZ/Helice, Rugby and District

What an event! We had a great turn out, especially from our Cambridgeshire shooters. We had a record turn out from our county shooters and few whom it was their first time!

### East Midlands Inter-Counties DTL, Nottingham

Congratulations to all to who shot at the East Midlands DTL at Nottingham. There were some good targets and a bit of a breeze which made it a good challenge. Despite our teams putting in some great scores, it wasn't to be Cambridgeshire's day! Thank you to Nottingham for hosting on a great event.

### 14 Aug: All Round Championships

As the heatwave continued, it was not just the pressure of who would win the Supreme Champion title which caused those in contention to sweat.

Trevor Hawkins had an early lead on 94 that was eventually matched by Steve Smith. This would hand him the All Round title, with Trevor regretting shooting on an early squad not able to return for a shoot-off.

John Winn led the Veterans on 90, like the Seniors. It was matched but never beaten. Marvin Houghton posted 90 but felt that his 18 on Sporting would let him down so he went home early. John Toombs also carded 90 and took the Veteran title by default, as both John and Marvin were not available for the shoot-off.

The Ladies competition was fairly

tight as the two main contenders were also within a couple of points of one another in the Supreme Champion contest, but it was last year's winner Saira Boardman whose score of 81 just edged out Georgina Barratt. Jack Brazier with 83 took the Junior title, this young man has not only taken Lincolnshire by storm this year but has featured heavily amongst the winners of the East Midlands championships.

### 28 Aug: Derek Olivant Memorial ABT Shoot

For the last seven years Lincolnshire CPSA have been pleased to include in their calendar this fund-raising shoot in honour of one of our finest ABT shooters who sadly passed away from Prostate cancer. As always the aim of the day is to provide some good quality competition and, at the same time, raise as much money as we can for Prostate Cancer UK. Last year's winner, Jack Wilkinson, with 97 was pipped by Dave Sipling who went one better with 98, so took home the magnificent silver rose bowl which has been donated to the Lincolnshire CPSA by Lynne, Derek's Wife.

A monster part of this shoot is fundraising for Prostate Cancer. People showed amazing generosity supporting the raffle and had great fun with win 'Billy the Bear'. The total raised this year was £1,070 thanks to a couple of exceptional donations of £500 from Norman Eaton and £100 from Graham Elkington. The support throughout the day was overwhelming and we are immensely grateful.

### 4 Sep: East Midlands Inter-Counties DTL Championship

As usual, Nottinghamshire threw down the gauntlet with a team score of 1,724 but our Senior team were on another planet as every member of the team put in the most superb performance. Paul Smith dropped his first bird out but still finished on a 296 followed by Stuart Whitehead, Andy Jackson, Nick Day and Mike Burton on 294, Mark Shaw and Pete Atkin on 293, and Phil Porter on 278 giving them a team score of 1765.

Championship. He finished on 88 and was pleasantly surprised to come away with the Regional Junior Champion title and fourth place in the Region. Well done to Regional Champion Aaron Heading and Veteran Champion John Winn.

#### 6-7 Aug: East Midlands Region Inter-Counties Sportrap, EESG

Massive congratulations to the Norfolk team who scored an amazing team total of 562/600 to win the East Midlands Inter County Sportrap, we have some amazingly talented shooters in our county. Mark Goddard scored an unbeaten 97 to take the Regional Champion title and Jamie Goddard shot 74 to win the Regional Junior Champion title. Other members of this winning team were Karl Hagan 96, Richard Bunning 95, Dave Gooding, Joe Norman 93, and Mark French 88.

#### 9-14 Aug: British Open English Skeet Championship, Eriswell Lodge

Well done to everyone who endured the scorching temperatures and competed at the event. Congratulations to Norfolk shooters Alison Coupe on 96 - third in Ladies, Archy Stannard on 97 - Joint fourth in Juniors and a member of the winning East Midlands Region Junior Team. John Glover shot 97 - a member of the winning East Midlands Region Senior Team.

#### 21 Aug: Norfolk County ABT Championship, The Priory CTC

A scorching day saw 18 Trap shooters compete for the County Champion title. This year's County and Junior Champion was William Gilbert with a score of 46ex50. A victory made even sweeter as he beat his dad Richard who has held the County Champion title for three out of the past four years. The Veterans title went to John Reynolds with a score of 45. The Ladies title was not contested.

**30 Aug - 3 Sept: British Open Champs**  
Congratulations to Sam Green (95ex100), who was third Overall out of more than 500 competitors at the British Open Championship. Well done also to Richard Bunning who was six points behind, placing joint 14th.

#### 4 Sep: Norfolk County SKD Championship, Eriswell Lodge

This year's Skeet Doubles County and Junior Champion, Archy Stannard, won with a great score of 96. Archy shot the Registered English Skeet (99) to come joint first. His granddad, John Dyson, who "let Archy win" is this year's Veterans Champion (92), with Heather Pointer taking the Ladies title (75).

#### 2-4 Sep: HCIT and BO ABT Championships, Esker, Ireland

Congratulations to William Gilbert who travelled to Ireland for the ABT Home International. William scored 185ex200 for the England Senior team who were Runners-up to Ireland, with Team England winning Overall. Sadly William missed out on the chance to win the Junior title as he was registered as a Senior team member. He made up for this disappointment by not only winning the Junior title at British Open the following day, but by winning the Overall Champion title with an amazing score of 100-straight - his first ever and only the second ever at this ground.

We would like to say a massive thank you to John and Rose Dyson for providing a Masters FITASC trophy and The Coffee Pot at Fakenham for providing a replacement FITASC Veterans trophy. We are very appreciative of their lovely gesture.

**Norfolk County & EM Championship**  
23 Oct HBD, The Priory CTC

In the Veterans our not-so-secret weapon John Winn posted 297, which combined with Graham Elkington's 285 gave a team total of 582 - just six points away from the winners.

Saira Boardman recorded her best ever DTL score of 99/293 and although her teammates did their best to keep up it was not quite good enough to overtake the eventual winners just eight points ahead.

Like most counties, we are struggling for Juniors and 11-year-old

George Dillely did his best for his first appearance as part of the Lincolnshire squad he certainly did not disgrace himself as he finished on a 251.

The Lincolnshire squads have, on several occasions, sat on a good score all day long only to find themselves overtaken at the end so it was a joyous moment when we were able to collect our awards of East Midlands glassware plus, on this occasion, the special 50th anniversary lapel badge which was also given to members of the winning teams.

## 28 Aug: Double Rise

## Supreme Champions 2022

With the conclusion of the county competitions, scores have been finalised towards the Supreme Champion competition. This is decided on the best five scores of any of the following competitions – All Round, Skeet Doubles, DTL, ABT, Double Rise, Sporting, and FITASC. These are to be found on the county CPSA website under the 'County Champions' tab. This year the Senior Supreme Champion was Dave Grant Innes on 413ex500 with Runner-up Dave Hill on 407. Veteran Champion was Mick Russell on 453ex500, and Runner-up

All county competitions this year have seen a rise in entry numbers and Sporting numbers are the best they have been for several years. Entering a Registered competition is a big step from just enjoying the sport and yet there have been many new people entering these competitions. As we all know shooting is expensive, not something to be taken lightly. This is true now and will be even more so in the coming months, given all the news regarding the cost of living rises. May I, on behalf of the Northants CPSA County committee say a massive thank you to all who took part.

Leon Gill's wonderful 100-straight took him to the finals. He just missed out on a top-three placing but did win AA Class. Congratulations also go to Sonny Bowman who took third place in Juniors with a wonderful score of 98. Leon and Neil Faulkner were in the winning Senior Regional team and Sonny was in the winning Regional Junior team. Leon and Sonny were in the winning 'Top five Man team'.

County shooter Andrew Lea took part in this international competition held at Esker shooting ground in Ireland. Andrew shot a brilliant score of 97 and was Senior High Gun for the competition. Well done.

## East midlands Inter-County Sporting

A Fantastic result for Nottinghamshire shooters at Kegworth. I'm pleased to report that both the Seniors and the Ladies were victorious. Both the Junior and the Veteran teams came third Overall. Thank you to all Nott's shooters who took part over the weekend.

## East Midlands Intercounty DTL

It was a warm day, but it was grey and overcast particularly for the earlier squads. Nottinghamshire, as always, were the first squads of the day out on the layouts and posted some really good scores in seniors with Pete Armett scoring 295, Lee Wilcoxson 292, and Darren Brown 290, which with their supporting team gave a final team total of 1724.

Continuing with the Nott's theme Hayley Denoon, following on from the Nott's Ladies victory at last week's Inter-Counties sporting, lead the Ladies challenge with a 288, supported by Lena Taylor's 274. Russ 'Mad Dog' Hufton

posted a 295 supported by Andy Cain's 293 to post a team score of 588. and not to be outdone the Nott's juniors, Joe Turner and Connor Davis posted a team score 569, all of which were sufficient to give these three categories unbeatable scores. Joe's score of 285 also earned him the title of Junior High Gun of the day.

What an outstanding year 2022 is proving to be for Suffolk CPSA competitors. There have been some truly great performances by both teams and individual Suffolk shooters.

### Inter-Counties

The Inter-County Championships are well underway with some strong performances at the DTL event (Runners-up) at Nottingham, the Sportrap event at East of England and the ESP event at Kegworth (Runners-up).

Many thanks to all who competed for Suffolk and to the grounds for hosting these events – we will be working over the coming year to build on these successes. And there are still the Inter-County events in ABT, All Round, Skeet, and FITASC to come in September and October.

### Skeet Nationals, Falkirk

Congratulations to Henry Lungley and Stuart Smith for some excellent England Team scores at the 41st Nationals Skeet held at Falkirk. Henry helped the Juniors to victory and took the High Gun Junior title.

### British Open

A truly remarkable series of results by Suffolk Juniors and Colts at the 2022 British Open at Barbury. Will Page won both the Junior High Gun and the Overall AA Class title in the Sportrap event. Will then went on to win the Junior High Gun title in the Sporting event. John Porter shot brilliantly to secure third in Colts in the British Open Sporting event. Ruben Calton did superbly to win the Colts High Gun in Sporting and was Overall B Class winner. Samuel Coe shot superbly to take Colts Runner-up and ensured that Suffolk secured first, second and third places in Colts. Then, Robert Kingston kept his composure and focus on the shoot-off to win the Overall A Class title. Our congratulations to Adrian Last on winning first place in the Disabled Sitting event.

The display of shooting skills by our Colts and Juniors at the British Open, Falkirk, and the Inter-County events has been so inspiring in two ways. Firstly, by the high levels of focus and skills shown by all these young shots and secondly by showing that the future of Suffolk clay shooting, in all the disciplines, is in very safe hands going forward. And that's absolutely brilliant!

Will Page.

### All Round South West Inter-Counties

This event is now being held at Brook Bank on 25 September and our teams have been confirmed and booked to shoot.

### County FITASC Champs

The County FITASC Champs are being held at South West SS on 24 September.

### Sportrap County Championships, Landare

Thanks again to Dave and his team for hosting – he has really worked hard for us this year agreeing to host so many of our selections and championships. The Overall Champion was Martin Elworthy with 99. Veterans Champion was Tony Mingo with 90. Tony has recently moved to the county from just over the border and we welcome him to our events. The Ladies title was decided after a shoot-off between Katy Rowe and Emily Morden-Hawke, with Emily taking the title on 73. Junior Champion was Aiden Scott with 69. The teams have been selected to take part in the Inter-County event in October.

### New County caps

Well done to all the new county caps who will be representing the county this year. A list will be included in future reports here. In particular we welcome the new Juniors who have qualified this year. There have been many comments about how good it is to see we have quite a few Juniors regularly taking part in shoots around the county. It is a shame that not all grounds provide full lists of those attending their shoots to be able to see if we have more people taking up the sport.

### Presentation evening

### Inter-County FITASC

The 2022 Hampshire FITASC team have extended the record for the most continuous Inter-County team wins in any discipline to 14 wins in a row. Led by team manager Neil Lockton, the Hampshire team have set an astonishing record. Dorset once held the title with nine consecutive FITASC wins some years ago, however Hampshire's 14 consecutive wins have made team shooting history. It will take another County until 2037 to beat this achievement if they start winning next year.

Not only did the Hants team win the Seniors, Barney Eastman and Joshua Poyser won the Juniors, and the Vet's team category went to Des Sturgess, Phil Marks, and Trevor Bell. To complete the Hampshire domination of this discipline Phil Marks also picked up the South West Counties Vet's Shield and Overall winner title of this great event.

the Hampshire FITASC team members being either Hampshire Champions, a World Sporting Champion or Overall Supreme Champions.

Recently several members of the FITASC team won categories at the Barbury Pro One Challenge. Hampshire's Richard Faulds MBE eventually after two eliminating shoot-offs became the Overall winner with 113ex120. Des Sturgess and Phil Marks came in joint first in AA Class, Barney Eastman took first place in the Colts category. These winning positions were top of a huge entry that the Barbury Pro One competition attracts.

## Hampshire Super Sporting

A great entry of 46 Hampshire members that love the Sporting discipline enjoyed a great target course at the host ground Owls Lodge on 18 August. Sean Gamblin not only won the Hampshire title with a 95/100, but this win increased his Hampshire Supreme Champion points pushing him out in front on the leaderboard. Phil Marks returned a 92 with the Ladies title going to Tanya Faulds ending on 82/100. The Hants Vets title went to Ron King and the Colts to Barney Eastman.

## Hampshire Supreme Championship

The Super Sporting win allowed Sean

Gamblin to move further out in front with 46 points to Roger Deacon's 39 points. Sean returned a great 95/100 over Rogers 86/100 this now gives Sean a seven-point lead with only a few events left. The Compak Sporting on 29 September could be the decider, if the date and ground for the Hampshire Side-by-Side could be organized then this would also extend the close competition between the two of them. The Helice will more than likely have Mal Grant or Carl Miles win it so no points to be had there. Hopefully a date and ground for the Hampshire single barrel will be set soon adding to the final scores.

**Dave Lucas Jerry Wilson Cup winner**

Fareham CTC set was the setting for the Jerry Wilson Cup, 100 Sporting with 14 stands set around the 39 acres. The set up crew didn't disappoint as John Kitcher and his many helpers set some good targets – 28 different traps sending out some great targets for all ability levels. The secret to a popular Sporting venue is not to make it too tough, as the biggest entry being C Class members won't be back. One or two clubs lost a lot of entries/business due to setting the shoot up for AA and AAA Classes only.

John Kitcher at Fareham CTC knows what the members and visitors enjoy. Dave Lucas for one enjoyed the targets set by returning a great score of 86/100.

## Competitions

Wiltshire runs discipline specific county championships and the Sporting Challenge. The latter aims to run competitions at six different local shooting grounds. Both competitions are organised

on shooting classes, with prizes and trophies accordingly. The remaining 2022 competitions are below.

July saw the county DTL competition with nine competitors and congratulations go to Alexander Spurrell who hit a maximum of 50. The fourth of six Sporting challenge event was held on 8 July.

On 31 July the South West combined Inter-County FITASC championships were held at Barbury Shooting School. The Junior title was won by Edward Cleverly of Wiltshire with a score of 83/100, who is a relatively new young shot with remarkable talent and motivation. Hearty congratulations to him on a superb achievement, we have no doubt that he has a great future in the sport.

Looking ahead to 2023, we are keen to attract new shooters to our completions' and therefore are proposing to

run an advanced shooting skills course for Wiltshire members in the March timeframe. It is aimed at relatively new, but competent shots, who wish to improve their skills. It will be held at one of the grounds in Wiltshire please register interest by emailing the secretary below.

## Committee

We are keen to increase the size and diversity of the committee and therefore seek new members. It is not an onerous task and involves an evening meeting every six weeks or so over a pint during the season. If interested, please email Peter Sharpe.

## Social Media

Wiltshire CPSA is also on Facebook. Please feel free to join the Wiltshire CPSA group.

### 30 Aug – 4 Sep: British Open English Sporting

When I reported last year on the British Open there were 15 Hertfordshire members taking part. This year 29 competitors, from all classes and categories, made the trip to Barbury Shooting School which bodes well for English Sporting in our county. They were not to be disappointed. The ground was looking fabulous, new areas were opened and the shoot ran like clockwork. Pleasant weather throughout the qualification stages contributed to a great atmosphere and the trade village was buzzing. Great pizzas and burgers were on offer too! George Dudley, Darcy McBride, Geoff Darton, Ryan Johnson, and Bradley Turner all shot well during qualification and made the finals day on Sunday.

### Around the Shoots

Young Colt George Dudley had a successful couple of weeks at the beginning of the month. On 7 August at Northampton's Sporting fixture he won C Class with a great score of 79ex100. A week later at Redricks he won C Class again and was the top scoring Colt. ►

Hello Oxfordshire – I hope you are all well and enjoying the very dry Summer we are experiencing. If you're like me, I'm very much a fair-weather shooter as I really don't enjoy drying my gun off. Something I haven't had to worry about recently, thankfully.

### County Skeet Championship

I am happy to report we have a new County Skeet Champion, well done to Steve Cox for shooting brilliantly at this year's Championship held at Northamptonshire SG. He won after shooting 98ex100, closely followed by Julian Freeman who shot 96ex100. Daryl Burton and Joe Robbins came third with a very respectable 91ex100. Thomas Wright won the veterans with a 90ex100 and well done to Jane Robbins for taking the Ladies title. A big thank you to Martine for hosting the shoot and thank you to all who supported the event.

### Westfield SG

Steve Lovatts shoot seems to be growing in popularity, the late August bank holiday saw 192 shooters turn up to take part! It would appear it pulled in people from different parts of the country to enjoy the hospitality and challenging targets that had been cleverly set. Oxfordshire's Julian Freeman was on form in the nice weather and shot an impressive 96ex100, just one clay behind High Gun. Well done Julian, well shot.

### The Oxfordshire Shooting School

The Oxfordshire Shooting School hosted their 100 ESP mid August which saw 73 shooters support the event. Well done to Oxfordshire's Colin Waite for winning High Gun after shooting an impressive 97ex100

in AAA Class, closely followed by Julian Freeman, one clay behind him, 96ex100 AAA Class. Well done to you both.

Third in AA Class was taken by Bob Blundell with a 91ex100. Congratulations Bob. First in A Class was won by Alexander Turner with a score of 91ex100, second saw Scott Leonard shoot an 89ex100. Well done to you both. Staying with great scores from Oxfordshire's shooters, second in B Class was won by Jamie Whitton with an 87ex100 and third in C Class was taken by Stephanie Blundell with a 76ex100. Great shooting by you all, a placement in every Class.

### British Open Sporting Championship

Well done to all the Sussex shooters who competed at Barbury for this year's British Open. It was a very enjoyable shoot over a very good course which tested and entertained everyone, the haybale backdrop at the last stand I'm sure will be remembered for years to come. Hannah Gibson won the Ladies category shooting 105/120 in qualifying followed by 66/75 in the final, just one target off shooting off for a place in the super final. Well done Hannah.

Hannah Gibson, Ladies ESP Champion.

Will Fenner, Sussex County ESP Champion.

First mention from the DSG is Alec Sperling who has not been behind a gun for over a year but at our Kibworth Event he showed us all he is still has it, blasting the targets and coming joint second proved that! Great shooting and company.

The Event at Kibworth was attended by ten members who shot a varied all

round format picking between which disciplines they would prefer to shoot some shooting a standard all round and some doing only one or two disciplines that they enjoy. A great day was had by all. Thank you to the team at Kibworth for the warm welcome and another well run day.

Next mention is to Darren Wiles for Winning the 2022 British Grand Prix Olympic Trap Disabled Champion title at Nuthampstead. Great achievement and brilliant to see you smashing the scores keep up the hard work!

Eriswell Lodge hosted the British Open English Skeet over the second weekend in August with great attendance from the DSG. Jimmy Center making the trip from Scotland to have a few days practice before the big day which paid off as he made the shoot off for C Class

on a cracking score of 94. Disabled Standing High Gun went to Graham Cork followed by Jimmy Center, and Shaun Emmett. Disabled Sitting High Gun went to Ben Woodham followed by Adrian Last and Craig Manning. Thank you again to Eriswell Lodge for the as ever-well executed professional event. Special mention to Simon White, Lee Coe, Mark Atherton for their impeccable cheerleading skills.

# OBITUARIES

The Welsh DTL was almost a "Bailey Benefit" in the 1960s, Brian often winning all the events

top level competition shooting he took on the role of GB Team manager for a number of years. He was a first class manager because his own experience of serious competition shooting gave him a real insight into what an individual shooter needed to deal with the pressure in a given situation. He also had a deep knowledge of shooting technique. Many of our top shooters had reason to be glad of Brian's support and cool head when they were competing on the World stage.

Brian's funeral was held at St Peter's Church in Wem on the 9 August. It was a day tinged with sadness but with an awful lot of laughter as people recalled their stories about him. Brian is a trapshooting legend but he was so much more than that, a true one-off, very much his own man. It wasn't just Brian Bailey clay pigeon shooter being remembered at the funeral. It was the town of Wem remembering one of its famous sons. Some of you will remember the BBC Radio programme "Down Your Way" and when that programme visited Wem, Brian was featured talking about his life and his sport.

And, most importantly, the funeral was also about Brian Bailey husband, father and grandfather being remembered by his extended family. In Clay circles we knew Brian for his shooting prowess but his daughter Penny put it into perspective when she remarked that he may have been a famous shot but to her and her sister Lynn and brother Ian he was just "our Dad".

Our condolences to his wife Sylvia and all of Brian's family, Our thoughts are with you at this sad time. Sleep in Peace Brian, you were the best! 🕊

## BRIAN BAILEY

### 20 AUGUST 1932 – 16 JULY 2022

**I**t is with great sadness that we have to report the passing of one of the legends of British Trapshooting, Brian Bailey.

Brian was a Life Vice President of the CPSA and had a long and distinguished shooting career in DTL and Olympic Trench (as it was then known).

He won the English DTL Championship four times, the Dougall Memorial six times in eight years, including four years on the trot, the Welsh DTL was almost a 'Bailey Benefit' in the 1960s, Brian often winning all the events including the Welsh Double Rise and the two Overall High Gun trophies.

In 1970 Shooting Times editor Phillip Brown had a gentle dig at the so-called experts who maintained that Brian would never do any good at Olympic Trap till he gave up shooting DTL. In his column Philip diffidently pointed out that at the

end of June, Brian had won the English DTL for the fourth time, following this up the next weekend by winning the Welsh Olympic Trench Grand prix at Sealand. Seven days later he took the English Olympic Trench title at Bisley. So much for experts! He won the British DTL and triumphed at the British Olympic Trench Grand Prix on three years out of four (1971, 1972, and 1974). He shot for England at DTL for many years and GB for OT. He competed for GB in the 1972 Munich Olympic Games and shot for England in the 1974 Commonwealth Games in New Zealand where he took the Silver medal. He always shot well abroad and this culminated in his winning the Grand Prix of Namur in Fosses-le-Ville and adding yet another engraved Browning B25 to his collection.

But it wasn't just as a shooter that Brian excelled. As he wound down his

We are looking for an experienced Shooting Instructor, with hands-on experience of operating clay traps and target setting.

The successful candidate will be an enthusiastic individual with good communication, organisational and leadership skills.

With expansion plans due to be completed next year, this is an exciting time to be joining the company and taking the Shooting School forward.

## FULL TIME SHOOTING INSTRUCTOR

We are also looking to recruit an experienced and qualified full time Shooting Instructor.

To apply for either vacancy, send a copy of your CV to Adam Bromfield [adam.bromfield@iancoley.co.uk](mailto:adam.bromfield@iancoley.co.uk)

*All applications will be treated in the strictest confidence.*

## Insurance

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPISA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

# DTL HALL OF FAME

We spoke to **Rob Hall** about his recent English Open DTL win and his work within the shooting industry.

**Q Can you give us a brief background on how you got into shooting?**

My dad introduced me to shooting when I was ten years old.

**Q What is your preferred discipline(s) and why?**

I started off shooting English Sporting and English Skeet, I then concentrated shooting DTL for the majority of my career, until the last five years where I have shot Universal Trench, Olympic Trap, and Automatic Ball Trap.

**Q Can you talk about your recent experience at the 2022 English Open DTL competition?**

My daughter Lucy decided to book us on the English Open last minute, she fancied shooting something different prior to going to the next

World Cup and I hadn't shot a Registered DTL shoot for five years prior to shooting the English Open.

**Q Are you taking part in any other major competitions this year?**

I have no plans to shoot any other majors this year, due to work commitments.

**Q Do you work within the shooting industry? Can you explain a bit about what you do?**

I own The Gun Room at Holme Upon Spalding Moor, which has been open for 20 years selling all things shooting related. We also run Clay Shooting Ground of the Year, East Yorkshire Clay Shooting Ground, where we operate weekly Registered shoots, practice, and events. You'll either find me in the shop or at the shooting ground. 🍷
