We have so much to look forward to with a packed calendar of events, not least the return of our bi-annual World Sporting which we share with our American counterparts the NSCA. This festival of shooting takes place at E J Churchill Shooting Ground from the 3-8 July with shooters from all over the world coming. Bookings are already open and can be found on our website at championships.cpsa.co.uk

I'd like to thank all of our sponsors and in particular our headline sponsors, Swatcom, Eley, Schöffel, Le Chameau, and Browning.

We are back at the British Shooting Show on the 17-19 February at the NEC so do come and see us on our stand. We are also delighted to be holding our CPSA Awards on 11 March at St Georges Park where we can recognise and celebrate our members achievements over the past year. CPSA ANNOUNCE 3 YEAR PARTNERSHIP AGREEMENT WITH ICONIC GUN BRAND BROWNING

CPSA COURSES

A fresh batch of CPSA courses are now available for 2023. The CPSA has created a range of courses to offer the best training available in the sport today. From shotgun skills to Safety Officer Qualifications, have a look at what we have to offer on page 13.

The Clay Pigeon Shooting Association is excited to announce that Browning will be joining us as a Headline Gun Sponsor for the next three years, from 2023-2025.

Since 1897 when John M Browning forged his legacy, millions of shotguns and rifles boasting unparalleled levels of performance have been created and manufactured by Browning. Renowned for their innovation, reliability and technical supremacy, Browning has been a long-time favourite for shooters across our sporting community, and we at the CPSA are thrilled to join in partnership with Browning and share their passion for shooting on an international stage.

Browning will be Headline Sponsor for our CPSA English Sporting Championships, including the WESP23 at E.J Churchill, English Open ESP at

Eriswell Lodge and British Open ESP at Garlands. Browning will supply 15 guns as prizes across the Championships and have committed support through generous contributions to the prize fund.

Browning will also sponsor the CPSA DTL Weekend at Bywell Shooting Ground in June, including the Browning Challenge, with five guns up as prizes over the weekend. In addition, Browning will supply daily prizes for the Browning Back Number Draw at all our ESP and DTL Championships. We are delighted to have their support.

Browning will join Swatcom, Gamebore, Eley, Schöffel, and Le Chameau as Headline Champion Sponsors. Of the new partnership, Iain Parker, Chief Executive of CPSA, said:

"It's a great honour to welcome Browning as a headline sponsor and we look forward to working with the team in Belgium and here in England as we promote the brand across our Championships and sport. The Browning brand offers so much in terms of history and innovation, and I look forward to working closely with all the team over the coming years."

THE BIDWELL CUP

The Bidwell Cup was belatedly awarded to Suffolk Colt shooter John Porter by shooting legend John Bidwell from High Lodge at the Sandringham Game Fair on Sunday 16 October. This trophy is awarded to the Colt with the highest combined score from the English Open Sporting and the British Open Sporting each year. John scored a terrific 200/240 to claim the prize this year following Jasper Pearce's inaugural win last year.

Congratulations John for a fantastic year's shooting and thank you to John Bidwell for donating one of his cherished trophies as a perpetual trophy along with £500 prize money.

REMEMBER TO GET VOTING!

CONGRATULATIONS TO JOHN PORTER!

We would like to congratulate 12-year-old John Porter for his terrific score at Barrow Sporting Clays. John shot a fantastic 95/100, making him one of the youngest shots to win High Gun at a Registered shoot.

John has also won the Bidwell cup this year – a prize awarded to the Colt with the highest combined score from the English Open Sporting 2022 and British Open Sporting 2022, so it's safe to say it's been a fantastic year of shooting for him.

We spoke with Shane Porter, John's father, who said, "John is very happy with how the year has gone for him and the final challenge for this year was to try and place at a local shoot in AA, the High Gun this weekend has exceeded all the hopes."

"Eriswell Lodge remains his favourite practice ground as Stuart provides free golf buggies, cheap clays, and helps him out on any tricky ones there. John loves shooting for fun and competitions, he has had lessons from Ben Thorrold for five years and Ben has always said from day one it is a five-year journey to gain the experience to be able to consistently shoot high 80's and over."

"Most importantly, John appreciates the efforts from all the scorers and shooting grounds that are made as it's not always a bright sunny day. Also the CPSA big shoots were faultless this year which made it fantastic from a shooters perspective."

Once again, huge congratulations to John from all at the CPSA.

IT'S TIME TO UPGRADE

Our new Shoot software is now in use at nearly all our clubs and grounds that provide Registered competitions. We will be retiring our old Shoot08 software at the end of the year.

If you have already upgraded, thank you. The end of support and data updates for Shoot08 from 31 December will not affect you or your competitions.

If you are still using Shoot08 please get in touch, as soon as possible, to arrange your upgrade. It will be great to get you up and running with our new software as soon as you're ready and have time to do so.

'Shoot', is technological leap forward

for us all and is fully integrated with our systems – allowing the management of fixtures, checking of member classifications, full administration of competitions, display of leaderboard scores, and running of live digital scoring – all synchronised automatically in near real time (dependant on local internet connectivity). We hope you enjoy using Shoot and look forward to speaking you soon.

CPSA DIRECTOR ELECTIONS

The deadline for nominations was 4pm on Friday 11 November 2022, at which point Civica Ltd, acting as Electoral Officer, advised the following nominations had been received: National Director Nicola Heron and West Midlands Director Miles Machin.

In accordance with the Articles of Association, no ballot was necessary for the above two positions as they were uncontested, therefore the above

nominees were duly elected unopposed. They will take up their roles immediately after the AGM to be held at The Council Club, Bisley Shooting Ground, GU24 0NY on Saturday 25 March. We would like to recognise and thank both nominees for putting themselves forward again to take on these directorship posts.

FITASC REFEREES COURSES

I would just like to send a big thank you to the Scottish Shooting Centre near Falkirk and also Sporting Targets Bedford. Both these establishments hosted referees courses in FITASC Sporting and Compak Sporting in October. Both establishments went out of their way to ensure all our needs were satisfied and beyond. Over all a total of four Sporting and one Compak course were delivered, all candidates (30) were successful.

A special thanks to Edith Barnes and Josh Foot for managing the candidates and John Hartog, Andrew Clifton and all the staff at Sporting Targets. Without your support these courses would not have taken place.

– Hugh Smith, President FITASC Referees Commission

WITHAM'S NEW ESTATE RANGE PROVIDES 'ONE STOP SHOP' FOR CPSA MEMBERS

Lubricant manufacturer the Witham Group has been by the side of landowners and farmers for over 100 years, supplying oils, greases and paints to countryside-based businesses, including the royal estates all over the UK.

Their latest offering is a new 'Estate Range' which includes specialist products ideal for country estates, farms and shooting grounds. Oils and lubricants play a vital role in keeping equipment, vehicles, and machinery in top condition and help protect the lifespan and efficiency of their working parts.

Witham's knowledge of manufacturing high performance lubricants has led them to produce a new top-quality range of gun care products:

Quick, efficient, and easy to use, it penetrates rapidly and flows freely cleaning dirt and grime with a fine mist aerosol.

A Sustainable Supplier

Sustainability is one of Witham's core values for creating a 'greener culture'. Many of the Estate Range products are biodegradable, environmental sensitive and safe for forestry, farmland and water ways. Witham are also able to offer unique lubricants that are blended using a carbon neutral footprint as well as offering low impact packaging and safe and environmentally clean oil

storage solutions, all helping landowners with their own sustainability goals.

Witham Group Managing Director, Nigel R Bottom, said: "Our new Estate Range includes a specially curated range of our best quality products that are ideal for country estates, shooting grounds and agriculturally based businesses – making it easier for them to get everything they need to run their estate from one, sustainable supplier."

Quality Reputation

Witham's Estate Range is already used on large farming estates and its agricultural product range is used by thousands of agricultural businesses, often over many generations, who see the quality oils, paints, personal service, and reliable supply as a competitive offering in the current climate.

Long-time Witham customer and farm owner, Steven Wilkinson comments: "Witham's new Estate Range is ideal for my farm and clay shooting ground and I can order oils and paints easily on my trade account, often with next day delivery. The products are reliable, and the paints have helped transform our sheds, outbuildings, and the farmhouse."

NATIONAL INTER-COUNTIES

ENGLISH SPORTING

National Inter-Counties Sporting, held at Doveridge Clay Sports Centre on 1-2 October 2022.

At the start of the Saturday, it was blustery and stayed that way for rest of the day. For the competitors that travelled to Doveridge it made for tricky shooting, but despite the weather there were some great scores posted, none more so than Nick Hendrick's 96, but would it hold?

The National Inter-Counties Sporting was – and still is – a prestigious event for many of the counties, being chosen to take part is an honour. It is where many shooters cut their teeth as they move through the ranks and classes of their shooting career and I hope we don't lose sight of their importance, making the county team was always a great achievement!

As the scores started to come in and the teams take shape over the Saturday there were no clear favourites. Sunday brought a different day weather wise, very much calmer than the Saturday and all was to play for. Many shooters found the bottom half of the course more to their liking than the second half, and as they moved up the valley at Doveridge good scores started to fall away with the trickier part of the course and the leader board moved around with it.

Getting closer to close of the event teams were moving up and down the leader board but the 96 of Nick held firm with some very close company from Karl Hagan and Billy Baughan both on 95, but Nick held on for the Overall champion.

It was a great weekend and a great course set by Clive Bramley.

Emma Stacey did a great job and just pipped Georgia Moule to top spot in the Ladies, the Junior top spot went to Henry Lewis with a great score of 76, Adrian Balham took the Veteran High Gun with an 89 and Colts Champion with a fantastic 65 was Lain Blamey.

Teams took a little longer to sort with positions changing right up to the end. Norfolk moved to the top and stayed there while Derbyshire pipped Cheshire to Runners up when the last few cards arrived in. Buckinghamshire Ladies did a superb job beating Cheshire Ladies by 19 clays, well done to them. Cheshire Juniors managed to hold Lincolnshire at bay by three and Cheshire Vets took top spot from Leicester by four. All in all great shooting and great comradery throughout the weekend.

It was a great weekend and a great course set by Clive Bramley at Doveridge which didn't look to taxing but it just kept taking targets of you here and there all the way round, thanks to all the team there, and thanks to all the counties who entered teams and you the shooters for competing and making it a great Inter-Counties.

National Inter-Counties DTL Championship, Northampton Shooting Ground, 8-9 October.

DOWN THE LINE

The 2022 National Intercounties DTL Championship was held over two days at Northampton Shooting Ground on 8-9 October. All nine counties from Cambridgeshire, Derbyshire, Essex, Lancashire, Leicestershire, Lincolnshire, Northamptonshire, Oxfordshire, and Suffolk, fielded teams shot over the two days totalling 67 Shooters in all. After the blazing summer we've had this year, the weather felt distinctly autumnal but that's sort of expected at Intercounties events.

Lancashire's veterans took an early lead on Sunday morning which they held all day to take the Veterans title with a total score of 600/550 with Cambridgeshire coming second on 600/535.

Leicestershire Seniors proved the strongest on the day taking the Overall team title on 1500/1359 points with Derbyshire coming in second place on 150/1350.

2022 Individual Champion was the man in the hat, Geoffrey Howlett.

Above: High Gun winner Geoff Howlett. Below left: Suffolk DTL junior winners.

The winning Ladies team were Lincolnshire, who with only two Shooters taking part, Saira Boardman, and Elizabeth McGregor White, left no room for error and took the title on a score of 600/449 to Northampton's 600/363 and Suffolk fielded the winning Juniors team with a score of 503.

Veterans High Gun went to Lancashire shooter Stephen Fiddler shooting 98/286, Derbyshire's Troy Hunt took the Junior title with a score of 93/269, and Joanna Fairclough joined Suffolk Juniors on the podium taking the Ladies Individual title on a score of 88/246.

The overall High Gun of the match and 2022 Individual Champion was the man in the hat, Suffolk shooter, Geoffrey Howlett on an impressive 100/295.

Our thanks to Marty, Pete, Roy, and all the referees and staff

at Northampton Shooting Ground for staging the event and making sure it runs smoothly over both days.

ENGLISH SKEET

National Inter-Counties ESK, Eriswell Lodge, 15 October.

This year's National Intercounties Skeet Championship was held in Suffolk at Eriswell Lodge. The competition was run over two days with only a few spaces remaining on the Saturday and none at all on the Sunday, with a total of 133 Shooters competing representing 13 counties in all.

The competitors were treated to some of the last bright sunny days of this year's summer. However, the calmness concealed an unpredictable breeze which occasionally caused targets to drop suddenly towards the end of their flight. Because of this and despite some of the country's best skeet shooters competing, only one 100 straight was shot over the entire championship by Martin Walmsley, earning him the trophy for High Gun of the competition.

The winning Senior team, competing on home ground, was Suffolk with

a score of 475/500 with Runners-up Warwickshire coming a close second on 473/500. The remainder of the team titles were all settled by a difference of one target between first and second team places.

The winning Ladies team were Essex with Gill Billington, Tracey Lawrie and Emily Chumbley taking the title on 176/200 with Cheshire being piped by one target to take the runners up title on 175/200. Warwickshire Juniors turned the tables on the Essex team and held them at bay by one target to take the Junior title on 177/200. Likewise, Lincolnshire Veterans held the Essex team by one target to win the team trophy on 186/200 to 185/200.

With that Single 100 straight shot late morning on the Sunday, Martin Walmsley took the Overall High Gun trophy. Megan Jones clinched the Ladies title with an impressive 96. Junior High Gun went to that emerging marvel Henry Lungley who's winning score of 98 also contributed to Suffolk's Senior Team win. The Colts high Gun was won by George Billington on 90.

As ever thanks to Stuart, Jon, Melissa and all the referees and staff at Eriswell for maintaining their usual impeccable standards and providing the competitors with a Competition worthy of the last Inter Counties Championship of the year.

INTERNATIONAL

Sarah Daly reports on events from around the world.

FOLLOW UP ON SOME OF THE YOUNG ISSF MEDALLISTS

There are a number of Junior athletes posting some promising performances, and there are some who demonstrated stand out performances. A reminder: Lucy Hall won silver and an Olympic Quota Place at the European Championships (ECH). Sophie Herrmann and Mitchell Brooker-Smith won Gold in Junior Skeet Mixed team at the ECH and World Championships (WCH). Sophie won individual Gold and Mitchell won Silver at the WCH.

SOPHIE HERRMANN

"In the individual, I thought I had blown it in the Medal Match by dropping the last target, but I stayed in the zone as I knew it might go to a shoot-off as I didn't know Areeba Khan's (IND) score,

but I won by one target."

Sophie disputed a lost target on the first station of the Individual Medal Match and had a long wait for the VAR decision, so how did she stay focused? "I have learned some coping mechanisms as some of my performance have been affected by distractions in previous competitions, and so it just came together at the Worlds"

The WCH Mixed Team Junior Skeet: "Mitchell was shooting really well, but I was so tired on the range. A walk after round two made me feel better, I also spoke to Richard Brickell and went on to really enjoy the last round."

What lessons have you added to your armoury? "Do not go into the competition just focussing on a medal, stay focussed on the next shot."

 I was much happier after the worlds, but Europeans was my first Gold medal! 

MITCHELL BROOKER-SMITH

"Paul Tudge was the first person to notice the potential in me and was huge help mentoring me in the early stages. Des Davies has been my coach for about four years, but I also work with the British Shooting coaches, Richard Brickell and Per Moen."

How did you feel when you returned home from the Worlds? "I was much happier after the worlds, but Europeans was my first Gold medal!"

Right: World Cup Final Athletes. L-R Matt Coward-Holley, Ben Llewellyn, Nathan Hales, Kirsty Barr, and Amber Hill.

Above: Aaron Heading (centre). Right Inset: Lucy Hall.

I asked Mitchell how he coped with dropping 3ex4 targets on this first stand in the Medal Match: "It was the first time I have experienced fear, thinking how hard I had worked, but I managed to regroup and pull things back to take silver – the mental side is much bigger than my family or I realised initially, but I have worked hard on it"

Any lessons learned from the Europeans and/or the Worlds? "Never celebrate too soon, never give up – enjoy the shooting, the achievements are great and make the work so worthwhile."

Sponsorship and Supporters: "Thank you so much to my team, family and friends, everyone who has supported me in the last five years, and putting up with competitiveness, and especially to Oakland International Haulage Company, and of course the bank of parents and grandparents."

Sophie and Mitchell have been a formidable mixed team this year, winning Gold at the Europeans and Worlds. Sophie: "I have to thank Mitch for being such an amazing partner... an absolute rock on the range and an amazing shot who basically carried me through the tough morning in the mixed pairs. I definitely couldn't have done it without him and he deserves a big thank you!" Mitchell: "Something clicked between us and it has just come together for us."

PRESIDENT'S CUP (WORLD CUP FINAL/WCF)

To round off the ISSF season, GBR, having won three 2024 Olympic Quota Places (OGQP), seven 2023 European Games Quota Places (EGQP), and an impressive seven athletes

qualified for the WCF: **Skeet Women:** Amber Hill, OGQP + EGQP. **Skeet Men:** Ben Llewellyn, EGQP. **Trap Women:** Lucy Hall, OGQP + EGQP. **Trap Men:** Nathan Hales OGQP +

EGQP. Aaron Heading, Matt Coward-Holley, EGQP. (Jessica Burgess being the seventh to achieve an EGQP in Skeet Women)

All were in touch in the qualifying rounds of the WCF. Amber, Ben, Lucy, and Matt all making the ranking matches with Lucy and Ben posting top scores, but disappointing for all involved, no one progressed to the Semi-finals. Nevertheless, it has been a tremendous year for the GBR athletes and support teams.

TOP SHOTS

-2022-

We reflect on some of the finest feats of 2022, and look forward to the 2023 season with some of this year's top shots.

ED LING 1ST OVERALL OLYMPIC TRAP

This year has been very quiet for me on the shooting side, I have done a few different events and I've been very happy with how I performed overall considering I how little I've done.

My favorite shooting moment for 2022 would definitely be winning the Bronze medal at the only British shooting series was good. For 2023 my one goal is to just keep breaking the clays flying in front of me.

Gun: Perazzi mx 2000/3
Ammo: Cheddite Mach 3

My top tip for others would be to believe in yourself – use different competitions as training regardless of the discipline as this will help you gain that competition experience. Above all it is important to remember that shooting is just a game, so enjoy it, and if you miss one target learn to forget it and focus on your next shot/routine.

Obviously I would like to say a big thank you to my sponsors Mauro Perazzi for his support, and also Cheddite cartridges for their support also.

These statistics are based (from 1 of November 2021 to 31 October 2022) on averages from a minimum of 1000 registered targets (that count towards your classifications) at a minimum of three registered grounds in the domestic disciplines of DTL, ESK, ESP, ABT & STR. Other disciplines (except Helice) are calculated from a minimum of 500 targets (that count towards your classification) at a minimum of three different grounds. Helice was based on a minimum of 10 targets at a minimum of one ground. CPSA categories are based on the member's shooting category on 30 November 2022.

LUCY HALL 1ST OVERALL LADIES AND JUNIOR OLYMPIC TRAP, 9TH OVERALL OLYMPIC TRAP

It's been a rollercoaster of a year transitioning from Juniors to Seniors, there has been some challenging moments but I'm really happy with how my year has gone. It's been fantastic!

The European Championships in Larnaca was an amazing competition for me, but my high point of 2022 was definitely winning Silver at the European Championships and an Olympic Quota Place. For 2023 I would like to keep learning and improving but also win more medals and titles.

All I can say as my top tip is to always shoot with a smile on your face and make sure you enjoy every second of it!

I'd like to thank everyone in my team – you all know who you are – for continuing to support and help me! And also to my sponsors Beretta, GMK, Eley, Corsivia Clays, Manuel Ricardo, Pilla and Promatic, and to British Shooting, UK Sport, and the National Lottery, as without all the help and support I wouldn't be able to do what I love. TRISTAN HOCKEY

1ST OVERALL JUNIOR ENGLISH SPORTING

I have been up and down a little bit this season but have still managed to pull through on the bigger shoots of which I was really happy about. My high point this year was when I won the Blaser cup at Orston at the start of the season, and then went on to win the Essex Masters Juniors a few weeks later. Not long after that I won the English Open Sporttrap

Juniors at Eriswell Lodge, but the biggest achievement was making the Great Britain Junior Compak team.

My goals for next year is to keep doing what I have been doing and strive to become a World Junior Champion in Sporting and always be steady in the top-three Juniors for any competition I compete in. My top tip would be to keep training hard and never let your head go down no matter what happens and keep pushing through.

I would like to thank all my friends and family who have always been supportive to me, especially mum and dad, because with out them none of this would have been possible for me to achieve, and also to all the sponsors who have backed me all the way through every season I've competed in.

CHIP SMITH

1ST OVERALL SUPER VETERANS
FITASC AND ENGLAND TEAM CAPTAIN

This year has been an enjoyable one to look back on, there were some really good shoots put on and it was great to be on the podium more often than I expected.

Although it was a nice surprise to get my first England Sporting Cap this year, my high point of the year by far was having the honour to be the Captain of the England FITASC team. They were brilliant.

There are so many shoots on the calendar for 2023 that it is difficult to have just one goal, but I would like to retain the Sporttrap Veteran World Championship title that I was lucky enough to win last year at E.J.Churchill. I would also like to do well at the World Sporting Championship and get into the England FITASC team again. My top tips would be to get a good coach, learn a solid technique, and stay calm in competition.

There have been a lot of people helping me over the years but the biggest thanks have to go to Sarah White at GBS, my coach, without her help I probably wouldn't get to most shoots, let alone shoot them. Thanks also have to go to Richard and the crew at Owls Lodge Shooting School, as well as SWATCOM, Southdown and Pirbright gun clubs.

Gun:
Blaser F3 Pro 32" barrels
Ammo: Hull Pro One 28 gram 7.5 shot

BECKY KIBBLE

1ST OVERALL LADIES ENGLISH SKEET

This year has been fairly successful, achieving some big wins but I'm still learning everyday so overall I'm happy.

My high point and favourite event this year was retaining the Ladies International High Gun Skeet trophy and also winning the English Open Ladies Skeet title.

I never really set goals before the season starts, as personally I think it puts to much pressure on yourself so I just take each competition one at a time, which would be my top tip – to never put too much pressure on yourself, as well as getting a good coach and as much practice as you can – ultimately you need to enjoy and want to do it!

Gun: Beretta DT10

Ammo: Skeet – 24g 8s Eley Selects. Sporting – 28g 7.5 Eley Superbs, Titanium Strike 28g 7.5 & VIP federations 6.5

I would like to thank Paul Nelson at Morton Clay Targets who's been my coach from the start of my journey in Skeet and my dad, Richard, for being very supportive through the past years and initially getting me started in shooting.

Thanks very much to Eley cartridges for my sponsorship in 2022 and continuing the sponsorship for 2023 and also Dartford Shooting Ground and AHL Scaffolding who have also been a great support in 2022.

CHRIS CHILDERHOUSE

1ST OVERALL SPORTRAP

I was pretty happy with my results this year, especially towards the end of the year as I started to find some consistency. My high point for 2022 was coming Overall Runner-up at the British Open English Sporting, although second is first looser so I'll have to try and go one better next year! Also captaining the England World Sporting team in Texas in April was a great honour.

My goals for 2023 are as always, try to save my best performances for the major shoots where it matters. In the disciplines I shoot my best tip would be to try to shoot at as many grounds as you can, in doing so your seeing different backgrounds, target presentations, etc.

I would like to thank my sponsors Browning Europe and Tall Oaks Contractors for their continued support, also to my wife Jo for holding the fort at home with our two young children whilst I'm away competing.

Gun: Browning XS Pro
Ammo: Hull Cartridge

DANIEL PRICE
3RD OVERALL DOWN THE LINE

I am really pleased with my results this year, this shows me that I have a solid technique as I always look to be consistent. I had many high points this year but what stood out was making the England team top-five again. This also meant I qualified for the European and World Championship teams. I was particularly pleased with being the first to win Jim Holden's memorial shoot with a perfect 100/300. Jim was an extremely well-known DTL shooter who was always encouraging to me.

For next year I am aiming to do my best at every shoot. There are also a few major trophy's I haven't achieved yet, so they're my main goals for 2023.

As a few top tips I would make sure your gun shoots where you look. Get yourself a good solid technique and practice it so it becomes second nature. When calling for a target keep your eyes and more importantly your gun still – let that target emerge a good distance before you move your gun, when you do it right it will feel like slow motion. Be confident and don't get flustered when things aren't going well as every point counts. Get yourself to the big shoots and watch the best shooters and learn as much as you can from them.

I'd like to thank all my family, friends, and sponsors, Caesar Guerini and Gamebore Cartridges, as well as support from Park Farm Shooting Ground and The Shooting Sock Company.

ARRAN ECCLESTON

1ST OVERALL OLYMPICSKEET

This year's results have been really positive and they were consistent throughout which I am really proud of. I have had several really big results this season – I won the English Open OSK Junior and Overall titles which set myself up well for the rest of the year, however the real high point was gaining my first Senior GB Cap at the ISSF World Championships in October after having only left Juniors in May. It didn't go exactly to plan, however I did shoot my first ever 150-straight. Emily Hibbs and I made the Bronze medal final match in the mixed team event, which was a surreal experience and topped off my year. My main goals for 2023 are to cement myself within the GB team, and to earn Team GB a quota place for the Paris 2024 Olympics.

My first tip is to have perseverance. Success will not happen over night and there will be low moments but

these days shape you as a competitor and can be the best to learn from. My second tip is to be open-minded and teachable, being able to listen to experienced shots and coaches, and implement new methods.

I'd like to thank my mother, father and sister for all of their support since I started shooting. Then my sponsors for which none of this would have been possible: Starkey Outdoor, Mercury Custom Plugs, West Midlands SG, Rizzini Shotguns, Lyalvale Express, Chase Enterprise Ltd, and last but not least British Shooting for all their support and my coaches over past few years, Richard Brickell, Per Moen and Jeremy Bird.

MATTHEW PANTER

1ST OVERALL AUTOMATIC BALL TRAP, FOURTH OVERALL UNIVERSAL TRENCH, SEVENTH OVERALL OLYMPIC TRAP

It's been a consistent year for me and I'm happy enough with my results – but like any shooter you always want that bit more and there were one or two championships that I narrowly missed out on, but overall it's been a good year.

Being consistent at the majority of shoots this year was pleasing, but winning the World Open ABT at Fauxdelgla was a highlight as it's a competition I've been Runner-up in the two previous years, so was nice to get my name on that one finally!

I've just started to think about goals for next year and I've set a few as always. To qualify and win the OT Home International at Nuthampstead has to be one on the list, but also the European and World UT Championships next year would be two good shoots to find my best form.

Gun: Caesar Guerini Invictus Ascent
Ammo: RC7 7 1/2

My main top tip is to remember that shooting is full of good and bad weekends, you've got to accept the latter and move on quickly – otherwise it'll take the enjoyment out of it.

I've got some great support around me and have done for many years. A big thank you has to go to Park Farm Shooting ground, Phil and his team are always so welcoming and set such high quality targets to train on all year round. Thanks to Caesar Guerini and Shooting Star/RC Cartridges also.

I would also like to thank Ed Barker from Nuthampstead SG, Rob Hall from East Yorkshire SG, and Mike Faux from Fauxdelgla SG, it's been a tough few years for grounds but they've continued to invest and really have raised the standard of Trap shooting in the UK.

DAVID LLOYD

1ST OVERALL VETERANS UNIVERSAL TRENCH

I did well at a lot of shoots this year and was particularly pleased with my results at the World Championship in Italy, where I finished fourth. I had a really bad start to the competition but came back really strong and just missed out on a medal.

I think that it's so important to never give up and get down on yourself when shooting, always try and take a positive away for the next shoot.

I would like to thank my partner Beccy – she's always supporting me – and my sponsors Lyalvale Express who have been brilliant in supporting me.

I am really pleased with my consistency this year and am working on a couple of changes ahead of next season, where hope to carry on where I left off.

IN MY KITBAG

We spoke to **Ben Woodham**, member of the Disabled Shooters Group, about what he keeps in his kitbag.

Ben Woodham is well-known for being a member of the Disabled Shooters Group (DSG) and has a fabulous record when it comes to titles and trophies. With such success it is easy to forget that he shoots from a wheelchair – we found out what equipment Ben uses and how he navigates kit to get the most out of shooting.

SHOTGUNS AND CARTRIDGES

"My main gun, which I shoot everything with, is a Browning 525 Sporter with 28" Barrels, which means most of the gun's weight is back towards me. Being a T3 paraplegic means I have no control from my chest down, so balance and positioning is vital. The gun fitted pretty much straight off the shelf so I only had the length of pull chopped down to 13 3/4". With it only weighing 6lb

8oz it allows me to even tackle high driven targets, one handed when needed." Ben's preferred discipline is Skeet, be that English, Doubles, or NSSA so his go to Cartridges are 24g 8's or 9's. After shooting so many different cartridges, trying different cartridges for different targets and disciplines. "These cartridges suited me best, with low recoil meaning I can get onto a pair faster and ultimately shoot more targets, without feeling like I have been beaten up, but they have enough kick to give you confidence and that's what is key. If I am shooting some Sporting at distance or Trap then I will use a 28g 7.5's."

Above: Ben sporting his Eriswell Lodge Team sponsored clothing at the ground. Below: Ben's kitbag staples.

CLOTHING AND ACCESSORIES

Ben noted that his favourite colour has always been orange, so the Browning Clay Buster Skeet vest has been a firm favourite up until sponsorship from Eriswell Lodge. "I am now wearing the Team Eriswell kit with great pride. Having a large head made most shooting hats too small and comically perch on top of my head but the Flexfit brand do a great size range, for the shooter with a large brain to contain, which I now have with my sponsors' logo on."

Regarding glasses and ear protection, it would seem Ben has tried more than his fair share: "I have tried a few, I really do not like being able to see a frame so I really liked Evolution Matrix glasses, then recently got a set of Evolution Magnex Magnetic Lens System and these are even better and they don't break the bank. I did try over ear protection but could not get on with it, so took a plunge and got Custom

Fit Guards which are brilliant. I have the passive set at the moment but looking to get another set but electronic.

EXTRA ITEMS AND SPONSORS

We asked Ben if there is any extra kit he carries as a disabled shooter that help him to shoot with more ease.

"Probably my most important bit of kit is the brilliant Triride powered front wheel attachment. Without this I would not be able to get round the majority of grounds with the ease that I do now. I have also modified a cartridge pouch on the handlebars to carry my cartridges, ear plugs, phone etc.

"Whilst I have this opportunity, I would like to say a huge thank you to Eriswell Lodge – I nearly fell out my chair when Stuart approached me to be part of Team Eriswell and his and the teams support has been amazing! Along with my Mum and Dads support of course, plus all of the Disabled Shooters Group (DSG) pushing me forward."

THE RIGHT KIND OF SHOCK

With ambulance response rates making headlines for all the wrong reasons, the opportunity to install a defibrillator might well help your shooting ground save a life.

Martin Puddifer reports.

How long would an ambulance take to reach your shooting ground if someone required emergency treatment? It's a sobering thought that when someone suffers a cardiac arrest, their chances of survival reduce by ten percent with each minute that passes without CPR and defibrillation (an electric shock that restarts the cardiac cycle). Those who have – hopefully – come to the afflicted person's aid within moments of a cardiac arrest must not only call for help, but also remain calm in the knowledge that any delays in treatment are literally a matter of life or death. According to the Healthcare Quality Improvement Partnership, the NHS's clinical auditors, 60,000 out-of-hospital cardiac arrests happen each year: the survival rate is just one in ten.

LOCATION, LOCATION, LOCATION

A new campaign, The Countryside Defibrillator Initiative, now includes amongst others a promotion between the CPSA and Defib Plus, and arrives in December to help shooting clubs and grounds to be prepared should the worst happen. It will see CPSA member clubs and grounds being offered the chance to purchase one of three automated external defibrillators (AED) from the London-based firm at a ten percent discounted rate. CPSA members and member clubs may also benefit from a 130 percent tax break on this equipment during the initiative, more than something for nothing in these difficult times.

Paramedics might not get to you in ten minutes, even if you call 999 within seconds of an incident

When Ross Severn, the director of Defib Plus, first approached the CPSA about the initiative, one simple word was repeatedly at the forefront of his mind when offering immediate and effective first aid following a cardiac arrest.

"Location! It's all about location – the survival of cardiac arrests is time critical," Ross explains.

"Unfortunately, and through no fault of the emergency services, we have pretty poor ambulance response times at the moment in this country. If you combine those two factors, and add the fact that

by definition of where clubs are (clay shooting clubs and grounds are likely to be out in rural areas) your ten-minute window (the stated window for the survival of cardiac arrests) makes survival a real uncertainty, the best provision you can make is to look after your own by having a defibrillator on site. Paramedics might not get to you in ten minutes, even if you call 999 within seconds of an incident, you only need to read the press to get a feel for that."

NO TRAINING REQUIRED

A common sight at sports grounds, shopping centres, and even red telephone boxes nowadays, the presence of defibrillators are normally down to a moral compunction and is sadly not a legal requirement. The

AEDs offered by Defib Plus to CPSA member grounds and clubs are public access defibrillators (PADs), which are "specifically designed for the uninitiated and untrained" as Ross puts it. "These are the ones that will instruct you audibly and sometimes visually as to what to do in the event of a cardiac arrest – anyone can use one and shouldn't be afraid to do so."

It is of note that the CPSA has joined the initiative and in doing so reiterated its commitment to the wellbeing, health and safety of its members, whilst at the same time trying to secure the most cost-effective option available to those members and their clubs.

Ross is confident that staff within CPSA grounds will be aware of how these units operate via First Aid at Work (FAW) and Emergency First Aid at Work (EFAW) courses, but reiterates no training is required in the use of this equipment. "It doesn't matter if we were to go and instruct the owner of the member club or ground; it might not be them who actually uses the device. Even if it were, the demonstration and familiarisation videos we provide are there for them to share amongst all their staff, to make all aware of the process of deployment," says Ross, adding that Defib Plus will always leave it to the owners to decide where their unit should be positioned, but can advise.

TIME SAVES LIVES

"If you are on a game shoot, you're going to be in the middle of nowhere and when you add up the Guns, guests, beaters, pickers-up etc, you will have 20 to 30 people there. We are of the belief that there should be one vehicle on every shoot day that's got a defibrillator in it. You could be classified as rural, remote or inaccessible by the emergency services, so you have got to look after yourself: time saves lives. It is also worth remembering that when not out in the field it can reside in a private residence. Where a club or ground choose to put its defibrillator is wherever they think it is most accessible, i.e the most central point on their ground. Then again, most clubs or grounds have a quad bike at their disposal, so maybe it's better in the clubhouse where they can save money on a cabinet. As long as it's on-site and everyone knows where it is, that's the key."

THE FEAR OF LITIGATION

An important point that mustn't be overlooked is the maintenance of the AED. Ross is at pains to point out that Defib Plus won't just sell the unit to clubs and grounds, they will offer after-sales support, too. "The principal barrier for the ownership of defibrillators has been fear of liability and litigation," explains Ross.

"We address that through maintenance. While we work in conjunction with whoever does the required efficacy checks on the unit, we also certificate, meaning we take on the responsibility of making sure the unit works. A club or ground employee checks the unit as part of the Provision and Use of Work Equipment Regulations (PUWER), but should someone feel that questions might be asked or even a legal challenge may be launched following a

 We are of the belief that there should be one vehicle on every shoot day that's got a defibrillator in it 

cardiac arrest at the club or ground, we have their liability managed or mitigated. Everyone hopes they'll never have to use their AED, but we'll make sure they're covered under 'best practice' and 'duty of care' if they do."

OPEN TO ALL MEMBERS

The initiative will run until 1 April 2023 and is not just available to clubs and grounds – it is open to anyone within the CPSA membership who owns a business, or has a requirement. As an added incentive, Defib Plus will supply a new defibrillator at the end of the manufacturer's warranty, typically six to seven years, under their Tier 1

maintenance, free of charge, so you may never need to buy another AED after the first. Additionally and under the Capital Allowances Super Deductions Scheme, which runs until March 31, 2023, a business which buys an AED for £1,000 will find it has a tax write-off value of £1,300, which equates to a 130 per cent tax deduction, meaning you're almost getting paid to buy one. Maintenance is also 100 percent tax deductible, though grounds and clubs should seek financial advice on both of these points.

Ross is also hopeful the initiative will open a broader conversation about the provision of AEDs in the countryside and the wider fieldsports community.

NO TIME FOR HIBERNATION

The winter months might be dark and cold, but there's plenty you can do to work on your shooting in preparation for next season, as **Anita North** explains.

With the winter months comes a slightly quieter time for lots of clay shooters. Major competitions are done for the year, the days are so much shorter and it's cold and wet outside. But that doesn't mean you can't prepare for shooting next year – whether in competition or for recreation.

GET PHYSICAL

I would encourage anyone to get out and get active for general fitness as well as for shooting readiness. Work on your balance, core strength, and flexibility to help your shooting. You do not need to go building lots and lots of muscles and be super fit, however a level of core strength, muscle tone, and stamina will mean you will be physically prepared and better able to cope with stress that

you may have in competing.

You don't even need a gym – a brisk 30-minute walk will help your fitness for shooting and your general health. There are lots of exercises you can do at home to work on shoulders, back and legs. It's amazing the number of exercises that you can do with a set of tension bands – there's lots of inspiration out on social media – go and check it out!

FOCUS ON YOUR EYES

There are some great pieces of kit out there to help train your eyes. Check

out the training kits produced by Ed Lyons for example. In addition, tennis balls can be a great addition to your training as a simple game of catch can help your shooting. Focus on watching seams of the tennis ball as you throw and catch it – try throwing and catching with either hand – not just your dominant hand.

Play with friends or family, random throwing and catching will test and improve your attention. You

can also Google hand-eye coordination exercises – you will find lots of drills that can help you and you will have fun along the way.

Talking of eyes – this might be a good time of year for a sight test. After all, to shoot the clay, you need to be able to see the clay, so get a test booked.

GUN MOUNT PRACTICE

Gun mount practice with an unloaded gun that fits you is great training and ten to 15 minutes three times per week can

GG A great addition to a training programme can be the use of a shooting simulator. A simulator can give a realistic experience without wind, rain, or recoil. **JJ**

HEAD TO THE SIMULATOR

A great addition to a training programme can be the use of a shooting simulator. A simulator can give a realistic experience without wind, rain, or recoil. You get immediate feedback as systems have options for video replay of gun movement and shot. It is a safe environment to focus on elements of the shooting – it can help you understand what you do and help you work on perfecting your shooting process. There are systems available that can be used at home, or for a truly immersive experience check out Katy Poulson's shooting simulator venue: shooting-simulator.co.uk

really help ensure you are comfortable with your gun, as well as being a safe and competent gun handler. I must emphasise that gun fit is a major part of this happy relationship – your gun should fit you, you should not be trying to fit yourself to the gun.

Work with your coach to identify correct gun mount and movement and use video and photos to help you record this for future reference. When you practice your mount, concentrate on quality not quantity – do it right, slowly then build up speed. Use a mirror to help check you are doing it correctly. Start with mounting the gun to a still position and hold that position. You can later build your gun mount practice to include moving drills. This work will help you in so many ways.

Here's just one example of a training drill that you can do to practice gun movement. Use numbered post-it notes on an area of blank wall (or a window if it is safe and secure to do so). Randomly position them so that numbers are jumbled. Have one that

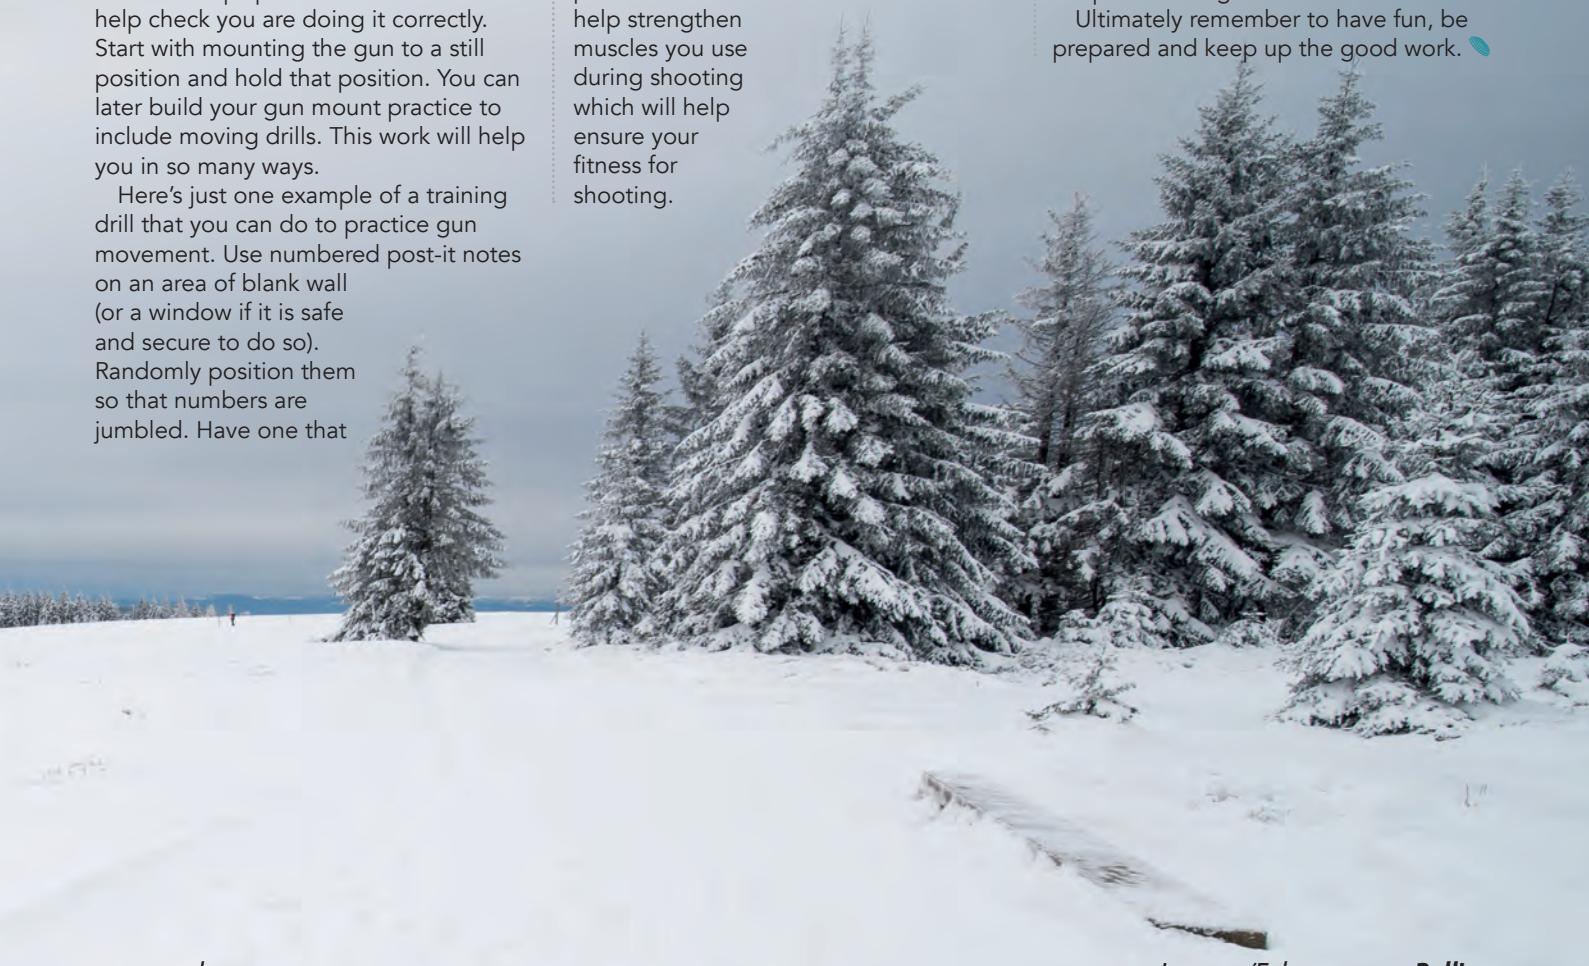

is your zero or start position – if using a window you could also include a pick up point above your gun. Start with your gun at the start point (mounted or out of the shoulder, your choice) then ask someone else, a family member or phone a friend if you are by yourself, to call out a number randomly. You then move your gun through the selected number. Each time go back to start before the next number is called. Work on smooth movement of your gun.

There's an added bonus to this practice – it will help strengthen muscles you use during shooting which will help ensure your fitness for shooting.

HAVE A BLAST

In addition to all of these activities, do get out shooting. With changeable weather, you might not get out as much as during the competition season but choose your days, get out and blast some clays. Continue to work on those shooting skills. Stay warm, wrap up against the elements. Just remember if you wear very bulky clothing this can affect your gun mount and fit, so choose your layers carefully. There are some brilliant options out there to ensure you are protected against the elements.

Ultimately remember to have fun, be prepared and keep up the good work.

HOW I STARTED SHOOTING

I first started shooting when I was 13 years old at Garlands Shooting Ground. My dad has always been a keen sporting shooter and my brother had already

been shooting for a year. I used to walk with them around the grounds and carry their bags with them. My dad booked my first ever shooting lesson at Garlands with Steve Bickley and I never looked back. After lessons with John Wells, I was then coached by Linda Grayson for a few years during the start of my shooting career who helped build up my confidence and shooting ability.

I started shooting sporting for around 3 years before settling into the skeet discipline in 2017. I used to go to Doveridge for my sporting shoots and my dad suggested trying a round of skeet to better my sporting. After this I started to practice this discipline more and was invited to a Warwickshire County shoot as my first 100 registered skeet. My brother and I started to shoot skeet more and more and fell in love with this discipline.

SHOOTING MEMORIES

My favourite moment in shooting so far was definitely winning the British Open Skeet Championship in 2017. Shooting my first 100 straight was the best feeling in the world but to win high gun at a major championship at 16 years old felt like a dream come true.

SUCCESS AT THE BO ESK

Winning the Lady High Gun Trophy at the BO ESK was one of the highlights of this year. Cannot deny I was a little disappointed to drop one on my second round! This year I have won some amazing titles that I am very proud of such as National Inter Counties ESK Lady High Gun and Home International England Lady High Gun. I am excited to see what the next shooting season will bring.

Thank you to all that came to support the event and to the ground for hosting. **Tom Brown**

29-30 Oct: Durham FITASC Championship, Jett Hall

The weather forecast didn't look the best with heavy showers on both days, luckily it wasn't as bad as originally forecast and most squads managed to stay reasonably dry. David and Tom Long of TD Shooting set up four challenging layouts with everything from long range rabbits and battues to close fast quartering targets, but everything was well hit able and gave you time for two fair shots.

With the weather very similar on both days, the course shot much the same and scores reflected this with challenging targets for most. Out of the 90 entries only a dozen or more scores shot over 80, apart from the one man who blew the rest of the field away with a massive 94/100 which was five clear of the next best. What an incredible bit of shooting, well done Nick Hendrick who took High Gun. A Class was won by Adrian Parkin on 89/100, second Martin Myers 87, third Mark Webster 86. B Class winner was Gary Taylor on 84, second

David Woolley 83, third Graeme Rice with 82. C Class winner was Myles Shipway with 70, second Oliver Johnson 78, and third Peter Brockley 77. Veteran winner was Martin Doughty with 85/100, Super Veteran winner was Keith Roe with 74, and Ladies winner was Rebecca McKenzie with 74/100.

Well done to all the winners and thanks to all that attended. **Mike Pennington**

13 Nov: North Region Sportrap Championships, Oak Lodge SS

This was a 125 target format, which was set up by Andy Calvert. The targets were to a good standard, not easy as the result from the High Gun and new champion Paul Fosters' mind blowing 123/125 may suggest, only missing two because he went the wrong way in the simultaneous doubles. Veteran winner was Glenn Hunt, and Ladies winner Linda Carson. **Glenn Hunt**

15-16 Oct: National Inter-Counties ESK, Eriswell Lodge

Cheshire fielded Senior, Veterans, and Ladies teams. The action started around noon, slightly ahead of schedule. When our scores went in things looked very promising, with Ladies in second place, Seniors in second place, and Veterans in third place, but competition was stiff with 13 counties being represented and Essex fielding a Seniors A and B team. The last scores came in about 3pm and the Ladies hung onto second place for a Silver medal, beaten to the top spot by Essex by one clay. The Seniors had slipped to third and Veterans to fourth. Scoring was very tight with one or two clays deciding the places in each category.

The highest Cheshire score was 96 from Colin Babcock, who also was joint first in A Class. Jim Wagstaff shot 94 for second in B Class, and Isabel Cartlidge was third in Juniors with 95. There was just one 100-straight from Martin Walmsley (Staff). We would like to say a big thank you to all the Cheshire shooters who made the trip to Suffolk. **Colin Babcock ESK Team Manager, Maurice Cunningham ESK Asst Manager**

Vernon Lathwell

It is with much sadness we report the passing of Vernon on 6 October. Vernon shot most disciplines ranging from Sporting, Skeet, and Down the Line, and was a valuable member of the Derbyshire Shooting team, shooting for his county on many occasions over the years. Vernon won many DTL, ABT, OT, SB, UT, and HBD County Championships and was a team member that won, and picked up, trophies at Regional and National level. Our Deepest Sympathies go to Vernon's wife, Jean, and his family.

A Year In The Life Of Mickley Hall Shooting School – Part 1

Now the clay season has ended and the game season begins, we look forward to the next 12 months, but while event planning gets underway we get busier with corporate days heading into Autumn and early Winter. Looking at what we did last year we are looking to keep the good bits but add in extra events that will be new and exciting for all our customers.

We have a brilliant competition in the 50 target handicap summer series and the 50 target winter series that runs every Thursday throughout the year, and we also run a 100 Registered Sporting competition on the last Wednesday of every month so we are working on new events to add to our 2023 calendar.

To come is a new Yildiz All Bore World Championship with the date to be announced shortly, a restructured Eley Grand Prix to hopefully keep the price of the competition lower than in previous years, as we think that people will be looking for value more than ever with so many price increases over recent months. As November gets underway, we are in full swing with game instruction, mainly at the shooting school but also in the field and game guns are more commonly sold in the shop, along with boots, wellies, and coats. The high tower becomes very popular along with the grouse butt as people have the odd bad day in the field. Game shooters come to practice

and put the problems right and it is the busiest time for selling cartridges – even in November our members are still coming to practice and lessons continue. **Scott Barnett**

Tristan Yeomans shot on the last squad of the day and returned to the clubhouse on 91/100 tying with Tom's score. Tristan took the Overall Championship as Tom wasn't available for a shoot-off. The Veterans Champion was Stuart Haywood on 82/100, with Peter Brockley Runner-up on 81/100, and Jim Hollingworth third on 80/100. Junior Champion was Jake Davis on 68/100. Well done to all Winners.

Notes from the Chair

Well done to everyone for a very successful 2022, there have been some fantastic results and achievements. Matt Panter saw the season out in true champion style with seven back-to-back wins across three disciplines – awesome shooting Matt! Nick Portlock is also finishing the season on a high with four High Guns in a row – well done Nick.

The Skeet Doubles County Championship will finalize the Champion of Champions title for this year, the winner of which will be announced at the AGM.

The AGM date is still to be set but please keep an eye on our Facebook page and we will announce details asap (I promise not to clash with the rugby this year!) The AGM will also include a shoot to compete for the trophy we introduced last year.

Finally, can everyone with trophies please get them to Ian Coleys or Gloucester Clay Shooting Club as soon as possible.

Veterans Champion was Simon Taylor on 70/100. Junior Champion was Troy Hunt on 64/100. Well done to you all.

The H&W County Skeet Doubles took place on Sunday 16 October. The weather was kind with clear skies, sunshine, and a light breeze at the Gloucester Clay Shooting Ground, kindly hosted by Paul Tudge. Steve Nutbeam was on fine form to take the County title with a score of 98, followed in Runner-up position by Brandon Smith with 94. Ladies and Junior title went to Sophie Langton with an excellent 85 and Connor Davies wins the Colt title on a score of 81. Well done all!

Looking forward to 2023 we would like to encourage more Ladies to shoot for our county and as such the committee has a small fund to support any CPSA H&W Ladies who shoot in any event for our Inter-County Teams. The committee can refund their targets only entry fee if requested so do please get in touch. The committee are also looking into fundraising to help our members further – if you would like to help we would love to hear from you.

In case members are unaware we would like to highlight the Lyalvale trophy and its importance in funding for the county. Team entries are extremely important as they help ensure better rankings and top Lyalvale placings result in our club getting a prize fund that can go on to help support our members further. Ensuring we have committed teams across all categories is something we will strive for in 2023.

Finally, a date for your diary, The John Hadley Memorial Shoot will take place at Park Farm on 11 February ►

More than 150 competitors shot the event of which 28 were from Shropshire – thanks to you all for supporting this important county event. Big thanks go to the Jones family for putting on an excellent course, something for all with many subtle challenges to master. Lots of good shooting on display especially Martin Myers, High Gun, with a superb 95ex100. Shropshire Champion Dan Whittall shot an excellent 90 and received the trophy from Jess Jones of WMSG. If you want to get your County Medals and have a photo opportunity with your trophy, please let us know and book when further details are available. We will start with a two-course meal, then undertake presentations of trophies and celebration of medal winners. We are looking for some members to help with setting up the room, running a raffle and providing some other items to raise funds for the County. Please let the Chairman know if you can help out or can provide prizes for the raffle.

2022 lots of success for county teams and individuals...

Shropshire has less than 300 members, much less active regular competition guns and few local CPSA grounds. Shropshire's members compete disproportionately well for the numbers involved and the Committee thank you all for your considerable efforts in supporting the county. The Committee wish every member good health and good shooting during 2023 and beyond.

Defending Champion Jack Rowley was one of only three people to hit scores of 20+ across all four disciplines (along with Gav and Gary), tying for third with Adam Gutteridge.

6 Nov: ESK – Belvoir Cup success for Kian

Why Choose Zoli?

3 FORGED ACTION & MONO-BLOCK The action, trigger plate and monoblock form the foundation of the gun, all made using forged alloy steel. The trigger plate mechanism is independent from the action so does not sustain the stress and strain that could affect the adjustment of the firing mechanism. High adjustment standards are therefore guaranteed even under prolonged heavy use.

BHB SYSTEM The Zoli BHB system addresses the issue of weight and its location helping create the optimum dynamics to achieve perfect control of the shotgun. Zoli developed the first dynamic adjustment system specifically for a shotgun.

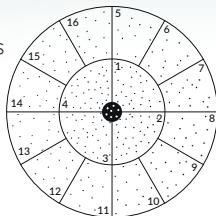

2 SILVER SOLDERED BARRELS Zoli was the first company in the world to develop an industrial process to silver soldered barrels. Advantages entail a more homogeneous assembly reducing micro-vibration up to 90%, superior strength and heat resistance with perfect and permanent point of impact. In addition highly durable chemical blueing can be used to maintain the appearance of the gun for years.

1 TRIGGER GROUP Most Zoli guns are fitted with a hand detachable Zoli designed locked system and loaded with powerful coil springs. All critical parts are treated with titanium nitrate and main coil springs coated with self lubricating material for maximum corrosion resistance and wear. Hammers, Sears and trigger plates are precision CNC machined, specially hardened and ground.

BALLISTIC PERFORMANCE The refined ballistic performance of a Zoli shotgun is its most important feature which truly tells it apart from any other product. Excel your shooter experience with correct point and power of impact, homogenous shot distribution and shooting comfort through recoil management.

10 YEAR WARRANTY

All Zoli Shotguns
come with Edgar Brothers
10 year warranty.

4 BOSS LOCKING SYSTEM Consists of a split locking bolt that mates accurately with the locking lugs of the monoblock. The central position of the locking system compared to the monoblock axis ensures maximum tightness. The joint between barrel and action stands the test of time.

Looking back on 2022

2022 was a great year of shooting for Staffordshire. There have been numerous successes, not just in individual competitions but also in County and WM Area Championships. In the Inter-Counties, we've competed across nearly all disciplines and categories. Proud to report that we achieved Gold in Senior FITASC, UT, AR, and ABT. We also medalled in all but one competition we entered this

year, a fantastic achievement. Well done to everyone who has taken part and a big thank you to all of our Team Managers.

Going forward into 2023 – Your County needs you!

But we won't rest on our laurels and want 2023 to be even better! Your committee are determined to be inclusive and field teams across as many categories and in as many disciplines as we can. To do so, we need as big a pool of shooters as possible. This is where you come in.

Contact us on Facebook or via our website and we'll make a note of your interest. We will publish details of what the qualification criteria is for all disciplines in due course.

We need county shooters, of all classes and disciplines. You don't have to regularly shoot that discipline, but you do have to be keen to shoot for Staffordshire and available to shoot on the day of the event. Dates will be published as soon as available.

If you're new to a discipline, please contact the committee and we can put you in touch with shooters/team managers who will be happy to provide help and support.

We are also keen to hear from anyone who would like to be considered as a Team Manager.

Staffordshire CPSA AGM

We will be holding our AGM on Monday 23 January 2023 at Aston Marina near Stone. If you would like to attend, wish to be considered to stand for a Committee position or have any questions, please contact us by no later than 16 January.

As the competitive season drew to a close for 2022 with the National Inter-Counties events our Warwickshire shooters continued to celebrate further success. First up it was our Senior ABT shooters taking the Gold medals at the National Inter-Counties ABT, held at the National Clay Shooting Centre on Sunday 18 September. Well done John Lewis, John O'Reilly, Fletcher Watson, Will Fowdry, and Clive Rowe on a great result.

Continuing their earlier successes our Skeet shooters also came up with the goods at the National Inter-Counties ESK held at Eriswell Lodge on 17 October. Megan Jones took individual honours winning the Ladies High Gun of the event while contributing to our team successes.

Our Juniors continued their successful season, this time winning Gold in the Junior team event, it's been quite a first competitive season for them, well done Alice Marks, Kane Lovell, and Brooke Ingram.

The Senior team event was won by Suffolk, however our team were two targets behind to take the Runner-up team Silver award. Some excellent shooting from Callum Jones,

Megan Jones, Dave Roling, Steve Lovell, Matt Morgan, and Dave Rollason.

Many thanks to all our Warwickshire shooters that have represented the county so well over the season and congratulations on your successes, there have been plenty.

As we enter a New Year and a new season of shooting, we are very much looking to build on the successes of 2022. The CPSA calendar of events is now pretty much

firmed up and available on the website so your Regional and County Committees will be getting busy setting up a new season of Area and County Championship events. Check out the West Midlands Region website first and then later the County site as we get our events organised and dates published for you to get into your diary. We look forward to seeing you out there enjoying more fun with your gun.

Hello to you all again, I hope that you have all been keeping well and taking advantage of the better weather that we have been having in the latter days of the year. Saying that, have you all sent your Wishlist letters to Santa yet? don't leave it too late, you'll not want to bump into him listless – be warned!

Now then, I would like to open this report by thanking all the grounds who have given our lesser graded shooters the opportunity to take part alongside the top shots of the game. Looking at the returns, they have made a good fist of it too. Also, to the many entrants who turn out every weekend and for that matter the several clubs that are putting on Registered Sporting shoots during the week, Kibworth and Normanton for example, well done to you all and thanks.

There have been one or two unexpected wins in the many County events that we have held throughout 2022. This is what happens, it's a matter of being in the right place at the right time. To the shooters that have fared well in the National and International events, in many cases bringing home the trophies and medals that they richly deserve.

Our Ladies, Juniors, and Veterans teams have shown that we aren't pushovers either. We have been making a few waves in the East Midlands County Championships, answering the questions, where are Leicestershire and Rutland then? All these winners have been named throughout the year in the results.

Nearly at the end... I've saved this bit 'til last (ish). Tony Cox, Steve Brightwell, Bob Tucker, and John Wells became the Vets Champs Runners-up at the CPSA National Inter-Counties Sporting Final, Wowee! Also, not to be outdone, the Junior team of Mollie Chesterton and Oliver John took top Junior honors at the East Midlands Inter-County Skeet final. These two wins have let us L&R shooters finish the Year with two great honours, a million thanks to you all.

The Annual L&R AGM will be held at the 'Table Table' Restaurant, Premier Inn, Hinckley Road, Leicester on January 31st 2023, Commencing at 7.00pm. This just leaves me to thank you all who have contributed to my Pull! column, the Committee who have sorted out venues etc, the Grounds... to my Dad. You refused me to touch the 'parsons nose' from the Christmas Turkey, I couldn't wait to have my own 'parsons nose' and my own Christmas Turkey. I finally managed this 58 years ago, what the heck was that all about?

All the best for 2023, Alan Bott, (first reserve, last resort).

Round the next day. Their dedication paid off as that weekend they ran out winners at both events. Congratulations to all those who took part in a county team and thanks to the team managers for all the hard work they put in getting the teams together.

County championships – HBD

Chris Bone added the HBD title to his growing list of achievements in multiple disciplines.

Olympic Skeet

It seems that Alex Horton can turn his hand to anything. Principally a Sporting shooter, he took the Lincolnshire Helice title at his first attempt and has now done it again with Olympic Skeet.

Universal Trench

We welcomed Lancashire lad, David Ball, into the county a couple of years ago and as a top DTL/OT shooter it was only a matter of time before he picked up one of our Trap trophies, winning the 2022 UT championship outright with a superb score of 90.

GB and England Teams

Lincolnshire's Aaron Heading achieved the ultimate in personal goals when he earned a place in the GB team at the Beijing Olympics and as part of the Men's Trap team who were officially recognised as Champions of the World this year after beating Croatia. Dick Cooper took up his place for the first time in the GB OT team as did Steve Parker in the UT team. Donovan Jenkin and Trevor Hawkins were part of the successful GB Helice team and Megan Williams and Stuart Whitehead joined old hand Mark Shaw in the successful England DTL team with Megan winning ladies high gun for England over the two days.

Wishing you all a Happy New Year and more good shooting in 2023.

Just three weeks later another trip to Eriswell Lodge for the All Round saw the Ladies team of Saira Boardman, Georgina Barratt, Rosie Parkinson, and Liz MacGreggor-White finishing Runners-up behind Yorkshire.

some superb scoring from Georgina and Rosie who both finished on 79.

The National Inter-Counties Skeet saw us back at Eriswell Lodge once more. All National Inter-County competitions are held over two days and our Veteran team of Doug Moore, Martin Grimwood, and Marvin Houghton drew the short straw with the weather on day one but still managed to win, beating Runners-up Essex by one clay.

It made a change to be at Northampton for the All Round. Our veteran team of John Winn, Marvin Houghton, and John Toombs were once again top dogs with the Ladies team of Georgina Barratt, Rosie Parkinson, and Liz MacGreggor-White finishing Runners-up behind Yorkshire.

A clash of fixtures with the East Midlands Inter-Counties All Round meant fielding a diminished Ladies team for DTL as only Saira Boardman and Liz MacGreggor-White were prepared to shoot DTL at Northampton on Saturday, then hurtle down to Eriswell Lodge to shoot the All

9 Oct: East Midlands Inter-Counties All Round Championship, Eriswell Lodge

A sunny but breezy day made for some challenging targets at the final Inter-Counties Championship of the season. Norfolk put on a strong performance with Jason and Richard top scorers in the team with 91 apiece. Congratulations to Richard Bunning, Mark Goddard, John Glover, Glenn Halls, Stephen Herrieven, Jason Matthewson, Joe Norman, and Simon Owen who were Senior Team Runners-up to Nottingham. The Veterans Team of David Beales, Robert Flowers, Paul Owen, and David Pointer were Runners-up to Suffolk.

5 Nov: The President's Cup, Chalk Farm CG

This was held for the first time at Chalk Farm Clay Ground. An excellent turnout of 113 entrants, with 44

Norfolk County shooters competing for the trophy. The Senior Champion is John Newman 85 on countback, Veterans Paul Owen 76, Ladies Nicola Hassall 59, and Juniors Kai Reynolds 57. We would like to take this opportunity to say a massive thank you to Steve Howling and Chalk Farm CG for holding this shoot and for all they do to help the Norfolk CPSA and our sport within our county. We would also like to thank Mid Norfolk Smokehouse for sponsoring this shoot's High Gun prize of £200, which was won by Paul Lovick 93.

Norfolk County Supreme Champions 2022

Congratulations to all the 2022 County Champions – Senior Jason Matthewson, Veteran David Beales, Ladies Heather Pointer, Junior Jamie Goddard.

Norfolk County CPSA AGM

All current Norfolk CPSA members are invited to the next AGM. This will be held at Chalk Farm Clay Ground, Narborough on Wednesday 11 January 2023 at 7pm.

If you would like to join the committee please get in touch prior to the meeting.

Thank you

We appreciate it has been a tough year for many, with next year looking to be even tougher. We would like to take this opportunity to say a big thank you to everyone who has competed in our County Shoots. This year we were able to enter teams in all the Regional Inter County Championships and finished joint fifth in the Directors Trophy event. Thank you to the team managers for their support and to all the shooters who represented Norfolk at these and the National Inter County events.

We are very grateful to the shooting grounds who helped run and organise our County Championships. Thank you to Aaron and Natasha at The Priory CTC, Stuart at Eriswell Lodge, Ben at Barrow Sporting Clays, and all their support staff and referees. We will be organising next year's shoots shortly. We hope to see many old and new faces in 2023.

2022 was an excellent competition year for Suffolk shooters, with strong performances in all disciplines in individual and team competition events. We are pleased to confirm that Suffolk finished 2022 in style by winning the East Midlands Directors Trophy. Firstly, we must mention that Suffolk CPSA shooters Joanna Fairclough and Geoff Howlett have been selected to shoot in the England team at the World DTL Championship in South Africa, in March. We wish them both the very best of success. Since our last report, the following events took place:

16 Oct: National Inter Counties Skeet

Our Seniors team (Mark Atherton, Henry Lungley, Darren Parson, Bernie Polley, Stuart Smith and Ben Woodham) all put in formidable scores and a great team effort to win the event by two targets ahead of Warwickshire. Henry Lungley won Junior High Gun scoring 97/100. Thank you to all our Ladies, Veterans, and Seniors team.

21-22 Oct: Suffolk Compak

High Lodge put on a brilliant set of testing layouts which were very enjoyable – thank you to High Lodge for hosting the event.

After two days of competition, Will Page won the High Gun and Championship title with 97/100. Congratulations to Will, who had an outstanding year of shooting in.

23 Oct: EM Inter-Counties Skeet

Northampton SG hosted the event, which saw all eight counties entering teams, meaning there were 20 squads competing. The Directors Trophy had been a very closely fought competition and there were six teams of the eight competing who were in with a chance of winning. The Suffolk team dug deep, and it was a pleasure to see the commitment everyone made towards winning. Thank you to Mark Atherton, Derren Burn, Adrian Cook, Henry Lungley, Robbie Manning, Darren Parsons, Bernie Polley, and Stuart Smith.

Directors Trophy 2022

In the East Midlands Inter-County Championships, Suffolk won the ESK, FITASC, All Round, and Skeet, a fantastic achievement and secured our winning the Directors Trophy. This victory meant that Suffolk has now won the event eight times over the last 12 years. Our thanks go to East Midlands CPSA for organising this competition and to all the grounds and teams that have hosted and taken part. With the 2022 Championship calendar completed, we now look forward to the Suffolk **CPSA AGM** which will be held at 7pm on 24 January 2023 at Eriswell Lodge.

We hope that you are able to attend.

2023

For 2023, we will be working to build on last years success, promoting various disciplines to ensure that we field strong teams for Juniors, Ladies, Veterans, and Seniors. We will also be looking at ways of encouraging more team participation and, also, we will be looking at some pre-competition team training days at various grounds.

Clay shooting is such a skilled and social sport – it is important that we make every effort to encourage more people to enjoy it. There is a varied choice of disciplines that can be enjoyed by all ages and all abilities, building focus, skill, and lifelong friendships.

During 2022, Suffolk CPSA worked hard to encourage competitors' enjoyment and participation, and we hope that all competitors enjoyed the events and competition success.

Finally, as we welcome 2023, we would like to give our thanks to all the Suffolk shooters that competed during 2022 and to team members that worked hard to produce last year's results. Our gratitude to all the Suffolk grounds, their referees and staff. Without these elements working together, we simply would not be able to enjoy the very high level of shooting that we do in Suffolk. Happy New Year.

We've finished the competition calendar, so I thought I'd take this issue to do a quick round up of the events and highlights of last year. The twice-monthly 100 Registered Sporting competition is very popular and draws guns from across the region. There are regularly over 120 there with about 35 on average being from Northamptonshire.

County Discipline Competition Round up

There were a total of 72 competitors in all of our county competitions which was 20 more than last year. Thanks go to each one for making this year's competitions as exciting as possible. Competitions are only competitions if there are others to compete against. Turning up and being the only entrant in the category does not give the same satisfaction when a trophy is won so thanks to everyone for making the experience enjoyable. Below is a list of all the discipline winners.

Supreme Champion in Seniors was Dave Grant-Innes, Ladies Penny Spademan and Veteran Mick Russell. All Round Senior Jo Smith, Ladies Penny Spademan, Veteran Mick Russell. English

Sporting Seniors Jo Smith, Ladies Louise Smith, Veterans Neil Faulkner, and Junior Henry Piercy. Sportrap Jo Smith, Ladies Louise Smith, Veteran Keith Smith. FITASC Senior Jo Smith, Ladies Louise Smith, Veteran Matt Sheppard. English Skeet Seniors Leon Gill, Ladies Izzy Russell. Veteran Mick Russell, Juniors Sonny Bowman. Skeet Doubles Senior Dave Grant-Innes, Ladies Izzy Russell, Veteran Neil Faulkner, Junior Sonny Bowman. Olympic Skeet Senior Andrew Lea, Ladies Penny Spademan, Veterans Bob Meadows. Down the Line Senior Joe Tomlin, Ladies Penny Spademan, Veterans Frank Owen. Single Barrel Seniors Joe Tomlin, Veterans John Woolacott. Automatic Ball Trap Seniors Jo Smith, Ladies Kirstin Vogel, Veteran Laurie Cookson. Double Rise Senior Glen Smith, Veterans Neil Faulkner. Universal Trench Veteran Tony Clayton.

The Directors' Trophy

The county had a difficult year with this. Only two disciplines and two squads were entered, one for Sporting and the other for Skeet. Thank you goes to Mick and Izzy Russell for their hard work for this. The Sporting team came fourth and received five points whilst the Skeet team came third and got six points. As a result we came second to last only one point ahead of Beds.

We are hoping that next year we can

manage to add squads for DTL and ABT with our new team manager Luke Passmore. Thank you, Luke, for agreeing to do this. If you want to get a group together and enter a FITASC or All Round Team, please speak with Marty or Roy.

East Midlands Winners

County shooters also entered the regional competitions. Their success is detailed below: All Round Senior Runner-up Karl Taylor and third Dave Morgan, Ladies winner Kirstin Vogel and third Penny Spademan, Veterans Runner-up Laurie Cookson. FITASC Senior third place Jo Smith. English Skeet and Skeet Doubles Junior Runner-up Sonny Bowman.

Northants AGM 2023

Following very poor attendance last year, the date and time for this has been changed in the hope that more people will take part. It will be held on Saturday 14 January at the Northampton Shooting Ground starting at 9.00am. Two committee members, Joe Tomlin and Dave Grant-Innes will not be standing again for re-election. Thanks go to them for their support over the years. If you think that you would like to be part of the committee, please speak with Marty to find out what it entails and turn up! Everyone's welcome to attend.

I am sure you will not have failed to notice that we have seen a few more juniors shooting around the county this year which has been good to see. I caught up with the Junior Sporting team, made up of Aiden Scott, Jayden McGall, and Sam Bate to learn more about them. Aiden and Sam are pictured together and Jayden is shown separately below, all photographed whilst taking part in the Inter-County Sporting event at Somerset Shooting Ground earlier in the year.

At what age did you start shooting?

Aiden – 11. Jayden – ten, but has only been shooting clays for the last 12 months. Sam – end of 2019 at the age of 11, and turned 12 in the January just before COVID locked us down.

How did you start to shoot and who encouraged you?

Aiden – I got a lesson for my 11th birthday from my grandparents and my dad encouraged me to continue as he is a shooter. Jayden – my dad has always been a keen shooter and always encouraged and supported me. Sam – my uncle invited me to an ECLP shoot and I really enjoyed it. My family have supported me from then.

What is your favourite discipline?

Aiden – Sporting as I love the variety you get. Jayden – Sporting. Sam – Sporting.

What is your favourite shooting ground?

Aiden – E.J. Churchill's has everything you need to practice most disciplines and a friendly atmosphere. Jayden – High View. Sam – that's a hard one I enjoy them all, ECLP was the first place I shot, Moorlands where Graham has started coaching me,

Landare where David encourages me with Skeet, and High View with Donna and Bill for Sporting and the sausage bap.

How long have you shot for the county?

Aiden – two years. Jayden – this is my first year. Sam – this is my first year.

What advice would you give someone starting out?

Aiden – Just ask for peoples help and if you don't know someone just ask at your local ground. Jayden – don't get mad with yourself if you miss a target, just enjoy it, keep trying and the hard work will pay off. Sam – Learn the basics of stance, grip, and gun mount and don't be afraid to have a go. People are friendly and very supportive, most importantly – enjoy.

What's your favourite shooting moment?

Aiden – becoming Junior Sportrap Champion and Junior FITASC champion this year. Jayden – winning the Junior Sporting Championship this year and shooting my personal best. Sam – Representing Cornwall and beating my mate Clive at most shoots.

English Skeet South West Championship and Inter-Counties 2022

It was a glorious sunny day at Landare shooting ground for this event held on 17 September. The Devon team consisted of Timothy Pollentine, Stuart Dawson, Stephen Eldridge, Nigel Castle, Brian Pring, Peter Ramsden, Alan Lovell, and Natasha Anderson, who all shot well for a combined team score of 452.

Timothy began strong on two 25-straight's but it was Peter who

achieved the highest score of the Devon team with a 96 – together the pair won the top spot for the Vets team competition. Well done to them both, and to the Devon team.

Devon All Round Championship 2022

This was held at Bradford on 17 September with 11 entries. Well done to Ian Moore and Oliver Durovic who equalled with a score of 92/100. A shoot-off was held and the Devon Champion for 2022 is Oliver Durovic.

Congratulations to the all the Devon Team members for representing Devon at the SW Inter-Counties for 2022. Devon Senior Teams won DTL and ABT and Veterans Teams won ABT and ABT and English Skeet.

What a year for Hampshire

Its been a great winning year for the Hampshire individuals and team events. The Hampshire teams won several Inter-County events and many South West individual titles. Hampshire equalled Cornwall and Somerset for Inter-Counties wins but we came out on top as we had smashed 1897 targets which was more than any of our rival counties in the South West region. Second place went to Cornwall with 1872 hits and Somerset third with 1624. Hampshire dominated the FITASC Inter-Counties in July for the record setting 14th time, then the English Sporting on 9 October, followed by the Sportrap Inter-Counties on 22 October. The Colts and Juniors did well too, with Colt Barnet Eastman collecting six Hampshire titles and Charlie Faulds winning three Hampshire titles.

2022

Another year nearly over and all the years Championships concluded, the final tally of points for the Supreme Championship table all completed. The Championship is now in its eighth year and still attracts many of the competitive Hampshire members. The Supreme Championship table is the ultimate measuring table for an individual's shooting ability for all to see. It's addictive once you start collecting the points the competitive adrenaline kicks in and all you want is to out-shoot your

rivals to pick up that lovely silver cup and the title.

This year's Supreme Championship title is awarded to Sean Gamblen with 55 points. Sean had entered eight of the 14 disciplines that were held and scored two perfect ten points, then made up his winning total with several podium positions.

19 Nov: Awards evening, Owls Lodge

A nice touch thanks to the Hants Chairperson Lauren and the team for creating an awards evening in recognition of the 2021 and 2022 Champions. The County awards ceremony covered several areas of outstanding support to our great sport. Many thanks to the sponsors, Alex Smith Guns Ltd sponsoring the Juniors, Martins group the Colts, OLSS the Seniors and Clean Heels Ltd the Ladies. A big thank you to Richard and Tanya and all those helpers at OLSS for hosting the evening and putting on a superb meal.

As mentioned above, Sean Gamblin received the 2022 Supreme Champion award. The county achievements awards were as follows: Lee Knight was awarded the Seniors 2021 and Roger Deacon the 2022, Barney Eastman collected the 2021 Colts.

Ron and Jane King were presented with the overall Vets Champion going to Ron and the Overall Ladies Champion to Jane, well done to them both and all the others Champions that attended the evening.

19 Nov: The Stephen Halfacre Memorial

Fareham CTC held the annual ABT shoot in memory of Stephen, a well-known and accomplished ABT member. The day started overcast but warm for November with six squads booked in and several

top-end members to watch out for. Mark Bryant returned a 99/100 last time he shot the layouts, but not today dropping a few too many to claim the trophy. Steve Tarrant was on fire and returned three 25-straight's and a 24. Finishing on 99 at ABT is some shooting and as seen in the photo Steve collected the large cup from Brian Coupe Honorable life time President of the CPSA, President and Treasurer at Fareham CTC.

With yet another Christmas now here, I would like to take the opportunity on behalf of the Hampshire committee led by Lauren Goodman to wish you, the Hampshire members, a great festive break and an even better New Year.

Well, that's 2022 over and done with. I suspect everyone is feeling the pinch after COVID and inflation. We only had 56 people shooting the county competitions this year and the vast majority of those only shot one or two. The Sporting Challenge had 72 people who shot at least one event. Considering we have several hundred CPSA members in Wiltshire, it would seem that most members are not particularly interested in shooting competitively. It would be interesting to understand why that is.

AGM

We're currently looking at Thursday 23 February for the AGM and will hold it via Zoom as per the last couple of years. Please make sure you allow the CPSA to contact you via email so that we can let you have the joining details.

Inter-County Championships

We managed to send a few teams to various Inter-County championships – thanks to Josh Brown for organising

the teams. As a county we seem to struggle with teams for the non-Sporting disciplines.

Sporting Challenge

The Sporting Challenge is complete for 2022 and all prize winners have been notified. The committee would like to thank all our sponsors, the grounds, the referees and trappers, without whom there would be no competition.

Other Events

We are also planning an introduction to competitions event in the spring which will include the strategy to do well at them. The event will finish with a fun competition and a drinks reception at the end. Details of this and the training course will be circulated in early January. Please register interest by emailing the secretary peter.sharpe@modini.co.uk

With 2022 competitive shooting closing, we reflect on a successful year for Berkshire shooters. We have had some great individual success, too many to name but and a vast amount of silverware was brought home to the royal county this year, that's for sure.

We have also had some fantastic team success in Regional and National Inter-Counties. Our Sporting and Trap teams ran riot taking several titles and Runner-up spots. Something we are sure we can recreate or even improve on in 2023.

A number of new Junior shooters have been attending our Berkshire championships, this is fantastic to see, and we hope to see more of this as we go into the next year.

Planning is now taking place for the AGM. This will be held at Bisley Shooting Ground on Thursday 26 January starting 7pm, this will be followed by prize giving. A buffet will be provided and a cash bar available all evening.

The committee is always looking for new members and welcomes any volunteers. Whether it's Secretary, Chairman, Vice Chairman, Treasurer, specific discipline reps, or general committee member positions you are interested in, please express interest to committee@berkshire.cpsa.uk

We would all like to send more teams to Inter-County events, we had some brilliant success this year and would love to attend even more next year, the individual talent in Berkshire together as a team is a real threat. Your support as discipline reps allows this to happen, any interest would be greatly welcomed.

6 Nov: DTL SE of England, Bisley GC

Our final event of the 2022 season was the South East of England DTL held at Bisley Gun Club. Rik Travers from Surrey took the honours of High Gun which rounded off an excellent year, having won quite a number of County, Inter-County, and South East regional events. He did it in style with a 99/294 score! Not far behind was the Veterans Champion, Eamon Skehan from Greater London on 99/290. Another Greater London shooter, Sam Cross won the Colts title and Karen Allen, from Surrey, won the Ladies.

I hope you all had a very Happy and Peaceful Christmas and that the New Year will bring all that you hope for. We have a very exciting year to look forward in 2023 with a full calendar of major shoots along with the normal registered shoots and club shoots. There will certainly be something for everyone.

Harry Lufflum will be representing England at the DTL World Championships in South Africa in March.

The English Sporting World Championships will be taking place at E.J. Churchill in July – there will be a full set of side events to complement the main event, Prelim Sporting, Sportrap, Super Sporting, and a 28g competition. If you have never entered a World Championship before I would absolutely recommend especially as Bucks shooters it is right on your doorstep.

For the Trap shooters there is a full series of World Cup events and we look forward to hearing how our Junior Trap shooters Hollie Lumsden and Will Canter get on.

The FITASC European Championships take place in Cyprus in May and the World Championships take place in Hungary in July. Both are wonderful places to shoot and remember you don't have to be part of the British Team to attend these events.

For Compak shooters the UK Championships will be at E.J. Churchill in May and this competition will be followed by the European in Italy in June and the Worlds in Greece in November. Again as the UK Championships will be at E.J. Churchill it would be a shame not to shoot this high-profile championship which is so close to home.

The Bucks CPSA Committee will hold its AGM at E.J. Churchill on Thursday 16 February 2023 at 19:30. This is an open meeting, and all Bucks shooters are invited to attend. It is a good place to ask questions and to find out more about shooting in the County. Please try to attend.

I hope you have a great year shooting in 2023 and I look forward to reporting your success in these reports.

Finally, as a reminder there is an active Buckinghamshire CPSA Facebook page so, please keep a look out there for news of events that you may be interested in.

Our Junior shots certainly finished the season in style at East Yorkshire Clay Shooting Ground. Maddie Purser in Olympic Trap shot consistently and with a personal best of 114ex125 took High Gun. Maddie also placed third in the Junior Ladies Final. Bethany Norton, shooting Olympic Skeet, also performed brilliantly and with a score of 112ex125 was High Gun too. In her final Bethany took the Gold with Maddie Russell placing second.

6 Nov: Herts County OSK Champs

Nuthampstead hosted our last Championship of the season and the conditions were challenging with a good helping of rain and wind to test the competitors. Maddie Russell, scoring an unbeatable 94ex100 became our Overall, Ladies, and Junior Champion, setting a new Herts County record and personal best.

Around the Shoots

At AGL's ESP fixture on 30 September Ray Janes topped A Class with a tremendous score of 91ex100.

Maddie Purser had another great OTR result at Nuthampstead's Martin Barker

Memorial Shoot on 2 October. Scoring 92ex100, Maddie took High Gun after shooting 24ex25 in the shoot-off.

Darren Wicklow travelled to Oxfordshire Shooting School for their ESP event and with an excellent score of 86ex100 took first place in B Class.

AGL held the second of their Sportrap series on 15 October. Daryl Vas was High Gun with a fantastic score of 94ex100. Darcy McBride also shot brilliantly and scoring 88ex100 placed first in A Class. Chris Brown took top spot in B Class with a very good 78ex100.

Ray Janes was on form again at Northampton for their ESP fixture on 16 October and scoring 90ex100 placed joint first in A Class.

Ryan Johnson, scoring a fantastic 95ex100 placed joint first in A Class at AGL's ESP event on 28 October. Fred Burnell, shooting 94ex100, was the highest scoring Veteran.

On 30 October at Redricks ESP fixture Bradley Turner triumphed in C Class with a great score of 82ex100.

Paul Lovick took High Gun at Chalk Farm's ESP event on 5 November scoring 93ex100. The following weekend Paul shot the FITASC at Westfield where he took another High Gun, scoring the perfect 100ex100!

Also at Westfield on 13 November Jack Lovick was High Gun in the ESP event with another amazing score of 97ex100.

Bayram Baysal completed the trio of High Guns over the weekend at Nuthampstead's UTR fixture with an excellent 96ex100.

Finally, we would like to wish all our shooters every success for 2023!

21 Aug: SER Inter-Counties Olympic Trap, Nuthampstead SG

We put up a team and won the Gold top prize with a team score of 419, well done to the team of Trevor Haywood, Metin Cenkci, Cemel Seziner, Steve Hammersley, and Carl Burrow. Berkshire second with 415 and Hertfordshire third with 396.

29 Aug: Compak, Southdown GC

There was a total entry of 89 with four from Greater London on this Bank Holiday Monday, with numbers still down possibly due to a slow recovery from the COVID epidemic.

18 Sep: FITASC, Southdown GC

The Champion was Roger Butler with 68/100 and the Runner-up was William Barton on 57, there were a total of 46 entries on the day.

30 Oct: DTL Grand Prix, Bisley GC

A nice mild warmish day at Bisley Gun Club, the event unfortunately clashed with a major event at Maylands, so the entry here was only 16 shooters, seven of whom were from Greater London. This made for a short day with some being caught out by a slight varying breeze affecting the scores.

Dennis Hudson scored 97/286 and was the winner, collecting the small but solid silver trophy. (R/H) As this was not a main county event there was no winner's badge. Thanks to Bisley Gun Club for a nicely run event and to the caterers for keeping those who needed it fed!

weather and a good range of testing targets for this championship. After a very close finish, the Essex team won Gold, beating Buckinghamshire by one target! Essex Team scored 420/500, Stuart Lodge 91/100, David Orrin 85/100, Ben King 83/100, Adam Cocker 82/100, Tom Webb 79/100.

Happy New Year to you all. We hope you had a wonderful Christmas and are enjoying getting back out clay shooting. As I write this report it's heading towards the end of November and I am unable to report on the final of the Trophy Challenge as it hasn't happened yet, apologies.

Northampton Shooting Ground

Thank you to all the Oxfordshire clay shooters from all disciplines who turned out to support this year's Skeet Doubles. This was kindly hosted by Martine at Northampton Shooting Ground on Sunday 13 November. It was an unusually warm day with temperatures reaching a barmy 21 degrees.

I am pleased to announce we have a new Oxfordshire Skeet Doubles Champion, Henry Mitchell. He shot an impressive 98ex100, congratulations! In second

place was Karl Field with an impressive 89ex100, third was Daryl Burton having shot 85ex100, fourth was Trevor Edden on 82ex100. Well done to you all!

Redricks Sporting Clays

Redricks hosted a 100 Registered FITASC competition on Sunday 16 October which saw 108 shooters take part. It was won by Matt Hance on 97ex100, congratulations Matt. Moving to Ladies, I am pleased to report Jo Field was joint first in D Class with a brilliant score of 83ex100 for second in Ladies, well done Jo!

Westfield

Steve hosted a 100 ESP Registered shoot on Sunday 23 October which drew 76 shooters in. I am pleased to report Oxfordshire's Karl Field came second in AAA Class having shot 92ex100, well done Karl. Jo Field shot a strong 81 in C Class which placed her second. Well done to you both.

The following week, a 100 Registered Super Sporting event was held by Steve, something new for many and it saw

140 competitors try this new style of competition. It certainly suited Colin Waite as he took High Gun having shot a super score of 99ex100, well done Colin, that's very impressive!

Staying with Westfield, they hosted a 100 Reg FITASC on Saturday 12 November and it saw 88 shooters compete. Well done to Brendon O'Brien for winning B Class with 90ex100, great shooting Brendon!

Honesberie Shooting School

Honesberie held their 100 Registered ESP on Sunday 6 November which saw 139 shooters take part. Oxfordshire's Luke Taylor shot very well, and he finished with a score of 94ex100 which placed him third in AAA Class, well done Luke! Steve Cox shot a great score of 93ex100 which won him AA Class, and Iain Beck shot 88ex100 to win A Class. It's great to see Oxfordshire shooters doing so well.

If you have any news you would like me to report on, please get in touch. That leaves me to say, happy safe shooting everyone!

25 Sep: South East Region OSK Championship

Sunday turned out to be a glorious late summer day. The targets were very consistent. This is the first year in several years that there have been enough Essex OSK shooters to run the event so thanks to all that turned up.

AGM

Please note that the AGM will be held at the White Hart in Witham on Wednesday 25 Jan 2023 at 7pm, for 7:30pm start with food and drink supplied. We are looking forward to seeing as many people as possible.

16 Oct: Side-by-Side Sporting, Clandon Park

The Surrey Side by Side Championship was hosted by Guildford and District Gun Club on Clandon Park over 60 targets. There were seven stands and a good variety of targets. Peter Saich triumphed using his trusty Webley and Scott with a very respectable score of 53/60. Daniel Smith was second and Douglas Millard third. Corrine Davis-Cooke was having a break from her serious Olympic Skeet practice and took the Ladies Side-by-Side title. This was run concurrently with the Webley and Scott trophy for non-Surrey CPSA Members and was won by John Morgan and John Hughes was second.

23 Oct: Surrey AR competition, NCSC

The revived Surrey All-Round championship was staged by the National Clay Shooting Centre with assistance from Bisley Shooting Ground who provided the Sporting layout. This was the final chance to win points for the Surrey Supreme Championship and Rik Travers took advantage and won with a score of 88 to bag the Surrey title and improve his already impressive Supreme

total. Andy Smith was in second place on the day and improved his standing in the Supreme Table. Well done to Rik and thank you to NCSC and BSG for making this event possible.

Surrey Supreme Championship

The All-Round Championship gave us the final points towards the Supreme Championship so we can now announce the winners of the categories.

Clear Winner in the Seniors was Rik Travers, amassing a record 98 points with three wins, one second place and three third places. Keeping it in the family, Janine Travers was second with 73 points and of course takes the Ladies Trophy. In equal third place with 65 points each were Fergus Watson-Hopkinson and Andy Smith. After a concerted effort and trying things outside of his Skeet comfort zone, Frank Arico took the Veterans Trophy with 54 points, finishing clear of Peter Saich and Chip Smith in joint second place with 39 points each. We have new names on both the Junior and Colts Trophies this year. Maddy Boyd won the Junior Trophy, helped by her outright win in the Olympic Skeet event, and Cameron Cobb won the Colts prize.

Thank you to the 46 Surrey shooters who entered – Lets see if we can exceed this next year. ►

6 Nov: South East of England DTL competition, Bisley Gun Club

Two Surrey shooters took titles at South East DTL Championship. Rik Travers continued his run of good form and finished a successful season by winning the South East of England DTL Championship. Rik has recently shot three 100-straight at DTL, but his 99/294 was a personal best points score and was good enough to give him the Senior title. Keeping him company was Karen Allen who took the South East Ladies title. Well done to both of you – we look forward to having you both in a strong Surrey Trap team for next season.

This will be held somewhere on Bisley Camp – Please see the website for date and venue.

Hello, I hope you're all well and are getting in the mood for a good festive Christmas and New Year. Not a lot to report on as the competition season has now come to an end so we can look back and reflect, but more importantly look forward to 2023 and what it holds. The CPSA have already announced the dates and locations of some next year's major championships including the World English Sporting

Championships which return to E.J. Churchill's between 3-8 July.

Sussex FITASC Championship

Held at Southdown on 17-18 September shot old system over four layouts. Sussex champion was Guy Franklin with 88/100, Veterans was won by Kenny Bennett, Super Veterans by Jeff Dix, and Ladies by Liz Salmon.

Supreme Champion competition

The Supreme Champion competition is based on points gained at all the county championships over the year. In simple

The Disabled Shooters Group AGM and Shoot was again held at Sporting Targets, and as always it was a great success, thank you to all the team at Sporting Targets for a great day.

An update of committee and officers Ben Woodham remains Chairman with Paul Rendell now Vice Chairman. Fixtures Secretary role is now to be split between Paul Rendell and Alec Sperling. Sam Nunn is continuing as Treasurer along with Cathi Woodham continuing as General Secretary. Committee members are Darren Wiles, Julian Welsh, Craig Manning, Tony Cox, Anthony Cox.

Considering the time of year, the weather on the day was brilliant, the shooting was as always, the best part and big congratulations to Daniel Parker for taking overall High Gun on a superb score of 81/100. Second place was Adrian Last and Geoff Farmer tied on 78/100. Tony Cox was in third place and Kelvin Davies in fourth.

The top-five scoring shooters on the day all got a very kindly donated prize from Jamie Brightman of Grassnextday.co.uk.

Our annual DSG trophies also got awarded at the end of the AGM shoot. Adrian Last took the English Sporting, Ben Woodham DTL, DSG Shooter of the Year, and English Skeet. Graham Manning very deservedly took the Able-Bodied Trophy.

Para Trap UK update – the GB team went out to the World Shooting Para Sport World Championships in Al Ain. Keith White shot incredibly well and after qualifying in first place in the PT1 class, Keith went on to win Bronze in the final. Great shooting from all the GB team!

Myself and the rest of the DSG would like to thank all the members, grounds, referees, staff, and sponsors that have made this shooting year possible we cannot do it without you, so THANK YOU!

OBITUARIES

MARILYN KINGSNORTH 1953 – 2022

It is with great sadness that Buckinghamshire CPSA report the passing of Marilyn Kingsnorth.

Marilyn was a former committee member within the county and represented Buckinghamshire for many years at her most favourite shooting discipline of Skeet.

She gained many friends

around the country and was often taking part in competitions with her husband, Walter, prior to his sad passing in 2020. Marilyn loved shooting at Dartford and Bisley Shooting Grounds and will be missed by many of her friends and by us in the County. May she rest in peace.

DAVID ANDREWS 1947 – 2022

We are very sad to hear of the recent passing of Staffordshire shooter David Andrews from Ranton Clay Target Club.

Club Vice Chairman David was a member of Ranton

for over 40 years and was a valued committee member serving as Secretary, Treasurer & Vice Chairman and will be sadly missed by all. 🌸

Insurance

 **Newmoon**
Insurance

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

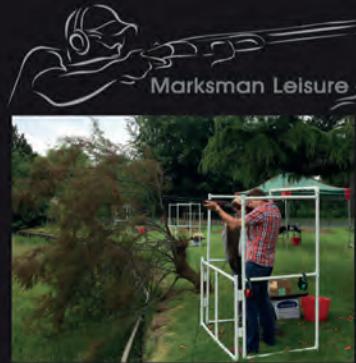

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

Newmoon are authorised by the FCA under number 498667 and company number 6610290 at 85 High Street Tunbridge Wells Kent TN1 1XP

WHO RUN THE WORLDS

Sophie Herrmann tells us about her experience becoming the first GBR Junior Woman to win the Olympic Skeet World Championships.

Q **How did you get into shooting?**

My dad shoots so I've loved it ever since I was little, always following him around.

I fired my first shot at 8, but got so scared of recoil that I didn't fire another one for two years. I eventually plucked up the courage and pulled the trigger on a shotgun again aged 10 and haven't looked back since!

My mum then booked me into my first competition and I had great success, winning in my age group. I went on competing in sporting competitions until I found Olympic Skeet in 2018. I began competing in that at the end of 2019. As one says, the rest is history!

Q **How was your experience at the World Championships?**

I went into the World Championships with only one goal; to become more comfortable in the environment of international competition. I didn't shoot amazingly in PET so I wasn't expecting much but still focused on making myself comfortable and applying myself to each shot. The result of this was the most consistent set of qualification rounds I have ever shot. They weren't amazing, just consistent. Going into the

final bib 2 took some of the pressure off as I thought there was no chance I could win, particularly with the company I was in! As a result I really didn't mind how the event went, so in situations where there was a delay with the refs or if I missed a few, I found it didn't bother me. I only really got stressed after I had finished shooting and I was waiting for Areeba Khan to finish. I didn't even really know the score I just knew it was tense!

The idea of becoming Junior World Champion, let alone the first British athlete to do it, is still crazy to me and I still don't know if it has really sunk in yet.

Q **What is your favourite shooting memory?**

I shot my first 25 straight at the beginning of 2020. I had this packet of Maltesers in my

shooting bag which had clearly been there for a while, and had melted and hardened into a single block. For some reason I told myself I would only eat them when I shot 25 straight. I remember my gun had been away at the gunsmiths, so I had been using my old gun that was NOT designed for skeet. My first round back with my gun I shot 25! Best Maltesers ever.

Q **Do you have any other major events lined up for next year or any goals you'd like to achieve in 2023?**

I've been selected on an RPO basis for the first two World Cups of the year, in Morocco and Qatar, so really looking forward to doing those. I'm going to have to get school to let me go first though.

As far as goals for 2023, continuing to make myself comfortable on the international circuit, strengthening technique and consistency, and just the little thing of A-Levels!

Q **What's your shooting support team like?**

Currently I don't have any sponsors so I'm running off the bank of Mum and Dad! I am really lucky that they support me so much, and other people too, like my coach Richard Brickell and Niall, who are always on hand to help with training. The number of rainy training sessions they have had to put up with is astronomical!

Q **Do you have any advice to others who wish to get into shooting?**

The one thing people always tell me when I ask them to come shooting with me for the first time is that they will be really bad and not as good as me. I have put hundreds of hours into shooting, so it would be weird if you could pick up a gun and shoot at an international level! My advice would be to accept that you are going to miss and know that we all did at the beginning. Just go because you like to do it and love the sight of a dusted clay. The misses will get fewer and fewer, but they will never completely go away, that's why we still do it! So just go out and give it a go and don't be afraid of missing.

I still don't know if it has sunk in yet

Above: Sophie with Skeet Junior Mixed Team Gold Medallist and Junior Silver Medallist Mitchell Brooker-Smith.

What makes *Longthorne* unique?

Our patented barrels are machined from a single block of high specification steel (or titanium), with no welding, no solder, and no glue, ensuring rigidity, lightness, and strength.

Ultra-low-profile action resulting in an extremely low bore axis, not only enhancing its appearance, but reducing muzzle flip and felt recoil.

Excellent heat dissipation and dispersal due to one-piece barrels which have no thermal barrier in which to trap hot air.

Large range of in-house engraving designs or choose something a little more personal.

Trigger plate range starts from £13150 including UK vat.

- In-House gun fitting available
- 100% English made
- Multi-barrelled sets available (12,16,20 and 28)
- Fixed or multi-choked
- Trigger plate or bespoke sidelocks
- Configured for game shooting or sporting disciplines
