YG YORK GUNS

Looking forward

N

ext year promises to be exciting for the CPSA, with a number of our plans being expected to come to fruition and help to drive our sport forward. In particular, a huge amount of development has gone into our website and further investment into IT over the year will bring improvements to our scoring systems that will also help grounds to enhance their scores reporting, both at Registered competitions and by feeding through scores to our website.

We have a packed calendar again for major championships and have gone out of our way to publish our dates early and facilitate others to avoid planning their selection shoots and competitions on the same dates. This has largely been successful and there are minimal clashes; hopefully, members have been able to plan ahead for the year and include the big CPSA championships in their diaries.

After the successes we have achieved in recent years, we've been able to attract and retain sponsors and we now have fantastic support for many aspects of our work. The recent Instructors and Coaches Day, sponsored by Edgar Brothers, Zoli and Nobel Sport Italia (NSI) at the excellent Sporting Targets ground, is a great example. All who attended had a great time and the sponsors have immediately committed to a third year. Blaser, CCI, Eley, Gamebore, Lyalvale Express, Perazzi and Promatic are all major players in our industry

and regular CPSA supporters, so we're very grateful for their continued confidence in what we're doing. We are continuing to talk to other companies about further opportunities that will work for all of us and hope to announce further partnerships as the year goes on.

Behind the scenes, we are working closely with partner organisations to promote, protect and develop our sport and we recently reported the successful outcome of our tireless campaign to preserve the use of lead shot in our sport. More recent issues have included proposed changes to the Policing and Crime Bill that would have brought serious restrictions to lending shotguns for use on private land but, once again, our collective efforts appear to have alleviated this threat. We have received helpful feedback from members on their experiences of GP involvement in the licensing process and there is a very useful article updating members on the topic from our Honorary Shotgun Licensing Advisor, Laura Saunbury, in this issue. Laura, along with her assistant Gary Smith, has provided a great service for those members who have needed sound advice in relation to their certificates and I would like to take this opportunity to thank them on behalf of members for their top-quality support.

You will no doubt have read of the new format for our Annual Awards dinner as it enters its sixth year. This has become firmly established in the shooting calendar and it is important that we give recognition to the

many members involved in all sorts of ways in making our sport as enjoyable as it is. The dinner at the prestigious venue of The Belfry is open to everyone and I'm sure it will be a great event. Please look through the shortlisted nominees, cast your vote in each category and book your ticket to join us on February 4 if you would like to see the evening's events unfold at first hand.

At the start of the year, I would like to extend a plea, which I repeat from time to time, for all shooters to treat decisions of referees with respect and exercise restraint if they disagree with a judgement. As anyone who has been a referee will be only too aware, it is often a difficult and thankless task but, without them, we can't operate. I've noticed an increase in concerns about behaviour towards referees recently and we will take action against offenders if we receive appropriate evidence, but the best outcome for everyone is for all of us to appreciate their work more and recognise that, even if some decisions may go against us, others will balance this out over a season. It's not a

precise science, but it is a vital element of our sport. Enjoy your shooting and I wish everyone a successful and enjoyable season. ●

CLUBMAN CONCLUDES

The conclusion of the 2016 Clubman Classic League series saw the two winning teams from the Kent/Sussex and Hampshire Leagues, Willow Farm Shooting Ground and Wallers Ash Gun Club respectively, compete

for the inaugural Champion of Champions title on neutral territory at Southdown Gun Club.

Southdown put on a great 100-target course for the two teams to shoot and in the end Willow Farm emerged victorious,

helped by fantastic shooting from Beth Leadsham who shot an amazing 97 ex 100 to take the High Gun honours.

Thanks to the team at Southdown for hosting us and we look forward to coming back

next year. If your club would be interested in joining either of these leagues and perhaps competing for the title next year, please contact Richard Worthington at CPSA HQ for more information.

Premier League 2017 kicks off!

EVENTS

FIRSTLY, HAPPY New Year to everyone! We're looking forward to a great year's shooting, kicking off with the Premier League series at Southdown Gun Club on February 26 2017.

We are also really pleased to welcome Honesberie Shooting School into the series with their team led by England and GB shooter Nick Hollick and, of course, welcome back 2016 Champions Barrow Heath to defend their title.

For those of you who haven't taken part in the Premier League before, it is an inter-club competition between eight Premier and Premier Plus Clubs with eight Registered Sporting shoots from February to September, with a fantastic sponsored prize fund of £3,000 cash, 3,500 cartridges, Pilla shooting glasses and a brand new auto trap for the winning Club. There is also a £250 High Gun prize at each shoot, topping up the prize money to a guaranteed minimum £5,000 over the series. To be eligible for the sponsored prize fund you must register for one of the participating teams via the CPSA website, pay a £5 registration fee

and shoot in a minimum of five of the eight shoots as it's the best five scores that count. The top 10 scores from each team are also taken from each fixture and once again the best five of these will be used to determine the overall winning team in September.

So, what are you waiting for? Get on to the CPSA website and register for a team now while there are still spaces available!

IN BRIEF

A great start

Twenty-eight young shots enjoyed a day of shooting held at The Fennes Shooting School in Braintree, Essex, in October. There was good weather, good targets and great shooting from all who took part.

New website for Eley

Eley Hawk have launched their new, updated website. They have made significant improvements in the functionality and usability of the site, which features a video gallery and dealer finder. You can find the new site on www.eleyhawkltd.com

Blaser makes a move

Blaser Sporting Ltd, which exclusively distributes much-loved German brands Blaser, Mauser and Sauer rifles and shotguns in the UK, has moved from London to Surrey. With a new premises based on an industrial park, Blaser Sporting Ltd will have 6,000 square feet of space and expects to be fully moved by the end of December.

More than £20,000 raised for charity

The AH Warren Trust Charity Shoot held in September raised more than £20,000 for two local charities, The Henhayes Community Centre in Crewkerne and Hope For Tomorrow. The event, which saw 52 teams compete over a number of challenging targets, was a huge success despite a wet start to the day. Afterwards, 400 guests enjoyed a champagne reception and meal at Coombe Farm. A charity auction and prizegiving completed the day.

Peter Dennett – a thank you

Teresa Dennett would like to say a massive thank you to the Guard of Honour formed by the England team, the CPSA and all those who attended for their loving support of Teresa and her family at Peter's funeral. Almost 800 people attended the funeral at the Blessed Virgin Mary Church in Wanstrow, which shows how much Peter was admired.

Those who knew Peter will know that he was a very proud man and it was a pleasure to be in his company. He worked very hard for his England Badge and gave his all for the team.

He leaves behind his wife Teresa, son Jake (24) and daughter Charlotte (22). He will be missed greatly by all, but will not be forgotten.

Game Bird Shooting Annual Charity Clay Shoot 2016

The Surrey-based Game Bird Shooting team held their annual charity event at Southdown Gun Club on October 29. This year, the event raised £625 in support of Combat Stress. The Senior High Gun went to Nick Garrett for a second time with 91 ex 100. Ladies High Gun went to Hannah Henshaw with 78 ex 100 and the Junior title to Amy Cribb with 77 ex 100.

IN MEMORY: COLIN ROSS SEPTEMBER 6 1943 – OCTOBER 13 2016

Graham Anstey, Secretary of the Metropolitan Police Clay Target Club, sent the following obituary for Colin:

"It is with great sadness that I report the passing of Colin Ross.

"Colin's whole life revolved around his family and clay shooting. Colin was shooting at the Essex Shooting Ground, Fyfield, on October 13 2016 when he passed away suddenly. He was passionate about shooting and was a lifetime member of the Metropolitan Police Clay Target Club. He also shot regularly for the Greater London County team. His great love was English Skeet and he was very proficient at English Sporting.

"Colin coached to a high standard and could be found shooting all over the South East, and coaching novices and experienced shooters alike, all of whom benefitted from his knowledge and advice.

"Colin represented the Metropolitan Police at the

Police Sport UK championships every year in Beverley. He won numerous Skeet and Sporting medals, both individually and as part of the Met team.

"His charity raffle was legendary at the Met Police annual shoot and Colin raised thousands of pounds for his favourite charity, Guide Dogs for the Blind. Anyone wishing to donate to them in Colin's memory can do so at www.justgiving.com and search for 'Colin Ross'.

The hope is to raise enough money to train and name a guide dog in his honour.

"Colin leaves Barbara, his wife of 49 years, his children, Heath and Jemima, and his grandchildren, Ruby and Darcy.

"Everyone will miss Colin, and especially his humour and dedication to the sport of clay shooting. Very much missed, Colin will never be forgotten. There will be a memorial 100-bird Sporting team shoot at Essex Shooting Ground on February 11 2017. Details of the event can be seen on www.claypigeonshoot.co.uk."

FITASC rule changes for 2017

RULES

Changes in the main are for clarification of existing rules with the following exception: Preparation time of the competitor is reduced from 20 seconds to 15 seconds.

When showing/presenting the targets, the referees will, on request of the competitor in the shooting position only, show a second target, but only in the order detailed on the menu card. In other words, having viewed the target sequence, you cannot then request a second viewing of, say, the first target. If you want to see it again, you must request this directly after the first shown target. This change also applies to doubles that are shown.

The competitor's event number now has a precise location detailed in the rules.

This is on the back, above the waist, centrally between the shoulders.

You will find the changes at: 7.5 (15 sec), 8.8 (malfunctions/safety catch better clarification), 16.4 and 16.6 (showing targets) and 17.1 (dress competitor's number position).

COMPAK SPORTING

Most of the day-to-day rules remain unchanged, with better descriptions on the following:

Rule 2.5.2 (definition of sim double), 4.1 (additional word 'different'), Chap 6 (malfunction/safety catch), Appendix 4 – 4.2. (numbers, competitor's number position).

More information is available at www.bictsrf.com.

CPSA NEWS

Zoli Coaches Day

The first Monday in December saw us host the second annual Coaches Day in collaboration with Zoli and Nobel Sport Italia (NSI) at Sporting Targets, Bedford. A beautiful crisp English winter's day was greeted by 75 CPSA Qualified Coaches attending the event, which was a fantastic success. The day offered our coaches and instructors the chance to network with their peers, as well as taking part in a workshop on coaching disabled shooters presented by Julie Sperling from the Disabled Shooters Group. The workshop provided our coaches with a thoughtful insight from the perspective of disabled shooters and even gave them the opportunity to shoot from a wheelchair or one-handed. They then competed in a 50-bird Sporting competition, using a handicap system to ensure all shooters were competing on a level playing field, which was won by Justin Bladen on 49 ex 50. To continue with the Christmas goodwill theme, more than £700 was raised by the coaches for the Disabled Shooters Group. Our thanks must go to Edgar Brothers, distributor of Zoli shotguns and Nobel Sport Italia cartridges, for their generous support supplying guns and ammunition to be used on the day, as well as funding this brilliant initiative.

England Team Selection

Forms to apply for an England Team place will be available online by the end of January. Please go to cpsa.co.uk/england-team

Referee the DTL

The Senior Suffolk team

Event reports

EVENTS

ALL-ROUND NATIONAL INTER-COUNTIES, OCTOBER 23 2016, NORTHAMPTON SHOOTING GROUND

October brought the last National Inter-county competition of the year to Northampton Shooting Ground. Although the date unfortunately clashed with the final East Midlands Inter-county competition, it was well attended with numbers up on last year. There was a flurry of scores in the 90s throughout the day. Regional Director John Martin oversaw the whole competition and presented the prizes.

The ABT section of the course was universally challenging. However, there was an impressive number of 25s on the Skeet range.

The four Sporting stands – three pairs on each – gave something for everyone. The first was a simple simultaneous crossing pair; the second was a bateau with a high left-to-right midi on report; the third was described by referee Bob Meadows as containing a rabbit on its winter holidays as a clay descended a slope and flew off the end into the air, followed by a quartering orange from the right. It certainly brought a chuckle for some, but it was the high tower on stand four that proved the deal breaker – a full use, single going away bird was first. The pair had it coupled, on report, with a right to left midi.

The scores were close, with just a few clays separating each county with the exception of the Veteran shooters. Home team Northamptonshire scored 446 ex 500 to win

the Senior Team trophy with Suffolk three behind in runner-up position. The two-woman team from Essex took the Ladies title with 154 ex 200, five clays ahead of the Northamptonshire women. Northamptonshire Juniors won their competition three clays ahead of the Warwickshire 'Team Jones'. Meanwhile, the Bedford Veterans were 14 clays clear of their nearest rivals, Essex, to win the medals for the second year running.

Bedfordshire shooter Glen Moore comfortably took the competition High Gun trophy with a lovely 97 ex 100. He also won the Veterans High Gun for the second year running. Callum Jones from Warwickshire won the Junior High Gun title with a score of 88 ex 100 and his teammate and sister Megan shot 69 ex 100 to win the Colt title. Judith Lock won Ladies High Gun with 81 ex 100.

ABT NATIONAL INTER-COUNTIES, OCTOBER 9 2016, BEVERLEY CLAY TARGET SHOOTING CENTRE

Yorkshire prevailed and were victorious once again for the 10th year running. The day started off like any other October morning – a little drizzle to start – but later turned reasonably bright with occasional clouds. The regions taking part were Yorkshire, Lancashire, Cheshire, Northumberland, Merseyside, Shropshire, Hereford and Worcester, and Lincolnshire.

At the half-way mark, Bob Agar and Dean Linley were both on 48 ex 50. Following close behind were Chris Tate, Ian Peel and Nigel Collis on 47 ex 100 and then Gareth Stanford-Iddon and Neil Leeming on 46 ex 100. Yorkshire, in front on 268, led the way throughout the day, and were followed by Lancashire on 254. Yorkshire eventually won with 452 ex 500, beating Lancashire by 24 targets.

Meanwhile, lots had changed in the Seniors, as Gareth, Chris and Dean were all on 69 ex 75 with one round to shoot. The Veterans had Bob Agar steaming ahead and he completed his day with 94 ex 100. Gareth went out on his last line and shot 25 ex 25 to tie with Bob, so there was a shoot-off for High Gun. Gareth shot 24 ex 25 and Bob shot 18 ex 25. Bob said he was really pleased to be in the shoot-off with Gareth and had gone into it with confidence, but sadly he said it "didn't go my way. Gareth shot extremely well despite the fading light and was a well-deserved winner."

The Ladies was led by D Breen after having shot 43 ex 50, but Jo Allen, who was trailing behind with 39 ex 50, soon found her mojo and finished with 85 ex 100; D Breen finished with 79 ex 100. With just four Juniors, all of whom were from Yorkshire, Owen Vining took the title.

ENGLISH SKEET NATIONAL INTER-COUNTIES, OCTOBER 16 2016, DOVERIDGE CLAY SPORTS

The curtain came down on another brilliant English Skeet season in the wonderful surroundings of Doveridge.

Day one saw clear blue skies and warm sunshine. The first of two Northamptonshire Senior teams took an early lead and weren't troubled for the remainder of the day, with top scorers Neil Faulkner and Mick Russell both hitting 99 ex 100 each, backed up by Leon Gill on 98 ex 100, finishing the day on 488.

The Essex Ladies also took an early lead on 184, just holding off the advances of the Northamptonshire Ladies on 182.

In Juniors, Northamptonshire dominated with the big-scoring George Owen (97 ex 100) and Steven Mynes (94 ex 100) holding off the challenge from Hereford and Worcester as Emma Parkinson hit an impressive 95 ex 100 backed up by B Smith on 94 ex 100 to finish up once again with a two-point difference.

Finally, in the Veteran category, Hereford and Worcester took the early lead on 190, beating Northamptonshire on 184.

On day two, no one could have predicted the nail-biting finish that was about to unfold. An outstanding 100-straight from Chris Bethell – the only one of the competition – saw Cheshire move on to challenge the leaders, well backed up by Ian Cunliffe (98 ex 100) and Kevin O'Reilly (97 ex 100), but they finally

finished just two behind the overnight leaders.

Big scores from Yorkshire's Jonathon Cain (99 ex 100) and Steve Leppington (99 ex 100), backed up by 98 ex 100s from Ross Elgie and Gary Cooke, saw them draw closer to the leaders, but they finally finished tied with Northamptonshire on 488.

The Essex Ladies narrowly held on to their lead of 184 after a gallant effort from the Northamptonshire Lady Kirsten Vogel to end the day in second place on 183. The Northamptonshire Juniors held on to their first-day lead of 191, as did second-placed Hereford and Worcester on 189. The Hereford and Worcester Veterans also held on to their first-day lead of 190, but only just as a very powerful challenge from the Cheshire Veterans saw them finish just one point behind.

As the shoot-off for the Senior title between Northamptonshire and Yorkshire loomed, it soon became apparent that there were no representatives from Northamptonshire present so the title was awarded to Yorkshire.

Overall High Gun went to Chris Bethell after his brilliant 100-straight. Lady High Gun went to Emma Parkinson, Junior High Gun went to Henry Collins and Veteran High Gun was Steve Leppington.

A clean bill of health

IN LAST July's issue of *Pull!* I outlined new Home Office rules that require the police to inform the individual's GP in every case where a certificate is granted or renewed. In addition, doctors are now required to confirm to the police that the individual does not have any relevant medical conditions and that the surgery has placed a marker on the patient's medical records to signal that he/she holds a gun licence.

By now many readers will have renewed their certificate since this new system was implemented, and I am aware that it has had teething problems. As a result, there have been some changes to the guidance issued by the Home Office to the police and by the British Medical Association (BMA) to doctors. This article is to update readers on the current position so that you can be aware of what to expect from the police and your doctor if your certificate is coming up for renewal in the near future.

Difficulties began to emerge fairly soon after the implementation of the new scheme. There have been cases of doctors refusing to co-operate in the process on the basis that they have a conscientious objection to guns. However, the key sticking point has been the issue of cost, i.e. how doctors are going to be paid, or rather by whom, for their time in completing the standard police enquiry form on every certificate holder.

The introduction of this new scheme was driven by a desire on the part of the authorities to establish closer liaison between police and the doctors of certificate holders. However, the Home Office guidance published when the new scheme was implemented last April somewhat naively suggested that doctors were not expected to charge a fee for completing the standard form and returning it to the police. It is perhaps not unsurprising that GPs began to resent this task as an increased burden on them.

In September the BMA issued guidance to doctors actively encouraging them to decline to complete the police enquiry

HONORARY SOLICITOR **LAURA SAUNSBURY** REVIEWS HOW THE NEW SYSTEM OF MEDICAL CHECKS ON ALL SHOTGUN AND FIREARM CERTIFICATE HOLDERS HAS BEEN OPERATING SINCE IT WAS INTRODUCED ON APRIL 1 2016

THE KEY STICKING POINT HAS BEEN THE ISSUE OF COST, I.E. HOW DOCTORS ARE GOING TO BE PAID, OR RATHER BY WHOM, FOR THEIR TIME

form as it is not part of the GP contract. Once it became clear police forces were having an increasing number of medical enquiry forms sent back to them uncompleted, further discussions between the Home Office and the BMA resulted in the BMA issuing updated guidance to doctors in November.

This now reminds doctors of their obligation to co-operate and engage in the process of firearms licensing when requested to do so. It also advises doctors if they have a conscientious objection to firearms they should notify the patient in advance and refer the individual to another doctor. However, the BMA guidance continues to advise doctors it is legitimate for them to charge a fee for dealing with police enquiries on firearms licensing. Unfortunately, it still does not offer any suggestions as to the appropriate amount to charge for this service, nor whether the doctor should be looking to the police or the patient to pay the fee.

It seems inevitable this situation will continue to evolve. In the meantime, the CPSA's continued advice to members is that you should politely decline to pay any fee requested by your GP for completing the standard medical enquiry form, particularly if the fee is only requested after the event. There had already been a significant increase in the application fees in 2015 and the CPSA has been proactive in resisting the gradual shift towards certificate holders being expected to routinely pay doctors' fees as a further increase by stealth in the cost of a certificate.

However, note that it is altogether different where the police require a full medical report from your GP before deciding whether to grant your first application or renewal, either because of a medical condition you have disclosed on the form or other reasons that give the police concern about your health. The position has been since April 2016 and remains that in those circumstances the applicant will be required to pay any fee charged by the GP for supplying a full medical report.

The Home Office guidance is clear that "applicants and certificate holders should not be disadvantaged, nor have their application delayed, by a GP's refusal to provide medical information". Also the police standard enquiry letter to GPs "will make it clear that if the GP fails to respond within 21 days the police will draw the inference that the GP has no concerns". You may wish to remind your local firearms licensing department of these points if they indicate they cannot consider your application or renew your certificate until they receive a response from your doctor.

If you need further advice, as always, make the CPSA your first port of call. ●

NO MORE GREEN CLAYS!

I found the article about contrast in shooting
 glasses interesting. As a colour-blind shooter I've
 struggled at grounds that put on silly targets, i.e.
 green clays against grass. It amuses the crowd
 stood behind you who shout "It's gone mate"
 as if you're some kind of idiot, but I feel cheated
 when an orange clay would make the target
 visible and at least give me the chance to shoot it.

One in 12 men are colour blind – that's 2.7

million in the UK. If I was in a wheelchair,
 would you deliberately make a Skeet layout
 an obstacle course? Some grounds do so for me.

Clay colours should be black, white, orange
 or yellow and green should be scrapped – it's
 not funny, though a lot seem to think it is.

LETTER OF THE MONTH

What a fantastic amount of money raised for charity by Ant and Dec, Holly and Phil and others (*Pull!* November/December 2016 issue page 4). Wouldn't it be nice to know how much is raised annually by clay target shooters for charity? In fact, wouldn't it be great if the organisers of these charities would acknowledge in the national press or on television what a valuable contribution clay shooters in general make to various good causes? You never know, it could help to change some public perceptions that all guns are used for evil.

ADAM GUTTERIDGE
Olympic Trap/
Universal Trench

How would you describe the trajectory of your career?

Quite steady. I have always worked with the same coach (my dad) and this has given me consistency!

What have been the highlights of the season?

Highlights include winning the 2016

UK OT Championship at Nuthampstead, shooting 99x100 on the second day of the British UT Championship, plus shooting some great scores in registered events.

What have been the biggest lessons for you this year?

Give yourself time to work and time to rest.

Who do you look up to as a shooter?

In Trap shooting Michael Diamond, Harlan Campbell Jnr and David Kostelecky. Not missing out my dad!

MATT PANTER
Olympic Trap/ABT

What have been the highlights and lowlights of the season?

Winning the English and British ABT Championship meant a huge amount as it was my first major, quickly followed up with my second; making two England teams in the same year; the 121/125 at Brook Bank in the English Open OT. The lowlight is easy – coming fourth

at the European Commonwealth Federation in the Olympic Trap final.

How does it feel to have ranked where you have?

It feels great – it really caps off a great season and it's nice to feel the hard work is starting to pay off.

I want to try to get my first GB Olympic Trap cap in 2017 and try my best to get a result abroad.

What have been the biggest lessons for you this year?

A solid routine is key.

AMY EASEMAN FITASC
Sporting/English Sporting

How would you describe the trajectory of your career?

Eventful. There have been highs and lows, but it has never stopped me from pushing myself to get to the next level.

What have been the highlights and

lowlights of the season?

I have learnt so much about myself and how winning isn't always the key part. My highlight was shooting the Greek Grand Prix. I came away with Lady High Gun, with a score of 187ex200. The most disappointing part was the World Championship Compak. I was shooting as a member of the Ladies GB team and on the last day my nerves got the better of me.

What are your hopes for the 2017 season?

I hope to retain my GB cap for Compak in the Ladies category. I also would like to receive my England badge for the English Sporting team.

What have been the biggest lessons for you this year?

Enjoy my shooting. Remember that it's all a game, and we do it as a hobby and for the enjoyment of it.

CARSON REVELL FITASC
Sporting

How would you describe the trajectory of your career?

It's taken a lot of hard work and dedication.

What have been the highlights and lowlights of the season?

I didn't expect to have this good of a season as I have just come back from a seven-year break. My goal was to make the England FITASC team, which I did, but winning the Norfolk and East Midlands FITASC was up there as well.

How does it feel to have ranked where you have?

I'm really happy as it shows that I've had a consistent year and that I can still compete at a high standard.

What are your hopes for the 2017 season?

My aim for the 2017 season is to make the Great Britain FITASC team.

And what are your plans to achieve that?

I plan to keep training with my coach Duane Morley and to keep enjoying shooting.

What have been the biggest lessons for you this year?

Never give up and it's not over until the last shot is fired. There have been occasions when it wasn't going well, but I carried on and achieved a good result.

Who do you look up to as a shooter?

Duane Morley, two time European FITASC champion, a great ambassador for the sport and a great competitor.

ANDREA SWATTS DTL

How would you describe the trajectory of your career?

I started shooting eight years ago and quickly focused my efforts on DTL. Striving to improve my average score and keep my AA status keeps me focused.

What have been the highlights and the lowlights of the season?

I won many gold, silver and bronze medals at various championships in 2016. I love to win. I'm quite hard on myself, tending to see my silver medals as not having won rather than seeing them as an achievement in themselves. However, I did not get to represent England this year due to illness during the selection shoot.

How does it feel to have ranked where you have?
It feels good, but there is still room for improvement.

What are your hopes for 2017?

I plan to shoot Olympic Trap. I have been fortunate enough to be part of a couple of our GB Talent Path days.

What have been the biggest lessons for you this year?

This year I have learned what it is like to experience high-pressure shoot-offs and medal match finals.

Who do you look up to as a shooter and why?

Robert Hall of The Gun Room in Yorkshire. I shoot with him regularly and he is an extremely accomplished shooter in multi Trap disciplines. Rob offers encouragement and friendly advice when needed and helps up and coming youngsters.

KELVIN WALSH

All-Round and English Skeet

How would you describe the trajectory of your career?

I have gone from strength to strength and achieved more than I ever thought I could.

What have been the highlights and lowlights of the season?

The highlights of my year were winning the World Championship All-Round, winning the English Championship All-Round, making the England Skeet team for the second time and, of course, having our first child Stanley in July. The low point of the season was feeling let down by my score at the Home International.

To make the England Skeet team and to also come away with a major title.

And what are your plans to achieve that?

I will ensure that I practise as much as possible throughout the winter at many different grounds throughout the country.

What have been the biggest lessons for you this year?

Shoot as many different competitions as possible and shoot as many disciplines as you can to ensure the experience is gained throughout.

Who do you look up to as a shooter and why?

The shooters I look up to most are George Digweed, Mark Winsor and Ed Solomon because of their technique and their enthusiasm for the sport. It's great to see them achieve such great titles and, one day, I hope to be on their tails.

What are your hopes for 2017?

BECKY CLAREY

English Skeet

How would you describe the trajectory of your career?

I started shooting Sporting four years ago at a local club. I had a go at Skeet and enjoyed it, so I made it my chosen discipline. I started competing in 2015 by doing registered shoots and competitions as much as I could to improve my skill and experience shooting at competition level.

It's been a great year for you.

What have been the highlights and what have been the lowlights of the season?

One highlight of 2016 was winning a bronze medal for Colts and winning a gold medal for Lady Colt High Gun in the English Open. My other highlight was shooting 25-straight in a shoot-off at the British Open to win a bronze medal in Colts. I also won the North of England Colt Champion and gained sponsorship from Johnson Brown Field Sports.

How does it feel to have ranked where you have?

I feel so privileged to have ranked where I am this year. I have had lots of help from family and friends and, with my own determination, I have ranked as high as I could have wished for in my first year. I didn't expect these achievements in my first year; I just wanted to enjoy the experience.

What are your hopes for the 2017 season?

My hopes for 2017 are to keep trying to improve my scores. To do this, I will keep practising with my Beretta Silver Pigeon and I will continue to use my RC4 cartridges from my sponsorship with Johnson Brown Field Sports.

What have been the biggest lessons for you this year? What have been the most important things you have learned (about technology, technique, training regimen, courses, people, competitions etc.)?

I think that one of the biggest lessons I have learned this year would be to stay calm, to forget what's around me and to take every shoot as if it was practice so I don't create any pressure for myself. I have met a lot of new friends this year in the sport and I will continue to take on board any tips and advice they give me to try to improve my scores.

BOB AGAR Automatic Ball Trap

How would you describe the trajectory of your career?

I have been a clay shooter for many years. In my youth I competed, mainly for fun, in Sporting, Skeet and Trap disciplines and enjoyed county-level success. Later on I ran my own clay shooting ground and met my wife Angela. Since retiring we have both enjoyed shooting. In 2016 I set my

sights on a place in the England ABT team.

What have been the highlights and lowlights of the season?

2016 highlights include earning my England ABT cap, being part of the winning Veterans team at the ABT Home Internationals, taking the Veterans HG as well as being part of the winning Veterans team, representing Yorkshire at the National Intercounties ABT. I don't tend to dwell on things that go wrong, preferring to learn and move on. You never stop learning.

How does it feel to have ranked where you have?

Learning that I have been ranked as number one Veteran is a real boost for me as there are some good shots in my category and competition is fierce.

What are your hopes for the 2017 season and what are your plans to achieve that?

I will build on 2016's success in the ABT discipline while also looking to compete in some UT and OTR. I intend to spend a couple of months doing some quality warm-weather training in the south of Spain.

DAVID KEMPLEY Sportrap

How would you describe the trajectory of your career?

Slow and steady.

What have been the highlights and lowlights of the season?

The highlight was retaining my place in the GB FITASC team and the low not being able to shoot due to work.

How does it feel to have ranked where you have?

Fantastic, although there is room for improvement!

What are your hopes for the 2016 season?

To maintain my position in the GB team and a major would be nice.

What have been the biggest lessons for you this year?

Don't worry about what anyone else is doing; concentrate on what you're doing.

RACHEL PARISH Double Trap

How would you describe the trajectory of your career?

Shooting Double Trap is up and down as there has been uncertainty surrounding the inclusion of women's Double Trap in the Commonwealth Games and European and World Championships.

What have been the highlights and lowlights of the season?

There have been a few highlights! I won the Ladies event at the European Championships and it was brilliant to be able to shoot Double Trap in an international competition again. A mixed team event was held at the Europeans as well and with Matt

Coward-Holley I won gold. The final for the mixed team event was so fun to shoot! The British Championships was held at Nuthampstead this year. I shot a new PB of 111 ex 120.

How does it feel to have ranked where you have?

I'm really pleased. I balance shooting with a full-time career as a doctor working in emergency medicine and sometimes it can be very difficult to get time away from work for competitions and training. I'm lucky to have very understanding colleagues.

Who do you look up to as a shooter and why?

Vasily Mosin (Russian Double Trap shooter) – he is a fantastic advocate for Double Trap and worked so hard to get women's Double Trap included in the European Championships in 2016.

JACK FAIRCLOUGH
Olympic Skeet

How would you describe the trajectory of your shooting career?

I have only been shooting for four years so I am delighted. In 2016 to have been selected as a member of

the Great Britain Shooting Team for the senior ISSF World Cups, to have won several Grand Prix and set a new British record is just fantastic.

What have been the highlights and lowlights of the season?

The highlights I have detailed above, plus there were many more. To go to the Olympic Games in Rio as part of the British Olympics Ambitions Programme for Shooting was a huge honour. The low point was when the

custom grip on my stock shattered mid competition in Italy and I was not allowed to continue to shoot with it. It took seven weeks to replace and even then the replacement was not right. The poor gun fit affected several competitions.

What are your hopes for 2017?

To continue to work and train hard and be selected again for the Great Britain Senior team for the World Cups in either India, Mexico or Cyprus.

The European Championships are in Baku and the World Championships in Moscow in 2017 and I want to compete at both in my last year as a junior.

What have been the biggest lessons for you this year?

The most important thing I've learnt this year is to have spares for everything possible.

2017:

the year of the shooter

THE NEW YEAR IS A TIME FOR RESOLUTIONS – NEW CHALLENGES, FRESH STARTS AND TRYING SOMETHING DIFFERENT, SO WHY NOT REFRESH YOUR SHOOTING? **PULL!** SPOKE TO A RANGE OF SHOOTERS WHO ARE MIXING IT UP FOR 2017 – BE INSPIRED AND GET SHOOTING!

JOSEPH LIGHTOWLER

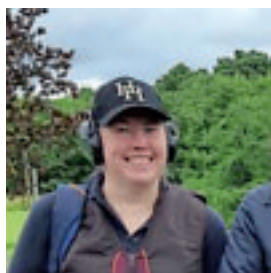

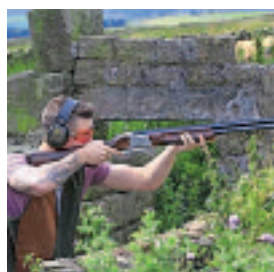

AGE: 25

It all started when my partner decided to book me a surprise birthday treat in December 2015 to do a small, 30-clay package at a local ground.

I picked Sporting over the others due to the variety of clays. Sporting is different in every competition and Registered shoot, and every ground puts their own signature on a couple of stands.

With shooting there is always a positive to take out of a day's shooting, even if it's not your best day. My highlight so far is reaching a new personal best for Sporting (84/100), coming fifth overall in the Lancashire Championships and coming fourth in my second FITASC at Oak Lodge with 85/100.

For 2017 my main aim is to get into A class, win a few competitions and earn some silverware.

JANE BYWORTH-HOADLEY

AGE: 39

I started shooting in June 2016 because I had fancied having a go for a while – I just needed to find the right way of going about it. I had also recently moved and wanted to meet like-minded people, so I joined the Shotgun and Chelsea Bun Club and signed up for the National Ladies Shooting Day at my local ground.

I've only shot English Sporting so far, but I'm really eager to try other disciplines after some more practice.

I like the suspense of hitting the target and the thrill of smashing it (or in my case mainly quietly swearing when I miss!). My best moment so far was getting called a 'smart arse' by my instructor when I smashed five clays in a row.

My aim for 2017 is to shoot more! I've got my licence now so can also buy a gun.

CHARLOTTE MORRIS

AGE: 12

I started shooting at the start of 2015 because Dad and Mum both shoot.

I realised I was going around watching my parents shoot and not giving it a try, so I asked if I could have a go.

Since the beginning of 2016, I've been shooting DTL at competition level. DTL is an easy target, but a hard target to master mentally. I really enjoy shooting DTL because you get to go around the world for competitions. I'm over the moon when I see I've smashed a clay – it puts a smile on my face.

For 2017, my aim is to beat my personal best, have more fun and not get upset if I don't shoot well. Krieghoff DTL 2017 will be my biggest aim for the year.

LEAH SOUTHALL

AGE: 13

I've only been shooting since March 2016. I decided to start shooting because my Dad started shooting Sporting. I used to go along with him and thought that it was really interesting. I watched DTL and liked the idea of it, so got my first Trap gun (a Miroku MK38). I picked DTL because it requires more focus and concentration and I liked the idea of shooting with four different people – I've made lots of friends from all over the country.

Shooting is an unusual sport to do in my local area, where popular sports are generally football and rugby. It also gets me out on weekends around different grounds.

The highlight of my shooting career so far is when I shot at the Gamebore Grand Prix at Mid Wales Shooting Centre, where I hit my first 25/75. My aims for 2017 are to shoot the Krieghoff DTL at Mid Wales Shooting Centre as that will be the biggest competition of my shooting career so far. I would also like to move up from C Class to B Class.

FAYE WILLS

AGE: 23

I started shooting when I was 16. I was employed as a range worker at a shooting ground and tried it to learn about gun safety. I instantly got hooked! The ground only offered Sporting, but once I moved away from the area I tried English Skeet, Sportrap and DTL – all of which I enjoyed!

I love shooting for so many reasons; it's how I met my husband and is a hobby we share, but also I'm super competitive with myself and others, and since shooting is about doing well individually and sometimes performing as part of a team, I find it a great way to challenge myself.

I tried Olympic Trap and Olympic Skeet at a British Shooting Talent Identification Day after seeing it advertised on Twitter. They weren't just looking for good scores, but for a willingness to learn, determination and ability to implement advice. I figured I didn't have anything to lose. I also represented my county at the Olympic Trap South East IC (shot terribly but had loads of fun!).

I don't have any specific aims for 2017, except to carry on training and carry on loving my sport!

**ALLEN WARREN**

I lost an eye aged 15 and the surgeon told me I'd never be able to shoot a shotgun – I wanted to prove him wrong! I shot ABT/UT and Helice competition first, winning the British Helice (ZZ) championship in 1984 and various county titles. I had a long-term illness and ran out of money – Trap shooting meant lots of travelling (Southern Counties didn't exist then, nor did NCSC at Bisley or Nuthampstead) and the nearest Trap ground was a four-hour drive each way. So I tried Skeet at Kings Ferry GC in 1986, shot 97 first time and won £50!

My shooting highlight has been representing England 23 times (so far) in three disciplines, but being present at the 2010 Commonwealth Games in Delhi when our team won every individual gold medal was special – this had never been achieved by one country before and very likely won't happen again.

I was invited to become involved with the British Shooting Academy and Pathway (both regional and GBTP) Olympic Skeet development groups and have really enjoyed the challenge of developing up-and-coming shooters new to the discipline.

For 2017, I want to continue to learn and develop my coaching skills, and show young shooters that shooting clays could take them to many countries that they wouldn't imagine going to if it wasn't through shooting.

DARREN WATKINSON

AGE: 39

I first started shooting through the Army Reserve 21 years ago. I became a weapons instructor in 2001 and enjoyed teaching people. After one such training cycle, the instructors were taken clay shooting by Andy Dove, and that was my introduction to the sport. I started shooting Skeet and Sporting, but have since shot all disciplines as I thoroughly enjoy the buzz of it and want to become a great all-round shot.

After shooting for a year I became a referee and did my Instructor Development Workshop over three days. I completed the instructors course 18 months ago – after teaching people to pick up weapons and shoot for more than 15 years, this seemed like a natural progression to me.

Being selected for the Nottingham County Shooting Team in FITASC and Sporting this year, giving me my first cap, filled me with pride. In 2017, I will be attending the Krieghoff Championships and the British Open Sporting. I want to start the process of becoming a coach, so I will need to do my Coach Development Workshop (CDW) and Common Elements. If I can cap all that off with making the county shooting team and securing some sponsorship, it'll be a good year.

**WENDY SPACKMAN**

AGE: 48

A friend mentioned that they shoot and suggested that I have a lesson at Royal Berkshire Shooting School. That was on September 10 2015, a date that quite simply changed my life.

I mainly shoot ESP, but as I live and work so close to E.J. Churchill I have tried Sportrap and Skeet. I enjoyed Skeet, but those sim pairs are fast! Through the Shotgun and Chelsea Bun Club (SGCBC) I also had a go at Olympic Trap and Olympic Skeet. I just love trying new things – I don't care if I'm good or not; if I enjoy it then I have something to aim at.

My highlights so far have been numerous, but doing a double Registered on the August bank holiday (my score went from 21 to 45 in exactly three months – absolutely over the moon that day) and winning my first SGCBC rosette with 83/100 at Barbury – still in shock – stand out.

In 2017 I'm hoping to reach 60 per cent on a Registered Shoot. My flight to Houston in April is already booked, shooting the Worlds with my best shooting buddy, who will be living in Houston from January – it's all about the pursuit of pin badges! I also want to encourage more of my friends to do Registered Shoots, so I've set up a Facebook page called Ladies Wot Shoot to advertise as many shoots as possible.

COACHING for all

Coaching para shooters is a huge subject – there are so many different conditions to consider, this is just an overview of some of the challenges faced and overcome by this extraordinary group in our sport.

AS A COACH

Many coaches are concerned about teaching para shooters as they are unsure how to approach the shooter or they simply try to coach as if their client is able bodied. It's important to establish where any weaknesses are, but do not assume that a bad technique is down to their disability!

The only way to overcome potential problems and appreciate the shooter's restrictions is to watch, listen and learn. Consider:

- The shooter's range of movement may be restricted.
- The shooter's sightline – if sitting in a chair, their view of the target will be different. Try sitting in a chair with your feet off the ground to shoot.
- Balance – core stability/strength may be compromised. Spend time finding the ultimate position, stance, gun hold, type of gun, cartridges, etc.
- Temperature – some shooters may be unaware of getting very cold or hot, so ask what the signs are and act on any concerns.
- Some conditions may be progressive and some conditions may improve – both require regular monitoring and an adaptable technique.
- Medication changes can affect the shooter.
- Think laterally. It may be necessary to use very different techniques for the shooter to consistently hit the target – be brave and experiment.
- Shooters can be very guarded, so if they are struggling mentally they may not say, especially if they are struggling to accept a condition, which can inhibit being open to coaching.
- Training periods may need to be adjusted to accommodate physical fatigue and to allow for consideration of the work

“**IT'S IMPORTANT TO ESTABLISH WHERE ANY WEAKNESSES ARE, BUT DO NOT ASSUME THAT A BAD TECHNIQUE IS DOWN TO THEIR DISABILITY!**”

SARAH DALY GIVES ADVICE ON HOW TO BE A COACH TO PARA SHOOTERS AND HOW TO FIND A SUITABLE COACH

covered. Fatigue may be due to fitness, diet, hydration or simply there is 'not enough left in the tank'. Energy levels need to be maintained through the day without relying on 'magic' concoctions.

AS A DISABILITY SHOOTER

There are a range of disabilities that could be caused by an accident or disease, present from birth or developing during a person's lifetime. Speaking to some of the shooters gives an insight into the physical and mental challenges they are facing, and some of the adaptations you can explore.

- **Degenerative disease** – Alec Sperling has Charcot Marie Tooth (CMT), which is a degenerative muscle-wasting disease: “The 17 years that I've been competitively shooting have seen me go from using a stick, to a crutch, to two crutches, to an adapted walking frame and now a wheelchair. The strength in my forearms and hands makes it difficult to shoot Sporting now, which is why I have moved to Trap shooting.” Here, the gun needed to be refitted and technique amended to accommodate the changing condition. The coach needs to facilitate these changes and help manage the shooter's additional mental acceptance of the changes.
- **Internal injuries** – Andy Womble was a top Trap shooter in the late 1980s, qualifying for the Barcelona Olympics. As a result of a car accident, Andy sustained internal injuries leaving him with only 30 per cent lung capacity, minor brain damage and eye damage, a total gastrectomy (removal of the stomach), with muscles cut or lost throughout the torso. This has meant severe depletion in core strength: “It took time to learn how to get the body to do what it needs to do and find the ultimate position to give maximum balance and stability.” Every treatment or manipulation can alter body position, gun fit and balance, so the coach needs to work with the shooter and possibly members of a support team, e.g. physios. On coaching, Andy comments: “A coach needs to find your faults and find a method to correct them in a way you can relate to, not just 'you're behind that, give it more lead'. Interaction is a major part of coaching, especially with people with disabilities. Understand which areas the disability affects.”
- **Cerebral palsy** – there are various forms of cerebral palsy (CP), but generally it's a group of permanent movement disorders that can be mild, moderate or severe. The visual symptoms may be tremors, stiff and/or weak muscles, poor co-ordination, impaired speech, vision and hearing. The ability to shoot will depend on where the CP has affected, so the coach needs to ask. Michael Smith has moderate CP

CASE STUDY

Simon Arbuckle, Senior Coach at Southdown Gun Club, coaches a shooter who lost both legs below the knee, his right eye and left trigger finger. He shoots standing using bluetooth prosthetics, so locks his leg to lean in, balancing to find the most efficient grip. He is right-handed, but has re-learned to shoot off the left shoulder and uses his middle finger as the trigger finger.

"From the beginning, we built a connection by talking about the Army," explains Simon. "He

went through all his injuries and explained his experimental legs. I then went through the CPSA safety etiquette and started by using a 12g, but he didn't like the balance, so we went to a 20g and he has subsequently bought a 20g.

"I took him round at Southdown working with him on various targets, having to tailor his stance to allow for balance and limited visibility on his right. The most difficult was the teal, which was

vertical, but the trap was beneath the platform. Because of his balance issues, he was very upright with his head up as he couldn't lean forward as an able-bodied shooter would. The solution came when we figured out he was able to lock off the leg so he could keep his weight forward."

This is a perfect example of coach and shooter working together to overcome difficulties caused by physical restrictions.

There are a range of disabilities caused by an accident or disease, present from birth or developing during a person's lifetime

caused by brain damage at birth. He is affected in his right upper and lower limbs with muscle spasms and weakness and is unable to co-ordinate fingers for any intricate work. He shoots standing, off the left shoulder, but is right-eye dominant, so uses a gun with some cast but also needs to accommodate this with adjusted shooting technique. "I need a coach that understands how far I want to push myself and how I work – I need time to rest and analyse what I have to do, to picture the clay and where I have to take the shot – before moving on with the session. A coach needs to be confident and ask questions about the ramifications of the condition, and they need to believe in me. I need pushing, not mollycoddling!"

- **Missing limbs** – Neil Long, 'the world's greatest one-armed photographer', shoots Olympic Trap. Neil uses a support block under the action to give improved support. His gun is balanced to him, which makes a huge difference as there is less barrel flip and less recoil, which means he is in a better position for his second shot.

So often, it is sheer determination from both shooter and coach that keeps para shooters going and helps to achieve their goals. To find out more, visit the Disabled Shooters Group (DSG) website: www.disabledsg.co.uk.

Many thanks to Alec and Julie Sperling – and all the shooters from the DSG – for their candid discussions and contributions to this article. ●

TONY HIGHAM

Tony is a CPSA Senior Coach. He was the Army Rifle Association (ARA) Secretary and introduced Clay Shooting, Fullbore, Smallbore and Air Gun for Help for Heroes.

"This involved coaching many service personnel with a variety of disabilities, so each had to be assessed separately. The ARA chose not to use the words 'disabled shooting', but the term 'adaptive shooting' – this was considered to be a more appropriate title as all personnel had experience of shooting and handling firearms in service.

"It was important to treat the shooters as normal and not look on them as disabled – military banter/humour became important as this helped form a close relationship between coach and shooter. Also, when coaching adaptive shooting, the coach had to consider the best discipline to suit an individual's needs and what was comfortable for them.

"There must be enjoyment and a sense of achievement. My advice to any coach who wishes to teach a para shooter is to be yourself and treat your client the same as an able-bodied shooter, but be versatile and build a suitable technique. I found it helpful to try to imitate a disability to find the best method of shooting specific targets, such as shooting with one arm, using another finger to pull the trigger and sitting in a chair. All these exercises should be done under strict safety, and always have another person to assist you. When completing these exercises you can appreciate how the normal shooting techniques have to be adapted for the shooter. Above all when teaching adaptive shooting, safety comes first, followed by enjoyment."

★★★★★ SHOOTIN' USA

WHETHER YOU TAKE YOUR GUN OR HIRE ON ARRIVAL,
YOU CAN SHOOT GREAT CLAYS IN THE USA

AS YOU read this in the depths of British mid-winter, you may be forgiven for turning your thoughts to your next holiday – and why not take clay shooting with you?

Clay shooting is a brilliant activity for the traveller. As a holiday activity, the three main types of this popular shotgun sport, Skeet, Trap and Sporting, can all be shot by visitors after some initial tuition in safety and technique. In America, there are between three and four million shotgun shooters and there are clubs all over the country, so understandably

Below and opposite: sunny scenes from Gulf Coast Clays' base in Florida, perfect for a winter break or summer holiday

it's one of the top destinations for shooting holidays.

Many regular shooters rent guns while on holiday in the US, but most are put off taking their own guns by the regulations. If this process were demystified, packing your shotguns for a trip abroad would become as normal as golfers taking their clubs.

HOW TO TAKE YOUR GUN TO THE US – THE ATF PERMIT

Colin Burrows runs Gulf Coast Clays (GCC), a Florida shooting ground in the Everglades, situated on the edge of a waterway that leads directly to the fishing areas of the Ten Thousand Islands and out to the Gulf of Mexico. He explains that an Alcohol, Tobacco and Firearms (ATF) permit is required to shoot in the USA, which has to include an invitation from a shooting ground.

"If you're coming to do clay shooting, it has to be for a competition, but because we have a range of competitions, I list them in the letter and suggest the person can choose what to take part in once they arrive. I issue quite a few invitations a year for this purpose. They're very straightforward."

FROM THE UK TO FLORIDA

Colin works in film production – he owns the company Special Treats – and started shooting as a hobby in middle age.

"My wife would call it a mid-life crisis!" he laughs. "I did a Safety Officers Course, a CPSA Level One Instructors course, and was getting more interested in the business of shooting. I thought giving instruction would be a nice thing to do when I retired. Then, in *Pull!* magazine, this ground was advertised for sale. I go to the States a lot as part of my day job in the film industry, so thought I'd call in on my way home one time. It was in a bad state at that point, but I bought it, put in a new management team, refurbished it and changed the name – and here we are, three years later.

There are worse places to be in the depths of mid-winter!"

Gulf Coast Clays now offers Trap, Skeet and Sporting on a 60-acre site just south of the premier resorts of Naples and Marco Island. Colin and the team at GCC organise shooters' trips to South Florida, arranging for local shooting clubs to host the visitors as they make a circuit of the key clubs in one of the US's favourite regions for shotgun shooting.

"Florida is a great shooting destination. There are a huge number of clubs and you could spend a month touring around. It's shotgun heaven for visitors," says Colin. "We also offer instruction from the manager, one of the US's most promising young Sporting shooters and the current World Skeet Ladies Champion, Becky McCumber."

Other big-name visiting instructors include Gil Ash and Paul Giambone, and the competitions are an experience, too: "We run about eight registered shoots a year and US regional championships will get 1,000 entrants – there's plenty of competition in the USA."

THERE'S MORE TO THE SUNSHINE STATE

But it's not all shooting and Colin adds that the region offers all the tourist attractions of the Everglades and its beaches are regularly voted the best in North America.

"It's a nice part of the world, with lots of fishing, great beaches, nice shopping, good restaurants and the Everglades. I have a good relationship with the Collier County Convention and Visitors Bureaus (CVB) – we've been working with them to put together packages, so we can connect people with fishing packages, airboat rides, hotels and all the normal Florida activities. Some want to come and do 24/7 shooting, but there are plenty of other things to do too. People can bring their families – it's a holiday destination in its own right."

"And," he smiles, "if you must, there are as many golf courses as there are weeks in the year." ●

ATF PERMIT CHECKLIST

To apply for an ATF, you need to send:

- ☐ Completed application, ATF F 6NIA (5330.3D).
- ☐ The form is an application for a permit for the temporary importation of firearms and ammunition.
- ☐ It takes approximately eight to

10 weeks to process an ATF F 6NIA (5330.3D) application, so keep this in mind when planning your trip.

- ☐ An approved ATF F 6NIA (5330.3D) is valid for one year from the approval date and can be used repeatedly during that year with an invitation.

Taking stock

THERE ARE MANY BENEFITS TO HAVING A CUSTOM STOCK FITTED TO YOUR GUN AND IT DOESN'T ALWAYS HAVE TO MEAN A TRIP ABROAD

Though there are many different styles of gun on the UK market, finding one that perfectly suits you can be tricky. A gun that is 'off the peg' may only suit a handful of shooters. To mitigate this, many guns are fitted with a comb raiser, which adjusts the line of sight down the top rib of the gun, giving the shooter the ability to shoot straight.

BUT WHY SETTLE FOR A QUICK FIX?

With a bespoke stock, you can adjust the grip style, depth of grip, radius of grip, shape of stock, type of recoil pad, palm swell, glove grip, length of stock, cast at heel and toe, not to mention choice of finish. A custom stock will help to aid accuracy and comfort to the shooter. They say a bad workman blames his tools, but when it comes to clay shooting having your tools custom made can give you the upper hand.

"Basically, a bespoke stock offers the shooter every advantage for perfect gunfit," summarises Philip Unwin from RUAG Ammotec UK Ltd., which distributes Perazzi guns, among others.

MADE TO MEASURE

"Irrespective of the discipline, Perazzi offers a bespoke gun including action and woodwork with literally millions of possible combinations. Regarding stock dimensions, the customer can choose to buy one of our stock guns made to accepted specification or have their woodwork made to fit them. This can be done by having a fitting in the UK and providing the measurements, or by going to the factory to be fitted. If they choose this option they also choose their own wood blank and their stock is made

KRISTIAN SET UP MIDLANDS GUN SERVICES (MGS) AFTER MOVING TO SHROPSHIRE AND SENSING A NEED FOR QUALITY CRAFTSMEN MAKING HIGH END SHOTGUNS IN THE MIDLANDS REGION

and ready for trying within 12 hours."

Blaser, based in Germany, offers a similar service. Sales Assistant Jess Moore explains: "With a custom product there are no limits. Blaser will try their utmost to cater to the needs and desires of the person having the custom piece. We have a measurement sheet that will need to be filled out by the dealer who can measure the customer for their custom stock, or if the customer wishes they can travel to Blaser in Isny, Germany, to have this done. Travelling to Blaser is an experience for the shooter as in most cases it allows the shooter to have an insight into how their gun is made and how the stocks are produced."

HOME OR AWAY?

Both Perazzi and Blaser offer custom stock services at their homes in Italy and Germany respectively. Europe is a common destination for custom stock production; Italy is a country where custom stock makers are common (some say this is due to their experience in the shooting industry and their large and successful presence in the Olympic Games), while Manuel Ricardo from Portugal is creating a large presence in the shooting industry. This makes buying a custom stock a real treat, incorporating a trip away to a glamorous location. However, this unavoidably comes with an additional cost of travel and accommodation.

If you want to consider a less expensive alternative, Kristian Reilly could provide a solution.

Kristian set up Midlands Gun Services (MGS) after moving to Shropshire and sensing a need for quality craftsmen making high-end shotguns in the Midlands region. To cater to the UK shooter and offer the service at home, Kristian sought the skills of Roberto Zucchinielli from Brescia, Italy's gun-making centre.

"Until recently, shooters have had to travel to Europe for

custom stocks as UK stock makers are, on the whole, too expensive for the average shot. I saw the opportunity to bring Roberto over to the UK to make stocks at a manageable price with a swift turnaround.

“Customers can choose a blank from the extensive stock of Turkish walnut in stock at MGS. All work, including custom gun fitting, is carried out on the premises in Shrewsbury. If the customer is unsure what they require to improve their shooting, we send them to a trusted shooting instructor who has a wealth of knowledge and can refine the set-up of the gun to ensure it's a perfect fit.

“The cost differs depending on the grade of wood, and the style and level of finish, but prices start from £1,000.”

MOVING ON

You'd think that a custom stock would make your gun impossible to sell on, but this isn't an issue. As long as you retain the old stock, you can simply put that back on, rendering it a standard, off-the-peg gun again.

Philip explains: “Most of the specialist Perazzi dealers have a number of new and second-hand stocks they can use on pre-used guns to fit customers; failing that they could always order a bespoke replacement.”

Jess continues: “Selling on a custom gun may not be as difficult as you think. As custom stocks sometimes have a higher wood grade and ‘nicer’ looking wood than standard guns, this can add value and make the gun more desirable.”

And, at MGS, your custom made stock can be replicated if you change the make of gun.

Whether manufactured at home or abroad, having a custom stock could aid your shooting performance and help you achieve your shooting goals, while making your gun truly and uniquely yours. ●

SARAH DALY LOOKS AT WHERE ENGLAND SHOOTERS FINISHED IN THE WORLD RANKINGS AND REPORTS ON THE PARA CLAY TARGET SHOOTING GRAND PRIX

2016 SAW GBR winning medals throughout in the FITASC and ISSF events, including two bronze medals (Ed Ling and Steve Scott) and two finalists (Tim Kneale and Amber Hill) in the Olympic Games, four athletes in the top 10 ISSF rankings and 25 in the FITASC Fiocchi top 10 rankings.

GEORGE AND CHERYL DOMINATE FITASC SPORTING

George Digweed (Open Sporting), Cheryl Hall (Ladies Sporting) and Chris Potter (Super Veterans Helice) all finished in the number one spot of the FITASC Fiocchi rankings, with George and Cheryl also ranked second in Compak. The total top 10 breakdown in the FITASC rankings is: 11 in Helice, seven in Sporting, five in Compak and two in Universal Trench.

George maintained his dominance, adding to his championship haul during a really tough year, as did Cheryl, whose personal drive to succeed makes her a force to be reckoned with in the Ladies Sporting and Compak.

Ed Ling, who won bronze in Rio in the Trap Men, was fourth in the ISSF World Rankings (as of November 1 2016). Steve Scott (who also won bronze in Rio in Double Trap) rounded off a tremendous year to finish fourth in the Double Trap World Rankings. Amber Hill (still a junior) was seventh and Tim Kneale eighth – Tim just missed out on an invitation to the WC Finals.

It was good to see Ben Llewellyn making an appearance in the rankings, particularly with his silver medal in the Skeet Men at the Nicosia World Cup.

WORLD CUP FINALS

The ISSF season is rounded off with the World Cup Finals, held in Rome in October 2016. There are limited entries for the top athletes of the season, including medallists from that year's Olympic Games/World Championship plus the title defenders.

There are usually 10-12 competitors for each discipline – the 'in form' athletes for the year – meaning it is a tremendous achievement simply to be invited.

This year GBR had four athletes competing in the event: Ed Ling in Trap, Steve Scott in Double Trap, Ben Llewellyn made his debut in the Skeet Men and Amber Hill in Skeet Women.

Steve Scott made the finals in Double Trap, but missed out in a three-way shoot-off for a place in the bronze medal match. Ed Ling and Ben Llewellyn both dipped out of a finals place in shoot-offs to finish seventh and eighth respectively, and Amber Hill finished ninth.

Kevin Gill, GBR Head Shotgun Coach, commented: "We are consistently taking three or four athletes a year. You only qualify if you have performed well that year, and we are winning medals – it is one of the hardest shoots to win, so British Shooting must be doing something right!"

PARA CLAY SHOOTING GRAND PRIX, ITALY

Para Clay Target is on a course to become a Paralympic event, with an enormous effort to get it there being made by many, including Julie Sperling (Chair of the Disabled Shooters Group) and James Marsh-Brown (Disability Shooting GB CEO). This event was supported by 70 athletes from 14 countries.

Classifications

The effort being made includes the difficult process of classification, which is still 'work in progress'. IPC are looking at two classifications for the standing, which were trialled at the Para Clay Target Shooting Grand Prix in October:

- Standing 1 (ST1) – usually with a prosthetic lower body disability, but in Milan someone with an upper body disability if they had an arm, part of an arm or a prosthetic that could support the gun was included in ST1.
- Standing 2 (ST2) – upper body disability with the use of only one arm.
- Sitting – any disability that requires the athlete to shoot from a wheelchair. There will be rules governing what support is allowed, e.g. a strap around the torso, which will be dependent upon the position of the break in the spine – not all wheelchair users are spinal injuries.

It is hoped the IPC will be publishing the working rules early in 2017.

The results

We had a team of 12, missing three regulars due to health. Andy Womble, who shoots a DT10 Beretta/Cheddite Mach3 combination, had tremendous success, despite being in and out of hospital for the previous few months with pneumonia which meant he was not sure if he would be fit enough to shoot. Andy won the cup for the highest first-day score (69 ex 75) and finished second overall from the 125 scores, but he won the ST1, scoring 113 ex 125, plus 13 in the semi finals and 12 in the gold medal match.

Following a two-way shoot-off, Steve Ling also made the finals in the same event to finish fifth.

Andy commented: "It was a good weekend – lovely ground, well organised, good targets, but I was not feeling that well and did not manage to keep the scores up.

Above:

However, it was enough to win the gold, so I'm glad I went! I really thank Julie [Sperling], she is a diamond and really looks after everybody. If it wasn't for her, I wouldn't have been there!"

Mat Goodwin finished third overall and lost out on a shoot-off (which included Paul Bailey) for a bronze medal match place in the Sitting event.

Team Manager Julie Sperling was also keen to mention two new team members, Rebecca Porte – who had only shot Trap once but decided to have a go – and Matt Skelhon, who was encouraged by Alec Sperling. George Glover, who was shooting abroad for the first time, made everyone laugh with a classic comment when he came out of the classification tent: "I didn't realise I was as disabled as this!"

Julie said: "It was the best event so far! The results were excellent and I was very proud of the whole team. Christian Schofield gave a lesson the week before the event, especially for the finals, and hopefully [the lessons] will be ongoing. The attitude of the shooters and the carers is superb – they look at it as a legacy for the future, working to clear the way for future Paralympians. It is looking positive for shotgun shooting to be included in the Paralympics in the future, but we must keep the momentum going.

"I would like to thank Edgar Brothers for their continued support – they organised and paid for all the T-shirts. And thank you to all the carers who supported the team; if we didn't have them we would struggle." ●

The North Region held its AGM on November 24. As expected, there were a number of joiners and leavers – for those who left, thank you from the committee, and for those who joined: welcome!

A full list of changes and annual awards are on the CPSA website and Facebook.

National Inter-counties

The defending Yorkshire Senior team (Captain Andy Parsons, Steve Leppington, Gary Cooke, Paul Dodd, Ross Elgie and Jon Caine) put in yet another amazing performance to win for the sixth consecutive year. Well done all! The Veteran team (Darryl Taylor, Roger Beaumont and Eric Bell) and Ladies team (Wendy Taylor and Sue Barratt) were third.

Belvoir Trophy – Nottingham

The three Yorkshire titans fought it out again on the last squad of the day. Andy Parsons finished on 99 ex 100 but Steve Leppington and Gary Cooke both posted 100-straight – this gave the Veteran Trophy back to Steve for the second year in a row. Steve and Gary battled for the main trophy in a shoot-off which saw Gary take the win in fading light.

Nottingham Skeet Challenge Trophy

The raiding party from Yorkshire headed south again for this annual shoot. Steve Leppington posted the only 100 of the day to win the trophy and AA class. Well done Steve! Gary Cooke, shooting a gun he bought the day before, missed two in the

first round to finish on 98 and took joint second place with Ross Elgie and Pete Collins. Pete was first in A Class. Another impressive day for the 'Tykes'!

October 9 2016

This was a well-attended shoot, with Tom Robinson clearly the winner on 100/299 – he obviously just 'winged' one of those clays. He picked up High Gun and the Lloyds TSB Cup – another shiny one to add to his collection. There were a lot of high scores from on the day with many in the 290s (Chris Hanson, Charlie Rautenberg, Dave Bell, Bob Singleton, S Forrest, N Scott, Dudley Coward, Tony Common, Les Elwell). While the years may be flitting by, you have to admit that they are looking pretty good.

October 23 2016

Dave Bell was the star of the show by winning High Gun with 100/295 and the Dockray Cup. Closest to him was Tom Robinson on 99/291. Bob Singleton and Dudley Coward followed with 287. All chased that elusive 300.

November 13 2016

With a high attendance at Penrith, we had two perfect scores from Alan Paige and Tom Robinson – 100/300. These were followed by a shoot-off for High Gun and the Remembrance Day Shield. Tom Robinson was the final winner on the day, but they were both winners to us. Just shows you, braving the cold weather pays dividends. Well done guys, exciting stuff.

November 27 2016

The perfect scores kept coming in as Michael Turner won High Gun with 100/300. He also picked up the Steven Anderton trophy – Michael obviously wants to keep it in the family as he won last year too! Well done Michael. The Penrith family came to have their photos taken with Michael, showing their support and good sportsmanship.

I'd also like to make a special mention to 15-year-old D Taylor who scored 85/243 – we look forward to seeing him pick up trophies in the future. Also, a special mention to an old favourite, Bob Bolt, who travels with his wife to Penrith. Bob keeps us going with his winning sense of humour – rock on Bob.

Also, this is a reminder that anyone can write an article for Pull!! Lesley Macbeth

excellent job, with Dave and Tom Long designing the course. The brothers put on a range of excellent and testing combinations befitting a Regional Championship. Without a doubt, the most testing stands were five and eight.

Most people had no problems with the report bird on stand five, but that 90-foot tower was a challenge! The stand only saw two straights throughout the whole day – well done to Eric Bowe and Gugsy Ahmed.

Stand eight was, for some, a fairly innocuous left-right standard with the dreaded rabbit clay thrown as a crosser right to left. There must be a secret to shooting this clay – if I work it out I will let you know! However, some shooters were successful, with four straights and quite a few sevens.

Regional Champion for the second year running was Howarth's Les Rushworth, with an excellent 94 ex 100. He put his marker down early on for the pack to chase and took the Yorkshire Champion's title as well. Paul Foster and Tim Webster gave it a good go (both on 93 ex 100), as did Andy Calvert with 92 ex 100.

Lady High Gun (Regional and Yorkshire) was Linda Grayson with 87 ex 100. Regional Junior Champion was Durham's Callum Handley – his cracking 82 ex 100 being some way off Yorkshire Junior Champion Ollie Johnson with 73 ex 100.

Regional Veteran Champion with an excellent 85 ex 100 was the 'Lone Ranger' – better known to some as Eric Bowe – who must have been feeling confident being the only Cumbria shooter to make the journey. Good effort Eric – I wish there were more like you. After a four-way tie, Yorkshire Veteran on count-back was Ken Naylor (83 ex 100), clinching it from 'Nobby Gravit', Paul Peacock and 'Big Dave' Naylor.

Well done to all winners. Many thanks to the 118 shooters who made the effort, as well as to Tom and Sharon Bayston and their team for their most welcome hospitality again.

The official Merseyside County Committee was formed on November 21 2016. Over the coming year, the committee hopes to make some positive changes to the way championships are held for the County members. We also hope to bring the major championships closer to home, enabling more of the County's shooters to show their support.

The committee is currently trying to raise funds to help with the day-to-day running and to also purchase trophies and badges etc. If anyone would like to sponsor the committee, please contact us. We have already received a number of small donations, which we are very grateful for.

Here's to the coming year!

2016 National Inter-counties ABT Beverley report

For the first time in well over a decade, Merseyside fielded a team for the National Inter-counties ABT championships at Beverley. The team consisted of regular Fast Trap shooters Ken Grimes, Arnie Cliffe, Karl Prince, John Lucy, Carol and Roy McGovern. The event was fully booked, with 12 squads from nine counties in attendance – competition was going to be tough but, for our inaugural team event, it was more a case of taking part and learning from it. The overall winning team was the Yorkshire A team with 452 ex 500. Merseyside's team result of 410 ex 500 allowed a respectable fifth-place finish, which exceeded expectations! Everyone enjoyed the event and we hope to be back in 2017.

Merseyside, Lancashire and Yorkshire County Championship FITASC

Run over the weekend of November 19 at Mount Farm Sporting Clays in Wakefield, this event was fully subscribed once again and attracted some seasoned FITASC and English Sporting shooters from the North of England. Phil Rowbottom was responsible for running and presenting an extremely well-organised

competition with a fantastic array of targets that suited all shooters. The weather was crisp and the ground was slightly muddy underfoot but, for those who are accustomed to shooting in Yorkshire, this was practically a summer's day! T Webster (Yorkshire) was High Gun of the day with a score of 107 ex 120. Congratulations to the regional County winners:

Yorkshire Champion: T Webster.

Lady: L Grayson.

Veteran: G Hunt.

Super Veteran: M Haw.

Junior: S Meachen

Merseyside Champion: K Prince.

Lancashire Champion: S Bulcock.

Veteran: M Shape.

Super Veteran: D Clapton.

We look forward to returning next year to this great shoot.

County News

Please note that the Gloucestershire CPSA AGM and Presentation of 2016 County Championship Awards is due to be held on Tuesday January 31 2017 at Gloucester Farmers Club starting at 19:30. To repeat an earlier message, we are all aware that many of you have strong opinions on various County matters; the AGM is your opportunity to air these with other like-minded (or otherwise) shooters. There is also always the option for anyone to put up their hand and take a more active role in County matters. I am well aware that shooting is a singular sport, however we do have many opportunities for team involvement at County level in most, if not all, events. It is hoped that more of us can be encouraged to participate in as many as possible of the events that the County holds.

We request all 2015 title holders to please return the cups, shields and the like to Steve Clarke or Ian Coley's Shooting School so that they may be prepared for the awards night.

Events

The shorter days have seen a drop-off in events – I think the Trap boys do indeed need to hibernate – but the hardy Sporting shooters plough on. None more so than Joanna Herbert who, despite having the odd day off from promoting Shoot Gear, dominated the C Class shoots at the Honesberrie Summer series. In the Gloucestershire C Class series final, Joanna wasn't to be beaten and a prize of a new Rizzini shotgun joined the numerous air rifles she had already secured.

2016 individual successes

In no particular order, here is a brief recap of some of the more notable individual performances of 2016:

Steve Boulter

It is with deep sadness that I have to report the passing of Hereford and Worcester member Steve Boulter. Steve passed away on September 16 after a short illness. He was mainly a Sporting shooter, but also enjoyed Skeet and DTL, and Steve refereed many Sporting shoots around the region (especially at Grange Farm). Our condolences go to his mum, his son, daughter, grandchildren, family, friends and shooting colleagues. He will be missed by many people.

Telephone entries are required (more information available on 01905 620237) for 50 reg Skeet Doubles and 50 reg Compact Sporting. We will also hold a 50-bird non-registered ABT, starting at 10:00. At approximately 15:00, lunch will be available at the Leaking Well and will be a two-course carvery lunch at £10.99 per person. To book for the lunch, please contact Pat Smith on 07969 452580. The AGM will then take place and a new committee will be elected for 2017. If you are interested in joining the committee, please notify a current committee member. The 2016 County Championship Awards will then take place and, if you have an award to collect, it would be wonderful to see you there to receive it.

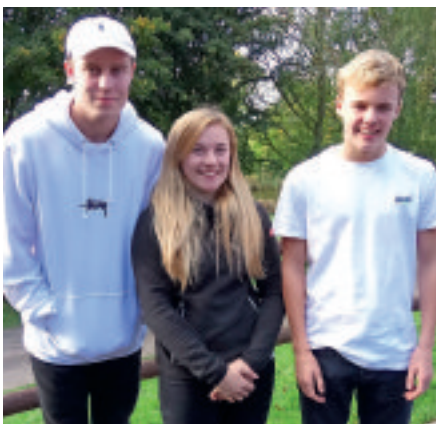

Oct 9: National Inter-counties ABT – Beverley CTC

The H&W team members were greeted on arrival at the ground by a fresh but cloudy day with the sun occasionally revealing itself – much to the delight of all the shooters. H&W were on the first wave of squads out at 09:00 and faced some challenging targets to say the least, with the clays exiting the trench in dark shadows. Nevertheless, all of the team members performed extremely well.

Noteworthy scores include Rod Davies (86 ex 100), Jo-Ann Allen (85 ex 100), Richard Allen (84 ex 100), Andy Foxall (78 ex 100), Craig Miles (69 ex 100) and Mike Lloyd (68 ex 100). H&W did not make the podium but, even so, a great time was had by all. Many thanks go to all of the team members for making the journey and to Kelly for supporting Rod. Our thanks must also go to all the staff at the Beverley CTC for staging the competition. *Andy Foxall.*

Oct 15-16: National Inter-counties English Skeet Championships – Doveridge

H&W shot on a beautiful, warm and sunny Saturday

and everyone was in excellent spirits. Luke Sanders, Richard Allen, Emma Parkinson, Graeme Walker and Ian Parkinson all finished on a 95 ex 100, and a special mention goes to Richard Allen who managed a personal best. It wasn't until Sunday evening that we found out our Veterans Graeme Walker (95 ex 100), Ian Parkinson (95 ex 100) and Ian Currie (93 ex 100) had won the national Veterans title on 190 ex 200. The Juniors were runners-up, with Emma Parkinson (95 ex 100), Brandon Smith (94 ex 100) and Archie Parker-Smith (86 ex 100) finishing on 189 ex 200. The other good news was that Emma had won the national Ladies title with her 95 ex 100. The Ladies team came sixth and the Seniors were 12th, so this was a very good weekend for H&W. Very well done to all our members and thanks for their support. A very big thank you also goes to East Midlands Regional Director John Martin.

County Championships 2016

Our thanks go to Park Farm, Gloucester, Griffin Lloyd, Longridge, Mid Wales, Rugby and Westfield for holding our County Championships in 2016.

We are always looking for news and photos, so please get in touch if you have anything of interest. You will find full reports on the H&W website.

H&W would like to thank all of our members who supported us in 2016. Have a great Christmas and we look forward to seeing you all in 2017.

Wilkinson Sword

After lots of hard work retrieving trophies that have been lost or misplaced over the years, we have managed to find the Wilkinson Sword. It was decided that the Sword should be shot for, as it was back in the 80s and 90s, in an All-Round event.

The event was held at Fauxdegla Shooting Ground on November 13. There was a good turnout for Shropshire – 25 entries all challenged the victory. This year's Champion was Dave Harley who shot a brilliant 90 ex 100. Dave was closely followed by Graham Evans on 89 ex 100 and Stu Burgess on 88 ex 100.

By the time you read this, all the Christmas goodies, puddings and scotch will be all gone. Well, at least the Christmas scotch, anyway...

Oct 15-16: Single Barrel – Cambridge Gun Club

Held over the two days to give all a chance to attend it, the Saturday gave us the nicer weather. It was a really nice day, the wind was non-existent and the sun came out to play – perfect conditions to shoot. Some took good advantage of this to put in good scores and the best of the day was

Above: D Mclean, Single-Barrel County Champion 2016

D Mclean, finishing on a great 96 ex 100. He also achieved one of only two 25-straight all weekend.

Sunday was a little bit more challenging. T Jones shot 93 ex 100, just a few short, and won second overall and Veterans. Ladies was won by E Cook and, alas, we had no Junior or Colt entries. The Overall winner and County Champion was D Mclean on 96 ex 100.

Thanks to Cambridge Gun Club for all the tireless work they have done to help the committee put on the Championships for you all, and to all of the grounds that have been involved in holding Championships.

ZZ – Rugby and District

This was the last of the Cambridgeshire Championship for 2016. There were 18 entries in all and six were from Cambridgeshire, which is a good turnout for this discipline. Good shooting by all, with three finishing on 23 ex 24 for the High Gun honours. The final High Gun this year was K Flitton, with Ladies and Veteran Champion Michele Conway one target behind. Thanks to John Nightingale and his staff for a nice day with entertaining shooting at Rugby and District – long may it last.

2016

Last year was a mixed year for Cambridgeshire shooters, with disappointments and some very good achievements. The Inter-counties team win at Sporting sticks well out in front, with all the team members led by Steve Grant shooting their socks off. This is always a satisfying win and is one of the best-attended shoots of the year. Not all counties have a win, so to get the top spot at Sporting was a good achievement and one we are all proud of. Many thanks, lads.

We were also at the front of the pack in the ABT; not quite taking the honours but well up there and in the runner-up spot until the death. Again, very good shooting lads.

Our Ladies also came to the front with some wins and some very close encounters. We even fielded a 12-year-old Ami Hedgecock, who shot a 23 at ABT. Now, that is some shooting for anybody, let alone a very young person like that. I watched it and that was exciting!

Apart from the team shooting, we had record

ELEY

entries at Sporting and All-Round for our County Championships. Long may that continue.

Our Supreme Championships for 2016 are now complete and the winner after a very close tournament was Chris Morris. That's not for the first time, I might add, but he was pushed all the way by Philip Barnard who finished a few targets behind. After nine shoots, that is a close finish. Very well done to you both.

When you read this, the 2017 Committee will have been elected and I would like to think they will carry on the good work started in 2016 with the training days and taster sessions, workshops, the 100 Club raffles and all the other things to get new shooters into the sport. All these would not have been possible without the full commitment of Karen and Mick from The Cambridge Gun Club and I would like to thank them both for their commitment to the County during 2016. Following on from that, I do know our work has increased CPSA membership in Cambridgeshire according to HQ.

Our not-so-good bits? Well, the calendar was so packed that we missed some of the National Inter-counties fixtures after clashing with our own championships and some clashed with the East Midlands Inter-counties. We will no doubt have to try harder in that area next year.

I would like to say Happy New Year to you all, and I hope you and yours all have a good one. I look forward to seeing you all on the grounds.

The final couple of months of the 2016 season were something of a whirlwind, with a team event on nearly every weekend throughout September and October. We have been able to field teams not only in every East Midlands Inter-counties event, but also for the National Inter-counties Skeet, ABT and All-Round events as well. Such was the enthusiasm that Pete Atkin shot in the ABT team for the EM event at Nottingham in the morning and then shot (no pun intended!) over to Northampton to participate in the All-Round team for the National event in the afternoon – and, I might add, scored very well in both disciplines. Our team managers work very hard putting the teams together, but our success is also very much reliant upon the dedication of our members and we thank both team managers and members alike for the effort you all put in to support the County.

East Midlands Inter-counties ABT

With the East Midlands Director's Trophy in our sights, we needed to score well but, alas, it slipped away. I would like to say "We wuz robbed," but the

Nottinghamshire team were on such sparkling form that they made themselves untouchable and we congratulate them for a job well done. For those not familiar with the Director's Trophy, this is an award that runs as an add-on to the East Midlands Inter-county shoots. The Inter-county competition produces a winning team in each of the four categories, but then the top eight scores (six for ABT and FITASC) from each team, regardless of category, are extracted and added to give a total. The County with the highest total is then given eight points, the next seven and so on. These points are then accumulated across the six Inter-county shoots to find the winning County for the purpose of receiving the Director's Trophy award.

National Inter-counties Skeet

This is the first time we have entered a national Skeet team and, all in all, we didn't do half badly by finishing sixth out of 11 teams. The team's scores were Doug Moore on 96 ex 100, Pete Atkin on 95 ex 100, Andy Harvey on 95 ex 100, Chris Bone on 94 ex 100, Eric Cundall on 94 ex 100 and Phil Thomas on 87 ex 100. Depending on the location of the event next year, we hope to enter teams for all categories if we can.

National Inter-counties ABT

It was our Veterans team who came the closest to glory on this occasion. Dick Cooper, Dave Shepherd and Paul Stennett were edged out of the runners-up slot by just five clays.

National Inter-counties All-Round

Unfortunately, the Veterans team of Paul Briggs, Martin Taylor and Brett Aisthorpe were just edged out of the medals by Essex.

Lincolnshire CPSA AGM

The AGM will be held at the Turnor Arms, Market Place, Wragby on January 25 2017. As usual, we will be electing the committee for 2017 and I would like to take this opportunity to invite anyone who is keen to promote and improve our sport and the County to join us. Unfortunately for us, Jan and Leanne Powell have relocated to North Yorkshire and so will no longer be committee members. Their help was invaluable and we thank them for the contribution they made. We will undoubtedly struggle without them, so please help if you can.

In addition to AGM business, we run a free raffle so anyone who attends has a chance of winning a hamper. We will also present the Supreme Champion awards to 2016 winners Steve Smith, Andy Harvey, Tracey Bridge, Tom Mead and Mike Burton, and hot food will be served after the meeting. The meeting will start at 19:30 and is open to all members, so please come if you can.

I hope you have all had a very Merry Christmas and I wish you all a happy and healthy 2017.

Hello again to all of our readers. Well, the season is almost at an end and I hope that you are looking forward to the Christmas celebrations and all of those presents that we are hoping to get from Santa.

First of all, congratulations to one of our new Junior Sporting shooters – Bobby Murray. He got himself into a shoot-off final at Honesberrie on October 30 and decided, since he was there, he might as well win it and took home a Rizzini shotgun. He must have shot well because there were 190 shooters in the final and, because he felt up for it, he went along to Grange Farm as well and won B Class with an 87 ex 100 at a later event. I'd want to win the World Championships with a score like that! Well done, and we'll keep an eye out for you next year...

Congratulations also go to every one of our shooters in Ladies, Seniors, Juniors and 'Dad's Army' who gave up their time to partake in our many County Championships. There were also many shooters who received their first-time County badges and the many shooters of yesteryear who filled the veteran teams and gave the young pups a good run for their money. As far as we are concerned, you are all winners and a thousand thanks to you all. We'll continue the fight in 2017.

Here are the L&R shoot venues for 2017:

I would like to take this opportunity to thank all of the shooting grounds that hosted our Championship shoots during 2016 and those that will be hosting them in 2017. We most definitely can't do it without you! Thank you.

First of all, I would like to wish you all a Happy New Year and congratulate every member of Team Nottinghamshire 2016 for playing their part to enable our County to win the East Midlands Directors Cup for a second time. Well done.

Supreme Champions 2016

Overall Champion sponsored by Redhill Garage: Pat Dickman

Senior Champion sponsored by Nottingham and District GC: Ricky Croshaw

Ladies Champion sponsored by SB Trophies: Megan Gamble

Super Veterans Champion sponsored by Miller Solutions: Ken Rimington

Colts Champion sponsored by Nottingham Sporting Clays: Tom Tristram

Oct 9: Neil Kaye Memorial DTL – Nottingham and District Gun Club

The winner on the day was Dave Hinchliffe courtesy of a 100/297, which was excellent shooting given the conditions. Juddie Hanson, his partner in crime, took the victory in Ladies while Maurice Beedan and Jonathon Knibbs were winners in Veterans and Juniors respectively. As always, Neil was fondly remembered throughout the day by those who knew him.

Oct 9: Lol Pinch Memorial Sporting – Nottingham and District Gun Club

Keith Roe was the first contender on the scoreboard with his early 59 ex 70, quickly followed by Barry

Fox breaking the 60 mark with a 61 ex 70 and setting the bar for the rest of the shooters. Barry's score stood for a long time until the afternoon squads began rolling in. A squad consisting of Steve Pinch, Ken Rimington and one of Lol's old shooting friends Bryan Hawley returned their cards, with Steve scoring 62 ex 70 but Ken edging him by one clay. Paul Hallam matched Ken's 63 ex 70 on the very last squad to force a shoot-off, which Ken narrowly won by nine to eight, leaving Paul the Veterans honours in the process. Liz Shanks continued her stranglehold on the Ladies, taking home the silverware for the fourth consecutive year, as local lads Tom Tristram and Matt Hall won the Juniors and Colts. Our thanks go to Steve Pinch – without him, this event wouldn't be what it is.

John Bates Memorial DTL

The John Bates Memorial was won by Gerald Sweet following a shoot-off on 100/298 after making the long journey from Somerset. Mike Brookes continued his good form to win the Veterans title, as did Juddie Hanson in the Ladies category. Leicestershire lad Kyle Humphreys rounded off proceedings by taking the Junior High Gun.

Belvoir DTL Championship

A turnout of 58 shooters attended the long-standing Belvoir DTL Championship in early November, where Jason Linnel emerged triumphant in what can only be described as rough conditions. The Ladies, Juniors and Veterans categories were won by a trio of previous England team members – Charlotte Kitchen, George Lewis and Ken Rimington. Thank you to Carl and his staff for their efforts in the horrendous weather.

Belvoir Skeet Championship

Gary Cooke required a sudden-death shoot-off to shake off his close shooting friend Steve Leppington after both scored the perfect 100-straight plus 25. Although Steve lost the High Gun prize, he did have the consolation of retaining the Veterans Championship. Julie Havill also had to endure a shoot-off to win Ladies as Northumberland's Liz Shanks matched her 97 ex 100. Tom Tristram was the Junior winner and the only winner from Nottinghamshire.

Sep 25: East Midlands Inter-counties All-Round – Northampton SG

Suffolk are no strangers to this competition, having some very good multi-disciplined shooters, and so once again came out as winners with 536 ex 600. We had a strong top three of Darren Parsons, Rob Butters and Peter Mayhew who all scored 92 ex 100, so well done to them and to all of the team for their efforts in bringing another title back to Suffolk.

Oct 1: Suffolk Sportrap – High Lodge

A faithful group of shooters turned out for what started off as a bright, sunny day. Unfortunately, it had a sting in its tail and the last two squads were caught in a thunderous downpour. The shooters on layout three had the pleasure of sheltering in the new trap house, but those shooting Plantation on layout four were not so lucky. There was a tie for High Gun between Eric Chapman and Chris Willis on 94 ex 100, and Chris won the shoot-off to take the title of Suffolk Sportrap Champion and Veterans into the bargain. Congratulations to Chris for getting a new name on the shield. The Ladies Champion was Pauline Chapman with 90 ex 100, the Junior Champion was Aaron Harvey with 94 ex 100 and Colts went to Charlie Soanes with 75 ex 100. AA Class went to A Harvey with 94 ex 100, A Class went to A Jude with 91 ex 100, B Class went to D Duval with 86 ex 100 and C Class went to L Phillips with 88 ex 100.

Oct 22: National Inter-counties All-Round – Northampton SG

Having won the East Midlands Inter-counties All-Round, Suffolk progressed to the National Inter-counties and went back to Northampton SG again for this competition. It's starting to feel like home ground for the Suffolk side! Unfortunately, we let that advantage slip and the home team beat us by three places. It was all very close, as

Above: John Bidwell presents Chris Willis with the Suffolk Sportrap Championship and Veterans trophy

Northamptonshire won with 446 ex 600, Suffolk were runners-up with 443 ex 600 and Essex were third with 440 ex 600. Rob Butters was Suffolk's High Gun on 93 ex 100, closely followed by Richard Clement-Smith and Stuart Smith on 90 ex 100. Once again, thanks to the rest of the team, and Team Captain Dennis Meekings would like to thank all of the shooters who took part in these events and the Suffolk competition.

Oct 23: Suffolk Super Sporting – High Lodge

The Suffolk Champion is Paul Simpson with 96 ex 100, the Ladies Champion is Pauline Chapman with 82 ex 100, the Veterans Champion is Eric Chapman with 90 ex 100, the Junior Champion is Tom McGregor with 82 ex 100, AA Class went to Paul Simpson with 96 ex 100, A Class went to Peter Simpson with 92 ex 100, B Class went to Peter Hurst with 92 ex 100 and C Class went to K Reeve. This was great shooting from Peter Hurst, who must have had three Shredded Wheat for breakfast. On behalf of the Suffolk Committee, I would like to thank John Bidwell and all of his staff at High Lodge for running this and the Suffolk Sportrap.

To set the record straight, it was Robbie Manning who won the Single Barrel with 47 ex 50 and not RJ Houghton, who is from Norfolk. Also, when the Essex versus Suffolk Challenge took place, Darren Parsons was the Essex Challenge winner.

As this goes to print, a date has not yet been set for the Suffolk AGM. Please watch the Suffolk website and CPSA main page for the date.

This is my last column for Pull! and Graham Cave will be taking over next year. I would like to thank all of the people who have contributed over the past two years and, as one last request, can I please count on all you Suffolk shooters voting for me as Disabled Shooter of the Year? Thank you.

South West

Ian Stones

ian@irstones.fsnet.co.uk

sites.cpsa.co.uk/south-west

After analysis of the figures for the South West Inter-county Championships and South West Championships held during 2016, it is glaringly obvious that the format for next year will have to change to ensure that competitors in the region have the opportunity to attend shoots and that the numbers for these shoots are financially viable for venues.

It seems likely that the disciplines to be shot will be reduced from this year and that some separate Inter-county and SW Championships will prove to be more successful than joint events. The number of trophies we award will be restricted as well to make sure we can balance the books. The number of venues available in the region is fairly restricted, so this will make the task of next year's committee even more difficult.

Details of these changes will be announced early next year after the first SW committee meeting has been held. Your County secretary will have this information as soon as the details are known.

The South West Region AGM will be held at the George Albert Hotel, Wardon Hill on February 24 at 19:30. Everyone is welcome to attend and voice their views and opinions. Christmas is before that, so best wishes to you all and good luck with your shooting.

Oct 22: Avon FITASC Championship – Meadowcroft SG

Held at the rapidly developing and expanding shooting facility at Meadowcroft Farm owned by Dave Woolcott, shooters travelled from throughout the region to shoot at this Avon event. A high percentage of the shooters were from Avon, and some were shooting the discipline for the first time.

Target setting for the event was masterminded by local top international shot John Poole, and John was assisted by Dave Clifford, Sean Ponting and Dave Woolcott. The four layouts certainly had testing variable targets that challenged all of the shooters, with the rising rabbit on Meadow Layout being particularly challenging due to starting horizontally before rising uphill at speed and at a 45° angle.

The Avon Champion this year was Robin Heal with a magnificent 78 ex 100, which made him an Avon triple champion for 2016 after he previously won both the English Sporting and Sportrap events. The next five Avon shooters could only be separated by four shots, with Simon Craddock taking the runners-up slot on 72 ex 100, followed by Dave Clifford and Mark Baggio on 71 ex 100 and R Lane and Tony Ellis on 69 ex 100. Ken Young took the High Gun honours and cash with 80 ex 100.

Helice Champion Mal

Mal Grant was part of the GB team that attended the World Helice Championships at the start of October. The team of 25 competed against a field of 411 shooters over a three-day shoot. Mal shot a new Club record of 28/30 to secure a shoot-off for the title against an Italian. Mal came away with silver and a fantastic trophy. Cairo proved to be the best ground and most well-organised event that Mal has attended in his 12-year Helice career.

FITASC victory

The Inter-counties FITASC was held at Purbeck Shooting School on a dry autumn day. Graham Brown had set the course, which was to run under the 'new system', and Devon, Cornwall, Dorset, Somerset and Hampshire all fielded teams.

Above: Hampshire FITASC

Left: Mal Grant, World Helice Cairo 2016

Andy Moon's 93 ex 100 was enough to take the Overall High Gun and South West Championship title – Shaun Stacey and Luke Elliott both fell short by one clay. Emma Stacey took the Ladies and Juniors South West titles with 83 ex 100 and Colin Jago claimed the Veterans title with his 90 ex 100.

With all the layouts running on a tight schedule, the teams were shooting each layout back to back. Only the final tally-up at the end of the day would highlight the winning team.

The final team scores were: Devon on 518 ex 600, Dorset 517 ex 600, Cornwall 515 ex 600 and Somerset on 529 ex 600 – all short of Hampshire's 531 ex 600, giving us the Seniors title for another year. The Somerset Ladies team won with 146, beating our Hampshire Ladies team of Carole Sawkins and Diana Gordge. Somerset also won the Veterans.

Hampshire's qualifying scores were Luke Elliott 92 ex 100, Des Sturgess 90 ex 100, Roger Deacon 89 ex 100, Phil Marks 88 ex 100, Neil Locktons 88 ex 100 and Steve Watts on 84 ex 100. Rick Stala, Sean Gamblin, Ben Gordge, Richard Warwick, Jordan O'Donnell (new to the Hampshire shooting team) and Duncan Morrison completed our squads. Steve, Rick and Duncan also formed the Veterans team.

SCCC team shoots are back

The South Central County Championships are back and bigger! The format for the 2017 Team Championships will remain the same as in 2016. Each County joining the Hampshire borders is

invited to enter one team of five – the five best team members to represent their County. The best shots per discipline are picked by each County's CPSA Committee, with six disciplines to be represented in 2017.

The Supreme 2017 County Committee will receive a whopping £750 and the runner-up County will get £250 to spend any way they wish on their members. The winning County's team of each event will also receive a large, silver team cup to keep for the year. This year, each winning team will also have its entry fee refunded.

In 2016, Dorset ran away with all four discipline cups, collected all the silverware and received a £500 bonus. Who will win this year?

Supreme Champion

The Hampshire Supreme Champion title was collected by the Hampshire CPSA Chairman Ben Gordge, who racked up an impressive 48 points. Many of the Olympic Trap discipline points were collected at Owls Lodge, something that won't be possible in 2017 as Richard has removed all the traps to make way for a Sportrap layout.

Thank you

Ben and the Hampshire committee would like to thank everyone who took part in 2016's competitions. Many thanks also to all those that have sent in pictures and scores – without you this page would be blank. We all hope you are enjoying the break and have had a great Christmas and New Year so far. We look forward to seeing you supporting the shoots in 2017.

Christmas should be all but over and done with by the time this hits your doormat so, on behalf of the Somerset Committee, I'll take this opportunity to

wish all our Somerset shooters a Merry Christmas, a very Happy New Year and all the best for 2017!

With all the South West and Inter-county competitions having finished and the remaining competitions winding down for the winter months, it would be useful to cover how Somerset did as a County in 2016. The County Champions for this year were as follows:

Julian Fairburn (All-Round), Ed Ling (ABT), Gerald Sweet (Double Rise), Gerald Sweet (DTL), Ed Ling (Olympic Trap), Gerald Sweet (Single-Barrel), Ed Ling (Universal Trench), Adrian Wogan (English Skeet), John Pool (English Sporting), Pete Dennett (FITASC Sporting) and Pete Dennett (Sportrap).

In addition to the County Championships, the highlights from the Inter-counties results are: the Somerset Seniors were first in Olympic Trap; the Somerset Veterans were first in DTL; the Somerset Seniors were second in English Skeet; the Somerset Seniors, Ladies, Juniors and Veterans were all first in English Sporting; the Somerset Seniors were second in ABT; and the Somerset Seniors were first in Universal Trench.

This year, the Somerset Committee would like to thank the following businesses for sponsoring the Somerset team polo shirts: Podimore Shooting School, Brook Bank Shooting Ground, Coombe Farm Sporting and West Country Guns. We have had positive feedback from those Somerset shooters who received a polo shirt for the Inter-county team events.

The 2017 Somerset AGM will be held at the Pipers Inn, Ashcott (TA7 9QL) at 19:30 on January 16 2017. All Somerset shooters are welcome to come along and have a free drink with the Committee and let us know your opinions, suggestions and feedback – all are valued. There's also no need to worry about being press-ganged into joining the Committee for 2017 unless, of course, you want to! Just remember to bring your CPSA membership card.

Well, that pretty much wraps up all the news that I have. All the best for the New Year!

AGM? If you can't make the AGM but would like your views represented, please drop me an email (a short one, please!) and I'll do my best.

I hope to have more to talk about in the next issue but, for now, I wish you all a successful 2017 and, once again, a massive thank you from the committee to the sponsors, grounds, trappers, referees and sandwich-makers who all helped to make 2016 the successful year it was.

Oct 9: Wiltshire Sporting Challenge – Gunsite

At the end of the day, we awarded 27 prizes which ranged from £50 and 250 cartridges to a set of Teague chokes. Not all of these have been collected, so please check the website. From the feedback so far, this was a success and we plan to do it again in 2017.

Oct 30: Wiltshire Olympic Skeet County Championship – Gloucester Clay Club

Ten shooters from Wiltshire took part. Ryan Whatley won the Junior County title and County High Gun with 85 ex 100, Rob Mellish won the Senior title with 69 ex 100 and Pauline Stokes won Ladies with 37 ex 100.

Oct: 15-16: FITASC Sporting South East Inter-counties Championship – Southdown Gun Club

There was a good entry but strange, unsettled weather for this championship. One moment it was pouring rain down, the next it was sunny and hot! Johnny Johnson, Chairman of the region, was in attendance.

The Champion, with 94 ex 100, was Karl Field from Oxfordshire. The Lady Champion, with 82 ex 100, was Pet Easton from Oxfordshire. The Junior Champion, with 82 ex 100, was Henry Young

from Oxfordshire. The Colt Champion, with 79 ex 100, was Amy Easeman from Buckinghamshire. The Veteran Champion, with 82 ex 100, was Ian Schwier from Essex.

It was almost a complete whitewash from Oxfordshire!

Seven County teams competed in the team event. Once again, the Oxfordshire team (consisting of Roy Cherry, Matt Hance, Kirk Bridges, Henry Young and Karl Field) emerged as the winner. Buckinghamshire was in second place and Surrey was third.

My thanks go to Southdown for holding this event on behalf of the South East Region.

Oct: 16: Olympic Trap South East Inter-counties Championship – NCSC

The strange weather continued, yet we had a good entry of 63 competitors and five full County teams.

The Champion, shooting a mighty 93 ex 100, was Maciek Bilkiewicz from Berkshire. The Lady Champion, shooting 78 ex 100, was Jessica Hayward from Berkshire. The Junior Champion, shooting 91 ex 100, was Nathan Hales from Kent. The Colt Champion, shooting 82 ex 100, was Michael Bovingdon from Berkshire. The Veteran Champion, shooting 86 ex 100, was Mike Wensley from Kent.

In the team event, the Berkshire team (consisting of Keith Kilvington, Alain George, Maciek Bilkiewicz, Craig Hayward and Michael Bovingdon) were the winners, shooting 427 ex 500 – just two birds ahead of Kent. Greater London was in third place.

The event went well and I think everyone had a good time – I certainly did! I would like to express my thanks on behalf of the South East Region to Barry, Jasmine and the team at NCSC for holding this event.

Following on from his successful CSF Games win at SW2000, Keith Kilvington was on the podium again at SW2000, winning the Welsh OT Grand Prix. So too was Berkshire's Micheal Bovingdon, who won the Juniors.

Meanwhile, closer to home, Glen Adaway won the 2016 Berkshire DTL Championship at NCSC and Alain George beat all to win the final shoot of the year – the Berkshire Skeet Doubles Championship, also at the NCSC. Nicola Heron won Silver at The English Helice Championship at A1 Shooting Ground and the Ladies South of England UT at Nuthampstead.

It was to be a successful weekend at the South East Olympic Trap Inter-counties event; Berkshire's Maciek Bilkiewicz was crowned the South East Inter-counties Champion, Jessica Hayward was the Ladies Inter-counties winner and Michael Bovingdon won the Colts Trophy. After a tense finish, the Berkshire Olympic Trap team won the Olympic Trap Inter-counties Trophy. Maciek also won the Berkshire Olympic Trap County Championship, Jessica the Ladies and Michael the Juniors, which ran alongside this event.

Although the wind chill was -5°C for the South of England Olympic Trap Championship at Nuthampstead Shooting Ground, Berkshire did extremely well. Jessica Hayward became the Ladies South of England Olympic Trap Champion and Michael Bovingdon the Colts South of England Olympic Trap Champion.

The Berkshire AGM will be held at St. Mary's School, Ascot, SL5 9JE on Wednesday February 15 at 19:00. All are very welcome and Supreme Trophies will be presented. It would be good to see someone from the Sporting side of clay shooting joining us on the Committee next year.

Sep 24-25: National Inter-counties ESP tournament

The National Inter-counties Sporting Championship was held at the Highwayman Shooting Ground in Suffolk. The shoot comprised 100 targets, shot on either day. However, both days were battered by strong, gusting winds,

making the targets ever trickier and catching out even the more experienced shooters.

The ever-consistent Ian Schwier tackled the course on Saturday morning, returning to the clubhouse with a very solid 86 ex 100, which was to remain the highest score of the Essex team. Our neighbours, Suffolk, claimed the top spot with a score of 432. Essex came fifth with a score of 397. Unfortunately, only seven counties entered teams for the event but there were more than 260 individual entrants over the weekend.

The Essex Seniors team: Ian Schwier 86 ex 100, Oliver Wilde 85 ex 100, Laurie Greenleaf 78 ex 100, Nigel Guilden 75 ex 100, Phil Dyer 73 ex 100 and Paul Burrows 72 ex 100. The Essex Ladies team: Nadine Gilder, Judy Lock and Amanda Foster. There were no Veterans, Juniors or Colts.

A special mention to Amanda Foster on being selected to shoot for the County for the first time. Well done Amanda!

A big well done to Simon Smith of Highwaymans Shooting Ground for putting on a first-class shoot that ran smoothly over the two days.

Oct 15-16: National Inter-counties Skeet – Doveridge

The Ladies team of Judy Lock, Diane Boutcher and Pam Dorrington won the National Inter-counties Skeet Ladies title by just one shot over Gloucester. The team's best scores were from Pam and Diane – both 92 ex 100.

The men's Senior team – Dave Pummell (who kindly stepped in following a last-minute cancellation by another team member), Chris Theobald, Ian Matthews, Keith Williamson, Dave Billington and Glen Defreitas – shot reasonably well to achieve a respectable 11th place overall. Dave Billington shot a very good 98 ex 100 – the best result from the team.

Sadly, the County was unable to enter Veterans, Colts or Junior teams in this event.

Essex Ladies triumph again

The Essex Ladies did it again by becoming the National Inter-counties All-Round Champions. The team of two – Judy Lock and Pam Dorrington – beat Northamptonshire by five clear targets, with Judy taking the individual Ladies High Gun.

The Senior team – Paul Brewster, Chris Orrin, Lewis Steed, Laurence Greenleaf, Robert Humphreys and Adam Cocker – tried its best to retain the title, but were just piped to the post by Suffolk and the 2016 Champions Northamptonshire. Well done to them.

The Veteran team – Bob Cooper, Peter Humphreys and Dave Bignell – came second to Bedford. Bob Cooper shot like a champion, beating his personal best on the ABT by three targets.

Well done to all who took part and thanks to Martine and all at Northampton GC for making the day so enjoyable.

Oct 15-16: South East Inter-counties FITASC – Southdown Gun Club

The Essex Senior team – Ian Schwier, Luke Riddington, Nigel Gilder, Laurie Greenleaf and

Happy New Year to you all and welcome to 2017! I hope you haven't overindulged in the festive activities and that you are ready and raring to shoot your way through another successful year.

This is the first edition of the year and many competitions have taken place; too many, in fact, to squeeze into this report. Instead, I bring you the long-awaited results of the Oxfordshire Challenge Trophy.

Nov 13: Oxfordshire Challenge Shoot – Northamptonshire Shooting Ground

This was a close call and it all depended on the final shoot, where 21 shooters braved the chill.

As part of this shoot, the results for the 2016 Oxfordshire All-Round Championship were as follows: first place went to Julian Freeman with 94 ex 100, second went to Chris Broomfield with 93 ex 100, third went to Matt Hance with 90 ex 100, fourth went to Steve Cox with 89 ex 100 and fifth went to Henry Mitchell with 86 ex 100. Congratulations to Julian for becoming this year's All-Round Champion.

The scores were so close, but this year's Oxfordshire Challenge Trophy winner is Chris Broomfield after his impressive shooting left him with just seven points accumulated over the disciplines. Second place was awarded to Julian Freeman with 13 points, third place went to Steve Cox with 14 points, fourth place went to Henry Mitchell with 15 points and fifth place went to Pete Farrell with 38 points.

Firstly, well done to you all. Secondly, thank you to all Oxfordshire shooters who took part in this year's Trophy Challenge. Finally, a big thanks to Martine and her staff for hosting the final championship of 2016.

Dinner Dance

The good news continues! After the great success of last year's Dinner Dance, I am pleased to announce that we are doing it again. The venue is the same and will be the Holt Hotel, Oxford Road, Steeple Aston, OX25 5QQ.

The cost will be £25 a ticket, which includes a delicious three-course meal. The presentation of all 2016 trophies and medals will take place, and we will end the evening with a disco. Rest assured,

there will be no live band this year and so no need to bring the earplugs with you. Please save the date: March 4 2017 at 19:30. Please show your support again – it will be a great evening. Tickets are available from Steve Cox at Banbury Gunsmiths on 01295 265819.

If you would like to see your achievements published and receive recognition for your great results, please email me your news and I will do my best to get it printed.

That just leaves me to say: happy and safe shooting!

Surrey Skeet Doubles – NCSC

Thirteen Surrey shooters entered the County Skeet Doubles Championship at the NCSC in Bisley in November. First place was tied between two of our Veteran shooters, Peter Rosic and Frank Arico, who both scored 93 ex 100. Just behind them in third place was Colt Jack Collier, who scored 92 ex 100. The top Lady was Katie Hancock with 89 ex 100, closely followed by Maddy Boyd with an 88 ex 100 which earned her the Junior medal.

Supreme Championship

The Skeet Doubles was the final Championship of the year and it decided the top places in our Supreme Champion competition. Hanging on to first place was Darren Cross, who finished with 61 points. Last year's winner Alex Cobb closed the gap, but had to settle for second place this year with 57 points. Paul Finney was third with 46 points.

In Veterans, Peter Rosic finished top with 38 points and leapfrogged last year's winner Peter Saich, who had to settle for second with 36 points. Frank Arico took third place. Sarah White retained her Ladies title with 30 points, while Maddy Boyd and Katie Hancock were second and third respectively. Maddy did, however, win the Juniors title and Jack Collier was top of the Colts table. Full details of the Championships and all Supreme points scored will be on the Surrey website at www.surreycpsa.org.uk.

Sussex shooters excel at World Helice in Cairo

Congratulations to Sussex shooters Ivor Dadswell, Charles Pomfret and Phil Negus for their outstanding performances at the 2016 Helice World Championships in Cairo. Ivor won Team gold and Individual bronze in the Super Veterans in both the World Championship and World Cup events. Charles took Junior silver in The Presidents Cup and Egyptian Grand Prix and Team silver in the World Championship Juniors event after a

mammoth shoot-off against the Egyptian hosts. Neither team deserved to lose as, one by one, each of the team members stepped up to do battle. Both teams were a credit to their respective countries: talented, polite and very professional – their conduct was impeccable. The gold eventually went to the local lads by a single target. Phil Negus, despite not winning a medal on this occasion, topped the 400-strong World Championship leaderboard after two full days of competition. However, he struggled to maintain his stunning form on the third day. It was an incredible international debut and a sign of great things to come from this talented Sussex shot.

AGM

Can any Sussex Shooters with trophies that need engraving please return them to Northall or Southdown so we can present them at the AGM on February 9?

AG Adjustable Gun Stocks

If your scores are inconsistent it may be because your gun fit is incorrect, most factory stocks are made to standard measurements, you may not be 'standard'. A fully adjustable comb which allows you to have consistent mounts may be what you need.

I also fit recoil reducers and adjustable butt plates.
Prices start from £150. Cheaper than changing your gun.
Fast turn around usually 3 to 4 days.

On the line

WE CAUGHT UP WITH CPSA COACH
SIMON ARBUCKLE ABOUT LIFE ON THE CLAY LINE

HOW DID YOU GET INTO CLAY SHOOTING?

I started clay shooting when I was 12 at Usworth Clay Pigeon Club in the North East doing my Master at Arms badge in the Scouts. My first instructor was a retired fireman called Fred Goscombe, then it was Keith Stoker, who I'm still in touch with.

HOW LONG HAVE YOU BEEN A CPSA QUALIFIED COACH?

I took my level one instructor course in November 2006 and qualified as a senior coach in September 2011. I now work as the Ground Manager and Head Coach at Southdown Gun Club and Shooting School near Worthing in West Sussex.

WHAT DOES YOUR ROLE ON THE CLAY LINE INVOLVE?

My role doesn't just take place at the game fairs. I work closely with Sam Riddington, Events Co-ordinator for the CPSA, and this starts well in advance of any fair. The selection of instructors is very important and in 2016 we tried to combine those with experience of working on clay lines with new clay line instructors to build up a pool to draw from around the country.

I usually pack the equipment we need, drive it to the site and set up, aided by instructors who will be working with me. When the clay line is open my jobs are numerous; I check the eye dominance of the clients and allocate them to an instructor, liaise with any organisations that have stands next to us, ensure the guns and ammunition are collected and returned for safe keeping, continuously check that ear and eye protection is being worn, and generally ensure that the line is running smoothly and efficiently.

At the end everyone gets involved in the take down, gun cleaning, tidying of the site and packing of the van before leaving.

WHAT DO YOU ENJOY ABOUT WORKING ON THE CLAY LINE?

Seeing the smiles on people's faces and hearing the cheers as they hit targets. We get people who come back year after year to have their annual shoot, but it is the first-time shooters of all ages, genders and physical abilities realising they can do it that makes the job so worthwhile.

WHAT'S THE MOST DIFFICULT PART OF WORKING ON THE CLAY LINE?

Dealing with such a diverse range of people and trying to keep them all happy. Ninety-nine per cent of the time it is the most rewarding job, but there are frustrating moments such as the person who knows

“

IT IS THE FIRST-TIME SHOOTERS OF ALL AGES, GENDERS AND PHYSICAL ABILITIES REALISING THEY CAN DO IT THAT MAKES THE JOB SO WORTH WHILE

it all and constantly interrupts the instructor while they are working, or that dog that always gets loose at least once a day!

ANY MEMORABLE MOMENTS FROM THE CLAY LINE?

The very young children shooting a .410 and hitting targets are always a good sight, but a couple of separate occasions stand out. Both times it involved young teenage girls who had clearly had a very bad experience with a shotgun. Someone in the past had made them fire a gun that was too big, too heavy and using a cartridge with a heavy load – this must have really hurt them and so made them scared of ever shooting again. By using a correctly fitted 20 bore with a light load and plenty of encouragement, they both overcame their fear and fired. The look of surprise and then relief, followed by a massive smile from both, still stands out.

WHAT IS THE ONE THING YOU ALWAYS SAY TO FIRST-TIME SHOOTERS?

Don't worry, enjoy it, you WILL hit a clay. ●
