# WELCOME

**I**t's hard to believe that we are almost half the way through 2023 already, spring is behind us, and we look forward to a glorious summer ahead – fingers crossed!

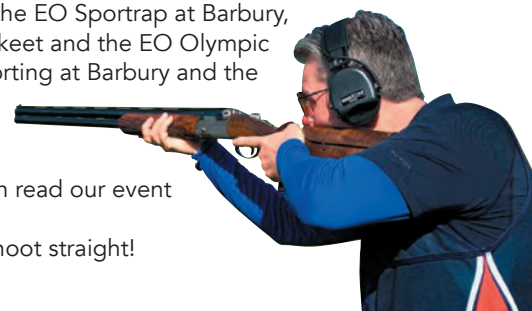

Our championship season is well and truly upon us, and we've already held the EO All Round and the EO ESK, both at Nottingham & District Gun Club, thank you to Carl and his team for running two great events. Congratulations to Tony Coulstock as the High Gun of the EO All Round winning outright and to Martin Walmsley as the EO ESK High Gun, shooting faultlessly to win a 3-way shoot-off without dropping a single target!

We also attended our first major Sporting championship during May, the English Open Sporting at Eriswell Lodge, but at the time of writing we hadn't completed the event so a full report will follow in the July issue. We also returned to the Northern Shooting Show in May, with our Clayline giving the opportunity to try clay shooting for the first time under the expert tuition of our qualified instructors, and I'd like to thank the team for their enthusiasm in sharing our fantastic sport with so many people.

June is an incredibly busy month for us with the EO Sportrap at Barbury, the DTL Weekend at Bywell, the EO Olympic Skeet and the EO Olympic Trap both at East Yorkshire, the EO FITASC Sporting at Barbury and the EO ABT at NCSC. July also sees the return of the World Sporting at E J Churchills from the 1-8th with teams from around the globe descending upon Buckinghamshire and you can read our event preview on page 25.

Wherever you are shooting, good luck and shoot straight!

## REMINDER: VISITOR'S SHOTGUN PERMIT

**A**s we gear up for our upcoming international events, we want to remind all participants that if you're planning to travel into the UK with your gun, you must obtain a permit in advance. This paperwork is crucial and must include a passport photo and details of your gun licence.

## ICSI OLYMPIC SKEET WORKSHOP

Members of the ICSI attended an Olympic Skeet workshop given by Frank Miller at the East Yorkshire Target Centre near Beverley.

Frank, who is a GB OSK Team Member and regularly coaches OSK, introduced the Institute members to the processes of coaching Olympic Skeet.

The delivery was of excellent quality and the information supplied, in handout format, being of informative and appropriate level to non and Olympic Skeet shooters.

Furthermore Frank's explanations and demonstrations during the classroom session were informative.

On Range Coaching took the same model as the classroom. Everyone participated in shooting Olympic Skeet Stations demonstrated by Frank, then all workshop attendees participated, under the watchful eye of Frank, who coached excellently, answering any questions that were highlighted.

This Workshop shows the ability of the Institute Clay Shooting Instructors in updating, transferring and sharing knowledge in all areas of Coaching, irrespective of discipline shot.

Please note that the application process for permits can take a minimum of eight weeks, and additional time for postage should be factored in. We don't want anyone to miss out on the excitement of our events due to not getting their permit in time. To ensure a smooth and hassle-free experience, we strongly urge all shooters to apply for their permits well in advance. We appreciate your cooperation in adhering to this important requirement, and we look forward to welcoming you to our upcoming events. Let's make it a memorable shooting season!

For additional guidance on the Visitor's Permit application process, please visit our webpage [cpsa.co.uk/visitors-shotgun-permits](https://cpsa.co.uk/visitors-shotgun-permits)

## THE GWCT WELSH GAME FAIR SET TO RETURN TO VAYNOL ESTATE THIS AUTUMN

**F**ollowing the success of the inaugural GWCT Welsh Game Fair last year which welcomed 10,000 visitors, organisers have announced that the event is set to return to Vaynol Estate in Gwynedd, North Wales on Saturday 9 and Sunday 10 September 2023.

As well as showcasing fishing, clay shooting, gundogs, game cookery, falconry, horses and hounds, rural crafts, food and drink, visitors were

treated to a wide range of attractions. Displays, live debates, shopping at hundreds of trade stands and family entertainment, all with a countryside theme. The event was also an important fundraiser for the Game & Wildlife Conservation Trust (GWCT), a charity that conducts vital research into Wales' most vulnerable species such as woodcock and sea trout. For more information, visit: [welshgamefair.org](http://welshgamefair.org)

## REGIONAL & COUNTY LEVIES

Recently a few members have asked about levies. Most regions and counties organise shoots to help select teams but also to raise funds in the form of levies. These levies are usually around £2 or £3 per shooter taking part as per rule 1.4 – 'Any levies applied by County or Regional Committees for their official championship shoots must be paid by all entrants irrespective of whether they reside within the County or Region.'

The money raised from the levies is used for many things including examples of the below:

- Trophies, medals and badges for winners of the regional or county shoot.
- Youth or Ladies days
- Help subsidise entry for team members into regional/major events

Please note that county and regional committees are made up of volunteers and they are not paid positions.

In regard to the CPSA we do not take levies unless the event is a selection shoot or a Major/Minor competition.

Any levies taken at an England Team event go towards sending the team to the Home International and World events. Levies for Major and Minors shoots help to run the event and supply any trophies/medals/badges.

## RIGBY ENGRAVER KAREN WALLACE WINS THE CARTIER AWARD FOR EXCELLENCE

Renowned London gunmaker, John Rigby & Co, is proud to announce that their talented engraver, Karen Wallace, has won the prestigious Jacques Cartier Award for Excellence, presented at the 2023 Goldsmiths' Craftsmanship and Design Awards. Karen entered a Rigby bolt action rifle magazine floor plate that she had made, which was beautifully carved with scrollwork.

The Cartier Award for Excellence is a national award that recognises exceptional craftsmanship and artistry in jewellery making and other related fields. Independent jewellers and artisans from around the world are invited to submit their work for consideration. Out of all the gold medal winners, only one piece is selected as the winner of Cartier excellence. This award has been presented for 65 years, but it has only been awarded 43 times, as it is only given if there is a clear winner that meets the highest standards of excellence.

Karen Wallace's winning entry is particularly noteworthy because it is the only time that someone has won with an item that is not made from gold nor silver. It is also the only gun engraving or anything related to gunmaking that has ever won the award. Karen's beautiful scrollwork on the Rigby bolt action rifle magazine floor plate impressed the judges with its exceptional quality and attention to detail.

## EAST KENT MASONIC CLAY SHOOTERS SUPPORT MEDWAY HOSPITAL

On 20 April Assistant Provincial Grand Master Richard Wingatt, Roger Wilkes Secretary and Bernie Connolly Chairman from the Provincial Clay Shooting Team visited the cold cot that the members of the East Kent Masonic Clay Shooting Team had donated to the charity Abigail's Footsteps at the Bereavement Suite at Medway Maritime Hospital.

They were greeted by members of the charity and bereavement team and said "It is one thing to be able to fund-raise and donate a cold cot but it is indeed very special to see it in place and to understand the back-story of why it is important and how it helps bereaved parents."

This cold cot and the private suite allows parents time to spend with their child that has suffered an infant mortality, and on hearing the back case of the need for these facilities become a startling reality.

Roger Wilkes, who is also the Hon. Secretary of the National Masonic Clay Shooting Society said "Today is a very special day to see and understand the outstanding work that both Abigail's Footsteps and the Bereavement Team undertake. It is both a sad and sobering thought as to why it is needed and we as members of the East Kent Masonic Clay Shooting Team and the Province of East Kent are immensely proud to help where we can"

Both Abigail's Footsteps and the Hospital Bereavement Team rely heavily on charitable giving in providing this service to help those in need and paid tribute for the donation of the Cold Cot.

## SOUTHDOWN GUN ROOM

**S**outhdown Gun Club is one of the most established shooting grounds in the UK, situated in the heart of the beautiful Southdowns National Park.

Although well known for its award-winning targets and facilities, the on-site gun room is not so widely known, despite being one of the largest on range gun shops in the Southeast.

The Southdown Gun Room has its own try a gun range, adjacent to the shop with five great targets to test any used shotgun on display, plus one of the largest demonstrator gun selections, including

the new Blaser F3, Beretta DT11 Sporter, Yildiz Pro Black to mention a few.

As well as being authorised dealers for Beretta, Blaser, Browning,

Benelli and Yildiz, we are also stockists of Hull and Fiocchi cartridges and always have a full range of accessories and safety wear in stock.

We truly believe that you should try a gun before buying and where better to do this than at a fully equipped gun shop on a shooting range, take advantage of our professional team and make sure that your new gun is a good fit, to give you the best performance in the field or on the range.

## MEL SEARLE 1948-2023

We are very sad to hear of the passing of Mel Searle on Saturday 1 April through a heart attack. He was an avid member of Sutton Bridge GC, the East of England Shooting Ground, and the Priory Clay Target Centre. Both Sporting Targets and Kibworth Shooting Ground featured in his trips away from Lincolnshire and Mel will be sadly missed by his many shooting friends. Our condolences to all of his family and friends.

# 2023 DOWN THE LINE WORLD CHAMPIONSHIPS

DTL England Team Manager **David Amos** reports back from the 14th World DTL South Africa at Valley Target Clay Club 29-31 March 2023.

**P**receding the DTL World Championships, the National South African Championships took place including the Mackintosh International Postal Championship for The Mackintosh Trophy where all of the Home Countries, South Africa, New Zealand, and Australia participated. Started in 1939 (introduced by Mr Donald Mackintosh a world renown shooter) it includes all the classes; the perpetual trophy is held in Australia and the event is administrated there too. In England we submit the scores from the Home Internationals. The disciplines included Handicap-by-Distance, Singles, Double Rise, and DTL gave the England shooters a good start.

Geoff Howlett won the 200 DTL High Gun Outright 299/291 and after a shoot-off with the New Zealand Junior James Sullivan went on to win the Silver in the ATA Singles. It went one full round then sudden death – halfway through the next round James dropped a target.

Paul Chaplow shot a cracking 100

singles on the first day which gave him a podium finish along with three other medals including the ATA Trap Overall High Gun (1687).

Other medals were won by Nigel Chapman (three medals), David Amos, (three medals) and other podium finishes included New Cap Lorrie Greening, Matt Sheldrake, Emma Holden, Cliff Pain, Clive Weston, and Ted Philipson (Universal Trap and Double Trap).

The DTL World Championship Opening Ceremony took place on Tuesday 28 March 2023 which started with a walk past with the National Anthems being played followed by drinks and some classy Canapes.

The start of the Worlds greeted the shooters with a real

hard blowy day affecting the targets all over the place, although bright sunshine which gave good visibility but on many targets it was the luck of the draw.

Somebody always does well whatever the condition and it came from the Welsh Shooter Elis Jones on 100/297 who took high gun on the day followed by Aussie Ashley Hawker on 296 then England Captain Nigel Chapman on 100/295.

We had one other shooter in the 90s that of Geoff Howlett on 291.

We had another six shooters from England in the 280 plus (including the Junior Toby Hurstfield) and the rest just a little off the pace.

All the teams were determined to do well the next day and get a podium place. The England individuals were also just a little off the pace. Tomorrow is another day as they say and we were expecting higher scores.

The next day the weather was just the same high winds and sunshine.

Elis Jones (Wales Senior) did one better shooting a lovely 100/298, Ashley Hawker (Australia Senior) posted a 100/297 and Mathew Stokes (Australia Senior) 100/298 kept the pressure on Elis, John Sleightholme 99/295 (Australia Vet) equalled Nigel Chapman's score after two days for Veteran.

The main Ladies contention after the second day was Bella Woolcock (Australia) 575, Jessica Robb (Australia) 568 and England Emma Holden 561. On the super final day Emma posted a 50/148 which kept her in touch with the silver, Bella was way out in front and Jessica was hanging in. In the last 25 targets the Bronze and Silver changed hands three times and up until the last target they were both equal and then Jessica missed her last target which gave Emma the Silver for the Worlds Ladies Runner-up title.

In Nigel Chapman's case on the Super Final day his rival, John Sleightholme and himself matched target to target until John dropped a half target which opened the door for Nigel in the last 25 targets and that's all it needed to clear up winning by a half the Worlds Veteran title. On the day Nigel shot 100/299 and John 100/298. Both finals kept us sitting on the edge of our seats. Nigel also won silver in AA class.

At the end of the second day the England Teams had done really well, the Ladies won the Bronze missing out by two points to take silver which included two new caps in the team.

The Super Vets missed the Gold by two points to take silver and the Vets took bronze. The Senior team came fourth a few points away from the Bronze. Best scores in the Seniors came from Geoff Howlett (569) and David Weston (866).

Welsh shooter Elis Jones carried on where he left off and shot a fabulous 100/300 to win the World Title on the last day, eight points away from his closet rival.

David Baugh from Wales won the World Super Vets title to keep Elis company. I should also mention the World Junior was won by Cody Brady with a total 869 (plus Gold in the team event) from Northern Ireland and Roan Quinn (853) the Bronze for Ireland (plus silver in the Team event. The Seniors team Runner-up title was also won by Ireland.

I would like the shooters to give themselves a pat on the back for putting themselves in these nerve-racking experiences on the world stage in this prestigious event especially the new caps. Team events are very stressful, in the sense, if a target or point drops

things start to play on your mind then it can go either way. All the team went the right way!

I would like to thank the England DTL Team and the dozen individuals who participated in the DTL Worlds, always very smartly turned out and who went about their business in a very professional way, accepting the targets as they were.

There was a real shortage of ammunition owing to the war in the Ukraine and transport costs to South Africa which led to the majority of shooters not shooting with their preferred shell. Despite the ammunition situation as well as a number of the England Team being 'under the weather' the Team performed really well (that old British bulldog approach)!

Lastly thank you to the Governing body CTSASA (Sarah Kalell) and the Valley Clay Target Club (Rob Henderson and Crew) for running a terrific shoot and the kindness they offered, nothing was too much trouble and when something did go wrong it was corrected immediately and thank you to Jenny in the office for not losing her rag as I pestered her constantly for printing, updates etc.

It's a long way to go but the DTL Worlds are coming home next year to Bywell.

All the teams were determined to do well

# ENGLISH OPEN ALL ROUND

**Matt Kidd** reports on the first CPSA championship of the year.

Over the weekend of the 15-16 April, nearly 100 shooters from around the UK descended on the Nottingham & District Gun Club for the English Open All Round Event; the first CPSA Championship of 2023.

Under grey skies and in bitter, challenging wind conditions, squads made their way around the ground shooting 25 clays on each of the four disciplines, starting with Single Barrel DTL, moving to ABT, English Skeet and finishing on English Sporting – the latter comprising four varied stands. Each of the disciplines was to be shot in accordance with their technical rules and regulations.

In the event of a tie, each of the discipline's titles were placed into a hat with one drawn at random to decide which discipline would host the shoot-off. On this occasion, Single Barrel DTL was selected, which ground owner Carl Smith described as: "Possibly the easiest of the four disciplines, with targets being much closer than ABT, for example, however the most challenging as you only get one shot which is all the more difficult when under shoot-off pressure." In the end no shoot offs for places were required though, with the top spots unchallenged and ties for any other places worked out via default.

Claiming overall High Gun for the weekend was Tony Coulstock (AA) who set a score of 98/100 on the Saturday, three

clays ahead of the next competitors, Richard King (AA) and Joakim Smith (AA). Veteran Champion Graham Elkington (AA) shot 92/100, with second place awarded to Russ Hufton (AA) with 90/100 and third place to Graham Stirzaker (AA) 88/100.

Lady High Gun, Junior Champion and A Class top shot Lucy Earl (A) set a score of 93/100, followed by Emma Stacey (AA) 88/100 and Olivia

Stevens (B\*) 84/100. Colt Champion Brae Taylor (C\*) shot 74/100 and Disabled Sitting Champion Paul Bailey (B\*) set a score of 76/100. B Class and C Class winners were Richard Croft (87/100) and Simon Scott (83/100) respectively.

To round up the day, Carl presented the awards to all in attendance and thanked the staff for their hard work in hosting another great event.

# ENGLISH OPEN ENGLISH SKEET

The three-day, English Open English Skeet finished in style. **Matt Kidd** reports.

**N**ottingham and District Gun Club hosted a second English Open event for the month on 28-30 April, this time for English Skeet. A total of 205 individuals from all over the UK, including ten teams of parent and child duos, set impressive scores over the weekend, requiring four shoot-offs to finalise the places.

Despite dramatically different weather conditions impacting the high and low birds across layouts 2, 3, 4 and 5 over the three days – gentle breeze to strong, gusty winds and even a torrential downpour – a clay or two was the only separating factor across top performers across all classes and categories.

Claiming the overall High Gun after a nerve-wracking shoot off and sudden death with Peter Chester (100 +25 +3) in front of a considerable crowd, was Martin Walmsley (100 +25 +4) who didn't miss a clay

throughout the competition. Overall third place was claimed by Daren Parsons who dropped one clay in the shoot off. The three other shoot-offs were for the Veteran High Gun, Veteran Third and Junior High Gun, won by Pat Dickman (99 +25), Niel Orr (98 +25) and Henry Lungley (98 +24) respectively.

First place in the other categories were as follows: AA Class, Phil Gray (100); A Class, Marcus Lord (99); B Class, David Friel (98); C Class, Ryan Fisher (95); Super Veteran, Martin Brister (98); Lady, Becky Kibble (99); Colt, Charlie Faulds (97); Disabled Sitting,

Ben Woodham (92); Disabled Standing, James Centre (86); Parent and Child, Marcus & Ethan Lord (197); and Side-By-Side, Harry Peart (94).

During the prize ceremony Carl Smith, Nottingham and District Gun Club owner heralded the staff who hosted nearly 50 squads across the three days without

# Z-TECH

Why Choose Zoli?

**3 FORGED ACTION & MONO-BLOCK** The action, trigger plate and monoblock form the foundation of the gun, all made using forged alloy steel. The trigger plate mechanism is independent from the action so does not sustain the stress and strain that could affect the adjustment of the firing mechanism. High adjustment standards are therefore guaranteed even under prolonged heavy use.

**BHB SYSTEM** The Zoli BHB system addresses the issue of weight and its location helping create the optimum dynamics to achieve perfect control of the shotgun. Zoli developed the first dynamic adjustment system specifically for a shotgun.

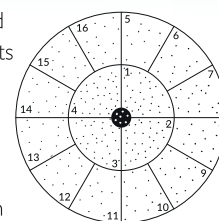

**2 SILVER SOLDERED BARRELS** Zoli was the first company in the world to develop an industrial process to silver soldered barrels. Advantages entail a more homogeneous assembly reducing micro-vibration up to 90%, superior strength and heat resistance with perfect and permanent point of impact. In addition highly durable chemical blueing can be used to maintain the appearance of the gun for years.

**1 TRIGGER GROUP** Most Zoli guns are fitted with a hand detachable Zoli designed locked system and loaded with powerful coil springs. All critical parts are treated with Titanium Nitride and main coil springs coated with self lubricating material for maximum corrosion resistance and wear. Hammers, Sears and trigger plates are precision CNC machined, specially hardened and ground.

**BALLISTIC PERFORMANCE** The refined ballistic performance of a Zoli shotgun is its most important feature which truly tells it apart from any other product. Excel your shooter experience with correct point and power of impact, homogenous shot distribution and shooting comfort through recoil management.

10 YEAR WARRANTY

*All Zoli Shotguns  
come with Edgar Brothers  
10 year warranty.*

**4 BOSS LOCKING SYSTEM** Consists of a split locking bolt that mates accurately with the locking lugs of the monoblock. The central position of the locking system compared to the monoblock axis ensures maximum tightness. The joint between barrel and action stands the test of time.

## ISSF ABBREVIATION

RPO	Ranking Points Only (do not qualify for finals)
RM	Ranking Match
MM	Medal Match

The fourth ISSF World Cup of the season was hosted in Cairo, Egypt, with approximately 347 competitors from 56 countries.

**Skeet Women:** Emily Hibbs. Skeet Men Ben Llewellyn, Mitchell Brooker-Smith, Freddie Killander. RPO Arran Eccleston, Hugh Westminster.

**Trap Women:** Lucy Hall, Georgina Roberts, Ellie Seward. RPO Abbey Ling.

Trap Men Nathan Hales, Aaron Heading, Matt Coward-Holley. RPO Steve Scott.

The Skeet and Trap events were each shot over three days, 50 targets on days one and two, 25 targets and finals on day three, so the athletes were in for a long haul.

Emily Hibbs was up with

the leaders lying equal second at the end of day two in the Skeet Women. A 21ex25 on the last day put her out of running for the finals matches by one target, but still finishing well ahead of some very good competition.

Mitchell Brooker-Smith, shooting a Beretta DT11/RC4 combination, put in a mammoth performance in the Skeet Men. There was one place left for the Ranking Matches (RM), and Mitchell won a six-way shoot-off for that one place, including beating team-mate, Freddie Killander World Ranking (WR) 17. and multi medallist Tammara Cassandro (ITA).

Shooting up against some big hitters in his RM, including WR number two, Gabriele Rossetti, Federico Gil (ARG) WR nine. Mitchell overhauled Erik Watndal (NOR) by the tenth target, to finish the first Rule Out stage three targets ahead of Erik, going on to finish the RM just

one target behind Federico Gil (ARG).

I asked Michell how he felt about the result: "I don't think I could have found form at a better time, I was RPO in the other three Senior events this year, this was the first one where I had the opportunity to make the finals matches, so I was very, very pleased."

A great result, so much so, he now has a WR of 22!

At the end of day two in the Trap Women, Lucy Hall and Georgina Roberts were lying equal eighth on 89ex100 but missed out on a chance for the finals by one target and two targets respectively.

Nathan Hales was the leading GBR shooter in

the Trap Men on 94ex100 on equal 12th, with Matt Coward-Holley on 89ex100. Nathan posted a 'straight' on the last day, enough to put him in the mix of a RM in fourth place.

Nathan did not make the MM, but he did push Hubert Olejnik (SVK) into fourth place.

It is some time since GBR has returned

from a

World Cup or Championship emptyhanded, however, there were still some good performances with two qualifying for their RM and some GBR team members only just off the pace.

# DTL WEEKEND PREVIEW

To be held at Bywell Shooting Ground in Northumberland on 9 -11 June.

**T**he DTL Weekend is set to return to Bywell Shooting Ground in Northumberland for the 13th consecutive year on the 9-11 June. As always, the three-day event comprises three separate championships – the Sponsored DTL, the Dougall Memorial, and the CPSA English Open DTL.

The Dougall Memorial is the jewel in the event's crown. It was first contested in 1896 and has been shot every year since, with the exceptions of 1915-1920 and 1941-1945 owing to the World Wars. It is dedicated to Mr I D Dougall, the first chairman of the IBSA (Inanimate Bird Shooting Association – the precursor to the CPSA) and was first won by Frank Izzard. At 127 years old it is probably the oldest championship in clay shooting.

The defending Dougall Memorial champion is Welsh shooter Elis Jones, who shot a superb 100/299 last year and is surely in form having just won the World DTL championship in South Africa! Elis' score was matched by Rob Hall from East Yorkshire Clay Shooting Ground to win the English Open DTL and who commented at the time that

"Everything went well – really well! Bywell have put on a great shoot, the targets were very good and consistent" – high praise indeed considering the challenging weather conditions last year!

The Sponsored day on the Friday was perhaps the most challenging weather conditions but that didn't stop Paul Chaplow BEM putting in the perfect 100/300 to take the title. We can't wait to see what this year's weekend will bring – three perfect 100/300 perhaps and the defending champions holding onto their titles?

The Henry family have been running Bywell for over 40 years now and always look forward to hosting DTL shooters from around the country. "We are delighted to be hosting the DTL Weekend for the 13th straight year and look forward to welcoming DTL shooters

from near and far for this great event."

Eley Hawk will return as a headline sponsor of the event, contributing to the prize fund and donating over 14,000 cartridges for distribution amongst the winners of across all three championships. Eley's Carl Weller tells us: "We are very proud to be sponsoring the DTL Weekend at Bywell Shooting Ground for 2023. It is a highly competitive event that we have been pleased to support for a number of years now, and as leading manufacturer of fine shotgun cartridges for clay shooting, it is one we always look forward to."

We also welcome back CPSA Headline Sponsor SWATCOM who are supporting the English Open DTL with Active8 Headsets for the winners of Super Veterans, Veterans,

Ladies, Juniors and Colts. Keith Foote, MD of Swatcom distributor

Talking Headsets UK, tells us: "The 2023 season is definitely up and running and we look forward to sponsoring our fourth CPSA Championship, the English Open DTL. I'd like to wish all those competing over the whole weekend the very best of luck."

This year we are delighted to welcome Browning, Schöffel and Le Chameau as headline sponsors and Browning have added a little extra spice to the weekend with the Browning Challenge, with five Browning shotguns up for grabs for the highest combined scores over the three days across the classes AA – C and Overall High Gun. You must shoot all three days though to qualify!" 🍌

# PREVIEW **WORLD ENGLISH SPORTING & SPORTRAP CHAMPIONSHIP**

A preview of the event at E.J. Churchill on 1-8 July.

**W**e are very excited and looking forward to the return of the CPSA/NSCA World English Sporting and Sportrap Championships at E.J. Churchill Shooting Ground from the 1-8 July. This true festival of shooting comprises four separate competitions, the main 200 target World English Sporting, a 100 target World Sportrap, a 100 target Registered Super Sporting and an open 100 target Prelim English Sporting, plus various additional pool shoots to really maximise your shooting enjoyment during the eight-day event.

The last time it was held here was in 2021 when Mark Winser was crowned World Champion, after winning a nail-biting super final in front of a hushed crowd against the backdrop of the stunning stately home and grounds of West Wycombe Park, home of Sir Edward Dashwood.

In 2022 the championship returned to the US at the National Shooting Complex in San Antonio, Texas and once again an English Shooter prevailed with a remarkable display of shooting from George Digweed MBE to take the title and also secure his legendary status having won a world championship in each of the last 5 decades!

Can the Americans cross the pond and take the title back home with them or will 2023 be a hat-trick of English wins?

We caught up with E.J. Churchill Managing Director Rob Fenwick who told us "We are delighted to be hosting this fabulous event again. There is a huge amount of work to bring it all together to produce an event worthy of being a World Championship and we can't wait to see everybody in July!"

CPSA CEO Iain Parker added "The last World Sporting in England in 2021 was just coming out of the pandemic and travel restrictions were still in place, so we are really pleased to see teams from the US and Europe returning this year to ensure a truly international festival of shooting".

We welcome back our generous headline sponsors Swatcom, Eley, and Gamebore and welcome for the first time as a World Championship sponsors, Browning, B&P, Schöffel & Le Chateau. We spoke to David Stapley, UK Country Manager from Browning who are contributing to the prize fund with cash and guns "We are

extremely proud to be headline sponsors for all of the CPSA Sporting championships for the next three years, but the World Sporting is the icing on the cake, and we are very much looking forward to being there".

We are also grateful to our additional event sponsors, Fine Shooting Accessories (FSA), Teague Precision Chokes and Promatic whose contribution all adds up to producing a magnificent week of shooting with an estimated prize fund of £100,000 comprising cash and sponsored prizes including guns, headsets, cartridges and more!"

# *Teamwork makes the* DREAM WORK

Clay shooting is not all about individual competitions, and as **Anita North** explains, you can represent your county or even your country in team competitions which provide great camaraderie and friendly rivalry.

**A**re you new to the world of clay shooting or are you a seasoned competitor? Have you ever thought about competing in this individual sport as part of a team? If you love clay shooting and relish the challenge of competing then why not do so as part of a team, particularly if it means you might have the opportunity to represent your country? For competitors in all pursuits there can be few greater feelings than stepping into the arena on behalf of a nation.

But let's look at walking before we can run. With summer around the corner the competition season is well under way so take a look at the calendar on the CPSA website to see the array of events from March to October. As well as a number of Championships, there are a whole host of competitions on the calendar – all in addition to the regular Registered competitions, Game Fairs, and Shooting Shows. There is a big world of competing out there available in clay shooting.

As well as the championships across the array of disciplines, there are also selection shoots – for England teams as well as for GB teams.

The CPSA selects teams for Home Internationals across seven disciplines – ABT, DTL, English Skeet, English Sporting, FITASC Sporting, Olympic Skeet and Olympic Trap.

### ARE YOU TEMPTED?

Interested in finding out more? Then check out the England team section on the CPSA website for lots of helpful information for each of the seven disciplines. Under each discipline you will find a brief introduction, fixtures and team information, selection process, selection event dates, and a link to a form if you wish to be considered for selection (this normally needs to be completed immediately after the last of any selection events) as well as team manager information. You will also find a link to the England team handbook, so you can check out eligibility, get an insight into what you can expect and what's expected of you as a team member.

England teams are mainly for Home International matches, although certain disciplines also have teams for other competitions including DTL and English Sporting, Olympic Skeet, and Olympic Trap.

Home International teams range from 17 to 40 members, depending on discipline. All teams include Seniors (nine to 20 members), Ladies, Juniors, Veterans, and Super Veterans members (two to five members in each category). In fact in Olympic Trap there is a Seniors/Open category instead of a Seniors category, which means that Ladies, Juniors, Veterans, or Super Veterans may qualify for this team.

### AGE CATEGORIES FOR HOME INTERNATIONALS

#### Junior

Under 21 on 1 January in the year of competition.

#### Veteran

55 or over on 1 January in the year of competition.

#### Super Veteran

65 or over on 1 January in the year of competition.

### A GREAT HONOUR

Each discipline has its own Home International, usually scheduled between July and September.

Generally a Home International is a one or two-day competition with a banquet and prize ceremony that includes official formal team photo moments. Often seen as a friendly competition, as with other sports, there is great pride and rivalry between teams at a Home International.

Each year the Home International moves around the home nations, so this year there are Home

International matches taking place in England, Ireland, Jersey, Northern Ireland and Wales, depending on discipline.

I am the team manager for the England OT Team for the Home International and for me it is a great honour. It made me incredibly proud when I got my first England cap for DTL and I have also represented England in OT. Writing this at the beginning of April, I'm really looking forward to the first selection shoot for this year's team at East Yorkshire Clay Shooting Ground. And the Home International will be at Nuthampstead Shooting Ground, home territory for me so an additional bonus.

So go on, give it a go and you never know where it might lead. Get competing this year and get team ready. 🍷

If you love clay shooting and relish the challenge of competing then why not do so as part of a team

...there can be few greater feelings than stepping into the arena on behalf of a nation.

### YOUR COUNTY NEEDS YOU TOO

There are county championships in a variety of disciplines as well as national inter-county competitions in DTL, English Skeet, English Sporting, ABT and All Round (check out the calendar on the CPSA website). Check out your local County Committee for more information on how to qualify. You never know, you could compete for your county at the National Intercounty Championships in September or October.

# SWATCOM

SWATCOM's **Keith Foote** tells us about recent developments at the hearing protection specialists.

**Q Tell us a little bit about what SWATCOM have been up to over the last 12 months, and what we can look forward to in the future?**

In the last year we have recruited more staff to enable us to provide even more support for our customers. We have also been refurbishing our demonstration and training facilities to help educate customers and resellers, which is proving really beneficial.

As for products themselves, the Active8 headset continues to sell very well and we have been developing

some new colour options that will hopefully be released soon. The SC20 electronic generic in-ear headset is being given a new casing and is undergoing an upgrade that will improve audio quality. This model – along with the SC21 passive in-ear model – is now available with custom-fit ear moulds and we are now offering the custom fit impression service ourselves. Our Slim Passive earmuffs have been given a major upgrade with the

popular GEL earseals fitted as standard, along with a new leather headband, and a vibrant pink cup colour option has been added for those that might want it. The MIL-Spec manufacturing quality and technology is proving it's worth investing in, and we continue to deliver high quality products with great customer care which is of paramount importance to us and helps to maintain SWATCOM as a leading brand in this industry.

We also like to support charities and fund-raising events whenever possible.

**Q Why do you think people should invest in SWATCOM devices?**

We can develop bespoke solutions unique to people or offer

out-of-the-box solutions that will increase safety and efficiency immediately. As manufacturers, we need to offer users a great choice of hearing protection so that people wear them all the time that they are exposed to harmful levels of noise. Our hearing protection range is expanding rapidly, so we can offer over-ear and in-ear, passive and electronic etc., with different models offering different features and benefits. Users can therefore consider what it is they need and find a product best suited to them.

**Q What have been the greatest achievements of SWATCOM shooters/ambassadors in clay shooting in the last 12 months?**

Our shooters have had some great results in the past year that we are very proud of – all the way from grass roots to the international stage – however it would be wrong of me to single out only a few names. We are very committed to supporting shooters at all levels within this industry, and feel it is important that we support young, up-and-coming shooters and not just the elite. We also like to support charities and fund-raising events whenever possible. Young shooters and people who are new to the sport need access to equipment, tuition and the opportunity to shoot, which all costs money and takes a lot of time, which can be hard on parents. I hope the funds and products we put into this sport help the youngsters have a greater chance of participating and most of all enjoying the time they spend shooting.

**Q Who are the ones to watch and in what events in 2023?**

Charlie Faulds is now teaching his dad a few tricks so must be one to watch out for in the sporting disciplines, and Chip Smith seems to get better with age at FITASC, while Steve Scott is right at the pinnacle of the International Olympic Trap discipline.

**Q What CPSA events are you supporting with a physical presence in 2023?**

We are headline sponsors of, and our team will be on hand to let people try our range of hearing protection at: English Open Sportrap, Barbury Shooting School, 2-4 June; DTL Weekend, Bywell Shooting Ground, 9-11 June; World English Sporting, E.J. Churchill Shooting Ground, 3-8 July; and the ESP British Open, Garlands Shooting Ground, 30 August – 3 September. 🎯

# YOUNG SHOTS

by Kallum Burrell

## HOW I GOT STARTED IN SHOOTING

**M**y dad had always gone on local farm game shoots when I was younger. However, I didn't fire my first shot until I was 12 when I got a 20-bore side-by-side for Christmas, I had one shot and it scared me so much I didn't shoot again till I was 14. At this point I would shoot maybe 150 clays per year until I was nearly 16, which is when I had my first shooting lesson at Grimsthorpe Shooting Ground. After a few lessons with Mark Russell they decided to sponsor me for a year. Mark helped me to set the foundations of my shooting within that first year and helped me find my love for FITASC.

I always remember one of the first questions Mark asked was how far I wanted to go with my shooting, I simply answered I want to compete, he

predicted that withing 3 years I would shoot for England; after 18 months I had been selected for the first time for Texas in 2022. When Mark decided he could no longer help me advance any further we found John Lee and had my first lesson with him in April 2021. After only 2 lessons with John I had won the junior and overall Sportrap world title in July 2021 and went on to get 2 England caps in 2022.

Finally, that brings us this year, now I have moved coaches again to Ed Solomons to focus more time into FITASC, which so far seems to have worked as I have made the GB squad for the European championships in Cyprus, only narrowly missing out on a team place.

## MY GUN & CARTRIDGES

**My gun:** I use a 32" browning 725 ProSport and have done for about two and a half years, I have recently changed my chokes to match with both being half choke, only changing for any clays that are on the end of the barrels.

**My cartridges:** I use Gamebore white gold 7.5s.

## MY BIGGEST ACHIEVEMENTS

I have two standouts, Winning the world Sportrap at E.J. Churchills in 2021, a shoot at which I had only set my sites on top 5 in juniors as it was my first time attending a world championships and at the time having only shot around 500 Sportrap before. However, getting my first England Cap in San Antonio last year is another favourite moment and I am looking forward to hopefully getting more caps this year.

## MY TOP TIPS

- TIP 1** Find a good coach with proven results.
- TIP 2** Have a gun fit session – A custom made stock isn't a necessity, tape and foam do a good job too!
- TIP 3** Find a cartridge that's comfortable for you.
- TIP 4** Remember, everyone misses, stay calm and go again!
- TIP 5** Make friends, have fun and smash some clays!

## MY SUPPORT: COACHES & SPONSORSHIP

I am very fortunate to have an amazing support team around me, including my sponsors, coach and of course friends and family. I am extremely grateful to be sponsored by Gamebore cartridges, Ascenso tyres, Irelands farm machinery and East of England SG. Irelands (A new sponsor this year) have kindly provided me with some Swazi clothing to wear when it's cold or raining. Gamebore (Another new addition) are synonymous with the champions of our sport, so to now be a part of the team is a true honour and having the ability to be able to use the same great cartridges in almost any country I could ever need to, I'm sure is going to be a fantastic advantage. Ascenso tyres are now my longest-term sponsors and support me with the costs of entry fees and some travel costs. Finally, East of England SG

provide me with free practice as and when I get the opportunity to get there between university, work and competitions.

Of course, there are my two main 'sponsors', my fantastic parents who drive me up and down the country, week-in, week-out and have to listen to me talk about nothing but shooting and football during every car journey.

I am now coached by Ed Solomons, having only been working together for three months I've only had two lessons with Ed, but for anyone who has seen me shoot in the early months of the season will know the improvement to my discipline on targets, having made some big changes on certain targets there are still a few struggles, but they are being ironed out week by week, ready for the championships season to begin.

## MY FAVOURITE PIECE OF EQUIPMENT AND WHY?

My favourite piece of equipment is something I've only started using this season and is something that many shooters will likely not have used. Earphones. I have started wearing earphones under my ear defenders and listening to music whilst I am shooting, aiding me in maintaining my focus whilst I am in a stand and giving me something to focus on between pairs to prevent my thoughts from wandering and I'm sure this will be something I continue using for the foreseeable future.

## CHALLENGING PIECE OF EQUIPMENT

Standing at 6'6" finding a gun off the shelf to fit was a near impossibility, therefore I've had a custom-made stock from Midland Gun Services since I got my 725 about 2.5 years ago. This has a large monte carlo and measures at 16" long. I also had to have adjustments made to my trigger plate to allow the trigger to sit further forwards.

# ***A MASTER OF HIS ART***

Having won his first FITASC World Champs in 1988, **John Bidwell** has just added another title to his CV. He tells **Matt Kidd** all about his remarkable career.

**I**t's unlikely that John Bidwell needs an introduction to readers of this magazine and the multi-world champion clay shot is now at the ripe age of 75, "nearly 76," he adds, laughing. John grew up in the quaint, most eastern town of England, Lowestoft and he is recognised globally as a true legend of the sport. He is also the owner of the prestigious High Lodge Shooting Ground, and an eternally charming gentleman to boot.

The septuagenarian's latest accolade, a few sleeps ago now, puts him in a realm of which he is on his own. For at the World FITASC Championships in Italy last year, John won the Master's Category (age 74 and over) to add to his Men's (under 55), Senior (age 55-65), and Veteran (age 65-73) titles, making him the only person to have won a world title in each. While there are a couple who could equal this feat – George Digweed MBE and Richard Faulds MBE, for example – it will be at least another decade away for anyone to match it, if ever. It's very rare for someone to be at the top of the tree for so long.

### STILL IN THE GAME

It is true the Master's Category is a long way from as hotly contested as the others. "You have to live long enough for starters," John exclaims, "and most people have packed it up by my age!" But don't let that fool you into thinking John's performance is suffering – far from it. Apart from struggling to get from stand to stand (for anyone in their 70s operations aren't uncommon and neither are health scares), his standard of shooting and fluid "move, mount, shoot" style mirrors his younger, world-beating self. As such, he frequently challenges the top of the table despite many opponents being 50 years or more his junior.

For example, when we caught up, he had just completed a round at the notoriously difficult Essex Gun Masters at Hepworth Hall with 170/200, and a

“I’ve been pretty happy with my recent performances”

score of 95/100 in the English Open Compak at Orston. "I'd only been up and about for three weeks properly after an op on a major artery eight weeks ago, let alone picked up a gun much, so I've been pretty happy with my recent performances, particularly at Hepworth Hall. I've not been far off the very top of the table elsewhere, and had I been a little luckier on a couple of stands I probably would have been," he admits.

### THE DRIVE TO SUCCEED

"Nowadays the drive isn't there like it was, my eyesight isn't improving, I certainly don't train anymore, and I like to enjoy it and shoot with friends and people I have never met. Back in the day as soon as I got on the plane for a

world champs, I was there to win, and so determined it really wasn't fun. In fact, I used to want to win so much I'd often be sick from adrenaline the night before the final day. You can't relax too much if you really want to win, and any champion telling you they didn't feel any pressure is likely to be telling fibs."

Despite making history in Italy, it wasn't John's most memorable title. "Don't get me wrong, all titles are special for their own reasons," he explains: "My first world FITASC title in 1988, in Australia, obviously stands out and meant a hell of a lot, but the title in 1996 is what claims the top spot for me. It was at Goodwood, on home soil, and the biggest championships ever held, I believe. I was 47 at the time, and would be the oldest ever to have won it. On the penultimate day I shot a 24/25, dropping my last bird and was in fourth or fifth place. I'd won the year before in Madrid, but I really, really wanted to win this one, and would need to shoot 50/50 on the final day. Something no one thought possible. I was physically sick in the morning but felt fine. And when I had only four targets left, two doubles, having hit them all prior, a marshal came up to me and said I'd won it. Elated, my concentration was also broken, but despite that I went on to hit them all, finishing five targets clear of the field, which was unbelievable and something I will never forget," smiles John. ▶

## LUCK OF THE DRAW

Then there have been the ones that went the other way, of course, that are equally memorable. "I remember the last target of one European Champs some years ago which was a rabbit target, and as I pulled the trigger it took a crazy bounce completely over my shot. We've all had it, but why then?" he laughs. "This meant I came second – indeed, I have never actually won a Euros despite many close calls. On another occasion I went to shoot my final targets in the late afternoon and dropped the last five due to being directly into a giant ball of orange that was the setting sun. I've been on

layouts where the weather has changed completely. In Australia we went from flat calm and sunny to torrential rain and wind pushing the targets almost 20 yards further away – next minute it was still again.

In Dubai, it's common the conditions are still in the morning and blowing hard come the afternoon. One time I even shot in a sandstorm!"

## SECRETS OF SUCCESS

No doubt readers will want to know John's secrets to success and a very long career? "Attitude," he replies. "First and foremost, you the right attitude. For example, when you say 'pull', truly mean it. Focus on hitting the clay with everything you have. Staying fit

and healthy is also important; do eat the right things. And finally, be consistent. You need to be able to do the same thing over, and over, and over again. That's essentially what my technique of move, mount, shoot does, the principals are the same for every target I shoot. Eventually, with consistency you'll get it right. You won't win them all, but you'll win a lot more."

With that in mind, reducing variables in your equipment will help too, according to John. His gun of choice for everything is a Blaser F3 with 30" barrels. If you didn't know, he was actually heavily involved with the design and development of the gun, a popular choice today. "For the majority of targets I think 30 inch barrels are perfect. It keeps the gun easier to move and faster to handle than one with longer barrels, and if you can get your shot string in the right place it is still ample for the longer targets. Choke wise, I use half and half for almost everything. I might swap the top choke for a ¾ for a really long target, but usually I just put a bigger cartridge in, such as a no 6.5. As for cartridges I have been very lucky to have been supported by Eley Hawk for such a long time – I feel like part of the furniture. I use VIP Sporting for everything, predominantly 28g No 8s, as they are incredibly consistent, offer good clay breaks, and suit me and my gun very well.

## FOR THE LOVE OF SHOOTING

As we chatted John reminisced about the good old days and learning from fascinating characters like Wally Sykes, Brian Wells, Barry Simpson and Paddy Howe. He also told me about creating his own style of shooting without ever having a lesson, setting up High Lodge, and much more, but there was one burning question left to ask. Is it time for retirement?

"I guess, sometimes you have to say enough is enough," John ponders, "I have sciatica all the time, a collapsed spine, a few other issues and I don't enjoy pain. So I'm not sure how long I'll carry on with it, to be honest. I don't think I'll compete at the worlds again this year. However," John adds with a typical spark of enthusiasm, "my technique is good enough, and so long as I can see the targets and luck is on my side, I am confident I could still win another major somewhere!"

I don't know about you, but I would love to see that. 🍷

I am confident  
I could still win  
another major  
somewhere!

# 100 YEARS OF BISLEY GUN CLUB

We look back at the history of Bisley Gun Club, thought to be the oldest continuing member's club in the country.

In 1923 the club was founded by Major Northover, who had been to Germany and seen aircraft gunners being trained to hit moving targets by practising on clays. The Major was a fine shot at Skeet and DTL and a regular member of the English International team.

The club started with one simple pull-back trap at Bisley Camp which developed into

“ The club has a large and impressive collection of trophies including the impressive Silver Partridge many donated by and in commemoration of past members ”

a trap, cocked and released remotely by the puller using a lever positioned behind the shooters and connected to the trap mechanically. As with the button pusher today the puller if it was consistent and quick to respond this made all the difference to experienced shooters and a good one was much respected. The pace was much slower then, competitions were over 20 targets, ten in the morning and ten in the afternoon and dress was more formal, collars, ties and often trilby were the norm. New members had to demonstrate to the Club Secretary that they could shoot safely.

In July 2002 we were required to leave the original clubhouse and move into shared accommodation. A Decision was made to build a new clubhouse and in March 2003 the build started under project Manager Bill Logan with magnificent effort of committee/members and non-members with all manner of trade skills, donations of time, money and furniture.

On 2 April 2004 The Read Pavillion was named after Joan and Gilbert Read for their outstanding service and dedication to the club and was officially opened by Mick and John Halfacre, a distinguished shooting family, who were extremely supportive and made a generous donation toward the build.

An International Roll of Honour's board takes pride of place in the clubhouse, a place where many a member aspires to have their name recorded. To date there have been 94 members who have shot for England including 12 Women and three representing Ireland, one for Scotland, one for Wales, and one for Lithuania. Ten men and four women had the additional honour of accepting a Captain's role. Two men and one woman as England Manager, and three with international honours for ABT, three for Helice, and one for OT.

The club has a large and impressive collection of trophies including the impressive Silver Partridge, many donated by and in commemoration of past members. A sad but poignant tradition is also held on the death of members where a gun salute is held in memorial.

## WILLIAM (BILL) LOGAN

Bill (Mr Bisley) has made an outstanding contribution to Bisley Gun Club. In attending the club for well over 40 years of which there can be no dispute, he has been one of its main supporting pillars. Driven by the generous donation from the committee back in 1997 towards him making the DTL World Championships in Australia he has paid that support back tenfold by:

- Taking active role in the committee for many years including chairman and vice president
- Along with other members, contributed financially with an interest free loan to the club in order to build this clubhouse
- Volunteered and acted as project manager which entailed working many long hours, meeting architects, obtaining estimates, liaising with other club members assisting with plumbing, electrics, fitting kitchen, supplying furniture and alarm system and contributing to works with painting and decorating and finishing off the building. All this on top of making his own living, his wife Marjorie tiled the kitchen and toilets, made curtains, kept the place tidy and made the Mosaic above the door
- He was instrumental in recognising the generous financial contribution of the Halfacre family in organising the appreciation plaque
- Responsible for the role of Honour board which we all aspire to be on

- Organised several maintenance working parties often ending up being a party of One!

### ACHIEVEMENTS

- He was the first person at Bisley GC to shoot 100/100 straights. 20 July 2003 shot a 300
  - Has shot for England 27 times, England Captain six times
  - Competed in three World and seven European DTL teams
  - Won World championships Team Gold in Vets team in South Africa
  - Has also won Gold and Silver medals in European championships
  - Won the English Open in 1994
  - Dougall Memorial Vets title in 2010 and numerous others
  - Came back from injury 2019 after being told he couldn't shoot again
- Everyone who knows Bill knows how much DTL, this club and its history means to him – both He and his sons Billy and Danny developed their shooting careers here, all three reaching the pinnacle of their sport and shooting for their country an achievement of which he is very proud of.

Joan Read – who had the role of Secretary for many years into her 80s. A fine lady who had worked at Bletchley Park during the war and was responsible for continuing the values and traditions of a bygone era into the club, a stickler for rules and taking no nonsense! We have had many fantastic members and

visitors over the years with great characters and memories that are entrenched in the very fabric of Bisley Gun Club. A member's only club that has, regrettably, come to the end of its tenure after 100 years. It is indeed the end of an era in which emotion cannot come into play even though, arguably, sport in part is made up of that very thing. Please be assured that the level of passion and commitment given by committee members past and present cannot be underestimated nor the responsibility felt as custodians of this fine club. We thank you for your support. 🍀

# BREAKING CLAYS?

## BREAKING RECORDS!

We take a look at **Jim Sheffield's** record-breaking shooting career.

**J**im Sheffield is a keen DTL shot who has set a number of records at the DTL Weekend over the years. Nowadays, he spends most of his time abroad enjoying a warmer climate but will be returning to the UK in June to take part in the event, which will be held at Bywell Shooting Ground on 9-11 May. In the run up to the event we took a look at Jim's successful shooting history.

During 57 years as a CPSA member Jim has set a total of five shooting records – a sixth to be confirmed – specialising in Skeet and Trap disciplines. His first success story took place on 1 June 1963, when he won not only the Colts category of the English Open DTL Championship, but the Overall Championship itself, at the age of just 16 years and five days.

On the other end of the spectrum, in June of 2017 Jim returned to the English Open DTL Championship at the age of 70 to win the Veterans Championship title. This places Jim as not only the

youngest person ever to win the overall event, but also the only person ever to also win the Colts and Veterans Championship titles... 54 years between the first and last occurrences. It is also suspected that Jim is the oldest person ever to win the Veterans title at the English Open DTL Championship.

In 1963, at the age of 16, Jim pipped all of Britain's best domestic and Olympic shooters to the post when he won both the English Open DTL Championship and the English Open English Skeet Championship in the same year.

Jim has won the English Open English Skeet Championship four times – in 1963, 1974, 1975, and 1976 – recording himself as the first (and only) person to win the event four times, three of those consecutively after a shoot-off in each instance.

It's clear to see that Jim has amassed a fair amount of shooting records in his time, but he's also built up quite the shooting CV in several different disciplines. The most notable being time as a member of the GB Olympic Skeet team from 1981-1993. During this time he won several Grand Prix Championships, competed in many out of country championships and even won a Silver Medal at the 1982 Commonwealth Games.

Now coaching abroad on an individual basis, we are delighted to welcome Jim back to competitive shooting at the DTL Weekend at the beginning of June. Who knows – perhaps another record-breaking shoot is on the cards? 🎯

Jim has won the English Open English Skeet Championship four times.

## BERETTA DT11 SPORT 31

# GUN

### - REVIEW -

GUY DIXON PHOTOGRAPHY

This month **Mark Brown** tested the Beretta DT11 Sport with 31" barrel spec which was launched in late 2022.

### BERETTA DT11 SPORT 31 £10,200 | [gmh.co.uk](http://gmh.co.uk)

The DT11 is at the mid to top end of the Beretta range and naturally has a price tag that reflects this but as with so many things in life you get what you pay for and it is obvious that the DT11 is a very high quality sporting shotgun.

Opening the ABS case the first thing you notice is the styling of this gun, it is simple yet modern and everything that I would personally look for in a competition gun. The action sports a very simple design with nothing more than the Beretta name and a modern swirl motif in blue with the DT11 name to match it. I really like this blue accent it sets it apart from many other guns in the

market and whilst we have seen something similar on the 694, it does mean that you are in no doubt that you are shooting a Beretta. The underside of the action boasts the Beretta logo and DT11 again in blue and also two highly polished chrome

panels that really bring the gun to life. At the muzzle end of the barrels there is "Sport 31" emblazoned on the bottom barrel to note that you do indeed have a limited edition model.

As expected at this price point the woodwork is

MAKE/MODEL	Beretta DT11 Sport 31
GAUGE	12g
ACTION	Over & Under
CHAMBER	3" 76mm
BARREL LENGTH	31"
CHOKES	Multi choke (5 HP Optima supplied)
STOCK ADJUSTMENT	Adjustable comb stock (standard available and also left and right handed versions of each)
STOCK FINISH	Traditional hand oil finish
WEIGHT	8lb 9oz

exceptional and there is always something about the walnut that Beretta have access to and this gun was no different, the figuring was beautiful on both the stock and fore-end and matched perfectly – a joy to look at.

Another feature of this gun that must be mentioned is the action. Another engineering masterpiece that utilises the cross-locking bolt typically found on the SO range of guns and it's also wide and very square and actually wider than that found on its predecessor the DT10. For me, it is

this design that makes the gun stand out so much from so many other guns that I have tested and reviewed.

The other notable features are the three lock branded ABS case, matt finish barrels, steelium bore profile and 5 x colour coded HP Optima chokes.

On to shooting, we took the DT11 Sport 31 to a simulated day and whilst I normally wouldn't shoot an "unknown quantity" at this kind of event the DT11 felt so good in my hands/shoulder that I decided to risk it. I'm glad that I did. The gun is so well balanced and so easy to move that I honestly struggled to miss, I have never shot so many targets in a row without missing and the compliments from the chaps behind me about my shooting were for once enjoyable. I have always had a natural affinity for Beretta shotguns but this was something else and for me the 31" barrels offered the perfect balance and weight and it was effortless to shoot and I enjoyed every moment of it. As I've said before on these pages you do occasionally come across a gun that you really connect with and it is very special when that happens.

To check whether or not my

performance on the flurries was a flock or not I took the DT11 for a round of sporting at Ian Coley's and found it again to be a joy to shoot and the gun had a big impact on what I would normally expect to score even making the more challenging targets a doddle. The 31" barrels give the gun a weight of just over 8lbs 9oz which is not the heaviest of guns that we have tested but it moves very well and handled all targets very well indeed.

There is very little that I could fault about the DT11, it offers the perfect mix of sporting aesthetics and design, perfect balance and poise and effortless handling. If you add to the mix that it comes from one of the most well-known gun brands in the world and its re-sale or trade in value will always be high then you have to wonder why everyone doesn't own one but then the price tag does limit that for some shooters.

The only slightly negative thing that I could find on the gun was that the edge of the metal was very sharp at the bottom of the barrel selector on the safety catch but I'm sure this was just unique to this test gun.

The DT11 Sport 31 is a great gun it offers all that you will need in a competition gun and a whole lot more, if you are lucky enough to be in the market for a gun at this price point you will not be disappointed with this model and I would urge you to look at one and add it to your shortlist. 🍷

# TOP TIPS TO IMPROVE YOUR SCORING

Steps you can take to move up the places this summer, by **Anita North**.

A few months ago I wrote about some of the training activities to do in the quieter, colder winter months including physical preparation, gun mount practice and even giving a shooting simulator a try. Now the clay shooting season is in full swing, what can you do to help get the most out of your clay shooting experience? Well here goes with some things to give you food for thought.

Focus on the process rather than the outcome.

## MAKE A PLAN

It's a well-known adage that failing to plan is planning to fail. I am a believer in this. Your plan is your roadmap, the satnav route, so that you know where you are going and have your destination in sight. What are your goals/ambitions with your shooting? Are you looking to compete or are you just looking to improve your shooting skills to help maximise your enjoyment of the sport? Whatever your goals are record them, whether with a pen and paper or digitally, it doesn't matter. Start with your big goals and then go into details in your plan. For each one of your goals, think carefully about the journey towards it.

How are you going to achieve it? Break it down into bite size pieces that you can work your way through. Be realistic about your resources too in terms of time, energy and funds.

Once you have your plan you can refer back to it and see how you are getting on. If things are taking longer than expected then no problem, you can review it and change it if required. However, you might surprise yourself and discover you are ahead of schedule if you follow the rest of the tips here.

## PRACTICE... WITH PURPOSE

There are so many things that can form part of your training. But how about when you go out to shoot

“ Our plan is your roadmap, the satnav route, so that you know where you are going and have your destination in sight. ”

and your shot routine. A coach will help you, but do work with them – ask questions, discuss things with them, request things that you want to work on. Share your plan and your goals with them and they have more chance of helping you.

### TIP 3 FIND YOUR FOCUS

How do you judge a successful training session? Do you count hits or do you look at what you have learnt? I am going to recommend you focus on the process rather than the outcome. Like showing your workings in a maths problem. Get to understand the process – how you prepare so that when you call for the clay you are ready to be on autopilot. Focus on getting to know yourself, the shooter. The most important relationship you will ever have in your sport is with yourself. If you understand what works for you and how you tick as a shooter, you can work on being your best.

You can focus on numbers when it comes to competitions. How you are doing, how the work you are putting in pays on competition day. You can use your competition results, your averages, as part of charting your progress.

### TIP 4 WHO ARE YOUR COMPETITORS?

Who do you actually compete against? I would suggest the real competition is not your fellow clay shooters but yourself. Clay shooting is about your journey, so all you can do is strive to be better tomorrow than you were yesterday – that's the real journey. Keep working on all the elements of your own shooting to develop your skills, understand exactly what works best for you and to have a solid and dependable shot routine.

### TIP 5 KEEP A JOURNAL

Keep notes of your shooting activities. Each time you go out record relevant information such as the date, venue, weather, discipline, load etc. This is not just about numbers, but it is important to record what you were working on and the outcome and you may see some interesting patterns emerging. In addition, I would encourage you to record three of three different elements:

- Three things you did well
- Three things you learned
- Three things you want to work on

### AND FINALLY

The biggest tip I would like to finish on is actually a bit of a reminder for you - enjoy what you do. Remember, we do this sport for the love of it - for the challenge and the accompanying sense of satisfaction. So go on, get out there and have fun. See it, shoot it, enjoy it... and keep learning. 🍷

clays. If you want to improve your shooting, then get training rather than just pulling the trigger and doing the things you are already good at. Thinking back to those goals you recorded and those bite size pieces, remember each time you go out to shoot there is a specific purpose for the day. When I write about specifics, I am not talking about setting yourself a number of clays to be broken, but rather work on an aspect of your shooting. This might be working on how you determine your pick up point or improving your footwork, or trying certain lens colours in certain conditions. Training time is the perfect time to experiment. Don't be afraid of missing clays – as long as you are working on learning something, then that's a successful outcome.

Some of this training will be working with a coach or instructor on aspects of your shooting. Some of it will be you going out to shoot clays without a coach, perhaps with friends or shooting buddies. I emphasise working WITH someone, as it is really important that you understand your shooting process

### 5 Mar: DTL NoE Selection, North of England CTC

I would like to thank all the shooters who turned up and the ground for holding the event. There were 51 shooters who turned up to take part. It was good weather conditions but had a chill in the air. The high gun of the shoot was Emma Holden Hardy with the perfect score of 100/300. Cory Doble was close behind with 100/299. John Adams was the highest Veteran with 100/298 closely followed by Eric Atkinson with 100/297. Once again thank you to everyone who turned up.

There are still four more North of England selection shoots to take place. The next one is being held at East Yorkshire on 2 April, then Bywell on 16 April. The penultimate selections are being held at Spennymoor on 28 May and the last shoot where the team will be decided is Penrith on 4 June. The team will consist of ten Seniors, three Ladies, three Veterans, and three Juniors and team members will be selected using their best three scores from the above five selection shoots.

The North of England team will be expected to represent the North region at the English Open DTL at Bywell SG on 11 June 2023. It is the responsibility of each entrant to ensure that they have entered the English Open as team places will not be reserved. We hope to see as many shooters as possible at the selections.

**Emma Holden and Charlotte Kitchen, NOE DTL Team Mangers**

### 29-32 Mar: World DTL Champs, South Africa

Congratulations to all the Northern Shooters who made the England team. Nigel Chapman shot fantastic; he is the World DTL Veteran Champion. Emma Holden Hardy also had an outstanding performance and got the Silver Medal. Congratulation Nigel and Emma for these amazing performances.

### 2 Apr: DTL NoE Selection, East Yorkshire

The second of the five selections shoots. We would like to thank the ground for hold this shoot for us. The High Gun of the shoot of

Stephen Petch with a score of 100/298 well done Stephen. Paul Turner was close behind with 100/297. The highest Veteran was David Priestman with a 295. The highest Junior was Cory Doble with a 295. Charlotte Kitchen was the highest lady with a 287. Well done to all the shooters who went and competed.

### 16 Apr: North of England Selection, Bywell

The third selection shoot. We would like to thank the ground for holding this shoot for us. Nigel Chapman was still in top form and was the High Gun of the shoot with a score of 297. Again, Paul Turner was the Runner-up only one point behind High Gun with a 296. Allan Henry was the highest Veteran with a score of 293. The highest Lady was Emma Holden Hardy. Sadly, we had no Juniors or Colts attend this shoot this time. We look forward to seeing you at the next two selections which will be held at Spennymoor and Penrith.

The North of England team will be expected to represent the North region at the English Open DTL at Bywell SG on 11 June. It is the responsibility of each entrant to ensure that they have entered the English Open as team places will not be reserved.

The team will consist of ten Seniors, three Ladies, three Veterans, and three Juniors. Team members will be selected using their best three scores from the above five selection shoots. We hope to see as many shooters as possible at the selections. **Emma Holden & Charlotte Kitchen, NOE DTL Team Mangers**

### 8-9 Apr: England and North region Sporting Selection Shoot, Oak Lodge

It was a good turnout of nearly 200 competitors for the first north region sporting selection and England team selection. The course was challenging however there were no silly targets, just a clever selection of distance and tricky angles. It was enough to catch out many of the top shots who were leaving the stands with bewildered expressions.

Day one saw the better weather, and this was displayed in the scores. Josh Bridges topped the North Region with a great 90ex100, hot on his heels were a couple of 87's from Frank Lowrison and Ross Holmes.

Day two saw the winds pick up, making the already tricky layout more difficult. High Gun for day two was from northern shooter Paul Foster on 86, followed by Paul Fulford on 83, and Jason Housby on 82 which was matched by Phil Rowbottom.

A great shoot, run very smoothly with minimal holdups, well done Oak Lodge and thank you to all the refs and staff. The North of England selection points will be calculated from Josh Bridges' score of 90. **Jason Housby**

### 2 Apr: Northumberland Sporting Championship, Bywell

A nice sunny breezy day provided comfortable conditions in which shooters enjoyed the course. The event ran like clockwork with no breakdowns or issues. Layout one caught a lot of shooters out with a slow right-to-left D target that needed more lead than most initially thought. A great target that woke a lot of competitors up. From there it was all about composure, a couple of fast and long hanging simo pairs on the latter seemed to have caused the other slippages.

Tom Young who is shooting very well took the course in his stride with a 97, pushing local hero Ian Mullarkey into a noble second place with an awesome 95. Ian was top of the Northumberland tree and took the Senior title. Emma Lowrison was the Ladies champion just ten points behind Ian on an 85. Local legend Wes Gray clutched the vets title with 78. Once again, thank you to Bywell and the Henry family for hosting the Championship. **Paul Wheatley**

## ABT Team

With our ABT selection shoots done for this year it's time to pick a team for the English Open. The Team that will be representing the Northern Region at the English Open at Bisley Shooting Ground on 24-25 June will be posted on Facebook in due course. Please let me know if you will be attending the English Open unless you have already booked on via the CPSA Championship website, my contact details are below. John Leightley – 07749 783344 or john@leightley.me. Great shooting once again from the Northern Shooters.

### 1 Apr: Sportrap county Champs

NWSS held the sportrap county championships yet again for us with the 100 target course over four layouts set by Brett Davies.

The towers layout was the one to sort the men out from the boys particularly the simo driven pair off the high towers.

A good turn out from Merseyside leading to some stiff competition for the title.

Jay Smith won the county title with a solid 90 just five days behind the High Gun. Marie Meadows took the Ladies title and James Southwood the Junior's.

### 26 Feb: ESP Team Sel Shoot, Catton Hall

The 2023 Cheshire ESP Selection Shoot got off to a good start at Catton Hall with an excellent turn out of 64 Cheshire participants. Of these a big thank you to the 37 who paid the small levy in order for their scores to be nominated towards qualifying to shoot for the Cheshire Inter-Counties team or the Cheshire Inter-Counties Clubman's Team. It was quite pleasing to see some new names for this year, putting themselves out there to shoot for their County. So, if any of you are still sitting on the fence, come and join in, this will enable Cheshire to put forward strong County teams later in the year.

For those of you who are still unsure what this competition is about, a description is on the CPSA website under "Members Area – Your Region/County – Cheshire – Website"

or you can go directly to [sites.cpsa.co.uk/cheshire](https://sites.cpsa.co.uk/cheshire). You will also find your scores on this page and the Catton Hall results have already been published here.

As for the shoot itself, I can't really comment due to unforeseen circumstances which prevented me from attending. However, by all accounts it was a terrific shoot with over 160 competitors so congratulations to all the staff at Catton Hall for their hard work in enabling this.

Some notable scores were put in by Scott Barnett 97, Nick Beavis 97, and Sam Ward 93, who has just moved into the County. There were also some good scores from the Vets, Andy Jones 91, Neil Waterman 87, Mike Holland 87, and Guy Robinson 87. Whilst for the Ladies, Lara Dale who has also just moved into the County and switched from Skeet to Sporting put in a brilliant 89, and finally Junior Ed Morris with a tidy 87. There were also some good scores from B and C Class shooters which were above their averages so keep up the good work. Nigel Lane ESP Team Manager.

In Helice news, Paul Colley took second place in the English Open Helice Championships Veterans section at Invicta Gun Club in Kent.

Amongst our younger members' accomplishments for April worthy of mention, Connor Davies shot a personal best in English Sporting with an 88 at Westfields, never an easy course.

In our first County Championship of the year Tom Burns is our Universal Trench County Champion on 92 with Runner-up, Craig Miles a close 90 behind. Phil Sanders takes the Veteran title with Fiona Reed the top Lady. Thanks to Fauxdegla for hosting and to all those who took part.

Congratulations to all our above members on their success and good luck to all our members in their own personal shooting goals over the coming season.

On 1 April Nick Williamson participated in the FITASC selection shoot at E.J. Churchill at the Swinton estate, as a Super Veteran carding a good 70 on a tough course. Meanwhile at Fauxdegla Graham Evans bagged a pair of High Gun places in the OT and ABT. At Mickley Hall ESP Phil Hartshorn continued his recent good form with a score in the 80s. At North Wales SG Dave Harley finished second in the Sportrap.

On 2 April Craig Bebbington put in a solid performance at the DTL in East Yorkshire whilst Alan Ellison took part in the WCTSA DTL selection shoot at Fauxdegla. A good contingent of Sporting shooters attended Garlands for the registered ESP. Of note was Matthew

Love attaining classification on the day and Paul O'Neill putting in a respectable score as a Veteran.

Also on 2 April the Ranton 100 DTL Clanford Trophy Stage 2 saw a sizeable Shropshire presence

and it was great to see all age groups and classes in the county represented at this shoot. Graham Evans led the way as High Gun setting the pace for Jack Shipton who claimed High Gun in Junior class. Trevor Lewis claimed fourth in Vets (well shot Trevor). Alivia Sylvester gained a classification on the day as a Lady Junior. Callum Bailey Hands and David Hughes represented the Colts with David gaining a classification on the day. Well done to all.

On 5 April at Ian Coley Shooting School's ESP, Michael Cyffin-Jones shot a superb 95 to finish joint second with good scores posted by fellow Shropshire shooters David Ward, Paul Stokes, Mark Foster and Robert Bower.

On 7 April at the DTL at Fauxdegla, the ever-consistent Graham Evans with Andrew Greenstock alongside posted high scores. Well shot both.

The WMSG Brockton pre-season shoot was held on 8 April. Congratulations to Mike Cashmore, picking up the trophy for this curtain raiser to the season. For anybody who has not been to Brockton before, we highly recommend you give it a go. 50 targets every Wednesday evening until 26 July – good targets, great atmosphere, and very scenic. Fibre wads only postcode TF13 6JT.

A busy day in the calendar was 9 April for Shropshire shooters all over the country. Mike Nixon put in an appearance on the Skeet layout at Fauxdegla Welcome back Mike. Hope this is the first of many future

appearances. Jason Machin carded a score in the high 80's at Grange Farm ESP, Holmes Chapel DTL Graham Evans third in Veterans with Shaun Gardener, Alan Ellison, A Gardener and Craig Bebbington all competing. Stephen Trow and Richard North shot well at Kingsley Moor ESP. WM Area Championship Skeet Doubles saw Stu Burgess card an 87 with Julie Burton, Pete Bridger and Jan Dixon all representing the county. Thanks guys.

At Fauxdegla on 16 April for the DTL, Shropshire shooters Shaun Gardener, Alan Ellison and A Gardener all shot well.

On the same day at then Helice English Championship, Invicta ZZ Kent, Shropshire was well represented in this event with Malcolm Grant, Alan Rowley and Trevor Lewis all making the long journey to compete. Alan and Malcolm both hit 22 targets with Trevor not far behind. Thanks for flying the flag for the county in this discipline.

Again on 16 April at the English Open All Round, Nottingham, Stu Burgess, Julie Burton and Pete Bridger were competing and all returned good scores. Rugby Universal Trench saw Graham Evans return an impressive 90 to finish fourth in super vets with four super vets finishing in the top six. Westfield ESP saw Richard Green classified A on the day with Matthew Love continuing his progress with a good score in the 70's. Further April news on the Facebook page.

Delighted to be supporting The Ladies Clay Shooting League. Thanks to Miles Machin and Kate Poyser for putting on the shoot and good to see so many women from across the region taking part. The LCS League is a great way for women to get

involved in the sport – whatever your level or experience, it's welcoming and inclusive. Get in touch with our Ladies reps Kate Poyser and Valerie-Ann Barrow if you're from Staffordshire and would like to get involved.

### 8-9 Apr: ABT First England Team Selection Shoot, Nuthampstead SG

Adam Gutteridge took part in the first England ABT selection shoot, along with several other shots from Staffordshire who all performed well over the two days.

Adam shot 95 on day one and followed this up with an even better 98 on day two, giving him a winning 193/200.

### 9 Apr: ESK Doubles WM Area Championship, Nottingham & DGC

A terrific win for Martin Walmsley in the Skeet Doubles. Martin had a shaky start, dropping two on the first layout but kept his cool and focus to go on and hit 98. This left him level with Megan Jones and three clear of second placed Neil Orr. Megan ▶

Leah Southall hit a new PB of 114/125 in the first of the Olympic Trap British Shotgun Series and England selection shoots at East Yorkshire SG. Our County Champion for 2023 was Marcus Iddon. His score of 44/50 edged out reigning champion Ian Hull (42). Peter Read was third on 41. Adam Gutteridge was the highest placed Senior with 40/50, matched by Veteran Colin Heathcote.

## 23 Apr: ESK WM Area Championship

Congratulations David Roling (98ex100) of Warwickshire who took Gold after a shoot-off with Callum Jones. Martin Walmsley and Martin Butcher both hit 97 but lost out in a shoot-off for Bronze to Paul Stokes (Shropshire). Kian Maher took second in Juniors behind Isabel with 96.

## 30 Apr: UT Staffs County, WM Area and Inter-County, Fauxdegla CSC

In the WM Area, Adam Gutteridge once more took Gold and High Gun with 95ex100. This was backed up by Ian Hull and Ray Sutton sharing the Bronze with Craig Miles (H&W). This also gave Ian Hull the Gold in the Veterans.

This then helped Team Staffordshire to take the Inter-Counties title, finishing on 447ex500. Congratulations to Team Manager Ian Hull and his squad of Adam Gutteridge, Richard Lees-Styler, Martin

With the competition season in full swing now June looks to be a busy month with several County and Area championship events for our membership to enjoy.

First up is the Sportrap County Championship at Cosford on 3 June. The following day is the DTL County Championship at Normanton.

On 24 June Rugby and District Trap Club will be host to the Warwickshire Helice County Championship an event that is also the West Midlands Area and Inter Counties Championship.

There are two other West Midlands Area events in June for our Trap shooters, the Double Rise on 11 June at Ranton and the DTL at Holmes Chapel.

As we move into July the Warwickshire Single Barrel Championship will be held on 2 July at Normanton followed by the All Round on 8-9 July at Northampton, and the Olympic Skeet on 15 July at Cosford.

As always, check with the ground for any late changes before traveling and to

ensure your place on a squad.

Early season success for Warwickshire shooters is already in evidence.

After the winter layoff, Ben Killian tasted success with a Silver medal in the British Shooting Shotgun Series Round 1 held at East Yorkshire Clay Shooting Ground. After making the shoot-offs Ben went through to the Gold/Silver medal match bringing home the Silver, a great achievement in the first event of his domestic and international program.

David Roling enjoyed success in the West Midlands Area ESK Championship at Doveridge in late April. Dave prevailed over fellow Warwickshire competitor Callum Jones in a shoot-off for the Gold and Silver medals. Also in the medals at the ESK were Warwickshire's Alice Marks collecting both ladies silver and Junior Bronze, while Paul Fallon won Gold in the Veteran category.

After a full day of rain on Friday there was a lot of surface water around the ground but luckily there was only a few spots of rain during the Saturday with a small cold breeze and overcast so shooting conditions was good.

There were four layouts – Plantation, Embankment, Basin, and Skeet – with a large mixture of targets both in distance and angles using 60, 70, 90mm, battue rabbit and standard. Plantation and Skeet were the harder of the four layouts with some big targets on each.

25 EM shooters came on the first day and Toby Reed was EM leader after day one with 89, close behind was Andrew Clifton on 88 with Peter Simpson and Henry Collins on 86.

Top Beds Shooter was Andrew Clifton on 88, Top Vet Richard Flint 72, and Top Lady Zoe Bruce 52. Top Northants Shooter was Henry Collins on 86, Top Vet Matt Sheppard 84.

The calm before the storm, a quiet period before our County Championships really pick up, hopefully with a change in the weather for the better... we can live in hope!

### 9 Apr: Skeet Doubles Champs, Nottingham and District GC

The weather for the County Skeet Doubles was a little duller than the last few days but finally it stayed dry and mild giving everyone a fair chance. Although Skeet Doubles are only shot a few times a year there was a good turn out and everyone was in high spirits. The early squads had the bad light but that didn't deter and some of the highest scores were recorded early.

Yours truly tried to throw down the gauntlet using his wife's semi auto to see how I got on with it, setting the early standard with a solid score that held strong until Doug Moore arrived. Having won this trophy five out of the last six years, Doug was determined to put in his best effort to retain it once again. Doug true to his word posted a good 91/100 and

Sunday, the weather was overcast to start and then the sun came out in the afternoon, there was no breeze. We had 21 EM shooters with Mark Goddard on top with 91, with Junior Harry Dickens 86, and Chris Baker on 85 the next highest EM scores of the day. A total of 46 EM shooters took part.

### Results

Bedfordshire (six shooters) – FITASC Champ Andrew Clifton 88, Vet Richard Flint 72, Lady Becky Clifton 76.

Northamptonshire (13 Shooters) – Beds FITASC Champion Henry Collins 86, Runner-up Josh Millar 84, Top Vet Matt Sheppard/Keith Smith 84.

East Midlands Champion Mark Goddard 91, Runner-up Toby Reed 89, Top Veteran Andrew Clifton 88, Top Super Veteran Peter Simpson 86, Top Lady Louise Smith 80, Top Junior Harry Dickens 86.

Congratulations to all that took part and to the winners – fantastic shooting well done. Thank you as always to Carl, Linda, Kieley and the team at Nottingham and District GC for making the day a success as always.

### 30 Apr: County UT Championships, East Yorkshire CSG

Arguably the best day we have had so far this year with a gentle breeze but warm and, for once, dry conditions. Perhaps to be expected given the current economic climate, entries for this shoot were a little down on last year with the notable absence of all our younger shooters i.e. anyone who is not a Veteran. Whilst our youngsters may have been missing it was a day where Silver Shotguns ruled, with every entry a Veteran or over, the quality of the field was undeniable with some superb scoring from some of our big names in this discipline. Both John Winn and Steve Parker carded a

This year we had 42 Beds shooters with 20 Seniors, three Ladies, one Junior and 18 vets. David Ferriman took High Gun with a 92, Steve Whinnett was Runner-up with 90, Andrew Clifton and Scott Mann were joint third place with 88. Becky Clifton and Chelsea King tied for joint Ladies High Gun on 85 with Zoe Bruce third on 69. Bert Mason shot a great 88 to take the Veterans title with Paul Burgoine Runner up on 87, with Jim Munday third with 86. Craig Hollick was Junior High Gun on 81. Thanks to you all for shooting the championship.

### Martin Scoley Memorial Shoot

Martin was a well-known and popular shooter from Bedfordshire, shooting for the County at several events, so it's no surprise that the shoot was well-attended from many shooters, both from Beds and out of the county. Shot at the same time as the County Championship we had a big entry that took on the tricky set of targets arranged by Marc and Vince. Martin Myers drew with Richard Bunning on 94 to get their names on Martins Cup, thanks to all those who came along to remember Martin. See you all next year.

lowly 20 (for them) but both still managed to score 90, just one target back from our top scorer, Norman Eaton, whose score of 91 not only secured him the Lincolnshire title but was joint top score overall.

Norman is no stranger to picking up awards, but he took pleasure in receiving this one as this was the first time he had won this particular title. Surprise of the day, not least of all to himself, was John Mansfield's score of 83 which included a 25-straight.

Congratulations to Norman and all those who took part. UT is the most testing of disciplines so well shot all. Thank you to Sean and the team at East Yorkshire Clay Shooting Ground for a well-run event. Stay safe and shoot straight.

### 9 Apr: Olympic Trap, East Yorkshire SG

This was held alongside the regional individual competition in the hope of attracting a greater number of county participants and giving a better competition atmosphere. There was an entry of 28 which is very decent. I am sure everyone had a great time there. Sadly, there were no county shooters in amongst the numbers. The competition was won by a Cambridgeshire shooter with a score of 78.

### 29-30 Apr: Sportrap Competition

There was a wonderful turnout for this competition on a sunny Bank Holiday weekend with 33 county entrants, 30% up on last year. Jo Smith won the Senior title with the full 50 scored – a lovely display of shooting. Lee Corkram, in his first competition for a while, took the Veteran's category with a score of 45. Louise Smith shot a creditable 37 and took the Ladies' title for the third time in a row. For the first time in a couple of years the Junior title could be awarded. This year to Sonny Bowman. Congratulations and thank you to all those who took part. This discipline is increasing in popularity, and I think it is becoming a popular first competition for those new to shooting.

The competition also held the very first 'If You're In: You May Win' prize draw. The

random number generated was 48. There was no shooter with this score and so the prize of 250 cartridges was awarded to the nearest shooter. Two shooters Jo Smith 50x50 and Scott Harding 46x50 were the closest and so they will share the prize. Congratulations and thank you to all who took part.

### English National Competitions

County shooters have also been enjoying great shooting outside of county competitions. At the English Open All Round at Nottingham and District, on 17 April Jo Smith came third by Default with a lovely score of 96ex100.

Eleven county guns took part in the English Open Skeet competition again held at Nottingham Gun Club. The standard was stratospheric with the winning High Gun only being decided after four shooters took part in a further round of 25 clays and a sudden-death shoot-off. Sadly, none of the county shooters were involved in the tussle for national silverware. Leon Gill was the highest county Senior with 97ex100. Mick Russell was the highest county Veteran with 96 whilst Sonny Bowman was the highest county Junior shooter with 94ex100. Izzy Russell, county Ladies Skeet Champion was the highest Lady shooter with 91. Well Done!

### 9 Apr: East Midlands Region Olympic Trap Championship, East Yorkshire

12 shooters from the region attended this competition. Numbers were down due to a clash with an ABT Selection Shoot but several competitors travelled to attend, including Australian James Willett. He was High Gun of the day with 97. In joint fifth place and taking the Regional Junior title was William Gilbert, 90.

### 8-10 Apr: Norfolk FITASC Champs

This was held alongside the Suffolk,

Cambs, and Essex champs. Saturday saw the better weather, with rain and gusty winds on Monday making the conditions challenging. High Gun on Saturday posted a score of 99, which was tough to beat. Congratulations to the County winners – Richard Bunning 92 County Champ, Mark Cobbold 88 Veteran, Archie Alexander 74 Junior, and Heather Pointer 55 who retained her Ladies title.

### 23 Apr: Norfolk All Round Championship and Dennis Rudd Memorial, The Priory

Thankfully the rain held off and the sun appeared through the clouds at times. 18 Norfolk shooters competed. With consistently high scores across all four disciplines, David Gooding 93 was crowned County Champion. Much to his surprise he then discovered that he had also won the Veterans' category. Jason Matthewson 90 came second, and the Ladies' category, which had only one entrant, was won by Alison Coupe 51. The Junior category had three entrants with William Gilbert 84

taking the title. The other Juniors competing were Rhys Dixon 57 and William Nicholas 33.

### 30 Apr: Norfolk ABT Champs, The Priory

One of two county championships held on the same day, at the same ground. The weather conditions were better than forecast, with some warm sunshine and a gentle breeze for most of the day. With 17 Norfolk shooters competing for the ABT titles, the first squad set the pace with Robert Flowers, Richard Gilbert and William Gilbert tied on 47/50. This score remained unbeaten, but Mark Goddard and Jason Matthewson came close scoring 45. This meant a three-way shoot-off for the County Champion title, with Robert and Richard also shooting off for the Veterans title. William held

## NOTTINGHAMSHIRE

PAUL BUCKLEY

✉ pbbuckley@outlook.com

Saturday 15 and Sunday 16 April saw the English Open All Round shot at Nottingham & District Gun Club, the first time that the event was run over two days. This was clearly the correct decision given that numbers over the two days far exceeded those that normally attend when the event is held purely on one day – in the end 93 attended.

The weather over both days was extremely kind to us as well with plenty of sunshine and just enough breeze. There were plenty of strong scores achieved over both days but 98/100 posted on Saturday was always going to be a tall order to topple. In the end 95/100 took both second and third places. It was great to see all the categories and classes being contested except for disabled standing.

Across the categories, the scores were exceptional with a 92/100 winning Veterans, 93/100 winning the Ladies and 93/100 also winning the Juniors. A huge congratulations must go to all the winners and a well done must go to all that joined us over the weekend and took part in the event. Some highlights for our county members were that Russ Hufton was second in Vets, with Olivia Stevens taking both third in Ladies and second in Juniors. Finally, Simon Scott was first in C Class.

Some of you will remember Michael Tomlinson and the Memorial Shoot in his honour was held on Sunday 23 April.

Mick was the master of all things shooting but a legend in the Skeet world, teaching many champions the art. With a North wind watching the 98's and 97's wash across the boards was impressive and at the end three 98's were going to have to shoot off for the trophy. Unfortunately, Allen Warren was unable to return so it was Doug Moore and Tom Clifford left to battle it out. Both were square after a full round with 24 each so to the middle peg it was and as the dust settled Tom was crowned the winner by just one point. Well done to everyone that took part and thank you to all that attended.

Once again, thanks must be offered to the entire team at the shooting ground, without whom these events would not happen. They ensure the events run smoothly and their many characters make the events thoroughly enjoyable.

Finally, our own Joe Turner continues to create waves. He shot the Olympic Trap Series 1 at East Yorkshire, shooting 108/125 in qualifiers, going on to win the Junior Men's final. 22-23 April saw him shoot his second selection shoot for DTL at Brook Bank shooting his first 100-straight. Well shot Joe!

The 2023 Championship Season is now well underway with the FITASC Championship having taken place at High Lodge Leisure and the Suffolk Sporting Masters at Eriswell Lodge.

At High Lodge Leisure, competitors enjoyed a fantastic event with challenging layouts. Congratulations to Will Page who shot an excellent score of 93 and is the 2023 Suffolk CPSA FITASC Champion. Well done to Peter Mayhew who scored a strong 92 and Chris Baker and Adrian Cook who both scored 89. This event was shot over two days and with 115 competitors taking part. Our thanks to all competitors, referees, and everyone at High Lodge.

Eriswell Lodge kindly hosted this year's Suffolk CPSA Sporting Masters on 23

Derren Burn is the 2023 Sporting Masters Champion shooting an exceptional 95 to take the title. Great shooting. Seth Peters (92) was the Junior Champion, Tina Henshaw (68) was Ladies Champion, and Peter Jarvis (87) the Veteran Champion. Great shooting by all of you. Our thanks to all the competitors, the referees, and all the team at Eriswell Lodge. If the quality of these two events is setting the tone for the Championships of 2023, we are in for a brilliant year of competitions.

Following a hugely successful AGM at the beginning of the year, a full committee of 13 has been formed for Dorset. These include individuals that are keen and support all registered disciplines, which we hope will be successful for our County in 2023.

Our FITASC championship shoot was held at Purbeck Shooting School on 5 April which was our County championship of 2023. This was also the first Registered shoot since the tragic loss of Graham Brown to be held at Purbeck. Sam Brown and his team certainly has inherited the passion and skill of Graham, producing a day with layouts and targets that will be remembered for years to come. It was certainly fitting that the new committee combined with Purbeck Shooting Ground held their first shoot at Purbeck and that

it was FITASC. As many of you will know, Graham was a passionate supporter of the discipline, in years past his regular monthly shoots were enjoyed by many of the best competitors in the country. He also travelled Europe setting shoot layouts coaching at many major grounds, the discipline that he truly loved and that everyone associated him with. His course design and plans for Purbeck were plain for all to see, with course layouts set in vast areas and the practice areas always available for those that are not involved in competition events. It was therefore tragic that he was suddenly taken before his dreams and plans were completed for Purbeck Shooting Ground.

For our County event Sam had designed a course that his father would have been proud of and certainly fit for any championship, making full use of the fantastic venue. Dorset shooters performed well on the day, with High Gun Robert Taylor scoring

#### Champion of Champions

Each year the CPSA ask us to nominate someone to represent the county to take part in the champion of champions at the Game Fair. In previous years our invitees have been unable to attend. The top five scorers at the event take part in a shoot-off in the arena and the winning county receives £300. The timing for entry is before our Sporting championship has been held so this year Paul Colsell has been invited to represent us. Next year we will be asking the 2023 county champion to attend.

#### 9 Apr: All round, Brook Bank

Our all-round championship was held at Brook Bank Shooting Ground on Friday 9 April and how lucky are we to have truly all round champion in our county. Richard King again retained his County championship having been Runner-up a few days earlier

at the FITASC. Richard's passion and commitment to all disciplines was again well rewarded and long may it continue. He has been a shining example of what can be achieved and certainly for our committee and other Dorset members, someone we can all aspire to. A strong turnout from Dorset was noted with the best scores – Richard King 90, Ian Mulliner 87, Chris Griffin 85. Richard Pike, and Dean Webber 82. Many thanks to Wesley and Alison Hann for a superb Good Friday at their ground. Hopefully more Dorset members will take a trip to Somerset to enjoy the fabulous disciplines that are held regularly at Brook Bank.

#### 19 Mar: Olympic Trap, Bisley

The Hampshire Championships kicked off with Bisley holding the Olympic Trap. Not too many made it to this first event on the Championship calendar, in fact there were just six Hampshire entries. No surprise that Rod Gould returned the winning score of 91/100 for the Hampshire Champ title and the Vets title. Sean Gamblen, normally associated with the sporting disciplines, returned a 77/100 to outshoot Roger Deacon, Carl Miles, and Stuart Cureton to win the Seniors title and collected five points towards the Supreme Championship table. Tegan Hart returned 76/100 to pick up the Ladies and Juniors titles.

#### 8 Apr: Hampshire Sporting Championship

Hosted by Owls Lodge SS the English Sporting, a much better entry with 75 Hampshire members shooting the 14 stand, 28 Trap course, and it didn't disappoint. Those that made the pilgrimage on this warm sunny spring day battled it out. Sean Gamblen returned a great 94/100 getting more points onto the Supreme Championship table as the Senior class winner. Sean obviously loves the sport, shooting and hitting 1,263 targets out of a possible 1,400 since 8 January this year!

Close behind Sean was Chris Bloxham with 92/100 taking B Class and also getting points on the SC table. Adam Nash picked

up the C Class with 85/100, but it was Des Sturgess who returned a whopping 97/100 to claim the big Sporting cup and the Vets class medal with just three away a well-deserved win. Tanya Faulds 86/100 picked up the Ladies class, Barney Eastman 87/100 the Junior Class, and Charlie Faulds up there with a 86/100 claiming the Colt's title.

#### 13 Apr: Compak Sporting, Owls Lodge

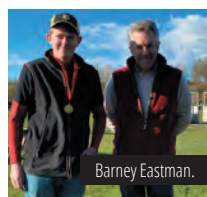

The morning started with the weather not too settled for the early squads one minute raining then sunshine then hailstones then back to sunshine. The early shooters did suffer but the squad I was on set out at 1pm and it turned out calm and sunny. The targets on the four Compak Sporting layouts were good, covering all the angles and speeds. If you haven't shot Compak Sporting before then do the targets are not far away unlike some Sportrap targets. The targets on the four Compak layouts all have to pass through an area 25m deep by 40m wide and like FITASC lots of single targets which allows full use of the gun. ►

2023's County Championships are now well underway with impressive attendance so far, numbers are slightly up from last year which is great to see. The ever-reliable Ismet's have made their intentions clear with their already impressive supreme champion campaigns for 2023.

It's been great to see the number of Berkshire Juniors and Colts taking the field so far; with Katy Essex making her mark on the OSK world and Kaiya Pascall along with the competitive brother combination of Dominic and Tristian Sell, all putting in great scores across the disciplines, these really are top shots in the making.

### 19 Mar: Olympic Trap, NCSC

A great start to 2023 by Berkshire's trap maestro, Michael Bovingdon, taking Overall High Gun and the Berkshire OT title with a strong 92ex100. Keith Kilvington was on usual fine form to take the Vets title with 78ex100 and Ceyla Ismet started her 2023 Supreme campaign by taking the Ladies title with 76ex100. Tristan Sell picked up the Junior title while Kaiya Pascall and Dominic Sell showed great promise in this challenging Olympic discipline,

### 26 Mar: Automatic Ball Trap, NCSC

Argun Ismet returned to winning ways to lift the Berkshire trophy with a fine 78ex100 while Ceyla Ismet notched up the second win of her 2023 campaign to take the Ladies title with 61ex100.

Berkshire Skeet legend, Ken Harman, showed his versatility across disciplines

by lifting the vets. title with 77ex100. Promising Berkshire Colt, Kaiya Pascall claimed the Junior title with a steady 54ex100.

### 16 Apr: Olympic Skeet, NCSC

Solid performance by Katy Essex, finishing eighth Overall to lift the Berkshire High Gun, Ladies and Juniors titles. Veterans title went to Berkshire Treasurer, Richard Bodley-Scott, Another well-run competition by the NCSC team and a great day enjoyed by all.

### 23 Apr: English Skeet, NCSC

Joe Clarke and Argün Ismet both set the pace early on with a solid target of 97/100. The majority of the Berks shooters elected to shoot on later squads with ten on the last rotation. This included Luke Flynn, who sealed the deal with a 99/100 and lift the ESK CC for the third successive year. The formidable father/daughter combo of Ken and Sandra Harman fired in 92/100 and 89/100 respectively to lift the Veterans' and Ladies' titles and promising Berkshire Junior, Tristan Sell, continued his good form to lift another Juniors' title with 87/100.

Special Mention to Berkshire's ever reliable Iain Stamp, who is always on hand to referee the nationwide Skeet Comps, without people like Iain we wouldn't be able to run these competitions. So from all of us, Thank you!

### Further afield

Katy Essex was on form at the first shotgun series of 2023 which took place at NCSC on 9 April, Katy finishing third Overall in the juniors after battling it out in the finals. Michael Bovingdon was also flying the flag

and getting it done at the OT shotgun series, missing out on the finals by only two targets. Luke Flynn was Joint High Gun at the end of play with a 99ex100 at Dartford's ESK Browning Masters, losing out on the silverware to Wiltshire's Peter Chester in the shoot-off.

### 10 Apr: Essex FITASC County Championships, High Lodge

This year's county FITASC was held at High Lodge in Suffolk and was staged with Cambridge, Norfolk, and Suffolk on 8-10 April 2023. Contested over five, 20-target "old style" parcours, the shoot delivered some very enjoyable and challenging targets. Nothing was more challenging than the change of weather conditions from a glorious Saturday to torrential monsoon like conditions on the bank holiday Monday!

The better scores were shot on the Saturday but as with any multi-day event, it's very much weather dependant on the day. Congratulations to all County champion including S Clarke for Overall

and Veteran's title, J Price Super Veteran's, T Riddington Ladies and E Lockwood Juniors.

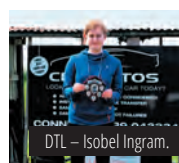

Special thanks to Andy and his team at High Lodge for staging such an enjoyable shoot.

Hello happy campers. I hope this report finds you all well. The weather is slowly warming up with a little less of the wet stuff falling from the sky so it's time to be out enjoying our sport. We have had a few County Championships to report on that took place in April. Firstly, Northampton Shooting Ground hosted our English Skeet on 9 April. We were somewhat low on the entries but congratulations to Daryl Burton for shooting a great score of 96ex100 to crown him County English Skeet Champion. Ken Smith came a close second shooting a strong score of 95ex100 which won him the Veterans title. Jane Robbins took the Ladies title having shot 64ex100, well done Jane! Thank you to Martine for hosting.

Rugby & District Trap Club played host to the County UT Championship on the 16 April. Again a little disappointing on the County numbers but a good turnout overall. Congratulations to Peter Farrell for his score of 85ex100 which won him the County title. Well done to Tony Robbins for winning the Vets Class after shooting 80ex100. Ladies Class was won by Jane Robbins having shot 54ex100, well done Jane!

Moving back to Northamptonshire, Martine hosted our DTL County Championship for this year, thank you to Martine and her staff for putting up with us again. Peter Farrell was on fire having shot 96ex100 closely followed by Joe Robbins but Peter Takes this year's title.

**13 Apr: English Sporting, E.J. Churchill**  
Amy Easeman shot 97/100 to be placed joint second Overall and winning the Ladies. Aaron Christie won both B Class and the Colts shooting 86.

**16 Apr: English Sporting, Westfield SG**  
Aaron Christie won B class with 89/100.

**22 Apr: English Sporting at Redricks**  
Aaron Christie won B class and Colts shooting 89/100.

Finally, as a reminder there is an active Buckinghamshire CPSA Facebook page so, please keep a look out there for news of events that you may be interested in.

Tony Robbins shot a very impressive 93ex100 taking the Veterans title and Jane Robbins took the Ladies title. Well done to you all.

Please take the time to visit our Facebook page to see the revised rules for the 2023 Oxfordshire CPSA Trap Challenge and Challenge Trophy rules. I would happily write them up and have them printed in the Pull! report but sadly with the 600-word restriction given to each County it would take the whole report and then some to have it printed. If anyone has any questions or queries, please get in touch and I will get them answered for you.

Barby Shooting Ground held its mid-week monthly 100 ESP on 12 April. It saw 46 shooters support it. Oxfordshire's Julian Freeman finished second overall having shot a very strong score of 93ex100 in AAA Class. Well done Julian.

Westfield held their mid-April 100 ESP which saw a staggering 195 shooters compete. Oxfordshire's Cheryl Hall shot incredibly well and won the Ladies class with an impressive score of 96ex100 in AAA Class. Well done!

Staying with Westfield for a shoot that was held on Sunday 30 April, yet another brilliant turn out of 166 shooters competed on a bright and dare I say warmish day. Well done to Julian Freeman on shooting 95ex100 placing him third in AAA Class. Steve Cox matched the score in AA Class which placed him second in AA Class. Well done guys

That leaves me to say, as I do each month, please get in touch with your achievements or wins.

Happy safe shooting everyone!

Top of the three Juniors was Cameron Cobb on 89, second was Ben Wells on 78 and Maxwell Boyd-Bell was third.

### Surrey Supreme

After entering the first five events, Liam Boyd-Bell is the new leader of the Supreme Championship with 42 points. In second place after shooting just three events is Fergus Watson-Hopkinson on 36 points. Top of the Junior table and in third place

Overall is Ben Wells on 32 points. Jo Watson-Hopkinson is leading the Ladies on 31 points. Frank Arico leads the Veterans with his maximum 15 points from the English Skeet, although Danny Smith and Chip Smith are in equal second on 13 points each after tying in the Sportrap. It looks like it could be an exciting and close Championship this year – Check on the website to see if the latest events have had an impact on the leaderboard.

### Other honours for our Surrey regulars

Steve Cole and Jo Watson-Hopkinson performed well at the English Open Helice Championship at Invicta Gun Club in April. Steve was third in the Veterans. Jo scored a magnificent 23 out of 24 to tie for first place in the Seniors. Jo unfortunately lost out in the eight-way shoot-off but still won the English Open Ladies title outright. Well shot Jo!

📍 [sussexcpsa.com](http://sussexcpsa.com)

As I write this the weather seems to be turning for the better after what feels like a long-wet winter. The competition season is now well under way both here and abroad and the counties shooters are out and about competing and pulling in the prizes.

### DSG BEN WOODHAM

✉ [disabledsg@gmail.com](mailto:disabledsg@gmail.com)

📍 [disabledsg.co.uk](http://disabledsg.co.uk)

Since the last edition the main event has been the English Open English Skeet held at Nottingham and District Gun Club. The event had a great turn out and

a total of 203 entries, most notable of these entries for us was our very own Disabled Members. Disabled Sitting, Paul Bailey shooting a cracking score of 90/100 setting the bar high and taking Runner-up, pipped only slightly by Ben Woodham on 92/100 taking High Gun. In Disabled Standing, James Center putting in an 86/100, very well

### Southdown Grand Masters

The annual 120 target competition is held on Easter Monday and yet again attracted a large turnout. Sponsored by SWATCOM, Hull Cartridges and a Yildiz shotgun from Raytrade for the High Gun meant the prize fund was good in all classes and categories. Unfortunately, the weather yet again wasn't kind, wet and windy in the morning and even windier in the afternoon. However, this didn't stop Sussex shooter Tim Fenner from taking HG on 108/120. Other Sussex successes were Hannah Gibson, top lady 103/120 and up and coming colt Jack Malthouse 82/120. Chip Smith took Veterans and Tristan Hockey the Junior title 96/120.

### South East of England Sporting Champs

On 1 May, Southdown saw another good turnout in far more pleasant conditions. Apart from a short sharp downpour just before the last few squads went out it was a good shooting day. The new SE Champion is Sussex's own Pete Goldsmith 95/100 who has a habit of not being seen for a while then turning up and winning competitions. Congratulations Pete.

shot to all that attended. We would like to say another Big thank you to all, at Nottingham and District Gun Club, for putting on such a well-run day as always!

We are excited to announce that we will be holding our first Disabled Shooters Group Simulated Game Clay Shoot Day at Quidenham Estate Shoot on Saturday 12 of August.

### Sussex Skeet Championship

23 Apr at the NCSC, Bisley, only nine Sussex shooters took part on a rainy day. Sadly yet again no Ladies, Juniors or Colts entered. Martin Brister won the championship with a mighty 98/100 and the Veteran title was decided by count back between three Vets, Derek Welfare, P Betts and Ivor Dadswell all on 87/100. Ivor took the trophy. Many thanks to the team at the NCSC for a great day and perfect targets. As with the British weather, the sun came out when we all finished... oh well!

### Compak

29-30 April at Jerring Shooting Ground, Felgoy. Congratulations to George Digweed for his senior gold medal, 192/200, at the Grand Prix of Hungary Compak sporting championship.

### FITASC

Congratulations to Kenny Bennett for being selected into the GB FITASC Veteran squad to compete in the European FITASC Sporting Championship at the Limassol Shooting Ground in Cyprus.

### Ceasar Guerini Super Sporting Masters

20 and 22 Apr at Owls Lodge Shooting School saw Will Fenner take High Gun with 115/120 over a very enjoyable 12 stand course. Ironically Will has recently changed to a Ceasar Guerini and so far it has proved a very good move with some excellent scores being posted this year. Not a bad month in the Fenner household with both father and son winning big shoots. If anyone hasn't tried super sporting yet I'd thoroughly recommend you give it a go. This is a discipline which is going to increase in popularity.

### Forthcoming dates

## NEW BIODEGRADABLE GUN OIL

A high quality lubricant and rust inhibitor, made with a unique blend of lanolin and natural oils.

Witham Prolan Biodegradable Gun Oil is made with lanolin oil, derived from sheep's wool and is a powerful natural lubricator, water repellent and corrosion protector.

Reviewed as "Nature's Secret Weapon" it forms a long-lasting barrier, and gives outstanding rust protection and wood preserving qualities, yet, unlike other gun oils is completely biodegradable and environmentally sensitive. It offers powerful protection to all conventional metals, wood stocks, plus gold and silver inlays and suited to all types of sporting guns – vintage to modern and helps remove harmful deposits that can build up inside and impair the firing accuracy.

This is a non-carcinogenic, non-toxic alternative to existing oils and can be used for many other applications found within the workshop and home. Our new gun oil is part of Witham's Estate Range and new gun range of oils, gun cleaner and pheasant feeders.

\*The 20% discount to CPSCA Members is available on any Witham product purchased online or over the phone, using the code CPSCA. For more information about our new Gun Range, please visit our website.

Insurance

## Newmoon Insurance

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

SHOOTING SUPPLIES

**Left:** CPSA Referee Tony Axcell is known for donning bright and bold shirts when officiating at stands.

# COMMON COURTESY AND ETIQUETTE

A CPSA member discusses how to be polite and respectful around the grounds.

**R**eferees are, in my humble opinion, the unsung heroes of the sport. Good ones can increase the popularity of any ground making the day a more memorable one, with not only their knowledge of the rules and targets but with their politeness, efficiency, friendly attitude, and encouragement. A good referee is there not only to implement the rules and see fair play is maintained but also to encourage those new to the sport and to ensure that high standards of safety are maintained at all times.

Having discussed things with other referees there does (unfortunately) appear to be a general consensus that, while the majority of shooters appreciate the work done by the referee, a minority do not. This is the small minority that is making the role of the referee less appealing.

Trust me – it's not a great experience being stuck in the middle of a field, sheltering from all that the British weather has to offer, waiting for the next competitor to arrive. A little common courtesy and appreciation goes a long way to making the day a less miserable one.

Say good morning/afternoon to the referee rather than just thrust your cards at them. Most have their own system of organizing the score-cards to ensure everyone shoots in order so it's a good idea to wait for your card to be taken or asked for, plus a "thank you" at the end is always appreciated. Use the bins provided for cardboard and spent shells. It's amazing

how many people can hit a clay target 50 yards away but can miss a dustbin from two feet when throwing spent cartridges away!

Pick up any shells that miss the bin (if it's safe to do so), it's not the referee's job to tidy up after you.

If you disagree with the referee's decision,

consider there to have been a 'slow pull' or are appealing for a 'balk' approach the appeal kindly. A polite approach will be more productive than an aggressive

one. Similarly, if you are waiting a long time to shoot a stand don't blame or be offensive to the referee, chances are the situation is beyond their control and they wish to clear the backlog and move competitors on as quickly as possible.

Always pay attention when waiting your turn to shoot and study the targets, you are only entitled to see a pair if no one's shot them before

you, so don't be offended if the referee refused to show them again – it's the rule! (as is the wearing of glasses and ear protectors!)

Competitors are able to read the official CPSA rules on the website to understand what to do if your gun or ammunition malfunction. CPSA General rules states that all member must "ensure that they are conversant with the rules relating to their discipline"

Find out what the cut-off time for entries is and, if you arrive near that time, please don't register, get your score sheet, and then spend the next hour in the clubhouse eating, drinking, and chatting with friends. Have a quick drink or take one with you whilst you shoot the course and then do the above, you'll not only have more to talk about and discuss, but you'll also have the appreciation of the referees.

Also remember that under rule 2.13 of the CPSA General Rules "Competitors must return all/any cards to the organisers whether they have completed the course or not". For the referees and ground staff there is nothing more frustrating than waiting around for a competitor only to find out that they completed only half the course and then left, but did not inform the ground's office staff or return their card.

I would like to remind you all to please read and understand the rules relating to your shooting discipline, show a little common courtesy and deference towards the referee, ensure that the bins are used correctly, be aware of any cut-off times, and follow the rules regarding scorecards. All of this will be greatly appreciated by all at the ground, and go a long way to making the day a more memorable and pleasant one for all concerned. 🍀

Always  
pay attention  
when waiting  
your turn to  
shoot.
