# WELCOME

The championship season is now well and truly upon us, and we are seeing some amazing scores already to wet the appetite for the next few months of the season!

The English Open ESP took place at Eriswell Lodge during May with almost 1,200 shooters taking part, but Richard Faulds' 115ex120 on day one proved to be unbeatable and saw him crowned EO ESP Champion for the seventh time in his illustrious career.

Following this, we had the EO Skeet Doubles at Dartford Clay Shooting Club with three shooters all recording the perfect 100 and Peter Chester retaining his 2022 title following a shoot-off with Becky Kibble.

The start of June saw the EO Sporttrap at Barbury Shooting School with some superb shooting again and Martin Myers taking the High Gun title with a huge 145ex150. June also sees us at the DTL Weekend, the EO Olympic Trap, the EO FITASC Sporting and the EO ABT and these will be reported on in forthcoming issues.

In between all of this, we returned to the Northern Shooting Show with our clayline and introduced nearly 400 people to our sport under the professional guidance of our qualified instructors and you never know, we might see one of these as a champion in the future!

July brings no respite from the action with the World English Sporting at E.J. Churchill's from 1st – 8th, the British Open ESK at East Yorkshire and then The Game Fair at Ragley Hall where we host our Champion of Champions and Colts Challenge events. Don't forget CPSA members can get discounted entry to the Game Fair by using code CPSA23 in the promotional code box when buying your tickets online.

## SAVE THE DATE: WORLD GUNMAKERS' EVENING SET TO RETURN THIS AUTUMN

The World Gunmakers' Evening returns for 2023 on Wednesday 8 November at The Armoury House in the heart of the City of London.

Originally founded in 2015, the repeatedly sold-out tabletop event brings together the best gunmakers and shooting brands from around the globe together with 500 guests for an evening of canapés and drinks.

The Armoury House is an 18th century manor house that's home to The Honourable Artillery Company. The Evening will be held in The Prince Consort Rooms, an impressive vaulted-ceiling former drill hall.

Event director James Gower commented: "We recognise what an important purchase a new gun is. It could be a once-in-a-lifetime purchase or you may be a collector, but either way it is vital to meet the people behind the brand. World Gunmakers' Evening is a very special event that connects master craftsmen from around the globe with British buyers who may not otherwise meet face-to-face. From a guest's perspective, there is no other event that offers the same opportunity for information gathering and networking."

Early bird tickets cost £95. After 30 September, tickets cost £120. For more information, visit [worldgunmakers.com](http://worldgunmakers.com)

## BENELLI SP'AUTO 2023

**T**he ever-popular Benelli SP'Auto was held for the second year running at Barbury Shooting School on Saturday 20 May 2023. Once again, we were blessed with beautiful weather and this added to the jovial atmosphere.

Barbury Shooting School designed a really enjoyable course, which was well thought out and provided plenty of variety. The Benelli SP'Auto allows full use of the auto's three shot capacity and there was a mixture of two and three target stands across the course.

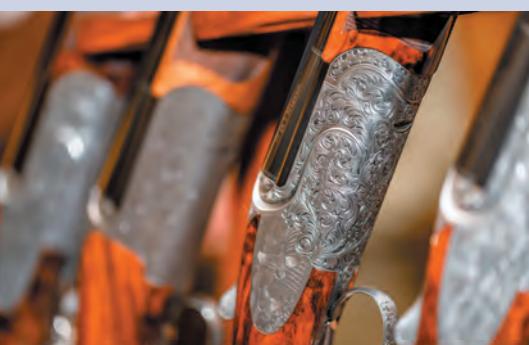

Karl Waktare, GMK's Managing Director, commented, "Barbury Shooting School has really done us proud again, with an exceptionally well run day. The shooting has been impressive and it's great to see so many people enjoying themselves with their autos."

Although, this year we couldn't replicate the crowd-pleasing end to the day that last year's shoot-off provided; everyone agreed the competition had

been excellent. Nathan Hales had lead for much of the day with a very impressive 95/100; only to be knocked off the top spot and finally relegated to fourth place after James Atwood clinched one more than him to finish on 96/100 and secure Bronze medal place. This was then followed by James Bradley Day slipping into Silver, producing an incredible 99/100, surely the winner any other day of the week. Not with Phil Gray in astounding form, shooting an unbelievable 100-straight to claim High Gun.

GMK would like to thank all the shooters who entered and the sponsors for their generous support of the event who were, Eley Cartridge and Benelli. The event was a great success which would not have been possible without the support of Barbury Shooting School and our generous sponsors.

## ROSS HOLMES WINS CORONATION CUP AT NORTHERN SHOOTING SHOW

Ross Holmes has been awarded overall High Gun in the Coronation Cup, an open-entry 50 bird competition organised by E.J. Churchill to commemorate the King's Coronation at the Northern Shooting Show. The forester from Lancashire beat 88 other competitors, scoring an impressive 49x50 which saw him presented with £1,000 and Evolution shooting glasses courtesy of Sunglasses for Sport.

Runner-up was Frank Lawrison with a score of 48, ladies winner was Chelsea King with a score of 45 and 12-year-old Brae Taylor won the Junior category with a score of 42.

Rob Fenwick, managing director

at E.J. Churchill, commented: "Ross has been on fire lately so it was no surprise that he came and took the High Gun prize. After a 48 was posted ex 50, it was going to take something special to beat as the course was quite tricky and could easily snatch away a couple of targets. Ross was looking really confident and had been shooting well all weekend, he subsequently scored a 49 ex 50 only missing one clay from the whole layout. Subsequently other world class shots arrived to beat his score but the perfect round was needed. Well done Ross and good luck for the summer."

## THE NORTHERN SHOOTING SHOW REBRANDS AS THE NATIONAL SHOOTING SHOW

The Northern Shooting Show, the most popular consumer shooting event in the UK, has officially rebranded to become the National Shooting Show following this year's success. The event saw 22,317 visitors from across the country coming together to celebrate the best of shooting sports, and the new name reflects the show's growing popularity.

First held in 2016, The National Shooting Show is an annual event that brings together shooting enthusiasts, industry professionals, and businesses from all over the UK. It features a wide range of activities, from competitions and demonstrations to talks and workshops, catering to the diverse interests of its visitors. With the rebrand, organisers Stable Events demonstrate their commitment to attracting visitors to showcase what the UK has to offer in shooting sports.

In 2023 event organisers introduced mini rifle shooting, .50 cal have-a-go, big prize money clay shooting competitions and hosted the World HFT Championships, drawing in a bigger audience than ever before. Plans for 2024 are well underway when the event promises to introduce further competitions and opportunities to pull the trigger, alongside the largest selection of shooting retail available at any specialist show in the UK. The number of disciplines on show and available to try will also increase dramatically including a dedicated zone for stalking and another for pest control.

"The show has come a long way since its inception, and we are thrilled to rebrand it to the National Shooting Show to reflect its growing popularity and nationwide reach," said organiser James Gower, Stable Events' managing director. "We are committed to making the National Shooting Show the ultimate destination for anyone who loves shooting sports, retaining our venue in the north to welcome seasoned professionals or those just starting out. With the support of our partners and sponsors, we are confident that the show will continue to grow and showcase the best of the UK's shooting industry."

**O**n a bright sunny Saturday 20 May 2023 East Kent's Provincial Clay Shooting Team hosted a visit from the Province of Sussex's Clay Shooting Team. This was a return shoot as each year both provinces take it in turn to host each other for their annual clay shoot. This year we met at Hawley Clay Shooting Ground near Dartford, Kent where the owner, Andy, had arranged a 100-clay competition over 10 stands. After the obligatory bacon rolls and tea/coffee we were all split into 4 squads and headed off to stand 1 which did lead us into a

little over confidence as these clays were quite straight forward, little did we know that the remaining 9 stands were to prove somewhat more challenging as several score cards confirm. Clay shooting is a little like other single player sports where you are competing against others but also challenging yourself so after a bad shot you must move on and concentrate on the next one, a skill that many forget.

One hundred clays each later we all met up once more to enjoy some refreshments while the score cards were collated with some very good scores. High Gun Overall went to Dave Scales from Sussex with 89/100 with East Kent's Steve Ball close behind with 84/100. As always in Masonic competitions we take the top three scores from each team and on this occasion East Kent were the winners scoring 244/300 with Sussex coming in close behind with 230/300. Next year we visit Sussex at Northall Clay Shooting Ground, which is one of our favourite grounds but this year was great fun as usual, perfect shooting conditions, great company and of course 'it's always nice to win'.

Winning Scores; Steve Ball 84, Rob Styles 82, Martin Lane 78 244/300 East Kent, Dave Scales 89, Will Smith 73, Neil Jelliff 68, 230/300 Sussex.

Both provinces are always looking for new members and as in all masonic competitions there are trophies for ladies, juniors as well as non-masonic shooters. Visit the national web site to seek a society near you.

### 687 SILVER PIGEON 5 FROM £4,350

Incorporating many new features, including oversize controls and enlarged loading ports, the pistol grip and forend have been reshaped for more dynamic handling and the rib has undergone a redesign for competition use.

# ENGLISH OPEN ENGLISH SPORTING

**O**lympic gold medallist and multiple world champion Richard Faulds MBE proved there's life in the old dog yet, by winning the 2023 English Open English Sporting Championship held at Eriswell Lodge Shooting Ground near Brandon in Suffolk from 17 to 21 May. The 46-year-old, who first shot for Britain at the age of 13, tackled the English Open on the first morning and put in a scorching 115 ex-200 on the challenging 15-stand course.

Over the coming days more than 1,000 shooters tried their best, but failed to match his remarkable performance. England lady shooter Cheryl Hall summed up the mood saying: "I don't know how Richard shot 115. It's just not there!"

At other events, Richard might have needed to fight on to retain his title, shooting a final and super-final. But this year's English Open was shot on a 'first past the post' basis, meaning his clear lead gave him the win outright. CPSA CEO Iain Parker explained: "There was much debate about the format of the competition, and the decision was made that you come along and shoot, you put your score in, and it is first past the post, with shoot-offs at the end if needed.

The system that we had previously was a bit of a halfway house between that and the British Open, with a qualification and then a super-final.

I think this is the right format for the English, and we've had a lot of positive comments."

Indeed positive comments were flowing, not just about the format but also the ground itself, the layout and targets, and the facilities with a huge clubhouse offering a spacious shop and cafe where shooters could relax and refresh themselves after their round.

Stuart Smith, whose family own the ground, explained that it was a fine balance to set the course right. "We have to set it to challenge the best of the best in the country, but it's really important to keep it entertaining for everyone else as well. There's only a handful of shooters that could win an event like this, but everybody else needs to have a good day too."

Judging by the feedback, he had got it about right. "For the most part people are coming off the course saying they've thoroughly enjoyed themselves, didn't shoot terribly well, but have loved it. There's a lot of laughter on the course, which is really important to me," Stuart added.

Conditions remained reasonable throughout the event, with plenty of blue skies, little rain, and a stiff breeze keeping shooters on their toes. The military provided some entertainment with fighter jets occasionally taking off noisily from the adjacent RAF Lakenheath air base.

The course was more compact than some, starting near the clubhouse and winding through woodland before emerging into the open behind the Skeet ranges on the return leg, with the

final Stand 15 just a short walk from the clubhouse. If the walk looked a little daunting, there were plenty of golf buggies for hire. Stuart and his team had worked hard to get everything looking perfect, with clear signage, neat fencing and tubs of flowers adding a dash of colour. A nice touch was that all the traps were hidden from view, with targets appearing from behind fencing or natural foliage. Around the clubhouse itself was a busy trade stand area with sponsors' flags fluttering in the breeze.

The CPSA were keen to express their gratitude for the generous support of sponsors Browning, Eley Hawk, Swatcom, Schöffel and Le Chameau who provided guns, cartridges, hearing protection and clothing vouchers as prizes as well as contributing to the prize fund. The association was also grateful to Teague Precision Chokes and Shots & Co for support with the daily raffle prizes.

As for the targets, a couple of stands quickly became notorious for being particularly tricky. "The simultaneous pair on Stand 3 was designed to be one of the harder ones," Stuart agreed. This was a pair of crossers going from right to left at a fair lick; they started at a good ➤

distance from the shooter and only got further away the longer you left them.

Another problematic target was the 'squirrel' on Stand 6. That one came on report after a left-to right quartering away target. A rabbit clay, it rolled across in front of the shooter so slowly that it was hard not to miss in front. A few stands on, another rabbit clay caused some head-scratching. This one hit a ramp behind straw bales, taking off almost vertically to appear above the bales heading skywards before quickly dropping from view again.

Stand 12's incoming simultaneous pair caught out a good few shooters, but perhaps the hardest of all was the looper on Stand 14, thrown from a bank. "It's about 20 metres in the air and it goes up before it comes down, so it's a long way," says Stuart. After that shooters were treated to Stand 15, shot from a raised platform, with a fairly straightforward crosser and rabbit on report, both of which dissolved into a satisfying cloud of dust when hit. It served to lift the spirits before heading back to the clubhouse to think about what might have been!

Plenty of big names shot the course through the week, but none could match Faulds' 115. On the first day, Phil Gray and James Attwood came close with 113, while George Digweed MBE shot 107. Dave Carrie led the Super Veterans category with 100 ex-120, while Amy Easeman topped Ladies with 99. In Juniors, Henry Lungley put in a strong 103, while in Colts John Porter shot a huge 108.

That day really set the benchmark for the remainder of the championship.

Day two saw Nick Portlock shoot 113 to tie with Phil Gray and James Attwood in second place. Jacob O'Loughlin took the lead in Juniors with a superb 110, and Steve Brightwell rose to the top in Super Veterans with 109. ▶

The following day Philip Thorrold joined the shooters in second place with 113, and also won the daily prize draw of a cartridge-shaped bottle of sloe gin from sponsors Shots & Co. Charlotte Kerwood took the lead in Ladies with 100. Throughout the event scores were posted promptly on the CPSA website as well as displayed on screens in the clubhouse, so you could follow the progress of the championship whether you were on the ground or far away.

On day four the first squads set off slightly ahead of schedule and once again the competition ran like clockwork, but the leaderboard remained unchanged. Former World Champion Sam Green commented: "Eriswell Lodge have done a really good job, the course is set fantastically. I let a couple away on Stand 3, after that I was letting the odd one slip away, struggling to straight stands. I had a bit of a mare on the final corner with a couple of incomers, and ended on 107 which is OK but won't win any prizes."

The final day dawned with a handful of big names still to compete. The sun shone, and the breeze was still blowing. Another former World Champion, Richard Bunning, started well but before long it was clear he wouldn't be among the prizes. "It's been a lovely round of clays," he said. "Technical, and I've thoroughly enjoyed it. I finished on 109. I could have had a few more, but [Faulds'] 115 is a great score. I'll be amazed if it's beaten. I think he's got it in the bag."

Billy Baughan too had plenty of compliments for the shoot as he came off Stand 15, commenting that it ran well without hold-ups – but he too felt he could have shot better, finishing out of the running on 106.

At the end, Richard Bunning's 109 was the top score of the day, leaving Richard Faulds the outright winner. A gripping shoot-off settled the positions beneath him, with James Attwood taking the runner-up spot and Nick Portlock overall third as well as scooping Veterans. Charlotte Kerwood secured first place in Ladies, with Lucy Earl taking Lady Juniors. Steve Brightwell won Super Veterans, and Juniors went to Jacob O'Loughlin, with John Porter taking Colts.

It had been a cracking week of shooting, with a suitably challenging and enjoyable course in a fantastic setting – a fitting start to the Sporting season that we are looking forward to, not least the World Championships at EJ Churchill in July. All credit to the Champion, Richard Faulds, for shooting a score that proved unbeatable throughout the event. For full results from the English Open Sporting, see the CPSA website.

# ENGLISH OPEN SKEET DOUBLES

CPSA South East Region Director **Peter Saich** reports on the event at Dartford Gun Club on 27 and 28 May.

The shooting started in good weather conditions on Saturday morning, with just enough variable breeze to make the competitors concentrate and watch the targets. Amongst the Saturday competitors were the Team from Eriswell Lodge, relaxing after their hard week running the English Open Sporting and at the end of the day, four of their squad were category leaders. Stuart Smith led the Seniors on 98, Henry Lungley was top Junior on 96, leading Veteran on 92 was Rob Manning and Melissa Smith was leading lady whose qualifying score placed her in AA Class for the day!

After a quiet day on Saturday when you could even hear a Cuckoo enjoying the sunshine, Sunday had a

 A shoot off was also needed to separate Ray Simmons and Martin Brister. 

full day's shooting with an increasingly strong wind, 'flattening' some targets and again needing concentration from the shooters.

James Attwood, fresh from finishing Runner-up at the English Open Sporting was shooting on Peg 1, Round one on Sunday and made the perfect start to the day with the first 100 straight. The ever-reliable Peter Chester shooting at lunchtime scored another 100, and shooting in one of the later squads, Becky Kibble recorded her first 100 straight at Doubles.

James Attwood elected not to return, leaving Peter

Chester and Becky Kibble in the 'sudden death' shoot-off over alternate pairs on peg 4. Peter shot first, hitting all four, then Becky missed her only target of the day on the second pair giving Peter victory for the second year running. Becky of course won the Ladies Title and was top of A Class for good measure.

A shoot off was also needed to separate Ray Simmons and Martin Brister who had both recorded 95 in the Veteran's category. Ray shot first and again hit all four, while Martin missed one, leaving Ray to pick up the title.

James Attwood (100) was top of AA Class. B Class winner was Mark Porter on

95, and C Class was won by Rick Travers on 92.

Other notable scores of the weekend were Matthew Morgan, scoring the only 99 and just missing out on the shoot offs. Sonny Bowman won Juniors on 98. Henry Lungley was second on 96. Isabel Cartlidge won the Colts category last year and was placed third with 95 in her first season as a Junior, and was also second in the Ladies Class. Shooting late on Sunday, Alice Marks hit 93 to take third place in the Ladies, making it a good day all round for the Juniors.

Peter Saich assisted by Kelly Hockey and Steve Williams made the final presentations and thanked the large crowd who had remained for the prizegiving, and also thanked the Dartford Gun Club team including catering, range staff and referees.

# ENGLISH OPEN SPORTRAP

The event saw nearly 300 competitors travel to this award winning ground for three days of tough competition in the English Open Sporttrap.

**Matt Kidd** reports.

**O**n 2-4 June Barbury Shooting School (the CPSA's 2023 Ground of the Year winner) played host to this year's hotly contested English Open Sporttrap competition amid beautiful weather conditions. Set amid the stunning Marlborough Downs, the ground saw almost 300 clay shooters of all classes from across the country test their skills and experience against six varied and exciting 25-target layouts comprising a total of 150 clays. Starting on the north side of the ground, good scores were

typically set over the first two layouts, with the majority of the competitors coming unstuck on layouts 3, 4 and 5, which were positioned on the south side of the ground. There were some particularly challenging targets – the teal on layout 3, for example – a pair designed to test the very best. On the final layout, a rare blue clay added a little extra excitement from trap C, and it was particularly difficult to spot against a similarly blue-sky backdrop on the Sunday afternoon. Though it was the crossing midi from E which appeared to cause the most difficulty in the gusty conditions over the three days.

Barbury's two-time award-winning course setter, Josh Brown, commented: "In terms of setting the course, we tried to make it fun and innovative while striking a balance in difficulty. We didn't want the majority of shooters hitting every target, nor did we want to make it too hard that people were blanking stands by putting in fast, edge-on clays that were very far away. Looking at the final scores and listening to the feedback, we are really happy with how it went."

With approximately 50,000 clays being thrown over the three days, it was evident just how hard all in the Barbury team worked in order to make the event run as smoothly as possible, from checking-in to ensuring there was little

to no delays on layout while traps were filled or groups completed their turns. It was also noted how welcoming and accommodating the staff were to all.

Under a cloudless sky on the final afternoon, a shoot off between Richard Faulds and Phil Gray, and Nathan Skinner and Shaun Stacey ensued in front of a large crowd – the latter going into sudden death – before the final prize giving was held with trophies presented by CPSA sponsor SWATCOM's Keith Foote. Claiming the overall High Gun of the event with an unmatched 145/150 was Martin Myers, with overall runner-up awarded to Nathan Skinner (144) and Third Shaun Stacey (144).

During the speeches special thanks were given to each of the headline sponsors for their generous prize donations and support; Eley Hawk, Browning, SWATCOM, Le Chameau and Schöffel Country.

# KEVIN GILL MEMORIAL TROPHY

This tense competition took place in a friendly environment and saw some generous gestures in a fitting tribute to a great name of British shooting. By **Richard Faulks**.

**T**he Kevin Gill Memorial Trophy took place in May at the East Yorkshire Clay Shooting Ground near Beverley. This is one of the friendliest and best-kept grounds in the country, with impressive facilities and there was a great atmosphere for the duration of the event. Perhaps the relaxed atmosphere was because of the nature of the competition – which is to commemorate Kevin Gill who shot trap disciplines for GB and England and shot in the Olympics in 1992 and 1996 and went on to become a renowned coach for British Shooting, before he sadly passed away, aged 58, in April 2020.

The Trophy is awarded to the highest score x300 over the three days of competition and over three trap disciplines. Day one is Universal Trench, day two is Olympic Trap and the final day is Automatic Ball Trap. These are the three disciplines that Kevin shot in his illustrious career. The final day also has the Super Final whose

winner takes home a Caesar Guerini gun. The highest scorer from each of the three days and disciplines is invited to the shoot-off, though there has never yet been a Super Final with three different shooters – would this year be the first? Day

one's UT was won by David Sipling with 98x100 and day two's OT was won by David Kirk with 96x100 so we would have to wait to see if another competitor could secure the third place to join them.

## TENSE TIMES

The weather had been changeable for the first two days with wind and rain, but day three was altogether better with sun and a light breeze. By lunchtime there were a few contestants that could

still top the leaderboard for the final day and a place in the Super Final. David Sipling's great form continued and he straightened the first two layouts – Ian Woodhead was only one target away from him with a similar two layouts to go and Cory Doble was in the running too.

I followed squad seven to see how some of the front-runners would fair under the pressure of competition for their final layout. David was still the one to beat and he shot a perfect 25x25 on his third layout and was possibly on to straight the course – but there were others only a target away. Then early on in the final round, David had a second barrel at a target and then on peg three he mis-read a low target out to the left and it escaped unscathed. Meanwhile

**Left:** David Sipling, winner of the Kevin Gill Memorial Trophy. **Above:** Matt Panter from Caesar Guerini (left) and Anne Phillips (right)

Mark Shaw, who was in the same squad, had two targets that needed a second barrel and a rare no-bird, but he held his concentration – it was going to be a close finish with no margin for error now. In the end though David held his nerve and convincingly broke the remaining targets from his fourth layout and finished the day on 99x100 to win the ABT and in doing so also managed to secure the Kevin Gill Trophy with a very impressive 290x300 – one target ahead of David Beattie's 289x300. David Kirk and Ian Moore would have to shoot-off for third place with their 284x300s.

### COMPETING FOR THE BIG PRIZE

The shoot-offs were set, and it again would be a two shooter event for the Super Final and David Kirk would be in both events. The third place shoot-off was first and Ian Moore managed to take that by one target. The Super Final was next and the first person to blink was David Sipley who dropped a target early on. David Kirk was shooting well and hadn't missed before the last target for the Caesar Guerini gun. He'd been shooting so well, but these are high pressure moments and the final target managed to evade his shot and that forced a sudden-death round. Kirk was the first to shoot and unfortunately for him after another missed target Sipley had his chance to secure his second trophy and the grand prize of the Caesar Guerini. In a remarkable display of composure he did exactly what was necessary and broke the clay centre pattern. The Senior category went to David Kirk, the Ladies to Anne Phillips, the Veterans to Paul Jenkins, Junior Ladies to Leah Southall and finally the Junior Mens to Cory Doble.

### CONTINUING KEVIN'S LEGACY

It was a superbly run event thanks to the Hall family who own the ground, and also the sponsors of the event – Eley Cartridges, Caesar Guerini and Teague Chokes. More than £600 was raised for The British Heart Foundation, Cancer Research and the Alzheimer's Society charities from the pool shoot and donations.

Another really kind gesture was when David Sipley donated the Caesar Guerini gun to help finance Lewis Kirk to go to the World Championships in Spain. As David pointed out Kevin Gill was always keen to bring on new talent, and this would help to continue that legacy.

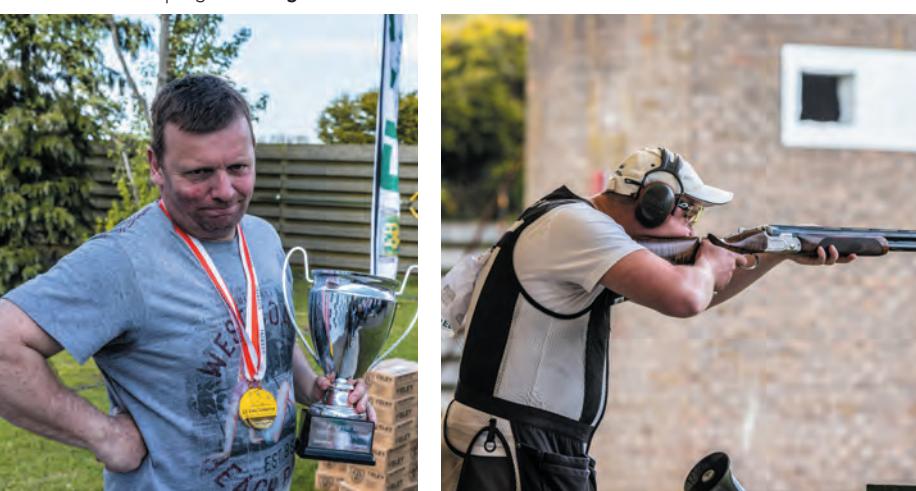

The CPSA's Iain Parker summed the event up perfectly when he said, "It's a really good trap competition they put on here – fantastic for the charities and fantastic for the memory of Kevin".

## FITASC SPORTING

The FSP European Championships was hosted at Limassol, Cyprus, with approximately 472 competitors from 31 countries competing in hot, and sometimes blustery conditions over a challenging course set by Jamie Peckham.

**Team Members:** Veteran Team: Gold – Stephen Williams, Michael Harding, Andy Armstrong

Senior Team: Silver – Shaun Stacey, Philip Rowbottom, Anthony Dean

Men's Team: Bronze – Ben Husthwaite, Adrian Parkin Coates, Phil Gray, Roy Cherry

Ladies Team: Bronze Catherine Smalley (New Cap), Emma Stacey, Annalise Evans

Junior Team: Bronze – Ali Turnbull (New Cap), Ben Cumming, Rhys Harrison (New Cap)

### Individual Medallists:

Stephen Williams: Veteran – Gold. Neville Jay: Masters – Gold. Tony Manvell: Veteran – Silver. JRG Smith: Masters – Silver. George Digweed: Senior – Bronze

JRG Smith led the field over the first three days in the Individual Masters, Neville Jay caught up on the last day to finish on a level score, going on to beat JRG

in the shoot-off, giving GBR Gold and Silver. The Masters finished with five of the top six places taken by GBR!

The Veteran Individual also put in a good result, with four of the top six spots taken by GBR. Headed up by Stephen Williams who finished ahead of Tony Manvell, the two having been chasing each other over the four days.

All the team members put in a good showing, proven in the results, with every team coming away with a medal.

Joint Team Manager, Matt Hance commented post competition: British shooters certainly did our country proud by featuring in each and every category both as teams and individuals, which in my opinion just shows how powerful and productive team spirit can be.

"The terrain Limassol Shooting Ground have at their disposal is just ridiculous, and you couldn't fail to be in awe of the way the targets were presented. It certainly gave us all something to think about."

## TRIAL SELECTION/SQUADING SYSTEM FOR FSP

FSP selection for the squad of those that confirmed they could attend the ECH were

taken from the results from British Grand Prix at Hodnet, plus one other result from one of the previous three selection shoots.

The ECH teams of four Men and three for each of Women, Junior, Senior and Veteran teams were selected from the squad of the top eight Men and top six in Ladies, Junior, Senior and Veterans. All remaining squad members were reserves. The entire squad marched in uniform at the opening ceremony, as is the norm for some other

countries, giving tremendous support to the team members.

All squad members were included in a WhatsApp group, so there were potentially 30 people who could answer questions raised with the squad.

Joint Team Manager, Nick Woodward commented: "It brought the team together, boosted morale and created a brilliant spirit within the squad."

Matt Hance commented: "The atmosphere at the opening ceremony in Limassol Old Port was one of camaraderie, hope and expectation."

The ECH scores are to be used for the World Championship final selection of the squad which will be as per the ECH selection process.

See the BICTSF website for full GB team selection and eligibility criteria.

## FITASC ZZ HELICE

The ZZ European Championships was hosted at Ghedi, Italy, with approximately 221 competitors from ten countries.

### Team Members

Men's Team, Gold: Richard Cadey (NC), Tom Gridley, Charles Pomfret.

Senior Team, Silver: Carl Miles, Andrew Stratford, Kevin Tyler.

Ladies Team, Silver: Jane Bell, Dionne Rogers, Jo Watson-Hopkinson.

Veteran Team, Bronze: Steve Cole, Paul Colley, Clifford Goodwyn.

Junior Team: Bradley Abrey, Jensen King.

### Individual Medallists

Clifford Goodwyn: Veteran – Gold. Clifford Goodman not only won gold in the Veteran category, but was also involved in a hotly contested seven way shoot-off for bronze in the Open category.

It is some years since a junior ZZ team member has moved on to be a senior team member, but Charles Pomfret has achieved this aplomb.

It was a shame we only had two juniors competing, as they were only two targets of the silver medal team!

Bradley Abrey was just one target off the medals in the Juniors.

Preceding the ZZ ECH was the Grand Prix Italy. There

were some real tussles for the medals:

Open: After a three way shoot-off, Andrew Stratford won gold 20+13, and Alasdair won bronze post a two way shoot-off.

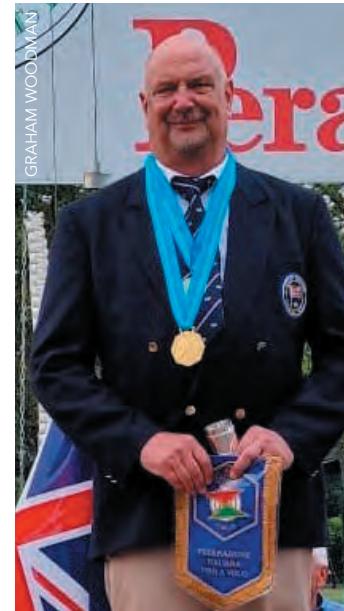

Junior: Jensen King won gold after winning a two way shoot-off with Andrea Lodovisi (ITA) 18+7

Senior: Andrew Stratford took his second gold without a shoot-off, with Donovan Jenkin and Robert Arnold missing out on a silver after a ten way shoot-off.

Veteran: Clifford Goodwin missed out on a medal after a four way shoot-off for the podium.

# PREVIEW BRITISH OPEN ENGLISH SPORTING

A preview of the event at Garlands Shooting Ground

Our final Sporting championship of the season sees us return to Garlands Shooting Ground in Staffordshire, home of the British Open English Sporting 2020, where Steve Lovatt from The Clay Shooting Company, will once again be setting the targets for the British Open Sporting & Sporttrap.

David Ferriman took the high gun honours back in 2020 and added a new name to the prestigious Daily Telegraph cup and set the wheels in motion for two more new names on the cup with Brody Woollard in 2021 and Sam Usher in 2022. Will Sam defend his title this year or will we see another new name on the cup or the return of one of the former title holders?

Let's not forget about the British Open Sporttrap too, running alongside the ESP and another title fiercely fought for. James Attwood took the honours

when we were last at Garlands, followed by Richard Faulds MBE in 2021 and George Digweed MBE in 2022. Will George defend his title in 2023?

One thing is for sure and that's all of these guys are winners and will compete strongly to win not just one title but both – now that would be something to see!

Steve Lovatt is excited to be hosting us again at Garlands and has been opening up parts of the ground in order to provide new places for us to shoot and no doubt add in a few surprises along the way.

The Sporting will be its usual 120 target course, shot from Wednesday 30th August to Sunday 3rd September with the top five shooters from each class (AAA, AA, A, B & C Class) and the top three from each category (Super Veterans, Veterans, Ladies, Juniors & Colts with the top one from Disabled

Sitting and Standing and the 3rd next highest from either Disabled category) from each day being invited to compete in the final on Sunday. The scores will be reset to zero and a new 75-target course will be shot.

The top six shooters from the final will then be invited to a six-person Super Final, with their scores from the 75-target final carrying through, to compete for the title of overall High Gun and British Open Champion 2023.

The British Open Sporttrap runs concurrently from Wednesday to Saturday with 100 targets being shot over four 25-target layouts.

We are delighted to welcome back our headline sponsors Swatcom, Eley, Schöffel & Le Chameau and welcome for the first time to the British Open, Browning who have all contributed generously to the prize fund with cash and prizes. We also want to thank our other sponsors, Teague Precision Chokes and Promatic for their continued support at our events during 2023. As per our other major sporting championships this year, if you are a category winner then you must be present at the final in order to claim your prizes, otherwise they will be forfeit.

We look forward to seeing you at Garlands for the finale of the 2023 championship season!

## – CPSA SPONSORS – **LE CHAMEAU**

Le Chameau brand director **Marcus Janssen** tells us about the company and the plans for the future.

### **Q Tell us a little bit about Le Chameau, and what you have been up to in the last year?**

Le Chameau is the only Wellington boot brand in the world where every single pair is exclusively handcrafted by a master bootmaker in our own factory. We don't outsource anything to external third-party factories so we have complete control over production. In a nutshell, I would say we are the world's premier rubber boot brand.

Over the last couple years we have worked very hard to diversify our offerings, and now we have an exceptional range of really strong, premium leather footwear too. For example, in spring we launched our new men's and ladies' deck shoes, which are selling really well, along with Chelsea boots and technical boots. The majority of leather goods are handmade in Portugal, while the technical leather offerings – including a best-in-class boot designed specifically for country sports that will be launched very soon – are crafted by specialists in Italy who are renowned for making the best footwear in the world. In addition to that we

have been developing some new eco-friendly, sustainable products, such as linings and soles, which we are really excited about.

Essentially, what we do at Le Chameau is take our core customer – which is a shooting person – and design and develop products with their needs at the very centre, adhering to our three main principles, which are comfort, quality and durability.

### **Q What are your most popular products for clay shooters in 2023?**

Firstly, it would have to be our all-time best-selling product, the Vierzonord rubber boot with the gusset, adjustable strap and neoprene lining. It is a brilliant product which crosses all markets and demographics, from equestrian to farming and clay shooting, worn by both men and women, and it is a boot we see people wearing all year round in all conditions.

For clay shooting you don't really need a technical product, with fit and comfort being the main considerations. As such, with a higher percentage of

rubber than any of our competitors there is more elasticity in our rubber boots, we also offer four different linings, a vast array of sizes, and require calf measurements in some of the more premium products, making sure they are as comfortable as they can be. With that in mind, we are seeing our leather shoes and boots worn on clay shoots when conditions are dry, again because they have been designed to be extremely comfortable and durable. Indeed, whatever people want to shoot in, we feel we now have everything catered for, and all of our products are made to last and get comfier and comfier the more you wear them.

### **Q What advice would you give to someone purchasing footwear for competition shooting?**

Fit is number one. Finding the right product that fits your foot shape and calf size (if applicable) is key; you don't want anything flapping

about, nor do you want to be distracted by feet issues in competition. Next you need to match the product with the season – think sole, lining, technical properties etc. – and the application you will use it for most. Always buy with purpose.

To find out more please visit [lechameau.com](http://lechameau.com)

### **Q How do you support and encourage youth and newcomers to the world of clay shooting?**

Our sponsorship of the CPSA is part of that and we provide top prizes for all categories in the competitions we support. Also, through our videos and storytelling on social media – in conjunction with our sister brand Schöffel Country – we aim to educate people in the various disciplines of shooting and wider country sports. Through this medium we are able to present shooting and the wider country sports as the fun and rewarding activities we all know them to be.

We will have senior members of our team in attendance at the British Sporting Championships and World English Sporting Championships, with whom you can talk about our products in great detail. You can also head to any of our retailers around the country, who have been educated on the products and can offer great advice to help with your purchasing.

# HOW TO HIT

# SUPER SPORTING

Welcome to this special one-off article, sponsored by Browning, on the newly registered discipline of Super Sporting.

SPONSORED BY  
**BROWNING**

**Left:** Browning sponsored shooters Amy Easeman & Josh Bridges, **Above:** CPSA CEO Iain Parker.

**S**uper Sporting is governed by the same rules as English Sporting, however there are some major differences to the format. The first one, and certainly the most significant, is that there must be a minimum of three traps per stand, lettered A, B C and so on. The targets on each stand can consist of singles, on-report pairs, following pairs and simultaneous pairs and there must be a minimum of 20% of the targets thrown as singles within the round.

Unlike Sporttrap and FITASC Sporting, the shooter will shoot the entire menu when it is their turn before rotating to the next person in the squad. The beauty of Super Sporting is that the repetition isn't there, so you have completely different targets each time you shoot. It's up to you to remember which order they come in and with the simultaneous pairs, which way round to shoot them.

As you can see from the sample menu board, the course setter has much greater freedom to put on varying targets to make the shoot interesting and challenging as you really need to focus on what is coming next each time you reload.

In this case, we have three singles followed by two on-report pairs and finally a sim pair with the single targets being described if they are not standard size clays. Also, on the single targets you have full use of the gun i.e. you can take a second shot at the single if required!

When the first shooter enters the stand, the Referee will show each of the

targets as singles only so A, then B, then C etc. Unlike English Sporting, you will not be able to view the simultaneous pairs, so it is entirely up to you to remember where they are coming from and in which order to shoot them.

Variety is the key word here, with the course setter having the flexibility to put on various targets on the same stand. CPSA CEO Iain Parker agreed: "Being able to put on several different targets makes it interesting to shoot and it

has been our fastest growing discipline this year.

Having single targets with full use of the gun also gives people the

chance to build their scores.

We are excited to have incorporated it into our World Sporting championships at E J Churchills in July with B & P cartridges sponsoring the 100-target competition and in the future we will definitely consider holding English & British Open Super Sporting championships!

# A BALANCING ACT

Are you training enough or too much? As **Anita North** explains there are many areas of your preparation where analysing what actually works could improve your performance.

**G**etting the balance right in every respect can make all the difference to your enjoyment and participation in clay shooting. When I start to consider balance, there are a number of things that spring to mind. There's the physical balance – your balance when you are shooting. There's the work balance – training versus competing. There's training balance – at and away from the shooting ground, balancing sessions shooting with and without your coach. There's finding the right balance for your energy, time and finances! Is your gun balanced for you? Does your ammunition have the right balance of price and performance for you? There are so many other things that I could think about but here are a few thoughts for you.

## TRAINING VERSUS COMPETING

We are all different and as such we may find different levels of training and competing activities will work for us. Remember the reason for your training – to be at your best and fully prepared to perform when needed. Some people thrive on a high volume of training and/or competing while others can start to lose their keenness/interest if they do too much training and so toning it down before a big competition works better for them. Some people find they bounce well from one competition to the next and the next, with little or no training in between. So how do you get the correct balance in your training plan? If you haven't already worked on it – stand back and work out what makes you tick, what best prepares you to be your best, what balance works for you. Perhaps some analysis of when you have performed well in competition and what your preparation was like would help? And vice versa – you may be surprised by the results.

## TRAINING SMART

When you are working on developing to be the best in your shooting, remember that not all training is done at the shooting ground. Valuable work can be done away from the ground, so it is good to have a balance of both in your training plan. Work put in on some physical and mental training can pay dividends in the results when you pull the trigger. So how balanced is your training? Have a look at what you do and consider things that you could bring into your training away from the ground to help your shooting with a well-balanced training plan. ▶

Getting the balance right can make all the difference to your enjoyment in clay shooting.

## A MATTER OF POISE

It's important to have a good, balanced stance in shooting – a strong core and strong legs (soft knees, strong legs) will give you a good stable base for movement. How much attention have you paid to the way that you stand when you are shooting? What influence does your footwear have on your shooting? How consistent are you? Does your weight shift when you rotate on targets sending you off balance? How about you pay some attention and do some work on it to help your shooting.

Here's something to try in your training. Start with gun mount practice and move on to actual shooting (ground surface permitting) WITHOUT shoes. It can be a very useful exercise to do this (of course only in a training environment). You may just be surprised at how you become so much more aware of how involved in the shooting process your feet are, how solid and balanced your stance is/is not. Give it a go and see how much you learn. You could also try using different footwear and see if that influences your stance and your balance, especially when you rotate onto clays.

 You can take that footwork up a level by bringing in a balance pad into gun mount practice. 

## REMEMBER WHY YOU SHOOT

It is very easy to become your own biggest critic, to focus on the things you do wrong or don't do well. But you can balance this with thoughts about what you do well, things that you learn and maintaining a positive attitude. Just the fact you are working hard to improve deserves big praise. If you don't get the result you were expecting and if you are not on the podium or top of the podium as in your dream, but you have put in the work, perhaps shot your best score, then that's a win for you.

Another thing to always bear in mind is the balance of work and play. Yes training can be hard work, but you can also have lots of fun while you work, while you learn. Why do you do your sport? Why do you shoot a certain discipline? Is it because of the enjoyment, of the fun or happiness that it brings to you? Just remind yourself of this, indeed take this attitude with you each and every time you go out shooting. You are doing something that you love doing and life can't get much better than that, can it?

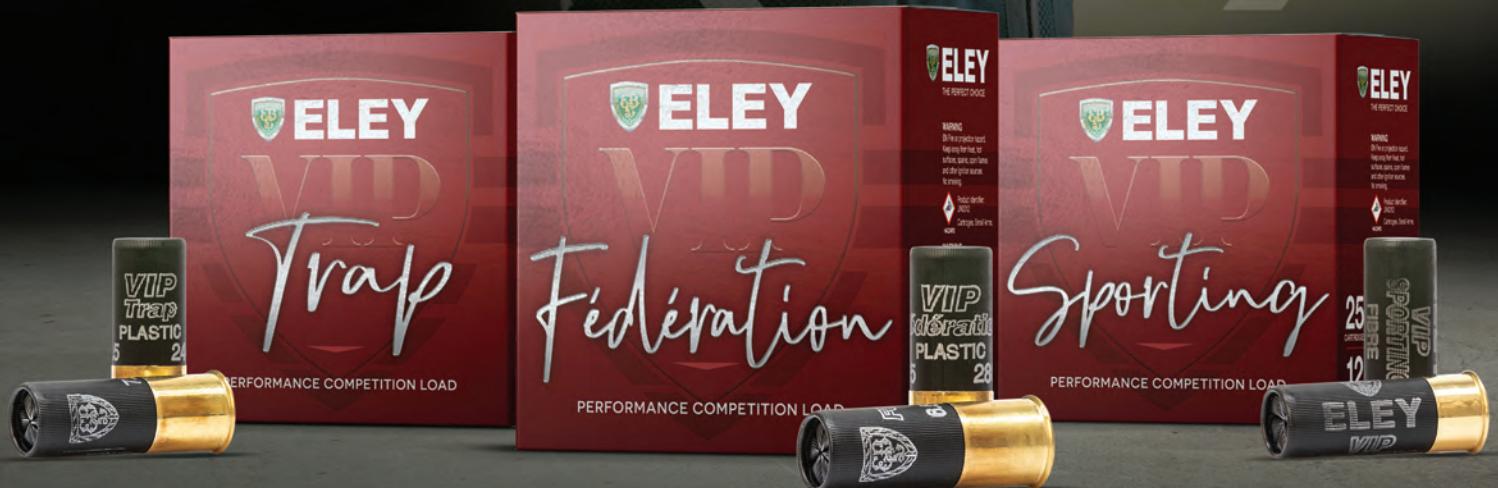

To help this it is worth noting down after each time you shoot things you've learned and things you've done well (you should be able to come up with three of each). It is great to be able to go back and remind ourselves of these things and these notes should also help you with your training plan.

## KEEP SMILING

You can take that footwork up a level by bringing in a balance pad into gun mount practice and physical training, not into actually shooting clays. A balance pad (or mat) is a rectangular foam pad approximately 5cm deep that you stand on (without shoes). Add one into your gun mount practice and suddenly you are more aware of how stable you are in your stance and any changes in your balance will be amplified – you will feel if your weight shifts from front to back or the other way. When you move you want to do so efficiently in a way that does not bring lots of tension. If weight shifts back then this can bring you off the line of the clay. Doing some of this training work on a balance mat will help you develop a good strong balanced stance and stable movement. You can get a balance pad from Amazon or a good sports shop and they retail at around £20. Make sure you get one big enough to accommodate your stance – around 50cm x 40 cm should do the job.

Have fun with your training and enjoy your clay shooting. Keep working on what's right for you, keep smiling, and enjoy finding your balance!

THE PERFECT CHOICE

# YOUNG SHOTS

by Henry Lungley

Right: Henry was Junior Champion at the 2023 CPSA English Open Skeet.

## MY GUN & CARTRIDGES

My gun is a Perazzi MX2000S. My cartridge of choice is the Lyalvale express Power gold in 8's and 9's.

My number one shooting highlight has got to be shooting in the England team last year in Scotland. I was part of the winning England Junior team and also won Junior High Gun Overall on a 148/150, making me Junior International High Gun. Another shooting highlight was retaining my Suffolk Skeet County Champion title and Mike Bradley title for second year in a row, shooting another 100-straight. Recently I have also been crowned the CPSA English Open Junior Skeet Champion.

## HOW I GOT INTO SHOOTING

I first started shooting when I was around ten years old. It was my Dad that first got me into it – he has been shooting since he was really young and when he first took me out in a pigeon hide I was hooked. I then started shooting Skeet at Eriswell Lodge where I met Peter Bloomfield, who became my Skeet coach and I wouldn't be where I am now without him.

## MY SHOOTING HIGHLIGHTS AND ACHIEVEMENTS

### MY TOP TIPS

**TIP 1** Make sure you are always enjoying it because if you're not there is no point doing it.

**TIP 2** Make sure you take all the lows as learning curves and your highs will keep getting higher.

**TIP 3** Try and stay as consistent as possible. If you can do that you will always be there or thereabouts.

**TIP 4** Never give up always dig in right to the end as one or two targets could cost you.

**TIP 5** Always be safe and aware of your surroundings.

## SPONSORS AND SUPPORT SYSTEM

My current sponsors are Eriswell Lodge Shooting Ground, Lyalvale Express Cartridges, and Nexus Energy LTD.

Eriswell Lodge have been a sponsor for quite a while now. They support me so much and I can't thank them enough. I've been shooting Lyalvale cartridges for years and to be part of the Lyalvale team this year is amazing.

I'm also very lucky to have a fantastic coach, Stuart Smith, who supports me in every way. I'm so thankful to him for all his support and help over the years. This year I will not be solely concentrating on Skeet, I will be shooting many disciplines and I'm looking forward to working with my coach on the mind set of this.

My biggest thank you must go to my parents, for all the help and support and running me all round the UK for competitions and training.

### 26 Mar: Automatic Ball Trap Cheshire Championship, Fauxdegla SG

A dedicated group of ABT shooters made their way to Fauxdegla Shooting Ground to compete for this year's Championship. It was a close contest with tight scoring. Our new County Champion with 91 was David O'Donnell, Seniors Champion was Mark Wright on 89. Veterans Champion Rob Gallagher with 87, and Ladies Champion Hazel Denney on 80.

### 29-31 Mar: DTL World Championship, South Africa

Toby Hurstfield was a member of the England Team and shot very well. The England teams showcased their prowess, winning Bronze in the Ladies, Super Vets, and Vets categories. Nigel Chapman won the Worlds Veteran title and silver in AA Class. Overall, the England DTL Team and individuals were praised for their professionalism and outstanding performance on the world stage.

### 1 Apr: Sportrap Cheshire Championship, North Wales SS

The Cheshire County Sportrap Championship was held at NWSS this year in conjunction with Merseyside. From the rather gloomy forecast at the beginning of the week, Saturday turned out to be quite a bright sunny day albeit with a slight chill in the wind. Many thanks to NWSS and Brett Davies. All in all, there were 48 entrants, of which 20 were from Cheshire. Steve Randalls, the defending champion did not disappoint in retaining his title with a cracking score of 95. Congratulations and well done to the following winners. High Gun Champion Steve Randalls 95. Senior's Peter Lloyd and Ed Morris 90. Ladies Lucy Earl 76. Vets Colin Milton 86. Juniors Ed Morris 90.

### 9 Apr: DTL Selection Shoot, Holmes Chapel SG

There was a great turnout with 25 Cheshire shooters making up the total field of 76. There was a bit of a head wind to contend with, but it did not seem to bother Mr A Evans (Wales) and Mr P Cerri (H&W) who shared High Gun, each on 296. Highest Cheshire score was from Edd Furber with 97/288 for joint second in A Class, following closely were Peter Richards on 96/286 and Chris Bushell 97/286. Also shooting well were T Moir with 95/282 for second in B

class and W Bushell on 94/277 for joint third in B Class. S Scudder shot 90/261 for third in C Class. Top scoring Ladies were Jane Hitchmough with 93/267 and Sarah Millroy on 91/262. Well done to you all.

### 9 Apr: ESP Selection Shoot, Kingsley Moor SG

Once again, a big thanks for those of you who made it to the second Cheshire Selection Shoot, I know Easter can sometimes be a bit tricky to get away so well done to the 28 Cheshire shooters that took part from a total entry of 128. Miles Machin certainly didn't disappoint with the course set up, which was a bit stiffer than normal, and you certainly had to be on your game as it had a fair number of testing technical targets, which included shooting down into the valley at a fast right to left climbing orange clay at 50-60 yards. This is certainly reflected in the scores. High Gun was Nick Beavis 80, Senior's Lee

Williams 73, Ladies Karen Hall 62, Vets Nigel Lane 74, Juniors Ed morris 74.

### 23 Apr: ESK West Midlands Area Individual Championship Doveridge CS

Isabel Cartlidge shot very well with a 97, for joint third Overall, third in A Class, first in Juniors, and first in Ladies. What a day to remember. Also shooting well were Colin Babcock on 95 and Ross Nabney on 94.

Firstly a belated very well done to Joanne Knapman for winning bronze in class at the English Open English Skeet at Nottingham.

On 17-21 May at the English Open Sporting, Eriswell Lodge, a healthy 30 competitors ventured up north to both compete in the Open and continue the English team selection process. Nick Portlock's superb 113ex120 saw him in a shoot-off and ultimately winning a deserved third place Overall. Other scores of note in all the classes being in AAA Chris Biddlecombe 110, AA Stephen Pinker 100, A Luke Russell 89, B Andrew Phillips 94, and in C class Matthew Shayle 87.

On 2-4 June at the English Open Sporttrap held at Barbury, another well done to Nick Portlock who came second in Veterans.

ABT County Championship, Park Farm 14 May, 13 members hopped up into Worcestershire and keenly fought out for the honours taking the shoot down to the wire. This year's Champion is Luke Russell having shot a 91 and a tie for second Steven Davis and Matthew Turk, am unaware of

any shoot-off or countback? Veteran Steve Burnham and Lady Joanne Knapman.

In county, on 3 May at Ian Coleys 100 ESP, Nick Portlock tied for High Gun on 98. In AA Sean Ponting third 96, in A first Stewart Keen 91, and in C Matthew Shayle 81. 14 May Westfield 100 ESP, in AA first Chris Biddlecombe 96 and in B, third Tom Hamments 88. 29 May Westfield 100 ESP In AA third Nick Portlock 94, in A Doug Pinnegar 92 for third in B Tom Hamments 84 for second and in C second Matthew Shayle 78. 7 May Gloucester 100E SK High Gun Cliff Gardner 98, and Mark Powell second 95.

Talking Clay, I recently caught up with county stalwart Lee Newman, a regular on the clay circuit and a frequent county team shot. Lee is another that it seems has been shooting far longer than the 26 years that he remembers, the first of which ended with him winning B Class at the English Sporting Open. Despite biting him often Lee favours our very own Westfield over all other grounds he has graced, that's quite a compliment. Lee does though feel most concerned on the rapidly increasing cost of all things shooting related which he fears is near unsustainable.

Ground Tales, a brief note that the building work at Ian Coleys has now been completed, am sure all at the ground will

Park Farm was host to our 2023 All Round County Championships on 14 May (Gloucester's and Shropshire's too!) This ensured a good turnout and lots of competition for members. A misty start to the day soon cleared to give us sunshine and mostly clear skies. Our Chairman, Rod Davies set a high standard early in the day, but members rose to the challenge with Matt Pugh taking County Champion on a fantastic 90, followed by Stephen Keating and Brandon Smith, both on 87. Taylor Alderton was Junior Champion hot on the heels of the seniors with an 82 and showing lots of future promise, our Colt Champion Connor Davies on 80. Rod Davies takes the Veteran title with 85 and Jackie Cotton our top Lady with 66. There was a lovely atmosphere ►

Tom Burns took the Bronze medal in the British Shooting Series OT Men's Juniors at Fauxdeglia on the 13-14 May and Sophie Langton took Silver medal in the British Shooting Series OSK at East Yorkshire Shooting Ground in Junior Ladies. It is great to see our Juniors doing well and lovely to watch their progress.

As part of our commitment to our younger shooters we have now sponsored, as mentioned in the newsletter, a Junior; Harry Pugh and a Colt; Connor Davies. Both have received an allocation of £200 from the H&W committee to help with their training and development in the sport. Their hard work and commitment are a pleasure to see. Our Chairman has also applied for this funding to be matched from the West Midlands Committee for further youngsters so watch this space for updates.

In our more seasoned members – Julian Morris put in a fantastic performance at the Caesar Guerini Semi Auto Masters 120 target at Barbury on 29 April. Entering the last stand only one away, Julian tied for joint High Gun with Richard Faulds on 116. This resulted in a shoot off with Julian eventually taking second place.

Runner-up, Mike Cashmore, Graham Evans, Peter Bridger, Stu Burgess, Julie Burton, Robert Bower and Mark Moore all posted scores in the 80's. Many thanks to Park Farm for accommodating us for this fixture.

### 14 May: Helice, Invicta ZZ

Well shot Alan Rowley and Trevor Lewis for representing the county at this fixture in far flung Kent.

### 14 May: OSK, East Yorkshire

Aaron Eccleston continues to progress as a senior in this very fast discipline. Aaron shot another high scoring round gaining High Gun with a superb 122/125.

### 17-21 May: English Open Sporting Championship, Eriswell Lodge

16 Shropshire shooters competed in the largest national championship, so far, this season. The course was extremely challenging in places, with the added

excitement of regular appearances of low flying fighters, courtesy of the local military airbases. Michael Cyffin-Jones put in a phenomenal score finishing tenth in AAA Class, amongst some very illustrious company. Our congratulations also go to Stuart Burgess and Dave Wincott who broke the century barrier, with Dave finishing seventh in Super Vets. Peter Bridger, Stewart Owen, Joseph De Mulder, Mike Cashmore and Stu Aston all shot well to card in the 90's.

### 21 May: FITASC Lea Farm, Bishops Castle

Richard Hughes set a wonderful and varied course. Dan Whittall took Shropshire High Gun, with Nick Williamson, Stu Burgess and Sam Linnington close behind. Sam gained an 'A' classification on the day, which is some achievement for a Junior, especially at a 'Brewster' shoot. Thanks to the nine Shropshire guns who attended.

#### Bedfordshire Sporting Championship

The County Sporting Championships were held at Sporting Targets on Monday 1 May alongside the Martin Soley Memorial Shoot. Shot over 100 Sporting targets on 13 stands to see who would become County Champion 2023. This year we had 42 Beds shooters with 20 Seniors, three Ladies, one Junior and 18 vets.

David Ferriman took High Gun with a 92, Steve Whinnett was Runner-up with 90, Andrew Clifton and Scott Mann were joint third place with 88. Becky Clifton and Chelsea King tied for joint Ladies High Gun on 85 with Zoe Bruce third on 69. Bert Mason shot a great 88 to take the Veterans

title with Paul Burgoine Runner-up on 87, with Jim Munday third with 86. Craig Hollick was Junior High Gun on 81. Thanks to you all for shooting the championship, it was great to see so many people at the shoot see you at the inter-counties.

#### Martin Soley Memorial Shoot

Martin was a well-known and popular shooter from Bedfordshire, shooting for the County at several events, so it's no surprise that the shoot was well attended from many shooters, both from Beds and out of the county. Shot at the same time as the County Championship we had a big entry that took on the tricky set of targets arranged by Marc and Vince. Martin Myers drew with Richard Bunning on 94 to get their names on Martins Cup, thanks to all those who came along to remember Martin. See you all next year.

29 Lincolnshire Guns attended the County Skeet Championship. Weather was perfect and the magical 100 was on the cards from the outset, but never materialised. Three 98s meant a shoot-off, but Pete Atkin had to leave early leaving Doug Moore and Robin Ley to shoot off for High Gun. Robin posted another 25 which Doug didn't match, to take this year's Skeet Championship. Great Shooting. Consolation for Doug was winning Veterans and AA. Ladies High Gun was also tied on 89, with Dr Georgina Barratt and Rosie Parkinson. Unfortunately Rosie left early so Georgina is this year's Ladies Champion. A Class Pete Atkin 98,

Cann both scored 107, and Jonathan Balls and Jake Moore both scored 106.

### 21 May: East Midlands Skeet Doubles, The Priory CTC

Congratulations to Peter Dodd (96) who was Runner-up and Veteran High Gun, and Alison Coupe (88) who was Lady High Gun.

### 27-28 May: Blaser Cup, Orston SG

Congratulations to young Archie Alexander who was the highest scoring Colt at The Blaser Cup. He missed out on the Colts' prize money, as his excellent score of 137/150 won him the higher value prize of first in A Class. Congratulations also to Richard Bunning who was fourth in AAA Class on countback with a score of 144/150..

### 28 May: English Open Skeet Doubles, Dartford Clay Shooting Club

Congratulations to Alison Coupe (92) who made the long trip to Dartford, where she placed fourth in the Ladies' category.

### 29 May: Cheddite Champs, Barrow SC

Jake Moore scored 112/120 to take the Overall Runner-up place, and congratulations once again to Archie Alexander (104/120) who was Colts' High Gun.

### 4 Jun: Norfolk County English Skeet Championship, The Priory CTC

Another hotly contested county championship saw 25 Norfolk shooters compete for the titles. Congratulations to Archy Stannard, who was crowned County and Junior Champion

B Class Mark Porter 97, C Class John Toombs 93. Thanks as always to Carl Smith, Linda, Kieley all the referees and staff for their support throughout the day. Congratulations to every entrant for making it such a successful day.

### 14 May: All Round, East Yorkshire SG

Some sizzling scores matched the temperature as Robin Ley, kicked off his campaign with 25-straight Single Barrel and finished with 25-straight sporting so looked like a contender for his second title of the year but you can't keep a good man down and Graham Elkington demonstrated once again exceptional ability finishing on 95 winning Lincolnshire High Gun and Veteran. Georgina Barratt is on a mission this year, she started with 25 Single Barrel and followed it with 21 ABT, 22 Skeet, and 21 Sporting. This superb score gave Georgina her second Championship of the year. John Winn score of 92 matched Robin Ley, both AA but Robin had left the ground so John

with a fantastic score of 99. Alison Coupe (96) took the Ladies' title, and the Veterans' category was won by Paul Owen (90).

### 4 Jun: Essex, Norfolk, Suffolk and Cambs Skeet Challenge, Eriswell

With the best five scores to count, Norfolk came a very close second to Essex, losing by just two points. Thank you to everyone who competed and congratulations Joe Norman, Alison Coupe, John Glover, Archy Stannard and David Pointer, whose combined score beat Suffolk into third place.

### GBR Olympic Trap Team Selection

Congratulations and best of luck to William Gilbert, who has been selected to compete for Team GBR at the Junior World Championship in South Korea in July.

### Mike Reynolds Memorial Trophy

We recently received a trophy from Kim Scott, daughter of the late Mike Reynolds. We would like to say how thankful we are for this generous donation, given in his memory, and will be looking to include this trophy at the newly organised Super Sporting Championship.

took the class award. Richard Thompson and Mick Colebrook completed the line-up of winners. Richard's 90 gave him the A class award; Mick's 85 gave him C Class. Lincolnshire championships are always a joy because the atmosphere is so friendly, and this shoot was no exception. A good day out shooting amongst friends, what more could you want. Thanks as always to the team at East Yorkshire for their superb targets and well run event.

#### 20 May: ABT, East Yorkshire SG

John Winn started in fine style with a 25-straight and never let up on the pressure to capture yet another Lincolnshire champion title with 95, and also the Veterans title. Joe Tune, no longer a Junior, put in his annual

appearance but obviously has not forgotten how it is done as he finished Runner-up to John with a very impressive 92 to secure A class. Dick Cooper just pipped Graham Elkington for the B class award with 91. John Stephenson C class on 88, and taking D Class Saira Boardman on 86. The Ladies title was a one horse race as Jackie Houghton picked up the Ladies trophy for the 12th time since 2003 on 88. Jack Brazier, our 2022 Junior Supreme Champion has been concentrating on UT (and a very fine job he is making of it too) so it was good to lure him away from that for one day. It proved to be worth it for him as he took the Junior title on a score of 85 but at this stage it means that he is the only Junior so far to have earned any points towards the 2023 junior

#### 27-28 May: English Skeet

There were a flurry of shooters entering this competition over the Bank Holiday weekend. The weather was the best we've seen recently. The sun had risen enough not to be such a problem and the breeze was steady all day. This all manages to make the full sun a little less intense than it could have been. The range looked very trim in the sunshine and the clays were constant. These conditions gave us some wonderful scores. Top of the crop were Izzy Russell and John Spademan, both scoring magnificent 99s. Izzy took the Ladies title and John the Seniors. Congratulations to both. Mick Russell took the Veteran trophy with a lovely 97ex100, two clays clear of his nearest rival Bob Meadows on 95. This is Mick's fifth consecutive title in the discipline – a wonderful winning streak! Juniors Sonny Bowman and Alex Banning entered the competition and only a clay separated them. Sonny took the Junior Title with 95 to Alex's 94. Well done to both. Also, of note during the competition Joe Tomlin gained his first 25-straight score. Congratulations!

The Perkin Guns' Skeet sponsored

event 'If You're In: You May Win' prize draw prize of 250 cartridges was shared between veteran shooters Penny Spademan and Fred Mcvarish. Congratulations to both.

#### Juniors and Colts shoot free

This year is the second year when all Northants shooters aged 20 or under get to shoot in the county competitions, targets only, for free. We've had a few entries so far and it lasts until the last county competition of the year the Double Rise on 24-25 September. If you know of a Northants Junior or Colt shooter who would like to make the step into competitive shooting this is the time for them to take those first steps. Contact Marty to get them booked onto the next county championship.

#### Supreme Champion Competition

The Supreme Champion league table got off to a good start this month with the Skeet competition. All entrants in the competition are entered into the Supreme Champion leader board. The competition is an accumulation of the best five scores from the eight disciplines of Skeet, Sporting, Down the Line, Automatic Ball Trap, All Round, FITASC, Skeet Doubles, and Double Rise. The Supreme Champions are those shooters who amass the highest scores. These could be shooters who have not won many individual trophies, but their

supreme champion award. The ground was immaculate, and Sarah's mint and chocolate cake is to be recommended.

#### Forthcoming Events

- 7-8 Jul FITASC, Orston SG
- 30 Jul STR, East of England
- 6 Aug Revesby Fair
- 13 Aug DTL, The Priory CTC

overall score is the highest.

Last year 2022 there were 73 entries onto the leader board and the winners were Mick Russell 453ex500, Dave Grant-Innes 413ex500 and Penny Spademan 318ex500.

#### 2023 England Team News

The DTL Selection Shoot had a very happy result for one county shooter. Leon Gill was invited onto the England DTL team. Congratulations to him. He will be up for representing the country at the DTL Home International as well as likely competing in the European Championships and British Open at Crossmore in Ireland between 19-22 July. All best wished for Leon.

Ellis and Gerry Stevenson taking second and third place, respectively. Hayley Denoon was crowned Nottinghamshire Ladies High Gun, showcasing her remarkable talent.

A special acknowledgement goes to Tom Clifford, who demonstrated exceptional dedication by participating in the Championship despite his commitments ►

elsewhere. Tom's impressive performance at Dartford on Saturday led him to return for the Overall shoot-off on Sunday. He still managed to shoot the Championship, securing third place Overall, and fulfil his duties as team captain. This level of commitment is truly admirable and a testament to his dedication to our county.

On 12 May, Nottingham & District Gun Club hosted the RAF CPSA Championships 2023. Shooters from across the RAF community gathered for a 100-target English Sporting event. The weather was forgiving for most squads, and Connor Harris emerged as the RAF RSP High Gun, earning well-deserved congratulations.

The Nottinghamshire Down the Line County Championships took place on 21 May, accompanied by a break in the weather and warm sunshine at Nottingham & District Gun Club. Despite the challenging northerly wind, Edward Armett set the pace with a remarkable score of 98/292, closely followed by Lee Wilcoxson with 98/290.

Edward's score remained strong until the very last squad when late arrival Allen Warren posted a phenomenal 99/292, leading to a

shoot-off to determine the winner. After a closely contested full round and subsequent tie, Allen emerged as the victor with a score of 24/25 in the Single Barrel round, while Edward secured a commendable 23/25. It was an extraordinary fight from Edward, who recently qualified to represent England in the Down the Line team.

Allen Warren claimed the Overall Nottinghamshire High Gun title, with Edward Armett securing second place and Lee Wilcoxson taking third. The Veterans category witnessed a close competition, with Allen Warren earning the Veteran High Gun title. Gordon Hodgkinson and Russ Hufton tied for second and third place, but as Russ had left, Gordon claimed second place, leaving Russ with third.

Edward Armett also shone in the Junior category, earning Junior High Gun, while Olivia Stevens showcased her talent by securing second place in the juniors and claiming the Ladies Champion vet title. Joe Turner was crowned Colt Champion, displaying his promising skills and potential as a rising star in the shooting world. It's truly inspiring to witness the exceptional performance of our young

Nottinghamshire shooters.

On Sunday 28 May 2023, the Nottinghamshire County All-Round Championship took place, featuring a mixed discipline event consisting of Single Barrel, ABT, English Skeet, and Sporting. The changeable weather added an element of unpredictability to the competition.

We congratulate the County Winners in each category – Kevin Warner secured High Gun, Patrick Dickman took second Overall, and Rob Denoon secured third place. Olivia Stevens emerged as Junior High Gun, while Patrick Dickman earned the Veteran High Gun title. Olivia Stevens also impressed by claiming the Ladies High Gun title, and Joe Turner was crowned Colt High Gun.

We extend our gratitude to everyone who joined us for this faultless event and express our appreciation to Team Nottingham for their unwavering support and commitment.

Pat Dickman.

Welcome all, hope you are all enjoying plenty of shooting, having fun and improving your skills. It's been a busy few weeks and there is plenty of news to report. Since the last issue of *Pull!* magazine we have enjoyed three excellent County Championships in three different disciplines.

Our first was the English Skeet Championship at Eriswell Lodge on Sunday 7 May. Ben Woodham, the Suffolk CPSA Skeet Team Manager reports: "The event saw 52 entries. Henry Lungley retained his Suffolk Skeet Champion title as well as the Mike Bradley Memorial trophy after shooting a stunning round of 100/100 straight. Hot on his heels was Stuart Smith, Robert Manning and Peter Mayhew all on 99/100. With the top seven Suffolk competitors all shooting 97+, we will have a very strong team going forward for the Inter-Counties". Our thanks to the excellent referees and to Eriswell Lodge for hosting this very enjoyable event.

On Bank Holiday Monday 8 May, High Lodge Leisure hosted the Suffolk CPSA English Sporting Championship. Always a popular event, this attracted 207

competitors with 89 coming from Suffolk and 69 from Norfolk. The round was excellent and to a very high standard. The 2023 Suffolk CPSA English Sporting Champion was Aaron Harvey who scored a phenomenal 91/100. Congratulations Aaron, that must have taken significant skill and determination to achieve that score. Again, our thanks to all the referees and to High Lodge Leisure for an excellent event.

On 28 May, Eriswell Lodge hosted the Suffolk CPSA Sporttrap Championship. Dennis Meekings, the Suffolk CPSA Sporttrap Team Manager reports: "With 56 competitors, 35 from Suffolk, this event consisted of four well set up layouts. The Suffolk Champion, and Junior Champion, was John Porter with an excellent score of 94, the Veteran Champion was Phillip Thorrold with a score of 90, the Ladies Champion was Tina Henshaw with a score of 59. Thanks to Eriswell Lodge for hosting the event and the Inter-Counties Team will be announced at a later date". This was a brilliant day of shooting and our thanks to the referees and Eriswell Lodge.

We are pleased to announce that Aaron Harvey will be representing Suffolk CPSA at the CPSA Champion of Champions competition at Ragley Hall Game fair on 29 July. We wish Aaron every success and thank him for representing the County.

We must mention the 2023 English

Open Sporting Championship that was held at Eriswell Lodge between 17-21 May. Over 1,115 competitors took on this true championship course and our thanks go to all the team at Eriswell Lodge, all the referees and all the CPSA HQ team. This was a perfect event and you all worked so hard to make it such a success – even the weather performed well. Richard Faulds was the very worthy winner with an incredible 115/120 score.

Plenty more Suffolk Championships to look forward to during June – we have the DTL, All Round, Skeet Doubles, ABT, and the English Sporting Challenge all taking place. We wish everyone taking part in these events, the very best of shooting success.

The 2023 CPSA World English Sporting Championships are taking place at E.J. Churchill between 1-8 July. We hope everyone enjoys this event and we hope to see many Suffolk shooters taking part. And, we wish Robbie Kingston every possible success shooting for the Junior England Team.

## CORNWALL ALISON MORDEN-HAWKE

✉ alisonm-h@outlook.com

Since my last column we have had a number of selection shoots and three championships.

### Sporting selection 1 held at ECLP

Our thanks goes to the committee at ECLP for holding our first sporting selection shoot on 6 May. The club is run by volunteers who use a lot of their time preparing to extend their usual 60 target shoot to 100. There were 106 entries on the day to shoot what was a testing layout with a few targets which caught out many. High Gun was Phil Grose with 88 with Louis Ashton hot on his heels with 85. Highest vet was Pete Mylam with 82, highest Junior was Ed Carey with 73 and highest lady was Emily Morden-Hawke with 65.

### ABT Championship

Thanks to North Cornwall for hosting this event which was held on the 6 May. John Dunne won the championship with 85, Colin Chidley was Vets champion with 76, and Matthew Rowland won the Juniors trophy with 74.

### Sporttrap Championship, Landare

Our thanks to Landare for once again hosting this championship for us on 8 May and for the

volunteers who refereed on the day. Squads had to contend with mist and rain. We had 48 entries on the day with some very testing targets on all four layouts. Champion was Kelvin Walsh with 88, Vets Champion was Pete Mylam with 77, Junior champion was Jayden McGall with 75, and Ladies Champion was Emily Morden-Hawke with 70. This was our only selection shoot as unfortunately we had no other grounds willing to host shoots for this discipline. The teams have been selected and are shown on our website. The Inter-Counties event is on 21 October at Owls Lodge. Please let a member of the committee know if you are unable to attend if you have been selected otherwise you will be entered for the event and liable to pay the ground entry if you do not attend.

**7 May: Hampshire UT Champs, Bisley**

A not so popular discipline with only four Hampshire entries, Rod Gould picked up the Hants champ and Vets badges. Sporting shooter Sean Gamblen Seniors earning three points towards the Supreme Championship table. Tegan Hart the Ladies/Junior title.

**13 May: The Bruce Faulds Memorial**

139 entries from Hampshire and all the adjoining Counties. They came from far and wide to shoot this annual sporting event at Owls Lodge. AAA Class Andy Moon from Devon topped the scoreboard with a 98/100 but close behind and also a AAA Sean Gamblen on 96/100. Another Hampshire AAA Phil Marks with 92/100.

**25 May: Sportrap, Owls Lodge**

Now that's a better entry making a proper Hampshire Championship with 39 entries from our membership. A great day weather wise and a great collection of well-set testing targets on the four layouts. Roger Deacon returned a great score of 95/100 to claim the Hampshire Championship trophy. Junior Joshua Poyer posted a whopping 94/100. Tanya Faulds on 87/100 topped the Ladies Class with son Charlie securing the Colts class. Veterans class went to Ron King with 86/100.

**4 Jun: 2023 English Open STR, Barbury**

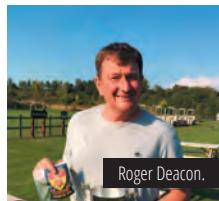

Hampshire was well represented on the winner's podium at this national event with Richard Faulds taking AAA Class High Gun 142/150. Sean Gamblen an AA Class at this event and just one behind Richard on 141/150 secured the AA High Gun. Young Charlie Faulds on 129/150 topped the Colts and took the High Gun position.

**Inter-county events**

It's such a shame the once well attended Inter-County events has now diminished somewhat. Being picked to join a team to represent Hampshire was high on any Hampshire members list of achievements. Obviously based on your shooting ability but having the chance to represent Hampshire would inspire many to attend the qualifying events. The team managers would be fighting off those wishing to shoot for their county now it's a struggle to get even one squad to shoot the ABT, DTL, Skeet etc. The only two disciplines I can see that will be supported this year is the FITASC on 7 October and the Sportrap on 21 October as there both at Owls Lodge. The ABT on

8 October and the DTL on 24 September both at the Two Counties ground should muster at least one five-man squad to each.

Looking at the other Inter-County disciplines being held at grounds in Devon and Cornwall even the once very popular Sporting inter-county is now out of reach in Devon. The demise of the team events was expected after the closing of Southern Counties and Wylye Valley grounds, both in reasonable reach of all South West counties. Southern Counties was so big it could host nearly all the Trap, Skeet, Sporting, and FITASC events only alternating the Sporting and FITASC Inter-Counties with Wylye Valley. It was never a problem sending two Senior teams, Ladies, Juniors, and Vets teams. Each member received the Hampshire County wire

The year is ticking over nicely, competitions are in full swing, and the sun is shining at last! Looking back over previous years' competition entries it looks like the numbers have not yet recovered from a mix of Covid and the rise in prices.

**County Championships**

The County English Sporting was held at Gunsit on 14 May. 37 shooters from Wiltshire attended. Josh Brown won the Wiltshire Championship with a very fine 98ex100. Will Thatcher won the Veterans with 90ex100, Fran Mattinson won Ladies with 71ex100, and Dan Carpenter won Juniors with 88ex100.

The County Olympic Trap was held at Brook Bank on 21 May. Four shooters from Wiltshire attended. Scott Forrester won the Wiltshire Championship with 84ex100 and Terry Bobbott won Veterans with 80ex100.

The remaining county championship dates are as follows: Sportrap at Barbury on Saturday 19 August and FITASC at Barbury on Saturday 26 August.

**Supreme Champion**

As a reminder, if you are interested in competing for the Supreme Champion trophy you need to enter at least five of the county competitions; your best five scores count to your overall score.

**Sporting Challenge**

The remaining list of dates for this year's Sporting Challenge are Urchfont on 30 July, Willoughby Hedge on 6 August, and Gunsit on 15 October. success in last months DTL championship to again win the Colts title. Thanks to the team at Mayland for hosting a great event, and we look forward to seeing the team again in September for the South-East of England DTL Inter-Counties.

### South-East Inter-Counties STR

A very strong team from Kent won the team event with a great score of 457/500, four of the five all achieving scores over 90. James Attwood, Nathan Skinner, Tristan Hockey, James Bradley-Day, and Ben Hollamby. Nathan Skinner also took the Overall Championship title with a great 95/100. Aaron Christie and Amy Easeman, both from Buckinghamshire won the Colt and Ladies titles. Daniel King from Kent won the Junior and Danny Smith from Surrey won the Veterans title. We look forward to seeing the Dartford team at the next event – South-East of England English Sporting Inter-Counties in August

### South-East of England Helice

We had another excellent Helice event,

hosted by Invicta Gun Club, after various shoot-offs, Glyn Barker won the Overall title, having only dropped one target. The Ladies was won by Faye Wills, Junior Champion was Bradley Abrey, Veteran Champion was Cliff Goodwin and the Masters Champion was Chris Potter. Thanks to all the team at Invicta.

### National Championships

The region's shooters have also achieved success both nationally and international! At the English Open Sportrap, Nathan Skinner narrowly missed out by one target on winning the Overall title, but still a great achievement in second place overall. Arron Christie took second place in the Colts, Danile King was also second in the Juniors, and Jeff Dix won silver in the Super Veterans. Nadine Gilder won silver in the Ladies with Hanna Gibson in third place.

English Open Skeet Doubles – James Attwood achieved a 100-straight but missed out on the title following a shoot-off and took home a bronze. Shooters from the South-East region won many of the titles in both class and category – congratulations to all.

European Helice Championship held in Italy saw some great achievements from the British team and many from the South-East of England. In the Italian Grand Prix, Andy Stratford was the Overall Champion following a shoot-off during which Alasdair Williams came third. Jensen King won the Junior title, again after another shoot-off. In the European Championship, Cliff Goodwin became the European Veterans champions and the men's team consisting of Richard Cadey, Charles Promfret, and Tom Gridley also took home the gold. The Senior, Ladies, Juniors, and Veterans team were on the podium. A successful achievement given the level of competition.

### 7 May: Universal Trench, NCSC

A small squad of hardy Berkshire shooters competed in the Universal Trench County Championship at the National Clay Shooting Centre. Decent scores were hard to come by until the sun made an appearance later in the day. Berkshire Trap legend, Keith Kilvington, finished on a respectable 87ex100, lifting the Berkshire title for 2023. Ceyla Ismet showed real resilience to win the Berkshire Ladies title with Kaiya Pascal continuing her 2023 campaign by winning the Junior title.

### 20 May: Single Barrel, Bisley Gun Club

Glenn Adaway was on form to demonstrate his multi discipline talent, with a solid performance at the Single Barrel, taking both the county and veterans title 2023, along with first in class.

### Further afield

Keith Kilvington was on top form recently at the UT UK Championship and GB Selection shoot where a bronze medal qualified Keith for a place in the GB team for the UT European Champs in Slovenia for the second year in a row!

Katy Essex, yet again making her mark on the OSK scene at the second round of the shotgun series. On day one, Katy quickly made

her intentions clear, starting with two 23's back-to-back. This resulted in an excellent 65ex75 at the end of day one, placing Katy as the leading Junior woman. Katy continued in good form on day two, a 19 and a 22 resulted in a total of 106ex125, a new PB and a British Shooting Minimum Consideration Standard score. This result adding to Katy's gong collection with the junior woman's bronze medal.

Congratulations Phoebe Bodley-Scott, for her selection to the OSK GB team for the Junior World Championships in Changwon in July. Phoebe was delighted to be selected

for the second time, the first was in Suhl, Germany in 2022, where Phoebe won gold with her teammates, Bethany Norton and Sophie Herrmann.

Well guys and girls, finally we start to see some sunshine arriving and the rain seems to be subsiding. I hope you are enjoying the change in temperature and are now getting out and about shooting.

We can start this month with a slightly late invitation for you all to support a charity shoot close to many people's hearts. We are holding this year's Oxfordshire's CPSA Fundraising Shoot in support of Katherine House Hospice on Saturday 22 July which is being held at Oxfordshire Shooting School, Enstone OX7 4NS 10am-3pm. It will be a 50 target Sporting which will cost £22 for your first card, the second card will be just £18. The prize pot is a very generous one, £150 High Gun, £100 second place and third is £50. Ladies, you are not left out and neither are any Juniors, prizes are also available to win. There will be a Pool shoot to keep you all busy and a raffle will also be held on the day. If you have friends or family who have never shot before there will be a have a go stand with instruction available. Hot food and drinks will also be available. Please come along and support us, the committee has worked very hard to get this event sorted and look forward to welcoming you. Please note, it is a fibre wad only event.

We have had to make a few changes to dates to this year's calendar and for those who can access Facebook it can be found on Oxfordshire's CPSA page, apologies for any inconvenience this may cause but it is a pretty tricky thing to get right so it doesn't clash with any of the major shoots also taking place.

### Honesberie

Sunday 14 May saw 121 shooters arrive to take part in the first ESP shoot held for six months. Oxfordshire's Julian Freeman shot well shooting an impressive 96ex100 (the same score as Richard Faulds) to be second in AAA Class. Luke Taylor shot 93ex100 to place him Second in AA Class, Scott Leonard shot an 89 in A Class, and Jamie Whitton shot 79 for third in B Class. Staying with

Honesberie, two weeks later on 28 May saw an impressive 132 shooters take part in their 100 ESP. I am pleased to report that Julian Freeman shot 95ex100 this time and won High Gun. Well done Julian.

### Hornet

111 shooters participated on 27 May, Colin Waite shot a very strong score of 95ex100 to place second in AAA Class. Graham Haynes shot 74ex100 for second in C Class.

### Hangman's Stone

126 shooters shot the 100 ESP on 28 May, which I have to say wasn't the warmest of days. Well done to Oxfordshire's Matt Hance

for shooting 95ex100 placing him second in AAA Class. Roger Carter shot 89ex100 to place him third in B Class, well done Roger!

If you would like me to include you in my next report for August, send me an email with your scores or achievements and I will do my best to include them.

## SURREY

PETER SAICH

Welcome to this month's edition of the Rik Travers newsletter – Rik is the reigning Surrey Supreme Champion and his recent results have demonstrated why. We have had three Championships this month and Rik has been placed second in each one.

### Surrey Universal Trench Competition

The first of this month's competitions was the Universal Trench held at NCSC Bisley on Sunday 7 May. High Gun was Rachel Parish, reclaiming the title she won in 2021 with a fine 86. Second was man of the moment Rik Travers with 83. Equal third were Oliver Jones and Dan Chambers. Rachel was of course top Lady, and Fergus Watson-Hopkinson took the Vet's title

### Surrey Single Barrel DTL Competition

Our second competition of the month was the Single Barrel Down the Line, back

at Bisley but this time hosted by Bisley Gun Club on Saturday 20 May. Nick Haley regained his 2021 Title with 91, second was Rik Travers with 84 and Karen Allen took third place and the Ladies title with 78.

### Surrey Helice Competition

The Surrey Helice Championship was held at Invicta Gun Club on Sunday 21 May. Having shot the Single Barrel DTL competition on Saturday, Rik Travers then drove down to Kent on Sunday to try his hand at Helice, and it turns out he is pretty good at that too! His score of 18/20 tied for first place with our Surrey Helice specialist Steve Cole, whose experience helped him win the shoot off four targets to Rik's three. Steve also retained the Veteran's title. Tied in third place on 13 were Liam Boyd-Bell and Jo Watson-Hopkinson, who also won the Ladies.

### Surrey Supreme

With only one ranking event this month, there has not been much change at the top, although Liam Boyd-Bell extended his lead with a great result in the Helice. He now has 55 points. Fergus Watson-Hopkinson is still in second place, now on 47 points while Jo Watson-Hopkinson has moved up to third and tops the Ladies with 44 points. With his Victory at Helice, Steve Cole has pulled out to lead ►

the Veteran's table on 28 points, while Ben Wells still leads the Juniors with 32.

#### Inter-Counties Sportrap

Congratulations to the Surrey Sportrap team who came third at the South-East region championship at Dartford on 14 May. Team scores were: Billy Greenwood 91, Paul Poulter 88, Neil Peppiatt 85, Alex Cobb 85, Cameron Cobb 82, Danny Smith 78, Nick Carter 76. Congratulations to all and well done to Danny Smith for winning the South East Veteran's title.

#### English Open Skeet Doubles

Rik Travers took a break from his successful Trap shooting to enter the English Open Skeet Doubles Championship at Dartford Gun Club and scored an impressive 92, winning the C Class Trophy outright. For good measure, Rik's wife Janine came third in C Class. Well done to both of you.

The past month has been another busy one for Sussex shooters at county shoots, major competitions and internationally and not just by taking part but achieving winning places. Read on to find out more.

#### Universal Trench

Held at the NCSC on 7 May, Tim Woodhams reports nine Sussex shooters took part, unfortunately there were no Ladies, Juniors, or Colts. Overcast conditions made the targets hard to see but very good with very few no targets. Sussex champion was Derek Welfare 87/100 narrowly beating Andy Stratford 86/100 who took the Veterans title and Keith Blighton 78/100 took the Super Vets. Thank you, NCSC, for a great day.

#### Single barrel

Held at Bisley Gun club on 20 May, Paul Wingrove reports ten Sussex shooters took part and all had a wonderful day. The weather was warm and sunny, and the competition ran smoothly. John Foy is the new Sussex Champion 93/100, Veteran was Keith Blighton 83/100 and Junior was Ronnie Cole 69/100. Unfortunately yet again no Ladies or Colts.

#### Helice (ZZ)

John Foy reports: The Sussex 2023 Helice Championship was held at the Invicta Gun Club on 21 May. The weather was dry with gentle breezes throughout the day and the atmosphere around the club was the normal warm welcome from Invicta. The Southeast Region, Surrey and Kent County Championships were also held at the event creating a competitive shoot for everyone attending. There was a large sussex attendance

#### English Open Sportrap

Six Surrey shooters entered the 150-target competition shot over six Championship layouts. Fresh from his Surrey Sportrap victory, Paul Poulter was the highest placed Surrey shooter with 135. Sarah White started brilliantly with 92 out of the first 100. The two very fast left to right targets on layout 5 aggravated a previous back injury but Sarah still managed a total of 123, just ahead of Natasha Vadasz on 120, putting them both in the top ten Ladies. Well done Paul, Sarah and Natasha.

Goldsmith take the title again. If I said he handed back the trophy, borrowed a gun, entered late, shot 93/100, took back the trophy and left I couldn't be closer to the truth. Veteran was Ivor Dadswell and Ladies High Gun was Dedrie Collard. No Juniors or Colts.

#### Compak Sporting UK Championship

27 May 23 at E.J. Churchill Shooting Ground saw George Digweed take Bronze in Seniors (formerly Veterans), Jeff Dix take Silver in Veterans (formerly Super Veterans) and Hannah Gibson take Silver in Ladies. # OBITUARIES

## BRIAN SMITH 1938-2023

**B**rian joined Bridgnorth Gun Club in the early 1980's and soon became involved with the committee. He was made Club Secretary where he gave his spare time sending all the scores by hand (no computers) to the CPSA for the annual averages book that was published every year. Also calculating all the scores at each shoot!

Brian was a rare breed who gave a lot of his time for little or no reward for nearly 40 years and the club will miss him.

I had to search the clubs' archives for a decent photo where he is giving prizes or trophies, but found this one where he won the novice Easter shoot in 1983. God Bless Brian, RIP. **Ron Jenkins**

## MIKE BELL 1947 - 2023

The family of John Bell, known as Mike Bell, are saddened to announce the passing of Mike. He shot for many years in many disciplines but his main love was Trap shooting. In his younger years he was often to be found at selection shoots around the country competing.

## GERALD KINGS 1935 - 2023

It is with great sadness that we announce the passing of Gerald Kings, a long-standing member of our shooting community. He will be greatly missed and we pass our condolences on to his family and friends."

**Insurance**

  
Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

# COMPAC KING

We speak to English Open Compak winner  
James Attwood.

**Q** How did you get into shooting?

I was very lucky to be brought up on the family farm where my dad introduced me to shooting at a very young age. I started off with an air rifle shooting targets in the garden, moving on to a .410 and was eager to be out shooting at every opportunity I could. If I wasn't able to be out with my gun, I would always be helping on the family game shoot either beating or picking up with my Grandad. I soon started going clay shooting at my

local grounds and being able to see George Digweed was a big inspiration to a young shooter coming into the sport and that's where my competition shooting started, and I'm proud to have represented England and Team GB.

**Q** What is your preferred discipline(s)?

My preferred disciplines are the Sporting disciplines, English Sporting is and always will be the main one for me. I also really enjoy shooting Compak home and abroad,

along with the odd bit of FITASC. I have recently started shooting a little English Skeet as it really helps with my timing, discipline, and concentration, however I will turn my hand to any discipline if I need to.

**Q** Can you tell us about some of your greatest successes?

Representing England for Sporting and Team GB for Compak is always a great achievement in any year, as the competition to get into the teams is so high now. Winning the British Open Sporttrap and English Open Sporttrap were my proudest and most memorable achievements.

I was very pleased to have won the EO Compak at Orston this year. I thoroughly enjoyed the round they set up, a proper traditional Compak with a great range of targets similar to what you'd expect to see abroad.

**Q** Are you planning on taking part in any major competitions this year?

I always aim to compete in as many majors as I possibly can. The year for me started at the Fujairah Mountain Championship followed straight away with the Jack Links Cup in Florida. More recently I shot the English Open Sporting, placing second Overall. I've been in good form and I hope to keep it up throughout the year especially with such a busy schedule ahead!

Next up for me is the European Compak closely followed by the World Sporting at E.J. Churchill's. I will of course be shooting the Beretta Worlds, an event I

very much look forward to every year, and the British Open.

**Q** Do you have any specific goals you would like to achieve this year?

Like every year my goal is to win a Championship – particularly an ESP title. I'm extremely competitive I want to win every shoot I enter, but this is the dream.

**Q** Do you have any sponsors you would like to mention?

I would say thank you to GMK for their trusted, continuous support with my Beretta 694. Since taking this gun on 16 months ago my shooting has been the most consistent it has ever been. Gamebore Cartridges, I have always shot their cartridges and recently moved onto the Dark Storm. I prefer using the 8s for general targets but like to have the trusty 6.5s for the bigger stuff. These shells always perform and pattern so consistent, I'd never use anything else. Cens Digital for the most comfortable hearing protection, I would recommend to anybody.

**Q** Is there anything else you would like to add?

I would like to say thank you to all the Grounds and Refs that make it possible for us all to have shoots to go to. These guys make it all happen behind the scenes for months and months in advance and always provide us with tough, enjoyable shoots. So a massive thank you to them! 🌟

Representing England for Sporting and Team GB for Compak is always a great achievement.
