FELLOWSMEDIA

WELCOME

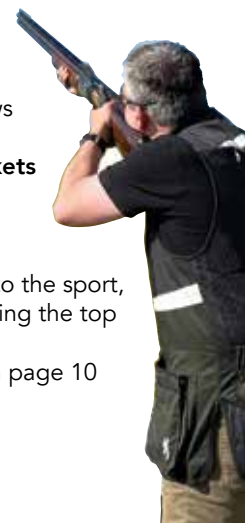

Firstly, I'd like to wish everyone a very Happy New Year and good shooting in 2024! We've got another busy championship year planned with the 15th ICTSF World DTL Championships taking place in July at Bywell, plus a new major championship with the English Open Super Sporting in June at Barbury (alongside the English Open Sportrap). All this on top of our usual full calendar of championships to look forward too!

We are back at the British Shooting Show on the 23-25 February at the NEC, Birmingham so do come and see us on our stand. We are also excited to be holding our annual CPSA Awards on 9 March at St Georges Park where we can recognise and celebrate our members achievements over the past year. The finalists have been shortlisted (see Clubhouse News on pages 4-6) and voting remains open until 31 January at cpsa.co.uk/awardsvoting. Tickets are also available to buy via cpsa.co.uk/awardstickets or by calling Paula at CPSA HQ on 01483 485400.

This issue is perhaps our most anticipated one of the year, as we feature our Top 20 honours across the many disciplines in our sport. It really is amazing how talented many of our shooters are but also their dedication to the sport, travelling far and wide to compete, with sometimes just one point separating the top spot! Many congratulations from all at CPSA.

Last but certainly not least, check out our extensive range of Courses on page 10 if you are keen to expand your knowledge of our great sport this year.

HSE LEAD CONSULTATION UPDATE

The HSE has published its final risk assessment following the public consultation last year which we are reviewing, and will continue to work with our fellow associations on this key issue for our sport: press.hse.gov.uk/2023/10/11/hse-statement-on-lead-in-ammunition-uk-reach-proposals/

In brief, the HSE proposal would be a complete ban of lead shotgun cartridges for clay and game shooting, with a 5 year transition period once the law came

into effect. There will be a derogation for a small number of athletes that are required to continue shooting lead shot for the purposes of international competition and training.

A further socio-economic consultation concluded on the 10th December and is followed by a final 3 month consideration period to decide if a restriction on lead in ammunition should be introduced and the law enacted. We will keep you updated via our website with any further developments.

SAFETY OFFICER REQUALIFICATION

This year we will be contacting by email or letter all those who originally qualified in 2019 to renew their Safety Officer qualifications, so please keep an eye out for the notification. The online course will be live on our website cpsa.co.uk/courses to book onto from 5 January 2024.

If you qualified prior to this and haven't yet renewed your qualification, please contact Richard or Cheryl at CPSA HQ on 01483 485400 and we will add you to the next available exam.

MARCH 2024 CPSA AGM

The March 2024 CPSA AGM will be held at Bisley Shooting Ground on Saturday the 23 March at 2pm. All members are eligible to attend or join via virtual meeting. We have appointed Civica to manage the voting on our behalf.

Around the 19 February you will receive an email from support@cesvotes.com containing instructions on how to cast your proxy votes online. If the CPSA does not hold an email address for you on file, a letter will be sent to your address containing the necessary instructions. The letter should arrive by 1 March.

Should you need to request a new email or letter please contact Civica by emailing support@cesvotes.com or by calling 0208 889 9203 after 19 February.

FITASC DISCIPLINE RULES CHANGES FOR 2024

The FITASC governing body routinely holds its Ordinary General Assembly (OGA) prior to the World FITASC Sporting championships in the country of the host nation for that event.

The OGA was held this year (2023) on 10 July in Budapest Hungary. The discipline rules review affected the following disciplines: Universal Trench (UT), Helice (ZZ) and FITASC Sporting as follows.

UT: CHAPTER 14 INTERNATIONAL CHAMPIONSHIPS

Rule 14.03 (Practise) has been amended; practise will no longer be permitted on the Competition ranges during the competition. However, practise may be made available on ranges not in the competition during the days of the competition dependant on the organiser.

HELICE: CHAPTER 2.9.1 TEAM SHOOT-OFF

In the past all the FITASC disciplines shoot-offs were for individual medal places. Team shoot-offs were resolved by count back.

2.9.1 Has been amended so that tied teams will be decided by shoot-offs. The recognised team captain decides the firing order of their team. The competitors in the teams take turns at shooting a Helice. With the same number of targets shot at, the first competitor to score a zero eliminates their team.

FITASC SPORTING: CHAPTER 14 SCORE CARDS

Control of the score card has always been the responsibility of the referee. However, with 'New System' the squad score card will transit from one position to the next under control of a competitor.

To avoid possible issues in transit, the Jury may require the referees on each position to photograph the card marking an asterisk on the card, the name of the competitor who has been entrusted with the safe passage of the card to the next shooting position. The rules for 2023 will be available in due course on the FITASC web for all the FITASC disciplines.

Hugh Smith (President FITASC Referees Commission)

ENGLISH SPORTING REFEREE COURSE

Huge thank you to our Tutor Paul Rendell, who recently took a two-day ESP Referee course over on the emerald isle with 15 from Esker Shooting Ground on the first day and 15 from Mill Hill CPSC on the second, all successfully passing their ESP qualifications – congratulations all!

WORLD COMPAK IN EVIA ISLAND, GREECE

During the World Compak held in Evia Island, Greece in September 2024 the GB Compak team put in an outstanding performance. At the closing ceremony, the FITASC President made a surprise presentation to Mrs Suzanne Smith (GB).

The award was in recognition of her voluntary service over the past ten years in support of Marco the events administration manager.

Suzanne (Wife of Hugh Smith) has – at FITASC Sporting World and European Championships – checked daily every competitors returned score for each layout

which is no mean feat this year as there were over 1,000 individual scores to check daily.

Suzanne looks for any summation errors and brings any errors to the attention of Marco; he will only then input the scores into the score program.

Please note, Suzanne is not a shooter.

SHOOTING INSTRUCTOR SPONSORS LOCAL FOOTBALL TEAM

Field and country sports have always offered young people a way to improve their fitness and are well known for supporting an individual's emotional well-being. As a fully qualified shooting instructor, and passionate advocate for all things country, it seemed totally natural to form a partnership, through sponsorship, with Codicote U18's football team, based in Hertfordshire. I believe this is a first, where football and country sports have combined to promote the well-being of our youngsters to the wider public. I am proud to sponsor Codicote U18's and look forward to our continuing partnership. **Terry Humber**

MEDICAL REPORT/CERTIFICATE SERVICE SHOOTCERT

We are pleased to recommend Shootcert as a medical report/certificate service for anyone having issues obtaining their medical report from their GP as part of their first application or renewal of their firearms or shotgun licence.

ShootCert.co.uk, founded by Dr Chris Garrett in 2020, is an online platform that offers a firearms medical report/certificate service for gun owners whose GP practice cannot help or charge an excessive fee.

Firearms medical reports are a Police requirement in the UK. Unfortunately, many GP practices cannot or will not engage in this process. For more info visit their website shootcert.co.uk

However, neither team were present at the end of the competition to take part in a shoot-off, so the result was determined by count back. Adrian Balham also took the Veterans High Gun trophy with his individual score of 94.

Lincolnshire Juniors, took the title on the day with Kallum Burrell and Henry Sardeson putting in an impressive combined score of 163 to hold Hampshire Juniors to second place with Charlie Faulds and Barney Eastman, shooting, a combined score of 161. Kallum also took Junior High Gun with an individual score of 89.

High Gun of the match went to Joe Norman-Hinchliffe with an individual score of 97. Runner-up went to Billy Greenwood, who also shot 97, however, he was not available for a shoot off, and so took the Runner-up position by default.

Our thanks, as ever, to Atkin Grant and Lang for hosting the event and for organising the almost tropical weather. Next year, the National Inter-Counties ESP moves to the East Midlands and will be hosted by Barrow Sporting Clays on 12-13 October 2024.

NATIONAL INTER-COUNTIES

ENGLISH SPORTING

The 2023 National Inter-Counties Sporting was held on Saturday 7 October at Atkin Grant & Lang Shooting Ground.

The whole day benefited from the UK's mini heat wave with temperatures reaching 23° during the afternoon. The layout of the course was reminiscent of the 2018 English Open following roughly the same route starting and finishing at the clubhouse. The competition comprised 100 targets over 12 stands with the usual variety and ingenuity we would expect from AGL.

The usual variety and ingenuity we expect from AGL.

The overall team honours went to Hampshire Seniors with Richard Faulds, Roger Deacon, Sean Gamblen, Phillip Marks, Lee Knight, and Connor Gorsuch, putting in a combined score of 460. The Runners-up Senior team were Oxfordshire with Matt Hance, Julian Freeman, Timothy Richards, Bob Blundell, Colin Waite, and Scot Leonard falling short of Hampshire's score by two clays, although still managing to put in a very respectable 458.

The Ladies team title went to Cheshire with Lara Dale and Lucy Earl, putting in a combined score of 171 to decisively

ENGLISH SKEET

The National Inter-Counties English Skeet competition was held at the National Clay Shooting Centre, Bisley on Saturday 14 and Sunday 15 October.

Autumn weather kicked in with bright sunshine and a cool breeze, which grew colder as the weekend went on.

There was a great entry of 33 squads meaning that we had a full days shooting on Saturday and Sunday.

The targets looked good on Saturday but the changing backgrounds from bright sun to dark clouds and rainbows caught a few of the regular 100 straight guys out. Peter Chester and Luke Flynn were unable to beat Richard King's overnight lead of 98. Sunday was mostly bright but with a cold breeze, but that didn't stop Junior Ethan Lord scoring a brilliant 100-straight. In truth, he shot the targets so quickly that I doubt he even realised that there was a breeze!

There was a real family feel to the event with Ethan Lord and his Dad Marcus in the Cambridgeshire Team. Essex Husband and Wife Team of David and Gill Billington shared Family honours on 97 each, while Son George was top scorer in the Essex Junior Team.

There was a real family feel to the event.

Neil Faulkner has won the National Inter-Counties title multiple times, but for the first time he was shooting with three generations of his family, joined by Son Richard and Grandson Alfie. Neil still managed to show them how it should be done with a 97.

Overall High Gun of the competition with the only 100-straight of the weekend was Ethan Lord. There was a four-way tie for second place with

Eddie Lockwood, Howard Derriman, Dave Hendon, and Eric Sumner all scoring 99, giving Eric the Veteran's Title and Trophy.

Ladies High Gun was Isabel Cartlidge on 98, just ahead of Gill Billington on 97. Ethan Lord of course took the Juniors title and trophy. It was a great weekend for the Juniors with Eddie Lockwood hitting 99 and Isabel Cartlidge scoring 98. George Billington's score of 91 gave him the Colts title.

In the Team competitions, it was a clean sweep for Essex who took first place in all the categories, while the runners-up badges and medals were shared between five other Counties.

Inter Counties Winning Team: (Best five scores to count): Essex 481/500 – Dave Hendon, David Billington, Nigel

Cullinane, Alejandro Garcia-Mayol, Graham Turner and Peter Stanton-Hope. Runners-Up Cheshire 479/500.

Essex triumphed in the Veterans Team with 192/200 (Best two scores to count). Essex Veterans team Robert Humphreys, Glen DeFreitas and Gary Bridger.

Somerset were Runners-up with 187/200. Essex Ladies took the title with 185/200 – Gill Billington, Katie Durrant and Jackie Martin. Berkshire were Runners-up with 176/200.

The Junior event was won by the Essex Team of Eddie Lockwood, George Billington, and Lewis Faux with 190/200. Runners-up were Gloucestershire with 187/200.

The Colts Team of Theo Christou, Emily Chumbley, and Arthur Cutter completed the clean sweep for Essex with 174/200, ahead of Hampshire Colts in second place.

In addition to the CPSA Colts Badges, there was an additional individual Trophy for each of the winning Colts Team, kindly donated by Essex Skeet Team Manager Glen DeFreitas.

Thank you to the NCSC Staff and Referees who kept the ground looking great and the event running smoothly.

INTERNATIONAL

Sarah Daly reports on events around the World.

What a way for GBR to round off the ISSF season which started in January and ended late November.

ESC CHAMPIONS LEAGUE

The top four teams comprising of two women and two men, were invited to shoot the ECL. From the massive depth and talent throughout Europe, GBR was the only country to field a team in the skeet and trap matches, finishing top of the medal table with gold and silver medals.

The Format: The format of the competition saw the national teams face each other in a series of semi-final duels, culminating in the winning national going on to the Bronze and Gold medal matches for each discipline to finish top of the medal table.

Each athlete was paired up with an athlete from the opposing team, for their duel in a race to win points for their nation. Any ties between nations at the end of the duels were settled by a mixed team duel match.

Trap Team Gold: Matt Coward-Holley, Abbey Ling, Aaron Heading, Ellie Seward

Skeet Team Silver: Ben Llewellyn, Amber Rutter, Freddie Killander, Emily Hibbs.

Trap: GBR won their match against Spain, qualifying for the gold medal match.

GBR went up against a strong Italian team in the gold medal match, with Aaron shooting first,

establishing the first point.

Ellie was next up, achieving an impressive win in her duel against Olympic gold medallist and five times world champion, Jessica Rossie.

Matt won his duel comfortably, giving GBR a straight win, with Abbey not even needing to shoot.

An exceptional win for the trap team, including coach, Marco Micheli.

Above: Skeet Team: From second left Per Moen, Freddie Killander, Emily Hibbs, Ben Llewellyn. **Left:** Trap Team: From third left Marco Micheli, Matt Coward-Holley, Aaron Heading, Abbey Ling, Ellie Seward. **Above Inset:** ESC Champion League Medals.

Right: Back right, Nathan Hales.

Skeet: The skeet team won their match against Cyprus after a close finish with a shoot-off, putting them in the gold medal match.

The gold medal match also created a shoot-off to decide the placing, just losing out to a strong German team, but a silver medal was still tremendous result for the team and their coach, Per Moen.

The event was rounded off in the evening with dinner, the medal ceremony and some fun!

WORLD CUP FINAL

Skeet: Silver Ben Llewellyn, Freddie Killander. **Trap:** Bronze Nathan Hales, Matt Coward-Holley.

It is a real achievement to make the World Cup Final (WCF) for the athletes and the coaches, and even more of an achievement to make the finals.

The trap event was very exciting, with Matt posting the top score of 122ex125 and Nathan just one target behind on 121, making the finals in third place.

The finals were shot under flood lights, the first scheduled for an ISSF event.

Nathan shot a brilliant final to take bronze. He had a slight advantage as he shot 25 targets under flood lights earlier in the year.

Matt struggled a bit for the first 15 targets, then settled, but unfortunately it was not enough to make the podium.

In the skeet event, Ben was right up with the leaders throughout the event, finishing on 121ex125 in fifth place, he then went on to maintain his position in the finals.

Freddie equipped himself well in his first WCF, shooting 72ex75 on the first day, unfortunately day two did not go so well, but he is certainly making his presence felt on the ranges, and will be interesting to watch next year.

Nathan commented: "A bit of a break meant I was feeling quite fresh for the WCF.

"I was very pleased to make the WCF, it is like a mini Olympics, a tough one to win but you still want gold, but bronze was good for the end of long season.

"I feel settled and relaxed in life, so the results feel it was a natural progression with all the hard work, which has now fallen into place.

"I enjoyed the flood lit final, and think it makes a spectacle for the spectators.

"I am always grateful to Kevin (Gill) who supported me a lot and his guidance helped to where I am today."

Coaches: Marco Micheli and Peter Wilson.

Sponsors: Promatic, Berretta and GMK, Swatcom, DE.LA.RO, Clever Mirage, Chris Potter Country Sport, Ed Barker Nuthampstead SG, British

Shooting, UK Sport.

Talking to trap coach post WCF, Marco Micheli commented: "They did not make the WCF by luck!

"There was not a lot of preparation time for the competition but I was extremely happy getting two athletes for trap,

"Nathan had a great comeback in the event, showing a strong mental consistency, especially as they started shooting early in the morning.

"Matt has been showing a lot of strength again, especially against the rest of the field, he is in a good position in the Olympic World Rankings.

"ECL, well, that was amazing how the team showed real strength, and I was very pleased how we showed depth of trap shooters.

"Ellie beating Jessica Rossi in their match was amazing, highlight of her career so far,

and I'm sure there's more to come from her."

"In training we used to run very much the same format; for working under pressure we trained on runs of five targets, so we had been training for the event without knowing it!"

Chatting to Ben post WCF: "Re the ECL: "It was a strange one, being a new competition we weren't quite sure what it was going to entail, but it turned out to be an interesting format. It was great to be involved with the whole event and to win a medal!"

Re the WCF: "I did a couple of days training with Per out there and was pleasantly surprised to make the final. Very happy to end the season with the WCF and it has given me plenty of motivation to work on specific areas in preparation for next year."

Coaches: Per Moen and Richard Brickell

Sponsors: Perazzi (High Tech), Clever Cartridges (Pro Extra Evolution), Promatic. British Shooting and UK Sport.

It has been a great year, with some exciting talent developing – encouraging for the future. 🐦

NEW YEAR, NEW PLAN?

At this time of year it's traditional to assess progress and set new goals, and **Anita North** has some advice on how to plan your progress in 2024.

Do you have a plan? Training big or bite-sized pieces?

So you have the bug for clay shooting and want to get the most out of your sport, either by being your best or setting your sights on big things. This time of year is a quieter time for competitions so it is a good time to focus on getting organised. Think about

the months ahead and what you want to achieve in your clay shooting journey. It is a great opportunity to put pen to paper and/or hit the keyboard.

PLANNING AND NAVIGATING YOUR ROADMAP

So you want to do your best in your clay shooting activities? Who doesn't

but how can you go about that? Do you just go out and blast as many clays as you like, taking each outing as it comes, or do you set to specific tasks to hone your shooting skills to prepare for the big moments? It may be an old cliché but failing to plan is planning to fail, and I really believe this. For me personally it took some time to get to grips with

“ What is your ultimate goal? What do you want to get out of your sport? ”

planning, but it was the way to success.

Think of a plan as your roadmap that you will use to navigate your journey in clay shooting. What is your ultimate goal? What do you want to get out of your sport? It may be Olympic glory, or it might be that you simply want to get out there and have yourself some fun. To regain the love of the sport perhaps?

Once you have the big objective, break it down into simple steps that will help get you to your goal. See how far you can drill down into detail. It is not just about achieving a certain score/result, but it is about what it takes to get to that.

Time and resources are not limitless so be realistic and plan with the time available to you for your sport and within your budget. Decide what's important to you and focus. Always remember you can't work on everything all at once. Give yourself bite-sized pieces to work on in each training session. You can also work with your coach to look at your goals and what you have in your plan. They will be able to help you.

THE DETAILS MAKE THE DIFFERENCE

Training is not just going to a shooting ground and pulling the trigger to blast clays. Think about details. Are you physically and mentally ready for competition? And if not then what can you do to ensure you are? Is your eyesight good? Are you using the optimal shooting glasses and lens colour for particular conditions? What's in your kit bag? What is your shot routine? What makes you tick as a competitor? Is your gun safe and serviced? Does it fit you or do you fit yourself around your gun? Do you have the cartridges that you need for your training and competing? These are just a few ideas on details to get you thinking.

GET ORGANISED

To help you get your shooting schedule laid out and organised, check out the What's On section of the CPSA website. Here you can find fixtures, championships and more, including dates and venues for CPSA championships and selection shoots. You can also book onto championships – just follow the instructions on the website.

Once you have the big objective, break it down into simple steps.

VISUAL AIDS

Most people, me included, have a schedule/plan in the calendar on their phone or tablet. However a

paper version can be a great planning tool. Plot out the weeks and months ahead to see an overview of your whole year, month or a week.

KEEP A JOURNAL

Get yourself a notebook to keep a journal or do it on a spreadsheet if that floats your boat. Although a true journal is not just about keeping records of scores, but also other information and it's a place for ideas and thoughts. It is a place to capture inspirations and questions. You will want this all for part of your review.

Include information about each shooting day – location, weather, what you ate for breakfast, and lunch, what you were working on for the day (your bite-sized piece) and the results of that. Include your feelings, your mood before, during and after each session of shooting. Remember to note the things you have learnt from a day of shooting. Do include notes on things that you have done well. Give yourself some praise. After a while you will have an informative record of what you did on the good and bad days, and this should help you formulate your plan for more success in the future. You can eliminate the bad habits and focus on more of the good ones.

MEASURE YOUR SUCCESS

Reviewing your progress and plans at least every three months or so is essential because this helps you check your plan is as it needs to be. This review should also include going through your journal. When you review you can update your plans if necessary. This review also ensures you stay focused. Doing these reviews is also a great way to get to know yourself as a shooter and as a competitor.

You can see how your shooting is progressing by checking your scores, classifications and averages on the CPSA website. Reviewing your average is a useful tool for seeing how consistently you are shooting and will reflect how your shooting is progressing.

I hope these are useful things for you as we move into 2024. And have fun, enjoy your clay shooting, be prepared and keep up the good work. 🍌

IN THE DEEP MIDWINTER

The top shots have a variety of approaches towards shooting in January and February, as **Matt Kidd** discovers.

As the well-known saying goes: "You can have too much of a good thing". Indeed, it is typically meant for overindulgence of food or drink, for example when you're absolutely stuffed after the Christmas dinner. But it rings true for everything we do, especially in sports that we take competitively.

While it's natural to feel a bit disappointed about the competitive season ending, or to experience a case of the blues a month or so down the line, there are so many benefits from having an off-season and approaching it with the right mindset can pay dividends. Of course, everyone is different and finding the balance between maintaining in-season intensity and putting the gun in the cabinet completely until the spring is very personal.

I asked a few top shots how they approach these upcoming colder months in anticipation of majors come the spring and summer.

SHOOT ON ONLY THE BEST DAYS

"For me, shooting 100-bird layouts two to three times a month during the winter is ideal," says shooting Instructor, British Open Champion and England team member, David Ferriman. "It is enough to keep in touch with progression, and little enough that you get a much-needed rest from the major competitions of the summer and don't lose the enthusiasm. I would, however, advise that you conduct some research into the weather and shoot on only the best days, and if that means not going out for a few weeks, so be it. As we all know, days in January and February are often bleak, and shooting with way more layers than you would ever wear in competition is not ideal. Plus, if you aren't enjoying it and have a bad day, it can often do more harm than good."

Former England Team member in DTL, ABT, Universal Trap and once winner of the Coronation Cup, Paul Cockle, shares a similar view: "Battling the elements does you no good. You

...if
you aren't
enjoying it and
have a bad day, it

than good.

dress up and you're bulky, the gun doesn't fit nor feel the same. I believe you should do some shooting but pick your days and just tick over without pushing too hard. I believe everyone only has so much in the tank, with form ebbing and flowing. You want to hit your major competitions when you're at peak flow, a time when you're not having to think about what you're doing and can easily get into the zone. For me, that's always meant building up my training intensity one month before the competition date – it would be a shame to waste it over winter."

A TIME FOR CHANGE

"On the flip side of things, the winter period is a great time for shooters to see their coach, work on any nemesis birds, make subtle changes to their style," explains David. "It is also the time when one should look to change gun if you are considering it, and cartridges, glasses etc too. By doing this in the winter when it comes to the first major you will be completely familiar with the new kit, and you will be happy with your gear. Changing a gun is never ideal during the competition season."

LOOK AFTER YOUR BODY

Daylight hours are short and the weather typically grim in January and February, so it is a perfect time to head to the gym. It is part and parcel of sports that are physically demanding to build on strength, flexibility, endurance etc., allowing time to recover and overcome injuries that one has 'played through'. Yet in clay shooting, this is often something overlooked and could go a long way.

"Like everything, be cautious of overdoing it in the gym, there's no need to be a bodybuilder!" laughs Georgina

“ Each of these shots express the importance of focusing on positive experiences, staying warm and enjoying it. ”

Roberts, Olympic Trap shooter representing Wales and Great Britain and owner of The Shotgun & Chelsea Bun Club. "The two main areas to focus on are strength and mobility. Your core elements – the whole of your trunk (shoulders to quads/hamstrings) – are essential for shooting. Mobility work with a resistance band is a great activity to add into everyday life and great for a warm-up routine before shooting. Balance work is also good to increase self-awareness and stability, helping to form a solid base for your stance. But if the gym isn't for you, there are lots of at-home activities you could introduce like yoga and Pilates, investing in a balance board etc."

TAKE TO THE COURTS

Of course, having other seasonal sports can also be of benefit. Paul Cockle explains what he felt gave him the competitive edge, when at the peak of his clay shooting career, was playing squash over the winter gap. "It was fantastic for not only building on endurance and general fitness during the off season, but it maintained my hand-eye coordination no end."

My style was often described as being very sharp, especially on trap, and I am positive this came from the agility and reactions of being on the court. Ray Sutton a very competent shot, used to be a very competitive Badminton player for the county too."

GET INTO GAME

For many top clay shots, game shooting takes centre stage for winter outings with the gun until 1 February. George Digweed MBE, Mark Winsor and Sam Green are all renowned game and/or pigeon shots and world clay champions alike.

"I shoot game occasionally, and pigeons and rabbits on the farm, other than that I don't get the gun out until my competitions which I use for practice," Sam admits, "and I use the same gun for crop protection/vermin control as I use for clays."

"I believe any type of shooting helps," adds Paul, also an avid game shooter, "you've got to be having fun and sometimes that's doing something different, maybe trying a discipline you don't normally shoot to break it up."

However David Ferriman feels too much game shooting can sometimes be detrimental to clay shooting form, and sees people struggle when returning to clays for the first few outings. "I shoot game occasionally, but I personally don't do any other sports nor shoot different disciplines, but for some people it works. Instead, I think it is important to get variation through visiting different venues around the country instead of just visiting your local. This prep is great for majors, as you don't have such a shock when having to shoot somewhere new if you've only ever stuck to within your comfort zone."

Indeed, there are many ways one could approach this winter gap. And whether you choose to put the gun away until spring, work intensively on your bogey bird or land somewhere in the middle, each of these shots express the importance of focusing on positive experiences, staying warm and enjoying it. 🍂

– CPSA SPONSORS LE CHAMEAU – FANCY FOOTWORK

In the deep midwinter looking after your feet when out shooting is essential, and **Matt Kidd** looks at three great options from **Le Chameau**.

When purchasing a gun for your clay competitions, you will likely spend hours upon hours researching what to buy, seeking lots of advice from friends, gun retailers, and an array of print and online sources. The same likely goes for eyewear and hearing protection, shooting vests, coats, base layers and cartridges. However, can the same be said for the footwear you will actually wear for training and competition?

Evidence suggests that many clay shots make that decision based upon what is closest to the front door before loading up the car, often without even a quick glance at the weather. In the summer, that's normally okay, but if the last six months is anything to go by, a good Wellington boot is going to be a must this January and February, leading into spring and the start of your competition season.

CPSA sponsors Le Chameau – a dyed-in-the-wool country and shooting brand who are the only such bootmaker in the world to exclusively hand craft their products by master bootmakers – have provided us with three of the best natural rubber boot options for shooters.

CHASSEUR LEATHER LINED BOOT – £380

This first option represents the pinnacle of Wellington boots and is iconic to the Le Chameau brand. A superior choice for clay shooters, the Chasseur features a premium leather lining and insole for outstanding fit, insulation and comfort, with a full-length specialist waterproof zip for easy on-off, and snap button for fastening. It also boasts eight calf fitting options which makes for an almost bespoke fit. Extending the durability of your boots is a fibre reinforcement to the front of the boot. The outsole is suited for all terrains you'll encounter and is also reinforced to offer the wearer superior arch support. The Chasseur is a fantastic option year-round for clay shooters for all but the hottest of days.

VIERZONORD NEOPRENE LINED BOOT – £200

Le Chameau's best-selling boot is famous for being the first rubber Wellington with an adjustable, waterproof gusset. This everyday country boot features a 3mm neoprene lining that insulates your calves and

feet, offering warmth and comfort all day long, ideal for those bone-chilling winter days. The tightening strap and snap-fastening button ensure a perfect fit around the calf, while the outsole boasts shock-absorbing and anti-fatigue properties with an all-terrain sole.

COUNTRY CROSS NEOPRENE BOOT – £160

An entry-level option, the Country Cross is built using the same exclusive Chamolux rubber without the adjustability of the other two options. It does, however, feature a wider, sporting calf for a more generous fit around the leg and a slightly different, dual density outsole and the neoprene lining offers great insulation properties, keeping feet warm down to temperatures as low as -15 degrees.

CARING FOR YOUR BOOTS

Unlike our best shoes or trainers, the majority of us are often guilty of neglecting our Wellington boots when caked in mud, wet, dusty and so on, often leaving them in the boot of the car or at the backdoor after a day's shooting or dog walk. But with a little bit of maintenance and good practice we can extend the lifespan of these products and keep them looking fit for purpose. Whether you have been on a particularly wet day or have perspired in your boots, it is advised to remove dampness inside before wearing again, either by naturally air drying or by inserting crumpled newspaper into the boots to withdraw any moisture. For storage, ensure they are in a well-ventilated area, away from direct sunlight and a considerable heat source. While water and a brush is ample for 99 per cent of the cleaning required, a special care sponge or natural rubber spray can be used for added care or if you plan to store them for a long time.

BREAKING CLAYS AT BLYTON

We spoke to Blyton Shooting Ground owner, **Billy Cook**, to learn more about the Lincolnshire ground.

Q How did you get into the shooting industry?

A: I grew up as a gamekeepers son on the South Downs and have spent my whole life shooting, but became more interested in clay shooting as I got older. I have travelled all over the country shooting in competitions and in April this year an opportunity to own my own clay ground arose, and I couldn't pass it up.

Q Can you tell us a bit about the ground?

A: Blyton Shooting ground was originally opened around 40 years ago by Joe Wheeler and has been passed on through various owners over time, I acquired the ground in April. The potential that the ground has is what makes it

so special – there has been so much work put in already, with improvements always ongoing, making sure that anyone who comes to shoot here has the best experience possible.

Q What disciplines/facilities/ events do you offer?

A: There are currently 12 stands of Sporting and a Sportrap layout with Skeet coming soon, and plans to begin work on DTL. We are constantly looking to improve and expand, and with being such a new ground every penny we make is invested straight back into making the ground the best it can be.

Currently we are holding a Registered shoot every month, with our first Registered held on 14 October which was a great success.

After a lot of hard work, we have recently just opened up our cafe, which was a much needed addition to the ground after lots of feedback. Breakfasts and sandwiches, tea, coffee and cold drinks are available throughout the day.

Q Has the ground won any awards or accreditations?

A: Currently, the ground has not received any awards of or accreditations, but with constant improvement, awards and accreditations are certainly the aim.

Q How has the ground developed over the years?

A: As I have only recently acquired the ground, the developments are constantly ongoing. One of the first

tasks we undertook was making sure the ground was absolutely spotless, giving us a clean slate to build upon, with the team maintaining the ground constantly to make sure it remains tidy.

Previously the walkway around the lake, situated in the middle of the ground, was not accessible the whole way, so it made sense to remove some of the banking and make sure that the whole ground was easy to access for everyone. This has also opened up space for more stands.

When I arrived, an old outdated dogle system remained at the stands which has now been upgraded to Promatic's claymate system – user friendly and

easy to understand even for inexperienced shooters.

As previously mentioned, any profit made goes straight back into the ground and this includes constant upgrades to traps. I want everyone to enjoy the ground when they visit, so adding new stands, and new traps is a top priority.

To keep the ground interesting, the layout and targets are changed frequently, so no two visits are the same.

I believe to have a great practise ground, there must be a huge variety of targets, for all abilities, and this means a huge amount of effort is put into setting traps.

Q What's the clay shooting atmosphere like near you?

A: In our area, there are a lot of small clubs dotted around

“ To keep the ground interesting, the layout and targets are changed frequently, so no two visits are the same. ”

but CPSA Registered grounds are a rarity. We aim to be the go-to for people in our area.

Q Are you planning any events for 2024?

A: There are big plans for 2024, but these are still in the works, so I wouldn't want to reveal too much too soon. Keep an eye on our

Facebook and Instagram pages for updates on our plans and events!

Q Is there anything we have missed, that you would like to include?

A: We are keen on encouraging new people to try the sport and offer have-a-go sessions for £50. This includes, 25 clays, 25 cartridges, gun hire, and an instructor. Booking is required and lessons are also available for £60 an hour.

We can also cater for corporate events, providing package deals including clays, cartridges, gun hire, instructors, food and drinks throughout the day. Please contact us for prices. 🍷

MARK FLETCHER FIRST OVERALL SUPER SPORTING

I was surprised at my results for Super Sporting as really, I wasn't aiming for anything with this discipline and just wanted to improve the concentration element which I found very testing at the start.

Super Sporting challenged me to keep shooting it!

This year I was very happy to achieve AAA Class status in Sporting, Super Sporting, and A Class in FITASC. I know there are a lots of better shots than me and the discipline is relatively new, with many people just dipping their feet in the water, so lots of top shooters have only shot a handful of competitions and did not qualifying for the top 20 – I just happened to attend over ten shoots and shot well to qualify this year.

Gun: Caesar
Guerini Invictus 3
Ascent.
Ammo: Fiocchi Rossa
7.5s and Fiocchi Of-
ficial Comps 8.5s

In 2024 my aim is to achieve a higher consistency and hopefully bigger results will follow. I'm looking forward to shooting the

57th European Fitasc

Championship in Spain April 24, among all the championships and various selection shoots at home.

My top tips would be to not

be too stubborn to seek professional advice, as a good coach can speed up the learning process if you are determined. Have an open mind to try new things but if it doesn't work, understand why, then dismiss it and move on. You can also watch people who are a lot better than you and understand why they make it look so easy.

I'd like to thank my wife Viv and three kids

for supporting me – they have been extremely understanding in allowing me to disappear shooting all over the country and abroad! I have also had lots of great coaches and friends over the last 15 years that have helped me, you all know who you are!

Sam Usher has certainly been a driving force from a coaching aspect over the last two years. Sam has helped me establish a solid and maintainable technique in that time. Thanks to Matt Panter at Caesar Guerini UK for an excellent service and support.

Other disciplines (except Helice) are calculated from a minimum of 500 targets (that count towards your classification) at a minimum of three different grounds. JAMES ATTWOOD

FIRST ENGLISH SPORTING

As far as results go, I have had one of my best years. I'm really happy with all my performances. From the very start of the season my timing was really good and I found a lot more consistency throughout the whole year.

Was there an event or result you were particularly pleased with? I have had many high points throughout the year. I came Runner-up at the English open sporting, highest score at the British Open but the one which was the highlight was shooting 199/200 to win World Compak after a tense shoot-off with Mark Winsor.

I don't always set myself goals to achieve; every competition I enter I always want to give my best and put everything into it. If I was to have a goal it would be to better myself and add another major title to the one I won this year.

My top tip would be to never give up, and keep working hard as the more you put in the more you will get out of it. Also, In my disciplines it is always worth travelling to different grounds to see different target variations and backgrounds.

Firstly I would like to thank my sponsors Beretta, GMK, Gamebore Cartridges and Censdigital for their continued support. I would also like to thank my friends and family who have always been there to support me along the way.

CORY DOBLE

FIRST AUTOMATIC BALL TRAP JUNIOR AND THIRD OVERALL

I have really enjoyed 2023 as there has been some very competitive shooting and its been another successful year in ABT for me, winning some major competitions, a new personal best and regular podium finishes.

I have had lots of highs in 2023 but my most memorable has to be shooting 100 straight in ABT at East Yorkshire and overall junior high gun at the ABT Home International at Bywell.

In 2024 my aim is to maintain my high scores and to qualify for the ABT & DTL England junior teams.

My top tips to my success is to shoot different disciplines to build on your natural ability and start at the foundations and don't go straight in at the top.

I have some fantastic support and would like to thank all who have contributed to my success, including Eley Hawk, SWATCOM, Quintec Electrical (Paul Osbourne) and Spennymoor Clay Shooting Ground.

WILLIAM PAGE FIRST COMPAK SPORTING

I am very happy with my results this year, I've shot fairly consistently and have been 'up there' at most of the major events!

My high point in 2023 is a tie between retaining the British open Junior title and making the top-six shoot-off and winning Juniors at the four big Compak events in the UK.

I don't necessarily have goals, I just shoot every event I can and see how it goes, but my top tips would be not to get in a strop when you miss, stick to what works for you as you won't learn consistently if the fundamentals keep changing (gun, cartridges),

and to get out and shoot different grounds, the greater array of background and target presentations

the better.

I would like to thank Hull Cartridge Company, Blaser, and Teague Chokes for their continued support as well as my mum, dad, and my great friends Lewis and Chloe for all the booking, driving and help.

ISABEL CARTLIDGE
FIRST LADIES ENGLISH SKEET

I am very happy with my results for 2023, my high point was being able to represent England in the Home International in Jersey for the second year running. My goals for 2024 are to get into the England team again and win a major Ladies title.

My tops tips for anyone shooting is to always try your best, have a good coach like

mine, David Beardsmore, don't worry about missed targets, and remember that hard work always pays off.

I would like to thank Premier guns, Eley Hawk Ltd, Laporte, GMK, Carter Security, Starkey Outdoor, Mercury Custom Plugs, and everybody who has supported me on my shooting journey.

CONNOR HARRIS FIRST OVERALL DOWN THE LINE

It's been a tough year with results if I'm being honest as I've had a few second and third place finishes, but just couldn't quite get over the edge for first. My favourite win this year was winning the Womble trophy at the English open with my older brother Alex. It's a trophy for the highest family pairing. We ended with 597/300 and it was a pleasure watching him shoot a 100/300 on one of the biggest stages.

My goals for 2024 is to keep hitting the clays out in front of me and to make the England DTL team and represent my country at the world championships and hopefully bring home a gold.

My top tips for anyone shooting DTL is to just keep at it and practise hard. It's a discipline where it's very hard to win but so easy to lose as one point will most likely cost you. The most important tip of them all is to go out and enjoy it. If you miss a clay, forget about it and move on to the next.

Lastly I would just like to thank Eley Hawk and Mick and Jay Marlow of Normanton shooting ground for all the support they have given me over years to whom I'm extremely grateful for as without the help of them, I wouldn't be where I am today.

MITCHELL BROOKER-SMITH FIRST OVERALL OLYMPIC SKEET

Training as you mean to compete has been a monumental driving point in my achievements this year, and in previous years. I believe there's a big difference between 'training' and 'practicing'. Every shot must have a purpose and there has to be structure in the way you train. It is not a case of just coming out and playing.

I would like to thank my family, friends, and support team for their dedication to my goals. While shooting is very much an individual sport, it is important to remember the people behind every shooter who helps them achieve what they set out to do. Thanks also to my sponsors Oakland International Ltd. and Shooting Star/RC cartridges.

Gun: Beretta DT11 with an Ergosign stock.
Ammo: RC4 24g 9.5.

I am incredibly happy with my performance this year. There have been some truly memorable moments which I am so grateful for. Making the final at the European Championship in Osijek, Croatia, was a highlight for me. It was disappointing not to have won a medal but I was incredibly satisfied with my preparation and result.

In 2023 I was fortunate enough to compete in two finals throughout my international season. I would love to be able to stand on the podium at a major international competition in 2024.

KATIE DURRANT

FIRST OVERALL SPORTRAP AND ALL ROUND LADIES

number one in both Sportrap and All Round. I haven't

really thought of my goals for 2024 yet as I try to not to add pressure to myself.

My top tips would be to shoot a variety of disciplines and find one that suits

you, find someone to

help you along the way, never give up and most importantly enjoy yourself.

I would like to thank my mum Jo and dad Mark along with all my family for their support. I would also like to thank Mark Burrows for coaching me. A final thank you to Alan Rhone for his kind messages and support.

Gun: Krieghoff K-80
Ammo: FIOCCHI FBLu 24gram 7.5s and Eley Titanium Stike 28gram 7.5s

I am very happy to be in the top-ten again and to be ranked number one is truly amazing.

My high points of 2023 have to be qualifying for the British Open English Sporting Final in Ladies, being part of the National Inter-Counties ESK winning Ladies team and of course being Ladies

This year's John Twigg Memorial and War of the Roses shoots were held at North of England Clay Target Centre. Saturday's John Twigg shoot was won by Paul Turner with a score of 100/299. Paul and his brother, Michael, were lifelong friends of John, and it was great to see Paul win the memorial shoot. Thanks to Eley Hawk for their continued sponsorship.

Sunday's War of the Roses was won by Yorkshire with 2942 points to Lancashire's 2882. Yorkshire's high gun was Ian Biggins, and Lancashire's high gun was Lewis Holden. The winning team from Yorkshire included Ian Biggins, Steve Akers, Charlotte Kitchen, John Bellamy, Nigel Chapman, Lucy Hall, Daniel Beedan, Rene Aas, Rob Hall, and Gary Sayles. Many thanks to NOE for hosting both successful shoots. Next year's shoots will be held at Holmes Chapel SG on 7-8 September.

The 100-reg FITASC, incorporating UK Open 2023, was hosted at Park Lodge during the weekend of 16-17 September. The 100-target new system FITASC course, designed by David and Tom Long of TD Shooting, featured four layouts, each comprising three new shooting stations: Laporte, Banks, Tower, and 140 Tower. Over the weekend, 177 shooters participated, attracting competitors from all over due to Park Lodge's central location. Notably, there was a strong presence of Welsh, Scottish, and Irish shooters. The weather over the weekend was ideal – dry, not too bright, and with minimal wind.

Brae Taylor

As scores came in on Saturday, it became evident that the course was challenging, catching several shooters off guard with clever

speeds and angles. However, the inclusion of flash clays around the course provided opportunities for shooters to earn tickets for a draw, featuring fantastic prizes, including cartridges from Hull and Martin Jeminson of MJ Sporting.

Leading the way in the open on Saturday was Steve Randles with an impressive score of 93. Paul Lovick followed closely, just one point behind, leading the Senior Category ahead of Kevin Joblin with 91. Natasha Vadasz continued her fine form, heading the Ladies category with 77. In the Juniors category, Will Page demonstrated consistent performance, leading with 85. Kenny Bennett's 78 and John Harrison's 75 earned them top spots in the Veterans and Masters classes, respectively.

On Sunday, shooters faced the challenge of chasing down the targets set on Saturday. Ben Cumming from Scotland shot an impressive 88, clinching the Junior title from Will. Emma Stacey displayed her skill by securing the Ladies title, outpacing Welsh competitor Annalise Evans who matched Natasha's Saturday score but took the silver medal via countback. In the Colts category, Brae Taylor scored an impressive 79, securing the title six points ahead of Alasdair Turnbull, with Aaron Christie taking the Bronze a further three points back. Chris (Chip) Smith claimed the Veterans title with 81, narrowly edging out Graham Stirzaker and Michael Harding by a single clay. Barry Green secured another Masters title with 81.

The Seniors title seemed to be sealed after Paul Lovick's impressive 92 on Saturday. However, Nigel Hart had other plans and matched Paul's 92, taking the title via countback. The Open category became closely contested, and with Nigel finishing one short, Jacob O'Loughlin and Matt Hance had the chance to snatch victory from Steve. In the end, there was another tie, with Matt matching Steve's 93 from Saturday. Jacob fell a couple of points short, leading to another countback. Matt emerged victorious with 25vs23, securing the Title for the third time.

Countback, rarely used in FITASC Sporting, was implemented in this event due to the competition running over separate days. The international rule, which considers scores recorded from layouts 4 – 1 in this case, was used to settle all ties in class and category.

Special thanks to Laporte for their generous

support and sponsorship of this event, Tom and Sharon Bayson for allowing the use of their amazing facility at Park Lodge, Referees – Each and every one of you, your contribution is truly appreciated, and without you, events like this wouldn't happen, Hull Cartridge Company, and MJ Sporting.

Over the weekend of Saturday 30 September and Sunday 1 October, TD Shooting hosted the North Regional FITASC Championship at Jett Hall Shooting Ground.

Throughout both days, the weather remained consistent, with overcast skies and a few late showers of rain toward the end of play. Once again, Tom and Dave Long organized an excellent technical shoot with four layouts designed to challenge all competitors. Everything was set to be shot; speed and angles were strategically used to keep participants on their toes. Both days ran smoothly, without any delays.

Congratulations to all the winners, and a heartfelt thank you to everyone who participated, including the referees and the TD Team at Jett Hall. North Region Champion: Mark Webster. Veteran Champion: Kev Joblin. Super Veteran: Graham Stirzaker. Junior Champion: Brae Taylor.

The team will consist of ten Seniors, three Ladies, three Veterans, and three Juniors. Team members will be selected based on their best three scores from the above five selection shoots. The North of England team will be expected to represent the North region at the English Open DTL at Bywell SG on 9th June 2024. It is the responsibility of each entrant to ensure they have entered the English Open, as team places will not be reserved. We hope to see as many shooters as possible at the selections. For any queries, please contact Emma Holden Hardy or Charlotte Kitchen.

The North Region Sporting Championship took place at E.J Churchill Swinton Estate on October 14th, marking the last Sporting championship of the year. A total of 125 competitors fiercely competed for the top ▶

positions in their respective categories. This year, the sporting trophy was updated and dedicated to the late Tony Heeks, a significant figure in the shooting community, known for his advocacy and long-standing committee membership.

In addition to the competition, goodie bags from CPSA HQ were awarded to the winners of each category, while the rest were drawn out as spot prizes.

The category winners were determined after a challenging set of targets. A remarkable four-way tie for the top position included Mark Winsor, Tom Heath, Mark Webster, and Ross Holmes, each with a score of 91. Following a shoot-off, Mark Winsor emerged as the overall champion and claimed the senior title. Rachel Carrie secured the Ladies title with a score of 73, while Phillip Rowbottom earned the Veteran's title with 88 points. Bradley Martindale

triumphed as the Colt champion with a score of 72.

Thank you was extended to everyone who participated and supported the event. Gratitude was also expressed to the E.J Churchill's team for hosting the event and to HQ for providing the spot prizes.

Thanks to those who attended the recent North Region AGM. Emma Holden-Hardy and Charlotte Kitchen received their award for the winning Ladies' team DTL English open., Nigel Chapman received his Chairman's Award/Shooter of the year, and Corey Doble received his award for junior high gun English Open ABT & Junior High Gun at the Dougall Memorial (DTL).

North Regional had their annual AGM on Thursday 23 November at The Bridge Hotel, Walshford. The National Director John Martin and CPSA CEO Iain Parker attended. Dr. Martin handed out achievement awards to North members who had success in various major championships this year, and Mr. Parker gave a brief update on the current situation regarding lead shot, also taking questions from the floor.

County representatives and officers were elected to the committee, with several members retiring and new ones being appointed. Full details will appear on the NR website in due course.

It should be noted that the regional

committee have made the decision that the only English Skeet championship to be supported by the committee in 2024 will be the Regional Championship. The decision was made due to a lack of numbers attending various county Skeet and selection events, and is the culmination of apathy and poor support from the region's skeet shooters – a situation that has been ongoing for a number of years. **Terry Deakin, Chairman**

The Yorkshire FITASC Championship was held at Mount Farm Sporting Clays on 17-19 November in what was the first of the FITASC winter series. This fixture was highly anticipated and definitely did not disappoint. A stern but fair set of targets had everyone on their toes, some described it as "old fashioned FITASC" High Gun and Yorkshire Champion was Adrian Parkin-Coates on 90ex100. Lady Champion was Becky Brown on 55ex100. Veteran Champion was Gugsy Ahmed on 75ex100. Super Veterans was won by Eric Warring 67ex100. The Junior title was won by Brae Taylor on 79ex100.

Thank you to everyone that took part and thank you to the Mount Farm team for an excellent event.

A great turnout was witnessed at Catton Hall Shooting Ground Ltd on 24 September for the English Sporting Championship.

Everything was at stake today, with Jay Smith aiming for the treble. Past winner Dave Walker had been in excellent form recently, making it a competitive match.

The weather forecast was quite unpredictable, but fortunately, the rain stayed away. However, a stiff wind at times made some already tricky targets even more challenging.

Marie Meadows performed exceptionally well, securing a solid score of 82 and clinching the Ladies category.

In the Juniors category, James Southwood emerged victorious.

The overall winner and champion, with a remarkable score of 86, was Kevin Clarke-O'Neill.

7 Oct: National Inter-counties ESP, Atkin Grant and Lang

Although there was good shooting AR it was left to the Ladies to bring back the medals and honours. Firstly the Ladies team won Gold, which was an excellent result and Lara Dale shot 94, a personal best, to take Ladies High Gun and win A Class. What a smashing effort considering High Gun for the event was 97.

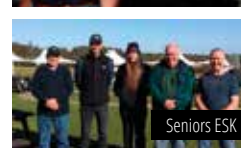

14 Oct: National Inter-Counties ESK, NCSC Bisley

Cheshire fielded a Senior's team this year, and were one of the first squads out at 9am. They were leading all morning, then when the scores came in from one of the Essex teams,

they were tied for the top spot in the early afternoon. The last squad went out at 3pm so it was a long wait till all the scores came in. Another Essex team had beaten us by just two clays. So it was Silver badges for Cheshire, and many team members won money for class places. Christian Bethell and Isabel Cartlidge both shot a magnificent 98, and Isabel also won Ladies High Gun. A big thank you to all the team members from Colin Babcock ESK Team MGR.

year a treble which is quite outstanding achievement, given the competition and talent within the county. Silver went to Tim James 92 and Bronze Steven Davis 91, Veteran Adrian Johnson 90, Ladies went to Jennifer Young whose 81 beat Chloe Applin 81 on countback and Juniors Luke Russell 88. Other notable class scores, in C Class first was Steve Lawrence 84 and in third was Andrew Phillips 77.

14-15 Oct: National Inter-Counties ESK, NSCS

As with all the weather played the county a poor hand over this two day shoot, the county team being Paul Tudge 93, Joanne Knapman 90, Mark Powell 88, Matthew Canning 88, Martin Knapman 86, and Dave Smith 84. Sadly our overall team score fell just short of a medal place. Our Juniors of Brett Powell 94, Liam Richings 93 and Jack Blandford 85 won Silver, thank you all and very well done. Once again we did not send a Sporting team to the National Inter-Counties.

one, the counties only success being in CCclass, first place Joanne Knapman 88, a might have been second for Martin Young as his 79 was a 'targets only' entry and in third James Whitehouse 77. 8 October England Selection Shoot – Westfield. Third in A Troy Thornell 88 and first in B Steve Lawrence 86. 29 October – Westfield. Few earlybirds not putting their watches back no doubt, and glorious weather also, overnight flooding nearly caused a cancellation, an all hands in clean-up operation duly ensued and was rewarded with a massive entry, our only success being a second in B class, Nick 'the builder' Burns 77. 4th November Ian Coleys – the ground is running four Saturday shoots through the winter months, which for most is a welcome addition to the fixtures at the first event second in A Aaron Skelton 89 and in C second Mark Searle 79, third Luke Purkis 78. H&W's top scoring competitor, Phil Smith, was entered in the masters shoot-off where he had a tough line of competitors from the other counties. Phil won the Rose Bowl trophy and £400, huge congratulations Phil! Many thanks to Steve and his team, everybody who turned out to shoot for us and their families and supporters.

22 Oct: County Super Sporting Championships

Our inaugural County Super Sporting Championship was held at Westfield and proved to be a popular addition. Congratulations go to Phil Smith, County Champion on 94, Nick Rees closely behind as Runner-up on 93. Phil also took Veteran Champion. Natalie Jones took Ladies Champion on 76, and Harry Pugh Junior

Coaching News

Hereford & Worcester CPSA send our congratulations to Andy Herridge on receiving his Level 3 Senior Coach certificate. Andy has completed all three CPSA Level 2 Coaching courses (ESP, ESK, and Trap). This currently places him in the unique spot of being the only Senior CPSA Coach in Hereford & Worcester.

Andy said "When I'm learning about something I like to make sure I'm doing it properly and get a full understanding of the subject. It all helps me be in a better position to really help others."

Those who know Andy will attest to his generous help. If you would like to benefit from his years of experience, knowledge, and the assurance (and importantly insurance) that comes with a CPSA Senior Coach, give him a call on 01568 708375 or find him at Park Farm Shooting ground, Ombersley.

We recognize and appreciate the time, commitment, and investment needed to attain this so again, we send our congratulations and wish him happy coaching!

AGM

Our AGM and fundraising shoot is on Saturday 10 February 2024 at Park Farm Shooting Ground, Ombersley. The shoot will include Skeet, DTL and Sportrap, the AGM will follow at 3pm. The Sporting will also be open for practice and catering will be available. We would love to see you but especially if you have won badges and trophies, we would appreciate your attendance as due to GDPR it is difficult and expensive for the county to distribute these by mail. We also have the presentation of our two beautiful new trophies (Chris Bayliss Memorial) for Overall Top Shot in DTL and English Sporting. Do please come along and perhaps consider whether you could volunteer your time and energy to help us on the committee in 2024, we are always appreciative and welcoming of members' help and ideas going forward! Our present committee sends our best wishes to all our members for a happy, healthy 2024.

Competition was tough but we appreciate every member who gave it their all. The Senior team (Matt Pugh, Phil Smith, Charlie Drury, Paul Harrison, Julian Morris, Brandon Smith) put in great scores but such was the day that the team was still placed joint fourth from nine teams. Paul Bailey – Disabled Shooter of the Year!

The Disabled Shooters Group recently held their AGM and we were extremely proud to see that Staffordshire's Paul Bailey awarded Disabled Shooter of The Year. Paul is a familiar face on the circuit and his unquestionable talent as a terrific all-round shooter, coupled with his encyclopaedic knowledge of clay pigeon shooting makes him such an invaluable member of our sport, as well as the Staffordshire Committee.

Along with numerous personal achievements, including Disabled Sitting Champion at the ESP British Open, Paul had another excellent year with Staffordshire, as part of our Inter Counties Gold-winning teams in ESK and Olympic Trap as well as winning Bronze in the ZZ. He also steered Staffordshire to success in the WM Area Clubman competition.

5 Nov: ESP, Garlands

Jack Whitehouse was on fire, taking Overall High Gun with 96. Tim Hatton also broke the 90 mark. Brothers Jack and Archie Tromans had a great day out. Jack took

top spot in A Class with 88. Archie was top Junior and joint winner of B Class with 78 – great shooting!

5 Nov: ESK Belvoir Cup, N&DGC

Delighted to see that our reigning County ESK champion, Kian Maher successfully defended his Junior High Gun Trophy over the weekend in the Belvoir Cup. Kian's score of 97/100 was just two off top spot in a high-class field and was enough to win him the Junior Trophy, two ahead of Runner-up, Isabel Cartledge. It also placed him joint runner-up in AA Class.

Tony Thompson

Everyone at Staffordshire CPSA was shocked and deeply saddened to learn of the passing of one of our legends of the sport, Tony Thompson. Tony was a friend to so many, both within Staffordshire and beyond. There is a lot of love for Tony Thompson and he deserves every single bit of it. He'd laugh it off, of course – he was never the sentimental type. What he was, was a properly good man. No airs or graces. He told it as it is and he usually told it very well and with a great deal of humour.

He was a phenomenal shot, of course – you can take that as read. Anyone who was anyone would tell you about Tony Thompson and just how good he was.

Tony Thompson

One of the very best to ever shoot for the County, which he did many times over a long and distinguished career.

But before I get too sentimental, I want to say how much Tony was liked, how much I know he'll be missed by so many of you reading this and how much everyone in the shooting community has been thinking of his wife, Samantha and all of the family.

We at Staffordshire CPSA extend our very deepest sympathies to them all.

Looking back across the competition season that has now finished for another year our Warwickshire shooters have enjoyed a number of successful outings and events. We would like to thank all those that supported us in making up our teams for the various Regional and National Inter-County competitions. Your contributions are very much appreciated and have resulted in some very close results in the West Midlands Inter-Counties awards to be announced at the Regional AGM in January.

Congratulations too for those of you that made an England Team place. We noted earlier that there were three new caps representing their country.

For those of you continuing to enjoy some sport over the winter months, good luck and keep warm and dry.

As the next season approaches in the New Year, we will begin planning our calendar of County Championship events again and we look forward to seeing many of you participating. To keep up to date with our announcements in the timeliest way please ensure that you let CPSA HQ have your email address as we use their facilities to forward out our County emails to our Warwickshire members. the East Midlands Region, England or Great Britain. We have many excellent shots in the county, across the disciplines. Some have many years of experience, but it is encouraging to see that we also have several young shots, who are showing great promise, and we look forward to seeing what 2024 brings for them all.

Thank you to all the grounds that have hosted our County Championships. These were held at Barrow Sporting Clays, Chalk Farm Clay Ground, East of England Shooting Ground, High Lodge Leisure, and The Priory CTC. 2024 Here we come!

We hope that you have all enjoyed the festive season and, as well as spending time with family and friends, you have had the time smash plenty of clays and put in some practice for the 2024 Season.

All our Suffolk grounds have kindly tendered to hold Suffolk County Championships during 2024, so this promises to be another excellent year for competitions. We have such great grounds in Suffolk, with excellent facilities and course setters, and this contributes immensely to the quality of Suffolk shooters at County, Inter-County and National events. Our thanks to all our Suffolk grounds for their commitment and support in 2024.

We also thank our referees, who have battled the elements during the winter season and have enabled so many enjoyable events at Suffolk grounds. You know who you are, and your hard work is always much appreciated and without your involvement, we would not have a sport to enjoy.

2024 Championships

We will soon be announcing the 2024 Championship dates and the 2024 calendar will be uploaded onto the Suffolk CPSA website and posted on our Facebook / Instagram pages.

Whatever your preferred choice of discipline, please try to support these competitions and maybe try some different disciplines to widen your skills. There are always some beneficial overlaps between the disciplines, whether it relates to focus, timing, gun speed, target reading or pre shot routine. So, it could be good to explore a few new challenges in 2024.

2024 Training Days

In 2023, we held our first DTL Training Day. This was a free entry event where Paul Neal coached the attendees (some who had never shot DTL before) in the DTL discipline. It was a brilliant event and, as a result, we will be holding more training days in 2024. Potentially, we will have a Trap event, a Skeet event, and a Sportrap event. More details will be announced as soon as the events/dates are finalised.

Inter-County / National Teams

We are always grateful to the shooters that compete in our County teams. Whatever discipline you shoot, if you're interested in shooting for Suffolk, just enter your details on the teams form at the County Championships. If selected, you will shoot for Suffolk at the Inter-County Championships in either of the Senior/Veterans/Ladies/Juniors teams. There is always a strong team spirit and the Inter County events are always very enjoyable.

A usual, I thought I'd begin this year with a roundup of 2023.

In The County

We held competitions in 13 out of 14 disciplines with only Universal Trench not held. Entries into the county competitions held up or in some cases increased. The English Sporting championship competition was the only one that bucked the trend, in 2023 only 24 shooters entered against 54 last year. The Trap disciplines were the

ones that saw increases in entry numbers, small in number but big in percentage. It is on the back of these encouraging figures that in the competition year 2024 there will be a 'If You're in: You May Win' prize for Down The Line as well as the usual Sporting, Sportrap, Skeet, and All Round. This will give even more shooters in these competitions the chance to win 250 cartridges. The prize-winning number is randomly chosen between one and 100 for each competition, one to 50 for Sportrap, and the county entrant with the score nearest to that wins the prize. I'm sure I don't have to tell the budding mathematicians out there that this random number choice method gives everyone who enters an equal chance to win, but

favours those who are unlikely to win competition silverware.

In the year 2023 the winners of the prize cartridges were; Sporting, Darren Plummer; Penny Spademan and Fred McVarish shared the Skeet prize, Jo Smith and Scott Harding shared the Sportrap prize and Isabel Russell. I'm sure the cartridges were used wisely.

Welcome to all the new competitors! I hope that you enjoyed the experience and continue to compete in 2024.

The support for Junior shooters to shoot competitions free benefited four county shooters, Alfie Faulkner, Harry Piercy, George Whatton, and Sonny Bowman and enabled them to take part.

Suffolk CPSA Committee

We would like to thank our committee for their valuable efforts in 2023. They have provided great support with all the Committee tasks, and their assistance with events and teams is very much appreciated. Our committee currently includes Nigel Kingston (Chair), Adrian Cook (Vice Chair), Tina Henshaw (Treasurer), Mike Hermitage, Mark Hurrell, Dennis Meekings, Paul Neal, Ben Thorrold and Ben Woodham. A fine bunch indeed and, as shooters themselves, they understand our sport and the importance of all the grounds, all the referees and all the competitors.

On 8 October, N&DGC hosted the Lol Pinch Memorial 100 Target Sporting, a departure from the usual 70 targets, and it turned out to be a resounding success. With nearly 70 competitors, a meticulously designed course, and beautiful weather, it was a day to remember.

These events carry a special sentiment as Lol's son, Steve, generously provides prizes and trophies, allowing us to reminisce about the good old shooting days with Laurence and his sons.

We extend our gratitude to everyone who joined us, and the positive feedback on the course is much appreciated.

Congratulations to all our winners: Patrick Dickman claimed the top spot with 95/100, while a shoot-off determined the Veteran winner, ultimately won by Mark Marshall. Julia Havill emerged as

the Ladies High Gun, and Matthew Armett secured Junior High Gun. Kev Warner claimed first AA, Mike Chiakli took first A, Gary Bown secured first B, and Steve Allsebrook clinched first in C.

A big thank you to the Pinch family for allowing us to host this event, as well as the referees and the Nottingham & District Gun Club team. A special shoutout goes to the ground team, which worked tirelessly to deliver a well-thought-out sporting course.

Over 9-10 October N&DGC hosted a two-day event for RAF Clay Target Shooting, welcoming new members and facilitating team training. N&DGC

said it's always a pleasure to have them at their facility, especially as they 'take over the place'.

The 22 October was the Annual Skeet Challenge at N&DGC, graced with warm sun and calm weather, providing ideal conditions for the Skeet shooters competing for various trophies. While several shooters posted impressive scores of 97, the competition took an exciting turn when Sonny Bowman achieved a perfect 100/100. Jon Cain's excellent performance secured him the Runner-up shield. Dave Tavenor and Bob Tucker both finished with 98/100, leading to a shoot-off in the Veterans category, which Bob Tucker won by a single clay. Isabel Cartlidge demonstrated her skill with a score of 95/100, securing the High Gun Ladies shield. Congratulations to all the participants and winners.

The 29 October was the 100 DTL and ESK Dorothy Stevenson Memorial event that began with bright but breezy conditions. Edward Armett set the tone early with a perfect 100/300. As the day progressed, scores remained impressive, with Jason Linnell achieving 100/294. There were several 99's and 98's, but nothing could overshadow Edward's flawless performance. Thanks to everyone who participated. Winners included Edward Armett as the Overall High Gun, John Adams as the Veteran High Gun, Georgina Chamberlain as the Ladies High Gun, and Edward Armett as the Junior High Gun. Special mentions go to Nottingham Shooters Olivia Stevens (second in B Class) and Alix Gregory (first in C Class). In Skeet, Dave Tavernor secured first A with 98, and Trevor Lewis claimed first B with 86.

Penny Spademan, Lady; Mick Russell, Veteran; both for the second year running whilst Joe Tomlin won the Senior Supreme Champion trophy.

Regional Activity

I am pleased to say that we entered a team for every Inter-County competition and we did not come last this year! Many thanks to the team managers Mick Russell, Issy Russell, Greg Holmes, and Luke Passmore for their sterling work in gathering together county shooters for these events. In total 30 people shot, some for multiple disciplines for the county. The thank you prize of £50 goes to Stuart Lobley. Thank you to everyone.

In the individual regional championship competitions some county shooters had some success. Sonny Bowman achieved the Junior High Gun and Competition Runner Up for Skeet. He was also Junior Runner-up for Skeet doubles.

Mick Russell was the regional and Veteran winner of the All Round competition with Jo Smith Runners-up. Some of the county's women shooters also took titles. Kirstin Vogel for Olympic Trap, Issy Russell for Skeet and Louise Smith (Grice) in FITASC Veteran Stuart Lobley was third in the Sporting.

National Activity

County shooters were visible and

achieved success on the National stage. Andrew Lea was Runner-up in the English Open Olympic Skeet competition. Sonny Bowman was Junior winner of the English Open Skeet Doubles whilst Jo Smith was third Overall in the English Open All Round. Both the Senior and Lady teams came third in the National Inter County Skeet competition.

Leon Gill was selected for the England team for DTL, Kirstin Vogel for Wales' Ladies OSK team. Sonny Bowman, selected for the English Skeet Home International competition in Jersey found success winning the Junior title. Congratulations to all county shooters for their success in 2023.

All Round Inter-Counties

For the first time this was held at Two Counties on 22 October as the final Inter-County competition of the year. Teams in each category were also entered. Seniors were Simon Wood, Paul Colsell, Pete Mylam, Andrew Gregory, Louis Ashton,

Nick Parkyn, Colin Jago, and Jayden McGall. Pete, Colin with Owen Entwistle were the Vets team. Emily Morden-Hawke, Katy Rowe and Vicky Shopland were the Ladies team. Juniors were Jayden, Sam Bate, and Jedson Herman. Both Lady and Junior teams won the Inter-County titles.

Getting to know our Juniors

Continuing last year's interviews with our Juniors I have been able to speak to Jedson Herman and Ed Carey:

At what age did you start shooting? Ed – seven years old. Jedson – 12 years old.

How did you start and who encouraged you? Ed – Dad bought a cut down .410 and I shot clays on sticks with Dad and my late Grampy helping, encouraging me and the teaching me the most important thing gun safety. Jedson – I went along with Dad who shot sporting from the age of five and fell in love with the sport myself. At 12 I purchased my own gun and took my first shot at our local Fourlanes Shooting club.

What is your favourite discipline? Ed – Sportrap and FITASC. Jedson – I started

with Sporting but now it is Olympic Skeet and I am part of the British Shooting Talent academy.

What is your favourite shooting ground? Ed – High View it was the first place dad took me, Donna and Bill are so kind and encouraging. Jedson – National Clay shooting centre at Bisley as I train there most months and love the setup, it's very professional.

How many years have you shot for the county? Ed – three years. Jedson – Just 2023 so far but I qualified for Sporting, Sportrap, All Round and Skeet teams.

What gun do you use? Ed – Perazzi mxs 12 bore fixed choke. Jedson – Browning 525 sporter one with adjustable stock.

What cartridges? Ed – Fiocchi Official sporting. Jedson – Eley Olympic Blues.

What advice would you give someone starting out? Ed – If the stand does not go well put it behind you and move on to the next one, mum always tells me to breathe. Jedson – if you miss a clay forget about it and move on. You will have good days and bad but if you enjoy it and have fun that is the main thing.

What is your favourite shooting moment so far? Ed – when both dad and I made the County Sporting team. Jedson – getting into the British Shooting talent academy.

DORSET **RICHARD PIKE**

✉ rpik@live.co.uk📍 sites.cpsa.co.uk/dorset

As 2023 closes, Dorset can look back proudly at our achievements. Our AGM presented a full and determined committee, which gave us the energy throughout the year to succeed. Our first County championship was FITASC held at Purbeck Shooting Ground, the only Registered ground left in our county. Local sponsors provided a healthy prize fund, which was a great start for the new look Dorset CPSA. The shoot was complete with a course set by Sam Brown and a fitting tribute to his late father Graham and had great support from leading competitors throughout the South West and was won by our own Robert Taylor taking High Gun and Dorset Champion.

The next County Championship was Super Sporting held at Will Thatcher's Ham Cross Shooting Ground. As we all know this new discipline is gaining in popularity at a gathering pace. There was a full entry and more success for Robert Taylor winning High Gun and his second county championship in succession.

Our Sporting shoot was organised by Robin Heal at Willoughby, a short hop over the border for our county entrants. The shoot provided another healthy entry from the South West and was sponsored by nearby and worldwide machinery dealers RJ & JD MacClean www.tractorsandplant.com. England team member and Dorset shooter Paul Thomas took the honours of Dorset champion and High Gun.

The County All Round Championship was hosted by our friends Wesley & Alison Hann at Brook Bank. A healthy entrant travelled from Dorset to take part in a testing contest with Richard King regaining his crown as Dorset Champion and High Gun for the shoot. This was followed a few weeks later by the UT crown, again won by Richard King and hosted at Brook Bank.

Our County Skeet Championship was held at Fareham Clay Target Club. It was great that Dorset competitors who favour other disciplines were keen to shoot and enjoy the event. However, with his exceptional form it was no surprise that Robert Taylor added championship and his third trophy to the mantelpiece.

Our next county event was ABT at Fareham Clay Target Club. The shoot was well-supported and Robert Taylor made it

Championship won with superb shooting throughout the day. His four county wins were well capped by winning the South West Sporting Championship shoot at Barbury in August.

Fareham also held the County DTL – excellent shooting from Veteran Dean Webber to win him the trophy.

The championship for Single Barrel was held at Brook Bank where Ian Mulliner was county champion.

As autumn approached teams gathered for the Inter-Counties Championships. These were again well supported by county members. Our Senior teams provided a close contest with Hampshire at Sporting, FITASC, and Sportrap. On all occasions Dorset finished Runners-up, which is certainly no mean feat when you are against no less than six other very strong counties.

HAMPSHIRE **ANDY GORDGE**

✉ admin@hampshire.cpsa.uk✉ gordge205@btinternet.com

Welcome to 2024

We hope you all had or are having a great Christmas depending on when this edition gets to you. I would like to start 2024 on behalf of the Hampshire CPSA team by wishing all our Hampshire members a Happy New Year and hoping you will not be selling your gun just yet. The cartridge cost is clearly not putting off the huge amount of new comers, I guess they are just use to the cartridge prices. Those giving up I dare say were used to paying £50.00 a thousand many years ago and have something to compare yesterdays prices against todays cartridge prices. Hopefully we will see all of last years names on the Supreme championship table again this year. The championship shoot dates and where they will be held will soon be posted on the Hampshire web site. The 2023 Supreme Championship had a very close finish between Roger Deacon and Sean Gamblen. They were so close

that the decider would rest on the Single Barrel Championship being shot at FCTC. It would be Roger Deacon surpassing Sean by just two points to get his name engraved for the fourth time on the cup.

FITASC Super Champs.

Well the FITASC team did it yet again winning the inter-counties for the fourteenth consecutive year, a fantastic achievement. The team started off the day at Atkin and Grant to shoot the National Inter-counties Sporting. Some great scores returned by the team so no surprise they won this event. The dedicated team then all drove back to OLSS and put in another great team score and won the FITASC inter-county event in the afternoon, just amazing. The team made up of left to right, Lee Knight, Des Sturgess, Phil Buxton, Martin Reynolds, Nick Canter, ▶

Sad loss

It was shocking news to reach us 1st November that the well-know clay shooter and coach Brian Hebditch had been involved in a fatal accident. Brian had coached so many Hampshire members and future shooting stars over the years at the Round Wood ground. He was a true gentleman, his coaching skills put the new shooter to ease straight away and he could bring out the best in them. In 2018 Brian passed on the ownership of Round Wood Shooting to take care of his wife until she passed away. In recent times he had become a regular visitor to Fareham CTC. A very sad loss of such a great gentleman and skillful sports man, family man and a star himself, RIP dear Brian.

Mum and Daughter DTL win

Sharon and daughter Charlotte Morris from the IOW just love the DTL and boy do they travel around the country. Normally chauffeured by husband and DTL shooter Dave the family are regular travelers from the IOW to many of the DTL shooting grounds. Charlotte was coached by the late England team member Dave Toomer who I'm sure will be smiling down on her.

The two ladies came good at the National inter-counties held at the National Clay Shooting Centre picking up the ladies team medals, well done girls.

JO WATSON-HOPKINSON ✉ jowh001@yahoo.co.uk

I would like to apologise to Peter Negus, in the last edition of Pull!, I reported that Phil Negus had won the South East of England Inter-Counties Helice Masters title when it was in fact Phil's father Peter - the older, good-looking one.

I'm sorry to have to report sad news, Derek Marshall, one of the regions long standing shooters sadly passed away in November. Our thoughts are with his family and friends at this heart breaking time.

Inter-Counties Compak

The Regional Inter Counties Compak was hosted by Southdown Gun Club. Sussex

took the team title on 452/500, 6 targets clear of runners-up Kent. Well done to Simon Fenner, Hamish Mcdougall, Alex Lytwynchuk, Brian Gibson and Pete Goldsmith.

Billy Greenwood from Surrey took the Champion title on a brilliant 98/100 with fellow Surrey shooter Ben Wells winning the Juniors. Kent shooters Karen Leadsham and Kevin Howland won the ladies and Vets with Chris Dennis from Berks winning the Super Vets.

South East of England Inter-Counties DTL

Mayland Gun Club hosted this year's DTL Inter-Counties where the local Essex team triumphed. Ian Fennell, Toby Bean, Mitch Hill, Billy Chambers and Rob Cresswell beat Surrey by 9 points with a score of 1347/1500. Nicky Waghorne won the overall title on 98/291 with Sam Cross from Greater London winning the Colts and Surrey's Karen Allen taking the ladies title. 3 other Essex shooters – Isobel Ingram, Les Keys and David Court won the Ladies, Vets and Super Vets respectively.

South East of England and Inter-Counties UT

We had a great weekend of Universal Trench held at Nuthampstead Shooting Ground. In the Saturday individual SE Region competition both Alan Haynes and Richard Fletton finished at the top of the leader board on 92/100 and after a very close shoot-off Richard Fletton emerged the Champion High Gun and winner in Super Veterans category. Francesca Chau won the Ladies category with 84/100 and Andrew Stratford in Veterans on 88/100. ▶

Inter-Counties FITASC

The final event of the year was the Inter-Counties FITASC hosted by Southdown. Buckinghamshire were convincing in their win, 31 targets ahead of Kent. Well done to Ricky Draper, Billy Baughan, Michel Smith, Luke Mortimer and Michael Hibbert who also took the overall title just dropping 1 target.

Kent did well in the individual titles – Finlay Bowles winning the Colts, Tristan Hockey Juniors and Lee Fisher the Vets.

Our thanks and appreciation go to all the grounds for hosting this year's event, presenting excellent targets and making all the competitions enjoyable.

BUCKINGHAMSHIRE LUKE MORTIMER

✉ Luke.mortimer97@gmail.com
📍 sites.cpsa.co.uk/buckinghamshire

Greetings, fellow shooters! I'm Luke Mortimer, stepping into the role previously held by the esteemed Peter Woodliffe-Thomas, our dedicated Bucks reports chronicler for the past three years. As Peter gracefully passes the baton, I am honoured to assume this responsibility, continuing the tradition of documenting our shooters' achievements.

As we navigate this transition, I am committed to maintaining the standard of comprehensive reporting coverage established by Peter. Together, let's continue highlighting the remarkable successes within Buckinghamshire's clay pigeon shooting scene.

Our shooters have showcased

exceptional performances in different class categories and across different disciplines over the past couple of months...

English Sporting: Michael Wells secured victory in Class at Northampton Shooting Ground on 19 November with a score of 84/100. Andrew Short demonstrated consistent prowess, triumphing in B Class at E.J. Churchill on 2 November with 82/100 and Sporting Targets on 19 November with 87/100. Well on the road to A Class I'd say. Mark Bird led the way in A Class at Atkin Grant & Lang on 27 October, achieving 90/100. Barry Green won A Class at Westfield on 29 October with a respectable score of 86/100. Callum Noble shot joint High Gun at Ian Coley's on 4 November with a great score of 94/100. Toni Dixon won High Gun at Horne (Gatton Bottom) on 19 November with a solid score of 91/100. Michael Hibbert took High Gun

at Owl's Lodge on 23 November with a cracking 93/100.

The Inter-Counties FITASC Championships couldn't have gone much better for Bucks... it's been a long while since we brought home the FITASC County Champions title, and this year we did it in style: Michael Hibbert led the charge with a near-perfect score of 99/100, while Michael Smith followed closely on 96/100 (missing the very last target for 97, but we won't mention that...), Billy Baughan shot 93/100, and I managed to shoot 91/100. Amy Easeman also won Ladies with 80/100.

All of our scores contributed to a dominating win in the event, and a big thanks to Southdown for hosting. It ran very smoothly, and the targets were brilliant.

In Compak Sporting, Toni Dixon dominated the Ladies category at the Compak event at E.J. Churchill on 27 October with an amazing score of 96/100. Just two behind the overall winner! Aaron Christie emerged joint first in the Junior Compak Sporting category at E.J. Churchills on 24 November, achieving a fantastic score of 91/100. Aaron is certainly one to watch out for in the future with his scores and consistency across all disciplines improving year to year. Congratulations to all.

As I step into this role, let us continue celebrating the dedication and skill of our shooters across various classes and disciplines. I eagerly anticipate sharing their accomplishments and stories, diving deeper into the world of clay pigeon shooting in Buckinghamshire!

Beyond the thrill of victories and the pursuit of high scores, the beauty of clay shooting lies in its ability to instil discipline, focus, and sportsmanship in our participants. These qualities ▶

transcend the sport itself and resonate in the lives of our shooters, shaping them into well-rounded individuals both on and off the shooting range.

As we move into the new year, let's embrace the possibilities it holds. It's not merely about the shots hit or the trophies earned; it's about the journey, the resilience in the face of challenges, and the sheer love for the sport that binds us all together. Each shooter's story is a testament to perseverance and dedication, inspiring not just fellow shooters but also the wider community.

I look forward to seeing you all out and about soon. Please keep an eye out on the Buckinghamshire CPSA Facebook page for any upcoming events. I hope you and your families have all had a good Christmas and New Year.

Held at Nuthampstead we had some

great results. On Saturday in the South East Championship, Alan Haynes shot 92ex100, causing a shoot-off for Champion High Gun and Super Veterans Category. Unfortunately, one target in the shoot-off let this one slip away, but brilliant shooting nonetheless. On Sunday Hertfordshire were the winning team out of six competing. Congratulations to Lucas Hyde (High Gun with 94ex100), Brett Winfield, Nigel Caves, Alan Haynes, and Andrew Dearman for the team effort winning by a margin of seven targets.

Scoring 81ex100 Nigel came first in C Class.

On 5 November, Paul Lovick was joint High Gun at Redricks Sporting Clays Sporting event with an awesome 98ex100. Peter Butler also shot well. Scoring 78ex100 he took first place in C Class.

There was an extremely close finish in the Supreme Championship with Liam Boyd-Bell clinging on to his lead, finishing with 78 points from his best seven scores from the 11 events. Jo Watson-Hopkinson picked up good points from the final event to finish on 77, just one point away but as a consolation takes the Ladies title by a wide margin. Well done Jo and congratulations to Liam. Last year's champion Rik Travers slipped into third place with 73 points. Ben Wells maintained his lead to take top position in the Juniors with 46 points. Chip Smith gained 14 points from the FITASC Competition and 15 points from the All

There was only one entry in the Colts competition, so congratulations to Rosie Dally who picks up her first Surrey Trophy. Thank you to the 72 Surrey Shooters who entered at least one of our Championship. Please see the Surrey CPSA Website for the full points tables to see where you finished.

19 Nov: Surrey Side by Side, Clandon Park

Early sun on a day forecast to be cloudy made a few of the stands tricky, but a range of targets including a fast grouse provided a good variety of targets. Thanks to course setter Andy and the rest of the GDGC set up team. In a close finish, Chip Smith took the title and trophy with 49/60, one ahead of James Faulkner on 48. In the non-Surrey CPSA competition for the Webley and Scott Trophy, Aaron Wiggins from Hampshire shooting a Hammer Gun came first with 40/60. SUSSEX **SIMON ARBUCKLE** ✉ siarbuckle@sky.com 📧 sussexcpsa.com

Depending on when you receive this issue I hope you have or have had a very merry Christmas and New Year. 2023 was a very successful year for Sussex shooters at county, national and international level across a wide range of disciplines with new World Champions emerging and new national and international caps being achieved. For those who are competition shooters this is the time to be trying that new gun you've always fancied, new cartridges and clothing before the 2024 competition season starts. Get used to anything new now so you're ready to go, full of confidence ready to win... and good luck.

Sussex FITASC Championship

Held at Southdown on 15 October saw Guy Franklin 95/100 emerge as County Champion, Lady was Liz Salmon, Colt was young emerging shooter Beau Morgan. Guy now is the current Sussex Sporting, Compak and FITASC champion not forgetting him also being the current Sportrap world champion.

SE Region Inter-Counties FITASC championship

Held at Southdown over 11-12 November in surprisingly good weather saw Buckinghamshire take the title.

Unfortunately Sussex were narrowly beaten to fourth place but well done to those who represented their county – Simon Fenner, Will Fenner, Guy Franklin, Ade Smith, and Kenny Bennett. Junior – Jack Malthouse, Colt – Beau Morgan, Lady – Deidre Collard, Veteran – Kenny Bennett, and Super Veteran – Jeff Dix.

ABT County Championship

Bit of a late report for this event but never mind. Held at Fareham Clay Target Club on 30 September saw 13 Sussex shooters competing for the title which Alisdair Williams won 92/100. Veteran was Andy Stratford and Lady was Liz Salmon, again unfortunately no Juniors or Colts.

AGM

This will be held at Southdown Gun Club on Wednesday 15 February 2024, 19:30 for a 20:00 start. All Sussex CPSA members are invited to attend and have their say and all those who won championships or members of winning counties teams will have their badges presented. The Supreme Champion competition medals will also be presented.

100-Straight

Praise where praise is due and this goes to Billy Greenwood who scored the magic 100/100 at Southdown on 25 November. Although Billy isn't a Sussex shooter he is only one of a handful who have achieved the fabled 100/100 at Southdown. In fact

this is his second 100 at Southdown this year, the first being Compak in August, a rare feat at this ground indeed.

Appeal for news

I will again put out an appeal to all Sussex shooters for any information and pictures that I can include in this article. To those who have sent me news this year many thanks, it makes writing this that little bit easier.

OBITUARIES

BRIAN HEBDITCH

1948 – 2023

We are very sorry to hear of the recent tragic loss of Brian aged 75.

Brian was a CPSA Life Member and a regular face on the registered competition circuit with a long history going back to shooting in the England Sporting Team in the 1970's and competing for GB at the Montreal Olympics in 1976.

Many of you will have known Brian as the former owner of Roundwood Shooting School in Hampshire and we send our condolences to his family, friends and former colleagues at this sad time.

TONY THOMPSON

1956 – 2023

In November, Staffordshire CPSA was shocked and deeply saddened to learn of the passing of Tony Thompson.

First and foremost, Tony was a great character, a legend of the sport and a friend to so many. He loved his shooting – both game and clay, he loved his friends and he loved working his dogs. Above all else, he loved his family, none more so than his beloved wife, Samantha.

Tony was a familiar and friendly face in both the Staffordshire shooting community and beyond. Having recently qualified as a CPSA referee, you could bump into Tony refereeing at places like Garlands and Doveridge. Always fair, always friendly. He was a great supporter of local shoots, such as at Croxton and at Checkley where he and

his fellow 'chuckle brother', Mark Colclough would be seen helping owner, Nick Beavis to set up the shoot and giving his mates a very good-natured barracking!

He was a phenomenal shot. Anyone in the County would tell you about Tony Thompson and just how good he was. One of THE very best. He inspired our former Chairman, Steve Ward who recounts, "I can remember him shooting one of the first straights at Croxton. He was so pleased to show people his card but when he brought it out of his pocket it, blew away! We spent a long time looking for it and he was so chuffed when he found it. He always won at Croxton and that spurred me on to try and beat him because I knew if I did, I would win the shoot."

We know that Tony will be missed by many and everyone in Staffordshire CPSA is thinking of his wife, Samantha and all of the family.

Steve Kilner – Vice-Chair and Secretary

Insurance

Newmoon Insurance

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

01892 506884

Newmoon are authorised by the FCA under number 498667 and company number 6610290 at 85 High Street Tunbridge Wells Kent TN1 1XP

PARTING SHOTS

WHAT HAVE YOU GOT IN THERE, THE KITCHEN SINK?

Pull magazine often features articles with well-known shooters and peeks inside their kit bags to see what they carry around with them and I thought it might be interesting to do the same with a referee.

Now I will freely admit that I am somewhat a follower of the Franz Kafka principle of "Better to have, and not need, than to need and not have" and this is reflected in the 'junk' that I carry around and is a constant source of amusement to my fellow referees.

Firstly, and most importantly my bag contains my safety equipment, a set of electronic ear protectors (plus spare batteries), a pair of plastic in-ear protectors and a set of prescription sunglasses, plus a copy of my glasses prescription (just to prove, in case I'm questioned, that yes, I need glasses but no, I'm not blind!) Along with these I carry my own first aid kit made up of plasters, safety gloves, antiseptic wipes, aspirin, Suntan spray, insect repellent, and other 'bits and bobs' that could help with any minor injury until the First Aider arrives.

A small clipboard, two wipe boards (one asking shooters to place cardboard in the bins provided) a pencil case containing various pencils, pens, sharpeners, erasers, marker pens, elastic

bands, and carabiners clips can be found in the main section of the bag along with a collection of Allen Keys and a 'shooters multi-tool' (in case anyone has a gun emergency).

A copy of the CPSA rule book can be found in my bag (just in case I need to check any rules or I need to prove them to a competitor... as if!). A small roll of 'gorilla tape', zip-ties, guide-ropes and tent pegs are in the side pocket, plus a rubber mallet to hammer in the pegs (which can double-up for crowd control!) Lastly a small saw can be found in my bag, which comes in handy should any branches or vegetation need to be trimmed back in order to get an unrestricted view of the clay targets from my seat.

Depending on which stand you are on and the layout of the course it can be up to an hour before the first competitor reaches your stand so I normally take a book to read and music to listen to. Again, depending on the layout, you can find yourself 10-15 minutes away from any facilities so a bottle of hand sanitiser, hand wipes and a towel are always good to carry.

When my sandwich box, flask and water bottle are also added the bag weighs in at around 15kg (which surprised me somewhat) so maybe

the other refs are correct and I do carry around far too much, maybe a Steven King paperback would be more appropriate than the complete works of Shakespeare or an MP3 player rather than my 'ghetto blaster' from the 1990's or maybe a small folding garden saw would be more appropriate that my STIHL Chainsaw... who knows, I may have a problem but... better to have and not need! **Terry Corcoran** 🍷

CPSA Reply: Thanks Terry, you are certainly very well prepared! We'd like to take this opportunity to thank all of our Referees for their dedication to the sport. You are out there in all weathers, all year round and it really is appreciated by everyone (even if Tony's shirts can sometimes be a bit distracting)!
