The New Shotgun Class

F16 SPORTING

Passionate about perfection – the next generation of game and competition shotguns has arrived with the introduction of the Blaser F16. Only through the restless pursuit of perfection is it possible to create a perfectly balanced over and under shotgun with the lowest profile action in its class making it the perfect companion for both hunters and ambitious clay target shooters.

Forging ahead

Last month I rounded off my column with a comment that there is much to look forward to this year and it's clear that, for many members, they are certainly doing just that. Since opening our bookings for major championships on February 1, for example, we've taken over 3,000 entries in the space of five weeks, in addition to more than 1,100 bookings for the ICTSF World ESP event at Kelmarsh in July.

We've set up 63 courses so far in our Education and Training programme, attracting around 320 bookings already around the country. These courses not only help to raise standards across our sport but they also represent some excellent collaborative work with our Regional Committees and the hard-working course co-ordinators who help make these courses happen. They also help towards the funding contributions we're able to make to the Regional Committees as we share the surplus on each course with them. In total last year we contributed nearly £13,000 to Regional Committee funds, as well as other ways we support them directly, for example with winners' badges for county and

regional championships, and we're delighted to see relationships with each committee going from strength to strength. Indeed, the mood at the Regional Committee AGMs I attended this year was as positive as I've seen it, which is a really encouraging sign and I would thank again all of our volunteers who support the sport and Association at ground level. If you would like to get involved locally have a look on our website for your county committee contact details and get in touch – I'm sure they will all welcome any extra enthusiasm!

Our usual programme of Young Shots Days over the Easter school holidays is running again with a dozen or more grounds offering enticing packages to bring new shooters into the sport with a great opportunity to get a real feel for what it's like to go clay shooting. Many of these experiences lead to further visits and enthuse youngsters as they develop a passion for our sport; full details are on our website and if you know anyone who would be interested in having a go, do encourage them to get out there and try it.

We're making good progress in attracting sponsors and other supporters to our broad programme of activities this year. We have

recently confirmed Eley as a sponsor for the ICTSF event in addition to their support for the English Open Sporting, alongside Perazzi, and the DTL weekend, where we have also just agreed a further year with Blaser. We're having exciting discussions with another partner about becoming an official supplier to the Association and our long-term deals with Edgar Brothers/Zoli, Gamebore, Promatic and CCI continue to provide value for all parties.

We are investing again this year to modernise and bring new technology to life for our sport which will help clubs and grounds, as well as our championships, present the sport in a much better way. We are currently in the final testing phase of development with our long-awaited new website and are also working on a plan to revolutionise scoring at events. Next year will

be the Association's 90th anniversary and as much as we will want to celebrate our wonderful heritage we also want to ensure we are fit for the future in every way. ●

East Anglian Game and Country Fair giveaway

PULL! PRIZE DRAW

THE EAST Anglian Game and Country Fair is an annual two-day family event taking place on April 22 and 23 2017. Now in its 14th year, this year's show will be held at the Euston Estate just off the A11 at Thetford for the first time, by kind permission of the Duke and Duchess of Grafton.

Euston Estate is a big shooting estate and the new venue has attracted quality shooting stands and associated products to the show.

We are offering *Pull!* readers 10 family tickets which admit up to two adults and three children and are worth £38 each. Entering the prize draw is easy. Simply send us your name, address and daytime phone number to: East Anglian Game and Country Fair offer, *Pull!*, Archant Dialogue, Prospect House, Rouen Road, Norwich NR1 1RE, or email us at pull@archantdialogue.co.uk. Ten entries will be pulled from the *Pull!* hat on April 9 so be quick.

MSCA World English Sporting in San Antonio

The England Team are heading to San Antonio this April to compete in the World English Sporting Championship. We would like to wish the team good luck and hope they bring back the silver with them! Meanwhile, turn to page 36 for a preview of the event.

The Game Fair 2017

Between 28 and 30 July, the CPSA will be busy at Hatfield House, Hertfordshire. Come and have a shoot on the have-a-go stand on the clay line or visit us on Gunmakers' Row for a chat and introduce friends to the CPSA. If you are an England or GB Team member and would like to come and help us raise the profile of Clay Pigeon Shooting please contact Samantha on 01483 485407 or samr@cpsa.co.uk

The elusive English Sporting 100 Straight

Congratulations to Chris Daniels, who has shot two 100 straights. He joins the ranks with George Digweed, Chris Childerhouse, Richard Faulds and Martin Myers who have all shot two or more 100 straights.

Errors on the 2017 calendar

Please be aware that there are three mistakes in the 2017 CPSA Calendar printed on pages 14 and 15 of the March 2017 edition of *Pull!* They are:

1. The FITASC Sporting EO and GB Selection Shoot takes place on April 22 and 23 at Valley View Sporting Gun Club and not April 23 and 24 at Southdown Gun Club.
2. The English Open English Sporting takes place on May 10-14 at Highwaymans Shooting Ground and not May 5-8 at West Midlands Shooting Ground.
3. The Automatic Ball Trap England Team Selection Shoot takes place on July 8-9 at Bywell Shooting Ground and not July 9-10.

We apologise for any confusion or inconvenience that this may have caused.

Game loaders course

COURSES

THE INSTITUTE of Clay Shooting Instructors ran two very successful loaders courses for game shooting last year at Doveridge Shooting Ground in the West Midlands. Three more courses are planned for 2017.

With a maximum number of 12 attendees per course, the full day's training is intended for qualified CPSA instructors and coaches, or the equivalent.

With a CPSA qualification an attendance requirement, the two tutors who run each course can make high-level opening assumptions about the capability of attendees, in terms of coaching and safety ability.

This allows the course to focus, in depth, on both single and double gun shooting together with a full introduction to safety in the game shooting field, the etiquette and formats of game shooting, and the techniques required to enable instruction whilst acting as a game loader.

Training is given with 'dry-run' firing using blank cartridges, and live firing at simulated

grouse/partridge targets and high pheasant targets, in true 'driven' situations.

Live firing includes both single gun 'stuffing' and double gunning; the challenges of coaching in these situations are addressed in real-time simulations.

The three one-day courses are scheduled on Tuesdays during the summer of 2017, again at Doveridge, on 20 June, 11 July and 18 July.

Where possible the courses will be filled in date order and early applications are suggested, given the popularity of last year's training days.

Clays are included in the fees, together with a comprehensive manual, a certificate of attendance and an "ICSI Loader" lapel badge; refreshments and a buffet lunch are also provided.

The cost is £150 for ICSI members and £200 for other attendees.

Please make initial contact with ICSI council member **Andrew Kirkland** for further information:

Ed Allen and Ben Smith

IN BRIEF

Team additions at RBSS

The Royal Berkshire Shooting School has announced the appointment of two new members of its award-winning team – Ed Allen and Ben Smith. Ed, aged 19, who previously was a gamekeeper at Badminton, will be working on the Really Wild Clay Days as well as becoming an instructor, while 24-year-old Ben will be instructing as well as working with the RBSS Sporting Agency.

British Shooting Show

The British Shooting Show is moving to a new location. For 2018, the largest trade and retail show in the UK will be held at the NEC in Birmingham on February 16, 17 and 18. www.shootingshow.co.uk

RBSS Young Shots workshops

The Royal Berkshire Shooting School is holding a series of Young Shots workshops during the school holidays for youngsters aged 10 to 18 years old. The all-day courses are based at the award-winning Pangbourne school where the children receive expert tuition in clay shooting, safety, licencing, shooting etiquette and sportsmanship.

The cost is £150 per attendee. For more information, visit www.ebss.co.uk and to book your place, call Wendy on 01491 672900.

Standing up to cancer

Reece Taylor was diagnosed with acute lymphoblastic leukaemia on March 5 2009, aged seven. He spent nine months in hospital and his treatment caused complications and side effects that almost killed him. After finally seeing improvements in his condition, Reece had months of physiotherapy to learn how to walk again and has since discovered a talent for clay shooting. *Pull!* caught up with Reece and his father, Alan, to hear their story

When did you realise Reece was poorly?

Alan: It was Reece's mum, Tina, who realised he was very ill – being cold, feeling sick, tiredness and small bruises on his body. We went to the doctors 26 times before Tina took him to Salford Royal Infirmary, then to Pendlebury Children's Hospital where the test showed he had cancer.

How did it feel when you received the diagnosis?

Reece: I was only small and didn't really understand about cancer. I was just upset about having to stay in hospital.

Alan: Tina and I were devastated, but I said from day one he would be ok and he would get through it. I was very upset, but very positive.

How long did it take to learn how to walk, talk and swallow food again?

Reece: It took almost two years to learn how to walk again. I found it very

difficult, but pushed through the pain barrier. Eating and swallowing took almost five months, so I was very frustrated that I couldn't eat anything or drink my favourite drink – Irn Bru. Speech was slow as I had sores and ulcers in my mouth and throat.

Alan: It was emotional and hard for us to watch him in so much pain.

Had you shot clays together before Reece's illness?

Reece: No. I had shot Dad's air rifle but never a shotgun.

Alan: I took Reece to Manchester Clay Club as a treat day. Instructor John Bailey took us round. Reece shot 48 out of 50 with a 20 gauge and 10 out of 10 on his first stand. John said he was a natural, so we went back the next week. He got 46 out of 50. John spoke to owner David Lloyd and they offered Reece support with his shooting, and Tom from Eley Cartridges donated the cartridges – this was all before they

knew Reece had been ill. We didn't tell them until 12 months later as Reece was fed up with talking about cancer. I can't thank these people enough for what they have done for Reece, giving him the chance to be brilliant at something he loves and giving us quality time together.

Why do you both enjoy clay shooting?

Reece: I like the responsibility and the control of using a shotgun, and of course breaking clays. I enjoy the atmosphere at the shooting grounds and I'm very competitive.

Alan: I love it as a pastime and I can just about hit a few – Reece will say I'm hopeless!

What does it feel like when you smash a clay?

Reece: There's excitement, enjoyment and a sense of achievement.

What did it feel like for John, David and Tom to recognise your talent?

Reece: I felt special and determined to make them proud.

How do you feel now?

Reece: Great, like I am back to full health and ready for any challenges.

Alan: Reece currently shoots at Owls Hoot Target Club where Val and Lee provide Reece with clays and have a brand new DTL set up, which Reece shoots every Saturday.

What are your hopes for the future?

Reece: I want to shoot for my country some day and become a champion at Trap. I want to take a medal to show the kids on the hospital ward I was on to show you can beat cancer.

Acute lymphoblastic leukaemia is a rare type of cancer affecting around 650 people each year in the UK. It is the most common type of childhood leukaemia.

CPSA Courses 2017

FOR MORE...
Head to cpsa.co.uk/courses for more information

WHETHER YOU ARE JUST STARTING OUT OR ARE AN EXPERIENCED SHOOTER, THE CPSA HAS CREATED A RANGE OF COURSES TO OFFER THE BEST TRAINING AVAILABLE IN THE SPORT TODAY

REFEREE COURSE £75

Available in each of the four domestic disciplines of ESP, ESK, DTL and ABT, these one-day courses will equip you with the general and discipline specific rules to enable you to referee regularly at registered competitions or national championships and, with it, the assurance that what you are calling is correct. This is also an excellent course for the competitor who doesn't necessarily want to referee, but does want to ensure that they know the rules when they compete. The following Referee Courses are now available to book on to:

Apr 1: English Sporting – Southdown Gun Club (SE)
Apr 21: English Sporting – Doveridge Clay Sports Centre (WM)
May 5: English Sporting – Sporting Targets (EM)
May 6: Down The Line – Bisley Gun Club (SE)
Jun 17: English Skeet/Down The Line – National Clay Shooting Centre (SE)
Jul 8: English Skeet – National Clay Shooting Centre (SE)
Jul 22: English Sporting – Southdown Gun Club (SE)
Sep 16: Down The Line – Bisley Gun Club (SE)

LEVEL 1 INSTRUCTOR TRAINING COURSE (ITC): £695

This course will teach you how to check eye dominance and gun fit, show you how to teach the CPSA Method and how to recognise shooting errors and correct them. The course lasts four days and consists of classroom time, off- and on-range workshops and a final day of assessments. It covers crossing, rising and dropping targets and equips instructors with the knowledge to tackle a huge variety of targets. For the Level 1 ITC, the criterion for qualification is that the candidate can get a novice to hit a moving target safely using the CPSA Method. Candidates must have attended an IDW within the previous two years. The following ITCs are now available to book on to:

May 15-18: Northampton Shooting Ground (EM)
Jul 10-13: Arborfield Garrison Clay Club (SW)
Aug 1-4: Park Lodge (N)
Aug 7-10: Doveridge Clay Sports Centre (WM)
Aug 21-24: Arborfield Garrison Clay Club (SE)

SAFETY OFFICER COURSE £99

The Safety Officer Course is a one-day course which provides the basis for running a safe and successful shooting ground and looks at safe gun handling, layout management, risk assessments etc. An obvious choice for ground owners and a prerequisite to Club Affiliation, it also appeals to the shooter and is the first step towards higher qualifications. The following Safety Courses are now available to book on to:

Apr 1: Spennymoor and District Clay Pigeon Club (N)
Apr 22: Cambridge Gun Club (EM)
May 13: Bisley Gun Club (SE)
Jun 2: Southdown Shooting Ground (SW)
Jun 3: South Pennine Shooting School (N)
Jul 26: Doveridge Clay Sports Centre (WM)
Aug 4: Nottingham and District Gun Club (EM)
Aug 19: South Pennine Shooting School (N)

RICHARD WORTHINGTON
REPORTS FROM THE FIRST
LEG OF THIS YEAR'S
PREMIER LEAGUE

And We're off!

T

HE PREMIER League 2017 kicked off on February 26 at Southdown Gun Club in West Sussex and I'm delighted to report an excellent turnout for the first leg, with 305 shooters taking part in the Registered Sporting and many of our top guns, including George Digweed, Richard Faulds, Martin Myers and 2016 English Open Winner Chris Childerhouse to name a few, competing for the £250 High Gun prize on offer.

The team at Southdown put on a great course over 16 stands to minimise queuing and most got round in about two and a half hours with very little disruption, so thanks to all at Southdown and particularly to the referees who endured the cold, wind and rain all day long!

Despite the weather conditions, there was some very good shooting and at the end of the day Team Honesberie's Martin Myers and Team Southdown's Peter Goldsmith were both tied on 98 ex 100, so a shoot-off was required in the fading light to determine the High Gun, which Martin eventually secured, pipping Peter by one hit (9 ex 10) to take the honours and the £250.

However, under the Premier League's handicap system, C Class shooter Anthony Johnson from Team Barrow Heath's superb score of 84 gave him a total of 99 to top the table and in doing so helped his team put in a great score of 945 ex 1000, only one hit behind the hosts on 946 ex 1000.

So we move on to the second leg at West London Shooting School on March 18 and, by the time you read this, we will have completed the shoot, so do keep up to date on our website and look out for a report in the next issue of Pull! along with the results from E.J. Churchill's fixture on April 8.

Remember, you can still sign up for a team where spaces are available up to the point of last entry at the fourth shoot at Barrow Heath Shooting Ground on May 21 as, including that fixture, there will be five shoots and it's the best five scores that count! ●

ELEY HAWK DTL GOLD THE PERFECT 300 STRAIGHT

Trap shooting is a highly competitive discipline where total concentration and consistency in the delivery of shot is paramount. With this in mind, Eley Hawk has developed the new Eley DTL Gold cartridge, specifically designed for trap shooting.

Working closely with some of the country's best trap shooters, we have applied all their feedback into the product to deliver the ultimate cartridge for trap shooting.

With clearly reduced muzzle flip for that all important second barrel, high antimony hard shot for dense patterns, more consistent breaks and very low recoil to minimise fatigue during competitions, these cartridges are designed to keep you on target for the perfect 300 straight.

HULL CARTRIDGE COMPANY
CELEBRATED 70 YEARS
IN THE BUSINESS AT THE
ARMY AND NAVY CLUB IN
LONDON RECENTLY, WHERE
THEY UNVEILED THEIR
NEW LOGO AND GAVE A
PRESENTATION ABOUT THE
FAMILY FIRM'S HISTORY

Heritage and history at

Hull

HULL'S 70TH birthday presentation told the story of the family business, which now extends to four generations with brother and sister David and Susan Bontoft the current working directors.

However, it was their grandfather Sydney Bontoft who created the foundations of the company in 1924. He was then supplying calcium carbide for industry, but also to the farming community for their lighting systems. Carbide is a ready source of light; simply by adding water, acetylene gas is given off. Add a naked flame and you're in business. As electricity became more commonplace in those out-lying areas, there was a steady demise in the demand for calcium carbide. Sydney realised there was indeed another product that was commonly used by his customer base in the form of shotgun cartridges.

Having identified this business opportunity, he began to load his own ammunition for which demand continued to grow and in 1947, together with his son Peter, he formed the Hull Cartridge Company. Now supplying retail customers, he launched a new range of shotgun ammunition under a sub-brand he labelled 'Three Crowns'. Still available in a traditional varnished paper case it enjoys a devoted following, although Hull Cartridge is now at the cutting edge of modern shotgun cartridge production.

In 1977 Hull formed an alliance with the German company Weihrauch, manufacturers of high quality air rifles. The two companies shared the same values of high quality and precision. In 1980 a brand new purpose-built factory was opened on what is now Bontoft Avenue, Hull. This state of the art facility raised standards of manufacture still further which their customers continue to appreciate.

Hull Cartridge have been market leaders in shotgun ammunition, continually raising the bar in terms of both ballistic performance and consistency. In 1992, they were awarded by Royal Appointment to the Queen as supplier of shotgun cartridges. As game shooters themselves, the Bontofts combine their experience gained in the field with technology regularly updated in their factory. This has been acknowledged with a constant stream of awards for game and clay target loads. Hull Cartridge have been staunch supporters of clay target shooting since the company was founded. Today this is reflected in the galaxy of top clay target shooters they generously sponsor. Their current clay

target shooting ambassadors include multiple Sporting Championships winner Cheryl Hall, 2014 World FITASC Champion Ed Solomons, and Mr DTL himself, Paul Chaplow.

Like the shooters they sponsor, Hull Cartridge Company play to win and are always developing their products and improving their service with shotgun ammunition their customers not only want but need. In London, the Bontoft family were all together to celebrate their company's birthday and we wish it, as we do them, many happy returns. ●

Amazing Amy

CPSA YOUNG SHOT OF THE YEAR **AMY EASEMAN** ACHIEVED EARLY SUCCESS IN CLAY SHOOTING AND, AT JUST 16 YEARS OLD, HAS A PROMISING CAREER AHEAD. HERE, SHE GIVES ADVICE TO OTHER YOUNG SHOTS

AMY ON...

...starting out

I first picked up a gun when I was eight, messing around in a field. My granddad is a country lad, so my dad took up clay shooting from my granddad and I took it up from my dad – it's a family hobby. I started properly shooting at competitions when I was about 12 years old.

...hitting clays

Though I can't remember the first time I broke a clay, when I hit one now it gives me the confidence to hit the next one. If I miss, I'm always trying to find out why.

...the best advice

The best advice I was given was to enjoy it and not to be put off by your scores. It's a hobby for most of us and you go out to enjoy it. No matter if you're winning or losing, it's all about having fun. I would give young people the same advice I got – you'll never shoot well if you feel like you're being forced to go out. You have to enjoy it as a hobby and if you don't like it you're just wasting your money.

...why I shoot

I enjoy it, I like seeing the same people on the circuit and I am driven by knowing that I can always improve. I also like being out in the countryside rather than stuck in the house every weekend – for me, it's all about being outside with friendly people doing the sport I love. I have a few friends who are young shots, like Henry Young and Louise Smith, but I hang out with a variety of people while clay shooting. My school friends were impressed when they found out and said things like: 'You must have a sore shoulder' and 'I couldn't do that'. They don't see it as a hobby like kicking a ball around, they say 'Don't mess with Amy'!

...my proudest moment

That would be in Greece last year. We went to Greece for a week's family holiday and at the weekend we went to shoot the Compak Sporting Grand Prix. I went not expecting to win anything then came away with Lady High Gun 11 clays clear. Having to deal with the heat meant there was a lot more to think about than when you go out in England and shoot with six jumpers on!

...the future

I obviously want to keep clay shooting as a hobby, but I'd either like to go down the coaching road or maybe even own my own shooting ground one day.

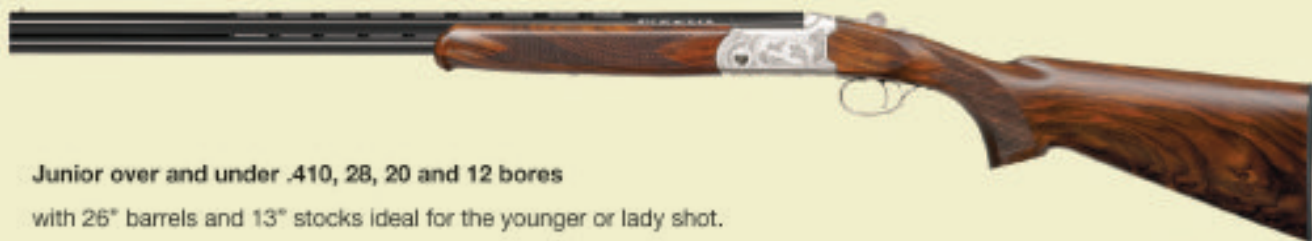

...advice for young shots

Don't be scared. When we shoot with some young shots and ladies, they say they can't shoot because there are people watching. You need to forget about that, have confidence in yourself, do your own thing, act like no one else is behind you and do what you need to do to hit the clays. ●

GUERINI

INVICTUS V SPORTER

REVIEWER: Vic Harker

AS EUROPEAN gunmakers would readily admit, the British market is very sophisticated and one in which it is very difficult to achieve any significant market share without being able to offer something which is of fundamentally good design. For that reason in the UK little more than a scant half-dozen makers hold the ring so far as the clay target gun market is concerned and that includes Guerini who are relative newcomers. The first Guerinis to reach the UK were most notable for their high standard of finish, but there was more to them than that as there is with the Invictus V Sporter.

The Invictus designation denotes the replaceable bearing surfaces located on the action's floor-plate together with what amounts in gunmaking terms to two forward barrel lumps with replaceable cams that pivot behind the action's knuckles. This would be required only after many years of hard usage, the whole purpose being to extend the working life of the action indefinitely. For some makers, this durability incorporated into a gun for clay target shooting would be enough of a selling feature to ensure its success, but Guerini guns are also notable for many other qualities including their outstanding aesthetics. These take the form of traditional gunmaking cues, usually only to be seen on

the most expensive guns and in the case of the Invictus V they include deeply etched shell fences and bolsters that overrun the bottom plate and side panels. The latter are impeccably inletted and provide a larger canvas for a design of acanthus leaves and gamebirds that cover the entire action body. It could be argued engraving of this kind on a clay target gun is superfluous, but in this gun's case you are persuaded by the high standards of its execution which is a mix of handwork and laser cutting by the distinguished Italian engravers Bottega Giovanelli and is signed accordingly.

STOCK

It is Guerini's suitability as a gun for Sporting clay targets with which we are most concerned and the stock's configuration and dimensions are of course vital components of this. The grip is of generous proportions and incorporates a well positioned palm swell together with a radius that is not too close which ensures the shooter's hold is positioned not too low beneath the leading hand providing coordinated manipulation of the gun. This is essential for Sporting clays, most particularly when the gun is brought to the shoulder from a gun down position. The forend wood is a slim beavertail shape without finger grooves that brings the leading hand close to the

centre of the gun providing a natural pointing hold.

THE ACTION

The firing mechanism is powered by conventional coil springs that engage with overhead sears that are cocked by way of a rod activated off the forend iron when the gun is opened and the barrels drop forward. Guerini have not looked for innovation in this area when options that are tried and tested can be employed. Trigger pulls are exceptional for a design of this kind and must be attributed to the quality of the component parts and their skilful regulation.

BARRELS

Bored at a conventional 18.6mm, the 76cm long barrels tipped the scales at 1.431KG. Relatively light, the gun's point of balance rests nicely between the hands providing this Guerini with fast but controllable handling characteristics. The rib has a narrow taper from 10mm – 6mm. A longitudinal line bisects it and it also has a machined non-reflective surface with a white bead front sight and a useful centre bead as well. Unusual for a modern Sporter, detachable chokes are dispensed with and instead the barrels are bored $\frac{3}{4}$ and full which in terms of handling qualities represents a bonus.

SHOOTING IMPRESSIONS

Nowadays Sporter shotguns come

in all guises, but I would describe this Guerini as a classic. With an all up weight of 8lbs 1½oz it digests the liveliest target loads without any noticeable recoil and at the same time its feel and balance provide for fast instinctive shooting when required. I explored this facility to begin with, which was just a matter of point and shoot at moderate ranges. At longer targets the gun had sufficient momentum up front to keep the barrels moving smoothly through them, that demonstrated fine balance is more important than weight.

There can be no doubt shooters will be drawn to the Invictus V's handsome engraving and woodwork. I would however add this gun's qualities constitute much more than this and its specifications as they relate to its balance and handling characteristics would have more than satisfied me without the lavish decoration. ●

Careers in shooting

IN THE FIRST OF A NEW THREE PART SERIES IN PARTNERSHIP WITH THE GAME FAIR, **JAMES MARCHINGTON** TALKS TO PEOPLE WHO HAVE TURNED THEIR PASSION FOR SHOOTING INTO A FULL-TIME JOB

NEW FOR 2017

CPSA Shooting Outdoor Classroom in conjunction with The Game Fair will be on Gunmakers' Row offering sessions on Careers Advice and Education

THE GAME FAIR®

Surely every shooter has daydreamed now and again about turning their passion into their job? After all, if you live to shoot, why not shoot to live?

It's more feasible than you might think. OK, so there are very few professional shooters in the world, never mind the UK. Shooting isn't football! Even our top shots tend to have a career where they make their money, and shooting is where they spend it. If they can't achieve riches as well as fame from shooting, what chance do we ordinary mortals have?

Then again, shooting as an industry employs a wide range of people. In 2012 the CPSA worked with other shooting organisations to produce the PACEC report on 'The Value of Shooting'. It found that shooting is a £2.5 billion industry, supporting the equivalent of 74,000 paid jobs. Some of those are 'indirect', but there are still reckoned to be 35,000 people employed directly in shooting.

That includes shooting ground staff, coaches, safety officers and many more. Then there are the companies that supply the guns, cartridges, clothing and accessories, and the ancillary services like event management, marketing, even journalists and photographers who produce the magazines that shooters read.

So there are plenty of opportunities to work in and around shooting – but is it a good idea? Some people thrive on being surrounded by the sport they love seven days a week. For others it takes the shine off it for them. It's a personal thing, and only you will know what's right for you.

On these pages we talk to a few people who have made shooting their life. If you choose to follow their lead, just remember that it's not all fun and games. Your employer will expect you to take it seriously and work hard. They can't stop you enjoying your work, though – and few things can beat that feeling of being paid to do what you really love!

**EVEN OUR TOP SHOTS
TEND TO HAVE A CAREER
WHERE THEY MAKE THEIR
MONEY, AND SHOOTING IS
WHERE THEY SPEND IT**

ANDY TARR CPSA QUALIFIED COACH

Andy Tarr sold cars for a living for 25 years before deciding to take the plunge and concentrate on doing what he loves – teaching people to shoot. Andy and his son Max operate as Safe and Sound Shooting, based in Bristol, and are both qualified shooting instructors, Andy with the CPSA and Max with APSI.

He still gets a real buzz out of it, but he warns that there's more to being a coach than just coaching – that's the easy part! The key to it, he says, is drumming up business. Andy says he blew thousands of pounds with a marketing agency, money that was largely wasted. He now spends around £500 each month advertising on Google. It sounds a lot, but he finds it the most cost-effective way of bringing in business.

Once he gets a client, there are still costs to take into account – he pays the ground to use the facilities, plus he has his own costs, such as travel. Like any small business, he works hard to make it pay, but he wouldn't go back to selling cars – shooting is his passion.

DYLAN WILLIAMS MANAGING DIRECTOR, ROYAL BERKSHIRE SHOOTING SCHOOL

Dylan Williams is Managing Director of the Royal Berkshire Shooting School and swears he's the luckiest man in Britain. Shooting has featured large in his life since a boyhood spent rough shooting with his father in Wales which, he says, taught him a true love of the countryside. He studied conservation and land management, worked at the Game Conservancy and taught gamekeeping at Sparsholt before moving to Pennsport near Newbury, and eventually came to Royal Berkshire some 25 years ago.

The ground employs 24 people and has just taken on two more. It's a happy team, with a very low turnover – once someone comes to RBSS they tend to stay there. That has a lot to do with Dylan's recruitment policy: he has a very clear idea of what he's looking for in an employee. He demands a presentable appearance and commitment to the job, but he views the ability to shoot as a bonus: "We're about teaching people to shoot, not demonstrating our own ability." His instructors need to be qualified to a minimum standard, and a basic understanding of how a gun works is useful too, Dylan says.

Most of all, however, what really counts is the ability to put a smile on the client's face. Dylan likens it to a top restaurant: "You can go to the best restaurant, with the best chef in the world, but if the waiter is grumpy, your meal is ruined. Here at RBSS we've got the best traps, the best facilities, but all that's for nothing unless your instructor has the zest and enthusiasm to give you the best experience."

BEN BULL

VICTORIA KNOWLES-LACKS FOUNDER, SHOTGUN & CHELSEA BUN CLUB

You couldn't find a better example of someone with a passion for their work than Victoria Knowles-Lacks. Shooting is her whole life – work rest and play – and she loves every minute. Victoria found her vocation almost by accident. Frustrated with trying to find girl-friendly advice about game shooting, she organised a clay shooting trip with a group of school friends. She baked a cake, they shot 50 clays each, it poured with rain, but they had a great time – and the idea for the Shotgun & Chelsea Bun Club was born.

Since then Victoria has been a powerhouse of activity, using her social media nous to build the S&CBC into a phenomenon that brings women of all ages and backgrounds into shooting in a unique, fun and stylish way. As it took off, Victoria gave up her full-time job to concentrate on running the club, and hasn't looked back. The S&CBC is now a thriving community that has introduced thousands of women to shooting, offering events, branded clothing, gifts and even their own brand of gin.

Victoria has certainly been an inspiration to women to get into shooting, but she's another sort of inspiration too. She's living proof that to make a career in shooting you don't have to train as a gunsmith or learn to maintain clay pigeon traps. With enough imagination, drive and enthusiasm, it's possible to create a whole new shooting brand unlike anything that already exists. ●

How to hit...

The Low Driven Target

IN HIS NEW SERIES FOR *PULL!*, CPSA LEVEL 3 SENIOR COACH **SIMON ARBUCKLE** ADVISES ON HOW TO TACKLE THE MOST COMMON SPORTING TARGETS

IN THIS series we'll be looking at the right way to tackle the most common targets that you'll encounter on a typical Sporting shoot – targets such as the rabbit, looper, crosser and overhead.

Each of these presents its own particular challenge, and can become a sticking point as you work on improving your scores. But approached in the right way, each one is perfectly hittable – and over the coming months we will show you how to do it.

The first point to take in is that there's no such thing as an impossible target. If other shooters can break it, so can you. Don't hinder yourself with a mental barrier that says I can't hit this or that target. If you believe it's a problem, it will be. You need to shake off those negative thoughts, believe in yourself, and concentrate on developing the technique that will allow you to break that target consistently.

'THE METHOD'

Over the coming months we'll look at each target individually, but the same principles apply no matter which target you are shooting – you should approach every target the same way. This is known as 'The Method', and with very few exceptions it will work for any target on any Sporting layout.

In essence, you step onto the stand (with gun unloaded and broken of course – safety first) and get into the 'zone' mentally. Put aside all other thoughts and concentrate on the job in hand. Many shooters have a mental routine they run through to ensure they are properly focused.

Once you are ready, call to see the target. Decide where you are going to break it, and work back from that: where do you first see the target clearly as a solid object rather than a blur or streak? Your gun hold point needs to be between those two points. It is paramount that your eyes are clearly focused on the target before it reaches the gun.

Position your feet towards the break point and mount the gun to the break point, ensuring that you are comfortable in that position. Then, with the gun mounted, swing back along the line that the clay will follow, until you reach your hold point. Now take your eyes back to the point where you first see the target clearly. This is often nearer the trap than people think, but it can be further out because of the background. You may have to wait until the target emerges from a confused background into a clear patch of sky, for instance. Each target, and each situation, is different and you must adjust accordingly.

At this stage you may drop the stock slightly from the shoulder – I tailor the mount depending on the target. For a long, slow incomer I will drop the gun further from my shoulder to slow the gun down. For a close, fast target I want the least amount of movement, so I will keep the gun almost fully mounted as I call for the target.

Now you are ready to call for the target. Remember that you should never be looking at the gun. All your focus is on the clay, and the gun is in your peripheral vision.

Pick up the clay with your eyes, focus on it, and move with it. If you have got the hold point right, the gun will lock on to the target as you move. The clay should never overtake the gun, so that you have to catch up. If that's happening, you need to move your hold point further from the trap.

Keep moving with the target to establish line and speed, then pull ahead of the target and when it feels right, pull the trigger, keeping the gun moving until you see the clay break.

Never try to measure the lead; you need to rely on your hand-eye coordination to get it right. This is where experience and muscle memory come into play. It might sound like a dark art, but this is the right way to do it. When you miss, the temptation is to try to measure the lead, but that's a mistake. In order to measure, you will have to look at the gap in the middle between gun and clay – and if you're looking at the gap, that's where you'll end up shooting. Keep your focus entirely on the target, and let

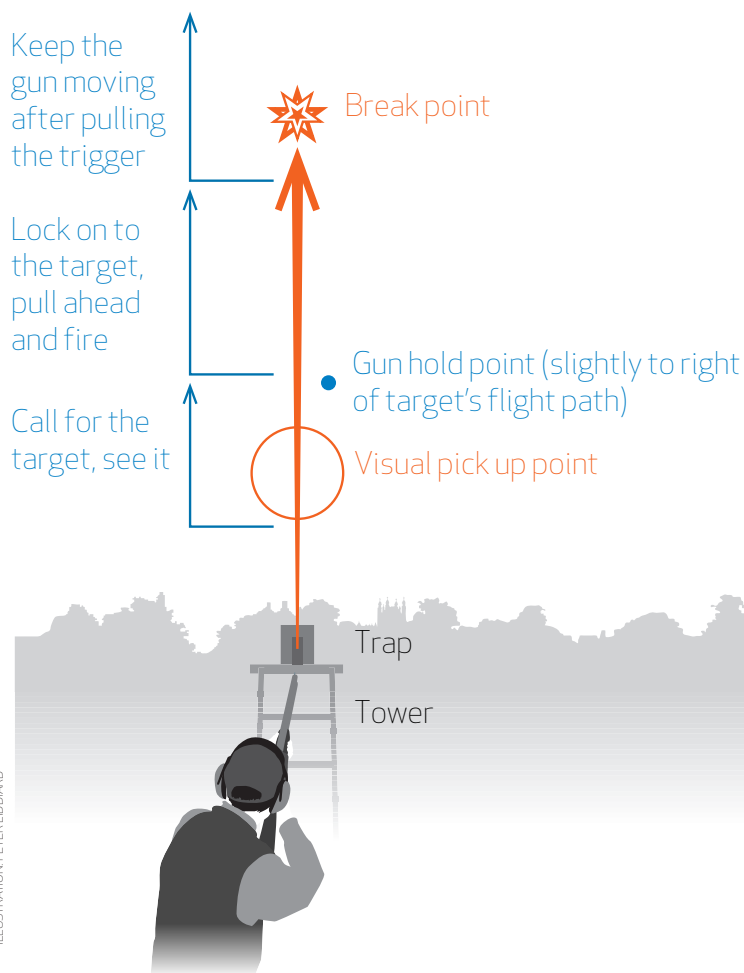

ILLUSTRATION: PETER LODDARD

SHOOT LIKE A PRO

your hand and eye do the work. Some people find themselves holding back, the brain wanting to do the calculations itself instead of trusting hand and eye. Then it's a case of consciously letting go, allowing the hand and eye to do their thing without holding back.

So that's the basis of the technique we call 'The Method', and it's a solid grounding for just about every Sporting target you will ever see. Over the next few months we will look at how to apply this to a variety of typical targets, but remember those principles and you can tackle anything. If it isn't working for you, go back to basics and apply 'The Method'. If that doesn't work, then book yourself a session with a CPSA qualified coach who is trained to spot where you're going wrong and put you back on the right track. And above all, enjoy it – shooting is meant to be fun!

THE LOW DRIVEN TARGET

Safety note: with this type of target, eye protection is essential for the shooter and anyone in the vicinity, due to the risk from clay fragments.

This is a target that comes towards the shooter from a trap directly in front, and flies over your head. It originates from simulating the flight of a pheasant or partridge, driven from cover and flying over the line of guns to escape the beaters.

In order to demonstrate a Driven target, we have set up a trap on a low platform, about 50 metres in front of the shooting stand. The trap is angled slightly upwards, so the target's trajectory takes it over the shooter's head at a height of around 15 metres.

Because it is relatively low and quick, we don't have a lot of time to get onto the target and shoot it. A common mistake is to hold the gun too low, near the trap. This inevitably means having to chase the target to catch up, resulting in overtaking it and missing in front, or stopping the gun and missing behind.

The right way, as with any target, is to mount the gun to where you are going to break the target. This target needs to be shot quickly and smoothly – you don't have time to hang around or it will be gone. Ideally you will shoot it out in front, not overhead where it will need more lead and a very fast swing.

Having mounted on the break point, take the gun back along the flight path to the hold point. Don't take the gun all the way back to the trap; it needs to be a short way along the target's path, giving you time to move when the target appears.

Because this target comes from directly in front, your barrels could potentially obscure your view of the trap, preventing you seeing it coming and focusing on it quickly. For this reason, I hold my barrels slightly to the right of the trap, allowing me a clear view of the target as soon as it appears.

I load the gun, position my feet and mount the gun towards my intended break point, ensuring that the position is comfortable.

I swing the gun back along the flight path towards the trap, stopping at my chosen hold point – just above and slightly to the right of the trap.

I keep the gun close to my shoulder, as there won't be enough time for an extended mount when the target appears. I let my eyes look down to my visual pick-up point just above the trap, and call "Pull!"

I focus on the clay before it gets to the gun, move the gun with it, pull ahead quickly but smoothly, shoot, and keep the gun moving.

Get it right and the target will disappear in a satisfying puff of dust. If not, don't despair. Go back through the sequence, making sure you are paying close attention to your break point, hold point and pick-up point, and keeping your focus on the clay at all times – not letting your attention be drawn to the end of the gun in an attempt to measure the lead. ●

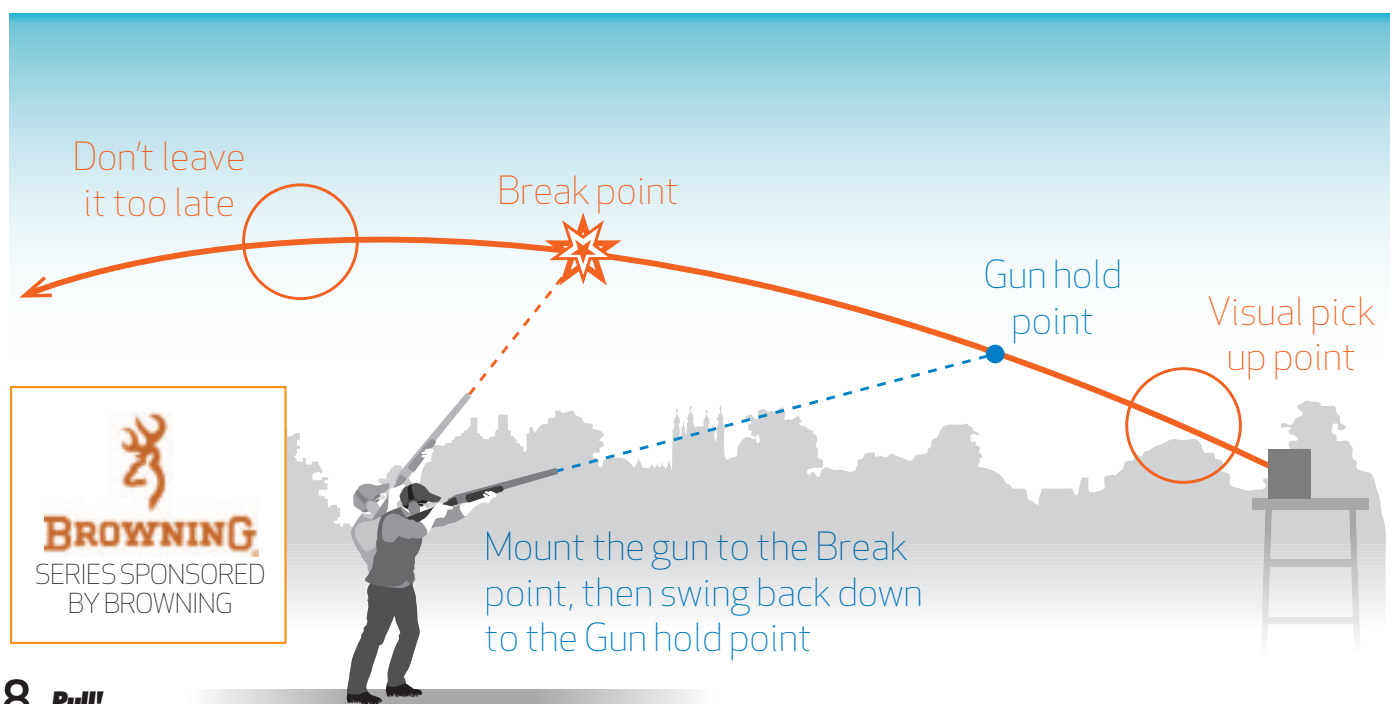

CPSA coaches teach a system known as 'The Method', which will provide a solid grounding to tackle any target you will encounter on a Sporting layout

MARTIN MANSLEY,
CPSA HONORARY
INSURANCE ADVISOR,
TELLS YOU EVERYTHING
YOU NEED TO KNOW
ABOUT INSURANCE AS
A CLAY SHOOTER

SHOOTING IS a sport with an excellent safety record, but when it goes wrong you need to be confident that your insurance is going to respond appropriately. As part of your CPSA membership you automatically receive:

- 1. PERSONAL LIABILITY (PUBLIC LIABILITY) COVER**
- 2. PERSONAL ACCIDENT COVER**
- 3. LEGAL EXPENSES INSURANCE FOR LICENCE REVOCATION***

The protection provided has evolved over the years, but the primary reason they were included was to ensure that all members participating in CPSA recognised activities are covered for their potential legal liability should an accident occur.

These policies are reviewed regularly and new additions are included, with agreement from the CPSA Board. The most recent example of this is the licence revocation Legal Expenses insurance, which was included for all 'full' members three years ago and has proven to be very useful to many members.

WHAT'S PROVIDED:

1. PERSONAL LIABILITY

This section of insurance provides the CPSA member with cover for their legal liability following an accident while shooting or partaking in one of the other insured activities.

The cover provides up to £10,000,000 following a negligent act of a member in respect of;

- accidental bodily injury (i.e. not a deliberate act) to third parties;
- and/or damage to third party property.

The policy cover is on a worldwide basis for UK resident members and has a wide definition of insured activities for the CPSA members who may participate in several shooting and country pursuit activities.

What's important to remember here is that the policy responds to your legal liability for negligent acts or alleged negligent acts and accordingly there is a process of establishing the facts. Any liability claim will inevitably

take time to go through the legal process and claims relating to personal injury may be further delayed while the long-term effects of an injury are assessed.

The primary aim of the policy is to defend your legal liability and, if found legally liable, pay for damages awarded against you.

2. PERSONAL ACCIDENT

The policy provides specific Personal Accident benefits while undertaking authorised activities of the CPSA. One of the main differences between the Personal Accident insurance and the Personal Liability is that negligence doesn't need to be proven under the Personal Accident insurance.

There are many different Personal Accident policies and the CPSA's policy is considered one of the most comprehensive in the shooting world. The key insured benefits for each member, which are widely publicised in the CPSA insurance leaflet and on the CPSA website, are:

*Cover only for 'full' or 'competition' members, excludes colts

SCHEDULE OF KEY BENEFITS (MEMBERS AGED BETWEEN 14 AND 80 YEARS)

Death	£10,000	Alternate skills expenses	£15,000
Disability (loss of hearing, loss of limb(s), loss of sight and loss of speech)	£30,000	Dependents benefit	£5,000
Permanent total disablement	£30,000	Return home expenses	£750
Permanent partial disablement up to	£30,000	Return to work rehabilitation benefit	£20,000
Temporary total disablement	£50 per week max 104 weeks	Hospital In-patients benefit	£50 per day max 52 weeks
Quadriplegia	£60,000	Coma benefit	£50 per day max 104 weeks
Paraplegia	£30,000	Funeral expenses	£10,000
Hemiplegia	£30,000	Hospital transportation costs	£2,000
Triplegia	£45,000	Dental and/or optical benefit	£500 per person any one accident max £250 in respect of spectacles (excludes sunglasses)
Accidental medical expenses	£25,000		
Alternate lifestyle expenses	£25,000		

WHAT ARE YOUR GROUNDS POLICIES?

The cover is reviewed regularly and has been designed to provide tangible benefits to the majority of the membership all at a sustainable premium level. However, the Personal Accident cover SHOULD NOT be considered an alternative to *Income Protection Insurance*.

3. LEGAL EXPENSES INSURANCE FOR LICENCE REVOCATION*

*Cover only for 'full' or 'competition' members, excludes colts

This policy was inception almost three years ago now and provides a free legal advice helpline and Legal Expenses Insurance to members in respect of shotgun certificate revocation matters.

THE POLICY PROVIDES:

- Defence against criminal prosecution – defence of your legal rights, including defence, appeal or defence of appeal against judgement, conviction or sentence in respect of any act or omission leading to criminal proceedings being brought against you as a result of participating in CPSA endorsed activities.
 - Protection of your shotgun certificate – an appeal to the relevant statutory body or regulatory authority, court or tribunal where the relevant authority suspended, revoked, cancelled, altered the terms of or refused to renew your shotgun certificate.
- Cover is limited to £50,000 per insured incident.

This has proved an excellent benefit to the members and there have been several successful defences/re-instatements of members' shotgun certificates since the policy inception three years ago.

THAT'S WHAT WE PROVIDE – HOW CAN YOU PLAY YOUR PART?

- Shoot at CPSA registered grounds – this ensures a minimum safety standard
- Wear the appropriate PPE, e.g. hearing and eye protection and encourage others shooting around you to do so
- Stay fit and know your limits
- Undertake training with CPSA qualified instructor and take refresher courses, particularly if you are new to shooting or have taken a break from shooting for a while
- Know who you are shooting with and that they are insured, have adequate shooting experience and shoot safely. ●

Address: Alresford Drive, South Wonston, Sutton Scotney, Winchester SO21 3HW
Opening times: Every other Sunday, 10:00-13:00
Website: www.wallersash.co.uk
Facilities: A CPSA Affiliated Ground with two 50-bird Sporting layouts, an undercover Compak Sporting layout, four practice stands and an Olympic Skeet layout.
Events: Regular shoots, internal club competitions and charity events.

Q: How long have you shot for?

A: I have been shooting since 1962, which is approximately 54 years.

Q: When did you start your club/ground?

A: Wallers Ash Gun Club is a family-run shoot that we started 25 years ago.

Q: What was the aim of the ground?

A: The aim of the ground is to provide targets for people to practise and develop their skills. We have gone from one 50-bird Sporting to two 50-bird Sporting layouts, each set over seven stands. We also have an undercover Compak Sporting layout, four practice stands and an Olympic Skeet layout, as well as a clubhouse, shop, ladies and gents toilets and a kitchen offering hot and cold food.

Q: What is the clay shooting scene like where you are?

A: Our shoots are always well supported and we remain busy on each event. Last year, we won the Hampshire Clubman Classic League and over the years, we have seen an increase in the numbers of ladies and families shooting.

Q: What are your current aims?

A: Our current aims are to increase our permitted shoot days and to encourage disabled people into the sport. We offer introductory shooting lessons to local scout groups and run Duke of Edinburgh Award schemes. Wallers Ash has a website and we make sure people know what is happening via Facebook, Twitter and Instagram. ●

Taking on the world

ENGLAND TEAM manager Richard Hunter leads a team of 17 shooters to the NSCA World English Sporting Championship at the National Shooting Complex in San Antonio, Texas at the end of April.

The main event is shot over two days on Saturday 29 and Sunday 30 April, with the majority of the team travelling out a week before on the Friday.

Two years ago at the South Florida Shooting Club in Palm City the Americans dominated the team events, winning gold in the Seniors, Ladies and Juniors. England's only successes were in the Veterans and Super Veterans categories. George Digweed took the Overall High Gun but wasn't part of the England Team. However, Nick Hendrick was shooting for his country and finished third overall, just two days behind George.

Six members of the current team return to America from the side that visited in 2015. Martin Myers notably returns as captain and will be hoping to go one better than when he finished runner up in the World English Sporting to American Anthony Matarese at E.J. Churchill last year.

Also travelling to the States from the 2015 team is Chris Childerhouse and Andy Jude in the Seniors, Arnie Palmer and Martin Doughty in Veterans and John Bidwell in Super Veterans.

There are four new caps joining the team. Henry Collins in the Juniors, Emma Stacey in the Ladies – Emma is the third member of her family to make a World Sporting team, with both her mum and dad previously shooting for England at the event – David Rae and Bill Pennington join the Super Veterans squad representing their country for the first time.

Speaking ahead of the championship, team manager Richard Hunter said: "That time is

here again where we as a team travel over to America for the NSCA/CPSA World Sporting Championships. This year I am really looking forward to locking horns with the professional USA Team. It is important to remember that this is what the Americans do for a living and it is going to be tougher than ever to come away from the championships with a gold medal. Despite this I am quietly confident that we may just surprise a few people!"

He added: "Team England are aiming to secure the double after winning the Blaser Intercontinental Trophy in 2016. The American equivalent for the England v. USA competition is the Du Pont Cup. This is contested under floodlights in San Antonio which will add to the atmosphere. Hopefully we can win it, and come away with bragging rights."

We wish the best of luck and safe travels to all the England shooters heading to San Antonio. ●

HIGHWAYMANS SHOOTING GROUND IN SUFFOLK PLAYS HOST TO THE 2017 ENGLISH OPEN ENGLISH SPORTING ON MAY 10-14 AND MARKS A RETURN TO THE COUNTY FOR THE CHAMPIONSHIP AFTER HIGH LODGE LEISURE HOSTED THE EVENT TWO YEARS AGO

ASTHE first Major Championship of the calendar year, anticipation for the English Open English Sporting is once again continuing to grow. Demand for entries is increasing and we have extended the competition to the Wednesday afternoon to provide additional spaces and this means there will be over 1,200 shooters competing.

Simon Smith and his team at Highwaymans will set the course, which follows the same format as the last two years, with all shooters starting on stand one and working their way around a 120-target course to finish on stand 15. The top six shooters will then take part in a Super Final on the Sunday afternoon to determine the overall winner.

In past years the Super Final has proved to be a tense and exciting climax to the event and we expect this year to be no different. In 2015, Stuart Rudling overturned a one point deficit going into the Super Final to claim his first English Open title and last year Chris Childerhouse led from the front but had to hold his nerve throughout two head to head shoot-offs to earn his first Championship title.

Ruag under the Perazzi brand and Eley Hawk are the headline sponsors for this year's Championship. The overall High Gun will receive a Perazzi High Tech Sporter, generously supplied by Ruag, with 10,000 Eley cartridges shared amongst all the category winners. There is also an estimated cash prize fund in excess of £10,000 which will be divided amongst High Gun and Class winners.

In addition to this Promatic are providing extra Traps and support staff, while Starkey Headsets have donated a pair of Pilla Glasses which will be added to a free prize draw for anyone shooting the English Open.

Phil Unwin, Ruag Ammotec UK Ltd on behalf of Perazzi, comments: "Perazzi are delighted to continue their sponsorship of the English Open Sporting Championship in 2017. We look forward to the event at Highwaymans Shooting Ground and are delighted to contribute to an excellent prize fund including sponsorship of a Perazzi High Tech Sporter for the overall winner [conditions apply].

"We'd also like to welcome all shooters to try the range of Perazzi Sporting guns on the 'have a go' stand or pool shoot during the competition. Finally, I'd like to wish all taking part the best of luck and we look forward to seeing you there."

Eley Hawk's Marketing Manager, David Thompson adds: "Eley are particularly proud to be involved with this event as it is one of the best attended English Sporting competitions available in the UK today. The dedication of the Sporting shooters who turn out for this competition year in and year out is fantastic and it kicks off the new clay shooting season with a bang. As Eduardo Hernando states: 'with testing targets, and with over 1,200 entries expected we envisage this being as closely fought a contest as last year where we saw an epic shoot-off for the title.'"

Spaces are available to book for the Wednesday afternoon and there are minimal spaces left on the Thursday and Friday. Any CPSA members who wish to book on can do so online at championships.cpsa.co.uk or by calling HQ on 01483 485400. Alternatively, there is a waiting list for entries on other days – please contact HQ to do this. ●

SARAH DALY REPORTS ON THE ISSF WORLD CUP AND THE PROPOSAL TO DROP DOUBLE TRAP FROM THE 2020 OLYMPICS

COACHED BY 2012 Olympic Double Trap Champion, Peter Wilson, James Dedman won his first Senior medal in the New Delhi World Cup Double Trap event. Although still only a Junior, James has shot as a Senior on two previous occasions, but this was by far his best Senior result, shooting 135x150 in the qualifying rounds, four targets and four places behind Olympic bronze medallist Steve Scott (Scotty), who led the field on 139.

As in the previous Olympic cycle, the finals start with a scratch score, but the new format is a 'knock out' system (see more information under 'New Finals Format').

Dahiya Sangram (IND) was ruled out at the end of the first stage, then Alessandro Chianese (ITA) after the second stage, followed by Scotty at the third stage. Scotty was just one target behind James D and James Willett (AUS/3), leaving James in a guaranteed medal position, which turned out to be a very creditable bronze on a 56x60 score, just one target shy of James Willett and Ankur Mittal (IND).

Kevin Gill, GBR Head Shotgun Coach, commented: "James' result was well deserved as he has put in a lot of hard work. It is also a massive boost to his confidence that he can win as a Senior at the highest level."

As the rules for this Olympic cycle have been changed, there are world records up for grabs, and James has set the Junior World Record for the new finals.

Kirsty Barr came very close in the Trap Women's event, losing out in a six-way shoot-off for the finals, and Brad Davis was just one target off the finals score in the Trap Men.

Once again, Ben Llewellyn finished the strongest of the GBR Skeet Men contingent, finishing on 120, one target off the lowest qualifying score for the finals; James Rounsevell started strong in the Skeet Men, shooting 25 straight, followed by a 24, but one disappointing round put him out of the running. It's an encouraging start to the 2017 season.

See the ISSF website for results in full

NEW FINALS FORMAT

The new ISSF finals shotgun format for the six finalists is, briefly, a knock out system that keeps going until the results are settled.

If there is an equal score for places six to bronze, the athlete with the highest qualifying score will take the higher placing. Gold and silver medals are settled by a shoot-off if the finals scores are equal.

Number of targets and rule out stages for each discipline:

Athlete Place	DT	Skeet	Trap
6 ruled out at	30	20	25
5 ruled out at	40	30	30
4 ruled out at	50	40	35
Bronze ruled out at	60	50	40
Gold/Silver ruled out at	80	60	50

DOUBLE TRAP IN TOKYO?

Shooting has 15 Olympic events, five each in shotgun, rifle and pistol; to preserve this number of events, the ISSF Ad-Hoc Committee

was formed to evaluate options and recommend proposals to be submitted to the International Olympic Committee (IOC) in response to the Agenda 2020 to achieve gender equality for Tokyo 2020.

Their proposal was presented and unanimously approved at a meeting of the ISSF Executive Committee and Administrative Council in India on February 21 and 22: Double Trap Men is to be replaced with a Trap Mixed Gender Team event comprising of one woman/one man teams; one rifle men and one pistol men event is also proposed to be replaced by mixed team events.

The proposal will be forwarded to the IOC, with the final decision to be made later this summer for the 2020 Olympic shooting events programme.

It is very disappointing for all the Double Trap athletes, many of whom have trained for years to reach peak performance, but if shooting does not keep moving forward by recognising the expectations of our changing world, then we are in danger of having a reduced number of Olympic events, or worse, none at all. ●

You can tell that the season is just about to start when Mount Farm's Winter Series comes to an end. Beginning way back in October, this four-shoot series has been the highlight of the winter. It is always well attended and expertly run by Phil Rowbottom and the team.

The series winners were:

High Gun: T Webster (5 points)
 A Class: A Calvert (21 points)
 B Class: J Dunne (12 points)
 C Class: I Taylor (32 points)
 D Class: A Jones (42 points)
 Junior: C Hanley (58 points)

I would also like to add a special mention for Thimbleby Shooting Ground's Winter Sportrap Series. Again, I have heard nothing but good things about it. Hopefully, both grounds will be running the same formats later in the year.

Feb 12: 50DTL 50ABT – Penrith GC

The day started calmly enough but Storm Doris soon decided to throw a wobbly! The strong winds caught some of the clays, throwing them in the opposite direction. However, none of this stopped Jim Bentham. With his usual winning smile and

good humour, Jim won the best DTL score of the day: 49/147. Cracking shooting despite the weather. Tom Robinson scored 49/146 and Les Elwell was just behind on 47/140. Father and son, Ian and Chris Johnstone won joint High Gun in the ABT with 39 ex 50 each – a very good family effort. Tom Robinson scored 37 ex 50 while Bob Singleton Snr and Les Elwell shared 36 ex 50. Every shooter deserved a medal for taking part in this difficult shoot.

Feb 26: 100 DTL Jack Steel Trophy – Penrith GC

Honestly, what is it with storms this year? Storm Ewan decided to throw his weight around and the day had to be seen to be believed. Thankfully, it didn't stop our shooters turning up to shoot. Les Elwell was the shining star of the day, winning High Gun and his second trophy of the season with 100/295. Tom Robinson and Steve Allan were both second with 288 and Mervyn Turkington close behind with 285. Mervyn also won the Sporting on the day. Everyone helped out to make sure that the day went well – their help was very much appreciated. *Lesley Macbeth*

February 26 saw the first Merseyside County Championship of the year. The ABT Championship was jointly held with Cheshire CPSA at Fauxdegla Premier Shooting Ground. There was a good turnout from Merseyside with six shooters taking part in the very difficult conditions.

Ken Grime took the Veterans and County Championship, followed by Carole Ann McGovern in Ladies. Many thanks for everyone's support on behalf of Merseyside CPSA. May I also pass on our thanks to Richard Blacker from Victory Cartridges, who helped organise this year's County Championship badges.

Please look out for the raffle book – there are some great prizes coming your way courtesy of R Bamford Guns. You will also be pleased to hear that we have now received a number of our *Spirit*

County news

As voted in at the AGM 2017, the County's officers are: Steve Clarke (Chairman), Judith Gilder (Treasurer) and Stewart Keen (Secretary). We wish them every success. Also, please don't forget that they would highly appreciate everyone's help and support when required.

County EGM

Please be aware that the Committee will be holding an EGM at Gloucester Farmers Club on April 4 at 19:30. The purpose of this meeting will be to elect a minimum of two further Committee members and the County's two representatives for the West Midlands Region Committee. Please do make every effort to attend.

Sporting

By the time this hits your letterbox, the first of three Selection shoots for the County's Sporting team will be complete. Your aggregate scores from a minimum of two of these Selection shoots will be used. At the AGM, many shooters asked if the County will be sending both an A and a B team to events this year. This may well be possible.

FITASC

We have yet to appoint a FITASC manager, although please watch this space. Windrush recently held some FITASC shoots and on February 11 Nick 'Chipper' Portlock took High Gun with an outstanding 97 ex 100.

Skeet

After many years at the helm, Paul Tudge has stepped aside. We'd like to give a huge thanks to Paul and wish him the very best with the Olympic Skeet programme. Nick Orchard, a frequent shooter at both Gloucester and Stroud Skeet grounds, is now looking after the County's Skeet teams. Please make yourself known to Nick as we wish to ensure the County has a presence at the Region's team events.

Trap

Matt, Shaun and Sue at Coleys will be our Trap eyes and ears. If you have ever fancied a go, I'm sure you'd be made most welcome to join one of the many events. Again, the County would like to see more of our shooters making themselves known and available for the Region's many team events.

Feb 4: Hereford and Worcester Compact Sporting County Championships 2017

It was a beautiful, dry and sunny day at Park Farm SG on February 4 for the first of our County Championships. There was a good turnout from Hereford and Worcester with some close scores at the top. The County Champion and Veterans Champion, with a score of 48 ex 50, was Phil Smith. Runner-up was John Smith on 47 ex 50, closely followed by Tim Smith and Jason Taylor on 46 ex 50. The Ladies Champion was Jane Taylor with a superb 41 ex 50, Junior Champion was Brandon Smith on 45 ex 50 and Will Goodman was Colt Champion with 37 ex 50. One of our top DTL shooters, Lee Kirby, shot an excellent 45 ex 50. Visitor Graham Evans shot 45 ex 50 and the top Lady Sporting shooter was Cheryl Hall on 47 ex 50. We'd like to thank Park Farm SG and everyone who supported us.

Feb 4: Hereford and Worcester Skeet Doubles County Championships 2017

One of our Juniors, Brandon Smith, took both the County and Junior titles with an excellent score of 48 ex 50. Runner-up and Veteran champion was Tim Smith on 46 ex 50, Emma Parkinson took the Ladies with 45 ex 50 and Archie Parker-Smith won the Colts with 44 ex 50. Thank you to Park Farm SG and everyone who took part.

AGM

The County AGM also took place on February 4 at the Leaking Well – more than 40 people attended. After the Chairman, Secretary and Treasurer had presented their reports, the 2017 Committee was elected. The Committee now stands as: Rod Davies (Chairman), Nick Stokes (Vice-chairman), Pat Smith (Secretary), Nick Stokes (Treasurer), Simon Jones, Mike Perry, Matt Pugh, John Hadley, Wes Harris, Graeme Walker, Jerry Ruane, Andrew Foxall, Brandon Smith and Archie Parker-Smith.

The Team Managers have been busy over the last few weeks getting Selection shoots and County Championships arranged. The dates for a number of these can now be found on the Shropshire CPSA website and Facebook page, along with the line-ups of some of the teams that have been picked for the All Round event on April 30.

All Round

The 2017 West Midlands Area, Inter-counties and Shropshire County Championships are all set to be held on April 30 at Fauxdegla Shooting Ground. The Team Manager has selected teams from last year's scores and the line-ups are available on the

website and Facebook page. For anyone who cannot make the event, please contact the Team Manager ASAP so they can amend the team. Anybody who wishes to shoot the event (individuals or team members), please contact the ground and get yourselves booked in. Thank you.

Prize and Awards Evening

This year, the event consisted of a three-course meal, a raffle and a tombola, followed by the Chairman's speech and prizegiving. New medals, pin badges and trophies were on show and there were many happy faces. There was a great turnout on the night, with a 400% increase over last year's attendance. We received a lot of positive comments about the evening.

The committee would like to say a huge thank you to everyone who attended and helped to make the night what it was. Pictures of the evening can be found on the Facebook page and website.

Feb 5: Success for Chris Daniels – Garlands

A round of applause should go to Chris Daniels for being the first shooter to ever shoot a 100-straight on one of Steve Lovett's Sporting layouts. This is an absolutely fantastic achievement and is his second

100-straight at a CPSA-registered Sporting shoot. Congratulations Chris!

Staffordshire Awards

There was more success as two County shooters received awards from the South West Regional Director, Terry Bobbett. Tim Simmons, Staffordshire Treasurer, received the Gun Down trophy. Ian Hull, Staffordshire Vice-chairman, received the Gun Up trophy and the Lyalvale Shield. For the full results, visit the news section on the Staffordshire CPSA website. I'd like to thank everyone on behalf of the Staffordshire CPSA Committee who made these wins possible. Let's hope we can have similar successes in 2017.

Please keep an eye on the Staffordshire CPSA website (which has a new look!) and visit our Facebook page. If you have any shoot reports, personal bests or other news that you would like to share, please contact me on ian.hull63@gmail.com.

At the time of writing, the season has yet to get underway. However, I am happy to report that we have got everything planned for the year ahead as, in January, we took the unusual step of holding an additional planning meeting. I'm pleased to say that it was very productive and I hope you will soon see those plans put in place, giving you a better experience this year.

It's never quiet in the Region though, and I can report that, at the end of February, the Region held its AGM at the Bell Inn, Stilton. It was well attended and the pre-meeting buffet was a great success, with most attendees arriving early to sample the delights.

On the official side of things, the officers of the Region (Janet Stennett, Carl Smith, Paul Stennett and Colin Butler) were all returned to their posts for another season.

Paul Stennett, Treasurer, reported that we had another successful season. The Region has a healthy bank balance which should enable us to

provide incentives and rewards to East Midlands' shooters once again. Paul also thanked John Martin and Mike Williams for hosting the courses in our Region. These provided further welcome income which will aid us in purchasing trophies, medals and glassware.

In attendance from HQ was CEO Nick Fellows who presented a summary of last year and plans for the forthcoming season. Terry Bobbett (CPSA Chairman) was also in attendance. Terry hosted a brief discussion regarding members' views on whether the CPSA should consider a change in the association's name from CPSA to CTSA (Clay Target Shooting Association). There were valid arguments on both sides, although the attending officials explained that no costs analysis has been done at this stage. A straw poll was taken and there was a small majority in favour of the change.

Awards were also presented. Carl Smith accepted the Directors Trophy on behalf of Nottinghamshire for the County's fantastic victory in the series of six Inter-counties shoots. Chris Morris of Cambridgeshire was again presented with the East Midlands Supreme Championship trophy along with a cheque for £100, a cloth badge and 500 cartridges (kindly sponsored by Nottingham and District GC). Other winners included Steve Smith (Lincolnshire) Senior Champion, Kirstin Vogel (Northamptonshire) Junior Champion, Steve Bridge (Lincolnshire) Veterans Champion and Hazel Whiten (Cambridgeshire) Ladies Champion. Each received a cheque for £50, a cloth badge and 250 sponsored cartridges.

In this year's Regional awards, the recipients were Ollie Zaitschenko (Lincolnshire) for his outstanding commitment to the sport, Chris Morris (Cambridgeshire) for Services to the Region and Andrew Clifton of Sporting Targets

who received the Chairman's Trophy.

The final business of the evening was to draw the East Midlands season ticket. The lucky winner was Andy Harvey of Lincolnshire who receives approximately £800 of free Regional shooting.

Once again, we would like to wish everyone a great season of shooting. We hope to see you all very soon.

Colin Butler

I can't believe how many years have passed since I began clay shooting and when I was involved in the forming of the Cambridgeshire County Committee. It must be close to 30 years. However, in all that time I can't say much has changed except the shooters; new faces keep showing up on the rostrums at every shoot.

I believe that this year is a memorial year for Cambridgeshire: it is the first time in 22 years that all of the domestic County Championships will be held here – an excellent outcome for Cambridgeshire shooters. We hope this will

AGM

The AGM was a smashing night. Every proposed Committee member accepted their nomination which was a real pleasure to be a part of. We now have a committee of 12 – a mixture of some old hands and a good sprinkling of newish shooters. I would like to thank you all very much; I look forward to working with you (even Don!).

I am a firm believer that everybody should have a go at contributing to this lovely sport; only by doing so will you know the difficulties and the solutions which can benefit all.

Our Team Captains for this year are:

English Sporting: Joy Brown
DTL/All Round/ABT: Tim Jones
Skeet: Don Green
FITASC Sporting: Karen Hodson

Championships

I am pleased to announce that the first domestic Championship and Team Selection shoot will be the All Round at Cambridge Gun Club on April 15-16 – you can shoot either day. Please remember to book in at CGC. The Inter-counties team event for All Round will be held on August 13 at Northampton. Another County Championship, the Olympic Skeet, will be held on April 2 at the Priory Shooting Ground; this will be in conjunction with the East Midlands Olympic Skeet. For the Sporting boys, I am pleased to tell you that the County FITASC Sporting will be held at Grimsthorpe once again on August 26-27.

I will provide you with more upcoming dates in the next issue of *Pull!*. All the very best and good luck to you all.

LINCOLNSHIRE

Janet Stennett

janetstennett@btinternet.com

sites.cpsa.co.uk/lincolnshire

The quieter months of January and February are the time for putting together our plans for the coming season.

Lincolnshire Team Managers

The 2017 Lincolnshire Team Managers will be:

DTL: Paul and Jan Stennett
ABT: Donovan Jenkin and Nigel Salmon

English Skeet: Chris Bone
All Round: Dave Shepherd and Brett Aisthorpe
English Sporting and FITASC: Paul Briggs and Steve Whiting

As always, to qualify for a team place you must shoot the County Championship in that particular discipline. Please keep your eye on the calendar (a list of forthcoming dates is to follow. For a full list of dates, please visit the website). We have some exceptionally talented shooters in the County so, if we can muster all of them to take part, we should be unbeatable.

We were very close to winning the East Midlands Directors Trophy in 2016 so we are keen to avenge our defeat this year and finally get our name on the trophy!

We are continuing with our Lincolnshire Skeet vest scheme for newly qualified team members. For all other team members, we have increased our contribution to £20 per entry. This should help with the recent hike in cartridge prices. We have also produced some breast pocket team badges which will be given out to past and present team members at this year's major championships. To claim yours, please ask whichever Committee member is attending the shoot.

Merchandise

We have extended the range of merchandise we have on offer for both past and present members of Lincolnshire's shooting teams. In addition to polo shirts and sweat shirts, we now have microfleece jackets, reversible fleece jackets and hats.

We also have the same range of products for non-team members, complete with an embroidered Lincolnshire CPSA logo. While a selection of these will be available at the major championships, all can be ordered on request from janetstennett@btinternet.com.

Supreme Champion

Everyone who takes part in our five major championships (DTL, All Round, Skeet, ABT and Sporting) will have a chance to earn this prestigious title. All entrants, irrespective of category (Seniors, Ladies, Juniors, Veterans), will be included for the Overall title. Points will be awarded, starting with 10 points for the highest score, nine for second place and so on, until ninth place which will be awarded two points.

Thereafter, everyone will receive one point.

Essentially, you get one point for just turning up but, if you have done well in four of the disciplines, you may need that one point from your weakest discipline to win. Mike Burton, the 2016 Veteran winner scored the maximum points for Skeet and All Round but was grateful for the odd point from Sporting which gave him the point needed to beat off Norman Smith's challenge. In addition to the Overall title, awards are also made for each category. Each entrant is included automatically – all you have to do is turn up and hit as many as

you can!

Please note that the dates of the FITASC have changed since last issue to be April 14-15 (Good Friday and Easter Saturday).

Hello fellow shooters! It seems that the weather is changing for the better at last, with the exception of the visit from 'Auntie Doris' in February – I'm still getting my garden fence out of my greenhouse!

By the time you read this, we will have had our first Sporting Selection shoot at Grange Farm and the ZZ at Rugby TC. The reports of these will be in the next issue of the magazine. Our forthcoming shoots and championships are listed below. As usual, it is always sensible to check with the grounds before travelling great distances.

We'd like to congratulate Joy for being nominated for Clay Shooter of the Year. Well done! Also, congratulations to the winners of the East Midlands Supreme Champions who were announced at the East Midlands AGM. Thank you to Nottingham SC and the East Midlands Committee for sponsoring cartridges and cash for the winners. This event is open to all East Midlands shooters, so it can benefit us all.

That's about all for now. Don't forget to get your guns serviced and your cartridges polished, then we can get on with the business at hand. I hope to see you all at the various grounds.

Good shooting and keep your powder dry.

Mid Norfolk SS

Mid Norfolk SS will be holding a 50-bird registered Sporting on April 15 for all Sporting shooters looking to get a warm up ahead of the county FITASC (April 17 – High Lodge). Mid Norfolk SS will also be holding more regular 50-bird registered Sporting shoots – please keep a watchful eye on *Pull!* and the CPSA website for the dates. Mid Norfolk SS has also won the tenders for All Round and the Dennis Rudd Memorial on July 8 and the Norfolk Sporting Championship on August 27.

Chalk Farm

Chalk Farm Clay Ground will be holding its very first 100-bird registered Sporting on April 22 – entries will be between 09:00-14:30 and shooting will commence from 10:00. Chalk Farm Financial Planning will be sponsoring the £150 High Gun prize.

If you have not been to Chalk Farm yet, you should definitely consider attending this event. Chalk Farm opened a brand new clubhouse last year which houses catering and toilet facilities. For more information on Chalk Farm, please visit chalkfarmclayground.com where you can also subscribe to their bi-weekly newsletter.

Photo Competition

We are holding a photo competition where anyone residing in our County will have a chance of winning a prize (yet to be decided, depending on interest). This will be free to enter and the winning photo will be printed in *Pull!* and on the County website.

All photos must be in guidance of the CPSA rules – shooters must be wearing ear and eye protection and no guns are to be over shoulders. Photos should be of the highest quality you can produce and of a large file size if possible (try using the 'fine' or 'high quality' setting on your cameras). All photos can be sent to the County Secretary at kylewcross@yahoo.co.uk or via the County Facebook page. We look forward to seeing your clay shooting pictures – good luck and have fun!

Committee

This year's County Committee is:

Chairman: Steve Bennington. Vice-chairman: Mick Jennings. Treasurer: Steven Cross. Secretary: Kyle Woodhall-Cross. Committee members: Ray Daws, Roger Farman, Cyril Fisher, Paddy Howe, Duane Morley, Richard Townsend and Paul Watson.

If you have any suggestions or ideas for our County, please get in contact.

Team Managers

We are currently looking for Team Managers for both All Round and FITASC. If you feel that you can make a difference and help piece together a team for the East Midlands Inter-counties later in the year, please contact the County Secretary who will be able to offer assistance and advice.

Save the Date

Following on from last year's successful dinner dance, we have provisionally booked Wensum Valley Golf Club for November 11. More details will be available nearer the time.

few years – we have eight businesses who advertise there. If you would like to be one of our advertisers for 2017, please contact Roy. The sponsorship ensures that the website is kept up to date, bringing you all the latest news.

Last year, Boss Scaffolding, Northampton Gun Co and Guardian Garage Doors kindly sponsored the County All Round, Sporting and Skeet competitions. They provided class-winner badges as well as prizes of 250 cartridges for AA, A, B and C Class winners. Northamptonshire's Committee is again looking for sponsors for this year's three County Competitions. If you would like to know more, please contact Roy or Marty. Our aim is to make the County's competitions attractive for all levels of shooter.

Golden Ticket Winner

April sees the draw for the Golden Ticket. As you read this, you may have already won free entry to two of the County's competitions! Check out the County website or our Facebook page for details.

Inter-counties Team Managers

The County Committee is looking for shooters to manage some of our Inter-county teams. So far, Laurie Cookson has agreed to Manage the DTL and ABT teams, hoping to replicate the success of last year. Jeremy Baker has also agreed to gather all interested FITASC shooters to enter a team. We are still looking for Team Managers for Skeet, Sporting and All Round.

You don't have to shoot in the competition yourself, you just need to be prepared to contact those who shoot the discipline, decide who would make the best team, then book the teams into the ground. Simple really! If you are interested, please contact Roy.

Regional Champion

The regional AGM on February 27 was an occasion of celebration for one of our most talented Junior shooters: Kirstin Vogel collected her East Midlands Junior Supreme Champion prize. 2016 saw Kirstin increase her presence in the shooting arena; she was part of the national coaching scheme for young shooters and it certainly seemed to help her. Kirstin entered many of the Regional disciplines, in addition to all the County Competitions, and it paid off. Kirstin won 250 cartridges and £50 in cash to help her on her way to success this year. Well done Kirstin.

Pool shoots

Keep a look-out at the County Championships for any Pool shoot competitions. Last year's Pool shoots proved very popular and so will be repeated again this year. The County CPSA-organised events will raise funds in support of the Committee – more news of which will be included next month.

Congratulations to Andy Womble who was recently voted the Disabled Shooter of the Year. Andy thoroughly deserves this award and is a great ambassador for our sport. He regularly shoots scores that most able-bodied members can only dream of. Well done Andy.

Cockett Farm Christmas shoot

A huge thank you to everyone who attended Cockett Farm's Christmas shoot; you all contributed to raising £800 for the Farnfield Community Responder Scheme. Cockett Farm should be commended for its continued support for such a worthy cause.

Nottingham and District Skeet Winter Series

There were big scores in this year's Skeet Winter Series – no less than a 98 ex 100 was good enough to take High Gun on any of the six shoots! Tom Tristram's consistency shone through and his four 98's put him in a shoot-off with Jonathon Cain. Tom won the shoot-off courtesy of a 25-straight, leaving Jonathon the AA Class prize. Steve Pinch was the A Class winner after producing steady scores throughout, while B Class went to D Tavernor. Paul Fallon finished strongly to win

the Veterans category as S Gale finished streaks ahead in C Class. Derbyshire's Julie Havill shot steady on all of the shoots to win the Ladies by a country mile. Thanks to Carl and his team for battling the conditions and keeping everything running smoothly.

Since the last entry, little has happened concerning the Committee or the County other than the agreement of some additional dates for County Championships. So, to make life easy, here are all the April activities that Suffolk members should consider entering.

Apr 1: Suffolk Sportrap Championship – High Lodge

The first of the Suffolk Championships will take place at High Lodge. Sportrap is a great discipline – if you haven't tried it... why not? Please call and book in.

Apr 16: Suffolk Skeet Championship – Eriswell Lodge

Eriswell Lodge will host the Suffolk Skeet Championship on April 16. This event will decide who will represent Suffolk at the East Midlands Inter-counties later in the year. The Inter-counties shoot will also take place at Eriswell Lodge so maybe this is the chance to get your first County team place as there's no need to worry about the distance you'll have to travel to attend. This championship will be the first to count towards the County Supreme Champion 2017 and the first to gain a raffle ticket for free entry for the 2018 shoot (see last month's Pull! or the Suffolk website for details).

Apr 17: Suffolk FITASC Championship – High Lodge

This championship will also count towards the County Supreme Champion 2017 and be another raffle entry for free shooting in 2018. Norfolk will also be included in this Easter special, so make sure your entry is booked as early as possible.

By the end of the Easter weekend, every Suffolk member could be two steps closer to being the County Supreme Champion and have increased their chances of a free entry in 2018!

The Avon Sportrap Championship will be held at Meadowcroft SG on May 21 in conjunction with a registered 100-bird English Sporting event. As an indication of the growing high reputation of this facility, the Sportrap will be held in partnership with Somerset this year and four new layouts will be installed prior to the event. There will also be improved signing installed within the clubhouse building as part of additional investment in the ground.

This facility will soon be expanded with DTL/ABT layouts and registered competitions could be held at this venue in the near future. It will be ideal for shooting in these disciplines as the equipment is already available at the ground. Our Trap shooters are waiting with eager anticipation and will be heavily involved in getting the layout's location and targets right before start-up shoots take place.

Reports on the County Championships for English Sporting and FITASC will be in the next issue of Pull!.

The Avon All-Round Champion title for this year will be allocated to the highest placed Avon shooter competing at the CPSA-registered shoot to be held at Brookbank SG on Good Friday (April 14). The trophy presentation will be held at a later date.

Other championship venues and dates are to be arranged for DTL, Single-Barrel and Double Rise – several shooting grounds have indicated an interest in hosting these events. Again, dates for championships will be posted as soon as they are available.

The Avon website is hosted on the main CPSA website and can be accessed via the County tab. For future contact, please use this new email address: rogercox47@gmail.com. If you have any news, please contact me for inclusion in the next issue.

Champion of Champions 2017

The Devon Champion of Champions is based on the results of your best five Devon championships. For each Devon championship, first place scores 10 points, second nine points, third eight points and so on, down to 10th place scoring a single point. The more championships that you shoot, the more points you can gain.

Last year, the Champion of Champions came first in just one championship but gained a large number of points in others. In contrast, the runner-up won two championships! 2016's results are on the Devon CPSA website – do you think you can do any better?

With spring just around the corner, the clay shooting season will soon be in full swing. We can hopefully put the bad weather behind us now, including Storm Doris which unfortunately claimed the Trap layout cover at Owls Lodge.

Thank you to everyone who supported the Hampshire Committee and took the time to vote for us at the Annual CPSA awards. We were shortlisted for the County Committee of the Year award. Unfortunately, on the night we were runner-up to Cheshire but we are still very happy to have been nominated.

It was good to see Hampshire shooters out in force at the recent Royal Berkshire Sunseeker Boodles Cup Final. John Heagren, with his ever consistent high tower scores, led from the start of the qualification period. Fellow County members Luke Elliott, Phil Marks, Trevor Bell and James McGuire soon joined him. However, it wasn't to be as Huw Stephens topped the board on 22/25, just one target short of the £80,000 prize (he did pocket £5,000 though).

Hampshire CPSA has now launched a Facebook page to keep you up to speed with shoots, news and scores. If you use Facebook, please follow us. The website is still running and will also provide information on events as before.

March 18 will see the Hampshire Championships kick off, starting with Helice at A1. This event will also mark the start of the Supreme Championship.

It will be interesting to see how things pan out in 2017 as some of the disciplines are now back at NCSC due to the removal of the OLSS Trap layout.

This year, the Hampshire Shooting Team has kindly been sponsored by GMK Beretta, The Gun Shop (Botley Mills) and Thompson Westwood White Yachts. I have put together a design for the polo and they are currently being produced. I would like to say a huge thank you to the owners of the three companies who have kindly put in a considerable amount of money to allow us to look the part at this year's Inter-counties events.

Emma had a great 2016 and was awarded the Trophy at the South West AGM at the George Albert Hotel on February 24. Emma is currently studying Politics and International Relations at Bath University and will gain her first England Cap this year after she was selected for the World English Sporting Championship in Texas.

Recent personal events have made me think back to the start of the year and about New Year's resolutions. This in turn made me wonder: how many of us have already let our resolutions fall by the wayside? While I'm not the most prolific shooter in Somerset, one of my resolutions was to shoot a different discipline's County Championship and Olympic Trap has tickled my fancy this year. While I know that I'm likely to be near the bottom of the pile in that Championship (my money's on Ed Ling!), I know I'm going to enjoy shooting something completely different. Surely that enjoyment is worth making the effort for? Therefore, I would urge all Somerset shooters to try something different this year. Who knows, you just may find you have hidden talents...

The Somerset English Skeet is to be held on March 19 at Brook Bank Shooting Ground. It's always a good competition, even though the number of county shooters participating over recent years has declined. This year should be interesting because Charlie Porter, who has only recently started shooting, dropped straight into

AA Class after getting his temporary classification. Having shot one of the recent Skeet Competitions at Brook Bank, there are a small number of shooters who have started to shoot Skeet with smaller gauges to good effect and with a great deal of fun as well.

For all the Trap Shooters out there, I have confirmation from Alison and Wes at Brook Bank that the Universal Trench Championship will be held on April 9, the Double Rise Championship will be held on April 17 and the Olympic Trap Championship will be held on April 30.

The Somerset CPSA Facebook is now live and slowly gaining followers. We have posted the County Championship dates that we have confirmed and hope to be able to post some photos from the Championships once they have been completed.

This year, the County Committee has decided to award the County Champion trophies at the next AGM again. If you manage to win a County Champion title over the next few months, please keep your eyes peeled for the date in *Pull!*

It's still a bit early in the year for much news, so this month's article is more about the current plans for the year.

County Championships

As I said in the last article, we will be running 11 County Championships like we did last year. For details of the dates we have at the time of going to press, please see the blue box.

Team Events

We would like to enter teams into the Inter-county events this year. We almost managed to get a team together for a DTL competition in Fareham, but in the end we only managed to get three members – two short of the five required. There are no entry requirements for team membership except that you need to be a Wiltshire shooter, so please contact Josh Brown or myself if you are interested.

Wiltshire Sporting Challenge

For this year's Sporting Challenge, there are four

competitions at Widdington (date TBC), Barbury (Aug 27), Urchfont (Sep 24) and Gunsite (Oct 8). The rules are as follows:

1. The competition is open only to Wiltshire shooters.
2. Your best three out of the four scores will count over the four competitions.
3. Prizes will be awarded for all classes (AA, A, B, C, Veteran, Lady, Junior).
4. If you are eligible to shoot as a Veteran, Lady or Junior, you must nominate at your first event whether you are entering in your category (Veteran, Lady, Junior) or in your class (AA, A, B, C). You cannot enter in both a category and a class.
5. Prizes will be awarded at the final event. In the event of a draw, prizes will be shared.
6. Unclassified shooters will be classified by the ground at their first shoot in the challenge.
7. You will only pay the usual fee for the registered competition; there will be no extra fee for the Sporting Challenge.

The 2017 Essex AGM took place on February 8 at a new venue: The Half Butt, Great Horkesley, near Colchester. We all enjoyed fine hospitality and there was a reasonable turnout despite the unfortunate closure of the A12 that evening. Most of the meeting was conducted very quickly which left lots of time for a lively debate during 'Any Other Business'. Minutes of the meeting can be found on the website.

AGM

The Hertfordshire AGM was held at Nuthampstead on February 26. The Hertfordshire officers for 2017 are: David Tibbles (Secretary) and Dominic Cherry (Treasurer). Both Chairman and Vice-chairman positions are yet to be announced. The Committee members are: Nigel Bowley, Mike Cotton, Alan Haynes, Alison Nicol and Chris Windebank.

The 2017 Team Managers are:

FITASC:	Mike Cotton
Skeet:	Nigel Bowley
Olympic Skeet:	Alison Nicol
DTL and Double Trap:	Dominic Cherry
OT, UT and ABT:	Alan Haynes
Sporting:	TBA

If you ever have any ideas, thoughts or questions or would like to become more involved in our sport, please contact us – we still have openings on the team.

Premier League

Some Hertfordshire shooters took part in the Premier League at Southdown and had some very successful results. Charlie Monahan finished third in Juniors, Alfie Tibbles was second in Colts and Daniel McDonnell took second in C Class Seniors. Great shooting all.

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

Team GB Olympic Talent Pathway

Maddie Purser started shooting Sporting when she was 10 years old using a 20-bore at her local club, LVSA in Hertford. Not long after, she joined her father Stuart shooting DTL and ABT, quickly realising that she preferred the faster targets. Having progressed to a 12-bore, Maddie discovered that she had a natural talent for Trap shooting.

Having taken up Olympic Trap at Nuthampstead in the past year, aged 13, Maddie has been progressing well, consistently shooting good scores. She uses a Beretta 686 and her favoured cartridges are FIOCCHI Official Trap. Following coaching sessions with Aaron Heading at Priory Clay Ground and at Nuthampstead with Ed Barker, Maddie has been offered a place on the GB Talent Pathway. She intends to shoot competitively for Hertfordshire in Trap disciplines this season and then progress to shooting major competitions. Her ambition is to shoot for her Country in the Olympic and Commonwealth teams.

Next month, we'll look at other Hertfordshire shooters in the Talent Pathway.

We're still working on the dates for all of our Championships, but we can confirm that the ESK County Championship will take place on July 30 at Nuthampstead. If you have any news or photos of Hertfordshire shooters, please send them to David Tibbles at davidtibbles@yahoo.com.

Shortly after the Kent AGM, we co-opted Scott Batchelor onto the committee. Scott set to work updating the Kent website and Facebook page – he has done a fantastic job. Well done Scott and thank you.

There are still a number of outstanding trophies from the 2015 winners. The Committee would be grateful for the return of these trophies so that they can be handed to 2016's winners.

Good shooting everyone.

Since my last report, we have held the Oxfordshire County AGM. As a Committee, we were hoping for a better turnout; the numbers were slightly less than last year. The meeting ran smoothly and we'd like to thank John Offord, our South East Region Director, for his attendance and support for the County. Thank you to those County members who attended.

The Committee was pleased to welcome two new additions to the current line-up: Jane Robbins and Scott Leonard. It's always good to have fresh ideas and we look forward to working with you both.

We'd also like to give a big thank you to Martin and Steve who have kindly agreed to remain as Chairman and Vice-chairman respectively for another year. The Committee would be at a loss without you both.

Oxfordshire CPSA Challenge Trophy

The meeting also gave us the opportunity to announce this year's plans for the Oxfordshire CPSA Challenge Trophy. Kevin Durrant has worked tirelessly to organise this year's generous sponsorship which for a third year

will be coming from Sola UK, 2M Financial Services Ltd and our very own Steve Cox of Banbury Gunsmiths. Thank you to the three companies; they have allowed us to offer this year's prize pot of more than £2,300.

For 2017, the competition will run differently to previous years. The prizes will now be more fairly distributed within the disciplines. Hopefully this will encourage more shooters to take part in this very unique competition. There isn't another County that offers the opportunity to be awarded prizes for performing well within your specialised discipline.

There are two disciplines in each of the three categories to count for the individual prizes. The top three in each category will qualify for the final and be able to compete for the Challenge Trophy. The final will be the All Round.

1. ABT and Universal Trench
2. English Sporting and FITASC Sporting
3. English Skeet and Skeet Doubles

All of the qualifying competitions will take place at the County Championships of each of the individual disciplines. A competitor will need to shoot both of the disciplines within their chosen category to be eligible. Prizes will be awarded within each of the categories to the shooter who has accrued the lowest points after completing both competitions within their category. The point scoring system will be as follows: the winner of the shoot will be awarded zero points, second place will be awarded three points and third place will be awarded eight points.

The prizes available within each category are really impressive: first place will win an Armsan 12-bore Semi-Auto, second place will win 750 Eley Superb Cartridges and the third prize will be 250 Gamebore White Gold Cartridges.

Please see the Oxfordshire CPSA Facebook page and website for the full details and qualifying rules. If you have any questions or queries, please let me know.

If you have any shooting successes which you would like to be published, please contact me. I will always do my best to get your news included.

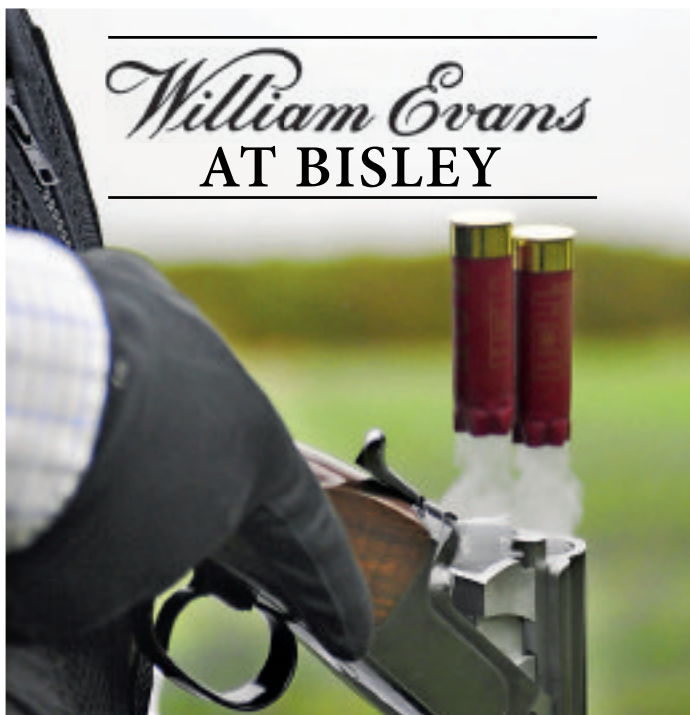

Stay safe and happy shooting.

We held our AGM and prize-giving in February and were able to elect two new Committee members, so welcome to Jo Watson-Hopkinson and Andy Smith – your assistance will be greatly received! Thank you also to those who turned up to offer their support and suggestions.

Among the attendees were Maddy Boyd (Junior Supreme winner) and David Dale (OSK winner), who left early the next morning to attend the Olympic Skeet Grand Prix in Cyprus along with Colt Supreme winner Jack Collier. There were no prizes to bring back on this occasion, however valuable experience was gained at this top level competition.

We are still looking for volunteers to assist with contacting the team for Inter-counties events and handing out the badges etc. on the day of the event. Please let us know if you are interested in being in any of the Inter-county teams or if you would like to get involved with the small amount of work required to organise the team. Contact any of the Committee if you would like to be considered – we will give you full guidance.

The Sussex CPSA AGM was held at Northall CPC. As usual, this was well attended by the shooters of Sussex. A big thanks to everyone who attended.

County Treasurer John Foy had good news in that the Sussex CPSA had a positive bank balance again. This was further bolstered by a sizeable donation from Southdown Gun Club and Shooting School, who gave a £500 voucher to be used at the high-profile shooting school to promote the sport and introduce young people to the sport. The Committee would like to thank Southdown for this extremely generous donation and look forward to hosting an event there later in the year.

Another act of generosity came from our very own Sussex shooting star Guy Franklin, who very kindly donated the prize he won at the Champion of Champions event at the Game Fair. The prize of 2,000 cartridges was distributed to the winners of the Sussex County Supreme Championship.

Tim Woodhams has agreed to carry on his good work as County Chairman, as have Cliff Goodwin (Secretary) and John Foy (Treasurer). All the other Committee members have remained.

Massive congratulations go to our 2016 Champions Guy Franklin, Will Fenner, Peter Goldsmith, Jeff Dix, Liz Salmon, Andy Stratford, Alisdair Williams and Tom O'Brian, who all won multiple awards. Congratulations also go to our other Champions Charlie Milne, Michael Gatehouse and Charlotte Hollands.

In his last year as a Colt, Will Fenner won an amazing seven Colt Championships including the English Sporting, FITASC, All-Round, Helice/ZZ, Colt Supreme Champion and Best Colt 2016. Will has really put the time in and his efforts have been rewarded with some convincing wins. He is moving up to Juniors and has just joined the Southdown Sponsored Shooters programme. We wish him well in Juniors.

On top of his Champion of Champions win, Guy Franklin won four of the senior Championships including English Sporting, English Skeet, Double Rise and All-Round.

Below: Will Fenner and Cliff Goodwin

One of our old hands, Sussex Veteran Jeff Dix, won four Championships including English Sporting, Sportrap, DTL and Veteran Supreme Champion. Jeff is really enjoying his shooting and is putting in some fantastic performances that have seen him win multiple Championships, especially turning up at the DTL – a discipline that he doesn't normally shoot – and pulling off a win.

Peter Goldsmith, who has only been shooting competitively for a couple of years, won three Junior Championships in English Sporting, FITASC and Junior Supreme Champion.

One to watch is Colt Tom O'Brian, who has just turned 13. Tom shot his first championship year in 2016 and has had an amazing start to competitive shooting by becoming the Double Rise and Skeet Doubles Champion 2016. We will no doubt be hearing more about Tom's shooting this season; his shooting is improving all the time with scores that quite a few Seniors would be happy with.

Lady shooter Liz Salmon was the Sussex Ladies Supreme Champion. She received the award for shooting multiple disciplines, including FITASC, Compak and the Skeet Doubles.

Other notable wins came from Charlotte Hollands (Sporting Champion), Alisdair Williams (UT and Helice Champion), Andy Stratford (Overall Supreme Champion and Skeet Doubles Champion), Charlie Milne (All-Round Veteran Champion) and Michael Gatehouse (Olympic Skeet Champion).

We aim to get all of the Championship dates agreed and published in the next week or two, so keep up to date on what is happening by following us on Facebook or looking at the website.

AG Adjustable Gun Stocks

If your scores are inconsistent it may be because your gun fit is incorrect, most factory stocks are made to standard measurements, you may not be 'standard'. A fully adjustable comb which allows you to have consistent mounts may be what you need.

I also fit recoil reducers and adjustable butt plates.
Prices start from £150. Cheaper than changing your gun.
Fast turn around usually 3 to 4 days.

Our own LEGAL EAGLE

LAURA SAUNSBURY IS THE HONORARY SOLICITOR AND SHOTGUN LICENSING ADVISOR TO THE CPSA. *PULL!* CAUGHT UP WITH HER TO FIND OUT MORE ABOUT HER ROLE

CAN YOU DESCRIBE YOUR JOB AND HOW IT RELATES TO THE SHOOTING WORLD?

I am a consultant solicitor with Lewis Nedas Law Ltd and co-author of the *British Firearms Law Handbook*. The firm is in London but I have clients all over England and Wales, having become known for being a specialist in firearms licensing law. All of my work involves some aspect of firearms law. My clients tend to be shooters, firearms dealers, and collectors or traders of antique firearms or deactivated weapons. Over half my cases involve advising and representing individuals in firearms licensing appeals following police decisions to revoke or not renew their shotgun or firearm certificate or their registration as a firearms dealer. Much of the rest of my work is defending people accused of criminal offences in relation to their firearms.

HOW DID YOU END UP SPECIALISING IN FIREARMS LAW?

I started out my career in the law as a criminal defence solicitor and in my time have defended

those accused of everything from minor motoring offences to murder. When I became involved in shooting myself, I realised through talking to people at the clubs and shoots I attended that many shooters struggled to find specialist legal advice in this area. So the idea to specialise developed from there.

WHAT'S YOUR INVOLVEMENT WITH THE CPSA?

I have been the CPSA honorary solicitor and shotgun licensing advisor since 2009 which means any members who need legal advice regarding their shotgun certificate are referred to me. Consequently, I and my assistant Gary Smith spend a lot of time giving advice to CPSA members and answering questions from staff at CPSA HQ to help them deal with the more straightforward and routine enquiries. I also advise the Board of Directors from time to time on governance issues and disciplinary investigations where a complaint has been made about a member's behaviour.

HOW LONG HAVE YOU BEEN SHOOTING?

Nearly 25 years now. Gosh, you've just made me feel old. I hadn't realised it was that long until I thought about it.

HOW DID YOU GET INTO SHOOTING?

I have my husband to thank/blame for that. When we met he was already an active shooter and a member of several gun clubs. He took me along to introduce me to the sport and his shooting friends. To my surprise, I discovered I quite enjoyed shooting and have never looked back.

WHICH DISCIPLINE IS YOUR FAVOURITE AND WHY?

I'm as happy having a go at shooting clays as I am doing practical pistol or practical shotgun. I'm no great marksman as I don't practise regularly enough. I seem to be too busy defending the rights of others to shoot to find much time for it myself. To me it's as much about the social side, getting out in great countryside with like-minded individuals, as it is about what score I achieve.

WHAT IMPORTANT LEGAL MESSAGES NEED TO BE PUT 'OUT THERE' IN THE SHOOTING COMMUNITY?

Don't be complacent about your obligations as a certificate holder. In recent years, shooting has at times received a very negative press. As a result, the police and the general public expect an increasingly high standard from shooters, not just in terms of your attitude towards safe gun handling and security but also your conduct more generally. Be an ambassador for your sport by setting a good example. And do make sure you have legal expenses insurance cover in case things go wrong. Most of my clients never imagined they would end up needing my help.

WHAT'S THE BEST SHOOTING ADVICE YOU'VE BEEN GIVEN?

Don't be in too much of a hurry. Focus on your target for a moment before you take aim.

AND IN BUSINESS?

As above. Work out what your goal is and how best to achieve it. ●
