FELLOWS MEDIA

# WELCOME

The championship season is well underway and once again, we are seeing some very impressive shooting to set the benchmark in order to win High Gun and place in class and category this season!

Mark Winser's 119ex120 at the EO ESP to pip Billy Baughan and James Bradley-Day to the top of the podium was incredible to see – and then Joe Clarke and Tristan Hockey recorded 100-straight at the EO ESK with Joe taking High Gun after a shoot-off, and you can read more about this event on page 15.

At the beginning of June, we held the EO & BO All Round at North of England, with Richard King doing the double and taking High Gun in both events, and the EO OSK at Doveridge with Dominic Cooper securing the top spot. We also saw the return of the DTL Weekend at Bywell with the Sponsored DTL, Dougall Memorial, and the English Open DTL with Richard Greenlaw, Daniel Beedan, and Nick Haley taking the High Guns. Congratulations everyone and many thanks to the grounds, referees, and our sponsors who all contribute to the events being so successful!

Well done also to our England ESP team who travelled to the US for the World Sporting, and you can read about their efforts on pages 32-33.

Later in June, we held the EO STR and EO SSP at Barbury Shooting School, which was very exciting, considering it was our first ever major championship in the relatively new Super Sporting discipline, and we will report on that in a later issue along with the results from the World DTL championships at Bywell and the EO ABT at Nuthampstead in July.

We will also be at The Game Fair at the end of July, at Blenheim Palace after a ten-year break, so please stop by and say hello, and don't forget to use code CPSA10 when buying tickets to get discounted entry to the show. **Iain Parker** // Chief Executive

## CPSA GENERAL AND TECHNICAL RULES ADDENDUM

In relation to the General & Technical Rules Addendum announced in March, specifically in connection with prohibiting the use of semi-automatic shotguns in our home disciplines of DTL & ABT, the CPSA Board of Directors has reviewed the prohibition.

This decision followed the ISSF ban of semi-automatics in OT & OSK on the basis of potential safety concerns. We have now determined to what degree those concerns are relevant to the CPSA, and which mitigations need to be put in place in order for semi-automatic shotguns to be used once again in the disciplines of DTL & ABT.

Please view the amended Addendum on our website through the link: [cspa.co.uk/files/download/1955/Booklet-1-Addendum-0524.pdf](https://cspa.co.uk/files/download/1955/Booklet-1-Addendum-0524.pdf)

We thank those members who have engaged in a constructive manner regarding this matter, whilst understanding safety must always be paramount in the decision-making process.

Any questions or comments please email via [info@cspa.co.uk](mailto:info@cspa.co.uk) and one of the team from CPSA HQ will be in touch.

## THE GAME FAIR 2024

We will be in attendance at this year's Game Fair from 26-28 July 2024 at Blenheim Palace, we hope to see you there!

We will also be hosting two invitational competitions, the Colts Challenge and Champion of Champions - generously sponsored by Eley Hawk Ltd and Sunglasses For Sport, stay tuned for more information about these.

## NATIONAL SHOOTING SHOW 2024

We were excited to attend the National Shooting Show at the Yorkshire Event Centre in Harrogate in May with our Have-a-go clayline. Our team of qualified Instructors and Coaches were on hand all weekend to give people their first experience shooting a shotgun at clay targets in a safe, fully supervised setting.

In fact, almost 400 people had a go over the two days, and all left with huge smiles having smashed clays for the first time. Thanks to all our team for their enthusiasm sharing the joy of our sport. Next up is The Game Fair at Blenheim Palace on the 26-28 July.

# EAST YORKSHIRE GUN CLUB NEW TENANTS STATEMENT

We are pleased to announce that we have appointed Dennis and Ryan Willey as our new tenants effective 1 July 2024.

Dennis and his two sons, Ryan and Callum, will be known to some of you as regular competitors at the ground for a number of years, and their enthusiasm for the sport and the ground is obvious to those who have met them.

It is their intention to have the ground operational for practice by 1 August followed by Registered competitions, subject to inspection and registration with CPSA shortly after.

Plans are in place with Promatic to order traps and electrical/electronic control gear to provide the following:

- Two OT layouts suitable for Olympic Trap, Universal Trench and ABT.
- Two further ABT layouts
- Four DTL layouts
- Two Olympic/ English Skeet layouts

- One Compak / Sportrap layout
  - One Sporting layout.
- Further investment is planned after the first/second year of operating.

We hope to arrange an open meeting for members to meet with Dennis, Ryan and Callum shortly after they take over the lease in July.

The process of selecting our new tenant has been a long and complicated task, and we thank you for your patience during this period. Our priority has been to select a tenant who understands the rights and needs of our members, as well as the wider shooting community. We ask you extend a warm welcome to them, as they are fully committed to the club for the long term.

# BERETTA

## SPORTING

For those who prefer the look of an engraved receiver or require a clay gun which can be used for an occasional day in the field; Beretta have several beautiful guns that offer all round versatility. They all feature the famous Optima HP Steelium barrels, designed to deliver outstanding performance, throwing superb patterns with reduced recoil.

### 687 SILVER PIGEON 5 FROM £4,400

The Silver Pigeon V is the latest evolution in this iconic family of guns. Adorned with beautiful, deep relief, floral motif engraving and with superior grade 3 wood. The walnut stock and forend are also finely chequered for an improved grip.

### 687 SILVER PIGEON 3 FROM £2,800

The 687 has remained popular because of its reliability and minimum maintenance requirements. The SP3 is a feature packed, competition shotgun that will not disappoint. It boasts rich, lustrous, game scene engravings and an elegant, 2.5 grade, selected walnut stock.

### 686 SILVER PIGEON 1 FROM £2,250

The latest laser engraving techniques have resulted in an elegant, scroll design which is modern, bold and beautifully balanced. The action is further adorned with the classic, Beretta trident, creating a truly handsome gun.

**687 EELL £7,850**

The stock and fore-end are superior quality walnut embellished with hand cut checkering, demonstrating how improved performance and refined beauty can be perfectly matched.

You are guaranteed great patterning, reduced muzzle rise and perfect trigger pulls with innovations such as Steelium barrels and B-Fast balance systems as standard.

**DT11 FROM £10,000**

The DT11 is Beretta's flagship boxlock competition gun with an Olympic pedigree. These hand finished shotguns feature an exceptionally strong cross bolt locking mechanism and a removable trigger unit. The Steelium Pro barrels boast an internal profile created to diminish felt recoil, improve shot patterning and reduce muzzle rise, with no loss of ballistic performance.

**694 FROM £4,550**

Packed with features to improve your shooting performance as well as a stylish and totally distinctive action shape. The stock and forend wood have been re-designed to give better feel and improve all the contact points between gun and shooter. Additionally, the stock blends seamlessly into the shoulder of the action to improve peripheral vision.

**A400 XCEL £2,100 - KO £2,200**

Sporting a striking, new grey AquaTechShield finish on the action, and a new laser engraving, the A400 may just be the best competition Semi-Auto available. The EO Skeet Championship was held at the National Clay Shooting Centre at Bisley between 25-26 May. 186 competitors battled for the top step over the three days in varied weather conditions. There were some rain showers, but the famous pavilions at the NCSC made sure the competitors were well sheltered. The gusty winds were a different matter though, and made for challenging shooting at times.

In the end two 100ex100 scores were posted with eight 99ex100s. Four shoot-offs were needed at the end of play on the Sunday to decide the A Class, AA Class, Side-by-Side, Super Veteran, Veteran and High Gun categories. The High Gun shoot-off was held last between Joe Clarke and Junior Tristan Hockey. Scores were even up until Stand 4. But Joe was the first to blink and the second target of the pair slipped away unscathed. There were straights for both on Stand 5 and then it was Tristan's turn to drop a target on Stand 6. So, the scores were all even for Stand 7. Tristan dropped the first

target of the final pair and Joe dusted the final four targets to be crowned English Open champion for 2024.

Joe shot his 100-straight on the Saturday, but luckily, he only lives about 15 minutes away, so coming back for the shoot-off on Sunday wasn't too difficult for him. He said: "It went better than expected and it's a dream come true. There were a few nerves for the shoot-off, but I managed to hold it together. The waiting is the most difficult thing."

Joe mostly shoots Sporting and FITASC, so the blustery conditions perhaps gave him a slight edge on the day.

Meanwhile Tristan Hockey deserves serious praise for his performance on the day and in the shoot-off. He is going to be one to watch over the next few years.

As you'd expect of the NCSC, the event was run immaculately by Oli Jones and his team with many thanks to the sponsors, SWATCOM, Eley Cartridges and Le Chameau, who kindly contributed finance and prizes for the event.

# KING CROWNED AGAIN

The multi discipline All Round championships provided tense competition, as **Richard Faulks** reports.

has the competitors shoot one hundred targets - 25 for each discipline of the four disciplines. The sequence is single barrel DTL, ABT, English Skeet and finally English Sporting. Each discipline is shot with its own specific technical rules.

The English Open prize was decided on the Saturday and the conditions were dry but windy. Richard King from Dorset won the English with a very impressive 94ex100 and this was his sixth engraving on the EO cup to date. He was hoping to make it a double with the British Open the following day. Second place went to Michael Foster and third to Jack Thompson. The Ladies champion was Kath Bright, in second place was Lucy Earl and in third Rachel Carrie. All were shooting the British Open the following day.

## A SUNNY SUNDAY

The weather on the Sunday for the British Open was sunny and bright with a breeze, but the conditions were far more benign than the previous day. By midday, there had been a 94ex100 posted by Patrick Dickman, which matched the

previous day's top score, but there were some strong competitors out on the course or awaiting their turn. Richard King finished his round shortly after lunch, and again he was on form. He posted a 95ex100 which was a great score. The English Sporting stands had been tweaked overnight and were a bit more testing than they had been for the English Open the previous day. Lucy Earl was setting the pace for the Ladies with a 82ex100.

## BIG NAMES IN THE FINAL SQUAD

The final squad of the day had Mark Winser and Jack Thompson in it along with Rachel Carrie. It was going to be interesting to see if they could catch Richard and Lucy. I decided to follow them around the course with Richard King to see how things developed.

Right: L-R. Lucy Earl Runner-up, Rachel Carrie High Gin, Kath Bright third.

Mark Winser was on ominously good form on the first layout of single barrel DTL, not dropping a single target. Jack Thompson let two targets slip away, but there was still a long way to go. The ABT was next, and Jack dropped four targets to take him out of the running for first place. Mark Winser dropped two targets and another two on the English Skeet. It was getting tight with only one target in it between Richard and Mark. English Sporting was the final of the four disciplines. The first stand had a low crossing, curling and dropping orange clay followed by a quartering, going away target that appeared from the trees to the shooter's right. It was the crosser that was causing many contestants problems and Mark missed two of these wind-affected testers, to leave Richard King as double champion with the EO and BO all in one weekend.

### WORTH THE LONG DRIVE

I spoke to the double winner after the event and he told me: "I didn't think yesterday's score would be winning, but it won. I shot one more than yesterday, but didn't think it was going to be enough with the quality of shooters that are here, but it

held up, so I'm over the moon that I've done the double." He can now say he is six-time EO winner and three times BO winner. Richard was very keen to thank his sponsors Hull Cartridges and Blaser Guns for their support. What a weekend, and it made the drive up from Dorset to Yorkshire well worth the effort for Richard. Second place went to Patrick Dickman and third to Antony Dean

Rachel Carrie took first in the Ladies British Open and told me: "It's been a brilliant day – a much better day than yesterday. I can honestly say that there's only one clay that I've left out there." Congratulations to Rachel who has had a third place in the EO and first in the BO. Lucy Earl took second place again in the BO, followed by the day before's EO winner Kath Bright.

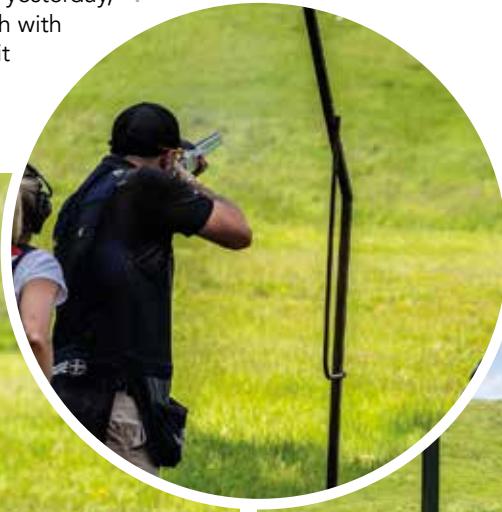

The North of England Clay Target Centre put on a very well-run event which was a great success and enjoyed by all.

# ENGLISH OPEN OLYMPIC SKEET

Held on 1-2 June at Doveridge. Report by CPSA Chairman **Dr John Martin.**

Barely four weeks after hosting the very successful English open Sporting, Doveridge was the venue for the English Open Olympic Skeet and final England team selection shoot on 1-2 of June.

With this being the final selection of three, with two out of three to count towards an England place, the turnout was slightly lower than would otherwise be expected with 29 competitors taking part. However, this proved no detriment to the quality of shooting and the closeness of scores at the end of the event. In conformance to ISSF specifications, the competition comprised 125 targets over two days. Two days in which the weather turned out to be autumnal on the first day and tropical on the second.

Only one target separated the top three Shooters

At the end, only one target separated the top three Shooters with Dominic Cooper taking High Gun on a score of 120, having shot 25-straight on his last round on Saturday and 25-straight on his first round on Sunday. Aaron

Eccleston was Runner-up on a score of 119 with Ben Cookson coming third Overall on 118. Ben, however, had the consolation of winning the Junior High Gun trophy, five clays ahead of Owen Lewis on 113, with Denzil Grose third on 111.

Ladies High Gun was taken by Bethany Norton on a score of 110, with Annabelle Lane and Sophie Langton entering a shoot-off for second and third place having both shot 99. Annabel was victorious after the shoot-off and Runner-up Ladies High Gun with Sophie taking third place.

## DELIVERS AGAIN

Unseasonal weather didn't stop competitors travelling from far and wide to compete for multiple trophies at this Northumberland favourite, as **Richard Faulks** reports.

**B**ywell Shooting Ground hosted the Dougall Memorial Trophy and the English Open DTL plus a host of other events between the 6th and the 8th of June. As one of Britain's most scenic shooting grounds, Bywell has expansive views up to the Cheviot Hills and the Northumbrian National Park, always making it a pleasure to visit.

The ground is well known for its fantastic gun shop and facilities and is a firm favourite for shooters of many disciplines. The three days of shooting started with the Sponsored Day, followed by the Dougall Memorial Trophy and culminating in the English Open DTL on the Saturday. The English Open and British Open Double Rise were also contested on 7-8 June respectively, but they will be covered in another report.

Bywell has hosted the English Open DTL for many years now with great professionalism and thought. A lot of contestants were using the event as a warm-up for the upcoming ICTSF World DTL Championships, which will be held between the 8-13 July. There was a healthy number of entries with shooters arriving from Scotland, Wales and Ireland to enjoy the many events. Browning, Eley Hawk Ltd and SWATCOM kindly sponsored the events.

### HIGH WINDS PROVIDE A TEST

The Sponsored Day was blessed with better weather than the practice day before, which had been plagued with heavy hailstorms which had everybody running for shelter. Wind was the predominant feature of the day of competition and in fact for the following days also. It was blustery,

with winds gusting up to 20-30 mph from the west and across the stands. This wind was making the targets duck and dive from one shot to the next. But as most contestants mentioned, it was the same for everyone and the cream always rises to the top. And it was Richard Greenlaw who conquered the tricky conditions to take High Gun with a 99/296. Second was Shaun Gardener followed by Stephen Petch. Ladies ▶

GG Day two at Bywell was again windy with some serious gusts that were affecting the targets as they had the day before. JJ

High Gun was Emma Holding-Hardy on 98/286 and second and third were Lorrie Greening and Olivia Stevens. There was a shoot-off for Junior HG which was taken by Ian Mills.

#### THE DOUGALL MEMORIAL TROPHY

One of the oldest clay shooting prizes is thought to have been first awarded in 1896. The Dougall Memorial Trophy is one that any serious DTL or trap shooter really wants their name engraved upon. Day two at Bywell was again windy with some serious gusts that were affecting the targets as they had the day before. Corey Doble told me: "You'd get one target high, one low and then the other way round. Tricky conditions." The chance of a 100/300 were looking unlikely and it was a question of who would have the best reactions to overcome the conditions and take the lead. Darren Murray posted a 99/294 which was matched by Richard Greenlaw. Neither score was good enough though to beat the fine effort by Daniel Beedan who managed to shoot a 100/298. This score held up until all the squads had finished their rounds and Daniel was the worthy winner on the day of the Dougall Memorial Trophy for 2024.

**Above Left:** Sheltering from the cold and wind.  
**Above inset:** Clay breaking.

**Below** Dougall Memorial Richard Greenlaw Runner Up, Daniel Beedan High Gun, Darren Murray Third.

The shoot-off saw Richard Greenlaw pip Darren for second place with Darren taking the final podium step. Ladies HG was again taken by Emma Holding-Hardy with 97/285, second by Gail Barclay and third by Jenifer O'Neill. The final scores show just how hard the conditions were and it looked like the weather was going to have an input on the final day and the English Open.

#### TOUGH CONDITIONS PERSIST

Saturday was windy again as predicted, and unseasonably cold but the sun did put in a welcome appearance. It felt more like a good April day rather than a day in summer. The contestants were now into their stride after the previous two days of competition and a practice day. A 'straight' would be a Herculean effort, but anything was possible. Nick Haley was in one of the first squads to shoot that morning. He was leading the running at lunchtime with a 100/299. Truly incredible shooting!

The next highest score was a 100/293 from Kevan Smith. It was going to be a long wait for Nick to see if anybody could match or beat his score. There were some big names out and it was anybody's guess what would happen. Shaun Gardener had shot in the early afternoon and his score of 99/292 was a sure sign the conditions were not getting any easier - in fact the wind had now picked up and was seriously buffeting the targets around in the open Northumbrian landscape. As more and more scores came in from the likes of Paul Chaplow BEM, Phillip Morgan, Richard Greenlaw and Corey Doble it became clear that a 'straight' just wasn't going to ▶

happen that day and Nick Haley's 100/299 became unbeatable, and stood up until the last cards were in. Nick was now the English Open champion and deservedly so. He told me: "I'm absolutely chuffed to bits. I shot the same score last year and came seventh, so you never know".

### NO SHOOT-OFFS REQUIRED

It was quite incredible that a competition with contestants of this calibre competing didn't require a shoot-off for any of the classes in the English Open DTL. But the wind played its part in that, and conditions were exceptionally challenging.

Sponsor Keith Foote from SWATCOM said: "It's been a great event, despite the weather being a challenge for the organisers and the shooters". Tony Bromwich from Eley said: "It's been three days of great competition, and it's been good to interact with shooters and chat with them and to see people out and pulling the trigger."

It was another fantastic event put on by the Henry family and their staff at Bywell and John Henry told me: "It's been the windiest competition we've ever had." Hopefully British summer time will make an appearance soon. ☀

It's been  
three days  
of great  
competition.

# ENGLISH OPEN AND BRITISH OPEN DOUBLE RISE

Held at Bywell Shooting Ground 6-7 June. Report by Richard Faulks.

**A**long with the English Open DTL, Bywell Shooting Ground hosted the English Open and British Open Double Rise on 6-7 June. It was a busy few days for the ground and staff, but they ran the event immaculately as you'd expect, despite very strong winds for both days. The EO DR was held on the Friday, and high scores were going to be very hard to find with the variable targets. The blaze clays were very unpredictable and strong gusts of wind pushed the targets from pillar-to-post. The difficult shooting conditions didn't dampen the competitors' spirits though and a good time was had by all. The sponsors were Browning, Eley Hawk and SWATCOM.

To keep the flow of competitors as smooth as possible, the format for the Double Rise was three layouts with 15 pairs on the first stand, 20 on the second and then 15 on the third. At the end of the day, it was Paul Chaplow BEM who rose to the top of the leader board with a 91ex100 which was just too good for anybody else to beat. This is now the eleventh time he's had his name engraved on the trophy, which is an incredible record! Runner-up went to Keith Blaney after a shoot-off with Kevan Smith. Both had scored 86ex100. Ladies High Gun went to Jenifer O'Neill with Sarah Milroy runner up and third to Emma Holden-Hardy.

Saturday's British Open started off with a relatively strong wind and sun, but the wind picked up throughout the day to a very strong wind from the west. With scores in from the first few squads, Nick McKeown was at the top of the score sheet with a 87ex100 and Chris Moule with a 85ex100 was in second place. Would the increasing wind strength stop anybody else getting close? Ian Mullarkey was out on the course and shooting on the layouts at the far end of the line where the wind was possibly strongest. Ian managed to pip Nick's score by one target to set 88ex100 as the score to beat. Paul Chaplow BEM was in the next batch of scores to be posted and he matched Chris Moule to tie for third place, and they were swiftly joined by Steven Janes for a three way tie and one guaranteed shoot-off.

After a tense wait for Ian Mullarkey, he was finally crowned British Open champion and considering that he shot in the worst of the wind, it was a

## Clay Pigeon Shooting Association

fantastic score! Congratulations Ian. Nick McKeown took Runner Up. The shoot-off for third place was very close but taken by Paul Chaplow BEM. Ladies champion was Jenifer O'Neill, runner up was Sarah Milroy and third place went to Caroline Whitehead.

Iain Parker from the CPSA told me after the event, "you were buffeted around while standing waiting. The wind pushed your gun around". The conditions were tough, but the event was a great success for competitors and shooting ground alike. A full list of scores in all categories is available on the CPSA website. 🎣

Saturday's British Open started off with a relatively strong wind and sun.

## ISSF WORLD CUP – SKEET

Baku, Azerbaijan, hosted the ISSF World Cup, with approximately 426 shotgun competitors from 51 countries.

Trap was covered in the June issue.

**Skeet Women:** Jess Burgess, Phoebe Bodley-Scott, Alexandra Hayman Joyce.

**Skeet Men:** Ben Llewellyn, Freddie Killander, Arran Eccleston.

Bronze for Ben Llewellyn, who shoots a Perazzi High Tech/Clever Mirage combination, shot a blinder in the qualifying rounds, finishing on 124ex125, two targets ahead of the field, which ranked him number one for the finals.

The finals were a struggle in the early stages, Ben explains: "I was caught out a bit by the light conditions especially on the left hand side of the range. I managed to adjust to suit the conditions which meant a good deal of training I had been working on with Per Moen and Richard Brickell was not as relevant due to the conditions, but they were not wasted as demonstrated by

the qualifying rounds results!

"It was good to come away with a medal after a struggle at the start of the finals, especially at such a crucial time of the year."

Ben Llewellyn is sponsored by Perazzi, Clever, Promatic and supported by British Shooting and UK Sport.

Congratulations to Seonaid McIntosh: Gold in the 50 meter Rifle 3 Positions Women.

## COMPACT EUROPEAN CHAMPIONSHIPS

The European Championships (ECH) were hosted at Clube de Caçadores do Porto, Portugal, with approximately 466 competitors from 29 countries.

(NC) = New Cap

### Team Members:

**Junior Bronze:** Charlie Faulds (NC), Teddy Taylor (NC), Troy Thornell (NC).

**Ladies Bronze:** Georgis Moule, Nadine Gilder (NC), Ellie Jones (NC).

**Veteran Bronze:** Robert

Clarke (NC), Adrian Balham, John Price.

**Senior Fourth:** Lee Fisher (NC), Anthony Dean, Paul Gillett (NC).

**Masters Silver:** Nickolas Williamson, Christopher Dennis, JRG Smith.

**Men Seventh:** James Bradley-Day, Jamie Brightman, Carson Revell (NC).

**Individual Medallists:** Tony Manvell Veteran: Gold.

The Junior and Veteran teams went into the last day in second place but both just lost out on the last day to settle for bronze.

The Ladies team maintained their third place throughout the four day competition for bronze.

Lee Fisher was leading the field in the Seniors, but, having shot 24's and 25's throughout the competition, a 20ex25 on the last day dropped him down to fourth by one target.

Tony Manvell, shooting a Ceasar Guerini Invictus Ascent, Teague Titanium chokes/B&P cartridge combination, battled with Veniero Spada (ITA) throughout, culminating in a shoot-off with Tony winning out at +21+5 to +21+4 after shooting 195ex200 over the four days of qualifying rounds. Tony is currently holding the 2024 European and 2023 World titles.

Tony Manvell: "The shoot was first class and ran very efficiently, with Jeri Tamas as the course setter."

BICTS Compak Director, Nick Adams: "The GB Teams consisted of nine new caps; COMPACT sporting shooters demonstrating the increased popularity and success in the discipline. It was a fabulous week of European COMPACT for team GB, where team spirit, support and commitment enhanced performance and made the competition very enjoyable, and now puts team GB in a strong position for the forthcoming World Championship Finale Compak Sporting in Hungary in August 2024." ▶

## ISSF EUROPEAN CHAMPIONSHIPS

The European Championships (ECH) were hosted at Lonato del Garda, Italy, with approximately 432 competitors from 42 countries.

### Skeet Women Jnr1:

Gold Maddie Russell, Sophie Herrmann, Phoebe Bodley-Scott.

**Skeet Men Team:** Gold Ben Llewellyn, Freddie Killander, Mitchell Brooker-Smith.

**Trap Men:** 2 x Silver Aaron Heading, Matt Coward-Holley, Nathan Hales.

**Trap Men Jnr Duet:** Bronze: Tom Betts, Leah Southall.

**Trap Women:** Lucy Hall, Maddie Purser, Abbey Ling

**Trap Women Junior:** Leah Southall, Hollie Lumsden.

**Trap Men Junior:** Tom Betts, Matthew Paley.

**Skeet Women:** Emily Hibbs, Alexandra Skeggs, Bethany Norton.

**Skeet Women Jnr 2:** Jessica Hambrook, Katy Essex, Sophie Langton.

**Skeet Men Junior:** Owen Lewis, Denzil Grose.

**Individual Medallists:** Maddie Russell: Silver, Skeet Women Junior.

Maddie Russell went into the Skeet Women Junior final when needing to finish with a 25 straight in the qualifying rounds to achieve a finals place. Ranked five after winning a two way shoot-off for the last two places, she took the lead at the first stand of the finals and maintained it throughout her battle with Arianna Nember (ITA) all the way to the last stand where she dropped the last target to give Arianna the advantage by one target. A very exciting final to watch.

Steve Scott (Scotty),

Olympic Bronze medallist, clay and game coach, qualified Mind Set Coach and Maddie's personal coach.

Post event, I asked Scotty where it all started: "October 2022. We shot a round of (Olympic) skeet together and then I was asked if I would give her some pointers and technical input and maybe help prepare her for competitions with the associated pressures. Over the years I have learnt there are a massive amount of similarities to double trap and skeet. and it's been a pleasure working with her ever since.

"I am immensely impressed with Maddie's exceptional work ethic, talent and time management, combining competing internationally and studying for a university degree in psychology. So, with that package, I have been very

honoured to help her in every step of the journey going forward."

There was a second medal for Maddie, along with team-mates Sophie Herrmann and Phoebe Bodley-Scott in the Skeet Trio Women Junior, where they nailed a brilliant gold beating Czech Republic 6-0.

Post event, Maddie commented: "Silver and Gold!!! wow what a great competition!

"It's immensely gratifying that the hard work over winter has paid off, now very much looking forwards to the rest of the season."

Freddie Killander shot a cracking 124ex125 in the Skeet Men, going into the finals ranked one, with Mitchell Brooker-

Smith (still a junior) also making the final ranked sixth, but sadly neither made the podium, but still a good result.

However, Freddie, Mitchell and Ben Llewellyn won gold in the Team event with their qualifying scores five targets ahead of Italy, no mean feat!

Nathan Hales just missed out on a medal in the Trap Men final after being ruled out for fourth on ranking number. But the consolation was silver in the qualifying rounds team scores, just two targets behind Turkey and one ahead of Finland – a close match. Two days later, they also took silver in the Trap Trio Men.

Tom Betts just missed out on a podium place in the Trap Men Junior, but made up for it with Leah Southall to win bronze in the Trap Duet Mixed Team Junior.

# WORLD SPORTING CHAMPIONSHIP 2024

English Sporting team manager, **Phil Easeman**, reports from the Beretta main event, held in Pennsville, New Jersey on 17-19 May.

**M**&M Hunting and Sporting Clays located in Pennsville, New Jersey, hosted the 2024 World Sporting Championships.

The ground was immaculate and the courses fantastic, a very busy ground with numerous competitions going on in the run up to the Main Event.

An England Team of 17 shooters including five New Caps, captained by Emma Stacey, travelled to USA to represent their country at this event.

Seniors: Samuel Ward, Martin Myers, Nick Hendrick, Timothy Webster, William Baughan. Ladies: Emma Stacey (Captain), Amy Easeman, Lara Dale. Juniors: Harry Dickens, Seth Peters,

Aaron Christie. Veterans: Mark Bowes, Matt Hance, Shaun Stacey. Super Veterans: Robert Palmer, Steven Whitwell, Glenn Hunt.

Congratulations to ESP England Team New Caps, Lara Dale, Glenn Hunt, Aaron Christie, Steve Whitwell and Seth Peters.

## FRIDAY 17 MAY – START OF THE EVENT

We were all looking forward to the Main Event over three days, Friday 17 May – Sunday 19 May 2024.

The England Team all shot quite well – albeit the first course being a hard course. There are three layouts in

all and the other two, although still hard, appeared to be just 'not as hard'.

The Junior squad of Harry Dickens, along with two Junior England New Caps, Seth Peters and Aaron Christie, shot brilliantly.

A few nerves kicked in on the first day but they got on with it and did well, we're all very proud of them.

Friday's greatest achievement for the England Team was England winning the Yanks v Brits competition. Congratulations to the

England Team as they are now established winners, having won this for the past two years which is the first time an England ESP Team have achieved this.

The England Team for this annual Yanks v Brits competition were: Martin Myers, Nick Hendrick, Sam Ward (Senior Team), Emma Stacey (Lady and Captain), Harry Dickens (Junior), Glenn Hunt (Super Veteran) and Shaun Stacey (Veteran).

## SATURDAY

If we were expecting glorious weather, we were very disappointed as Saturday was an absolute wash out, raining at the ground when we arrived at 8am and continuous rain until 2pm.

All the teams who shot the morning rotation got absolutely soaked. England scores were a little bit down, however spirits were lifted by two of our Senior squad, Martin Myers and Nick Hendricks, who ended the day both doing well.

## SUNDAY – THE FINAL DAY

Going into the final day of this Championship, the England Team shot well but the American Team were just too good this year. They took the Gold and England's Senior, Ladies, Juniors,

Veterans and Super Veterans Teams achieved Silver. Well done England!

I would like to mention and congratulate the following England WOESP team members for their achievements in other competitions held at M&M this week:

**Matt Hance:** First place and Champion – Caesar Guerini 12GA Event – Veteran. Second place – Caesar Guerini 12GA Event.

**Aaron Christie:** Third place – Kolar Super Sporting – Sub Junior category.

Fourth place – Browning five-stand – Sub Junior category.

**Martin Myers:** First place Briley 28 GA Sporting – Overall. Fifth place in Caesar Guerini 12GA Event – Overall.

**Robert 'Arnie' Palmer:** Second place in Browning five-stand – Super Veterans.

**Amy Easeman:** Runner-up in Caesar Guerini 12GA Event – Lady.

**Glenn Hunt:** Fourth place – Beretta Main Event – Super Veteran Category.

Congratulations and very well done to all the ESP England New Caps who all performed very well.

It was good to see a lot of Brits shooting at M&M Hunting & Sporting Clays this week and several Brits podiumed. Congratulations to them all, including George Digweed, James Attwood, Phil Gray and Elliot Grice who was third in C Class in the Caesar Guerini. It's good to see a lower-class shooter get on the podium.

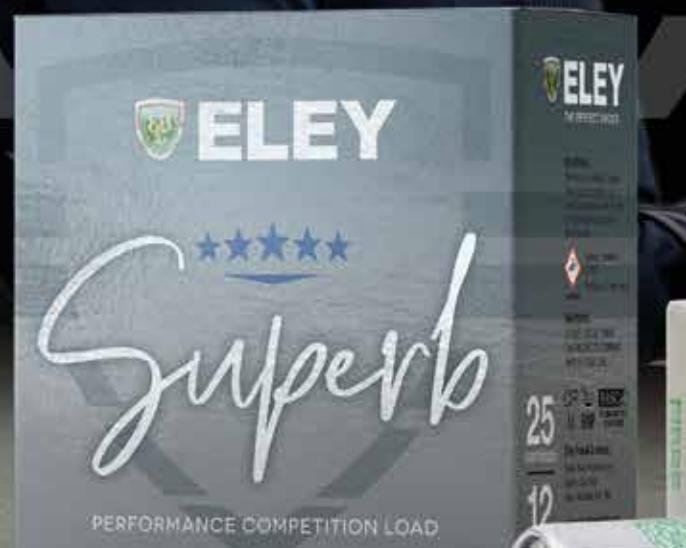

Many thanks to M & M Hunting & Sporting Clays for a great Championship. The organisation was fantastic, ground staff and office-based staff friendly and

helpful contributing to a really good atmosphere at the ground for the whole week.

Thank you to Team England, a nice friendly team who all worked well together, for a great World Championship and I am looking forward to 2025 WOESP Championships being held back in England. 🏴

THE PERFECT CHOICE

# MORE BANG

## FOR YOUR BUCK

Investing in a second-hand gun might enable you to afford something a little bit special and put a new slant on your shooting, as **Alex Sayer** explains.

You may have told yourself you don't need a new gun because you don't have the funds right now, or the only thing you want just seems like too much of an extravagance, but have you considered a second-hand gun?

If the latest, luxuriously appointed model is an unjustifiable expense or quite simply out of reach for you, there is a substantial saving to be had with a second-hand gun compared to buying brand new.

There are guns that catch our eye over the years, and you may remember some of these from their first release. So why not look out for them when they reach the second-hand market?

### USE A DISCERNING EYE

Before taking the plunge, run a discerning eye over all of the gun and one will soon pick up on anything out of the ordinary. The truth is, other than knocks and dinks, there really isn't too much to worry about when buying a pre-owned gun. And as long as you are buying from a reputable source you shouldn't discount the pre-loved option. Modern day over-unders are far more reliable than examples from 100 years ago, mostly because there's less to go

A second-hand purchase will allow you to not only get more for your money, but there's every reason to think it can reinvigorate your shooting.

wrong. And anything that does wear out - for example a firing pin - can be ordered online and fitted by your local gunsmith.

Do make sure you have a good look at the wood and do so in decent lighting to ensure there is no cracking near the head of the stock. Also be aware that what's included in the purchase will vary from gun to gun. For instance you may be a few chokes short or even a box, so it's best to ask that question from the start to avoid disappointment later.

If you do want to go down the second-hand route then you could use a little bit of the saving you have made on buying a brand new model wise on a little customisation to ensure the gun fits you. Or there may be a recoil pad which you favour above others. Finally, we mustn't forget that any gun will always benefit from a service.

### OPENING THE DOOR TO A NEW LEVEL

A second-hand purchase will allow you to not only get more for your money, but there's every reason to think it can reinvigorate your shooting. The guns below are some solid second-hand choices to enable you to shoot in style without breaking the bank.

These are just a few examples of what you can get from the big names at a few price points under £5,000 that I discovered during my research. I found some lovely examples but of course prices will vary, depending on age and condition. There is no guarantee of availability so you will need to keep scanning online market places - some might say that's part of the fun.

Taking the second-hand option might just open the door to a different level of shotgun, so good luck with your research and shopping. ►

## Target price: £3,500

### BERETTA 687 EELL DIAMOND PIGEON

Top of the list is this classic built on the ever reliable 687 action. This is an opportunity to own a flagship model at a fraction of the new price. I found a scroll version with fine full coverage, which really highlights the low profile of this timeless classic.

### BERETTA 694

For the same sort of price, you could get the latest club level sporter in the adjustable version. Beretta's 694 has really made an entrance on to the circuit, and we are just starting to see them enter the second-hand market. They don't hang around for long though, so if you want one then be prepared to be decisive.

### BROWNING B525 SPORTER GRADE 5

There are a few of the grade 5 Browning sporters around on the second-hand market now. Based on the 525 action, these boast detailed game scenes and much upgraded wood, representing two core benefits of a second-hand purchase - better wood for your money and better engraving too. Many include drop-points.

### BROWNING B25

If you're a Browning fan then there is a chance to own a true Belgian B25 at this price point. There are plenty of clean examples around, although most are fixed choke. This is a core model that has enjoyed a great deal of fame and is now available at an accessible price point due to its age. The action is the forerunner to the B525 and John Moses' crowning glory.

## Target price: £4,750

### BROWNING HERITAGE

I found a version of this fabulous sporter with a packed sideplate with game scene engraving. These guns are sleek, stylish and reliable with a durable finish on noticeably nice wood. A great choice for those wanting something a little different.

### BERETTA SO4

Part of the coveted SO range, this sought after sidelock is now available at an affordable price. Some have been Teague-choked and many are adjustable, meaning you can not only buy something special, but you can improve your shooting at the same time. I found a beautiful model at this price when I was doing the research here, and that's when I had to stop looking. 🌟

## Target price: £4,500

### BERETTA ASE

This is the model that famously won an Olympic gold at Sydney 2000 in the hands of Richard Faulds. The one I found was in black with gold detailing and highly figured walnut. Verging on retro, the ASE from Beretta is the genesis of the DT11 and a proven performer. There are some well looked after examples around.

### BERETTA DT10

Charming variations on the DT10 are beginning to float around a little more. This model sits between the ASE and DT11 on the timeline of release and some are fixed choke. High end versions of this desirable classic at this price point include the rarely seen delicate 'L' engraving and the EELL game scenes.

While clay shooting is often an individual sport, competing as part of a team brings a whole raft of different benefits, as **Anita North** explains.

**C**lay shooting is so often seen as an individual sport, and there can be a feeling that we are in this alone. But while it is clear we do often compete as individuals, we also compete in teams. There are lots of news items about inter-county competitions, national squad announcements and events across disciplines and, at the highest level, Great Britain selections. This summer will see the Paris Olympics and there will be competitors in clay

shooting from across the globe striving for the ultimate individual accolade - Olympic glory. But they will also be part of a team competing for position in the medals table and they will be representing the hopes and dreams of a whole country. This brings a whole new element of collective responsibility to competition and it's clear from the emotions often displayed by the winners (and losers) how important it is to be representing something more than the individual.

#### SOCIAL SKILLS

Do you have shooting buddies? Clay shooting is a great sport for a social, fun time with friends of all abilities and ages. Whether you are honing skills to be an Olympian or you just enjoy the fun shoot on a Sunday morning, things are good, really good, with other people around us.

Those friends can then become travel companions to try out new shooting grounds or enter a competition or two. Shooting in good company often enhances the experience, and it can provide the support we need to get us out and about and to try something new. In addition, our sport helps build friendships, because you get to meet new people and sometimes lifelong bonds are formed through a mutual enjoyment of clay shooting.

Those friends can then become travel companions to try out new shooting grounds or enter a competition or two.

**Above:** The England OT team at the 2022 Home International. **Left:** Sarah Milroy and her squad of DTL shooters.

## COLLECTIVE RESPONSIBILITY

It takes a team to help you develop in the sport, to hone your skills and to push you. I have been fortunate to meet a lot of shooters at different stages in their competition journey, and I have interviewed and written about a good number of top-level competitors. From all those conversations and from personal experience, one thing stands out – it really does take a collective effort to develop a successful competitor. The success is only the tip of the iceberg.

This team often includes coach, psychologist, physio, personal trainer, partner and family, friends, employer and sponsors. One individual's success is the result of the interactions and hard work of a whole team. The size of that team is a very individual thing, but trust me, there is always a team involved. The team may not remain the same through an individual's journey in this sport, but there will always be a team.

So just remember, you are not alone in your journey. There are always other people helping you in your story, even if you don't realise. It might be that your family are understanding of the time and dedication you give to your sport. It might be the time spent with friends to help you relax and unwind is invaluable to your success in competitions.

**Above:** The 2022 Home International OT Winning team, including five army shooters.

## A MATTER OF TRUST

When you go to practice or train, do you do it by yourself? How about getting together with others to share the experience? A training group can be of great benefit. You can support and challenge each other, bounce ideas around and give each other feedback.

What about going to competitions? If you have one or more fellow shooters to share the experience, you can help each other in what might be pressure situations.

I asked DTL shooter and England new cap, Sarah Milroy about her experience of going to competitions and shooting with a group of people (her 'team') and she said: "The best part about shooting with a regular squad is there is a degree of trust, so you know it's OK to put your gun down if it doesn't feel quite right and you don't feel as time pressured into rushing a shot, which can happen when you shoot with relative strangers. A normal shooting rhythm develops which allows you to work through your pre-shot, shot and post-shot routines without feeling rushed."

## BE A TEAM PLAYER

Have you considered going for a team place perhaps in a county team? You can set yourself the challenge of achieving

a team place and competing for glory as part of something bigger than the individual. Or how about an England team place for a Home International or other matches? Once in those teams, there is a bonding experience through the good times and the inevitable bad patches. Supportive team mates can often cheer you up after a disappointing performance, and maybe also bring you back down to earth if they think you are flying too high.

You never know, you might just surprise yourself at how much you enjoy the whole experience, and how it can benefit your shooting. It is very easy to stay in a bubble, but how can we develop if we don't give ourselves the opportunity to learn from others?

## REMEMBER THIS

This is a sport where it is worth remembering to embrace the power of teamwork and the fun, joy, and honour we derive from our involvement in something a little big bigger than the individual. So, if you have discovered this wonderful sport of clay shooting and have found that you are an ambitious competitor, or just want to hone your skills to the best of your abilities, then remember – teamwork really can help your dream work.

## BERETTA SL2

GUN  
- REVIEW -

**Mark Brown** reviews the new Beretta SL2.

**BERETTA SL2**

RRP £19,850

gmk.co.uk

It's been a long time since I've been aware of a "buzz" about a new gun launch but that all changed when the word got out about the new SL2 from Beretta. So, is the hype justified?

New guns have new features, some good some not so good but the SL2 is so much more than that. This is a re-imagination of the sporting shotgun and it is incredibly impressive. Design is always a subjective thing but I defy anyone not to look at the sleek design of this gun and not find it enchanting to look and then followed by a strong desire to pick it up and shoot it.

The most striking feature of the SL2 has to be the "sculpted" action which was designed to reduce the total weight of the action and also to ensure that perceived weight of the action is felt more at the base rather than the top. This design then flows on seamlessly into the stock and finishes just before the pistol grip. I've never seen a design feature like this before and I have to say that I really liked it. Moving

 The SL2 has a wonderful action which utilises the locking system from the SO10 model.

on to the action it's a very clever design that utilises a perfect mix between a matt, anodised metal type of finish designed to reduce heat glare and a highly polished chrome panel that wraps around the sides hugging the underside of the action and then comes up to meet the join of the action to the stock next to the top lever. The aesthetic mix of different metals into the sculpting of the stock and action is a beautiful ergonomic design. The top lever of the gun itself sports a wonderful design touch with the three tridents from the Beretta logo recreated in the thumb pad on the lever itself.

The SL2 has a wonderful action which utilises the locking system from the SO10 model rather than the more familiar cross bolt latch system used on the DT11 for example. It means that the receiver width is around 30% narrower but it still feels very substantial and offers

an amazing sighting view down the rib when mounted. Other notable features on the gun are the fluted fore-end design, newly designed Steelium Pro X barrels, adjustable stock, Microcore recoil pad and the most luxurious case that we have seen in a long time.

On to shooting and as expected the SL2 did not disappoint. This is an out and out competition gun and you can feel it. The balance is spot on, it swings effortlessly (even with 32" barrels) and it

is incredibly comfortable to shoot, the sort of gun that after a handful of shots feels like you have owned it for years. I have to be honest and say that there isn't a single thing about this gun that I didn't like – it's a work of art in both design and engineering and you have to credit Beretta for such outstanding product innovation.

We tested the Ian Coley's demo gun and Steve in the shop warned me "don't shoot it as you'll have to have one" sadly he wasn't wrong! Orders placed now are expected in November and Coley's have already placed a handful of orders from the privileged few who have been able to shoot it. It's not a cheap gun by any means but you get what you pay for and believe me this gun is worth it – hats off to Beretta on the SL2.

**Partners to be quizzed in new gun licence screening**

Five police forces across England and Wales are taking part in a trial called 'Project Titanium' and more are looking to adopt it. The partners of all gun licence applicants are being asked between eight and 30 questions for the first time as police seek to strengthen licensing processes. The five forces are testing a questionnaire designed to build a more detailed picture of anyone who wants to own a gun, with a particular focus on domestic abuse. This initiative has been developed with the help of domestic abuse survivors. It has already resulted in some applications being refused and existing licences being revoked. The Project Titanium questionnaire is not a legal requirement but applicants who refuse to engage or share their partner's details can face an automatic refusal. More than 5,000 applications have been subject to the additional questions since the trial began last year, and seven licences have either been refused or revoked. So far the feedback has been nothing but positive.

The Hereford and Worcester Helice County Championships, Inter-County Championships, and the West Midlands Area Championship took place on 18 May at Rugby Shooting Ground. A good entry on the day combined with good weather made for some high scores. After a very close contest Matt Pugh finished County Champion, Paul Colley Runner-up, and Fiona Reed winning the Ladies title. The area results required several shoot-offs, where Paul Colley secured Veteran Bronze and Fiona Reed took silver in the Ladies category. Unfortunately, in the Inter-Counties event we were unable to get into any of the medal positions. I would just like to say a big thank you to all who supported the team and to John Nightingale and Donovan Jenkin for hosting the event. Thanks to Matt Pugh for this report.

Our county ABT championships were held at Park Farm Shooting Ground on 26 May. Congratulations to Tim Smith, our County and Veteran Champion with 90, Runner-up Craig Miles with 85, and Ladies Champion Fiona Reed with 77. Thanks to all those who supported the event and Phil and the Park Farm team for perfect hosting.

The English Open Skeet Championships were held at the National Clay Shooting Centre over the 25-26 May. Newcomer to H&W, Lauren Oakes, put in an excellent performance having only started shooting Skeet eight weeks prior, to take second in C Class with a solid 94. One to watch I think!

Further afield our county is very proud to have so many accomplished shots. Our congratulations go to Dan Price, Chris Moule, and Jamie Marshman (New Cap), for qualifying for the 2024 DTL England teams representing England at the DTL Home International, DTL European, and ICTSF World DTL.

In Junior Trap, Tom Betts finished fourth in the European Championships final in Lonato and then proceeded to hold his nerve to take Bronze with Leah Southall in the Junior Trap Mixed Pairs. Tom has now also been selected for the team for the Shotgun Junior World Cup in Porpetto, Italy in July. Congratulations Tom!

And finally, huge congratulations go to Mitchell Brooker-Smith as part of the Lonato European Championships Men's Skeet team (with Freddie Killander and ▶

Ben Llewellyns). Their combined score of 365/375 took them to the top of the boards to take team Gold!

Do you look at these competition results and think you'd like to have a go at a team event? The West Midlands Clubman event is being held at Park Farm Shooting ground

this year on Saturday 28 September. This is a non-registered CPSA event for a team of 12 shooters to have a go at an English Sporting course. If you've not shot for your county before but would like to take part

please put your name forward to my email above or speak to Matt Pugh. We need a selection of shooters from C, B, and A categories who would like to have fun in a supportive team environment. In this case it really is all about just taking part and enjoying the experience!

Pictured is Dan Price with the Chris Bayliss Memorial trophy for DTL in 2023 which he took with a combined score of 590. This is a county award for the two highest Overall scores from three events (County, Area, and Inter-County).

#### 18 May: HEL Staffs County, WM Area and Inter-County Championship, Rugby & DTC

A team of Paul Bailey, Marcus Iddon and Richard Wright headed to Rugby for the annual Helice (aka "ZZ") Inter County Championship. This included the WM Area and Staffordshire County Championships.

Just like last year, it was a close contest between Paul and Marcus for County Champion. This time it was the former who took the title with 21ex24, ahead of Marcus on 19ex24 who was Veteran Champion. This also gave Paul the Silver medal in the WM Area, missing out to Warwickshire's Jonti Spilman by one target.

The combined scores of the Staffs team meant that we were tied on 40 with Warwickshire with the latter taking the Gold after a shoot-off.

The Cambridgeshire County 2024 English Skeet Championship was held on the weekend of 4-5 May and was probably the first weekend of the year when the weather was ideal i.e. sunny, dry, little wind on the Saturday, hardly any on the Sunday. The event was kindly hosted by the Priory Clay Target Centre at Sutton Bridge, Lincolnshire. Very good scores were recorded on both days by most participants, with A Taylor achieving the

### A first for Lea Marston

Early May and Lea Marston Shooting Club hosted the Warwickshire English Skeet County Championship for the first time. The event was great success and well supported with just a couple of places available on the day. In addition to organising the event, Matt Morgan became our County Champion with a tremendous 100-straight despite his attention throughout the day being on ensuring the smooth running of the shoot. Going out on the final squad of the day, he was accompanied by two new Colts, both learning to shoot at Lea Marston, and both taking part in their first ever Registered competition. Both of them – Logan Dawe and Lucas Heap – matched each other almost target for target throughout the four rounds of Skeet with Logan just edging the final result when the scores were added up.

Kane Lovell took the Colt County Championship while Alice Marks won both Ladies and Junior Champion. Veteran Champion was Paul Fallon and Matt Morgan with his 100 took overall County Champion.

### Regional Success at Helice

While the ESK was taking place, over at Rugby the Area and Inter-Counties Helice Championships were underway.

It's pleasing to report that following a shoot-off against Staffordshire our Warwickshire team of Jonti Spilman, Brian Ward, and Albert Williams secured the gold medals in the top county event.

Jonti Spilman also took the Overall and Junior Gold medals in the individual Area Championship. Brian Ward won Silver in the Veteran category and Meghan Ryan Bronze in the Ladies. Overall, a good result for Warwickshire and our shooters.

The Warwickshire ABT that was scheduled for 12 May at Rugby unfortunately had to be postponed due to a serious flood at Rugby that damaged the traps in one of the layouts resulting in replacements being required. This will now take place in August.

Skeet Doubles County Championship also took place at Cosford. Steve Lovell won Overall County Champion again with Kane Lovell picking up the Colts. Lady and Junior Champion is Alice Marks with Paul Fallon Veteran Champion.

### Coming up in July

Olympic Skeet County Championship at Cosford on Saturday 6 July. The Area and Inter-Counties OSC follows on 21 July at Gloucester. ABT Area and Inter-Counties takes place at Garlands on 14 July so we will be looking to make up a team entry for that. UT Area and Inter-Counties is at Rugby on the 7 July, again we will be looking to make up a team.

championship title with a fantastic score of 99, well done Albert. P Barnard took both the AA Class title along with the Senior's shield with a score of 97. P Cook achieved the Veteran's trophy with a 96. A Taylor featured again as a prize winner, lifting the A Class Trophy with his 99. B Class winner was Cambs CPSA Chairman Tim Jones who scored 96. C Class was won by T Randall with an 88.

The Lincolnshire Skeet Championship was also held on this weekend and the Bev Waller perpetual trophy was contested by both Lincolnshire and Cambridgeshire. Top shooters A Taylor, T Woodrow, and D Moore, with D Moore emerging victorious

after a tense shoot-off. Thanks very much to the Priory Clay Target Centre for an excellent shoot, all of the staff and the referees for a very well-run competition.

To top it all off for the Bank Holiday weekend, the Cambridgeshire Sporting was held at Sporting Targets on Monday 6 May. Good sunshine for most of the day and just a slight drizzle at the end of catching the last of the squads. Thanks to all the staff and referees for making it a successful day. Congratulations to H Dickens who was the winner of the Cambridgeshire Championship with an 89 and he also took AA Class and Juniors. M Stevenson won the Senior trophy with 85, M Bowes ▶

the Veterans with 83, L Stevenson the Ladies with 67, D Hewitt-Hulin A Class with 82, C Morris B Class with 76, and J Lewis C Class with 73.

As winner of the Cambridgeshire Sporting Championship Harry Dickens will be representing Cambridgeshire at the Champion of Champions Competition at the Game Fair at Blenheim in July. Good luck!

We were back at Sporting Targets on 19 May for the Cambridgeshire Sportrap. After a short spell of morning fog the sun came out to give us all a wonderful bright and sunny day, perfect for shooting

so we say. A great range of targets were before us, but the combinations made some more harder than they looked at first sight! Well done to all the competitors. Congratulations to Championship winner R Allen with a 91. Senior trophy winner was C Jarvis with 85, Veteran Champion was T Leonard with 80, M Allen won the Junior trophy with 78, and B Jordan the Colts trophy with 79. Congratulations to all the winners. Our thanks once again go to the scorers and staff at Sporting Targets for their organisation and help to make the shoot a success.

### 6 May: Bedfordshire Sporting Championship 2024, Sporting Targets

The County Sporting Championships were held at Sporting Targets on Monday 6 May alongside the Martin Soley Memorial Shoot. Shot over 13 stands from the plantation to the quarry, a tricky layout was set to see who would become County Champion 2024.

This year we had 30 Beds shooters with 11 Seniors, four Ladies and 15 vets. Scott Shuckford was the top Beds shooter with 88, Steve Leonard was Runner-up with 86, Andrew Clifton and Will Haupt were joint third on 84. Becky Clifton took Ladies High Gun on 83, with Chelsea King Runner-up with 75, and Ira Kirenska third on 69. Jim Munday shot

a brilliant 87 to take the Veterans title and he was second highest Beds score Overall, John Stanton was Runner-up on 83, with Bert Mason third with 86.

Thanks to you all for shooting the championship, it was great to see so many people at the shoot, see you at the Inter-Counties.

### Martin Soley Memorial Shoot

Martin was a well-known and popular shooter from Bedfordshire, shooting for the county at several events, so it's no surprise that the shoot was well attended from many shooters from Beds and out of the county. His wife Bet and brother Bob were here to share memories of Martin and a great picture of him with Ian Clifton.

Shot over the same course as the County Championship we had a good entry that took on the tricky set of targets arranged by Vince. Henry Collins was added to Martins Cup with his score of 95 taking

overall High Gun, thanks to all those who came along to remember Martin and shoot in his memory.

### 19 May: Bedfordshire Sportrap

### Championship 2024, Sporting Targets

The County Sportrap Championship was shot over 100 targets using four layouts, Clubhouse, Basin, 122, and Skeet. This year we had 12 Beds shooters with five Seniors, one Lady, and six Veterans.

Andrew Clifton & Bert Mason were Joint High Gun with 87, making them County Champions 2024. Steve Whinnett was Runner-up with 82, Daryl Vas was third on 74. Becky Clifton took Ladies High Gun on 80. Paul Burgoine took Vets High Gun with 82, Will Hiller was Runner-up on 78, and third with 68 was Ian Porter. Thanks to you those who came to shoot the championship, it was a good shoot with some tricky pairs, see you all next year.

### 19 May: Lincolnshire UT Champs, East Yorkshire CSG

The sun was shining and a good dose of the usual banter mixed with some particularly good shooting. We were missing half a dozen of our UT shooters unfortunately, as this event clashed with an ABT selection shoot, but the equally unfortunate situation at East Yorkshire CSG gave us no choice but to opt for this date.

John Winn started the day with a 25-straight followed by a 24, and although John maintains that the wheels fell off on the third line and he never really looked back, finishing on a final round of 24 to give him a final score of 94. This earned him joint High Gun on the day and the

Lincolnshire title for the eighth time.

Jackie Houghton was top lady on 81 – but more importantly this gave her the bragging rights in the battle of the Houghtons as both Marvin and Dale finished on 79.

Thank you to Rob and the team at East Yorkshire Clay Shooting Ground for a very enjoyable day.

### 24-25 May: Lincolnshire FITASC Champs, Orston SG

Twinned with Derbyshire and Nottinghamshire CPSA, Orston set challenging targets. 92 of them were mastered by Gary Taylor who not only took the Lincolnshire Championship, but B Class and Overall High Gun too.

Paul Zaitchenko claimed top Veteran with 85 and C Class, a score matched by Trevor Hawkins in A Class. Top scorer in D Class was last year's Lincolnshire Supreme

Champion, Robin Ley on 74. James Peatfield for the second consecutive year, top Junior on 68.

Thanks to all the staff and referees at Orston Shooting Ground for putting on a fabulous competition.

### 2 Jun: 100 ABT, East Yorkshire SG

For the second time this year we were treated to wall to wall sunshine – it is June after all...

Conditions were perfect, but 100-straight at ABT doesn't come along often. Everyone knows Jack Wilkinson shoots well, but no-one could quite believe their eyes as 25 after 25 started to appear on his scoreboard. Although there were two or three nervous second barrels towards the end, Jack held his nerve to put in that elusive 100, taking High Gun and the Lincolnshire ABT trophy. This is the fourth time Jack's name has appeared on this

#### 24-26 May: Euro Cash, Sologne SC, France

Congratulations to Sam Green who placed third in the Scratch category at this year's Euro Cash Competition which was held at Sologne Shooting Club. Well done also to Richard Bunning and Jake Moore who placed 21st and 23rd respectively.

#### 25-26 May: Cheddite Championships 2024, Barrow Sporting Clays

It was a race back to England to compete in this championship for some who had travelled to France for the Euro Cash. Sam Green, Karl Hagan, and Phil Gray tied at the top of the leaderboard with 115/120. A three-way shoot-off saw Sam score 20/20 to emerge the victor, but Karl and Phil had to shoot again to

decide the second and third places. Karl held his nerve to win second place with a score of 10/10. Congratulations to them both and to Mark Goddard first in AA Class and Charlie Soanes first in A Class.

#### 25-26 May: English Open English Skeet Championship, NCSC

Congratulations to Alison Coupe whose excellent score of 97 placed her Runner-up to Isabel Russell in the Ladies' category at the Clay Pigeon Shooting Association English Open English Skeet Championship, held at the National Clay Shooting Centre this weekend. A fantastic result against some stiff competition.

#### 2 Jun: East Midlands English Skeet Championship, Eriswell Lodge

Congratulations to Roger Fletcher who was the Overall Runner-up and also Veterans' Champion at the East Midlands Region English Skeet Championship with an excellent score and new personal best of 98. His title was well earned, as he successfully faced the challenge of a shoot-off for both the Runner-up and the Veterans' titles. This saw Roger and Peter Cook tied on 24 after one round, so it went to sudden-death pairs on peg 4, with Roger claiming the victory. Just one point behind Roger was Alison Coupe, whose score of 97 earned her the Ladies' Champion title, beating this year's EO ESK Ladies' Champion, Isabel Russell into second place. Another great result for Alison, whose lucky number must now be 97!

trophy, the first in 2012 when he won the Overall and the Junior trophy.

Another shooter who is no stranger to winning an ABT trophy is Jackie Houghton, who once again retained the Ladies trophy equalling her last year's score of 88 and taking C Class. This is the 13th time that Jackie has picked up this trophy since 2003.

John Winn started his campaign well, but was pipped by Dick Cooper by one clay for the Veterans title and B Class. John took A

Juniors have been elusive in the past; we were particularly pleased to welcome Jayden Wilson. This year Jayden lifted the Junior title with 79 and received 50 "Lucy" cartridges, kindly donated by Lucy Hall to be used for the benefit of Juniors.

Richard Hall completed the line-up of winners as his score of 81 took D class. Richard finished with a 25-straight.

Thanks to Rob Hall and the team at East Yorkshire for a well-run competition and for

making it an extremely enjoyable day. Congratulations to all the winners.

The competition season is underway now and there is lots to report. Before I do though, I am going to repeat that this year Junior and Colt shooters can enter the county competitions for free. All they need to bring is their gun and cartridges and the targets only entry will be free.

#### 11-12 May: Sportrap

The competition was held in conjunction with Oxfordshire and there was a good overall turnout for the two days. 34 county shooters entered shooting not only for the silverware but also a chance to win the 'If You're In: You May Win' random prize of 250 cartridges. At odds of 34 to one for a 50 shot competition it is tempting. Roy and Pete set an interesting range of targets with something to challenge everyone. Jo Smith was the Senior winner with a lovely score of 48ex50 a couple clear of his nearest rival Jeremy Baker who finished on 46. Mick Russell shot on the Sunday in slightly better weather and took the Veteran's title. Isabel Russell won the Ladies' title. The prize of cartridges went to Nigel Richards with his score of 36ex50. Congratulations to all. ▶

**25-26 May: Down The Line**

The weather for the bank holiday weekend must have put some shooters off for this competition because the entry numbers were down from the last two years which was disappointing as it was a chance not only for silverware but also this year the committee had sponsored it to be part of the 'If You're In: You May Win' prize draw series. None the less the shooting was good and Chris Boorman, a name new to these reports, took the Senior's title with a lovely score of 91ex100, and 268ex300. Veteran shooter Julian 'Taff' Williams took the title with 93. Sadly, there were no lady or Junior shooters in this competition. John Woolacott win the prize draw. Thank you to all those who took part and congratulations to the winners. In the wider sphere county shooters had success nationally and regionally.

**26 May: English Open Skeet**

Isabel Russell won the ladies title with a wonderful score of 98. This was one clear of her nearest rival Alison Coupe. Isabel also won a sponsored prize of 250 cartridges. This result gave Isabel a fifth place in the Senior title competition.

Sonny Bowman achieved third in the Junior category and Colt shooter Alfie Faulkner, shooting in what must have been his first national competition, just missed on a top three place. Wonderful results for everyone.

Julian Williams.

**2 Jun: East Midlands Skeet**

In what the meteorologists will probably call the hottest day of the year there was a reversal of the previous week's placings in the Ladies competition. Isabel Russell just missed out winning the Ladies title to Alison Coupe. Congratulations on the Runner-up medal. Sonny Bowman won the Junior category with a lovely 95ex100. Well done!

**Northants Award Evening**

Following the success of last year's event this is again being hosted at Overstone Manor. I know it is early for this sort of thing, but I thought it would give everyone time to put it into a relatively empty diary. This year it will be held on Saturday 26 October. There will again be food in the shape of a carving bap and the adjacent bar will be open. The price is again £10 per ticket, which those who went last year said it represented very good value for money. So open your diary, turn the calendar to October and ink it in before anything else gets put in there!

Championship, hosted by Nottingham & District Gun Club, was graced with the arrival of summer, lifting spirits and boosting scores. The atmosphere was lively, and the camaraderie among participants was palpable as scores began to appear on the boards. With full representation in the Veterans, Ladies, and Juniors categories, it was wonderful to see all divisions fiercely contested.

Young Joe Turner set an early benchmark with an impressive 100/296, maintaining his lead for some time. However, Allen Warren's remarkable performance, straightening the first three layouts and finishing with a 99/297, eventually claimed the top spot. Russ Hufton, despite a strong showing, ended with a 100/295, securing third Overall and second in the Veterans category. Gerry Stevenson rounded out the Veterans' podium with a commendable 99/288. In the Juniors, Joe Turner's 100/296 earned him the High Gun title, while Olivia Stevens took second place but triumphed in the Ladies' category with a 97/289. It was heartening to see the Ladies' places hotly contested, with Carole Reading taking second and Alix Gregory, fresh from Sporting, claiming third.

A heartfelt thank you to everyone who joined us and congratulations to all the winners. Special thanks to the Nottingham team for organising a fantastic event and to the sun for its welcome appearance throughout the day.

It's been a great few weeks with plenty of competition action and great events taking place. Here in Suffolk, it really feels that clay target shooting is going from strength to strength. We have three excellent grounds in Suffolk, that regularly put-on top-class events and provide excellent practice/coaching facilities. And, we have a fantastic group of Suffolk shooters, that are shooting locally, nationally, and internationally, to the highest standard in a wide range of disciplines.

#### **18 May: English Sporting Training Day, Eriswell Lodge**

Huge thanks to Aaron Harvey for coaching at our first Sporting training day at Eriswell Lodge. Aaron provided a wealth of knowledge to the Suffolk shooters that attended this event. It was so enjoyable to see the improvement, in each shooter's skills, as Aaron took the group around several stands. Massive thanks to Eriswell Lodge for hosting this event and making everybody so welcome. As this event was so successful, we hope to repeat this event in the future.

#### **6 Jul: FITASC Training Day, Eriswell Lodge**

Ahead of the 2024 Suffolk CPSA FITASC Championship, we will be holding a FITASC training day, on Saturday 6 July at Eriswell Lodge. Coaching will be provided by Mike Hermitage and this will be a great opportunity to learn about FITASC, and sharpen your skills, before the Championship on 14 July 2024.

#### **13-19 May: World Sporting Championships 2024, M&M**

It was great to see so many Suffolk, East Midlands and UK shooters competing at the 2024 World Championships at the M&M Preserve and seeing them put in some great scores and enjoying all of the Championship events. Clay target shooting truly is a global sport and it's good to see everyone gathering at these international events. Also, great to see Suffolk Junior, Seth Peters, gain his first cap in the England Sporting Team.

#### **30 May: Suffolk English Sporting Championship 2024, Barrow SC**

Some good weather welcomed the 202 competitors who took part in this year's English Sporting Championship at Barrow Sporting Clays – and using the excellent stats button on the CPSA Scores page, 160 were from the East Midlands region, with an average score of 73!

As expected, there were some impressive scores in all classifications. Will Page took High Gun and is the 2024 County Champion with brilliant 95/100, followed closely by Suffolk shooters Tom McGregor, Derren Burn, and Jasper Pearce, all on 93/100. Eric Chapman was Veterans Champion on 91/100 and Tina Henshaw was Ladies Champion on an excellent 81/100. Well done to everyone that competed and congratulations to Will and all the class winners. Our thanks also to all the referees and to Barrow Sporting Clays for putting on such a brilliant event.

#### **Future**

Over the next few months, there's still so much competition action to come in Suffolk. Please keep an eye on Facebook/Instagram for upcoming Championships.

In the longer term, I am pleased to say that I am optimistic about the future of clay target shooting. The future of any sport is secured by the younger competitors coming into the sport. Shooting is no exception, and I am pleased to say that in Suffolk we have some of the finest young shots around and their numbers seem to be growing. And that is good news for the future.

Will Page – 2024 Sporting County Champion.

Summer is now upon us, and the first Major National competitions have been held with the English Open sporting being one of them and some amazing scores from our Cornish shooters, well done all!

Over the May Bank holiday weekend at Landare Shooting Ground, the Cornwall CPSA would like to thank all who took part in the event plus the ground owners Dave and Lisa for hosting along with the volunteer referees to allow the event to take place. The Champion was Martin Elworthy with 91, Vets Champion Tim Manhire with 90, Junior Champion Aiden Scott with 78, Ladies Champion Emily Morden-Hawke with a score of 66. The event was well attended, and some fantastic targets set. Following this event, the scores have been updated and now on the Cornwall CPSA Facebook page with a link to see who has made the teams, please let the team manager David Johns know if you

cannot attend the Inter Counties at SW Shooting School on 14 September 2024.

We also had some great news with one of our younger members of the CPSA, with Denzil Grose getting a bronze medal at the 125 OSK Series at Fauxdeglia Shooting Ground. A great result for him and a stepping stone for the future events coming up in the summer.

Great news on the youth development day, which committee member David Johns is leading the way in arranging the event in the Autumn 2024. The committee would like to open up the chance to any business or members who maybe willing to help to support the day in anyway shape or form with sponsorship, that would be in cost towards the CPSA coach, clays, cartridges, or even some donation of drinks and refreshments to help make this day the best that we can to help promote and develop the youth in the way our sport would like to see it progress for the county in the future. If you would like to get involved, please contact David Johns and the committee on the Cornwall CPSA Facebook page or the Cornwall CPSA Website.

Our County Championships are now all well underway with both Trap and Sporting. Since our last report Richard King has continued his unbelievable form and commitment to all disciplines. Following his wins at County All Round and ABT, he continued to win the county UT Championship held at Brookbank on 14 April. To crown all those achievements, on 1 June Richard won the English All Round championship at the North of England SG, scoring 94/100. Following this magnificent achievement, on 4 July Richard won the British All Round championship. Surely there has never been a better All Round competitor in last 30 years in England?

Our Sporting disciplines kicked off with Super Sporting at Ham Cross on 6 May. For our first County Championship, Will Thatcher produced another excellent course for more than 100 entrants to enjoy. This time another well-known Dorset champion reminded us of the quality shots within our county. Stuart Rudling became Champion scoring 93, with Richard King 92 and Paul Thomas 91. Super Sporting is certainly gathering momentum across the shooting world and we look to the Inter-County Championships with strong competitors from our county.

Hopkins Estates provided a very welcomed sponsorship for our County FITASC, which was held on 10 May at Somerset Shooting Ground, Pilton. Hopkins Estates generosity will help ensure that our county teams are smartly dressed for the Inter-County Championships this year. Robin Heal and his team produced an excellent round of FITASC ending in a shoot-off for County Champion between Richard King and Sam Sawyer, both scoring 88 on the day. Following the shoot-off Richard took the championship, Runner-up

### Devon ABT Selection

Held at Bradford on 4 May with 16 Devon entrants. Devon results are First Ian Moore 98/100, Second Duane McCulloch 95, Third Graham Andrew 94.

was Sam Sawyer, Veteran award went to Andy Herbert-Smith 85.

Back to Trap and our OT Championship was held at Brookbank on 5 May. Ian Mulliner scored a very impressive 92 to win County Champion, Dean Webber took the Runner-up spot and Veteran champ on 83. With Dean Rickford close on his tail 82.

Our DTL championship was held at Fareham Clay Target Club on 19 May. This time a new name will be engraved on the trophy, our Vice Chairman Dean Rickford. Dean has put a huge effort into his trap shooting and has been justly rewarded, winning the County DTL championship with an impressive 93 (276 points) John Rutherford shot an excellent 90 (267 points) for county second. Gordon Greening took the vets trophy 91 (263 points), loosing Runners-up by the points score only. Lorrie Greening Ladies 89 (255 points).

There are plenty more championships and trophies up for our Dorset members to challenge for listed below.

#### Forthcoming Events

**Skeet Doubles, Fareham CTC**

A windy day caused havoc with the targets as the two undercover layouts greeted the five squads for this interesting discipline. No single targets – just simultaneous doubles – one pair per shoot station. Several Supreme Championship contenders were booked in, hoping to gain some points for the table. The wind did dash their hopes, past Champions Roger Deacon and Ron King, having the wheels fall off in their attempt to gain valuable SC points early on. Dave Lucas and Mark Pearce were the one's heading for the

podium with Mark's 86/100 just piping Dave's 81/100 to take the Championship title the cup, 250 cartridges and the INEOS 4x4 High Gun cash prize. Dave settled for the Vets medal and Jane King the Ladies.

**21 Apr: OSK Championship, NCSC Bisley**

Just a small turnout of 14 Hampshire members to the Bisley camp for the Olympic Skeet. Good weather helped another Junior take the Hampshire trophy and Junior's title and it wasn't Charlie Faulds this time, it was Sophie Herrmann who returned a great score of 90/100. The all-round shooter Dave Lucas returned a reasonable score of 64/100 as he like most that entered have only shot this discipline a few times but enough to take the Vets title. Paul Oldring who has shot Olympic Skeet for as long as I can remember returned with 78/100 to take the Super Vets Title.

Ben Foote had a great day and took the Hampshire Seniors title with 80/100. Sophie also qualified for the extra Championship prize this year as there was more than ten Hampshire entries, she received a slab of 250 cartridges for her efforts.

**Fareham CTC ABT problems**

It is unfortunate that the club seeking the perfect shoot event purchased and

changed their aging ABT traps for four very new Promatic traps. Recently the club's ABT events have suffered several trap break downs – either mechanical or electrical. The club's team of engineers and electricians that run the ABT and DTL layouts fix one problem, only to have their shooting day spoiled by a break down. This obviously spoils the day for all the ABT members and visitors from IOW and surrounding counties too.

They have now been in contact with Promatic who requested they send all four traps back to the Promatic workshops for a full repair and overhaul. The team send out their apologies to all those that have been affected. Fareham CTC wish to reassure everyone that the team at the club are determined to deliver a trouble free ABT shoot. To help make sure the day is not spoiled if a problem should ever occur in the future a spare trap will be positioned next to each layout ready to be swapped over with-in a very short time.

Joe Clarke from Berkshire excelled in the English Open Skeet at NCSC Bisley at the end of May. He scored 100/100 to join Kent Junior

Tristan Hockey in the shoot-off. Joe held his nerve with 24 to Tristan's 23 in the shoot-off in front of a good crowd on Sunday afternoon so Joe is English Open Skeet Champion for 2024 and Tristan is of course Runner-up and Junior Champion.

Also shooting well in the Skeet English Open were Kent's Jamie Brightman and Martin Brister from Sussex, both scoring 99. Please see the full write up and photos elsewhere in this issue.

Another Surrey Shooter performing at top level is Billy Greenwood. He won the Surrey Sporting Championship at Southdown and was also High Gun on the day from an entry of over 100. Hello Oxfordshire! Today the sun is shining, and we are halfway through the year already! Time flies when there is so much shooting to be done. The month of May brought us the following results...

#### Westfield SG

Well, what can I say? The 100 Reg ESP on 5 May was a day for Oxfordshire shooters. 172 shooters competed in Steve's early May shoot. It saw Julian Freeman come second in AAA Class with a brilliant 95/100. Jonathon Plant was second in AA Class having shot a very healthy 90/100. Steve Richards shot 90/100 also and that placed him

Second in A Class. I am leaving the best until last, having reported in last month's edition about the successful return to clay shooting by David McPhillips, he only went and shot an outstanding 92/100 to win B Class by a country mile! Very well done David, something tells me you will not be in B Class for much longer!

Staying with Westfield, the 100 Reg ESP on 19 May saw 155 shooters take part and I am pleased to report that Tim Thorne shot outstandingly well, 91/100 placing him third in AA Class.

The last 100 Reg ESP shoot of the month at Westfield was held on the bank holiday of 27 May. It drew in shooters from far and wide as 163 shooters enjoyed mixed weather. Julian Freeman shot his obligatory 95/100 placing him second in AAA Class. Third in AAA Class went to Steve Cox with a score of 93/100. Well done to you both.

**11 May: Surrey Olympic Trap, NCSC**

It was close at the top with Riccardo Verrilli on 80 just one target ahead of Rik Travers on 79. Just behind them in third on 76 and winning the Veteran's title was Brian Gardiner. Janine Travers is getting back to strength after a break for muscle/joint related surgery and took the Ladies title with 71.

**12 May: Surrey Helice, Invicta**

Another day and another Surrey title for Riccardo Verrilli who won the Helice Championship with 16/18. Steve Cole was in second place with 14 and wins another Veteran's title while Fergus Watson-Hopkinson was one point behind on 14. Keeping it 'in the family', Jo Watson-Hopkinson won the Ladies title with 11.

**27 May: Surrey English Sporting, Southdown**

The Surrey Sporting Championship was

held at Southdown in mixed weather conditions. Billy Greenwood scored an excellent 95 to take the Championship. Not only that but Billy was High Gun for the whole event of over 100 entries. Paul Poulter was in second place scoring 92 and third was Nick Carter with 90. Also scoring well were Chip Smith and Alex Cobb on 89, with Chip winning the Veteran's title. Cameron Cobb won the Juniors Title with 82 and Sarah White was Ladies Champion on 78.

**Surrey Supreme Championship**

Riccardo Verrilli is the new Surrey Supreme Champion! Riccardo picked up 30 points on the same weekend for wins in Olympic Trap and Helice and stretched his lead to finish 13 points clear on an impressive 94 points from seven events including outright wins in four disciplines.

Brian Gardiner was second with 81 points and wins the hotly contested Supreme

Veteran's title. In third Overall was Steve Cole on 54 and fourth was our Supreme Champion Lady Jo Watson-Hopkinson with 51 points.

Owen Lewis held on to top spot in the Juniors, but it is good to see that there were three Juniors in the points this year. Ben Wells was second with ten points and Cameron Cobb was third with six points.

The month of May's shooting started for them on Thursday 2 May. They had 143 competitors support their mid-week shoot. I am pleased to report that Oxfordshire's Christopher Goodman shot a very impressive 95/100 placing him second in AA Class. Well done Christopher.

Staying with Churchill's, they held their second 100 Reg ESP on 16 May. Again a mid-week shoot and yet again, another impressive turn out of 156 shooters. I am pleased to report First in AAA Class was Julian Freeman having shot 93/100, closely followed by Steve Cox with 92/100 placing him Second in AAA Class. Well done to you both. Oxfordshire's Graham Alder and Roger Carter both shot 88/100 placing them Second in A Class.

E.J. Churchill's final shoot of May took place on Thursday 30 May where 136 shooters participated. Bob Blundell took High Gun, having shot an impressive 98/100 closely followed by Julian Freeman with his 94/100, well done chaps!

**Rugby & District Trap Club**

Oxfordshire's ZZ Helice County Championship took place on Saturday 18 May. Thank you to John for hosting this event and thanks to the shooters who supported this event. Well done Pete Farrell for taking the County title, Joe Robbins who came second, and Tony Robbins who came third. It sounds like it was a very exciting event with sudden-death still not being able to separate the top two before finally, Pete Farrell hit a target and sadly Joe missed. It was the largest turn out for the ZZ

event that Oxfordshire has seen so thank you to all who supported it.

Oxfordshire's DTL County Championship was held at Northampton Shooting Ground, thank you to Martine for hosting it. Stuart King took the title having shot a very impressive 96/100. Well done Stuart.

My apologies for the absence of an article last month so I've tried to get two months into this one. Results have been coming in from home and abroad so read on for more details.

#### Compak

Will Fenner took the silver medal in the Compact Sporting British Grand Prix at E.J. Churchill on 13 April and placed first in A Class in the cash prizes.

#### FITASC

Kenny Bennett took the bronze medal in the Veterans Class at the FITASC Sporting British Masters on 20-21 April at Westfield Shooting Ground. He narrowly missed out on silver due to tying with Chip Smith and the positions being decided on countback. Kenny has also been selected to represent GB in the FITASC Sporting World Championship at Game Unlimited Hunting Club and Sporting Clays, Hudson, Wisconsin. Sussex resident George Digweed collected another cup and medal when he won the Seniors category at the FITASC Sporting Grand Prix in Hungary with 174/200.

#### 26 May: Skeet (non toxic shot)

Congratulations to Martin Brister who

shot 94/100 to take the county title at Kingsferry Gun Club.

#### 27 May: Side by Side

Held at Southdown Gun Club on Bank holiday Monday this was won again by Pete Goldsmith (88/100) who returned the trophy on his way in and collected it on his way out. Congratulations Pete, that's three years in a row now.

#### Helice

Five Sussex shooters were selected to represent GB in the 56th European Helice Championship in Portugal, they were Jensen King (Junior), Richard Cadey (Senior), Alasdair Williams (Senior), John Foy (Senior), Cliff Goodwin (Veteran). Congratulations go to Cliff for winning the Veterans category and taking the gold medal. He was also part of the Veterans team that took bronze, John Foy was part of the Seniors team that took bronze, and Jensen part of the Juniors team that also took bronze.

I'll finish with the usual appeal for reports and photos. There's a whole

county of shooters out there and a lot of competitions taking place so please don't be shy, let me know who you are and how you're getting on.

## ABOUT US

Conveniently located just 1 mile from junction 9 of the M42, our club is easily accessible from anywhere in the country. Since 1967, we have continuously enhanced our facilities. As one of the few lottery-funded grounds, we take pride in offering high-quality, welcoming amenities, including full wheelchair accessibility and all-weather shooting for most disciplines.

## NOISE & APPROVED BUNDS

Noise complaints have become a growing issue for shooting grounds across the UK, including ours. We are pleased to announce that after nearly three years of collaboration with our local council, legal advisors, and noise consultants, our noise attenuation bunds have been approved.

This is a positive step for both our club and our community, helping to reduce noise levels in the area. The bunds are designed to meet our needs without disrupting our current setup.

For more information or to discuss this further, please contact us.

## OUR GUN CORNER

Inside our clubhouse, you'll find gun racks showcasing a range of both pre-owned and new firearms for sale. We feature esteemed brands like Caesar Guerini, Fabarm, Browning, Beretta, and many more.

**Stephen & Son**, renowned gunmakers and gun dealer, are pleased to announce our appointment as the leading UK Caesar Guerini distributor.Please visit [www.stephenandson-gunmakers.co.uk](http://www.stephenandson-gunmakers.co.uk) or call 01525 643 387 for the latest **Caesar Guerini** stock, or to discuss your bespoke fitment and alteration needs for your shotgun.

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

# PARTING SHOTS

## MHAIRI-ANN TROUP

### Q When and how did you first start shooting?

I started shooting at the age of eight in the Scottish Highlands. I began with a BSA Mercury.22 air rifle, aiming at the base of spent cartridges. I loved how they pinged up in the air and I was immediately hooked! I had to stand on a milk crate to reach the bench that I used to lean on. The joy of hitting these at such a young age made me want to do more and I eventually became acquainted with shotguns. My father was (and still is at the age of 84) a keen shotgun shooter, so I had plenty of guidance and tuition from him.

### Q What do you enjoy most about clay shooting?

I love the feeling of smashing up targets and when they turn to dust. I love that shooting takes me away from any stresses in life and with four teenage boys, I can assure you it's very much needed. I really enjoy the numerous variables that mean

a target can be different each time you shoot it.

### Q What is your favourite discipline/competition?

I started Trap first and thoroughly enjoyed competing at County Level. I'd describe myself as an all-round shooter, as I enjoy Skeet, DTL, ABT, and Sporting. I'm thoroughly enjoying ESP at the moment as there are such a variety of targets with variable speeds. It's challenging to use different techniques to smash clays. It makes me engage my brain.

### Q Can you tell us a bit about the Dynamic Ladies Shooting Club and your involvement?

I established Dynamic Ladies Shooting Club as we came out of lockdown in 2020. I wanted to provide a route into the sport for women who found the shooting grounds a little bit intimidating. I wanted the club to be structured, to provide 1-2-1 tuition alongside arranging in-house

competitions to get Ladies, if wanted, used to shooting in squads and a competition environment. I encourage my Ladies to sit the CPSA Shotgun Skill Courses I offer. Teaching knowledge on Gun Safety and Gun Handling is the correct way to start your shooting journey and has been hugely successful with all my clients.

### Q What inspired the club and what events do you run?

What motivated me to start Dynamic Ladies Shooting club was continually hearing women tell me "I'd be no good at that" and hearing tales of their previous experiences, where poor tuition left them bruised and

reluctant to try it again. I was also inspired to do this having previously won Coach of the Year, while coaching around my regular day job away from shooting. I really wanted to start giving back to the sport. We hold quarterly 'seasonal' shoots, as well as themed shoots throughout the year (valentines, Halloween etc). We also have social events, where we keep the guns locked away, have a few drinks and a lot of laughs.

### Q How can somebody get involved?

To get involved please message or email me. My contact details are on the website [dynamicleadiesshootingclub.co.uk](http://dynamicleadiesshootingclub.co.uk) or on Instagram. If I'm not based in your area then I know enough superb Instructors that I can put you in touch with around the UK.

### Q If you could chose three people to shoot with who would they be?

Wow that's a difficult one! There are so many people I admire within the sport and to shoot with them all would be a huge honour! I'd say firstly my late Great Grandfather, who

my Father often tells me would have been super proud of my shooting. Secondly Rachel Carrie, who inspires me and I know we'd have a laugh! Last but not least my brother Scott,

as we always shoot well together and are hugely competitive against each other, so I've always got to up my game to beat him!

### Q If you could time travel, what advice would you give to your younger self?

I would tell my younger self to pursue a coaching career and start Dynamic Ladies Shooting Club at a much younger age. It's the best thing I've ever done!
