# WELCOME

JAN/FEB  
2025

**F**irstly, I'd like to wish everyone a very Happy New Year and good shooting in 2025!

We've got another busy championship year ahead with the return of the bi-annual CPSA World English Sporting championships in July at E.J. Churchills. This festival of shooting also includes the inaugural British Open Super Sporting and the chance to be the first British Open title holder in this relatively new discipline. All this on top of our usual full calendar of championships to look forward too!

We are back at the British Shooting Show on the 14-16 February at the NEC, Birmingham, so do come and see us on stand C13. We are also excited to be holding our annual CPSA Awards on 8 March at St George's Park, where we can recognise and celebrate our members achievements during 2024. We've had a record number of nominations, and our finalists have been shortlisted (see Clubhouse News) and voting remains open till 31 January via our website.

This issue is perhaps our most anticipated one of the year, as we feature our Top 20 honours across the many disciplines in our sport. I'm constantly amazed at how talented many of our shooters are, but also their dedication to the sport, travelling far and wide to compete, with sometimes just one point separating the top spot! Many congratulations from all at the CPSA.

Last but certainly not least, check out our extensive range of courses on page 10, if you are keen to expand your knowledge of our great sport this year.

## BRITISH SHOOTING SHOW 2025

We are excited to be back at the British Shooting Show in February. Do come and see us on Stand C13.

## CELEBRATING THE SUCCESS OF THE INAUGURAL CASTELLANI CUP

**O**n 9 October Barbury Shooting Ground hosted the inaugural UK Castellani Cup.

The event was completely sold out, with an outstanding turnout of participants and spectators, all eager to take on the challenging 100-bird sporting course designed by award-winning course setter, Josh Brown.

The atmosphere was electric as shooters of all levels competed fiercely for the prestigious prizes, including Castellani shooting vests, glasses, kit bags, and over £1500 in cash prizes. The Viking corporate lounge added an extra touch of class to the day, with exclusive Castellani product deals, free fittings, and advice available to all attendees.

We extend our heartfelt gratitude to the team at Barbury Shooting Ground, and the fantastic team of referees for making this event a resounding success. The prizes were top-notch, and the organisation was seamless, ensuring everyone had a memorable experience.

## CPSA CELEBRATES ELEY'S THREE-YEAR SPONSORSHIP RENEWAL

We are thrilled to announce the continuation of our partnership with Eley Hawk Ltd, renewing their status as one of our headline sponsors for the next three years, from 2025 to 2027.

With a rich history dating back to 1828, Eley is a renowned British manufacturer of premium shotgun cartridges. Their commitment to innovation and excellence has made them a favourite among our shooters, providing top-quality ammunition for all levels of the sport. The CPSA is delighted

to continue this collaboration with Eley, whose products have been integral to the success of many of our competitions and championships.

This year's Cartridges for Colts initiative, giving a slab of Eley Olympic Blues to each Colt competing, has been an outstanding success, helping to support and inspire the next generation of shooters.

Eley will once again play a key role as a Headline Sponsor for the upcoming 2025 World Championships, and also for our annual Major Championships, including the English Open ESP, the

British Open ESP, DTL weekend and ABT & OT Championships, while also supporting other key events in the CPSA calendar. Their involvement includes the provision of generous prizes for these competitions, reinforcing their ongoing support for the shooting community.

Iain Parker, Chief Executive of the CPSA, commented on the extended partnership: "We are proud to continue our partnership with Eley Hawk Ltd for another three years. Eley's reputation for quality and their passion for our sport makes them an ideal sponsor, and their support has been instrumental in elevating our championships and providing world-class competitions for our members."

## DOVERIDGE CLAY SPORTS UNDER NEW OWNERSHIP

It hardly seems possible that 26 years have passed since Steve, Sue and Clive Bramley took ownership of Doveridge Clay Sports. The ground has grown and undergone a lot of changes over the years under their careful watch and many a wonderful competition has been hosted including the highly successful 2024 English Open Sporting Championship. However, all good things must come to an end and Steve and Sue have taken the decision to take retirement to enjoy time for themselves.

So, what is to become of Doveridge? The Bramley's have taken the decision to sell the ground and the new owners will take control on 6th January 2025. Clive and his wife Louise will remain

working for the new owners, Syd and Amy Phillimore. Keen shooters themselves, Syd and Amy, are excited for their new venture and have plans to make Doveridge even better than it is now.

For the immediate future there will be little change at Doveridge. The ground will open under the new name of Eaton Hall Shooting Ground on Wednesday 8th January 2025. Opening hours will initially be every day from Wednesdays through Sundays. Fixtures can be found within the Pull magazine and on the new website [www.eaton-hall.com](http://www.eaton-hall.com). For the long term future expect to see a great deal of investment and improvement with new facilities and of course top class clay shooting.

## EVOLUTION AND ROYAL ARMOURIES RELEASE NEW SPORTS SHOOTING EYEWEAR SET

Evolution Eyewear, manufacturer of the UK's best-selling shooting eyewear, have joined forces with Royal Armouries (RA) to release Elite, a new five-lens interchangeable shooting eyewear set. With a history dating back 700 years, RA care for one of the oldest and most extensive public collections of arms and armour in the world, displayed at its historical home of the Tower of London, the purpose-built Royal Armouries Museum in Leeds and at Fort Nelson near Portsmouth. RA is a registered charity and has several collaborations with companies to create licenced merchandise – every purchase supports its mission to preserve its world-famous collections for future generations.

The new Elite model features a large lens with a 10-base curve for total eye protection and is loaded with features. The frame is made from lightweight but super durable TR90 nylon that will flex for comfort, and the lenses are made from Class 1 Optical Grade polycarbonate with full impact protection (complying with EN166F). All 5 lenses are UV400 rated for maximum protection from UVR. The lenses also feature hydrophobic and oleophobic coatings that repel water, dust, oil, fingerprint smudges and dirt plus an anti-scratch coating. Additional features include adjustable nose pads and cam hinges to the temples (for snap closure). Lens changing is quick and simple.

## DYNAMIC LADIES SHOOTING CLUB

For those of you not familiar with who I am and what I do, I am Mhairi-Ann Troup (nickname Mars), owner and head coach of Dynamic Ladies Shooting Club.

I launched the club in 2020 to provide a pathway into the sport for women who were otherwise reluctant to do so for a whole host of reasons.

Whilst there are a number of fantastic female shooting groups around the country, we are still fairly unique, in that alongside the fun group shoots and socials, I offer structured lessons, tailored to the individual. This means we now have members of all ages and abilities.

We have events in the diary throughout 2025, with more still to be added, including our five year birthday celebration. For a full list of what's coming up, please have a look at the 'Upcoming Events' page on our website, [dynamicladiesshootingclub.co.uk](https://dynamicladiesshootingclub.co.uk)

I am regularly receiving enquiries from women in all corners of the country, so going forward I will be looking to spread the club around the UK as a franchise. The model has proved hugely successful in the South and if implemented correctly, with instructors buying in to the DLSC ethos, there is no reason why the club can't be accessible for women everywhere in the coming years.

If you are interested in joining Dynamic Ladies Shooting Club, or know someone who you feel may like to use this platform to get into the sport or receive lessons, then you can contact me via facebook, Instagram, whatsapp - 07734 617512, or email me at [mars@dlsc.co.uk](mailto:mars@dlsc.co.uk)

We are pleased to recommend Shootcert as a medical report/certificate service for anyone having issues obtaining their medical report from their GP as part of their first application or renewal of their firearms or shotgun licence.

ShootCert.co.uk, founded by Dr Chris Garrett in 2020, is an online platform that offers a firearms medical report/certificate service for gun owners whose GP practice cannot help or charge an excessive fee.

Firearms medical reports are a Police requirement in the UK. Unfortunately, many GP practices cannot or will not engage in this process. For more info visit their website [shootcert.co.uk](https://shootcert.co.uk)

# 688

## NEW HEAVIER RECEIVER

The 688 Performance features a strengthened 680 style receiver which adds 55gr where you need it most, between the hands. Improved recoil management, stability and handling are all optimised. The anti-glare engraving on the top of the action aids your sight picture for all round visual awareness.

## NEW TOP LEVER CLOSING DESIGN

The opening lever and release pin have both been redesigned. This makes the gun easier to open, as well as giving a more premium feel when closing. It's perfect for new and competitive shooters alike, making every day at the range more comfortable and efficient.

## LAMINATE WOOD STOCK

The 688 Performance's black laminated wood stock offers a modern look, consistent weight, and enhanced weather resistance over traditional walnut. This delivers a durable, stylish and superior performance in all conditions.

## 688 STOCK, PALM SWELL AND B-FAST

The 688 Performance's thicker, ergonomic stock, inspired by the Beretta 694, includes a widened blade, extended pistol grip, and palm swell for comfort and stability. Enhanced checkering and surface area provide an optimal grip for superior control.

## STEELIUM BARRELS

Crafted from our unique tri-alloy steel is cold hammer forged and deep drilled. Our engineers cool, hone and polish the barrel for superior ballistic performance. Beretta's 500-year-old expertise ensures reduced felt recoil and minimises muzzle rise for better second target acquisition. Superb pattern performance is a given.

## ABT & DTL

John Leightley reports from Bywell Shooting Ground.

This year's ABT and DTL Inter-Counties were held at Bywell over two days. The first being the ABT held on Saturday 5 October with a poor turnout of shooters and teams being submitted unfortunately. It was a shame as Bywell hosted a great event, as always, and they brought some great weather with loads of sunshine. Durham (453) pipped Northumberland (449) for the Senior team event keeping the trophy for another year with Lincolnshire taking the Veterans and Ladies team events with no Runners-up.

For the individual categories, the following were the results:

Overall High Gun Jack Wilkinson 97, Overall Runner-up Alexander (Brewis) Gair 95, Ladies High Gun Dawn Breen 82, Junior High Gun Cory Doble 92, Veterans High Gun Alexander (Brewis) Gair 95.

The DTL was held on Sunday 6 October. Again Bywell brought some decent weather with some cloud cover but it stayed dry! Durham

(1,466) took the Senior team event for the DTL as well with Northumberland (1413) the Runner-up, with Lincolnshire taking the Veterans and Ladies team events. Cumbria took the Runner-up for Veterans.

For the individual categories, the following were the results:

Overall High Gun David Whitehead 100/296, Ladies HG – Caroline Whitehead – 93/271, Juniors HG Cory Doble 99/292, Colts HG Amber Clark 89/258, Veterans HG Marvin Houghton 99/294.

**John Martin** reports from Barrow Sporting Clays.

The 2024 national inter-county Sporting championship was hosted by Barrow Sporting Clays on the 12th and 13th of October. A total of 276 competitors took part. Contrasted with the previous year's turnout of 185 and a total of 104 in 2022, I think it's safe to say that this year's turnout marks a return to stability for the championship after a slow recovery from the Covid years.

117 Shooters turned out for the Saturday of the competition, which was squadded, and were rewarded by a relatively calm though overcast days shooting. Surrey shooter, Billy Greenwood headed the leader board overnight as the competition moved onto Sunday.

Heavy rain overnight disappeared early Sunday morning and all the

Shooters arriving for the second day were greeted with a bright and crisp morning, although there were serious indications that winter was on its way.

Unlike the day before, Sunday's shooting was not squadded, but the 159 competitors progressed steadily around the stands taking approximately two hours to complete the course. There were no queues or hold-ups, except for one trap breakdown which was speedily corrected. Although welcome, the bright October sun barely rose above the tree line making some of the stands more difficult to shoot than perhaps was the case on the Saturday.

At the close of play, the National counties championship title went to Suffolk on a score of 471 with Buckinghamshire taking the runner-up position on 450. The winning ladies team trophy, for the second year in succession, went to Cheshire on 171, which was exactly the same score they put in to take the title the previous year at Atkin Grant and Lang. The Buckinghamshire ladies followed their senior teammates by taking the runner-up position on 169.

The junior team trophy, again for the second year in succession, went to Lincolnshire on a combined score of 182 with the Suffolk Juniors taking the Runner-up place on 173. As a reward for their three hour journey, the winning Veterans team was Cheshire on a score of 181 with Suffolk taking the runner-up position on a score of 175.

Suffolk shooter Aaron Harvey was awarded the High Gun trophy on a score of 97 just holding his fellow Suffolk team mate, the 14 year old John Porter, into second place on a score of 96. Equally close

was the contest for Ladies High Gun with Lucy Earl taking the title on score of 89, whilst holding Amy Easeman to second place on a score of 88. Lucy returned the trophy for fellow Cheshire shooter, Laura Dale, who won it in 2023 and having brought it the three hour journey from Cheshire, it then accompanied her on the three hour journey back to Cheshire!

Suffolk shooter Will Page won the Junior High Gun on a score of 95, beating last year's winning Junior, Callum Burrell by three clays. Glen Boxhall held on to his overnight lead in the Veterans' category by taking that title on a score of 93. And finally, John Porter made up for his disappointment in losing the High Gun trophy by one clay, by taking the Colts High Gun.

I enjoyed the two days I spent at Barrow and the Lad was overjoyed with the jar of Gravy Bones he discovered stored, perhaps slightly unwisely, on the floor just inside the main club house door. Very many thanks to Ben and his team for a well-run and challenging competition. ►

Carl Smith reports from Nottingham & District Gun Club.

With being over subscribed for the Sunday, we opened the Saturday when to be honest the weather was so kind, warm with a gentle breeze and this was to be to the benefit of Yorkshire who posted a nice 478/500 for the Senior team win. Shooting on Sunday and taking second place, Essex put up a good fight and finished just four clays behind with a 474/500.

The winning Veteran team also chose Saturday with Derbyshire taking the win on 187/200 but the Runners-up Lincolnshire where just one clay behind with 186/200.

Essex had turned up to win and their Junior team took first spot with a combined 174/200 closely followed in to second place by Gloucester Juniors.

With a good turn out from different counties, the Ladies team title looked to be in the bag

for Derbyshire who had put in a respectable 176/200 on Saturday, that was until Cheshire arrived and posted 188/200 taking the top spot.

The individual

places were so close in every category and the Ladies title even had to be decided back on the layout with another round before the results were in.

Overall Match Winner Andy Parsons 99/100. Overall Ladies Isabel Cartlidge 95/100 + 23. Overall Veteran Andy Parsons 99/100. Overall Junior Ethan Lord 98/100. Overall Colt Arthur Cutter 87/100.

My thanks must go to Team Nottingham. They spent the whole day on the layouts providing some of the best targets you could ask for in the weather. The Referees did an amazing job as well as the runners, but also I must thank all of the team working away inside behind the scenes, especially Linda who has spent weeks chasing bookings, arranging and changing teams around for every county!

It is a thankless task, but Linda just gets on with it and we then move things around as much as possible to work with unforeseen circumstances like punctures on the way to the ground.

Congratulations to all of the winners and thank you too all of those that competed. Until next time keep getting out on the range and enjoying our sport. 🏹

# THE GOZO 200 DTL OPEN

3<sup>rd</sup> EDITION 16, 17, 18 MAY 2025

The Gozo Clay Target Association introduced DTL shooting to Malta in 2019 at the Ghajn Mhelhel Shooting Range in Gozo. Since then, local shooters have increasingly embraced DTL, moving from a single-machine trap setup. With its rapid growth in popularity, regular DTL competitions now take place, and record scores continue to improve.

A highlight on the DTL calendar is the Visit Gozo DTL 200, held at Ghajn Mhelhel Shooting Range. Over the past two years, this event has drawn top shooters from Malta and abroad, especially the UK. In 2025, the competition will run over three days, from 16th to 18th May, featuring 75 targets each on Friday and Saturday, with 50 targets plus finals on Sunday. The shooting ground will be open for training from Monday to Thursday of the competition week, with a night shoot competition set for Wednesday, 14th May.

The strong collaboration between the Gozo Clay Target Association and dedicated individuals like Mr. Paul Osborne and Mr. Martin Jeminson has been crucial in establishing this event. The competition has become a significant attraction, strengthening Gozo's reputation as a premier destination for clay target shooting, drawing both local and international participants.

Gozo was a fantastic shooting ground with testing targets and a beautiful Mediterranean Sea backdrop. The people were all so professional and friendly. It was fantastic to see such a love for the discipline of DTL out there, and I look forward to going out to another championship at that ground very soon.

**NICOLA HERON**  
CPSA Director

We managed to take 16 UK DTL shooters to the second edition of this competition and were able to field a UK Team that eventually won the team event. Everyone involved enjoyed the competitions organised. It was a pleasure to return to the beautiful island of Gozo for the second year of the Gozo 200 DTL and witness the enthusiasm for the discipline and the marked improvement in the standard of DTL shooting on the island, with Maltese and Gozitan shooters giving us plenty to think about for 2025.

**PAUL OSBORNE**  
UK Coordinator

Gozo is an absolutely wonderful place. The people are amazing and there is plenty of things to do. Joe Attard and the team, do a fantastic job, arranging the yearly competition and their hospitality is incredible! I have attended this event for the past two years, I've been lucky enough to win the event in 2024 and was runner up in 2023. In fact, I enjoy it so much, that I'm arranging my bookings for 2025. I would highly recommend this brilliant event and opportunity, it should definitely be one for people's bucket list.

# ENGLISH OPEN SKEET DOUBLES

CPSA Chairman **Dr John Martin** reports from Doveridge Clay Sports Centre.

**Above left:** Isabel Cartlidge, Becky Kibble and Alice Marks.

**Above right:** Dave Hendon, Peter Chester and Tom Clifford.

**A**s we've come to expect over this less than tropical summer, Sunday 8 September opened to, if not driving then, persistent rain. Despite this, 67 Shooters took to the field to contest the 2024 English Open Skeet Doubles at Doveridge Clay Sports Centre.

Peter Chester, the 2023 and 2022 champion put in a 99 mid-morning and then had to wait for the rest of the day to see if that was good enough to take the title for three years in a row. In the event, it turned out that it was, with Peter taking the

English Open Skeet Doubles title for a third successive year.

It wasn't all plain sailing however – Tom Clifford and Dave Hendon both shot an equally impressive 99 later in the day which resulted in a three-way shoot-off between those two and Peter. Unlike English Skeet, a shoot-off in Skeet Doubles goes straight to sudden-death with the aggregate score over two pairs to count. Tom Clifford was the first to bow out after two pairs with Dave Hendon pushing Peter Chester all the way but dropping one target on the tenth pair leaving Peter clear on 99/20.

The Ladies title was won by Scottish shooter, Becky Kibble, on 94 with Isabel Cartlidge coming a close second on 93. The Ladies third place was decided by a shoot-off between Alice Marks and Megan Jones who discovered, shortly beforehand, that her brother Callum had gone home with her gun in

his car! After trying several loan guns, Megan went out to the shoot-off for third place but sadly could not manage to overcome the handicap and Alice took third, whilst Megan went off to catch up with Callum!

The Junior High Gun title went to Gloucestershire shooter Liam Richings on a score of 98, with Isabel Cartlidge taking second place, and Kian Maher third. Sarah Peerless won the Colts High Gun with a score of 81 with Welsh shooter, Charles Cunliffe, coming second in the category.

Mark Davis won the Veterans competition on a score of 97, with Martin Fleming coming a close second on 96 and Gary Bridger third on 95.

Having been awarded the Overall High Gun and title, Peter Chester was, by default, removed from class, resulting in Dave Hendon being awarded the AA Class trophy. Welsh shooter David Tavernor Took the A Class trophy. Scottish shooter James Maclean was awarded the B Class trophy, and Stuart Duckett C Class. Disabled Sitting High Gun went to Ben Woodham on a score of 91.

As always, our thanks goes to Clive and the Doveridge team for, once again, organising an excellent championship. 🍀

Kevin Tyler made his way to the top of the field in the Senior category, beating his nearest rivals by one target. John Foy progressed well through the competition to put himself in the running for a medal, just missing out in his three way shoot-off for silver and bronze to finish fourth.

Having stayed in the top two through the competition, Steve Cole settled for the Veteran silver after a shoot-off against Aldo Vignoli (ITA).

There was a real tussle in the Master category, with only two targets separating the top 10, including five GBR contestants. The top four, including Jack Sparrowhawk and Andrew Oakey, were involved in a four way shoot-off for the top spots; Jack took the silver after being just edged out by Mauro Casalini (ITA) for gold. Andrew was just nudged off the podium, but had progressed well over the three rounds to achieve equal top score.

Having been in the running in the early stages, Howard Batt had one too many targets away in the last round to stay in running for a medal.

# DOVERIDGE CLAY SPORTS

It hardly seems possible that 26 years have passed since Steve, Sue and Clive Bramley took ownership of Doveridge Clay Sports. The ground has grown and undergone a lot of changes over the years under their careful watch and many a wonderful competition has been hosted including the highly successful 2024 English Open Sporting Championship. However, all good things must come to an end and Steve and Sue have taken the decision to take retirement to enjoy time for themselves.

So, what is to become of Doveridge? The Bramley's have taken the decision to sell the ground and the new owners will take control on 6th January 2025. Clive and his wife Louise will remain working for the new owners, Syd and Amy Phillimore. Keen shooters themselves, Syd and Amy, are excited for their new venture and have plans to make Doveridge even better than it is now.

For the immediate future there will be little change at Doveridge. The ground will open under the new name of Eaton Hall Shooting Ground on Wednesday 8th January 2025. Opening hours will initially be every day from Wednesdays through Sundays. Fixtures can be found within the Pull magazine and on the new website [www.eaton-hall.com](http://www.eaton-hall.com). For the long term future expect to see a great deal of investment and improvement with new facilities and of course top class clay shooting.

**W**e all agree that in our sport, preparation is the key to success. From mechanics to mindset, a shooter's pre-discipline decisions lay the groundwork for ensuring confidence and comfort. Why is it that footwear often gets overlooked then; despite it being the pivotal to all our community's experiences?

Let's face it. You most likely have your go-to shoes. That time-honoured pair you slip on without a second guess. But have you ever considered they might not be quite so deserving of your trust?

Enter the Chasseur by Le Chameau

– the world's leading Wellington boot Maison. Named after the French for 'hunter', the coveted style has grounded elite looks for well over half a century and remains a best-in-class option on any range today.

A classic since 1970, the Chasseur draws on Le Chameau's storied heritage of underscoring the noble set's outdoor pursuits. Skilfully crafted in the Maison's atelier by the hands of a dedicated Maître Bottier – or master bootmaker – each pair of the iconic style captures Le Chameau's unwavering dedication to refinement.

## MADE WITH YOU IN MIND

Designed to withstand the rigours of hunting and shooting sports, the Chasseur's distinctively angled topline enhances mobility, while its dual-density sole offers unparalleled comfort and support on an array of terrains.

## AMY EASEMAN 1ST LADIES ESP

2024 has been a year full of highs and lows – of course there is things to work on and hope to come back stronger next season, but also lots of positivity and constructive points to take from this season.

I was particularly pleased with my results in this years Compak

selection shoots, winning all four BICTSF qualifiers in the Ladies category.

In 2025 I'd love to have a podium finish at a few majors and keep consistency high in my regular performance.

My top tips would be to enjoy it what you do.

Clay shooting is a hobby for most of us, so it's so important to have a positive environment around you. Passion, determination and practice will give you the results you want.

I'd like to thank my very generous sponsors Browning, Winchester, Ed Solomans, Ed Lyons Sports Consultations, Promatic traps and EJ Churchill Shooting Ground for their continued support. And of course my Dad, Phil Easeman for karting me all across the country and world.

## DANIEL PRICE 1ST OVERALL DTL

I'm buzzing about my results this year – it's another goal ticked off the list and after a very rocky spell mid-season I'm over the moon with this result.

I had many high points throughout the year, including breaking a few more 100/300's to add to the tally. I qualified in top spot for the Home International, European, and World's team. The highlight though was shooting my first DTL World Championship at Bywell shooting ground, coming away as Runner-up after a shoot-off for world champion. This was a huge achievement and one I'm really pleased with. My goals for next year are going to be working on being more consistent and confident than I've ever been.

I'd like to thank my sponsors Caesar Guerini (Anglo Italian Arms), Gambore Cartridges, The Shooting Sock Company and Park Farm Shooting Ground who have played a big part in my success.

I would also like to thank my family, friends, Holmes Chapel & Fauxdegla Shooting Ground who help support and encourage me in every way they can.

## MATT PANTER 1ST OVERALL ABT & UT

I'm over the moon with my results this year, 2023 was one of those years for me where I shot ok but wasn't quite where I wanted to be, so to have put the work in over the winter and to then have the 2024 I have, I'm extremely pleased.

There's a few high points I'm really please with – winning the British Open UT at Fauxdegla back at the start of the year in some awful weather conditions and to go on to win by ten targets was a very enjoyable result. Then there's the ABT Home International to win that for a second time against a strong field certainly made me smile, however I think retaining the World Open ABT for the third year running at Fauxdegla has to be the highlight against 24 squads and after a long shoot-off with Malcom Graham from Ireland that has to be the one.

I've started planning for 2025, and I have highlighted certain shoots to try and peak at domestically including the English Open ABT, World Open ABT and the HCIT ABT. However I'd be lying if I didn't say the European and World UT aren't on the list, so plans are just getting into place to get to those events on form and at my peak. The other goal for 2025

is to continue enjoying my shooting as that's a massive factor that contributes to good results.

My top tips would be to surround yourself with good shooters, a coach and people who want to see you shoot well and achieve success as they will keep you driven, competitive and focused when you need it. Also make sure you have faith in your equipment and gunfit, that way when you're on the range the only thing you have to focus on is breaking the clay, and enjoy it!

I have to give a massive thanks to Rob Hall, late in 2023 he offered to help me get back on track and worked with me over the winter to iron out a flaw or two that had developed along with being at the end of the phone all year to give me a push when I needed it and also knew when to keep me focused, without him this year wouldn't have been anywhere near as successful. Then I'd like to thank Caesar Guerini, Swatcom, Baschieri & Pellagri UK and Park Farm Shooting ground for their continued help and support. There's plenty more I could thank but we would be here all day as I've got some great people around me and in the background.

**Gun:** Caesar Guerini Invictus Ascent 30"  
**Ammo:** Baschieri & Pellagri F2 Flash 24gram and 28gram

## MEGAN JONES

## 1ST LADIES ESK

I am feeling positive about my results this year and ready to work hard over the winter for next year's competition season.

I am very pleased to hear about being ranking first in Ladies English Skeet this year as my averages are something I'm always trying to improve. My goals for next year are to be in the 2025 England Ladies Team for English Skeet, and I am always hoping to be ranked somewhere in the major championships throughout the year. My top tips would be to work hard under the guidance of a good coach, keeping on top of your gun fit and celebrating your losses as well as the wins as there's always something to learn from.

I would like to say a huge thank you to my sponsors Eley Cartridges for their continued support, not just a fantastic product, but I couldn't be where I am without the support of their brilliant team. GMK Ltd have always been very supportive and I am thankful

for my amazing Beretta which has never let me down. I would like to also thank my coach, Allen Warren, for his continued guidance and dedication to putting up with my brother Callum. Would like to also mention my local shooting grounds, Nottingham & District Gun Club & Lea Marston Shooting Club, for continually promoting Skeet as well as a few special individuals Julie Havil and Colin Taylor. Thank you my boyfriend, Henry, and my brother, Callum, and of course my loving and forever supporting Mum and Dad.

## ANDY MOON

## 1ST OVERALL SUPER SPORTING

I have been really pleased with my scores this season especially in the veteran category. The quality of the Veteran class is outstanding. It was a particular pleasure to be in the shoot-off for Veteran High Gun at the British Open especially as I was contesting first place with George Digweed! I just missed out by one target and won the silver medal. Still a great result considering the standard is so high.

Looking forward to 2025 I hope to still be able to shoot to a high standard at the majors and fingers crossed would love to be placed. A place in the England Team would also be an aim.

Gun: Miroku

My top tip for up and coming shooters is to never give up. With

dedication it will pay dividends in the end.

Special thanks must go to Eley for their continued support with my Superb cartridges. The Superbs seem to suit my Miroku 3800 well.

Also I must thank the shooters that I travel with through the season. They know who they are!

## RICHARD KING

### 1ST OVERALL ALL-ROUND

This year has been one of my best, my highlights include winning the English and British Open All Round Championships and qualifying for the England team, where I won team and individual Veterans. I also

Gun: Blaser F3 Pro  
Ammo: Hull Cartridge Pro One

won four county titles and Runner-up at the Blaser cup.

My goals for next year are to continue to compete and improve as much as I can at as many championships and disciplines as I can.

People in lower classes seem obsessed with their personal bests' and averages, so my advice would be to try and shoot at as many grounds as you can, and maybe try some different disciplines every so often.

I am very lucky to have some great sponsors, my gun is a Blaser F3 PRO which is fantastic all round handling gun and my cartridges are Hull Pro One.

I would like to thank my sponsors, Hull Cartridge and Ian Mulliner. I have been a team Hull shooter for 22 years and Ian Mulliner (Mulliner Guns) has helped me enormously over the years with servicing my gun.

## MARK WINSER

### 1ST OVERALL SPORTRAP & FITASC SPORTING

I'm always happy with my year if I can look back over it and feel I've given 100% at my performances at Major champs etc. For me nowadays I'm unphased how I perform at Sunday shoots as to me it means nothing anymore to just win a High Gun on a weekend purely as I've competed for so long and the hunt for the major titles is the only thing that really satisfies me! So you could say I use "Sunday" shoots as practice so I'm ready for the majors.

I think 2024's high point was the English Open at Doveridge. I was very happy with winning it for the fifth time in my career and was happy with shooting a record number at that event of 119ex120. I have a habit of liking to know what scores are in as I see it as a real challenge to go out work to my maximum to beat it. I'd put that performance down as one of my all-time highlights.

My goals are the same every year – I never really set them as every competition should be treated the same in a way in terms of work ethic, preparation, and drive to win the majors. If you can win just one major every year then it's a big achievement as the talent pool now worldwide is just insane. It's so close at the top so you have to learn to be ok with the days that somebody will just shoot better than you and you can always hold your head high if you feel you left nothing out there – that's the beauty of sport!

Shooting is a very tough sport and it's something you have to put so much time and

effort into to get to a good standard! There's nothing wrong with shooting just for the enjoyment of breaking clays however if you want to take things to the top level it take a lot of grit, determination, and time, something we can't buy so we have to do the hard yards and make sacrifices and not many are prepared to do that. Nobody in any sport who's at the top of there game got there quickly or by accident.

I am sponsored by Krieghoff, Gamebore, Pilla, Promatic. All of my effort and victory's are possible by these great company's

that have helped me over the years and stuck by me – I'm forever grateful. I'm a very loyal person as these are the company's that have worked with for so many years now and I strongly believe that is part of success also.

If you believe in what you use and you don't go hunting for the "deals" this will only help your confidence as you have to be happy in all areas of your game – mentally if I'm using something I don't really believe in then it's never going to work.

## LAPORTE EXCELLENCE SINCE 1927 A FOUNDATION OF FINANCIAL STABILITY

### 2027 Laporte Almost a Century of Dedication to Clay Target Shooting!

The Laporte Group has become the definitive benchmark in the manufacture of targets and launchers, servicing international federations, shooting clubs and individuals around the globe. Our dedication to advancing the sport, ensuring the success of our customers, and fostering innovation has cemented our reputation as the preferred supplier for thousands of customers worldwide including numerous major event organisations and supplying 10 Olympic Games with our traps, clays and technicians.

### A Robust Financial Backbone

The strength of our group, built on significant assets and substantial reserves, reflects our stability. This solid base enables us to sustain large-scale operations and ensure the continuity of our services. With daily production exceeding 1.7 million targets, spread between our French factory in Normandy (3 hours from London) and our facilities in the United Kingdom, we guarantee a continuous and reliable supply to our customers.

### The Excellence of a Family Enterprise

As a fourth-generation family business, we prioritise long-term partnerships over short-term gains. This philosophy has allowed us to make strategic investments in quality and worldwide customer satisfaction, driving constant performance improvement.

### Proven Resilience

Laporte's long history is marked by an extraordinary ability to overcome challenges. Our resilience shone through when

we emerged successfully from Chapter 11 in 1996. Whether faced with international crises, economic challenges, or natural disasters such as fires and floods, we have not only survived but thrived, turning each obstacle into an opportunity for growth. This resilience has been demonstrated through well-timed strategic acquisitions and unwavering support for our partners.

### Innovation at Our Core

At Laporte, innovation is embedded in our DNA. Our annual investment of over €700,000 in R&D underscores this unwavering commitment.

Our legacy is defined by groundbreaking innovations: iconic targets such as the Midi, the Mini, the Battue, and the Flash – the latter instrumental in maintaining the presence of clay target shooting at the Olympic Games. Pierre Laporte, a visionary pioneer, revolutionised the industry by industrialising target production. His ingenuity extended to the installation of the first towers in Portugal in 1968, some of which, equipped with the Multitrap, are still in operation today.

He was also the inventor of the voice-activated release mechanism, the Skeet 1000...

### Vision for the Future

Under the leadership of Jean-Michel Laporte and his son Thomas, the company continues to innovate and push the boundaries of what is possible.

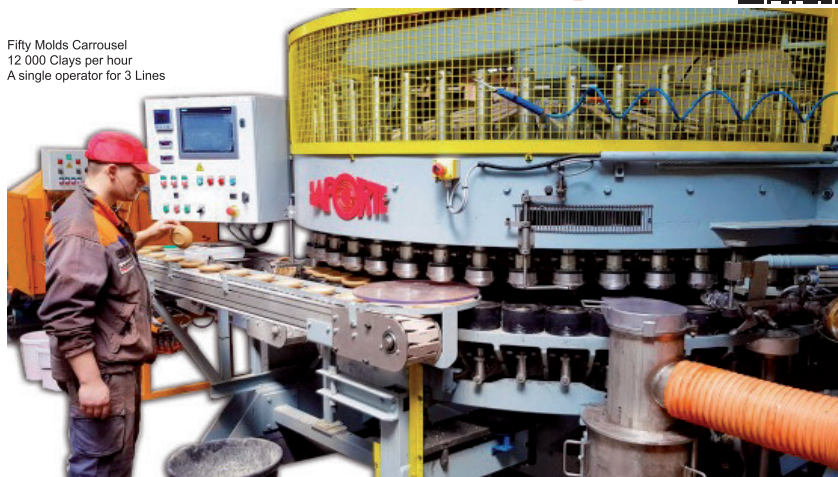

Their advanced technologies are redefining the standards for launchers, delivering unprecedented performance: more precise, longer-distance, and more reliable launches with a significant reduction in no-birds.

This new generation upholds the family legacy while propelling the company toward new technological horizons.

# NO MATTER THE DISCIPLINE

Ryan Willey discussess Beverley Shooting Ground.

## Q When did the ground open and what makes it special?

**A:** There has been a shooting ground at Bygott Wood since the early 1960's, over the 60+ years the ground has passed through a number of tenant custodians. Denis, Ryan and Calum Willey are the latest family to take care of the 40-acre ground nestled in the East Yorkshire countryside. Opening our doors in July this year, we have set out our stall as a 'home for all shooters' - this is what makes Beverley & East Yorkshire

Shooting Ground special - an all-inclusive ground, welcoming beginners, national champions, world class shots and Olympians. The ground has become our home and we extend that to all shooters.

## Q What disciplines/facilities/events do you offer at the ground?

**A:** Our ground offers disciplines for all, Olympic Trap, Universal Trench, Automatic Ball Trap, Down the Line, English Skeet, Olympic Skeet, Compact Sporting, English Sporting, Single Barrel, and All Round. Although we are more trap focused than other grounds, October saw the installation and recommissioning of the high tower featuring a fully motorised adjustable target - perfect for the game season.

We offer individual and group tuition, registered competitions, corporate events and team building days.

Our Club House features our retail area, offering cartridges, shooting accessories, clothing and gifts from local businesses. Shooters Rest is our cafe,

which offers a breakfast and lunch menu seating 30 indoors with additional seating on the terrace. Our function and board rooms are available to book for events and conferences. Our board room seats 14 with full conferencing facilities and catering packages available.

## Q How has the ground developed and what are the plans ahead?

**A:** We have seen a full installation of Promatic Traps with Progetti control systems throughout the ground

since opening, with further additions planned for 2025. Over the winter we will see the installation of touring caravan pitches allowing our shoot and stay weekends to begin in the spring. Our new e-commerce website launches in November featuring an online booking system, online shop for all shooting accessories and an interactive fixtures calendar.

## Q What's the Clay shooting like in your area?

**A:** There are a number of great sporting and trap discipline grounds in the North of England. However, we believe we sit in a unique position for the Midlands, North of England and Scotland to be able to offer such a wide range of disciplines at one ground, with covered layouts.

## Q Have you got any events planned for 2024/2025?

**A:** We will be shooting a registered competition every weekend we are open from now on, including our Winter Series for DTL, ABT and UT. We are also holding a Festive and New Year's Day shoot on New Years Day. We are

“ We will be shooting a registered competition every weekend we are open.

hosting a number of the CPSA North region championships and look forward to further events at the ground for the 2025 calendar. ”

# YORKSHIRE GRIT

Despite many years away from clay shooting and a recent battle with cancer Kath Bright still loves competing and has plenty of ambition left, as **Anita North** reports.

**Q**uietly spoken Kath Bright is a well-known face in British trap shooting. Over the span of her career she has amassed a plethora of medals and trophies. Her story is one of determination and perseverance.

**Left:** Kath and Sue Bate.  
**Below:** Kath loves shooting abroad.

Wensleydale born, she grew up with a father who was passionate about rough and clay shooting, particularly DTL. Her own clay journey started when she was 14, and it was soon clear she had inherited her dad's passion for the sport. She soon started on the DTL circuit and saw success, collecting titles along the way. It was during these early years that Kath tried OT and competed in some of the GB selection shoots, narrowly missing out on a GB place.

However, life moved on, and she gave up clay shooting in 1990 - falconry took over for a while and then other work. She moved to the Isle of Wight to work at a zoo. Later she worked for a hospice charity becoming the retail manager. Now, once more in her beloved Wensleydale, Kath is doing a job she loves - facilities manager for a Harrogate hospice charity with responsibility for a team that look after care and retail premises.

## BACK ON THE CLAYS

Her interest in clay shooting was rekindled in 2011. While living on the Isle of Wight she went to watch lots of sports in the Island Games and her interest in clay shooting was reignited after seeing the results from that event. She started shooting again in 2012 using the gun her dad gave her in 1986. He had kept it for her all those years.

She was very quickly successful, representing the Isle of Wight at Island Games events and in 2013 was in the England DTL team for the Home ▶

“ Kath's 2024 highlight - shooting 75 straight at a UT selection shoot. ”

Above: Kath and Robbie Bright.

Top – clockwise: Kath in Action. Kath representing Isle of Wight. Kath UT result April 2022. Medal for Kath in August 2023.

Right inset: Early shooting photo of Kath.

International. Her collection of medals and trophies started to grow again.

In 2016 Kath hit the headlines when she won a Perazzi shotgun at the Clay Shooting Classic DTL after beating Paul Chaplow in a shoot-off.

The following year she earned her first GB cap when she competed in the UT World Championships in Megève, France. Since then Kath has continued to compete, with regular success.

#### A DIFFERENT BATTLE

The last couple of years, however, have seen Kath face her biggest challenge. In April 2022 she was diagnosed with breast cancer and after undergoing chemotherapy and surgery she needed time to recover. This meant there was no shooting for Kath for well over a year.

With true Yorkshire grit she returned to competing at the end of 2023 and in 2024 she made the England team for the ABT Home International and the GB team for the UT World Championships. Kath told me that her 2024 highlight would have to be shooting 75 straight at a UT selection shoot.

However, her challenges are not yet over. She is currently awaiting partial knee replacement in both knees, but before that there is a cardiac procedure to be undertaken as cancer

treatment has left her with atrial fibrillation.

Kath has an eye on the future and told me she is contemplating a revisit to DTL as she would love to represent England in the discipline she loves so much.

Kath's story demonstrates that clay shooting is a sport that people can return to, even after a good number of years. It is clear that after cancer

she has an even greater appreciation of the sport she is so passionate about. She is a true sportsperson and speaks very highly of other women shooters, such as Abbey Ling, Leanne Palmer and Sue Bate. She feels deeply honoured to have represented England and GB multiple times. When I spoke to her about all the challenges she has faced it was evident she has great resolve to get back to doing what she enjoyed. I wish her all the very best with whatever she sets her mind to.

## Q&A WITH KATH

### Q Tell us about your coaches over the years?

Solid foundations were really drilled in from the early days of shooting. I had good people around me who were knowledgeable and sensible. Later there was coaching from Ian Peel, Wally Sayer and Billy Walker. On my return to shooting I learned a lot from a workshop with David Kostecy. I don't work with a coach now, but I know I can talk to Mark Lawson, from Hazelbank Shooting Ground, at any time.

### Q What lessons have you learned along the way?

At the age of 18 I found out I needed glasses. It's amazing how clear the targets suddenly looked when I could actually see them properly. My biggest learning though was about mindset – particularly in reference to understanding what I need to do to control getting into the zone.

### Q What about international competition?

I love shooting abroad. You get to shoot at new grounds with different shooting conditions. My favourite ground is Jarapalo, near Malaga,

Kath told me that her 2024 highlight would have to be shooting 75-straight at a UT selection shoot.

Spain. My dream is to shoot at Lonato in Italy – I have visited it but never shot there, yet.

### Q What works for you in terms of hardware?

I use a Miroku 3800 with Cheddite Smart Strike 24g for everything. I have Pilla glasses from Ed Lyons with two lens colours – peach and purple.

### Q Favourite shooting moment?

Being in the ABT England team with my brother, Robbie.

### Q Biggest influence on shooting career?

Dad. I am just sad he didn't get to see me get my first GB cap as he passed away in 2017, just before I got that.

### Q Is there anyone you would like to thank?

My brother Robbie. My mum for putting up with me, especially now I am back living with her. Brian and Rosie Prest for the Cheddite cartridges I love. Mark at Hazelbank – always there for me. Leanne Palmer for her camaraderie and Ed Lyons for all his support. 🍷

Manchester Clay Shooting Ground really stepped up to the mark and gave us a great Lancashire Championship. Big thank you to all the competitors and ground staff. The new-look ground and clubhouse really was the perfect setting for the event. Congratulations to all the days winners in all classes. Brett Winstanley was on fire and was the day's Overall High Gun with an amazing 99/100. Jake Bowling straightened the pool shoot and destroyed the E target which was causing most shooters the biggest problems during the day. Rick Slater won the Veterans, and Ethan Buckey won the Colts.

**18-20 Oct: North Region FITASC Championships, Mount Farm Sporting Clays**  
 84 competitors from across all corners of the north battled it out for North Region titles. Competition was strong and the targets were stronger, showcasing some top-class layouts but a select few managed to come out on top. Mark Webster was crowned the NR champion with an impressive score of 94/100. Next was the veterans prize which was won by Gugsy Ahmed on 84/100. Super Veterans was won by Glenn Hunt on 84/100. Sadly Ladies and Juniors categories were not contested. Thank you to all that came

to the event and thank you to the continued support from Mount Farm Sporting clays, it is greatly appreciated.

### Merseyside Super Sporting County Championship

Mickley Hall did a fine job of hosting us again, along with Cheshire and Shropshire for this year's champs. Thankfully the weather was much better this year apart from some strong gusts of wind which added to the fun. Daniel Tomlinson took an early lead with a very respectable 92/100. Well done Dan!

### Committee and AGM

Just a reminder to all, Zoe Pitts has informed the county that this will be her last year as Chair, Sam Townsend has also taken the decision to stand down from producing the counties social media content. The county will be seeking willing volunteers for these roles at the as yet date undecided AGM and 2024 awards day. Please do also note that the county CPSA website has been updated and is a useful reference point for news and future events.

Wishing you all a happy and successful 2025.

2024, I am starting to look at the calendar for 2025. Unfortunately with the calendar very congested with other Championships and shoots some clashes might take place or Championships and selection might be combined with other Counties.

#### Happy New Year

Firstly the county AGM will be held at WMSG Saturday 22 February, the format will be the same as last year with a 50 target ESP shoot to blow out the cobwebs, awards and AGM to finish, along with a free buffet. Start will be 11am with awards at 13:30 and AGM to follow. Please could you let any of the committee know or by Facebook to give us an idea on numbers.

The last two county competitions for 2024 were the Inter-Counties Single Barrel and the Shropshire County ESP Championship. I'm sorry for the late result this was due to editing constraints for the November / December article.

#### 13 Oct: WM Inter-County Area Single Barrel, Holmes Chapel SG

Congratulations to Malcolm Grant for Area Bronze and Janine Dixon for Ladies Area Bronze. Well shot and thank you to all who took part.

#### 19 Oct: Shropshire County ESP Championship, WMSG

Well the weather Gods certainly shined on us which made for a fabulous days competition, along with a great course from Owain. Great shooting all-round with a few new names breaking through showing the depth of talent we have in the county. As always, it's a team effort so a very big thank to Owain, Jess, the Referees and all the ground staff for a wonderful day. County Champion Mike Ceffin-Jones, Seniors Mike Cashmore Silver and Dan Whittall taking Bronze, Veterans Stuart Burgess Gold, Nicholas Williamson Silver and Roy Jones Bronze, Ladies Julie Burton-Burgess Gold, Janine Dixon Silver, Juniors Alfie Edwards Gold, Harley Powell Silver, Colts Toby Jones Gold.

#### Looking back over 2024

The county has really come alive, with members either shooting within the county teams or individually across all the disciplines. 2024 saw Richard Hughes winning the Champion of Champions at the Game Fair a great achievement for himself and the county. Also, throughout the 2024 competition season we have seen how members have come together in true team-spirit supporting and helping each other to contest and win regional team medals, Area Medals along with individual medals, and least we forget Shropshire's national team shooters taking honours across the disciplines in open and world championships,

across the world. With out you the members and your dedication to compete in all weathers and countries none of what you have achieved would be possible, to this the county committee thanks all the members for their commitment to our great sport.

The sheer depth of talent we now have in the county can only bode well for future years. But we are always on the lookout for new shooters whether just starting out or re-joining after time away from our sport. The spirit and camaraderie of Shropshire members never ceases to amaze, always willing to help existing and welcome new and old shooters into our county family, thank you.

Squads of mixed ability and county ensured a fair scoring system and supportive camaraderie as new friendships were made and plenty of encouragement given. Thanks to all who shot for H&W, your support and attendance were greatly appreciated. Well done to A team (Nigel Bussell, Mark Barnett, Phil Mackison, Mike Wiacek), B team (Mike Hemming, Mike Waring, Roy Spooner, Darren Bradley) C team (Dave Addison, Stewart Mugliett, Paul Payne, Fiona Reed). Overall winners were Staffordshire, but special mention goes to Darren Bradley shooting 87 to come in joint second overall (no prizes for this I'm afraid!). Thanks to Park Farm for super hosting and their catering

### 25 Aug: DTL, The Priory CTC

Paul Smith and Andy Jackson both returned to the club house with a 99/295, so had to wait to see if that score would be enough. They both then had a very long wait to see whether it could be beaten. Tony Woodrow and Marvin Houghton came close being just three points and five points down at 75 but both struggled on Layout 4 so their challenge fell away. So for the second year in a row a shoot-off was required to sort out a winner.

AS is usual in our DTL event, a shoot-off was required, and with the wind now picking up it made for quite exciting viewing for the audience, to watch a master class of shooting in such conditions which saw Paul emerge the winner leaving Andy to claim the award for AA Class.

In the Veteran category, Marvin Houghton lead the way with some superb scoring and he looked in contention for the overall title but a relatively poor fourth round (24/68) saw him finish on 99/288 to take the Veteran title. His nearest rival, John Toombs only dropped four targets but the number of second barrels, which was a feature of everyone's shooting in the wind, saw him finish runner up on 96/279.

Six ladies competed for the Ladies title and we were especially pleased to welcome Saira Boardman who has just returned to shooting after the birth of her daughter. As the last squads of the day returned, Jackie Houghton was pleasantly surprised to find herself in pole position with a score of 90/258 which given the conditions was not half bad. George Dilley took the Junior Champion title.

### Lincolnshire Supreme Champions 2024

It was a cliff hanger to the very end and the expression 'it is not over until it's over' is very apt for this year's battle for the Supreme Champion titles. Marvin

Houghton extended his lead for the Overall title by a good solid performance in DTL but was so nearly overtaken by a late flurry from Tony Woodrow who finished just one point back. Keeping it in the family saw Dale Houghton romp home for the Senior title. Jackie Houghton so nearly made it a family hat trick but just could not catch last year's champion, Georgina Barratt, who retains her title. With Marvin Houghton out of the picture the Veterans title looked like it would be a two-horse race between John Winn and Richard Gray but from nowhere came John Toombs who scored just one point in the sporting but then scored well at the All Round and again at DTL to take the title because he accumulated his points over the fewest number of disciplines. Sadly, each of the participating juniors only shot their preferred discipline so no-one met the qualification criteria of shooting a minimum of 2 of the qualifying championships. Overall Champion Marvin Houghton, Senior Champion Dale Houghton, Veterans

### 24 Oct: Double Rise, The Priory CTC

Our last County Championship of the year and we had double trouble with Double Rise and pigging Storm Bertie. Blowing a hooly at Priory CTC and dark overcast foreboding skies made it an extremely challenging affair. Not put off by the conditions, newly crowned Senior County Champion Dale Houghton put in a brilliant display to take the title. Thanks as always to Natasha and Aaron, Matthew the referee and everyone at the Priory CTC who made the day such a great success.

Happy New Year to our Cornish members and hopefully it will be a successful one ahead in 2025. The end of the clay season has now passed, and we had some of our DTL Members shooting in the Peninsula cup, which is like a mini Inter-Counties competition, which was held on the 24/11/2024 at a wet and soggy Two Counties Shooting Ground. The Cornish team was captained by Keith Woolcock, well after some testing conditions Devon were the winners and Cornwall were runners up this time, but well done to Richard Chapple and the Two Counties Shooting

ground for putting on the shoot in testing weather.

On a National level we are proud to have three young Cornish members on the British Shooting pathway with Jedson, Tom and Denzil all making great progress in their disciplines, Also a special shout out to Denzil Grose for another Gold Medal in OT, that is showing we have a great bunch of talented youngsters who are progressing well for the future, well done all and keep it up plus keep an eye out for our Cornwall Young Members days next year. ►

We do hope you are having a great Christmas and New Year. So as 2024 draws to a close we had a few final County and Regional titles to be decided.

### Hampshire and IOW Compak Championship

On Thursday 10 October we were back at Owls Lodge for the Compak County Championship, unlike the previous we had lovely sunshine, so nice not to have to shoot in your big coat! We had 32 Hampshire shooters turn up to battle it out. It won't surprise you to learn it was a close fought battle between Sean Gamblen and Dan Bishop yet again. This time it was Sean who came out on top with 98 and Dan just behind on 95. With eight shooters finishing in the 90's it shows we really do have some great shots across the county. Trevor Bell won the Veterans title with a great 95 and Tanya Faulds took the

Ladies on 88. Everyone seemed to enjoy the course, great layouts with plenty to trip you up if you weren't concentrating!

### Inter-Counties FITASC Championship

It was the South West Individual and Inter-County FITASC down at Ashcombe in Devon. Charlie Faulds reported for us "One of the toughest shoots I've shot for a while, I scored 79/100, 18,18,21,22. This was enough for me to win Junior High Gun by six targets, and Josh Poyser and I shot a combined score of 150/200 to take the Junior Team title."

Hampshire also retained the Senior Team title for the historic 15th year in a row on a score of 477/600, an amazing 41 clear of the second placed Senior Team. This is such an achievement, congratulations to everyone who has contributed to this over the last 15 years.

## WILTSHIRE BARON PHILLIPS

▶ [sites.cpsa.co.uk/wiltshire](https://sites.cpsa.co.uk/wiltshire)

It has been another tremendous season for Wiltshire shooters with some excellent results from established shooters as well as up-and-coming Juniors. Special mention should be made to Josh Brown, Barbury's General Manager, for making the England FITASC team this year.

### AGM

The success of the county's shooters was reflected in the well attended AGM held at Barbury Shooting School on 5 October, where their achievements were recognised in a wide variety of disciplines. It was great to see some of Wiltshire's established shooters stepping up to the mark with people like Will Thatcher scooping both the Overall and Veterans title in English Sporting alongside Bryan Kinch (Veterans) in Sportrap and Mark Hall (Veterans) in Super Sporting.

At the same time, it is very satisfying to see the strength of young talent making a success of the sport with Ben Rivers taking the title in FITASC, Sportrap, and Super Sporting while the ever-strong Ed Cleverley took the English Sporting title.

Likewise in the Ladies section Tamsin Holmes secured three titles – ESP, All Round and Super Sporting with Sam Betts and Jemma Paul taking FITASC and Sportrap respectively.

Wiltshire Chair Simon Cuthbert said: "I was delighted that the AGM and Awards evening was so well attended. Thank you to everyone who contributed to making it a great evening. I would also like to congratulate all our winners from 2024 and thank all the Wiltshire Clubs for their continued hard work and dedication to the County's cause."

Looking to the forthcoming season Simon added that the committee is close to finalising the programme of dedicated County events and we will be publishing those on the website shortly. At the same time, he wants to encourage more Wiltshire shooters to come forward for possible selection as County Squad members. Anyone interested should get in touch directly with Simon on 07710 253 340 or [simoncuthbert@hotmail.com](mailto:simoncuthbert@hotmail.com).

### 19 Oct: Hampshire and IOW Single Barrel Championship

Fareham CTC held the annual S/B championship and quite a good turnout. A nice sunny October day greeted the squads. Stuart Cureton added this Championship to his run of wins this year. Stuart just loves the Trap disciplines taking the top honours in Olympic Trap, DTL, ABT, the Seniors position in the UT, well done Stuart. The Seniors position for the Single Barrel went to Steve Tarrent, the Vets to Richard Smith, the Ladies to Sharron Morris from the IOW.

### The Supreme Championship table

This championship has now been running for ten years with the first winner back in 2014 Phil Eames, followed by Luke Elliott, Ben Gordge, Roger Deacon, Ron King, Roger Deacon 2019, Lee Knight, Roger again in 2021, Sean Gamblen in 2022 then Roger again 2023. This year, Sean is back accumulating 53 points from eight

disciplines. This year's win has the bonus prize of £200 from the Portsmouth outlet of the 4 x 4 ENIOS to accompany the trophy. Stuart Cureton was the 2024 Runner-up to

Sean on 39 points. So that's the end of the Hampshire & IOW season for this year, a great first year for the combined County. Here's to an even more successful 2025!

### David Camp 1934 - 2024

It is with great sadness that we report on the passing of Dave Camp on 3 November 2024 at the age of 90. He won the Hertfordshire Sporting Championship at least six times and was a member of the Hertfordshire County Team on many occasions. Dave also represented England in English Sporting on 13 occasions going back to 1972, including two in the USA in 2005 and 2007. One of Dave's highlights was winning the English Open following a shoot-off. He travelled abroad many times attending World and European FITASC Championships representing GB in the Vets and Super Vets category. He had a great sense of humour and there was never a dull moment with Dave around! He is fondly remembered and will be missed by many. We send our heartfelt condolences to Dave's family and friends.

### 17 Nov: Surrey Side-by-Side competition, Clandon Park

Our final competition for the season was the non-registered Side-by-Side challenge kindly hosted by Guildford and District Gun Club. Andy Willett set a thoughtful layout 'sympathetic' to the Side-by-Side users including driven and of course rabbits as well as a selection of crossers and a simple looking Teal that ruined a few cards (or was that just mine?) High Gun was Chip Smith, retaining the Surrey Trophy for the second year running with a great 55/60. Runner-up was James Faulkner on 51

and Peter Saich was third with 49. The Webley and Scott Trophy for the highest non-Surrey score was Chris Wells with 44. Thank you to the Surrey CPSA Members and a few guests who turned up with their 'Once a year' guns.

Sunday 7 November saw 141 shooters compete in one of Steve's great ESP Registered shoots. Congratulations to Oxfordshire's Ruan Ellis for his brilliant score of 79/100 placing him second in C Class. Well done Ruan, great shooting.

### Hornet

Saturday 16 November saw 92 shooters compete, the targets were strong but they didn't elude Oxfordshire's Julian Freeman. He shot 94/100 placing him first in AAA Class, Well done Julian, great shooting as always.

### E J Churchill

Thursday 7 November saw 120 lucky shooters took part in a mid-week shoot while lots of us are stuck at work. (Jealous) Congratulations to Robert Honour for shooting 92/100 placing him 3rd in AA Class. Staying with Churchill's, on the 21 November, 118 shooters took part in their ever popular shoot. Well done to Julian Freeman who shot 87/100

Brian Gardiner, Supreme Lady Champion Jo Watson-Hopkinson, Supreme Junior Champion Owen Lewis. Thank you to Nicola Heron for providing the Teams Link and to all those who attended and joined in the meeting with suggestions for next season.

### International Honours

We had three Surrey shooters attend the Helice World Championship in Cairo at the end of October and all performed well for the country. Fergus Watson-Hopkinson shot well in the main event dropping just seven targets, coming seventh in the Seniors. Jo Watson-Hopkinson was part of the Ladies GB team and together they won a silver in both the African Championship and the World Championship. The superstar of the event was Steve Cole bringing home a number of trophies: Veteran gold in the

So as a final event to celebrate the completion of another year of shooting Essex held its annual awards ceremony on 9 November at Hatfield Peverel Village Hall. A big thanks to the staff for great service and a wonderful buffet.

Another big thanks to all members of the committee who helped organise but especially to Nadine for all the arrangements and to Glen for all the preparation and recovery of the shields and cups. As you can see from the pictures below, we had an amazing selection of silver ware to present to all our county winners.

We also have to say a thank

you to each of our sponsors for the evening who donated prizes for our annual raffle which helps cover some of the costs of the evening and the trophies.

The AGM for Essex will be held in the new year so please look out for the date which will be announced shortly.

placing him third in AAA Class. Robert Honour Shot well again finishing with a 90/100 leaving him third in AA Class and Melvin Taylor shot 80/100 putting him second in B Class. Well done to you all.

### Hangman's Stone

Their late October shoot saw 176 shooters take part. That's a huge number of shooters, firstly to attract and secondly to process, hats off to them. Christopher

Goodman was joint first in AA Class having shot 93/100 and just one clay behind him was David Sheppard 92/100. well done to you both.

If you would like me to include you in the monthly CPSA report, please drop me an email with the details of your achievements. I will do my best to include them. That leaves me to say for the first time in 2025. happy, safe shooting everyone.

By the time you read this hopefully everyone will have a good Christmas and are looking forward to the year ahead. Also by the time this is published the entries for the World Championships at E.J. Churchills in July will have been open for the best part of a month, hopefully everyone will have got in where they wanted. Anyone interested in trying new guns, cartridges and clothing now is the time, get everything right and familiar ready for the forthcoming competition season. This also goes for trying new methods, routines and working on problem targets.

### World Helice Championship 2024

John Foy reports: The 2024 World Helice Championship recently took place in

Cairo, Egypt. Andy Stratford representing Great Britain won a gold medal in the Senior event. This was followed by Jensen King and Jack Malthouse (as a new cap) shooting in the GB Junior team, won a silver medal. John Foy shooting as a senior won gold in the Presidents Cup.

### SE Region Inter-Counties FITASC

Held at Southdown on Sunday 13 October saw Guy Franklin, Jeff Dix, Adrian Smith and Kenny Bennett hold off Kent by 16 targets to enable Sussex to emerge as 2024 champions. Guy also took overall High Gun title and Jeff the Super Veteran title.

I often request that people let me know they are doing and how they are getting on. Well known Sussex shooter Simon Fenner has done just that. Although now retired from the police he still shoots in the Police League and has amassed four high guns over the year at various grounds capping it off by taking High Gun at the

National Police Sporting Championships at the North of England CTC from 190 entries. Well done Simon, got to do it all again next year.

### AGM

The AGM date and location, once decided, will be circulated on social media and via the CPSA website. Please make an effort to attend especially those who will be collecting trophies, and on that note can those currently with trophies please ensure that they are engraved with your details, clean and back in good time. Thankyou.

No measuring, no grinding, no hassle.

- Fits Stocks: 4-1/2" – 4-3/4"
- For Wood and Synthetics Stocks
- Thickness / Length of Pull (LOP): 1-3/16"
- Weight: 7.5 ounces

# CONFUSED BY HOW TO APPLY

## OR RENEW YOUR GUN LICENSE?

Dr Chris Garrett, founder and Medical Director of Shootcert, explains the simple steps for applicants.

There are over 40 Police Firearm units in the UK and historically there had been little consistency between them. They all had different application forms and requirements, and what guidance was given was open to interpretation. The information that the applicant needed to provide varied enormously from one region to another.

In 2016 medical input was introduced to the process, on an almost ad hoc basis with some forces requiring a medical certificate for first time grants but not for renewals, some for both, and some not at all. This made guidance on the application process almost impossible.

This all changed in 2021 in the wake of the tragic Plymouth shootings, when Home Office Statutory Guidance to the police heralded two major changes.

It is now mandatory that a medical certificate is required to accompany all shotgun or firearm applications. Unfortunately and unhelpfully, however, the BMA (British Medical Association) withdrew from their initial arrangement with the Home Office, meaning that any GP could refuse to engage in this process. This left applicants high and dry. Not only does this continue to be the case today, but with changing attitudes and pressures more and more GP practices will either not provide this service or charge an exorbitant fee.

Shootcert, a specialist and the only doctor-led, third-party provider for firearms medical certificates, was founded in 2020 to provide a solution to this problem. It is the only third-party provider recommended by the CPSA, and we are able to offer discount to CPSA members.

Secondly, the introduction of a national form which we must all use for our applications – regardless of which force we come under. As such a step-by-step guide is now possible.

### STEP-BY-STEP GUIDE

**Apply with a hardcopy** – the police are happy with either, and many of us still prefer the simplicity of a hardcopy. If so simply Google 'Firearm license form 201' then print this out and fill it out by hand. There are two parts to this form.

The first is information about you, your GP details, your gun storage, any police offences and references. Enclose your firearm fee and a photograph.

The last four pages of this form refer to your Medical certificate. You fill out the first two, give them to your GP who will fill out the last two and give it back to you. Put everything together and send it off to the Police.

If your GP will not engage in this process or wishes to charge an excessive fee, you will have to go to a third-party. If you apply to Shootcert, we will fill out all of the last four pages on your behalf, send them back to you and you add the two parts together and send off.

**Apply online** – find out which is your local firearms department. If you are not sure you can go through our Shootcert website. Click on the Police Firearms Department contacts at the bottom of the opening page. Click on 'Find which is your Police Force' then enter your Post code. This will take you directly to your local Police website. Click on 'Services and Information' and then scroll down to 'Firearm, Shotgun and Explosives Certificates' and click on this. You may have to enter your postcode again. Confirm your address is correct. Click on whether this is a new application or a renewal and you're off.

There is some variation in this from force to force but they all follow the

same principle. You will of course have to download the last four pages, as with a hard copy application, and get to your GP to fill out their part and then upload that to your application. Again, if your GP will not engage then apply to Shootcert. We can do all the last part for you along with your medical certificate either as a hard copy, a pdf, or both.

### ESSENTIAL AND CAUTIONARY ADVICE

There are some absolute do's and don'ts in this application process:

- 1. You MUST declare any relevant medical conditions or convictions** honestly on your application. The grant of a license by the police is based on both trust and confidence that you are safe to possess a gun for the duration of that license. Any failure to declare a relevant medical condition is incompatible with building that trust. The police will look favourably on what you declare, and certainly more so than if you don't. Please remember police firearm departments are not 'out to stop people shooting'. Shootcert has developed excellent working relationships with all firearms departments and I can absolutely

assure you that we both work together on this, and the police really are there to work with you.

### 2. You MUST get your application in on time.

Shootcert recommends starting the process of renewal by asking for a medical certificate a full

five months before your

expiry date. Bear in mind it could take up to two months to get your medical certificate from your GP. Failure to do so could mean your license expires. Many police forces would then no longer be a renewal and consider your application has to now be a first-time grant. You will now have to start the process from scratch. The problem with this is that a number of forces have decided to stop processing first-time grants and are only dealing with renewals for the foreseeable future. Shootcert has a very useful aid memoir to help you remember.

### 3. Please remember that if you are not computer savvy, don't worry.

Simply print out form 201, or get a friend to do that for you, and do it all by hand. Let's face it, many of us are more comfortable and could understand that. I confess that's what I did for my last renewal.
