Safe shooting is no accident

M

AY SEES the start of the major competitive season and no doubt we're all looking forward to more of the warm sunshine we enjoyed in early April! Our fingers are crossed for good weather at the first two majors of 2017, the English Open Sporting at Highwaymans Shooting Ground in Suffolk and the English Open Skeet at Dartford CSC in Kent. If you've not entered the English Open or the British Open ESP yet, there may still be a few places left at Highwaymans, but the British at West Midlands is sold out due to unprecedented demand! Spaces are still available on Friday and Saturday at Dartford and this is a great competition for anyone to shoot. If you've not entered a major championship before, make this your first – you won't regret it!

If you or your friends are interested in refereeing at Registered – or any other – shoots, many grounds are on the look out for good referees and our courses calendar will show you how you can become qualified through just a one-day course. With a great team of tutors, the courses are enjoyable and informative and it always helps to have a thorough understanding of the rules of any

discipline, as well as a good perspective on competition shooting from the referee's standpoint. If this is something that appeals, have a look on our website and book in.

Following our AGM in March, I would like to welcome three new directors to our Board and say thank you to Michele Conway and Victoria Knowles-Lacks, who are stepping down. Michele completed a full term of three years and made a great contribution to the Board's work, providing a constructive challenge to help us make better decisions as well as contributing some good ideas. Victoria picked up the West Midlands role with just under a year to go and brought a valuable, different perspective to discussions, as well as bringing down the average age! Bob Kibblewhite re-joins as West Midlands Regional Director, combining the role with that of Chairman of the Regional Committee, and Nicola Heron returns to the Board, this time as a National Director. The Board is now complete with the appointment of Dave Rollason as our second Independent Director, bringing with him skills gained in industry and local government, as well as a long involvement in shooting.

An issue we are keen to promote this year is that of knowing who you are shooting with

and, more importantly, that they have adequate insurance should the worst happen. You may have read the feature in last month's edition of *Pull!* that highlighted the value and benefits of CPISA cover, not least of which is the comfort of knowing that, if something should go drastically wrong and you're sued, you're well provided for through our members' insurance scheme. However, putting the boot on the other foot, can you be sure that shooters around you have similar cover if their actions impact on you? We strongly believe there is a great message to be taken to all shooting grounds to ensure all shooters are insured, preferably by the CPISA as we know ours is just about the best package on the market. If you have any concerns at all, recommending the CPISA to shooters old and new will provide added comfort for everyone and pointing new shooters

towards our instructors and CPISA Safety courses, all available through our website, will help raise standards throughout. On that note, happy shooting – and safe shooting! ●

FEMMES FATALES CELEBRATE IN STYLE

HUGE CONGRATULATIONS to Femmes Fatales, who were named runners-up in the Sporting Achievement of the Year category at this year's Yorkshire Choice Awards, held on April 1. Recognised for their work encouraging and inspiring more than 1,000 women to get outdoors and get involved in shooting sports in 2016, the Femmes Fatales were "extremely honoured" to be runners-up to the famous Brownlee Brothers, Olympic athletes Jonny and Alistair, who won the accolade for their achievements in triathlon.

Lydia Abdelaoui told *Pull!*: "We are extremely grateful for the support we received from the shooting community who took the time to vote for us and helped us in our quest to get a little more recognition for the sport we all love!"

We offer a try before you buy service with various demo and second hand shotguns available to shoot on our onsite shooting ground

DATES FOR YOUR DIARY

National Ladies' Shooting Day 2017

HAVE A GO

NOW IN its third successful year, #NLSD2017 will see more than 1,000 ladies taking part in clay shooting events across 27 of the UK's finest shooting grounds on June 10, making it the largest ladies' clay shooting event in the world.

Organised by the Shotgun and Chelsea Bun Club, the day is aimed at absolute beginners who have never picked up a gun before, right through to seasoned shots. National Ladies' Shooting Day offers an excellent opportunity for ladies of all ages, backgrounds and abilities to get together on the same day to have fun and take part in this game-changing event!

Getting involved in #NLSD2017 is simple – all events are just £42, which includes

absolutely everything to have an amazing day's shooting. No experience or gun is required.

Charity Shoot 2017

CHARITY

ERISWELL LODGE, Lakenheath, Suffolk, hosted their charity shoot on March 28 and managed to raise a fantastic £2,934 for Norwich testicular cancer charity It's On The Ball.

On the day, 182 shooters in teams of five shot a round of clays, with the Blundeston Boys team winning with a score of 449ex500.

CPSA NEWS

Instructors, coaches and referees

We are updating our website in the very near future. If you are currently listed under the 'find an instructor' or 'find a referee' sections on the CPSA website and would like this listing to remain, please visit www.cpsa.co.uk/news. We need you to update your contact details and confirm you would like to be included.

New Directors

We would like to welcome the three new Directors who joined the CPSA Board on March 25: Bob Kibblewhite as West Midlands Director, Dave Rollason as Independent Director and Nicola Heron as National Director.

Important reminder for shoot organisers and members

Registered competitions are for CPSA members only and all score cards must be handed in.

Practice during the competition is not allowed unless on a different course/ layouts or when the registered shoot has finished. It is really important that we protect the registered shoots and make sure that all rules are followed for the integrity of our sport.

Sponsors for 2017

We are pleased to confirm that all of our sponsors will all be staying with the major CPSA championships that they supported in 2016.

- Ruag and Eley will both sponsor the English Open English Sporting at Highwaymans Shooting Ground.
- The DTL Weekend is sponsored by Eley Hawk and Blaser will focus on the English Open DTL Championship.
- Zoli, Gambore and Promatic will support the British Open ESP.
- Starkey Headsets will support the English Sporting Championships this year, with a random prize draw at each one.

We would like to thank all of our sponsors who continue to support our Championships, helping us raise the standards.

If you are interested in sponsoring clay shooting with the CPSA, please contact angie@cpsa.co.uk

Northern Shooting Show

GAME FAIRS AND SHOWS

FOR THE weekend of May 6-7, we are looking forward to heading north for the Northern Shooting Show. We will not only be on the clay line running our 'have a go' sessions with our CPSA instructors and coaches, but will also be in Hall 1 exhibiting, so if you would like to renew your membership or just come over for a chat, it would be great to see you. For the first time, you can also pre-book for the clay line and receive a discount on the clay line – all you need to do is fill in the form on our website www.cpsa.co.uk/haveagons.

E.J. Churchill confirmed to run The Game Fair shooting line

GAME FAIRS AND SHOWS

"IT'S GOING to be spectacular this year," says Rob Fenwick, Managing Director of E.J. Churchill, which is running the clay line at The Game Fair 2017. "We've got lots of new things going on, as well as all the shooting opportunities that were so popular last year." Top attractions include CPSA Champion of Champions and CPSA Colts Challenge, Rabbit Challenge Pool Shoot, 25 Sportrap and 50 English Sporting Course.

The Game Fair, which is being held at Hatfield House in Hertfordshire from Friday 28 to Sunday 30 July, has always been a great place for clay shooters, with not only some fantastic and challenging shoots, but also some spectacular prizes to be won. The Game Fair's Subaru Shooting Line is Europe's longest at nearly 600m, and with a secure on-site gun safe, you can not only have your chance to take part in one of the many shooting challenges, but you can then enjoy the rest of the show, including highlights such as Gunmakers' Row, without having to carry your shotgun with you.

E.J. CHURCHILL

Annual prize ceremony

AWARDS

THE BERWICK-UPON-TWEED, Norham and Islandshires Gun Club held their annual presentation of prizes recently.

"We are a north of England club, probably the furthest north," explained club secretary Sammy Phillips, "and would love to have our picture in *Pull!* magazine, which we all read."

The dinner was held at the Cobbled Yard Hotel, Berwick-upon-Tweed, with guest Mr James Armstrong presenting the prizes.

PRO-VEN RESULTS!

for the
serious competitor

PRO DTL 300 – Your number one choice for the perfect score. 7-1/2, 8

Drug Testing

Do the CPSA drugs test their winners? Recent publicity indicates widespread use of anabolic steroids and stimulants in many sports.

Regards
Steve Handerer

CPSA responds:

Drug testing in the UK is carried out by UK Anti Doping (UKAD) and is focused mainly on the Olympic sports, but many professional sports also buy into the programme. We don't come under the UKAD regime, although British Shooting does, so our members in the Olympic programmes will be subject to the 'whereabouts' requirements and out of competition testing. We don't have the resources to test members participating in our competitions, but would clearly encourage members to follow the directions provided by the World Anti Doping Agency - the WADA code.

CPSA Courses 2017

FOR MORE...
Head to cpsa.co.uk/courses for more information

WHETHER YOU ARE JUST STARTING OUT OR ARE AN EXPERIENCED SHOOTER, THE CPSA HAS CREATED A RANGE OF COURSES TO OFFER THE BEST TRAINING AVAILABLE IN THE SPORT TODAY

REFEREE COURSE £75

Available in each of the four domestic disciplines of ESP, ESK, DTL and ABT, these one-day courses will equip you with the general and discipline specific rules to enable you to referee regularly at registered competitions or national championships and, with it, the assurance that what you are calling is correct. This is also an excellent course for the competitor who doesn't necessarily want to referee, but does want to ensure that they know the rules when they compete. The following Referee Courses are now available to book on to:

- May 5:** English Sporting – Sporting Targets (EM)
- May 6:** Down The Line – Bisley Gun Club (SE)
- Jun 17:** English Skeet/Down The Line – National Clay Shooting Centre (SE)
- Jul 8:** English Skeet – National Clay Shooting Centre (SE)
- Jul 22:** English Sporting – Southdown Gun Club (SE)
- Sep 16:** Down The Line – Bisley Gun Club (SE)

SAFETY OFFICER COURSE £99

The Safety Officer Course is a one-day course which provides the basis for running a safe and successful shooting ground and looks at safe gun handling, layout management, risk assessments etc. An obvious choice for ground owners and a prerequisite to Club Affiliation, it also appeals to the shooter and is the first step towards higher qualifications. The following Safety Courses are now available to book on to:

- May 13:** Bisley Gun Club (SE)
- Jun 2:** Southdown Shooting Ground (SW)
- Jun 3:** South Pennine Shooting School (N)
- Jul 26:** Doveridge Clay Sports Centre (WM)
- Aug 4:** Nottingham and District Gun Club (EM)
- Aug 19:** South Pennine Shooting School (N)
- Sep 9:** Bisley Gun Club (SE)
- Sep 22:** Northampton Shooting Ground (EM)
- Oct 7:** venue TBC (SW)
- Nov 11:** Bisley Gun Club (SE)

INSTRUCTOR DEVELOPMENT WORKSHOP (IDW) £150

The IDW is a one-day course and a prerequisite to attending the four-day Instructor Training Course. Candidates will be given an overview of the full four-day course and be assessed for their suitability to progress onto the ITC. Candidates must have attended a Safety Officer Course within the previous five years. The following IDWs are now available to book on to:

- May 8:** Arborfield Garrison Clay Club (SE)
- Jun 7:** Doveridge Clay Sports Centre (WM)
- Jun 17:** South Pennine Shooting School (N)
- Jul 8:** Arborfield Garrison Clay Club (SE)
- Jul 14:** Nottingham and District Gun Club (EM)

LEVEL 1 INSTRUCTOR TRAINING COURSE (ITC) £695

This course will teach you how to check eye dominance and gun fit, show you how to teach the CPSA Method and how to recognise shooting errors and correct them. The course lasts four days and consists of classroom time, off- and on-range workshops and a final day of assessments. It covers crossing, rising and dropping targets and equips instructors with the knowledge to tackle a huge variety of targets. For the Level 1 ITC, the criterion for qualification is that the candidate can get a novice to hit a moving target safely using the CPSA Method. Candidates must have attended an IDW within the previous two years. The following ITCs are now available to book on to:

- May 15-18:** Northampton Shooting Ground (EM)
- Jul 10-13:** Arborfield Garrison Clay Club (SW)
- Aug 1-4:** Park Lodge (N)
- Aug 7-10:** Doveridge Clay Sports Centre (WM)
- Aug 21-24:** Arborfield Garrison Clay Club (SE)

LEVEL 2 COACH TRAINING COURSE (CTC)

The Level 2 Training Programme is comprised of three courses, starting with the Common Element (£350) and then progressing onto the discipline-specific Coach Development Workshop (£150 per discipline) and finally the discipline-specific Coach Training Course (£550). The Level 2 Coaching qualification is designed to give you the technical knowledge and skills to improve an established shooter to a higher level and there are separate courses for Trap (ABT and DTL), English Sporting and English Skeet. The following Level 2 courses are now available to book on to:

- May 4-5:** Common Element – Doveridge Clay Sports Centre (WM)
- Jul 7:** CDW ESP – Doveridge Clay Sports Centre (WM)
- Jul 21:** CDW ESK – Northampton Shooting Ground (EM)
- Jul 25:** CDW Trap – Nottingham and District Gun Club (EM)
- Sep 11-13:** CTC DS Combined – Northampton Shooting Ground (EM)

REGIONS

- (N) The North
- (WM) West Midlands
- (EM) East Midlands
- (SW) South West
- (SE) South East

A premier competition

Pool Shoot at E.J. Churchill in aid of the Lily Foundation

RICHARD WORTHINGTON REPORTS FROM THE TWO LATEST PREMIER LEAGUE LEGS – WEST LONDON SHOOTING SCHOOL IN MARCH AND E.J. CHURCHILL IN APRIL

BARROW HEATH VICTORIOUS IN WEST LONDON

WEST LONDON Shooting School hosted the second leg of the CPSA's Premier League series on Saturday March 18 and saw another excellent turnout of nearly 300 shooters taking part in the 100 Registered Sporting.

The course was set over 14 stands, including the school's infamous 140ft tower, and there was a Pool Shoot which kept going long after the main event had finished. West London generously donated £1 per entry from the Pool Shoot towards the Lily Foundation for research into Mitochondrial Disease, which is being supported throughout the series.

Aaron Harvey scored the only 98 ex 100 to secure the High Gun title and ensure no shoot-off was required, placing Guy Franklin and Wayne Martin into joint first in AA with 97 ex 100 each. However, the Premier League is all about the handicap system and there was some great shooting in the Classes, with B Class shooters James Yarrow, Sam Rattley and Darren Isaac along with C Class shooter George Howling all scoring a maximum of 100 (capped) with their respective handicaps applied.

The top 10 scores from each team were then calculated with any handicaps applied to determine the top team score and Barrow Heath came out on top with a total score of 963 ex 1000 to win this event. Very well done to Phil Moss and his team.

CAMBRIDGE TRIUMPHS IN THE SUNSHINE

What a cracking day for a shoot with fantastic

weather for the time of year – E.J. Churchill looked amazing in the warm spring sunshine. Manager Mark Marshall set an interesting course over 14 stands with angles and speed rather than distance catching many shooters out. However, as always there was some superb shooting on display, with Honesberie Team shooter Martin Myers securing the High Gun honours with 96 ex 100 just one ahead of Owls Lodge's Richards Faulds and Southdown's Matt Peddle.

In the handicap stakes, George Howling's (Barrow Heath) and Darren Stanford's (Cambridge) scores of 89 and 86 respectively earned them maximum points of 100 with their handicaps applied, so well done to them.

Once again the teams all fought hard to achieve the highest top 10 scores and this time Team Cambridge came out on top with 932 ex 1000 – huge congratulations to them. By this stage in the league (and at the time of writing) we've had three different teams taking the top spot at the first three fixtures, so there's absolutely everything still to play for going forward. ●

WHY I SHOOT

Each month we ask top young shots for their thoughts, ambitions, and what they most love about their sport. This month CHARLIE SOANES has his say.

GIVE US THREE REASONS WHY YOU SHOOT

- 1 My dad introduced me to the sport when he used to run a small DIY shoot, and I enjoyed helping out.
- 2 I like meeting people and travelling to the different grounds up and down the country.
- 3 I enjoy the competition and the fresh air.

WHAT ARE YOUR AMBITIONS FOR THIS YEAR?

- 1 To get a podium position at the English Sporting championship in May, prior to going into Juniors.
- 2 To get into AA Class by December.
- 3 To do well for all my sponsors.

WHO DO YOU MOST ADMIRE IN SHOOTING AND WHY?

Well it's got to be George Digweed. What he has achieved over many years of shooting is unbelievable.

WHAT'S THE BEST SHOOTING ADVICE YOU'VE BEEN GIVEN?

"Never think you are better than anyone" – my dad told me this, and it has kept my feet firmly on the ground.

WHAT GUN DO YOU USE AND WHY?

I use a Caesar Guerini Summit Impact 30" high rib. I love the feel, the set up/balance and the relaxed head position it gives me being a high rib, and good target visibility.

TELL US ABOUT YOUR FIRST GUN

My first gun was a training gun that dad made me use for a whole season. I then moved on to a .410 S/S semi hammerless. Dad had to make a new stock for it as it was far too long. It was very light compared to what I shoot now, which is a Caesar Summit.

WHY SHOULD OTHER YOUNG PEOPLE TAKE UP CLAY SHOOTING?

It's a sport where you can meet some wonderful people all over the country, you can compete for 60-plus years, you can compete with the best in the world, and it's very good for your social skills as it gets you talking. And it gets you off the PlayStation!!

IN THE SPOTLIGHT... WILL MURPHY

Thirteen-year-old Will Murphy from Meesden in Hertfordshire has been on the Olympic Trap Talent Pathway for just over a year, having been spotted two months after his 12th birthday. Within six months of taking up the sport, and at his first registered competition, he became Hertfordshire County champion (Colts). He went on last season to finish third in the Colts section of the Perazzi Grand Prix at Nuthampstead and third in the Junior section of the Welsh Grand Prix. He represented Hertfordshire in both Down the Line – finishing runner-up – and at OT, finishing third at the inter-county championships. This year will see him taking part in some of the selection shoots.

Will says he wants to raise the profile of the sport, although he's also realistic about reaching the top, realising that you need funding and luck. However, his school's Parents Sports Association have also awarded him funding under their talented athlete scheme and the school is keen to follow his progress. He is using the funds to have one-to-one coaching with Claudia Capaldo in addition to his weekly training at Nuthampstead with Ed Barker. Good luck Will.

WIN A CAR WITH THE SCHOOLS CHALLENGE

David Florent of The Schools Challenge (TSC) tells Young Shots about the amazing competition where two young shooters will win a car in 2017:

"The Schools Challenge is the largest young shots organisation in the UK, teaching shooting skills for the next generation.

"The idea is to bring young people into shooting, encouraging schools to get involved in the sport," explains David. "It has encouraged 18,000 youngsters to have a go at shooting over the 12 years it's been going. And it's really taken off since we started the win a car idea. Tom Scott won the car in 2015 at the age of 16, and this year we've got two to win – one for the best girl and one for the best boy. However, if you are A Class or above you can't shoot for the car. This opens the competition to more than the UK's top shots.

"At the end of the year and after nine events – you have to shoot seven to be eligible – the top 25 girls and top 25 boys will go into a final in December. The top girl will walk away with a Toyota Aygo, while the winning boy will win a VW Up."

As long as you're under 21 and in full-time education you can enter The Schools Challenge.

BENELLI SUPERSPORT

REVIEWED BY **VIC HARKER**

There can be little doubt as to what constitutes the British shooter's favourite shotgun; it is of course the over and under. The natural choice of clay shooters, it also threatens to eclipse the side-by-side as a game gun. The single sighting plane that provides a better view of the target is the main reason for its popularity and with GMK's annual SP'Auto Competition in the offing, I was prompted to look at the semi-automatic in the form of the Benelli SuperSport.

Firstly, how does it work? With only 12 moving parts it's much simpler than the gas operated semi-auto shotgun. It also makes the gun lighter, but at the same time this actually reduces recoil. Benelli also claim their in-line

inertia-driven system makes it the strongest and the most reliable shotgun of its type available. Relying entirely on the forces generated by the explosion of the cartridge, the bolt is driven rearwards to compress a powerful inertia spring in the stock. At the same time the spent cartridge case is ejected and the bolt re-cocks as another cartridge is chambered. In the case of the in-line driven ejector system it never requires adjustment and can efficiently cycle every kind of cartridge regardless of the differing pressures they may develop. It's also a very clean system as gas smoke and burnt powder stay in the barrel rather than being blown back into the firing mechanism. The rotating bolt is also exceptionally strong and secure, locking into the barrel even tighter during firing.

1 STOCK

The Comfort Tech stock made from a specially formulated synthetic material reduces recoil in different areas. The recoil pad itself is particularly effective, distributing recoil over a longer period of time. The comb locating under the shooter's cheekbone also absorbs recoil and its smooth surface allows the cheek to move along the comb under recoil. The face of the stock and the opposite side are inletted with 24 recoil reducing inserts. Taking the form of chevrons, they are situated diagonally from the heel of the stock to behind the pistol grip. Again, this design distributes the peak force of the recoil over a longer period and felt recoil is sufficiently reduced.

2 BARRELS

The SuperSport's ported barrels, together with the detachable chokes, employ cryogenics in their manufacture. Frozen to -300°F (-184°C), this process relieves the stresses caused by hammer forging. It creates an even-grained smooth surface. This means less resistance to wads and the shot load in their travel down the barrel.

This Benelli's barrels are 76cm long from the front of the receiver to the muzzle ends, however it is extended another inch in the form of a detachable Brierley choke, of which there are five. The auto's long receiver adds another 20.32cm and visually this could provide an extraordinarily long sighting plane. However, a cleverly designed low ramped section beginning 6.35cm in front of the receiver, visually foreshortens this distance, and the rib which is also suitably tapered provides a very pointable gun.

3 SHOOTING IMPRESSIONS

Although the SuperSport weighs 3.288kg it feels a bigger gun. The reason is obvious – the receiver is 20.32cm long; add a 76cm barrel and there is a lot of metal in front of the leading hand. This gives the SuperSport a feeling of stability it wouldn't have with something shorter. On long high targets at The North Oxfordshire Shooting School I'd broken 11 of them before I missed one and was appreciating the SuperSport's qualities all the more. On targets rather less predictable – a 30yd crossing rabbit for example – the SuperSport and I were less successful and a shorter barrel would have solved the problem.

My liking for repeating shotguns is reflected in the ones I own and although none have the long barrel the SuperSport features, in certain circumstances they come into their own. The SuperSport's recoil operated action worked faultlessly with a variety of cartridges. In only a short time I'd grown fond of this Italian auto and perhaps I will return it to GMK after the SP'Auto, a competition for Beretta family autos only (Beretta, Benelli and Franchi) to be held at Southdown Shooting Ground on May 21.

South West Shooting School

CARL ROBINSON TELLS
PULL! ABOUT HIS CLUB

Q: We understand you took over the shooting school only recently?

A: The shooting school was founded by the previous owner 30 years ago and I took over the ground on September 1 2016. I had previously shot at the ground and the business fits in nicely with our other business which is fishing lakes and holiday cottages. It is also the premier shooting ground in the south west with unrivalled targets and location.

Q: What is the aim of the ground?

A: The aim is to carry on supplying quality targets and clay shooting experiences to shooters of all ages and ability, while investing in new equipment and access.

Q: How has the ground developed over the years?

A: The ground has developed from a previously unused valley into a Premier clay shooting ground. The ground now has 86 working traps and 40 shooting stands and we can put on three different 100 target rounds in one day. My plan for the ground is to invest in the refurbishment of the clubhouse and facilities, updating mobile traps and radio controlled traps to ensure we can provide new and interesting targets on a weekly basis. Various undercover shelters are being built around the ground to provide the shooters with somewhere to stand in bad weather.

Q: What is the clay shooting scene like where you are?

A: The shooting scene is popular, certainly within the warmer months, but with the decline of accessible clay shooting grounds there inevitably will be a decline in shooters. Clay shooting grounds are not popular with the local councils and therefore need to be supported by the shooting community to enable long-term survival, otherwise there will be nowhere for anyone to shoot.

Q: How has the scene changed over the years?

A: Shooters require different targets to remain interested; our job is to provide that level of service to them as people's expectations get greater. People want a level of comfort to shoot in, like better pathways and road access, not just a muddy field.

Q: What is your current focus for the business?

A: We are aiming part of the business at 'have a go' shooters as this will encourage more people to take up the sport, especially the younger generation, it also takes away the fear element often associated with shooting to the non shooters out there. We would like to see more females having a go as they really perform well in the sport.

Q: Tell us a bit about the funding issues you face.

A: The ground is self-funding as we have not gone out to any lenders to see if there is potential for external funding. We would like to purchase the actual land where the shoot is situated and, although we have a long and meaningful lease, it would be better for us to eventually own the land, something which hopefully will be realistic in the future. ●

Careers in shooting

NEW FOR 2017

CPSA Shooting Outdoor Classroom in conjunction with The Game Fair will be on Gunmakers' Row offering sessions on Careers Advice and Education

THE GAME FAIR®

IN THE SECOND PART OF OUR SERIES ON CAREERS IN SHOOTING, IN PARTNERSHIP WITH THE GAME FAIR, **JAMES MARCHINGTON** LOOKS AT THE GUN TRADE

The possibilities for a career in shooting are almost endless. One obvious route is the gun trade itself – making guns, repairing them, or selling guns, clothing and equipment to the shooting public.

If you're the practical sort and good with your hands, you are likely to be drawn to gunsmithing. If you are more of a 'people person' then you are probably better suited to the sales side of the business, which could encompass working in a gun shop, or travelling round gun shops as a sales rep for a manufacturer or distributor.

GUNSMITHING

Diggory Hadoke is an expert on buying and selling fine guns, particularly traditional 'English' side-by-sides. In the course of his business he works with a wide variety of craftsmen, many of them specialising in a particular type of work such as stocking, engraving or finishing.

Diggory says that it's still possible to follow the traditional apprenticeship route into gunmaking with one of the handful of companies that run a training scheme – Purdey's and Holland & Holland are two examples – although competition for places is fierce.

He has also noticed a trend for people with an engineering background to move into gunsmithing, something that is perfectly feasible with modern, machine-made guns of the sort typically used by clay shooters.

"Repairing a Browning or Beretta is not the same as working on an old English sidelock," he explains. "If you need to fit a new stock, you order one up from the factory, unscrew the old stock and screw on the new one. You can't do that with a 100-year-old best London side-by-side."

GUN SALES

Despite the pressures faced by any retail trade today, gun shops are thriving up and down the country. With few exceptions, they tend to be bastions of the small, independent, owner-operated business. Staff turnover can be slow, but opportunities do arise and are nowadays advertised on social media as well as in the specialist press.

One recent example is The Oxford Gun Company, run by Doug and Shirley Florent and their family. They posted an advert on the company's Facebook timeline for a Retail Manager to take on the day-to-day running of the busy shop. If you thought working in a gun shop was all drinking tea and chatting about shooting, the job description is a wake-up call. It demands a range of skills, from maintaining stock levels and visual presentation, to promoting products via the shop's website and social media, and ensuring sales and budget targets are met.

Clearly working in the gun trade is just as demanding as any other industry – but it can be very rewarding and the opportunities are out there if you have the skills and determination. As with so much in life, you need to decide what you want to achieve, and then give it your best shot! ●

How to hit... *the rabbit target*

I

N LAST month's issue we looked at the low driven target and introduced the CPSA Method, which can be applied to just about any target you will encounter on a Sporting shoot. This month we switch our attention to the rabbit target – a favourite of course-setters and one that spoils many a shooter's card.

The rabbit target originated, of course, from simulating a wild rabbit running along the ground. It uses a special rabbit clay, similar in diameter to a standard clay target but with a flattened profile and a thickened outer edge. It is thrown from a specially designed clay trap, with the throwing arm set vertically so that the target rolls along the ground like a wheel.

Depending on how the trap is set up, and the nature of the ground, a rabbit target may bounce to some extent, particularly early on in its travel. This is less of a problem than shooters often imagine, as usually most of the bouncing is over by the time you shoot. As a general rule, it is best to concentrate on the target's horizontal

movement, and try to ignore any bouncing.

More frequently the rabbit is missed in front, for the simple reason that shooters fail to realise that it is slowing down much more quickly than other targets, due to its contact with the ground. If you watch a missed rabbit target, you may be surprised how quickly it runs out of steam and stops.

As with the low driven target, the CPSA Method is the right way to tackle the rabbit. In the example shown here, we have a rabbit clay thrown from left to right across the field of view in front of the shooting stand. Put aside any negative thoughts like "I can't hit rabbits" and concentrate on addressing the target correctly. You can and will hit it!

As always when using the CPSA Method, the first thing to do is decide where you are going to break the target – the break point. Then establish where you first see the target clearly as a solid object, rather than as a blur or streak – the visual pick-up point. Now decide where you will hold the gun. The gun hold point is particularly important with the rabbit because it starts fast and slows down quickly.

NEXT MONTH:

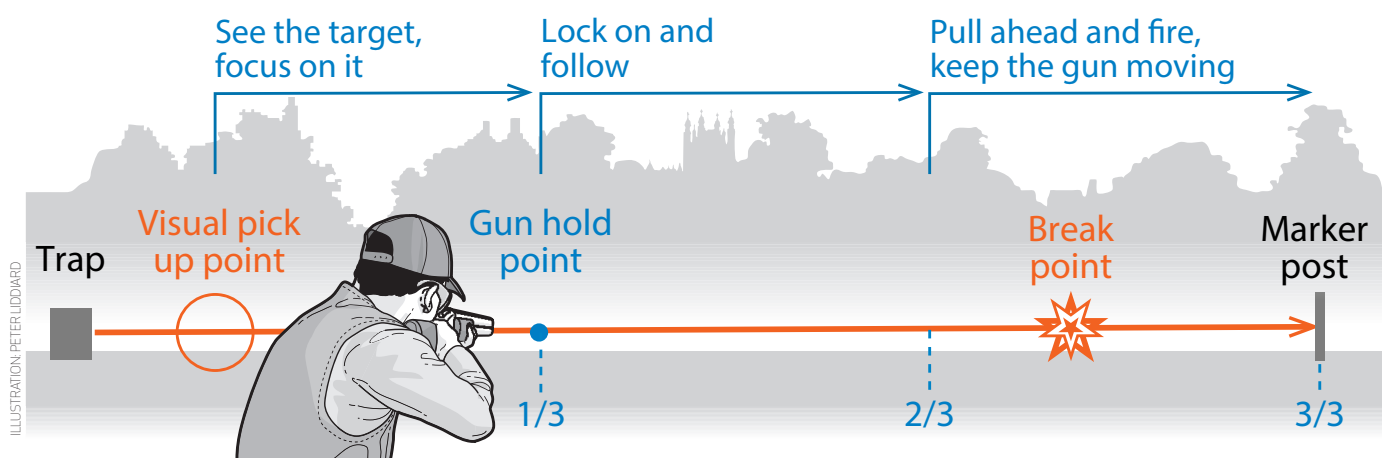

How to hit... the quartering going away target

Opposite and bottom:
The CPSA Method is the right way to shoot a rabbit target

Left: First decide where you are going to break the target

Below: Align your feet towards the break point

As always, the gun hold point needs to be between the visual pick-up point and the break point. The exact position depends on you, but it should be where you can smoothly move and lock on to the target when it comes, without slowing down to let the target catch up, or rushing to catch a target that has passed your barrels. You should never be chasing after a target that has got ahead of the gun – if you find yourself doing this, then you need to move your gun hold point further out from the trap.

With this particular target, in my mind I have split its path into thirds. I will pick it up visually in the first third of its travel, and my gun hold point is around the end of that first third. I will lock on and move with it through the middle third, and plan to shoot it in the last third, before it reaches the wooden marker post. This is not a hard and fast rule for every rabbit, but for this target breaking its path into thirds will work well.

Now we have established the three vital points: the pick-up point, gun hold point, and break point. Align your feet and gun towards the break point, mount the gun, then

wind back to the gun hold point. Drop the gun slightly from your shoulder, keeping it at the gun hold point, and turn your eyes back to the pick-up point where you will see the target.

You are now ready to call for the target. When the target appears, focus your eyes on it and lock on with the gun. Move with the target, pull ahead and shoot, making sure that you keep the gun swinging as you fire. It is important to follow through, keeping the gun moving after you have fired the shot.

Note that we locked the gun onto the target and moved with it before pulling ahead and firing. This ensures that you match the speed of the gun to the speed of the target regardless of how quickly it is slowing down – avoiding the common problem of missing in front.

So that's how you shoot the rabbit target. Don't be intimidated by it; treat it like any other target, remember it is slowing down, and apply the CPSA Method – and you'll soon be breaking rabbit targets as confidently as any others. ●

Setting up a shooting ground

THERE ARE MANY THINGS TO CONSIDER WHEN SETTING UP A CLAY SHOOTING GROUND, FINDS **KATE GATACRE**, INCLUDING PATIENCE, PERSISTENCE AND PLENTY OF LAND

"DO YOUR homework," is Lee Durney's advice when it comes to starting your own shooting ground. "Even though I'd done mine, it still took four years from when the first applications went in before we could open!" Patience, and persistence are certainly what you'll need if you intend to set up your own ground. And, as Lee explains: "Topography – that's very important, too." And of course whether or not the area already has a clay shooting ground – if there is one nearby, what will make yours stand out?

KEEPING THE NOISE DOWN

Lee has set up Owls Hoot Target Club near Warrington in Cheshire, which not only offers clay shooting, but also has an air rifle range, a .22 rimfire range and an archery range, though of course the latter three are not in the same league when it comes to the noise problem. And noise is, perhaps, one of the biggest hurdles to jump. The guidelines for noise are set by the Chartered Institute for Environmental Health (CIEH) at 65dB, which is a little less loud than a vacuum cleaner. A shotgun being discharged is, at close range, more than 145dB.

"Noise is one of the biggest issues I've had," Lee explains, "Not that we are producing the 65dB anywhere near houses, but because that is the single most frequent complaint and was the major objection when I set up." And indeed, the problem of noise is one that has closed more clay grounds than any other.

Lee placed acoustic sheds on the grounds which helped to mitigate the noise problem, as well as planting trees. However, trees need to be planted in sufficiently thick belts to act as a buffer. The CIEH recommends at least 1.5km in front of the shooting as a noise buffer zone, and at least 1km behind, but does state that if there are "substantial topographical features" that reduce the line of sight between the shooting and where the noise might be a problem, this can be reduced, but that a separation distance of 1km is the minimum. These topographical features would include embankments, depressions, hills and cuttings, for example.

A MATTER OF LAND

According to the CIEH guidelines, you must have a minimum area of between five and 10 acres to set up on, and the minimum safety zone is 275m from the stands for pellet sizes of six or more in the direction that the shooting takes

place, within which the public must not have access (so no roads, footpaths or bridleways). It's also important to remember that pellets and clays (or parts thereof) should not fall on neighbours' land and that of course you don't want the shooting to happen anywhere near overhead cables, while if it is on a Site of Special Scientific Interest, it's a non-starter.

Steve Lovatt, who started Garlands, Windrush, Westfield and Weston Wood shooting grounds, says one of the most crucial aspects is location: "There's no point setting up somewhere that is too far for people to come regularly. So you don't want to be too far from a city or town with a big population, or too far off the beaten track."

The other element of location is whether the area is already saturated with clay shooting grounds. As Steve points out: "If you go much further north than Birmingham, there are fewer clay grounds, but south of there, you'll be facing some very stiff competition and will need to think about why shooters will choose your ground above another one."

Once you've found a site that fulfils all the above criteria to comply with the law, you might want to consider whether it is suitable in terms of topography, which will largely depend on what disciplines you intend to offer. For Trap and Skeet, you'll need a large enough area of level ground, and you will most likely want to put in backstops, while for a Sporting layout you'll want a more naturalistic site, with trees and a bit of undulation, as well as the ability to change the layout. The direction in which the shooting occurs is also of importance, for clay shooters won't thank you if they are constantly shooting into the sun – a northerly direction will give the most consistent light, as well as the fewest problems in that department.

“CLAY SHOOTERS WON'T THANK YOU IF THEY ARE CONSTANTLY SHOOTING INTO THE SUN – A NORTHERLY DIRECTION WILL GIVE THE MOST CONSISTENT LIGHT

OTHER CONSIDERATIONS

Once you've got the perfect spot for setting up, the hard work really starts. "There's a huge amount of paperwork to fill in," Lee says. "And you need to ensure you get it right, as otherwise you'll be back to square one." Lee also recommends speaking to local authorities and councillors, but does warn that: "It would be easy to be dissuaded by them. They may say 'no' initially, but if you've found a site that complies with all the noise and safety measures, you should push on."

The idea of shooting is, to some of the uninitiated, an immediate cause for concern, and on that basis alone, you may find a councillor who tries to prevent you going ahead, which is where persistence comes in. Legally, too, you will need to meet certain requirements. While becoming a Registered Firearms Dealer isn't necessary unless you are going to sell guns, you do need a shotgun certificate for selling cartridges. Anyone shooting at the ground will have to be supervised by someone with a shotgun certificate, too.

HURDLES OVERCOME, WHAT NEXT?

If you've been lucky enough to overcome all the red tape and are ready to set up, there are of course a few more things to take into account. Ian Stones, who is Chairman of the South West region for the CPSA and used to run Wyllye Valley Clay Ground, says it is "Common sense, but I'm amazed how many people get it wrong. Things like parking are really important, and your clients won't want to be tramping through mud to get from their car to the clubhouse." So setting aside enough space for parking, but also ensuring that it is fit for purpose all year round is essential.

"In the end, if you are running a clay ground, you're in the entertainment business," Ian says. "Clients want to come and have a good time, whether they are occasional shooters or more serious competition shooters, the facilities should be the best you can provide."

Clean toilets, with hot water, for both sexes, a comfortable and warm clubhouse, good food, and, according to Ian, "Staff. The receptionist is the first point of contact and they need to be warm and friendly, as well as having enough knowledge of the sport to be able to answer straightforward questions. I can't emphasise how important the meet and greet aspect is at a clay ground."

Steve agrees: "You're asking people to part with their well-earned money, so you need to provide good quality targets, good facilities and you need to make sure you give them an amazing experience. That's the way you'll build a loyal following and attract new customers." ●

ARE YOU THINKING OF TRYING ONE OF THE INTERNATIONAL DISCIPLINES? OR PERHAPS YOU'VE ALREADY TRIED – AND FAILED – TO PROGRESS FROM THE DOMESTIC SCENE. READ ON FOR **SARAH DALY'S** ADVICE ON HOW TO MAKE THAT MOVE

Moving on

Some shooters are used to achieving high scores in one of the domestic disciplines, they then try an international one and feel defeated, often not helped by shooting with a squad of

'experts' giving lots of, not necessarily helpful, advice. Matt Coward-Holley, for example, wasn't keen to transfer in the beginning, "because I didn't want to go from being top of the tree to being well down the rankings, taking me out of my comfort zone. However, Kevin Gill and John Bellamy persuaded me when I was 18 so I then saw it as a new challenge."

His advice? "Use a knowledgeable coach you can trust, as there is no better feeling than succeeding in the Olympic disciplines! The process was never going to be easy for me, but then I set a new Junior Double Trap British Record of 142 which put me up the rankings quite quickly. In three years I have gone from nothing to the British Shooting World Class Podium Potential Programme, so it can be done. And now I am doing it again with Olympic Trap!"

CASE STUDY: AMBER HILL

Amber was a member of the England Home International English Skeet team at 13 years old. The following year she tried Olympic Skeet and at 14 was a member of the Olympic Skeet European Championship GBR Junior team.

So why change to Olympic Skeet? "It was the challenge I wanted," she says, "and the possibility that I could one day go to the Olympics. I was inspired by Elena Allen and Sian Bruce at my first selection shoot, so I wanted to come back the next year and try and be as good as, or even beat, them."

"I love Olympic Skeet, I don't think of it as a job and it's opened new doors for me. It can seriously change your life, or, you just have a lot of fun, whatever you want to make of it."

GENERAL TIPS

Coping with faster targets, wider angles, delayed presentation, shooting 'gun down' etc can be daunting, so here are some tips that apply to all the disciplines.

- Use a proven good coach who is not only knowledgeable of the chosen discipline, but also one who understands the steps needed to make a successful transition.
- Once you have had your first few lessons and understand the discipline, then just practise, don't try and shoot competitions too soon.
- Have intermittent lessons to keep you on track; ask your coach for advice on what to work on in practice.
- Work with the target, do not try and beat it.
- There will be times when you shoot poorly, accept this is part of the learning curve and do not be disappointed.
- An efficient, consistent technique and good gun mount are key. For example:

DRY MOUNTING: quality, accurate dry mounting will pay dividends, with practice, the efficient mount should then come naturally.

GUN DOWN: Slide the gun up the body to the shoulder with the barrels going to your chosen position, repeat, then start moving the gun out to the left or right a short distance, gradually extending the movement. Some movements in slow motion are even better as your muscle memory will learn complete control (providing your movement is correct!).

PRE MOUNTED: Mount to a still position to get the steady gun whilst waiting to see the target.

- Stance and balance – keep the weight approximately 50/50 with the body slightly leaning into the shooting position, turning shoulders for left/right movement, do not roll or move your weight onto your back leg as this will unbalance you and take the barrels off the flight line.
- Hold the gun with hands comfortably and confidently but not too tightly.
- Accept it can take you two to three years to really find your potential.
- Learn the rules if competing, "I didn't know" will not cut it with the referee!
- Clothing makes a difference to your gun fit. Try and wear similar clothing for training and competing.

GUN DOWN

For Olympic Skeet, the marker line is fixed just below the natural drop of the elbow, and the toe of the gun may not be mounted until the target is visible. (See ISSF rule 9.4.2.9 for Buttstock depth).

For FITASC Sporting, the marker line is 25cm below axis of shoulder, with the gun heel held on or below the line, the gun may not be mounted until the target appears. (See FITASC Sporting rule 3.1).

ENGLISH TO OLYMPIC SKEET

The key differences between English and Olympic Skeet are the speed/distance of the targets. English are thrown to 50-52m, Olympic 68m. Olympic must be shot gun down, there is a possible delay from your call to the presentation of the target(s), there are more pairs and there is the addition of station eight.

It's a lot to take on at once so try working on one step at a time, for example:

- **Singles first** – get used to the speed of the targets, work on singles so they are shot by the centre peg, then your gun is in the right place to pick up the second target when you start shooting pairs. If you find you are chasing the target down the range, try adjusting your ready position by moving your gun and eyes a little further out from the trap house.
- **Pairs** – when you are confidently shooting the singles then move on to the pairs. Shoot the first targets as you would a single, then look for the second.
- **Delay** – the targets are presented from zero up to three seconds. Soft focus or 'quiet eye' to see the target.

ENGLISH TO FITASC SPORTING

English Sporting may be shot gun down or pre-mounted, but FITASC Sporting (FSP, or often known just as FITASC) must be shot gun down. The European and World Championships are open events, so anyone can enter.

The shooting stations in English Sporting must be a structure, moving from one station to the next for the set number of targets; in FSP the station is a one metre circle or square, with a target menu in front of the shooting station giving the shooting order/trap list.

World record holder, five times FSP Senior World Champion and Double Trap Olympic Gold Medallist, Richard Faulds says: "The targets are very similar to English Sporting but the UK FSP competitions are often much 'stiffer' targets than abroad; however, you have full use of the gun on about 50% of the targets."

"It is worth shooting Sportrap or Compak to get used to using a menu board, and then move on to FSP. Also, try to shoot a variety of targets including long range and short quick range with misleading angles; they all help to learn to read the targets on new grounds."

TRAP AND DOUBLE TRAP

Advice from Ian Coley, former Head GB Shotgun Coach

TRAP – Olympic Trap (ISSF) and Universal Trench (FITASC)

To shoot the Trap disciplines, including DTL, you need a Trap gun, otherwise you are handicapping yourself. A Trap gun is designed to shoot a little higher, basically having a slightly higher comb and a little more weight, normally choked 3/4 bottom and full top barrel.

When shooting OT or UT, assuming you are working with a coach, work on the straight birds first, learning to hold the gun still until the target is visible and then keep the gun moving in a smooth and controlled way through the shot.

Then start working on some of the narrower angles, seeing your lead pictures, and then increase to wider angles when shooting the lesser angles effectively. Remember there will be varying heights as well as angles.

Gun hold

Hold the gun somewhere just above or on the mark on the trench, find what suits you, and look out in front of the trench, soft focus, call pull, see the target and then move; keep looking at the target through the shot.

FITASC Sporting ready position

Trap ready position

DOUBLE TRAP

Learn to shoot the first target, be positive about which target you will shoot first, left or right, you will then build confidence. The schemes are random in the qualifying rounds, so consider shooting the right target first on stations one and two as it is a more natural movement to the second target (for a right-handed shooter). On station three, be positive about which you want to shoot first and shoot the left target first on stations four and five. Keep your head on the stock when looking for the second target.

Gun hold

Start a little higher than in Trap, roughly horizontal or just under.

Enjoy the challenge! ●

Many thanks to Ian Coley, Richard Faulds and Kevin Gill for their contribution.

DTL Weekend heads to Bywell

JACK CAVILLA PREVIEWS NEXT MONTH'S EXCITING DTL WEEKEND

BYWELL SHOOTING Ground in the heart of Northumberland will host the DTL Weekend for the sixth consecutive year on June 9-11. The Premier Plus ground was first established in 1980 and you can guarantee that the Henry family will once again present the ground immaculately and host a memorable Championship.

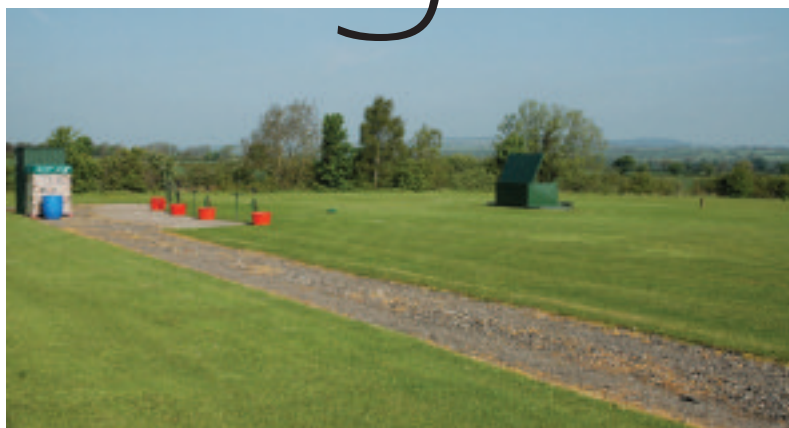

All eyes will be on Jim Doherty on the Saturday as he starts on his quest to win the prestigious Dougall Memorial Trophy for the fourth consecutive year. The historic competition is entering its 121st year, with the trophy first being presented in 1896, making it one of the oldest pieces of silverware in any sport.

Either side of the Dougall Memorial there is the sponsored Down the Line on the Friday to kick the weekend off and the English Open DTL closes the event on the Sunday. Each competition will see the shooters take on 100 DTL targets.

Last year Shane Smith shot the only perfect score in the Sponsored DTL to take the honours. Michael Turner retained his English Open DTL crown after an exciting shoot-off, so he'll be aiming for a hat-trick of victories this time round.

The Henry family, who run Bywell Shooting Ground, are clearly looking forward to hosting the DTL Weekend again. "We are honoured to be hosting the DTL Weekend this year," explains Anne Henry. "It always creates a fantastic buzz around the ground with enthusiastic shooters. It is great to catch up with new and old faces from the DTL world who come to shoot the major CPSA Championships and we can't wait to see this year's DTL Weekend unfold."

Eley Hawk are the headline sponsor for this year's

“ WITH THREE EVENTS ALL ROLLED INTO ONE WEEKEND IT REALLY IS THE ONE EVENT THAT ALL DTL SHOOTERS WANT TO WIN ”

DTL Weekend, with Blaser focusing on the English Open. Eley are supporting the whole weekend with a financial contribution and product – 10,000 cartridges and cash – to be shared among all the category winners in all three of the events. Blaser have also contributed cash to the English Open DTL prize fund.

Eley Hawk's Marketing Manager David Thompson comments: "Following on from a really strong DTL Weekend at Bywell last year, Eley Hawk are proud to be involved again with the CPSA and Bywell Shooting Ground in what is one of the longest-running competitions in the world. With three events all rolled into one weekend it really is the one event that all DTL shooters want to win."

"As Eduardo Hernando, Managing Director of Eley Hawk, said, we are proud to donate cartridge prizes and sponsor this event as it epitomises everything we stand for; long-lived sportsmanship, consistency in shooting down the ages, the best in Down the Line shooting which we have distilled into the one cartridge that now leads and wins on the DTL shooting scene – DTL Gold by Eley Hawk."

Robert Sajitz, CEO at Blaser Sporting Ltd, comments: "Blaser are proud to be sponsoring the English Open DTL at the DTL Weekend in June. We are looking forward with eager anticipation to see if Michael Turner can complete his hat-trick of victories in this competition, which would be a fantastic achievement. It is a great opportunity for us to meet all the DTL shooters competing at Bywell over the three days and we are delighted to be contributing to an excellent prize fund for the English Open DTL."

"Blaser will be sponsoring an extra prize for the highest scoring Blaser shooter in the English Open event, where you could win an additional £500. The only criteria is that you register yourself with the serial number of your Blaser shotgun to qualify upon entering the event."

There are still spaces available for the three competitions. Any CPSA members who wish to book on can do so online at championships.cpsa.co.uk or by calling HQ on 01483 485400. ●

Buying your first gun

KATE GATACRE
OFFERS PRACTICAL
ADVICE ON HOW TO
BUY YOUR FIRST GUN

BUYING YOUR first gun can seem a daunting task – there's the paperwork to deal with, the security arrangements and, most importantly of all, choosing a gun. Should you buy second-hand, should you buy brand new, high-end or mid-range? And that's to say nothing of the specifications of said gun. There are so many choices, and it can feel like every person you talk to or every online review you read gives you opposing advice. Whatever happens, buy from a reputable dealer, whether you are buying new or pre-owned.

FIRST AND FOREMOST: LEGALITIES

Before you buy a gun, you need to get a certificate. To the uninitiated, this may seem like a quagmire of paperwork, but it is, in fact, relatively straightforward. You'll need to find out which your local licensing force is, which you can do online, and then download their application form. Previously, you needed someone who belonged to a listed profession (such as a doctor or lawyer) to countersign your application; now it simply needs to be someone who has known you for at least two years, but isn't a relation, serving member of the police force, a police employee or a registered firearms dealer. And, while it may seem obvious, the counter-signatory should be a person of good repute. You'll need to answer questions on your health, notably whether you have had mental health issues, as well as whether you have any previous criminal convictions including speeding fines. The police will check on these and the two sections must be filled in accurately. It's worth sending in your application by registered delivery, so that you can be sure of when it was delivered.

Once you've passed the first approval stage, a firearms enquiry officer (FEO) will visit you to talk to you about your application. They may ask why you wish to own a gun – the answer to which does not need to be more elaborate than that you are taking part in shooting activities. The next step will be to install a gun cabinet – and it is worth, while the FEO is interviewing you, discussing where you intend to place the cabinet to ensure that it is satisfactory before you drill large holes in your wall. The cabinet should comply with Home Office Guidance and be secured to the fabric of the house – the method varies slightly according to what material the fabric is.

GO GUN SHOPPING!

If your experience of shooting has, to date, been at shooting school, you will most likely have used a Beretta or Browning, which are most commonly used. If you've got on well with one of these, do by all means make a note of the model and try to find one. If you're unsure as to what you like using, try to find somewhere that allows you to try the gun before you buy. One such place is William Evans, at Bisley, where

*your
quick-fire
guide*

General Manager Richard Warwick tries to accommodate, "as long as you have a shotgun certificate and insurance or are accompanied by a shooting instructor employed by one of the two shooting grounds at Bisley."

BUY FOR YOUR DISCIPLINE

When someone comes in to buy a gun, Richard's first question is always: "What sort of shooting will you be doing?" If you've already decided on a speciality, such as Trap or Skeet, you will need to tailor your gun to those disciplines. However, if you aren't yet sure, a Sporting model will be the best starting point.

TOP OF THE RANGE, WITHIN BUDGET

"Always spend as much as you can within reason," Richard advises, "If you buy at the bottom end of the scale, and you start improving, you'll find after a short time the gun won't be good enough and you will want to upgrade." Not only does this mean you'll have to spend more in the long run, but you'll lose out on the price of your first gun, too – a low-end gun won't hold its value like a higher-end model. Richard also suggests that if a new gun at the higher end is beyond your means, consider a second-hand gun: "The better guns don't depreciate in value and will hold their

“SHOOT WITH YOUR NEW GUN AS OFTEN AS POSSIBLE, SO THAT YOU GET USED TO HOW IT FEELS AND ARE COMPLETELY AT EASE WITH THE HANDLING

price well, but do buy from a reputable gun shop, so that you know the gun is in good condition.”

FIT FOR PURPOSE

Should you worry about the fit of your first gun? Most are made to a standard measurement, with a length of pull at between 14.5in and 15in, so unless you are exceptionally tall or of a smaller than average stature, it shouldn't matter too much. “It's a chicken and egg situation,” Richard believes of fit. “I have customers who have used a gun four or five times coming in to say it doesn't fit, but the problem is that they aren't shouldering the gun in exactly the same way every time.” The top shooters will usually have their guns made to measure, but early on in your shooting career, as long as the stock isn't far too long or short, or too low in the comb, a standard stock should be adequate initially. “Shoot with your new gun as often as possible, so that you get used to how it feels and are completely at ease with the handling.” Once you have a good gun mount, you can then refine your gun fit.

A 12-gauge will suit most shooters, though you do need adequate upper body strength, so some women prefer 20-gauge. Both of these are easy to resell, but what does make a difference in guns for clayshooting is the barrel length, according to Richard: “Always buy a gun with 30in barrels, unless you have very little upper body strength, in

which case go for 28in barrels. Guns with 30in barrels are easy to resell, but 28in barrels are slightly harder.”

DON'T GO CHANGING YOUR MIND

Richard says he occasionally has a customer who keeps switching guns, which is a bad idea. “When you start shooting you are going to have good and bad days, but if you keep changing guns, you'll find you have more bad days than good.” Of course this is not to say that every gun suits every person, but you have to spend many hours practising and becoming accustomed to the feel of a gun before your scores consistently start improving. A sure way to fail, however, is to force yourself to use a new gun every time you shoot. You should always shoot with a new gun for at least six months to get used to it, before considering changing.

DON'T PUT THE CREDIT CARD AWAY JUST YET!

If you are buying a gun, you'll need a few accessories: eye protection, hearing protection, gun slip and cleaning kit. With hearing protection, it's certainly worth splashing out on electronic ear defenders or in-ear electronic ear defenders. Not only does this mean you'll be able to hear what your coach is telling you without taking them off, but the protection they offer is far better. When buying eye protection, it is also worth spending that bit extra so that you have a variety of coloured lenses and won't find you are missing clays because the sun is in your eyes. Go for a strong, durable gun slip, which will last a lifetime. Go for a good quality cleaning kit – and use it, diligently, after every shooting session: look after your gun, and it will give you a life-time of pleasure. ●

SARAH DALY REPORTS ON THE ACAPULCO WORLD CUP, WHERE BRITAIN'S AARON HEADING HAD CAUSE FOR CELEBRATION

BRONZE FOR AARON

Acapulco hosted the second World Cup of the 2017 series in March, which saw Aaron Heading mount the podium having taken bronze in the Trap Men.

Aaron and Nathan Hales were target for target after the first three rounds, both posting 72ex75 having shot 24ex25 in each of their three rounds, to lie in equal 14th place at the end of the first day with Matt Panter only one target behind on 71.

Aaron posted an impressive 50ex50 on the second day, putting him in a four-way shoot-off for three places in the finals from 122. He looked strong in the finals missing only one target in the first 20 and going on to finish in bronze after putting Daniele Resca (ITA) out to fourth place. Nathan dropped just one target on day two to finish ninth on 121.

Aaron said, "Making the finals was great. I'm over the moon bringing home a bronze medal for the country again and it's been good working with GB coach Chris (Dean)."

"It was interesting experiencing the new finals rules and I loved it, until the fourth place got knocked out, then it felt rushed moving between stations, particularly from five to one."

"A special thanks to Beretta, Fiocchi and Laporte and GMK for staying with me through the quiet period of a medals run and for their continued support."

Aaron has the convenience of having his own ground, The Priory Clay Target Centre on the Lincolnshire/Norfolk border, which he runs with fiancé Natasha, but says, "It's meeting new people and helping them come into the

sport that brings me a lot of joy at the ground."

New Cap Matt Panter, Assistant Manager in Ian Coley's Gun Shop, made his first appearance in the Trap Men, finishing a very creditable 119ex125. "Ian (Coley) has been really understanding and supportive with time off for training and events," he said. "I know he was at home watching every shot as he sent regular texts!"

"It was a good trip. Even though we had a train delayed at Houston which meant we got to the competition later than expected, it seemed to help in some ways as we all had time together to gel as a team in Houston. We decided that we were going to Acapulco and make the most of our situation, even though we didn't arrive until the day of the competition."

Sarah Wixey looked strong at the end of the second round, lying equal second on 48ex50, but a 21 in the last round knocked her out to 14th place on 69ex75. Kirsty Barr was just one target behind on 68 with Caroline Povey on 67.

GB coach Chris Dean was the Trap Team coach for Acapulco, and has been working closely with Aaron since late last year.

"Prior to the event we had been looking at Aaron's routine and made a couple of small but significant adjustments, just looking to make those marginal gains that can make the difference," he explained.

"Aaron stayed very focused throughout the event, including the mixed pairs which was on the third day, shooting 49ex50, which meant he shot a very impressive 171ex175 in competition."

"The journey to Acapulco was a bit of a nightmare but the whole team stayed upbeat. They all performed really well, without exception, including everyone shooting a GB qualifying score. All in all, a very good trip with a bronze medal for Aaron and GB to smile about. I was very pleased for him."

Amber Hill was close to a final, dipping out on a four-way shoot-off for two finals places. ●

Mar 4: Thimbleby Shooting Ground Winter Series

A big thank you to everyone who has supported this event since November – it has been a cracking series. Also, a big thanks to Paul Foster and his team who have worked very hard to put this together.

The winner was T Webster with 44/50, second was I Mullarkey on 43/50 and third was M Webster with 42/50. *Ian Edwards*

Mar 5: North Region Skeet Doubles Championships – North of England CTC

The day was grey with occasional light rain and 31 shooters from around the Region competed. Steve Leppington and Gary Cooke had to shoot off for the title, both having shot 99 ex 100. In the thrilling shoot-off, Steve narrowly beat Gary to take the win. This gave Steve the Northern Region Champion, Northern Region Veteran Champion, Yorkshire Champion and Yorkshire Veteran Champion titles! Gary Cooke was a worthy second and Andy Parsons took third with 98 ex 100. Thanks to everyone who was involved with this event. *Dave Barratt*

Mar 12: 50 DTL Arnison Shield/50 ABT – Penrith

The weather was on our side for this shoot. Tom Robinson and Les Elwell shot a full house each,

with 150 in the 50DTL and a shoot-off for the Arnison Shield. Tom won the day with Les coming a very close second!

Steve Allan was not far behind them on 149, followed by Dave Bell on 147, Tony Common on 146 and Dudley Coward on 145. Jim Bentham keeps popping up near the top with 146 in B/O. Our youngest competitor of the day, Dan Taylor, shot another good score, winning his class. In the ABT, M Shaw won High Gun and A Class with 50 kills. His father, Ian Shaw, was close behind on 47. Tom Robinson, Steve Allan and Les Elwell had 48 kills, Ian Johnstone had 47 and Dave Fisher had 46. Bob Singleton shone in the Sporting with the best score of the day – 23! *Lesley Macbeth*

Mar 19: Malcolm Midgley Memorial Shoot – North of England CTC

What a turnout! 106 shooters from all disciplines took part in this 100 All-Round in memory of Malcolm. The weather was windy, making some targets difficult, but this didn't stop Paul Foster finishing on an incredible 97 ex 100. Paul was the High Gun of the day and won the trophy (donated by the North Region CPSA Committee) and cartridges. First and second places in each class also received cartridges. Caps and cartridges were donated by R Hall (Eley), Paul Chaplow (Hull) and R Blacker (Victory).

It was nice to see Jean, Malcolm's wife, and her family attending and supporting the event. Jean also kindly presented the prizes.

A special thank you must go to all the staff at the North of England CTC, especially Sean and Judith, for putting on a brilliant shoot. Thank you and roll on next year! *Linda Blacker*

Mar 26: DTL Selection Shoot – Spennymoor GC

The weather couldn't have been better – there was no wind and the sun was shining. There was a big turnout of shooters and some fantastic scores. RL Elwell and PC Frankland won with 100/299. T Robinson was close behind with 100/298.

Very few Juniors shot on the day. If you know any Junior who would like the opportunity to shoot for the North of England at the English Open, please bring them to any three of the Selection Shoots. It would be a fantastic way of getting more Juniors to take part in the DTL. There are now only two Selection Shoots remaining: Penrith (May 7) and North of England (May 14). *Emma Holden and Charlotte Kitchen*

Mar 26: 100 DTL, Raymond Scott Trophy – Penrith Gun Club

The weather was absolutely fabulous for this shoot. The sun shone all day and everyone was on great form.

Mervyn Turkington won the trophy, Sporting and High Gun with 100/297. Tom Robinson was just behind with 100/296, followed by Tony Common 99/294, Les Elwell 99/293, Steve Troughton 99/292, Jim Bentham 100/291 and Dave Wright 98/291 – all just a whisker apart! Bryan Whitehead won his class – well done! The two Juniors, Jack

Douglas and Dan Taylor, did well – Jack shot 95/273 and Dan shot 92/270.

Thank you to Reg, John, Ken, Harold, Mike and Deryck and members for all the unseen work that continues to keep the club on track. As always, thank you also to the wonderful catering members: Elizabeth and Donna. We couldn't run the club without all your help and appreciate everything that you all do. *Lesley Macbeth*

Mar 26: 100-Straight Club Championship – Northampton SG

This was the first big shoot of the Skeet Calendar. A watery sun and cool breeze made the targets a little unpredictable but the leading score for much of the day was a massive 99 ex 100 from Russ Dean (Yorkshire)!

The final squad went out at 15:10, as the lowering sun began to make things more difficult. However, this was Team Yorkshire – Steve Leppington, Jon Cain, Andy Parsons, Gary Cooke and Daryll Taylor. Steve Leppington finished with the only 100-straight of the day, taking away the High Gun trophy, the Champion's trophy and the Veterans trophy. Team Yorkshire also walked off with the Team trophy. Daryll Taylor deserves a special mention for stepping into the team at short notice and shooting a brilliant 96 ex 100. *Dave Barratt*

Mar 12: Sportrap Championship – Fauxdegla

This was a very busy day with 12 squads representing Merseyside, Cheshire and West Midlands. It was a pleasure to meet three new Merseyside shooters, two of whom went home with a badge!

100 birds were shot on four layouts, each one testing but without any silly or unhittable simmo pairs or targets. The County Champion was Dave Walker, Ladies Champion was Charlotte Norman and Colt Champion was James Southwood.

Many thanks to Mike, Debbie and all the staff for putting on a great day.

Until next month, shoot straight!

Mar 5: Single-Barrel County Championship – Nottingham and District

Dave Hinchliffe conquered the cold, wet conditions to win the title, shooting 95 ex 100. Bryan Ward was runner-up on 94 ex 100, closely followed by Geoff Flint on 92 ex 100. Veterans Champion was Geoff Smith on 88 ex 100, followed by Gary Webster on 80 ex 100. Ladies Champion was Chris Thacker on 88 ex 100. Well done to all the winners.

Mar 12: First DTL Selection – Nottingham and District

David Weston was the top scorer in the Seniors with 100/300. He was followed by Ian Roper on 99/294, Simon Taylor on 98/293, Keith Ritchie on 99/293 and Steve Pinch on 98/290. Top in the Veterans was Dave Hinchliffe on 99/295, followed by Vernon Lathwell on 100/294 and Gary Webster on 98/286.

Mar 12: Derbyshire vs Nottinghamshire DTL Friendly Challenge – Nottingham and District

This was the first leg of our Help for Heroes friendly against Nottinghamshire. Sadly, despite some excellent shooting from Derbyshire's shooters, Nottinghamshire won 2946/3000 to Derby's 2911/3000.

Derbyshire's top scores were David Weston on 100/300, Dave Hinchliffe 99/295, Ian Roper 99/294

and Vernon Lathwell with his first ton, 100/294. Other top 10 scores were Simon Taylor 293, Keith Ritchie 293, Steve Pinch 290, Gary Webster 286, A Christie 284 and Geoff Flint 95/282.

Mar 19: First Skeet Selection – Nottingham and District

Top scorer in the Seniors was Alan Barnes on 94 ex 100. He was closely followed by Steve Pinch on 93/100 and Geoff Flint on 91/100. In Veterans, Ron Baron was top with 90 ex 100, followed by Billy Parkin on 89/100. Top Junior was Matthew Pegg on 88/100.

Mar 19: Derbyshire vs Nottinghamshire Skeet Friendly Challenge – Nottingham and District

This was the second leg of our Help for Heroes friendly and it was held in challenging conditions. Unfortunately, Derbyshire wasn't quite strong enough to fend off Nottinghamshire's challenge and had to relinquish its seven-year hold on the trophy.

Top scorers for Derbyshire were Alan Barnes 94 ex 100, Steve Pinch 93 ex 100, Geoff Flint 91 ex 100, Andrew Dixon 90 ex 100, Ron Baron 90 ex 100, Graham Smith 89 ex 100, Matthew Pegg 88 ex 100, Mark Badkin 86 ex 100 and Gary Webster 85 ex 100.

A total of £500 was raised from our two Help for Heroes events. Thanks to all shooters who took part and thanks to Carl and his staff at Nottingham and District Gun Club for holding both shoots.

If you have any news or results for either the website, *Pull!* or our Facebook page, please contact Geoff Flint at geoffflint@rocketmail.com, at derbycpsa1@rocketmail.com or on 07778 639691, or any of the shoot reps.

Mar 26: 100-Straight Club – Northampton SG

Congratulations to Julie Havill on winning Ladies at the 100-Straight Club Shoot. Chris and Julie won the Husband and Wife Trophy with 189/200. Well done to you both.

EGM

At the EGM, the following committee positions were filled:

- **Vice-Chairman:** Steve Lovatt
- **Media Mogul:** Doug Pinnegar
- **Committee Member:** Kevin Childs
- **West Midlands Region Representatives:** Stewart Keen and Steve Lovatt

Sporting

By the time this gets printed, the first two County Selection Shoots will have been shot.

The concept of the Selection Shoot process for the Seniors was discussed and agreed at the AGM and has generally been well received. Last year's County Championship attracted 19 Senior qualifying entries; 21 entered the first Selection Shoot this year. The County should be able to send both A and B Senior teams in 2017, providing those asked to represent the county are able to do so.

FITASC

As raised at the EGM, we are still looking for a Team Manager. It is our intention to send teams to all of the West Midlands Inter-counties events. The team will, in all probability, be selected by the Team Manager. Again, please do check our social media for updates.

Skeet

Gloucester will be running Skeet introduction sessions throughout the summer along with 'have a go' days. Please check their website for dates. Don't forget to take a friend too!

County Sporting Shorts

Well done to the following shooters who participated in the County's registered 100 Sporting shoots during March:

Mar 1 (Ian Coley Shooting School): Phil Bundy was equal second in A Class with 84 ex 100. Sean Foley was second in C Class with 74 ex 100.

Mar 5 (Longridge): Doug Pinnegar won C Class with 79 ex 100 and, in A Class, Matt Turk again made a mockery of his A status with a stunning 93 ex 100. Second in A Class was Stewart Keen on 86 ex 100.

Mar 12 (Westfield): This was the first County Sporting Selection Shoot. In C Class, Alan Payne shot an excellent 70 ex 100. In A Class, Matt Turk and young Harry Lovatt both shot 85 ex 100 to share the second place money. In AA Class, Adrian Johnson was third with 94 ex 100. First in AA Class was Chris Biddlecombe with a superb 95 ex 100 in what was his first shoot of 2017.

Please keep an eye on the West Midlands Region website for the dates of all the Region's events and any news. An increased presence of our County's shooters would be very welcome.

Krieghoff and Gamebore Winter Series

Five Hereford and Worcester DTL shooters competed in the Krieghoff and Gamebore Winter Series. In the Krieghoff Winter Series, Chris Moule took first place in AA Class. Jack Ruane won in A Class and the Juniors. In the Gamebore Winter Series, Dan Price had to be content with joint second in AA Class – despite his score of 100/299 – and Lee Kirby took third. Well done to all of you. *Jerry Ruane*

County news

I hope you have all received the County newsletter and that you will be able to attend as many County shoots as possible this year, along with the Inter-county Team and Area events. All the County dates are on the website – the primary source of up-to-date information (please check it in case any dates change). Please be aware that some grounds will only accept telephone bookings in advance of the competition.

We are very proud of our Juniors for winning the West Midlands Juniors event and getting £250 for the County. We will be wishing them continued success this year, along with new Juniors who wish to shoot for us.

We are now looking for more Ladies to take part in shooting with the County teams. If you want more details of the recruitment campaign for either Juniors or Ladies, please contact a member of the Committee or email Pat Smith. *Rod Davies*

If any Hereford and Worcester members are interested to shoot for the County at any Inter-county events, please get in touch with a Committee member to put your name forward. We are looking for Junior and Lady members to take part in these events as well.

Mar 12: West Midlands Area Sportrap Championship – Fauxdegla

This event was well attended by Shropshire shooters. Despite it being a tough shoot, all posted very respectable scores.

Shropshire High Gun was Dave Harley with 87 ex 100, closely followed by Stu Burgess and Neil Meredith on 84 ex 100 then Gary Edwards on 83 ex 100. The Veterans was very close with just two targets separating first and third. Shropshire managed to take first and second – Roy Jones shot 80 ex 100 to become West Midlands Area Veteran Champion and Nick Williamson shot 79 ex 100 for West Midlands Area Veteran runner-up. Dave Brick narrowly missed out on third, shooting 77 ex 100. In the Ladies, Julie Burton came away as West Midlands Area Ladies Champion shooting 74 ex 100 despite it being only her second Sportrap shoot! Jess Moore collected third with 55 ex 100.

It was also a fantastic day for one of the County's youngest shooters: Archie Hughes. Archie had a very wobbly start but pulled it back together to finish with a 22 ex 25 on the final layout. This saw him pick up Junior gold and the title of West Midlands Area Junior Champion.

Everyone who attended shot very well. Congratulations to everyone who earned a medal.

Jess Moore

Jess is one of the many Shropshire Trap shooters who have proved their worth and made the Great Britain team. She has been out of shooting for more than a year with a serious back injury but is

slowly working her way back into the swing of things. Having spoken to Jess a few weeks ago, she said that she will once again be shooting Great Britain Selections for both OT and ZZ. As a County, we want to wish Jess all the best for the year ahead. We are glad to have you back fighting fit.

By the time you read this, we will be well underway with the competition season. However, at the time of writing, we only have one shoot to report on.

We kicked off the season with a brand new venue for us: Priory CTC. Formerly known as Sutton Bridge, it is now under the ownership of Aaron and Natasha who are making great strides in encouraging back old shooters while also welcoming those who are new to the sport.

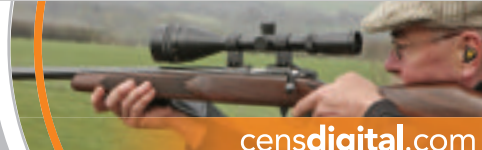

The event was the East Midlands Single-Barrel Championships. Shooters were welcomed to the ground with our new flags and banners – a small investment for the Region but one which we hope will enhance the atmosphere of championship shoots (rather than having them resemble run-of-the-mill 100-bird shoots).

This shoot has previously been held at Nottingham and District GC, and just one shooter made the journey from Nottinghamshire to south Lincolnshire. However, he took the trophy back with him – congratulations to Adrian Snell who recorded a great score of 98 ex 100! At the halfway point, Adrian was tied for the top spot with a couple of 24s but two straights in the second half eased him away from the field.

Runner-up was the current Regional Double-Rise Champion, Matt Sheldrake from Cambridgeshire, who finished two clays behind Adrian. Josh Mathewson from Norfolk took the bronze medal.

In Ladies, Audrey Smith from Norfolk just eased the current Regional Ladies Supreme Champion Hazel Whiten off the top spot with a single-clay advantage.

In Veterans, it was Barry Dunmore from Lincolnshire with a score of 94 ex 100 who took the title. Runner-up was Richard Gilbert from Norfolk, just three clays in arrears. Martin Grimwood of Lincolnshire completed the winning line-up by finishing third.

Many congratulations to William Gilbert of Norfolk who took home the Junior title – his first in the region.

Thank you to all those who attended and to our hosts, Aaron and Natasha.

Don't forget that you can keep up with all the regional shooting, results and photos by following us on Facebook or visiting the Regional website.

Welcome to another Cambridgeshire report! At the time of writing, we have not yet kicked off the season but, by the time this finds its way to your doormat, we will be well underway.

Some of our shooters have been trying to practise the gun down method for Olympic Skeet. Having shot this method myself many years ago (in fact, winning the Cambridgeshire Championship in 1992 with a 93 ex 100), I doubt they know the difficulties and are in for an eye-opener on April 2 at the Priory. I doubt Freddie Killander, the 2016 Cambridgeshire and East Midlands Champion, will quake in his boots.

Your Committee is once again running the 100 Club raffle. This seems to be popular with shooters and is a good chance to win some cash! It also helps with funding County badges and trophies.

I would like to take this opportunity to congratulate Nicola Heron on her appointment as National Director and bring to your attention that the dates for our shoots are now on the website. You can now plan your holidays without missing your favourite events!

Winter Series success

For the dedicated clay shooter who likes to shoot in wind, rain or snow, the Winter Series events are an ideal way to keep your eye in. The Ladies High Gun at Nottingham and District's Winter Series went to our very own Tracey Bridge. In Beverley CTC's ABT Winter Series, Norman Eaton took the honours.

Shooting ground news

The last year has seen some exciting developments at some of our County grounds. The beautiful Grimsthorpe SG is being made even more appealing with the development of a swanky new clubhouse. The ground's Facebook page shows that this is complete – at least on the outside – so we might be able to christen it at one of our forthcoming championships. The quality of the targets at this ground are already second to none – this new development can only enhance the whole shooting experience. We wish Mark Russell and the team every success.

Sinclair's Shooting Ground is now under new management. The ground, now named the East of England Shooting Ground, is to be given a real facelift. In time, the ground will be remodelled, with DTL layouts being turned round to give a better competition background. The ground is open for business as usual but, for the time being, some aspects are a work in progress. Please bear with them; the end result will be worth the wait.

The Priory CTC has just celebrated its first anniversary and continues to gain in popularity. Natasha, Aaron and their team always ensure that everybody gets a warm welcome. The targets are said to be testing but nobody ever said that clay shooting was meant to be easy – if you can shoot there, you can shoot anywhere.

Congratulations

In spite of his busy schedule at the Priory CTC, Aaron Heading found the time to fit in a trip to Mexico to shoot the ISSF World Cup. However, his journey to Acapulco can only be described as horrendous. A journey that should have taken a day took four days, leaving no time for official practice. Despite this, Aaron still finished up with the bronze medal. He shot 122 out of 125 then a further 33 in the shoot-off – a result that is richly deserved.

Juniors

We have some very determined and dedicated young shooters. Ollie Zaitschenko, Tom Mead,

George Cheer and Jaymee Thompson put in some really good Sporting results last year so we will be watching their progression in 2017 with interest. There was some discussion at the recent East Midlands AGM regarding the age limits for the Junior class, with some feeling that it was a big ask for 15-, 16- and 17-year-olds to compete against 20- and 21-year-olds. However, it was good to hear that the Juniors themselves do not want any special treatment and are quite prepared to improve their performance to match their older competitors. What a good attitude! We also have a new young recruit in Olympic Skeet: Eleanor Horton. Eleanor is pursuing the development programme at Beverley CTC and is showing great aptitude for this discipline.

Mar 12: Sporting Selection – Grange Farm

The day was bright and even a little warm – for once, the sun was shining! There must have been a turnout of well over 100 shooters, with more than 40 from Leicestershire and Rutland.

As the scores show, Adam put on a good mixture of targets, suitable for shooters of all standards. High Gun of the day was Ben Hushwaite who shot 100 ex 100. Adam Curtis finished on 98 ex 100 and Dave Cockerill was on 96 ex 100. Veterans Arnie Heister and Malc Hushwaite both cleared 95 ex 100, and there were 10 or so who shot more than 90 ex 100. The Ladies were led by R Owen, L Hadfield, E Figliolini, J Herbert and J Wheatcroft. In the Juniors, S Houghton and B Murray amassed 162 between them.

Many thanks to Grange Farm for a great shoot. Things are looking good for us fielding a strong Leicestershire and Rutland team later in the year. The second Selection shoot will be at Kegworth on April 30-May 1 – you can shoot either day.

Mar 19: ZZ Helice – Rugby TC

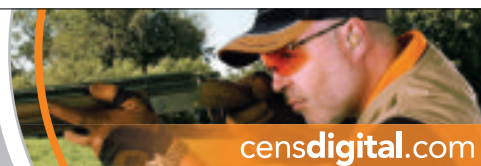

Again, the day started bright and sunny with a strong breeze – not ideal conditions for shooting clays! I turned up with Tony Cox, Eric and Graham Kendrick (both previous winners), wondering what I had let myself in for. To cut a long story short, I came home with a trophy, a winner's medal, a badge and a smug grin on my face! I couldn't believe it!

I also met a gang of very nice shooters, including H Batt (High Gun on 21 ex 24) from Kent, Marcus Iddon from Shropshire and Phil Negus from Sussex, all willing to offer pointers. It was good to shoot with some top brass. The day was very enjoyable and I will definitely shoot this again. Thanks to John Nightingale for hosting this event.

Mar 22: Success for up-and-coming Junior shooter, Bobby Murray

Bobby Murray recently won the University Championships at Oxford Gun Company with a score of 96 ex 100. Second place was Benjamin Khor of Portsmouth University and Taylor Hedgcock was third from CRC College.

Our next event will be our second Sporting Selection shoot. For further details and a list of more of our events, please visit our website. We look forward to seeing you at these events.

Last but not least, congratulations to Joy for being nominated for the CPSA Clay Shooter of the Year. Well done, we all love you (but don't tell Rob that!).

Good shooting and keep your powder dry.

County support for Inter-county competitions

At this time last year, I was writing about our strong position to win the Director's Trophy. Under Laurie Cookson's team management, we fielded teams for ABT and DTL whose sterling efforts

managed to secure us second place in the final tally – only two points behind the winners.

I am again writing about our strong position to win the Director's Trophy because, not only will Laurie again manage the ABT and DTL teams, but Jeremy Baker has agreed to field a FITASC team. If you couldn't make the County FITASC Competition at the end of April but still want to shoot for the Inter-counties, please contact Jeremy or Roy to offer your services. This could be the year that Northamptonshire lifts that trophy.

Talking of lifting trophies, County shooter Kirstin Vogel lifted 250 cartridges and a badge at the regional AGM when she was presented with the Regional Junior Supreme Champion prize. Kirstin has also just returned from the 2017 Universities Championships with the Overall bronze medal in the Senior Girls Championships.

The compiling of the fixtures has proved tricky this year and, as such, there have been a few changes made to the initial lists. For the most up-to-date information, please make sure that you visit the Northamptonshire CPSA website or Facebook page.

Fixtures

For a long time, County shooters have had to leave the County to practise their Sportrap skills. However, the ground at Sywell has recently had a Sportrap layout where shooters can practise. This should give County shooters a chance to practise the discipline to a level where they feel comfortable entering the County competition. If you would like to try your hand, please speak with Roy and he will give you more details. While the County Sportrap competition date has yet to be decided, this will be a good chance to improve your skills.

We want to support you

How would you like your County CPSA Committee to support you and promote shooting in the County? Initiatives in recent years have been: support for colt shooters, part-payment for County Skeet jackets to wear at Inter-county competitions, DTL mentoring and class prizes for our three big shooting competitions.

The support for class prizes will be extended this year. Northampton Gun has confirmed its continued support for the County Sporting competition and the CPSA Committee has agreed to sponsor the County DTL competition this year. This brings the total of competitions with class prizes to four.

What do you think would encourage more people to take up shooting or to compete in County and Inter-county competitions? If you have any suggestions, please speak with Roy or Marty at NSG, or post a suggestion to our Facebook page.

County All-Round

Please note that the County All-Round Championship will take place on May 29 at Nottingham and District GC – not in April as printed in last month's issue. Apologies on my behalf.

Nottingham and District DTL Winter Series

Ken Rimington was the winner of this year's DTL Winter Series, adding the title to his Sporting Series win. This section of Pull!! will soon have to be renamed the 'Ken Rimington Autobiography' – not because we are biased but because the man just won't stop winning competitions! Dave Weston was close behind Ken in the DTL series to take AA Class honours, while local lad Pete Armett was the A Class winner. Mel Tebbett and Geoff Flint won their classes and the ever-present Dave Hinchliffe claimed Veterans. Last but not least was Tracey Bridge, who took the Ladies title across the Lincolnshire border.

Nottinghamshire vs Derbyshire charity shoots

March 12 saw the annual friendly DTL match between ourselves and Derbyshire in aid of the

Above: Ken Rimington
Left: Kirstin Vogel, Regional Junior Supreme Champion 2016, with Janet Stennett, Regional Chair

Help for Heroes charity. There was some excellent shooting on display from both sides, with Nottinghamshire coming out on top with a combined score of 2946/3000.

The following week was the turn of the Skeet match. Despite the challenging conditions, Nottinghamshire won this one too, helped along by some 23 shooters from the County. Both events raised a total of £500 for a fantastic cause. Well done and thank you to everyone who contributed.

Single-Barrel County Championship

The first of our County Championships this year was the Single-Barrel – I bet you can't guess who won it. Mr Rimington's 99 ex 100 was enough for a comfortable win on what was a dreadful day. Sarah Odam won not only the Ladies shield but the C Class salver as well. Pete Armett shot very well to set the benchmark at 97 ex 100 early on – this eventually got him AA Class. James Cheung edged out Jack Richards in Juniors. However, Jack did take B Class for his troubles. Regular Skeet man Steve Hilton had another bang on the head and shot Trap again – quite successfully too. He took the A Class salver with a very respectable 94 ex 100.

Double Trap

As you are probably aware, the County Double Trap shoot was cancelled in March due to a lack of entries. This will be re-arranged for later in the year.

The Committee met in March and elected the Team Managers for this year's East Midlands and National Inter-county Championships. They are:

ABT: Dick Hails
All-Round: Dennis Meekings
DTL: Barry Randall
English Skeet: Darren Parsons
FITASC: Andy Coppen
Sporting: Chris 'Puff' Baker

With no County Championships in May, I guess everyone will focus on the English Open at Highwaysmans? In June, there will be three evening championships at Eriswell Lodge (opposite Lakenheath airbase) so please keep these evenings clear if you wish to compete. The ABT will be used to select the Inter-county team. These will also be another opportunity to add

more points to your Supreme County Champion tally and gain another raffle ticket for the chance to win a free entry in 2018.

If anyone is interested to represent Suffolk later this year, please contact either the Team Manager or anyone from the Committee for details. You can also use the telephone number and website that is included at the start of this article. It was an amazing start to the County championship season for Dean Horswell, who won two championships in two weekends.

Above: Dean Horswell – Avon Sporting Champion (presented by Dave Woolcott)

Below: Dean Horswell – Avon FITASC Champion (presented by Sean Ponting)

Mar 19: Avon English Sporting Championship – Meadowcroft SG

The blustery conditions made targets lively and sometimes very difficult. The event attracted not only competitors from Avon but from all over the Region. There was a high turnout and shooting took place over 12 stands.

The event had a close finish, eventually seeing Dean Horswell regain his Avon title with a superb 93 ex 100. Dave Clifford finished as runner-up with 85 ex 100 – a single-shot advantage over Robin Heal who was 2016's champion.

Another strong performance of the day was from Emma Stacy who shot a great 90 ex 100. Not long before, she had also won the John Newton Trophy for the outstanding Junior shooter of the year in the South West Region. Emma used this event as a practice for shooting in the World Championships for the England team.

Trophies for other classes were also awarded with M Williams winning A Class on 83 ex 100, J Stott winning B class with 77 ex 100 and J Hosken winning C Class.

Trophies were presented on the day by the ground's owner, Dave Woolcott. For those who left early, prizes are available at the ground for collection.

Mar 26: Avon FITASC Championship – Gunsite SG

What a stunning, sunny day this was – a huge contrast to the previous week. Dean Horswell again powered forward, regaining his title with a well-crafted 88 ex 100. Robin Heal chased Dean all the way but finished second on 86 ex 100. Dave Clifford came in third with 83 ex 100. The event was shot over five layouts with superb targets set by Sean Ponting.

The Avon Sportrap championship will be held at Meadowcroft SG on May 21 in conjunction with a registered 100-bird English Sporting event. This year, as an indication of the high reputation of this facility, the Sportrap will be held in partnership with Somerset and four new layouts will be installed prior to the event.

Further expansions, with DTL/ABT layouts and registered competitions, are planned at Meadowcroft in the near future. Our Trap shooters are waiting with eager anticipation for this to happen – they will be heavily involved in getting the layout and targets right, before any start-up shoots and sponsorship deals for events that are being planned.

Championship venues and dates are to be arranged for DTL, Single-Barrel and Double Rise. These dates will be posted as soon as they are available.

If you have any further news, please contact us for inclusion next month.

The Avon website is hosted on the main CPSA website and can be accessed via the County tab. Also, there is a new email address of rogerfcox47@gmail.com for contact in the future.

Helice County Championship – A1 Shooting Ground

While 43 Shooters attended, only five Hampshire shooters made the trip. This was disappointing, although 25 per cent increase on last year (thank you Trevor Bell). The breezy but dry conditions made targets challenging. The highest score of the day was 18/21 – achieved by five shooters. Mal Grant retained his Hampshire title with a 17 and Hazel Stratton also defended her title to win Ladies. It was a well-run shoot. The prize-fund was an excellent £540, with £200 High Gun, and the pot was shared between nine shooters. If you want to know more about Helice, speak to Mal Grant.

Hampshire DTL at FCTC

Well done to Dave Toomer for winning the Hampshire DTL Championships. It came down to a shoot-off because of a three-way tie between Dave, Roger Deacon and Steve Tarrant (all on 290). Roger had been leading all day but his unfortunate last round saw the others catch him up. In the shoot-off, Dave had a second barrel and Roger had two. Things were still looking good for Steve up until the last peg when he saw a couple get away. Jeff Cooper came out on top of the Veterans Class and Jayne King took the Ladies title. Stephen Ayshford defended his Junior title once again. Thank you to Fareham Clay Target Club for hosting the event and to Brian Coupe for modelling the new team shirts while he carried out the presentation.

Beretta World Sporting Championships

The Beretta World Sporting Championships will take place in the lovely Holywell estate near Swanmore between June 30 and July 2. Check the championship's website to find out more. If you are a Sporting fanatic in any class, this is one for you. It really doesn't get any better than this event.

Mike Phipers

The first County Champion for 2017 was Mike Phipers who won the English Skeet at Brook Bank on March 19. There was a good turnout for the joint Somerset and Devon Championship with five squads taking part. Mike started off well, shooting the first 50-straight to put him in a commanding position. However, he

Above: Somerset FITASC Champions (left to right): James Howell, John Pool, Julian Fairburn and Emma Stacey

Bottom right: Sean Ponting and Kevin Young (FITASC County Champion)

dropped two targets in the third round which opened the door for Adrian Wogan (the County Champion since 2013) to peg it back to a tie on 73 apiece. In the end, Mike held his nerve to straight the last round and pip Adrian to the title by a single target. Well shot Mike. Another notable mention goes to Keith Chapple who won the Veterans title.

Mar 26: Somerset FITASC Championship – Gunsite Sporting Clays

This year, the Somerset FITASC Championship was a joint affair with Avon and Wiltshire. Firstly, a big thank you must go to Sean Ponting for allowing us to have our County Championship there. While we understand that it wasn't ideal for Somerset shooters to have to travel so far, this was the only option available to us. This year's championship saw one of the best battles for the title of recent years – Julian Fairburn began two clays clear after two layouts. Shaun Stacey responded by shooting his next 40 targets straight in order to put them both equal with one layout remaining. Julian kept his cool to pip Shaun to the title by just a single clay, winning High Gun with 95 ex 100. Shaun took the A Class with 94 ex 100. Fantastic shooting by both of them. It was great for the County to have such excellent competition for one of our County titles!

There were some further battles throughout the remaining categories as well. James Howell won the Junior title, John Pool won the Veterans title and Emma Stacey successfully defended the Ladies title which she won in 2016. Thank you again to all the shooters who made the effort to go to the Somerset FITASC Championship – we now look forward to the Somerset Sportrap and Sporting which will take place in the coming months.

County Championship dates

I have received updated County Championship dates from Brook Bank. For the DTL shooters, the County Championship will take place on May 14. For the fast Trap shooters, the ABT will be on July 23. The UTR has been pushed back to July 30 as this will now be a joint Championship with Dorset, Hampshire, Wiltshire and Devon.

Further dates and venues, in addition to any other shoots that are happening in Somerset, will be published on the Somerset CPSA Facebook page.

County Championships

The season is now underway. The FITASC County Championship was held jointly with Avon and Somerset at Gunsite on March 26. It was a fine, sunny day, if a bit breezy. Of the 57 entrants, 19 were from Wiltshire.

Once again, we had some excellent targets over five layouts thanks to Sean and his team. Kevin Young was County Champion with a score of 94 ex 100.

If you haven't been to Gunsite recently, they now have a full kitchen serving a wide variety of food and drink. Full English before shooting anyone?

Team events

We are starting to get some interest in the forming of County teams for some disciplines. However, we still need more people to volunteer. Please get in touch if you are interested in being part of one or more teams. There are no entry requirements for team membership except that you need to be a Wiltshire shooter. Please contact Josh Brown or myself if you are interested. We will also put up entry sheets at the local grounds.

Wiltshire Sporting Challenge

As a reminder, this year's Sporting Challenge will consist of four competitions; one at each of Widdington (date TBC), Barbury (August 27), Urchfont (September 24) and Gunsite (October 8). We are still looking for more sponsors so if you or someone you know is interested in sponsoring the event, please get in touch.

First Sporting Selection shoot

The first of three County Sporting Selection shoots was kindly hosted by Southdown Gun Club on March 12. The conditions were good with fine weather in the morning. However, there was a slight drizzle in the afternoon.

Southdown put on a great variety of quality targets and there was some exceptional shooting by several people hoping to make the team. In total, 21 shooters from Essex made the journey to the rolling countryside of the South Downs. Well done to all who competed in the event.

The current lead position is shared by no less than four competitors, all on 92 ex 100:

- A Cocker
- SM Clarke
- O Wilde
- L Steed

The leading Lady was C Curtis on 73 ex 100 and the highest Veteran was K Hannah with 58 ex 100.

Many thanks to Southdown Gun Club for hosting the event and putting on a great set of targets as usual. For a full listing of the results, please visit the website.

Feb 18: Greater London AGM – Dartford GC

Greater London's 30th AGM took place at Dartford Gun Club on February 18. Sadly, just 13 members attended, including the officials,

even though all the winners of 2016's Greater London events had been notified to collect their award certificates. If anyone has any useful suggestions on how we could hold the AGM to attract a better turnout, please email Peter Carsons, Secretary.

Steve Williams, the Chairman for the past year, opened the meeting. Steve thanked the Committee for its continued work in keeping our association running like a well-oiled machine. All members of the Committee were re-elected into their same roles.

British Shooting's funding increases

Due to the success of Steve Scott and Ed Ling winning bronze at the 2016 Olympics, British Shooting's funding has been increased. This funding will help us, as a shooting community, to demonstrate how all disciplines of shooting are good, fun and safe sports. We will watch and see how the public image of shooting develops over the coming year.

Top shots 2016

It was great to see that some Greater London shooters reached the CPSA's Top 20: Alexandra Skeggs (seventh in Lady Olympic Skeet and 10th in Lady English Sporting), John Parry (ninth in Veterans DTL), Adrian Balham (sixth in Sportrap), John Perry (fifth in Super Veterans Olympic Skeet). It has taken a lot of time, dedication and effort for each of these shooters to get to where they are now. Congratulations and well done from all of us.

Championships

Our Championships have thrown up some new names as well as the familiar ones. Thank you for competing and well done to all the winners.

We would like to thank all the grounds, Team Managers and volunteers who have all helped make our County shoots a success.

Every year, we look for new Team Managers or Committee Members. If you would like to help, please contact us – we don't bite.

We hope you have a happy and successful shooting season, in whatever discipline you shoot.

Annual Awards Dinner

The month of March began with our Annual Awards Dinner which, for the second year, was a great success. A lot of hard work went into organising the evening and it was lovely to catch up with people who had travelled from as far away as Lincolnshire to be with us. The room was buzzing with the chatter of the members who spent the evening catching up on the latest news and gossip.

We had a great raffle which included some amazing prizes, including a semi-auto gun. It raised an outstanding £840, half of which will go back into the County's CPSA funds and half will be donated to Katherine House Hospice.

Pete Farrell collected so many awards this year that he remained in the spotlight for some time! Well done Pete, we can always rely on you to support the County and to shoot well.

Becky Savins collected the County Ladies Skeet award. Well done to her.

Other awards went to Chris Broomfield, Steve Cox and Julian Freeman, to name just a few. Well done also to Henry Mitchell for his County achievements – our County's Junior representation remains strong.

Thank you to Kevin Durrant, Steve Cox, Martin Butler and Becky Savins for all the hard work and dedication they put into the evening. Thank you also to all those County members who supported the evening. Please contact me if you would like a copy of any of the photos from the evening. I am happy to send to you via email.

Mar 5: Sporting – Weston Wood

Despite it being early March, the weather forecast was pretty awful. However, 115 people braved the bad start to the day and shot. For those who waited until midday before starting out, the weather changed dramatically and the sun appeared.

Well done to Tim Thornett who was fourth in AA Class with 89 ex 100. Close on his heels was G Davies with 88 ex 100 – well shot. Oxfordshire's success continued in B Class with W Walker finishing second on 81 ex 100. Second in C Class was taken by J Whitton with a strong score of 73 ex 100. Henry Young continued to impress, finishing first in Juniors with a very good score of 86 ex 100. Finally, at the other end of the age spectrum, G H Ferguson finished first in Veterans with an impressive score of 88 ex 100. Well done to you all.

Cheryl Hall

Cheryl Hall is celebrating two great successes having taken first place in Ladies in two events. Cheryl won at Four Counties with a great 88 ex 100 and at Owls Lodge with 86 ex 100. We are so pleased you moved to Oxfordshire!

FITASC

Southdown hosted a 100 registered FITASC during mid-March. Despite a number of other shoots taking place on the same day, it still attracted 84 entries. Matt Hance shot well, finishing on 84 ex 100 – joint third overall. J George finished second in D Class with a really

good score of 76 ex 100 and Pet Easton finished second in Ladies with a score of 74 ex 100.

Skeet

K Smith shot at Dartford Clay Shooting Club in early March. His score of 96 ex 100 placed him first in A Class. Well done.

OTR

Steve Richards shot well at NCSC mid-March. He achieved a score of 84 ex 100 – first in D Class. Well done Steve.

Don't forget...

If you want to take part in this year's Challenge Trophy, it starts with the ABT in June. Also, if you wish to contribute to this report (I wish someone would), please email me your photos and achievements.

Safe shooting!

Congratulations to Chip Smith and Alex Cobb who shared the honours at our first County Championship of the season. It was a testing Sporting course at Southdown and both winners earned 15 points towards the Supreme Championship with their scores of 89 ex 100. Sarah White won the Ladies with 81 ex 100 and Amy Cribb retained the Juniors title with 56 ex 100.

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

Colt focus

As we go to press this month, publishing lead times mean that there is little to report by way of Sussex Championships. This gives a little space to celebrate a couple of our rising Colt stars...

Will Fenner

15-year-old Will Fenner had a magnificent season in 2016, excelling at County, Regional, National and International levels. He took the Colts Sussex Supreme Championship title by storming to victory in the Sporting, Sportrap, FITASC, Helice and All-Round championships. At Regional level, Will dominated the South East of England Sporting and Sportrap and was Top Colt at the National Inter-counties Sporting. At the British Open Sporting, he finished third in Colts and fourth in C Class. To conclude a magnificent year, Will turned in a superb performance at the World English Sporting Championships, finishing second in Colts and second in C Class.

Above: Will Fenner – Sussex Colt

Right: (Left to right) Alec Sperling, Reg Toms, Paul Bailey and Mat Goodwin receive their prizes at the DSG Olympic Trap Cup

Will's successes have earned him valuable sponsorship from Southdown Gun Club and Mill Farm and, with Chris Potter Guns striking an attractive deal on a new 32-inch Browning 725 Pro Trap, things are looking even more promising for when he moves up to Juniors in 2017.

Tom O'Brien

Another Sussex Colt to watch is 12-year-old Tom O'Brien. Tom burst onto the Sussex clay shooting scene last year, winning the Sussex Colts Double Rise and Skeet Doubles Championships, and finishing in the Silver position in the Colts Sussex Supreme Championship. Furthermore, Tom was part of the Sussex Colts Team which finished first place in the English Sporting National Championships.

Also sponsored by Southdown Gun Club, Tom has been posting some very impressive scores at the Premier facility. Most recently he has embarrassed more than a few AA Class adults by shooting an 85 ex 100 in the Surrey Sporting Championship. Look out for when he gets his eye in at the major events in 2017!

Northall CPC gives special deal for youngsters

Here's some more good news in these cash-strapped times. The lovely people at Northall CPC have announced free shooting for those aged 15 and under (with a paying adult) and half-priced shooting for 16- to 18-year-olds (again, with a paying adult).

Dan Kerwood at Northall is known for his dedication to the development of young talent, having coached his daughter Charlotte, Steve Scott, Guy Franklin and Hannah Gibson to international honours. This latest initiative now means that, along with Southdown, both of our County's registered grounds offer a great deal for youngsters.

Now that our season has finally started, we have had two shoots within a month.

Firstly, we held the Olympic Trap Cup at Nuthampstead SG. For our annual Edgar Bros DSG Olympic Trap Cup, we met at one of the ground's registered Olympic Trap competitions. 500 cartridges were kindly donated as prizes by Ed Barker of Nutty Shooting Ground. These were split between the three podium places in standing and sitting categories.

In the sitting, we had some fantastic shooting from an on-form Mat Goodwin with 93 ex 100. Second was Paul Bailey with 88 ex 100 and third was Alec Sperling with 86 ex 100. In the standing, High Gun was Reg Toms with 86 ex 100, second was George Glover with 82 ex 100 and third was a three-way tie between Neil Long, Craig Williams and David Lewzy, all on 76 ex 100.

A fortnight later, we met at Orston for our first All-Round of the year. Darrel White took High Gun with 83 ex 100 at his home ground.

Our next shoot will take place at Kibworth on May 17. All are very welcome, including anyone new to the sport. Please let us know if you will be coming.

Finally, please don't forget that we have sponsored prizes within the English Open's English Skeet at Dartford in May. Please book via the CPSA website.

AG Adjustable Gun Stocks

If your scores are inconsistent it may be because your gun fit is incorrect, most factory stocks are made to standard measurements, you may not be 'standard'. A fully adjustable comb which allows you to have consistent mounts may be what you need.

I also fit recoil reducers and adjustable butt plates.

Prices start from £150. Cheaper than changing your gun.

Fast turn around usually 3 to 4 days.

GOING GREEN

CLIVE BRAMLEY, CHAMPION SHOOTER AND OWNER OF DOVERIDGE SHOOTING GROUND, TALKS TO *PULL!* ABOUT THE CHALLENGES OF SETTING UP ON GREENFIELD SITES

WHAT ARE THE PARTICULAR CHALLENGES OF SETTING UP COMPETITIONS ON GREENFIELD SITES?

Greenfield sites require lots of planning to make sure you have covered everything. Once you arrive on site you have a limited amount of time to set up and take down, so planning everything from stand locations and infrastructure is critical. You have to also make sure you have all tools and spares required just in case of any issues. You have to think of every possible scenario.

WHAT DO YOU HAVE TO LOOK OUT FOR WHEN RUNNING SUCH COMPETITIONS?

You need to make sure you know the greenfield site well. Find out where the sun rises and falls, as you don't want clays in the sun. Check for footpath locations, shot and clay fall outs. Normal wind direction also helps in setting the course.

WHAT ADVICE WOULD YOU GIVE TO SOMEONE THINKING ABOUT SETTING UP A SHOOTING GROUND?

When we purchased Doveridge Shooting Ground, I had to start the business from scratch. You must make sure that you have the planning permissions and shot fall out land to help protect your business. Purchasing reliable traps and putting in the Wii Card Counting System is a must.

WHAT MAJOR EVENTS ARE YOU INVOLVED WITH IN 2017?

I'm setting and running ICTSF World Championship, setting up and running the Clay Shooting Competitions at seven Countryman Fairs Shows. This includes the Midland Game Fair. I'm also involved in running other smaller competitions at Doveridge this year.

IN WHAT CAPACITY WILL YOU BE INVOLVED?

I organise, course set and run all the events mentioned.

HOW HAS SHOOTING CHANGED SINCE YOU FIRST STARTED OUT IN THE 1990s?

It is so much more expensive to shoot now. Cartridge prices are crazy.

IS THERE A PARTICULAR PART OF YOUR JOB THAT YOU ENJOY?

I enjoy preparing for events and then getting on site and starting the build. It's a great feeling when shooters start to come back in after shooting the course and say they have enjoyed the layout.

AND WHAT ARE THE CHALLENGES?

Pleasing everyone is one of the hardest challenges. Creating a sporting layout that caters for all abilities.

WHAT ARE YOUR CAREER HIGHLIGHTS?

Winning the World Cup gold in Cairo in Olympic Skeet (still the only ever Individual World Cup gold in Olympic Skeet). Also having a bronze and silver Commonwealth Medal. ●

MK38 SPORTER TEAGUE GRADE 5

Ø 12M

The MK38 Trap gun is an proven performer in all trap disciplines at the very highest levels. It is available in a range of two different Grades (three grades in the sporter model) reflecting the increasing figuring of the walnut furniture and more elaborate hand finished engraving. Responding to many shooters requirement to be able to fine tune their stock fit, Miroku offers the MK38 Adjustable. This gun features a stock with a comb that can be moved both up and down and left and right, allowing any shooter to achieve the customized fit they desire.
