Annual Safety and Insurance Declaration: We declare that we are satisfied that the shooting ground complies with relevant legislation and consents required for the safe operation of a shooting ground. We confirm there have been no material changes to the ground or its operation that materially affects any of the answers or documentation supplied. We enclose updated documentation where appropriate. We agree that when operating Registered events they will be on CPSA approved layouts and conducted in accordance with current CPSA rules and regulations. We declare that the Club carries adequate insurance not limited to public, product and employer's liability insurance and will maintain such insurance without interruption and agree to indemnify and keep indemnified the CPSA in full and on demand from and against all and any losses, costs, claims, liabilities, actions, damages and expenses that CPSA and its members or anyone at the Club incurs in the usual course of the Club's business as a result of the failure of the Club to maintain adequate insurance.
